

A NONSUBSTANTIVE REVISION
OF LOCAL LAWS RELATING TO
SPECIAL DISTRICTS

Submitted to the 81st Legislature
as part of the
Texas Legislative Council's
Statutory Revision Program

Austin, Texas

2009

FOREWORD

The Texas Legislative Council is required by Section 323.007, Government Code, to carry out a complete nonsubstantive revision of the Texas statutes. The process involves reclassifying and rearranging the statutes in a more logical order, eliminating repealed, invalid, duplicative, and other ineffective provisions while employing a format and numbering system that will accommodate future expansion of the law, and improving the draftsmanship of the statutes as practicable. The revision is intended to further the legislature's stated purpose of making the statutes "more accessible, understandable, and usable" without altering the sense, meaning, or effect of the law.

Under the new classification scheme adopted by the Texas Legislative Council, the statutes will eventually consist of 27 codes, each governing a different subject matter. To date, the council has produced and the legislature has enacted the Agriculture Code, Alcoholic Beverage Code, Business & Commerce Code, Civil Practice and Remedies Code, Education Code, Election Code (a substantive revision), Estates Code, Finance Code, Government Code, Health and Safety Code, Human Resources Code, Insurance Code, Labor Code, Local Government Code, Natural Resources Code, Occupations Code, Parks and Wildlife Code, Property Code, Tax Code (Title 1 of which was a substantive revision), Transportation Code, Utilities Code, and Water Code. The 78th Legislature, Regular Session, 2003, enacted a Special District Local Laws Code of which the following revised laws form a part. The council's staff also assisted the state bar in the Business Organizations Code, Penal Code, and Family Code projects, which were substantive revisions, and revised miscellaneous criminal procedure provisions as Title 2 of the Code of Criminal Procedure.

The revised local laws governing special districts included in this revision are placed into the Special District Local Laws Code enacted by the 78th Legislature, Regular Session, 2003, according to the structure established by that enactment. The Special District Local Laws Code is divided into titles by broad subject matter, subtitles by type of special district, chapters governing individual districts, subchapters for organization, and sections for distinct provisions of law. Sections are numbered decimally, with the number to the left of the decimal the same as the number of the chapter in which the section is contained. Because the code concerns a great number of individual special districts, the code is organized to provide a unique chapter number for each district whose governing laws have been revised. Gaps have been left in chapter and section numbering to accommodate later expansions of the law.

This revisor's report reflects the enactment of Chapter 1139, Acts of the 81st Legislature, Regular Session, 2009, the Texas Legislative Council staff's revision of local laws governing various kinds of special districts in this state. The revisor's report states the Revised Law, which is the text of the new law, and then provides the Source Law, which is the text of the former law from which the new law was derived. If further explanation of either the revised law or the source law is required, a Revisor's

Note is included after the source law. All substance of the source law is revised in the revised law or the reason for its omission is explained in a revisor's note.

Note that this revision did not take effect until April 1, 2011, to provide all affected persons a complete legislative cycle to review the revision more closely.

Because of the extensive reorganization of many statutes, and even provisions within a statute, it may be helpful to refer to the source law for a given chapter as a whole, so that it may be read in its former context, and to refer to the disposition table, which shows where the former statutes, as revised, appear in this code. The disposition table is printed as Appendix C to the revisor's report.

The revision required conforming amendments to several statutes. These amendments, also enacted into law by Chapter 1139, Acts of the 81st Legislature, Regular Session, 2009, are printed in Appendix A to the revisor's report. Appendix A also includes a section listing the laws repealed effective April 1, 2011, and a section stating the legislature's intent that the code be a nonsubstantive revision.

In reviewing this revisor's report, the reader should keep in mind that:

(1) Except as otherwise provided, Chapter 311, Government Code (Code Construction Act), applies to the code. That chapter sets out certain principles of statutory construction applicable to new codes and also provides some definitions. The chapter is printed as Appendix B to this report.

(2) The proposed code is written in modern American English. Where possible, the present tense is used, the active voice is used in preference to the passive voice, and the singular is used in preference to the plural.

(3) This is a nonsubstantive revision. The Texas Legislative Council staff's authority does not include improving the substance of the source law. The sole purpose of the revision is to compile all the relevant law, arrange it in a logical fashion, and rewrite it without altering its sense, meaning, or legal effect. If a particular source law statute is ambiguous and the ambiguity cannot be resolved without a potential substantive effect, the ambiguity is preserved.

The hospital districts portion of this revision project is under the direction of Mark Kuster, Legislative Counsel, of the Texas Legislative Council's legal division staff. The water districts, other than groundwater conservation districts, portion of this revision project is under the direction of Kelly Lowe, Legislative Counsel, of the Texas Legislative Council's legal division staff. The groundwater conservation districts portion of this revision project is under the direction of Pam Moore, Senior Legislative Counsel, of the Texas Legislative Council's legal division staff. Questions may be directed to the appropriate person at P.O. Box 12128, Capitol Station, Austin, Texas 78711-2128, or by telephone at (512) 463-1155.

5 CHAPTER 1035. DEWITT MEDICAL DISTRICT

6 SUBCHAPTER A. GENERAL PROVISIONS

7 Revised Law

8 Sec. 1035.001. DEFINITIONS. In this chapter:

9 (1) "Board" means the board of directors of the
10 district.

11 (2) "Director" means a member of the board.

12 (3) "District" means the DeWitt Medical District.

13 (New.)

14 Revisor's Note

15 The definitions of "board," "director," and
16 "district" are added to the revised law for drafting
17 convenience and to eliminate frequent, unnecessary
18 repetition of the substance of the definitions.

19 Revised Law

20 Sec. 1035.002. AUTHORITY FOR CREATION. The DeWitt Medical
21 District is created under the authority of Section 9, Article IX,
22 Texas Constitution. (Acts 59th Leg., R.S., Ch. 310, Secs. 1 (part),
23 1A(a).)

24 Source Law

25 Sec. 1. Pursuant to authority granted by the
26 provisions of Section 9 of Article IX of the
27 Constitution of the State of Texas, Cuero Hospital
28 District of DeWitt County, Texas, is hereby authorized
29 to be created in DeWitt County, Texas, and

30 Sec. 1A. (a) The name of the Cuero Hospital
31 District of DeWitt County, Texas, is changed to the
32 DeWitt Medical District.

33 Revisor's Note

34 (1) Section 1, Chapter 310, Acts of the 59th
35 Legislature, Regular Session, 1965, refers to the
36 "Cuero Hospital District of DeWitt County, Texas."
37 The revised law substitutes "DeWitt Medical District"

1 for the quoted language because under Section 1A(a),
2 as added by Section 1, Chapter 1260, Acts of the 71st
3 Legislature, Regular Session, 1989, the name of the
4 district was changed to the DeWitt Medical District.

5 (2) Section 1A(b), Chapter 310, Acts of the 59th
6 Legislature, Regular Session, 1965, provides that a
7 reference to the Cuero Hospital District in the act or
8 in any other law means the DeWitt Medical District.
9 The revised law omits that provision because all
10 references to the district in the revised law mean the
11 DeWitt Medical District and there are no other
12 references in law to the former Cuero Hospital
13 District. The omitted law reads:

14 (b) A reference in this Act or in any
15 other law to the Cuero Hospital District of
16 DeWitt County, Texas, means the DeWitt
17 Medical District.

18 Revised Law

19 Sec. 1035.003. POLITICAL SUBDIVISION. The district is a
20 political subdivision of this state. (Acts 59th Leg., R.S., Ch.
21 310, Sec. 15 (part).)

22 Source Law

23 Sec. 15. The hospital district created under
24 this Act shall be and is declared to be a political
25 subdivision of the State of Texas, and

26 Revised Law

27 Sec. 1035.004. DISTRICT TERRITORY. (a) The district is
28 composed of the territory described by Section 1, Chapter 310, Acts
29 of the 59th Legislature, Regular Session, 1965.

30 (b) The boundaries and field notes of the district form a
31 closure. A mistake in copying the field notes in the legislative
32 process does not affect:

33 (1) the district's organization, existence, or
34 validity;

35 (2) the district's right to issue a bond;

36 (3) the district's right to impose a tax; or

37 (4) the legality or operation of the district. (New;

1 Acts 59th Leg., R.S., Ch. 310, Sec. 1 (part).)

2 Source Law

3 Sec. 1. . . .

4 The Legislature hereby finds that the foregoing
5 boundaries and field notes of said District form a
6 closure, and, if any mistake is made in copying the
7 field notes in the legislative process, such mistake
8 shall not affect the organization, existence or
9 validity of the District or its right to issue bonds or
10 refunding bonds, and the right to assess, levy and
11 collect taxes, or in any other manner affect the
12 legality or operation of the District.

13 Revisor's Note

14 (1) The revision of the law governing the
15 district does not revise the statutory language
16 describing the territory of the district to avoid the
17 lengthy recitation of the description. For the
18 reader's convenience, the revised law includes a
19 reference to the statutory description of the
20 district's territory.

21 (2) Section 1, Chapter 310, Acts of the 59th
22 Legislature, Regular Session, 1965, provides that a
23 mistake in the description of the district boundaries
24 does not affect the right of the district to issue
25 "bonds or refunding bonds." The revised law omits the
26 reference to "refunding bonds" because refunding bonds
27 are included in the meaning of "bonds."

28 (3) Section 1, Chapter 310, Acts of the 59th
29 Legislature, Regular Session, 1965, refers to the
30 district's right to "assess, levy and collect" taxes.
31 The revised law substitutes "impose" for "assess, levy
32 and collect" because "impose" is the term generally
33 used in Title 1, Tax Code, and includes the assessment,
34 levy, and collection of a tax.

35 Revised Law

36 Sec. 1035.005. CORRECTION OF INVALID PROCEDURES. If a
37 court holds that any procedure under this chapter violates the
38 constitution of this state or of the United States, the district by
39 resolution may provide an alternative procedure that conforms with

1 the constitution. (Acts 59th Leg., R.S., Ch. 310, Sec. 17 (part).)

2 Source Law

3 Sec. 17. . . . [Federal or State Constitution]
4 . . . Where any procedure hereunder may be held by any
5 court to be violative of either of such constitutions,
6 the District shall have the power by resolution to
7 provide an alternative procedure conformable with such
8 constitutions. . . .

9 Revisor's Note

10 Section 17, Chapter 310, Acts of the 59th
11 Legislature, Regular Session, 1965, provides that the
12 act does not violate the federal or state constitution
13 and requires that action under the act comply with the
14 constitutions. The revised law omits the reference to
15 the federal constitution because, under the Supremacy
16 Clause of the United States Constitution (Clause 2,
17 Article VI), federal law always takes precedence over
18 a state statute. The revised law omits the reference
19 to the Texas Constitution because the state cannot
20 modify constitutional requirements by statute. The
21 omitted law reads:

22 Sec. 17. Nothing in this Act shall be
23 construed to violate any provision of the
24 Federal or State Constitution, and all
25 things done under this Act shall be in such
26 manner as will conform thereto, whether
27 expressly so provided or not. . . .

28 Revised Law

29 Sec. 1035.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
30 OBLIGATION. The support and maintenance of the district's hospital
31 system may not become a charge against or obligation of this state.
32 (Acts 59th Leg., R.S., Ch. 310, Sec. 8 (part).)

33 Source Law

34 Sec. 8. . . . It is provided specifically that
35 the support and maintenance of the District's hospital
36 system shall never become a charge against or
37 obligation of the State of Texas.

38 Revisor's Note
39 (End of Subchapter)

40 Section 3 and parts of Sections 5 and 6, Chapter
41 310, Acts of the 59th Legislature, Regular Session,

1 1965, provide procedures for holding an election on
2 the creation of the district, the imposition of an ad
3 valorem tax, and the submission of a bond proposal.
4 Because the election creating the district has been
5 held, the revised law omits the relevant law as
6 executed. The omitted law reads:

7 Sec. 3. Such District shall not be
8 created nor shall any tax therein be
9 authorized unless and until such creation
10 and such tax are approved by a majority of
11 the qualified property taxpaying electors
12 of the District voting at an election called
13 for such purpose. Such election shall be
14 initiated by a petition to the DeWitt County
15 Commissioners Court signed by at least
16 fifty (50) qualified property taxpaying
17 electors residing within the boundaries of
18 the proposed District. Within ten (10) days
19 after the presentation of said petition to
20 the Commissioners Court of DeWitt County,
21 Texas, said Court shall order an election to
22 be held within said District not less than
23 thirty (30) days from the date said election
24 is ordered. The order calling such election
25 shall specify the date and place or places
26 of holding same, the form of ballot and the
27 presiding judge for each voting place. At
28 such election there shall be submitted to
29 the qualified property taxpaying electors
30 of said proposed District the proposition
31 of whether or not Cuero Hospital District of
32 DeWitt County, Texas, shall be created with
33 authority to levy annual taxes at a rate not
34 to exceed seventy-five cents (75¢) on the
35 One Hundred Dollar valuation of all taxable
36 property within such District for the
37 purpose of meeting the requirements of the
38 District's bonds and its maintenance and
39 operating expenses, and a majority of the
40 qualified property taxpaying electors of
41 the District voting in said election in
42 favor of the proposition shall be
43 sufficient for its adoption. The ballots of
44 said election shall conform to the
45 requirements of the Texas Election Code, as
46 amended, and shall have printed thereon the
47 following:

48 "FOR the creation of Cuero Hospital
49 District of DeWitt County, Texas; providing
50 for the levy of annual taxes at a rate not to
51 exceed seventy-five cents (75¢) on the One
52 Hundred Dollar valuation of all taxable
53 property within such District"; and

54 "AGAINST the creation of Cuero
55 Hospital District of DeWitt County, Texas;
56 providing for the levy of annual taxes at a
57 rate not to exceed seventy-five cents (75¢)
58 on the One Hundred Dollar valuation of all
59 taxable property within such District."

60 Notice of said election shall be given by
61 publishing a substantial copy of the
62 election order in a newspaper of general

1 circulation in the area of the proposed
2 District, once a week for two consecutive
3 weeks, the first publication to appear at
4 least fourteen (14) days prior to the date
5 set for the election. The failure of any
6 such election shall not operate to prohibit
7 the calling and holding of subsequent
8 elections for the same purpose.

9 Sec. 5. After such creation, tax
10 levy, and first directors' election is held,
11 the officials conducting same shall make
12 due returns to the DeWitt County
13 Commissioners Court which shall canvass the
14 returns thereof. If a majority of the
15 qualified property taxpaying electors
16 voting at said election voted in favor of
17 the proposition to create said District and
18 levy said tax, said Court shall so find and
19 declare said District established and
20 created. . . .

21 Sec. 6. A bond election may also be
22 held on the same day as said creation, tax
23 levy and directors' election, and said
24 petition mentioned in Section 3 hereof may
25 also include a proposition on the issuance
26 of bonds of said District. Such bond
27 election may be called by a separate
28 election order, or as a part of the order
29 calling such election provided for in said
30 Section 3. The provisions of Section 12
31 hereof shall apply to such bond election,
32 except that such election shall be called by
33 said DeWitt County Commissioners Court and
34 the returns canvassed by said Court. If the
35 bonds are authorized at said election, they
36 shall then be issued by the Board of
37 Directors, assuming that the proposition
38 specified in Section 3 is favored by a
39 majority vote. With the exception of bonds
40 authorized by this Section 6,

42 SUBCHAPTER B. DISTRICT ADMINISTRATION

43 Revised Law

44 Sec. 1035.051. BOARD ELECTION; TERM. (a) The district is
45 governed by a board of five directors elected from the district at
46 large.

47 (b) Directors serve staggered three-year terms.

48 (c) An election shall be held each year on the May uniform
49 election date under Section 41.001, Election Code, to elect the
50 appropriate number of directors. (Acts 59th Leg., R.S., Ch. 310,
51 Secs. 4(a), (c) (part).)

52 Source Law

53 Sec. 4. (a) The District is governed by a Board
54 of five directors elected at large for staggered
55 three-year terms.

1 (c) A regular election shall be held each year
2 on the May uniform election date under Section 41.001,
3 Election Code, and the appropriate number of successor
4 directors shall be elected for three-year terms. . . .

5 Revisor's Note

6 (1) Section 4(c), Chapter 310, Acts of the 59th
7 Legislature, Regular Session, 1965, provides that the
8 board shall order the election in accordance with
9 Chapter 3, Election Code, which establishes procedures
10 for ordering an election in this state. The revised
11 law omits the provision because Section 1.002,
12 Election Code, provides that the Election Code applies
13 to all elections held in this state. The omitted law
14 reads:

15 (c) . . . The Board of Directors
16 shall order the election in accordance with
17 Chapter 3, Election Code. . . .

18 (2) Section 5, Chapter 310, Acts of the 59th
19 Legislature, Regular Session, 1965, prescribes the
20 procedures for electing the initial directors. The
21 revised law omits the provision as executed. The
22 omitted law reads:

23 Sec. 5. . . . Such Court shall also
24 determine the five persons receiving the
25 highest number of votes for directors and
26 shall declare those persons elected. . . .

27 (3) Section 4, Chapter 249, Acts of the 72nd
28 Legislature, Regular Session, 1991, provides
29 transition procedures for the election and terms of
30 directors after the establishment of three-year terms.
31 The revised law omits those provisions as executed.
32 The omitted law reads:

33 Sec. 4. (a) The election of the
34 board of directors scheduled before the
35 effective date of this Act to be held in
36 January 1992 shall be held, and the
37 directors elected at that election shall
38 draw lots to determine which director shall
39 serve a two-year term and which director
40 shall serve a three-year term.

41 (b) The election of the board of
42 directors scheduled before the effective
43 date of this Act to be held in January 1993
44 shall be held, and the directors elected at

1 that election shall draw lots to determine
2 which director shall serve a one-year term,
3 which director shall serve a two-year term,
4 and which director shall serve a three-year
5 term.

6 (c) The directors elected at the
7 elections to be held in January 1994 shall
8 serve three-year terms.

9 Revised Law

10 Sec. 1035.052. NOTICE OF ELECTION. Notice of a directors'
11 election shall be published in a newspaper of general circulation
12 in the district in accordance with Section 4.003, Election Code.
13 (Acts 59th Leg., R.S., Ch. 310, Sec. 4(c) (part).)

14 Source Law

15 (c) . . . Notice of the election shall be
16 published in a newspaper of general circulation in the
17 District in accordance with Section 4.003, Election
18 Code.

19 Revised Law

20 Sec. 1035.053. QUALIFICATIONS FOR OFFICE. (a) To be
21 qualified to serve as a director, a person must:

22 (1) reside in the district; and

23 (2) be at least 21 years of age.

24 (b) A person may not serve as a director if the person:

25 (1) is a district employee; or

26 (2) was a district employee at any time during the two
27 years preceding the date of the election. (Acts 59th Leg., R.S.,
28 Ch. 310, Sec. 4(b).)

29 Source Law

30 (b) To be qualified to serve as a director of the
31 District a person must be a resident of the District
32 and at least twenty-one years of age. An employee of
33 the District or a person who was employed by the
34 District at any time during the two years preceding the
35 date of the election may not serve as a director.

36 Revised Law

37 Sec. 1035.054. BOND; RECORD OF BOND AND OATH OR AFFIRMATION
38 OF OFFICE. (a) Each director shall qualify by executing a good and
39 sufficient bond for \$5,000 that is:

40 (1) approved by the board;

41 (2) payable to the district; and

42 (3) conditioned on the faithful performance of the

1 director's duties.

2 (b) Each director's bond and constitutional oath or
3 affirmation of office shall be kept in the district's permanent
4 records. (Acts 59th Leg., R.S., Ch. 310, Sec. 5 (part).)

5 Source Law

6 Sec. 5. . . . Each member of the Board of
7 Directors shall qualify by executing the
8 constitutional oath of office and by making a good and
9 sufficient bond, [to be approved by said Commissioners
10 Court,] for \$5,000 payable to said District and
11 conditioned upon the faithful performance of his
12 duties as such director, and such oaths and bonds shall
13 be kept in the permanent records of said District.
14 [Except for said first Board of Directors,] the bonds
15 of said directors shall be approved by the District
16 Board of Directors.

17 Revisor's Note

18 (1) Section 5, Chapter 310, Acts of the 59th
19 Legislature, Regular Session, 1965, requires each
20 director to qualify by executing the constitutional
21 oath of office. The revised law omits that provision
22 because Section 1, Article XVI, Texas Constitution,
23 requires all officers to take the oath (or
24 affirmation) before assuming office. In addition, the
25 revised law requires retention in the district's
26 permanent records of the constitutional affirmation as
27 well as the constitutional oath because Section 1,
28 Article XVI, Texas Constitution, permits an officer in
29 this state to take either the oath or the affirmation.
30 The omitted law reads:

31 Sec. 5. . . . [Each member of the
32 Board of Directors shall qualify] by
33 executing the constitutional oath of office
34 and

35 (2) Section 5, Chapter 310, Acts of the 59th
36 Legislature, Regular Session, 1965, requires the bonds
37 of the initial directors to be approved by the
38 commissioners court. The revised law omits that
39 provision as executed. The omitted law reads:

40 Sec. 5. . . . [shall qualify . . . by
41 making a good and sufficient bond,] to be
42 approved by said Commissioners Court,

1 Except for said first Board of
2 Directors, [the bonds of said directors
3 shall be approved by the District Board of
4 Directors.]

5 Revised Law

6 Sec. 1035.055. BOARD VACANCY. (a) If a vacancy occurs in
7 the office of director, the remaining directors shall appoint a
8 director for the unexpired term.

9 (b) If the number of directors is reduced to fewer than
10 three, the remaining directors shall immediately call a special
11 election to fill the vacancies. If the remaining directors do not
12 call the election, a district court, on application of a district
13 voter or taxpayer, may order the directors to hold the election.
14 (Acts 59th Leg., R.S., Ch. 310, Sec. 7(g).)

15 Source Law

16 (g) All vacancies in the office of director
17 shall be filled for the unexpired term by appointment
18 of the remainder of the Board. If the number of
19 directors is reduced to less than three (3), the
20 remaining directors shall immediately call a special
21 election to fill the vacancies. Upon failure to do so,
22 a District Court may, upon application of any voter or
23 taxpayer of the District, issue a mandate requiring
24 the directors to call and hold an election.

25 Revisor's Note

26 Section 7(g), Chapter 310, Acts of the 59th
27 Legislature, Regular Session, 1965, refers to an order
28 to "call and hold" an election. The revised law omits
29 the reference to calling an election because, in this
30 context, calling an election is included in the
31 meaning of holding an election. Under Chapter 3,
32 Election Code, all elections must be ordered (called)
33 before they may be held.

34 Revised Law

35 Sec. 1035.056. OFFICERS. (a) At the board's first regular
36 meeting following the annual election of the directors, the board
37 shall elect a chair, vice chair, and secretary from among its
38 members to serve for a term of one year.

39 (b) The board may create additional officer positions.
40 (Acts 59th Leg., R.S., Ch. 310, Sec. 7(a).)

1 Source Law

2 Sec. 7. (a) At the first regular meeting of the
3 Board of Directors following the annual election of
4 the directors, the Board of Directors shall elect a
5 chair, vice chair, and secretary from their number to
6 serve for a term of one year. The Board may create
7 additional officer positions.

8 Revised Law

9 Sec. 1035.057. COMPENSATION; EXPENSES. A director serves
10 without compensation but may be reimbursed for actual expenses
11 incurred in the performance of official duties on approval of the
12 expenses by the board. (Acts 59th Leg., R.S., Ch. 310, Sec. 7(f).)

13 Source Law

14 (f) The Board of Directors of the District shall
15 serve without compensation but may be reimbursed for
16 actual expenses incurred by them in the performance of
17 their official duties upon the approval of such
18 expenses by the Board of Directors thereof.

19 Revised Law

20 Sec. 1035.058. VOTING REQUIREMENT. A concurrence of a
21 majority of the directors is sufficient in any matter relating to
22 district business. (Acts 59th Leg., R.S., Ch. 310, Sec. 7(b)
23 (part).)

24 Source Law

25 (b) [A majority of the directors] . . . a
26 concurrence of a majority shall be sufficient in all
27 matters pertaining to the business of the District.

28 Revisor's Note

29 Section 7(b), Chapter 310, Acts of the 59th
30 Legislature, Regular Session, 1965, provides that a
31 majority of directors constitutes a quorum. The
32 revised law omits that provision because it duplicates
33 Section 311.013, Government Code (Code Construction
34 Act), which provides that a quorum of a public body is
35 a majority of the number of members fixed by statute.
36 The omitted law reads:

37 (b) A majority of the directors shall
38 constitute a quorum, and

39 Revised Law

40 Sec. 1035.059. DISTRICT ADMINISTRATOR. (a) The board

1 shall appoint a qualified person as district administrator.

2 (b) The district administrator serves at the will of the
3 board and is entitled to the compensation determined by the board.

4 (c) The board shall require that before assuming the duties
5 of district administrator the administrator must execute a bond in
6 an amount set by the board of not less than \$5,000 that is:

7 (1) payable to the district; and

8 (2) conditioned on the performance of the
9 administrator's duties.

10 (d) The board may pay for the bond with district money.
11 (Acts 59th Leg., R.S., Ch. 310, Sec. 7(h) (part).)

12 Source Law

13 (h) The Board of Directors shall appoint a
14 qualified person as District administrator. The
15 administrator serves at the will of the Board and shall
16 receive the compensation determined by the Board. The
17 Board shall require that before assuming the duties as
18 administrator, a person must execute a bond payable to
19 the District in an amount set by the Board of not less
20 than \$5,000 that is conditioned on the performance of
21 the administrator's duties. The Board may pay for the
22 bond with District funds. . . .

23 Revised Law

24 Sec. 1035.060. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
25 Subject to the limitations prescribed by the board, the district
26 administrator shall:

27 (1) supervise the work and activities of the district;
28 and

29 (2) direct the affairs of the district. (Acts 59th
30 Leg., R.S., Ch. 310, Sec. 7(h) (part).)

31 Source Law

32 (h) . . . Subject to the limitations prescribed
33 by the Board, the administrator shall supervise the
34 work and activities of the District and direct the
35 affairs of the District.

36 Revised Law

37 Sec. 1035.061. RECRUITMENT OF MEDICAL STAFF AND EMPLOYEES.
38 The board may spend district money to recruit physicians, nurses,
39 or other trained medical personnel. The board may pay the tuition or
40 other costs or expenses of a full-time medical or nursing student

1 who:

2 (1) is enrolled in and is in good standing at an
3 accredited school, college, or university; and

4 (2) contractually agrees to become a district employee
5 in return for that assistance. (Acts 59th Leg., R.S., Ch. 310,
6 Secs. 16A(a), (b).)

7 Source Law

8 Sec. 16A. (a) The Board of Directors may spend
9 District funds to recruit physicians, nurses, or other
10 trained medical personnel.

11 (b) The Board may enter into contracts with
12 full-time medical or nursing students enrolled and in
13 good standing in accredited schools, colleges, or
14 universities, as authorized by this section. The
15 Board may agree to pay the student's tuition or other
16 costs or expenses in consideration of the student's
17 contractual agreement to serve as an employee of the
18 District on terms set out in the contract.

19 Revisor's Note

20 Section 16A(b), Chapter 310, Acts of the 59th
21 Legislature, Regular Session, 1965, provides that a
22 student who receives assistance from the district must
23 become a district employee "on terms set out in the
24 contract." The revised law omits the quoted language
25 because the provisions of a contract between the board
26 and a student apply by their own terms.

27 Revised Law

28 Sec. 1035.062. CONTINUING EDUCATION; RETRAINING. The board
29 may spend district money for continuing education and retraining of
30 employees. (Acts 59th Leg., R.S., Ch. 310, Sec. 16A(c).)

31 Source Law

32 (c) The Board may spend District funds for
33 continuing education and retraining of employees.

34 Revised Law

35 Sec. 1035.063. DOCTORS AND OTHER EMPLOYEES. The board may
36 contract with doctors or appoint doctors to the medical staff and
37 may employ technicians, nurses, and other employees the board
38 considers necessary for the efficient operation of the district.
39 The board may delegate that authority to the district
40 administrator. (Acts 59th Leg., R.S., Ch. 310, Sec. 7(i).)

1 Source Law

2 (i) The Board may contract with doctors or
3 appoint doctors to the medical staff and may employ
4 technicians, nurses, and other employees the Board
5 considers necessary for the efficient operation of the
6 District. The Board may delegate that authority to the
7 District administrator.

8 Revisor's Note
9 (End of Subchapter)

10 Section 4(d), Chapter 310, Acts of the 59th
11 Legislature, Regular Session, 1965, provides that a
12 person must file a ballot application with the board
13 secretary to be a candidate for director in accordance
14 with Chapter 144, Election Code. The revised law omits
15 the provision because Chapter 144 applies to the
16 district by its own terms under Section 1.002,
17 Election Code. The omitted law reads:

18 (d) A person who wants to have the
19 person's name printed on the ballot as a
20 candidate for director must file an
21 application with the secretary of the Board
22 in accordance with Chapter 144, Election
23 Code.

24 [Sections 1035.064-1035.100 reserved for expansion]

25 SUBCHAPTER C. POWERS AND DUTIES

26 Revised Law

27 Sec. 1035.101. DISTRICT RESPONSIBILITY. The district has
28 full responsibility for providing medical and hospital care for the
29 district's needy inhabitants. (Acts 59th Leg., R.S., Ch. 310, Sec.
30 2 (part).)

31 Source Law

32 Sec. 2. . . . Such District shall assume full
33 responsibility for providing medical and hospital care
34 for its needy inhabitants. . . .

35 Revisor's Note

36 Section 2, Chapter 310, Acts of the 59th
37 Legislature, Regular Session, 1965, provides that the
38 district "shall assume" full responsibility for
39 providing medical and hospital care for the district's
40 needy inhabitants. The revised law substitutes "has"
41 for the quoted language because the duty to assume the

1 responsibility is executed.

2 Revised Law

3 Sec. 1035.102. RESTRICTION ON POLITICAL SUBDIVISION
4 TAXATION AND DEBT. A political subdivision in DeWitt County, other
5 than the district, may not impose a tax or issue bonds or other
6 obligations for hospital purposes or to provide medical care in the
7 district. (Acts 59th Leg., R.S., Ch. 310, Sec. 2 (part).)

8 Source Law

9 Sec. 2. . . . After establishment of such
10 District, no other municipality or political
11 subdivision in DeWitt County shall have the power to
12 levy taxes or issue bonds or other obligations for
13 hospital purposes or for providing medical care within
14 the boundaries of the District.

15 Revisor's Note

16 (1) Section 2, Chapter 310, Acts of the 59th
17 Legislature, Regular Session, 1965, provides that
18 "[a]fter establishment of such District" certain
19 political subdivisions may not levy taxes or issue
20 bonds or other obligations for hospital purposes or
21 for providing medical care in the district. The
22 revised law omits the quoted language as executed. In
23 addition, throughout this chapter, the revised law
24 substitutes "impose" for "levy" because, in this
25 context, the terms are synonymous and the former is
26 more commonly used.

27 (2) Section 2, Chapter 310, Acts of the 59th
28 Legislature, Regular Session, 1965, refers to a
29 "municipality or political subdivision." The revised
30 law omits the reference to "municipality" because
31 "municipality" is included in the meaning of
32 "political subdivision."

33 Revised Law

34 Sec. 1035.103. MANAGEMENT AND CONTROL. (a) The board has
35 all powers necessary, convenient, or incidental to carry out the
36 purposes for which the district was created.

37 (b) The board has complete management and control of all

1 district business, including the power to negotiate and contract
2 with any person to purchase or lease land, to construct and equip a
3 hospital system, to operate and maintain a hospital or hospitals,
4 and to negotiate and contract with other political subdivisions of
5 this state or with private individuals, associations, or
6 corporations for those purposes as the board determines necessary
7 or desirable. (Acts 59th Leg., R.S., Ch. 310, Secs. 7(c), (e).)

8 Source Law

9 (c) Not by way of limitation, the Board shall
10 have the complete management and control of all the
11 business of the District, including but not limited to
12 the power and authority to negotiate and contract with
13 any person or body, public or private, to purchase or
14 lease land, to construct and equip a hospital system,
15 and to operate and maintain a hospital or hospitals,
16 and to negotiate and contract with other political
17 subdivisions of the State or private individuals,
18 associations or corporations for such purposes, all as
19 may be determined to be necessary or desirable for the
20 District by the Board.

21 (e) The Board shall have all powers necessary,
22 convenient or incidental to carry out the purposes for
23 which the District is created.

24 Revisor's Note

25 (1) Section 7(c), Chapter 310, Acts of the 59th
26 Legislature, Regular Session, 1965, provides that,
27 "[n]ot by way of limitation," the board has the
28 complete management and control of the district,
29 including certain specific powers. Throughout this
30 chapter, the revised law omits the quoted language
31 because it is an accepted general principle of
32 statutory construction that a grant of a power does not
33 act as a limitation. The general principle applies to
34 this revision.

35 (2) Section 7(c), Chapter 310, Acts of the 59th
36 Legislature, Regular Session, 1965, refers to
37 "including, but not limited to." The revised law omits
38 "but not limited to" because Section 311.005(13),
39 Government Code (Code Construction Act), provides that
40 "includes" and "including" are terms of enlargement
41 and not of limitation and do not create a presumption

1 that components not expressed are excluded.

2 (3) Section 7(c), Chapter 310, Acts of the 59th
3 Legislature, Regular Session, 1965, provides that the
4 board has the "power and authority" to take certain
5 actions. The revised law omits "authority" because,
6 in this context, "authority" is included in the
7 meaning of "power."

8 (4) Section 7(c), Chapter 310, Acts of the 59th
9 Legislature, Regular Session, 1965, provides that the
10 board may contract with "any person or body, public or
11 private." The revised law omits "body, public or
12 private," because under Section 311.005(2),
13 Government Code (Code Construction Act), "person"
14 includes a public or private body.

15 Revised Law

16 Sec. 1035.104. HOSPITAL SYSTEM. The district shall provide
17 for:

18 (1) the establishment of a hospital or hospital system
19 in the district to furnish medical and hospital care to district
20 residents by:

21 (A) purchasing, constructing, acquiring,
22 repairing, or renovating buildings and improvements for hospital
23 purposes; and

24 (B) equipping the buildings and improvements for
25 those purposes; and

26 (2) the administration of the hospital system for
27 hospital purposes. (Acts 59th Leg., R.S., Ch. 310, Sec. 2 (part).)

28 Source Law

29 Sec. 2. The District hereby authorized to be
30 created shall provide for the establishment of a
31 hospital or hospital system within its boundaries to
32 furnish medical and hospital care to persons residing
33 in said District by the purchase, construction,
34 acquisition, repair or renovation of buildings and
35 improvements and the equipping of same and the
36 administration thereof for hospital purposes. . . .

37 Revised Law

38 Sec. 1035.105. PROVISION OF CERTAIN HEALTH SERVICES. The

1 district may provide:

- 2 (1) emergency medical services;
 - 3 (2) home health care services;
 - 4 (3) long-term health care services;
 - 5 (4) assisted living services; or
 - 6 (5) any other appropriate health care services the
- 7 board determines are necessary to meet the district's needs. (Acts
8 59th Leg., R.S., Ch. 310, Sec. 7A.)

9 Source Law

10 Sec. 7A. The District may provide emergency
11 medical services, home health care services, long-term
12 health care services, assisted living services, or any
13 other appropriate health care services the Board of
14 Directors determines are necessary to meet the needs
15 of the District.

16 Revised Law

17 Sec. 1035.106. EMINENT DOMAIN. (a) The district may
18 exercise the power of eminent domain to acquire a fee simple or
19 other interest in any type of property, real, personal, or mixed,
20 located in district territory, if the interest is necessary for the
21 district to exercise a right, power, privilege, or function
22 conferred on the district by this chapter.

23 (b) The district must exercise the power of eminent domain
24 in the manner provided by Chapter 21, Property Code, except the
25 district is not required to deposit in the trial court money or a
26 bond as provided by Section 21.021(a), Property Code.

27 (c) In a condemnation proceeding brought by the district,
28 the district is not required to:

- 29 (1) pay in advance or provide a bond or other security
30 for costs in the trial court;
- 31 (2) provide a bond for the issuance of a temporary
32 restraining order or a temporary injunction; or
- 33 (3) provide a bond for costs or a supersedeas bond on
34 an appeal or petition for review. (Acts 59th Leg., R.S., Ch. 310,
35 Sec. 11.)

36 Source Law

37 Sec. 11. Said District shall have the right and

1 power of eminent domain for the purpose of acquiring by
2 condemnation any and all property of any kind or
3 character, real, personal or mixed, or any interest
4 therein, including outright ownership of such property
5 in fee simple absolute, within the boundaries of said
6 District, necessary to the exercise of the rights,
7 powers, privileges and functions conferred upon it by
8 this Act in the manner provided by General Law with
9 respect to condemnation; provided that said District
10 shall not be required to make deposits in the registry
11 of the trial court of the sum required by Paragraph 2,
12 Article 3268, Revised Civil Statutes of Texas, 1925,
13 as amended, or to make the bond required therein. In
14 condemnation proceedings being prosecuted by said
15 District, said District shall not be required to pay in
16 advance or to give bond or other security for costs in
17 the trial court, nor to give any bond otherwise
18 required for the issuance of a temporary restraining
19 order or a temporary injunction relating to a
20 condemnation proceeding, nor to give bond for costs or
21 for superseedeas on any appeal or writ of error
22 proceeding to any Court of Civil Appeals, or to the
23 Supreme Court.

24 Revisor's Note

25 (1) Section 11, Chapter 310, Acts of the 59th
26 Legislature, Regular Session, 1965, provides that the
27 district has the "right and power of eminent domain for
28 the purpose of acquiring [property] by condemnation."
29 The revised law substitutes for the quoted language
30 "may exercise the power of eminent domain to acquire
31 [property]" because the phrases have the same meaning
32 and the latter phrase is consistent with modern usage
33 in laws relating to eminent domain.

34 (2) Section 11, Chapter 310, Acts of the 59th
35 Legislature, Regular Session, 1965, provides that the
36 district must exercise the power of eminent domain in
37 the manner provided by "General Law with respect to
38 condemnation." The revised law substitutes for the
39 quoted language a reference to Chapter 21, Property
40 Code, because that is the general law governing
41 eminent domain.

42 (3) Section 11, Chapter 310, Acts of the 59th
43 Legislature, Regular Session, 1965, refers to
44 "Paragraph 2, Article 3268, Revised Civil Statutes of
45 Texas, 1925, as amended." That statute was codified in
46 1983 as Section 21.021(a), Property Code, and the

1 revised law is drafted accordingly. In addition, the
2 revised law omits the reference to "as amended"
3 because under Section 311.027, Government Code (Code
4 Construction Act), a reference to a statute applies to
5 all reenactments, revisions, or amendments of that
6 statute unless expressly provided otherwise.

7 (4) Section 11, Chapter 310, Acts of the 59th
8 Legislature, Regular Session, 1965, provides that the
9 district is not required to provide bond on any appeal
10 or "writ of error proceeding" to "any Court of Civil
11 Appeals, or to the Supreme Court." The revised law
12 substitutes "petition for review" for "writ of error"
13 because, effective September 1, 1997, the Texas
14 Supreme Court replaced the writ of error procedure
15 with the petition for review procedure. See Rule 53.1,
16 Texas Rules of Appellate Procedure. The revised law
17 also omits the references to the court of civil appeals
18 (now the court of appeals) and the supreme court. The
19 revised law omits the references because the court of
20 appeals and the supreme court are the only courts to
21 which the district may appeal or with which the
22 district may file a petition for review.

23 Revised Law

24 Sec. 1035.107. GIFTS AND ENDOWMENTS. The board may accept
25 for the district a gift or endowment to be held in trust and
26 administered by the board for the purposes and under the
27 directions, limitations, or other provisions prescribed in writing
28 by the donor that are not inconsistent with the proper management
29 and objectives of the district. (Acts 59th Leg., R.S., Ch. 310,
30 Sec. 16.)

31 Source Law

32 Sec. 16. Not by way of limitation, the Board of
33 Directors of said District is authorized in its behalf
34 to accept donations, gifts and endowments for the
35 District to be held in trust and administered by the
36 Board of Directors for such purposes and under such
37 direction, limitations and provisions as may be

1 prescribed in writing by donor, not inconsistent with
2 proper management and objects of the District.

3 Revisor's Note

4 Section 16, Chapter 310, Acts of the 59th
5 Legislature, Regular Session, 1965, refers to
6 "donations" and "gifts." The revised law omits the
7 reference to "donations" because "donations" is
8 included in the meaning of "gifts."

9 Revised Law

10 Sec. 1035.108. CONTRACT WITH NIXON HOSPITAL DISTRICT. The
11 district, through the board, may contract with the Nixon Hospital
12 District of Gonzales and Wilson Counties, Texas, for the district
13 to lease, manage, or operate a health care facility located in the
14 Nixon Hospital District. (Acts 59th Leg., R.S., Ch. 310, Sec.
15 7(d).)

16 Source Law

17 (d) The District, through the Board of
18 Directors, may contract with the Nixon Hospital
19 District of Gonzales and Wilson Counties, Texas, for
20 the District to lease, manage, or operate a health care
21 facility located in the Nixon Hospital District of
22 Gonzales and Wilson Counties, Texas.

23 Revised Law

24 Sec. 1035.109. PAYMENT FOR TREATMENT; PROCEDURES. (a)
25 Each year, the board may set criteria for determining residency,
26 eligibility for service, and the type of services available.

27 (b) When a patient who resides in the district is admitted
28 to a district facility, the district administrator may have an
29 inquiry made into the financial circumstances of:

30 (1) the patient; and

31 (2) a relative of the patient who is legally
32 responsible for the patient's support.

33 (c) The district without charge shall provide to a patient
34 who resides in the district the care and treatment that the patient
35 or a relative of the patient who is legally responsible for the
36 patient's support cannot pay.

37 (d) On determining that the patient or a relative legally
38 responsible for the patient's support can pay for all or part of the

1 care and treatment provided by the district, the district
2 administrator shall report that determination to the board, and the
3 board shall issue an order directing the patient or the relative to
4 pay the district a specified amount each week. The amount must be
5 based on the individual's ability to pay.

6 (e) The district administrator may collect money owed to the
7 district from the patient's estate or from that of a relative
8 legally responsible for the patient's support in the manner
9 provided by law for collection of expenses of the last illness of a
10 deceased person.

11 (f) If there is a dispute relating to an individual's
12 ability to pay, the board shall:

- 13 (1) call witnesses;
- 14 (2) hear and resolve the question; and
- 15 (3) issue a final order.

16 (g) The final order of the board may be appealed to a
17 district court in the county in which the district is located. The
18 substantial evidence rule applies to the appeal. (Acts 59th Leg.,
19 R.S., Ch. 310, Secs. 13A(a), (b) (part), (c), (d), (e), (f).)

20 Source Law

21 Sec. 13A. (a) The District shall without charge
22 supply to a patient residing in the District the care
23 and treatment that the patient or a relative of the
24 patient who is legally responsible for the patient's
25 support cannot pay.

26 (b) . . . The Board annually may set criteria to
27 determine residency, eligibility for services, and the
28 type of services available.

29 (c) The administrator of the District may have
30 an inquiry made into the financial circumstances of
31 any patient residing in the District and admitted to a
32 District facility and into the financial circumstances
33 of a relative of the patient who is legally responsible
34 for the patient's support.

35 (d) On finding that the patient or a relative of
36 the patient legally responsible for the patient's
37 support can pay for all or any part of the care and
38 treatment provided by the District, the administrator
39 shall report that finding to the Board, and the Board
40 shall issue an order directing the patient or the
41 relative to pay the District each week a specified
42 amount that the individual is able to pay.

43 (e) The administrator may collect money owed to
44 the District from the estate of the patient or from
45 that of a relative who was legally responsible for the
46 patient's support in the manner provided by law for
47 collection of expenses in the last illness of a
48 deceased person.

1 (f) If there is a dispute relating to an
2 individual's ability to pay, the Board shall call
3 witnesses, hear and resolve the question, and issue a
4 final order. An appeal from a final order of the Board
5 must be made to a district court in the county in which
6 the District is located and the substantial evidence
7 rule applies.

8 Revisor's Note

9 Section 13A(b), Chapter 310, Acts of the 59th
10 Legislature, Regular Session, 1965, requires the
11 district to adopt an application procedure for
12 assistance eligibility. The revised law omits the
13 provision because it duplicates Sections 61.053(a) and
14 (b), Health and Safety Code, which apply to the
15 district and detail the application procedure. The
16 omitted law reads:

17 (b) Not later than the beginning of
18 each operating year, the District shall
19 adopt an application procedure to determine
20 eligibility for assistance, as provided by
21 Section 10.03, Indigent Health Care and
22 Treatment Act (Article 4438f, Vernon's
23 Texas Civil Statutes). . . .

24 Revised Law

25 Sec. 1035.110. REIMBURSEMENT FOR SERVICES. (a) The board
26 shall require a county, municipality, or public hospital located
27 outside the district to reimburse the district for the district's
28 care and treatment of a sick or injured person of that county,
29 municipality, or public hospital as provided by Chapter 61, Health
30 and Safety Code.

31 (b) The board shall require the sheriff of DeWitt County or
32 the police chief of any municipality in the district to reimburse
33 the district for the district's care and treatment of a person who
34 is confined in a jail facility of DeWitt County or the municipality
35 and is not a district resident. A prisoner in the DeWitt County
36 jail or in a penal or police facility located in the district is not
37 considered a district resident unless the person would meet the
38 qualifications for residency notwithstanding the incarceration,
39 its duration, or the facts surrounding the incarceration.

40 (c) The board may contract with the state or federal
41 government for that government to reimburse the district for

1 treatment of a sick or injured person. (Acts 59th Leg., R.S., Ch.
2 310, Sec. 13B.)

3 Source Law

4 Sec. 13B. (a) The Board shall require
5 reimbursement from a county, municipality, or public
6 hospital located outside the boundaries of the
7 District for the District's care and treatment of a
8 sick, diseased, or injured person of that county,
9 municipality, or public hospital as provided by the
10 Indigent Health Care and Treatment Act (Article 4438f,
11 Vernon's Texas Civil Statutes).

12 (b) The Board shall require reimbursement from
13 the DeWitt County sheriff or the police chief of any
14 municipality in the District for the District's care
15 and treatment of a person confined in a jail facility
16 of DeWitt County or that municipality who is not a
17 resident of the District. A prisoner in the DeWitt
18 County jail or in a penal or police facility located in
19 the District is not considered a resident of the
20 District unless the person would meet the
21 qualifications for residency notwithstanding the
22 incarceration, its duration, or the facts surrounding
23 the incarceration.

24 (c) The Board may contract with the state or
25 federal government for the state or federal government
26 to reimburse the District for treatment of a sick,
27 diseased, or injured person.

28 Revisor's Note

29 (1) Sections 13B(a) and (c), Chapter 310, Acts
30 of the 59th Legislature, Regular Session, 1965, refer
31 to a "sick, diseased, or injured person." The revised
32 law omits the references to "diseased" because it is
33 included in the meaning of "sick."

34 (2) Section 13B(a), Chapter 310, Acts of the
35 59th Legislature, Regular Session, 1965, refers to the
36 Indigent Health Care and Treatment Act (Article 4438f,
37 Vernon's Texas Civil Statutes). That statute was
38 codified in 1989 as Chapter 61, Health and Safety Code.
39 The revised law is drafted accordingly.

40 Revised Law

41 Sec. 1035.111. AUTHORITY TO SUE AND BE SUED. As a
42 governmental agency, the district may sue and be sued in its own
43 name in any court of this state. (Acts 59th Leg., R.S., Ch. 310,
44 Sec. 15 (part).)

45 Source Law

46 Sec. 15. [The hospital district created under

1 this Act] . . . as a governmental agency may sue and be
2 sued in any and all courts of this State in the name of
3 such District.

4 Revisor's Note
5 (End of Subchapter)

6 Section 13, Chapter 310, Acts of the 59th
7 Legislature, Regular Session, 1965, provides
8 authority for the "State Board of Health, the State
9 Board of Public Welfare, or any other State agency
10 created for a similar purpose" to inspect district
11 facilities and records. The revised law omits Section
12 13 because various state laws, including Chapters 222
13 and 241, Health and Safety Code, provide the necessary
14 inspection authority to appropriate state agencies.
15 The omitted law reads:

16 Sec. 13. After the creation and
17 establishment of said District, it shall be
18 subject to inspection by any duly
19 authorized representative of the State
20 Board of Health, the State Board of Public
21 Welfare, or any other State agency created
22 for a similar purpose, and the resident
23 officers shall admit such representatives
24 into all District facilities and give them
25 access on demand to all records, reports,
26 books, papers and accounts pertaining to
27 said District.

30 Revised Law

31 Sec. 1035.151. EXPANSION OF TERRITORY; BOARD ORDER. (a)

32 The board may order an election on the question of:

33 (1) expanding the district's boundaries to include all
34 of the territory in DeWitt County that is not included in the Yoakum
35 Hospital District;

36 (2) the assumption by the additional territory of a
37 proportionate share of district debts; and

38 (3) the imposition of taxes in the territory to be
39 added to the district.

40 (b) Subsequent elections may be held on the same issue.

Source Law

Sec. 1B. (a) The Board of Directors shall order an election on the question of expanding the District's boundaries to include all of the territory in DeWitt County that is not included in the Yoakum Hospital District, the assumption of a proportionate share of District debts, and the levy of taxes in the territory to be added to the District.

(h) [If the election results are not favorable to the proposition to expand the District,] subsequent elections may be held on the same issue.

Revisor's Note

Section 1B(a), Chapter 310, Acts of the 59th Legislature, Regular Session, 1965, provides that the board "shall order an election on the question of expanding the District's boundaries." The revised law omits "shall" as executed because the district held an election to expand the district's boundaries, which failed.

Revised Law

Sec. 1035.152. ANNEXATION OF TERRITORY; PETITION. (a) The district may annex one or more tracts of territory in accordance with the method provided by this subchapter.

(b) A registered voter who resides in a defined territory may file a petition with the board requesting inclusion of the territory in the district. The territory:

(1) must be contiguous to the district's boundaries or to territory to be annexed under this subchapter; and

(2) may not be located in the boundaries of another district or a district for which the legislature has enacted enabling legislation.

(c) The petition must:

(1) describe the territory to be annexed; and

(2) be signed by the lesser of:

(A) at least 100 registered voters who reside in that territory; or

(B) a majority of the registered voters.

(d) The board may act simultaneously on several petitions

1 for annexation. If more than one petition requests annexation of
2 the same territory, the board must act on the first petition filed.

3 (e) The board may not amend a petition. (Acts 59th Leg.,
4 R.S., Ch. 310, Secs. 1C(a), (b), (c) (part), (d) (part).)

5 Source Law

6 Sec. 1C. (a) The District may annex one or more
7 tracts of territory in accordance with the method
8 prescribed by this section.

9 (b) Registered voters who reside in a defined
10 territory that is contiguous to the District
11 boundaries or to territory to be annexed under this
12 section and that is not within the boundaries of
13 another district or a district for which the
14 legislature has enacted enabling legislation, may file
15 a petition with the Board of Directors requesting the
16 inclusion of the territory in the District. The
17 petition must describe the territory to be annexed and
18 must be signed by at least 100 registered voters who
19 reside in that territory or a majority of the
20 registered voters, whichever is less.

21 (c) The Board may act simultaneously on several
22 petitions. If more than one petition requests
23 annexation of the same territory, the Board shall act
24 on the first petition filed. . . .

25 (d) . . . The Board may not amend a petition.

26 Revised Law

27 Sec. 1035.153. APPROVAL OR DENIAL OF ANNEXATION PETITION.

28 (a) If the board finds that annexation of territory into the
29 district is in the district's best interest, the board shall, not
30 later than the 90th day after the date the finding is made:

31 (1) approve the petition filed under Section 1035.152;

32 and

33 (2) order an election on the question of annexing the
34 territory.

35 (b) If the board finds that annexation is not in the
36 district's best interest, the board shall deny the petition filed
37 under Section 1035.152. (Acts 59th Leg., R.S., Ch. 310, Sec. 1C(d)
38 (part).)

39 Source Law

40 (d) If the Board finds that annexation of the
41 territory into the District is in the best interest of
42 the District, the Board shall, not later than the 90th
43 day after the date on which the finding is made,
44 approve the petition and order an election on the
45 question of annexing the territory. If the Board finds
46 that annexation is not in the best interest of the
47 District, the Board shall deny the petition. . . .

1 Revised Law

2 Sec. 1035.154. ELECTION ORDER. (a) The order calling an
3 election under this subchapter must state:

4 (1) the nature of the election, including the
5 proposition to appear on the ballot;

6 (2) the date of the election;

7 (3) the hours during which the polls will be open; and

8 (4) the location of the polling places.

9 (b) The board shall order an annexation election required by
10 this subchapter so that the territory included in each approved
11 annexation petition is allowed to vote separately on inclusion in
12 the district. (Acts 59th Leg., R.S., Ch. 310, Secs. 1B(b), 1C(c)
13 (part), (e).)

14 Source Law

15 [Sec. 1B]

16 (b) The order calling the election must state:

17 (1) the nature of the election, including
18 the proposition that is to appear on the ballot;

19 (2) the date of the election;

20 (3) the hours during which the polls will
21 be open; and

22 (4) the location of the polling places.

23 [Sec. 1C]

24 (c) . . . The Board shall order the election
25 required by this section so that the territory
26 included in each approved petition is allowed to vote
27 separately on inclusion in the District.

28 (e) The order calling the election must state:

29 (1) the nature of the election, including
30 the proposition that is to appear on the ballot;

31 (2) the date of the election;

32 (3) the hours during which the polls will
33 be open; and

34 (4) the location of the polling places.

35 Revised Law

36 Sec. 1035.155. ELECTION DATE. (a) The election in the
37 district and the election in the territory to be added or annexed
38 must be held on the same day.

39 (b) Section 41.001(a), Election Code, does not apply to an
40 election ordered under this section. (Acts 59th Leg., R.S., Ch.
41 310, Secs. 1B(d) (part), (g), 1C(g) (part), (j).)

42 Source Law

43 [Sec. 1B]

1 (d) . . . Section 41.001(a), Election Code,
2 does not apply to an election ordered under this
3 section.

4 (g) The election in the District and the
5 election in the territory to be added must be held on
6 the same day.

7 [Sec. 1C]

8 (g) . . . Section 41.001(a), Election Code,
9 does not apply to an election ordered under this
10 section.

11 (j) The election in the District and the
12 election in the territory to be added must be held on
13 the same day.

14 Revisor's Note

15 Sections 1B(d) and 1C(g), Chapter 310, Acts of
16 the 59th Legislature, Regular Session, 1965, state
17 that an election must be held not less than 35 days nor
18 more than 60 days after the date the election is
19 ordered. The revised law omits those provisions as
20 superseded by Section 3.005, Election Code, applicable
21 to the district under Section 1.002, Election Code.
22 Section 3.005, as amended by Chapter 925, Acts of the
23 78th Legislature, Regular Session, 2003, requires an
24 election order issued by the authority of a political
25 subdivision to be issued not later than the 62nd day
26 before election day and provides that Section 3.005
27 supersedes a law outside the Election Code to the
28 extent of any conflict. The omitted law reads:

29 [Sec. 1B]

30 (d) The election shall be held not
31 less than 35 days nor more than 60 days
32 after the date on which the election is
33 ordered. . . .

34 [Sec. 1C]

35 (g) The election shall be held not
36 less than 35 days nor more than 60 days
37 after the date on which the election is
38 ordered. . . .

39 Revised Law

40 Sec. 1035.156. NOTICE OF ELECTION. (a) The board shall
41 give notice of an election under this subchapter by publishing once
42 a week for two consecutive weeks a substantial copy of the election
43 order in a newspaper with general circulation in the district and

1 the area to be added or annexed.

2 (b) The first publication of the notice must appear at least
3 30 days before the date set for the election. (Acts 59th Leg.,
4 R.S., Ch. 310, Secs. 1B(c), 1C(f).)

5 Source Law

6 [Sec. 1B]

7 (c) The Board shall give notice of the election
8 by publishing a substantial copy of the election order
9 in a newspaper with general circulation in the
10 District and the area to be added once a week for two
11 consecutive weeks. The first publication must appear
12 at least 30 days before the date set for the election.

13 [Sec. 1C]

14 (f) The Board shall give notice of the election
15 by publishing a substantial copy of the election order
16 in a newspaper with general circulation in the
17 District and the area to be annexed once a week for two
18 consecutive weeks. The first publication must appear
19 at least 30 days before the date set for the election.

20 Revised Law

21 Sec. 1035.157. BALLOT. (a) The ballot for an expansion
22 election ordered under Section 1035.151 must be printed to permit
23 voting for or against the proposition: "Expanding the DeWitt
24 Medical District to include all of DeWitt County except that
25 territory included in Yoakum Hospital District, the assumption by
26 the additional territory of its proportionate share of the
27 district's outstanding debts, and the imposition of a tax not to
28 exceed 75 cents on each \$100 of valuation of all taxable property in
29 the expanded area of the district."

30 (b) The ballot for an annexation election ordered under
31 Section 1035.153 must be printed to permit voting for or against the
32 proposition: "Adding (description of territory to be added) to the
33 DeWitt Medical District, the assumption by the additional territory
34 of its proportionate share of the district's outstanding debts, and
35 the imposition of a tax not to exceed 75 cents on each \$100 of
36 valuation of all taxable property in the annexed area of the
37 district." (Acts 59th Leg., R.S., Ch. 310, Secs. 1B(e), 1C(h).)

38 Source Law

39 [Sec. 1B]

40 (e) The ballot for the election shall be printed
41 to permit voting for or against the proposition:
42 "Expanding the DeWitt Medical District to include all

1 of DeWitt County except that territory included in
2 Yoakum Hospital District, the assumption by the
3 additional territory of its proportionate share of the
4 district's outstanding debts, and the levy of a tax not
5 to exceed 75 cents on each \$100 of valuation of all
6 taxable property in the expanded area of the
7 district."

8 [Sec. 1C]

9 (h) The ballot for the election shall be printed
10 to permit voting for or against the proposition:
11 "Adding (description of territory to be added) to the
12 DeWitt Medical District, the assumption by the
13 additional territory of its proportionate share of the
14 district's outstanding debts, and the levy of a tax not
15 to exceed 75 cents on each \$100 of valuation of all
16 taxable property in the expanded area of the
17 district."

18 Revised Law

19 Sec. 1035.158. ELECTION RESULTS. (a) The district
20 boundaries may be expanded or territory may be annexed to the
21 district under this subchapter only if the expansion or annexation,
22 the assumption of debt, and the imposition of taxes are approved by
23 a majority of the voters voting at:

24 (1) an election held in the district; and

25 (2) a separate election held in the territory to be
26 added.

27 (b) If the election results for an election under this
28 subchapter are not favorable to the proposition to expand the
29 district or to annex the territory, subsequent elections may be
30 held on the same issue. (Acts 59th Leg., R.S., Ch. 310, Secs.
31 1B(f), (h), 1C(i), (k).)

32 Source Law

33 [Sec. 1B]

34 (f) The District may not be expanded unless the
35 expansion, the assumption of debt, and the levy of
36 taxes are approved by a majority of the voters at an
37 election held in the District and by a majority of the
38 voters at a separate election held in the territory to
39 be added.

40 (h) If the election results are not favorable to
41 the proposition to expand the District, subsequent
42 elections may be held on the same issue.

43 [Sec. 1C]

44 (i) The territory may not be annexed unless the
45 annexation, the assumption of debt, and the levy of
46 taxes are approved by a majority of the voters at an
47 election held in the District and by a majority of the
48 voters at a separate election held in the territory to
49 be added.

1 (k) If the election results are not favorable to
2 the proposition to annex the territory, subsequent
3 elections may be held on the same issue.

5 SUBCHAPTER E. GENERAL FINANCIAL PROVISIONS

6 Revised Law

7 Sec. 1035.201. DEPOSITORY. (a) The board by resolution
8 shall designate a bank in the county as the district's depository.
9 A designated bank serves for two years and until a successor is
10 designated.

11 (b) All district money shall be secured in the manner
12 provided for securing county funds. (Acts 59th Leg., R.S., Ch. 310,
13 Sec. 10.)

14 Source Law

15 Sec. 10. As soon as practicable [sic] after the
16 election and qualification of the first Board of
17 Directors of said District, said Board shall by
18 resolution designate a bank within the County as the
19 District's depository, and all funds of said District
20 shall be secured in the manner now provided for the
21 security of County funds. Such depository shall serve
22 for a period of two (2) years and until a successor has
23 been selected.

24 Revisor's Note

25 Section 10, Chapter 310, Acts of the 59th
26 Legislature, Regular Session, 1965, requires the board
27 to select a depository "[a]s soon as practicable [sic]
28 after the election and qualification of the first
29 Board of Directors of said District." The revised law
30 omits the quoted language as executed.

31 Revised Law

32 Sec. 1035.202. AUTHORITY TO BORROW MONEY; SECURITY. (a)
33 The board may borrow money at a rate not to exceed the maximum
34 annual percentage rate allowed by law for district obligations at
35 the time of the loan.

36 (b) To secure a loan, the board may pledge:

37 (1) district revenue that is not pledged to pay the
38 district's bonded indebtedness;

39 (2) a district tax to be imposed by the district during
40 the 12-month period following the date of the pledge that is not

1 pledged to pay the principal of or interest on district bonds; or
2 (3) district bonds that have been authorized but not
3 sold.

4 (c) A loan for which taxes or bonds are pledged must mature
5 not later than the anniversary of the date the loan is made. A loan
6 for which district revenue is pledged must mature not later than the
7 10th anniversary of the date the loan is made. (Acts 59th Leg.,
8 R.S., Ch. 310, Sec. 12A.)

9 Source Law

10 Sec. 12A. (a) The Board may borrow money at a
11 rate not to exceed the maximum annual percentage rate
12 allowed by law for District obligations at the time of
13 the loan.

14 (b) To secure a loan, the Board may pledge:

15 (1) revenues of the District that are not
16 pledged to pay bonded indebtedness of the District;

17 (2) District taxes to be levied by the
18 District during the 12-month period following the date
19 of the pledge that are not pledged to pay the principal
20 of or interest on District bonds; or

21 (3) District bonds that have been
22 authorized but not sold.

23 (c) A loan for which taxes or bonds are pledged
24 must mature not later than the anniversary of the date
25 on which the loan is made. A loan for which District
26 revenues are pledged must mature not later than the
27 10th anniversary of the date on which the loan is made.

29 SUBCHAPTER F. BONDS

30 Revised Law

31 Sec. 1035.251. GENERAL OBLIGATION BONDS. The board may
32 issue and sell general obligation bonds authorized by an election
33 in the name and on the faith and credit of the district for any
34 purpose relating to:

35 (1) the purchase, construction, acquisition, repair,
36 or renovation of buildings or improvements; and

37 (2) equipping buildings or improvements for hospital
38 purposes. (Acts 59th Leg., R.S., Ch. 310, Sec. 12(a) (part).)

39 Source Law

40 Sec. 12. (a) The Board of Directors shall have
41 the power and authority to issue and sell, as the
42 obligations of the District, and in the name and upon
43 the faith and credit of the District, general
44 obligation bonds authorized by an election for the
45 purchase, construction, acquisition, repair or
46 renovation of buildings and improvements and equipping

1 the same for hospital purposes and for any or all of
2 such purposes. . . .

3 Revised Law

4 Sec. 1035.252. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
5 the time general obligation bonds are issued under Section
6 1035.251, an ad valorem tax shall be imposed at a rate sufficient to
7 create an interest and sinking fund to pay the principal of and
8 interest on the bonds as the bonds mature.

9 (b) The tax required by this section together with any other
10 ad valorem tax imposed for the district may not in any year exceed
11 75 cents on each \$100 valuation of all taxable property in the
12 district. (Acts 59th Leg., R.S., Ch. 310, Sec. 12(a) (part).)

13 Source Law

14 (a) . . . At the time of issuance of any general
15 obligation bonds, sufficient annual tax shall be
16 levied to create an interest and sinking fund to pay
17 the interest on and principal of the bonds as same
18 mature, providing the tax together with any other
19 taxes levied for the District shall not exceed a rate
20 of seventy-five cents (75¢) on each One Hundred Dollar
21 valuation of all taxable property within the District
22 in any one year.

23 Revisor's Note

24 Section 12(a), Chapter 310, Acts of the 59th
25 Legislature, Regular Session, 1965, requires the levy
26 of a tax to pay the principal of and interest on bonds.
27 The revised law specifies that the tax is an "ad
28 valorem" tax because it is clear from the source law
29 that the tax is a property tax and "ad valorem" is the
30 term most commonly used to refer to a property tax.

31 Revised Law

32 Sec. 1035.253. GENERAL OBLIGATION BOND ELECTION. (a) The
33 district may issue general obligation bonds only if the bonds are
34 authorized by a majority of the district voters voting in an
35 election called for that purpose and ordered by the board on its own
36 motion.

37 (b) The election shall be conducted in accordance with
38 Chapter 1251, Government Code. (Acts 59th Leg., R.S., Ch. 310,
39 Secs. 6 (part), 12(c).)

Sec. 6. . . . all bond elections shall be ordered and the returns thereof shall be canvassed by said Board of Directors.

[Sec. 12]

(c) No general obligation bonds shall be issued by the District until authorized by a majority vote of the District voters voting in an election called by the Board of Directors on its own motion, and the election shall be conducted in accordance with Chapter 1251, Government Code.

Revisor's Note

Section 6, Chapter 310, Acts of the 59th Legislature, Regular Session, 1965, provides that "the [election] returns thereof shall be canvassed by said Board of Directors." The revised law omits the quoted language because it duplicates Section 67.002, Election Code, which requires the governing body of a political subdivision that orders an election to canvass the returns.

Revised Law

Sec. 1035.254. EXECUTION OF BONDS. (a) The board president shall execute district bonds in the district's name.

(b) The board secretary shall countersign the bonds. (Acts 59th Leg., R.S., Ch. 310, Sec. 12(b) (part).)

Source Law

(b) District bonds shall be executed in the name of the District and on its behalf by the president of the Board of Directors, countersigned by the secretary of the Board, and

Revisor's Note

Section 12(b), Chapter 310, Acts of the 59th Legislature, Regular Session, 1965, provides that district bonds are subject to the requirements of Chapter 1202, Government Code, that relate to bond approval by the attorney general and registration of the bonds by the comptroller. The revised law omits the provision because it duplicates provisions of general law. Section 1202.003(a), Government Code, requires the bonds to be submitted to the attorney

1 general. Section 1202.003(b), Government Code,
2 provides for approval of the bonds by the attorney
3 general and requires the attorney general to submit
4 the approved bonds to the comptroller for
5 registration. Section 1202.005, Government Code,
6 requires registration of the bonds by the comptroller.
7 Those sections apply to district bonds by application
8 of Section 1202.001, Government Code. The omitted law
9 reads:

10 (b) [District bonds] . . . shall be
11 subject to the same requirements in the
12 manner of approval by the Attorney General
13 of the State of Texas and the registration
14 by the Comptroller of Public Accounts of the
15 State of Texas as are provided by Chapter
16 1202, Government Code. . . .

17 Revised Law

18 Sec. 1035.255. INVESTMENT OF BOND PROCEEDS. Until the
19 proceeds from the sale of district bonds are needed to carry out the
20 bond purpose, the proceeds may be:

21 (1) invested in direct obligations of the United
22 States; or

23 (2) placed on time deposit. (Acts 59th Leg., R.S., Ch.
24 310, Sec. 12(b) (part).)

25 Source Law

26 (b) . . . Until the time the bond proceeds are
27 needed to carry out the bond purpose, the proceeds may
28 be invested in direct obligations of the United States
29 of America or may be placed on time deposit, or both.

30 Revised Law

31 Sec. 1035.256. REVENUE BONDS. (a) The board may issue and
32 sell revenue bonds in the name and on the faith and credit of the
33 district to purchase, construct, acquire, repair, renovate, or
34 equip buildings or improvements for district purposes.

35 (b) The bonds must be payable from and secured by a pledge of
36 all or part of the revenue derived from the operation of the
37 district's hospital system.

38 (c) The bonds may be additionally secured by a mortgage or
39 deed of trust lien on all or part of district property.

1 (d) The bonds must be issued in the manner provided by
2 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
3 Health and Safety Code, for the issuance of revenue bonds by a
4 county hospital authority. (Acts 59th Leg., R.S., Ch. 310, Sec.
5 12(e).)

6 Source Law

7 (e) The Board may issue and sell revenue bonds
8 in the name and on the faith and credit of the District
9 to purchase, construct, acquire, repair, renovate, or
10 equip buildings or improvements for District purposes.
11 The bonds shall be payable from and secured by a pledge
12 of all or part of the revenues derived from the
13 operation of the District's hospital system. The bonds
14 may be additionally secured by a mortgage or deed of
15 trust lien on all or part of the District's property.
16 The revenue bonds shall be issued in the manner
17 provided by Sections 264.042, 264.043, and
18 264.046-264.049, Health and Safety Code, for the
19 issuance of revenue bonds by county hospital
20 authorities.

21 Revisor's Note
22 (End of Subchapter)

23 (1) Section 12(a), Chapter 310, Acts of the 59th
24 Legislature, Regular Session, 1965, provides that
25 district bonds shall be sold at the time, in the
26 manner, at the price, and on the terms provided by the
27 board. The revised law omits that provision because it
28 duplicates or is superseded by provisions of general
29 law. Sections 1201.005 and 1201.024, Government Code,
30 provide that an issuer, including a hospital district,
31 may specify the form of a bond it issues. Section
32 1201.021, Government Code, provides that the governing
33 body of an issuer may issue bonds in any denomination.
34 Sections 1201.005 and 1201.022, Government Code,
35 provide that a governmental entity may specify the
36 terms under which a bond is issued. Those sections
37 apply to district bonds by application of Section
38 1201.002, Government Code. The omitted law reads:

39 (a) . . . The bonds shall be sold at
40 the time or times, in the manner, at the
41 price and on the terms as may be determined
42 by the Board. . . .

43 (2) Section 12(d), Chapter 310, Acts of the 59th

1 Legislature, Regular Session, 1965, provides that the
2 district may issue refunding bonds without an election
3 and that the bonds shall be issued in accordance with
4 Chapter 1207, Government Code. The revised law omits
5 the provisions because Chapter 1207, which applies to
6 the district by its own terms, provides general
7 authority for an issuer, including a hospital
8 district, to issue refunding securities, and Section
9 1207.003, Government Code, authorizes an issuer to
10 issue refunding bonds without an election. The
11 omitted law reads:

12 (d) The District may, without
13 election, issue refunding bonds to refund
14 or pay off any validly issued and
15 outstanding District bonds issued or
16 assumed by the District. Refunding bonds
17 shall be issued in accordance with Chapter
18 1207, Government Code.

19 (3) Section 14, Chapter 310, Acts of the 59th
20 Legislature, Regular Session, 1965, provides that
21 district bonds are legal and authorized investments
22 for certain entities. The revised law omits the
23 provision as unnecessary. As to several of the
24 entities listed, Section 14 has been superseded and
25 impliedly repealed. Investments in securities by
26 banks are regulated by Section 34.101, Finance Code
27 (enacted in 1995 as Section 5.101, Texas Banking Act
28 (Article 342-5.101, Vernon's Texas Civil Statutes)).
29 Investments in securities by savings banks are
30 regulated by Section 93.001(c)(10), Finance Code
31 (enacted in 1993 as Section 7.15(10), Texas Savings
32 Bank Act (Article 489e, Vernon's Texas Civil
33 Statutes)). Investments in securities by trust
34 companies are regulated by Section 184.101, Finance
35 Code (enacted in 1997 as Section 5.101, Texas Trust
36 Company Act (Article 342a-5.101, Vernon's Texas Civil
37 Statutes)). Investments in securities by building and

1 loan associations (now called savings and loan
2 associations) are regulated by Sections 63.002 and
3 64.001, Finance Code. As to the remaining entities
4 listed, Section 14 is superseded by Section 1201.041,
5 Government Code, enacted as Section 9, Bond Procedures
6 Act of 1981 (Article 717k-6, Vernon's Texas Civil
7 Statutes). While Section 14 lists "guardians" and
8 Section 1201.041 does not, the latter statute includes
9 "fiduciaries" and a guardian is a fiduciary. Section
10 1201.041, Government Code, applies to district bonds
11 by application of Section 1201.002, Government Code.
12 The omitted law reads:

13 Sec. 14. All bonds issued by said
14 District shall be and are hereby declared to
15 be legal and authorized investments for
16 banks, savings banks, trust companies,
17 building and loan associations, insurance
18 companies, fiduciaries, trustees,
19 guardians, and for the sinking funds of
20 cities, towns, villages, counties, school
21 districts or other political corporations
22 or subdivisions of the State of Texas; and
23

24 (4) Section 14, Chapter 310, Acts of the 59th
25 Legislature, Regular Session, 1965, provides that
26 district bonds may secure certain deposits. Although
27 Section 14 does not specifically mention the deposits
28 the bonds are eligible to secure, the only deposits
29 they could secure would be deposits of public funds of
30 this state or political subdivisions of this state. As
31 such, the revised law omits the provision as impliedly
32 repealed by Section 404.0221, Government Code (enacted
33 in 1995), which lists eligible collateral for deposits
34 of state funds by the comptroller, and by Chapter 2257,
35 Government Code (enacted in 1989 as Article 2529d,
36 Vernon's Texas Civil Statutes), which governs eligible
37 collateral for deposits of funds of other public
38 agencies, including political subdivisions. The
39 omitted law reads:

1 Sec. 14. . . . such bonds shall be
2 lawful and sufficient security for deposits
3 to the extent of their face value when
4 accompanied by all unmatured coupons
5 pertinent thereto.

6 [Sections 1035.257-1035.300 reserved for expansion]

7 SUBCHAPTER G. TAXES

8 Revised Law

9 Sec. 1035.301. IMPOSITION OF AD VALOREM TAX. (a) The board
10 shall impose a tax on all property in the district subject to
11 district taxation.

12 (b) The board shall impose the tax to:

13 (1) meet the requirements of district bonds;

14 (2) provide for the district's maintenance and
15 operating expenses;

16 (3) make improvements and additions to the district's
17 hospitals or hospital system; and

18 (4) acquire necessary sites by gift, purchase, lease,
19 or condemnation. (Acts 59th Leg., R.S., Ch. 310, Sec. 8 (part).)

20 Source Law

21 Sec. 8. Upon the creation of such District, the
22 Board of Directors shall have the power and authority,
23 and it shall be their duty, to levy on all property
24 subject to District taxation for the benefit of the
25 District, a tax . . . for the purposes of: (1) meeting
26 the requirements of the District's bonds; (2)
27 providing for the District's maintenance and operating
28 expenses; and (3) making improvements and additions
29 to its hospitals or hospital system, and for the
30 acquisition of the necessary sites therefor, by gift,
31 purchase, lease or condemnation. . . .

32 Revisor's Note

33 Section 8, Chapter 310, Acts of the 59th
34 Legislature, Regular Session, 1965, provides that
35 "[u]pon the creation of such District," the board
36 shall impose taxes. The revised law omits the quoted
37 language as executed.

38 Revised Law

39 Sec. 1035.302. TAX RATE. The board shall impose the tax at
40 a rate not to exceed 75 cents on each \$100 valuation of all taxable
41 property in the district. (Acts 59th Leg., R.S., Ch. 310, Sec. 8
42 (part).)

1 Source Law

2 Sec. 8. . . . [the Board of Directors shall
3 . . . levy . . . a tax . . .] at a rate not to exceed
4 seventy-five cents (75¢) on the One Hundred Dollar
5 valuation of all taxable property within such
6 District,

7 Revised Law

8 Sec. 1035.303. TAX ASSESSOR-COLLECTOR. The board may:

9 (1) appoint a tax assessor-collector for the district;

10 or

11 (2) contract for the assessment and collection of
12 taxes as provided by the Tax Code. (Acts 59th Leg., R.S., Ch. 310,
13 Sec. 9 (part).)

14 Source Law

15 Sec. 9. . . . The Board may provide for the
16 appointment of a tax assessor-collector for the
17 District or may contract for the assessment and
18 collection of taxes as provided by the Tax Code.

19 Revisor's Note

20 Section 9, Chapter 310, Acts of the 59th
21 Legislature, Regular Session, 1965, provides that the
22 Tax Code governs the appraisal, assessment, and
23 collection of district taxes. The revised law omits
24 that provision because Section 1.02, Tax Code,
25 requires all taxing units of government to administer
26 the assessment and collection of an ad valorem tax in
27 conformity with Title 1, Tax Code. The omitted law
28 reads:

29 Sec. 9. The Tax Code governs the
30 appraisal, assessment, and collection of
31 District taxes. . . .

32 Revisor's Note
33 (End of Chapter)

34 (1) Section 2, Chapter 310, Acts of the 59th
35 Legislature, Regular Session, 1965, provides that the
36 act does not provide for the transfer of property or
37 assumption of certain debt. The revised law omits that
38 provision as executed. The omitted law reads:

39 Sec. 2. . . . Since there is no
40 hospital, hospital system or hospital

1 facilities of any nature presently owned by
2 DeWitt County or any city or town within the
3 boundaries of said District, no provisions
4 are made herein for the transfer of
5 properties or equipment or the assumption
6 of outstanding indebtedness heretofore
7 incurred for hospital purposes. . . .

8 (2) Section 17, Chapter 310, Acts of the 59th
9 Legislature, Regular Session, 1965, provides that the
10 act is severable. The revised law omits that provision
11 because it duplicates Section 311.032, Government Code
12 (Code Construction Act), which provides that a
13 provision of a statute is severable from each other
14 provision of the statute that can be given effect. The
15 omitted law reads:

16 Sec. 17. . . . If any provision of
17 this Act should be invalid, such fact shall
18 not affect the authorization for the
19 creation of the District or the validity of
20 any other provisions of this Act, and the
21 Legislature hereby declares that it would
22 have created the District and enacted the
23 valid provisions of this Act
24 notwithstanding the invalidity of any other
25 provision or provisions hereof.

26 (3) Section 18, Chapter 310, Acts of the 59th
27 Legislature, Regular Session, 1965, provides that
28 public notice of enactment of the statute was provided
29 in a manner that satisfies the requirements of the
30 Texas Constitution. The revised law omits that
31 section as executed. The omitted law reads:

32 Sec. 18. Proof of publication of the
33 constitutional notice required in the
34 enactment hereof under the provisions of
35 Section 9, Article IX, Constitution of the
36 State of Texas, has been made in the manner
37 and form provided by law pertaining to the
38 enactment of Local and Special Laws and is
39 hereby found and declared to be proper and
40 sufficient to satisfy such requirement.

16		SUBCHAPTER A. GENERAL PROVISIONS	
17		<u>Revised Law</u>	
18	Sec. 1056.001.	DEFINITIONS. In this chapter:	
19	(1)	"Board" means the board of hospital managers of	
20		the district.	
21	(2)	"District" means the Martin County Hospital	
22		District.	
23	(3)	"Manager" means a member of the board. (New.)	
24		<u>Revisor's Note</u>	
25		The definitions of "board," "district," and	
26		"manager" are added to the revised law for drafting	
27		convenience and to eliminate frequent, unnecessary	
28		repetition of the substance of the definitions.	
29		<u>Revised Law</u>	
30	Sec. 1056.002.	AUTHORITY FOR OPERATION. The Martin County	
31		Hospital District operates in accordance with and has the powers	
32		and responsibilities provided by Section 9, Article IX, Texas	
33		Constitution. (Acts 60th Leg., R.S., Ch. 674, Sec. 1 (part).)	

1 Source Law

2 Sec. 1. In accordance with the provisions of
3 Article IX, Section 9, Constitution of the State of
4 Texas, this Act shall be operative so as to authorize
5 the creation, establishment, maintenance and
6 operation of a Hospital District within the State of
7 Texas, to be known as Martin County Hospital District,
8 and . . . said District shall have the powers and
9 responsibilities provided by the aforesaid
10 Constitutional provision.

11 Revisor's Note

12 Section 1, Chapter 674, Acts of the 60th
13 Legislature, Regular Session, 1967, authorizes the
14 "creation, establishment, maintenance and operation"
15 of the district. The revised law omits "creation" and
16 "establishment" as executed. The revised law omits
17 "maintenance" because, in this context, that term is
18 included in the meaning of "operation."

19 Revised Law

20 Sec. 1056.003. DISTRICT TERRITORY. The boundaries of the
21 district are coextensive with the boundaries of Martin County.
22 (Acts 60th Leg., R.S., Ch. 674, Sec. 1 (part).)

23 Source Law

24 Sec. 1. . . . [Martin County Hospital District]
25 . . . the boundaries of said District shall be
26 coextensive with the boundaries of Martin County
27

28 Revisor's Note
29 (End of Subchapter)

30 Section 2, Chapter 674, Acts of the 60th
31 Legislature, Regular Session, 1967, provides
32 procedures for holding an election on the creation of
33 the district, the imposition of an ad valorem tax, and
34 the assumption of debt. Section 2 also provides for
35 the election to include a proposition authorizing the
36 district to issue bonds. Because the election
37 creating the district has been held, the revised law
38 omits the relevant law as executed. The omitted law
39 reads:

40 Sec. 2. . . . provided, however,
41 that such Hospital District shall not be
42 created unless and until an election is duly

1 held in said county for such purpose, which
2 said election may be initiated by the
3 Commissioners Court upon its own motion or
4 upon a petition of one hundred (100)
5 resident legally qualified property
6 taxpaying voters, to be held not less than
7 thirty (30) days from the time said election
8 is ordered by the Commissioners Court. At
9 such election there shall be submitted to
10 the resident legally qualified property
11 taxpaying voters the proposition of whether
12 or not a Hospital District shall be created
13 in the county; and a majority of the
14 resident legally qualified property
15 taxpaying electors participating in said
16 election voting in favor of the proposition
17 shall be necessary. The ballots for said
18 election shall have printed thereon:

19 "FOR the creation of a Hospital
20 District; providing for the levy of a tax
21 not to exceed Seventy-five Cents (75¢) on
22 the One Hundred Dollars (\$100.00)
23 valuation; and providing for the assumption
24 by such District of all outstanding bonds
25 heretofore issued by Martin County for
26 hospital purposes"; and

27 "AGAINST the creation of a Hospital
28 District; providing for the levy of a tax
29 not to exceed Seventy-five Cents (75¢) on
30 the One Hundred Dollars (\$100.00)
31 valuation; and providing for the assumption
32 by such District of all outstanding bonds
33 heretofore issued by Martin County for
34 hospital purposes."

35 At said election there may also be
36 submitted the question of the issuance of
37 bonds of the District in an amount that may
38 be prayed for in the aforesaid petition or
39 as determined by the Commissioners Court if
40 said election is ordered on its own motion;
41 and in the event the question of the
42 issuance of bonds is submitted at said
43 election, the ballots shall have printed
44 thereon:

45 "FOR the issuance of bonds of the
46 District in the amount of _____ and the
47 levying of the tax in payment thereof;
48 provided, however, that said tax together
49 with the tax for maintenance and operation
50 purposes shall never exceed Seventy-five
51 Cents (75¢) on the One Hundred Dollars
52 (\$100.00) valuation of taxable property in
53 the District; and

54 "AGAINST the issuance of bonds of the
55 District in the amount of \$_____ and the
56 levying of the tax in payment thereof;
57 provided, however, that said tax together
58 with the tax for maintenance and operation
59 purposes shall never exceed Seventy-five
60 Cents (75¢) on the One Hundred Dollars
61 (\$100.00) valuation of taxable property in
62 the District."

63 Notice of such election shall be
64 posted at the county courthouse door and at
65 a public place in each Commissioner's
66 Precinct in the county at least thirty (30)
67 days prior to the date of the election and
68 shall be published in a newspaper of general
69 circulation published in the county, on the

1 same day in each of three successive weeks,
2 the date of the first publication to be not
3 less than thirty (30) days prior to the date
4 of the election.

5 If the proposition to create the
6 Martin County Hospital District fails to
7 carry at the election, no other election for
8 the same purpose may be held within one year
9 after the result of the election is
10 announced officially.

12 SUBCHAPTER B. DISTRICT ADMINISTRATION

13 Revised Law

14 Sec. 1056.051. BOARD APPOINTMENT; TERM. (a) The board
15 consists of six managers appointed by the Martin County
16 Commissioners Court.

17 (b) Managers serve staggered two-year terms, with three
18 managers appointed each year. (Acts 60th Leg., R.S., Ch. 674, Sec.
19 3 (part).)

20 Source Law

21 Sec. 3. As soon as the Hospital District is
22 created and authorized at the election hereinabove
23 provided, the Commissioners Court shall appoint a
24 Board of Hospital Managers, consisting of six (6)
25 members, three of whom shall serve for a term of two
26 (2) years and three of whom shall serve for a term of
27 one (1) year; thereafter, three members shall be
28 appointed each year to serve for a term of two (2)
29 years. . . .

30 Revisor's Note

31 Section 3, Chapter 674, Acts of the 60th
32 Legislature, Regular Session, 1967, prescribes the
33 procedures for appointing the initial board. The
34 revised law omits the specific provision relating to
35 the terms of the initial managers as executed but
36 revises the establishment of a board consisting of six
37 managers serving staggered two-year terms and, in so
38 doing, establishes staggered two-year terms for the
39 managers.

40 Revised Law

41 Sec. 1056.052. BOARD VACANCY. If a vacancy occurs in the
42 office of manager, the remaining managers shall appoint a manager
43 for the unexpired term. (Acts 60th Leg., R.S., Ch. 674, Sec. 3

1 (part).)

2 Source Law

3 Sec. 3. . . . In the event a vacancy occurs on
4 the Board of Hospital Managers, the remaining members
5 shall appoint a member to fill such vacancy for the
6 remainder of the term of office so vacated. . . .

7 Revised Law

8 Sec. 1056.053. NONATTENDANCE. The failure of a manager to
9 attend three consecutive regular board meetings causes a vacancy in
10 the manager's office unless the absence is excused by formal action
11 of the board. (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

12 Source Law

13 Sec. 3. . . . Failure of any member of the Board
14 of Hospital Managers to attend three (3) consecutive
15 regular meetings of the Board shall cause a vacancy in
16 his office, unless such absence is excused by formal
17 action of the Board. . . .

18 Revised Law

19 Sec. 1056.054. OFFICERS. (a) The board shall select from
20 among the managers a presiding officer, who shall preside over the
21 board.

22 (b) A presiding officer pro tem shall preside in the absence
23 of the presiding officer.

24 (c) The district administrator or any manager may be
25 appointed secretary. (Acts 60th Leg., R.S., Ch. 674, Sec. 3
26 (part).)

27 Source Law

28 Sec. 3. . . . From among its members, the Board
29 shall choose a Chairman, who shall preside; or in his
30 absence a Chairman Pro Tem shall preside; and the
31 Administrator or any member of the Board may be
32 appointed Secretary. . . .

33 Revisor's Note

34 Section 3, Chapter 674, Acts of the 60th
35 Legislature, Regular Session, 1967, refers to a
36 "Chairman" and a "Chairman Pro Tem." Throughout this
37 chapter, the revised law substitutes "presiding
38 officer" and "presiding officer pro tem" for those
39 terms because, in context, the terms have the same
40 meaning and "presiding officer" is more commonly used

1 and is gender-neutral.

2 Revised Law

3 Sec. 1056.055. COMPENSATION; EXPENSES. A manager serves
4 without compensation but may be reimbursed for actual and necessary
5 travel and other expenses incurred in the performance of the
6 manager's duties as determined by the board. (Acts 60th Leg., R.S.,
7 Ch. 674, Sec. 3 (part).)

8 Source Law

9 Sec. 3. . . . The Board of Hospital Managers
10 shall serve without compensation but may be reimbursed
11 for their actual and necessary traveling and other
12 expenses incurred in the performance of their duties
13 as determined by the Board of Hospital Managers. . . .

14 Revised Law

15 Sec. 1056.056. QUORUM. A majority of the board present
16 shall constitute a quorum for the transaction of business. (Acts
17 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

18 Source Law

19 Sec. 3. . . .
20 A majority of the Board of Hospital Managers
21 present shall constitute a quorum for the transaction
22 of any business. . . .

23 Revised Law

24 Sec. 1056.057. RECORDS OF PROCEEDINGS. (a) The board shall
25 require the secretary to keep suitable records of all proceedings
26 of each board meeting.

27 (b) After each meeting:

28 (1) the manager presiding at the meeting shall read
29 and sign the record; and

30 (2) the secretary shall attest the record. (Acts 60th
31 Leg., R.S., Ch. 674, Sec. 3 (part).)

32 Source Law

33 Sec. 3. . . . The Board shall require the
34 Secretary to keep suitable records of all proceedings
35 of each meeting of the Board. Such records shall be
36 read and signed after each meeting by the Chairman or
37 the member presiding, and attested by the
38 Secretary. . . .

39 Revised Law

40 Sec. 1056.058. DISTRICT ADMINISTRATOR. (a) The board

1 shall appoint a general manager qualified by training and
2 experience as the district administrator.

3 (b) The district administrator is entitled to receive the
4 compensation determined by the board.

5 (c) The board may remove the district administrator at any
6 time.

7 (d) Before assuming the duties of district administrator,
8 the administrator must execute a bond payable to the district in an
9 amount of not less than \$10,000 that:

10 (1) is conditioned on the administrator performing
11 well and faithfully the administrator's required duties; and

12 (2) contains other conditions the board may require.

13 (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

14 Source Law

15 Sec. 3. . . .
16 The Board shall appoint a general manager, to be
17 known as the Administrator of the Hospital District,
18 and who shall receive such compensation as may be fixed
19 by the Board. The Administrator shall be subject to
20 removal at any time by the Board. The Administrator
21 shall, before entering into the discharge of his
22 duties, execute a bond payable to the District, in the
23 amount of not less than Ten Thousand Dollars
24 (\$10,000.00), conditioned that he shall well and
25 faithfully perform the duties required of him, and
26 containing such other conditions as the Board may
27 require. . . . He shall be a person qualified by
28 training and experience for the position of
29 Administrator.
30 . . .

31 Revised Law

32 Sec. 1056.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
33 Subject to the limitations prescribed by the board, the district
34 administrator shall:

35 (1) perform the duties required by the board;

36 (2) supervise the work and activities of the district;

37 and

38 (3) direct the affairs of the district. (Acts 60th
39 Leg., R.S., Ch. 674, Sec. 3 (part).)

40 Source Law

41 Sec. 3. . . . The Administrator shall perform
42 all duties which may be required of him by the Board,
43 and shall supervise all of the work and activities of

1 the District, and have general direction of the
2 affairs of the District, within such limitations as
3 may be prescribed by the Board. . . .

4 Revised Law

5 Sec. 1056.060. ASSISTANT ADMINISTRATOR. (a) The board may
6 designate an assistant administrator to discharge a duty or
7 function of the district administrator in the event of the
8 administrator's incapacity, absence, or inability to discharge the
9 duty or function.

10 (b) The assistant administrator shall post the bond
11 required by board order.

12 (c) The assistant administrator is subject to the
13 limitations prescribed by board order. (Acts 60th Leg., R.S., Ch.
14 674, Sec. 5.)

15 Source Law

16 Sec. 5. In the event of incapacity, absence or
17 inability of the Administrator to discharge any of the
18 duties required of him, the Board may designate an
19 assistant to the Administrator to discharge any duties
20 or functions required of the Administrator. Such
21 assistant or other persons shall give bond and have
22 such limitations upon his authority as may be fixed by
23 the order of the Board.

24 Revised Law

25 Sec. 1056.061. LEGAL COUNSEL. The board may employ legal
26 counsel to represent the district in all legal matters when the
27 board considers the employment advisable. (Acts 60th Leg., R.S.,
28 Ch. 674, Sec. 10.)

29 Source Law

30 Sec. 10. The Board of Hospital Managers shall be
31 authorized to employ legal counsel to represent the
32 Hospital District in all legal matters whenever the
33 Board deems such action advisable.

34 Revised Law

35 Sec. 1056.062. EMPLOYEES. The board shall authorize the
36 district administrator to employ any employees as considered
37 advisable for the efficient operation of the hospital or hospital
38 system. (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

39 Source Law

40 Sec. 3. . . .
41 The Board of Hospital Managers shall give the
42 authority to the Administrator to employ such

1 employees of every kind and character as may be deemed
2 advisable for the efficient operation of the hospital
3 or hospital system.

4 . . .

5 Revised Law

6 Sec. 1056.063. RETIREMENT PROGRAM. The board may:

7 (1) contract with this state or the federal government
8 as necessary to establish or continue a retirement program for the
9 benefit of district employees; or

10 (2) establish other retirement programs for the
11 benefit of district employees as it considers necessary and
12 advisable. (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

13 Source Law

14 Sec. 3. . . . Further, under the same
15 conditions, the Board of Hospital Managers may enter
16 into such contracts with the state and Federal
17 Government as may be necessary to establish or
18 continue a retirement program for the benefit of its
19 employees.

20 The Board of Hospital Managers may in addition to
21 retirement programs authorized by this Act establish
22 such other retirement program for the benefit of its
23 employees as it deems necessary and advisable.

24 . . .

25 Revisor's Note

26 Section 3, Chapter 674, Acts of the 60th
27 Legislature, Regular Session, 1967, states that "under
28 the same conditions," the board may enter into
29 contracts with this state or the federal government to
30 establish or continue a retirement program. The
31 revised law omits the quoted language because the act
32 does not provide any such conditions.

33 Revised Law

34 Sec. 1056.064. SEAL. The board shall have a seal engraved
35 with the district's name to authenticate the acts of the board. The
36 secretary of the board shall keep the seal. (Acts 60th Leg., R.S.,
37 Ch. 674, Sec. 3 (part).)

38 Source Law

39 Sec. 3. . . . The Board shall have a seal, on
40 which shall be engraved the name of the Hospital
41 District; and said seal shall be kept by the Secretary
42 and used in authentication of all acts of the Board.

43 [Sections 1056.065-1056.100 reserved for expansion]

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 1056.101. DISTRICT RESPONSIBILITY. (a) The district
4 shall admit patients to the hospital who are:

5 (1) district inhabitants; and

6 (2) able to pay for medical and hospital care.

7 (b) The district has full responsibility for providing
8 medical and hospital care for:

9 (1) eligible needy district inhabitants who are not
10 able to pay all or a part of the cost of the care; and

11 (2) eligible needy and indigent district residents.

12 (Acts 60th Leg., R.S., Ch. 674, Secs. 2 (part), 11 (part).)

13 Source Law

14 Sec. 2. That said District hereby provided for
15 shall admit patients to the hospital who are
16 inhabitants of the District and who are able to pay for
17 medical and hospital care and shall assume full
18 responsibility for providing medical and hospital care
19 for the eligible needy inhabitants of the district who
20 are not able to pay all or a part of the cost of such
21 medical and hospital care;

22 Sec. 11. . . . such Hospital District shall be
23 deemed to have assumed full responsibility for the
24 furnishing of medical and hospital care for the
25 eligible needy and indigent persons residing in said
26 Hospital District from the date that taxes are
27 collected for the Hospital District.
28 . . .

29 Revisor's Note

30 Sections 2 and 11, Chapter 674, Acts of the 60th
31 Legislature, Regular Session, 1967, provide that the
32 district "shall assume" or "shall be deemed to have
33 assumed" full responsibility for providing medical and
34 hospital care for certain district residents and
35 inhabitants, and Section 11 provides that the district
36 shall assume that responsibility "from the date that
37 taxes are collected for the Hospital District." The
38 revised law substitutes "has" for "shall assume" and
39 "shall be deemed to have assumed" because the duty to
40 assume the responsibility is executed. The revised
41 law omits "from the date that taxes are collected for

1 the Hospital District" as executed.

2 Revised Law

3 Sec. 1056.102. RESTRICTION ON COUNTY OR MUNICIPALITY
4 TAXATION. Martin County or a municipality in the county may not
5 impose a tax for hospital purposes. (Acts 60th Leg., R.S., Ch. 674,
6 Secs. 1 (part), 11 (part).)

7 Source Law

8 Sec. 1. . . . Martin County (hereinafter
9 referred to as the "County"), and

10 Sec. 11. Neither the county nor any city therein
11 shall, after the Hospital District has been organized
12 in pursuance of this Act, levy any tax for hospital
13 purposes; and

14 Revisor's Note

15 (1) Section 11, Chapter 674, Acts of the 60th
16 Legislature, Regular Session, 1967, refers to a
17 "city." The revised law substitutes "municipality"
18 for "city" because that is the term used in the Local
19 Government Code.

20 (2) Section 11, Chapter 674, Acts of the 60th
21 Legislature, Regular Session, 1967, provides that
22 "after the Hospital District has been organized in
23 pursuance of this Act" certain political subdivisions
24 may not levy a tax for hospital purposes. The revised
25 law omits the quoted language as executed. In
26 addition, throughout this chapter, the revised law
27 substitutes "impose" for "levy" because, in context,
28 the terms are synonymous and "impose" is more commonly
29 used.

30 Revised Law

31 Sec. 1056.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
32 The board shall manage, control, and administer the hospital or
33 hospital system. (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

34 Source Law

35 Sec. 3. . . . The duties of the Board of the
36 Hospital Managers shall be to manage, control and
37 administer the hospital or hospital system of the
38 Hospital District. . . .

1 Revised Law

2 Sec. 1056.104. RULES. The board may adopt rules for the
3 operation of the hospital or hospital system, including bylaws
4 governing board proceedings. (Acts 60th Leg., R.S., Ch. 674, Sec. 3
5 (part).)

6 Source Law

7 Sec. 3. . . . The Board of Hospital Managers
8 shall have the power and authority . . . to promulgate
9 rules and regulations for the operation of the
10 hospital or hospital system, including the authority
11 to adopt and amend bylaws governing the proceedings of
12 the Board.
13 . . .

14 Revisor's Note

15 (1) Section 3, Chapter 674, Acts of the 60th
16 Legislature, Regular Session, 1967, provides that the
17 board may "promulgate rules and regulations" for the
18 district. The revised law substitutes "adopt" for
19 "promulgate" because the terms are synonymous and the
20 former is more commonly used. The revised law omits
21 "regulations" because under Section 311.005(5),
22 Government Code (Code Construction Act), a rule is
23 defined to include a regulation.

24 (2) Section 3, Chapter 674, Acts of the 60th
25 Legislature, Regular Session, 1967, authorizes the
26 board to "adopt and amend" bylaws governing board
27 proceedings. The revised law omits the provision
28 authorizing the board to amend bylaws because the
29 authority to adopt bylaws implies the authority to
30 amend bylaws.

31 Revised Law

32 Sec. 1056.105. PURCHASING AND ACCOUNTING PROCEDURES. (a)
33 The board may prescribe:

34 (1) the method and manner of making purchases and
35 expenditures by and for the district; and

36 (2) all accounting and control procedures.

37 (b) The district shall pay the salaries and expenses

1 necessarily incurred by the board or by an officer or agent of the
2 board in performing a duty prescribed or required by this section or
3 Section 1056.152.

4 (c) An officer, employee, or agent of the board shall
5 perform any function or service prescribed by the board under this
6 section or Section 1056.152. (Acts 60th Leg., R.S., Ch. 674, Sec. 4
7 (part).)

8 Source Law

9 Sec. 4. The Board of Hospital Managers shall
10 have the power to prescribe the method and manner of
11 making purchases and expenditures by and for such
12 Hospital District and also shall be authorized to
13 prescribe all accounting and control procedures. . . .
14 The Hospital District shall pay all salaries and
15 expenses necessarily incurred by the Board or any of
16 its officers and agents in performing any duties which
17 may be prescribed or required under this Section. It
18 shall be the duty of any officer, employee or agent of
19 the Board to perform and carry out any function or
20 service prescribed by the Board hereunder.

21 Revised Law

22 Sec. 1056.106. EMINENT DOMAIN. (a) The district may
23 exercise the power of eminent domain to acquire a fee simple or
24 other interest in any type of property, real, personal, or mixed,
25 located in district territory if the interest is necessary or
26 convenient for the district to exercise a right, power, privilege,
27 or function conferred on the district by this chapter.

28 (b) The district must exercise the power of eminent domain
29 in the manner provided by Chapter 21, Property Code, except the
30 district is not required to deposit in the trial court money or a
31 bond as provided by Section 21.021(a), Property Code.

32 (c) In a condemnation proceeding brought by the district,
33 the district is not required to:

34 (1) pay in advance or provide a bond for the issuance
35 of a temporary restraining order or a temporary injunction; or

36 (2) provide a bond for costs or a supersedeas bond on
37 an appeal or petition for review. (Acts 60th Leg., R.S., Ch. 674,
38 Sec. 7.)

39 Source Law

40 Sec. 7. The Hospital District organized in

1 pursuance of this Act shall have the right and power of
2 eminent domain for the purpose of acquiring by
3 condemnation any and all property of any kind of
4 character, real, personal or mixed, or any interest
5 therein, including outright ownership of such property
6 in fee simple absolute, within the boundaries of the
7 said district, necessary or convenient to the exercise
8 of the rights, powers, privileges, and functions
9 conferred upon it by this Act; in the manner provided
10 by general law with respect to condemnation by
11 counties; provided that the said District shall not be
12 required to make deposits in the registry of the trial
13 court of the sum required by paragraph numbered 2 in
14 Article 3268, Revised Civil Statutes of Texas, 1925,
15 or to make the bond required therein. In condemnation
16 proceedings being prosecuted by the said District, the
17 District shall not be required to pay in advance or
18 give any bond otherwise required for the issuance of a
19 temporary restraining order or a temporary injunction
20 relating to a condemnation proceeding, nor to give
21 bond for costs or for supersedeas or any appeal or writ
22 of error proceeding to any Court of Civil Appeals, or
23 to the Supreme Court.

24 Revisor's Note

25 (1) Section 7, Chapter 674, Acts of the 60th
26 Legislature, Regular Session, 1967, provides that the
27 district has the "right and power of eminent domain for
28 the purpose of acquiring [property] by condemnation."
29 The revised law substitutes for the quoted language
30 "may exercise the power of eminent domain to acquire
31 [property]" because the phrases have the same meaning,
32 and the latter phrase is consistent with modern usage
33 in laws relating to eminent domain.

34 (2) Section 7, Chapter 674, Acts of the 60th
35 Legislature, Regular Session, 1967, provides that the
36 district must exercise the power of eminent domain in
37 the manner provided by "general law with respect to
38 condemnation by counties." The revised law
39 substitutes for the quoted language a reference to
40 Chapter 21, Property Code, because that is the general
41 law governing eminent domain for governmental
42 entities, including counties.

43 (3) Section 7, Chapter 674, Acts of the 60th
44 Legislature, Regular Session, 1967, refers to
45 "paragraph numbered 2 in Article 3268, Revised Civil
46 Statutes of Texas, 1925." That statute was codified in

1 1983 as Section 21.021(a), Property Code. The revised
2 law is drafted accordingly.

3 (4) Section 7, Chapter 674, Acts of the 60th
4 Legislature, Regular Session, 1967, provides that the
5 district is not required "to give bond for costs or for
6 supersedeas or any appeal." The revised law
7 substitutes "on any appeal" for "or any appeal"
8 because it is clear from the context that "or" is a
9 typographical error and that the legislature intended
10 to use the phrase "on any appeal."

11 (5) Section 7, Chapter 674, Acts of the 60th
12 Legislature, Regular Session, 1967, provides that the
13 district is not required to provide a bond on an appeal
14 or "writ of error proceeding" to "any Court of Civil
15 Appeals, or to the Supreme Court." The revised law
16 substitutes "petition for review" for "writ of error"
17 because, effective September 1, 1997, the Texas
18 Supreme Court replaced the writ of error procedure
19 with the petition for review procedure. See Rule 53.1,
20 Rules of Appellate Procedure. The revised law omits
21 the references to the court of civil appeals (now the
22 court of appeals) and the supreme court. The revised
23 law omits the references because the courts of appeals
24 and the supreme court are the only courts to which the
25 district may appeal or with which the district may file
26 a petition for review.

27 Revised Law

28 Sec. 1056.107. GIFTS AND ENDOWMENTS. The board may accept
29 for the district a gift or endowment to be held in trust and
30 administered by the board for the purposes and under the
31 directions, limitations, or other provisions prescribed in writing
32 by the donor that are not inconsistent with the proper management
33 and objectives of the district. (Acts 60th Leg., R.S., Ch. 674,
34 Sec. 16.)

1 Source Law

2 Sec. 16. The Board of Hospital Managers of the
3 Hospital District is authorized on behalf of said
4 Hospital District to accept donations, gifts, and
5 endowments for the Hospital District, to be held in
6 trust and administered by the Board of Hospital
7 Managers for such purposes and under such directions,
8 limitations, and provisions as may be prescribed in
9 writing by donor, not inconsistent with proper
10 management and objects of the Hospital District.

11 Revisor's Note

12 Section 16, Chapter 674, Acts of the 60th
13 Legislature, Regular Session, 1967, refers to
14 "donations" and "gifts." The revised law omits the
15 reference to "donations" because "donations" is
16 included in the meaning of "gifts."

17 Revised Law

18 Sec. 1056.108. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
19 CARE AND TREATMENT. The board may contract with:

20 (1) any county for the care and treatment of a sick or
21 injured person of that county; and

22 (2) this state or a federal agency for the care and
23 treatment of a sick or injured person for whom the state or agency
24 is responsible. (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

25 Source Law

26 Sec. 3. . . .
27 The Board of Hospital Managers shall be
28 authorized to contract with any county for care and
29 treatment of the county's sick, diseased and injured
30 persons, and with the state and agencies of the Federal
31 Government for the care and treatment of such persons
32 for whom the state and such agencies of the Federal
33 Government are responsible. . . .

34 Revisor's Note

35 Section 3, Chapter 674, Acts of the 60th
36 Legislature, Regular Session, 1967, refers to the
37 treatment of "sick, diseased and injured persons."
38 The revised law omits the reference to "diseased"
39 because "diseased" is included in the meaning of
40 "sick."

41 Revised Law

42 Sec. 1056.109. PAYMENT FOR TREATMENT; PROCEDURES. (a)

1 When a patient from Martin County is admitted to a district
2 facility, the district administrator shall have an inquiry made
3 into the circumstances of:

4 (1) the patient; and

5 (2) the patient's relatives who are legally liable for
6 the patient's support.

7 (b) If the district administrator determines that the
8 patient or those relatives cannot pay all or part of the costs of
9 the care and treatment in the hospital, the amount of the costs that
10 cannot be paid becomes a charge against the district.

11 (c) If the district administrator determines that the
12 patient or those relatives are liable for all or part of the costs
13 of the patient's care and treatment, the patient or those relatives
14 shall be ordered to pay to the district a specified amount each week
15 for the patient's care. The amount ordered must be proportionate to
16 the person's financial ability and may not exceed the usual and
17 customary charges for services rendered.

18 (d) The district administrator may collect the amount from
19 the estate of the patient, or the patient's relatives who are
20 legally liable for the patient's support, in the manner provided by
21 law for the collection of expenses of the last illness of a deceased
22 person.

23 (e) If there is a dispute as to the ability to pay, or doubt
24 in the mind of the district administrator, the county court shall
25 hold a hearing and, after calling witnesses, shall:

26 (1) resolve the dispute or doubt; and

27 (2) issue an appropriate order.

28 (f) Either party to the dispute may appeal the order to the
29 district court. (Acts 60th Leg., R.S., Ch. 674, Sec. 12.)

30 Source Law

31 Sec. 12. Whenever a patient has been admitted to
32 the facilities of the Hospital District from the
33 county, the Administrator shall cause inquiry to be
34 made as to his circumstances, and of the relatives of
35 such patient legally liable for his support. If he
36 finds that such patient or said relatives are liable to
37 pay for his care and treatment in whole or part, an
38 order shall be made directing such patient, or said

1 relatives, to pay to the Hospital District for the care
2 of such patient a specified sum per week, in proportion
3 to their financial ability, but such sum shall not
4 exceed the usual and customary charges for services
5 rendered. The Administrator shall have power and
6 authority to collect such sum from the estate of the
7 patient, or his relatives legally liable for his
8 support, in the manner provided by law for the
9 collection of expenses of the last illness of a
10 deceased person. If the Administrator finds that such
11 patient or said relatives are not able to pay, either
12 in whole or in part, for his care and treatment in such
13 hospital, the same shall become a charge upon the
14 Hospital District. Should there be a dispute as to the
15 ability to pay, or doubt in the mind of the
16 Administrator, the County Court shall hear and
17 determine same, after calling witnesses, and shall
18 make such order as may be proper, from which appeal
19 shall lie to the District Court by either party to the
20 dispute.

21 Revised Law

22 Sec. 1056.110. AUTHORITY TO SUE AND BE SUED. The board may
23 sue and be sued. (Acts 60th Leg., R.S., Ch. 674, Sec. 3 (part).)

24 Source Law

25 Sec. 3. . . . [The Board of Hospital Managers
26 shall have the power and authority] to sue and be sued
27 and

28 Revisor's Note
29 (End of Subchapter)

30 Section 9, Chapter 674, Acts of the 60th
31 Legislature, Regular Session, 1967, provides
32 authority for the "State Board of Health" to inspect
33 hospital district facilities and records. The revised
34 law omits Section 9 because various state laws,
35 including Chapters 222 and 241, Health and Safety
36 Code, provide the necessary inspection authority to
37 appropriate state agencies. The omitted law reads:

38 Sec. 9. The Hospital District
39 established or maintained under the
40 provisions of this Act shall be subject to
41 inspection by any duly authorized
42 representative of the State Board of
43 Health, and resident officers shall admit
44 such representatives into all Hospital
45 District facilities and give them access on
46 demand to all records, reports, books,
47 papers, and accounts pertaining to the
48 Hospital District.

50 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

1 Revised Law

2 Sec. 1056.151. BUDGET. (a) The district administrator,
3 under the direction of the board, shall prepare an annual budget.

4 (b) The budget must be approved by the board. (Acts 60th
5 Leg., R.S., Ch. 674, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . Under the direction of the Board
8 of Hospital Managers, he [the administrator] shall

10 Board of Hospital Managers.

11 Revised Law

12 Sec. 1056.152. ANNUAL AUDIT. As soon as practicable after
13 the close of each fiscal year, the board shall have an audit made of
14 the district's books and records for the fiscal year by an
15 independent public accountant. (Acts 60th Leg., R.S., Ch. 674,
16 Sec. 4 (part).)

17 Source Law

18 Sec. 4. . . . The Board shall cause an annual

22 to be made by an independent public accountant. . . .

23 Revised Law

24 Sec. 1056.153. FINANCIAL REPORT. (a) As soon as

26 administrator shall prepare a report that includes:

27 (1) a complete sworn statement of:

28 (A) all money and choses in action received by
29 the administrator; and

30 (B) how the money and choses in action were
31 disbursed or otherwise disposed; and

32 (2) the details of district operation during the
33 preceding fiscal year.

34 (b) The district administrator shall make the report to:

35 (1) the board; and

36 (2) the Martin County Commissioners Court. (Acts 60th

SUBCHAPTER E. BONDS

Revised Law

39
40
41
42

Sec. 1056.201. BONDS. The board may issue and sell bonds as district obligations for any purpose relating to:
(1) the purchase, construction, acquisition, repair, or renovation of buildings or improvements; and

1 (2) equipping buildings and improvements for hospital
2 purposes. (Acts 60th Leg., R.S., Ch. 674, Sec. 14 (part).)

3 Source Law

4 Sec. 14. The Board of Hospital Managers shall
5 have the power and authority to issue and sell, as the
6 obligations of such Hospital District, bonds for the
7 purchase, construction, acquisition, repair or
8 renovation of buildings and improvements and equipping
9 same, for hospital purposes and for any or all of such
10 purposes;

11 Revised Law

12 Sec. 1056.202. TAX TO PAY BONDS. (a) An ad valorem tax
13 shall be imposed at a rate sufficient to create an interest and
14 sinking fund to pay the principal of and interest on bonds issued
15 under Section 1056.201 as the bonds mature.

16 (b) The tax required by this section together with any other
17 ad valorem tax imposed for the district may not in any year exceed
18 75 cents on each \$100 valuation of taxable property in the district.
19 (Acts 60th Leg., R.S., Ch. 674, Sec. 14 (part).)

20 Source Law

21 Sec. 14. . . . provided that a sufficient tax
22 shall be levied to create an interest and sinking fund
23 to pay the interest and principal as same matures and
24 that said tax, together with any other taxes levied for
25 said District, shall not exceed Seventy-five Cents
26 (75¢) on the One Hundred Dollars (\$100.00) valuation
27 of taxable property in any one year. . . .

28 Revisor's Note

29 Section 14, Chapter 674, Acts of the 60th
30 Legislature, Regular Session, 1967, requires the levy
31 of a tax to pay the principal of and interest on bonds.
32 The revised law specifies that the tax is an "ad
33 valorem" tax because it is clear from the source law
34 that the tax is a property tax and "ad valorem" is the
35 term most commonly used to refer to a property tax.

36 Revised Law

37 Sec. 1056.203. BOND ELECTION. (a) The district may issue
38 bonds only if the bonds are authorized by a majority of the district
39 voters voting at an election held in accordance with the provisions
40 of Chapter 1251, Government Code, relating to county bonds.

1 (b) The board shall call the election. (Acts 60th Leg.,
2 R.S., Ch. 674, Sec. 14 (part).)

3 Source Law

4 Sec. 14. . . . No bonds shall be issued by such
5 Hospital District . . . until authorized by a majority
6 vote of the legally qualified property taxpaying
7 voters residing in such Hospital District voting at an
8 election called and held in accordance with the
9 provisions of Chapter 1, Title 22, of the Revised Civil
10 Statutes of the State of Texas (1925), as amended,
11 relating to county bonds. Such election shall be
12 called by the Board of Hospital Managers, and

13 Revisor's Note

14 (1) Section 14, Chapter 674, Acts of the 60th
15 Legislature, Regular Session, 1967, refers to the
16 "legally qualified" voters of the district. The
17 revised law omits the quoted language as unnecessary
18 in this context because Chapter 11, Election Code,
19 governs eligibility to vote in an election in this
20 state and allows only "legally qualified" voters who
21 are residents of the territory covered by the election
22 to vote in an election.

23 (2) Section 14, Chapter 674, Acts of the 60th
24 Legislature, Regular Session, 1967, refers to
25 "property taxpaying" voters. The revised law omits
26 the quoted language because in Hill v. Stone, 421 U.S.
27 289, 95 S. Ct. 1637 (1975), the United States Supreme
28 Court determined that property ownership as a
29 qualification for voting is an unconstitutional denial
30 of equal protection.

31 (3) Section 14, Chapter 674, Acts of the 60th
32 Legislature, Regular Session, 1967, refers to an
33 election held as provided by "Chapter 1, Title 22, of
34 the Revised Civil Statutes of the State of Texas
35 (1925), as amended." The election provisions of
36 Chapter 1, Title 22, Revised Statutes, are revised as
37 Chapter 1251, Government Code, and the revised law is
38 drafted accordingly. The revised law omits the

1 reference to "as amended" because under Section
2 311.027, Government Code (Code Construction Act), a
3 reference to a statute applies to all reenactments,
4 revisions, or amendments of that statute unless
5 expressly provided otherwise.

6 (4) Section 14, Chapter 674, Acts of the 60th
7 Legislature, Regular Session, 1967, requires the board
8 to designate polling places for a bond election and
9 name the persons conducting the election. The revised
10 law omits the provision as superseded by the 1985
11 enactment of the Election Code, applicable to the
12 district under Section 1.002, Election Code. Chapter
13 43, Election Code, governs the location of polling
14 places, and Chapter 32, Election Code, governs the
15 selection of judges and clerks. The omitted law reads:

16 Sec. 14. . . . such Board shall
17 designate the places for holding said
18 election and shall name the persons who
19 shall conduct said election, in the manner
20 provided by general law. . . .

21 (5) Section 14, Chapter 674, Acts of the 60th
22 Legislature, Regular Session, 1967, provides that a
23 bond election held at the election to create the
24 district must be held as provided by Section 2. As
25 explained in the revisor's note to the end of
26 Subchapter A, the relevant provisions of Section 2,
27 Chapter 674, are executed. The revised law therefore
28 omits the provision. The omitted law reads:

29 Sec. 14. . . . In the event the
30 initial bonds are voted at an election
31 called by the Commissioners Court at the
32 time of the election for the creation of the
33 District, such initial election shall be
34 governed by the provisions of Section 2
35 hereof.
36 . . .

37 Revised Law

38 Sec. 1056.204. REFUNDING BONDS. (a) Refunding bonds may be
39 issued without an election and in the manner provided by this
40 subchapter to refund outstanding bonds issued or assumed by the

1 district.

2 (b) A refunding bond may be:

3 (1) sold, with the proceeds of the refunding bond
4 applied to the payment of the outstanding bonds; or

5 (2) exchanged wholly or partly for not less than a
6 similar amount of outstanding bonds and the matured but unpaid
7 interest on the bonds. (Acts 60th Leg., R.S., Ch. 674, Sec. 14
8 (part).)

9 Source Law

10 Sec. 14. . . . [No bonds shall be issued by such
11 Hospital District] (except refunding bonds)

12 In the manner hereinabove provided, the bonds of
13 such Hospital District may, without the necessity of
14 any election therefor, be issued for the purpose of
15 refunding or paying off any bonded indebtedness
16 theretofore assumed by the Hospital District and any
17 bonds theretofore issued by the Hospital District;
18 such refunding bonds may be sold and the proceeds
19 thereof applied to the payment of any such outstanding
20 bonds or may be exchanged in whole or in part for not
21 less than a like amount of said outstanding bonds and
22 interest matured thereon, but unpaid;

23 Revisor's Note

24 Section 14, Chapter 674, Acts of the 60th
25 Legislature, Regular Session, 1967, provides that
26 refunding bonds may not bear interest at a rate that,
27 when calculated in accordance with recognized standard
28 bond interest cost tables, exceeds the average annual
29 interest cost of the bonds to be refunded unless the
30 total interest cost on the refunding bonds is less than
31 the total interest cost on the bonds to be refunded.
32 Section 14 also provides that any premium required to
33 be paid on the bonds to be refunded before the bonds'
34 maturity date is to be used in computing the total
35 interest cost of the refunding bonds. The revised law
36 omits that provision as impliedly repealed by Section
37 2(a), Chapter 3, Acts of the 61st Legislature, Regular
38 Session, 1969 (Article 717k-2, Vernon's Texas Civil
39 Statutes), which was revised in 1999 as Section
40 1204.006(a), Government Code. Section 1204.006(a),

1 Government Code, permits a public agency to issue
2 bonds at a net effective interest rate not to exceed 15
3 percent. Section 1204.006(a) applies to district
4 bonds by application of Section 1204.001, Government
5 Code. The omitted law reads:

6 Sec. 14. . . . provided the average
7 interest cost per annum on the refunding
8 bonds, computed in accordance with the
9 recognized standard bond interest cost
10 tables, shall not exceed the average
11 interest cost per annum so computed upon the
12 bonds to be discharged out of the proceeds
13 of the refunding bonds, unless the total
14 interest cost on the refunding bonds,
15 computed to their respective maturity
16 dates, is less than the total interest cost
17 so computed on the bonds to be discharged
18 out of such proceeds. In the foregoing
19 computations, any premium or premiums
20 required to be paid upon the bonds to be
21 refunded as a condition to the payment in
22 advance of their stated maturity dates
23 shall be taken into account as an addition
24 to the net interest cost to the Hospital
25 District of the refunding bonds.

26 Revised Law

27 Sec. 1056.205. EXECUTION OF BONDS. (a) The board's
28 presiding officer shall execute district bonds in the district's
29 name.

30 (b) The board secretary shall countersign the bonds. (Acts
31 60th Leg., R.S., Ch. 674, Sec. 14 (part).)

32 Source Law

33 Sec. 14. . . . Such bonds shall be executed in
34 the name of the Hospital District and on its behalf by
35 the Chairman of the Board of Hospital Managers, and
36 countersigned by the Secretary of the Board, and
37

38 Revisor's Note

39 Section 14, Chapter 674, Acts of the 60th
40 Legislature, Regular Session, 1967, provides that
41 district bonds are subject to the law governing
42 counties that relates to bond approval by the attorney
43 general and registration of the bonds by the
44 comptroller. The revised law omits those provisions
45 as superseded by Chapter 1202, Government Code
46 (enacted as Article 3, Chapter 53, Acts of the 70th

1 Legislature, 2nd Called Session, 1987). Section
2 1202.003(a), Government Code, requires bonds to be
3 submitted to the attorney general. Section
4 1202.003(b), Government Code, provides for approval of
5 the bonds by the attorney general and requires the
6 attorney general to submit the approved bonds to the
7 comptroller for registration. Section 1202.005,
8 Government Code, requires registration of the bonds by
9 the comptroller. Chapter 1202, Government Code,
10 applies to district bonds by application of Section
11 1202.001, Government Code. The omitted law reads:

12 Sec. 14. . . . [Such bonds] . . .
13 shall be subject to the same requirements in
14 the manner of approval thereof by the
15 Attorney General of the State of Texas and
16 registration thereof by the Comptroller of
17 Public Accounts of the State of Texas as are
18 by law provided for such approval and
19 registration of bonds of the county; and the
20 approval of such bonds by the Attorney
21 General shall have the same force and effect
22 as is by law given to his approval of bonds
23 of the county. . . .

24 Revisor's Note
25 (End of Subchapter)

26 (1) Section 17, Chapter 674, Acts of the 60th
27 Legislature, Regular Session, 1967, provides that
28 district bonds are authorized investments for certain
29 entities. The revised law omits the provision as
30 unnecessary. As to several of the entities listed,
31 Section 17 has been superseded and impliedly repealed.
32 Investments in securities by banks are regulated by
33 Section 34.101, Finance Code (enacted in 1995 as
34 Section 5.101, Texas Banking Act (Article 342-5.101,
35 Vernon's Texas Civil Statutes)). Investments in
36 securities by savings banks are regulated by Section
37 93.001(c)(10), Finance Code (enacted in 1993 as
38 Section 7.15(10), Texas Savings Bank Act (Article
39 489e, Vernon's Texas Civil Statutes)). Investments in
40 securities by trust companies are regulated by Section

1 184.101, Finance Code (enacted in 1997 as Section
2 5.101, Texas Trust Company Act (Article 342a-5.101,
3 Vernon's Texas Civil Statutes)). Investments in
4 securities by building and loan associations (now
5 called savings and loan associations) are regulated by
6 Sections 63.002 and 64.001, Finance Code. As to the
7 remaining entities listed, Section 17 is superseded by
8 Section 1201.041, Government Code, enacted as Section
9 9, Bond Procedures Act of 1981 (Article 717k-6,
10 Vernon's Texas Civil Statutes). Section 1201.041,
11 Government Code, applies to district bonds by
12 application of Section 1201.002, Government Code. The
13 omitted law reads:

14 Sec. 17. All bonds (including
15 refunding bonds) issued by or assumed by the
16 District authorized to be established and
17 created under the provisions of this Act
18 shall be and are declared to be legal and
19 authorized investments for banks, savings
20 banks, trust companies, fiduciaries,
21 building and loan associations, insurance
22 companies, trustees, and for sinking funds
23 of cities, towns, villages, counties,
24 school districts, or other political
25 corporations or subdivisions of the State
26 of Texas; and

27 (2) Section 17, Chapter 674, Acts of the 60th
28 Legislature, Regular Session, 1967, provides that
29 district bonds may secure certain deposits. Although
30 Section 17 does not specifically mention the deposits
31 the bonds are eligible to secure, the only deposits
32 they could secure would be deposits of public funds of
33 this state or political subdivisions of this state. As
34 such, the revised law omits the provisions as
35 impliedly repealed by Section 404.0221, Government
36 Code (enacted in 1995), which lists eligible
37 collateral for deposits of state funds by the
38 comptroller, and by Chapter 2257, Government Code
39 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
40 Statutes), which governs eligible collateral for

1 deposits of funds of other public agencies, including
2 political subdivisions. The omitted law reads:

3 Sec. 17. . . . such bonds shall be
4 lawful and sufficient security for deposits
5 to the extent of their face value when
6 accompanied by all unmatured coupons
7 appurtenant thereto.

15 (1) pay the interest on and create a sinking fund for
16 bonds assumed or issued by the district for hospital purposes as

19 hospital or hospital system; and

20 (3) make improvements and additions to the hospital

30 interest on and creating a sinking fund for bonds which
31 may have been assumed or which may be issued by the
32 Hospital District for hospital purposes as herein
33 provided; (2) providing for the operation and

Revisor's Note

(1) Section 13, Chapter 674, Acts of the 60th Legislature, Regular Session, 1967, refers to the levy of district taxes on county values at the time and under the conditions that county taxes are levied. The revised law omits those provisions because they were repealed by Section 6(b), Chapter 841, Acts of the 66th Legislature, Regular Session, 1979, which repealed all "general, local, and special laws" that conflicted with that act. The 1979 act enacted the Property Tax Code (Title 1, Tax Code), a comprehensive, substantive codification of property tax law. Title 1, Tax Code, provides the exclusive procedures for the appraisal of property for taxation by a taxing unit, including a hospital district. The omitted law reads:

Sec. 13. . . . [The tax so levied shall be collected] . . . on the county values, and in the same manner, and under the same conditions, as county taxes;

1 (2) Section 13, Chapter 674, Acts of the 60th
2 Legislature, Regular Session, 1967, provides that the
3 district may assess and collect taxes as provided by
4 general law for independent school districts. The
5 revised law omits that provision as unnecessary. The
6 general law relating to the assessment and collection
7 of all ad valorem taxes is Title 1, Tax Code. Section
8 1.02, Tax Code, requires all taxing units of
9 government to administer the assessment and collection
10 of taxes in conformity with that title. The omitted
11 law reads:

12 Sec. 13. . . . [the Hospital
13 District may appoint its own Assessor and
14 Collector of Taxes and] may assess and
15 collect taxes in the same manner as now
16 provided by general law for independent
17 school districts. . . .

18 (3) Section 13, Chapter 674, Acts of the 60th
19 Legislature, Regular Session, 1967, provides that the
20 county tax assessor-collector may charge a fee for the
21 assessment and collection of district taxes. The
22 revised law omits that provision because it was
23 repealed by Section 6(b), Chapter 841, Acts of the 66th
24 Legislature, Regular Session, 1979. See Revisor's
25 Note (1). Section 6.27(b), Tax Code, provides for the
26 compensation of a county tax assessor-collector
27 assessing and collecting taxes for another taxing
28 unit. The omitted law reads:

29 Sec. 13. . . . When the County
30 Assessor and Collector of Taxes is serving
31 as Assessor and Collector for the Hospital
32 District, he shall charge and deduct from
33 payments to the Hospital District the fees
34 for assessing and collecting the tax at the
35 rate of one and one-half per cent (1-1/2%)
36 of the amounts collected. Such fees shall
37 be deposited in the County's General Fund,
38 and shall be reported as fees of office of
39 the Tax Assessor and Collector.
40 . . .

41 (4) Section 13, Chapter 674, Acts of the 60th
42 Legislature, Regular Session, 1967, requires the tax

1 assessor-collector to execute a bond in an amount
2 prescribed by the board. The revised law omits the
3 provision because it was repealed by Section 6(b),
4 Chapter 841, Acts of the 66th Legislature, Regular
5 Session, 1979. See Revisor's Note (1). As to the
6 county tax assessor-collector, Section 6.29(b), Tax
7 Code, authorizes a taxing unit for which the county tax
8 assessor-collector collects a tax to require that
9 collector to post an additional bond. As to a tax
10 assessor-collector appointed by the district, Section
11 6.29(a), Tax Code, authorizes the governing body of a
12 taxing unit, including a hospital district, to require
13 the unit's tax assessor-collector to post bond without
14 limiting the amount. The omitted law reads:

15 Sec. 13. . . .

16 The Assessor and Collector of Taxes
17 shall execute a bond payable to the Hospital
18 District in an amount prescribed by the
19 Board of Hospital Managers, which shall be
20 not less than the maximum amount of money
21 which will be held by such Assessor and
22 Collector of Taxes at any one time. . . .

23 (5) Section 13, Chapter 674, Acts of the 60th
24 Legislature, Regular Session, 1967, requires the tax
25 assessor-collector to file a report each month showing
26 the tax collection amount and other tax revenue for the
27 previous month and deposit that amount in the district
28 depository. The revised law omits the provision
29 because it was repealed by Section 6(b), Chapter 841,
30 Acts of the 66th Legislature, Regular Session, 1979.
31 See Revisor's Note (1). Section 31.10, Tax Code,
32 provides for monthly reports by a tax
33 assessor-collector of a taxing unit and requires the
34 tax assessor-collector of a taxing unit to deposit
35 taxes collected in the unit's depository. The omitted
36 law reads:

37 Sec. 13. . . . A report shall be
38 filed with the Board of Hospital Managers on
39 the first day of each month by the Assessor

1 and Collector of Taxes showing the amount of
2 taxes collected during the previous month
3 and the amount so collected shall be
4 deposited by the Assessor and Collector of
5 Taxes in the District's depository or
6 depositories to the credit of the Hospital
7 District.

8 . . . The residue of tax collections,
9 after deduction of discounts and fees for
10 assessing and collecting, shall be
11 deposited in the District depository or
12 depositories; and such funds shall be
13 withdrawn only as provided herein. . . .

14 (6) Section 13, Chapter 674, Acts of the 60th
15 Legislature, Regular Session, 1967, provides that
16 interest and penalties on district taxes and discounts
17 are the same as for county taxes. The revised law
18 omits that provision because it was repealed by
19 Section 6(b), Chapter 841, Acts of the 66th
20 Legislature, Regular Session, 1979. See Revisor's
21 Note (1). Chapter 33, Tax Code, provides for the
22 assessment of penalties and interest on delinquent
23 taxes, and Section 31.05, Tax Code, provides for
24 discounts on the early payment of taxes. The omitted
25 law reads:

26 Sec. 13. . . .
27 Interest and penalties on taxes paid
28 to the Hospital District shall be the same
29 as in the case of county taxes. Discounts
30 shall be the same as for county taxes. . . .

31 Revisor's Note
32 (End of Subchapter)

33 Section 13, Chapter 674, Acts of the 60th
34 Legislature, Regular Session, 1967, provides that the
35 board may impose taxes for the entire year in which the
36 district is established. The revised law omits that
37 provision as executed. The omitted law reads:

38 Sec. 13. . . .
39 The Board of Hospital Managers shall
40 have the authority to levy the tax aforesaid
41 for the entire year in which the said
42 Hospital District is established for the
43 purpose of securing funds to initiate the
44 operation of the Hospital District, and to
45 pay the principal of and interest on all
46 bonds issued or assumed by the District.

1 Revisor's Note
2 (End of Chapter)

3 (1) Section 11, Chapter 674, Acts of the 60th
4 Legislature, Regular Session, 1967, provides that the
5 delinquent taxes owed to Martin County for the county
6 hospital system shall be paid to the district. Section
7 33.02, Tax Code, provides that a person may pay
8 delinquent taxes over a 36-month period. Section
9 33.05, Tax Code, prohibits a taxing unit from filing a
10 suit to collect a tax on real property that has been
11 delinquent more than 20 years. Therefore, the revised
12 law omits the provision as executed. The omitted law
13 reads:

14 Sec. 11. . . .
15 That portion of delinquent taxes owed
16 the county on levies for present county
17 hospital system shall continue to be paid to
18 the Hospital District by the county as
19 collected and shall be applied by the
20 Hospital District to the purposes for which
21 such taxes originally were levied.

22 (2) Section 15, Chapter 674, Acts of the 60th
23 Legislature, Regular Session, 1967, provides for the
24 transfer of certain land, buildings, equipment, and
25 funds to the district after the district is created and
26 provides for the assumption of debt by the district on
27 creation. The revised law omits the provisions as
28 executed. The omitted law reads:

29 Sec. 15. Any lands, buildings or
30 equipment that may be owned by the county,
31 and by which medical services or hospital
32 care, including geriatric care, are
33 furnished to the indigent or needy persons
34 of the county, shall become the property of
35 the Hospital District; and title thereto
36 shall vest in the Hospital District; and any
37 funds of the county which are the proceeds
38 of any bonds assumed by the District, as
39 hereby provided, shall become the Hospital
40 District; and title thereto shall vest in
41 the Hospital District; and there shall vest
42 in the Hospital District and become the
43 funds of the Hospital District the unspent
44 portions of any funds theretofore set up or
45 appropriated by budget or otherwise by the
46 county for the support and maintenance of
47 the hospital facilities for the year within
48 which the Hospital District comes into

1 existence, thereby providing such Hospital
2 District with funds with which to maintain
3 and operate such facilities for the
4 remainder of such year. All obligations
5 under contract legally incurred by the
6 county for the building of, or the support
7 and maintenance of, hospital facilities,
8 prior to the creation of the said District
9 but outstanding at the time of the creation
10 of the District, shall be assumed and
11 discharged by it without prejudice to the
12 rights of third parties, provided that the
13 management and control of the property and
14 affairs of the present hospital system
15 shall continue in the Board of Managers of
16 the present hospital system until
17 appointment and organization of the Board
18 of Hospital Managers of the Hospital
19 District, at which time the Board of
20 Managers of the present hospital system
21 shall turn over all records, property and
22 affairs of said hospital system to the Board
23 of Hospital Managers of the Hospital
24 District.

25 Any outstanding bonded indebtedness
26 incurred by the county in the acquisition of
27 such lands, buildings, and equipment, or in
28 the construction and equipping of such
29 hospital facilities, together with any
30 other outstanding bonds issued by the
31 county for hospital purposes, and the
32 proceeds of which are in whole or in part
33 still unspent, shall be assumed by the
34 Hospital District and become the obligation
35 of the Hospital District; and the county
36 shall be by the Hospital District relieved
37 of any further liability for the payment
38 thereof, or for providing interest and
39 sinking fund requirements thereon; provided
40 that nothing herein contained shall limit
41 or affect any of the rights of any of the
42 holders of such bonds against the payment of
43 the principal or interest on any of such
44 bonds in accordance with their respective
45 terms.

46 The Commissioners Court, as soon as
47 the Hospital District is created and
48 authorized at the election hereinabove
49 provided, and there have been appointed and
50 qualified to the Board of Hospital Managers
51 hereinabove provided for, shall execute and
52 deliver to the Hospital District, to wit:
53 to its said Board of Hospital Managers, an
54 instrument in writing conveying to said
55 Hospital District the hospital property,
56 including lands, buildings, and equipment;
57 and shall transfer to said Hospital
58 District the funds hereinabove provided to
59 become vested in the Hospital District,
60 upon being furnished the certificate of the
61 Chairman of the Board to the fact that a
62 depository for the District's funds has been
63 selected and has qualified; which funds
64 shall, in the hands of the Hospital District
65 and of its Board of Hospital Managers, be
66 used for all or any of the same purposes as,
67 and for no other purposes than, the purposes
68 for which the county could lawfully have
69 used the same had they remained the property

1 and funds of such county.

2 (3) Section 18, Chapter 674, Acts of the 60th
3 Legislature, Regular Session, 1967, provides that
4 public notice of enactment of the statute was provided
5 in a manner that satisfies the requirements of the
6 Texas Constitution. The revised law omits that
7 section as executed. The omitted law reads:

8 Sec. 18. The Legislature hereby
9 finds affirmatively that thirty (30) days
10 public notice was duly given in accordance
11 with the provisions of Article IX, Section
12 9, of the Constitution of the State of
13 Texas, of the intention to apply to this
14 Legislature to enact a law providing for the
15 creation, establishment, maintenance and
16 operation of the Hospital District herein
17 provided for.

18 (4) Section 19, Chapter 674, Acts of the 60th
19 Legislature, Regular Session, 1967, provides that the
20 act is severable. The revised law omits that provision
21 because it duplicates Section 311.032, Government Code
22 (Code Construction Act), which provides that a
23 provision of a statute is severable from each other
24 provision of the statute that can be given effect. The
25 omitted law reads:

26 Sec. 19. If any word, phrase,
27 sentence, Section, portion or provision of
28 this Act or the application thereof to any
29 person or circumstance shall be held to be
30 invalid or unconstitutional, the remainder
31 of this Act, and the application of such
32 word, phrase, sentence, Section, portion or
33 provision to other persons or
34 circumstances, shall not be affected
35 thereby. . . .

36 (5) Section 19, Chapter 674, Acts of the 60th
37 Legislature, Regular Session, 1967, provides that if
38 there is a conflict between the act and general laws of
39 this state, the act controls. The revised law omits
40 that provision because, under general rules of
41 statutory construction, a statute automatically has
42 the effect of repealing prior conflicting enactments
43 and is ineffective to repeal subsequent legislation.
44 Furthermore, Section 311.026, Government Code (Code

1 Construction Act), provides that if there is a
2 conflict between a general provision of law and a
3 special provision, the special provision prevails
4 unless the general provision is the later enactment
5 and the manifest intent is that the general provision
6 prevail. The omitted law reads:

7 Sec. 19. . . . In the event any of
8 the provisions hereof shall be in conflict
9 with any other law of this state, the
10 provisions of this Act shall prevail.

6 CHAPTER 1061. MIDLAND COUNTY HOSPITAL DISTRICT OF
7 MIDLAND COUNTY, TEXAS

8 SUBCHAPTER A. GENERAL PROVISIONS

9 Revised Law

10 Sec. 1061.001. DEFINITIONS. In this chapter:

- 11 (1) "Board" means the board of directors of the
12 district.
13 (2) "Director" means a member of the board.
14 (3) "District" means the Midland County Hospital
15 District of Midland County, Texas. (New.)

16 Revisor's Note

17 The definitions of "board," "director," and
18 "district" are added to the revised law for drafting
19 convenience and to eliminate frequent, unnecessary
20 repetition of the substance of the definitions.

21 Revised Law

22 Sec. 1061.002. AUTHORITY FOR CREATION. The Midland County
23 Hospital District of Midland County, Texas, is created under the
24 authority of Section 9, Article IX, Texas Constitution. (Acts 65th
25 Leg., R.S., Ch. 112, Sec. 1.)

26 Source Law

27 Sec. 1. By authority of Article IX, Section 9 of
28 the Texas Constitution, this Act authorizes the
29 creation of the Midland County Hospital District of
30 Midland County, Texas.

31 Revised Law

32 Sec. 1061.003. ESSENTIAL PUBLIC FUNCTION. The district
33 performs an essential public function in carrying out the purposes
34 of this chapter. (Acts 65th Leg., R.S., Ch. 112, Sec. 23 (part).)

35 Source Law

36 Sec. 23. In carrying out the purposes of this

1 Act, the district will be performing an essential
2 public function, and

3 Revised Law

4 Sec. 1061.004. DISTRICT TERRITORY. The boundaries of the
5 district are coextensive with the boundaries of Midland County,
6 Texas, as the boundaries existed on May 4, 1977. (Acts 65th Leg.,
7 R.S., Ch. 112, Sec. 2.)

8 Source Law

9 Sec. 2. The boundaries of this district are
10 coterminous with the boundaries of Midland County,
11 Texas, as those boundaries are fixed on the effective
12 date of this Act.

13 Revisor's Note

14 Section 2, Chapter 112, Acts of the 65th
15 Legislature, Regular Session, 1977, refers to the
16 boundaries of Midland County "as those boundaries are
17 fixed on the effective date of this Act." The act took
18 effect on May 4, 1977, and the revised law is drafted
19 accordingly.

20 Revised Law

21 Sec. 1061.005. CORRECTION OF INVALID PROCEDURES. If a court
22 holds that any procedure under this chapter violates the
23 constitution of this state or of the United States, the district by
24 resolution may provide an alternative procedure that conforms with
25 the constitution. (Acts 65th Leg., R.S., Ch. 112, Sec. 24 (part).)

26 Source Law

27 Sec. 24. . . . [federal or state constitutions]
28 If any procedure in this Act is held by a court
29 to violate either constitution, the district has the
30 power by resolution to provide an alternative
31 procedure conformable with the constitutions. . . .

32 Revisor's Note

33 Section 24, Chapter 112, Acts of the 65th
34 Legislature, Regular Session, 1977, provides that the
35 act does not violate the federal or state constitution
36 and requires that action under the act comply with the
37 constitutions. The revised law omits the reference to
38 the federal constitution because, under the Supremacy
39 Clause of the United States Constitution (Clause 2,

1 Article VI), federal law always takes precedence over
2 a state statute. The revised law also omits the
3 reference to the Texas Constitution because the state
4 cannot modify constitutional requirements by statute.
5 The omitted law reads:

6 Sec. 24. Nothing in this Act may be
7 construed to violate any provision of the
8 federal or state constitutions, and all
9 acts done under this Act shall be in such
10 manner as will conform to them, whether
11 expressly provided or not. . . .

12 Revised Law

13 Sec. 1061.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
14 OBLIGATION. The support and maintenance of the district may not
15 become a charge against or obligation of this state. (Acts 65th
16 Leg., R.S., Ch. 112, Sec. 22 (part).)

17 Source Law

18 Sec. 22. The support and maintenance of the
19 hospital district shall never become a charge against
20 or obligation of the state

21 Revised Law

22 Sec. 1061.007. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
23 The legislature may not make a direct appropriation for the
24 construction, maintenance, or improvement of a district facility.
25 (Acts 65th Leg., R.S., Ch. 112, Sec. 22 (part).)

26 Source Law

27 Sec. 22. . . . nor shall any direct
28 appropriation be made by the legislature for the
29 construction, maintenance, or improvement of any of
30 the facilities of the district.

31 Revisor's Note
32 (End of Subchapter)

33 Section 4, Chapter 112, Acts of the 65th
34 Legislature, Regular Session, 1977, provides
35 procedures for holding an election on the creation of
36 the district, the imposition of an ad valorem tax, and
37 the transfer of certain existing property and
38 facilities. Section 9(b), Chapter 112, Acts of the
39 65th Legislature, Regular Session, 1977, provides for
40 the election to include a proposition authorizing the

1 district to issue bonds. Because the election to
2 create the district has already occurred, the revised
3 law omits the relevant law as executed. The omitted
4 law reads:

5 Sec. 4. (a) The district shall not
6 be created nor shall any property be
7 transferred to it nor shall any tax by it be
8 authorized until the creation and the tax
9 are approved by a majority of the qualified
10 electors of the area of the proposed
11 district voting at an election called for
12 that purpose. The election may be called by
13 a majority of the temporary directors or
14 shall be called by the temporary directors
15 upon presentation of a resolution by the
16 governing board of Midland Memorial
17 Foundation requesting the calling of such
18 election, to be held on any date chosen by
19 the temporary directors, notwithstanding
20 the provisions of the Texas Election Code,
21 and in particular, Section 9b (Article
22 2.01b, Vernon's Texas Election Code),
23 thereof. The election shall be held not
24 less than 14 nor more than 60 days from the
25 date the election is ordered. The order
26 calling the election shall specify the
27 date, place or places of holding the
28 election, the form of ballot, the presiding
29 judge and alternate presiding judge for
30 each voting place, and provide for clerks as
31 in county elections. The election order may
32 provide that the entire district shall
33 constitute one election precinct, or the
34 county election precincts within the
35 district may be combined for elections.
36 Notice of election shall be given by
37 publishing a substantial copy of the
38 election order in a newspaper or newspapers
39 which individually or collectively provide
40 general circulation in the district once a
41 week for two consecutive weeks, the first
42 publication to appear at least 14 days
43 before the date established for the
44 election. The failure of the election does
45 not operate to prohibit the calling and
46 holding of subsequent elections for the
47 same purpose; provided, no district
48 confirmation election may be held within
49 three months of any preceding election for
50 confirmation. If this district is not
51 confirmed within 60 months from the
52 effective date of this Act, this Act is
53 repealed.

54 (b) At the election there shall be
55 submitted to the electors of the area of the
56 proposed district the proposition of
57 whether the hospital district shall be
58 created with authority to have transferred
59 to it the existing hospital property,
60 equipment, and facilities of Midland
61 Memorial Hospital which are owned by
62 Midland Memorial Foundation and to levy
63 annual taxes . . . for the purpose of
64 meeting the requirements of the district's

1 bonds and its maintenance and operating
2 expenses. A majority of the qualified
3 electors voting at the election in favor of
4 the proposition is sufficient for its
5 adoption.

6 (c) The form of ballot used at the
7 election on the creation of the district
8 shall be in conformity with Section 61,
9 Texas Election Code, as amended (Article
10 6.05, Vernon's Texas Election Code), so that
11 ballots may be cast for or against the
12 following ballot proposition: "The
13 creation of the Midland County Hospital
14 District of Midland County, Texas, and
15 transfer to the district of the Midland
16 Memorial Hospital, and providing for the
17 levy of a tax not to exceed 75¢ on each \$100
18 valuation upon all taxable property
19 situated within the district."

20 (d) Within 10 days after the election
21 is held, the temporary directors of the
22 district shall convene and canvass the
23 returns of the election, and if a majority
24 of the qualified electors voting at the
25 election are in favor of the proposition,
26 the directors shall find and declare the
27 hospital district created.

28 [Sec. 9]

29 (b) A separate proposition on the
30 request of the temporary directors may be
31 submitted at the election for the
32 confirmation of the district as to whether
33 the board of directors, in the event the
34 district is created, shall be authorized to
35 issue bonds for the purposes specified in
36 this section. The proposition, if
37 submitted, shall specify the purpose for
38 which the bonds are to be issued, the
39 maximum amount of bonds then proposed to be
40 issued, and the maximum maturity date.

42 SUBCHAPTER B. DISTRICT ADMINISTRATION

43 Revised Law

44 Sec. 1061.051. BOARD ELECTION; TERM. (a) The board is
45 governed by a board of seven directors elected from single-member
46 districts.

47 (b) Directors serve staggered four-year terms.

48 (c) An election of directors shall be held in each
49 even-numbered year on the November uniform election date under
50 Section 41.001, Election Code. (Acts 65th Leg., R.S., Ch. 112,
51 Secs. 5(a) (part), (g) as added Acts 72nd Leg., 3rd C.S., Ch. 4.)

52 Source Law

53 Sec. 5. (a) The district is governed by a
54 seven-member board of directors elected from the
55 district at large. However, the board, on its own

1 motion, may order that the directors are to be elected
2 from single-member districts or

3 (g) The board may, on its own motion, order that
4 board members are to be elected in even-numbered years
5 to serve staggered four-year terms. Members shall be
6 elected on the November uniform election date under
7 Section 41.001, Election Code, of each even-numbered
8 year and the members shall serve four-year terms.

9 Revisor's Note

10 (1) Section 5(a), Chapter 112, Acts of the 65th
11 Legislature, Regular Session, 1977, provides that the
12 directors are elected from the district at large.
13 Section 5(a) also provides that the board of
14 directors, on its own motion, may order that the
15 directors be elected from single-member districts. On
16 December 17, 1987, the board adopted a resolution and
17 order providing that directors be elected from seven
18 single-member districts instead of from the district
19 at large, starting with the directors' election in
20 1989. The revised law is drafted accordingly.

21 (2) Section 5(f), Chapter 112, Acts of the 65th
22 Legislature, Regular Session, 1977, provides that
23 directors' elections are held on the first Saturday in
24 May of each year except as provided by Subsection (g).
25 Subsection (g) was amended by Section 1, Chapter 128,
26 Acts of the 80th Legislature, Regular Session, 2007,
27 to require elections to be held on the uniform election
28 date in November of each even-numbered year to elect
29 directors to serve staggered four-year terms.
30 Therefore, the revised law omits that part of
31 Subsection (f) as superseded by the 2007 amendment of
32 Subsection (g). The omitted law reads:

33 (f) Except as provided by Subsection
34 (g) of this section, a regular election of
35 directors shall be held on the first
36 Saturday in May of each year, and

37 (3) Section 2, Chapter 911, Acts of the 70th
38 Legislature, Regular Session, 1987, provides
39 transition language for the terms of directors in

1 office on the effective date of the act (September 1,
2 1987) and for directors elected in 1988. The revised
3 law omits the section as executed. The omitted law
4 reads:

5 Sec. 2. (a) This Act does not affect
6 the term of office for which a member of the
7 board of directors of the Midland County
8 Hospital District who is serving on the
9 effective date of this Act was elected.

10 (b) On the effective date of this
11 Act, the board of directors shall appoint
12 two additional persons to serve on the board
13 until the directors elected on May 21, 1988,
14 qualify for office.

15 (c) The appropriate number of
16 directors shall be elected at the regular
17 directors' election held on May 21, 1988, so
18 that the Midland County Hospital District
19 will have an elected seven-member board of
20 directors. Before the election, the board
21 shall determine which of the two additional
22 directors will serve a one-year term and
23 which will serve a two-year term, so that
24 three directors are elected one year and
25 four directors are elected the next year.
26 However, the board may elect to have the
27 additional directors draw lots after the
28 election to determine each director's term.

29 (4) Section 5, Chapter 128, Acts of the 80th
30 Legislature, Regular Session, 2007, provides
31 transition language for the terms of directors in
32 office on the effective date of the act (September 1,
33 2007). The revised law omits the section as executed.
34 The omitted law reads:

35 Sec. 5. The members of the board of
36 directors of the Midland County Hospital
37 District shall adjust the terms of office of
38 directors to conform to the change of the
39 election date made under Subsection (g),
40 Section 5, Chapter 112, Acts of the 65th
41 Legislature, Regular Session, 1977, as
42 amended by this Act.

43 Revised Law

44 Sec. 1061.052. ALTERNATIVE DIRECTOR ELECTION. (a) The
45 board on its own motion may order that not fewer than 50 percent of
46 the directors be elected from single-member districts with the
47 remaining directors elected from the district at large.

48 (b) Before entering an order under Subsection (a), the board
49 must:

1 (1) hold a public hearing at which registered district
2 voters may comment on whether they favor electing directors in the
3 manner proposed by the board; and

4 (2) publish notice of the hearing in a newspaper with
5 general circulation in the district not later than the seventh day
6 before the date of the hearing.

7 (c) An order adopted under Subsection (a) must be entered
8 not later than the 120th day before the date of the first election
9 at which directors are elected in the manner provided by the order.
10 Not later than the 90th day before the date of the first election at
11 which directors are elected in the manner provided by the order, the
12 board shall:

13 (1) divide the district into the appropriate number of
14 single-member districts, based on the number of directors to be
15 elected from the single-member districts and number each
16 single-member district; and

17 (2) determine by lot the order in which the positions
18 will be filled.

19 (d) The single-member districts must be:

20 (1) compact and contiguous; and

21 (2) as nearly as practicable of equal population
22 according to the most recent federal census.

23 (e) If the data from the most recent federal census
24 indicates that the population of the most populous single-member
25 district exceeds the population of the least populous single-member
26 district by more than 10 percent, the board shall redivide the
27 hospital district into the appropriate number of single-member
28 districts not later than the 90th day before the date of the first
29 regular election at which directors may officially recognize and
30 act on the census. Redivision of the district must be in the manner
31 provided for division of the district under this section.

32 (f) If the district adopts a redistricting plan under this
33 section, the board may provide in the plan for the directors in
34 office to serve at large for the remainder of their terms. The

1 single-member district and at-large positions provided by the
2 district's plan shall be filled as the staggered terms of incumbent
3 directors expire. (Acts 65th Leg., R.S., Ch. 112, Secs. 5(a)
4 (part), (b) (part).)

5 Source Law

6 (a) . . . However, the board, on its own
7 motion, may order . . . that not fewer than 50 percent
8 of the directors are to be elected from single-member
9 districts with the remaining directors to be elected
10 from the district at large. Before entering the order,
11 the board must:

12 (1) hold a public hearing at which
13 registered voters of the district are given an
14 opportunity to comment on whether or not they favor the
15 election of directors in the manner proposed by the
16 board; and

17 (2) publish notice of the hearing in a
18 newspaper that has general circulation in the
19 district, not later than the seventh day before the day
20 of the hearing.

21 (b) An order of the board adopted under
22 Subsection (a) of this section must be entered not
23 later than the 120th day before the day of the first
24 election at which all or some of the directors are
25 elected from single-member districts. If the board
26 orders that all or some of the directors shall be
27 elected from single-member districts, the board shall
28 divide the hospital district into the appropriate
29 number of single-member districts, based on the number
30 of directors that are to be elected from the districts,
31 and shall number each district. The single-member
32 districts must be compact and contiguous and must be as
33 nearly as practicable of equal population according to
34 the most recent federal census. Districts must be
35 drawn not later than the 90th day before the day of the
36 first election of directors from single-member
37 districts. Residents of each single-member district
38 are entitled to elect one director to the board. . . .
39 Not later than the 90th day before the day of the first
40 regular election at which directors may officially
41 recognize and act on the most recent federal census,
42 the board shall redivide the district into the
43 appropriate number of single-member districts if the
44 census data indicates that the population of the most
45 populous single-member district exceeds the
46 population of the least populous district by more than
47 10 percent. Redivision of the district shall be in the
48 manner provided for division of the district under
49 this subsection. If the hospital district adopts a
50 redistricting plan under this subsection, the board
51 may provide in the plan for the directors then in
52 office to serve at large for the remainder of their
53 terms. The single-member district and at-large
54 positions provided by the district's plan shall be
55 filled as the staggered terms of incumbent directors
56 expire. Not later than the 90th day before the first
57 election from single-member districts, the board shall
58 determine by lot the order in which the positions will
59 be filled.

60 Revisor's Note

61 Section 5(b), Chapter 112, Acts of the 65th

1 Legislature, Regular Session, 1977, provides that
2 "[r]esidents of each single-member district are
3 entitled to elect one director to the board." The
4 revised law omits the quoted language because Chapter
5 11, Election Code, governs eligibility to vote in an
6 election in this state and allows only qualified
7 voters who are residents of the territory covered by an
8 election to vote in the election.

9 Revised Law

10 Sec. 1061.053. NOTICE OF ELECTION. At least 10 days before
11 the date of an election of directors, notice of the election shall
12 be published one time in a newspaper of general circulation in
13 Midland County. (Acts 65th Leg., R.S., Ch. 112, Sec. 5(f) (part).)

14 Source Law

15 (f) . . . notice of the election shall be
16 published in a newspaper of general circulation in the
17 county one time at least 10 days prior to the date of
18 election. . . .

19 Revisor's Note

20 Section 5(f), Chapter 112, Acts of the 65th
21 Legislature, Regular Session, 1977, requires notice of
22 a director's election to be published in "the county."
23 Throughout this chapter, the revised law substitutes
24 "Midland County" for the quoted language because
25 Midland County is the county in which the district is
26 located.

27 Revised Law

28 Sec. 1061.054. QUALIFICATIONS FOR OFFICE. (a) A person may
29 not be elected or appointed as a director unless the person is:

30 (1) a resident of the district; and

31 (2) more than 18 years of age when elected or
32 appointed.

33 (b) A person who is elected from a single-member district or
34 is appointed to fill a vacancy for a single-member district must
35 reside in that single-member district. (Acts 65th Leg., R.S., Ch.
36 112, Secs. 5(b) (part), (d).)

1 members; and

2 (2) a secretary, who need not be a director.

3 (b) Each officer of the board serves for a term of one year.

4 (c) The board by vote shall fill a vacancy in a board office
5 for the unexpired term. (Acts 65th Leg., R.S., Ch. 112, Sec. 5(e)
6 (part).)

7 Source Law

8 (e) The board of directors shall organize by
9 electing one of their number as president, one of their
10 number as vice-president, and a secretary who need not
11 be a director. Officers are elected for a term of one
12 year, and vacancies shall be filled for the unexpired
13 term by vote of the board. . . .

14 Revised Law

15 Sec. 1061.057. COMPENSATION; EXPENSES. A director or
16 officer serves without compensation but may be reimbursed for
17 actual expenses incurred in the performance of official duties.
18 The expenses must be:

19 (1) reported in the district's records; and

20 (2) approved by the board. (Acts 65th Leg., R.S., Ch.
21 112, Sec. 5(g).)

22 Source Law

23 (g) Members of the board of directors and
24 officers shall serve without compensation but may be
25 reimbursed for actual expenses incurred in the
26 performance of their official duties on the approval
27 of those expenses by the board of directors and
28 reported in the minute book of the district or other
29 records of the district.

30 Revisor's Note

31 Section 5(g), Chapter 112, Acts of the 65th
32 Legislature, Regular Session, 1977, requires that
33 approved expenses be reported in the "minute book of
34 the district or other records of the district." The
35 revised law omits the reference to the "minute book of
36 the district" because the minute book is a district
37 record.

38 Revised Law

39 Sec. 1061.058. VOTING REQUIREMENT. A concurrence of four
40 directors is sufficient in any matter relating to district

1 business. (Acts 65th Leg., R.S., Ch. 112, Sec. 5(e) (part).)

2 Source Law

3 (e) . . . Members of the board of directors]
4 . . . a concurrence of four is sufficient in all
5 matters pertaining to the business of the district.
6 . . .

7 Revisor's Note

8 Section 5(e), Chapter 112, Acts of the 65th
9 Legislature, Regular Session, 1977, provides that four
10 directors constitute a quorum. The revised law omits
11 this provision because it duplicates Section 311.013,
12 Government Code (Code Construction Act), which
13 provides that a quorum of a public body is a majority
14 of the number of members fixed by statute. The omitted
15 law reads:

17 board of directors constitute a quorum, and

20 Sec. 1061.059. DISTRICT ADMINISTRATOR; ASSISTANT
21 ADMINISTRATOR. (a) The board may appoint a qualified person as
22 district administrator.

23 (b) The board may appoint assistant administrators.

24 (c) The district administrator and any assistant
25 administrator serve at the will of the board and are entitled to the
26 compensation determined by the board.

27 (d) On assuming the duties of district administrator, the
28 administrator shall execute a bond payable to the district in an
29 amount set by the board of not less than \$10,000 that:

30 (1) is conditioned on the administrator performing the
31 administrator's duties; and

32 (2) contains other conditions the board may require.

33 (Acts 65th Leg., R.S., Ch. 112, Sec. 6 (part).)

34 Source Law

35 Sec. 6. . . . The board of directors may appoint
36 a qualified person as the administrator of the
37 hospital district and may in its discretion appoint
38 assistants to the administrator. The administrator
39 and assistant administrator, if any, serve at the will

1 of the board and receive compensation fixed by the
2 board. The administrator shall on assuming his duties
3 execute a bond payable to the hospital district in an
4 amount set by the board of directors, not less than
5 \$10,000, conditioned on performance of the duties
6 required of him and containing other conditions as the
7 board may require. . . .

8 Revised Law

9 Sec. 1061.060. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.

10 Subject to the limitations prescribed by the board, the district
11 administrator shall:

12 (1) supervise the work and activities of the district;

13 and

14 (2) direct the affairs of the district. (Acts 65th
15 Leg., R.S., Ch. 112, Sec. 6 (part).)

16 Source Law

17 Sec. 6. . . . The administrator shall supervise
18 all the work and activities of the district and shall
19 have general direction of the affairs of the district,
20 subject to the limitations prescribed by the board.

22 Revised Law

23 Sec. 1061.061. APPOINTMENT AND DISMISSAL OF STAFF AND
24 EMPLOYEES; CONTRACTS. (a) The board may appoint to or dismiss from
25 the staff any doctors the board considers necessary for the
26 efficient operation of the district and may make temporary
27 appointments as necessary.

28 (b) The district may employ fiscal agents, accountants,
29 architects, and attorneys the board considers proper.

30 (c) The board may delegate to the district administrator the
31 authority to hire or contract with technicians, nurses, and other
32 persons or district employees as the administrator considers
33 advisable. (Acts 65th Leg., R.S., Ch. 112, Secs. 6 (part), 18.)

34 Source Law

35 Sec. 6. . . . The board of directors shall have
36 authority to appoint and dismiss from the staff such
37 doctors as it deems necessary for the efficient
38 operation of the district and may provide for
39 temporary appointment to the staff if warranted by
40 circumstances. The board may delegate to the
41 administrator the authority to employ or contract with
42 technicians, nurses, and other persons or employees of
43 the district as deemed advisable by the
44 administrator. . . .

1 Sec. 18. The district may employ fiscal agents,
2 accountants, architects, and attorneys as the board
3 considers proper.

4 Revised Law

5 Sec. 1061.062. RECRUITMENT OF MEDICAL STAFF AND EMPLOYEES.

6 The board may spend district money, enter into agreements, and take
7 other necessary action to recruit or otherwise obtain physicians
8 and other personnel for the district's medical staff or for
9 employment with the hospital or hospital system, including medical
10 facilities or other health facilities owned or operated by the
11 district. The actions may include:

- 12 (1) advertising and marketing;
- 13 (2) paying recruitment expenses;
- 14 (3) paying travel and relocation expenses; and
- 15 (4) providing a subsidy or scholarship. (Acts 65th

16 Leg., R.S., Ch. 112, Sec. 6 (part).)

17 Source Law

18 Sec. 6. . . . The board may enter into
19 agreements, spend district funds, and take other
20 necessary action to recruit or otherwise obtain
21 physicians and other personnel for the district's
22 medical staff or for employment with the hospital or
23 hospital system, including medical facilities or other
24 health facilities owned or operated by the district.
25 The actions may include advertising and marketing,
26 paying recruitment expenses, paying travel and
27 relocation expenses, and providing subsidies and
28 scholarships. . . .

29 Revised Law

30 Sec. 1061.063. SENIORITY; RETIREMENT BENEFITS. (a) The

31 board may:

- 32 (1) adopt rules relating to the seniority of district
33 employees; and
- 34 (2) establish or administer a retirement program or

35 elect to participate in any statewide retirement program in which
36 the district is eligible to participate.

37 (b) The district may give effect to previous years of
38 service for district employees continuously employed in the
39 operation or management of the hospital facilities acquired from
40 Midland Memorial Foundation when the district was created. (Acts
41 65th Leg., R.S., Ch. 112, Sec. 6 (part).)

1 date of the election.

2 (3) Section 5A, Chapter 112, Acts of the 65th
3 Legislature, Regular Session, 1977, provides
4 procedures regarding write-in voting for director
5 elections. The revised law omits the provision
6 because it mostly duplicates Section 285.131, Health
7 and Safety Code, which, according to its terms,
8 applies to all hospital districts created under
9 general or special law. The portion of the provision
10 regarding the deadline for filing a declaration of
11 write-in candidacy is superseded by amendments made to
12 Section 285.131, Health and Safety Code, by Section
13 11, Chapter 925, Acts of the 78th Legislature, Regular
14 Session, 2003, and by Section 34, Chapter 1109, Acts of
15 the 79th Legislature, Regular Session, 2005. The
16 omitted law reads:

17 Sec. 5A. (a) In a general or special
18 election of directors, a write-in vote may
19 not be counted unless the name written in
20 appears on the list of write-in candidates.

21 (b) To be entitled to a place on the
22 list of write-in candidates, a candidate
23 must make a declaration of write-in
24 candidacy.

25 (c) A declaration of write-in
26 candidacy must be filed with the secretary
27 of the board of directors not later than 5
28 p.m. of the fifth day after the date an
29 application for a place on the ballot is
30 required to be filed in the election.
31 However, if a candidate whose name is to
32 appear on the ballot dies or is declared
33 ineligible after the 43rd day before
34 election day, a declaration of write-in
35 candidacy for the office sought by the
36 deceased or ineligible candidate may be
37 filed not later than 5 p.m. of the 37th day
38 before election day.

39 (d) Subchapter B, Chapter 146,
40 Election Code, applies to write-in voting
41 in an election of directors except to the
42 extent of a conflict with this section.

44 SUBCHAPTER C. POWERS AND DUTIES

45 Revised Law

46 Sec. 1061.101. DISTRICT RESPONSIBILITY. (a) The district
47 has full responsibility for providing hospital care for the

1 district's indigent residents.

2 (b) The district shall provide all necessary hospital and
3 medical care for the district's needy inhabitants. (Acts 65th
4 Leg., R.S., Ch. 112, Secs. 3(a) (part), 21 (part).)

5 Source Law

6 Sec. 3. (a) . . . This district shall provide
7 all necessary medical and hospital care for the needy
8 inhabitants of the district. . . .

9 Sec. 21. . . . The hospital district shall
10 assume full responsibility for providing hospital care
11 for the indigents residing within the district. . . .

12 Revisor's Note

13 Section 21, Chapter 112, Acts of the 65th
14 Legislature, Regular Session, 1977, provides that the
15 district "shall assume" full responsibility for
16 providing hospital care for indigents residing in the
17 district. The revised law substitutes "has" for the
18 quoted language because the duty to assume the
19 responsibility is executed.

20 Revised Law

21 Sec. 1061.102. RESTRICTION ON POLITICAL SUBDIVISION
22 TAXATION AND DEBT. A political subdivision of this state, other
23 than the district, may not impose a tax or issue bonds or other
24 obligations for hospital purposes or to provide medical care in the
25 district. (Acts 65th Leg., R.S., Ch. 112, Secs. 3(a) (part), 21
26 (part).)

27 Source Law

28 Sec. 3. (a) . . . After this district is
29 created as provided in Section 4 of this Act, no other
30 municipality or political subdivision has the
31 authority to levy taxes or issue bonds or other
32 obligations for hospital purposes or for providing
33 medical care within the boundaries of the
34 district. . . .

35 Sec. 21. After creation of the hospital
36 district, no municipality or political subdivision
37 within the boundaries of the district has the power to
38 levy taxes or issue bonds or other obligations for
39 hospital purposes or for providing medical care. . . .

40 Revisor's Note

41 (1) Sections 3(a) and 21, Chapter 112, Acts of

1 the 65th Legislature, Regular Session, 1977, provide
2 that after creation of the district, certain political
3 subdivisions may not levy taxes or issue bonds for
4 hospital purposes or for providing medical care in the
5 district. The revised law omits the references to the
6 creation of the district as executed. In addition,
7 throughout this chapter, the revised law substitutes
8 "impose" for "levy" because, in this context, the
9 terms are synonymous and the former is more commonly
10 used.

11 (2) Sections 3(a) and 21, Chapter 112, Acts of
12 the 65th Legislature, Regular Session, 1977, refer to
13 a "municipality or political subdivision." The
14 revised law omits the references to "municipality"
15 because "municipality" is included in the meaning of
16 "political subdivision."

17 Revised Law

18 Sec. 1061.103. MANAGEMENT, CONTROL, AND ADMINISTRATION;
19 GENERAL BOARD POWER. (a) The board shall manage, control, and
20 administer the district's hospital or hospital system and the
21 district's money and resources.

22 (b) The board may exercise any power provided by this
23 chapter unless the board enters into a management contract under
24 Section 1061.113 that provides the power is exercised in accordance
25 with the contract. (Acts 65th Leg., R.S., Ch. 112, Sec. 6 (part).)

26 Source Law

27 Sec. 6. The board of directors shall manage,
28 control, and administer the hospital or hospital
29 system of the district and all funds and resources of
30 the district, but The board of directors may
31 exercise all of the powers of this section and all
32 other sections of this Act, unless an operating or
33 management agreement is entered into with the board of
34 directors, in accordance with Section 7 hereof, by
35 which either all or a part of such powers shall be
36 exercised pursuant to the operating or management
37 agreement.

38 Revised Law

39 Sec. 1061.104. HOSPITAL SYSTEM. (a) The district has the

1 responsibility to establish a hospital or hospital system,
2 including medical facilities and other health facilities, within
3 its boundaries to provide hospital and medical care to the
4 district's residents.

5 (b) The district shall provide for:

6 (1) the establishment of a hospital system by:

7 (A) purchasing, constructing, acquiring,
8 repairing, or renovating buildings and equipment; and

9 (B) equipping the buildings; and

10 (2) the administration of buildings and equipment for
11 hospital and medical care purposes.

12 (c) The hospital system may include:

13 (1) facilities for domiciliary care of the sick,
14 injured, or geriatric;

15 (2) outpatient clinics;

16 (3) dispensaries;

17 (4) convalescent home facilities;

18 (5) necessary nurses' domiciliaries;

19 (6) training centers;

20 (7) training facilities for doctors and nurses and for
21 other health care disciplines;

22 (8) blood banks;

23 (9) community mental health centers;

24 (10) research centers or laboratories;

25 (11) parking; and

26 (12) any other facilities the board considers
27 necessary for a hospital or hospital system and a medical facility
28 or other health facility included in the hospital or hospital
29 system. (Acts 65th Leg., R.S., Ch. 112, Secs. 3(a) (part), (b)
30 (part), 11(a) (part).)

31 Source Law

32 Sec. 3. (a) The district authorized to be
33 created by this Act is charged with the responsibility
34 of establishing a hospital or a hospital system,
35 including medical facilities and other health
36 facilities, within its boundaries to furnish hospital
37 and medical care to the residents of the

1 district. . . .

2 (b) . . . The district shall provide for the
3 establishment of a hospital system by the purchase,
4 construction, acquisition, repair, and renovation of
5 buildings and equipment, and equipping same, and its
6 administration for hospital and medical care
7 purposes. . . .

8 Sec. 11. (a) . . . The hospital system may
9 include facilities for domiciliary care of the sick,
10 wounded, and injured, outpatient clinics,
11 dispensaries, facilities for geriatric domiciliary
12 care, convalescent home facilities, necessary nurses'
13 domiciliaries, and training centers, training
14 facilities for doctors, nurses, and other health care
15 disciplines, blood banks, community mental health
16 centers, research centers or laboratories, parking,
17 and any other facilities deemed necessary by the board
18 of directors for a hospital or hospital system and a
19 medical facility or other health facility included in
20 the hospital or hospital system. . . .

21 Revisor's Note

22 Section 11(a), Chapter 112, Acts of the 65th
23 Legislature, Regular Session, 1977, refers to the care
24 of the "sick, wounded, and injured." The revised law
25 omits the reference to "wounded" because "wounded" is
26 included in the meaning of "injured."

27 Revised Law

28 Sec. 1061.105. RULES. The board may adopt rules governing
29 the operation of the hospital, the hospital system, and the
30 district's staff and employees. (Acts 65th Leg., R.S., Ch. 112,
31 Sec. 6 (part).)

32 Source Law

33 Sec. 6. . . . The district, through its board
34 of directors, shall have the power and authority . . .
35 to promulgate rules governing the operation of the
36 hospital, hospital system, its staff, and its
37 employees. . . .

38 Revisor's Note

39 Section 6, Chapter 112, Acts of the 65th
40 Legislature, Regular Session, 1977, provides that the
41 board may "promulgate rules" to govern the district.
42 The revised law substitutes "adopt" for "promulgate"
43 because the terms are synonymous and the former is more
44 commonly used.

45 Revised Law

46 Sec. 1061.106. PURCHASING AND ACCOUNTING PROCEDURES. (a)

1 The board may prescribe:

- 2 (1) the method and manner of making purchases and
- 3 expenditures by and for the district; and
- 4 (2) all accounting and control procedures.

5 (b) The board by resolution may delegate a power described
6 by Subsection (a) to:

- 7 (1) the Midland Memorial Foundation or its successors;
- 8 or
- 9 (2) a person who enters into an operating or
- 10 management agreement with the district to exercise the power.

11 (Acts 65th Leg., R.S., Ch. 112, Sec. 12 (part).)

12 Source Law

13 Sec. 12. The board of directors has the power to
14 prescribe the method and manner of making purchases
15 and expenditures by and for the hospital district and
16 shall also be authorized to prescribe all accounting
17 and control procedures or may delegate all or any of
18 those powers, by the adoption of an appropriate
19 resolution to that effect, to the Midland Memorial
20 Foundation or its successors, or to an individual,
21 corporation, agency, political subdivision, or other
22 entity that enters into an operating or management
23 agreement with the district to exercise all or any of
24 those powers. . . .

25 Revisor's Note

26 Section 12, Chapter 112, Acts of the 65th
27 Legislature, Regular Session, 1977, refers to an
28 "individual, corporation, agency, political
29 subdivision, or other entity." Throughout this
30 chapter, the revised law substitutes "person" for the
31 quoted language or similar language because under
32 Section 311.005(2), Government Code (Code
33 Construction Act), "person" is defined to include any
34 legal entity.

35 Revised Law

36 Sec. 1061.107. AMBULANCE OR MOBILE EMERGENCY SERVICE. The
37 district may operate or provide for the operation of an ambulance or

Revised Law

Sec. 1061.108. DISTRICT PROPERTY, FACILITIES, AND EQUIPMENT. (a) The board shall determine the type, number, and location of buildings and property required to maintain an adequate hospital system.

(b) The board may lease property, including facilities and equipment, and may enter into a lease of all or part of the district's buildings or other facilities with any person on terms considered to be in the best interest of the district. The term of the lease may not exceed 40 years.

(c) The district may acquire equipment for use in the district's hospital system, including medical and health facilities, and mortgage or pledge the property as security for the payment of the purchase price. A contract entered into under this subsection must provide that the entire obligation be retired not later than the fifth anniversary of the date of the contract.

(d) The board on behalf of the district may hold, construct, condemn, purchase, acquire, lease, add to, maintain, operate, regulate, sell, convey, or otherwise dispose of any type of property, including land or equipment, or a property right, hospital facility, or hospital system on terms the board finds are in the best interest of the district's inhabitants.

(e) The board may donate to another governmental entity or to a charitable organization any surplus personal property or equipment if the donation serves a public purpose and is accompanied by adequate consideration. (Acts 65th Leg., R.S., Ch. 112, Secs. 11(a) (part), (b), 12 (part).)

Source Law

Sec. 11. (a) The board of directors is given complete discretion as to the type, number, and location of buildings and property required to establish and maintain an adequate hospital system. . . . The district, through its board of directors, is authorized to lease property,

1 facilities, or equipment and to enter into leases of
2 all or a part of its buildings and facilities with any
3 person, corporation, political subdivision, agency,
4 or branch of the state or United States, with such
5 terms and conditions as considered to be in the best
6 interest of the district; provided that no lease may be
7 for a period in excess of 40 years from the date
8 entered. On the district's behalf, the board of
9 directors may hold, construct, condemn, purchase,
10 acquire, lease, add to, maintain, operate, regulate,
11 sell, convey, or otherwise dispose of land, equipment,
12 or property of any nature, or a property right,
13 hospital facility, or hospital system on terms and
14 conditions found by the board to be in the best
15 interest of the district's inhabitants.

16 (b) The board of directors may donate to another
17 governmental entity or to a charitable organization
18 any surplus personal property or equipment if the
19 donation serves a public purpose and is accompanied by
20 adequate consideration.

21 Sec. 12. . . . The district may acquire
22 equipment for use in its hospital system, including
23 medical facilities and health facilities, and mortgage
24 or pledge the property so acquired as security for the
25 payment of the purchase price, but any such contract
26 shall provide for the entire obligation of the
27 district to be retired within five years from the date
28 of the contract. . . .

29 Revisor's Note

30 (1) Section 11(a), Chapter 112, Acts of the 65th
31 Legislature, Regular Session, 1977, requires the board
32 to determine the buildings and property required to
33 "establish and maintain" an adequate hospital system.
34 The revised law omits the reference to establishing
35 the hospital system as executed.

36 (2) Section 11(a), Chapter 112, Acts of the 65th
37 Legislature, Regular Session, 1977, refers to "terms
38 and conditions." Throughout this chapter, the revised
39 law omits the references to "conditions" because
40 "conditions" is included in the meaning of "terms."

41 Revised Law

42 Sec. 1061.109. EMINENT DOMAIN. (a) The district may
43 exercise the power of eminent domain to acquire a fee simple or
44 other interest in any type of property located in district
45 territory if the interest is necessary or convenient for the
46 district to exercise a power, right, or privilege conferred by this
47 chapter.

48 (b) The district must exercise the power of eminent domain

1 in the manner provided by Chapter 21, Property Code, except the
2 district is not required to deposit in the trial court money or a
3 bond as provided by Section 21.021(a), Property Code.

4 (c) In a condemnation proceeding brought by the district,
5 the district is not required to:

6 (1) pay in advance or provide a bond or other security
7 for costs in the trial court;

8 (2) provide a bond for the issuance of a temporary
9 restraining order or a temporary injunction; or

10 (3) provide a bond for costs or a supersedeas bond on
11 an appeal or petition for review. (Acts 65th Leg., R.S., Ch. 112,
12 Sec. 16(a).)

13 Source Law

14 Sec. 16. (a) The district has the right and
15 power of eminent domain for the purpose of acquiring by
16 condemnation property of any kind and character in fee
17 simple, or any lesser interest, within the boundaries
18 of the district necessary or convenient to the powers,
19 rights, and privileges conferred by this Act in the
20 manner provided by the general law with respect to
21 condemnation by counties; provided that the district
22 shall not be required to make bond or deposits in the
23 registry of the trial court as required by Paragraph 2
24 of Article 3268, Revised Civil Statutes of Texas,
25 1925, as amended. In condemnation proceedings being
26 prosecuted by the district, the district shall not be
27 required to pay in advance or give bond or other
28 security for costs in the trial court nor to give any
29 bond otherwise required for the issuance of a
30 temporary restraining order or a temporary injunction
31 nor to give bond for costs or for supersedeas on any
32 appeal or writ of error.

33 Revisor's Note

34 (1) Section 16(a), Chapter 112, Acts of the 65th
35 Legislature, Regular Session, 1977, provides that the
36 district has the "right and power of eminent domain for
37 the purpose of acquiring [property] by condemnation."
38 The revised law substitutes for the quoted language
39 "may exercise the power of eminent domain to acquire
40 [property]" because the phrases have the same meaning,
41 and the latter phrase is consistent with modern usage
42 in laws relating to eminent domain.

43 (2) Section 16(a), Chapter 112, Acts of the 65th

1 Legislature, Regular Session, 1977, provides that the
2 district must exercise the power of eminent domain in
3 the manner provided by "the general law with respect to
4 condemnation by counties." The revised law
5 substitutes for the quoted language a reference to
6 Chapter 21, Property Code, because that is the general
7 law governing eminent domain for governmental
8 entities, including counties.

9 (3) Section 16(a), Chapter 112, Acts of the 65th
10 Legislature, Regular Session, 1977, refers to
11 "Paragraph 2 of Article 3268, Revised Civil Statutes
12 of Texas, 1925, as amended." That statute was codified
13 in 1983 as Section 21.021(a), Property Code, and the
14 revised law is drafted accordingly. In addition,
15 throughout this chapter, the revised law omits the
16 references to "as amended" because under Section
17 311.027, Government Code (Code Construction Act), a
18 reference to a statute applies to all reenactments,
19 revisions, or amendments of that statute unless
20 expressly provided otherwise.

21 (4) Section 16(a), Chapter 112, Acts of the 65th
22 Legislature, Regular Session, 1977, refers to a "writ
23 of error." The revised law substitutes "petition for
24 review" for "writ of error" because, effective
25 September 1, 1997, the Texas Supreme Court replaced
26 the writ of error procedure with the petition for
27 review procedure. See Rule 53.1, Texas Rules of
28 Appellate Procedure.

29 Revised Law

30 Sec. 1061.110. COST OF RELOCATING OR ALTERING PROPERTY. In
31 exercising the power of eminent domain, if the board requires
32 relocating, raising, lowering, rerouting, changing the grade of, or
33 altering the construction of any railroad, electric transmission,
34 telegraph or telephone line, conduit, pole, or facility, or

1 pipeline, the district must bear the actual cost of relocating,
2 raising, lowering, rerouting, changing the grade, or altering the
3 construction to provide comparable replacement, without
4 enhancement of facilities, after deducting the net salvage value
5 derived from the old facility. (Acts 65th Leg., R.S., Ch. 112, Sec.
6 16(b).)

7 Source Law

8 (b) If the board requires the relocation,
9 raising, lowering, rerouting, or change in grade or
10 alteration in the construction of any railroad,
11 electric transmission, telegraph or telephone lines,
12 conduits, poles, or facilities, or pipelines in the
13 exercise of the power of eminent domain, all of the
14 relocation, raising, lowering, rerouting, or changes
15 in grade or alteration of construction due to the
16 exercise of the power of eminent domain shall be the
17 sole expense of the board. The term "sole expense"
18 means the actual cost of relocation, raising,
19 lowering, rerouting, or change in grade or alteration
20 of construction to provide comparable replacement
21 without enhancement of facilities after deducting the
22 net salvage value derived from the old facility.

23 Revised Law

24 Sec. 1061.111. GIFTS AND ENDOWMENTS. The board may accept
25 for the district a gift or endowment to be held in trust and
26 administered by the board for the purposes and under the
27 directions, limitations, or other provisions prescribed in writing
28 by the donor that are not inconsistent with the proper management
29 and objectives of the district. (Acts 65th Leg., R.S., Ch. 112,
30 Sec. 20.)

31 Source Law

32 Sec. 20. The board of directors of the hospital
33 district is authorized on behalf of the district to
34 accept donations, gifts, and endowments to be held in
35 trust and administered by the board of directors for
36 purposes and under directions, limitations, and
37 provisions prescribed in writing by the donor which
38 are not inconsistent with proper management and
39 objectives of the hospital district.

40 Revisor's Note

41 Section 20, Chapter 112, Acts of the 65th
42 Legislature, Regular Session, 1977, refers to
43 "donations" and "gifts." The revised law omits the
44 reference to "donations" because "donations" is
45 included in the meaning of "gifts."

1 Revised Law

2 Sec. 1061.112. CONSTRUCTION OR PURCHASE CONTRACTS. A
3 construction or purchase contract that involves the expenditure of
4 more than \$25,000 may be made only after advertising in the manner
5 provided by Chapter 252, Local Government Code. (Acts 65th Leg.,
6 R.S., Ch. 112, Sec. 12 (part).)

7 Source Law

8 Sec. 12. . . . All contracts by the district
9 for construction or purchases involving the
10 expenditure of more than \$25,000 may be made only after
11 advertising in the manner provided by Chapter 252,
12 Local Government Code. . . .

13 Revisor's Note

14 Section 12, Chapter 112, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that
16 Chapter 2253, Government Code, applies to the
17 district's construction contracts in relation to
18 performance and payment bonds. The revised law omits
19 the provision because Chapter 2253, Government Code,
20 applies to hospital districts on its own terms. The
21 omitted law reads:

22 Sec. 12. . . . The provisions of
23 Chapter 2253, Government Code, apply to
24 construction contracts let by the
25 district. . . .

26 Revised Law

27 Sec. 1061.113. MANAGEMENT AGREEMENT; LIABILITY. (a) The
28 board may enter into a management agreement with any person,
29 including the Midland Memorial Foundation or its successors, for
30 the management and operation of any hospital or part of a hospital
31 owned by the district, under terms satisfactory to the board and the
32 person.

33 (b) An agreement under Subsection (a) may be for a term not
34 to exceed 10 years, with renewal options as considered advisable.

35 (c) A nonprofit corporation that manages a hospital or
36 provides services under a contract with the district under this
37 chapter and any corporation employee are district employees for
38 purposes of Chapters 101 and 102, Civil Practice and Remedies Code,

1 while performing services under the contract for the benefit of the
2 district. (Acts 65th Leg., R.S., Ch. 112, Sec. 7.)

4 Sec. 7. The board of directors, in addition to
5 any other powers which it may now or hereafter have, is

9 governmental subdivision or entity for the management
10 and operation of any hospital or part thereof owned by
11 the district, under such terms and conditions as may be
12 satisfactory to the board of directors and the Midland
13 Memorial Foundation or any other individual,
14 corporation, agency, or governmental subdivision or
15 entity. Such agreement may be for a term of up to 10
16 years with such options of renewal as deemed
17 advisable. A nonprofit corporation that manages a
18 hospital or provides services under a contract with
19 the district under this Act and any employee of the
20 corporation are, while performing services under the
21 contract for the benefit of the district, employees of
22 the district for the purposes of Chapters 101 and 102,
23 Civil Practice and Remedies Code.

24 Revised Law

25 Sec. 1061.114. CONTRACTS FOR HOSPITALIZATION, TREATMENT,
26 AND TRAINING. (a) The board may contract with any person located
27 inside or outside the district's boundaries for the hospitalization
28 and treatment of a sick or injured person.

29 (b) The district may contract with any person located inside
30 or outside the district's boundaries for services provided by the
31 district, including:

- 32 (1) the promotion of health;
- 33 (2) hospital treatment of a sick or injured person;
- 34 and
- 35 (3) the training of doctors and nurses and the
36 provision of training in health care disciplines. (Acts 65th Leg.,

39 Sec. 6. . . . The board shall be authorized to
40 contract with any person, firm, corporation, hospital
41 or hospital authority, hospital district, emergency
42 services district, county, incorporated municipality,
43 or any political subdivision of this state, located
44 inside or outside its boundaries, for the
45 hospitalization and treatment of sick, diseased, or

48 its agencies, or a person, firm, corporation,
49 hospital, hospital authority, emergency services

1 district, county, incorporated municipality, or
2 another political subdivision of this state, located
3 inside or outside its boundaries, for services
4 provided by the district, including the promotion of
5 health, hospital treatment of sick, diseased, or
6 injured persons, and the training of doctors, nurses,
7 and other health care disciplines. . . .

8 Revisor's Note

9 Section 6, Chapter 112, Acts of the 65th
10 Legislature, Regular Session, 1977, refers to the
11 treatment of "sick, diseased, or injured persons."
12 The revised law omits the reference to "diseased"
13 because "diseased" is included in the meaning of
14 "sick."

15 Revised Law

16 Sec. 1061.115. CONTRACT FOR INVESTIGATORY OR OTHER
17 SERVICES. The board may contract with any person for the district to
18 provide investigatory or other services for the medical, hospital,
19 or welfare needs of district inhabitants. (Acts 65th Leg., R.S.,
20 Ch. 112, Sec. 6 (part).)

27 inhabitants of the district. . . .

29 Sec. 1061.116. CONTRACT FOR FACILITIES TO SUPPORT SURGICAL
30 RESIDENCY PROGRAM. (a) The board may contract with a state agency or
31 public medical school, including the Texas Tech University Health
32 Sciences Center, for the improvement and equipping of hospital
33 facilities as necessary to support a surgical residency program.

34 (b) Notwithstanding other law, the state agency or medical
35 school may enter into an agreement described by Subsection (a) and
36 spend appropriated funds for that purpose. (Acts 65th Leg., R.S.,
37 Ch. 112, Sec. 6A.)

39 Sec. 6A. The board may contract with a state
40 agency or public medical school, including the Texas
41 Tech University Health Sciences Center, for the
42 improvement and equipping of hospital facilities as

1 necessary to support a surgical residency program.
2 Notwithstanding other law, the state agency or medical
3 school may enter into such an agreement and expend
4 appropriated funds for that purpose.

5 Revised Law

6 Sec. 1061.117. PROVISION OF SERVICES OUTSIDE DISTRICT. The
7 district may provide primary care, emergency services, preventive
8 medical services, and other health-related services outside the
9 district, provided that the services serve the purpose of the
10 district as established by this chapter. (Acts 65th Leg., R.S., Ch.
11 112, Sec. 3(a) (part).)

12 Source Law

13 (a) . . . The district may provide primary care,
14 emergency services, preventive medical services, and
15 other health-related services outside the boundaries
16 of the district, provided that the services serve the
17 purpose of the district as established by this Act.

18 Revised Law

19 Sec. 1061.118. PAYMENT FOR TREATMENT; PROCEDURES. (a) When
20 a patient who resides in the district is admitted to a district
21 facility, the district administrator may have an inquiry made into
22 the financial circumstances of:

23 (1) the patient; and

24 (2) the patient's relatives who are legally liable for
25 the patient's support.

26 (b) If the district administrator determines that the
27 patient or those relatives cannot pay all or part of the costs of
28 the care and treatment in the hospital, the amount of the costs that
29 cannot be paid becomes a charge against the district.

30 (c) If the district administrator determines that the
31 patient or those relatives can pay for all or part of the patient's
32 care and treatment, the patient or those relatives shall be ordered
33 to pay the district a specified amount each week for the patient's
34 care and support. The amount ordered must be proportionate to the
35 person's financial ability.

36 (d) The district administrator may collect the amount from
37 the patient's estate, or from any relative who is legally liable for
38 the patient's support, in the manner provided by law for the

1 collection of expenses of the last illness of a deceased person.

2 (e) If there is a dispute as to the ability to pay, or doubt
3 in the mind of the district administrator, the board shall hear and
4 determine the issue, after calling witnesses.

5 (f) The final order of the board may be appealed to the
6 district court. The substantial evidence rule applies to the
7 appeal. (Acts 65th Leg., R.S., Ch. 112, Sec. 19 (part).)

8 Source Law

9 Sec. 19. When a patient residing within the
10 district has been admitted to the district's
11 facilities, the administrator may cause inquiry to be
12 made as to his financial circumstances and those of the
13 relatives of the patient legally liable for his
14 support. If he finds that the patient or his relatives
15 are able to pay for his care and treatment in whole or
16 in part, an order shall be made directing the patient
17 or his relatives to pay to the hospital district for
18 the care and support of the patient a specified sum
19 each week in proportion to their financial ability.
20 The administrator shall have power and authority to
21 collect the sums from the estate of the patient or his
22 relatives legally liable for his support in the manner
23 provided by law for collection of expenses in the last
24 illness of a deceased person. If the administrator
25 finds that the patient or his relatives are not able to
26 pay, either in whole or in part, for his care and
27 treatment in the hospital, it shall become a charge on
28 the hospital district as to the amount of the inability
29 to pay. Should there be any dispute as to the ability
30 to pay or doubt in the mind of the administrator or
31 manager, the board of directors shall hear and
32 determine the issue after calling witnesses. Appeals
33 from the final order of the board lie to the district
34 court. The substantial evidence rule applies. . . .

35 Revisor's Note

36 Section 19, Chapter 112, Acts of the 65th
37 Legislature, Regular Session, 1977, refers to the
38 district "administrator or manager." The revised law
39 omits "manager" because, in context, "manager" is
40 included in the meaning of "administrator" and
41 "administrator" is the term used by the district.

42 Revised Law

43 Sec. 1061.119. REIMBURSEMENT FOR SERVICES TO NONRESIDENTS.
44 If a welfare patient, who is not a district resident, is admitted to
45 a district facility, the district may:

46 (1) seek reimbursement from the patient's county of
47 residence; and

1 (2) sue for reimbursement. (Acts 65th Leg., R.S., Ch.
2 112, Sec. 19 (part).)

23 (b) The proposed budget must contain a complete financial
24 statement of:

- 27 (3) the money received by the district from all
28 sources during the previous year;
- 29 (4) the money available to the district from all
30 sources during the ensuing year;

- 36 (8) the proposed expenditures and disbursements and
37 the estimated receipts and collections for the following fiscal

1 year.

2 (c) The board shall provide in each annual budget for the
3 payment of all operation and maintenance expenses of the district.

4 (d) In preparing the budget, the board may consider the

9 Source Law

10 Sec. 8. . . . Unless otherwise provided for in a
11 management agreement, the administrator shall prepare
12 an annual budget for approval by the board of
13 directors. The budget shall also contain a complete
14 financial statement of the district showing all
15 outstanding obligations of the district, the cash on
16 hand to the credit of each fund of the district, the
17 funds received from all sources during the previous
18 year, the funds available from all sources during the
19 ensuing year, with balances expected at year-end of
20 the year in which the budget is being prepared,
21 estimated revenues and balances available to cover the
22 proposed budget, the estimated tax rate which will be
23 required, and the proposed expenditures,
24 disbursements, and estimated receipts and collections
25 for the following fiscal year. . . .

26 Sec. 10. [The board of directors of the district
27 is authorized to issue revenue bonds] The
28 board of directors of the district shall make
29 provision in each annual hospital district budget for
30 the payment of all operation and maintenance expenses
31 of the hospital district. In preparing the budget, the
32 board of directors may take into consideration the
33 estimated excess revenues and income from hospital
34 facilities that will be available for paying operation
35 and maintenance expenses after providing with said
36 bonds. . . .

37 Revised Law

38 Sec. 1061.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
39 The board shall hold a public hearing on the proposed annual budget.

40 (b) At least 10 days before the date of the hearing, notice
41 of the hearing shall be published one time in a newspaper or
42 newspapers that individually or collectively have general
43 circulation in the district.

44 (c) Any property taxpayer of the district is entitled to be
45 present and participate at the hearing.

46 (d) At the conclusion of the hearing, the board shall adopt
47 a budget by acting on the budget proposed by the district

1 administrator. The board may make any changes in the proposed
2 budget that the board judges to be in the interest of the taxpayers
3 and that the law warrants. (Acts 65th Leg., R.S., Ch. 112, Sec. 8
4 (part).)

5 Source Law

6 Sec. 8. . . . A public hearing on the annual
7 budget shall be held by the board of directors after
8 notice of the hearing has been published one time at
9 least 10 days before the date set for the hearing in a
10 newspaper or newspapers which individually or
11 collectively provide general circulation in the
12 hospital district. Any property taxpayer of the
13 district shall have the right to be present and
14 participate in the hearing. At the conclusion of the
15 hearing, the budget as proposed shall be acted on by
16 the board of directors. The board of directors shall

21 Revised Law

22 Sec. 1061.153. AMENDMENTS TO BUDGET. The budget may be
23 amended as required by circumstances. The board must approve all
24 amendments. (Acts 65th Leg., R.S., Ch. 112, Sec. 8 (part).)

25 Source Law

26 Sec. 8. . . . The annual budget may be amended
27 from time to time as the circumstances may require, but
28 . . . all amendments shall be approved by the board of
29 directors. . . .

30 Revisor's Note

31 Section 8, Chapter 112, Acts of the 65th
32 Legislature, Regular Session, 1977, states that the
33 board may amend the budget "from time to time." The
34 revised law omits the quoted language because the
35 authority to amend the budget implies the authority to
36 do so at any time.

37 Revised Law

38 Sec. 1061.154. RESTRICTION ON EXPENDITURES. Money may be

Sec. 1061.159. DEPOSITORY. (a) The board shall select one or more banks in the district to serve as a depository for district money. A selected bank serves for four years. Bids shall be received for a depository contract after notice is published one time in a newspaper of general circulation in the district 20 days before the date to open the bids. The district shall award the depository contract to the bank or banks offering the most favorable terms for handling the district's money.

(b) District money, other than money invested as provided by Section 1061.160(b) and money transmitted to a bank for payment of bonds or obligations issued by the district, shall be deposited as received with the depository bank and shall remain on deposit.

(c) This chapter, including Subsection (b), does not limit the power of the board to place a part of district money on time deposit or to purchase certificates of deposit.

(d) The district may not deposit money with a bank in an amount that exceeds the maximum amount secured by the Federal Deposit Insurance Corporation unless the bank first executes a bond or other security or pledges security as required for county depositories in an amount sufficient to secure from loss the district money that exceeds the amount secured by the Federal Deposit Insurance Corporation. Sec. 13. (a) The board of directors of the district shall name one or more banks within its boundaries to serve as depository for the funds of the district for a period of four years. Bids shall be received for a depository contract after a notice is published once, 20 days before the date to open such bids, in a newspaper of general circulation in the district. The depository contract shall be awarded to the bank or banks offering the most favorable terms and conditions for handling the district's money. All

1 funds of the district, except those invested as
2 provided in Section 6 of this Act and those transmitted
3 to a bank or banks as payment for bonds or obligations
4 issued by the district, shall be deposited as received
5 with the depository bank and shall remain on deposit;
6 provided that nothing in this Act shall limit the power
7 of the board to place a portion of such funds on time
8 deposit or purchase certificates of deposit.

9 (b) Before the district deposits in a bank funds
10 of the district in an amount which exceeds the maximum
11 amount secured by the Federal Deposit Insurance
12 Corporation, the bank shall be required to execute a

17 Insurance Corporation.

19 Sec. 1061.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
20 Except as otherwise provided by Section 1061.108(c) and by
21 Subchapter E, the district may not incur an obligation payable from
22 district revenue other than the revenue on hand or to be on hand in
23 the current and following district fiscal years.

24 (b) The board may invest operating, depreciation, or
25 building reserves only in funds or securities specified by Chapter
26 2256, Government Code. (Acts 65th Leg., R.S., Ch. 112, Secs. 6
27 (part), 12 (part).)

28 Source Law

29 Sec. 6. . . . operating, depreciation, or
30 building fund reserves may not be invested in any funds
31 or securities other than those specified in Articles
32 836 and 837, Revised Civil Statutes of Texas, 1925, as
33 amended. . . .

34 Sec. 12. . . . Except as permitted in the
35 preceding sentence and as permitted by Sections 9 and
36 10 of this Act, the district may incur no obligation
37 payable from any revenues of the district, taxes or
38 otherwise, except those on hand or to be on hand within
39 the current and following fiscal year of the district.

40 Revisor's Note

41 (1) Section 6, Chapter 112, Acts of the 65th
42 Legislature, Regular Session, 1977, refers to
43 "Articles 836 and 837, Revised Civil Statutes of
44 Texas, 1925, as amended." Those articles were
45 impliedly repealed by the enactment of the Public
46 Funds Investment Act of 1987 (Article 842a-2, Vernon's
47 Texas Civil Statutes), which was revised in 1993 as

1 Chapter 2256, Government Code. Chapter 2256 defines
2 "local government" to include hospital districts and
3 applies to the district by its own terms. The revised
4 law therefore substitutes a reference to Chapter 2256,
5 Government Code, for the references to Articles 836
6 and 837.

7 (2) Section 12, Chapter 112, Acts of the 65th
8 Legislature, Regular Session, 1977, states that
9 "[e]xcept as permitted in the preceding sentence and
10 as permitted by Sections 9 and 10 of this Act," the
11 district may not incur certain obligations. The
12 "preceding sentence" in Section 12 is codified in
13 Section 1061.108(c). Sections 9 and 10 are codified in
14 Subchapter E. The revised law is drafted accordingly.

16 SUBCHAPTER E. BONDS

17 Revised Law

18 Sec. 1061.201. GENERAL OBLIGATION BONDS. The board may
19 issue and sell general obligation bonds in the name and on the full
20 faith and credit of the district for:

21 (1) the purchase, construction, acquisition, repair,
22 or renovation of buildings or improvements; and

23 (2) equipping buildings or improvements for hospital
24 purposes. (Acts 65th Leg., R.S., Ch. 112, Sec. 9(a) (part).)

25 Source Law

26 Sec. 9. (a) The board of directors shall have
27 the power to issue and sell its bonds in the name and on
28 the full faith and credit of the hospital district for
29 the purchase, construction, acquisition, repair, or
30 renovation of buildings and improvements and equipping
31 same for hospital purposes. . . .

32 Revisor's Note

33 Section 9(a), Chapter 112, Acts of the 65th
34 Legislature, Regular Session, 1977, provides that the
35 board may issue and sell bonds in the name and on the
36 full faith and credit of the district. Because the
37 type of bonds described by Section 9(a) are known as

1 "general obligation bonds," the revised law is drafted
2 accordingly.

3 Revised Law

4 Sec. 1061.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
5 the time general obligation bonds are issued by the district under
6 Section 1061.201, the board shall impose an ad valorem tax at a rate
7 sufficient to create an interest and sinking fund to pay the
8 principal of and interest on the bonds as the bonds mature.

9 (b) The tax required by this section together with any other
10 ad valorem tax the district imposes may not in any year exceed the
11 tax rate approved by the voters at the election authorizing the
12 imposition of the tax. (Acts 65th Leg., R.S., Ch. 112, Sec. 9(a)
13 (part).)

14 Source Law

15 (a) . . . At the time of the issuance of any
16 bonds by the district, a tax shall be levied by the
17 board sufficient to create an interest and sinking
18 fund to pay the interest on and principal of the bonds
19 as same mature, providing the tax, together with any
20 other taxes levied for the district, shall not exceed
21 the rate of tax approved under Section 4 of this Act.
22 . . .

23 Revisor's Note

24 (1) Section 9(a), Chapter 112, Acts of the 65th
25 Legislature, Regular Session, 1977, requires the
26 district to levy a tax to pay the principal of and
27 interest on bonds. The revised law specifies that the
28 tax is an "ad valorem" tax because it is clear from the
29 source law that the tax is a property tax and "ad
30 valorem" is the term most commonly used to refer to a
31 property tax.

32 (2) Section 9(a), Chapter 112, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that the
34 tax rate may not exceed "the rate of tax approved under
35 Section 4 of this Act." Section 4 sets out procedures
36 for the district's creation election and requires
37 voter approval of the district's authority to impose
38 taxes. Because the revised law omits Section 4 for the

1 reason stated in the revisor's note at the end of
2 Subchapter A, the revised law substitutes "the tax
3 rate approved by the voters at the election
4 authorizing the imposition of the tax" for the quoted
5 language.

6 Revised Law

7 Sec. 1061.203. BOND ELECTION. (a) The district may issue
8 tax bonds only if the bonds are authorized by a majority of the
9 district voters voting at an election held for that purpose.

10 (b) The order calling the election shall provide for clerks
11 as in county elections and must specify:

12 (1) the date of the election;

13 (2) the location of the polling places;

14 (3) the presiding and alternate presiding judges for
15 each polling place;

16 (4) the amount of the bonds to be authorized; and

17 (5) the maximum maturity date of the bonds.

18 (c) Notice of a bond election shall be given as provided by
19 Section 1251.003, Government Code. (Acts 65th Leg., R.S., Ch. 112,
20 Sec. 9(a) (part).)

21 Source Law

22 (a) . . . No tax bonds shall be issued by the
23 hospital district . . . until authorized by a majority
24 of the electors of the district voting at an election
25 called for that purpose. The order for a bond election
26 shall specify the date of the election, the amount of
27 bonds to be authorized, and the maximum maturity date,
28 the place or places where the election shall be held,
29 the presiding judge and alternate presiding judge for
30 each voting place, and provide for clerks as in county
31 elections. . . . notice of any bond election shall be
32 given as provided in Article 704, Revised Civil
33 Statutes of Texas, 1925, as amended, and shall be
34 conducted in accordance with the Texas Election Code,
35 as amended, except as modified by the provisions of
36 this Act.

37 Revisor's Note

38 (1) Section 9(a), Chapter 112, Acts of the 65th
39 Legislature, Regular Session, 1977, provides that
40 notice of a bond election under Section 9(b) must be
41 given as provided by Section 4. As explained in the

1 revisor's note to the end of Subchapter A, Sections 4
2 and 9(b), Chapter 112, are executed. The revised law
3 therefore omits the provision. The omitted law reads:

4 (a) . . . Except for a bond election
5 held under Subsection (b) of this section in
6 which case notice shall be given as provided
7 in Section 4 of this Act,

8 (2) Section 9(a), Chapter 112, Acts of the 65th
9 Legislature, Regular Session, 1977, refers to Article
10 704, Revised Statutes, which specifies certain notice
11 requirements for a bond election. That provision was
12 codified in 1999 as Section 1251.003, Government Code.
13 The revised law is drafted accordingly.

14 (3) Section 9(a), Chapter 112, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that an
16 election under Section 9 "shall be conducted in
17 accordance with the Texas Election Code, as amended,
18 except as modified by the provisions of this Act." The
19 revised law omits the quoted language because Section
20 1.002, Election Code, provides that the Election Code
21 applies to all elections held in this state. An
22 exception to the application of the Election Code
23 would apply by its own terms.

24 Revised Law

25 Sec. 1061.204. REVENUE BONDS. (a) The board may issue
26 revenue bonds for the purchase, construction, acquisition, and
27 repair or renovation of buildings and improvements, and equipping
28 any hospital facilities, including facilities for parking, and the
29 training of doctors, nurses, and health care disciplines, and to
30 acquire any real or personal property in connection with the
31 hospital facilities.

32 (b) A revenue bond issued under this section must mature not
33 later than 40 years after the date of issuance.

34 (c) The board may provide for the subsequent issuance of
35 additional parity bonds, subordinate lien bonds, or other types of
36 bonds under terms prescribed in the order authorizing the issuance

1 of revenue bonds. (Acts 65th Leg., R.S., Ch. 112, Sec. 10 (part).)

2 Source Law

3 Sec. 10. The board of directors is authorized to
4 issue revenue bonds therewith, Said bonds may
5 be issued to mature serially or otherwise not to exceed
6 40 years from their date. In the authorization of any
7 such bonds, the board of directors may provide for the
8 subsequent issuance of additional parity bonds or
9 subordinate lien bonds or other types of bonds, under
10 such terms or conditions as may be set forth in the
11 order authorizing the issuance of said bonds, all
12 within the discretion of the board of directors. . . .

13 Revisor's Note

14 Section 10, Chapter 112, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that
16 district bonds may mature "serially or otherwise."
17 The revised law omits the quoted language because it is
18 superseded by Section 1201.021, Government Code
19 (enacted as Section 3, Bond Procedures Act of 1981
20 (Article 717k-6, Vernon's Texas Civil Statutes)),
21 which provides that the governing body of an issuer may
22 determine the time of payment of public securities it
23 issues, and by Section 1201.022, Government Code
24 (enacted as Section 5(a), Bond Procedures Act of 1981
25 (Article 717k-6, Vernon's Texas Civil Statutes)),
26 which provides that a public security may be issued
27 with specified characteristics, on specified terms, or
28 in a specified manner. Sections 1201.021 and 1201.022
29 apply to district bonds under Sections 1201.002 and
30 1201.003, Government Code.

31 Revised Law

32 Sec. 1061.205. PAYMENT OF REVENUE BONDS; SECURITY. (a)
33 Revenue bonds issued under Section 1061.204 must be payable from
34 and secured by liens on and pledges of all or any part of the revenue
35 and income, other than ad valorem taxes, derived by the district
36 from the operation of district facilities, the ownership of
37 district facilities, or both. The board may pledge to the payment
38 of revenue bonds all or any part of a grant, donation, or income
39 received or to be received from the United States or any other

1 public or private source under an agreement or otherwise.

2 (b) The bonds may be additionally secured by a mortgage or
3 deed of trust on any real property on which a district hospital
4 facility is or will be located and any real or personal property
5 incident or appurtenant to the facility. The board may authorize
6 the execution and delivery of a trust indenture, mortgage, deed of
7 trust, or other form of encumbrance to evidence the security
8 interest. (Acts 65th Leg., R.S., Ch. 112, Sec. 10 (part).)

9 Source Law

10 Sec. 10. The board of directors is authorized to
11 issue revenue bonds . . . to be payable from and
12 secured by liens on and pledges of all or any part of
13 the revenues and income of every nature derived by the
14 hospital district from the operation and/or ownership
15 of its facilities (exclusive of ad valorem taxes). The
16 board of directors shall be authorized to pledge to the
17 payment of said bonds all or any part of any grant,
18 donation, or income received or to be received from the
19 United States Government or any other public or
20 private source, whether pursuant to an agreement or
21 otherwise. Said bonds may be additionally secured by
22 mortgages and deeds of trust on any real property on
23 which any hospital facilities of the hospital district
24 are or will be located and any real or personal
25 property incident or appurtenant to said facilities,
26 and the board of directors may authorize the execution
27 and delivery of trust indentures, mortgages, deeds of
28 trust, or other forms of encumbrances to evidence
29 same. . . .

30 Revised Law

31 Sec. 1061.206. USE OF REVENUE BOND PROCEEDS. (a) If
32 permitted in the bond order, any required part of the proceeds from
33 the sale of the revenue bonds may be used to:

34 (1) pay interest on the bonds during the period of the
35 construction of a hospital facility to be provided through the
36 issuance of the bonds;

37 (2) pay operation and maintenance expenses of the
38 facility to the extent and for the time specified in the bond order;
39 and

40 (3) create reserves for the payment of the principal
41 of and interest on the bonds.

42 (b) The bond proceeds may be invested until needed to the
43 extent and in the manner provided by the bond order. (Acts 65th
44 Leg., R.S., Ch. 112, Sec. 10 (part).)

Sec. 10. . . . If so permitted in the bond order, any required part of the proceeds from the sale of the bonds may be used for paying interest thereon during the period of the construction of any hospital facilities to be provided through the issuance of said bonds and for the payment of operation and maintenance expenses of said facilities to the extent and for the period of time specified in said bond order and also for the creation of reserves for the payment of the principal of and interest on the bonds; such money may be invested, until needed, to the extent and in the manner provided in said bond order. . . .

Revisor's Note

(1) Section 10, Chapter 112, Acts of the 65th Legislature, Regular Session, 1977, provides that the bonds and interest coupons are negotiable instruments that shall be executed. The revised law omits the reference to "negotiable instruments" because it duplicates Section 1201.041, Government Code, which provides that all public securities are negotiable instruments. Section 1201.041, Government Code, applies to district bonds by application of Section 1201.002, Government Code. The revised law omits the reference to "interest coupons" because the coupons are issued as part of the bonds. The reference to the requirement that the bonds be "executed" is omitted because bonds issued are executed. The omitted law reads:

Sec. 10. . . . Said bonds and any interest coupons appertaining thereto shall be negotiable instruments . . . and shall be executed and

(2) Section 10, Chapter 112, Acts of the 65th Legislature, Regular Session, 1977, provides that district bonds may be issued registrable as to principal or both principal and interest. The revised law omits the provision because it duplicates Section 1201.024, Government Code. That section applies to district bonds by application of Section 1201.002, Government Code. The omitted law reads:

1 Sec. 10. . . . (provided that such
2 bonds may be issued registrable as to
3 principal alone or as to both principal and
4 interest)

5 (3) Sections 9(d) and 10, Chapter 112, Acts of
6 the 65th Legislature, Regular Session, 1977, provide
7 that district bonds may be redeemable before maturity.
8 Section 9(d) also provides that the bonds "shall be
9 executed." The revised law omits the requirement that
10 the bonds be "executed" for the reason stated in
11 Revisor's Note (1). The revised law omits the
12 provisions stating that the bonds may be redeemable
13 before maturity because Section 1201.021, Government
14 Code, provides that a public security may be redeemed
15 before maturity. That section applies to district
16 bonds by the application of Section 1201.002,
17 Government Code. The omitted law reads:

18 [Sec. 9]
19 (d) Bonds of the district shall be
20 executed and may be made redeemable prior to
21 maturity and
22 Sec. 10. . . . [Said bonds] . . . may
23 be made redeemable prior to maturity and
24

25 (4) Sections 9(d) and 10, Chapter 112, Acts of
26 the 65th Legislature, Regular Session, 1977, provide
27 the manner and form in which and terms under which
28 district bonds may be issued and sold as provided by
29 the board in the orders authorizing the bond issuance.
30 The revised law omits the provisions because the
31 provisions duplicate or are superseded by provisions
32 of general law. Sections 1201.005 and 1201.024,
33 Government Code, provide that an issuer, including a
34 hospital district, may specify the form of a bond it
35 issues. Section 1201.021, Government Code, provides
36 that the governing body of an issuer may issue bonds in
37 any denomination. Sections 1201.005 and 1201.022,
38 Government Code, provide that a governmental entity
39 may specify the terms under which a bond is issued.

1 "Conditions" and "details" are included in the meaning
2 of "terms." Section 1204.006(b), Government Code,
3 provides that an issuer, including a hospital
4 district, may sell public securities at any price and
5 bearing interest at any rate or rates. The omitted law
6 reads:

7 [Sec. 9]

8 (d) [Bonds of the district] . . . may
9 be issued in such form, denomination, and
10 manner and may be sold at such price and
11 under such terms and with such interest
12 rates as shall be determined and provided by
13 the board of directors in the order
14 authorizing the issuance of such bonds.
15 . . .

16 Sec. 10. . . . [Said bonds] . . .
17 may be issued in such form, denominations,
18 and manner and under such terms,
19 conditions, and details, and may be sold in
20 such manner, at such price, and under such
21 terms, and said bonds shall bear interest at
22 any rate or rates, all as shall be
23 determined and provided by the board of
24 directors in the order authorizing the
25 issuance of said bonds. . . .

26 Revised Law

27 Sec. 1061.207. CHARGE FOR OCCUPANCY OR USE OF HOSPITAL
28 FACILITY. The board may establish and collect charges for the
29 occupancy or use of a hospital facility and for related services in
30 the amounts and manner determined by the board. The charges shall
31 be set and collected in amounts at least sufficient with any other
32 pledged resources to pay:

33 (1) the principal of, interest on, and any other
34 amounts required in relation to bonds issued by the district; and

35 (2) to the extent required by the bond order, all or
36 any part of the operation, maintenance, and other expenses of the
37 hospital facility. (Acts 65th Leg., R.S., Ch. 112, Sec. 10 (part).)

38 Source Law

39 Sec. 10. . . . The board of directors of the
40 district shall be authorized to fix and collect
41 charges for the occupancy or use of any of said
42 hospital facilities and the services thereof in such
43 amounts and in such manner as may be determined by such
44 board of directors, and such charges shall be fixed and
45 collected in such amounts as will be at least
46 sufficient, together with any other pledged resources,
47 to provide for all payments of principal, interest,
48 and any other amounts required in connection with said

1 bonds, and, to the extent required by the bond order,
2 to provide for payment of all or any part of the
3 operation, maintenance, and other expenses of the
4 hospital facilities. . . .

5 Revised Law

6 Sec. 1061.208. REFUNDING BONDS. (a) The board may, without
7 an election, issue refunding bonds to refund outstanding
8 indebtedness issued or assumed by the district.

9 (b) Refunding bonds may be:

10 (1) sold, with the proceeds of the refunding bonds
11 applied to the payment of the outstanding indebtedness; or

12 (2) exchanged wholly or partly for not less than a like
13 principal amount of outstanding indebtedness. (Acts 65th Leg.,
14 R.S., Ch. 112, Secs. 9(a) (part), (c) (part), 10 (part).)

15 Source Law

16 Sec. 9. (a) . . . [No tax bonds shall be issued
17 by the hospital district] except refunding bonds
18 [until authorized by a majority of the electors of the
19 district voting at an election called for that
20 purpose.] . . .

21 (c) The board may issue refunding bonds of the
22 district for the purpose of refunding and paying off
23 any outstanding indebtedness issued or assumed. The
24 refunding bonds may be sold and the proceeds applied to
25 the payment of outstanding indebtedness or may be
26 exchanged in whole or in part for not less than a like
27 principal amount of outstanding indebtedness;

28 Sec. 10. . . . Any revenue bonds issued by the
29 board of directors under this Act and any revenue bonds
30 issued by any such board of directors under any other
31 statute and payable from revenues from any hospital
32 facilities may be refunded or otherwise refinanced by
33 such board of directors, and in such case all pertinent
34 and appropriate provisions of this Act shall be fully
35 applicable to such refunding bonds.

36 Revisor's Note

37 (1) Section 9(c), Chapter 112, Acts of the 65th
38 Legislature, Regular Session, 1977, provides in part
39 that refunding bonds must bear interest at the same or
40 a lower rate than the rate of the debt refunded unless
41 a savings is shown. The revised law omits that
42 provision because it has been superseded by the
43 enactment of the maximum interest rate provision found
44 in Section 1204.006, Government Code. That section
45 reflects the 1981 amendment of Chapter 3, Acts of the

1 61st Legislature, Regular Session, 1969 (Article
2 717k-2, Vernon's Texas Civil Statutes, now Chapter
3 1204, Government Code), by Section 1, Chapter 61, Acts
4 of the 67th Legislature, Regular Session, 1981, and
5 permits a public agency, including a hospital
6 district, to issue public securities at any net
7 effective interest rate of 15 percent or less. Section
8 1204.006, Government Code, applies to district bonds
9 by application of Section 1204.001, Government Code.
10 The omitted law reads:

11 (c) . . . provided that, if refunding
12 bonds are to be exchanged for a like amount
13 of the outstanding indebtedness, the
14 refunding bonds shall bear interest at the
15 same or lower rate than borne by the debt
16 refunded, unless it is shown mathematically
17 that a saving will result in the total
18 amount of interest to be paid on the
19 refunding bonds. . . .

20 (2) Section 9(c), Chapter 112, Acts of the 65th
21 Legislature, Regular Session, 1977, provides that
22 refunding bonds sold to pay outstanding indebtedness
23 shall be issued and sold "under such terms and
24 conditions as deemed advisable by the board of
25 directors." The revised law omits the provision
26 because it duplicates Section 1207.024, Government
27 Code, which provides that a governmental entity may
28 specify the terms under which a refunding bond is
29 issued. "Conditions" are included in the meaning of
30 "terms." The omitted law reads:

31 (c) . . . If refunding bonds are to
32 be sold and the proceeds thereof applied to
33 the payment of any such outstanding
34 indebtedness, they shall be issued and sold
35 under such terms and conditions as deemed
36 advisable by the board of directors.

37 (3) Section 10, Chapter 112, Acts of the 65th
38 Legislature, Regular Session, 1977, provides
39 procedures applicable to issuing refunding bonds for
40 revenue bonds. The revised law omits the provision
41 because it duplicates Section 1207.004, Government

1 Code. Section 1207.004, Government Code, applies to
2 district refunding bonds by application of Section
3 1207.001, Government Code. The omitted law reads:

4 Sec. 10. . . . In refunding or
5 otherwise refinancing any such bonds, the
6 board of directors may in the same
7 authorization proceedings refund or
8 refinance bonds issued pursuant to this Act
9 and bonds issued pursuant to any other such
10 Texas statute and may combine all said
11 refunding bonds and any other additional
12 new bonds to be issued pursuant thereto into
13 one or more issues or series of bonds, and
14 may provide for the subsequent issuance of
15 additional parity bonds, or subordinate
16 lien bonds, or other types of bonds. All
17 refunding bonds shall be issued and
18 delivered under such terms and conditions
19 as may be set forth in the authorizing
20 proceedings. . . .

21 Revised Law

22 Sec. 1061.209. BONDS EXEMPT FROM TAXATION. The following
23 are exempt from taxation by this state or a political subdivision:

- 24 (1) bonds issued or assumed by the district;
25 (2) the transfer and issuance of the bonds; and
26 (3) profits made in the sale of the bonds. (Acts 65th
27 Leg., R.S., Ch. 112, Sec. 23 (part).)

28 Source Law

29 Sec. 23. . . . [the district] . . . any bonds
30 issued or assumed by it, their transfer and issuance,
31 and any profits made in the sale of them are at all
32 times free from taxation by the state or any
33 municipality or political subdivision.

34 Revisor's Note

35 Section 23, Chapter 112, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to a
37 "municipality or political subdivision." The revised
38 law omits "municipality" for the reason stated in
39 Revisor's Note (2) to Section 1061.102.

40 Revisor's Note
41 (End of Subchapter)

42 (1) Sections 9(d) and 10, Chapter 112, Acts of
43 the 65th Legislature, Regular Session, 1977, provide
44 that district bonds must be submitted to and approved
45 by the attorney general and provide for registration

1 of the bonds by the comptroller. Sections 9(d) and 10
2 also provide that after approval and registration the
3 bonds are "incontestable." The revised law omits
4 those provisions as superseded by Chapter 1202,
5 Government Code (enacted as Article 3, Chapter 53,
6 Acts of the 70th Legislature, 2nd Called Session,
7 1987). Section 1202.003(a), Government Code, requires
8 bonds to be submitted to the attorney general. Section
9 1202.003(b), Government Code, provides for approval of
10 the bonds by the attorney general and requires the
11 attorney general to submit the approved bonds to the
12 comptroller for registration. Section 1202.005,
13 Government Code, requires registration of the bonds by
14 the comptroller. Section 1202.006, Government Code,
15 provides that after approval and registration the
16 bonds are incontestable and binding obligations.
17 Chapter 1202, Government Code, applies to district
18 bonds by application of Section 1202.001, Government
19 Code. The omitted law reads:

20 [Sec. 9]

21 (d) . . . The bonds and the
22 appropriate proceedings authorizing their
23 issuance shall be submitted to the Attorney
24 General of the State of Texas for
25 examination. If he finds that such bonds
26 have been authorized in accordance with
27 law, he shall approve them, and thereupon
28 they shall be registered by the Comptroller
29 of Public Accounts of the State of Texas,
30 and after such approval and registration
31 such bond shall be incontestable in any
32 court or other forum for any reason and
33 shall be valid and binding obligations in
34 accordance with their terms for all
35 purposes.

36 Sec. 10. . . . The revenue bonds and
37 the appropriate proceedings authorizing
38 their issuance shall be submitted to the
39 Attorney General of the State of Texas for
40 examination. If he finds that such bonds
41 have been authorized in accordance with
42 law, he shall approve them and thereupon
43 shall be registered by the Comptroller of
44 Public Accounts of the State of Texas, and
45 after such approval and registration such
46 bonds shall be incontestable in any court or
47 other forum, and for any reason, and shall
48 be valid and binding obligations in
49 accordance with their terms for all

1 purposes.

2 (2) Section 15, Chapter 112, Acts of the 65th
3 Legislature, Regular Session, 1977, provides that
4 district bonds are legal and authorized investments
5 for certain entities. The revised law omits the
6 provision as unnecessary. As to several of the
7 entities listed, Section 15 has been superseded and
8 impliedly repealed. Investments in securities by
9 banks are regulated by Section 34.101, Finance Code
10 (enacted in 1995 as Section 5.101, Texas Banking Act
11 (Article 342-5.101, Vernon's Texas Civil Statutes)).
12 Investments in securities by savings banks are
13 regulated by Section 93.001(c)(10), Finance Code
14 (enacted in 1993 as Section 7.15(10), Texas Savings
15 Bank Act (Article 489e, Vernon's Texas Civil
16 Statutes)). Investments in securities by trust
17 companies are regulated by Section 184.101, Finance
18 Code (enacted in 1997 as Section 5.101, Texas Trust
19 Company Act (Article 342a-5.101, Vernon's Texas Civil
20 Statutes)). Investments in securities by savings and
21 loan associations are regulated by Sections 63.002 and
22 64.001, Finance Code. As to the remaining entities
23 listed, Section 15 is superseded by Section 1201.041,
24 Government Code (enacted as Section 9, Bond Procedures
25 Act of 1981 (Article 717k-6, Vernon's Texas Civil
26 Statutes)). Section 1201.041, Government Code,
27 applies to district bonds by application of Section
28 1201.002, Government Code. The revised law omits the
29 reference to public funds of this state because it has
30 been superseded by Section 404.024, Government Code
31 (enacted in 1985 as Section 2.014, Treasury Act
32 (Article 4393-1, Vernon's Texas Civil Statutes)),
33 which governs the investment of state funds. Section
34 404.024(b)(10), Government Code, authorizes the
35 investment of state funds in obligations of political

1 subdivisions, including hospital districts. The
2 omitted law reads:

3 Sec. 15. All bonds issued and assumed
4 by the district are legal and authorized
5 investments of banks, savings banks, trust
6 companies, building and loan associations,
7 savings and loan associations, insurance
8 companies, trustees, and sinking funds of
9 cities, towns, villages, counties, school
10 districts, or other political subdivisions
11 of the state, and for all public funds of
12 the state or its agencies including the
13 state Permanent School Fund. . . .

14 (3) Section 15, Chapter 112, Acts of the 65th
15 Legislature, Regular Session, 1977, effectively
16 provides that district bonds may secure deposits of
17 public funds of this state or political subdivisions
18 of this state. The revised law omits the provision as
19 impliedly repealed by Section 404.0221, Government
20 Code (enacted in 1995), which lists eligible
21 collateral for deposits of state funds by the
22 comptroller, and by Chapter 2257, Government Code
23 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
24 Statutes), which governs eligible collateral for
25 deposits of funds of other public agencies, including
26 political subdivisions. The omitted law reads:

27 Sec. 15. . . . Such bonds and
28 indebtedness are eligible to secure deposit
29 of public funds of the state, cities, towns,
30 villages, counties, school districts, or
31 other political subdivisions or
32 corporations of the state and are lawful and
33 sufficient security for deposits to the
34 extent of their value when accompanied by
35 all their unmatured coupons.

37 SUBCHAPTER F. TAXES

38 Revised Law

39 Sec. 1061.251. IMPOSITION OF AD VALOREM TAX. (a) The board
40 shall impose a tax on all property in the district subject to
41 district taxation.

42 (b) The board shall impose the tax to:

43 (1) pay the indebtedness issued or assumed by the

1 district;

2 (2) provide for the operation and maintenance of the
3 district and hospital system;

4 (3) make improvements and additions to the hospital
5 system; and

6 (4) acquire necessary sites for the improvements and
7 additions by purchase, lease, or condemnation.

8 (c) The board may not impose a tax to pay the principal of or
9 interest on revenue bonds. (Acts 65th Leg., R.S., Ch. 112, Secs.
10 4(b) (part), 10 (part), 14(a) (part).)

11 Source Law

12 [Sec. 4]

13 (b) . . . [annual taxes] . . . on all taxable
14 property situated within the district, subject to
15 hospital district taxation,

16 Sec. 10. . . . To the extent that such excess
17 revenues and income are not available at any time to
18 make payment of all operation and maintenance expenses
19 of the district, ad valorem taxes of the district shall
20 be used to make such payment, and

21 Sec. 14. (a) The board of directors shall
22 annually levy a tax . . . for the purpose of:

23 (1) paying the indebtedness issued or assumed by
24 the hospital district, but no tax may be levied to pay
25 principal or interest on revenue bonds;

26 (2) providing for the operation and maintenance
27 of the hospital district and hospital system; and

28 (3) making further improvements and additions
29 to the hospital system and acquiring necessary sites
30 for them by purchase, lease, or condemnation.

31 Revised Law

32 Sec. 1061.252. TAX RATE. (a) The board may impose the tax
33 at a rate not to exceed 75 cents on each \$100 valuation of taxable
34 property in the district.

35 (b) In setting the tax rate, the board shall consider the
36 income of the district from sources other than taxation. (Acts 65th
37 Leg., R.S., Ch. 112, Secs. 4(b) (part), 14(a) (part), (b) (part).)

38 Source Law

39 [Sec. 4]

40 (b) [At the election there shall be submitted to
41 the electors of the area of the proposed district the
42 proposition of whether the hospital district shall be
43 created with authority to have transferred to it the
44 existing hospital property, equipment, and facilities
45 of Midland Memorial Hospital which are owned by
46 Midland Memorial Foundation and to levy annual taxes]

1 at a rate not to exceed 75¢ on the \$100 valuation on all
2 taxable property situated within the district, subject
3 to hospital district taxation,

4 Sec. 14. (a) [The board of directors shall
5 annually levy a tax] not to exceed the amount permitted
6 by this Act

7 (b) In setting the tax rate, the board shall
8 take into consideration the income of the district
9 from sources other than taxation. . . .

10 Revisor's Note

11 Section 14(b), Chapter 112, Acts of the 65th
12 Legislature, Regular Session, 1977, requires the board
13 to levy the tax and to certify the tax rate to the tax
14 assessor-collector. The revised law omits that
15 provision because Section 26.05(a), Tax Code, requires
16 the governing body of a taxing unit to adopt a tax rate
17 for the current tax year and to notify the tax assessor
18 of that rate. The omitted law reads:

19 (b) . . . On determination of the
20 amount of tax required to be levied, the
21 board shall make the levy and certify it to
22 the tax assessor-collector.

23 Revised Law

24 Sec. 1061.253. USE OF AD VALOREM TAXES FOR OPERATION AND
25 MAINTENANCE EXPENSES. (a) If the board issues revenue bonds under
26 Section 1061.204, the board:

27 (1) shall use ad valorem taxes to pay the district's
28 operation and maintenance expenses to the extent that the revenue
29 and income from the district's hospital facilities are not
30 sufficient after providing for the payment of those bonds; and

31 (2) may pledge the proceeds of the ad valorem tax for
32 the payment of the district's operation and maintenance expenses in
33 the order authorizing the issuance of the bonds.

34 (b) If the ad valorem tax is pledged, the board shall,
35 during each year during which the revenue bonds are outstanding,
36 compute a tax rate sufficient to pay the operation and maintenance
37 expenses described by Subsection (a)(1).

38 (c) The ad valorem tax shall be imposed on all taxable
39 property in the district for each year the revenue bonds are
40 outstanding. The tax shall be assessed and collected each year and

1 used for the purpose prescribed by this section to the extent
2 required. (Acts 65th Leg., R.S., Ch. 112, Sec. 10 (part).)

3 Source Law

4 Sec. 10. [The board of directors is authorized
5 to issue revenue bonds In preparing the budget,
6 the board of directors may take into consideration the
7 estimated excess revenues and income from hospital
8 facilities that will be available for paying operation
9 and maintenance expenses after providing with said
10 bonds. To the extent that such excess revenues and
11 income are not available at any time to make payment of
12 all operation and maintenance expenses of the
13 district, ad valorem taxes of the district shall be
14 used to make such payment, and] the proceeds of an
15 annual ad valorem tax may be pledged for such payment
16 in the order authorizing the issuance of said bonds.
17 If such annual ad valorem tax is thus pledged, it shall
18 be the duty of the board of directors during each year
19 while any of said bonds are outstanding to compute and
20 ascertain a rate and amount of ad valorem tax which
21 will be sufficient to raise and produce the money
22 required to make the aforesaid payment of operation
23 and maintenance expenses to the extent required;
24 Said rate and amount of ad valorem tax shall be
25 levied and ordered to be levied against all taxable
26 property in the district, for each year while any of
27 said bonds are outstanding; said tax shall be assessed
28 and collected each such year and used for such purpose
29 to the extent so required. Said rate and amount of ad
30 valorem tax shall be levied and ordered to be levied
31 against all taxable property within the district
32 subject to district taxation for each year while any of
33 said bonds are outstanding; said tax shall be assessed
34 and collected each such year and used for such purposes
35 to the extent so required. . . .

36 Revisor's Note

37 Section 10, Chapter 112, Acts of the 65th
38 Legislature, Regular Session, 1977, prescribes the
39 method for computing the tax rate. The revised law
40 omits the provision because it was repealed by Section
41 6(b), Chapter 841, Acts of the 66th Legislature,
42 Regular Session, 1979, which repealed all "general,
43 local, and special laws" that conflicted with that
44 act. The 1979 act enacted the Property Tax Code (Title
45 1, Tax Code), a comprehensive, substantive
46 codification of property tax law. Chapter 26, Tax
47 Code, provides the exclusive procedure for setting the
48 ad valorem tax rate by a taxing unit, including a
49 hospital district. The omitted law reads:

50 Sec. 10. . . . [ad valorem tax] . . .

1 said tax shall be based on the latest
2 approved tax rolls of the district, with
3 full allowance being made for tax
4 delinquencies and the cost of tax
5 collection. . . .

6 Revised Law

7 Sec. 1061.254. ASSESSMENT AND COLLECTION BY COUNTY TAX
8 ASSESSOR-COLLECTOR. (a) This section applies unless the board by
9 majority vote elects to have taxes assessed and collected under
10 Section 1061.255 or 1061.256.

11 (b) The tax assessor-collector of Midland County shall
12 assess and collect taxes imposed by the district. (Acts 65th Leg.,
13 R.S., Ch. 112, Secs. 17(a) (part), (b) (part).)

14 Source Law

15 (a) . . . [All taxes of the district shall be
16 assessed and collected . . . as provided in Subsection
17 (b) of this section] unless the directors, by majority
18 vote, elect to have taxes assessed and collected by the
19 district's own tax assessor-collector under Subsection
20 (c) of this section, or by any city, taxing district,
21 or other governmental subdivision under Subsection (d)
22 of this section. . . .

23 (b) Under this subsection, The tax
24 assessor-collector of the county in which the district
25 is situated is required to accomplish the assessment
26 and collection of all taxes levied by and on behalf of
27 the district. . . .

28 Revisor's Note

29 (1) Sections 17(a) and (b), Chapter 112, Acts of
30 the 65th Legislature, Regular Session, 1977, refer to
31 the assessment and collection of district taxes on
32 county tax values. The revised law omits those
33 provisions because they were repealed by Section 6(b),
34 Chapter 841, Acts of the 66th Legislature, Regular
35 Session, 1979. See the revisor's note to Section
36 1061.253. Title 1, Tax Code, provides the exclusive
37 procedures for the appraisal of property for taxation
38 by a taxing unit, including a hospital district. The
39 omitted law reads:

40 (a) . . . All taxes of the district
41 shall be assessed and collected on county
42 tax values as provided in Subsection (b) of
43 this section

44 (b) . . . the district's taxes shall
45 be assessed and collected on county tax
46 values in the same manner as provided by law

1 with relation to county taxes. . . .

2 (2) Section 17(b), Chapter 112, Acts of the 65th
3 Legislature, Regular Session, 1977, provides that the
4 county tax assessor-collector may charge a fee for the
5 assessment and collection of district taxes. The
6 revised law omits that provision because it was
7 repealed by Section 6(b), Chapter 841, Acts of the 66th
8 Legislature, Regular Session, 1979. See the revisor's
9 note to Section 1061.253. Section 6.27(b), Tax Code,
10 provides for the compensation of a county tax
11 assessor-collector assessing and collecting taxes for
12 another taxing unit. The omitted law reads:

13 (b) . . . The assessor-collector of
14 taxes shall charge and deduct from payments
15 to the hospital district an amount as fees
16 for assessing and collecting the taxes,
17 which shall be agreed upon between the
18 parties. The fees shall be deposited in the
19 officers' salary fund of the county and
20 reported as fees of office of the county tax
21 assessor-collector. . . .

22 (3) Section 17(b), Chapter 112, Acts of the 65th
23 Legislature, Regular Session, 1977, provides that
24 interest and penalties on district taxes and discounts
25 are the same as for county taxes. The revised law
26 omits that provision because it was repealed by
27 Section 6(b), Chapter 841, Acts of the 66th
28 Legislature, Regular Session, 1979. See the revisor's
29 note to Section 1061.253. Chapter 33, Tax Code,
30 provides for the assessment of penalties and interest
31 on delinquent taxes, and Section 31.05, Tax Code,
32 provides for discounts on the early payment of taxes.
33 The omitted law reads:

34 (b) . . . Interest and penalties on
35 taxes paid to the hospital district shall be
36 the same as in the case of county taxes.
37 Discounts shall be the same as allowed by
38 the county. . . .

39 (4) Section 17(b), Chapter 112, Acts of the 65th
40 Legislature, Regular Session, 1977, provides that tax
41 revenue shall be deposited in the district's

1 depository. The revised law omits the provision
2 because Section 31.10, Tax Code, requires the tax
3 assessor-collector of a taxing unit to deposit taxes
4 collected in the unit's depository. The omitted law
5 reads:

6 (b) . . . The residue of tax
7 collections after deduction of discounts
8 and fees for assessing and collecting shall
9 be deposited in the district's depository.
10 . . .

11 (5) Section 17(b), Chapter 112, Acts of the 65th
12 Legislature, Regular Session, 1977, provides that the
13 bond of the county tax assessor-collector is security
14 for the performance of district duties unless the
15 board determines that an additional bond is necessary.
16 The revised law omits that provision because it
17 duplicates Section 6.29(b), Tax Code, which authorizes
18 a taxing unit for which the county tax
19 assessor-collector collects a tax to require that
20 collector to post an additional bond. The omitted law
21 reads:

22 (b) . . . The bond of the county tax
23 assessor-collector shall stand as security
24 for the proper performance of his duties as
25 assessor-collector of the district, or, if
26 in the judgment of the board of directors it
27 is necessary, additional bond payable to
28 the district may be required. . . .

29 (6) Section 17(b), Chapter 112, Acts of the 65th
30 Legislature, Regular Session, 1977, states that the
31 tax assessor-collector may act in accordance with
32 state law relating to the assessment, collection, and
33 enforcement of state and county taxes. The revised law
34 omits that provision as unnecessary. The state law
35 relating to the assessment, collection, and
36 enforcement of all ad valorem taxes is Title 1, Tax
37 Code. Section 1.02, Tax Code, requires all taxing
38 units of government to administer the assessment,
39 collection, and enforcement of taxes in conformity

1 with that title. The omitted law reads:

2 (b) . . . In all matters pertaining
3 to the assessment, collection, and
4 enforcement of taxes for the district, the
5 county tax assessor-collector is authorized
6 to act in all respects according to the laws
7 of the state relating to state and county
8 taxes.

9 Revised Law

10 Sec. 1061.255. ASSESSMENT AND COLLECTION BY DISTRICT TAX
11 ASSESSOR-COLLECTOR. (a) The board may elect to have district taxes
12 assessed and collected by a tax assessor-collector appointed by the
13 board. An election under this subsection must be made by December 1
14 and governs the manner in which taxes are assessed and collected,
15 until changed by a similar resolution.

16 (b) The district tax assessor-collector must:

17 (1) reside in the district; and

18 (2) own real property subject to district taxation.

19 (c) The board shall set for the district tax
20 assessor-collector:

21 (1) the term of employment; and

22 (2) compensation. (Acts 65th Leg., R.S., Ch. 112,
23 Secs. 17(a) (part), (c) (part).)

24 Source Law

25 (a) . . . [All taxes of the district shall be
26 assessed and collected . . . as provided in
27 Subsection (b) of this section] unless the
28 directors . . . elect to have taxes assessed and
29 collected by the district's own tax assessor-collector
30 Any such selection may be made prior to
31 December 1 annually and shall govern the manner in
32 which taxes are assessed and collected until changed
33 by a similar resolution.

34 (c) Under this subsection, taxes shall be
35 assessed and collected by a tax assessor-collector
36 appointed by the directors, who shall also fix the
37 terms of his employment, compensation, and . . . the
38 tax assessor-collector shall be residents of the
39 district and own real property subject to hospital
40 district taxation, and

41 Revisor's Note

42 (1) Section 17(c), Chapter 112, Acts of the 65th
43 Legislature, Regular Session, 1977, requires the
44 directors to set a bond amount of not less than \$5,000

1 as security for the district tax assessor-collector.
2 The revised law omits the provision because it was
3 repealed by Section 6(b), Chapter 841, Acts of the 66th
4 Legislature, Regular Session, 1979. See the revisor's
5 note to Section 1061.253. Section 6.29(a), Tax Code,
6 authorizes the governing body of a taxing unit,
7 including a hospital district, to require the unit's
8 tax assessor-collector to post bond without limiting
9 the amount. The omitted law reads:

10 (c) . . . [directors, who shall also
11 fix the] . . . requirement for bond to
12 assure the faithful performance of his
13 duties, but in no event may the bond be for
14 less than \$5,000. . . .

15 (2) Section 17(c), Chapter 112, Acts of the 65th
16 Legislature, Regular Session, 1977, states that the
17 directors shall appoint a board of equalization and
18 establishes the duties of that board and the tax
19 assessor-collector. The revised law omits the
20 reference to a board of equalization because boards of
21 equalization were abolished and their functions and
22 duties transferred to appraisal review boards by the
23 1979 enactment of the Property Tax Code, Title 1, Tax
24 Code (Section 1, Chapter 841, Acts of the 66th
25 Legislature, Regular Session, 1979). The provisions
26 relating to the duties of the tax assessor-collector
27 are omitted because the Tax Code specifies the duties
28 of a tax assessor-collector. The omitted law reads:

29 (c) . . . The directors shall also
30 annually appoint five persons to serve as a
31 board of equalization and shall fix their
32 compensation. Each member of the board
33 and . . . [shall be residents of the
34 district and own real property subject to
35 hospital district taxation, and] each shall
36 have the same duties, including the
37 obligation to execute the oath of office, as
38 required of county officials exercising
39 those powers and duties. . . .

40 (3) Section 17(c), Chapter 112, Acts of the 65th
41 Legislature, Regular Session, 1977, refers to the

1 applicability of Title 122 of the Revised Statutes
2 (Taxation). Before its repeal and recodification,
3 Title 122 was composed of V.A.C.S. Articles
4 7041-7359a. The relevant parts of those provisions
5 were revised in 1979 as the Property Tax Code, Title 1,
6 Tax Code (Section 1, Chapter 841, Acts of the 66th
7 Legislature, Regular Session, 1979). The revised law
8 omits the provision because Title 1 applies to the
9 district on its own terms. The omitted law reads:

10 (c) . . . Except as provided in this
11 Act to the contrary, Title 122, Revised
12 Civil Statutes of Texas, 1925, as amended,
13 applies to the district.

14 Revised Law

15 Sec. 1061.256. ASSESSMENT AND COLLECTION BY TAX
16 ASSESSOR-COLLECTOR OF ANOTHER POLITICAL SUBDIVISION. (a) The
17 board may elect to have all or part of the district's taxes assessed
18 and collected by a political subdivision in which any part of the
19 district is located. An election under this subsection must be made
20 by December 1 and governs the manner in which taxes are assessed and
21 collected, until changed by a similar resolution.

22 (b) The tax assessor or collector of the political
23 subdivision shall assess or collect the appropriate district taxes
24 in accordance with the board's election under Subsection (a) and
25 for the compensation agreed on by the appropriate parties. (Acts
26 65th Leg., R.S., Ch. 112, Secs. 17(a) (part), (d) (part).)

27 Source Law

28 (a) . . . [All taxes of the district shall be
29 assessed and collected on county tax values as
30 provided in Subsection (b) of this section] unless the
31 directors, . . . elect to have taxes assessed and
32 collected [by the district's own tax
33 assessor-collector under Subsection (c) of this
34 section, or] by any city, taxing district, or other
35 governmental subdivision under Subsection (d) of this
36 section. Any such selection may be made prior to
37 December 1 annually and shall govern the manner in
38 which taxes are assessed and collected until changed
39 by a similar resolution.

40 (d) Under this subsection, taxes shall be
41 assessed, equalized, and/or its taxes collected, in
42 whole or in part, by the tax assessors, board of
43 equalization, and/or tax collectors, respectively, of

1 any city, taxing district, or other governmental
2 subdivision in which all or any part of the district is
3 located; . . . for such compensation as shall be
4 agreed upon between the appropriate parties, and
5

6 Revisor's Note

7 (1) Section 17(d), Chapter 112, Acts of the 65th
8 Legislature, Regular Session, 1977, provides that the
9 district may elect to have taxes assessed and
10 collected by any "city, taxing district, or other
11 governmental subdivision." The revised law
12 substitutes for the quoted language "political
13 subdivision" because every city or taxing district is
14 a governmental subdivision, and "political
15 subdivision" is the term more commonly used to refer to
16 a governmental subdivision.

17 (2) Section 17(d), Chapter 112, Acts of the 65th
18 Legislature, Regular Session, 1977, prescribes the
19 manner in which property is appraised, property values
20 are equalized, and district taxes are assessed and
21 collected by a governmental subdivision the district
22 elects to have perform those duties. The revised law
23 omits those provisions because they were repealed by
24 Section 6(b), Chapter 841, Acts of the 66th
25 Legislature, Regular Session, 1979. See the revisor's
26 note to Section 1061.253 and Revisor's Note (2) to
27 Section 1061.255. The omitted law reads:

28 (d) . . . such property may be
29 assessed and the value thereof equalized on
30 the same basis or a different basis than
31 that used by any such governmental
32 subdivision. Such property shall be
33 assessed, the values thereof equalized, and
34 such taxes collected in the manner and . . .
35 [agreed upon] The ad valorem tax
36 law applicable to each such governmental
37 subdivision shall apply to its officials in
38 carrying out such functions for the
39 district.

40 (3) Section 17(d), Chapter 112, Acts of the 65th
41 Legislature, Regular Session, 1977, provides that the
42 duties assumed by the officials of a political

1 subdivision related to the collection and assessment
2 of district taxes are additional duties. The revised
3 law omits the provision because it is superseded by
4 Section 6.23(b), Tax Code, which provides the duties
5 of a tax assessor or collector assessing or collecting
6 taxes for another taxing unit. The omitted law reads:

7 (d) . . . the functions thus assumed
8 by the officials of any such governmental
9 subdivision shall be additional duties
10 pertaining to their offices,
11 respectively. . . .

12 Revisor's Note
13 (End of Subchapter)

14 Section 17(a), Chapter 112, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that the
16 district may impose taxes for the entire year in which
17 the district is established. The revised law omits
18 that provision as executed. The omitted law reads:

19 Sec. 17. (a) The directors shall
20 have the authority to levy taxes for the
21 entire year in which the district is
22 established. . . .

23 Revisor's Note
24 (End of Chapter)

25 (1) Sections 3(b) and 21, Chapter 112, Acts of
26 the 65th Legislature, Regular Session, 1977, provide
27 for the transfer of certain land, buildings,
28 improvements, equipment, funds, and taxes to the
29 district after the district is created. The revised
30 law omits the provisions as executed. The omitted law
31 reads:

32 [Sec. 3]

33 (b) The district authorized to be
34 created shall, on approval of the qualified
35 electors, have transferred to it the title
36 to all land, buildings, improvements,
37 equipment, and other property in any way
38 pertaining to the hospital facilities and
39 system owned by Midland Memorial
40 Foundation. . . . Upon the transfer under
41 this section, the district shall pay a
42 purchase price to the Midland Memorial
43 Foundation which would permit the
44 retirement of any outstanding indebtedness
45 of the Midland Memorial Foundation which is
46 secured by a lien against the hospital.

1 Sec. 21. . . . When the district is
2 established, the county and all towns and
3 cities located in the district shall convey
4 and transfer to the district title to all
5 lands, buildings, improvements, and
6 equipment pertaining to a hospital or
7 hospital system jointly or separately owned
8 by the county or any city or town within the
9 district. Operating funds and reserves for
10 operating expenses which are on hand and
11 funds which have been budgeted for hospital
12 purposes by the county or any city or town
13 in the district for the remainder of the
14 fiscal year in which the district is
15 established shall likewise be transferred
16 to the district, as shall taxes levied for
17 hospital purposes for the current year, and
18 all sinking funds established for payment
19 of indebtedness assumed by the district.

20 (2) Section 24, Chapter 112, Acts of the 65th
21 Legislature, Regular Session, 1977, provides that the
22 act is severable. The revised law omits that provision
23 because it duplicates Section 311.032, Government Code
24 (Code Construction Act), which provides that a
25 provision of a statute is severable from each other
26 provision of the statute that can be given effect. The
27 omitted law reads:

28 Sec. 24. . . . If any provision of
29 this Act is invalid, this fact shall not
30 affect the authorization for the creation
31 of the district or the validity of any other
32 provisions of this Act, and the legislature
33 hereby declares that it would have created
34 the district and enacted the valid
35 provisions of this Act notwithstanding the
36 invalidity of any other provision, and it is
37 intended that this Act shall be severable
38 and shall be construed and applied as if any
39 such invalid or unconstitutional section,
40 provision, clause, or word had not been
41 included herein.

42 (3) Section 25, Chapter 112, Acts of the 65th
43 Legislature, Regular Session, 1977, provides that
44 public notice of enactment of the statutes was
45 provided in a manner that satisfies the requirements
46 of the Texas Constitution. The revised law omits that
47 provision as executed. The omitted law reads:

48 Sec. 25. Proof of publication of the
49 notice required in the enactment of this Act
50 under the provisions of Article IX, Section
51 9 of the Texas Constitution has been made in
52 the manner and form provided by law

1 pertaining to the enactment of local and
2 special laws, and the notice is found
3 sufficient to satisfy this requirement.

5 CHAPTER 1063. MONTGOMERY COUNTY HOSPITAL DISTRICT
6 SUBCHAPTER A. GENERAL PROVISIONS

7 Revised Law

8 Sec. 1063.001. DEFINITIONS. In this chapter:

- 9 (1) "Board" means the board of directors of the
10 district.
11 (2) "Director" means a member of the board.
12 (3) "District" means the Montgomery County Hospital
13 District. (New.)

14 Revisor's Note

15 The definitions of "board," "director," and
16 "district" are added to the revised law for drafting
17 convenience and to eliminate frequent, unnecessary
18 repetition of the substance of the definitions.

19 Revised Law

20 Sec. 1063.002. AUTHORITY FOR OPERATION. The Montgomery
21 County Hospital District operates and is administered and financed
22 in accordance with Section 9, Article IX, Texas Constitution, and
23 has the rights, powers, and duties provided by this chapter. (Acts
24 65th Leg., R.S., Ch. 258, Sec. 1 (part).)

25 Source Law

26 Sec. 1. In accordance with the provisions of
27 Article IX, Section 9, of the Texas Constitution, this
28 Act authorizes the creation, administration,
29 maintenance, operation, and financing of a hospital
30 district within this state . . . to be known as
31 "Montgomery County Hospital District" with such
32 rights, powers, and duties as provided in this Act.

33 Revisor's Note

34 Section 1, Chapter 258, Acts of the 65th
35 Legislature, Regular Session, 1977, authorizes the
36 "creation, administration, maintenance, operation,
37 and financing" of the district. The revised law omits

1 "creation" as executed. The revised law omits
2 "maintenance" because, in this context, that term is
3 included in the meaning of "operation."

4 Revised Law

5 Sec. 1063.003. ESSENTIAL PUBLIC FUNCTION. The district
6 performs an essential public function in carrying out the purposes
7 of this chapter. (Acts 65th Leg., R.S., Ch. 258, Sec. 22 (part).)

8 Source Law

9 Sec. 22. In carrying out the purposes of this
10 Act, the district will be performing an essential
11 public function, and

12 Revised Law

13 Sec. 1063.004. DISTRICT TERRITORY. The boundaries of the
14 district are coextensive with the boundaries of Montgomery County,
15 Texas. (Acts 65th Leg., R.S., Ch. 258, Sec. 1 (part).)

16 Source Law

17 Sec. 1. . . . with boundaries coextensive with
18 the boundaries of Montgomery County, Texas,

19 Revised Law

20 Sec. 1063.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
21 OBLIGATION. The support and maintenance of the district may not
22 become a charge against or obligation of this state. (Acts 65th
23 Leg., R.S., Ch. 258, Sec. 21 (part).)

24 Source Law

25 Sec. 21. The support and maintenance of the
26 hospital district shall never become a charge against
27 or obligation of the State of Texas

28 Revised Law

29 Sec. 1063.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
30 The legislature may not make a direct appropriation for the
31 construction, maintenance, or improvement of a district facility.
32 (Acts 65th Leg., R.S., Ch. 258, Sec. 21 (part).)

33 Source Law

34 Sec. 21. . . . nor shall any direct
35 appropriation be made by the legislature for the
36 construction, maintenance, or improvement of any of
37 the facilities of the district.

1 Revisor's Note
2 (End of Subchapter)

3 Section 3, Chapter 258, Acts of the 65th
4 Legislature, Regular Session, 1977, provides
5 procedures for holding an election on the creation of
6 the district, the imposition of an ad valorem tax, and
7 the assumption of certain debt. Section 9, Chapter
8 258, Acts of the 65th Legislature, Regular Session,
9 1977, provides for the election to include a
10 proposition authorizing the district to issue bonds.
11 Because the election creating the district has been
12 held, the revised law omits those provisions as
13 executed. The omitted law reads:

14 Sec. 3. (a) The district shall not
15 be created nor shall any tax in the district
16 be authorized unless and until the creation
17 and tax are approved by a majority of the
18 electors of the area of the proposed
19 district voting at an election called for
20 that purpose. The election may be called by
21 the commissioners court on presentation of
22 a petition therefor signed by at least 50
23 electors of the area of the proposed
24 district. The election shall be held not
25 less than 35 nor more than 60 days from the
26 date the election is ordered. The order
27 calling the election shall specify the
28 date, place or places of holding the
29 election, the form of ballot, and the
30 presiding judge and alternate judge for
31 each voting place and shall provide for
32 clerks as in county elections. Notice of
33 election shall be given by publishing a
34 substantial copy of the election order in a
35 newspaper of general circulation in the
36 county once a week for two consecutive
37 weeks, the first publication to appear at
38 least 30 days prior to the date established
39 for the election. The failure of the
40 election shall not operate to prohibit the
41 calling and holding of subsequent elections
42 for the same purpose; provided no district
43 confirmation election shall be held within
44 12 months of any preceding election for the
45 same purpose. If the district is not
46 confirmed at an election held within 60
47 months from the effective date of this Act,
48 this Act is repealed.

49 (b) At the election there shall be
50 submitted to the electors of the area of the
51 proposed district the proposition of
52 whether the hospital district shall be
53 created with authority to levy annual taxes
54 . . . for the purpose of meeting the
55 requirements of the district's bonds,
56 indebtedness assumed by it, and its

1 maintenance and operating expenses, and a
2 majority of the electors of the area of the
3 proposed district voting at the election in
4 favor of the proposition shall be
5 sufficient for its adoption.

6 (c) The form of ballot used at the
7 election on the creation of the district
8 shall be in conformity with Section 61,
9 Texas Election Code, as amended (Article
10 6.05, Vernon's Texas Election Code), so that
11 ballots may be cast on the following
12 proposition: "The creation of Montgomery
13 County Hospital District, providing for the
14 levy of a tax not to exceed 75 cents on each
15 \$100 of valuation on all taxable property
16 situated within the hospital district,
17 subject to hospital district taxation, and
18 providing for the assumption by the
19 district of all outstanding bonds and
20 indebtedness previously issued or incurred
21 for hospital purposes within the boundaries
22 of the proposed hospital district by the
23 county and any city or town therein."

24 Sec. 9. A petition for an election to
25 create the hospital district, as provided
26 in Section 3 of this Act, may incorporate a
27 request that a separate proposition be
28 submitted at such election as to whether the
29 board of directors of the district, in the
30 event same is created, shall be authorized
31 to issue bonds for the purposes specified in
32 Section 8 of this Act. Such petition shall
33 specify the maximum amount of bonds to be
34 issued and their maximum maturity, and same
35 shall be included in the proposition
36 submitted at the election.

37 [Sections 1063.007-1063.050 reserved for expansion]

38 SUBCHAPTER B. DISTRICT ADMINISTRATION

39 Revised Law

40 Sec. 1063.051. BOARD ELECTION; TERM. (a) The board
41 consists of seven directors elected as follows:

42 (1) one director elected from each county
43 commissioners precinct; and

44 (2) three directors elected from the district at large
45 by position.

46 (b) A district voter may vote on the directors to be elected
47 at large and on the director to be elected from the precinct in
48 which the voter resides.

49 (c) An election shall be held on the uniform election date
50 in May of each even-numbered year to elect the appropriate number of
51 directors.

52 (d) Directors serve staggered four-year terms that expire

1 on the second Tuesday in June. (Acts 65th Leg., R.S., Ch. 258, Secs.
2 4(a) (part), (c) (part); Acts 72nd Leg., R.S., Ch. 511, Sec. 6.)

3 Source Law

4 [Acts 65th Leg., R.S., Ch. 258]

5 Sec. 4. (a) The district is governed by a board
6 of seven directors. Three of the directors shall be
7 elected at large from the entire district, and the
8 remaining four directors each shall be elected from a
9 different commissioner's precinct in the district, and
10 Candidates to represent the district at large
11 shall run by position. A qualified elector is entitled
12 to vote for the directors to be elected at large and
13 for the director to be elected from the precinct in
14 which the elector resides. Directors shall serve for
15 terms of four years expiring on the second Tuesday in
16 June. . . .

17 (c) A regular election of directors shall be
18 held on the first Saturday in May of each even-numbered
19 year, and

20 [Acts 72nd Leg., R.S., Ch. 511]

21 Sec. 6. (a) The election of the board of
22 directors scheduled before the effective date of this
23 Act to be held in May 1992 shall be held, and the
24 directors elected at that election shall serve
25 two-year terms.

26 (b) The election of the board of directors
27 scheduled before the effective date of this Act to be
28 held in May 1993 shall be held, and the directors
29 elected at that election shall serve until the
30 directors elected in May 1996 take office.

31 (c) The directors elected at the elections to be
32 held in May 1994 and May 1996 shall serve four-year
33 terms.

34 Revisor's Note

35 (1) Section 4(a), Chapter 258, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to "a
37 qualified elector." Throughout this chapter, the
38 revised law omits "qualified" as unnecessary in this
39 context because Chapter 11, Election Code, governs
40 eligibility to vote in an election in this state and
41 allows only "qualified" voters who are residents of
42 the territory covered by the election to vote in an
43 election. Throughout this chapter, the revised law
44 substitutes "voter" for "elector" because the former
45 is the term used in the Election Code.

46 (2) Section 4(c), Chapter 258, Acts of the 65th
47 Legislature, Regular Session, 1977, was amended in
48 1991 to require board elections to be held on the

1 "first Saturday in May." From 1987 to 2003, Section
2 41.001, Election Code, provided for a uniform election
3 date for all political subdivisions on the first
4 Saturday in May. In Chapter 1315, Acts of the 78th
5 Legislature, Regular Session, 2003, the legislature
6 amended Section 41.001 by moving the uniform election
7 date in May to the third Saturday. In Chapter 1, Acts
8 of the 78th Legislature, 3rd Called Session, 2003, the
9 legislature amended Section 41.001 by moving the
10 uniform election date in May back to the first
11 Saturday. In Chapter 471, Acts of the 79th
12 Legislature, Regular Session, 2005, the legislature
13 amended Section 41.001 by moving the uniform election
14 date in May to the second Saturday. The revised law
15 substitutes "uniform election date in May" for "first
16 Saturday in May" to reflect these changes while
17 preserving as closely as possible the legislative
18 intent expressed in the 1991 amendment to Section 4(c)
19 that the election be held on the first Saturday in May,
20 which was then the uniform election date in May.

21 (3) Section 6, Chapter 511, Acts of the 72nd
22 Legislature, Regular Session, 1991, prescribes the
23 procedure for staggering the terms of the directors
24 first elected under that act. The revised law revises
25 the provision specifying staggered terms but omits the
26 provision relating to which year the initial terms
27 expire as executed.

28 Revised Law

29 Sec. 1063.052. QUALIFICATIONS FOR OFFICE. (a) A person may
30 not be elected or appointed as a director unless the person:

31 (1) is more than 21 years of age at the time of the
32 appointment or election;

33 (2) is a resident of the district; and

34 (3) is a qualified voter.

1 (b) A director who represents a county commissioners
2 precinct must be a resident of that precinct.

3 (c) A person may not be elected or appointed as a director if
4 the person holds another appointed or elected public office of
5 honor, trust, or profit.

6 (d) A person who holds another public office of honor,
7 trust, or profit and seeks to be appointed or elected as a director
8 automatically vacates the first office. (Acts 65th Leg., R.S., Ch.
9 258, Sec. 4(a) (part).)

10 Source Law

11 (a) . . . each shall be a resident of the
12 precinct he represents. . . . No person may be
13 appointed or elected as a member of the board of
14 directors of the hospital district unless he is a
15 resident of the district and a qualified elector and
16 unless at the time of such election or appointment he
17 shall be more than 21 years of age. No person may be
18 appointed or elected as a director of the hospital
19 district if he holds another appointed or elected
20 public office of honor, trust, or profit. A person
21 holding another public office of honor, trust, or
22 profit who seeks to be appointed or elected a director
23 automatically vacates the first office. . . .

24 Revised Law

25 Sec. 1063.053. BALLOT PETITION. A person who wants to have
26 the person's name printed on the ballot as a candidate for director
27 must file with the board secretary a petition requesting that
28 action. The petition must be:

- 29 (1) signed by at least 10 registered voters; and
30 (2) filed at least 25 days before the date of the
31 election. (Acts 65th Leg., R.S., Ch. 258, Sec. 4(c) (part).)

32 Source Law

33 (c) . . . Any person desiring his name to be
34 printed on the ballot as a candidate for director shall
35 file a petition, signed by not less than 10 legally
36 qualified electors asking that such name be printed on
37 the ballot, with the secretary of the board of
38 directors of the district. Such petitions shall be
39 filed with such secretary at least 25 days prior to the
40 date of election.

41 Revisor's Note

42 Section 4(c), Chapter 258, Acts of the 65th
43 Legislature, Regular Session, 1977, refers to "legally
44 qualified electors" in the district. Throughout this

1 chapter, the revised law substitutes "voters" for
2 "electors" because the former is the term used in the
3 Election Code. The revised law substitutes
4 "registered" for "legally qualified" because in the
5 context of eligibility to sign a petition, Section
6 277.0021, Election Code, provides that "qualified
7 voter" means a "registered voter."

8 Revised Law

9 Sec. 1063.054. NOTICE OF ELECTION. At least 10 days before
10 the date of a regular election of directors, notice of the election
11 shall be published one time in a newspaper of general circulation in
12 Montgomery County. (Acts 65th Leg., R.S., Ch. 258, Sec. 4(c)
13 (part).)

14 Source Law

15 (c) [A regular election of directors] . . .
16 notice of such election shall be published in a
17 newspaper of general circulation in the county one
18 time at least 10 days prior to the date of
19 election. . . .

20 Revisor's Note

21 Section 4(c), Chapter 258, Acts of the 65th
22 Legislature, Regular Session, 1977, requires notice of
23 a directors' election to be published in "the county."
24 Throughout this chapter, the revised law substitutes
25 "Montgomery County" for the quoted language because
26 Montgomery County is the county in which the district
27 is located.

28 Revised Law

29 Sec. 1063.055. RUNOFF ELECTION. (a) If no candidate for a
30 particular director position at a regular directors' election
31 receives a majority of the votes of the voters voting in that race,
32 the board shall order a runoff election.

33 (b) At least seven days before the date of a runoff
34 election, the board shall publish notice of the election one time in
35 a newspaper or newspapers that individually or collectively have
36 general circulation in the area of the runoff election.

1 (c) Of the names printed on the ballot at a runoff election,
2 the name of the candidate who received the higher number of votes at
3 the general election of directors must be printed first on the
4 ballot. (Acts 65th Leg., R.S., Ch. 258, Sec. 4(d) (part).)

5 Source Law

6 (d) If no candidate for director from a
7 particular commissioner's precinct or no candidate for
8 a district at-large position receives a majority of
9 the votes of the qualified voters voting in that race
10 at the regular election of directors, the board shall
11 order a runoff election . . . The board shall publish
12 notice of the runoff election in a newspaper or
13 newspapers that individually or collectively provide
14 general circulation in the area of the runoff election
15 one time at least seven days before the date of the
16 runoff election. Of the names printed on the ballot at
17 the runoff election, the name of the candidate who
18 received the higher number of votes at the regular
19 election shall be printed first on the ballot. . . .

20 Revisor's Note

21 Section 4(d), Chapter 258, Acts of the 65th
22 Legislature, Regular Session, 1977, provides
23 procedures for a runoff election. The revised law
24 omits the provisions as superseded by the 1985
25 enactment of the Election Code, applicable to the
26 district under Section 1.002, Election Code. Section
27 2.023, Election Code, governs which candidates for
28 office will participate in a runoff election.
29 Sections 145.095 and 145.096, Election Code, govern
30 the procedures to be followed if a candidate for a
31 runoff election dies or withdraws from the election.
32 The omitted law reads:

33 (d) . . . [the board shall order a
34 runoff election] between the two candidates
35 from the precinct or from the at-large
36 position who received the highest number of
37 votes in that race at the regular election.
38 . . . If before the date of the runoff
39 election a candidate who is eligible to
40 participate in the runoff dies or files a
41 written request with the secretary of the
42 board to have his name omitted from the
43 ballot at the runoff election, the other
44 candidate eligible to participate in the
45 runoff election is considered elected and
46 the runoff election shall be canceled by
47 order of the board.

1 Revised Law

2 Sec. 1063.056. BOARD VACANCY. (a) If a vacancy occurs in
3 the office of director, the remaining directors shall appoint a
4 director for the unexpired term.

5 (b) If the number of directors is reduced to fewer than four
6 for any reason, the remaining directors shall immediately call a
7 special election to fill the vacancies. If the remaining directors
8 do not call the election, a district court, on application of a
9 district voter or taxpayer, may order the directors to hold the
10 election. (Acts 65th Leg., R.S., Ch. 258, Sec. 4(b) (part).)

11 Source Law

12 (b) . . . All vacancies in the office of
13 director shall be filled for the unexpired term by
14 appointment by the remainder of the board of
15 directors. In the event the number of directors shall
16 be reduced to less than four for any reason, the
17 remaining directors shall immediately call a special
18 election to fill said vacancies, and upon failure to do
19 so a district court may, upon application of any voter
20 or taxpayer of the district, issue a mandate requiring
21 that such election be ordered by the remaining
22 directors.

23 Revisor's Note

24 Section 4(b), Chapter 258, Acts of the 65th
25 Legislature, Regular Session, 1977, provides that if
26 there are fewer than four directors, a district court
27 may "issue a mandate requiring that such election [to
28 fill vacancies in directors' offices] be ordered by the
29 remaining directors." The revised law substitutes
30 "order the directors to hold the election" for the
31 quoted language because a mandate requiring directors
32 to order an election is necessarily an order for
33 directors to hold the election. See generally Titles 1
34 and 4 through 7, Election Code, providing that the
35 authority ordering an election is the authority
36 responsible for holding the election.

37 Revised Law

38 Sec. 1063.057. OFFICERS. The board shall elect from among
39 its members a presiding officer, assistant presiding officer,

1 treasurer, and secretary. (Acts 65th Leg., R.S., Ch. 258, Sec.
2 4(b) (part).)

3 Source Law

4 (b) The board of directors shall organize by
5 electing from among its membership a chairman,
6 vice-chairman, treasurer, and secretary. . . .

7 Revisor's Note

8 Section 4(b), Chapter 258, Acts of the 65th
9 Legislature, Regular Session, 1977, refers to a
10 "chairman" and a "vice-chairman." Throughout this
11 chapter, the revised law substitutes "presiding
12 officer" and "assistant presiding officer,"
13 respectively, for those terms because, in context, the
14 terms have the same meaning and "presiding officer" is
15 more commonly used and is gender neutral.

16 Revised Law

17 Sec. 1063.058. COMPENSATION. A director serves without
18 compensation. (Acts 65th Leg., R.S., Ch. 258, Sec. 4(a) (part).)

19 Source Law

20 (a) . . . Each member of the board of directors
21 shall serve without compensation and

22 Revised Law

23 Sec. 1063.059. BOND; RECORD OF BOND. (a) Each director
24 shall execute a good and sufficient bond for \$1,000 that is:

25 (1) payable to the district; and

26 (2) conditioned on the faithful performance of the
27 director's duties.

28 (b) Each director's bond shall be deposited with the
29 district's depository bank for safekeeping. (Acts 65th Leg., R.S.,
30 Ch. 258, Sec. 4(a) (part).)

31 Source Law

32 (a) . . . [Each member of the board of
33 directors] . . . shall execute a good and sufficient
34 bond for \$1,000 payable to the district conditioned
35 upon the faithful performance of his duties, and the
36 bonds shall be deposited with the depository bank of
37 the district for safekeeping.

1 Revisor's Note

2 Section 4(a), Chapter 258, Acts of the 65th
3 Legislature, Regular Session, 1977, requires each
4 director to take the constitutional oath of office.
5 The revised law omits that provision because Section
6 1, Article XVI, Texas Constitution, requires all
7 officers to take the oath or affirmation before
8 assuming office. The omitted law reads:

9 (a) . . . [Each member of the board
10 of directors] . . . shall qualify by
11 executing the constitutional oath of office
12 and

13 Revised Law

14 Sec. 1063.060. VOTING REQUIREMENT. A concurrence of a
15 majority of the directors present is sufficient in any matter
16 relating to district business. (Acts 65th Leg., R.S., Ch. 258, Sec.
17 4(b) (part).)

18 Source Law

19 (b) . . . a concurrence of a majority of the
20 directors present is sufficient in all matters
21 pertaining to the business of the district. . . .

22 Revisor's Note

23 Section 4(b), Chapter 258, Acts of the 65th
24 Legislature, Regular Session, 1977, provides that four
25 directors constitute a quorum. The revised law omits
26 that provision because it duplicates Section 311.013,
27 Government Code (Code Construction Act), which
28 provides that a quorum of a public body is a majority
29 of the number of members fixed by statute. The omitted
30 law reads:

31 (b) . . . Any four members of the
32 board of directors shall constitute a
33 quorum, and

34 Revised Law

35 Sec. 1063.061. CALLING MEETINGS. The presiding officer or
36 any four directors may call a board meeting. (Acts 65th Leg., R.S.,

(b) The board may appoint one or more assistant administrators. An assistant administrator shall be known as the district vice president or by another title selected by the board.

(c) The chief administrative officer and any assistant administrator serve at the will of the board and are entitled to the compensation determined by the board. (Acts 65th Leg., R.S., Ch. 258, Sec. 5(a) (part).)

Source Law

(a) . . . The board of directors shall appoint a qualified person as the chief administrative officer of the district to be known as the president of the hospital district or by another title selected by the board. The board may appoint assistants to the chief administrative officer to be known as vice-presidents of the hospital district or by another title selected by the board. The chief administrative officer and any assistant shall serve at the will of the board and shall receive such compensation as may be fixed by the board. . . .

- (1) supervise the work and activities of the district;
- and
- (2) direct the affairs of the district. (Acts 65th Leg., R.S., Ch. 258, Sec. 5(a) (part).)

Source Law

(a) . . . The chief administrative officer shall supervise all the work and activities of the district and shall have general direction of the affairs of the district, subject to limitations

1 prescribed by the board. . . .

2 Revised Law

3 Sec. 1063.064. APPOINTMENT OF STAFF AND EMPLOYEES. (a) The
4 board may appoint to the staff any doctors the board considers
5 necessary for the efficient operation of the district and may make
6 temporary appointments as warranted.

7 (b) The district may employ fiscal agents, accountants,
8 architects, and attorneys the board considers proper.

9 (c) The board may delegate to the chief administrative
10 officer the authority to hire district employees, including
11 technicians and nurses. (Acts 65th Leg., R.S., Ch. 258, Secs. 5(a)
12 (part), 17.)

13 Source Law

14 Sec. 5. (a) . . . The board of directors shall
15 have the authority to appoint to the staff such doctors
16 as necessary for the efficient operation of the
17 district and may provide for temporary appointments to
18 the staff if warranted by circumstances. The board may
19 delegate to the chief administrative officer the
20 authority to employ technicians, nurses, and employees
21 of the district. . . .

22 Sec. 17. The district may employ fiscal agents,
23 accountants, architects, and attorneys as the board
24 may consider proper.

25 Revised Law

26 Sec. 1063.065. RETIREMENT BENEFITS. The board may provide
27 retirement benefits for district employees by:

28 (1) establishing or administering a retirement
29 program; or

30 (2) participating in:

31 (A) the Texas County and District Retirement
32 System; or

33 (B) another statewide retirement system in which
34 the district is eligible to participate. (Acts 65th Leg., R.S., Ch.
35 258, Sec. 6.)

36 Source Law

37 Sec. 6. The board of directors may provide
38 retirement benefits for employees of the hospital
39 district. The board may provide the benefits by
40 establishing or administering a retirement program or
41 by electing to participate in the Texas County and
42 District Retirement System or in any other statewide

1 retirement system in which the district is eligible to
2 participate.

4 SUBCHAPTER C. POWERS AND DUTIES

5 Revised Law

6 Sec. 1063.101. DISTRICT RESPONSIBILITY. The district has
7 full responsibility for providing medical and hospital care for the
8 district's needy inhabitants. (Acts 65th Leg., R.S., Ch. 258, Sec.
9 20 (part).)

10 Source Law

11 Sec. 20. . . . The hospital district shall
12 assume full responsibility for the furnishing of
13 medical and hospital care for its needy
14 inhabitants. . . .

15 Revisor's Note

16 Section 20, Chapter 258, Acts of the 65th
17 Legislature, Regular Session, 1977, provides that the
18 district "shall assume" full responsibility for
19 providing medical and hospital care for the district's
20 needy inhabitants. The revised law substitutes "has"
21 for the quoted language because the duty to assume the
22 responsibility is executed.

23 Revised Law

24 Sec. 1063.102. RESTRICTION ON POLITICAL SUBDIVISION
25 TAXATION AND DEBT. A political subdivision located wholly or
26 partly within the district may not impose a tax or issue bonds or
27 other obligations for hospital or health care purposes or to
28 provide medical care for district residents. (Acts 65th Leg.,
29 R.S., Ch. 258, Sec. 20 (part).)

30 Source Law

31 Sec. 20. After creation of the hospital
32 district, no county, municipality, or political
33 subdivision wholly or partly within the boundaries of
34 the district shall have the power to levy taxes or
35 issue bonds or other obligations for hospital or
36 health care purposes or for providing medical care for
37 the residents of the district. . . .

38 Revisor's Note

39 (1) Section 20, Chapter 258, Acts of the 65th
40 Legislature, Regular Session, 1977, provides that

1 "[a]fter creation of the hospital district," certain
2 political subdivisions may not levy taxes or issue
3 bonds. The revised law omits the quoted language as
4 executed. In addition, throughout this chapter, the
5 revised law substitutes "impose" for "levy" because,
6 in this context, the terms are synonymous and the
7 former is more commonly used.

8 (2) Section 20, Chapter 258, Acts of the 65th
9 Legislature, Regular Session, 1977, refers to a
10 "county, municipality, or political subdivision." The
11 revised law omits the references to "municipality" and
12 "county" because "municipality" and "county" are
13 included in the meaning of "political subdivision."

14 Revised Law

15 Sec. 1063.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
16 The board shall manage, control, and administer the health care or
17 hospital system and the district's money and resources. (Acts 65th
18 Leg., R.S., Ch. 258, Sec. 5(a) (part).)

19 Source Law

22 hospital system and all funds and resources of the
23 district, but

24 Revised Law

25 Sec. 1063.104. HEALTH CARE OR HOSPITAL SYSTEM. (a) The
26 district shall provide for:

27 (1) the establishment of a health care or hospital
28 system by:

29 (A) purchasing, constructing, acquiring,
30 repairing, or renovating buildings and equipment; and

31 (B) equipping the buildings; and

32 (2) the administration of the system for health care
33 or hospital purposes.

34 (b) The health care or hospital system may include:

35 (1) domiciliary care and treatment of the sick,
36 injured, or geriatric;

- 1 (2) hospitals;
- 2 (3) outpatient clinics;
- 3 (4) dispensaries;
- 4 (5) convalescent home facilities;
- 5 (6) necessary nurses;
- 6 (7) domiciliaries and training centers;
- 7 (8) blood banks;
- 8 (9) community mental health centers;
- 9 (10) research centers or laboratories;
- 10 (11) ambulance services; and
- 11 (12) any other facilities the board considers
- 12 necessary for health or hospital care. (Acts 65th Leg., R.S., Ch.
- 13 258, Secs. 2 (part), 11(a) (part).)

14 Source Law

15 Sec. 2. The district . . . shall provide for the
16 establishment of a health care or hospital system by
17 the purchase, gift, construction, acquisition,
18 repair, or renovation of buildings and equipment and
19 equipping same and the administration of the system
20 for health care or hospital purposes. . . .

21 Sec. 11. (a) . . . The health care or hospital
22 system may include domiciliary care and treatment of
23 the sick, wounded, and injured, hospitals, outpatient
24 clinic or clinics, dispensaries, geriatric
25 domiciliary care and treatment, convalescent home
26 facilities, necessary nurses, domiciliaries and
27 training centers, blood banks, community mental health
28 centers and research centers or laboratories,
29 ambulance services, and any other facilities deemed
30 necessary for health or hospital care by the
31 directors. . . .

32 Revisor's Note

33 Section 11(a), Chapter 258, Acts of the 65th
34 Legislature, Regular Session, 1977, refers to the care
35 and treatment of the "sick, wounded, and injured." The
36 revised law omits the reference to "wounded" because
37 "wounded" is included in the meaning of "injured."

38 Revised Law

39 Sec. 1063.105. RULES. The board may adopt rules governing
40 the operation of the hospital, the health care or hospital system,
41 and the district's staff and employees. (Acts 65th Leg., R.S., Ch.
42 258, Sec. 5(a) (part).)

1 Source Law

2 (a) . . . The district, through its board of
3 directors, shall have the power and authority . . . to
4 promulgate rules governing the operation of the
5 hospital, the health care or hospital system, its
6 staff, and its employees. . . .

7 Revisor's Note

8 Section 5(a), Chapter 258, Acts of the 65th
9 Legislature, Regular Session, 1977, provides that the
10 board may "promulgate rules" to govern the district.
11 The revised law substitutes "adopt" for "promulgate"
12 because the terms are synonymous and the former is more
13 commonly used.

14 Revised Law

15 Sec. 1063.106. PURCHASING AND ACCOUNTING PROCEDURES. The
16 board may prescribe:

17 (1) the method and manner of making purchases and
18 expenditures by and for the district; and

19 (2) all accounting and control procedures. (Acts 65th
20 Leg., R.S., Ch. 258, Sec. 11(c) (part).)

21 Source Law

22 (c) The board of directors of the district shall
23 have the power to prescribe the method and manner of
24 making purchases and expenditures by and for the
25 hospital district and shall also be authorized to
26 prescribe all accounting and control procedures.
27 . . .

28 Revised Law

29 Sec. 1063.107. DISTRICT PROPERTY, FACILITIES, AND
30 EQUIPMENT. (a) The board shall determine the type, number, and
31 location of buildings required to maintain an adequate health care
32 or hospital system.

33 (b) The board may lease all or part of the district's
34 buildings and other facilities on terms considered to be in the best
35 interest of the district's inhabitants. Except as provided by
36 Subsection (c), the term of a lease may not exceed 25 years from the
37 date entered.

38 (c) District land may not be leased for a period exceeding
39 25 years unless the board:

1 (1) finds that the land is not necessary for health
2 care or hospital purposes;

3 (2) complies with any indenture securing the payment
4 of district bonds; and

5 (3) receives not less than the current market value
6 for the lease.

7 (d) The district may acquire equipment for use in the
8 district's health care or hospital system and mortgage or pledge
9 the property as security for the payment of the purchase price. A
10 contract entered into under this subsection must provide that the
11 entire obligation be retired not later than the fifth anniversary
12 of the date of the contract.

13 (e) The district may sell or otherwise dispose of any
14 property, including equipment, on terms the board finds are in the
15 best interest of the district's inhabitants. The board must comply
16 with Section 272.001, Local Government Code, when selling district
17 land other than land the district is authorized to sell or exchange
18 under Subsection (f).

19 (f) The district may sell or exchange a hospital, including
20 real property necessary or convenient for the operation of the
21 hospital and real property that the board finds may be useful in
22 connection with future expansions of the hospital, on terms the
23 board determines to be in the district's best interests. The
24 district must comply with the procedures prescribed by Sections
25 285.051 and 285.052, Health and Safety Code. (Acts 65th Leg., R.S.,
26 Ch. 258, Secs. 11(a) (part), (b), (c) (part), 15(c), (d).)

27 Source Law

28 Sec. 11. (a) The board of directors is hereby
29 given complete discretion as to the type of buildings,
30 both as to number and location, required to establish
31 and maintain an adequate health care or hospital
32 system. . . . The district, through its board of
33 directors, . . . may lease all or part of its buildings
34 and facilities on terms and conditions considered to
35 be to the best interest of its inhabitants. Except as
36 provided by Subsection (c) of Section 15 of this Act,
37 the term of a lease may not exceed 25 years from the
38 date entered. The district shall be empowered to sell
39 or otherwise dispose of any property, real or
40 personal, or equipment of any nature on terms and
41 conditions found by the board to be in the best

1 interest of its inhabitants.

2 (b) The district may sell or exchange a
3 hospital, including real property necessary or
4 convenient for the operation of the hospital and real
5 property that the board of directors finds may be
6 useful in connection with future expansions of the
7 hospital, on terms and conditions the board determines
8 to be in the best interests of the district, by
9 complying with the procedures prescribed by Sections
10 285.051 and 285.052, Health and Safety Code, and any
11 subsequent amendments.

12 (c) . . . The district may acquire equipment
13 for use in its health care or hospital system and
14 mortgage or pledge the property so acquired as
15 security for the payment of the purchase price, but any
16 such contract shall provide for the entire obligation
17 of the district to be retired within five years from
18 the date of the contract. . . .

19 [Sec. 15]

20 (c) Land owned by the district may not be leased
21 for a period greater than 25 years unless the board of
22 directors:

23 (1) finds that the land is not necessary
24 for health care or hospital purposes;

25 (2) complies with any indenture securing
26 the payment of bonds issued by the district; and

27 (3) receives on behalf of the district not
28 less than the current market value for the lease.

29 (d) Land of the district, other than land that
30 the district is authorized to sell or exchange under
31 Subsection (b) of Section 11 of this Act, may not be
32 sold unless the board of directors complies with
33 Section 272.001, Local Government Code.

34 Revisor's Note

35 (1) Section 11(a), Chapter 258, Acts of the 65th
36 Legislature, Regular Session, 1977, requires the board
37 to determine the buildings required to "establish and
38 maintain" an adequate health care or hospital system.
39 The revised law omits the reference to establishing
40 the health care or hospital system as executed.

41 (2) Sections 11(a) and (b), Chapter 258, Acts of
42 the 65th Legislature, Regular Session, 1977, refer to
43 "terms and conditions." Throughout this chapter, the
44 revised law omits the references to "conditions"
45 because "conditions" is included in the meaning of
46 "terms."

47 (3) Section 11(a), Chapter 258, Acts of the 65th
48 Legislature, Regular Session, 1977, refers to "any
49 property, real or personal." The revised law omits the
50 reference to "real or personal" property because under

1 Section 311.005, Government Code (Code Construction
2 Act), "property" means "real and personal property."

3 (4) Section 11(b), Chapter 258, Acts of the 65th
4 Legislature, Regular Session, 1977, refers to Sections
5 285.051 and 285.052, Health and Safety Code, "and any
6 subsequent amendments." Throughout this chapter, the
7 revised law omits references to "subsequent
8 amendments" and "as amended" because under Section
9 311.027, Government Code (Code Construction Act), a
10 reference to a statute applies to all reenactments,
11 revisions, or amendments of that statute unless
12 expressly provided otherwise.

13 Revised Law

14 Sec. 1063.108. TAKEOVER OF NONPROFIT HOSPITAL PROPERTY.
15 The district may take over and may accept title to land, buildings,
16 improvements, and equipment of a nonprofit hospital in the district
17 if the governing authority of the hospital and district agree to the
18 transfer. (Acts 65th Leg., R.S., Ch. 258, Sec. 2 (part).)

19 Source Law

20 Sec. 2. . . . The district may take over and
21 may accept title to land, buildings, improvements, and
22 equipment of a nonprofit hospital within the district
23 if the governing authority or authorities of the
24 hospital and district agree to the transfer. . . .

25 Revised Law

26 Sec. 1063.109. EMINENT DOMAIN. (a) The district may
27 exercise the power of eminent domain to acquire a fee simple or
28 other interest in any type of property located in district
29 territory if the interest is necessary or convenient for the
30 district to exercise a power, right, or privilege conferred by this
31 chapter.

32 (b) The district must exercise the power of eminent domain
33 in the manner provided by Chapter 21, Property Code, except the
34 district is not required to deposit in the trial court money or a
35 bond as provided by Section 21.021(a), Property Code.

36 (c) In a condemnation proceeding brought by the district,

1 the district is not required to:

2 (1) pay in advance or provide a bond or other security
3 for costs in the trial court;

4 (2) provide a bond for the issuance of a temporary
5 restraining order or a temporary injunction; or

6 (3) provide a bond for costs or a supersedeas bond on
7 an appeal or petition for review. (Acts 65th Leg., R.S., Ch. 258,
8 Sec. 15(a).)

9 Source Law

10 Sec. 15. (a) The district shall have the right
11 and power of eminent domain for the purpose of
12 acquiring by condemnation any and all property of any
13 kind and character in fee simple, or any lesser
14 interest therein, within the boundaries of the
15 district necessary or convenient to the powers,
16 rights, and privileges conferred by this Act, in the
17 manner provided by the general law with respect to
18 condemnation by counties; provided that the district
19 shall not be required to make deposits in the registry
20 of the trial court of the sum required by Paragraph 2
21 of Article 3268, Revised Civil Statutes of Texas,
22 1925, as amended, or to make bond as therein provided.
23 In condemnation proceedings being prosecuted by the
24 district, the district shall not be required to pay in
25 advance or give bond or other security for costs in the
26 trial court, nor to give any bond otherwise required
27 for the issuance of a temporary restraining order or a
28 temporary injunction, nor to give bond for costs or for
29 supersedeas on any appeal or writ of error.

30 Revisor's Note

31 (1) Section 15(a), Chapter 258, Acts of the 65th
32 Legislature, Regular Session, 1977, provides that the
33 district has the "right and power of eminent domain for
34 the purpose of acquiring [property] by condemnation."
35 The revised law substitutes for the quoted language
36 "may exercise the power of eminent domain to acquire
37 [property]" because the phrases have the same meaning,
38 and the latter phrase is consistent with modern usage
39 in laws relating to eminent domain.

40 (2) Section 15(a), Chapter 258, Acts of the 65th
41 Legislature, Regular Session, 1977, provides that the
42 district must exercise the power of eminent domain in
43 the manner provided by "the general law with respect to
44 condemnation by counties." The revised law

1 substitutes for the quoted language a reference to
2 Chapter 21, Property Code, because that is the general
3 law governing eminent domain for governmental
4 entities, including counties.

5 (3) Section 15(a), Chapter 258, Acts of the 65th
6 Legislature, Regular Session, 1977, refers to
7 "Paragraph 2 of Article 3268, Revised Civil Statutes
8 of Texas, 1925, as amended." That statute was codified
9 in 1983 as Section 21.021(a), Property Code, and the
10 revised law is drafted accordingly.

11 (4) Section 15(a), Chapter 258, Acts of the 65th
12 Legislature, Regular Session, 1977, refers to a "writ
13 of error." The revised law substitutes "petition for
14 review" for "writ of error" because, effective
15 September 1, 1997, the Texas Supreme Court replaced
16 the writ of error procedure with the petition for
17 review procedure. See Rule 53.1, Texas Rules of
18 Appellate Procedure.

19 Revised Law

20 Sec. 1063.110. COST OF RELOCATING OR ALTERING PROPERTY. In
21 exercising the power of eminent domain, if the board requires the
22 relocation, raising, lowering, rerouting, or change in grade or
23 alteration in the construction of any railroad, electric
24 transmission, telegraph or telephone lines, conduits, poles, or
25 facilities or pipelines, the board must bear the actual cost of the
26 relocation, raising, lowering, rerouting, or change in grade or
27 alteration of construction to provide comparable replacement
28 without enhancement of facilities, after deducting the net salvage
29 value derived from the old facility. (Acts 65th Leg., R.S., Ch. 258,
30 Sec. 15(b).)

31 Source Law

32 (b) If the board requires the relocation,
33 raising, lowering, rerouting, or change in grade or
34 alteration in the construction of any railroad,
35 electric transmission, telegraph or telephone lines,
36 conduits, poles, or facilities or pipelines in the
37 exercise of the power of eminent domain, all of the

1 relocation, raising, lowering, rerouting, or changes
2 in grade or alteration of construction due to the
3 exercise of the power of eminent domain shall be the
4 sole expense of the board. The term "sole expense"
5 means the actual cost of relocation, raising,
6 lowering, rerouting, or change in grade or alteration
7 of construction to provide comparable replacement
8 without enhancement of facilities, after deducting the
9 net salvage value derived from the old facility.

10 Revised Law

11 Sec. 1063.111. GIFTS AND ENDOWMENTS. The board may accept
12 for the district a gift or endowment to be held in trust and
13 administered by the board for the purposes and under the
14 directions, limitations, or other provisions prescribed in writing
15 by the donor that are not inconsistent with the proper management
16 and objectives of the district. (Acts 65th Leg., R.S., Ch. 258,
17 Sec. 19.)

18 Source Law

19 Sec. 19. The board of directors of the hospital
20 district is authorized on behalf of the district to
21 accept donations, gifts, and endowments to be held in
22 trust and administered by the board of directors for
23 such purposes and under such directions, limitations,
24 and provisions as may be prescribed in writing by the
25 donor not inconsistent with proper management and
26 object of the hospital district.

27 Revisor's Note

28 Section 19, Chapter 258, Acts of the 65th
29 Legislature, Regular Session, 1977, refers to
30 "donations" and "gifts." The revised law omits the
31 reference to "donations" because "donations" is
32 included in the meaning of "gifts."

33 Revised Law

34 Sec. 1063.112. CONSTRUCTION CONTRACTS. A construction
35 contract that involves the expenditure of more than \$10,000 may be
36 made only after advertising in the manner provided by Chapter 252
37 and Subchapter C, Chapter 262, Local Government Code. (Acts 65th
38 Leg., R.S., Ch. 258, Sec. 11(c) (part).)

39 Source Law

40 (c) . . . All contracts for construction
41 involving the expenditure of more than \$10,000 may be
42 made only after advertising in the manner provided by
43 Chapter 163, Acts of the 42nd Legislature, Regular
44 Session, 1931, as amended (Article 2368a, Vernon's
45 Texas Civil Statutes). . . .

1 Revisor's Note

2 (1) Section 11(c), Chapter 258, Acts of the 65th
3 Legislature, Regular Session, 1977, permits
4 construction contracts involving more than \$10,000
5 only after advertising in the manner provided by
6 "Chapter 163, Acts of the 42nd Legislature, Regular
7 Session, 1931, as amended (Article 2368a, Vernon's
8 Texas Civil Statutes)." Article 2368a was amended by
9 Chapter 641, Acts of the 69th Legislature, Regular
10 Session, 1985, which transferred provisions relating
11 to advertising for bids by counties to the County
12 Purchasing Act (V.A.C.S. Article 2368a.5). The County
13 Purchasing Act was codified in 1987 as Subchapter C,
14 Chapter 262, Local Government Code. The provisions of
15 Article 2368a relating to advertising for bids by
16 municipalities were codified in 1987 as Chapter 252,
17 Local Government Code. The revised law is drafted
18 accordingly.

19 (2) Section 11(c), Chapter 258, Acts of the 65th
20 Legislature, Regular Session, 1977, provides that the
21 provisions of Article 5160, Revised Civil Statutes of
22 Texas, 1925, apply to the district's construction
23 contracts in relation to performance and payment
24 bonds. The revised law omits that provision as
25 unnecessary because Article 5160 was codified as
26 Chapter 2253, Government Code, and that chapter
27 applies to hospital districts on its own terms. The
28 omitted law reads:

29 (c) . . . The provisions of Article
30 5160, Revised Civil Statutes of Texas,
31 1925, as amended, relating to performance
32 and payment bonds shall apply to
33 construction contracts let by the
34 district. . . .

35 Revised Law

36 Sec. 1063.113. OPERATING AND MANAGEMENT CONTRACTS. The
37 board may enter into an operating or management contract relating

1 to a district facility. (Acts 65th Leg., R.S., Ch. 258, Sec. 11(a)
2 (part).)

3 Source Law

4 (a) . . . [The district, through its board of
5 directors,] is further authorized to enter into an
6 operating or management contract with regard to its
7 facilities or a part thereof or

8 Revised Law

9 Sec. 1063.114. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
10 CARE AND TREATMENT. (a) The board may contract with a county or
11 municipality located outside the district's boundaries for the care
12 and treatment of a sick or injured person of that county or
13 municipality.

14 (b) The board may contract with this state or a federal
15 agency for the treatment of a sick or injured person. (Acts 65th
16 Leg., R.S., Ch. 258, Sec. 5(a) (part).)

17 Source Law

18 (a) . . . The board . . . shall be authorized
19 to contract with any county or incorporated
20 municipality located outside its boundaries for the
21 care and treatment of the sick, diseased, or injured
22 persons of any such county or municipality and shall
23 have the authority to contract with the State of Texas
24 or agencies of the federal government for the
25 treatment of sick, diseased, or injured persons.

26 Revisor's Note

27 (1) Section 5(a), Chapter 258, Acts of the 65th
28 Legislature, Regular Session, 1977, refers to an
29 "incorporated" municipality. The revised law omits
30 the reference to "incorporated" because under the
31 Local Government Code all municipalities must be
32 incorporated.

33 (2) Section 5(a), Chapter 258, Acts of the 65th
34 Legislature, Regular Session, 1977, refers to the
35 treatment of "sick, diseased, or injured persons."
36 The revised law omits the references to "diseased"
37 because "diseased" is included in the meaning of
38 "sick."

1 Revised Law

2 Sec. 1063.115. CONTRACTS FOR HEALTH CARE SERVICES. (a) As
3 permitted by the Texas Constitution and Chapter 61, Health and
4 Safety Code, the district may:

5 (1) enter into a contract relating to the provision of
6 health care services on terms the board determines to be in the
7 district's best interests; and

8 (2) make payments under the contract.

9 (b) The term of a contract under this section may not exceed
10 15 years. (Acts 65th Leg., R.S., Ch. 258, Sec. 5(b).)

11 Source Law

12 (b) The district may enter into contracts, and
13 make payments thereunder, relating to or arranging for
14 the provision of health care services as permitted by
15 the Texas Constitution and Chapter 61, Health and
16 Safety Code, and its subsequent amendments, on terms
17 and conditions as the board of directors determines to
18 be in the best interests of the district. The term of a
19 contract entered into under this subsection may not
20 exceed 15 years.

21 Revised Law

22 Sec. 1063.116. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
23 INVESTIGATORY OR OTHER SERVICES. The board may contract with a
24 political subdivision or governmental agency for the district to
25 provide investigatory or other services for the medical, health
26 care, hospital, or welfare needs of district inhabitants. (Acts
27 65th Leg., R.S., Ch. 258, Sec. 5(a) (part).)

28 Source Law

29 (a) . . . The board shall be authorized to
30 contract with any other political subdivision or
31 governmental agency whereby the district will provide
32 investigatory or other services as to the medical,
33 health care, hospital, or welfare needs of the
34 inhabitants of the district and

35 Revised Law

36 Sec. 1063.117. PAYMENT FOR TREATMENT; PROCEDURES. (a)
37 When a patient who resides in the district is admitted to a district
38 facility, the chief administrative officer may have an inquiry made
39 into the circumstances of:

40 (1) the patient; and

41 (2) the patient's relatives who are legally liable for

1 the patient's support.

2 (b) If the chief administrative officer determines that the
3 patient or those relatives cannot pay all or part of the costs of
4 the care and treatment in the district facility, the amount of the
5 costs that cannot be paid becomes a charge against the district.

6 (c) If the chief administrative officer determines that the
7 patient or those relatives can pay for all or part of the costs of
8 the patient's care and treatment, the patient or those relatives
9 shall be ordered to pay the district a specified amount each week
10 for the patient's care and support. The amount ordered must be
11 proportionate to the person's financial ability.

12 (d) The chief administrative officer may collect the amount
13 from the estate of the patient, or from any relative who is legally
14 liable for the patient's support, in the manner provided by law for
15 the collection of expenses of the last illness of a deceased person.

16 (e) If there is a dispute as to the ability to pay, or doubt
17 in the mind of the chief administrative officer, the board shall
18 hold a hearing and, after calling witnesses, shall:

19 (1) resolve the dispute or doubt; and

20 (2) issue any appropriate orders.

21 (f) A final order of the board may be appealed to the
22 district court. The substantial evidence rule applies to the
23 appeal. (Acts 65th Leg., R.S., Ch. 258, Sec. 18.)

24 Source Law

25 Sec. 18. Whenever a patient residing within the
26 district has been admitted to the facilities of the
27 district, the chief administrative officer may cause
28 inquiry to be made as to his circumstances and those of
29 the relatives of the patient legally liable for his
30 support. If he finds that the patient or his relatives
31 are able to pay for his care and treatment in whole or
32 in part, an order shall be made directing the patient
33 or his relatives to pay to the hospital district for
34 the care and support of the patient a specified sum per
35 week in proportion to their financial ability. The
36 chief administrative officer shall have the power and
37 authority to collect these sums from the estate of the
38 patient or his relatives legally liable for his
39 support in the manner provided by law for collection of
40 expenses in the last illness of a deceased person. If
41 the chief administrative officer finds that the
42 patient or his relatives are not able to pay either in
43 whole or in part for his care and treatment in the
44 facilities of the district, same shall become a charge

1 on the hospital district as to the amount of the
2 inability to pay. Should there be any dispute as to
3 the ability to pay or doubt in the mind of the chief
4 administrative officer, the board of directors shall
5 hear and determine same after calling witnesses and
6 shall make such order or orders as may be proper.
7 Appeals from a final order of the board shall lie to
8 the district court. The substantial evidence rule
9 shall apply.

10 Revised Law

11 Sec. 1063.118. NONPROFIT CORPORATION. (a) The district
12 may create and sponsor a nonprofit corporation under the Business
13 Organizations Code and may contribute or cause to be contributed
14 available funds to the corporation. A corporation under this
15 section must be a nonmember, nonstock corporation.

16 (b) The board of directors of the corporation shall be
17 composed of seven district residents appointed by the district's
18 board. The district's board may remove any director of the
19 corporation at any time with or without cause.

20 (c) The corporation may use money, other than money the
21 corporation pays to the district, only to provide or pay the costs
22 of providing or costs related to providing indigent health care or
23 other services the district is required or authorized to provide
24 under the constitution or state law.

25 (d) The district's board shall establish controls to ensure
26 that the corporation uses its money as required by Subsection (c).

27 (e) The corporation may invest the corporation's money in
28 any manner in which the district may invest the district's money,
29 including investing money as authorized by Chapter 2256, Government
30 Code. (Acts 65th Leg., R.S., Ch. 258, Sec. 19A.)

31 Source Law

32 Sec. 19A. (a) The district may sponsor and
33 create a nonstock, nonmember corporation under the
34 Texas Non-Profit Corporation Act (Article 1396-1.01 et
35 seq., Vernon's Texas Civil Statutes) and its
36 subsequent amendments and may contribute or cause to
37 be contributed available funds to the corporation.

38 (b) The funds of the corporation, other than
39 funds paid by the corporation to the district, may be
40 used by the corporation only to provide, to pay the
41 costs of providing, or to pay the costs related to
42 providing indigent health care or other services that
43 the district is required or permitted to provide under
44 the constitution or laws of this state. The board of
45 directors of the hospital district shall establish
46 adequate controls to ensure that the corporation uses

1 its funds as required by this subsection.

2 (c) The board of directors of the corporation
3 shall be composed of seven residents of the district
4 appointed by the board of directors of the district.
5 The board of directors of the district may remove any
6 director of the corporation at any time with or without
7 cause.

8 (d) The corporation may invest funds in any
9 investment in which the district is authorized to
10 invest funds of the district, including investments
11 authorized by the Public Funds Investment Act of 1987
12 (Article 842a-2, Vernon's Texas Civil Statutes) and
13 its subsequent amendments.

14 Revisor's Note

15 (1) Section 19A, Chapter 258, Acts of the 65th
16 Legislature, Regular Session, 1977, refers to a
17 corporation under the Texas Non-Profit Corporation
18 Act. The only type of corporation that may be formed
19 under that act is a nonprofit corporation. That act
20 was codified in various chapters of the Business
21 Organizations Code by Chapter 182, Acts of the 78th
22 Legislature, Regular Session, 2003. On January 1,
23 2010, the Texas Non-Profit Corporation Act expires,
24 and, as of that date, the Business Organizations Code
25 applies to all business entities. The revised law is
26 drafted accordingly.

27 (2) Section 19A(d), Chapter 258, Acts of the
28 65th Legislature, Regular Session, 1977, refers to
29 the "Public Funds Investment Act of 1987 (Article
30 842a-2, Vernon's Texas Civil Statutes)." That act was
31 codified in 1993 as Chapter 2256, Government Code. The
32 revised law is drafted accordingly.

35 through the board, may sue and be sued. (Acts 65th Leg., R.S., Ch.
36 258, Sec. 5(a) (part).)

1 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

2 Revised Law

3 Sec. 1063.151. BUDGET. (a) The chief administrative
4 officer shall prepare an annual budget for approval by the board.

5 (b) The proposed budget must contain a complete financial
6 statement of:

7 (1) the outstanding obligations of the district;

8 (2) the cash on hand in each district fund;

9 (3) the money received by the district from all
10 sources during the previous year;

11 (4) the money available to the district from all
12 sources during the ensuing year;

13 (5) the balances expected at the end of the year in
14 which the budget is being prepared;

15 (6) the estimated revenue and balances available to
16 cover the proposed budget; and

17 (7) the estimated tax rate required. (Acts 65th Leg.,
18 R.S., Ch. 258, Sec. 7 (part).)

19 Source Law

20 Sec. 7. . . . The chief administrative officer
21 shall prepare an annual budget for approval by the
22 board of directors. The budget shall also contain a
23 complete financial statement of the district showing
24 all outstanding obligations of the district, the cash
25 on hand to the credit of each and every fund of the
26 district, the funds received from all sources during
27 the previous year, the funds available from all
28 sources during the ensuing year, with balances
29 expected at year-end of the year in which the budget is
30 being prepared, and estimated revenues and balances
31 available to cover the proposed budget and the
32 estimated tax rate which will be required. . . .

33 Revised Law

34 Sec. 1063.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
35 The board shall hold a public hearing on the proposed annual budget.

36 (b) Notice of the hearing must be published one time at
37 least 10 days before the date of the hearing.

38 (c) Any district resident is entitled to be present and
39 participate at the hearing.

40 (d) At the conclusion of the hearing, the board shall adopt

1 a budget by acting on the budget proposed by the chief
2 administrative officer. The board may make any changes in the
3 proposed budget that the board judges to be in the interests of the
4 taxpayers and that the law warrants. (Acts 65th Leg., R.S., Ch. 258,
5 Sec. 7 (part).)

6 Source Law

7 Sec. 7. . . . A public hearing on the annual
8 budget shall be held by the board of directors after
9 notice of such hearing has been published one time at
10 least 10 days before the date set therefor. Any person
11 residing in the district shall have the right to be
12 present and participate in the hearing. At the
13 conclusion of the hearing, the budget, as proposed by
14 the chief administrative officer, shall be acted on by
15 the board of directors. The board of directors shall
16 have authority to make such changes in the budget as in
17 their judgment the law warrants and the interest of the
18 taxpayers demands. . . . the annual budget, and . . .
19 shall be approved by the board of directors. . . .

20 Revised Law

21 Sec. 1063.153. AMENDMENTS TO BUDGET. The budget may be
22 amended as required by circumstances. The board must approve all
23 amendments. (Acts 65th Leg., R.S., Ch. 258, Sec. 7 (part).)

24 Source Law

25 Sec. 7. . . . The annual budget may be amended
26 from time to time as the circumstances may require, but
27 . . . all amendments thereto, shall be approved by the
28 board of directors. . . .

29 Revisor's Note

30 Section 7, Chapter 258, Acts of the 65th
31 Legislature, Regular Session, 1977, states that the
32 board may amend the budget "from time to time." The
33 revised law omits the quoted language because the
34 authority to take an action implies the authority to do
35 so at any time.

36 Revised Law

37 Sec. 1063.154. RESTRICTION ON EXPENDITURES. Money may be
38 spent only for an expense included in the budget or an amendment to
39 the budget. (Acts 65th Leg., R.S., Ch. 258, Sec. 7 (part).)

40 Source Law

41 Sec. 7. . . . No expenditure may be made for
42 any expense not included in the annual budget or an
43 amendment to it. . . .

1 Revised Law

2 Sec. 1063.155. FISCAL YEAR. (a) The district operates
3 according to a fiscal year established by the board.

4 (b) The fiscal year may not be changed:

5 (1) during a period that district revenue bonds are
6 outstanding; or

7 (2) more than once in a 24-month period. (Acts 65th
8 Leg., R.S., Ch. 258, Sec. 7 (part).)

9 Source Law

10 Sec. 7. The district shall be operated on the
11 basis of a fiscal year as established by the board of
12 directors; provided such fiscal year may not be
13 changed during the time revenue bonds of the district
14 are outstanding or more than once in any 24-month
15 period. . . .

16 Revised Law

17 Sec. 1063.156. AUDIT. The board shall have an audit made of
18 the district's financial condition. (Acts 65th Leg., R.S., Ch. 258,
19 Sec. 7 (part).)

20 Source Law

21 Sec. 7. . . . The board shall have an audit
22 made of the financial condition of the district,
23

24 Revised Law

25 Sec. 1063.157. INSPECTION OF AUDIT AND DISTRICT RECORDS.
26 The audit and other district records shall be open to inspection at
27 the district's principal office. (Acts 65th Leg., R.S., Ch. 258,
28 Sec. 7 (part).)

29 Source Law

30 Sec. 7. . . . [The board shall have] an audit
31 [made of the financial condition of the district,]
32 which together with other records of the district
33 shall be open to inspection at the principal office of
34 the district. . . .

35 Revised Law

36 Sec. 1063.158. FINANCIAL REPORT. As soon as practicable
37 after the close of each fiscal year, the chief administrative
38 officer shall prepare for the board:

39 (1) a complete sworn statement of all district money;
40 and

1 (2) a complete account of the disbursements of
2 district money. (Acts 65th Leg., R.S., Ch. 258, Sec. 7 (part).)

3 Source Law

4 Sec. 7. . . . As soon as practicable after the
5 close of each fiscal year, the chief administrative
6 officer shall prepare for the board a full sworn
7 statement of all money belonging to the district and a
8 full account of the disbursements of same.

9 Revised Law

10 Sec. 1063.159. DEPOSITORY. (a) The board shall select one
11 or more banks in the district to serve as a depository for district
12 money.

13 (b) District money, other than money invested as provided by
14 Section 1063.160, and money transmitted to a bank for payment of
15 bonds or obligations issued or assumed by the district, shall be
16 deposited as received with the depository bank and shall remain on
17 deposit.

18 (c) This chapter, including Subsection (b), does not limit
19 the power of the board to place a part of district money on time
20 deposit or to purchase certificates of deposit.

21 (d) The district may not deposit money with a bank in an
22 amount that exceeds the maximum amount secured by the Federal
23 Deposit Insurance Corporation unless the bank first executes a bond
24 or other security in an amount sufficient to secure from loss the
25 amount of district money that exceeds the amount secured by the
26 Federal Deposit Insurance Corporation. (Acts 65th Leg., R.S., Ch.
27 258, Sec. 12.)

28 Source Law

29 Sec. 12. (a) The board of directors of the
30 district shall name one or more banks within its
31 boundaries to serve as depository for the funds of the
32 district. All funds of the district, except those
33 invested as provided in Section 5 of this Act and those
34 transmitted to a bank or banks of payment for bonds or
35 obligations issued or assumed by the district, shall
36 be deposited as received with the depository bank and
37 shall remain on deposit; provided that nothing in this
38 Act shall limit the power of the board to place a
39 portion of such funds on time deposit or purchase
40 certificates of deposit.

41 (b) Before the district deposits in any bank
42 funds of the district in an amount which exceeds the
43 maximum amount secured by the Federal Deposit
44 Insurance Corporation, the bank shall be required to

1 execute a bond or other security in an amount
2 sufficient to secure from loss the district funds
3 which exceed the amount secured by the Federal Deposit
4 Insurance Corporation.

5 Revised Law

6 Sec. 1063.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
7 Except as otherwise provided by Section 1063.107(d) and by
8 Subchapter E, the district may not incur an obligation payable from
9 district revenue other than the revenue on hand or to be on hand in
10 the current and following district fiscal years.

11 (b) The board may invest operating, depreciation, or
12 building reserves only in funds or securities specified by Chapter
13 2256, Government Code. (Acts 65th Leg., R.S., Ch. 258, Secs. 5(a)
14 (part), 11(c) (part).)

15 Source Law

16 Sec. 5. (a) . . . in no event shall any
17 operating, depreciation, or building reserves be
18 invested in any funds or securities other than those
19 specified in Article 836 or 837, Revised Civil
20 Statutes of Texas, 1925, as amended. . . .

21 [Sec. 11]

22 (c) . . . Except as permitted in the preceding
23 sentence and as permitted by Sections 5, 8, 9, and 10
24 of this Act, the district may incur no obligation
25 payable from any revenues of the district, except
26 those on hand or to be on hand within the then current
27 and following fiscal year of the district.

28 Revisor's Note

29 (1) Section 5(a), Chapter 258, Acts of the 65th
30 Legislature, Regular Session, 1977, refers to "Article
31 836 or 837, Revised Civil Statutes of Texas, 1925, as
32 amended." Those articles were impliedly repealed by
33 the enactment of the Public Funds Investment Act of
34 1987 (Article 842a-2, Vernon's Texas Civil Statutes),
35 which was revised in 1993 as Chapter 2256, Government
36 Code. Chapter 2256 defines "local government" to
37 include hospital districts and applies to the district
38 by its own terms. The revised law therefore
39 substitutes a reference to Chapter 2256, Government
40 Code, for the references to Articles 836 and 837.

41 (2) Section 11(c), Chapter 258, Acts of the 65th

1 Legislature, Regular Session, 1977, states that
2 "[e]xcept as permitted in the preceding sentence and
3 as permitted by Sections 5, 8, 9, and 10," the district
4 may not incur certain obligations. The "preceding
5 sentence" in Section 11(c) is revised in Section
6 1063.107(d). Section 5 does not include any authority
7 for the district to incur obligations. As explained in
8 the revisor's note to the end of Subchapter A, Section
9 9 is omitted from the revised law as executed.
10 Sections 8 and 10 are revised in Subchapter E. The
11 revised law is drafted accordingly.

12 [Sections 1063.161-1063.200 reserved for expansion]

13 SUBCHAPTER E. BONDS

14 Revised Law

15 Sec. 1063.201. GENERAL OBLIGATION BONDS. The board may
16 issue and sell general obligation bonds in the name and on the faith
17 and credit of the district for any purpose relating to:

18 (1) the purchase, construction, acquisition, repair,
19 or renovation of buildings or improvements; and

20 (2) equipping buildings or improvements for health
21 care or hospital purposes. (Acts 65th Leg., R.S., Ch. 258, Sec.
22 8(a) (part).)

23 Source Law

24 Sec. 8. (a) The board of directors shall have
25 the power and authority to issue and sell its bonds in
26 the name and on the faith and credit of the hospital
27 district for the purchase, construction, acquisition,
28 repair, or renovation of buildings and improvements
29 and equipping the same for health care or hospital
30 purposes, and for any or all such purposes. . . .

31 Revisor's Note

32 Section 8(a), Chapter 258, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that the
34 board has the power and authority to issue and sell
35 bonds in the name and on the faith and credit of the
36 district. Because the type of bonds described by
37 Section 8(a) are known as "general obligation bonds,"

1 the revised law is drafted accordingly.

2 Revised Law

3 Sec. 1063.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
4 the time general obligation bonds are issued by the district under
5 Section 1063.201, the board shall impose an ad valorem tax at a rate
6 sufficient to create an interest and sinking fund to pay the
7 principal of and interest on the bonds as the bonds mature.

8 (b) The tax required by this section together with any other
9 ad valorem tax the district imposes may not in any year exceed 75
10 cents on each \$100 valuation of all taxable property in the district
11 subject to hospital district taxation. (Acts 65th Leg., R.S., Ch.
12 258, Sec. 8(a) (part).)

13 Source Law

14 (a) . . . At the time of the issuance of any
15 bonds by the district, a tax shall be levied by the
16 board sufficient to create an interest and sinking
17 fund to pay the interest on and principal of said bonds
18 as same mature; providing the tax together with any
19 other taxes levied for the district shall not exceed 75
20 cents on each \$100 valuation of all taxable property
21 situated in the district subject to hospital district
22 taxation in any one year. . . .

23 Revisor's Note

24 Section 8(a), Chapter 258, Acts of the 65th
25 Legislature, Regular Session, 1977, requires the
26 district to levy a tax to pay the principal of and
27 interest on bonds. The revised law specifies that the
28 tax is an "ad valorem" tax because it is clear from the
29 source law that the tax is a property tax and "ad
30 valorem" is the term most commonly used to refer to a
31 property tax.

32 Revised Law

33 Sec. 1063.203. GENERAL OBLIGATION BOND ELECTION. (a) The
34 district may issue general obligation bonds only if the bonds are
35 authorized by a majority of the district voters.

36 (b) The election order must provide for clerks as in county
37 elections and must specify:

38 (1) the date of the election;

1 (3) Section 8(a), Chapter 258, Acts of the 65th
2 Legislature, Regular Session, 1977, provides that a
3 bond election "shall be conducted in accordance with
4 the Texas Election Code, as amended, except as
5 modified by the provisions of this Act." The revised
6 law omits the quoted language because Section 1.002,
7 Election Code, provides that the Election Code applies
8 to all elections held in this state. An exception to
9 the application of the Election Code would apply by its
10 own terms.

11 Revised Law

12 Sec. 1063.204. MATURITY OF GENERAL OBLIGATION BONDS.
13 District general obligation bonds must mature not later than 40
14 years after the date of issuance. (Acts 65th Leg., R.S., Ch. 258,
15 Sec. 8(c) (part).)

16 Source Law

17 (c) Bonds of the district shall mature within 40
18 years of their date,

19 Revised Law

20 Sec. 1063.205. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
21 The board president shall execute the general obligation bonds in
22 the district's name.

23 (b) The board secretary shall countersign the bonds in the
24 manner provided by Chapter 618, Government Code. (Acts 65th Leg.,
25 R.S., Ch. 258, Sec. 8(c) (part).)

26 Source Law

27 (c) [Bonds of the district] . . . shall be
28 executed in the name of the hospital district and on
29 its behalf by the president of the board and
30 countersigned by the secretary in the manner provided
31 by Chapter 204, Acts of the 57th Legislature, Regular
32 Session, 1961, as amended (Article 717j-1, Vernon's
33 Texas Civil Statutes),

34 Revisor's Note

35 (1) Section 8(c), Chapter 258, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to Chapter
37 204, Acts of the 57th Legislature, Regular Session,
38 1961, as amended (Article 717j-1, Vernon's Texas Civil

1 Statutes). That statute was codified in 1999 as
2 Chapter 618, Government Code, and the revised law is
3 drafted accordingly.

4 (2) Section 8(c), Chapter 258, Acts of the 65th
5 Legislature, Regular Session, 1977, provides that
6 general obligation bonds issued under Chapter 258 must
7 bear interest at a rate not to exceed that provided by
8 Chapter 3, Acts of the 61st Legislature, Regular
9 Session, 1969, as amended (Article 717k-2, Vernon's
10 Texas Civil Statutes). The maximum interest rate
11 noted in Chapter 3 was revised in 1999 as Section
12 1204.006, Government Code. Section 1204.006,
13 Government Code, permits a public agency, including a
14 hospital district, to issue public securities at any
15 net effective interest rate of 15 percent or less and
16 applies to the district under Section 1204.001,
17 Government Code. The revised law omits the reference
18 because it duplicates Section 1204.006, Government
19 Code. The omitted law reads:

20 (c) [Bonds of the district] . . .
21 shall bear interest at a rate not to exceed
22 that prescribed by Chapter 3, Acts of the
23 61st Legislature, Regular Session, 1969, as
24 amended (Article 717k-2, Vernon's Texas
25 Civil Statutes), and

26 (3) Section 8(c), Chapter 258, Acts of the 65th
27 Legislature, Regular Session, 1977, provides that the
28 general obligation bonds are subject to the law
29 governing counties that relates to bond approval by
30 the attorney general and registration of the bonds by
31 the comptroller. Section 8(c) also provides that
32 after approval and registration the bonds are
33 "incontestable for any cause." The revised law omits
34 those provisions as superseded by Chapter 1202,
35 Government Code (enacted as Article 3, Chapter 53,
36 Acts of the 70th Legislature, 2nd Called Session,
37 1987). Section 1202.003(a), Government Code, requires

1 bonds to be submitted to the attorney general. Section
2 1202.003(b), Government Code, provides for approval of
3 the bonds by the attorney general and requires the
4 attorney general to submit the approved bonds to the
5 comptroller for registration. Section 1202.005,
6 Government Code, requires registration of the bonds by
7 the comptroller. Section 1202.006, Government Code,
8 provides that after approval and registration the
9 bonds are incontestable and binding obligations.
10 Chapter 1202, Government Code, applies to bonds issued
11 under this chapter by application of Section 1202.001,
12 Government Code. The omitted law reads:

13 (c) [Bonds of the district] . . .
14 shall be subject to the same requirements in
15 the manner of approval by the Attorney
16 General of Texas and registration by the
17 Comptroller of Public Accounts of the State
18 of Texas as are by law provided for approval
19 and registration of bonds issued by
20 counties. On the approval of the bonds by
21 the attorney general and registration by
22 the comptroller, the same shall be
23 incontestable for any cause.

24 Revised Law

25 Sec. 1063.206. REVENUE BONDS. (a) The district may issue
26 revenue bonds or certificates of obligation or may incur or assume
27 any other debt only if authorized by a majority of the district
28 voters voting in an election held for that purpose. This subsection
29 does not apply to refunding bonds or other debt incurred solely to
30 refinance an outstanding debt.

31 (b) The board may issue revenue bonds to:

32 (1) purchase, construct, acquire, repair, renovate,
33 or equip buildings or improvements for health care or hospital
34 purposes; or

35 (2) acquire sites to be used for health care or
36 hospital purposes.

37 (c) The bonds must be payable from and secured by a pledge of
38 all or part of the revenue derived from the operation of the
39 district's hospital or health care facilities.

1 (d) The bonds may be additionally secured by a mortgage or
2 deed of trust lien on all or part of district property.

3 (e) The bonds must be issued in the manner and in accordance
4 with the procedures and requirements prescribed by Sections
5 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
6 and Safety Code, for issuance of revenue bonds by a county hospital
7 authority. (Acts 65th Leg., R.S., Ch. 258, Secs. 9A, 10 (part).)

8 Source Law

9 Sec. 9A. The district may issue revenue bonds or
10 certificates of obligation or may incur or assume any
11 other debt only if authorized by a majority of the
12 voters of the district voting in an election held for
13 that purpose. This section does not apply to refunding
14 bonds or other debt incurred solely to refinance an
15 outstanding debt.

16 Sec. 10. In addition to the power to issue bonds
17 payable from taxes levied by the district, as
18 contemplated by Section 8 of this Act, the board of
19 directors is further authorized to issue and . . .
20 revenue bonds for purchasing, constructing,
21 acquiring, repairing, equipping, or renovating
22 buildings and improvements for health care or hospital
23 purposes and for acquiring sites for health care or
24 hospital purposes, the bonds to be payable from and
25 secured by a pledge of all or any part of the revenues
26 of the district to be derived from the operation of its
27 hospital or health care facilities. The bonds may be
28 additionally secured by a mortgage or deed of trust
29 lien on any part or all of its properties. The bonds
30 shall be issued in the manner and in accordance with
31 the procedures and requirements specified for the
32 issuance of revenue bonds by county hospital
33 authorities in Sections 8 and 10 through 13 of Chapter
34 122, Acts of the 58th Legislature, 1963 (Article
35 4494r, Vernon's Texas Civil Statutes).

36 Revisor's Note

37 (1) Section 10, Chapter 258, Acts of the 65th
38 Legislature, Regular Session, 1977, provides that the
39 district has the authority to issue revenue bonds
40 "[i]n addition to the power to issue bonds payable from
41 taxes levied by the district, as contemplated by
42 Section 8 of this Act." The revised law omits the
43 quoted language as unnecessary because an accepted
44 general principle of statutory construction requires a
45 statute to be given cumulative effect with other
46 statutes unless it provides otherwise or unless the
47 statutes are in conflict. The general principle

1 applies to this revision.

2 (2) Section 10, Chapter 258, Acts of the 65th
3 Legislature, Regular Session, 1977, refers to Sections
4 8 and 10 through 13 of Chapter 122, Acts of the 58th
5 Legislature, 1963 (Article 4494r, Vernon's Texas Civil
6 Statutes). Those provisions were codified in 1989 as
7 Sections 264.042, 264.043, 264.046, 264.047, 264.048,
8 and 264.049, Health and Safety Code. The revised law
9 is drafted accordingly.

10 Revised Law

11 Sec. 1063.207. REFUNDING BONDS. (a) The board may, without
12 an election, issue refunding bonds to refund outstanding
13 indebtedness issued or assumed by the district.

14 (b) A refunding bond may be:

15 (1) sold, with the proceeds of the refunding bond
16 applied to the payment of the outstanding indebtedness; or

17 (2) exchanged wholly or partly for not less than a
18 similar principal amount of outstanding indebtedness. (Acts 65th
19 Leg., R.S., Ch. 258, Secs. 8(a) (part), (b) (part), 10 (part).)

20 Source Law

21 Sec. 8. (a) . . . [No bonds shall be issued by
22 such hospital district] except refunding bonds [until
23 authorized by a majority of the electors of the
24 district]. . . .

25 (b) Refunding bonds of the district may be
26 issued for the purpose of refunding and paying off any
27 outstanding indebtedness it has issued or assumed.
28 Such refunding bonds may be sold and the proceeds
29 thereof applied to the payment of outstanding
30 indebtedness or may be exchanged in whole or in part
31 for not less than a like principal amount of
32 outstanding indebtedness. . . .

33 Sec. 10. . . . [the board of directors is
34 further authorized] . . . to refund any previously
35 issued [revenue bonds]

36 Revisor's Note

37 Section 8(b), Chapter 258, Acts of the 65th
38 Legislature, Regular Session, 1977, provides that
39 refunding bonds sold to pay outstanding indebtedness
40 must be issued and payments made in the manner
41 specified by Chapter 503, Acts of the 54th

1 Legislature, Regular Session, 1955, as amended
2 (Article 717k, Vernon's Texas Civil Statutes). In
3 addition, the section provides that refunding bonds
4 must be issued in conformity with Chapter 784, Acts of
5 the 61st Legislature, Regular Session, 1969 (Article
6 717k-3, Vernon's Texas Civil Statutes). Articles 717k
7 and 717k-3 were codified in 1999 as Chapter 1207,
8 Government Code. The revised law omits the provisions
9 because Chapter 1207, Government Code, applies to the
10 district by its own terms under Section 1207.001,
11 Government Code. The omitted law reads:

12 (b) . . . If the refunding bonds are
13 to be sold and the proceeds applied to the
14 payment of any outstanding indebtedness,
15 the refunding bonds shall be issued and
16 payments made in the manner specified by
17 Chapter 503, Acts of the 54th Legislature,
18 1955, as amended (Article 717k, Vernon's
19 Texas Civil Statutes). Refunding bonds
20 shall be issued in conformity with Chapter
21 784, Acts of the 61st Legislature, Regular
22 Session, 1969 (Article 717k-3, Vernon's
23 Texas Civil Statutes).

24 Revised Law

25 Sec. 1063.208. BONDS EXEMPT FROM TAXATION. The following
26 are exempt from taxation by this state or a political subdivision of
27 this state:

- 28 (1) bonds issued by the district;
29 (2) the transfer and issuance of the bonds; and
30 (3) profits made in the sale of the bonds. (Acts 65th
31 Leg., R.S., Ch. 258, Sec. 22 (part).)

32 Source Law

33 Sec. 22. . . . any bonds issued by it and their
34 transfer and the issuance therefrom, including any
35 profits made in the sale thereof, shall at all times be
36 free from taxation by the state or any municipality or
37 political subdivision thereof.

38 Revisor's Note

39 Section 22, Chapter 258, Acts of the 65th
40 Legislature, Regular Session, 1977, refers to "any
41 municipality or political subdivision" of this state.
42 The revised law omits "municipality" because that term

1 is included in the meaning of "political subdivision"
2 of this state.

3 Revised Law

4 Sec. 1063.209. TAX ANTICIPATION NOTES. (a) The board may:

5 (1) declare an emergency because money is not
6 available to:

7 (A) pay the principal of and interest on any
8 district bonds payable wholly or partly from taxes; or

9 (B) meet any other needs of the district; and

10 (2) issue negotiable tax anticipation notes to borrow
11 the money the district needs.

12 (b) Tax anticipation notes may be issued for any purpose for
13 which the district may impose taxes.

14 (c) Tax anticipation notes may bear interest at any rate or
15 rates authorized by law.

16 (d) Tax anticipation notes must mature not later than one
17 year after the date of issuance.

18 (e) Tax anticipation notes must be secured by the proceeds
19 of taxes to be imposed by the district in the succeeding 12-month
20 period.

21 (f) The board may covenant with the note purchasers that the
22 board will impose a sufficient tax in the following fiscal year to
23 pay the principal of and interest on the notes and pay the costs of
24 collecting the taxes. (Acts 65th Leg., R.S., Ch. 258, Sec. 11(d).)

25 Source Law

26 (d) The board may declare an emergency in the
27 matter of funds not being available to pay principal of
28 and interest on any bonds of the district payable in
29 whole or in part from taxes or to meet any other needs
30 of the district and may issue negotiable tax
31 anticipation notes to borrow the money needed by the
32 district. Tax anticipation notes may bear interest at
33 any rate or rates authorized by general law and must
34 mature within one year of their date. Tax anticipation
35 notes may be issued for any purpose for which the
36 district is authorized to levy taxes, and tax
37 anticipation notes shall be secured with the proceeds
38 of taxes to be levied by the district in the succeeding
39 12-month period. The board may covenant with the
40 purchasers of the notes that the board will levy a
41 sufficient tax in the following fiscal year to pay
42 principal of and interest on the notes and pay the
43 costs of collecting the taxes.

1 Revised Law

2 Sec. 1063.210. CERTIFICATES OF OBLIGATION. (a) The
3 district may issue and sell certificates of obligation for a
4 purpose permitted under this chapter.

5 (b) The certificates of obligation must be issued and sold
6 in conformity with and in the manner specified for a municipality or
7 county by Subchapter C, Chapter 271, Local Government Code. (Acts
8 65th Leg., R.S., Ch. 258, Sec. 8(d).)

9 Source Law

10 (d) The district shall have the same power and
11 authority as cities and counties under The Certificate
12 of Obligation Act of 1971 (Article 2368a.1, Vernon's
13 Texas Civil Statutes) to issue and sell certificates
14 of obligation for permitted purposes under this Act in
15 accordance with the provisions of The Certificate of
16 Obligation Act. Certificates of obligation shall be
17 issued in conformity with and in the manner specified
18 in The Certificate of Obligation Act, as it may be
19 amended from time to time.

20 Revisor's Note

21 (1) Section 8(d), Chapter 258, Acts of the 65th
22 Legislature, Regular Session, 1977, refers to "[t]he
23 Certificate of Obligation Act" (Article 2368a.1,
24 Vernon's Texas Civil Statutes). That statute was
25 codified in 1987 as Subchapter C, Chapter 271, Local
26 Government Code, and the revised law is drafted
27 accordingly.

28 (2) Section 8(d), Chapter 258, Acts of the 65th
29 Legislature, Regular Session, 1977, refers to the
30 Certificate of Obligation Act "as it may be amended
31 from time to time." The revised law omits the quoted
32 language for the reason stated in Revisor's Note (4) to
33 Section 1063.107.

34 Revisor's Note
35 (End of Subchapter)

36 (1) Section 14, Chapter 258, Acts of the 65th
37 Legislature, Regular Session, 1977, provides that
38 bonds issued under that act are authorized investments
39 for certain entities. The revised law omits the

1 provision as unnecessary. As to several of the
2 entities listed, Section 14 has been superseded and
3 impliedly repealed. Investments in securities by
4 banks are regulated by Section 34.101, Finance Code
5 (enacted in 1995 as Section 5.101, Texas Banking Act
6 (Article 342-5.101, Vernon's Texas Civil Statutes)).
7 Investments in securities by savings banks are
8 regulated by Section 93.001(c)(10), Finance Code
9 (enacted in 1993 as Section 7.15(10), Texas Savings
10 Bank Act (Article 489e, Vernon's Texas Civil
11 Statutes)). Investments in securities by trust
12 companies are regulated by Section 184.101, Finance
13 Code (enacted in 1997 as Section 5.101, Texas Trust
14 Company Act (Article 342a-5.101, Vernon's Texas Civil
15 Statutes)). Investments in securities by savings and
16 loan associations are regulated by Sections 63.002 and
17 64.001, Finance Code. As to the remaining entities
18 listed, Section 14 is superseded by Section 1201.041,
19 Government Code, enacted as Section 9, Bond Procedures
20 Act of 1981 (Article 717k-6, Vernon's Texas Civil
21 Statutes). Section 1201.041, Government Code, applies
22 to bonds issued under this chapter by application of
23 Section 1201.002, Government Code. The revised law
24 omits the reference to public funds of this state
25 because it has been superseded by Section 404.024,
26 Government Code (enacted in 1985 as Section 2.014,
27 Treasury Act (Article 4393-1, Vernon's Texas Civil
28 Statutes)), which governs the investment of state
29 funds. Section 404.024(b)(10), Government Code,
30 authorizes the investment of state funds in
31 obligations of political subdivisions, including
32 hospital districts. The omitted law reads:

33 Sec. 14. All bonds issued and
34 indebtedness assumed by the district shall
35 be and are hereby declared to be legal and
36 authorized investments of banks, savings

1 banks, trust companies, building and loan
2 associations, savings and loan
3 associations, insurance companies,
4 trustees, and sinking funds of cities,
5 towns, villages, counties, school
6 districts, or other political subdivisions
7 of the State of Texas, and for all public
8 funds of the State of Texas or its agencies
9 including the Permanent School Fund. . . .

10 (2) Section 14, Chapter 258, Acts of the 65th
11 Legislature, Regular Session, 1977, effectively
12 provides that bonds issued under that chapter may
13 secure deposits of public funds of this state or
14 political subdivisions of this state. The revised law
15 omits the provision as impliedly repealed by Section
16 404.0221, Government Code (enacted in 1995), which
17 lists eligible collateral for deposits of state funds
18 by the comptroller, and by Chapter 2257, Government
19 Code (enacted in 1989 as Article 2529d, Vernon's Texas
20 Civil Statutes), which governs eligible collateral for
21 deposits of funds of other public agencies, including
22 political subdivisions. The omitted law reads:

23 Sec. 14. . . . Such bonds and
24 indebtedness shall be eligible to secure
25 deposit of public funds of the State of
26 Texas and public funds of cities, towns,
27 villages, counties, school districts, or
28 other political subdivisions or
29 corporations of the State of Texas and shall
30 be lawful and sufficient security for said
31 deposits to the extent of their value when
32 accompanied by all unmatured coupons
33 appurtenant thereto.

35 SUBCHAPTER F. TAXES

36 Revised Law

37 Sec. 1063.251. IMPOSITION OF AD VALOREM TAX. (a) The board
38 shall impose an ad valorem tax on all taxable property in the
39 district subject to district taxation.

40 (b) The board shall impose the tax to pay:

41 (1) indebtedness issued or assumed by the district;

42 and

43 (2) the maintenance and operating expenses of the
44 district.

1 (c) The board may not impose a tax to pay the principal of or
2 interest on revenue bonds issued under this chapter. (Acts 65th
3 Leg., R.S., Ch. 258, Secs. 13(a) (part), 16(a) (part).)

4 Source Law

5 Sec. 13. (a) The board of directors shall
6 annually levy a tax . . . for the purpose of paying:

7 (1) the indebtedness assumed or issued by
8 the district, but no tax shall be levied to pay
9 principal of or interest on revenue bonds issued under
10 the provisions of Section 8 of this Act; and

11 (2) the maintenance and operating expenses
12 of the district.

13 Sec. 16. (a) . . . Hospital tax shall be
14 levied upon all taxable property within the district
15 subject to hospital district taxation.

16 Revisor's Note

17 Section 16(a), Chapter 258, Acts of the 65th
18 Legislature, Regular Session, 1977, provides that the
19 district may impose taxes for the entire year in which
20 the district is established. The revised law omits
21 that provision as executed. The omitted law reads:

22 Sec. 16. (a) The directors shall
23 have the authority to levy taxes for the
24 entire year in which the district is created
25 as the result of the election herein
26 provided. . . .

27 Revised Law

28 Sec. 1063.252. TAX RATE. (a) The board may impose the tax
29 at a rate not to exceed 75 cents on each \$100 valuation of taxable
30 property in the district subject to district taxation.

31 (b) In setting the tax rate, the board shall consider the
32 income of the district from sources other than taxation. (Acts 65th
33 Leg., R.S., Ch. 258, Secs. 3(b) (part), 13(a) (part), (b) (part).)

34 Source Law

35 [Sec. 3]

36 (b) . . . [hospital district shall be created
37 with authority to levy annual taxes] at a rate not to
38 exceed 75 cents on the \$100 valuation on all taxable
39 property situated within the hospital district,
40 subject to hospital district taxation,

41 Sec. 13. (a) [The board of directors shall
42 annually levy a tax] not to exceed the amount
43 hereinabove permitted

44 (b) In setting the tax rate the board shall take
45 into consideration the income of the district from
46 sources other than taxation. . . .

1 Revisor's Note

2 Section 13(b), Chapter 258, Acts of the 65th
3 Legislature, Regular Session, 1977, requires the board
4 to levy the tax and to certify the tax rate to the tax
5 assessor-collector. The revised law omits that
6 provision because Section 26.05(a), Tax Code, requires
7 the governing body of a taxing unit to adopt a tax rate
8 for the current tax year and to notify the tax assessor
9 for the unit of that rate. The omitted law reads:

10 (b) . . . On determination of the
11 amount of tax required to be levied, the
12 board shall make the levy and certify the
13 same to the tax assessor-collector.

14 Revised Law

15 Sec. 1063.253. ASSESSMENT AND COLLECTION BY COUNTY TAX
16 ASSESSOR-COLLECTOR. (a) This section applies unless the board
17 elects to have district taxes assessed and collected under Section
18 1063.254.

19 (b) The tax assessor-collector of Montgomery County shall
20 assess and collect taxes imposed by the district. (Acts 65th Leg.,
21 R.S., Ch. 258, Secs. 16(a) (part), (b) (part).)

22 Source Law

23 (a) . . . unless the directors, by majority
24 vote, elect to have taxes assessed and collected by its
25 own tax assessor-collector under Subsection (c) of
26 this section. . . .

27 (b) . . . The tax assessor-collector of the
28 county in which the district is situated shall be
29 charged and required to accomplish the assessment and
30 collection of all taxes levied by and on behalf of the
31 district. . . .

32 Revisor's Note

33 (1) Sections 16(a) and (b), Chapter 258, Acts of
34 the 65th Legislature, Regular Session, 1977, refer to
35 the assessment and collection of district taxes on
36 county tax values. The revised law omits those
37 provisions because they were repealed by Section 6(b),
38 Chapter 841, Acts of the 66th Legislature, Regular
39 Session, 1979, which repealed all "general, local, and
40 special laws" that conflicted with that act. The 1979

1 act enacted the Property Tax Code (Title 1, Tax Code),
2 a comprehensive, substantive codification of property
3 tax law. Title 1, Tax Code, provides the exclusive
4 procedures for the appraisal of property for taxation
5 by a taxing unit, including a hospital district. The
6 omitted law reads:

7 (a) . . . All taxes of the district
8 shall be assessed and collected on county
9 tax values as provided in Subsection (b) of
10 this section

11 (b) Under this subsection, district
12 taxes shall be assessed and collected on
13 county tax values in the same manner as
14 provided by law with relation to county
15 taxes. . . .

16 (2) Section 16(b), Chapter 258, Acts of the 65th
17 Legislature, Regular Session, 1977, refers to the tax
18 assessor-collector "of the county in which the
19 district is situated." The revised law substitutes
20 "Montgomery County" for the quoted language because
21 that is the county in which the district is located.

22 (3) Section 16(b), Chapter 258, Acts of the 65th
23 Legislature, Regular Session, 1977, provides that the
24 county tax assessor-collector may charge a fee for the
25 assessment and collection of district taxes. The
26 revised law omits that provision because it was
27 repealed by Section 6(b), Chapter 841, Acts of the 66th
28 Legislature, Regular Session, 1979. See Revisor's
29 Note (1). Section 6.27(b), Tax Code, provides for the
30 compensation of a county tax assessor-collector
31 assessing and collecting taxes for another taxing
32 unit. The omitted law reads:

33 (b) . . . The assessor-collector of
34 taxes shall charge and deduct from payments
35 to the hospital district an amount as fees
36 for assessing and collecting the taxes at a
37 rate of one percent of the taxes assessed
38 and one percent of the taxes collected but
39 in no event shall the amount paid exceed
40 \$5,000 in any one calendar year. Such fees
41 shall be deposited in the officers salary
42 fund of the county and reported as fees of
43 office of the county tax
44 assessor-collector. . . .

1 (4) Section 16(b), Chapter 258, Acts of the 65th
2 Legislature, Regular Session, 1977, provides that
3 interest and penalties on district taxes and discounts
4 are the same as for county taxes. The revised law
5 omits those provisions as unnecessary. Section 1.02,
6 Tax Code, requires all taxing units of government to
7 administer the assessment, collection, and
8 enforcement of taxes in conformity with Title 1, Tax
9 Code. Chapter 33, Tax Code, provides for the
10 assessment of penalties and interest on delinquent
11 taxes, and Section 31.05, Tax Code, provides for local
12 option discounts on the early payment of taxes. The
13 omitted law reads:

14 (b) . . . Interest and penalties on
15 taxes paid to the hospital district shall be
16 the same as in the case of county taxes.
17 Discounts shall be the same as allowed by
18 the county. . . .

19 (5) Section 16(b), Chapter 258, Acts of the 65th
20 Legislature, Regular Session, 1977, provides that tax
21 revenue shall be deposited in the district's
22 depository. The revised law omits the provision
23 because Section 31.10, Tax Code, requires the tax
24 assessor-collector of a taxing unit to deposit taxes
25 collected in the unit's depository. The omitted law
26 reads:

27 (b) . . . The residue of tax
28 collections after deduction of discounts
29 and fees for assessing and collecting shall
30 be deposited in the district's
31 depository. . . .

32 (6) Section 16(b), Chapter 258, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that the
34 bond of the county tax assessor-collector is security
35 for the performance of district duties unless the
36 board determines that an additional bond is necessary.
37 The revised law omits that provision because it
38 duplicates Section 6.29(b), Tax Code, which authorizes

1 a taxing unit for which the county tax
2 assessor-collector collects a tax to require that
3 collector to post an additional bond. The omitted law
4 reads:

5 (b) . . . The bond of the county tax
6 assessor-collector shall stand as security
7 for the proper performance of his duties as
8 assessor-collector of the district, or if
9 in the judgment of the district board of
10 directors it is necessary, additional bond
11 payable to the district may be required.
12 . . .

13 (7) Section 16(b), Chapter 258, Acts of the 65th
14 Legislature, Regular Session, 1977, states that the
15 tax assessor-collector may act in accordance with
16 state law relating to the assessment, collection, and
17 enforcement of state and county taxes. The revised law
18 omits that provision as unnecessary. The state law
19 relating to the assessment, collection, and
20 enforcement of all ad valorem taxes is Title 1, Tax
21 Code. Section 1.02, Tax Code, requires all taxing
22 units of government to administer the assessment,
23 collection, and enforcement of taxes in conformity
24 with that title. The omitted law reads:

25 (b) . . . In all matters pertaining
26 to the assessment, collection, and
27 enforcement of taxes for the district, the
28 county tax assessor-collector shall be
29 authorized to act in all respects according
30 to the laws of the State of Texas relating
31 to state and county taxes.

32 Revised Law

33 Sec. 1063.254. ASSESSMENT AND COLLECTION BY APPOINTMENT OR
34 CONTRACT. (a) The board may elect to:

35 (1) appoint a tax assessor-collector to assess and
36 collect district taxes; or

37 (2) contract for the assessment and collection of
38 taxes as provided by the Tax Code.

39 (b) An election under this section must be made by December
40 1 and governs the manner in which taxes are assessed and collected,
41 until changed by a similar resolution.

1 (c) The board shall set for the appointed tax
2 assessor-collector:

3 (1) the term of employment; and

4 (2) compensation. (Acts 65th Leg., R.S., Ch. 258,
5 Secs. 16(a) (part), (c) (part).)

6 Source Law

7 (a) . . . Any such election may be made prior to
8 December 1 annually and shall govern the manner in
9 which taxes are subsequently assessed and collected
10 until changed by a similar resolution. . . .

11 (c) Under this subsection, taxes may be assessed
12 and collected by a tax assessor-collector appointed by
13 the directors, who shall also fix the term of his
14 employment, compensation, and . . . or the district
15 may contract for the assessment and collection of
16 taxes as provided by the Tax Code.

17 Revisor's Note

18 Section 16(c), Chapter 258, Acts of the 65th
19 Legislature, Regular Session, 1977, requires the board
20 to set a bond amount of not less than \$5,000 as
21 security for the appointed tax assessor-collector.
22 The revised law omits the provision because it was
23 repealed by Section 6(b), Chapter 841, Acts of the 66th
24 Legislature, Regular Session, 1979. See Revisor's
25 Note (1) to Section 1063.253. Section 6.29(a), Tax
26 Code, authorizes the governing body of a taxing unit,
27 including a hospital district, to require the unit's
28 tax assessor-collector to post bond without limiting
29 the amount. The omitted law reads:

30 (c) . . . [directors, who shall also
31 fix the] . . . requirement for bond to
32 assure the faithful performance of his
33 duties, but in no event shall such bond be
34 for less than \$5,000,

35 Revised Law

36 Sec. 1063.255. PETITION AND ORDER FOR ELECTION TO REDUCE
37 TAX RATE. (a) Notwithstanding Section 26.07(b)(3), Tax Code, a
38 petition to require an election under Section 26.07, Tax Code, on
39 reducing the district's tax rate to the rollback tax rate shall be
40 submitted to the Montgomery County elections administrator instead

1 of to the board.

2 (b) Notwithstanding Section 26.07(c), Tax Code, not later
3 than the 20th day after the date a petition is submitted under
4 Subsection (a), the elections administrator shall:

5 (1) determine whether the petition is valid under
6 Section 26.07, Tax Code; and

7 (2) certify the determination of the petition's
8 validity to the board.

9 (c) If the elections administrator fails to act within the
10 time allowed, the petition is treated as if it had been found valid.

11 (d) Notwithstanding Section 26.07(d), Tax Code, if the
12 elections administrator certifies to the board that the petition is
13 valid or fails to act within the time allowed, the board shall order
14 that an election under Section 26.07, Tax Code, to determine
15 whether to reduce the district's tax rate to the rollback rate be
16 held in the district in the manner prescribed by Section 26.07(d) of
17 that code.

18 (e) The district shall reimburse the elections
19 administrator for reasonable costs incurred in performing the
20 duties required by this section. (Acts 65th Leg., R.S., Ch. 258,
21 Sec. 13A.)

22 Source Law

23 Sec. 13A. (a) Notwithstanding Section
24 26.07(b)(3), Tax Code, a petition to require an
25 election under Section 26.07, Tax Code, on reducing
26 the district's tax rate to the rollback tax rate shall
27 be submitted to the county elections administrator of
28 Montgomery County instead of to the board of directors
29 of the district.

30 (b) Notwithstanding Section 26.07(c), Tax Code,
31 not later than the 20th day after the day a petition is
32 submitted under Subsection (a) of this section, the
33 county elections administrator shall:

34 (1) determine whether the petition is
35 valid under Section 26.07, Tax Code; and

36 (2) certify the determination of the
37 petition's validity to the board of directors of the
38 district.

39 (c) If the county elections administrator fails
40 to act within the time allowed, the petition is treated
41 as if it had been found valid.

42 (d) Notwithstanding Section 26.07(d), Tax Code,
43 if the county elections administrator certifies to the
44 board of directors that the petition is valid or fails
45 to act within the time allowed, the board of directors
46 shall order that an election under Section 26.07, Tax

1 Code, to determine whether to reduce the district's tax
2 rate to the rollback rate be held in the district in
3 the manner prescribed by Section 26.07(d) of that
4 code.

5 (e) The district shall reimburse the county
6 elections administrator for reasonable costs incurred
7 in performing the duties required by this section.

9 SUBCHAPTER G. DISSOLUTION

10 Revised Law

11 Sec. 1063.301. DISSOLUTION ELECTION; PETITION. (a) The
12 board may order an election on the question of dissolving the
13 district and disposing of the district's assets and obligations.

14 (b) The board shall order an election on the question of
15 dissolving the district and disposing of the district's assets and
16 obligations if the board receives a petition by district residents
17 requesting an election that:

18 (1) is certified as valid by the Montgomery County
19 elections administrator under Section 1063.302; or

20 (2) the Montgomery County elections administrator
21 fails to act on within the time allowed by Section 1063.302.

22 (c) A petition requesting an election must:

23 (1) state that it is intended to request an election in
24 the district on the question of dissolving the district and
25 disposing of the district's assets and obligations;

26 (2) be signed by a number of district residents equal
27 to at least 15 percent of the total vote received by all candidates
28 for governor in the most recent gubernatorial general election in
29 the district that occurs more than 30 days before the date the
30 petition is submitted; and

31 (3) be submitted to the Montgomery County elections
32 administrator. (Acts 65th Leg., R.S., Ch. 258, Secs. 23A(a),
33 23B(a), (a-3).)

34 Source Law

35 Sec. 23A. (a) The board of directors may order
36 an election on the question of dissolving the district
37 and disposing of the district's assets and
38 obligations.

39 Sec. 23B. (a) The residents of the district by
40 petition may request the board of directors to order an

1 election on the question of dissolving the district
2 and disposing of the district's assets and
3 obligations. A petition must:

4 (1) state that it is intended to request an
5 election in the district on the question of dissolving
6 the district and disposing of the district's assets and
7 obligations;

8 (2) be signed by a number of residents of
9 the district equal to at least 15 percent of the total
10 vote received by all candidates for governor in the
11 most recent gubernatorial general election in the
12 district that occurs more than 30 days before the date
13 the petition is submitted; and

14 (3) be submitted to the county elections
15 administrator of Montgomery County.

16 (a-3) If the county elections administrator
17 certifies to the board of directors that the petition
18 is valid or fails to act within the time allowed, the
19 board of directors shall order that a dissolution
20 election be held in the district in the manner
21 prescribed by this section.

22 Revised Law

23 Sec. 1063.302. VALIDITY OF PETITION FOR ELECTION. (a) Not
24 later than the 30th day after the date a petition requesting the
25 dissolution of the district is submitted under Section 1063.301,
26 the Montgomery County elections administrator shall:

27 (1) determine whether the petition is valid; and

28 (2) certify the determination of the petition's
29 validity to the board.

30 (b) If the elections administrator fails to act within the
31 time allowed, the petition is treated as if it had been found valid.

32 (c) If a petition submitted under Section 1063.301 does not
33 contain the necessary number of valid signatures, the district
34 residents may not submit another petition under Section 1063.301
35 before the third anniversary of the date the invalid petition was
36 submitted.

37 (d) The district shall reimburse the county elections
38 administrator for reasonable costs incurred in performing the
39 duties required by this section. (Acts 65th Leg., R.S., Ch. 258,
40 Secs. 23B(a-1), (a-2), (a-4), (a-5).)

41 Source Law

42 (a-1) Not later than the 30th day after the date
43 a petition requesting the dissolution of the district
44 is submitted under Subsection (a) of this section, the
45 county elections administrator shall:

46 (1) determine whether the petition is
47 valid; and

1 (2) certify the determination of the
2 petition's validity to the board of directors of the
3 district.

4 (a-2) If the county elections administrator
5 fails to act within the time allowed, the petition is
6 treated as if it had been found valid.

7 (a-4) If a petition submitted under Subsection
8 (a) of this section does not contain the necessary
9 number of valid signatures, the residents of the
10 district may not submit another petition under
11 Subsection (a) of this section before the third
12 anniversary of the date the invalid petition was
13 submitted.

14 (a-5) The district shall reimburse the county
15 elections administrator for reasonable costs incurred
16 in performing the duties required by this section.

17 Revised Law

18 Sec. 1063.303. ELECTION DATE. An election under this
19 subchapter shall be held on the earlier of the following dates that
20 occurs at least 90 days after the date on which the election is
21 ordered:

22 (1) the uniform election date in May; or

23 (2) the date of the general election for state and
24 county officers. (Acts 65th Leg., R.S., Ch. 258, Secs. 23A(b),
25 23B(b).)

26 Source Law

27 [Sec. 23A]

28 (b) The election shall be held on the earlier of

41 Revisor's Note

42 Sections 23A(b) and 23B(b), Chapter 258, Acts of
43 the 65th Legislature, Regular Session, 1977, as added
44 by Chapter 747, Acts of the 76th Legislature, Regular
45 Session, 1999, provide for an election under either
46 section to be held on the first Saturday in May or the
47 date of the general election for state and county
48 officers. The revised law substitutes "uniform

1 election date in May" for "first Saturday in May" for
2 the reason stated in Revisor's Note (2) to Section
3 1063.051.

4 Revised Law

5 Sec. 1063.304. BALLOT. The ballot for an election under

26 the Election Code. The revised law omits the
27 requirement because it duplicates Section 1.002,
28 Election Code, which provides that the Election Code
29 applies to all elections held in this state. The
30 omitted law reads:

31 [Sec. 23A]

32 (c) . . . The election shall be held
33 in accordance with the applicable
34 provisions of the Election Code.

35 [Sec. 23B]

30 administer the district and another election on the

34 Revisor's Note

35 Sections 23A(d) and 23B(d), Chapter 258, Acts of
36 the 65th Legislature, Regular Session, 1977, provide
37 timelines for subsequent elections on the question of

39 an election do not favor dissolution. The timelines
40 vary according to the method of calling the election.
41 Those methods are revised in Subsections (a) and (b) of
42 Section 1063.301, and the revised law is drafted
43 accordingly.

17 Chapter 476, Acts of the 79th Legislature, Regular
18 Session, 2005, provide transition procedures related
19 to petitions to dissolve the district. The revised law
20 omits those provisions as executed. The omitted law
21 reads:

28 Sec. 3. The change in law made by
29 this Act applies only to a petition filed on
30 or after the effective date of this Act. A
31 petition filed before the effective date of
32 this Act is governed by the law in effect on
33 the date the petition was filed, and the
34 former law is continued in effect for that
35 purpose.

36 Revisor's Note
37 (End of Chapter)

38 (1) Sections 2 and 20, Chapter 258, Acts of the
39 65th Legislature, Regular Session, 1977, provide for
40 the transfer of certain land, buildings, improvements,
41 equipment, funds, and taxes to the district after the
42 district is created and provide for the assumption of
43 debt by the district on creation. The revised law

35 omitted law reads:

36 Sec. 23. The legislature hereby
37 recognizes there is some confusion as to the
38 proper qualification of electors in the
39 light of recent court decisions. It is the
40 intention of this Act to provide a procedure
41 for the creation of the hospital district
42 and to allow the district, when created, to

44 in each instance the authority shall be
45 predicated on the expression of the will of
46 the majority of those who cast valid ballots
47 at an election called for the purpose.
48 Should the body calling an election

53 by reason of the aforesaid court decisions
54 nothing herein shall be construed as a
55 limitation on the power to call and hold an
56 election; provided provision is made for
57 the voting, tabulating, and counting of the

6 proposition.

7 (3) Section 24, Chapter 258, Acts of the 65th
8 Legislature, Regular Session, 1977, provides for that
9 act to expire if the district has not been created
10 before a certain date. The revised law omits the
11 provision as executed. The omitted law reads:

13 not been created under this Act by January
14 1, 1982, then the Act will no longer be in
15 effect.

17 Legislature, Regular Session, 1977, provides that
18 public notice was provided in a manner that satisfies
19 the requirements of the Texas Constitution. The
20 revised law omits that section as executed. The
21 omitted law reads:

22 Sec. 25. Proof of publication of the
23 notice required in the enactment hereof

32 Legislature, Regular Session, 1981, validates all
33 proceedings and actions relating to the creation of
34 the district and certain other matters related to the
35 district. The revised law omits the provisions as
36 executed. The omitted law reads:

37 Sec. 3. (a) The election and all
38 proceedings and actions relating to the
39 creation of the Montgomery County Hospital
40 District are validated, notwithstanding
41 that the election, proceedings, and actions
42 may not have been conducted in accordance
43 with law.

7 accordance with law or that the elections of
8 directors may not have been conducted in
9 accordance with law.

10 (d) This Act does not validate an
11 election, proceeding, or action the
12 validity of which is contested in
13 litigation pending at the time this Act
14 becomes effective, if the litigation is
15 ultimately determined against the validity
16 of the election, proceeding, or action.

17 (6) Sections 8 and 9, Chapter 267, Acts of the
18 73rd Legislature, Regular Session, 1993, contain
19 legislative findings relating to the performance of
20 all requirements of the Texas Constitution and to the
21 authority of the legislature to enact Chapter 267. The
22 revised law omits those provisions as executed. The
23 omitted law reads:

24 Sec. 8. The legislature finds that
25 all of the requirements of the Texas
26 Constitution have been performed or
27 accomplished as required, and in the time
28 and order required, and that the
29 legislature has the power and authority to
30 enact this Act.

31 Sec. 9. The legislature hereby
32 declares that the enactment of this Act is
33 in fulfillment of authority conferred on it
34 by Article IX, Section 9, of the Texas
35 Constitution; that the Montgomery County
36 Hospital District and the indigent health
37 care services and other health care
38 services and facilities that it is able to
39 provide or arrange for the provision of are
40 essential to and operate on a subject in
41 which the state and public at large are
42 interested; and that the provisions of this
43 Act therefore operate on a subject in which
44 the state and the public are interested.
45 All the terms and provisions of this Act are
46 to be liberally construed to effectuate the
47 purposes set forth herein.

15 SUBCHAPTER A. GENERAL PROVISIONS

16 Revised Law

- 17 Sec. 1064.001. DEFINITIONS. In this chapter:
 18 (1) "Board" means the board of directors of the
 19 district.
 20 (2) "Director" means a member of the board.
 21 (3) "District" means the Moore County Hospital
 22 District. (New.)

23 Revisor's Note

24 The definitions of "board," "director," and
 25 "district" are added to the revised law for drafting
 26 convenience and to eliminate frequent, unnecessary
 27 repetition of the substance of the definitions.

28 Revised Law

29 Sec. 1064.002. AUTHORITY FOR OPERATION. The Moore County
 30 Hospital District operates in accordance with Section 9, Article
 31 IX, Texas Constitution, and has the rights, powers, and duties
 32 provided by this chapter. (Acts 61st Leg., R.S., Ch. 287, Sec. 1

Source Law

Sec. 1. In accordance with the provisions of Article IX, Section 9, of the Texas Constitution, this Act shall be operative so as to authorize the creation, establishment, maintenance, and operation of a hospital district within this state . . . to be known as "Moore County Hospital District," with such rights, powers, and duties as provided in this Act.

Revisor's Note

Section 1, Chapter 287, Acts of the 61st Legislature, Regular Session, 1969, authorizes the "creation, establishment, maintenance, and operation" of the district. The revised law omits "creation" and "establishment" as executed. The revised law omits "maintenance" because, in this context, the meaning of that term is included in the meaning of "operation."

Revised Law

Sec. 1064.003. ESSENTIAL PUBLIC FUNCTION. The district performs an essential public function in carrying out the purposes of this chapter. (Acts 61st Leg., R.S., Ch. 287, Sec. 21 (part).)

Source Law

Sec. 21. In carrying out the purposes of this Act, the district will be performing an essential public function and

Revised Law

Sec. 1064.004. DISTRICT TERRITORY. The boundaries of the district are coextensive with the boundaries of Moore County, Texas, unless the boundaries are expanded under Subchapter D. (Acts 61st Leg., R.S., Ch. 287, Secs. 1 (part), 1A (part).)

Source Law

Sec. 1. . . . with boundaries coextensive with the boundaries of Moore County, Texas,
Sec. 1A. . . . territory . . . may be annexed or added to the area included in the boundaries of the proposed district set forth in Section 1.

Revised Law

Sec. 1064.005. CORRECTION OF INVALID PROCEDURES. If a court holds that any procedure under this chapter violates the constitution of this state or of the United States, the district by resolution may provide an alternative procedure that conforms with

1 the constitution. (Acts 61st Leg., R.S., Ch. 287, Sec. 22 (part).)

2 Source Law

3 Sec. 22. . . . [federal or state constitutions]
4 Where any procedure hereunder may be held by
5 any court to be violative of either of such
6 constitutions, the district shall have the power by
7 resolution to provide an alternative procedure
8 conformable with such constitutions. . . .

9 Revisor's Note

10 Section 22, Chapter 287, Acts of the 61st
11 Legislature, Regular Session, 1969, provides that the
12 act does not violate the federal or state constitution
13 and requires that action under the act comply with the
14 constitutions. The revised law omits the reference to
15 the federal constitution because, under the Supremacy
16 Clause of the United States Constitution (Clause 2,
17 Article VI), federal law always takes precedence over
18 a state statute. The revised law also omits the
19 reference to the Texas Constitution because the state
20 cannot modify constitutional requirements by statute.
21 The omitted law reads:

22 Sec. 22. Nothing in this Act shall be
23 construed to violate any provision of the
24 federal or state constitutions, and all
25 acts done under this Act shall be in such
26 manner as will conform thereto, whether
27 expressly provided or not. . . .

28 Revised Law

29 Sec. 1064.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
30 OBLIGATION. The support and maintenance of the district may not
31 become a charge against or obligation of this state. (Acts 61st
32 Leg., R.S., Ch. 287, Sec. 20 (part).)

33 Source Law

34 Sec. 20. The support and maintenance of the
35 hospital district shall never become a charge against
36 or obligation of the State of Texas,

39 The legislature may not make a direct appropriation for the

2 Source Law

3 Sec. 20. . . . nor shall any direct
4 appropriation be made by the legislature for the
5 construction, maintenance, or improvement of any of
6 the facilities of such district.

7 Revisor's Note
8 (End of Subchapter)

9 Sections 3(a), (b), and (c), Chapter 287, Acts of
10 the 61st Legislature, Regular Session, 1969, provide
11 procedures for holding an election on the creation of
12 the district and the imposition of an ad valorem tax.
13 Because the creation of the district and the
14 imposition of the tax were approved at the election,
15 the revised law omits the relevant law as executed.
16 The omitted law reads:

17 Sec. 3. (a) The district shall not
18 be created, nor shall any tax therein be
19 authorized unless and until such creation
20 and such tax are approved by a majority of
21 the qualified property taxpaying electors
22 of the area of the proposed district voting
23 at an election called for that purpose.
24 Such election may be called by the County
25 Judge of Moore County or shall be called by
26 the county judge upon presentation of a
27 petition therefor signed by at least 100
28 qualified property taxpaying electors of
29 the area of the proposed district. . . .
30 further provided, if this district is not
31 confirmed within 5 years of the effective
32 date of this Act, this Act is hereby
33 repealed.

34 (b) At the election there shall be
35 submitted to the qualified property
36 taxpaying electors of the area of the
37 proposed district the proposition of
38 whether the hospital district shall be
39 created with authority to levy annual taxes
40 . . . for the purpose of meeting the
41 requirements of the district's bonds,
42 indebtedness assumed by it, and its
43 maintenance and operating expenses, and a
44 majority of the qualified property
45 taxpaying electors voting at said election
46 in favor of the proposition shall be
47 sufficient for its adoption.

48 (c) The form of ballot used at the
49 election on the creation of the district
50 shall be in conformity with Sections 61, 62,
51 and 63, Texas Election Code, as amended
52 (Articles 6.05, 6.06, 6.07, Vernon's Texas
53 Election Code), so that ballots must be
54 printed to allow for voting for or against
55 the proposition: "The creation of Moore
56 County Hospital District, providing for the

1 levy of a tax not to exceed 75¢ on each \$100
2 valuation upon all taxable property
3 situated within said district subject to
4 hospital district taxation, and providing
5 for the assumption by such district of all
6 outstanding bonds and indebtedness
7 heretofore issued for hospital purposes by
8 Moore County and by any city or town within
9 said county."

11 SUBCHAPTER B. DISTRICT ADMINISTRATION

12 Revised Law

13 Sec. 1064.051. DEFINITION. In this subchapter, "medical
14 staff" means physicians who:

15 (1) are licensed to practice medicine in this state;
16 and

17 (2) hold medical staff privileges granted by the
18 district. (Acts 61st Leg., R.S., Ch. 287, Sec. 4(a).)

19 Source Law

20 Sec. 4. (a) In this section, "medical staff"
21 means physicians licensed to practice medicine in this
22 state and holding medical staff privileges granted by
23 the district.

24 Revised Law

25 Sec. 1064.052. BOARD; TERM. (a) The board consists of
26 seven directors, appointed as follows:

27 (1) six directors appointed by the Commissioners Court
28 of Moore County; and

29 (2) one director appointed by the medical staff of the
30 district's hospital in accordance with procedures prescribed by the
31 directors appointed under Subdivision (1).

32 (b) The director appointed under Subsection (a)(2) must be a
33 member of the medical staff of the district's hospital. If the
34 director is no longer a member of the medical staff, the person
35 vacates the position.

36 (c) Directors appointed under Subsection (a)(1) serve
37 staggered three-year terms. The director appointed under
38 Subsection (a)(2) serves a two-year term. (Acts 61st Leg., R.S.,
39 Ch. 287, Secs. 4(b), (c), (d); Acts 76th Leg., R.S., Ch. 1091, Sec.
40 11(c).)

2 [Sec. 4]

3 (b) The board of directors of the hospital
4 district consists of seven members, appointed as
5 follows:

6 (1) six members appointed by the
7 commissioners court of the county to serve staggered
8 three-year terms; and

9 (2) one member appointed by the medical
10 staff of the district's hospital under Subsection (d)
11 of this section to serve a two-year term.

12 (c) The member of the board of directors
13 appointed under Subsection (b)(2) of this section must
14 be a member of the medical staff of the district's
15 hospital. If the member is no longer a member of the
16 medical staff, the person vacates the position.

17 (d) The members of the board of directors
18 appointed under Subsection (b)(1) of this section
19 shall prescribe the procedures by which the medical
20 staff of the district's hospital shall select a board
21 member under this section.

22 [Sec. 11]

23 (c) Subsequent appointees of the Moore County
24 Commissioners Court serve three-year terms.

25 Revised Law

26 Sec. 1064.053. QUALIFICATIONS FOR OFFICE. (a) A person may
27 not be appointed as a director unless the person is:

28 (1) a district resident; and

29 (2) a qualified voter.

30 (b) Except as provided by Section 1064.052(a)(2), a person
31 is not eligible to serve as a director if the person is:

32 (1) a district administrator;

33 (2) a district employee; or

34 (3) a member of the medical staff. (Acts 61st Leg.,
35 R.S., Ch. 287, Sec. 4(f).)

36 Source Law

37 (f) No person shall be appointed as a member of
38 the board of directors unless the person is a resident
39 of the district and a qualified voter. Except as
40 provided by Subsections (b)(2) and (c) of this
41 section, a district administrator, employee, or a
42 member of the medical staff is not eligible to serve as
43 a director.

44 Revised Law

45 Sec. 1064.054. BOARD VACANCY. If a vacancy occurs in the
46 office of a director, the entity that appointed the vacating
47 director shall appoint a director for the unexpired term. (Acts
48 61st Leg., R.S., Ch. 287, Sec. 4(e).)

Sec. 1064.055. OFFICERS. (a) The board shall elect:

(1) a president and a vice president from among its members; and

(2) a secretary, who need not be a director.

(b) Each officer of the board serves for a term of one year.

(c) The board shall fill a vacancy in a board office for the unexpired term. (Acts 61st Leg., R.S., Ch. 287, Sec. 4(g) (part).)

Source Law

(g) The board of directors shall organize by electing one of their number as president and one of their number as vice president. A secretary, who need not be a director, shall also be elected. Officers shall be elected for a term of one year and vacancies shall be filled for the unexpired term by the board of directors. . . .

Revised Law

Sec. 1064.056. COMPENSATION; EXPENSES. A director or officer serves without compensation but may be reimbursed for actual expenses incurred in the performance of official duties. The expenses must be:

(1) reported in the district's records; and

(2) approved by the board. (Acts 61st Leg., R.S., Ch. 287, Sec. 4(g) (part).)

Source Law

(g) . . . All members of the board of directors and officers shall serve without compensation, but may be reimbursed for actual expenses incurred in the performance of their official duties upon the approval of such expenses by the board of directors and so reported in the minute book of the district or other records of the district.

Revisor's Note

Section 4(g), Chapter 287, Acts of the 61st Legislature, Regular Session, 1969, requires that approved expenses be reported in the "minute book of the district or other records of the district." The

1 revised law omits the reference to the "minute book of
2 the district" because the minute book is a district
3 record.

4 Revised Law

5 Sec. 1064.057. VOTING REQUIREMENT. A concurrence of four
6 directors is sufficient in any matter relating to district
7 business. (Acts 61st Leg., R.S., Ch. 287, Sec. 4(g) (part).)

8 Source Law

9 (g) . . . [members of the board of directors]
10 . . . a concurrence of four shall be sufficient in all
11 matters pertaining to the business of the district.
12 . . .

13 Revisor's Note

14 Section 4(g), Chapter 287, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that four
16 directors constitute a quorum. The revised law omits
17 that provision because it duplicates Section 311.013,
18 Government Code (Code Construction Act), which
19 provides that a quorum of a public body is a majority
20 of the number of members fixed by statute. The omitted
21 law reads:

22 (g) . . . Any four members of the
23 board of directors shall constitute a
24 quorum and . . .

25 Revised Law

26 Sec. 1064.058. ADMINISTRATOR; ASSISTANT ADMINISTRATOR.

27 (a) The board shall appoint a qualified person as district
28 administrator.

29 (b) The board may appoint an assistant administrator.

30 (c) The administrator and any assistant administrator serve
31 at the will of the board and are entitled to the compensation
32 determined by the board.

33 (d) On assuming the duties of district administrator, the
34 administrator shall execute a bond payable to the district in an
35 amount set by the board of not less than \$500,000 that:

36 (1) is conditioned on the administrator performing the
37 administrator's duties; and

1 (2) contains any other conditions the board requires.
2 (Acts 61st Leg., R.S., Ch. 287, Sec. 5 (part).)

3 Source Law

4 Sec. 5. . . . The board of directors shall
5 appoint a qualified person to be known as the
6 administrator or manager of the hospital district and
7 may in its discretion appoint an assistant to the
8 administrator or manager. Such administrator or
9 manager and assistant administrator or manager, if
10 any, shall serve at the will of the board and shall
11 receive such compensation as may be fixed by the board.
12 The administrator or manager shall, upon assuming his
13 duties, execute a bond payable to the hospital
14 district in an amount to be set by the board of
15 directors, in no event less than \$500,000 conditioned
16 that he shall perform the duties required of him, and
17 containing such other conditions as the board may
18 require. . . .

19 Revisor's Note

20 Section 5, Chapter 287, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that the
22 board shall appoint a person as the "administrator or
23 manager" of the district and may appoint an "assistant
24 administrator or manager." Throughout this chapter,
25 the revised law omits "manager" because, in context,
26 "manager" is included in the meaning of
27 "administrator" and "administrator" is the term used
28 by the district.

29 Revised Law

30 Sec. 1064.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
31 Subject to any limitations prescribed by the board, the district
32 administrator shall:

- 33 (1) supervise the work and activities of the district;
34 and
35 (2) direct the affairs of the district. (Acts 61st
36 Leg., R.S., Ch. 287, Sec. 5 (part).)

37 Source Law

38 Sec. 5. . . . The administrator or manager
39 shall supervise all the work and activities of the
40 district and shall have general direction of the
41 affairs of the district, subject to the limitations as
42 may be prescribed by the board. . . .

1 Revised Law

2 Sec. 1064.060. APPOINTMENT OF STAFF; EMPLOYEES. (a) The
3 board may appoint doctors to the staff as the board considers
4 necessary for the efficient operation of the district and may make
5 temporary appointments to the staff if warranted.

6 (b) The board may employ physicians or other health care
7 providers as the board considers necessary for the efficient
8 operation of the district.

9 (c) The district may employ fiscal agents, accountants,
10 architects, and attorneys as the board considers proper.

11 (d) The board may delegate to the district administrator the
12 authority to employ technicians, nurses, and other district
13 employees, except physicians.

14 (e) This section does not authorize the board to supervise
15 or control the practice of medicine, as prohibited by Subtitle B,
16 Title 3, Occupations Code. (Acts 61st Leg., R.S., Ch. 287, Secs. 5
17 (part), 16.)

18 Source Law

19 Sec. 5. . . . The board of directors shall have
20 the authority to appoint to the staff such doctors as
21 it may be deemed necessary for the efficient operation
22 of the district, and may provide for temporary
23 appointments to the staff if warranted by
24 circumstances. The board may employ physicians or
25 other health care providers as the board considers
26 necessary for the efficient operation of the district.
27 This section does not authorize the board to supervise
28 or control the practice of medicine, as prohibited by
29 Subtitle B, Title 3, Occupations Code. The board may
30 delegate to the administrator or manager the authority
31 to employ technicians, nurses, and employees of the
32 district other than physicians. . . .

33 Sec. 16. The district may employ fiscal agents,
34 accountants, architects, and attorneys as the board
35 may consider proper.

36 Revised Law

37 Sec. 1064.061. SENIORITY; RETIREMENT BENEFITS. The board
38 may:

39 (1) adopt rules related to the seniority of district
40 employees, including rules for a retirement plan based on
41 seniority; and

42 (2) give effect to previous years of service for a

1 district employee continuously employed in the operation or
2 management of hospital facilities:

3 (A) constructed by the district; or

4 (B) acquired by the district, including
5 facilities acquired when the district was created. (Acts 61st
6 Leg., R.S., Ch. 287, Sec. 5 (part).)

7 Source Law

8 Sec. 5. . . . The board is given full authority
9 to establish rules and regulations relating to
10 seniority of employees of the district, including a
11 retirement plan based thereon, and may give effect to
12 previous years of service for those employees who have
13 been continuously employed in the operation or
14 management of the hospital facilities acquired,
15 including those acquired upon the creation thereof by
16 reason of Section 2 of this Act, or constructed by the
17 district. . . .

18 Revisor's Note

19 (1) Section 5, Chapter 287, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to "rules
21 and regulations" established by the board. Throughout
22 this chapter, the revised law omits references to
23 "regulations" because under Section 311.005,
24 Government Code (Code Construction Act), a rule is
25 defined to include a regulation.

26 (2) Section 5, Chapter 287, Acts of the 61st
27 Legislature, Regular Session, 1969, refers to
28 facilities acquired on creation "by reason of Section
29 2 of this Act." The revised law omits the quoted
30 language because the relevant portions of Section 2
31 were omitted for the reason stated in End of Chapter
32 Revisor's Note (1).

Section 19, Chapter 287, Acts of the 61st Legislature, Regular Session, 1969, provides that the district "shall assume" full responsibility for providing hospital care for the district's indigent residents. The revised law substitutes "has" for the quoted language because the duty to assume the responsibility is executed.

Sec. 1064.102. RESTRICTION ON POLITICAL SUBDIVISION TAXATION AND DEBT. A political subdivision located within the district may not impose a tax or issue bonds or other obligations for hospital purposes or to provide medical care. (Acts 61st Leg., R.S., Ch. 287, Sec. 19 (part).)

Source Law

Sec. 19. After creation of the hospital district, no municipality or political subdivision within the boundaries of the district shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care. . . .

Revisor's Note

(1) Section 19, Chapter 287, Acts of the 61st Legislature, Regular Session, 1969, provides that "[a]fter creation of the hospital district," certain political subdivisions may not levy taxes or issue bonds. The revised law omits the quoted language as executed. In addition, throughout this chapter, the revised law substitutes "impose" for "levy" because, in this context, the terms are synonymous and the former is more commonly used.

(2) Section 19, Chapter 287, Acts of the 61st Legislature, Regular Session, 1969, refers to a "municipality or political subdivision." The revised

1 law omits the reference to "municipality" because
2 "municipality" is included in the meaning of
3 "political subdivision."

4 Revised Law

5 Sec. 1064.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
6 The board shall manage, control, and administer the hospital system
7 and the district's money and resources. (Acts 61st Leg., R.S., Ch.
8 287, Sec. 5 (part).)

11 control, and administer the hospital system and all
12 funds and resources of the district, but

14 Sec. 1064.104. HOSPITAL SYSTEM; ANCILLARY HEALTH CARE
15 SERVICES SYSTEM. (a) The district shall provide for the
16 establishment of a hospital system by:

17 (1) purchasing, constructing, acquiring, repairing,
18 or renovating buildings and equipment;

19 (2) equipping the buildings; and

20 (3) administering the buildings and equipment for
21 hospital purposes.

22 (b) The hospital system may include:

23 (1) facilities for domiciliary care and treatment of
24 the sick or injured;

25 (2) facilities for outpatient clinics;

26 (3) dispensaries;

27 (4) facilities for geriatric domiciliary care;

28 (5) convalescent home facilities;

29 (6) necessary nurses' domiciliaries and training
30 centers;

31 (7) blood banks;

32 (8) community mental health centers;

33 (9) research centers or laboratories; and

34 (10) any other facilities the board considers
35 necessary for hospital care. (Acts 61st Leg., R.S., Ch. 287, Secs.

1 2 (part), 9 (part).)

2 Source Law

3 Sec. 2. . . . the district shall provide for the
4 establishment of a hospital system by the purchase,
5 construction, acquisition, repair, or renovation of
6 buildings and equipment, and equipping same, and the
7 administration thereof for hospital purposes. . . .

8 Sec. 9. . . . The hospital system may include
9 facilities for domiciliary care of the sick, wounded,
10 and injured, facilities for out-patient clinic or
11 clinics, dispensaries, facilities for geriatric
12 domiciliary care, convalescent home facilities,
13 necessary nurses' domiciliaries and training centers,
14 blood banks, community mental health centers, and
15 research centers or laboratories, and any other
16 facilities deemed necessary for hospital care by the
17 directors. . . .

18 Revisor's Note

19 Section 9, Chapter 287, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to the care
21 of the "sick, wounded, and injured." The revised law
22 omits the reference to "wounded" because the meaning
23 of "wounded" is included in the meaning of "injured."

24 Revised Law

25 Sec. 1064.105. RULES. The board may adopt rules governing
26 the operation of the hospital, the hospital system, and the
27 district's staff and employees. (Acts 61st Leg., R.S., Ch. 287,
28 Sec. 5 (part).)

29 Source Law

30 Sec. 5. . . . The district, through its board of
31 directors, shall have the power and authority . . . to
32 promulgate rules and regulations governing the
33 operation of the hospital, hospital system, its staff,
34 and its employees. . . .

35 Revisor's Note

36 Section 5, Chapter 287, Acts of the 61st
37 Legislature, Regular Session, 1969, provides that the
38 board may "promulgate" rules to govern the district.
39 The revised law substitutes "adopt" for "promulgate"
40 because the terms are synonymous and the former is more
41 commonly used.

42 Revised Law

43 Sec. 1064.106. PURCHASING AND ACCOUNTING PROCEDURES. The

1 board may prescribe:

2 (1) the method and manner of making purchases and
3 expenditures by and for the district; and

4 (2) all accounting and control procedures. (Acts 61st
5 Leg., R.S., Ch. 287, Sec. 10 (part).)

6 Source Law

7 Sec. 10. The board of directors of such district
8 shall have the power to prescribe the method and manner
9 of making purchases and expenditures by and for such
10 hospital district, and shall also be authorized to
11 prescribe all accounting and control procedures. . . .

12 Revised Law

13 Sec. 1064.107. DISTRICT PROPERTY, FACILITIES, AND
14 EQUIPMENT. (a) The board shall determine the type, number, and
15 location of buildings required to maintain an adequate hospital
16 system.

17 (b) The board may lease all or part of the district's
18 buildings and other facilities on terms considered to be in the best
19 interest of the district's inhabitants. The term of the lease may
20 not exceed 25 years.

21 (c) The district may acquire equipment for use in the
22 district's hospital system and mortgage or pledge the property as
23 security for the payment of the purchase price.

24 (d) The district may sell or otherwise dispose of any
25 property, including equipment, on terms the board finds are in the
26 best interest of the district's inhabitants. (Acts 61st Leg.,
27 R.S., Ch. 287, Secs. 9 (part), 10 (part).)

28 Source Law

29 Sec. 9. The board of directors is hereby given
30 complete discretion as to the type of buildings, both
31 as to number and location, required to establish and
32 maintain an adequate hospital system. . . . The
33 district, through its board of directors, . . . may
34 lease all or part of its buildings and facilities upon
35 terms and conditions considered to be to the best
36 interest of its inhabitants, provided that in no event
37 shall any lease be for a period in excess of 25 years
38 from the date entered. The district shall be empowered
39 to sell or otherwise dispose of any property or
40 equipment of any nature upon terms and conditions
41 found by the board to be in the best interest of its
42 inhabitants.

43 Sec. 10. . . . The district may acquire
44 equipment for use in its hospital system and mortgage

1 or pledge the property so acquired as security for the
2 payment of the purchase price,

3 Revisor's Note

4 (1) Section 9, Chapter 287, Acts of the 61st
5 Legislature, Regular Session, 1969, requires the board
6 to determine the buildings required to "establish and
7 maintain" an adequate hospital system. The revised
8 law omits the reference to establishing the hospital
9 system as executed.

10 (2) Section 9, Chapter 287, Acts of the 61st
11 Legislature, Regular Session, 1969, refers to "terms
12 and conditions." The revised law omits the reference
13 to "conditions" because "conditions" is included in
14 the meaning of "terms."

15 Revised Law

16 Sec. 1064.108. EMINENT DOMAIN. (a) The district may
17 exercise the power of eminent domain to acquire a fee simple or
18 other interest in any type of property located in district
19 territory if the interest is necessary for the district to exercise
20 a power, right, or privilege conferred by this chapter.

21 (b) The district must exercise the power of eminent domain
22 in the manner provided by Chapter 21, Property Code, except the
23 district is not required to deposit in the trial court money or a
24 bond as provided by Section 21.021(a), Property Code.

25 (c) In a condemnation proceeding brought by the district,
26 the district is not required to:

27 (1) pay in advance or provide a bond or other security
28 for costs in the trial court;

29 (2) provide a bond for the issuance of a temporary
30 restraining order or a temporary injunction; or

31 (3) provide a bond for costs or a supersedeas bond on
32 an appeal or petition for review. (Acts 61st Leg., R.S., Ch. 287,
33 Sec. 14.)

34 Source Law

35 Sec. 14. The district shall have the right and
36 power of eminent domain for the purpose of acquiring by

1 condemnation any and all property of any kind and
2 character in fee simple, or any lesser interest
3 therein, within the boundaries of the district
4 necessary to the powers, rights, and privileges
5 conferred by this Act, in the manner provided by the
6 general law with respect to condemnation by counties,
7 provided that the district shall not be required to
8 make deposits in the registry of the trial court of the
9 sum required by paragraph 2 of Article 3268, Revised
10 Civil Statutes of Texas, 1925, as amended, or to make
11 bond as therein provided. In condemnation proceedings
12 being prosecuted by the district, the district shall
13 not be required to pay in advance or give bond or other
14 security for costs in the trial court, nor to give any
15 bond otherwise required for the issuance of a
16 temporary restraining order or a temporary injunction
17 nor to give bond for costs or for supersedeas on any
18 appeal or writ of error.

19 Revisor's Note

20 (1) Section 14, Chapter 287, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that the
22 district has the "right and power of eminent domain for
23 the purpose of acquiring [property] by condemnation."
24 The revised law substitutes for the quoted language
25 "may exercise the power of eminent domain to acquire
26 [property]" because the phrases have the same meaning,
27 and the latter phrase is consistent with modern usage
28 in laws relating to eminent domain.

29 (2) Section 14, Chapter 287, Acts of the 61st
30 Legislature, Regular Session, 1969, provides that the
31 district must exercise the power of eminent domain in
32 the manner provided by "the general law with respect to
33 condemnation by counties." The revised law
34 substitutes for the quoted language a reference to
35 Chapter 21, Property Code, because that is the general
36 law governing eminent domain for governmental
37 entities, including counties.

38 (3) Section 14, Chapter 287, Acts of the 61st
39 Legislature, Regular Session, 1969, refers to
40 "paragraph 2 of Article 3268, Revised Civil Statutes
41 of Texas, 1925, as amended." That statute was codified
42 in 1983 as Section 21.021(a), Property Code, and the
43 revised law is drafted accordingly. In addition,

1 throughout this chapter, the revised law omits the
2 references to "as amended" because under Section
3 311.027, Government Code (Code Construction Act), a
4 reference to a statute applies to all reenactments,
5 revisions, or amendments of that statute unless
6 expressly provided otherwise.

7 (4) Section 14, Chapter 287, Acts of the 61st
8 Legislature, Regular Session, 1969, refers to a "writ
9 of error." The revised law substitutes "petition for
10 review" for "writ of error" because, effective
11 September 1, 1997, the Texas Supreme Court replaced
12 the writ of error procedure with the petition for
13 review procedure. See Rule 53.1, Texas Rules of
14 Appellate Procedure.

15 Revised Law

16 Sec. 1064.109. GIFTS AND ENDOWMENTS. The board may accept
17 for the district a gift or endowment to be held in trust and
18 administered by the board for the purposes and under the
19 directions, limitations, or other provisions prescribed in writing
20 by the donor that are not inconsistent with the proper management
21 and objectives of the district. (Acts 61st Leg., R.S., Ch. 287,
22 Sec. 18 (part).)

23 Source Law

24 Sec. 18. The board of directors of the hospital
25 district is authorized on behalf of such district to
26 accept donations, gifts, and endowments, . . . to be
27 held in trust and administered by the board of
28 directors for such purposes and under such directions,
29 limitations, and provisions as may be prescribed in
30 writing by the donor not inconsistent with proper
31 management and object of the hospital district.

32 Revisor's Note

33 (1) Section 18, Chapter 287, Acts of the 61st
34 Legislature, Regular Session, 1969, refers to
35 "donations" and "gifts." The revised law omits the
36 reference to "donations" because "donations" is
37 included in the meaning of "gifts."

38 (2) Section 18, Chapter 287, Acts of the 61st

1 Legislature, Regular Session, 1969, refers to previous
2 gifts or endowments made to Moore County. The revised
3 law omits the provision as executed. The omitted law
4 reads:

5 Sec. 18. . . . in addition to those
6 heretofore made to Moore County for
7 hospital purposes,

8 Revised Law

9 Sec. 1064.110. CONSTRUCTION AND PURCHASE CONTRACTS. (a) A
10 construction or purchase contract that involves the expenditure of
11 more than \$15,000 may be made only after advertising in the manner
12 provided by Subchapter B, Chapter 271, Local Government Code.

13 (b) Section 271.059, Local Government Code, relating to
14 performance and payment bonds, applies to construction contracts
15 let by the district. (Acts 61st Leg., R.S., Ch. 287, Sec. 10
16 (part).)

17 Source Law

18 Sec. 10. . . . All contracts for construction
19 or purchases involving the expenditure of more than
20 \$15,000 may be made only after advertising in the
21 manner provided by Subchapter B, Chapter 271, Local
22 Government Code. Section 271.059, Local Government
23 Code, relating to performance and payment bonds,
24 applies to construction contracts let by the district.

27 Sec. 1064.111. OPERATING AND MANAGEMENT CONTRACTS. The
28 board may enter into an operating or management contract relating

37 Sec. 1064.112. CONTRACTS FOR CERTAIN SERVICES. The board
38 may contract with any state, the United States, an agency or
39 political subdivision of those entities, or a charitable or other
40 private entity inside or outside the district for the district to:

1 (1) furnish a mobile emergency medical service; or
2 (2) provide for the investigatory or welfare needs of
3 district inhabitants or of persons for whom the public or private
4 entity has an obligation to provide care. (Acts 61st Leg., R.S.,
5 Ch. 287, Sec. 5A(c).)

6 Source Law

7 (c) The board may contract with any
8 municipality, county, special district, state, the
9 United States, or an agency or political subdivision
10 of those entities, or a charitable or other private
11 entity inside or outside the district for the district
12 to furnish a mobile emergency medical service or to
13 provide for the investigatory or welfare needs of
14 inhabitants of the district or of persons for whom the
15 public or private entity has an obligation to provide
16 care.

17 Revisor's Note

18 Section 5A(c), Chapter 287, Acts of the 61st
19 Legislature, Regular Session, 1969, refers to "any
20 municipality, county, special district, state, the
21 United States, or an agency or political subdivision
22 of those entities." The revised law omits references
23 to "municipality," "county," and "special district" in
24 this context because each of those entities is
25 included in the meaning of "political subdivision."

26 Revised Law

27 Sec. 1064.113. CONTRACTS FOR HEALTH CARE. The board may
28 contract with any public or private entity, including a charitable
29 organization or a political subdivision, to provide health care or
30 related services inside or outside the district. (Acts 61st Leg.,
31 R.S., Ch. 287, Sec. 5 (part).)

32 Source Law

33 Sec. 5. . . . Such board shall be authorized to
34 contract with any other public or private entity,
35 including a county, municipality, hospital district,
36 or any other political subdivision, or a charitable
37 organization, to provide health care or related
38 services inside or outside of the district.

39 Revisor's Note

40 Section 5, Chapter 287, Acts of the 61st
41 Legislature, Regular Session, 1969, refers to "a

1 county, municipality, hospital district, or any other
2 political subdivision." The revised law omits
3 "county," "municipality," and "hospital district" in
4 this context because each of those entities is
5 included in the meaning of "political subdivision."

6 Revised Law

7 Sec. 1064.114. PAYMENT FOR TREATMENT; PROCEDURES. (a)

8 When a patient who resides in the district is admitted to a district
9 facility, the district administrator may have an inquiry made into
10 the circumstances of:

11 (1) the patient; and

12 (2) the patient's relatives who are legally liable for
13 the patient's support.

14 (b) If the district administrator determines that the
15 patient or those relatives cannot pay all or part of the costs of
16 the patient's care and treatment in the hospital, the amount of the
17 costs that cannot be paid becomes a charge against the district.

18 (c) If the district administrator determines that the
19 patient or those relatives can pay for all or part of the costs of
20 the patient's care and treatment, the patient or those relatives
21 shall be ordered to pay the district a specified amount each week
22 for the patient's care and support. The amount ordered must be
23 proportionate to the person's financial ability.

24 (d) The district administrator may collect the amount from
25 the patient's estate, or from any relative who is legally liable for
26 the patient's support, in the manner provided by law for the
27 collection of expenses of the last illness of a deceased person.

28 (e) If there is a dispute as to the ability to pay, or doubt
29 in the mind of the district administrator, the board shall hold a
30 hearing and, after calling witnesses, shall:

31 (1) determine the patient's ability to pay; and

32 (2) issue any appropriate orders.

33 (f) The final order may be appealed to the district court.
34 The substantial evidence rule applies to the appeal. (Acts 61st

1 Leg., R.S., Ch. 287, Sec. 17(a).)

2 Source Law

3 Sec. 17. (a) Whenever a patient residing within
4 the district has been admitted to the facilities
5 thereof, the administrator or manager may cause
6 inquiry to be made as to the patient's circumstances
7 and those of the relatives of such patient legally
8 liable for the patient's support. If the administrator
9 finds that such patient or the patient's relatives are
10 able to pay for the patient's care and treatment in
11 whole or in part, an order shall be made directing such
12 patient or said relatives to pay to the hospital
13 district for the care and support of such patient a
14 specified sum per week in proportion to their
15 financial ability. The administrator or manager shall
16 have power and authority to collect such sums from the
17 estate of the patient or the patient's relatives
18 legally liable for the patient's support in the manner
19 provided by law for collection of expenses in the last
20 illness of a deceased person. If the administrator or
21 manager finds that such patient or the patient's
22 relatives are not able to pay either in whole or in
23 part for the patient's care and treatment in such
24 hospital, same shall become a charge upon the hospital
25 district as to the amount of the inability to pay.
26 Should there be any dispute as to the ability to pay or
27 doubt in the mind of the administrator or manager, the
28 board of directors shall hear and determine same after
29 calling witnesses, and shall make such order or orders
30 as may be proper. Appeals from the final order of the
31 board shall lie to the district court. The substantial
32 evidence rule shall apply.

33 Revisor's Note

34 Section 17(b), Chapter 287, Acts of the 61st
35 Legislature, Regular Session, 1969, requires the
36 district to adopt an application procedure for
37 assistance eligibility. The revised law omits the
38 provision because it duplicates Sections 61.053(a) and
39 (b), Health and Safety Code, which apply to the
40 district and detail the application procedure. The
41 omitted law reads:

42 (b) Not later than the beginning of
43 each operating year, the district shall
44 adopt an application procedure to determine
45 eligibility for assistance, as provided by
46 Section 61.053, Health and Safety Code.

47 Revised Law

48 Sec. 1064.115. REIMBURSEMENT FOR SERVICES. (a) The board
49 shall require a county, municipality, or public hospital located
50 outside the district to reimburse the district for the district's
51 care and treatment of a sick or injured person of that county,

1 municipality, or public hospital as provided by Chapter 61, Health
2 and Safety Code.

3 (b) The board shall require the sheriff of Moore County to
4 reimburse the district for the district's care and treatment of a
5 person confined in a Moore County jail facility who is not indigent
6 and does not reside in the district.

7 (c) The board shall require the police department of a
8 municipality located in Moore County to reimburse the district for
9 the district's care and treatment of a person confined in a jail
10 facility of that municipality who is not indigent and does not
11 reside in the district.

12 (d) The board may contract with this or any other state, the
13 United States, or an agency or political subdivision of those
14 entities to reimburse the district for the care and treatment of a
15 sick or injured person. (Acts 61st Leg., R.S., Ch. 287, Secs.
16 5A(a), (b).)

17 Source Law

18 Sec. 5A. (a) The board shall require
19 reimbursement from:

20 (1) a county, municipality, or public
21 hospital located outside the district's boundaries,
22 for the district's care and treatment of a sick,
23 diseased, or injured person of that county,
24 municipality, or public hospital as provided by
25 Chapter 61, Health and Safety Code;

26 (2) the office of the sheriff of Moore
27 County for the district's care and treatment of a
28 person confined in a Moore County jail facility who is
29 not indigent and does not reside in the district; or

30 (3) the police department of a
31 municipality located in Moore County for the
32 district's care and treatment of a person confined in a
33 jail facility in that municipality who is not indigent
34 and does not reside in the district.

35 (b) The board may contract with this or any
36 other state, the United States, or an agency or
37 political subdivision of those entities, to reimburse
38 the district for the care and treatment of a sick,
39 diseased, or injured person.

40 Revisor's Note

41 Sections 5A(a) and (b), Chapter 287, Acts of the
42 61st Legislature, Regular Session, 1969, refer to the
43 treatment of a "sick, diseased, or injured" person.
44 The revised law omits the references to "diseased"
45 because "diseased" is included in the meaning of

1 "sick."

2 Revised Law

3 Sec. 1064.116. SALE OR LEASE OF HOSPITAL. (a) In this
4 section, "long-term lease" means a lease for a term that exceeds 10
5 years.

6 (b) The board may not sell a hospital owned and operated by
7 the district, including real property, or lease the hospital under
8 a long-term lease that relinquishes control of the hospital to the
9 lessee unless:

10 (1) the agreement for the sale or lease of the hospital
11 provides for indigent care in the district;

12 (2) in the event of a sale of the hospital, the board
13 has published notice of the proposed sale twice in a newspaper with
14 general circulation in Moore County, with the first publication
15 occurring not later than the 61st day before the date of the
16 proposed sale, and the second publication occurring not earlier
17 than the 30th day or later than the eighth day before the date of the
18 proposed sale; and

19 (3) the majority of the votes cast by district voters
20 at an election held for that purpose approve the sale or lease, as
21 appropriate.

22 (c) Notice required by Subsection (b)(2) must include the:

23 (1) date of the proposed sale;

24 (2) name and address of the proposed buyer; and

25 (3) proposed purchase price. (Acts 61st Leg., R.S.,
26 Ch. 287, Sec. 25.)

27 Source Law

28 Sec. 25. (a) In this section, "long-term lease"
29 means a lease for a term that exceeds 10 years.

30 (b) The board of directors may not sell a
31 hospital owned and operated by the hospital district,
32 including real property, or lease the hospital under a
33 long-term lease that relinquishes control of the
34 hospital to the lessee unless:

35 (1) the agreement for the sale or lease of
36 the hospital provides for indigent care in the
37 district;

38 (2) in the event of a sale of the hospital,
39 the board has published notice of the proposed sale
40 twice in a newspaper with general circulation in Moore
41 County, with the first publication occurring not later

1 than the 61st day before the date of the proposed sale,
2 and the second publication occurring not earlier than
3 the 30th day or later than the eighth day before the
4 date of the proposed sale; and

5 (3) the majority of the votes cast by
6 qualified voters of the district at an election called
7 and held for that purpose under the Election Code
8 approve the sale or lease, as appropriate.

9 (c) Notice required by Subsection (b)(2) of this
10 section must include the:

11 (1) date of the proposed sale;
12 (2) name and address of the proposed
13 buyer; and
14 (3) proposed purchase price.

15 Revisor's Note

16 (1) Section 25(b)(3), Chapter 287, Acts of the
17 61st Legislature, Regular Session, 1969, refers to a
18 majority vote of the "qualified" voters of the
19 district. The revised law omits "qualified" as
20 unnecessary in this context because Chapter 11,
21 Election Code, governs eligibility to vote in an
22 election in this state and allows only "qualified"
23 voters who are residents of the territory covered by
24 the election to vote in an election.

25 (2) Section 25(b)(3), Chapter 287, Acts of the
26 61st Legislature, Regular Session, 1969, refers to an
27 election "called and held . . . under the Election
28 Code." Throughout this chapter, the revised law omits
29 the references to "calling" an election because, in
30 this context, "calling" an election is included in the
31 meaning of "holding" an election. Under Chapter 3,
32 Election Code, all elections must be ordered (called)
33 before they may be held. The revised law also omits
34 "under the Election Code" because it duplicates
35 Section 1.002, Election Code, which provides that the
36 Election Code applies to all elections held in this
37 state.

38 Revised Law

39 Sec. 1064.117. AUTHORITY TO SUE AND BE SUED. (a) The
40 district, through the board, may sue and be sued.

41 (b) The district is entitled to all causes of action and

1 defenses to which similar authorities are entitled. (Acts 61st
2 Leg., R.S., Ch. 287, Sec. 5 (part).)

3 Source Law

4 Sec. 5. . . . The district, through its board
5 of directors, shall have the power and authority to sue
6 and be sued, and shall be entitled to all causes of
7 action and defenses enjoyed by similar authorities,

10 SUBCHAPTER D. CHANGE IN BOUNDARIES

11 Revised Law

12 Sec. 1064.151. TERRITORY THAT MAY BE ANNEXED. (a) The
13 district may annex territory that is not located in:

- 14 (1) Moore County;
- 15 (2) the boundaries of another hospital district; or
- 16 (3) the proposed boundaries of another hospital
17 district authorized by the legislature under Section 9, Article IX,
18 Texas Constitution.

19 (b) Territory may be annexed in one or more tracts. Each
20 tract must be contiguous to:

- 21 (1) the district; or
- 22 (2) territory proposed to be annexed to the district.

23 (Acts 61st Leg., R.S., Ch. 287, Sec. 1A (part).)

24 Source Law

25 Sec. 1A. Under the provisions of this Section,
26 territory which is not then within (i) Moore County, or
27 (ii) within the boundaries of any other hospital
28 district, or (iii) within the proposed boundaries of
29 any hospital district which the Legislature has
30 authorized to be included within the area of a hospital
31 district under Article IX, Section 9 of the
32 Constitution, may be annexed or added to the area
33 included in the boundaries of the proposed district
34 set forth in Section 1. Territory which is proposed to
35 be annexed or added may be in one or more tracts, each
36 of which shall be either contiguous (adjacent) to the
37 area of the district as described in Section 1, or
38 contiguous (adjacent) to territory which has been or
39 is proposed to be annexed to the district.

40 . . .

41 Revised Law

42 Sec. 1064.152. PETITION TO ANNEX TERRITORY. (a) A petition
43 requesting that territory be annexed to the district may be
44 presented to the board. The petition must:

1 (1) describe the tract or tracts of land to be annexed;
2 and

3 (2) be signed by 100 or a majority of the registered
4 voters who:

5 (A) reside in the territory to be annexed; and

6 (B) own property that will be subject to district
7 taxation.

8 (b) This chapter does not prohibit simultaneous action on
9 several petitions for annexation. Each ballot proposition must be
10 submitted for each different territory proposed to be annexed, and
11 an election held in each territory represented by a petition.

12 (c) If the board receives two or more petitions for
13 annexation that include all or part of the same territory to be
14 annexed to the district, the petition filed first with the board
15 shall be considered and another petition that includes any of the
16 same territory has no effect.

17 (d) The board may consider all petitions for annexation
18 presented to it and may approve or reject each petition. The board
19 may not partly approve or partly reject any petition. (Acts 61st
20 Leg., R.S., Ch. 287, Sec. 1A (part).)

21 Source Law

22 Sec. 1A. . . .

23 A petition asking that territory be annexed to
24 the district may be presented to the board of directors
25 of the district, and such petition must describe the
26 tract or tracts proposed to be annexed, and be executed
27 by 100 or a majority of the resident qualified electors
28 of the area proposed to be annexed and who own property
29 duly rendered for taxation on the county tax rolls of
30 the particular county which will be subject to
31 hospital district taxation. . . .

32 Nothing herein shall be construed as prohibiting
33 simultaneous action on several petitions, but in such
34 event, propositions shall be submitted separately in
35 the different areas proposed to be annexed, it being
36 the intent hereof to allow an election to be held
37 within each area or territory represented by a
38 petition for annexation. In the event two or more
39 petitions are presented for annexation which include
40 all or part of the same territory to be annexed to the
41 Hospital District, the petition first filed with the
42 board of directors shall be considered and no other
43 petition which includes any of the same territory
44 shall be of any effect for any purpose. The board of
45 directors of the district may consider all petitions
46 presented to it, and approve or reject the same, it

1 being specifically provided that such a petition, if
2 presented may not be approved in part or rejected in
3 part.
4 . . .

5 Revisor's Note

6 (1) Section 1A, Chapter 287, Acts of the 61st
7 Legislature, Regular Session, 1969, refers to a
8 petition signed by "qualified electors" of the
9 territory to be annexed. The revised law substitutes
10 "voters" for "electors" because "voter" is the term
11 used in the Election Code. In addition, the revised
12 law substitutes "registered" for "qualified" because
13 in the context of eligibility to sign a petition,
14 Section 277.0021, Election Code, provides that
15 "qualified voter" means a "registered voter."

16 (2) Section 1A, Chapter 287, Acts of the 61st
17 Legislature, Regular Session, 1969, refers to property
18 "duly rendered for taxation on the county tax rolls of
19 the particular county." The revised law omits the
20 quoted language because the Tax Code does not require
21 that real property be rendered for taxation.

22 (3) Section 1A, Chapter 287, Acts of the 61st
23 Legislature, Regular Session, 1969, states that the
24 section applies to any petition presented to the board
25 after the district has been established. The revised
26 law omits that provision as executed. The omitted law
27 reads:

28 Sec. 1A. . . . The provisions of
29 this paragraph shall be applicable to any
30 petition or petitions presented to the
31 board of directors of the district after the
32 district has been established as the result
33 of an election held under the provisions of
34 Section 3 hereof.
35 . . .

36 Revised Law

37 Sec. 1064.153. ELECTION ORDER. (a) If, on receipt of a
38 petition under Section 1064.152, the board finds that annexing the
39 territory is in the district's best interest, the board shall
40 within 90 days of the board's finding:

- 1 (1) approve the petition; and
2 (2) order an election on the question of annexing the
3 territory to the district.
4 (b) The election order shall provide for a separate
5 election:
6 (1) in the territory proposed to be annexed; and
7 (2) in the district.
8 (c) The election order shall provide for clerks as in county
9 elections and must specify:
10 (1) the date of the election;
11 (2) the location of the polling places;
12 (3) the form of ballot; and
13 (4) the presiding judge and alternate judge for each
14 polling place.
15 (d) The election order may provide that:
16 (1) the entire district is one election precinct; or
17 (2) the county election precincts be combined for the
18 election. (Acts 61st Leg., R.S., Ch. 287, Secs. 1A (part), 3(a)
19 (part).)

20 Source Law

21 Sec. 1A. . . . The board of directors, upon the
22 receipt of the petition, if it finds that it would be
23 in the best interest of the district, shall (within 90
24 days after such finding) approve the same and order an
25 election to determine if such property shall be
26 annexed or added to the district. The election order
27 shall provide for a separate election within the
28 territory proposed to be annexed and in the area of the
29 existing district, and

30 [The provisions of Section 3,] . . . as well as
31 the provisions thereof with respect to the time,
32 manner and holding of elections and . . . shall apply
33 to all elections held under the provisions of this
34 Section.
35 . . .

36 Sec. 3. (a) . . . The order calling the
37 election shall specify the date, place or places of
38 holding the election, the form of ballot, the
39 presiding judge and alternate judge for each voting
40 place, and provide for clerks as in county elections.
41 The election order may provide that the entire
42 district shall constitute one election precinct or the
43 county election precincts may be combined for
44 elections. . . .

1 Revisor's Note

2 (1) Section 1A, Chapter 287, Acts of the 61st
3 Legislature, Regular Session, 1969, states that
4 Section 3 of that act, regarding the qualifications of
5 voters in the election provided for in that section,
6 apply to all elections held under Section 1A. Section
7 3, Chapter 287, Acts of the 61st Legislature, Regular
8 Session, 1969, refers to "qualified property taxpaying
9 electors." The revised law omits the reference to
10 "qualified" electors as unnecessary in this context
11 because Chapter 11, Election Code, governs eligibility
12 to vote in an election in this state and allows only
13 "qualified" voters who are residents of the territory
14 covered by the election to vote in an election. The
15 revised law also omits the reference to "property
16 taxpaying" electors because in Hill v. Stone, 421 U.S.
17 289, 95 S. Ct. 1637 (1975), the United States Supreme
18 Court determined that property ownership as a
19 qualification for voting is an unconstitutional denial
20 of equal protection. The omitted law reads:

21 Sec. 1A. . . .
22 [The provisions of Section 3,] with
23 respect to the qualifications of voters in
24 the election therein provided, . . . shall
25 apply to all elections held under the
26 provisions of this Section.
27 . . .

28 (2) Section 3(a), Chapter 287, Acts of the 61st
29 Legislature, Regular Session, 1969, states that the
30 election must be held not less than 35 nor more than 60
31 days after the date the election is ordered. The
32 revised law omits the provision as superseded by
33 Section 3.005, Election Code, applicable to the
34 district under Section 1.002, Election Code. Section
35 3.005, as amended by Chapter 925, Acts of the 78th
36 Legislature, Regular Session, 2003, requires an
37 election order issued by the authority of a political

1 subdivision to be issued not later than the 62nd day
2 before election day and provides that Section 3.005
3 supersedes a law outside the Election Code to the
4 extent of any conflict. The omitted law reads:

5 (a) . . . Such election shall be
6 held not less than 35 nor more than 60 days
7 from the date the election is
8 ordered. . . .

9 Revised Law

10 Sec. 1064.154. BALLOT. The ballot for the election shall be
11 printed to permit voting for or against the proposition: "The
12 establishment of the Moore County Hospital District with extended
13 boundaries and establishment of a hospital district tax at a rate
14 not to exceed 75 cents on the \$100 valuation on all taxable property
15 in the extended boundaries of the hospital district that is subject
16 to hospital district taxation for hospital purposes." (Acts 61st
17 Leg., R.S., Ch. 287, Sec. 1A (part).)

18 Source Law

19 Sec. 1A. . . . the proposition submitted in
20 both areas shall be "For" and "Against" the following
21 ballot proposition: "The establishment of the Moore
22 County Hospital District with extended boundaries and
23 establishing a hospital district tax of not to exceed
24 75¢ on the \$100 valuation upon all taxable property
25 situated within the extended boundaries of said
26 hospital district, subject to hospital district
27 taxation, for hospital purposes." . . .

28 Revised Law

29 Sec. 1064.155. NOTICE OF ELECTION. (a) Notice of the
30 election shall be given by publishing once a week for two
31 consecutive weeks a substantial copy of the election order in a
32 newspaper or newspapers that individually or collectively have
33 general circulation in the county or district.

34 (b) The first publication must appear at least 30 days
35 before the date of the election. (Acts 61st Leg., R.S., Ch. 287,
36 Secs. 1A (part), 3(a) (part).)

37 Source Law

38 Sec. 1A. . . .
39 The provisions of Section 3, . . . with respect
40 to [the time, manner and holding of elections and]
41 giving notice thereof, shall apply to all elections
42 held under the provisions of this Section.

1 . . .

2 Sec. 3. (a) . . . Notice of election shall be
3 given by publishing a substantial copy of the election
4 order in a newspaper or newspapers which individually
5 or collectively provide general circulation in the
6 county or district once a week for two consecutive
7 weeks, the first publication to appear at least 30 days
8 prior to the date established for the election. . . .

9 Revised Law

10 Sec. 1064.156. ELECTION RESULTS. (a) Territory may not be
11 annexed to the district unless:

12 (1) an election is held in accordance with this
13 subchapter; and

14 (2) the annexation is approved by a majority of the
15 voters voting in the election in:

16 (A) the district; and

17 (B) the territory proposed to be annexed.

18 (b) If the territory is annexed to the district, a certified
19 copy of the order canvassing the returns of the election shall be
20 filed and recorded in the deed records.

21 (c) An election may not be held under this subchapter within
22 12 months of an election previously held under this subchapter.
23 (Acts 61st Leg., R.S., Ch. 287, Secs. 1A (part), 3(a) (part).)

24 Source Law

25 Sec. 1A. . . . No territory shall be annexed or
26 added to the district unless (i) an election is held
27 under the provisions of this Section, and (ii) a
28 majority of the electorate participating in the
29 election within the area of the district as then
30 established, or the area of the proposed district as
31 set forth in Section 1, as well as a majority of the
32 electorate participating in the election within the
33 territory proposed to be annexed, shall sustain the
34 propositions submitted.

35 The provisions of Section 3, with respect to
36 . . . the time . . . of elections . . . shall apply to
37 all elections held under the provisions of this
38 Section.

39 In the event territory is annexed to the district
40 under the provisions hereof, a certified copy of the
41 order canvassing the returns of the election shall be
42 filed and recorded in the said Deed Records.

43 . . .

44 Sec. 3. (a) . . . The failure of such election
45 shall not operate to prohibit the calling and holding
46 of subsequent elections for the same purpose;
47 provided, however, that no district election for
48 confirmation can be held within 12 months of any
49 preceding district election for confirmation, and,
50

1 Revised Law

2 Sec. 1064.157. EFFECT OF ANNEXATION. (a) Territory
3 annexed to the district is part of the district for all purposes.

4 (b) The annexation of territory to the district does not
5 change the manner in which the board or district officers are
6 selected. (Acts 61st Leg., R.S., Ch. 287, Sec. 1A (part).)

7 Source Law

8 Sec. 1A. . . . In the event territory is
9 annexed to the district, it shall thereafter be a part
10 thereof for all purposes, but the annexation thereof
11 shall not change or vary the manner in which the board
12 of directors or officers of the district is or are
13 selected.

14 Revisor's Note
15 (End of Subchapter)

16 Section 1A, Chapter 287, Acts of the 61st
17 Legislature, Regular Session, 1969, provides an
18 alternative procedure for an election on annexations
19 to the district if the district has not been
20 established. Because the district has been
21 established, the revised law omits the provision. The
22 omitted law reads:

23 Sec. 1A. . . .

24 In the event the Moore County Hospital
25 District has not been established as the
26 result of an election pursuant to the
27 provisions of Section 3, a petition
28 conforming to the foregoing requirements
29 may be submitted to the County Judge of
30 Moore County, and the County Judge, if he
31 orders an election on the proposition on
32 whether the Moore County Hospital District
33 shall be created within twelve months after
34 the receipt of the petition, shall also
35 order a separate election held within the
36 area proposed to be annexed to the district,
37 and in the area described in Section 1, and
38 the proposition to be submitted in both
39 areas shall be "For" and "Against" the
40 following ballot proposition: "The
41 annexation to the Moore County Hospital
42 District (in the event the same is
43 established) with a hospital district tax
44 of not to exceed 75¢ on the \$100 valuation
45 upon all taxable property situated within
46 said area proposed to be annexed subject to
47 hospital district taxation." The
48 proposition so submitted in the area
49 described in Section 1 shall be in addition
50 to the proposition as set forth in Section 3
51 of this Act. If the proposition on the
52 creation of the District (as prescribed in

1 Section 3) is sustained by a majority vote,
2 the district shall be established
3 irrespective of the result of the
4 annexation election held under the
5 provisions of this Section. . . .

11 (b) The proposed budget must contain a complete financial
12 statement of:

- 13 (1) the outstanding obligations of the district;

16 sources during the previous year;

- 24 (8) the proposed expenditures and disbursements and
25 the estimated receipts and collections for the following fiscal
26 year. (Acts 61st Leg., R.S., Ch. 287, Sec. 6 (part).)

27 Source Law

28 Sec. 6. . . . The administrator or manager
29 shall prepare an annual budget for approval by the
30 board of directors. The budget shall also contain a
31 complete financial statement of the district showing
32 all outstanding obligations of the district, the cash
33 on hand to the credit of each and every fund of the
34 district, the funds received from all sources during
35 the previous year, the funds available from all
36 sources during the ensuing year, with balances
37 expected at year end of the year in which the budget is
38 being prepared, and estimated revenues and balances
39 available to cover the proposed budget and the
40 estimated tax rate which will be required, and the
41 proposed expenditures and disbursements and the
42 estimated receipts and collections for the following
43 fiscal year. . . .

1 Revised Law

2 Sec. 1064.202. NOTICE; HEARING; ADOPTION OF BUDGET. (a)

3 The board shall hold a public hearing on the proposed annual budget.

4 (b) At least 10 days before the date of the hearing, notice
5 of the hearing shall be published one time in a newspaper or
6 newspapers that individually or collectively have general
7 circulation in the district.

8 (c) Any district resident is entitled to be present and
9 participate at the hearing.

10 (d) At the conclusion of the hearing, the board shall adopt
11 a budget by acting on the budget proposed by the district
12 administrator. The board may make any changes in the proposed
13 budget that, in the board's sole judgment and discretion:

14 (1) applicable federal and state law warrants and
15 allows; and

16 (2) the interest of district residents requires in
17 furtherance of hospital purposes. (Acts 61st Leg., R.S., Ch. 287,
18 Sec. 6 (part).)

19 Source Law

20 Sec. 6. . . . A public hearing on the annual
21 budget shall be held by the board of directors after
22 notice of such hearing has been published one time at
23 least 10 days before the date set therefor. Notice of
24 the budget hearing shall be published in a newspaper or
25 newspapers which individually or collectively provide
26 general circulation in the hospital district. Any
27 resident of the district shall have the right to be
28 present and participate in said hearing. At the
29 conclusion of the hearing, the budget, as proposed by
30 the administrator, shall be acted upon by the board of
31 directors. The board of directors shall have
32 authority to make such changes in the budget as in
33 their sole judgment and discretion, applicable federal
34 and state law warrants and allows, and the interest of
35 the residents of the district requires in furtherance
36 of hospital purposes. . . . the annual budget, and
37 . . . shall be approved by the board of
38 directors. . . .

39 Revised Law

40 Sec. 1064.203. AMENDMENTS TO BUDGET. The budget may be
41 amended as required by circumstances. The board must approve all
42 amendments. (Acts 61st Leg., R.S., Ch. 287, Sec. 6 (part).)

1 Source Law

2 Sec. 6. . . . The annual budget may be amended
3 from time to time as the circumstances may require, but
4 [the annual budget, and] all amendments thereto, shall
5 be approved by the board of directors. . . .

6 Revisor's Note

7 Section 6, Chapter 287, Acts of the 61st
8 Legislature, Regular Session, 1969, states that the
9 board may amend the budget "from time to time." The
10 revised law omits the quoted language because the
11 authority to take an action implies the authority to do
12 so at any time.

13 Revised Law

14 Sec. 1064.204. RESTRICTION ON EXPENDITURES. Money may be
15 spent only for an expense included in the budget or an amendment to
16 the budget. (Acts 61st Leg., R.S., Ch. 287, Sec. 6 (part).)

19 expense not included in the annual budget or an
20 amendment thereto. . . .

22 Sec. 1064.205. FISCAL YEAR. The district operates
23 according to a fiscal year that begins on July 1 and ends on June 30.
24 (Acts 61st Leg., R.S., Ch. 287, Sec. 6 (part).)

31 Sec. 1064.206. AUDIT. (a) The district shall have an
32 independent audit made of the district's financial condition for
33 the fiscal year.

34 (b) As soon as the audit is completed, the audit shall be
35 filed at the district's office. (Acts 61st Leg., R.S., Ch. 287,
36 Sec. 6 (part).)

37 Source Law

38 Sec. 6. [The district] . . . it shall cause an
39 independent audit to be made of the financial

1 condition of said district, . . . such audit to be made
2 covering such fiscal year, and the same shall be filed
3 at the office of the district as soon as it is
4 completed. . . .

5 Revised Law

6 Sec. 1064.207. INSPECTION OF AUDIT AND DISTRICT RECORDS.

7 The audit and other district records shall be open to inspection at
8 the district's principal office. (Acts 61st Leg., R.S., Ch. 287,
9 Sec. 6 (part).)

10 Source Law

11 Sec. 6. . . . [it shall cause an independent
12 audit to be made of the financial condition of the
13 district,] which, together with other records of the
14 district, shall be open to inspection at the principal
15 office of the district,

17 Sec. 1064.208. FINANCIAL REPORT. As soon as practicable
18 after the close of each fiscal year, the district administrator
19 shall prepare for the board:

20 (1) a complete sworn statement of all district money;

21 and

22 (2) a complete account of the disbursements of that
23 money. (Acts 61st Leg., R.S., Ch. 287, Sec. 6 (part).)

24 Source Law

25 Sec. 6. . . . As soon as practicable after the
26 close of each fiscal year, the administrator or
27 manager shall prepare for the board a full sworn
28 statement of all moneys belonging to the district and a
29 full account of the disbursement of same.

30 Revised Law

31 Sec. 1064.209. DEPOSITORY. (a) The board shall select one
32 or more depositories for district money.

33 (b) District money, other than money invested as provided by
34 Section 1064.210(b), and money transmitted to a bank for payment of
35 bonds or obligations issued or assumed by the district, shall be
36 deposited as received with the depository and shall remain on
37 deposit.

38 (c) This chapter, including Subsection (b), does not limit
39 the power of the board to:

40 (1) place a part of district money on time deposit or

1 other forms of deposit; or

2 (2) purchase certificates of deposit. (Acts 61st
3 Leg., R.S., Ch. 287, Sec. 11.)

4 Source Law

5 Sec. 11. The board of directors of the district
6 shall name one or more depositories for the funds of
7 the district. All funds of the district, except those
8 invested as provided in Section 5 of this Act, and
9 those transmitted to a bank or banks of payment for
10 bonds or obligations issued or assumed by the
11 district, shall be deposited as received with the
12 depository and shall remain on deposit, provided that
13 nothing herein shall limit the power of the board to
14 place a portion of such funds on time deposit or other
15 forms of deposit or purchase certificates of deposit.

16 Revised Law

17 Sec. 1064.210. SPENDING AND INVESTMENT RESTRICTIONS. (a)
18 Except as otherwise provided by Section 1064.107(c) and by
19 Subchapter F, the district may not incur an obligation payable from
20 district revenue other than the revenue on hand or to be on hand in
21 the current and following district fiscal years.

22 (b) The board may invest operating, depreciation, or
23 building fund reserves only in any funds or securities authorized
24 by law, including Chapter 2256, Government Code. (Acts 61st Leg.,
25 R.S., Ch. 287, Secs. 5 (part), 10 (part).)

26 Source Law

27 Sec. 5. . . . in no event shall any operating,
28 depreciation, or building fund reserves be invested in
29 any funds or securities authorized by law, including
30 Chapter 2256, Government Code. . . .

31 Sec. 10. . . . Except as permitted in the
32 preceding sentence and as permitted by Sections 7 and 8
33 of this Act, the district may incur no obligation
34 payable from any revenues of the district, taxes or
35 otherwise, except those on hand or to be on hand within
36 the then current and following fiscal year of the
37 district.

38 Revisor's Note

39 (1) Section 5, Chapter 287, Acts of the 61st
40 Legislature, Regular Session, 1969, states that "in no
41 event shall any . . . reserves be invested in any funds
42 or securities authorized by law." The inclusion of "in
43 no event" without any qualification appears to be a
44 typographical error that occurred when the legislature

1 amended the section in Chapter 1091, Acts of the 76th
2 Legislature, Regular Session, 1999. The legislature
3 did not intend to prohibit investments authorized by
4 law. Instead, it is clear that the legislature
5 intended to authorize investments only in funds or
6 securities authorized by law. The revised law is
7 therefore drafted to conform to this legislative
8 intent. In addition, this result is consistent with,
9 and conforms to, similar "boilerplate" language in
10 most hospital districts.

11 (2) Section 10, Chapter 287, Acts of the 61st
12 Legislature, Regular Session, 1969, states that
13 "[e]xcept as permitted in the preceding sentence and
14 as permitted by Sections 7 and 8 of this Act," the
15 district may not incur certain obligations. The
16 "preceding sentence" in Section 10 is codified in
17 Section 1064.107(c). Sections 7 and 8 are codified in
18 Subchapter F. The revised law is drafted accordingly.

19 [Sections 1064.211-1064.250 reserved for expansion]

20 SUBCHAPTER F. BONDS

21 Revised Law

22 Sec. 1064.251. GENERAL OBLIGATION BONDS, CERTIFICATES OF
23 OBLIGATION, AND OTHER FINANCING. The board may issue and sell
24 general obligation bonds, certificates of obligation, or any other
25 type of financing authorized by the laws of this state, including
26 that type of financing authorized by Chapter 271, Local Government
27 Code, in the name and on the faith and credit of the district for any
28 purpose relating to:

29 (1) the purchase, construction, acquisition, repair,
30 or renovation of buildings or improvements; and

31 (2) equipping buildings or improvements for hospital
32 purposes. (Acts 61st Leg., R.S., Ch. 287, Sec. 7(a) (part).)

33 Source Law

34 Sec. 7. (a) The board of directors shall have
35 the power and authority to issue and sell bonds,

1 certificates of obligation, or any other type of
2 financing authorized by the laws of this state,
3 including that type of financing authorized by Chapter
4 271, Local Government Code, in the name and upon the
5 faith and credit of such hospital district for the
6 purchase, construction, acquisition, repair, or
7 renovation of buildings and improvements and equipping
8 the same for hospital purposes, and for any or all of
9 such purposes. . . .

10 Revisor's Note

11 Section 7(a), Chapter 287, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that the
13 board has the power and authority to issue and sell
14 bonds in the name and on the faith and credit of the
15 district. Because the type of bonds described by
16 Section 7 are known as "general obligation bonds," the
17 revised law is drafted accordingly.

18 Revised Law

19 Sec. 1064.252. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
20 the time general obligation bonds are issued under Section
21 1064.251, the board shall impose an ad valorem tax at a rate
22 sufficient to create an interest and sinking fund to pay the
23 principal of and interest on the bonds as the bonds mature.

24 (b) The tax required by this section together with any other
25 ad valorem tax the district imposes may not in any year exceed the
26 tax rate approved by the voters at the election authorizing the
27 imposition of the tax. (Acts 61st Leg., R.S., Ch. 287, Sec. 7(a)
28 (part).)

29 Source Law

30 (a) . . . At the time of the issuance of any
31 bonds by the district a tax shall be levied by the
32 board sufficient to create an interest and sinking
33 fund to pay the interest on and principal of said bonds
34 as same mature, providing such tax together with any
35 other taxes levied for said district shall not exceed
36 the rate of tax voted under the provisions of Section 3
37 of this Act. . . .

38 Revisor's Note

39 (1) Section 7(a), Chapter 287, Acts of the 61st
40 Legislature, Regular Session, 1969, requires the
41 district to levy a tax to pay the principal of and
42 interest on bonds. The revised law specifies that the

1 tax is an "ad valorem" tax because it is clear from the
2 source law that the tax is a property tax and "ad
3 valorem" is the term most commonly used to refer to a
4 property tax.

5 (2) Section 7(a), Chapter 287, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that the
7 tax rate may not exceed "the rate of tax voted under
8 the provisions of Section 3 of this Act." Section 3
9 sets out procedures for the district's creation
10 election and requires voter approval of the district's
11 authority to impose taxes. Because the revised law
12 omits Section 3 for the reason stated in the revisor's
13 note at the end of Subchapter A, the revised law
14 substitutes "the tax rate approved by the voters at the
15 election authorizing the imposition of the tax" for
16 the quoted language.

17 Revised Law

18 Sec. 1064.253. GENERAL OBLIGATION BOND ELECTION. (a) The
19 district may issue general obligation bonds only if the bonds are
20 authorized by a majority of the district voters voting at an
21 election held for that purpose.

22 (b) The order calling the election shall provide for clerks
23 as in county elections and must specify:

- 24 (1) the date of the election;
25 (2) the location of the polling places;
26 (3) the presiding and alternate election judges for
27 each polling place;
28 (4) the amount of the bonds to be authorized;
29 (5) the maximum interest rate of the bonds; and
30 (6) the maximum maturity of the bonds.

31 (c) Notice of a bond election shall be given as provided by
32 Section 1251.003, Government Code. (Acts 61st Leg., R.S., Ch. 287,
33 Sec. 7(a) (part).)

1 Legislature, Regular Session, 1969, states that the
2 election "shall be conducted in accordance with the
3 general laws of Texas pertaining to general elections,
4 except as modified by the provisions of this Act." The
5 revised law omits the quoted language because Section
6 1.002, Election Code, provides that the Election Code
7 applies to all elections held in this state. An
8 exception to the application of the Election Code
9 would apply by its own terms.

10 Revised Law

11 Sec. 1064.254. REVENUE BONDS. (a) The board may issue
12 revenue bonds to:

13 (1) purchase, construct, acquire, repair, renovate,
14 or equip buildings or improvements for hospital purposes; or

15 (2) acquire sites to be used for hospital purposes.

16 (b) The bonds must be payable from and secured by a pledge of
17 all or part of the revenue derived from the operation of the
18 district's hospitals.

19 (c) The bonds may be additionally secured by a mortgage or
20 deed of trust lien on all or part of district property.

21 (d) The bonds must be issued in the manner and in accordance
22 with the procedures and requirements prescribed by Sections
23 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
24 and Safety Code, for issuance of revenue bonds by a county hospital
25 authority. (Acts 61st Leg., R.S., Ch. 287, Sec. 8 (part).)

26 Source Law

27 Sec. 8. In addition to the power to issue bonds
28 payable from taxes levied by the district, as
29 contemplated by the preceding section, the board of
30 directors is further authorized to issue and . . .
31 revenue bonds for purchasing, constructing,
32 acquiring, repairing, equipping, or renovating
33 buildings and improvements for hospital purposes, and
34 for acquiring sites therefor, such bonds to be payable
35 from and secured by a pledge of all or any part of the
36 revenues of the district to be derived from the
37 operation of its hospital or hospitals, and such bonds
38 may be additionally secured by a mortgage or deed of
39 trust lien on any part or all of its properties. Such
40 bonds shall be issued in the manner and in accordance
41 with the procedures and requirements specified for the
42 issuance of revenue bonds by county hospital

1 authorities in Sections 8, 10, 11, 12, and 13, Chapter
2 122, Acts of the 58th Legislature, 1963 (Article
3 4494r, Vernon's Texas Civil Statutes).

4 Revisor's Note

5 Section 8, Chapter 287, Acts of the 61st
6 Legislature, Regular Session, 1969, refers to Sections
7 8, 10, 11, 12, and 13 of Chapter 122, Acts of the 58th
8 Legislature, 1963 (Article 4494r, Vernon's Texas Civil
9 Statutes). Those provisions were codified in 1989 as
10 Sections 264.042, 264.043, 264.046, 264.047, 264.048,
11 and 264.049, Health and Safety Code. The revised law
12 is drafted accordingly.

13 Revised Law

14 Sec. 1064.255. REFUNDING BONDS. (a) The board may, without
15 an election, issue refunding bonds to refund outstanding
16 indebtedness issued or assumed by the district.

17 (b) A refunding bond may be:

18 (1) sold, with the proceeds of the refunding bond
19 applied to the payment of outstanding indebtedness; or

20 (2) exchanged wholly or partly for not less than a
21 similar principal amount of outstanding indebtedness. (Acts 61st
22 Leg., R.S., Ch. 287, Secs. 7(a) (part), (b) (part), 8 (part).)

23 Source Law

24 Sec. 7. (a) . . . [No bonds shall be issued by
25 such hospital district] except refunding bonds [until
26 authorized by a majority of the qualified electors of
27 the district]

28 (b) Refunding bonds of the district may be
29 issued for the purpose of refunding and paying off any
30 outstanding indebtedness it has issued or assumed.
31 Such refunding bonds may be sold and the proceeds
32 thereof applied to the payment of outstanding
33 indebtedness, or may be exchanged in whole or in part
34 for not less than a like principal amount of such
35 outstanding indebtedness

36 Sec. 8. . . . the board of directors is further
37 authorized . . . to refund any previously issued
38 revenue bonds

39 Revisor's Note

40 (1) Section 7(b), Chapter 287, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that
42 refunding bonds must bear interest at the same or a
43 lower rate than the debt refunded unless a savings is

1 shown. The revised law omits this provision because it
2 has been superseded by the enactment of the maximum
3 interest rate provision found in Section 1204.006,
4 Government Code. That section reflects the 1981
5 amendment of Chapter 3, Acts of the 61st Legislature,
6 Regular Session, 1969 (Article 717k-2, Vernon's Texas
7 Civil Statutes, now Chapter 1204, Government Code), by
8 Section 1, Chapter 61, Acts of the 67th Legislature,
9 Regular Session, 1981, and permits a public agency,
10 including a hospital district, to issue public
11 securities at any net effective interest rate of 15
12 percent or less. Section 1204.006 applies to district
13 bonds by application of Section 1204.001, Government
14 Code. The omitted law reads:

15 (b) . . . provided that, if refunding
16 bonds are to be exchanged for a like amount
17 of said outstanding indebtedness, such
18 refunding bonds shall bear interest at the
19 same or lower rate than borne by the debt
20 refunded, unless it is shown mathematically
21 that a saving will result in the total
22 amount of interest to be paid on said
23 refunding bonds, and

24 (2) Section 7(b), Chapter 287, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that
26 refunding bonds sold to pay outstanding indebtedness
27 must be issued and payments made in the manner
28 specified by Chapter 503, Acts of the 54th
29 Legislature, Regular Session, 1955, as amended
30 (Article 717k, Vernon's Texas Civil Statutes).
31 Article 717k was codified in 1999 as part of Chapter
32 1207, Government Code. The revised law omits the
33 provision because Chapter 1207, Government Code,
34 applies to the district by its own terms under Section
35 1207.001, Government Code. The omitted law reads:

36 (b) . . . provided further that if
37 such refunding bonds are to be sold and the
38 proceeds thereof applied to the payment of
39 any such outstanding indebtedness, same
40 shall be issued and payments made in the
41 manner specified by Chapter 503, Acts of the

1 54th Legislature, 1955, as amended (Article
2 717k, Vernon's Texas Civil Statutes).

3 Revised Law

4 Sec. 1064.256. MATURITY OF BONDS. District bonds must
5 mature not later than 40 years after the date of issuance. (Acts
6 61st Leg., R.S., Ch. 287, Sec. 7(c) (part).)

7 Source Law

8 (c) Bonds of the district . . . shall mature
9 within 40 years of their date,

10 Revised Law

11 Sec. 1064.257. EXECUTION OF BONDS. (a) The board president
12 shall execute district bonds in the district's name.

13 (b) The board secretary shall countersign the bonds in the
14 manner provided by Chapter 618, Government Code. (Acts 61st Leg.,
15 R.S., Ch. 287, Sec. 7(c) (part).)

16 Source Law

17 (c) [Bonds of the district] . . . shall be
18 executed in the name of the hospital district and in
19 its behalf by the president of the board and
20 countersigned by the secretary in the manner provided
21 by Chapter 204, Acts of the 57th Legislature, Regular
22 Session, 1961, as amended (Article 717j-1, Vernon's
23 Texas Civil Statutes), and

24 Revisor's Note

25 (1) Section 7(c), Chapter 287, Acts of the 61st
26 Legislature, Regular Session, 1969, refers to Chapter
27 204, Acts of the 57th Legislature, Regular Session,
28 1961, as amended (Article 717j-1, Vernon's Texas Civil
29 Statutes). That statute was codified in 1999 as
30 Chapter 618, Government Code, and the revised law is
31 drafted accordingly.

32 (2) Section 7(c), Chapter 287, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that
34 district bonds must bear interest at a rate not to
35 exceed seven percent a year. The revised law omits
36 that provision for the reason stated in Revisor's Note
37 (1) to Section 1064.255. The omitted law reads:

38 (c) [Bonds of the district] shall
39 bear interest not to exceed seven percent a
40 year,

1 (3) Section 7(c), Chapter 287, Acts of the 61st
2 Legislature, Regular Session, 1969, provides that
3 district bonds are subject to the law governing
4 counties that relates to bond approval by the attorney
5 general and registration of the bonds by the
6 comptroller. Section 7(c) also provides that after
7 approval and registration the bonds are "incontestable
8 for any cause." The revised law omits those provisions
9 as superseded by Chapter 1202, Government Code
10 (enacted as Article 3, Chapter 53, Acts of the 70th
11 Legislature, 2nd Called Session, 1987). Section
12 1202.003(a), Government Code, requires bonds to be
13 submitted to the attorney general. Section
14 1202.003(b), Government Code, provides for approval of
15 the bonds by the attorney general and requires the
16 attorney general to submit the approved bonds to the
17 comptroller for registration. Section 1202.005,
18 Government Code, requires registration of the bonds by
19 the comptroller. Section 1202.006, Government Code,
20 provides that after approval and registration the
21 bonds are incontestable and binding obligations.
22 Chapter 1202, Government Code, applies to district
23 bonds by application of Section 1202.001, Government
24 Code. The omitted law reads:

25 (c) . . . shall be subject to the
26 same requirements in the matter of approval
27 by the Attorney General of Texas and
28 registration by the Comptroller of Public
29 Accounts of the State of Texas as are by law
30 provided for approval and registration of
31 bonds issued by counties. Upon the approval
32 of such bonds by the attorney general and
33 registration by the comptroller, the same
34 shall be incontestable for any cause.

35 Revised Law

36 Sec. 1064.258. BONDS EXEMPT FROM TAXATION. The following
37 are exempt from taxation by this state or a political subdivision of
38 this state:

39 (1) bonds issued by the district;

1 (2) the transfer and issuance of the bonds; and
2 (3) profits made in the sale of the bonds. (Acts 61st
3 Leg., R.S., Ch. 287, Sec. 21 (part).)

4 Source Law

5 Sec. 21. . . . any bonds issued by it and their
6 transfer and the issuance therefrom, including any
7 profits made in the sale thereof, shall at all times be
8 free from taxation by the state or any municipality or
9 political subdivision thereof.

10 Revisor's Note

11 Section 21, Chapter 287, Acts of the 61st
12 Legislature, Regular Session, 1969, refers to "any
13 municipality or political subdivision" of this state.
14 The revised law omits "municipality" for the reason
15 stated in Revisor's Note (2) to Section 1064.102.

16 Revisor's Note
17 (End of Subchapter)

18 (1) Section 13, Chapter 287, Acts of the 61st
19 Legislature, Regular Session, 1969, provides that
20 district bonds are authorized investments for certain
21 entities. The revised law omits the provision as
22 unnecessary. As to several of the entities listed,
23 Section 13 has been superseded and impliedly repealed.
24 Investments in securities by banks are regulated by
25 Section 34.101, Finance Code (enacted in 1995 as
26 Section 5.101, Texas Banking Act (Article 342-5.101,
27 Vernon's Texas Civil Statutes)). Investments in
28 securities by savings banks are regulated by Section
29 93.001(c)(10), Finance Code (enacted in 1993 as
30 Section 7.15(10), Texas Savings Bank Act (Article
31 489e, Vernon's Texas Civil Statutes)). Investments in
32 securities by trust companies are regulated by Section
33 184.101, Finance Code (enacted in 1997 as Section
34 5.101, Texas Trust Company Act (Article 342a-5.101,
35 Vernon's Texas Civil Statutes)). Investments in
36 securities by savings and loan associations are
37 regulated by Sections 63.002 and 64.001, Finance Code.

1 As to the remaining entities listed, Section 13 is
2 superseded by Section 1201.041, Government Code,
3 enacted as Section 9, Bond Procedures Act of 1981
4 (Article 717k-6, Vernon's Texas Civil Statutes).
5 Section 1201.041, Government Code, applies to district
6 bonds by application of Section 1201.002, Government
7 Code. The revised law omits the reference to public
8 funds of this state because it has been superseded by
9 Section 404.024, Government Code (enacted in 1985 as
10 Section 2.014, Treasury Act (Article 4393-1, Vernon's
11 Texas Civil Statutes)), which governs the investment
12 of state funds. Section 404.024(b)(10), Government
13 Code, authorizes the investment of state funds in
14 obligations of political subdivisions, including
15 hospital districts. The omitted law reads:

16 Sec. 13. All bonds issued hereunder
17 and indebtedness assumed by the district
18 shall be and are hereby declared to be legal
19 and authorized investments of banks,
20 savings banks, trust companies, building
21 and loan associations, savings and loan
22 associations, insurance companies,
23 trustees, and sinking funds of cities,
24 towns, villages, counties, school
25 districts, or other political subdivisions
26 of the State of Texas, and for all public
27 funds of the State of Texas or its agencies
28 including the state permanent school
29 fund. . . .

30 (2) Section 13, Chapter 287, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that
32 district bonds may secure deposits of public funds of
33 this state or political subdivisions of this state.
34 The revised law omits the provisions as impliedly
35 repealed by Section 404.0221, Government Code (enacted
36 in 1995), which lists eligible collateral for deposits
37 of state funds by the comptroller, and by Chapter 2257,
38 Government Code (enacted in 1989 as Article 2529d,
39 Vernon's Texas Civil Statutes), which governs eligible
40 collateral for deposits of funds of other public
41 agencies, including political subdivisions. The

1 omitted law reads:

2 Sec. 13. . . . Such bonds and
3 indebtedness shall be eligible to secure
4 deposit of public funds of the State of
5 Texas and public funds of cities, towns,
6 villages, counties, school districts, or
7 other political subdivisions or
8 corporations of the State of Texas, and
9 shall be lawful and sufficient security for
10 said deposits to the extent of their value
11 when accompanied by all unmatured coupons
12 appurtenant thereto.

13 [Sections 1064.259-1064.300 reserved for expansion]

14 SUBCHAPTER G. TAXES

15 Revised Law

16 Sec. 1064.301. IMPOSITION OF AD VALOREM TAX. (a) The board
17 shall impose a tax on all property in the district subject to
18 district taxation.

19 (b) The board shall impose the tax to:

20 (1) pay the interest on and create a sinking fund for
21 bonds and other obligations issued or assumed by the district for
22 hospital purposes;

23 (2) provide for the operation and maintenance of the
24 district and hospital system;

25 (3) make improvements and additions to the hospital
26 system; and

27 (4) acquire necessary sites for the hospital system by
28 purchase, lease, or condemnation. (Acts 61st Leg., R.S., Ch. 287,
29 Secs. 12 (part), 15 (part).)

30 Source Law

31 Sec. 12. The board of directors shall annually
32 levy a tax . . . for the purpose of (1) paying the
33 interest on and creating a sinking fund for bonds and
34 other obligations which may be issued or assumed by the
35 hospital district for hospital purposes as herein
36 provided; (2) providing for the operation and
37 maintenance of the hospital district and hospital
38 system; and (3) for the purpose of making further
39 improvements and additions to the hospital system, and
40 for the acquisition of necessary sites therefor by
41 purchase, lease or condemnation. . . .

42 Sec. 15. . . . Hospital tax shall be levied
43 upon all taxable property within said district subject
44 to hospital district taxation.

1 Revised Law

2 Sec. 1064.302. TAX RATE. (a) The board may impose the tax
3 at a rate not to exceed 75 cents on each \$100 valuation of taxable
4 property in the district.

5 (b) In setting the tax rate, the board shall consider the
6 income of the district from sources other than taxation. (Acts 61st
7 Leg., R.S., Ch. 287, Secs. 3(b) (part), 12 (part).)

8 Source Law

9 [Sec. 3]

10 (b) . . . [hospital district shall be created
11 with authority to levy annual taxes] at a rate not to
12 exceed 75¢ on the \$100 valuation of taxable property
13 situated within the district subject to hospital
14 district taxation

15 Sec. 12. [The board of directors shall annually
16 levy a tax] of not to exceed the amount hereinabove
17 permitted In setting such tax rate the board
18 shall take into consideration the income of the
19 district from sources other than taxation. . . .

20 Revisor's Note

21 Section 12, Chapter 287, Acts of the 61st
22 Legislature, Regular Session, 1969, requires the board
23 to levy the tax and to certify the tax rate to the tax
24 assessor-collector. The revised law omits that
25 provision because Section 26.05(a), Tax Code, requires
26 the governing body of a taxing unit to adopt a tax rate
27 for the current tax year and to notify the tax assessor
28 of that rate. The omitted law reads:

29 Sec. 12. . . . Upon determination
30 of the amount of tax required to be levied,
31 the board shall make such levy and certify
32 the same to the tax assessor-collector of
33 said district.

34 Revised Law

35 Sec. 1064.303. ASSESSMENT AND COLLECTION OF TAXES IN SAME
36 MANNER AS COUNTY. (a) This section applies unless the board elects
37 to have taxes assessed and collected under Section 1064.304.

38 (b) District taxes shall be assessed and collected in the
39 same manner as provided by law for the assessment and collection of
40 county taxes.

41 (c) The tax assessor-collector shall assess and collect

1 taxes imposed by the district.

2 (d) The tax assessor-collector shall charge and deduct from
3 payments to the district an amount as fees for assessing and
4 collecting the taxes at a rate determined by the board. (Acts 61st
5 Leg., R.S., Ch. 287, Sec. 15 (part).)

6 Source Law

7 Sec. 15. . . . unless the directors, by
8 majority vote, elect to have taxes assessed and
9 collected by its own tax assessor-collector under
10 Subsection (b) of this section hereof. . . .

11 (a) Under this subsection, district taxes shall
12 be assessed and collected . . . in the same manner as
13 provided by law with relation to county taxes. The tax
14 assessor-collector shall be charged and required to
15 accomplish the assessment and collection of all taxes
16 levied by and on behalf of the district. The
17 assessor-collector of taxes shall charge and deduct
18 from payments to the hospital district an amount as
19 fees for assessing and collecting the taxes at a rate
20 as may be determined by the board of directors. . . .

21 Revisor's Note

22 (1) Section 15, Chapter 287, Acts of the 61st
23 Legislature, Regular Session, 1969, refers to the
24 assessment and collection of district taxes on
25 appraisal district tax values. The revised law omits
26 that provision because it duplicates the Property Tax
27 Code (Title 1, Tax Code), a comprehensive, substantive
28 codification of property tax law. Title 1, Tax Code,
29 provides the exclusive procedures for the appraisal of
30 property for taxation by a taxing unit, including a
31 county or hospital district. The omitted law reads:

32 Sec. 15. . . . All taxes of the
33 district shall be assessed and collected on
34 appraisal district tax values as provided
35 in Subsection (a) of this section hereof
36

37 (a) . . . district taxes shall be
38 assessed and collected on appraisal
39 district tax values

40 (2) Section 15(a), Chapter 287, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that
42 interest and penalties on district taxes and discounts
43 are the same as for county taxes. The revised law
44 omits that provision because it duplicates Chapter 33,

1 Tax Code, which provides for the assessment of
2 penalties and interest on delinquent taxes for taxing
3 units, including counties and hospital districts, and
4 duplicates Section 31.05, Tax Code, which provides for
5 discounts on the early payment of taxes to taxing
6 units, including counties and hospital districts. The
7 omitted law reads:

8 (a) . . . Interest and penalties on
9 taxes paid to the hospital district shall be
10 the same as in the case of county taxes.
11 Discounts shall be the same as allowed by
12 the county. . . .

13 (3) Section 15(a), Chapter 287, Acts of the 61st
14 Legislature, Regular Session, 1969, provides that tax
15 revenue shall be deposited in the district's
16 depository. The revised law omits the provision
17 because it duplicates Section 31.10, Tax Code, which
18 requires the tax assessor-collector of a taxing unit
19 to deposit taxes collected in the unit's depository.
20 The omitted law reads:

21 (a) . . . The residue of tax
22 collections shall be deposited in the
23 district's depository. . . .

24 (4) Section 15(a), Chapter 287, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that the
26 bond of the tax assessor-collector is security for the
27 performance of district duties unless the board
28 determines that an additional bond is necessary. The
29 revised law omits that provision because it duplicates
30 Section 6.29(b), Tax Code, which authorizes a taxing
31 unit whose taxes are collected by the collector for
32 another taxing unit to require that collector to post
33 an additional bond. The omitted law reads:

34 (a) . . . The bond of the tax
35 assessor-collector shall stand as security
36 for the proper performance of the
37 assessor-collector's duties as
38 assessor-collector of the district; or, if
39 in the judgment of the district board of
40 directors it is necessary, additional bond
41 payable to the district may be

1 required. . . .

2 (5) Section 15(a), Chapter 287, Acts of the 61st
3 Legislature, Regular Session, 1969, states that the
4 tax assessor-collector may act in accordance with
5 state law relating to the assessment, collection, and
6 enforcement of state and county taxes. The revised law
7 omits that provision as unnecessary. The state law
8 relating to the assessment, collection, and
9 enforcement of all ad valorem taxes is Title 1, Tax
10 Code. Section 1.02, Tax Code, requires all taxing
11 units of government to administer the assessment,
12 collection, and enforcement of taxes in conformity
13 with that title. The omitted law reads:

14 (a) . . . In all matters pertaining
15 to the assessment, collection and
16 enforcement of taxes for the district, the
17 tax assessor-collector shall be authorized
18 to act in all respects according to the laws
19 of the State of Texas relating to state and
20 county taxes.

21 Revised Law

22 Sec. 1064.304. ASSESSMENT AND COLLECTION BY DISTRICT TAX
23 ASSESSOR-COLLECTOR. (a) The board may elect to have district taxes
24 assessed and collected by a tax assessor-collector appointed by the
25 board. An election under this subsection must be made before
26 December 1 and governs the manner in which taxes are assessed and
27 collected, until changed by a similar resolution.

28 (b) The board shall set for the district tax
29 assessor-collector:

- 30 (1) the terms of employment;
31 (2) compensation; and
32 (3) the requirement for bond to assure the faithful
33 performance of the tax assessor-collector's duties.

34 (c) A bond required under Subsection (b)(3) must be set in
35 an amount of not less than \$100,000. (Acts 61st Leg., R.S., Ch.
36 287, Sec. 15 (part).)

37 Source Law

38 Sec. 15. . . . [unless the directors, by

1 majority vote, elect to have taxes assessed and
2 collected by its own tax assessor-collector under
3 Subsection (b) of this section hereof.] Any such
4 election may be made prior to December 1 annually and
5 shall govern the manner in which taxes are thereafter
6 assessed and collected, until changed by a similar
7 resolution.

8 . . .
9 (b) Under this subsection, taxes shall be
10 assessed and collected by a tax assessor-collector
11 appointed by the directors, who shall also fix the
12 terms of the assessor-collector's employment,
13 compensation, and requirement for bond to assure the
14 faithful performance of the assessor-collector's
15 duties, but in no event shall such bond be for less
16 than \$100,000. . . .

17 Revisor's Note
18 (End of Subchapter)

19 Section 15, Chapter 287, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that the
21 directors may impose taxes for the entire year in which
22 the district is established. The revised law omits
23 this provision as executed. The omitted law reads:

24 Sec. 15. The directors shall have the
25 authority to levy taxes for the entire year
26 in which the district is established as the
27 result of the election herein
28 provided. . . .

29 Revisor's Note
30 (End of Chapter)

31 (1) Sections 2 and 19, Chapter 287, Acts of the
32 61st Legislature, Regular Session, 1969, provide for
33 the transfer of certain land, buildings, improvements,
34 equipment, funds, and taxes to the district after the
35 district is created and provide for the assumption of
36 debt by the district on creation. The revised law
37 omits the provisions as executed. The omitted law
38 reads:

39 Sec. 2. The district herein
40 authorized to be created shall take over and
41 there shall be transferred to it title to
42 all lands, buildings, improvements,
43 equipment, and choses in action in anywise
44 pertaining to the hospitals or hospital
45 system owned by Moore County, and any city
46 or town within such county and
47 thereafter, Such district shall
48 assume all outstanding obligations and
49 indebtedness incurred by any city or town
50 within Moore County or by Moore County for
51 hospital purposes prior to the creation of
52 said district.

1 Sec. 19. . . . When the district is
2 created and established, the county and all
3 towns and cities located therein shall
4 convey and transfer to the district title to
5 all lands, buildings, improvements, and
6 equipment in anywise pertaining to a
7 hospital or hospital system which may be
8 jointly or separately owned by the county or
9 any city or town within said district.
10 Operating funds and reserves for operating
11 expenses which are on hand and funds which
12 have been budgeted for hospital purposes by
13 the county or any city or town therein for
14 the remainder of the fiscal year in which
15 the district is established shall likewise
16 be transferred to said district, as shall
17 taxes theretofore levied for hospital
18 purposes for the current year, and all
19 sinking funds established for payment of
20 indebtedness assumed by the district.

21 (2) Section 22, Chapter 287, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that the
23 act is severable. The revised law omits this provision
24 because it duplicates Section 311.032, Government Code
25 (Code Construction Act), which provides that a
26 provision of a statute is severable from each other
27 provision of the statute that can be given effect. The
28 omitted law reads:

29 Sec. 22. . . . If any provision of
30 this Act should be invalid, such fact shall
31 not affect the authorization for the
32 creation of the district or the validity of
33 any other provisions of this Act, and the
34 Legislature hereby declares that it would
35 have created the district and enacted the
36 valid provisions of this Act
37 notwithstanding the invalidity of any other
38 provision or provisions hereof.

39 (3) Section 23, Chapter 287, Acts of the 61st
40 Legislature, Regular Session, 1969, provides that
41 public notice of enactment of the statute was provided
42 in a manner that satisfies the requirements of the
43 Texas Constitution. The revised law omits that
44 section as executed. The omitted law reads:

45 Sec. 23. Proof of publication of the
46 notice required in the enactment hereof
47 under the provisions of Article IX, Section
48 9 of the Texas Constitution, has been made
49 in the manner and form provided by law
50 pertaining to the enactment of local and
51 special laws, and such notice is hereby
52 found and declared proper and sufficient to

1 satisfy such requirement.

2 (4) Sections 11(a) and (b) and 12, Chapter 1091,
3 Acts of the 76th Legislature, Regular Session, 1999,
4 provide transition language regarding board
5 appointments. The revised law omits the provisions as
6 executed. The omitted law reads:

7 Sec. 11. (a) To succeed the
8 directors of the Moore County Hospital
9 District who were appointed by the
10 commissioners court and whose terms expire
11 in 2000, the Moore County Commissioners
12 Court shall appoint two directors to serve
13 terms expiring April 1, 2002, and one
14 director to serve a term expiring April 1,
15 2003.

16 (b) To succeed the directors of the
17 Moore County Hospital District who were
18 appointed by the commissioners court and
19 whose terms expire in 2001, the Moore County
20 Commissioners Court shall appoint one
21 director to serve a term expiring April 1,
22 2003, and two directors to serve terms
23 expiring April 1, 2004.

24 Sec. 12. As soon as possible after
25 the effective date of this Act, the medical
26 staff of the Moore County Hospital
27 District's hospital shall appoint one
28 director of the district in the manner
29 provided by Section 4, Chapter 287, Acts of
30 the 61st Legislature, Regular Session,
31 1969, as amended by this Act.

32 (5) Section 13, Chapter 1091, Acts of the 76th
33 Legislature, Regular Session, 1999, provides
34 transition language regarding changes to the
35 district's competitive bid process. The revised law
36 omits the provision as executed. The omitted law
37 reads:

38 Sec. 13. The changes in law made by
39 this Act to Section 10, Chapter 287, Acts of
40 the 61st Legislature, Regular Session,
41 1969, apply only to a request for
42 competitive bids made by the board of
43 directors of the Moore County Hospital
44 District on or after the effective date of
45 this Act. A request for competitive bids by
46 a board made before the effective date of
47 this Act is covered by the law in effect
48 when the board submitted the request for
49 competitive bids, and the former law is
50 continued in effect for that purpose.

13 SUBCHAPTER A. GENERAL PROVISIONS

14 Revised Law

15 Sec. 1067.001. DEFINITIONS. In this chapter:

- 16 (1) "Board" means the board of directors of the
- 17 district.
- 18 (2) "Director" means a member of the board.
- 19 (3) "District" means the Muenster Hospital District.

20 (New.)

21 Revisor's Note

22 The definitions of "board," "director," and

23 "district" are added to the revised law for drafting

24 convenience and to eliminate frequent, unnecessary

25 repetition of the substance of the definitions.

26 Revised Law

27 Sec. 1067.002. AUTHORITY FOR CREATION. The Muenster

28 Hospital District is created under the authority of Section 9,

29 Article IX, Texas Constitution. (Acts 59th Leg., R.S., Ch. 477,

30 Sec. 1(a).)

31 Source Law

32 Sec. 1. (a) By authority of Section 9, Article

33 IX, Constitution of the State of Texas, this Act

34 authorizes the creation of the Muenster Hospital

35 District in Cooke County.

1 Revised Law

2 Sec. 1067.003. ESSENTIAL PUBLIC FUNCTION. The district
3 performs an essential public function in carrying out the purposes
4 of this chapter. (Acts 59th Leg., R.S., Ch. 477, Sec. 11 (part).)

5 Source Law

6 Sec. 11. In carrying out the purposes of this
7 Act the District will be performing an essential
8 public function and

9 Revised Law

10 Sec. 1067.004. DISTRICT TERRITORY. The district is
11 composed of the territory described by Section 2a, Chapter 477,
12 Acts of the 59th Legislature, Regular Session, 1965. (New.)

13 Revisor's Note

14 (1) The revision of the law governing the
15 district does not revise the statutory language
16 describing the territory of the district to avoid the
17 lengthy recitation of the description. For the
18 reader's convenience, the revised law includes a
19 reference to the statutory description of the
20 district's territory.

21 (2) Section 1(b), Chapter 477, Acts of the 59th
22 Legislature, Regular Session, 1965, provides that the
23 boundaries of the district are coterminous with the
24 boundaries of the Muenster Independent School District
25 and a part of the Saint Jo Independent School District.
26 Section 2a, Chapter 477, Acts of the 59th Legislature,
27 Regular Session, 1965, as added by Chapter 212, Acts of
28 the 64th Legislature, Regular Session, 1975, provided
29 for the expansion of the district beyond the original
30 district boundaries established in 1965. Because the
31 boundaries of the district were expanded in accordance
32 with Section 2a, the revised law omits Section 1(b) as
33 superseded by Section 2a. The omitted law reads:

34 (b) The boundaries of the Muenster
35 Hospital District are coterminous with the
36 boundaries of the Muenster Independent
37 School District and that part of the Saint

1 Jo Independent School District located in
2 Cooke County as those districts are fixed on
3 the effective date of this Act.

4 Revised Law

5 Sec. 1067.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
6 OBLIGATION. The support and maintenance of the district may not
7 become a charge against or obligation of this state. (Acts 59th
8 Leg., R.S., Ch. 477, Sec. 21 (part).)

9 Source Law

10 Sec. 21. The support and maintenance of
11 Muenster Hospital District shall never become a charge
12 against or obligation of the State of Texas,

14 Sec. 1067.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
15 The legislature may not make a direct appropriation for the
16 construction, maintenance, or improvement of a district facility.
17 (Acts 59th Leg., R.S., Ch. 477, Sec. 21 (part).)

18 Source Law

19 Sec. 21. . . . nor shall any direct
20 appropriation be made by the Legislature for the
21 construction, maintenance or improvement of any of the
22 facilities of such District.

23 Revisor's Note
24 (End of Subchapter)

25 Section 3, Chapter 477, Acts of the 59th
26 Legislature, Regular Session, 1965, provides
27 procedures for holding an election on the creation of
28 the district and the imposition of an ad valorem tax.
29 Because the creation of the district and the
30 imposition of the tax were approved at the election,
31 the revised law omits the relevant law as executed.
32 The omitted law reads:

33 Sec. 3. The District shall not be
34 created, nor shall any tax therein be
35 authorized unless and until such creation
36 and such tax are approved by a majority of
37 the qualified property taxpaying electors
38 of the District voting at an election called
39 for such purpose. Such election shall be
40 called by a majority of the temporary or
41 provisional directors of the District and
42 shall be held not less than thirty (30) nor
43 more than sixty (60) days from the time such
44 election is ordered. The order calling the
45 election shall specify the time and places

1 of holding same, the form of ballot and the
2 presiding judge for each voting place.
3 Notice of election shall be given by
4 publishing a substantial copy of the
5 election order in a newspaper of general
6 circulation in the area of the proposed
7 District once a week for two consecutive
8 weeks, the first publication to appear at
9 least fourteen (14) days prior to the date
10 set for the election. The failure of any
11 such election shall not operate to prohibit
12 the calling and holding of subsequent
13 elections for the same purpose. At said
14 election there shall be submitted to the
15 qualified property taxpaying electors of
16 said proposed District the proposition of
17 whether or not Muenster Hospital District
18 shall be created with authority to levy
19 annual taxes at a rate not to exceed
20 seventy-five cents (75¢) on the One Hundred
21 Dollars valuation of all taxable property
22 within such District for the purpose of
23 meeting the requirements of the District's
24 bonds and for the care of indigents, and a
25 majority of the qualified taxpaying
26 electors of the District voting at said
27 election in favor of the proposition shall
28 be sufficient for its adoption. The ballots
29 shall have printed thereon the following:

30 "FOR the creation of Muenster Hospital
31 District, the levy of a tax not to exceed
32 seventy-five cents (75¢) on the One Hundred
33 Dollars (\$100) valuation.

34 "AGAINST the creation of Muenster
35 Hospital District, the levy of a tax not to
36 exceed seventy-five cents (75¢) on the One
37 Hundred Dollars (\$100) valuation."

39 SUBCHAPTER B. DISTRICT ADMINISTRATION

40 Revised Law

41 Sec. 1067.051. BOARD ELECTION; TERM. (a) The district
42 consists of nine elected directors.

43 (b) Directors serve staggered three-year terms.

44 (c) An election shall be held on the uniform election date
45 in May of each year to elect the appropriate number of directors.

46 (d) The election order must state the time, place, and
47 purpose of the election. (Acts 59th Leg., R.S., Ch. 477, Sec. 4(a)
48 (part).)

49 Source Law

50 Sec. 4. (a) The Board of Directors consists of
51 nine Directors. Directors elected at elections held
52 after May, 1997, serve staggered three-year terms. A
53 regular election for Directors shall be held on the
54 first Saturday in May of each year. [The regular
55 election for Directors shall be ordered] . . . such
56 order shall state the time, place and purpose of the

1 election, and

2 Revisor's Note

3 (1) Section 4(a), Chapter 477, Acts of the 59th
4 Legislature, Regular Session, 1965, refers to
5 elections of directors "held after May, 1997." The
6 revised law omits the quoted language as executed.

7 (2) Section 4(a), Chapter 477, Acts of the 59th
8 Legislature, Regular Session, 1965, was amended in
9 1995 to require board elections on the "first Saturday
10 in May." From 1986 to 2003, Section 41.001, Election
11 Code, provided for a uniform election date for all
12 political subdivisions on the first Saturday in May.
13 In Chapter 1315, Acts of the 78th Legislature, Regular
14 Session, 2003, the legislature amended Section 41.001
15 by moving the uniform election date in May to the third
16 Saturday. In Chapter 1, Acts of the 78th Legislature,
17 3rd Called Session, 2003, the legislature amended
18 Section 41.001 by moving the uniform election date in
19 May back to the first Saturday. In Chapter 471, Acts
20 of the 79th Legislature, Regular Session, 2005, the
21 legislature amended Section 41.001 by moving the
22 uniform election date in May to the second Saturday.
23 The revised law substitutes "uniform election date in
24 May" for "first Saturday in May" to reflect these
25 changes while preserving as closely as possible the
26 legislative intent expressed in the 1995 amendment to
27 Chapter 477 that the election be held on the first
28 Saturday in May, which was at that time the uniform
29 election date in May.

30 (3) Section 4(a), Chapter 477, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that the
32 board shall order the election of directors. The
33 revised law omits the provision requiring the board to
34 order the election because it duplicates Section
35 3.004, Election Code, applicable to the district under

1 Section 1.002, Election Code. Section 3.004 requires
2 the governing body of a political subdivision that has
3 elective officers to order the general election for
4 those officers. The revised law omits the reference to
5 Section 3.005, Election Code, because Section 3.005
6 applies to the district by its own terms under Section
7 1.002, Election Code. The omitted law reads:

8 (a) . . . The regular election for
9 Directors shall be ordered by the Board and
10 . . . such election shall be ordered in
11 accordance with Section 3.005, Election
12 Code. . . .

13 (4) Section 4(a), Chapter 477, Acts of the 59th
14 Legislature, Regular Session, 1965, provides that the
15 board shall appoint the presiding judge, who appoints
16 an assistant judge and clerks as required. The revised
17 law omits the provision because it duplicates Sections
18 32.005 and 32.031, Election Code, applicable to the
19 district under Section 1.002, Election Code. The
20 omitted law reads:

21 (a) . . . the Board shall appoint the
22 presiding judge who shall appoint an
23 assistant judge and such clerks as may be
24 required, and

25 (5) Section 14, Chapter 125, Acts of the 74th
26 Legislature, Regular Session, 1995, provides for the
27 staggering of terms for directors to accomplish the
28 change of the members' terms from two to three years.
29 The revised law omits the provision as executed. The
30 omitted law reads:

31 Sec. 14. (a) The election of
32 directors scheduled before the effective
33 date of this Act to be held in May, 1995,
34 shall be held, and the three directors who
35 receive the highest total number of votes
36 shall be elected to serve three-year terms,
37 and the director who receives the fourth
38 highest total number of votes shall be
39 elected to serve a two-year term.

40 (b) In the election of directors
41 scheduled to be held in May, 1996, the three
42 directors who receive the highest total
43 number of votes shall be elected to serve
44 three-year terms, and the two directors who
45 receive the fourth and fifth highest total

1 number of votes shall be elected to serve
2 one-year terms.

3 Revised Law

4 Sec. 1067.052. NOTICE OF ELECTION. Notice of an election of
5 directors shall be published one time in a newspaper of general
6 circulation in the area of the district in accordance with Section
7 4.003(a)(1), Election Code. (Acts 59th Leg., R.S., Ch. 477, Sec.
8 4(a) (part).)

9 Source Law

10 (a) . . . Notice of such election shall be
11 published one time in a newspaper of general
12 circulation in the area of the District in accordance
13 with Section 4.003(a)(1), Election Code. . . .

14 Revised Law

15 Sec. 1067.053. QUALIFICATIONS FOR OFFICE. (a) To be
16 eligible to serve as a director, a person must be:

- 17 (1) a resident of the district; and
- 18 (2) a qualified voter.

19 (b) A district employee may not serve as a director. (Acts
20 59th Leg., R.S., Ch. 477, Sec. 4(b) (part).)

21 Source Law

22 (b) . . . Any person who is a resident of the
23 District and a qualified voter shall be eligible to
24 hold office as director of the District. However, an
25 employee of the District may not serve as a
26 director. . . .

27 Revised Law

28 Sec. 1067.054. BOARD VACANCY. If a vacancy occurs in the
29 office of director, the remaining directors by majority vote shall
30 appoint a director for the unexpired term. (Acts 59th Leg., R.S.,
31 Ch. 477, Sec. 4(a) (part).)

32 Source Law

33 (a) . . . All vacancies in office shall be
34 filled by a majority vote of the remaining Directors
35 and such appointees shall hold office for the
36 unexpired term for which they were appointed.

37 Revised Law

38 Sec. 1067.055. OFFICERS. (a) The board shall elect a
39 president and a vice president from among its members.

40 (b) The board shall appoint a secretary, who need not be a

1 director.

2 (c) Each officer serves for a term of one year.

3 (d) The president is the chief executive officer of the
4 district and has the same right to vote as any other director.

5 (e) If the president is absent or fails and declines to act,
6 the vice president shall perform the president's duties and
7 exercise the president's powers under this chapter. (Acts 59th
8 Leg., R.S., Ch. 477, Sec. 4(b) (part).)

9 Source Law

10 (b) . . . The Board of Directors shall elect
11 from its number a president and vice president and
12 shall appoint a secretary who need not be a director.
13 Each officer shall serve for a term of one year. The
14 president shall be the chief executive officer of the
15 District, and shall have the same right to vote as any
16 other Director. The vice president shall perform all
17 duties and exercise all powers conferred by this Act
18 upon the president when the president is absent or
19 fails and declines to act.

20 Revised Law

21 Sec. 1067.056. COMPENSATION; EXPENSES. A director is not
22 entitled to compensation but is entitled to reimbursement for
23 actual expenses incurred in attending to district business. The
24 expenses must be:

25 (1) reported in the district's records; and

26 (2) approved by the remainder of the board. (Acts 59th
27 Leg., R.S., Ch. 477, Sec. 4(b) (part).)

28 Source Law

29 (b) No director shall be entitled to
30 compensation, but shall be entitled to receive actual
31 expenses incurred in attending to the District's
32 business, provided such expenses are reported in the
33 District's minute book or other District records and
34 approved by the remainder of the Board. . . .

35 Revisor's Note

36 Section 4(b), Chapter 477, Acts of the 59th
37 Legislature, Regular Session, 1965, requires that
38 expenses be reported in the "District's minute book or
39 other District records." The revised law omits the
40 reference to the "District's minute book" because the
41 minute book is a district record.

1 Revised Law

2 Sec. 1067.057. DISTRICT ADMINISTRATOR; ASSISTANT
3 ADMINISTRATOR. (a) The board shall appoint a qualified person as
4 district administrator.

5 (b) The board may appoint an assistant administrator.

6 (c) The district administrator and any assistant
7 administrator serve at the will of the board and are entitled to the
8 compensation determined by the board.

9 (d) The board may require the district administrator,
10 before assuming the administrator's duties, to execute a bond
11 payable to the district in an amount set by the board of not less
12 than \$5,000 that:

13 (1) is conditioned on the faithful performance of the
14 administrator's duties; and

15 (2) contains other conditions the board may require.

16 (e) The board may pay for the bond with district money.
17 (Acts 59th Leg., R.S., Ch. 477, Sec. 5(a) (part).)

18 Source Law

19 (a) . . . The Board of Directors shall appoint a
20 qualified person to be known as the administrator of
21 the Hospital District and may in its discretion
22 appoint an assistant to the administrator. Such
23 administrator and assistant administrator, if any,
24 shall serve at the will of the Board and shall receive
25 such compensation as may be fixed by the Board. The
26 Board may require the administrator before assuming
27 the administrator's duties to execute a bond payable to
28 the Hospital District in an amount to be set by the
29 Board of Directors, in no event less than \$5,000
30 conditioned on the faithful performance of the
31 administrator's duties and containing such other
32 conditions as the Board may require. The Board may pay
33 for the bond with District funds.

34 Revised Law

35 Sec. 1067.058. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
36 Subject to the limitations prescribed by the board, the district
37 administrator shall:

38 (1) supervise the work and activities of the hospital;
39 and

40 (2) direct the affairs of the district. (Acts 59th
41 Leg., R.S., Ch. 477, Sec. 5(b) (part).)

Revised Law

Sec. 1067.059. APPOINTMENT AND RECRUITMENT OF STAFF AND EMPLOYEES. (a) The board, with the district administrator, may appoint to the staff any doctors the board considers necessary for the efficient operation of the district.

(b) The board may employ technicians, nurses, and other employees as considered necessary for the efficient operation of the hospital or may provide that the district administrator has the authority to admit or employ those persons.

(c) The board may spend district money to recruit physicians, nurses, and other trained medical personnel. The board may pay the tuition or other expenses of a full-time medical student or other student in a health occupation who:

- (1) is enrolled in and is in good standing at an accredited medical school, college, or university; and
- (2) contractually agrees to become a district employee or independent contractor in return for that assistance. (Acts 59th Leg., R.S., Ch. 477, Secs. 5(b) (part), (g).)

Source Law

(b) . . . The Board of Directors, with the administrator, shall have the authority to appoint to the staff doctors the Board considers necessary for the efficient operation of the District. The Board may employ technicians, nurses and other employees of every kind and character as may be deemed necessary for the efficient operation of the Hospital, or may provide that the administrator shall have the authority to admit or employ such persons.

(g) The Board of Directors may spend District funds to recruit physicians, nurses, and other trained medical personnel. The Board may contract with one or more full-time medical students or other students in a health occupation, each of whom is enrolled in good standing in an accredited medical school, college, or university, to pay the student's tuition or other expenses in consideration of the student's contractual agreement to serve as an employee or independent contractor for the District under terms provided for in the contract.

1 Revisor's Note

2 Section 5(g), Chapter 477, Acts of the 59th
3 Legislature, Regular Session, 1965, provides that a
4 student who receives assistance from the district must
5 become a district employee "under terms provided for
6 in the contract." The revised law omits the quoted
7 language because the provisions of a contract between
8 the board and a student apply by their own terms.

9 Revised Law

10 Sec. 1067.060. PERSONNEL CONTRACTS. (a) The board may
11 contract to provide administrative and other personnel for the
12 operation of the hospital facilities.

13 (b) The term of the contract may not exceed 25 years from the
14 date the contract is entered. (Acts 59th Leg., R.S., Ch. 477, Sec.
15 5(e) (part).)

16 Source Law

17 (e) The Board may also enter into a contract or
18 contracts to provide administrative and other
19 personnel for the operation of the hospital
20 facilities, but in no event may such contract be for a
21 period in excess of 25 years from the date the same is
22 entered. . . .

23 Revised Law

24 Sec. 1067.061. RETIREMENT BENEFITS. The board may provide
25 retirement benefits for district employees by:

26 (1) establishing or administering a retirement
27 program; or

28 (2) participating in:

29 (A) the Texas County and District Retirement
30 System; or

31 (B) another statewide retirement system in which
32 the district is eligible to participate. (Acts 59th Leg., R.S., Ch.
33 477, Sec. 5(f).)

34 Source Law

35 (f) The Board may provide retirement benefits
36 for the employees of the District by establishing or
37 administering a retirement program or electing to
38 participate in the Texas County and District
39 Retirement System or any other statewide retirement

1 system in which the District is eligible to
2 participate.

3 Revisor's Note
4 (End of Subchapter)

5 (1) Section 4(a), Chapter 477, Acts of the 59th
6 Legislature, Regular Session, 1965, states that a
7 person must file a ballot application with the board
8 secretary to be a candidate for director in accordance
9 with Section 144.005, Election Code. The revised law
10 omits the requirement to file the application with the
11 board secretary because it duplicates Sections 144.003
12 and 144.004, Election Code, applicable to the district
13 under Section 1.002, Election Code. The revised law
14 omits the reference to Section 144.005, Election Code,
15 because that section applies to the district by its own
16 terms under Section 1.002, Election Code. The omitted
17 law reads:

18 (a) . . . Any person desiring his
19 name to be printed on the ballot as a
20 candidate for director shall file an
21 application with the secretary of the Board
22 of Directors of the District in accordance
23 with Section 144.005, Election Code. . . .

24 (2) Section 4(c), Chapter 477, Acts of the 59th
25 Legislature, Regular Session, 1965, requires each
26 director to take the constitutional oath of office.
27 The revised law omits that provision because Section
28 1, Article XVI, Texas Constitution, requires all
29 officers to take the oath (or affirmation) before
30 assuming office. The omitted law reads:

31 (c) Each Director and his successor
32 in office shall qualify by executing the
33 Constitutional oath of office. . . .

34 (3) Section 4(c), Chapter 477, Acts of the 59th
35 Legislature, Regular Session, 1965, provides that a
36 majority of the board constitutes a quorum. The
37 revised law omits that provision because it duplicates
38 Section 311.013, Government Code (Code Construction
39 Act), which provides that a quorum of a public body is

1 a majority of the number of members fixed by statute.

2 The omitted law reads:

3 (c) . . . A majority of the Board
4 shall constitute a quorum for the
5 transaction of business.

6 [Sections 1067.062-1067.100 reserved for expansion]

7 SUBCHAPTER C. POWERS AND DUTIES

8 Revised Law

9 Sec. 1067.101. DISTRICT RESPONSIBILITY. The district has
10 full responsibility for:

11 (1) operating all hospital facilities for providing
12 medical and hospital care of the indigent persons in the district;
13 and

14 (2) providing medical and hospital care for the
15 district's needy inhabitants. (Acts 59th Leg., R.S., Ch. 477, Secs.
16 2 (part), 20 (part).)

17 Source Law

18 Sec. 2. . . . Such district shall assume full
19 responsibility for providing medical and hospital care
20 for its needy inhabitants.

21 Sec. 20. . . . the said Muenster Hospital
22 District shall assume full responsibility for the
23 operation of all hospital facilities for the
24 furnishing of medical and hospital care of indigent
25 persons within its boundaries.

26 Revisor's Note

27 Sections 2 and 20, Chapter 477, Acts of the 59th
28 Legislature, Regular Session, 1965, provide that the
29 district "shall assume" full responsibility for
30 providing medical and hospital care for the district's
31 needy inhabitants and for the operation of hospital
32 facilities for the indigent. The revised law
33 substitutes "has" for the quoted language because the
34 duty to assume the responsibility is executed.

35 Revised Law

36 Sec. 1067.102. RESTRICTION ON POLITICAL SUBDIVISION
37 TAXATION AND DEBT. A political subdivision located within the
38 district may not impose a tax or issue bonds or other obligations

1 for hospital purposes for medical treatment of indigent persons in
2 the district. (Acts 59th Leg., R.S., Ch. 477, Sec. 20 (part).)

3 Source Law

4 Sec. 20. After creation of Muenster Hospital
5 District as herein provided, no other municipality or
6 political subdivision therein shall thereafter issue
7 bonds or other evidences of indebtedness or levy taxes
8 for hospital purposes for medical treatment of
9 indigent persons within the boundaries of said
10 District, and

11 Revisor's Note

12 (1) Section 20, Chapter 477, Acts of the 59th
13 Legislature, Regular Session, 1965, prohibits certain
14 actions "[a]fter creation of Muenster Hospital
15 District as herein provided." The revised law omits
16 the quoted language as executed.

17 (2) Section 20, Chapter 477, Acts of the 59th
18 Legislature, Regular Session, 1965, refers to a
19 "municipality or political subdivision." The revised
20 law omits the reference to "municipality" because
21 "municipality" is included in the meaning of
22 "political subdivision."

23 (3) Section 20, Chapter 477, Acts of the 59th
24 Legislature, Regular Session, 1965, provides that
25 certain political subdivisions may not issue bonds or
26 other "evidences of indebtedness." The revised law
27 substitutes "obligations" for "evidences of
28 indebtedness" because, in context, the terms are
29 synonymous, and "obligations" is more commonly used.
30 Section 20 also states that the political subdivisions
31 may not "levy" taxes for hospital purposes.
32 Throughout this chapter, the revised law substitutes
33 "impose" for "levy" because, in this context, the
34 terms are synonymous and the former is more commonly
35 used.

36 Revised Law

37 Sec. 1067.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.

1 The board shall manage, control, and administer the hospital, the
2 hospital system, and the district's business, money, and resources.
3 (Acts 59th Leg., R.S., Ch. 477, Sec. 5(a) (part).)

4 Source Law

5 Sec. 5. (a) The Board of Directors shall manage,
6 control and administer the hospital and the hospital
7 system and the business, funds, and resources of the
8 District. . . .

9 Revised Law

10 Sec. 1067.104. HOSPITAL OR HOSPITAL SYSTEM. (a) The
11 district shall provide for the establishment, administration,
12 maintenance, operation, and financing of a hospital or hospital
13 system in the district.

14 (b) The district may provide any services or facilities
15 necessary for hospital or medical care, including:

- 16 (1) rural health clinics;
- 17 (2) outpatient clinics;
- 18 (3) nursing homes;
- 19 (4) home health care agencies;
- 20 (5) extended care facilities;
- 21 (6) assisted living or personal care facilities; and
- 22 (7) retirement, housing, and medical office
23 buildings. (Acts 59th Leg., R.S., Ch. 477, Sec. 2 (part).)

24 Source Law

25 Sec. 2. The District herein authorized to be
26 created shall provide for the establishment,
27 administration, maintenance, operation, and financing
28 of a hospital or hospital system within its boundaries
29 and may provide any services or facilities necessary
30 for hospital or medical care, including rural health
31 clinics, outpatient clinics, nursing homes, home
32 health care agencies, extended care facilities,
33 assisted living or personal care facilities, and
34 retirement, housing, and medical office
35 buildings. . . .

36 Revised Law

37 Sec. 1067.105. RULES. The board may adopt rules for the
38 operation of the district and as required to administer this
39 chapter. (Acts 59th Leg., R.S., Ch. 477, Secs. 5(a) (part), 12
40 (part).)

1 (1) purchase or lease property, including facilities
2 or equipment, for the district to use in the hospital system; and

3 (2) mortgage or pledge the property as security for
4 the payment of the purchase price.

5 (c) The board may lease district hospital facilities to
6 individuals, corporations, or other legal entities.

7 (d) The board may sell or otherwise dispose of the
8 district's property, including facilities and equipment. (Acts
9 59th Leg., R.S., Ch. 477, Secs. 5(d), (e) (part), 12 (part).)

10 Source Law

11 [Sec. 5]

12 (d) The Board may purchase or lease property,
13 facilities, and equipment for the District to use in
14 the hospital system and may mortgage or pledge the
15 property, facilities, or equipment as security for the
16 payment of the purchase price.

17 (e) . . . The Board may transfer District
18 hospital facilities by lease to individuals,
19 corporations, or other legal entities and may sell or
20 otherwise dispose of the District's property,
21 facilities, and equipment.

22 Sec. 12. . . . The Board is given exclusive
23 authority to determine the type, character, and use of
24 the facilities forming a part of the hospital system.

25 Revised Law

26 Sec. 1067.108. EMINENT DOMAIN. (a) The district may
27 exercise the power of eminent domain to acquire a fee simple or
28 other interest in any type of property located in district
29 territory if the interest is necessary or convenient for the
30 district to exercise a power, right, or privilege conferred by this
31 chapter.

32 (b) The district must exercise the power of eminent domain
33 in the manner provided by Chapter 21, Property Code. (Acts 59th
34 Leg., R.S., Ch. 477, Sec. 15.)

35 Source Law

36 Sec. 15. The District created hereunder shall
37 have the right and power of eminent domain for the
38 purpose of acquiring by condemnation any and all
39 property of any kind and character in fee simple or any
40 lesser interest therein, within the boundaries of the
41 District necessary or convenient to the powers, rights
42 and privileges conferred by this Act, in the manner
43 provided by the General Law with respect to
44 condemnation.

1 Revisor's Note

2 (1) Section 15, Chapter 477, Acts of the 59th
3 Legislature, Regular Session, 1965, provides that the
4 district has the "right and power of eminent domain for
5 the purpose of acquiring [property] by condemnation."
6 The revised law substitutes for the quoted language
7 "may exercise the power of eminent domain to acquire
8 [property]" because the phrases have the same meaning
9 and the latter phrase is consistent with modern usage
10 in laws relating to eminent domain.

11 (2) Section 15, Chapter 477, Acts of the 59th
12 Legislature, Regular Session, 1965, provides that the
13 district must exercise the power of eminent domain in
14 the manner provided by "the General Law with respect to
15 condemnation." The revised law substitutes for the
16 quoted language a reference to Chapter 21, Property
17 Code, because that is the general law governing
18 eminent domain for governmental entities.

19 Revised Law

20 Sec. 1067.109. GIFTS AND ENDOWMENTS. The board may accept
21 for the district a gift or endowment to be held in trust and
22 administered by the board for the purposes and under the
23 directions, limitations, or other provisions prescribed in writing
24 by the donor that are not inconsistent with the proper management
25 and objectives of the district. (Acts 59th Leg., R.S., Ch. 477,
26 Sec. 18.)

27 Source Law

28 Sec. 18. The Board of Directors of the Hospital
29 District is authorized on behalf of such District to
30 accept donations, gifts and endowments to be held in
31 trust and administered by the Board of Directors for
32 such purposes and under such directions, limitations
33 and provisions as may be prescribed in writing by the
34 donor, not inconsistent with proper management and
35 object of the Hospital District.

36 Revisor's Note

37 Section 18, Chapter 477, Acts of the 59th
38 Legislature, Regular Session, 1965, refers to

1 "donations" and "gifts." The revised law omits the
2 reference to "donations" because "donations" is
3 included in the meaning of "gifts."

4 Revised Law

5 Sec. 1067.110. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
6 CARE AND TREATMENT. (a) The board may contract with a county or
7 municipality located outside the district for the care and
8 treatment of a sick or injured person of that county or
9 municipality.

10 (b) The board may contract with this state or a federal
11 agency for the treatment of a sick or injured person for whom this
12 state or the agency is responsible. (Acts 59th Leg., R.S., Ch. 477,
13 Sec. 5(c).)

14 Source Law

15 (c) Such Board shall be authorized to contract
16 with any county or incorporated municipality located
17 outside the District for the care and treatment of the
18 sick, diseased or injured persons of any such county or
19 municipality and shall have the authority to contract
20 with the State of Texas and agencies of the Federal
21 government, for treatment of sick, diseased or injured
22 persons for whom the State of Texas or the Federal
23 government are responsible.

24 Revisor's Note

25 (1) Section 5(c), Chapter 477, Acts of the 59th
26 Legislature, Regular Session, 1965, refers to an
27 "incorporated municipality." The revised law omits the
28 reference to "incorporated" because under the Local
29 Government Code all municipalities must be
30 incorporated.

31 (2) Section 5(c), Chapter 477, Acts of the 59th
32 Legislature, Regular Session, 1965, refers to the
33 treatment of a "sick, diseased or injured" person. The
34 revised law omits the reference to "diseased" because
35 "diseased" is included in the meaning of "sick."

36 Revised Law

37 Sec. 1067.111. PAYMENT FOR TREATMENT; PROCEDURES. (a)
38 When an indigent patient who resides in the district is admitted to

1 a district facility or a person who does not reside in the district
2 is admitted as an emergency patient to a district facility, the
3 district administrator shall have an inquiry made into the
4 circumstances of:

- 5 (1) the patient; and
- 6 (2) the patient's relatives who are legally liable for
7 the patient's support.

8 (b) If the district administrator determines that the
9 patient or those relatives cannot pay all or part of the costs of
10 the care and treatment in the hospital, the amount of the costs that
11 cannot be paid becomes a charge against the district as care for
12 indigents.

13 (c) If the district administrator determines that the
14 patient or those relatives can pay for all or part of the costs of
15 the patient's care and treatment, the patient or those relatives
16 shall be ordered to pay the district a specified amount each week
17 for the patient's support. The amount ordered must be
18 proportionate to the person's financial ability and may not exceed
19 the actual per capita cost of maintenance.

20 (d) The district administrator may collect the amount from
21 the patient's estate, or from any relative who is legally liable for
22 the patient's support, in the manner provided by law for the
23 collection of expenses of the last illness of a deceased person.

24 (e) If there is a dispute as to the ability to pay, or doubt
25 in the mind of the district administrator, the board shall hold a
26 hearing and, after calling witnesses, shall:

- 27 (1) resolve the dispute or doubt; and
- 28 (2) issue any appropriate orders.

29 (f) A final order of the board may be appealed to the
30 district court. The substantial evidence rule applies to the
31 appeal. (Acts 59th Leg., R.S., Ch. 477, Sec. 17.)

32 Source Law

33 Sec. 17. Whenever an indigent patient residing
34 within the District has been admitted to the
35 facilities thereof, the administrator or manager shall
36 cause inquiry to be made as to his circumstances and

1 those of the relatives of such patient legally liable
2 for his support. If he finds that such patient or said
3 relatives are able to pay for his care and treatment,
4 in whole or in part, an order shall be made directing
5 such patient or said relatives to pay to the Hospital
6 District for the support of such patient a specified
7 sum per week in proportion to their financial ability,
8 but such sum shall not exceed the actual per capita
9 cost of maintenance. The administrator or manager
10 shall have power and authority to collect such sums
11 from the estate of the patient or his relatives legally
12 liable for his support in the manner provided by law
13 for the collection of expenses in the last illness of a
14 deceased person. If the administrator or manager finds
15 that such patient or said relatives are not able to
16 pay, either in whole or in part, for his care and
17 treatment in such hospital, same shall become a charge
18 upon the Hospital District to the amount of the
19 inability to pay, as care for indigents. Should there
20 be any dispute as to the ability to pay, or doubt in the
21 mind of the administrator or manager, the Board of
22 Directors shall hear and determine same, after calling
23 witnesses, and shall make such order or orders as may
24 be proper. Appeals from a final order of the Board
25 shall lie to the District Court. The substantial
26 evidence rule shall apply. The provisions of this
27 Section shall also apply to non-residents of the
28 District who are admitted as emergency patients.

29 Revisor's Note

30 Section 17, Chapter 477, Acts of the 59th
31 Legislature, Regular Session, 1965, refers to the
32 district "administrator or manager." Chapter 125,
33 Acts of the 74th Legislature, Regular Session, 1995,
34 amended Section 5, Chapter 477, Acts of the 59th
35 Legislature, Regular Session, 1965, to omit the
36 references to a district manager. For that reason, and
37 because in context "administrator" and "manager" are
38 synonymous, the revised law omits references to a
39 district manager.

41 Sec. 1067.112. AUTHORITY TO SUE AND BE SUED. The district,

2 Revised Law

3 Sec. 1067.151. BUDGET. Not later than the 30th day before
4 the first day of each fiscal year, the board shall have an annual
5 budget prepared for that fiscal year. (Acts 59th Leg., R.S., Ch.
6 477, Secs. 6(b) (part), 19(a) (part).)

11 of this law) on the adoption of a proposed budget shall
12 be given] at least 30 days prior to the beginning of
13 the fiscal or budget year the budget is to cover.

14 Sec. 19. (a) Before September 1 of each year or
15 as provided by Section 6(b) of this Act, the Board of
16 Directors of said Hospital District shall cause to be
17 prepared an annual budget based upon the fiscal year of
18 the Hospital District, and

19 Revisor's Note

20 (1) Section 19, Chapter 477, Acts of the 59th
21 Legislature, Regular Session, 1965, requires that the
22 budget be prepared and that notice of the public
23 hearing on the adoption of the proposed budget be given
24 "[b]efore September 1 of each year or as provided by
25 Section 6(b) of this Act." Section 6(b), Chapter 477,
26 Acts of the 59th Legislature, Regular Session, 1965,
27 which was added by Chapter 541, Acts of the 60th
28 Legislature, Regular Session, 1967, and later amended
29 by Chapter 125, Acts of the 74th Legislature, Regular
30 Session, 1995, requires that the notice be given at
31 least 30 days before the beginning of the fiscal or
32 budget year in which the proposed budget is to apply
33 "[i]n the event a new fiscal year is adopted under the
34 provisions of Section 6 of this Act" by the board.
35 Those 1967 and 1995 laws also authorized the board to
36 change the district's fiscal year. Before the act was
37 amended by those 1967 and 1995 laws, the district's
38 fiscal year was required to begin on October 1.
39 Therefore, the revised law omits the quoted language

1 in Sections 6(b) and 19 because the period from
2 September 1 to October 1 is synonymous with the 30-day
3 period provided by Section 6(b) regardless of whether
4 the board changes the fiscal year.

5 (2) Section 6(b), Chapter 477, Acts of the 59th
6 Legislature, Regular Session, 1965, refers to the
7 "fiscal or budget year." Throughout this chapter, the
8 revised law omits the reference to a "budget year"
9 because, in context, the terms are synonymous, and
10 "fiscal year" is more commonly used in this chapter.

11 Revised Law

12 Sec. 1067.152. NOTICE; ADOPTION OF BUDGET. (a) Not later
13 than the 30th day before the first day of each fiscal year, the
14 board shall give notice of a public hearing on the proposed budget.
15 The notice must be published in a newspaper of general circulation
16 in the district one time at least 10 days before the date set for the
17 hearing.

18 (b) The board shall adopt a budget by acting on the budget
19 proposed by the district administrator.

20 (c) The budget is effective only after adoption by the
21 board. (Acts 59th Leg., R.S., Ch. 477, Secs. 6(b), 19(a) (part).)

22 Source Law

23 Sec. 6(b). In the event a new fiscal year is
24 adopted under the provisions of Section 6 of this Act,
25 notice of the public hearing (required by Section 19 of
26 this law) on the adoption of a proposed budget shall be
27 given at least 30 days prior to the beginning of the
28 fiscal or budget year the budget is to cover.

29 Sec. 19. (a) Before September 1 of each year or
30 as provided by Section 6(b) of this Act, [the Board of
31 Directors of said Hospital District shall cause to be
32 prepared an annual budget based upon the fiscal year of
33 the Hospital District,] and prior to September 1 of
34 each year shall give notice of the public hearing on
35 the proposed budget. Such notice shall be published in
36 a newspaper of general circulation in the District one
37 time at least 10 days prior to the date set for the
38 hearing. The Board shall adopt a budget by taking
39 action on the budget proposed by the administrator.
40 The budget is effective only after adoption by the
41 Board. . . .

42 Revisor's Note

43 Section 6(b), Chapter 477, Acts of the 59th

1 Legislature, Regular Session, 1965, requires that the
2 notice be given at least 30 days before the beginning
3 of the fiscal or budget year in which the proposed
4 budget is to apply "[i]n the event a new fiscal year is
5 adopted under the provisions of Section 6 of this Act"
6 by the board. Section 19, Chapter 477, Acts of the
7 59th Legislature, Regular Session, 1965, requires that
8 the budget be prepared and that notice of the public
9 hearing on the adoption of the proposed budget be given
10 "[b]efore September 1 of each year or as provided by
11 Section 6(b) of this Act." The revised law omits the
12 quoted language for the reason stated in Revisor's Note
13 (1) to Section 1067.151.

14 Revised Law

15 Sec. 1067.153. AMENDMENTS TO BUDGET. After the annual
16 budget is adopted, the budget may be amended on the board's
17 approval. (Acts 59th Leg., R.S., Ch. 477, Sec. 19(a) (part).)

18 Source Law

19 (a) . . . After adoption, the annual budget may

21 Revised Law

22 Sec. 1067.154. FISCAL YEAR. (a) The district operates
23 according to a fiscal year established by the board.

24 (b) The fiscal year may not be changed:

25 (1) during a period that revenue bonds of the district
26 are outstanding; or

27 (2) more than once in a 24-month period. (Acts 59th
28 Leg., R.S., Ch. 477, Sec. 6 (part).)

29 Source Law

30 Sec. 6. The District shall be operated on a
31 fiscal year established by the Board of Directors. The
32 fiscal year may not be changed when revenue bonds are

34 period. . . .

35 Revised Law

36 Sec. 1067.155. ANNUAL AUDIT. (a) The board annually shall
37 have an audit made of the district's financial condition.

1 (b) The audit shall be open to inspection at all times at the
2 district's principal office. (Acts 59th Leg., R.S., Ch. 477, Sec. 6
3 (part).)

4 Source Law

5 Sec. 6. . . . The Board shall cause an annual
6 audit to be made of the financial condition of said
7 District which shall at all times be open to inspection
8 at the principal office of the District.

9 Revised Law

10 Sec. 1067.156. DEPOSITORY. (a) The board shall select one
11 or more banks to serve as a depository for district money.

12 (b) District money shall be immediately deposited on
13 receipt with a depository bank to pay the principal of and interest
14 on the district's outstanding bonds on or before the maturity date
15 of the principal and interest.

16 (c) To the extent that money in a depository bank is not
17 insured by the Federal Deposit Insurance Corporation, the money
18 must be secured in the manner provided by law for the security of
19 county funds.

20 (d) Membership on the district's board of an officer or
21 director of a bank does not disqualify the bank from being selected
22 as a depository bank. (Acts 59th Leg., R.S., Ch. 477, Sec. 13.)

23 Source Law

24 Sec. 13. The Board of Directors of the District
25 shall name one or more banks to serve as depository for
26 the funds of the District. All such funds shall, as
27 derived and collected, be immediately deposited with
28 such depository bank or banks for the payment of
29 principal of and interest on the outstanding bonds of
30 the District in time that such money may be received by
31 said bank or banks for payment on or prior to the date
32 of maturity of such principal and interest so to be
33 paid. To the extent that funds in the depository bank
34 or banks are not insured by the Federal Deposit
35 Insurance Corporation, they shall be secured in the
36 manner provided by law for security of county funds.
37 Membership on the Board of Directors of an officer or
38 director of a bank shall not disqualify such bank from
39 being designated as depository.

40 Revisor's Note

41 Section 13, Chapter 477, Acts of the 59th
42 Legislature, Regular Session, 1965, refers to money
43 "derived and collected." The revised law substitutes

1 "on receipt" for the quoted language because the terms
2 are synonymous and the former is more commonly used.

3 Revised Law

4 Sec. 1067.157. AUTHORITY TO BORROW MONEY; SECURITY. (a)

5 The board may borrow money at a rate not to exceed the maximum
6 annual percentage rate allowed by law for district obligations at
7 the time the loan is made if the board declares that:

8 (1) money is not available to meet authorized
9 obligations of the district; and

10 (2) an emergency exists.

11 (b) To secure a loan, the board may pledge:

12 (1) district revenue that is not pledged to pay the
13 district's bonded indebtedness;

14 (2) district taxes to be imposed by the district
15 during the 12-month period following the date of the pledge that are
16 not pledged to pay the principal of or interest on district bonds;
17 or

18 (3) district bonds that have been authorized but not
19 sold.

20 (c) A loan for which taxes or bonds are pledged must mature
21 not later than the first anniversary of the date the loan is made. A
22 loan for which district revenue is pledged must mature not later
23 than the fifth anniversary of the date the loan is made.

24 (d) The board may not spend money obtained from a loan under
25 this section for any purpose other than:

26 (1) the purpose for which the board declared an
27 emergency; and

28 (2) if district taxes or bonds are pledged to pay the
29 loan, the purpose for which the pledged taxes were imposed or the
30 pledged bonds were authorized. (Acts 59th Leg., R.S., Ch. 477, Sec.
31 20a.)

32 Source Law

33 Sec. 20a. (a) If the Board of Directors
34 declares that funds are not available to meet the
35 lawfully authorized obligations of the District and
36 that an emergency exists, the Board may borrow money at

1 a rate not to exceed the maximum annual percentage rate
2 allowed by law for District obligations at the time of
3 the loan.

4 (b) To secure a loan, the Board may pledge:

5 (1) the revenues of the District that are
6 not pledged to pay the bonded indebtedness of the
7 District;

8 (2) District taxes to be levied by the
9 District during the 12-month period following the date
10 of the pledge that are not pledged to pay the principal
11 of or interest on District bonds; or

12 (3) District bonds that have been
13 authorized but not sold.

14 (c) A loan for which taxes or bonds are pledged
15 shall mature not later than the first anniversary of
16 the date on which the loan is made. A loan for which
17 District revenues are pledged shall mature not later
18 than the fifth anniversary of the date on which the
19 loan is made.

20 (d) The Board may not spend money obtained from
21 a loan under this section for any purpose other than
22 the purpose for which the Board declared an emergency.
23 If taxes or bonds are pledged to pay the loan, the
24 Board may not spend the loan proceeds other than for
25 the purpose for which the taxes were levied or the
26 bonds were authorized.

27 Revisor's Note

28 Section 20a(a), Chapter 477, Acts of the 59th
29 Legislature, Regular Session, 1965, refers to
30 "lawfully authorized obligations." The revised law
31 omits "lawfully" because a "lawful" obligation is
32 included in the meaning of an "authorized" obligation.

33 [Sections 1067.158-1067.200 reserved for expansion]

34 SUBCHAPTER E. BONDS

35 Revised Law

36 Sec. 1067.201. GENERAL OBLIGATION BONDS. The board may
37 issue and sell general obligation bonds authorized by an election
38 in the name and on the faith and credit of the district to:

39 (1) purchase, construct, acquire, repair, or renovate
40 buildings or improvements;

41 (2) equip buildings or improvements for hospital
42 purposes; or

43 (3) acquire and operate a mobile emergency medical or
44 air ambulance service. (Acts 59th Leg., R.S., Ch. 477, Sec. 9(b).)

45 Source Law

46 (b) The Board may issue and sell general
47 obligation bonds authorized by an election in the name
48 and on the faith and credit of the District to:

49 (1) purchase, construct, acquire, repair,

1 or renovate buildings or improvements;
2 (2) equip buildings or improvements for
3 hospital purposes; or
4 (3) acquire and operate a mobile emergency
5 medical or air ambulance service.

6 Revised Law

7 Sec. 1067.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a)
8 For general obligation bonds issued under Section 1067.201, the
9 board shall impose an ad valorem tax at a rate sufficient to create
10 an interest and sinking fund and to pay the principal of and
11 interest on the bonds as the bonds mature.

12 (b) The tax required by this section together with any other
13 ad valorem tax the district imposes may not in any year exceed the
14 limit approved by the voters at the election authorizing the
15 imposition of the tax. (Acts 59th Leg., R.S., Ch. 477, Sec. 9(a)
16 (part).)

17 Source Law

18 Sec. 9. (a) As to bonds payable from taxation,
19 a tax shall be levied by the Board sufficient to create
20 an interest and sinking fund and to pay the interest on
21 and principal of said bonds as same mature, providing
22 such tax together with any other taxes levied for said
23 District shall not exceed the limit approved by the
24 voters at the election authorizing the levy of
25 taxes. . . .

26 Revisor's Note

27 (1) Section 9(a), Chapter 477, Acts of the 59th
28 Legislature, Regular Session, 1965, refers to "bonds
29 payable from taxation." Because the type of bonds
30 described by Section 9(a) are known as "general
31 obligation bonds," the revised law is drafted
32 accordingly.

33 (2) Section 9(a), Chapter 477, Acts of the 59th
34 Legislature, Regular Session, 1965, requires the
35 district to levy a tax to pay the principal of and
36 interest on bonds. The revised law specifies that the
37 tax is an "ad valorem" tax because it is clear from the
38 source law that the tax is a property tax and "ad
39 valorem" is the term most commonly used to refer to a
40 property tax.

1 Revised Law

2 Sec. 1067.203. GENERAL OBLIGATION BOND ELECTION. (a) The
3 district may issue general obligation bonds only if the bonds are
4 authorized by a majority of the district voters voting at an
5 election held for that purpose.

6 (b) The board may order a bond election.

7 (c) The order calling the election must specify:

8 (1) the nature and date of the election;

9 (2) the hours during which the polls will be open;

10 (3) the location of the polling places;

11 (4) the amount of the bonds to be authorized; and

12 (5) the maximum maturity of the bonds.

13 (d) Notice of a bond election shall be given as provided by
14 Section 1251.003, Government Code.

15 (e) The board shall declare the results of the bond
16 election.

17 (f) Except as otherwise provided by this chapter, the
18 election is governed by the general laws relating to county
19 elections. (Acts 59th Leg., R.S., Ch. 477, Sec. 9(a) (part).)

20 Source Law

21 (a) . . . The District may issue general
22 obligation bonds only if the bonds are authorized by a
23 majority of the qualified voters of the District
24 voting at an election called and held for that purpose.
25 The Board may order a bond election. The order calling
26 the election shall state the nature and date of the
27 election, the hours during which the polls will be
28 open, the location of the polling places, the amounts
29 of the bonds to be authorized, and the maximum maturity
30 of the bonds. Notice of a bond election shall be given
31 as provided for by Article 704, Revised Statutes. The
32 Board shall canvass the returns and declare the
33 results of the election. Such election, except as
34 herein provided, shall be governed by the general laws
35 relating to County elections.

36 Revisor's Note

37 (1) Section 9(a), Chapter 477, Acts of the 59th
38 Legislature, Regular Session, 1965, refers to a
39 majority vote of the "qualified" voters of the
40 district. The revised law omits "qualified" as
41 unnecessary in this context because Chapter 11,

1 Election Code, governs eligibility to vote in an
2 election in this state and allows only "qualified"
3 voters who are residents of the territory covered by
4 the election to vote in an election.

5 (2) Section 9(a), Chapter 477, Acts of the 59th
6 Legislature, Regular Session, 1965, refers to an
7 election "called and held." The revised law omits the
8 reference to "calling" an election because, in this
9 context, "calling" an election is included in the
10 meaning of "holding" an election. Under Chapter 3,
11 Election Code, all elections must be ordered (called)
12 before they may be held.

13 (3) Section 9(a), Chapter 477, Acts of the 59th
14 Legislature, Regular Session, 1965, refers to Article
15 704, Revised Statutes, which specifies certain notice
16 requirements for a bond election. That provision was
17 codified in 1999 as Section 1251.003, Government Code.
18 The revised law is drafted accordingly.

19 (4) Section 9(a), Chapter 477, Acts of the 59th
20 Legislature, Regular Session, 1965, provides that
21 "[t]he Board shall canvass the returns" of a bond
22 election. The revised law omits that requirement
23 because it duplicates Section 67.002, Election Code,
24 which requires the governing body of a political
25 subdivision that orders an election to canvass the
26 returns.

27 Revised Law

28 Sec. 1067.204. MATURITY OF GENERAL OBLIGATION BONDS.
29 District general obligation bonds must mature not later than 40
30 years after the date of issuance. (Acts 59th Leg., R.S., Ch. 477,
31 Sec. 9(d) (part).)

32 Source Law

33 (d) District bonds must mature not later than
34 the 40th anniversary of the date of issuance and

1 Revisor's Note

2 (1) Section 9(d), Chapter 477, Acts of the 59th
3 Legislature, Regular Session, 1965, refers to
4 "[d]istrict bonds." Sections 9(a) and (b) (revised as
5 Sections 1067.201, 1067.202, and 1067.203)
6 specifically refer to "bonds payable from taxation" or
7 "general obligation bonds." Although Section 9(d)
8 does not specifically refer to the type of bonds to
9 which the provision is intended to apply, it is clear
10 from the legislative history of Section 7 (relating to
11 revenue bonds) and Section 8 (relating to refunding
12 bonds) that Section 9, including Subsection (d),
13 applies only to general obligation bonds. The revised
14 law is drafted accordingly.

15 (2) Section 9(d), Chapter 477, Acts of the 59th
16 Legislature, Regular Session, 1965, provides that
17 district bonds must bear interest at a rate that does
18 not exceed that provided by Chapter 3, Acts of the 61st
19 Legislature, Regular Session, 1969 (Article 717k-2,
20 Vernon's Texas Civil Statutes). The revised law omits
21 the provision because the maximum interest rate noted
22 in Chapter 3 was revised in 1999 as Section 1204.006,
23 Government Code, and Section 1204.006 applies to
24 hospital districts by application of Section 1204.001,
25 Government Code. The omitted law reads:

26 (d) [District bonds] . . . must bear
27 a rate of interest that does not exceed the
28 amount provided by Chapter 3, Acts of the
29 61st Legislature, Regular Session, 1969
30 (Article 717k-2, Vernon's Texas Civil
31 Statutes).

32 Revised Law

33 Sec. 1067.205. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
34 The board president shall execute the general obligation bonds in
35 the district's name.

36 (b) The board secretary shall attest the bonds as provided
37 by Chapter 618, Government Code. (Acts 59th Leg., R.S., Ch. 477,

1 Sec. 9(c) (part).)

2 Source Law

3 (c) Bonds of the District shall be executed in
4 the name of the Hospital District and in its behalf by
5 the president of the Board and attested by the
6 secretary, as provided by Chapter 204, Acts of the 57th
7 Legislature, Regular Session, 1961 (Article 717j-1,
8 Vernon's Texas Civil Statutes), and

9 Revisor's Note

10 (1) Section 9(c), Chapter 477, Acts of the 59th
11 Legislature, Regular Session, 1965, refers to "[b]onds
12 of the District." The revised law substitutes
13 "general obligations bonds" for the quoted language
14 for the reason stated in Revisor's Note (1) to Section
15 1067.204.

16 (2) Section 9(c), Chapter 477, Acts of the 59th
17 Legislature, Regular Session, 1965, refers to Chapter
18 204, Acts of the 57th Legislature, Regular Session,
19 1961 (Article 717j-1, Vernon's Texas Civil Statutes).
20 That statute was codified in 1999 as Chapter 618,
21 Government Code, and the revised law is drafted
22 accordingly.

23 Revised Law

24 Sec. 1067.206. REVENUE BONDS. (a) The district may issue
25 revenue bonds to:

26 (1) purchase, construct, acquire, repair, or renovate
27 buildings or improvements;

28 (2) equip buildings or improvements for hospitals and
29 the hospital system;

30 (3) acquire sites to be used for hospital purposes; or

31 (4) operate a mobile emergency medical service to
32 assist the district in carrying out its hospital purposes.

33 (b) The bonds must be payable from and secured by a pledge of
34 all or part of the revenue derived from the operation of the
35 district's hospital system.

36 (c) The bonds may be additionally secured by a mortgage or
37 deed of trust on all or part of district property.

1 (d) The bonds must be issued in the manner provided by
2 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
3 Health and Safety Code, for issuance of revenue bonds by a county
4 hospital authority. (Acts 59th Leg., R.S., Ch. 477, Sec. 7.)

5 Source Law

6 Sec. 7. The District may issue revenue bonds for
7 the purpose of purchasing, constructing, repairing,
8 renovating, or acquiring buildings or improvements,
9 equipping the same for hospitals and the hospital
10 system, acquiring sites to be used for hospital
11 purposes, or for operating a mobile emergency medical
12 service to assist the District in carrying out its
13 hospital purposes. The bonds shall be payable from and
14 secured by a pledge of all or part of the revenues
15 derived from the operation of the District's hospital
16 system. The bonds may be additionally secured by a
17 mortgage or deed of trust on all or part of District
18 property. The revenue bonds shall be issued in the
19 manner provided by Sections 264.042, 264.043, 264.046,
20 264.047, 264.048, and 264.049, Health and Safety Code,
21 for the issuance of revenue bonds by county hospital
22 authorities.

23 Revised Law

24 Sec. 1067.207. REFUNDING BONDS. (a) The board may issue
25 refunding bonds to refund any bond issued by the district.

26 (b) A refunding bond may be:

27 (1) sold, with the proceeds of the refunding bond
28 applied to the payment of the outstanding bonds or other refundable
29 indebtedness; or

30 (2) exchanged wholly or partly for not less than a
31 similar principal amount of the outstanding bonds or other
32 refundable indebtedness. (Acts 59th Leg., R.S., Ch. 477, Sec. 8
33 (part).)

34 Source Law

35 Sec. 8. The bonds of the District may be issued
36 for the purpose of refunding and paying off any bond
37 issued by the District. . . . Such refunding bonds may
38 be sold and the proceeds thereof applied to the payment
39 of any outstanding bonds or other refundable
40 indebtedness, or may be exchanged in whole or in part
41 for not less than a like principal amount of such
42 outstanding bonds or refundable indebtedness;

43 Revisor's Note

44 (1) Section 8, Chapter 477, Acts of the 59th
45 Legislature, Regular Session, 1965, limits the
46 interest rate for refunding bonds issued by the

1 district. The revised law omits that provision as
2 impliedly repealed by Section 2(a), Chapter 3, Acts of
3 the 61st Legislature, Regular Session, 1969 (Article
4 717k-2, Vernon's Texas Civil Statutes), which was
5 revised in 1999 as Section 1204.006(a), Government
6 Code. Section 1204.006(a) permits a public agency,
7 including a hospital district, to issue bonds at a net
8 effective interest rate not to exceed 15 percent and
9 applies to district bonds by application of Section
10 1204.001, Government Code. The omitted law reads:

11 Sec. 8. . . . provided that if such
12 refunding bonds are to be exchanged for a
13 like amount of said outstanding bonds or
14 other refundable indebtedness, the interest
15 thereon computed in accordance with
16 recognized standard bond interest cost
17 tables, shall not exceed the average
18 interest cost per annum so computed upon the
19 bonds or other indebtedness to be refunded;
20 and

21 (2) Section 8, Chapter 477, Acts of the 59th
22 Legislature, Regular Session, 1965, provides that
23 refunding bonds shall be issued "as provided by
24 Chapter 784, Acts of the 61st Legislature, Regular
25 Session, 1969 (Article 717k-3, Vernon's Texas Civil
26 Statutes)." In addition, the section provides that
27 refunding bonds sold to pay outstanding indebtedness
28 "shall be issued and payments made in the manner
29 specified by Chapter 503, Acts of the 54th
30 Legislature, 1955 (Article 717k, Vernon's Texas Civil
31 Statutes), as amended." Articles 717k and 717k-3 were
32 codified in 1999 as Chapter 1207, Government Code. The
33 revised law omits the provisions because Chapter 1207,
34 Government Code, applies to the district by its own
35 terms under Section 1207.001, Government Code. The
36 omitted law reads:

37 Sec. 8. . . . Refunding bonds shall
38 be issued as provided by Chapter 784, Acts
39 of the 61st Legislature, Regular Session,
40 1969 (Article 717k-3, Vernon's Texas Civil
41 Statutes). . . . provided further that, if

1 such refunding bonds are to be sold and the
2 proceeds thereof applied to the payment of
3 any such outstanding bonds or other
4 refundable indebtedness, same shall be
5 issued and payments made in the manner
6 specified by Chapter 503, Acts of the 54th
7 Legislature, 1955 (Article 717k, Vernon's
8 Texas Civil Statutes), as amended.

9 Revised Law

10 Sec. 1067.208. BONDS EXEMPT FROM TAXATION. The following
11 are exempt from taxation by this state or a political subdivision of
12 this state:

- 13 (1) bonds issued by the district;
14 (2) the transfer of the bonds; or
15 (3) bond revenue, including any profits made in the
16 sale of the bonds. (Acts 59th Leg., R.S., Ch. 477, Sec. 11 (part).)

17 Source Law

18 Sec. 11. . . . any bonds issued by it and their
19 transfer and the revenues therefrom including any
20 profits made in the sale thereof shall at all times be
21 free from taxation by the State or any municipality or
22 political subdivision thereof.

23 Revisor's Note

24 Section 11, Chapter 477, Acts of the 59th
25 Legislature, Regular Session, 1965, refers to "any
26 municipality or political subdivision." The revised
27 law omits the reference to "municipality" because that
28 term is included in the meaning of "political
29 subdivision."

30 Revisor's Note
31 (End of Subchapter)

32 (1) Section 9(c), Chapter 477, Acts of the 59th
33 Legislature, Regular Session, 1965, provides that
34 district bonds are subject to the law governing
35 counties that relates to bond approval by the attorney
36 general and registration of the bonds by the
37 comptroller. Section 9(c) also provides that after
38 approval and registration the bonds are
39 "incontestable." The revised law omits these
40 provisions as superseded by Chapter 1202, Government
41 Code (enacted as Article 3, Chapter 53, Acts of the

1 70th Legislature, 2nd Called Session, 1987). Section
2 1202.003(a), Government Code, requires bonds to be
3 submitted to the attorney general. Section
4 1202.003(b), Government Code, provides for approval of
5 the bonds by the attorney general and requires the
6 attorney general to submit the approved bonds to the
7 comptroller for registration. Section 1202.005,
8 Government Code, requires registration of the bonds by
9 the comptroller. Section 1202.006, Government Code,
10 provides that after approval and registration, the
11 bonds are incontestable and binding obligations.
12 Chapter 1202, Government Code, applies to district
13 bonds by application of Section 1202.001, Government
14 Code. The omitted law reads:

15 (c) [Bonds of the District] . . .
16 shall be subject to the same requirements in
17 the matter of approval by the Attorney
18 General of Texas and registration by the
19 Comptroller of Public Accounts of the State
20 of Texas as are by law provided for approval
21 and registration of bonds issued by
22 counties. After approval of any such bonds
23 by the Attorney General and registration by
24 the Comptroller, said bonds shall be
25 incontestable.

26 (2) Section 14, Chapter 477, Acts of the 59th
27 Legislature, Regular Session, 1965, provides that
28 district bonds are authorized investments for certain
29 entities. The revised law omits that provision as
30 unnecessary. As to several of the entities listed,
31 Section 14 has been superseded and impliedly repealed.
32 Investments in securities by banks are regulated by
33 Section 34.101, Finance Code (enacted in 1995 as
34 Section 5.101, Texas Banking Act (Article 342-5.101,
35 Vernon's Texas Civil Statutes)). Investments in
36 securities by savings banks are regulated by Section
37 93.001(c)(10), Finance Code (enacted in 1993 as
38 Section 7.15(10), Texas Savings Bank Act (Article
39 489e, Vernon's Texas Civil Statutes)). Investments in

1 securities by trust companies are regulated by Section
2 184.101, Finance Code (enacted in 1997 as Section
3 5.101, Texas Trust Company Act (Article 342a-5.101,
4 Vernon's Texas Civil Statutes)). Investments in
5 securities by savings and loan associations are
6 regulated by Sections 63.002 and 64.001, Finance Code.
7 As to the remaining entities listed, Section 14 is
8 superseded by Section 1201.041, Government Code
9 (enacted as Section 9, Bond Procedures Act of 1981
10 (Article 717k-6, Vernon's Texas Civil Statutes)).
11 Section 1201.041, Government Code, applies to district
12 bonds by application of Section 1201.002, Government
13 Code. The revised law omits the reference to public
14 funds of this state because it has been superseded by
15 Section 404.024, Government Code (enacted in 1985 as
16 Section 2.014, Treasury Act (Article 4393-1, Vernon's
17 Texas Civil Statutes)), which governs the investment
18 of state funds. Section 404.024(b)(10), Government
19 Code, authorizes the investment of state funds in
20 obligations of political subdivisions, including
21 hospital districts. The omitted law reads:

22 Sec. 14. All bonds of the District
23 shall be and are hereby declared to be legal
24 and authorized investments of banks,
25 savings banks, trust companies, building
26 and loan associations, savings and loan
27 associations, insurance companies,
28 fiduciaries, trustees, and sinking funds of
29 cities, towns, villages, counties, school
30 districts or other political subdivisions
31 of the State of Texas, and for all public
32 funds of the State of Texas or its agencies,
33 including the State Permanent School
34 Fund. . . .

35 (3) Section 14, Chapter 477, Acts of the 59th
36 Legislature, Regular Session, 1965, effectively
37 provides that district bonds may secure deposits of
38 public funds of this state or political subdivisions
39 of this state. The revised law omits the provision as
40 impliedly repealed by Section 404.0221, Government

1 Code (enacted in 1995), which lists eligible
2 collateral for deposits of state funds by the
3 comptroller, and by Chapter 2257, Government Code
4 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
5 Statutes), which governs eligible collateral for
6 deposits of funds of other public agencies, including
7 political subdivisions. The omitted law reads:

8 Sec. 14. . . . Such bonds shall be
9 eligible to secure deposit of public funds
10 of the State of Texas and public funds of
11 cities, towns, villages, counties, school
12 districts or other political subdivisions
13 or corporations of the State of Texas; and
14 such bonds shall be lawful and sufficient
15 security for said deposits to the extent of
16 their value when accompanied by all
17 unmatured coupons appurtenant thereto.

19 SUBCHAPTER F. TAXES

20 Revised Law

21 Sec. 1067.251. IMPOSITION OF AD VALOREM TAX. (a) The board
22 may impose a tax on all property in the district subject to district
23 taxation.

24 (b) The tax may be used to pay:

- 25 (1) indebtedness issued or assumed by the district;
26 and
27 (2) the maintenance and operating expenses of the
28 district.

29 (c) The board may not impose a tax to pay the principal of or
30 interest on revenue bonds. (Acts 59th Leg., R.S., Ch. 477, Secs. 16
31 (part), 19(b) (part).)

32 Source Law

33 Sec. 16. The Board of Directors may annually
34 impose property taxes The taxes may be used to
35 pay for indebtedness issued or assumed by the District
36 and for the maintenance and operating expenses of the
37 District. The District may not impose taxes to pay the
38 principal of or interest on revenue bonds. . . .

39 [Sec. 19]

40 (b) . . . taxes on all property in the District
41 that is subject to hospital district taxation.

1 Revisor's Note

2 Section 19(b), Chapter 477, Acts of the 59th
3 Legislature, Regular Session, 1965, as amended by
4 Chapter 125, Acts of the 74th Legislature, Regular
5 Session, 1995, requires the board, before September 1
6 of each year, to publish notice of tax rates, give
7 notice and conduct a public hearing as required by
8 Chapter 26, Tax Code, and enter an order imposing
9 taxes. The revised law omits the reference to the
10 September 1 deadline as superseded by Section 26.05,
11 Tax Code, as amended by Chapter 423, Acts of the 76th
12 Legislature, Regular Session, 1999, which requires the
13 governing body of a taxing unit to adopt a tax rate
14 before the later of September 30 or the 30th day after
15 the date the taxing unit receives the certified
16 appraisal roll. The revised law omits the remainder of
17 Section 19(b), which requires the board to comply with
18 Chapter 26, Tax Code, because that chapter applies to
19 the board by its own terms under Section 1.02, Tax
20 Code. The omitted law reads:

21 (b) Before September 1 of each year,
22 the Board shall publish notice of tax rates,
23 give notice and conduct a public hearing as
24 required by Chapter 26, Tax Code, and enter
25 an order levying [taxes on all property in
26 the District that is subject to hospital
27 district taxation.]

28 Revised Law

29 Sec. 1067.252. TAX RATE. (a) The board may impose the tax
30 at a rate not to exceed the limit approved by the voters at the
31 election authorizing the imposition of the tax.

32 (b) The tax rate for all purposes may not exceed 75 cents on
33 each \$100 valuation of taxable property in the district. (Acts 59th
34 Leg., R.S., Ch. 477, Sec. 16 (part).)

35 Source Law

36 Sec. 16. [The Board of Directors may annually
37 impose property taxes] in an amount not to exceed the
38 limit approved by the voters at the election
39 authorizing the levy of taxes. The tax rate for all

1 purposes may not exceed 75 cents on each \$100 valuation
2 of all taxable property in the District. . . .

3 Revised Law

4 Sec. 1067.253. TAX ASSESSOR-COLLECTOR. The board may
5 provide for the appointment of a tax assessor-collector for the
6 district or may contract for the assessment and collection of taxes
7 as provided by the Tax Code. (Acts 59th Leg., R.S., Ch. 477, Sec. 16
8 (part).)

9 Source Law

10 Sec. 16. . . . The Board may provide for the
11 appointment of a tax assessor-collector for the
12 District or may contract for the assessment and
13 collection of taxes as provided by the Tax Code.

14 Revisor's Note
15 (End of Subchapter)

16 (1) Section 5(h), Chapter 477, Acts of the 59th
17 Legislature, Regular Session, 1965, authorizes the
18 board to institute a suit to enforce the payment of
19 taxes and to foreclose liens to secure that payment.
20 The revised law omits that provision because it
21 duplicates Chapter 33, Tax Code, which authorizes a
22 taxing unit of government to file suit to enforce the
23 payment of taxes and to foreclose a lien to secure that
24 payment. The omitted law reads:

25 (h) The Board may institute a suit to
26 enforce the payment of taxes and to
27 foreclose liens to secure the payment of
28 taxes due to the District.

29 (2) Section 16, Chapter 477, Acts of the 59th
30 Legislature, Regular Session, 1965, provides that the
31 Tax Code governs the appraisal, assessment, and
32 collection of district taxes. The revised law omits
33 that provision because Section 1.02, Tax Code,
34 requires all taxing units of government to administer
35 the assessment and collection of an ad valorem tax in
36 conformity with Title 1, Tax Code. The omitted law
37 reads:

38 Sec. 16. . . . The Tax Code governs
39 the appraisal, assessment, and collection
40 of District taxes. . . .

1 [Sections 1067.254-1067.300 reserved for expansion]

2 SUBCHAPTER G. DISSOLUTION

3 Revised Law

4 Sec. 1067.301. DISSOLUTION; ELECTION. (a) The district may
5 be dissolved only on approval of a majority of the district voters
6 voting in an election held for that purpose.

7 (b) The board may order an election on the question of
8 dissolving the district and disposing of the district's assets and
9 obligations.

10 (c) The board shall order an election if the board receives
11 a petition requesting an election that is signed by a number of
12 residents of the district equal to at least 15 percent of the
13 registered voters in the district.

14 (d) The order calling the election must state:

15 (1) the nature of the election, including the
16 proposition to appear on the ballot;

17 (2) the date of the election;

18 (3) the hours during which the polls will be open; and

19 (4) the location of the polling places.

20 (e) Section 41.001(a), Election Code, does not apply to an
21 election ordered under this section. (Acts 59th Leg., R.S., Ch.
22 477, Secs. 20b(a), (b), (c) (part).)

23 Source Law

24 Sec. 20b. (a) The District may be dissolved
25 only if the dissolution is approved by a majority of
26 the qualified voters of the District voting in an
27 election called and held for that purpose.

28 (b) The Board may order an election on the
29 question of dissolving the District and disposing of
30 the District's assets and obligations. The Board shall
31 order an election if the Board receives a petition
32 requesting an election that is signed by a number of
33 residents of the District equal to at least 15 percent
34 of the registered voters in the District.

35 (c) . . . Section 41.001(a), Election Code,
36 does not apply to an election ordered under this
37 section. The order calling the election shall state:

38 (1) the nature of the election, including
39 the proposition that is to appear on the ballot;

40 (2) the date of the election;

41 (3) the hours during which the polls will
42 be open; and

43 (4) the location of the polling places.

1 Revisor's Note

2 (1) Section 20b(a), Chapter 477, Acts of the
3 59th Legislature, Regular Session, 1965, provides for
4 dissolution of the district if approved by a majority
5 of the "qualified" voters. The revised law omits
6 "qualified" as unnecessary in this context because
7 Chapter 11, Election Code, governs eligibility to vote
8 in an election in this state and allows only
9 "qualified" voters who are residents of the territory
10 covered by the election to vote in an election.

11 (2) Section 20b(a), Chapter 477, Acts of the
12 59th Legislature, Regular Session, 1965, provides that
13 the district may be dissolved if authorized at an
14 election "called and held" for that purpose. The
15 revised law omits the reference to "calling" an
16 election for the reason stated in Revisor's Note (2) to
17 Section 1067.203.

18 (3) Section 20b(c), Chapter 477, Acts of the
19 59th Legislature, Regular Session, 1965, states that
20 the election must be held not later than the 60th day
21 after the date the election is ordered. The revised
22 law omits the provision as superseded by Section
23 3.005, Election Code, applicable to the district under
24 Section 1.002, Election Code. Section 3.005, as
25 amended by Chapter 925, Acts of the 78th Legislature,
26 Regular Session, 2003, requires an election order
27 issued by the authority of a political subdivision to
28 be issued not later than the 62nd day before election
29 day and provides that Section 3.005 supersedes a law
30 outside the Election Code to the extent of any
31 conflict. The omitted law reads:

32 (c) The election shall be held not
33 later than the 60th day after the date the
34 election is ordered. . . .

1 Revised Law

2 Sec. 1067.302. NOTICE OF ELECTION. (a) The board shall give
3 notice of an election under this subchapter by publishing once a
4 week for two consecutive weeks a substantial copy of the election
5 order in a newspaper with general circulation in the district.

6 (b) The first publication of the notice must appear not
7 later than the 35th day before the date set for the election. (Acts
8 59th Leg., R.S., Ch. 477, Sec. 20b(d) (part).)

9 Source Law

10 (d) The Board shall give notice of the election
11 by publishing a substantial copy of the election order
12 in a newspaper with general circulation in the
13 District once a week for two consecutive weeks. The
14 first publication must appear not less than 35 days
15 before the date set for the election. . . .

16 Revised Law

17 Sec. 1067.303. BALLOT. The ballot for an election under
18 this subchapter must be printed to permit voting for or against the
19 proposition: "The dissolution of the Muenster Hospital District."
20 (Acts 59th Leg., R.S., Ch. 477, Sec. 20b(d) (part).)

21 Source Law

22 (d) . . . The ballot for the election shall be
23 printed to permit voting for or against the
24 proposition: "The dissolution of the Muenster Hospital
25 District."

26 Revised Law

27 Sec. 1067.304. ELECTION RESULTS. (a) If a majority of the
28 votes in an election under this subchapter favor dissolution, the
29 board shall find that the district is dissolved.

30 (b) If a majority of the votes in the election do not favor
31 dissolution, the board shall continue to administer the district
32 and another election on the question of dissolution may not be held
33 before the first anniversary of the date of the most recent election
34 to dissolve the district. (Acts 59th Leg., R.S., Ch. 477, Sec.
35 20b(e).)

36 Source Law

37 (e) If a majority of the votes in the election
38 favor dissolution, the Board shall find that the
39 District is dissolved. If a majority of the votes in
40 the election do not favor dissolution, the Board shall

1 continue to administer the District, and another
2 election on the question of dissolution under this
3 section may not be held before the first anniversary of
4 the most recent election held under this section to
5 dissolve the District.

6 Revised Law

7 Sec. 1067.305. TRANSFER OR ADMINISTRATION OF ASSETS. (a)

8 If a majority of the votes in an election under this subchapter
9 favor dissolution, the board shall:

10 (1) transfer the land, buildings, improvements,
11 equipment, and other assets that belong to the district to Cooke
12 County or another governmental entity in Cooke County; or

13 (2) administer the property, assets, and debts until
14 all money has been disposed of and all district debts have been paid
15 or settled.

16 (b) If the board makes the transfer under Subsection (a)(1),
17 the county or entity assumes all debts and obligations of the
18 district at the time of the transfer, and the district is dissolved.
19 (Acts 59th Leg., R.S., Ch. 477, Secs. 20b(f), (g).)

20 Source Law

21 (f) If a majority of the votes in the election
22 favor dissolution, the Board shall:

23 (1) transfer the land, buildings,
24 improvements, equipment, and other assets that belong
25 to the District to a county or another governmental
26 entity in the county in which the District is located;
27 or

28 (2) administer the property, assets, and
29 debts until all funds have been disposed of and all
30 District debts have been paid or settled.

31 (g) If the District transfers the land,
32 buildings, improvements, equipment, and other assets
33 to a county or other governmental entity, the county or
34 entity assumes all debts and obligations of the
35 District at the time of the transfer, and the District
36 is dissolved.

37 Revisor's Note

38 Section 20b(f), Chapter 477, Acts of the 59th
39 Legislature, Regular Session, 1965, refers to a
40 "county in which the District is located." Because the
41 district is wholly located in Cooke County, the
42 revised law substitutes "Cooke County" for the quoted
43 language.

1 Revised Law

2 Sec. 1067.306. SALE OR TRANSFER OF ASSETS AND LIABILITIES.

3 (a) Notwithstanding any other provision of this chapter, the
4 district may not be dissolved unless the board provides for the sale
5 or transfer of the district's assets and liabilities to another
6 person.

7 (b) The dissolution of the district and the sale or transfer
8 of the district's assets or liabilities may not contravene a trust
9 indenture or bond resolution relating to the district's outstanding
10 bonds. The dissolution and sale or transfer does not diminish or
11 impair the rights of a holder of an outstanding bond, warrant, or
12 other obligation of the district.

13 (c) The sale or transfer of the district's assets and
14 liabilities must satisfy the debt and bond obligations of the
15 district in a manner that protects the interests of district
16 residents, including the residents' collective property rights in
17 the district's assets.

18 (d) The district may not transfer or dispose of the
19 district's assets except for due compensation unless:

20 (1) the transfer is made to another governmental
21 entity that serves the district; and

22 (2) the transferred assets are to be used for the
23 benefit of the district's residents.

24 (e) A grant from federal funds is an obligation to be repaid
25 in satisfaction. (Acts 59th Leg., R.S., Ch. 477, Secs. 20b(m),
26 (n).)

27 Source Law

28 (m) Notwithstanding any other provision of this
29 Act, the District may not be dissolved unless the Board
30 provides for the sale or transfer of the District's
31 assets and liabilities to another person or entity.
32 The dissolution of the District and the sale or
33 transfer of the District's assets or liabilities may
34 not contravene a trust indenture or bond resolution
35 relating to the outstanding bonds of the District. The
36 dissolution and sale or transfer does not diminish or
37 impair the rights of a holder of an outstanding bond,
38 warrant, or other obligation of the District.

39 (n) The sale or transfer of the District's
40 assets and liabilities must satisfy the debt and bond
41 obligations of the District in a manner that protects

1 the interests of the residents of the District,
2 including the residents' collective property rights in
3 the District's assets. A grant from federal funds is an
4 obligation to be repaid in satisfaction. The District
5 may not transfer or dispose of the District's assets
6 except for due compensation unless the transfer is
7 made to another governmental entity that serves the
8 District and the transferred assets are to be used for
9 the benefit of the residents of the District.

10 Revisor's Note

11 Section 20b(m), Chapter 477, Acts of the 59th
12 Legislature, Regular Session, 1965, refers to "another
13 person or entity." The revised law omits "entity"
14 because "entity" is included in the meaning of
15 "person" under Section 311.005(2), Government Code
16 (Code Construction Act).

17 Revised Law

18 Sec. 1067.307. IMPOSITION OF TAX AND RETURN OF SURPLUS
19 TAXES. (a) After the board finds that the district is dissolved,
20 the board shall:

21 (1) determine the debt owed by the district; and

22 (2) impose on the property included in the district's
23 tax rolls a tax that is in proportion of the debt to the property
24 value.

25 (b) On the payment of all outstanding debts and obligations
26 of the district, the board shall order the secretary to return to
27 each district taxpayer the taxpayer's pro rata share of all unused
28 tax money.

29 (c) A taxpayer may request that the taxpayer's share of
30 surplus tax money be credited to the taxpayer's county taxes. If a
31 taxpayer requests the credit, the board shall direct the secretary
32 to transmit the money to the county tax assessor-collector. (Acts
33 59th Leg., R.S., Ch. 477, Secs. 20b(h), (i), (j).)

34 Source Law

35 (h) After the Board finds that the District is
36 dissolved, the Board shall:

37 (1) determine the debt owed by the
38 District; and

39 (2) impose on the property included in the
40 District's tax rolls a tax that is in proportion of the
41 debt to the property value.

42 (i) When all outstanding debts and obligations
43 of the District are paid, the Board shall order the

1 secretary to return the pro rata share of all unused
2 tax money to each District taxpayer.

3 (j) A taxpayer may request that the taxpayer's
4 share of surplus tax money be credited to the
5 taxpayer's county taxes. If a taxpayer requests the
6 credit, the Board shall direct the secretary to
7 transmit the funds to the county tax
8 assessor-collector.

9 Revised Law

10 Sec. 1067.308. REPORT; DISSOLUTION ORDER. (a) After the
11 district has paid all district debts and has disposed of all
12 district money and other assets as prescribed by this subchapter,
13 the board shall file a written report with the Commissioners Court
14 of Cooke County summarizing the board's actions in dissolving the
15 district.

16 (b) Not later than the 10th day after the date the
17 Commissioners Court of Cooke County receives the report and
18 determines that the requirements of this subchapter have been
19 fulfilled, the commissioners court shall enter an order dissolving
20 the district and releasing the board from any further duty or
21 obligation. (Acts 59th Leg., R.S., Ch. 477, Secs. 20b(k), (l).)

22 Source Law

23 (k) After the District has paid all its debts
24 and has disposed of all its assets and funds as
25 prescribed by this section, the Board shall file a
26 written report with the Commissioners Court of Cooke
27 County setting forth a summary of the Board's actions
28 in dissolving the District.

29 (l) Not later than the 10th day after the date it
30 receives the report and determines that the
31 requirements of this section have been fulfilled, the
32 Commissioners Court of Cooke County shall enter an
33 order dissolving the District and releasing the Board
34 of Directors of the District from any further duty or
35 obligation.

36 Revisor's Note
37 (End of Chapter)

38 (1) Article 2, Chapter 428, Acts of the 77th
39 Legislature, Regular Session, 2001, amends Chapter
40 477, Acts of the 59th Legislature, Regular Session,
41 1965, by adding Sections 1A and 20c, which provide
42 authority to call an election on the dissolution of the
43 Muenster Hospital District contingent on the creation
44 of the Cooke County Hospital District. Section
45 3.02(b), Chapter 428, Acts of the 77th Legislature,

1 Regular Session, 2001, provides that the "election in
2 . . . the Muenster Hospital District . . . must be held
3 before the fifth anniversary of the effective date of
4 this Act." The effective date of Chapter 428 was May
5 28, 2001. Because the election on the question of
6 creating the Cooke County Hospital District was not
7 held before May 28, 2006 (the fifth anniversary of the
8 effective date of Chapter 428), the authority to call
9 an election on the dissolution of the Muenster
10 Hospital District under Section 20c has expired.
11 Therefore, the revised law omits Sections 1A and 20c.
12 The omitted law reads:

13 Sec. 1A. On the dissolution of the
14 Muenster Hospital District and the approval
15 of the creation of the Cooke County Hospital
16 District, a reference in this Act or in any
17 other law to the Muenster Hospital District
18 means the Cooke County Hospital District.

19 Sec. 20c. (a) Notwithstanding any
20 other provision of this Act, the Muenster
21 Hospital District may be dissolved as
22 provided by this section.

23 (b) The Board of Directors may order
24 an election on the question of the
25 dissolution of the Muenster Hospital
26 District, creation of the Cooke County
27 Hospital District, transfer of the Muenster
28 Hospital District's assets and obligations
29 to the Cooke County Hospital District, and
30 assumption by the Cooke County Hospital
31 District of the Muenster Hospital
32 District's outstanding debts.

33 (c) The Board shall order an election
34 if:

35 (1) the Board has reasonable
36 grounds to conclude that the Board of
37 Directors of the Gainesville Hospital
38 District will order an election under
39 Section 18A, Chapter 211, Acts of the 64th
40 Legislature, Regular Session, 1975; or

41 (2) the Board receives a
42 petition requesting an election on the
43 question of the dissolution of the Muenster
44 Hospital District, creation of the Cooke
45 County Hospital District, and transfer of
46 assets that is signed by at least 15 percent
47 of the registered voters in the Muenster
48 Hospital District.

49 (d) If the Board of Directors orders
50 an election under this section, it shall
51 promptly notify the Board of Directors of
52 the Gainesville Hospital District of the
53 election order.

54 (e) The election shall be held not
55 less than 45 or more than 60 days after the

1 date on which an election is ordered and
2 shall be held on the same date that the
3 separate election in the Gainesville
4 Hospital District is held. The Board of
5 Directors shall cooperate with the Board of
6 Directors of the Gainesville Hospital
7 District in setting the date of the
8 elections. Section 41.001(a), Election
9 Code, does not apply to an election ordered
10 under this section.

11 (f) The ballot for the election shall
12 be printed to permit voting for or against
13 the proposition: "The dissolution of the
14 Muenster Hospital District and creation of
15 the Cooke County Hospital District,
16 providing for the levy of a tax not to
17 exceed 75 cents on each \$100 valuation on
18 all taxable property in the Cooke County
19 Hospital District, and providing for the
20 transfer to and assumption by the Cooke
21 County Hospital District of all outstanding
22 bonds and indebtedness issued or refunded
23 for hospital purposes by the Muenster
24 Hospital District and the transfer of the
25 existing Muenster Hospital District's
26 assets to the Cooke County Hospital
27 District."

28 (g) Except as provided by Subsections
29 (e) and (f) of this section, the election
30 shall be held in accordance with the
31 applicable provisions of the Election Code.

32 (h) The Muenster Hospital District is
33 dissolved if:

34 (1) a majority of the voters in
35 the Muenster Hospital District voting in
36 the election held under this section favor
37 the proposition; and

38 (2) a majority of the voters in
39 the Gainesville Hospital District voting in
40 an election held on the same date under
41 Section 18A, Chapter 211, Acts of the 64th
42 Legislature, Regular Session, 1975, favor
43 the dissolution of the Gainesville Hospital
44 District, the creation of the Cooke County
45 Hospital District, the transfer of the
46 assets of the Gainesville Hospital District
47 to Cooke County Hospital District, and the
48 assumption of the assets and obligations of
49 the Gainesville Hospital District by the
50 Cooke County Hospital District.

51 (i) The Muenster Hospital District is
52 not dissolved and the Board of Directors
53 shall continue to administer the Muenster
54 Hospital District if a majority of the
55 voters in either district do not favor the
56 proposition on which they voted.

57 (j) If the Muenster Hospital District
58 is dissolved under this section, the Board
59 of Directors shall orderly transfer the
60 assets and obligations of the Muenster
61 Hospital District to the Cooke County
62 Hospital District not later than the 180th
63 day after the date of the election.

64 (k) The Board of Directors may not
65 hold an election on the question of
66 dissolution under this section and the
67 creation of the Cooke County Hospital
68 District before the first anniversary of
69 the most recent election held under this

1 section concerning the dissolution and the
2 creation of the Cooke County Hospital
3 District.

4 (2) Section 22, Chapter 477, Acts of the 59th
5 Legislature, Regular Session, 1965, provides that the
6 act is severable. The revised law omits that provision
7 because it duplicates Section 311.032, Government Code
8 (Code Construction Act), which provides that a
9 provision of a statute is severable from each other
10 provision of the statute that can be given effect. The
11 omitted law reads:

12 Sec. 22. If any of the provisions of
13 this Act or the application thereof to any
14 person or circumstances is held invalid,
15 such invalidity shall not affect other
16 provisions or applications of the Act which
17 can be given effect without the invalid
18 provision or application, and to this end
19 the provisions of this Act are declared to
20 be severable.

21 (3) Section 23, Chapter 477, Acts of the 59th
22 Legislature, Regular Session, 1965, provides that
23 public notice of enactment of the statute was provided
24 in a manner that satisfies the requirements of the
25 Texas Constitution. The revised law omits that
26 section as executed. The omitted law reads:

27 Sec. 23. Proof of publication of the
28 notice required in the enactment hereof
29 under the provisions of Section 9, Article
30 IX, Constitution of the State of Texas, has
31 been made in the manner and form provided by
32 law pertaining to the enactment of local and
33 special laws and such notice is hereby found
34 and declared proper and sufficient to
35 satisfy such requirement.

2 CHAPTER 1072. MAVERICK COUNTY HOSPITAL DISTRICT

3 SUBCHAPTER A. GENERAL PROVISIONS

4 Revised Law

5 Sec. 1072.001. DEFINITIONS. In this chapter:

6 (1) "Board" means the board of directors of the
7 district.

8 (2) "Director" means a member of the board.

9 (3) "District" means the Maverick County Hospital
10 District. (New.)

11 Revisor's Note

12 The definitions of "board," "director," and
13 "district" are added to the revised law for drafting
14 convenience and to eliminate frequent, unnecessary
15 repetition of the substance of the definitions.

16 Revised Law

17 Sec. 1072.002. AUTHORITY FOR CREATION. The Maverick County
18 Hospital District is created under the authority of Section 9,
19 Article IX, Texas Constitution. (Acts 59th Leg., R.S., Ch. 172,
20 Sec. 1.)

21 Source Law

22 Sec. 1. By authority of Section 9, Article IX,
23 Constitution of the State of Texas, this Act
24 authorizes the creation of the Hospital District of
25 Maverick County, Texas.

26 Revisor's Note

27 Section 1, Chapter 172, Acts of the 59th
28 Legislature, Regular Session, 1965, refers to the
29 "Hospital District of Maverick County, Texas." The
30 revised law substitutes "Maverick County Hospital
31 District" or "district" for the quoted language in
32 this section and throughout this chapter because under
33 Section 1, Chapter 385, Acts of the 76th Legislature,
34 Regular Session, 1999, the name of the Hospital
35 District of Maverick County was changed to the
36 Maverick County Hospital District. In addition, the

1 revised law omits Section 1, Chapter 385, Acts of the
2 76th Legislature, Regular Session, 1999, as executed.

3 The omitted law reads:

4 Sec. 1. (a) The name of the Hospital
5 District of Maverick County is changed to
6 the Maverick County Hospital District.

7 (b) A reference in Chapter 172, Acts
8 of the 59th Legislature, Regular Session,
9 1965, or in other law to the Hospital
10 District of Maverick County means the
11 Maverick County Hospital District.

12 Revised Law

13 Sec. 1072.003. ESSENTIAL PUBLIC FUNCTION. The district is
14 a public entity performing an essential public function. (Acts
15 59th Leg., R.S., Ch. 172, Sec. 10(j) (part).)

16 Source Law

17 (j) Since the District created under this Act is
18 a public entity performing an essential public
19 function,

20 Revised Law

21 Sec. 1072.004. DISTRICT TERRITORY. The boundaries of the
22 district are coextensive with the boundaries of Maverick County.
23 (Acts 59th Leg., R.S., Ch. 172, Sec. 2.)

24 Source Law

25 Sec. 2. The boundaries of this District are
26 coterminous with the boundaries of Maverick County.

27 Revised Law

28 Sec. 1072.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
29 OBLIGATION. The support and maintenance of the district's hospital
30 system and any indebtedness incurred by the district under this
31 chapter may not become a charge against or obligation of this state.
32 (Acts 59th Leg., R.S., Ch. 172, Sec. 17 (part).)

33 Source Law

34 Sec. 17. The support and maintenance of the
35 hospital system of the District and any indebtedness
36 incurred by the District under this Act shall never
37 become a charge against nor an obligation of the State
38 of Texas,

39 Revised Law

40 Sec. 1072.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
41 The legislature may not make a direct appropriation for the

1 construction, maintenance, or improvement of a district facility.

8 Revisor's Note
9 (End of Subchapter)

10 Sections 4(a), (b), (e), (f), and (g) and Section
11 7, Chapter 172, Acts of the 59th Legislature, Regular
12 Session, 1965, provide procedures for holding an
13 election on the creation of the district and the
14 imposition of an ad valorem tax. Because the creation
15 of the district and the imposition of the tax were
16 approved at the election, the revised law omits the
17 relevant law as executed. The omitted law reads:

18 Sec. 4. (a) The District authorized
19 to be created by this Act is created upon
20 approval of a majority of the qualified
21 electors who own taxable property within
22 the District and who have duly rendered that
23 property for taxation and who vote at an
24 election called for this purpose.

25 (b) Upon receiving the petition of
26 100 people who are qualified to vote in this
27 election, or by its own order, recorded in
28 the minutes, the commissioners court of the
29 county in which this District is located
30 shall order an election for the purpose of
31 creating this District, not less than 20
32 days nor more than 30 days after the date of
33 the order.

34 (e) . . . If a majority of the
35 persons voting in the election vote for the
36 creation of the District, the commissioners
37 court shall, within 10 days after the
38 results are filed, declare the results and
39 order the District created. A copy of this
40 order shall be placed in the minutes of the
41 court.

42 (f) If a majority of the persons
43 voting at the election vote against the
44 creation of the District, this does not
45 prevent the holding of other elections for
46 the same purpose.

47 (g) The ballot for this election must
48 be substantially as follows:

49 "FOR the creation of the Hospital
50 District of Maverick County, Texas.

51 "AGAINST the creation of the Hospital
52 District of Maverick County, Texas."

53 Sec. 7. (a) At the time of the

1 election to create the District and to elect
2 directors, the commissioners court may
3 order an election to determine whether the
4 District may levy taxes within the
5 District. This tax may not exceed 50 cents
6 on the \$100 valuation of all taxable
7 property within the District. If the
8 commissioners court does not include this
9 election in the order for the election to
10 create the District, the Board of Directors
11 may order this election at any time.

12 (b) Prior to this election, notice
13 must be given by the appropriate
14 governmental unit, either the commissioners
15 court or the Board of Directors in the same
16 manner provided in Section 4 of this Act.
17 The presiding judge of each voting place
18 shall certify the results to the
19 appropriate governmental unit which shall
20 declare the results. The results are to be
21 of public record.

22 (c) The ballot for this election must
23 contain substantially the following:

24 "FOR the levy of a tax not to exceed 50
25 cents on the \$100 valuation on all property
26 subject to taxation within the District.

27 "AGAINST the levy of a tax not to
28 exceed 50 cents on the \$100 valuation on all
29 property subject to taxation within the
30 District."

31 (d) The Board of Directors shall not
32 levy any tax within the District until a
33 majority of the qualified electors who own
34 taxable property within the District and
35 who have duly rendered that property for
36 taxation voting in an election for this
37 purpose vote for the levy of this tax.

39 SUBCHAPTER B. DISTRICT ADMINISTRATION

40 Revised Law

41 Sec. 1072.051. BOARD ELECTION; TERMS. (a) The board
42 consists of five directors elected by district voters.

43 (b) Directors serve staggered four-year terms.

44 (c) An election shall be held on the first Tuesday after the
45 first Monday in November of each year to elect the appropriate
46 number of directors. (Acts 59th Leg., R.S., Ch. 172, Secs. 5(a)
47 (part), (d), (e) (part).)

48 Source Law

49 (a) . . . a Board of Directors which consists of
50 five (5) members, to be elected by the qualified
51 electors of the District.

52 (d) Each year on the first Tuesday after the
53 first Monday in November an election must be held for
54 the purpose of electing the appropriate number of
55 successor directors.

56 (e) An elected director shall serve for a four

1 year term. . . .

2 Revisor's Note

3 (1) Section 5(a), Chapter 172, Acts of the 59th
4 Legislature, Regular Session, 1965, refers to
5 "qualified electors." The revised law omits
6 "qualified" as unnecessary in this context because
7 Chapter 11, Election Code, governs eligibility to vote
8 in an election in this state and allows only
9 "qualified" voters who are residents of the territory
10 covered by the election to vote in an election. The
11 revised law substitutes "voter" for "elector" because
12 the former is the term used in the Election Code.

13 (2) Section 10, Chapter 385, Acts of the 76th
14 Legislature, Regular Session, 1999, provides that
15 changes in the qualifications for directors apply only
16 to directors appointed or elected after 1999. Section
17 11, Chapter 385, Acts of the 76th Legislature, Regular
18 Session, 1999, provides for staggering terms of
19 directors elected in 2000 and 2001 to change from
20 two-year terms to four-year terms. The revised law
21 revises the establishment of staggered terms but omits
22 these provisions as executed. The omitted law reads:

23 Sec. 10. The changes in law made by
24 this Act to the qualifications of and the
25 prohibitions applying to members of the
26 Board of Directors of the Maverick County
27 Hospital District do not affect the
28 entitlement of a member serving on the Board
29 immediately before the effective date of
30 this Act to continue to carry out the
31 functions of the Board for the remainder of
32 the member's term. The changes in law apply
33 only to a member appointed or elected on or
34 after the effective date of this Act. This
35 Act does not prohibit a person who is a
36 member of the Board on the effective date of
37 this Act from being reappointed or
38 reelected to the Board if the person has the
39 qualifications required for membership
40 under Section 5, Chapter 172, Acts of the
41 59th Legislature, Regular Session, 1965, as
42 amended by this Act.

43 Sec. 11. The change in law made by
44 this Act to the term of a director on the
45 Board of Directors of the Maverick County
46 Hospital District does not apply to the term
47 of a director elected in an election held in

1 2000 or 2001 for the election of directors.
2 A director elected in an election held in
3 2000 shall serve a two-year term, and a
4 director elected in an election held in 2001
5 shall serve a three-year term. Successor
6 directors shall serve four-year terms.

7 Revised Law

8 Sec. 1072.052. QUALIFICATIONS FOR OFFICE. (a) To qualify
9 for election to the board, a person must be:

10 (1) a district resident; and

11 (2) a qualified voter.

12 (b) A person may not serve on the board if the person is:

13 (1) a party to a contract with the district to perform
14 services for the district for compensation; or

15 (2) a district employee.

16 (c) A director is eligible for reelection to the board.
17 (Acts 59th Leg., R.S., Ch. 172, Secs. 5(b), (c), (e) (part).)

18 Source Law

19 (b) To qualify for election to the Board, a
20 person must be:

21 (1) a resident of the District; and

22 (2) a qualified voter.

23 (c) A person may not serve on the Board if the
24 person is:

25 (1) a party to a contract with the District
26 to perform services for the District for compensation;
27 or

28 (2) an employee of the District.

29 (e) . . . and in every case a director shall be
30 eligible for re-election.

31 Revised Law

32 Sec. 1072.053. BOND; RECORD OF BOND AND OATH OR AFFIRMATION
33 OF OFFICE. (a) Each director shall qualify for office by executing
34 a good and sufficient commercial bond for \$1,000 that is:

35 (1) payable to the district; and

36 (2) conditioned on the faithful performance of the
37 director's duties.

38 (b) The district shall pay for a director's bond.

39 (c) Each director's bond and constitutional oath or
40 affirmation of office shall be deposited with the district's
41 depository for safekeeping. (Acts 59th Leg., R.S., Ch. 172, Sec.
42 6(a).)

1 172, Sec. 6(b).)

2 Source Law

3 (b) The directors shall, at the first meeting
4 after the election, elect a president, a secretary,
5 and a treasurer from their number.

6 Revised Law

7 Sec. 1072.056. COMPENSATION; EXPENSES. A director is not
8 entitled to compensation but is entitled to reimbursement for
9 necessary expenses incurred in the performance of official duties.
10 (Acts 59th Leg., R.S., Ch. 172, Sec. 6(c).)

11 Source Law

12 (c) A member of the Board of Directors is not
13 entitled to compensation for his services. However,
14 each member is entitled to reimbursement for any
15 necessary expense incurred by him in the performance
16 of the duties of his office.

17 Revised Law

18 Sec. 1072.057. VOTING REQUIREMENT. A concurrence of a
19 majority of the directors voting is sufficient in any matter
20 relating to the business of the district. (Acts 59th Leg., R.S., Ch.
21 172, Sec. 5(g) (part).)

22 Source Law

23 (g) . . . a concurrence of a majority of the
24 directors voting is sufficient in any matter relating
25 to the business of the District.

26 Revisor's Note

27 Section 5(g), Chapter 172, Acts of the 59th
28 Legislature, Regular Session, 1965, provides that a
29 majority of the board constitutes a quorum for the
30 transaction of business. The revised law omits that
31 provision because it duplicates Section 311.013,
32 Government Code (Code Construction Act), which
33 provides that a quorum of a public body is a majority
34 of the number of members fixed by statute. The revised
35 law also omits "for the transaction of business"
36 because "quorum" means the number of persons or votes
37 necessary for a body to act. The omitted law reads:

38 (g) A majority of the membership of
39 the Board of Directors constitutes a quorum

1 for the transaction of business, and

3 Revised Law

4 Sec. 1072.058. DISTRICT ADMINISTRATOR. (a) The board may
5 authorize the appointment, engagement, or employment of a district
6 administrator to manage the operations of the district.

7 (b) The district administrator serves at the will of the
8 board and is subject to rules adopted by the board.

9 (c) The board may require that a person, before assuming the
10 duties of district administrator, execute a bond in an amount
11 determined by the board of not less than \$10,000 that is:

12 (1) payable to the district; and

13 (2) conditioned on the faithful performance of the
14 person's duties as district administrator under this chapter.

15 (d) The board may pay for the bond with district money.
16 (Acts 59th Leg., R.S., Ch. 172, Secs. 11(e) (part), (f), (g).)

17 Source Law

18 (e) The Board may:

19
20 (2) authorize the appointment,
21 engagement, or employment of:

22
23 (B) an administrator to manage the
24 operations of the District.

25 (f) A person who is appointed, engaged, or
26 employed under Subsection (e)(2) serves at the will of
27 the Board and is subject to the rules adopted by the
28 Board.

29 (g) The Board may require that, before assuming
30 the duties as administrator, a person shall execute a
31 bond payable to the District of not less than \$10,000,
32 as determined by the Board, conditioned on the
33 faithful performance of the person's duties as
34 administrator under this Act. The Board may pay for
35 the bond with District funds.

36 Revised Law

37 Sec. 1072.059. EMPLOYMENT OF MEDICAL STAFF AND OTHER HEALTH
38 CARE PROVIDERS. (a) The board may employ physicians, dentists, or
39 other health care providers as the board considers necessary for
40 the efficient operation of the district.

41 (b) This section does not authorize the board to supervise
42 or control the practice of medicine or permit the unauthorized
43 practice of medicine, as prohibited by Subtitle B, Title 3,
44 Occupations Code. (Acts 59th Leg., R.S., Ch. 172, Sec. 11(k-1).)

2 (1) scholarship programs;
3 (2) agreements for future services;
4 (3) shared personnel;
5 (4) bonuses; and
6 (5) any other method the Board determines
7 is necessary.

8 Revised Law

9 Sec. 1072.062. OTHER DISTRICT EMPLOYEES. (a) The board may
10 authorize the employment of persons necessary for the efficient
11 operation of the district.

12 (b) An employee serves at the will of the board and is
13 subject to rules adopted by the board. (Acts 59th Leg., R.S., Ch.
14 172, Secs. 11(e) (part), (f).)

15 Source Law

16 (e) The Board may:
17 . . .
18 (2) authorize the [appointment,
19 engagement, or] employment of:
20 (A) employees necessary for the
21 efficient operation of the District; and
22 . . .

23 (f) A person who is [appointed, engaged, or]
24 employed under Subsection (e)(2) serves at the will of
25 the Board and is subject to the rules adopted by the
26 Board.

27 Revisor's Note

28 Section 11(e)(2), Chapter 172, Acts of the 59th
29 Legislature, Regular Session, 1965, refers to the
30 "appointment, engagement, or employment" of employees
31 and a district administrator. Section 11(f), Chapter
32 172, Acts of the 59th Legislature, Regular Session,
33 1965, refers to a person who is "appointed, engaged, or
34 employed under Subsection (e)(2)." Those provisions
35 are revised in this section and Section 1072.058(a),
36 which applies to the district administrator. The
37 revised law omits the references to "appointment,"
38 "engagement," "appointed," and "engaged" because, in
39 context, those references apply only to the district
40 administrator and not to other district employees.

41 Revised Law

42 Sec. 1072.063. RETIREMENT BENEFITS. The board may provide
43 retirement benefits for district employees by:

1 (1) establishing or administering a retirement
2 program; or

3 (2) participating in:

4 (A) the Texas County and District Retirement
5 System; or

6 (B) another statewide retirement system in which
7 the district is eligible to participate. (Acts 59th Leg., R.S., Ch.
8 172, Sec. 11(m).)

9 Source Law

10 (m) The Board may provide retirement benefits
11 for employees of the District by:

12 (1) establishing or administering a
13 retirement program; or

14 (2) electing to participate in the Texas
15 County and District Retirement System or in any other
16 statewide retirement system in which the District is
17 eligible to participate.

18 Revised Law

19 Sec. 1072.064. MAINTENANCE OF RECORDS; PUBLIC INSPECTION.

20 The board shall:

21 (1) maintain all district records, including books,
22 accounts, notices, minutes, and other matters of the district and
23 its operation, at the district office; and

24 (2) make those records available for public inspection
25 at reasonable times. (Acts 59th Leg., R.S., Ch. 172, Sec. 11(b).)

26 Source Law

27 (b) The Board shall keep all books, records,
28 accounts, notices, minutes, and other matters of the
29 District and its operation at the office of the
30 District. The Board shall make these items available
31 for public inspection at reasonable times.

32 Revisor's Note
33 (End of Subchapter)

34 Section 5(e), Chapter 172, Acts of the 59th
35 Legislature, Regular Session, 1965, provides that a
36 director serves until a successor is elected and
37 qualified. The revised law omits this provision
38 because it duplicates Section 17, Article XVI, Texas
39 Constitution. That section provides that an officer
40 in this state is to continue to perform the officer's

1 official duties until a successor has qualified. The
2 omitted law reads:

3 (e) . . . In every case, a director
4 shall serve until a successor has been
5 elected and qualified for the
6 office,

13 the board determines is necessary to provide hospital and medical
14 care to the district's needy residents.

15 (b) The district shall undertake any measure, consistent
16 with Section 9, Article IX, Texas Constitution, and this chapter,
17 that the board determines is necessary to provide hospital and
18 medical care for the district's needy inhabitants. (Acts 59th Leg.,

2 Sec. 1072.102. ANNUAL DETERMINATION OF CARE. The board,
3 based on the estimated amount of revenue and balances available to

5 determine the type and extent of hospital and medical care services
6 offered by the district. (Acts 59th Leg., R.S., Ch. 172, Sec.

21 Revised Law

22 Sec. 1072.103. RESTRICTION ON POLITICAL SUBDIVISION
23 TAXATION AND DEBT. A political subdivision of this state, other
24 than the district, may not impose a tax or issue bonds or other
25 obligations to provide hospital service or medical care in the
26 district. (Acts 59th Leg., R.S., Ch. 172, Sec. 3 (part), as amended
27 Acts 79th Leg., R.S., Chs. 1237, 1351.)

35 care within the District. . . .

36 Sec. 3. [as amended Acts 79th Leg., R.S., Ch.
37 1351] . . . After this District is created as provided
38 in Section 4 of this Act, no other municipality or
39 political subdivision of this state may levy taxes or
40 issue bonds or other obligations of indebtedness for
41 the purpose of providing hospital service or medical
42 care within the District. . . .

43 Revisor's Note

44 (1) Section 3, Chapter 172, Acts of the 59th
45 Legislature, Regular Session, 1965, as amended by
46 Chapters 1237 and 1351, Acts of the 79th Legislature,

1 Regular Session, 2005, provides that "[a]fter this
2 District is created as provided in Section 4 of this
3 Act," certain political subdivisions may not levy
4 taxes or issue bonds. The revised law omits the quoted
5 language as executed. In addition, throughout this
6 chapter, the revised law substitutes "impose" for
7 "levy" because, in this context, the terms are
8 synonymous and the former is more commonly used.

9 (2) Section 3, Chapter 172, Acts of the 59th
10 Legislature, Regular Session, 1965, as amended by
11 Chapters 1237 and 1351, Acts of the 79th Legislature,
12 Regular Session, 2005, refers to a "municipality or
13 political subdivision." The revised law omits
14 "municipality" because "municipality" is included in
15 the meaning of "political subdivision."

16 Revised Law

17 Sec. 1072.104. MANAGEMENT AND CONTROL OF DISTRICT. The
18 management and control of the district is vested in the board, and
19 the board has full power to manage and control the district. (Acts

27 Sec. 1072.105. RULES. (a) The board shall adopt rules for
28 the efficient operation of the district, including district
29 facilities.

30 (b) The board shall:

31 (1) publish the rules in book form; and

32 (2) provide copies to interested persons on request at
33 district expense. (Acts 59th Leg., R.S., Ch. 172, Sec. 11(c).)

34 Source Law

35 (c) The Board shall adopt rules for the
36 efficient operation of the District and its facilities

1 which are not inconsistent with this Act. The Board
2 shall publish these rules and regulations in book form
3 and furnish copies to interested persons upon request
4 and at the expense of the District.

5 Revisor's Note

6 (1) Section 11(c), Chapter 172, Acts of the 59th
7 Legislature, Regular Session, 1965, provides that the
8 board shall adopt rules that are "not inconsistent
9 with this Act." The revised law omits the quoted
10 language because, under established principles of law,
11 the board is not authorized to take any action contrary
12 to the laws of this state.

13 (2) Section 11(c), Chapter 172, Acts of the 59th
14 Legislature, Regular Session, 1965, refers to "rules
15 and regulations." The revised law omits "regulations"
16 because under Section 311.005(5), Government Code
17 (Code Construction Act), a rule is defined to include a
18 regulation.

35 (2) mortgage or pledge the property as security for
36 the payment of the purchase price.

37 (b) The board may sell, lease, or otherwise dispose of
38 property, including facilities or equipment, for the district.

1 Sale or other disposal under this subsection must be at a public

4 (c) The board may donate to another governmental entity or
5 to a charitable organization any surplus personal property or
6 equipment if the donation serves a public purpose and is
7 accompanied by adequate consideration. (Acts 59th Leg., R.S., Ch.
8 172, Secs. 11(o), (p).)

9 Source Law

10 (o) The Board may lease or acquire property,
11 facilities, and equipment for the use of the District
12 and may mortgage or pledge the property, facilities,
13 or equipment as security for the payment of the
14 purchase price.

15 (p) The Board may sell, lease, or otherwise
16 dispose of property, facilities, or equipment on
17 behalf of the District. Sale or other disposal of the
18 property, facilities, or equipment must be at a public
19 sale and at a price and on the terms the Board
20 determines are most advantageous to the District. The
21 Board may donate to another governmental entity or to
22 any charitable organization any surplus personal
23 property or equipment if the donation serves a public
24 purpose and is accompanied by adequate consideration.

25 Revised Law

26 Sec. 1072.108. EMINENT DOMAIN. (a) The district may
27 exercise the power of eminent domain to acquire a fee simple or
28 other interest in real, personal, or mixed property located in
29 district territory if the interest is necessary or convenient for
30 the district to exercise a power or duty conferred on the district
31 by this chapter.

32 (b) The district must exercise the power of eminent domain
33 in the manner provided by Chapter 21, Property Code, except the
34 district is not required to deposit in the trial court money or a
35 bond as provided by Section 21.021(a), Property Code.

36 (c) In a condemnation proceeding, the district is not
37 required to:

38 (1) pay in advance or provide a bond or other security
39 for costs in the trial court; or

40 (2) provide a bond for costs or a supersedeas bond on
41 an appeal or petition for review. (Acts 59th Leg., R.S., Ch. 172,

1 Sec. 14.)

2 Source Law

3 Sec. 14. (a) The District has the power of
4 eminent domain for the purpose of acquiring by
5 condemnation any interest, including fee simple
6 absolute, in any real, personal, or mixed property
7 within the boundaries of the District that is
8 necessary or convenient to the exercise of the powers
9 and duties conferred upon it by this Act.

10 (b) The Board shall exercise this power of
11 eminent domain in the same manner as provided by
12 general law. However, the District is not required to
13 make deposits in the registry of the trial court or to
14 post bond as required by Paragraph 2, Article 3268,
15 Revised Civil Statutes of Texas, 1925, as amended.

16 (c) The District is not required to pay in
17 advance or to give any bond or other security for costs
18 in the trial court otherwise required for the issuance
19 relating to a condemnation proceeding, nor is it
20 required to give a bond for costs or for supersedeas on
21 an appeal or writ of error proceeding to a Court of
22 Civil Appeals or to the Supreme Court.

23 Revisor's Note

24 (1) Section 14(a), Chapter 172, Acts of the 59th
25 Legislature, Regular Session, 1965, provides that the
26 district has the "power of eminent domain for the
27 purpose of acquiring [property] by condemnation." The
28 revised law substitutes for the quoted language "may
29 exercise the power of eminent domain to acquire
30 [property]" because the phrases have the same meaning
31 and the latter phrase is consistent with modern usage
32 in laws relating to eminent domain.

33 (2) Section 14(b), Chapter 172, Acts of the 59th
34 Legislature, Regular Session, 1965, provides that the
35 district must exercise the power of eminent domain in
36 the manner provided by "general law." The revised law
37 substitutes for the quoted language a reference to
38 Chapter 21, Property Code, because that is the general
39 law governing eminent domain for governmental
40 entities.

41 (3) Section 14(b), Chapter 172, Acts of the 59th
42 Legislature, Regular Session, 1965, refers to
43 "Paragraph 2, Article 3268, Revised Civil Statutes of
44 Texas, 1925, as amended." That statute was codified in

1 1983 as Section 21.021(a), Property Code. The revised
2 law is drafted accordingly. In addition, throughout
3 this chapter, the revised law omits the reference to
4 "as amended" because under Section 311.027, Government
5 Code (Code Construction Act), a reference to a statute
6 applies to all reenactments, revisions, or amendments
7 of that statute unless expressly provided otherwise.

8 (4) Section 14(c), Chapter 172, Acts of the 59th
9 Legislature, Regular Session, 1965, refers to an
10 "appeal or writ of error proceeding to a Court of Civil
11 Appeals or to the Supreme Court." The revised law
12 substitutes "petition for review" for "writ of error"
13 because, effective September 1, 1997, the Texas
14 Supreme Court replaced the writ of error procedure
15 with the petition for review procedure. See Rule 53.1,
16 Rules of Appellate Procedure. In addition, the
17 revised law omits the references to the courts because
18 those are the only courts to which the district may
19 appeal or petition for review.

20 Revised Law

21 Sec. 1072.109. GIFTS AND ENDOWMENTS. The board may accept
22 for the district a gift or endowment to be held in trust and
23 administered by the board under the directions, limitations, or
24 other provisions prescribed in writing by the donor that are not
25 inconsistent with the proper management of the district. (Acts
26 59th Leg., R.S., Ch. 172, Sec. 11(h).)

27 Source Law

28 (h) The Board may accept donations, gifts, and
29 endowments for the District. The Board shall hold all
30 donations, gifts, and endowments in trust and shall
31 administer them under any direction, limitation, or
32 provisions as may be prescribed in writing by the
33 donor, as long as it is not inconsistent with the
34 proper management of the District.

35 Revisor's Note

36 Section 11(h), Chapter 172, Acts of the 59th
37 Legislature, Regular Session, 1965, refers to

1 "donations" and "gifts." The revised law omits
2 "donations" because "donations" is included in the
3 meaning of "gifts."

4 Revised Law

5 Sec. 1072.110. CONSTRUCTION CONTRACTS. (a) The board may
6 enter into construction contracts for the district.

7 (b) A construction contract awarded by the district that
8 involves the expenditure of more than the amount provided by
9 Section 271.024, Local Government Code, must be competitively bid
10 as provided by Subchapter B, Chapter 271, Local Government Code.
11 (Acts 59th Leg., R.S., Ch. 172, Sec. 11(q) (part).)

12 Source Law

13 (q) The Board may enter into construction
14 contracts on behalf of the District. A construction
15 contract awarded by the District for more than \$15,000
16 must be competitively bid, as provided by Subchapter
17 B, Chapter 271, Local Government Code. . . .

18 Revisor's Note

19 (1) Section 11(q), Chapter 172, Acts of the 59th
20 Legislature, Regular Session, 1965, provides that
21 contracts awarded by the district that involve
22 spending more than \$15,000 must be competitively bid
23 as provided by Subchapter B, Chapter 271, Local
24 Government Code. The revised law omits the reference
25 to the \$15,000 amount as superseded by Section 5,
26 Chapter 115, Acts of the 77th Legislature, Regular
27 Session, 2001, which amended Section 271.024, Local
28 Government Code, to increase the contract amount for
29 which competitive bidding is required to \$25,000.

30 (2) Section 11(q), Chapter 172, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that
32 Chapter 2253, Government Code, applies to the
33 district's construction contracts. The revised law
34 omits the provision because Chapter 2253 applies to
35 the district on its own terms. The omitted law reads:

36 (q) . . . Chapter 2253, Government
37 Code, applies to construction contracts let

1 by the District.

2 Revised Law

3 Sec. 1072.111. OPERATING AND MANAGEMENT CONTRACTS. The
4 board may enter into an operating or management contract relating
5 to hospital services or medical care the district is authorized to
6 provide. (Acts 59th Leg., R.S., Ch. 172, Sec. 11(r).)

7 Source Law

8 (r) The Board may enter into operating or
9 management contracts with respect to any of the
10 hospital services or medical care that the District
11 may provide.

12 Revised Law

13 Sec. 1072.112. CONTRACTS WITH POLITICAL SUBDIVISIONS OR
14 GOVERNMENT AGENCIES FOR HOSPITAL AND MEDICAL CARE. The board may
15 contract with a municipality or other political subdivision or a
16 state or federal agency to provide hospital and medical care for
17 needy persons who reside outside the district. (Acts 59th Leg.,
18 R.S., Ch. 172, Sec. 11(i).)

19 Source Law

20 (i) The Board may enter into any contract with a
21 municipality or other political subdivision or with a
22 state or federal agency to provide hospital and
23 medical care for needy persons who reside outside the
24 District.

25 Revised Law

26 Sec. 1072.113. PAYMENT FOR TREATMENT; PROCEDURES. (a) A
27 person who resides in the district is entitled to receive necessary
28 medical and hospital care regardless of whether the person has the
29 ability to pay for the care and may apply to receive this care
30 without cost.

31 (b) The board or the district administrator shall employ a
32 person to investigate the ability of the patient and any relative
33 who is liable for the patient's support to pay for the medical and
34 hospital care received by the patient.

35 (c) If the district determines that the patient or relative
36 legally liable for the patient's support cannot pay all or part of
37 the costs of the patient's care, the expense of the care becomes a
38 charge against the district.

1 (d) If the patient or a relative legally liable for the
2 patient's support can pay for all or part of the costs of the
3 patient's care, the board shall order the patient or relative to pay
4 to the district each week an amount specified in the order. The
5 amount must be proportionate to the person's ability to pay.

6 (e) The district administrator may collect the amount from
7 the patient's estate, or from any relative who is liable for the
8 patient's support, in the manner provided by law for the collection
9 of expenses of the last illness of a deceased person.

10 (f) If there is a dispute as to the ability to pay, the board
11 shall hold a hearing and, after calling witnesses, shall:

12 (1) determine the question; and

13 (2) make the proper order based on the board's
14 findings.

15 (g) A party to the hearing who is not satisfied with the
16 result of the order may appeal to the district court. The
17 substantial evidence rule applies to the appeal. (Acts 59th Leg.,
18 R.S., Ch. 172, Sec. 13.)

19 Source Law

20 Sec. 13. (a) A person who resides within the
21 District is entitled to receive necessary medical and
22 hospital care whether he has the ability to pay for the
23 care or not. A person who resides within the District
24 may make application to receive this care without
25 cost.

26 (b) The Board or the administrator shall employ
27 a person to investigate the ability of the patient and
28 the ability of any relative who is liable for the
29 support of the patient to pay for the medical and
30 hospital care which the patient receives.

31 (c) If the patient or a relative of the patient
32 who is legally liable for his support is able to pay
33 for this care in whole or in part, the Board shall
34 order the patient or his relatives to pay to the
35 District each week an amount specified in the order.
36 The amount must be in proportion to the ability to pay.

37 (d) The administrator may collect this amount
38 from the estate of the patient, or from his relatives
39 who are liable for his support, in the manner provided
40 by law for the collection of expenses of the last
41 illness of a deceased person.

42 (e) If the District finds that neither the
43 patient, nor a relative who is legally liable for his
44 support, is able to pay in whole or in part for this
45 care, the expense of this care becomes a charge on the
46 District.

47 (f) If there is a dispute as to the ability to
48 pay, the Board shall hear and determine the question,
49 after calling witnesses, and make the proper order

1 based on its findings.

2 (g) A party to the hearing who is not satisfied
3 with the result of the order may appeal to the district
4 court, and the substantial evidence rule applies to
5 that appeal.

6 Revised Law

7 Sec. 1072.114. REIMBURSEMENT FOR SERVICE. (a) The board
8 shall require a county, municipal, or other public hospital located
9 outside the district to reimburse the district for the district's
10 care and treatment of a patient of that hospital as provided by
11 Chapter 61, Health and Safety Code.

12 (b) The board shall require the sheriff of Maverick County
13 or the police chief of a municipality in the district to reimburse
14 the district for the district's care and treatment of a person who
15 is confined in a jail facility of the county or municipality and is
16 not a resident of the district. (Acts 59th Leg., R.S., Ch. 172,
17 Sec. 11(j).)

18 Source Law

19 (j) The Board shall require:

20 (1) reimbursement from the sheriff of
21 Maverick County or the police chief of a municipality
22 in the District for the District's care and treatment
23 of a person confined in a jail facility of the county
24 or municipality who is not a resident of the District;
25 and

26 (2) reimbursement from a county,
27 municipal, or other public hospital located outside
28 the boundaries of the District for the District's care
29 and treatment of a patient of that hospital, as
30 provided by Chapter 61, Health and Safety Code.

31 Revised Law

32 Sec. 1072.115. CHARITABLE ORGANIZATION. (a) In this
33 section, "charitable organization" means an organization that is
34 exempt from federal income tax under Section 501(a) of the Internal
35 Revenue Code of 1986 by being listed as an exempt organization in
36 Section 501(c)(3) or 501(c)(4) of the code.

37 (b) The board may facilitate the achievement of district
38 purposes by creating a charitable organization to:

39 (1) provide or arrange for hospital and health care
40 services;

41 (2) develop resources for hospital and health care
42 services; and

1 (3) provide ancillary support services for the
2 district.

3 (c) A charitable organization created under this section is
4 a unit of local government for purposes of Chapter 101, Civil
5 Practice and Remedies Code. (Acts 59th Leg., R.S., Ch. 172, Secs.
6 11(s), (u).)

7 Source Law

8 (s) The Board may facilitate achievement of the
9 purpose of the District by creating a charitable
10 organization to provide or arrange for hospital and
11 health care services, develop resources for hospital
12 and health care services, and provide ancillary
13 support services for the District. A charitable
14 organization created by the Board under this
15 subsection is a unit of local government for purposes
16 of Chapter 101, Civil Practice and Remedies Code.

17 (u) In this section, "charitable organization"
18 means an organization that is exempt from federal
19 income tax under Section 501(a) of the Internal
20 Revenue Code of 1986, as amended, by being listed as an
21 exempt organization in Section 501(c)(3) or 501(c)(4)
22 of the code.

23 Revised Law

24 Sec. 1072.116. NONPROFIT CORPORATION. (a) The board, on
25 the district's behalf, may create and sponsor a nonprofit
26 corporation under the Business Organizations Code and may
27 contribute money to or solicit money for the corporation.

28 (b) The corporation may use money, other than money the
29 corporation pays to the district, only to provide health care or
30 other services the district is authorized to provide under this
31 chapter.

32 (c) The corporation may invest the corporation's money in
33 any manner in which the district may invest the district's money,
34 including investing money as authorized by Chapter 2256, Government
35 Code.

36 (d) The board shall establish adequate controls to ensure
37 that the corporation uses its money as required by this section.
38 (Acts 59th Leg., R.S., Ch. 172, Sec. 11(t).)

39 Source Law

40 (t) The Board, on behalf of the District, may
41 sponsor and create a nonprofit corporation under the
42 Texas Non-Profit Corporation Act (Article 1396-1.01 et

1 seq., Vernon's Texas Civil Statutes) and may
2 contribute funds to or solicit funds for the
3 corporation. The corporation may use funds, other
4 than funds paid by the corporation to the District,
5 only to provide health care or other services the
6 District may provide under this Act. The Board shall
7 establish adequate controls to ensure that the
8 corporation uses its funds as required by this
9 subsection. The corporation may invest corporation
10 funds in any manner in which the District may invest
11 funds, including investing funds as authorized by
12 Chapter 2256, Government Code.

13 Revisor's Note

14 Section 11(t), Chapter 172, Acts of the 59th
15 Legislature, Regular Session, 1965, refers to the
16 Texas Non-Profit Corporation Act. That act was
17 codified in various chapters of the Business
18 Organizations Code by Chapter 182, Acts of the 78th
19 Legislature, Regular Session, 2003. On January 1,
20 2010, the Texas Non-Profit Corporation Act expires,
21 and, as of that date, the Business Organizations Code
22 applies to all business entities. The revised law is
23 drafted accordingly.

24 Revisor's Note
25 (End of Subchapter)

26 (1) Section 11(a), Chapter 172, Acts of the 59th
27 Legislature, Regular Session, 1965, states that a
28 provision of the act that provides a specific power or
29 duty does not limit the district's general authority to
30 carry out the purposes of the act. The revised law
31 omits this provision because it is a generally
32 accepted principle of statutory interpretation that
33 all of a statute is intended to be given effect and
34 that specific grants of power do not limit more general
35 grants of power. Additionally, Section 311.021(2),
36 Government Code (Code Construction Act), provides that
37 an entire statute is intended to be effective. The
38 omitted law reads:

39 (a) . . . Any provision of this Act
40 which provides a specific power or duty does
41 not limit the general authority of the
42 District to carry out the purposes of this
43 Act.

1 (2) Section 16, Chapter 172, Acts of the 59th
2 Legislature, Regular Session, 1965, provides
3 authority for the "State Board of Health, the State
4 Board of Public Welfare, or any other state agency
5 created for a similar purpose" to inspect hospital
6 district facilities and records. The revised law
7 omits Section 16 because various state laws, including
8 Chapters 222 and 241, Health and Safety Code, provide
9 the necessary inspection authority to appropriate
10 state agencies. The omitted law reads:

11 Sec. 16. (a) The District is subject
12 to inspection at any time by an authorized
13 representative of the State Board of
14 Health, the State Board of Public Welfare,
15 or any other state agency created for a
16 similar purpose.

17 (b) The administrator of the hospital
18 shall admit a representative into the
19 facilities of the District and make
20 accessible on demand all District records,
21 reports, books, papers, and accounts.

22 [Sections 1072.117-1072.150 reserved for expansion]

23 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

24 Revised Law

25 Sec. 1072.151. BUDGET. The district administrator shall
26 prepare a proposed budget that includes:

- 27 (1) proposed expenditures and disbursements;
28 (2) estimated receipts and collections for the next
29 fiscal year; and
30 (3) the amount of taxes required to be imposed to meet
31 the proposed budget. (Acts 59th Leg., R.S., Ch. 172, Sec. 12(b).)

32 Source Law

33 (b) The administrator shall prepare a proposed
34 budget showing:

35 (1) the proposed expenditures and
36 disbursements;

37 (2) the estimated receipts and collections
38 for the next fiscal year; and

39 (3) the amount of taxes required to be
40 levied and collected during the next fiscal year to
41 meet the proposed budget.

42 Revisor's Note

43 Section 12(b), Chapter 172, Acts of the 59th

1 Legislature, Regular Session, 1965, refers to taxes
2 "levied and collected." The revised law substitutes
3 "imposed" for the quoted language because "impose" is
4 the term generally used in Title 1, Tax Code, and
5 includes the levying and collection of an ad valorem
6 tax.

7 Revised Law

8 Sec. 1072.152. ADOPTION OF PROPOSED BUDGET: NOTICE AND
9 HEARING. (a) The board shall hold a public hearing on the proposed
10 budget.

11 (b) Notice of the hearing must be published at least once in
12 a newspaper of general circulation in the district not later than
13 the 10th day before the date of the hearing.

14 (c) Any district resident is entitled to:

15 (1) appear at the hearing; and

16 (2) be heard regarding any item in the proposed
17 budget.

18 (d) At the conclusion of the hearing, the board shall adopt
19 a budget for the district that includes any changes to the proposed
20 budget that the board determines are in the best interest of the
21 district. (Acts 59th Leg., R.S., Ch. 172, Secs. 12(c), (d), (e).)

22 Source Law

23 (c) The Board shall hold a public hearing on the
24 proposed budget after publication of notice in a
25 newspaper of general circulation in the District. The
26 notice must be given at least once not less than 10
27 days prior to the hearing.

28 (d) Any resident of the District is entitled to
29 appear at the hearing and be heard with reference to
30 any item in the proposed budget.

31 (e) At the conclusion of the hearing, the Board
32 shall adopt a budget for the District that includes any
33 changes to the administrator's proposed budget that
34 the Board determines are in the best interest of the
35 District.

36 Revised Law

37 Sec. 1072.153. FISCAL YEAR. The district's fiscal year is
38 from September 1 through August 31. (Acts 59th Leg., R.S., Ch. 172,
39 Sec. 12(a).)

1 Source Law

2 Sec. 12. (a) The fiscal year of the hospital
3 district is from September 1 of each year through
4 August 31 of the following year.

5 Revised Law

6 Sec. 1072.154. ANNUAL AUDIT. (a) The board annually shall
7 require an independent audit of the district's books and records.

8 (b) Not later than January 1 of each year, the board shall:

9 (1) file a copy of the audit with the district; and

10 (2) provide a copy of the audit at each public library
11 located in the district. (Acts 59th Leg., R.S., Ch. 172, Sec.
12 11(d).)

13 Source Law

14 (d) The Board shall require an annual
15 independent audit of the books and records of the
16 District and shall file a copy of the audit with the
17 District and shall provide a copy of the audit at each
18 public library located in the District not later than
19 January 1 of each year.

20 Revised Law

21 Sec. 1072.155. DEPOSITORY. (a) The board by resolution
22 shall designate a bank in Maverick County as the district's
23 depository. A designated bank serves for two years and until a
24 successor is designated.

25 (b) All district money shall be deposited in the depository
26 and secured in the manner provided for securing county funds. (Acts
27 59th Leg., R.S., Ch. 172, Sec. 15.)

28 Source Law

29 Sec. 15. Within 30 days after the qualification
30 of the Board of Directors, the Board shall by
31 resolution designate a bank within the county in which
32 the District is located to be the depository of the
33 District. All funds of the District shall be deposited
34 in the depository and shall be secured in the manner
35 now provided for the security of county funds. The
36 depository shall serve for a period of two years and
37 until a successor has been named in accordance with
38 this section.

39 Revisor's Note

40 (1) Section 15, Chapter 172, Acts of the 59th
41 Legislature, Regular Session, 1965, requires the board
42 to select a depository "[w]ithin 30 days after the

1 qualification of the Board of Directors." The revised
2 law omits the quoted language as executed.

3 (2) Section 15, Chapter 172, Acts of the 59th
4 Legislature, Regular Session, 1965, refers to the bank
5 in "the county in which the District is located."
6 Throughout this chapter, the revised law substitutes
7 "Maverick County" for the quoted language because that
8 is the county in which the district is located.

9 Revised Law

10 Sec. 1072.156. AUTHORITY TO BORROW MONEY; SECURITY. (a)
11 The board may borrow money at a rate of not more than 10 percent a
12 year on district notes to pay the obligations if the board declares
13 that money is not available to meet authorized district
14 obligations, which creates an emergency.

15 (b) To secure a loan, the board may pledge:

16 (1) district revenue that is not pledged to pay the
17 district's bonded indebtedness;

18 (2) a district tax to be imposed by the district in the
19 next 12-month period that is not pledged to pay the principal of or
20 interest on district bonds; or

21 (3) district bonds that have been authorized but not
22 sold.

23 (c) A loan for which taxes or bonds are pledged must mature
24 not later than the first anniversary of the date the loan is made. A
25 loan for which district revenue is pledged must mature not later
26 than the fifth anniversary of the date the loan is made.

27 (d) Money obtained from a loan under this section may be
28 spent only for:

29 (1) a purpose for which the board declared an
30 emergency; and

31 (2) if district taxes or bonds are pledged to pay the
32 loan, the purposes for which the taxes were imposed or the bonds
33 were authorized. (Acts 59th Leg., R.S., Ch. 172, Sec. 11A.)

Source Law

Sec. 11A. (a) The Board may declare that funds are not available to meet lawfully authorized obligations of the District, thereby creating an emergency, and may borrow money at a rate of not more than 10 percent a year on notes of the District to pay the obligations.

(b) To secure the loan, the Board may pledge revenues of the District that are not pledged to pay any bonded indebtedness of the District, taxes of the District to be levied by the District in the succeeding 12-month period that are not pledged to pay principal of or interest on bonds of the District, or bonds of the District that have been authorized but not sold.

(c) If taxes or bonds are pledged to pay the loan, the loan shall mature not later than 12 months from the date the loan is made.

(d) If revenues of the District are pledged for payment of the loan, the loan shall mature not more than five years after the date the loan is made.

(e) No money obtained from a loan under this section may be spent for any purpose other than the purpose for which the Board declared an emergency and, if taxes or bonds are pledged to pay the loan, for any purposes other than the purposes for which the pledged taxes were levied or the pledged bonds were authorized.

[Sections 1072.157-1072.200 reserved for expansion]

SUBCHAPTER E. BONDS

Revised Law

Sec. 1072.201. BONDS. The district may issue bonds to:

- (1) purchase, construct, acquire, repair, or renovate buildings or improvements; and
- (2) equip buildings for hospital purposes. (Acts 59th Leg., R.S., Ch. 172, Sec. 9(a) (part).)

Source Law

(a) . . . the District may issue bonds for the purchase, construction, acquisition, repair, or renovation of buildings and improvements, and for equipping the buildings for hospital purposes. . . .

Revisor's Note

Section 9(a), Chapter 172, Acts of the 59th Legislature, Regular Session, 1965, authorized the commissioners court to order a bond election at the election to create the district. The revised law omits that provision as executed because the creation election has been conducted. The omitted law reads:

Sec. 9. (a) At the time of the election to create the District the

1 commissioners court may order an election
2 to determine whether [the District may
3 issue bonds]

4 Revised Law

5 Sec. 1072.202. TAX TO PAY GENERAL OBLIGATION BONDS. The
6 board may issue general obligation bonds only if the board imposes
7 an ad valorem tax at a rate sufficient to create an interest and
8 sinking fund to pay the principal of and interest on the bonds as
9 the bonds mature. (Acts 59th Leg., R.S., Ch. 172, Sec. 10(b).)

10 Source Law

11 (b) The Board may not issue any general
12 obligation bonds unless a sufficient tax is levied to
13 create an interest and sinking fund to pay the interest
14 and principal as it matures.

15 Revisor's Note

16 Section 10(b), Chapter 172, Acts of the 59th
17 Legislature, Regular Session, 1965, requires the
18 district to levy a tax to pay the principal of and
19 interest on bonds. The revised law specifies that the
20 tax is an "ad valorem" tax because it is clear from the
21 source law that the tax is a property tax and "ad
22 valorem" is the term most commonly used to refer to a
23 property tax.

24 Revised Law

25 Sec. 1072.203. BOND ELECTION. (a) The board may issue
26 general obligation bonds only if the bonds are authorized by a
27 majority of district voters voting in an election held for that
28 purpose.

29 (b) The board may order a bond election at any time.

30 (c) The order calling an election must include:

- 31 (1) the time of the election;
32 (2) the location of the polling places;
33 (3) the form of the ballot;
34 (4) the presiding judge for each polling place;
35 (5) the purpose of the bond issuance;
36 (6) the amount of the bonds to be authorized;
37 (7) the maximum interest rate of the bonds; and

1 (8) the maximum maturity of the bonds.

2 (d) A substantial copy of the election order shall be
3 published in a newspaper of general circulation in the district
4 once a week for two consecutive weeks before the date of the
5 election. The first notice must be published at least 14 days
6 before the date of the election.

7 (e) A copy of the election results must be filed with the
8 county clerk and become a public record. (Acts 59th Leg., R.S., Ch.
9 172, Secs. 4(c), (d), (e) (part), 9(a) (part), (b), (d) (part).)

10 Source Law

11 [Sec. 4]

12 (c) The order calling the election must contain
13 the time and place, or places, of holding the election,
14 the form of the ballot, and the presiding judge for
15 each voting place.

16 (d) The commissioners court shall publish a
17 substantial copy of the election order in a newspaper
18 of general circulation within the District once a week
19 for two consecutive weeks prior to the date of the
20 election. The first notice must be published at least
21 14 days before the date of the election.

22 (e) . . . A copy of the results are to be filed
23 with the County Clerk and become of public
24 record. . . .

25 Sec. 9. (a) . . . If the commissioners court
26 does not include this election in the order for the
27 election to create the District, the Board of
28 Directors may order this election at any time.

29 (b) The order and notice of election and the
30 certification declaration of the results to the County
31 Clerk are governed by Section 4 of this Act. In
32 addition to the provisions of that section, the order
33 of this election must include:

- 34 (1) the purpose for which the bonds are to
35 be issued;
36 (2) the amount of the proposed bond issue;
37 (3) the maximum interest rate;
38 (4) the maximum maturity date of the
39 bonds.

40 (d) The Board of Directors shall not issue any
41 general obligation bonds until a majority of the
42 qualified electors of the District voting in an
43 election for this purpose vote for the issuance of
44 these bonds. . . .

45 Revisor's Note

46 (1) Sections 4(e) and 9(d), Chapter 172, Acts of
47 the 59th Legislature, Regular Session, 1965, provide
48 that the presiding judge of each voting place shall
49 count the votes and certify the results to the
50 commissioners court within 10 days, and that the board

1 shall canvass the returns and declare the results of
2 the election. The revised law omits those provisions
3 as superseded by Sections 67.002, 67.003, and 67.004,
4 Election Code (enacted by Section 1, Chapter 211, Acts
5 of the 69th Legislature, Regular Session, 1985), which
6 require the governing body of a political subdivision
7 that orders an election to canvass the returns and
8 provides the time frame and procedures for the
9 canvass. The omitted law reads:

10 [Sec. 4]

11 (e) The presiding judge of each
12 voting place shall supervise the counting
13 of all votes cast and shall certify the
14 results to the commissioners court within
15 10 days after the election. . . .

16 [Sec. 9]

17 (d) . . . In any election held for
18 the purpose of approving the issuance of
19 general obligation bonds, the Board shall
20 canvass the returns and declare the results
21 of the election.

22 (2) Section 9(d), Chapter 172, Acts of the 59th
23 Legislature, Regular Session, 1965, refers to
24 "qualified electors of the District." The revised law
25 omits "qualified" as unnecessary in this context
26 because Chapter 11, Election Code, governs eligibility
27 to vote in an election in this state and allows only
28 "qualified" voters who are residents of the territory
29 covered by the election to vote in an election. The
30 revised law substitutes "voter" for "elector" because
31 the former is the term used in the Election Code.

32 Revised Law

33 Sec. 1072.204. REVENUE BONDS. (a) The district may issue
34 revenue bonds to:

35 (1) acquire, construct, repair, renovate, or equip
36 buildings or improvements for hospital purposes; or

37 (2) acquire real property for district purposes.

38 (b) The bonds must be payable from and secured by a pledge of
39 all or part of the revenue derived from the operation of the

1 district's hospital system.

2 (c) The bonds must be issued in the manner provided by
3 Sections 264.042, 264.043, 264.044, 264.045, 264.046, 264.047,
4 264.048, and 264.049, Health and Safety Code, for issuance of
5 revenue bonds by a county hospital authority. (Acts 59th Leg.,
6 R.S., Ch. 172, Secs. 10(d), (e), (f).)

7 Source Law

8 (d) The District may issue revenue bonds to:
9 (1) acquire, construct, repair, renovate,
10 or equip buildings and improvements for hospital
11 purposes; and

12 (2) acquire real property for District
13 purposes.

14 (e) The revenue bonds issued under Subsection
15 (d) must be payable from and secured by a pledge of all
16 or part of the District's revenues from operations of
17 the hospital system.

18 (f) The revenue bonds issued under Subsection
19 (d) must be issued in accordance with Sections
20 264.042, 264.043, 264.044, 264.045, 264.046, 264.047,
21 264.048, and 264.049, Health and Safety Code, for the
22 issuance of revenue bonds by county hospital
23 authorities.

24 Revised Law

25 Sec. 1072.205. REFUNDING BONDS. (a) The board may issue
26 refunding bonds to refund outstanding indebtedness issued or
27 assumed by the district.

28 (b) A refunding bond may be:

29 (1) sold, with the proceeds of the bond applied to the
30 payment of the outstanding indebtedness; or

31 (2) exchanged wholly or partly for not less than a
32 similar principal amount of outstanding indebtedness. (Acts 59th
33 Leg., R.S., Ch. 172, Sec. 10(g) (part).)

34 Source Law

35 (g) The District may issue refunding bonds to
36 refund an outstanding indebtedness the District has
37 issued or assumed. . . . The refunding bonds may be
38 sold and the proceeds applied to the payment of
39 outstanding indebtedness or may be exchanged in whole
40 or in part for not less than a similar principal amount
41 of outstanding indebtedness. . . .

42 Revisor's Note

43 Section 10(g), Chapter 172, Acts of the 59th
44 Legislature, Regular Session, 1965, provides that
45 refunding bonds must be issued in the manner provided

1 by Chapter 784, Acts of the 61st Legislature, Regular
2 Session, 1969 (Article 717k-3, Vernon's Texas Civil
3 Statutes). In addition, the section provides that
4 refunding bonds sold to pay outstanding indebtedness
5 must be issued and payments made in the manner provided
6 by Chapter 503, Acts of the 54th Legislature, Regular
7 Session, 1955 (Article 717k, Vernon's Texas Civil
8 Statutes). Articles 717k and 717k-3 were codified in
9 1999 as Chapter 1207, Government Code. The revised law
10 omits the provisions because Chapter 1207, Government
11 Code, applies to district bonds by application of
12 Section 1207.001, Government Code. The omitted law
13 reads:

14 (g) . . . The bonds must be issued in
15 the manner provided by Chapter 784, Acts of
16 the 61st Legislature, Regular Session, 1969
17 (Article 717k-3, Vernon's Texas Civil
18 Statutes). . . . If the refunding bonds are
19 to be sold and the proceeds applied to the
20 payment of outstanding indebtedness, the
21 refunding bonds must be issued and payments
22 made in the manner provided by Chapter 503,
23 Acts of the 54th Legislature, Regular
24 Session, 1955 (Article 717k, Vernon's Texas
25 Civil Statutes).

26 Revised Law

27 Sec. 1072.206. MATURITY OF BONDS. District bonds must
28 mature not later than 50 years after the date of issuance. (Acts
29 59th Leg., R.S., Ch. 172, Sec. 9(c) (part).)

30 Source Law

31 (c) . . . The Board of Directors shall not issue
32 any bond which matures more than 50 years from the date
33 of issuance.

34 Revised Law

35 Sec. 1072.207. EXECUTION OF BONDS. (a) The board president
36 shall execute the district's bonds in the district's name.

37 (b) The board secretary shall countersign the bonds. (Acts
38 59th Leg., R.S., Ch. 172, Sec. 10(a) (part).)

39 Source Law

40 Sec. 10. (a) The president of the Board shall
41 execute the bonds in the name of and on behalf of the
42 hospital district. The secretary of the Board of

1 Directors shall countersign the bonds. . . .

2 Revisor's Note

3 Section 10(a), Chapter 172, Acts of the 59th
4 Legislature, Regular Session, 1965, provides that
5 district bonds are subject to the law governing
6 counties that relates to bond approval by the attorney
7 general and registration of the bonds by the
8 comptroller. Section 10(a) also provides that after
9 approval and registration the bonds are "incontestable
10 for any reason." The revised law omits those
11 provisions because they duplicate, in substance,
12 Chapter 1202, Government Code (enacted as Article 3,
13 Chapter 53, Acts of the 70th Legislature, 2nd Called
14 Session, 1987). Section 1202.003(a), Government Code,
15 requires bonds to be submitted to the attorney
16 general. Section 1202.003(b), Government Code,
17 provides for approval of the bonds by the attorney
18 general and requires the attorney general to submit
19 the approved bonds to the comptroller for
20 registration. Section 1202.005, Government Code,
21 requires registration of the bonds by the comptroller.
22 Section 1202.006, Government Code, provides that after
23 approval and registration the bonds are incontestable
24 and binding obligations. Chapter 1202, Government
25 Code, applies to district bonds by application of
26 Section 1202.001, Government Code. The omitted law
27 reads:

28 (a) . . . The Attorney General of the
29 State of Texas shall approve the bonds if
30 they meet the same requirements as provided
31 by law for bonds issued by a county. The
32 bonds are to be registered by the
33 Comptroller of Public Accounts of the State
34 of Texas in the same manner as provided by
35 law for the registration of bonds issued by
36 a county. After approval and registration
37 the bonds are incontestable for any reason.

38 Revised Law

39 Sec. 1072.208. BONDS EXEMPT FROM TAXATION. The following

1 are exempt from taxation by this state or a political subdivision of
2 this state:

- 3 (1) bonds issued by the district;
- 4 (2) any transaction relating to the bonds; and
- 5 (3) profits made in the sale of the bonds. (Acts 59th
6 Leg., R.S., Ch. 172, Sec. 10(j) (part).)

7 Source Law

8 (j) . . . bonds issued by the District, any
9 transaction relating to the bonds, and profits made in
10 the sale of the bonds are free from taxation by the
11 state or by any municipality, county, special
12 district, or other political subdivision of the state.

13 Revisor's Note

14 Section 10(j), Chapter 172, Acts of the 59th
15 Legislature, Regular Session, 1965, refers to "any
16 municipality, county, special district, or other
17 political subdivision of the state." The revised law
18 omits "municipality," "county," and "special
19 district" because those terms are included in the
20 meaning of "political subdivision of the state."

21 Revisor's Note
22 (End of Subchapter)

23 (1) Section 9(c), Chapter 172, Acts of the 59th
24 Legislature, Regular Session, 1965, provides that
25 district bonds must bear interest at a rate that does
26 not exceed the rate provided by Chapter 3, Acts of the
27 61st Legislature, Regular Session, 1969 (Article
28 717k-2, Vernon's Texas Civil Statutes). The revised
29 law omits that provision because the maximum interest
30 rate noted in Chapter 3 was revised in 1999 as Section
31 1204.006, Government Code, and Section 1204.006
32 applies to district bonds by application of Section
33 1204.001, Government Code. The omitted law reads:

34 (c) Bonds issued by the Board must
35 bear interest at a rate not to exceed that
36 provided by Chapter 3, Acts of the 61st
37 Legislature, Regular Session, 1969 (Article
38 717k-2, Vernon's Texas Civil Statutes).
39 . . .

1 (2) Section 10(c), Chapter 172, Acts of the 59th
2 Legislature, Regular Session, 1965, provides that
3 district bonds may be made optional for redemption
4 before maturity. The revised law omits this provision
5 because Section 1201.021, Government Code, provides
6 that a public security may be issued as redeemable
7 before maturity at one or more specified times.
8 Section 1201.021, Government Code, applies to district
9 bonds by application of Section 1201.002, Government
10 Code. The omitted law reads:

11 (c) All bonds issued by the District
12 may be made optional for redemption prior to
13 their maturity date in the discretion of the
14 Board.

15 (3) Section 10(h), Chapter 172, Acts of the 59th
16 Legislature, Regular Session, 1965, provides that
17 district bonds are legal and authorized investments
18 for certain entities. The revised law omits the
19 provision as unnecessary. As to several of the
20 entities listed, Section 10(h) has been superseded and
21 impliedly repealed or it duplicates existing law.
22 Investments in securities by banks are regulated by
23 Section 34.101, Finance Code (enacted in 1995 as
24 Section 5.101, Texas Banking Act (Article 342-5.101,
25 Vernon's Texas Civil Statutes)). Investments in
26 securities by savings banks are regulated by Section
27 93.001(c)(10), Finance Code (enacted in 1993 as
28 Section 7.15(10), Texas Savings Bank Act (Article
29 489e, Vernon's Texas Civil Statutes)). Investments in
30 securities by trust companies are regulated by Section
31 184.101, Finance Code (enacted in 1997 as Section
32 5.101, Texas Trust Company Act (Article 342a-5.101,
33 Vernon's Texas Civil Statutes)). Investments in
34 securities by savings and loan associations are
35 regulated by Sections 63.002 and 64.001, Finance Code.
36 As to the remaining entities listed, Section 10(h)

1 duplicates Section 1201.041, Government Code (enacted
2 as Section 9, Bond Procedures Act of 1981 (Article
3 717k-6, Vernon's Texas Civil Statutes)). Section
4 1201.041, Government Code, applies to district bonds
5 by application of Section 1201.002, Government Code.
6 The revised law omits the reference to public funds of
7 this state because it has been superseded by Section
8 404.024, Government Code (enacted in 1985 as Section
9 2.014, Treasury Act (Article 4393-1, Vernon's Texas
10 Civil Statutes), and last amended in 2007), which
11 governs the investment of state funds. Section
12 404.024(b)(10), Government Code, authorizes the
13 investment of state funds in obligations of political
14 subdivisions, including hospital districts. The
15 omitted law reads:

16 (h) District bonds and indebtedness
17 assumed by the District are legal and
18 authorized investments for:

- 19 (1) banks;
- 20 (2) savings banks;
- 21 (3) trust companies;
- 22 (4) savings and loan
23 associations;
- 24 (5) insurance companies;
- 25 (6) fiduciaries;
- 26 (7) trustees;
- 27 (8) guardians; and
- 28 (9) sinking funds of
29 municipalities, counties, school
30 districts, and other political subdivisions
31 and public funds of the state, including the
32 permanent school fund.

33 (4) Section 10(i), Chapter 172, Acts of the 59th
34 Legislature, Regular Session, 1965, provides that
35 district bonds may secure deposits of public funds of
36 this state or political subdivisions of this state.
37 The revised law omits the provisions relating to
38 deposits of state funds by the comptroller because
39 they duplicate, in substance, Section 404.0221,
40 Government Code (enacted in 1995), which lists
41 eligible collateral for deposits of state funds by the
42 comptroller. As to deposits of other funds, this

1 provision duplicates Chapter 2257, Government Code,
2 which governs eligible collateral for deposits of
3 funds of political subdivisions, and permits those
4 deposits to be secured by obligations issued by
5 hospital districts. The omitted law reads:

6 (i) District bonds are eligible to
7 secure deposits of public funds of the state
8 and of municipalities, counties, school
9 districts, and other political subdivisions
10 of the state. The bonds are lawful and
11 sufficient security for deposits to the
12 extent of their value, if accompanied by all
13 unmatured coupons.

14 [Sections 1072.209-1072.250 reserved for expansion]

15 SUBCHAPTER F. TAXES

16 Revised Law

17 Sec. 1072.251. IMPOSITION OF AD VALOREM TAX. (a) The board
18 shall impose a tax on all property in the district subject to
19 district taxation.

20 (b) The tax may be used only to:

21 (1) pay the interest on and create a sinking fund for
22 bonds issued under this chapter;

23 (2) provide for the operation and maintenance of the
24 district and hospital system;

25 (3) make improvements and additions to the hospital
26 system;

27 (4) acquire sites for additions to the hospital
28 system; and

29 (5) pay the indebtedness issued or assumed by the
30 district. (Acts 59th Leg., R.S., Ch. 172, Secs. 8(a) (part), (c).)

31 Source Law

32 (a) . . . the Board of Directors shall levy a
33 tax . . . on all property subject to taxation within
34 the District.

35 (c) The Board may use the proceeds of this tax
36 for the following purposes:

37 (1) paying the interest on and creating a
38 sinking fund for bonds issued under the provisions of
39 this Act;

40 (2) providing for the operation and
41 maintenance of the hospital district and the hospital
42 system;

43 (3) making improvements and additions to

1 the hospital system;
2 (4) acquiring sites for the additions to
3 the hospital system; and
4 (5) paying the indebtedness issued or
5 assumed by the District.

6 Revisor's Note

7 Section 8(a), Chapter 172, Acts of the 59th
8 Legislature, Regular Session, 1965, provides that the
9 board shall impose a tax after a vote. The revised law
10 omits this provision as executed. The omitted law
11 reads:

12 Sec. 8. (a) After a majority of those
13 persons voting at the election vote for the
14 levy of a tax, [the Board of Directors shall
15 levy a tax]

16 Revised Law

17 Sec. 1072.252. TAX RATE. The board may impose the tax at a
18 rate not to exceed 50 cents on each \$100 valuation of all taxable
19 property in the district. (Acts 59th Leg., R.S., Ch. 172, Sec. 8(a)
20 (part).)

21 Source Law

22 (a) . . . [the Board of Directors shall levy a
23 tax] not to exceed 50 cents on the \$100 valuation on
24 all property subject to taxation within the District.

25 Revised Law

26 Sec. 1072.253. TAX ASSESSOR-COLLECTOR. The tax
27 assessor-collector for Maverick County shall collect taxes for the
28 district. (Acts 59th Leg., R.S., Ch. 172, Sec. 8(d) (part).)

29 Source Law

30 (d) . . . [the tax assessor and collector of the
31 county in which the District is located.] The tax
32 assessor and collector of that county shall collect
33 the taxes for the District. . . .

34 Revisor's Note

35 (End of Subchapter)

36 (1) Sections 8(b) and (d), Chapter 172, Acts of
37 the 59th Legislature, Regular Session, 1965, require
38 the board to impose taxes at a certain time and in a
39 certain manner. The revised law omits those
40 provisions because they were repealed by Section 6(b),
41 Chapter 841, Acts of the 66th Legislature, Regular

1 Session, 1979, which repealed all "general, local, and
2 special laws" that conflicted with that act. The 1979
3 act enacted the Property Tax Code (Title 1, Tax Code),
4 a comprehensive, substantive codification of property
5 tax law and its administration. Title 1, Tax Code,
6 provides the exclusive procedures for the appraisal of
7 property for taxation by a taxing unit, including a
8 hospital district. The omitted law reads:

9 (b) The board shall use the same
10 valuation used by the commissioners court
11 in taxing the property for county purposes
12 which appears on the county tax rolls.

13 (d) On or before October 1 of each
14 year, the Board shall levy the tax and
15 immediately certify the tax rate to the tax
16 assessor and collector of the county in
17 which the District is located. . . . The
18 taxes of the District are subject to the
19 same conditions as the taxes of the county.

20 (2) Section 8(e), Chapter 172, Acts of the 59th
21 Legislature, Regular Session, 1965, provides that the
22 county tax assessor-collector is entitled to a fee as
23 compensation for services. The revised law omits that
24 provision because it was repealed by Section 6(b),
25 Chapter 841, Acts of the 66th Legislature, Regular
26 Session, 1979. See Revisor's Note (1). Section
27 6.27(b), Tax Code, provides for the compensation of a
28 county tax assessor-collector assessing and
29 collecting taxes for another taxing unit. The omitted
30 law reads:

31 (e) The assessor and collector of
32 taxes is entitled to a fee as compensation
33 for his services of not more than one per
34 cent of the total tax collected. The Board
35 shall fix the exact amount of compensation.
36 The tax assessor and collector shall deduct
37 this fee from the payments made to the
38 District of the taxes collected, and
39 deposit that amount in the general fund of
40 the county as a fee of office of the tax
41 assessor and collector.

42 (3) Section 8(f), Chapter 172, Acts of the 59th
43 Legislature, Regular Session, 1965, provides that the
44 district may impose taxes for the entire year in which

1 the district is established. The revised law omits
2 that provision as executed. The omitted law reads:

3 (f) The Board may levy this tax for
4 the entire year in which the District is
5 established to secure funds necessary to
6 initiate the operation of the hospital
7 district.

8 Revisor's Note
9 (End of Chapter)

10 Section 18, Chapter 172, Acts of the 59th
11 Legislature, Regular Session, 1965, provides that
12 proper notice of enactment of the statute was provided
13 in a manner that satisfies the requirements of the
14 Texas Constitution. The revised law omits the
15 provision as executed. The omitted law reads:

16 Sec. 18. The Legislature has found
17 that proper notice has been given in the
18 District affected by this Act in accordance
19 with the requirement of Section 9, Article
20 IX, Constitution of the State of Texas.

7 CHAPTER 1073. NORTH RUNNELS COUNTY HOSPITAL DISTRICT

8 SUBCHAPTER A. GENERAL PROVISIONS

9 Revised Law

10 Sec. 1073.001. DEFINITIONS. In this chapter:

11 (1) "Board" means the board of directors of the
12 district.

13 (2) "Director" means a member of the board.

14 (3) "District" means the North Runnels County Hospital
15 District. (New.)

16 Revisor's Note

17 The definitions of "board," "director," and
18 "district" are added to the revised law for drafting
19 convenience and to eliminate frequent, unnecessary
20 repetition of the substance of the definitions.

21 Revised Law

22 Sec. 1073.002. AUTHORITY FOR CREATION. The North Runnels
23 County Hospital District is created under the authority of Section
24 9, Article IX, Texas Constitution, and has the rights, powers, and
25 duties provided by this chapter. (Acts 61st Leg., R.S., Ch. 206,
26 Sec. 1 (part).)

27 Source Law

28 Sec. 1. Pursuant to authority granted by the
29 provisions of Section 9, Article IX, of the Texas
30 Constitution, North Runnels County Hospital District
31 is hereby authorized to be created and . . . possess
32 such rights, powers, and duties as are hereinafter
33 prescribed.

34 Revised Law

35 Sec. 1073.003. ESSENTIAL PUBLIC FUNCTION. The district
36 performs an essential public function in carrying out the purposes
37 of this chapter. (Acts 61st Leg., R.S., Ch. 206, Sec. 23 (part).)

1 cannot modify constitutional requirements by statute.

2 The omitted law reads:

3 Sec. 24. Nothing in this Act shall be
4 construed to violate any provision of the
5 Federal or State Constitutions, and all
6 acts done under this Act shall be in such
7 manner as will conform thereto, whether
8 expressly provided or not. . . .

9 Revised Law

10 Sec. 1073.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
11 OBLIGATION. The support and maintenance of the district may not
12 become a charge against or obligation of this state. (Acts 61st
13 Leg., R.S., Ch. 206, Sec. 22 (part).)

14 Source Law

15 Sec. 22. The support and maintenance of the
16 hospital district shall never become a charge against
17 or obligation of the State of Texas,

18 Revised Law

19 Sec. 1073.007. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
20 The legislature may not make a direct appropriation for the
21 construction, maintenance, or improvement of a district facility.
22 (Acts 61st Leg., R.S., Ch. 206, Sec. 22 (part).)

23 Source Law

24 Sec. 22. . . . nor shall any direct
25 appropriation be made by the Legislature for the
26 construction, maintenance, or improvement of any of
27 the facilities of such district.

28 Revisor's Note
29 (End of Subchapter)

30 Section 3, Chapter 206, Acts of the 61st
31 Legislature, Regular Session, 1969, provides
32 procedures for holding an election on the creation of
33 the district, the imposition of an ad valorem tax, and
34 the assumption of certain debt. Because the creation
35 of the district and the imposition of the tax were
36 approved at the described election, the revised law
37 omits that section as executed. The omitted law reads:

38 Sec. 3. (a) The district shall not
39 be created, nor shall any tax therein be
40 authorized unless and until such creation
41 and such tax are approved by a majority of
42 the qualified property taxpaying electors

1 of the area of the proposed district voting
2 at an election called for that purpose.
3 Such election may be called by the
4 commissioners court of Runnels County or
5 shall be called by said commissioners court
6 upon presentation of a petition therefor
7 signed by at least 100 qualified property
8 taxpaying electors of the area of the
9 proposed district. Such election shall be
10 held not less than 35 nor more than 60 days
11 from the date the election is ordered. The
12 order calling the election shall specify
13 the date, place or places of holding the
14 election, the form of ballot, the presiding
15 judge and alternate judge for each voting
16 place, and provide for clerks as in county
17 elections. The election order may provide
18 that the entire district shall constitute
19 one election precinct or the county
20 election precincts may be combined for
21 elections. Notice of election shall be
22 given by publishing a substantial copy of
23 the election order in a newspaper or
24 newspapers which individually or
25 collectively provide general circulation in
26 the county or district once a week for two
27 consecutive weeks, the first publication to
28 appear at least 30 days prior to the date
29 established for the election. The failure
30 of such election shall not operate to
31 prohibit the calling and holding of
32 subsequent elections for the same purpose;
33 provided, however, that no district
34 election for confirmation can be held
35 within 12 months of any preceding district
36 election for confirmation, and, further
37 provided, if this district is not confirmed
38 within 60 months from the effective date of
39 this Act, this Act is hereby repealed.

40 (b) At the election there shall be
41 submitted to the qualified property
42 taxpaying electors of the area of the
43 proposed district the proposition of
44 whether the hospital district shall be
45 created with authority to levy annual taxes
46 at a rate not to exceed 75 cents on the \$100
47 valuation of taxable property situated
48 within the district subject to hospital
49 district taxation for the purpose of
50 meeting the requirements of the district's
51 bonds, the indebtedness assumed by it and
52 its maintenance and operating expenses, and
53 a majority of the qualified property
54 taxpaying electors voting at said election
55 in favor of the proposition shall be
56 sufficient for its adoption.

57 (c) The form of ballot used at the
58 election on the creation of the district
59 shall be in conformity with Sections 61 and
60 62, Texas Election Code, as amended
61 (Articles 6.05-6.07, Vernon's Texas
62 Election Code), so that ballots may be cast
63 "FOR" or "AGAINST" the following ballot
64 proposition: "The creation of North
65 Runnels County Hospital District, providing
66 for the levy of a tax not to exceed 75 cents
67 on each \$100 valuation, upon all taxable
68 property situated within said district,
69 subject to hospital district taxation, and

1 the assumption by such district of all
2 outstanding bonds and indebtedness
3 heretofore issued and incurred by any city
4 or town in said district for all hospital
5 district purposes.

6 (d) Within 10 days after such
7 election is held, the commissioners court
8 of the county shall convene and canvass the
9 returns of the election, and if a majority
10 of the qualified property taxpaying
11 electors voting at said election vote in
12 favor of the proposition, they shall so find
13 and declare the hospital district
14 established and created.

15 [Sections 1073.008-1073.050 reserved for expansion]

16 SUBCHAPTER B. DISTRICT ADMINISTRATION

17 Revised Law

18 Sec. 1073.051. BOARD ELECTION; TERM. (a) The board
19 consists of seven directors elected from the district.

20 (b) Unless four-year terms are established under Section
21 285.081, Health and Safety Code:

22 (1) directors serve two-year terms; and

23 (2) a directors' election shall be held on the uniform
24 election date in May of each year.

25 (c) The election order must state the time, place, and
26 purpose of the election. (Acts 61st Leg., R.S., Ch. 206, Secs.
27 4(a), (b) (part).)

28 Source Law

29 Sec. 4. (a) The board of directors consists of
30 seven directors. All directors shall serve for a
31 period of two years and until their successors have
32 been duly elected and have qualified.

33 (b) A regular election for directors shall be
34 held on the first Saturday in May of each year. . . .
35 The election order must state the time, place, and
36 purpose of the election. . . .

37 Revisor's Note

38 (1) Section 4(a), Chapter 206, Acts of the 61st
39 Legislature, Regular Session, 1969, provides that
40 directors serve two-year terms. Section 285.081,
41 Health and Safety Code, applicable to this hospital
42 district, provides a mechanism by which the governing
43 board of a hospital district, on its own motion, may
44 order that the members are to be elected in
45 even-numbered years to serve staggered four-year

1 terms. The revised law is drafted accordingly and adds
2 a reference to Section 285.081, Health and Safety
3 Code, for the convenience of the reader.

4 (2) Section 4(a), Chapter 206, Acts of the 61st
5 Legislature, Regular Session, 1969, provides that the
6 directors serve until their successors are "duly
7 elected and have qualified." The revised law omits
8 that provision because it duplicates Section 17,
9 Article XVI, Texas Constitution, which provides that
10 an officer in this state is to continue to perform the
11 officer's official duties until a successor has
12 qualified.

13 (3) Section 4(b), Chapter 206, Acts of the 61st
14 Legislature, Regular Session, 1969, was amended in
15 1999 to require board elections on the "first Saturday
16 in May." From 1987 to 2003, Section 41.001, Election
17 Code, provided for a uniform election date for all
18 political subdivisions on the first Saturday in May.
19 In Chapter 1315, Acts of the 78th Legislature, Regular
20 Session, 2003, the legislature amended Section 41.001
21 by moving the uniform election date in May to the third
22 Saturday. In Chapter 1, Acts of the 78th Legislature,
23 3rd Called Session, 2003, the legislature amended
24 Section 41.001 by moving the uniform election date in
25 May back to the first Saturday. In Chapter 471, Acts
26 of the 79th Legislature, Regular Session, 2005, the
27 legislature amended Section 41.001 by moving the
28 uniform election date in May to the second Saturday.
29 The revised law substitutes "uniform election date in
30 May" for "first Saturday in May" to reflect these
31 changes while preserving as closely as possible the
32 legislative intent expressed in the 1999 amendment to
33 Section 4(b) that the election be held on the first
34 Saturday in May, which was at that time the uniform

1 election date in May.

2 (4) Section 4(b), Chapter 206, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that the
4 board shall order the election of directors and shall
5 issue the order not later than the 45th day before the
6 date of the election. The revised law omits the
7 provision requiring the board to order the election
8 because it duplicates Section 3.004, Election Code,
9 applicable to the district under Section 1.002,
10 Election Code. Section 3.004 requires the governing
11 body of a political subdivision that has elective
12 officers to order the general election for those
13 officers. The revised law also omits the provision
14 stating that the board shall issue the order not later
15 than the 45th day before the election date as
16 superseded by Section 3.005, Election Code, also
17 applicable to the district under Section 1.002,
18 Election Code. Section 3.005, as amended by Chapter
19 925, Acts of the 78th Legislature, Regular Session,
20 2003, requires an election order issued by the
21 authority of a political subdivision to be issued not
22 later than the 62nd day before election day and
23 provides that Section 3.005 supersedes a law outside
24 the Election Code to the extent of any conflict. The
25 omitted law reads:

26 (b) . . . The directors shall order
27 the regular election for directors not
28 later than the 45th day before election day.
29 . . .

30 Revised Law

31 Sec. 1073.052. NOTICE OF ELECTION. Not earlier than the
32 30th day or later than the 10th day before the date of an election of
33 directors, notice of the election shall be published one time in a
34 newspaper or newspapers that individually or collectively have
35 general circulation in the district. (Acts 61st Leg., R.S., Ch.
36 206, Sec. 4(b) (part).)

1 Source Law

2 (b) . . . Notice of each such election shall be
3 published in a newspaper or newspapers which
4 individually or collectively provide general
5 circulation in the district one time not earlier than
6 the 30th day or later than the 10th day prior to the
7 date of the election. . . .

8 Revised Law

9 Sec. 1073.053. QUALIFICATIONS FOR OFFICE. (a) A person may
10 not be appointed as a director unless the person is:

11 (1) a resident of the district; and

12 (2) a qualified voter.

13 (b) A person is not eligible to serve as a director if the
14 person is:

15 (1) the district administrator;

16 (2) a district employee; or

17 (3) a member of the hospital staff. (Acts 61st Leg.,
18 R.S., Ch. 206, Sec. 4(c).)

19 Source Law

20 (c) No person shall be appointed as a member of
21 the board of directors unless that person is a resident
22 of the district and a qualified voter. Neither the
23 administrator, an employee of the district, nor a
24 member of the staff of the hospital shall be eligible
25 to serve as a director.

26 Revised Law

27 Sec. 1073.054. BOND. (a) The board may require all
28 district officers and employees charged with handling money to
29 furnish a good bond for not less than \$5,000 that is:

30 (1) payable to the district;

31 (2) conditioned on the faithful performance of the
32 officer's or employee's duties; and

33 (3) signed by a surety company authorized to do
34 business in this state.

35 (b) The board may pay for the bond with district money.

36 (c) The district shall pay the premiums on the bond. (Acts
37 61st Leg., R.S., Ch. 206, Sec. 4(b) (part).)

38 Source Law

39 (b) . . . the directors may require all officers
40 and employees charged with handling funds to furnish

1 good bonds payable to the district and conditioned
2 upon the faithful performance of their duties, but in
3 no event shall such bond be for less than \$5,000. The
4 board may pay for the bond with district funds. The
5 bonds submitted by officers and employees shall be
6 signed by surety companies authorized to do business
7 in the state and the premiums on the bonds shall be
8 paid by the district. . . .

9 Revisor's Note

10 Section 4(b), Chapter 206, Acts of the 61st
11 Legislature, Regular Session, 1969, requires each
12 director to take the constitutional oath of office.
13 The revised law omits that provision because Section
14 1, Article XVI, Texas Constitution, requires all
15 officers to take the oath (or affirmation) before
16 assuming office. The omitted law reads:

17 (b) . . . Directors of the district
18 shall subscribe to the constitutional oath
19 of office and . . .

20 Revised Law

21 Sec. 1073.055. BOARD VACANCY. If a vacancy occurs in the
22 office of director, the remaining directors shall appoint a
23 director for the unexpired term. (Acts 61st Leg., R.S., Ch. 206,
24 Sec. 4(b) (part).)

25 Source Law

26 (b) . . . Vacancies in office shall be filled
27 for the unexpired term by the remainder of the
28 directors. . . .

29 Revised Law

30 Sec. 1073.056. OFFICERS. (a) The board shall elect a
31 president and a vice president from among its members.

32 (b) The board shall appoint a secretary, who need not be a
33 director.

34 (c) Each officer of the board serves for a term of one year.

35 (d) The board shall fill a vacancy in a board office for the
36 unexpired term. (Acts 61st Leg., R.S., Ch. 206, Sec. 4(d) (part).)

37 Source Law

38 (d) The board of directors shall organize by
39 electing one of their number as president and one of
40 their number as vice president. A secretary, who need
41 not be a director, shall be appointed. Officers shall
42 be elected for a term of one year and vacancies shall
43 be filled for the unexpired term by the board of

1 directors. . . .

2 Revised Law

3 Sec. 1073.057. COMPENSATION; EXPENSES. A director or
4 officer serves without compensation but may be reimbursed for
5 actual expenses incurred in the performance of official duties.
6 The expenses must be:

7 (1) reported in the district's records; and

8 (2) approved by the board. (Acts 61st Leg., R.S., Ch.
9 206, Sec. 4(d) (part).)

10 Source Law

11 (d) . . . All members of the board of directors
12 and officers shall serve without compensation, but may
13 be reimbursed for actual expenses incurred in the
14 performance of their official duties upon the approval
15 of such expenses by the board of directors and so
16 reported in the minute book of the district or other
17 records of the district.

18 Revisor's Note

19 Section 4(d), Chapter 206, Acts of the 61st
20 Legislature, Regular Session, 1969, requires that
21 approved expenses be reported in the "minute book of
22 the district or other records of the district." The
23 revised law omits the reference to the "minute book of
24 the district" because the minute book is a district
25 record.

26 Revised Law

27 Sec. 1073.058. DISTRICT ADMINISTRATOR; ASSISTANT
28 ADMINISTRATOR. (a) The board may appoint a qualified person as
29 district administrator.

30 (b) The board may appoint one or more assistant
31 administrators.

32 (c) The district administrator and any assistant
33 administrator serve at the will of the board and are entitled to the
34 compensation determined by the board.

35 (d) Before assuming the duties of district administrator,
36 the board may require the administrator to execute a bond payable to
37 the district in an amount set by the board of not less than \$5,000
38 that:

1 (1) is conditioned on the faithful performance of the
2 administrator's duties; and

3 (2) contains other conditions the board may require.

4 (e) The board may pay for the bond with district money.
5 (Acts 61st Leg., R.S., Ch. 206, Sec. 5(b) (part).)

6 Source Law

7 (b) The board of directors may appoint a
8 qualified person to be known as the administrator of
9 the hospital district and may in its discretion
10 appoint an assistant or assistants to the
11 administrator. Such administrator and assistant
12 administrator, if any, shall serve at the will of the
13 board and shall receive such compensation as may be
14 fixed by the board. The board may require the
15 administrator before assuming the administrator's
16 duties to execute a bond payable to the hospital
17 district in an amount to be set by the board of
18 directors, in no event less than \$5,000 conditioned on
19 the faithful performance of the administrator's duties
20 and containing such other conditions as the board may
21 require. The board may pay for the bond with district
22 funds. . . .

23 Revised Law

24 Sec. 1073.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
25 Subject to the limitations prescribed by the board, the district
26 administrator shall:

27 (1) supervise the work and activities of the district;
28 and

29 (2) direct the affairs of the district. (Acts 61st
30 Leg., R.S., Ch. 206, Sec. 5(b) (part).)

31 Source Law

32 (b) . . . The administrator shall supervise all
33 the work and activities of the district and shall have
34 general direction of the affairs of the district,
35 subject to the limitations as may be prescribed by the
36 board. . . .

37 Revised Law

38 Sec. 1073.060. APPOINTMENT, DISMISSAL, AND RECRUITMENT OF
39 STAFF AND EMPLOYEES. (a) The board, with the district
40 administrator, may appoint doctors to or dismiss doctors from the
41 staff as considered necessary for the efficient operation of the
42 district and may make temporary appointments as warranted.

43 (b) The district may employ fiscal agents, accountants,
44 architects, and attorneys the board considers proper.

1 (c) The board may delegate to the district administrator the
2 authority to hire district employees, including technicians and
3 nurses.

4 (d) The board may spend district money to recruit
5 physicians, nurses, and other trained medical personnel. The board
6 may pay the tuition or other expenses of a full-time medical student
7 or other student in a health occupation who:

8 (1) is enrolled in and is in good standing at an
9 accredited medical school, college, or university; and

10 (2) contractually agrees to become a district employee
11 or independent contractor in return for that assistance. (Acts
12 61st Leg., R.S., Ch. 206, Secs. 5(b) (part), (h), 18.)

13 Source Law

14 (b) . . . The board of directors, with the
15 administrator, shall have the authority to appoint to
16 or dismiss from the staff such doctors as it may be
17 deemed necessary for the efficient operation of the
18 district, and may provide for temporary appointments
19 to the staff if warranted by circumstances. The board
20 may delegate to the administrator the authority to
21 employ technicians, nurses, and employees of the
22 district.

23 (h) The board of directors may spend district
24 funds to recruit physicians, nurses, and other trained
25 medical personnel. The board may contract with one or
26 more full-time medical students or other students in a
27 health occupation who are enrolled in good standing in
28 an accredited medical school, college, or university,
29 to pay the student's tuition or other expenses in
30 consideration of the student's contractual agreement
31 to serve as an employee or independent contractor for
32 the district under terms prescribed by the contract.

33 Sec. 18. The district may employ fiscal agents,
34 accountants, architects, and attorneys as the board
35 may consider proper.

36 Revisor's Note

37 Section 5(h), Chapter 206, Acts of the 61st
38 Legislature, Regular Session, 1969, provides that a
39 student who receives assistance from the district must
40 become a district employee "under terms prescribed by
41 the contract." The revised law omits the quoted
42 language because the provisions of a contract between
43 the board and a student apply by their own terms.

1 Revised Law

2 Sec. 1073.061. PERSONNEL CONTRACTS. (a) The board may
3 contract to provide administrative or other personnel for the
4 operation of hospital facilities.

5 (b) The term of a contract may not exceed 25 years. (Acts
6 61st Leg., R.S., Ch. 206, Sec. 5(f) (part).)

7 Source Law

8 (f) The board may enter into one or more
9 contracts to provide administrative and other
10 personnel for the operation of the hospital
11 facilities. The term of a contract may not exceed 25
12 years from the date on which the contract is
13 entered. . . .

14 Revised Law

15 Sec. 1073.062. SENIORITY. The board may:

16 (1) adopt rules related to the seniority of district
17 employees, including rules for a retirement plan based on
18 seniority; and

19 (2) give effect to previous years of service for
20 district employees continuously employed in the operation or
21 management of hospital facilities acquired or constructed by the
22 district. (Acts 61st Leg., R.S., Ch. 206, Sec. 5(a) (part).)

23 Source Law

24 (a) . . . The board is given full authority to
25 establish rules and regulations relating to seniority
26 of employees of the district (including a retirement
27 plan based thereon) and may give effect to previous
28 years of service for those employees who have been
29 continuously employed in the operation or management
30 of the hospital facilities acquired (including those
31 acquired upon the creation thereof by reason of
32 Section 2 of this Act) or constructed by the district.
33 . . .

34 Revisor's Note

35 (1) Section 5(a), Chapter 206, Acts of the 61st
36 Legislature, Regular Session, 1969, refers to "rules
37 and regulations" established by the board. Throughout
38 this chapter, the revised law omits references to
39 "regulations" because under Section 311.005(5),
40 Government Code (Code Construction Act), a rule is
41 defined to include a regulation.

1 (2) Section 5(a), Chapter 206, Acts of the 61st
2 Legislature, Regular Session, 1969, refers to
3 facilities "including those acquired upon the creation
4 thereof by reason of Section 2 of this Act." The
5 revised law omits the quoted language because the
6 relevant portions of Section 2 were omitted for the
7 reason stated in End of Chapter Revisor's Note (1).

8 Revised Law

9 Sec. 1073.063. RETIREMENT BENEFITS. The board may provide
10 retirement benefits for district employees by:

11 (1) establishing or administering a retirement
12 program; or

13 (2) participating in:

14 (A) the Texas County and District Retirement
15 System; or

16 (B) another statewide retirement system in which
17 the district is eligible to participate. (Acts 61st Leg., R.S., Ch.
18 206, Sec. 5(g).)

19 Source Law

20 (g) The board may provide retirement benefits
21 for the employees of the district by establishing or
22 administering a retirement program or electing to
23 participate in the Texas County and District
24 Retirement System or any other statewide retirement
25 system in which the district is eligible to
26 participate.

27 Revisor's Note

28 (End of Subchapter)

29 (1) Section 4(b), Chapter 206, Acts of the 61st
30 Legislature, Regular Session, 1969, states that a
31 person must file a ballot application with the board
32 secretary to be a candidate for director and
33 prescribes a deadline for filing the application. The
34 revised law omits the requirement to file the
35 application with the board secretary because it
36 duplicates Sections 144.003 and 144.004, Election
37 Code. The revised law omits the filing deadline
38 because it is superseded by Section 144.005, Election

1 Code. Section 1.002, Election Code, provides that the
2 Election Code applies to all elections held in this
3 state. The omitted law reads:

4 (b) . . . Any person desiring to have
5 his name printed on the ballot as a
6 candidate for director shall file an
7 application with the secretary of the board
8 of directors at least 31 days prior to the
9 date of the election. . . .

10 (2) Section 4(b), Chapter 206, Acts of the 61st
11 Legislature, Regular Session, 1969, provides that a
12 majority of the directors constitutes a quorum. The
13 revised law omits that provision because it duplicates
14 Section 311.013, Government Code (Code Construction
15 Act), which provides that a quorum of a public body is
16 a majority of the number of members fixed by statute.
17 The omitted law reads:

18 (b) . . . A majority of the directors
19 shall constitute a quorum.

20 [Sections 1073.064-1073.100 reserved for expansion]

21 SUBCHAPTER C. POWERS AND DUTIES

22 Revised Law

23 Sec. 1073.101. DISTRICT RESPONSIBILITY. The district has
24 full responsibility for:

25 (1) operating all hospital facilities for providing
26 medical and hospital care for the district's needy inhabitants; and

27 (2) providing medical and hospital care for the
28 district's needy inhabitants. (Acts 61st Leg., R.S., Ch. 206,
29 Secs. 2 (part), 21 (part).)

30 Source Law

31 Sec. 2. . . . Such district shall assume full
32 responsibility for providing medical and hospital care
33 for its needy inhabitants and

34 Sec. 21. . . . The said hospital district shall
35 assume full responsibility for the operation of all
36 hospital facilities for the furnishing of medical and
37 hospital care for its needy inhabitants.

38 Revisor's Note

39 Sections 2 and 21, Chapter 206, Acts of the 61st
40 Legislature, Regular Session, 1969, provide that the

1 district "shall assume" full responsibility for
2 providing medical and hospital care for the district's
3 needy inhabitants and for operating hospital
4 facilities. The revised law substitutes "has" for the
5 quoted language because the duty to assume the
6 responsibility is executed.

7 Revised Law

8 Sec. 1073.102. RESTRICTION ON POLITICAL SUBDIVISION
9 TAXATION AND DEBT. A political subdivision that is located within
10 the district or that has the same boundaries as the district may not
11 impose a tax or issue bonds or other obligations for hospital
12 purposes or to provide medical care. (Acts 61st Leg., R.S., Ch.
13 206, Sec. 21 (part).)

14 Source Law

15 Sec. 21. After creation of the hospital
16 district, no municipality or political subdivision
17 within or having the same boundaries of the district
18 shall have the power to levy taxes or issue bonds or
19 other obligations for hospital purposes or for
20 providing medical care. . . .

21 Revisor's Note

22 (1) Section 21, Chapter 206, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that
24 "[a]fter creation of the hospital district," certain
25 political subdivisions may not levy taxes or issue
26 bonds. The revised law omits the quoted language as
27 executed. In addition, throughout this chapter, the
28 revised law substitutes "impose" for "levy" because,
29 in this context, the terms are synonymous and the
30 former is more commonly used.

31 (2) Section 21, Chapter 206, Acts of the 61st
32 Legislature, Regular Session, 1969, refers to a
33 "municipality or political subdivision." The revised
34 law omits the reference to "municipality" because
35 "municipality" is included in the meaning of
36 "political subdivision."

- 1 (11) community mental health centers;
2 (12) research centers or laboratories; and
3 (13) any other facilities the board considers
4 necessary for hospital care.

5 (c) The district may provide any services or facilities
6 necessary for:

- 7 (1) hospital agencies;
8 (2) extended care facilities; and
9 (3) assisted living or personal care facilities,
10 including retirement benefits, housing, and medical office
11 buildings. (Acts 61st Leg., R.S., Ch. 206, Secs. 2 (part), 11
12 (part).)

13 Source Law

14 Sec. 2. . . . it shall provide for the
15 establishment, administration, maintenance,
16 operation, and financing of a hospital system that may
17 include a medical care system, rural health clinics,
18 outpatient clinics, nursing homes, and home health
19 services, and may provide any services or facilities
20 necessary for hospital agencies, extended care
21 facilities, and assisted living or personal care
22 facilities, including retirement benefits, housing,
23 and medical office buildings by the purchase,
24 construction, acquisition, repair, or renovation of
25 buildings and equipment and the equipping of same and
26 the administration thereof for hospital
27 purposes. . . .

28 Sec. 11. . . . The hospital system may include
29 facilities for domiciliary care of the sick, wounded,
30 and injured, facilities for out-patient clinic or
31 clinics, pharmacies, facilities for geriatric
32 domiciliary care, convalescent home facilities,
33 necessary nurses domiciliaries and training centers,
34 blood banks, community mental health centers, and
35 research centers or laboratories, and any other
36 facilities deemed necessary for hospital care by the
37 directors. . . .

38 Revisor's Note

39 Section 11, Chapter 206, Acts of the 61st
40 Legislature, Regular Session, 1969, refers to the care
41 of the "sick, wounded, and injured." The revised law
42 omits the reference to "wounded" because "wounded" is
43 included in the meaning of "injured."

44 Revised Law

45 Sec. 1073.105. RULES. The board may adopt rules governing

1 the operation of the hospital, the hospital system, and the
2 district's staff and employees. (Acts 61st Leg., R.S., Ch. 206,
3 Sec. 5(a) (part).)

4 Source Law

5 (a) . . . The district, through its board of
6 directors, shall have the power and authority . . . to
7 promulgate rules and regulations governing the
8 operation of the hospital, hospital system, its staff
9 and its employees.

10 Revisor's Note

11 Section 5(a), Chapter 206, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that the
13 board may "promulgate rules" to govern the district.
14 The revised law substitutes "adopt" for "promulgate"
15 because the terms are synonymous and the former is more
16 commonly used.

17 Revised Law

18 Sec. 1073.106. PURCHASING AND ACCOUNTING PROCEDURES. The
19 board may prescribe:

20 (1) the method and manner of making purchases and
21 expenditures by and for the district; and

22 (2) all accounting and control procedures. (Acts 61st
23 Leg., R.S., Ch. 206, Sec. 12 (part).)

24 Source Law

25 Sec. 12. The board of directors of such district
26 shall have the power to prescribe the method and manner
27 of making purchases and expenditures by and for such
28 hospital district, and shall also be authorized to
29 prescribe all accounting and control procedures. . . .

30 Revised Law

31 Sec. 1073.107. DISTRICT PROPERTY, FACILITIES, AND
32 EQUIPMENT. (a) The board shall determine the type, number, and
33 location of buildings required to maintain an adequate hospital
34 system.

35 (b) The board may:

36 (1) purchase or lease property, including facilities
37 and equipment, for the district to use in the hospital system; and

38 (2) mortgage or pledge the property as security for

1 the payment of the purchase price.

2 (c) The board may lease district hospital facilities to
3 individuals, corporations, or other legal entities.

4 (d) The board may sell or otherwise dispose of the
5 district's property, including facilities and equipment. (Acts
6 61st Leg., R.S., Ch. 206, Secs. 5(e), (f) (part), 11 (part).)

7 Source Law

8 [Sec. 5]

9 (e) The board may purchase or lease property,
10 facilities, or equipment for the district to use in the
11 hospital system and may mortgage or pledge the
12 property, facilities, or equipment as security for the
13 payment of the purchase price.

14 (f) . . . The board may transfer district
15 hospital facilities by lease to individuals,
16 corporations, or other legal entities and may sell or
17 otherwise dispose of the district's property,
18 facilities, and equipment.

19 Sec. 11. The board of directors is hereby given
20 complete discretion as to the type of buildings, both
21 as to number and location, required to establish and
22 maintain an adequate hospital system. . . .

23 Revisor's Note

24 (1) Section 11, Chapter 206, Acts of the 61st
25 Legislature, Regular Session, 1969, requires the board
26 to determine the buildings required to "establish and
27 maintain" an adequate hospital system. The revised
28 law omits the reference to establishing the hospital
29 system as executed.

30 (2) Section 11, Chapter 206, Acts of the 61st
31 Legislature, Regular Session, 1969, authorizes the
32 district to lease district facilities "upon terms and
33 conditions considered to be to the best interest of its
34 inhabitants, provided that in no event shall any lease
35 be for a period in excess of 25 years from the date
36 entered." Section 11 also authorizes the district to
37 sell or otherwise dispose of "any property, real or
38 personal, or equipment of any nature upon terms and
39 conditions found by the board to be in the best
40 interest of its inhabitants." Section 12, Chapter
41 206, Acts of the 61st Legislature, Regular Session,

1 (c) In a condemnation proceeding brought by the district,
2 the district is not required to:

3 (1) pay in advance or provide a bond or other security
4 for costs in the trial court;

5 (2) provide a bond for the issuance of a temporary
6 restraining order or a temporary injunction; or

7 (3) provide a bond for costs or a supersedeas bond on
8 an appeal or petition for review. (Acts 61st Leg., R.S., Ch. 206,
9 Sec. 16.)

10 Source Law

11 Sec. 16. The district shall have the right and
12 power of eminent domain for the purpose of acquiring by
13 condemnation any and all property of any kind and
14 character in fee simple, or any lessor interest
15 therein, within the boundaries of the district
16 necessary to the powers, rights, and privileges
17 conferred by this Act, in the manner provided by the
18 general law with respect to condemnation by counties,
19 provided that the district shall not be required to
20 make deposits in the registry of the trial court of the
21 sum required by Section 21.021, Property Code, or to
22 make bond as therein provided. In condemnation
23 proceedings being prosecuted by the district, the
24 district shall not be required to pay in advance or
25 give bond or other security for costs in the trial
26 court, nor to give any bond otherwise required for the
27 issuance of a temporary restraining order or a
28 temporary injunction nor to give bond for costs or for
29 supersedeas on any appeal or writ of error.

30 Revisor's Note

31 (1) Section 16, Chapter 206, Acts of the 61st
32 Legislature, Regular Session, 1969, provides that the
33 district has the "right and power of eminent domain for
34 the purpose of acquiring [property] by condemnation."
35 The revised law substitutes for the quoted language
36 "may exercise the power of eminent domain to acquire
37 [property]" because the phrases have the same meaning,
38 and the latter phrase is consistent with modern usage
39 in laws relating to eminent domain.

40 (2) Section 16, Chapter 206, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that the
42 district must exercise the power of eminent domain in
43 the manner provided by "the general law with respect to

1 condemnation by counties." The revised law
2 substitutes for the quoted language a reference to
3 Chapter 21, Property Code, because that is the general
4 law governing eminent domain for governmental
5 entities, including counties.

6 (3) Section 16, Chapter 206, Acts of the 61st
7 Legislature, Regular Session, 1969, refers to a "writ
8 of error." The revised law substitutes "petition for
9 review" for "writ of error" because, effective
10 September 1, 1997, the Texas Supreme Court replaced
11 the writ of error procedure with the petition for
12 review procedure. See Rule 53.1, Rules of Appellate
13 Procedure.

14 Revised Law

15 Sec. 1073.109. GIFTS AND ENDOWMENTS. The board may accept
16 for the district a gift or endowment to be held in trust and
17 administered by the board for the purposes and under the
18 directions, limitations, or other provisions prescribed in writing
19 by the donor that are not inconsistent with the proper management
20 and objectives of the district. (Acts 61st Leg., R.S., Ch. 206,
21 Sec. 20.)

22 Source Law

23 Sec. 20. The board of directors of the hospital
24 district is authorized on behalf of such district to
25 accept donations, gifts, and endowments to be held in
26 trust and administered by the board of directors for
27 such purposes and under such directions, limitations,
28 and provisions as may be prescribed in writing by the
29 donor not inconsistent with proper management and
30 object of the hospital district.

31 Revisor's Note

32 Section 20, Chapter 206, Acts of the 61st
33 Legislature, Regular Session, 1969, refers to
34 "donations" and "gifts." The revised law omits the
35 reference to "donations" because "donations" is
36 included in the meaning of "gifts."

37 Revised Law

38 Sec. 1073.110. OPERATING AND MANAGEMENT CONTRACTS. The

1 board may enter into an operating or management contract relating
2 to a district facility. (Acts 61st Leg., R.S., Ch. 206, Sec. 11
3 (part).)

4 Source Law

5 Sec. 11. . . . The district, through its board
6 of directors, is further authorized to enter into an
7 operating or management contract with regard to its
8 facilities or a part thereof, or

9 Revised Law

10 Sec. 1073.111. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
11 HOSPITALIZATION AND TREATMENT. (a) The board may contract with a
12 county or municipality located outside the district's boundaries
13 for the hospitalization of a sick or injured person of that county
14 or municipality.

15 (b) The district may contract with this state or a federal
16 agency for the hospital treatment of a sick or injured person.
17 (Acts 61st Leg., R.S., Ch. 206, Sec. 5(c) (part).)

18 Source Law

19 (c) [Such board] . . . shall be authorized to
20 contract with any county or incorporated municipality
21 located outside its boundaries for the hospitalization
22 of the sick, diseased, or injured persons of any such
23 county or municipality, and shall have the authority
24 to contract with the State of Texas or agencies of the
25 federal government for the hospital treatment of sick,
26 diseased, or injured persons.

27 Revisor's Note

28 (1) Section 5(c), Chapter 206, Acts of the 61st
29 Legislature, Regular Session, 1969, refers to an
30 "incorporated" municipality. The revised law omits
31 the reference to "incorporated" because under the
32 Local Government Code all municipalities must be
33 incorporated.

34 (2) Section 5(c), Chapter 206, Acts of the 61st
35 Legislature, Regular Session, 1969, refers to the
36 treatment of "sick, diseased, or injured persons."
37 The revised law omits the reference to "diseased"
38 because "diseased" is included in the meaning of
39 "sick."

1 Revised Law

2 Sec. 1073.112. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
3 INVESTIGATORY OR OTHER SERVICES. The board may contract with a
4 political subdivision or governmental agency for the district to
5 provide investigatory or other services for the hospital or welfare
6 needs of district inhabitants. (Acts 61st Leg., R.S., Ch. 206, Sec.
7 5(c) (part).)

8 Source Law

9 (c) Such board shall be authorized to contract
10 with any other political subdivision or governmental
11 agency whereby the district will provide investigatory
12 or other services as to the hospital, or welfare needs
13 of the inhabitants of the district and

14 Revised Law

15 Sec. 1073.113. BIDDING REQUIREMENTS. The district shall
16 comply with the bidding requirements prescribed by Chapter 271,
17 Local Government Code. (Acts 61st Leg., R.S., Ch. 206, Sec. 12
18 (part).)

25 district may provide services outside the district's boundaries.

27 Source Law

28 (j) The hospital district may provide services
29 outside the boundaries of the district.

30 Revised Law

31 Sec. 1073.115. PAYMENT FOR TREATMENT; PROCEDURES. (a)
32 When a patient who resides in the district is admitted to a district
33 facility, the district administrator may have an inquiry made into
34 the circumstances of:

35 (1) the patient; and

36 (2) the patient's relatives who are legally liable for
37 the patient's support.

38 (b) If the district administrator determines that the

1 patient or those relatives cannot pay all or part of the costs of
2 the care and treatment in the hospital, the amount of the costs that
3 cannot be paid becomes a charge against the district.

4 (c) If the district administrator determines that the
5 patient or those relatives can pay for all or part of the costs of
6 the patient's care and treatment, the patient or those relatives
7 shall be ordered to pay the district a specified amount each week
8 for the patient's care and support. The amount ordered must be
9 proportionate to the person's financial ability.

10 (d) The district administrator may collect the amount from
11 the estate of the patient, or from any relative who is legally
12 liable for the patient's support, in the manner provided by law for
13 the collection of expenses of the last illness of a deceased person.

14 (e) If there is a dispute as to the ability to pay, or doubt
15 in the mind of the district administrator, the board shall hold a
16 hearing and, after calling witnesses, shall:

17 (1) resolve the dispute or doubt; and

18 (2) issue any appropriate orders.

19 (f) A final order of the board may be appealed to the
20 district court. The substantial evidence rule applies to the
21 appeal. (Acts 61st Leg., R.S., Ch. 206, Sec. 19.)

22 Source Law

23 Sec. 19. Whenever a patient residing within the
24 district has been admitted to the facilities thereof,
25 the administrator may cause inquiry to be made as to
26 the patient's circumstances and those of the relatives
27 of such patient legally liable for the patient's
28 support. If the administrator finds that such patient
29 or said relatives are able to pay for the patient's
30 care and treatment in whole or in part, an order shall
31 be made directing such patient or said relatives to pay
32 to the hospital district for the care and support of
33 such patient a specified sum per week in proportion to
34 their financial ability. The administrator shall have
35 power and authority to collect such sums from the
36 estate of the patient or the patient's relatives
37 legally liable for the patient's support in the manner
38 provided by law for collection of expenses in the last
39 illness of a deceased person. If the administrator
40 finds that such patient or said relatives are not able
41 to pay either in whole or in part for the patient's care
42 and treatment in such hospital, same shall become a
43 charge upon the hospital district as to the amount of
44 the inability to pay. Should there be any dispute as to
45 the ability to pay or doubt in the mind of the
46 administrator, the board of directors shall hear and

1 determine same after calling witnesses, and shall make
2 such order or orders as may be proper. Appeals from
3 the final order of the board shall lie to the district
4 court. The substantial evidence rule shall apply.

5 Revised Law

6 Sec. 1073.116. AUTHORITY TO SUE AND BE SUED. (a) The
7 district, through the board, may sue and be sued.

8 (b) The district is entitled to all causes of action and
9 defenses to which similar authorities are entitled. (Acts 61st
10 Leg., R.S., Ch. 206, Sec. 5(a) (part).)

11 Source Law

12 (a) . . . The district, through its board of
13 directors, shall have the power and authority to sue
14 and be sued, and shall be entitled to all causes of
15 action and defenses enjoyed by similar authorities,

17 Revisor's Note
18 (End of Subchapter)

19 Section 12, Chapter 206, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that the
21 provisions of Chapter 2253, Government Code, apply to
22 the district's construction contracts in relation to
23 performance and payment bonds. The revised law omits
24 the reference to Chapter 2253, Government Code,
25 because that chapter applies to the district on its own
26 terms. The omitted law reads:

27 Sec. 12. . . . The provisions of
28 Chapter 2253, Government Code, relating to
29 performance and payment bonds shall apply
30 to construction contracts let by the
31 district. . . .

12 Source Law

19 district, the funds received from all sources during
20 the previous year, the funds available from all
21 sources during the ensuing year, with balances
22 expected at end of the year in which the budget is
23 being prepared, and estimated revenues and balances
24 available to cover the proposed budget and the
25 estimated tax rate which will be required, and the
26 proposed expenditures and disbursements and the
27 estimated receipts and collections for the following

29 Revised Law

30 Sec. 1073.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)

32 (b) The board shall publish notice of the hearing in
33 accordance with Chapter 551, Government Code.

34 (c) Any district resident is entitled to be present and
35 participate at the hearing.

36 (d) At the conclusion of the hearing, the board shall adopt
37 a budget by acting on the budget proposed by the district
38 administrator. The board may make any changes in the proposed
39 budget that the board judges to be in the interests of the
40 district's residents and that the law warrants. (Acts 61st Leg.,
41 R.S., Ch. 206, Sec. 6 (part).)

1 (1) when revenue bonds of the district are
2 outstanding; or

3 (2) more than once in a 24-month period. (Acts 61st
4 Leg., R.S., Ch. 206, Sec. 6 (part).)

5 Source Law

6 Sec. 6. The district shall be operated on the
7 basis of a fiscal year established by the board of
8 directors. The fiscal year may not be changed when
9 revenue bonds are outstanding or more than one time in
10 a 24-month period. . . .

11 Revised Law

12 Sec. 1073.156. ANNUAL AUDIT. The board annually shall have

21 RECORDS. The annual audit and other district records shall be open

24 Source Law

25 Sec. 6. . . . [The board shall cause an annual
26 audit to be made of the financial condition of said

28 district, shall be open to inspection at the principal
29 office of the district. . . .

30 Revised Law

31 Sec. 1073.158. FINANCIAL REPORT. As soon as practicable
32 after the close of each fiscal year, the district administrator
33 shall prepare for the board:

34 (1) a complete sworn statement of all district money;
35 and

36 (2) a complete account of the disbursements of that
37 money. (Acts 61st Leg., R.S., Ch. 206, Sec. 6 (part).)

38 Source Law

39 Sec. 6. . . . As soon as practicable after the
40 close of each fiscal year, the administrator shall

1 prepare for the board a full sworn statement of all
2 money belonging to the district and a full account of
3 the disbursements of same.

4 Revised Law

5 Sec. 1073.159. DEPOSITORY. (a) The board shall select one
6 or more banks to serve as a depository for district money.

7 (b) District money, other than money invested as provided by
8 Section 1073.160(b), and money transmitted to a bank for payment of
9 bonds or obligations issued by the district, shall be deposited as
10 received with the depository bank and shall remain on deposit.

11 (c) This chapter, including Subsection (b), does not limit
12 the power of the board to place a part of district money on time
13 deposit or to purchase certificates of deposit.

14 (d) Membership on the district's board of an officer or
15 director of a bank does not disqualify the bank from being
16 designated as a depository bank. (Acts 61st Leg., R.S., Ch. 206,
17 Sec. 13.)

18 Source Law

19 Sec. 13. The board of directors of the district
20 shall name one or more banks to serve as depository for
21 the funds of the district. All funds of the district,
22 except those invested as provided in Section 5, and
23 those transmitted to a bank or banks as payment for
24 bonds or obligations issued by the district, shall be
25 deposited as received with the depository bank and
26 shall remain on deposit, provided that nothing herein
27 shall limit the power of the board to place a portion
28 of such funds on time deposit or purchase certificates
29 of deposit. Membership on the board of directors of an
30 officer or director of a bank shall not disqualify such
31 bank from being designated as depository.

32 Revised Law

33 Sec. 1073.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
34 Except as otherwise provided by this chapter, the district may not
35 incur an obligation payable from district revenue other than the
36 revenue on hand or to be on hand in the current and following
37 district fiscal years.

38 (b) The board may invest operating, depreciation, or
39 building reserves only in securities described by Subchapter A,
40 Chapter 1505, Government Code, or in accordance with Chapter 2256,
41 Government Code. (Acts 61st Leg., R.S., Ch. 206, Secs. 5(a) (part),
42 12 (part).)

1 Source Law

2 Sec. 5. (a) . . . in no event shall any
3 operating, depreciation, or building fund reserves be
4 invested in any funds or securities other than those
5 specified in Articles 835 or 837, Revised Statutes or
6 Chapter 2256, Government Code. . . .

7 Sec. 12. . . . Except as permitted in the
8 preceding sentence and as permitted by Sections 9 and
9 10, the district may incur no obligation payable from
10 any revenues of the district, taxes or otherwise
11 except those on hand or to be on hand within the then
12 current and following fiscal year of the district.

13 Revisor's Note

14 (1) Section 5(a), Chapter 206, Acts of the 61st
15 Legislature, Regular Session, 1969, refers to
16 "Articles 835 or 837, Revised Statutes." Article 835
17 was revised in 1999 as Subchapter A, Chapter 1505,
18 Government Code. Article 837 was impliedly repealed
19 by the enactment of the Public Funds Investment Act of
20 1987 (Article 842a-2, Vernon's Texas Civil Statutes),
21 which was revised in 1993 as Chapter 2256, Government
22 Code. The revised law is drafted accordingly.

23 (2) Section 12, Chapter 206, Acts of the 61st
24 Legislature, Regular Session, 1969, states that
25 "[e]xcept as permitted in the preceding sentence and
26 . . . Sections 9 and 10," the district may not incur
27 certain obligations. The "preceding sentence" is
28 omitted from the revised law for the reason stated in
29 Revisor's Note (2) to Section 1073.107. The other
30 referenced provisions are revised in Subchapter E.
31 However, other provisions of the source law, including
32 Section 20a (revised in this chapter as Section
33 1073.161), clearly give the district the authority to
34 incur additional obligations. Therefore, the revised
35 law substitutes "[e]xcept as otherwise provided by
36 this chapter" for the quoted language.

37 Revised Law

38 Sec. 1073.161. AUTHORITY TO BORROW MONEY; SECURITY. (a)
39 The board may borrow money at a rate not to exceed the maximum

1 annual percentage rate allowed by law for district obligations at
2 the time the loan is made.

3 (b) To secure a loan, the board may pledge:

4 (1) district revenue that is not pledged to pay the
5 district's bonded indebtedness;

6 (2) a district tax to be imposed by the district in the
7 next 12-month period following the date of the pledge that is not
8 pledged to pay the principal of or interest on district bonds; or

9 (3) district bonds that have been authorized but not
10 sold.

11 (c) A loan for which taxes or bonds are pledged must mature
12 not later than the first anniversary of the date the loan is made. A
13 loan for which district revenue is pledged must mature not later
14 than the fifth anniversary of the date the loan is made. (Acts 61st
15 Leg., R.S., Ch. 206, Sec. 20a.)

16 Source Law

17 Sec. 20a. (a) The board may borrow money at a
18 rate not to exceed the maximum annual percentage rate
19 allowed by law for district obligations at the time of
20 the loan.

21 (b) To secure a loan, the board may pledge:

22 (1) the revenues of the district that are
23 not pledged to pay the bonded indebtedness of the
24 district;

25 (2) district taxes to be levied by the
26 district during the 12-month period following the date
27 of the pledge that are not pledged to pay the principal
28 of or interest on district bonds; or

29 (3) district bonds that have been
30 authorized but not sold.

31 (c) A loan for which taxes or bonds are pledged
32 shall mature not later than the first anniversary of
33 the date on which the loan is made. A loan for which
34 district revenues are pledged shall mature not later
35 than the fifth anniversary of the date on which the
36 loan is made.

37 [Sections 1073.162-1073.200 reserved for expansion]

38 SUBCHAPTER E. BONDS

39 Revised Law

40 Sec. 1073.201. GENERAL OBLIGATION BONDS. The board may
41 issue general obligation bonds in the name and on the faith and
42 credit of the district to:

43 (1) purchase, construct, acquire, repair, or renovate
44 buildings or improvements;

1 (2) equip buildings or improvements for hospital
2 purposes; or

3 (3) acquire and operate a mobile emergency medical or
4 air ambulance service. (Acts 61st Leg., R.S., Ch. 206, Sec. 9(a).)

5 Source Law

6 Sec. 9. (a) The board of directors may issue
7 general obligation bonds in the name and upon the faith
8 and credit of such hospital district to:

9 (1) purchase, construct, acquire, repair,
10 or renovate buildings or improvements;

11 (2) equip buildings or improvements for
12 hospital purposes; or

13 (3) acquire and operate a mobile emergency
14 medical or air ambulance service.

15 Revised Law

16 Sec. 1073.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
17 the time general obligation bonds are issued by the district under
18 Section 1073.201, the board shall impose an ad valorem tax at a rate
19 sufficient to create an interest and sinking fund to pay the
20 principal of and interest on the bonds as the bonds mature.

21 (b) The tax required by this section together with any other
22 ad valorem tax the district imposes may not in any year exceed the
23 rate approved by the voters at the election authorizing the
24 imposition of the tax. (Acts 61st Leg., R.S., Ch. 206, Sec. 9(b)
25 (part).)

26 Source Law

27 (b) At the time of the issuances of any general
28 obligation bonds by the district a tax shall be levied
29 by the board sufficient to create an interest and
30 sinking fund to pay the interest on and principal of
31 said bonds as same mature, providing such tax,
32 together with any other taxes levied for said
33 district, shall not exceed the rate of tax approved by
34 the voters at the election authorizing the levy of
35 taxes. . . .

36 Revisor's Note

37 Section 9(b), Chapter 206, Acts of the 61st
38 Legislature, Regular Session, 1969, requires the
39 district to levy a tax to pay the principal of and
40 interest on bonds. The revised law specifies that the
41 tax is an "ad valorem" tax because it is clear from the
42 source law that the tax is a property tax and "ad

1 valorem" is the term most commonly used to refer to a
2 property tax.

3 Revised Law

4 Sec. 1073.203. GENERAL OBLIGATION BOND ELECTION. (a) The
5 district may issue general obligation bonds only if the bonds are
6 authorized by a majority of the district voters voting at an
7 election held for that purpose.

8 (b) The board may order a bond election. The order calling
9 the election must specify:

- 10 (1) the nature and date of the election;
- 11 (2) the hours during which the polls will be open;
- 12 (3) the location of the polling places;
- 13 (4) the amount of the bonds to be authorized; and
- 14 (5) the maximum maturity of the bonds.

15 (c) Notice of a bond election shall be given as provided by
16 Section 1251.003, Government Code.

17 (d) The board shall declare the results of the election.
18 (Acts 61st Leg., R.S., Ch. 206, Sec. 9(b) (part).)

19 Source Law

20 (b) . . . The district may issue general
21 obligation bonds only if the bonds are authorized by a
22 majority of the qualified voters of the district
23 voting at an election called and held for the purpose.
24 The board may order a bond election. The order calling
25 the election shall state the nature and date of the
26 election, the hours during which the polls will be
27 open, the location of the polling places, the amounts
28 of the bonds to be authorized, and the maximum maturity
29 of the bonds. Notice of a bond election shall be given
30 as provided for by Article 704, Revised Statutes. The
31 board shall canvass the returns and declare the
32 results of the election. The election shall be
33 conducted in accordance with the general laws of Texas
34 pertaining to general elections, except as modified by
35 the provisions of this Act.

36 Revisor's Note

37 (1) Section 9(b), Chapter 206, Acts of the 61st
38 Legislature, Regular Session, 1969, refers to a
39 majority vote of the "qualified" voters. The revised
40 law omits "qualified" as unnecessary in this context
41 because Chapter 11, Election Code, governs eligibility
42 to vote in an election in this state and allows only

1 "qualified" voters who are residents of the territory
2 covered by the election to vote in an election.

3 (2) Section 9(b), Chapter 206, Acts of the 61st
4 Legislature, Regular Session, 1969, refers to an
5 election "called and held." The revised law omits
6 references to "calling" an election because, in this
7 context, "calling" an election is included in the
8 meaning of "holding" an election. Under Chapter 3,
9 Election Code, all elections must be ordered (called)
10 before they may be held.

11 (3) Section 9(b), Chapter 206, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that
13 "[t]he board shall canvass the returns" of a bond
14 election. The revised law omits this requirement
15 because it duplicates Section 67.002, Election Code,
16 which requires the governing body of a political
17 subdivision that orders an election to canvass the
18 returns.

19 (4) Section 9(b), Chapter 206, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to Article
21 704, Revised Statutes, which specifies certain notice
22 requirements for a bond election. That provision was
23 codified in 1999 as Section 1251.003, Government Code.
24 The revised law is drafted accordingly.

25 (5) Section 9(b), Chapter 206, Acts of the 61st
26 Legislature, Regular Session, 1969, provides that an
27 election under Section 9(b) "shall be conducted in
28 accordance with the general laws of Texas pertaining
29 to general elections, except as modified by the
30 provisions of this Act." The revised law omits the
31 quoted language because Section 1.002, Election Code,
32 provides that the Election Code applies to all
33 elections held in this state. An exception to the
34 application of the Election Code would apply by its own

1 terms.

2 Revised Law

3 Sec. 1073.204. REVENUE BONDS. (a) The board may issue
4 revenue bonds to:

5 (1) purchase, construct, acquire, repair, renovate,
6 or equip buildings or improvements for hospital purposes;

7 (2) acquire sites to be used for hospital purposes; or

8 (3) acquire and operate a mobile emergency medical or
9 air ambulance service.

10 (b) The bonds must be payable from and secured by a pledge of
11 all or part of the revenue derived from the operation of the
12 district's hospitals.

13 (c) The bonds may be additionally secured by a mortgage or
14 deed of trust lien on all or part of district property.

15 (d) The bonds must be issued in the manner and in accordance
16 with the procedures and requirements prescribed by Sections
17 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
18 and Safety Code, for issuance of revenue bonds by a county hospital
19 authority. (Acts 61st Leg., R.S., Ch. 206, Secs. 9(c), 10 (part).)

20 Source Law

21 [Sec. 9]

22 (c) The district may issue revenue bonds for a
23 purpose described by Subsection (a) of this section.
24 The bonds shall be payable from and secured by a pledge
25 or all or part of the revenues derived from the
26 operation of the district's hospital system. The bonds
27 may be additionally secured by a mortgage or deed of
28 trust on all or part of the district's property. The
29 revenue bonds shall be issued in the manner provided by
30 Sections 264.042, 264.043, 264.046, 264.047, 264.048,
31 and 264.049, Health and Safety Code, for the issuance
32 of revenue bonds by county hospital authorities.

33 Sec. 10. In addition to the power to issue bonds
34 payable from taxes levied by the district, as
35 contemplated by the preceding section, the board of
36 directors is further authorized to issue and . . .
37 revenue bonds for purchasing, constructing,
38 acquiring, repairing, equipping, or renovating
39 buildings and improvements for hospital purposes, and
40 for acquiring sites therefor, such bonds to be payable
41 from and secured by a pledge of all or any part of the
42 revenues of the district to be derived from the
43 operation of its hospital or hospitals, and such bonds
44 may be additionally secured by a mortgage or deed of
45 trust lien on any part or all of its properties. Such
46 bonds shall be issued in the manner and in accordance
47 with the procedures and requirements specified for the

1 issuance of revenue bonds by county hospital
2 authorities in Sections 264.042, 264.043, 264.046,
3 264.047, and 264.048, Health and Safety Code.

4 Revised Law

5 Sec. 1073.205. REFUNDING BONDS. (a) The board may issue
6 refunding bonds to refund outstanding bonds issued by the district.

7 (b) A refunding bond may be:

8 (1) sold, with the proceeds of the refunding bonds
9 applied to the payment of the outstanding indebtedness; or

10 (2) exchanged wholly or partly for not less than a
11 similar principal amount of outstanding indebtedness. (Acts 61st
12 Leg., R.S., Ch. 206, Secs. 9(d) (part), 10 (part).)

13 Source Law

14 [Sec. 9]

15 (d) Refunding bonds of the district may be
16 issued for the purpose of refunding and paying off any
17 outstanding indebtedness issued. Such refunding bonds
18 may be sold and the proceeds therefrom applied to the
19 payment of outstanding indebtedness, or may be
20 exchanged in whole or in part for not less than a like
21 principal amount of such outstanding indebtedness
22

23 Sec. 10. . . . [the board of directors is
24 further authorized to issue and] to refund any
25 previously issued [revenue bonds]

26 Revisor's Note

27 (1) Section 9(d), Chapter 206, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that
29 refunding bonds must bear interest at the same or a
30 lower rate than the debt refunded unless a savings is
31 shown. The revised law omits the provision because it
32 has been superseded by the enactment of the maximum
33 interest rate provision found in Section 1204.006,
34 Government Code. That section reflects the 1981
35 amendment of Chapter 3, Acts of the 61st Legislature,
36 Regular Session, 1969 (Article 717k-2, Vernon's Texas
37 Civil Statutes, now Chapter 1204, Government Code), by
38 Section 1, Chapter 61, Acts of the 67th Legislature,
39 Regular Session, 1981, and permits a public agency,
40 including a hospital district, to issue public
41 securities at any net effective interest rate of 15

1 percent or less. Section 1204.006, Government Code,
2 applies to district bonds by application of Section
3 1204.001, Government Code. The omitted law reads:

4 (d) . . . provided that, if refunding
5 bonds are to be exchanged for a like amount
6 of said outstanding indebtedness, such
7 refunding bonds shall bear interest at the
8 same or lower rate than borne by the debt
9 refunded, unless it is shown mathematically
10 that a saving will result in the total
11 amount of interest to be paid on said
12 refunding bonds, and provided further that
13

14 (2) Section 9(d), Chapter 206, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that
16 refunding bonds sold to pay outstanding indebtedness
17 must be issued and payments made in the manner
18 specified by Chapter 503, Acts of the 54th
19 Legislature, Regular Session, 1955, as amended
20 (Article 717k, Vernon's Texas Civil Statutes).
21 Article 717k was codified in 1999 as Chapter 1207,
22 Government Code. The revised law omits the provision
23 because Chapter 1207, Government Code, applies to the
24 district by its own terms under Section 1207.001,
25 Government Code. The omitted law reads:

26 (d) . . . if such refunding bonds are
27 to be sold and the proceeds thereof applied
28 to the payment of any such outstanding
29 indebtedness, same shall be issued and
30 payments made in the manner specified by
31 Chapter 503, Acts of the 54th Legislature,
32 Regular Session, 1955, as amended (Article
33 717k, Vernon's Texas Civil Statutes).

34 Revised Law

35 Sec. 1073.206. MATURITY OF BONDS. District bonds must
36 mature not later than 40 years after the date of issuance. (Acts
37 61st Leg., R.S., Ch. 206, Sec. 9(e) (part).)

38 Source Law

39 (e) Bonds of the district . . . shall mature
40 within 40 years of their date,

41 Revised Law

42 Sec. 1073.207. EXECUTION OF BONDS. (a) The board president
43 shall execute district bonds in the district's name.

1 (b) The board secretary shall countersign district bonds in
2 the manner provided by Chapter 618, Government Code. (Acts 61st
3 Leg., R.S., Ch. 206, Sec. 9(e) (part).)

4 Source Law

5 (e) [Bonds of the district] . . . shall be
6 executed in the name of the hospital district and in
7 its behalf by the president of the board and
8 countersigned by the secretary in the manner provided
9 by Chapter 204, Acts of the 57th Legislature, Regular
10 Session, 1961, as amended (Article 717j-1, Vernon's
11 Texas Civil Statutes), and

12 Revisor's Note

13 (1) Section 9(e), Chapter 206, Acts of the 61st
14 Legislature, Regular Session, 1969, refers to Chapter
15 204, Acts of the 57th Legislature, Regular Session,
16 1961, as amended (Article 717j-1, Vernon's Texas Civil
17 Statutes). That statute was codified in 1999 as
18 Chapter 618, Government Code, and the revised law is
19 drafted accordingly.

20 (2) Section 9(e), Chapter 206, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that
22 district bonds must bear interest at a rate not to
23 exceed that provided by Chapter 3, Acts of the 61st
24 Legislature, Regular Session, 1969 (Article 717k-2,
25 Vernon's Texas Civil Statutes). The revised law omits
26 that provision because the maximum interest rate noted
27 in Chapter 3 was revised in 1999 as Section 1204.006,
28 Government Code, and Section 1204.006 applies to the
29 district by its own terms by application of Section
30 1204.001, Government Code. The omitted law reads:

31 (e) [Bonds of the district] shall
32 bear interest not to exceed the amount
33 provided by Chapter 3, Acts of the 61st
34 Legislature, Regular Session, 1969 (Article
35 717k-2, Vernon's Texas Civil Statutes),
36

37 (3) Section 9(e), Chapter 206, Acts of the 61st
38 Legislature, Regular Session, 1969, provides that the
39 district bonds are subject to the law governing
40 counties that relates to bond approval by the attorney

1 general and registration of the bonds by the
2 comptroller. Section 9(e) also provides that after
3 approval and registration the bonds are "incontestable
4 for any cause." The revised law omits those provisions
5 as superseded by Chapter 1202, Government Code
6 (enacted as Article 3, Chapter 53, Acts of the 70th
7 Legislature, 2nd Called Session, 1987). Section
8 1202.003(a), Government Code, requires bonds to be
9 submitted to the attorney general. Section
10 1202.003(b), Government Code, provides for approval of
11 the bonds by the attorney general and requires the
12 attorney general to submit the approved bonds to the
13 comptroller for registration. Section 1202.005,
14 Government Code, requires registration of district
15 bonds by the comptroller. Section 1202.006, Government
16 Code, provides that after approval and registration
17 the bonds are incontestable and binding obligations.
18 Chapter 1202, Government Code, applies to district
19 bonds by application of Section 1202.001, Government
20 Code. The omitted law reads:

21 (e) [Bonds of the district] . . .
22 shall be subject to the same requirements in
23 the matter of approval by the Attorney
24 General of Texas and registration by the
25 Comptroller of Public Accounts of the State
26 of Texas as are by law provided for approval
27 and registration of bonds issued by
28 counties. Upon the approval of such bonds
29 by the attorney general and registration by
30 the comptroller, the same shall be
31 incontestable for any cause.

32 Revised Law

33 Sec. 1073.208. BONDS EXEMPT FROM TAXATION. The following
34 are exempt from taxation by this state or a political subdivision of
35 this state:

- 36 (1) bonds issued or assumed by the district;
37 (2) the transfer and issuance of the bonds; or
38 (3) profits made in the sale of the bonds. (Acts 61st
39 Leg., R.S., Ch. 206, Sec. 23 (part).)

1 Source Law

2 Sec. 23. . . . any bonds issued or assumed by it
3 and their transfer and the issuance therefrom,
4 including any profits made in the sale thereof, shall
5 at all times be free from taxation by the state or any
6 municipality or political subdivision thereof.

7 Revisor's Note

8 Section 23, Chapter 206, Acts of the 61st
9 Legislature, Regular Session, 1969, refers to "any
10 municipality or political subdivision." The revised
11 law omits "municipality" because that term is included
12 in the meaning of "political subdivision."

13 Revisor's Note
14 (End of Subchapter)

15 (1) Section 15, Chapter 206, Acts of the 61st
16 Legislature, Regular Session, 1969, provides that
17 district bonds are authorized investments for certain
18 entities. The revised law omits the provision as
19 unnecessary. As to several of the entities listed,
20 Section 15 has been superseded and impliedly repealed.
21 Investments in securities by banks are regulated by
22 Section 34.101, Finance Code (enacted in 1995 as
23 Section 5.101, Texas Banking Act (Article 342-5.101,
24 Vernon's Texas Civil Statutes)). Investments in
25 securities by savings banks are regulated by Section
26 93.001(c)(10), Finance Code (enacted in 1993 as
27 Section 7.15(10), Texas Savings Bank Act (Article
28 489e, Vernon's Texas Civil Statutes)). Investments in
29 securities by trust companies are regulated by Section
30 184.101, Finance Code (enacted in 1997 as Section
31 5.101, Texas Trust Company Act (Article 342a-5.101,
32 Vernon's Texas Civil Statutes)). Investments in
33 securities by savings and loan associations are
34 regulated by Sections 63.002 and 64.001, Finance Code.
35 As to the remaining entities listed, Section 15 is
36 superseded by Section 1201.041, Government Code,
37 enacted as Section 9, Bond Procedures Act of 1981

1 (Article 717k-6, Vernon's Texas Civil Statutes).
2 Section 1201.041, Government Code, applies to district
3 bonds by application of Section 1201.002, Government
4 Code. The revised law omits the reference to public
5 funds of this state because it has been superseded by
6 Section 404.024, Government Code (enacted in 1985 as
7 Section 2.014, Treasury Act (Article 4393-1, Vernon's
8 Texas Civil Statutes)), which governs the investment
9 of state funds. Section 404.024(b)(10), Government
10 Code, authorizes the investment of state funds in
11 obligations of political subdivisions, including
12 hospital districts. The omitted law reads:

13 Sec. 15. All bonds issued hereunder
14 by the district shall be and are hereby
15 declared to be legal and authorized
16 investments of banks, savings banks, trust
17 companies, building and loan associations,
18 savings and loan associations, insurance
19 companies, trustees, and sinking funds of
20 cities, towns, villages, counties, school
21 districts, or other political subdivisions
22 of the State of Texas, and for all public
23 funds of the State of Texas or its agencies
24 including the state permanent school
25 fund. . . .

26 (2) Section 15, Chapter 206, Acts of the 61st
27 Legislature, Regular Session, 1969, provides that
28 district bonds may secure deposits of public funds of
29 this state or political subdivisions of this state.
30 The revised law omits the provisions as impliedly
31 repealed by Section 404.0221, Government Code (enacted
32 in 1995), which lists eligible collateral for deposits
33 of state funds by the comptroller, and by Chapter 2257,
34 Government Code (enacted in 1989 as Article 2529d,
35 Vernon's Texas Civil Statutes), which governs eligible
36 collateral for deposits of funds of other public
37 agencies, including political subdivisions. The
38 omitted law reads:

39 Sec. 15. . . . Such bonds and
40 indebtedness shall be eligible to secure
41 deposit of public funds of the State of
42 Texas and public funds of cities, towns,

1 villages, counties, school districts, or
2 other political subdivisions or
3 corporations of the State of Texas, and
4 shall be lawful and sufficient security for
5 said deposits to the extent of their value
6 when accompanied by all unmatured coupons
7 appurtenant thereto.

9 SUBCHAPTER F. TAXES

10 Revised Law

11 Sec. 1073.251. IMPOSITION OF AD VALOREM TAX. (a) The board
12 may impose a tax on all property in the district subject to district
13 taxation.

14 (b) The board may impose the tax to:

15 (1) pay the interest on and create a sinking fund for
16 bonds and other obligations issued or assumed by the district for
17 hospital purposes;

18 (2) provide for the operation and maintenance of the
19 district and hospital system;

20 (3) make improvements and additions to the hospital
21 system; and

22 (4) acquire necessary sites for the hospital system by
23 purchase, lease, or condemnation.

24 (c) The board may not impose a tax to pay the principal of or
25 interest on revenue bonds. (Acts 61st Leg., R.S., Ch. 206, Secs. 14
26 (part), 17(b) (part).)

27 Source Law

28 Sec. 14. The board of directors shall annually
29 levy a tax . . . for the purpose of (1) paying the
30 interest on and creating a sinking fund for bonds and
31 other obligations which may be issued or assumed by the
32 hospital district for hospital purposes as herein
33 provided; (2) providing for the operation and
34 maintenance of the hospital district and hospital
35 system; and (3) for the purpose of making further
36 improvements and additions to the hospital system, and
37 for the acquisition of necessary sites therefor by
38 purchase, lease or condemnation. . . .

39 [Sec. 17]

40 (b) The board of directors may annually impose
41 property taxes . . . of all taxable property in the
42 district. The taxes may be used to pay for
43 indebtedness issued or assumed by the district and for
44 the maintenance and operating expenses of the
45 district. The district may not impose taxes to pay the
46 principal of or interest on revenue bonds. . . .

1 Revised Law

2 Sec. 1073.252. TAX RATE. (a) The board may impose the tax
3 at a rate not to exceed the limit approved by the voters at the
4 election authorizing the imposition of the tax.

5 (b) The tax rate for all purposes may not exceed 75 cents on
6 each \$100 valuation of all taxable property in the district.

7 (c) In setting the tax rate, the board shall consider the
8 income of the district from sources other than taxation. (Acts 61st
9 Leg., R.S., Ch. 206, Secs. 14 (part), 17(b) (part).)

10 Source Law

11 Sec. 14. [The board of directors shall annually
12 levy a tax] not to exceed the amount hereinabove
13 permitted In setting such tax rate the board
14 shall take into consideration the income of the
15 district from sources other than taxation. . . .

16 [Sec. 17]

17 (b) . . . [The board may impose taxes] in an
18 amount not to exceed the limit approved by the voters
19 at the election authorizing the levy of taxes. The tax
20 rate for all purposes may not exceed 75 cents on each
21 \$100 valuation of all taxable property in the
22 district. . . .

23 Revisor's Note

24 Section 14, Chapter 206, Acts of the 61st
25 Legislature, Regular Session, 1969, requires the board
26 to levy the tax and to certify the tax rate to the tax
27 assessor-collector. The revised law omits that
28 provision because Section 26.05(a), Tax Code, requires
29 the governing body of a taxing unit to adopt a tax rate
30 for the current tax year and to notify the tax assessor
31 of that rate. The omitted law reads:

32 Sec. 14. . . . Upon determination of
33 the amount of tax required to be levied, the
34 board shall make such levy and certify the
35 same to the tax assessor-collector of said
36 district.

37 Revised Law

38 Sec. 1073.253. TAX ASSESSOR-COLLECTOR. The board may
39 provide for the appointment of a tax assessor-collector for the
40 district or may contract for the assessment and collection of taxes
41 as provided by the Tax Code. (Acts 61st Leg., R.S., Ch. 206, Sec.

1 17(b) (part).)

2 Source Law

3 (b) . . . The board may provide for the
4 appointment of a tax assessor-collector for the
5 district or may contract for the assessment and
6 collection of taxes as provided by the Tax Code.

7 Revisor's Note
8 (End of Subchapter)

9 (1) Section 5(i), Chapter 206, Acts of the 61st
10 Legislature, Regular Session, 1969, authorizes the
11 board to institute a suit to enforce the payment of
12 taxes and to foreclose liens to secure that payment.
13 The revised law omits that provision because it
14 duplicates Chapter 33, Tax Code, which authorizes a
15 taxing unit of government to file suit to enforce the
16 payment of taxes and to foreclose a lien to secure that
17 payment. The omitted law reads:

18 (i) The board may institute a suit to
19 enforce the payment of taxes and to
20 foreclose liens to secure the payment of
21 taxes due to the district.

22 (2) Section 17(a), Chapter 206, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that the
24 district may impose taxes for the entire year in which
25 the district is created. The revised law omits that
26 provision as executed. The omitted law reads:

27 Sec. 17. (a) The directors shall have
28 the authority to levy taxes for the entire
29 year in which the district is established as
30 the result of the election herein provided.
31 . . .

32 (3) Section 17(a), Chapter 206, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that
34 district taxes "shall be assessed and collected as
35 provided" by Section 17(b). Section 17(b) provides
36 that the Tax Code governs the appraisal, assessment,
37 and collection of district taxes. The revised law
38 omits those provisions because Section 1.02, Tax Code,
39 requires all taxing units of government to administer
40 the assessment and collection of an ad valorem tax in

1 conformity with Title 1, Tax Code. The omitted law
2 reads:

3 (a) . . . All taxes of the district
4 shall be assessed and collected as provided
5 in Subsection (b) hereof.

6 (b) . . . The Tax Code governs the
7 appraisal, assessment, and collection of
8 district taxes. . . .

9 [Sections 1073.254-1073.300 reserved for expansion]

10 SUBCHAPTER G. DISSOLUTION

11 Revised Law

12 Sec. 1073.301. DISSOLUTION; ELECTION. (a) The district
13 may be dissolved only on approval of a majority of the district
14 voters voting in an election held for that purpose.

15 (b) The board may order an election on the question of
16 dissolving the district and disposing of the district's assets and
17 obligations.

18 (c) The board shall order an election if the board receives
19 a petition requesting an election that is signed by a number of
20 district residents equal to at least 15 percent of the registered
21 voters in the district.

22 (d) The order calling the election must state:

23 (1) the nature of the election, including the
24 proposition to appear on the ballot;

25 (2) the date of the election;

26 (3) the hours during which the polls will be open; and

27 (4) the location of the polling places.

28 (e) Section 41.001(a), Election Code, does not apply to an
29 election ordered under this section. (Acts 61st Leg., R.S., Ch.
30 206, Secs. 20b(a), (b), (c) (part).)

31 Source Law

32 Sec. 20b. (a) The district may be dissolved
33 only if the dissolution is approved by a majority of
34 the qualified voters of the district voting in an
35 election called and held for that purpose.

36 (b) The board may order an election on the
37 question of dissolving the district and disposing of
38 the district's assets and obligations. The board shall
39 order an election if the board receives a petition
40 requesting an election that is signed by a number of
41 residents of the district equal to at least 15 percent
42 of the registered voters in the district.

1 (c) . . . Section 41.001(a), Election Code,
2 does not apply to an election ordered under this
3 section. The order calling the election shall state:
4 (1) the nature of the election, including
5 the proposition that is to appear on the ballot;
6 (2) the date of the election;
7 (3) the hours during which the polls will
8 be open; and
9 (4) the location of the polling places.

10 Revisor's Note

11 (1) Section 20b(a), Chapter 206, Acts of the
12 61st Legislature, Regular Session, 1969, provides for
13 dissolution of the district if approved by a majority
14 of the "qualified" voters. The revised law omits
15 "qualified" for the reason stated in Revisor's Note
16 (1) to Section 1073.203.

17 (2) Section 20b(a), Chapter 206, Acts of the
18 61st Legislature, Regular Session, 1969, provides that
19 the district may be dissolved if authorized at an
20 election "called and held" for that purpose. The
21 revised law omits the reference to "calling" an
22 election for the reason stated in Revisor's Note (2) to
23 Section 1073.203.

24 (3) Section 20b(c), Chapter 206, Acts of the
25 61st Legislature, Regular Session, 1969, states that
26 the election must be held not later than the 60th day
27 after the date the election is ordered. The revised
28 law omits the provision as superseded by Section
29 3.005, Election Code, applicable to the district under
30 Section 1.002, Election Code. Section 3.005, as
31 amended by Chapter 925, Acts of the 78th Legislature,
32 Regular Session, 2003, requires an election order
33 issued by the authority of a political subdivision to
34 be issued not later than the 62nd day before election
35 day and provides that Section 3.005 supersedes a law
36 outside the Election Code to the extent of any
37 conflict. The omitted law reads:

38 (c) The election shall be held not
39 later than the 60th day after the date the
40 election is ordered. . . .

1 Revised Law

2 Sec. 1073.302. NOTICE OF ELECTION. (a) The board shall
3 give notice of an election under this subchapter by publishing once
4 a week for two consecutive weeks a substantial copy of the election
5 order in a newspaper with general circulation in the district.

6 (b) The first publication of the notice must appear not
7 later than the 35th day before the date set for the election. (Acts
8 61st Leg., R.S., Ch. 206, Sec. 20b(d) (part).)

9 Source Law

10 (d) The board shall give notice of the election
11 by publishing a substantial copy of the election order
12 in a newspaper of general circulation in the district
13 once a week for two consecutive weeks. The first
14 publication must appear not fewer than 35 days before
15 the date of the election. . . .

16 Revised Law

17 Sec. 1073.303. BALLOT. The ballot for an election under
18 this subchapter must be printed to permit voting for or against the
19 proposition: "The dissolution of the North Runnels County Hospital
20 District." (Acts 61st Leg., R.S., Ch. 206, Sec. 20b(d) (part).)

21 Source Law

22 (d) . . . The ballot for the election shall be
23 printed to permit voting for or against the
24 proposition: "The dissolution of the North Runnels
25 County Hospital District."

26 Revised Law

27 Sec. 1073.304. ELECTION RESULTS. (a) If a majority of the
28 votes in an election under this subchapter favor dissolution, the
29 board shall find that the district is dissolved.

30 (b) If a majority of the votes in the election do not favor
31 dissolution, the board shall continue to administer the district
32 and another election on the question of dissolution may not be held
33 before the first anniversary of the date of the most recent election
34 to dissolve the district. (Acts 61st Leg., R.S., Ch. 206, Sec.
35 20b(e).)

36 Source Law

37 (e) If a majority of the votes in the election
38 favor dissolution, the board shall find that the
39 district is dissolved. If a majority of the votes in
40 the election do not favor dissolution, the board shall

1 continue to administer the district, and another
2 election on the question of dissolution may not be held
3 before the first anniversary of the most recent
4 election to dissolve the district.

5 Revised Law

6 Sec. 1073.305. TRANSFER OR ADMINISTRATION OF ASSETS. (a)

7 If a majority of the votes in the election held under this
8 subchapter favor dissolution, the board shall:

9 (1) transfer the land, buildings, improvements,
10 equipment, and other assets that belong to the district to Runnels
11 County or another governmental entity in Runnels County; or

12 (2) administer the property, assets, and debts until
13 all money has been disposed of and all district debts have been paid
14 or settled.

15 (b) If the board makes the transfer under Subsection (a)(1),
16 the county or entity assumes all debts and obligations of the
17 district at the time of the transfer and the district is dissolved.

18 (Acts 61st Leg., R.S., Ch. 206, Secs. 20b(f), (g).)

19 Source Law

20 (f) If a majority of the votes in the election
21 favor dissolution, the board shall:

22 (1) transfer the land, buildings,
23 improvements, equipment, and other assets that belong
24 to the district to Runnels County or another
25 governmental entity in Runnels County; or

26 (2) administer the property, assets, and
27 debts until all funds have been disposed of and all
28 district debts have been paid or settled.

29 (g) If the district transfers the land,
30 buildings, improvements, equipment, and other assets
31 to a county or other governmental entity, the county or
32 entity assumes all debts and obligations of the
33 district at the time of the transfer, and the district
34 is dissolved.

35 Revised Law

36 Sec. 1073.306. SALE OR TRANSFER OF ASSETS AND LIABILITIES.

37 (a) Notwithstanding any other provision of this chapter, the
38 district may not be dissolved unless the board provides for the sale
39 or transfer of the district's assets and liabilities to another
40 person.

41 (b) The dissolution of the district and the sale or transfer
42 of the district's assets or liabilities may not contravene a trust
43 indenture or bond resolution relating to the district's outstanding

1 bonds. The dissolution and sale or transfer does not diminish or
2 impair the rights of a holder of an outstanding bond, warrant, or
3 other obligation of the district.

4 (c) The sale or transfer of the district's assets and
5 liabilities must satisfy the debt and bond obligations of the
6 district in a manner that protects the interests of district
7 residents, including the residents' collective property rights in
8 the district's assets.

9 (d) The district may not transfer or dispose of the
10 district's assets except for due compensation unless:

11 (1) the transfer is made to another governmental
12 entity that serves the district; and

13 (2) the transferred assets are to be used for the
14 benefit of the district's residents.

15 (e) A grant from federal funds is an obligation to be repaid
16 in satisfaction. (Acts 61st Leg., R.S., Ch. 206, Secs. 20b(m),
17 (n).)

18 Source Law

19 (m) Notwithstanding any other provisions of
20 this Act, the district may not be dissolved unless the
21 board provides for the sale or transfer of the
22 district's assets and liabilities to another person or
23 entity. The dissolution of the district and the sale
24 or transfer of the district's assets and liabilities to
25 another person or entity may not contravene a trust
26 indenture or bond resolution relating to the
27 outstanding bonds of the district. The dissolution
28 and sale or transfer does not diminish or impair the
29 rights of a holder of an outstanding bond, warrant, or
30 other obligation of the district.

31 (n) The sale or transfer of the district's
32 assets and liabilities must satisfy the debt and bond
33 obligations of the district in a manner that protects
34 the interests of the residents of the district,
35 including the residents' collective property rights in
36 the district's assets. A grant from federal funds is
37 an obligation to be repaid in satisfaction. The
38 district may not transfer or dispose of the district's
39 assets except for due compensation unless the transfer
40 is made to another governmental entity that serves the
41 district and the transferred assets are to be used for
42 the benefit of the residents of the district.

43 Revisor's Note

44 Section 20b(m), Chapter 206, Acts of the 61st
45 Legislature, Regular Session, 1969, refers to "another
46 person or entity." The revised law omits "entity"

1 because "entity" is included in the meaning of
2 "person" under Section 311.005(2), Government Code
3 (Code Construction Act).

4 Revised Law

5 Sec. 1073.307. IMPOSITION OF TAX AND RETURN OF SURPLUS
6 TAXES. (a) After the board finds that the district is dissolved,
7 the board shall:

8 (1) determine the debt owed by the district; and

9 (2) impose on the property included in the district's
10 tax rolls a tax that is in proportion of the debt to the property
11 value.

12 (b) On the payment of all outstanding debts and obligations
13 of the district, the board shall order the secretary to return to
14 each district taxpayer the taxpayer's pro rata share of all unused
15 tax money.

16 (c) A taxpayer may request that the taxpayer's share of
17 surplus tax money be credited to the taxpayer's county taxes. If a
18 taxpayer requests the credit, the board shall direct the secretary
19 to transmit the money to the county tax assessor-collector. (Acts
20 61st Leg., R.S., Ch. 206, Secs. 20b(h), (i), (j).)

21 Source Law

22 (h) After the board finds that the district is
23 dissolved, the board shall:

24 (1) determine the debt owed by the
25 district; and

26 (2) impose on the property included in the
27 district's tax rolls a tax that is in proportion of the
28 debt to the property value.

29 (i) When all outstanding debts and obligations
30 of the district are paid, the board shall order the
31 secretary to return the pro rata share of all unused
32 tax money to each district taxpayer.

33 (j) A taxpayer may request that the taxpayer's
34 share of surplus tax money be credited to the
35 taxpayer's county taxes. If a taxpayer requests the
36 credit, the board shall direct the secretary to
37 transmit the funds to the county tax
38 assessor-collector.

39 Revised Law

40 Sec. 1073.308. REPORT; DISSOLUTION ORDER. (a) After the
41 district has paid all district debts and has disposed of all
42 district money and other assets as prescribed by this subchapter,

1 the board shall file a written report with the Commissioners Court
2 of Runnels County summarizing the board's actions in dissolving the
3 district.

4 (b) Not later than the 10th day after the date the
5 Commissioners Court of Runnels County receives the report and
6 determines that the requirements of this subchapter have been
7 fulfilled, the commissioners court shall enter an order dissolving
8 the district and releasing the board from any further duty or
9 obligation. (Acts 61st Leg., R.S., Ch. 206, Secs. 20b(k), (l).)

10 Source Law

11 (k) After the district has paid all its debts
12 and has disposed of all its assets and funds as
13 prescribed by this section, the board shall file a
14 written report with the Commissioners Court of Runnels
15 County setting forth a summary of the board's actions
16 in dissolving the district.

17 (l) Not later than the 10th day after the date it
18 receives the report and determines that the
19 requirements of this section have been fulfilled, the
20 Commissioners Court of Runnels County shall enter an
21 order dissolving the district and releasing the board
22 from any further duty or obligation.

23 Revisor's Note
24 (End of Chapter)

25 (1) Sections 2, 5(d), 7, and 8, Chapter 206,
26 Acts of the 61st Legislature, Regular Session, 1969,
27 provide for the sale or transfer of certain land,
28 buildings, improvements, equipment, funds, and taxes
29 to the district after the district is created and
30 provide for the assumption of debt by the district on
31 creation. The revised law omits those provisions as
32 executed. The omitted law reads:

33 Sec. 2. The district herein
34 authorized to be created shall take over and
35 there shall be transferred to it the title
36 to all lands, buildings, improvements, and
37 equipment in anywise pertaining to
38 hospitals owned by the county or by any city
39 or town within the district, and thereafter
40 . . . shall assume the outstanding
41 indebtedness which shall have been incurred
42 by Runnels County, and any city or town
43 therein for hospital purposes prior to the
44 creation of the district.

45 [Sec. 5]

46 (d) The hospital district created by
47 this Act is authorized to purchase from any

1 city hospital within the district, and each
2 said authority is hereby authorized to sell
3 to said hospital district, any and all
4 hospital facilities, including all lands,
5 buildings, equipment, and properties owned
6 by them upon such terms and for such prices
7 as they may mutually agree. If any such
8 hospital authority sells its facilities to
9 the district, that authority shall no
10 longer be authorized to perform hospital
11 services within the boundaries of the
12 district herein authorized nor issue bonds
13 therefor.

14 Sec. 7. All lands, buildings, and
15 equipment within the district at the time of
16 the creation of the district which are owned
17 by Runnels County, Texas, or by any city or
18 town therein and which were acquired by them
19 for the purpose of providing hospital
20 service or care for patients of such county
21 or city, shall become the property of North
22 Runnels County Hospital District and the
23 Commissioners Court of Runnels County and
24 the governing body of any such city or town
25 shall provide by order that all property so
26 owned shall be conveyed to the North Runnels
27 County Hospital District in consideration
28 of the hospital district assuming all debts
29 and obligations arising from the
30 acquisition, construction and operation of
31 such county and city or town hospital
32 facilities. The hospital district, through
33 its board of directors, shall by resolution
34 accept said properties and shall assume all
35 the liabilities and obligations, including
36 bonds and warrants incurred by Runnels
37 County or such city or town for such
38 hospital purposes.

39 Sec. 8. Any funds remaining in the
40 hands of the county or any city or town
41 therein, as the proceeds of bonds assumed by
42 the district, as herein provided, shall
43 forthwith be transferred to and become the
44 funds of the hospital district and title
45 thereto shall vest in such district. There
46 shall also vest in said district and become
47 the funds thereof the unspent portion of any
48 other funds theretofore set up or
49 appropriated by budget or otherwise by
50 Runnels County or any city or town thereof
51 for the support and maintenance of hospital
52 facilities for the year within which the
53 hospital district is created, thereby
54 providing such hospital district with funds
55 with which to maintain and operate such
56 facilities for the remainder of such year.
57 Any uncollected or delinquent taxes levied
58 for hospital purposes by Runnels County or
59 any city or town thereof, as collected,
60 shall be paid to the district and applied by
61 it to the purpose for which such taxes
62 originally were levied. Any and all
63 obligations under contracts legally
64 incurred by Runnels County or any city or
65 town therein for the building or the support
66 and maintenance of hospital facilities
67 prior to the creation of said district but
68 outstanding at the time of its creation

1 shall be assumed and discharged by such
2 district without prejudice to the rights of
3 third parties. It is provided that the
4 management and control of the property and
5 affairs of any hospital system or systems
6 owned and operated by Runnels County or any
7 city or town thereof shall continue in the
8 existing board of managers until
9 appointment and organization of the board
10 of directors of the hospital district, at
11 which time the board of managers of the
12 present hospital or hospital system shall
13 turn over all records, property and affairs
14 of said hospital system to the board of
15 directors of the district and shall cease to
16 exist as a board of managers of the existing
17 hospital system.

18 The Commissioners Court of Runnels
19 County and the governing body of any city
20 therein owning the hospital or hospital
21 system, as the case may be, as soon as the
22 hospital district is created and authorized
23 at the election hereinabove provided, and
24 there have been appointed and qualified the
25 board of hospital directors above provided
26 for, shall execute and deliver to the
27 hospital district, to-wit: to its board of
28 directors, an instrument in writing
29 conveying to said hospital district the
30 hospital properties including management,
31 buildings, and equipment, and shall
32 transfer to said hospital district the
33 funds hereinabove provided to be vested in
34 the hospital district. Such funds, in the
35 hands of the hospital district and its board
36 of directors shall be used for all or any of
37 the same purposes and for no other purposes
38 than the purposes for which the county or
39 city transferring such funds could lawfully
40 have used the same had they remained the
41 property and funds of such county or city.

42 (2) Section 24, Chapter 206, Acts of the 61st
43 Legislature, Regular Session, 1969, provides that the
44 act is severable. The revised law omits that provision
45 because it duplicates Section 311.032, Government Code
46 (Code Construction Act), which provides that a
47 provision of a statute is severable from each other
48 provision of the statute that can be given effect. The
49 omitted law reads:

50 Sec. 24. . . . If any provision of
51 this Act should be invalid, such fact shall
52 not affect the authorization for the
53 creation of the District or the validity of
54 any other provisions of this Act, and the
55 Legislature hereby declares that it would
56 have created the District and enacted the
57 valid provisions of this Act
58 notwithstanding the invalidity of any other
59 provision or provisions hereof.

1 (3) Section 25, Chapter 206, Acts of the 61st
 2 Legislature, Regular Session, 1969, provides that
 3 public notice of enactment of the statute was provided
 4 in a manner that satisfies the requirements of the
 5 Texas Constitution. The revised law omits that
 6 section as executed. The omitted law reads:

7 Sec. 25. Proof of publication of the
 8 notice required in the enactment hereof
 9 under the provisions of Article IX, Section
 10 9, of the Texas Constitution has been made
 11 in the manner and form provided by law
 12 pertaining to the enactment of local and
 13 special laws, and such notice is hereby
 14 found and declared proper and sufficient to
 15 satisfy such requirement.

10 CHAPTER 1077. GAINESVILLE HOSPITAL DISTRICT

11 SUBCHAPTER A. GENERAL PROVISIONS

12 Revised Law

13 Sec. 1077.001. DEFINITIONS. In this chapter:

14 (1) "Board" means the board of directors of the
15 district.

16 (2) "Director" means a member of the board.

17 (3) "District" means the Gainesville Hospital
18 District. (New.)

19 Revisor's Note

20 The definitions of "board," "director," and
21 "district" are added to the revised law for drafting
22 convenience and to eliminate frequent, unnecessary
23 repetition of the substance of the definitions.

24 Revised Law

25 Sec. 1077.002. AUTHORITY FOR OPERATION. The Gainesville
26 Hospital District operates in accordance with Section 9, Article
27 IX, Texas Constitution. (Acts 64th Leg., R.S., Ch. 211, Sec. 1
28 (part).)

29 Source Law

30 Sec. 1. In accordance with the provisions of the
31 Texas Constitution, Article IX, Section 9, this Act
32 hereby authorizes the creation, establishment,
33 maintenance, and operation of a hospital district
34 within the State of Texas to be known as the
35 Gainesville Hospital District and

36 Revisor's Note

37 Section 1, Chapter 211, Acts of the 64th

1 Legislature, Regular Session, 1975, authorizes the
2 "creation, establishment, maintenance, and operation"
3 of the district. The revised law omits "creation" and
4 "establishment" as executed. The revised law omits
5 "maintenance" because, in this context, the meaning of
6 that term is included in the meaning of "operation."

7 Revised Law

8 Sec. 1077.003. POLITICAL SUBDIVISION. The district is a
9 political subdivision of this state. (Acts 64th Leg., R.S., Ch.
10 211, Sec. 17 (part).)

11 Source Law

12 Sec. 17. The hospital district authorized to be
13 created under the provisions of this Act shall be and
14 is declared to be a political subdivision of the State
15 of Texas, and

16 Revised Law

17 Sec. 1077.004. DISTRICT TERRITORY. The boundaries of the
18 district are coextensive with the boundaries of Cooke County,
19 Texas, except that the district does not include territory located
20 in the Muenster Hospital District on the date the election to
21 approve the creation of the Gainesville Hospital District was
22 called. (Acts 64th Leg., R.S., Ch. 211, Sec. 1 (part).)

23 Source Law

24 Sec. 1. . . . to include within its boundaries
25 all the territory located within Cooke County, Texas,
26 except that territory which at the time the election to
27 approve the creation of such district is called (as
28 provided in Section 3 hereof) is within the Muenster
29 Hospital District.

30 Revisor's Note

31 Section 1, Chapter 211, Acts of the 64th
32 Legislature, Regular Session, 1975, refers to the
33 election to approve creation of the district "as
34 provided in Section 3." As explained in the revisor's
35 note to the end of this subchapter, Section 3, Chapter
36 211, is executed. The revised law therefore omits the
37 reference.

1 Revised Law

2 Sec. 1077.005. PUBLIC PURPOSE; TAX EXEMPTION. All property
3 owned by the district:

4 (1) shall be held for public purposes; and

5 (2) is exempt from taxation of every character by this
6 state or a political subdivision of this state. (Acts 64th Leg.,
7 R.S., Ch. 211, Sec. 17 (part).)

8 Source Law

9 Sec. 17. . . . In addition, all property owned
10 by the district shall be held for public purposes and
11 shall be exempt from taxation of every character by the
12 state or any municipality or political subdivision
13 thereof.

14 Revisor's Note

15 Section 17, Chapter 211, Acts of the 64th
16 Legislature, Regular Session, 1975, refers to a
17 "municipality or political subdivision." Throughout
18 this chapter, the revised law omits the references to
19 "municipality" because "municipality" is included in
20 the meaning of "political subdivision."

21 Revised Law

22 Sec. 1077.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
23 OBLIGATION. The support and maintenance of the district may not
24 become a charge against or obligation of this state. (Acts 64th
25 Leg., R.S., Ch. 211, Sec. 18 (part).)

26 Source Law

27 Sec. 18. The support and maintenance of
28 Gainesville Hospital District shall never become a
29 charge against or obligation of the State of Texas
30

31 Revised Law

32 Sec. 1077.007. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
33 The legislature may not make a direct appropriation for the
34 construction, maintenance, or improvement of a district facility.
35 (Acts 64th Leg., R.S., Ch. 211, Sec. 18 (part).)

36 Source Law

37 Sec. 18. . . . nor shall any direct
38 appropriation be made by the legislature for the
39 construction, maintenance, or improvement of any of

1 the facilities of such district.

2 Revisor's Note
3 (End of Subchapter)

4 Section 3, Chapter 211, Acts of the 64th
5 Legislature, Regular Session, 1975, provides
6 procedures for holding an election on the creation of
7 the district and the imposition of an ad valorem tax.
8 Because the creation of the district and the
9 imposition of the tax were approved at the election,
10 the revised law omits the relevant law as executed.
11 The omitted law reads:

12 Sec. 3. The district shall not be
13 created nor shall any tax therein be
14 authorized unless and until such creation
15 and such tax are approved by a majority of
16 the qualified property taxpaying electors
17 residing within boundaries of the proposed
18 district voting at an election called for
19 such purpose. Such election shall be called
20 by a majority of the temporary or
21 provisional directors of the district and
22 shall be held not less than 30 nor more than
23 60 days from the time such election is
24 ordered. The order calling the election
25 shall specify the time and places of holding
26 same, the form of ballot, and the presiding
27 judge for each voting place. Notice of
28 election shall be given by publishing a
29 substantial copy of the election order in a
30 newspaper of general circulation in the
31 area of the proposed district once a week
32 for two consecutive weeks, the first
33 publication to appear at least 14 days prior
34 to the date set for the election. The
35 failure of any such election shall not
36 operate to prohibit the calling and holding
37 of subsequent elections for the same
38 purpose. At said election there shall be
39 submitted to the qualified property
40 taxpaying electors of said proposed
41 district the proposition of whether the
42 Gainesville Hospital District shall be
43 created with authority to levy annual taxes
44 at a rate not to exceed 75 cents on the \$100
45 valuation of all taxable property within
46 such district for the purpose of meeting the
47 requirements of the district's bonds
48 (including those assumed) and for the care
49 of indigents; and a majority of the
50 qualified taxpaying electors of the
51 district voting at said election in favor of
52 the proposition shall be sufficient for its
53 adoption. The ballots shall be prepared so
54 as to permit voting "FOR" or "AGAINST" the
55 following ballot proposition:

56 "THE CREATION OF GAINESVILLE HOSPITAL
57 DISTRICT AND THE AUTHORIZATION TO LEVY
58 ANNUAL TAXES AT A RATE NOT TO EXCEED 75
59 CENTS ON THE \$100 VALUATION OF ALL TAXABLE

1 PROPERTY WITHIN SUCH DISTRICT."

2 [Sections 1077.008-1077.050 reserved for expansion]

3 SUBCHAPTER B. DISTRICT ADMINISTRATION

4 Revised Law

5 Sec. 1077.051. BOARD ELECTION; TERM. (a) The district is
6 governed by a board of nine directors.

7 (b) Directors serve staggered three-year terms.

8 (c) An election shall be held on the uniform election date
9 in May of each year to elect the appropriate number of directors.

10 (Acts 64th Leg., R.S., Ch. 211, Secs. 4(a), (b), (c) (part).)

11 Source Law

12 Sec. 4. (a) The district is governed by a board
13 of nine directors.

14 (b) Directors serve staggered three-year terms.

15 (c) A regular election for directors shall be
16 held on the uniform election date in May of each year
17 to elect the appropriate number of directors. . . .

18 Revisor's Note

19 Section 3, Chapter 415, Acts of the 80th
20 Legislature, Regular Session, 2007, provides for the
21 staggering of terms for directors elected in 2008 and
22 2009 to accomplish the change of the members' terms
23 from two to three years. Because this chapter will not
24 take effect until 2011, the revised law omits those
25 provisions as executed. The omitted law reads:

26 Sec. 3. (a) The election of
27 directors scheduled before the effective
28 date of this Act to be held in May, 2008,
29 shall be held, and the three directors who
30 receive the highest number of votes shall
31 each be elected to serve three-year terms.
32 The two remaining directors elected shall
33 be elected to serve two-year terms.
34 Successor directors shall serve three-year
35 terms.

36 (b) Four directors shall be elected
37 in 2009. The director who receives the
38 highest number of votes shall be elected to
39 serve a four-year term. The three remaining
40 directors elected shall be elected to serve
41 three-year terms. Successor directors
42 shall serve three-year terms.

43 Revised Law

44 Sec. 1077.052. NOTICE OF ELECTION. Notice of an election of
45 directors shall be published in a newspaper of general circulation

1 in the area of the district in accordance with Section 4.003,
2 Election Code. (Acts 64th Leg., R.S., Ch. 211, Sec. 4(c) (part).)

3 Source Law

4 (c) . . . Notice of such election shall be
5 published in a newspaper of general circulation in the
6 area of the district in accordance with Section 4.003,
7 Election Code.

8 Revised Law

9 Sec. 1077.053. QUALIFICATIONS FOR OFFICE. To be qualified
10 to hold office as a director, a person must be:

- 11 (1) a resident of the district; and
12 (2) a registered voter. (Acts 64th Leg., R.S., Ch.
13 211, Sec. 4(g).)

14 Source Law

15 (g) To be qualified to hold office as a director
16 of the district, a person must be a resident of the
17 district and a registered voter.

18 Revisor's Note

19 Section 4(i), Chapter 211, Acts of the 64th
20 Legislature, Regular Session, 1975, requires each
21 director to take the constitutional oath of office.
22 The revised law omits that provision because Section
23 1, Article XVI, Texas Constitution, requires all
24 officers to take the oath (or affirmation) before
25 assuming office. The omitted law reads:

26 (i) Each director and his successor
27 in office shall qualify by executing the
28 constitutional oath of office.

29 Revised Law

30 Sec. 1077.054. MEETING ATTENDANCE REQUIREMENT. (a) A
31 director who fails to attend at least four regular meetings in any
32 12-month period is considered to have resigned the director's
33 position, effective immediately on the date of the fourth absence.
34 Further action is not required by the director or the board to
35 effectuate a vacancy under this subsection.

36 (b) A vacancy created by a resignation under this section
37 shall be filled as provided by Section 1077.055. (Acts 64th Leg.,
38 R.S., Ch. 211, Sec. 4(e).)

1 Revised Law

2 Sec. 1077.058. DISTRICT ADMINISTRATOR; ASSISTANT
3 ADMINISTRATOR. (a) The board shall appoint a qualified person as
4 district administrator.

5 (b) The board may appoint an assistant administrator.

6 (c) The district administrator and any assistant
7 administrator serve at the will of the board and are entitled to the
8 compensation determined by the board.

9 (d) On assuming the duties of district administrator, the
10 administrator shall execute a bond payable to the district in an
11 amount set by the board of not less than \$5,000 that:

12 (1) is conditioned on the administrator performing the
13 administrator's duties; and

14 (2) contains other conditions the board may require.

15 (e) The board may pay for the bond with district money.
16 (Acts 64th Leg., R.S., Ch. 211, Sec. 5(b) (part).)

17 Source Law

18 (b) The board of directors shall appoint a
19 qualified person to be known as the administrator of
20 the hospital district and may in its discretion
21 appoint an assistant to the administrator. Such
22 administrator and assistant administrator, if any,
23 shall serve at the will of the board and shall receive
24 such compensation as may be fixed by the board. The
25 administrator shall, upon assuming his duties, execute
26 a bond payable to the hospital district in an amount to
27 be set by the board of directors, in no event less than
28 \$5,000, conditioned that he shall perform the duties
29 required of him, and containing such other conditions
30 as the board may require. The board may pay for the
31 bond with district funds. . . .

32 Revised Law

33 Sec. 1077.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
34 Subject to the limitations prescribed by the board, the district
35 administrator shall:

36 (1) supervise the work and activities of the district;
37 and

38 (2) direct the affairs of the district. (Acts 64th
39 Leg., R.S., Ch. 211, Sec. 5(b) (part).)

40 Source Law

41 (b) . . . The administrator shall supervise all

1 the work and activities of the hospital district and
2 shall have general direction of the affairs of the
3 district, subject to such limitations as may be
4 prescribed by the board.

5 Revised Law

6 Sec. 1077.060. APPOINTMENT AND DISMISSAL OF STAFF AND
7 EMPLOYEES. (a) The board may appoint to or dismiss from the
8 medical staff the physicians, dentists, and podiatrists the board
9 determines necessary for the efficient operation of the district.

10 (b) The district may employ technicians, nurses, fiscal
11 agents, accountants, architects, additional attorneys, and other
12 necessary employees.

13 (c) The board may delegate to the district administrator the
14 authority to hire district employees. (Acts 64th Leg., R.S., Ch.
15 211, Secs. 5(c), (d).)

16 Source Law

17 (c) The board of directors shall have the
18 authority to appoint to or dismiss from the medical
19 staff such physicians, dentists, and podiatrists as
20 the board determines are necessary for the efficient
21 operation of the hospital district.

22 (d) The district may employ technicians,
23 nurses, fiscal agents, accountants, architects,
24 additional attorneys, and other necessary employees.
25 The board may delegate to the administrator the
26 authority to employ persons for the district.

27 Revised Law

28 Sec. 1077.061. PERSONNEL CONTRACTS. (a) The board may
29 contract with a nonprofit corporation for the corporation to
30 provide administrative and other personnel for the operation of the
31 hospital facilities.

32 (b) The term of the contract may not exceed 25 years from the
33 date the contract is executed. (Acts 64th Leg., R.S., Ch. 211, Sec.
34 5(f).)

35 Source Law

36 (f) The board may also enter into a contract or
37 contracts with nonprofit corporations whereby such
38 corporations agree to provide administrative and other
39 personnel for the operation of the hospital
40 facilities, but in no event may such contract be for a
41 period in excess of 25 years from the date the same is
42 executed.

43 Revised Law

44 Sec. 1077.062. RETIREMENT BENEFITS. The board may enter

1 into any contract or agreement with this state or the federal
2 government that is required to establish or continue a retirement
3 program for the benefit of the district's employees. (Acts 64th
4 Leg., R.S., Ch. 211, Sec. 5(e) (part).)

5 Source Law

6 (e) . . . The board of directors is also
7 authorized to enter into such contracts or agreements
8 with the State of Texas or the federal government as
9 may be required to establish or continue a retirement
10 program for the benefit of the district's employees.

11 Revisor's Note
12 (End of Subchapter)

13 (1) Section 4(c), Chapter 211, Acts of the 64th
14 Legislature, Regular Session, 1975, states that a
15 person must file a ballot application with the board
16 secretary to be a candidate for director in accordance
17 with Chapter 144, Election Code. The revised law omits
18 the statement because Chapter 144 applies to the
19 district by its own terms under Section 1.002,
20 Election Code. The omitted law reads:

21 (c) . . . Any person desiring the
22 person's name to be printed on the ballot as
23 a candidate for director shall file an
24 application with the secretary of the board
25 of directors of the district in accordance
26 with Chapter 144, Election Code. . . .

27 (2) Section 4(j), Chapter 211, Acts of the 64th
28 Legislature, Regular Session, 1975, provides that a
29 majority of the board constitutes a quorum for the
30 transaction of business. The revised law omits that
31 provision because it duplicates Section 311.013,
32 Government Code (Code Construction Act), which
33 provides that a quorum of a public body is a majority
34 of the number of members fixed by statute. The revised
35 law also omits "for the transaction of any business"
36 because "quorum" means the number of persons or votes
37 necessary for a body to act. The omitted law reads:

38 (j) A majority of the board shall
39 constitute a quorum for the transaction of
40 business.

2 SUBCHAPTER C. POWERS AND DUTIES

3 Revised Law

4 Sec. 1077.101. DISTRICT RESPONSIBILITY. (a) The district
5 has full responsibility for operating all hospital facilities for
6 providing medical and hospital care of the indigent persons in the
7 district.

8 (b) The district shall provide medical and hospital care for
9 the district's needy inhabitants. (Acts 64th Leg., R.S., Ch. 211,
10 Secs. 2 (part), 16 (part).)

11 Source Law

12 Sec. 2. The hospital district herein authorized
13 to be created shall provide medical and hospital care
14 for its needy inhabitants and

15 Sec. 16. . . . the said Gainesville Hospital
16 District shall assume full responsibility for the
17 operation of all hospital facilities for the
18 furnishing of medical and hospital care of indigent
19 persons within its boundaries.

20 Revisor's Note

21 Section 16, Chapter 211, Acts of the 64th
22 Legislature, Regular Session, 1975, provides that the
23 district "shall assume" full responsibility for the
24 operation of hospital facilities for the indigent.
25 The revised law substitutes "has" for the quoted
26 language because the duty to assume responsibility is
27 executed.

28 Revised Law

29 Sec. 1077.102. RESTRICTION ON POLITICAL SUBDIVISION
30 TAXATION AND DEBT. A political subdivision in the district, other
31 than the district, may not impose a tax or issue bonds or other
32 obligations for hospital purposes for medical treatment of indigent
33 persons in the district. (Acts 64th Leg., R.S., Ch. 211, Sec. 16
34 (part).)

35 Source Law

36 Sec. 16. After creation of Gainesville Hospital
37 District, as herein provided, no other municipality or
38 political subdivision therein shall thereafter issue
39 bonds or other evidence of indebtedness or levy taxes

1 for hospital purposes for medical treatment of
2 indigent persons within the boundaries of said
3 district, and

4 Revisor's Note

5 (1) Section 16, Chapter 211, Acts of the 64th
6 Legislature, Regular Session, 1975, provides that
7 "[a]fter creation of Gainesville Hospital District,"
8 certain political subdivisions may not issue bonds or
9 levy taxes for certain purposes. The revised law omits
10 the quoted language as executed. In addition,
11 throughout this chapter, the revised law substitutes
12 "impose" for "levy" because, in this context, the
13 terms are synonymous and the former is more commonly
14 used.

15 (2) Section 16, Chapter 211, Acts of the 64th
16 Legislature, Regular Session, 1975, provides that a
17 municipality or political subdivision in the district
18 may not issue bonds or other "evidence of
19 indebtedness." The revised law substitutes
20 "obligations" for "evidence of indebtedness" because,
21 in context, the terms are synonymous, and
22 "obligations" is more commonly used.

23 Revised Law

24 Sec. 1077.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
25 The board shall manage, control, and administer the hospital system
26 and the district's money and resources. (Acts 64th Leg., R.S., Ch.
27 211, Sec. 5(a) (part).)

28 Source Law

29 Sec. 5. (a) The board of directors shall
30 manage, control, and administer the hospital system
31 and the funds and resources of the district. . . .

32 Revised Law

33 Sec. 1077.104. RULES. The board may adopt rules governing
34 the operation of the district and as required to administer this
35 chapter. (Acts 64th Leg., R.S., Ch. 211, Secs. 5(a) (part), (g)
36 (part).)

1 Source Law

2 (a) . . . The district through its board of
3 directors shall have the power and authority . . . to
4 promulgate rules and regulations governing the
5 operation of the district.

6 (g) The board of directors of such district
7 shall have the power . . . to make such rules and
8 regulations as may be required to carry out the
9 provisions of this Act. . . .

10 Revisor's Note

11 Sections 5(a) and (g), Chapter 211, Acts of the
12 64th Legislature, Regular Session, 1975, provide that
13 the board may "promulgate rules and regulations" to
14 govern the district and "make such rules and
15 regulations as may be required" to carry out the act.
16 The revised law substitutes "adopt" for "promulgate"
17 and "make" because the terms are synonymous and the
18 former is more commonly used. The revised law also
19 omits the reference to "regulations" because under
20 Section 311.005(5), Government Code (Code
21 Construction Act), a rule is defined to include a
22 regulation.

23 Revised Law

24 Sec. 1077.105. PURCHASING AND ACCOUNTING PROCEDURES. The
25 board may prescribe:

26 (1) the method and manner of making purchases and
27 expenditures by and for the district; and

28 (2) all accounting and control procedures. (Acts 64th
29 Leg., R.S., Ch. 211, Sec. 5(g) (part).)

30 Source Law

31 (g) The board of directors of such district
32 shall have the power to prescribe the method and manner
33 of making purchases and expenditures by and for such
34 hospital district and also shall be authorized to
35 prescribe all accounting and control procedures and
36

37 Revised Law

38 Sec. 1077.106. DISTRICT PROPERTY, FACILITIES, EQUIPMENT,
39 AND SERVICES. (a) The board has exclusive authority to determine
40 the type, character, and use of facilities in the hospital system.

1 (b) The district may:

2 (1) purchase, construct, acquire, repair, or renovate
3 buildings and improvements; and

4 (2) equip buildings and improvements for hospital
5 purposes. (Acts 64th Leg., R.S., Ch. 211, Secs. 2 (part), 5(g)
6 (part).)

7 Source Law

8 Sec. 2. [The hospital district herein
9 authorized] . . . is hereby authorized and empowered
10 to purchase, construct, acquire, repair, or renovate
11 buildings and improvements and equip same for hospital
12 purposes. . . .

13 [Sec. 5]

14 (g) . . . The board is given exclusive authority
15 to determine the type, character, and use of the
16 facilities forming a part of the hospital system.

17 Revised Law

18 Sec. 1077.107. EMINENT DOMAIN. (a) The district may
19 exercise the power of eminent domain to acquire a fee simple or
20 other interest in any type of property located in district
21 territory if the interest is necessary or convenient for the
22 district to exercise a power, right, or privilege conferred by this
23 chapter.

24 (b) The district must exercise the power of eminent domain
25 in the manner provided by Chapter 21, Property Code. (Acts 64th
26 Leg., R.S., Ch. 211, Sec. 12.)

27 Source Law

28 Sec. 12. The district created hereunder shall
29 have the right and power of eminent domain for the
30 purpose of acquiring by condemnation any and all
31 property of any kind and character in fee simple or any
32 lesser interest therein, within the boundaries of the
33 district necessary or convenient to the powers,
34 rights, and privileges conferred by this Act, in the
35 manner provided by the general law with respect to
36 condemnation.

37 Revisor's Note

38 (1) Section 12, Chapter 211, Acts of the 64th
39 Legislature, Regular Session, 1975, provides that the
40 district has the "right and power of eminent domain for
41 the purpose of acquiring [property] by condemnation."
42 The revised law substitutes for the quoted language

1 "may exercise the power of eminent domain to acquire
2 [property]" because the phrases have the same meaning
3 and the latter phrase is consistent with modern usage
4 in laws relating to eminent domain.

5 (2) Section 12, Chapter 211, Acts of the 64th
6 Legislature, Regular Session, 1975, provides that the
7 district must exercise the power of eminent domain "in
8 the manner provided by the general law with respect to
9 condemnation." The revised law substitutes for the
10 quoted language a reference to Chapter 21, Property
11 Code, because that is the general law governing
12 eminent domain.

13 Revised Law

14 Sec. 1077.108. GIFTS AND ENDOWMENTS. The board may accept
15 for the district a gift or endowment to be held in trust and
16 administered by the board for the purposes and under the
17 directions, limitations, or other provisions prescribed in writing
18 by the donor that are not inconsistent with the proper management
19 and objectives of the district. (Acts 64th Leg., R.S., Ch. 211,
20 Sec. 15.)

21 Source Law

22 Sec. 15. The board of directors of the hospital
23 district is authorized on behalf of such district to
24 accept donations, gifts, and endowments to be held in
25 trust and administered by the board of directors for
26 such purposes and under such directions, limitations,
27 and provisions as may be prescribed in writing by the
28 donor, not inconsistent with proper management and
29 object of the hospital district.

30 Revisor's Note

31 Section 15, Chapter 211, Acts of the 64th
32 Legislature, Regular Session, 1975, refers to
33 "donations" and "gifts." The revised law omits the
34 reference to "donations" because "donations" is
35 included in the meaning of "gifts."

36 Revised Law

37 Sec. 1077.109. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
38 CARE AND TREATMENT. (a) The board may contract with a county or

1 municipality located outside the district for the care and
2 treatment of a sick or injured person of that county or
3 municipality.

4 (b) The board may contract with this state or a federal
5 agency for the treatment of a sick or injured person for whom this
6 state or the agency is responsible. (Acts 64th Leg., R.S., Ch. 211,
7 Sec. 5(e) (part).)

8 Source Law

9 (e) Such board shall be authorized to contract
10 with any county or incorporated municipality located
11 outside the district for the care and treatment of the
12 sick, diseased, or injured persons of any such county
13 or municipality and shall have the authority to
14 contract with the State of Texas and agencies of the
15 federal government for treatment of sick, diseased, or
16 injured persons for whom the State of Texas or the
17 federal government is responsible. . . .

18 Revisor's Note

19 (1) Section 5(e), Chapter 211, Acts of the 64th
20 Legislature, Regular Session, 1975, refers to an
21 "incorporated municipality." The revised law omits
22 the reference to "incorporated" because under the
23 Local Government Code all municipalities must be
24 incorporated.

25 (2) Section 5(e), Chapter 211, Acts of the 64th
26 Legislature, Regular Session, 1975, refers to the
27 treatment of a "sick, diseased, or injured" person.
28 The revised law omits the reference to "diseased"
29 because "diseased" is included in the meaning of
30 "sick."

31 Revised Law

32 Sec. 1077.110. PAYMENT FOR TREATMENT; PROCEDURES. (a)
33 When an indigent patient who resides in the district is admitted to
34 a district facility or a person who does not reside in the district
35 is admitted as an emergency patient to a district facility, the
36 district administrator shall have an inquiry made into the
37 circumstances of:

38 (1) the patient; and

1 (2) the patient's relatives who are legally liable for
2 the patient's support.

3 (b) If the district administrator determines that the
4 patient or those relatives cannot pay all or part of the costs of
5 the care and treatment in the hospital, the amount of the costs that
6 cannot be paid becomes a charge against the district as care for
7 indigents.

8 (c) If the district administrator determines that the
9 patient or those relatives can pay for all or part of the costs of
10 the patient's care and treatment, the patient or those relatives
11 shall be ordered to pay the district a specified amount each week
12 for the patient's support. The amount ordered must be
13 proportionate to the person's financial ability and may not exceed
14 the actual per capita cost of maintenance.

15 (d) The district administrator may collect the amount from
16 the estate of the patient, or from any relative who is legally
17 liable for the patient's support, in the manner provided by law for
18 the collection of expenses of the last illness of a deceased person.

19 (e) If there is a dispute as to the ability to pay, or doubt
20 in the mind of the district administrator, the board shall hold a
21 hearing and, after calling witnesses, shall:

22 (1) resolve the dispute or doubt; and

23 (2) issue any appropriate orders.

24 (f) A final order of the board may be appealed to the
25 district court. The substantial evidence rule applies to the
26 appeal. (Acts 64th Leg., R.S., Ch. 211, Sec. 14.)

27 Source Law

28 Sec. 14. Whenever an indigent patient residing
29 within the district has been admitted to the
30 facilities thereof, the administrator or manager shall
31 cause inquiry to be made as to his circumstances and
32 those of the relatives of such patient legally liable
33 for his support. If he finds that such patient or said
34 relatives are able to pay for his care and treatment,
35 in whole or in part, an order shall be made directing
36 such patient or said relatives to pay to the hospital
37 district for the support of such patient a specified
38 sum per week in proportion to their financial ability,
39 but such sum shall not exceed the actual per capita
40 cost of maintenance. The administrator or manager
41 shall have power and authority to collect such sums

1 from the estate of the patient or his relatives legally
2 liable for his support in the manner provided by law
3 for the collection of expenses in the last illness of a
4 deceased person. If the administrator or manager
5 finds that such patient or said relatives are not able
6 to pay, either in whole or in part, for his care and
7 treatment in such hospital, same shall become a charge
8 upon the hospital district, to the amount of the
9 inability to pay, as care for indigents. Should there
10 be any dispute as to the ability to pay, or doubt in the
11 mind of the administrator or manager, the board of
12 directors shall hear and determine same, after calling
13 witnesses, and shall make such order or orders as may
14 be proper. Appeals from a final order of the board
15 shall lie to the district court. The substantial
16 evidence rule shall apply. The provisions of this
17 section shall also apply to nonresidents of the
18 district who are admitted as emergency patients.

19 Revisor's Note

20 Section 14, Chapter 211, Acts of the 64th
21 Legislature, Regular Session, 1975, refers to the
22 district "administrator or manager." Chapter 415,
23 Acts of the 80th Legislature, Regular Session, 2007,
24 amended Section 5, Chapter 211, Acts of the 64th
25 Legislature, Regular Session, 1975 (revised in
26 Subchapter B of this chapter), to strike the
27 references to a district manager. For that reason, and
28 because in context "administrator" and "manager" are
29 synonymous, the revised law omits references to a
30 district manager throughout this chapter.

31 Revised Law

32 Sec. 1077.111. AUTHORITY TO SUE AND BE SUED. As a
33 governmental entity, the district, through the board, may sue and
34 be sued in its own name in any court of this state. (Acts 64th Leg.,
35 R.S., Ch. 211, Secs. 5(a) (part), 17 (part).)

36 Source Law

37 Sec. 5. (a) . . . The district through its board
38 of directors shall have the power and authority to sue
39 and be sued and

41 governmental agency may sue and be sued in any and all
42 courts of this state in the name of such district.

1 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

2 Revised Law

3 Sec. 1077.151. BUDGET. (a) The district administrator
4 shall prepare an annual budget for approval by the board.

5 (b) The budget must be for the next fiscal year and must
6 include:

7 (1) proposed expenditures and disbursements;

8 (2) estimated receipts and collections; and

9 (3) the amount of taxes required to be imposed for the
10 year. (Acts 64th Leg., R.S., Ch. 211, Sec. 6 (part).)

11 Source Law

12 Sec. 6. . . . In addition the administrator or
13 manager shall prepare an annual budget for approval by
14 the board of directors of said district. . . .

15 The board of directors shall each year cause a
16 budget to be prepared showing the proposed
17 expenditures and disbursements and the estimated
18 receipts and collections for the following fiscal year
19 and The proposed budget shall also show the
20 amount of taxes required to be levied and collected
21 during such fiscal year, and,

22 Revisor's Note

23 Section 6, Chapter 211, Acts of the 64th
24 Legislature, Regular Session, 1975, refers to the levy
25 and collection of a tax. The revised law substitutes
26 "imposed" for "levied and collected" because "imposed"
27 is the term generally used in Title 1, Tax Code, and
28 includes the levying and collection of an ad valorem
29 tax.

30 Revised Law

31 Sec. 1077.152. PROPOSED BUDGET; NOTICE AND HEARING. (a)
32 The board shall hold a public hearing on the proposed budget.

33 (b) Notice of the hearing must be published at least once in
34 a newspaper of general circulation in Cooke County not later than
35 the 10th day before the date of the hearing.

36 (c) Any district taxpayer is entitled to:

37 (1) appear at the time and place designated in the
38 notice; and

39 (2) be heard regarding any item included in the

1 proposed budget. (Acts 64th Leg., R.S., Ch. 211, Sec. 6 (part).)

2 Source Law

3 Sec. 6. . . . The board of directors . . .
4 shall hold a public hearing on the proposed budget
5 after publication of a notice of hearing in a newspaper
6 of general circulation in the county at least once not
7 less than 10 days prior to the date set for the
8 hearing. Any person who is a taxpayer of the district
9 shall have the right to appear at the time and place
10 designated in the notice and be heard with reference to
11 any item shown in the proposed budget. . . .

12 Revisor's Note

13 Section 6, Chapter 211, Acts of the 64th
14 Legislature, Regular Session, 1975, refers to "the
15 county." Throughout this chapter, the revised law
16 substitutes Cooke County for the quoted language
17 because that is the county in which the district is
18 located.

19 Revised Law

20 Sec. 1077.153. FISCAL YEAR. (a) The district operates
21 according to a fiscal year established by the board.

22 (b) The fiscal year may not be changed more than once in a
23 36-month period. (Acts 64th Leg., R.S., Ch. 211, Sec. 6 (part).)

24 Source Law

25 Sec. 6. The district shall be operated on a
26 fiscal year as established by the board, but in no
27 event may the fiscal year be changed more than one time
28 in any 36-month period. . . .

29 Revised Law

30 Sec. 1077.154. AUDIT. (a) The district shall have an audit
31 made of the district's financial condition.

32 (b) The audit shall be open to inspection at all times at the
33 district's principal office. (Acts 64th Leg., R.S., Ch. 211, Sec. 6
34 (part).)

35 Source Law

36 Sec. 6. . . . The district shall cause an audit
37 to be made of the financial condition of said district,
38 which shall at all times be open to inspection at the
39 principal office of the district. . . .

40 Revised Law

41 Sec. 1077.155. FINANCIAL REPORT. As soon as practical

1 after the close of each fiscal year, the district administrator
2 shall prepare for the board:

- 3 (1) a complete sworn statement of all district money; and
 - 4 (2) a complete account of the disbursements of that money.
- 5 (Acts 64th Leg., R.S., Ch. 211, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . As soon as practical after the
8 close of each fiscal year, the administrator or
9 manager shall prepare for the board a full sworn
10 statement of all money belonging to the district and a
11 full account of the disbursements of same. . . .

12 Revised Law

13 Sec. 1077.156. DEPOSITORY. (a) The board shall select one
14 or more banks in the district to serve as a depository for district
15 money.

16 (b) District money shall be immediately deposited on
17 receipt with a depository bank to pay the principal of and interest
18 on the district's outstanding bonds on or before the maturity date
19 of the principal and interest.

20 (c) To the extent that money in a depository bank is not
21 insured by the Federal Deposit Insurance Corporation, the money
22 must be secured in the manner provided by law for the security of
23 county funds.

24 (d) Membership on the district's board of an officer or
25 director of a bank does not disqualify the bank from being
26 designated as a depository bank. (Acts 64th Leg., R.S., Ch. 211,
27 Sec. 13.)

28 Source Law

29 Sec. 13. The board of directors of the district
30 shall name one or more banks within the district to
31 serve as depository for the funds of the district. All
32 such funds, as derived and collected, shall be
33 immediately deposited with such depository bank or
34 banks for the payment of principal of and interest on
35 the outstanding bonds of the district in time that such
36 money may be received by said bank or banks for payment
37 on or prior to the date of maturity of such principal
38 and interest to be paid. To the extent that funds in
39 the depository bank or banks are not insured by the
40 Federal Deposit Insurance Corporation, they shall be
41 secured in the manner provided by law for security of
42 county funds. Membership on the board of directors of
43 an officer or director of a bank shall not disqualify
44 such bank from being designated as depository.

1 Revisor's Note

2 Section 13, Chapter 211, Acts of the 64th
3 Legislature, Regular Session, 1975, refers to money
4 "derived and collected." The revised law substitutes
5 "on receipt" for the quoted language because the terms
6 are synonymous, and the former is more commonly used.

7 [Sections 1077.157-1077.200 reserved for expansion]

8 SUBCHAPTER E. BONDS

9 Revised Law

10 Sec. 1077.201. BONDS. The board may issue and sell bonds
11 to:

12 (1) purchase, construct, acquire, repair, or renovate
13 buildings and improvements; and

14 (2) equip buildings and improvements for hospital
15 purposes. (Acts 64th Leg., R.S., Ch. 211, Sec. 9 (part).)

16 Source Law

17 Sec. 9. The board of directors of the hospital
18 district shall have the power and authority to issue
19 and sell bonds for the purchase, construction,
20 acquisition, repair, or renovation of buildings and
21 improvements and equipping the same for hospital
22 purposes;

23 Revisor's Note

24 Section 9, Chapter 211, Acts of the 64th
25 Legislature, Regular Session, 1975, refers to issuing
26 bonds for certain hospital authority purposes. The
27 revised law omits that provision because the revised
28 law authorizes the issuance of bonds generally for any
29 hospital facility. The omitted law reads:

30 Sec. 9. . . . including but not
31 limited to the purchasing and acquiring,
32 and from time to time improving, repairing,
33 renovating, and equipping all buildings,
34 improvements, furnishings, and equipment of
35 any hospital authority established prior to
36 the election for the creation of the
37 hospital district and pursuant to the
38 provisions of Article 4437e, Vernon's Texas
39 Civil Statutes, and located wholly within
40 the boundaries of the hospital
41 district. . . .

1 Revised Law

2 Sec. 1077.202. TAX TO PAY BONDS. (a) The board may issue
3 bonds under Section 1077.201 payable from ad valorem taxes. If the
4 bonds are payable from ad valorem taxes, the board shall impose an
5 ad valorem tax to create an interest and sinking fund sufficient to
6 pay the principal of and interest on the bonds as the bonds mature.

7 (b) The tax required by this section together with any other
8 ad valorem tax the district imposes may not in any year exceed 75
9 cents on each \$100 valuation of all taxable property in the
10 district. (Acts 64th Leg., R.S., Ch. 211, Sec. 9 (part).)

11 Source Law

12 Sec. 9. [The board of directors of the hospital
13 district shall have the power and authority to issue
14 . . . bonds] Such bonds may be payable from
15 (1) a tax levied to create an interest and sinking fund
16 sufficient to pay the interest on and principal of the
17 bonds, as the same become due and mature, provided such
18 tax together with any other taxes levied by the
19 district shall not exceed 75 cents on each \$100
20 valuation of taxable property in any one year, or
21

22 Revisor's Note

23 Section 9, Chapter 211, Acts of the 64th
24 Legislature, Regular Session, 1975, authorizes the
25 district to impose a tax to pay the principal of and
26 interest on bonds. The revised law specifies that the
27 tax is an "ad valorem" tax because it is clear from the
28 source law that the tax is a property tax, and "ad
29 valorem" is the term most commonly used to refer to a
30 property tax.

31 Revised Law

32 Sec. 1077.203. BOND ELECTION. (a) The district may issue
33 bonds under Section 1077.201 that are payable from taxes only if the
34 bonds are authorized by a majority of the district voters voting at
35 an election held for that purpose.

36 (b) The board may order the election on its own motion.

37 (c) The order calling the election must specify:

38 (1) the date of the election;

39 (2) the location of the polling places;

- 1 (3) the presiding election officers;
- 2 (4) the purpose of the bond issuance;
- 3 (5) the amount of the bonds to be authorized; and
- 4 (6) the maximum maturity of the bonds.

5 (d) Notice of a bond election shall be given by publishing a
6 substantial copy of the order calling the election in a newspaper of
7 general circulation in the district once each week for two
8 consecutive weeks before the date of the election. The first
9 publication must occur at least 14 days before the date of the
10 election. (Acts 64th Leg., R.S., Ch. 211, Sec. 9 (part).)

11 Source Law

12 Sec. 9. . . . No bonds payable from taxes
13 (except refunding bonds and bonds issued to purchase
14 and acquire all buildings, improvements, furnishings,
15 and equipment of a hospital authority, as provided in
16 Section 8(b) of this Act) shall be issued by the
17 hospital district until authorized by a majority vote
18 of the resident qualified electors, who own taxable
19 property within the district and who have duly
20 rendered the same for taxation, voting at an election
21 called and held for such purpose. Such election for the
22 authorization to issue tax bonds may be called by the
23 board of directors on its own motion, and the order
24 calling the election shall specify the date of the
25 election, the place or places where the election shall
26 be held, the presiding officers thereof, the purpose
27 for which the bonds are to be issued, the amount
28 thereof, and the maximum maturity date of such bonds
29 Notice of such bond election shall be given by
30 publishing a substantial copy of the order calling the
31 election in a newspaper of general circulation in the
32 district once a week for two consecutive weeks, the
33 date of the first publication to be at least 14 days
34 prior to the date set for the election. . . .

35 Revisor's Note

36 (1) Section 9, Chapter 211, Acts of the 64th
37 Legislature, Regular Session, 1975, provides that
38 "[n]o bonds . . . (except refunding bonds . . .)" may
39 be issued without an election. The revised law omits
40 the exception for refunding bonds because Chapter
41 1207, Government Code, provides general authority for
42 an issuer, including a hospital district, to issue
43 refunding securities, and Section 1207.003,
44 Government Code, authorizes an issuer to issue
45 refunding bonds without an election.

1 (2) Section 9, Chapter 211, Acts of the 64th
2 Legislature, Regular Session, 1975, provides that
3 "[n]o bonds . . . except . . . bonds issued to purchase
4 and acquire" buildings and equipment of a hospital
5 authority as "provided in Section 8(b) of this Act" may
6 be issued without an election. As explained in the
7 revisor's note at the end of this chapter, Section 8,
8 Chapter 211, is executed. The revised law therefore
9 omits the reference.

10 (3) Section 9, Chapter 211, Acts of the 64th
11 Legislature, Regular Session, 1975, refers to a
12 majority vote of the "resident qualified electors, who
13 own taxable property within the district and who have
14 duly rendered the same for taxation." The revised law
15 omits the reference to "resident qualified electors"
16 as unnecessary in this context because Chapter 11,
17 Election Code, governs eligibility to vote in an
18 election in this state and allows only "qualified"
19 voters who are residents of the territory covered by
20 the election to vote in an election. The revised law
21 substitutes "voter" for "elector" because the former
22 is the term used in the Election Code. In addition,
23 the revised law omits the reference to voters "who own
24 taxable property within the district and who have duly
25 rendered the same for taxation" because in Hill v.
26 Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the United
27 States Supreme Court determined that property
28 ownership as a qualification for voting is an
29 unconstitutional denial of equal protection.

30 (4) Section 9, Chapter 211, Acts of the 64th
31 Legislature, Regular Session, 1975, provides that the
32 district may not issue bonds payable from taxes until
33 authorized by an election "called and held" for that
34 purpose. The revised law omits the reference to

1 "calling" an election because, in this context,
2 "calling" an election is included in the meaning of
3 "holding" an election. Under Chapter 3, Election
4 Code, all elections must be ordered (called) before
5 they may be held.

6 Revised Law

7 Sec. 1077.204. REVENUE BONDS. (a) The board may issue
8 bonds under Section 1077.201 payable from the district's revenue.
9 The board may issue the revenue bonds without an election.

10 (b) The bonds must be payable from all or part of the revenue
11 derived from the operation of the district's hospitals.

12 (c) The bonds may be additionally secured by a mortgage or
13 deed of trust lien on all or part of district property.

14 (d) The bonds must be issued in the manner and in accordance
15 with the procedures and requirements prescribed by Sections
16 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
17 and Safety Code, for issuance of revenue bonds by a county hospital
18 authority. (Acts 64th Leg., R.S., Ch. 211, Sec. 9 (part).)

19 Source Law

20 Sec. 9. [The board of directors of the hospital
21 district shall have the power and authority to issue
22 . . . bonds] . . . Such bonds may be payable from
23 . . . (2) all or any part of the revenues of the
24 district to be derived from the operation of its
25 hospital or hospitals, and such revenue bonds may be
26 additionally secured by a mortgage or deed-of-trust
27 lien on any part or all of its properties. . . .

28 Revenue bonds of the district may be issued
29 without an election in the manner and in accordance
30 with the procedures and requirements specified for the
31 issuance of revenue bonds by county hospital
32 authorities in Sections 8, 10, 11, 12, and 13 of
33 Article 4494r, Vernon's Texas Civil Statutes. . . .

34 Revisor's Note

35 Section 9, Chapter 211, Acts of the 64th
36 Legislature, Regular Session, 1975, refers to Sections
37 8, 10, 11, 12, and 13 of Article 4494r, Vernon's Texas
38 Civil Statutes. Those provisions were codified in
39 1989 as Sections 264.042, 264.043, 264.046, 264.047,
40 264.048, and 264.049, Health and Safety Code. The
41 revised law is drafted accordingly.

1 Revised Law

2 Sec. 1077.205. MATURITY OF TAX BONDS. District bonds
3 payable from taxes must mature not later than 40 years after the
4 date of issuance. (Acts 64th Leg., R.S., Ch. 211, Sec. 9 (part).)

5 Source Law

6 Sec. 9. [. . . bonds payable from taxes . . .
7 the order calling the election shall specify] . . .
8 the maximum maturity date of such bonds (not to exceed
9 40 years from the date of issuance). . . .

10 Revised Law

11 Sec. 1077.206. EXECUTION OF BONDS. (a) The board president
12 shall execute the district bonds in the district's name.

13 (b) The board secretary shall countersign the bonds. (Acts
14 64th Leg., R.S., Ch. 211, Sec. 9 (part).)

15 Source Law

16 Sec. 9. . . . Such bonds shall be executed in
17 the name of the hospital district and on its behalf by
18 the president of the board of directors and
19 countersigned by the secretary of the board of
20 directors and

21 Revisor's Note

22 Section 9, Chapter 211, Acts of the 64th
23 Legislature, Regular Session, 1975, provides that
24 district bonds are subject to the law governing
25 counties that relates to bond approval by the attorney
26 general and registration of the bonds by the
27 comptroller. Section 9 also provides that after
28 approval and registration the bonds are "incontestable
29 for any cause." The revised law omits those provisions
30 as superseded by Chapter 1202, Government Code
31 (enacted as Article 3, Chapter 53, Acts of the 70th
32 Legislature, 2nd Called Session, 1987). Section
33 1202.003(a), Government Code, requires bonds to be
34 submitted to the attorney general. Section
35 1202.003(b), Government Code, provides for approval of
36 the bonds by the attorney general and requires the
37 attorney general to submit the approved bonds to the
38 comptroller for registration. Section 1202.005,

1 Government Code, requires registration of the bonds by
2 the comptroller. Section 1202.006, Government Code,
3 provides that after approval and registration the
4 bonds are incontestable and binding obligations.
5 Chapter 1202, Government Code, applies to district
6 bonds by application of Section 1202.001, Government
7 Code. The omitted law reads:

8 Sec. 9. . . . [Such bonds] . . .
9 shall be subject to the same requirements in
10 the matter of approval thereof by the
11 Attorney General of the State of Texas and
12 the registration thereof by the Comptroller
13 of Public Accounts of the State of Texas as
14 are by law provided for such approval and
15 registration of bonds of counties of this
16 state. Upon the approval of such bonds by
17 the Attorney General of Texas and
18 registration by the comptroller, the same
19 shall be incontestable for any cause.

20 Revisor's Note
21 (End of Subchapter)

22 (1) Section 9, Chapter 211, Acts of the 64th
23 Legislature, Regular Session, 1975, provides that
24 district bonds may be made optional for redemption
25 before maturity. The revised law omits this provision
26 because Section 1201.021, Government Code, provides
27 that a public security may be issued as redeemable
28 before maturity at one or more specified times.
29 Section 1201.021, Government Code, applies to district
30 bonds by application of Section 1201.002, Government
31 Code. The omitted law reads:

32 Sec. 9. . . . The bonds of the
33 district may be made optional for
34 redemption prior to maturity date at the
35 discretion of the board of directors,
36

37 (2) Section 9, Chapter 211, Acts of the 64th
38 Legislature, Regular Session, 1975, provides that
39 district bonds may be in any denomination fixed in the
40 order issuing the bonds. The revised law omits this
41 provision because Section 1201.021, Government Code,
42 provides that the governing body of an issuer,

1 including a hospital district, may issue bonds in any
2 denomination. Section 9 also provides that bonds may
3 be issued and sold at any price determined by the
4 district's board and may bear interest at any rate
5 determined by the district's board. The revised law
6 omits this provision as superseded by the enactment of
7 the maximum interest rate provision found in Section
8 1204.006, Government Code. That section reflects the
9 1981 amendment of Chapter 3, Acts of the 61st
10 Legislature, Regular Session, 1969 (Article 717k-2,
11 Vernon's Texas Civil Statutes, now Chapter 1204,
12 Government Code), by Section 1, Chapter 61, Acts of the
13 67th Legislature, Regular Session, 1981. Section
14 1204.006(b), Government Code, provides that an issuer,
15 including a hospital district, may sell public
16 securities at any price and bearing interest at any
17 rate or rates that does not exceed the maximum rate
18 prescribed by Section 1204.006(a). The omitted law
19 reads:

20 Sec. 9. . . . [The bonds of the
21 district] . . . may be in any denomination
22 fixed and determined in the order
23 authorizing the issuance of such
24 securities, and may be issued and sold at
25 any price or prices and bear interest at any
26 rate or rates as shall be determined within
27 the discretion of the board of directors of
28 the district. . . .

29 (3) Section 10, Chapter 211, Acts of the 64th
30 Legislature, Regular Session, 1975, authorizes the
31 district to issue refunding bonds for bonds issued or
32 assumed under that act. The revised law omits these
33 provisions for the reason stated in Revisor's Note (1)
34 to Section 1077.203. Section 10 also provides that
35 refunding bonds issued under Section 10 must bear
36 interest at the same or lower rate than the bonds being
37 refunded unless the refunding will result in a lower
38 total amount of interest paid. The revised law omits

1 this provision because it has been superseded by the
2 enactment of the maximum interest rate provision found
3 in Section 1204.006, Government Code. That section
4 reflects the 1981 amendment of Chapter 3, Acts of the
5 61st Legislature, Regular Session, 1969 (Article
6 717k-2, Vernon's Texas Civil Statutes, now Chapter
7 1204, Government Code), by Section 1, Chapter 61, Acts
8 of the 67th Legislature, Regular Session, 1981, and
9 permits a public agency, including a hospital
10 district, to issue public securities at any net
11 effective interest rate of 15 percent or less. Section
12 1204.006, Government Code, applies to district bonds
13 by application of Section 1204.001, Government Code.
14 The omitted law reads:

15 Sec. 10. The board of directors may,
16 without an election, issue bonds of the
17 district (payable from taxes or revenues)
18 to refund and pay off any validly issued and
19 outstanding bonds heretofore or hereafter
20 issued by the district and any bonds or
21 other obligations assumed by it under the
22 provisions of Section 8 of this Act;
23 provided, any such refunding bonds shall
24 bear interest at the same rate or at a
25 lesser rate than the bonds being refunded
26 unless it be shown mathematically that a
27 savings will result in the total amount of
28 interest to be paid. If the district assumes
29 any revenue bonds of a hospital authority,
30 it may refund them with the same authority
31 and in the same manner as if the district
32 had originally issued such bonds and
33 pursuant to any general law of the State of
34 Texas authorizing refunding bonds and
35 applicable to hospital districts.

36 (4) Section 11, Chapter 211, Acts of the 64th
37 Legislature, Regular Session, 1975, provides that
38 district bonds are authorized investments for certain
39 entities. The revised law omits the provision as
40 unnecessary. As to several of the entities listed,
41 Section 11 has been superseded and impliedly repealed.
42 Investments in securities by banks are regulated by
43 Section 34.101, Finance Code (enacted in 1995 as
44 Section 5.101, Texas Banking Act (Article 342-5.101,

1 Vernon's Texas Civil Statutes)). Investments in
2 securities by savings banks are regulated by Section
3 93.001(c)(10), Finance Code (enacted in 1993 as
4 Section 7.15(10), Texas Savings Bank Act (Article
5 489e, Vernon's Texas Civil Statutes)). Investments in
6 securities by trust companies are regulated by Section
7 184.101, Finance Code (enacted in 1997 as Section
8 5.101, Texas Trust Company Act (Article 342a-5.101,
9 Vernon's Texas Civil Statutes)). Investments in
10 securities by savings and loan associations are
11 regulated by Sections 63.002 and 64.001, Finance Code.
12 As to the remaining entities listed, Section 11 is
13 superseded by Section 1201.041, Government Code,
14 enacted as Section 9, Bond Procedures Act of 1981
15 (Article 717k-6, Vernon's Texas Civil Statutes).
16 Section 1201.041, Government Code, applies to district
17 bonds by application of Section 1201.002, Government
18 Code. The revised law omits the reference to public
19 funds of this state because it has been superseded by
20 Section 404.024, Government Code (enacted in 1985 as
21 Section 2.014, Treasury Act (Article 4393-1, Vernon's
22 Texas Civil Statutes)), which governs the investment
23 of state funds. Section 404.024(b)(10), Government
24 Code, authorizes the investment of state funds in
25 obligations of political subdivisions, including
26 hospital districts. The omitted law reads:

27 Sec. 11. All bonds of the district
28 shall be and are hereby declared to be legal
29 and authorized investments of banks,
30 savings banks, trust companies, building
31 loan associations, savings and loan
32 associations, insurance companies,
33 fiduciaries, trustees, and sinking funds of
34 cities, towns, villages, counties, school
35 districts, or other political subdivisions
36 of the State of Texas, and for all public
37 funds of the State of Texas or its agencies,
38 including the State Permanent School
39 Fund. . . .

40 (5) Section 11, Chapter 211, Acts of the 64th

1 Legislature, Regular Session, 1975, effectively
2 provides that district bonds may secure deposits of
3 public funds of this state or political subdivisions
4 of this state. The revised law omits the provisions as
5 impliedly repealed by Section 404.0221, Government
6 Code (enacted in 1995), which lists eligible
7 collateral for deposits of state funds by the
8 comptroller, and by Chapter 2257, Government Code
9 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
10 Statutes), which governs eligible collateral for
11 deposits of funds of other public agencies, including
12 political subdivisions. The omitted law reads:

13 Sec. 11. . . . Such bonds shall be
14 eligible to secure deposit of public funds
15 of the State of Texas and public funds of
16 cities, towns, villages, counties, school
17 districts, or other political subdivisions
18 or corporations of the State of Texas; and
19 such bonds shall be lawful and sufficient
20 security for said deposits to the extent of
21 their value when accompanied by all
22 unmatured coupons appurtenant thereto.

23 [Sections 1077.207-1077.250 reserved for expansion]

24 SUBCHAPTER F. TAXES

25 Revised Law

26 Sec. 1077.251. IMPOSITION OF AD VALOREM TAX. (a) On final
27 approval of the annual budget, the board shall impose a tax on all
28 property in the district subject to district taxation.

29 (b) The board shall impose the tax to:

30 (1) pay the interest on and create a sinking fund for
31 bonds issued or assumed by the district for hospital purposes; and

32 (2) care for indigents. (Acts 64th Leg., R.S., Ch.
33 211, Secs. 6 (part), 7 (part).)

34 Source Law

35 Sec. 6. . . . upon final approval of the budget,
36 the board of directors shall levy such tax as may be
37 required and

38 Sec. 7. The board of directors of the hospital
39 district shall have the power and authority and it
40 shall be their duty to levy on all property subject to
41 hospital-district taxation for the benefit of the
42 district a tax . . . for the purpose of (1) paying the
43 interest on and creating a sinking fund for bonds

1 (including those assumed) of the hospital district for
2 hospital purposes as herein provided, . . . and (2)
3 the care of indigents. . . .

4 Revisor's Note

5 Section 6, Chapter 211, Acts of the 64th
6 Legislature, Regular Session, 1975, requires the board
7 to certify the tax rate to the tax assessor-collector.
8 The revised law omits that provision because Section
9 26.05(a), Tax Code, requires the governing body of a
10 taxing unit to adopt a tax rate for the current tax
11 year and to notify the tax assessor of that rate. The
12 omitted law reads:

13 Sec. 6. . . . [the board of directors
14 shall] . . . certify the tax rate for such
15 year to the tax assessor and collector of
16 the district, and

17 Revised Law

18 Sec. 1077.252. TAX RATE. (a) The board may impose the tax
19 at a rate not to exceed 75 cents on each \$100 valuation of all
20 taxable property in the district.

21 (b) Not more than 65 cents of the rate authorized by
22 Subsection (a) may be imposed in any year to pay the interest on and
23 create a sinking fund for bonds issued or assumed by the district
24 for hospital purposes. (Acts 64th Leg., R.S., Ch. 211, Sec. 7
25 (part).)

26 Source Law

27 Sec. 7. [The board of directors . . . shall
28 . . . levy . . . a tax] at a rate not to exceed 75 cents
29 on the \$100 valuation of all taxable property within
30 the hospital district [for the purpose of (1) paying
31 the interest on and creating a sinking fund for bonds
32 (including those assumed) of the hospital district for
33 hospital purposes as herein provided,] but no more
34 than 65 cents may be levied for such purpose in any one
35 year,

36 Revised Law

37 Sec. 1077.253. TAX ASSESSOR-COLLECTOR. (a) Except as
38 provided by Subsection (b), the tax assessor-collector of Cooke
39 County shall assess and collect taxes imposed by the district.

40 (b) The board may appoint a district tax assessor-collector
41 under Section 285.041, Health and Safety Code. (Acts 64th Leg.,

1 R.S., Ch. 211, Secs. 6 (part), 7 (part).)

2 Source Law

3 Sec. 6. . . . it shall be the duty of said tax
4 assessor and collector of the district to assess and
5 collect such tax.

6 Sec. 7. . . . The Tax Assessor and/or Collector
7 of Cooke County shall be charged and required to
8 accomplish the assessment and collection of all taxes
9 levied by and on behalf of the district. . . .

10 In the alternative, the board of directors of the
11 district, in its sole discretion, may . . . appoint
12 its own tax assessor and collector, pursuant to and in
13 accordance with the provisions of Chapter 595, Acts of
14 the 62nd Legislature, 1971 (compiled as Article
15 4494-4, Vernon's Texas Civil Statutes).

16 Revisor's Note

17 (1) Section 7, Chapter 211, Acts of the 64th
18 Legislature, Regular Session, 1975, refers to the
19 assessment of district taxes on county tax values and
20 also authorizes the board of directors to prepare a
21 separate and distinct tax roll for the district. The
22 revised law omits those provisions because they were
23 repealed by Section 6(b), Chapter 841, Acts of the 66th
24 Legislature, Regular Session, 1979, which repealed all
25 "general, local, and special laws" that conflicted
26 with that act. The 1979 act enacted the Property Tax
27 Code (Title 1, Tax Code), a comprehensive, substantive
28 codification of property tax law. Title 1, Tax Code,
29 provides the exclusive procedures for the imposition
30 and collection of property taxes by a taxing unit,
31 including a hospital district. The omitted law reads:

32 Sec. 7. . . . Unless otherwise
33 determined by the board of directors, all
34 taxable property within the hospital
35 district subject to hospital-district
36 taxation shall be assessed on county tax
37 values in the same manner as provided by law
38 with relation to county taxes. . . .

39 [In the alternative, the board of
40 directors of the district, in its sole
41 discretion, may] cause to be prepared a
42 separate and distinct tax roll for the
43 district and

44 (2) Section 7, Chapter 211, Acts of the 64th
45 Legislature, Regular Session, 1975, provides that the
46 county tax assessor-collector may charge a fee for the

1 assessment and collection of district taxes. The
2 revised law omits that provision because it was
3 repealed by Section 6(b), Chapter 841, Acts of the 66th
4 Legislature, Regular Session, 1979. See Revisor's
5 Note (1). Section 6.27(b), Tax Code, provides for the
6 compensation of a county tax assessor-collector
7 assessing and collecting taxes for another taxing
8 unit. The omitted law reads:

9 Sec. 7. . . . The county assessor and
10 collector of taxes shall charge and deduct
11 from payments to the hospital district the
12 dues for assessing and collecting the taxes
13 at a rate of not to exceed one percent of the
14 taxes collected as may be agreed upon by the
15 district and the tax assessor, but in no
16 event shall the amount of such compensation
17 exceed a total of \$5,000 in any one fiscal
18 year of the district. Such fees shall be
19 deposited in the officers' salary fund of
20 the county and reported as fees of office of
21 the county tax assessor and
22 collector. . . .

23 (3) Section 7, Chapter 211, Acts of the 64th
24 Legislature, Regular Session, 1975, provides that
25 interest and penalties on district taxes and discounts
26 are the same as for county taxes. The revised law
27 omits that provision because it was repealed by
28 Section 6(b), Chapter 841, Acts of the 66th
29 Legislature, Regular Session, 1979. See Revisor's
30 Note (1). Chapter 33, Tax Code, provides for the
31 assessment of penalties and interest on delinquent
32 taxes, and Section 31.05, Tax Code, provides for
33 discounts on the early payment of taxes. The omitted
34 law reads:

35 Sec. 7. . . . Interest and penalties
36 on taxes paid to the hospital district shall
37 be the same as in the case of county taxes.
38 Discounts shall be the same as allowed by
39 the county. . . .

40 (4) Section 7, Chapter 211, Acts of the 64th
41 Legislature, Regular Session, 1975, provides that tax
42 revenue shall be deposited in the district's
43 depository. The revised law omits the provision

1 because Section 31.10, Tax Code, requires the tax
2 assessor-collector of a taxing unit to deposit taxes
3 collected in the unit's depository. The omitted law
4 reads:

5 Sec. 7. . . . The residue of tax
6 collections, after deduction of discounts
7 and fees for assessing and collecting,
8 shall be deposited in the district's
9 depository. . . .

10 (5) Section 7, Chapter 211, Acts of the 64th
11 Legislature, Regular Session, 1975, provides that the
12 bond of the county tax assessor-collector is security
13 for the performance of district duties unless the
14 board determines that an additional bond is necessary.
15 The revised law omits that provision because it
16 duplicates Section 6.29(b), Tax Code, which authorizes
17 a taxing unit for which the county tax
18 assessor-collector collects a tax to require that
19 collector to post an additional bond. The omitted law
20 reads:

21 Sec. 7. . . . The bond of the county
22 tax assessor-collector shall stand as
23 security for the proper performance of his
24 duties as assessor-collector of the
25 district or, if in the judgment of the
26 district board of directors it is
27 necessary, additional bond payable to the
28 district may be required. . . .

29 (6) Section 7, Chapter 211, Acts of the 64th
30 Legislature, Regular Session, 1975, states that the
31 tax assessor-collector may act in accordance with
32 state law relating to the assessment, collection, and
33 enforcement of state and county taxes. The revised law
34 omits that provision as unnecessary. The state law
35 relating to the assessment, collection, and
36 enforcement of all ad valorem taxes is Title 1, Tax
37 Code. Section 1.02, Tax Code, requires all taxing
38 units of government to administer the assessment,
39 collection, and enforcement of taxes in conformity
40 with that title. The omitted law reads:

1 Sec. 7. . . . In all matters
2 pertaining to the assessment, collection,
3 and enforcement of taxes for the district,
4 the county tax assessor-collector shall be
5 authorized to act in all respects according
6 to the laws of the State of Texas relating
7 to state and county taxes. . . .

8 (7) Section 7, Chapter 211, Acts of the 64th
9 Legislature, Regular Session, 1975, authorizes the
10 board to appoint a district tax assessor-collector
11 "pursuant to and in accordance with the provisions of
12 Chapter 595, Acts of the 62nd Legislature, 1971
13 (compiled as Article 4494-4, Vernon's Texas Civil
14 Statutes)." Chapter 595, Acts of the 62nd
15 Legislature, Regular Session, 1971, was compiled as
16 Article 4494r-4, Vernon's Texas Civil Statutes, and
17 was codified in 1989 as Section 285.041, Health and
18 Safety Code. The revised law is drafted accordingly.

19 Revisor's Note
20 (End of Subchapter)

21 Section 7, Chapter 211, Acts of the 64th
22 Legislature, Regular Session, 1975, provides that the
23 district may impose taxes for the entire year in which
24 the district is created. The revised law omits that
25 provision as executed. The omitted law reads:

26 Sec. 7. . . . The board of directors
27 shall have the authority to levy the
28 aforesaid tax for the entire year in which
29 said district is established as the result
30 of the election herein provided. . . .

31 Revisor's Note
32 (End of Chapter)

33 (1) Article 1, Chapter 428, Acts of the 77th
34 Legislature, Regular Session, 2001, amends Chapter
35 211, Acts of the 64th Legislature, Regular Session,
36 1975, by adding Sections 1A and 18A, which provide
37 authority to call an election on the dissolution of the
38 Gainesville Hospital District contingent on the
39 creation of the Cooke County Hospital District.
40 Section 3.02(b), Chapter 428, Acts of the 77th

1 Legislature, Regular Session, 2001, provides that the
2 "election in the Gainesville Hospital District . . .
3 must be held before the fifth anniversary of the
4 effective date of this Act." The effective date of
5 Chapter 428 was May 28, 2001. Because voters did not
6 approve the creation of the Cooke County Hospital
7 District before May 28, 2006 (the fifth anniversary of
8 the effective date of Chapter 428), the authority to
9 call an election on the dissolution of the Gainesville
10 Hospital District has expired. Therefore, the revised
11 law omits Sections 1A and 18A. The omitted law reads:

12 Sec. 1A. On the dissolution of the
13 Gainesville Hospital District and the
14 approval of the creation of the Cooke County
15 Hospital District, a reference in this Act
16 or in any other law to the Gainesville
17 Hospital District means the Cooke County
18 Hospital District.

19 Sec. 18A. (a) Notwithstanding the
20 provisions of any other section of this Act,
21 the Gainesville Hospital District may be
22 dissolved as provided by this section.

23 (b) The board of directors may order
24 an election on the question of the
25 dissolution of the Gainesville Hospital
26 District, creation of the Cooke County
27 Hospital District, transfer of the
28 Gainesville Hospital District's assets and
29 obligations to the Cooke County Hospital
30 District, and assumption by the Cooke
31 County Hospital District of the Gainesville
32 Hospital District's outstanding debts.

33 (c) The board shall order an election
34 if:

35 (1) the board has reasonable
36 grounds to conclude that the board of the
37 Muenster Hospital District will order an
38 election under Section 20c, Chapter 477,
39 Acts of the 59th Legislature, Regular
40 Session, 1965; or

41 (2) the board receives a
42 petition requesting an election on the
43 question of the dissolution of the
44 Gainesville Hospital District, creation of
45 the Cooke County Hospital District, and
46 transfer of assets that is signed by at
47 least 15 percent of the registered voters in
48 the Gainesville Hospital District.

49 (d) If the board of directors orders
50 an election under this section, it shall
51 promptly notify the board of directors of
52 the Muenster Hospital District of the
53 election order.

54 (e) The election shall be held not
55 less than 45 or more than 60 days after the
56 date on which an election is ordered and

1 shall be held on the same date that the
2 separate election in the Muenster Hospital
3 District is held. The board of directors
4 shall cooperate with the board of directors
5 of the Muenster Hospital District in
6 setting the date of the elections. Section
7 41.001(a), Election Code, does not apply to
8 an election ordered under this section.

9 (f) The ballot for the election shall
10 be printed to permit voting for or against
11 the proposition: "The dissolution of the
12 Gainesville Hospital District and creation
13 of the Cooke County Hospital District,
14 providing for the levy of a tax not to
15 exceed 75 cents on each \$100 valuation on
16 all taxable property in the Cooke County
17 Hospital District, and providing for the
18 transfer to and assumption by the Cooke
19 County Hospital District of all outstanding
20 bonds and indebtedness issued or refunded
21 for hospital purposes by the Gainesville
22 Hospital District and the transfer of the
23 existing Gainesville Hospital District's
24 assets to the Cooke County Hospital
25 District."

26 (g) Except as provided by Subsections
27 (e) and (f) of this section, the election
28 shall be held in accordance with the
29 applicable provisions of the Election Code.

30 (h) The Gainesville Hospital
31 District is dissolved if:

32 (1) a majority of the voters in
33 the Gainesville Hospital District voting in
34 the election held under this section favor
35 the proposition; and

36 (2) a majority of the voters in
37 the Muenster Hospital District voting in an
38 election held on the same date under Section
39 20c, Chapter 477, Acts of the 59th
40 Legislature, Regular Session, 1965, favor
41 the dissolution of the Muenster Hospital
42 District, the creation of the Cooke County
43 Hospital District, the transfer of the
44 assets of the Muenster Hospital District to
45 the Cooke County Hospital District, and the
46 assumption of the assets and obligations of
47 the Muenster Hospital District by the Cooke
48 County Hospital District.

49 (i) The Gainesville Hospital
50 District is not dissolved and the board of
51 directors shall continue to administer the
52 Gainesville Hospital District if a majority
53 of the voters in either the Gainesville
54 Hospital District or the Muenster Hospital
55 District do not favor the proposition on
56 which they voted.

57 (j) If the Gainesville Hospital
58 District is dissolved under this section,
59 the board of directors shall orderly
60 transfer the assets and obligations of the
61 Gainesville Hospital District to the Cooke
62 County Hospital District not later than the
63 180th day after the date of the election.

64 (k) The board of directors may not
65 hold an election on the question of
66 dissolution under this section and the
67 creation of the Cooke County Hospital
68 District before the first anniversary of
69 the most recent election held under this

1 section concerning the dissolution and the
2 creation of the Cooke County Hospital
3 District.

4 (2) Section 2, Chapter 211, Acts of the 64th
5 Legislature, Regular Session, 1975, states that Cooke
6 County or a municipality in the district does not have
7 outstanding debt incurred for hospital purposes and
8 that the Gainesville Hospital Authority is the only
9 political subdivision owning, operating, and
10 maintaining hospital facilities in the district's
11 boundaries at the time of the district's creation. The
12 revised law omits those provisions as executed. The
13 omitted law reads:

14 Sec. 2. . . . It is hereby found and
15 determined that neither Cooke County,
16 Texas, nor any city or town within the
17 boundaries of the hospital district herein
18 authorized to be created has any
19 outstanding indebtedness incurred for
20 hospital purposes and that the Gainesville
21 Hospital Authority (heretofore created and
22 established under the provisions of Chapter
23 472, Acts of the 55th Legislature, Regular
24 Session, 1957, as amended (Article 4437e,
25 Vernon's Texas Civil Statutes)), is the only
26 type of political subdivision of the State
27 of Texas currently owning, operating, and
28 maintaining hospital facilities within the
29 boundaries of the proposed Gainesville
30 Hospital District.

31 (3) Section 8, Chapter 211, Acts of the 64th
32 Legislature, Regular Session, 1975, provides for the
33 sale or transfer of certain land, buildings,
34 improvements, equipment, and funds to the district
35 after the district is created and provides for the
36 assumption of debt by the district on creation.
37 Because the transfer has occurred, the revised law
38 omits the provision as executed. The omitted law
39 reads:

40 Sec. 8. (a) In the event the
41 hospital district is established and
42 created, all right, title, and interest in
43 and to any buildings, improvements,
44 furnishings, and equipment owned and
45 operated by a hospital authority
46 established pursuant to Article 4437e,
47 Vernon's Texas Civil Statutes, and located
48 wholly within the boundaries of such

1 hospital authority, including the unspent
2 portions of any funds therefor set up or
3 appropriated by budget or otherwise for the
4 support and maintenance of hospital
5 facilities and for the security and payment
6 of outstanding debt, can be transferred to
7 and become the funds of the district. In
8 addition all obligations under contract by
9 such hospital authority for hospital
10 purposes, including any outstanding bonded
11 indebtedness of the hospital authority, can
12 be assumed and discharged by the hospital
13 district without prejudice to the rights of
14 third parties; and such hospital authority
15 by virtue of such assumption shall be by the
16 hospital district relieved of any further
17 liability for the payment thereof or for
18 providing interest and sinking-fund
19 requirements thereon; provided that nothing
20 herein contained shall limit or affect any
21 of the rights of any of the holders of such
22 bonds of the hospital authority in the event
23 of default in the payment of the principal
24 of or interest on any of such bonds in
25 accordance with their respective terms. As
26 soon as the hospital district is created and
27 authorized at the election hereinabove
28 provided, the governing body of such
29 hospital authority can complete the
30 transfer of properties herein authorized by
31 executing and delivering to the hospital
32 district, to wit, to its said board of
33 directors, an instrument in writing
34 conveying to said hospital district the
35 hospital property located within the
36 district's boundaries, including lands,
37 buildings, furnishings, and equipment; and
38 can transfer to said hospital district the
39 funds hereinabove provided to become vested
40 in the hospital district, upon being
41 furnished the certificate of the president
42 of the board of directors of the district to
43 the fact that a depository for the
44 district's funds has been selected and has
45 qualified, which funds shall, in the hands
46 of the hospital district and of its board of
47 directors, be used for all or any of the
48 same purposes as, and for no other purpose
49 than, the purposes for which said hospital
50 authority transferring such funds could
51 lawfully have used the same had they
52 remained the property and funds of such
53 hospital authority.

54 (b) In the alternative to Subsection
55 (a) of this section, the hospital district
56 is hereby authorized and empowered to
57 purchase from any such hospital authority,
58 as described in Subsection (a), and each
59 such hospital authority is hereby
60 authorized to sell to said hospital
61 district any and all of its hospital
62 facilities, including all lands, buildings,
63 equipment, and properties, at a price equal
64 to the cost of paying and retiring all of
65 the hospital authority's outstanding
66 revenue bonds by utilizing one or more of
67 the following methods, to wit: (1) by
68 selling district bonds for cash in an amount
69 sufficient to pay the authority's bonds and

1 any premiums required to the bondholders to
2 prepay the same prior to maturity or option
3 date, and the payment thereof by the
4 authority; or (2) by obtaining the consent
5 of the holders of the authority's
6 outstanding bonds to a purchase of the
7 authority's hospital facilities and
8 continuing the pledge of the revenues
9 securing the authority's revenue bonds; or
10 (3) by exchanging district bonds for such
11 outstanding revenue bonds or refunding them
12 with district bonds; or (4) by selling
13 district bonds for cash in an amount
14 necessary, without account for investment,
15 to pay and retire such revenue bonds (both
16 principal and interest) as they become due
17 or mature, but not longer than the earliest
18 option date, and making firm banking
19 arrangements for such outstanding revenue
20 bonds of the authority by depositing the
21 proceeds from the sale of the district's
22 bonds into an interest and sinking fund from
23 which such revenue bonds are payable; or (5)
24 any combination of the foregoing.

25 (4) Section 19, Chapter 211, Acts of the 64th
26 Legislature, Regular Session, 1975, provides that the
27 act is severable. The revised law omits this provision
28 because it duplicates Section 311.032, Government Code
29 (Code Construction Act), which provides that a
30 provision of a statute is severable from each other
31 provision of the statute that can be given effect. The
32 omitted law reads:

33 Sec. 19. If any of the provisions of
34 this Act or the application thereof to any
35 person or circumstances is held invalid,
36 such invalidity shall not affect other
37 provisions or applications of the Act which
38 can be given effect without the invalid
39 provision or application, and to this end
40 the provisions of this Act are declared to
41 be severable.

42 (5) Section 20, Chapter 211, Acts of the 64th
43 Legislature, Regular Session, 1975, provides that
44 public notice of enactment of the statute was provided
45 in a manner that satisfies the requirements of the
46 Texas Constitution. The revised law omits that
47 section as executed. The omitted law reads:

48 Sec. 20. Proof of publication of the
49 notice required in the enactment hereof
50 under the provisions of Section 9, Article
51 IX, Constitution of the State of Texas, has
52 been made in the manner and form provided by
53 law pertaining to the enactment of local and

1 special laws, and such notice is hereby
2 found and declared proper and sufficient to
3 satisfy such requirement.

15 CHAPTER 1078. HOUSTON COUNTY HOSPITAL DISTRICT

16 SUBCHAPTER A. GENERAL PROVISIONS

17 Revised Law

18 Sec. 1078.001. DEFINITIONS. In this chapter:

- 19 (1) "Board" means the board of directors of the
20 district.
21 (2) "Director" means a member of the board.
22 (3) "District" means the Houston County Hospital
23 District. (Acts 69th Leg., R.S., Ch. 766, Sec. 1.01.)

24 Source Law

25 Sec. 1.01. In this Act:

- 26 (1) "District" means the Houston County
27 Hospital District.
28 (2) "Board" means the board of directors
29 of the district.
30 (3) "Director" means a member of the
31 board.

32 Revised Law

33 Sec. 1078.002. AUTHORITY FOR OPERATION. The Houston County
34 Hospital District operates and is financed as provided by Section
35 9, Article IX, Texas Constitution, and by this chapter. (Acts 69th
36 Leg., R.S., Ch. 766, Sec. 1.02.)

1 district, which has the same boundaries as when the
2 district was created. Accordingly, the revised law
3 defines the district boundaries as of the effective
4 date of the act that made the boundaries coextensive
5 with the school district.

6 In addition, under Section 1033.003, Special
7 District Local Laws Code, the boundaries of the
8 Grapeland Hospital District of Houston County, Texas,
9 are coextensive with the boundaries of the Grapeland
10 Independent School District (as those boundaries
11 existed on May 26, 1971). For the reader's convenience
12 and because the boundaries are identical and have not
13 changed since that date, the revised law substitutes
14 "Grapeland Hospital District of Houston County, Texas"
15 for "Grapeland Independent School District."

16 Revised Law

17 Sec. 1078.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
18 OBLIGATION. The state may not become obligated for the support or
19 maintenance of the district. (Acts 69th Leg., R.S., Ch. 766, Sec.
20 9.01 (part).)

21 Source Law

22 Sec. 9.01. The state may not become obligated
23 for the support or maintenance of a hospital district
24 created under this Act,

25 Revised Law

26 Sec. 1078.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
27 The legislature may not make a direct appropriation for the
28 construction, maintenance, or improvement of a district facility.
29 (Acts 69th Leg., R.S., Ch. 766, Sec. 9.01 (part).)

30 Source Law

31 Sec. 9.01. . . . nor may the legislature make a
32 direct appropriation for the construction,
33 maintenance, or improvement of a facility of the
34 district.

35 Revisor's Note
36 (End of Subchapter)

37 Sections 3.01-3.09, Chapter 766, Acts of the 69th

1 Legislature, Regular Session, 1985, provide
2 procedures for holding an election on the creation of
3 the district and the imposition of an ad valorem tax.
4 Sections 3.01-3.09 also provide procedures for voters
5 to consider a proposition authorizing the issuance of
6 bonds by the district at the election approving the
7 creation of the district. Because the district has
8 been created, the revised law omits those provisions
9 as executed. The omitted law reads:

10 Sec. 3.01. The district may be
11 created and a tax may be authorized only if
12 the creation and the tax are approved by a
13 majority of the qualified voters of the
14 territory of the proposed district voting
15 at an election called and held for those
16 purposes.

17 Sec. 3.02. (a) A majority of the
18 temporary directors of the district may
19 order a creation election to be held.

20 (b) On presentation of a petition for
21 a creation election signed by at least three
22 percent of the registered voters of the
23 territory of the proposed district,
24 according to the most recent official lists
25 of registered voters, the temporary
26 directors shall order an election to be
27 held. The election shall be called not later
28 than the 60th day after the date the
29 petition is presented to the district.

30 Sec. 3.03. The order calling the
31 election must state:

32 (1) the nature of the election,
33 including the proposition that is to appear
34 on the ballot;

35 (2) the date of the election;

36 (3) the hours during which the
37 polls will be open; and

38 (4) the location of the polling
39 places.

40 Sec. 3.04. The temporary directors
41 shall give notice of the election by
42 publishing a substantial copy of the
43 election order in a newspaper with general
44 circulation in the proposed district once a
45 week for two consecutive weeks. The first
46 publication must appear at least 35 days
47 before the date set for the election.

48 Sec. 3.05. (a) The election shall be
49 held not less than 35 days nor more than 60
50 days after the date on which the election is
51 ordered.

52 (b) A general law requiring elections
53 to be held on uniform or specified election
54 dates does not apply to an election ordered
55 under this article.

56 Sec. 3.06. (a) The ballot for a
57 creation election shall be printed to
58 permit voting for or against the
59 proposition: "The creation of the Houston

1 County Hospital District and the levy of
2 annual taxes for hospital purposes at a rate
3 not to exceed 15 cents on each \$100
4 valuation of taxable property in the
5 district."

6 (b) The ballot may include a
7 proposition for the issuance of bonds in
8 accordance with Section 3.09 of this Act.

9 Sec. 3.07. (a) Not later than the
10 10th day after the date of the election, the
11 temporary directors of the district shall
12 meet and canvass the returns of the
13 election.

14 (b) If the temporary directors find
15 that the election results are favorable to
16 the proposition to create the district,
17 they shall issue an order declaring the
18 district created.

19 (c) If the temporary directors find
20 that the election results are not favorable
21 to the proposition to create the district,
22 another creation election may not be held
23 within 12 months after the date of the
24 election at which voters disapproved the
25 proposition.

26 Sec. 3.08. If the creation of the
27 district is not approved at an election held
28 within 60 months after the effective date of
29 this Act, this Act expires.

30 Sec. 3.09. (a) A petition for a
31 creation election under Section 3.02(b) of
32 this Act may include a request that a
33 proposition be submitted at the election to
34 determine whether or not the board may issue
35 district bonds if the district is created.
36 The petition must specify the maximum
37 amount of bonds to be issued and their
38 maximum maturity date.

39 (b) Even though a petition does not
40 request submission of a proposition on
41 whether the board may issue bonds or even
42 though the temporary directors have called
43 the election on their own motion under
44 Section 3.02(a) of this Act, the temporary
45 directors may submit a proposition at the
46 creation election on the issuance of bonds.

47 (c) If a bond proposition is
48 submitted to the voters, the ballot for the
49 election may include a proposition on the
50 issuance of bonds of the district on the
51 same day as the creation and tax levy
52 election.

53 (d) The board may issue bonds as
54 provided by this Act if a majority of the
55 votes cast at the election favor the
56 proposition to create the district,
57 authorize a tax, and issue bonds.

58 [Sections 1078.007-1078.050 reserved for expansion]

59 SUBCHAPTER B. DISTRICT ADMINISTRATION

60 Revised Law

61 Sec. 1078.051. BOARD ELECTION; TERM. (a) The district is
62 governed by a board of nine directors elected by place.

63 (b) Directors serve staggered two-year terms unless

1 four-year terms are established under Section 285.081, Health and
2 Safety Code. (Acts 69th Leg., R.S., Ch. 766, Secs. 4.01(a),
3 4.03(a), (d).)

4 Source Law

5 Sec. 4.01. (a) The district is governed by a
6 board of nine directors.

7 Sec. 4.03. (a) Members of the board of directors
8 shall be elected by place.

9 (d) After the initial election of directors, an
10 election shall be held on the first Saturday in April
11 of each year, and the appropriate number of directors
12 shall be elected for two-year terms.

13 Revisor's Note

14 (1) Section 4.01(b), Chapter 766, Acts of the
15 69th Legislature, Regular Session, 1985, provides that
16 the temporary directors serve as directors of the
17 district until elected directors take office. Because
18 a board of directors has been elected and taken office,
19 the revised law omits the provision as executed. The
20 omitted law reads:

21 (b) From the time the creation of the
22 district is approved until the elected
23 directors take office, the temporary
24 directors serve as directors of the
25 district.

26 (2) Section 4.03(b), Chapter 766, Acts of the
27 69th Legislature, Regular Session, 1985, provides that
28 the candidate receiving the highest number of votes
29 for a place is a director. The revised law omits the
30 provision because it duplicates Section 2.001,
31 Election Code, which provides that, except as
32 otherwise provided by law, to be elected to a public
33 office a candidate must receive more votes than any
34 other candidate for the office. The omitted law reads:

35 (b) The candidate for a place
36 receiving the highest number of votes for
37 election to that place is a director for the
38 district.

39 (3) Section 4.03(c), Chapter 766, Acts of the
40 69th Legislature, Regular Session, 1985, prescribes

1 the terms of the initial directors and, in doing so,
2 establishes staggered two-year terms for the
3 directors. The revised law omits the specific
4 provision relating to the terms of the initial
5 directors as executed but revises the establishment of
6 a board consisting of nine directors serving staggered
7 two-year terms. The omitted law reads:

8 (c) Those directors elected to fill
9 even-numbered places at the initial
10 election serve for a term of two years and
11 those elected to fill odd-numbered places
12 at the initial election of directors serve
13 for a term of one year.

14 (4) Section 4.03(d), Chapter 766, Acts of the
15 69th Legislature, Regular Session, 1985, provides that
16 directors serve for two years. Section 285.081,
17 Health and Safety Code, applicable to this hospital
18 district, provides a mechanism by which the governing
19 board of a hospital district may, on its own motion,
20 order that members are to be elected in even-numbered
21 years to serve staggered four-year terms. The revised
22 law is drafted accordingly and adds a reference to this
23 provision for the convenience of the reader.

24 (5) Section 4.03(d), Chapter 766, Acts of the
25 69th Legislature, Regular Session, 1985, prescribes
26 the procedures for elections "[a]fter the initial
27 election of directors." The quoted language is
28 omitted as executed. Section 4.03(d) also states that
29 directors' elections are held on the first Saturday in
30 April each year. The revised law omits that provision
31 as impliedly repealed by a 1986 amendment to Section
32 41.001, Election Code. Chapter 14, Acts of the 69th
33 Legislature, 3rd Called Session, 1986, amended Section
34 41.001, Election Code, to prescribe certain uniform
35 election dates. Section 37 of that act required a
36 political subdivision that had held its general
37 election of officers on the first Saturday in April to

1 hold that election on a uniform election date in May or
2 to choose a different uniform election day on which to
3 hold the election.

4 Revised Law

5 Sec. 1078.052. NOTICE OF ELECTION. At least 35 days before
6 the date of an election of directors, notice of the election shall
7 be published one time in a newspaper with general circulation in the
8 district. (Acts 69th Leg., R.S., Ch. 766, Sec. 4.04.)

9 Source Law

10 Sec. 4.04. At least 35 days before the date of
11 an election of directors, notice of the election shall
12 be published one time in a newspaper with general
13 circulation in the district.

14 Revised Law

15 Sec. 1078.053. BALLOT PETITION. A person who wants to have
16 the person's name printed on the ballot as a candidate for director
17 must file with the board secretary a petition requesting that
18 action. The petition must:

19 (1) be signed by at least 100 registered voters of the
20 district as determined by the most recent official list of
21 registered voters;

22 (2) be filed not later than the 31st day before the
23 date of the election; and

24 (3) specify the place for which the person is to be a
25 candidate. (Acts 69th Leg., R.S., Ch. 766, Sec. 4.05.)

26 Source Law

27 Sec. 4.05. (a) A person who wishes to have his
28 name printed on the ballot as a candidate for director
29 must file with the secretary of the board of directors
30 a petition signed by at least 100 registered voters of
31 the district asking that his name be placed on the
32 ballot. The determination of whether a person is a
33 registered voter of the district shall be based on the
34 most recent official lists of registered voters.

35 (b) The petition must be filed with the
36 secretary not later than the 31st day before the date
37 of the election.

38 (c) The petition must specify the place for
39 which the applicant is to be a candidate.

40 Revised Law

41 Sec. 1078.054. QUALIFICATIONS FOR OFFICE. (a) To be
42 eligible to be a candidate for or to serve as a director, a person

1 must be:

2 (1) a resident of the district; and

3 (2) a qualified voter.

4 (b) A district employee may not serve as a director. (Acts
5 69th Leg., R.S., Ch. 766, Sec. 4.06.)

6 Source Law

7 Sec. 4.06. (a) To be eligible to be a candidate
8 for or to serve as a director, a person must be:

9 (1) a resident of the district; and

10 (2) a qualified voter.

11 (b) An employee of the district may not serve as
12 a director.

13 Revised Law

14 Sec. 1078.055. BOND; RECORD OF BOND. (a) Before assuming
15 the duties of office, each director must execute a bond for \$5,000
16 that is:

17 (1) payable to the district; and

18 (2) conditioned on the faithful performance of the
19 director's duties.

20 (b) The board may pay for a director's bond with district
21 money.

22 (c) The bond shall be kept in the permanent records of the
23 district. (Acts 69th Leg., R.S., Ch. 766, Sec. 4.08.)

24 Source Law

25 Sec. 4.08. (a) Before assuming the duties of the
26 office, each director shall execute a bond for \$5,000
27 payable to the district, conditioned on the faithful
28 performance of the person's duties as director.

29 (b) The bond shall be kept in the permanent
30 records of the district.

31 (c) The board may pay for directors' bonds with
32 district funds.

33 Revised Law

34 Sec. 1078.056. BOARD VACANCY. If a vacancy occurs in the
35 office of director, the remaining directors shall appoint a
36 director for the unexpired term. (Acts 69th Leg., R.S., Ch. 766,
37 Sec. 4.09.)

38 Source Law

39 Sec. 4.09. A vacancy in the office of director
40 shall be filled for the unexpired term by appointment
41 by the remaining directors.

1 Revised Law

2 Sec. 1078.057. OFFICERS. (a) The board shall elect a
3 president and a vice president from among its members.

4 (b) The board shall appoint a secretary, who need not be a
5 director.

6 (c) Each officer of the board serves for a term of one year.

7 (d) The board shall fill a vacancy in a board office for the
8 unexpired term. (Acts 69th Leg., R.S., Ch. 766, Secs. 4.10, 4.11.)

9 Source Law

10 Sec. 4.10. The board shall elect from among its
11 members a president and a vice-president. The board
12 shall also appoint a secretary. The secretary need not
13 be a director.

14 Sec. 4.11. (a) Each officer of the board serves
15 for a term of one year.

16 (b) A vacancy in a board office shall be filled
17 for the unexpired term by the board.

18 Revised Law

19 Sec. 1078.058. COMPENSATION; EXPENSES. A director or
20 officer serves without compensation but may be reimbursed for
21 actual expenses incurred in the performance of official duties.
22 The expenses must be:

23 (1) reported in the district's records; and

24 (2) approved by the board. (Acts 69th Leg., R.S., Ch.
25 766, Sec. 4.12.)

26 Source Law

27 Sec. 4.12. Directors and officers serve without
28 compensation but may be reimbursed for actual expenses
29 incurred in the performance of official duties. Those
30 expenses must be reported in the district's minute book
31 or other district records and must be approved by the
32 board.

33 Revisor's Note

34 Section 4.12, Chapter 766, Acts of the 69th
35 Legislature, Regular Session, 1985, requires that
36 approved expenses be reported in the "district's
37 minute book or other district records." The revised
38 law omits the reference to the "district's minute book"
39 because the minute book is a district record.

1 Revised Law

2 Sec. 1078.059. VOTING REQUIREMENT. A concurrence of a
3 majority of the directors voting is necessary in any matter
4 relating to district business. (Acts 69th Leg., R.S., Ch. 766, Sec.

9 relating to the business of the district.

10 Revised Law

11 Sec. 1078.060. DISTRICT ADMINISTRATOR. (a) The board may
12 appoint a qualified person as district administrator.

13 (b) The district administrator serves at the will of the
14 board and is entitled to the compensation determined by the board.

15 (c) Before assuming the duties of district administrator,
16 the administrator must execute a bond in the amount set by the board
17 of not less than \$5,000 that is:

18 (1) payable to the district; and

20 administrator's duties under this chapter.

21 (d) The board may pay for the bond with district money.
22 (Acts 69th Leg., R.S., Ch. 766, Secs. 4.14(a) (part), (b) (part),
23 (c) (part), (d).)

24 Source Law

25 Sec. 4.14. (a) The board may appoint qualified

36 board may pay for the bond with district funds.

37 Revised Law

38 Sec. 1078.061. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.

20 Source Law

21 Sec. 4.18. The board may provide retirement
22 benefits for employees of the district by establishing

28 Revisor's Note

29 (End of Subchapter)

30 (1) Sections 2.01 and 2.02, Chapter 766, Acts of
31 the 69th Legislature, Regular Session, 1985, refer to
32 the appointment of temporary directors of the
33 district. The revised law omits those provisions as
34 executed. The omitted law reads:

35 Sec. 2.01. On the effective date of
36 this Act, the following persons become
37 temporary directors of the district:

- 38 (1) Emmett Solomon;
- 39 (2) Charlotte Bass;
- 40 (3) Jesse Stephens;
- 41 (4) John Stovall, D.D.S.;
- 42 (5) Lee Brooks;
- 43 (6) B. L. Robbins;
- 44 (7) C. R. Haeckler, M.D.;
- 45 (8) Carlton McKinney; and
- 46 (9) a person appointed by

47 majority vote of the temporary directors.

48 Sec. 2.02. A vacancy in the office of
49 temporary director shall be filled by

1 appointment by majority vote of the
2 remaining directors.

3 (2) Section 4.02, Chapter 766, Acts of the 69th
4 Legislature, Regular Session, 1985, establishes the
5 date of the initial directors' election. The revised
6 law omits the provision as executed. The omitted law
7 reads:

8 Sec. 4.02. Directors shall be
9 elected at an election to be held on the
10 first Saturday in April following the
11 creation of the district.

16 full responsibility for:

- 17 (1) operating hospital facilities; and
18 (2) providing medical and hospital care for the
19 district's needy inhabitants. (Acts 69th Leg., R.S., Ch. 766, Sec.

21 Source Law

22 Sec. 5.02. On creation of the district, the
23 district:

24 (1) assumes full responsibility for
25 operating hospital facilities and for furnishing
26 medical and hospital care for the district's needy
27 inhabitants;

28

29 Revisor's Note

30 Section 5.02, Chapter 766, Acts of the 69th
31 Legislature, Regular Session, 1985, provides that
32 "[o]n creation of the district," the district
33 "assumes" certain responsibilities. The revised law
34 substitutes "has" for the quoted language because the
35 duty to assume the responsibility is executed.

36 Revised Law

37 Sec. 1078.102. RESTRICTION ON HOUSTON COUNTY TAXATION AND
38 DEBT. Houston County may not impose a tax or issue bonds or other
39 obligations for hospital purposes or to provide medical care for
40 district residents. (Acts 69th Leg., R.S., Ch. 766, Sec. 5.01(b).)

1 board may prescribe:

2 (1) the method of making purchases and expenditures by
3 and for the district; and

4 (2) accounting and control procedures for the
5 district. (Acts 69th Leg., R.S., Ch. 766, Sec. 5.05.)

7 Sec. 5.05. (a) The board may prescribe the
8 method of making purchases and expenditures by and for
9 the district.

10 (b) The board may prescribe accounting and
11 control procedures for the district.

12 Revised Law

13 Sec. 1078.106. MOBILE EMERGENCY MEDICAL SERVICE. The
14 district may operate or provide for the operation of a mobile
15 emergency medical service. (Acts 69th Leg., R.S., Ch. 766, Sec.
16 5.02 (part).)

18 Sec. 5.02. . . . the district:

19 . . .
20 (3) may operate or provide for the
21 operation of a mobile emergency medical service.

22 Revised Law

23 Sec. 1078.107. DISTRICT PROPERTY, FACILITIES, AND
24 EQUIPMENT. (a) The board shall determine:

25 (1) the type, number, and location of buildings
26 required to maintain an adequate hospital system; and

27 (2) the type of equipment necessary for hospital care.

28 (b) The board may:

29 (1) acquire property, including facilities and
30 equipment, for the district for use in the hospital system; and

31 (2) mortgage or pledge the property as security for
32 the payment of the purchase price.

33 (c) The board may lease hospital facilities from others for
34 the district.

35 (d) The board may sell or otherwise dispose of property,
36 including facilities or equipment, for the district. (Acts 69th
37 Leg., R.S., Ch. 766, Secs. 5.06(a), (b), (c), (d).)

1 Source Law

2 Sec. 5.06. (a) The board shall determine the
3 type, number, and location of buildings required to
4 establish and maintain an adequate hospital system and
5 the type of equipment necessary for hospital care.

6 (b) The board may acquire property, facilities,
7 and equipment for the district for use in the hospital
8 system and may mortgage or pledge the property,
9 facilities, or equipment acquired as security for the
10 payment of the purchase price.

11 (c) The board may lease hospital facilities from
12 others on behalf of the district.

13 (d) The board may sell or otherwise dispose of
14 property, facilities, or equipment on behalf of the
15 district.

16 Revisor's Note

17 Section 5.06(a), Chapter 766, Acts of the 69th
18 Legislature, Regular Session, 1985, requires the board
19 to determine the buildings required to "establish and
20 maintain" an adequate hospital system. The revised
21 law omits the reference to establishing the hospital
22 system as executed.

23 Revised Law

24 Sec. 1078.108. EMINENT DOMAIN. (a) The district may
25 exercise the power of eminent domain to acquire a fee simple or
26 other interest in property located in district territory if the
27 property interest is necessary to exercise a right or authority
28 conferred by this chapter.

29 (b) The district must exercise the power of eminent domain
30 in the manner provided by Chapter 21, Property Code, except the
31 district is not required to deposit money in the trial court or
32 execute a bond as provided by Section 21.021(a)(2) or (3), Property
33 Code.

34 (c) In a condemnation proceeding brought by the district,
35 the district is not required to:

36 (1) pay in advance or provide a bond or other security
37 for costs in the trial court;

38 (2) provide a bond for the issuance of a temporary
39 restraining order or a temporary injunction; or

40 (3) provide a bond for costs or a supersedeas bond on
41 an appeal or petition for review. (Acts 69th Leg., R.S., Ch. 766,

1 Sec. 5.09.)

2 Source Law

3 Sec. 5.09. (a) The district may exercise the
4 power of eminent domain to acquire by condemnation a
5 fee simple or other interest in property located in the
6 territory of the district if the property interest is
7 necessary to the exercise of the rights or authority
8 conferred by this Act.

9 (b) The district must exercise the power of
10 eminent domain in the manner provided by Chapter 21,
11 Property Code, but the district is not required to
12 deposit in the trial court money or execute a bond as
13 provided by Section 21.021(a)(2) or (3), Property
14 Code.

15 (c) In a condemnation proceeding brought by the
16 district, the district is not required to pay in
17 advance or give bond or other security for costs in the
18 trial court, to give bond for the issuance of a
19 temporary restraining order or a temporary injunction,
20 or to give bond for costs or supersedeas on an appeal
21 or writ of error.

22 Revisor's Note

23 Section 5.09, Chapter 766, Acts of the 69th
24 Legislature, Regular Session, 1985, refers to a "writ
25 of error." The revised law substitutes "petition for
26 review" for "writ of error" because, effective
27 September 1, 1997, the Texas Supreme Court replaced
28 the writ of error procedure with the petition for
29 review procedure. See Rule 53.1, Rules of Appellate
30 Procedure.

31 Revised Law

32 Sec. 1078.109. COST OF RELOCATING OR ALTERING PROPERTY. In
33 exercising the power of eminent domain, if the board requires
34 relocating, raising, lowering, rerouting, changing the grade of, or
35 altering the construction of any railroad, highway, pipeline, or
36 electric transmission, telegraph, or telephone line, conduit,
37 pole, or facility, the district must bear the actual cost of
38 relocating, raising, lowering, rerouting, changing the grade, or
39 altering the construction to provide comparable replacement
40 without enhancement of facilities, after deducting the net salvage
41 value derived from the old facility. (Acts 69th Leg., R.S., Ch.
42 766, Sec. 5.10.)

1 Source Law

2 Sec. 5.10. In exercising the power of eminent
3 domain, if the board requires relocating, raising,
4 lowering, rerouting, changing the grade, or altering
5 the construction of any railroad, highway, pipeline,
6 or electric transmission, telegraph, or telephone
7 lines, conduits, poles, or facilities, the district
8 must bear the actual cost of relocating, raising,
9 lowering, rerouting, changing the grade, or altering
10 the construction to provide comparable replacement
11 without enhancement of facilities, after deducting the
12 net salvage value derived from the old facility.

13 Revised Law

14 Sec. 1078.110. GIFTS AND ENDOWMENTS. The board may accept
15 for the district a gift or endowment to be held in trust for any
16 purpose and under any direction, limitation, or other provision
17 prescribed in writing by the donor that is consistent with the
18 proper management of the district. (Acts 69th Leg., R.S., Ch. 766,
19 Sec. 5.14.)

20 Source Law

21 Sec. 5.14. On behalf of the district, the board
22 may accept donations, gifts, and endowments to be held
23 in trust for any purpose and under any direction,
24 limitation, or provision prescribed in writing by the
25 donor that is consistent with the proper management of
26 the district.

27 Revisor's Note

28 Section 5.14, Chapter 766, Acts of the 69th
29 Legislature, Regular Session, 1985, refers to
30 "donations" and "gifts." The revised law omits the
31 reference to "donations" because "donations" is
32 included in the meaning of "gifts."

33 Revised Law

34 Sec. 1078.111. LEASE OF DISTRICT PROPERTY. (a) The board
35 may lease all or part of the district's property, including
36 facilities or equipment, to any person on terms the board considers
37 to be in the district's best interest. The lease period may not
38 exceed 40 years.

39 (b) When leasing the property the board may delegate as it
40 considers appropriate the board's power to manage or operate the
41 leased property to furnish hospital care.

42 (c) For each leased property the board shall provide that

1 the lessee charge rates for services rendered or goods provided at
2 the leased premises that, together with other sources of the
3 lessee's revenue, produce an amount sufficient to enable the lessee
4 to pay the expenses of operating and maintaining the leased
5 premises required of the lessee under the lease. The lease must
6 also require the lessee to pay lease rentals to the district that
7 will be sufficient when taken with any other sources of the
8 district's estimated revenue that are pledged for the same purposes
9 to:

10 (1) pay the interest on any revenue or special
11 obligation bonds that are payable wholly or partly from the lease
12 rentals;

13 (2) create and maintain a sinking fund to pay the
14 principal of, interest on, and premium, if any, on the bonds as they
15 become due;

16 (3) create and maintain a bond reserve fund and other
17 fund as provided for in the bond resolution or trust indenture
18 authorizing the issuance of the bonds; and

19 (4) pay all other charges, fees, costs, and expenses
20 that the lessee is required to pay under the resolution or
21 indenture.

22 (d) The lease, management agreement, bond resolution, or
23 trust indenture may prescribe systems, methods, routines,
24 procedures, and policies for the operation of the buildings and
25 other facilities owned by the district. If all or part of the
26 district's buildings or other facilities are leased, the district
27 may delegate to the lessee the duty to establish the systems,
28 methods, routines, procedures, and policies for the operation of
29 the leased premises. (Acts 69th Leg., R.S., Ch. 766, Sec. 5.06(e)
30 (part).)

31 Source Law

32 (e) The board may lease all or part of the
33 property, facilities, or equipment of the district to
34 any person, on terms and conditions it considers to be
35 in the best interest of the district. In connection
36 with the lease, the board may delegate as it considers
37 appropriate to furnish hospital care, any of its

1 powers to manage or operate the leased property,
2 facilities, or equipment, A lease may not be
3 for a period longer than 40 years from the date that it
4 is entered into. If all or part of the district's
5 property, facilities, or equipment is leased, the
6 board shall provide that the lessee shall charge
7 sufficient rates for services rendered or goods
8 provided at the leased premises that, together with
9 other sources of the lessee's revenues, will produce
10 revenues sufficient to enable the lessee to pay the
11 expenses of operation and maintenance of the leased
12 premises that the lessee is required to pay under the
13 lease and to pay lease rentals to the district that
14 will be sufficient, when taken with any other sources
15 of the district's estimated revenues that are pledged
16 for the same purposes, to pay the interest on any
17 revenue or special obligation bonds that are payable
18 in whole or in part from those lease rentals; to create
19 and maintain a sinking fund to pay the principal of,
20 interest on, and premium, if any, on those bonds as
21 they become due; to create and maintain a bond reserve
22 fund and any other fund provided for in the bond
23 resolution or trust indenture authorizing the issuance
24 of the bonds; and to pay all other charges, fees,
25 costs, and expenses that the lessee is required to pay
26 in accordance with the resolution or indenture. The
27 lease, management agreement, bond resolution, or trust
28 indenture may prescribe systems, methods, routines,
29 procedures, and policies under or in accordance with
30 which the buildings and facilities owned by the
31 district shall be operated, and if all or part of the
32 district's buildings and facilities are leased, the
33 district may delegate to the lessee the duty to
34 establish the systems, methods, routines, procedures,
35 and policies under or in accordance with which the
36 leased premises shall be operated.

37 Revisor's Note

38 (1) Section 5.06(e), Chapter 766, Acts of the
39 69th Legislature, Regular Session, 1985, refers to
40 "terms or conditions." The revised law omits the
41 reference to "conditions" because "conditions" is
42 included in the meaning of "terms."

43 (2) Section 5.06(e), Chapter 766, Acts of the
44 69th Legislature, Regular Session, 1985, provides that
45 the district is subject to applicable laws and rules
46 adopted by the "Texas Department of Health" and the
47 "Texas Health Facilities Commission" and to inspection
48 by those agencies. The revised law omits that
49 provision because any applicable laws and rules apply
50 on their own terms. In addition, various state laws,
51 including Chapters 222 and 241, Health and Safety
52 Code, provide the necessary regulatory and inspection

1 authority to appropriate state agencies. The omitted
2 law reads:

3 (e) . . . but hospital care at any
4 leased property or facility is subject to
5 all applicable laws and all rules adopted by
6 the Texas Department of Health, the Texas
7 Health Facilities Commission, or any other
8 agency that may regulate hospitals and is
9 subject to inspection by any authorized
10 representative of any of those agencies.

12 Revised Law

13 Sec. 1078.112. CONSTRUCTION CONTRACTS. (a) The board may
14 enter into construction contracts for the district.

15 (b) The board may enter into a construction contract that
16 involves the expenditure of more than the amount provided by
17 Section 271.024, Local Government Code, only after competitive
18 bidding as provided by Subchapter B, Chapter 271, Local Government
19 Code. (Acts 69th Leg., R.S., Ch. 766, Sec. 5.07(a).)

20 Source Law

21 Sec. 5.07. (a) The board may enter into
22 construction contracts on behalf of the district;
23 however, the board may enter into construction
24 contracts that involve spending more than \$10,000 only
25 after competitive bidding as provided by Chapter 770,
26 Acts of the 66th Legislature, Regular Session, 1979
27 (Article 2368a.3, Vernon's Texas Civil Statutes).

28 Revisor's Note

29 (1) Section 5.07(a), Chapter 766, Acts of the
30 69th Legislature, Regular Session, 1985, provides that
31 the district may enter into construction contracts
32 that involve spending more than \$10,000 only after
33 competitive bidding as provided by V.A.C.S. Article
34 2368a.3. Chapter 149, Acts of the 70th Legislature,
35 Regular Session, 1987, revised the relevant parts of
36 Article 2368a.3 as Subchapter B, Chapter 271, Local
37 Government Code, and the revised law is drafted
38 accordingly. The revised law omits the reference to
39 the \$10,000 amount as superseded by Section 5, Chapter
40 115, Acts of the 77th Legislature, Regular Session,
41 2001, which amended Section 271.024, Local Government

1 Code, to increase the contract amount for which
2 competitive bidding is required to \$25,000.

3 (2) Section 5.07(b), Chapter 766, Acts of the
4 69th Legislature, Regular Session, 1985, provides that
5 Article 5160, Revised Statutes, applies to the
6 district's construction contracts in relation to
7 performance and payment bonds. The revised law omits
8 that reference because Article 5160 was codified in
9 1993 as Chapter 2253, Government Code, and that
10 chapter applies to hospital districts on its own
11 terms. The omitted law reads:

12 (b) Article 5160, Revised Statutes,
13 as it relates to performance and payment
14 bonds, applies to construction contracts
15 let by the district.

16 Revised Law

17 Sec. 1078.113. OPERATING AND MANAGEMENT CONTRACTS. The
18 district, through its board, may:

19 (1) enter into an operating or management contract
20 with any person relating to all or any part of its hospital
21 facility;

22 (2) delegate to the person the power to manage and
23 operate all or part of the hospital facilities or hospital system;
24 and

25 (3) employ and discharge employees or appoint and
26 remove doctors from the staff. (Acts 69th Leg., R.S., Ch. 766,
27 Secs. 5.03 (part), 5.08 (part).)

28 Source Law

29 Sec. 5.03. . . . The board may delegate the
30 management or operation of all or any part of the
31 hospital system in accordance with Section 5.08 of
32 this Act.

33 Sec. 5.08. The district, through its board, may
34 enter into operating or management contracts with any
35 person relating to all or any part of its hospital
36 facilities and may delegate to the manager the power to
37 manage and operate all or part of the hospital
38 facilities or hospital system and to employ and
39 discharge employees or appoint and remove doctors from
40 the staff. . . .

1 Revised Law

2 Sec. 1078.114. CONTRACTS FOR CARE. The board may contract
3 with any lessee of the district's hospital facilities or any other
4 person to provide hospital care to needy district inhabitants for
5 payments and under terms that the board considers to be in the
6 district's best interests. (Acts 69th Leg., R.S., Ch. 766, Sec.
7 5.08 (part).)

8 Source Law

9 Sec. 5.08. . . . In addition, the board may
10 contract with any lessee of its hospital facilities or
11 any other person to provide hospital care to the needy
12 inhabitants of the district for payments and under
13 terms and conditions the board considers to be in the
14 best interests of the district.

15 Revisor's Note

16 Section 5.08, Chapter 766, Acts of the 69th
17 Legislature, Regular Session, 1985, refers to "terms
18 and conditions." The revised law omits the reference
19 to "conditions" because "conditions" is included in
20 the meaning of "terms."

21 Revised Law

22 Sec. 1078.115. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
23 SERVICES. The board may contract with a political subdivision of
24 the state or with a state or federal agency for the district or for
25 any lessee of the district's hospital facilities to:

- 26 (1) furnish a mobile emergency medical service; or
27 (2) provide for the investigatory or welfare needs of
28 district inhabitants. (Acts 69th Leg., R.S., Ch. 766, Sec. 5.13.)

29 Source Law

30 Sec. 5.13. The board may contract with a city,
31 county, special district, or other political
32 subdivision of the state or with a state or federal
33 agency for the district or for any lessee of the
34 district's hospital facilities to furnish a mobile
35 emergency medical service or to provide for the
36 investigatory or welfare needs of inhabitants of the
37 district.

38 Revisor's Note

39 Section 5.13, Chapter 766, Acts of the 69th
40 Legislature, Regular Session, 1985, authorizes the

1 board to contract with a "city, county, special
2 district, or other political subdivision of the
3 state." The revised law omits "city," "county," and
4 "special district" in this context because those terms
5 are included in the meaning of "political subdivision
6 of the state."

7 Revised Law

8 Sec. 1078.116. PAYMENT FOR TREATMENT; PROCEDURES. (a)

9 When a person who resides in the district is admitted as a patient
10 to a district facility, the district administrator or a person
11 designated by the board may have an inquiry made into the financial
12 circumstances of:

13 (1) the patient; and

14 (2) a relative of the patient who is legally
15 responsible for the patient's support.

16 (b) To the extent that a patient or a relative of the patient
17 legally responsible for the patient's support cannot pay for care
18 and treatment provided by the district, the district shall supply
19 the care and treatment without charging the patient or the
20 patient's relative.

21 (c) On determining that the patient or a relative legally
22 responsible for the patient's support can pay for all or any part of
23 the care and treatment provided by the district, the district
24 administrator or the person designated by the board shall report
25 that determination to the board, and the board shall issue an order
26 directing the patient or the relative to pay the district a
27 specified amount each week. The amount must be based on the
28 person's ability to pay.

29 (d) The district administrator or the person designated by
30 the board may collect the amount owed to the district from the
31 patient's estate or from that of a relative legally responsible for
32 the patient's support in the manner provided by law for collection
33 of expenses in the last illness of a deceased person.

34 (e) If there is a dispute relating to a person's ability to

1 pay or if the district administrator or the person designated by the
2 board has any doubt concerning a person's ability to pay, the board
3 shall:

- 4 (1) call witnesses;
- 5 (2) hear and resolve the question; and
- 6 (3) issue a final order.

7 (f) The final order of the board may be appealed to a
8 district court in Houston County. The substantial evidence rule
9 applies to the appeal. (Acts 69th Leg., R.S., Ch. 766, Sec. 5.11.)

10 Source Law

11 Sec. 5.11. (a) If an individual residing in the
12 district is admitted as a patient to a facility of the
13 district, the administrator or a person designated by
14 the board may have an inquiry made as to the patient's
15 financial circumstances and as to the financial
16 circumstances of a relative of the patient who is
17 legally responsible for the patient's support.

18 (b) On finding that the patient or a relative of
19 the patient legally responsible for the patient's
20 support can pay for all or any part of the care and
21 treatment provided by the district, the administrator
22 or designee of the board shall report that finding to
23 the board, and the board shall issue an order directing
24 the patient or the relative to pay the district a
25 specified sum each week based on the individual's
26 ability to pay.

27 (c) The administrator or designee of the board
28 may collect money owed to the district from the estate
29 of the patient or from that of a relative who was
30 legally responsible for the patient's support in the
31 manner provided by law for collection of expenses in
32 the last illness of a deceased person.

33 (d) To the extent that a patient or a relative of
34 the patient legally responsible for the patient's
35 support cannot pay for care and treatment provided by
36 the district, the district shall supply that care and
37 treatment without charging the patient or the
38 patient's relative.

39 (e) If there is a dispute relating to an
40 individual's ability to pay or if the administrator or
41 the designee of the board has any doubt concerning an
42 individual's ability to pay, the board shall call
43 witnesses, hear and resolve the question, and issue a
44 final order. An appeal from a final order of the board
45 must be made to a district court in the county in which
46 the district is located and the substantial evidence
47 rule applies.

48 Revisor's Note

49 Section 5.11(e), Chapter 766, Acts of the 69th
50 Legislature, Regular Session, 1985, authorizes the
51 appeal of a final order to be made to the district
52 court "in the county in which the district is located."

1 The revised law substitutes "Houston County" for the
2 quoted language because Houston County is the county
3 in which the district is located.

4 Revised Law

5 Sec. 1078.117. REIMBURSEMENT FOR SERVICE. (a) The board
6 shall require a county or municipality located outside the district
7 to reimburse the district for the district's care and treatment of a
8 sick or injured person of that county or municipality.

9 (b) The board shall require the sheriff of Houston County to
10 reimburse the district for the district's care and treatment of a
11 person who is confined in a jail facility of Houston County and is
12 not a district resident.

13 (c) On behalf of the district, the board may contract with
14 the state or federal government for that government to reimburse
15 the district for treatment of a sick or injured person. (Acts 69th
16 Leg., R.S., Ch. 766, Sec. 5.12.)

17 Source Law

18 Sec. 5.12. (a) The board shall require
19 reimbursement from a county or a city located outside
20 the boundaries of the district for the district's care
21 and treatment of a sick, diseased, or injured person of
22 that county or city.

23 (b) The board shall require reimbursement from
24 the sheriff of Houston County for the district's care
25 and treatment of a person confined in a jail facility
26 of Houston County who is not a resident of the
27 district.

28 (c) On behalf of the district, the board may
29 contract with the state or federal government for the
30 state or federal government to reimburse the district
31 for treatment of a sick, diseased, or injured person.

32 Revisor's Note

33 (1) Sections 5.12(a) and (c), Chapter 766, Acts
34 of the 69th Legislature, Regular Session, 1985, refer
35 to a "sick, diseased, or injured person." The revised
36 law omits the references to "diseased" because it is
37 included in the meaning of "sick."

38 (2) Section 5.12(a), Chapter 766, Acts of the
39 69th Legislature, Regular Session, 1985, refers to
40 "city." The revised law substitutes "municipality"
41 for "city" because in context the terms are

1 equivalent, and "municipality" is the term used by the
2 Local Government Code.

3 Revised Law

4 Sec. 1078.118. AUTHORITY TO SUE AND BE SUED. The board may
5 sue and be sued on behalf of the district. (Acts 69th Leg., R.S.,
6 Ch. 766, Sec. 5.15.)

20 all sources during the previous year;

26 available to cover the proposed budget; and
27 (7) the estimated tax rate required. (Acts 69th Leg.,
28 R.S., Ch. 766, Sec. 6.04.)

29 Source Law

30 Sec. 6.04. (a) The administrator of the
31 district shall prepare a proposed annual budget for

34 financial statement, including a statement of:

- 35 (1) the outstanding obligations of the
36 district;

39 (3) the amount of money received by the
40 district from all sources during the previous year;

1 (4) the amount of money available to the
2 district from all sources during the ensuing year;

3 (5) the amount of the balances expected at
4 the end of the year in which the budget is being
5 prepared;

6 (6) the estimated amount of revenues and
7 balances available to cover the proposed budget; and

8 (7) the estimated tax rate that will be
9 required.

10 Revised Law

11 Sec. 1078.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)

12 The board shall hold a public hearing on the proposed annual budget.

14 newspaper with general circulation in the district not later than
15 the 10th day before the date of the hearing.

16 (c) Any district resident is entitled to be present and
17 participate at the hearing.

18 (d) At the conclusion of the hearing, the board shall adopt
19 a budget by acting on the budget proposed by the district
20 administrator. The board may make any changes in the proposed
21 budget that the board determines to be in the interests of the
22 taxpayers.

23 (e) The budget is effective only after adoption by the
24 board. (Acts 69th Leg., R.S., Ch. 766, Sec. 6.05.)

25 Source Law

26 Sec. 6.05. (a) The board shall hold a public
27 hearing on the proposed annual budget.

28 (b) The board shall publish notice of the
29 hearing in a newspaper of general circulation in the
30 district not later than the 10th day before the date of
31 the hearing.

32 (c) Any resident of the district is entitled to
33 be present and participate at the hearing.

34 (d) At the conclusion of the hearing, the board
35 shall adopt a budget by acting on the budget proposed
36 by the administrator. The board may make any changes in
37 the proposed budget that in its judgment the interest
38 of the taxpayers demands.

39 (e) The budget is effective only after adoption
40 by the board.

41 Revised Law

42 Sec. 1078.153. AMENDMENTS TO BUDGET. After the annual
43 budget is adopted, the budget may be amended on the board's
44 approval. (Acts 69th Leg., R.S., Ch. 766, Sec. 6.06.)

45 Source Law

46 Sec. 6.06. After adoption, the annual budget

1 may be amended on the board's approval.

2 Revised Law

3 Sec. 1078.154. RESTRICTION ON EXPENDITURES. Money may be
4 spent only for an expense included in the budget or an amendment to
5 the budget. (Acts 69th Leg., R.S., Ch. 766, Sec. 6.07.)

6 Source Law

7 Sec. 6.07. Money may not be spent for an expense
8 not included in the annual budget or an amendment to

10 Revised Law

11 Sec. 1078.155. FISCAL YEAR. (a) The district operates
12 according to a fiscal year established by the board.

13 (b) The fiscal year may not be changed:

14 (1) during a period that revenue bonds of the district
15 are outstanding; or

16 (2) more than once in a 24-month period. (Acts 69th
17 Leg., R.S., Ch. 766, Sec. 6.01.)

19 Sec. 6.01. (a) The district is operated on the
20 basis of a fiscal year established by the board.

21 (b) The fiscal year may not be changed during a
22 period that revenue bonds of the district are
23 outstanding or more than once in a 24-month period.

24 Revised Law

25 Sec. 1078.156. ANNUAL AUDIT. The board annually shall have
26 an audit made of the district's financial condition. (Acts 69th
27 Leg., R.S., Ch. 766, Sec. 6.02.)

28 Source Law

29 Sec. 6.02. Annually, the board shall have an
30 audit made of the financial condition of the district.

31 Revised Law

32 Sec. 1078.157. INSPECTION OF ANNUAL AUDIT AND DISTRICT
33 RECORDS. The annual audit and other district records shall be open
34 to inspection during regular business hours at the district's
35 principal office. (Acts 69th Leg., R.S., Ch. 766, Sec. 6.03.)

36 Source Law

37 Sec. 6.03. The annual audit and other district
38 records shall be open to inspection during regular
39 business hours at the principal office of the
40 district.

1 Revised Law

2 Sec. 1078.158. FINANCIAL REPORT. As soon as practicable
3 after the close of the fiscal year, the district administrator
4 shall prepare for the board:

5 (1) a sworn statement of the amount of district money;
6 and

7 (2) an account of the disbursements of that money.
8 (Acts 69th Leg., R.S., Ch. 766, Sec. 6.08.)

9 Source Law

10 Sec. 6.08. As soon as practicable after the
11 close of the fiscal year, the administrator shall
12 prepare for the board a sworn statement of the amount
13 of money that belongs to the district and an account of
14 the disbursements of that money.

15 Revised Law

16 Sec. 1078.159. DEPOSITORY. (a) The board shall select at
17 least one bank to serve as a depository for district money.

18 (b) District money, other than money invested as provided by
19 Section 1078.160(b) and money transmitted to a bank for payment of
20 bonds or obligations issued or assumed by the district, shall be
21 deposited as received with the depository bank and shall remain on
22 deposit. This subsection does not limit the power of the board to
23 place a part of district money on time deposit or to purchase
24 certificates of deposit.

25 (c) The district may not deposit money with a bank in an
26 amount that exceeds the maximum amount secured by the Federal
27 Deposit Insurance Corporation unless the bank first executes a bond
28 or other security in an amount sufficient to secure from loss the
29 district money that exceeds the amount secured by the Federal
30 Deposit Insurance Corporation. (Acts 69th Leg., R.S., Ch. 766,
31 Sec. 6.10.)

32 Source Law

33 Sec. 6.10. (a) The board shall name at least one
34 bank to serve as depository for district funds.

35 (b) District funds, other than those invested as
36 provided by Section 6.09(b) of this Act and those
37 transmitted to a bank of payment for bonds or
38 obligations issued or assumed by the district, shall
39 be deposited as received with the depository bank and
40 must remain on deposit. This subsection does not limit

1 the power of the board to place a portion of district's
2 funds on time deposit or to purchase certificates of
3 deposit.

4 (c) Before the district deposits funds in a bank
5 in an amount that exceeds the maximum amount secured by
6 the Federal Deposit Insurance Corporation, the bank
7 must execute a bond or other security in an amount
8 sufficient to secure from loss the district funds that
9 exceed the amount secured by the Federal Deposit
10 Insurance Corporation.

11 Revised Law

12 Sec. 1078.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
13 Except as provided by this section and Sections 1078.112, 1078.201,
14 1078.204, and 1078.205, the district may not incur a debt payable
15 from district revenue other than the revenue on hand or to be on
16 hand in the current and immediately following district fiscal
17 years.

18 (b) The board may invest operating, depreciation, or
19 building reserves only in funds or securities specified by Chapter
20 2256, Government Code. (Acts 69th Leg., R.S., Ch. 766, Sec. 6.09.)

21 Source Law

22 Sec. 6.09. (a) Except as provided by Sections
23 5.07(a), 7.01, 7.04, and 7.05 of this Act, the district
24 may not incur a debt payable from revenues of the
25 district other than the revenues on hand or to be on
26 hand in the current and immediately following fiscal
27 years of the district.

28 (b) The board may not invest operating,
29 depreciation, or building reserves in funds or
30 securities other than those specified by Article 836
31 or 837, Revised Statutes.

32 Revisor's Note

33 Section 6.09(b), Chapter 766, Acts of the 69th
34 Legislature, Regular Session, 1985, refers to "Article
35 836 or 837, Revised Statutes." Those articles were
36 impliedly repealed by the enactment of the Public
37 Funds Investment Act of 1987 (Article 842a-2, Vernon's
38 Texas Civil Statutes), which was revised in 1993 as
39 Chapter 2256, Government Code. Chapter 2256 defines
40 "local government" to include hospital districts and
41 applies to the district by its own terms. The revised
42 law therefore substitutes a reference to Chapter 2256,
43 Government Code, for the references to Articles 836
44 and 837.

2 SUBCHAPTER E. BONDS

3 Revised Law

4 Sec. 1078.201. GENERAL OBLIGATION BONDS. If authorized by
5 an election, the board may issue and sell general obligation bonds
6 in the name and on the faith and credit of the district to:

7 (1) purchase, construct, acquire, repair, or renovate
8 buildings or improvements;

9 (2) equip buildings or improvements for hospital
10 purposes; or

11 (3) acquire and operate a mobile emergency medical
12 service. (Acts 69th Leg., R.S., Ch. 766, Sec. 7.01.)

13 Source Law

14 Sec. 7.01. If authorized by an election, the
15 board may issue and sell general obligation bonds in
16 the name and on the faith and credit of the hospital
17 district to:

18 (1) purchase, construct, acquire, repair,
19 or renovate buildings or improvements;

20 (2) equip buildings or improvements for
21 hospital purposes; or

22 (3) acquire and operate a mobile emergency
23 medical service.

24 Revised Law

25 Sec. 1078.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
26 the time general obligation bonds are issued by the district under
27 Section 1078.201, the board shall impose an ad valorem tax at a rate
28 sufficient to create an interest and sinking fund to pay the
29 principal of and interest on the bonds as the bonds mature.

30 (b) The tax required by this section together with any other
31 ad valorem tax the district imposes may not in any year exceed the
32 limit approved by the voters at the election authorizing the
33 imposition of a tax. (Acts 69th Leg., R.S., Ch. 766, Sec. 7.02.)

34 Source Law

35 Sec. 7.02. (a) At the time the general
36 obligation bonds are issued by the district, the board
37 shall levy a tax.

38 (b) The tax shall be sufficient at least to
39 create an interest and sinking fund to pay the
40 principal of and interest on the bonds as they mature.

41 (c) In any year, the tax together with any other
42 tax the district levies may not exceed the limit
43 approved by the voters at the election authorizing the

1 levy of taxes.

2 Revisor's Note

3 Section 7.02, Chapter 766, Acts of the 69th
4 Legislature, Regular Session, 1985, requires the
5 district to levy a tax to pay the principal of and
6 interest on bonds. The revised law specifies that the
7 tax is an "ad valorem" tax because it is clear from the
8 source law that the tax is a property tax and "ad
9 valorem" is the term most commonly used to refer to a
10 property tax.

11 Revised Law

12 Sec. 1078.203. GENERAL OBLIGATION BOND ELECTION. (a) The
13 district may issue general obligation bonds only if the bonds are
14 authorized by a majority of the district voters.

15 (b) The board may order a bond election.

16 (c) The order calling the election must specify:

17 (1) the nature and date of the election;

18 (2) the hours during which the polls will be open;

19 (3) the location of the polling places;

20 (4) the amount of the bonds to be authorized; and

21 (5) the maximum maturity of the bonds.

22 (d) Notice of a bond election shall be given as provided by
23 Section 1251.003, Government Code.

24 (e) The board shall declare the results of the election.
25 (Acts 69th Leg., R.S., Ch. 766, Sec. 7.03.)

26 Source Law

27 Sec. 7.03. (a) The district may not issue
28 general obligation bonds until the bonds are
29 authorized by a majority of the qualified voters of the
30 district.

31 (b) The board may order a bond election. The
32 order calling the election must state the nature and
33 date of the election, the hours during which the polls
34 will be open, the location of the polling places, the
35 amount of bonds to be authorized, and the maximum
36 maturity of the bonds.

37 (c) Notice of a bond election shall be given as
38 provided by Article 704, Revised Statutes.

39 (d) The board shall canvass the returns and
40 declare the results of the election.

1 Revisor's Note

2 (1) Section 7.03(a), Chapter 766, Acts of the
3 69th Legislature, Regular Session, 1985, refers to a
4 majority of the "qualified" voters of the district.
5 The revised law omits "qualified" as unnecessary in
6 this context because Chapter 11, Election Code,
7 governs eligibility to vote in an election in this
8 state and allows only "qualified" voters who are
9 residents of the territory covered by the election to
10 vote in an election.

11 (2) Section 7.03(c), Chapter 766, Acts of the
12 69th Legislature, Regular Session, 1985, refers to
13 Article 704, Revised Statutes, which specifies certain
14 notice requirements for a bond election. That
15 provision was codified in 1999 as Section 1251.003,
16 Government Code. The revised law is drafted
17 accordingly.

18 (3) Section 7.03(d), Chapter 766, Acts of the
19 69th Legislature, Regular Session, 1985, provides that
20 "[t]he board shall canvass the returns" of a bond
21 election. The revised law omits this requirement
22 because it duplicates Section 67.002, Election Code,
23 which requires the governing body of a political
24 subdivision that orders an election to canvass the
25 returns.

26 Revised Law

27 Sec. 1078.204. REVENUE BONDS. (a) The board may issue
28 revenue bonds to:

29 (1) purchase, construct, acquire, repair, renovate,
30 or equip buildings or improvements for hospital purposes;

31 (2) acquire sites to be used for hospital purposes; or

32 (3) acquire and operate a mobile emergency medical
33 service to assist the district in carrying out its hospital
34 purposes.

1 (b) The bonds must be payable from and secured by a pledge of
2 all or part of the revenue derived from the operation of the
3 district's hospital system.

4 (c) The bonds may be additionally secured by a mortgage or
5 deed of trust lien on all or part of district property.

6 (d) The bonds must be issued in the manner provided by
7 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
8 Health and Safety Code, for issuance of revenue bonds by a county
9 hospital authority. (Acts 69th Leg., R.S., Ch. 766, Sec. 7.04.)

10 Source Law

11 Sec. 7.04. (a) The board may issue revenue
12 bonds to:

13 (1) purchase, construct, acquire, repair,
14 equip, or renovate buildings or improvements for
15 hospital purposes;

16 (2) acquire sites to be used for hospital
17 purposes; or

18 (3) acquire and operate a mobile emergency
19 medical service to assist the district in carrying out
20 its hospital purposes.

21 (b) The bonds must be payable from and secured
22 by a pledge of all or part of the revenues derived from
23 the operation of the district's hospital system. The
24 bonds may be additionally secured by a mortgage or deed
25 of trust lien on all or part of district property.

26 (c) The bonds must be issued in the manner
27 provided by Sections 8, 10, 11, 12, and 13, Chapter
28 122, Acts of the 58th Legislature, Regular Session,
29 1963 (Article 4494r, Vernon's Texas Civil Statutes),
30 for issuance of revenue bonds by county hospital
31 authorities.

32 Revisor's Note

33 Section 7.04(c), Chapter 766, Acts of the 69th
34 Legislature, Regular Session, 1985, refers to Sections
35 8, 10, 11, 12, and 13, V.A.C.S. Article 4494r. Those
36 provisions were codified in 1989 as Sections 264.042,
37 264.043, 264.046, 264.047, 264.048, and 264.049,
38 Health and Safety Code. The revised law is drafted
39 accordingly.

40 Revised Law

41 Sec. 1078.205. REFUNDING BONDS. (a) The board may issue
42 refunding bonds to refund outstanding indebtedness issued or
43 assumed by the district.

44 (b) A refunding bond may be:

1 (1) sold, with the proceeds of the refunding bond
2 applied to the payment of the outstanding indebtedness; or

3 (2) exchanged wholly or partly for not less than a
4 similar principal amount of outstanding indebtedness. (Acts 69th
5 Leg., R.S., Ch. 766, Secs. 7.05(a), (c) (part).)

6 Source Law

7 Sec. 7.05. (a) Refunding bonds of the district
8 may be issued to refund and pay off an outstanding
9 indebtedness the district has issued or assumed.

10 (c) The refunding bonds may be sold and the
11 proceeds applied to the payment of outstanding
12 indebtedness or may be exchanged in whole or in part
13 for not less than a similar principal amount of
14 outstanding indebtedness. . . .

15 Revisor's Note

16 Sections 7.05(b) and (c), Chapter 766, Acts of
17 the 69th Legislature, Regular Session, 1985, require
18 the district to issue refunding bonds in the manner
19 prescribed by V.A.C.S. Article 717k-3 and, for
20 refunding bonds that will be sold, to issue the bonds
21 and to make the payments on the bonds in the manner
22 prescribed by Article 717k (Vernon's Texas Civil
23 Statutes). Articles 717k and 717k-3 were codified in
24 1999 as Chapter 1207, Government Code. The revised law
25 omits the provisions because Chapter 1207, Government
26 Code, applies to the district on its own terms under
27 Section 1207.001, Government Code. The omitted law
28 reads:

29 (b) The bonds must be issued in the
30 manner provided by Chapter 784, Acts of the
31 61st Legislature, Regular Session, 1969
32 (Article 717k-3, Vernon's Texas Civil
33 Statutes).

34 (c) . . . If the refunding bonds are
35 to be sold and the proceeds applied to the
36 payment of outstanding indebtedness, the
37 refunding bonds must be issued and payments
38 made in the manner provided by Chapter 503,
39 Acts of the 54th Legislature, Regular
40 Session, 1955 (Article 717k, Vernon's Texas
41 Civil Statutes).

42 Revised Law

43 Sec. 1078.206. MATURITY OF BONDS. District bonds must

1 mature not later than 50 years after the date of issuance. (Acts
2 69th Leg., R.S., Ch. 766, Sec. 7.06 (part).)

3 Source Law

4 Sec. 7.06. District bonds must mature not more
5 than 50 years after the date of their issuance and
6

7 Revisor's Note

8 Section 7.06, Chapter 766, Acts of the 69th
9 Legislature, Regular Session, 1985, provides that
10 district bonds must bear interest at a rate not to
11 exceed that provided by Chapter 3, Acts of the 61st
12 Legislature, Regular Session, 1969 (Article 717k-2,
13 Vernon's Texas Civil Statutes). The maximum rate noted
14 in Chapter 3 was revised in 1999 as Section 1204.006,
15 Government Code. Section 1204.006 permits a public
16 agency, including a hospital district, to issue public
17 securities at any net effective interest rate of 15
18 percent or less and applies to the district under
19 Section 1204.001, Government Code. The revised law
20 omits the reference because it duplicates Section
21 1204.006. The omitted law reads:

22 Sec. 7.06. . . . must bear interest
23 at a rate not to exceed that provided by
24 Chapter 3, Acts of the 61st Legislature,
25 Regular Session, 1969 (Article 717k-2,
26 Vernon's Texas Civil Statutes).

27 Revised Law

28 Sec. 1078.207. EXECUTION OF BONDS. (a) The board president
29 shall execute district bonds in the district's name.

30 (b) The board secretary shall countersign the bonds in the
31 manner provided by Chapter 618, Government Code. (Acts 69th Leg.,
32 R.S., Ch. 766, Sec. 7.07.)

33 Source Law

34 Sec. 7.07. The president of the board shall
35 execute the bonds in the name of the district, and the
36 secretary of the board shall countersign the bonds in
37 the manner provided by Chapter 204, Acts of the 57th
38 Legislature, Regular Session, 1961 (Article 717j-1,
39 Vernon's Texas Civil Statutes).

1 Revisor's Note

2 Section 7.07, Chapter 766, Acts of the 69th
3 Legislature, Regular Session, 1985, refers to V.A.C.S.
4 Article 717j-1. That statute was codified in 1999 as
5 Chapter 618, Government Code, and the revised law is
6 drafted accordingly.

7 Revised Law

8 Sec. 1078.208. BONDS EXEMPT FROM TAXATION. The following
9 are exempt from taxation by this state or a political subdivision of
10 this state:

- 11 (1) bonds issued by the district;
12 (2) any transaction relating to the bonds; and
13 (3) profits made in the sale of the bonds. (Acts 69th
14 Leg., R.S., Ch. 766, Sec. 7.11 (part).)

15 Source Law

16 Sec. 7.11. . . . bonds issued by the district,
17 any transaction relating to the bonds, and profits
18 made in the sale of the bonds are free from taxation by
19 the state or by any city, county, special district, or
20 other political subdivision of the state.

21 Revisor's Note
22 (End of Subchapter)

23 (1) Section 7.08, Chapter 766, Acts of the 69th
24 Legislature, Regular Session, 1985, provides that
25 district bonds are subject to the law governing county
26 bonds that relates to bond approval by the attorney
27 general and registration of the bonds by the
28 comptroller. Section 7.08 also provides that after
29 approval and registration the bonds are "incontestable
30 for any cause." The revised law omits these provisions
31 as superseded by Chapter 1202, Government Code
32 (enacted as Article 3, Chapter 53, Acts of the 70th
33 Legislature, 2nd Called Session, 1987). Section
34 1202.003(a), Government Code, requires bonds to be
35 submitted to the attorney general. Section
36 1202.003(b), Government Code, provides for approval of
37 the bonds by the attorney general and requires the

1 attorney general to submit the approved bonds to the
2 comptroller for registration. Section 1202.005,
3 Government Code, requires registration of the bonds by
4 the comptroller. Section 1202.006, Government Code,
5 provides that after approval and registration the
6 bonds are incontestable and binding obligations.
7 Chapter 1202, Government Code, applies to district
8 bonds by application of Section 1202.001, Government
9 Code. The omitted law reads:

10 Sec. 7.08. (a) District bonds are
11 subject to the same requirements with
12 regard to approval by the attorney general
13 and registration by the comptroller of
14 public accounts as the law provides for
15 approval and registration of bonds issued
16 by counties.

17 (b) On approval by the attorney
18 general and registration by the comptroller
19 of public accounts, the bonds are
20 incontestable for any cause.

21 (2) Section 7.09, Chapter 766, Acts of the 69th
22 Legislature, Regular Session, 1985, provides that
23 district bonds are legal and authorized investments
24 for certain entities. The revised law omits the
25 provision as unnecessary. As to several of the
26 entities listed, Section 7.09 has been superseded and
27 impliedly repealed. Investments in securities by
28 banks are regulated by Section 34.101, Finance Code
29 (enacted in 1995 as Section 5.101, Texas Banking Act
30 (Article 342-5.101, Vernon's Texas Civil Statutes)).
31 Investments in securities by savings banks are
32 regulated by Section 93.001(c)(10), Finance Code
33 (enacted in 1993 as Section 7.15(10), Texas Savings
34 Bank Act (Article 489e, Vernon's Texas Civil
35 Statutes)). Investments in securities by trust
36 companies are regulated by Section 184.101, Finance
37 Code (enacted in 1997 as Section 5.101, Texas Trust
38 Company Act (Article 342a-5.101, Vernon's Texas Civil
39 Statutes)). Investments in securities by savings and

1 loan associations are regulated by Sections 63.002 and
2 64.001, Finance Code. As to the remaining entities
3 listed, Section 7.09 duplicates Section 1201.041,
4 Government Code, enacted as Section 9, Bond Procedures
5 Act of 1981 (Article 717k-6, Vernon's Texas Civil
6 Statutes). While Section 7.09 lists "guardians" and
7 Section 1201.041 does not, Section 1201.041 includes a
8 "fiduciary" and a guardian is a fiduciary. Section
9 1201.041, Government Code, applies to district bonds
10 by application of Section 1201.002, Government Code.
11 The revised law omits the reference to public funds of
12 this state because it has been superseded by Section
13 404.024, Government Code (enacted in 1985 as Section
14 2.014, Treasury Act (Article 4393-1, Vernon's Texas
15 Civil Statutes) and last amended in 2007), which
16 governs the investment of state funds. Section
17 404.024(b)(10), Government Code, authorizes the
18 investment of state funds in obligations of political
19 subdivisions, including hospital districts. The
20 omitted law reads:

21 Sec. 7.09. District bonds and
22 indebtedness assumed by the district are
23 legal and authorized investments for:

24 (1) banks;
25 (2) savings banks;
26 (3) trust companies;
27 (4) savings and loan
28 associations;
29 (5) insurance companies;
30 (6) fiduciaries;
31 (7) trustees;
32 (8) guardians; and
33 (9) sinking funds of cities,
34 counties, school districts, and other
35 political subdivisions of the state and
36 other public funds of the state and its
37 agencies, including the permanent school
38 fund.

39 (3) Section 7.10, Chapter 766, Acts of the 69th
40 Legislature, Regular Session, 1985, effectively
41 provides that district bonds may secure deposits of
42 public funds of the state or political subdivisions of
43 the state. The revised law omits the provisions

1 relating to deposits of state funds by the comptroller
2 as impliedly repealed by Section 404.0221, Government
3 Code (enacted in 1995), which lists eligible
4 collateral for deposits of state funds by the
5 comptroller. As to deposits of other funds, the
6 provision duplicates Chapter 2257, Government Code,
7 which governs eligible collateral for deposits of
8 funds of other public agencies, including political
9 subdivisions, and permits those deposits to be secured
10 by obligations issued by hospital districts. The
11 omitted law reads:

12 Sec. 7.10. District bonds are
13 eligible to secure deposits of public funds
14 of the state and of cities, counties, school
15 districts, and other political subdivisions
16 of the state. The bonds are lawful and
17 sufficient security for deposits to the
18 extent of their value if accompanied by all
19 unmatured coupons.

20 [Sections 1078.209-1078.250 reserved for expansion]

21 SUBCHAPTER F. AD VALOREM TAX

22 Revised Law

23 Sec. 1078.251. IMPOSITION OF AD VALOREM TAX. (a) The board
24 may impose a tax on all property in the district subject to district
25 taxation.

26 (b) The tax shall be imposed for and may be pledged to:

27 (1) meet the requirements of district bonds and the
28 indebtedness assumed by the district;

29 (2) provide for the district's maintenance and
30 operating expenses, including the cost or contract payments for
31 hospital care for needy district inhabitants; and

32 (3) make improvements and additions to the district's
33 hospital facilities or hospital system and acquire necessary sites
34 for those improvements and additions by gift, purchase, lease, or
35 condemnation.

36 (c) The district may not impose a tax to pay the principal of
37 or interest on revenue bonds issued under this chapter. (Acts 69th
38 Leg., R.S., Ch. 766, Secs. 8.01(a) (part), (c), (d), 8.02(b).)

1 Sec. 8.02. (a) The board may levy
2 taxes for the entire year in which the
3 district is created.

4 Revisor's Note
5 (End of Chapter)

6 Sections 5.01(a) and 5.02(2), Chapter 766, Acts
7 of the 69th Legislature, Regular Session, 1985,
8 require the transfer of certain land, buildings,
9 improvements, equipment, funds, and reserves to the
10 district after the district is created and provide for
11 the assumption of debt by the district on creation.
12 The revised law omits the provisions as executed. The
13 omitted law reads:

14 Sec. 5.01. (a) On creation of the
15 district, the Houston County Hospital
16 Authority shall convey or transfer to the
17 district:

18 (1) title to land, buildings,
19 improvements, and equipment related to the
20 hospital system owned by the Houston County
21 Hospital Authority;

22 (2) operating funds and
23 reserves for operating expenses and funds
24 that have been budgeted by the Houston
25 County Hospital Authority to provide
26 medical care for residents of the district
27 for the remainder of the fiscal year in
28 which the district is established; and

29 (3) funds established for
30 payment of indebtedness assumed by the
31 district.

32 Sec. 5.02. [On creation of the
33 district, the district:]

34 . . .
35 (2) assumes any outstanding
36 indebtedness incurred by the Houston County
37 Hospital Authority in providing hospital
38 care for residents of the territory of the
39 district before the district's creation;
40 and

31		CHAPTER 1079. JACK COUNTY HOSPITAL DISTRICT	
32		SUBCHAPTER A. GENERAL PROVISIONS	
33		<u>Revised Law</u>	
34	Sec. 1079.001.	DEFINITIONS. In this chapter:	

1 (1) "Board" means the board of directors of the
2 district.

3 (2) "Director" means a member of the board.

4 (3) "District" means the Jack County Hospital
5 District. (Acts 70th Leg., R.S., Ch. 16, Sec. 1.01.)

6 Source Law

7 Sec. 1.01. In this Act:

8 (1) "District" means the Jack County
9 Hospital District.

10 (2) "Board" means the board of directors
11 of the district.

12 (3) "Director" means a member of the
13 board.

14 Revised Law

15 Sec. 1079.002. AUTHORITY FOR OPERATION. The Jack County
16 Hospital District operates and is financed as provided by Section
17 9, Article IX, Texas Constitution, and by this chapter. (Acts 70th
18 Leg., R.S., Ch. 16, Sec. 1.02.)

19 Source Law

20 Sec. 1.02. The Jack County Hospital District
21 may be created and established and, if created, must be
22 maintained, operated, and financed in the manner
23 provided by Article IX, Section 9, of the Texas
24 Constitution and by this Act.

25 Revisor's Note

26 Section 1.02, Chapter 16, Acts of the 70th
27 Legislature, Regular Session, 1987, provides that the
28 district "may be created and established and, if
29 created, must be maintained, operated, and financed"
30 in the manner provided by the Texas Constitution and
31 the act. The revised law omits references to the
32 creation and establishment of the district as
33 executed. The revised law omits "maintained" because,
34 in this context, the meaning of that term is included
35 in the meaning of "operated."

36 Revised Law

37 Sec. 1079.003. ESSENTIAL PUBLIC FUNCTION. The district is
38 a public entity performing an essential public function. (Acts
39 70th Leg., R.S., Ch. 16, Sec. 7.11 (part).)

1 omitted law reads:

2 Sec. 3.01. The district may be
3 created and a tax may be authorized only if
4 the creation and the tax are approved by a
5 majority of the qualified voters of the
6 territory of the proposed district voting
7 at an election called and held for that
8 purpose.

9 Sec. 3.02. A majority of the
10 temporary directors of the district may
11 order a creation election to be held.

12 Sec. 3.03. The order calling the
13 election must state:

14 (1) the nature of the election,
15 including the proposition that is to appear
16 on the ballot;

17 (2) the date of the election;

18 (3) the hours during which the
19 polls will be open; and

20 (4) the location of the polling
21 places.

22 Sec. 3.04. The temporary directors
23 shall give notice of the election by
24 publishing a substantial copy of the
25 election order in a newspaper with general
26 circulation in the proposed district once a
27 week for two consecutive weeks. The first
28 publication must appear at least 35 days
29 before the date set for the election.

30 Sec. 3.05. (a) The election shall be
31 held not less than 35 days nor more than 60
32 days after the date on which the election is
33 ordered.

34 (b) Subsection (a), Section 41.001,
35 Election Code, does not apply to an election
36 ordered under this article.

37 Sec. 3.06. The ballot for an election
38 at which the issuance of bonds is not
39 proposed shall be printed to permit voting
40 for or against the proposition: "The
41 creation of the Jack County Hospital
42 District and the levy of annual taxes for
43 hospital purposes at a rate not to exceed 75
44 cents on each \$100 valuation of all taxable
45 property in the district."

46 Sec. 3.07. (a) Not earlier than the
47 second day or later than the sixth day after
48 the date of the election, the temporary
49 directors of the district shall meet and
50 canvass the returns of the election.

51 (b) If the temporary directors find
52 that the election results are favorable to
53 the proposition to create the district,
54 they shall issue an order declaring the
55 district created.

56 (c) If the temporary directors find
57 that the election results are not favorable
58 to the proposition to create the district,
59 another creation election may not be held
60 within 12 months after the date of the
61 election at which voters disapproved the
62 proposition.

63 Sec. 3.08. If the creation of the
64 district is not approved at an election held
65 within 60 months after the effective date of
66 this Act, this Act expires.

1 [Sections 1079.007-1079.050 reserved for expansion]

2 SUBCHAPTER B. DISTRICT ADMINISTRATION

3 Revised Law

4 Sec. 1079.051. BOARD ELECTION; TERM. (a) The board is
5 governed by five directors elected at large by place.

6 (b) Unless four-year terms are established under Section
7 285.081, Health and Safety Code:

8 (1) directors serve staggered two-year terms;

9 (2) a directors' election shall be held on the uniform
10 election date in May of each year; and

11 (3) the terms of the directors elected to places 1, 3,
12 and 5 expire in even-numbered years and the terms of the directors
13 elected to places 2 and 4 expire in odd-numbered years.

14 (c) A director's term begins on June 1 following the
15 director's election. (Acts 70th Leg., R.S., Ch. 16, Sec. 4.01;
16 Acts 74th Leg., R.S., Ch. 70, Sec. 4.)

17 Source Law

18 Sec. 4.01. (a) The district is governed by a
19 board of five directors. Members of the board of
20 directors are elected at large by place.

21 (b) Board members serve staggered terms of two
22 years. A member's term begins on June 1 following the
23 date the member is elected.

24 (c) A directors' election shall be held on the
25 first Saturday in May of each year to elect the
26 appropriate number of successor directors.

27 [Acts 74th Leg., R.S., Ch. 70]

28 Sec. 4. (a) This Act takes effect September 1,
29 1995. The first election of the Jack County Hospital
30 District board of directors shall be held May 4, 1996.
31 This section applies to the first two elections of
32 directors notwithstanding other law.

33 (b) On the effective date of this Act, the board
34 shall designate the positions of the directors serving
35 in offices for which the terms expire December 31,
36 1995, as Place 2 and Place 4, respectively, and shall
37 designate the positions of the directors serving in
38 offices for which the terms expire December 31, 1996,
39 as Place 1, Place 3, and Place 5, respectively.

40 (c) At the first election for directors under
41 this Act, directors shall be elected for Place 1, Place
42 3, and Place 5 for terms expiring June 1, 1998. The
43 terms of office for appointed directors serving in
44 those places expire on the date the elected directors
45 qualify for office.

46 (d) At the second election for directors under
47 this Act, directors shall be elected for Place 2 and
48 Place 4 for terms expiring June 1, 1999. The terms of
49 office for appointed directors serving in those places
50 expire on the date the elected directors qualify for

1 office.

2 Revisor's Note

3 (1) Section 4.01(b), Chapter 16, Acts of the
4 70th Legislature, Regular Session, 1987, provides that
5 directors serve two-year terms. Section 285.081,
6 Health and Safety Code, applicable to this hospital
7 district, provides a mechanism by which the governing
8 board of a hospital district, on its own motion, may
9 order that the members are to be elected in
10 even-numbered years to serve staggered four-year
11 terms. The revised law is drafted accordingly and adds
12 a reference to Section 285.081, Health and Safety
13 Code, for the convenience of the reader.

14 (2) Section 4.01(c), Chapter 16, Acts of the
15 70th Legislature, Regular Session, 1987, requires
16 board elections to be held on the "first Saturday in
17 May." From 1986 to 2003, Section 41.001, Election
18 Code, provided for a uniform election date for all
19 political subdivisions on the first Saturday in May.
20 In Chapter 1315, Acts of the 78th Legislature, Regular
21 Session, 2003, the legislature amended Section 41.001
22 by moving the uniform election date in May to the third
23 Saturday. In Chapter 1, Acts of the 78th Legislature,
24 3rd Called Session, 2003, the legislature amended
25 Section 41.001 by moving the uniform election date in
26 May back to the first Saturday. In Chapter 471, Acts
27 of the 79th Legislature, Regular Session, 2005, the
28 legislature amended Section 41.001 by moving the
29 uniform election date in May to the second Saturday.
30 The revised law substitutes "uniform election date in
31 May" for "first Saturday in May" to reflect these
32 changes while preserving as closely as possible the
33 legislative intent that the election be held on the
34 first Saturday in May, which was the uniform election
35 date in May.

1 (3) Section 4, Chapter 70, Acts of the 74th
2 Legislature, Regular Session, 1995, prescribes the
3 procedures for electing the initial board and the
4 terms of those directors. The revised law omits those
5 provisions as executed but codifies the establishment
6 of a board consisting of five directors elected from
7 the district at large by place. Section 4 also
8 establishes staggered two-year terms for those
9 directors that expire two years after the election.
10 The revised law codifies the provision specifying
11 staggered terms and prescribing the places that are
12 elected in odd- and even-numbered years, but omits the
13 provision relating to which year the terms of those
14 directors expire as executed.

15 Revised Law

16 Sec. 1079.052. QUALIFICATIONS FOR OFFICE. To be eligible
17 to be a candidate for or to serve as a director, a person must be:

- 18 (1) a resident of the district; and
19 (2) a qualified voter. (Acts 70th Leg., R.S., Ch. 16,
20 Sec. 4.02.)

21 Source Law

22 Sec. 4.02. To be eligible to be a candidate for
23 or to serve as a director, a person must be:
24 (1) a resident of the district; and
25 (2) a qualified voter.

26 Revised Law

27 Sec. 1079.053. BOND; RECORD OF BOND. (a) Before assuming
28 the duties of office, each director must execute a bond for \$5,000
29 that is:

- 30 (1) payable to the district; and
31 (2) conditioned on the faithful performance of the
32 director's duties.

33 (b) The board may pay for a director's bond with district
34 money.

35 (c) The bond shall be kept in the permanent records of the
36 district. (Acts 70th Leg., R.S., Ch. 16, Sec. 4.03.)

1 Source Law

2 Sec. 4.03. (a) Before assuming the duties of
3 the office, each director must execute a bond for
4 \$5,000 payable to the district, conditioned on the
5 faithful performance of the person's duties as
6 director.

7 (b) The bond shall be kept in the permanent
8 records of the district.

9 (c) The board may pay for directors' bonds with
10 district funds.

11 Revised Law

12 Sec. 1079.054. BOARD VACANCY. If a vacancy occurs in the
13 office of director, the remaining directors shall appoint a
14 director for the unexpired term. (Acts 70th Leg., R.S., Ch. 16,
15 Sec. 4.04.)

16 Source Law

17 Sec. 4.04. A vacancy in the office of director
18 shall be filled for the unexpired term by appointment
19 by the remaining directors.

20 Revised Law

21 Sec. 1079.055. OFFICERS. (a) The board shall elect a
22 president and a vice president from among its members.

23 (b) The board shall appoint a secretary, who need not be a
24 director.

25 (c) Each officer of the board serves for a term of one year.

26 (d) The board shall fill a vacancy in a board office for the
27 unexpired term. (Acts 70th Leg., R.S., Ch. 16, Secs. 4.05, 4.06.)

28 Source Law

29 Sec. 4.05. The board shall elect from among its
30 members a president and a vice-president. The board
31 shall also appoint a secretary. The secretary need not
32 be a director.

33 Sec. 4.06. (a) Each officer of the board serves
34 for a term of one year.

35 (b) A vacancy in a board office shall be filled
36 for the unexpired term by the board.

37 Revised Law

38 Sec. 1079.056. COMPENSATION; EXPENSES. A director or
39 officer serves without compensation but may be reimbursed for
40 actual expenses incurred in the performance of official duties.
41 The expenses must be:

42 (1) reported in the district's records; and

43 (2) approved by the board. (Acts 70th Leg., R.S., Ch.

1 16, Sec. 4.07.)

2 Source Law

3 Sec. 4.07. Directors and officers serve without
4 compensation but may be reimbursed for actual expenses
5 incurred in the performance of official duties. Those
6 expenses must be reported in the district's minute book
7 or other district records and must be approved by the
8 board.

9 Revisor's Note

10 Section 4.07, Chapter 16, Acts of the 70th
11 Legislature, Regular Session, 1987, provides that
12 approved expenses be reported in the "district's
13 minute book or other district records." The revised
14 law omits the reference to the "district's minute book"
15 because the minute book is a district record.

16 Revised Law

17 Sec. 1079.057. VOTING REQUIREMENT. A concurrence of a
18 majority of the directors voting is necessary in any matter
19 relating to district business. (Acts 70th Leg., R.S., Ch. 16, Sec.
20 4.08.)

21 Source Law

22 Sec. 4.08. A concurrence of a majority of the
23 members of the board voting is necessary in matters
24 relating to the business of the district.

25 Revised Law

26 Sec. 1079.058. DISTRICT ADMINISTRATOR. (a) The board may
27 appoint a qualified person as district administrator.

28 (b) The district administrator serves at the will of the
29 board and is entitled to the compensation determined by the board.

30 (c) Before assuming the duties of district administrator,
31 the administrator shall execute a bond in the amount determined by
32 the board of not less than \$5,000 that is:

33 (1) payable to the district; and

34 (2) conditioned on the faithful performance of the
35 administrator's duties under this chapter.

36 (d) The board may pay for the bond with district money.

Revised Law

Sec. 1079.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
Subject to the limitations prescribed by the board, the district administrator shall:
(1) supervise the work and activities of the district;

Source Law

Sec. 4.12. The administrator shall supervise the work and activities of the district and shall direct the general affairs of the district, subject to the limitations prescribed by the board.

Revised Law

Sec. 1079.060. APPOINTMENT OF STAFF AND EMPLOYEES. (a) The board may appoint to the staff any doctors the board considers necessary for the efficient operation of the district and may make temporary appointments as necessary.
(b) The district may employ technicians, nurses, fiscal agents, accountants, architects, and other necessary employees.
(c) The board may delegate to the district administrator the authority to employ persons for the district. (Acts 70th Leg., R.S., Ch. 16, Secs. 4.10, 4.11.)

Source Law

Sec. 4.10. The board may appoint to the staff any doctors it considers necessary for the efficient operation of the district and may make temporary appointments as considered necessary.
Sec. 4.11. (a) The district may employ technicians, nurses, fiscal agents, accountants, architects, and other necessary employees.
(b) The board may delegate to the administrator

1 the authority to employ persons for the district.

2 Revised Law

3 Sec. 1079.061. RETIREMENT BENEFITS. The board may provide
4 retirement benefits for district employees by:

5 (1) establishing or administering a retirement
6 program; or

7 (2) participating in:

8 (A) the Texas County and District Retirement
9 System; or

10 (B) another statewide retirement system in which
11 the district is eligible to participate. (Acts 70th Leg., R.S., Ch.
12 16, Sec. 4.13.)

13 Source Law

14 Sec. 4.13. The board may provide retirement
15 benefits for employees of the district by establishing
16 or administering a retirement program or by electing
17 to participate in the Texas County and District
18 Retirement System or in any other statewide retirement
19 system in which the district is eligible to
20 participate.

21 Revisor's Note

22 (End of Subchapter)

23 Article 2, Chapter 16, Acts of the 70th
24 Legislature, Regular Session, 1987, provides for
25 temporary directors of the district to serve until the
26 initial election of the district board of directors.
27 The revised law omits that article as executed. The
28 omitted law reads:

29 Sec. 2.01. On the effective date of
30 this Act, the commissioners court of Jack
31 County shall appoint five persons to serve
32 as temporary directors of the district.

33 Sec. 2.02. A vacancy in the office of
34 temporary director shall be filled by
35 appointment made by the commissioners court
36 of Jack County.

37 [Sections 1079.062-1079.100 reserved for expansion]

38 SUBCHAPTER C. POWERS AND DUTIES

39 Revised Law

40 Sec. 1079.101. DISTRICT RESPONSIBILITY. The district has
41 full responsibility for:

42 (1) operating hospital facilities; and

1 (2) providing medical and hospital care for the
2 district's needy inhabitants. (Acts 70th Leg., R.S., Ch. 16, Sec.
3 5.02 (part).)

4 Source Law

5 Sec. 5.02. On creation of the district, the
6 district:

7 (1) assumes full responsibility for
8 operating hospital facilities and for furnishing
9 medical and hospital care for the district's needy
10 inhabitants;

11

12 Revisor's Note

13 Section 5.02, Chapter 16, Acts of the 70th
14 Legislature, Regular Session, 1987, provides that
15 "[o]n creation of the district," the district
16 "assumes" certain responsibilities. The revised law
17 omits "[o]n creation of the district" as executed. The
18 revised law substitutes "has" for "assumes" because
19 the obligation to assume the responsibility is
20 executed.

21 Revised Law

22 Sec. 1079.102. RESTRICTION ON COUNTY TAXATION AND DEBT.
23 Jack County may not impose a tax or issue bonds or other obligations
24 for hospital purposes or to provide medical care for district
25 residents. (Acts 70th Leg., R.S., Ch. 16, Sec. 5.01(b).)

26 Source Law

27 (b) On or after creation of the district, Jack
28 County may not levy taxes or issue bonds or other
29 obligations for hospital purposes or for providing
30 medical care for the residents of the district.

31 Revisor's Note

32 Section 5.01(b), Chapter 16, Acts of the 70th
33 Legislature, Regular Session, 1987, provides that
34 "[o]n or after creation of the district," Jack County
35 may not levy taxes or issue bonds for hospital
36 purposes. The revised law omits the quoted language as
37 executed. In addition, throughout this chapter, the
38 revised law substitutes "impose" for "levy" because,
39 in this context, the terms are synonymous and the

1 former is more commonly used.

2 Revised Law

3 Sec. 1079.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.

4 The board shall manage, control, and administer the hospital system
5 and the district's money and resources. (Acts 70th Leg., R.S., Ch.
6 16, Sec. 5.03.)

7 Source Law

8 Sec. 5.03. The board shall manage, control, and
9 administer the hospital system and the funds and
10 resources of the district.

11 Revised Law

12 Sec. 1079.104. RULES. The board may adopt rules governing:

13 (1) the operation of the hospital and hospital system;
14 and

15 (2) the duties, functions, and responsibilities of
16 district staff and employees. (Acts 70th Leg., R.S., Ch. 16, Sec.
17 5.04.)

18 Source Law

19 Sec. 5.04. The board may adopt rules governing
20 the operation of the hospital and hospital system and
21 the duties, functions, and responsibilities of
22 district staff and employees.

23 Revised Law

24 Sec. 1079.105. PURCHASING AND ACCOUNTING PROCEDURES. The
25 board may prescribe:

26 (1) the method of making purchases and expenditures by
27 and for the district; and

28 (2) accounting and control procedures for the
29 district. (Acts 70th Leg., R.S., Ch. 16, Sec. 5.05.)

30 Source Law

31 Sec. 5.05. (a) The board may prescribe the
32 method of making purchases and expenditures by and for
33 the district.

34 (b) The board may prescribe accounting and
35 control procedures for the district.

36 Revised Law

37 Sec. 1079.106. MOBILE EMERGENCY MEDICAL SERVICE. The
38 district may operate or provide for the operation of a mobile
39 emergency medical service. (Acts 70th Leg., R.S., Ch. 16, Sec. 5.02

1 (part).)

2 Source Law

3 Sec. 5.02. . . . the district:

4 . . .
5 (3) may operate or provide for the
6 operation of a mobile emergency medical service.

7 Revised Law

8 Sec. 1079.107. DISTRICT PROPERTY, FACILITIES, AND
9 EQUIPMENT. (a) The board shall determine:

10 (1) the type, number, and location of buildings
11 required to maintain an adequate hospital system; and

12 (2) the type of equipment necessary for hospital care.

13 (b) The board may:

14 (1) acquire property, including facilities and
15 equipment, for the district for use in the hospital system; and

16 (2) mortgage or pledge the property as security for
17 the payment of the purchase price.

18 (c) The board may lease hospital facilities for the
19 district.

20 (d) The board may sell or otherwise dispose of property,
21 including facilities or equipment, for the district. (Acts 70th
22 Leg., R.S., Ch. 16, Sec. 5.06.)

23 Source Law

24 Sec. 5.06. (a) The board shall determine the
25 type, number, and location of buildings required to
26 establish and maintain an adequate hospital system and
27 the type of equipment necessary for hospital care.

28 (b) The board may acquire property, facilities,
29 and equipment for the district for use in the hospital
30 system and may mortgage or pledge the property,
31 facilities, or equipment acquired as security for the
32 payment of the purchase price.

33 (c) The board may lease hospital facilities on
34 behalf of the district.

35 (d) The board may sell or otherwise dispose of
36 property, facilities, or equipment on behalf of the
37 district.

38 Revisor's Note

39 Section 5.06(a), Chapter 16, Acts of the 70th
40 Legislature, Regular Session, 1987, requires the board
41 to determine the buildings required to "establish and
42 maintain" an adequate hospital system. The revised

1 law omits the reference to establishing the hospital
2 system as executed.

3 Revised Law

4 Sec. 1079.108. EMINENT DOMAIN. (a) The district may
5 exercise the power of eminent domain to acquire a fee simple or
6 other interest in property located in district territory if the
7 property interest is necessary to exercise a right or authority
8 conferred by this chapter.

9 (b) The district must exercise the power of eminent domain
10 in the manner provided by Chapter 21, Property Code, except that the
11 district is not required to deposit in the trial court money or a
12 bond as provided by Section 21.021(a), Property Code.

13 (c) In a condemnation proceeding brought by the district,
14 the district is not required to:

15 (1) pay in advance or provide a bond or other security
16 for costs in the trial court;

17 (2) provide a bond for the issuance of a temporary
18 restraining order or a temporary injunction; or

19 (3) provide a bond for costs or a supersedeas bond on
20 an appeal or petition for review. (Acts 70th Leg., R.S., Ch. 16,
21 Sec. 5.09.)

22 Source Law

23 Sec. 5.09. (a) The district may exercise the
24 power of eminent domain to acquire by condemnation a
25 fee simple or other interest in property located in the
26 territory of the district if the property interest is
27 necessary to the exercise of the rights or authority
28 conferred by this Act.

29 (b) The district must exercise the power of
30 eminent domain in the manner provided by Chapter 21,
31 Property Code, but the district is not required to
32 deposit in the trial court money or a bond as provided
33 by Subsection (a), Section 21.021, Property Code.

34 (c) In a condemnation proceeding brought by the
35 district, the district is not required to pay in
36 advance or give bond or other security for costs in the
37 trial court, to give bond for the issuance of a
38 temporary restraining order or a temporary injunction,
39 or to give bond for costs or supersedeas on an appeal
40 or writ of error.

41 Revisor's Note

42 Section 5.09(c), Chapter 16, Acts of the 70th
43 Legislature, Regular Session, 1987, refers to a "writ

1 of error." The revised law substitutes "petition for
2 review" for "writ of error" because, effective
3 September 1, 1997, the Texas Supreme Court replaced
4 the writ of error procedure with the petition for
5 review procedure. See Rule 53.1, Rules of Appellate
6 Procedure.

7 Revised Law

8 Sec. 1079.109. COST OF RELOCATING OR ALTERING PROPERTY. In
9 exercising the power of eminent domain, if the board requires
10 relocating, raising, lowering, rerouting, changing the grade of, or
11 altering the construction of any railroad, highway, pipeline, or
12 electric transmission and electric distribution, telegraph, or
13 telephone line, conduit, pole, or facility, the district must bear
14 the actual cost of relocating, raising, lowering, rerouting,
15 changing the grade, or altering the construction to provide
16 comparable replacement without enhancement of facilities, after
17 deducting the net salvage value derived from the old facility.
18 (Acts 70th Leg., R.S., Ch. 16, Sec. 5.10.)

19 Source Law

20 Sec. 5.10. In exercising the power of eminent
21 domain, if the board requires relocating, raising,
22 lowering, rerouting, changing the grade, or altering
23 the construction of any railroad, highway, pipeline,
24 or electric transmission and electric distribution,
25 telegraph, or telephone lines, conduits, poles, or
26 facilities, the district must bear the actual cost of
27 relocating, raising, lowering, rerouting, changing
28 the grade, or altering the construction to provide
29 comparable replacement without enhancement of
30 facilities, after deducting the net salvage value
31 derived from the old facility.

32 Revised Law

33 Sec. 1079.110. GIFTS AND ENDOWMENTS. The board may accept
34 for the district a gift or endowment to be held in trust for any
35 purpose and under any direction, limitation, or other provision
36 prescribed in writing by the donor that is consistent with the
37 proper management of the district. (Acts 70th Leg., R.S., Ch. 16,
38 Sec. 5.14.)

39 Source Law

40 Sec. 5.14. On behalf of the district, the board

1 may accept donations, gifts, and endowments to be held
2 in trust for any purpose and under any direction,
3 limitation, or provision prescribed in writing by the
4 donor that is consistent with the proper management of
5 the district.

6 Revisor's Note

7 Section 5.14, Chapter 16, Acts of the 70th
8 Legislature, Regular Session, 1987, refers to
9 "donations" and "gifts." The revised law omits
10 "donations" because "donations" is included in the
11 meaning of "gifts."

12 Revised Law

13 Sec. 1079.111. CONSTRUCTION CONTRACTS. (a) The board may
14 enter into construction contracts for the district.

15 (b) The board may enter into a construction contract that
16 involves the expenditure of more than the amount provided by
17 Section 271.024, Local Government Code, only after competitive
18 bidding as provided by Subchapter B, Chapter 271, Local Government
19 Code. (Acts 70th Leg., R.S., Ch. 16, Sec. 5.07(a).)

20 Source Law

21 (a) The board may enter into construction
22 contracts on behalf of the district; however, the
23 board may enter into construction contracts that
24 involve spending more than \$10,000 only after
25 competitive bidding as provided by Chapter 770, Acts
26 of the 66th Legislature, Regular Session, 1979
27 (Article 2368a.3, Vernon's Texas Civil Statutes).

28 Revisor's Note

29 (1) Section 5.07(a), Chapter 16, Acts of the
30 70th Legislature, Regular Session, 1987, provides that
31 the district may enter into construction contracts
32 that involve spending more than \$10,000 only after
33 competitive bidding as provided by Chapter 770, Acts
34 of the 66th Legislature, Regular Session, 1979
35 (Article 2368a.3, Vernon's Texas Civil Statutes).
36 Chapter 149, Acts of the 70th Legislature, Regular
37 Session, 1987, revised the relevant parts of Article
38 2368a.3 as Subchapter B, Chapter 271, Local Government
39 Code, and the revised law is drafted accordingly. The
40 revised law omits the reference to the \$10,000 amount

1 as superseded by Section 5, Chapter 115, Acts of the
2 77th Legislature, Regular Session, 2001, which amended
3 Section 271.024, Local Government Code, to increase
4 the contract amount for which competitive bidding is
5 required to \$25,000.

6 (2) Section 5.07(b), Chapter 16, Acts of the
7 70th Legislature, Regular Session, 1987, provides that
8 Article 5160, Revised Statutes, applies to the
9 district's construction contracts in relation to
10 performance and payment bonds. The revised law omits
11 that reference because Article 5160 was codified in
12 1993 as Chapter 2253, Government Code, and that
13 chapter applies to hospital districts on its own
14 terms. The omitted law reads:

15 (b) Article 5160, Revised Statutes,
16 as it relates to performance and payment
17 bonds, applies to construction contracts
18 let by the district.

19 Revised Law

20 Sec. 1079.112. OPERATING AND MANAGEMENT CONTRACTS. The
21 board may enter into an operating or management contract relating
22 to a hospital facility for the district. (Acts 70th Leg., R.S., Ch.
23 16, Sec. 5.08.)

24 Source Law

25 Sec. 5.08. The board may enter into operating or
26 management contracts relating to hospital facilities
27 on behalf of the district.

28 Revised Law

29 Sec. 1079.113. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
30 SERVICES. The board may contract with a political subdivision of
31 this state or with a state or federal agency for the district to:

- 32 (1) furnish a mobile emergency medical service; or
33 (2) provide for the investigatory or welfare needs of
34 district inhabitants. (Acts 70th Leg., R.S., Ch. 16, Sec. 5.13.)

35 Source Law

36 Sec. 5.13. The board may contract with a city,
37 county, special district, or other political
38 subdivision of the state or with a state or federal

1 agency for the district to furnish a mobile emergency
2 medical service or to provide for the investigatory or
3 welfare needs of inhabitants of the district.

4 Revisor's Note

5 Section 5.13, Chapter 16, Acts of the 70th
6 Legislature, Regular Session, 1987, refers to a "city,
7 county, special district, or other political
8 subdivision of the state." Throughout this chapter,
9 the revised law omits references to "city," "county,"
10 and "special district" in this context because those
11 terms are included in the meaning of "political
12 subdivision of the state."

13 Revised Law

14 Sec. 1079.114. PAYMENT FOR TREATMENT; PROCEDURES. (a)
15 When a person who resides in the district is admitted as a patient
16 to a district facility, the district administrator may have an
17 inquiry made into the financial circumstances of:

18 (1) the patient; and

19 (2) a relative of the patient who is legally
20 responsible for the patient's support.

21 (b) To the extent that the patient or a relative of the
22 patient who is legally responsible for the patient's support cannot
23 pay for care and treatment provided by the district, the district
24 shall supply the care and treatment without charging the patient or
25 the patient's relative.

26 (c) On determining that the patient or a relative legally
27 responsible for the patient's support can pay for all or part of the
28 care and treatment provided by the district, the district
29 administrator shall report that determination to the board and the
30 board shall issue an order directing the patient or the relative to
31 pay the district a specified amount each week. The amount must be
32 based on the individual's ability to pay.

33 (d) The district administrator may collect the money owed to
34 the district from the patient's estate or from that of a relative
35 legally responsible for the patient's support in the manner
36 provided by law for collection of expenses in the last illness of a

1 deceased person.

2 (e) If there is a dispute relating to a person's ability to
3 pay or if the district administrator has any doubt concerning a
4 person's ability to pay, the board shall:

- 5 (1) call witnesses;
- 6 (2) hear and resolve the question; and
- 7 (3) issue a final order.

8 (f) The final order of the board may be appealed to a
9 district court in Jack County. The substantial evidence rule
10 applies to the appeal. (Acts 70th Leg., R.S., Ch. 16, Secs.
11 5.11(b), (c), (d), (e), (f).)

12 Source Law

13 (b) If an individual residing in the district is
14 admitted as a patient to a facility of the district,
15 the administrator may have an inquiry made as to the
16 patient's financial circumstances and as to financial
17 circumstances of a relative of the patient who is
18 legally responsible for the patient's support.

19 (c) On finding that the patient or a relative of
20 the patient legally responsible for the patient's
21 support can pay for all or any part of the care and
22 treatment provided by the district, the administrator
23 shall report that finding to the board, and the board
24 shall issue an order directing the patient or the
25 relative to pay the district a specified sum each week
26 based on the individual's ability to pay.

27 (d) The administrator may collect money owed to
28 the district from the estate of the patient or from
29 that of a relative who was legally responsible for the
30 patient's support in the manner provided by law for
31 collection of expenses in the last illness of a
32 deceased person.

33 (e) To the extent that a patient or a relative of
34 the patient legally responsible for the patient's
35 support cannot pay for care and treatment provided by
36 the district, the district shall supply that care and
37 treatment without charging the patient or the
38 patient's relative.

39 (f) If there is a dispute relating to an
40 individual's ability to pay or if the administrator has
41 any doubt concerning an individual's ability to pay,
42 the board shall call witnesses, hear and resolve the
43 question, and issue a final order. An appeal from a
44 final order of the board must be made to a district
45 court in the county in which the district is located
46 and the substantial evidence rule applies.

47 Revisor's Note

48 (1) Section 5.11(a), Chapter 16, Acts of the
49 70th Legislature, Regular Session, 1987, requires the
50 district to adopt an application procedure for
51 assistance eligibility. The revised law omits the

1 provision because it duplicates provisions in Sections
2 61.053(a) and (b), Health and Safety Code, which apply
3 to the district and detail the application procedure.

4 The omitted law reads:

5 Sec. 5.11. (a) Not later than the
6 beginning of each operating year, the
7 district shall adopt an application
8 procedure to determine eligibility for
9 assistance, as provided by Section 10.03,
10 Indigent Health Care and Treatment Act
11 (Article 4438f, Vernon's Texas Civil
12 Statutes).

13 (2) Section 5.11(f), Chapter 16, Acts of the
14 70th Legislature, Regular Session, 1987, authorizes
15 the appeal of a final order to be made to the district
16 court "in the county in which the district is located."
17 The revised law substitutes "Jack County" for the
18 quoted language because Jack County is the county in
19 which the district is located.

20 Revised Law

21 Sec. 1079.115. REIMBURSEMENT FOR SERVICES. (a) The board
22 shall require a county, municipality, or public hospital located
23 outside the district to reimburse the district for the district's
24 care and treatment of a sick or injured person of that county,
25 municipality, or public hospital as provided by Chapter 61, Health
26 and Safety Code.

27 (b) The board shall require the sheriff of Jack County or
28 the police chief of the City of Jacksboro to reimburse the district
29 for the district's care and treatment of a person who is confined in
30 a jail facility of Jack County or the City of Jacksboro and is not a
31 district resident.

32 (c) On behalf of the district, the board may contract with
33 the state or federal government for that government to reimburse
34 the district for treatment of a sick or injured person. (Acts 70th
35 Leg., R.S., Ch. 16, Sec. 5.12.)

36 Source Law

37 Sec. 5.12. (a) The board shall require
38 reimbursement from a county, city, or public hospital
39 located outside the boundaries of the district for the

1 district's care and treatment of a sick, diseased, or
2 injured person of that county, city, or public
3 hospital as provided by the Indigent Health Care and
4 Treatment Act (Article 4438f, Vernon's Texas Civil
5 Statutes).

6 (b) The board shall require reimbursement from
7 the sheriff of Jack County or the police chief of the
8 City of Jacksboro, as appropriate, for the district's
9 care and treatment of a person confined in a jail
10 facility of Jack County or the City of Jacksboro who is
11 not a resident of the district.

12 (c) On behalf of the district, the board may
13 contract with the state or federal government for the
14 state or federal government to reimburse the district
15 for treatment of a sick, diseased, or injured person.

16 Revisor's Note

17 (1) Section 5.12(a), Chapter 16, Acts of the
18 70th Legislature, Regular Session, 1987, refers to a
19 "city." The revised law substitutes "municipality"
20 for "city" because in context the terms are
21 equivalent, and "municipality" is the term used in the
22 Local Government Code.

23 (2) Sections 5.12(a) and (c), Chapter 16, Acts
24 of the 70th Legislature, Regular Session, 1987, refer
25 to a "sick, diseased, or injured person." The revised
26 law omits the references to "diseased" because it is
27 included in the meaning of "sick."

28 (3) Section 5.12(a), Chapter 16, Acts of the
29 70th Legislature, Regular Session, 1987, refers to the
30 Indigent Health Care and Treatment Act (Article 4438f,
31 Vernon's Texas Civil Statutes). That statute was
32 codified in 1989 as Chapter 61, Health and Safety Code.
33 The revised law is drafted accordingly.

34 Revised Law

35 Sec. 1079.116. AUTHORITY TO SUE AND BE SUED. The board may
36 sue and be sued on behalf of the district. (Acts 70th Leg., R.S.,
37 Ch. 16, Sec. 5.15.)

30 district from all sources during the previous year;

31 (4) the amount of money available to the
32 district from all sources during the ensuing year;

33 (5) the amount of the balances expected at
34 the end of the year in which the budget is being
35 prepared;

36 (6) the estimated amount of revenues and
37 balances available to cover the proposed budget; and

38 (7) the estimated tax rate that will be

44 newspaper with general circulation in the district not later than

1 the 10th day before the date of the hearing.

2 (c) Any district resident is entitled to be present and
3 participate at the hearing.

4 (d) At the conclusion of the hearing, the board shall adopt
5 a budget by acting on the budget proposed by the district
6 administrator. The board may make any changes in the proposed
7 budget that the board judges to be in the interests of the
8 taxpayers.

9 (e) The budget is effective only after adoption by the
10 board. (Acts 70th Leg., R.S., Ch. 16, Sec. 6.05.)

11 Source Law

12 Sec. 6.05. (a) The board shall hold a public

14 (b) The board shall publish notice of the
15 hearing in a newspaper of general circulation in the
16 district not later than the 10th day before the date of
17 the hearing.

18 (c) Any resident of the district is entitled to
19 be present and participate at the hearing.

20 (d) At the conclusion of the hearing, the board
21 shall adopt a budget by acting on the budget proposed
22 by the administrator. The board may make any changes
23 in the proposed budget that in its judgment the
24 interests of the taxpayers demand.

25 (e) The budget is effective only after adoption
26 by the board.

27 Revised Law

28 Sec. 1079.153. AMENDMENTS TO BUDGET. After the annual
29 budget is adopted, the budget may be amended on the board's
30 approval. (Acts 70th Leg., R.S., Ch. 16, Sec. 6.06.)

36 spent only for an expense included in the budget or an amendment to
37 the budget. (Acts 70th Leg., R.S., Ch. 16, Sec. 6.07.)

42 Revised Law

43 Sec. 1079.155. FISCAL YEAR. (a) The district operates

1 according to a fiscal year established by the board.

2 (b) The fiscal year may not be changed:

3 (1) during a period that revenue bonds of the district
4 are outstanding; or

5 (2) more than once in a 24-month period. (Acts 70th
6 Leg., R.S., Ch. 16, Sec. 6.01.)

10 (b) The fiscal year may not be changed during a
11 period that revenue bonds of the district are
12 outstanding or more than once in a 24-month period.

13 Revised Law

14 Sec. 1079.156. ANNUAL AUDIT. The board annually shall have
15 an audit made of the district's financial condition. (Acts 70th
16 Leg., R.S., Ch. 16, Sec. 6.02.)

17 Source Law

18 Sec. 6.02. Annually, the board shall have an
19 audit made of the financial condition of the district.

20 Revised Law

21 Sec. 1079.157. INSPECTION OF ANNUAL AUDIT AND DISTRICT
22 RECORDS. The annual audit and other district records shall be open
23 to inspection during regular business hours at the district's
24 principal office. (Acts 70th Leg., R.S., Ch. 16, Sec. 6.03.)

25 Source Law

26 Sec. 6.03. The annual audit and other district
27 records shall be open to inspection during regular
28 business hours at the principal office of the
29 district.

30 Revised Law

31 Sec. 1079.158. FINANCIAL REPORT. As soon as practicable
32 after the close of the fiscal year, the district administrator
33 shall prepare for the board:

34 (1) a sworn statement of the amount of district money;
35 and

36 (2) an account of the disbursements of that money.
37 (Acts 70th Leg., R.S., Ch. 16, Sec. 6.08.)

1 Source Law

2 Sec. 6.08. As soon as practicable after the
3 close of the fiscal year, the administrator shall
4 prepare for the board a sworn statement of the amount
5 of money that belongs to the district and an account of
6 the disbursements of that money.

7 Revised Law

8 Sec. 1079.159. DEPOSITORY. (a) The board shall select at
9 least one bank to serve as a depository for district money.

10 (b) District money, other than money invested as provided by
11 Section 1079.160(b) and money transmitted to a bank for payment of
12 bonds or obligations issued or assumed by the district, shall be
13 deposited as received with the depository bank and must remain on
14 deposit. This subsection does not limit the power of the board to
15 place a part of district money on time deposit or to purchase
16 certificates of deposit.

17 (c) The district may not deposit money with a bank in an
18 amount that exceeds the maximum amount secured by the Federal
19 Deposit Insurance Corporation unless the bank first executes a bond
20 or other security in an amount sufficient to secure from loss the
21 district money that exceeds the amount secured by the Federal
22 Deposit Insurance Corporation. (Acts 70th Leg., R.S., Ch. 16, Sec.
23 6.10.)

24 Source Law

25 Sec. 6.10. (a) The board shall name at least
26 one bank to serve as depository for district funds.

27 (b) District funds, other than those invested as
28 provided by Subsection (b) of Section 6.09 of this Act
29 and those transmitted to a bank of payment for bonds or
30 obligations issued or assumed by the district, shall
31 be deposited as received with the depository bank and
32 must remain on deposit. This subsection does not limit
33 the power of the board to place a portion of district
34 funds on time deposit or to purchase certificates of
35 deposit.

36 (c) Before the district deposits funds in a bank
37 in an amount that exceeds the maximum amount secured by
38 the Federal Deposit Insurance Corporation, the bank
39 must execute a bond or other security in an amount
40 sufficient to secure from loss the district funds that
41 exceed the amount secured by the Federal Deposit
42 Insurance Corporation.

43 Revised Law

44 Sec. 1079.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
45 Except as provided by Sections 1079.111, 1079.201, 1079.204, and

1 1079.205, the district may not incur a debt payable from district
2 revenue other than the revenue on hand or to be on hand in the
3 current and the immediately following district fiscal years.

4 (b) The board may invest operating, depreciation, or
5 building reserves only in funds or securities specified by Chapter
6 2256, Government Code. (Acts 70th Leg., R.S., Ch. 16, Sec. 6.09.)

7 Source Law

8 Sec. 6.09. (a) Except as provided by Subsection
9 (a) of Section 5.07 and Sections 7.01, 7.04, and 7.05
10 of this Act, the district may not incur a debt payable
11 from revenues of the district other than the revenues
12 on hand or to be on hand in the current and immediately
13 following fiscal year of the district.

14 (b) The board may not invest operating,
15 depreciation, or building reserves in funds or
16 securities other than those specified by Article 836
17 or 837, Revised Statutes.

18 Revisor's Note

19 Section 6.09(b), Chapter 16, Acts of the 70th
20 Legislature, Regular Session, 1987, refers to "Article
21 836 or 837, Revised Statutes." Those articles were
22 impliedly repealed by the enactment of the Public
23 Funds Investment Act of 1987 (Article 842a-2, Vernon's
24 Texas Civil Statutes), which was revised in 1993 as
25 Chapter 2256, Government Code. Chapter 2256,
26 Government Code, defines "local government" to include
27 hospital districts and applies to the district by its
28 own terms. The revised law therefore substitutes a
29 reference to Chapter 2256, Government Code, for the
30 reference to Articles 836 and 837.

31 [Sections 1079.161-1079.200 reserved for expansion]

32 SUBCHAPTER E. BONDS

33 Revised Law

34 Sec. 1079.201. GENERAL OBLIGATION BONDS. If authorized by
35 an election, the board may issue and sell general obligation bonds
36 in the name and on the faith and credit of the district to:

37 (1) purchase, construct, acquire, repair, or renovate
38 buildings or improvements;

39 (2) equip buildings or improvements for hospital

1 purposes; or

2 (3) acquire and operate a mobile emergency medical
3 service. (Acts 70th Leg., R.S., Ch. 16, Sec. 7.01.)

4 Source Law

5 Sec. 7.01. If authorized by an election, the
6 board may issue and sell bonds in the name and on the
7 faith and credit of the hospital district to:

8 (1) purchase, construct, acquire, repair,
9 or renovate buildings or improvements;

10 (2) equip buildings or improvements for
11 hospital purposes; or

12 (3) acquire and operate a mobile emergency
13 medical service.

14 Revisor's Note

15 Section 7.01, Chapter 16, Acts of the 70th
16 Legislature, Regular Session, 1987, provides that the
17 board may issue and sell bonds in the name and on the
18 faith and credit of the district. The type of bonds
19 described by Section 7.01 are known as "general
20 obligation bonds," and the revised law is drafted
21 accordingly.

22 Revised Law

23 Sec. 1079.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
24 the time general obligation bonds are issued by the district under
25 Section 1079.201, the board shall impose an ad valorem tax at a rate
26 sufficient to create an interest and sinking fund to pay the
27 principal of and interest on the bonds as the bonds mature.

28 (b) The tax required by this section together with any other
29 ad valorem tax the district imposes may not in any year exceed the
30 limit approved by the voters at the election authorizing the
31 imposition of the tax. (Acts 70th Leg., R.S., Ch. 16, Sec. 7.02.)

32 Source Law

33 Sec. 7.02. (a) At the time the bonds are issued
34 by the district, the board shall levy a tax.

35 (b) The tax must be sufficient to create an
36 interest and sinking fund to pay the principal of and
37 interest on the bonds as they mature.

38 (c) In any year, the tax together with any other
39 tax the district levies may not exceed the limit
40 approved by the voters at the election authorizing the
41 levy of taxes.

1 Revisor's Note

2 Section 7.02, Chapter 16, Acts of the 70th
3 Legislature, Regular Session, 1987, requires the
4 district to levy a tax sufficient to pay the principal
5 of and interest on bonds. The revised law specifies
6 that the tax is an "ad valorem" tax because it is clear
7 from the source law that the tax is a property tax and
8 "ad valorem" is the term most commonly used to refer to
9 a property tax.

10 Revised Law

11 Sec. 1079.203. GENERAL OBLIGATION BOND ELECTION. (a) The
12 district may issue general obligation bonds only if the bonds are
13 authorized by a majority of the district voters voting at an
14 election held for that purpose.

15 (b) The board may order a bond election.

16 (c) The order calling the election must specify:

17 (1) the nature and date of the election;

18 (2) the hours during which the polls will be open;

19 (3) the location of the polling places;

20 (4) the amount of the bonds to be authorized; and

21 (5) the maximum maturity of the bonds.

22 (d) Notice of a bond election shall be given as provided by
23 Section 1251.003, Government Code.

24 (e) The board shall declare the results of the election.
25 (Acts 70th Leg., R.S., Ch. 16, Sec. 7.03.)

26 Source Law

27 Sec. 7.03. (a) The district may not issue
28 general obligation bonds until the bonds are
29 authorized by a majority of the qualified voters of the
30 district voting at an election called and held for that
31 purpose.

32 (b) The board may order a bond election. The
33 order calling the election must state the nature and
34 date of the election, the hours during which the polls
35 will be open, the location of the polling places, the
36 amount of bonds to be authorized, and the maximum
37 maturity of the bonds.

38 (c) Notice of a bond election shall be given as
39 provided by Article 704, Revised Statutes.

40 (d) The board shall canvass the returns and
41 declare the results of the election.

1 Revisor's Note

2 (1) Section 7.03(a), Chapter 16, Acts of the
3 70th Legislature, Regular Session, 1987, refers to a
4 majority of the "qualified" voters of the district.
5 The revised law omits "qualified" as unnecessary in
6 this context because Chapter 11, Election Code,
7 governs eligibility to vote in an election in this
8 state and allows only "qualified" voters who are
9 residents of the territory covered by the election to
10 vote in an election.

11 (2) Section 7.03(a), Chapter 16, Acts of the
12 70th Legislature, Regular Session, 1987, refers to an
13 election "called and held." The revised law omits
14 references to "calling" an election because, in this
15 context, "calling" an election is included in the
16 meaning of "holding" an election. Under Chapter 3,
17 Election Code, all elections must be ordered (called)
18 before they may be held.

19 (3) Section 7.03(c), Chapter 16, Acts of the
20 70th Legislature, Regular Session, 1987, refers to
21 Article 704, Revised Statutes, which specifies certain
22 notice requirements for a bond election. That
23 provision was codified in 1999 as Section 1251.003,
24 Government Code. The revised law is drafted
25 accordingly.

26 (4) Section 7.03(d), Chapter 16, Acts of the
27 70th Legislature, Regular Session, 1987, provides that
28 "[t]he board shall canvass the returns" of a bond
29 election. The revised law omits that requirement
30 because it duplicates Section 67.002, Election Code,
31 which requires the governing body of a political
32 subdivision that orders an election to canvass the
33 returns.

1 Revised Law

2 Sec. 1079.204. REVENUE BONDS. (a) The board may issue
3 revenue bonds to:

4 (1) purchase, construct, acquire, repair, renovate,
5 or equip buildings or improvements for hospital purposes;

6 (2) acquire sites to be used for hospital purposes; or

7 (3) acquire and operate a mobile emergency medical
8 service to assist the district in carrying out its hospital
9 purposes.

10 (b) The bonds must be payable from and secured by a pledge of
11 all or part of the revenue derived from the operation of the
12 district's hospital system.

13 (c) The bonds may be additionally secured by a mortgage or
14 deed of trust lien on all or part of district property.

15 (d) The bonds must be issued in the manner provided by
16 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
17 Health and Safety Code, for issuance of revenue bonds by a county
18 hospital authority. (Acts 70th Leg., R.S., Ch. 16, Sec. 7.04.)

19 Source Law

20 Sec. 7.04. (a) The board may issue revenue
21 bonds to:

22 (1) purchase, construct, acquire, repair,
23 equip, or renovate buildings or improvements for
24 hospital purposes;

25 (2) acquire sites to be used for hospital
26 purposes; or

27 (3) acquire and operate a mobile emergency
28 medical service to assist the district in carrying out
29 its hospital purposes.

30 (b) The bonds must be payable from and secured
31 by a pledge of all or part of the revenues derived from
32 the operation of the district's hospital system. The
33 bonds may be additionally secured by a mortgage or deed
34 of trust lien on all or part of district property.

35 (c) The bonds must be issued in the manner
36 provided by Sections 8, 10, 11, 12, and 13, County
37 Hospital Authority Act (Article 4494r, Vernon's Texas
38 Civil Statutes), for issuance of revenue bonds by
39 county hospital authorities.

40 Revisor's Note

41 Section 7.04(c), Chapter 16, Acts of the 70th
42 Legislature, Regular Session, 1987, refers to Sections
43 8, 10, 11, 12, and 13, County Hospital Authority Act
44 (Article 4494r, Vernon's Texas Civil Statutes). Those

1 provisions were codified in 1989 as Sections 264.042,
2 264.043, 264.046, 264.047, 264.048, and 264.049,
3 Health and Safety Code. The revised law is drafted
4 accordingly.

5 Revised Law

6 Sec. 1079.205. REFUNDING BONDS. (a) The board may issue
7 refunding bonds to refund an outstanding indebtedness issued or
8 assumed by the district.

9 (b) Refunding bonds may be:

10 (1) sold, with the proceeds of the refunding bonds
11 applied to the payment of the outstanding indebtedness; or

12 (2) exchanged wholly or partly for not less than a
13 similar principal amount of outstanding indebtedness. (Acts 70th
14 Leg., R.S., Ch. 16, Secs. 7.05(a), (c) (part).)

16 Sec. 7.05. (a) Refunding bonds of the district
17 may be issued to refund and pay off an outstanding
18 indebtedness the district has issued or assumed.

19 (c) The refunding bonds may be sold and the
20 proceeds applied to the payment of outstanding
21 indebtedness or may be exchanged in whole or in part
22 for not less than a similar principal amount of
23 outstanding indebtedness. . . .

24 Revisor's Note

25 Sections 7.05(b) and (c), Chapter 16, Acts of the
26 70th Legislature, Regular Session, 1987, require the
27 district to issue refunding bonds in the manner
28 prescribed by Article 717k-3, Vernon's Texas Civil
29 Statutes, and, for refunding bonds that will be sold,
30 to issue the bonds and to make payments on the bonds in
31 the manner prescribed by Article 717k, Vernon's Texas
32 Civil Statutes. Articles 717k and 717k-3 were
33 codified in 1999 as Chapter 1207, Government Code. The
34 revised law omits the provisions because Chapter 1207,
35 Government Code, applies to the district by its own
36 terms under Section 1207.001, Government Code. The
37 omitted law reads:

1 (b) The bonds must be issued in the
2 manner provided by Chapter 784, Acts of the
3 61st Legislature, Regular Session, 1969
4 (Article 717k-3, Vernon's Texas Civil
5 Statutes).

6 (c) . . . If the refunding bonds are
7 to be sold and the proceeds applied to the
8 payment of outstanding indebtedness, the
9 refunding bonds must be issued and payments
10 made in the manner provided by Chapter 503,
11 Acts of the 54th Legislature, Regular
12 Session, 1955 (Article 717k, Vernon's Texas
13 Civil Statutes).

14 Revised Law

15 Sec. 1079.206. MATURITY OF BONDS. District bonds must
16 mature not later than 50 years after the date of issuance. (Acts
17 70th Leg., R.S., Ch. 16, Sec. 7.06 (part).)

19 Sec. 7.06. District bonds must mature not more
20 than 50 years after the date of their issuance and
21

22 Revisor's Note

23 Section 7.06, Chapter 16, Acts of the 70th
24 Legislature, Regular Session, 1987, provides that
25 district bonds must bear interest at a rate not to
26 exceed that provided by Chapter 3, Acts of the 61st
27 Legislature, Regular Session, 1969 (Article 717k-2,
28 Vernon's Texas Civil Statutes). The revised law omits
29 that provision because the maximum interest rate noted
30 in Chapter 3 was revised in 1999 as Section 1204.006,
31 Government Code, and Section 1204.006 applies to the
32 district by its own terms by application of Section
33 1204.001, Government Code. The omitted law reads:

34 Sec. 7.06. [District bonds] . . .
35 must bear interest at a rate not to exceed
36 that provided by Chapter 3, Acts of the 61st
37 Legislature, Regular Session, 1969 (Article
38 717k-2, Vernon's Texas Civil Statutes).

39 Revised Law

40 Sec. 1079.207. EXECUTION OF BONDS. (a) The board president
41 shall execute district bonds in the district's name.

42 (b) The board secretary shall countersign the bonds in the
43 manner provided by Chapter 618, Government Code. (Acts 70th Leg.,
44 R.S., Ch. 16, Sec. 7.07.)

Source Law

Sec. 7.07. The president of the board shall execute the bonds in the name of the district, and the secretary of the board shall countersign the bonds in the manner provided by the Texas Uniform Facsimile Signature of Public Officials Act (Article 717j-1, Vernon's Texas Civil Statutes).

Revisor's Note

Section 7.07, Chapter 16, Acts of the 70th Legislature, Regular Session, 1987, refers to the Texas Uniform Facsimile Signature of Public Officials Act (Article 717j-1, Vernon's Texas Civil Statutes). That statute was codified in 1999 as Chapter 618, Government Code. The revised law is drafted accordingly.

Revised Law

Sec. 1079.208. BONDS EXEMPT FROM TAXATION. The following are exempt from taxation by this state or a political subdivision of this state:

- (1) bonds issued by the district;
- (2) any transaction relating to the bonds; and
- (3) profits made in the sale of the bonds. (Acts 70th

Leg., R.S., Ch. 16, Sec. 7.11 (part).)

Source Law

Sec. 7.11. . . . bonds issued by the district, any transaction relating to the bonds, and profits made in the sale of the bonds are free from taxation by the state or by any city, county, special district, or other political subdivision of the state.

Revisor's Note
(End of Subchapter)

(1) Section 7.08, Chapter 16, Acts of the 70th Legislature, Regular Session, 1987, provides that district bonds are subject to the law governing county bonds that relates to bond approval by the attorney general and registration of the bonds by the comptroller. Section 7.08 also provides that after approval and registration the bonds are "incontestable for any cause." The revised law omits those provisions

1 because they duplicate, in substance, provisions in
2 Chapter 1202, Government Code. Section 1202.003(a),
3 Government Code, requires that bonds be submitted to
4 the attorney general. Section 1202.003(b), Government
5 Code, provides for approval of the bonds by the
6 attorney general and requires the attorney general to
7 submit the approved bonds to the comptroller for
8 registration. Section 1202.005, Government Code,
9 requires registration of the bonds by the comptroller.
10 Section 1202.006, Government Code, provides that after
11 approval and registration the bonds are incontestable
12 and binding obligations. Chapter 1202, Government
13 Code, applies to district bonds by application of
14 Section 1202.001, Government Code. The omitted law
15 reads:

16 Sec. 7.08. (a) District bonds are
17 subject to the same requirements with
18 regard to approval by the attorney general
19 and registration by the comptroller of
20 public accounts as the law provides for
21 approval and registration of bonds issued
22 by counties.

23 (b) On approval by the attorney
24 general and registration by the comptroller
25 of public accounts, the bonds are
26 incontestable for any cause.

27 (2) Section 7.09, Chapter 16, Acts of the 70th
28 Legislature, Regular Session, 1987, provides that
29 district bonds and indebtedness are legal and
30 authorized investments for certain entities. The
31 revised law omits that provision as unnecessary. As to
32 some of the entities listed, Section 7.09 has been
33 superseded and impliedly repealed or it duplicates
34 existing law. Investments in securities by banks are
35 regulated by Section 34.101, Finance Code (enacted in
36 1995 as Section 5.101, Texas Banking Act (Article
37 342-5.101, Vernon's Texas Civil Statutes)).
38 Investments in securities by savings banks are
39 regulated by Section 93.001(c)(10), Finance Code

1 (enacted in 1993 as Section 7.15(10), Texas Savings
2 Bank Act (Article 489e, Vernon's Texas Civil
3 Statutes)). Investments in securities by trust
4 companies are regulated by Section 184.101, Finance
5 Code (enacted in 1997 as Section 5.101, Texas Trust
6 Company Act (Article 342a-5.101, Vernon's Texas Civil
7 Statutes)). Investments in securities by savings and
8 loan associations are regulated by Sections 63.002 and
9 64.001, Finance Code. As to the remaining entities
10 listed, Section 7.09 duplicates Section 1201.041,
11 Government Code (enacted as Section 9, Bond Procedures
12 Act of 1981 (Article 717k-6, Vernon's Texas Civil
13 Statutes)). Section 1201.041, Government Code,
14 applies to district bonds by application of Section
15 1201.002, Government Code. While Section 7.09 lists
16 "guardians" and Section 1201.041 does not, the latter
17 statute includes "fiduciaries" and a guardian is a
18 fiduciary. The revised law omits the reference to
19 public funds of this state because it is superseded by
20 a 1995 amendment to Section 404.024(b), Government
21 Code, which governs the investment of state funds by
22 the comptroller of public accounts. The amendment
23 added Subsection (b)(10) to Section 404.024 and
24 authorizes the investment of state funds in
25 obligations of political subdivisions, including
26 hospital districts. The omitted law reads:

27 Sec. 7.09. District bonds and
28 indebtedness assumed by the district are
29 legal and authorized investments for:
30 (1) banks;
31 (2) savings banks;
32 (3) trust companies;
33 (4) savings and loan
34 associations;
35 (5) insurance companies;
36 (6) fiduciaries;
37 (7) trustees;
38 (8) guardians; and
39 (9) sinking funds of cities,
40 counties, school districts, and other
41 political subdivisions of the state and
42 other public funds of the state and its

1 agencies, including the permanent school
2 fund.

3 (3) Section 7.10, Chapter 16, Acts of the 70th
4 Legislature, Regular Session, 1987, provides that
5 district bonds may secure deposits of public funds of
6 the state or political subdivisions of the state. The
7 revised law omits the provision relating to deposits
8 of state funds by the comptroller as impliedly
9 repealed by Section 404.0221, Government Code (enacted
10 in 1995), which lists eligible collateral for deposits
11 of state funds by the comptroller. As to deposits of
12 other funds, the provision duplicates Chapter 2257,
13 Government Code, which governs eligible collateral for
14 deposits of funds of other public agencies, including
15 political subdivisions, and permits those deposits to
16 be secured by obligations issued by hospital
17 districts. The omitted law reads:

18 Sec. 7.10. District bonds are
19 eligible to secure deposits of public funds
20 of the state and of cities, counties, school
21 districts, and other political subdivisions
22 of the state. The bonds are lawful and
23 sufficient security for deposits to the
24 extent of their value if accompanied by all
25 unmatured coupons.

27 SUBCHAPTER F. TAXES

28 Revised Law

29 Sec. 1079.251. IMPOSITION OF AD VALOREM TAX. (a) The board
30 may impose a tax on all property in the district subject to district
31 taxation.

32 (b) The tax may be used to pay:

33 (1) indebtedness issued or assumed by the district;
34 and

35 (2) the maintenance and operating expenses of the
36 district.

37 (c) The district may not impose a tax to pay the principal of
38 or interest on revenue bonds issued under this chapter. (Acts 70th
39 Leg., R.S., Ch. 16, Secs. 8.01(a) (part), (c), (d), 8.02(b).)

1 Source Law

2 Sec. 8.01. (a) The board may annually levy taxes
3

4 (c) The taxes may be used to pay:
5 (1) the indebtedness issued or assumed by
6 the district; and
7 (2) the maintenance and operating expenses
8 of the district.

9 (d) The district may not levy taxes to pay the
10 principal of or interest on revenue bonds issued under
11 this Act.

12 [Sec. 8.02]

13 (b) The board shall levy taxes on all property
14 in the district subject to hospital district taxation.

15 Revised Law

16 Sec. 1079.252. TAX RATE. (a) The board may impose the tax
17 at a rate not to exceed the limit approved by the voters at the
18 election authorizing the imposition of the tax.

19 (b) The tax rate for all purposes may not exceed 75 cents on
20 each \$100 valuation of all taxable property in the district.

21 (c) In setting the tax rate, the board shall consider the
22 income of the district from sources other than taxation. (Acts 70th
23 Leg., R.S., Ch. 16, Secs. 8.01(a) (part), (b), 8.03 (part).)

24 Source Law

25 Sec. 8.01. (a) [The board may annually levy
26 taxes] in an amount not to exceed the limit approved by
27 the voters at the election authorizing the levy of
28 taxes.

29 (b) The tax rate for all purposes may not exceed
30 75 cents on each \$100 valuation of all taxable property
31 in the district.

32 Sec. 8.03. In setting the tax rate, the board
33 shall take into consideration the income of the
34 district from sources other than taxation. . . .

35 Revisor's Note

36 Section 8.03, Chapter 16, Acts of the 70th
37 Legislature, Regular Session, 1987, requires the board
38 to levy the tax and to certify the tax rate to the tax
39 assessor-collector. The revised law omits that
40 provision because Section 26.05(a), Tax Code, requires
41 the governing body of a taxing unit to adopt a tax rate
42 for the current tax year and to notify the tax assessor
43 of that rate. The omitted law reads:

1 Sec. 8.03. . . . On determination of
2 the amount of tax required to be levied, the
3 board shall make the levy and certify it to
4 the tax assessor-collector.

5 Revised Law

6 Sec. 1079.253. TAX ASSESSOR-COLLECTOR. The board may
7 provide for the appointment of a tax assessor-collector for the
8 district or may contract for the assessment and collection of taxes
9 as provided by the Tax Code. (Acts 70th Leg., R.S., Ch. 16, Sec.
10 8.04(b).)

11 Source Law

12 (b) The board may provide for the appointment of
13 a tax assessor-collector for the district or may
14 contract for the assessment and collection of taxes as
15 provided by the Tax Code.

16 Revisor's Note

17 Section 8.04(a), Chapter 16, Acts of the 70th
18 Legislature, Regular Session, 1987, provides that the
19 Tax Code governs the appraisal, assessment, and
20 collection of district taxes. The revised law omits
21 that provision because Section 1.02, Tax Code,
22 requires all taxing units of government to administer
23 the assessment and collection of an ad valorem tax in
24 conformity with Title 1, Tax Code. The omitted law
25 reads:

26 Sec. 8.04. (a) The Tax Code governs
27 the appraisal, assessment, and collection
28 of district taxes.

29 Revisor's Note
30 (End of Subchapter)

31 Section 8.02(a), Chapter 16, Acts of the 70th
32 Legislature, Regular Session, 1987, provides that the
33 district may levy taxes for the entire year in which
34 the district is created. The revised law omits that
35 provision as executed. The omitted law reads:

36 Sec. 8.02. (a) The board may levy
37 taxes for the entire year in which the
38 district is created.

39 Revisor's Note
40 (End of Chapter)

41 Sections 5.01(a) and 5.02(2), Chapter 16, Acts of

1 the 70th Legislature, Regular Session, 1987, require
 2 the transfer of certain land, buildings, improvements,
 3 equipment, funds, and reserves to the district after
 4 the district is created and provide for the assumption
 5 of debt by the district on creation. The revised law
 6 omits the provisions as executed. The omitted law
 7 reads:

8 Sec. 5.01. (a) On creation of the
 9 district, Jack County shall convey or
 10 transfer to the district:

11 (1) title to land, buildings,
 12 improvements, and equipment related to the
 13 hospital system owned by Jack County;

14 (2) operating funds and
 15 reserves for operating expenses and funds
 16 that have been budgeted by the
 17 commissioners court of Jack County to
 18 provide medical care for residents of the
 19 district for the remainder of the fiscal
 20 year in which the district is established;

21 (3) taxes levied by Jack County
 22 for hospital purposes for the current year;
 23 and

24 (4) funds established for
 25 payment of indebtedness assumed by the
 26 district.

27 Sec. 5.02. [On creation of the
 28 district, the district:]

29 . . .
 30 (2) assumes any outstanding
 31 indebtedness incurred by Jack County in
 32 providing hospital care for residents of
 33 the territory of the district before the
 34 district's creation; and

15 SUBCHAPTER A. GENERAL PROVISIONS

16 Revised Law

17 Sec. 1080.001. DEFINITIONS. In this chapter:

- 18 (1) "Board" means the board of directors of the
- 19 district.
- 20 (2) "Director" means a member of the board.
- 21 (3) "District" means the Nixon Hospital District of
- 22 Gonzales and Wilson Counties, Texas. (New.)

23 Revisor's Note

24 The definitions of "board," "director," and

25 "district" are added to the revised law for drafting

26 convenience and to eliminate frequent, unnecessary

27 repetition of the substance of the definitions.

28 Revised Law

29 Sec. 1080.002. AUTHORITY FOR CREATION. The Nixon Hospital

30 District of Gonzales and Wilson Counties, Texas, is created under

31 the authority of Section 9, Article IX, Texas Constitution. (Acts

32 59th Leg., R.S., Ch. 644, Sec. 1.)

33 Source Law

34 Sec. 1. By authority of Section 9, Article IX,

35 Constitution of the State of Texas, this Act

1 authorizes the creation of the Nixon Hospital District
2 of Gonzales and Wilson Counties, Texas.

3 Revised Law

4 Sec. 1080.003. DISTRICT TERRITORY. (a) The district is
5 composed of the territory described by Section 2(a), Chapter 644,
6 Acts of the 59th Legislature, Regular Session, 1965.
7 Notwithstanding the metes and bounds description provided by that
8 section, the district does not include any land in Karnes County.

9 (b) The district's boundaries described by Section 2(a),
10 Chapter 644, Acts of the 59th Legislature, Regular Session, 1965,
11 form a closure. An error in copying the description of the
12 boundaries does not affect the validity of the district. (Acts 59th
13 Leg., R.S., Ch. 644, Secs. 2(b), (c); New.)

14 Source Law

15 (b) The Legislature finds that the boundary of
16 the District set forth in Subsection (a) of this
17 Section forms a closure and any error in copying the
18 description contained in that section does not affect
19 the validity of the District.

20 (c) Notwithstanding the metes and bounds
21 description of the District set forth in Subsection
22 (a) of this Section, the District does not include
23 within its boundaries any land lying in Karnes County.

24 Revisor's Note

25 The revision of the law governing the Nixon
26 Hospital District of Gonzales and Wilson Counties,
27 Texas, does not revise the statutory language
28 describing the territory of the district to avoid the
29 lengthy recitation of the description. For the
30 reader's convenience, the revised law includes a
31 reference to the statutory description of the
32 district's territory.

33 Revised Law

34 Sec. 1080.004. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
35 OBLIGATION. The support and maintenance of the district's hospital
36 system and any indebtedness incurred by the district under this
37 chapter may not become a charge against or obligation of this state.

Revisor's Note
(End of Subchapter)

Sections 4(a), (b), (e), (f), and (g) and 7, Chapter 644, Acts of the 59th Legislature, Regular Session, 1965, provide procedures for holding an election on the creation of the district and the imposition of an ad valorem tax. Because the creation of the district and the imposition of the tax were approved at the election, the revised law omits the provisions as executed. The omitted law reads:

Sec. 4. (a) The District authorized to be created by this Act is created by the approval of a majority of the qualified electors who own taxable property within the District and who have duly rendered that property for taxation and who vote at an election called for this purpose.

(b) Upon receiving the petition of 20 people who are qualified to vote in this election, the Commissioners Court of Gonzales County shall order an election for the purpose of creating the District, not less than 20 days nor more than 30 days after the date of the order.

(e) . . . If a majority of the persons voting in the election vote for the creation of the District, the commissioners court shall, within ten days after the results are filed, declare the results and order the District created. A copy of this order shall be placed in the minutes of the court, and a copy filed with the county clerk of each county in the District.

1 (f) If a majority of the persons
2 voting at the election vote against the
3 creation of the District, this does not
4 prevent the holding of other elections for
5 the same purpose.

6 (g) The ballot for this election must
7 be substantially as follows:

8 "FOR the creation of Nixon Hospital
9 District of Gonzales and Wilson Counties,
10 Texas.

11 "AGAINST the creation of Nixon
12 Hospital District of Gonzales and Wilson
13 Counties, Texas."

14 Sec. 7. (a) At the time of the
15 election to create the District and to elect
16 directors, the commissioners court may
17 order an election to determine whether the
18 District may levy taxes within the
19 District. This tax may not exceed
20 seventy-five cents (75¢) on the One Hundred
21 Dollar valuation of all taxable property
22 within the District. If the commissioners
23 court does not include this election in the
24 order for the election to create the
25 District, the Board of Directors may order
26 this election at any time.

27 (b) Prior to this election, notice
28 must be given by the appropriate
29 governmental unit, either the commissioners
30 court or the Board of Directors, in the same
31 manner provided in Section 4 of this Act.
32 The presiding judge of each voting place
33 shall certify the results to the
34 appropriate governmental unit which shall
35 declare the results. The results are to be
36 of public record.

37 (c) The ballot for this election must
38 contain substantially the following:

39 "FOR the levy of a tax not to exceed
40 seventy-five cents (75¢) on the One Hundred
41 Dollar valuation on all property subject to
42 taxation within the District.

43 "AGAINST the levy of a tax not to
44 exceed seventy-five cents (75¢) on the One
45 Hundred Dollar valuation on all property
46 subject to taxation within the District."

47 (d) The Board of Directors shall not
48 levy any tax within the District until a
49 majority of the qualified electors who own
50 taxable property within the District and
51 who have duly rendered that property for
52 taxation voting in an election for this
53 purpose vote for the levy of this tax.

54 [Sections 1080.006-1080.050 reserved for expansion]

55 SUBCHAPTER B. DISTRICT ADMINISTRATION

56 Revised Law

57 Sec. 1080.051. BOARD ELECTION; TERMS. (a) The board
58 consists of seven directors elected from the district at large.

59 (b) Directors serve staggered two-year terms unless
60 four-year terms are established under Section 285.081, Health and

1 Safety Code. (Acts 59th Leg., R.S., Ch. 644, Secs. 5(a) (part), (e),
2 (f), (h) (part).)

3 Source Law

4 Sec. 5. (a) The . . . Board of Directors which
5 consists of seven members, to be elected by the
6 qualified electors who own taxable property within the
7 District and who have duly rendered that property for
8 taxation.

9 (e) Each person entitled to vote for director
10 may cast his vote for seven candidates.

11 (f) The seven persons receiving the highest
12 number of votes at this election shall constitute the
13 first Board of Directors. The four directors
14 receiving the highest number of votes shall serve for
15 two years. The remaining directors elected shall
16 serve for one year.

17 (h) After the second election, all directors
18 shall serve for a two-year term. . . .

19 Revisor's Note

20 (1) Section 5(a), Chapter 644, Acts of the 59th
21 Legislature, Regular Session, 1965, refers to
22 "qualified" electors. The revised law omits
23 "qualified" as unnecessary in this context because
24 Chapter 11, Election Code, governs eligibility to vote
25 in an election in this state and allows only
26 "qualified" voters who are residents of the territory
27 covered by the election to vote in an election.

28 (2) Section 5(a), Chapter 644, Acts of the 59th
29 Legislature, Regular Session, 1965, refers to electors
30 who "own taxable property within the District and who
31 have duly rendered that property for taxation." The
32 revised law omits the quoted language because in Hill
33 v. Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the
34 United States Supreme Court determined that property
35 ownership as a qualification for voting is an
36 unconstitutional denial of equal protection.

37 (3) Section 5(c), Chapter 644, Acts of the 59th
38 Legislature, Regular Session, 1965, required the
39 Commissioners Court of Gonzales County to order the
40 election of directors, publish notice of the election,

1 and certify, file, and declare the election results.
2 Section 5(d), Chapter 644, Acts of the 59th
3 Legislature, Regular Session, 1965, required a
4 candidate for director to file the person's name with
5 the commissioners court at least two weeks before the
6 election. The revised law omits the provisions as
7 executed. The omitted law reads:

8 (c) At the time of ordering the
9 election to create the District, the
10 Commissioners Court of Gonzales County
11 shall order the election of the directors of
12 the District. The court shall publish
13 notice of this election and the results are
14 to be certified, filed and declared in the
15 same manner as provided in Section 4 of this
16 Act.

17 (d) Any person who is qualified to
18 serve on the Board of Directors and who
19 desires to serve shall file his name with
20 the commissioners court at least two weeks
21 before the date of the election.

22 (4) Sections 5(e) and (f), Chapter 644, Acts of
23 the 59th Legislature, Regular Session, 1965, prescribe
24 the procedures for electing the initial board of
25 directors and the terms of the initial directors. The
26 revised law omits those provisions as executed but
27 codifies the establishment of a board consisting of
28 seven directors elected from the district at large
29 serving staggered terms.

30 (5) Section 5(g), Chapter 644, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that
32 directors' elections are held on the first Saturday in
33 April each year. The revised law omits that provision
34 as impliedly repealed by a 1986 amendment to Section
35 41.001, Election Code. Chapter 14, Acts of the 69th
36 Legislature, 3rd Called Session, 1986, amended Section
37 41.001, Election Code, to prescribe certain uniform
38 election dates. Section 37 of that act required a
39 political subdivision that had held its general
40 election of officers on the first Saturday in April to
41 hold that election on a uniform election date in May or

1 to choose a different uniform election date on which to
2 hold the election. The omitted law reads:

3 (g) Thereafter, each year on the
4 first Saturday in April an election is to be
5 held for the purpose of electing the
6 appropriate number of directors to the
7 Board.

8 (6) Section 5(h), Chapter 644, Acts of the 59th
9 Legislature, Regular Session, 1965, provides that
10 directors serve two-year terms. Section 285.081,
11 Health and Safety Code, applicable to this district,
12 provides a mechanism by which the governing board of a
13 hospital district, on its own motion, may order that
14 the directors are to be elected in even-numbered years
15 to serve staggered four-year terms. The revised law is
16 drafted accordingly and adds a reference to Section
17 285.081, Health and Safety Code, for the convenience
18 of the reader.

19 (7) Section 5(h), Chapter 644, Acts of the 59th
20 Legislature, Regular Session, 1965, provides that a
21 director serves until a successor is "elected and
22 qualified." The revised law omits that provision
23 because it duplicates Section 17, Article XVI, Texas
24 Constitution, which provides that an officer in this
25 state is to continue to perform the officer's official
26 duties until a successor has qualified. The omitted
27 law reads:

28 (h) . . . In every case the directors
29 shall serve until their successor has been
30 elected and qualified for the office.

31 Revised Law

32 Sec. 1080.052. QUALIFICATIONS FOR OFFICE. To qualify for
33 election to the board, a person must:

- 34 (1) be at least 18 years of age;
35 (2) have been a resident of the district for at least
36 two years;
37 (3) be a qualified voter; and

1 (4) own taxable property in the district and have duly
2 rendered that property for taxation. (Acts 59th Leg., R.S., Ch.
3 644, Sec. 5(b).)

4 Source Law

5 (b) To qualify for election to the Board, a
6 person must:

- 7 (1) be at least 21 years of age;
8 (2) have been a resident of the District
9 for at least two years;
10 (3) be a qualified voter;
11 (4) own taxable property within the
12 District and have duly rendered that property for
13 taxation.

14 Revisor's Note

15 Section 5(b), Chapter 644, Acts of the 59th
16 Legislature, Regular Session, 1965, provides that a
17 person must be "at least 21 years of age" to qualify
18 for election as a director. The revised law
19 substitutes the age of "18" for "21" because Chapter
20 129, Civil Practice and Remedies Code, establishes 18
21 years as the age of majority in this state. Section
22 129.002, Civil Practice and Remedies Code, provides
23 that a law adopted before August 27, 1973, that extends
24 a right, privilege, or obligation to an individual on
25 the basis of a minimum age of 19, 20, or 21 years shall
26 be interpreted as prescribing a minimum age of 18
27 years. Section 5 was enacted in 1965 and has not been
28 amended.

29 Revised Law

30 Sec. 1080.053. BOND; RECORD OF BOND AND OATH OR AFFIRMATION
31 OF OFFICE. (a) A person elected to the board shall qualify for
32 office by executing a good and sufficient commercial bond for
33 \$1,000 that is:

- 34 (1) payable to the district; and
35 (2) conditioned on the faithful performance of the
36 director's duties.

37 (b) The district shall pay for a director's bond.

38 (c) Each director's bond and constitutional oath or

1 affirmation of office shall be deposited with the district's
2 depository for safekeeping. (Acts 59th Leg., R.S., Ch. 644, Sec.
3 6(a).)

4 Source Law

5 Sec. 6. (a) When a person is elected to the
6 Board of Directors he shall qualify for office by
7 executing the constitutional oath of office and a good
8 and sufficient commercial bond for \$1,000 payable to
9 the District, conditioned upon the faithful
10 performance of his duties. The oath and bond are to be
11 deposited with the District depository for
12 safekeeping. The cost of the bond is an expense of the
13 District.

14 Revisor's Note

15 Section 6(a), Chapter 644, Acts of the 59th
16 Legislature, Regular Session, 1965, requires each
17 director to take the constitutional oath of office.
18 The revised law omits the provision because Section 1,
19 Article XVI, Texas Constitution, requires all officers
20 in this state to take the oath (or affirmation) before
21 assuming office. Additionally, the revised law
22 provides for the deposit of the constitutional
23 affirmation, as well as the constitutional oath,
24 because Section 1, Article XVI, Texas Constitution,
25 permits an officer in this state to take either the
26 constitutional oath or the affirmation.

27 Revised Law

28 Sec. 1080.054. OFFICERS. The board shall elect from among
29 its members a president, a secretary, and a treasurer at the first
30 meeting after each directors' election. (Acts 59th Leg., R.S., Ch.
31 644, Sec. 6(b).)

32 Source Law

33 (b) The directors shall, at the first meeting
34 after the election elect a president, a secretary, and
35 a treasurer from their number.

36 Revised Law

37 Sec. 1080.055. COMPENSATION; EXPENSES. A director is not
38 entitled to compensation but is entitled to reimbursement for
39 necessary expenses incurred in the performance of official duties.

1 (Acts 59th Leg., R.S., Ch. 644, Sec. 6(c).)

2 Source Law

3 (c) A member of the Board of Directors is not
4 entitled to compensation for his services. However,
5 each member is entitled to reimbursement for any
6 necessary expense incurred by him in the performance
7 of the duties of his office.

8 Revised Law

9 Sec. 1080.056. DISTRICT ADMINISTRATOR. (a) The board may
10 employ a district administrator to manage the operations of the
11 hospital system.

12 (b) The district administrator may employ necessary
13 personnel to perform the services provided by the hospital system.

14 (Acts 59th Leg., R.S., Ch. 644, Sec. 11(e) (part).)

15 Source Law

16 (e) The Board may
17 . . .
18 (3) employ an administrator to manage the
19 operations of the hospital system, who may hire
20 necessary personnel to perform the services provided
21 by the system.

22 Revised Law

23 Sec. 1080.057. EMPLOYEES. The board may employ an
24 attorney, a general manager, a bookkeeper, an architect, and other
25 employees necessary for the efficient operation of the district.

26 (Acts 59th Leg., R.S., Ch. 644, Sec. 11(e) (part).)

27 Source Law

28 (e) The Board may
29 . . .
30 (2) employ an attorney, general manager,
31 bookkeeper, architect, and other employees necessary
32 for the efficient operation of the District;
33 . . .

34 Revised Law

35 Sec. 1080.058. MAINTENANCE OF RECORDS; PUBLIC INSPECTION.

36 The board shall:

37 (1) maintain all district records, including books,
38 accounts, notices, minutes, and other matters of the district and
39 its operation, at the district office; and

40 (2) make those records available for public inspection
41 at reasonable times. (Acts 59th Leg., R.S., Ch. 644, Sec. 11(b).)

1 Source Law

2 (b) The Board shall keep all books, records,
3 accounts, notices, minutes, and other matters of the
4 District and its operation at the office of the
5 District. The Board shall make these items available
6 for public inspection at reasonable times.

7 [Sections 1080.059-1080.100 reserved for expansion]

8 SUBCHAPTER C. POWERS AND DUTIES

9 Revised Law

10 Sec. 1080.101. DISTRICT RESPONSIBILITY. The district shall
11 provide all necessary hospital and medical care for the district's
12 needy inhabitants. (Acts 59th Leg., R.S., Ch. 644, Sec. 3(a)
13 (part).)

14 Source Law

15 (a) . . . This District shall provide all
16 necessary hospital and medical care for the needy
17 inhabitants of the District.

18 Revised Law

19 Sec. 1080.102. RESTRICTION ON POLITICAL SUBDIVISION
20 TAXATION AND DEBT. A political subdivision of this state, other
21 than the district, may not impose a tax or issue bonds or other
22 obligations to provide hospital service or medical care in the
23 district. (Acts 59th Leg., R.S., Ch. 644, Sec. 3(a) (part).)

24 Source Law

25 (a) . . . After this District is created as
26 provided in Section 4 of this Act, no other
27 municipality or political subdivision of this State
28 may levy taxes or issue bonds or other obligations of
29 indebtedness for the purpose of providing hospital
30 service or medical care within the District. . . .

31 Revisor's Note

32 (1) Section 3(a), Chapter 644, Acts of the 59th
33 Legislature, Regular Session, 1965, provides that
34 "[a]fter this District is created as provided in
35 Section 4 of this Act," certain political subdivisions
36 may not levy taxes or issue bonds. The revised law
37 omits the quoted language as executed. In addition,
38 throughout this chapter, the revised law substitutes
39 "impose" for "levy" because, in this context, the
40 terms are synonymous and the former is more commonly

1 used.

2 (2) Section 3(a), Chapter 644, Acts of the 59th
3 Legislature, Regular Session, 1965, refers to a
4 "municipality or political subdivision." Throughout
5 this chapter, the revised law omits references to
6 "municipality" in this context because "municipality"
7 is included in the meaning of "political subdivision."

8 Revised Law

9 Sec. 1080.103. MANAGEMENT AND CONTROL OF THE DISTRICT. The
10 management and control of the district is vested in the board, and
11 the board has full power to manage and control the district. (Acts
12 59th Leg., R.S., Ch. 644, Secs. 5(a) (part), 11(a) (part).)

13 Source Law

14 Sec. 5. (a) The management and control of the
15 District is vested in a Board of Directors

16 Sec. 11. (a) The Board of Directors has full
17 power to manage and control the District. . . .

18 Revised Law

19 Sec. 1080.104. HOSPITAL SYSTEM. The district has the
20 responsibility to establish a hospital, hospital system, or clinic
21 within its boundaries to provide hospital and medical care to the
22 district's residents. (Acts 59th Leg., R.S., Ch. 644, Sec. 3(a)
23 (part).)

24 Source Law

25 Sec. 3. (a) The District authorized to be
26 created by this Act is charged with the responsibility
27 of establishing a hospital or a hospital system or a
28 clinic within its boundaries to furnish hospital and
29 medical care to the residents of the District. . . .

30 Revised Law

31 Sec. 1080.105. RULES. (a) The board shall adopt rules for
32 the efficient operation of the district, including district
33 facilities.

34 (b) The board shall:

35 (1) publish the rules in book form; and

36 (2) provide copies to interested persons on request at
37 district expense. (Acts 59th Leg., R.S., Ch. 644, Sec. 11(c).)

1 Source Law

2 (c) The Board shall adopt rules for the
3 efficient operation of the District and its facilities
4 which are not inconsistent with this Act. The Board
5 shall publish these rules and regulations in book form
6 and furnish copies to interested persons upon request
7 and at the expense of the District.

8 Revisor's Note

9 (1) Section 11(c), Chapter 644, Acts of the 59th
10 Legislature, Regular Session, 1965, provides that the
11 board shall adopt rules that are "not inconsistent
12 with this Act." The revised law omits the quoted
13 language because, under established principles of law,
14 the board is not authorized to take any action contrary
15 to the laws of this state.

16 (2) Section 11(c), Chapter 644, Acts of the 59th
17 Legislature, Regular Session, 1965, refers to "rules
18 and regulations." The revised law omits the reference
19 to "regulations" because under Section 311.005(5),
20 Government Code (Code Construction Act), a rule is
21 defined to include a regulation.

22 Revised Law

23 Sec. 1080.106. PURCHASING AND ACCOUNTING PROCEDURES. The
24 board may prescribe the method of making purchases and expenditures
25 and the manner of accounting and control used by the district.
26 (Acts 59th Leg., R.S., Ch. 644, Sec. 11(e) (part).)

27 Source Law

28 (e) The Board may
29 (1) prescribe the method of making
30 purchases and expenditures and the manner of
31 accounting and control used by the District;
32 . . .

33 Revised Law

34 Sec. 1080.107. EMINENT DOMAIN. (a) The district may
35 exercise the power of eminent domain to acquire a fee simple or
36 other interest in real, personal, or mixed property located in
37 district territory if the interest is necessary for the district to
38 exercise a power or duty conferred on the district by this chapter.

39 (b) The district must exercise the power of eminent domain

1 in the manner provided by Chapter 21, Property Code, except the
2 district is not required to deposit in the trial court money or a
3 bond as provided by Section 21.021(a), Property Code.

4 (c) In a condemnation proceeding, the district is not
5 required to:

6 (1) pay in advance or provide a bond or other security
7 for costs in the trial court; or

8 (2) provide a bond for costs or a supersedeas bond on
9 an appeal or petition for review. (Acts 59th Leg., R.S., Ch. 644,
10 Sec. 14.)

11 Source Law

12 Sec. 14. (a) The District has the power of
13 eminent domain for the purpose of acquiring by
14 condemnation any interest, including fee simple
15 absolute, in any real, personal, or mixed property
16 within the boundaries of the District that is
17 necessary to the exercise of the powers and duties
18 conferred upon it by this Act.

19 (b) The Board shall exercise this power of
20 eminent domain in the same manner as provided by
21 General Law. However, the District is not required to
22 make deposits in the registry of the trial court or to
23 post bond as required by Paragraph 2, Article 3268,
24 Revised Civil Statutes of Texas, 1925, as amended.

25 (c) The District is not required to pay in
26 advance or to give any bond or other security for costs
27 in the trial court otherwise required for the issuance
28 relating to a condemnation proceeding, nor is it
29 required to give a bond for costs or for supersedeas on
30 an appeal or writ of error proceeding to a Court of
31 Civil Appeals or to the Supreme Court.

32 Revisor's Note

33 (1) Section 14(a), Chapter 644, Acts of the 59th
34 Legislature, Regular Session, 1965, provides that the
35 district has the "power of eminent domain for the
36 purpose of acquiring [property] by condemnation." The
37 revised law substitutes for the quoted language "may
38 exercise the power of eminent domain to acquire
39 [property]" because the phrases have the same meaning
40 and the latter phrase is consistent with modern usage
41 in laws relating to eminent domain.

42 (2) Section 14(b), Chapter 644, Acts of the 59th
43 Legislature, Regular Session, 1965, provides that the
44 district must exercise the power of eminent domain in

1 the manner provided by "General Law." The revised law
2 substitutes for "General Law" a reference to Chapter
3 21, Property Code, because that is the general law
4 governing eminent domain.

5 (3) Section 14(b), Chapter 644, Acts of the 59th
6 Legislature, Regular Session, 1965, refers to
7 Paragraph 2, Article 3268, Revised Civil Statutes of
8 Texas, 1925. That statute was codified in 1983 as
9 Section 21.021(a), Property Code. The revised law is
10 drafted accordingly.

11 (4) Section 14(c), Chapter 644, Acts of the 59th
12 Legislature, Regular Session, 1965, provides that the
13 district is not required to provide a bond on an appeal
14 or "writ of error proceeding" to "a Court of Civil
15 Appeals or to the Supreme Court." The revised law
16 substitutes "petition for review" for "writ of error"
17 because, effective September 1, 1997, the Texas
18 Supreme Court replaced the writ of error procedure
19 with the petition for review procedure. See Rule 53.1,
20 Rules of Appellate Procedure. The revised law omits
21 the references to the court of civil appeals (now the
22 court of appeals) and the supreme court. The revised
23 law omits the references because the court of appeals
24 and the supreme court are the only courts to which the
25 district may appeal or with which the district may file
26 a petition for review.

27 Revised Law

28 Sec. 1080.108. GIFTS AND ENDOWMENTS. The board may accept
29 for the district a gift or endowment to be held in trust and
30 administered by the board under the directions, limitations, or
31 other provisions prescribed in writing by the donor that are not
32 inconsistent with the proper management of the district. (Acts
33 59th Leg., R.S., Ch. 644, Sec. 11(f).)

(f) The Board may accept donations, gifts, and endowments for the District. The Board shall hold all donations, gifts, and endowments in trust and shall administer them under any direction, limitation, or provisions as may be prescribed in writing by the donor, as long as it is not inconsistent with the proper management of the District.

Revisor's Note

Section 11(f), Chapter 644, Acts of the 59th Legislature, Regular Session, 1965, refers to "donations" and "gifts." The revised law omits the reference to "donations" because "donations" is included in the meaning of "gifts."

Revised Law

Sec. 1080.109. CONTRACTS WITH POLITICAL SUBDIVISIONS FOR HOSPITAL AND MEDICAL CARE. The board may contract with another political subdivision to provide hospital and medical care for needy persons who reside outside the district. (Acts 59th Leg., R.S., Ch. 644, Sec. 11(g).)

Source Law

(g) The Board may enter any contract with a municipality or other political subdivision to provide hospital and medical care for needy persons who reside outside the District.

Revised Law

Sec. 1080.110. CONTRACT CONCERNING HEALTH CARE FACILITY IN DISTRICT. The district may contract with any of the following entities for the entity to lease, manage, or operate a health care facility in the district:

- (1) the DeWitt Medical District; and
- (2) Gonzales Healthcare Systems. (Acts 59th Leg., R.S., Ch. 644, Secs. 3(b), (c).)

Source Law

(b) The District may contract with Gonzales Healthcare Systems for Gonzales Healthcare Systems to lease, manage, or operate a health care facility located in the District.

(c) The District may contract with the DeWitt Medical District for the DeWitt Medical District to lease, manage, or operate a health care facility located in the District.

Revised Law

1
2 Sec. 1080.111. PAYMENT FOR TREATMENT; PROCEDURE. (a) A
3 person who resides in the district is entitled to receive necessary
4 medical and hospital care regardless of whether the person has the
5 ability to pay for the care and may apply to receive this care
6 without cost.

7 (b) The board or the district administrator shall employ a
8 person to investigate the ability of the patient and any relative
9 who is liable for the patient's support to pay for the medical and
10 hospital care received by the patient.

11 (c) If the investigator determines that the patient or
12 relative legally liable for the patient's support cannot pay all or
13 part of the costs of the patient's care, the expense of the care
14 becomes a charge against the district.

15 (d) If the patient or a relative legally liable for the
16 patient's support can pay for all or part of the costs of the
17 patient's care, the board shall order the patient or relative to pay
18 to the treasurer each week an amount specified in the order. The
19 amount must be proportionate to the person's ability to pay.

20 (e) The district may collect the amount from the patient's
21 estate, or from any relative who is liable for the patient's
22 support, in the manner provided by law for the collection of
23 expenses of the last illness of a deceased person.

24 (f) If there is a dispute as to the ability to pay, or doubt
25 in the mind of the investigator, the board shall hold a hearing and,
26 after calling witnesses, shall:

- 27 (1) determine the question; and
28 (2) make the proper order based on the board's
29 findings.

30 (g) A party to the hearing who is not satisfied with the
31 result of the order may appeal to the district court. The appeal is
32 de novo, as that term is used in an appeal from a justice court to a
33 county court. (Acts 59th Leg., R.S., Ch. 644, Sec. 13.)

1 Source Law

2 Sec. 13. (a) A person who resides within the
3 District is entitled to receive necessary medical and
4 hospital care whether he has the ability to pay for the
5 care or not. A person who resides within the District
6 may make application to receive this care without
7 cost.

8 (b) The Board or the administrator shall employ
9 a person to investigate the ability of the patient and
10 the ability of any relative who is liable for the
11 support of the patient to pay for the medical and
12 hospital care which the patient receives.

13 (c) If the patient or a relative of the patient
14 who is legally liable for his support is able to pay
15 for this care in whole or in part, the Board shall
16 order the patient or his relatives to pay to the
17 treasurer each week an amount specified in the order.
18 The amount must be in proportion to the ability to pay.

19 (d) The District may collect this amount from
20 the estate of the patient, or from his relatives who
21 are liable for his support, in the manner provided by
22 law for the collection of expenses of the last illness
23 of a deceased person.

24 (e) If the investigator finds that neither the
25 patient nor a relative who is legally liable for his
26 support is able to pay in whole or in part for this
27 care, the expense of this care becomes a charge on the
28 District.

29 (f) If there is a dispute as to the ability to
30 pay, or a doubt in the mind of the investigator, the
31 Board shall hear and determine the question, after
32 calling witnesses, and make the proper order based on
33 its findings.

34 (g) A party to the hearing who is not satisfied
35 with the result of the order, may appeal to the
36 district court. The appeal is de novo as that term is
37 used in appeals from the justice courts to the county
38 court.

39 Revisor's Note
40 (End of Subchapter)

41 (1) Section 11(a), Chapter 644, Acts of the 59th
42 Legislature, Regular Session, 1965, provides that a
43 provision of the act that provides a specific power or
44 duty does not limit the district's general authority to
45 carry out the purposes of the act. The revised law
46 omits the provision because it is a generally accepted
47 principle of statutory interpretation that all of a
48 statute is intended to be given effect and that
49 specific grants of power do not limit more general
50 grants of power. Additionally, Section 311.021(2),
51 Government Code (Code Construction Act), provides that
52 an entire statute is intended to be effective. The
53 omitted law reads:

1 (a) . . . Any provision of this Act
2 which provides a specific power or duty does
3 not limit the general authority of the
4 District to carry out the purposes of this
5 Act.

6 (2) Section 16, Chapter 644, Acts of the 59th
7 Legislature, Regular Session, 1965, provides
8 authority for the "State Board of Health, the State
9 Board of Public Welfare, or any other State agency
10 created for a similar purpose" to inspect hospital
11 district facilities and records. The revised law
12 omits Section 16 because various state laws, including
13 Chapters 222 and 241, Health and Safety Code, provide
14 the necessary inspection authority to appropriate
15 state agencies. The omitted law reads:

16 Sec. 16. (a) The District is subject
17 to inspection at any time by an authorized
18 representative of the State Board of
19 Health, the State Board of Public Welfare,
20 or any other State agency created for a
21 similar purpose.

22 (b) The administrator of the hospital
23 shall admit a representative into the
24 facilities of the District and make
25 accessible on demand all District records,
26 reports, books, papers, and accounts.

27 [Sections 1080.112-1080.150 reserved for expansion]

28 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

29 Revised Law

30 Sec. 1080.151. BUDGET. The board shall prepare a budget
31 that includes:

- 32 (1) proposed expenditures and disbursements;
33 (2) estimated receipts and collections for the next
34 fiscal year; and
35 (3) the amount of taxes required to be imposed to meet
36 the proposed budget. (Acts 59th Leg., R.S., Ch. 644, Sec. 12(b).)

37 Source Law

38 (b) The Board shall prepare a budget showing
39 (1) the proposed expenditures and
40 disbursements;
41 (2) the estimated receipts and collections
42 for the next fiscal year;
43 (3) the amount of taxes required to be
44 levied and collected during the next fiscal year to
45 meet the proposed budget.

1 Revisor's Note

2 Section 12(b), Chapter 644, Acts of the 59th
3 Legislature, Regular Session, 1965, refers to taxes
4 "levied and collected." The revised law substitutes
5 "imposed" for the quoted language because "impose" is
6 the term generally used in Title 1, Tax Code, and the
7 term includes the levying and collection of an ad
8 valorem tax.

9 Revised Law

10 Sec. 1080.152. PROPOSED BUDGET: NOTICE AND HEARING. (a)
11 The board shall hold a public hearing on the proposed budget.

12 (b) Notice of the hearing must be published at least once in
13 a newspaper of general circulation in each county in the district
14 not later than the 10th day before the date of the hearing.

15 (c) Any person who owns taxable property in the district and
16 has duly rendered that property for taxation is entitled to:

17 (1) appear at the hearing; and

18 (2) be heard regarding any item in the proposed
19 budget. (Acts 59th Leg., R.S., Ch. 644, Secs. 12(c), (d).)

20 Source Law

21 (c) The Board shall hold a public hearing on the
22 proposed budget after publication of notice in a
23 newspaper of general circulation in each county in the
24 District. The notice must be given at least once not
25 less than ten days prior to the hearing.

26 (d) Any person who owns taxable property within
27 the District and has duly rendered that property for
28 taxation is entitled to appear at the hearing and be
29 heard with reference to any item in the proposed
30 budget.

31 Revised Law

32 Sec. 1080.153. FISCAL YEAR. The district's fiscal year is
33 from October 1 to September 30. (Acts 59th Leg., R.S., Ch. 644,
34 Sec. 12(a).)

35 Source Law

36 Sec. 12. (a) The fiscal year of the hospital
37 district is from October 1 of each year to September 30
38 of the following year.

39 Revised Law

40 Sec. 1080.154. ANNUAL AUDIT. (a) The board annually shall

1 require an independent audit of the district's books and records.

2 (b) Not later than December 1 of each year, the board shall
3 file a copy of the audit with:

4 (1) the comptroller; and

5 (2) the district. (Acts 59th Leg., R.S., Ch. 644, Sec.
6 11(d).)

7 Source Law

8 (d) The Board shall require an annual
9 independent audit of the books and records of the
10 District and shall file a copy of the audit with the
11 Comptroller of Public Accounts and a copy with the
12 District not later than December 1 of each year.

13 Revisor's Note

14 Section 11(d), Chapter 644, Acts of the 59th
15 Legislature, Regular Session, 1965, refers to "the
16 Comptroller of Public Accounts." The revised law
17 substitutes "comptroller" for the quoted language
18 because Section 403.001, Government Code, defines
19 "comptroller" in any state statute to mean the
20 comptroller of public accounts of the State of Texas.

21 Revised Law

22 Sec. 1080.155. DEPOSITORY. (a) The board by resolution
23 shall designate a bank in Gonzales or Wilson County as the
24 district's depository. The designated bank serves for two years
25 and until a successor is designated.

26 (b) All district money shall be deposited in the depository
27 and secured in the manner provided for securing county funds. (Acts
28 59th Leg., R.S., Ch. 644, Sec. 15.)

29 Source Law

30 Sec. 15. Within 30 days after the qualification
31 of the Board of Directors, the Board shall by
32 resolution designate a bank within a county in which
33 the District is located to be the depository of the
34 District. All funds of the District shall be deposited
35 in the depository and shall be secured in the manner
36 now provided for the security of county funds. The
37 depository shall serve for a period of two years and
38 until a successor has been named in accordance with
39 this Section.

40 Revisor's Note

41 (1) Section 15, Chapter 644, Acts of the 59th

1 Legislature, Regular Session, 1965, requires the board
2 to select a depository "[w]ithin 30 days after the
3 qualification of the Board of Directors." The revised
4 law omits the quoted language as executed.

5 (2) Section 15, Chapter 644, Acts of the 59th
6 Legislature, Regular Session, 1965, requires
7 designation of a bank "within a county in which the
8 District is located." Throughout this chapter, and as
9 appropriate considering the context, the revised law
10 substitutes "Gonzales or Wilson County" for the quoted
11 language because those are the counties in which the
12 district is located.

13 [Sections 1080.156-1080.200 reserved for expansion]

14 SUBCHAPTER E. BONDS

15 Revised Law

16 Sec. 1080.201. BONDS. The district may issue bonds to:

17 (1) purchase, construct, acquire, repair, or renovate
18 buildings or improvements; and

19 (2) equip buildings for hospital purposes. (Acts 59th
20 Leg., R.S., Ch. 644, Sec. 9(a) (part).)

21 Source Law

22 (a) . . . the District may issue bonds for the
23 purchase, construction, acquisition, repair, or
24 renovation of buildings and improvements, and for
25 equipping the buildings for hospital purposes. . . .

26 Revisor's Note

27 Section 9(a), Chapter 644, Acts of the 59th
28 Legislature, Regular Session, 1965, authorized the
29 commissioners court to order a bond election at the
30 election to create the district. The revised law omits
31 that provision because that election has been
32 conducted. The omitted law reads:

33 Sec. 9. (a) At the time of the
34 election to create the District the
35 commissioners court may order an election
36 to determine whether [the district may
37 issue bonds]

1 Revised Law

2 Sec. 1080.202. TAX TO PAY BONDS. The board may issue bonds
3 under Section 1080.201 only if the board imposes an ad valorem tax
4 at a rate sufficient to create an interest and sinking fund to pay
5 the principal of and interest on the bonds as the bonds mature.
6 (Acts 59th Leg., R.S., Ch. 644, Secs. 10(a) (part), (c).)

7 Source Law

8 Sec. 10. (a) After a majority of those persons
9 voting at the election vote for the levy of a tax, the
10 Board may issue bonds,

11 (c) The Board may not issue any bonds unless a
12 sufficient tax is levied to create an interest and
13 sinking fund to pay the interest and principal as it
14 matures.

15 Revisor's Note

16 (1) Section 10(a), Chapter 644, Acts of the 59th
17 Legislature, Regular Session, 1965, provides that the
18 board may issue bonds "[a]fter a majority of those
19 persons voting at the election vote for the levy of a
20 tax." The revised law omits the quoted language as
21 executed.

22 (2) Section 10(c), Chapter 644, Acts of the 59th
23 Legislature, Regular Session, 1965, requires the
24 district to levy a tax to pay the principal of and
25 interest on bonds. The revised law specifies that the
26 tax is an "ad valorem" tax because it is clear from the
27 source law that the tax is a property tax and "ad
28 valorem" is the term most commonly used to refer to a
29 property tax.

30 Revised Law

31 Sec. 1080.203. BOND ELECTION. (a) The board may issue
32 bonds under Section 1080.201 only if the bonds are authorized by a
33 majority of district voters voting in an election held for that
34 purpose. The total face value of the bonds may not exceed the amount
35 specified in the election order.

36 (b) The board may order a bond election at any time.

37 (c) The order calling an election must include:

- 1 (1) the time of the election;
- 2 (2) the location of the polling places;
- 3 (3) the form of the ballots;
- 4 (4) the presiding judge for each polling place;
- 5 (5) the purpose of the bond issuance;
- 6 (6) the amount of the bonds to be authorized;
- 7 (7) the maximum interest rate of the bonds; and
- 8 (8) the maximum maturity of the bonds.

9 (d) A substantial copy of the election order shall be
10 published in a newspaper of general circulation in each county in
11 the district once a week for two consecutive weeks before the date
12 of the election. The first notice must be published at least 14
13 days before the date of the election.

14 (e) A copy of the election results must be filed with the
15 county clerks of Gonzales and Wilson Counties and become a public
16 record. (Acts 59th Leg., R.S., Ch. 644, Secs. 4(c), (d), (e)
17 (part), 9(a) (part), (b), (d), 10(a) (part).)

18 Source Law

19 [Sec. 4]

20 (c) The order calling the election must contain
21 the time and place, or places, of holding the election,
22 the form of the ballot, and the presiding judge for
23 each voting place.

24 (d) The commissioners court shall publish a
25 substantial copy of the election order in a newspaper
26 of general circulation within each county in the
27 District once a week for two consecutive weeks prior to
28 the date of the election. The first notice must be
29 published at least 14 days before the date of the
30 election.

31 (e) . . . A copy of the results is to be filed
32 with the county clerk of each county in the District
33 and become of public record. . . .

34 Sec. 9. (a) . . . If the commissioners court
35 does not include this election in the order for the
36 election to create the District, the Board of
37 Directors may order this election at any time.

38 (b) The order and notice of election and the
39 certification declaration of the results to the county
40 clerks are governed by Section 4 of this Act. In
41 addition to the provisions of that Section, the order
42 of this election must include:

- 43 (1) the purpose for which the bonds are to
44 be issued;
- 45 (2) the amount of the proposed bond issue;
- 46 (3) the maximum interest rate;
- 47 (4) the maximum maturity date of the
48 bonds.

1 (d) The Board of Directors shall not issue any
2 bonds until a majority of the electors who own taxable
3 property within the District and who have duly
4 rendered that property for taxation, voting in an
5 election for this purpose, vote for the issuance of
6 these bonds.

7 Sec. 10. (a) . . . the Board may issue bonds,
8 the total of the face value not to exceed the amount
9 specified in the order of the election.

10 Revisor's Note

11 (1) Section 4(e), Chapter 644, Acts of the 59th
12 Legislature, Regular Session, 1965, provides that the
13 presiding judge of each voting place shall count the
14 votes and certify the results to the commissioners
15 court within 10 days. The revised law omits those
16 requirements as superseded by Sections 67.002, 67.003,
17 and 67.004, Election Code (enacted as Section 1,
18 Chapter 211, Acts of the 69th Legislature, Regular
19 Session, 1985), which require the governing body of a
20 political subdivision that orders an election to
21 canvass the returns and provide the time frame and
22 procedures for the canvass. The omitted law reads:

23 (e) The presiding judge of each
24 voting place shall supervise the counting
25 of all votes cast and shall certify the
26 results to the commissioners court within
27 ten days after the election. . . .

28 (2) Section 9(d), Chapter 644, Acts of the 59th
29 Legislature, Regular Session, 1965, provides that the
30 district may not issue bonds unless authorized at an
31 election by a "majority of the qualified electors who
32 own taxable property within the District and who have
33 duly rendered that property for taxation." The
34 revised law omits the reference to "qualified" for the
35 reason stated in Revisor's Note (1) to Section
36 1080.051. The revised law substitutes "voter" for
37 "elector" because the former is the term used in the
38 Election Code. The revised law omits the quoted
39 language regarding the voters' ownership of taxable
40 property and rendering that property for taxation for
41 the reasons stated in Revisor's Note (2) to Section

1 1080.051.

2 Revised Law

3 Sec. 1080.204. MATURITY OF BONDS. District bonds must
4 mature not later than 40 years after the date of issuance. (Acts
5 59th Leg., R.S., Ch. 644, Sec. 9(c) (part).)

6 Source Law

7 (c) . . . The Board of Directors shall not issue
8 any bond which matures more than 40 years from the date
9 of issuance.

10 Revisor's Note

11 Section 9(c), Chapter 644, Acts of the 59th
12 Legislature, Regular Session, 1965, provides that the
13 interest rate for district bonds may not exceed six
14 percent. The revised law omits the provision because
15 it has been superseded by the enactment of the maximum
16 interest rate provision found in Section 1204.006,
17 Government Code. That section reflects the 1981
18 amendment of Chapter 3, Acts of the 61st Legislature,
19 Regular Session, 1969 (Article 717k-2, Vernon's Texas
20 Civil Statutes, now Chapter 1204, Government Code), by
21 Section 1, Chapter 61, Acts of the 67th Legislature,
22 Regular Session, 1981, and permits a public agency,
23 including a hospital district, to issue public
24 securities at any net effective interest rate of 15
25 percent or less. Section 1204.006, Government Code,
26 applies to district bonds by application of Section
27 1204.001, Government Code. The omitted law reads:

28 (c) The Board shall not issue any
29 bond unless the interest rate is six per
30 cent per annum or less. . . .

31 Revised Law

32 Sec. 1080.205. EXECUTION OF BONDS. (a) The board president
33 shall execute the district's bonds in the district's name.

34 (b) The board secretary shall countersign the bonds. (Acts
35 59th Leg., R.S., Ch. 644, Sec. 10(b) (part).)

1 Source Law

2 (b) The president of the Board shall execute the
3 bonds in the name of and on behalf of the hospital
4 district. The secretary of the Board of Directors
5 shall countersign the bonds. . . .

6 Revisor's Note
7 (End of Subchapter)

8 (1) Section 10(b), Chapter 644, Acts of the 59th
9 Legislature, Regular Session, 1965, provides that
10 district bonds are subject to the law governing
11 counties that relates to bond approval by the attorney
12 general and registration of the bonds by the
13 comptroller. Section 10(b) also provides that after
14 approval and registration the bonds are "incontestable
15 for any reason." The revised law omits those
16 provisions as superseded by Chapter 1202, Government
17 Code (enacted as Article 3, Chapter 53, Acts of the
18 70th Legislature, 2nd Called Session, 1987). Section
19 1202.003(a), Government Code, requires bonds to be
20 submitted to the attorney general. Section
21 1202.003(b), Government Code, provides for approval of
22 the bonds by the attorney general and requires the
23 attorney general to submit the approved bonds to the
24 comptroller for registration. Section 1202.005,
25 Government Code, requires registration of the bonds by
26 the comptroller. Section 1202.006, Government Code,
27 provides that after approval and registration the
28 bonds are incontestable and binding obligations.
29 Chapter 1202, Government Code, applies to district
30 bonds by application of Section 1202.001, Government
31 Code. The omitted law reads:

32 (b) . . . The Attorney General of the
33 State of Texas shall approve the bonds if
34 they meet the same requirements as provided
35 by law for bonds issued by a county. The
36 bonds are to be registered by the
37 Comptroller of Public Accounts of the State
38 of Texas in the same manner as provided by
39 law for the registration of bonds issued by
40 a county. After approval, and
41 registration, the bonds are incontestable

1 for any reason.

2 (2) Section 10(d), Chapter 644, Acts of the 59th
3 Legislature, Regular Session, 1965, provides that
4 district bonds may be made optional for redemption
5 before maturity. The revised law omits this provision
6 because Section 1201.021, Government Code, provides
7 that a public security may be issued as redeemable
8 before maturity at one or more specified times.
9 Section 1201.021, Government Code, applies to district
10 bonds by application of Section 1201.002, Government
11 Code. The omitted law reads:

12 (d) All bonds issued by the District
13 may be made optional for redemption prior to
14 their maturity date in the discretion of the
15 Board.

16 (3) Section 10(e), Chapter 644, Acts of the 59th
17 Legislature, Regular Session, 1965, authorizes the
18 district to issue refunding bonds for bonds issued
19 under that section. The revised law omits this
20 provision because Chapter 1207, Government Code,
21 provides general authority for an issuer, including a
22 hospital district, to issue refunding securities.
23 Section 10(e) also provides that refunding bonds
24 issued under Section 10 must bear interest at the same
25 or lower rate than the bonds being refunded unless the
26 refunding will result in a lower total amount of
27 interest paid. The revised law omits this provision
28 for the reason stated in the revisor's note to Section
29 1080.204. The omitted law reads:

30 (e) The Board may elect to refund and
31 pay off any validly issued and outstanding
32 bonds issued by the District. However, the
33 refund bonds issued must bear interest at
34 the same or a lower rate than the bonds
35 being refunded unless it is shown
36 mathematically that a savings will result
37 in the total interest to be paid.

38 [Sections 1080.206-1080.250 reserved for expansion]

1 SUBCHAPTER F. TAXES

2 Revised Law

3 Sec. 1080.251. IMPOSITION OF AD VALOREM TAX. (a) The board
4 shall impose a tax on all property in the district subject to
5 district taxation.

6 (b) The tax may be used only to:

7 (1) pay the interest on and create a sinking fund for
8 bonds issued under this chapter;

9 (2) provide for the operation and maintenance of the
10 district and hospital system;

11 (3) make improvements and additions to the hospital
12 system; and

13 (4) acquire sites for additions to the hospital
14 system. (Acts 59th Leg., R.S., Ch. 644, Secs. 8(a) (part), (c).)

15 Source Law

16 (a) . . . the Board of Directors shall levy a
17 tax . . . on all property subject to taxation within
18 the District.

19 (c) The Board may use the proceeds of this tax
20 for the following purposes only:

21 (1) paying the interest on and creating a
22 sinking fund for bonds issued under the provisions of
23 this Act;

24 (2) providing for the operation and
25 maintenance of the hospital district and the hospital
26 system;

27 (3) making improvements and additions to
28 the hospital system;

29 (4) acquiring sites for additions to the
30 hospital system.

31 Revisor's Note

32 (1) Section 8(a), Chapter 644, Acts of the 59th
33 Legislature, Regular Session, 1965, provides that the
34 board shall impose a tax after a vote. The revised law
35 omits the provision as executed. The omitted law
36 reads:

37 Sec. 8. (a) After a majority of
38 those persons voting at the election vote
39 for the levy of a tax,

40 (2) Sections 8(b) and (d), Chapter 644, Acts of
41 the 59th Legislature, Regular Session, 1965, require
42 the board to impose taxes at a certain time and in a

1 certain manner. The revised law omits those
2 provisions because they were repealed by Section 6(b),
3 Chapter 841, Acts of the 66th Legislature, Regular
4 Session, 1979, which repealed all "general, local, and
5 special laws" that conflicted with that act. The 1979
6 act enacted the Property Tax Code (Title 1, Tax Code),
7 a comprehensive, substantive codification of property
8 tax law and its administration. Title 1, Tax Code,
9 provides the exclusive procedures for the assessment
10 and collection of ad valorem taxes by a taxing unit,
11 including a hospital district. The omitted law reads:

12 (b) The Board shall use the same
13 valuation used by the commissioners court
14 in taxing the property for county purposes
15 which appears on the tax rolls of the county
16 in which the property is located.

17 (d) On or before October 1 of each
18 year, the Board shall levy the tax and
19 immediately certify the tax rate to the tax
20 assessor and collector of each county in
21 which the District is located. . . . The
22 taxes of the District are subject to the
23 same conditions as the taxes of the county.

24 Revised Law

25 Sec. 1080.252. TAX RATE. The board may impose the tax at a
26 rate not to exceed 75 cents on each \$100 valuation of taxable
27 property in the district. (Acts 59th Leg., R.S., Ch. 644, Sec. 8(a)
28 (part).)

29 Source Law

30 (a) [. . . the Board of Directors shall levy a
31 tax] not to exceed seventy-five cents (75¢) on the One
32 Hundred Dollar valuation on all property subject to
33 taxation within the District.

34 Revised Law

35 Sec. 1080.253. TAX ASSESSOR-COLLECTOR. The tax
36 assessor-collectors of Gonzales and Wilson Counties shall collect
37 the district taxes imposed on property located in each
38 assessor-collector's respective county. (Acts 59th Leg., R.S., Ch.
39 644, Sec. 8(d) (part).)

40 Source Law

41 (d) . . . The tax assessor and collector of each

1 county shall collect the taxes for the District on
2 property located in that county. . . .

3 Revisor's Note

4 (1) Section 8(e), Chapter 644, Acts of the 59th
5 Legislature, Regular Session, 1965, provides that the
6 county tax assessor-collectors are entitled to a fee
7 as compensation for services. The revised law omits
8 that provision because it was repealed by Section
9 6(b), Chapter 841, Acts of the 66th Legislature,
10 Regular Session, 1979. See Revisor's Note (2) to
11 Section 1080.251. Section 6.27(b), Tax Code, provides
12 for the compensation of a county tax
13 assessor-collector assessing and collecting taxes for
14 another taxing unit. The omitted law reads:

15 (e) The assessor and collector of
16 taxes is entitled to a fee as compensation
17 for his services of not more than one per
18 cent of the total tax collected on property
19 located in that county but not to exceed
20 \$5,000 in any one fiscal year. The Board
21 shall fix the exact amount of compensation.
22 The tax assessor and collector shall deduct
23 this fee from the payments made to the
24 District of the taxes collected, and
25 deposit that amount in the General Fund of
26 the county as a fee of office of the tax
27 assessor and collector.

28 (2) Section 8(f), Chapter 644, Acts of the 59th
29 Legislature, Regular Session, 1965, provides that the
30 district may impose taxes for the entire year in which
31 the district is established. The revised law omits
32 that provision as executed. The omitted law reads:

33 (f) The Board may levy this tax for
34 the entire year in which the District is
35 established to secure funds necessary to
36 initiate the operation of the hospital
37 district.

38 Revisor's Note
39 (End of Chapter)

40 Section 18, Chapter 644, Acts of the 59th
41 Legislature, Regular Session, 1965, provides that
42 proper notice of enactment of the statute was provided
43 in a manner that satisfies the requirements of the
44 Texas Constitution. The revised law omits the

1 provision as executed. The omitted law reads:

2 Sec. 18. The Legislature has found
3 that proper notice has been given in the
4 District affected by this Act in accordance
5 with the requirement of Section 9, Article
6 IX, Constitution of the State of Texas.

19 CHAPTER 1081. NOCONA HOSPITAL DISTRICT

20 SUBCHAPTER A. GENERAL PROVISIONS

21 Revised Law

22 Sec. 1081.001. DEFINITIONS. In this chapter:

23 (1) "Board" means the board of directors of the

24 district.

25 (2) "Director" means a member of the board.

26 (3) "District" means the Nocona Hospital District.

27 (New.)

28 Revisor's Note

29 The definitions of "board," "director," and

30 "district" are added to the revised law for drafting

31 convenience and to eliminate frequent, unnecessary

32 repetition of the substance of the definitions.

33 Revised Law

34 Sec. 1081.002. AUTHORITY FOR OPERATION. The Nocona

1 Hospital District operates in accordance with Section 9, Article
2 IX, Texas Constitution, and has the rights, powers, and duties
3 provided by this chapter. (Acts 62nd Leg., R.S., Ch. 868, Sec. 1
4 (part).)

5 Source Law

6 Sec. 1. In accordance with the provisions of
7 Article IX, Section 9 of the Constitution of the State
8 of Texas, this Act shall be operative so as to
9 authorize the creation, establishment, maintenance
10 and operation of a hospital district within this state
11 . . . such district to be known as "Nocona Hospital
12 District" with such rights, powers and duties as
13 provided in this Act.

14 Revisor's Note

15 Section 1, Chapter 868, Acts of the 62nd
16 Legislature, Regular Session, 1971, authorizes the
17 "creation, establishment, maintenance and operation"
18 of the district. The revised law omits "creation" and
19 "establishment" as executed. The revised law omits
20 "maintenance" because, in this context, the meaning of
21 that term is included in the meaning of "operation."

22 Revised Law

23 Sec. 1081.003. ESSENTIAL PUBLIC FUNCTION. The district
24 performs an essential public function in carrying out the purposes
25 of this chapter. (Acts 62nd Leg., R.S., Ch. 868, Sec. 21 (part).)

26 Source Law

27 Sec. 21. In carrying out the purposes of this
28 Act, the district will be performing an essential
29 public function and

30 Revised Law

31 Sec. 1081.004. DISTRICT TERRITORY. The boundaries of the
32 district are coextensive with the boundaries of the Nocona and
33 Prairie Valley Independent School Districts of Montague County,
34 Texas, as those boundaries existed on January 1, 1971. (Acts 62nd
35 Leg., R.S., Ch. 868, Sec. 1 (part).)

36 Source Law

37 Sec. 1. . . . [hospital district] . . . with
38 boundaries coextensive with the boundaries of the
39 Nocona and Prairie Valley Independent School Districts
40 of Montague County, Texas, as the boundaries of said
41 school districts existed on January 1, 1971,

1 Revised Law

2 Sec. 1081.005. CORRECTION OF INVALID PROCEDURES. If a
3 court holds that any procedure under this chapter violates the
4 constitution of this state or of the United States, the district by
5 resolution may provide an alternative procedure that conforms with
6 the constitution. (Acts 62nd Leg., R.S., Ch. 868, Sec. 23 (part).)

7 Source Law

8 Sec. 23. . . . [federal or state constitutions]
9 . . . Where any procedure hereunder may be held by any
10 court to be violative of either of such constitutions,
11 the district shall have the power by resolution to
12 provide an alternative procedure conformable with such
13 constitutions. . . .

14 Revisor's Note

15 Section 23, Chapter 868, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that the
17 act may not be construed to violate the federal or
18 state constitution and requires that action under the
19 act comply with the constitutions. The revised law
20 omits the reference to the federal constitution
21 because, under the Supremacy Clause of the United
22 States Constitution (Clause 2, Article VI), federal
23 law always takes precedence over a state statute. The
24 revised law also omits the reference to the Texas
25 Constitution because the legislature cannot modify
26 constitutional requirements by statute. The omitted
27 law reads:

28 Sec. 23. Nothing in this Act shall be
29 construed to violate any provision of the
30 federal or state constitutions, and all
31 acts done under this Act shall be in such
32 manner as will conform thereto, whether
33 expressly provided or not. . . .

34 Revised Law

35 Sec. 1081.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
36 OBLIGATION. The support and maintenance of the district may not
37 become a charge against or obligation of this state. (Acts 62nd
38 Leg., R.S., Ch. 868, Sec. 20 (part).)

1 Source Law

2 Sec. 20. The support and maintenance of the
3 hospital district shall never become a charge against
4 or obligation of the State of Texas,

5 Revised Law

6 Sec. 1081.007. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
7 The legislature may not make a direct appropriation for
8 construction, maintenance, or improvement of a district facility.
9 (Acts 62nd Leg., R.S., Ch. 868, Sec. 20 (part).)

10 Source Law

11 Sec. 20. . . . nor shall any direct
12 appropriation be made by the legislature for the
13 construction, maintenance, or improvement of any of
14 the facilities of such district.

15 [Sections 1081.008-1081.050 reserved for expansion]

16 SUBCHAPTER B. DISTRICT ADMINISTRATION

17 Revised Law

18 Sec. 1081.051. BOARD ELECTION; TERM. (a) The board
19 consists of seven directors elected from the district at large.

20 (b) Unless four-year terms are established under Section
21 285.081, Health and Safety Code:

22 (1) directors serve staggered two-year terms;

23 (2) an election shall be held annually on the May
24 uniform election date under Section 41.001, Election Code; and

25 (3) the terms of four directors expire in odd-numbered
26 years and the terms of three directors expire in even-numbered
27 years. (Acts 62nd Leg., R.S., Ch. 868, Secs. 4(a), (b).)

28 Source Law

29 Sec. 4. (a) The board of directors consists of
30 seven persons elected as provided by this section.

31 (b) A regular election for directors shall be
32 held annually on the May uniform election date under
33 Section 41.001, Election Code. Four directors shall
34 be elected in odd-numbered years and three directors
35 shall be elected in even-numbered years. Directors
36 are elected at large and shall serve staggered
37 two-year terms. A director continues to serve until a
38 successor has been elected or appointed and qualified.

39 Revisor's Note

40 (1) Section 4(b), Chapter 868, Acts of the 62nd
41 Legislature, Regular Session, 1971, provides that

1 directors serve two-year terms. Section 285.081,
2 Health and Safety Code, applicable to this district,
3 provides a mechanism by which the governing board of a
4 hospital district, on its own motion, may order that
5 the members are to be elected in even-numbered years to
6 serve staggered four-year terms. The revised law is
7 drafted accordingly and adds a reference to Section
8 285.081, Health and Safety Code, for the convenience
9 of the reader.

10 (2) Section 4(b), Chapter 868, Acts of the 62nd
11 Legislature, Regular Session, 1971, provides that a
12 director serves "until a successor has been elected or
13 appointed and qualified." The revised law omits this
14 provision because it duplicates Section 17, Article
15 XVI, Texas Constitution, which provides that an
16 officer in this state is to continue to perform the
17 officer's official duties until a successor has
18 qualified.

19 Revised Law

20 Sec. 1081.052. QUALIFICATIONS FOR OFFICE. (a) A person may
21 not be elected or appointed as a director unless the person is:

22 (1) a resident of the district; and

23 (2) a qualified voter.

24 (b) A person is not eligible to serve as a director if the
25 person is:

26 (1) the district chief executive officer;

27 (2) a district employee; or

28 (3) a medical staff member of the hospital. (Acts 62nd
29 Leg., R.S., Ch. 868, Sec. 4(e).)

30 Source Law

31 (e) No person shall be appointed or elected as a
32 member of the board of directors unless the person is a
33 resident of the district and a qualified voter.
34 Neither the chief executive officer, an employee of
35 the district, nor a member of the medical staff of the
36 hospital is eligible to serve as a director.

1 Revised Law

2 Sec. 1081.053. BOARD VACANCY. If a vacancy occurs in the
3 office of director, the remaining directors shall appoint a
4 director for the unexpired term. (Acts 62nd Leg., R.S., Ch. 868,
5 Sec. 4(d).)

6 Source Law

7 (d) Vacancies in office shall be filled for the
8 unexpired term by the remainder of the board of
9 directors.

10 Revised Law

11 Sec. 1081.054. OFFICERS. (a) The board shall elect:

12 (1) a president and vice president from among its
13 members; and

14 (2) a secretary, who need not be a director.

15 (b) Each officer of the board serves for a term of one year.

16 (c) The board shall fill a vacancy in a board office for the
17 unexpired term. (Acts 62nd Leg., R.S., Ch. 868, Sec. 4(f) (part).)

18 Source Law

19 (f) The board of directors shall organize by
20 electing one of their number as president and one of
21 their number as vice president. A secretary, who need
22 not be a director, shall also be elected. Officers
23 shall be elected for a term of one year and vacancies
24 shall be filled for the unexpired term by the board of
25 directors. . . .

26 Revised Law

27 Sec. 1081.055. COMPENSATION; EXPENSES. A director or
28 officer serves without compensation but may be reimbursed for
29 actual expenses incurred in the performance of official duties.
30 The expenses must be:

31 (1) reported in the district's records; and

32 (2) approved by the board. (Acts 62nd Leg., R.S., Ch.
33 868, Sec. 4(f) (part).)

34 Source Law

35 (f) . . . All members of the board of directors
36 and officers shall serve without compensation, but may
37 be reimbursed for actual expenses incurred in the
38 performance of their official duties upon the approval
39 of such expenses by the board of directors and so
40 reported in the minute book of the district or other
41 records of the district.

1 Revisor's Note

2 Section 4(f), Chapter 868, Acts of the 62nd
3 Legislature, Regular Session, 1971, requires that
4 approved expenses be reported in the "minute book of
5 the district or other records of the district." The
6 revised law omits the reference to the "minute book of
7 the district" because the minute book is a district
8 record.

9 Revised Law

10 Sec. 1081.056. QUORUM. Any five directors constitute a
11 quorum. (Acts 62nd Leg., R.S., Ch. 868, Sec. 4(f) (part).)

12 Source Law

13 (f) . . . Any five members of the board of
14 directors shall constitute a quorum and

15 Revised Law

16 Sec. 1081.057. VOTING REQUIREMENT. A concurrence of five
17 directors is sufficient in any matter relating to district
18 business. (Acts 62nd Leg., R.S., Ch. 868, Sec. 4(f) (part).)

19 Source Law

20 (f) . . . [members of the board of directors]
21 . . . a concurrence of five shall be sufficient in all
22 matters pertaining to the business of the
23 district. . . .

24 Revised Law

25 Sec. 1081.058. CHIEF EXECUTIVE OFFICER; ASSISTANT TO CHIEF
26 EXECUTIVE OFFICER. (a) The board shall appoint a qualified person
27 as the chief executive officer of the district.

28 (b) The board may appoint an assistant to the chief
29 executive officer.

30 (c) The chief executive officer and any assistant to the
31 chief executive officer serve at the will of the board and are
32 entitled to the compensation determined by the board. (Acts 62nd
33 Leg., R.S., Ch. 868, Sec. 5(c) (part).)

34 Source Law

35 (c) The board of directors shall appoint a
36 qualified person to be known as the chief executive
37 officer of the hospital district and may in its
38 discretion appoint an assistant to the chief executive

1 officer. The chief executive officer and assistant to
2 the chief executive officer, if any, shall serve at the
3 will of the board and shall receive such compensation
4 as may be fixed by the board. . . .

5 Revised Law

6 Sec. 1081.059. GENERAL DUTIES OF CHIEF EXECUTIVE OFFICER.

7 Subject to the limitations prescribed by the board, the chief
8 executive officer shall:

9 (1) supervise the work and activities of the district;
10 and

11 (2) direct the affairs of the district. (Acts 62nd
12 Leg., R.S., Ch. 868, Sec. 5(c) (part).)

13 Source Law

14 (c) . . . The chief executive officer shall
15 supervise all the work and activities of the district
16 and shall have general direction of the affairs of the
17 district, subject to the limitations as may be
18 prescribed by the board.

19 Revised Law

20 Sec. 1081.060. APPOINTMENT OF STAFF AND EMPLOYEES. (a) The
21 board may appoint to the staff any doctors the board considers
22 necessary for the efficient operation of the district and may make
23 temporary appointments as necessary.

24 (b) The district may employ fiscal agents, accountants,
25 architects, and attorneys the board considers proper.

26 (c) The board may delegate to the chief executive officer
27 the authority to hire district employees, including technicians and
28 nurses. (Acts 62nd Leg., R.S., Ch. 868, Secs. 5(d), (e), 16.)

29 Source Law

30 [Sec. 5]

31 (d) The board of directors has the authority to
32 appoint to the medical staff doctors as deemed
33 necessary for the efficient operation of the district,
34 and may provide for temporary appointments to the
35 staff if warranted by circumstances.

36 (e) The board may delegate to the chief
37 executive officer the authority to employ technicians,
38 nurses, and employees of the district.

39 Sec. 16. The district may employ fiscal agents,
40 accountants, architects and attorneys as the board may
41 consider proper.

42 Revisor's Note
43 (End of Subchapter)

44 (1) Section 4(c), Chapter 868, Acts of the 62nd

1 Legislature, Regular Session, 1971, requires that
2 notice of an election of directors be published in
3 accordance with Section 4.003, Election Code. The
4 revised law omits that provision because Section
5 4.003, Election Code, is a mandatory election notice
6 provision that applies to district elections by its
7 own terms. The omitted law reads:

8 (c) Notice of each regular election
9 of directors shall be published in
10 accordance with Section 4.003, Election
11 Code. . . .

12 (2) Section 4(c), Chapter 868, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that
14 candidates for director must file an application in
15 accordance with Chapter 144, Election Code. The
16 revised law omits the provision as unnecessary because
17 Section 144.001, Election Code, provides that Chapter
18 144 of that code applies to a candidate for an office
19 of a political subdivision other than a city or county,
20 which includes a candidate for director of a hospital
21 district. The omitted law reads:

22 (c) . . . Any person desiring to
23 have the person's name printed on the ballot
24 as a candidate for director shall file an
25 application in accordance with Chapter 144,
26 Election Code.

28 SUBCHAPTER C. POWERS AND DUTIES

29 Revised Law

30 Sec. 1081.101. DISTRICT RESPONSIBILITY. The district has
31 full responsibility for operating all hospital facilities for
32 providing hospital care for the district's needy inhabitants.
33 (Acts 62nd Leg., R.S., Ch. 868, Sec. 19 (part).)

34 Source Law

35 Sec. 19. . . . The said hospital district shall
36 assume full responsibility for the operation of all
37 hospital facilities for the furnishing of hospital
38 care for its needy inhabitants.

1 Revisor's Note

2 Section 19, Chapter 868, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that the
4 district "shall assume" full responsibility for
5 operating hospital facilities for providing hospital
6 care for the district's needy inhabitants. The revised
7 law substitutes "has" for the quoted language because
8 the duty to assume the responsibility is executed.

9 Revised Law

10 Sec. 1081.102. RESTRICTION ON POLITICAL SUBDIVISION
11 TAXATION AND DEBT. A political subdivision located within the
12 district may not impose a tax or issue bonds or other obligations
13 for hospital purposes or to provide medical care for the district's
14 inhabitants. (Acts 62nd Leg., R.S., Ch. 868, Sec. 19 (part).)

15 Source Law

16 Sec. 19. After creation of the hospital
17 district, no municipality or political subdivision
18 within the boundaries of the district shall have the
19 power to levy taxes or issue bonds or other obligations
20 for hospital purposes or for providing medical care
21 for inhabitants of the district. . . .

22 Revisor's Note

23 (1) Section 19, Chapter 868, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that
25 "[a]fter creation of the hospital district," certain
26 political subdivisions may not levy taxes or issue
27 bonds. The revised law omits the quoted language as
28 executed. In addition, throughout this chapter, the
29 revised law substitutes "impose" for "levy" because,
30 in this context, the terms are synonymous and the
31 former is more commonly used.

32 (2) Section 19, Chapter 868, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to a
34 "municipality or political subdivision." The revised
35 law omits the reference to "municipality" because
36 "municipality" is included in the meaning of
37 "political subdivision."

1 Revised Law

2 Sec. 1081.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
3 The board shall manage, control, and administer the hospital system
4 and the district's money and resources. (Acts 62nd Leg., R.S., Ch.
5 868, Sec. 5(a) (part).)

6 Source Law

7 Sec. 5. (a) The board of directors shall
8 manage, control, and administer the hospital system
9 and all funds and resources of the district, but
10

11 Revised Law

12 Sec. 1081.104. HOSPITAL SYSTEM. (a) The district shall
13 provide for the establishment of a hospital system by:

- 14 (1) purchasing, constructing, acquiring, repairing,
15 or renovating buildings and equipment;
16 (2) equipping the buildings; and
17 (3) administering the buildings and equipment for
18 hospital purposes.

19 (b) The hospital system may include:

- 20 (1) residential care of the sick and injured;
21 (2) outpatient clinics;
22 (3) dispensaries;
23 (4) nursing home facilities;
24 (5) necessary nurses;
25 (6) training centers;
26 (7) blood banks;
27 (8) community mental health centers;
28 (9) research centers or laboratories; and
29 (10) any other facility the board considers necessary
30 for hospital care. (Acts 62nd Leg., R.S., Ch. 868, Secs. 2 (part),
31 10(a) (part).)

32 Source Law

33 Sec. 2. . . . such district shall provide for
34 the establishment of a hospital system by the
35 purchase, construction, acquisition, repair or
36 renovation of buildings and equipment, and equipping
37 same, and the administration thereof for hospital
38 purposes. . . .

1 Sec. 10. (a) . . . The hospital system may
2 include residential care and treatment of the sick,
3 wounded and injured, outpatient clinic or clinics,
4 dispensaries, nursing home facilities, necessary
5 nurses, training centers, blood banks, community
6 mental health centers and research centers or
7 laboratories, and any other facilities deemed
8 necessary for hospital care by the directors.

9 Revisor's Note

10 (1) Section 2, Chapter 868, Acts of the 62nd
11 Legislature, Regular Session, 1971, recites the
12 legislative findings that at the time of enactment
13 there was no hospital or hospital system owned by
14 Montague County or any municipality in the district
15 and the district was not in any other hospital
16 district. The revised law omits the provision as
17 executed. The omitted law reads:

18 Sec. 2. It is hereby found and
19 determined that there is no hospital or
20 hospital system owned by Montague County
21 and any city or town within the boundaries
22 of the proposed district and The
23 area of the proposed district is not
24 included within the boundaries of any other
25 hospital district heretofore established.

26 (2) Section 10(a), Chapter 868, Acts of the 62nd
27 Legislature, Regular Session, 1971, refers to the care
28 and treatment of the "sick, wounded and injured." The
29 revised law omits the reference to "wounded" because
30 "wounded" is included in the meaning of "injured."

31 Revised Law

32 Sec. 1081.105. RULES. The board may adopt rules governing
33 the operation of the hospital, the hospital system, and the
34 district's staff and employees. (Acts 62nd Leg., R.S., Ch. 868,
35 Sec. 5(b) (part).)

36 Source Law

37 (b) The district, through its board of
38 directors, shall have the power and authority . . . to
39 promulgate rules and regulations governing the
40 operation of the hospital, hospital system, its staff,
41 and its employees.

42 Revisor's Note

43 Section 5(b), Chapter 868, Acts of the 62nd
44 Legislature, Regular Session, 1971, provides that the

1 board may "promulgate" rules to govern the district.
2 The revised law substitutes "adopt" for "promulgate"
3 because the terms are synonymous and the former is more
4 commonly used.

5 Revised Law

6 Sec. 1081.106. PURCHASING AND ACCOUNTING PROCEDURES. The
7 board may prescribe:

8 (1) the method and manner of making purchases and
9 expenditures by and for the district; and

10 (2) all accounting and control procedures. (Acts 62nd
11 Leg., R.S., Ch. 868, Sec. 10(d) (part).)

12 Source Law

13 (d) The board of directors of such district
14 shall have the power to prescribe the method and manner
15 of making purchases and expenditures by and for such
16 hospital district, and shall also be authorized to
17 prescribe all accounting and control procedures. . . .

18 Revised Law

19 Sec. 1081.107. DISTRICT PROPERTY, FACILITIES, AND
20 EQUIPMENT. (a) The board shall determine the type, number, and
21 location of buildings required to maintain an adequate hospital
22 system.

23 (b) The board may lease all or part of the district's
24 buildings and other facilities on terms considered to be in the best
25 interest of the district's inhabitants. The term of the lease may
26 not exceed 25 years.

27 (c) The district may acquire equipment for use in the
28 district's hospital system and mortgage or pledge the property as
29 security for the payment of the purchase price. A contract entered
30 into under this subsection must provide that the entire obligation
31 be retired not later than the fifth anniversary of the date of the
32 contract.

33 (d) The district may sell or otherwise dispose of any
34 property, including equipment, on terms the board finds are in the
35 best interest of the district's inhabitants. (Acts 62nd Leg.,
36 R.S., Ch. 868, Secs. 10(a) (part), (b) (part), (c), (d) (part).)

1 Source Law

2 Sec. 10. (a) The board of directors is hereby
3 given complete discretion as to the type of buildings
4 (both as to number and location) required to establish
5 and maintain an adequate hospital system. . . .

6 (b) . . . [board of directors] . . . may lease
7 all or part of its buildings and facilities upon terms
8 and conditions considered to be to the best interest of
9 its inhabitants, provided that in no event shall any
10 lease be for a period in excess of twenty-five (25)
11 years from the date entered.

12 (c) The district shall be empowered to sell or
13 otherwise dispose of any property (real or personal)
14 or equipment of any nature upon terms and conditions
15 found by the board to be in the best interest of its
16 inhabitants.

17 (d) . . . The district may acquire equipment
18 for use in its hospital system and mortgage or pledge
19 the property so acquired as security for the payment of
20 the purchase price, but any such contract shall
21 provide for the entire obligation of the district to be
22 retired within five (5) years from the date of the
23 contract. . . .

24 Revisor's Note

25 (1) Section 10(a), Chapter 868, Acts of the 62nd
26 Legislature, Regular Session, 1971, requires the board
27 to determine the type of buildings required to
28 "establish and maintain" an adequate hospital system.
29 The revised law omits the reference to establishing
30 the hospital system as executed.

31 (2) Sections 10(b) and (c), Chapter 868, Acts of
32 the 62nd Legislature, Regular Session, 1971, refer to
33 "terms and conditions." The revised law omits the
34 references to "conditions" because "conditions" is
35 included in the meaning of "terms."

36 (3) Section 10(c), Chapter 868, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to "any
38 property (real or personal)." The revised law omits
39 the reference to "real or personal" because under
40 Section 311.005, Government Code (Code Construction
41 Act), "property" means "real and personal property."

42 Revised Law

43 Sec. 1081.108. EMINENT DOMAIN. (a) The district may
44 exercise the power of eminent domain to acquire a fee simple or
45 other interest in any type of property located in district

1 territory if the interest is necessary or convenient for the
2 district to exercise a power, right, or privilege conferred by this
3 chapter.

4 (b) The district must exercise the power of eminent domain
5 in the manner provided by Chapter 21, Property Code, except the
6 district is not required to deposit in the trial court money or a
7 bond as provided by Section 21.021(a), Property Code.

8 (c) In a condemnation proceeding brought by the district,
9 the district is not required to:

10 (1) pay in advance or provide a bond or other security
11 for costs in the trial court;

12 (2) provide a bond for the issuance of a temporary
13 restraining order or a temporary injunction; or

14 (3) provide a bond for costs or a supersedeas bond on
15 an appeal or petition for review. (Acts 62nd Leg., R.S., Ch. 868,
16 Sec. 14.)

17 Source Law

18 Sec. 14. The district shall have the right and
19 power of eminent domain for the purpose of acquiring by
20 condemnation any and all property of any kind and
21 character in fee simple, or any lesser interest
22 therein, within the boundaries of the district
23 necessary or convenient to the powers, rights, and
24 privileges conferred by this Act. The district must
25 exercise the power of eminent domain in the manner
26 provided by Chapter 21, Property Code, but the
27 district is not required to deposit in the trial court
28 money or a bond as required by Section 21.021(a),
29 Property Code. In condemnation proceedings being
30 prosecuted by the district, the district shall not be
31 required to pay in advance or give bond or other
32 security for costs in the trial court, nor to give any
33 bond otherwise required for the issuance of a
34 temporary restraining order or a temporary injunction
35 nor to give bond for costs or for supersedeas on any
36 appeal or writ of error.

37 Revisor's Note

38 (1) Section 14, Chapter 868, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides that the
40 district has the "right and power of eminent domain for
41 the purpose of acquiring [property] by condemnation."
42 The revised law substitutes for the quoted language
43 "may exercise the power of eminent domain to acquire

1 [property]" because the phrases have the same meaning,
2 and the latter phrase is consistent with modern usage
3 in law relating to eminent domain.

4 (2) Section 14, Chapter 868, Acts of the 62nd
5 Legislature, Regular Session, 1971, refers to a "writ
6 of error." The revised law substitutes "petition for
7 review" for "writ of error" because, effective
8 September 1, 1997, the Texas Supreme Court replaced
9 the writ of error procedure with the petition for
10 review procedure. See Rule 53.1, Rules of Appellate
11 Procedure.

12 Revised Law

13 Sec. 1081.109. GIFTS AND ENDOWMENTS. The board may accept
14 for the district a gift or endowment to be held in trust and
15 administered by the board for the purposes and under the
16 directions, limitations, or other provisions prescribed in writing
17 by the donor that are not inconsistent with the proper management
18 and objectives of the district. (Acts 62nd Leg., R.S., Ch. 868,
19 Sec. 18.)

20 Source Law

21 Sec. 18. The board of directors of the hospital
22 district is authorized on behalf of such district to
23 accept donations, gifts and endowments to be held in
24 trust and administered by the board of directors for
25 such purposes and under such directions, limitations
26 and provisions as may be prescribed in writing by the
27 donor not inconsistent with proper management and
28 object of the hospital district.

29 Revisor's Note

30 Section 18, Chapter 868, Acts of the 62nd
31 Legislature, Regular Session, 1971, refers to
32 "donations" and "gifts." The revised law omits the
33 reference to "donations" because "donations" is
34 included in the meaning of "gifts."

35 Revised Law

36 Sec. 1081.110. CONSTRUCTION CONTRACTS. A construction
37 contract that requires the expenditure of more than the amount
38 provided by Section 271.024, Local Government Code, may be entered

1 into only after competitive bidding as provided by Subchapter B,
2 Chapter 271, Local Government Code. (Acts 62nd Leg., R.S., Ch. 868,
3 Sec. 10(d) (part).)

4 Source Law

5 (d) . . . A contract for construction that
6 requires expenditures in excess of the amount provided
7 by Section 271.024, Local Government Code, may be
8 entered into only after competitive bidding as
9 provided by Subchapter B, Chapter 271, Local
10 Government Code. . . .

11 Revisor's Note

12 Section 10(d), Chapter 868, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that
14 Chapter 2253, Government Code, applies to the
15 district's construction contracts in relation to
16 performance and payment bonds. The revised law omits
17 the provision because Chapter 2253 applies to hospital
18 districts on its own terms. The omitted law reads:

19 (d) . . . The provisions of Chapter
20 2253, Government Code, relating to
21 performance and payment bonds shall apply
22 to construction contracts let by the
23 district. . . .

24 Revised Law

25 Sec. 1081.111. OPERATING AND MANAGEMENT CONTRACTS. The
26 board may enter into an operating or management contract relating
27 to a district facility. (Acts 62nd Leg., R.S., Ch. 868, Sec. 10(b)
28 (part).)

29 Source Law

30 (b) The district, through its board of
31 directors, is further authorized to enter into an
32 operating or management contract with regard to its
33 facilities or a part thereof, or

34 Revised Law

35 Sec. 1081.112. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
36 HOSPITALIZATION. (a) The board may contract with a county or
37 municipality located outside the district's boundaries for the
38 hospitalization of a sick or injured person of that county or
39 municipality.

40 (b) The board may contract with this state or a federal

1 agency for the hospital treatment of a sick or injured person.
2 (Acts 62nd Leg., R.S., Ch. 868, Sec. 5(f) (part).)

3 Source Law

4 (f) The board . . . shall be authorized to
5 contract with any county or incorporated municipality
6 located outside its boundaries for the hospitalization
7 of the sick, diseased, or injured persons of any such
8 county or municipality, and shall have the authority
9 to contract with the State of Texas, or agencies of the
10 federal government for the hospital treatment of sick,
11 diseased, or injured persons.

12 Revisor's Note

13 (1) Section 5(f), Chapter 868, Acts of the 62nd
14 Legislature, Regular Session, 1971, refers to an
15 "incorporated" municipality. The revised law omits
16 the reference to "incorporated" because under the
17 Local Government Code all municipalities must be
18 incorporated.

19 (2) Section 5(f), Chapter 868, Acts of the 62nd
20 Legislature, Regular Session, 1971, refers to the
21 hospitalization of "sick, diseased, or injured
22 persons." The revised law omits the references to
23 "diseased" because "diseased" is included in the
24 meaning of "sick."

25 Revised Law

26 Sec. 1081.113. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
27 INVESTIGATORY AND OTHER SERVICES. The board may contract with a
28 political subdivision or governmental agency for the district to
29 provide investigatory or other services for the hospitalization
30 needs of district inhabitants. (Acts 62nd Leg., R.S., Ch. 868, Sec.
31 5(f) (part).)

32 Source Law

33 (f) The board shall be authorized to contract
34 with any other political subdivision or governmental
35 agency whereby the district will provide investigatory
36 or other services as to the hospitalization needs of
37 the inhabitants of the district and

38 Revised Law

39 Sec. 1081.114. CARE AND TREATMENT FOR INDIGENT. The
40 district shall provide health care and treatment to indigent

1 persons in accordance with policies and procedures adopted by the
2 board. (Acts 62nd Leg., R.S., Ch. 868, Sec. 17.)

3 Source Law

4 Sec. 17. The district shall provide health care
5 and treatment to indigent persons in accordance with
6 policies and procedures adopted by the board of
7 directors.

8 Revised Law

9 Sec. 1081.115. AUTHORITY TO SUE AND BE SUED. The district,
10 through the board, may sue and be sued. (Acts 62nd Leg., R.S., Ch.
11 868, Sec. 5(b) (part).)

12 Source Law

13 (b) [The district, through its board of
14 directors, shall have the power and authority] to sue
15 and be sued,

17 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

18 Revised Law

19 Sec. 1081.151. BUDGET. (a) The chief executive officer
20 shall prepare an annual budget for approval by the board.

21 (b) The proposed budget must contain a complete financial
22 statement of:

23 (1) the outstanding obligations of the district;

24 (2) the cash on hand in each district fund;

25 (3) the money received by the district from all
26 sources during the previous year;

27 (4) the money available to the district from all
28 sources during the ensuing year;

29 (5) the balances expected at the end of the year in
30 which the budget is being prepared;

31 (6) the estimated revenue and balances available to
32 cover the proposed budget; and

33 (7) the estimated tax rate required. (Acts 62nd Leg.,
34 R.S., Ch. 868, Sec. 6(b).)

35 Source Law

36 (b) The chief executive officer shall prepare an
37 annual budget for approval by the board of directors.
38 The budget shall also contain a complete financial

1 statement of the district showing all outstanding
2 obligations of the district, the cash on hand to the
3 credit of each and every fund of the district, the
4 funds received from all sources during the previous
5 year, the funds available from all sources during the
6 ensuing year, with balances expected at year end of the
7 year in which the budget is being prepared, and
8 estimated revenues and balances available to cover the
9 proposed budget and the estimated tax rate which will
10 be required.

11 Revised Law

12 Sec. 1081.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)

13 The board shall hold a public hearing on the proposed annual budget.

14 (b) The board shall publish notice of the hearing in
15 accordance with Chapter 551, Government Code.

16 (c) Any district resident is entitled to be present and be
17 heard at the hearing.

18 (d) At the conclusion of the hearing, the board shall adopt
19 a budget by acting on the budget proposed by the chief executive
20 officer. The board may make any changes in the proposed budget that
21 the board judges to be in the interest of the taxpayers and that the
22 law warrants. (Acts 62nd Leg., R.S., Ch. 868, Sec. 6(c) (part).)

23 Source Law

24 (c) A public hearing on the annual budget shall
25 be held by the board of directors after notice of the
26 hearing has been published in accordance with Chapter
27 551, Government Code. Any resident of the district
28 shall have the right to be present and to be heard at
29 the hearing. At the conclusion of the hearing, the
30 budget, as proposed by the chief executive officer,
31 shall be acted upon by the board of directors. The
32 board of directors shall have authority to make such
33 changes in the budget as in their judgment the law
34 warrants and the interest of the taxpayers
35 demand. . . . the annual budget, and . . . shall be
36 approved by the board of directors. . . .

37 Revised Law

38 Sec. 1081.153. AMENDMENTS TO BUDGET. The budget may be
39 amended as required by circumstances. The board must approve all
40 amendments. (Acts 62nd Leg., R.S., Ch. 868, Sec. 6(c) (part).)

41 Source Law

42 (c) . . . The annual budget may be amended from
43 time to time as the circumstances may require,
44 but . . . all amendments thereto, shall be approved by
45 the board of directors. . . .

46 Revisor's Note

47 Section 6(c), Chapter 868, Acts of the 62nd

1 Legislature, Regular Session, 1971, states that the
2 board may amend the budget "from time to time." The
3 revised law omits the quoted language because the
4 authority to take an action implies the authority to do
5 so at any time.

6 Revised Law

7 Sec. 1081.154. RESTRICTION ON EXPENDITURES. Money may be
8 spent only for an expense included in the budget or an amendment to
9 the budget. (Acts 62nd Leg., R.S., Ch. 868, Sec. 6(c) (part).)

10 Source Law

11 (c) . . . No expenditure may be made for any
12 expense not included in the annual budget or an
13 amendment thereto. . . .

14 Revised Law

15 Sec. 1081.155. FISCAL YEAR. (a) The district operates
16 according to a fiscal year established by the board.

17 (b) The fiscal year may not be changed:

- 18 (1) if revenue bonds of the district are outstanding;
19 or
20 (2) more than once in a 24-month period. (Acts 62nd
21 Leg., R.S., Ch. 868, Sec. 6(a) (part).)

22 Source Law

23 Sec. 6. (a) The district shall be operated on
24 the basis of a fiscal year established by the board of
25 directors. The board of directors may not change the
26 fiscal year if revenue bonds of the district are
27 outstanding or more than once in a 24-month
28 period. . . .

29 Revised Law

30 Sec. 1081.156. AUDIT. The board shall have an audit made of
31 the district's financial condition. (Acts 62nd Leg., R.S., Ch.
32 868, Sec. 6(a) (part).)

38 Sec. 1081.157. INSPECTION OF AUDIT AND DISTRICT RECORDS.
39 The audit and other district records shall be open to inspection at

1 the district's principal office. (Acts 62nd Leg., R.S., Ch. 868,
2 Sec. 6(a) (part).)

4 (a) [The board shall cause an audit] . . . which
5 together with other records of the district shall be
6 open to inspection at the principal office of the
7 district.

8 Revised Law

9 Sec. 1081.158. FINANCIAL REPORT. As soon as practicable
10 after the close of each fiscal year, the chief executive officer
11 shall prepare for the board:

12 (1) a complete sworn statement of all district money;
13 and

14 (2) a complete account of the disbursements of that
15 money. (Acts 62nd Leg., R.S., Ch. 868, Sec. 6(c) (part).)

16 Source Law

17 (c) . . . As soon as practicable after the
18 close of each fiscal year, the chief executive officer
19 shall prepare for the board a full sworn statement of
20 all moneys belonging to the district and a full account
21 of the disbursements of same.

22 Revised Law

23 Sec. 1081.159. DEPOSITORY. (a) The board shall select one
24 or more banks inside or outside the district to serve as a
25 depository for district money.

26 (b) District money, other than money invested as provided by
27 Section 1081.160(b), and money transmitted to a bank for payment of
28 bonds or obligations issued or assumed by the district, shall be
29 deposited as received with the depository bank and shall remain on
30 deposit.

31 (c) This chapter, including Subsection (b), does not limit
32 the power of the board to place a part of district money on time
33 deposit or to purchase certificates of deposit. (Acts 62nd Leg.,
34 R.S., Ch. 868, Sec. 11.)

35 Source Law

36 Sec. 11. The board of directors of the district
37 shall name one or more banks within or without its
38 boundaries to serve as depository for the funds of the
39 district. All funds of the district (except those
40 invested as provided in Section 5, and those

1 transmitted to a bank or banks of payment for bonds or
2 obligations issued or assumed by the district) shall
3 be deposited as received with the depository bank and
4 shall remain on deposit, provided that nothing herein
5 shall limit the power of the board to place a portion
6 of such funds on time deposit or purchase certificate
7 of deposit.

8 Revised Law

9 Sec. 1081.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
10 Except as otherwise provided by Section 1081.107(c) and Subchapter
11 E, the district may not incur an obligation payable from district
12 revenue other than the revenue on hand or to be on hand in the
13 current and following district fiscal year.

14 (b) The board may invest operating, depreciation, or
15 building reserves only in funds or securities specified by Chapter
16 2256, Government Code. (Acts 62nd Leg., R.S., Ch. 868, Secs. 5(a)
17 (part), 10(d) (part).)

18 Source Law

19 Sec. 5. (a) . . . in no event shall any
20 operating, depreciation, or building fund reserves be
21 invested in any funds or securities other than those
22 specified in Subchapter A, Chapter 2256, Government
23 Code.

24 [Sec. 10]

25 (d) . . . Except as permitted in the preceding
26 sentence and as permitted by Sections 7 and 9, the
27 district may incur no obligation payable from any
28 revenues of the district (tax or otherwise) except
29 those on hand or to be on hand within the then current
30 and following fiscal year of the district.

31 Revisor's Note

32 Section 10(d), Chapter 868, Acts of the 62nd
33 Legislature, Regular Session, 1971, states that
34 "[e]xcept as permitted in the preceding sentence and
35 as permitted by Sections 7 and 9," the district may not
36 incur certain obligations. The preceding sentence in
37 Section 10(d) is revised in Section 1081.107(c).
38 Sections 7 and 9 are revised in Subchapter E. The
39 revised law is drafted accordingly.

40 [Sections 1081.161-1081.200 reserved for expansion]

41 SUBCHAPTER E. BONDS

42 Revised Law

43 Sec. 1081.201. GENERAL OBLIGATION BONDS. The board may

1 issue and sell general obligation bonds in the name and on the faith
2 and credit of the district for any purpose relating to:

3 (1) the purchase, construction, acquisition, repair,
4 or renovation of buildings or improvements; and

5 (2) equipping buildings or improvements for hospital
6 purposes. (Acts 62nd Leg., R.S., Ch. 868, Sec. 7(a).)

7 Source Law

8 Sec. 7. (a) The board of directors shall have
9 the power and authority to issue and sell general
10 obligation bonds in the name and upon the faith and
11 credit of the district for the purchase, construction,
12 acquisition, repair, or renovation of buildings and
13 improvements and equipping the same for hospital
14 purposes, and for any or all of such purposes.

15 Revised Law

16 Sec. 1081.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
17 the time general obligation bonds are issued by the district under
18 Section 1081.201, the board shall impose an ad valorem tax at a rate
19 sufficient to create an interest and sinking fund to pay the
20 principal of and interest on the bonds as the bonds mature.

21 (b) The tax required by this section together with any other
22 ad valorem tax the district imposes may not in any year exceed 75
23 cents on each \$100 valuation of all taxable property in the
24 district. (Acts 62nd Leg., R.S., Ch. 868, Sec. 7(b) (part).)

25 Source Law

26 (b) At the time of the issuance of any general
27 obligation bonds by the district a tax shall be levied
28 by the board sufficient to create an interest and
29 sinking fund to pay the interest on and principal of
30 said bonds as same mature, providing such tax together
31 with any other taxes levied for the district shall not
32 exceed Seventy-five cents (75¢) on each One Hundred
33 Dollars (\$100) valuation of taxable property in any
34 one year, upon all taxable property situated within
35 the hospital district,

36 Revisor's Note

37 Section 7(b), Chapter 868, Acts of the 62nd
38 Legislature, Regular Session, 1971, requires the
39 district to levy a tax to pay the principal of and
40 interest on bonds. The revised law specifies that the
41 tax is an "ad valorem" tax because it is clear from the
42 source law that the tax is a property tax and "ad

1 valorem" is the term most commonly used to refer to a
2 property tax.

3 Revised Law

4 Sec. 1081.203. GENERAL OBLIGATION BOND ELECTION. (a) The
5 district may issue general obligation bonds only if the bonds are
6 authorized by a majority of the district voters voting at an
7 election held for that purpose.

8 (b) The order and publication of notice for the bond
9 election must be provided in accordance with Chapter 1251,
10 Government Code. (Acts 62nd Leg., R.S., Ch. 868, Sec. 7(c) (part).)

11 Source Law

12 (c) General obligation bonds may not be issued
13 by the district until authorized by a majority of the
14 voters of the district voting at an election called for
15 such purpose. The order for the bond election and the
16 publication of notice for the election must be
17 provided in accordance with Chapter 1251, Government
18 Code. . . .

19 Revisor's Note

20 Section 7(c), Chapter 868, Acts of the 62nd
21 Legislature, Regular Session, 1971, provides that a
22 bond election be conducted in accordance with the
23 general laws of this state pertaining to general
24 elections, except as modified by that chapter. The
25 general law on elections is the Election Code. The
26 revised law omits the provision because Section 1.002,
27 Election Code, provides that the Election Code applies
28 to all elections held in this state. An exception to
29 the application of the Election Code would apply by its
30 own terms. The omitted law reads:

31 (c) . . . The election shall be
32 conducted in accordance with the general
33 laws of this state pertaining to general
34 elections, except as modified by the
35 provisions of this Act.

36 Revised Law

37 Sec. 1081.204. REVENUE BONDS. (a) The board may issue
38 revenue bonds to:

39 (1) purchase, construct, acquire, repair, renovate,

1 or equip buildings or improvements for hospital purposes; or

2 (2) acquire sites to be used for hospital purposes.

3 (b) The bonds must be payable from and secured by a pledge of
4 all or part of the revenue derived from the operation of the
5 district's hospitals.

6 (c) The bonds may be additionally secured by a mortgage or
7 deed of trust lien on all or part of district property.

8 (d) The bonds must be issued in the manner and in accordance
9 with the procedures and requirements prescribed by Sections
10 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
11 and Safety Code, for issuance of revenue bonds by a county hospital
12 authority. (Acts 62nd Leg., R.S., Ch. 868, Sec. 9 (part).)

13 Source Law

14 Sec. 9. In addition to the power to issue bonds
15 payable from taxes levied by the district, as
16 contemplated by the preceding section, the board of
17 directors is further authorized to issue, and . . .
18 revenue bonds for purchasing, constructing,
19 acquiring, repairing, equipping, or renovating
20 buildings and improvements for hospital purposes, and
21 for acquiring sites therefor, such bonds to be payable
22 from and secured by a pledge of all or any part of the
23 revenues of the district to be derived from the
24 operation of its hospital or hospitals, and such bonds
25 may be additionally secured by a mortgage or deed of
26 trust lien on any part or all of its properties. Such
27 bonds shall be issued in the manner and in accordance
28 with the procedures and requirements specified for the
29 issuance of revenue bonds by County Hospital
30 Authorities in Sections 264.042, 264.043, and
31 264.046-264.049, Health and Safety Code.

32 Revised Law

33 Sec. 1081.205. MATURITY OF BONDS. District bonds must
34 mature not later than 40 years after the date of issuance. (Acts
35 62nd Leg., R.S., Ch. 868, Sec. 7(e) (part).)

36 Source Law

37 (e) . . . All bonds shall mature within forty
38 (40) years of their date, . . .

39 Revised Law

40 Sec. 1081.206. EXECUTION OF BONDS. (a) The board president
41 shall execute the district's bonds in the district's name.

42 (b) The board secretary shall countersign the bonds in the
43 manner provided by Chapter 618, Government Code. (Acts 62nd Leg.,

1 R.S., Ch. 868, Sec. 7(e) (part).)

2 Source Law

3 (e) [bonds] . . . shall be executed in the name
4 of the hospital district and in its behalf by the
5 president of the board and countersigned by the
6 secretary in the manner provided by Chapter 618,
7 Government Code, and

8 Revisor's Note

9 (1) Section 7(e), Chapter 868, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that
11 district bonds must bear interest at a rate not to
12 exceed the rate permitted by Chapter 1204, Government
13 Code. The revised law omits that provision because
14 Chapter 1204 applies to district bonds by its own terms
15 by application of Section 1204.001, Government Code.
16 The omitted law reads:

17 (e) Bonds of the district shall bear
18 interest at a rate not to exceed the rate
19 permitted by Chapter 1204, Government
20 Code. . . .

21 (2) Section 7(e), Chapter 868, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that
23 district bonds are subject to the law governing
24 counties that relates to bond approval by the attorney
25 general and registration of the bonds by the
26 comptroller. Section 7(e) also provides that after
27 approval and registration the bonds are "incontestable
28 for any cause." The revised law omits those provisions
29 because they duplicate, in substance, provisions in
30 Chapter 1202, Government Code (enacted as Article 3,
31 Chapter 53, Acts of the 70th Legislature, 2nd Called
32 Session, 1987). Section 1202.003(a), Government Code,
33 requires bonds to be submitted to the attorney
34 general. Section 1202.003(b), Government Code,
35 provides for approval of the bonds by the attorney
36 general and requires the attorney general to submit
37 the approved bonds to the comptroller for
38 registration. Section 1202.005, Government Code,

1 requires registration of the bonds by the comptroller.
2 Section 1202.006, Government Code, provides that after
3 approval and registration the bonds are incontestable
4 and binding obligations. Chapter 1202, Government
5 Code, applies to district bonds by application of
6 Section 1202.001, Government Code. The omitted law
7 reads:

8 (e) [bonds] . . . shall be subject to
9 the same requirements in the manner of
10 approval by the Attorney General of Texas
11 and registration by the Comptroller of
12 Public Accounts of the State of Texas as are
13 by law provided for approval and
14 registration of bonds issued by counties.
15 Upon the approval of such bonds by the
16 Attorney General and registration by the
17 Comptroller, the bonds shall be
18 incontestable for any cause.

19 Revised Law

20 Sec. 1081.207. BONDS EXEMPT FROM TAXATION. The following
21 are exempt from taxation by this state or a political subdivision of
22 this state:

- 23 (1) bonds issued by the district;
24 (2) the transfer and issuance of the bonds; and
25 (3) profits made in the sale of bonds. (Acts 62nd
26 Leg., R.S., Ch. 868, Sec. 21 (part).)

27 Source Law

28 Sec. 21. . . . any bonds issued by it and their
29 transfer and the issuance therefrom, including any
30 profits made in the sale thereof, shall at all times be
31 free from taxation by the state or any municipality or
32 political subdivision thereof.

33 Revisor's Note

34 Section 21, Chapter 868, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to "any
36 municipality or political subdivision" of this state.
37 The revised law omits "municipality" because that term
38 is included in the meaning of "political subdivision"
39 of this state.

40 Revisor's Note
41 (End of Subchapter)

- 42 (1) Sections 7(d) and 9, Chapter 868, Acts of

1 the 62nd Legislature, Regular Session, 1971, authorize
2 the district to issue refunding bonds. The revised law
3 omits those provisions because Chapter 1207,
4 Government Code, provides general authority for an
5 issuer, including a hospital district, to issue
6 refunding securities and prescribes procedures
7 applicable to the securities. The omitted law reads:

8 [Sec. 7]

9 (d) The district may issue refunding
10 bonds in accordance with Chapter 1207,
11 Government Code.

12 Sec. 9. . . . [the board of directors
13 is further authorized] . . . to refund any
14 previously issued [revenue bonds]

15 (2) Section 13, Chapter 868, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that
17 district bonds are legal and authorized investments
18 for certain entities. The revised law omits that
19 provision as unnecessary. As to several of the
20 entities listed, Section 13 has been superseded and
21 impliedly repealed. Investments in securities by banks
22 are regulated by Section 34.101, Finance Code (enacted
23 in 1995 as Section 5.101, Texas Banking Act (Article
24 342-5.101, Vernon's Texas Civil Statutes)).
25 Investments in securities by savings banks are
26 regulated by Section 93.001(c)(10), Finance Code
27 (enacted in 1993 as Section 7.15(10), Texas Savings
28 Bank Act (Article 489e, Vernon's Texas Civil
29 Statutes)). Investments in securities by trust
30 companies are regulated by Section 184.101, Finance
31 Code (enacted in 1997 as Section 5.101, Texas Trust
32 Company Act (Article 342a-5.101, Vernon's Texas Civil
33 Statutes)). Investments in securities by savings and
34 loan associations are regulated by Sections 63.002 and
35 64.001, Finance Code. As to the remaining entities
36 listed, Section 13 duplicates Section 1201.041,
37 Government Code (enacted as Section 9, Bond Procedures

1 Act of 1981 (Article 717k-6, Vernon's Texas Civil
2 Statutes)). Section 1201.041, Government Code,
3 applies to district bonds by application of Section
4 1201.002, Government Code. While Section 13 lists
5 "guardians" and Section 1201.041 does not, the latter
6 statute includes fiduciaries and a guardian is a
7 fiduciary. The revised law omits the reference to
8 public funds of this state because it has been
9 superseded by Section 404.024, Government Code
10 (enacted in 1985 as Section 2.014, Treasury Act
11 (Article 4393-1, Vernon's Texas Civil Statutes)),
12 which governs the investment of state funds. Section
13 404.024(b)(10), Government Code, authorizes the
14 investment of state funds in obligations of political
15 subdivisions, including hospital districts. The
16 omitted law reads:

17 Sec. 13. All bonds issued by the
18 district shall be and are hereby declared to
19 be legal and authorized investments of
20 banks, savings banks, trust companies,
21 building and loan associations, savings and
22 loan associations, insurance companies,
23 fiduciaries, trustees, guardians, and
24 sinking funds of cities, towns, villages,
25 counties, school districts or other
26 political subdivisions of the State of
27 Texas, and for all public funds of the State
28 of Texas or its agencies including the State
29 Permanent School Fund. . . .

30 (3) Section 13, Chapter 868, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that
32 district bonds may secure deposits of public funds of
33 this state or political subdivisions of this state.
34 The revised law omits the provisions as impliedly
35 repealed by Section 404.0221, Government Code (enacted
36 in 1995), which lists eligible collateral for deposits
37 of state funds by the comptroller, and by Chapter 2257,
38 Government Code (enacted in 1989 as Article 2529d,
39 Vernon's Texas Civil Statutes), which governs eligible
40 collateral for deposits of funds of other public

1 agencies, including political subdivisions. The
2 omitted law reads:

3 Sec. 13. . . . Such bonds shall be
4 eligible to secure deposit of public funds
5 of the State of Texas and public funds of
6 cities, towns, villages, counties, school
7 districts or other political subdivisions
8 or corporations of the State of Texas, and
9 shall be lawful and sufficient security for
10 said deposits to the extent of their value
11 when accompanied by all unmatured coupons
12 appurtenant thereto.

13 [Sections 1081.208-1081.250 reserved for expansion]

14 SUBCHAPTER F. TAXES

15 Revised Law

16 Sec. 1081.251. IMPOSITION OF AD VALOREM TAX. (a) The board
17 shall impose a tax on all property in the district subject to
18 district taxation.

19 (b) The board shall impose the tax to pay:

20 (1) indebtedness issued or assumed by the district;

21 and

22 (2) the maintenance and operating expenses of the
23 district.

24 (c) The board may not impose the tax to pay the principal of
25 or interest on revenue bonds issued under Section 1081.204. (Acts
26 62nd Leg., R.S., Ch. 868, Secs. 7(b) (part), 12 (part), 15(b).)

27 Source Law

28 [Sec. 7]

29 (b) . . . [a tax shall be levied by the board]
30 . . . upon all taxable property situated within the
31 hospital district, subject to hospital district
32 taxation.

33 Sec. 12. The board of directors shall annually
34 levy a tax . . . for the purpose of paying (1) the
35 indebtedness issued by the district, but no tax shall
36 be levied to pay principal or interest on revenue bonds
37 issued under the provisions of Section 9 hereof, and
38 (2) the maintenance and operating expenses of the
39 district. . . .

40 [Sec. 15]

41 (b) The district may impose the tax to pay:

42 (1) the indebtedness issued or assumed by
43 the district; and

44 (2) the maintenance and operating expenses
45 of the district.

1 Revised Law

2 Sec. 1081.252. TAX RATE. (a) The board may impose the tax
3 at a rate not to exceed 75 cents on each \$100 valuation of all
4 taxable property in the district.

5 (b) In setting the tax rate, the board shall consider the
6 income of the district from sources other than taxation. (Acts 62nd
7 Leg., R.S., Ch. 868, Secs. 7(b) (part), 12 (part), 15(a).)

8 Source Law

9 [Sec. 7]

10 (b) . . . [providing such tax together with any
11 other taxes levied for the district] shall not exceed
12 Seventy-five cents (75¢) on each One Hundred Dollars
13 (\$100) valuation of taxable property in any one year,
14 upon all taxable property situated within the hospital
15 district,

16 Sec. 12. [The board of directors shall annually
17 levy a tax] of not to exceed the amount hereinabove
18 permitted In setting such tax rate the board
19 shall take into consideration the income of the
20 district from sources other than taxation. . . .

21 Sec. 15. (a) The board of directors annually
22 may impose property taxes in an amount not to exceed 75
23 cents on each \$100 valuation of all taxable property in
24 the district.

25 Revisor's Note

26 Section 12, Chapter 868, Acts of the 62nd
27 Legislature, Regular Session, 1971, requires the board
28 to levy the tax and to certify the tax rate to the tax
29 assessor-collector. The revised law omits that
30 provision because Section 26.05(a), Tax Code, requires
31 the governing body of a taxing unit to adopt a tax rate
32 for the current tax year and to notify the tax assessor
33 of that rate. The omitted law reads:

34 Sec. 12. . . . Upon determination of
35 the amount of tax required to be levied, the
36 board shall make such levy and certify the
37 same to the Assessor-Collector.

38 Revised Law

39 Sec. 1081.253. TAX ASSESSOR-COLLECTOR. The board may
40 provide for the appointment of a tax assessor-collector for the
41 district or may contract for the assessment and collection of taxes
42 as provided by the Tax Code. (Acts 62nd Leg., R.S., Ch. 868, Sec.

1 15(d).)

2 Source Law

3 (d) The board of directors may provide for the
4 appointment of a tax assessor-collector for the
5 district or may contract for the assessment and
6 collection of taxes as provided by the Tax Code.

7 Revisor's Note
8 (End of Subchapter)

9 Section 15(c), Chapter 868, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that the
11 Tax Code governs the appraisal, assessment, and
12 collection of district taxes. The revised law omits
13 that provision because Section 1.02, Tax Code,
14 requires all taxing units of the government to
15 administer the assessment and collection of an ad
16 valorem tax in conformity with Title 1, Tax Code. The
17 omitted law reads:

18 (c) The Tax Code governs the
19 appraisal, assessment, and collection of
20 district taxes.

21 [Sections 1081.254-1081.300 reserved for expansion]

22 SUBCHAPTER G. DISSOLUTION

23 Revised Law

24 Sec. 1081.301. DISSOLUTION; ELECTION. (a) The district
25 may be dissolved only on approval of a majority of the registered
26 district voters voting in an election held for that purpose.

27 (b) The board may order an election on the question of
28 dissolving the district and disposing of the district's assets and
29 obligations.

30 (c) The board shall order an election if the board receives
31 a petition requesting an election that is signed by at least 15
32 percent of the registered voters in the district.

33 (d) The election shall be held not later than the 60th day
34 after the date the election is ordered.

35 (e) The order calling the election must state:

36 (1) the nature of the election, including the
37 proposition to appear on the ballot;

- 1 (2) the date of the election;
2 (3) the hours during which the polls will be open; and
3 (4) the location of the polling places.

4 (f) Section 41.001(a), Election Code, does not apply to an
5 election ordered under this section. (Acts 62nd Leg., R.S., Ch.
6 868, Secs. 19A(a), (b), (c), (d).)

7 Source Law

8 Sec. 19A. (a) The district may be dissolved
9 only if the dissolution is approved by a majority of
10 the registered voters of the district voting in an
11 election held for that purpose.

12 (b) The board of directors may order an election
13 on the question of dissolving the district and
14 disposing of the district's assets and obligations.
15 The board shall order an election if the board receives
16 a petition requesting an election that is signed by a
17 number of registered voters of the district equal to at

40 each district taxpayer the taxpayer's pro rata share of all unused
41 tax money.

42 (c) A taxpayer may request that the taxpayer's share of

1 Revisor's Note
2 (End of Chapter)

3 (1) Section 23, Chapter 868, Acts of the 62nd
4 Legislature, Regular Session, 1971, provides that the
5 act is severable. The revised law omits that provision
6 because it duplicates Section 311.032, Government Code
7 (Code Construction Act), which provides that a
8 provision of a statute is severable from each other
9 provision of the statute that can be given effect. The
10 omitted law reads:

11 Sec. 23. . . . If any provision of
12 this Act should be invalid, such fact shall
13 not affect the authorization for the
14 creation of the district or the validity of
15 any other provisions of this Act, and the
16 Legislature hereby declares that it would
17 have created the district and enacted the
18 valid provisions of this Act
19 notwithstanding the invalidity of any other
20 provision or provisions hereof.

21 (2) Section 24, Chapter 868, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that
23 public notice of enactment of the statute was provided
24 in a manner that satisfies the requirements of the
25 Texas Constitution. The revised law omits that
26 section as executed. The omitted law reads:

27 Sec. 24. Proof of publication of the
28 notice required in the enactment hereof
29 under the provisions of Article IX, Section
30 9 of the Texas Constitution, has been made
31 in the manner and form provided by law
32 pertaining to the enactment of local and
33 special laws, and such notice is hereby
34 found and declared proper and sufficient to
35 satisfy such requirement.

10 Sec. 1.01. In this Act:

11 (1) "District" means the Nolan County

22 Source Law

23 Sec. 1.02. The Nolan County Hospital District
24 may be created and established and, if created, must be
25 maintained, operated, and financed in the manner
26 provided by Article IX, Section 9, of the Texas
27 Constitution and by this Act.

28 Revisor's Note

29 Section 1.02, Chapter 8, Acts of the 71st
30 Legislature, Regular Session, 1989, provides that the
31 district "may be created and established and, if
32 created, must be maintained, operated, and financed"
33 in the manner provided by the Texas Constitution and
34 the act. The revised law omits references to the
35 establishment and creation of the district as
36 executed. The revised law omits "maintained" because,
37 in this context, the meaning of that term is included
38 in the meaning of "operated."

1 Revised Law

2 Sec. 1082.003. ESSENTIAL PUBLIC FUNCTION. The district is
3 a public entity performing an essential public function. (Acts
4 71st Leg., R.S., Ch. 8, Sec. 7.11 (part).)

5 Source Law

6 Sec. 7.11. Since the district created under
7 this Act is a public entity performing an essential
8 public function,

9 Revised Law

10 Sec. 1082.004. DISTRICT TERRITORY. The boundaries of the
11 district are coextensive with the boundaries of Nolan County,
12 Texas. (Acts 71st Leg., R.S., Ch. 8, Sec. 1.03.)

21 9.01 (part).)

22 Source Law

23 Sec. 9.01. The state may not become obligated
24 for the support or maintenance of a hospital district
25 created under this Act,

26 Revised Law

27 Sec. 1082.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
28 The legislature may not make a direct appropriation for the
29 construction, maintenance, or improvement of a district facility.
30 (Acts 71st Leg., R.S., Ch. 8, Sec. 9.01 (part).)

31 Source Law

32 Sec. 9.01. . . . nor may the legislature make a
33 direct appropriation for the construction,
34 maintenance, or improvement of a facility of the
35 district.

36 Revisor's Note
37 (End of Subchapter)

38 Article 3, Chapter 8, Acts of the 71st
39 Legislature, Regular Session, 1989, provides

1 procedures for holding an election on the creation of
2 the district, the imposition of an ad valorem tax, and
3 the transfer to the district of certain property and
4 obligations of a prior hospital board. Because the
5 election creating the district has been held, the
6 revised law omits the relevant law as executed. The
7 omitted law reads:

8 Sec. 3.01. The district may be
9 created and a tax may be authorized only if
10 the creation and the tax are approved by a
11 majority of the qualified voters of the
12 territory of the proposed district voting
13 at an election called and held for that
14 purpose.

15 Sec. 3.02. (a) A majority of the
16 temporary directors of the district may
17 order a creation election to be held.

18 (b) On presentation of a petition for
19 a creation election signed by at least 20 of
20 the registered voters of the territory of
21 the proposed district, according to the
22 most recent official lists of registered
23 voters, the temporary directors shall order
24 an election to be held. The election shall
25 be called not later than the 60th day after
26 the date the petition is presented to the
27 board of temporary directors of the
28 district.

29 Sec. 3.03. The order calling the
30 election must state:

31 (1) the nature of the election,
32 including the proposition that is to appear
33 on the ballot;

34 (2) the date of the election;

35 (3) the hours during which the
36 polls will be open; and

37 (4) the location of the polling
38 places.

39 Sec. 3.04. The temporary directors
40 shall give notice of the election by
41 publishing a substantial copy of the
42 election order in a newspaper with general
43 circulation in the proposed district once a
44 week for two consecutive weeks. The first
45 publication must appear not later than the
46 14th day before the date set for the
47 election.

48 Sec. 3.05. (a) The election shall be
49 held not less than 30 days nor more than 60
50 days after the date on which the election is
51 ordered.

52 (b) Subsection (a), Section 41.001,
53 Election Code, does not apply to an election
54 ordered under this article.

55 Sec. 3.06. The ballot for the
56 creation election shall be printed to
57 permit voting for or against the
58 proposition: "The creation of the Nolan
59 County Hospital District and the levy of
60 annual taxes for hospital purposes at a rate
61 not to exceed 75 cents on each \$100

1 valuation of all taxable property in the
2 district, and the transfer to the Nolan
3 County Hospital District of the existing
4 hospital, land, buildings, improvements,
5 and equipment of the Nolan County--City of
6 Sweetwater, Texas Hospital Board and the
7 assumption of the outstanding indebtedness
8 of the Nolan County--City of Sweetwater,
9 Texas Hospital Board including more
10 particularly the outstanding Nolan
11 County--City of Sweetwater, Texas Hospital
12 Board First Mortgage Revenue Bonds, Series
13 1975."

14 Sec. 3.07. (a) The temporary
15 directors of the district shall meet and
16 canvass the returns of the election.

17 (b) If the temporary directors find
18 that the election results are favorable to
19 the proposition to create the district,
20 they shall issue an order declaring the
21 district created.

22 (c) If the temporary directors find
23 that the election results are not favorable
24 to the proposition to create the district,
25 another creation election may not be held
26 within 12 months after the date of the
27 election at which voters disapproved the
28 proposition.

29 Sec. 3.08. If the creation of the
30 district is not approved at an election held
31 within 60 months after the effective date of
32 this Act, this Act expires.

33 [Sections 1082.007-1082.050 reserved for expansion]

34 SUBCHAPTER B. DISTRICT ADMINISTRATION

35 Revised Law

36 Sec. 1082.051. BOARD ELECTION; TERMS. (a) The district is
37 governed by a board of not fewer than seven or more than nine
38 directors, as determined by the board.

39 (b) As determined by the board, the directors are elected
40 from:

- 41 (1) the district at large;
42 (2) single-member districts; or
43 (3) any combination of single-member districts and
44 at-large positions.

45 (c) At an election for directors in which at least two
46 directors are to be elected at large, the appropriate number of
47 candidates receiving the highest number of votes are elected. An
48 election for at-large directors may not be by place or numbered
49 post.

50 (d) Unless four-year terms are established under Section

1 285.081, Health and Safety Code:

2 (1) directors serve two-year terms; and

3 (2) an election shall be held each year to elect the
4 appropriate number of directors. (Acts 71st Leg., R.S., Ch. 8,
5 Secs. 4.01(a), 4.03(a) (part), (b), (d) (part).)

6 Source Law

7 Sec. 4.01. (a) The district is governed by a

9 directors, as determined by the temporary board of
10 directors or its successors.

11 Sec. 4.03. (a) The directors shall be elected
12 from single-member districts or at large or a
13 combination thereof, as determined by the temporary
14 board of directors or its successors. The temporary
15 directors shall assign numbers to the single-member
16 districts. . . .

17 (b) At the initial election of directors and
18 thereafter, the candidate receiving the highest number
19 of votes from a single-member district shall be a
20 director for that district, and, in regard to the
21 at-large positions, the candidate or candidates
22 receiving the highest number of votes from the
23 district or districts at large shall be declared
24 directors. Election shall not be by place or numbered
25 post for any at-large directors.

26 (d) . . . an election shall be held on the first
27 Saturday in May each year or on a uniform election date
28 as specified by the Election Code. At each election,
29 the appropriate number of successor directors shall be
30 elected for two-year terms.

31 Revisor's Note

32 (1) Sections 2.01, 2.02, and 4.01(b), Chapter 8,
33 Acts of the 71st Legislature, Regular Session, 1989,
34 provide for temporary directors to serve as directors
35 of the district until elected directors take office
36 and provide for filling a vacancy in the office of
37 temporary director. The revised law omits the
38 provisions as executed. The omitted law reads:

39 Sec. 2.01. On the effective date of
40 this Act, the following persons become
41 temporary directors of the district:

- 42 (1) Pam Rhodes;
- 43 (2) Ronnie Williams;
- 44 (3) Ken Palmer;
- 45 (4) Cliff Etheredge;

49 Sec. 2.02. The directors remaining
50 after a vacancy in the office of temporary
51 director shall fill the vacancy by

1 appointment by a majority vote.

2 [Sec. 4.01]

3 (b) From the time the creation of the
4 district is approved until the elected
5 directors take office, the temporary
6 directors serve as directors of the
7 district.

8 (2) Sections 4.01(a) and 4.03(a), Chapter 8,
9 Acts of the 71st Legislature, Regular Session, 1989,
10 refer to "the temporary board of directors or its
11 successors." The revised law omits the references to
12 the "temporary board" because the terms of the
13 temporary board have expired. The revised law
14 substitutes "board" for "its successors" because each
15 subsequent board of directors is a successor to the
16 temporary board.

17 (3) Section 4.03(a), Chapter 8, Acts of the 71st
18 Legislature, Regular Session, 1989, requires the
19 temporary board to "assign numbers to the
20 single-member districts." The revised law omits the
21 quoted language as executed.

22 (4) Section 4.03(a), Chapter 8, Acts of the 71st
23 Legislature, Regular Session, 1989, provides that the
24 manner of determining single-member districts and
25 selecting directors must be consistent with the
26 requirements of state and federal law, including
27 specifically cited provisions of law. The revised law
28 omits the provision because, to the extent that state
29 and federal law imposes requirements applicable to the
30 manner of determining single-member districts and
31 selecting directors, the state and federal laws are
32 sufficient authority for those requirements and it is
33 unnecessary to reference the requirements in this
34 chapter. The omitted law reads:

35 (a) . . . The manner of determining
36 the districts and selecting directors shall
37 be consistent with all requirements of
38 state and federal law, including the Voting
39 Rights Act Amendments of 1982 (42 U.S.C.
40 Sec. 1971 et seq.) and the Fourteenth and

1 Fifteenth Amendments to the United States
2 Constitution.

3 (5) Section 4.03(b), Chapter 8, Acts of the 71st
4 Legislature, Regular Session, 1989, refers to "the
5 initial election of directors." The revised law omits
6 the quoted language as executed because the initial
7 election has occurred.

8 (6) Section 4.03(b), Chapter 8, Acts of the 71st
9 Legislature, Regular Session, 1989, provides that "the
10 candidate receiving the highest number of votes from a
11 single-member district shall be a director for that
12 district." To the extent that the quoted language
13 relates to the initial election, the revised law omits
14 the quoted language as executed. To the extent that
15 the quoted language relates to subsequent elections,
16 the revised law omits the quoted language because it
17 duplicates Section 2.001, Election Code, which
18 provides that, except as otherwise provided by law, to
19 be elected to a public office a candidate must receive
20 more votes than any other candidate for office.

21 (7) Section 4.03(c), Chapter 8, Acts of the 71st
22 Legislature, Regular Session, 1989, prescribes the
23 terms of the initial directors. The revised law omits
24 the provision as executed. The omitted law reads:

25 (c) At the initial election of
26 directors, the candidates elected from
27 even-numbered single-member districts
28 shall serve for a term of two years, and the
29 candidates elected from the odd-numbered
30 single-member districts shall serve for a
31 term of one year. At this election, the
32 candidates elected from the district or
33 districts at large shall serve for a term of
34 two years.

35 (8) Section 4.03(d), Chapter 8, Acts of the 71st
36 Legislature, Regular Session, 1989, requires board
37 elections on the "first Saturday in May" or on "a
38 uniform election date as specified by the Election
39 Code." The revised law omits the quoted language as
40 unnecessary. At the time that Section 4.03(d) was

1 enacted, the first Saturday in May was a uniform
2 election date under Section 41.001, Election Code, for
3 all political subdivisions. Consequently, the
4 reference to that date did not add to the authority
5 granted by the section to conduct board elections on
6 any uniform election date under Section 41.001,
7 Election Code, and the substantive effect of Section
8 4.03(d) was to require that board elections be
9 conducted on any uniform election date. It is
10 unnecessary to state that requirement in this chapter
11 because Section 41.001, Election Code, applies by its
12 own terms to the district's board elections and has the
13 effect of requiring that the elections be conducted on
14 a uniform election date.

15 (9) Section 4.03(d), Chapter 8, Acts of the 71st
16 Legislature, Regular Session, 1989, provides that
17 directors serve two-year terms. Section 285.081,
18 Health and Safety Code, applicable to this district,
19 provides a mechanism by which the governing board of a
20 hospital district, on its own motion, may order that
21 members are to be elected in even-numbered years to
22 serve staggered four-year terms. The revised law is
23 drafted accordingly and adds a reference to Section
24 285.081, Health and Safety Code, for the convenience
25 of the reader.

26 Revised Law

27 Sec. 1082.052. NOTICE OF ELECTION. Not later than the 35th
28 day before the date of an election of directors, notice of the
29 election shall be published one time in a newspaper with general
30 circulation in the district. (Acts 71st Leg., R.S., Ch. 8, Sec.
31 4.04 (part).)

32 Source Law

33 Sec. 4.04. Not later than the 35th day before
34 the date of an election of directors, notice of the
35 election shall be published one time in a newspaper
36 with general circulation in the district. . . .

1 Revisor's Note

2 Section 4.04, Chapter 8, Acts of the 71st
3 Legislature, Regular Session, 1989, provides that the
4 notice of an election of directors shall comply with
5 all requirements of the Election Code. The revised law
6 omits the provision because the Election Code applies
7 to the election on its own terms. Chapter 4, Election
8 Code, which imposes requirements regarding election
9 notices, applies under Section 4.001 of that chapter
10 to a notice of each general and special election,
11 including a notice of an election of directors. The
12 omitted law reads:

13 Sec. 4.04. . . . The notice shall
14 comply with all requirements of the
15 Election Code.

16 Revised Law

17 Sec. 1082.053. BALLOT PETITION. A person seeking to have
18 the person's name printed on the ballot as a candidate for director
19 must file with the board secretary a petition requesting that
20 action. The petition must:

21 (1) be signed by at least 10 registered voters of the
22 district, as determined by the most recent official list of
23 registered voters, who:

24 (A) reside in the appropriate single-member
25 district, if the person seeks to become a candidate to represent a
26 single-member district; or

27 (B) reside anywhere in the district, if the
28 person seeks to become a candidate to represent the district at
29 large;

30 (2) be filed not later than the 31st day before the
31 date of the election; and

32 (3) specify the single-member district the person
33 seeks to represent or specify that the candidate seeks to represent
34 the district at large. (Acts 71st Leg., R.S., Ch. 8, Sec. 4.05.)

1 Source Law

2 Sec. 4.05. (a) A person who wishes to have his
3 name printed on the ballot as a candidate for director
4 must file with the secretary of the board of directors
5 a petition signed by at least 10 registered voters of
6 the district asking that his name be placed on the
7 ballot. If the person is a candidate for a
8 single-member district, the signatures must be of 10
9 registered voters who reside in that district. If the
10 person is a candidate for an at-large position, the 10
11 registered voters may reside anywhere within the
12 hospital district. The determination of whether a
13 person is a registered voter of the district shall be
14 based on the most recent official lists of registered
15 voters.

16 (b) The petition must be filed with the
17 secretary not later than the 31st day before the date
18 of the election.

19 (c) The petition must specify the single-member
20 district the candidate wishes to represent or specify
21 that the candidate wishes to represent the district at
22 large.

23 Revised Law

24 Sec. 1082.054. QUALIFICATIONS FOR OFFICE. (a) To be
25 eligible to be a candidate for or to serve as a director, a person
26 must be:

27 (1) a resident of the district; and

28 (2) a qualified voter.

29 (b) A person who is elected from a single-member district or
30 who is appointed to fill a vacancy for a single-member district must
31 reside in that single-member district.

32 (c) A district employee may not serve as a director. (Acts
33 71st Leg., R.S., Ch. 8, Secs. 4.03 (part), 4.06.)

34 Source Law

35 Sec. 4.03. (a) . . . A candidate for a
36 single-member district must reside within that
37 district. . . .

38 Sec. 4.06. (a) To be eligible to be a candidate
39 for or to serve as a director, a person must be:

40 (1) a resident of the district; and

41 (2) a qualified voter.

42 (b) In addition to the qualifications required
43 by Subsection (a) of this section, a person who is
44 elected from a single-member district or who is
45 appointed to fill a vacancy for a single-member
46 district must be a resident of that district.

47 (c) An employee of the district may not serve as
48 a director.

49 Revised Law

50 Sec. 1082.055. BOARD VACANCY. If a vacancy occurs in the

1 office of director, the remaining directors shall appoint a
2 director for the unexpired term. (Acts 71st Leg., R.S., Ch. 8, Sec.
3 4.07.)

4 Source Law

5 Sec. 4.07. A vacancy in the office of director
6 shall be filled for the unexpired term by appointment

8 Revised Law

9 Sec. 1082.056. OFFICERS. (a) The board shall elect a
10 president and a vice president from among its members.

11 (b) The board shall appoint a secretary, who need not be a
12 director.

13 (c) Each officer of the board serves for a term of one year.

14 (d) The board shall fill a vacancy in a board office for the
15 unexpired term. (Acts 71st Leg., R.S., Ch. 8, Secs. 4.08, 4.09.)

16 Source Law

17 Sec. 4.08. The board shall elect from among its
18 members a president and a vice-president. The board
19 shall also appoint a secretary. The secretary need not
20 be a director.

21 Sec. 4.09. (a) Each officer of the board serves
22 for a term of one year.

23 (b) The board shall fill a vacancy in a board
24 office for the unexpired term.

25 Revised Law

26 Sec. 1082.057. COMPENSATION; EXPENSES. A director or
27 officer serves without compensation but may be reimbursed for
28 actual expenses incurred in the performance of official duties.
29 The expenses must be:

30 (1) reported in the district's records; and

31 (2) approved by the board. (Acts 71st Leg., R.S., Ch.
32 8, Sec. 4.10.)

33 Source Law

34 Sec. 4.10. Directors and officers serve without
35 compensation but may be reimbursed for actual expenses
36 incurred in the performance of official duties. Those
37 expenses must be reported in the district's minute book
38 or other district records and must be approved by the
39 board.

40 Revisor's Note

41 Section 4.10, Chapter 8, Acts of the 71st

1 Legislature, Regular Session, 1989, requires that
2 district expenses be reported in the "district's
3 minute book or other district records." The revised
4 law omits the reference to the "district's minute book"
5 because the minute book is a district record.

6 Revised Law

7 Sec. 1082.058. VOTING REQUIREMENT. A concurrence of a
8 majority of the directors voting is necessary in any matter
9 relating to district business. (Acts 71st Leg., R.S., Ch. 8, Sec.
10 4.11.)

11 Source Law

12 Sec. 4.11. A concurrence of a majority of the
13 members of the board voting is necessary in matters
14 relating to the business of the district.

16 Sec. 1082.059. DISTRICT ADMINISTRATOR. (a) The board may
17 appoint a qualified person as district administrator.

18 (b) The district administrator serves at the will of the

20 (c) Before assuming the duties of district administrator,
21 the administrator must execute a bond in an amount determined by the
22 board of not less than \$5,000 that is:

23 (1) payable to the district; and

24 (2) conditioned on the faithful performance of the
25 administrator's duties under this chapter.

26 (d) The board may pay for the bond with district money.
27 (Acts 71st Leg., R.S., Ch. 8, Secs. 4.12(a) (part), (b) (part), (c)

36 (d) Before assuming his duties, the
37 administrator shall execute a bond payable to the
38 district in the amount of not less than \$5,000 as
39 determined by the board, conditioned on the faithful
40 performance of his duties under this Act. The board may
41 pay for the bond with district funds.

1 Revised Law

2 Sec. 1082.060. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.

3 Subject to the limitations prescribed by the board, the district
4 administrator shall:

5 (1) supervise the work and activities of the district;

15 Sec. 1082.061. ASSISTANT DISTRICT ADMINISTRATOR; ATTORNEY.

16 (a) The board may appoint qualified persons as:

17 (1) the assistant district administrator; and

18 (2) the attorney for the district.

21 the compensation determined by the board. (Acts 71st Leg., R.S.,

31 the board.

32 Revised Law

33 Sec. 1082.062. APPOINTMENT OF STAFF AND EMPLOYEES. (a) The
34 board may appoint to the staff any doctors the board considers
35 necessary for the efficient operation of the district and may make
36 temporary appointments as considered necessary.

37 (b) The district may employ technicians, nurses, fiscal
38 agents, accountants, architects, additional attorneys, and other
39 necessary employees.

1 (c) The board may delegate to the district administrator the
2 authority to employ persons for the district. (Acts 71st Leg.,

15 Revised Law

16 Sec. 1082.063. RETIREMENT BENEFITS. The board may provide
17 retirement benefits for district employees by:

18 (1) establishing or administering a retirement
19 program; or

20 (2) participating in:

21 (A) the Texas County and District Retirement
22 System; or

23 (B) another statewide retirement system in which

26 Source Law

27 Sec. 4.16. The board may provide retirement
28 benefits for employees of the district by establishing
29 or administering a retirement program or by electing

35 (End of Subchapter)

36 Sections 4.02 and 4.03(d), Chapter 8, Acts of the
37 71st Legislature, Regular Session, 1989, provide for
38 and refer to the election of initial directors of the
39 district. The revised law omits the provisions as
40 executed. The omitted law reads:

41 Sec. 4.02. Directors shall be

5 SUBCHAPTER C. POWERS AND DUTIES

6 Revised Law

7 Sec. 1082.101. DISTRICT RESPONSIBILITY. The district has
8 full responsibility for:

9 (1) operating hospital facilities; and

10 (2) providing medical and hospital care for the
11 district's needy inhabitants. (Acts 71st Leg., R.S., Ch. 8, Sec.
12 5.02 (part).)

13 Source Law

14 Sec. 5.02. On creation of the district, the
15 district:

16 (1) assumes full responsibility for
17 operating hospital facilities and for furnishing
18 medical and hospital care for the district's needy
19 inhabitants;

20

21 Revisor's Note

22 Section 5.02, Chapter 8, Acts of the 71st
23 Legislature, Regular Session, 1989, provides that
24 "[o]n creation of the district," the district
25 "assumes" certain responsibilities. The revised law
26 omits "[o]n creation of the district," as executed.
27 The revised law substitutes "has" for "assumes"
28 because the obligation to assume the responsibility is
29 executed.

30 Revised Law

31 Sec. 1082.102. RESTRICTION ON GOVERNMENTAL ENTITY TAXATION
32 AND DEBT. Nolan County, the City of Sweetwater, or any other
33 governmental entity in which the district is located may not impose
34 a tax or issue bonds or other obligations for hospital purposes or
35 to provide medical care for district residents. (Acts 71st Leg.,
36 R.S., Ch. 8, Sec. 5.01(c).)

37 Source Law

38 (c) On and after creation of the district, Nolan
39 County and the City of Sweetwater and other

1 governmental entities in which the district is located
2 may not levy taxes or issue bonds or other obligations
3 for hospital purposes or for providing medical care
4 for the residents of the district.

5 Revisor's Note

6 Section 5.01(c), Chapter 8, Acts of the 71st
7 Legislature, Regular Session, 1989, provides that
8 "[o]n or after creation of the district," Nolan
9 County, the City of Sweetwater, or any other
10 governmental entity in which the district is located
11 may not levy taxes or issue bonds. The revised law
12 omits the quoted language as executed. In addition,
13 throughout this chapter, the revised law substitutes
14 "impose" for "levy" because, in this context, the
15 terms are synonymous and the former is more commonly
16 used.

17 Revised Law

18 Sec. 1082.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
19 The board shall manage, control, and administer the hospital system
20 and the district's money and resources. (Acts 71st Leg., R.S., Ch.
21 8, Sec. 5.03.)

22 Source Law

23 Sec. 5.03. The board shall manage, control, and
24 administer the hospital system and the funds and
25 resources of the district.

26 Revised Law

27 Sec. 1082.104. RULES. The board may adopt rules governing:
28 (1) the operation of the hospital and hospital system;
29 and
30 (2) the duties, functions, and responsibilities of
31 district staff and employees. (Acts 71st Leg., R.S., Ch. 8, Sec.
32 5.04.)

34 Sec. 5.04. The board may adopt rules governing
35 the operation of the hospital and hospital system and
36 the duties, functions, and responsibilities of
37 district staff and employees.

38 Revised Law

39 Sec. 1082.105. PURCHASING AND ACCOUNTING PROCEDURES. The

1 board may prescribe:

2 (1) the method of making purchases and expenditures by
3 and for the district; and

4 (2) accounting and control procedures for the
5 district. (Acts 71st Leg., R.S., Ch. 8, Sec. 5.05.)

6 Source Law

7 Sec. 5.05. (a) The board may prescribe the
8 method of making purchases and expenditures by and for
9 the district.

10 (b) The board may prescribe accounting and
11 control procedures for the district.

12 Revised Law

13 Sec. 1082.106. DISTRICT PROPERTY, FACILITIES, AND
14 EQUIPMENT. (a) The board shall determine:

15 (1) the type, number, and location of buildings
16 required to maintain an adequate hospital system; and

17 (2) the type of equipment necessary for hospital care.

18 (b) The board may:

19 (1) acquire property, including facilities and
20 equipment, for the district for use in the hospital system; and

21 (2) mortgage or pledge the property as security for
22 the payment of the purchase price.

23 (c) The board may lease hospital facilities for the
24 district.

25 (d) The board may sell or otherwise dispose of property,
26 including facilities or equipment, for the district. (Acts 71st
27 Leg., R.S., Ch. 8, Sec. 5.06.)

28 Source Law

29 Sec. 5.06. (a) The board shall determine the
30 type, number, and location of buildings required to
31 establish and maintain an adequate hospital system and
32 the type of equipment necessary for hospital care.

33 (b) The board may acquire property, facilities,
34 and equipment for the district for use in the hospital
35 system and may mortgage or pledge the property,
36 facilities, or equipment acquired as security for the
37 payment of the purchase price.

38 (c) The board may lease hospital facilities on
39 behalf of the district.

40 (d) The board may sell or otherwise dispose of
41 property, facilities, or equipment on behalf of the
42 district.

1 Revisor's Note

2 Section 5.06(a), Chapter 8, Acts of the 71st
3 Legislature, Regular Session, 1989, requires the board
4 to determine the buildings required to "establish and
5 maintain" an adequate hospital system. The revised
6 law omits the reference to establishing the hospital
7 system as executed.

8 Revised Law

9 Sec. 1082.107. EMINENT DOMAIN. (a) The district may
10 exercise the power of eminent domain to acquire a fee simple or
11 other interest in property located in district territory if the
12 interest is necessary to exercise a right or authority conferred by
13 this chapter.

14 (b) The district must exercise the power of eminent domain
15 in the manner provided by Chapter 21, Property Code, except the
16 district is not required to deposit in the trial court money or a
17 bond as provided by Section 21.021(a), Property Code.

18 (c) In a condemnation proceeding brought by the district,
19 the district is not required to:

20 (1) pay in advance or provide a bond or other security
21 for costs in the trial court;

22 (2) provide a bond for the issuance of a temporary
23 restraining order or a temporary injunction; or

24 (3) provide a bond for costs or a supersedeas bond on
25 an appeal or petition for review. (Acts 71st Leg., R.S., Ch. 8,
26 Sec. 5.09.)

27 Source Law

28 Sec. 5.09. (a) The district may exercise the
29 power of eminent domain to acquire by condemnation a
30 fee simple or other interest in property located in the
31 territory of the district if the property interest is
32 necessary to the exercise of the rights or authority
33 conferred by this Act.

34 (b) The district must exercise the power of
35 eminent domain in the manner provided by Chapter 21,
36 Property Code, but the district is not required to
37 deposit in the trial court money or a bond as provided
38 by Subsection (a), Section 21.021, Property Code.

39 (c) In a condemnation proceeding brought by the
40 district, the district is not required to pay in
41 advance or give bond or other security for costs in the

1 trial court, to give bond for the issuance of a
2 temporary restraining order or a temporary injunction,
3 or to give bond for costs or supersedeas on an appeal
4 or writ of error.

5 Revisor's Note

6 Section 5.09(c), Chapter 8, Acts of the 71st
7 Legislature, Regular Session, 1989, refers to a "writ
8 of error." The revised law substitutes "petition for
9 review" for "writ of error" because, effective
10 September 1, 1997, the Texas Supreme Court replaced
11 the writ of error procedure with the petition for
12 review procedure. See Rule 53.1, Rules of Appellate
13 Procedure.

14 Revised Law

15 Sec. 1082.108. COST OF RELOCATING OR ALTERING PROPERTY. In
16 exercising the power of eminent domain, if the board requires
17 relocating, raising, lowering, rerouting, changing the grade, or
18 altering the construction of any railroad, highway, pipeline, or
19 electric transmission and electric distribution, telegraph, or
20 telephone line, conduit, pole, or facility, the district must bear
21 the actual cost of relocating, raising, lowering, rerouting,
22 changing the grade, or altering the construction to provide
23 comparable replacement without enhancement of facilities, after
24 deducting the net salvage value derived from the old facility.
25 (Acts 71st Leg., R.S., Ch. 8, Sec. 5.10.)

26 Source Law

27 Sec. 5.10. In exercising the power of eminent
28 domain, if the board requires relocating, raising,
29 lowering, rerouting, changing the grade, or altering
30 the construction of any railroad, highway, pipeline,
31 or electric transmission and electric distribution,
32 telegraph, or telephone lines, conduits, poles, or
33 facilities, the district must bear the actual cost of
34 relocating, raising, lowering, rerouting, changing
35 the grade, or altering the construction to provide
36 comparable replacement without enhancement of
37 facilities, after deducting the net salvage value
38 derived from the old facility.

39 Revised Law

40 Sec. 1082.109. GIFTS AND ENDOWMENTS. The board may accept
41 for the district a gift or endowment to be held in trust for any
42 purpose and under any direction, limitation, or other provision

1 prescribed in writing by the donor that is consistent with the
2 proper management of the district. (Acts 71st Leg., R.S., Ch. 8,
3 Sec. 5.14.)

4 Source Law

5 Sec. 5.14. On behalf of the district, the board
6 may accept gifts and endowments to be held in trust for
7 any purpose and under any direction, limitation, or
8 provision prescribed in writing by the donor that is
9 consistent with the proper management of the district.

10 Revised Law

11 Sec. 1082.110. CONSTRUCTION CONTRACTS. (a) The board may
12 enter into construction contracts for the district.

13 (b) The board may enter into a construction contract that
14 involves the expenditure of more than the amount provided by
15 Section 271.024, Local Government Code, only after competitive
16 bidding as provided by Subchapter B, Chapter 271, Local Government
17 Code. (Acts 71st Leg., R.S., Ch. 8, Sec. 5.07(a).)

18 Source Law

19 Sec. 5.07. (a) The board may enter into
20 construction contracts on behalf of the district, but
21 the board may enter into construction contracts that
22 involve spending more than \$10,000 only after
23 competitive bidding as provided by Subchapter B,
24 Chapter 271, Local Government Code.

25 Revisor's Note

26 (1) Section 5.07(a), Chapter 8, Acts of the 71st
27 Legislature, Regular Session, 1989, provides that the
28 district may enter into construction contracts that
29 involve spending more than \$10,000 only after
30 competitive bidding as provided by Subchapter B,
31 Chapter 271, Local Government Code. The revised law
32 omits the reference to the \$10,000 amount as
33 superseded by Section 5, Chapter 115, Acts of the 77th
34 Legislature, Regular Session, 2001, which amended
35 Section 271.024, Local Government Code, to increase
36 the contract amount for which competitive bidding is
37 required to \$25,000.

38 (2) Section 5.07(b), Chapter 8, Acts of the 71st
39 Legislature, Regular Session, 1989, provides that

1 Article 5160, Revised Statutes, applies to the
2 district's construction contracts in relation to
3 performance and payment bonds. The revised law omits
4 the reference because Article 5160 was codified as
5 Chapter 2253, Government Code, and that chapter
6 applies to hospital districts on its own terms. The
7 omitted law reads:

8 (b) Article 5160, Revised Statutes,
9 as it relates to performance and payment
10 bonds, applies to the district's
11 construction contracts.

12 Revised Law

13 Sec. 1082.111. OPERATING AND MANAGEMENT CONTRACTS. The
14 board may enter into an operating or management contract relating
15 to a hospital facility for the district. (Acts 71st Leg., R.S., Ch.
16 8, Sec. 5.08.)

17 Source Law

18 Sec. 5.08. The board may enter into operating or
19 management contracts relating to hospital facilities
20 on behalf of the district.

21 Revised Law

22 Sec. 1082.112. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
23 SERVICES. The board may contract with a political subdivision of
24 this state or with a state or federal agency for the district to:
25 (1) furnish a mobile emergency medical service; or
26 (2) provide for the investigatory or welfare needs of
27 district inhabitants. (Acts 71st Leg., R.S., Ch. 8, Sec. 5.13.)

28 Source Law

29 Sec. 5.13. The board may contract with a city,
30 county, special district, or other political
31 subdivision of the state or with a state or federal
32 agency for the district to furnish a mobile emergency
33 medical service or to provide for the investigatory or
34 welfare needs of inhabitants of the district.

35 Revisor's Note

36 Section 5.13, Chapter 8, Acts of the 71st
37 Legislature, Regular Session, 1989, refers to "a city,
38 county, special district, or other political
39 subdivision of the state." Throughout this chapter,

1 the revised law omits references to "city," "county,"
2 and "special district" in this context because each of
3 those terms is included in the meaning of "political
4 subdivision of the state."

5 Revised Law

6 Sec. 1082.113. PAYMENT FOR TREATMENT; PROCEDURES. (a)

7 When a patient who resides in the district is admitted to a district
8 facility, the district administrator may have an inquiry made into
9 the financial circumstances of:

10 (1) the patient; or

11 (2) a relative of the patient who is legally
12 responsible for the patient's support.

13 (b) The district without charge shall provide to a patient
14 who resides in the district the care and treatment that the patient
15 or a relative of the patient who is legally responsible for the
16 patient's support cannot pay.

17 (c) On determining that the patient or a relative legally
18 responsible for the patient's support can pay for all or part of the
19 care and treatment provided by the district, the district
20 administrator shall report that determination to the board, and the
21 board shall issue an order directing the patient or the relative to
22 pay the district a specified amount each week. The amount must be
23 based on the individual's ability to pay.

24 (d) The district administrator may collect money owed to the
25 district from the estate of the patient or from that of a relative
26 legally responsible for the patient's support in the manner
27 provided by law for collection of expenses of the last illness of a
28 deceased person.

29 (e) If there is a dispute relating to an individual's
30 ability to pay or if the district administrator has any doubt
31 concerning an individual's ability to pay, the board shall:

32 (1) call witnesses;

33 (2) hear and resolve the question; and

34 (3) issue a final order.

1 (f) A final order of the board may be appealed to a district
2 court in Nolan County. The substantial evidence rule applies to the
3 appeal. (Acts 71st Leg., R.S., Ch. 8, Secs. 5.11(a), (c), (d), (e),
4 (f).)

5 Source Law

6 Sec. 5.11. (a) The district shall without
7 charge supply to a patient residing in the district the
8 care and treatment that the patient or a relative of
9 the patient who is legally responsible for the
10 patient's support cannot pay.

11 (c) The administrator of the district may have
12 an inquiry made into the financial circumstances of
13 any patient residing in the district and admitted to a
14 district facility and into the financial circumstances
15 of a relative of the patient who is legally responsible
16 for the patient's support.

17 (d) On finding that the patient or a relative of
18 the patient legally responsible for the patient's
19 support can pay for all or any part of the care and
20 treatment provided by the district, the administrator
21 shall report that finding to the board, and the board
22 shall issue an order directing the patient or the
23 relative to pay the district each week a specified
24 amount that the individual is able to pay.

25 (e) The administrator may collect money owed to
26 the district from the estate of the patient or from
27 that of a relative who was legally responsible for the
28 patient's support in the manner provided by law for
29 collection of expenses in the last illness of a
30 deceased person.

31 (f) If there is a dispute relating to an
32 individual's ability to pay or if the administrator has
33 any doubt concerning an individual's ability to pay,
34 the board shall call witnesses, hear and resolve the
35 question, and issue a final order. An appeal from a
36 final order of the board must be made to a district
37 court in the county in which the district is located
38 and the substantial evidence rule applies.

39 Revisor's Note

40 (1) Section 5.11(b), Chapter 8, Acts of the 71st
41 Legislature, Regular Session, 1989, requires the
42 district to adopt an application procedure for
43 assistance eligibility. The revised law omits the
44 provision because it duplicates provisions in Sections
45 61.053(a) and (b), Health and Safety Code, which apply
46 to the district and detail the application procedure.
47 The omitted law reads:

48 (b) Not later than the beginning of
49 each operating year, the district shall
50 adopt an application procedure to determine
51 eligibility for assistance, as provided by
52 Section 10.03, Indigent Health Care and

1 Treatment Act (Article 4438f, Vernon's
2 Texas Civil Statutes).

3 (2) Section 5.11(f), Chapter 8, Acts of the 71st
4 Legislature, Regular Session, 1989, authorizes the
5 appeal of a final order to be made to the district
6 court "in the county in which the district is located."
7 The revised law substitutes "Nolan County" for the
8 quoted language because Nolan County is the county in
9 which the district is located.

10 Revised Law

11 Sec. 1082.114. REIMBURSEMENT FOR SERVICES. (a) The board
12 shall require a county, municipality, or public hospital located
13 outside the district to reimburse the district for the district's
14 care and treatment of a sick or injured person of that county,
15 municipality, or public hospital as provided by Chapter 61, Health
16 and Safety Code.

17 (b) The board shall require the sheriff of Nolan County or
18 the police chief of the City of Sweetwater, as appropriate, to
19 reimburse the district for the district's care and treatment of a
20 person who is confined in a jail facility of Nolan County or the
21 City of Sweetwater, as appropriate, and is not a district resident.

22 (c) The board may contract with the state or federal
23 government for that government to reimburse the district for
24 treatment of a sick or injured person. (Acts 71st Leg., R.S., Ch.
25 8, Sec. 5.12.)

26 Source Law

27 Sec. 5.12. (a) The board shall require
28 reimbursement from a county, city, or public hospital
29 located outside the boundaries of the district for the
30 district's care and treatment of a sick, diseased, or
31 injured person of that county, city, or public
32 hospital as provided by the Indigent Health Care and
33 Treatment Act (Article 4438f, Vernon's Texas Civil
34 Statutes).

35 (b) The board shall require reimbursement from
36 the sheriff or police chief of Nolan County and the
37 City of Sweetwater for the district's care and
38 treatment of a person confined in a jail facility of
39 Nolan County and the City of Sweetwater who is not a
40 resident of the district.

41 (c) The board may contract with the state or
42 federal government for the state or federal government
43 to reimburse the district for treatment of a sick,
44 diseased, or injured person.

1 Revisor's Note

2 (1) Section 5.12(a), Chapter 8, Acts of the 71st
3 Legislature, Regular Session, 1989, refers to a
4 "city." The revised law substitutes "municipality"
5 for "city" because in context the terms are
6 equivalent, and "municipality" is the term used by the
7 Local Government Code.

8 (2) Sections 5.12(a) and (c), Chapter 8, Acts of
9 the 71st Legislature, Regular Session, 1989, refer to
10 a "sick, diseased, or injured person." The revised law
11 omits the references to "diseased" because it is
12 included in the meaning of "sick."

13 (3) Section 5.12(a), Chapter 8, Acts of the 71st
14 Legislature, Regular Session, 1989, refers to the
15 Indigent Health Care and Treatment Act (Article 4438f,
16 Vernon's Texas Civil Statutes). That statute was
17 codified in 1989 as Chapter 61, Health and Safety Code.
18 The revised law is drafted accordingly.

19 Revised Law

20 Sec. 1082.115. AUTHORITY TO SUE AND BE SUED. The board may
21 sue and be sued on behalf of the district. (Acts 71st Leg., R.S.,
22 Ch. 8, Sec. 5.15.)

23 Source Law

24 Sec. 5.15. The board may sue and be sued on
25 behalf of the district.

30 shall prepare a proposed annual budget for the district.

31 (b) The proposed budget must contain a complete financial
32 statement, including a statement of:

- 33 (1) the outstanding obligations of the district;

35 district fund;

1 (3) the amount of money received by the district from
2 all sources during the previous year;

10 Leg., R.S., Ch. 8, Sec. 6.04.)

11 Source Law

12 Sec. 6.04. (a) The administrator of the
13 district shall prepare a proposed annual budget for
14 the district.

15 (b) The proposed budget must contain a complete
16 financial statement, including a statement of:

17 (1) the outstanding obligations of the
18 district;

20 credit of each fund of the district;

21 (3) the amount of money received by the
22 district from all sources during the previous year;

23 (4) the amount of money available to the
24 district from all sources during the ensuing year;

25 (5) the amount of the balances expected at
26 the end of the year in which the budget is being
27 prepared;

28 (6) the estimated amount of revenues and
29 balances available to cover the proposed budget; and

30 (7) the estimated tax rate that will be
31 required.

32 Revised Law

33 Sec. 1082.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
34 The board shall hold a public hearing on the proposed annual budget.

35 (b) The board shall publish notice of the hearing in a
36 newspaper of general circulation in the district not later than the
37 10th day before the date of the hearing.

38 (c) Any district resident is entitled to be present and
39 participate at the hearing.

40 (d) At the conclusion of the hearing, the board shall adopt
41 a budget by acting on the budget proposed by the district
42 administrator. The board may make any changes in the proposed
43 budget that the board judges to be in the interests of the
44 taxpayers.

1 (e) The budget is effective only after adoption by the
2 board. (Acts 71st Leg., R.S., Ch. 8, Sec. 6.05.)

3 Source Law

4 Sec. 6.05. (a) The board shall hold a public
5 hearing on the proposed annual budget.

6 (b) The board shall publish notice of the
7 hearing in a newspaper of general circulation in the
8 district not later than the 10th day before the date of
9 the hearing.

10 (c) Any resident of the district is entitled to
11 be present and participate at the hearing.

12 (d) At the conclusion of the hearing, the board
13 shall adopt a budget by acting on the budget proposed
14 by the administrator. The board may make any changes in
15 the proposed budget that in its judgment the interests
16 of the taxpayers demand.

17 (e) The budget is effective only after adoption
18 by the board.

19 Revised Law

20 Sec. 1082.153. AMENDMENTS TO BUDGET. After the annual
21 budget is adopted, the budget may be amended on the board's
22 approval. (Acts 71st Leg., R.S., Ch. 8, Sec. 6.06.)

23 Source Law

24 Sec. 6.06. After adoption, the annual budget
25 may be amended on the board's approval.

26 Revised Law

27 Sec. 1082.154. RESTRICTION ON EXPENDITURES. Money may be
28 spent only for an expense included in the budget or an amendment to
29 the budget. (Acts 71st Leg., R.S., Ch. 8, Sec. 6.07.)

30 Source Law

31 Sec. 6.07. Money may not be spent for an expense
32 not included in the annual budget or an amendment to
33 it.

34 Revised Law

35 Sec. 1082.155. FISCAL YEAR. (a) The district operates
36 according to a fiscal year established by the board.

37 (b) The fiscal year may not be changed:

38 (1) during a period that revenue bonds of the district
39 are outstanding; or

40 (2) more than once in a 24-month period. (Acts 71st
41 Leg., R.S., Ch. 8, Sec. 6.01.)

42 Source Law

43 Sec. 6.01. (a) The district operates on the

1 fiscal year established by the board.

2 (b) The fiscal year may not be changed when
3 revenue bonds of the district are outstanding or more
4 than once in a 24-month period.

5 Revised Law

6 Sec. 1082.156. ANNUAL AUDIT. The board annually shall have
7 an audit made of the district's financial condition. (Acts 71st
8 Leg., R.S., Ch. 8, Sec. 6.02.)

9 Source Law

10 Sec. 6.02. Annually, the board shall have an
11 audit made of the financial condition of the district.

12 Revised Law

13 Sec. 1082.157. INSPECTION OF ANNUAL AUDIT AND DISTRICT
14 RECORDS. The annual audit and other district records are open to
15 inspection during regular business hours at the district's
16 principal office. (Acts 71st Leg., R.S., Ch. 8, Sec. 6.03.)

17 Source Law

18 Sec. 6.03. The annual audit and other district
19 records are open to inspection during regular business
20 hours at the principal office of the district.

21 Revised Law

22 Sec. 1082.158. FINANCIAL REPORT. As soon as practicable
23 after the close of the fiscal year, the district administrator
24 shall prepare for the board:

- 25 (1) a sworn statement of the amount of district money;
26 and
27 (2) an account of the disbursements of that money.
28 (Acts 71st Leg., R.S., Ch. 8, Sec. 6.08.)

29 Source Law

30 Sec. 6.08. As soon as practicable after the
31 close of the fiscal year, the administrator shall
32 prepare for the board a sworn statement of the amount
33 of money that belongs to the district and an account of
34 the disbursements of that money.

35 Revised Law

36 Sec. 1082.159. DEPOSITORY. (a) The board shall select at
37 least one bank to serve as a depository for district money.

38 (b) District money, other than money invested as provided by
39 Section 1082.160(b) and money transmitted to a bank of payment as a
40 trustee for bonds or obligations issued or assumed by the district,

1 shall be deposited as received with the depository bank and shall
2 remain on deposit. This subsection does not limit the power of the
3 board to place a portion of district money on time deposit or to
4 purchase certificates of deposit.

5 (c) The district may not deposit money with a bank in an
6 amount that exceeds the maximum amount secured by the Federal
7 Deposit Insurance Corporation unless the bank first executes a bond
8 or other security in an amount sufficient to secure from loss the
9 district money that exceeds the amount secured by the Federal
10 Deposit Insurance Corporation. (Acts 71st Leg., R.S., Ch. 8, Sec.
11 6.10.)

12 Source Law

13 Sec. 6.10. (a) The board shall name at least one
14 bank to serve as depository for district funds.

15 (b) District funds, other than those invested as
16 provided by Subsection (b) of Section 6.09 of this Act
17 and those transmitted to a bank of payment as a trustee
18 for bonds or obligations issued or assumed by the
19 district, shall be deposited as received with the
20 depository bank and must remain on deposit. This
21 subsection does not limit the power of the board to
22 place a portion of district funds on time deposit or to
23 purchase certificates of deposit.

24 (c) Before the district deposits funds in a bank
25 in an amount that exceeds the maximum amount secured by
26 the Federal Deposit Insurance Corporation, the bank
27 must execute a bond or other security in an amount
28 sufficient to secure from loss the district funds that
29 exceed the amount secured by the Federal Deposit
30 Insurance Corporation.

31 Revised Law

32 Sec. 1082.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
33 Except as provided by Sections 1082.110, 1082.201, 1082.204, and
34 1082.205, the district may not incur a debt payable from district
35 revenue other than the revenue on hand or to be on hand in the
36 current and immediately following district fiscal years.

37 (b) The board may invest operating, depreciation, or
38 building reserves only in funds or securities specified by Chapter
39 2256, Government Code. (Acts 71st Leg., R.S., Ch. 8, Sec. 6.09.)

40 Source Law

41 Sec. 6.09. (a) Except as provided by Subsection
42 (a), Section 5.07, and Sections 7.01, 7.04, and 7.05 of
43 this Act, the district may not incur a debt payable
44 from revenues of the district other than the revenues
45 on hand or to be on hand in the current and immediately

1 following fiscal year of the district.

2 (b) The board may invest operating,
3 depreciation, or building reserves only in funds or
4 securities specified by Article 836 or 837, Revised
5 Statutes.

6 Revisor's Note

7 Section 6.09(b), Chapter 8, Acts of the 71st
8 Legislature, Regular Session, 1989, refers to Articles
9 836 and 837, Revised Statutes. Those articles were
10 impliedly repealed by the enactment of the Public
11 Funds Investment Act of 1987 (Article 842a-2, Vernon's
12 Texas Civil Statutes), which was revised in 1993 as
13 Chapter 2256, Government Code. Chapter 2256 defines
14 "local government" to include hospital districts and
15 applies to the district by its own terms. The revised
16 law therefore substitutes a reference to Chapter 2256,
17 Government Code, for the reference to Articles 836 and
18 837.

20 SUBCHAPTER E. BONDS

21 Revised Law

22 Sec. 1082.201. GENERAL OBLIGATION BONDS. The board may
23 issue and sell general obligation bonds authorized by an election
24 in the name and on the faith and credit of the district to:

25 (1) purchase, construct, acquire, repair, or renovate
26 buildings or improvements; or

27 (2) equip buildings or improvements for hospital
28 purposes. (Acts 71st Leg., R.S., Ch. 8, Sec. 7.01.)

29 Source Law

30 Sec. 7.01. The board may issue and sell bonds
31 authorized by an election in the name and on the faith
32 and credit of the hospital district to:

33 (1) purchase, construct, acquire, repair,
34 or renovate buildings or improvements; or

35 (2) equip buildings or improvements for
36 hospital purposes.

37 Revisor's Note

38 Section 7.01, Chapter 8, Acts of the 71st
39 Legislature, Regular Session, 1989, provides that the
40 board may issue and sell bonds in the name and on the

1 faith and credit of the district. Because the type of
2 bonds described by Section 7.01 are known as "general
3 obligation bonds," the revised law is drafted
4 accordingly.

5 Revised Law

6 Sec. 1082.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
7 the time general obligation bonds are issued by the district under
8 Section 1082.201, the board shall impose an ad valorem tax at a rate
9 sufficient to create an interest and sinking fund to pay the
10 principal of and interest on the bonds as the bonds mature.

11 (b) The tax required by this section together with any other
12 ad valorem tax the district imposes may not in any year exceed the
13 limit approved by the voters at the election authorizing the
14 imposition of the tax. (Acts 71st Leg., R.S., Ch. 8, Sec. 7.02.)

15 Source Law

16 Sec. 7.02. (a) At the time the bonds are issued
17 by the district, the board shall levy a tax.

18 (b) The tax must be sufficient to create an
19 interest and sinking fund to pay the principal of and
20 interest on the bonds as they mature.

21 (c) In any year, the tax together with any other
22 tax the district levies may not exceed the limit
23 approved by the voters at the election authorizing the
24 levy of taxes.

25 Revisor's Note

26 Section 7.02, Chapter 8, Acts of the 71st
27 Legislature, Regular Session, 1989, requires the
28 district to levy a tax to pay the principal of and
29 interest on bonds. The revised law specifies that the
30 tax is an "ad valorem" tax because it is clear from the
31 source law that the tax is a property tax and "ad
32 valorem" is the term most commonly used to refer to a
33 property tax.

34 Revised Law

35 Sec. 1082.203. GENERAL OBLIGATION BOND ELECTION. (a) The
36 district may issue general obligation bonds only if the bonds are
37 authorized by a majority of the district voters voting at an
38 election held for that purpose.

1 (b) The board may order a bond election.

2 (c) The order calling the election must specify:

3 (1) the nature and date of the election;

4 (2) the hours during which the polls will be open;

5 (3) the location of the polling places;

6 (4) the amount of the bonds to be authorized; and

7 (5) the maximum maturity of the bonds.

8 (d) Notice of a bond election shall be given as provided by
9 Section 1251.003, Government Code.

10 (e) The board shall declare the results of the election.
11 (Acts 71st Leg., R.S., Ch. 8, Sec. 7.03.)

12 Source Law

13 Sec. 7.03. (a) The district may issue general
14 obligation bonds only if the bonds are authorized by a
15 majority of the qualified voters of the district
16 voting at an election called and held for that purpose.

17 (b) The board may order a bond election. The
18 order calling the election must state the nature and
19 date of the election, the hours during which the polls
20 will be open, the location of the polling places, the
21 amount of bonds to be authorized, and the maximum
22 maturity of the bonds.

23 (c) Notice of a bond election shall be given as
24 provided by Article 704, Revised Statutes.

25 (d) The board shall canvass the returns and
26 declare the results of the election.

27 Revisor's Note

28 (1) Section 7.03(a), Chapter 8, Acts of the 71st
29 Legislature, Regular Session, 1989, refers to a
30 majority vote of the "qualified" voters of the
31 district. The revised law omits "qualified" as
32 unnecessary in this context because Chapter 11,
33 Election Code, governs eligibility to vote in an
34 election in this state and allows only "qualified"
35 voters who are residents of the territory covered by
36 the election to vote in an election.

37 (2) Section 7.03(a), Chapter 8, Acts of the 71st
38 Legislature, Regular Session, 1989, refers to an
39 election "called and held." The revised law omits the
40 reference to "calling" an election because, in this
41 context, "calling" an election is included in the

1 meaning of "holding" an election. Under Chapter 3,
2 Election Code, all elections must be ordered (called)
3 before they may be held.

4 (3) Section 7.03(c), Chapter 8, Acts of the 71st
5 Legislature, Regular Session, 1989, refers to Article
6 704, Revised Statutes, which specifies certain notice
7 requirements for a bond election. That provision was
8 codified in 1999 as Section 1251.003, Government Code.
9 The revised law is drafted accordingly.

10 (4) Section 7.03(d), Chapter 8, Acts of the 71st
11 Legislature, Regular Session, 1989, provides that
12 "[t]he board shall canvass the returns" of a bond
13 election. The revised law omits this requirement
14 because it duplicates Section 67.002, Election Code,
15 which requires the governing body of a political
16 subdivision that orders an election to canvass the
17 returns.

18 Revised Law

19 Sec. 1082.204. REVENUE BONDS. (a) The board may issue
20 revenue bonds to:

21 (1) purchase, construct, acquire, repair, equip, or
22 renovate buildings or improvements for hospital purposes; or

23 (2) acquire sites to be used for hospital purposes.

24 (b) The bonds must be payable from and secured by a pledge of
25 all or part of the revenue derived from the operation of the
26 district's hospital system.

27 (c) The bonds may be additionally secured by a mortgage or
28 deed of trust lien on all or part of district property.

29 (d) The bonds must be issued in the manner provided by
30 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
31 Health and Safety Code, for issuance of revenue bonds by a county
32 hospital authority. (Acts 71st Leg., R.S., Ch. 8, Sec. 7.04.)

33 Source Law

34 Sec. 7.04. (a) The board may issue revenue bonds
35 to:

1 (1) purchase, construct, acquire, repair,
2 equip, or renovate buildings or improvements for
3 hospital purposes; or

4 (2) acquire sites to be used for hospital
5 purposes.

6 (b) The bonds must be payable from and secured
7 by a pledge of all or part of the revenues derived from
8 the operation of the district's hospital system. The
9 bonds may be additionally secured by a mortgage or deed
10 of trust lien on all or part of district property.

11 (c) The bonds must be issued in the manner
12 provided by Sections 8, 10, 11, 12, and 13, County
13 Hospital Authority Act (Article 4494r, Vernon's Texas
14 Civil Statutes), for issuance of revenue bonds by
15 county hospital authorities.

16 Revisor's Note

17 Section 7.04(c), Chapter 8, Acts of the 71st
18 Legislature, Regular Session, 1989, refers to Sections
19 8, 10, 11, 12, and 13, County Hospital Authority Act
20 (Article 4494r, Vernon's Texas Civil Statutes). Those
21 provisions were codified in 1989 as Sections 264.042,
22 264.043, 264.046, 264.047, 264.048, and 264.049,
23 Health and Safety Code. The revised law is drafted
24 accordingly.

25 Revised Law

26 Sec. 1082.205. REFUNDING BONDS. (a) The board may issue
27 refunding bonds to refund outstanding indebtedness issued or
28 assumed by the district.

29 (b) Refunding bonds may be:

30 (1) sold, with the proceeds of the refunding bonds
31 applied to the payment of the outstanding indebtedness; or

32 (2) exchanged wholly or partly for not less than a
33 similar principal amount of outstanding indebtedness. (Acts 71st
34 Leg., R.S., Ch. 8, Secs. 7.05(a) (part), (c) (part).)

35 Source Law

36 Sec. 7.05. (a) Refunding bonds of the district
37 may be issued to refund and pay off an outstanding
38 indebtedness the district has issued or assumed, and,
39

40 (c) The refunding bonds may be sold and the
41 proceeds applied to the payment of outstanding
42 indebtedness or may be exchanged in whole or in part
43 for not less than a similar principal amount of
44 outstanding indebtedness. . . .

1 Revisor's Note

2 (1) Section 7.05(a), Chapter 8, Acts of the 71st
3 Legislature, Regular Session, 1989, authorizes the
4 district to issue refunding bonds to "refund"
5 outstanding indebtedness issued or assumed by the
6 district, including a specific series of bonds issued
7 by Nolan County and the City of Sweetwater and assumed
8 by the district after the district was created (see
9 Section 5.01, Chapter 8, Acts of the 71st Legislature,
10 Regular Session, 1989). The revised law omits the
11 reference to the specific series of bonds as
12 unnecessary. The language authorizing the district to
13 issue refunding bonds to refund any outstanding
14 indebtedness assumed by the district is sufficient to
15 authorize the district to issue refunding bonds in
16 connection with the specific series of bonds cited.
17 The omitted law reads:

18 (a) . . . in particular, the Nolan
19 County--City of Sweetwater, Texas Hospital
20 Board First Mortgage Revenue Bonds, Series
21 1975, which may be refunded by the issuance
22 of the district's general obligation
23 refunding bonds payable from the ad valorem
24 tax voted by the district.

25 (2) Sections 7.05(b) and (c), Chapter 8, Acts of
26 the 71st Legislature, Regular Session, 1989, require
27 the district to issue refunding bonds in the manner
28 prescribed by Article 717k-3 (Vernon's Texas Civil
29 Statutes) and, for refunding bonds that will be sold,
30 to issue the bonds and to make payments on the bonds in
31 the manner prescribed by Article 717k (Vernon's Texas
32 Civil Statutes). Articles 717k and 717k-3 were
33 codified in 1999 as Chapter 1207, Government Code. The
34 revised law omits the provisions because Chapter 1207,
35 Government Code, applies to the district by its own
36 terms under Section 1207.001, Government Code. The
37 omitted law reads:

1 (b) The bonds must be issued in the
2 manner provided by Chapter 784, Acts of the
3 61st Legislature, Regular Session, 1969
4 (Article 717k-3, Vernon's Texas Civil
5 Statutes).

6 (c) . . . If the refunding bonds are
7 to be sold and the proceeds applied to the
8 payment of outstanding indebtedness, the
9 refunding bonds must be issued and payments
10 made in the manner provided by Chapter 503,
11 Acts of the 54th Legislature, Regular
12 Session, 1955 (Article 717k, Vernon's Texas
13 Civil Statutes).

14 Revised Law

15 Sec. 1082.206. MATURITY OF BONDS. District bonds must
16 mature not later than 40 years after the date of issuance. (Acts
17 71st Leg., R.S., Ch. 8, Sec. 7.06 (part).)

18 Source Law

19 Sec. 7.06. District bonds must mature not more
20 than 40 years after the date of their issuance and
21

22 Revisor's Note

23 Section 7.06, Chapter 8, Acts of the 71st
24 Legislature, Regular Session, 1989, provides that
25 district bonds must bear interest at a rate not to
26 exceed that provided by Chapter 3, Acts of the 61st
27 Legislature, Regular Session, 1969 (Article 717k-2,
28 Vernon's Texas Civil Statutes). The revised law omits
29 the provision because the maximum interest rate noted
30 in Chapter 3 was revised in 1999 as Section 1204.006,
31 Government Code, and Section 1204.006 applies to the
32 district on its own terms under Section 1204.001,
33 Government Code. The omitted law reads:

34 Sec. 7.06. [District bonds] . . .
35 must bear interest at a rate not to exceed
36 that provided by Chapter 3, Acts of the 61st
37 Legislature, Regular Session, 1969 (Article
38 717k-2, Vernon's Texas Civil Statutes).

39 Revised Law

40 Sec. 1082.207. EXECUTION OF BONDS. (a) The board president
41 shall execute the district's bonds in the district's name.

42 (b) The board secretary shall countersign the bonds in the
43 manner provided by Chapter 618, Government Code. (Acts 71st Leg.,
44 R.S., Ch. 8, Sec. 7.07.)

1 because they duplicate, in substance, Chapter 1202,
2 Government Code. Section 1202.003(a), Government
3 Code, requires that bonds be submitted to the attorney
4 general. Section 1202.003(b), Government Code,
5 provides for approval of the bonds by the attorney
6 general and requires the attorney general to submit
7 the approved bonds to the comptroller for
8 registration. Section 1202.005, Government Code,
9 requires registration of the bonds by the comptroller.
10 Section 1202.006, Government Code, provides that after
11 approval and registration the bonds are incontestable
12 and binding obligations. Chapter 1202, Government
13 Code, applies to district bonds by application of
14 Section 1202.001, Government Code. The omitted law
15 reads:

16 Sec. 7.08. (a) District bonds are
17 subject to the same requirements with
18 regard to approval by the attorney general
19 and registration by the comptroller of
20 public accounts as the law provides for
21 approval and registration of bonds issued
22 by counties.

23 (b) On approval by the attorney
24 general and registration by the comptroller
25 of public accounts, the bonds are
26 incontestable for any cause.

27 (2) Section 7.09, Chapter 8, Acts of the 71st
28 Legislature, Regular Session, 1989, provides that
29 district bonds are legal and authorized investments,
30 as provided by the Bond Procedures Act of 1981 (Article
31 717k-6, Vernon's Texas Civil Statutes). The relevant
32 part of Article 717k-6 was revised in 1999 as Section
33 1201.041, Government Code. The revised law omits the
34 reference to Article 717k-6 because Section 1201.041,
35 Government Code, applies to district bonds on its own
36 terms under Section 1201.002, Government Code. The
37 omitted law reads:

38 Sec. 7.09. District bonds and
39 indebtedness assumed by the district are
40 legal and authorized investments as
41 provided in the Bond Procedures Act of 1981

1 (Article 717k-6, Vernon's Texas Civil
2 Statutes).

3 (3) Section 7.10, Chapter 8, Acts of the 71st
4 Legislature, Regular Session, 1989, provides that
5 district bonds may secure deposits of public funds of
6 the state or public agencies of the state, as provided
7 in the Bond Procedures Act of 1981 (Article 717k-6,
8 Vernon's Texas Civil Statutes). The revised law omits
9 the provision as it relates to deposits of state funds
10 as impliedly repealed by Section 404.0221, Government
11 Code (enacted in 1995), which lists eligible
12 collateral for deposits of state funds by the
13 comptroller. As to deposits of other funds, this
14 provision duplicates Chapter 2257, Government Code,
15 which governs eligible collateral for deposits of
16 funds of other public agencies, including political
17 subdivisions, and permits those deposits to be secured
18 by obligations issued by hospital districts. The
19 reference to the Bond Procedures Act of 1981 is
20 obsolete. The act was codified in 1999 as Chapter
21 1201, Government Code, and the relevant substance was
22 omitted in that codification as impliedly repealed by
23 the provisions cited in this note (see Revisor's Note
24 (3) to Section 1201.041, Government Code). The
25 omitted law reads:

26 Sec. 7.10. District bonds are
27 eligible to secure deposits of public
28 funds, as provided in the Bond Procedures
29 Act of 1981 (Article 717k-6, Vernon's Texas
30 Civil Statutes), of the state and of cities,
31 counties, school districts, and other
32 political subdivisions of the state. The
33 bonds are lawful and sufficient security
34 for deposits to the extent of their value.

36 SUBCHAPTER F. TAXES

37 Revised Law

38 Sec. 1082.251. IMPOSITION OF AD VALOREM TAX. (a) The board
39 may impose a tax on all property in the district subject to district

1 taxation.

2 (b) The tax may be used to pay:

3 (1) indebtedness issued or assumed by the district;
4 and

5 (2) the maintenance and operating expenses of the
6 district.

7 (c) The district may not impose a tax to pay the principal of
8 or interest on revenue bonds issued under this chapter. (Acts 71st
9 Leg., R.S., Ch. 8, Secs. 8.01(a) (part), (c), (d), 8.02(b).)

10 Source Law

11 Sec. 8.01. (a) The board may annually levy taxes
12

13 (c) The taxes may be used to pay:
14 (1) the indebtedness issued or assumed by
15 the district; and
16 (2) the maintenance and operating expenses
17 of the district.

18 (d) The district may not levy taxes to pay the
19 principal of or interest on revenue bonds issued under
20 this Act.

21 [Sec. 8.02]

22 (b) The board shall levy taxes on all property
23 in the district subject to hospital district taxation.

24 Revised Law

25 Sec. 1082.252. TAX RATE. (a) The board may impose the tax
26 at a rate not to exceed the limit approved by the voters at the
27 election authorizing the imposition of the tax.

28 (b) The tax rate for all purposes may not exceed 75 cents on
29 each \$100 valuation of all taxable property in the district.

30 (c) In setting the tax rate, the board shall consider the
31 income of the district from sources other than taxation. (Acts 71st
32 Leg., R.S., Ch. 8, Secs. 8.01(a) (part), (b), 8.03 (part).)

33 Source Law

34 Sec. 8.01. (a) [The board may annually levy
35 taxes] in an amount not to exceed the limit approved by
36 the voters at the election authorizing the levy of
37 taxes.

38 (b) The tax rate for all purposes may not exceed
39 75 cents on each \$100 valuation of all taxable property
40 in the district.

41 Sec. 8.03. In setting the tax rate, the board
42 shall take into consideration the income of the
43 district from sources other than taxation. . . .

1 Revisor's Note

2 Section 8.03, Chapter 8, Acts of the 71st
3 Legislature, Regular Session, 1989, requires the board
4 to levy the tax and to certify the tax levy to the tax
5 assessor-collector. The revised law omits that
6 provision because Section 26.05(a), Tax Code, requires
7 the governing body of a taxing unit to adopt a tax rate
8 for the current tax year and to notify the tax assessor
9 of that rate. The omitted law reads:

10 Sec. 8.03. . . . On determination of
11 the amount of tax required to be levied, the
12 board shall levy the tax and certify the tax
13 levy to the tax assessor-collector.

14 Revised Law

15 Sec. 1082.253. TAX ASSESSOR-COLLECTOR. The board may
16 provide for the appointment of a tax assessor-collector for the
17 district or may contract for the assessment and collection of taxes
18 as provided by the Tax Code. (Acts 71st Leg., R.S., Ch. 8, Sec.
19 8.04(b).)

20 Source Law

21 (b) The board may provide for the appointment of
22 a tax assessor-collector for the district or may
23 contract for the assessment and collection of taxes as
24 provided by the Tax Code.

25 Revisor's Note
26 (End of Subchapter)

27 (1) Section 8.02(a), Chapter 8, Acts of the 71st
28 Legislature, Regular Session, 1989, provides that the
29 board may levy taxes for the entire year in which the
30 district is created. The revised law omits that
31 provision as executed. The omitted law reads:

32 Sec. 8.02. (a) The board may levy
33 taxes for the entire year in which the
34 district is created.

35 (2) Section 8.04(a), Chapter 8, Acts of the 71st
36 Legislature, Regular Session, 1989, provides that the
37 Tax Code governs the appraisal, assessment, and
38 collection of district taxes. The revised law omits
39 this provision because Section 1.02, Tax Code,

1 requires all taxing units of government to administer
2 the assessment and collection of an ad valorem tax in
3 conformity with Title 1, Tax Code. The omitted law
4 reads:

5 Sec. 8.04. (a) The Tax Code governs
6 the appraisal, assessment, and collection
7 of district taxes.

8 Revisor's Note
9 (End of Chapter)

10 Sections 5.01(a) and (b) and 5.02(2), Chapter 8,
11 Acts of the 71st Legislature, Regular Session, 1989,
12 require the Nolan County--City of Sweetwater, Texas
13 Hospital Board to transfer certain land, buildings,
14 improvements, equipment, funds, and taxes to the
15 district after the district is created and to provide
16 for the assumption of debt, including a specific
17 series of bonds, by the district on creation. The
18 revised law omits the provisions as executed. The
19 omitted law reads:

20 Sec. 5.01. (a) On creation of the
21 district, the Nolan County--City of
22 Sweetwater, Texas Hospital Board shall
23 convey or transfer to the district:

24 (1) title to land, buildings,
25 improvements, and equipment related to the
26 hospital system owned by Nolan County and
27 the City of Sweetwater and other
28 governmental entities in which the district
29 is located;

30 (2) operating funds and
31 reserves for operating expenses and funds
32 that have been budgeted by Nolan County and
33 the City of Sweetwater to provide medical
34 care for residents of the district for the
35 remainder of the fiscal year in which the
36 district is established;

37 (3) taxes levied by Nolan
38 County and the City of Sweetwater and other
39 governmental entities in which the district
40 is located for hospital purposes for the
41 year in which the district is created; and

42 (4) funds established for
43 payment of indebtedness assumed by the
44 district, including the funds in connection
45 with the outstanding Nolan County--City of
46 Sweetwater, Texas Hospital Board First
47 Mortgage Revenue Bonds, Series 1975.

48 (b) On creation of the district, the
49 outstanding Nolan County--City of
50 Sweetwater, Texas Hospital Board First
51 Mortgage Revenue Bonds, Series 1975, as
52 authorized by the Nolan County--City of

1 Sweetwater, Texas Hospital Board, as agents
 2 for and on behalf of the City of Sweetwater
 3 and Nolan County, are assumed by the
 4 district as obligations of the district and
 5 the bonds become general obligations of the
 6 district payable from the levy of an ad
 7 valorem tax of the district within the tax
 8 limitation voted by the electorate of the
 9 district.

10 Sec. 5.02. . . . [the district:]

11 . . .
 12 (2) assumes any outstanding
 13 obligations incurred by Nolan County and
 14 the City of Sweetwater or other
 15 governmental entities in which all or part
 16 of the district is located in providing
 17 hospital care for residents of the
 18 territory of the district before the
 19 district's creation.

6 CHAPTER 1083. NORTH WHEELER COUNTY HOSPITAL DISTRICT

7 SUBCHAPTER A. GENERAL PROVISIONS

8 Revised Law

9 Sec. 1083.001. DEFINITIONS. In this chapter:

- 10 (1) "Board" means the board of directors of the
- 11 district.
- 12 (2) "Director" means a member of the board.
- 13 (3) "District" means the North Wheeler County Hospital
- 14 District. (New.)

15 Revisor's Note

16 The definitions of "board," "director," and

17 "district" are added to the revised law for drafting

18 convenience and to eliminate frequent, unnecessary

19 repetition of the substance of the definitions.

20 Revised Law

21 Sec. 1083.002. AUTHORITY FOR CREATION. The North Wheeler

22 County Hospital District is created under the authority of Section

23 9, Article IX, Texas Constitution, and has the rights, powers, and

24 duties prescribed by this chapter. (Acts 58th Leg., R.S., Ch. 260,

25 Sec. 1 (part).)

26 Source Law

27 Sec. 1. Pursuant to authority granted by the

28 provisions of Section 9 of Article IX of the

29 Constitution of the State of Texas, North Wheeler

30 County Hospital District is hereby authorized to be

31 created and . . . possess such rights, powers and

32 duties as are hereinafter prescribed.

33 Revised Law

34 Sec. 1083.003. ESSENTIAL PUBLIC FUNCTION. The district

35 performs an essential public function in carrying out the purposes

36 of this chapter. (Acts 58th Leg., R.S., Ch. 260, Sec. 8 (part).)

1 the district and the imposition of an ad valorem tax.
2 Because the creation of the district and the
3 imposition of the tax were approved at the election,
4 the revised law omits the relevant law as executed.
5 The omitted law reads:

6 Sec. 3. The District shall not be
7 created nor shall any tax therein be
8 authorized unless and until such creation
9 and such tax are approved by a majority of
10 the qualified property taxpaying electors
11 of the District voting at an election called
12 for such purpose. Such election may be
13 initiated by the Commissioners Court of
14 Wheeler County upon its own motion and shall
15 be called by said Commissioners Court upon
16 presentation of a petition therefor signed
17 by at least fifty (50) qualified property
18 taxpaying electors of the District. Such
19 election shall be held not less than thirty
20 (30) nor more than sixty (60) days from the
21 time such election is ordered by the
22 Commissioners Court. The order calling the
23 election shall specify the time and places
24 of holding same, the form of ballot and the
25 presiding judge for each voting place.
26 Notice of election shall be given by
27 publishing a substantial copy of the
28 election order in a newspaper of general
29 circulation in said District, once a week
30 for two (2) consecutive weeks, the first
31 publication to appear at least fourteen
32 (14) days prior to the date established for
33 the election. The failure of any such
34 election shall not operate to prohibit the
35 calling and holding of subsequent elections
36 for the same purpose. At said election there
37 shall be submitted to the qualified
38 property taxpaying electors of said
39 District the proposition of whether or not
40 North Wheeler County Hospital District
41 shall be created . . . a majority of the
42 qualified property taxpaying electors of
43 the District voting at said election in
44 favor of the proposition shall be
45 sufficient for its adoption. The ballots
46 shall have printed thereon the following:

47 "FOR the creation of a hospital
48 district; providing for the levy of a tax
49 not to exceed seventy-five cents (75¢) on
50 the One Hundred Dollars (\$100) valuation,
51 and using Wheeler County, Texas, values and
52 the Wheeler County, Texas, tax roll.", and

53 "AGAINST the creation of a hospital
54 district; providing for the levy of a tax
55 not to exceed seventy-five cents (75¢) on
56 the One Hundred Dollars (\$100) valuation,
57 and using Wheeler County, Texas, values and
58 the Wheeler County, Texas, tax roll."

59 Sec. 4. Within ten (10) days after
60 such election is held the Commissioners
61 Court of said County shall convene and
62 canvass the returns thereof and in the event
63 such election results favorably to the

1 proposition specified in Section 3 hereof,

4 SUBCHAPTER B. DISTRICT ADMINISTRATION

5 Revised Law

6 Sec. 1083.051. BOARD ELECTION; TERM. (a) The district is
7 governed by a board of five directors elected from single-member
8 voting precincts.

9 (b) Unless four-year terms are established under Section
10 285.081, Health and Safety Code:

11 (1) directors serve staggered two-year terms; and

12 (2) a directors' election shall be held each year on
13 the date that the election of public school trustees is held. (Acts
14 58th Leg., R.S., Ch. 260, Sec. 4 (part).)

15 Source Law

16 Sec. 4. . . . such District shall be governed by
17 a Board of Directors to consist of five (5) members,
18 For purposes of electing Directors, the
19 Hospital District shall be divided into five (5)
20 voting precincts Each voting precinct of the
21 Hospital District shall be represented by one (1)
22 Director The regular term of each Director
23 shall be for two (2) years but after the first called
24 election, the Directors by lot shall select three (3)
25 Directors for two (2) year terms, and two (2) Directors
26 for one (1) year terms. . . .

27 A regular election of Directors shall be held on
28 the same day that the election of trustees of public
29 schools is held each year and

30 Revisor's Note

31 (1) Section 4, Chapter 260, Acts of the 58th
32 Legislature, Regular Session, 1963, prescribes the
33 terms of the initial board of directors and, in doing
34 so, establishes staggered two-year terms for the
35 directors. The revised law omits the specific
36 provision relating to the terms of the initial
37 directors as executed but revises the establishment of
38 a board consisting of five directors serving staggered
39 two-year terms.

40 (2) Section 4, Chapter 260, Acts of the 58th
41 Legislature, Regular Session, 1963, establishes that

1 directors serve staggered two-year terms. Section
2 285.081, Health and Safety Code, applicable to this
3 hospital district, provides a mechanism by which the
4 governing board of a hospital district, on its own
5 motion, may order that the directors are to be elected
6 in even-numbered years to serve staggered four-year
7 terms. The revised law is drafted accordingly and adds
8 a reference to Section 285.081 for the convenience of
9 the reader.

10 (3) Section 4, Chapter 260, Acts of the 58th
11 Legislature, Regular Session, 1963, prescribes the
12 procedures for dividing the hospital district into
13 five voting precincts and electing the initial
14 directors. The revised law omits the provision as
15 executed. The omitted law reads:

16 Sec. 4. . . . Not less than fifteen
17 (15) nor more than twenty-five (25) days
18 after the District is declared established
19 and created the Commissioners Court shall
20 call an election for the five (5) Directors
21 who will serve as the District's first Board
22 of Directors, this election to be held on a
23 date not more than thirty (30) days after
24 the day of the passage of the Commissioners
25 Court order calling same but on such date as
26 will permit publication of an election
27 notice in a newspaper of general
28 circulation in Wheeler County one (1) time
29 not less than ten (10) days prior to such
30 election date. Any candidate desiring to be
31 voted upon as a first Director shall, no
32 later than three (3) days prior to the day
33 of passage of the Commissioners Court order
34 calling the election, present a petition to
35 that Court signed by such candidate and not
36 less than five (5) qualified voters
37 residing in the candidate's voting
38 precinct, requesting that his name be
39 placed upon the official ballot. . . . [For
40 the purpose of electing Directors, the
41 Hospital District shall be divided into
42 five (5) voting precincts] which shall be
43 made up of the parts of the following school
44 districts which lie within the Hospital
45 District, using school district boundaries
46 as of January 1, 1963, as follows: Allison,
47 Kelton, Briscoe, Wheeler plus any part of
48 Sections 14 and 15 of Block 27, H & G.N.
49 Survey that are within the boundaries of the
50 Hospital District, and Mobeetie plus any
51 part of Sections 69 and 70 of Block 24 of H
52 and G.N. Survey that are within the
53 boundaries of the Hospital District. Any

1 territory within the Hospital District, but
2 not within one of the five (5) school
3 districts, shall be added to the nearest
4 Hospital District voting precinct by the
5 action of the Board of Directors of the
6 Hospital District. . . . The first year
7 terms shall be ended on the date of the
8 first annual election as hereinafter
9 provided. . . .

10 (4) Section 4, Chapter 260, Acts of the 58th
11 Legislature, Regular Session, 1963, provides for the
12 eligibility of voters to vote in an election for a
13 director. The revised law omits that provision
14 because Chapter 11, Election Code, governs eligibility
15 to vote in an election in this state and allows only
16 qualified voters who are residents of the territory
17 covered by the election to vote in an election. The
18 omitted law reads:

19 Sec. 4. . . . All qualified electors
20 residing within the District shall be
21 eligible to vote for Directors; provided,
22 however, that such eligible elector can
23 vote only to select a Director from the
24 Hospital District voting precinct of the
25 residence of such elector.

26 Revised Law

27 Sec. 1083.052. NOTICE OF ELECTION. At least 10 days before
28 the date of a directors' election, notice of the election shall be
29 published one time in a newspaper of general circulation in Wheeler
30 County. (Acts 58th Leg., R.S., Ch. 260, Sec. 4 (part).)

31 Source Law

32 Sec. 4. . . . notice of such election shall be
33 published in a newspaper of general circulation in the
34 County one (1) time at least ten (10) days prior to the
35 date of election. . . .

36 Revisor's Note

37 Section 4, Chapter 260, Acts of the 58th
38 Legislature, Regular Session, 1963, requires notice of
39 a directors' election to be published in "the County."
40 Throughout this chapter, the revised law substitutes
41 "Wheeler County" for the quoted language because
42 Wheeler County is the county in which the district is
43 located.

1 Revised Law

2 Sec. 1083.053. BALLOT PETITION. A person seeking to have
3 the person's name printed on the ballot as a candidate for director
4 must file with the board secretary a petition requesting that
5 action. The petition must be:

6 (1) signed by not fewer than five registered voters
7 who reside in the voting precinct the candidate seeks to represent;
8 and

9 (2) filed at least 25 days before the date of the
10 election. (Acts 58th Leg., R.S., Ch. 260, Sec. 4 (part).)

11 Source Law

12 Sec. 4. . . . Any person desiring his name to
13 be printed on the ballot as a candidate for Director
14 shall file a petition, signed by not less than five (5)
15 qualified voters residing in the candidate's voting
16 precinct asking that such name be printed on the
17 ballot, with the secretary of the Board of Directors of
18 the District. Such petition shall be filed with such
19 secretary at least twenty-five (25) days prior to the
20 date of election. . . .

21 Revisor's Note

22 Section 4, Chapter 260, Acts of the 58th
23 Legislature, Regular Session, 1963, refers to a
24 petition signed by "qualified voters." The revised
25 law substitutes "registered voters" for the quoted
26 language because in the context of eligibility to sign
27 a petition, Section 277.0021, Election Code, provides
28 that "qualified voter" means "registered voter."

29 Revised Law

30 Sec. 1083.054. QUALIFICATIONS FOR OFFICE. A person may not
31 be elected or appointed as a director unless the person:

32 (1) is a resident of the voting precinct the person is
33 elected or appointed to represent;

34 (2) owns property in the district subject to taxation;
35 and

36 (3) is more than 18 years of age at the time of
37 election or appointment. (Acts 58th Leg., R.S., Ch. 260, Sec. 4
38 (part).)

1 Revised Law

2 Sec. 1083.055. BOND; RECORD OF BOND AND OATH OR AFFIRMATION
3 OF OFFICE. (a) Each director shall execute a good and sufficient
4 commercial bond for \$1,000 that is:

5 (1) payable to the district; and

6 (2) conditioned on the faithful performance of the
7 director's duties.

8 (b) The district shall pay for a director's bond.

9 (c) Each director's bond and constitutional oath or
10 affirmation of office shall be deposited with the district's
11 depository bank for safekeeping. (Acts 58th Leg., R.S., Ch. 260,
12 Sec. 4 (part).)

13 Source Law

14 Sec. 4. . . . Each member of the Board of
15 Directors shall qualify by executing the
16 constitutional oath of office and shall execute a good
17 and sufficient commercial bond for One Thousand
18 Dollars (\$1,000) payable to said District conditioned
19 upon the faithful performance of his duties, and such
20 oaths and bonds shall be deposited with the depository
21 bank of the District for safekeeping. The cost of this
22 bond shall be an expense of the Hospital District.

23 . . .

24 Revisor's Note

25 Section 4, Chapter 260, Acts of the 58th
26 Legislature, Regular Session, 1963, requires each
27 director to take the constitutional oath of office.
28 The revised law omits that provision because Section
29 1, Article XVI, Texas Constitution, requires all
30 officers in this state to take the oath (or
31 affirmation) before assuming office. Additionally,
32 the revised law provides for the deposit of the
33 constitutional affirmation, as well as the
34 constitutional oath, because Section 1, Article XVI,
35 Texas Constitution, permits an officer in this state
36 to take either the constitutional oath or affirmation.

37 Revised Law

38 Sec. 1083.056. BOARD VACANCY. (a) If a vacancy occurs in
39 the office of director, the remaining directors shall appoint a

1 director for the unexpired term.

2 (b) If the number of directors is reduced to fewer than
3 three for any reason, the remaining directors shall immediately
4 call a special election to fill the vacancies. If the remaining
5 directors do not call the election, a district court, on
6 application of a district voter or taxpayer, may order the
7 directors to hold the election. (Acts 58th Leg., R.S., Ch. 260,
8 Sec. 4 (part).)

9 Source Law

10 Sec. 4. . . . All vacancies in the office of
11 Director shall be filled for the unexpired term by
12 appointment of the remainder of the Board of
13 Directors. In the event the number of Directors shall
14 be reduced to less than three (3) for any reason, the
15 remaining Directors shall immediately call a special
16 election to fill said vacancies, and upon failure to do
17 so a District Court may, upon application of any voter
18 or taxpayer of the District, issue a mandate requiring
19 that such election be ordered by the remaining
20 Directors.
21 . . .

22 Revised Law

23 Sec. 1083.057. OFFICERS. The board shall elect from among
24 its members a president, a vice president, and a secretary. (Acts
25 58th Leg., R.S., Ch. 260, Sec. 4 (part).)

26 Source Law

27 Sec. 4. . . .
28 The Board of Directors shall organize by electing
29 one (1) of their number as president, and one (1) as
30 vice president and one (1) as secretary. . . .

31 Revised Law

32 Sec. 1083.058. COMPENSATION. A director serves without
33 compensation. (Acts 58th Leg., R.S., Ch. 260, Sec. 4 (part).)

34 Source Law

35 Sec. 4. . . . Board of Directors . . . who shall
36 serve without pay. . . .

37 Revised Law

38 Sec. 1083.059. VOTING REQUIREMENT. A concurrence of three
39 directors is sufficient in any matter relating to district
40 business. (Acts 58th Leg., R.S., Ch. 260, Sec. 4 (part).)

41 Source Law

42 Sec. 4. . . . [Board of Directors] . . . a

1 concurrence of three (3) shall be sufficient in all
2 matters pertaining to the business of the
3 District. . . .

4 Revisor's Note

5 Section 4, Chapter 260, Acts of the 58th
6 Legislature, Regular Session, 1963, provides that
7 three directors constitute a quorum. The revised law
8 omits that provision because it duplicates Section
9 311.013, Government Code (Code Construction Act),
10 which provides that a quorum of a public body is a
11 majority of the number of members fixed by statute. The
12 omitted law reads:

13 Sec. 4. . . . Any three (3) members
14 of the Board of Directors shall constitute a
15 quorum and

16 Revised Law

17 Sec. 1083.060. DISTRICT ADMINISTRATOR; ASSISTANT
18 ADMINISTRATOR. (a) The board shall appoint a qualified person as
19 district administrator.

20 (b) The board may appoint an assistant administrator.

21 (c) The district administrator and any assistant
22 administrator serve at the will of the board and are entitled to the
23 compensation determined by the board.

24 (d) On assuming the duties of district administrator, the
25 administrator shall execute a bond payable to the district in an
26 amount set by the board of not less than \$10,000 that:

27 (1) is conditioned on the administrator performing the
28 administrator's duties; and

29 (2) contains other conditions the board may require.

30 (Acts 58th Leg., R.S., Ch. 260, Sec. 5 (part).)

31 Source Law

32 Sec. 5. . . . The Board of Directors shall
33 appoint a qualified person to be known as the
34 Administrator or Manager of the Hospital District and
35 may in its discretion appoint an Assistant to the
36 Administrator or Manager. Such Administrator or
37 Manager, and Assistant Administrator or Assistant
38 Manager, if any, shall serve at the will of the Board
39 and shall receive such compensation as may be fixed by
40 the Board. The Administrator or Manager shall, upon
41 assuming his duties, execute a bond payable to the
42 Hospital District in an amount to be set by the Board

1 of Directors, in no event less than Ten Thousand
2 Dollars (\$10,000), conditioned that he shall perform
3 the duties required of him and containing such other
4 conditions as the Board may require. . . .

5 Revisor's Note

6 Section 5, Chapter 260, Acts of the 58th
7 Legislature, Regular Session, 1963, provides that the
8 board shall appoint a person as the "Administrator or
9 Manager" of the district and may appoint an "Assistant
10 to the Administrator or Manager." Throughout this
11 chapter, the revised law omits "manager" because, in
12 context, "manager" is included in the meaning of
13 "administrator" and "administrator" is the term used
14 by the district.

15 Revised Law

16 Sec. 1083.061. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
17 Subject to the limitations prescribed by the board, the district
18 administrator shall:

- 19 (1) supervise the work and activities of the district;
20 and
21 (2) direct the affairs of the district. (Acts 58th
22 Leg., R.S., Ch. 260, Sec. 5 (part).)

23 Source Law

24 Sec. 5. . . . The Administrator or Manager
25 shall supervise all the work and activities of the
26 District and shall have general direction of the
27 affairs of the District subject to such limitations as
28 may be prescribed by the Board. . . .

29 Revised Law

30 Sec. 1083.062. EMPLOYEES. The board may employ any doctors,
31 technicians, nurses, and other employees as considered necessary
32 for the efficient operation of the district or may provide that the
33 district administrator has the authority to employ those persons.
34 (Acts 58th Leg., R.S., Ch. 260, Sec. 5 (part).)

35 Source Law

36 Sec. 5. . . . The Board of Directors shall have
37 the authority to employ such doctors, technicians,
38 nurses and other employees of every kind and character
39 as may be deemed necessary for the efficient operation
40 of the District or may provide that the Administrator
41 or Manager shall have the authority to employ such

1 persons. . . .

2 Revised Law

3 Sec. 1083.063. RETIREMENT PROGRAM. The board may enter into
4 any contract or agreement with this state or the federal government
5 that is required to establish or continue a retirement program for
6 the benefit of the district's employees. (Acts 58th Leg., R.S., Ch.
7 260, Sec. 5 (part).)

8 Source Law

9 Sec. 5. . . . The Board of Directors is also
10 authorized to enter into such contracts or agreements
11 with the State of Texas or the Federal Government as
12 may be required to establish or continue a retirement
13 program for the benefit of the District's employees.

14 [Sections 1083.064-1083.100 reserved for expansion]

15 SUBCHAPTER C. POWERS AND DUTIES

16 Revised Law

17 Sec. 1083.101. DISTRICT RESPONSIBILITY. The district has
18 full responsibility for:

19 (1) operating all hospital facilities for providing
20 medical and hospital care of indigent persons; and

21 (2) providing medical and hospital care for the
22 district's needy inhabitants. (Acts 58th Leg., R.S., Ch. 260,
23 Secs. 2 (part), 17 (part).)

24 Source Law

25 Sec. 2. . . . Such District shall assume full
26 responsibility for providing medical and hospital care
27 for its needy inhabitants. . . .

28 Sec. 17. . . . the said North Wheeler County
29 Hospital District shall assume full responsibility for
30 the operation of all hospital facilities for the
31 furnishing of medical and hospital care of indigent
32 persons.

33 Revisor's Note

34 Sections 2 and 17, Chapter 260, Acts of the 58th
35 Legislature, Regular Session, 1963, provide that the
36 district "shall assume" full responsibility for
37 providing medical and hospital care for the district's
38 needy inhabitants and for the operation of hospital
39 facilities for the indigent. The revised law
40 substitutes "has" for the quoted language because the

1 duty to assume the responsibility is executed.

2 Revised Law

3 Sec. 1083.102. RESTRICTION ON POLITICAL SUBDIVISION
4 TAXATION AND DEBT. Wheeler County or another political
5 subdivision, other than the district, may not impose a tax or issue
6 bonds or other obligations for hospital purposes for medical
7 treatment of indigent persons in the district. (Acts 58th Leg.,
8 R.S., Ch. 260, Sec. 17 (part).)

9 Source Law

10 Sec. 17. After creation of North Wheeler County
11 Hospital District, neither Wheeler County or no other
12 municipality or political subdivision shall
13 thereafter issue bonds or other evidences of
14 indebtedness or levy taxes for hospital purposes for
15 medical treatment of indigent persons within said
16 District and

17 Revisor's Note

18 (1) Section 17, Chapter 260, Acts of the 58th
19 Legislature, Regular Session, 1963, provides that
20 "[a]fter creation of North Wheeler County Hospital
21 District," certain political subdivisions may not levy
22 taxes or issue bonds. The revised law omits the quoted
23 language as executed. In addition, throughout this
24 chapter, the revised law substitutes "impose" for
25 "levy" because, in this context, the terms are
26 synonymous and the former is more commonly used.

27 (2) Section 17, Chapter 260, Acts of the 58th
28 Legislature, Regular Session, 1963, refers to a
29 "municipality or political subdivision." Throughout
30 this chapter, the revised law omits references to
31 "municipality" in this context because "municipality"
32 is included in the meaning of "political subdivision."

33 (3) Section 17, Chapter 260, Acts of the 58th
34 Legislature, Regular Session, 1963, provides that
35 Wheeler County or any other political subdivision may
36 not issue bonds or other "evidences of indebtedness."
37 The revised law substitutes "obligations" for

1 "evidences of indebtedness" because, in context, the
2 terms are synonymous, and "obligations" is more
3 commonly used.

4 Revised Law

5 Sec. 1083.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
6 The board shall manage, control, and administer the district's
7 hospitals and hospital system. (Acts 58th Leg., R.S., Ch. 260, Sec.
8 5 (part).)

10 Sec. 5. The Board of Directors shall manage,
11 control and administer the hospitals and hospital
12 system of the District. . . .

13 Revised Law

14 Sec. 1083.104. HOSPITAL SYSTEM. The district shall provide
15 for:

16 (1) the establishment of a hospital or hospital system
17 in the district by:

18 (A) purchasing, constructing, acquiring,
19 repairing, or renovating buildings and improvements; and

20 (B) equipping the buildings and improvements;
21 and

22 (2) the administration of the hospital system for
23 hospital purposes. (Acts 58th Leg., R.S., Ch. 260, Sec. 2 (part).)

24 Source Law

25 Sec. 2. The District herein authorized to be
26 created shall provide for the establishment of a
27 hospital or hospital system within said District by
28 the purchase, construction, acquisition, repair or
29 renovation of buildings and improvements and the
30 equipping of same and the administration thereof for
31 hospital purposes. . . .

32 Revised Law

33 Sec. 1083.105. RULES. The board may adopt rules for the
34 operation of the district and as required to administer this
35 chapter. (Acts 58th Leg., R.S., Ch. 260, Secs. 5 (part), 9 (part).)

36 Source Law

37 Sec. 5. . . . The District through its Board of
38 Directors shall have the power and authority . . . to
39 promulgate rules and regulations for the operation of
40 the District. . . .

1 Sec. 9. The Board of Directors of such District
2 shall have the power . . . to make such rules and
3 regulations as may be required to carry out the
4 provisions of this Act.

5 Revisor's Note

6 Sections 5 and 9, Chapter 260, Acts of the 58th
7 Legislature, Regular Session, 1963, provide that the
8 board may "promulgate rules and regulations" to govern
9 the district and "make such rules and regulations" as
10 required to carry out the act. The revised law
11 substitutes "adopt" for "promulgate" and "make"
12 because the terms are synonymous and the former is more
13 commonly used. The revised law also omits the
14 reference to "regulations" because under Section
15 311.005(5), Government Code (Code Construction Act), a
16 rule is defined to include a regulation.

17 Revised Law

18 Sec. 1083.106. PURCHASING AND ACCOUNTING PROCEDURES. The
19 board may prescribe:

20 (1) the method and manner of making purchases and
21 expenditures by and for the district; and

22 (2) all accounting and control procedures. (Acts 58th
23 Leg., R.S., Ch. 260, Sec. 9 (part).)

24 Source Law

25 Sec. 9. The Board of Directors of such District

27 of making purchases and expenditures, by and for such
28 Hospital District, and also shall be authorized to
29 prescribe all accounting and control procedures and

32 Sec. 1083.107. EMINENT DOMAIN. (a) The district may
33 exercise the power of eminent domain to acquire a fee simple or
34 other interest in any type of property located in district
35 territory if the interest is necessary or convenient for the
36 district to exercise a power, right, or privilege conferred by this
37 chapter.

38 (b) The district must exercise the power of eminent domain

1 in the manner provided by Chapter 21, Property Code. (Acts 58th
2 Leg., R.S., Ch. 260, Sec. 12.)

3 Source Law

4 Sec. 12. North Wheeler County Hospital District
5 created hereunder shall have the right and power of
6 eminent domain for the purpose of acquiring by
7 condemnation any and all property of any kind and
8 character in fee simple, or any lesser interest
9 therein, within the boundaries of the District,
10 necessary or convenient to the powers, rights and
11 privileges conferred by this Act, in the manner
12 provided by General Law with respect to condemnation.

13 Revisor's Note

14 (1) Section 12, Chapter 260, Acts of the 58th
15 Legislature, Regular Session, 1963, provides that the
16 district has the "right and power of eminent domain for
17 the purpose of acquiring [property] by condemnation."
18 The revised law substitutes for the quoted phrase "may
19 exercise the power of eminent domain to acquire
20 [property]" because the phrases have the same meaning
21 and the latter phrase is consistent with modern usage
22 in laws relating to eminent domain.

23 (2) Section 12, Chapter 260, Acts of the 58th
24 Legislature, Regular Session, 1963, provides that the
25 district must exercise the power of eminent domain in
26 the manner provided by "General Law with respect to
27 condemnation." The revised law substitutes for the
28 quoted language a reference to Chapter 21, Property
29 Code, because that is the general law governing
30 eminent domain for governmental entities.

31 Revised Law

32 Sec. 1083.108. GIFTS AND ENDOWMENTS. The board may accept
33 for the district a gift or endowment to be held in trust and
34 administered by the board for the purposes and under the
35 directions, limitations, or other provisions prescribed in writing
36 by the donor that are not inconsistent with the proper management
37 and objectives of the district. (Acts 58th Leg., R.S., Ch. 260,
38 Sec. 15.)

Revisor's Note

Section 15, Chapter 260, Acts of the 58th Legislature, Regular Session, 1963, refers to "donations" and "gifts." The revised law omits the reference to "donations" because "donations" is included in the meaning of "gifts."

Revised Law

Sec. 1083.109. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR CARE AND TREATMENT. (a) The board may contract with a county or municipality located outside Wheeler County for the care and treatment of a sick or injured person of that county or municipality.

(b) The board may contract with this state or a federal agency for the treatment of a sick or injured person for whom this state or the federal government is responsible. (Acts 58th Leg., R.S., Ch. 260, Sec. 5 (part).)

Sec. 5. . . . Such Board shall be authorized to contract with any county or incorporated municipality located outside Wheeler County for the care and treatment of the sick, diseased or injured persons of any such county or municipality and shall have the authority to contract with the State of Texas and agencies of the Federal Government, for treatment of sick, diseased or injured persons for whom the State of Texas or the Federal Government are responsible. . . .

Revisor's Note

(1) Section 5, Chapter 260, Acts of the 58th Legislature, Regular Session, 1963, refers to an "incorporated" municipality. The revised law omits the reference to "incorporated" because under the Local Government Code all municipalities must be incorporated.

1 (2) Section 5, Chapter 260, Acts of the 58th
2 Legislature, Regular Session, 1963, refers to the
3 treatment of a "sick, diseased or injured" person. The
4 revised law omits the references to "diseased" because
5 "diseased" is included in the meaning of "sick."

6 Revised Law

7 Sec. 1083.110. PAYMENT FOR TREATMENT; PROCEDURES. (a) When
8 a patient who resides in the district is admitted to a district
9 facility, the district administrator shall have an inquiry made
10 into the circumstances of:

11 (1) the patient; and

12 (2) the patient's relatives who are legally liable for
13 the patient's support.

14 (b) If the district administrator determines that the
15 patient or those relatives cannot pay all or part of the costs of
16 the care and treatment in the hospital, the amount of the costs that
17 cannot be paid becomes a charge against the district.

18 (c) If the district administrator determines that the
19 patient or those relatives can pay for all or part of the costs of
20 the patient's care and treatment, the patient or those relatives
21 shall be ordered to pay the district a specified amount each week
22 for the patient's support. The amount ordered must be proportionate
23 to the person's financial ability and may not exceed the actual per
24 capita cost of maintenance.

25 (d) The district administrator may collect the amount from
26 the estate of the patient, or from any relative who is legally
27 liable for the patient's support, in the manner provided by law for
28 the collection of expenses of the last illness of a deceased person.

29 (e) If there is a dispute as to the ability to pay, or doubt
30 in the mind of the district administrator, the board shall hold a
31 hearing and, after calling witnesses, shall:

32 (1) resolve the dispute or doubt; and

33 (2) issue any appropriate orders. (Acts 58th Leg.,

Sec. 14. Whenever a patient residing within the District has been admitted to the facilities thereof, the Administrator or Manager, shall cause inquiry to be made as to his circumstances and those of the relatives of such patient legally liable for his support. If he finds that such patient or said relatives are able to pay for his care and treatment, in whole or in part, an order shall be made directing such patient, or said relatives, to pay to the Hospital District for the support of such patient a specified sum per week in proportion to their financial ability, but such sum shall not exceed the actual per capita cost of maintenance. The Administrator or Manager shall have power and authority to collect such sums from the estate of the patient or his relatives legally liable for his support in the manner provided by law for the collection of expenses in the last illness of a deceased person. If the Administrator or Manager finds that such patient or said relatives are not able to pay, either in whole or in part, for his care and treatment in such hospital, same shall become a charge upon the Hospital District as to the amount of the inability to pay. Should there be any dispute as to the ability to pay or doubt in the mind of the Administrator or Manager, the Board of Directors shall hear and determine same, after calling witnesses, and shall make such order or orders as may be proper.

(b) Not later than August 31 of each year, the board shall publish notice of a public hearing on the proposed budget. The notice must be published in a newspaper of general circulation in Wheeler County at least 10 days before the date of the hearing. (Acts 58th Leg., R.S., Ch. 260, Secs. 6 (part), 16.)

2 Sec. 6. . . . In addition the Administrator or

5 Sec. 16. The Board of Directors of said Hospital
6 District shall cause to be prepared an annual budget
7 based upon the fiscal year of the Hospital District in
8 accordance with the provisions of Section 6 hereof and
9 prior to September 1st of each year shall give notice
10 of the public hearing on the proposed budget. Such
11 notice shall be published in a newspaper of general
12 circulation in the County at least ten (10) days prior
13 to the date set for the hearing.

35 Sec. 1083.154. FINANCIAL REPORT. As soon as practicable
36 after the close of each fiscal year, the district administrator
37 shall prepare for the board:

38 (1) a complete sworn statement of all district money;
39 and

40 (2) a complete account of the disbursements of that
41 money. (Acts 58th Leg., R.S., Ch. 260, Sec. 6 (part).)

1 Source Law

2 Sec. 6. . . . As soon as practical after the
3 close of each fiscal year the Administrator or Manager
4 shall prepare for the Board a full sworn statement of

7 Revised Law

8 Sec. 1083.155. DEPOSITORY. (a) The board shall select one
9 or more banks in Wheeler County to serve as a depository for
10 district money.

11 (b) District money shall be immediately deposited on
12 receipt with a depository bank, except that sufficient money must
13 be remitted to an appropriate bank to pay the principal of and
14 interest on the district's outstanding bonds or other obligations
15 on or before the maturity date of the principal and interest.

16 (c) To the extent that money in a depository bank is not
17 insured by the Federal Deposit Insurance Corporation, the money
18 must be secured in the manner provided by law for the security of
19 county funds.

20 (d) Membership on the district's board of an officer or
21 director of a bank does not disqualify the bank from being selected
22 as a depository bank. (Acts 58th Leg., R.S., Ch. 260, Sec. 10.)

23 Source Law

24 Sec. 10. The Board of Directors of the District
25 shall name one or more banks within Wheeler County to
26 serve as depository for the funds of the District. All
27 such funds shall, as derived and collected, be
28 immediately deposited with such depository bank or
29 banks except that sufficient funds shall be remitted
30 to the bank or banks for the payment of principal of
31 and interest on the outstanding bonds of the District
32 or other obligations assumed by it and in time that
33 such money may be received by said bank or banks of
34 payment on or prior to the date of maturity of such
35 principal and interest so to be paid. To the extent
36 that funds in the depository bank or banks are not
37 insured by the Federal Deposit Insurance Corporation,
38 they shall be secured in the manner provided by law for
39 security of county funds. Membership on the Board of
40 Directors of an officer or director of a bank shall not
41 disqualify such bank from being designated as
42 depository.

43 Revisor's Note

44 Section 10, Chapter 260, Acts of the 58th
45 Legislature, Regular Session, 1963, refers to money

1 "derived and collected." The revised law substitutes
2 "on receipt" for the quoted language because the terms
3 are synonymous and the former is more commonly used.

5 SUBCHAPTER E. BONDS

6 Revised Law

7 Sec. 1083.201. GENERAL OBLIGATION BONDS. (a) The board may
8 issue and sell general obligation bonds in the name and on the faith
9 and credit of the district for any purpose related to the purchase,
10 construction, acquisition, repair, or renovation of buildings or
11 improvements, and equipping buildings or improvements for a
12 hospital and the hospital system, as determined by the board.

13 (b) The board shall issue the bonds in compliance with the
14 applicable provisions of Subtitles A and C, Title 9, Government
15 Code. (Acts 58th Leg., R.S., Ch. 260, Sec. 7 (part).)

16 Source Law

17 Sec. 7. The Board of Directors of the Hospital
18 District shall have the power and authority to issue
19 and sell its bonds in the name and upon the faith and
20 credit of such Hospital District for the purchase,
21 construction, acquisition, repair or renovation of
22 buildings and improvements and equipping the same for
23 hospitals and the hospital system, as determined by
24 the Board, and for any or all of such purposes. . . .
25 Such bonds shall be issued under the provisions of
26 Chapter 1, Title 22 of the Revised Civil Statutes of
27 Texas, as amended, but

28 Revisor's Note

29 (1) Section 7, Chapter 260, Acts of the 58th
30 Legislature, Regular Session, 1963, provides that the
31 board has the power and authority to issue and sell
32 bonds in the name and on the faith and credit of the
33 district. Because the type of bonds described by
34 Section 7 are known as "general obligation bonds," the
35 revised law is drafted accordingly.

36 (2) Section 7, Chapter 260, Acts of the 58th
37 Legislature, Regular Session, 1963, provides that
38 bonds issued under that section "shall be issued under
39 the provisions of Chapter 1, Title 22 of the Revised

1 Civil Statutes of Texas, as amended." Chapter 1, Title
2 22, Revised Statutes, was composed of V.A.C.S.
3 Articles 701-717w. The relevant parts of those
4 provisions were revised in 1999 as Subtitles A and C of
5 Title 9, Government Code, and the revised law is
6 drafted accordingly. In addition, throughout this
7 chapter, the revised law omits references to "as
8 amended" because under Section 311.027, Government
9 Code (Code Construction Act), a reference to a statute
10 applies to all reenactments, revisions, or amendments
11 of that statute unless expressly provided otherwise.

12 Revised Law

13 Sec. 1083.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
14 the time general obligation bonds are issued by the district under
15 Section 1083.201, the board shall impose an ad valorem tax at a rate
16 sufficient to create an interest and sinking fund and to pay the
17 principal of and interest on the bonds as the bonds mature.

18 (b) The tax required by this section together with any other
19 ad valorem tax the district imposes may not in any year exceed 75
20 cents on each \$100 valuation of taxable property in the district.
21 (Acts 58th Leg., R.S., Ch. 260, Sec. 7 (part).)

22 Source Law

23 Sec. 7. . . . At the time of the issuance of any
24 such bonds a tax shall be levied by the Board
25 sufficient to create an interest and sinking fund and
26 to pay the interest on and principal of said bonds as
27 same mature, providing such tax together with any
28 other taxes levied for said District shall not exceed
29 seventy-five cents (75¢) on each One Hundred Dollar
30 (\$100) valuation of taxable property in any one
31 year. . . .

32 Revisor's Note

33 Section 7, Chapter 260, Acts of the 58th
34 Legislature, Regular Session, 1963, requires the
35 district to levy a tax to pay the principal of and
36 interest on bonds. The revised law specifies that the
37 tax is an "ad valorem" tax because it is clear from the
38 source law that the tax is a property tax, and "ad

1 valorem" is the term most commonly used to refer to a
2 property tax.

3 Revised Law

4 Sec. 1083.203. GENERAL OBLIGATION BOND ELECTION. (a) The
5 district may issue general obligation bonds only if the bonds are
6 authorized by a majority of the district voters voting at an
7 election held for that purpose.

8 (b) The board shall call the election. The election must be
9 held in accordance with Chapter 1251, Government Code.

10 (c) The bond election order must specify:

- 11 (1) the date of the election;
- 12 (2) the location of the polling places;
- 13 (3) the presiding election officers;
- 14 (4) the amount of the bonds to be authorized;
- 15 (5) the maximum maturity of the bonds; and
- 16 (6) the maximum interest rate of the bonds. (Acts 58th
17 Leg., R.S., Ch. 260, Sec. 7 (part).)

18 Source Law

19 Sec. 7. . . . No bond shall be issued by such
20 Hospital District . . . until authorized by a majority
21 of the qualified electors of the District who own
22 taxable property therein and who have duly rendered
23 the same for taxation, voting at an election called for
24 such purpose. Such election shall be called by the
25 Board of Directors and held in accordance with the
26 provisions of Chapter 1, Title 22 of the Revised Civil
27 Statutes of Texas, as amended, and except as therein
28 otherwise provided, shall be conducted in accordance
29 with the General Laws of Texas pertaining to
30 elections. . . . The bond election order shall
31 specify the date of the election, the amount of bonds
32 to be authorized, the maximum maturity thereof, the
33 maximum rate of interest they are to bear, the place or
34 places where the election shall be held and the
35 presiding officers thereof.
36 . . .

37 Revisor's Note

38 (1) Section 7, Chapter 260, Acts of the 58th
39 Legislature, Regular Session, 1963, refers to a
40 majority vote of the qualified electors of the
41 district. The revised law omits "qualified" in this
42 context for the reason stated in Revisor's Note (4) to
43 Section 1083.051. The revised law substitutes "voter"

1 for "elector" because the former is the term used in
2 the Election Code.

3 (2) Section 7, Chapter 260, Acts of the 58th
4 Legislature, Regular Session, 1963, refers to electors
5 who "own taxable property therein and who have duly
6 rendered the same for taxation." The revised law omits
7 the quoted language because in Hill v. Stone, 421 U.S.
8 289, 95 S. Ct. 1637 (1975), the United States Supreme
9 Court determined that property ownership as a
10 qualification for voting is an unconstitutional denial
11 of equal protection.

12 (3) Section 7, Chapter 260, Acts of the 58th
13 Legislature, Regular Session, 1963, provides that an
14 election must be "held in accordance with the
15 provisions of Chapter 1, Title 22 of the Revised Civil
16 Statutes of Texas, as amended, and except as therein
17 otherwise provided, shall be conducted in accordance
18 with the General Laws of Texas pertaining to
19 elections." The election provisions of Chapter 1,
20 Title 22, Revised Statutes, are codified as Chapter
21 1251, Government Code, and the revised law is drafted
22 accordingly. The revised law omits the reference to
23 "except as therein otherwise provided" because an
24 exception to the application of the Election Code in
25 Chapter 1251, Government Code (the revision of the
26 election provisions of Chapter 1, Title 22, Revised
27 Statutes), would apply by its own terms. The revised
28 law omits the reference to the "General Laws of Texas
29 pertaining to elections" because Section 1.002,
30 Election Code, provides that the Election Code applies
31 to all elections held in this state.

32 (4) Section 7, Chapter 260, Acts of the 58th
33 Legislature, Regular Session, 1963, requires the
34 district to make provisions for defraying the costs of

1 elections. The revised law omits the provision
2 because it duplicates Section 1.014, Election Code,
3 applicable to the district under Section 1.002 of that
4 code. The omitted law reads:

5 Sec. 7. . . . The District shall
6 make provisions for defraying the costs of
7 all elections called and held under the
8 provisions of this Act. . . .

9 Revised Law

10 Sec. 1083.204. EXECUTION OF GENERAL OBLIGATION BONDS. The
11 board president shall execute the general obligation bonds in the
12 district's name, and the board secretary shall attest the bonds as
13 provided by Chapter 618, Government Code. (Acts 58th Leg., R.S.,
14 Ch. 260, Sec. 7 (part).)

15 Source Law

16 Sec. 7. . . . [Such bonds] . . . shall be
17 executed in the name of the Hospital District and in
18 its behalf by the President of the Board and attested
19 by the Secretary as provided by Article 717j--1,
20 Vernon's Civil Statutes, and

21 Revisor's Note

22 Section 7, Chapter 260, Acts of the 58th
23 Legislature, Regular Session, 1963, refers to Article
24 717j-1, Vernon's Civil Statutes. That statute was
25 codified in 1999 as Chapter 618, Government Code, and
26 the revised law is drafted accordingly.

27 Revised Law

28 Sec. 1083.205. REFUNDING BONDS. (a) The board may, without
29 an election, issue refunding bonds to refund any bonds issued by the
30 district.

31 (b) A refunding bond may be:

32 (1) sold, with the proceeds of the refunding bond
33 applied to the payment of the outstanding bonds; or

34 (2) exchanged wholly or partly for not less than a
35 similar principal amount of the outstanding bonds. (Acts 58th
36 Leg., R.S., Ch. 260, Sec. 7 (part).)

37 Source Law

38 Sec. 7. . . . [No bond shall be issued by such

1 Hospital District] except refunding bonds, [until
2 authorized by a majority of the qualified electors of
3 the District]

4 The bonds of the District may be issued for the
5 purpose of refunding and paying off any bonds
6 theretofore issued by such District. Such refunding
7 bonds may be sold and the proceeds thereof applied to
8 the payment of outstanding bonds, or may be exchanged
9 in whole or in part for not less than a like principal
10 amount of such outstanding bonds

11 Revisor's Note

12 Section 7, Chapter 260, Acts of the 58th
13 Legislature, Regular Session, 1963, provides that
14 refunding bonds must be issued and payments made in the
15 manner specified by Article 717k, Revised Civil
16 Statutes. Article 717k was codified in 1999 as Chapter
17 1207, Government Code. The revised law omits the
18 provision because Chapter 1207, Government Code,
19 applies to the district by its own terms under Section
20 1207.001, Government Code. The omitted law reads:

21 Sec. 7. . . . provided further that
22 if such refunding bonds are to be sold and
23 the proceeds thereof applied to the payment
24 of any such outstanding bonds or other
25 refundable indebtedness same shall be
26 issued and payments made in the manner
27 specified by Article 717k, Revised Civil
28 Statutes of Texas, as amended.

29 Revised Law

30 Sec. 1083.206. BONDS EXEMPT FROM TAXATION. The following
31 are exempt from taxation by this state or a political subdivision of
32 this state:

- 33 (1) bonds issued by the district;
34 (2) the transfer and issuance of the bonds; and
35 (3) profits made in the sale of the bonds. (Acts 58th
36 Leg., R.S., Ch. 260, Sec. 8 (part).)

37 Source Law

38 Sec. 8. . . . any bonds issued by it and their
39 transfer and the issuance therefrom, including any
40 profits made in the sale thereof, shall at all times be
41 free from taxation by the State or any municipality or
42 political subdivision thereof.

43 Revisor's Note
44 (End of Subchapter)

- 45 (1) Section 7, Chapter 260, Acts of the 58th

1 Legislature, Regular Session, 1963, provides that the
2 first bonds issued may not exceed a maximum interest
3 rate of six percent and that refunding bonds must bear
4 interest at the same or a lower rate than the bonds
5 refunded unless a savings is shown. The revised law
6 omits those provisions as impliedly repealed by
7 Section 2(a), Chapter 3, Acts of the 61st Legislature,
8 Regular Session, 1969 (Article 717k-2, Vernon's Texas
9 Civil Statutes), which was revised in 1999 as Section
10 1204.006, Government Code. Section 1204.006(a)
11 permits a public agency, including a hospital
12 district, to issue bonds at any net effective interest
13 rate of 15 percent or less and applies to district
14 bonds under Section 1204.001, Government Code. The
15 omitted law reads:

16 Sec. 7. . . . The first issue of
17 bonds of the District shall not exceed a
18 maximum interest rate of six per cent (6%)
19 per annum. . . . provided that if refunding
20 bonds are to be exchanged for a like amount
21 of said outstanding bonds, such refunding
22 bonds shall bear interest at the same or
23 lower rate than borne by the bonds refunded,
24 unless it is shown mathematically that a
25 saving will result in the total amount of
26 interest to be paid on said refunding bonds;
27 and

28 (2) Section 7, Chapter 260, Acts of the 58th
29 Legislature, Regular Session, 1963, provides that
30 district bonds are subject to the law governing
31 counties that relates to bond approval by the attorney
32 general and registration of the bonds by the
33 comptroller. Section 7 also provides that after
34 approval and registration the bonds are
35 "incontestable." The revised law omits those
36 provisions as superseded by Chapter 1202, Government
37 Code (enacted as Article 3, Chapter 53, Acts of the
38 70th Legislature, 2nd Called Session, 1987). Section
39 1202.003(a), Government Code, requires bonds to be
40 submitted to the attorney general. Section

1 1202.003(b), Government Code, provides for approval of
2 the bonds by the attorney general and requires the
3 attorney general to submit the approved bonds to the
4 comptroller for registration. Section 1202.005,
5 Government Code, requires registration of the bonds by
6 the comptroller. Section 1202.006, Government Code,
7 provides that after approval and registration the
8 bonds are incontestable and binding obligations.
9 Chapter 1202, Government Code, applies to district
10 bonds by application of Section 1202.001, Government
11 Code. The omitted law reads:

12 Sec. 7. . . . [Such bonds] . . .
13 shall be subject to the same requirements in
14 the matter of the approval by the Attorney
15 General of Texas and registration by the
16 Comptroller of Public Accounts of the State
17 of Texas as are by law provided for approval
18 and registration of bonds issued by
19 counties. After approval of any such bonds
20 by the Attorney General and registration by
21 the Comptroller, said bonds shall be
22 incontestable. . . .

23 (3) Section 11, Chapter 260, Acts of the 58th
24 Legislature, Regular Session, 1963, provides that
25 district bonds are authorized investments for certain
26 entities. The revised law omits that provision as
27 unnecessary. As to several of the entities listed,
28 Section 11 has been superseded and impliedly repealed.
29 Investments in securities by banks are regulated by
30 Section 34.101, Finance Code (enacted in 1995 as
31 Section 5.101, Texas Banking Act (Article 342-5.101,
32 Vernon's Texas Civil Statutes)). Investments in
33 securities by savings banks are regulated by Section
34 93.001(c)(10), Finance Code (enacted in 1993 as
35 Section 7.15(10), Texas Savings Bank Act (Article
36 489e, Vernon's Texas Civil Statutes)). Investments in
37 securities by trust companies are regulated by Section
38 184.101, Finance Code (enacted in 1997 as Section
39 5.101, Texas Trust Company Act (Article 342a-5.101,

1 Vernon's Texas Civil Statutes)). Investments in
2 securities by savings and loan associations are
3 regulated by Sections 63.002 and 64.001, Finance Code.
4 As to the remaining entities listed, Section 11 is
5 superseded by Section 1201.041, Government Code
6 (enacted as Section 9, Bond Procedures Act of 1981
7 (Article 717k-6, Vernon's Texas Civil Statutes)).
8 While Section 11 lists "guardians" and Section
9 1201.041 does not, Section 1201.041 includes a
10 "fiduciary" and a guardian is a fiduciary. Section
11 1201.041, Government Code, applies to district bonds
12 by application of Section 1201.002, Government Code.
13 The revised law omits the reference to public funds of
14 this state because it has been superseded by Section
15 404.024, Government Code (enacted in 1985 as Section
16 2.014, Treasury Act (Article 4393-1, Vernon's Texas
17 Civil Statutes)), which governs the investment of
18 state funds. Section 404.024(b)(10), Government Code,
19 authorizes the investment of state funds in
20 obligations of political subdivisions, including
21 hospital districts. The omitted law reads:

22 Sec. 11. All bonds of the District
23 shall be and are hereby declared to be legal
24 and authorized investments of banks,
25 savings banks, trust companies, building
26 and loan associations, savings and loan
27 associations, insurance companies,
28 fiduciaries, trustees, guardians, and
29 sinking funds of cities, towns, villages,
30 counties, school districts, or other
31 political subdivisions of the State of
32 Texas, and for all public funds of the State
33 of Texas or its agencies, including the
34 State Permanent School Fund. . . .

35 (4) Section 11, Chapter 260, Acts of the 58th
36 Legislature, Regular Session, 1963, effectively
37 provides that district bonds may secure deposits of
38 public funds of this state or political subdivisions
39 of this state. The revised law omits the provisions as
40 impliedly repealed by Section 404.0221, Government

1 Code (enacted in 1995), which lists eligible
2 collateral for deposits of state funds by the
3 comptroller, and by Chapter 2257, Government Code
4 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
5 Statutes), which governs eligible collateral for
6 deposits of funds of other public agencies, including
7 political subdivisions. The omitted law reads:

8 Sec. 11. . . . Such bonds shall be
9 eligible to secure deposit of public funds
10 of the State of Texas and public funds of
11 cities, towns, villages, counties, school
12 districts or other political subdivisions
13 or corporations of the State of Texas; and
14 such bonds shall be lawful and sufficient
15 security for said deposits to the extent of
16 their value when accompanied by all
17 unmatured coupons appurtenant thereto.

18 [Sections 1083.207-1083.250 reserved for expansion]

19 SUBCHAPTER F. TAXES

20 Revised Law

21 Sec. 1083.251. IMPOSITION OF AD VALOREM TAX. (a) The
22 district may impose a tax on all property in the district subject to
23 district taxation.

24 (b) The tax may be used:

- 25 (1) to meet the requirements of district bonds; and
26 (2) for the district's maintenance and operating
27 expenses. (Acts 58th Leg., R.S., Ch. 260, Sec. 3 (part).)

28 Source Law

29 Sec. 3. . . . [North Wheeler County Hospital
30 District shall be created] with authority to levy
31 annual taxes . . . [on] . . . all taxable property
32 within such District for the purpose of meeting the
33 requirements of the District's bonds, and its
34 maintenance and operating expenses, and

35 Revised Law

36 Sec. 1083.252. TAX RATE. The district may impose the tax at
37 a rate not to exceed 75 cents on each \$100 valuation of taxable
38 property in the district. (Acts 58th Leg., R.S., Ch. 260, Sec. 3
39 (part).)

40 Source Law

41 Sec. 3. . . . [North Wheeler County Hospital
42 District shall be created with authority to levy

1 annual taxes] at a rate not to exceed seventy-five
2 cents (75¢) on the One Hundred Dollar (\$100) valuation
3 of [all taxable property within such District]

4 Revised Law

5 Sec. 1083.253. TAX ASSESSOR-COLLECTOR. The tax
6 assessor-collector of Wheeler County shall assess and collect taxes
7 imposed by the district. (Acts 58th Leg., R.S., Ch. 260, Sec. 13
8 (part).)

9 Source Law

10 Sec. 13. . . . The Tax Assessor and/or
11 Collector of Wheeler County shall be charged and
12 required to accomplish the assessment and collection
13 of all taxes levied by and on behalf of the District
14 and

15 Revisor's Note

16 (1) Section 13, Chapter 260, Acts of the 58th
17 Legislature, Regular Session, 1963, provides that tax
18 revenue shall be deposited in the district's
19 depository. The revised law omits the provision
20 because Section 31.10, Tax Code, requires the tax
21 assessor-collector of a taxing unit to deposit taxes
22 collected in the unit's depository. The omitted law
23 reads:

24 Sec. 13. . . . [The Tax Assessor
25 and/or Collector of Wheeler County shall be
26 charged and required] . . . to promptly pay
27 over the same to the District
28 Depository. . . .

29 (2) Section 13, Chapter 260, Acts of the 58th
30 Legislature, Regular Session, 1963, provides for
31 compensating the county tax assessor-collector for the
32 assessment and collection of district taxes. The
33 revised law omits that provision because it was
34 repealed by Section 6(b), Chapter 841, Acts of the 66th
35 Legislature, Regular Session, 1979, which repealed all
36 "general, local, and special laws" that conflicted
37 with that act. The 1979 act enacted the Property Tax
38 Code (Title 1, Tax Code), a comprehensive, substantive
39 codification of all property tax law. Section
40 6.27(b), Tax Code, provides for the compensation of a

1 county tax assessor-collector assessing and
2 collecting taxes for another taxing unit. The omitted
3 law reads:

4 Sec. 13. . . . For his services the
5 County Tax Assessor-Collector shall be
6 allowed such compensation as may be
7 provided for by contract with the District
8 but not to exceed the amount allowed for
9 assessment and collection of County taxes.
10 Provided further that the amount allowed
11 for collection shall not exceed one per cent
12 (1%) of the amounts collected as may be
13 determined by the Board of Directors but in
14 no event in excess of Two Thousand, Five
15 Hundred Dollars (\$2,500) for any one (1)
16 fiscal year. . . .

17 (3) Section 13, Chapter 260, Acts of the 58th
18 Legislature, Regular Session, 1963, provides that the
19 bond of the county tax assessor-collector is security
20 for the performance of district duties unless the
21 board determines that an additional bond is necessary.
22 The revised law omits that provision because it
23 duplicates Section 6.29(b), Tax Code, which authorizes
24 a taxing unit for which the county tax
25 assessor-collector collects a tax to require that
26 collector to post an additional bond. The omitted law
27 reads:

28 Sec. 13. . . . The bond of the
29 County Tax Assessor-Collector shall stand
30 as security for the proper performance of
31 his duties as Assessor-Collector of the
32 District, or, if in the judgment of the
33 District Board of Directors, it is
34 necessary that additional bond payable to
35 the District may be required. . . .

36 (4) Section 13, Chapter 260, Acts of the 58th
37 Legislature, Regular Session, 1963, provides that the
38 county tax assessor-collector may act in accordance
39 with state law relating to the assessment, collection,
40 and enforcement of state and county taxes. The revised
41 law omits that provision as unnecessary. The state law
42 relating to the assessment, collection, and
43 enforcement of all ad valorem taxes is Title 1, Tax
44 Code. Section 1.02, Tax Code, requires all taxing

1 units of government to administer the assessment,
2 collection, and enforcement of taxes in conformity
3 with that title. The omitted law reads:

4 Sec. 13. . . . In all matters
5 pertaining to the assessment, collection
6 and enforcement of taxes for the District,
7 the County Tax Assessor-Collector shall be
8 authorized to act in all respects according
9 to the laws of the State of Texas relating
10 to State and County taxes.

11 Revisor's Note
12 (End of Subchapter)

13 Section 13, Chapter 260, Acts of the 58th
14 Legislature, Regular Session, 1963, requires the
15 district to impose taxes in a certain manner. The
16 revised law omits that provision because it was
17 repealed by Section 6(b), Chapter 841, Acts of the 66th
18 Legislature, Regular Session, 1979. See Revisor's Note
19 (2) to Section 1083.253. Title 1, Tax Code, provides
20 the exclusive procedures for the imposition and
21 collection of property taxes by a taxing unit,
22 including a hospital district. The omitted law reads:

23 Sec. 13. The District shall use
24 Wheeler County, Texas, tax values and
25 Wheeler County, Texas, tax rolls. District
26 taxes shall be assessed and collected in the
27 same manner as provided by law with relation
28 to County taxes. . . .

29 Revisor's Note
30 (End of Chapter)

31 (1) Section 2, Chapter 260, Acts of the 58th
32 Legislature, Regular Session, 1963, provides that
33 Wheeler County or a municipality in the county does not
34 own any hospital facilities before the district's
35 creation and that the district does not assume any debt
36 or take over any properties on creation. The revised
37 law omits those provisions as executed. The omitted
38 law reads:

39 Sec. 2. . . . There being no
40 hospital, hospital system or hospital
41 facilities of any nature presently owned by
42 Wheeler County or any city or town therein
43 no provisions are made herein for the

1 transfer of properties or equipment or the
2 assumption of any outstanding indebtedness
3 incurred by them for hospital purposes such
4 as is permitted by the aforementioned
5 constitutional provision in the case of
6 existing county, city or town hospitals,
7 hospital systems or hospital facilities.

8 (2) Section 19, Chapter 260, Acts of the 58th
9 Legislature, Regular Session, 1963, provides that the
10 act is severable. The revised law omits that provision
11 because it duplicates Section 311.032, Government Code
12 (Code Construction Act), which provides that a
13 provision of a statute is severable from each other
14 provision of the statute that can be given effect. The
15 omitted law reads:

16 Sec. 19. If any of the provisions of
17 this Act or the application thereof to any
18 person or circumstances is held invalid,
19 such invalidity shall not affect other
20 provisions or applications of the Act which
21 can be given effect without the invalid
22 provision or application, and to this end
23 the provisions of this Act are declared to
24 be severable.

25 (3) Section 20, Chapter 260, Acts of the 58th
26 Legislature, Regular Session, 1963, provides that
27 public notice of enactment of the statute was provided
28 in a manner that satisfies the requirements of the
29 Texas Constitution. The revised law omits that
30 section as executed. The omitted law reads:

31 Sec. 20. Proof of Publication of the
32 notice required in the enactment hereof
33 under the provisions of Section 9 of Article
34 IX of the Texas Constitution has been made
35 in the manner and form provided by law
36 pertaining to the enactment of local and
37 special laws and such notice is hereby found
38 and declared proper and sufficient to
39 satisfy such requirement.

17 HOSPITAL DISTRICT

18 SUBCHAPTER A. GENERAL PROVISIONS

19 Revised Law

20 Sec. 1084.001. DEFINITIONS. In this chapter:

21 (1) "Board" means the board of directors of the

22 district.

23 (2) "Director" means a member of the board.

24 (3) "District" means the Palo Pinto County Hospital

25 District. (New.)

26 Revisor's Note

27 The definitions of "board," "director," and

28 "district" are added to the revised law for drafting

29 convenience and to eliminate frequent, unnecessary

30 repetition of the substance of the definitions.

31 Revised Law

32 Sec. 1084.002. AUTHORITY FOR OPERATION. The Palo Pinto

33 County Hospital District operates in accordance with Section 9,

34 Article IX, Texas Constitution. (Acts 59th Leg., R.S., Ch. 84, Sec.

1 1 (part).)

2 Source Law

3 Sec. 1. In accordance with the provisions of
4 Article IX, Section 9, Constitution of the State of
5 Texas, this Act shall be operative so as to authorize
6 the creation, establishment, maintenance and
7 operation of a hospital district within the State of
8 Texas, to be known as the Palo Pinto County Hospital
9 District

10 Revisor's Note

11 Section 1, Chapter 84, Acts of the 59th
12 Legislature, Regular Session, 1965, authorizes the
13 "creation, establishment, maintenance and operation"
14 of the district. The revised law omits "creation" and
15 "establishment" as executed. The revised law omits
16 "maintenance" because, in this context, the meaning of
17 that term is included in the meaning of "operation."

19 Sec. 1084.003. POLITICAL SUBDIVISION. The district is a

35 Sec. 1084.005. CORRECTION OF INVALID PROCEDURES. If a
36 court holds that any procedure under this chapter violates the
37 constitution of this state or of the United States, the district by
38 resolution may provide an alternative procedure that conforms with
39 the constitution. (Acts 59th Leg., R.S., Ch. 84, Sec. 17 (part).)

1 the Commissioners Court upon its own motion
2 or upon receipt by it of a petition of fifty
3 (50) resident qualified property taxpaying
4 voters.

5 The order calling the election shall
6 specify the time and place or places of
7 holding same, the form of ballot and the
8 presiding judge for each voting place. At
9 such election there shall be submitted to
10 the qualified property taxpaying electors
11 the proposition of whether or not Palo Pinto
12 County Hospital District shall be created
13 with authority to levy annual taxes at a
14 rate not to exceed Seventy-Five Cents (75¢)
15 on the One Hundred Dollar (\$100) valuation
16 of all taxable property within such
17 district for the purpose of meeting the
18 requirements of the district's bonds and its
19 maintenance and operating expenses, and a
20 majority of the qualified property
21 taxpaying electors of the district voting
22 in said election in favor of the proposition
23 shall be sufficient for its adoption. The
24 ballots shall have printed thereon the
25 following:

26 "FOR the creation of the Palo Pinto
27 County Hospital District, and providing for
28 the levy of annual taxes not to exceed
29 Seventy-Five Cents (75¢) on the One Hundred
30 Dollar (\$100) valuation of all taxable
31 property within such District."

32 "AGAINST the creation of the Palo
33 Pinto County Hospital District, and
34 providing for the levy of annual taxes not
35 to exceed Seventy-Five Cents (75¢) on the
36 One Hundred Dollar (\$100) valuation of all
37 taxable property within such District."

38 Notice of election shall be given by
39 publishing a substantial copy of the
40 election order in a newspaper of general
41 circulation in Palo Pinto County Hospital
42 District once a week for two (2) consecutive
43 weeks, the first publication to appear at
44 least fourteen (14) days prior to the date
45 established for the election.

46 The failure of any such election shall
47 not operate to prohibit the calling and
48 holding of subsequent elections for the
49 same purpose by the Commissioners Court
50 upon its own motion or upon receipt by it of
51 a petition of fifty (50) resident qualified
52 property taxpaying voters.

53 Sec. 3. Within ten (10) days after
54 such election is held the Commissioners
55 Court shall convene and canvass the returns
56 of the election, and if a majority of the
57 qualified property taxpaying electors
58 voting at said election voted in favor of
59 the proposition, they shall so find and
60 declare the hospital district established
61 and created.

63 SUBCHAPTER B. DISTRICT ADMINISTRATION

64 Revised Law

65 Sec. 1084.051. BOARD ELECTION; TERM. (a) The district is

1 governed by a board of seven directors as follows:

2 (1) six directors elected by place; and

3 (2) the chief of staff elected by the medical staff
4 under Section 1084.063.

5 (b) Unless four-year terms are established under Section
6 285.081, Health and Safety Code, the directors elected to the board
7 serve staggered two-year terms as follows:

8 (1) directors for places 1, 2, and 3 are elected on the
9 uniform election date in May of each odd-numbered year; and

10 (2) directors for places 4, 5, and 6 are elected on the
11 uniform election date in May of each even-numbered year. (Acts 59th
12 Leg., R.S., Ch. 84, Secs. 4(a) (part), (d) (part).)

13 Source Law

14 Sec. 4. (a) The District shall be governed,
15 managed and controlled by a Board of Directors
16 composed of seven (7) members, [The Chief of
17 Staff of the hospital system owned and operated by the
18 District shall be elected by the medical staff thereof
19 not less frequently than every two (2) years,] and one
20 position on the Board of Directors of said District
21 shall at all times be occupied by the Chief of Staff
22 thus elected. The other six (6) members of the Board
23 of Directors shall be elected by place. Directors for
24 places 1, 2, and 3 are elected in odd-numbered years
25 and directors for places 4, 5, and 6 are elected in
26 even-numbered years. . . . Members elected to the
27 Board of Directors shall serve for a period of two (2)
28 years and until their successors have been duly
29 elected or appointed and qualified. . . .

30 (d) A regular election for the election of the
31 appropriate number of successor directors shall be
32 held on the first Saturday in May of each year and
33

34 Revisor's Note

35 (1) Section 4(a), Chapter 84, Acts of the 59th
36 Legislature, Regular Session, 1965, provides that the
37 district shall be "governed, managed and controlled"
38 by seven board members. The revised law omits
39 "managed" and "controlled" because, in this context,
40 the terms are included in the meaning of "governed."

41 (2) Section 4(a), Chapter 84, Acts of the 59th
42 Legislature, Regular Session, 1965, provides that the
43 directors elected to the board serve staggered

1 two-year terms. Section 285.081, Health and Safety
2 Code, applicable to this hospital district, provides a
3 mechanism by which the governing board of a hospital
4 district, on its own motion, may order that the members
5 are to be elected in even-numbered years to serve
6 staggered four-year terms. The revised law is drafted
7 accordingly and adds a reference to Section 285.081,
8 Health and Safety Code, for the convenience of the
9 reader.

10 (3) Section 4(a), Chapter 84, Acts of the 59th
11 Legislature, Regular Session, 1965, provides that the
12 directors serve "until their successors have been duly
13 elected or appointed and qualified." The revised law
14 omits that provision because it duplicates Section 17,
15 Article XVI, Texas Constitution, which provides that
16 an officer in this state is to continue to perform the
17 officer's official duties until a successor has
18 qualified.

19 (4) Section 4(a), Chapter 84, Acts of the 59th
20 Legislature, Regular Session, 1965, provides that the
21 candidate receiving the highest number of votes for
22 each position is elected. The revised law omits that
23 provision because it duplicates Section 2.001,
24 Election Code, which provides that, except as
25 otherwise provided by law, to be elected to a public
26 office, a candidate must receive more votes than any
27 other candidate for the office. The omitted law reads:

28 (a) . . . The candidate for a place
29 who receives the highest number of votes for
30 election to a place is a director for the
31 District. . . .

32 (5) Section 4(d), Chapter 84, Acts of the 59th
33 Legislature, Regular Session, 1965, was amended in
34 2001 to require board elections on the "first Saturday
35 in May." From 1987 to 2003, Section 41.001, Election
36 Code, provided for a uniform election date for all

1 political subdivisions on the first Saturday in May.
2 In Chapter 1315, Acts of the 78th Legislature, Regular
3 Session, 2003, the legislature amended Section 41.001
4 by moving the uniform election date in May to the third
5 Saturday. In Chapter 1, Acts of the 78th Legislature,
6 3rd Called Session, 2003, the legislature amended
7 Section 41.001 by moving the uniform election date in
8 May back to the first Saturday. In Chapter 471, Acts
9 of the 79th Legislature, Regular Session, 2005, the
10 legislature amended Section 41.001 by moving the
11 uniform election date in May to the second Saturday.
12 The revised law substitutes "uniform election date in
13 May" for "first Saturday in May" to reflect these
14 changes while preserving as closely as possible the
15 legislative intent expressed in the 2001 amendment to
16 Section 4(d) that the election be held on the first
17 Saturday in May, which was at that time the uniform
18 election date in May.

19 (6) Section 4(d), Chapter 84, Acts of the 59th
20 Legislature, Regular Session, 1965, provides that the
21 board shall order the election of directors in
22 accordance with Chapter 3, Election Code. The revised
23 law omits that provision because Chapter 3 applies to
24 the district by its own terms under Section 1.002,
25 Election Code. The omitted law reads:

26 (d) [A regular election for the
27 election of . . . directors . . .] shall be
28 ordered by the Board of Directors in
29 accordance with the applicable provisions
30 of Chapter 3, Election Code. . . .

31 (7) Sections 4 and 5, Chapter 259, Acts of the
32 68th Legislature, Regular Session, 1983, provide for
33 the election place designation of elected directors
34 and for the continuation of their terms to accomplish
35 the change in the manner in which directors are
36 elected. The revised law omits those provisions as

1 executed. The omitted law reads:

2 Sec. 4. After the 1983 election of
3 directors, the board of directors of the
4 Palo Pinto County Hospital District shall
5 adopt an order designating one director
6 elected at that election to serve from place
7 1, another director elected at that
8 election to serve from place 2, and the
9 third director elected at that election to
10 serve from place 3 and designating one
11 director elected at the 1982 election of
12 directors to serve from place 4, another
13 director elected at the 1982 election to
14 serve from place 5, and the third director
15 elected at the 1982 election to serve from
16 place 6.

17 Sec. 5. (a) The provisions of
18 Section 4, Chapter 84, Acts of the 59th
19 Legislature, Regular Session, 1965, that
20 specify that six members of the board of
21 directors shall be elected by place, that
22 the candidate for a place receiving the
23 highest number of votes for election to that
24 place is a director for the district, and
25 that the petition of a candidate for
26 director must specify the place for which
27 the applicant is to be a candidate take
28 effect January 1, 1984.

29 (b) The provisions of Section 4,
30 Chapter 84, Acts of the 59th Legislature,
31 Regular Session, 1965, that provide for the
32 election of six directors at large apply to
33 an election of directors held before
34 January 1, 1984. For that purpose, those
35 provisions are continued in effect as they
36 existed before amendment by this Act.

37 Revised Law

38 Sec. 1084.052. NOTICE OF ELECTION. Notice of each
39 directors' election shall be published in a newspaper of general
40 circulation in Palo Pinto County in accordance with Chapter 4,
41 Election Code. (Acts 59th Leg., R.S., Ch. 84, Sec. 4(d) (part).)

42 Source Law

43 (d) . . . Notice of each election of directors
44 shall be published in a newspaper of general
45 circulation in the county in accordance with Chapter
46 4, Election Code. . . .

47 Revisor's Note

48 Section 4(d), Chapter 84, Acts of the 59th
49 Legislature, Regular Session, 1965, requires notice of
50 a directors' election to be published in "the county."
51 Throughout this chapter, the revised law substitutes
52 "Palo Pinto County" for "the county" or "the county in
53 which the district is located" because Palo Pinto

1 County is the county in which the district is located.

2 Revised Law

3 Sec. 1084.053. QUALIFICATIONS FOR OFFICE. (a) A person may
4 not be elected or appointed to an elected position on the board
5 unless the person is:

6 (1) a resident of the district; and

7 (2) a qualified voter.

8 (b) In addition to the requirements prescribed by
9 Subsection (a), a person is not eligible to serve as a director if
10 the person:

11 (1) directly or indirectly has an ownership or
12 investment interest in a health care facility located in Palo Pinto
13 County; or

14 (2) directly or in conjunction with another person or
15 entity has an ownership interest in another business or entity
16 that:

17 (A) is related to health care; and

18 (B) provides a good or service to the area served
19 by the district that is the same as or substantially similar to a
20 good or service provided by the district.

21 (c) Subsection (b) does not apply to:

22 (1) an ownership or investment interest in publicly
23 available shares of a registered investment company, such as a
24 mutual fund, that owns publicly traded equity securities or debt
25 obligations issued by:

26 (A) a health care facility;

27 (B) a business or entity described by Subsection
28 (b); or

29 (C) an entity that owns the health care facility,
30 business, or entity; or

31 (2) a physician's ownership interest in the
32 physician's own medical practice. (Acts 59th Leg., R.S., Ch. 84,
33 Secs. 4(a) (part), (a-1), (a-2).)

1 Source Law

2 (a) . . . No person shall be appointed or
3 elected to the elective positions on the Board of
4 Directors of said Hospital District unless the person
5 is a resident of the District and a qualified voter.

6 (a-1) In addition to the requirements
7 prescribed by Subsection (a) of this section, a person
8 is not eligible to serve on the Board of Directors if
9 the person:

10 (1) has an ownership or investment
11 interest, directly or indirectly, in a health care
12 facility located in Palo Pinto County; or

13 (2) has an ownership interest, directly or
14 in conjunction with another person or entity, in
15 another business or entity related to health care that
16 provides a good or service to the area served by the
17 District that is the same as or substantially similar
18 to a good or service provided by the District.

19 (a-2) Subsection (a-1) of this section does not
20 apply to:

21 (1) an ownership or investment interest in
22 publicly available shares of a registered investment
23 company, such as a mutual fund, that owns publicly
24 traded equity securities or debt obligations issued by
25 a health care facility or another business or entity
26 related to health care described by Subsection (a-1)
27 of this section or by an entity that owns the health
28 care facility, business, or entity; or

29 (2) a physician's ownership interest in
30 the physician's own medical practice.

31 Revised Law

32 Sec. 1084.054. GROUNDS FOR REMOVAL. (a) It is a ground for
33 removal from the board that a director violates a prohibition
34 established by Section 1084.053(b). A director may be removed for
35 the violation in accordance with the procedures provided by
36 Subchapter B, Chapter 87, Local Government Code, for removing a
37 county official.

38 (b) The validity of a board action is not affected by the
39 fact that the action is taken when a ground for removal of a
40 director exists. (Acts 59th Leg., R.S., Ch. 84, Secs. 4(a-3),
41 (a-4), (a-5).)

42 Source Law

43 (a-3) It is a ground for removal from the Board
44 of Directors that a member violates a prohibition
45 established by Subsection (a-1) of this section.

46 (a-4) The validity of an action of the Board of
47 Directors is not affected by the fact that the action
48 is taken when a ground for removal of a member of the
49 Board of Directors exists.

50 (a-5) A member of the Board of Directors may be
51 removed for a ground provided by Subsection (a-3) of
52 this section, using the procedures provided by
53 Subchapter B, Chapter 87, Local Government Code, for
54 removing a county official.

1 Revised Law

2 Sec. 1084.055. BOND; RECORD OF BOND AND OATH OR
3 AFFIRMATION. (a) Each director shall execute a good and sufficient
4 bond for \$5,000 that is:

5 (1) payable to the district; and

6 (2) conditioned on the faithful performance of the
7 director's duties.

8 (b) Each director's bond and the constitutional oath or
9 affirmation of office shall be deposited with the district's
10 depository bank for safekeeping. (Acts 59th Leg., R.S., Ch. 84,
11 Sec. 4(b) (part).)

12 Source Law

13 (b) Each member of the Board of Directors . . .
14 shall execute a good and sufficient bond for \$5,000
15 payable to said District conditioned upon the faithful
16 performance of the member's duties, and such oaths and
17 bonds shall be deposited with the depository bank of
18 the District for safekeeping.

19 Revisor's Note

20 Section 4(b), Chapter 84, Acts of the 59th
21 Legislature, Regular Session, 1965, requires each
22 director to take the constitutional oath of office.
23 The revised law omits that provision because Section
24 1, Article XVI, Texas Constitution, requires all
25 officers to take the oath (or affirmation) before
26 assuming office. Additionally, the revised law
27 provides for the deposit of the constitutional
28 affirmation, as well as the constitutional oath,
29 because Section 1, Article XVI, Texas Constitution,
30 permits an officer in this state to take either the
31 constitutional oath or affirmation. The omitted law
32 reads:

33 (b) [Each member of the Board of
34 Directors] shall qualify by executing the
35 Constitutional Oath of Office and

36 Revised Law

37 Sec. 1084.056. BOARD VACANCY. (a) If a vacancy occurs in
38 the office of elected director, the remaining directors by majority

1 vote shall appoint a director for the unexpired term.

2 (b) If the number of directors is reduced to fewer than four
3 for any reason, the remaining directors shall immediately call a
4 special election to fill the vacancies of the elected positions. If
5 the remaining directors do not call the election, a district court,
6 on application of a district voter or taxpayer, may order the
7 directors to hold the election. (Acts 59th Leg., R.S., Ch. 84, Sec.
8 4(c) (part).)

9 Source Law

10 (c) . . . All vacancies in the elective
11 positions of directors shall be filled for the
12 unexpired term by a majority vote of the remainder of
13 the Board of Directors, and those appointees shall
14 hold office for the unexpired terms for which they were
15 appointed. In the event the number of directors shall
16 be reduced to less than four (4) for any reason, the
17 remaining directors shall immediately call a special
18 election to fill the elective positions which are
19 vacant, and upon failure to do so a district court may,
20 upon application of any voter or taxpayer of the
21 District, issue a mandate requiring that such election
22 be ordered by the remaining directors.

24 Sec. 1084.057. DIRECTOR RIGHTS AND RESPONSIBILITIES. All
25 directors have the same rights and responsibilities with regard to
26 voting and other matters. (Acts 59th Leg., R.S., Ch. 84, Sec. 4(a)
27 (part).)

28 Source Law

30 shall have the same rights and responsibilities with
31 respect to voting and all other matters. . . .

32 Revised Law

33 Sec. 1084.058. OFFICERS. (a) The board shall elect a
34 president, vice president, and secretary from among its members.

35 (b) Each officer of the board serves for a term of one year
36 and may serve successive terms. (Acts 59th Leg., R.S., Ch. 84, Sec.
37 4(c) (part).)

38 Source Law

39 (c) The Board of Directors shall organize by
40 electing one of their number as president, one of their
41 number as vice-president, and one of their number as
42 secretary. Each officer shall serve for a term of one
43 year and may serve successive terms. . . .

1 Revised Law

2 Sec. 1084.059. COMPENSATION; EXPENSES. A director serves
3 without compensation but may be reimbursed for actual expenses
4 incurred in the performance of official duties on approval of the
5 expenses by the entire board as reported in the board minutes. (Acts
6 59th Leg., R.S., Ch. 84, Sec. 4(e).)

7 Source Law

8 (e) All members of the Board of Directors shall
9 serve without compensation but may be reimbursed for
10 actual expenses incurred in the performance of their
11 official duties upon the approval of such expenses by
12 the entire Board of Directors as reported in the
13 minutes of the board.

14 Revised Law

15 Sec. 1084.060. VOTING REQUIREMENT. A concurrence of four
16 directors is sufficient in any matter relating to district
17 business. (Acts 59th Leg., R.S., Ch. 84, Sec. 4(c) (part).)

18 Source Law

19 (c) . . . [members of the Board of Directors]
20 . . . a concurrence of four (4) members shall be
21 sufficient in all matters pertaining to the business
22 of the District. . . .

23 Revisor's Note

24 Section 4(c), Chapter 84, Acts of the 59th
25 Legislature, Regular Session, 1965, provides that four
26 directors constitute a quorum. The revised law omits
27 that provision because it duplicates Section 311.013,
28 Government Code (Code Construction Act), which
29 provides that a quorum of a public body is a majority
30 of the number of members fixed by statute. The omitted
31 law reads:

32 (c) . . . Any four (4) members of the
33 Board of Directors shall constitute a
34 quorum and

36 Sec. 1084.061. DISTRICT ADMINISTRATOR; ASSISTANT
37 ADMINISTRATOR. (a) The board may appoint a qualified person as
38 district administrator.

39 (b) The board may appoint an assistant administrator.

1 (c) The district administrator and any assistant
2 administrator serve at the will of the board and are entitled to the
3 compensation determined by the board.

4 (d) On assuming the duties of district administrator, the
5 administrator shall execute a bond payable to the district in an
6 amount set by the board of not less than \$5,000 that:

7 (1) is conditioned on the administrator performing the
8 administrator's duties; and

9 (2) contains other conditions the board may require.

10 (e) The board may pay for the bond with district money.
11 (Acts 59th Leg., R.S., Ch. 84, Sec. 7(b) (part).)

12 Source Law

13 (b) The board of directors may appoint a
14 qualified person to be known as the administrator of
15 the hospital district and may in its discretion
16 appoint an assistant to the administrator. The
17 administrator and assistant administrator, if any,
18 serve at the will of the board and receive compensation
19 as may be fixed by the board. The administrator shall,
20 on assuming the administrator's duties, execute a bond
21 payable to the hospital district in an amount of not
22 less than \$5,000 as determined by the board,
23 conditioned on the administrator performing the
24 administrator's required duties and containing other
25 conditions the board requires. The board may pay for
26 the bond with district funds. . . .

27 Revised Law

28 Sec. 1084.062. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
29 Subject to any limitations prescribed by the board, the district
30 administrator shall:

31 (1) supervise the work and activities of the district;
32 and

33 (2) direct the affairs of the district. (Acts 59th
34 Leg., R.S., Ch. 84, Sec. 7(b) (part).)

35 Source Law

36 (b) . . . The administrator shall supervise all
37 the work and activities of the district and shall have

9 Sec. 1084.064. APPOINTMENT AND RECRUITMENT OF STAFF AND
10 EMPLOYEES. (a) The board may provide that the district
11 administrator has the authority to employ or appoint to the staff

13 for the efficient operation of the district.

14 (b) The board may spend district money, enter into
15 agreements, and take other necessary action to recruit physicians
16 and other persons to serve as medical staff members or district
17 employees, including:

18 (1) advertising and marketing;

19 (2) paying travel, recruitment, and relocation
20 expenses;

21 (3) providing a loan or scholarship to a physician or a
22 person who:

23 (A) is currently enrolled in health care
24 education courses at an institution of higher education; and

25 (B) contractually agrees to become a district
26 employee or medical staff member; or

27 (4) paying the tuition or other expenses of a
28 full-time medical student or other student in a health occupation
29 who:

30 (A) is enrolled in and is in good standing at an
31 accredited medical school, college, or university; and

32 (B) contractually agrees to become a district
33 employee or independent contractor in return for that assistance.

34 (Acts 59th Leg., R.S., Ch. 84, Secs. 7(b) (part), (g).)

35 Source Law

36 (b) . . . The board of directors may provide

1 that the administrator shall have the authority to
2 employ or appoint to the staff doctors, technicians,
3 nurses, and other employees of every kind and
4 character as necessary for the efficient operation of
5 the district.

6 (g) The board of directors may spend district
7 funds, enter into agreements, and take other necessary
8 action to recruit physicians and other persons to
9 serve as medical staff members or employees of the
10 district, including:

11 (1) advertising and marketing;
12 (2) paying travel, recruitment, and
13 relocation expenses;

14 (3) providing a loan or scholarship to a
15 physician or a person currently enrolled in health
16 care education courses at an institution of higher
17 education who contractually agrees to become a
18 district employee or medical staff member; or

19 (4) contracting with one or more full-time
20 medical students or other students in a health
21 occupation, each of whom shall be enrolled in and in
22 good standing at an accredited medical school,
23 college, or university, to pay the student's tuition or
24 other expenses in consideration of the student's
25 agreement to serve as an employee or independent
26 contractor for the district.

27 Revised Law

28 Sec. 1084.065. PERSONNEL CONTRACTS. (a) The board may
29 contract to provide administrative and other personnel for the
30 operation of the hospital facilities.

31 (b) The term of a contract may not exceed 25 years. (Acts
32 59th Leg., R.S., Ch. 84, Sec. 7(e) (part).)

33 Source Law

34 (e) The board of directors may enter into a
35 contract or contracts to provide administrative and
36 other personnel for the operation of the hospital
37 facilities. The term of the contract may not exceed 25
38 years. . . .

39 Revised Law

40 Sec. 1084.066. EDUCATIONAL PROGRAMS; COURSES. The board
41 may provide or contract for the provision of educational programs
42 or courses for district employees and medical staff. (Acts 59th
43 Leg., R.S., Ch. 84, Sec. 7(i).)

44 Source Law

45 (i) The board of directors may provide or
46 contract for the provision of educational programs or
47 courses for employees and medical staff of the
48 district.

49 Revised Law

50 Sec. 1084.067. RETIREMENT BENEFITS. The board may provide

1 retirement benefits for district employees by:

2 (1) establishing or administering a retirement
3 program; or

4 (2) participating in a statewide retirement system in
5 which the district is eligible to participate. (Acts 59th Leg.,
6 R.S., Ch. 84, Sec. 7(f).)

7 Source Law

8 (f) The board of directors may provide
9 retirement benefits for the employees of the district
10 by establishing or administering a retirement program
11 or electing to participate in any statewide retirement
12 system in which the district is eligible to
13 participate.

14 Revised Law

15 Sec. 1084.068. MAINTENANCE OF RECORDS; PUBLIC INSPECTION.
16 Except as provided by Section 1084.055, all district records,
17 including books, accounts, notices, minutes, and all other matters
18 of the district and the operation of its facilities, shall be:

19 (1) maintained at the district office; and

20 (2) open to public inspection at the district office
21 at all reasonable hours. (Acts 59th Leg., R.S., Ch. 84, Sec. 7(1).)

22 Source Law

23 (1) All books, records, accounts, notices and
24 minutes and all other matters of the district and the
25 operation of its facilities shall, except as herein
26 provided, be maintained at the office of the district
27 and there be open to public inspection at all
28 reasonable hours.

29 Revisor's Note

30 Section 7(1), Chapter 84, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that the
32 records shall be maintained at the district office
33 "except as herein provided." For the convenience of
34 the reader, the revised law substitutes a reference to
35 Section 1084.055, which revises Section 4(b), Chapter
36 84, and is the only exception provided in Chapter 84.

37 Revisor's Note
38 (End of Subchapter)

39 Section 4(d), Chapter 84, Acts of the 59th
40 Legislature, Regular Session, 1965, provides that a

1 person must file a ballot application with the board
2 secretary to be a candidate for director in accordance
3 with Chapter 144, Election Code, and that the
4 application must specify the place for which the
5 applicant is to be a candidate. The revised law omits
6 the reference to Chapter 144, Election Code, because
7 that chapter applies to the district under Section
8 1.002, Election Code, which provides that the Election
9 Code applies to all elections held in this state. The
10 revised law omits the requirement that the person
11 specify the place because it duplicates Section
12 141.031(a)(4)(C), Election Code, which requires a
13 candidate to state on the ballot application the
14 office sought by the candidate, including any place
15 number or other distinguishing number. The omitted
16 law reads:

17 (d) . . . Any person desiring the
18 person's name to be printed on the ballot as
19 a candidate for elective director shall
20 file an application with the secretary of
21 the Board of Directors of the District in
22 accordance with Chapter 144, Election Code.
23 The application must specify the place for
24 which the applicant is to be a candidate.

26 SUBCHAPTER C. POWERS AND DUTIES

27 Revised Law

28 Sec. 1084.101. DISTRICT RESPONSIBILITY. The district has
29 full responsibility for providing medical and hospital care for the
30 district's needy and indigent residents. (Acts 59th Leg., R.S.,
31 Ch. 84, Secs. 2 (part), 12 (part).)

32 Source Law

33 Sec. 2. That said district hereby provided for
34 shall assume full responsibility for providing medical
35 and hospital care for the needy residing within the
36 district;

37 Sec. 12. . . . such hospital district shall
38 assume full responsibility for the furnishing of
39 medical and hospital care for the needy and indigent
40 persons residing in said hospital district from the
41 date that taxes are collected for the hospital
42 district.

1 Revisor's Note

2 Sections 2 and 12, Chapter 84, Acts of the 59th
3 Legislature, Regular Session, 1965, provide that the
4 district "shall assume" full responsibility for
5 providing medical and hospital care for the district's
6 "needy" residents, and Section 12 provides that the
7 district shall assume that responsibility "from the
8 date that taxes are collected for the hospital
9 district." The revised law substitutes "has" for
10 "shall assume" because the duty to assume the
11 responsibility is executed. The revised law omits
12 "from the date that taxes are collected for the
13 hospital district" as executed.

14 Revised Law

15 Sec. 1084.102. RESTRICTION ON COUNTY OR MUNICIPALITY
16 TAXATION. Palo Pinto County or a municipality in the district may
17 not impose a tax on property in the district for hospital purposes.
18 (Acts 59th Leg., R.S., Ch. 84, Sec. 12 (part).)

19 Source Law

20 Sec. 12. Except as herein provided, neither
21 Palo Pinto County, nor any city or town within the
22 hospital district, shall levy any tax against any
23 property within the hospital district for hospital
24 purposes; and

25 Revisor's Note

26 (1) Section 12, Chapter 84, Acts of the 59th
27 Legislature, Regular Session, 1965, states that
28 "[e]xcept as herein provided," certain political
29 subdivisions may not levy a tax for hospital purposes.
30 The revised law omits the quoted language because the
31 act does not provide an exception. In addition,
32 throughout this chapter, the revised law substitutes
33 "impose" for "levy" because, in context, the terms are
34 synonymous and "impose" is more commonly used.

35 (2) Section 12, Chapter 84, Acts of the 59th
36 Legislature, Regular Session, 1965, refers to a "city

1 or town." The revised law substitutes "municipality"
2 for "city or town" to conform to the terminology of the
3 Local Government Code.

4 Revised Law

5 Sec. 1084.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
6 The board shall manage, control, and administer the district's
7 hospitals and hospital system. (Acts 59th Leg., R.S., Ch. 84, Sec.
8 7(a) (part).)

9 Source Law

10 Sec. 7. (a) The board of directors shall manage,
11 control, and administer the hospitals and hospital
12 system of the district. . . .

13 Revised Law

14 Sec. 1084.104. RULES. (a) The board may adopt rules
15 governing the operation of the district, including district
16 facilities.

17 (b) On approval by the board, the rules may be published in
18 booklet form at district expense and made available to any taxpayer
19 on request. (Acts 59th Leg., R.S., Ch. 84, Sec. 7(m).)

20 Source Law

21 (m) The board of directors is specifically
22 empowered to adopt rules and regulations governing the
23 operation of such district and its facilities which
24 rules and regulations shall supplement but shall not
25 contravene any of the provisions of this Act. Such
26 rules and regulations may, upon approval of the board
27 of directors, be published in booklet or pamphlet form
28 at the expense of the district and may be made
29 available to any taxpayer upon request.

30 Revisor's Note

31 (1) Section 7(m), Chapter 84, Acts of the 59th
32 Legislature, Regular Session, 1965, provides that the
33 board may adopt "rules and regulations" to govern the
34 district. The revised law omits "regulations" because
35 under Section 311.005(5), Government Code (Code
36 Construction Act), a rule is defined to include a
37 regulation.

38 (2) Section 7(m), Chapter 84, Acts of the 59th
39 Legislature, Regular Session, 1965, provides that the

1 board may adopt rules that "shall supplement but shall
2 not contravene any of the provisions of this Act." The
3 revised law omits the quoted language because, under
4 established principles of law, the board is not
5 authorized to take any action contrary to the laws of
6 this state.

7 (3) Section 7(m), Chapter 84, Acts of the 59th
8 Legislature, Regular Session, 1965, refers to
9 publishing rules in "booklet or pamphlet form." The
10 revised law omits "pamphlet" because, in context, the
11 meaning of "pamphlet" is included in the meaning of
12 "booklet."

13 Revised Law

14 Sec. 1084.105. DISTRICT PROPERTY, FACILITIES, AND
15 EQUIPMENT. (a) The board may:

16 (1) purchase or lease property, including facilities
17 or equipment, for the district to use in the hospital system; and

18 (2) mortgage or pledge the property as security for
19 the payment of the purchase price.

20 (b) The board may lease district hospital facilities to
21 individuals, corporations, or other legal entities.

22 (c) The board may sell or otherwise dispose of the
23 district's property, including facilities or equipment. (Acts 59th
24 Leg., R.S., Ch. 84, Secs. 7(d), (e) (part).)

25 Source Law

26 (d) The board of directors may purchase or lease
27 property, facilities, and equipment for the district
28 to use in the hospital system and may mortgage or
29 pledge the property, facilities, or equipment as
30 security for the payment of the purchase price.

31 (e) . . . The board may transfer district
32 hospital facilities by lease to individuals,
33 corporations, or other legal entities and may sell or
34 otherwise dispose of the district's property,
35 facilities, and equipment.

36 Revised Law

37 Sec. 1084.106. EMINENT DOMAIN. (a) The district may
38 exercise the power of eminent domain to acquire a fee simple or
39 other interest in any type of property, real, personal, or mixed,

1 located in district territory, if the interest is necessary or
2 convenient for the district to exercise a right, power, privilege,
3 or function conferred on the district by this chapter.

4 (b) The district must exercise the power of eminent domain
5 in the manner provided by Chapter 21, Property Code, except the
6 district is not required to deposit in the trial court money or a
7 bond as provided by Section 21.021, Property Code.

8 (c) In a condemnation proceeding brought by the district,
9 the district is not required to:

10 (1) pay in advance or provide a bond or other security
11 for costs in the trial court;

12 (2) provide a bond for the issuance of a temporary
13 restraining order or a temporary injunction; or

14 (3) provide a bond for costs or a supersedeas bond on
15 an appeal or petition for review. (Acts 59th Leg., R.S., Ch. 84,
16 Sec. 9.)

17 Source Law

18 Sec. 9. The district shall have the right and
19 power of eminent domain for the purpose of acquiring by
20 condemnation any and all property of any kind or
21 character, real, personal or mixed, or any interest
22 therein, including outright ownership of such property
23 in fee simple absolute, within the boundaries of the
24 said district, necessary or convenient to the exercise
25 of the rights, power, privileges and functions
26 conferred upon it by this Act, in the manner provided
27 by General Law with respect to condemnation; provided
28 that the said district shall not be required to make
29 deposits in the registry of the trial court of the sum
30 required by Section 21.021, Property Code, or to make
31 the bond required therein. In condemnation proceedings
32 being prosecuted by the said district, the district
33 shall not be required to pay in advance or to give bond
34 or other security for costs in the trial court, nor to
35 give any bond otherwise required for the issuance of a
36 temporary restraining order or a temporary injunction
37 relating to a condemnation proceeding, nor to give
38 bond for costs or for supersedeas on any appeal or writ
39 of error proceeding to any Court of Civil Appeals, or
40 to the Supreme Court.

41 Revisor's Note

42 (1) Section 9, Chapter 84, Acts of the 59th
43 Legislature, Regular Session, 1965, provides that the
44 district has the "right and power of eminent domain for
45 the purpose of acquiring [property] by condemnation."

1 The revised law substitutes for the quoted language
2 "may exercise the power of eminent domain to acquire
3 [property]" because the phrases have the same meaning
4 and the latter phrase is consistent with modern usage
5 in laws relating to eminent domain.

6 (2) Section 9, Chapter 84, Acts of the 59th
7 Legislature, Regular Session, 1965, provides that the
8 district must exercise the power of eminent domain in
9 the manner provided by "General Law with respect to
10 condemnation." The revised law substitutes for
11 "General Law" a reference to Chapter 21, Property
12 Code, because that is the general law governing
13 eminent domain.

14 (3) Section 9, Chapter 84, Acts of the 59th
15 Legislature, Regular Session, 1965, provides that the
16 district is not required to provide bond on any appeal
17 or "writ of error proceeding" to "any Court of Civil
18 Appeals, or to the Supreme Court." The revised law
19 substitutes "petition for review" for "writ of error"
20 because, effective September 1, 1997, the Texas
21 Supreme Court replaced the writ of error procedure
22 with the petition for review procedure. See Rule 53.1,
23 Texas Rules of Appellate Procedure. The revised law
24 omits the references to the court of civil appeals (now
25 the court of appeals) and the supreme court. The
26 revised law omits the references because the court of
27 appeals and the supreme court are the only courts to
28 which the district may appeal or with which the
29 district may file a petition for review.

30 Revised Law

31 Sec. 1084.107. GIFTS AND ENDOWMENTS. The board may accept
32 for the district a gift or endowment to be held in trust and
33 administered by the board for the purposes and under the
34 directions, limitations, or provisions prescribed in writing by the

1 donor that are not inconsistent with the proper management and
2 objectives of the district. (Acts 59th Leg., R.S., Ch. 84, Sec.
3 14.)

4 Source Law

5 Sec. 14. The board of directors of the hospital
6 district is authorized on behalf of said hospital
7 district to accept donations, gifts and endowments for
8 the hospital district to be held in trust and
9 administered by the board of directors for such
10 purposes and under such direction, limitations, and
11 provisions as may be prescribed in writing by donor,
12 not inconsistent with proper management and objects of
13 the hospital district.

14 Revisor's Note

15 Section 14, Chapter 84, Acts of the 59th
16 Legislature, Regular Session, 1965, refers to
17 "donations" and "gifts." The revised law omits
18 "donations" because "donations" is included in the
19 meaning of "gifts."

20 Revised Law

21 Sec. 1084.108. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
22 CARE AND TREATMENT. (a) The board may contract with a county or
23 municipality located outside the district's boundaries for the care
24 and treatment of a sick or injured person of that county or
25 municipality.

26 (b) The board may contract with this state or a federal
27 agency for the treatment of a sick or injured person. (Acts 59th
28 Leg., R.S., Ch. 84, Sec. 7(c).)

29 Source Law

30 (c) The board of directors may contract with any
31 county or incorporated municipality located outside
32 its boundaries for the care and treatment of the sick,
33 diseased, or injured persons of the county or
34 municipality and may contract with this state or
35 agencies of the federal government for the treatment
36 of sick, diseased, or injured persons.

37 Revisor's Note

38 (1) Section 7(c), Chapter 84, Acts of the 59th
39 Legislature, Regular Session, 1965, refers to an
40 "incorporated" municipality. The revised law omits
41 the reference to "incorporated" because under the

1 Local Government Code all municipalities must be
2 incorporated.

3 (2) Section 7(c), Chapter 84, Acts of the 59th
4 Legislature, Regular Session, 1965, refers to the
5 treatment of "sick, diseased, or injured persons."
6 The revised law omits the reference to "diseased"
7 because "diseased" is included in the meaning of
8 "sick."

9 Revised Law

10 Sec. 1084.109. PAYMENT FOR TREATMENT; PROCEDURES. (a)

11 When a patient who resides in the district is admitted to a district
12 facility, the district administrator may have an inquiry made into
13 the circumstances of:

14 (1) the patient; and

15 (2) the patient's relatives who are legally liable for
16 the patient's support.

17 (b) If the district administrator determines that the
18 patient or those relatives cannot pay all or part of the costs of
19 the care and treatment in the hospital, the amount of the costs that
20 cannot be paid becomes a charge against the district.

21 (c) If the district administrator determines that the
22 patient or those relatives are liable to pay for all or part of the
23 costs of the patient's care and treatment, the patient or those
24 relatives shall be ordered to pay the district a specified amount
25 each week for the patient's support. The amount ordered must be
26 proportionate to the person's financial ability.

27 (d) The district may collect the amount from the estate of
28 the patient, or from any relative who is legally liable for the
29 patient's support, in the manner provided by law for the collection
30 of expenses of the last illness of a deceased person.

31 (e) The board may institute a suit to collect an amount owed
32 to the district by a patient who has not been determined to be
33 unable to pay under this section.

34 (f) If there is a dispute as to the ability to pay, or doubt

1 in the mind of the district administrator, the board shall hold a
2 hearing and, after calling witnesses, shall:

3 (1) resolve the dispute or doubt; and

4 (2) issue an appropriate order. (Acts 59th Leg.,
5 R.S., Ch. 84, Secs. 7(j), 13.)

6 Source Law

7 [Sec. 7]

8 (j) The board of directors may institute a suit
9 to collect amounts owed to the district by patients who
10 have not been determined to be unable to pay under
11 Section 13 of this Act.

12 Sec. 13. Whenever a patient residing in the
13 hospital district has been admitted to the facilities
14 of the hospital district, the administrator may cause
15 inquiry to be made as to the patient's circumstances,
16 and of the relatives of such patient legally liable for
17 the patient's support. If the administrator finds that
18 such patient or said relatives are liable to pay for
19 the patient's care and treatment in whole or in part,
20 an order shall be made directing such patient, or said
21 relatives, to pay to the hospital district for the
22 support of such patient a specified sum per week, in
23 proportion to their financial ability. The district
24 shall have power and authority to collect such sum from
25 the estate of the patient, or the patient's relatives
26 legally liable for the patient's support, in the manner
27 provided by law for the collection of expenses of the
28 last illness of a deceased person. If the
29 administrator finds that such patient or said
30 relatives are not able to pay, either in whole or in
31 part, for the patient's care and treatment in such
32 hospital, the same shall become a charge upon the
33 hospital district. Should there be a dispute as to the
34 ability to pay, or doubt in the mind of the
35 administrator, the board of directors shall hear and
36 determine same, after calling witnesses, and shall
37 make such order as may be proper.

38 Revised Law

39 Sec. 1084.110. NONPROFIT CORPORATION. (a) The district
40 may create and sponsor a nonprofit corporation under the Business
41 Organizations Code and may contribute money to or solicit money for
42 the corporation.

43 (b) The corporation may use district money, other than money
44 the corporation pays to the district, only to provide health care or
45 other services the district is authorized to provide under this
46 chapter.

47 (c) The corporation may invest the corporation's money in
48 any manner in which the district may invest the district's money,
49 including investing money as authorized by Chapter 2256, Government

1 Code.

2 (d) The board shall establish controls to ensure that the
3 corporation uses its money as required by this section. (Acts 59th
4 Leg., R.S., Ch. 84, Sec. 7(k).)

5 Source Law

6 (k) The district may sponsor and create a
7 nonprofit corporation under the Texas Non-Profit
8 Corporation Act (Article 1396-1.01 et seq., Vernon's
9 Texas Civil Statutes) and may contribute funds to or
10 solicit funds for the corporation. The corporation may
11 use funds, other than funds paid by the corporation to
12 the district, only to provide health care or other
13 services the district is authorized to provide under
14 this Act. The board of directors of the hospital
15 district shall establish adequate controls to ensure
16 that the corporation uses its funds as required by this
17 subsection. The corporation may invest corporation
18 funds in any manner in which the district may invest
19 funds, including investing funds as authorized by
20 Chapter 2256, Government Code.

21 Revisor's Note

22 Section 7(k), Chapter 84, Acts of the 59th
23 Legislature, Regular Session, 1965, refers to the
24 Texas Non-Profit Corporation Act. That act was
25 codified in various chapters of the Business
26 Organizations Code by Chapter 182, Acts of the 78th
27 Legislature, Regular Session, 2003. On January 1,
28 2010, the Texas Non-Profit Corporation Act expires,
29 and the Business Organizations Code will apply to all
30 business entities without regard to date of formation
31 or whether an entity is a foreign or domestic business
32 entity. Because the revised law will not take effect
33 until 2011, the revised law is drafted to reflect the
34 applicability of only the Business Organizations Code.

35 Revised Law

36 Sec. 1084.111. AUTHORITY TO SUE AND BE SUED. As a
37 governmental agency, the district, through the board, may sue and
38 be sued in the district's own name in any court of this state. (Acts
39 59th Leg., R.S., Ch. 84, Secs. 7(a) (part), 16 (part).)

40 Source Law

41 Sec. 7. (a) . . . The district through its
42 board of directors may sue and be sued.

1 Sec. 16. [The hospital district . . .] as a
2 governmental agency may sue and be sued in any and all
3 courts of this state in the name of such district.

4 Revised Law

5 Sec. 1084.112. INSPECTIONS. The district is subject to
6 inspection by any authorized representative of this state. A
7 district officer or employee shall:

8 (1) admit the representative into any district
9 facility; and

10 (2) provide the representative with access on demand
11 to any record, report, book, paper, or account relating to the
12 district. (Acts 59th Leg., R.S., Ch. 84, Sec. 11.)

13 Source Law

14 Sec. 11. The district established or maintained
15 under the provisions of this Act shall be subject to
16 inspection by any duly authorized representative of
17 the state, and the officers and employees of the
18 district shall admit such representatives into all
19 hospital district facilities and give them access on
20 demand to all records, reports, books, papers and
21 accounts pertaining to the hospital district.

23 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

24 Revised Law

25 Sec. 1084.151. BUDGET. The district administrator shall
26 prepare an annual budget for approval by the board. (Acts 59th

31 Revised Law

32 Sec. 1084.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
33 The board shall hold a public hearing on the proposed budget.

5 Source Law

6 (b) . . . The board shall hold a public hearing
7 on the proposed budget after publication of a notice of
8 hearing in a newspaper of general circulation in the
9 district at least once not less than ten (10) days
10 prior to the date set for the hearing. Any person who
11 is a resident of the district shall have the right to
12 appear at the time and place designated in the notice
13 and be heard with reference to any item shown in the
14 proposed budget. The annual budget is effective only
15 after adoption by the board of directors. . . .

16 Revised Law

17 Sec. 1084.153. AMENDMENTS TO BUDGET. After the annual
18 budget is adopted, the budget may be amended on the board's
19 approval. (Acts 59th Leg., R.S., Ch. 84, Sec. 8(b) (part).)

20 Source Law

21 (b) . . . After adoption, the annual budget may
22 be amended on approval of the board of directors.

23 Revised Law

24 Sec. 1084.154. FISCAL YEAR. (a) The district operates
25 according to a fiscal year established by the board.

26 (b) The fiscal year may not be changed:

27 (1) during a period that revenue bonds of the district
28 are outstanding; or

29 (2) more than once in a 24-month period. (Acts 59th
30 Leg., R.S., Ch. 84, Sec. 8(a) (part).)

31 Source Law

32 Sec. 8. (a) The district shall be operated on
33 the basis of a fiscal year to be established by the
34 board of directors. The fiscal year may not be changed
35 when revenue bonds are outstanding or more than one
36 time in a 24-month period. . . .

37 Revised Law

38 Sec. 1084.155. ANNUAL AUDIT. The board annually shall have
39 an independent audit made of the district's books and records.
40 (Acts 59th Leg., R.S., Ch. 84, Sec. 8(a) (part).)

1 Source Law

2 (a) . . . The board shall cause an annual

5 Revised Law

6 Sec. 1084.156. INSPECTION OF ANNUAL AUDIT AND DISTRICT
7 RECORDS. The annual audit and other district records are open to
8 inspection at the district's office. (Acts 59th Leg., R.S., Ch. 84,
9 Sec. 8(a) (part).)

10 Source Law

11 (a) . . . The audit and the records of the
12 district are open to inspection at the office of the
13 district.

14 Revised Law

15 Sec. 1084.157. DEPOSITORY OR TREASURER. (a) The board by
16 resolution shall designate a bank to serve as the district's
17 depository or treasurer.

18 (b) All district money shall be secured in the manner
19 provided for securing county funds. (Acts 59th Leg., R.S., Ch. 84,
20 Sec. 10.)

21 Source Law

22 Sec. 10. Within thirty (30) days after
23 appointment and qualification of the board of
24 directors of the hospital district, the said directors
25 shall by resolution designate a bank as the district's
26 depository or treasurer and all funds of the district
27 shall be secured in the manner now provided for the
28 security of county funds.

29 Revisor's Note

30 Section 10, Chapter 84, Acts of the 59th
31 Legislature, Regular Session, 1965, requires the board
32 to select a depository "[w]ithin thirty (30) days
33 after appointment and qualification of the board of
34 directors of the hospital district." The revised law
35 omits the quoted language as executed.

36 Revised Law

37 Sec. 1084.158. GENERAL AUTHORITY TO BORROW MONEY; SECURITY.
38 (a) The board may borrow money at a rate not to exceed the maximum
39 annual percentage rate allowed by law for district obligations at

1 the time the loan is made.

2 (b) To secure a loan, the board may pledge:

3 (1) district revenue that is not pledged to pay the
4 district's bonded indebtedness;

5 (2) a district tax to be imposed by the district during
6 the 12-month period following the date of the pledge that is not
7 pledged to pay the principal of or interest on district bonds; or

8 (3) district bonds that have been authorized but not
9 sold.

10 (c) A loan for which taxes or bonds are pledged must mature
11 not later than the first anniversary of the date the loan is made. A
12 loan for which district revenue is pledged must mature not later
13 than the fifth anniversary of the date the loan is made. (Acts 59th
14 Leg., R.S., Ch. 84, Sec. 6B.)

15 Source Law

16 Sec. 6B. (a) The board of directors may borrow
17 money at a rate not to exceed the maximum annual
18 percentage rate allowed by law for district
19 obligations at the time of the loan.

20 (b) To secure a loan, the board of directors may
21 pledge:

22 (1) revenues of the district that are not
23 pledged to pay the bonded indebtedness of the
24 district;

25 (2) district taxes to be levied by the
26 district during the 12-month period following the date
27 of the pledge that are not pledged to pay the principal
28 of or interest on district bonds; or

29 (3) district bonds that have been
30 authorized but not sold.

31 (c) A loan for which taxes or bonds are pledged
32 shall mature not later than the first anniversary of
33 the date on which the loan is made. A loan for which
34 district revenues are pledged shall mature not later
35 than the fifth anniversary of the date on which the
36 loan is made.

37 Revised Law

38 Sec. 1084.159. AUTHORITY TO BORROW MONEY IN EMERGENCY;

39 SECURITY. (a) If money is not available to meet an authorized
40 obligation of the district, the board shall adopt an order
41 declaring an emergency. After the order is adopted, the board may
42 borrow money on district notes at a rate not to exceed 12 percent a
43 year to meet the obligation.

44 (b) To secure the loan, the board may pledge:

1 (1) district revenue that is not pledged to pay the
2 district's bonded indebtedness;

3 (2) a district tax that is to be imposed not later than
4 the first anniversary of the date of the loan and that is not
5 pledged to pay the principal of or interest on district bonds; or

6 (3) district bonds that have been authorized but not
7 sold.

8 (c) A loan for which taxes or bonds are pledged must mature
9 not later than the first anniversary of the date the loan is made. A
10 loan for which district revenue is pledged must mature not later
11 than the fifth anniversary of the date the loan is made.

12 (d) The board may spend money obtained from a loan under
13 this section only to meet the obligation that made the loan
14 necessary. The board may spend money obtained from any taxes or
15 bonds used to secure the loan only for the purpose for which the
16 taxes were imposed or the bonds were authorized. (Acts 59th Leg.,
17 R.S., Ch. 84, Sec. 6A.)

18 Source Law

19 Sec. 6A. (a) If money is not available to meet a
20 lawfully authorized obligation of the district, the
21 board shall adopt an order declaring an emergency.
22 After the order is adopted, the board may borrow money
23 on notes of the district at a rate of not more than
24 twelve (12) percent a year to meet the obligation.

25 (b) To secure the loan, the board may pledge:

26 (1) revenues of the district that are not
27 pledged to pay a bonded indebtedness of the district;

28 (2) taxes of the district that are to be
29 levied not later than twelve (12) months after the date
30 of the loan and that are not pledged to pay principal
31 of or interest on bonds; or

32 (3) bonds of the district that have been
33 authorized but not sold.

34 (c) If taxes or bonds are pledged to pay the
35 loan, the loan must mature not later than twelve (12)
36 months after the date on which the loan is made. If
37 revenues of the district are pledged to pay the loan,
38 the loan must mature not later than five (5) years
39 after the date on which the loan is made.

40 (d) Money from the loan may be used only to meet
41 the obligation that made the loan necessary. Money
42 from any taxes or bonds used to secure the loan may be
43 used only for the purpose for which the taxes were
44 levied or the bonds were authorized.

45 Revisor's Note

46 Section 6A, Chapter 84, Acts of the 59th
47 Legislature, Regular Session, 1965, refers to a

1 "lawfully authorized obligation." The revised law
2 omits "lawfully" because, in context, a "lawful"
3 obligation is included in the meaning of an
4 "authorized" obligation.

5 [Sections 1084.160-1084.200 reserved for expansion]

6 SUBCHAPTER E. BONDS

7 Revised Law

8 Sec. 1084.201. GENERAL OBLIGATION BONDS. The board may
9 issue and sell general obligation bonds authorized by an election
10 in the name and on the faith and credit of the district, to:

11 (1) purchase, construct, acquire, repair, or renovate
12 buildings or improvements;

13 (2) equip buildings or improvements for hospital
14 purposes; and

15 (3) acquire sites to be used for district purposes.

16 (Acts 59th Leg., R.S., Ch. 84, Sec. 6(a) (part).)

17 Source Law

18 Sec. 6. (a) The board of directors shall have
19 the power and authority to issue and sell as the
20 obligations of such hospital district, and in the name
21 and upon the faith and credit of such hospital
22 district, general obligation bonds authorized by an
23 election for the purchase, construction, acquisition,
24 repair, or renovation of buildings and improvements,
25 equipping the same for hospital purposes, and
26 acquisition of sites to be used for the district's
27 purposes. . . .

28 Revised Law

29 Sec. 1084.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
30 the time general obligation bonds are issued by the district under
31 Section 1084.201, the board shall impose an ad valorem tax at a rate
32 sufficient to create an interest and sinking fund to pay the
33 principal of and interest on the bonds as the bonds mature.

34 (b) The tax required by this section together with any other
35 ad valorem tax the district imposes may not in any year exceed 75
36 cents on each \$100 valuation of all taxable property in the
37 district. (Acts 59th Leg., R.S., Ch. 84, Sec. 6(a) (part).)

38 Source Law

39 (a) . . . At the time of issuance of any general

1 obligation bonds, a sufficient tax shall be levied to
2 create an interest and sinking fund to pay the interest
3 and principal as same matures, providing said tax
4 together with any other taxes levied for the district
5 shall not exceed Seventy-Five Cents (75¢) on each \$100
6 valuation in any one (1) year.

7 Revisor's Note

8 Section 6(a), Chapter 84, Acts of the 59th
9 Legislature, Regular Session, 1965, requires the
10 district to levy a tax to pay the principal of and
11 interest on bonds. The revised law specifies that the
12 tax is an "ad valorem" tax because it is clear from the
13 source law that the tax is a property tax, and "ad
14 valorem" is the term most commonly used to refer to a
15 property tax.

16 Revised Law

17 Sec. 1084.203. ELECTION FOR GENERAL OBLIGATION BONDS. (a)
18 The district may issue general obligation bonds only if the bonds
19 are authorized by a majority of the district voters voting at an
20 election held for that purpose.

21 (b) The board may order the election on its own motion.

22 (c) The election shall be conducted in accordance with
23 Chapter 1251, Government Code. (Acts 59th Leg., R.S., Ch. 84, Sec.
24 6(c).)

25 Source Law

26 (c) No general obligation bonds shall be issued
27 by such hospital district until authorized by a
28 majority vote of the resident qualified voters voting
29 at an election called and held for such purpose. Such
30 election may be called by the board of directors on its
31 own motion, and shall be conducted in accordance with
32 Chapter 1251, Government Code.

33 Revisor's Note

34 (1) Section 6(c), Chapter 84, Acts of the 59th
35 Legislature, Regular Session, 1965, refers to a
36 majority vote of the "resident qualified voters." The
37 revised law substitutes "district voters" for
38 "resident qualified voters" because Chapter 11,
39 Election Code, governs eligibility to vote in an
40 election in this state and allows only "qualified"

1 voters who are residents of the territory covered by
2 the election to vote in an election.

3 (2) Section 6(c), Chapter 84, Acts of the 59th
4 Legislature, Regular Session, 1965, refers to an
5 election "called and held." The revised law omits the
6 reference to "calling" an election because, in this
7 context, "calling" an election is included in the
8 meaning of "holding" an election. Under Chapter 3,
9 Election Code, all elections must be ordered (called)
10 before they may be held.

11 Revised Law

12 Sec. 1084.204. REVENUE BONDS. (a) The board may issue and
13 sell revenue bonds in the name and on the faith and credit of the
14 district to purchase, construct, acquire, repair, renovate, or
15 equip buildings or improvements for district purposes.

16 (b) The bonds must be payable from and secured by a pledge of
17 all or part of the revenue derived from the operation of the
18 district's hospital system.

19 (c) The bonds may be additionally secured by a mortgage or
20 deed of trust on all or part of district property.

21 (d) The bonds must be issued in the manner provided by
22 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
23 Health and Safety Code, for the issuance of revenue bonds by a
24 county hospital authority. (Acts 59th Leg., R.S., Ch. 84, Sec.
25 6(e).)

26 Source Law

27 (e) The board of directors may issue and sell
28 revenue bonds in the name and on the faith and credit
29 of the district to purchase, construct, acquire,
30 repair, renovate, or equip buildings or improvements
31 for district purposes. The bonds shall be payable from
32 and secured by a pledge of all or part of the revenues
33 derived from the operation of the district's hospital
34 system. The bonds may be additionally secured by a
35 mortgage or deed of trust on all or part of the
36 district's property. The revenue bonds shall be issued
37 in the manner provided by Sections 264.042, 264.043,
38 264.046, 264.047, 264.048, and 264.049, Health and
39 Safety Code, for the issuance of revenue bonds by
40 county hospital authorities.

1 (b) [District bonds . . .] shall be
2 subject to the same requirements in the
3 matter of approval thereof by the Attorney
4 General of the State of Texas and the
5 registration thereof by the Comptroller of
6 Public Accounts of the State of Texas as are
7 by law provided for such approval and
8 registration of bonds of counties of this
9 state. Upon the approval of such bonds by
10 the Attorney General of Texas and
11 registration by the Comptroller the same
12 shall be incontestable for any cause.

13 (2) Section 6(d), Chapter 84, Acts of the 59th
14 Legislature, Regular Session, 1965, provides that the
15 district may issue refunding bonds without an election
16 and that the bonds shall be issued in accordance with
17 Chapter 1207, Government Code. The revised law omits
18 the provisions because Chapter 1207, which applies to
19 the district by its own terms, provides general
20 authority for an issuer, including a hospital
21 district, to issue refunding securities, and Section
22 1207.003, Government Code, authorizes an issuer to
23 issue refunding bonds without an election. The omitted
24 law reads:

25 (d) The district may without an
26 election issue refunding bonds of the
27 district to refund and pay off any validly
28 issued and outstanding bonds issued or
29 assumed by the district. Refunding bonds
30 shall be issued in accordance with Chapter
31 1207, Government Code.

32 (3) Section 15, Chapter 84, Acts of the 59th
33 Legislature, Regular Session, 1965, provides that
34 district bonds are legal and authorized investments
35 for certain entities. The revised law omits the
36 provision as unnecessary. As to several of the
37 entities listed, Section 15 has been superseded and
38 impliedly repealed. Investments in securities by
39 banks are regulated by Section 34.101, Finance Code
40 (enacted in 1995 as Section 5.101, Texas Banking Act
41 (Article 342-5.101, Vernon's Texas Civil Statutes)).
42 Investments in securities by savings banks are
43 regulated by Section 93.001(c)(10), Finance Code

1 (enacted in 1993 as Section 7.15(10), Texas Savings
2 Bank Act (Article 489e, Vernon's Texas Civil
3 Statutes)). Investments in securities by trust
4 companies are regulated by Section 184.101, Finance
5 Code (enacted in 1997 as Section 5.101, Texas Trust
6 Company Act (Article 342a-5.101, Vernon's Texas Civil
7 Statutes)). Investments in securities by building and
8 loan associations (now called savings and loan
9 associations) are regulated by Sections 63.002 and
10 64.001, Finance Code. As to the remaining entities
11 listed, Section 15 is superseded by Section 1201.041,
12 Government Code, enacted as Section 9, Bond Procedures
13 Act of 1981 (Article 717k-6, Vernon's Texas Civil
14 Statutes). Section 1201.041, Government Code, applies
15 to district bonds by application of Section 1201.002,
16 Government Code. While Section 15 lists "guardians"
17 and Section 1201.041 does not, the latter statute
18 includes "fiduciaries" and a guardian is a fiduciary.
19 The omitted law reads:

20 Sec. 15. All bonds issued by or
21 assumed by the districts authorized to be
22 established and created under the
23 provisions of this Act shall be and are
24 declared to be legal and authorized
25 investments for banks, savings banks, trust
26 companies, building and loan associations,
27 insurance companies, fiduciaries,
28 trustees, guardians, and for the sinking
29 funds of cities, towns, villages, counties,
30 school districts, or other political
31 corporations or subdivisions of the State
32 of Texas; and

33 (4) Section 15, Chapter 84, Acts of the 59th
34 Legislature, Regular Session, 1965, provides that
35 district bonds may secure certain deposits. Although
36 Section 15 does not specifically mention the deposits
37 the bonds are eligible to secure, the only deposits
38 they could secure would be deposits of public funds of
39 this state or political subdivisions of this state. As
40 such, the revised law omits the provisions as

1 impliedly repealed by Section 404.0221, Government
2 Code (enacted in 1995), which lists eligible
3 collateral for deposits of state funds by the
4 comptroller, and by Chapter 2257, Government Code
5 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
6 Statutes), which governs eligible collateral for
7 deposits of funds of other public agencies, including
8 political subdivisions. The omitted law reads:

9 Sec. 15. . . . such bonds shall be
10 lawful and sufficient security for deposits
11 to the extent of their face value when
12 accompanied by all unmatured coupons
13 appurtenant thereto.

15 SUBCHAPTER F. TAXES

16 Revised Law

17 Sec. 1084.251. IMPOSITION OF AD VALOREM TAX. (a) The board
18 shall impose a tax on all property in the district subject to
19 district taxation.

20 (b) The board shall impose the tax to:

21 (1) pay the interest on and create a sinking fund for
22 bonds or other obligations issued or assumed by the district for
23 hospital purposes;

24 (2) provide for the operation and maintenance of the
25 district and hospital system;

26 (3) make improvements and additions to the hospital
27 system; and

28 (4) acquire necessary sites for the hospital system by
29 purchase, lease, or condemnation. (Acts 59th Leg., R.S., Ch. 84,
30 Sec. 5(a) (part).)

31 Source Law

32 Sec. 5. (a) The board of directors of such
33 hospital district shall have the power and authority,
34 and it shall be their duty, to levy on all property
35 subject to hospital district taxation for the benefit
36 of the district a tax . . . [of all taxable property]
37 within the hospital district, for the purpose of: (1)
38 paying the interest on and creating a sinking fund for
39 bonds and other obligations which may be issued or
40 assumed by the hospital district for hospital purposes
41 as herein provided; (2) providing for the operation

1 and maintenance of the hospital district and hospital
2 system; and (3) for the purpose of making further
3 improvements and additions to the hospital system,
4 and, for the acquisition of necessary sites therefor,
5 by purchase, lease or condemnation.

6 Revised Law

7 Sec. 1084.252. TAX RATE. The board may impose the tax at a
8 rate not to exceed 75 cents on each \$100 valuation of all taxable
9 property in the district. (Acts 59th Leg., R.S., Ch. 84, Sec. 5(a)
10 (part).)

11 Source Law

12 (a) [The board of directors . . . shall . . .
13 levy . . . a tax] of not to exceed Seventy-Five Cents
14 (75¢) on the One Hundred Dollar (\$100) valuation of all
15 taxable property [within the hospital district,]
16

17 Revised Law

18 Sec. 1084.253. TAX ASSESSOR-COLLECTOR. The board may
19 provide for the appointment of a tax assessor-collector for the
20 district or may contract for the assessment and collection of taxes
21 as provided by the Tax Code. (Acts 59th Leg., R.S., Ch. 84, Sec.
22 5(b) (part).)

23 Source Law

24 (b) . . . The board of directors may provide for
25 the appointment of a tax assessor-collector for the
26 district or may contract for the assessment and
27 collection of taxes as provided by the Tax Code.

28 Revisor's Note
29 (End of Subchapter)

30 (1) Section 5(b), Chapter 84, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that the
32 Tax Code governs the appraisal, assessment, and
33 collection of district taxes. The revised law omits
34 that provision because Section 1.02, Tax Code,
35 requires all taxing units of government to administer
36 the assessment and collection of an ad valorem tax in
37 conformity with Title 1, Tax Code. The omitted law
38 reads:

39 (b) The Tax Code governs the
40 appraisal, assessment, and collection of
41 district taxes. . . .

42 (2) Section 7(h), Chapter 84, Acts of the 59th

1 Legislature, Regular Session, 1965, authorizes the
2 board to institute a suit to enforce the payment of
3 taxes and to foreclose liens to secure that payment.
4 The revised law omits that provision because it
5 duplicates Chapter 33, Tax Code, which authorizes a
6 taxing unit of government to file suit to enforce the
7 payment of taxes and to foreclose a lien to secure that
8 payment. The omitted law reads:

9 (h) The board of directors may
10 institute a suit to enforce the payment of
11 taxes and to foreclose liens to secure the
12 payment of taxes due to the district.

13 [Sections 1084.254-1084.300 reserved for expansion]

14 SUBCHAPTER G. DISSOLUTION

15 Revised Law

16 Sec. 1084.301. DISSOLUTION; ELECTION. (a) The district
17 may be dissolved only on approval of a majority of the district
18 voters voting in an election held for that purpose.

19 (b) The board may order an election on the question of
20 dissolving the district and disposing of the district's assets and
21 obligations.

22 (c) The board shall order an election if the board receives
23 a petition requesting an election that is signed by at least 15
24 percent of the registered voters of the district.

25 (d) The order calling the election must state:

26 (1) the nature of the election, including the
27 proposition to appear on the ballot;

28 (2) the date of the election;

29 (3) the hours during which the polls will be open; and

30 (4) the location of the polling places.

31 (e) Section 41.001(a), Election Code, does not apply to an
32 election ordered under this section. (Acts 59th Leg., R.S., Ch. 84,
33 Secs. 16A(a), (b), (c) (part).)

34 Source Law

35 Sec. 16A. (a) The district may be dissolved only
36 if the dissolution is approved by a majority of the
37 qualified voters of the district voting in an election

1 called and held for that purpose.

2 (b) The board of directors may order an election
3 on the question of dissolving the district and
4 disposing of the district's assets and obligations.
5 The board shall order an election if the board receives
6 a petition requesting an election that is signed by a
7 number of registered voters of the district equal to at
8 least 15 percent of the registered voters in the
9 district.

10 (c) . . . Section 41.001(a), Election Code,
11 does not apply to an election ordered under this
12 section. The order calling the election shall state:

13 (1) the nature of the election, including
14 the proposition that is to appear on the ballot;

15 (2) the date of the election;

16 (3) the hours during which the polls will
17 be open; and

18 (4) the location of the polling places.

19 Revisor's Note

20 (1) Section 16A(a), Chapter 84, Acts of the 59th
21 Legislature, Regular Session, 1965, provides for
22 dissolution of the district if approved by a majority
23 of the "qualified" voters. The revised law omits
24 "qualified" for the reason stated in Revisor's Note (1)
25 to Section 1084.203.

26 (2) Section 16A(a), Chapter 84, Acts of the 59th
27 Legislature, Regular Session, 1965, provides that the
28 district may be dissolved if authorized at an election
29 "called and held" for that purpose. The revised law
30 omits the reference to "calling" an election for the
31 reason stated in Revisor's Note (2) to Section
32 1084.203.

33 (3) Section 16A(c), Chapter 84, Acts of the 59th
34 Legislature, Regular Session, 1965, provides that the
35 election must be held not later than the 60th day after
36 the date the election is ordered. The revised law
37 omits the provision as superseded by Section 3.005,
38 Election Code, applicable to the district under
39 Section 1.002, Election Code. Section 3.005, as
40 amended by Chapter 925, Acts of the 78th Legislature,
41 Regular Session, 2003, requires an election order
42 issued by the authority of a political subdivision to
43 be issued not later than the 62nd day before election

1 day and provides that Section 3.005 supersedes a law
2 outside the Election Code to the extent of any
3 conflict. The omitted law reads:

4 (c) The election shall be held not
5 later than the 60th day after the date the
6 election is ordered. . . .

7 Revised Law

8 Sec. 1084.302. NOTICE OF ELECTION. (a) The board shall
9 give notice of an election under this subchapter by publishing once
10 a week for two consecutive weeks a substantial copy of the election
11 order in a newspaper with general circulation in the district.

12 (b) The first publication of the notice must appear not
13 later than the 35th day before the date set for the election. (Acts
14 59th Leg., R.S., Ch. 84, Sec. 16A(d) (part).)

15 Source Law

16 (d) The board of directors shall give notice of
17 the election by publishing a substantial copy of the
18 election order in a newspaper with general circulation
19 in the district once a week for two consecutive weeks.
20 The first publication must appear not less than 35 days
21 before the date set for the election. . . .

22 Revised Law

23 Sec. 1084.303. BALLOT. The ballot for an election under
24 this subchapter must be printed to permit voting for or against the
25 proposition: "The dissolution of the Palo Pinto County Hospital
26 District." (Acts 59th Leg., R.S., Ch. 84, Sec. 16A(d) (part).)

27 Source Law

28 (d) . . . The ballot for the election shall be
29 printed to permit voting for or against the
30 proposition: "The dissolution of the Palo Pinto
31 County Hospital District."

32 Revised Law

33 Sec. 1084.304. ELECTION RESULTS. (a) If a majority of the
34 votes in an election under this subchapter favor dissolution, the
35 board shall find that the district is dissolved.

36 (b) If a majority of the votes in the election do not favor
37 dissolution, the board shall continue to administer the district
38 and another election on the question of dissolution may not be held
39 before the first anniversary of the date of the most recent election

1 to dissolve the district. (Acts 59th Leg., R.S., Ch. 84, Sec.
2 16A(e).)

3 Source Law

4 (e) If a majority of the votes in the election
5 favor dissolution, the board of directors shall find
6 that the district is dissolved. If a majority of the
7 votes in the election do not favor dissolution, the
8 board shall continue to administer the district, and
9 another election on the question of dissolution may
10 not be held before the first anniversary of the most
11 recent election to dissolve the district.

12 Revised Law

13 Sec. 1084.305. TRANSFER, SALE, OR ADMINISTRATION OF ASSETS.

14 (a) If a majority of the votes in an election held under this
15 subchapter favor dissolution, the board shall:

16 (1) transfer the land, buildings, improvements,
17 equipment, and other assets that belong to the district to a county
18 or to another governmental entity in Palo Pinto County;

19 (2) sell the assets and liabilities to another person;
20 or

21 (3) administer the property, assets, and debts until
22 all money has been disposed of and all district debts have been paid
23 or settled.

24 (b) If the board makes the transfer under Subsection (a)(1),
25 the county or entity assumes all debts and obligations of the
26 district at the time of the transfer, and the district is dissolved.

27 (c) If Subsections (a)(1) and (2) do not apply and the board
28 administers the property, assets, and debts of the district under
29 Subsection (a)(3), the district is dissolved when all money has
30 been disposed of and all district debts have been paid or settled.
31 (Acts 59th Leg., R.S., Ch. 84, Secs. 16A(f), (g), (m) (part).)

32 Source Law

33 (f) If a majority of the votes in the election
34 favor dissolution, the board of directors shall:

35 (1) transfer the land, buildings,
36 improvements, equipment, and other assets that belong
37 to the district to a county or to another governmental
38 entity in the county in which the district is located;

39 (2) sell the assets and liabilities to
40 another person or entity; or

41 (3) administer the property, assets, and
42 debts until all funds have been disposed of and all
43 district debts have been paid or settled.

1 (g) If the district transfers the land,
2 buildings, improvements, equipment, and other assets
3 to a county or other governmental entity, the county or
4 entity assumes all debts and obligations of the
5 district at the time of the transfer, at which time the
6 district is dissolved. If the district does not
7 transfer the land, buildings, improvements,
8 equipment, and other assets to a county or other
9 governmental entity, or sell those assets and the
10 liabilities to another person, the board of directors
11 shall administer the property, assets, and debts of
12 the district until all funds have been disposed of and
13 all district debts have been paid or settled, at which
14 time the district is dissolved.

15 (m) The district may provide for the sale or
16 transfer of the district's assets and liabilities to
17 another person or entity and the district's subsequent
18 dissolution. . . .

19 Revisor's Note

20 Sections 16A(f) and (m), Chapter 84, Acts of the
21 59th Legislature, Regular Session, 1965, refer to
22 "another person or entity." The revised law omits
23 "entity" because "entity" is included in the meaning
24 of "person" under Section 311.005(2), Government Code
25 (Code Construction Act).

26 Revised Law

27 Sec. 1084.306. SALE OR TRANSFER OF ASSETS AND LIABILITIES.

28 (a) The dissolution of the district and the sale or transfer of the
29 district's assets and liabilities to another person may not
30 contravene a trust indenture or bond resolution relating to the
31 district's outstanding bonds. The dissolution and sale or transfer
32 does not diminish or impair the rights of a holder of an outstanding
33 bond, warrant, or other obligation of the district.

34 (b) The sale or transfer of the district's assets and
35 liabilities must satisfy the debt and bond obligations of the
36 district in a manner that protects the interests of district
37 residents, including the residents' collective property rights in
38 the district's assets.

39 (c) The district may not transfer or dispose of the
40 district's assets except for due compensation unless:

41 (1) the transfer is made to another governmental
42 entity that serves the district; and

43 (2) the transferred assets are to be used for the

1 benefit of the district's residents.

2 (d) A grant from federal funds is an obligation to be repaid
3 in satisfaction. (Acts 59th Leg., R.S., Ch. 84, Secs. 16A(m)
4 (part), (n).)

5 Source Law

6 (m) . . . The dissolution of the district and
7 the sale or transfer of the district's assets and
8 liabilities to another person or entity may not
9 contravene a trust indenture or bond resolution
10 relating to the outstanding bonds of the district. The
11 dissolution and sale or transfer does not diminish or
12 impair the rights of a holder of an outstanding bond,
13 warrant, or other obligation of the district.

14 (n) The sale or transfer of the district's
15 assets and liabilities must satisfy the debt and bond
16 obligations of the district in a manner that protects
17 the interests of the residents of the district,
18 including the residents' collective property rights in
19 the district's assets. A grant from federal funds is
20 an obligation to be repaid in satisfaction. The
21 district may not transfer or dispose of the district's
22 assets except for due compensation unless the transfer
23 is made to another governmental entity that serves the
24 district and the transferred assets are to be used for
25 the benefit of the residents of the district.

26 Revisor's Note

27 Section 16A(m), Chapter 84, Acts of the 59th
28 Legislature, Regular Session, 1965, refers to "another
29 person or entity." The revised law omits "entity" for
30 the reason stated in the revisor's note to Section
31 1084.305.

32 Revised Law

33 Sec. 1084.307. IMPOSITION OF TAX AND RETURN OF SURPLUS
34 TAXES. (a) After the board finds that the district is dissolved,
35 the board shall:

36 (1) determine the debt owed by the district; and

37 (2) impose on the property included on the district's
38 tax rolls a tax that is in proportion of the debt to the property
39 value.

40 (b) On the payment of all outstanding debts and obligations
41 of the district, the board shall order the secretary to return to
42 each district taxpayer the taxpayer's pro rata share of all unused
43 tax money.

44 (c) A taxpayer may request that the taxpayer's share of

1 surplus tax money be credited to the taxpayer's county taxes. If a
2 taxpayer requests the credit, the board shall direct the secretary
3 to transmit the money to the county tax assessor-collector. (Acts
4 59th Leg., R.S., Ch. 84, Secs. 16A(h), (i), (j).)

5 Source Law

6 (h) After the board of directors finds that the
7 district is dissolved, the board shall:

8 (1) determine the debt owed by the
9 district; and

10 (2) impose on the property included in the
11 district's tax rolls a tax that is in proportion of the
12 debt to the property value.

13 (i) When all outstanding debts and obligations
14 of the district are paid, the board of directors shall
15 order the secretary to return the pro rata share of all
16 unused tax money to each district taxpayer.

17 (j) A taxpayer may request that the taxpayer's
18 share of surplus tax money be credited to the
19 taxpayer's county taxes. If a taxpayer requests the
20 credit, the board of directors shall direct the
21 secretary to transmit the funds to the county tax
22 assessor-collector.

23 Revised Law

24 Sec. 1084.308. REPORT; DISSOLUTION ORDER. (a) After the
25 district has paid all district debts and has disposed of all
26 district money and other assets as prescribed by this subchapter,
27 the board shall file a written report with the Commissioners Court
28 of Palo Pinto County summarizing the board's actions in dissolving
29 the district.

30 (b) Not later than the 10th day after the date the
31 Commissioners Court of Palo Pinto County receives the report and
32 determines that the requirements of this subchapter have been
33 fulfilled, the commissioners court shall enter an order dissolving
34 the district and releasing the board from any further duty or
35 obligation. (Acts 59th Leg., R.S., Ch. 84, Secs. 16A(k), (l).)

36 Source Law

37 (k) After the district has paid all its debts
38 and has disposed of all its assets and funds as
39 prescribed by this section, the board of directors
40 shall file a written report with the Commissioners
41 Court of Palo Pinto County setting forth a summary of
42 the board's actions in dissolving the district.

43 (l) Not later than the 10th day after the date it
44 receives the report and determines that the
45 requirements of this section have been fulfilled, the
46 Commissioners Court of Palo Pinto County shall enter
47 an order dissolving the district and releasing the
48 board of directors of the district from any further

1 duty or obligation.

2 Revisor's Note
3 (End of Chapter)

4 (1) Section 17, Chapter 84, Acts of the 59th
5 Legislature, Regular Session, 1965, provides that the
6 act is severable. The revised law omits that provision
7 because it duplicates Section 311.032, Government Code
8 (Code Construction Act), which provides that a
9 provision of a statute is severable from each other
10 provision of the statute that can be given effect. The
11 omitted law reads:

12 Sec. 17. . . . If any provision of
13 this Act should be invalid, such fact shall
14 not affect the authorization for the
15 creation of the district or the validity of
16 any other provisions of this Act, and the
17 Legislature hereby declares that it would
18 have created the district and enacted the
19 valid provisions of this Act
20 notwithstanding the invalidity of any other
21 provision or provisions hereof.

22 (2) Section 18, Chapter 84, Acts of the 59th
23 Legislature, Regular Session, 1965, provides that
24 public notice of enactment of the statute was provided
25 in a manner that satisfies the requirements of the
26 Texas Constitution. The revised law omits that
27 provision as executed. The omitted law reads:

28 Sec. 18. Proof of publication of the
29 constitutional notice required in the
30 enactment hereof under the provisions of
31 Section 9 of Article IX of the Texas
32 Constitution has been made in the manner and
33 form provided by law pertaining to the
34 enactment of local and special laws and is
35 hereby found and declared to be proper and
36 sufficient to satisfy such requirement.

9 Revisor's Note

10 The definitions of "board," "director," and

1 the qualified property taxpaying electors
2 of the District voting at an election called
3 for such purpose. Such election may be
4 initiated by the Commissioners Court of
5 Parker County upon its own motion, or shall
6 be called by said Commissioners Court upon
7 presentation of a petition therefor signed
8 by at least fifty (50) qualified property
9 taxpaying electors of the District. Such
10 election shall be held not less than thirty
11 (30) nor more than sixty (60) days from the
12 time such election is ordered by the
13 Commissioners Court. The order calling the
14 election shall specify the time and places
15 of holding same, the form of ballot, and the
16 presiding judge for each voting place.
17 Notice of election shall be given by
18 publishing a substantial copy of the
19 election order in a newspaper of general
20 circulation in the county once a week for
21 two (2) consecutive weeks, the first
22 publication to appear at least thirty (30)
23 days prior to the date established for the
24 election. The failure of such election
25 shall not operate to prohibit the calling
26 and holding of subsequent elections for the
27 same purpose.

28 At said election there shall be
29 submitted to the qualified property
30 taxpaying electors of the District the
31 proposition of whether or not the hospital
32 district shall be created with authority to
33 levy annual taxes . . . for the purpose of
34 meeting the requirements of the District's
35 bonds, indebtedness assumed by it, and its
36 maintenance and operating expenses, and a
37 majority of the qualified property
38 taxpaying electors of the District voting
39 at said election in favor of the proposition
40 shall be sufficient for its adoption;
41 provided, however, the Commissioners Court
42 may in the election order provide that the
43 tax to be levied by the hospital district,
44 in the event the same is created, shall be
45 less than Seventy-Five Cents (75¢) on the
46 One Hundred Dollars (\$100) valuation, and
47 in such event such lesser rate shall be
48 inserted in the proposition to appear on the
49 ballot, and

50 The ballots for such creation election
51 shall have printed thereon the following:

52 "FOR the creation of Parker County
53 Hospital District providing for the levy of
54 a tax not to exceed ___¢ on the \$100
55 valuation using Parker County values and
56 Parker County tax rolls, and providing for
57 the assumption by such District of all
58 outstanding bonds and indebtedness
59 heretofore issued by Parker County and by
60 any city or town within said county for
61 hospital purposes."

62 "AGAINST the creation of Parker County
63 Hospital District, providing for the levy
64 of a tax not to exceed ___¢ on the \$100

4 create the hospital district (as provided
5 in Section 3) presented to the
6 Commissioners Court may incorporate a
7 request that a separate proposition be
8 submitted at such election as to whether or
9 not the Board of Directors of the District
10 (in the event same is created) shall be
11 authorized to issue bonds for the purposes
12 specified in Section 7. Such petition shall
13 specify the maximum amount of bonds to be
14 issued, their maximum maturity and maximum
15 interest rate, and the same shall be
16 included in the proposition submitted at
17 the election.

28 (c) Directors serve staggered two-year terms unless
29 four-year terms are established under Section 285.081, Health and
30 Safety Code. (Acts 59th Leg., R.S., Ch. 35, Secs. 4A(a), (b)
31 (part), 4B(b), (d).)

32 Source Law

33 Sec. 4A. (a) The Commissioners Court may order
34 an election of Directors for the District to be held at
35 the expense of the District. If an election is ordered,
36 the Commissioners Court shall determine:

37 (1) the number of Directors on the Board;
38 (2) whether the Board members shall be
39 elected by place, at large, from commissioner
40 precincts, or from single-member Districts;

41 (3) whether all of the Directors are to be
42 elected at the initial election of Directors or
43 whether only successors to the appointed Directors
44 whose terms expire during the year of the initial
45 election are to be elected with successors to the
46 remaining appointed Directors to be elected at a
47 subsequent election held in the year in which those
48 appointed Directors' terms expire;

49 (4) a method of deciding which members of
50 the initial elected Board shall serve for one (1) year
51 and which members shall serve for two (2) years if the
52 entire Board is to be elected at the initial election

1 of Directors; and
2 (5) the date on which the initial election
3 of Directors shall be held.

4 (b) [If an election of Directors is ordered as
5 provided by Subsection (a) of this section,] . . . The
6 Commissioners Court shall appoint election officers,
7 canvass the returns of the election, and declare the
8 results.

9 [Sec. 4B]

10 (b) The duties imposed on the Commissioners
11 Court by Section 4A(b) of this Act shall be assumed by
12 the Board of Directors at subsequent elections.

13 (d) After the initial election of Directors, the
14 appropriate number of successor Directors shall be
15 elected to serve for two-year terms and until their
16 successors are elected and have qualified.

17 Revisor's Note

18 (1) Section 4A(a), Chapter 35, Acts of the 59th
19 Legislature, Regular Session, 1965, added by Chapter
20 472, Acts of the 67th Legislature, Regular Session,
21 1981, authorized the Parker County Commissioners Court
22 to determine whether the board should be elected, the
23 number of members to be elected, and the manner in
24 which the members are elected. The act also authorized
25 the commissioners court to order the initial election
26 of directors and prescribed the procedures for that
27 election. The number of directors and how they are
28 elected was established by referendum ballot at a
29 district election held in 1981, and the initial
30 election of directors was held in the spring of 1982.
31 The election in 1981 established that the board
32 consists of seven directors, including one director
33 elected from each commissioners precinct and three
34 directors elected from the district at large. The
35 revised law omits the provisions relating to the
36 initial election as executed but codifies the manner
37 of electing the board that resulted from the election.

38 (2) Sections 4A(a) and 4B(d), Chapter 35, Acts
39 of the 59th Legislature, Regular Session, 1965,
40 provide for directors to serve staggered two-year
41 terms. Section 285.081, Health and Safety Code,

1 applicable to this hospital district, provides a
2 mechanism by which the governing board of a hospital
3 district, on its own motion, may order that the members
4 are to be elected in even-numbered years to serve
5 staggered four-year terms. The revised law is drafted
6 accordingly and adds a reference to Section 285.081,
7 Health and Safety Code, for the convenience of the
8 reader.

9 (3) Section 4A(b), Chapter 35, Acts of the 59th
10 Legislature, Regular Session, 1965, added by Chapter
11 472, Acts of the 67th Legislature, Regular Session,
12 1981, requires the Parker County Commissioners Court
13 to appoint election officers for the initial election
14 of directors, to canvass the returns of the election,
15 and to declare the results. Section 4B(b) of that act
16 provides for the board to assume these duties at
17 subsequent elections. The revised law omits the
18 language in Section 4A(b) pertaining to the initial
19 election of directors as executed. In addition, the
20 revised law omits the requirement that the board
21 appoint election officers as superseded by the 1985
22 enactment of the Election Code, applicable to the
23 district under Section 1.002, Election Code. Chapters
24 31 and 32, Election Code, govern the appointment of
25 election officers. Finally, the revised law omits the
26 requirement that the board canvass the results of
27 subsequent directors' elections because it duplicates
28 Section 67.002, Election Code, which requires the
29 governing body of a political subdivision that orders
30 an election to canvass the returns.

31 (4) Section 4B(d), Chapter 35, Acts of the 59th
32 Legislature, Regular Session, 1965, provides for
33 certain procedures to occur "[a]fter the initial
34 election of [d]irectors." Throughout this chapter,

1 the revised law omits the quoted language as executed.

2 (5) Section 4B(d), Chapter 35, Acts of the 59th
3 Legislature, Regular Session, 1965, provides that the
4 directors serve "until their successors are elected
5 and have qualified." The revised law omits that
6 provision because it duplicates Section 17, Article
7 XVI, Texas Constitution, which provides that an
8 officer in this state is to continue to perform the
9 officer's official duties until a successor has
10 qualified.

11 Revised Law

12 Sec. 1085.052. NOTICE OF ELECTION. At least 60 days before
13 the date of an election of directors, the board shall publish notice
14 of the election one time in a newspaper of general circulation in
15 the district. The notice must state the purpose of the election and
16 the election date. (Acts 59th Leg., R.S., Ch. 35, Secs. 4A(b)
17 (part), 4B(b).)

18 Source Law

19 [Sec. 4A]

20 (b) If an election of Directors is ordered as
21 provided by Subsection (a) of this section, the
22 Commissioners Court shall publish notice of the
23 election one (1) time in a newspaper of general
24 circulation in the District at least sixty (60) days
25 before the election date. The notice shall state the
26 purpose of the election and the election date. . . .

27 [Sec. 4B]

28 (b) The duties imposed on the Commissioners
29 Court by Section 4A(b) of this Act shall be assumed by
30 the Board of Directors at subsequent elections.

31 Revisor's Note

32 Section 4A(b), Chapter 35, Acts of the 59th
33 Legislature, Regular Session, 1965, requires the
34 Parker County Commissioners Court to provide notice of
35 the initial election of directors. Section 4B(b) of
36 that act provides for the board to assume this duty at
37 subsequent elections. The revised law omits the
38 language in Section 4A(b) pertaining to the initial
39 election of directors as executed.

1 Revised Law

2 Sec. 1085.053. BALLOT PETITION. A person who wants to have
3 the person's name printed on the ballot as a candidate for director
4 must file with the board secretary a petition requesting that
5 action. The petition must:

6 (1) be signed by at least 10 registered voters who
7 reside in the district;

8 (2) be filed at least 31 days before the date of the
9 election; and

10 (3) specify the county commissioners precinct the
11 candidate wants to represent or specify that the candidate wants to
12 represent the district at large. (Acts 59th Leg., R.S., Ch. 35,
13 Secs. 4A(c) (part), 4B(c).)

14 Source Law

15 [Sec. 4A]

16 (c) A person who desires to have his name
17 printed on the ballot as a candidate for Director at
18 the initial election of Directors shall file with the
19 Commissioners Court at least thirty-one (31) days
20 before the election date a petition signed by at least
21 ten (10) qualified voters residing in the District
22 asking that his name be printed on the ballot as a
23 candidate. . . . If the Commissioners Court
24 determines that some Board members shall be elected
25 from commissioner precincts and some shall be elected
26 from the District at large, the candidate shall ask
27 that his name be printed on the ballot as a candidate
28 to represent a specific precinct area or the District
29 at large. . . .

30 [Sec. 4B]

31 (c) A person who desires to have his name
32 printed on the ballot as a candidate for membership on
33 the Board shall file a petition as provided by Section
34 4A(c) of this Act with the Secretary of the Board.

35 Revisor's Note

36 (1) Section 4A(c), Chapter 35, Acts of the 59th
37 Legislature, Regular Session, 1965, states that a
38 person must file a petition with the Parker County
39 Commissioners Court to have the person's name included
40 as a candidate for director at the initial election of
41 directors. Section 4B(c) of the act states that a
42 person must file the petition with the board secretary
43 to have the person's name included as a candidate for

1 director at subsequent elections. Since the initial
2 election of directors has been held, the revised law
3 omits the reference in Section 4A(c) to the filing
4 process for the initial election as executed.

5 (2) Section 4A(c), Chapter 35, Acts of the 59th
6 Legislature, Regular Session, 1965, describes
7 procedures to be followed if a different method for
8 electing directors had been adopted. Since the
9 commissioners court determined that some board members
10 are elected by precinct and some are elected from the
11 district at large, the revised law omits those other
12 provisions as inapplicable. The omitted law reads:

13 (c) . . . If the Commissioners Court
14 determines that Board members shall be
15 elected from commissioner precincts, the
16 candidate shall ask that his name be printed
17 on the ballot as a candidate to represent a
18 specific commissioner precinct. . . . If
19 the Commissioners Court determines that
20 Board members shall be elected by place, the
21 candidate shall designate in his
22 application the place number for which he is
23 to be a candidate.

24 (3) Section 4A(c), Chapter 35, Acts of the 59th
25 Legislature, Regular Session, 1965, refers to a
26 petition signed by at least 10 "qualified voters"
27 residing in the district. Throughout this chapter,
28 the revised law substitutes "registered voters" for
29 the quoted language because in the context of
30 eligibility to sign a petition, Section 277.0021,
31 Election Code, provides that "qualified voter" means
32 "registered voter."

33 Revised Law

34 Sec. 1085.054. BOARD VACANCY. If a vacancy occurs in the
35 office of director, the remaining directors shall appoint a
36 director for the unexpired term. (Acts 59th Leg., R.S., Ch. 35,
37 Sec. 4A(h).)

38 Source Law

39 (h) After the initial election of Directors, a
40 vacancy in the membership of the Board shall be filled

1 for the unexpired term by the remaining members of the
2 Board.

3 Revised Law

4 Sec. 1085.055. OFFICERS. (a) The board shall elect a
5 president, vice president, and secretary from among its members.

6 (b) Each officer of the board serves for a term of one year.
7 (Acts 59th Leg., R.S., Ch. 35, Sec. 4A(g).)

8 Source Law

9 (g) After the initial election of Directors, the
10 Board of Directors shall organize by electing one (1)
11 of their number as President, one (1) as Vice
12 President, and one (1) as Secretary. Officers shall be
13 elected for a term of one (1) year.

14 Revised Law

15 Sec. 1085.056. DISTRICT ADMINISTRATOR; ASSISTANT
16 ADMINISTRATOR. (a) The board may appoint and employ a qualified
17 person as district administrator.

18 (b) The board may appoint and employ an assistant
19 administrator.

20 (c) The district administrator and any assistant
21 administrator serve at the will of the board and are entitled to the
22 compensation determined by the board.

23 (d) On assuming the duties of district administrator, the
24 administrator shall execute a bond payable to the district in an
25 amount set by the board of not less than \$5,000 that:

26 (1) is conditioned on the administrator performing the
27 administrator's duties; and

28 (2) contains any other condition the board may
29 require. (Acts 59th Leg., R.S., Ch. 35, Sec. 5 (part).)

30 Source Law

31 Sec. 5. The board of directors . . . shall have
32 the power:

33 . . .
34 (3) to appoint and employ a qualified
35 person to be the administrator or manager of the
36 hospital district and may in its discretion appoint
37 and employ an assistant to the administrator or
38 manager. Such administrator or manager and assistant
39 administrator or assistant manager, if any, shall
40 serve at the will of the board and shall receive such
41 compensation as may be fixed by the board. The
42 administrator or manager shall, upon assuming his
43 duties, execute a bond payable to the hospital
44 district in an amount to be set by the board of

1 directors, in no event less than \$5,000, conditioned
2 that he shall perform the duties required of him, and
3 containing such other conditions as the board may
4 require. . . .

5 Revisor's Note

6 Section 5, Chapter 35, Acts of the 59th
7 Legislature, Regular Session, 1965, provides that the
8 board may appoint and employ a person as the
9 "administrator or manager" of the district and may
10 appoint and employ an "assistant administrator or
11 assistant manager." Throughout this chapter, the
12 revised law omits "manager" because, in context,
13 "manager" is included in the meaning of
14 "administrator."

15 Revised Law

16 Sec. 1085.057. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
17 Subject to the limitations prescribed by the board, the district
18 administrator shall:

- 19 (1) supervise the work and activities of the district;
20 and
21 (2) direct the affairs of the district. (Acts 59th
22 Leg., R.S., Ch. 35, Sec. 5 (part).)

23 Source Law

24 Sec. 5. . . .
25 (3) . . . The administrator or manager
26 shall supervise all the work and activities of the
27 district and shall have general direction of the
28 affairs of the district, subject to such limitations
29 as may be prescribed by the board;
30

31 Revised Law

32 Sec. 1085.058. APPOINTMENT OF STAFF AND EMPLOYEES. (a) The
33 board may appoint to the staff any physicians and employ any
34 technicians, nurses, and other employees the board considers
35 necessary for the efficient operation of the district.

36 (b) The board may provide that the district administrator
37 has the authority to hire district employees, including technicians
38 and nurses. (Acts 59th Leg., R.S., Ch. 35, Sec. 5 (part).)

1 the hospital district in all legal matters; provided,
2 however, that the Board of Directors shall be
3 authorized at its discretion to employ additional
4 legal counsel when the Board deems advisable.

5 The hospital district shall contribute
6 sufficient funds to the General Fund of the county for
7 the account of the budget of the County Attorney,
8 District Attorney or Criminal Attorney, as the case
9 may be, to pay all additional salaries and expenses
10 incurred by such officer in performing the duties
11 required of him by the District.

12 Revisor's Note

13 Section 17, Chapter 35, Acts of the 59th
14 Legislature, Regular Session, 1965, refers to "the
15 county." The revised law substitutes "Parker County"
16 for the quoted language because Parker County is the
17 county in which the district is located.

18 Revisor's Note
19 (End of Subchapter)

20 (1) Sections 2 and 3, Chapter 472, Acts of the
21 67th Legislature, Regular Session, 1981, provide for
22 the repeal of that act or for the repeal of Section 4,
23 Chapter 35, Acts of the 59th Legislature, Regular
24 Session, 1965, depending on whether the Parker County
25 Commissioners Court ordered an election of directors
26 as provided by Section 4A(a), Chapter 35, Acts of the
27 59th Legislature, Regular Session, 1965. As stated in
28 Revisor's Note (1) to Section 1085.051, a referendum
29 ballot was submitted to the voters of the district
30 under Section 4A(a) in 1981 and the initial election
31 of directors was held in the spring of 1982. The
32 revised law omits Section 2 of the act because the
33 Parker County Commissioners Court ordered an election
34 of directors within the period prescribed by that
35 section. The revised law omits Section 3 of that act as
36 executed. The omitted law reads:

37 Sec. 2. This Act expires if the
38 commissioners court does not order an
39 election of directors as provided by
40 Section 4A(a) of this Act within five years
41 after the effective date of this Act.

42 Sec. 3. If the commissioners court
43 orders an election of directors as provided
44 by Section 4A, Chapter 35, Acts of the 59th

1 Legislature, Regular Session, 1965, as
2 amended, Section 4 of that Act is repealed
3 when the initial election of directors is
4 held and those elected have qualified.

5 (2) Section 4A(d), Chapter 35, Acts of the 59th
6 Legislature, Regular Session, 1965, establishes
7 qualifications for election to the board at the
8 initial election. The revised law omits that
9 provision as executed. The omitted law reads:

10 (d) To qualify for election to the
11 Board at the initial election, a candidate
12 for Director must be at least eighteen (18)
13 years of age, must be a resident of the
14 District, and if the Commissioners Court
15 determines that members shall be elected
16 from commissioner precincts, a candidate
17 for Director for a precinct area must be a
18 resident of that precinct.

19 (3) Section 4A(e), Chapter 35, Acts of the 59th
20 Legislature, Regular Session, 1965, provides for the
21 expiration of the terms of the directors in office when
22 the initial election of directors occurred under
23 Section 4A(a). The revised law omits that provision as
24 executed. The omitted law reads:

25 (e) The terms of the appointed
26 members of the Board who are incumbent on
27 the date of the initial election of
28 Directors expire when their successors are
29 elected and have qualified.

30 (4) Section 4A(f), Chapter 35, Acts of the 59th
31 Legislature, Regular Session, 1965, requires each
32 director to take the constitutional oath of office.
33 The revised law omits that provision because Section
34 1, Article XVI, Texas Constitution, requires all
35 officers in this state to take the oath (or
36 affirmation) before assuming office. The omitted law
37 reads:

38 (f) Each Director shall take the
39 constitutional oath of office.

40 (5) Section 4B(a), Chapter 35, Acts of the 59th
41 Legislature, Regular Session, 1965, provides that the
42 Election Code governs elections of directors except as
43 otherwise provided by that section. The revised law

1 omits that provision because Section 1.002, Election
2 Code, provides that the Election Code applies to all
3 elections held in this state. An exception to the
4 application of the Election Code would apply by its own
5 terms. The omitted law reads:

6 (a) Except as provided by this
7 section, the Election Code governs
8 elections of Directors.

9 [Sections 1085.061-1085.100 reserved for expansion]

10 SUBCHAPTER C. POWERS AND DUTIES

11 Revised Law

12 Sec. 1085.101. DISTRICT RESPONSIBILITY. The district has
13 full responsibility for:

14 (1) operating all hospital facilities for providing
15 medical and hospital care of indigent persons in the district; and

16 (2) providing medical and hospital care for the
17 district's needy inhabitants. (Acts 59th Leg., R.S., Ch. 35, Secs.
18 2 (part), 20 (part).)

19 Source Law

20 Sec. 2. . . . Such District shall assume full
21 responsibility for providing medical and hospital care
22 for its needy inhabitants and

23 Sec. 20. . . . The said hospital district shall
24 assume full responsibility for the operation of all
25 hospital facilities for the furnishing of medical and
26 hospital care of indigent persons within its
27 boundaries.

28 Revisor's Note

29 Sections 2 and 20, Chapter 35, Acts of the 59th
30 Legislature, Regular Session, 1965, provide that the
31 district "shall assume" full responsibility for
32 providing medical and hospital care for the district's
33 needy inhabitants and for the operation of hospital
34 facilities for indigent persons. The revised law
35 substitutes "has" for the quoted language because the
36 duty to assume responsibility is executed.

37 Revised Law

38 Sec. 1085.102. RESTRICTION ON POLITICAL SUBDIVISION

1 TAXATION AND DEBT. Parker County or a municipality in Parker County
2 may not impose a tax or issue bonds or other obligations for
3 hospital purposes or for medical treatment of indigent persons in
4 the district. (Acts 59th Leg., R.S., Ch. 35, Sec. 20 (part).)

5 Source Law

6 Sec. 20. After creation of the hospital
7 district, neither Parker County, Texas, nor any city
8 or town therein shall thereafter issue bonds or other
9 evidences of indebtedness for hospital purposes or for
10 medical treatment of indigent persons within such
11 boundaries, nor shall such political subdivisions levy
12 taxes for either of such purposes. . . .

13 Revisor's Note

14 (1) Section 20, Chapter 35, Acts of the 59th
15 Legislature, Regular Session, 1965, provides that
16 "[a]fter creation of the hospital district," certain
17 political subdivisions may not issue bonds or levy
18 taxes. The revised law omits the quoted language as
19 executed. In addition, throughout this chapter, the
20 revised law substitutes "impose" for "levy" because
21 the terms are synonymous and the former is more
22 commonly used.

23 (2) Section 20, Chapter 35, Acts of the 59th
24 Legislature, Regular Session, 1965, refers to a "city
25 or town." Throughout this chapter, the revised law
26 substitutes "municipality" for the quoted language
27 because the meaning of "municipality" includes both
28 cities and towns and because that is the term used in
29 the Local Government Code.

30 (3) Section 20, Chapter 35, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that
32 Parker County or a municipality located in Parker
33 County may not issue bonds or other "evidences of
34 indebtedness" for hospital purposes or medical
35 treatment. The revised law substitutes "obligations"
36 for "evidences of indebtedness" because, in context,
37 the terms are synonymous and "obligations" is more

1 commonly used.

2 Revised Law

3 Sec. 1085.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
4 The board shall manage, control, and administer the district's
5 hospitals and hospital system. (Acts 59th Leg., R.S., Ch. 35, Sec.
6 5 (part).)

7 Source Law

8 Sec. 5. The board of directors shall manage,
9 control, and administer the hospitals and hospital
10 system of the district and

11 Revised Law

12 Sec. 1085.104. HOSPITAL SYSTEM. The district shall provide
13 for:

- 14 (1) the establishment of a hospital system by:
 - 15 (A) purchasing, constructing, acquiring,
 - 16 repairing, or renovating buildings and equipment; and
 - 17 (B) equipping the buildings; and
- 18 (2) the administration of the hospital system for
19 hospital purposes. (Acts 59th Leg., R.S., Ch. 35, Sec. 2 (part).)

20 Source Law

21 Sec. 2. . . . thereafter the District shall
22 provide for the establishment of a hospital system by
23 the purchase, construction, acquisition, repair or
24 renovation of buildings and equipment, and equipping
25 same, and the administration thereof for hospital
26 purposes. . . .

27 Revised Law

28 Sec. 1085.105. RULES. The board may adopt rules as required
29 to administer this chapter. (Acts 59th Leg., R.S., Ch. 35, Sec. 11
30 (part).)

31 Source Law

32 Sec. 11. The Board of Directors of such District
33 shall have the power . . . to make such rules and
34 regulations as may be required to carry out the
35 provisions of this Act.

36 Revisor's Note

37 Section 11, Chapter 35, Acts of the 59th
38 Legislature, Regular Session, 1965, provides that the
39 board may "make such rules and regulations" as

1 required to carry out the act. The revised law
2 substitutes "adopt" for "make" because the terms are
3 synonymous and the former is more commonly used. The
4 revised law also omits the reference to "regulations"
5 because under Section 311.005(5), Government Code
6 (Code Construction Act), a rule is defined to include a
7 regulation.

8 Revised Law

9 Sec. 1085.106. PURCHASING AND ACCOUNTING PROCEDURES. The
10 board may prescribe:

11 (1) the method and manner of making purchases and
12 expenditures by and for the district; and

13 (2) all accounting and control procedures. (Acts 59th
14 Leg., R.S., Ch. 35, Sec. 11 (part).)

15 Source Law

16 Sec. 11. The Board of Directors of such District
17 shall have the power to prescribe the method and manner
18 of making purchases and expenditures by and for such
19 hospital district, and also shall be authorized to
20 prescribe all accounting and control procedures and
21

22 Revised Law

23 Sec. 1085.107. DISTRICT PROPERTY, FACILITIES, AND
24 EQUIPMENT. (a) The board shall determine the type, number, and
25 location of buildings required to maintain an adequate hospital
26 system.

27 (b) The board may construct, purchase, acquire, lease, add
28 to, maintain, operate, develop, regulate, sell, and convey all
29 land, property, property rights, equipment, hospital facilities,
30 and systems for the maintenance of hospitals, buildings, clinics,
31 structures, and any other facilities. (Acts 59th Leg., R.S., Ch.
32 35, Secs. 5 (part), 9.)

34 Sec. 5. The board of directors . . . shall have
35 the power:
36 (1) to construct, . . . purchase and
37 acquire, lease, add to, maintain, operate, develop and
38 regulate, sell and convey all land, property, property
39 rights, equipment, hospital facilities, and systems
40 for the maintenance of hospitals, buildings, clinics,

1 structures, and any and all other facilities, and
2
3

4 Sec. 9. The Board of Directors is hereby given
5 complete discretion as to the type of buildings (both
6 as to number and location) required to establish and
7 maintain an adequate hospital system.

8 Revisor's Note

9 Section 9, Chapter 35, Acts of the 59th
10 Legislature, Regular Session, 1965, requires the board
11 to determine the buildings required to "establish and
12 maintain" an adequate hospital system. The revised
13 law omits the reference to establishing the hospital
14 system as executed.

15 Revised Law

16 Sec. 1085.108. EMINENT DOMAIN. (a) The district may:

17 (1) condemn and purchase all land, property, property
18 rights, equipment, hospital facilities, and systems for the
19 maintenance of hospitals, buildings, clinics, structures, and any
20 other facilities; and

21 (2) exercise the power of eminent domain to effect a
22 purpose described by Subdivision (1), or for acquiring or damaging
23 any land or property, including any kind of property appurtenant to
24 that land or property.

25 (b) The board must institute and exercise the power of
26 eminent domain under a resolution adopted by the board and in the
27 manner and by the procedure provided by Chapter 21, Property Code.
28 (Acts 59th Leg., R.S., Ch. 35, Sec. 5 (part).)

29 Source Law

30 Sec. 5. The board of directors . . . shall have
31 the power:

32 (1) to . . . condemn and purchase, . . .
33 all land, property, property rights, equipment,
34 hospital facilities, and systems for the maintenance
35 of hospitals, buildings, clinics, structures, and any
36 and all other facilities, and to exercise the right of
37 eminent domain to effectuate the foregoing purposes or
38 for the acquisition and damaging of the same or
39 property of any kind appurtenant thereto, and such
40 right of eminent domain shall be exercised and
41 instituted pursuant to a resolution of the board of
42 directors and constituted in the same manner and by the
43 same procedure as is or may be provided by law for the
44 exercise of the power of eminent domain by
45 incorporated cities and towns of the State of Texas in

1 the acquisition of property rights;

2 . . .

3 Revisor's Note

4 (1) Section 5, Chapter 35, Acts of the 59th
5 Legislature, Regular Session, 1965, provides that the
6 board must exercise the power of eminent domain in the
7 same manner and by the same procedure as is "provided
8 by law for the exercise of the power of eminent domain
9 by incorporated cities and towns of the State of
10 Texas." The revised law substitutes for the quoted
11 language a reference to Chapter 21, Property Code,
12 because that is the law governing eminent domain for
13 governmental entities in this state, including
14 municipalities.

15 (2) Section 15, Chapter 35, Acts of the 59th
16 Legislature, Regular Session, 1965, authorizes the
17 district to exercise the power of eminent domain to
18 acquire property within the district's boundaries.
19 The revised law omits Section 15 as superseded by
20 language added to Section 5 of the act under Chapter
21 444, Acts of the 64th Legislature, Regular Session,
22 1975. That language is revised in this section. The
23 omitted law reads:

24 Sec. 15. The District shall have the
25 right and power of eminent domain for the
26 purpose of acquiring by condemnation any
27 and all property of any kind and character
28 in fee simple, or any lesser interest
29 therein, within the boundaries of the
30 District necessary or convenient to the
31 powers, rights and privileges conferred by
32 this Act, in the manner provided by the
33 General Law with respect to condemnation by
34 counties.

35 Revised Law

36 Sec. 1085.109. GIFTS AND ENDOWMENTS. The board may accept
37 for the district a gift or endowment to be held in trust and
38 administered by the board for the purposes and under the
39 directions, limitations, or other provisions prescribed in writing
40 by the donor that are not inconsistent with the proper management

1 and objectives of the district. (Acts 59th Leg., R.S., Ch. 35, Sec.
2 19.)

3 Source Law

4 Sec. 19. The Board of Directors of the hospital
5 district is authorized on behalf of such District to
6 accept donations, gifts and endowments to be held in
7 trust and administered by the Board of Directors for
8 such purposes and under such directions, limitations
9 and provisions as may be prescribed in writing by the
10 donor not inconsistent with proper management and
11 object of the hospital district.

12 Revisor's Note

13 Section 19, Chapter 35, Acts of the 59th
14 Legislature, Regular Session, 1965, refers to
15 "donations" and "gifts." The revised law omits
16 "donations" because "donations" is included in the
17 meaning of "gifts."

18 Revised Law

19 Sec. 1085.110. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
20 CARE AND TREATMENT. (a) The board may contract with a county or a
21 municipality located outside the district's boundaries for the care
22 and treatment of a sick or injured person of that county or
23 municipality.

24 (b) The board may contract with this state or a federal
25 agency for the treatment of a sick or injured person for whom this
26 state or the federal government is responsible. (Acts 59th Leg.,
27 R.S., Ch. 35, Sec. 5 (part).)

28 Source Law

29 Sec. 5. The board of directors . . . shall have
30 the power:

31 . . .
32 (5) to contract with any county or
33 incorporated municipality located outside its
34 boundaries for the care and treatment of the sick,
35 diseased, or injured persons of any such county or
36 municipality, and shall have the authority to contract
37 with the State of Texas and agencies of the federal
38 government for the treatment of sick, diseased, or
39 injured persons for whom the State of Texas or the
40 federal government is responsible; and
41 . . .

42 Revisor's Note

43 (1) Section 5, Chapter 35, Acts of the 59th
44 Legislature, Regular Session, 1965, refers to an

1 "incorporated municipality." The revised law omits
2 "incorporated" because under the Local Government Code
3 all municipalities must be incorporated.

4 (2) Section 5, Chapter 35, Acts of the 59th
5 Legislature, Regular Session, 1965, refers to the
6 treatment of "sick, diseased, or injured persons."
7 The revised law omits the reference to "diseased"
8 because "diseased" is included in the meaning of
9 "sick."

10 Revised Law

11 Sec. 1085.111. PAYMENT FOR TREATMENT; PROCEDURES. (a)

12 When a patient who resides in the district is admitted to a district
13 facility, the district administrator shall have an inquiry made
14 into the circumstances of:

15 (1) the patient; and

16 (2) the patient's relatives who are legally liable for
17 the patient's support.

18 (b) If the district administrator determines that the
19 patient or those relatives cannot pay all or part of the costs of
20 the care and treatment in the hospital, the amount of the costs that
21 cannot be paid becomes a charge against the district.

22 (c) If the district administrator determines that the
23 patient or those relatives can pay for all or part of the costs of
24 the patient's care and treatment, the patient or those relatives
25 shall be ordered to pay the district a specified amount each week
26 for the patient's support. The amount ordered must be
27 proportionate to the person's financial ability and may not exceed
28 the actual per capita cost of maintenance.

29 (d) The district administrator may collect the amount from
30 the estate of the patient, or from any relative who is legally
31 liable for the patient's support, in the manner provided by law for
32 the collection of expenses of the last illness of a deceased person.

33 (e) If there is a dispute as to the ability to pay, or doubt
34 in the mind of the district administrator, the board shall hold a

1 hearing and, after calling witnesses, shall:

2 (1) resolve the dispute or doubt; and

3 (2) issue any appropriate orders.

4 (f) A final order of the board may be appealed to the
5 district court. The substantial evidence rule applies to the
6 appeal. (Acts 59th Leg., R.S., Ch. 35, Sec. 18.)

7 Source Law

8 Sec. 18. Whenever a patient residing within the
9 District has been admitted to the facilities thereof,
10 the Administrator or Manager shall cause inquiry to be
11 made as to his circumstances and those of the relatives
12 of such patient legally liable for his support. If he
13 finds that such patient or said relatives are able to
14 pay for his care and treatment in whole or in part, an
15 order shall be made directing such patient or said
16 relatives to pay to the hospital district for the
17 support of such patient a specified sum per week in
18 proportion to their financial ability, but such sum
19 shall not exceed the actual per capita cost of
20 maintenance. The Administrator or Manager shall have
21 power and authority to collect such sums from the
22 estate of the patient or his relatives legally liable
23 for his support in the manner provided by law for
24 collection of expenses in the last illness of a
25 deceased person. If the Administrator or Manager
26 finds that such patient or said relatives are not able
27 to pay either in whole or in part for his care and
28 treatment in such hospital, same shall become a charge
29 upon the hospital district as to the amount of the
30 inability to pay. Should there be any dispute as to
31 the ability to pay or doubt in the mind of the
32 Administrator or Manager, the Board of Directors shall
33 hear and determine same after calling witnesses, and
34 shall make such order or orders as may be proper.
35 Appeals from a final order of the Board shall lie to
36 the District Court. The substantial evidence rule
37 shall apply.

38 [Sections 1085.112-1085.150 reserved for expansion]

39 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

40 Revised Law

41 Sec. 1085.151. BUDGET. The district administrator shall
42 prepare an annual budget for approval by the board. (Acts 59th
43 Leg., R.S., Ch. 35, Sec. 6 (part).)

44 Source Law

45 Sec. 6. . . . In addition, the Administrator or
46 Manager shall prepare an annual budget for approval by
47 the Board of Directors of said District. . . .

48 Revised Law

49 Sec. 1085.152. NOTICE; HEARING; APPROVAL OF BUDGET. (a)
50 The board shall hold a public hearing on the proposed annual budget.

1 (b) Notice of the hearing must be published one time at
2 least 10 days before the date of the hearing.

3 (c) The board must approve the annual budget. (Acts 59th
4 Leg., R.S., Ch. 35, Sec. 6 (part).)

5 Source Law

6 Sec. 6. . . . A public hearing on the annual
7 budget shall be held by the Board of Directors after
8 notice of such hearing has been published one (1) time
9 at least ten (10) days before the date set therefor.
10 . . . the annual budget, and . . . shall be approved by
11 the Board of Directors. . . .

12 Revised Law

13 Sec. 1085.153. AMENDMENTS TO BUDGET. The budget may be
14 amended as required by circumstances. The board must approve all
15 amendments. (Acts 59th Leg., R.S., Ch. 35, Sec. 6 (part).)

16 Source Law

17 Sec. 6. . . . The annual budget may be amended
18 from time to time as the circumstances may require, but
19 [the annual budget, and] all amendments thereto, shall
20 be approved by the Board of Directors. . . .

21 Revisor's Note

22 Section 6, Chapter 35, Acts of the 59th
23 Legislature, Regular Session, 1965, states that the
24 board may amend the budget "from time to time." The
25 revised law omits the quoted language because the
26 authority to take an action implies the authority to do
27 so at any time.

28 Revised Law

29 Sec. 1085.154. RESTRICTION ON EXPENDITURES. Money may be
30 spent only for an expense included in the budget or an amendment to
31 the budget. (Acts 59th Leg., R.S., Ch. 35, Sec. 6 (part).)

32 Source Law

33 Sec. 6. . . . No expenditure may be made for any
34 expense not included in the original annual budget or
35 an amendment thereto. . . .

36 Revised Law

37 Sec. 1085.155. FISCAL YEAR. The district operates
38 according to a fiscal year that begins on October 1 and ends on
39 September 30. (Acts 59th Leg., R.S., Ch. 35, Sec. 6 (part).)

(b) The audit shall be open to inspection at all times at the district's principal office. (Acts 59th Leg., R.S., Ch. 35, Sec. 6 (part).)

Sec. 6. . . . it [the District] shall cause an audit to be made of the financial condition of said District, which shall at all times be open to inspection at the principal office of the District. . . .

Revised Law

Sec. 1085.157. FINANCIAL REPORT. As soon as practicable after the close of each fiscal year, the district administrator shall prepare for the board:

- (1) a complete sworn statement of all district money;
- and
- (2) a complete account of the disbursements of that money. (Acts 59th Leg., R.S., Ch. 35, Sec. 6 (part).)

Source Law

Sec. 6. . . . As soon as practicable after the close of each fiscal year the Administrator or Manager shall prepare for the Board a full sworn statement of all moneys belonging to the District and a full account of the disbursements of same.

Revised Law

Sec. 1085.158. DEPOSITORY. (a) The board shall select one or more financial institutions to serve as a depository for district money.

(b) District money shall be immediately deposited on receipt with a depository institution, except that sufficient money must be remitted to the institution designated for the payment of principal of and interest on the district's outstanding bonds or other obligations assumed by the district in time for the

1 institution to make that payment on or before the maturity date of
2 the principal and interest.

3 (c) To the extent that money in a depository institution is
4 not insured by the Federal Deposit Insurance Corporation, the money
5 must be secured in the manner provided by law for the security of
6 county funds.

7 (d) Membership on the district's board of an officer or
8 director of a financial institution does not disqualify the
9 institution from being designated as a depository. (Acts 59th
10 Leg., R.S., Ch. 35, Sec. 12.)

11 Source Law

12 Sec. 12. The Board of Directors of the District
13 shall name one or more financial institutions to serve
14 as depository for the funds of the District. All such
15 funds shall, as derived and collected, be immediately
16 deposited with a depository institution, except that
17 sufficient funds shall be remitted to the institution
18 designated for the payment of principal of and
19 interest on the outstanding bonds of the District or
20 other obligations assumed by it and in time that such
21 money may be received by that institution for payment
22 on or prior to the date of maturity of such principal
23 and interest so to be paid. To the extent that funds in
24 a depository institution are not insured by the
25 Federal Deposit Insurance Corporation, they shall be
26 secured in the manner provided by law for security of
27 county funds. Membership on the Board of Directors of
28 an officer or director of a financial institution
29 shall not disqualify such institution from being
30 designated as depository.

31 Revisor's Note

32 Section 12, Chapter 35, Acts of the 59th
33 Legislature, Regular Session, 1965, refers to money
34 "derived and collected." The revised law substitutes
35 "on receipt" for the quoted language because the terms
36 are synonymous, and the former is more commonly used.

37 Revised Law

38 Sec. 1085.159. AUTHORITY TO BORROW MONEY. The board may
39 contract indebtedness or borrow money for district purposes on the
40 credit of the district or secured by revenues of district hospitals
41 and the hospital system. (Acts 59th Leg., R.S., Ch. 35, Sec. 5
42 (part).)

1 the time general obligation bonds are issued under Section
2 1085.201, the board shall impose an ad valorem tax at a rate
3 sufficient to create an interest and sinking fund and to pay the
4 principal of and interest on the bonds as the bonds mature.

5 (b) The tax required by this section together with any other
6 ad valorem tax the district imposes may not in any year exceed the
7 lesser of:

8 (1) the maximum tax rate approved by district voters;
9 or

10 (2) 75 cents on each \$100 valuation of all taxable
11 property in the district. (Acts 59th Leg., R.S., Ch. 35, Sec. 7
12 (part).)

13 Source Law

14 Sec. 7. . . . At the time of the issuance of
15 any such bonds a tax shall be levied by the Board
16 sufficient to create an interest and sinking fund and
17 to pay the interest on and principal of said bonds as
18 same mature, providing such tax together with any
19 other taxes levied for said District shall not exceed
20 the maximum rate of tax approved by the resident
21 qualified property taxpaying voters or Seventy-Five
22 Cents (75¢) on each One Hundred Dollars (\$100)
23 valuation of taxable property in any one (1) year,
24 whichever amount is lesser. . . .

25 Revisor's Note

26 (1) Section 7, Chapter 35, Acts of the 59th
27 Legislature, Regular Session, 1965, requires the
28 district to levy a tax to pay the principal of and
29 interest on bonds. The revised law specifies that the
30 tax is an "ad valorem" tax because it is clear from the
31 source law that the tax is a property tax and "ad
32 valorem" is the term most commonly used to refer to a
33 property tax.

34 (2) Section 7, Chapter 35, Acts of the 59th
35 Legislature, Regular Session, 1965, refers to "the
36 resident qualified property taxpaying voters" of the
37 district. The revised law substitutes "district
38 voters" for "resident qualified" voters because
39 Chapter 11, Election Code, governs eligibility to vote

1 in an election in this state and allows only
2 "qualified" voters who are residents of the territory
3 covered by the election to vote in an election. The
4 revised law omits the reference to "property
5 taxpaying" voters because in Hill v. Stone, 421 U.S.
6 289, 95 S.Ct. 1637 (1975), the United States Supreme
7 Court determined that property ownership as a
8 qualification for voting is an unconstitutional denial
9 of equal protection.

10 Revised Law

11 Sec. 1085.203. GENERAL OBLIGATION BOND ELECTION. (a) The
12 board may issue general obligation bonds only if the bonds are
13 authorized by a majority of the district voters voting at an
14 election held for that purpose.

15 (b) The board shall call the election. The election must be
16 held in accordance with Chapter 1251, Government Code.

17 (c) The bond election order must specify:

- 18 (1) the date of the election;
- 19 (2) the location of the polling places;
- 20 (3) the presiding election officers;
- 21 (4) the amount of the bonds to be authorized;
- 22 (5) the maximum interest rate of the bonds; and
- 23 (6) the maximum maturity of the bonds. (Acts 59th
24 Leg., R.S., Ch. 35, Sec. 7 (part).)

25 Source Law

26 Sec. 7. . . . No bonds shall be issued by such
27 hospital district . . . until authorized by a majority
28 of the qualified electors of the District who own
29 taxable property therein and who have duly rendered
30 the same for taxation voting at an election called for
31 such purpose. Except as provided in Section 8, such
32 election shall be called by the Board of Directors and
33 held in accordance with the provisions of Chapter 1,
34 Title 22 of the Revised Civil Statutes of Texas, as
35 amended, and except as therein otherwise provided,
36 shall be conducted in accordance with the General Laws
37 of Texas pertaining to elections. . . . The bond
38 election order shall specify the date of the election,
39 the amount of bonds to be authorized, the maximum
40 maturity thereof, the maximum rate of interest they
41 are to bear, the place or places where the election
42 shall be held and the presiding officers thereof.
43 . . .

1 Revisor's Note

2 (1) Section 7, Chapter 35, Acts of the 59th
3 Legislature, Regular Session, 1965, refers to a
4 majority vote of the "qualified electors of the
5 District who own taxable property therein and who have
6 duly rendered the same for taxation." The revised law
7 omits the references to "qualified" and to property
8 ownership as a qualification for voting for the
9 reasons stated in Revisor's Note (2) to Section
10 1085.202. In addition, throughout this chapter, the
11 revised law substitutes "voter" for "elector" because
12 the former is the term used in the Election Code.

13 (2) Section 7, Chapter 35, Acts of the 59th
14 Legislature, Regular Session, 1965, states that
15 "[e]xcept as provided in Section 8," the bond election
16 shall be called by the board and held in accordance
17 with certain election laws. As explained in the
18 revisor's note to the end of Subchapter A, Section 8 is
19 omitted from the revised law as executed. The revised
20 law therefore omits the reference.

21 (3) Section 7, Chapter 35, Acts of the 59th
22 Legislature, Regular Session, 1965, provides that an
23 election must be "held in accordance with the
24 provisions of Chapter 1, Title 22 of the Revised Civil
25 Statutes of Texas, as amended, and except as therein
26 otherwise provided, shall be conducted in accordance
27 with the General Laws of Texas pertaining to
28 elections." The election provisions of Chapter 1,
29 Title 22, Revised Statutes, are codified as Chapter
30 1251, Government Code, and the revised law is drafted
31 accordingly. The revised law omits the reference to
32 "except as therein otherwise provided" because an
33 exception to the application of the Election Code in
34 Chapter 1251, Government Code, would apply by its own

1 terms. The revised law omits the reference to the
2 "General Laws of Texas pertaining to elections"
3 because Section 1.002, Election Code, provides that
4 the Election Code applies to all elections held in this
5 state.

6 (4) Section 7, Chapter 35, Acts of the 59th
7 Legislature, Regular Session, 1965, requires the
8 district to make provisions for defraying the costs of
9 elections. The revised law omits that provision
10 because it duplicates Section 1.014, Election Code,
11 applicable to the district under Section 1.002 of that
12 code. The omitted law reads:

13 Sec. 7. . . . The District shall
14 make provisions for defraying the costs of
15 all elections called and held under the
16 provisions of this Act. . . .

17 Revised Law

18 Sec. 1085.204. EXECUTION OF GENERAL OBLIGATION BONDS. The
19 board president shall execute the general obligation bonds in the
20 district's name and the board secretary shall attest the bonds as
21 provided by Chapter 618, Government Code. (Acts 59th Leg., R.S.,
22 Ch. 35, Sec. 7 (part).)

23 Source Law

24 Sec. 7. . . . Such bonds shall be executed in
25 the name of the hospital district and in its behalf by
26 the President of the Board and attested by the
27 Secretary, as provided by Article 717j-1, V.C.S., and
28

29 Revisor's Note

30 Section 7, Chapter 35, Acts of the 59th
31 Legislature, Regular Session, 1965, refers to Article
32 717j-1, Vernon's Texas Civil Statutes. That statute
33 was codified in 1999 as Chapter 618, Government Code,
34 and the revised law is drafted accordingly.

35 Revised Law

36 Sec. 1085.205. REFUNDING BONDS. (a) The board may, without
37 an election, issue refunding bonds to refund any bonds issued or
38 assumed by the district.

1 (b) A refunding bond may be:

2 (1) sold, with the proceeds of the refunding bond
3 applied to the payment of outstanding bonds; or

4 (2) exchanged wholly or partly for not less than a
5 similar principal amount of the outstanding bonds. (Acts 59th
6 Leg., R.S., Ch. 35, Sec. 7 (part).)

7 Source Law

8 Sec. 7. . . . [No bonds shall be issued by such
9 hospital district] except refunding bonds [until
10 authorized by a majority of the qualified electors
11 . . . voting at an election]

12 The bonds of the District may be issued for the
13 purpose of refunding and paying off any bonds issued or
14 assumed by such District. Such refunding bonds may be
15 sold and the proceeds thereof applied to the payment of
16 outstanding bonds, or may be exchanged in whole or in
17 part for not less than a like principal amount of such
18 outstanding bonds

19 Revisor's Note

20 (1) Section 7, Chapter 35, Acts of the 59th
21 Legislature, Regular Session, 1965, limits the
22 interest rate for refunding bonds issued by the
23 district. The revised law omits that provision as
24 impliedly repealed by Section 2(a), Chapter 3, Acts of
25 the 61st Legislature, Regular Session, 1969 (Article
26 717k-2, Vernon's Texas Civil Statutes), which was
27 codified in 1999 as Section 1204.006(a), Government
28 Code. Section 1204.006(a), Government Code, permits a
29 public agency, including a hospital district, to issue
30 bonds at a net effective interest rate not to exceed 15
31 percent and applies to district bonds by application
32 of Section 1204.001, Government Code. The omitted law
33 reads:

34 Sec. 7. . . . provided that if
35 refunding bonds are to be exchanged for a
36 like amount of said outstanding bonds, such
37 refunding bonds shall bear interest at the
38 same or lower rate than borne by the bonds
39 refunded, unless it is shown mathematically
40 that a saving will result in the total
41 amount of interest to be paid on said
42 refunding bonds, and

43 (2) Section 7, Chapter 35, Acts of the 59th

1 Legislature, Regular Session, 1965, provides that
2 refunding bonds sold to pay outstanding bonds or other
3 refundable indebtedness must be issued and payments
4 made in the manner specified by "Article 717k, Revised
5 Civil Statutes of Texas, as amended." Article 717k was
6 codified in 1999 as part of Chapter 1207, Government
7 Code. The revised law omits the provision because
8 Chapter 1207, Government Code, applies to the district
9 by its own terms under Section 1207.001, Government
10 Code. The omitted law reads:

11 Sec. 7. . . . provided further, that
12 if such refunding bonds are to be sold and
13 the proceeds thereof applied to the payment
14 of any such outstanding bonds or other
15 refundable indebtedness, same shall be
16 issued and payments made in the manner
17 specified by Article 717k, Revised Civil
18 Statutes of Texas, as amended.

19 Revised Law

20 Sec. 1085.206. BONDS EXEMPT FROM TAXATION. The following
21 are exempt from taxation by this state or a political subdivision of
22 this state:

- 23 (1) bonds issued by the district;
24 (2) the transfer and issuance of the bonds; and
25 (3) profits made in the sale of the bonds. (Acts 59th
26 Leg., R.S., Ch. 35, Sec. 10 (part).)

27 Source Law

28 Sec. 10. . . . any bonds issued by it [the
29 district] and their transfer, and the issuance
30 therefrom, including any profits made in the sale
31 thereof, shall at all times be free from taxation by
32 the state or any municipality or political subdivision
33 thereof.

34 Revisor's Note

35 Section 10, Chapter 35, Acts of the 59th
36 Legislature, Regular Session, 1965, refers to "any
37 municipality or political subdivision" of this state.
38 The revised law omits "municipality" because that term
39 is included in the meaning of "political subdivision."

Revisor's Note
(End of Subchapter)

(1) Section 7, Chapter 35, Acts of the 59th Legislature, Regular Session, 1965, provides that the district's general obligation bonds are subject to the law governing counties that relates to bond approval by the attorney general and registration of the bonds by the comptroller. The revised law omits that provision as superseded by Chapter 1202, Government Code (enacted as Article 3, Chapter 53, Acts of the 70th Legislature, 2nd Called Session, 1987). Section 1202.003(a), Government Code, requires bonds to be submitted to the attorney general. Section 1202.003(b), Government Code, provides for approval of the bonds by the attorney general and requires the attorney general to submit the approved bonds to the comptroller for registration. Section 1202.005, Government Code, requires registration of the bonds by the comptroller. Chapter 1202, Government Code, applies to district bonds by application of Section 1202.001, Government Code. The omitted law reads:

Sec. 7. . . . [Such bonds] . . . shall be subject to the same requirements in the matter of approval by the Attorney General of Texas and registration by the Comptroller of Public Accounts of the State of Texas as are by law provided for approval and registration of bonds issued by counties. . . .

(2) Section 14, Chapter 35, Acts of the 59th Legislature, Regular Session, 1965, provides that district bonds are authorized investments for certain entities. The revised law omits the provision as unnecessary. As to several of the entities listed, Section 14 has been superseded and impliedly repealed. Investments in securities by banks are regulated by Section 34.101, Finance Code (enacted in 1995 as Section 5.101, Texas Banking Act (Article 342-5.101, Vernon's Texas Civil Statutes)). Investments in

1 securities by savings banks are regulated by Section
2 93.001(c)(10), Finance Code (enacted in 1993 as
3 Section 7.15(10), Texas Savings Bank Act (Article
4 489e, Vernon's Texas Civil Statutes)). Investments in
5 securities by trust companies are regulated by Section
6 184.101, Finance Code (enacted in 1997 as Section
7 5.101, Texas Trust Company Act (Article 342a-5.101,
8 Vernon's Texas Civil Statutes)). Investments in
9 securities by savings and loan associations are
10 regulated by Sections 63.002 and 64.001, Finance Code.
11 As to the remaining entities listed, Section 14 is
12 superseded by Section 1201.041, Government Code
13 (enacted as Section 9, Bond Procedures Act of 1981
14 (Article 717k-6, Vernon's Texas Civil Statutes)).
15 While Section 14 lists "guardians" and Section
16 1201.041 does not, the latter statute includes
17 "fiduciaries," and a guardian is a fiduciary. Section
18 1201.041, Government Code, applies to district bonds
19 by application of Section 1201.002, Government Code.
20 The revised law omits the reference to public funds of
21 this state because it has been superseded by Section
22 404.024, Government Code (enacted in 1985 as Section
23 2.014, Treasury Act (Article 4393-1, Vernon's Texas
24 Civil Statutes)), which governs the investment of
25 state funds. Section 404.024(b)(10), Government Code,
26 authorizes the investment of state funds in
27 obligations of political subdivisions, including
28 hospital districts. The omitted law reads:

29 Sec. 14. All bonds of the District
30 shall be and are hereby declared to be legal
31 and authorized investments of banks,
32 savings banks, trust companies, building
33 and loan associations, savings and loan
34 associations, insurance companies,
35 fiduciaries, trustees, guardians, and
36 sinking funds of cities, towns, villages,
37 counties, school districts, or other
38 political subdivisions of the State of
39 Texas, and for all public funds of the State
40 of Texas or its agencies including the State

1 Permanent School Fund. . . .

2 (3) Section 14, Chapter 35, Acts of the 59th
3 Legislature, Regular Session, 1965, effectively
4 provides that district bonds may secure deposits of
5 public funds of this state or political subdivisions
6 of this state. The revised law omits the provision as
7 impliedly repealed by Section 404.0221, Government
8 Code (enacted in 1995), which lists eligible
9 collateral for deposits of state funds by the
10 comptroller, and by Chapter 2257, Government Code
11 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
12 Statutes), which governs eligible collateral for
13 deposits of funds of other public agencies, including
14 political subdivisions. The omitted law reads:

15 Sec. 14. . . . Such bonds shall be
16 eligible to secure deposit of public funds
17 of the State of Texas and public funds of
18 cities, towns, villages, counties, school
19 districts or other political subdivisions
20 or corporations of the State of Texas, and
21 such bonds shall be lawful and sufficient
22 security for said deposits to the extent of
23 their value when accompanied by all
24 unmatured coupons appurtenant thereto.

25 [Sections 1085.207-1085.250 reserved for expansion]

26 SUBCHAPTER F. GENERAL TAX PROVISIONS

27 Revised Law

28 Sec. 1085.251. IMPOSITION OF AD VALOREM TAX. (a) The board
29 shall impose a tax on all property in the district subject to
30 district taxation.

31 (b) The board shall impose the tax to pay:

- 32 (1) indebtedness issued or assumed by the district;
33 and
34 (2) the maintenance and operating expenses of the
35 district. (Acts 59th Leg., R.S., Ch. 35, Secs. 13 (part), 16
36 (part).)

37 Source Law

38 Sec. 13. The Board of Directors shall annually
39 levy a tax . . . for the purpose of paying (1) the
40 indebtedness assumed or issued by the District, and
41 (2) the maintenance and operating expenses of the

1 District. . . .

2 Sec. 16. The District taxes shall be assessed
3 and collected . . . upon all taxable property within
4 said District, subject to hospital district taxation.
5 . . .

6 Revised Law

7 Sec. 1085.252. TAX RATE. (a) The board may impose the tax
8 at a rate not to exceed the lesser of:

9 (1) the maximum tax rate approved by district voters;

10 or

11 (2) 75 cents on each \$100 valuation of all taxable
12 property in the district.

13 (b) In setting the tax rate, the board shall consider the
14 income of the district from sources other than taxation. (Acts 59th
15 Leg., R.S., Ch. 35, Secs. 3 (part), 13 (part).)

16 Source Law

17 Sec. 3. . . . [hospital district shall be
18 created with authority to levy annual taxes] at a rate
19 not to exceed Seventy-Five Cents (75¢) on the One
20 Hundred Dollars (\$100) valuation of taxable property
21 within such District . . . provided, however, the
22 Commissioners Court may in the election order provide
23 that the tax to be levied by the hospital district,
24 . . . shall be less than Seventy-Five Cents (75¢) on
25 the One Hundred Dollars (\$100) valuation, and in such
26 event . . . such rate shall be the maximum tax which
27 may be levied by the District for all of the purposes
28 aforesaid. . . .

29 Sec. 13. [The board of directors shall annually
30 levy a tax] of not to exceed the amount hereinabove
31 permitted In setting such tax rate the Board
32 shall take into consideration the income of the
33 District from sources other than taxation. . . .

34 Revisor's Note

35 Section 13, Chapter 35, Acts of the 59th
36 Legislature, Regular Session, 1965, requires the board
37 to levy the tax and to certify the tax rate to the
38 county tax assessor-collector. The revised law omits
39 that provision because Section 26.05(a), Tax Code,
40 requires the governing body of a taxing unit to adopt a
41 tax rate for the current tax year and to notify the tax
42 assessor of that rate. The omitted law reads:

43 Sec. 13. . . . Upon determination of
44 the amount of tax required to be levied, the
45 Board shall make such levy and certify the

1 same to the Tax Assessor-Collector of
2 Parker County, Texas.

3 Revised Law

4 Sec. 1085.253. ELECTION TO INCREASE MAXIMUM TAX RATE. (a)
5 The board may order an election to increase the district's maximum
6 tax rate to a rate not to exceed 75 cents on each \$100 valuation of
7 taxable property in the district.

8 (b) The maximum tax rate may not be increased unless the
9 increase is approved by a majority of the district voters voting in
10 an election held for that purpose.

11 (c) An election held under this section must be ordered and
12 notice must be given in the manner provided for a bond election
13 under Subchapter E. (Acts 59th Leg., R.S., Ch. 35, Sec. 3 (part).)

14 Source Law

15 Sec. 3. . . . The Board of Directors of the
16 District, in the event the same is created, shall have
17 the authority to call a subsequent election or
18 elections for the purpose of determining whether the
19 maximum rate of tax shall be increased, but in no event
20 shall the District ever be authorized to levy a tax in
21 excess of Seventy-Five Cents (75¢) on the One Hundred
22 Dollars (\$100) valuation. The election to increase
23 the maximum tax shall be called and notice thereof
24 given in the manner provided in Section 7 of this Act
25 with respect to the issuance of bonds by the District,
26 and only resident qualified property taxpaying
27 electors of the District shall be permitted to vote, a
28 majority of those participating in the election being
29 required to authorize such higher rate of
30 taxation. . . .

31 Revisor's Note

32 Section 3, Chapter 35, Acts of the 59th
33 Legislature, Regular Session, 1965, states that "only
34 resident qualified property taxpaying electors of the
35 District shall be permitted to vote" in an election to
36 increase the tax rate. The revised law omits the
37 references to "qualified" and to property ownership as
38 a qualification for voting for the reasons stated in
39 Revisor's Note (2) to Section 1085.202.

40 Revised Law

41 Sec. 1085.254. TAX ASSESSOR-COLLECTOR. The tax
42 assessor-collector of Parker County shall assess and collect taxes
43 imposed by the district. (Acts 59th Leg., R.S., Ch. 35, Sec. 16

1 (part).)

2 Source Law

3 Sec. 16. . . . The Tax Assessor-Collector of
4 Parker County shall be charged and required to
5 accomplish the assessment and collection of all taxes
6 levied by and on behalf of the District. . . .

7 Revisor's Note

8 (1) Section 16, Chapter 35, Acts of the 59th
9 Legislature, Regular Session, 1965, requires district
10 taxes to be assessed and collected on county tax values
11 in the same manner as provided by law with relation to
12 county taxes. The revised law omits that provision
13 because it was repealed by Section 6(b), Chapter 841,
14 Acts of the 66th Legislature, Regular Session, 1979,
15 which repealed all "general, local, and special laws"
16 that conflicted with that act. The 1979 Act enacted
17 the Property Tax Code (Title 1, Tax Code), a
18 comprehensive, substantive codification of property
19 tax law. Title 1, Tax Code, provides the exclusive
20 procedures for the appraisal of property for taxation
21 by a taxing unit, including a hospital district, and
22 for the assessment and collection of those taxes. The
23 omitted law reads:

24 Sec. 16. . . . The District taxes
25 shall be assessed and collected on county
26 tax values in the same manner as provided by
27 law with relation to county taxes

28 (2) Section 16, Chapter 35, Acts of the 59th
29 Legislature, Regular Session, 1965, provides that the
30 county tax assessor-collector may charge a fee for the
31 assessment and collection of district taxes. The
32 revised law omits that provision because it was
33 repealed by Section 6(b), Chapter 841, Acts of the 66th
34 Legislature, Regular Session, 1979. See Revisor's
35 Note (1). Section 6.27(b), Tax Code, provides for the
36 compensation of a county tax assessor-collector
37 assessing and collecting taxes for another taxing

1 unit. The omitted law reads:

2 Sec. 16. . . . The Assessor-Collector
3 of taxes shall charge and deduct from
4 payments to the hospital district the dues
5 for assessing and collecting the taxes at a
6 rate of not to exceed one per cent (1%) for
7 assessing, and one per cent (1%) for
8 collecting, each based upon the amount
9 collected. Such fees shall be deposited in
10 the officers' salary fund of the county and
11 reported as fees of office of the County
12 Assessor-Collector. . . .

13 (3) Section 16, Chapter 35, Acts of the 59th
14 Legislature, Regular Session, 1965, provides that
15 interest and penalties on district taxes and discounts
16 are the same as for county taxes. The revised law
17 omits that provision because it was repealed by
18 Section 6(b), Chapter 841, Acts of the 66th
19 Legislature, Regular Session, 1979. See Revisor's
20 Note (1). Chapter 33, Tax Code, provides for the
21 assessment of penalties and interest on delinquent
22 taxes, and Section 31.05, Tax Code, provides for
23 discounts on the early payment of taxes. The omitted
24 law reads:

25 Sec. 16. . . . Interest and
26 penalties on taxes paid to the hospital
27 district shall be the same as in the case of
28 county taxes. Discounts shall be the same
29 as allowed by the county. . . .

30 (4) Section 16, Chapter 35, Acts of the 59th
31 Legislature, Regular Session, 1965, provides that tax
32 revenue shall be deposited in the district's
33 depository. The revised law omits the provision
34 because Section 31.10, Tax Code, requires the tax
35 assessor-collector of a taxing unit to deposit taxes
36 collected in the unit's depository. The omitted law
37 reads:

38 Sec. 16. . . . The residue of tax
39 collections, after deduction of discounts
40 and fees for assessing and collecting,
41 shall be deposited in the District's
42 depository. . . .

43 (5) Section 16, Chapter 35, Acts of the 59th

1 Legislature, Regular Session, 1965, provides that the
2 bond of the county tax assessor-collector is security
3 for the performance of district duties unless the
4 board determines that an additional bond is necessary.
5 The revised law omits that provision because it
6 duplicates Section 6.29(b), Tax Code, which authorizes
7 a taxing unit for which the county tax
8 assessor-collector collects a tax to require that
9 collector to post an additional bond. The omitted law
10 reads:

11 Sec. 16. . . . The bond of the County
12 Tax Assessor-Collector shall stand as
13 security for the proper performance of his
14 duties as Assessor-Collector of the
15 District, or if in the judgment of the
16 District Board of Directors it is
17 necessary, additional bond payable to the
18 District may be required. . . .

19 (6) Section 16, Chapter 35, Acts of the 59th
20 Legislature, Regular Session, 1965, states that the
21 tax assessor-collector may act in accordance with
22 state law relating to the assessment, collection, and
23 enforcement of state and county taxes. The revised law
24 omits that provision as unnecessary. The state law
25 relating to the assessment, collection, and
26 enforcement of all ad valorem taxes is Title 1, Tax
27 Code. Section 1.02, Tax Code, requires all taxing
28 units of government to administer the assessment,
29 collection, and enforcement of taxes in conformity
30 with that title. The omitted law reads:

31 Sec. 16. . . . In all matters
32 pertaining to the assessment, collection
33 and enforcement of taxes for the District,
34 the County Tax Assessor-Collector shall be
35 authorized to act in all respects according
36 to the laws of the State of Texas relating
37 to state and county taxes.

38 Revisor's Note
39 (End of Subchapter)

40 Section 16, Chapter 35, Acts of the 59th
41 Legislature, Regular Session, 1965, provides that the

1 district may impose taxes for the entire year in which
2 the district is established. The revised law omits
3 that provision as executed. The omitted law reads:

4 Sec. 16. . . . The Board of
5 Directors shall have the authority to levy
6 the aforesaid tax for the entire year in
7 which said District is established as the
8 result of the election herein provided.

9 [Sections 1085.255-1085.300 reserved for expansion]

10 SUBCHAPTER G. SALES AND USE TAX

11 Revised Law

12 Sec. 1085.301. DEFINITION: TAXABLE ITEM. (a) In this
13 subchapter, "taxable item" includes only an item that is subject to
14 a sales and use tax that might also be imposed by Parker County in
15 the district. The term does not include an item that is not subject
16 to a sales and use tax imposed by Parker County in the district.

17 (b) A change in the taxable status of an item for purposes of
18 a sales and use tax imposed by Parker County results in the same
19 change in the taxable status of the item for purposes of the tax
20 imposed by the district. (Acts 59th Leg., R.S., Ch. 35, Sec. 13A(b)
21 (part).)

22 Source Law

23 (b) . . . For purposes of this section, the
24 term "taxable items" shall include all items subject
25 to any sales and use tax that might also be imposed by
26 Parker County within the affected region. The term
27 "taxable items" shall not include any items that are
28 not subject to a sales and use tax imposed by Parker
29 County within the affected region. Any change in the
30 taxable status of an item for purposes of a sales and
31 use tax imposed by Parker County shall effect the same
32 change at the same time in taxable status of the item
33 under the tax imposed under this Act. . . .

34 Revisor's Note

35 Section 13A(b), Acts of the 59th Legislature,
36 Regular Session, 1965, refers to the "affected
37 region." It is clear from the source law that the
38 "affected region" for purposes of this subchapter is
39 the hospital district. Therefore, the revised law
40 substitutes "district" for "affected region"
41 throughout this subchapter.

1 Revised Law

2 Sec. 1085.302. SALES AND USE TAX AUTHORIZED. The district
3 may adopt a sales and use tax for the benefit of the district if the
4 tax is approved by a majority of the voters of the district voting
5 at an election held for that purpose. (Acts 59th Leg., R.S., Ch.
6 35, Sec. 13A(a) (part).)

7 Source Law

8 Sec. 13A. (a) The District may levy a sales and
9 use tax for the benefit of the District if the tax is
10 authorized by a majority of the qualified voters of the
11 District voting at an election called and held for that
12 purpose. . . .

13 Revisor's Note

14 Section 13A(a), Chapter 35, Acts of the 59th
15 Legislature, Regular Session, 1965, provides that the
16 district may levy a sales and use tax if the tax is
17 authorized at an election "called and held" for that
18 purpose. The revised law omits the reference to
19 "calling" an election because, in this context,
20 "calling" an election is included in the meaning of
21 "holding" an election. Under Chapter 3, Election
22 Code, all elections must be ordered (called) before
23 they may be held.

24 Revised Law

25 Sec. 1085.303. SALES TAX. (a) If the district adopts the
26 tax under Section 1085.302, a tax is imposed on the receipts from
27 the sale at retail of taxable items in the district.

28 (b) The rate of the tax imposed under Subsection (a) is
29 one-half of one percent. (Acts 59th Leg., R.S., Ch. 35, Sec. 13A(b)
30 (part).)

31 Source Law

32 (b) If the District adopts the tax, there is
33 imposed a tax on the receipts from the sale at retail
34 of taxable items within the District at the rate of
35 one-half of one percent. . . .

36 Revised Law

37 Sec. 1085.304. USE TAX. (a) If the district adopts the tax
38 under Section 1085.302, an excise tax is imposed on the use,

1 storage, or other consumption in the district of taxable items
2 purchased, leased, or rented from a retailer during the period that
3 the tax is effective in the district.

4 (b) The rate of the excise tax is the same as the rate of the
5 sales tax portion of the sales and use tax and is applied to the
6 sales price of the taxable items. (Acts 59th Leg., R.S., Ch. 35,
7 Sec. 13A(b) (part).)

8 Source Law

9 (b) . . . There is also imposed an excise tax on
10 the use, storage, or other consumption within the
11 District of taxable items purchased, leased, or rented
12 from a retailer during the period that the tax is
13 effective within the District. The rate of the excise
14 tax is the same as the rate of the sales tax portion of
15 the tax and is applied to the sales price of the
16 taxable items.

17 Revised Law

18 Sec. 1085.305. CONSIDERATION OF TAX RATE. The rate of the
19 sales and use tax imposed by the district under this subchapter is
20 not counted in determining the limitation prescribed by law on
21 local sales and use taxes imposed by a municipality or county in the
22 district. (Acts 59th Leg., R.S., Ch. 35, Sec. 13A(a) (part).)

23 Source Law

24 (a) . . . Such sales and use tax, if adopted,
25 shall not count toward the limitation already imposed
26 by law upon sales and use taxes levied by a city or a
27 county in the affected region.

28 Revised Law

29 Sec. 1085.306. APPLICABILITY OF TAX CODE. (a) Except as
30 provided by Subsection (b) and Section 1085.307, Chapter 323, Tax
31 Code, governs:

32 (1) an election to approve the adoption of the sales
33 and use tax under this subchapter; and

34 (2) the imposition, computation, administration,
35 governance, use, and repeal of the tax.

36 (b) The following sections of the Tax Code do not apply to
37 the sales and use tax under this subchapter:

38 (1) Sections 323.101(d) and (e); and

39 (2) Section 323.209.

1 (c) In determining procedures under Chapter 323, Tax Code:

2 (1) a reference in that chapter to "the county" means
3 the district; and

4 (2) a reference to the "commissioners court" means the
5 board. (Acts 59th Leg., R.S., Ch. 35, Sec. 13A(c).)

6 Source Law

7 (c) The County Sales and Use Tax Act (Chapter
8 323, Tax Code) governs an election to authorize the
9 imposition of the sales and use tax and governs the
10 imposition, computation, administration, governance,
11 abolition, and use of the tax, except that Sections
12 323.101(d) and (e) and Section 323.209 do not apply. In
13 determining procedures under the County Sales and Use
14 Tax Act (Chapter 323, Tax Code), the District's name is
15 substituted for "the county" and "Board of Directors"
16 is substituted for "commissioners court."

17 Revisor's Note

18 (1) Section 13A(c), Acts of the 59th
19 Legislature, Regular Session, 1965, provides that
20 Chapter 323, Tax Code, governs an election to
21 "authorize the imposition" of the sales and use tax
22 under Section 13A and governs the "abolition" of the
23 tax. For consistency with the terminology used in
24 Chapter 323, Tax Code, the revised law substitutes
25 "approve" for "authorize," "adoption" for authorizing
26 the imposition, and "repeal" for "abolition"
27 throughout this subchapter.

28 (2) Section 13A(c), Chapter 35, Acts of the 59th
29 Legislature, Regular Session, 1965, provides that
30 Chapter 323, Tax Code, governs the repeal of the tax.
31 Section 13A(d), Chapter 35, Acts of the 59th
32 Legislature, Regular Session, 1965, codified as
33 Section 1085.307, provides repeal procedures that
34 differ in part from the procedures prescribed by
35 Chapter 323, Tax Code, and the revised law is drafted
36 accordingly.

37 Revised Law

38 Sec. 1085.307. REPEAL OF TAX. (a) If the district adopts
39 the tax under Section 1085.302, the county clerk of Parker County

1 shall place on the ballot a proposition on the question of repealing
2 the tax if the county clerk receives a petition requesting the
3 repeal that is signed by a number of registered voters of the
4 district equal to at least 10 percent of the total number of votes
5 cast in the most recent election at which the adoption of the tax
6 was approved.

7 (b) The county clerk shall place the proposition on the
8 ballot at the first November uniform election date that occurs at
9 least 121 days after the date the county clerk receives the
10 petition.

11 (c) If a majority of the voters voting in the election to
12 repeal the tax approve the repeal, the repeal of the tax takes
13 effect on the January 1 following the election. (Acts 59th Leg.,
14 R.S., Ch. 35, Sec. 13A(d).)

15 Source Law

16 (d) The sales and use tax for the Parker County
17 Hospital District, if approved, may subsequently be
18 repealed in the following manner: A petition
19 containing signatures from registered voters in
20 quantity not less than ten per cent (10%) of the total
21 number of all votes cast on the most recent successful
22 proposition to establish such sales and use tax shall
23 be submitted to the County Clerk who shall proceed to
24 place such question of repeal on the official ballot
25 for the consideration of all voters on the first
26 Tuesday after the first Monday in November of any year;
27 provided, however, that if a proper petition be
28 presented to the County Clerk within one hundred
29 twenty (120) days prior to the first Tuesday after the
30 first Monday in November, then the County Clerk shall
31 place such question on the ballot on such date the
32 following year. If a majority of the votes be cast in
33 favor of repealing the sales and use tax, then such tax
34 shall cease to be levied on the following January 1.

35 Revisor's Note

36 Section 13A(d), Chapter 35, Acts of the 59th
37 Legislature, Regular Session, 1965, refers to an
38 election held on "the first Tuesday after the first
39 Monday in November." The revised law substitutes
40 uniform election date in November because, under
41 Section 41.001, Election Code, the first Tuesday after
42 the first Monday in November is the uniform election
43 date in November.

1 Revisor's Note
2 (End of Subchapter)

3 Section 5, Chapter 66, Acts of the 71st
4 Legislature, Regular Session, 1989, states that the
5 sales and use tax may not be imposed before January 1,
6 1991. The revised law omits that provision as
7 executed. The omitted law reads:

8 Sec. 5. The tax adopted under Section
9 13A, Chapter 35, Acts of the 59th
10 Legislature, Regular Session, 1965, as
11 added by this Act, shall not be imposed
12 prior to January 1, 1991.

13 Revisor's Note
14 (End of Chapter)

15 (1) Section 2, Chapter 35, Acts of the 59th
16 Legislature, Regular Session, 1965, provides for the
17 transfer of certain land, buildings, improvements, and
18 equipment to the district after the district is
19 created and provides for the assumption of debt by the
20 district on creation. The revised law omits the
21 provisions as executed. The omitted law reads:

22 Sec. 2. The District herein
23 authorized to be created shall take over and
24 there shall be transferred to it title to
25 all lands, buildings, improvements and
26 equipment in anywise pertaining to the
27 hospitals or hospital system owned by
28 Parker County and any city or town within
29 such county and [Such District]
30 . . . shall assume the outstanding
31 indebtedness which shall have been incurred
32 by any city or town or by Parker County for
33 hospital purposes prior to the creation of
34 said District.

35 (2) Section 22, Chapter 35, Acts of the 59th
36 Legislature, Regular Session, 1965, provides that the
37 act is severable. The revised law omits that provision
38 because it duplicates Section 311.032, Government Code
39 (Code Construction Act), which provides that a
40 provision of a statute is severable from each other
41 provision of the statute that can be given effect. The
42 omitted law reads:

43 Sec. 22. If any of the provisions of
44 this Act, or the application thereof to any
45 person or circumstances is held invalid,

1 such invalidity shall not affect other
2 provisions or applications of the Act which
3 can be given effect without the invalid
4 provision or application, and to this end
5 the provisions of this Act are declared to
6 be severable.

7 (3) Section 23, Chapter 35, Acts of the 59th
8 Legislature, Regular Session, 1965, provides that
9 public notice of the enactment of the statute was
10 provided in a manner that satisfies the requirements
11 of the Texas Constitution. The revised law omits that
12 section as executed. The omitted law reads:

13 Sec. 23. Proof of publication of the
14 notice required in the enactment hereof
15 under the provisions of Section 9 of Article
16 IX of the Texas Constitution has been made
17 in the manner and form provided by law
18 pertaining to the enactment of local and
19 special laws, and such notice is hereby
20 found and declared proper and sufficient to
21 satisfy such requirement.

8 CHAPTER 1088. REAGAN HOSPITAL DISTRICT OF REAGAN
9 COUNTY, TEXAS

10 SUBCHAPTER A. GENERAL PROVISIONS

11 Revised Law

12 Sec. 1088.001. DEFINITIONS. In this chapter:

13 (1) "Board" means the board of directors of the
14 district.

15 (2) "Director" means a member of the board.

16 (3) "District" means the Reagan Hospital District of
17 Reagan County, Texas. (New.)

18 Revisor's Note

19 The definitions of "board," "director," and
20 "district" are added to the revised law for drafting
21 convenience and to eliminate frequent, unnecessary
22 repetition of the substance of the definitions.

23 Revised Law

24 Sec. 1088.002. AUTHORITY FOR CREATION. The Reagan Hospital
25 District of Reagan County, Texas, is created under the authority of
26 Section 9, Article IX, Texas Constitution. (Acts 65th Leg., R.S.,
27 Ch. 29, Sec. 1.)

28 Source Law

29 Sec. 1. By authority of Article IX, Section 9,
30 of the Texas Constitution, this Act authorizes the
31 creation of Reagan Hospital District of Reagan County,
32 Texas.

33 Revised Law

34 Sec. 1088.003. ESSENTIAL PUBLIC FUNCTION. The district
35 performs an essential public function in carrying out the purposes
36 of this chapter. (Acts 65th Leg., R.S., Ch. 29, Sec. 22 (part).)

1 debt. Section 8(b), Chapter 29, Acts of the 65th
2 Legislature, Regular Session, 1977, provides for the
3 election to include a proposition authorizing the
4 district to issue bonds. Because the creation of the
5 district and the imposition of the tax were approved at
6 the election, the revised law omits the relevant law as
7 executed. The omitted law reads:

8 Sec. 4. (a) The district shall not
9 be created, nor shall any property be
10 transferred to it, nor shall any tax by it
11 be authorized until the creation and the tax
12 are approved by a majority of the electors
13 of the area of the proposed district, voting
14 at an election called for that purpose. The
15 election may be called by a majority of the
16 temporary directors or shall be called by a
17 majority of the temporary directors on
18 presentation of a petition signed by at
19 least 50 electors of the area of the
20 proposed district. The election shall be
21 held not less than 25 nor more than 60 days
22 from the date the election is ordered. The
23 order calling the election shall specify
24 the date, place, or places of holding the
25 election, the form of ballot, the presiding
26 judge and alternate judge for each voting
27 place, and provide for clerks as in county
28 elections. The election order may provide
29 that the entire district shall constitute
30 one election precinct or the county
31 election precincts within the district may
32 be combined for elections. Notice of
33 election shall be given by publishing a
34 substantial copy of the election order in a
35 newspaper or newspapers which individually
36 or collectively provide general circulation
37 in the district once a week for two
38 consecutive weeks, the first publication to
39 appear at least 30 days before the date
40 established for the election. The failure
41 of the election does not operate to prohibit
42 the calling and holding of subsequent
43 elections for the same purpose, provided,
44 no district confirmation election may be
45 held within 12 months of any preceding
46 election for confirmation. If this
47 district is not confirmed within 60 months
48 from the effective date of this Act, this
49 Act is repealed.

50 (b) At the election there shall be
51 submitted to the electors of the area of the
52 proposed district the proposition of
53 whether the hospital district shall be
54 created with authority to have transferred
55 to it the existing hospital facilities of
56 Reagan County and any city or town in the
57 district, including the city of Big Lake,
58 and to levy annual taxes . . . for the
59 purpose of meeting the requirements of the
60 district's bonds, indebtedness assumed by
61 it, and its maintenance and operating

1 expenses. A majority of the electors voting
2 at the election in favor of the proposition
3 is sufficient for its adoption.

4 (c) The form of ballot used at the
5 election on the creation of the district
6 shall be in conformity with Section 61,
7 Texas Election Code, as amended (Article
8 6.05, Vernon's Texas Election Code), so that
9 ballots may be cast "FOR" or "AGAINST" the
10 following ballot proposition: "The creation
11 of the Reagan Hospital District of Reagan
12 County, Texas, providing for the levy of a
13 tax not to exceed 75 cents on each \$100
14 valuation, upon all taxable property
15 situated within the district, subject to
16 hospital district taxation, for all
17 hospital district purposes, and providing
18 for the assumption by the district of all
19 city, town, or county hospital facilities
20 and outstanding bonds and indebtedness
21 issued for hospital purposes by Reagan
22 County or any city or town in the district,
23 including the city of Big Lake."

24 (d) Within 10 days after the election
25 is held, the temporary directors of the
26 district shall convene and canvass the
27 returns of the election, and if a majority
28 of the electors voting at the election are
29 in favor of the proposition, the directors
30 shall find and declare the hospital
31 district created.

32 [Sec. 8]

33 (b) A separate proposition on the
34 request of the temporary directors may be
35 submitted at the election for the
36 confirmation of the district as to whether
37 the board of directors, in the event the
38 district is created, shall be authorized to
39 issue bonds for the purposes specified in
40 this section. The proposition, if
41 submitted, shall specify the purpose for
42 which the bonds are to be issued, the
43 maximum amount of bonds then proposed to be
44 issued, the maximum maturity date, and the
45 maximum interest rate.

46 [Sections 1088.008-1088.050 reserved for expansion]

47 SUBCHAPTER B. DISTRICT ADMINISTRATION

48 Revised Law

49 Sec. 1088.051. BOARD ELECTION; TERMS. (a) The board
50 consists of six directors elected as follows:

51 (1) one director elected from each commissioners
52 precinct of Reagan County; and

53 (2) two directors elected from the district at large.

54 (b) A redistricting or other change in the boundaries of the
55 commissioners precincts of Reagan County does not affect the
56 service or term of a director in office when the change occurs. The

1 change in the commissioners precincts applies to each election of
2 directors occurring after the change takes effect as the terms of
3 directors then in office expire.

4 (c) Directors serve staggered three-year terms.

5 (d) An election shall be held on the uniform election date
6 in May of each year to elect the appropriate number of directors.

7 (Acts 65th Leg., R.S., Ch. 29, Secs. 5(a) (part), (b), (e) (part).)

8 Source Law

9 Sec. 5. (a) The board of directors consists of
10 six members with one director elected from each
11 commissioners precinct of Reagan County and two
12 directors elected from the district at large. . . .
13 The directors serve three-year staggered terms. . . .

14 (b) A redistricting or other change in the
15 boundaries of the commissioners precincts of Reagan
16 County does not affect the service or term of a member
17 of the district's board of directors in office when the
18 change occurs. The change in the commissioners
19 precincts applies to each election of directors
20 occurring after the change takes effect as the terms of
21 directors then in office expire.

22 (e) A regular election of directors shall be
23 held on the first Saturday in May of each year, and
24

25 Revisor's Note

26 (1) Section 5(a), Chapter 29, Acts of the 65th
27 Legislature, Regular Session, 1977, requires each
28 director to execute the constitutional oath of office.
29 The revised law omits that provision because Section
30 1, Article XVI, Texas Constitution, requires all
31 officers in this state to take the oath (or
32 affirmation) before assuming office. The omitted law
33 reads:

34 (a) . . . Each permanent director and
35 the director's successor in office shall
36 qualify by executing the constitutional
37 oath of office.

38 (2) Section 5(e), Chapter 29, Acts of the 65th
39 Legislature, Regular Session, 1977, was amended in
40 2001 to require board elections to be held on the
41 "first Saturday in May." From 1986 to 2003, Section
42 41.001, Election Code, provided for a uniform election
43 date for all political subdivisions on the first

1 Saturday in May. In Chapter 1315, Acts of the 78th
2 Legislature, Regular Session, 2003, the legislature
3 amended Section 41.001 by moving the uniform election
4 date in May to the third Saturday. In Chapter 1, Acts
5 of the 78th Legislature, 3rd Called Session, 2003, the
6 legislature amended Section 41.001 by moving the
7 uniform election date in May back to the first
8 Saturday. In Chapter 471, Acts of the 79th
9 Legislature, Regular Session, 2005, the legislature
10 amended Section 41.001 by moving the uniform election
11 date in May to the second Saturday. The revised law
12 substitutes "uniform election date in May" for "first
13 Saturday in May" to reflect these changes while
14 preserving as closely as possible the legislative
15 intent expressed in the 2001 amendment to Section 5(e)
16 that the election be held on the first Saturday in May,
17 which was at that time the uniform election date in
18 May.

19 (3) Section 5(e), Chapter 29, Acts of the 65th
20 Legislature, Regular Session, 1977, provides that the
21 board shall order the election of directors in
22 accordance with Chapter 3, Election Code. The revised
23 law omits that provision because Chapter 3 applies to
24 the district by its own terms under Section 1.002,
25 Election Code. The omitted law reads:

26 (e) [A regular election] . . . shall
27 be ordered by the board in accordance with
28 the applicable provisions of Chapter 3,
29 Election Code. . . .

30 (4) Section 12(a), Chapter 434, Acts of the 77th
31 Legislature, Regular Session, 2001, provides for the
32 election of certain directors and the staggering of
33 their terms to accomplish the change in the manner in
34 which the members are elected and of the members' terms
35 from two to three years. The revised law omits that
36 provision as executed. The omitted law reads:

1 Revised Law

2 Sec. 1088.053. QUALIFICATIONS FOR OFFICE. (a) A person may
3 not be elected or appointed as a director unless the person is:

4 (1) a resident of the district; and

5 (2) a qualified voter.

6 (b) A director elected from a commissioners precinct is not
7 required to be a resident of that commissioners precinct. (Acts
8 65th Leg., R.S., Ch. 29, Secs. 5(a) (part), (c).)

9 Source Law

10 (a) . . . A director elected from a
11 commissioners precinct is not required to be a
12 resident of that commissioners precinct. . . .

13 (c) No person may be appointed or elected as a
14 member of the board of directors of the hospital
15 district unless the person is a resident of the
16 district and a qualified voter.

17 Revised Law

18 Sec. 1088.054. BOARD VACANCY. (a) If a vacancy occurs in
19 the office of director, the remaining directors shall appoint a
20 director to hold office for the remainder of the unexpired term.

21 (b) If the number of directors is reduced to fewer than
22 five, the remaining directors shall immediately call a special
23 election to fill the vacancies. If the remaining directors do not
24 call the election, a district court, on application of a district
25 resident, shall order the election. (Acts 65th Leg., R.S., Ch. 29,
26 Sec. 5(d) (part).)

27 Source Law

28 (d) . . . All vacancies in the office of
29 director shall be filled for the unexpired term by
30 appointment by the remainder of the board of directors
31 and each appointee holds office for the unexpired term
32 for which the person was appointed. If the number of
33 directors is reduced to less than five, the remaining
34 directors shall immediately call a special election to
35 fill the vacancies, and upon their failure to do so,
36 the district court, on application of any resident of
37 the district, shall order the election.

38 Revised Law

39 Sec. 1088.055. OFFICERS. (a) The board shall elect:

40 (1) a president and a vice president from among its
41 members; and

1 Source Law

2 (n) The directors may participate in any group
3 health insurance plan sponsored by the district for
4 district employees.

5 Revised Law

6 Sec. 1088.058. DISTRICT ADMINISTRATOR; ASSISTANT DISTRICT
7 ADMINISTRATORS. (a) The board may appoint a qualified person as
8 district administrator.

9 (b) The board may appoint assistant administrators.

10 (c) The district administrator and any assistant
11 administrator serve at the will of the board and are entitled to the
12 compensation determined by the board.

13 (d) On assuming the duties of district administrator, the
14 administrator shall execute a bond payable to the district in an
15 amount set by the board of not less than \$5,000 that:

16 (1) is conditioned on the administrator performing the
17 administrator's duties; and

18 (2) contains other conditions the board may require.

19 (e) The board may pay for the bond with district money.
20 (Acts 65th Leg., R.S., Ch. 29, Sec. 6(d) (part).)

21 Source Law

22 (d) The board of directors may appoint a
23 qualified person to be known as the administrator of
24 the hospital district and may in its discretion
25 appoint assistants to the administrator. The
26 administrator and assistant administrator, if any,
27 serve at the will of the board and receive compensation
28 fixed by the board. The administrator shall, on
29 assuming the duties of administrator, execute a bond
30 payable to the hospital district in an amount set by
31 the board of directors, not less than \$5,000,
32 conditioned on performance of the duties required of
33 the administrator, and containing other conditions as
34 the board may require. The board may pay for the bond
35 with district funds. . . .

36 Revised Law

37 Sec. 1088.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
38 Subject to the limitations prescribed by the board, the district
39 administrator shall:

40 (1) supervise the work and activities of the district;

41 and

42 (2) direct the affairs of the district. (Acts 65th

1 Leg., R.S., Ch. 29, Sec. 6(d) (part).)

2 Source Law

3 (d) . . . The administrator shall supervise all
4 the work and activities of the district and shall have
5 general direction of the affairs of the district,
6 subject to the limitations prescribed by the board.

7 Revised Law

8 Sec. 1088.060. APPOINTMENT AND DISMISSAL OF STAFF AND
9 EMPLOYEES; CONTRACT WITH DOCTORS. (a) The board may appoint to or
10 dismiss from the staff or contract with any doctors the board
11 considers necessary for the efficient operation of the district and
12 may make temporary appointments as necessary.

13 (b) The district may employ fiscal agents, accountants,
14 architects, and attorneys the board considers proper.

15 (c) The board may delegate to the district administrator the
16 authority to hire district employees, including technicians and
17 nurses. (Acts 65th Leg., R.S., Ch. 29, Secs. 6(e), (f), 17.)

18 Source Law

19 [Sec. 6]

20 (e) The board of directors shall have the
21 authority to appoint, dismiss from the staff, or
22 contract with doctors as it deems necessary for the
23 efficient operation of the district, and may provide
24 for temporary appointments to the staff if warranted
25 by circumstances.

26 (f) The board may delegate to the administrator
27 the authority to employ technicians, nurses, and
28 employees of the district.

29 Sec. 17. The district may employ fiscal agents,
30 accountants, architects, and attorneys as the board
31 considers proper.

32 Revised Law

33 Sec. 1088.061. RECRUITMENT OF MEDICAL STAFF AND EMPLOYEES.
34 The board may spend district money, enter into agreements, and take
35 other necessary action to recruit physicians and other persons to
36 serve as medical staff members or district employees, including:

- 37 (1) advertising and marketing;
38 (2) paying travel, recruitment, and relocation
39 expenses;
40 (3) providing a loan or scholarship to a physician or a
41 person who:

1 (A) is currently enrolled in health care
2 education courses at an institution of higher education; and

3 (B) contractually agrees to become a district
4 employee or medical staff member; or

5 (4) paying the tuition or other expenses of a
6 full-time medical student or other student in a health occupation
7 who:

8 (A) is enrolled in and is in good standing at an
9 accredited medical school, college, or university; and

10 (B) contractually agrees to become a district
11 employee or independent contractor in return for that assistance.

12 (Acts 65th Leg., R.S., Ch. 29, Sec. 6(i).)

13 Source Law

14 (i) The board of directors may spend district
15 funds, enter into agreements, and take other necessary
16 action to recruit physicians and other persons to
17 serve as medical staff members or employees of the
18 district, including:

19 (1) advertising and marketing;

20 (2) paying travel, recruitment, and
21 relocation expenses;

22 (3) providing a loan or scholarship to a
23 physician or a person currently enrolled in health
24 care education courses at an institution of higher
25 education who contractually agrees to become a
26 district employee or medical staff member; or

27 (4) contracting with one or more full-time
28 medical students or other students in a health
29 occupation, each of whom must be enrolled in and in
30 good standing at an accredited medical school,
31 college, or university, to pay the student's tuition or
32 other expenses in consideration of the student's
33 agreement to serve as an employee or independent
34 contractor for the district.

35 Revised Law

36 Sec. 1088.062. EDUCATIONAL PROGRAMS; COURSES. The board
37 may provide or contract for the provision of educational programs
38 or courses for district employees and medical staff. (Acts 65th
39 Leg., R.S., Ch. 29, Sec. 6(k).)

40 Source Law

41 (k) The board may provide or contract for the
42 provision of educational programs or courses for
43 employees and medical staff of the district.

44 Revised Law

45 Sec. 1088.063. SENIORITY; RETIREMENT BENEFITS. (a) The

1 board may:

2 (1) adopt rules related to the seniority of district
3 employees; and

4 (2) establish or administer a retirement program or
5 elect to participate in any statewide retirement program in which
6 the district is eligible to participate.

7 (b) The district may give effect to previous years of
8 service for district employees continuously employed in the
9 operation or management of the hospital facilities acquired from
10 the county or a municipality when the district was created. (Acts
11 65th Leg., R.S., Ch. 29, Secs. 6(b), (c) (part).)

12 Source Law

13 (b) The board is given full authority to
14 establish rules and regulations relating to seniority
15 of employees of the district, and may establish or
16 administer a retirement program or elect to
17 participate in any statewide retirement program in
18 which the district is eligible to participate.

19 (c) The district may give effect to previous
20 years of service for those employees who have been
21 continuously employed in the operation or management
22 of the hospital facilities acquired from the county or
23 any city or town on the creation of the district. . . .

24 Revisor's Note

25 (1) Section 6(b), Chapter 29, Acts of the 65th
26 Legislature, Regular Session, 1977, refers to "rules
27 and regulations" established by the board. The
28 revised law omits the references to "regulations"
29 because under Section 311.005(5), Government Code
30 (Code Construction Act), a rule is defined to include a
31 regulation.

32 (2) Section 6(c), Chapter 29, Acts of the 65th
33 Legislature, Regular Session, 1977, refers to a "city
34 or town." The revised law substitutes "municipality"
35 for "city or town" to conform to the terminology of the
36 Local Government Code.

37 Revisor's Note
38 (End of Subchapter)

39 (1) Section 5(e), Chapter 29, Acts of the 65th
40 Legislature, Regular Session, 1977, states that a

1 person must file a ballot application with the board
2 secretary to be a candidate for director in accordance
3 with Chapter 144, Election Code. The revised law omits
4 the statement because Chapter 144 applies to the
5 district by its own terms under Section 1.002,
6 Election Code. The omitted law reads:

7 (e) . . . Any person desiring the
8 person's name to be printed on the ballot as
9 a candidate for director shall file an
10 application with the secretary of the board
11 in accordance with Chapter 144, Election
12 Code, asking that the person's name be
13 printed on the ballot. . . .

14 (2) Section 5(e), Chapter 29, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that a
16 ballot application must specify the county
17 commissioners precinct a candidate wishes to represent
18 or specify that the candidate wishes to represent the
19 district at large. The revised law omits the provision
20 because it duplicates Section 141.031(a)(4)(C),
21 Election Code, which requires a candidate to state on
22 the ballot application the office sought by the
23 candidate, including any place number or other
24 distinguishing number. The omitted law reads:

25 (e) . . . The application must
26 specify the commissioners precinct for
27 which the person is applying to be a
28 candidate or state that the person is
29 applying to be a candidate for election to
30 an at-large position.

31 [Sections 1088.064-1088.100 reserved for expansion]

32 SUBCHAPTER C. POWERS AND DUTIES

33 Revised Law

34 Sec. 1088.101. DISTRICT RESPONSIBILITY. (a) The district
35 has full responsibility for providing hospital care for the
36 district's indigent residents.

37 (b) The district shall provide all necessary hospital and
38 medical care for the district's needy inhabitants. (Acts 65th
39 Leg., R.S., Ch. 29, Secs. 3(a) (part), 20 (part).)

1 reference to the creation of the district as executed.
2 In addition, throughout this chapter, the revised law
3 substitutes "impose" for "levy" because, in this
4 context, the terms are synonymous and "impose" is more
5 commonly used.

6 (2) Sections 3(a) and 20, Chapter 29, Acts of
7 the 65th Legislature, Regular Session, 1977, refer to
8 a "municipality or political subdivision." Throughout
9 this chapter, the revised law omits the reference to
10 "municipality" because "municipality" is included in
11 the meaning of "political subdivision."

12 Revised Law

13 Sec. 1088.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
14 The board shall manage, control, and administer the hospital system
15 and the district's money and resources. (Acts 65th Leg., R.S., Ch.
16 29, Sec. 6(a) (part).)

17 Source Law

18 Sec. 6. (a) The board of directors shall
19 manage, control, and administer the hospital system
20 and all funds and resources of the district, but

22 Revised Law

23 Sec. 1088.104. HOSPITAL SYSTEM. (a) The district has the
24 responsibility to establish a hospital or hospital system within
25 its boundaries to provide hospital and medical care to the
26 district's residents.

27 (b) The district shall provide for:

28 (1) the establishment of a hospital system by:

29 (A) purchasing, constructing, acquiring,
30 repairing, or renovating buildings and equipment; and

31 (B) equipping the buildings; and

32 (2) the administration of the hospital system for
33 hospital purposes and medical purposes.

34 (c) The hospital system may include:

35 (1) facilities for domiciliary care of the sick,
36 injured, or geriatric;

- 1 (2) outpatient clinics;
- 2 (3) dispensaries;
- 3 (4) convalescent home facilities;
- 4 (5) necessary nurses;
- 5 (6) domiciliaries and training centers;
- 6 (7) blood banks;
- 7 (8) community mental health centers;
- 8 (9) research centers or laboratories; and
- 9 (10) any other facilities the board considers
- 10 necessary for medical and hospital care. (Acts 65th Leg., R.S., Ch.
- 11 29, Secs. 3(a) (part), (b) (part), 10 (part).)

12 Source Law

13 Sec. 3. (a) The district authorized to be
14 created by this Act is charged with the responsibility
15 of establishing a hospital or a hospital system within
16 its boundaries to furnish hospital and medical care to
17 the residents of the district. . . .

18 (b) . . . The district shall provide for the
19 establishment of a hospital system by the purchase,
20 construction, acquisition, repair, and renovation of
21 buildings and equipment, and equipping same, and its
22 administration for hospital and medical care purposes.
23 . . .

24 Sec. 10. . . . The hospital system may include
25 facilities for domiciliary care of the sick, wounded,
26 and injured, outpatient clinics, dispensaries,
27 facilities for geriatric domiciliary care,
28 convalescent home facilities, necessary nurses,
29 domiciliaries and training centers, blood banks,
30 community mental health centers, research centers or
31 laboratories, and any other facilities deemed
32 necessary for medical and hospital care by the
33 directors. . . .

34 Revisor's Note

35 Section 10, Chapter 29, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to the care
37 of the "sick, wounded, and injured." The revised law
38 omits the reference to "wounded" because the meaning
39 of "wounded" is included in the meaning of "injured."

40 Revised Law

41 Sec. 1088.105. RULES. The board may adopt rules governing
42 the operation of the hospital, the hospital system, and the
43 district's staff and employees. (Acts 65th Leg., R.S., Ch. 29, Sec.
44 6(c) (part).)

1 not exceed 25 years.

2 (d) The district may acquire equipment for use in the
3 district's hospital system and mortgage or pledge the property as
4 security for the payment of the purchase price. A contract entered
5 into under this subsection must provide that the entire obligation
6 be retired not later than the fifth anniversary of the date of the
7 contract.

8 (e) The district may sell or otherwise dispose of any
9 property, including equipment, on terms the board finds are in the
10 best interest of the district's inhabitants. (Acts 65th Leg.,
11 R.S., Ch. 29, Secs. 6(h), 10 (part), 11 (part).)

12 Source Law

13 [Sec. 6]

14 (h) The board of directors may purchase or lease
15 property, facilities, and equipment for the district
16 to use in the hospital system and may mortgage or
17 pledge the property, facilities, or equipment as
18 security for the payment of the purchase price.

19 Sec. 10. The board of directors is given
20 complete discretion as to the type, number, and
21 location of buildings required to establish and
22 maintain an adequate hospital system. . . . The
23 district, through its board of directors, . . . may
24 lease all or part of its buildings and facilities on
25 terms and conditions considered to be in the best
26 interests of its inhabitants, provided that no lease
27 may be for a period in excess of 25 years from the date
28 entered. The district may sell or otherwise dispose of
29 any property, real or personal, or equipment of any
30 nature on terms and conditions found by the board to be
31 in the best interests of its inhabitants.

32 Sec. 11. . . . The district may acquire
33 equipment for use in its hospital system and mortgage
34 or pledge the property so acquired as security for the
35 payment of the purchase price, but any such contract
36 shall provide for the entire obligation of the
37 district to be retired within five years from the date
38 of the contract. . . .

39 Revisor's Note

40 (1) Section 10, Chapter 29, Acts of the 65th
41 Legislature, Regular Session, 1977, requires the board
42 to determine the buildings required to "establish and
43 maintain" an adequate hospital system. The revised
44 law omits the reference to establishing the hospital
45 system as executed.

46 (2) Section 10, Chapter 29, Acts of the 65th

1 Legislature, Regular Session, 1977, refers to "terms
2 and conditions." The revised law omits the reference
3 to "conditions" because "conditions" is included in
4 the meaning of "terms."

5 (3) Section 10, Chapter 29, Acts of the 65th
6 Legislature, Regular Session, 1977, refers to "any
7 property, real or personal." The revised law omits the
8 reference to "real or personal" property because under
9 Section 311.005, Government Code (Code Construction
10 Act), "property" means "real and personal property."

11 Revised Law

12 Sec. 1088.108. EMINENT DOMAIN. (a) The district may
13 exercise the power of eminent domain to acquire a fee simple or
14 other interest in any type of property located in district
15 territory if the interest is necessary or convenient for the
16 district to exercise a power, right, or privilege conferred by this
17 chapter.

18 (b) The district must exercise the power of eminent domain
19 in the manner provided by Chapter 21, Property Code, except the
20 district is not required to deposit in the trial court money or a
21 bond as provided by Section 21.021, Property Code.

22 (c) In a condemnation proceeding brought by the district,
23 the district is not required to:

24 (1) pay in advance or provide a bond or other security
25 for costs in the trial court;

26 (2) provide a bond for the issuance of a temporary
27 restraining order or a temporary injunction; or

28 (3) provide a bond for costs or a supersedeas bond on
29 an appeal or petition for review. (Acts 65th Leg., R.S., Ch. 29,
30 Sec. 15(a).)

31 Source Law

32 Sec. 15. (a) The district has the right and
33 power of eminent domain for the purpose of acquiring by
34 condemnation property of any kind and character in fee
35 simple, or any lesser interest, within the boundaries
36 of the district necessary or convenient to the powers,
37 rights, and privileges conferred by this Act, in the

1 manner provided by the general law with respect to
2 condemnation by counties, provided that the district
3 shall not be required to make bond or deposits in the
4 registry of the trial court as required by Section
5 21.021, Property Code. In condemnation proceedings
6 being prosecuted by the district, the district shall
7 not be required to pay in advance or give bond or other
8 security for costs in the trial court, nor to give any
9 bond otherwise required for the issuance of a
10 temporary restraining order or a temporary injunction
11 nor to give bond for costs or for supersedeas on any
12 appeal or writ of error.

13 Revisor's Note

14 (1) Section 15(a), Chapter 29, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that the
16 district has the "right and power of eminent domain for
17 the purpose of acquiring [property] by condemnation."
18 The revised law substitutes for the quoted language
19 "may exercise the power of eminent domain to acquire
20 [property]" because the phrases have the same meaning,
21 and the latter phrase is consistent with modern usage
22 in laws relating to eminent domain.

23 (2) Section 15(a), Chapter 29, Acts of the 65th
24 Legislature, Regular Session, 1977, provides that the
25 district must exercise the power of eminent domain in
26 the manner provided by "the general law with respect to
27 condemnation by counties." The revised law
28 substitutes for the quoted language a reference to
29 Chapter 21, Property Code, because that is the general
30 law governing eminent domain for governmental
31 entities, including counties.

32 (3) Section 15(a), Chapter 29, Acts of the 65th
33 Legislature, Regular Session, 1977, refers to a "writ
34 of error." The revised law substitutes "petition for
35 review" for "writ of error" because, effective
36 September 1, 1997, the Texas Supreme Court replaced
37 the writ of error procedure with the petition for
38 review procedure. See Rule 53.1, Texas Rules of
39 Appellate Procedure.

1 Revised Law

2 Sec. 1088.109. COST OF RELOCATING OR ALTERING PROPERTY. In
3 exercising the power of eminent domain, if the board requires
4 relocating, raising, lowering, rerouting, changing the grade of, or
5 altering the construction of any railroad, electric transmission
6 and distribution, telegraph or telephone line, conduit, pole, or
7 facility, or pipeline, the district must bear the actual cost of
8 relocating, raising, lowering, rerouting, changing the grade, or
9 altering the construction to provide comparable replacement
10 without enhancement of facilities, after deducting the net salvage
11 value derived from the old facility. (Acts 65th Leg., R.S., Ch. 29,
12 Sec. 15(b).)

13 Source Law

14 (b) If the board requires the relocation,
15 raising, lowering, rerouting, or change in grade or
16 alteration in the construction of any railroad,
17 electric transmission and distribution, telegraph or
18 telephone lines, conduits, poles, or facilities, or
19 pipelines in the exercise of the power of eminent
20 domain, all of the relocation, raising, lowering,
21 rerouting or changes in grade or alteration of
22 construction due to the exercise of the power of
23 eminent domain shall be the sole expense of the
24 district. The term "sole expense" means the actual
25 cost of relocation, raising, lowering, rerouting, or
26 change in grade or alteration of construction to
27 provide comparable replacement without enhancement of
28 facilities, after deducting the net salvage value
29 derived from the old facility.

30 Revised Law

31 Sec. 1088.110. GIFTS AND ENDOWMENTS. The board may accept
32 for the district a gift or endowment to be held in trust and
33 administered by the board for the purposes and under the
34 directions, limitations, or other provisions prescribed in writing
35 by the donor that are not inconsistent with the proper management
36 and objectives of the district. (Acts 65th Leg., R.S., Ch. 29, Sec.
37 19.)

38 Source Law

39 Sec. 19. The board of directors of the hospital
40 district is authorized on behalf of the district to
41 accept donations, gifts, and endowments to be held in
42 trust and administered by the board of directors for
43 purposes and under directions, limitations, and
44 provisions prescribed in writing by the donor which
45 are not inconsistent with proper management and

1 objectives of the hospital district.

2 Revisor's Note

3 Section 19, Chapter 29, Acts of the 65th
4 Legislature, Regular Session, 1977, refers to
5 "donations" and "gifts." The revised law omits the
6 reference to "donations" because "donations" is
7 included in the meaning of "gifts."

8 Revised Law

9 Sec. 1088.111. CONSTRUCTION CONTRACTS. A construction
10 contract in excess of the amount provided by Section 271.024, Local
11 Government Code, may be made only after competitive bidding as
12 provided by Subchapter B, Chapter 271, Local Government Code.
13 (Acts 65th Leg., R.S., Ch. 29, Sec. 11 (part).)

14 Source Law

15 Sec. 11. . . . All contracts for construction
16 in excess of the amount provided by Section 271.024,
17 Local Government Code, may be made only after
18 competitive bidding in the manner provided by
19 Subchapter B, Chapter 271, Local Government
20 Code. . . .

21 Revisor's Note

22 Section 11, Chapter 29, Acts of the 65th
23 Legislature, Regular Session, 1977, provides that
24 Chapter 2253, Government Code, applies to the
25 district's construction contracts in relation to
26 performance and payment bonds. The revised law omits
27 the provision because Chapter 2253 applies to hospital
28 districts on its own terms. The omitted law reads:

29 Sec. 11. . . . The provisions of
30 Chapter 2253, Government Code, relating to
31 performance and payment bonds, applies to
32 construction contracts let by the district.
33 . . .

34 Revised Law

35 Sec. 1088.112. OPERATING AND MANAGEMENT CONTRACTS. The
36 board may enter into an operating or management contract relating
37 to a district facility. (Acts 65th Leg., R.S., Ch. 29, Sec. 10
38 (part).)

(b) The board may contract with this state or a federal agency for the hospital treatment of a sick or injured person. (Acts 65th Leg., R.S., Ch. 29, Sec. 6(g) (part).)

Source Law

(g) The board . . . shall be authorized to contract with any county or incorporated municipality located outside its boundaries for the hospitalization and treatment of the sick, diseased, or injured persons of any such county or municipality, and shall have the authority to contract with the state or agencies of the federal government for the hospital treatment of sick, diseased, or injured persons.

Revisor's Note

(1) Section 6(g), Chapter 29, Acts of the 65th Legislature, Regular Session, 1977, refers to an "incorporated" municipality. The revised law omits the reference to "incorporated" because under the Local Government Code all municipalities must be incorporated.

(2) Section 6(g), Chapter 29, Acts of the 65th Legislature, Regular Session, 1977, refers to the treatment of a "sick, diseased, or injured" person. The revised law omits the reference to "diseased" because "diseased" is included in the meaning of "sick."

Revised Law

Sec. 1088.114. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR INVESTIGATORY OR OTHER SERVICES. The board may contract with a

5 Source Law

6 (g) The board shall be authorized to contract
7 with any other political subdivision or governmental
8 agency whereby the district will provide investigatory
9 or other services as to the medical, hospital, or
10 welfare needs of the inhabitants of the district and

13 Sec. 1088.115. PAYMENT FOR TREATMENT; PROCEDURES. (a)

14 When a patient who resides in the district is admitted to a district
15 hospital facility, the district administrator may have an inquiry
16 made into the financial circumstances of:

17 (1) the patient; and

18 (2) relatives of the patient who are legally liable
19 for the patient's support.

20 (b) If the district administrator determines that the
21 patient or relatives cannot pay all or part of the costs of the
22 patient's care and treatment in the hospital, the amount of the
23 costs that cannot be paid becomes a charge against the district.

24 (c) If the district administrator determines that the
25 patient or relatives can pay for all or part of the costs of the care
26 and treatment, as determined by the district's indigent health care
27 policy, the patient or relatives shall be ordered to pay the
28 district a specified amount each week for the patient's care and
29 support. The amount ordered must be proportionate to the person's
30 financial ability.

31 (d) The district administrator may collect the amount from
32 the patient's estate, or from any relative who is legally liable for
33 the patient's support, in the manner provided by law for the
34 collection of expenses of the last illness of a deceased person.

35 (e) The board may institute a suit to collect an amount owed
36 to the district by a patient who has not been determined to be
37 unable to pay under this section.

1 (f) If there is a dispute as to the ability to pay, or doubt
2 in the mind of the district administrator concerning the ability to
3 pay, the board shall hold a hearing and, after calling witnesses,
4 shall determine the issue. (Acts 65th Leg., R.S., Ch. 29, Secs.
5 6(1), 18.)

7 [Sec. 6]

8 (1) The board may institute a suit to collect
9 amounts owed to the district by patients who have not
10 been determined to be unable to pay under Section 18.

11 Sec. 18. When a patient residing within the
12 district has been admitted to the district's hospital
13 facilities, the administrator may cause inquiry to be
14 made as to the patient's financial circumstances and
15 those of the relatives of the patient legally liable
16 for the patient's support. If the administrator finds
17 that the patient or the patient's relatives are able to
18 pay for the patient's care and treatment in whole or in
19 part, as determined by the district's current indigent
20 health care policy, an order shall be made directing
21 the patient or the patient's relatives to pay to the
22 hospital district for the care and support of the
23 patient a specified sum each week in proportion to
24 their financial ability. The administrator shall have
25 power and authority to collect the sums from the estate
26 of the patient or the patient's relatives legally
27 liable for the patient's support in the manner provided
28 by law for collection of expenses in the last illness
29 of a deceased person. If the administrator finds that
30 the patient or the patient's relatives are not able to
31 pay either in whole or in part for the patient's care
32 and treatment in the hospital, it shall become a charge
33 on the hospital district as to the amount of the
34 inability to pay. Should there be any dispute as to the
35 ability to pay or doubt in the mind of the
36 administrator, the board of directors shall hear and
37 determine the issue after calling witnesses.

38 Revisor's Note

39 Section 18, Chapter 29, Acts of the 65th
40 Legislature, Regular Session, 1977, requires the
41 district administrator to determine ability to pay
42 using the district's "current" indigent health care
43 policy. The revised law omits "current" as
44 unnecessary because a requirement that the district
45 administrator make a determination using the
46 district's indigent health care policy implies that
47 the district administrator must make that
48 determination using the policy in effect at the time
49 the determination is made.

2 Sec. 1088.116. NONPROFIT CORPORATION. (a) The district
3 may create and sponsor a nonprofit corporation under the Business
4 Organizations Code and may contribute money to or solicit money for
5 the corporation.

6 (b) The corporation may use its money only to provide health
7 care or other services the district is authorized to provide under
8 this chapter.

9 (c) The corporation may invest the corporation's money in
10 any manner in which the district may invest the district's money,
11 including investing money as authorized by Chapter 2256, Government
12 Code.

13 (d) The board shall establish controls to ensure that the
14 corporation uses its money as required by this section. (Acts 65th
15 Leg., R.S., Ch. 29, Sec. 6(m).)

16 Source Law

17 (m) The district may sponsor and create a
18 nonprofit corporation under the Texas Non-Profit
19 Corporation Act (Article 1396-1.01 et seq., Vernon's
20 Texas Civil Statutes) and may contribute funds to or
21 solicit funds for the corporation. The corporation
22 may use its funds only to provide health care or other
23 services the district is authorized to provide under
24 this Act. The board of directors of the hospital
25 district shall establish adequate controls to ensure
26 that the corporation uses its funds as required by this
27 subsection. The corporation may invest corporation
28 funds in any manner in which the district may invest
29 funds, including investing funds as authorized by
30 Chapter 2256, Government Code.

31 Revisor's Note

32 Section 6(m), Chapter 29, Acts of the 65th
33 Legislature, Regular Session, 1977, refers to the
34 Texas Non-Profit Corporation Act. That act was
35 codified in various chapters of the Business
36 Organizations Code by Chapter 182, Acts of the 78th
37 Legislature, Regular Session, 2003. The Business
38 Organizations Code took effect January 1, 2006, and
39 applies only to domestic business entities formed on
40 or after that date, to domestic business entities
41 formed before that date that elect to have that code

1 govern their operations, and to certain foreign
2 business entities. On January 1, 2010, the Texas
3 Non-Profit Corporation Act expires, and the Business
4 Organizations Code will apply to all business entities
5 without regard to date of formation or whether an
6 entity is a foreign or domestic business entity.
7 Because this chapter will not take effect until 2011,
8 the revised law is drafted to reflect the
9 applicability of only the Business Organizations Code.

20 Revised Law

21 Sec. 1088.151. BUDGET. (a) The district administrator
22 shall prepare an annual budget for approval by the board.

23 (b) The proposed budget must contain a complete financial
24 statement of:

- 25 (1) the outstanding obligations of the district;
- 26 (2) the cash on hand in each district fund;
- 27 (3) the money received by the district from all
28 sources during the previous year;
- 29 (4) the money available to the district from all
30 sources during the ensuing year;
- 31 (5) the balances expected at the end of the year in
32 which the budget is being prepared;
- 33 (6) the estimated revenue and balances available to
34 cover the proposed budget;
- 35 (7) the estimated tax rate required; and

1 (8) the proposed expenditures and disbursements and
2 the estimated receipts and collections for the following fiscal
3 year. (Acts 65th Leg., R.S., Ch. 29, Sec. 7(c) (part).)

4 Source Law

5 (c) The administrator shall prepare an annual
6 budget for approval by the board of directors. The
7 budget shall contain a complete financial statement of
8 the district showing all outstanding obligations of
9 the district, the cash on hand to the credit of each
10 fund of the district, the funds received from all
11 sources during the previous year, the funds available
12 from all sources during the ensuing year, with
13 balances expected at year end of the year in which the
14 budget is being prepared, estimated revenues and
15 balances available to cover the proposed budget, the
16 estimated tax rate which will be required, and the
17 proposed expenditures, disbursements, and estimated
18 receipts and collections for the following fiscal
19 year. . . .

20 Revised Law

21 Sec. 1088.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
22 The board shall hold a public hearing on the proposed annual budget.

23 (b) At least 10 days before the date of the hearing, notice
24 of the hearing shall be published one time in a newspaper of general
25 circulation in the district.

26 (c) Any district resident is entitled to be present and
27 participate at the hearing.

28 (d) At the conclusion of the hearing, the board shall adopt
29 a budget by acting on the budget proposed by the district
30 administrator. The board may make any changes in the proposed
31 budget that the board judges to be in the interest of the taxpayers
32 and that the law warrants. (Acts 65th Leg., R.S., Ch. 29, Sec. 7(c)
33 (part).)

34 Source Law

35 (c) . . . A public hearing on the annual budget
36 shall be held by the board of directors after notice of
37 the hearing has been published one time at least 10
38 days before the date set for the hearing in a newspaper
39 of general circulation in the hospital district. Any
40 resident of the district shall have the right to be
41 present and participate in the hearing. At the
42 conclusion of the hearing, the budget, as proposed by
43 the administrator, shall be acted on by the board of
44 directors. The board of directors shall have
45 authority to make such changes in the budget as in
46 their judgment the law warrants and the interest of the
47 taxpayers demand. . . . the annual budget, and . . .
48 shall be approved by the board of directors.

1 Revised Law

2 Sec. 1088.153. AMENDMENTS TO BUDGET. The budget may be
3 amended as required by circumstances. The board must approve all
4 amendments. (Acts 65th Leg., R.S., Ch. 29, Sec. 7(c) (part).)

5 Source Law

6 (c) . . . The annual budget may be amended from
7 time to time as the circumstances may require, but
8 . . . all amendments, shall be approved by the board of
9 directors.

10 Revisor's Note

11 Section 7(c), Chapter 29, Acts of the 65th
12 Legislature, Regular Session, 1977, states that the
13 board may amend the budget "from time to time." The
14 revised law omits the quoted language because the
15 authority to amend the budget implies the authority to
16 do so at any time.

17 Revised Law

18 Sec. 1088.154. RESTRICTION ON EXPENDITURES. Money may be
19 spent only for an expense included in the budget or an amendment to
20 the budget. (Acts 65th Leg., R.S., Ch. 29, Sec. 7(c) (part).)

21 Source Law

22 (c) . . . No expenditure may be made for any
23 expense not included in the annual budget or an
24 amendment to it. . . .

26 Sec. 1088.155. FISCAL YEAR. (a) The district operates
27 according to a fiscal year established by the board.

28 (b) The fiscal year may not be changed:

29 (1) during a period that revenue bonds of the district
30 are outstanding; or

31 (2) more than once in a 24-month period. (Acts 65th
32 Leg., R.S., Ch. 29, Sec. 7(a).)

33 Source Law

34 Sec. 7. (a) The district shall be operated on
35 the basis of a fiscal year established by the board.
36 The fiscal year may not be changed when revenue bonds
37 are outstanding or more than one time in a 24-month
38 period.

1 Revised Law

2 Sec. 1088.156. ANNUAL AUDIT. The board annually shall have
3 an independent audit made of the district's books and records.
4 (Acts 65th Leg., R.S., Ch. 29, Sec. 7(b) (part).)

5 Source Law

6 (b) The board shall cause an independent audit

8 district. . . .

9 Revised Law

10 Sec. 1088.157. INSPECTION OF AUDIT AND DISTRICT RECORDS.
11 The annual audit and other district records shall be open to
12 inspection at the district's principal office. (Acts 65th Leg.,
13 R.S., Ch. 29, Sec. 7(b) (part).)

14 Source Law

15 (b) . . . The audit, together with other records
16 of the district, shall be open to inspection at the
17 principal office of the district.

18 Revised Law

19 Sec. 1088.158. FINANCIAL REPORT. As soon as practicable
20 after the close of each fiscal year, the district administrator
21 shall prepare for the board:

22 (1) a complete sworn statement of all district money;
23 and

24 (2) a complete account of the disbursements of that
25 money. (Acts 65th Leg., R.S., Ch. 29, Sec. 7(d).)

26 Source Law

27 (d) As soon as practicable after the close of
28 each fiscal year, the administrator shall prepare for
29 the board a full sworn statement of all moneys
30 belonging to the district and a full account of
31 disbursements.

32 Revised Law

33 Sec. 1088.159. DEPOSITORY. (a) The board shall select one
34 or more banks to serve as a depository for district money.

35 (b) District money, other than money invested as provided by
36 Section 1088.160(b) and money transmitted to a bank for payment of
37 bonds or obligations issued by the district, shall be deposited as
38 received with the depository bank and shall remain on deposit.

1 (c) This chapter, including Subsection (b), does not limit
2 the power of the board to place a part of district money on time
3 deposit or to purchase certificates of deposit.

4 (d) The district may not deposit money with a bank in an
5 amount that exceeds the maximum amount secured by the Federal
6 Deposit Insurance Corporation unless the bank first executes
7 treasury bonds in an amount sufficient to secure from loss the
8 district money that exceeds the amount secured by the Federal
9 Deposit Insurance Corporation. (Acts 65th Leg., R.S., Ch. 29, Sec.
10 12.)

11 Source Law

12 Sec. 12. (a) The board of directors of the
13 district shall name one or more banks to serve as
14 depository for the funds of the district. All funds of
15 the district, except those invested as provided in
16 Section 6 of this Act, and those transmitted to a bank
17 or banks as payment for bonds or obligations issued by
18 the district, shall be deposited as received with the
19 depository bank and shall remain on deposit, provided
20 that nothing in this Act shall limit the power of the
21 board to place a portion of such funds on time deposit
22 or purchase certificates of deposit.

23 (b) Before the district deposits in a bank funds
24 of the district in an amount which exceeds the maximum
25 amount secured by the Federal Deposit Insurance
26 Corporation, the bank shall be required to execute
27 treasury bonds in an amount sufficient to secure from
28 loss the district funds which exceed the amount
29 secured by the Federal Deposit Insurance Corporation.

30 Revised Law

31 Sec. 1088.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
32 Except as otherwise provided by this chapter, the district may not
33 incur an obligation payable from district revenue other than the
34 revenue on hand or to be on hand in the current and following
35 district fiscal years.

36 (b) The board may invest operating, depreciation, or
37 building reserves only in funds or securities specified by Chapter
38 2256, Government Code. (Acts 65th Leg., R.S., Ch. 29, Secs. 6(a)
39 (part), 11 (part).)

40 Source Law

41 Sec. 6. (a) . . . operating, depreciation, or
42 building fund reserves may not be invested in any funds
43 or securities other than those specified in Chapter
44 2256, Government Code.

1 Revisor's Note

2 Section 8(a), Chapter 29, Acts of the 65th
3 Legislature, Regular Session, 1977, requires the
4 district to levy a tax to pay the principal of and
5 interest on bonds. The revised law specifies that the
6 tax is an "ad valorem" tax because it is clear from the
7 source law that the tax is a property tax and "ad
8 valorem" is the term most commonly used to refer to a
9 property tax.

10 Revised Law

11 Sec. 1088.203. GENERAL OBLIGATION BOND ELECTION. (a) The
12 district may issue general obligation bonds only if the bonds are
13 authorized by a majority of the district voters voting at an
14 election called for that purpose.

15 (b) The election shall be conducted in accordance with
16 Chapter 1251, Government Code. (Acts 65th Leg., R.S., Ch. 29, Sec.
17 8(a) (part).)

18 Source Law

19 (a) . . . No general obligation bonds shall be
20 issued by the hospital district until authorized by a
21 majority of the qualified voters of the district
22 voting at an election called for that purpose. The
23 election shall be conducted in accordance with Chapter
24 1251, Government Code.

25 Revisor's Note

26 Section 8(a), Chapter 29, Acts of the 65th
27 Legislature, Regular Session, 1977, refers to a
28 majority vote of the "qualified" voters of the
29 district. The revised law omits "qualified" as
30 unnecessary in this context because Chapter 11,
31 Election Code, governs eligibility to vote in an
32 election in this state and allows only "qualified"
33 voters who are residents of the territory covered by
34 the election to vote in an election.

35 Revised Law

36 Sec. 1088.204. MATURITY OF GENERAL OBLIGATION BONDS.
37 District bonds must mature not later than 40 years after the date of

1 issuance. (Acts 65th Leg., R.S., Ch. 29, Sec. 8(d) (part).)

2 Source Law

3 (d) Bonds of the district . . . shall mature
4 within 40 years of their date,

5 Revised Law

6 Sec. 1088.205. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
7 The board president shall execute the district's bonds in the
8 district's name.

9 (b) The board secretary shall countersign the bonds in the
10 manner provided by Chapter 618, Government Code. (Acts 65th Leg.,
11 R.S., Ch. 29, Sec. 8(d) (part).)

12 Source Law

13 (d) Bonds of the district . . . shall be
14 executed in the name of the hospital district and in
15 its behalf by the president of the board and
16 countersigned by the secretary in the manner provided
17 by Chapter 618, Government Code, as added by Chapter
18 227, Acts of the 76th Legislature, Regular Session,
19 1999, and

20 Revisor's Note

21 (1) Section 8(d), Chapter 29, Acts of the 65th
22 Legislature, Regular Session, 1977, provides that
23 district bonds must bear interest at a rate not to
24 exceed that provided by Chapter 1204, Government Code.
25 The revised law omits the provision because Section
26 1204.006, Government Code, applies to the district on
27 its own terms by application of Section 1204.001,
28 Government Code. The omitted law reads:

29 (d) [Bonds of the district] shall
30 bear interest at a rate not to exceed the
31 rate provided by Chapter 1204, Government
32 Code,

33 (2) Section 8(d), Chapter 29, Acts of the 65th
34 Legislature, Regular Session, 1977, provides that the
35 district bonds are subject to the law governing
36 counties that relates to bond approval by the attorney
37 general and registration of the bonds by the
38 comptroller. Section 8(d) also provides that after
39 approval and registration the bonds are "incontestable

1 for any cause." The revised law omits those provisions
2 as superseded by Chapter 1202, Government Code
3 (enacted as Article 3, Chapter 53, Acts of the 70th
4 Legislature, 2nd Called Session, 1987). Section
5 1202.003(a), Government Code, requires bonds to be
6 submitted to the attorney general. Section
7 1202.003(b), Government Code, provides for approval of
8 the bonds by the attorney general and requires the
9 attorney general to submit the approved bonds to the
10 comptroller for registration. Section 1202.005,
11 Government Code, requires registration of the bonds by
12 the comptroller. Section 1202.006, Government Code,
13 provides that after approval and registration the
14 bonds are incontestable and binding obligations.
15 Chapter 1202, Government Code, applies to district
16 bonds by application of Section 1202.001, Government
17 Code. The omitted law reads:

18 (d) [Bonds of the district] . . .
19 shall be subject to the same requirements in
20 the matter of approval by the attorney
21 general and registration by the comptroller
22 of public accounts as are by law provided
23 for approval and registration of bonds
24 issued by counties. On the approval of the
25 bonds by the attorney general and
26 registration by the comptroller, they are
27 incontestable for any cause.

28 Revised Law

29 Sec. 1088.206. REVENUE BONDS. (a) The board may issue
30 revenue bonds to:

31 (1) purchase, construct, acquire, repair, equip, or
32 renovate buildings or improvements for district purposes; or

33 (2) acquire sites for those buildings or improvements.

34 (b) The bonds must be payable from and secured by a pledge of
35 all or part of district revenue derived from the operation of the
36 district's hospital system.

37 (c) The bonds may be additionally secured by a mortgage or
38 deed of trust lien on all or part of district property.

39 (d) The bonds must be issued in the manner and in accordance

1 with the procedures and requirements prescribed by Sections
2 264.042, 264.043, 264.044, 264.046, 264.047, 264.048, and 264.049,
3 Health and Safety Code, for issuance of revenue bonds by a county
4 hospital authority. (Acts 65th Leg., R.S., Ch. 29, Sec. 9 (part).)

5 Source Law

6 Sec. 9. The board of directors is authorized to
7 issue revenue bonds and . . . for purchasing,
8 constructing, acquiring, repairing, equipping, or
9 renovating buildings and improvements for district
10 purposes, and for acquiring sites for them, the bonds
11 to be payable from and secured by a pledge of all or any
12 part of the revenues of the district to be derived from
13 the operation of its hospital system. The bonds may be
14 additionally secured by a mortgage or deed of trust
15 lien on any part or all of its properties. The bonds
16 shall be issued in the manner and in accordance with
17 the procedures and requirements specified for the
18 issuance of revenue bonds by county hospital
19 authorities in Sections 264.042, 264.043, 264.044,
20 264.046, 264.047, 264.048, and 264.049, Health and
21 Safety Code.

22 Revised Law

23 Sec. 1088.207. BONDS EXEMPT FROM TAXATION. The following
24 are exempt from taxation by this state or a political subdivision of
25 this state:

- 26 (1) bonds issued or assumed by the district;
27 (2) the transfer and issuance of the bonds; and
28 (3) profits made in the sale of the bonds. (Acts 65th
29 Leg., R.S., Ch. 29, Sec. 22 (part).)

30 Source Law

31 Sec. 22. . . . any bonds issued or assumed by
32 it, their transfer and issuance, and any profits made
33 in the sale of them are at all times free from taxation
34 by the state or any municipality or political
35 subdivision.

36 Revisor's Note
37 (End of Subchapter)

38 (1) Sections 8(c) and 9, Chapter 29, Acts of the
39 65th Legislature, Regular Session, 1977, authorize the
40 district to issue refunding bonds for indebtedness
41 issued or assumed by the district. The revised law
42 omits those provisions because Chapter 1207,
43 Government Code, provides general authority for an
44 issuer, including a hospital district, to issue

1 refunding securities and prescribes procedures
2 applicable to the securities. The omitted law reads:

3 [Sec. 8]

4 (c) The board may issue refunding
5 bonds of the district for the purpose of
6 refunding and paying off any outstanding
7 indebtedness issued or assumed. The board
8 shall issue refunding bonds in accordance
9 with Chapter 1207, Government Code.

10 Sec. 9. [The board of directors is
11 authorized to] . . . refund any previously
12 issued revenue bonds

13 (2) Section 14, Chapter 29, Acts of the 65th
14 Legislature, Regular Session, 1977, provides that
15 district bonds are authorized investments for certain
16 entities. The revised law omits the provision as
17 unnecessary. As to several of the entities listed,
18 Section 14 has been superseded and impliedly repealed.
19 Investments in securities by banks are regulated by
20 Section 34.101, Finance Code (enacted in 1995 as
21 Section 5.101, Texas Banking Act (Article 342-5.101,
22 Vernon's Texas Civil Statutes)). Investments in
23 securities by savings banks are regulated by Section
24 93.001(c)(10), Finance Code (enacted in 1993 as
25 Section 7.15(10), Texas Savings Bank Act (Article
26 489e, Vernon's Texas Civil Statutes)). Investments in
27 securities by trust companies are regulated by Section
28 184.101, Finance Code (enacted in 1997 as Section
29 5.101, Texas Trust Company Act (Article 342a-5.101,
30 Vernon's Texas Civil Statutes)). Investments in
31 securities by savings and loan associations are
32 regulated by Sections 63.002 and 64.001, Finance Code.
33 As to the remaining entities listed, Section 14 is
34 superseded by Section 1201.041, Government Code,
35 enacted as Section 9, Bond Procedures Act of 1981
36 (Article 717k-6, Vernon's Texas Civil Statutes).
37 Section 1201.041, Government Code, applies to district
38 bonds by application of Section 1201.002, Government
39 Code. The revised law omits the reference to public

1 funds of this state because it has been superseded by
2 Section 404.024, Government Code (enacted in 1985 as
3 Section 2.014, Treasury Act (Article 4393-1, Vernon's
4 Texas Civil Statutes)), which governs the investment
5 of state funds. Section 404.024(b)(10), Government
6 Code, authorizes the investment of state funds in
7 obligations of political subdivisions, including
8 hospital districts. The omitted law reads:

9 Sec. 14. All bonds issued and assumed
10 by the district are legal and authorized
11 investments of banks, savings banks, trust
12 companies, building and loan associations,
13 savings and loan associations, insurance
14 companies, trustees, and sinking funds of
15 cities, towns, villages, counties, school
16 districts, or other political subdivisions
17 of the state, and for all public funds of
18 the state or its agencies including the
19 State Permanent School Fund. . . .

20 (3) Section 14, Chapter 29, Acts of the 65th
21 Legislature, Regular Session, 1977, effectively
22 provides that district bonds may secure deposits of
23 public funds of this state or political subdivisions
24 of this state. The revised law omits the provision as
25 impliedly repealed by Section 404.0221, Government
26 Code (enacted in 1995), which lists eligible
27 collateral for deposits of state funds by the
28 comptroller, and by Chapter 2257, Government Code
29 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
30 Statutes), which governs eligible collateral for
31 deposits of funds of other public agencies, including
32 political subdivisions. The omitted law reads:

33 Sec. 14. . . . Such bonds and
34 indebtedness are eligible to secure deposit
35 of public funds of the state, cities, towns,
36 villages, counties, school districts, or
37 other political subdivisions or
38 corporations of the state, and are lawful
39 and sufficient security for deposits to the
40 extent of their value when accompanied by
41 all their unmatured coupons.

1 SUBCHAPTER F. TAXES

2 Revised Law

3 Sec. 1088.251. IMPOSITION OF AD VALOREM TAX. (a) The board
4 shall impose a tax on all property in the district subject to
5 district taxation.

6 (b) The board shall impose the tax to:

7 (1) pay the indebtedness issued or assumed by the
8 district;

9 (2) provide for the operation and maintenance of the
10 district and hospital system;

11 (3) make improvements and additions to the hospital
12 system; and

13 (4) acquire necessary sites for those improvements and
14 additions by purchase, lease, or condemnation.

15 (c) The board may not impose a tax to pay the principal of or
16 interest on revenue bonds. (Acts 65th Leg., R.S., Ch. 29, Secs.
17 4(b) (part), 13(a) (part).)

18 Source Law

19 [Sec. 4]

20 (b) . . . on all taxable property situated
21 within the district, subject to hospital district
22 taxation,

23 Sec. 13. (a) The board of directors shall
24 annually levy a tax . . . for the purpose of:

25 (1) paying the indebtedness issued or
26 assumed by the hospital district but no tax may be
27 levied to pay principal or interest on revenue bonds;

28 (2) providing for the operation and
29 maintenance of the hospital district and hospital
30 system; and

31 (3) making further improvements and
32 additions to the hospital system, and acquiring
33 necessary sites for them by purchase, lease, or
34 condemnation.

35 Revised Law

36 Sec. 1088.252. TAX RATE. (a) The board may impose the tax
37 at a rate not to exceed 75 cents on each \$100 valuation of taxable
38 property in the district.

39 (b) In setting the tax rate, the board shall consider the
40 income of the district from sources other than taxation. (Acts 65th
41 Leg., R.S., Ch. 29, Secs. 4(b) (part), 13(a) (part), (b) (part).)

1 Source Law

2 [Sec. 4]

3 (b) [At the election there shall be submitted to
4 the electors of the area of the proposed district the
5 proposition of whether the hospital district shall be
6 created with authority to have transferred to it the
7 existing hospital facilities of Reagan County and any
8 city or town in the district, including the city of Big
9 Lake, and to levy annual taxes] at a rate not to exceed
10 75 cents on the \$100 valuation on all taxable property
11 situated within the district, subject to hospital
12 district taxation,

13 Sec. 13. (a) [The board of directors shall
14 annually levy a tax] not to exceed the amount permitted
15 by this Act

16 (b) In setting the tax rate, the board shall
17 take into consideration the income of the district
18 from sources other than taxation. . . .

19 Revisor's Note

20 Section 13(b), Chapter 29, Acts of the 65th
21 Legislature, Regular Session, 1977, requires the board
22 to levy the tax and to certify the tax rate to the tax
23 assessor-collector. The revised law omits that
24 provision because Section 26.05(a), Tax Code, requires
25 the governing body of a taxing unit to adopt a tax rate
26 for the current tax year and to notify the tax assessor
27 of that rate. The omitted law reads:

28 (b) . . . On determination of the
29 amount of tax required to be levied, the
30 board shall make the levy and certify it to
31 the tax assessor-collector.

32 Revised Law

33 Sec. 1088.253. TAX ASSESSOR-COLLECTOR. The board may
34 provide for the appointment of a tax assessor-collector for the
35 district or may contract for the assessment and collection of taxes
36 as provided by the Tax Code. (Acts 65th Leg., R.S., Ch. 29, Sec. 16
37 (part).)

38 Source Law

39 Sec. 16. . . . The board may provide for the
40 appointment of a tax assessor-collector for the
41 district or may contract for the assessment and
42 collection of taxes as provided by the Tax Code.

43 Revisor's Note
44 (End of Subchapter)

45 (1) Section 6(j), Chapter 29, Acts of the 65th

1 Legislature, Regular Session, 1977, authorizes the
2 board to institute a suit to enforce the payment of
3 taxes and to foreclose liens to secure that payment.
4 The revised law omits that provision because it
5 duplicates Chapter 33, Tax Code, which authorizes a
6 taxing unit of government to file suit to enforce the
7 payment of taxes and to foreclose a lien to secure that
8 payment. The omitted law reads:

9 (j) The board may institute a suit to
10 enforce the payment of taxes and to
11 foreclose liens to secure the payment of
12 taxes due to the district.

13 (2) Section 16, Chapter 29, Acts of the 65th
14 Legislature, Regular Session, 1977, provides that the
15 district may impose taxes for the entire year in which
16 the district is established. The revised law omits
17 that provision as executed. The omitted law reads:

18 Sec. 16. The directors shall have the
19 authority to levy taxes for the entire year
20 in which the district is established. . . .

21 (3) Section 16, Chapter 29, Acts of the 65th
22 Legislature, Regular Session, 1977, provides that the
23 Tax Code governs the appraisal, assessment, and
24 collection of district taxes. The revised law omits
25 that provision because Section 1.02, Tax Code,
26 requires all taxing units of government to administer
27 the assessment and collection of an ad valorem tax in
28 conformity with Title 1, Tax Code. The omitted law
29 reads:

30 Sec. 16. . . . The Tax Code governs
31 the appraisal of property for and
32 assessment and collection of district
33 taxes. . . .

34 [Sections 1088.254-1088.300 reserved for expansion]

35 SUBCHAPTER G. DISSOLUTION

36 Revised Law

37 Sec. 1088.301. DISSOLUTION; ELECTION. (a) The district
38 may be dissolved only on approval of a majority of the district

1 voters voting in an election held for that purpose.

2 (b) The board may order an election on the question of
3 dissolving the district and disposing of the district's assets and
4 obligations.

5 (c) The board shall order an election if the board receives
6 a petition requesting an election that is signed by at least 15
7 percent of the registered voters of the district.

8 (d) The order calling the election must state:

9 (1) the nature of the election, including the
10 proposition to appear on the ballot;

11 (2) the date of the election;

12 (3) the hours during which the polls will be open; and

13 (4) the location of the polling places.

14 (e) Section 41.001(a), Election Code, does not apply to an
15 election ordered under this section. (Acts 65th Leg., R.S., Ch. 29,
16 Secs. 18A(a), (b), (c) (part).)

17 Source Law

18 Sec. 18A. (a) The district may be dissolved
19 only if the dissolution is approved by a majority of
20 the qualified voters of the district voting in an
21 election called and held for that purpose.

22 (b) The board may order an election on the
23 question of dissolving the district and disposing of
24 the district's assets and obligations. The board shall
25 order an election if the board receives a petition
26 requesting an election that is signed by at least 15
27 percent of the registered voters in the district.

28 (c) . . . Section 41.001(a), Election Code,
29 does not apply to an election ordered under this
30 section. The order calling the election shall state:

31 (1) the nature of the election, including
32 the proposition that is to appear on the ballot;

33 (2) the date of the election;

34 (3) the hours during which the polls will
35 be open; and

36 (4) the location of the polling places.

37 Revisor's Note

38 (1) Section 18A(a), Chapter 29, Acts of the 65th
39 Legislature, Regular Session, 1977, provides for
40 dissolution of the district if approved by a majority
41 of the "qualified" voters. The revised law omits
42 "qualified" for the reason stated in the revisor's note
43 to Section 1088.203.

1 (2) Section 18A(a), Chapter 29, Acts of the 65th
2 Legislature, Regular Session, 1977, provides that the
3 district may be dissolved if authorized at an election
4 "called and held" for that purpose. The revised law
5 omits the reference to "calling" an election because,
6 in this context, "calling" an election is included in
7 the meaning of "holding" an election. Under Chapter 3,
8 Election Code, all elections must be ordered (called)
9 before they may be held.

10 (3) Section 18A(c), Chapter 29, Acts of the 65th
11 Legislature, Regular Session, 1977, states that the
12 election must be held not later than the 60th day after
13 the date the election is ordered. The revised law
14 omits the provision as superseded by Section 3.005,
15 Election Code, applicable to the district under
16 Section 1.002, Election Code. Section 3.005, as
17 amended by Chapter 925, Acts of the 78th Legislature,
18 Regular Session, 2003, requires an election order
19 issued by the authority of a political subdivision to
20 be issued not later than the 62nd day before election
21 day and provides that Section 3.005 supersedes a law
22 outside the Election Code to the extent of any
23 conflict. The omitted law reads:

24 (c) The election shall be held not
25 later than the 60th day after the date the
26 election is ordered. . . .

27 Revised Law

28 Sec. 1088.302. NOTICE OF ELECTION. (a) The board shall
29 give notice of an election under this subchapter by publishing once
30 a week for two consecutive weeks a substantial copy of the election
31 order in a newspaper with general circulation in the district.

32 (b) The first publication of the notice must appear not
33 later than the 35th day before the date set for the election. (Acts
34 65th Leg., R.S., Ch. 29, Sec. 18A(d) (part).)

Revised Law

Sec. 1088.303. BALLOT. The ballot for an election under this subchapter must be printed to permit voting for or against the proposition: "The dissolution of the Reagan Hospital District of Reagan County, Texas." (Acts 65th Leg., R.S., Ch. 29, Sec. 18A(d) (part).)

Revised Law

Sec. 1088.304. ELECTION RESULTS. (a) If a majority of the votes in an election under this subchapter favor dissolution, the board shall find that the district is dissolved.

(b) If a majority of the votes in the election do not favor dissolution, the board shall continue to administer the district and another election on the question of dissolution may not be held before the first anniversary of the date of the most recent election to dissolve the district. (Acts 65th Leg., R.S., Ch. 29, Sec. 18A(e).)

Source Law

(e) If a majority of the votes in the election favor dissolution, the board shall find that the district is dissolved. If a majority of the votes in the election do not favor dissolution, the board shall continue to administer the district, and another election on the question of dissolution may not be held before the first anniversary of the most recent election to dissolve the district.

Revised Law

Sec. 1088.305. TRANSFER, SALE, OR ADMINISTRATION OF ASSETS. (a) If a majority of the votes in an election held under this subchapter favor dissolution, the board shall:
(1) transfer the land, buildings, improvements,

1 equipment, and other assets that belong to the district to Reagan
2 County or to another governmental entity in Reagan County;

3 (2) sell the assets and liabilities to another person;
4 or

5 (3) administer the property, assets, and debts until
6 all money has been disposed of and all district debts have been paid
7 or settled.

8 (b) If the board makes the transfer under Subsection (a)(1),
9 the county or entity assumes all debts and obligations of the
10 district at the time of the transfer, and the district is dissolved.

11 (c) If the board does not make the transfer under Subsection
12 (a)(1), the board shall sell the assets and liabilities to another
13 person under Subsection (a)(2) or administer the property, assets,
14 and debts of the district under Subsection (a)(3), and the district
15 is dissolved when all money has been disposed of and all district
16 debts have been paid or settled. (Acts 65th Leg., R.S., Ch. 29,
17 Secs. 18A(f), (g), (m) (part).)

18 Source Law

19 (f) If a majority of the votes in the election
20 favor dissolution, the board shall:

21 (1) transfer the land, buildings,
22 improvements, equipment, and other assets that belong
23 to the district to Reagan County or to another
24 governmental entity in Reagan County;

25 (2) sell the assets and liabilities to
26 another person; or

27 (3) administer the property, assets, and
28 debts until all funds have been disposed of and all
29 district debts have been paid or settled.

30 (g) If the district transfers the land,
31 buildings, improvements, equipment, and other assets
32 to a county or other governmental entity, the county or
33 entity assumes all debts and obligations of the
34 district at the time of the transfer and the district
35 is dissolved. If the district does not transfer the
36 land, buildings, improvements, equipment, and other
37 assets to a county or other governmental entity, the
38 board shall sell the assets and liabilities to another
39 person or administer the property, assets, and debts
40 of the district until all funds have been disposed of
41 and all district debts have been paid or settled, at
42 which time the district is dissolved.

43 (m) The district may provide for the sale or
44 transfer of the district's assets and liabilities to
45 another person or entity. . . .

46 Revisor's Note

47 Section 18A(m), Chapter 29, Acts of the 65th

1 Legislature, Regular Session, 1977, refers to "another
2 person or entity." The revised law omits "entity"
3 because "entity" is included in the meaning of
4 "person" under Section 311.005(2), Government Code
5 (Code Construction Act).

6 Revised Law

7 Sec. 1088.306. SALE OR TRANSFER OF ASSETS AND LIABILITIES.

8 (a) The dissolution of the district and the sale or transfer of the
9 district's assets and liabilities to another person may not
10 contravene a trust indenture or bond resolution relating to the
11 district's outstanding bonds. The dissolution and sale or transfer
12 does not diminish or impair the rights of a holder of an outstanding
13 bond, warrant, or other obligation of the district.

14 (b) The sale or transfer of the district's assets and
15 liabilities must satisfy the debt and bond obligations of the
16 district in a manner that protects the interests of district
17 residents, including the residents' collective property rights in
18 the district's assets.

19 (c) The district may not transfer or dispose of the
20 district's assets except for due compensation unless:

21 (1) the transfer is made to another governmental
22 entity that serves the district; and

23 (2) the transferred assets are to be used for the
24 benefit of the district's residents.

25 (d) A grant from federal funds is an obligation to be repaid
26 in satisfaction. (Acts 65th Leg., R.S., Ch. 29, Secs. 18A(m)
27 (part), (n).)

28 Source Law

29 (m) . . . The dissolution of the district and
30 the sale or transfer of the district's assets and
31 liabilities to another person or entity may not
32 contravene a trust indenture or bond resolution
33 relating to the outstanding bonds of the district. The
34 dissolution and sale or transfer does not diminish or
35 impair the rights of a holder of an outstanding bond,
36 warrant, or other obligation of the district.

37 (n) The sale or transfer of the district's
38 assets and liabilities must satisfy the debt and bond
39 obligations of the district in a manner that protects
40 the interests of the residents of the district,

1 including the residents' collective property rights in
2 the district's assets. A grant from federal funds is
3 an obligation to be repaid in satisfaction. The
4 district may not transfer or dispose of the district's
5 assets except for due compensation unless the transfer
6 is made to another governmental entity that serves the
7 district and the transferred assets are to be used for
8 the benefit of the residents of the district.

9 Revisor's Note

10 Section 18A(m), Chapter 29, Acts of the 65th
11 Legislature, Regular Session, 1977, refers to "another
12 person or entity." The revised law omits "entity" for
13 the reason stated in the revisor's note to Section
14 1088.305.

15 Revised Law

16 Sec. 1088.307. IMPOSITION OF TAX AND RETURN OF SURPLUS
17 TAXES. (a) After the board finds that the district is dissolved,
18 the board shall:

19 (1) determine the debt owed by the district; and

20 (2) impose on the property included in the district's
21 tax rolls a tax that is in proportion of the debt to the property
22 value.

23 (b) On the payment of all outstanding debts and obligations
24 of the district, the board shall order the secretary to return to
25 each district taxpayer the taxpayer's pro rata share of all unused
26 tax money.

27 (c) A taxpayer may request that the taxpayer's share of
28 surplus tax money be credited to the taxpayer's county taxes. If a
29 taxpayer requests the credit, the board shall direct the secretary
30 to transmit the money to the county tax assessor-collector. (Acts
31 65th Leg., R.S., Ch. 29, Secs. 18A(h), (i), (j).)

32 Source Law

33 (h) After the board finds that the district is
34 dissolved, the board shall:

35 (1) determine the debt owed by the
36 district; and

37 (2) impose on the property included in the
38 district's tax rolls a tax that is in proportion of the
39 debt to the property value.

40 (i) When all outstanding debts and obligations
41 of the district are paid, the board shall order the
42 secretary to return the pro rata share of all unused
43 tax money to each district taxpayer.

44 (j) A taxpayer may request that the taxpayer's

1 share of surplus tax money be credited to the
2 taxpayer's county taxes. If a taxpayer requests the
3 credit, the board shall direct the secretary to
4 transmit the funds to the county tax
5 assessor-collector.

6 Revised Law

7 Sec. 1088.308. REPORT; DISSOLUTION ORDER. (a) After the
8 district has paid all district debts and has disposed of all
9 district money and other assets as prescribed by this subchapter,
10 the board shall file a written report with the Commissioners Court
11 of Reagan County summarizing the board's actions in dissolving the
12 district.

13 (b) Not later than the 10th day after the date the
14 Commissioners Court of Reagan County receives the report and
15 determines that the requirements of this subchapter have been
16 fulfilled, the commissioners court shall enter an order dissolving
17 the district and releasing the board from any further duty or
18 obligation. (Acts 65th Leg., R.S., Ch. 29, Secs. 18A(k), (l).)

19 Source Law

20 (k) After the district has paid all its debts
21 and has disposed of all its assets and funds as
22 prescribed by this section, the board shall file a
23 written report with the Commissioners Court of Reagan
24 County setting forth a summary of the board's actions
25 in dissolving the district.

26 (l) Not later than the 10th day after the date it
27 receives the report and determines that the
28 requirements of this section have been fulfilled, the
29 Commissioners Court of Reagan County shall enter an
30 order dissolving the district and releasing the board
31 of directors of the district from any further duty or
32 obligation.

33 Revisor's Note
34 (End of Chapter)

35 (1) Sections 3(b) and 20, Chapter 29, Acts of
36 the 65th Legislature, Regular Session, 1977, provide
37 for the transfer of certain land, buildings,
38 improvements, equipment, funds, and taxes to the
39 district after the district is created and provide for
40 the assumption of debt by the district on creation.
41 The revised law omits the provisions as executed. The
42 omitted law reads:

43 [Sec. 3]

44 (b) The district authorized to be

1 created shall have transferred to it the
2 title to all land, buildings, improvements,
3 equipment, and other property in any way
4 pertaining to the hospital system owned by
5 Reagan County or a city or town in the
6 district including the city of Big
7 Lake. . . . The district shall assume all
8 outstanding obligations and indebtedness
9 incurred by a city or town including the
10 city of Big Lake or by Reagan County for
11 hospital purposes within the boundaries of
12 the district before the creation of the
13 district.

14 Sec. 20. . . . When the district is
15 established, the county and all towns and
16 cities located in the district shall convey
17 and transfer to the district title to all
18 lands, buildings, improvements, and
19 equipment pertaining to a hospital or
20 hospital system jointly or separately owned
21 by the county or any city or town within the
22 district. Operating funds and reserves for
23 operating expenses which are on hand and
24 funds which have been budgeted for hospital
25 purposes by the county or any city or town
26 in the district for the remainder of the
27 fiscal year in which the district is
28 established shall likewise be transferred
29 to the district, as shall taxes levied for
30 hospital purposes for the current year, and
31 all sinking funds established for payment
32 of indebtedness assumed by the district.

33 (2) Section 23, Chapter 29, Acts of the 65th
34 Legislature, Regular Session, 1977, effectively
35 provides that the act is severable. The revised law
36 omits that provision because it duplicates Section
37 311.032, Government Code (Code Construction Act),
38 which provides that a provision of a statute is
39 severable from each other provision of the statute
40 that can be given effect. The omitted law reads:

41 Sec. 23. . . . If any provision of
42 this Act is invalid, this fact shall not
43 affect the authorization for the creation
44 of the district or the validity of any other
45 provisions of this Act, and the legislature
46 hereby declares that it would have created
47 the district and enacted the valid
48 provisions of this Act notwithstanding the
49 invalidity of any other provision.

50 (3) Section 24, Chapter 29, Acts of the 65th
51 Legislature, Regular Session, 1977, provides that
52 public notice of enactment of the statute was provided
53 in a manner that satisfies the requirements of the
54 Texas Constitution. The revised law omits that

1 section as executed. The omitted law reads:

2 Sec. 24. Proof of publication of the
3 notice required in the enactment of this Act
4 under the provisions of Article IX, Section
5 9, of the Texas Constitution, has been made
6 in the manner and form provided by law
7 pertaining to the enactment of local and
8 special laws, and the notice is found
9 sufficient to satisfy this requirement.

16 CHAPTER 1089. REEVES COUNTY HOSPITAL DISTRICT

17 SUBCHAPTER A. GENERAL PROVISIONS

18 Revised Law

19 Sec. 1089.001. DEFINITIONS. In this chapter:

- 20 (1) "Board" means the board of directors of the
- 21 district.
- 22 (2) "Director" means a member of the board.
- 23 (3) "District" means the Reeves County Hospital
- 24 District. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 1.01.)

25 Source Law

26 Sec. 1.01. In Articles 1 through 8 of this Act:

- 27 (1) "District" means the Reeves County
- 28 Hospital District.
- 29 (2) "Board" means the board of directors
- 30 of the district.
- 31 (3) "Director" means a member of the
- 32 board.

33 Revised Law

34 Sec. 1089.002. AUTHORITY FOR OPERATION. The Reeves County

35 Hospital District operates and is financed as provided by Section

36 9, Article IX, Texas Constitution, and by this chapter. (Acts 70th

37 Leg., 2nd C.S., Ch. 11, Sec. 1.02.)

1 Source Law

2 Sec. 1.02. The Reeves County Hospital District
3 may be created and established and, if created, must be
4 maintained, operated, and financed in the manner
5 provided by Article IX, Section 9, of the Texas
6 Constitution and by this Act.

7 Revisor's Note

8 Section 1.02, Chapter 11, Acts of the 70th
9 Legislature, 2nd Called Session, 1987, provides that
10 the district "may be created and established and, if
11 created, must be maintained, operated, and financed"
12 in the manner provided by the Texas Constitution and
13 the act. The revised law omits references to the
14 establishment and creation of the district as
15 executed. The revised law omits "maintained" because,
16 in this context, the meaning of that term is included
17 in the meaning of "operated."

18 Revised Law

19 Sec. 1089.003. ESSENTIAL PUBLIC FUNCTION. The district is
20 a public entity performing an essential public function. (Acts
21 70th Leg., 2nd C.S., Ch. 11, Sec. 7.11 (part).)

22 Source Law

23 Sec. 7.11. Since the district created under
24 this Act is a public entity performing an essential
25 public function,

26 Revised Law

27 Sec. 1089.004. DISTRICT TERRITORY. The boundaries of the
28 district are coextensive with the boundaries of Reeves County.
29 (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 1.03.)

30 Source Law

31 Sec. 1.03. The boundaries of the district are
32 coextensive with the boundaries of Reeves County.

33 Revised Law

34 Sec. 1089.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
35 OBLIGATION. This state may not become obligated for the support or
36 maintenance of the district. (Acts 70th Leg., 2nd C.S., Ch. 11,
37 Sec. 17.01 (part).)

1 Source Law

2 Sec. 17.01. The state may not become obligated
3 for the support or maintenance of a hospital district
4 created under this Act,

5 Revised Law

6 Sec. 1089.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
7 The legislature may not make a direct appropriation for the
8 construction, maintenance, or improvement of a district facility.
9 (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 17.01 (part).)

10 Source Law

11 Sec. 17.01. . . . nor may the legislature make a
12 direct appropriation for the construction,
13 maintenance, or improvement of a facility of a
14 hospital district created under this Act.

15 Revisor's Note
16 (End of Subchapter)

17 Article 3, Chapter 11, Acts of the 70th
18 Legislature, 2nd Called Session, 1987, provides
19 procedures for holding an election on creation of the
20 district and the imposition of an ad valorem tax.
21 Because the creation of the district and the
22 imposition of the tax were approved at an election, the
23 revised law omits that article as executed. The
24 omitted law reads:

25 Sec. 3.01. The district may be
26 created and a tax may be authorized only if
27 the creation and the tax are approved by a
28 majority of the qualified voters of the
29 territory of the proposed district voting
30 at an election called and held for that
31 purpose.

32 Sec. 3.02. The temporary directors
33 of the district shall order a creation
34 election to be held.

35 Sec. 3.03. The order calling the
36 election must state:

37 (1) the nature of the election,
38 including the proposition that is to appear
39 on the ballot;

40 (2) the date of the election;

41 (3) the hours during which the
42 polls will be open; and

43 (4) the location of the polling
44 places.

45 Sec. 3.04. The temporary directors
46 shall give notice of the election by
47 publishing a substantial copy of the
48 election order in a newspaper with general
49 circulation in the proposed district once a
50 week for two consecutive weeks. The first

1 publication must appear at least 35 days
2 before the date set for the election.

3 Sec. 3.05. (a) The election shall be
4 held not less than 45 days nor more than 60
5 days after the date on which the election is
6 ordered.

7 (b) Subsection (a), Section 41.001,
8 Election Code, does not apply to an election
9 ordered under this article.

10 Sec. 3.06. The ballot for an election
11 at which the issuance of bonds is not
12 proposed shall be printed to permit voting
13 for or against the proposition: "The
14 creation of the Reeves County Hospital
15 District and the levy of annual taxes for
16 hospital purposes at a rate not to exceed 75
17 cents on each \$100 valuation of all taxable
18 property in the district."

19 Sec. 3.07. (a) The temporary
20 directors of the district shall meet and
21 canvass the returns of the election.

22 (b) If the temporary directors find
23 that the election results are favorable to
24 the proposition to create the district,
25 they shall issue an order declaring the
26 district created.

27 (c) If the temporary directors find
28 that the election results are not favorable
29 to the proposition to create the district,
30 another creation election may not be held
31 within 12 months after the date of the
32 election at which voters disapproved the
33 proposition.

34 Sec. 3.08. If the creation of the
35 district is not approved at an election held
36 within 60 months after the effective date of
37 this Act, this Act expires.

38 [Sections 1089.007-1089.050 reserved for expansion]

39 SUBCHAPTER B. DISTRICT ADMINISTRATION

40 Revised Law

41 Sec. 1089.051. BOARD ELECTION; TERM. (a) The district is
42 governed by a board of five directors.

43 (b) One director is elected from each commissioners
44 precinct and one director is elected from the district at large.

45 (c) Unless four-year terms are established under Section
46 285.081, Health and Safety Code:

47 (1) directors serve staggered two-year terms; and

48 (2) an election shall be held on the uniform election
49 date in May of each year to elect the appropriate number of
50 directors. (Acts 70th Leg., 2nd C.S., Ch. 11, Secs. 4.01(a),
51 4.03(a), (d).)

52 Source Law

53 Sec. 4.01. (a) The district is governed by a

1 board of five directors.

2 Sec. 4.03. (a) One director shall be elected
3 from each commissioner precinct, and one director
4 shall be elected from the district at large.

5 (d) After the initial election of directors, an
6 election shall be held on the third Saturday in May
7 each year and the appropriate number of successor
8 directors shall be elected to two-year terms.

9 Revisor's Note

10 (1) Section 4.01(b), Chapter 11, Acts of the
11 70th Legislature, 2nd Called Session, 1987, provides
12 for temporary directors to serve as directors of the
13 district. The revised law omits the provision as
14 executed. The omitted law reads:

15 (b) From the time the creation of the
16 district is approved until the elected
17 directors take office, the temporary
18 directors serve as directors of the
19 district.

20 (2) Section 4.03(b), Chapter 11, Acts of the
21 70th Legislature, 2nd Called Session, 1987, prescribes
22 the procedure for electing the initial board of
23 directors. The revised law omits the provision as
24 executed. The omitted law reads:

25 (b) At the initial election of
26 directors, the candidate receiving the
27 highest number of votes from a commissioner
28 precinct is the director for that precinct
29 and the candidate receiving the highest
30 number of votes from the district at large
31 is the director for the district at large.

32 (3) Section 4.03(c), Chapter 11, Acts of the
33 70th Legislature, 2nd Called Session, 1987, prescribes
34 the terms of the initial directors and, in doing so,
35 establishes staggered two-year terms for the
36 directors. The revised law omits the provision as
37 executed but codifies the establishment of staggered
38 two-year terms. The omitted law reads:

39 (c) The candidates elected from
40 odd-numbered precincts at the initial
41 election serve for a term of two years, and
42 the candidates elected from the
43 even-numbered precincts at that election
44 serve for a term of one year. The candidate
45 elected as the director from the district at
46 large at the initial election serves for a

1 term of two years.

2 (4) Section 4.03(d), Chapter 11, Acts of the
3 70th Legislature, 2nd Called Session, 1987, requires
4 board elections to be held on the "third Saturday in
5 May." From 1986 to 2003, Section 41.001, Election
6 Code, provided for a uniform election date for all
7 political subdivisions on the first Saturday in May.
8 In Chapter 1315, Acts of the 78th Legislature, Regular
9 Session, 2003, the legislature amended Section 41.001
10 by moving the uniform election date in May to the third
11 Saturday. In Chapter 1, Acts of the 78th Legislature,
12 3rd Called Session, 2003, the legislature amended
13 Section 41.001 by moving the uniform election date in
14 May back to the first Saturday. In Chapter 471, Acts
15 of the 79th Legislature, Regular Session, 2005, the
16 legislature amended Section 41.001 by moving the
17 uniform election date in May to the second Saturday.
18 The revised law substitutes "uniform election date in
19 May" for "third Saturday in May" to reflect these
20 changes and to recognize that the uniform election
21 date for that month as provided by Section 41.001,
22 Election Code, controls under Section 41.005, Election
23 Code.

24 (5) Section 4.03(d), Chapter 11, Acts of the
25 70th Legislature, 2nd Called Session, 1987, provides
26 that directors serve two-year terms. Section 285.081,
27 Health and Safety Code, applicable to this hospital
28 district, provides a mechanism by which the governing
29 board of a hospital district, on its own motion, may
30 order that the members are to be elected in
31 even-numbered years to serve four-year terms. The
32 revised law is drafted accordingly and adds a
33 reference to Section 285.081, Health and Safety Code,
34 for the convenience of the reader.

1 Revised Law

2 Sec. 1089.052. NOTICE OF ELECTION. At least 35 days before
3 the date of an election of directors, notice of the election shall

7 Sec. 4.04. At least 35 days before the date of
8 an election of directors, notice of the election shall
9 be published one time in a newspaper with general
10 circulation in the district.

11 Revised Law

12 Sec. 1089.053. QUALIFICATIONS FOR OFFICE. (a) To be

21 70th Leg., 2nd C.S., Ch. 11, Sec. 4.06.)

22 Source Law

28 by Subsection (a) of this section, a person who is
29 elected from a commissioner precinct or who is
30 appointed to fill a vacancy for a commissioner
31 precinct must be a resident of that commissioner
32 precinct.

33 (c) An employee of the district may not serve as
34 a director.

35 Revised Law

36 Sec. 1089.054. BOND; RECORD OF BOND. (a) Before assuming
37 the duties of office, each director must execute a bond for \$5,000
38 that is:

39 (1) payable to the district; and

40 (2) conditioned on the faithful performance of the
41 director's duties.

1 (b) The board may pay for a director's bond with district
2 money.

3 (c) The bond shall be kept in the permanent records of the
4 district. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 4.07.)

5 Source Law

6 Sec. 4.07. (a) Before assuming the duties of
7 the office, each director must execute a bond for
8 \$5,000 payable to the district, conditioned on the
9 faithful performance of the person's duties as

12 records of the district.

13 (c) The board may pay for directors' bonds with
14 district funds.

15 Revised Law

16 Sec. 1089.055. BOARD VACANCY. If a vacancy occurs in the
17 office of director, the remaining directors shall appoint a
18 director for the unexpired term. (Acts 70th Leg., 2nd C.S., Ch. 11,
19 Sec. 4.08.)

20 Source Law

21 Sec. 4.08. A vacancy in the office of director
22 shall be filled for the unexpired term by appointment
23 by the remaining directors.

24 Revised Law

25 Sec. 1089.056. OFFICERS. (a) The board shall elect a
26 president and a vice president from among its members.

27 (b) The board shall appoint a secretary, who need not be a
28 director.

29 (c) Each officer of the board serves for a term of one year.

30 (d) The board shall fill a vacancy in a board office for the
31 unexpired term. (Acts 70th Leg., 2nd C.S., Ch. 11, Secs. 4.09,
32 4.10.)

33 Source Law

34 Sec. 4.09. The board shall elect from among its
35 members a president and a vice-president. The board
36 shall also appoint a secretary. The secretary need not
37 be a director.

39 for a term of one year.

40 (b) A vacancy in a board office shall be filled
41 for the unexpired term by the board.

42 Revised Law

43 Sec. 1089.057. COMPENSATION; EXPENSES. A director or

1 officer serves without compensation but may be reimbursed for
2 actual expenses incurred in the performance of official duties.

3 The expenses must be:

- 4 (1) reported in the district's records; and
- 5 (2) approved by the board. (Acts 70th Leg., 2nd C.S.,
6 Ch. 11, Sec. 4.11.)

7 Source Law

8 Sec. 4.11. Directors and officers serve without
9 compensation but may be reimbursed for actual expenses
10 incurred in the performance of official duties. Those
11 expenses must be reported in the district's minute book
12 or other district records and must be approved by the
13 board.

14 Revisor's Note

15 Section 4.11, Chapter 11, Acts of the 70th
16 Legislature, 2nd Called Session, 1987, provides that
17 approved expenses must be reported in the "district's
18 minute book or other district records." The revised
19 law omits the reference to "the district's minute book"
20 because the minute book is a district record.

21 Revised Law

22 Sec. 1089.058. VOTING REQUIREMENT. A concurrence of a
23 majority of the directors voting is necessary in any matter
24 relating to district business. (Acts 70th Leg., 2nd C.S., Ch. 11,

2 administrator's duties under this chapter.

3 (d) The board may pay for the bond with district money.
4 (Acts 70th Leg., 2nd C.S., Ch. 11, Secs. 4.13(a) (part), (b) (part),

37 (b) The assistant district administrator and the attorney
38 for the district serve at the will of the board and are entitled to
39 the compensation determined by the board. (Acts 70th Leg., 2nd
40 C.S., Ch. 11, Secs. 4.13(a) (part), (b) (part), (c) (part).)

1 Sec. 4.05. (a) A person who wishes
2 to have his name printed on the ballot as a
3 candidate for director must file an
4 application with the secretary of the board
5 of directors.

7 70th Legislature, 2nd Called Session, 1987, provides
8 that a ballot application must specify the county

10 or specify that the candidate wishes to represent the
11 district at large. The revised law omits the provision
12 because it duplicates Section 141.031(4)(C), Election
13 Code, which requires a candidate to state on the ballot
14 application the office sought by the candidate,
15 including any place number or other distinguishing
16 number. The omitted law reads:

17 (b) The application must specify the
18 commissioner precinct the candidate wishes
19 to represent or specify that the candidate
20 wishes to represent the district at large.

21 (5) Section 4.05A, Chapter 11, Acts of the 70th
22 Legislature, 2nd Called Session, 1987, provides that
23 an election held under Chapter 11 must be held in
24 compliance with the Texas Election Code, except as
25 provided by Chapter 11. The revised law omits the
26 provision because Section 1.002, Election Code,
27 provides that the Election Code applies to all
28 elections held in this state. An exception to the
29 application of the Election Code would apply by its own
30 terms. The omitted law reads:

31 Sec. 4.05A. Except as otherwise
32 provided by this Act, an election held under
33 this Act must be held in compliance with the
34 applicable provisions of the Election Code.

35 [Sections 1089.064-1089.100 reserved for expansion]

36 SUBCHAPTER C. POWERS AND DUTIES

37 Revised Law

38 Sec. 1089.101. DISTRICT RESPONSIBILITY. The district has
39 full responsibility for:

1 (1) operating hospital facilities; and
2 (2) providing medical and hospital care for the
3 district's needy inhabitants. (Acts 70th Leg., 2nd C.S., Ch. 11,
4 Sec. 5.02 (part).)

5 Source Law

6 Sec. 5.02. On creation of the district, the
7 district:

8 (1) assumes full responsibility for
9 operating hospital facilities and for furnishing
10 medical and hospital care for the district's needy
11 inhabitants;
12 . . .

13 Revisor's Note

14 Section 5.02, Chapter 11, Acts of the 70th
15 Legislature, 2nd Called Session, 1987, provides that
16 "[o]n creation of the district," the district
17 "assumes" certain responsibilities. The revised law
18 omits "[o]n creation of the district" as executed. The
19 revised law substitutes "has" for "assumes" because
20 the obligation to assume the responsibility is
21 executed.

22 Revised Law

23 Sec. 1089.102. RESTRICTION ON COUNTY TAXATION AND DEBT.
24 Reeves County may not impose a tax or issue bonds or other
25 obligations for hospital purposes or to provide medical care for
26 district residents. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec.
27 5.01(b).)

28 Source Law

29 (b) On or after creation of the district, Reeves
30 County may not levy taxes or issue bonds or other
31 obligations for hospital purposes or for providing
32 medical care for the residents of the district.

33 Revisor's Note

34 Section 5.01(b), Chapter 11, Acts of the 70th
35 Legislature, 2nd Called Session, 1987, provides that
36 "[o]n or after creation of the district," Reeves
37 County may not levy taxes or issue bonds for hospital
38 purposes. The revised law omits the quoted language as
39 executed. In addition, throughout this chapter, the

1 revised law substitutes "impose" for "levy" because,
2 in this context, the terms are synonymous and the
3 former is more commonly used.

4 Revised Law

5 Sec. 1089.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
6 The board shall manage, control, and administer the hospital system
7 and the district's money and resources. (Acts 70th Leg., 2nd C.S.,
8 Ch. 11, Sec. 5.03.)

9 Source Law

10 Sec. 5.03. The board shall manage, control, and
11 administer the hospital system and the funds and
12 resources of the district.

13 Revised Law

14 Sec. 1089.104. RULES. The board may adopt rules governing:
15 (1) the operation of the hospital and hospital system;
16 and
17 (2) the duties, functions, and responsibilities of the
18 district staff and employees. (Acts 70th Leg., 2nd C.S., Ch. 11,
19 Sec. 5.04.)

20 Source Law

21 Sec. 5.04. The board may adopt rules governing
22 the operation of the hospital and hospital systems and
23 the duties, functions, and responsibilities of
24 district staff and employees.

25 Revised Law

26 Sec. 1089.105. PURCHASING AND ACCOUNTING PROCEDURES. The
27 board may prescribe:
28 (1) the method of making purchases and expenditures by
29 and for the district; and
30 (2) accounting and control procedures for the
31 district. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 5.05.)

32 Source Law

33 Sec. 5.05. (a) The board may prescribe the
34 method of making purchases and expenditures by and for
35 the district.
36 (b) The board may prescribe accounting and
37 control procedures for the district.

38 Revised Law

39 Sec. 1089.106. MOBILE EMERGENCY MEDICAL SERVICE. The

1 district may operate or provide for the operation of a mobile
2 emergency medical service. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec.
3 5.02 (part).)

4 Source Law

5 Sec. 5.02. . . . the district:

6 . . .
7 (3) may operate or provide for the
8 operation of a mobile emergency medical service.

9 Revised Law

10 Sec. 1089.107. DISTRICT PROPERTY, FACILITIES, AND
11 EQUIPMENT. (a) The board shall determine:

12 (1) the type, number, and location of buildings
13 required to maintain an adequate hospital system; and

14 (2) the type of equipment necessary for hospital care.

15 (b) The board may:

16 (1) acquire property, including facilities and
17 equipment, for the district for use in the hospital system; and

18 (2) mortgage or pledge the property as security for
19 the payment of the purchase price.

20 (c) The board may lease hospital facilities for the
21 district.

22 (d) The board may sell or otherwise dispose of the property,
23 including facilities or equipment, for the district. (Acts 70th
24 Leg., 2nd C.S., Ch. 11, Sec. 5.06.)

25 Source Law

26 Sec. 5.06. (a) The board shall determine the
27 type, number, and location of buildings required to
28 establish and maintain an adequate hospital system and
29 the type of equipment necessary for hospital care.

30 (b) The board may acquire property, facilities,
31 and equipment for the district for use in the hospital
32 system and may mortgage or pledge the property,
33 facilities, or equipment acquired as security for the
34 payment of the purchase price.

35 (c) The board may lease hospital facilities on
36 behalf of the district.

37 (d) The board may sell or otherwise dispose of
38 property, facilities, or equipment on behalf of the
39 district.

40 Revisor's Note

41 Section 5.06(a), Chapter 11, Acts of the 70th
42 Legislature, 2nd Called Session, 1987, requires the

1 board to determine the buildings required to
2 "establish and maintain" an adequate hospital system.
3 The revised law omits the reference to establishing
4 the hospital system as executed.

5 Revised Law

6 Sec. 1089.108. EMINENT DOMAIN. (a) The district may
7 exercise the power of eminent domain to acquire a fee simple or
8 other interest in property located in district territory if the
9 property interest is necessary for the district to exercise a right
10 or authority conferred by this chapter.

11 (b) The district may exercise the power of eminent domain in
12 the manner provided by Chapter 21, Property Code, except that the
13 district is not required to deposit in the trial court money or a
14 bond as provided by Section 21.021(a), Property Code.

15 (c) In a condemnation proceeding brought by the district,
16 the district is not required to:

17 (1) pay in advance or provide a bond or other security
18 for costs in the trial court;

19 (2) provide a bond for the issuance of a temporary
20 restraining order or a temporary injunction; or

21 (3) provide a bond for costs or a supersedeas bond on
22 an appeal or petition for review. (Acts 70th Leg., 2nd C.S., Ch.
23 11, Sec. 5.09.)

24 Source Law

25 Sec. 5.09. (a) The district may exercise the
26 power of eminent domain to acquire by condemnation a
27 fee simple or other interest in property located in the
28 territory of the district if the property interest is
29 necessary to the exercise of the rights or authority
30 conferred by this Act.

31 (b) The district may exercise the power of
32 eminent domain in the manner provided by Chapter 21,
33 Property Code, but the district is not required to
34 deposit in the trial court money or execute a bond as
35 provided by Subsection (a), Section 21.021, Property
36 Code.

37 (c) In a condemnation proceeding brought by the
38 district, the district is not required to pay in
39 advance or give bond or other security for costs in the
40 trial court, to give bond for the issuance of a
41 temporary restraining order or a temporary injunction,
42 or to give bond for costs or supersedeas on an appeal
43 or writ of error.

1 Revisor's Note

2 Section 5.09(c), Chapter 11, Acts of the 70th
3 Legislature, 2nd Called Session, 1987, refers to a
4 "writ of error." The revised law substitutes
5 "petition for review" for "writ of error" because,
6 effective September 1, 1997, the Texas Supreme Court
7 replaced the writ of error procedure with the petition
8 for review procedure. See Rule 53.1, Texas Rules of
9 Appellate Procedure.

10 Revised Law

11 Sec. 1089.109. COST OF RELOCATING OR ALTERING PROPERTY. In
12 exercising the power of eminent domain, if the board requires
13 relocating, raising, lowering, rerouting, changing the grade of, or
14 altering the construction of any railroad, highway, pipeline,
15 electric transmission and electric distribution, telegraph, or
16 telephone line, conduit, pole, or facility, the district must bear
17 the actual cost of relocating, raising, lowering, rerouting,
18 changing the grade, or altering the construction to provide
19 comparable replacement, without enhancement of facilities, after
20 deducting the net salvage value derived from the old facility.
21 (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 5.10.)

22 Source Law

23 Sec. 5.10. In exercising the power of eminent
24 domain, if the board requires relocating, raising,
25 lowering, rerouting, changing the grade, or altering
26 the construction of any railroad, highway, pipeline,
27 or electric transmission and electric distribution,
28 telegraph, or telephone lines, conduits, poles, or
29 facilities, the district must bear the actual cost of
30 relocating, raising, lowering, rerouting, changing
31 the grade, or altering the construction to provide
32 comparable replacement without enhancement of
33 facilities, after deducting the net salvage value
34 derived from the old facility.

35 Revised Law

36 Sec. 1089.110. GIFTS AND ENDOWMENTS. The board may accept
37 for the district a gift or endowment to be held in trust for any
38 purpose and under any direction, limitation, or other provision
39 prescribed in writing by the donor that is consistent with the
40 proper management of the district. (Acts 70th Leg., 2nd C.S., Ch.

1 11, Sec. 5.14.)

2 Source Law

3 Sec. 5.14. On behalf of the district, the board
4 may accept donations, gifts, and endowments to be held
5 in trust for any purpose and under any direction,
6 limitation, or provision prescribed in writing by the
7 donor that is consistent with the proper management of
8 the district.

9 Revisor's Note

10 Section 5.14, Chapter 11, Acts of the 70th
11 Legislature, 2nd Called Session, 1987, refers to
12 "donations" and "gifts." The revised law omits
13 "donations" because "donations" is included in the
14 meaning of "gifts."

15 Revised Law

16 Sec. 1089.111. CONSTRUCTION CONTRACTS. (a) The board may
17 enter into construction contracts for the district.

18 (b) The board may enter into a construction contract that
19 involves an expenditure of more than the amount prescribed by
20 Section 271.024, Local Government Code, only after competitive
21 bidding as provided by Subchapter B, Chapter 271, Local Government
22 Code. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 5.07(a).)

23 Source Law

24 Sec. 5.07. (a) The board may enter into
25 construction contracts on behalf of the district;
26 however, the board may enter into construction
27 contracts that involve spending more than \$10,000 only
28 after competitive bidding as provided by Chapter 770,
29 Acts of the 66th Legislature, Regular Session, 1979
30 (Article 2368a.3, Vernon's Texas Civil Statutes).

31 Revisor's Note

32 (1) Section 5.07(a), Chapter 11, Acts of the
33 70th Legislature, 2nd Called Session, 1987, provides
34 that the district may enter into construction
35 contracts that involve spending more than \$10,000 only
36 after competitive bidding as provided by Chapter 770,
37 Acts of the 66th Legislature, Regular Session, 1979
38 (Article 2368a.3, Vernon's Texas Civil Statutes).
39 Chapter 149, Acts of the 70th Legislature, Regular
40 Session, 1987, revised the relevant parts of Article

1 2368a.3 as Subchapter B, Chapter 271, Local Government
2 Code, and the revised law is drafted accordingly. The
3 revised law omits the reference to the \$10,000 amount
4 as superseded by Section 5, Chapter 115, Acts of the
5 77th Legislature, Regular Session, 2001, which amended
6 Section 271.024, Local Government Code, to increase
7 the contract amount for which competitive bidding is
8 required to \$25,000.

9 (2) Section 5.07(b), Chapter 11, Acts of the
10 70th Legislature, 2nd Called Session, 1987, provides
11 that Article 5160, Revised Statutes, applies to the
12 district's construction contracts in relation to
13 performance and payment bonds. The revised law omits
14 that reference because Article 5160 was codified in
15 1993 as Chapter 2253, Government Code, and that
16 chapter applies to hospital districts on its own
17 terms. The omitted law reads:

18 (b) Article 5160, Revised Statutes,
19 as it relates to performance and payment
20 bonds, applies to construction contracts
21 let by the district.

22 Revised Law

23 Sec. 1089.112. OPERATING AND MANAGEMENT CONTRACTS. The
24 board may enter into an operating or management contract relating
25 to a hospital facility for the district. (Acts 70th Leg., 2nd C.S.,
26 Ch. 11, Sec. 5.08.)

27 Source Law

28 Sec. 5.08. The board may enter into operating or
29 management contracts relating to hospital facilities
30 on behalf of the district.

31 Revised Law

32 Sec. 1089.113. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
33 SERVICES. The board may contract with a political subdivision of
34 this state or with a state or federal agency for the district to:

- 35 (1) furnish a mobile emergency medical service; or
36 (2) provide for the investigatory or welfare needs of
37 district inhabitants. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec.

1 5.13.)

2 Source Law

3 Sec. 5.13. The board may contract with a city,
4 county, special district, or other political
5 subdivision of the state or with a state or federal
6 agency for the district to furnish a mobile emergency
7 medical service or to provide for the investigatory or
8 welfare needs of inhabitants of the district.

9 Revisor's Note

10 Section 5.13, Chapter 11, Acts of the 70th
11 Legislature, 2nd Called Session, 1987, refers to "a
12 city, county, special district, or other political
13 subdivision of the state." Throughout this chapter,
14 the revised law omits references to "city," "county,"
15 and "special district" in this context because those
16 terms are included in the meaning of "political
17 subdivision of the state."

18 Revised Law

19 Sec. 1089.114. PAYMENT FOR TREATMENT; PROCEDURES. (a) The
20 district administrator may have an inquiry made into the financial
21 circumstances of:

22 (1) a person who resides in the district and is
23 admitted as a patient to a district facility; and

24 (2) a relative of the patient who is legally
25 responsible for the patient's support.

26 (b) To the extent that the patient or a relative of the
27 patient who is legally responsible for the patient's support cannot
28 pay for care and treatment provided by the district, the district
29 shall supply the care and treatment without charging the patient or
30 the patient's relative.

31 (c) On determining that the patient or a relative legally
32 responsible for the patient's support can pay for all or part of the
33 care and treatment provided by the district, the district
34 administrator shall report that determination to the board and the
35 board shall issue an order directing the patient or the relative to
36 pay the district a specified amount each week. The amount must be
37 based on the individual's ability to pay.

1 (d) The district administrator may collect the money owed to
2 the district from the patient's estate or from that of a relative
3 legally responsible for the patient's support in the manner
4 provided by law for collection of expenses in the last illness of a
5 deceased person.

6 (e) If there is a dispute relating to a person's ability to
7 pay or if the district administrator has any doubt concerning a
8 person's ability to pay, the board shall:

9 (1) call witnesses;

10 (2) hear and resolve the question; and

11 (3) issue a final order.

12 (f) The final order of the board may be appealed to a
13 district court in Reeves County. The substantial evidence rule
14 applies to the appeal. (Acts 70th Leg., 2nd C.S., Ch. 11, Secs.
15 5.11(b), (c), (d), (e), (f).)

16 Source Law

17 (b) If an individual residing in the district is
18 admitted as a patient to a facility of the district,
19 the administrator may have an inquiry made as to the
20 patient's financial circumstances and as to financial
21 circumstances of a relative of the patient who is
22 legally responsible for the patient's support.

23 (c) On finding that the patient or a relative of
24 the patient legally responsible for the patient's
25 support can pay for all or any part of the care and
26 treatment provided by the district, the administrator
27 shall report that finding to the board, and the board
28 shall issue an order directing the patient or the
29 relative to pay the district a specified sum each week
30 based on the individual's ability to pay.

31 (d) The administrator may collect money owed to
32 the district from the estate of the patient or from
33 that of a relative who was legally responsible for the
34 patient's support in the manner provided by law for
35 collection of expenses in the last illness of a
36 deceased person.

37 (e) To the extent that a patient or a relative of
38 the patient legally responsible for the patient's
39 support cannot pay for care and treatment provided by
40 the district, the district shall supply that care and
41 treatment without charging the patient or the
42 patient's relative.

43 (f) If there is a dispute relating to an
44 individual's ability to pay or if the administrator has
45 any doubt concerning an individual's ability to pay,
46 the board shall call witnesses, hear and resolve the
47 question, and issue a final order. An appeal from a
48 final order of the board must be made to a district
49 court in the county in which the district is located
50 and the substantial evidence rule applies.

1 Revisor's Note

2 (1) Section 5.11(a), Chapter 11, Acts of the
3 70th Legislature, 2nd Called Session, 1987, requires
4 the district to adopt an application procedure for
5 assistance eligibility. The revised law omits the
6 provision because it duplicates provisions in Sections
7 61.053(a) and (b), Health and Safety Code, which apply
8 to the district and detail the application procedure.
9 The omitted law reads:

10 Sec. 5.11. (a) Not later than the
11 beginning of each operating year, the
12 district shall adopt an application
13 procedure to determine eligibility for
14 assistance, as provided by Section 10.03,
15 Indigent Health Care and Treatment Act
16 (Article 4438f, Vernon's Texas Civil
17 Statutes).

18 (2) Section 5.11(f), Chapter 11, Acts of the
19 70th Legislature, 2nd Called Session, 1987, authorizes
20 the appeal of a final order to be made to the district
21 court "in the county in which the district is located."
22 The revised law substitutes "Reeves County" for the
23 quoted language because Reeves County is the county in
24 which the district is located.

25 Revised Law

26 Sec. 1089.115. REIMBURSEMENT FOR SERVICES. (a) The board
27 shall require a county, municipality, or public hospital located
28 outside the district to reimburse the district for the district's
29 care and treatment of a sick or injured person of that county,
30 municipality, or public hospital as provided by Chapter 61, Health
31 and Safety Code.

32 (b) The board shall require the sheriff of Reeves County to
33 reimburse the district for the district's care and treatment of a
34 person who is confined in a jail facility of Reeves County and is
35 not a district resident.

36 (c) On behalf of the district, the board may contract with
37 the state or federal government for that government to reimburse
38 the district for treatment of a sick or injured person. (Acts 70th

1 Leg., 2nd C.S., Ch. 11, Sec. 5.12.)

2 Source Law

3 Sec. 5.12. (a) The board shall require
4 reimbursement from a county, city, or public hospital
5 located outside the boundaries of the district for the
6 district's care and treatment of a sick, diseased, or
7 injured person of that county or city as provided by
8 the Indigent Health Care and Treatment Act (Article
9 4438f, Vernon's Texas Civil Statutes).

10 (b) The board shall require reimbursement from
11 the sheriff of Reeves County for the district's care
12 and treatment of a person confined in a jail facility
13 of Reeves County who is not a resident of the district.

14 (c) On behalf of the district, the board may
15 contract with the state or federal government for the
16 state or federal government to reimburse the district
17 for treatment of a sick, diseased, or injured person.

18 Revisor's Note

19 (1) Section 5.12(a), Chapter 11, Acts of the
20 70th Legislature, 2nd Called Session, 1987, refers to
21 a "city." The revised law substitutes "municipality"
22 for "city" because in context the terms are
23 equivalent, and "municipality" is the term used in the
24 Local Government Code.

25 (2) Sections 5.12(a) and (c), Chapter 11, Acts
26 of the 70th Legislature, 2nd Called Session, 1987,
27 refer to a "sick, diseased, or injured person." The
28 revised law omits the references to "diseased" because
29 it is included in the meaning of "sick."

30 (3) Section 5.12(a), Chapter 11, Acts of the
31 70th Legislature, 2nd Called Session, 1987, refers to
32 the duty of the district to require reimbursement from
33 "a county, city, or public hospital" outside the
34 district for care provided by the district to a "person
35 of that county or city." The revised law refers to a
36 "person of that county, municipality, or public
37 hospital" for consistency with the other quoted
38 language in Section 5.12(a) and to reflect the clear
39 legislative intent of the section.

40 (4) Section 5.12(a), Chapter 11, Acts of the
41 70th Legislature, 2nd Called Session, 1987, refers to

1 the Indigent Health Care and Treatment Act (Article
2 4438f, Vernon's Texas Civil Statutes). That statute
3 was codified in 1989 as Chapter 61, Health and Safety
4 Code. The revised law is drafted accordingly.

5 Revised Law

6 Sec. 1089.116. AUTHORITY TO SUE AND BE SUED. The board may
7 sue and be sued on behalf of the district. (Acts 70th Leg., 2nd
8 C.S., Ch. 11, Sec. 5.15.)

9 Source Law

10 Sec. 5.15. The board may sue and be sued on
11 behalf of the district.

13 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

14 Revised Law

15 Sec. 1089.151. BUDGET. (a) The district administrator
16 shall prepare a proposed annual budget for the district.

17 (b) The proposed budget must contain a complete financial
18 statement, including a statement of:

19 (1) the outstanding obligations of the district;

20 (2) the amount of cash on hand in each district fund;

21 (3) the amount of money received by the district from
22 all sources during the previous year;

23 (4) the amount of money available to the district from
24 all sources during the ensuing year;

25 (5) the amount of the balances expected at the end of
26 the year in which the budget is being prepared;

27 (6) the estimated amount of revenue and balances
28 available to cover the proposed budget; and

29 (7) the estimated tax rate required. (Acts 70th Leg.,
30 2nd C.S., Ch. 11, Sec. 6.04.)

31 Source Law

32 Sec. 6.04. (a) The administrator of the
33 district shall prepare a proposed annual budget for
34 the district.

35 (b) The proposed budget must contain a complete
36 financial statement, including a statement of:

37 (1) the outstanding obligations of the
38 district;

1 (2) the amount of cash on hand to the
2 credit of each fund of the district;
3 (3) the amount of money received by the
4 district from all sources during the previous year;
5 (4) the amount of money available to the
6 district from all sources during the ensuing year;
7 (5) the amount of the balances expected at
8 the end of the year in which the budget is being
9 prepared;
10 (6) the estimated amount of revenues and
11 balances available to cover the proposed budget; and
12 (7) the estimated tax rate that will be
13 required.

14 Revised Law

15 Sec. 1089.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
16 The board shall hold a public hearing on the proposed annual budget.

17 (b) The board shall publish notice of the hearing in a
18 newspaper with general circulation in the district not later than
19 the 10th day before the date of the hearing.

20 (c) Any district resident is entitled to be present and
21 participate at the hearing.

22 (d) At the conclusion of the hearing, the board shall adopt
23 a budget by acting on the budget proposed by the district
24 administrator. The board may make any changes in the proposed
25 budget that the board judges to be in the interests of the
26 taxpayers.

27 (e) The budget is effective only after adoption by the
28 board. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 6.05.)

29 Source Law

30 Sec. 6.05. (a) The board shall hold a public
31 hearing on the proposed annual budget.

32 (b) The board shall publish notice of the
33 hearing in a newspaper of general circulation in the
34 district not later than the 10th day before the date of
35 the hearing.

36 (c) Any resident of the district is entitled to
37 be present and participate at the hearing.

38 (d) At the conclusion of the hearing, the board
39 shall adopt a budget by acting on the budget proposed
40 by the administrator. The board may make any changes
41 in the proposed budget that in its judgment the
42 interests of the taxpayers demand.

43 (e) The budget is effective only after adoption
44 by the board.

45 Revised Law

46 Sec. 1089.153. AMENDMENT OF BUDGET. After the annual
47 budget is adopted, the budget may be amended on the board's
48 approval. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 6.06.)

1 Section 1089.160(b) and money transmitted to a bank for payment of
2 bonds or obligations issued or assumed by the district, shall be
3 deposited as received with the depository bank and must remain on
4 deposit. This subsection does not limit the power of the board to
5 place a part of district money on time deposit or to purchase
6 certificates of deposit.

7 (c) The district may not deposit money with a bank in an
8 amount that exceeds the maximum amount secured by the Federal
9 Deposit Insurance Corporation unless the bank first executes a bond
10 or other security in an amount sufficient to secure from loss the
11 district money that exceeds the amount secured by the Federal
12 Deposit Insurance Corporation. (Acts 70th Leg., 2nd C.S., Ch. 11,
13 Sec. 6.10.)

14 Source Law

15 Sec. 6.10. (a) The board shall name at least
16 one bank to serve as depository for district funds.

17 (b) District funds, other than those invested as
18 provided by Subsection (b) of Section 6.09 of this Act
19 and those transmitted to a bank of payment for bonds or
20 obligations issued or assumed by the district, shall
21 be deposited as received with the depository bank and
22 must remain on deposit. This subsection does not limit
23 the power of the board to place a portion of district
24 funds on time deposit or to purchase certificates of
25 deposit.

26 (c) Before the district deposits funds in a bank
27 in an amount that exceeds the maximum amount secured by
28 the Federal Deposit Insurance Corporation, the bank
29 must execute a bond or other security in an amount
30 sufficient to secure from loss the district funds that
31 exceed the amount secured by the Federal Deposit
32 Insurance Corporation.

33 Revised Law

34 Sec. 1089.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
35 Except as provided by Sections 1089.111, 1089.201, 1089.204, and
36 1089.205, the district may not incur a debt payable from district
37 revenue other than the revenue on hand or to be on hand in the
38 current and the immediately following district fiscal years.

39 (b) The board may invest operating, depreciation, or
40 building reserves only in funds or securities specified by Chapter
41 2256, Government Code. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec.
42 6.09.)

1 board may issue and sell bonds in the name and on the
2 faith and credit of the hospital district to:

3 (1) purchase, construct, acquire, repair,
4 or renovate buildings or improvements;

5 (2) equip buildings or improvements for
6 hospital purposes; or

7 (3) acquire and operate a mobile emergency
8 medical service.

9 Revisor's Note

10 Section 7.01, Chapter 11, Acts of the 70th
11 Legislature, 2nd Called Session, 1987, provides that
12 the board may issue and sell bonds in the name and on
13 the faith and credit of the district. The type of
14 bonds described by Section 7.01 are known as "general
15 obligation bonds," and the revised law is drafted
16 accordingly.

17 Revised Law

18 Sec. 1089.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
19 the time general obligation bonds are issued by the district under
20 Section 1089.201, the board shall impose an ad valorem tax at a rate
21 sufficient to create an interest and sinking fund to pay the
22 principal of and interest on the bonds as the bonds mature.

23 (b) The tax required by this section together with any other
24 ad valorem tax the district imposes may not in any year exceed the
25 limit approved by the voters at the election authorizing the
26 imposition of the tax. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec.
27 7.02.)

28 Source Law

29 Sec. 7.02. (a) At the time the bonds are issued
30 by the district, the board shall levy a tax.

31 (b) The tax must be sufficient to create an
32 interest and sinking fund to pay the principal of and
33 interest on the bonds as they mature.

34 (c) In any year, the tax together with any other
35 tax the district levies may not exceed the limit
36 approved by the voters at the election authorizing the
37 levy of taxes.

38 Revisor's Note

39 Section 7.02, Chapter 11, Acts of the 70th
40 Legislature, 2nd Called Session, 1987, requires the
41 district to levy a tax sufficient to pay the principal
42 of and interest on bonds. The revised law specifies

1 that the tax is an "ad valorem" tax because it is clear
2 from the source law that the tax is a property tax and
3 "ad valorem" is the term most commonly used to refer to
4 a property tax.

5 Revised Law

6 Sec. 1089.203. GENERAL OBLIGATION BOND ELECTION. (a) The
7 district may issue general obligation bonds only if the bonds are
8 authorized by a majority of the district voters voting at an
9 election held for that purpose.

10 (b) The board may order a bond election.

11 (c) The order calling the election must specify:

12 (1) the nature and date of the election;

13 (2) the hours during which the polls will be open;

14 (3) the location of the polling places;

15 (4) the amount of the bonds to be authorized; and

16 (5) the maximum maturity of the bonds.

17 (d) Notice of a bond election shall be given as provided by
18 Section 1251.003, Government Code.

19 (e) The board shall declare the results of the election.
20 (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 7.03.)

21 Source Law

22 Sec. 7.03. (a) The district may not issue
23 general obligation bonds until the bonds are
24 authorized by a majority of the qualified voters of the
25 district voting at an election called and held for that
26 purpose.

27 (b) The board may order a bond election. The
28 order calling the election must state the nature and
29 date of the election, the hours during which the polls
30 will be open, the location of the polling places, the
31 amount of bonds to be authorized, and the maximum
32 maturity of the bonds.

33 (c) Notice of a bond election shall be given as
34 provided by Article 704, Revised Statutes.

35 (d) The board shall canvass the returns and
36 declare the results of the election.

37 Revisor's Note

38 (1) Section 7.03(a), Chapter 11, Acts of the
39 70th Legislature, 2nd Called Session, 1987, refers to
40 a majority of the "qualified" voters of the district.
41 The revised law omits "qualified" as unnecessary in

1 this context because Chapter 11, Election Code,
2 governs eligibility to vote in an election in this
3 state and allows only "qualified" voters who are
4 residents of the territory covered by the election to
5 vote in an election.

6 (2) Section 7.03(a), Chapter 11, Acts of the
7 70th Legislature, 2nd Called Session, 1987, refers to
8 an election "called and held." The revised law omits
9 references to "calling" an election because, in this
10 context, "calling" an election is included in the
11 meaning of "holding" an election. Under Chapter 3,
12 Election Code, all elections must be ordered (called)
13 before they may be held.

14 (3) Section 7.03(c), Chapter 11, Acts of the
15 70th Legislature, 2nd Called Session, 1987, refers to
16 Article 704, Revised Statutes, which specifies certain
17 notice requirements for a bond election. That
18 provision was codified in 1999 as Section 1251.003,
19 Government Code. The revised law is drafted
20 accordingly.

21 (4) Section 7.03(d), Chapter 11, Acts of the
22 70th Legislature, 2nd Called Session, 1987, provides
23 that "[t]he board shall canvass the returns" of a bond
24 election. The revised law omits that requirement
25 because it duplicates Section 67.002, Election Code,
26 which requires the governing body of a political
27 subdivision that orders an election to canvass the
28 returns.

29 Revised Law

30 Sec. 1089.204. REVENUE BONDS. (a) The board may issue
31 revenue bonds to:

32 (1) purchase, construct, acquire, repair, renovate,
33 or equip buildings or improvements for hospital purposes;

34 (2) acquire sites to be used for hospital purposes; or

1 (3) acquire and operate a mobile emergency medical
2 service to assist the district in carrying out its hospital
3 purposes.

4 (b) The bonds must be payable from and secured by a pledge of
5 all or part of the revenue derived from the operation of the
6 district's hospital system.

7 (c) The bonds may be additionally secured by a mortgage or
8 deed of trust lien on all or part of district property.

9 (d) The bonds must be issued in the manner provided by
10 Sections 264.042, 264.043, and 264.046-264.049, Health and Safety
11 Code, for issuance of revenue bonds by a county hospital authority.
12 (Acts 70th Leg., 2nd C.S., Ch. 11, Sec. 7.04.)

13 Source Law

14 Sec. 7.04. (a) The board may issue revenue
15 bonds to:

16 (1) purchase, construct, acquire, repair,
17 equip, or renovate buildings or improvements for
18 hospital purposes;

19 (2) acquire sites to be used for hospital
20 purposes; or

21 (3) acquire and operate a mobile emergency
22 medical service to assist the district in carrying out
23 its hospital purposes.

24 (b) The bonds must be payable from and secured
25 by a pledge of all or part of the revenues derived from
26 the operation of the district's hospital system. The
27 bonds may be additionally secured by a mortgage or deed
28 of trust lien on all or part of district property.

29 (c) The bonds must be issued in the manner
30 provided by Sections 8, 10, 11, 12, and 13, County
31 Hospital Authority Act (Article 4494r, Vernon's Texas
32 Civil Statutes), for issuance of revenue bonds by
33 county hospital authorities.

34 Revisor's Note

35 Section 7.04(c), Chapter 11, Acts of the 70th
36 Legislature, 2nd Called Session, 1987, refers to
37 Sections 8, 10, 11, 12, and 13, County Hospital
38 Authority Act (Article 4494r, Vernon's Texas Civil
39 Statutes). Those provisions were codified in 1989 as
40 Sections 264.042, 264.043, and 264.046-264.049,
41 Health and Safety Code. The revised law is drafted
42 accordingly.

43 Revised Law

44 Sec. 1089.205. REFUNDING BONDS. (a) The board may issue

1 refunding bonds to refund an outstanding indebtedness issued or
2 assumed by the district.

3 (b) Refunding bonds may be:

4 (1) sold, with the proceeds of the refunding bonds
5 applied to the payment of the outstanding indebtedness; or

6 (2) exchanged wholly or partly for not less than a
7 similar principal amount of outstanding indebtedness. (Acts 70th
8 Leg., 2nd C.S., Ch. 11, Secs. 7.05(a), (c) (part).)

9 Source Law

10 Sec. 7.05. (a) Refunding bonds of the district
11 may be issued to refund and pay off an outstanding
12 indebtedness the district has issued or assumed.

13 (c) The refunding bonds may be sold and the
14 proceeds applied to the payment of outstanding
15 indebtedness or may be exchanged in whole or in part
16 for not less than a similar principal amount of
17 outstanding indebtedness. . . .

18 Revisor's Note

19 Sections 7.05(b) and (c), Chapter 11, Acts of the
20 70th Legislature, 2nd Called Session, 1987, require
21 the district to issue refunding bonds in the manner
22 prescribed by Article 717k-3, Vernon's Texas Civil
23 Statutes, and, for refunding bonds that will be sold,
24 to issue the bonds and to make payments on the bonds in
25 the manner prescribed by Article 717k, Vernon's Texas
26 Civil Statutes. Articles 717k and 717k-3 were
27 codified in 1999 as Chapter 1207, Government Code. The
28 revised law omits the provisions because Chapter 1207,
29 Government Code, applies to the district by its own
30 terms under Section 1207.001, Government Code. The
31 omitted law reads:

32 (b) The bonds must be issued in the
33 manner provided by Chapter 784, Acts of the
34 61st Legislature, Regular Session, 1969
35 (Article 717k-3, Vernon's Texas Civil
36 Statutes).

37 (c) . . . If the refunding bonds are
38 to be sold and the proceeds applied to the
39 payment of outstanding indebtedness, the
40 refunding bonds must be issued and payments
41 made in the manner provided by Chapter 503,
42 Acts of the 54th Legislature, Regular
43 Session, 1955 (Article 717k, Vernon's Texas

1 Civil Statutes).

2 Revised Law

3 Sec. 1089.206. MATURITY OF BONDS. District bonds must
4 mature not later than 50 years after the date of issuance. (Acts
5 70th Leg., 2nd C.S., Ch. 11, Sec. 7.06 (part).)

6 Source Law

7 Sec. 7.06. District bonds must mature not more
8 than 50 years after the date of their issuance and
9

10 Revisor's Note

11 Section 7.06, Chapter 11, Acts of the 70th
12 Legislature, 2nd Called Session, 1987, provides that
13 district bonds must bear interest at a rate not to
14 exceed that provided by Chapter 3, Acts of the 61st
15 Legislature, Regular Session, 1969 (Article 717k-2,
16 Vernon's Texas Civil Statutes). The revised law omits
17 that provision because the maximum interest rate noted
18 in Chapter 3 was revised in 1999 as Section 1204.006,
19 Government Code, and Section 1204.006 applies to the
20 district by its own terms by application of Section
21 1204.001, Government Code. The omitted law reads:

22 Sec. 7.06. [District bonds] . . .
23 must bear interest at a rate not to exceed
24 that provided by Chapter 3, Acts of the 61st
25 Legislature, Regular Session, 1969 (Article
26 717k-2, Vernon's Texas Civil Statutes).

27 Revised Law

28 Sec. 1089.207. EXECUTION OF BONDS. (a) The board president
29 shall execute district bonds in the district's name.

30 (b) The board secretary shall countersign the bonds in the
31 manner provided by Chapter 618, Government Code. (Acts 70th Leg.,
32 2nd C.S., Ch. 11, Sec. 7.07.)

33 Source Law

34 Sec. 7.07. The president of the board shall
35 execute the bonds in the name of the district, and the
36 secretary of the board shall countersign the bonds in
37 the manner provided by the Texas Uniform Facsimile
38 Signature of Public Officials Act (Article 717j-1,
39 Vernon's Texas Civil Statutes).

1 Revisor's Note

2 Section 7.07, Chapter 11, Acts of the 70th
3 Legislature, 2nd Called Session, 1987, refers to the
4 Texas Uniform Facsimile Signature of Public Officials
5 Act (Article 717j-1, Vernon's Texas Civil Statutes).
6 That statute was codified in 1999 as Chapter 618,
7 Government Code. The revised law is drafted
8 accordingly.

9 Revised Law

10 Sec. 1089.208. BONDS EXEMPT FROM TAXATION. The following
11 are exempt from taxation by this state or a political subdivision of
12 this state:

- 13 (1) bonds issued by the district;
14 (2) any transaction relating to the bonds; and
15 (3) profits made in the sale of the bonds. (Acts 70th
16 Leg., 2nd C.S., Ch. 11, Sec. 7.11 (part).)

17 Source Law

18 Sec. 7.11. . . . bonds issued by the district,
19 any transaction relating to the bonds, and profits
20 made in the sale of the bonds are free from taxation by
21 the state or by any city, county, special district, or
22 other political subdivision of the state.

23 Revisor's Note
24 (End of Subchapter)

25 (1) Section 7.08, Chapter 11, Acts of the 70th
26 Legislature, 2nd Called Session, 1987, provides that
27 district bonds are subject to the law governing county
28 bonds that relates to bond approval by the attorney
29 general and registration of the bonds by the
30 comptroller. Section 7.08 also provides that after
31 approval and registration the bonds are "incontestable
32 for any cause." The revised law omits those provisions
33 because they duplicate, in substance, provisions in
34 Chapter 1202, Government Code. Section 1202.003(a),
35 Government Code, requires that bonds be submitted to
36 the attorney general. Section 1202.003(b), Government
37 Code, provides for approval of the bonds by the

1 attorney general and requires the attorney general to
2 submit the approved bonds to the comptroller for
3 registration. Section 1202.005, Government Code,
4 requires registration of the bonds by the comptroller.
5 Section 1202.006, Government Code, provides that after
6 approval and registration the bonds are incontestable
7 and binding obligations. Chapter 1202, Government
8 Code, applies to district bonds by application of
9 Section 1202.001, Government Code. The omitted law
10 reads:

11 Sec. 7.08. (a) District bonds are
12 subject to the same requirements with
13 regard to approval by the attorney general
14 and registration by the comptroller of
15 public accounts as the law provides for
16 approval and registration of bonds issued
17 by counties.

18 (b) On approval by the attorney
19 general and registration by the comptroller
20 of public accounts, the bonds are
21 incontestable for any cause.

22 (2) Section 7.09, Chapter 11, Acts of the 70th
23 Legislature, 2nd Called Session, 1987, provides that
24 district bonds and indebtedness are legal and
25 authorized investments for certain entities. The
26 revised law omits that provision as unnecessary. As to
27 some of the entities listed, Section 7.09 has been
28 superseded and impliedly repealed or it duplicates
29 existing law. Investments in securities by banks are
30 regulated by Section 34.101, Finance Code (enacted in
31 1995 as Section 5.101, Texas Banking Act (Article
32 342-5.101, Vernon's Texas Civil Statutes)).
33 Investments in securities by savings banks are
34 regulated by Section 93.001(c)(10), Finance Code
35 (enacted in 1993 as Section 7.15(10), Texas Savings
36 Bank Act (Article 489e, Vernon's Texas Civil
37 Statutes)). Investments in securities by trust
38 companies are regulated by Section 184.101, Finance
39 Code (enacted in 1997 as Section 5.101, Texas Trust

1 Company Act (Article 342a-5.101, Vernon's Texas Civil
2 Statutes)). Investments in securities by savings and
3 loan associations are regulated by Sections 63.002 and
4 64.001, Finance Code. As to the remaining entities
5 listed, Section 7.09 duplicates Section 1201.041,
6 Government Code (enacted as Section 9, Bond Procedures
7 Act of 1981 (Article 717k-6, Vernon's Texas Civil
8 Statutes)). Section 1201.041, Government Code,
9 applies to district bonds by application of Section
10 1201.002, Government Code. While Section 7.09 lists
11 "guardians" and Section 1201.041 does not, the latter
12 statute includes "fiduciaries" and a guardian is a
13 fiduciary. The revised law omits the reference to
14 public funds of this state because it is superseded by
15 a 1995 amendment to Section 404.024(b), Government
16 Code, which governs the investment of state funds by
17 the comptroller of public accounts. The amendment
18 added Subsection (b)(10) to Section 404.024 and
19 authorizes the investment of state funds in
20 obligations of political subdivisions, including
21 hospital districts. The omitted law reads:

22 Sec. 7.09. District bonds and
23 indebtedness assumed by the district are
24 legal and authorized investments for:
25 (1) banks;
26 (2) savings banks;
27 (3) trust companies;
28 (4) savings and loan associations;
29 (5) insurance companies;
30 (6) fiduciaries;
31 (7) trustees;
32 (8) guardians; and
33 (9) sinking funds of cities,
34 counties, school districts, and other
35 political subdivisions of the state and
36 other public funds of the state and its
37 agencies, including the permanent school
38 fund.

39 (3) Section 7.10, Chapter 11, Acts of the 70th
40 Legislature, 2nd Called Session, 1987, provides that
41 district bonds may secure deposits of public funds of
42 the state or political subdivisions of the state. The

1 revised law omits the provision relating to deposits
2 of state funds by the comptroller as impliedly
3 repealed by Section 404.0221, Government Code (enacted
4 in 1995), which lists eligible collateral for deposits
5 of state funds by the comptroller. As to deposits of
6 other funds, the provision duplicates Chapter 2257,
7 Government Code, which governs eligible collateral for
8 deposits of funds of other public agencies, including
9 political subdivisions, and permits those deposits to
10 be secured by obligations issued by hospital
11 districts. The omitted law reads:

12 Sec. 7.10. District bonds are
13 eligible to secure deposits of public funds
14 of the state and of cities, counties, school
15 districts, and other political subdivisions
16 of the state. The bonds are lawful and
17 sufficient security for deposits to the
18 extent of their value if accompanied by all
19 unmatured coupons.

21 SUBCHAPTER F. TAXES

22 Revised Law

23 Sec. 1089.251. IMPOSITION OF AD VALOREM TAX. (a) The board
24 may impose a tax on all property in the district subject to district
25 taxation.

26 (b) The tax may be used to pay:

27 (1) indebtedness issued or assumed by the district;

28 and

29 (2) the maintenance and operating expenses of the
30 district.

31 (c) The district may not impose a tax to pay the principal of
32 or interest on revenue bonds issued under this chapter. (Acts 70th
33 Leg., 2nd C.S., Ch. 11, Secs. 8.01(a) (part), (c), (d), 8.02(b).)

34 Source Law

35 Sec. 8.01. (a) The board may annually levy
36 taxes

37 (c) The taxes may be used to pay:

38 (1) the indebtedness issued or assumed by
39 the district; and

40 (2) the maintenance and operating expenses

1 of the district.

2 (d) The district may not levy taxes to pay the
3 principal of or interest on revenue bonds issued under
4 this Act.

5 [Sec. 8.02]

6 (b) The board shall levy taxes on all property
7 in the district subject to hospital district taxation.

8 Revised Law

9 Sec. 1089.252. TAX RATE. (a) The board may impose the tax
10 at a rate not to exceed the limit approved by the voters at the
11 election authorizing the imposition of the tax.

12 (b) The tax rate for all purposes may not exceed 75 cents on
13 each \$100 valuation of all taxable property in the district.

14 (c) In setting the tax rate, the board shall consider the
15 income of the district from sources other than taxation. (Acts 70th
16 Leg., 2nd C.S., Ch. 11, Secs. 8.01(a) (part), (b), 8.03 (part).)

17 Source Law

18 Sec. 8.01. (a) [The board may annually levy
19 taxes] in an amount not to exceed the limit approved by
20 the voters at the election authorizing the levy of
21 taxes.

22 (b) The tax rate for all purposes may not exceed
23 75 cents on each \$100 valuation of all taxable property
24 in the district.

25 Sec. 8.03. In setting the tax rate, the board
26 shall take into consideration the income of the
27 district from sources other than taxation. . . .

28 Revisor's Note

29 Section 8.03, Chapter 11, Acts of the 70th
30 Legislature, 2nd Called Session, 1987, requires the
31 board to levy the tax and to certify the tax rate to the
32 tax assessor-collector. The revised law omits that
33 provision because Section 26.05(a), Tax Code, requires
34 the governing body of a taxing unit to adopt a tax rate
35 for the current tax year and to notify the tax assessor
36 of that rate. The omitted law reads:

37 Sec. 8.03. . . . On determination of
38 the amount of tax required to be levied, the
39 board shall make the levy and certify it to
40 the tax assessor-collector.

41 Revised Law

42 Sec. 1089.253. CONTRACT FOR TAX ASSESSMENT AND COLLECTION.
43 The board shall contract for the assessment and collection of taxes

1 as provided by the Tax Code. (Acts 70th Leg., 2nd C.S., Ch. 11, Sec.
2 8.04(b).)

3 Source Law

4 (b) The board shall contract for the assessment
5 and collection of taxes as provided by the Tax Code.

6 Revisor's Note

7 Section 8.04(a), Chapter 11, Acts of the 70th
8 Legislature, 2nd Called Session, 1987, provides that
9 the Tax Code governs the appraisal, assessment, and
10 collection of district taxes. The revised law omits
11 that provision because Section 1.02, Tax Code,
12 requires all taxing units of government to administer
13 the assessment and collection of an ad valorem tax in
14 conformity with Title 1, Tax Code. The omitted law
15 reads:

16 Sec. 8.04. (a) The Tax Code governs
17 the appraisal, assessment, and collection
18 of district taxes.

19 Revisor's Note
20 (End of Subchapter)

21 Section 8.02(a), Chapter 11, Acts of the 70th
22 Legislature, 2nd Called Session, 1987, provides that
23 the district may levy taxes for the entire year in
24 which the district is created. The revised law omits
25 that provision as executed. The omitted law reads:

26 Sec. 8.02. (a) The board may levy
27 taxes for the entire year in which the
28 district is created.

29 Revisor's Note
30 (End of Chapter)

31 Sections 5.01(a) and 5.02(2), Chapter 11, Acts of
32 the 70th Legislature, 2nd Called Session, 1987,
33 authorize the transfer of certain land, buildings,
34 improvements, equipment, taxes, and funds to the
35 district after the district is created and provide for
36 the assumption of debt by the district on creation.
37 The revised law omits the provisions as executed. The
38 omitted law reads:

1 Sec. 5.01. (a) On creation of the
2 district, Reeves County shall convey or
3 transfer to the district:
4 (1) title to land, buildings,
5 improvements, and equipment related to the
6 hospital system owned by Reeves County;
7 (2) operating funds and
8 reserves for operating expenses and funds
9 that have been budgeted by Reeves County to
10 provide medical care for residents of the
11 district for the remainder of the fiscal
12 year in which the district is established;
13 (3) taxes levied by Reeves
14 County for hospital purposes for the
15 current year; and
16 (4) funds established for
17 payment of indebtedness assumed by the
18 district.

19 Sec. 5.02. [On creation of the
20 district, the district:]
21 . . .
22 (2) assumes any outstanding
23 indebtedness insured by Reeves County in
24 providing hospital care for residents of
25 the territory of the district before the
26 district's creation; and

5 CHAPTER 1090. REFUGIO COUNTY

6 MEMORIAL HOSPITAL DISTRICT

7 SUBCHAPTER A. GENERAL PROVISIONS

8 Revised Law

9 Sec. 1090.001. DEFINITIONS. In this chapter:

10 (1) "Board" means the board of directors of the
11 district.

12 (2) "Director" means a member of the board.

13 (3) "District" means the Refugio County Memorial
14 Hospital District. (New.)

15 Revisor's Note

16 The definitions of "board," "director," and
17 "district" are added to the revised law for drafting
18 convenience and to eliminate frequent, unnecessary
19 repetition of the substance of the definitions.

20 Revised Law

21 Sec. 1090.002. AUTHORITY FOR OPERATION. The Refugio County
22 Memorial Hospital District operates and is administered and
23 financed in accordance with Section 9, Article IX, Texas
24 Constitution, and has the rights, powers, and duties provided by
25 this chapter. (Acts 65th Leg., R.S., Ch. 6, Sec. 1 (part).)

26 Source Law

27 Sec. 1. In accordance with the provisions of
28 Article IX, Section 9 of the Texas Constitution, this
29 Act authorizes the creation, establishment,
30 administration, maintenance, operation, and financing
31 of a hospital district within this state . . . to be
32 known as "Refugio County Memorial Hospital District"
33 with such rights, powers, and duties as provided in
34 this Act.

35 Revisor's Note

36 Section 1, Chapter 6, Acts of the 65th
37 Legislature, Regular Session, 1977, authorizes the
38 "creation, establishment, administration,

1 maintenance, operation, and financing" of the
2 district. The revised law omits "creation" and
3 "establishment" as executed. The revised law omits
4 "maintenance" because, in this context, the meaning of
5 that term is included in the meaning of "operation."

6 Revised Law

7 Sec. 1090.003. ESSENTIAL PUBLIC FUNCTION. The district
8 performs an essential public function in carrying out the purposes
9 of this chapter. (Acts 65th Leg., R.S., Ch. 6, Sec. 22 (part).)

10 Source Law

11 Sec. 22. In carrying out the purposes of this
12 Act, the district will be performing an essential
13 public function and

14 Revised Law

15 Sec. 1090.004. DISTRICT TERRITORY. The boundaries of the
16 district are coextensive with the boundaries of Refugio County.
17 (Acts 65th Leg., R.S., Ch. 6, Sec. 1 (part).)

18 Source Law

19 Sec. 1. . . . with boundaries coextensive with
20 the boundaries of Refugio County,

21 Revised Law

22 Sec. 1090.005. CORRECTION OF INVALID PROCEDURES. If a
23 court holds that any procedure under this chapter violates the
24 constitution of this state or of the United States, the district by
25 resolution may provide an alternative procedure that conforms with
26 the constitution. (Acts 65th Leg., R.S., Ch. 6, Sec. 23 (part).)

27 Source Law

28 Sec. 23. . . . [federal or state constitution]
29 Where any procedure hereunder may be held by
30 any court to be violative of either of the
31 constitutions, the district shall have the power by
32 resolution to provide an alternative procedure
33 conformable with the constitutions. . . .

34 Revisor's Note

35 Section 23, Chapter 6, Acts of the 65th
36 Legislature, Regular Session, 1977, provides that the
37 act does not violate the federal or state constitution
38 and requires that action under the act comply with the

1 constitutions. The revised law omits the reference to
2 the federal constitution because, under the Supremacy
3 Clause of the United States Constitution (Clause 2,
4 Article VI), federal law always takes precedence over
5 a state statute. The revised law also omits the
6 reference to the Texas Constitution because the state
7 cannot modify constitutional requirements by statute.

8 The omitted law reads:

9 Sec. 23. Nothing in this Act shall be
10 construed to violate any provision of the
11 federal or state constitution, and all acts
12 done under this Act shall be in such manner
13 as will conform thereto, whether expressly
14 provided or not. . . .

15 Revised Law

16 Sec. 1090.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
17 OBLIGATION. The support and maintenance of the district may not
18 become a charge against or obligation of this state. (Acts 65th
19 Leg., R.S., Ch. 6, Sec. 21 (part).)

20 Source Law

21 Sec. 21. The support and maintenance of the
22 hospital district shall never become a charge against
23 or obligation of the State of Texas,

24 Revised Law

25 Sec. 1090.007. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
26 The legislature may not make a direct appropriation for the
27 construction, maintenance, or improvement of a district facility.
28 (Acts 65th Leg., R.S., Ch. 6, Sec. 21 (part).)

29 Source Law

30 Sec. 21. . . . nor shall any direct
31 appropriation be made by the legislature for the
32 construction, maintenance, or improvement of any of
33 the facilities of the district.

34 Revisor's Note
35 (End of Subchapter)

36 (1) Section 2, Chapter 6, Acts of the 65th
37 Legislature, Regular Session, 1977, states that the
38 district shall take over and receive title to all
39 property pertaining to the hospitals or hospital
40 systems owned by Refugio County or by certain entities

1 located in the district. The revised law omits this
2 provision as executed. The omitted law reads:

3 Sec. 2. The district herein
4 authorized to be created shall take over and
5 there shall be transferred to it title to
6 all land, buildings, improvements, and
7 equipment pertaining to the hospitals or
8 hospital systems owned by the county or any
9 city, town, or nonprofit hospital within
10 the boundaries of the proposed
11 district. . . .

12 (2) Sections 3 and 9, Chapter 6, Acts of the 65th
13 Legislature, Regular Session, 1977, provide
14 procedures for holding an election on the creation of
15 the district and the imposition of an ad valorem tax.
16 Because the creation of the hospital district and the
17 imposition of the tax were approved at the election,
18 the revised law omits the relevant law as executed.
19 The omitted law reads:

20 Sec. 3. (a) The district shall not
21 be created, nor shall facilities be
22 acquired from the county or any city, town,
23 or nonprofit hospital in the district, nor
24 shall any tax therein be authorized unless
25 and until the creation, acquisition of
26 facilities, and tax are approved by vote of
27 a majority of the electors of the area of
28 the proposed district voting at an election
29 called for that purpose. The election may
30 be called by a majority of the temporary
31 directors or shall be called by the
32 temporary directors on presentation of a
33 petition therefor signed by at least 50
34 electors of the area of the proposed
35 district. The election shall be held not
36 less than 35 nor more than 60 days from the
37 date the election is ordered. The order
38 calling the election shall specify the
39 date, place or places of holding the
40 election, the form of ballot, and the
41 presiding judge and alternate judge for
42 each voting place and shall provide for
43 clerks as in county elections. Notice of
44 election shall be given by publishing a
45 substantial copy of the election order in a
46 newspaper of general circulation in the
47 county once a week for two consecutive
48 weeks, the first publication to appear at
49 least 30 days prior to the date established
50 for the election. The failure of the
51 election shall not operate to prohibit the
52 calling and holding of subsequent elections
53 for the same purpose; provided no district
54 confirmation election may be held within 12
55 months of any preceding election for the
56 same purpose. If the district is not
57 confirmed at an election held within 60

1 months from the effective date of this Act,
2 this Act is repealed.

3 (b) At the election there shall be
4 submitted to the electors of the area of the
5 proposed district the proposition of
6 whether the hospital district shall be
7 created with authority to have transferred
8 to it existing hospital facilities of the
9 county and any city, town, or nonprofit
10 hospital and levy annual taxes . . . for the
11 purpose of meeting the requirements of the
12 district's bonds and its maintenance and
13 operating expenses, and a majority of the
14 electors of the area of the proposed
15 district voting at the election in favor of
16 the proposition shall be sufficient for its
17 adoption.

18 (c) The form of ballot used at the
19 election on the creation of the district
20 shall be in conformity with Section 61,
21 Texas Election Code, as amended (Article
22 6.05, Vernon's Texas Election Code), so that
23 ballots may be cast "FOR" or "AGAINST" the
24 following proposition: "The creation of
25 Refugio County Memorial Hospital District,
26 providing for the levy of a tax not to
27 exceed 75 cents on each \$100 valuation, on
28 all taxable property situated within the
29 hospital district, subject to hospital
30 district taxation and providing for the
31 transfer of existing hospital facilities of
32 the county and any city, town, or nonprofit
33 hospital."

34 (d) Within 10 days after such
35 election is held, the temporary directors
36 of the district shall convene and canvass
37 the returns of the election and, in the
38 event such election results favorably to
39 the proposition specified in Subsection (c)
40 of this section, the board shall so find and
41 declare the hospital district established
42 and created.

43 Sec. 9. A petition for an election to
44 create the hospital district, as provided
45 in Section 3, may incorporate a request that
46 a separate proposition be submitted at such
47 election as to whether the board of
48 directors of the district, in the event same
49 is created, shall be authorized to issue
50 bonds for the purposes specified in Section
51 8. Such petition shall specify the maximum
52 amount of bonds to be issued, their maximum
53 maturity, and the same shall be included in
54 the proposition submitted at the election.
55 The temporary board, on its own motion, may
56 submit a proposition on whether bonds will
57 be issued for the purposes specified in
58 Section 8 irrespective of whether a
59 petition so requests and irrespective of
60 whether a petition is presented.

61 [Sections 1090.008-1090.050 reserved for expansion]

62 SUBCHAPTER B. DISTRICT ADMINISTRATION

63 Revised Law

64 Sec. 1090.051. BOARD ELECTION; TERM. (a) The board

1 consists of seven directors elected from the district at large by
2 place.

3 (b) Directors serve staggered two-year terms unless
4 four-year terms are established under Section 285.081, Health and
5 Safety Code. (Acts 65th Leg., R.S., Ch. 6, Sec. 4(c) (part).)

6 Source Law

7 (c) The board of directors consists of seven
8 members who are elected as provided in this
9 section. . . . Directors shall be elected at large by
10 places, and shall serve for staggered, two-year
11 terms. . . .

12 Revisor's Note

13 (1) Sections 4(a) and (b), Chapter 6, Acts of
14 the 65th Legislature, Regular Session, 1977, prescribe
15 the procedure for the appointment and the terms of
16 service of the temporary directors on the effective
17 date of the act. Throughout this chapter, the revised
18 law omits references to "temporary" directors as
19 executed. The omitted law reads:

20 Sec. 4. (a) On the effective date of
21 this Act, the Commissioners Court of
22 Refugio County shall appoint seven persons
23 to serve as temporary directors. Each
24 temporary director shall subscribe the
25 constitutional oath of office within 90
26 days after the effective date of this Act.

27 (b) Temporary directors shall serve
28 for a period of two years or until the
29 creation of the district is confirmed at an
30 election, whichever date shall first occur.
31 Any vacancy in the office of temporary
32 director, whether by reason of failure to
33 qualify or the occurring of a vacancy prior
34 to the confirmation of the district at the
35 election provided, shall be filled by
36 appointment made by the county judge of
37 Refugio County.

38 (2) Section 4(c), Chapter 6, Acts of the 65th
39 Legislature, Regular Session, 1977, provides for
40 directors' elections to be held on the "first Saturday
41 in April of each year." The revised law omits that
42 provision as impliedly repealed by a 1986 amendment to
43 Section 41.001, Election Code. Chapter 14, Acts of the
44 69th Legislature, 3rd Called Session, 1986, amended
45 Section 41.001, Election Code, to prescribe certain

1 uniform election dates. Section 37 of that act
2 required a political subdivision that had held its
3 general election of officers on the first Saturday in
4 April to hold that election on a uniform election date
5 in May or to choose a different uniform election date
6 on which to hold the election. The omitted law reads:

7 (c) . . . The board of directors
8 shall hold an election of directors on the
9 first Saturday in April of each year. . . .

10 (3) Section 4(c), Chapter 6, Acts of the 65th
11 Legislature, Regular Session, 1977, provides that
12 directors serve two-year terms. Section 285.081,
13 Health and Safety Code, applicable to this hospital
14 district, provides a mechanism by which the governing
15 board of a hospital district, on its own motion, may
16 order that the directors are to be elected in
17 even-numbered years to serve staggered four-year
18 terms. The revised law is drafted accordingly and adds
19 a reference to Section 285.081 for the convenience of
20 the reader.

21 (4) Section 4(c), Chapter 6, Acts of the 65th
22 Legislature, Regular Session, 1977, requires each
23 director to take the constitutional oath of office.
24 The revised law omits that provision because Section
25 1, Article XVI, Texas Constitution, requires all
26 officers to take the oath (or affirmation) before
27 assuming office. The omitted law reads:

28 (c) . . . Each director shall take
29 the constitutional oath of office. . . .

30 (5) Section 6, Chapter 614, Acts of the 67th
31 Legislature, Regular Session, 1981, provides
32 transition procedures for the election and terms of
33 directors to change how directors are elected from a
34 combination of commissioners precinct elections and
35 at-large elections to at-large elections only. The
36 revised law omits that provision as executed. The

1 omitted law reads:

2 Sec. 6. On the first Saturday in
3 April, 1982, seven directors shall be
4 elected to the board. The terms of the
5 directors who are incumbent on the date of
6 the 1982 election of directors expire when
7 their successors are elected and have
8 qualified. Those directors elected to fill
9 places one through four at the 1982 election
10 of directors shall serve for two-year
11 terms, and those directors elected to fill
12 places five through seven at the 1982
13 election of directors shall serve for
14 one-year terms.

15 Revised Law

16 Sec. 1090.052. NOTICE OF ELECTION. At least 10 days before
17 the date of an election of directors, notice of the election shall
18 be published one time in a newspaper of general circulation in
19 Refugio County. (Acts 65th Leg., R.S., Ch. 6, Sec. 4(c) (part).)

20 Source Law

21 (c) . . . Notice of an election of directors
22 shall be published in a newspaper of general
23 circulation in the county one time at least 10 days
24 prior to the date of the election. . . .

25 Revisor's Note

26 Section 4(c), Chapter 6, Acts of the 65th
27 Legislature, Regular Session, 1977, requires notice of
28 a directors' election to be published in "the county."
29 The revised law substitutes "Refugio County" for "the
30 county" because Refugio County is the county in which
31 the district is located.

32 Revised Law

33 Sec. 1090.053. QUALIFICATIONS FOR OFFICE. (a) A person may
34 not be elected or appointed as a director unless the person is:

- 35 (1) a resident of the district;
36 (2) a qualified voter; and
37 (3) a freeholder.

38 (b) A person is not eligible to serve as a director if the
39 person is:

- 40 (1) the district administrator; or
41 (2) a district employee. (Acts 65th Leg., R.S., Ch. 6,
42 Sec. 4(d).)

1 Source Law

2 (e) . . . All members of the board of directors
3 and officers shall serve without compensation, except
4 that they may be reimbursed for actual expenses
5 incurred in the performance of their official duties
6 on the approval of such expenses by the board of
7 directors and so reported in the minute book of the
8 district or other records of the district. . . .

9 Revisor's Note

10 Section 4(e), Chapter 6, Acts of the 65th
11 Legislature, Regular Session, 1977, requires that
12 approved expenses be reported in the "minute book of
13 the district or other records of the district." The
14 revised law omits the reference to the "minute book of
15 the district" because the minute book is a district
16 record.

17 Revised Law

18 Sec. 1090.057. VOTING REQUIREMENT. A concurrence of four
19 directors is sufficient in any matter relating to district
20 business. (Acts 65th Leg., R.S., Ch. 6, Sec. 4(e) (part).)

21 Source Law

22 (e) . . . [members of the board of directors]
23 . . . a concurrence of four is sufficient in all
24 matters pertaining to the business of the
25 district. . . .

26 Revisor's Note

27 Section 4(e), Chapter 6, Acts of the 65th
28 Legislature, Regular Session, 1977, provides that four
29 directors constitute a quorum. The revised law omits
30 that provision because it duplicates Section 311.013,
31 Government Code (Code Construction Act), which
32 provides that a quorum of a public body is a majority
33 of the number of members fixed by statute. The omitted
34 law reads:

35 (e) . . . Any four members of the
36 board of directors shall constitute a
37 quorum and

38 Revised Law

39 Sec. 1090.058. INSURANCE FOR DIRECTORS AND OFFICERS.
40 Directors and officers may be included in the same insurance plan

1 provided to district employees. (Acts 65th Leg., R.S., Ch. 6, Sec.
2 4(e) (part).)

3 Source Law

4 (e) . . . The directors and officers may be
5 included in the same insurance plan provided employees
6 of the district.

7 Revised Law

8 Sec. 1090.059. DISTRICT ADMINISTRATOR; ASSISTANT
9 ADMINISTRATOR. (a) The board shall appoint a qualified person as
10 district administrator.

11 (b) The board may appoint an assistant administrator.

12 (c) The district administrator and any assistant
13 administrator serve at the will of the board and are entitled to the
14 compensation determined by the board.

15 (d) On assuming the duties of district administrator, the
16 administrator shall execute a bond payable to the district in an
17 amount set by the board of not less than \$5,000 that:

18 (1) is conditioned on the administrator performing the
19 administrator's duties; and

20 (2) contains other conditions the board may require.

21 (Acts 65th Leg., R.S., Ch. 6, Sec. 5 (part).)

22 Source Law

23 Sec. 5. . . . The board of directors shall
24 appoint a qualified person to be known as the
25 administrator or manager of the hospital district and
26 may in its discretion appoint an assistant to the
27 administrator or manager. The administrator or
28 manager and assistant administrator or manager, if
29 any, shall serve at the will of the board and are
30 entitled to compensation as may be fixed by the board.
31 The administrator or manager shall, on assuming his
32 duties, execute a bond payable to the hospital
33 district in an amount set by the board of directors, in
34 no event less than \$5,000, conditioned that he shall
35 perform the duties required of him, and containing
36 such other conditions as the board may require. . . .

37 Revisor's Note

38 Section 5, Chapter 6, Acts of the 65th
39 Legislature, Regular Session, 1977, provides that the
40 board shall appoint a person as the "administrator or
41 manager" of the district and may appoint an "assistant
42 administrator or manager." Throughout this chapter,

1 the revised law omits "manager" because, in context,
2 "manager" is included in the meaning of
3 "administrator" and "administrator" is the term used
4 by the district.

5 Revised Law

6 Sec. 1090.060. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.

7 Subject to the limitations prescribed by the board, the district
8 administrator shall:

9 (1) supervise the work and activities of the district;
10 and

11 (2) direct the affairs of the district. (Acts 65th
12 Leg., R.S., Ch. 6, Sec. 5 (part).)

13 Source Law

14 Sec. 5. . . . The administrator or manager
15 shall supervise all the work and activities of the
16 district and shall have general direction of the
17 affairs of the district, subject to the limitations as
18 may be prescribed by the board. . . .

19 Revised Law

20 Sec. 1090.061. APPOINTMENT AND RECRUITMENT OF STAFF AND

21 EMPLOYEES. (a) The board may appoint to the medical staff any
22 physicians the board considers necessary and may make temporary
23 appointments as warranted.

24 (b) The district may employ fiscal agents, accountants,
25 architects, and attorneys the board considers proper.

26 (c) The board may delegate to the district administrator the
27 authority to hire district employees, including technicians and
28 nurses.

29 (d) The board may spend district money to recruit to the
30 hospital staff any physicians that are required to meet the medical
31 needs of district residents. (Acts 65th Leg., R.S., Ch. 6, Secs. 5
32 (part), 11(b) (part), 17.)

33 Source Law

34 Sec. 5. . . . The board of directors shall have
35 the authority to make appointments of physicians to
36 the medical staff of the district as it deems necessary
37 and may provide for temporary appointments to the
38 staff if warranted. The board may delegate to the
39 administrator or manager the authority to employ

1 technicians, nurses, and employees of the
2 district. . . .

3 [Sec. 11]

4 (b) The board of directors may spend
5 district funds to recruit physicians to the hospital
6 staff that are required to meet the medical needs of
7 district residents. . . .

8 Sec. 17. The district may employ fiscal agents,
9 accountants, architects, and attorneys as the board
10 may consider proper.

11 Revised Law

12 Sec. 1090.062. HEALTH EDUCATION. The board may use
13 district money to provide scholarships and student loans for the
14 education of county residents in health care-related fields. (Acts
15 65th Leg., R.S., Ch. 6, Sec. 11(b) (part).)

16 Source Law

17 (b) The board may also use district funds
18 to provide scholarships and student loans for the
19 education of county residents in health care related
20 fields. . . .

21 Revised Law

22 Sec. 1090.063. RETIREMENT BENEFITS. The board may provide
23 retirement benefits for district employees by:

24 (1) establishing or administering a retirement
25 program; or

26 (2) participating in:

27 (A) the Texas County and District Retirement
28 System; or

29 (B) another statewide retirement system in which
30 the district is eligible to participate. (Acts 65th Leg., R.S., Ch.
31 6, Sec. 6.)

32 Source Law

33 Sec. 6. The board of directors may provide
34 retirement benefits for employees of the hospital
35 district. The board may provide the benefits by
36 establishing or administering a retirement program or
37 by electing to participate in the Texas County and
38 District Retirement System or in any other statewide
39 retirement system in which the district is eligible to
40 participate.

41 Revisor's Note

42 (End of Subchapter)

43 Section 4(c), Chapter 6, Acts of the 65th
44 Legislature, Regular Session, 1977, states that a

1 person must file a ballot application with the board
2 secretary to be a candidate for director and
3 prescribes a deadline for filing the application. The
4 revised law omits the requirement to file the
5 application with the board secretary because it
6 duplicates Sections 144.003 and 144.004, Election
7 Code. The revised law omits the filing deadline
8 because it is superseded by Section 144.005, Election
9 Code. Section 1.002, Election Code, provides that the
10 Election Code applies to all elections held in this
11 state. The omitted law reads:

12 (c) . . . Any person desiring his
13 name to be printed on the ballot as a
14 candidate for director shall file an
15 application with the secretary of the board
16 requesting that his name be printed on the
17 ballot. The application must be filed at
18 least 31 days before the date of the
19 election. . . .

20 [Sections 1090.064-1090.100 reserved for expansion]

21 SUBCHAPTER C. POWERS AND DUTIES

22 Revised Law

23 Sec. 1090.101. DISTRICT RESPONSIBILITY. The district has
24 full responsibility for operating all hospital facilities for
25 providing medical and hospital care for the district's needy
26 inhabitants. (Acts 65th Leg., R.S., Ch. 6, Sec. 20(a) (part).)

27 Source Law

28 (a) . . . The hospital district shall assume
29 full responsibility for the operation of all hospital
30 facilities for the furnishing of medical and hospital
31 care for its needy inhabitants. . . .

32 Revisor's Note

33 Section 20(a), Chapter 6, Acts of the 65th
34 Legislature, Regular Session, 1977, provides that the
35 district "shall assume" full responsibility for
36 operating hospital facilities for providing medical
37 and hospital care for the district's needy
38 inhabitants. The revised law substitutes "has" for
39 "shall assume" because the duty to assume the

1 responsibility is executed.

2 Revised Law

3 Sec. 1090.102. RESTRICTION ON POLITICAL SUBDIVISION
4 TAXATION AND DEBT. Refugio County or any municipality or nonprofit
5 hospital in the district may not impose a tax or issue bonds or
6 other obligations for hospital purposes or to provide medical care.
7 (Acts 65th Leg., R.S., Ch. 6, Sec. 20(a) (part).)

8 Source Law

9 Sec. 20. (a) After creation of the hospital
10 district and after the county or any city, town, or
11 nonprofit hospital transfers to the district its
12 existing hospital facilities, the county, city, town,
13 or nonprofit hospital shall have no power to levy taxes
14 or issue bonds or other obligations for hospital
15 purposes or for providing medical care. . . . [the
16 county and any city, town, or nonprofit hospital] in
17 the district [shall transfer to the district all land,
18 buildings, improvements, and equipment]

19 Revisor's Note

20 (1) Section 20(a), Chapter 6, Acts of the 65th
21 Legislature, Regular Session, 1977, provides that
22 "[a]fter creation of the hospital district and after
23 the county or any city, town, or nonprofit hospital
24 transfers to the district its existing hospital
25 facilities," the political subdivisions or nonprofit
26 hospital may not levy taxes or issue bonds. The
27 revised law omits the quoted language as executed. In
28 addition, throughout this chapter, the revised law
29 substitutes "impose" for "levy" because, in this
30 context, the terms are synonymous and the former is
31 more commonly used.

32 (2) Section 20(a), Chapter 6, Acts of the 65th
33 Legislature, Regular Session, 1977, refers to a "city,
34 [or] town." The revised law substitutes
35 "municipality" for the quoted language because the
36 meaning of "municipality" includes both cities and
37 towns and because that is the term used in the Local
38 Government Code.

1 Revised Law

2 Sec. 1090.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
3 The board shall manage, control, and administer the hospital system
4 and the district's money and resources. (Acts 65th Leg., R.S., Ch.
5 6, Sec. 5 (part).)

6 Source Law

7 Sec. 5. The board of directors shall manage,
8 control, and administer the hospital system and all
9 funds and resources of the district. . . .

10 Revised Law

11 Sec. 1090.104. HOSPITAL SYSTEM. (a) The district shall
12 provide for the establishment and administration for hospital
13 purposes of a hospital system by:

14 (1) purchasing, constructing, acquiring by gift or
15 otherwise, repairing, or renovating buildings and equipment; and

16 (2) equipping the buildings.

17 (b) The hospital system may include:

18 (1) facilities for domiciliary care and treatment of
19 the sick, injured, or geriatric;

20 (2) outpatient clinics;

21 (3) dispensaries;

22 (4) convalescent home facilities;

23 (5) necessary nurses;

24 (6) domiciliaries and training centers;

25 (7) blood banks;

26 (8) community mental health centers;

27 (9) research centers or laboratories; and

28 (10) any other facilities the board considers
29 necessary for hospital care. (Acts 65th Leg., R.S., Ch. 6, Secs. 2
30 (part), 11(a) (part).)

31 Source Law

32 Sec. 2. . . . The district shall provide for
33 the establishment and administration for hospital
34 purposes of a hospital system by purchase, gift,
35 construction, acquisition, repair, or renovation of
36 buildings and equipment and equipping same.

37 Sec. 11. (a) . . . The hospital system may
38 include facilities for domiciliary care and treatment

1 of the sick, wounded, and injured, outpatient clinic
2 or clinics, dispensaries, geriatric domiciliary care
3 and treatment, convalescent home facilities,
4 necessary nurses, domiciliaries and training centers,
5 blood banks, community mental health centers and
6 research centers or laboratories, and any other
7 facilities deemed necessary for hospital care by the
8 directors. . . .

9 Revisor's Note

10 Section 11(a), Chapter 6, Acts of the 65th
11 Legislature, Regular Session, 1977, refers to the care
12 and treatment of the "sick, wounded, and injured." The
13 revised law omits the reference to "wounded" because
14 the meaning of "wounded" is included in the meaning of
15 "injured."

16 Revised Law

17 Sec. 1090.105. RULES. The board may adopt rules governing
18 the operation of the hospital, the hospital system, and the
19 district's staff and employees. (Acts 65th Leg., R.S., Ch. 6, Sec.
20 5 (part).)

21 Source Law

22 Sec. 5. . . . The district, through its board
23 of directors, shall have the power and authority . . .
24 to promulgate rules and regulations governing the
25 operation of the hospital, the hospital system, its
26 staff, and its employees. . . .

27 Revisor's Note

28 Section 5, Chapter 6, Acts of the 65th
29 Legislature, Regular Session, 1977, provides that the
30 board may "promulgate rules and regulations" to govern
31 the district. The revised law substitutes "adopt" for
32 "promulgate" because the terms are synonymous and the
33 former is more commonly used. The revised law omits
34 "regulations" because under Section 311.005(5),
35 Government Code (Code Construction Act), a rule is
36 defined to include a regulation.

37 Revised Law

38 Sec. 1090.106. PURCHASING AND ACCOUNTING PROCEDURES. The
39 board may prescribe:

- 40 (1) the method and manner of making purchases and

1 expenditures by and for the district; and

2 (2) all accounting and control procedures. (Acts 65th
3 Leg., R.S., Ch. 6, Sec. 11(b) (part).)

4 Source Law

5 (b) The board of directors of the district shall
6 have the power to prescribe the method and manner of
7 making purchases and expenditures by and for the
8 hospital district and shall also be authorized to
9 prescribe all accounting and control procedures. . . .

10 Revised Law

11 Sec. 1090.107. DISTRICT PROPERTY, FACILITIES, AND
12 EQUIPMENT. (a) The board shall determine the type, number, and
13 location of buildings required to maintain an adequate hospital
14 system.

15 (b) The board may lease all or part of the district's
16 buildings and other facilities on terms considered to be in the best
17 interest of the district's inhabitants. The term of the lease may
18 not exceed 25 years.

19 (c) The district may acquire equipment for use in the
20 district's hospital system and mortgage or pledge the property as
21 security for the payment of the purchase price. A contract entered
22 into under this subsection must provide that the entire obligation
23 be retired not later than the fifth anniversary of the date of the
24 contract.

25 (d) The district may sell or otherwise dispose of any
26 property, including equipment, on terms the board finds are in the
27 best interest of the district's inhabitants. (Acts 65th Leg.,
28 R.S., Ch. 6, Secs. 11(a) (part), (b) (part).)

29 Source Law

30 Sec. 11. (a) The board of directors is hereby
31 given complete discretion as to the type of buildings,
32 both as to number and location, required to establish
33 and maintain an adequate hospital system. . . . The
34 district, through its board of directors, . . . may
35 lease all or part of its buildings and facilities on
36 terms and conditions considered to be to the best
37 interest of its inhabitants, provided that in no event
38 shall any lease be for a period in excess of 25 years
39 from the date entered. The district shall be empowered
40 to sell or otherwise dispose of any property, real or
41 personal, or equipment of any nature on terms and
42 conditions found by the board to be in the best
43 interest of its inhabitants.

1 (b) . . . The district may acquire equipment
2 for use in its hospital system and mortgage or pledge
3 the property so acquired as security for the payment of
4 the purchase price, but any such contract shall
5 provide for the entire obligation of the district to be
6 retired within five years from the date of the
7 contract. . . .

8 Revisor's Note

9 (1) Section 11(a), Chapter 6, Acts of the 65th
10 Legislature, Regular Session, 1977, requires the board
11 to determine the buildings required to "establish and
12 maintain" an adequate hospital system. The revised
13 law omits the reference to establishing the hospital
14 system as executed.

15 (2) Section 11(a), Chapter 6, Acts of the 65th
16 Legislature, Regular Session, 1977, refers to "terms
17 and conditions." The revised law omits the reference
18 to "conditions" because "conditions" is included in
19 the meaning of "terms."

20 (3) Section 11(a), Chapter 6, Acts of the 65th
21 Legislature, Regular Session, 1977, refers to "any
22 property, real or personal." The revised law omits the
23 reference to "real or personal" property because under
24 Section 311.005, Government Code (Code Construction
25 Act), "property" means "real and personal property."

26 Revised Law

27 Sec. 1090.108. EMINENT DOMAIN. (a) The district may
28 exercise the power of eminent domain to acquire a fee simple or
29 other interest in any type of property located in district
30 territory if the interest is necessary or convenient for the
31 district to exercise a power, right, or privilege conferred by this
32 chapter.

33 (b) The district must exercise the power of eminent domain
34 in the manner provided by Chapter 21, Property Code, except the
35 district is not required to deposit in the trial court money or a
36 bond as provided by Section 21.021(a), Property Code.

37 (c) In a condemnation proceeding brought by the district,
38 the district is not required to:

1 (1) pay in advance or provide a bond or other security
2 for costs in the trial court;

3 (2) provide a bond for the issuance of a temporary
4 restraining order or a temporary injunction; or

5 (3) provide a bond for costs or a supersedeas bond on
6 an appeal or petition for review. (Acts 65th Leg., R.S., Ch. 6,
7 Sec. 15(a).)

8 Source Law

9 Sec. 15. (a) The district shall have the right
10 and power of eminent domain for the purpose of
11 acquiring by condemnation any and all property of any
12 kind and character in fee simple, or any lesser
13 interest therein, within the boundaries of the
14 district necessary or convenient to the powers,
15 rights, and privileges conferred by this Act, in the
16 manner provided by the general law with respect to
17 condemnation by counties, provided that the district
18 shall not be required to make deposits in the registry
19 of the trial court of the sum required by Paragraph 2
20 of Article 3268, Revised Civil Statutes of Texas,
21 1925, as amended, or to make bond as therein provided.
22 In condemnation proceedings being prosecuted by the
23 district, the district shall not be required to pay in
24 advance or give bond or other security for costs in the
25 trial court, nor to give any bond otherwise required
26 for the issuance of a temporary restraining order or a
27 temporary injunction nor to give bond for costs or for
28 supersedeas on any appeal or writ of error.

29 Revisor's Note

30 (1) Section 15(a), Chapter 6, Acts of the 65th
31 Legislature, Regular Session, 1977, provides that the
32 district has the "right and power of eminent domain for
33 the purpose of acquiring [property] by condemnation."
34 The revised law substitutes for the quoted language
35 "may exercise the power of eminent domain to acquire
36 [property]" because the phrases have the same meaning,
37 and the latter phrase is consistent with modern usage
38 in laws relating to eminent domain.

39 (2) Section 15(a), Chapter 6, Acts of the 65th
40 Legislature, Regular Session, 1977, provides that the
41 district must exercise the power of eminent domain in
42 the manner provided by "the general law with respect to
43 condemnation by counties." The revised law
44 substitutes for the quoted language a reference to

1 Chapter 21, Property Code, because that is the general
2 law governing eminent domain for governmental
3 entities, including counties.

4 (3) Section 15(a), Chapter 6, Acts of the 65th
5 Legislature, Regular Session, 1977, refers to
6 "Paragraph 2 of Article 3268, Revised Civil Statutes
7 of Texas, 1925, as amended." That statute was codified
8 in 1983 as Section 21.021(a), Property Code, and the
9 revised law is drafted accordingly. In addition,
10 throughout this chapter, the revised law omits the
11 references to "as amended" because under Section
12 311.027, Government Code (Code Construction Act), a
13 reference to a statute applies to all reenactments,
14 revisions, or amendments of that statute unless
15 expressly provided otherwise.

16 (4) Section 15(a), Chapter 6, Acts of the 65th
17 Legislature, Regular Session, 1977, refers to a "writ
18 of error." The revised law substitutes "petition for
19 review" for "writ of error" because, effective
20 September 1, 1997, the Texas Supreme Court replaced
21 the writ of error procedure with the petition for
22 review procedure. See Rule 53.1, Rules of Appellate
23 Procedure.

24 Revised Law

25 Sec. 1090.109. COST OF RELOCATING OR ALTERING PROPERTY. In
26 exercising the power of eminent domain, if the board requires
27 relocating, raising, lowering, rerouting, changing the grade, or
28 altering the construction of any railroad, electric transmission,
29 telegraph or telephone line, conduit, pole, or facility, or
30 pipeline, the board must bear the actual cost of relocating,
31 raising, lowering, rerouting, changing the grade, or altering the
32 construction to provide comparable replacement without enhancement
33 of facilities, after deducting the net salvage value derived from
34 the old facility. (Acts 65th Leg., R.S., Ch. 6, Sec. 15(b).)

1 Source Law

2 (b) If the board requires the relocation,
3 raising, lowering, rerouting, or change in grade or
4 alteration in the construction of any railroad,
5 electric transmission, telegraph or telephone lines,
6 conduits, poles, or facilities, or pipelines in the
7 exercise of the power of eminent domain, all of the
8 relocation, raising, lowering, rerouting, or changes
9 in grade or alteration of construction due to the
10 exercise of the power of eminent domain shall be the
11 sole expense of the board. The term "sole expense"
12 means the actual cost of relocation, raising,
13 lowering, rerouting, or change in grade or alteration
14 of construction to provide comparable replacement
15 without enhancement of facilities, after deducting the
16 net salvage value derived from the old facility.

17 Revised Law

18 Sec. 1090.110. GIFTS AND ENDOWMENTS. The board may accept
19 for the district a gift or endowment to be held in trust and
20 administered by the board for the purposes and under the
21 directions, limitations, or other provisions prescribed in writing
22 by the donor that are not inconsistent with the proper management
23 and objectives of the district. (Acts 65th Leg., R.S., Ch. 6, Sec.
24 19.)

25 Source Law

26 Sec. 19. The board of directors of the hospital
27 district is authorized on behalf of the district to
28 accept donations, gifts, and endowments to be held in

30 such purposes and under such directions, limitations,
31 and provisions as may be prescribed in writing by the
32 donor not inconsistent with proper management and
33 object of the hospital district.

34 Revisor's Note

35 Section 19, Chapter 6, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to
37 "donations" and "gifts." The revised law omits the
38 reference to "donations" because "donations" is
39 included in the meaning of "gifts."

40 Revised Law

41 Sec. 1090.111. CONSTRUCTION CONTRACTS. A construction
42 contract that involves the expenditure of more than \$10,000 may be
43 made only after advertising in the manner provided by Chapter 252
44 and Subchapter C, Chapter 262, Local Government Code. (Acts 65th
45 Leg., R.S., Ch. 6, Sec. 11(b) (part).)

2 Sec. 1090.112. OPERATING AND MANAGEMENT CONTRACTS. The
3 board may enter into an operating or management contract relating
4 to a district facility. (Acts 65th Leg., R.S., Ch. 6, Sec. 11(a)
5 (part).)

13 CARE AND TREATMENT. (a) The board may contract with a county or
14 municipality located outside the district's boundaries to
15 reimburse the district for the care and treatment of a sick or
16 injured person of that county or municipality.

17 (b) The board may contract with this state or a federal
18 agency for reimbursement for the treatment of a sick or injured
19 person. (Acts 65th Leg., R.S., Ch. 6, Sec. 5 (part).)

21 Sec. 5. . . . The board . . . shall be
22 authorized to contract with any county or incorporated
23 municipality located outside its boundaries for
24 reimbursement for the care and treatment of the sick,
25 diseased, or injured persons of any such county or
26 municipality and shall have the authority to contract
27 with the State of Texas or agencies of the federal
28 government for the reimbursement for treatment of
29 sick, diseased, or injured persons.

30 Revisor's Note

31 (1) Section 5, Chapter 6, Acts of the 65th
32 Legislature, Regular Session, 1977, refers to an
33 "incorporated" municipality. The revised law omits
34 the reference to "incorporated" because under the
35 Local Government Code all municipalities must be
36 incorporated.

37 (2) Section 5, Chapter 6, Acts of the 65th
38 Legislature, Regular Session, 1977, refers to the
39 treatment of "sick, diseased, or injured persons."
40 The revised law omits the reference to "diseased"

1 because "diseased" is included in the meaning of
2 "sick."

4 Sec. 1090.114. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
5 INVESTIGATORY OR OTHER SERVICES. The board may contract with a

7 provide investigatory or other services for the medical, hospital,
8 or welfare needs of district inhabitants. (Acts 65th Leg., R.S.,
9 Ch. 6, Sec. 5 (part).)

11 Sec. 5. . . . The board shall be authorized to

18 Sec. 1090.115. PAYMENT FOR TREATMENT; PROCEDURES. (a)
19 When a patient who resides in the district is admitted to a district
20 facility, the district administrator may have an inquiry made into
21 the circumstances of:

22 (1) the patient; and

23 (2) the patient's relatives who are legally liable for
24 the patient's support.

25 (b) If the district administrator determines that the
26 patient or those relatives cannot pay all or part of the costs of
27 the care and treatment in the hospital, the amount of the costs that
28 cannot be paid becomes a charge against the district.

29 (c) If the district administrator determines that the
30 patient or those relatives can pay for all or part of the costs of
31 the patient's care and treatment, the patient or those relatives
32 shall be ordered to pay the district a specified amount each week
33 for the patient's care and support. The amount ordered must be
34 proportionate to the person's financial ability.

35 (d) The district administrator may collect the amount from
36 the patient's estate, or from any relative who is legally liable for
37 the patient's support, in the manner provided by law for the

1 collection of expenses of the last illness of a deceased person.

2 (e) If there is a dispute as to the ability to pay, or doubt
3 in the mind of the district administrator, the board shall hold a
4 hearing and, after calling witnesses, shall:

5 (1) resolve the dispute or doubt; and

6 (2) issue any appropriate orders.

7 (f) A final order of the board may be appealed to the
8 district court. The substantial evidence rule applies to the
9 appeal. (Acts 65th Leg., R.S., Ch. 6, Sec. 18.)

10 Source Law

11 Sec. 18. Whenever a patient residing within the
12 district has been admitted to the facilities thereof,
13 the administrator or manager may cause inquiry to be
14 made as to his circumstances and those of the relatives
15 of the patient legally liable for his support. If he
16 finds that the patient or his relatives are able to pay
17 for his care and treatment in whole or in part, an
18 order shall be made directing the patient or his
19 relatives to pay to the hospital district for the care
20 and support of such patient a specified sum per week in
21 proportion to their financial ability. The
22 administrator or manager shall have the power and
23 authority to collect such sums from the estate of the
24 patient or his relatives legally liable for his
25 support in the manner provided by law for collection of
26 expenses in the last illness of a deceased person. If
27 the administrator or manager finds that the patient or
28 his relatives are not able to pay either in whole or in
29 part for his care and treatment in the hospital, same
30 shall become a charge on the hospital district as to
31 the amount of the inability to pay. Should there be
32 any dispute as to the ability to pay or doubt in the
33 mind of the administrator or manager, the board of
34 directors shall hear and determine same after calling
35 witnesses and shall make such order or orders as may be
36 proper. Appeals from a final order of the board shall
37 lie to the district court. The substantial evidence
38 rule shall apply.

1 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

2 Revised Law

3 Sec. 1090.151. BUDGET. (a) The district administrator
4 shall prepare an annual budget for approval by the board.

5 (b) The proposed budget must contain a complete financial
6 statement of:

7 (1) the outstanding obligations of the district;

8 (2) the cash on hand in each district fund;

9 (3) the money received by the district from all
10 sources during the previous year;

11 (4) the money available to the district from all
12 sources during the ensuing year;

13 (5) the balances expected at the end of the year in
14 which the budget is being prepared;

15 (6) the estimated revenue and balances available to
16 cover the proposed budget; and

17 (7) the estimated tax rate required. (Acts 65th Leg.,
18 R.S., Ch. 6, Sec. 7 (part).)

19 Source Law

20 Sec. 7. . . . The administrator or manager
21 shall prepare an annual budget for approval by the
22 board of directors. The budget shall also contain a
23 complete financial statement of the district showing
24 all outstanding obligations of the district, the cash
25 on hand to the credit of each and every fund of the
26 district, the funds received from all sources during
27 the previous year, the funds available from all
28 sources during the ensuing year, with balances
29 expected at year end of the year in which the budget is
30 being prepared, and estimated revenues and balances
31 available to cover the proposed budget and the
32 estimated tax rate which will be required. . . .

33 Revised Law

34 Sec. 1090.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
35 The board shall hold a public hearing on the proposed annual budget.

36 (b) Notice of the hearing must be published one time at
37 least 10 days before the date of the hearing.

38 (c) Any district resident is entitled to be present and
39 participate at the hearing.

40 (d) At the conclusion of the hearing, the board shall adopt

1 a budget by acting on the budget proposed by the district
2 administrator. The board may make any changes in the proposed
3 budget that the board judges to be in the interests of the taxpayers
4 and that the law warrants. (Acts 65th Leg., R.S., Ch. 6, Sec. 7
5 (part).)

6 Source Law

7 Sec. 7. . . . A public hearing on the annual
8 budget shall be held by the board of directors after
9 notice of such hearing has been published one time at
10 least 10 days before the date set therefor. Any person
11 residing in the district shall have the right to be
12 present and participate in the hearing. At the
13 conclusion of the hearing, the budget, as proposed by
14 the administrator, shall be acted on by the board of
15 directors. The board of directors shall have
16 authority to make such changes in the budget as in
17 their judgment the law warrants and the interest of the
18 taxpayers demands. . . . the annual budget, and . . .
19 shall be approved by the board of directors. . . .

20 Revised Law

21 Sec. 1090.153. AMENDMENTS TO BUDGET. The budget may be
22 amended as required by circumstances. The board must approve all
23 amendments. (Acts 65th Leg., R.S., Ch. 6, Sec. 7 (part).)

24 Source Law

25 Sec. 7. . . . The annual budget may be amended
26 from time to time as the circumstances may require, but
27 . . . all amendments thereto, shall be approved by the
28 board of directors. . . .

29 Revisor's Note

30 Section 7, Chapter 6, Acts of the 65th
31 Legislature, Regular Session, 1977, states that the
32 board may amend the budget "from time to time."
33 Throughout this chapter, the revised law omits the
34 quoted language because the authority to take an
35 action implies the authority to do so at any time.

36 Revised Law

37 Sec. 1090.154. RESTRICTION ON EXPENDITURES. Money may be
38 spent only for an expense included in the budget or an amendment to
39 the budget. (Acts 65th Leg., R.S., Ch. 6, Sec. 7 (part).)

41 Sec. 7. . . . No expenditure may be made for
42 any expense not included in the annual budget or an
43 amendment thereto. . . .

2 Sec. 1090.155. FISCAL YEAR. (a) The district operates
3 according to a fiscal year established by the board.

4 (b) The fiscal year may not be changed:

5 (1) during a period that revenue bonds of the district
6 are outstanding; or

7 (2) more than once in a 24-month period. (Acts 65th
8 Leg., R.S., Ch. 6, Sec. 7 (part).)

9 Source Law

10 Sec. 7. The district shall be operated on the
11 basis of a fiscal year as established from time to time
12 by the board of directors, provided such fiscal year
13 may not be changed during the time revenue bonds of the
14 district are outstanding or more than once in any
15 24-month period. . . .

16 Revised Law

17 Sec. 1090.156. AUDIT. The board shall have an audit made of
18 the district's financial condition. (Acts 65th Leg., R.S., Ch. 6,
19 Sec. 7 (part).)

20 Source Law

21 Sec. 7. . . . The board shall cause an audit to

25 Sec. 1090.157. INSPECTION OF AUDIT AND DISTRICT RECORDS.
26 The audit and other district records shall be open to inspection at
27 the district's principal office. (Acts 65th Leg., R.S., Ch. 6, Sec.
28 7 (part).)

29 Source Law

30 Sec. 7. . . . [The board shall cause] an audit
31 [to be made of the financial condition of the
32 district,] which together with other records of the
33 district shall be open to inspection at the principal
34 office of the district. . . .

35 Revised Law

36 Sec. 1090.158. FINANCIAL REPORT. As soon as practicable
37 after the close of each fiscal year, the district administrator
38 shall prepare for the board:

39 (1) a complete sworn statement of all district money;
40 and

1 (2) a complete account of the disbursements of that
2 money. (Acts 65th Leg., R.S., Ch. 6, Sec. 7 (part).)

3 Source Law

4 Sec. 7. . . . As soon as practicable after the
5 close of each fiscal year, the administrator or
6 manager shall prepare for the board a full sworn
7 statement of all money belonging to the district and a
8 full account of the disbursements of same.

9 Revised Law

10 Sec. 1090.159. DEPOSITORY. (a) The board shall select one
11 or more financial institutions to serve as a depository for
12 district money.

13 (b) District money, other than money transmitted to a bank
14 for payment of bonds or obligations issued by the district, shall be
15 deposited as received with the depository bank and shall remain on
16 deposit.

17 (c) This chapter, including Subsection (b), does not limit
18 the power of the board to place a part of district money on time
19 deposit or to purchase certificates of deposit.

20 (d) The district may not deposit money with a bank in an
21 amount that exceeds the maximum amount secured by the Federal
22 Deposit Insurance Corporation unless the bank first executes a bond
23 or other security in an amount sufficient to secure from loss the
24 district money that exceeds the amount secured by the Federal
25 Deposit Insurance Corporation. (Acts 65th Leg., R.S., Ch. 6, Sec.
26 12.)

27 Source Law

28 Sec. 12. (a) The board of directors of the
29 district shall name one or more financial institutions
30 to serve as depository for the funds of the district.
31 All funds of the district, except those invested as
32 provided in Section 5 and those transmitted to a bank
33 or banks of payment for bonds or obligations issued by
34 the district, shall be deposited as received with the
35 depository bank and shall remain on deposit, provided
36 that nothing herein shall limit the power of the board
37 to place a portion of such funds on time deposit or
38 purchase certificates of deposit.

39 (b) Before the district deposits in any bank
40 funds of the district in an amount which exceeds the
41 maximum amount secured by the Federal Deposit
42 Insurance Corporation, the bank shall be required to
43 execute a bond or other security in an amount
44 sufficient to secure from loss the district funds
45 which exceed the amount secured by the Federal Deposit

1 Insurance Corporation.

2 Revisor's Note

3 Section 12(a), Chapter 6, Acts of the 65th
4 Legislature, Regular Session, 1977, provides for
5 transmitting district funds, "except those invested as
6 provided in Section 5." The revised law omits the
7 quoted language because Section 5 does not provide for
8 the investment of district money.

9 Revised Law

10 Sec. 1090.160. SPENDING RESTRICTIONS. Except as otherwise
11 provided by Section 1090.107(c) and by Subchapter E, the district
12 may not incur an obligation payable from district revenue other
13 than the revenue on hand or to be on hand in the current and
14 following district fiscal years. (Acts 65th Leg., R.S., Ch. 6, Sec.
15 11(b) (part).)

16 Source Law

17 (b) . . . Except as permitted in the preceding
18 sentence and as permitted by Sections 8, 9, and 10, the
19 district may incur no obligation payable from any
20 revenues of the district, tax or otherwise, except
21 those on hand or to be on hand within the then current
22 and following fiscal year of the district.

23 Revisor's Note

24 Section 11(b), Chapter 6, Acts of the 65th
25 Legislature, Regular Session, 1977, states that
26 "[e]xcept as permitted in the preceding sentence and
27 as permitted by Sections 8, 9, and 10," the district
28 may not incur certain obligations. The "preceding
29 sentence" in Section 11(b) is codified in Section
30 1090.107(c). As explained in Revisor's Note (2) at the
31 end of Subchapter A, Section 9 is omitted from the
32 revised law as executed. Sections 8 and 10 are
33 codified in Subchapter E. The revised law is drafted
34 accordingly.

35 Revised Law

36 Sec. 1090.161. AUTHORITY TO BORROW MONEY; SECURITY. (a)
37 The board may borrow money at a rate of not more than 10 percent a

1 year on district notes to pay the obligations if the board declares
2 that money is not available to meet authorized district
3 obligations, which creates an emergency.

4 (b) To secure a loan, the board may pledge:

5 (1) district revenue that is not pledged to pay the
6 district's bonded indebtedness;

7 (2) a district tax to be imposed by the district in the
8 next 12-month period that is not pledged to pay the principal of or
9 interest on district bonds; or

10 (3) district bonds that have been authorized but not
11 sold.

12 (c) A loan for which taxes or bonds are pledged must mature
13 not later than the first anniversary of the date the loan is made. A
14 loan for which district revenue is pledged must mature not later
15 than the fifth anniversary of the date the loan is made.

16 (d) Money obtained from a loan under this section may be
17 spent only for:

18 (1) a purpose for which the board declared an
19 emergency; and

20 (2) the purposes for which the taxes were imposed or
21 the bonds were authorized, if district taxes or bonds are pledged to
22 pay the loan. (Acts 65th Leg., R.S., Ch. 6, Sec. 10A.)

23 Source Law

24 Sec. 10A. (a) The board may declare that funds
25 are not available to meet lawfully authorized
26 obligations of the district, thereby creating an
27 emergency, and may borrow money at a rate of not more
28 than 10 percent a year on notes of the district to pay
29 the obligations.

30 (b) To secure a loan, the board may pledge
31 revenues of the district that are not pledged to pay
32 any bonded indebtedness of the district, taxes of the
33 district to be levied by the district in the succeeding
34 12-month period that are not pledged to pay principal
35 of or interest on bonds of the district, or bonds of
36 the district that have been authorized but not sold.

37 (c) If taxes or bonds are pledged to pay the
38 loan, the loan shall mature not later than 12 months
39 from the date the loan is made.

40 (d) If revenues of the district are pledged for
41 payment of the loan, the loan shall mature not more
42 than five years after the date the loan is made.

43 (e) No money obtained from a loan under this
44 section may be spent for any purpose other than the
45 purpose for which the board declared an emergency and,

1 if taxes or bonds are pledged to pay the loan, for any
2 purposes other than the purposes for which the pledged
3 taxes were levied or the pledged bonds were
4 authorized.

6 SUBCHAPTER E. BONDS

7 Revised Law

8 Sec. 1090.201. GENERAL OBLIGATION BONDS. The board may
9 issue and sell general obligation bonds in the name and on the faith
10 and credit of the district for any purpose relating to:

11 (1) the purchase, construction, acquisition, repair,
12 or renovation of buildings or improvements; and

13 (2) equipping buildings or improvements for hospital
14 purposes. (Acts 65th Leg., R.S., Ch. 6, Sec. 8(a) (part).)

15 Source Law

16 Sec. 8. (a) The board of directors shall have
17 the power and authority to issue and sell its bonds in
18 the name and on the faith and credit of such hospital
19 district for the purchase, construction, acquisition,
20 repair, or renovation of buildings and improvements
21 and equipping the same for hospital purposes, and for
22 any or all such purposes. . . .

23 Revisor's Note

24 Section 8(a), Chapter 6, Acts of the 65th
25 Legislature, Regular Session, 1977, provides that the
26 board has the power and authority to issue and sell
27 bonds in the name and on the faith and credit of the
28 district. Because the type of bonds described by
29 Section 8(a) are known as "general obligation bonds,"
30 the revised law is drafted accordingly.

31 Revised Law

32 Sec. 1090.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
33 the time general obligation bonds are issued by the district under
34 Section 1090.201, the board shall impose an ad valorem tax at a rate
35 sufficient to create an interest and sinking fund to pay the
36 principal of and interest on the bonds as the bonds mature.

37 (b) The tax required by this section together with any other
38 ad valorem tax the district imposes may not in any year exceed 75
39 cents on each \$100 valuation of all taxable property in the

1 district. (Acts 65th Leg., R.S., Ch. 6, Sec. 8(a) (part).)

2 Source Law

3 (a) . . . At the time of the issuance of any
4 bonds by the district a tax shall be levied by the
5 board sufficient to create an interest and sinking
6 fund to pay the interest on and principal of said bonds
7 as same mature, providing the tax together with any
8 other taxes levied for the district shall not exceed 75
9 cents on each \$100 valuation of all taxable property
10 situated in the district subject to hospital district
11 taxation in any one year. . . .

12 Revisor's Note

13 Section 8(a), Chapter 6, Acts of the 65th
14 Legislature, Regular Session, 1977, requires the
15 district to levy a tax to pay the principal of and
16 interest on bonds. The revised law specifies that the
17 tax is an "ad valorem" tax because it is clear from the
18 source law that the tax is a property tax and "ad
19 valorem" is the term most commonly used to refer to a
20 property tax.

21 Revised Law

22 Sec. 1090.203. GENERAL OBLIGATION BOND ELECTION. (a) The
23 district may issue general obligation bonds only if the bonds are
24 authorized by a majority of the district voters.

25 (b) The order calling the election shall provide for clerks
26 as in county elections and must specify:

- 27 (1) the date of the election;
- 28 (2) the location of the polling places;
- 29 (3) the presiding and alternate election judges for
30 each polling place;
- 31 (4) the amount of the bonds to be authorized; and
- 32 (5) the maximum maturity of the bonds.

33 (c) Notice of a bond election shall be given as provided by
34 Section 1251.003, Government Code. (Acts 65th Leg., R.S., Ch. 6,
35 Sec. 8(a) (part).)

36 Source Law

37 (a) . . . No bonds shall be issued by such
38 hospital district . . . until authorized by a majority
39 of the electors of the district. The order for bond
40 election shall specify the date of the election, the

1 amount of bonds to be authorized, the maximum maturity
2 thereof, the place or places where the election shall
3 be held, the presiding judge and alternate judge for
4 each voting place, and provide for clerks as in county
5 elections. Notice of any bond election . . . shall be
6 given as provided in Article 704, Revised Civil
7 Statutes of Texas, 1925, as amended, and shall be
8 conducted in accordance with the Texas Election Code,
9 as amended, except as modified by the provisions of
10 this Act.

11 Revisor's Note

12 (1) Section 8(a), Chapter 6, Acts of the 65th
13 Legislature, Regular Session, 1977, provides that
14 notice of a bond election under Section 9 must be given
15 as provided under Section 3. As explained in Revisor's
16 Note (2) to the end of Subchapter A, Sections 3 and 9,
17 Chapter 6, are executed. The revised law therefore
18 omits the provision. The omitted law reads:

19 (a) . . . [Notice of any bond
20 election] except one held under the
21 provisions of Section 9, in which instance
22 notice shall be given as provided in Section
23 3,

24 (2) Section 8(a), Chapter 6, Acts of the 65th
25 Legislature, Regular Session, 1977, refers to Article
26 704, Revised Statutes, which specifies certain notice
27 requirements for a bond election. That provision was
28 codified in 1999 as Section 1251.003, Government Code.
29 The revised law is drafted accordingly.

30 (3) Section 8(a), Chapter 6, Acts of the 65th
31 Legislature, Regular Session, 1977, provides that an
32 election under Section 8 "shall be conducted in
33 accordance with the Texas Election Code, as amended,
34 except as modified by the provisions of this Act." The
35 revised law omits the quoted language because Section
36 1.002, Election Code, provides that the Election Code
37 applies to all elections held in this state. An
38 exception to the application of the Election Code
39 would apply by its own terms.

40 Revised Law

41 Sec. 1090.204. MATURITY OF GENERAL OBLIGATION BONDS.

1 District general obligation bonds must mature not later than 40
2 years after the date of issuance. (Acts 65th Leg., R.S., Ch. 6,
3 Sec. 8(c) (part).)

7 Revised Law

8 Sec. 1090.205. EXECUTION OF GENERAL OBLIGATION BONDS. (a)

9 The board president shall execute the general obligation bonds in
10 the district's name.

11 (b) The board secretary shall countersign the bonds in the
12 manner provided by Chapter 618, Government Code. (Acts 65th Leg.,
13 R.S., Ch. 6, Sec. 8(c) (part).)

14 Source Law

15 (c) [Bonds of the district] . . . shall be
16 executed in the name of the hospital district and in
17 its behalf by the president of the board and
18 countersigned by the secretary in the manner provided
19 by Chapter 204, Acts of the 57th Legislature, Regular
20 Session, 1961, as amended (Article 717j-1, Vernon's
21 Texas Civil Statutes),

22 Revisor's Note

23 (1) Section 8(c), Chapter 6, Acts of the 65th
24 Legislature, Regular Session, 1977, refers to Chapter
25 204, Acts of the 57th Legislature, Regular Session,
26 1961, as amended (Article 717j-1, Vernon's Texas Civil
27 Statutes). That statute was codified in 1999 as
28 Chapter 618, Government Code, and the revised law is
29 drafted accordingly.

30 (2) Section 8(c), Chapter 6, Acts of the 65th
31 Legislature, Regular Session, 1977, provides that
32 district bonds must bear interest at a rate not to
33 exceed that provided by Chapter 3, Acts of the 61st
34 Legislature, Regular Session, 1969 (Article 717k-2,
35 Vernon's Texas Civil Statutes). The maximum interest
36 rate noted in Chapter 3 was revised in 1999 as Section
37 1204.006, Government Code. Section 1204.006,
38 Government Code, permits a public agency, including a

1 hospital district, to issue public securities at any
2 net effective interest rate of 15 percent or less and
3 applies to the district under Section 1204.001,
4 Government Code. The revised law omits the reference
5 because it duplicates Section 1204.006, Government
6 Code. The omitted law reads:

7 (c) [Bonds of the district] . . .
8 shall bear interest at a rate not to exceed
9 that prescribed by Chapter 3, Acts of the
10 61st Legislature, Regular Session, 1969, as
11 amended (Article 717k-2, Vernon's Texas
12 Civil Statutes), and

13 (3) Section 8(c), Chapter 6, Acts of the 65th
14 Legislature, Regular Session, 1977, provides that
15 district bonds are subject to the law governing
16 counties that relates to bond approval by the attorney
17 general and registration of the bonds by the
18 comptroller. Section 8(c) also provides that after
19 approval and registration the bonds are "incontestable
20 for any cause." The revised law omits those provisions
21 as superseded by Chapter 1202, Government Code
22 (enacted as Article 3, Chapter 53, Acts of the 70th
23 Legislature, 2nd Called Session, 1987). Section
24 1202.003(a), Government Code, requires bonds to be
25 submitted to the attorney general. Section
26 1202.003(b), Government Code, provides for approval of
27 the bonds by the attorney general and requires the
28 attorney general to submit the approved bonds to the
29 comptroller for registration. Section 1202.005,
30 Government Code, requires registration of the bonds by
31 the comptroller. Section 1202.006, Government Code,
32 provides that after approval and registration the
33 bonds are incontestable and binding obligations.
34 Chapter 1202, Government Code, applies to district
35 bonds by application of Section 1202.001, Government
36 Code. The omitted law reads:

37 (c) [Bonds of the district] . . .

1 shall be subject to the same requirements in
2 the manner of approval by the Attorney
3 General of Texas and registration by the
4 Comptroller of Public Accounts of the State
5 of Texas as are by law provided for approval
6 and registration of bonds issued by
7 counties. On the approval of the bonds by
8 the attorney general and registration by
9 the comptroller, the same shall be
10 incontestable for any cause.

11 Revised Law

12 Sec. 1090.206. REVENUE BONDS. (a) The board may issue
13 revenue bonds to:

14 (1) purchase, construct, acquire, repair, renovate,
15 or equip buildings or improvements for hospital purposes; or

16 (2) acquire sites to be used for hospital purposes.

17 (b) The bonds must be payable from and secured by a pledge of
18 all or part of the revenue derived from the operation of the
19 district's hospitals.

20 (c) The bonds may be additionally secured by a mortgage or
21 deed of trust lien on all or part of district property.

22 (d) The bonds must be issued in the manner and in accordance
23 with the procedures and requirements prescribed by Sections
24 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
25 and Safety Code, for issuance of revenue bonds by a county hospital
26 authority. (Acts 65th Leg., R.S., Ch. 6, Sec. 10 (part).)

27 Source Law

28 Sec. 10. In addition to the power to issue bonds
29 payable from taxes levied by the district, as
30 contemplated by the preceding section, the board of
31 directors is further authorized to issue and . . .
32 revenue bonds for purchasing, constructing,
33 acquiring, repairing, equipping, or renovating
34 buildings and improvements for hospital purposes, and
35 for acquiring sites therefor, the bonds to be payable
36 from and secured by a pledge of all or any part of the
37 revenues of the district to be derived from the
38 operation of its hospital or hospitals. The bonds may
39 be additionally secured by a mortgage or deed of trust
40 lien on any part or all of its properties. The bonds
41 shall be issued in the manner and in accordance with
42 the procedures and requirements specified for the
43 issuance of revenue bonds by county hospital
44 authorities in Sections 8 and 10 through 13 of Chapter
45 122, Acts of the 58th Legislature, 1963 (codified as
46 Article 4494r, Vernon's Texas Civil Statutes).

47 Revisor's Note

48 Section 10, Chapter 6, Acts of the 65th

1 Legislature, Regular Session, 1977, refers to Sections
2 8, 10, 11, 12, and 13 of Chapter 122, Acts of the 58th
3 Legislature, 1963 (Article 4494r, Vernon's Texas Civil
4 Statutes). Those provisions were codified in 1989 as
5 Sections 264.042, 264.043, 264.046, 264.047, 264.048,
6 and 264.049, Health and Safety Code. The revised law
7 is drafted accordingly.

8 Revised Law

9 Sec. 1090.207. REFUNDING BONDS. (a) The board may, without
10 an election, issue refunding bonds to refund outstanding
11 indebtedness issued by the district.

12 (b) A refunding bond may be:

13 (1) sold, with the proceeds of the refunding bonds
14 applied to the payment of the outstanding indebtedness; or

15 (2) exchanged wholly or partly for not less than a
16 similar principal amount of outstanding indebtedness. (Acts 65th
17 Leg., R.S., Ch. 6, Secs. 8(a) (part), (b) (part), 10 (part).)

18 Source Law

19 Sec. 8. (a) . . . [No bonds shall be issued by
20 such hospital district] except refunding bonds [until
21 authorized by a majority of the electors of the
22 district.] . . .

23 (b) Refunding bonds of the district may be
24 issued for the purpose of refunding and paying off any
25 outstanding indebtedness it has issued. Such
26 refunding bonds may be sold and the proceeds thereof
27 applied to the payment of outstanding indebtedness, or
28 may be exchanged in whole or in part for not less than a
29 like principal amount of such outstanding
30 indebtedness. . . .

31 Sec. 10. . . . [the board of directors is
32 further authorized] . . . to refund any previously
33 issued [revenue bonds]

34 Revisor's Note

35 Section 8(b), Chapter 6, Acts of the 65th
36 Legislature, Regular Session, 1977, provides that
37 refunding bonds sold to pay outstanding indebtedness
38 must be issued and payments made in the manner
39 specified by Chapter 503, Acts of the 54th
40 Legislature, 1955, as amended (Article 717k, Vernon's
41 Texas Civil Statutes). In addition, the section

1 provides that refunding bonds must be issued in
2 conformity with Chapter 784, Acts of the 61st
3 Legislature, Regular Session, 1969, as amended
4 (Article 717k-3, Vernon's Texas Civil Statutes).
5 Articles 717k and 717k-3 were codified in 1999 as
6 Chapter 1207, Government Code. The revised law omits
7 the provisions because Chapter 1207, Government Code,
8 applies to the district by its own terms under Section
9 1207.001, Government Code. The omitted law reads:

10 (b) . . . If the refunding bonds are
11 to be sold and the proceeds thereof applied
12 to the payment of any such outstanding
13 indebtedness, same shall be issued and
14 payments made in the manner specified by
15 Chapter 503, Acts of the 54th Legislature,
16 1955, as amended (Article 717k, Vernon's
17 Texas Civil Statutes). Refunding bonds
18 shall be issued in conformity with Chapter
19 784, Acts of the 61st Legislature, Regular
20 Session, 1969, as amended (Article 717k-3,
21 Vernon's Texas Civil Statutes).

22 Revised Law

23 Sec. 1090.208. BONDS EXEMPT FROM TAXATION. The following
24 are exempt from taxation by this state or a political subdivision of
25 this state:

- 26 (1) bonds issued by the district;
27 (2) the transfer and issuance of the bonds; or
28 (3) profits made in the sale of the bonds. (Acts 65th
29 Leg., R.S., Ch. 6, Sec. 22 (part).)

30 Source Law

31 Sec. 22. . . . any bonds issued by it and their
32 transfer and the issuance therefrom, including any
33 profits made in the sale thereof, shall at all times be
34 free from taxation by the state or any municipality or
35 political subdivision thereof.

36 Revisor's Note

37 Section 22, Chapter 6, Acts of the 65th
38 Legislature, Regular Session, 1977, refers to "any
39 municipality or political subdivision" of this state.
40 The revised law omits "municipality" because that term
41 is included in the meaning of "political subdivision"
42 of this state.

1 Revisor's Note
2 (End of Subchapter)

3 (1) Section 14, Chapter 6, Acts of the 65th
4 Legislature, Regular Session, 1977, provides that
5 district bonds are authorized investments for certain
6 entities. The revised law omits the provision as
7 unnecessary. As to several of the entities listed,
8 Section 14 has been superseded and impliedly repealed.
9 Investments in securities by banks are regulated by
10 Section 34.101, Finance Code (enacted in 1995 as
11 Section 5.101, Texas Banking Act (Article 342-5.101,
12 Vernon's Texas Civil Statutes)). Investments in
13 securities by savings banks are regulated by Section
14 93.001(c)(10), Finance Code (enacted in 1993 as
15 Section 7.15(10), Texas Savings Bank Act (Article
16 489e, Vernon's Texas Civil Statutes)). Investments in
17 securities by trust companies are regulated by Section
18 184.101, Finance Code (enacted in 1997 as Section
19 5.101, Texas Trust Company Act (Article 342a-5.101,
20 Vernon's Texas Civil Statutes)). Investments in
21 securities by savings and loan associations are
22 regulated by Sections 63.002 and 64.001, Finance Code.
23 As to the remaining entities listed, Section 14 is
24 superseded by Section 1201.041, Government Code,
25 enacted as Section 9, Bond Procedures Act of 1981
26 (Article 717k-6, Vernon's Texas Civil Statutes).
27 Section 1201.041, Government Code, applies to district
28 bonds by application of Section 1201.002, Government
29 Code. The revised law omits the reference to funds of
30 this state because it has been superseded by Section
31 404.024, Government Code (enacted in 1985 as Section
32 2.014, Treasury Act (Article 4393-1, Vernon's Texas
33 Civil Statutes)), which governs the investment of
34 state funds. Section 404.024(b)(10), Government Code,
35 authorizes the investment of state funds in

1 obligations of political subdivisions, including
2 hospital districts. The omitted law reads:

3 Sec. 14. All bonds issued and
4 indebtedness assumed by the district shall
5 be and are hereby declared to be legal and
6 authorized investments of banks, savings
7 banks, trust companies, building and loan
8 associations, savings and loan
9 associations, insurance companies,
10 trustees, and sinking funds of cities,
11 towns, villages, counties, school
12 districts, or other political subdivisions
13 of the State of Texas, and for all public
14 funds of the State of Texas or its agencies
15 including the state Permanent School
16 Fund. . . .

17 (2) Section 14, Chapter 6, Acts of the 65th
18 Legislature, Regular Session, 1977, effectively
19 provides that district bonds may secure deposits of
20 public funds of this state or political subdivisions
21 of this state. The revised law omits the provisions as
22 impliedly repealed by Section 404.0221, Government
23 Code (enacted in 1995), which lists eligible
24 collateral for deposits of state funds by the
25 comptroller, and by Chapter 2257, Government Code
26 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
27 Statutes), which governs eligible collateral for
28 deposits of funds of other public agencies, including
29 political subdivisions. The omitted law reads:

30 Sec. 14. . . . Such bonds and
31 indebtedness shall be eligible to secure
32 deposit of public funds of the State of
33 Texas and public funds of cities, towns,
34 villages, counties, school districts, or
35 other political subdivisions or
36 corporations of the State of Texas and shall
37 be lawful and sufficient security for said
38 deposits to the extent of their value when
39 accompanied by all unmatured coupons
40 appurtenant thereto.

41 [Sections 1090.209-1090.250 reserved for expansion]

42 SUBCHAPTER F. TAXES

43 Revised Law

44 Sec. 1090.251. IMPOSITION OF AD VALOREM TAX. (a) The board
45 shall impose a tax on all property in the district subject to
46 district taxation.

1 (b) The board shall impose the tax to pay:
2 (1) indebtedness issued by the district; and
3 (2) the maintenance and operating expenses of the
4 district.
5 (c) The board may not impose a tax to pay the principal of or
6 interest on revenue bonds issued under this chapter. (Acts 65th
7 Leg., R.S., Ch. 6, Secs. 13 (part), 16(a) (part).)

8 Source Law

9 Sec. 13. The board of directors shall annually
10 levy a tax . . . for the purpose of paying:
11 (1) the indebtedness issued by the
12 district, but no tax shall be levied to pay principal
13 of or interest on revenue bonds issued under the
14 provisions of Section 10 hereof; and
15 (2) the maintenance and operating expenses
16 of the district. . . .

17 Sec. 16. (a) . . . Hospital tax shall be
18 levied upon all taxable property within the district
19 subject to hospital district taxation.

20 Revised Law

21 Sec. 1090.252. TAX RATE. (a) The board may impose the tax
22 at a rate not to exceed 75 cents on each \$100 valuation of taxable
23 property in the district.

24 (b) In setting the tax rate, the board shall consider the
25 income of the district from sources other than taxation. (Acts 65th
26 Leg., R.S., Ch. 6, Secs. 3(b) (part), 13 (part).)

27 Source Law

28 [Sec. 3]
29 (b) . . . [hospital district shall be created
30 with authority to . . . levy annual taxes] at a rate
31 not to exceed 75 cents on the \$100 valuation on all
32 taxable property situated within the hospital
33 district, subject to hospital district taxation,
34

35 Sec. 13. [The board of directors shall annually
36 levy a tax] not to exceed the amount hereinabove
37 permitted
38 (2) . . . In setting such tax rate the
39 board shall take into consideration the income of the
40 district from sources other than taxation. . . .

41 Revisor's Note

42 Section 13, Chapter 6, Acts of the 65th
43 Legislature, Regular Session, 1977, requires the board
44 to levy the tax and to certify the tax rate to the tax

1 assessor-collector. The revised law omits that
2 provision because Section 26.05(a), Tax Code, requires
3 the governing body of a taxing unit to adopt a tax rate
4 for the current tax year and to notify the tax assessor
5 of that rate. The omitted law reads:

6 Sec. 13. . . .
7 (2) . . . On determination of
8 the amount of tax required to be levied, the
9 board shall make the levy and certify the
10 same to the tax assessor-collector.

11 Revised Law

12 Sec. 1090.253. ASSESSMENT AND COLLECTION BY COUNTY TAX
13 ASSESSOR-COLLECTOR. (a) This section applies unless the board
14 elects to have taxes assessed and collected under Section 1090.254.

15 (b) The tax assessor-collector of Refugio County shall
16 assess and collect taxes imposed by the district. (Acts 65th Leg.,
17 R.S., Ch. 6, Secs. 16(a) (part), (b) (part).)

18 Source Law

19 (a) . . . unless the directors, by majority
20 vote, elect to have taxes assessed and collected by its
21 own tax assessor-collector under Subsection (c)
22 hereof. . . .

23 (b) Under this subsection, The tax
24 assessor-collector of the county in which the district
25 is situated shall be charged and required to
26 accomplish the assessment and collection of all taxes
27 levied by and on behalf of the district. . . .

28 Revisor's Note

29 (1) Sections 16(a) and (b), Chapter 6, Acts of
30 the 65th Legislature, Regular Session, 1977, refer to
31 the assessment and collection of district taxes on
32 county tax values. The revised law omits those
33 provisions because they were repealed by Section 6(b),
34 Chapter 841, Acts of the 66th Legislature, Regular
35 Session, 1979, which repealed all "general, local, and
36 special laws" that conflicted with that act. The 1979
37 Act enacted the Property Tax Code (Title 1, Tax Code),
38 a comprehensive, substantive codification of property
39 tax law. Title 1, Tax Code, provides the exclusive
40 procedures for the appraisal of property for taxation

1 by a taxing unit, including a hospital district. The
2 omitted law reads:

3 (a) . . . All taxes of the district
4 shall be assessed and collected on county
5 tax values as provided in Subsection (b)
6 hereof

7 (b) . . . district taxes shall be
8 assessed and collected on county tax values
9 in the same manner as provided by law with
10 relation to county taxes. . . .

11 (2) Section 16(b), Chapter 6, Acts of the 65th
12 Legislature, Regular Session, 1977, refers to the tax
13 assessor-collector of "the county in which the
14 district is situated." The revised law substitutes
15 "Refugio County" for the quoted language because
16 Refugio County is the county in which the district is
17 located.

18 (3) Section 16(b), Chapter 6, Acts of the 65th
19 Legislature, Regular Session, 1977, provides that the
20 county tax assessor-collector may charge a fee for the
21 assessment and collection of district taxes. The
22 revised law omits that provision because it was
23 repealed by Section 6(b), Chapter 841, Acts of the 66th
24 Legislature, Regular Session, 1979. See Revisor's
25 Note (1). Section 6.27(b), Tax Code, provides for the
26 compensation of a county tax assessor-collector
27 assessing and collecting taxes for another taxing
28 unit. The omitted law reads:

29 (b) . . . The assessor-collector of
30 taxes shall charge and deduct from payments
31 to the hospital district an amount as fees
32 for assessing and collecting the taxes at a
33 rate of one percent of the taxes assessed
34 and one percent of the taxes collected but
35 in no event shall the amount paid exceed
36 \$5,000 in any one calendar year. Such fees
37 shall be deposited in the officers salary
38 fund of the county and reported as fees of
39 office of the county tax
40 assessor-collector. . . .

41 (4) Section 16(b), Chapter 6, Acts of the 65th
42 Legislature, Regular Session, 1977, provides that
43 interest and penalties on district taxes and discounts

1 are the same as for county taxes. The revised law
2 omits that provision because it was repealed by
3 Section 6(b), Chapter 841, Acts of the 66th
4 Legislature, Regular Session, 1979. See Revisor's
5 Note (1). Chapter 33, Tax Code, provides for the
6 assessment of penalties and interest on delinquent
7 taxes, and Section 31.05, Tax Code, provides for
8 discounts on the early payment of taxes. The omitted
9 law reads:

10 (b) . . . Interest and penalties on
11 taxes paid to the hospital district shall be
12 the same as in the case of county taxes.
13 Discounts shall be the same as allowed by
14 the county. . . .

15 (5) Section 16(b), Chapter 6, Acts of the 65th
16 Legislature, Regular Session, 1977, provides that tax
17 revenue shall be deposited in the district's
18 depository. The revised law omits the provision
19 because Section 31.10, Tax Code, requires the tax
20 assessor-collector of a taxing unit to deposit taxes
21 collected in the unit's depository. The omitted law
22 reads:

23 (b) . . . The residue of tax
24 collections after deduction of discounts
25 and fees for assessing and collecting shall
26 be deposited in the district's
27 depository. . . .

28 (6) Section 16(b), Chapter 6, Acts of the 65th
29 Legislature, Regular Session, 1977, provides that the
30 bond of the county tax assessor-collector is security
31 for the performance of district duties unless the
32 board determines that an additional bond is necessary.
33 The revised law omits that provision because it
34 duplicates Section 6.29(b), Tax Code, which authorizes
35 a taxing unit for which the county tax
36 assessor-collector collects a tax to require that
37 collector to post an additional bond. The omitted law
38 reads:

1 (b) . . . The bond of the county tax
2 assessor-collector shall stand as security
3 for the proper performance of his duties as
4 assessor-collector of the district; or if
5 in the judgment of the district board of
6 directors it is necessary, additional bond
7 payable to the district may be
8 required. . . .

9 (7) Section 16(b), Chapter 6, Acts of the 65th
10 Legislature, Regular Session, 1977, states that the
11 tax assessor-collector may act in accordance with
12 state law relating to the assessment, collection, and
13 enforcement of state and county taxes. The revised law
14 omits that provision as unnecessary. The state law
15 relating to the assessment, collection, and
16 enforcement of all ad valorem taxes is Title 1, Tax
17 Code. Section 1.02, Tax Code, requires all taxing
18 units of government to administer the assessment,
19 collection, and enforcement of taxes in conformity
20 with that title. The omitted law reads:

21 (b) . . . In all matters pertaining
22 to the assessment, collection, and
23 enforcement of taxes for the district, the
24 county tax assessor-collector shall be
25 authorized to act in all respects according
26 to the laws of the State of Texas relating
27 to state and county taxes.

28 Revised Law

29 Sec. 1090.254. ASSESSMENT AND COLLECTION BY DISTRICT TAX
30 ASSESSOR-COLLECTOR. (a) The board may elect to have district taxes
31 assessed and collected by a tax assessor-collector appointed by the
32 board. An election under this subsection must be made by December 1
33 and governs the manner in which taxes are assessed and collected,
34 until changed by a similar resolution.

35 (b) The district tax assessor-collector must:

- 36 (1) reside in the district; and
37 (2) own real property subject to district taxation.

38 (c) The board shall set for the district tax
39 assessor-collector:

- 40 (1) the term of employment; and
41 (2) compensation. (Acts 65th Leg., R.S., Ch. 6, Secs.

1 16(a) (part), (c) (part).)

2 Source Law

3 (a) . . . [directors . . . elect to have taxes
4 assessed and collected by its own tax
5 assessor-collector] . . . Any such election may be
6 made prior to December 1 annually and shall govern the
7 manner in which taxes are thereafter assessed and
8 collected, until changed by a similar
9 resolution. . . .

10 (c) Under this subsection, taxes shall be
11 assessed and collected by a tax assessor-collector
12 appointed by the directors, who shall also fix the term
13 of his employment, compensation, and . . . the tax
14 assessor and collector shall be residents of the
15 district and own real property subject to hospital
16 district taxation, and

17 Revisor's Note

18 (1) Section 16(c), Chapter 6, Acts of the 65th
19 Legislature, Regular Session, 1977, requires the board
20 to set a bond amount of not less than \$5,000 as
21 security for the district tax assessor-collector. The
22 revised law omits the provision because it was
23 repealed by Section 6(b), Chapter 841, Acts of the 66th
24 Legislature, Regular Session, 1979. See Revisor's
25 Note (1) to Section 1090.253. Section 6.29(a), Tax
26 Code, authorizes the governing body of a taxing unit,
27 including a hospital district, to require the unit's
28 tax assessor-collector to post bond without limiting
29 the amount. The omitted law reads:

30 (c) . . . [directors, who shall also
31 fix the] . . . requirement for bond to
32 assure the faithful performance of his
33 duties, but in no event may such bond be for
34 less than \$5,000. . . .

35 (2) Section 16(c), Chapter 6, Acts of the 65th
36 Legislature, Regular Session, 1977, states that the
37 board shall appoint a board of equalization and
38 establishes the duties of that board and the tax
39 assessor-collector. The revised law omits the
40 reference to a board of equalization because boards of
41 equalization were abolished and their functions and
42 duties transferred to appraisal review boards by the

1 1979 enactment of the Property Tax Code, Title 1, Tax
2 Code (Section 1, Chapter 841, Acts of the 66th
3 Legislature, Regular Session, 1979). The provisions
4 relating to the duties of the tax assessor-collector
5 are omitted because the Tax Code specifies the duties
6 of a tax assessor-collector. The omitted law reads:

7 (c) . . . The directors shall also
8 annually appoint five persons to serve as a
9 board of equalization and shall fix their
10 compensation. Each member of the board and
11 . . . [shall be residents of the district
12 and own real property subject to hospital
13 district taxation, and] each shall have the
14 same duties, including the obligation to
15 execute the oath of office, as required by
16 county officials exercising such powers and
17 duties. . . .

18 (3) Section 16(c), Chapter 6, Acts of the 65th
19 Legislature, Regular Session, 1977, refers to the
20 applicability of Title 122 of the Revised Statutes
21 (Taxation). Before its repeal and recodification,
22 Title 122 was composed of V.A.C.S. Articles
23 7041-7359a. The relevant parts of those provisions
24 were revised in 1979 as the Property Tax Code, Title 1,
25 Tax Code (Section 1, Chapter 841, Acts of the 66th
26 Legislature, Regular Session, 1979). The revised law
27 omits the provision because Title 1 applies to the
28 district on its own terms. The omitted law reads:

29 (c) . . . Except as in this law
30 provided to the contrary, all the
31 provisions of Title 122, Revised Civil
32 Statutes of Texas, 1925, as amended, shall
33 apply to the district.

34 Revisor's Note
35 (End of Subchapter)

36 Section 16(a), Chapter 6, Acts of the 65th
37 Legislature, Regular Session, 1977, provides that the
38 district may impose taxes for the entire year in which
39 the district is established. The revised law omits
40 that provision as executed. The omitted law reads:

41 Sec. 16. (a) The directors shall
42 have the authority to levy taxes for the
43 entire year in which the district is

1 established as the result of the election
2 herein provided. . . .

3 [Sections 1090.255-1090.300 reserved for expansion]

4 SUBCHAPTER G. DISSOLUTION

5 Revised Law

6 Sec. 1090.301. DISSOLUTION; ELECTION. (a) The district
7 may be dissolved as provided by this subchapter.

8 (b) The district may be dissolved and the district's assets
9 or facilities may be acquired by Refugio County only on approval of
10 a majority of district voters who vote on the question of the
11 district's dissolution and transfer of assets and facilities at an
12 election.

13 (c) The board shall order the election if the board receives
14 a petition calling for submission of the question that is signed by
15 at least 15 percent of the district's registered voters. Each voter
16 signing the petition must write next to the voter's name the date of
17 the voter's signature.

18 (d) The petition must be filed within 45 days of the
19 earliest date on which a voter signed the petition.

20 (e) The board shall order the question of the district's
21 dissolution submitted at the first directors' election held after
22 the date the board receives a petition under Subsection (d) that
23 occurs after the time required by Section 3.005, Election Code.
24 (Acts 65th Leg., R.S., Ch. 6, Secs. 26(a), (c) (part).)

25 Source Law

26 Sec. 26. (a) The district may be dissolved as
27 provided by this section.

28 (c) The district may not be dissolved nor may
29 facilities or assets of the district be acquired by
30 Refugio County unless and until the dissolution and
31 transfer of assets and facilities are approved by vote
32 of a majority of the qualified voters of the district
33 voting on the question. The question shall be
34 submitted to voters of the district on presentation of
35 a petition calling for submission of the question,
36 signed by a number of qualified voters of the district
37 equal to not less than 15 percent of the number of
38 qualified voters in the district. A voter signing the
39 petition must write the date of his signing next to his
40 name, and the required number of names must be
41 collected and the petition must be filed within 45 days
42 of the date of the first signature. The directors
43 shall order the question submitted to the voters at the
44 first election of directors of the district held more

1 than 60 days after the date on which the petition is
2 presented. . . .

3 Revisor's Note

4 (1) Section 26(c), Chapter 6, Acts of the 65th
5 Legislature, Regular Session, 1977, refers to a
6 majority vote of the "qualified" voters of the
7 district. Throughout this subchapter, the revised law
8 omits "qualified" as unnecessary in this context
9 because Chapter 11, Election Code, governs eligibility
10 to vote in an election in this state and allows only
11 "qualified" voters who are residents of the territory
12 covered by the election to vote in an election.

13 (2) Section 26(c), Chapter 6, Acts of the 65th
14 Legislature, Regular Session, 1977, refers to a
15 petition signed by not less than 15 percent of the
16 "qualified voters" in the district. The revised law
17 substitutes "registered voters" for the quoted
18 language because in the context of eligibility to sign
19 a petition, Section 277.0021, Election Code, provides
20 that "qualified voter" means "registered voter."

21 (3) Section 26(c), Chapter 6, Acts of the 65th
22 Legislature, Regular Session, 1977, states that the
23 board shall order the question of the district's
24 dissolution submitted at the first directors' election
25 held "more than 60 days" after the date the board
26 receives a petition calling for submission of the
27 question. The revised law substitutes for the quoted
28 language "after the time required by Section 3.005,
29 Election Code," because Section 3.005 supersedes the
30 quoted language and could require more time to pass
31 between the date on which the petition is received and
32 the date on which the election is held than is required
33 by Section 26(c).

34 Section 3.005 applies to the district under
35 Section 1.002, Election Code. Section 3.005 was

1 amended by Chapter 925, Acts of the 78th Legislature,
2 Regular Session, 2003, and Chapter 1109, Acts of the
3 79th Legislature, Regular Session, 2005. It requires
4 an election order issued by the authority of a
5 political subdivision to be issued not later than the
6 62nd day before election day or, for certain
7 elections, the 70th day before election day, and
8 provides that Section 3.005 supersedes a law outside
9 the Election Code to the extent of any conflict.

10 Revised Law

11 Sec. 1090.302. NOTICE OF ELECTION ON DISSOLUTION. Notice
12 of a directors' election at which the question of the district's
13 dissolution will be submitted to the voters must include notice
14 that the question of dissolution and the transfer of hospital
15 facilities to and the assumption of debts and bond obligations by
16 Refugio County will be submitted at the election. (Acts 65th Leg.,
17 R.S., Ch. 6, Sec. 26(c) (part).)

18 Source Law

19 (c) . . . [The directors shall order the
20 question submitted to the voters at the first election
21 of directors] . . . Notice of the election shall
22 include notice that the question on the dissolution of
23 the district and the transfer of hospital facilities
24 to and the assumption of debts and bond obligations by
25 Refugio County will be submitted at the election.

26 Revised Law

27 Sec. 1090.303. BALLOT. Beneath the names of the candidates
28 for director of the district, the ballot for an election under this
29 subchapter must provide for voting for or against the following
30 proposition: "The dissolution of the Refugio County Memorial
31 Hospital District and the transfer of the existing hospital
32 facilities to and the assumption of the debts and bond obligations
33 by Refugio County." (Acts 65th Leg., R.S., Ch. 6, Sec. 26(d).)

34 Source Law

35 (d) Beneath the names of the candidates for
36 director of the district, the ballots used at the
37 election shall provide for voting for or against the
38 following proposition: "The dissolution of the Refugio
39 County Memorial Hospital District and the transfer of
40 the existing hospital facilities to and the assumption

1 of the debts and bond obligations by Refugio County."

2 Revised Law

3 Sec. 1090.304. ELECTION RESULTS. (a) If a majority of the
4 votes in an election under this subchapter favor dissolution, the
5 board shall find that the proposition was approved and shall
6 declare the district dissolved.

7 (b) If a majority of the votes in the election do not favor
8 dissolution, the board shall find that the proposition was not
9 approved and shall declare that the district will continue to
10 operate. Another election on the question of dissolution may not be
11 held within 48 months after the anniversary of the date of any
12 preceding election held for the same purpose. (Acts 65th Leg.,
13 R.S., Ch. 6, Secs. 26(e) (part), (f).)

14 Source Law

15 (e) . . . if a majority of the qualified voters
16 voting in the election favors the proposition, the
17 board shall find that the proposition was approved and
18 shall declare the hospital district dissolved. If a
19 majority of the qualified voters voting in the
20 election does not favor the proposition, the board
21 shall find that the proposition was not approved and
22 shall declare that the district will continue to
23 operate.

24 (f) The failure of the proposition does not
25 prevent the calling and holding of subsequent
26 elections for the same purpose, but an election may not
27 be held within 48 months after the anniversary of the
28 date of any preceding election held for the same
29 purpose.

30 Revisor's Note

31 (1) Section 26(e), Chapter 6, Acts of the 65th
32 Legislature, Regular Session, 1977, provides that the
33 board shall convene and canvass the returns of the
34 election. The revised law omits that requirement
35 because it duplicates Section 67.002, Election Code,
36 which requires the governing body of a political
37 subdivision that orders an election to canvass the
38 returns. Section 26(e) also provides that the board
39 shall canvass the election returns "[n]ot later than
40 the 10th day after the date on which the election is
41 held." The revised law omits that provision as
42 superseded by Section 67.003, Election Code (enacted

1 by Section 1, Chapter 211, Acts of the 69th
2 Legislature, Regular Session, 1985, and last amended
3 in 2005). The omitted law reads:

4 (e) Not later than the 10th day after
5 the date on which the election is held, the
6 directors of the district shall convene and
7 canvass the returns of the election, and
8

9 (2) Section 26(f), Chapter 6, Acts of the 65th
10 Legislature, Regular Session, 1977, refers to the
11 "calling and holding" of an election. The revised law
12 omits references to "calling" an election because, in
13 this context, "calling" an election is included in the
14 meaning of "holding" an election. Under Chapter 3,
15 Election Code, all elections must be ordered (called)
16 before they may be held.

17 Revised Law

18 Sec. 1090.305. TRANSFER OF ASSETS AND LIABILITIES. If the
19 proposition for the dissolution of the district and the transfer of
20 the existing hospital facilities to and the assumption of the debts
21 and bond obligations by Refugio County is approved as provided by
22 this subchapter:

23 (1) the land, buildings, improvements, and equipment
24 that are part of the hospital or hospital system owned by the
25 district shall be transferred to Refugio County;

26 (2) any debts and bond obligations of the district
27 shall be assumed by Refugio County; and

28 (3) the Refugio County Commissioners Court shall
29 provide for:

30 (A) establishing and administering a hospital
31 system by purchasing, constructing, acquiring by gift or otherwise,
32 repairing, or renovating buildings and equipment; and

33 (B) equipping the hospital system. (Acts 65th
34 Leg., R.S., Ch. 6, Sec. 26(b).)

35 Source Law

36 (b) The land, buildings, improvements, and
37 equipment that are part of the hospital or hospital

1 system owned by the district shall be transferred to
2 Refugio County. Any debts and bond obligations of the
3 district shall be assumed by Refugio County. The
4 Commissioners Court of Refugio County shall provide
5 for establishing and administering a hospital system
6 by purchase, gift, construction, acquisition, repair,
7 or renovation of buildings and equipment and for
8 equipping the hospital system.

9 [(c) The district may not be dissolved nor may
10 facilities or assets of the district be acquired by
11 Refugio County unless and until the dissolution and
12 transfer of assets and facilities are approved by vote
13 of a majority of the qualified voters of the district
14 voting on the question.] . . .

15 Revisor's Note
16 (End of Chapter)

17 (1) Sections 20(a) and (b), Chapter 6, Acts of
18 the 65th Legislature, Regular Session, 1977, provide
19 for the transfer of certain land, buildings,
20 improvements, equipment, funds, and taxes to the
21 district after the district is created. The revised
22 law omits the provisions as executed. The omitted law
23 reads:

24 (a) . . . When the district is
25 created and established, the county and any
26 city, town, or nonprofit hospital [in the
27 district] shall transfer to the district
28 all land, buildings, improvements, and
29 equipment in anywise pertaining to its
30 hospitals or hospital systems.

31 (b) Operating funds and reserves for
32 operating expenses which are on hand and
33 funds which have been budgeted to provide
34 medical care for residents of the district
35 by the county or any city, town, or
36 nonprofit hospital in the district for the
37 remainder of the fiscal year in which its
38 facilities are transferred to the district
39 shall likewise be transferred to the
40 district, as shall taxes levied for
41 hospital purposes for that year.

42 (2) Section 23, Chapter 6, Acts of the 65th
43 Legislature, Regular Session, 1977, provides that the
44 act is severable. The revised law omits that provision
45 because it duplicates Section 311.032, Government Code
46 (Code Construction Act), which provides that a
47 provision of a statute is severable from each other
48 provision of the statute that can be given effect. The
49 omitted law reads:

50 Sec. 23. . . . If any provision of
51 this Act should be invalid, such fact shall

1 not affect the authorization for the
 2 creation of the district or the validity of
 3 any other provisions of this Act, and the
 4 legislature hereby declares that it would
 5 have created the district and enacted the
 6 valid provisions of this Act
 7 notwithstanding the invalidity of any other
 8 provision or provisions hereof.

9 (3) Section 24, Chapter 6, Acts of the 65th
 10 Legislature, Regular Session, 1977, provides that
 11 public notice of enactment of the statute was provided
 12 in a manner that satisfies the requirements of the
 13 Texas Constitution. The revised law omits that
 14 section as executed. The omitted law reads:

15 Sec. 24. Proof of publication of the
 16 notice required in the enactment hereof
 17 under the provisions of Article IX, Section
 18 9 of the Texas Constitution, has been made
 19 in the manner and form provided by law
 20 pertaining to the enactment of local and
 21 special laws, and the notice is hereby found
 22 and declared proper and sufficient to
 23 satisfy the requirement.

31		CHAPTER 1091. RICE HOSPITAL DISTRICT	
32		SUBCHAPTER A. GENERAL PROVISIONS	
33		<u>Revised Law</u>	
34	Sec. 1091.001.	DEFINITIONS. In this chapter:	

1 (1) "Board" means the board of directors of the
2 district.

3 (2) "Director" means a member of the board.

4 (3) "District" means the Rice Hospital District.
5 (Acts 71st Leg., R.S., Ch. 199, Sec. 1.01.)

6 Source Law

7 Sec. 1.01. In this Act:

8 (1) "District" means the Rice Hospital
9 District.

10 (2) "Board" means the board of directors
11 of the district.

12 (3) "Director" means a member of the
13 board.

14 Revised Law

15 Sec. 1091.002. AUTHORITY FOR OPERATION. The Rice Hospital
16 District operates and is financed as provided by Section 9, Article
17 IX, Texas Constitution, and by this chapter. (Acts 71st Leg., R.S.,
18 Ch. 199, Sec. 1.02.)

19 Source Law

20 Sec. 1.02. The Rice Hospital District may be
21 created, maintained, operated, and financed in the
22 manner provided by Article IX, Section 9, of the Texas
23 Constitution and by this Act.

24 Revisor's Note

25 Section 1.02, Chapter 199, Acts of the 71st
26 Legislature, Regular Session, 1989, provides that the
27 district "may be created, maintained, operated, and
28 financed" in the manner provided by the Texas
29 Constitution and the act. The revised law omits
30 "created" as executed. The revised law omits
31 "maintained" because, in this context, the meaning of
32 that term is included in the meaning of "operated."

33 Revised Law

34 Sec. 1091.003. ESSENTIAL PUBLIC FUNCTION. The district is
35 a public entity performing an essential public function. (Acts
36 71st Leg., R.S., Ch. 199, Sec. 7.11 (part).)

37 Source Law

38 Sec. 7.11. Since the district created under
39 this Act is a public entity performing an essential
40 public function,

1 Revised Law

2 Sec. 1091.004. DISTRICT TERRITORY. The boundaries of the
3 district are coextensive with the boundaries of Rice Consolidated
4 Independent School District of Colorado County, Texas, as those
5 boundaries existed on May 26, 1989. (Acts 71st Leg., R.S., Ch. 199,
6 Sec. 1.03.)

7 Source Law

8 Sec. 1.03. The boundaries of the district are
9 coextensive with the boundaries of Rice Consolidated
10 Independent School District of Colorado County, Texas.

11 Revisor's Note

12 Section 1.03, Chapter 199, Acts of the 71st
13 Legislature, Regular Session, 1989, provides that the
14 boundaries of the district are coextensive with the
15 boundaries of the Rice Consolidated Independent School
16 District. Under Chapter 13, Education Code, a school
17 district's boundaries may be changed.

18 However, the general rules of statutory
19 construction provide that the delineation of a
20 political subdivision's boundary by reference to that
21 of another political subdivision refers to the
22 boundary as it existed at the time of the delineation.
23 See Op. Tex. Att'y Gen. No. DM-186 (1992) (Hamilton
24 County Hospital District boundaries do not change when
25 commissioners precinct boundaries change). Changing
26 the hospital district boundaries based on changes in
27 the school district boundaries would cause some
28 territory to be included in the district and subject to
29 an ad valorem tax for which an election was not held
30 under Section 9, Article IX, Texas Constitution, or
31 cause some territory subject to the tax to be removed
32 from the district, possibly resulting in an
33 unconstitutional impairment of the contract under
34 which district bonds issued were supported by an ad
35 valorem tax imposed on district property.

1 Had the legislature intended this result, it
2 could have provided in the statute a method by which
3 the changes in district boundaries could have been
4 made to avoid these constitutional issues.
5 Accordingly, the revised law defines the hospital
6 district boundaries as of the effective date of the act
7 that made the boundaries coextensive with those of the
8 school district.

28 Revisor's Note
29 (End of Subchapter)

30 Article 3, Chapter 199, Acts of the 71st
31 Legislature, Regular Session, 1989, provides
32 procedures for holding an election on the creation of
33 the district and the imposition of an ad valorem tax.
34 Because the creation of the district and the
35 imposition of the tax were approved at such an election
36 in 1995, the revised law omits that article as
37 executed. The omitted law reads:

1 Sec. 3.01. The district may be
2 created and a tax may be authorized only if
3 the creation and the tax are approved by a
4 majority of the qualified voters of the
5 territory of the proposed district voting
6 at an election called and held for that
7 purpose.

8 Sec. 3.02. (a) A majority of the
9 temporary directors of the district may
10 order a creation election to be held.

11 (b) On presentation of a petition for
12 a creation election signed by at least 10
13 percent of the registered voters of the
14 territory of the proposed district,
15 according to the most recent official lists
16 of registered voters, the temporary
17 directors shall order an election to be
18 held. The election shall be called not
19 later than the 60th day after the date the
20 petition is presented to the district.

21 Sec. 3.03. The order calling the
22 election must state:

23 (1) the nature of the election,
24 including the proposition that is to appear
25 on the ballot;

26 (2) the date of the election;

27 (3) the hours during which the
28 polls will be open; and

29 (4) the location of the polling
30 places.

31 Sec. 3.04. The temporary directors
32 shall give notice of the election by
33 publishing a substantial copy of the
34 election order in a newspaper with general
35 circulation in the proposed district once a
36 week for two consecutive weeks. The first
37 publication must appear at least 35 days
38 before the date set for the election.

39 Sec. 3.05. (a) The election shall be
40 held not less than 45 days nor more than 60
41 days after the date on which the election is
42 ordered.

43 (b) Subsection (a), Section 41.001,
44 Election Code, does not apply to an election
45 ordered under this article.

46 Sec. 3.06. The ballot for an election
47 at which the issuance of bonds is not
48 proposed shall be printed to permit voting
49 for or against the proposition: "The
50 creation of the Rice Hospital District and
51 the levy of annual taxes for hospital
52 purposes at a rate not to exceed 75 cents on
53 each \$100 valuation of all taxable property
54 in the district."

55 Sec. 3.07. (a) The temporary
56 directors of the district shall meet and
57 canvass the returns of the election.

58 (b) If the temporary directors find
59 that the election results are favorable to
60 the proposition to create the district,
61 they shall issue an order declaring the
62 district created.

63 (c) If the temporary directors find
64 that the election results are not favorable
65 to the proposition to create the district,
66 another creation election may not be held
67 within 12 months after the date of the
68 election at which voters disapproved the
69 proposition.

1 Sec. 3.08. If the creation of the
2 district is not approved at an election held
3 within 60 months after the effective date of
4 this Act, this Act expires.

5 Sec. 3.09. (a) A petition for a
6 creation election under Subsection (b) of
7 Section 3.02 of this Act may include a
8 request that a proposition be submitted at
9 the election to determine whether the board
10 may issue district bonds if the district is
11 created. The petition must specify the
12 maximum amount of bonds to be issued and
13 their maximum maturity date.

14 (b) Even though a petition does not
15 request submission of a proposition on
16 whether the board may issue bonds or even
17 though the temporary directors have called
18 the election on their own motion under
19 Subsection (a) of Section 3.02 of this Act,
20 the temporary directors may submit a
21 proposition at the creation election on the
22 issuance of bonds.

23 (c) If a bond proposition is
24 submitted to the voters, the ballot for the
25 election shall be printed to permit voting
26 for or against the proposition: "The
27 creation of the Rice Hospital District, the
28 levy of annual taxes for hospital purposes
29 at a rate not to exceed 75 cents on each \$100
30 valuation of all taxable property in the
31 district, and the issuance of bonds in an
32 amount not to exceed _____ (insert
33 amount) and to mature not later than
34 _____ (insert date)."

35 (d) The board may issue bonds as
36 provided by this Act if a majority of the
37 votes cast at the election favor the
38 proposition to create the district,
39 authorize a tax, and issue bonds.

41 SUBCHAPTER B. DISTRICT ADMINISTRATION

42 Revised Law

43 Sec. 1091.051. BOARD ELECTION; TERM. (a) The district is
44 governed by a board of nine directors elected from the district at
45 large.

46 (b) Unless four-year terms are established under Section
47 285.081, Health and Safety Code:

48 (1) directors serve staggered two-year terms; and

49 (2) an election shall be held on the uniform election
50 date in May of each year to elect the appropriate number of
51 directors. (Acts 71st Leg., R.S., Ch. 199, Secs. 4.01(a), 4.03(a),

52 (c) (part).)

53 Source Law

54 Sec. 4.01. (a) The district is governed by a

1 board of nine directors.

2 Sec. 4.03. (a) Members of the board of
3 directors shall be elected from the district at large.

4 (c) . . . an election shall be held on the first
5 Saturday in May each year, and the appropriate number
6 of successor directors shall be elected for two-year
7 terms.

8 Revisor's Note

9 (1) Article 2 and Section 4.01(b), Chapter 199,
10 Acts of the 71st Legislature, Regular Session, 1989,
11 provide for temporary directors to serve until elected
12 directors take office and provide for filling a
13 vacancy in the office of temporary director. The
14 revised law omits the provisions as executed. The
15 omitted law reads:

16 Sec. 2.01. On the effective date of
17 this Act, the following persons become
18 temporary directors of the district:

- 19 (1) B. J. Ashby
- 20 (2) Steve Balas
- 21 (3) Wayne Corman
- 22 (4) Eunice Frnka
- 23 (5) William H. Harrison, Sr.
- 24 (6) Anthony Kallina
- 25 (7) William H. Lehrer
- 26 (8) Willard W. Shuart
- 27 (9) Raymond R. Thomas, M.D.

28 Sec. 2.02. The directors remaining
29 after a vacancy in the office of temporary
30 director shall fill the vacancy by
31 appointment by majority vote.

32 [Sec. 4.01]

33 (b) From the time the creation of the
34 district is approved until the elected
35 directors take office, the temporary
36 directors serve as directors of the
37 district.

38 (2) Sections 4.02 and 4.03(b) and (c), Chapter
39 199, Acts of the 71st Legislature, Regular Session,
40 1989, prescribe the procedure for electing the initial
41 board. The revised law omits the provisions as
42 executed. The omitted law reads:

43 Sec. 4.02. [Initial] Directors shall
44 be elected at an election to be held on the
45 first Saturday in May following the
46 creation of the district.

47 [Sec. 4.03]

48 (b) The nine candidates receiving the
49 highest number of votes at the initial
50 election of directors are directors for the

1 district. . . .

2 (c) After the initial election of
3 directors,

4 (3) Section 4.03(b), Chapter 199, Acts of the
5 71st Legislature, Regular Session, 1989, provides for
6 staggering the directors' terms by requiring the five
7 directors who receive "the highest number of votes at
8 the initial election [to] serve for a term of two
9 years" and the "remaining directors [to] serve for a
10 term of one year." The revised law omits the provision
11 as executed but codifies the establishment of
12 staggered terms. The omitted law reads:

13 (b) The five directors
14 receiving the highest number of votes at the
15 initial election serve for a term of two
16 years. The remaining directors serve for a
17 term of one year.

18 (4) Section 4.03(c), Chapter 199, Acts of the
19 71st Legislature, Regular Session, 1989, requires
20 board elections to be held on the "first Saturday in
21 May." From 1986 to 2003, Section 41.001, Election
22 Code, provided for a uniform election date for all
23 political subdivisions on the first Saturday in May.
24 In Chapter 1315, Acts of the 78th Legislature, Regular
25 Session, 2003, the legislature amended Section 41.001
26 by moving the uniform election date in May to the third
27 Saturday. In Chapter 1, Acts of the 78th Legislature,
28 3rd Called Session, 2003, the legislature amended
29 Section 41.001 by moving the uniform election date in
30 May back to the first Saturday. In Chapter 471, Acts
31 of the 79th Legislature, Regular Session, 2005, the
32 legislature amended Section 41.001 by moving the
33 uniform election date in May to the second Saturday.
34 The revised law substitutes "uniform election date in
35 May" for "first Saturday in May" to reflect these
36 changes while preserving as closely as possible the
37 legislative intent expressed in Section 4.03(c) that
38 the election be held on the first Saturday in May,

1 which was the uniform election date in May.

2 (5) Section 4.03(c), Chapter 199, Acts of the
3 71st Legislature, Regular Session, 1989, provides that
4 directors serve two-year terms. Section 285.081,
5 Health and Safety Code, applicable to this district,
6 provides a mechanism by which the governing board of a
7 hospital district, on its own motion, may order that
8 members are to be elected in even-numbered years to
9 serve staggered four-year terms. The revised law is
10 drafted accordingly and adds a reference to Section
11 285.081, Health and Safety Code, for the convenience
12 of the reader.

13 Revised Law

14 Sec. 1091.052. NOTICE OF ELECTION. At least 35 days before
15 the date of an election of directors, notice of the election shall
16 be published one time in a newspaper with general circulation in the

33 Source Law

34 Sec. 4.05. (a) A person who wishes to have his
35 name printed on the ballot as a candidate for director
36 must file with the secretary of the board of directors
37 a petition signed by at least 10 registered voters of

22 Revised Law

23 Sec. 1091.055. BOND; RECORD OF BOND. (a) Before assuming

28 director's duties.

29 (b) The board may pay for directors' bonds with district
30 money.

31 (c) Each director's bond shall be kept in the district's
32 permanent records. (Acts 71st Leg., R.S., Ch. 199, Sec. 4.07.)

33 Source Law

1 office of director, the remaining directors shall appoint a
2 director for the unexpired term. (Acts 71st Leg., R.S., Ch. 199,

40 Revisor's Note

41 Section 4.11, Chapter 199, Acts of the 71st

1 Legislature, Regular Session, 1989, requires that
2 approved expenses be reported in the "district's
3 minute book or other district records." The revised

SUBCHAPTER C. POWERS AND DUTIES

Revised Law

Sec. 1091.101. DISTRICT RESPONSIBILITY. The district has full responsibility for:

(1) operating hospital facilities; and

(2) providing medical and hospital care for the district's needy inhabitants. (Acts 71st Leg., R.S., Ch. 199, Sec. 5.01 (part).)

Source Law

Sec. 5.01. On creation of the district, the district:
(1) assumes full responsibility for operating hospital facilities and for furnishing medical and hospital care for the district's needy inhabitants;

Revisor's Note

Section 5.01, Chapter 199, Acts of the 71st Legislature, Regular Session, 1989, provides that "[o]n creation of the district," the district "assumes" certain responsibilities. The revised law omits "[o]n creation of the district," as executed. The revised law substitutes "has" for "assumes" because the obligation to assume the responsibility is executed.

15 Revised Law

16 Sec. 1091.104. PURCHASING AND ACCOUNTING PROCEDURES. The
17 board may prescribe:

18 (1) the method of making purchases and expenditures by
19 and for the district; and

20 (2) accounting and control procedures for the
21 district. (Acts 71st Leg., R.S., Ch. 199, Secs. 5.04(a), (b).)

22 Source Law

23 Sec. 5.04. (a) The board may prescribe the
24 method of making purchases and expenditures by and for
25 the district.

26 (b) The board may prescribe accounting and
27 control procedures for the district.

28 Revised Law

29 Sec. 1091.105. DISTRICT PROPERTY, FACILITIES, AND
30 EQUIPMENT. (a) The board shall determine:

31 (1) the type, number, and location of buildings
32 required to maintain an adequate hospital system; and

33 (2) the type of equipment necessary for hospital care.

34 (b) The board may:

35 (1) acquire property, including facilities and
36 equipment, for the district for use in the hospital system; and

37 (2) mortgage or pledge the property as security for
38 payment of the purchase price.

39 (c) The board may lease hospital facilities for the

1 district.

2 (d) The board may sell or otherwise dispose of property,
3 including facilities or equipment, for the district. (Acts 71st
4 Leg., R.S., Ch. 199, Sec. 5.05.)

5 Source Law

6 Sec. 5.05. (a) The board shall determine the
7 type, number, and location of buildings required to
8 establish and maintain an adequate hospital system and
9 the type of equipment necessary for hospital care.

10 (b) The board may acquire property, facilities,
11 and equipment for the district for use in the hospital
12 system and may mortgage or pledge the property,
13 facilities, or equipment acquired as security for the
14 payment of the purchase price.

15 (c) The board may lease hospital facilities on
16 behalf of the district.

17 (d) The board may sell or otherwise dispose of
18 property, facilities, or equipment on behalf of the
19 district.

20 Revisor's Note

21 Section 5.05(a), Chapter 199, Acts of the 71st
22 Legislature, Regular Session, 1989, requires the board
23 to determine the buildings required to "establish and
24 maintain" an adequate hospital system. The revised
25 law omits the reference to establishing the hospital
26 system as executed.

27 Revised Law

28 Sec. 1091.106. EMINENT DOMAIN. (a) The district may
29 exercise the power of eminent domain to acquire a fee simple or
30 other interest in property located in district territory if the
31 interest is necessary for the district to exercise a right or
32 authority conferred by this chapter.

33 (b) The district must exercise the power of eminent domain
34 in the manner provided by Chapter 21, Property Code, except the
35 district is not required to deposit in the trial court money or a
36 bond as provided by Section 21.021(a), Property Code.

37 (c) In a condemnation proceeding brought by the district,
38 the district is not required to:

39 (1) pay in advance or provide a bond or other security
40 for costs in the trial court;

41 (2) provide a bond for the issuance of a temporary

1 restraining order or a temporary injunction; or

2 (3) provide a bond for costs or a supersedeas bond on
3 an appeal or petition for review. (Acts 71st Leg., R.S., Ch. 199,
4 Sec. 5.08.)

5 Source Law

6 Sec. 5.08. (a) The district may exercise the
7 power of eminent domain to acquire by condemnation a
8 fee simple or other interest in property located in the
9 territory of the district if the property interest is
10 necessary to the exercise of the rights or authority
11 conferred by this Act.

12 (b) The district must exercise the power of
13 eminent domain in the manner provided by Chapter 21,
14 Property Code, but the district is not required to
15 deposit in the trial court money or a bond as provided
16 by Subsection (a), Section 21.021, Property Code.

17 (c) In a condemnation proceeding brought by the
18 district, the district is not required to pay in
19 advance or give bond or other security for costs in the
20 trial court, to give bond for the issuance of a
21 temporary restraining order or a temporary injunction,
22 or to give bond for costs or supersedeas on an appeal
23 or writ of error.

24 Revisor's Note

25 Section 5.08, Chapter 199, Acts of the 71st
26 Legislature, Regular Session, 1989, refers to a "writ
27 of error." The revised law substitutes "petition for
28 review" for "writ of error" because, effective
29 September 1, 1997, the Texas Supreme Court replaced
30 the writ of error procedure with the petition for
31 review procedure. See Rule 53.1, Texas Rules of
32 Appellate Procedure.

33 Revised Law

34 Sec. 1091.107. COST OF RELOCATING OR ALTERING PROPERTY. In
35 exercising the power of eminent domain, if the board requires
36 relocating, raising, lowering, rerouting, changing the grade of, or
37 altering the construction of any railroad, highway, pipeline, or
38 electric transmission and electric distribution, telegraph, or
39 telephone line, conduit, pole, or facility, the district must bear
40 the actual cost of relocating, raising, lowering, rerouting,
41 changing the grade, or altering the construction to provide
42 comparable replacement, without enhancement of facilities, after
43 deducting the net salvage value derived from the old facility.

1 (Acts 71st Leg., R.S., Ch. 199, Sec. 5.09.)

2 Source Law

3 Sec. 5.09. In exercising the power of eminent
4 domain, if the board requires relocating, raising,
5 lowering, rerouting, changing the grade, or altering
6 the construction of any railroad, highway, pipeline,
7 or electric transmission and electric distribution,
8 telegraph, or telephone lines, conduits, poles, or
9 facilities, the district must bear the actual cost of
10 relocating, raising, lowering, rerouting, changing
11 the grade, or altering the construction to provide
12 comparable replacement without enhancement of
13 facilities, after deducting the net salvage value
14 derived from the old facility.

15 Revised Law

16 Sec. 1091.108. GIFTS AND ENDOWMENTS. The board may accept
17 for the district a gift or endowment to be held in trust for any
18 purpose and under any direction, limitation, or other provision
19 prescribed in writing by the donor that is consistent with the
20 proper management of the district. (Acts 71st Leg., R.S., Ch. 199,
21 Sec. 5.13.)

22 Source Law

23 Sec. 5.13. On behalf of the district, the board
24 may accept gifts and endowments to be held in trust for
25 any purpose and under any direction, limitation, or
26 provision prescribed in writing by the donor that is
27 consistent with the proper management of the district.

28 Revised Law

29 Sec. 1091.109. CONSTRUCTION CONTRACTS. (a) The board may
30 enter into construction contracts for the district.

31 (b) The board may enter into a construction contract that
32 involves the expenditure of more than the amount provided by
33 Section 271.024, Local Government Code, only after competitive
34 bidding as provided by Subchapter B, Chapter 271, Local Government
35 Code. (Acts 71st Leg., R.S., Ch. 199, Sec. 5.06(a).)

36 Source Law

37 Sec. 5.06. (a) The board may enter into
38 construction contracts on behalf of the district;
39 however, the board may enter into construction
40 contracts that involve spending more than \$10,000 only
41 after competitive bidding as provided by Subchapter B,
42 Chapter 271, Local Government Code.

43 Revisor's Note

44 (1) Section 5.06(a), Chapter 199, Acts of the

1 71st Legislature, Regular Session, 1989, provides that
2 the district may enter into construction contracts
3 that involve spending more than \$10,000 only after
4 competitive bidding as provided by Subchapter B,
5 Chapter 271, Local Government Code. The revised law
6 omits the reference to the \$10,000 amount as
7 superseded by Section 5, Chapter 115, Acts of the 77th
8 Legislature, Regular Session, 2001, which amended
9 Section 271.024, Local Government Code, to increase
10 the contract amount for which competitive bidding is
11 required to \$25,000.

12 (2) Section 5.06(b), Chapter 199, Acts of the
13 71st Legislature, Regular Session, 1989, provides that
14 Article 5160, Revised Statutes, applies to the
15 district's construction contracts in relation to
16 performance and payment bonds. The revised law omits
17 the provision because Article 5160 was codified as
18 Chapter 2253, Government Code, and that chapter
19 applies to hospital districts on its own terms. The
20 omitted law reads:

21 (b) Article 5160, Revised Statutes,
22 as it relates to performance and payment
23 bonds, applies to construction contracts
24 let by the district.

25 Revised Law

26 Sec. 1091.110. OPERATING AND MANAGEMENT CONTRACTS. The
27 board may enter into an operating or management contract for the
28 district relating to a hospital facility. (Acts 71st Leg., R.S.,
29 Ch. 199, Sec. 5.07.)

30 Source Law

31 Sec. 5.07. The board may enter into operating or
32 management contracts relating to hospital facilities
33 on behalf of the district.

34 Revised Law

35 Sec. 1091.111. CONTRACTS FOR SERVICES. (a) The board may
36 contract with a public or private hospital, a political subdivision
37 of this state, or a state or federal agency for the district to

1 provide a mobile emergency medical service or other health care
2 services needed to provide for the investigatory or welfare needs
3 of district inhabitants.

4 (b) The board may contract with any person to receive or
5 supply the services the board considers necessary for the effective
6 operation of the district. (Acts 71st Leg., R.S., Ch. 199, Sec.
7 5.12.)

8 Source Law

9 Sec. 5.12. (a) The board may contract with a
10 city, county, special district, public or private
11 hospital, or other political subdivision of the state
12 or with a state or federal agency for the district to
13 furnish a mobile emergency medical service or other
14 health care services needed to provide for the
15 investigatory or welfare needs of inhabitants of the
16 district.

17 (b) The board may contract with individuals,
18 governmental entities, private corporations,
19 associations, partnerships, cooperatives, and foreign
20 governments to receive or to supply the services the
21 board considers necessary for the effective operation
22 of the district.

23 Revisor's Note

24 (1) Section 5.12(a), Chapter 199, Acts of the
25 71st Legislature, Regular Session, 1989, refers to a
26 "city, county, special district, public or private
27 hospital, or other political subdivision of the
28 state." Throughout this chapter, the revised law
29 omits references to "city," "county," and "special
30 district" in this context because those terms are
31 included in the meaning of "political subdivision of
32 the state."

33 (2) Section 5.12(b), Chapter 199, Acts of the
34 71st Legislature, Regular Session, 1989, refers to
35 "individuals, governmental entities, private
36 corporations, associations, partnerships,
37 cooperatives, and foreign governments." The revised
38 law substitutes "any person" for the quoted language
39 because Section 311.005, Government Code (Code
40 Construction Act), applicable to the revised law,
41 defines "person" to include "corporation,

1 organization, government or governmental subdivision
2 or agency, business trust, estate, trust, partnership,
3 association, and any other legal entity."

4 Revised Law

5 Sec. 1091.112. PROVISION OF CERTAIN HEALTH SERVICES. The
6 district may:

7 (1) operate or provide for the operation of a mobile
8 emergency medical service; and

9 (2) operate or provide for home health services,
10 long-term care, skilled nursing care, intermediate nursing care,
11 hospice care, or any other reasonable or appropriate medical care
12 or medical services. (Acts 71st Leg., R.S., Ch. 199, Sec. 5.01
13 (part).)

14 Source Law

15 Sec. 5.01. . . . the district:

16 . . .
17 (3) may operate or provide for the
18 operation of a mobile emergency medical service; and

19 (4) may operate or provide for home health
20 services, long-term care, skilled nursing care,
21 intermediate nursing care, hospice care, or any other
22 reasonable or appropriate medical care or medical
23 services.

24 Revised Law

25 Sec. 1091.113. PAYMENT FOR TREATMENT; PROCEDURES. (a) If
26 an individual who resides in the district is admitted as a patient
27 to a district facility, the district administrator may have an
28 inquiry made into the financial circumstances of:

29 (1) the patient; and

30 (2) a relative of the patient who is legally
31 responsible for the patient's support.

32 (b) To the extent that the patient or a relative of the
33 patient who is legally responsible for the patient's support cannot
34 pay for care and treatment provided by the district, the district
35 shall supply the care and treatment without charging the patient or
36 the patient's relative.

37 (c) On determining that the patient or a relative legally
38 responsible for the patient's support can pay for all or part of the

1 care and treatment provided by the district, the district
2 administrator shall report that determination to the board, and the
3 board shall issue an order directing the patient or the relative to
4 pay the district a specified amount each week. The amount must be
5 based on the individual's ability to pay.

6 (d) The district administrator may collect money owed to the
7 district from the patient's estate or from that of a relative
8 legally responsible for the patient's support in the manner
9 provided by law for the collection of expenses in the last illness
10 of a deceased person.

11 (e) If there is a dispute relating to an individual's
12 ability to pay or if the district administrator has any doubt
13 concerning an individual's ability to pay, the board shall:

- 14 (1) call witnesses;
- 15 (2) hear and resolve the question; and
- 16 (3) issue a final order.

17 (f) A final order of the board may be appealed only to a
18 district court in Colorado County. The substantial evidence rule
19 applies to the appeal. (Acts 71st Leg., R.S., Ch. 199, Secs.
20 5.10(b), (c), (d), (e), (f).)

21 Source Law

22 (b) If an individual residing in the district is
23 admitted as a patient to a facility of the district,
24 the administrator may have an inquiry made into the
25 patient's financial circumstances and into those of a
26 relative of the patient who is legally responsible for
27 the patient's support.

28 (c) On finding that the patient or a relative of
29 the patient legally responsible for the patient's
30 support can pay for all or any part of the care and
31 treatment provided by the district, the administrator
32 shall report that finding to the board, and the board
33 shall issue an order directing the patient or the
34 relative to pay the district each week a specified
35 amount based on the individual's ability to pay.

36 (d) The administrator may collect money owed to
37 the district from the estate of the patient or from
38 that of a relative who was legally responsible for the
39 patient's support in the manner provided by law for
40 collection of expenses in the last illness of a
41 deceased person.

42 (e) To the extent that a patient or a relative of
43 the patient legally responsible for the patient's
44 support cannot pay for care and treatment provided by
45 the district, the district shall supply that care and
46 treatment without charging the patient or the
47 patient's relative.

1 (f) If there is a dispute relating to an
2 individual's ability to pay or if the administrator has
3 any doubt concerning an individual's ability to pay,
4 the board shall call witnesses, hear and resolve the
5 question, and issue a final order. An appeal from a
6 final order of the board must be made to a district
7 court in the county in which the district is located,
8 and the substantial evidence rule applies.

9 Revisor's Note

10 (1) Section 5.10(a), Chapter 199, Acts of the
11 71st Legislature, Regular Session, 1989, requires the
12 district to adopt an application procedure for
13 assistance eligibility. The revised law omits the
14 provision because it duplicates provisions in Sections
15 61.053(a) and (b), Health and Safety Code, which apply
16 to the district and detail the application procedure.
17 The omitted law reads:

18 Sec. 5.10. (a) Not later than the
19 beginning of each operating year, the
20 district shall adopt an application
21 procedure to determine eligibility for
22 assistance, as provided by Section 10.03,
23 Indigent Health Care and Treatment Act
24 (Article 4438f, Vernon's Texas Civil
25 Statutes).

26 (2) Section 5.10(f), Chapter 199, Acts of the
27 71st Legislature, Regular Session, 1989, authorizes
28 the appeal of a final order to be made to the district
29 court "in the county in which the district is located."
30 The revised law substitutes "Colorado County" for the
31 quoted language because Colorado County is the county
32 in which the district is located.

33 Revised Law

34 Sec. 1091.114. REIMBURSEMENT FOR SERVICES. (a) The board
35 shall require a county, municipality, or public hospital located
36 outside the district to reimburse the district for the district's
37 care and treatment of a sick or injured person of that county,
38 municipality, or public hospital, as provided by Chapter 61, Health
39 and Safety Code.

40 (b) The board shall require the sheriff of Colorado County
41 or the police chief of the City of Eagle Lake, as applicable, to
42 reimburse the district for the district's care and treatment of a

1 person who is confined in a jail facility of Colorado County or the
2 City of Eagle Lake and is not a district resident.

3 (c) The board may contract with the state or federal
4 government for that government to reimburse the district for
5 treatment of a sick or injured person. (Acts 71st Leg., R.S., Ch.
6 199, Sec. 5.11.)

7 Source Law

8 Sec. 5.11. (a) The board shall require
9 reimbursement from a county, city, or public hospital
10 located outside the boundaries of the district for the
11 district's care and treatment of a sick, diseased, or
12 injured person of that county, city, or public
13 hospital as provided by the Indigent Health Care and
14 Treatment Act (Article 4438f, Vernon's Texas Civil
15 Statutes).

16 (b) The board shall require reimbursement from
17 the sheriff of Colorado County for the district's care
18 and treatment of a person confined in a jail facility
19 of Colorado County who is not a resident of the
20 district.

21 (c) The board shall require reimbursement from
22 the police chief of the City of Eagle Lake for the
23 district's care and treatment of a person confined in a
24 jail facility of the City of Eagle Lake who is not a
25 resident of the district.

26 (d) The board may contract with the state or
27 federal government for the state or federal government
28 to reimburse the district for treatment of a sick,
29 diseased, or injured person.

30 Revisor's Note

31 (1) Section 5.11(a), Chapter 199, Acts of the
32 71st Legislature, Regular Session, 1989, refers to a
33 "city." The revised law substitutes "municipality"
34 for "city" because that is the term used in the Local
35 Government Code.

36 (2) Sections 5.11(a) and (d), Chapter 199, Acts
37 of the 71st Legislature, Regular Session, 1989, refer
38 to a "sick, diseased, or injured person." The revised
39 law omits the references to "diseased" because
40 "diseased" is included in the meaning of "sick."

41 (3) Section 5.11(a), Chapter 199, Acts of the
42 71st Legislature, Regular Session, 1989, refers to the
43 Indigent Health Care and Treatment Act (Article 4438f,
44 Vernon's Texas Civil Statutes). That statute was
45 codified in 1989 as Chapter 61, Health and Safety Code.

1 The revised law is drafted accordingly.

2 Revised Law

3 Sec. 1091.115. AUTHORITY TO SUE AND BE SUED. The board may

17 participate at the hearing.

18 (d) At the conclusion of the hearing, the board shall adopt
19 a budget by acting on the budget proposed by the district
20 administrator. The board may make any changes in the proposed
21 budget that the board judges to be in the interests of the
22 taxpayers.

23 (e) The budget is effective only after adoption by the

37 in the proposed budget that in its judgment the
38 interests of the taxpayers demand.

39 (e) The budget is effective only after adoption
40 by the board.

41 Revised Law

42 Sec. 1091.153. AMENDMENTS TO BUDGET. After the annual

17 Sec. 1091.155. ANNUAL AUDIT. The board annually shall have
18 an audit made of the district's financial condition. (Acts 71st
19 Leg., R.S., Ch. 199, Sec. 6.02.)

20 Source Law

21 Sec. 6.02. Annually, the board shall have an
22 audit made of the financial condition of the district.

23 Revised Law

24 Sec. 1091.156. INSPECTION OF ANNUAL AUDIT AND DISTRICT
25 RECORDS. The annual audit and other district records are open to
26 inspection during regular business hours at the district's
27 principal office. (Acts 71st Leg., R.S., Ch. 199, Sec. 6.03.)

28 Source Law

29 Sec. 6.03. The annual audit and other district
30 records are open to inspection during regular business
31 hours at the principal office of the district.

32 Revised Law

33 Sec. 1091.157. FINANCIAL REPORT. As soon as practicable
34 after the close of the fiscal year, the district administrator
35 shall prepare for the board:

36 (1) a sworn statement of the amount of district money;
37 and

38 (2) an account of the disbursements of that money.

1 (Acts 71st Leg., R.S., Ch. 199, Sec. 6.08.)

2 Source Law

3 Sec. 6.08. As soon as practicable after the
4 close of the fiscal year, the administrator shall
5 prepare for the board a sworn statement of the amount
6 of money that belongs to the district and an account of
7 the disbursements of that money.

8 Revised Law

9 Sec. 1091.158. SHORT-TERM FINANCING. The district may
10 borrow money through short-term financing. (Acts 71st Leg., R.S.,
11 Ch. 199, Sec. 6.07.)

12 Source Law

13 Sec. 6.07. Money may be borrowed through
14 short-term financing.

15 Revised Law

16 Sec. 1091.159. DEPOSITORY. (a) The board shall select at
17 least one bank to serve as a depository for district money.

18 (b) District money, other than money invested as provided by
19 Section 1091.160(b) and money transmitted to a bank for payment of
20 bonds or obligations issued or assumed by the district, shall be
21 deposited as received with the depository bank and must remain on
22 deposit. This subsection does not limit the power of the board to
23 place a part of district money on time deposit or to purchase
24 certificates of deposit.

25 (c) The district may not deposit money with a bank in an
26 amount that exceeds the maximum amount secured by the Federal
27 Deposit Insurance Corporation unless the bank first executes a bond
28 or other security in an amount sufficient to secure from loss the
29 district money that exceeds the amount secured by the Federal
30 Deposit Insurance Corporation. (Acts 71st Leg., R.S., Ch. 199,
31 Sec. 6.10.)

32 Source Law

33 Sec. 6.10. (a) The board shall name at least
34 one bank to serve as depository for district funds.

35 (b) District funds, other than those invested as
36 provided by Subsection (b) of Section 6.09 of this Act
37 and those transmitted to a bank of payment for bonds or
38 obligations issued or assumed by the district, shall
39 be deposited as received with the depository bank and
40 must remain on deposit. This subsection does not limit
41 the power of the board to place a portion of district

1 funds on time deposit or to purchase certificates of
2 deposit.

3 (c) Before the district deposits funds in a bank
4 in an amount that exceeds the maximum amount secured by
5 the Federal Deposit Insurance Corporation, the bank
6 must execute a bond or other security in an amount
7 sufficient to secure from loss the district funds that
8 exceed the amount secured by the Federal Deposit
9 Insurance Corporation.

10 Revised Law

11 Sec. 1091.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
12 Except as provided by Sections 1091.109, 1091.201, 1091.204, and
13 1091.205, the district may not incur a debt payable from district
14 revenue other than the revenue on hand or to be on hand in the
15 current fiscal year and the immediately following fiscal year of
16 the district.

17 (b) The board may invest operating, depreciation, or
18 building reserves only in funds or securities specified by Chapter
19 2256, Government Code. (Acts 71st Leg., R.S., Ch. 199, Sec. 6.09.)

20 Source Law

21 Sec. 6.09. (a) Except as provided by Subsection
22 (a) of Section 5.06 and Sections 7.01, 7.04, and 7.05
23 of this Act, the district may not incur a debt payable
24 from revenues of the district other than the revenues
25 on hand or to be on hand in the current and immediately
26 following fiscal year of the district.

27 (b) The board may invest operating,
28 depreciation, or building reserves only in funds or
29 securities specified by Article 836 or 837, Revised
30 Statutes.

31 Revisor's Note

32 Section 6.09(b), Chapter 199, Acts of the 71st
33 Legislature, Regular Session, 1989, refers to Articles
34 836 and 837, Revised Statutes. Those articles were
35 impliedly repealed by the enactment of the Public
36 Funds Investment Act of 1987 (Article 842a-2, Vernon's
37 Texas Civil Statutes), which was revised in 1993 as
38 Chapter 2256, Government Code. Chapter 2256 defines
39 "local government" to include hospital districts and
40 applies to the district by its own terms. The revised
41 law therefore substitutes a reference to Chapter 2256,
42 Government Code, for the reference to Articles 836 and
43 837.

2 SUBCHAPTER E. BONDS

3 Revised Law

4 Sec. 1091.201. GENERAL OBLIGATION BONDS. If authorized by
5 an election, the board may issue and sell general obligation bonds
6 in the name and on the faith and credit of the district to:

7 (1) purchase, construct, acquire, repair, or renovate
8 buildings or improvements;

9 (2) equip buildings or improvements for hospital
10 purposes; or

11 (3) acquire and operate a mobile emergency medical
12 service. (Acts 71st Leg., R.S., Ch. 199, Sec. 7.01.)

13 Source Law

14 Sec. 7.01. The board may issue and sell bonds
15 authorized by an election in the name and on the faith
16 and credit of the hospital district to:

17 (1) purchase, construct, acquire, repair,
18 or renovate buildings or improvements;

19 (2) equip buildings or improvements for
20 hospital purposes; or

21 (3) acquire and operate a mobile emergency
22 medical service.

23 Revisor's Note

24 Section 7.01, Chapter 199, Acts of the 71st
25 Legislature, Regular Session, 1989, provides that the
26 board may issue and sell bonds in the name and on the
27 faith and credit of the district. Because the type of
28 bonds described by Section 7.01 are known as "general
29 obligation bonds," the revised law is drafted
30 accordingly.

31 Revised Law

32 Sec. 1091.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
33 the time general obligation bonds are issued by the district under
34 Section 1091.201, the board shall impose an ad valorem tax at a rate
35 sufficient to create an interest and sinking fund to pay the
36 principal of and interest on the bonds as the bonds mature.

37 (b) The tax required by this section together with any other
38 ad valorem tax the district imposes may not in any year exceed the

1 limit approved by the voters at the election authorizing the
2 imposition of the tax. (Acts 71st Leg., R.S., Ch. 199, Sec. 7.02.)

3 Source Law

4 Sec. 7.02. (a) At the time the bonds are issued
5 by the district, the board shall levy a tax.

6 (b) The tax must be sufficient to create an
7 interest and sinking fund to pay the principal of and
8 interest on the bonds as they mature.

9 (c) In any year, the tax together with any other
10 tax the district levies may not exceed the limit
11 approved by the voters at the election authorizing the
12 levy of taxes.

13 Revisor's Note

14 Section 7.02, Chapter 199, Acts of the 71st
15 Legislature, Regular Session, 1989, requires the
16 district to levy a tax to pay the principal of and
17 interest on bonds. The revised law specifies that the
18 tax is an "ad valorem" tax because it is clear from the
19 source law that the tax is a property tax and "ad
20 valorem" is the term most commonly used to refer to a
21 property tax. In addition, throughout this chapter,
22 the revised law substitutes "impose" for "levy"
23 because, in this context, the terms are synonymous and
24 the former is more commonly used.

25 Revised Law

26 Sec. 1091.203. GENERAL OBLIGATION BOND ELECTION. (a) The
27 district may issue general obligation bonds only if the bonds are
28 authorized by a majority of the district voters voting at an
29 election held for that purpose.

30 (b) The board may order a bond election. The order calling
31 the election must specify:

- 32 (1) the nature and date of the election;
33 (2) the hours during which the polls will be open;
34 (3) the location of the polling places;
35 (4) the amount of the bonds to be authorized; and
36 (5) the maximum maturity of the bonds.

37 (c) Notice of a bond election shall be given as provided by
38 Section 1251.003, Government Code.

1 (d) The board shall declare the results of the election.
2 (Acts 71st Leg., R.S., Ch. 199, Sec. 7.03.)

3 Source Law

4 Sec. 7.03. (a) The district may issue general
5 obligation bonds only if the bonds are authorized by a
6 majority of the qualified voters of the district
7 voting at an election called and held for that purpose.

8 (b) The board may order a bond election. The
9 order calling the election must state the nature and
10 date of the election, the hours during which the polls
11 will be open, the location of the polling places, the
12 amount of bonds to be authorized, and the maximum
13 maturity of the bonds.

14 (c) Notice of a bond election shall be given as
15 provided by Article 704, Revised Statutes.

16 (d) The board shall canvass the returns and
17 declare the results of the election.

18 Revisor's Note

19 (1) Section 7.03(a), Chapter 199, Acts of the
20 71st Legislature, Regular Session, 1989, refers to a
21 majority vote of the "qualified" voters of the
22 district. The revised law omits "qualified" as
23 unnecessary in this context because Chapter 11,
24 Election Code, governs eligibility to vote in an
25 election in this state and allows only "qualified"
26 voters who are residents of the territory covered by
27 the election to vote in an election.

28 (2) Section 7.03(a), Chapter 199, Acts of the
29 71st Legislature, Regular Session, 1989, refers to an
30 election "called and held." Throughout this chapter,
31 the revised law omits references to "calling" an
32 election because, in this context, "calling" an
33 election is included in the meaning of "holding" an
34 election. Under Chapter 3, Election Code, all
35 elections must be ordered (called) before they may be
36 held.

37 (3) Section 7.03(c), Chapter 199, Acts of the
38 71st Legislature, Regular Session, 1989, refers to
39 Article 704, Revised Statutes, which specifies certain
40 notice requirements for a bond election. That
41 provision was codified in 1999 as Section 1251.003,

1 Government Code. The revised law is drafted
2 accordingly.

3 (4) Section 7.03(d), Chapter 199, Acts of the
4 71st Legislature, Regular Session, 1989, provides that
5 "[t]he board shall canvass the returns" of a bond
6 election. The revised law omits this requirement
7 because it duplicates Section 67.002, Election Code,
8 which requires the governing body of a political
9 subdivision that orders an election to canvass the
10 returns.

11 Revised Law

12 Sec. 1091.204. REVENUE BONDS. (a) The board may issue
13 revenue bonds to:

14 (1) purchase, construct, acquire, repair, equip, or
15 renovate buildings or improvements for hospital purposes;

16 (2) acquire sites to be used for hospital purposes; or

17 (3) acquire and operate a mobile emergency medical
18 service to assist the district in carrying out its hospital
19 purposes.

20 (b) The bonds must be payable from and secured by a pledge of
21 all or part of the revenue derived from the operation of the
22 district's hospital system.

23 (c) The bonds may be additionally secured by a mortgage or
24 deed of trust lien on all or part of district property.

25 (d) The bonds must be issued in the manner provided by
26 Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049,
27 Health and Safety Code, for issuance of revenue bonds by a county
28 hospital authority. (Acts 71st Leg., R.S., Ch. 199, Sec. 7.04.)

29 Source Law

30 Sec. 7.04. (a) The board may issue revenue
31 bonds to:

32 (1) purchase, construct, acquire, repair,
33 equip, or renovate buildings or improvements for
34 hospital purposes;

35 (2) acquire sites to be used for hospital
36 purposes; or

37 (3) acquire and operate a mobile emergency
38 medical service to assist the district in carrying out
39 its hospital purposes.

1 (b) The bonds must be payable from and secured
2 by a pledge of all or part of the revenues derived from
3 the operation of the district's hospital system. The
4 bonds may be additionally secured by a mortgage or deed
5 of trust lien on all or part of district property.

6 (c) The bonds must be issued in the manner
7 provided by Sections 8, 10, 11, 12, and 13, County
8 Hospital Authority Act (Article 4494r, Vernon's Texas
9 Civil Statutes), for issuance of revenue bonds by
10 county hospital authorities.

11 Revisor's Note

12 Section 7.04(c), Chapter 199, Acts of the 71st
13 Legislature, Regular Session, 1989, refers to Sections
14 8, 10, 11, 12, and 13, County Hospital Authority Act
15 (Article 4494r, Vernon's Texas Civil Statutes). Those
16 provisions were codified in 1989 as Sections 264.042,
17 264.043, 264.046, 264.047, 264.048, and 264.049,
18 Health and Safety Code. The revised law is drafted
19 accordingly.

20 Revised Law

21 Sec. 1091.205. REFUNDING BONDS. (a) The board may issue
22 refunding bonds to refund outstanding indebtedness issued or
23 assumed by the district.

24 (b) Refunding bonds may be:

25 (1) sold, with the proceeds of the refunding bonds
26 applied to the payment of the outstanding indebtedness; or

27 (2) exchanged wholly or partly for not less than a
28 similar principal amount of outstanding indebtedness. (Acts 71st
29 Leg., R.S., Ch. 199, Secs. 7.05(a), (c) (part).)

30 Source Law

31 Sec. 7.05. (a) Refunding bonds of the district
32 may be issued to refund and pay off an outstanding
33 indebtedness the district has issued or assumed.

34 (c) The refunding bonds may be sold and the
35 proceeds applied to the payment of outstanding
36 indebtedness or may be exchanged in whole or in part
37 for not less than a similar principal amount of
38 outstanding indebtedness. . . .

39 Revisor's Note

40 Sections 7.05(b) and (c), Chapter 199, Acts of
41 the 71st Legislature, Regular Session, 1989, require
42 the district to issue refunding bonds in the manner

1 prescribed by Article 717k-3 (Vernon's Texas Civil
2 Statutes), and, for refunding bonds that will be sold,
3 to issue the bonds and to make payments on the bonds in
4 the manner prescribed by Article 717k (Vernon's Texas
5 Civil Statutes). Articles 717k and 717k-3 were
6 codified in 1999 as Chapter 1207, Government Code. The
7 revised law omits the provisions because Chapter 1207,
8 Government Code, applies to the district by its own
9 terms under Section 1207.001, Government Code. The
10 omitted law reads:

11 (b) The bonds must be issued in the
12 manner provided by Chapter 784, Acts of the
13 61st Legislature, Regular Session, 1969
14 (Article 717k-3, Vernon's Texas Civil
15 Statutes).

16 (c) . . . If the refunding bonds are
17 to be sold and the proceeds applied to the
18 payment of outstanding indebtedness, the
19 refunding bonds must be issued and payments
20 made in the manner provided by Chapter 503,
21 Acts of the 54th Legislature, Regular
22 Session, 1955 (Article 717k, Vernon's Texas
23 Civil Statutes).

24 Revised Law

25 Sec. 1091.206. MATURITY OF BONDS. District bonds must
26 mature not later than 50 years after the date of issuance. (Acts
27 71st Leg., R.S., Ch. 199, Sec. 7.06 (part).)

28 Source Law

29 Sec. 7.06. District bonds must mature not more
30 than 50 years after the date of their issuance and
31

32 Revisor's Note

33 Section 7.06, Chapter 199, Acts of the 71st
34 Legislature, Regular Session, 1989, provides that
35 district bonds must bear interest at a rate that does
36 not exceed the rate provided by Chapter 3, Acts of the
37 61st Legislature, Regular Session, 1969 (Article
38 717k-2, Vernon's Texas Civil Statutes). The revised
39 law omits that provision because the maximum interest
40 rate noted in Chapter 3 was revised in 1999 as Section
41 1204.006, Government Code, and Section 1204.006

1 applies to the district by its terms under Section
2 1204.001, Government Code. The omitted law reads:

3 Sec. 7.06. [District bonds] . . .
4 must bear interest at a rate not to exceed
5 that provided by Chapter 3, Acts of the 61st
6 Legislature, Regular Session, 1969 (Article
7 717k-2, Vernon's Texas Civil Statutes).

8 Revised Law

9 Sec. 1091.207. EXECUTION OF BONDS. (a) The board president
10 shall execute the district's bonds in the district's name.

11 (b) The board secretary shall countersign the bonds in the
12 manner provided by Chapter 618, Government Code. (Acts 71st Leg.,
13 R.S., Ch. 199, Sec. 7.07.)

14 Source Law

15 Sec. 7.07. The president of the board shall
16 execute the bonds in the name of the district, and the
17 secretary of the board shall countersign the bonds in
18 the manner provided by the Texas Uniform Facsimile
19 Signature of Public Officials Act (Article 717j-1,
20 Vernon's Texas Civil Statutes).

21 Revisor's Note

22 Section 7.07, Chapter 199, Acts of the 71st
23 Legislature, Regular Session, 1989, refers to the
24 Texas Uniform Facsimile Signature of Public Officials
25 Act (Article 717j-1, Vernon's Texas Civil Statutes).
26 That statute was codified in 1999 as Chapter 618,
27 Government Code, and the revised law is drafted
28 accordingly.

29 Revised Law

30 Sec. 1091.208. BONDS EXEMPT FROM TAXATION. The following
31 are exempt from taxation by this state or a political subdivision of
32 this state:

- 33 (1) bonds issued by the district;
34 (2) any transaction relating to the bonds; and
35 (3) profits made in the sale of the bonds. (Acts 71st
36 Leg., R.S., Ch. 199, Sec. 7.11 (part).)

37 Source Law

38 Sec. 7.11. . . . bonds issued by the district,
39 any transaction relating to the bonds, and profits
40 made in the sale of the bonds are free from taxation by

1 the state or by any city, county, special district, or
2 other political subdivision of the state.

3 Revisor's Note
4 (End of Subchapter)

5 (1) Section 7.08, Chapter 199, Acts of the 71st
6 Legislature, Regular Session, 1989, provides that
7 district bonds are subject to the laws governing
8 counties that relate to bond approval by the attorney
9 general and registration of the bonds by the
10 comptroller. Section 7.08 also states that after
11 approval and registration the bonds are "incontestable
12 for any cause." The revised law omits these provisions
13 because they duplicate, in substance, Chapter 1202,
14 Government Code. Section 1202.003(a), Government
15 Code, requires that bonds be submitted to the attorney
16 general. Section 1202.003(b), Government Code,
17 provides for approval of the bonds by the attorney
18 general and requires the attorney general to submit
19 the approved bonds to the comptroller for
20 registration. Section 1202.005, Government Code,
21 requires registration of the bonds by the comptroller.
22 Section 1202.006, Government Code, provides that after
23 approval and registration the bonds are incontestable
24 and binding obligations. Chapter 1202, Government
25 Code, applies to district bonds by application of
26 Section 1202.001, Government Code. The omitted law
27 reads:

28 Sec. 7.08. (a) District bonds are
29 subject to the same requirements with
30 regard to approval by the attorney general
31 and registration by the comptroller of
32 public accounts as the law provides for
33 approval and registration of bonds issued
34 by counties.

35 (b) On approval by the attorney
36 general and registration by the comptroller
37 of public accounts, the bonds are
38 incontestable for any cause.

39 (2) Section 7.09, Chapter 199, Acts of the 71st
40 Legislature, Regular Session, 1989, provides that
41 district bonds are legal and authorized investments

1 for certain entities. The revised law omits the
2 provision as unnecessary. As to several of the
3 entities listed, Section 7.09 has been superseded and
4 impliedly repealed or it duplicates existing law.
5 Investments in securities by banks are regulated by
6 Section 34.101, Finance Code (enacted in 1995 as
7 Section 5.101, Texas Banking Act (Article 342-5.101,
8 Vernon's Texas Civil Statutes)). Investments in
9 securities by savings banks are regulated by Section
10 93.001(c)(10), Finance Code (enacted in 1993 as
11 Section 7.15(10), Texas Savings Bank Act (Article
12 489e, Vernon's Texas Civil Statutes)). Investments in
13 securities by trust companies are regulated by Section
14 184.101, Finance Code (enacted in 1997 as Section
15 5.101, Texas Trust Company Act (Article 342a-5.101,
16 Vernon's Texas Civil Statutes)). Investments in
17 securities by savings and loan associations are
18 regulated by Sections 63.002 and 64.001, Finance Code.
19 As to the remaining entities listed, Section 7.09
20 duplicates Section 1201.041, Government Code, enacted
21 as Section 9, Bond Procedures Act of 1981 (Article
22 717k-6, Vernon's Texas Civil Statutes). While Section
23 7.09 lists "guardians" and Section 1201.041 does not,
24 the latter statute includes "fiduciaries," and a
25 guardian is a fiduciary. Section 1201.041, Government
26 Code, applies to district bonds by application of
27 Section 1201.002, Government Code. The revised law
28 omits the reference to public funds of this state
29 because it has been superseded by Section 404.024,
30 Government Code (enacted in 1985 as Section 2.014,
31 Treasury Act (Article 4393-1, Vernon's Texas Civil
32 Statutes), and last amended in 2007), which governs
33 the investment of state funds. Section
34 404.024(b)(10), Government Code, authorizes the

1 investment of state funds in obligations of political
2 subdivisions, including hospital districts. The
3 omitted law reads:

4 Sec. 7.09. District bonds and
5 indebtedness assumed by the district are
6 legal and authorized investments for:

- 7 (1) banks;
8 (2) savings banks;
9 (3) trust companies;
10 (4) savings and loan
11 associations;
12 (5) insurance companies;
13 (6) fiduciaries;
14 (7) trustees;
15 (8) guardians; and
16 (9) sinking funds of cities,
17 counties, school districts, and other
18 political subdivisions of the state and
19 other public funds of the state and its
20 agencies, including the permanent school
21 fund.

22 (3) Section 7.10, Chapter 199, Acts of the 71st
23 Legislature, Regular Session, 1989, provides that
24 district bonds may secure deposits of public funds of
25 this state or political subdivisions of this state.
26 The revised law omits the provisions relating to
27 deposits of state funds by the comptroller as
28 impliedly repealed by Section 404.0221, Government
29 Code (enacted in 1995), which lists eligible
30 collateral for deposits of state funds by the
31 comptroller. As to deposits of other funds, this
32 provision duplicates Chapter 2257, Government Code,
33 which governs eligible collateral for deposits of
34 funds of other public agencies, including political
35 subdivisions, and permits those deposits to be secured
36 by obligations issued by hospital districts. The
37 omitted law reads:

38 Sec. 7.10. District bonds are
39 eligible to secure deposits of public funds
40 of the state and of cities, counties, school

42 of the state. The bonds are lawful and
43 sufficient security for deposits to the
44 extent of their value if accompanied by all
45 unmatured coupons.

1 SUBCHAPTER F. TAXES

2 Revised Law

3 Sec. 1091.251. IMPOSITION OF AD VALOREM TAX. (a) The board
4 may impose a tax on all property in the district subject to district
5 taxation.

6 (b) The tax may be used to pay:

7 (1) indebtedness issued or assumed by the district;
8 and

9 (2) the maintenance and operating expenses of the
10 district. (Acts 71st Leg., R.S., Ch. 199, Secs. 8.01(a) (part),
11 (c), 8.02(b).)

12 Source Law

13 Sec. 8.01. (a) The board may annually levy
14 taxes. . . .

15 (c) The taxes may be used to pay:

16 (1) the indebtedness issued or assumed by
17 the district; and

18 (2) the maintenance and operating expenses
19 of the district.

20 [Sec. 8.02]

21 (b) The board shall levy taxes on all property
22 in the district subject to hospital district taxation.

23 Revised Law

24 Sec. 1091.252. TAX RATE. (a) The board may impose the tax
25 at a rate not to exceed the limit approved by the voters at the
26 election authorizing the imposition of the tax.

27 (b) The tax rate for all purposes may not exceed 75 cents on
28 each \$100 valuation of all taxable property in the district.

29 (c) In setting the tax rate, the board shall consider the
30 income of the district from sources other than taxation. (Acts 71st
31 Leg., R.S., Ch. 199, Secs. 8.01(a) (part), (b), 8.03 (part).)

32 Source Law

33 Sec. 8.01. (a) [The board may annually levy
34 taxes] in an amount not to exceed the limit approved by
35 the voters at the election authorizing the levy of
36 taxes.

37 (b) The tax rate for all purposes may not exceed
38 75 cents on each \$100 valuation of all taxable property
39 in the district.

40 Sec. 8.03. In setting the tax rate, the board
41 shall take into consideration the income of the
42 district from sources other than taxation. . . .

1 Revisor's Note

2 Section 8.03, Chapter 199, Acts of the 71st
3 Legislature, Regular Session, 1989, requires the board
4 to levy the tax and to certify the tax rate to the tax
5 assessor-collector. The revised law omits that
6 provision because Section 26.05(a), Tax Code, requires
7 the governing body of a taxing unit to adopt a tax rate
8 for the current tax year and to notify the tax assessor
9 of that rate. The omitted law reads:

10 Sec. 8.03. . . . On determination of
11 the amount of tax required to be levied, the
12 board shall make the levy and certify it to
13 the tax assessor-collector.

14 Revised Law

15 Sec. 1091.253. TAX ASSESSOR-COLLECTOR. The board may
16 provide for the appointment of a tax assessor-collector for the
17 district or may contract for the assessment and collection of taxes
18 as provided by the Tax Code. (Acts 71st Leg., R.S., Ch. 199, Sec.
19 8.04(b).)

20 Source Law

21 (b) The board may provide for the appointment of
22 a tax assessor-collector for the district or may
23 contract for the assessment and collection of taxes as
24 provided by the Tax Code.

25 Revisor's Note
26 (End of Subchapter)

27 (1) Sections 8.02(a) and (c), Chapter 199, Acts
28 of the 71st Legislature, Regular Session, 1989,
29 provide respectively that the district may impose
30 taxes for the entire year in which the district is
31 created and that Section 26.12(d), Tax Code, does not
32 apply to the district. The revised law omits those
33 provisions as executed. The omitted law reads:

34 Sec. 8.02. (a) The board may levy
35 taxes for the entire year in which the
36 district is created.

37 (c) Subsection (d), Section 26.12,
38 Tax Code, does not apply to the district. If
39 the district is created after June 30, the
40 district may impose taxes as provided by the
41 Tax Code as if the district had existed on

1 January 1 of the year in which it is
2 created.

3 (2) Section 8.04(a), Chapter 199, Acts of the
4 71st Legislature, Regular Session, 1989, provides that
5 the Tax Code governs the appraisal, assessment, and
6 collection of district taxes. The revised law omits
7 this provision as unnecessary because Title 1, Tax
8 Code, governs the appraisal of property for and the
9 assessment and collection of ad valorem taxes by all
10 taxing units in this state, including hospital
11 districts. See Section 1.02, Tax Code. The omitted
12 law reads:

13 Sec. 8.04. (a) The Tax Code governs
14 the appraisal, assessment, and collection
15 of district taxes.

16 [Sections 1091.254-1091.300 reserved for expansion]

17 SUBCHAPTER G. DISSOLUTION

18 Revised Law

19 Sec. 1091.301. DISSOLUTION; ELECTION. (a) The district
20 may be dissolved and the district's assets and liabilities sold or
21 transferred to another person only on approval of a majority of the
22 district voters voting in an election held for that purpose.

23 (b) A majority of the directors of the district may order an
24 election on the question of dissolution of the district and the
25 transfer of the district's assets and liabilities.

26 (c) The board shall order an election under this section if
27 the board receives a petition requesting an election that is signed
28 by at least 300 registered district voters according to the most
29 recent official list of registered voters. The board shall call the
30 election not later than the 60th day after the date the petition is
31 presented to the district.

32 (d) An order calling an election under this section must
33 state:

34 (1) the nature of the election, including the
35 proposition to appear on the ballot;

36 (2) the date of the election;

1 (3) the hours during which the polls will be open; and

2 (4) the location of the polling places.

3 (e) Section 41.001(a), Election Code, does not apply to an
4 election ordered under this section. (Acts 71st Leg., R.S., Ch.
5 199, Secs. 9.01, 9.02, 9.03, 9.05(b).)

6 Source Law

7 Sec. 9.01. The district may be dissolved and its
8 assets and liabilities sold or transferred to another
9 entity or person only if the dissolution and the
10 transfer are approved by a majority of the qualified
11 voters of the territory of the district voting at an
12 election called and held for that purpose.

13 Sec. 9.02. (a) A majority of the directors of
14 the district may order an election on the question of
15 dissolution of the district and transfer of its assets
16 and liabilities to be held.

17 (b) On presentation of a petition for a
18 dissolution election signed by at least 300 of the
19 registered voters of the territory of the proposed
20 district, according to the most recent official list
21 of registered voters, the directors shall order an
22 election on the question of dissolution of the
23 district and transfer of its assets and liabilities to
24 be held. The election shall be called not later than
25 the 60th day after the date the petition is presented
26 to the district.

27 Sec. 9.03. The order calling the election must
28 state:

29 (1) the nature of the election, including
30 the proposition that is to appear on the ballot;

31 (2) the date of the election;

32 (3) the hours during which the polls will
33 be open; and

34 (4) the location of the polling places.

35 [Sec. 9.05]

36 (b) Subsection (a), Section 41.001, Election
37 Code, does not apply to an election ordered under this
38 article.

39 Revisor's Note

40 (1) Section 9.01, Chapter 199, Acts of the 71st
41 Legislature, Regular Session, 1989, refers to "another
42 entity or person." Throughout this chapter, the
43 revised law omits "entity" because in this context
44 "entity" is included in the meaning of "person" under
45 Section 311.005(2), Government Code (Code
46 Construction Act).

47 (2) Section 9.01, Chapter 199, Acts of the 71st
48 Legislature, Regular Session, 1989, provides for
49 dissolution of the district if approved by a majority

1 of the "qualified" voters of the district. The revised
2 law omits "qualified" for the reason stated in
3 Revisor's Note (1) to Section 1091.203.

4 (3) Section 9.02(b), Chapter 199, Acts of the
5 71st Legislature, Regular Session, 1989, refers to the
6 registered voters of the "proposed" district.
7 Throughout this subchapter, the revised law omits
8 "proposed" as executed because the district has been
9 created.

10 (4) Section 9.05(a), Chapter 199, Acts of the
11 71st Legislature, Regular Session, 1989, states that
12 the election must be held not less than 45 nor more
13 than 60 days after the date the election is ordered.
14 The revised law omits the provision as superseded by
15 Section 3.005, Election Code, applicable to the
16 district under Section 1.002, Election Code. Section
17 3.005, as amended by Chapter 925, Acts of the 78th
18 Legislature, Regular Session, 2003, requires an
19 election order issued by the authority of a political
20 subdivision to be issued not later than the 62nd day
21 before election day and provides that Section 3.005
22 supersedes a law outside the Election Code to the
23 extent of any conflict. The omitted law reads:

24 Sec. 9.05. (a) The election shall be
25 held not less than 45 days nor more than 60
26 days after the date on which the election is
27 ordered.

28 Revised Law

29 Sec. 1091.302. NOTICE OF ELECTION. (a) The board shall
30 give notice of an election under this subchapter by publishing once
31 a week for two consecutive weeks a substantial copy of the election
32 order in a newspaper with general circulation in the district.

33 (b) The first publication of the notice must appear at least
34 35 days before the date set for the election. (Acts 71st Leg.,
35 R.S., Ch. 199, Sec. 9.04.)

1 Source Law

2 Sec. 9.04. The directors shall give notice of
3 the election by publishing a substantial copy of the
4 election order in a newspaper with general circulation
5 in the proposed district once a week for two
6 consecutive weeks. The first publication must appear
7 at least 35 days before the date set for the election.

8 Revised Law

9 Sec. 1091.303. BALLOT. The ballot for an election under
10 this subchapter must be printed to permit voting for or against the
11 proposition: "The dissolution of the Rice Hospital District and
12 the sale or transfer of its assets and liabilities in the following
13 manner: _____ (insert provisions for transfer)." (Acts
14 71st Leg., R.S., Ch. 199, Sec. 9.06.)

15 Source Law

16 Sec. 9.06. The ballot for an election at which
17 dissolution of the district is proposed shall be
18 printed to permit voting for or against the
19 proposition: "The dissolution of the Rice Hospital
20 District and the sale or transfer of its assets and
21 liabilities in the following manner: _____
22 (insert provisions for transfer)."

23 Revised Law

24 Sec. 1091.304. ELECTION RESULTS. (a) If the board finds
25 that the election results favor the proposition to dissolve the
26 district, the board shall:

27 (1) issue an order declaring the district dissolved;

28 and

29 (2) proceed with the sale or transfer of the district's
30 assets and liabilities according to the plan proposed on the
31 ballot.

32 (b) If the board finds that the election results do not
33 favor the proposition to dissolve the district, another dissolution
34 election may not be held before the first anniversary of the date of
35 the election in which the voters disapproved the proposition.
36 (Acts 71st Leg., R.S., Ch. 199, Secs. 9.07(b), (c).)

37 Source Law

38 (b) If the directors find that the election
39 results are favorable to the proposition to dissolve
40 the district and transfer its assets and liabilities,
41 they shall issue an order declaring the district
42 dissolved and shall proceed with the sale or transfer

1 of its assets and liabilities according to the plan
2 proposed on the ballot.

3 (c) If the directors find that the election
4 results are not favorable to the proposition to
5 dissolve the district and transfer its assets and
6 liabilities, another dissolution election may not be
7 held within 12 months after the date of the election at
8 which voters disapproved the proposition.

9 Revisor's Note

10 Section 9.07(a), Chapter 199, Acts of the 71st
11 Legislature, Regular Session, 1989, requires the board
12 to canvass the election returns. The revised law omits
13 this requirement for the reason stated in Revisor's
14 Note (4) to Section 1091.203. The omitted law reads:

15 Sec. 9.07. (a) The directors of the
16 district shall canvass the returns of the
17 election.

18 Revised Law

19 Sec. 1091.305. SALE OR TRANSFER OF ASSETS AND LIABILITIES.

20 (a) Notwithstanding any other provision of this subchapter, the
21 district may not be dissolved unless the board provides for the sale
22 or transfer of the district's assets and liabilities to another
23 person.

24 (b) The dissolution of the district and the sale or transfer
25 of the district's assets or liabilities may not:

26 (1) contravene a trust indenture or bond resolution
27 relating to the district's outstanding bonds; or

28 (2) diminish or impair the rights of a holder of an
29 outstanding bond, warrant, or other obligation of the district.

30 (c) The sale or transfer of the district's assets and
31 liabilities must satisfy the debt and bond obligations of the
32 district in a manner that protects the interests of district
33 citizens, including the citizens' collective property rights in the
34 district's assets.

35 (d) The district may transfer or sell the district's assets
36 only for due compensation, unless the transfer is made to another
37 governmental agency embracing the district and using the
38 transferred assets for the benefit of the citizens formerly in the
39 district.

1 (e) A grant from federal funds is an obligation to be repaid
2 in satisfaction. (Acts 71st Leg., R.S., Ch. 199, Sec. 9.08.)

3 Source Law

4 Sec. 9.08. (a) Notwithstanding any other
5 provision of this article, the district may not be
6 dissolved unless the board of directors provides for
7 the sale or transfer of the district's assets and
8 liabilities to another entity or person. The
9 dissolution of the district and the sale or transfer of
10 the district's assets and liabilities may not
11 contravene a trust indenture or bond resolution
12 relating to the outstanding bonds of the district. In
13 addition, the dissolution and sale or transfer may not
14 diminish or impair the rights of the holders of any
15 outstanding bonds, warrants, or other obligations of
16 the district.

17 (b) The sale or transfer of the district's
18 assets and liabilities must satisfy the debt and bond
19 obligations of the district in a manner that protects
20 the interests of the citizens within the district,
21 including their collective property rights in the
22 district's assets. Any grant from federal funds shall
23 be considered an obligation to be repaid in
24 satisfaction. No sale or transfer of the district's
25 assets may be made except for due compensation unless
26 the transfer is made to another governmental agency
27 embracing such district and using such transferred
28 assets for the benefit of citizens formerly within the
29 district.

30 Revisor's Note
31 (End of Chapter)

32 (1) Section 5.01(2), Chapter 199, Acts of the
33 71st Legislature, Regular Session, 1989, provides for
34 the assumption of debt from the Eagle Lake Community
35 Hospital by the district on creation. The revised law
36 omits the provisions as executed. The omitted law
37 reads:

38 Sec. 5.01. [On creation of the
39 district, the district:]

40 . . .
41 (2) assumes any outstanding
42 indebtedness incurred by Eagle Lake
43 Community Hospital in providing hospital
44 care for residents of the territory of the
45 district before the district's creation;
46 . . .

47 (2) Section 10.02, Chapter 199, Acts of the 71st
48 Legislature, Regular Session, 1989, provides that the
49 act is severable and that an invalid provision of the
50 act does not affect the creation of the district. The
51 revised law omits the provision regarding severability

1 because it duplicates Section 311.032, Government Code
2 (Code Construction Act), which provides that a
3 provision of a statute is severable from each other
4 provision of the statute that can be given effect. The
5 revised law omits the provision regarding creation of
6 the district as executed. The omitted law reads:

7 Sec. 10.02. If any provision of this
8 Act or its application to any person or
9 circumstance is held invalid, the
10 invalidity does not affect other provisions
11 or applications of this Act that can be
12 given effect without the invalid provision
13 or application, and to this end the
14 provisions of this Act are declared to be
15 severable.

13 repetition of the substance of the definitions.

14 Revised Law

15 Sec. 1092.002. AUTHORITY FOR CREATION. The Sabine County

17 Revisor's Note
18 (End of Subchapter)

19 Sections 4(a) and (e)-(h) and Sections 7 and 20,
20 Chapter 565, Acts of the 64th Legislature, Regular
21 Session, 1975, provide procedures for holding an
22 election on the creation of the district and the
23 imposition of an ad valorem tax. Because the creation
24 of the district and the imposition of the tax were
25 approved at the election, the revised law omits those
26 provisions as executed. The omitted law reads:

27 Sec. 4. (a) On receiving the
28 petition of 50 people who are qualified
29 voters of the proposed hospital district,
30 or by its own order recorded in the minutes,
31 the commissioners court of the county in
32 which this proposed hospital district is
33 located shall order an election to be held
34 to approve the creation of the proposed
35 hospital district and to elect a board of
36 directors. The election must be held during
37 the period beginning on the 20th day and
38 ending with the 30th day after the date of
39 the order.

40 (e) At the election, the qualified
41 voters shall vote whether or not the
42 proposed hospital district is to be
43 created. A majority of the qualified voters
44 must approve the creation of the district.

45 (f) The ballot for the creation of
46 the district must be substantially as
47 follows:

48 "FOR the creation of Sabine County
49 Hospital District of Sabine County, Texas.

1 "AGAINST the creation of Sabine County
2 Hospital District of Sabine County, Texas."

3 (g) If a majority of the persons
4 voting in the election vote for the creation
5 of the district, the commissioners court
6 shall, within 10 days after the results are
7 filed, declare the results and order the
8 district created. A copy of this order
9 shall be placed in the minutes of the court.

10 (h) If a majority of the persons
11 voting at the election vote against the
12 creation of the district, this does not
13 prevent the holding of other elections for
14 the same purpose.

15 Sec. 7. (a) At the time of the
16 election to create the district and to elect
17 directors, the commissioners court may
18 order an election to determine whether the
19 district may levy taxes within the
20 district. This tax may not exceed 75 cents
21 on the \$100 valuation of all taxable
22 property within the district. If the
23 commissioners court does not include this
24 election in the order for the election to
25 create the district, the board of directors
26 may order this election at any time.

27 (b) Prior to this election, notice
28 must be given by the appropriate
29 governmental unit: either the commissioners
30 court or the board of directors in the same
31 manner provided in Section 4 of this Act.
32 The presiding judge of each voting place
33 shall certify the results to the
34 appropriate governmental unit which shall
35 declare the results. The results are to be
36 of public record.

37 (c) The ballot for this election must
38 contain substantially the following:

39 "FOR the levy of a tax not to exceed 75
40 cents on the \$100 valuation on all property
41 subject to taxation within the district.

42 "AGAINST the levy of a tax not to
43 exceed 75 cents on the \$100 valuation on all
44 property subject to taxation within the
45 district."

46 (d) The board of directors shall not
47 levy any tax within the district until a
48 majority of the qualified voters voting in
49 the election vote for the levy of the tax.

50 Sec. 20. If the creation of a
51 district under this Act is not approved at
52 an election held within five years after the
53 effective date of this Act, this Act
54 expires.

55 [Sections 1092.006-1092.050 reserved for expansion]

56 SUBCHAPTER B. DISTRICT ADMINISTRATION

57 Revised Law

58 Sec. 1092.051. BOARD ELECTION; TERM. (a) The board
59 consists of five directors.

60 (b) One director is elected from each county commissioners

1 precinct and one director is elected from the district at large.

2 (c) Unless four-year terms are established under Section
3 285.081, Health and Safety Code:

4 (1) directors serve staggered two-year terms;

5 (2) a directors' election shall be held each year to
6 elect the appropriate number of directors; and

7 (3) the terms of directors elected from county
8 commissioners precincts one and three expire in even-numbered years
9 and the terms of directors elected from county commissioners
10 precincts two and four and from the district at large expire in
11 odd-numbered years. (Acts 64th Leg., R.S., Ch. 565, Secs. 5(a),
12 (e), (f) (part), (g).)

13 Source Law

14 Sec. 5. (a) At the election to create the
15 district, the qualified voters of the proposed
16 hospital district shall receive a separate ballot to
17 elect five directors to manage and control the
18 district.

19 (e) The person receiving the highest number of
20 votes from each of the four precincts shall constitute
21 four of the five board of directors. One person
22 receiving the highest number of votes in an at-large
23 position from the entire county shall constitute the
24 fifth member of the board of directors.

25 (f) At the general election in 1978, the
26 candidate at large and the candidates from precincts
27 one and three shall be elected to serve until the first
28 Saturday in April, 1980, and the candidates from
29 precincts two and four shall be elected to serve until
30 the first Saturday in April, 1981. Successors of these
31 directors shall serve for full two-year terms, and
32 each year . . . an election shall be held in the
33 district to elect the appropriate number of directors.

34 (g) A director holds office for a term of two
35 years and until his successor is elected and has
36 qualified.

37 Revisor's Note

38 (1) Sections 5(a), (e), (f), and (g), Chapter
39 565, Acts of the 64th Legislature, Regular Session,
40 1975, prescribe the procedures for electing the
41 initial board and the terms of the initial directors.
42 The revised law omits those provisions as executed but
43 codifies the establishment of a board consisting of
44 five directors, including one director elected from
45 each of the county commissioners precincts and one

1 director elected from the district at large. Section
2 5(f) also establishes staggered two-year terms, with
3 the terms of the initial directors to expire in 1980 or
4 1981. The revised law codifies the provisions
5 specifying staggered two-year terms and prescribing
6 the precincts that are elected in odd-numbered and
7 even-numbered years but omits the provision relating
8 to which year the terms of the initial directors expire
9 as executed.

10 (2) Section 5(d), Chapter 565, Acts of the 64th
11 Legislature, Regular Session, 1975, relates to a
12 person's entitlement to vote for directors. The
13 revised law omits that provision as unnecessary.
14 Chapter 11, Election Code, governs eligibility to vote
15 in an election in this state and allows only voters who
16 are residents of the territory covered by the election
17 to vote in an election. Consequently, under the
18 Election Code, a voter participating in a directors'
19 election is entitled to vote for the director to be
20 elected from the district at large and for the director
21 to be elected from the precinct in which the voter
22 resides. The omitted law reads:

23 (d) Each person entitled to vote for
24 director may cast his vote for two
25 candidates. (One for the candidate in his
26 precinct and one for the candidate at
27 large.)

28 (3) Section 5(f), Chapter 565, Acts of the 64th
29 Legislature, Regular Session, 1975, provides that
30 directors' elections are held on the first Saturday in
31 April each year. The revised law omits the reference
32 to the particular date as impliedly repealed by a 1986
33 amendment to Section 41.001, Election Code. Chapter
34 14, Acts of the 69th Legislature, 3rd Called Session,
35 1986, amended Section 41.001, Election Code, to
36 prescribe certain uniform election dates. Section 37

1 of that act required a political subdivision that held
2 its general election of officers on the first Saturday
3 in April to hold that election on a uniform election
4 date in May or to choose a different uniform election
5 date on which to hold the election. The omitted law
6 reads:

7 (f) . . . [each year] on the first
8 Saturday in April [an election shall be held
9 in the district to elect the appropriate
10 number of directors.]

11 (4) Section 5(g), Chapter 565, Acts of the 64th
12 Legislature, Regular Session, 1975, provides that
13 directors serve two-year terms. Section 285.081,
14 Health and Safety Code, applicable to this district,
15 provides a mechanism by which the governing board of a
16 hospital district, on its own motion, may order that
17 the members are to be elected in even-numbered years to
18 serve staggered four-year terms. The revised law is
19 drafted accordingly and adds a reference to Section
20 285.081, Health and Safety Code, for the convenience
21 of the reader.

22 (5) Section 5(g), Chapter 565, Acts of the 64th
23 Legislature, Regular Session, 1975, provides that a
24 director serves until the director's successor "is
25 elected and has qualified." The revised law omits that
26 provision because it duplicates Section 17, Article
27 XVI, Texas Constitution, which provides that an
28 officer in this state is to continue to perform the
29 officer's official duties until a successor has
30 qualified.

31 Revised Law

32 Sec. 1092.052. QUALIFICATIONS FOR OFFICE. To qualify for
33 election to the board, a person must:

- 34 (1) be at least 21 years of age;
- 35 (2) have been a resident of the district for at least
36 two years;

1 (3) have been a resident of the county commissioners
2 precinct for at least six months if the person seeks to represent a
3 county commissioners precinct position; and

4 (4) be a qualified voter of the district. (Acts 64th
5 Leg., R.S., Ch. 565, Sec. 5(b).)

6 Source Law

7 (b) To qualify for election to the board, a
8 person must:

- 9 (1) be at least 21 years of age;
10 (2) have been a resident of the district
11 for at least two years;
12 (3) have been a resident of the precinct
13 for at least six months if he is running for a precinct
14 position; and
15 (4) be a qualified elector of the
16 district.

17 Revisor's Note

18 Section 5(b), Chapter 565, Acts of the 64th
19 Legislature, Regular Session, 1975, provides that a
20 director must be a qualified "elector." The revised
21 law substitutes "voter" for "elector" because the
22 former is the term used in the Election Code.

23 Revised Law

24 Sec. 1092.053. BOND; RECORD OF BOND AND OATH OR AFFIRMATION
25 OF OFFICE. (a) Each director shall qualify for office by executing
26 a good and sufficient commercial bond for \$1,000 that is:

- 27 (1) payable to the district; and
28 (2) conditioned on the faithful performance of the
29 director's duties.

30 (b) The district shall pay for a director's bond.

31 (c) Each director's bond and constitutional oath or
32 affirmation of office shall be deposited with the district's
33 depository for safekeeping. (Acts 64th Leg., R.S., Ch. 565, Sec.
34 6(a).)

35 Source Law

36 Sec. 6. (a) When a person is elected to the
37 board of directors he shall qualify for office by
38 executing the constitutional oath of office and a good
39 and sufficient commercial bond for \$1,000 payable to
40 the district, conditioned on the faithful performance
41 of his duties. The oath and bond are to be deposited
42 with the district depository for safekeeping. The

1 cost of the bond is an expense of the district.

2 Revisor's Note

3 Section 6(a), Chapter 565, Acts of the 64th
4 Legislature, Regular Session, 1975, requires each
5 director to take the constitutional oath of office.
6 The revised law omits that provision because Section
7 1, Article XVI, Texas Constitution, requires all
8 officers in this state to take the oath (or
9 affirmation) before assuming office. Additionally,
10 the revised law provides for the deposit of the
11 constitutional affirmation, as well as the
12 constitutional oath, because Section 1, Article XVI,
13 Texas Constitution, permits an officer in this state
14 to take either the constitutional oath or affirmation.

15 Revised Law

16 Sec. 1092.054. BOARD VACANCY. If a vacancy occurs in the
17 office of director, a majority of the directors shall appoint a
18 director for the unexpired term. (Acts 64th Leg., R.S., Ch. 565,
19 Sec. 5(h).)

20 Source Law

21 (h) A vacancy on the board of directors is
22 filled by appointment to a majority of the directors
23 for the unexpired term.

24 Revised Law

25 Sec. 1092.055. OFFICERS. The board shall elect from among
26 its members a president, a secretary, and a treasurer at the first
27 board meeting held after a directors' election. (Acts 64th Leg.,
28 R.S., Ch. 565, Sec. 6(b).)

29 Source Law

30 (b) The directors shall, at the first meeting
31 after the election, elect a president, a secretary,
32 and a treasurer from their number.

33 Revised Law

34 Sec. 1092.056. COMPENSATION; EXPENSES. A director serves
35 without compensation but is entitled to reimbursement for necessary
36 expenses incurred in the performance of official duties. (Acts
37 64th Leg., R.S., Ch. 565, Sec. 6(c).)

1 Source Law

2 (c) A member of the board of directors is not
3 entitled to compensation for his services. However,
4 each member is entitled to reimbursement for any
5 necessary expense incurred by him in the performance
6 of the duties of his office.

7 Revised Law

8 Sec. 1092.057. DISTRICT ADMINISTRATOR. (a) The board may
9 employ a district administrator to manage the operations of the
10 hospital system.

11 (b) The district administrator may employ necessary
12 personnel to perform the services provided by the hospital system.
13 (Acts 64th Leg., R.S., Ch. 565, Sec. 12(e) (part).)

14 Source Law

15 (e) The board may:
16 . . .
17 (3) employ an administrator to manage the
18 operations of the hospital system, who may hire
19 necessary personnel to perform the services provided
20 by the system.

21 Revised Law

22 Sec. 1092.058. EMPLOYEES. The board may employ an
23 attorney, a general manager, a bookkeeper, an architect, and other
24 employees necessary for the efficient operation of the district.
25 (Acts 64th Leg., R.S., Ch. 565, Sec. 12(e) (part).)

26 Source Law

27 (e) The board may:
28 . . .
29 (2) employ an attorney, general manager,
30 bookkeeper, architect, and other employees necessary
31 for the efficient operation of the district; and
32 . . .

33 Revised Law

34 Sec. 1092.059. MAINTENANCE OF RECORDS; PUBLIC INSPECTION.
35 The board shall:
36 (1) maintain all district records, including books,
37 accounts, notices, minutes, and other matters of the district and
38 its operations, at the district office; and
39 (2) make those records available for public inspection
40 at reasonable times. (Acts 64th Leg., R.S., Ch. 565, Sec. 12(b).)

1 Source Law

2 (b) The board shall keep all books, records,
3 accounts, notices, minutes, and other matters of the
4 district and its operations at the office of the
5 district. The board shall make these items available
6 for public inspection at reasonable times.

7 Revisor's Note
8 (End of Subchapter)

9 Section 5(c), Chapter 565, Acts of the 64th
10 Legislature, Regular Session, 1975, states that a
11 person must file the person's name with the
12 commissioners court to be a candidate for director and
13 prescribes a deadline for the filing. The revised law
14 omits the requirement for the person to file the
15 person's name with the commissioners court because it
16 is superseded by Section 144.004, Election Code, which
17 provides that an application for a place on the ballot
18 must be filed with the secretary of the political
19 subdivision's governing body. The revised law omits
20 the filing deadline because it is superseded by
21 Section 144.005, Election Code. Section 1.002,
22 Election Code, provides that the Election Code applies
23 to all elections held in this state. The omitted law
24 reads:

25 (c) Any person who is qualified to
26 serve on the board of directors and who
27 desires to serve shall file his name with
28 the commissioners court at least two weeks
29 before the date of the election.

30 [Sections 1092.060-1092.100 reserved for expansion]

31 SUBCHAPTER C. POWERS AND DUTIES

32 Revised Law

33 Sec. 1092.101. DISTRICT RESPONSIBILITY. The district shall
34 provide all necessary hospital and medical care for the district's
35 needy inhabitants. (Acts 64th Leg., R.S., Ch. 565, Sec. 3 (part).)

36 Source Law

37 Sec. 3. . . . This district shall provide all
38 necessary hospital and medical care for the needy
39 inhabitants of the district.

1 Revised Law

2 Sec. 1092.102. RESTRICTION ON POLITICAL SUBDIVISION
3 TAXATION AND DEBT. A political subdivision of this state, other
4 than the district, may not impose a tax or issue bonds or other
5 obligations to provide hospital service or medical care in the
6 district. (Acts 64th Leg., R.S., Ch. 565, Sec. 3 (part).)

7 Source Law

8 Sec. 3. . . . After this district is created as
9 provided in Section 4 of this Act, no other
10 municipality or political subdivision of this state
11 may levy taxes or issue bonds or other obligations of
12 indebtedness for the purpose of providing hospital
13 service or medical care within the district. . . .

14 Revisor's Note

15 (1) Section 3, Chapter 565, Acts of the 64th
16 Legislature, Regular Session, 1975, provides that
17 "[a]fter this district is created as provided in
18 Section 4 of this Act," certain political subdivisions
19 may not levy taxes or issue bonds. The revised law
20 omits the quoted language as executed. In addition,
21 throughout this chapter, the revised law substitutes
22 "impose" for "levy" because, in this context, the
23 terms are synonymous and the former is more commonly
24 used.

25 (2) Section 3, Chapter 565, Acts of the 64th
26 Legislature, Regular Session, 1975, refers to a
27 "municipality or political subdivision." Throughout
28 this chapter, the revised law omits references to
29 "municipality" because "municipality" is included in
30 the meaning of "political subdivision."

31 Revised Law

32 Sec. 1092.103. MANAGEMENT AND CONTROL OF DISTRICT. The
33 board has full power to manage and control the district. (Acts 64th
34 Leg., R.S., Ch. 565, Sec. 12(a) (part).)

35 Source Law

36 Sec. 12. (a) The board of directors has full
37 power to manage and control the district. . . .

1 Revised Law

2 Sec. 1092.104. HOSPITAL SYSTEM. The district has the
3 responsibility to establish a hospital or hospital system within
4 its boundaries to provide hospital and medical care to the
5 district's residents. (Acts 64th Leg., R.S., Ch. 565, Sec. 3
6 (part).)

7 Source Law

8 Sec. 3. The district authorized to be created by
9 this Act is charged with the responsibility of
10 establishing a hospital or a hospital system within
11 its boundaries to furnish hospital and medical care to
12 the residents of the district. . . .

13 Revised Law

14 Sec. 1092.105. RULES. (a) The board shall adopt rules for
15 the efficient operation of the district, including district
16 facilities.

17 (b) The board shall:

18 (1) publish the rules in book form; and

19 (2) provide copies to interested persons on request at
20 district expense. (Acts 64th Leg., R.S., Ch. 565, Sec. 12(c).)

21 Source Law

22 (c) The board shall adopt rules for the
23 efficient operation of the district and its facilities
24 which are not inconsistent with this Act. The board
25 shall publish these rules and regulations in book form
26 and furnish copies to interested persons upon request
27 and at the expense of the district.

28 Revisor's Note

29 (1) Section 12(c), Chapter 565, Acts of the 64th
30 Legislature, Regular Session, 1975, provides that the
31 board shall adopt rules that "are not inconsistent
32 with this Act." The revised law omits the quoted
33 language because, under established principles of law,
34 the board is not authorized to take any action contrary
35 to the laws of this state.

36 (2) Section 12(c), Chapter 565, Acts of the 64th
37 Legislature, Regular Session, 1975, refers to "rules
38 and regulations." The revised law omits the reference
39 to "regulations" because under Section 311.005(5),

1 Government Code (Code Construction Act), a rule is
2 defined to include a regulation.

3 Revised Law

4 Sec. 1092.106. PURCHASING AND ACCOUNTING PROCEDURES. The
5 board may prescribe the method of making purchases and expenditures
6 and the manner of accounting and control used by the district.
7 (Acts 64th Leg., R.S., Ch. 565, Sec. 12(e) (part).)

8 Source Law

9 (e) The board may:
10 (1) prescribe the method of making
11 purchases and expenditures and the manner of
12 accounting and control used by the district;
13 . . .

14 Revised Law

15 Sec. 1092.107. EMINENT DOMAIN. (a) The district may
16 exercise the power of eminent domain to acquire a fee simple or
17 other interest in real, personal, or mixed property located in
18 district territory if the interest is necessary or convenient for
19 the district to exercise a power or duty conferred on the district
20 by this chapter.

21 (b) The district must exercise the power of eminent domain
22 in the manner provided by Chapter 21, Property Code, except the
23 district is not required to deposit in the trial court money or a
24 bond as provided by Section 21.021(a), Property Code.

25 (c) In a condemnation proceeding, the district is not
26 required to:

27 (1) pay in advance or provide a bond or other security
28 for costs in the trial court; or

29 (2) provide a bond for costs or a supersedeas bond on
30 an appeal or petition for review. (Acts 64th Leg., R.S., Ch. 565,
31 Sec. 15.)

32 Source Law

33 Sec. 15. (a) The district has the power of
34 eminent domain for the purpose of acquiring by
35 condemnation any interest, including fee simple
36 absolute, in any real, personal, or mixed property
37 within the boundaries of the district that is
38 necessary or convenient to the exercise of the powers
39 and duties conferred on it by this Act.

40 (b) The board shall exercise this power of

1 eminent domain in the same manner as provided by
2 general law. However, the district is not required to
3 make deposits in the registry of the trial court or to
4 post bond as required by Paragraph 2, Article 3268,
5 Revised Civil Statutes of Texas, 1925, as amended.

6 (c) The district is not required to pay in
7 advance or to give any bond or other security for costs
8 in the trial court otherwise required for the issuance
9 relating to a condemnation proceeding nor is it
10 required to give a bond for costs or for supersedeas on
11 an appeal or writ of error proceeding to a court of
12 civil appeals or to the supreme court.

13 Revisor's Note

14 (1) Section 15(a), Chapter 565, Acts of the 64th
15 Legislature, Regular Session, 1975, provides that the
16 district has the "power of eminent domain for the
17 purpose of acquiring [property] by condemnation." The
18 revised law substitutes for the quoted language "may
19 exercise the power of eminent domain to acquire
20 [property]" because the phrases have the same meaning
21 and the latter phrase is consistent with modern usage
22 in law relating to eminent domain.

23 (2) Section 15(b), Chapter 565, Acts of the 64th
24 Legislature, Regular Session, 1975, provides that the
25 board shall exercise the power of eminent domain in the
26 manner provided by "general law." The revised law
27 substitutes for "general law" a reference to Chapter
28 21, Property Code, because that is the general law
29 governing eminent domain.

30 (3) Section 15(b), Chapter 565, Acts of the 64th
31 Legislature, Regular Session, 1975, refers to
32 "Paragraph 2, Article 3268, Revised Civil Statutes of
33 Texas, 1925, as amended." That statute was codified in
34 1983 as Section 21.021(a), Property Code, and the
35 revised law is drafted accordingly. In addition, the
36 revised law omits the reference to "as amended"
37 because under Section 311.027, Government Code (Code
38 Construction Act), a reference to a statute applies to
39 all reenactments, revisions, or amendments of that
40 statute unless expressly provided otherwise.

1 (4) Section 15(c), Chapter 565, Acts of the 64th
2 Legislature, Regular Session, 1975, provides that the
3 district is not required to provide a bond on an appeal
4 or "writ of error proceeding" to "a court of civil
5 appeals or to the supreme court." The revised law
6 substitutes "petition for review" for "writ of error"
7 because, effective September 1, 1997, the Texas
8 Supreme Court replaced the writ of error procedure
9 with the petition for review procedure. See Rule 53.1,
10 Rules of Appellate Procedure. The revised law omits
11 the references to the court of civil appeals (now the
12 court of appeals) and the supreme court. The revised
13 law omits the references because the courts of appeals
14 and the supreme court are the only courts to which the
15 district may appeal or with which the district may file
16 a petition for review.

17 Revised Law

18 Sec. 1092.108. GIFTS AND ENDOWMENTS. The board may accept
19 for the district a gift or endowment to be held in trust and
20 administered by the board under the directions, limitations, or
21 other provisions prescribed in writing by the donor that are not
22 inconsistent with the proper management of the district. (Acts
23 64th Leg., R.S., Ch. 565, Sec. 12(f).)

24 Source Law

25 (f) The board may accept donations, gifts, and
26 endowments for the district. The board shall hold all
27 donations, gifts, and endowments in trust and shall
28 administer them under any direction, limitation, or
29 provisions as may be prescribed in writing by the
30 donor, as long as it is not inconsistent with the
31 proper management of the district.

32 Revisor's Note

33 Section 12(f), Chapter 565, Acts of the 64th
34 Legislature, Regular Session, 1975, refers to
35 "donations" and "gifts." The revised law omits
36 "donations" because "donations" is included in the
37 meaning of "gifts."

1 Revised Law

2 Sec. 1092.109. CONTRACTS FOR HOSPITAL AND MEDICAL CARE.

3 The board may contract with another political subdivision to
4 provide hospital and medical care for needy persons who reside
5 outside the district. (Acts 64th Leg., R.S., Ch. 565, Sec. 12(g).)

6 Source Law

7 (g) The board may enter into any contract with a
8 municipality or other political subdivision to provide
9 hospital and medical care for needy persons who reside
10 outside the district.

11 Revised Law

12 Sec. 1092.110. PAYMENT FOR TREATMENT; PROCEDURES. (a) A

13 person who resides in the district is entitled to receive necessary
14 medical and hospital care regardless of whether the person has the
15 ability to pay for the care and may apply to receive this care
16 without cost.

17 (b) The board or the district administrator shall employ a
18 person to investigate the ability of the patient and any relative
19 who is liable for the patient's support to pay for the medical and
20 hospital care received by the patient.

21 (c) If the investigator determines that the patient or
22 relative legally liable for the patient's support cannot pay all or
23 part of the costs of the patient's care, the expense of the care
24 becomes a charge against the district.

25 (d) If the patient or a relative legally liable for the
26 patient's support can pay for all or part of the costs of the
27 patient's care, the board shall order the patient or relative to pay
28 the treasurer each week an amount specified in the order, which must
29 be proportionate to the person's ability to pay.

30 (e) The district may collect the amount from the patient's
31 estate, or from any relative who is liable for the patient's
32 support, in the manner provided by law for the collection of
33 expenses of the last illness of a deceased person.

34 (f) If there is a dispute as to the ability to pay, or doubt
35 in the mind of the investigator, the board shall hold a hearing and,
36 after calling witnesses, shall:

1 (1) determine the question; and
2 (2) make the proper order based on the board's
3 findings.

4 (g) A party to the hearing who is not satisfied with the
5 result of the order may appeal to the district court. The appeal is
6 de novo. (Acts 64th Leg., R.S., Ch. 565, Sec. 14.)

7 Source Law

8 Sec. 14. (a) A person who resides within the
9 district is entitled to receive necessary medical and
10 hospital care whether he has the ability to pay for the
11 care or not. A person who resides within the district
12 may make application to receive this care without
13 cost.

14 (b) The board or the administrator shall employ
15 a person to investigate the ability of the patient and
16 the ability of any relative who is liable for the
17 support of the patient to pay for the medical and
18 hospital care which the patient receives.

19 (c) If the patient or a relative of the patient
20 who is legally liable for his support is able to pay
21 for this care in whole or in part, the board shall
22 order the patient or his relatives to pay to the
23 treasurer each week an amount specified in the order.
24 The amount must be in proportion to the ability to pay.

25 (d) The district may collect this amount from
26 the estate of the patient or from his relatives who are
27 liable for this support in the manner provided by law
28 for the collection of expenses of the last illness of a
29 deceased person.

30 (e) If the investigator finds that neither the
31 patient nor a relative who is legally liable for his
32 support is able to pay in whole or in part for this
33 care, the expense of this care becomes a charge on the
34 district.

35 (f) If there is a dispute as to the ability to
36 pay or a doubt in the mind of the investigator the
37 board shall hear and determine the question, after
38 calling witnesses, and make the proper order based on
39 its findings.

40 (g) A party to the hearing who is not satisfied
41 with the result of the order may appeal to the district
42 court. The appeal is de novo.

43 Revisor's Note
44 (End of Subchapter)

45 (1) Section 12(a), Chapter 565, Acts of the 64th
46 Legislature, Regular Session, 1975, states that a
47 provision of that chapter that provides a specific
48 power or duty does not limit the district's general
49 authority to carry out the purposes of the chapter.
50 The revised law omits that provision because it is a
51 generally accepted principle of statutory
52 interpretation that all of a statute is intended to be

1 given effect and that specific grants of power do not
2 limit more general grants of power. Additionally,
3 Section 311.021(2), Government Code (Code
4 Construction Act), provides that an entire statute is
5 intended to be effective. The omitted law reads:

6 (a) . . . Any provision of this Act
7 which provides a specific power or duty does
8 not limit the general authority of the
9 district to carry out the purposes of this
10 Act.

11 (2) Section 17, Chapter 565, Acts of the 64th
12 Legislature, Regular Session, 1975, provides
13 authority for the "State Board of Health, the State
14 Department of Public Welfare, or any other state
15 agency created for a similar purpose" to inspect
16 hospital district facilities and records. The revised
17 law omits Section 17 because various state laws,
18 including Chapters 222 and 241, Health and Safety
19 Code, provide the necessary inspection authority to
20 appropriate state agencies. The omitted law reads:

21 Sec. 17. (a) The district is subject
22 to inspection at any time by an authorized
23 representative of the State Board of
24 Health, the State Department of Public
25 Welfare, or any other state agency created
26 for a similar purpose.

27 (b) The administrator of the hospital
28 shall admit a representative into the
29 facilities of the district and make
30 accessible on demand all district records,
31 reports, books, papers, and accounts.

32 [Sections 1092.111-1092.150 reserved for expansion]

33 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

34 Revised Law

35 Sec. 1092.151. BUDGET. The board shall prepare a budget
36 that includes:

- 37 (1) proposed expenditures and disbursements;
38 (2) estimated receipts and collections for the next
39 fiscal year; and
40 (3) the amount of taxes required to be imposed to meet
41 the proposed budget. (Acts 64th Leg., R.S., Ch. 565, Sec. 13(b).)

1 Source Law

2 (b) The board shall prepare a budget showing:
3 (1) the proposed expenditures and
4 disbursements;
5 (2) the estimated receipts and collections
6 for the next fiscal year; and
7 (3) the amount of taxes required to be
8 levied and collected during the next fiscal year to
9 meet the proposed budget.

10 Revisor's Note

11 Section 13(b), Chapter 565, Acts of the 64th
12 Legislature, Regular Session, 1975, refers to taxes
13 "levied and collected." The revised law substitutes
14 "imposed" for the quoted language because "impose" is
15 the term generally used in Title 1, Tax Code, and
16 includes the levying and collection of an ad valorem
17 tax.

18 Revised Law

19 Sec. 1092.152. PROPOSED BUDGET: NOTICE AND HEARING. (a)
20 The board shall hold a public hearing on the proposed budget.

21 (b) Notice of the hearing must be published at least once in
22 a newspaper of general circulation in the district not later than
23 the 11th day before the date of the hearing.

24 (c) Any person who owns taxable property in the district and
25 has duly rendered that property for taxation is entitled to:

- 26 (1) appear at the hearing; and
27 (2) be heard regarding any item in the proposed
28 budget. (Acts 64th Leg., R.S., Ch. 565, Secs. 13(c), (d).)

29 Source Law

30 (c) The board shall hold a public hearing on the
31 proposed budget after publication of notice in a
32 newspaper of general circulation in the district. The
33 notice must be given at least one time before the
34 10-day period immediately preceding the day of the
35 hearing.

36 (d) Any person who owns taxable property within
37 the district and has duly rendered that property for
38 taxation is entitled to appear at the hearing and be
39 heard with reference to any item in the proposed
40 budget.

41 Revised Law

42 Sec. 1092.153. FISCAL YEAR. The district's fiscal year is
43 from January 1 to December 31. (Acts 64th Leg., R.S., Ch. 565, Sec.

1 13(a).)

2 Source Law

3 Sec. 13. (a) The fiscal year of the hospital
4 district is from January 1 of each year through
5 December 31 of the same year.

6 Revised Law

7 Sec. 1092.154. ANNUAL AUDIT. (a) The board annually shall
8 require an independent audit of the district's books and records.

9 (b) Not later than December 1 of each year, the board shall
10 file a copy of the audit with:

11 (1) the comptroller; and

12 (2) the district. (Acts 64th Leg., R.S., Ch. 565, Sec.
13 12(d).)

14 Source Law

15 (d) The board shall require an annual
16 independent audit of the books and records of the
17 district and shall file a copy of the audit with the
18 comptroller of public accounts and a copy with the
19 district not later than December 1 of each year.

20 Revisor's Note

21 Section 12(d), Chapter 565, Acts of the 64th
22 Legislature, Regular Session, 1975, refers to the
23 "comptroller of public accounts." The revised law
24 substitutes "comptroller" for the quoted language
25 because Section 403.001, Government Code, defines
26 "comptroller" in any state statute to mean the
27 comptroller of public accounts of the State of Texas.

28 Revised Law

29 Sec. 1092.155. DEPOSITORY. (a) The board by resolution
30 shall designate a bank in Sabine County as the district's
31 depository. A designated bank serves for two years and until a
32 successor is designated.

33 (b) All district money shall be deposited in the depository
34 and secured in the manner provided for securing county funds. (Acts
35 64th Leg., R.S., Ch. 565, Sec. 16.)

36 Source Law

37 Sec. 16. Within 30 days after the qualification
38 of the board of directors, the board shall by

1 resolution designate a bank within the county in which
2 the district is located to be the depository of the
3 district. All funds of the district shall be deposited
4 in the depository and shall be secured in the manner
5 now provided for the security of county funds. The
6 depository shall serve for a period of two years and
7 until a successor has been named in accordance with
8 this section.

9 Revisor's Note

10 (1) Section 16, Chapter 565, Acts of the 64th
11 Legislature, Regular Session, 1975, requires the board
12 to select a depository "[w]ithin 30 days after the
13 qualification of the board of directors." The revised
14 law omits the quoted language as executed.

15 (2) Section 16, Chapter 565, Acts of the 64th
16 Legislature, Regular Session, 1975, refers to the bank
17 in "the county in which the district is located." The
18 revised law substitutes "Sabine County" for the quoted
19 language because that is the county in which the
20 district is located.

21 [Sections 1092.156-1092.200 reserved for expansion]

22 SUBCHAPTER E. BONDS

23 Revised Law

24 Sec. 1092.201. BONDS. The district may issue bonds to:

25 (1) purchase, construct, acquire, repair, or renovate
26 buildings and improvements; and

27 (2) equip buildings for hospital purposes. (Acts 64th
28 Leg., R.S., Ch. 565, Secs. 9(a) (part), 10(a) (part).)

29 Source Law

30 Sec. 9. (a) . . . the district may issue bonds
31 for the purchase, construction, acquisition, repair,
32 or renovation of buildings and improvements and for
33 equipping the buildings for hospital purposes. . . .

34 Sec. 10. (a) After a majority of those persons
35 voting at the election vote for the levy of a tax, the
36 board may issue bonds,

37 Revisor's Note

38 (1) Section 9(a), Chapter 565, Acts of the 64th
39 Legislature, Regular Session, 1975, authorizes the
40 commissioners court to order a bond election at the
41 election to create the district. The revised law omits

1 that provision because the creation election has been
2 conducted. The omitted law reads:

3 Sec. 9. (a) At the time of the
4 election to create the district, the
5 commissioners court may order an election
6 to determine whether [the district may
7 issue bonds]

8 (2) Section 10(a), Chapter 565, Acts of the 64th
9 Legislature, Regular Session, 1975, provides that the
10 board may issue bonds "[a]fter a majority of those
11 persons voting at the election vote for the levy of a
12 tax." The revised law omits the quoted language as
13 executed.

14 Revised Law

15 Sec. 1092.202. TAX TO PAY BONDS. The board may issue bonds
16 under Section 1092.201 only if the board imposes an ad valorem tax
17 at a rate sufficient to create an interest and sinking fund to pay
18 the principal of and interest on the bonds as the bonds mature.
19 (Acts 64th Leg., R.S., Ch. 565, Sec. 10(c).)

20 Source Law

21 (c) The board may not issue any bonds unless a
22 sufficient tax is levied to create an interest and
23 sinking fund to pay the interest and principal as it
24 matures.

25 Revisor's Note

26 Section 10(c), Chapter 565, Acts of the 64th
27 Legislature, Regular Session, 1975, requires the
28 district to levy a tax to pay the principal of and
29 interest on bonds. The revised law specifies that the
30 tax is an "ad valorem" tax because it is clear from the
31 source law that the tax is a property tax and "ad
32 valorem" is the term most commonly used to refer to a
33 property tax.

34 Revised Law

35 Sec. 1092.203. BOND ELECTION. (a) The board may issue
36 bonds under Section 1092.201 only if the bonds are authorized by a
37 majority of qualified voters voting in an election held for that
38 purpose. The total face value of the bonds may not exceed the

1 amount specified in the election order.

2 (b) The board may order a bond election at any time.

3 (c) The order calling the election must include:

4 (1) the time of the election;

5 (2) the location of the polling places;

6 (3) the form of the ballots;

7 (4) the presiding judge for each polling place;

8 (5) the purpose of the bond issuance;

9 (6) the amount of the bonds to be authorized;

10 (7) the maximum interest rate of the bonds; and

11 (8) the maximum maturity date of the bonds.

12 (d) A substantial copy of the election order shall be
13 published in a newspaper of general circulation in the district
14 once a week for two consecutive weeks before the date of the
15 election. The first notice must be published not later than the
16 15th day before the date of the election.

17 (e) A copy of the election results must be filed with the
18 county clerk and become a public record. (Acts 64th Leg., R.S., Ch.
19 565, Secs. 4(b), (c), (d) (part), 9(a) (part), (b), (d), 10(a)
20 (part).)

21 Source Law

22 [Sec. 4]

23 (b) The order calling the election must contain
24 the time and place or places of holding the election,
25 the form of the ballots, and the presiding judge for
26 each voting place.

27 (c) The commissioners court shall publish a
28 substantial copy of the election order in a newspaper
29 of general circulation in the district once a week for
30 two consecutive weeks before the date of the election.
31 The first notice must be published before the 14-day
32 period immediately preceding the day of the election.

33 (d) . . . A copy of the results is to be filed
34 with the county clerk and becomes a public record.

35 Sec. 9. (a) . . . If the commissioners court
36 does not include this election in the order for the
37 election to create the district, the board of
38 directors may order this election at any time.

39 (b) The order and notice of election and the
40 certification declaration of the results to the county
41 clerk are governed by Section 4 of this Act. In
42 addition to the provisions of that section, the order
43 of this election must include:

44 (1) the purpose for which the bonds are to
45 be issued;

46 (2) the amount of the proposed bond issue;

1 (3) the maximum interest rate; and
2 (4) the maximum maturity date of the
3 bonds.

4 (d) The board of directors shall not issue any
5 bonds until a majority of the qualified voters voting
6 in an election for this purpose vote for the issuance
7 of these bonds.

8 Sec. 10. (a) . . . [the board may issue
9 bonds,] the total of the face value not to exceed the
10 amount specified in the order of the election.

11 Revisor's Note

12 Section 4(d), Chapter 565, Acts of the 64th
13 Legislature, Regular Session, 1975, provides that the
14 presiding judge of each voting place shall count the
15 votes and certify the results to the commissioners
16 court within 10 days. The revised law omits those
17 requirements as superseded by Sections 67.002, 67.003,
18 and 67.004, Election Code (enacted as Section 1,
19 Chapter 211, Acts of the 69th Legislature, Regular
20 Session, 1985), which require the governing body of a
21 political subdivision that orders an election to
22 canvass the returns and provide the time frame and
23 procedures for the canvass. The omitted law reads:

24 (d) The presiding judge of each
25 voting place shall supervise the counting
26 of all votes cast and shall certify the
27 results to the commissioners court within
28 10 days after the election. . . .

29 Revised Law

30 Sec. 1092.204. MATURITY OF BONDS. District bonds must
31 mature not later than 40 years after the date of issuance. (Acts
32 64th Leg., R.S., Ch. 565, Sec. 9(c).)

33 Source Law

34 (c) The board of directors shall not issue any
35 bond which matures more than 40 years from the date of
36 issuance.

37 Revised Law

38 Sec. 1092.205. EXECUTION OF BONDS. (a) The board president
39 shall execute the district's bonds in the district's name.

40 (b) The board secretary shall countersign the bonds. (Acts
41 64th Leg., R.S., Ch. 565, Sec. 10(b) (part).)

1 public securities at any net effective interest rate
2 of 15 percent or less. Section 1204.006, Government
3 Code, applies to district bonds by application of
4 Section 1204.001, Government Code. The omitted law
5 reads:

6 (e) The board may elect to refund and
7 pay off any validly issued and outstanding
8 bonds issued by the district. However, the
9 refunding bonds issued must bear interest
10 at the same or a lower rate than the bonds
11 being refunded unless it is shown
12 mathematically that a savings will result
13 in the total interest to be paid.

14 (3) Section 11, Chapter 565, Acts of the 64th
15 Legislature, Regular Session, 1975, provides that
16 district bonds are legal and authorized investments
17 for certain entities. The revised law omits the
18 provision as unnecessary. As to several of the
19 entities listed, Section 11 has been superseded and
20 impliedly repealed. Investments in securities by
21 banks are regulated by Section 34.101, Finance Code
22 (enacted in 1995 as Section 5.101, Texas Banking Act
23 (Article 342-5.101, Vernon's Texas Civil Statutes)).
24 Investments in securities by savings banks are
25 regulated by Section 93.001(c)(10), Finance Code
26 (enacted in 1993 as Section 7.15(10), Texas Savings
27 Bank Act (Article 489e, Vernon's Texas Civil
28 Statutes)). Investments in securities by trust
29 companies are regulated by Section 184.101, Finance
30 Code (enacted in 1997 as Section 5.101, Texas Trust
31 Company Act (Article 342a-5.101, Vernon's Texas Civil
32 Statutes)). Investments in securities by building and
33 loan associations (now called savings and loan
34 associations) are regulated by Sections 63.002 and
35 64.001, Finance Code. As to the remaining entities
36 listed, Section 11 is superseded by Section 1201.041,
37 Government Code, enacted as Section 9, Bond Procedures
38 Act of 1981 (Article 717k-6, Vernon's Texas Civil

1 Statutes). Section 1201.041, Government Code, applies
2 to district bonds by application of Section 1201.002,
3 Government Code. The omitted law reads:

4 Sec. 11. All bonds issued under this
5 Act shall be legal and authorized
6 investments for banks, savings banks, trust
7 companies, building and loan associations,
8 insurance companies, fiduciaries,
9 trustees, and for any sinking funds of
10 cities, towns, villages, counties, school
11 districts, and other political corporations
12 or subdivisions of the State of
13 Texas. . . .

14 (4) Section 11, Chapter 565, Acts of the 64th
15 Legislature, Regular Session, 1975, provides that
16 district bonds may secure deposits of public funds of
17 this state or political subdivisions of this state.
18 The revised law omits the provisions as impliedly
19 repealed by Section 404.0221, Government Code (enacted
20 in 1995), which lists eligible collateral for deposits
21 of state funds by the comptroller, and by Chapter 2257,
22 Government Code (enacted in 1989 as Article 2529d,
23 Vernon's Texas Civil Statutes), which governs eligible
24 collateral for deposits of funds of other public
25 agencies, including political subdivisions. The
26 omitted law reads:

27 Sec. 11. . . . The bonds shall be
28 eligible to secure the deposit of any and
29 all public funds of the State of Texas and
30 any and all public funds of cities, towns,
31 villages, counties, school districts, and
32 other political corporations or
33 subdivisions of the State of Texas, and the
34 bonds shall be lawful and sufficient
35 security for the deposits at their face
36 value when accompanied by all unmatured
37 coupons appurtenant thereto.

38 [Sections 1092.206-1092.250 reserved for expansion]

39 SUBCHAPTER F. TAXES

40 Revised Law

41 Sec. 1092.251. IMPOSITION OF AD VALOREM TAX. (a) The board
42 shall impose a tax on all property in the district subject to
43 district taxation.

44 (b) The tax may be used only to:

1 a comprehensive, substantive codification of ad
2 valorem tax law and its administration. Title 1, Tax
3 Code, provides the exclusive procedures for the
4 taxation of property by a taxing unit, including a
5 hospital district. The omitted law reads:

6 (b) The board shall use the same
7 valuation used by the commissioners court
8 in taxing the property for county purposes
9 which appears on the county tax rolls.

10 (d) On or before October 1 of each
11 year, the board shall levy the tax and
12 immediately certify the tax rate to the tax
13 assessor and collector of the county in
14 which the district is located. . . . The
15 taxes of the district are subject to the
16 same conditions as the taxes of the county.

17 Revised Law

18 Sec. 1092.252. TAX RATE. The board may impose the tax at a
19 rate not to exceed 75 cents on each \$100 valuation. (Acts 64th
20 Leg., R.S., Ch. 565, Sec. 8(a) (part).)

21 Source Law

22 (a) . . . [the board of directors shall levy a
23 tax] not to exceed 75 cents on the \$100
24 valuation

25 Revised Law

26 Sec. 1092.253. TAX ASSESSOR-COLLECTOR. The Sabine County
27 tax assessor-collector shall collect taxes for the district. (Acts
28 64th Leg., R.S., Ch. 565, Sec. 8(d) (part).)

29 Source Law

30 (d) . . . The tax assessor and collector of that
31 county shall collect the taxes for the district. . . .

32 Revisor's Note
33 (End of Subchapter)

34 (1) Section 8(e), Chapter 565, Acts of the 64th
35 Legislature, Regular Session, 1975, provides that the
36 county tax assessor-collector may charge a fee for the
37 assessment and collection of district taxes. The
38 revised law omits that provision because it was
39 repealed by Section 6(b), Chapter 841, Acts of the 66th
40 Legislature, Regular Session, 1979. See Revisor's
41 Note (2) to Section 1092.251. Section 6.27(b), Tax

1 Code, provides for the compensation of a county tax
2 assessor-collector assessing and collecting taxes for
3 another taxing unit. The omitted law reads:

4 (e) The assessor and collector of
5 taxes is entitled to a fee as compensation
6 for his services of not more than one
7 percent of the total tax collected, but not
8 to exceed \$5,000 in any one fiscal year.
9 The board shall fix the exact amount of
10 compensation. The tax assessor and
11 collector shall deduct this fee from the
12 payments made to the district of the taxes
13 collected and deposit that amount in the
14 general fund of the county as a fee of
15 office of the tax assessor and collector.

16 (2) Section 8(f), Chapter 565, Acts of the 64th
17 Legislature, Regular Session, 1975, provides that the
18 district may impose taxes for the entire year in which
19 the district is established. The revised law omits
20 that provision as executed. The omitted law reads:

21 (f) The board may levy this tax for
22 the entire year in which the district is
23 established to secure funds necessary to
24 initiate the operation of the hospital
25 district.

26 Revisor's Note
27 (End of Chapter)

28 Section 19, Chapter 565, Acts of the 64th
29 Legislature, Regular Session, 1975, provides that
30 public notice of enactment of the statute was provided
31 in a manner that satisfies the requirements of the
32 Texas Constitution. The revised law omits that
33 section as executed. The omitted law reads:

34 Sec. 19. The legislature has found
