6 CHAPTER 1093. SAN AUGUSTINE CITY-COUNTY HOSPITAL DISTRICT

7 SUBCHAPTER A. GENERAL PROVISIONS

8 Revised Law

9 Sec. 1093.001. DEFINITIONS. In this chapter:

- 10 (1) "Board" means the board of directors of the
11 district.
12 (2) "Director" means a member of the board.
13 (3) "District" means the San Augustine City-County
14 Hospital District. (New.)

15 Revisor's Note

16 The definitions of "board," "director," and
17 "district" are added to the revised law for drafting
18 convenience and to eliminate frequent, unnecessary
19 repetition of the substance of the definitions.

20 Revised Law

21 Sec. 1093.002. AUTHORITY FOR OPERATION. The San Augustine
22 City-County Hospital District operates in accordance with and has
23 the rights, powers, and duties provided by Section 9, Article IX,
24 Texas Constitution, and by this chapter. (Acts 62nd Leg., R.S., Ch.
25 5, Sec. 1 (part).)

26 Source Law

27 Sec. 1. In accordance with the provisions of
28 Article IX, Section 9, of the Constitution of the State
29 of Texas, this Act shall be operative so as to
30 authorize the creation, establishment, maintenance,
31 and operation of a hospital district within this State
32 . . . to be known as "San Augustine City-County
33 Hospital District" with such rights, powers, and
34 duties as provided in this Act.

35 Revisor's Note

36 Section 1, Chapter 5, Acts of the 62nd
37 Legislature, Regular Session, 1971, authorizes the
38 "creation, establishment, maintenance, and operation"

1 of the district. The revised law omits "creation" and
2 "establishment" as executed. The revised law omits
3 "maintenance" because, in this context, the meaning of
4 that term is included in the meaning of "operation."

5 Revised Law

6 Sec. 1093.003. ESSENTIAL PUBLIC FUNCTION. The district
7 performs an essential public function in carrying out the purposes
8 of this chapter. (Acts 62nd Leg., R.S., Ch. 5, Sec. 21 (part).)

9 Source Law

10 Sec. 21. In carrying out the purposes of this
11 Act, the District will be performing an essential
12 public function, and

13 Revised Law

14 Sec. 1093.004. DISTRICT TERRITORY. The boundaries of the
15 district are coextensive with the boundaries of San Augustine
16 County, Texas. (Acts 62nd Leg., R.S., Ch. 5, Sec. 1 (part).)

17 Source Law

18 Sec. 1. . . . [hospital district] . . . with
19 boundaries coextensive with the boundaries of San
20 Augustine County, Texas,

21 Revised Law

22 Sec. 1093.005. CORRECTION OF INVALID PROCEDURES. If a
23 court holds that any procedure under this chapter violates the
24 constitution of this state or of the United States, the district by
25 resolution may provide an alternative procedure that conforms with
26 the constitution. (Acts 62nd Leg., R.S., Ch. 5, Sec. 22 (part).)

27 Source Law

28 Sec. 22. . . . [federal or State constitutions]
29 Where any procedure hereunder may be held by
30 any court to be violative of either of such
31 constitutions, the District shall have the power by
32 resolution to provide an alternative procedure
33 conformable with such constitutions. . . .

34 Revisor's Note

35 Section 22, Chapter 5, Acts of the 62nd
36 Legislature, Regular Session, 1971, provides that the
37 act does not violate the federal or state constitution
38 and requires that action under the act comply with the
39 constitutions. The revised law omits the reference to

1 the federal constitution because, under the Supremacy
2 Clause of the United States Constitution (Clause 2,
3 Article VI), federal law always takes precedence over
4 a state statute. The revised law also omits the
5 reference to the Texas Constitution because the state
6 cannot modify constitutional requirements by statute.
7 The omitted law reads:

8 Sec. 22. Nothing in this Act shall be
9 construed to violate any provision of the
10 federal or State constitutions, and all
11 acts done under this Act shall be in such
12 manner as will conform thereto, whether
13 expressly provided or not. . . .

14 Revised Law

15 Sec. 1093.006. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
16 OBLIGATION. The support and maintenance of the district may not
17 become a charge against or obligation of this state. (Acts 62nd
18 Leg., R.S., Ch. 5, Sec. 20 (part).)

19 Source Law

20 Sec. 20. The support and maintenance of the
21 hospital district shall never become a charge against
22 or obligation of the State of Texas,

23 Revised Law

24 Sec. 1093.007. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
25 The legislature may not make a direct appropriation for
26 construction, maintenance, or improvement of a district facility.
27 (Acts 62nd Leg., R.S., Ch. 5, Sec. 20 (part).)

28 Source Law

29 Sec. 20. . . . nor shall any direct
30 appropriation be made by the Legislature for the
31 construction, maintenance or improvement of any of the
32 facilities of such District.

33 Revisor's Note
34 (End of Subchapter)

35 Sections 4 and 7(b), Chapter 5, Acts of the 62nd
36 Legislature, Regular Session, 1971, provide
37 procedures for holding an election on the creation of
38 the district and the imposition of an ad valorem tax.
39 Because the creation of the district and the
40 imposition of the tax were approved at the election,

1 the revised law omits the relevant law as executed.

2 The omitted law reads:

3 Sec. 4. (a) . . . provided, however,
4 that the District shall not be created, nor
5 shall any tax therein be authorized unless
6 and until such creation and such tax are
7 approved by a majority of the qualified
8 electors of the area of the District voting
9 at an election called for that purpose.
10 Such election may be called by a majority of
11 the temporary or provisional directors
12 acting upon their own motion or shall be
13 called by said provisional directors upon
14 presentation of a petition therefor signed
15 by at least 100 qualified electors of the
16 designated area. Such election shall be
17 held not less than 35 nor more than 60 days
18 from the date the election is ordered. The
19 order calling the election shall specify
20 the date, place or places of holding the
21 election, the form of ballot, the presiding
22 judge and alternate judge for each such
23 voting place, and provide for clerks as in
24 county elections. The election order may
25 provide that the entire District shall
26 constitute one election precinct or the
27 county election precincts may be combined
28 for elections. Notice of election shall be
29 given by publishing a substantial copy of
30 the election order in a newspaper or
31 newspapers which individually or
32 collectively provide general circulation in
33 the county one time a week for two
34 consecutive weeks, the first publication to
35 appear at least 30 days prior to the date
36 established for the election. The failure
37 of such election shall not operate to
38 prohibit the calling and holding of
39 subsequent elections for the same purpose,
40 provided, however, that no District
41 election for confirmation can be held
42 within twelve months of any preceding
43 District election for confirmation, and,
44 further provided, that if this District is
45 not confirmed within 60 months from the
46 effective date of this Act, this Act is
47 hereby repealed.

48 (b) At the election there shall be
49 submitted to the qualified electors of the
50 county the proposition of whether the
51 hospital district shall be created with
52 authority to levy annual taxes . . . for the
53 purpose of meeting the requirements of the
54 District's bonds, and its maintenance and
55 operating expenses, and a majority of the
56 qualified electors voting at said election
57 in favor of the proposition shall be
58 sufficient for its adoption.

59 (c) The form of ballot used at the
60 election on the creation of the District
61 shall be in conformity with Sections 61 and
62 62, Texas Election Code, as amended
63 (Articles 6.05-6.07, Vernon's Texas
64 Election Code), so that ballots may be cast
65 "FOR" or "AGAINST" the following ballot
66 proposition: "The creation of San Augustine

1 City-County Hospital District, providing
2 for the levy of a tax to be set by the
3 Directors but not to exceed 75 cents on each
4 \$100 valuation, upon all taxable property
5 situated within said District, subject to
6 hospital district taxation, for all
7 hospital district purposes."

8 (d) Within ten days after such
9 election is held, the temporary or
10 provisional Directors shall convene and
11 canvass the returns of the election, and if
12 a majority of the qualified electors voting
13 at said election vote in favor of the
14 proposition, they shall so find and declare
15 the hospital district established and
16 created.

17 [Sec. 7]

18 (b) A separate proposition may be
19 submitted at the election for the creation
20 or confirmation of the District as to
21 whether the Board of Directors, in the event
22 the District is created, shall be
23 authorized to issue bonds for any one or
24 more of the foregoing purposes. The
25 proposition, if submitted, shall specify
26 the purpose for which the bonds are to be
27 issued, the maximum amount of bonds then
28 proposed to be issued, the maximum
29 maturity, and the maximum interest rate
30 thereon.

31 [Sections 1093.008-1093.050 reserved for expansion]

32 SUBCHAPTER B. DISTRICT ADMINISTRATION

33 Revised Law

34 Sec. 1093.051. BOARD APPOINTMENT; TERM. (a) The board
35 consists of seven directors appointed as follows:

36 (1) three directors appointed by the governing body of
37 the City of San Augustine;

38 (2) three directors appointed by the Commissioners
39 Court of San Augustine County; and

40 (3) one director jointly appointed by the City of San
41 Augustine and the Commissioners Court of San Augustine County.

42 (b) Directors serve staggered two-year terms. (Acts 62nd
43 Leg., R.S., Ch. 5, Sec. 3(d) (part).)

44 Source Law

45 (d) At such time as the creation of the District
46 is approved and the returns of the election officially
47 canvassed, the persons then serving as temporary
48 directors shall become permanent directors and
49 The three directors initially appointed by the
50 governing body of the City of San Augustine shall draw
51 by lot to determine which two are to serve for a term of
52 two years and which one for a term of one year. In the
53 same manner, the three directors initially appointed

1 by the Commissioners Court of San Augustine County
2 shall draw by lot to determine which two are to serve
3 for a term of two years and which one for a term of one
4 year. The director initially appointed by the
5 Commissioners Court and the governing body of the City
6 of San Augustine, acting together as an appointive
7 body, shall automatically be accorded a term of two
8 years. Thereafter, at the expiration of each term of
9 office of the members so appointed to serve as
10 directors of the District, the Commissioners Court and
11 the governing body of the City of San Augustine and the
12 two groups acting together as an appointive body shall
13 each respectively make, and continue to make, similar
14 appointments for a term of office of two years
15 each. . . .

16 Revisor's Note

17 (1) Sections 3(a), (b), and (c), Chapter 5, Acts
18 of the 62nd Legislature, Regular Session, 1971,
19 prescribe the procedure for the appointment and the
20 terms of service of the temporary directors on the
21 effective date of the act. The revised law omits those
22 provisions as executed. Throughout this chapter, the
23 revised law omits references to "temporary" directors
24 as executed. The omitted law reads:

25 Sec. 3. (a) Upon the effective date
26 of this Act, or as soon thereafter as
27 reasonably possible, the governing body of
28 the City of San Augustine shall appoint
29 three persons to serve as temporary or
30 provisional directors of the District, and
31 the Commissioners Court of San Augustine
32 County shall similarly appoint three
33 persons to serve as temporary or
34 provisional directors of the District. A
35 seventh director shall be selected and
36 appointed by the Commissioners Court and
37 the governing body of the City, acting
38 together as an appointive body. Each
39 temporary or provisional director shall
40 subscribe to the constitutional oath of
41 office within ninety days of the effective
42 date of this Act.

43 (b) Temporary directors shall serve
44 for a period of two years or until the
45 creation of the District is confirmed at an
46 election, whichever date shall first occur.
47 Any vacancy in the office of temporary
48 director, whether by reason of failure to
49 qualify or by the occurrence of a vacancy
50 prior to the confirmation of the District at
51 an election, shall be filled by the body
52 which made the initial appointment.

53 (c) The temporary or provisional
54 directors or a majority thereof may call an
55 election for approval of the creation of the
56 District and for the support thereof as
57 provided in Section 4 of this Act.

58 (2) Section 3(d), Chapter 5, Acts of the 62nd

1 Legislature, Regular Session, 1971, describes the
2 composition and terms of the initial permanent
3 directors and provides for those directors to continue
4 to serve after the creation of the district. The
5 revised law omits those provisions as executed but
6 codifies the establishment of a board consisting of
7 seven directors. Section 3(d) also establishes
8 staggered two-year terms for the directors that expire
9 in the first or second year after the appointment. The
10 revised law codifies the provision specifying
11 staggered terms but omits the provision relating to
12 the specific terms of the initial directors as
13 executed.

14 (3) Section 3(d), Chapter 5, Acts of the 62nd
15 Legislature, Regular Session, 1971, requires each
16 director to take the constitutional oath of office.
17 The revised law omits that provision because Section
18 1, Article XVI, Texas Constitution, requires all
19 officers to take the oath (or affirmation) before
20 assuming office. The omitted law reads:

21 (d) . . . [permanent directors]
22 . . . shall execute the constitutional oath
23 of office as such. . . .

24 Revised Law

25 Sec. 1093.052. QUALIFICATIONS FOR OFFICE. (a) A person may
26 not be appointed as a director unless the person is:

- 27 (1) a resident of the district;
28 (2) a freeholder; and
29 (3) a qualified voter.

30 (b) A person is not eligible to serve as a director if the
31 person is:

- 32 (1) the district administrator;
33 (2) a district employee; or
34 (3) a member of the hospital staff. (Acts 62nd Leg.,
35 R.S., Ch. 5, Sec. 3(e).)

(f) The Board of Directors, temporary and permanent, shall organize by electing one of their number as president and one of their number as vice-president. A secretary, who need not be a Director, shall also be elected. Officers shall be elected for a term of one year, and vacancies shall be filled for the unexpired term by the Board of Directors, temporary or permanent. . . .

Revised Law

Sec. 1093.056. COMPENSATION; EXPENSES. A director or officer serves without compensation but may be reimbursed for actual expenses incurred in the performance of official duties. The expenses must be:

- (1) reported in the district's records; and
- (2) approved by the board. (Acts 62nd Leg., R.S., Ch. 5, Sec. 3(f) (part).)

Source Law

(f) . . . All members of the Board of Directors and officers shall serve without compensation, but may be reimbursed for actual expenses incurred in the performance of their official duties upon the approval of such expenses by the Board of Directors and so reported in the minute book of the District or other records of the District.

Revisor's Note

Section 3(f), Chapter 5, Acts of the 62nd Legislature, Regular Session, 1971, requires that approved expenses be reported in the "minute book of the District or other records of the District." The revised law omits the reference to the "minute book of the District" because the minute book is a district record.

Revised Law

Sec. 1093.057. VOTING REQUIREMENT. A concurrence of four directors is sufficient in any matter relating to district business. (Acts 62nd Leg., R.S., Ch. 5, Sec. 3(f) (part).)

Source Law

(f) . . . [members of the Board of Directors] . . . a concurrence of four shall be sufficient in all matters pertaining to the business of the District. . . .

1 Revisor's Note

2 Section 3(f), Chapter 5, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that four
4 directors constitute a quorum. The revised law omits
5 that provision because it duplicates Section 311.013,
6 Government Code (Code Construction Act), which
7 provides that a quorum of a public body is a majority
8 of the number of members fixed by statute. The omitted
9 law reads:

10 (f) . . . Any four members of the
11 Board of Directors shall constitute a
12 quorum, and

13 Revised Law

14 Sec. 1093.058. DISTRICT ADMINISTRATOR; ASSISTANT
15 ADMINISTRATOR. (a) The board may appoint a qualified person as a
16 district administrator.

17 (b) The board may appoint one or more assistant
18 administrators.

19 (c) The district administrator and any assistant
20 administrator serve at the will of the board and are entitled to the
21 compensation determined by the board.

22 (d) On assuming the duties of district administrator, the
23 administrator shall execute a bond payable to the district in an
24 amount set by the board of not less than \$5,000 that:

25 (1) is conditioned on the administrator performing the
26 administrator's duties; and

27 (2) contains other conditions the board may require.
28 (Acts 62nd Leg., R.S., Ch. 5, Sec. 5 (part).)

29 Source Law

30 Sec. 5. . . . The Board of Directors may appoint
31 a qualified person to be known as the administrator or
32 manager of the hospital district and may in its
33 discretion appoint an assistant or assistants to the
34 administrator or manager. Such administrator or
35 manager and assistant administrator or manager, if
36 any, shall serve at the will of the Board of Directors
37 and shall receive such compensation as may be fixed by
38 the Board. The administrator or manager shall, upon
39 assuming his duties, execute a bond payable to the
40 hospital district in an amount to be set by the Board
41 of Directors, in no event less than \$5,000 conditioned

1 that he shall perform the duties that are required of
2 him, and containing such other conditions as the Board
3 may require. . . .

4 Revisor's Note

5 Section 5, Chapter 5, Acts of the 62nd
6 Legislature, Regular Session, 1971, provides that the
7 board shall appoint a person as the "administrator or
8 manager" of the district and may appoint an "assistant
9 or assistants to the administrator or manager."
10 Throughout this chapter, the revised law omits
11 "manager" because, in context, "manager" is included
12 in the meaning of "administrator."

13 Revised Law

14 Sec. 1093.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
15 Subject to the limitations prescribed by the board, the district
16 administrator shall:

- 17 (1) supervise the work and activities of the district;
18 and
19 (2) direct the affairs of the district. (Acts 62nd
20 Leg., R.S., Ch. 5, Sec. 5 (part).)

21 Source Law

22 Sec. 5. . . . The administrator or manager
23 shall supervise all of the work and activities of the
24 District and shall have general direction of the
25 affairs of the District, subject to such limitations
26 as may be prescribed by the Board. . . .

27 Revised Law

28 Sec. 1093.060. APPOINTMENT AND DISMISSAL OF STAFF AND
29 EMPLOYEES. (a) The board may appoint to or dismiss from the staff
30 any doctors the board considers necessary for the efficient
31 operation of the district and may make temporary appointments as
32 warranted.

33 (b) The district may employ fiscal agents, accountants,
34 architects, and attorneys the board considers proper.

35 (c) The board may delegate to the district administrator the
36 authority to hire district employees, including technicians and
37 nurses. (Acts 62nd Leg., R.S., Ch. 5, Secs. 5 (part), 16.)

1 Source Law

2 Sec. 5. . . . The Board of Directors shall have
3 the authority to appoint or dismiss from the staff such
4 doctors as it may be deemed necessary for the efficient
5 operation of the District, and may provide for
6 temporary appointments to the staff if warranted by
7 circumstances. The Board may delegate to the
8 administrator or manager the authority to employ
9 technicians, nurses, and employees of the
10 District. . . .

11 Sec. 16. The District may employ fiscal agents,
12 accountants, architects, and attorneys, as the Board
13 may consider proper.

14 Revised Law

15 Sec. 1093.061. SENIORITY; RETIREMENT BENEFITS. The board
16 may:

17 (1) adopt rules related to the seniority of district
18 employees, including rules for a retirement plan based on
19 seniority; and

20 (2) give effect to previous years of service for
21 district employees continuously employed in the operation or
22 management of hospital facilities:

23 (A) constructed by the district; or

24 (B) acquired by the district, including
25 facilities acquired when the district was created. (Acts 62nd
26 Leg., R.S., Ch. 5, Sec. 5 (part).)

27 Source Law

28 Sec. 5. . . . The Board of Directors is given
29 full authority to establish rules and regulations
30 relating to seniority of employees of the District
31 (including a retirement plan based thereon) and may
32 give effect to previous years of service for those
33 employees who have been continuously employed in the
34 operation or management of the hospital facilities
35 acquired (including those acquired upon the creation
36 thereof by reason of Section 2 of this Act) or
37 constructed by the District. . . .

38 Revisor's Note

39 (1) Section 5, Chapter 5, Acts of the 62nd
40 Legislature, Regular Session, 1971, refers to "rules
41 and regulations." Throughout this chapter, the
42 revised law omits references to "regulations" because
43 under Section 311.005(5), Government Code (Code
44 Construction Act), a rule is defined to include a

1 regulation.

2 (2) Section 5, Chapter 5, Acts of the 62nd
3 Legislature, Regular Session, 1971, refers to
4 facilities acquired on creation "by reason of Section
5 2 of this Act." The revised law omits the quoted
6 language because the relevant portions of Section 2
7 were omitted for the reason stated in End of Chapter
8 Revisor's Note (1).

9 [Sections 1093.062-1093.100 reserved for expansion]

10 SUBCHAPTER C. POWERS AND DUTIES

11 Revised Law

12 Sec. 1093.101. DISTRICT RESPONSIBILITY. The district has
13 full responsibility for:

14 (1) providing medical and hospital care for the
15 district's needy residents; and

16 (2) operating all hospital facilities for providing
17 medical and hospital care for the district's needy inhabitants.

18 (Acts 62nd Leg., R.S., Ch. 5, Secs. 4(a) (part), 19 (part).)

19 Source Law

20 Sec. 4. (a) The District hereby provided for
21 shall assume full responsibility for providing medical
22 and hospital care for the needy residing within the
23 District;

24 Sec. 19. . . . The said hospital district shall
25 assume full responsibility for the operation of all
26 hospital facilities for the furnishing of medical and
27 hospital care for its needy inhabitants.

28 Revisor's Note

29 Sections 4(a) and 19, Chapter 5, Acts of the 62nd
30 Legislature, Regular Session, 1971, provide that the
31 district "shall assume" full responsibility for
32 providing medical and hospital care for the district's
33 needy residents and for operating hospital facilities
34 for providing the care. The revised law substitutes
35 "has" for the quoted language because the duty to
36 assume the responsibility is executed.

1 Revised Law

2 Sec. 1093.102. RESTRICTION ON POLITICAL SUBDIVISION
3 TAXATION AND DEBT. A political subdivision located within the
4 district or that has the same boundaries as the district may not
5 impose a tax on district residents or issue bonds or other
6 obligations for hospital purposes or to provide medical care.
7 (Acts 62nd Leg., R.S., Ch. 5, Sec. 19 (part).)

8 Source Law

9 Sec. 19. After the creation of the hospital
10 district, no municipality or political subdivision
11 within or having the same boundaries as the District
12 shall have the power to levy taxes or issue bonds or
13 other obligations for hospital purposes or for
14 providing medical care. . . .

15 Revisor's Note

16 (1) Section 19, Chapter 5, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides that
18 "[a]fter the creation of the hospital district,"
19 certain political subdivisions may not levy taxes or
20 issue bonds. The revised law omits the quoted language
21 as executed. In addition, throughout this chapter,
22 the revised law substitutes "impose" for "levy"
23 because, in this context, the terms are synonymous and
24 the former is more commonly used.

25 (2) Section 19, Chapter 5, Acts of the 62nd
26 Legislature, Regular Session, 1971, refers to a
27 "municipality or political subdivision." Throughout
28 this chapter, the revised law omits references to
29 "municipality" in this context because "municipality"
30 is included in the meaning of "political subdivision."

31 Revised Law

32 Sec. 1093.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
33 The board shall manage, control, and administer the hospital system
34 and the district's money and resources. (Acts 62nd Leg., R.S., Ch.
35 5, Sec. 5 (part).)

36 Source Law

37 Sec. 5. The Board of Directors shall manage,

1 control, and administer the hospital system and all
2 funds and resources of the District, but

3 Revised Law

4 Sec. 1093.104. HOSPITAL SYSTEM. (a) The district shall
5 provide for the establishment of a hospital system by:

6 (1) purchasing, constructing, acquiring, repairing,
7 or renovating buildings and equipment;

8 (2) equipping the buildings; and

9 (3) administering the buildings and equipment for
10 hospital purposes.

11 (b) The hospital system may include:

12 (1) facilities for domiciliary care of the sick,
13 injured, or geriatric;

14 (2) facilities for outpatient clinics;

15 (3) dispensaries;

16 (4) convalescent home facilities;

17 (5) necessary nurses' domiciliaries and training
18 centers;

19 (6) blood banks;

20 (7) community mental health centers;

21 (8) research centers or laboratories; and

22 (9) any other facilities the board considers necessary
23 for hospital care. (Acts 62nd Leg., R.S., Ch. 5, Secs. 2 (part), 10
24 (part).)

25 Source Law

26 Sec. 2. . . . the District shall provide for the
27 establishment of a hospital system by the purchase,
28 construction, acquisition, repair, or renovation of
29 building and equipment, and equipping same, and the
30 administration thereof for hospital purposes. . . .

31 Sec. 10. . . . The hospital system may include
32 facilities for a domiciliary care of the sick,
33 wounded, and injured, and facilities for outpatient
34 clinic or clinics, dispensaries, facilities for
35 geriatric domiciliary care, convalescent home
36 facilities, necessary nurse domiciliaries, and
37 training centers, blood banks, community mental health
38 centers, and research centers or laboratories, and any
39 other facilities deemed necessary for hospital care by
40 the Directors. . . .

41 Revisor's Note

42 Section 10, Chapter 5, Acts of the 62nd

1 Legislature, Regular Session, 1971, refers to the care
2 of the "sick, wounded, and injured." The revised law
3 omits the reference to "wounded" because "wounded" is
4 included in the meaning of "injured."

5 Revised Law

6 Sec. 1093.105. RULES. The board may adopt rules governing
7 the operation of the hospital, the hospital system, and the
8 district's staff and employees. (Acts 62nd Leg., R.S., Ch. 5, Sec.
9 5 (part).)

10 Source Law

11 Sec. 5. . . . The District, through its Board
12 of Directors, shall have the power and authority . . .
13 to promulgate rules and regulations governing the
14 operation of the hospital, hospital system, its staff
15 and its employees. . . .

16 Revisor's Note

17 Section 5, Chapter 5, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 board may "promulgate" rules to govern the district.
20 The revised law substitutes "adopt" for "promulgate"
21 because, in this context, the terms are synonymous and
22 the former is more commonly used.

23 Revised Law

24 Sec. 1093.106. PURCHASING AND ACCOUNTING PROCEDURES. The
25 board may prescribe:

26 (1) the method and manner of making purchases and
27 expenditures by and for the district; and

28 (2) all accounting and control procedures. (Acts 62nd
29 Leg., R.S., Ch. 5, Sec. 11 (part).)

30 Source Law

31 Sec. 11. The Board of Directors of such District
32 shall have the power to prescribe the method and manner
33 of making purchases and expenditures by and for the
34 hospital district and shall also be authorized to
35 prescribe all accounting and control procedures. . . .

36 Revised Law

37 Sec. 1093.107. DISTRICT PROPERTY, FACILITIES, AND
38 EQUIPMENT. (a) The board shall determine the type, number, and

1 location of buildings required to maintain an adequate hospital
2 system.

3 (b) The board may lease all or part of the district's
4 buildings or other facilities on terms considered to be in the best
5 interest of the district's inhabitants. The term of the lease may
6 not exceed 25 years.

7 (c) The district may acquire equipment for use in the
8 district's hospital system and mortgage or pledge the property as
9 security for the payment of the purchase price. A contract entered
10 into under this subsection must provide that the entire obligation
11 be retired not later than the fifth anniversary of the date of the
12 contract.

13 (d) The district may sell or otherwise dispose of any
14 property, including equipment, on terms the board finds are in the
15 best interest of the district's inhabitants. (Acts 62nd Leg.,
16 R.S., Ch. 5, Secs. 10 (part), 11 (part).)

17 Source Law

18 Sec. 10. The Board of Directors is hereby given
19 complete discretion as to the type of buildings, both
20 as to number and location, required to establish and
21 maintain an adequate hospital system. . . . The
22 District, through its Board of Directors, . . . may
23 lease all or part of its buildings and facilities upon
24 terms and conditions considered to be to the best
25 interests of its inhabitants, provided that in no
26 event shall any lease be for a period in excess of 25
27 years from the date entered. The District shall be
28 empowered to sell or otherwise dispose of any
29 property, real or personal, or equipment of any nature
30 upon terms and conditions found by the Board to be in
31 the best interests of its inhabitants.

32 Sec. 11. . . . The District may acquire
33 equipment for use in its hospital system and mortgage
34 or pledge the property so acquired as security for the
35 payment of the purchase price, but any such contract
36 shall provide for the entire obligation of the
37 District to be retired within five years from the date
38 of the contract. . . .

39 Revisor's Note

40 (1) Section 10, Chapter 5, Acts of the 62nd
41 Legislature, Regular Session, 1971, requires the board
42 to determine the buildings required to "establish and
43 maintain" an adequate hospital system. The revised
44 law omits the reference to establishing the hospital

1 system as executed.

2 (2) Section 10, Chapter 5, Acts of the 62nd
3 Legislature, Regular Session, 1971, refers to "terms
4 and conditions." The revised law omits the reference
5 to "conditions" because "conditions" is included in
6 the meaning of "terms."

7 (3) Section 10, Chapter 5, Acts of the 62nd
8 Legislature, Regular Session, 1971, refers to "any
9 property, real or personal." The revised law omits the
10 reference to "real or personal" property because under
11 Section 311.005, Government Code (Code Construction
12 Act), "property" means "real and personal property."

13 Revised Law

14 Sec. 1093.108. EMINENT DOMAIN. (a) The district may
15 exercise the power of eminent domain to acquire a fee simple or
16 other interest in any type of property located in district
17 territory if the interest is necessary for the district to exercise
18 a power, right, or privilege conferred by this chapter.

19 (b) The district must exercise the power of eminent domain
20 in the manner provided by Chapter 21, Property Code, except the
21 district is not required to deposit in the trial court money or a
22 bond as provided by Section 21.021(a), Property Code.

23 (c) In a condemnation proceeding brought by the district,
24 the district is not required to:

25 (1) pay in advance or provide a bond or other security
26 for costs in the trial court;

27 (2) provide a bond for the issuance of a temporary
28 restraining order or a temporary injunction; or

29 (3) provide a bond for costs or a supersedeas bond on
30 an appeal or petition for review. (Acts 62nd Leg., R.S., Ch. 5,
31 Sec. 15.)

32 Source Law

33 Sec. 15. The District shall have the right and
34 power of eminent domain for the purpose of acquiring by
35 condemnation any and all property of any kind and
36 character in fee simple or any lesser interest

1 therein, within the boundaries of the District
2 necessary to the powers, rights and privileges
3 conferred by this Act, in the manner provided by the
4 general law with respect to condemnation by counties,
5 provided that the District shall not be required to
6 make deposits in the registry of the trial court in the
7 sum required by Paragraph 2 of Article 3268, Revised
8 Civil Statutes of Texas, 1925, as amended, or to make
9 bond as therein provided. In condemnation proceedings
10 being prosecuted by the District, the District shall
11 not be required to pay in advance or give bond or other
12 security for costs in the trial court, nor to give any
13 bond otherwise required for the issuance of a
14 temporary restraining order or a temporary injunction
15 nor to give bond for costs or for supersedeas on any
16 appeal or writ of error.

17 Revisor's Note

18 (1) Section 15, Chapter 5, Acts of the 62nd
19 Legislature, Regular Session, 1971, provides that the
20 district has the "right and power of eminent domain for
21 the purpose of acquiring [property] by condemnation."
22 The revised law substitutes for the quoted language
23 "may exercise the power of eminent domain to acquire
24 [property]" because the phrases have the same meaning,
25 and the latter phrase is consistent with modern usage
26 in laws relating to eminent domain.

27 (2) Section 15, Chapter 5, Acts of the 62nd
28 Legislature, Regular Session, 1971, provides that the
29 district must exercise the power of eminent domain in
30 the manner provided by "the general law with respect to
31 condemnation by counties." The revised law
32 substitutes for the quoted language a reference to
33 Chapter 21, Property Code, because that is the general
34 law governing eminent domain for governmental
35 entities, including counties.

36 (3) Section 15, Chapter 5, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to
38 "Paragraph 2 of Article 3268, Revised Civil Statutes
39 of Texas, 1925, as amended." That statute was codified
40 in 1983 as Section 21.021(a), Property Code, and the
41 revised law is drafted accordingly. In addition,
42 throughout this chapter, the revised law omits the

1 references to "as amended" because under Section
2 311.027, Government Code (Code Construction Act), a
3 reference to a statute applies to all reenactments,
4 revisions, or amendments of that statute unless
5 expressly provided otherwise.

6 (4) Section 15, Chapter 5, Acts of the 62nd
7 Legislature, Regular Session, 1971, refers to a "writ
8 of error." The revised law substitutes "petition for
9 review" for "writ of error" because, effective
10 September 1, 1997, the Texas Supreme Court replaced
11 the writ of error procedure with the petition for
12 review procedure. See Rule 53.1, Texas Rules of
13 Appellate Procedure.

14 Revised Law

15 Sec. 1093.109. GIFTS AND ENDOWMENTS. The board may accept
16 for the district a gift or endowment to be held in trust and
17 administered by the board for the purposes and under the
18 directions, limitations, or other provisions prescribed in writing
19 by the donor that are not inconsistent with the proper management
20 and objectives of the district. (Acts 62nd Leg., R.S., Ch. 5, Sec.
21 18.)

22 Source Law

23 Sec. 18. The Board of Directors of the hospital
24 district is authorized to accept, on behalf of the
25 District, donations, gifts, and endowments (in
26 addition to any heretofore made to the existing
27 hospital) to be held in trust and administered by the
28 Board of Directors for such purposes and under such
29 directions, limitations, and provisions as may be
30 prescribed in writing by the donor, not inconsistent
31 with proper management and objects of the hospital
32 district.

33 Revisor's Note

34 (1) Section 18, Chapter 5, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to
36 "donations" and "gifts." The revised law omits the
37 reference to "donations" because "donations" is
38 included in the meaning of "gifts."

39 (2) Section 18, Chapter 5, Acts of the 62nd

1 Legislature, Regular Session, 1971, authorizes the
2 board to accept gifts and endowments "in addition to
3 any heretofore made to the existing hospital." The
4 revised law omits the quoted language as executed.

5 Revised Law

6 Sec. 1093.110. CONSTRUCTION OR PURCHASE CONTRACTS. A
7 construction or purchase contract that involves the expenditure of
8 more than \$2,000 may be made only after advertising in the manner
9 provided by Chapter 252 and Subchapter C, Chapter 262, Local
10 Government Code. (Acts 62nd Leg., R.S., Ch. 5, Sec. 11 (part).)

11 Source Law

12 Sec. 11. . . . All contracts for construction
13 or purchases involving the expenditure of more than
14 \$2,000 may be made only after advertising in the manner
15 provided by Chapter 163, Acts of the 42nd Legislature,
16 Regular Session, 1931, as amended (Article 2368a,
17 Vernon's Civil Statutes of Texas). . . .

18 Revisor's Note

19 (1) Section 11, Chapter 5, Acts of the 62nd
20 Legislature, Regular Session, 1971, permits
21 construction and purchase contracts involving more
22 than \$2,000 only after advertising in the manner
23 provided by Chapter 163, Acts of the 42nd Legislature,
24 Regular Session, 1931, as amended (Article 2368a,
25 Vernon's Texas Civil Statutes). Article 2368a was
26 amended by Chapter 641, Acts of the 69th Legislature,
27 Regular Session, 1985, which transferred provisions
28 relating to advertising for bids by counties to the
29 County Purchasing Act (V.A.C.S. Article 2368a.5). The
30 County Purchasing Act was codified in 1987 as
31 Subchapter C, Chapter 262, Local Government Code. The
32 provisions of Article 2368a relating to advertising
33 for bids by municipalities were codified in 1987 as
34 Chapter 252, Local Government Code. The revised law is
35 drafted accordingly.

36 (2) Section 11, Chapter 5, Acts of the 62nd
37 Legislature, Regular Session, 1971, provides that the

1 provisions of Article 5160, Revised Civil Statutes of
2 Texas, 1925, apply to the district's construction
3 contracts in relation to performance and payment
4 bonds. The revised law omits that reference because
5 Article 5160 was codified as Chapter 2253, Government
6 Code, and that chapter applies to hospital districts
7 on its own terms. The omitted law reads:

8 Sec. 11. . . . The provisions of
9 Article 5160, Revised Civil Statutes of
10 Texas, 1925, as amended, relating to
11 performance and payment bonds shall apply
12 to construction contracts let by the
13 District. . . .

14 Revised Law

15 Sec. 1093.111. OPERATING AND MANAGEMENT CONTRACTS. The
16 board may enter into an operating or management contract relating
17 to a district facility. (Acts 62nd Leg., R.S., Ch. 5, Sec. 10
18 (part).)

19 Source Law

20 Sec. 10. . . . [The District, through its Board
21 of Directors,] is further authorized to enter into an
22 operating or management contract with regard to its
23 facilities or a part thereof, or

24 Revised Law

25 Sec. 1093.112. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
26 CARE AND TREATMENT. (a) The board may contract with a county or
27 municipality located outside the district's boundaries for the
28 hospitalization of a sick or injured person of that county or
29 municipality.

30 (b) The board may contract with this state or a federal
31 agency for the hospital treatment of a sick or injured person.
32 (Acts 62nd Leg., R.S., Ch. 5, Sec. 5 (part).)

33 Source Law

34 Sec. 5. . . . [The Board of Directors] . . .
35 shall be authorized to contract with any county, or
36 incorporated municipality located outside of its
37 boundaries for the hospitalization of the sick,
38 diseased, or injured persons of any such county or
39 municipality, and shall have the authority to contract
40 with the State of Texas or agencies of the federal
41 government for the hospitalization of sick, diseased
42 or injured persons. . . .

1 Revisor's Note

2 (1) Section 5, Chapter 5, Acts of the 62nd
3 Legislature, Regular Session, 1971, refers to an
4 "incorporated" municipality. The revised law omits
5 the reference to "incorporated" because under the
6 Local Government Code all municipalities must be
7 incorporated.

8 (2) Section 5, Chapter 5, Acts of the 62nd
9 Legislature, Regular Session, 1971, refers to the
10 treatment of a "sick, diseased, or injured person."
11 The revised law omits the reference to "diseased"
12 because "diseased" is included in the meaning of
13 "sick."

14 Revised Law

15 Sec. 1093.113. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
16 INVESTIGATORY OR OTHER SERVICES. The board may contract with a
17 political subdivision or governmental agency for the district to
18 provide investigatory or other services for the hospital or welfare
19 needs of district inhabitants. (Acts 62nd Leg., R.S., Ch. 5, Sec. 5
20 (part).)

21 Source Law

22 Sec. 5. . . . The Board of Directors shall be
23 authorized to contract with any other political
24 subdivision or governmental agency whereby the
25 District will provide investigatory or other services
26 as to the hospital, or welfare needs of the inhabitants
27 of the District, and

28 Revised Law

29 Sec. 1093.114. PAYMENT FOR TREATMENT; PROCEDURES. (a)
30 When a patient who resides in the district is admitted to a district
31 facility, the district administrator may have an inquiry made into
32 the circumstances of:

33 (1) the patient; and

34 (2) the patient's relatives who are legally liable for
35 the patient's support.

36 (b) If the district administrator determines that the
37 patient or those relatives can pay for all or part of the costs of

1 the patient's care and treatment, the patient or those relatives
2 shall be ordered to pay the district a specified amount each day or
3 week for the patient's care and support. The amount ordered must be
4 proportionate to the person's financial ability.

5 (c) The district administrator may collect the amount from
6 the patient's estate, or from any relative who is legally liable for
7 the patient's support, in the manner provided by law for the
8 collection of expenses of the last illness of a deceased person.
9 (Acts 62nd Leg., R.S., Ch. 5, Sec. 17.)

10 Source Law

11 Sec. 17. Whenever a patient residing within the
12 District has been admitted to the facilities thereof,
13 the administrator or manager may cause inquiry to be
14 made as to his circumstances and those of the relatives
15 of such patient legally liable for his support. If he
16 finds that such patient or said relatives are able to
17 pay for his care and treatment in whole or in part, an
18 order shall be made directing such payment or said
19 relatives to pay to the hospital district for the care
20 and support of such patient a specified sum per day or
21 per week in proportion to financial ability. The
22 administrator or manager shall have the power and
23 authority to collect such sums from the estate of the
24 patient or his relatives legally liable for his
25 support in the manner provided by law for collection of
26 expenses in the last illness of a deceased person.

27 Revised Law

28 Sec. 1093.115. AUTHORITY TO SUE AND BE SUED. (a) The
29 district, through the board, may sue and be sued.

30 (b) The district is entitled to all causes of action and
31 defenses to which similar authorities are entitled. (Acts 62nd
32 Leg., R.S., Ch. 5, Sec. 5 (part).)

33 Source Law

34 Sec. 5. . . . [The District, through its Board
35 of Directors, shall have the power and authority] to
36 sue and be sued, and shall be entitled to all causes of
37 action and defenses enjoyed by similar authorities,

40 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

41 Revised Law

42 Sec. 1093.151. BUDGET. (a) The district administrator
43 shall prepare an annual budget for approval by the board.

44 (b) The proposed budget must contain a complete financial

1 statement of:

2 (1) the outstanding obligations of the district;

3 (2) the cash on hand in each district fund;

4 (3) the money received by the district from all
5 sources during the previous year;

6 (4) the money available to the district from all
7 sources during the ensuing year;

8 (5) the balances expected at the end of the year in
9 which the budget is being prepared;

10 (6) the estimated revenue and balances available to
11 cover the proposed budget;

12 (7) the estimated tax rate required; and

13 (8) the proposed expenditures and disbursements and
14 the estimated receipts and collections for the following fiscal
15 year. (Acts 62nd Leg., R.S., Ch. 5, Sec. 6 (part).)

16 Source Law

17 Sec. 6. . . . The administrator or manager
18 shall prepare an annual budget for approval of the
19 Board of Directors. The budget shall also contain a
20 complete financial statement of the District showing
21 all outstanding obligations of the District, the cash
22 on hand to the credit of each and every fund of the
23 District, the funds received from all sources during
24 the previous year, the funds available from all
25 sources during the ensuing year, with balances
26 expected at the end of the year in which the budget is
27 being prepared, and estimated revenues and balances
28 available to cover the proposed budget and the
29 estimated tax rate which will be required, and the
30 proposed expenditures and disbursements and the
31 estimated receipts and collections for the following
32 fiscal year. . . .

33 Revised Law

34 Sec. 1093.152. NOTICE; HEARING; ADOPTION OF BUDGET.

35 (a) The board shall hold a public hearing on the proposed annual
36 budget.

37 (b) At least 10 days before the date of the hearing, notice
38 of the hearing shall be published one time in a newspaper or
39 newspapers that individually or collectively have general
40 circulation in the district.

41 (c) Any property taxpayer of the district is entitled to be
42 present and participate at the hearing.

1 (d) At the conclusion of the hearing, the board shall adopt
2 a budget by acting on the budget proposed by the district
3 administrator. The board may make any changes in the proposed
4 budget that the board judges to be in the interests of the taxpayers
5 and that the law warrants. (Acts 62nd Leg., R.S., Ch. 5, Sec. 6
6 (part).)

7 Source Law

8 Sec. 6. . . . A public hearing on the annual
9 budget shall be held by the Board of Directors after
10 notice of such hearing has been published one time at
11 least ten days before the date set therefor. Notice of
12 the hearing on budget shall be published in a newspaper
13 or newspapers which individually or collectively
14 provide general circulation in the hospital district.
15 Any property taxpayer of the District shall have the
16 right to be present and participate in said hearing.
17 At the conclusion of the hearing, the budget, as
18 proposed by the administrator or manager, shall be
19 acted upon by the Board of Directors. The Directors
20 shall have the authority to make such changes in the
21 budget as in their judgment the law warrants and the
22 interests of the taxpayers demand. . . . the annual
23 budget, and . . . shall be approved by the Board of
24 Directors. . . .

25 Revised Law

26 Sec. 1093.153. AMENDMENTS TO BUDGET. The budget may be
27 amended as required by circumstances. The board must approve all
28 amendments. (Acts 62nd Leg., R.S., Ch. 5, Sec. 6 (part).)

29 Source Law

30 Sec. 6. . . . The annual budget may be amended
31 from time to time as circumstances may require, but
32 . . . all amendments thereto, [shall be approved by
33 the Board of Directors.] . . .

34 Revisor's Note

35 Section 6, Chapter 5, Acts of the 62nd
36 Legislature, Regular Session, 1971, states that the
37 board may amend the budget "from time to time." The
38 revised law omits the quoted language because the
39 authority to take an action implies the authority to do
40 so at any time.

41 Revised Law

42 Sec. 1093.154. RESTRICTION ON EXPENDITURES. Money may be
43 spent only for an expense included in the budget or an amendment to
44 the budget. (Acts 62nd Leg., R.S., Ch. 5, Sec. 6 (part).)

1 shall prepare for the board:

2 (1) a complete sworn statement of all district money;
3 and

4 (2) a complete account of the disbursements of that
5 money. (Acts 62nd Leg., R.S., Ch. 5, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . As soon as is practicable after
8 the close of each fiscal year, the administrator or
9 manager shall prepare for the Board of Directors a full
10 sworn statement of all moneys belonging to the
11 District and a full account of the disbursement of
12 same.

13 Revised Law

14 Sec. 1093.159. DEPOSITORY. (a) The board shall select one
15 or more banks in the district to serve as a depository for district
16 money.

17 (b) District money, other than money invested as provided by
18 Section 1093.160, and money transmitted to a bank for payment of
19 bonds or obligations issued by the district, shall be deposited as
20 received with the depository bank and shall remain on deposit.

21 (c) This chapter, including Subsection (b), does not limit
22 the power of the board to place a part of district money on time
23 deposit or to purchase certificates of deposit. (Acts 62nd Leg.,
24 R.S., Ch. 5, Sec. 12.)

25 Source Law

26 Sec. 12. The Board of Directors of the District
27 shall name one or more banks within its boundaries to
28 serve as depository for the funds of the District. All
29 funds of the District, except those invested as
30 provided in Section 5 of this Act, and those
31 transmitted to a bank or banks as payment for bonds or
32 obligations issued by the District, shall be deposited
33 as received with the depository bank and shall remain
34 on deposit, provided that nothing herein shall limit
35 the power of the Board to place a portion of such funds
36 on time deposit or to purchase certificates of
37 deposit.

38 Revised Law

39 Sec. 1093.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
40 Except as otherwise provided by Section 1093.107(c) and by
41 Subchapter E, the district may not incur an obligation payable from
42 district revenue other than the revenue on hand or to be on hand in

1 the current and following district fiscal years.

2 (b) The board may invest operating, depreciation, or
3 building reserves only in funds or securities specified by Chapter
4 2256, Government Code. (Acts 62nd Leg., R.S., Ch. 5, Secs. 5
5 (part), 11 (part).)

6 Source Law

7 Sec. 5. . . . in no event shall any operating,
8 depreciation, or building fund reserves be invested in
9 any funds or securities other than those specified in
10 Articles 836 or 837, Revised Civil Statutes of Texas,
11 1925, as amended. . . .

12 Sec. 11. . . . Except as permitted in the
13 preceding sentence and as permitted by Sections 7 and 8
14 of this Act, the District may incur no obligation
15 payable from any revenues of the District, taxes or
16 otherwise, except those on hand or to be on hand within
17 the then current and following fiscal year of the
18 District.

19 Revisor's Note

20 (1) Section 5, Chapter 5, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to
22 "Articles 836 or 837, Revised Civil Statutes of Texas,
23 1925, as amended." Those articles were impliedly
24 repealed by the enactment of the Public Funds
25 Investment Act of 1987 (Article 842a-2, Vernon's Texas
26 Civil Statutes), which was revised in 1993 as Chapter
27 2256, Government Code. Chapter 2256 defines "local
28 government" to include hospital districts and applies
29 to the district by its own terms. The revised law
30 therefore substitutes a reference to Chapter 2256,
31 Government Code, for the references to Articles 836
32 and 837.

33 (2) Section 11, Chapter 5, Acts of the 62nd
34 Legislature, Regular Session, 1971, states that
35 "[e]xcept as permitted in the preceding sentence and
36 as permitted by Sections 7 and 8," the district may not
37 incur certain obligations. The "preceding sentence"
38 in Section 11 is codified in Section 1093.107(c).
39 Sections 7 and 8 are codified in Subchapter E. The

1 revised law is drafted accordingly.

2 [Sections 1093.161-1093.200 reserved for expansion]

3 SUBCHAPTER E. BONDS

4 Revised Law

5 Sec. 1093.201. GENERAL OBLIGATION BONDS. The board may
6 issue and sell general obligation bonds in the name and on the faith
7 and credit of the district for any purpose relating to:

8 (1) the purchase, construction, acquisition, repair,
9 or renovation of buildings or improvements; and

10 (2) the equipment of buildings and improvements for
11 hospital purposes. (Acts 62nd Leg., R.S., Ch. 5, Sec. 7(a) (part).)

12 Source Law

13 Sec. 7. (a) The Board of Directors shall have
14 the power and authority to issue and sell bonds in the
15 name and upon the faith and credit of the hospital
16 district for the purchase, construction, acquisition,
17 repair, or renovation of buildings, and improvements
18 and equipment of the same for hospital purposes, and
19 for any and all such purposes. . . .

20 Revisor's Note

21 Section 7(a), Chapter 5, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that the
23 board has the power and authority to issue and sell
24 bonds in the name and on the faith and credit of the
25 district. Because the type of bonds described by
26 Section 7(a) are known as "general obligation bonds,"
27 the revised law is drafted accordingly.

28 Revised Law

29 Sec. 1093.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
30 the time general obligation bonds are issued under Section
31 1093.201, the board shall impose an ad valorem tax at a rate
32 sufficient to create an interest and sinking fund to pay the
33 principal of and interest on the bonds as the bonds mature.

34 (b) The tax required by this section together with any other
35 ad valorem tax the district imposes may not in any year exceed the
36 tax rate approved by the voters at the election authorizing the
37 imposition of the tax. (Acts 62nd Leg., R.S., Ch. 5, Sec. 7(a))

1 (part).)

2 Source Law

3 (a) . . . At the time of issuance of any bonds by
4 the District a tax shall be levied by the Board
5 sufficient to create an interest and sinking fund to
6 pay the interest on and principal of said bonds as same
7 mature, provided that such tax, together with any
8 other taxes levied for said District, shall not exceed
9 the rate of tax voted under the provisions of Section 4
10 of this Act. . . .

11 Revisor's Note

12 (1) Section 7(a), Chapter 5, Acts of the 62nd
13 Legislature, Regular Session, 1971, requires the
14 district to levy a tax to pay the principal of and
15 interest on bonds. The revised law specifies that the
16 tax is an "ad valorem" tax because it is clear from the
17 source law that the tax is a property tax and "ad
18 valorem" is the term most commonly used to refer to a
19 property tax.

20 (2) Section 7(a), Chapter 5, Acts of the 62nd
21 Legislature, Regular Session, 1971, provides that the
22 tax rate may not exceed "the rate of tax voted under
23 the provisions of Section 4 of this Act." Section 4
24 sets out procedures for the district's creation
25 election and requires voter approval of the district's
26 authority to impose taxes. Because the revised law
27 omits Section 4 for the reason stated in the revisor's
28 note at the end of Subchapter A, the revised law
29 substitutes "the tax rate approved by the voters at the
30 election authorizing the imposition of the tax" for
31 the quoted language.

32 Revised Law

33 Sec. 1093.203. GENERAL OBLIGATION BOND ELECTION. (a) The
34 district may issue general obligation bonds only if the bonds are
35 authorized by a majority of the district voters voting at an
36 election held for that purpose.

37 (b) The order calling the election shall provide for clerks
38 as in county elections and must specify:

- 1 (1) the date of the election;
 - 2 (2) the location of the polling places;
 - 3 (3) the presiding and alternate election judges for
4 each polling place;
 - 5 (4) the amount of the bonds to be authorized; and
 - 6 (5) the maximum interest rate of the bonds.
- 7 (c) Notice of a bond election shall be given as provided by
8 Section 1251.003, Government Code. (Acts 62nd Leg., R.S., Ch. 5,
9 Sec. 7(a) (part).)

10 Source Law

11 (a) . . . No bonds shall be issued by such
12 hospital district . . . until authorized by a majority
13 of the qualified electors of the District voting at an
14 election called for such purpose. The order for bond
15 election shall specify the date of the election, the
16 amount of bonds to be authorized, the maximum rate of
17 interest they are to bear, the place or places where
18 the election shall be held, the presiding judge and
19 alternate judge for each voting place, and provide for
20 clerks as in county elections. . . . notice of any bond
21 election shall be given as provided in Article 704,
22 Revised Civil Statutes of Texas, 1925, as amended, and
23 shall be conducted in accordance with the general laws
24 of the State of Texas pertaining to general elections,
25 except as modified by the provisions of this Act.

26 Revisor's Note

27 (1) Section 7(a), Chapter 5, Acts of the 62nd
28 Legislature, Regular Session, 1971, refers to a
29 majority vote of the "qualified electors." The
30 revised law omits "qualified" as unnecessary in this
31 context because Chapter 11, Election Code, governs
32 eligibility to vote in an election in this state and
33 allows only "qualified" voters who are residents of
34 the territory covered by the election to vote in an
35 election. The revised law substitutes "voter" for
36 "elector" because the former is the term used in the
37 Election Code.

38 (2) Section 7(a), Chapter 5, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides that
40 notice of a bond election under Section 7(b) must be
41 given as provided by Section 4. As explained in the

1 revisor's note to the end of Subchapter A, Sections 4
2 and 7(b), Chapter 5, are executed. The revised law
3 therefore omits the provision. The omitted law reads:

4 (a) . . . Except as to a bond
5 election held pursuant to the provisions of
6 Subsection (b) of this section, where
7 notice shall be given as provided in Section
8 4,

9 (3) Section 7(a), Chapter 5, Acts of the 62nd
10 Legislature, Regular Session, 1971, refers to Article
11 704, Revised Statutes, which specifies certain notice
12 requirements for a bond election. That provision was
13 codified in 1999 as Section 1251.003, Government Code.
14 The revised law is drafted accordingly.

15 (4) Section 7(a), Chapter 5, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that an
17 election under Section 7 "shall be conducted in
18 accordance with the general laws of the State of Texas
19 pertaining to general elections, except as modified by
20 the provisions of this Act." The general law on
21 elections in Texas is the Election Code. The revised
22 law omits the quoted language because Section 1.002,
23 Election Code, provides that the Election Code applies
24 to all elections held in this state. An exception to
25 the application of the Election Code would apply by its
26 own terms.

27 Revised Law

28 Sec. 1093.204. MATURITY OF GENERAL OBLIGATION BONDS.
29 District general obligation bonds must mature not later than 40
30 years after the date of issuance. (Acts 62nd Leg., R.S., Ch. 5,
31 Sec. 7(d) (part).)

32 Source Law

33 (d) Bonds of the District . . . shall mature
34 within 40 years of their date,

35 Revised Law

36 Sec. 1093.205. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
37 The board president shall execute the general obligation bonds in

1 the district's name.

2 (b) The board secretary shall countersign the bonds in the
3 manner provided by Chapter 618, Government Code. (Acts 62nd Leg.,
4 R.S., Ch. 5, Sec. 7(d) (part).)

5 Source Law

6 (d) [Bonds of the District] . . . shall be
7 executed in the name of the District and in its behalf
8 by the president of the Board of Directors and
9 countersigned by the secretary in the manner provided
10 by Chapter 204, Acts of the 57th Legislature, Regular
11 Session, 1961, as amended (Article 717j-1, Vernon's
12 Civil Statutes of Texas), and

13 Revisor's Note

14 (1) Section 7(d), Chapter 5, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to Chapter
16 204, Acts of the 57th Legislature, Regular Session,
17 1961, as amended (Article 717j-1, Vernon's Texas Civil
18 Statutes). That statute was codified in 1999 as
19 Chapter 618, Government Code, and the revised law is
20 drafted accordingly.

21 (2) Section 7(d), Chapter 5, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides in part
23 that general obligation bonds issued under Chapter 5
24 must bear interest at a rate not to exceed seven
25 percent a year. The revised law omits that provision
26 because it has been superseded by the enactment of the
27 maximum interest rate provision found in Section
28 1204.006, Government Code. That section reflects the
29 1981 amendment of Chapter 3, Acts of the 61st
30 Legislature, Regular Session, 1969 (Article 717k-2,
31 Vernon's Texas Civil Statutes, now Chapter 1204,
32 Government Code), by Section 1, Chapter 61, Acts of the
33 67th Legislature, Regular Session, 1981, and permits a
34 public agency, including a hospital district, to issue
35 public securities at any net effective interest rate
36 of 15 percent or less. Section 1204.006, Government
37 Code, applies to bonds issued under this chapter by

1 application of Section 1204.001, Government Code. The
2 omitted law reads:

3 (d) [Bonds of the District] shall
4 bear interest not to exceed 7 per cent per
5 year,

6 (3) Section 7(d), Chapter 5, Acts of the 62nd
7 Legislature, Regular Session, 1971, provides that the
8 general obligation bonds are subject to the law
9 governing counties that relates to bond approval by
10 the attorney general and registration of the bonds by
11 the comptroller. Section 7(d) also provides that
12 after approval and registration the bonds are
13 "incontestable for any cause." The revised law omits
14 those provisions as superseded by Chapter 1202,
15 Government Code (enacted as Article 3, Chapter 53,
16 Acts of the 70th Legislature, 2nd Called Session,
17 1987). Section 1202.003(a), Government Code, requires
18 bonds to be submitted to the attorney general. Section
19 1202.003(b), Government Code, provides for approval of
20 the bonds by the attorney general and requires the
21 attorney general to submit the approved bonds to the
22 comptroller for registration. Section 1202.005,
23 Government Code, requires registration of the bonds by
24 the comptroller. Section 1202.006, Government Code,
25 provides that after approval and registration the
26 bonds are incontestable and binding obligations.
27 Chapter 1202, Government Code, applies to bonds issued
28 under this chapter by application of Section 1202.001,
29 Government Code. The omitted law reads:

30 (d) [Bonds of the District] . . .
31 shall be subject to the same requirements in
32 the manner of approval by the Attorney
33 General of Texas and registration by the
34 Comptroller of Public Accounts of the State
35 of Texas as are by law provided for the
36 approval and registration of bonds issued
37 by counties. Upon the approval of such
38 bonds by the Attorney General and
39 registration by the Comptroller of Public
40 Accounts, the same shall be incontestable
41 for any cause.

1 Revised Law

2 Sec. 1093.206. REVENUE BONDS. (a) The board may issue
3 revenue bonds to:

4 (1) purchase, construct, acquire, repair, renovate,
5 or equip buildings or improvements for hospital purposes; or

6 (2) acquire sites to be used for hospital purposes.

7 (b) The bonds must be payable from and secured by a pledge of
8 all or part of the revenue derived from the operation of the
9 district's hospitals.

10 (c) The bonds may be additionally secured by a mortgage or
11 deed of trust lien on all or part of district property.

12 (d) The bonds must be issued in the manner and in accordance
13 with the procedures and requirements prescribed by Sections
14 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
15 and Safety Code, for issuance of revenue bonds by a county hospital
16 authority. (Acts 62nd Leg., R.S., Ch. 5, Sec. 8 (part).)

17 Source Law

18 Sec. 8. In addition to the power to issue bonds
19 payable from taxes levied by the District, as
20 contemplated by the preceding section, the Board of
21 Directors is further authorized to issue and . . .
22 revenue bonds for purchasing, constructing,
23 acquiring, repairing, equipping, or renovating
24 buildings and improvements for hospital purposes, and
25 for acquiring sites therefor, such bonds to be payable
26 from and secured by a pledge of all or any part of the
27 revenues of the District to be derived from the
28 operation of its hospital, and such bonds may be
29 additionally secured by a mortgage or deed of trust
30 lien upon any part or all of its properties. Such
31 bonds shall be issued in the manner and in accordance
32 with the procedures and requirements specified for the
33 issuance of revenue bonds by county hospital
34 authorities in Sections 8, 10, 11, 12, and 13 of
35 Chapter 122, Acts of the 58th Legislature, 1963
36 (Article 4494r, Vernon's Civil Statutes of Texas).

37 Revisor's Note

38 Section 8, Chapter 5, Acts of the 62nd
39 Legislature, Regular Session, 1971, refers to Sections
40 8, 10, 11, 12, and 13 of Chapter 122, Acts of the 58th
41 Legislature, 1963 (Article 4494r, Vernon's Texas Civil
42 Statutes). Those provisions were codified in 1989 as
43 Sections 264.042, 264.043, 264.046, 264.047, 264.048,

1 and 264.049, Health and Safety Code. The revised law
2 is drafted accordingly.

3 Revised Law

4 Sec. 1093.207. REFUNDING BONDS. (a) The board may, without
5 an election, issue refunding bonds to refund outstanding
6 indebtedness issued by the district.

7 (b) A refunding bond may be:

8 (1) sold, with the proceeds of the refunding bond
9 applied to the payment of the indebtedness to be refunded; or

10 (2) exchanged wholly or partly for not less than a
11 similar principal amount of outstanding indebtedness. (Acts 62nd
12 Leg., R.S., Ch. 5, Secs. 7(a) (part), (c) (part), 8 (part).)

13 Source Law

14 Sec. 7. (a) . . . [No bonds shall be issued by
15 such hospital district] except refunding bonds [until
16 authorized by a majority of the qualified electors of
17 the District voting at an election called for such
18 purpose.] . . .

19 (c) Refunding bonds of the District may be
20 issued for the purpose of refunding and paying off any
21 outstanding indebtedness issued. Such refunding bonds
22 may be sold and the proceeds therefrom applied to the
23 payment of outstanding indebtedness, or may be
24 exchanged in whole or in part for not less than a like
25 principal amount of such outstanding indebtedness
26

27 Sec. 8. . . . [the Board of Directors is further
28 authorized] . . . to refund any previously issued
29 [revenue bonds]

30 Revisor's Note

31 (1) Section 7(c), Chapter 5, Acts of the 62nd
32 Legislature, Regular Session, 1971, provides that the
33 refunding bonds must bear interest at the same or a
34 lower rate than the rate of the debt refunded unless a
35 savings is shown. The revised law omits that provision
36 for the reason stated in Revisor's Note (2) to Section
37 1093.205. The omitted law reads:

38 (c) . . . provided that, if refunding
39 bonds are to be exchanged for a like amount
40 of said outstanding indebtedness, such
41 refunding bonds shall bear interest at the
42 same or lower rate than borne by the debt
43 refunded, unless it is shown mathematically
44 that a saving will result in the total

1 amount of interest to be paid on said
2 refunding bonds, and

3 (2) Section 7(c), Chapter 5, Acts of the 62nd
4 Legislature, Regular Session, 1971, provides that
5 refunding bonds sold to pay outstanding indebtedness
6 must be issued and payments made in the manner
7 specified by Chapter 503, Acts of the 54th
8 Legislature, Regular Session, 1955, as amended
9 (Article 717k, Vernon's Texas Civil Statutes).
10 Article 717k was codified in 1999 in Chapter 1207,
11 Government Code. The revised law omits the provision
12 because Chapter 1207, Government Code, applies to the
13 district by its own terms under Section 1207.001,
14 Government Code. The omitted law reads:

15 (c) . . . provided further that if
16 such refunding bonds are to be sold and the
17 proceeds thereof applied to the payment of
18 any such outstanding indebtedness, same
19 shall be issued and payable in the manner as
20 specified in Chapter 503, Acts of the 54th
21 Legislature, Regular Session, 1955, as
22 amended (Article 717k, Vernon's Civil
23 Statutes of Texas).

24 Revised Law

25 Sec. 1093.208. BONDS EXEMPT FROM TAXATION. The following
26 are exempt from taxation by this state or a political subdivision of
27 this state:

- 28 (1) bonds issued by the district;
29 (2) the transfer and issuance of the bonds; or
30 (3) profits made in the sale of the bonds. (Acts 62nd
31 Leg., R.S., Ch. 5, Sec. 21 (part).)

32 Source Law

33 Sec. 21. . . any bonds issued by it and their
34 transfer and the issuance therefrom, including any
35 profits made in the sale thereof, shall at all times be
36 free from taxation by the State or any municipality or
37 political subdivision thereof.

38 Revisor's Note
39 (End of Subchapter)

40 (1) Section 9, Chapter 5, Acts of the 62nd
41 Legislature, Regular Session, 1971, provides that
42 district bonds are authorized investments for certain

1 entities. The revised law omits the provision as
2 unnecessary. As to several of the entities listed,
3 Section 9 has been superseded and impliedly repealed.
4 Investments in securities by banks are regulated by
5 Section 34.101, Finance Code (enacted in 1995 as
6 Section 5.101, Texas Banking Act (Article 342-5.101,
7 Vernon's Texas Civil Statutes)). Investments in
8 securities by savings banks are regulated by Section
9 93.001(c)(10), Finance Code (enacted in 1993 as
10 Section 7.15(10), Texas Savings Bank Act (Article
11 489e, Vernon's Texas Civil Statutes)). Investments in
12 securities by trust companies are regulated by Section
13 184.101, Finance Code (enacted in 1997 as Section
14 5.101, Texas Trust Company Act (Article 342a-5.101,
15 Vernon's Texas Civil Statutes)). Investments in
16 securities by savings and loan associations are
17 regulated by Sections 63.002 and 64.001, Finance Code.
18 As to the remaining entities listed, Section 9 is
19 superseded by Section 1201.041, Government Code,
20 enacted as Section 9, Bond Procedures Act of 1981
21 (Article 717k-6, Vernon's Texas Civil Statutes).
22 Section 1201.041, Government Code, applies to bonds
23 issued under this chapter by application of Section
24 1201.002, Government Code. The revised law omits the
25 reference to public funds of this state because it has
26 been superseded by Section 404.024, Government Code
27 (enacted in 1985 as Section 2.014, Treasury Act
28 (Article 4393-1, Vernon's Texas Civil Statutes)),
29 which governs the investment of state funds. Section
30 404.024(b)(10), Government Code, authorizes the
31 investment of state funds in obligations of political
32 subdivisions, including hospital districts. The
33 omitted law reads:

34 Sec. 9. All bonds issued hereunder by
35 the District shall be and are hereby

1 declared to be legal and authorized
2 investments of banks, savings banks, trust
3 companies, insurance companies, building
4 and loan associations, savings and loan
5 associations, trustees, and sinking funds
6 of cities, towns, villages, counties,
7 school districts, or other political
8 subdivisions of the State of Texas, and for
9 all public funds of the State of Texas or
10 its agencies including the State Permanent
11 School Fund. . . .

12 (2) Section 9, Chapter 5, Acts of the 62nd
13 Legislature, Regular Session, 1971, effectively
14 provides that district bonds may secure deposits of
15 public funds of this state or political subdivisions
16 of this state. The revised law omits the provisions as
17 impliedly repealed by Section 404.0221, Government
18 Code (enacted in 1995), which lists eligible
19 collateral for deposits of state funds by the
20 comptroller, and by Chapter 2257, Government Code
21 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
22 Statutes), which governs eligible collateral for
23 deposits of funds of other public agencies, including
24 political subdivisions. The omitted law reads:

25 Sec. 9. . . . Such bonds and
26 indebtedness shall be eligible to secure
27 deposit of public funds of the State of
28 Texas and public funds of cities, towns,
29 villages, counties, school districts, or
30 other political subdivisions or
31 corporations of the State of Texas, and
32 shall be lawful and sufficient surety for
33 said deposits to the extent of their value
34 when accompanied by all unmatured coupons
35 appurtenant thereto.

37 SUBCHAPTER F. TAXES

38 Revised Law

39 Sec. 1093.251. IMPOSITION OF AD VALOREM TAX. (a) The board
40 shall impose a tax on all property in the district subject to
41 district taxation.

42 (b) The board shall impose the tax to:

43 (1) pay the interest on and create a sinking fund for
44 bonds or other obligations issued or assumed by the district for
45 hospital purposes;

1 (2) provide for the operation and maintenance of the
2 district and hospital system;

3 (3) make improvements and additions to the hospital
4 system; and

5 (4) acquire necessary sites for the hospital system by
6 purchase, lease, or condemnation. (Acts 62nd Leg., R.S., Ch. 5,
7 Secs. 4(b) (part), 13 (part).)

8 Source Law

9 [Sec. 4]

10 (b) . . . [annual taxes] . . . of taxable
11 property situated in the District subject to hospital
12 district taxation

13 Sec. 13. The Board of Directors shall annually
14 levy a tax . . . for the purpose of (1) paying the
15 interest on and creating a sinking fund for bonds and
16 other obligations which may be issued or assumed by the
17 hospital district for hospital purposes as herein
18 provided; (2) providing for the operation and
19 maintenance of the hospital district and hospital
20 system; and (3) making further improvements and
21 additions to the hospital system or acquiring
22 necessary sites therefor by purchase, lease, or
23 condemnation. . . .

24 Revised Law

25 Sec. 1093.252. TAX RATE. (a) The board may impose the tax
26 at a rate not to exceed 75 cents on each \$100 valuation of taxable
27 property in the district.

28 (b) In setting the tax rate, the board shall consider the
29 income of the district from sources other than taxation. (Acts 62nd
30 Leg., R.S., Ch. 5, Secs. 4(b) (part), 13 (part).)

31 Source Law

32 [Sec. 4]

33 (b) [At the election there shall be submitted to
34 the qualified electors of the county the proposition
35 of whether the hospital district shall be created with
36 authority to levy annual taxes] at a rate to be set by
37 the Directors but not to exceed 75 cents on the \$100
38 valuation [of taxable property situated in the
39 District subject to hospital district taxation]
40

41 Sec. 13. [The Board of Directors shall annually
42 levy a tax] not to exceed the amount hereinabove
43 permitted In setting such tax rates, the Board
44 shall take into consideration the income of the
45 District from sources other than taxation. . . .

46 Revisor's Note

47 Section 13, Chapter 5, Acts of the 62nd

1 comprehensive, substantive codification of property
2 tax law. Title 1, Tax Code, provides the exclusive
3 procedures for the appraisal of property for taxation
4 by a taxing unit, including a hospital district. The
5 omitted law reads:

6 Sec. 14. . . . All taxes of the
7 District shall be assessed and collected on
8 county tax values as provided in Subsection
9 (1) hereof

10 (1) . . . District taxes shall
11 be assessed and collected on county tax
12 values in the same manner as provided by law
13 with relation to county taxes. . . .

14 (2) Section 14(1), Chapter 5, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to the tax
16 assessor-collector "of the county." The revised law
17 substitutes "San Augustine County" for the quoted
18 language because that is the county in which the
19 district is located.

20 (3) Section 14(1), Chapter 5, Acts of the 62nd
21 Legislature, Regular Session, 1971, provides that the
22 county tax assessor-collector may charge a fee for the
23 assessment and collection of district taxes. The
24 revised law omits that provision because it was
25 repealed by Section 6(b), Chapter 841, Acts of the 66th
26 Legislature, Regular Session, 1979. See Revisor's
27 Note (1). Section 6.27(b), Tax Code, provides for the
28 compensation of a county tax assessor-collector
29 assessing and collecting taxes for another taxing
30 unit. The omitted law reads:

31 (1) The
32 assessor-collector of taxes shall charge
33 and deduct from payments to the hospital
34 district an amount as fees for assessing and
35 collecting the taxes at a rate of not
36 exceeding two per cent of the amounts
37 collected as may be determined by the Board
38 of Directors, but in no event shall the
39 amount paid exceed \$5,000 in any one
40 calendar year. Such fees shall be deposited
41 in the officers salary fund of the county
42 and reported as fees of office of the county
43 tax assessor-collector. . . .

44 (4) Section 14(1), Chapter 5, Acts of the 62nd

1 Legislature, Regular Session, 1971, provides that
2 interest and penalties on district taxes and discounts
3 are the same as for county taxes. The revised law
4 omits that provision because it was repealed by
5 Section 6(b), Chapter 841, Acts of the 66th
6 Legislature, Regular Session, 1979. See Revisor's
7 Note (1). Chapter 33, Tax Code, provides for the
8 assessment of penalties and interest on delinquent
9 taxes, and Section 31.05, Tax Code, provides for
10 discounts on the early payment of taxes. The omitted
11 law reads:

12 (1) . . . Interest and
13 penalties on taxes paid to the hospital
14 district shall be the same as in the case of
15 county taxes. Discounts shall be the same
16 as allowed by the county. . . .

17 (5) Section 14(1), Chapter 5, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that tax
19 revenue shall be deposited in the district's
20 depository. The revised law omits the provision
21 because Section 31.10, Tax Code, requires the tax
22 assessor-collector of a taxing unit to deposit taxes
23 collected in the unit's depository. The omitted law
24 reads:

25 (1) . . . The residue of tax
26 collections after deductions of discounts
27 and fees for assessing and collecting shall
28 be deposited in the District's
29 depository. . . .

30 (6) Section 14(1), Chapter 5, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 bond of the county tax assessor-collector is security
33 for the performance of district duties unless the
34 board determines that an additional bond is necessary.
35 The revised law omits that provision because it
36 duplicates Section 6.29(b), Tax Code, which authorizes
37 a taxing unit for which the county tax
38 assessor-collector collects a tax to require that

1 collector to post an additional bond. The omitted law
2 reads:

3 (1) . . . The bond of the
4 county tax assessor-collector shall stand
5 as security for the proper performance of
6 his duties as assessor-collector of the
7 District; or, if in the judgment of the
8 District Board of Directors it is
9 necessary, additional bond payable to the
10 District may be required. . . .

11 (7) Section 14(1), Chapter 5, Acts of the 62nd
12 Legislature, Regular Session, 1971, states that the
13 tax assessor-collector may act in accordance with
14 state law relating to the assessment, collection, and
15 enforcement of state and county taxes. The revised law
16 omits that provision as unnecessary. The state law
17 relating to the assessment, collection, and
18 enforcement of all ad valorem taxes is Title 1, Tax
19 Code. Section 1.02, Tax Code, requires all taxing
20 units of government to administer the assessment,
21 collection, and enforcement of taxes in conformity
22 with that title. The omitted law reads:

23 (1) . . . In all matters
24 pertaining to the assessment, collection
25 and enforcement of taxes for the District,
26 the county tax assessor-collector shall be
27 authorized to act in all respects according
28 to the laws of the State of Texas relating
29 to State and county taxes. . . .

30 Revised Law

31 Sec. 1093.254. ASSESSMENT AND COLLECTION BY DISTRICT TAX
32 ASSESSOR-COLLECTOR. (a) The board may elect to have district taxes
33 assessed and collected by a tax assessor-collector appointed by the
34 board. An election under this subsection must be made by December 1
35 and governs the manner in which taxes are assessed and collected,
36 until changed by a similar resolution.

37 (b) The district tax assessor-collector must:

38 (1) reside in the district; and

39 (2) own real property subject to district taxation.

40 (c) The board shall set for the district tax
41 assessor-collector:

- 1 (1) the term of employment; and
2 (2) compensation. (Acts 62nd Leg., R.S., Ch. 5, Sec.
3 14 (part).)

4 Source Law

5 Sec. 14. . . . [unless the Directors, by
6 majority vote, elect to have taxes assessed and
7 collected by its own assessor-collector under
8 Subsection (2) hereof.] Any such election may be made
9 prior to December 1 annually and shall govern the
10 manner in which the taxes are thereafter assessed and
11 collected until changed by a similar resolution.

12
13 (2) Under this subsection, taxes shall be
14 assessed and collected by a tax assessor-collector
15 appointed by the Directors, who shall also fix the
16 terms of his employment, compensation, and
17 the tax assessor shall be residents of the
18 District and own real property subject to hospital
19 district taxation, and

20 Revisor's Note

21 (1) Section 14(2), Chapter 5, Acts of the 62nd
22 Legislature, Regular Session, 1971, requires the board
23 to set a bond amount of not less than \$5,000 as
24 security for the district tax assessor-collector. The
25 revised law omits the provision because it was
26 repealed by Section 6(b), Chapter 841, Acts of the 66th
27 Legislature, Regular Session, 1979. See Revisor's
28 Note (1) to Section 1093.253. Section 6.29(a), Tax
29 Code, authorizes the governing body of a taxing unit,
30 including a hospital district, to require the unit's
31 tax assessor-collector to post bond without limiting
32 the amount. The omitted law reads:

33 (2) [Directors, who
34 shall also fix the] . . . requirements for
35 bond to assure the faithful performance of
36 his duties, but in no event shall such bonds
37 be for less than \$5,000. . . .

38 (2) Section 14(2), Chapter 5, Acts of the 62nd
39 Legislature, Regular Session, 1971, states that the
40 board shall appoint a board of equalization and
41 establishes the duties of that board and the tax
42 assessor-collector. The revised law omits the
43 reference to a board of equalization because boards of

1 equalization were abolished and their functions and
2 duties transferred to appraisal review boards by the
3 1979 enactment of the Property Tax Code, Title 1, Tax
4 Code (Section 1, Chapter 841, Acts of the 66th
5 Legislature, Regular Session, 1979). The provisions
6 relating to the duties of the tax assessor-collector
7 are omitted because the Tax Code specifies the duties
8 of a tax assessor-collector. The omitted law reads:

9 (2) . . . The Directors shall
10 also annually appoint five persons to serve
11 as the board of equalization and shall fix
12 their compensation. Each member of the
13 board and . . . [shall be residents of the
14 District and own real property subject to
15 hospital district taxation, and] each shall
16 have the same duties, including the
17 obligation to execute the oath of office, as
18 required by county officials exercising
19 such powers and duties. . . .

20 (3) Section 14(2), Chapter 5, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to the
22 applicability of Title 122 of the Revised Statutes
23 (Taxation). Before its repeal and recodification,
24 Title 122 was composed of V.A.C.S. Articles
25 7041-7359a. The relevant parts of those provisions
26 were revised in 1979 as the Property Tax Code, Title 1,
27 Tax Code (Section 1, Chapter 841, Acts of the 66th
28 Legislature, Regular Session, 1979). The revised law
29 omits the provision because Title 1 applies to the
30 district on its own terms. The omitted law reads:

31 (2) . . . Except as in this law
32 provided to the contrary, all provisions of
33 Title 122, Revised Civil Statutes of Texas,
34 1925, as amended, shall apply to the
35 District.

36 Revisor's Note
37 (End of Subchapter)

38 Section 14, Chapter 5, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides that the
40 district may impose taxes for the entire year in which
41 the district is established. The revised law omits
42 that provision as executed. The omitted law reads:

1 Sec. 14. The Directors shall have the
2 authority to levy taxes for the entire year
3 in which the District is established as a
4 result of the election herein provided.
5 . . .

6 Revisor's Note
7 (End of Chapter)

8 (1) Sections 2 and 5, Chapter 5, Acts of the 62nd
9 Legislature, Regular Session, 1971, provide for the
10 sale or transfer of certain land, buildings,
11 improvements, equipment, and choses in action to the
12 district after the district is created and provide for
13 the assumption of debt by the district on creation.
14 The revised law omits the provisions as executed. The
15 omitted law reads:

16 Sec. 2. The District herein
17 authorized to be created shall take over and
18 there shall be transferred to it title to
19 all lands, buildings, improvements,
20 equipment, and choses in action in anywise
21 pertaining to the hospital owned by the City
22 of San Augustine, and thereafter
23 Such District shall assume all outstanding
24 obligations and indebtedness incurred by
25 the City for hospital purposes prior to the
26 creation of said District.

27 Sec. 5. . . . The hospital district
28 created by this Act is authorized to
29 purchase from any city hospital within the
30 District, and each said authority is hereby
31 authorized to sell to said hospital
32 district, any and all hospital facilities,
33 including all lands, buildings, equipment
34 and properties owned by them upon such terms
35 and for such prices as they may mutually
36 agree. If any such hospital authority sells
37 its facilities to the District, that
38 authority shall no longer be authorized to
39 perform hospital services within the
40 boundaries of the District herein
41 authorized nor issue bonds therefor.

42 (2) Section 22, Chapter 5, Acts of the 62nd
43 Legislature, Regular Session, 1971, provides that the
44 act is severable. The revised law omits this provision
45 because it duplicates Section 311.032, Government Code
46 (Code Construction Act), which provides that a
47 provision of a statute is severable from each other
48 provision of the statute that can be given effect. The
49 omitted law reads:

1 Sec. 22. . . . If any provision of
2 this Act should be held to be invalid, such
3 fact shall not affect the authorization for
4 the creation of the District or the validity
5 of any other provision of this Act, and the
6 Legislature hereby declares that it would
7 have created the District and enacted the
8 valid provisions of this Act
9 notwithstanding the invalidity of any other
10 provision or provisions hereof.

11 (3) Section 23, Chapter 5, Acts of the 62nd
12 Legislature, Regular Session, 1971, provides that
13 public notice of enactment of the statute was provided
14 in a manner that satisfies the requirements of the
15 Texas Constitution. The revised law omits that
16 section as executed. The omitted law reads:

17 Sec. 23. Proof of publication of the
18 notice required in the enactment hereof
19 under the provisions of Article IX, Section
20 9, of the Constitution of the State of
21 Texas, has been made in the manner and form
22 provided by law pertaining to the enactment
23 of local and special laws, and such notice
24 is hereby found and declared proper and
25 sufficient to satisfy such requirement.

7 Gaines County, Texas. (New.)

8 Revisor's Note

9 The definitions of "board," "director," and
10 "district" are added to the revised law for drafting
11 convenience and to eliminate frequent, unnecessary
12 repetition of the substance of the definitions.

13 Revised Law

14 Sec. 1094.002. AUTHORITY FOR CREATION. The Seminole
15 Hospital District of Gaines County, Texas, is created under the
16 authority of Section 9, Article IX, Texas Constitution. (Acts 62nd
17 Leg., R.S., Ch. 102, Sec. 1.)

18 Source Law

19 Sec. 1. By authority of Article IX, Section 9,
20 of the Texas Constitution, this Act authorizes the
21 creation of Seminole Hospital District of Gaines
22 County, Texas.

23 Revised Law

24 Sec. 1094.003. ESSENTIAL PUBLIC FUNCTION. The district
25 performs an essential public function in carrying out the purposes
26 of this chapter. (Acts 62nd Leg., R.S., Ch. 102, Sec. 22 (part).)

31 Revised Law

32 Sec. 1094.004. DISTRICT TERRITORY. The district is
33 composed of the territory in the boundaries of the Seminole Common
34 Consolidated School District No. 1 located in Gaines County as
35 those boundaries existed on April 29, 1971, unless the district's
36 boundaries are expanded under Subchapter D. (Acts 62nd Leg., R.S.,
37 Ch. 102, Sec. 2.)

1 procedures for holding an election on the creation of
2 the district and the imposition of an ad valorem tax.
3 Because the creation of the district and the
4 imposition of the tax were approved at the election,
5 the revised law omits the relevant law as executed.
6 The omitted law reads:

7 Sec. 4. (a) The district shall not
8 be created, nor shall any tax therein be
9 authorized unless and until the creation
10 and the tax are approved by a majority of
11 the electors of the area of the proposed
12 district, voting at an election called for
13 that purpose. The election may be called by
14 a majority of the temporary or provisional
15 directors or shall be called by a majority
16 of the temporary or provisional directors
17 on presentation of a petition theretofore
18 signed by at least 50 electors of the area
19 of the proposed district. The election
20 shall be held not less than 25 nor more than
21 60 days from the date the election is
22 ordered. The order calling the election
23 shall specify the date, place or places of
24 holding the election, the form of ballot,
25 the presiding judge and alternate judge for
26 each voting place, and provide for clerks as
27 in county elections. The election order may
28 provide that the entire district shall
29 constitute one election precinct or the
30 county election precincts within the
31 district may be combined for elections.
32 Notice of election shall be given by
33 publishing a substantial copy of the
34 election order in a newspaper or newspapers
35 which individually or collectively provide
36 general circulation in the county or
37 district once a week for two consecutive
38 weeks, the first publication to appear at
39 least 20 days prior to the date established
40 for the election. The failure of such
41 election shall not operate to prohibit the
42 calling and holding of subsequent elections
43 for the same purpose; provided, however,
44 that no district election for confirmation
45 can be held within 12 months of any
46 preceding district election for
47 confirmation, and, further provided, if
48 this district is not confirmed within 60
49 months from the effective date of this Act,
50 this Act is hereby repealed.

51 (b) At the election there shall be
52 submitted to the electors of the area of the
53 proposed district the proposition of
54 whether the hospital district shall be
55 created with authority to levy annual taxes
56 . . . for the purpose of meeting the
57 requirements of the district's bonds,
58 indebtedness assumed by it, and its
59 maintenance and operating expenses, and a
60 majority of the electors voting at the
61 election in favor of the proposition shall
62 be sufficient for its adoption.

1 (c) The form of ballot used at the
2 election on the creation of the district
3 shall be in conformity with Sections 61 and
4 62, Texas Election Code, as amended
5 (Articles 6.05-6.06, Vernon's Texas
6 Election Code), so that ballots may be cast
7 "FOR" or "AGAINST" the following ballot
8 proposition: "The creation of the Seminole
9 Hospital District of Gaines County, Texas,
10 providing for the levy of a tax not to
11 exceed 75 cents on each \$100 valuation, upon
12 all taxable property situated within the
13 district, subject to hospital district
14 taxation, for all hospital district
15 purposes, and providing for the assumption
16 by the district of all outstanding bonds and
17 indebtedness heretofore issued for hospital
18 district purposes by Gaines County and the
19 City of Seminole within the district."

20 (d) Within 10 days after the election
21 is held, the provisional or temporary
22 directors of the district shall convene and
23 canvass the returns of the election, and if
24 a majority of the electors voting at the
25 election is in favor of the proposition,
26 they shall so find and declare the hospital
27 district established and created.

28 [Sec. 8]

29 (b) A separate proposition may be
30 submitted at the election for the creation
31 or confirmation of the district as to
32 whether the board of directors, in the event
33 the district is created, shall be
34 authorized to issue bonds for any one or
35 more of the foregoing purposes. The
36 proposition, if submitted, shall specify
37 the purpose for which the bonds are to be
38 issued, the maximum amount of bonds then
39 proposed to be issued, the maximum
40 maturity, and the maximum interest rate.

41 [Sections 1094.008-1094.050 reserved for expansion]

42 SUBCHAPTER B. DISTRICT ADMINISTRATION

43 Revised Law

44 Sec. 1094.051. BOARD ELECTION; TERM. (a) The board
45 consists of seven directors elected from the district at large.

46 (b) Unless four-year terms are established under Section
47 285.081, Health and Safety Code, directors serve staggered two-year
48 terms. (Acts 62nd Leg., R.S., Ch. 102, Secs. 5(a) (part), (b)
49 (part).)

50 Source Law

51 Sec. 5. (a) . . . The terms of the first,
52 third, fifth and seventh named directors shall expire
53 on the first Saturday in April of the year following
54 the election creating the district, and the terms of
55 the second, fourth, and sixth named directors shall
56 expire on the first Saturday in April of the second
57 year following the election creating the district.

1 Successors shall be elected by a vote of the electors
2 of the entire district for two year terms.

3 (b) . . . [permanent directors] whose terms
4 shall expire as hereinabove provided. . . .

5 Revisor's Note

6 (1) Sections 5(a) and (b), Chapter 102, Acts of
7 the 62nd Legislature, Regular Session, 1971, prescribe
8 the procedures for electing the initial board of
9 directors. The revised law omits those provisions as
10 executed but codifies the establishment of a board
11 consisting of seven directors elected from the
12 district at large. Section 5(a) also establishes
13 staggered two-year terms for the initial elected
14 directors that expire in the first or second year after
15 the election. The revised law codifies the provision
16 specifying staggered terms but omits the provision
17 relating to the year on which the initial terms expire
18 as executed.

19 (2) Section 5(a), Chapter 102, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that
21 directors serve two-year terms. Section 285.081,
22 Health and Safety Code, applicable to this district,
23 provides a mechanism by which the governing board of a
24 hospital district, on its own motion, may order that
25 the members are to be elected in even-numbered years to
26 serve staggered four-year terms. The revised law is
27 drafted accordingly and adds a reference to Section
28 285.081, Health and Safety Code, for the convenience
29 of the reader.

30 (3) Sections 5(a) and (b), Chapter 102, Acts of
31 the 62nd Legislature, Regular Session, 1971, prescribe
32 the procedure for the appointment of temporary
33 directors and for electing the initial board of
34 permanent directors and provide that the permanent
35 board may exercise the powers hereafter conferred.
36 The revised law omits the provisions related to the

1 temporary and initial board as executed. The revised
2 law omits the provision related to powers because any
3 grant of power to the board would apply by its own
4 terms. The omitted law reads:

5 Sec. 5. (a) On the effective date of
6 this Act, the following named seven persons
7 shall be and constitute the temporary or
8 provisional directors of the district:

- 9 1. Jamiel Aryain
- 10 2. Brom Marchbanks
- 11 3. Paul Condit
- 12 4. Don Moore
- 13 5. Ken Willis
- 14 6. James Phillips
- 15 7. Delbert Warren

16 and each of the directors shall subscribe to
17 the constitutional oath of office within 60
18 days of the effective date of this Act.
19 Should any of the named directors refuse to
20 act or for any reason fail to qualify as
21 herein required, the remaining temporary or
22 provisional directors heretofore named
23 shall by majority vote, appoint a successor
24 or successors to fill such vacancy or
25 vacancies. . . .

26 (b) The directors named herein and
27 their successors in office shall hold
28 office as provisional or temporary
29 directors until such time as the creation of
30 the district has been approved at an
31 election as herein provided. At such time
32 as the creation of the district is so
33 approved and the returns of the election
34 officially canvassed, the persons acting as
35 provisional or temporary directors shall
36 become permanent directors . . . such
37 permanent directors, acting as a board,
38 shall have and exercise the powers
39 hereafter conferred on such board.

40 (4) Section 5(b), Chapter 102, Acts of the 62nd
41 Legislature, Regular Session, 1971, requires each
42 director to execute the constitutional oath of office.
43 The revised law omits that provision because Section
44 1, Article XVI, Texas Constitution, requires all
45 officers in this state to take the oath (or
46 affirmation) before assuming office. The omitted law
47 reads:

48 (b) . . . Each permanent director
49 and his successor in office shall qualify by
50 executing the constitutional oath of
51 office, and . . .

52 (5) Section 5(e), Chapter 102, Acts of the 62nd
53 Legislature, Regular Session, 1971, provides that

1 directors' elections are held on the first Saturday in
2 April each year. The revised law omits that provision
3 as repealed by a 1986 amendment to Section 41.001,
4 Election Code. Chapter 14, Acts of the 69th
5 Legislature, 3rd Called Session, 1986, amended Section
6 41.001, Election Code, to prescribe certain uniform
7 election dates. Section 37 of that act required a
8 political subdivision that had held its general
9 election of officers on the first Saturday in April to
10 hold that election on a uniform election date in May or
11 to choose a different uniform election date on which to
12 hold the election. The omitted law reads:

13 (e) A regular election of directors
14 shall be held on the first Saturday in April
15 of each year, and

16 Revised Law

17 Sec. 1094.052. NOTICE OF ELECTION. At least 10 days before
18 the date of an election of directors, notice of the election shall
19 be published one time in a newspaper of general circulation in
20 Gaines County. (Acts 62nd Leg., R.S., Ch. 102, Sec. 5(e) (part).)

21 Source Law

22 (e) [A regular election of directors] . . .
23 notice of such election shall be published in a
24 newspaper of general circulation in the county one
25 time at least 10 days prior to the date of election.
26 . . .

27 Revisor's Note

28 Section 5(e), Chapter 102, Acts of the 62nd
29 Legislature, Regular Session, 1971, requires notice of
30 a directors' election to be published "in the county."
31 The revised law substitutes "Gaines County" for the
32 quoted language because Gaines County is the county in
33 which the district is located.

34 Revised Law

35 Sec. 1094.053. BALLOT PETITION. A person who wants to have
36 the person's name printed on the ballot as a candidate for director
37 must file with the board secretary a petition requesting that

1 action. The petition must be:

2 (1) signed by at least 25 voters; and

3 (2) filed at least 25 days before the date of the
4 election. (Acts 62nd Leg., R.S., Ch. 102, Sec. 5(e) (part).)

5 Source Law

6 (e) . . . Any person desiring his name to be
7 printed on the ballot as a candidate for director shall
8 file a petition, signed by not less than 25 electors
9 asking that his name be printed on the ballot, with the
10 secretary of the board of directors of the district.
11 The petition shall be so filed at least 25 days prior
12 to the date of election.

13 Revisor's Note

14 Section 5(e), Chapter 102, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to a
16 petition signed by 25 "electors." Throughout this
17 chapter, the revised law substitutes "voters" for
18 "electors" because the former is the term used in the
19 Election Code.

20 Revised Law

21 Sec. 1094.054. QUALIFICATIONS FOR OFFICE. A person may not
22 be elected or appointed as a director unless the person:

23 (1) is a resident of the district;

24 (2) owns property in the district subject to taxation;

25 and

26 (3) is more than 18 years of age at the time of the
27 election or appointment. (Acts 62nd Leg., R.S., Ch. 102, Sec.
28 5(c).)

29 Source Law

30 (c) No person shall be a member of the board of
31 directors of the hospital district unless he is a
32 resident thereof and owns property subject to taxation
33 therein and unless at the time of such election or
34 appointment he shall be more than 21 years of age.

35 Revisor's Note

36 Section 5(c), Chapter 102, Acts of the 62nd
37 Legislature, Regular Session, 1971, states that a
38 person must be "more than 21 years of age" at the time
39 of election or appointment to qualify for election or

1 appointment as a director. The revised law
2 substitutes "more than 18 years of age" for the quoted
3 language because Chapter 129, Civil Practice and
4 Remedies Code, establishes 18 years as the age of
5 majority in this state. Section 129.002, Civil
6 Practice and Remedies Code, provides that a law
7 adopted before August 27, 1973, that extends a right,
8 privilege, or obligation to an individual on the basis
9 of a minimum age of 19, 20, or 21 years shall be
10 interpreted as prescribing a minimum age of 18 years.
11 Section 5(c) was enacted in 1971 and has not been
12 amended.

13 Revised Law

14 Sec. 1094.055. BOARD VACANCY. (a) If a vacancy occurs in
15 the office of director, the remaining directors shall appoint a
16 director for the unexpired term.

17 (b) If the number of directors is reduced to fewer than five
18 for any reason, the remaining directors shall immediately call a
19 special election to fill the vacancies. If the remaining directors
20 do not call the election, a district court, on application of a
21 district voter or taxpayer, may order the directors to hold the
22 election. (Acts 62nd Leg., R.S., Ch. 102, Sec. 5(d) (part).)

23 Source Law

24 (d) . . . All vacancies in the office of
25 director shall be filled for the unexpired term by
26 appointment of the remainder of the board of
27 directors. In the event the number of directors shall
28 be reduced to less than five for any reason, the
29 remaining directors shall immediately call a special
30 election to fill the vacancies, and upon failure to do
31 so, the district court, on application of any elector
32 or taxpayer of the district, may issue a mandate
33 requiring that the election be ordered by the
34 remaining directors.

35 Revised Law

36 Sec. 1094.056. OFFICERS. The board shall elect:

37 (1) a president and a vice president from among its
38 members; and

39 (2) a secretary, who need not be a director. (Acts

1 62nd Leg., R.S., Ch. 102, Sec. 5(d) (part).)

2 Source Law

3 (d) The board of directors shall organize by
4 electing one of their number as president and one of
5 their number as vice-president. A secretary, who need
6 not be a director, shall also be elected. . . .

7 Revised Law

8 Sec. 1094.057. VOTING REQUIREMENT. A concurrence of four
9 directors is sufficient in any matter relating to district
10 business. (Acts 62nd Leg., R.S., Ch. 102, Sec. 5(d) (part).)

11 Source Law

12 (d) . . . [members of the board of directors]
13 . . . a concurrence of four shall be sufficient in all
14 matters pertaining to the business of the district.
15 . . .

16 Revisor's Note

17 Section 5(d), Chapter 102, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that four
19 directors constitute a quorum. The revised law omits
20 that provision because it duplicates Section 311.013,
21 Government Code (Code Construction Act), which
22 provides that a quorum of a public body is a majority
23 of the number of members fixed by statute. The omitted
24 law reads:

25 (d) . . . Any four members of the
26 board of directors shall constitute a
27 quorum and

28 Revised Law

29 Sec. 1094.058. DISTRICT ADMINISTRATOR; ASSISTANT
30 ADMINISTRATOR. (a) The board may appoint a qualified person as
31 district administrator.

32 (b) The board may appoint one or more assistant
33 administrators.

34 (c) The district administrator and any assistant
35 administrator serve at the will of the board and are entitled to the
36 compensation determined by the board.

37 (d) On assuming the duties of district administrator, the
38 administrator shall execute a bond payable to the district in an

1 amount set by the board of not less than \$5,000 that:

2 (1) is conditioned on the administrator performing the
3 administrator's duties; and

4 (2) contains other conditions the board may require.

5 (Acts 62nd Leg., R.S., Ch. 102, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . The board of directors may
8 appoint a qualified person to be known as the
9 administrator or manager of the hospital district and
10 may in its discretion appoint an assistant or
11 assistants to the administrator or manager. The
12 administrator or manager and assistant administrator
13 or manager, if any, shall serve at the will of the
14 board and shall receive such compensation as may be
15 fixed by the board. The administrator or manager
16 shall, upon assuming his duties, execute a bond
17 payable to the hospital district in an amount to be set
18 by the board of directors, in no event less than
19 \$5,000, conditioned that he shall perform the duties
20 required of him, and containing such other conditions
21 as the board may require. . . .

22 Revisor's Note

23 Section 6, Chapter 102, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that the
25 board may appoint a person as the "administrator or
26 manager" of the district and may appoint an "assistant
27 or assistants to the administrator or manager."
28 Throughout this chapter, the revised law omits
29 "manager" because, in context, "manager" is included
30 in the meaning of "administrator."

31 Revised Law

32 Sec. 1094.059. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
33 Subject to the limitations prescribed by the board, the district
34 administrator shall:

35 (1) supervise the work and activities of the district;
36 and

37 (2) direct the affairs of the district. (Acts 62nd
38 Leg., R.S., Ch. 102, Sec. 6 (part).)

39 Source Law

40 Sec. 6. . . . The administrator or manager
41 shall supervise all the work and activities of the
42 district and shall have general direction of the
43 affairs of the district, subject to the limitations as

1 may be prescribed by the board. . . .

2 Revised Law

3 Sec. 1094.060. APPOINTMENT AND DISMISSAL OF STAFF AND
4 EMPLOYEES. (a) The board may appoint to or dismiss from the staff
5 any doctors as the board considers necessary for the efficient
6 operation of the district and may make temporary appointments as
7 warranted.

8 (b) The district may employ fiscal agents, accountants,
9 architects, and attorneys the board considers proper.

10 (c) The board may delegate to the district administrator the
11 authority to hire district employees, including technicians and
12 nurses. (Acts 62nd Leg., R.S., Ch. 102, Secs. 6 (part), 17.)

13 Source Law

14 Sec. 6. . . . The board of directors shall have
15 the authority to appoint to or dismiss from the staff
16 such doctors as it may be deemed necessary for the
17 efficient operation of the district, and may provide
18 for temporary appointments to the staff if warranted
19 by circumstances. The board may delegate to the
20 administrator or manager the authority to employ
21 technicians, nurses, and employees of the district.
22 . . .

23 Sec. 17. The district may employ fiscal agents,
24 accountants, architects, and attorneys as the board
25 may consider proper.

26 Revised Law

27 Sec. 1094.061. SENIORITY; RETIREMENT BENEFITS. The board
28 may:

29 (1) adopt rules related to the seniority of district
30 employees, including rules for a retirement plan based on
31 seniority; and

32 (2) give effect to previous years of service for
33 district employees continuously employed in the operation or
34 management of hospital facilities:

35 (A) constructed by the district; or

36 (B) acquired by the district, including
37 facilities acquired when the district was created. (Acts 62nd
38 Leg., R.S., Ch. 102, Sec. 6 (part).)

39 Source Law

40 Sec. 6. . . . The board is given full authority

1 to establish rules and regulations relating to
2 seniority of employees of the district, including a
3 retirement plan based thereon, and may give effect to
4 previous years of service for those employees who have
5 been continuously employed in the operation or
6 management of the hospital facilities acquired,
7 including those acquired upon the creation thereof by
8 reason of Section 3 of this Act, or constructed by the
9 district. . . .

10 Revisor's Note

11 (1) Section 6, Chapter 102, Acts of the 62nd
12 Legislature, Regular Session, 1971, refers to "rules
13 and regulations" established by the board. Throughout
14 this chapter, the revised law omits references to
15 "regulations" because under Section 311.005(5),
16 Government Code (Code Construction Act), a rule is
17 defined to include a regulation.

18 (2) Section 6, Chapter 102, Acts of the 62nd
19 Legislature, Regular Session, 1971, refers to
20 facilities acquired on creation "by reason of Section
21 3 of this Act." The revised law omits the quoted
22 language because the relevant portions of Section 3
23 were omitted for the reason stated in End of Chapter
24 Revisor's Note (1).

25 [Sections 1094.062-1094.100 reserved for expansion]

26 SUBCHAPTER C. POWERS AND DUTIES

27 Revised Law

28 Sec. 1094.101. DISTRICT RESPONSIBILITY. (a) The district
29 has full responsibility for providing hospital care for the
30 district's indigent residents.

31 (b) The district shall provide all necessary hospital and
32 medical care for the district's needy inhabitants. (Acts 62nd
33 Leg., R.S., Ch. 102, Secs. 3(a) (part), 20 (part).)

34 Source Law

35 Sec. 3. (a) . . . This district shall provide
36 all necessary hospital and medical care for the needy
37 inhabitants of the district.

38 Sec. 20. . . . The hospital district shall
39 assume full responsibility for providing hospital care
40 for the indigents residing within the district. . . .

1 Revisor's Note

2 Section 20, Chapter 102, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that the
4 district "shall assume" full responsibility for
5 providing hospital care for indigents residing in the
6 district. The revised law substitutes "has" for the
7 quoted language because the duty to assume the
8 responsibility is executed.

9 Revised Law

10 Sec. 1094.102. RESTRICTION ON POLITICAL SUBDIVISION
11 TAXATION AND DEBT. A political subdivision of this state, other
12 than the district, may not impose a tax or issue bonds or other
13 obligations for hospital purposes or to provide medical care in the
14 district. (Acts 62nd Leg., R.S., Ch. 102, Secs. 3(a) (part), 20
15 (part).)

16 Source Law

17 Sec. 3. (a) . . . After this district is
18 created as provided in Section 4 of this Act, no other
19 municipality or political subdivision of this State
20 may levy taxes or issue bonds or other obligations of
21 indebtedness for purpose of providing hospital service
22 or medical care within the district. . . .

23 Sec. 20. After creation of the hospital
24 district, no municipality or political subdivision
25 within the boundaries of the district shall have the
26 power to levy taxes or issue bonds or other obligations
27 for hospital purposes or for providing medical care.
28 . . .

29 Revisor's Note

30 (1) Sections 3(a) and 20, Chapter 102, Acts of
31 the 62nd Legislature, Regular Session, 1971, provide
32 that after creation of the district, certain political
33 subdivisions may not levy taxes or issue bonds. The
34 revised law omits the references to the creation of the
35 district as executed. In addition, throughout this
36 chapter, the revised law substitutes "impose" for
37 "levy" because, in this context, the terms are
38 synonymous and the former is more commonly used.

39 (2) Sections 3(a) and 20, Chapter 102, Acts of

1 the 62nd Legislature, Regular Session, 1971, refer to
2 a "municipality or political subdivision."
3 Throughout this chapter, the revised law omits
4 references to "municipality" because "municipality"
5 is included in the meaning of "political subdivision."

6 Revised Law

7 Sec. 1094.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.

8 The board shall manage, control, and administer the hospital system
9 and the district's money and resources. (Acts 62nd Leg., R.S., Ch.
10 102, Sec. 6 (part).)

11 Source Law

13 control, and administer the hospital system and all
14 funds and resources of the district, but

15 Revised Law

16 Sec. 1094.104. HOSPITAL SYSTEM. (a) The district has the
17 responsibility to establish a hospital or hospital system within
18 its boundaries to provide hospital and medical care to the
19 district's residents.

20 (b) The district shall provide for:

21 (1) the establishment of a hospital system by:

22 (A) purchasing, constructing, acquiring,
23 repairing, or renovating buildings and equipment; and

24 (B) equipping the buildings; and

25 (2) the administration of the hospital system for
26 hospital and medical care purposes.

27 (c) The hospital system may include:

28 (1) facilities for domiciliary care of the sick,
29 injured, or geriatric;

30 (2) facilities for outpatient clinics;

31 (3) dispensaries;

32 (4) convalescent home facilities;

33 (5) necessary nurses domiciliaries and training
34 centers;

35 (6) blood banks;

- 1 (7) community mental health centers;
2 (8) research centers or laboratories; and
3 (9) any other facilities the board considers necessary
4 for medical and hospital care. (Acts 62nd Leg., R.S., Ch. 102,
5 Secs. 3(a) (part), (b) (part), 10 (part).)

6 Source Law

7 Sec. 3. (a) The district authorized to be
8 created by this Act is charged with the responsibility
9 of establishing a hospital or a hospital system within
10 its boundaries to furnish hospital and medical care to
11 the residents of the district. . . .

12 (b) . . . the district shall provide for the
13 establishment of a hospital system by the purchase,
14 construction, acquisition, repair, or renovation of
15 buildings and equipment, and equipping same, and the
16 administration thereof for hospital and medical care
17 purposes. . . .

18 Sec. 10. . . . The hospital system may include
19 facilities for domiciliary care of the sick, wounded,
20 and injured, facilities for outpatient clinic or
21 clinics, dispensaries, facilities for geriatric
22 domiciliary care, convalescent home facilities,
23 necessary nurses domiciliaries and training centers,
24 blood banks, community mental health centers, and
25 research centers or laboratories, and any other
26 facilities deemed necessary for medical and hospital
27 care by the directors. . . .

28 Revisor's Note

29 Section 10, Chapter 102, Acts of the 62nd
30 Legislature, Regular Session, 1971, refers to the care
31 of the "sick, wounded, and injured." The revised law
32 omits the reference to "wounded" because "wounded" is
33 included in the meaning of "injured."

34 Revised Law

35 Sec. 1094.105. RULES. The board may adopt rules governing
36 the operation of the hospital, the hospital system, and the
37 district's staff and employees. (Acts 62nd Leg., R.S., Ch. 102,
38 Sec. 6 (part).)

39 Source Law

40 Sec. 6. . . . The district, through its board
41 of directors, shall have the power and authority . . .
42 to promulgate rules and regulations governing the
43 operation of the hospital, hospital system, its staff,
44 and its employees. . . .

45 Revisor's Note

46 Section 6, Chapter 102, Acts of the 62nd

1 Legislature, Regular Session, 1971, provides that the
2 board may "promulgate" rules to govern the district.
3 The revised law substitutes "adopt" for "promulgate"
4 because the terms are synonymous and the former is more
5 commonly used.

6 Revised Law

7 Sec. 1094.106. PURCHASING AND ACCOUNTING PROCEDURES. The
8 board may prescribe:

9 (1) the method and manner of making purchases and
10 expenditures by and for the district; and

11 (2) all accounting and control procedures. (Acts 62nd
12 Leg., R.S., Ch. 102, Sec. 11 (part).)

13 Source Law

14 Sec. 11. The board of directors of the district
15 shall have the power to prescribe the method and manner
16 of making purchases and expenditures by and for the
17 hospital district, and shall also be authorized to
18 prescribe all accounting and control procedures. . . .

19 Revised Law

20 Sec. 1094.107. DISTRICT PROPERTY, FACILITIES, AND
21 EQUIPMENT. (a) The board shall determine the type, number, and
22 location of buildings required to maintain an adequate hospital
23 system.

24 (b) The board may lease all or part of the district's
25 buildings and other facilities on terms considered to be in the best
26 interest of the district's inhabitants. The term of the lease may
27 not exceed 25 years.

28 (c) The district may acquire equipment for use in the
29 district's hospital system and mortgage or pledge the property as
30 security for the payment of the purchase price. A contract entered
31 into under this subsection must provide that the entire obligation
32 be retired not later than the fifth anniversary of the date of the
33 contract.

34 (d) The district may sell or otherwise dispose of any
35 property, including equipment, on terms the board finds are in the
36 best interest of the district's inhabitants. (Acts 62nd Leg.,

1 R.S., Ch. 102, Secs. 10 (part), 11 (part).)

2 Source Law

3 Sec. 10. The board of directors is hereby given
4 complete discretion as to the type of buildings, both
5 as to number and location, required to establish and
6 maintain an adequate hospital system. . . . The
7 district, through its board of directors, . . . may
8 lease all or part of its buildings and facilities upon
9 terms and conditions considered to be to the best
10 interest of its inhabitants, provided that in no event
11 shall any lease be for a period in excess of 25 years
12 from the date entered. The district shall be empowered
13 to sell or otherwise dispose of any property, real or
14 personal, or equipment of any nature upon terms and
15 conditions found by the board to be in the best
16 interest of its inhabitants.

17 Sec. 11. . . . The district may acquire
18 equipment for use in its hospital system and mortgage
19 or pledge the property so acquired as security for the
20 payment of the purchase price, but any such contract
21 shall provide for the entire obligation of the
22 district to be retired within five years from the date
23 of the contract. . . .

24 Revisor's Note

25 (1) Section 10, Chapter 102, Acts of the 62nd
26 Legislature, Regular Session, 1971, requires the board
27 to determine the type of buildings required to
28 "establish and maintain" an adequate hospital system.
29 The revised law omits the reference to establishing
30 the hospital system as executed.

31 (2) Section 10, Chapter 102, Acts of the 62nd
32 Legislature, Regular Session, 1971, refers to "terms
33 and conditions." The revised law omits the reference
34 to "conditions" because "conditions" is included in
35 the meaning of "terms."

36 (3) Section 10, Chapter 102, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to "any
38 property, real or personal." The revised law omits the
39 reference to "real or personal" property because under
40 Section 311.005, Government Code (Code Construction
41 Act), "property" means "real and personal property."

42 Revised Law

43 Sec. 1094.108. EMINENT DOMAIN. (a) The district may
44 exercise the power of eminent domain to acquire a fee simple or

1 other interest in any type of property located in district
2 territory if the interest is necessary for the district to exercise
3 a power, right, or privilege conferred by this chapter.

4 (b) The district must exercise the power of eminent domain
5 in the manner provided by Chapter 21, Property Code, except the
6 district is not required to deposit in the trial court money or a
7 bond as provided by Section 21.021(a), Property Code.

8 (c) In a condemnation proceeding brought by the district,
9 the district is not required to:

10 (1) pay in advance or provide a bond or other security
11 for costs in the trial court;

12 (2) provide a bond for the issuance of a temporary
13 restraining order or a temporary injunction; or

14 (3) provide a bond for costs or a supersedeas bond on
15 an appeal or petition for review. (Acts 62nd Leg., R.S., Ch. 102,
16 Sec. 15.)

17 Source Law

18 Sec. 15. The district shall have the right and
19 power of eminent domain for the purpose of acquiring by
20 condemnation any and all property of any kind and
21 character in fee simple, or any lesser interest
22 therein, within the boundaries of the district
23 necessary to the powers, rights, and privileges
24 conferred by this Act, in the manner provided by the
25 general law with respect to condemnation by counties,
26 provided that the district shall not be required to
27 make deposits in the registry of the trial court of the
28 sum required by Paragraph 2 of Article 3268, Revised
29 Civil Statutes of Texas, 1925, as amended, or to make
30 bond as therein provided. In condemnation proceedings
31 being prosecuted by the district, the district shall
32 not be required to pay in advance or give bond or other
33 security for costs in the trial court, nor to give any
34 bond otherwise required for the issuance of a
35 temporary restraining order or a temporary injunction
36 nor to give bond for costs or for supersedeas on any
37 appeal or writ of error.

38 Revisor's Note

39 (1) Section 15, Chapter 102, Acts of the 62nd
40 Legislature, Regular Session, 1971, provides that the
41 district has the "right and power of eminent domain for
42 the purpose of acquiring [property] by condemnation."
43 The revised law substitutes for the quoted language
44 "may exercise the power of eminent domain to acquire

1 [property]" because the phrases have the same meaning,
2 and the latter phrase is consistent with modern usage
3 in laws relating to eminent domain.

4 (2) Section 15, Chapter 102, Acts of the 62nd
5 Legislature, Regular Session, 1971, provides that the
6 district must exercise the power of eminent domain in
7 the manner provided by "the general law with respect to
8 condemnation by counties." The revised law
9 substitutes for the quoted language a reference to
10 Chapter 21, Property Code, because that is the general
11 law governing eminent domain for governmental
12 entities, including counties.

13 (3) Section 15, Chapter 102, Acts of the 62nd
14 Legislature, Regular Session, 1971, refers to
15 "Paragraph 2 of Article 3268, Revised Civil Statutes
16 of Texas, 1925, as amended." That statute was codified
17 in 1983 as Section 21.021(a), Property Code. The
18 revised law is drafted accordingly. In addition,
19 throughout this chapter, the revised law omits the
20 references to "as amended" because under Section
21 311.027, Government Code (Code Construction Act), a
22 reference to a statute applies to all reenactments,
23 revisions, or amendments of that statute unless
24 expressly provided otherwise.

25 (4) Section 15, Chapter 102, Acts of the 62nd
26 Legislature, Regular Session, 1971, refers to a "writ
27 of error." The revised law substitutes "petition for
28 review" for "writ of error" because, effective
29 September 1, 1997, the Texas Supreme Court replaced
30 the writ of error procedure with the petition for
31 review procedure. See Rule 53.1, Rules of Appellate
32 Procedure.

33 Revised Law

34 Sec. 1094.109. GIFTS AND ENDOWMENTS. The board may accept

1 for the district a gift or endowment to be held in trust and
2 administered by the board for the purposes and under the
3 directions, limitations, or other provisions prescribed in writing
4 by the donor that are not inconsistent with the proper management
5 and objectives of the district. (Acts 62nd Leg., R.S., Ch. 102,
6 Sec. 19.)

7 Source Law

8 Sec. 19. The board of directors of the hospital
9 district is authorized on behalf of the district to
10 accept donations, gifts, and endowments to be held in
11 trust and administered by the board of directors for
12 such purposes and under such directions, limitations,
13 and provisions as may be prescribed in writing by the
14 donor not inconsistent with proper management and
15 object of the hospital district.

16 Revisor's Note

17 Section 19, Chapter 102, Acts of the 62nd
18 Legislature, Regular Session, 1971, refers to
19 "donations" and "gifts." The revised law omits the
20 reference to "donations" because "donations" is
21 included in the meaning of "gifts."

22 Revised Law

23 Sec. 1094.110. CONSTRUCTION OR PURCHASE CONTRACTS. A
24 construction or purchase contract that involves the expenditure of
25 more than \$2,000 may be made only after advertising in the manner
26 provided by Chapter 252 and Subchapter C, Chapter 262, Local
27 Government Code. (Acts 62nd Leg., R.S., Ch. 102, Sec. 11 (part).)

28 Source Law

29 Sec. 11. . . . All contracts for construction
30 or purchases involving the expenditure of more than
31 \$2,000 may be made only after advertising in the manner
32 provided by Chapter 163, Acts of the 42nd Legislature,
33 Regular Session, 1931, as amended (Article 2368a,
34 Vernon's Texas Civil Statutes). . . .

35 Revisor's Note

36 (1) Section 11, Chapter 102, Acts of the 62nd
37 Legislature, Regular Session, 1971, permits
38 construction or purchase contracts involving more than
39 \$2,000 only after advertising as provided by Chapter
40 163, Acts of the 42nd Legislature, Regular Session,

1 1931, as amended (Article 2368a, Vernon's Texas Civil
2 Statutes). Article 2368a was amended by Chapter 641,
3 Acts of the 69th Legislature, Regular Session, 1985,
4 which transferred provisions relating to advertising
5 for bids by counties to the County Purchasing Act
6 (V.A.C.S. Article 2368a.5). The County Purchasing Act
7 was codified in 1987 as Subchapter C, Chapter 262,
8 Local Government Code. Article 2368a, relating to
9 advertising for bids by municipalities, was codified
10 in 1987 as Chapter 252, Local Government Code. The
11 revised law is drafted accordingly.

12 (2) Section 11, Chapter 102, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 provisions of Article 5160, Revised Civil Statutes of
15 Texas, 1925, apply to the district's construction
16 contracts in relation to performance and payment
17 bonds. The revised law omits this reference because
18 Article 5160 was codified as Chapter 2253, Government
19 Code, and that chapter applies to hospital districts
20 on its own terms. The omitted law reads:

21 Sec. 11. . . . The provisions of
22 Article 5160, Revised Civil Statutes of
23 Texas, 1925, as amended, relating to
24 performance and payment of bonds shall
25 apply to construction contracts let by the
26 district. . . .

27 Revised Law

28 Sec. 1094.111. OPERATING AND MANAGEMENT CONTRACTS. The
29 board may enter into an operating or management contract relating
30 to a district facility. (Acts 62nd Leg., R.S., Ch. 102, Sec. 10
31 (part).)

32 Source Law

33 Sec. 10. . . . The district, through its board
34 of directors, is further authorized to enter into an
35 operating or management contract with regard to its
36 facilities or a part thereof, or

37 Revised Law

38 Sec. 1094.112. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR

1 HOSPITALIZATION. (a) The board may contract with a county or
2 municipality located outside the district's boundaries for the
3 hospitalization of a sick or injured person of that county or
4 municipality.

5 (b) The board may contract with this state or a federal
6 agency for the hospital treatment of a sick or injured person.
7 (Acts 62nd Leg., R.S., Ch. 102, Sec. 6 (part).)

8 Source Law

9 Sec. 6. . . . The board . . . shall be
10 authorized to contract with any county or incorporated
11 municipality located outside its boundaries for the
12 hospitalization of the sick, diseased, or injured
13 persons of any such county or municipality, and shall
14 have the authority to contract with the State of Texas
15 or agencies of the federal government for the hospital
16 treatment of sick, diseased, or injured persons.

17 Revisor's Note

18 (1) Section 6, Chapter 102, Acts of the 62nd
19 Legislature, Regular Session, 1971, refers to an
20 "incorporated" municipality. The revised law omits
21 the reference to "incorporated" because under the
22 Local Government Code all municipalities must be
23 incorporated.

24 (2) Section 6, Chapter 102, Acts of the 62nd
25 Legislature, Regular Session, 1971, refers to the
26 hospitalization of a "sick, diseased, or injured
27 person." The revised law omits the references to
28 "diseased" because "diseased" is included in the
29 meaning of "sick."

30 Revised Law

31 Sec. 1094.113. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
32 INVESTIGATORY OR OTHER SERVICES. The board may contract with a
33 political subdivision or governmental agency for the district to
34 provide investigatory and other services for the hospital or
35 welfare needs of district inhabitants. (Acts 62nd Leg., R.S., Ch.
36 102, Sec. 6 (part).)

37 Source Law

38 Sec. 6. . . . The board shall be authorized to

1 contract with any other political subdivision or
2 governmental agency whereby the district will provide
3 investigatory and other services as to the hospital,
4 or welfare needs of the inhabitants of the district
5 and

6 Revised Law

7 Sec. 1094.114. PAYMENT FOR TREATMENT; PROCEDURES. (a)

8 When a patient who resides in the district is admitted to a district
9 facility, the district administrator may have an inquiry made into
10 the circumstances of:

11 (1) the patient; and

12 (2) the patient's relatives who are legally liable for
13 the patient's support.

14 (b) If the district administrator determines that the
15 patient or those relatives cannot pay all or part of the costs of
16 the care and treatment in the hospital, the amount of the costs that
17 cannot be paid becomes a charge against the district.

18 (c) If the district administrator determines that the
19 patient or those relatives can pay for all or part of the costs of
20 the patient's care and treatment, the patient or those relatives
21 shall be ordered to pay the district a specified amount each week
22 for the patient's care and support. The amount ordered must be
23 proportionate to the person's financial ability.

24 (d) The district administrator may collect the amount from
25 the patient's estate, or from any relative who is legally liable for
26 the patient's support, in the manner provided by law for the
27 collection of expenses of the last illness of a deceased person.

28 (e) If there is a dispute as to the ability to pay, or doubt
29 in the mind of the district administrator, the board shall hold a
30 hearing and, after calling witnesses, shall:

31 (1) resolve the dispute or doubt; and

32 (2) issue any appropriate orders.

33 (f) The final order of the board may be appealed to the
34 district court. The substantial evidence rule applies to the
35 appeal. (Acts 62nd Leg., R.S., Ch. 102, Sec. 18.)

36 Source Law

37 Sec. 18. Whenever a patient residing within the

1 district has been admitted to the facilities thereof,
2 the administrator or manager may cause inquiry to be
3 made as to his circumstances and those of the relatives
4 of such patient legally liable for his support. If he
5 finds that the patient or his relatives are able to pay
6 for his care and treatment in whole or in part, an
7 order shall be made directing the patient or his
8 relatives to pay the hospital district for the care and
9 support of such patient a specified sum per week in
10 proportion to their financial ability. The
11 administrator or manager shall have power and
12 authority to collect such sums from the estate of the
13 patient or his relatives legally liable for his
14 support in the manner provided by law for collection of
15 expenses in the last illness of a deceased person. If
16 the administrator or manager finds that the patient or
17 his relatives are not able to pay either in whole or in
18 part for his care and treatment in the hospital, same
19 shall become a charge upon the hospital district as to
20 the amount of the inability to pay. Should there be
21 any dispute as to the ability to pay or doubt in the
22 mind of the administrator or manager, the board of
23 directors shall hear and determine same after calling
24 witnesses, and shall make such order or orders as may
25 be proper. Appeals from the final order of the board
26 shall lie to the district court. The substantial
27 evidence rule shall apply.

28 Revised Law

29 Sec. 1094.115. AUTHORITY TO SUE AND BE SUED. (a) The
30 district, through the board, may sue and be sued.

31 (b) The district is entitled to all causes of action and
32 defenses to which similar authorities are entitled. (Acts 62nd
33 Leg., R.S., Ch. 102, Sec. 6 (part).)

34 Source Law

35 Sec. 6. . . . The district, through its board
36 of directors, shall have the power and authority to sue
37 and be sued, and shall be entitled to all causes of
38 action and defenses enjoyed by similar
39 authorities,

40 [Sections 1094.116-1094.150 reserved for expansion]

41 SUBCHAPTER D. CHANGE IN BOUNDARIES

42 Revised Law

43 Sec. 1094.151. ELECTION ON EXPANSION OF BOUNDARIES. (a)
44 On presentation of a petition for an election signed by at least 50
45 registered voters of Gaines County who do not reside within the
46 district's boundaries, the board shall order an election on the
47 questions of:

48 (1) expanding the district's boundaries to include the
49 entire county;

50 (2) the assumption of a proportionate share of

1 district debts; and

2 (3) the imposition of taxes in the territory to be
3 added to the district.

4 (b) The board shall order the election not later than the
5 60th day after the date on which the petition is presented to the
6 board.

7 (c) The election in the district and the election in the
8 territory to be added must be held on the same day.

9 (d) Section 41.001(a), Election Code, does not apply to an
10 election ordered under this section. (Acts 62nd Leg., R.S., Ch.
11 102, Secs. 2A(a), (b), (e), (f).)

12 Source Law

13 Sec. 2A. (a) On presentation of a petition for
14 an election signed by at least 50 registered voters who
15 reside in Gaines County but outside the district's
16 boundaries, the board shall order an election on the
17 questions of expanding the district's boundaries to
18 include the entire county, the assumption of a
19 proportionate share of district debts, and the levy of
20 taxes in the territory to be added to the district.

21 (b) The election shall be called not later than
22 the 60th day after the date on which the petition is
23 presented to the board.

24 (e) The election in the district and the
25 election in the territory to be added must be held on
26 the same day.

27 (f) Section 41.001(a), Election Code, does not
28 apply to an election ordered under this section.
29 Except as provided by this subsection, an election
30 under this section shall be held in accordance with the
31 applicable provisions of the Election Code.

32 Revisor's Note

33 Section 2A(f), Chapter 102, Acts of the 62nd
34 Legislature, Regular Session, 1971, provides that
35 Section 41.001(a), Election Code, does not apply to an
36 election under Section 2A and that "[e]xcept as
37 provided by this subsection, an election under this
38 section shall be held in accordance with the
39 applicable provisions of the Election Code." The
40 revised law omits the quoted language because Section
41 1.002, Election Code, provides that the Election Code
42 applies to all elections held in this state. An
43 exception to the application of the Election Code

1 would apply by its own terms.

2 Revised Law

3 Sec. 1094.152. BALLOT. The ballot for the election shall be
4 printed to permit voting for or against the proposition: "Expanding
5 the Seminole Hospital District to include all of Gaines County, the
6 assumption by the additional territory of its proportionate share
7 of the district's outstanding debts, and the levy of a tax not to
8 exceed 75 cents on each \$100 of valuation on all taxable property in
9 the expanded area of the district." (Acts 62nd Leg., R.S., Ch. 102,
10 Sec. 2A(c).)

11 Source Law

12 (c) The ballot for the election shall be printed
13 to permit voting for or against the proposition:
14 "Expanding the Seminole Hospital District to include
15 all of Gaines County, the assumption by the additional
16 territory of its proportionate share of the district's
17 outstanding debts, and the levy of a tax not to exceed
18 75 cents on each \$100 of valuation on all taxable
19 property in the expanded area of the district."

20 Revised Law

21 Sec. 1094.153. ELECTION RESULTS. The district may not be
22 expanded unless the proposition under Section 1094.152 is approved
23 by a majority of the voters at an election held in the district and
24 by a majority of the voters at a separate election held in the
25 territory to be added. (Acts 62nd Leg., R.S., Ch. 102, Sec. 2A(d).)

26 Source Law

27 (d) The district may not be expanded unless the
28 expansion, the assumption of debt, and the levy of
29 taxes are approved by a majority of the voters at an
30 election held in the district and by a majority of the
31 voters at a separate election held in the territory to
32 be added.

34 SUBCHAPTER E. GENERAL FINANCIAL PROVISIONS

35 Revised Law

36 Sec. 1094.201. BUDGET. (a) The district administrator
37 shall prepare an annual budget for approval by the board.

38 (b) The proposed budget must contain a complete financial
39 statement of:

40 (1) the outstanding obligations of the district;

- 1 (2) the cash on hand in each district fund;
- 2 (3) the money received by the district from all
3 sources during the previous year;
- 4 (4) the money available to the district from all
5 sources during the ensuing year;
- 6 (5) the balances expected at the end of the year in
7 which the budget is being prepared;
- 8 (6) the estimated revenue and balances available to
9 cover the proposed budget;
- 10 (7) the estimated tax rate required; and
- 11 (8) the proposed expenditures and disbursements and
12 the estimated receipts and collections for the following fiscal
13 year. (Acts 62nd Leg., R.S., Ch. 102, Sec. 7 (part).)

14 Source Law

15 Sec. 7. . . . The administrator or manager
16 shall prepare an annual budget for approval by the
17 board of directors. The budget shall also contain a
18 complete financial statement of the district showing
19 all outstanding obligations of the district, the cash
20 on hand to the credit of each and every fund of the
21 district, the funds received from all sources during
22 the previous year, the funds available from all
23 sources during the ensuing year, with balances
24 expected at year end of the year in which the budget is
25 being prepared, and estimated revenues and balances
26 available to cover the proposed budget and the
27 estimated tax rate which will be required, and the
28 proposed expenditures and disbursements and the
29 estimated receipts and collections for the following
30 fiscal year. . . .

31 Revised Law

32 Sec. 1094.202. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
33 The board shall hold a public hearing on the proposed annual budget.

34 (b) At least 10 days before the date of the hearing, notice
35 of the hearing shall be published one time in a newspaper or
36 newspapers that individually or collectively have general
37 circulation in the district.

38 (c) Any property taxpayer of the district is entitled to be
39 present and participate at the hearing.

40 (d) At the conclusion of the hearing, the board shall adopt
41 a budget by acting on the budget proposed by the district
42 administrator. The board may make any changes in the proposed

1 budget that the board judges to be in the interest of the taxpayers
2 and that the law warrants. (Acts 62nd Leg., R.S., Ch. 102, Sec. 7
3 (part).)

4 Source Law

5 Sec. 7. . . . A public hearing on the annual
6 budget shall be held by the board of directors after
7 notice of hearing has been published one time at least
8 10 days before the date set therefor. Notice of the
9 budget hearing shall be published in a newspaper or
10 newspapers which individually or collectively provide
11 general circulation in the hospital district. Any
12 property taxpayer of the district shall have the right
13 to be present and participate in the hearing. At the
14 conclusion of the hearing, the budget, as proposed by
15 the administrator, shall be acted upon by the board of
16 directors. The board of directors shall have
17 authority to make such changes in the budget as in
18 their judgment the law warrants and the interest of the
19 taxpayers demand. . . . the annual budget, and . . .
20 shall be approved by the board of directors. . . .

21 Revised Law

22 Sec. 1094.203. AMENDMENTS TO BUDGET. The budget may be
23 amended as required by circumstances. The board must approve all
24 amendments. (Acts 62nd Leg., R.S., Ch. 102, Sec. 7 (part).)

25 Source Law

26 Sec. 7. . . . The annual budget may be amended
27 from time to time as the circumstances may require, but
28 . . . all amendments thereto, shall be approved by the
29 board of directors. . . .

30 Revisor's Note

31 Section 7, Chapter 102, Acts of the 62nd
32 Legislature, Regular Session, 1971, states that the
33 board may amend the budget "from time to time." The
34 revised law omits the quoted language because the
35 authority to take an action implies the authority to do
36 so at any time.

37 Revised Law

38 Sec. 1094.204. RESTRICTION ON EXPENDITURES. Money may be
39 spent only for an expense included in the budget or an amendment to
40 the budget. (Acts 62nd Leg., R.S., Ch. 102, Sec. 7 (part).)

41 Source Law

42 Sec. 7. . . . No expenditure may be made for any
43 expense not included in the annual budget or an
44 amendment thereto. . . .

1 Revised Law

2 Sec. 1094.205. FISCAL YEAR. The district operates
3 according to a fiscal year that begins on October 1 and ends on
4 September 30. (Acts 62nd Leg., R.S., Ch. 102, Sec. 7 (part).)

5 Source Law

6 Sec. 7. The district shall be operated on the
7 basis of a fiscal year commencing on October 1 of each
8 year and ending on September 30 of the following year,
9 and

10 Revised Law

11 Sec. 1094.206. AUDIT. (a) The district shall have an
12 independent audit made of the district's financial condition for
13 the fiscal year.

14 (b) As soon as the audit is completed, the audit shall be
15 filed at the district's office. (Acts 62nd Leg., R.S., Ch. 102,
16 Sec. 7 (part).)

17 Source Law

18 Sec. 7. [The district] . . . it shall cause an
19 independent audit to be made of the financial
20 condition of the district, . . . such audit to be made
21 covering such fiscal year, and the same shall be filed
22 at the office of the district as soon as it is
23 completed. . . .

24 Revised Law

25 Sec. 1094.207. INSPECTION OF AUDIT AND DISTRICT RECORDS.
26 The audit and other district records shall be open to inspection at
27 the district's principal office. (Acts 62nd Leg., R.S., Ch. 102,
28 Sec. 7 (part).)

29 Source Law

30 Sec. 7. [The district . . . shall cause an
31 independent audit to be made of the financial
32 condition of the district,] which, together with other
33 records of the district, shall be open to inspection at
34 the principal office of the district,

35 Revised Law

36 Sec. 1094.208. FINANCIAL REPORT. As soon as practicable
37 after the close of each fiscal year, the district administrator
38 shall prepare for the board:

39 (1) a complete sworn statement of all district money;
40 and

1 (2) a complete account of the disbursements of that
2 money. (Acts 62nd Leg., R.S., Ch. 102, Sec. 7 (part).)

3 Source Law

4 Sec. 7. . . . As soon as practicable after the
5 close of each fiscal year, the administrator or
6 manager shall prepare for the board a full sworn
7 statement of all moneys belonging to the district and a
8 full account of the disbursements of same.

9 Revised Law

10 Sec. 1094.209. DEPOSITORY. (a) The board shall select one
11 or more banks in the district to serve as a depository for district
12 money.

13 (b) District money, other than money invested as provided by
14 Section 1094.210(b), and money transmitted to a bank for payment of
15 bonds or obligations issued by the district, shall be deposited as
16 received with the depository bank and shall remain on deposit.

17 (c) This chapter, including Subsection (b), does not limit
18 the power of the board to place a part of district money on time
19 deposit or to purchase certificates of deposit. (Acts 62nd Leg.,
20 R.S., Ch. 102, Sec. 12.)

21 Source Law

22 Sec. 12. The board of directors of the district
23 shall name one or more banks within its boundaries to
24 serve as depository for the funds of the district. All
25 funds of the district, except those invested as
26 provided in Section 6 of this Act, and those
27 transmitted to a bank or banks as payment for bonds or
28 obligations issued by the district, shall be deposited
29 as received with the depository bank and shall remain
30 on deposit, provided that nothing herein shall limit
31 the power of the board to place a portion of such funds
32 on time deposit or purchase certificates of deposit.

33 Revised Law

34 Sec. 1094.210. SPENDING AND INVESTMENT RESTRICTIONS. (a)
35 Except as otherwise provided by Section 1094.107(c) and Subchapter
36 F, the district may not incur an obligation payable from district
37 revenue other than the revenue on hand or to be on hand in the
38 current and following district fiscal years.

39 (b) The board may invest operating, depreciation, or
40 building reserves only in funds or securities specified by Chapter
41 2256, Government Code. (Acts 62nd Leg., R.S., Ch. 102, Secs. 6

1 (part), 11 (part).)

2 Source Law

3 Sec. 6. . . . in no event shall any operating,
4 depreciation, or building fund reserves be invested in
5 any funds or securities other than those specified in
6 Articles 836 and 837, Revised Civil Statutes of Texas,
7 1925, as amended. . . .

8 Sec. 11. . . . Except as permitted in the
9 preceding sentence and as permitted by Sections 8 and
10 9, the district may incur no obligation payable from
11 any revenues of the district, taxes or otherwise,
12 except those on hand or to be on hand within the then
13 current and following fiscal year of the district.

14 Revisor's Note

15 (1) Section 6, Chapter 102, Acts of the 62nd
16 Legislature, Regular Session, 1971, refers to
17 "Articles 836 and 837, Revised Civil Statutes of
18 Texas, 1925, as amended." Those articles were
19 impliedly repealed by the enactment of the Public
20 Funds Investment Act of 1987 (Article 842a-2, Vernon's
21 Texas Civil Statutes), which was revised in 1993 as
22 Chapter 2256, Government Code. Chapter 2256 defines
23 "local government" to include hospital districts and
24 applies to the district by its own terms. The revised
25 law therefore substitutes a reference to Chapter 2256,
26 Government Code, for the references to Articles 836
27 and 837.

28 (2) Section 11, Chapter 102, Acts of the 62nd
29 Legislature, Regular Session, 1971, states that
30 "[e]xcept as permitted in the preceding sentence and
31 as permitted by Sections 8 and 9" the district may not
32 incur certain obligations. The preceding sentence in
33 Section 11 is codified in Section 1094.107(c).
34 Sections 8 and 9 are codified in Subchapter F. The
35 revised law is drafted accordingly.

36 [Sections 1094.211-1094.250 reserved for expansion]

37 SUBCHAPTER F. BONDS

38 Revised Law

39 Sec. 1094.251. GENERAL OBLIGATION BONDS. The board may

1 issue and sell general obligation bonds in the name and on the faith
2 and credit of the district for any purpose relating to:

3 (1) the purchase, construction, acquisition, repair,
4 or renovation of buildings or improvements; and

5 (2) equipping buildings or improvements for hospital
6 purposes. (Acts 62nd Leg., R.S., Ch. 102, Sec. 8(a) (part).)

7 Source Law

8 Sec. 8. (a) The board of directors shall have
9 the power and authority to issue and sell its bonds in
10 the name and on the faith and credit of the hospital
11 district for the purchase, construction, acquisition,
12 repair, or renovation of buildings, and improvements
13 and equipping the same for hospital purposes, and for
14 any or all of such purposes. . . .

15 Revisor's Note

16 Section 8(a), Chapter 102, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides that the
18 board has the power and authority to issue and sell
19 bonds in the name and on the faith and credit of the
20 district. Because the type of bonds described by
21 Section 8 are known as "general obligation bonds," the
22 revised law is drafted accordingly.

23 Revised Law

24 Sec. 1094.252. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
25 the time general obligation bonds are issued by the district under
26 Section 1094.251, the board shall impose an ad valorem tax at a rate
27 sufficient to create an interest and sinking fund to pay the
28 principal of and interest on the bonds as the bonds mature.

29 (b) The tax required by this section together with any other
30 ad valorem tax the district imposes may not in any year exceed the
31 tax rate approved by the voters at the election authorizing the
32 imposition of the tax. (Acts 62nd Leg., R.S., Ch. 102, Sec. 8(a)
33 (part).)

34 Source Law

35 Sec. 8. (a) . . . At the time of the issuance
36 of any bonds by the district a tax shall be levied by
37 the board sufficient to create an interest and sinking
38 fund to pay the interest on and principal of the bonds
39 as they mature, providing such tax, together with any
40 other taxes levied for said district shall not exceed

1 the rate of tax voted under the provisions of Section 4
2 of this Act. . . .

3 Revisor's Note

4 (1) Section 8(a), Chapter 102, Acts of the 62nd
5 Legislature, Regular Session, 1971, requires the
6 district to levy a tax to pay the principal of and
7 interest on bonds. The revised law specifies that the
8 tax is an "ad valorem" tax because it is clear from the
9 source law that the tax is a property tax and "ad
10 valorem" is the term most commonly used to refer to a
11 property tax.

12 (2) Section 8(a), Chapter 102, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 tax rate may not exceed "the rate of tax voted under
15 the provisions of Section 4 of this Act." Section 4
16 sets out procedures for the district's creation
17 election and requires voter approval of the district's
18 authority to impose taxes. Because the revised law
19 omits Section 4 for the reason stated in the revisor's
20 note at the end of Subchapter A, the revised law
21 substitutes "the tax rate approved by the voters at the
22 election authorizing the imposition of the tax" for
23 the quoted language.

24 Revised Law

25 Sec. 1094.253. GENERAL OBLIGATION BOND ELECTION. (a) The
26 district may issue general obligation bonds only if the bonds are
27 authorized by a majority of the district voters voting at an
28 election held for that purpose.

29 (b) The order calling the election shall provide for clerks
30 as in county elections and must specify:

- 31 (1) the date of the election;
- 32 (2) the location of the polling places;
- 33 (3) the presiding and alternate election judges for
34 each polling place;
- 35 (4) the amount of the bonds to be authorized; and

1 (5) the maximum interest rate of the bonds.

2 (c) Notice of a bond election shall be given as provided by
3 Section 1251.003, Government Code. (Acts 62nd Leg., R.S., Ch. 102,
4 Sec. 8(a) (part).)

5 Source Law

6 Sec. 8. (a) . . . No bonds shall be issued by
7 the hospital district . . . until authorized by a
8 majority of the electors of the district voting at an
9 election called for that purpose. The order for bond
10 election shall specify the date of the election, the
11 amount of bonds to be authorized, the maximum rate of
12 interest they are to bear, the place or places where
13 the election shall be held, the presiding judge and
14 alternate judge for each voting place, and provide for
15 clerks as in county elections. . . . notice of any bond
16 election shall be given as provided in Article 704,
17 Revised Civil Statutes of Texas, 1925, as amended, and
18 shall be conducted in accordance with the general laws
19 of Texas pertaining to general elections, except as
20 modified by the provisions of this Act.

21 Revisor's Note

22 (1) Section 8(a), Chapter 102, Acts of the 62nd
23 Legislature, Regular Session, 1971, provides that
24 notice of a bond election under Section 8(b) must be
25 given as provided by Section 4. As explained in the
26 revisor's note to the end of Subchapter A, Sections 4
27 and 8(b), Chapter 102, are executed. The revised law
28 therefore omits the provision. The omitted law reads:

29 Sec. 8. (a) . . . Except as to a
30 bond election held pursuant to the
31 provisions of Subsection (b) of this
32 section, where notice shall be given as
33 provided in Section 4,

34 (2) Section 8(a), Chapter 102, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to Article
36 704, Revised Statutes, which specifies certain notice
37 requirements for a bond election. That provision was
38 codified in 1999 as Section 1251.003, Government Code.
39 The revised law is drafted accordingly.

40 (3) Section 8(a), Chapter 102, Acts of the 62nd
41 Legislature, Regular Session, 1971, provides that an
42 election under Section 4 "shall be conducted in
43 accordance with the general laws of Texas pertaining

1 to general elections, except as modified by the
2 provisions of this Act." The general law on elections
3 in Texas is the Election Code. The revised law omits
4 the quoted language for the reason stated in the
5 revisor's note to Section 1094.151.

6 Revised Law

7 Sec. 1094.254. MATURITY OF GENERAL OBLIGATION BONDS.
8 District general obligation bonds must mature not later than 40
9 years after the date of issuance. (Acts 62nd Leg., R.S., Ch. 102,
10 Sec. 8(d) (part).)

11 Source Law

12 (d) Bonds of the district . . . shall mature
13 within 40 years of their date,

14 Revised Law

15 Sec. 1094.255. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
16 The board president shall execute the general obligation bonds in
17 the district's name.

18 (b) The board secretary shall countersign the bonds in the
19 manner provided by Chapter 618, Government Code. (Acts 62nd Leg.,
20 R.S., Ch. 102, Sec. 8(d) (part).)

21 Source Law

22 (d) Bonds of the district . . . shall be
23 executed in the name of the hospital district and in
24 its behalf by the president of the board and
25 countersigned by the secretary in the manner provided
26 by Chapter 204, Acts of the 57th Legislature, Regular
27 Session, 1961, as amended (Article 717j-1, Vernon's
28 Civil Statutes), and

29 Revisor's Note

30 (1) Section 8(d), Chapter 102, Acts of the 62nd
31 Legislature, Regular Session, 1971, refers to Chapter
32 204, Acts of the 57th Legislature, Regular Session,
33 1961, as amended (Article 717j-1, Vernon's Texas Civil
34 Statutes). That statute was codified in 1999 as
35 Chapter 618, Government Code, and the revised law is
36 drafted accordingly.

37 (2) Section 8(d), Chapter 102, Acts of the 62nd
38 Legislature, Regular Session, 1971, provides in part

1 that general obligation bonds issued under Chapter 102
2 must bear interest at a rate not to exceed six and
3 one-half percent a year. The revised law omits that
4 provision because it has been superseded by the
5 enactment of the maximum interest rate provision found
6 in Section 1204.006, Government Code. That section
7 reflects the 1981 amendment of Chapter 3, Acts of the
8 62nd Legislature, Regular Session, 1971 (Article
9 717k-2, Vernon's Texas Civil Statutes, now Chapter
10 1204, Government Code), by Section 1, Chapter 61, Acts
11 of the 67th Legislature, Regular Session, 1981, and
12 permits a public agency, including a hospital
13 district, to issue public securities at any net
14 effective interest rate of 15 percent or less. Section
15 1204.006, Government Code, applies to bonds issued
16 under this chapter by application of Section 1204.001,
17 Government Code. The omitted law reads:

18 (d) [Bonds of the district] shall
19 bear interest not to exceed six and one-half
20 percent a year,

21 (3) Section 8(d), Chapter 102, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that the
23 general obligation bonds are subject to the law
24 governing counties that relates to bond approval by
25 the attorney general and registration of the bonds by
26 the comptroller. Section 8(d) also provides that
27 after approval and registration the bonds are
28 "incontestable for any cause." The revised law omits
29 those provisions as superseded by Chapter 1202,
30 Government Code (enacted as Article 3, Chapter 53,
31 Acts of the 70th Legislature, 2nd Called Session,
32 1987). Section 1202.003(a), Government Code, requires
33 bonds to be submitted to the attorney general. Section
34 1202.003(b), Government Code, provides for approval of
35 the bonds by the attorney general and requires the

1 attorney general to submit the approved bonds to the
2 comptroller for registration. Section 1202.005,
3 Government Code, requires registration of the bonds by
4 the comptroller. Section 1202.006, Government Code,
5 provides that after approval and registration the
6 bonds are incontestable and binding obligations.
7 Chapter 1202, Government Code, applies to bonds issued
8 under this chapter by application of Section 1202.001,
9 Government Code. The omitted law reads:

10 (d) [Bonds of the district] . . .
11 shall be subject to the same requirements in
12 the matter of approval by the Attorney
13 General of Texas and registration by the
14 Comptroller of Public Accounts of the State
15 of Texas as are by law provided for approval
16 and registration of bonds issued by
17 counties. On the approval of such bonds by
18 the Attorney General and registration by
19 the Comptroller, they shall be
20 incontestable for any cause.

21 Revised Law

22 Sec. 1094.256. REVENUE BONDS. (a) The board may issue
23 revenue bonds to:

24 (1) purchase, construct, acquire, repair, renovate,
25 or equip buildings or improvements for hospital purposes; or

26 (2) acquire sites to be used for hospital purposes.

27 (b) The bonds must be payable from and secured by a pledge of
28 all or part of the revenue derived from the operation of the
29 district's hospitals.

30 (c) The bonds may be additionally secured by a mortgage or
31 deed of trust lien on all or part of district property.

32 (d) The bonds must be issued in the manner and in accordance
33 with the procedures and requirements prescribed by Sections
34 264.042, 264.043, and 264.046-264.049, Health and Safety Code, for
35 issuance of revenue bonds by a county hospital authority. (Acts
36 62nd Leg., R.S., Ch. 102, Sec. 9 (part).)

37 Source Law

38 Sec. 9. In addition to the power to issue bonds
39 payable from taxes levied by the district, as
40 contemplated by the preceding section, the board of
41 directors is further authorized to issue

1 and . . . revenue bonds for purchasing, constructing,
2 acquiring, repairing, equipping, or renovating
3 buildings and improvements for hospital purposes, and
4 for acquiring sites therefor, such bonds to be payable
5 from and secured by a pledge of all or any part of the
6 revenues of the district to be derived from the
7 operation of its hospital or hospitals, and such bonds
8 may be additionally secured by a mortgage or deed of
9 trust lien on any part or all of its properties. The
10 bonds shall be issued in the manner and in accordance
11 with the procedures and requirements specified for the
12 issuance of revenue bonds by county hospital
13 authorities in Sections 8, 10, 11, 12, and 13 of
14 Chapter 122, Acts of the 58th Legislature, 1963
15 (Article 4494r, Vernon's Texas Civil Statutes).

16 Revisor's Note

17 Section 9, Chapter 102, Acts of the 62nd
18 Legislature, Regular Session, 1971, refers to Sections
19 8, 10, 11, 12, and 13, Chapter 122, Acts of the 58th
20 Legislature, 1963 (Article 4494r, Vernon's Texas Civil
21 Statutes). Those provisions were codified in 1989 as
22 Sections 264.042, 264.043, and 264.046-264.049,
23 Health and Safety Code. The revised law is drafted
24 accordingly.

25 Revised Law

26 Sec. 1094.257. REFUNDING BONDS. (a) The board may, without
27 an election, issue refunding bonds to refund outstanding
28 indebtedness issued or assumed by the district.

29 (b) A refunding bond may be:

30 (1) sold, with the proceeds of the refunding bond
31 applied to the payment of the indebtedness to be refunded; or

32 (2) exchanged wholly or partly for not less than a
33 similar principal amount of outstanding indebtedness. (Acts 62nd
34 Leg., R.S., Ch. 102, Secs. 8(a) (part), (c) (part), 9 (part).)

35 Source Law

36 Sec. 8. (a) . . . [No bonds shall be issued by
37 the hospital district] except refunding bonds [until
38 authorized by a majority of the electors of the
39 district voting at an election called for that
40 purpose.] . . .

41 (c) Refunding bonds of the district may be
42 issued for the purpose of refunding and paying off any
43 outstanding indebtedness issued or assumed. Such
44 refunding bonds may be sold and the proceeds therefrom
45 applied to the payment of outstanding indebtedness, or
46 may be exchanged in whole or in part for not less than a
47 like principal amount of such outstanding

1 indebtedness

2 Sec. 9. . . . [the board of directors is further
3 authorized] . . . to refund any previously issued
4 [revenue bonds]

5 Revisor's Note

6 (1) Section 8(c), Chapter 102, Acts of the 62nd
7 Legislature, Regular Session, 1971, provides that the
8 refunding bonds must bear interest at the same or a
9 lower rate than the rate of the debt refunded unless a
10 savings is shown. The revised law omits that provision
11 for the reason stated in Revisor's Note (2) to Section
12 1094.255. The omitted law reads:

13 (c) . . . provided that, if refunding
14 bonds are to be exchanged for a like amount
15 of the outstanding indebtedness, the
16 refunding bonds shall bear interest at the
17 same or lower rate than borne by the debt
18 refunded, unless it is shown mathematically
19 that a saving will result in the total
20 amount of interest to be paid on the
21 refunding bonds, and

22 (2) Section 8(c), Chapter 102, Acts of the 62nd
23 Legislature, Regular Session, 1971, provides that
24 refunding bonds sold to pay outstanding indebtedness
25 must be issued and payments made in the manner
26 specified by Chapter 503, Acts of the 54th
27 Legislature, Regular Session, 1955, as amended
28 (Article 717k, Vernon's Texas Civil Statutes).
29 Article 717k was codified in 1999 in Chapter 1207,
30 Government Code. The revised law omits the provision
31 because Chapter 1207, Government Code, applies to the
32 district by its own terms under Section 1207.001,
33 Government Code. The omitted law reads:

34 (c) . . . provided further that if
35 such refunding bonds are to be sold and the
36 proceeds thereof applied to the payment of
37 any such outstanding indebtedness, same
38 shall be issued and payments made in the
39 manner specified by Chapter 503, Acts of the
40 54th Legislature, 1955, as amended (Article
41 717k, Vernon's Texas Civil Statutes).

42 Revised Law

43 Sec. 1094.258. BONDS EXEMPT FROM TAXATION. The following

1 are exempt from taxation by this state or a political subdivision of
2 this state:

- 3 (1) bonds issued or assumed by the district;
- 4 (2) the transfer and issuance of the bonds; and
- 5 (3) profits made in the sale of the bonds. (Acts 62nd
6 Leg., R.S., Ch.102, Sec. 22 (part).)

7 Source Law

8 Sec. 22. . . . any bonds issued or assumed by it
9 and their transfer and the issuance therefrom,
10 including any profits made in the sale thereof, shall
11 at all times be free from taxation by the State or any
12 municipality or political subdivision thereof.

13 Revisor's Note
14 (End of Subchapter)

15 (1) Section 14, Chapter 102, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that
17 district bonds are legal and authorized investments
18 for certain entities. The revised law omits the
19 provision as unnecessary. As to several of the
20 entities listed, Section 14 has been superseded and
21 impliedly repealed. Investments in securities by
22 banks are regulated by Section 34.101, Finance Code
23 (enacted in 1995 as Section 5.101, Texas Banking Act
24 (Article 342-5.101, Vernon's Texas Civil Statutes)).
25 Investments in securities by savings banks are
26 regulated by Section 93.001(c)(10), Finance Code
27 (enacted in 1993 as Section 7.15(10), Texas Savings
28 Bank Act (Article 489e, Vernon's Texas Civil
29 Statutes)). Investments in securities by trust
30 companies are regulated by Section 184.101, Finance
31 Code (enacted in 1997 as Section 5.101, Texas Trust
32 Company Act (Article 342a-5.101, Vernon's Texas Civil
33 Statutes)). Investments in securities by savings and
34 loan associations are regulated by Sections 63.002 and
35 64.001, Finance Code. As to the remaining entities
36 listed, Section 14 is superseded by Section 1201.041,
37 Government Code (enacted as Section 9, Bond Procedures

1 Act of 1981 (Article 717k-6, Vernon's Texas Civil
2 Statutes)). Section 1201.041, Government Code,
3 applies to district bonds by application of Section
4 1201.002, Government Code. The revised law omits the
5 reference to public funds of this state because it has
6 been superseded by Section 404.024, Government Code
7 (enacted in 1985 as Section 2.014, Treasury Act
8 (Article 4393-1, Vernon's Texas Civil Statutes)),
9 which governs the investment of state funds. Section
10 404.024(b)(10), Government Code, authorizes the
11 investment of state funds in obligations of political
12 subdivisions, including hospital districts. The
13 omitted law reads:

14 Sec. 14. All bonds issued hereunder
15 by the district shall be and are hereby
16 declared to be legal and authorized
17 investments of banks, savings banks, trust
18 companies, building and loan associations,
19 savings and loan associations, insurance
20 companies, trustees, and sinking funds of
21 cities, towns, villages, counties, school
22 districts, or other political subdivisions
23 of the State of Texas, and for all public
24 funds of the State of Texas or its agencies
25 including the State Permanent School
26 Fund. . . .

27 (2) Section 14, Chapter 102, Acts of the 62nd
28 Legislature, Regular Session, 1971, provides that
29 district bonds may secure deposits of public funds of
30 this state or political subdivisions of this state.
31 The revised law omits the provisions as impliedly
32 repealed by Section 404.0221, Government Code (enacted
33 in 1995), which lists eligible collateral for deposits
34 of state funds by the comptroller, and by Chapter 2257,
35 Government Code (enacted in 1989 as Article 2529d,
36 Vernon's Texas Civil Statutes), which governs eligible
37 collateral for deposits of funds of other public
38 agencies, including political subdivisions. The
39 omitted law reads:

40 Sec. 14. . . . Such bonds and
41 indebtedness shall be eligible to secure

1 deposit of public funds of the State of
2 Texas and public funds of cities, towns,
3 villages, counties, school districts, or
4 other political subdivisions or
5 corporations of the State of Texas, and
6 shall be lawful and sufficient security for
7 said deposits to the extent of their value
8 when accompanied by all unmatured coupons
9 appurtenant thereto.

10 [Sections 1094.259-1094.300 reserved for expansion]

11 SUBCHAPTER G. TAXES

12 Revised Law

13 Sec. 1094.301. IMPOSITION OF AD VALOREM TAX. (a) The board
14 shall impose a tax on all property in the district subject to
15 district taxation.

16 (b) The board shall impose the tax to:

17 (1) pay the interest on and create a sinking fund for
18 bonds or other obligations issued or assumed by the district for
19 hospital purposes;

20 (2) provide for the operation and maintenance of the
21 district and hospital system;

22 (3) make improvements and additions to the hospital
23 system; and

24 (4) acquire necessary sites for the hospital system by
25 purchase, lease, or condemnation. (Acts 62nd Leg., R.S., Ch. 102,
26 Secs. 4(b) (part), 13(a) (part).)

27 Source Law

28 [Sec. 4]
29 (b) . . . [annual taxes] . . . of taxable
30 property situated within the district subject to
31 hospital district taxation

32 Sec. 13. (a) The board of directors shall
33 annually levy a tax . . . for the purpose of:

34 (1) paying the interest on and creating a
35 sinking fund for bonds and other obligations which may
36 be issued or assumed by the hospital district for
37 hospital purposes as herein provided;

38 (2) providing for the operation and
39 maintenance of the hospital district and hospital
40 system; and

41 (3) for the purpose of making further
42 improvements and additions to the hospital system, and
43 for the acquisition of necessary sites therefor by
44 purchase, lease, or condemnation.

45 Revised Law

46 Sec. 1094.302. TAX RATE. (a) The board may impose the tax

1 at a rate not to exceed 75 cents on each \$100 valuation of taxable
2 property in the district.

3 (b) In setting the tax rate, the board shall consider the
4 income of the district from sources other than taxation. (Acts 62nd
5 Leg., R.S., Ch. 102, Secs. 4(b) (part), 13(a) (part), (b) (part).)

6 Source Law

7 [Sec. 4]

8 (b) [At the election there shall be submitted to
9 the electors of the area of the proposed district the
10 proposition of whether the hospital district shall be
11 created with authority to levy annual taxes] at a rate
12 not to exceed 75 cents on the \$100 valuation [of
13 taxable property situated within the district subject
14 to hospital district taxation]

15 Sec. 13. (a) [The board of directors shall
16 annually levy a tax] of not to exceed the amount
17 hereinabove permitted

18 (b) In setting such tax rate the board shall
19 take into consideration the income of the district
20 from sources other than taxation. . . .

21 Revisor's Note

22 Section 13(b), Chapter 102, Acts of the 62nd
23 Legislature, Regular Session, 1971, requires the board
24 to levy the tax and to certify the tax rate to the tax
25 assessor-collector. The revised law omits that
26 provision because Section 26.05(a), Tax Code, requires
27 the governing body of a taxing unit to adopt a tax rate
28 for the current tax year and to notify the tax assessor
29 of that rate. The omitted law reads:

30 (b) . . . On determination of the
31 amount of tax required to be levied, the
32 board shall make such levy and certify the
33 same to the tax assessor-collector of the
34 district.

35 Revised Law

36 Sec. 1094.303. ASSESSMENT AND COLLECTION BY COUNTY TAX
37 ASSESSOR-COLLECTOR. (a) This section applies unless the board
38 elects to have taxes assessed and collected under Section 1094.304.

39 (b) The tax assessor-collector of Gaines County shall
40 assess and collect taxes imposed by the district. (Acts 62nd Leg.,
41 R.S., Ch. 102, Secs. 16(a) (part), (b) (part).)

1 Source Law

2 Sec. 16. (a) . . . unless the directors, by
3 majority vote, elect to have taxes assessed and
4 collected by the district's own tax assessor-collector
5 under Subsection (c) hereof. . . .

6 (b) Under this subsection, The tax
7 assessor-collector of the county in which the district
8 is situated shall be charged and required to
9 accomplish the assessment and collection of all taxes
10 levied by and on behalf of the district. . . .

11 Revisor's Note

12 (1) Sections 16(a) and (b), Chapter 102, Acts of
13 the 62nd Legislature, Regular Session, 1971, refer to
14 the assessment and collection of district taxes on
15 county tax values. The revised law omits that
16 provision because it was repealed by Section 6(b),
17 Chapter 841, Acts of the 66th Legislature, Regular
18 Session, 1979, which repealed all "general, local, and
19 special laws" that conflicted with that act. The 1979
20 act enacted the Property Tax Code (Title 1, Tax Code),
21 a comprehensive, substantive codification of property
22 tax law. Title 1, Tax Code, provides the exclusive
23 procedures for the appraisal of property for taxation
24 by a taxing unit, including a hospital district. The
25 omitted law reads:

26 (a) . . . All taxes of the district
27 shall be assessed and collected on county
28 tax values as provided in Subsection (b)
29 hereof. . . .

30 (b) . . . district taxes shall be
31 assessed and collected on county tax values
32 in the same manner as provided by law with
33 relation to county taxes. . . .

34 (2) Section 16(b), Chapter 102, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to the tax
36 assessor-collector "of the county in which the
37 district is situated." The revised law substitutes
38 "Gaines County" for the quoted language because that
39 is the county in which the district is located.

40 (3) Section 16(b), Chapter 102, Acts of the 62nd
41 Legislature, Regular Session, 1971, provides that the
42 county tax assessor-collector may charge a fee for the

1 assessment and collection of district taxes. The
2 revised law omits that provision because it was
3 repealed by Section 6(b), Chapter 841, Acts of the 66th
4 Legislature, Regular Session, 1979. See Revisor's
5 Note (1). Section 6.27(b), Tax Code, provides for the
6 compensation of a county tax assessor-collector
7 assessing and collecting taxes for another taxing
8 unit. The omitted law reads:

9 (b) . . . The assessor-collector of
10 taxes shall charge and deduct from payments
11 to the hospital district an amount as fees
12 for assessing and collecting the taxes at a
13 rate of not exceeding two percent of the
14 amounts collected as may be determined by
15 the board of directors, but in no event
16 shall the amount paid exceed \$5,000 in any
17 one calendar year. Such fees shall be
18 deposited in the officers salary fund of the
19 county and reported as fees of office of the
20 county tax assessor-collector. . . .

21 (4) Section 16(b), Chapter 102, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that
23 interest and penalties on district taxes and discounts
24 are the same as for county taxes. The revised law
25 omits that provision because it was repealed by
26 Section 6(b), Chapter 841, Acts of the 66th
27 Legislature, Regular Session, 1979. See Revisor's
28 Note (1). Chapter 33, Tax Code, provides for the
29 assessment of penalties and interest on delinquent
30 taxes, and Section 31.05, Tax Code, provides for
31 discounts on the early payment of taxes. The omitted
32 law reads:

33 (b) . . . Interest and penalties on
34 taxes paid to the hospital district shall be
35 the same as in the case of county taxes.
36 Discounts shall be the same as allowed by
37 the county. . . .

38 (5) Section 16(b), Chapter 102, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides that tax
40 revenue shall be deposited in the district's
41 depository. The revised law omits the provision
42 because Section 31.10, Tax Code, requires the tax

1 assessor-collector of a taxing unit to deposit taxes
2 collected in the unit's depository. The omitted law
3 reads:

4 (b) . . . The residue of tax
5 collections after deduction of discounts
6 and fees for assessing and collecting shall
7 be deposited in the district's
8 depository. . . .

9 (6) Section 16(b), Chapter 102, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that the
11 bond of the county tax assessor-collector is security
12 for the performance of district duties unless the
13 board determines that an additional bond is necessary.
14 The revised law omits that provision because it
15 duplicates Section 6.29(b), Tax Code, which authorizes
16 a taxing unit for which the county tax
17 assessor-collector collects a tax to require that
18 collector to post an additional bond. The omitted law
19 reads:

20 (b) . . . The bond of the county tax
21 assessor-collector shall stand as security
22 for the proper performance of his duties as
23 assessor-collector of the district; or, if
24 in the judgment of the district board of
25 directors it is necessary, additional bond
26 payable to the district may be
27 required. . . .

28 (7) Section 16(b), Chapter 102, Acts of the 62nd
29 Legislature, Regular Session, 1971, states that the
30 tax assessor-collector may act in accordance with
31 state law relating to the assessment, collection, and
32 enforcement of state and county taxes. The revised law
33 omits that provision as unnecessary. The state law
34 relating to the assessment, collection, and
35 enforcement of all ad valorem taxes is Title 1, Tax
36 Code. Section 1.02, Tax Code, requires all taxing
37 units of government to administer the assessment,
38 collection, and enforcement of taxes in conformity
39 with that title. The omitted law reads:

40 (b) . . . In all matters pertaining

1 to the assessment, collection, and
2 enforcement of taxes for the district, the
3 county tax assessor-collector shall be
4 authorized to act in all respects according
5 to the laws of the State of Texas relating
6 to State and county taxes.

7 Revised Law

8 Sec. 1094.304. ASSESSMENT AND COLLECTION BY DISTRICT TAX
9 ASSESSOR-COLLECTOR. (a) The board may elect to have district taxes
10 assessed and collected by a tax assessor-collector appointed by the
11 board. An election under this subsection must be made by December 1
12 and governs the manner in which taxes are assessed and collected,
13 until changed by a similar resolution.

14 (b) The district tax assessor-collector must:

15 (1) reside in the district; and

16 (2) own real property subject to district taxation.

17 (c) The board shall set for the district tax
18 assessor-collector:

19 (1) the term of employment; and

20 (2) compensation. (Acts 62nd Leg., R.S., Ch. 102,
21 Secs. 16(a) (part), (c) (part).)

22 Source Law

23 Sec. 16. (a) . . . [unless the directors, by
24 majority vote, elect to have taxes assessed and
25 collected by the district's own tax assessor-collector
26 under Subsection (c) hereof.] Any such election may be
27 made prior to December 1 annually and shall govern the
28 manner in which taxes are thereafter assessed and
29 collected, until changed by a similar resolution.

30 (c) Under this subsection, taxes shall be
31 assessed and collected by a tax assessor-collector
32 appointed by the directors who shall also fix the terms
33 of his employment, compensation, and . . . the tax
34 assessor shall be residents of the district and own
35 real property subject to hospital district taxation,
36 and

37 Revisor's Note

38 (1) Section 16(c), Chapter 102, Acts of the 62nd
39 Legislature, Regular Session, 1971, requires the board
40 to set a bond amount of not less than \$5,000 as
41 security for the district tax assessor-collector. The
42 revised law omits the provision because it was
43 repealed by Section 6(b), Chapter 841, Acts of the 66th

1 Legislature, Regular Session, 1979. See Revisor's
2 Note (1) to Section 1094.303. Section 6.29(a), Tax
3 Code, authorizes the governing body of a taxing unit,
4 including a hospital district, to require the unit's
5 tax assessor-collector to post bond without limiting
6 the amount. The omitted law reads:

7 (c) . . . [directors who shall also
8 fix the] . . . requirement for bond to
9 assure the faithful performance of his
10 duties, but in no event shall such bond be
11 for less than \$5,000. . . .

12 (2) Section 16(c), Chapter 102, Acts of the 62nd
13 Legislature, Regular Session, 1971, states that the
14 board shall appoint a board of equalization and
15 establishes the duties of that board and the tax
16 assessor-collector. The revised law omits the
17 reference to a board of equalization because boards of
18 equalization were abolished and their functions and
19 duties transferred to appraisal review boards by the
20 1979 enactment of the Property Tax Code, Title 1, Tax
21 Code (Section 1, Chapter 841, Acts of the 66th
22 Legislature, Regular Session, 1979). The provisions
23 relating to the duties of the tax assessor-collector
24 are omitted because the Tax Code specifies the duties
25 of a tax assessor-collector. The omitted law reads:

26 (c) . . . The directors shall also
27 annually appoint five persons to serve as a
28 board of equalization and shall fix their
29 compensation. Each member of the board and
30 . . . [shall be residents of the district
31 and own real property subject to hospital
32 district taxation, and] each shall have the
33 same duties, including the obligation to
34 execute the oath of office, as required by
35 county officials exercising such powers and
36 duties. . . .

37 (3) Section 16(c), Chapter 102, Acts of the 62nd
38 Legislature, Regular Session, 1971, refers to the
39 applicability of Title 122 of the Revised Statutes
40 (Taxation). Before its repeal and recodification,
41 Title 122 was composed of V.A.C.S. Articles

1 7041-7359a. The relevant parts of those provisions
2 were revised in 1979 as the Property Tax Code, Title 1,
3 Tax Code (Section 1, Chapter 841, Acts of the 66th
4 Legislature, Regular Session, 1979). The revised law
5 omits the provision because Title 1 applies to the
6 district on its own terms. The omitted law reads:

7 (c) . . . Except as in this law
8 provided to the contrary, all provisions of
9 Title 122, Revised Civil Statutes of Texas,
10 1925, as amended, shall apply to the
11 district.

12 Revisor's Note
13 (End of Subchapter)

14 Section 16(a), Chapter 102, Acts of the 62nd
15 Legislature, Regular Session, 1971, provides that the
16 district may impose taxes for the entire year in which
17 the district is established. The revised law omits
18 that provision as executed. The omitted law reads:

19 Sec. 16. (a) The directors shall
20 have the authority to levy taxes for the
21 entire year in which the district is
22 established as the result of the election
23 herein provided. . . .

24 Revisor's Note
25 (End of Chapter)

26 (1) Sections 3(b) and 20, Chapter 102, Acts of
27 the 62nd Legislature, Regular Session, 1971, provide
28 for the transfer of certain land, buildings,
29 improvements, equipment, supplies, funds, and taxes to
30 the district after the district is created and provide
31 for the assumption of debt by the district on creation.
32 The revised law omits the provisions as executed. The
33 omitted law reads:

34 [Sec. 3]

35 (b) The district herein authorized
36 shall have transferred to it the title to
37 all land, buildings, improvements,
38 equipment, and choses in action in any way
39 pertaining to the hospital system owned by
40 Gaines County or the City of Seminole and
41 thereafter, Such district shall
42 assume all outstanding obligations and
43 indebtedness incurred by the City of
44 Seminole or by Gaines County for hospital
45 purposes within the boundaries of the

1 district prior to the creation of the
2 district.

3 Sec. 20. . . . When the district is
4 created and established, the county and all
5 towns and cities located therein shall
6 convey and transfer to the district title to
7 all lands, buildings, improvements, and
8 equipment in anywise pertaining to a
9 hospital or hospital system which may be
10 jointly or separately owned by the county or
11 any city or town within said district.
12 Operating funds and reserves for operating
13 expenses which are on hand and funds which
14 have been budgeted for hospital purposes by
15 the county or any city or town therein for
16 the remainder of the fiscal year in which
17 the district is established shall likewise
18 be transferred to the district, as shall
19 taxes theretofore levied for hospital
20 purposes for the current year, and all
21 sinking funds established for payment of
22 indebtedness assumed by the district.

23 (2) Section 23, Chapter 102, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that the
25 act is severable. The revised law omits this provision
26 because it duplicates Section 311.032, Government Code
27 (Code Construction Act), which provides that a
28 provision of a statute is severable from each other
29 provision of the statute that can be given effect. The
30 omitted law reads:

31 Sec. 23. . . . If any provision of
32 this Act should be invalid, such fact shall
33 not affect the authorization for the
34 creation of the district or the validity of
35 any other provisions of this Act, and the
36 Legislature hereby declares that it would
37 have created the district and enacted the
38 valid provisions of this Act
39 notwithstanding the invalidity of any other
40 provision or provisions hereof.

41 (3) Section 24, Chapter 102, Acts of the 62nd
42 Legislature, Regular Session, 1971, provides that
43 public notice of enactment of the statute was provided
44 in a manner that satisfies the requirements of the
45 Texas Constitution. The revised law omits that
46 section as executed. The omitted law reads:

47 Sec. 24. Proof of publication of the
48 notice required in the enactment hereof
49 under the provisions of Article IX, Section
50 9, of the Texas Constitution, has been made
51 in the manner and form provided by law
52 pertaining to the enactment of local and

1 special laws, and such notice is hereby
2 found and declared proper and sufficient to
3 satisfy such requirement.

13 CHAPTER 1095. SHACKELFORD COUNTY HOSPITAL DISTRICT

14 SUBCHAPTER A. GENERAL PROVISIONS

15 Revised Law

16 Sec. 1095.001. DEFINITIONS. In this chapter:

- 17 (1) "Board" means the board of directors of the
18 district.
19 (2) "Director" means a member of the board.
20 (3) "District" means the Shackelford County Hospital
21 District. (New.)

22 Revisor's Note

23 The definitions of "board," "director," and
24 "district" are added to the revised law for drafting
25 convenience and to eliminate frequent, unnecessary
26 repetition of the substance of the definitions.

27 Revised Law

28 Sec. 1095.002. AUTHORITY FOR OPERATION. The Shackelford
29 County Hospital District operates and is administered and financed
30 in accordance with Section 9, Article IX, Texas Constitution, and
31 has the rights, powers, and duties provided by this chapter. (Acts
32 65th Leg., R.S., Ch. 140, Sec. 1 (part).)

33 Source Law

34 Sec. 1. In accordance with the provisions of
35 Article IX, Section 9, of the Texas Constitution, as

1 amended, this Act authorizes the creation,
2 establishment, administration, maintenance,
3 operation, and financing of a hospital district within
4 this state, . . . to be known as Shackelford County
5 Hospital District with the rights, powers, and duties
6 as provided in this Act.

7 Revisor's Note

8 (1) Section 1, Chapter 140, Acts of the 65th
9 Legislature, Regular Session, 1977, refers to "Article
10 IX, Section 9, of the Texas Constitution, as amended."
11 In reference to constitutional provisions, the revised
12 law omits "as amended" because a statutory reference
13 to a constitutional provision would, in the absence of
14 the phrase, be interpreted as including any amendments
15 of that provision that had been adopted as of the date
16 the statute was enacted. To the extent "as amended"
17 was intended to incorporate any constitutional
18 amendment adopted after Chapter 140, Acts of the 65th
19 Legislature, Regular Session, 1977, was enacted, the
20 phrase is unnecessary because such an amendment would,
21 by virtue of being part of the constitution, control
22 over a statute.

23 (2) Section 1, Chapter 140, Acts of the 65th
24 Legislature, Regular Session, 1977, authorizes the
25 "creation, establishment, administration,
26 maintenance, operation, and financing" of the
27 district. The revised law omits "creation" and
28 "establishment" as executed. The revised law omits
29 "maintenance" because, in this context, the meaning of
30 that term is included in the meaning of "operation."

31 Revised Law

32 Sec. 1095.003. ESSENTIAL PUBLIC FUNCTION. The district
33 performs an essential public function in carrying out the purposes
34 of this chapter. (Acts 65th Leg., R.S., Ch. 140, Sec. 21 (part).)

35 Source Law

36 Sec. 21. In carrying out the purposes of this
37 Act, the district will be performing an essential
38 public function, and

3 district are coextensive with the boundaries of Shackelford County,

5 Source Law

6 Sec. 1. . . . the boundaries of which shall
7 include all of the land or territory in Shackelford
8 County, Texas,

9 Revised Law

10 Sec. 1095.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
11 OBLIGATION. The support and maintenance of the district may not
12 become a charge against or obligation of this state. (Acts 65th
13 Leg., R.S., Ch. 140, Sec. 20 (part).)

14 Source Law

20 The legislature may not make a direct appropriation for the

23 Source Law

24 Sec. 20. . . . nor shall any direct
25 appropriation be made by the legislature for the
26 construction, maintenance, or improvement of any of
27 the facilities of the district.

28 Revisor's Note
29 (End of Subchapter)

30 Section 3, Chapter 140, Acts of the 65th
31 Legislature, Regular Session, 1977, provides
32 procedures for holding an election on the creation of
33 the district, the imposition of an ad valorem tax, and
34 the assumption of certain facilities and debt.
35 Section 8, Chapter 140, Acts of the 65th Legislature,
36 Regular Session, 1977, provides for the election to
37 include a proposition authorizing the district to
38 issue bonds. Because the election creating the

1 district has been held, the revised law omits the
2 relevant law as executed. The omitted law reads:

3 Sec. 3. (a) The district shall not be
4 created nor shall any tax be authorized
5 unless and until the creation and the tax
6 are approved by a majority of the qualified
7 electors of the area of the proposed
8 district voting at an election called and
9 held for that purpose. The election may be
10 called by a majority of the temporary
11 directors or shall be called by the
12 temporary directors on presentation of a
13 petition signed by at least 50 electors of
14 the area of the proposed district. The
15 election shall be held not less than 35 nor
16 more than 60 days after the date the
17 election is ordered. The order calling the
18 election shall specify the date, place or
19 places of holding the election, the form of
20 ballot, and the presiding judge and
21 alternate judge for each voting place, and
22 shall provide for clerks as in county
23 elections. Notice of election shall be
24 given by publishing a substantial copy of
25 the election order in a newspaper of general
26 circulation in the county once a week for
27 two consecutive weeks, the first
28 publication to appear at least 30 days
29 before the date set for the election. The
30 failure of the election shall not operate to
31 prohibit the calling and holding of
32 subsequent elections for the same purpose;
33 provided no district confirmation election
34 may be held within 12 months of any
35 preceding election for the same purpose. If
36 the district is not confirmed at an election
37 held within 60 months from the effective
38 date of this Act, this Act is repealed.

39 (b) At the election, there shall be
40 submitted to the electors of the area of the
41 proposed district the proposition of
42 whether the hospital district shall be
43 created with authority to levy annual taxes
44 . . . for the purpose of meeting the
45 requirements of the district's bonds,
46 indebtedness assumed by it, and its
47 maintenance and operating expenses, and a
48 majority of the electors of the area of the
49 proposed district voting at the election in
50 favor of the proposition shall be
51 sufficient for its adoption.

52 (c) The form of ballot used at the
53 election on the creation of the district
54 shall be in conformity with Section 61,
55 Texas Election Code, as amended (Article
56 6.05, Vernon's Texas Election Code), so that
57 ballots may be cast for or against the
58 following proposition: "The creation of
59 the Shackelford County Hospital District of
60 Shackelford County, Texas, providing for
61 the levy of a tax not to exceed 75 cents on
62 the \$100 valuation on all taxable property
63 in the district subject to hospital
64 district taxation, and providing for the
65 transfer of existing hospital facilities
66 and outstanding indebtedness issued for

1 hospital purposes of any city, town, or
2 county in the district."

3 (d) Within 10 days after the election
4 is held, the temporary directors of the
5 district shall convene and canvass the
6 returns of the election and, in the event
7 the election results favorably to the
8 proposition specified in Subsection (c) of
9 this section, the board shall so find and
10 declare the hospital district established
11 and created.

12 Sec. 8. A petition for an election to
13 create the hospital district, as provided
14 in Section 3 of this Act, may incorporate a
15 request that a separate proposition be
16 submitted at the election as to whether the
17 board of directors of the district, in the
18 event it is created, shall be authorized to
19 issue bonds for the purposes specified in
20 Section 7 of this Act. The petition shall
21 specify the maximum amount of bonds to be
22 issued and their maximum maturity and shall
23 be included in the proposition submitted at
24 the election. The temporary board, on its
25 own motion, may submit a proposition on
26 whether bonds will be issued for the
27 purposes specified in Section 7 of this Act,
28 irrespective of whether a petition so
29 requests and irrespective of whether a
30 petition is presented.

31 [Sections 1095.007-1095.050 reserved for expansion]

32 SUBCHAPTER B. DISTRICT ADMINISTRATION

33 Revised Law

34 Sec. 1095.051. BOARD ELECTION; TERM. (a) The board
35 consists of seven directors elected from the district at large.

36 (b) Unless four-year terms are established under Section
37 285.081, Health and Safety Code:

38 (1) directors serve staggered two-year terms; and

39 (2) a directors' election shall be held on the uniform
40 election date in May of each year. (Acts 65th Leg., R.S., Ch. 140,
41 Sec. 4(c) (part).)

42 Source Law

43 (c) . . . permanent directors of the district,
44 . . . shall divide themselves into two classes,
45 namely: class one, four persons to serve until the
46 first Saturday in April next following the election at
47 which the creation of the district is approved, and
48 class two, three persons to serve until the first
49 Saturday in April of the next succeeding year.
50 Successors shall be elected by vote of the qualified
51 electors of the entire district for two-year
52 terms. . . .

1 Revisor's Note

2 (1) Section 4, Chapter 140, Acts of the 65th
3 Legislature, Regular Session, 1977, prescribes the
4 procedures for the appointment of temporary directors
5 and for electing the initial board of directors
6 ("class one" and "class two"). The revised law omits
7 those provisions as executed but revises the
8 establishment of a board consisting of seven directors
9 elected from the district at large. Section 4 also
10 establishes staggered two-year terms for the initial
11 elected directors that expire on the first Saturday in
12 April in the first or second year after the election
13 ("class one" and "class two"). The revised law revises
14 the provision specifying staggered terms but omits the
15 provision relating to the date on which the initial
16 terms expire as executed.

17 (2) Section 4(c), Chapter 140, Acts of the 65th
18 Legislature, Regular Session, 1977, provides that the
19 terms of the initial directors expire on the first
20 Saturday in April in the first or second year after the
21 election of the initial directors, and in doing so
22 establishes that directors' elections are held on the
23 first Saturday in April each year. Chapter 14, Acts of
24 the 69th Legislature, 3rd Called Session, 1986,
25 amended Section 41.001, Election Code, to prescribe
26 certain uniform election dates. Section 37 of that act
27 required a political subdivision that had held its
28 general election of officers on the first Saturday in
29 April to hold that election on a uniform election date
30 in May or to choose a different uniform election date
31 on which to hold the election. The district holds
32 directors' elections on the uniform election date in
33 May, and the revised law is drafted accordingly.

34 (3) Sections 4(a), (b), and (c), Chapter 140,

1 Acts of the 65th Legislature, Regular Session, 1977,
2 prescribe the procedure for the appointment and the
3 terms of service of the temporary directors on the
4 effective date of the act. The revised law omits those
5 provisions as executed. Throughout this chapter, the
6 revised law omits references to "temporary" directors
7 as executed. The omitted law reads:

8 Sec. 4. (a) On the effective date of
9 this Act, the Commissioners Court of
10 Shackelford County shall appoint seven
11 persons to serve as temporary directors.
12 Each temporary director shall subscribe the
13 constitutional oath of office within 90
14 days of the effective date of this Act.

15 (b) Temporary directors shall serve
16 for a period of two years or until the
17 creation of the district is confirmed at an
18 election, whichever date shall occur first.
19 Any vacancy in the office of temporary
20 director, whether by reason of failure to
21 qualify or vacancy prior to the
22 confirmation of the district at an
23 election, shall be filled by appointment
24 made by the County Judge of Shackelford
25 County.

26 (c) At the time the creation of the
27 district is approved and the returns of the
28 election are officially canvassed, the
29 persons then serving as temporary directors
30 shall become

31 (4) Section 4(c), Chapter 140, Acts of the 65th
32 Legislature, Regular Session, 1977, requires each
33 director to execute the constitutional oath of office.
34 The revised law omits that provision because Section
35 1, Article XVI, Texas Constitution, requires all
36 officers to take the oath (or affirmation) before
37 assuming office. The omitted law reads:

38 (c) . . . [directors of the
39 district,] shall execute the constitutional
40 oath of office, and

41 (5) Section 4(c), Chapter 140, Acts of the 65th
42 Legislature, Regular Session, 1977, provides that
43 directors serve two-year terms. Section 285.081,
44 Health and Safety Code, applicable to this hospital
45 district, provides a mechanism by which the governing
46 board of a hospital district, on its own motion, may

1 order that the members are to be elected in
2 even-numbered years to serve staggered four-year
3 terms. The revised law is drafted accordingly and adds
4 a reference to Section 285.081 for the convenience of
5 the reader.

6 Revised Law

7 Sec. 1095.052. NOTICE OF ELECTION. At least 30 days before
8 the date of an election of directors, notice of the election shall
9 be published one time in a newspaper or newspapers that
10 individually or collectively have general circulation in the
11 district. (Acts 65th Leg., R.S., Ch. 140, Sec. 4(c) (part).)

12 Source Law

13 (c) . . . Notice of each election shall be
14 published one time at least 30 days before the date of
15 the election in a newspaper or newspapers which
16 individually or collectively provide general
17 circulation in the district. . . .

18 Revised Law

19 Sec. 1095.053. BALLOT PETITION. A person who wants to have
20 the person's name printed on the ballot as a candidate for director
21 must file with the board secretary a petition requesting that
22 action. The petition must be:

- 23 (1) signed by at least 10 voters; and
24 (2) filed at least 30 days before the date of the
25 election. (Acts 65th Leg., R.S., Ch. 140, Sec. 4(c) (part).)

26 Source Law

27 (c) . . . Any person desiring to have his name
28 printed on the ballot as a candidate for director shall
29 file with the secretary of the board of directors a
30 petition signed by at least 10 electors asking that his
31 name be printed on the ballot. The petition shall be
32 filed with the secretary at least 30 days before the
33 date of the election. . . .

34 Revisor's Note

35 Section 4(c), Chapter 140, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to a
37 petition signed by 10 "electors." Throughout this
38 chapter, the revised law substitutes "voters" for
39 "electors" because the former is the term used in the

1 Election Code.

2 Revised Law

3 Sec. 1095.054. QUALIFICATIONS FOR OFFICE. (a) A person may
4 not be elected or appointed as a director unless the person is:

5 (1) a resident of the district; and

6 (2) a qualified voter.

7 (b) A person is not eligible to serve as a director if the
8 person is:

9 (1) the district administrator; or

10 (2) a district employee. (Acts 65th Leg., R.S., Ch.
11 140, Sec. 4(d).)

12 Source Law

13 (d) No person shall be appointed or elected as a
14 member of the temporary or permanent board of
15 directors unless he is a resident of the district and a
16 qualified elector. The administrator and employees of
17 the district are not eligible to serve as directors.

18 Revised Law

19 Sec. 1095.055. BOARD VACANCY. If a vacancy occurs in the
20 office of director, the remaining directors shall appoint a
21 director for the unexpired term. (Acts 65th Leg., R.S., Ch. 140,
22 Sec. 4(c) (part).)

23 Source Law

24 (c) . . . Vacancies in office shall be filled
25 for the unexpired term by the remainder of the board of
26 directors.

27 Revised Law

28 Sec. 1095.056. OFFICERS. (a) The board shall elect:

29 (1) a president and a vice president from among its
30 members; and

31 (2) a secretary, who need not be a director.

32 (b) Each officer of the board serves for a term of one year.

33 (c) The board shall fill a vacancy in a board office for the
34 unexpired term. (Acts 65th Leg., R.S., Ch. 140, Sec. 4(e) (part).)

35 Source Law

36 (e) The board of directors, temporary and
37 permanent, shall organize by electing one of their
38 number as president and one of their number as
39 vice-president. A secretary, who need not be a

1 director, shall also be elected. Officers shall be
2 elected for a term of one year and vacancies shall be
3 filled for the unexpired term by the board of
4 directors, temporary or permanent. . . .

5 Revised Law

6 Sec. 1095.057. COMPENSATION; EXPENSES. A director or
7 officer serves without compensation but may be reimbursed for
8 actual expenses incurred in the performance of official duties.

9 The expenses must be:

10 (1) reported in the district's records; and

11 (2) approved by the board. (Acts 65th Leg., R.S., Ch.
12 140, Sec. 4(e) (part).)

13 Source Law

14 (e) . . . All members of the board of directors
15 and officers shall serve without compensation but may
16 be reimbursed for actual expenses incurred in the
17 performance of their official duties on the approval
18 of those expenses by the board of directors and
19 reported in the minute book of the district or other
20 records of the district.

21 Revisor's Note

22 Section 4(e), Chapter 140, Acts of the 65th
23 Legislature, Regular Session, 1977, requires that
24 approved expenses be reported in the "minute book of
25 the district or other records of the district." The
26 revised law omits the reference to the "minute book of
27 the district" because the minute book is a district
28 record.

29 Revised Law

30 Sec. 1095.058. VOTING REQUIREMENT. A concurrence of four
31 directors is sufficient in any matter relating to district
32 business. (Acts 65th Leg., R.S., Ch. 140, Sec. 4(e) (part).)

33 Source Law

34 (e) . . . [members of the board of directors]
35 . . . a concurrence of four shall be sufficient in all
36 matters pertaining to the business of the
37 district. . . .

38 Revisor's Note

39 Section 4(e), Chapter 140, Acts of the 65th
40 Legislature, Regular Session, 1977, provides that four
41 directors constitute a quorum. The revised law omits

1 that provision because it duplicates Section 311.013,
2 Government Code (Code Construction Act), which
3 provides that a quorum of a public body is a majority
4 of the number of members fixed by statute. The omitted
5 law reads:

6 (e) . . . Any four members of the
7 board of directors shall constitute a
8 quorum, and

9 Revised Law

10 Sec. 1095.059. DISTRICT ADMINISTRATOR; ASSISTANT
11 ADMINISTRATOR. (a) The board shall appoint a qualified person as
12 district administrator.

13 (b) The board may appoint an assistant administrator.

14 (c) The district administrator and any assistant
15 administrator serve at the will of the board and are entitled to the
16 compensation determined by the board.

17 (d) On assuming the duties of district administrator, the
18 administrator shall execute a bond payable to the district in an
19 amount set by the board of not less than \$5,000 that:

20 (1) is conditioned on the administrator performing the
21 administrator's duties; and

22 (2) contains other conditions the board may require.
23 (Acts 65th Leg., R.S., Ch. 140, Sec. 5 (part).)

24 Source Law

25 Sec. 5. . . . The board of directors shall
26 appoint a qualified person as the administrator of the
27 hospital district and may, in its discretion, appoint
28 an assistant to the administrator. The administrator,
29 and assistant administrator, if any, shall serve at
30 the will of the board and shall receive such
31 compensation as may be fixed by the board. The
32 administrator shall, on assuming his duties, execute a
33 bond payable to the hospital district in an amount to
34 be set by the board of directors, in no event less than
35 \$5,000, conditioned that he shall perform the duties
36 required of him, and containing such other conditions
37 as the board may require. . . .

38 Revised Law

39 Sec. 1095.060. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
40 Subject to the limitations prescribed by the board, the district
41 administrator shall:

1 (1) supervise the work and activities of the district;
2 and

3 (2) direct the affairs of the district. (Acts 65th
4 Leg., R.S., Ch. 140, Sec. 5 (part).)

5 Source Law

6 Sec. 5. . . . The administrator shall
7 supervise all the work and activities of the district
8 and shall have general direction of the affairs of the
9 district, subject to the limitations as may be
10 prescribed by the board. . . .

11 Revised Law

12 Sec. 1095.061. APPOINTMENT OF STAFF AND EMPLOYEES. (a) The
13 board may appoint to the staff any doctors as the board considers
14 necessary for the efficient operation of the district and may make
15 temporary appointments as warranted.

16 (b) The district may employ fiscal agents, accountants,
17 architects, and additional attorneys as the board considers proper.

18 (c) The board may delegate to the district administrator the
19 authority to hire district employees, including technicians and
20 nurses. (Acts 65th Leg., R.S., Ch. 140, Secs. 5 (part), 16.)

21 Source Law

22 Sec. 5. . . . The board of directors shall have
23 the authority to appoint to the staff such doctors as
24 it may deem necessary for the efficient operation of
25 the district and may provide for temporary
26 appointments to the staff if warranted by
27 circumstances. The board may delegate to the
28 administrator the authority to employ technicians,
29 nurses, and other employees of the district. . . .

30 Sec. 16. The district may employ fiscal agents,
31 accountants, architects, and additional attorneys as
32 the board may consider proper.

33 [Sections 1095.062-1095.100 reserved for expansion]

34 SUBCHAPTER C. POWERS AND DUTIES

35 Revised Law

36 Sec. 1095.101. DISTRICT RESPONSIBILITY. The district has
37 full responsibility for operating all hospital facilities for
38 providing medical and hospital care for the district's needy
39 inhabitants. (Acts 65th Leg., R.S., Ch. 140, Sec. 19 (part).)

40 Source Law

41 Sec. 19. . . . The hospital district shall

1 assume full responsibility for the operation of all
2 hospital facilities for the furnishing of medical and
3 hospital care for its needy inhabitants. . . .

4 Revisor's Note

5 Section 19, Chapter 140, Acts of the 65th
6 Legislature, Regular Session, 1977, provides that the
7 district "shall assume" full responsibility for
8 operating hospital facilities for providing medical
9 and hospital care for the district's needy
10 inhabitants. The revised law substitutes "has" for
11 the quoted language because the duty to assume the
12 responsibility is executed.

13 Revised Law

14 Sec. 1095.102. RESTRICTION ON POLITICAL SUBDIVISION
15 TAXATION AND DEBT. A political subdivision located wholly or
16 partly within the district may not impose a tax or issue bonds or
17 other obligations for hospital purposes or to provide medical care
18 for district residents. (Acts 65th Leg., R.S., Ch. 140, Sec. 19
19 (part).)

20 Source Law

21 Sec. 19. After creation of the hospital
22 district, no county, municipality, or political
23 subdivision wholly or partly within the boundaries of
24 the district shall have the power to levy taxes or
25 issue bonds or other obligations for hospital purposes
26 or for providing medical care for the residents of the
27 district. . . .

28 Revisor's Note

29 (1) Section 19, Chapter 140, Acts of the 65th
30 Legislature, Regular Session, 1977, provides that
31 "[a]fter creation of the hospital district," certain
32 political subdivisions may not levy taxes or issue
33 bonds. The revised law omits the quoted language as
34 executed. In addition, throughout this chapter, the
35 revised law substitutes "impose" for "levy" because,
36 in this context, the terms are synonymous and the
37 former is more commonly used.

38 (2) Section 19, Chapter 140, Acts of the 65th
39 Legislature, Regular Session, 1977, refers to a

1 "county, municipality, or political subdivision." The
2 revised law omits the references to "municipality" and
3 "county" because "municipality" and "county" are
4 included in the meaning of "political subdivision."

5 Revised Law

6 Sec. 1095.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
7 The board shall manage, control, and administer the hospital system
8 and the district's money and resources. (Acts 65th Leg., R.S., Ch.
9 140, Sec. 5 (part).)

10 Source Law

11 Sec. 5. The board of directors shall manage,
12 control, and administer the hospital system and all
13 funds and resources of the district, but

14 Revised Law

15 Sec. 1095.104. HOSPITAL SYSTEM. (a) The district shall
16 provide for:

17 (1) the establishment of a hospital system by:

18 (A) purchasing, constructing, acquiring,
19 repairing, or renovating buildings and equipment; and

20 (B) equipping the buildings; and

21 (2) the administration of the system for hospital
22 purposes.

23 (b) The hospital system may include any facilities the board
24 considers necessary for hospital care. (Acts 65th Leg., R.S., Ch.
25 140, Secs. 2 (part), 10(a) (part).)

26 Source Law

27 Sec. 2. The district . . . shall provide for the
28 establishment of a hospital system by the purchase,
29 construction, acquisition, repair, and renovation of
30 buildings and equipment, and equipping same, and the
31 administration of the system for hospital
32 purposes. . . .

33 Sec. 10. (a) . . . The hospital system may
34 include facilities deemed necessary for hospital care
35 by the directors. . . .

36 Revised Law

37 Sec. 1095.105. RULES. The board may adopt rules governing
38 the operation of the hospital, the hospital system, and the
39 district's staff and employees. (Acts 65th Leg., R.S., Ch. 140,

1 Sec. 5 (part).)

2 Source Law

3 Sec. 5. . . . The district, through its board of
4 directors, shall have the power and authority . . . to
5 promulgate rules governing the operation of the
6 hospital, hospital system, its staff, and its
7 employees. . . .

8 Revisor's Note

9 Section 5, Chapter 140, Acts of the 65th
10 Legislature, Regular Session, 1977, provides that the
11 board may "promulgate" rules to govern the district.
12 The revised law substitutes "adopt" for "promulgate"
13 because the terms are synonymous and the former is more
14 commonly used.

15 Revised Law

16 Sec. 1095.106. PURCHASING AND ACCOUNTING PROCEDURES. The
17 board may prescribe:

18 (1) the method and manner of making purchases and
19 expenditures by and for the district; and

20 (2) all accounting and control procedures. (Acts 65th
21 Leg., R.S., Ch. 140, Sec. 10(b) (part).)

22 Source Law

23 (b) The board of directors of the district shall
24 have the power to prescribe the method and manner of
25 making purchases and expenditures by and for the
26 hospital district and shall also be authorized to
27 prescribe all accounting and control procedures. . . .

28 Revised Law

29 Sec. 1095.107. DISTRICT PROPERTY, FACILITIES, AND
30 EQUIPMENT. (a) The board shall determine the type, number, and
31 location of buildings required to maintain an adequate hospital
32 system.

33 (b) The board may lease all or part of the district's
34 buildings and other facilities on terms considered to be in the best
35 interest of the district's inhabitants.

36 (c) The district may acquire equipment for use in the
37 district's hospital system and mortgage or pledge the property as
38 security for the payment of the purchase price.

1 (d) The district may sell or otherwise dispose of any
2 property, including equipment, on terms the board finds are in the
3 best interest of the district's inhabitants. (Acts 65th Leg.,
4 R.S., Ch. 140, Secs. 10(a) (part), (b) (part).)

5 Source Law

6 Sec. 10. (a) The board of directors is given
7 complete discretion as to the type of buildings, both
8 as to number and location, required to establish and
9 maintain an adequate hospital system. . . . The
10 district, through its board of directors, . . . may
11 lease all or part of its buildings and facilities on
12 terms and conditions considered to be in the best
13 interest of its inhabitants. The district shall be
14 empowered to sell or otherwise dispose of any
15 property, real or personal, or equipment of any nature
16 on terms and conditions found by the board to be in the
17 best interest of its inhabitants.

18 (b) . . . The district may acquire equipment
19 for use in its hospital system and mortgage or pledge
20 the property so acquired as security for the payment of
21 the purchase price. . . .

22 Revisor's Note

23 (1) Section 10(a), Chapter 140, Acts of the 65th
24 Legislature, Regular Session, 1977, requires the board
25 to determine the buildings required to "establish and
26 maintain" an adequate health care or hospital system.
27 The revised law omits the reference to establishing
28 the hospital system as executed.

29 (2) Section 10(a), Chapter 140, Acts of the 65th
30 Legislature, Regular Session, 1977, refers to "terms
31 and conditions." The revised law omits the references
32 to "conditions" because "conditions" is included in
33 the meaning of "terms."

34 (3) Section 10(a), Chapter 140, Acts of the 65th
35 Legislature, Regular Session, 1977, refers to "any
36 property, real or personal." The revised law omits the
37 reference to "real or personal" property because under
38 Section 311.005, Government Code (Code Construction
39 Act), "property" means "real and personal property."

40 Revised Law

41 Sec. 1095.108. EMINENT DOMAIN. (a) The district may
42 exercise the power of eminent domain to acquire a fee simple or

1 other interest in any type of property located in district
2 territory if the interest is necessary or convenient for the
3 district to exercise a power, right, or privilege conferred by this
4 chapter.

5 (b) The district must exercise the power of eminent domain
6 in the manner provided by Chapter 21, Property Code, except the
7 district is not required to deposit in the trial court money or a
8 bond as provided by Section 21.021(a), Property Code.

9 (c) In a condemnation proceeding brought by the district,
10 the district is not required to:

11 (1) pay in advance or provide a bond or other security
12 for costs in the trial court;

13 (2) provide a bond for the issuance of a temporary
14 restraining order or a temporary injunction; or

15 (3) provide a bond for costs or a supersedeas bond on
16 an appeal or petition for review. (Acts 65th Leg., R.S., Ch. 140,
17 Sec. 14(a).)

18 Source Law

19 Sec. 14. (a) The district shall have the right
20 and power of eminent domain for the purpose of
21 acquiring by condemnation any and all property of any
22 kind and character in fee simple, or any lesser
23 interest in property, within the boundaries of the
24 district necessary or convenient to the powers,
25 rights, and privileges conferred by this Act, in the
26 manner provided by the general law with respect to
27 condemnation by counties, provided that the district
28 shall not be required to make deposits in the registry
29 of the trial court of the sum required by Paragraph 2,
30 Article 3268, Revised Civil Statutes of Texas, 1925,
31 as amended, or to make bond as therein provided. In
32 condemnation proceedings being prosecuted by the
33 district, the district shall not be required to pay in
34 advance or give bond or other security for costs in the
35 trial court, nor to give any bond otherwise required
36 for the issuance of a temporary restraining order or a
37 temporary injunction nor to give bond for costs or for
38 supersedeas on any appeal or writ of error.

39 Revisor's Note

40 (1) Section 14(a), Chapter 140, Acts of the 65th
41 Legislature, Regular Session, 1977, provides that the
42 district has the "right and power of eminent domain for
43 the purpose of acquiring [property] by condemnation."
44 The revised law substitutes for the quoted language

1 "may exercise the power of eminent domain to acquire
2 [property]" because the phrases have the same meaning,
3 and the latter phrase is consistent with modern usage
4 in laws relating to eminent domain.

5 (2) Section 14(a), Chapter 140, Acts of the 65th
6 Legislature, Regular Session, 1977, provides that the
7 district must exercise the power of eminent domain in
8 the manner provided by "the general law with respect to
9 condemnation by counties." The revised law
10 substitutes for the quoted language a reference to
11 Chapter 21, Property Code, because that is the general
12 law governing eminent domain for governmental
13 entities, including counties.

14 (3) Section 14(a), Chapter 140, Acts of the 65th
15 Legislature, Regular Session, 1977, refers to
16 "Paragraph 2, Article 3268, Revised Civil Statutes of
17 Texas, 1925, as amended." That statute was codified in
18 1983 as Section 21.021(a), Property Code, and the
19 revised law is drafted accordingly. In addition,
20 throughout this chapter, the revised law omits the
21 references to "as amended" because under Section
22 311.027, Government Code (Code Construction Act), a
23 reference to a statute applies to all reenactments,
24 revisions, or amendments of the statute unless
25 expressly provided otherwise.

26 (4) Section 14(a), Chapter 140, Acts of the 65th
27 Legislature, Regular Session, 1977, refers to a "writ
28 of error." The revised law substitutes "petition for
29 review" for "writ of error" because, effective
30 September 1, 1997, the Texas Supreme Court replaced
31 the writ of error procedure with the petition for
32 review procedure. See Rule 53.1, Rules of Appellate
33 Procedure.

1 Revised Law

2 Sec. 1095.109. COST OF RELOCATING OR ALTERING PROPERTY. In
3 exercising the power of eminent domain, if the board requires
4 relocating, raising, lowering, rerouting, changing the grade of, or
5 altering the construction of any railroad, electric transmission,
6 telegraph or telephone line, conduit, pole, or facility, or
7 pipeline, the board must bear the actual cost of relocating,
8 raising, lowering, rerouting, changing the grade, or altering the
9 construction to provide comparable replacement without enhancement
10 of facilities, after deducting the net salvage value derived from
11 the old facility. (Acts 65th Leg., R.S., Ch. 140, Sec. 14(b).)

12 Source Law

13 (b) If the board requires the relocation,
14 raising, lowering, rerouting, or change in grade or
15 alteration in the construction of any railroad,
16 electric transmission, telegraph or telephone lines,
17 conduits, poles, or facilities, or pipelines in the
18 exercise of the power of eminent domain, all of the
19 relocation, raising, lowering, rerouting, or changes
20 in grade or alteration of construction due to the
21 exercise of the power of eminent domain shall be the
22 sole expense of the board. The term 'sole expense'
23 means the actual cost of relocation, raising,
24 lowering, rerouting, or change in grade or alteration
25 of construction to provide comparable replacement
26 without enhancement of facilities, after deducting the
27 net salvage value derived from the old facility.

28 Revised Law

29 Sec. 1095.110. GIFTS AND ENDOWMENTS. The board may accept
30 for the district a gift or endowment to be held in trust and
31 administered by the board for the purposes and under the
32 directions, limitations, or other provisions prescribed in writing
33 by the donor that are not inconsistent with the proper management
34 and objectives of the district. (Acts 65th Leg., R.S., Ch. 140,
35 Sec. 18.)

36 Source Law

37 Sec. 18. The board of directors of the hospital
38 district is authorized on behalf of the district to
39 accept donations, gifts, and endowments to be held in
40 trust and administered by the board of directors for
41 such purposes and under such directions, limitations,
42 and provisions as may be prescribed in writing by the
43 donor not inconsistent with proper management and
44 object of the hospital district.

1 accordingly.

2 (2) Section 10(b), Chapter 140, Acts of the 65th
3 Legislature, Regular Session, 1977, provides that the
4 provisions of Article 5160, Revised Civil Statutes of
5 Texas, 1925, apply to the district's construction
6 contracts in relation to performance and payment
7 bonds. The revised law omits that reference because
8 Article 5160 was codified as Chapter 2253, Government
9 Code, and that chapter applies to hospital districts
10 on its own terms. The omitted law reads:

11 (b) . . . The provisions of Article
12 5160, Revised Civil Statutes of Texas,
13 1925, as amended, relating to performance
14 and payment bonds shall apply to
15 construction contracts let by the
16 district. . . .

17 Revised Law

18 Sec. 1095.112. OPERATING AND MANAGEMENT CONTRACTS. The
19 board may enter into an operating or management contract relating
20 to a district facility. (Acts 65th Leg., R.S., Ch. 140, Sec. 10(a)
21 (part).)

22 Source Law

23 (a) . . . [The district, through its board of
24 directors,] is further authorized to enter into an
25 operating or management contract with regard to its
26 facilities or a part of its facilities or

27 Revised Law

28 Sec. 1095.113. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
29 CARE AND TREATMENT. (a) The board may contract with a county or
30 municipality located outside the district's boundaries for the care
31 and treatment of a sick or injured person of that county or
32 municipality.

33 (b) The board may contract with this state or a federal
34 agency for the treatment of a sick or injured person. (Acts 65th
35 Leg., R.S., Ch. 140, Sec. 5 (part).)

36 Source Law

37 Sec. 5. . . . The board . . . shall be
38 authorized to contract with any county or incorporated
39 municipality located outside its boundaries for the
40 care and treatment of the sick, diseased, or injured

1 persons of any such county or municipality and shall
2 have the authority to contract with the State of Texas
3 or agencies of the federal government for the
4 treatment of sick, diseased, or injured persons.

5 Revisor's Note

6 (1) Section 5, Chapter 140, Acts of the 65th
7 Legislature, Regular Session, 1977, refers to an
8 "incorporated" municipality. The revised law omits
9 the reference to "incorporated" because under the
10 Local Government Code all municipalities must be
11 incorporated.

12 (2) Section 5, Chapter 140, Acts of the 65th
13 Legislature, Regular Session, 1977, refers to the
14 treatment of "sick, diseased, or injured persons."
15 The revised law omits the references to "diseased"
16 because "diseased" is included in the meaning of
17 "sick."

18 Revised Law

19 Sec. 1095.114. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
20 INVESTIGATORY OR OTHER SERVICES. The board may contract with a
21 political subdivision or governmental agency for the district to
22 provide investigatory or other services for the medical, hospital,
23 or welfare needs of district inhabitants. (Acts 65th Leg., R.S.,
24 Ch. 140, Sec. 5 (part).)

25 Source Law

26 Sec. 5. . . . The board shall be authorized to
27 contract with any other political subdivision or
28 governmental agency whereby the district will provide
29 investigatory or other services as to the medical,
30 hospital, or welfare needs of the inhabitants of the
31 district and

32 Revised Law

33 Sec. 1095.115. PAYMENT FOR TREATMENT; PROCEDURES. (a)
34 When a patient who resides in the district is admitted to a district
35 facility, the district administrator may have an inquiry made into
36 the circumstances of:

- 37 (1) the patient; and
38 (2) the patient's relatives who are legally liable for
39 the patient's support.

1 (b) If the district administrator determines that the
2 patient or those relatives cannot pay all or part of the costs of
3 the care and treatment in the hospital, the amount of the costs that
4 cannot be paid becomes a charge against the district.

5 (c) If the district administrator determines that the
6 patient or those relatives can pay for all or part of the costs of
7 the patient's care and treatment, the patient or those relatives
8 shall be ordered to pay the district a specified amount each week
9 for the patient's care and support. The amount ordered must be
10 proportionate to the person's financial ability.

11 (d) The district administrator may collect the amount from
12 the estate of the patient, or from any relative who is legally
13 liable for the patient's support, in the manner provided by law for
14 the collection of expenses of the last illness of a deceased person.

15 (e) If there is a dispute as to the ability to pay, or doubt
16 in the mind of the district administrator, the board shall hold a
17 hearing and, after calling witnesses, shall:

18 (1) resolve the dispute; and

19 (2) issue any appropriate orders.

20 (f) A final order of the board may be appealed to the
21 district court. The substantial evidence rule applies to the
22 appeal. (Acts 65th Leg., R.S., Ch. 140, Sec. 17.)

23 Source Law

24 Sec. 17. Whenever a patient residing within the
25 district has been admitted to the facilities of the
26 district, the administrator may have an inquiry made
27 as to his circumstances and those of the relatives of
28 the patient legally liable for his support. If he
29 finds that the patient or his relatives are able to pay
30 for his care and treatment in whole or in part, an
31 order shall be made directing the patient or his
32 relatives to pay to the hospital district for the care
33 and support of the patient a specified sum per week in
34 proportion to their financial ability. The
35 administrator shall have the power and authority to
36 collect these sums from the estate of the patient or
37 his relatives legally liable for his support in the
38 manner provided by law for collection of expenses in
39 the last illness of a deceased person. If the
40 administrator finds that the patient or his relatives
41 are not able to pay either in whole or in part for his
42 care and treatment in the hospital, they shall become a
43 charge on the hospital district as to the amount of the
44 inability to pay. Should there be a dispute as to the
45 ability to pay or doubt in the mind of the

1 administrator, the board of directors shall hear and
2 resolve the dispute after calling witnesses, and shall
3 make order or orders as may be proper. Appeals from a
4 final order of the board shall lie to the district
5 court. The substantial evidence rule shall apply.

6 Revised Law

7 Sec. 1095.116. AUTHORITY TO SUE AND BE SUED. The district,
8 through the board, may sue and be sued. (Acts 65th Leg., R.S., Ch.
9 140, Sec. 5 (part).)

10 Source Law

11 Sec. 5. . . . The district, through its board of
12 directors, shall have the power and authority to sue
13 and be sued and

14 Revised Law

15 Sec. 1095.117. ELECTION DATE. Notwithstanding Section
16 41.001(a), Election Code, the board may choose the date for an
17 election held under this chapter other than a directors' election
18 under Section 1095.051. (Acts 65th Leg., R.S., Ch. 140, Sec. 3(e).)

19 Source Law

20 (e) Within the limitations imposed by this Act,
21 the directors or temporary directors of the district
22 may choose the date for any election held under the
23 provisions of this Act, notwithstanding the provisions
24 of Section 9b, Texas Election Code (Article 2.01b,
25 Vernon's Texas Election Code).

26 Revisor's Note

27 (1) Section 3(e), Chapter 140, Acts of the 65th
28 Legislature, Regular Session, 1977, provides that
29 "[w]ithin the limitations imposed by this Act," the
30 board may choose a date for an election. The revised
31 law substitutes a reference to a directors' election
32 under Section 1095.051 because that section is the
33 only provision in the revised law requiring an
34 election to be held on a uniform election date.

35 (2) Section 3(e), Chapter 140, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to "Section
37 9b, Texas Election Code (Article 2.01b, Vernon's Texas
38 Election Code)." In 1985, Section 9b was codified as
39 Section 41.001(a), Election Code, and the revised law
40 is drafted accordingly.

2 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

3 Revised Law

4 Sec. 1095.151. BUDGET. (a) The district administrator
5 shall prepare an annual budget for approval by the board.

6 (b) The proposed budget must contain a complete financial
7 statement of:

8 (1) the outstanding obligations of the district;

9 (2) the cash on hand in each district fund;

10 (3) the money received by the district from all
11 sources during the previous year;

12 (4) the money available to the district from all
13 sources during the ensuing year;

14 (5) the balances expected at the end of the year in
15 which the budget is being prepared;

16 (6) the estimated revenue and balances available to
17 cover the proposed budget; and

18 (7) the estimated tax rate required. (Acts 65th Leg.,
19 R.S., Ch. 140, Sec. 6 (part).)

20 Source Law

21 Sec. 6. . . . The administrator shall prepare
22 an annual budget for approval by the board of
23 directors. The budget shall also contain a complete
24 financial statement of the district showing all
25 outstanding obligations of the district, the cash on
26 hand to the credit of each and every fund of the
27 district, the funds received from all sources during
28 the previous year, the funds available from all
29 sources during the ensuing year, the balances expected
30 at year end of the year in which the budget is being
31 prepared, and estimated revenues and balances
32 available to cover the proposed budget, and the
33 estimated tax rate that will be required. . . .

34 Revised Law

35 Sec. 1095.152. NOTICE; HEARING; ADOPTION OF BUDGET. (a)
36 The board shall hold a public hearing on the proposed annual budget.

37 (b) Notice of the hearing must be published one time at
38 least 10 days before the date of the hearing.

39 (c) Any district resident is entitled to be present and
40 participate at the hearing.

1 (d) At the conclusion of the hearing, the board shall adopt
2 a budget by acting on the budget proposed by the district
3 administrator. The board may make any changes in the proposed
4 budget that the board judges to be in the interests of the taxpayers
5 and that the law warrants. (Acts 65th Leg., R.S., Ch. 140, Sec. 6
6 (part).)

7 Source Law

8 Sec. 6. . . . A public hearing on the annual
9 budget shall be held by the board of directors after
10 notice of a hearing has been published one time at
11 least 10 days before the date set for the hearing. Any
12 person residing in the district shall have the right to
13 be present and participate in the hearing. At the
14 conclusion of the hearing, the budget, as proposed by
15 the administrator, shall be acted on by the board of
16 directors. The board of directors shall have
17 authority to make changes in the budget which in their
18 judgment the law warrants and the interest of the
19 taxpayers demands. . . . the annual budget and . . .
20 shall be approved by the board of directors. . . .

21 Revised Law

22 Sec. 1095.153. AMENDMENTS TO BUDGET. The budget may be
23 amended as required by circumstances. The board must approve all
24 amendments. (Acts 65th Leg., R.S., Ch. 140, Sec. 6 (part).)

25 Source Law

26 Sec. 6. . . . The annual budget may be amended
27 from time to time as the circumstances may require, but
28 . . . all amendments to it shall be approved by the
29 board of directors. . . .

30 Revisor's Note

31 Section 6, Chapter 140, Acts of the 65th
32 Legislature, Regular Session, 1977, states that the
33 board may amend the budget "from time to time." The
34 revised law omits the quoted language because the
35 authority to take an action implies the authority to do
36 so at any time.

37 Revised Law

38 Sec. 1095.154. RESTRICTION ON EXPENDITURES. Money may be
39 spent only for an expense included in the budget or an amendment to
40 the budget. (Acts 65th Leg., R.S., Ch. 140, Sec. 6 (part).)

41 Source Law

42 Sec. 6. . . . No expenditure may be made for any

1 expense not included in the annual budget or an
2 amendment to it. . . .

3 Revised Law

4 Sec. 1095.155. FISCAL YEAR. (a) The district operates
5 according to a fiscal year established by the board.

6 (b) The fiscal year may not be changed:

7 (1) during a period that district revenue bonds are
8 outstanding; or

9 (2) more than once in a 24-month period. (Acts 65th
10 Leg., R.S., Ch. 140, Sec. 6 (part).)

11 Source Law

12 Sec. 6. The district shall be operated on the
13 basis of a fiscal year as established by the board of
14 directors, provided such fiscal year may not be
15 changed during the time revenue bonds of the district
16 are outstanding or more than once in any 24-month
17 period. . . .

18 Revised Law

19 Sec. 1095.156. ANNUAL AUDIT. The board annually shall have
20 an audit made of the district's financial condition. (Acts 65th
21 Leg., R.S., Ch. 140, Sec. 6 (part).)

22 Source Law

23 Sec. 6. . . . The board shall have an annual
24 audit made of the financial condition of the
25 district,

26 Revised Law

27 Sec. 1095.157. INSPECTION OF ANNUAL AUDIT AND DISTRICT
28 RECORDS. The annual audit and other district records shall be open
29 to inspection at the district's principal office. (Acts 65th Leg.,
30 R.S., Ch. 140, Sec. 6 (part).)

31 Source Law

32 Sec. 6. . . . [The board shall have an annual
33 audit made of the financial condition of the
34 district,] which together with other records of the
35 district shall be open to inspection at the principal
36 office of the district. . . .

37 Revised Law

38 Sec. 1095.158. FINANCIAL REPORT. As soon as practicable
39 after the close of each fiscal year, the district administrator
40 shall prepare for the board:

41 (1) a complete sworn statement of all district money;

1 and

2 (2) a complete account of the disbursements of that
3 money. (Acts 65th Leg., R.S., Ch. 140, Sec. 6 (part).)

4 Source Law

5 Sec. 6. . . . As soon as practicable after the
6 close of each fiscal year, the administrator shall
7 prepare for the board a full sworn statement of all
8 money belonging to the district and a full account of
9 the disbursements of same.

10 Revised Law

11 Sec. 1095.159. DEPOSITORY. (a) The board shall select one
12 or more banks inside or outside the district to serve as a
13 depository for district money.

14 (b) District money, other than money invested as provided by
15 Section 1095.160(b), and money transmitted to a bank for payment of
16 bonds or obligations issued or assumed by the district, shall be
17 deposited as received with the depository bank and shall remain on
18 deposit.

19 (c) This chapter, including Subsection (b), does not limit
20 the power of the board to place a part of district money on time
21 deposit or to purchase certificates of deposit.

22 (d) The district may not deposit money with a bank in an
23 amount that exceeds the maximum amount secured by the Federal
24 Deposit Insurance Corporation unless the bank first executes a bond
25 or other security in an amount sufficient to secure from loss the
26 district money that exceeds the amount secured by the Federal
27 Deposit Insurance Corporation. (Acts 65th Leg., R.S., Ch. 140,
28 Sec. 11.)

29 Source Law

30 Sec. 11. (a) The board of directors of the
31 district shall name one or more banks within or without
32 its boundaries to serve as depository for the funds of
33 the district. All funds of the district, except those
34 invested as provided in Section 5 of this Act and those
35 transmitted to a bank or banks of payment for bonds or
36 obligations issued or assumed by the district, shall
37 be deposited as received with the depository bank and
38 shall remain on deposit, provided that nothing in this
39 Act shall limit the power of the board to place a
40 portion of the funds on time deposit or purchase
41 certificates of deposit.

42 (b) Before the district deposits in any bank
43 funds of the district in an amount that exceeds the

1 maximum amount secured by the Federal Deposit
2 Insurance Corporation, the bank shall be required to
3 execute a bond or other security in an amount
4 sufficient to secure from loss the district funds
5 which exceed the amount secured by the Federal Deposit
6 Insurance Corporation.

7 Revised Law

8 Sec. 1095.160. SPENDING AND INVESTMENT RESTRICTIONS. (a)
9 Except as otherwise provided by Section 1095.107(c) and by
10 Subchapter E, the district may not incur an obligation payable from
11 district revenue other than the revenue on hand or to be on hand in
12 the current and following district fiscal years.

13 (b) The board may invest operating, depreciation, or
14 building reserves only in funds or securities specified by Chapter
15 2256, Government Code. (Acts 65th Leg., R.S., Ch. 140, Secs. 5
16 (part), 10(b) (part).)

17 Source Law

18 Sec. 5. . . . in no event shall any operating,
19 depreciation, or building reserves be invested in any
20 funds or securities other than those specified in
21 Article 836 or 837, Revised Civil Statutes of Texas,
22 1925, as amended. . . .

23 [Sec. 10]

24 (b) . . . Except as permitted in the preceding
25 sentence and Sections 7, 8, and 9 of this Act, the
26 district may incur no obligation payable from any
27 revenues of the district, tax or otherwise, except
28 those on hand or to be on hand within the then current
29 and following fiscal year of the district.

30 Revisor's Note

31 (1) Section 5, Chapter 140, Acts of the 65th
32 Legislature, Regular Session, 1977, refers to "Article
33 836 or 837, Revised Civil Statutes of Texas, 1925, as
34 amended." Those articles were impliedly repealed by
35 the enactment of the Public Funds Investment Act of
36 1987 (Article 842a-2, Vernon's Texas Civil Statutes),
37 which was revised in 1993 as Chapter 2256, Government
38 Code. Chapter 2256 defines "local government" to
39 include hospital districts and applies to the district
40 by its own terms. The revised law therefore
41 substitutes a reference to Chapter 2256, Government
42 Code, for the references to Articles 836 and 837.

1 Revised Law

2 Sec. 1095.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
3 the time general obligation bonds are issued by the district under
4 Section 1095.201, the board shall impose an ad valorem tax at a rate
5 sufficient to create an interest and sinking fund to pay the
6 principal of and interest on the bonds as the bonds mature.

7 (b) The tax required by this section together with any other
8 ad valorem tax the district imposes may not in any year exceed 75
9 cents on each \$100 valuation of all taxable property in the
10 district. (Acts 65th Leg., R.S., Ch. 140, Sec. 7(a) (part).)

11 Source Law

12 (a) . . . At the time of the issuance of any
13 bonds by the district a tax shall be levied by the
14 board sufficient to create an interest and sinking
15 fund to pay the interest on and principal of the bonds
16 as they mature, providing the tax together with any
17 other taxes levied for the district shall not exceed 75
18 cents on each \$100 valuation of all taxable property
19 located in the district subject to hospital district
20 taxation in any one year. . . .

21 Revisor's Note

22 Section 7(a), Chapter 140, Acts of the 65th
23 Legislature, Regular Session, 1977, requires the
24 district to levy a tax to pay the principal of and
25 interest on bonds. The revised law specifies that the
26 tax is an "ad valorem" tax because it is clear from the
27 source law that the tax is a property tax and "ad
28 valorem" is the term most commonly used to refer to a
29 property tax.

30 Revised Law

31 Sec. 1095.203. GENERAL OBLIGATION BOND ELECTION. (a) The
32 district may issue general obligation bonds only if the bonds are
33 authorized by a majority of the district voters.

34 (b) The order calling the election shall provide for clerks
35 as in county elections and must specify:

- 36 (1) the date of the election;
37 (2) the location of the polling places;
38 (3) the presiding and alternate election judges for

1 each polling place;

2 (4) the amount of the bonds to be authorized; and

3 (5) the maximum maturity of the bonds.

4 (c) Notice of a bond election shall be given as provided by
5 Section 1251.003, Government Code. (Acts 65th Leg., R.S., Ch. 140,
6 Sec. 7(a) (part).)

7 Source Law

8 (a) . . . No bonds shall be issued by the
9 hospital district . . . until authorized by a majority
10 of the electors of the district. The order for bond
11 election shall specify the date of the election, the
12 amount of bonds to be authorized, the maximum maturity
13 of the bonds, the place or places where the election
14 shall be held, and the presiding judge and alternate
15 judge for each voting place, and shall provide for
16 clerks as in county elections. Notice of any bond
17 election, . . . shall be given as provided in Article
18 704, Revised Civil Statutes of Texas, 1925, as
19 amended, and shall be conducted in accordance with the
20 Texas Election Code, as amended, except as modified by
21 the provisions of this Act.

22 Revisor's Note

23 (1) Section 7(a), Chapter 140, Acts of the 65th
24 Legislature, Regular Session, 1977, provides an
25 exception for notice of a bond election under Section
26 8. As explained in the revisor's note to the end of
27 Subchapter A, Section 8 is executed. The revised law
28 therefore omits the provision. The omitted law reads:

29 (a) . . . [Notice of any bond
30 election,] except one held under the
31 provisions of Section 8 of this Act,

32 (2) Section 7(a), Chapter 140, Acts of the 65th
33 Legislature, Regular Session, 1977, refers to Article
34 704, Revised Statutes, which specifies certain notice
35 requirements for a bond election. That provision was
36 codified in 1999 as Section 1251.003, Government Code.
37 The revised law is drafted accordingly.

38 (3) Section 7(a), Chapter 140, Acts of the 65th
39 Legislature, Regular Session, 1977, provides that an
40 election under Section 7 "shall be conducted in
41 accordance with the Texas Election Code, as amended,
42 except as modified by the provisions of this Act." The

1 revised law omits the quoted language because Section
2 1.002, Election Code, provides that the Election Code
3 applies to all elections held in this state. An
4 exception to the application of the Election Code,
5 such as Section 3(e), Chapter 140, Acts of the 65th
6 Legislature, Regular Session, 1977, revised as Section
7 1095.117, would apply by its own terms.

8 Revised Law

9 Sec. 1095.204. MATURITY OF GENERAL OBLIGATION BONDS.
10 District general obligation bonds must mature not later than 40
11 years after the date of issuance. (Acts 65th Leg., R.S., Ch. 140,
12 Sec. 7(c) (part).)

13 Source Law

14 (c) Bonds of the district shall mature within 40
15 years of their date,

16 Revised Law

17 Sec. 1095.205. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
18 The board president shall execute the general obligation bonds in
19 the district's name.

20 (b) The board secretary shall countersign the bonds in the
21 manner provided by Chapter 618, Government Code. (Acts 65th Leg.,
22 R.S., Ch. 140, Sec. 7(c) (part).)

23 Source Law

24 (c) [Bonds of the district] . . . shall be
25 executed in the name of the hospital district and in
26 its behalf by the president of the board, and
27 countersigned by the secretary in the manner provided
28 by Chapter 204, Acts of the 57th Legislature, Regular
29 Session, 1961, as amended (Article 717j-1, Vernon's
30 Texas Civil Statutes),

31 Revisor's Note

32 (1) Section 7(c), Chapter 140, Acts of the 65th
33 Legislature, Regular Session, 1977, refers to "Chapter
34 204, Acts of the 57th Legislature, Regular Session,
35 1961, as amended (Article 717j-1, Vernon's Texas Civil
36 Statutes)." That statute was codified in 1999 as
37 Chapter 618, Government Code, and the revised law is
38 drafted accordingly.

1 (2) Section 7(c), Chapter 140, Acts of the 65th
2 Legislature, Regular Session, 1977, provides that
3 district bonds issued must bear interest at a rate not
4 to exceed that provided by "Chapter 3, Acts of the 61st
5 Legislature, Regular Session, 1969, as amended
6 (Article 717k-2, Vernon's Texas Civil Statutes)." The
7 maximum interest rate noted in Chapter 3 was codified
8 in 1999 as Section 1204.006, Government Code. Section
9 1204.006, Government Code, permits a public agency,
10 including a hospital district, to issue public
11 securities at any net effective interest rate of 15
12 percent or less and applies to the district under
13 Section 1204.001, Government Code. The revised law
14 omits the reference because it duplicates Section
15 1204.006, Government Code. The omitted law reads:

16 (c) [Bonds of the district] . . .
17 shall bear interest at a rate not to exceed
18 that prescribed by Chapter 3, Acts of the
19 61st Legislature, Regular Session, 1969, as
20 amended (Article 717k-2, Vernon's Texas
21 Civil Statutes), and

22 (3) Section 7(c), Chapter 140, Acts of the 65th
23 Legislature, Regular Session, 1977, provides that
24 district bonds are subject to the law governing
25 counties that relates to bond approval by the attorney
26 general and registration of the bonds by the
27 comptroller. Section 7(c) also provides that after
28 approval and registration the bonds are "incontestable
29 for any cause." The revised law omits those provisions
30 as superseded by Chapter 1202, Government Code
31 (enacted as Article 3, Chapter 53, Acts of the 70th
32 Legislature, 2nd Called Session, 1987). Section
33 1202.003(a), Government Code, requires bonds to be
34 submitted to the attorney general. Section
35 1202.003(b), Government Code, provides for approval of
36 the bonds by the attorney general and requires the
37 attorney general to submit the approved bonds to the

1 comptroller for registration. Section 1202.005,
2 Government Code, requires registration of the bonds by
3 the comptroller. Section 1202.006, Government Code,
4 provides that after approval and registration the
5 bonds are incontestable and binding obligations.
6 Chapter 1202, Government Code, applies to bonds issued
7 under this chapter by application of Section 1202.001,
8 Government Code. The omitted law reads:

9 (c) [Bonds of the district] . . .
10 shall be subject to the same requirements in
11 the manner of approval by the attorney
12 general and registration by the comptroller
13 of public accounts as are by law provided
14 for approval and registration of bonds
15 issued by counties. On the approval of the
16 bonds by the attorney general and
17 registration by the comptroller, the same
18 shall be incontestable for any cause.

19 Revised Law

20 Sec. 1095.206. REVENUE BONDS. (a) The board may issue
21 revenue bonds to:

22 (1) purchase, construct, acquire, repair, renovate,
23 or equip buildings or improvements for hospital purposes; or

24 (2) acquire sites to be used for hospital purposes.

25 (b) The bonds must be payable from and secured by a pledge of
26 all or part of the revenue derived from the operation of the
27 district's hospitals.

28 (c) The bonds may be additionally secured by a mortgage or
29 deed of trust lien on all or part of district property.

30 (d) The bonds must be issued in the manner and in accordance
31 with the procedures and requirements prescribed by Sections
32 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049, Health
33 and Safety Code, for issuance of revenue bonds by a county hospital
34 authority. (Acts 65th Leg., R.S., Ch. 140, Sec. 9 (part).)

35 Source Law

36 Sec. 9. In addition to the power to issue bonds
37 payable from taxes levied by the district, as
38 contemplated by Section 8 of this Act, the board of
39 directors is further authorized to issue and . . .
40 revenue bonds for purchasing, constructing,
41 acquiring, repairing, equipping, or renovating
42 buildings and improvements for hospital purposes, and

1 for acquiring sites for hospitals purposes, the bonds
2 to be payable from and secured by a pledge of all or any
3 part of the revenues of the district to be derived from
4 the operation of its hospital or hospitals, and the
5 bonds may be additionally secured by a mortgage or deed
6 of trust lien on any part or all of its properties. The
7 bonds shall be issued in the manner and in accordance
8 with the procedures and requirements specified for the
9 issuance of revenue bonds by county hospital
10 authorities in Sections 8 and 10 through 13 of Chapter
11 122, Acts of the 58th Legislature, Regular Session,
12 1963, as amended (Article 4494r, Vernon's Texas Civil
13 Statutes).

14 Revisor's Note

15 Section 9, Chapter 140, Acts of the 65th
16 Legislature, Regular Session, 1977, refers to Sections
17 8 and 10 through 13 of Chapter 122, Acts of the 58th
18 Legislature, Regular Session, 1963 (Article 4494r,
19 Vernon's Texas Civil Statutes). Those provisions were
20 codified in 1989 as Sections 264.042, 264.043,
21 264.046, 264.047, 264.048, and 264.049, Health and
22 Safety Code. The revised law is drafted accordingly.

23 Revised Law

24 Sec. 1095.207. REFUNDING BONDS. (a) The board may, without
25 an election, issue refunding bonds to refund outstanding
26 indebtedness issued or assumed by the district.

27 (b) A refunding bond may be:

28 (1) sold, with the proceeds of the refunding bond
29 applied to the payment of the outstanding indebtedness; or

30 (2) exchanged wholly or partly for not less than a
31 similar principal amount of outstanding indebtedness. (Acts 65th
32 Leg., R.S., Ch. 140, Secs. 7(a) (part), (b) (part), 9 (part).)

33 Source Law

34 Sec. 7. (a) . . . [No bonds shall be issued by
35 the hospital district] except refunding bonds [until
36 authorized by a majority of the electors of the
37 district.] . . .

38 (b) Refunding bonds of the district may be
39 issued for the purpose of refunding and paying off any
40 outstanding indebtedness it has issued or assumed.
41 The refunding bonds may be sold and the proceeds
42 applied to the payment of outstanding indebtedness or
43 may be exchanged in whole or in part for not less than a
44 like principal amount of outstanding indebtedness.
45 . . .

46 Sec. 9. . . . [the board of directors is further
47 authorized] . . . to refund any previously issued

1 [revenue bonds]

2 Revisor's Note

3 Section 7(b), Chapter 140, Acts of the 65th
4 Legislature, Regular Session, 1977, provides that
5 refunding bonds sold to pay outstanding indebtedness
6 must be issued and payments made in the manner
7 specified by Chapter 503, Acts of the 54th
8 Legislature, Regular Session, 1955, as amended
9 (Article 717k, Vernon's Texas Civil Statutes). In
10 addition, the section provides that refunding bonds
11 must be issued in conformity with Chapter 784, Acts of
12 the 61st Legislature, Regular Session, 1969 (Article
13 717k-3, Vernon's Texas Civil Statutes). Articles 717k
14 and 717k-3 were codified in 1999 as Chapter 1207,
15 Government Code. The revised law omits the provisions
16 because Chapter 1207, Government Code, applies to the
17 district by its own terms under Section 1207.001,
18 Government Code. The omitted law reads:

19 (b) . . . If the refunding bonds are
20 to be sold and the proceeds applied to the
21 payment of any outstanding indebtedness,
22 the refunding bonds shall be issued and
23 payments made in the manner specified by
24 Chapter 503, Acts of the 54th Legislature,
25 Regular Session, 1955, as amended (Article
26 717k, Vernon's Texas Civil Statutes).
27 Refunding bonds shall be issued in
28 conformity with Chapter 784, Acts of the
29 61st Legislature, Regular Session, 1969
30 (Article 717k-3, Vernon's Texas Civil
31 Statutes).

32 Revised Law

33 Sec. 1095.208. BONDS EXEMPT FROM TAXATION. The following
34 are exempt from taxation by this state or a political subdivision of
35 this state:

- 36 (1) bonds issued by the district;
37 (2) the transfer and issuance of the bonds; and
38 (3) profits made in the sale of the bonds. (Acts 65th
39 Leg., R.S., Ch. 140, Sec. 21 (part).)

40 Source Law

41 Sec. 21. . . . any bonds issued by it and their

1 transfer and the issuance by the district, including
2 any profits made in the sale of the bonds, shall at all
3 times be free from taxation by the state or any
4 municipality or political subdivision of the state.

5 Revisor's Note

6 Section 21, Chapter 140, Acts of the 65th
7 Legislature, Regular Session, 1977, refers to "any
8 municipality or political subdivision" of this state.
9 The revised law omits "municipality" because that term
10 is included in the meaning of "political subdivision"
11 of this state.

12 Revisor's Note
13 (End of Subchapter)

14 (1) Section 13, Chapter 140, Acts of the 65th
15 Legislature, Regular Session, 1977, provides that
16 district bonds are authorized investments for certain
17 entities. The revised law omits the provision as
18 unnecessary. As to several of the entities listed,
19 Section 13 has been superseded and impliedly repealed.
20 Investments in securities by banks are regulated by
21 Section 34.101, Finance Code (enacted in 1995 as
22 Section 5.101, Texas Banking Act (Article 342-5.101,
23 Vernon's Texas Civil Statutes)). Investments in
24 securities by savings banks are regulated by Section
25 93.001(c)(10), Finance Code (enacted in 1993 as
26 Section 7.15(10), Texas Savings Bank Act (Article
27 489e, Vernon's Texas Civil Statutes)). Investments in
28 securities by trust companies are regulated by Section
29 184.101, Finance Code (enacted in 1997 as Section
30 5.101, Texas Trust Company Act (Article 342a-5.101,
31 Vernon's Texas Civil Statutes)). Investments in
32 securities by savings and loan associations are
33 regulated by Sections 63.002 and 64.001, Finance Code.
34 As to the remaining entities listed, Section 13 is
35 superseded by Section 1201.041, Government Code,
36 enacted as Section 9, Bond Procedures Act of 1981
37 (Article 717k-6, Vernon's Texas Civil Statutes).

1 Section 1201.041, Government Code, applies to district
2 bonds by application of Section 1201.002, Government
3 Code. The revised law omits the reference to public
4 funds of this state because it has been superseded by
5 Section 404.024, Government Code (enacted in 1985 as
6 Section 2.014, Treasury Act (Article 4393-1, Vernon's
7 Texas Civil Statutes)), which governs the investment
8 of state funds. Section 404.024(b)(10), Government
9 Code, authorizes the investment of state funds in
10 obligations of political subdivisions, including
11 hospital districts. The revised law omits the
12 reference to public funds of political subdivisions or
13 corporations of the state because it has been
14 superseded by Chapter 2256, Government Code (enacted
15 in 1987 as the Public Funds Investment Act of 1987
16 (Article 842a-2, Vernon's Texas Civil Statutes)),
17 which governs the investment of local funds. The
18 omitted law reads:

19 Sec. 13. All bonds issued and
20 indebtedness assumed by the district shall
21 be and are hereby declared to be legal and
22 authorized investments of banks, savings
23 banks, trust companies, building and loan
24 associations, savings and loan
25 associations, insurance companies,
26 trustees, and sinking funds of cities,
27 towns, villages, counties, school
28 districts, or other political subdivisions
29 or corporations of the State of Texas, and
30 public funds of the State of Texas, or
31 cities, towns, villages, counties, school
32 districts, or other political subdivisions
33 or corporations of the State of Texas, and
34

35 (2) Section 13, Chapter 140, Acts of the 65th
36 Legislature, Regular Session, 1977, effectively
37 provides that district bonds may secure certain
38 deposits. Although Section 13 does not specifically
39 mention the deposits the bonds are eligible to secure,
40 the only deposits the bonds could secure are deposits
41 of public funds of this state or political
42 subdivisions of this state. Therefore, the revised law

1 omits the provision as impliedly repealed by Section
2 404.0221, Government Code (enacted in 1995), which
3 lists eligible collateral for deposits of state funds
4 by the comptroller, and by Chapter 2257, Government
5 Code (enacted in 1989 as Article 2529d, Vernon's Texas
6 Civil Statutes), which governs eligible collateral for
7 deposits of funds of other public agencies, including
8 political subdivisions. The omitted law reads:

9 Sec. 13. . . . shall be lawful and
10 sufficient security for those deposits to
11 the extent of their value when accompanied
12 by all unmatured coupons appurtenant
13 thereto.

14 [Sections 1095.209-1095.250 reserved for expansion]

15 SUBCHAPTER F. TAXES

16 Revised Law

17 Sec. 1095.251. IMPOSITION OF AD VALOREM TAX. (a) The board
18 shall impose a tax on all property in the district subject to
19 district taxation.

20 (b) The board shall impose the tax to pay:

- 21 (1) indebtedness issued or assumed by the district;
22 and
23 (2) the maintenance and operating expenses of the
24 district.

25 (c) The board may not impose a tax to pay the principal of or
26 interest on revenue bonds issued under this chapter. (Acts 65th
27 Leg., R.S., Ch. 140, Secs. 12(a) (part), 15(a) (part).)

28 Source Law

29 Sec. 12. (a) The board of directors shall
30 annually levy a tax . . . for the purpose of paying:
31 (1) the indebtedness assumed or issued by
32 the district, but no tax shall be levied to pay
33 principal of or interest on revenue bonds issued under
34 the provisions of Section 9 of this Act; and
35 (2) the maintenance and operating expenses
36 of the district.

37 Sec. 15. (a) . . . Hospital tax shall be levied
38 on all taxable property within the district subject to
39 hospital district taxation.

40 Revised Law

41 Sec. 1095.252. TAX RATE. (a) The board may impose the tax

1 at a rate not to exceed 75 cents on each \$100 valuation of taxable
2 property in the district.

3 (b) In setting the tax rate, the board shall consider the
4 income of the district from sources other than taxation. (Acts 65th
5 Leg., R.S., Ch. 140, Secs. 3(b) (part), 12(a) (part), (b) (part).)

6 Source Law

7 [Sec. 3]

8 (b) . . . [hospital district shall be created
9 with authority to levy annual taxes] at a rate not to
10 exceed 75 cents on each \$100 of valuation on all
11 taxable property located within the hospital district,
12 subject to hospital district taxation,

13 Sec. 12. (a) [The board of directors shall
14 annually levy a tax] not to exceed the amount permitted
15 by this Act

16 (b) In setting the tax rate the board shall take
17 into consideration the income of the district from
18 sources other than taxation. . . .

19 Revisor's Note

20 Section 12(b), Chapter 140, Acts of the 65th
21 Legislature, Regular Session, 1977, requires the board
22 to levy the tax and to certify the tax rate to the tax
23 assessor-collector. The revised law omits that
24 provision because Section 26.05(a), Tax Code, requires
25 the governing body of a taxing unit to adopt a tax rate
26 for the current tax year and to notify the tax assessor
27 of that rate. The omitted law reads:

28 (b) . . . On determination of the
29 amount of tax required to be levied, the
30 board shall make the levy and certify it to
31 the tax assessor-collector.

32 Revised Law

33 Sec. 1095.253. ASSESSMENT AND COLLECTION BY COUNTY TAX
34 ASSESSOR-COLLECTOR. (a) This section applies unless the board
35 elects to have taxes assessed and collected under Section 1095.254.

36 (b) The tax assessor-collector of Shackelford County shall
37 assess and collect taxes imposed by the district. (Acts 65th Leg.,
38 R.S., Ch. 140, Secs. 15(a) (part), (b) (part).)

39 Source Law

40 (a) . . . unless the directors, by majority
41 vote, elect to have taxes assessed and collected by the
42 district's own tax assessor-collector under Subsection

1 (c) of this section. . . .
2 (b) Under this subsection, The tax
3 assessor-collector of the county in which the district
4 is located shall be charged and required to accomplish
5 the assessment and collection of all taxes levied by
6 and on behalf of the district. . . .

7 Revisor's Note

8 (1) Sections 15(a) and (b), Chapter 140, Acts of
9 the 65th Legislature, Regular Session, 1977, refer to
10 the assessment and collection of district taxes on
11 county tax values. The revised law omits those
12 provisions because they were repealed by Section 6(b),
13 Chapter 841, Acts of the 66th Legislature, Regular
14 Session, 1979, which repealed all "general, local, and
15 special laws" that conflicted with that act. The 1979
16 act enacted the Property Tax Code (Title 1, Tax Code),
17 a comprehensive, substantive codification of property
18 tax law. Title 1, Tax Code, provides the exclusive
19 procedures for the imposition and collection of
20 property taxes by a taxing unit, including a hospital
21 district. The omitted law reads:

22 (a) . . . All taxes of the district
23 shall be assessed and collected on county
24 tax values as provided in Subsection (b) of
25 this section

26 (b) . . . district taxes shall be
27 assessed and collected on county tax values
28 in the same manner as provided by law with
29 relation to county taxes. . . .

30 (2) Section 15(b), Chapter 140, Acts of the 65th
31 Legislature, Regular Session, 1977, refers to the tax
32 assessor-collector "of the county in which the
33 district is located." The revised law substitutes
34 "Shackelford County" for the quoted language because
35 that is the county in which the district is located.

36 (3) Section 15(b), Chapter 140, Acts of the 65th
37 Legislature, Regular Session, 1977, provides that the
38 county tax assessor-collector may charge a fee for the
39 assessment and collection of district taxes. The
40 revised law omits that provision because it was
41 repealed by Section 6(b), Chapter 841, Acts of the 66th

1 Legislature, Regular Session, 1979. See Revisor's
2 Note (1). Section 6.27(b), Tax Code, provides for the
3 compensation of a county tax assessor-collector
4 assessing and collecting taxes for another taxing
5 unit. The omitted law reads:

6 (b) . . . The assessor-collector of
7 taxes shall charge and deduct from payments
8 to the hospital district an amount as fees
9 for assessing and collecting the taxes at a
10 rate of one percent of the taxes assessed
11 and one percent of the taxes collected, but
12 in no event shall the amount paid exceed
13 \$5,000 in any one calendar year. These fees
14 shall be deposited in the officers salary
15 fund of the county and reported as fees of
16 the office of the county tax
17 assessor-collector. . . .

18 (4) Section 15(b), Chapter 140, Acts of the 65th
19 Legislature, Regular Session, 1977, provides that
20 interest and penalties on district taxes and discounts
21 are the same as for county taxes. The revised law
22 omits that provision because it was repealed by
23 Section 6(b), Chapter 841, Acts of the 66th
24 Legislature, Regular Session, 1979. See Revisor's
25 Note (1). Chapter 33, Tax Code, provides for the
26 assessment of penalties and interest on delinquent
27 taxes, and Section 31.05, Tax Code, provides for
28 discounts on the early payment of taxes. The omitted
29 law reads:

30 (b) . . . Interest and penalties on
31 taxes paid to the hospital district shall be
32 the same as in the case of county taxes.
33 Discounts shall be the same as allowed by
34 the county. . . .

35 (5) Section 15(b), Chapter 140, Acts of the 65th
36 Legislature, Regular Session, 1977, provides that tax
37 revenue shall be deposited in the district's
38 depository. The revised law omits the provision
39 because Section 31.10, Tax Code, requires the tax
40 assessor-collector of a taxing unit to deposit taxes
41 collected in the unit's depository. The omitted law
42 reads:

1 (b) . . . The residue of tax
2 collections after deductions of discounts
3 and fees for assessing and collecting shall
4 be deposited in the district's
5 depository. . . .

6 (6) Section 15(b), Chapter 140, Acts of the 65th
7 Legislature, Regular Session, 1977, provides that the
8 bond of the county tax assessor-collector is security
9 for the performance of district duties unless the
10 board determines that an additional bond is necessary.
11 The revised law omits that provision because it
12 duplicates Section 6.29(b), Tax Code, which authorizes
13 a taxing unit for which the county tax
14 assessor-collector collects a tax to require that
15 collector to post an additional bond. The omitted law
16 reads:

17 (b) . . . The bond of the county tax
18 assessor-collector shall stand as security
19 for the proper performance of his duties as
20 assessor-collector of the district; or, if
21 in the judgment of the district board of
22 directors it is necessary, additional bond
23 payable to the district may be
24 required. . . .

25 (7) Section 15(b), Chapter 140, Acts of the 65th
26 Legislature, Regular Session, 1977, states that the
27 tax assessor-collector may act in accordance with
28 state law relating to the assessment, collection, and
29 enforcement of state and county taxes. The revised law
30 omits that provision as unnecessary. The state law
31 relating to the assessment, collection, and
32 enforcement of all ad valorem taxes is Title 1, Tax
33 Code. Section 1.02, Tax Code, requires all taxing
34 units of government to administer the assessment,
35 collection, and enforcement of taxes in conformity
36 with that title. The omitted law reads:

37 (b) . . . In all matters pertaining
38 to the assessment, collection, and
39 enforcement of taxes for the district, the
40 county tax assessor-collector shall be
41 authorized to act in all respects according
42 to the laws of the State of Texas relating
43 to state and county taxes.

1 Revised Law

2 Sec. 1095.254. ASSESSMENT AND COLLECTION BY DISTRICT TAX
3 ASSESSOR-COLLECTOR. (a) The board may elect to have district taxes
4 assessed and collected by a tax assessor-collector appointed by the
5 board. An election under this subsection must be made by December 1
6 and governs the manner in which taxes are assessed and collected,
7 until changed by a similar resolution.

8 (b) The district tax assessor-collector must reside in the
9 district.

10 (c) The board shall set for the district tax
11 assessor-collector:

12 (1) the term of employment; and

13 (2) compensation. (Acts 65th Leg., R.S., Ch. 140,
14 Secs. 15(a) (part), (c) (part).)

15 Source Law

16 (a) . . . [unless the directors, by majority
17 vote, elect to have taxes assessed and collected by the
18 district's own tax assessor-collector under Subsection
19 (c) of this section.] An election may be made before
20 December 1 annually and shall govern the manner in
21 which taxes are subsequently assessed and collected,
22 until changed by a similar resolution. . . .

23 (c) Under this subsection, taxes shall be
24 assessed and collected by a tax assessor-collector
25 appointed by the directors, who shall also fix the term
26 of his employment, compensation, and . . . the tax
27 assessor and collector shall be residents of the
28 district, and

29 Revisor's Note

30 (1) Section 15(c), Chapter 140, Acts of the 65th
31 Legislature, Regular Session, 1977, requires the board
32 to set a bond amount of not less than \$5,000 as
33 security for the district tax assessor-collector. The
34 revised law omits the provision because it was
35 repealed by Section 6(b), Chapter 841, Acts of the 66th
36 Legislature, Regular Session, 1979. See Revisor's
37 Note (1) to Section 1095.253. Section 6.29(a), Tax
38 Code, authorizes the governing body of a taxing unit,
39 including a hospital district, to require the unit's
40 tax assessor-collector to post bond without limiting

1 the amount. The omitted law reads:

2 (c) . . . [directors, who shall also
3 fix the] . . . requirement for bond to
4 assure the faithful performance of his
5 duties, but in no event shall the bond be
6 for less than \$5,000. . . .

7 (2) Section 15(c), Chapter 140, Acts of the 65th
8 Legislature, Regular Session, 1977, states that the
9 board shall appoint a board of equalization and
10 establishes the duties of that board and the tax
11 assessor-collector. The revised law omits the
12 reference to a board of equalization because boards of
13 equalization were abolished and their functions and
14 duties transferred to appraisal review boards by the
15 1979 enactment of the Property Tax Code, Title 1, Tax
16 Code (Section 1, Chapter 841, Acts of the 66th
17 Legislature, Regular Session, 1979). The provisions
18 relating to the duties of the tax assessor-collector
19 are omitted because the Tax Code specifies the duties
20 of a tax assessor-collector. The omitted law reads:

21 (c) . . . The directors shall
22 annually appoint five persons to serve as a
23 board of equalization and shall fix their
24 compensation. Each member of the board and
25 . . . [shall be residents of the district,
26 and] each shall have the same duties,
27 including the obligation to execute the
28 oath of office, as required by county
29 officials exercising those powers and
30 duties. . . .

31 (3) Section 15(c), Chapter 140, Acts of the 65th
32 Legislature, Regular Session, 1977, refers to the
33 applicability of Title 122 of the Revised Statutes
34 (Taxation). Before its repeal and recodification,
35 Title 122 was composed of V.A.C.S. Articles
36 7041-7359a. The relevant parts of those provisions
37 were revised in 1979 as the Property Tax Code, Title 1,
38 Tax Code (Section 1, Chapter 841, Acts of the 66th
39 Legislature, Regular Session, 1979). The revised law
40 omits the provisions because Title 1 applies to the
41 district on its own terms. The omitted law reads:

1 (c) . . . Except as in this law
2 provided to the contrary, all the
3 provisions of Title 122, Revised Civil
4 Statutes of Texas, 1925, as amended, shall
5 apply to the district.

6 Revisor's Note
7 (End of Subchapter)

8 Section 15(a), Chapter 140, Acts of the 65th
9 Legislature, Regular Session, 1977, provides that the
10 district may impose taxes for the entire year in which
11 the district is established. The revised law omits
12 that provision as executed. The omitted law reads:

13 Sec. 15. (a) The directors shall
14 have the authority to levy taxes for the
15 entire year in which the district is
16 established as a result of the election
17 provided in this Act. . . .

18 Revisor's Note
19 (End of Chapter)

20 (1) Sections 2 and 19, Chapter 140, Acts of the
21 65th Legislature, Regular Session, 1977, provide for
22 the transfer of certain land, buildings, improvements,
23 equipment, funds, and taxes to the district after the
24 district is created and provide for the assumption of
25 debt by the district on creation. The revised law
26 omits the provisions as executed. The omitted law
27 reads:

28 Sec. 2. [The district] shall take
29 over and there shall be transferred to it
30 title to all land, buildings, improvements,
31 and equipment pertaining to the hospitals
32 or hospital system owned by Shackelford
33 County or any city or town within the
34 district, and The district shall
35 assume the outstanding indebtedness
36 incurred by Shackelford County or any city
37 or town within the district to provide
38 medical care for residents of the district
39 prior to the creation of the district.

40 Sec. 19. . . . When the district is
41 created and established, the county and all
42 towns and cities located wholly or partly in
43 it shall convey and transfer to the district
44 title to all land, buildings, improvements,
45 and equipment in any way pertaining to a
46 hospital or hospital system located wholly
47 within the district which may be jointly or
48 separately owned by the county or any city
49 or town within the district. Operating
50 funds and reserves for operating expenses

1 which are on hand and funds which have been
 2 budgeted to provide medical care for
 3 residents of the district by the county or
 4 any city or town in the district for the
 5 remainder of the fiscal year in which the
 6 district is established shall likewise be
 7 transferred to the district, as shall taxes
 8 previously levied for hospital purposes for
 9 the current year, and all sinking funds
 10 established for payment of indebtedness
 11 assumed by the district.

12 (2) Section 22, Chapter 140, Acts of the 65th
 13 Legislature, Regular Session, 1977, provides that
 14 public notice of enactment of the statute was provided
 15 in a manner that satisfies the requirements of the
 16 Texas Constitution. The revised law omits that
 17 section as executed. The omitted law reads:

18 Sec. 22. The legislature finds
 19 publication of the notice required in the
 20 enactment of this law under the provisions
 21 of Article IX, Section 9 of the Texas
 22 Constitution, has been made in the manner
 23 and form provided by law pertaining to the
 24 enactment of local and special laws.

11 SUBCHAPTER A. GENERAL PROVISIONS

12 Revised Law

13 Sec. 1097.001. DEFINITIONS. In this chapter:

- 14 (1) "Board" means the board of directors of the
 15 district.
 16 (2) "Director" means a member of the board.
 17 (3) "District" means the South Wheeler County Hospital
 18 District. (New.)

19 Revisor's Note

20 The definitions of "board," "director," and
 21 "district" are added to the revised law for drafting
 22 convenience and to eliminate frequent, unnecessary
 23 repetition of the substance of the definitions.

24 Revised Law

25 Sec. 1097.002. AUTHORITY FOR CREATION. The South Wheeler
 26 County Hospital District is created under the authority of Section
 27 9, Article IX, Texas Constitution, and has the rights, powers, and
 28 duties prescribed by this chapter. (Acts 58th Leg., R.S., Ch. 261,
 29 Sec. 1 (part).)

30 Source Law

31 Sec. 1. Pursuant to authority granted by the
 32 provisions of Section 9 of Article IX of the
 33 Constitution of the State of Texas, South Wheeler
 34 County Hospital District is hereby authorized to be
 35 created and . . . possess such rights, powers and
 36 duties as are hereinafter prescribed.

1 Revised Law

2 Sec. 1097.003. ESSENTIAL PUBLIC FUNCTION. The district
3 performs an essential public function in carrying out the purposes
4 of this chapter. (Acts 58th Leg., R.S., Ch. 261, Sec. 10 (part).)

5 Source Law

6 Sec. 10. In carrying out the purposes of this
7 Act the District will be performing an essential
8 public function and

9 Revised Law

10 Sec. 1097.004. DISTRICT TERRITORY. The boundaries of the
11 district are coextensive with the boundaries of County
12 Commissioners Precincts 3 and 4 of Wheeler County, Texas, as those
13 boundaries existed on January 1, 1963. (Acts 58th Leg., R.S., Ch.
14 261, Sec. 1 (part).)

15 Source Law

16 Sec. 1. . . . [South Wheeler County Hospital
17 District] . . . as created shall have boundaries
18 coextensive with the boundaries of Commissioners
19 Precincts 3 and 4 of Wheeler County, as constituted on
20 January 1, 1963, and

21 Revised Law

22 Sec. 1097.005. DISTRICT SUPPORT AND MAINTENANCE NOT STATE
23 OBLIGATION. The support and maintenance of the district may not
24 become a charge against or obligation of this state. (Acts 58th
25 Leg., R.S., Ch. 261, Sec. 20 (part).)

26 Source Law

27 Sec. 20. The support and maintenance of the
28 South Wheeler County Hospital District shall never
29 become a charge against or obligation of the State of
30 Texas,

31 Revised Law

32 Sec. 1097.006. RESTRICTION ON STATE FINANCIAL ASSISTANCE.
33 The legislature may not make a direct appropriation for the
34 construction, maintenance, or improvement of a district facility.
35 (Acts 58th Leg., R.S., Ch. 261, Sec. 20 (part).)

36 Source Law

37 Sec. 20. . . . nor shall any direct
38 appropriation be made by the Legislature for the
39 construction, maintenance or improvement of any of the
40 facilities of such District.

Revisor's Note
(End of Subchapter)

Sections 3 and 4, Chapter 261, Acts of the 58th Legislature, Regular Session, 1963, provide procedures for holding an election on the creation of the district and the imposition of an ad valorem tax. Because the creation of the district and the imposition of the tax were approved at the election, the revised law omits the relevant law as executed. The omitted law reads:

Sec. 3. The District shall not be created nor shall any tax therein be authorized unless and until such creation and such tax are approved by a majority of the qualified property taxpaying electors of the District voting at an election called for such purpose. Such election may be initiated by the Commissioners Court of Wheeler County upon its own motion and shall be called by said Commissioners Court upon presentation of a petition therefor signed by at least fifty (50) qualified property taxpaying electors of the District. Such election shall be held not less than twenty (20) nor more than thirty-five (35) days from the time such election is ordered by the Commissioners Court. The order calling the election shall specify the time and places of holding same, the form of ballot and the presiding judge for each voting place. Notice of election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in said District once a week for two (2) consecutive weeks, the first publication to appear at least fourteen (14) days prior to the date established for the election. The failure of any such election shall not operate to prohibit the calling and holding of subsequent elections for the same purpose. At said election there shall be submitted to the qualified property taxpaying electors of said District the proposition of whether or not South Wheeler County Hospital District shall be created . . . a majority of the qualified property taxpaying electors of the District voting at said election in favor of the proposition shall be sufficient for its adoption. The ballots shall have printed thereon the following:

"FOR the creation of South Wheeler County Hospital District, the levy of a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100) valuation and the assumption by such District of all outstanding bonds and indebtedness heretofore issued and incurred by any city or town in said District for hospital purposes"; and

1 "AGAINST the creation of South Wheeler
2 County Hospital District, the levy of a tax
3 not to exceed Seventy-five Cents (75¢) on
4 the One Hundred Dollars (\$100) valuation,
5 and the assumption by such District of all
6 outstanding bonds and indebtedness
7 heretofore issued and incurred by any city
8 or town in said District for hospital
9 purposes."

10 Sec. 4. Within ten (10) days after
11 such election is held, the Commissioners
12 Court in such county shall convene and
13 canvass the returns thereof, and in the
14 event such election results favorably to
15 the proposition specified in Section 3
16 hereof, the Court shall so find and declare
17 the Hospital District established and
18 created, and

20 SUBCHAPTER B. DISTRICT ADMINISTRATION

21 Revised Law

22 Sec. 1097.051. BOARD ELECTION; TERM. (a) The board
23 consists of seven directors elected as follows:

24 (1) two directors elected from County Commissioners
25 Precinct 3 by the voters of that precinct;

26 (2) two directors elected from County Commissioners
27 Precinct 4 by the voters of that precinct; and

28 (3) three directors elected from the district at large
29 by the voters of the entire district.

30 (b) Directors serve staggered two-year terms unless
31 four-year terms are established under Section 285.081, Health and
32 Safety Code. (Acts 58th Leg., R.S., Ch. 261, Sec. 4 (part).)

33 Source Law

34 Sec. 4. . . . [directors of the Hospital
35 District] . . . seven (7) directors shall be elected.
36 Two (2) directors [shall be residents of Commissioners
37 Court Precinct 3] who shall be elected by the qualified
38 voters of the Precinct; two (2) directors [shall be
39 residents of Commissioners Court Precinct 4] who shall
40 be elected by the qualified voters of the Precinct;
41 three (3) directors [shall be residents of either
42 Commissioners Court Precincts 3 or 4 and] shall be
43 elected by the voters of both Precincts. After the
44 first election the directors representing each
45 Precinct shall have a one (1) year term. The other
46 three (3) directors representing both Precincts shall
47 have two (2) year terms. Thereafter, all directors
48 shall serve for a period of two (2) years and until
49 their successor has been duly elected or appointed and
50 qualified. . . .

1 Revisor's Note

2 (1) Section 4, Chapter 261, Acts of the 58th
3 Legislature, Regular Session, 1963, prescribes the
4 procedures for appointing the initial board. The
5 revised law omits the provision as executed. The
6 omitted law reads:

7 Sec. 4. . . . [the Commissioners
8 Court . . . shall] . . . appoint seven (7)
9 persons as directors of the Hospital
10 District to serve until the first Saturday
11 in April following the creation and
12 establishment of the District at which time
13

14 (2) Section 4, Chapter 261, Acts of the 58th
15 Legislature, Regular Session, 1963, refers to
16 "qualified" voters of the precinct. The revised law
17 omits "qualified" in this context because Chapter 11,
18 Election Code, governs eligibility to vote in an
19 election in this state and allows only "qualified"
20 voters who are residents of the territory covered by
21 the election to vote in an election.

22 (3) Section 4, Chapter 261, Acts of the 58th
23 Legislature, Regular Session, 1963, refers to
24 directors being elected from either County
25 Commissioners Precinct 3 or 4 by the voters of both
26 precincts. The revised law provides that the
27 directors are elected at large by the voters of the
28 entire district because County Commissioners
29 Precincts 3 and 4 of Wheeler County are the entire
30 district. See Section 1, Chapter 261, Acts of the 58th
31 Legislature, Regular Session, 1963 (revised in this
32 chapter as Section 1097.004).

33 (4) Section 4, Chapter 261, Acts of the 58th
34 Legislature, Regular Session, 1963, prescribes the
35 terms of the directors elected at the expiration of the
36 terms of the initial directors and, in doing so,
37 establishes staggered two-year terms for the

1 directors. The revised law omits the specific
2 provision relating to the terms of those directors as
3 executed but codifies the establishment of staggered
4 two-year terms.

5 (5) Section 4, Chapter 261, Acts of the 58th
6 Legislature, Regular Session, 1963, provides that
7 directors serve two-year terms. Section 285.081,
8 Health and Safety Code, applicable to this district,
9 provides a mechanism by which the governing board of a
10 hospital district, on its own motion, may order that
11 directors are to be elected in even-numbered years to
12 serve staggered four-year terms. The revised law is
13 drafted accordingly and adds a reference to Section
14 285.081, Health and Safety Code, for the convenience
15 of the reader.

16 (6) Section 4, Chapter 261, Acts of the 58th
17 Legislature, Regular Session, 1963, provides that the
18 directors serve until their successors are "duly
19 elected or appointed and qualified." The revised law
20 omits that provision because it duplicates Section 17,
21 Article XVI, Texas Constitution, which provides that
22 an officer of this state is to continue to perform the
23 officer's duties until a successor has qualified.

24 (7) Section 4, Chapter 261, Acts of the 58th
25 Legislature, Regular Session, 1963, provides that
26 directors' elections are held on the first Saturday in
27 April each year. The revised law omits that provision
28 as impliedly repealed by a 1986 amendment to Section
29 41.001, Election Code. Chapter 14, Acts of the 69th
30 Legislature, 3rd Called Session, 1986, amended Section
31 41.001, Election Code, to prescribe certain uniform
32 election dates. Section 37 of that act required a
33 political subdivision that held its general election
34 of officers on the first Saturday in April to hold that

1 election on a uniform election date in May or to choose
2 a different uniform election day on which to hold the
3 election. The omitted law reads:

4 Sec. 4. . . . A regular election of
5 directors shall be held on the first
6 Saturday in April of each year and

7 Revised Law

8 Sec. 1097.052. NOTICE OF ELECTION. At least 10 days before
9 the date of an election of directors, notice of the election shall
10 be published one time in a newspaper of general circulation in
11 Wheeler County. (Acts 58th Leg., R.S., Ch. 261, Sec. 4 (part).)

12 Source Law

13 Sec. 4. . . . notice of such election shall be
14 published in a newspaper of general circulation in the
15 county one (1) time at least ten (10) days prior to the
16 date of election. . . .

17 Revisor's Note

18 Section 4, Chapter 261, Acts of the 58th
19 Legislature, Regular Session, 1963, requires notice of
20 a directors' election to be published in "the county."
21 Throughout this chapter, the revised law substitutes
22 "Wheeler County" for the quoted language because
23 Wheeler County is the county in which the district is
24 located.

25 Revised Law

26 Sec. 1097.053. BALLOT PETITION. A person who wants to have
27 the person's name printed on the ballot as a candidate for director
28 must file with the board secretary a petition requesting that
29 action. The petition must be:

- 30 (1) signed by not fewer than 10 registered voters; and
31 (2) filed at least 25 days before the date of the
32 election. (Acts 58th Leg., R.S., Ch. 261, Sec. 4 (part).)

33 Source Law

34 Sec. 4. . . . Any person desiring his name to be
35 printed on the ballot as a candidate for director shall
36 file a petition, signed by not less than ten (10)
37 qualified voters asking that such name be printed on
38 the ballot, with the secretary of the board of
39 directors of the District. Such petition shall be
40 filed with such secretary at least twenty-five (25)

1 days prior to the date of election.

2 Revisor's Note

3 Section 4, Chapter 261, Acts of the 58th
4 Legislature, Regular Session, 1963, refers to a
5 petition signed by "qualified voters." The revised
6 law substitutes "registered voters" for the quoted
7 language because in the context of eligibility to sign
8 a petition, Section 277.0021, Election Code, provides
9 that "qualified voter" means a "registered voter."

10 Revised Law

11 Sec. 1097.054. QUALIFICATIONS FOR OFFICE. (a) A person may
12 not be elected or appointed as a director unless the person:

13 (1) is a resident of the district;

14 (2) owns property in the district subject to taxation;

15 and

16 (3) is more than 18 years of age at the time of
17 election or appointment.

18 (b) A person may not be elected to represent a particular
19 county commissioners precinct unless the person is a resident of
20 that precinct. (Acts 58th Leg., R.S., Ch. 281, Sec. 4 (part).)

21 Source Law

22 Sec. 4. [Two (2) directors] shall be residents
23 of Commissioners Court Precinct 3 [who shall be
24 elected by the qualified voters of the Precinct; two
25 (2) directors] shall be residents of Commissioners
26 Court Precinct 4 [who shall be elected by the qualified
27 voters of the Precinct; three (3) directors] shall be
28 residents of either Commissioners Court Precincts 3 or
29 4 and [shall be elected by the voters of both
30 Precincts]. . . . No person shall be appointed or
31 elected as a member of the board of directors of said
32 Hospital District unless he is a resident thereof and
33 owns property subject to taxation therein and unless
34 at the time of such election or appointment he shall be
35 more than twenty-one (21) years of age. . . .

36 Revisor's Note

37 Section 4, Chapter 261, Acts of the 58th
38 Legislature, Regular Session, 1963, provides that a
39 person must be "more than twenty-one (21) years of age"
40 at the time of the election to qualify for election or
41 appointment as a director. The revised law

1 substitutes "more than 18 years of age" for the quoted
2 language because Chapter 129, Civil Practice and
3 Remedies Code, establishes 18 years as the age of
4 majority in this state. Section 129.002, Civil
5 Practice and Remedies Code, provides that a law
6 adopted before August 27, 1973, that extends a right,
7 privilege, or obligation to an individual on the basis
8 of a minimum age of 19, 20, or 21 years, shall be
9 interpreted as prescribing a minimum age of 18 years.
10 Section 4 was enacted in 1963 and has not been amended.

11 Revised Law

12 Sec. 1097.055. BOND; RECORD OF BOND AND OATH OR AFFIRMATION
13 OF OFFICE. (a) Each director shall execute a good and sufficient
14 bond for \$1,000 that is:

15 (1) payable to the district; and

16 (2) conditioned on the faithful performance of the
17 director's duties.

18 (b) Each director's bond and constitutional oath or
19 affirmation of office shall be deposited with the district's
20 depository bank for safekeeping. (Acts 58th Leg., R.S., Ch. 261,
21 Sec. 4 (part).)

22 Source Law

23 Sec. 4. . . . Each member of the board of
24 directors shall qualify by executing the
25 Constitutional Oath of Office and shall execute a good
26 and sufficient bond for One Thousand Dollars (\$1,000)
27 payable to said District conditioned upon the faithful
28 performance of his duties, and such oaths and bonds
29 shall be deposited with the depository bank of the
30 District for safekeeping. . . .

31 Revisor's Note

32 Section 4, Chapter 261, Acts of the 58th
33 Legislature, Regular Session, 1963, requires each
34 director to take the constitutional oath of office.
35 The revised law omits that provision because Section
36 1, Article XVI, Texas Constitution, requires all
37 officers in this state to take the oath (or
38 affirmation) before assuming office. Additionally,

1 the revised law provides for the deposit of the
2 constitutional affirmation, as well as the
3 constitutional oath, because Section 1, Article XVI,
4 Texas Constitution, permits an officer in this state
5 to take either the constitutional oath or affirmation.

6 Revised Law

7 Sec. 1097.056. BOARD VACANCY. (a) If a vacancy occurs in
8 the office of director, the remaining directors shall appoint a
9 director for the unexpired term.

10 (b) If the number of directors is reduced to fewer than four
11 for any reason, the remaining directors shall immediately call a
12 special election to fill the vacancies. If the remaining directors
13 do not call the election, a district court, on application of a
14 district voter or taxpayer, may order the directors to hold the
15 election. (Acts 58th Leg., R.S., Ch. 261, Sec. 4 (part).)

16 Source Law

17 Sec. 4. . . . All vacancies in the office of
18 director shall be filled for the unexpired term by
19 appointment of the remainder of the board of
20 directors. In the event the number of directors shall
21 be reduced to less than four (4) for any reason, the
22 remaining directors shall immediately call a special
23 election to fill said vacancies, and upon failure to do
24 so a district court may, upon application of any voter
25 or taxpayer of the District, issue a mandate requiring
26 that such election be ordered by the remaining
27 directors. . . .

28 Revised Law

29 Sec. 1097.057. OFFICERS. The board shall elect from among
30 its members a president, a vice president, and a secretary. (Acts
31 58th Leg., R.S., Ch. 261, Sec. 4 (part).)

32 Source Law

33 Sec. 4. . . . The board of directors shall
34 organize by electing one (1) of their number as
35 president and one (1) as vice president and one (1) as
36 secretary. . . .

37 Revised Law

38 Sec. 1097.058. VOTING REQUIREMENT. A concurrence of four
39 directors is sufficient in any matter relating to district
40 business. (Acts 58th Leg., R.S., Ch. 261, Sec. 4 (part).)

1 Source Law

2 Sec. 4. . . . [board of directors] . . . a
3 concurrence of four (4) shall be sufficient in all
4 matters pertaining to the business of the District.
5 . . .

6 Revisor's Note

7 Section 4, Chapter 261, Acts of the 58th
8 Legislature, Regular Session, 1963, provides that four
9 directors constitute a quorum. The revised law omits
10 that provision because it duplicates Section 311.013,
11 Government Code (Code Construction Act), which
12 provides that a quorum of a public body is a majority
13 of the number of members fixed by statute. The omitted
14 law reads:

15 Sec. 4. . . . Any four (4) members of
16 the board of directors shall constitute a
17 quorum and . . .

18 Revised Law

19 Sec. 1097.059. DISTRICT ADMINISTRATOR; ASSISTANT
20 ADMINISTRATOR. (a) The board shall appoint a qualified person as
21 district administrator.

22 (b) The board may appoint an assistant administrator.

23 (c) The district administrator and any assistant
24 administrator serve at the will of the board and are entitled to the
25 compensation determined by the board.

26 (d) On assuming the duties of district administrator, the
27 administrator shall execute a bond payable to the district in an
28 amount set by the board of not less than \$10,000 that:

29 (1) is conditioned on the administrator performing the
30 administrator's duties; and

31 (2) contains other conditions the board may require.
32 (Acts 58th Leg., R.S., Ch. 261, Sec. 5 (part).)

33 Source Law

34 Sec. 5. . . . The board of directors shall
35 appoint a qualified person to be known as the
36 administrator or manager of the Hospital District and
37 may in its discretion appoint an assistant to the
38 administrator or manager. Such administrator or
39 manager, and assistant administrator or assistant
40 manager, if any, shall serve at the will of the board

1 and shall receive such compensation as may be fixed by
2 the board. The administrator or manager shall, upon
3 assuming his duties, execute a bond payable to the
4 Hospital District in an amount to be set by the board
5 of directors, in no event less than Ten Thousand
6 Dollars (\$10,000), conditioned that he shall perform
7 the duties required of him and containing such other
8 conditions as the board may require. . . .

9 Revisor's Note

10 Section 5, Chapter 261, Acts of the 58th
11 Legislature, Regular Session, 1963, provides that the
12 board shall appoint a person as the "administrator or
13 manager" of the district and may appoint an "assistant
14 to the administrator or manager." Throughout this
15 chapter, the revised law omits "manager" because, in
16 context, "manager" is included in the meaning of
17 "administrator" and "administrator" is the term used
18 by the district.

19 Revised Law

20 Sec. 1097.060. GENERAL DUTIES OF DISTRICT ADMINISTRATOR.
21 Subject to the limitations prescribed by the board, the district
22 administrator shall:

- 23 (1) supervise the work and activities of the district;
24 and
25 (2) direct the affairs of the district. (Acts 58th
26 Leg., R.S., Ch. 261, Sec. 5 (part).)

27 Source Law

28 Sec. 5. . . . The administrator or manager
29 shall supervise all the work and activities of the
30 District and shall have general direction of the
31 affairs of the District subject to such limitations as
32 may be prescribed by the board. . . .

33 Revised Law

34 Sec. 1097.061. EMPLOYEES. The board may employ any
35 doctors, technicians, nurses, and other employees as considered
36 necessary for the efficient operation of the district or may
37 provide that the district administrator has the authority to employ
38 those persons. (Acts 58th Leg., R.S., Ch. 261, Sec. 5 (part).)

39 Source Law

40 Sec. 5. . . . The board of directors shall have
41 the authority to employ such doctors, technicians,

1 nurses and other employees of every kind and character
2 as may be deemed necessary for the efficient operation
3 of the District or may provide that the administrator
4 or manager shall have the authority to employ such
5 persons. . . .

6 Revised Law

7 Sec. 1097.062. RETIREMENT PROGRAM. The board may contract
8 with this state or the federal government to establish or continue a
9 retirement program for the benefit of the district's employees.
10 (Acts 58th Leg., R.S., Ch. 261, Sec. 5 (part).)

11 Source Law

12 Sec. 5. . . . The board of directors is also
13 authorized to enter into such contracts or agreements
14 with the State of Texas or the Federal Government as
15 may be required to establish or continue a retirement
16 program for the benefit of the District's employees.

17 [Sections 1097.063-1097.100 reserved for expansion]

18 SUBCHAPTER C. POWERS AND DUTIES

19 Revised Law

20 Sec. 1097.101. DISTRICT RESPONSIBILITY. The district has
21 full responsibility for:

22 (1) operating all hospital facilities for providing
23 medical and hospital care of indigent persons; and

24 (2) providing medical and hospital care for the
25 district's needy inhabitants. (Acts 58th Leg., R.S., Ch. 261,
26 Secs. 2 (part), 19 (part).)

27 Source Law

28 Sec. 2. . . . Such District shall assume full
29 responsibility for providing medical and hospital care
30 for its needy inhabitants and

31 Sec. 19. . . . the said South Wheeler County
32 Hospital District shall assume full responsibility for
33 the operation of all hospital facilities for the
34 furnishing of medical and hospital care of indigent
35 persons.

36 Revisor's Note

37 Sections 2 and 19, Chapter 261, Acts of the 58th
38 Legislature, Regular Session, 1963, provide that the
39 district "shall assume" full responsibility for
40 providing medical and hospital care for the district's
41 needy inhabitants and for the operation of hospital
42 facilities for the indigent. The revised law

1 substitutes "has" for the quoted language because the
2 duty to assume the responsibility is executed.

3 Revised Law

4 Sec. 1097.102. RESTRICTION ON POLITICAL SUBDIVISION
5 TAXATION AND DEBT. A political subdivision located within the
6 district may not impose a tax or issue bonds or other obligations
7 for hospital purposes for medical treatment of indigent persons.
8 (Acts 58th Leg., R.S., Ch. 261, Sec. 19 (part).)

9 Source Law

10 Sec. 19. After creation of South Wheeler County
11 Hospital District, no other municipality or political
12 subdivision therein shall thereafter issue bonds or
13 other evidences of indebtedness or levy taxes for
14 hospital purposes for medical treatment of indigent
15 persons and

16 Revisor's Note

17 (1) Section 19, Chapter 261, Acts of the 58th
18 Legislature, Regular Session, 1963, provides that
19 "[a]fter creation of South Wheeler County Hospital
20 District," certain political subdivisions may not
21 issue bonds or levy taxes. The revised law omits the
22 quoted language as executed. In addition, throughout
23 this chapter, the revised law substitutes "impose" for
24 "levy" because the terms are synonymous and the former
25 is more commonly used.

26 (2) Section 19, Chapter 261, Acts of the 58th
27 Legislature, Regular Session, 1963, refers to a
28 "municipality or political subdivision." The revised
29 law omits the reference to "municipality" because
30 "municipality" is included in the meaning of
31 "political subdivision."

32 (3) Section 19, Chapter 261, Acts of the 58th
33 Legislature, Regular Session, 1963, provides that
34 certain political subdivisions may not issue bonds or
35 other "evidences of indebtedness." The revised law
36 substitutes "obligations" for "evidences of
37 indebtedness" because in context the terms are

1 synonymous, and "obligations" is more commonly used.

2 (4) Section 9, Chapter 261, Acts of the 58th
3 Legislature, Regular Session, 1963, prohibits a city
4 or town located in the district from selling bonds that
5 were authorized to provide hospital facilities but
6 were not sold on the date the district was created.
7 The revised law omits that provision as executed. The
8 omitted law reads:

9 Sec. 9. . . . If any city or town
10 therein has voted bonds to provide hospital
11 facilities but such bonds have not been sold
12 as of the date of the creation of the
13 District, the authority for the issuance
14 and sale of such bonds shall thereupon be
15 cancelled and they shall not be issued or
16 sold after the creation of the District.

17 Revised Law

18 Sec. 1097.103. MANAGEMENT, CONTROL, AND ADMINISTRATION.
19 The board shall manage, control, and administer the district's
20 hospitals and hospital system. (Acts 58th Leg., R.S., Ch. 261, Sec.
21 5 (part).)

22 Source Law

23 Sec. 5. The board of directors shall manage,
24 control and administer the hospitals and hospital
25 system of the District. . . .

26 Revised Law

27 Sec. 1097.104. HOSPITAL SYSTEM. The district shall provide
28 for the establishment of a hospital system by:

29 (1) purchasing, constructing, acquiring, repairing,
30 or renovating buildings and equipment;

31 (2) equipping the buildings; and

32 (3) administering the buildings and equipment for
33 hospital purposes. (Acts 58th Leg., R.S., Ch. 261, Sec. 2 (part).)

34 Source Law

35 Sec. 2. [The District] . . . shall provide for
36 the establishment of a hospital system by the
37 purchase, construction, acquisition, repair or
38 renovation of buildings and equipment and the
39 equipping of same and the administration thereof for
40 hospital purposes. . . .

1 Revised Law

2 Sec. 1097.105. RULES. The board may adopt rules for the
3 operation of the district and as required to administer this
4 chapter. (Acts 58th Leg., R.S., Ch. 261, Secs. 5 (part), 11
5 (part).)

6 Source Law

7 Sec. 5. . . . The District through its board of
8 directors shall have the power and authority . . . to
9 promulgate rules and regulations for the operation of
10 the District. . . .

11 Sec. 11. [The board of directors of such
12 District shall have the power] . . . to make such rules
13 and regulations as may be required to carry out the
14 provisions of this Act.

15 Revisor's Note

16 Sections 5 and 11, Chapter 261, Acts of the 58th
17 Legislature, Regular Session, 1963, provide that the
18 board may "promulgate rules and regulations" to govern
19 the district and "make such rules and regulations" to
20 carry out the act. The revised law substitutes "adopt"
21 for "promulgate" and "make" because the terms are
22 synonymous and the former is more commonly used. The
23 revised law also omits the reference to "regulations"
24 because under Section 311.005(5), Government Code
25 (Code Construction Act), a rule is defined to include a
26 regulation.

27 Revised Law

28 Sec. 1097.106. PURCHASING AND ACCOUNTING PROCEDURES. The
29 board may prescribe:

30 (1) the method and manner of making purchases and
31 expenditures by and for the district; and

32 (2) all accounting and control procedures. (Acts 58th
33 Leg., R.S., Ch. 261, Sec. 11 (part).)

34 Source Law

35 Sec. 11. The board of directors of such District
36 shall have the power to prescribe the method and manner
37 of making purchases and expenditures, by and for such
38 Hospital District, and also shall be authorized to
39 prescribe all accounting and control procedures and

2 Sec. 1097.107. EMINENT DOMAIN. (a) The district may
3 exercise the power of eminent domain to acquire a fee simple or
4 other interest in any type of property located in district
5 territory if the interest is necessary or convenient for the
6 district to exercise a power, right, or privilege conferred by this
7 chapter.

8 (b) The district must exercise the power of eminent domain
9 in the manner provided by Chapter 21, Property Code. (Acts 58th
10 Leg., R.S., Ch. 261, Sec. 14.)

11 Source Law

12 Sec. 14. South Wheeler County Hospital District
13 created hereunder shall have the right and power of
14 eminent domain for the purpose of acquiring by
15 condemnation any and all property of any kind and
16 character in fee simple, or any lesser interest
17 therein, within the boundaries of the District,
18 necessary or convenient to the powers, rights and
19 privileges conferred by this Act, in the manner
20 provided by General Law with respect to condemnation.

21 Revisor's Note

22 (1) Section 14, Chapter 261, Acts of the 58th
23 Legislature, Regular Session, 1963, provides that the
24 district has the "right and power of eminent domain for
25 the purpose of acquiring [property] by condemnation."
26 The revised law substitutes for the quoted phrase "may
27 exercise the power of eminent domain to acquire
28 [property]" because the phrases have the same meaning
29 and the latter phrase is consistent with modern usage
30 in law relating to eminent domain.

31 (2) Section 14, Chapter 261, Acts of the 58th
32 Legislature, Regular Session, 1963, provides that the
33 district must exercise the power of eminent domain in
34 the manner provided by "General Law with respect to
35 condemnation." The revised law substitutes for the
36 quoted language a reference to Chapter 21, Property
37 Code, because that is the general law governing
38 eminent domain for governmental entities.

1 Revised Law

2 Sec. 1097.108. GIFTS AND ENDOWMENTS. The board may accept
3 for the district a gift or endowment to be held in trust and
4 administered by the board for the purposes and under the
5 directions, limitations, or other provisions prescribed in writing
6 by the donor that are not inconsistent with the proper management
7 and objectives of the district. (Acts 58th Leg., R.S., Ch. 261,
8 Sec. 17.)

9 Source Law

10 Sec. 17. The board of directors of the Hospital
11 District is authorized on behalf of such District to
12 accept donations, gifts and endowments to be held in
13 trust and administered by the board of directors for
14 such purposes and under such directions, limitations,
15 and provisions as may be prescribed in writing by the
16 donor, not inconsistent with proper management and
17 object of the Hospital District.

18 Revisor's Note

19 Section 17, Chapter 261, Acts of the 58th
20 Legislature, Regular Session, 1963, refers to
21 "donations" and "gifts." The revised law omits the
22 reference to "donations" because "donations" is
23 included in the meaning of "gifts."

24 Revised Law

25 Sec. 1097.109. CONTRACTS WITH GOVERNMENTAL ENTITIES FOR
26 CARE AND TREATMENT. (a) The board may contract with a county or
27 municipality located outside the district for the care and
28 treatment of a sick or injured person of that county or
29 municipality.

30 (b) The board may contract with this state or a federal
31 agency for the treatment of a sick or injured person for whom this
32 state or the federal government is responsible. (Acts 58th Leg.,
33 R.S., Ch. 261, Sec. 5 (part).)

34 Source Law

35 Sec. 5. . . . Such board shall be authorized to
36 contract with any county or incorporated municipality
37 located outside the District for the care and
38 treatment of the sick, diseased or injured persons of
39 any such county or municipality and shall have the
40 authority to contract with the State of Texas and
41 agencies of the Federal Government, for treatment of

1 sick, diseased or injured persons for whom the State of
2 Texas or the Federal Government are responsible. . . .

3 Revisor's Note

4 (1) Section 5, Chapter 261, Acts of the 58th
5 Legislature, Regular Session, 1963, refers to an
6 "incorporated" municipality. The revised law omits
7 the reference to "incorporated" because under the
8 Local Government Code all municipalities must be
9 incorporated.

10 (2) Section 5, Chapter 261, Acts of the 58th
11 Legislature, Regular Session, 1963, refers to the
12 treatment of a "sick, diseased or injured" person. The
13 revised law omits the references to "diseased" because
14 "diseased" is included in the meaning of "sick."

15 Revised Law

16 Sec. 1097.110. PAYMENT FOR TREATMENT; PROCEDURES. (a)
17 When a patient who resides in the district is admitted to a district
18 facility, the district administrator shall have an inquiry made
19 into the circumstances of:

20 (1) the patient; and

21 (2) the patient's relatives who are legally liable for
22 the patient's support.

23 (b) If the district administrator determines that the
24 patient or those relatives cannot pay all or part of the costs of
25 the care and treatment in the hospital, the amount of the costs that
26 cannot be paid becomes a charge against the district.

27 (c) If the district administrator determines that the
28 patient or those relatives can pay for all or part of the costs of
29 the patient's care and treatment, the patient or those relatives
30 shall be ordered to pay the district a specified amount each week
31 for the patient's support. The amount ordered must be
32 proportionate to the person's financial ability and may not exceed
33 the actual per capita cost of maintenance.

34 (d) The district administrator may collect the amount from
35 the patient's estate, or from any relative who is legally liable for

1 the patient's support, in the manner provided by law for the
2 collection of expenses of the last illness of a deceased person.

3 (e) If there is a dispute as to the ability to pay, or doubt
4 in the mind of the district administrator, the board shall hold a
5 hearing and, after calling witnesses, shall:

6 (1) resolve the dispute or doubt; and

7 (2) issue any appropriate orders. (Acts 58th Leg.,
8 R.S., Ch. 261, Sec. 16.)

9 Source Law

10 Sec. 16. Whenever a patient residing within the
11 District has been admitted to the facilities thereof,
12 the administrator or manager, shall cause inquiry to
13 be made as to his circumstances and those of the
14 relatives of such patient legally liable for his
15 support. If he finds that such patient or said
16 relatives are able to pay for his care and treatment,
17 in whole or in part, an order shall be made directing
18 such patient, or said relatives, to pay to the Hospital
19 District for the support of such patient a specified
20 sum per week in proportion to their financial ability,
21 but such sum shall not exceed the actual per capita
22 cost of maintenance. The administrator or manager
23 shall have power and authority to collect such sums
24 from the estate of the patient or his relatives legally
25 liable for his support in the manner provided by law
26 for the collection of expenses in the last illness of a
27 deceased person. If the administrator or manager finds
28 that such patient or said relatives are not able to
29 pay, either in whole or in part, for his care and
30 treatment in such hospital, same shall become a charge
31 upon the Hospital District as to the amount of the
32 inability to pay. Should there be any dispute as to
33 the ability to pay or doubt in the mind of the
34 administrator or manager, the board of directors shall
35 hear and determine same, after calling witnesses, and
36 shall make such order or orders as may be proper.

38 Sec. 1097.111. AUTHORITY TO SUE AND BE SUED. The district,

46 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

47 Revised Law

48 Sec. 1097.151. BUDGET. (a) The district administrator

1 shall prepare an annual budget for approval by the board. The
2 budget must be for the fiscal year prescribed by Section 1097.152.

3 (b) Not later than August 31 of each year, the board shall
4 publish notice of a public hearing on the proposed budget. The
5 notice must be published in a newspaper of general circulation in
6 the district at least 10 days before the date of the hearing. (Acts
7 58th Leg., R.S., Ch. 261, Secs. 6 (part), 18.)

8 Source Law

9 Sec. 6. . . . In addition the administrator or
10 manager shall prepare an annual budget for approval by
11 the board of directors of said District. . . .

12 Sec. 18. The board of directors of said Hospital
13 District shall cause to be prepared an annual budget
14 based upon the fiscal year of the Hospital District in
15 accordance with the provisions of Section 6 hereof and
16 prior to September 1st of each year shall give notice
17 of the public hearing on the proposed budget. Such
18 notice shall be published in a newspaper of general
19 circulation in the county at least ten (10) days prior
20 to the date set for the hearing.

21 Revised Law

22 Sec. 1097.152. FISCAL YEAR. The district operates on a
23 fiscal year that begins on October 1 and ends on September 30.

30 Revised Law

31 Sec. 1097.153. AUDIT. (a) The district shall have an audit
32 made of the district's financial condition.

33 (b) The audit shall be open to inspection at all times at the
34 district's principal office. (Acts 58th Leg., R.S., Ch. 261, Sec. 6
35 (part).)

36 Source Law

37 Sec. 6. [The District] . . . it shall cause an
38 audit to be made of the financial condition of said
39 District which shall at all times be open to inspection
40 at the principal office of the District. . . .

41 Revised Law

42 Sec. 1097.154. FINANCIAL REPORT. As soon as practicable

1 after the close of each fiscal year, the district administrator
2 shall prepare for the board:

3 (1) a complete sworn statement of all district money;
4 and

5 (2) a complete account of the disbursements of that
6 money. (Acts 58th Leg., R.S., Ch. 261, Sec. 6 (part).)

7 Source Law

8 Sec. 6. . . . As soon as practical after the
9 close of each fiscal year the administrator or manager
10 shall prepare for the board a full sworn statement of
11 all moneys belonging to the District and a full account
12 of the disbursements of same.

13 Revised Law

14 Sec. 1097.155. DEPOSITORY. (a) The board shall select one
15 or more banks in the district to serve as a depository for district
16 money.

17 (b) District money shall be immediately deposited on
18 receipt with a depository bank, except that sufficient money must
19 be remitted to an appropriate bank to pay the principal of and
20 interest on the district's outstanding bonds or other obligations
21 on or before the maturity date of the principal and interest.

22 (c) To the extent that money in a depository bank is not
23 insured by the Federal Deposit Insurance Corporation, the money
24 must be secured in the manner provided by law for the security of
25 county funds.

26 (d) Membership on the district's board of an officer or
27 director of a bank does not disqualify the bank from being selected
28 as a depository bank. (Acts 58th Leg., R.S., Ch. 261, Sec. 12.)

29 Source Law

30 Sec. 12. The board of directors of the District
31 shall name one (1) or more banks within the District to
32 serve as depository for the funds of the District. All
33 such funds shall, as derived and collected, be
34 immediately deposited with such depository bank or
35 banks except that sufficient funds shall be remitted
36 to the bank or banks for the payment of principal of
37 and interest on the outstanding bonds of the District
38 or other obligations assumed by it and in time that
39 such money may be received by said bank or banks of
40 payment on or prior to the date of maturity of such
41 principal and interest so to be paid. To the extent
42 that funds in the depository bank or banks are not
43 insured by the Federal Deposit Insurance Corporation,

1 they shall be secured in the manner provided by law for
2 security of county funds. Membership on the board of
3 directors of an officer or director of a bank shall not
4 disqualify such bank from being designated as
5 depository.

6 Revisor's Note

7 Section 12, Chapter 261, Acts of the 58th
8 Legislature, Regular Session, 1963, refers to money
9 "derived and collected." The revised law substitutes
10 "on receipt" for the quoted language because the terms
11 are synonymous, and the former is more commonly used.

12 [Sections 1097.156-1097.200 reserved for expansion]

13 SUBCHAPTER E. BONDS

14 Revised Law

15 Sec. 1097.201. GENERAL OBLIGATION BONDS. (a) The board may
16 issue and sell general obligation bonds in the name and on the faith
17 and credit of the district for any purpose related to the purchase,
18 construction, acquisition, repair, or renovation of buildings or
19 improvements, and equipping buildings or improvements for a
20 hospital and the hospital system, as determined by the board.

21 (b) The board shall issue the bonds in compliance with the
22 applicable provisions of Subtitles A and C, Title 9, Government
23 Code. (Acts 58th Leg., R.S., Ch. 261, Sec. 9 (part).)

24 Source Law

25 Sec. 9. The board of directors of the Hospital
26 District shall have the power and authority to issue
27 and sell its bonds in the name and upon the faith and
28 credit of such Hospital District for the purchase,
29 construction, acquisition, repair or renovation of
30 buildings and improvements and equipping the same for
31 hospitals and the hospital system, as determined by
32 the board, and for any or all of such purposes. . . .
33 Such bonds shall be issued under the provisions of
34 Chapter 1, Title 22 of the Revised Civil Statutes of
35 Texas, as amended, but

36 Revisor's Note

37 (1) Section 9, Chapter 261, Acts of the 58th
38 Legislature, Regular Session, 1963, provides that the
39 board has the power and authority to issue and sell
40 bonds in the name and on the faith and credit of the
41 district. Because the type of bonds described by
42 Section 9 are known as "general obligation bonds," the

1 revised law is drafted accordingly.

2 (2) Section 9, Chapter 261, Acts of the 58th
3 Legislature, Regular Session, 1963, provides that
4 bonds issued under that section "shall be issued under
5 the provisions of Chapter 1, Title 22 of the Revised
6 Civil Statutes of Texas, as amended." Chapter 1, Title
7 22, Revised Statutes, was composed of V.A.C.S.
8 Articles 701-717w. The relevant parts of those
9 provisions were revised in 1999 as Subtitles A and C of
10 Title 9, Government Code, and the revised law is
11 drafted accordingly. In addition, throughout this
12 chapter, the revised law omits references to "as
13 amended" because under Section 311.027, Government
14 Code (Code Construction Act), a reference to a statute
15 applies to all reenactments, revisions, or amendments
16 of that statute unless expressly provided otherwise.

17 Revised Law

18 Sec. 1097.202. TAX TO PAY GENERAL OBLIGATION BONDS. (a) At
19 the time general obligation bonds are issued under Section
20 1097.201, the board shall impose an ad valorem tax at a rate
21 sufficient to create an interest and sinking fund and to pay the
22 principal of and interest on the bonds as the bonds mature.

23 (b) The tax required by this section together with any other
24 tax the district imposes may not in any year exceed 75 cents on each
25 \$100 valuation of taxable property in the district. (Acts 58th
26 Leg., R.S., Ch. 261, Sec. 9 (part).)

27 Source Law

28 Sec. 9. . . . At the time of the issuance of any
29 such bonds a tax shall be levied by the board
30 sufficient to create an interest and sinking fund and
31 to pay the interest on and principal of said bonds as
32 same mature, providing such tax together with any
33 other taxes levied for said District shall not exceed
34 Seventy-five Cents (75¢) on each One Hundred Dollars
35 (\$100) valuation of taxable property in any one (1)
36 year. . . .

37 Revisor's Note

38 Section 9, Chapter 261, Acts of the 58th

1 Legislature, Regular Session, 1963, requires the
2 district to levy a tax sufficient to pay the principal
3 of and interest on bonds. The revised law specifies
4 that the tax is an "ad valorem" tax because it is clear
5 from the source law that the tax is a property tax, and
6 "ad valorem" is the term most commonly used to refer to
7 a property tax.

8 Revised Law

9 Sec. 1097.203. GENERAL OBLIGATION BOND ELECTION. (a) The
10 district may issue general obligation bonds only if the bonds are
11 authorized by a majority of the district voters voting at an
12 election held for that purpose.

13 (b) The board shall call the election. The election must be
14 held in accordance with Chapter 1251, Government Code.

15 (c) The bond election order must specify:

- 16 (1) the date of the election;
- 17 (2) the location of the polling places;
- 18 (3) the presiding election officers;
- 19 (4) the amount of the bonds to be authorized;
- 20 (5) the maximum maturity of the bonds; and
- 21 (6) the maximum interest rate of the bonds. (Acts 58th
22 Leg., R.S., Ch. 261, Sec. 9 (part).)

23 Source Law

24 Sec. 9. . . . No bonds shall be issued by such
25 Hospital District. . . until authorized by a majority
26 of the qualified property taxpaying electors of the
27 District voting at an election called for such
28 purpose. Such election shall be called by the board of
29 directors and held in accordance with the provisions
30 of Chapter 1, Title 22 of the Revised Civil Statutes of
31 Texas, as amended, and except as therein otherwise
32 provided, shall be conducted in accordance with the
33 General Laws of Texas pertaining to elections. . . .
34 The election order shall specify the date of the
35 election, the amount of bonds to be authorized, the
36 maximum maturity thereof, the maximum rate of interest
37 they are to bear, the place or places where the
38 election shall be held and the presiding officers
39 thereof. . . .

40 Revisor's Note

41 (1) Section 9, Chapter 261, Acts of the 58th
42 Legislature, Regular Session, 1963, refers to a

1 majority vote of the "qualified . . . electors of the
2 District." The revised law omits "qualified" in this
3 context because Chapter 11, Election Code, governs
4 eligibility to vote in an election in this state and
5 allows only "qualified" voters who are residents of
6 the territory covered by the election to vote in an
7 election. The revised law substitutes "voter" for
8 "elector" because the former is the term used in the
9 Election Code.

10 (2) Section 9, Chapter 261, Acts of the 58th
11 Legislature, Regular Session, 1963, refers to
12 "property taxpaying" electors. The revised law omits
13 the quoted language because in Hill v. Stone, 421 U.S.
14 289, 95 S. Ct. 1637 (1975), the United States Supreme
15 Court determined that property ownership as a
16 qualification for voting is an unconstitutional denial
17 of equal protection.

18 (3) Section 9, Chapter 261, Acts of the 58th
19 Legislature, Regular Session, 1963, provides that an
20 election must be "held in accordance with the
21 provisions of Chapter 1, Title 22 of the Revised Civil
22 Statutes of Texas, as amended, and except as therein
23 otherwise provided, shall be conducted in accordance
24 with the General Laws of Texas pertaining to
25 elections." The election provisions of Chapter 1,
26 Title 22, Revised Statutes, are codified as Chapter
27 1251, Government Code, and the revised law is drafted
28 accordingly. The revised law omits the reference to
29 "except as therein otherwise provided" because an
30 exception to the application of the Election Code in
31 Chapter 1251, Government Code (the revision of the
32 election provisions of Chapter 1, Title 22, Revised
33 Statutes), would apply by its own terms. The revised
34 law omits the reference to the "General Laws of Texas

1 pertaining to elections" because Section 1.002,
2 Election Code, provides that the Election Code applies
3 to all elections held in this state.

4 (4) Section 9, Chapter 261, Acts of the 58th
5 Legislature, Regular Session, 1963, requires the
6 district to make provisions for defraying the costs of
7 elections. The revised law omits that provision
8 because it duplicates Section 1.014, Election Code,
9 applicable to the district under Section 1.002 of that
10 code. The omitted law reads:

11 Sec. 9. . . . The District shall make
12 provisions for defraying the costs of all
13 elections called and held under the
14 provisions of this Act. . . .

15 Revised Law

16 Sec. 1097.204. EXECUTION OF GENERAL OBLIGATION BONDS. (a)
17 The board president shall execute the general obligation bonds in
18 the district's name.

19 (b) The board secretary shall attest the bonds. (Acts 58th
20 Leg., R.S., Ch. 261, Sec. 9 (part).)

21 Source Law

22 Sec. 9. . . . [Such bonds] . . . shall be
23 executed in the name of the Hospital District and in
24 its behalf by the president of the board and attested
25 by the secretary and

26 Revised Law

27 Sec. 1097.205. REFUNDING BONDS. (a) The board may, without
28 an election, issue refunding bonds to refund any bond or other
29 refundable indebtedness issued or assumed by the district.

30 (b) A refunding bond may be:

31 (1) sold, with the proceeds of the refunding bond
32 applied to the payment of the outstanding bonds or other refundable
33 indebtedness; or

34 (2) exchanged wholly or partly for not less than a
35 similar principal amount of the outstanding bonds or other
36 refundable indebtedness. (Acts 58th Leg., R.S., Ch. 261, Sec. 9
37 (part).)

1 as Chapter 1207, Government Code. The revised law
2 omits the provision because Chapter 1207, Government
3 Code, applies to the district by its own terms under
4 Section 1207.001, Government Code. The omitted law
5 reads:

6 Sec. 9. . . . [Such refunding bonds
7 may be sold] . . . and provided further that
8 if such refunding bonds are to be sold and
9 the proceeds thereof applied to the payment
10 of any such outstanding bonds or other
11 refundable indebtedness same shall be
12 issued and payments made in the manner
13 specified by Article 717k, Revised Civil
14 Statutes of Texas, as amended. . . .

15 Revised Law

16 Sec. 1097.206. BONDS EXEMPT FROM TAXATION. The following
17 are exempt from taxation by this state or a political subdivision of
18 this state:

- 19 (1) bonds issued by the district;
20 (2) the transfer and issuance of the bonds; and
21 (3) profits made in the sale of the bonds. (Acts 58th
22 Leg., R.S., Ch. 261, Sec. 10 (part).)

23 Source Law

24 Sec. 10. . . . any bonds issued by it and their
25 transfer and the issuance therefrom, including any
26 profits made in the sale thereof, shall at all times be
27 free from taxation by the State or any municipality or
28 political subdivision thereof.

29 Revisor's Note
30 (End of Subchapter)

31 (1) Section 9, Chapter 261, Acts of the 58th
32 Legislature, Regular Session, 1963, provides that
33 district bonds are subject to the law governing
34 counties that relates to bond approval by the attorney
35 general and registration of the bonds by the
36 comptroller. Section 9 also provides that after
37 approval and registration the bonds are
38 "incontestable." The revised law omits those
39 provisions as superseded by Chapter 1202, Government
40 Code (enacted as Article 3, Chapter 53, Acts of the
41 70th Legislature, 2nd Called Session, 1987). Section

1 1202.003(a), Government Code, requires that bonds be
2 submitted to the attorney general. Section
3 1202.003(b), Government Code, provides for approval of
4 the bonds by the attorney general and requires the
5 attorney general to submit the approved bonds to the
6 comptroller for registration. Section 1202.005,
7 Government Code, requires registration of the bonds by
8 the comptroller. Section 1202.006, Government Code,
9 provides that after approval and registration the
10 bonds are incontestable and binding obligations.
11 Chapter 1202, Government Code, applies to district
12 bonds by application of Section 1202.001, Government
13 Code. The omitted law reads:

14 Sec. 9. [Such bonds] . . . shall be
15 subject to the same requirements in the
16 matter of the approval by the Attorney
17 General of Texas and registration by the
18 Comptroller of Public Accounts of the State
19 of Texas as are by law provided for approval
20 and registration of bonds issued by
21 counties. After approval of any such bonds
22 by the Attorney General and registration by
23 the Comptroller, said bonds shall be
24 incontestable. . . .

25 (2) Section 13, Chapter 261, Acts of the 58th
26 Legislature, Regular Session, 1963, provides that
27 district bonds are authorized investments for certain
28 entities. The revised law omits that provision as
29 unnecessary. As to several of the entities listed,
30 Section 13 has been superseded and impliedly repealed.
31 Investments in securities by banks are regulated by
32 Section 34.101, Finance Code (enacted in 1995 as
33 Section 5.101, Texas Banking Act (Article 342-5.101,
34 Vernon's Texas Civil Statutes)). Investments in
35 securities by savings banks are regulated by Section
36 93.001(c)(10), Finance Code (enacted in 1993 as
37 Section 7.15(10), Texas Savings Bank Act (Article
38 489e, Vernon's Texas Civil Statutes)). Investments in
39 securities by trust companies are regulated by Section

1 184.101, Finance Code (enacted in 1997 as Section
2 5.101, Texas Trust Company Act (Article 342a-5.101,
3 Vernon's Texas Civil Statutes)). Investments in
4 securities by savings and loan associations are
5 regulated by Sections 63.002 and 64.001, Finance Code.
6 As to the remaining entities listed, Section 13 is
7 superseded by Section 1201.041, Government Code
8 (enacted as Section 9, Bond Procedures Act of 1981
9 (Article 717k-6, Vernon's Texas Civil Statutes)).
10 Section 1201.041, Government Code, applies to district
11 bonds by application of Section 1201.002, Government
12 Code. The revised law omits the reference to public
13 funds of this state because it has been superseded by
14 Section 404.024, Government Code (enacted in 1985 as
15 Section 2.014, Treasury Act (Article 4393-1, Vernon's
16 Texas Civil Statutes)), which governs the investment
17 of state funds. Section 404.024(b)(10), Government
18 Code, authorizes the investment of state funds in
19 obligations of political subdivisions, including
20 hospital districts. The omitted law reads:

21 Sec. 13. All bonds of the District
22 shall be and are hereby declared to be legal
23 and authorized investments of banks,
24 savings banks, trust companies, building
25 and loan associations, savings and loan
26 associations, insurance companies,
27 fiduciaries, trustees, and sinking funds of
28 cities, towns, villages, counties, school
29 districts, or other political subdivisions
30 of the State of Texas, and for all public
31 funds of the State of Texas or its agencies,
32 including the State Permanent School
33 Fund. . . .

34 (3) Section 13, Chapter 261, Acts of the 58th
35 Legislature, Regular Session, 1963, effectively
36 provides that district bonds may secure deposits of
37 public funds of this state or political subdivisions
38 of this state. The revised law omits that provision as
39 impliedly repealed by Section 404.0221, Government
40 Code (enacted in 1995), which lists eligible

1 collateral for deposits of state funds by the
2 comptroller, and by Chapter 2257, Government Code
3 (enacted in 1989 as Article 2529d, Vernon's Texas Civil
4 Statutes), which governs eligible collateral for
5 deposits of funds of other public agencies, including
6 political subdivisions. The omitted law reads:

7 Sec. 13. . . . Such bonds shall be
8 eligible to secure deposit of public funds
9 of the State of Texas and public funds of
10 cities, towns, villages, counties, school
11 districts or other political subdivisions
12 or corporations of the State of Texas; and
13 such bonds shall be lawful and sufficient
14 security for said deposits to the extent of
15 their value when accompanied by all
16 unmatured coupons appurtenant thereto.

18 SUBCHAPTER F. TAXES

19 Revised Law

20 Sec. 1097.251. IMPOSITION OF AD VALOREM TAX. (a) The
21 district may impose a tax on all property in the district subject to
22 district taxation.

23 (b) The tax may be used to meet the requirements of:

- 24 (1) district bonds;
25 (2) indebtedness assumed by the district; and
26 (3) district maintenance and operating expenses.

27 (Acts 58th Leg., R.S., Ch. 261, Sec. 3 (part).)

28 Source Law

29 Sec. 3. . . . [South Wheeler County Hospital
30 District shall be created] with authority to levy
31 annual taxes . . . [on] . . . all taxable property
32 within such District for the purpose of meeting the
33 requirements of the District's bonds, the indebtedness
34 assumed by it and its maintenance and operating
35 expenses, and

36 Revised Law

37 Sec. 1097.252. TAX RATE. The district may impose the tax at
38 a rate not to exceed 75 cents on each \$100 valuation of taxable
39 property in the district. (Acts 58th Leg., R.S., Ch. 261, Sec. 3
40 (part).)

41 Source Law

42 Sec. 3. . . . [South Wheeler County Hospital

1 District shall be created with authority to levy
2 annual taxes] at a rate not to exceed Seventy-five
3 Cents (75¢) on the One Hundred Dollars (\$100)
4 valuation of [all taxable property within such
5 District]

6 Revised Law

7 Sec. 1097.253. TAX ASSESSOR-COLLECTOR. The tax
8 assessor-collector of Wheeler County shall assess and collect taxes
9 imposed by the district. (Acts 58th Leg., R.S., Ch. 261, Sec. 15
10 (part).)

11 Source Law

12 Sec. 15. . . . The Tax Assessor and/or
13 Collector of Wheeler County shall be charged and
14 required to accomplish the assessment and collection
15 of all taxes levied by and on behalf of the District
16 and

17 Revisor's Note

18 (1) Section 15, Chapter 261, Acts of the 58th
19 Legislature, Regular Session, 1963, requires district
20 taxes to be assessed and collected in the same manner
21 as county taxes. The revised law omits that provision
22 because it was repealed by Section 6(b), Chapter 841,
23 Acts of the 66th Legislature, Regular Session, 1979,
24 which repealed all "general, local, and special laws"
25 that conflicted with that act. The 1979 act enacted
26 the Property Tax Code (Title 1, Tax Code), a
27 comprehensive, substantive codification of property
28 tax law. Title 1, Tax Code, provides the exclusive
29 procedures for the imposition and collection of
30 property taxes. The omitted law reads:

31 Sec. 15. District taxes shall be
32 assessed and collected in the same manner as
33 provided by law with relation to county
34 taxes. . . .

35 (2) Section 15, Chapter 261, Acts of the 58th
36 Legislature, Regular Session, 1963, provides that tax
37 revenue shall be deposited in the district's
38 depository. The revised law omits the provision
39 because Section 31.10, Tax Code, requires the tax
40 assessor-collector of a taxing unit to deposit taxes

1 collected in the unit's depository. The omitted law
2 reads:

3 Sec. 15. . . . [The Tax Assessor
4 and/or Collector of Wheeler County shall be
5 charged and required] . . . to promptly pay
6 over the same to the District
7 depository. . . .

8 (3) Section 15, Chapter 261, Acts of the 58th
9 Legislature, Regular Session, 1963, provides for
10 compensating the county tax assessor-collector for the
11 assessment and collection of district taxes. The
12 revised law omits that provision because it was
13 repealed by Section 6(b), Chapter 841, Acts of the 66th
14 Legislature, Regular Session, 1979. See Revisor's
15 Note (1). Section 6.27(b), Tax Code, provides for the
16 compensation of a county tax assessor-collector
17 assessing and collecting taxes for another taxing
18 unit. The omitted law reads:

19 Sec. 15. . . . For his services the
20 County Tax Assessor-Collector shall be
21 allowed such compensation as may be
22 provided for by contract with the District
23 but not to exceed the amount allowed for
24 assessment and collection of county taxes.
25 . . .

26 (4) Section 15, Chapter 261, Acts of the 58th
27 Legislature, Regular Session, 1963, provides that the
28 bond of the county tax assessor-collector is security
29 for the performance of district duties unless the
30 board determines that an additional bond is necessary.
31 The revised law omits that provision because it
32 duplicates Section 6.29(b), Tax Code, which authorizes
33 a taxing unit for which the county tax
34 assessor-collector collects a tax to require that
35 collector to post an additional bond. The omitted law
36 reads:

37 Sec. 15. . . . The bond of the County
38 Tax Assessor-Collector shall stand as
39 security for the proper performance of his
40 duties as Assessor-Collector of the
41 District, or, if in the judgment of the
42 District board of directors, it is

1 necessary that additional bond payable to
2 the District may be required. . . .

3 (5) Section 15, Chapter 261, Acts of the 58th
4 Legislature, Regular Session, 1963, provides that the
5 county tax assessor-collector may act in accordance
6 with state law relating to the assessment, collection,
7 and enforcement of state and county taxes. The revised
8 law omits that provision as unnecessary. The state law
9 relating to the assessment, collection, and
10 enforcement of all ad valorem taxes is Title 1, Tax
11 Code. Section 1.02, Tax Code, requires all taxing
12 units of government to administer the assessment,
13 collection, and enforcement of taxes in conformity
14 with that title. The omitted law reads:

15 Sec. 15. . . . In all matters
16 pertaining to the assessment, collection
17 and enforcement of taxes for the District,
18 the County Tax Assessor-Collector shall be
19 authorized to act in all respects according
20 to the laws of the State of Texas relating
21 to State and county taxes.

22 Revisor's Note
23 (End of Chapter)

24 (1) Sections 2, 7, and 8, Chapter 261, Acts of
25 the 58th Legislature, Regular Session, 1963, provide
26 for the transfer of certain land, buildings,
27 improvements, equipment, funds, and taxes to the
28 district after the district is created and provide for
29 the assumption of debt by the district on creation.
30 The revised law omits the provisions as executed. The
31 omitted law reads:

32 Sec. 2. The District herein
33 authorized to be created shall take over and
34 there shall be transferred to it the title
35 to all lands, buildings, improvements and
36 equipment in anywise pertaining to
37 hospitals owned by any city or town thereof
38 and thereafter it . . . shall assume the
39 outstanding indebtedness which shall have
40 been incurred by any city or town therein
41 for hospital purposes prior to the creation
42 of the District.

43 Sec. 7. All lands, buildings and
44 equipment that at the time of the creation
45 of the District are owned by any city or

1 town therein and which were acquired by them
2 for the purpose of providing hospital
3 service or care for patients of such city
4 shall become the property of South Wheeler
5 County Hospital District and the governing
6 body of any such city or town shall provide
7 by order that all property so owned shall be
8 conveyed to the South Wheeler County
9 Hospital District in consideration of the
10 Hospital District assuming all debts and
11 obligations arising from the acquisition,
12 construction and operation of such city or
13 town hospital facilities. The Hospital
14 District through its board of directors
15 shall by resolution, accept said properties
16 and shall assume all the liabilities, and
17 obligations, including bonds and warrants
18 incurred by such city or town for such
19 hospital purposes.

20 Sec. 8. Any funds remaining in the
21 hands of any city or town therein, as the
22 proceeds of bonds assumed by the District,
23 as herein provided, shall forthwith be
24 transferred to and become the funds of the
25 Hospital District and title thereto shall
26 vest in such District. There shall also
27 vest in said District and become the funds
28 thereof the unspent portion of any other
29 funds theretofore set up or appropriated by
30 budget or otherwise by any city or town
31 thereof for the support and maintenance of
32 hospital facilities for the year within
33 which the Hospital District is created,
34 thereby providing such Hospital District
35 with funds with which to maintain and
36 operate such facilities for the remainder
37 of such year. Any uncollected or delinquent
38 taxes levied for hospital purposes by any
39 city or town thereof, as collected, shall be
40 paid to the District and applied by it to
41 the purposes for which such taxes
42 originally were levied. Any and all
43 obligations under contracts legally
44 incurred by any city or town therein for the
45 building or the support and maintenance of
46 hospital facilities prior to the creation
47 of said District but outstanding at the time
48 of its creation shall be assumed and
49 discharged by such District without
50 prejudice to the rights of third parties.
51 It is provided that the management and
52 control of the property and affairs of any
53 hospital system or systems owned and
54 operated by any city or town thereof shall
55 continue in the existing board of managers
56 until appointment and organization of the
57 board of directors of the Hospital
58 District, at which time the board of
59 managers of the present hospital or
60 hospital system shall turn over all
61 records, property and affairs of said
62 hospital system to the board of directors of
63 the District and shall cease to exist as a
64 board of managers of the existing hospital
65 system.

66 The governing body of any city therein
67 owning the hospital or hospital system, as
68 the case may be, as soon as the Hospital
69 District is created and authorized at the

1 election hereinabove provided, and there
2 have been appointed and qualified the board
3 of hospital directors above provided for,
4 shall execute and deliver to the Hospital
5 District, to wit: to its board of directors
6 an instrument in writing conveying to said
7 Hospital District the hospital properties
8 including management, buildings and
9 equipment, and shall transfer to said
10 Hospital District the funds hereinabove
11 provided to be vested in the Hospital
12 District. Such funds, in the hands of the
13 Hospital District and its board of
14 directors shall be used for all or any of
15 the same purposes and for no other purposes
16 than, the purposes for which the county or
17 city transferring such funds could lawfully
18 have used the same had they remained the
19 property and funds of such county or city.

20 (2) Section 21, Chapter 261, Acts of the 58th
21 Legislature, Regular Session, 1963, provides that the
22 act is severable. The revised law omits that provision
23 because it duplicates Section 311.032, Government Code
24 (Code Construction Act), which provides that a
25 provision of a statute is severable from each other
26 provision of the statute that can be given effect. The
27 omitted law reads:

28 Sec. 21. If any of the provisions of
29 this Act or the application thereof to any
30 person or circumstance is held invalid,
31 such invalidity shall not affect other
32 provisions or applications of the Act which
33 can be given effect without the invalid
34 provision or application, and to this end
35 the provisions of this Act are declared to
36 be severable.

37 (3) Section 22, Chapter 261, Acts of the 58th
38 Legislature, Regular Session, 1963, provides that
39 public notice of enactment of the statute was provided
40 in a manner that satisfies the requirements of the
41 Texas Constitution. The revised law omits that
42 section as executed. The omitted law reads:

43 Sec. 22. Proof of publication of the
44 notice required in the enactment hereof
45 under the provisions of Section 9 of Article
46 IX of the Texas Constitution has been made
47 in the manner and form provided by law
48 pertaining to the enactment of local and
49 special laws and such notice is hereby found
50 and declared proper and sufficient to
51 satisfy such requirement.

21 SUBCHAPTER A. GENERAL PROVISIONS

22 Revised Law

23 Sec. 3854.001. DEFINITIONS. In this chapter:

24 (1) "Board" means the board of directors of the

25 district.

26 (2) "Director" means a board member.

27 (3) "District" means the Chambers County Improvement

28 District No. 1.

29 (4) "Extraterritorial jurisdiction" has the meaning

30 assigned by Section 42.021, Local Government Code. (Acts 73rd

31 Leg., R.S., Ch. 566, Sec. 2; New.)

32 Source Law

33 Sec. 2. In this Act:

34 (1) "Board" means the board of directors

35 of the Chambers County Improvement District No. 1.

36 (2) "District" means the Chambers County

1 Improvement District No. 1.
2 (3) "Extraterritorial jurisdiction" has
3 the meaning assigned by Section 42.021, Local
4 Government Code.

5 Revisor's Note

6 The definition of "director" is added to the
7 revised law for drafting convenience and to eliminate
8 frequent, unnecessary repetition of the substance of
9 the definition.

10 Revised Law

11 Sec. 3854.002. NATURE OF DISTRICT. A special district
12 known as the "Chambers County Improvement District No. 1" is a
13 political subdivision of this state. (Acts 73rd Leg., R.S., Ch.
14 566, Sec. 1(a).)

15 Source Law

16 Sec. 1. (a) There is created a special district
17 to be known as the Chambers County Improvement
18 District No. 1. The district is a governmental agency,
19 a body politic and corporate, and a political
20 subdivision of the state.

21 Revisor's Note

22 (1) Section 1(a), Chapter 566, Acts of the 73rd
23 Legislature, Regular Session, 1993, provides that the
24 district "is created." The revised law omits the
25 quoted language as executed because the district has
26 been created.

27 (2) Section 1(a), Chapter 566, Acts of the 73rd
28 Legislature, Regular Session, 1993, provides that the
29 district is "a governmental agency, a body politic and
30 corporate, and a political subdivision of the state."
31 The revised law omits the references to "governmental
32 agency" and "body politic and corporate" because they
33 duplicate a portion of Section 59(b), Article XVI,
34 Texas Constitution, which provides that a conservation
35 and reclamation district is a governmental agency and
36 body politic and corporate.

37 Revised Law

38 Sec. 3854.003. PURPOSE; DECLARATION OF INTENT. (a) The

1 creation of the district is essential to accomplish the purposes of
2 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
3 Texas Constitution, and to accomplish the other purposes of this
4 chapter. The legislature intends that by creating the district the
5 legislature has established a program to accomplish the public
6 purposes set out in Section 52-a, Article III, Texas Constitution.

7 (b) The creation of the district is necessary to:

8 (1) diversify the economy of the state;

9 (2) promote, develop, expand, encourage, and maintain
10 employment, commerce, economic development, and the public
11 welfare;

12 (3) promote the control, treatment, storage, and
13 distribution of water;

14 (4) protect, preserve, and restore the sanitary
15 conditions of water;

16 (5) promote the transportation of agricultural,
17 industrial, and commercial products;

18 (6) promote the health, safety, and general welfare
19 of:

20 (A) property owners, residents, employers, and
21 employees in the district; and

22 (B) the public;

23 (7) promote the improvement of rivers, bays, creeks,
24 streams, and canals to permit or to aid navigation and commerce; and

25 (8) promote the construction, maintenance, and
26 operation of streets, roads, highways, turnpikes, and railroads in
27 the greater Cedar Crossing area of Chambers County. (Acts 73rd

28 Leg., R.S., Ch. 566, Secs. 1(c), (d), (g).)

29 Source Law

30 (c) The creation of the district is essential to
31 accomplish the purposes of Article III, Section 52,
32 Article XVI, Section 59, and Article III, Section
33 52-a, of the Texas Constitution and to accomplish the
34 other purposes of this Act.

35 (d) The legislature finds, determines, and
36 declares that the creation of the district is
37 necessary to:

38 (1) diversify the economy of the state;

39 (2) promote, develop, expand, encourage,

1 and maintain employment, commerce, economic
2 development, and the public welfare;

3 (3) promote the control, treatment,
4 storage, and distribution of water;

5 (4) protect, preserve, and restore the
6 sanitary conditions of water;

7 (5) promote the transportation of
8 agricultural, industrial, and commercial products;

9 (6) promote the health, safety, and
10 general welfare of:

11 (A) property owners, residents,
12 employers, and employees in the district; and

13 (B) the general public;

14 (7) promote the improvement of rivers,
15 bays, creeks, streams, and canals to permit or to aid
16 navigation and commerce; and

17 (8) promote the construction,
18 maintenance, and operation of streets, roads,
19 highways, turnpikes, and railroads in the greater
20 Cedar Crossing area of Chambers County.

21 (g) The legislature finds, determines, and
22 intends that by creating the district it has
23 established a program to accomplish the public
24 purposes set out in Article III, Section 52-a, of the
25 Texas Constitution.

26 Revised Law

27 Sec. 3854.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)

28 The district is created to serve a public use and benefit.

29 (b) All land and other property included in the district
30 will benefit from the improvements and services to be provided by
31 the district under powers conferred by Sections 52 and 52-a,
32 Article III, and Section 59, Article XVI, Texas Constitution, and
33 other powers granted under this chapter.

34 (c) The district will provide needed funding in the greater
35 Cedar Crossing area to preserve, maintain, and enhance the economic
36 health and vitality of the area as a community and a business and
37 industrial center.

38 (d) The district will not act as the agent or
39 instrumentality of any private interest even though the district
40 will benefit many private interests, as well as the public. (Acts
41 73rd Leg., R.S., Ch. 566, Secs. 1(e), (f), (h).)

42 Source Law

43 (e) The district will provide funding in the
44 greater Cedar Crossing area needed to preserve,
45 maintain, and enhance the economic health and vitality
46 of the area as a community and a business and
47 industrial center.

48 (f) The district will not act as the agent or
49 instrumentality of a private interest even though many
50 private interests will be benefited by the district,

1 as will the general public.

2 (h) The legislature finds that all of the land
3 and other property included within the boundaries of
4 the district will be benefited by the improvements and
5 services to be provided by the district under powers
6 conferred by Article III, Section 52, Article XVI,
7 Section 59, and Article III, Section 52-a, of the Texas
8 Constitution, and other powers granted under this Act,
9 and that the district is created to serve a public use
10 and benefit.

11 Revised Law

12 Sec. 3854.005. EFFECT OF DISTRICT CREATION ON MUNICIPAL
13 POWERS. (a) The creation of the district does not:

14 (1) affect the power of a municipality in whose
15 extraterritorial jurisdiction the district or a part of the
16 district lies to designate all or part of the district as an
17 industrial district;

18 (2) limit a power under Chapter 42, Local Government
19 Code, of a municipality described by Subdivision (1); or

20 (3) affect the power of a municipality to provide
21 municipal services to any area in the municipality or the
22 municipality's extraterritorial jurisdiction that is in the
23 district.

24 (b) A municipality described by Subsection (a)(3) has the
25 same power to extend or provide municipal services after the
26 creation of the district as the municipality had before the
27 district's creation. (Acts 73rd Leg., R.S., Ch. 566, Sec. 9
28 (part).)

29 Source Law

30 Sec. 9. . . . Creation of the district does not
31 affect the power of a municipality in whose
32 extraterritorial jurisdiction the district or part of
33 the district lies to designate all or part of the
34 district as an industrial district or to limit a power
35 of the municipality conferred by Chapter 42, Local
36 Government Code. Creation of the district does not
37 affect the power of a municipality to provide
38 municipal services to any area in the municipality or
39 its extraterritorial jurisdiction that is in the
40 district and such municipality shall have the same
41 power to extend or provide municipal services after
42 the creation of the district as it had before its
43 creation. . . .

44 Revised Law

45 Sec. 3854.006. TORT CLAIMS. (a) The district is a

1 governmental unit for the purposes of Chapter 101, Civil Practice
2 and Remedies Code.

3 (b) The operations of the district are essential
4 governmental functions for all purposes and not proprietary
5 functions. (Acts 73rd Leg., R.S., Ch. 566, Sec. 7.)

6 Source Law

7 Sec. 7. The district is a unit of government for
8 purposes of Chapter 101, Civil Practice and Remedies
9 Code. The operations of the district are essential
10 governmental functions for all purposes and not
11 proprietary functions.

12 Revised Law

13 Sec. 3854.007. LIBERAL CONSTRUCTION OF CHAPTER. This
14 chapter shall be liberally construed in conformance with the
15 legislative findings and purposes stated in this chapter. (Acts
16 73rd Leg., R.S., Ch. 566, Sec. 1(i).)

17 Source Law

18 (i) This Act shall be liberally construed in
19 conformance with the legislative findings and purposes
20 stated in this Act.

21 [Sections 3854.008-3854.050 reserved for expansion]

22 SUBCHAPTER B. DISTRICT TERRITORY AND ANNEXATION

23 Revised Law

24 Sec. 3854.051. DISTRICT TERRITORY. (a) The district is
25 composed of the territory described by Section 3, Chapter 566, Acts
26 of the 73rd Legislature, Regular Session, 1993, as that territory
27 may have been modified under:

28 (1) Subchapter J, Chapter 49, Water Code; or

29 (2) other law.

30 (b) The boundaries and field notes of the district form a
31 closure. A mistake made in the field notes or in copying the field
32 notes in the legislative process does not affect:

33 (1) the district's organization, existence, or
34 validity;

35 (2) the district's right to issue any type of bond or
36 to issue or enter into another type of obligation for a purpose for
37 which the district is created;

1 (3) the district's right to levy or collect an
2 assessment or tax; or

3 (4) the legality or operation of the district or the
4 district's governing body. (Acts 73rd Leg., R.S., Ch. 566, Sec. 4;
5 New.)

6 Source Law

7 Sec. 4. The legislature finds that the
8 boundaries and field notes of the district form a
9 closure. If a mistake is made in the field notes or in
10 copying the field notes in the legislative process, it
11 does not affect the organization, existence, or
12 validity of the district, the right of the district to
13 issue any type of bonds or to issue or enter into other
14 types of obligations for the purposes for which the
15 district is created, or the right of the district to
16 levy and collect assessments or taxes, or affect in any
17 manner the legality or operation of the district or its
18 governing body.

19 Revisor's Note

20 The revision of the law governing the district
21 does not revise the statutory language describing the
22 territory of the district to avoid the lengthy
23 recitation of the description and because that
24 description may not be accurate on the effective date
25 of the revision or at the time of a later reading. For
26 the reader's convenience, the revised law includes
27 references to the statutory description of the
28 district's territory and to the authority to change the
29 district's territory under Subchapter J, Chapter 49,
30 Water Code, applicable to the district under Sections
31 49.001 and 49.002 of that chapter. The revised law
32 also includes a reference to the general authority of
33 the legislature to enact other laws to change the
34 district's territory.

35 Revised Law

36 Sec. 3854.052. ANNEXATION OR EXCLUSION OF TERRITORY BY
37 DISTRICT; MUNICIPAL CONSENT. (a) The district may annex land to
38 and exclude land from the district as provided by Subchapter J,
39 Chapter 49, Water Code.

40 (b) The district may not annex land in a municipality's

1 extraterritorial jurisdiction unless the municipality consents to
2 the annexation. (Acts 73rd Leg., R.S., Ch. 566, Sec. 8.)

3 Source Law

4 Sec. 8. The district may annex land to and
5 exclude land from the district as provided by Chapter
6 54, Water Code. The district may not annex land in a
7 municipality's extraterritorial jurisdiction unless
8 the municipality consents to the annexation.

9 Revisor's Note

10 Section 8, Chapter 566, Acts of the 73rd
11 Legislature, Regular Session, 1993, provides that land
12 may be annexed to or excluded from the district as
13 provided by Chapter 54, Water Code. Sections
14 54.701-54.727, Water Code, which provided for the
15 annexation or exclusion of territory by a municipal
16 utility district, were repealed by Section 43, Chapter
17 715, Acts of the 74th Legislature, Regular Session,
18 1995. Section 2 of that act added Chapter 49, Water
19 Code, including Subchapter J of that chapter, which
20 now provides for the annexation or exclusion of
21 territory by certain districts. The reference to the
22 repealed annexation provisions in Chapter 54 may be
23 considered to be a reference to the similar provisions
24 in Chapter 49, and the revised law reflects this
25 change.

26 Revised Law

27 Sec. 3854.053. ANNEXATION OF DISTRICT TERRITORY BY
28 MUNICIPALITY. (a) Notwithstanding Chapter 43, Local Government
29 Code, a municipality in whose extraterritorial jurisdiction the
30 district is located may annex all or part of the district.
31 Annexation does not result in a total or partial dissolution of the
32 district or an assumption by the annexing municipality of any of the
33 district's obligations or indebtedness.

34 (b) A municipal annexation of all or part of the district
35 has no effect on the validity of the district, and the district
36 shall continue to exist and exercise the powers granted by this

1 chapter. (Acts 73rd Leg., R.S., Ch. 566, Sec. 9 (part).)

2 Source Law

3 Sec. 9. A municipality in whose
4 extraterritorial jurisdiction the district is located
5 may annex all or part of the district, notwithstanding
6 any provision of Chapter 43, Local Government Code.
7 Annexation does not result in total or partial
8 dissolution of the district or an assumption by the
9 annexing municipality of any of the district's
10 obligations or indebtedness. . . . A municipal
11 annexation of all or part of the district has no effect
12 on the validity of the district and the district shall
13 continue to exist and exercise the powers granted by
14 this Act.

15 [Sections 3854.054-3854.100 reserved for expansion]

16 SUBCHAPTER C. BOARD OF DIRECTORS

17 Revised Law

18 Sec. 3854.101. GOVERNING BODY; TERMS. (a) The district is
19 governed by a board of seven directors.

20 (b) Directors serve staggered four-year terms. (Acts 73rd
21 Leg., R.S., Ch. 566, Secs. 5(a), (b) (part).)

22 Source Law

23 Sec. 5. (a) The district is governed by a board
24 of seven directors.
25 (b) . . . Directors serve staggered four-year
26 terms. . . .

27 Revised Law

28 Sec. 3854.102. APPLICABLE LAW. The board is governed by
29 Subchapter D, Chapter 375, Local Government Code, to the extent
30 that the subchapter does not conflict with this chapter. (Acts 73rd
31 Leg., R.S., Ch. 566, Sec. 5(f) (part).)

32 Source Law

33 (f) The board is governed by Subchapter D,
34 Chapter 375, Local Government Code, to the extent that
35 subchapter does not conflict with this Act. . . .

36 Revised Law

37 Sec. 3854.103. DIRECTOR DISTRICTS. (a) Each position on
38 the board represents a separate area of the district known as a
39 director district.

40 (b) All land in the district must be in a director district.

41 (c) Director districts may not overlap.

42 (d) The board may establish new boundaries for a director

1 district if it is necessary to provide a reasonable balance in the
2 board representation between acreage, value, improvements, and
3 interests of the property owners in the district. (Acts 73rd Leg.,
4 R.S., Ch. 566, Sec. 5(g) (part).)

5 Source Law

6 (g) Each position on the board represents a
7 separate area of the district to be known as a director
8 district. . . . All land in the district shall be in a
9 director district. Director districts may not
10 overlap. The board from time to time may establish new
11 boundaries for one or more director districts if it is
12 necessary to provide a reasonable balance in the board
13 representation between acreage, value, improvements,
14 and interests of the property owners in the district.

15 Revisor's Note

16 (1) Section 5(g), Chapter 566, Acts of the 73rd
17 Legislature, Regular Session, 1993, provides that
18 after the effective date of that act the board shall
19 establish the boundaries of director districts. The
20 revised law omits the provision as executed. The
21 omitted law reads:

22 (g) . . . As soon as possible after
23 the effective date of this Act, the board
24 shall establish the boundaries of the
25 director districts over areas in the
26 district that in the board's judgment
27 provide a reasonable balance in the board
28 representation between acreage, value,
29 improvements, and interests of the property
30 owners in the district. . . .

31 (2) Section 5(g), Chapter 566, Acts of the 73rd
32 Legislature, Regular Session, 1993, provides that the
33 board may establish new boundaries for the director
34 districts "from time to time." The revised law omits
35 the quoted language because the authority to take an
36 action implies the authority to do so at any time.

37 Revised Law

38 Sec. 3854.104. APPOINTMENT OF DIRECTORS. The Commissioners
39 Court of Chambers County shall appoint a director to represent a
40 director district in the manner provided by Section 375.064, Local
41 Government Code, from a list of candidates recommended by the board
42 in the manner provided by that section. (Acts 73rd Leg., R.S., Ch.

1 566, Secs. 5(b) (part), (e) (part).)

2 Source Law

3 (b) Except for the initial directors, the
4 commissioners court of Chambers County shall appoint
5 directors to represent a director district in the
6 manner provided in Section 375.064, Local Government
7 Code, from a list of candidates recommended by the
8 board in the manner provided in Section 375.064, Local
9 Government Code. . . .

10 (e) Each director appointed by the
11 commissioners court of Chambers County

12 Revisor's Note

13 Section 5(b), Chapter 566, Acts of the 73rd
14 Legislature, Regular Session, 1993, provides that
15 "[e]xcept for the initial directors," each director
16 shall be appointed by the Commissioners Court of
17 Chambers County. The revised law omits the quoted
18 language as executed.

19 Revised Law

20 Sec. 3854.105. QUALIFICATIONS. (a) Each director shall
21 qualify for office as required by Subchapter D, Chapter 375, Local
22 Government Code.

23 (b) Each director shall meet the qualifications provided by
24 Section 375.063, Local Government Code, for the area in the
25 director district that the director represents.

26 (c) A person may not be appointed as a director or continue
27 to serve as a director unless the person satisfies the requirements
28 provided by Section 375.063, Local Government Code, for the area in
29 the director district that the person is appointed to represent.
30 (Acts 73rd Leg., R.S., Ch. 566, Sec. 5(e) (part).)

31 Source Law

32 (e) Each director . . . shall meet the
33 qualifications for directors provided by Section
34 375.063, Local Government Code, for the area included
35 within the boundaries of the director district which
36 such director represents and no person may be
37 appointed as a director or continue to serve as a
38 director unless the person satisfies the requirements
39 set forth in Section 375.063 for the area in the
40 director district such person is appointed to
41 represent. Each director shall qualify for office as
42 required by Subchapter D, Chapter 375, Local
43 Government Code.

1 Revised Law

2 Sec. 3854.106. VOTING; ACTIONS. (a) Directors may vote on
3 any matter authorized by Subchapter D, Chapter 375, Local
4 Government Code.

5 (b) The board may take action only if the action is approved
6 in the manner prescribed by Subchapter D, Chapter 375, Local
7 Government Code. (Acts 73rd Leg., R.S., Ch. 566, Sec. 5(f) (part).)

8 Source Law

9 (f) . . . Directors may vote on any matter
10 authorized by Subchapter D, Chapter 375, Local
11 Government Code; however, action may only be taken by
12 the board if it is approved in the manner prescribed by
13 Subchapter D, Chapter 375, Local Government Code.

14 Revised Law

15 Sec. 3854.107. VACANCY. The remaining directors shall fill
16 a vacancy in the office of director for the remainder of the
17 unexpired term. (Acts 73rd Leg., R.S., Ch. 566, Sec. 5(b) (part).)

18 Source Law

19 (b) . . . A vacancy in the office of director
20 shall be filled by the remaining directors for the
21 remainder of the unexpired term.

22 Revisor's Note
23 (End of Subchapter)

24 (1) Sections 5(c) and (d), Chapter 566, Acts of
25 the 73rd Legislature, Regular Session, 1993, refer to
26 the initial board of directors and the terms for the
27 initial board of directors. The revised law omits
28 those provisions as executed. The omitted law reads:

29 (c) On the effective date of this
30 Act, the following persons constitute the
31 initial board of directors of the district
32 and are appointed for the terms prescribed
33 by Subsection (d) of this section to
34 represent the following director district
35 positions:

Director District Position	Name of Director
1	Deborah S. Hsi
2	Kandy K. Gregory
3	Langston H. Wood
4	Joseph S. Antoline
5	Donald E. Simpson
6	Robert B. Brown, Jr.
7	Robert Douglas Gates

36
37
38
39
40
41
42
43
44 (d) The initial directors appointed
45 for director district positions 1 through 3
46 serve until May 1, 1995, and the initial
47 directors appointed for director district

1 positions 4 through 7 serve until May 1,
2 1997.

3 (2) Section 5(h), Chapter 566, Acts of the 73rd
4 Legislature, Regular Session, 1993, provides that
5 directors are compensated in accordance with Section
6 54.114, Water Code. The revised law omits the
7 provision because Section 54.114 was repealed by
8 Section 43, Chapter 715, Acts of the 74th Legislature,
9 Regular Session, 1995. Section 2 of Chapter 715
10 enacted Section 49.060, Water Code, which governs
11 compensation of directors and applies to the district
12 by its own terms. The omitted law reads:

13 (h) Directors shall be compensated in
14 the manner provided by Section 54.114,
15 Water Code.

16 [Sections 3854.108-3854.150 reserved for expansion]

17 SUBCHAPTER D. POWERS AND DUTIES

18 Revised Law

19 Sec. 3854.151. GENERAL POWERS. The district has:

20 (1) all the rights, powers, and privileges conferred
21 by the general law of this state applicable to districts created
22 under:

23 (A) Chapter 375, Local Government Code;

24 (B) Chapter 623, Acts of the 67th Legislature,
25 Regular Session, 1981 (Article 6550c, Vernon's Texas Civil
26 Statutes);

27 (C) Chapter 441, Transportation Code; and

28 (D) Chapter 54, Water Code;

29 (2) the rights, powers, and privileges granted to
30 districts by:

31 (A) Subchapters E and M, Chapter 60, Water Code;

32 and

33 (B) Section 61.116, Water Code; and

34 (3) all the powers granted to municipal management
35 districts under Sections 375.092 and 375.111, Local Government
36 Code, to provide any services or for any project the district is

1 authorized to acquire, construct, or improve under this chapter.
2 (Acts 73rd Leg., R.S., Ch. 566, Sec. 6(a) (part).)

3 Source Law

4 Sec. 6. (a) The district has all of the rights,
5 powers, privileges, and authority conferred by the
6 general law of this state applicable to districts
7 created under Chapter 375, Local Government Code;
8 Chapter 54, Water Code; Chapter 13, Acts of the 68th
9 Legislature, 2nd Called Session, 1984 (Article
10 6674r-1, Vernon's Texas Civil Statutes); and Chapter
11 623, Acts of the 67th Legislature, Regular Session,
12 1981 (Article 6550c, Vernon's Texas Civil Statutes).
13 The district also has the rights, powers, privileges,
14 and authority granted to districts by Subchapters E
15 and M, Chapter 60, Water Code, and Section 61.116,
16 Water Code. . . . The district also has all of those
17 powers granted to municipal management districts under
18 Sections 375.092 and 375.111, Local Government Code,
19 to provide any services or for any project the district
20 is authorized to acquire, construct, or improve under
21 this Act. . . .

22 Revisor's Note

23 (1) Section 6(a), Chapter 566, Acts of the 73rd
24 Legislature, Regular Session, 1993, refers to the
25 "rights, powers, privileges, and authority" of the
26 district. The revised law omits the references to
27 "authority" because, in context, "authority" is
28 included in the meaning of "rights, powers, [and]
29 privileges."

30 (2) Section 6(a), Chapter 566, Acts of the 73rd
31 Legislature, Regular Session, 1993, refers to Article
32 6674r-1, Vernon's Texas Civil Statutes. Chapter 165,
33 Acts of the 74th Legislature, Regular Session, 1995,
34 codified Article 6674r-1 as Chapter 441,
35 Transportation Code. The revised law is drafted
36 accordingly.

37 Revised Law

38 Sec. 3854.152. ELECTIONS. The district shall hold
39 elections as provided by Subchapter L, Chapter 375, Local
40 Government Code. (Acts 73rd Leg., R.S., Ch. 566, Sec. 11 (part).)

41 Source Law

42 Sec. 11. The district shall hold elections as
43 provided by Subchapter L, Chapter 375, Local
44 Government Code. . . .

1 facility, or property, or other pipeline or facility
2 or property relating to the pipeline, that relocation,
3 adjustment, raising, lowering, rerouting, changing of
4 grade, or altering of construction must be
5 accomplished at the sole cost and expense of the
6 district, and damages that are suffered by owners of
7 the property or facilities shall be borne by the
8 district.

9 Revised Law

10 Sec. 3854.155. SECURITY SERVICES. To protect the public
11 interest, the district may contract with a private entity or a
12 municipality, county, or other political subdivision for services
13 for the security and protection of residents and property in the
14 district. (Acts 73rd Leg., R.S., Ch. 566, Sec. 15.)

15 Source Law

16 Sec. 15. To protect the public interest, the
17 district may contract with a private entity or a
18 municipality, county, or other political subdivision
19 for services for the security and protection of
20 residents and property in the district.

21 Revised Law

22 Sec. 3854.156. COMPETITIVE BIDDING. The district shall
23 contract for services, improvements, or the purchase of materials,
24 machinery, equipment, supplies, or other property of more than
25 \$25,000 as provided by Section 375.221, Local Government Code.
26 (Acts 73rd Leg., R.S., Ch. 566, Sec. 16.)

27 Source Law

28 Sec. 16. The district shall contract for
29 services, improvements, or the purchase of materials,
30 machinery, equipment, supplies, or other property in
31 excess of \$25,000 as provided by Section 375.221,
32 Local Government Code, or Subchapter I, Chapter 49,
33 Water Code, as added by H.B. No. 1266, Acts of the 73rd
34 Legislature, Regular Session, 1993.

35 Revisor's Note

36 Section 16, Chapter 566, Acts of the 73rd
37 Legislature, Regular Session, 1993, requires that
38 districts entering into certain contracts do so in
39 accordance with either Section 375.221, Local
40 Government Code, or Subchapter I, Chapter 49, Water
41 Code, as added by H.B. No. 1266, Acts of the 73rd
42 Legislature, Regular Session, 1993. The revised law
43 omits the reference to that subchapter because that

1 bill did not pass.

2 Revised Law

3 Sec. 3854.157. DISTRICT NAME CHANGE. The board by
4 resolution may change the name of the district. The name must
5 describe the district's location and principal powers. (Acts 73rd
6 Leg., R.S., Ch. 566, Sec. 1(b).)

7 Source Law

8 (b) The name of the district may be changed by
9 resolution of the board of directors of the district at
10 any time so long as the name is descriptive of the
11 location and the principal powers of the district.

12 Revisor's Note

13 Section 1(b), Chapter 566, Acts of the 73rd
14 Legislature, Regular Session, 1993, provides that the
15 board may change the name of the district "at any
16 time." The revised law omits the quoted language
17 because the authority to take an action implies the
18 authority to do so at any time.

19 Revised Law

20 Sec. 3854.158. OWNING OR OPERATING AIRPORT PROHIBITED. The
21 district may not own or operate an airport. (Acts 73rd Leg., R.S.,
22 Ch. 566, Sec. 6(d).)

23 Source Law

24 (d) The district may not own or operate an
25 airport.

26 [Sections 3854.159-3854.200 reserved for expansion]

27 SUBCHAPTER E. FINANCIAL PROVISIONS

28 Revised Law

29 Sec. 3854.201. DISBURSEMENTS OR TRANSFERS OF MONEY. The
30 board by resolution shall establish the number of director
31 signatures or the procedure required for all disbursements or
32 transfers of the district's money. (Acts 73rd Leg., R.S., Ch. 566,
33 Sec. 6(e).)

34 Source Law

35 (e) The board shall establish by resolution the
36 number of director signatures or the procedure
37 required for all disbursements or transfers of the
38 district's money.

1 Revised Law

2 Sec. 3854.202. TAX AND BOND ELECTIONS. (a) The district
3 shall hold an election in the manner provided by Subchapter L,
4 Chapter 375, Local Government Code, to obtain voter approval for
5 the district to impose a maintenance tax or issue bonds payable from
6 ad valorem taxes or assessments.

7 (b) The board may submit multiple purposes in a single
8 proposition at an election. (Acts 73rd Leg., R.S., Ch. 566, Sec. 11
9 (part).)

10 Source Law

11 Sec. 11. . . . The district shall also hold an
12 election in the manner provided by that subchapter for
13 the purpose of obtaining voter approval for the
14 district to levy a maintenance tax or to issue bonds
15 payable from ad valorem taxes or assessments. The
16 board may submit multiple purposes in a single
17 proposition at an election.

18 Revisor's Note

19 Section 11, Chapter 566, Acts of the 73rd
20 Legislature, Regular Session, 1993, refers to the
21 "levy" of a maintenance tax. Other provisions revised
22 in this chapter refer to the district's authority to
23 "levy" and "collect" taxes. Throughout this chapter,
24 the revised law substitutes "impose" for the quoted
25 language when used only with taxes because "impose" is
26 the term generally used in Title 1, Tax Code, and
27 includes the levy and collection of taxes.

28 Revised Law

29 Sec. 3854.203. MAINTENANCE AND OPERATION TAX. (a) If
30 authorized at an election held in accordance with Section 3854.202,
31 the district may impose an annual ad valorem tax on taxable property
32 in the district for:

33 (1) the maintenance, operation, and upkeep of the
34 district and the improvements constructed or acquired by the
35 district; and

36 (2) the provision of services to industrial and
37 commercial businesses and residents and property owners.

1 (b) The board shall determine the tax rate. (Acts 73rd
2 Leg., R.S., Ch. 566, Sec. 13.)

3 Source Law

4 Sec. 13. If authorized at an election held in
5 accordance with Section 11 of this Act, the district
6 may levy and collect an annual ad valorem tax on
7 taxable property in the district for maintenance,
8 operation, and upkeep of the district and the
9 improvements constructed or acquired by the district
10 and the provision of services to industrial and
11 commercial businesses and residents and property
12 owners. The board shall determine the tax rate.

13 Revised Law

14 Sec. 3854.204. ASSESSMENTS; LIENS FOR ASSESSMENTS. (a)
15 The board may levy and collect an assessment under Subchapter F,
16 Chapter 375, Local Government Code, for any authorized purpose only
17 if the assessment does not conflict with this chapter.

18 (b) An assessment or reassessment by the district,
19 penalties and interest on an assessment or reassessment, an expense
20 of collection, and reasonable attorney's fees incurred by the
21 district:

22 (1) are a first and prior lien against the property
23 assessed;

24 (2) are superior to any other lien or claim other than
25 a lien or claim for county, school district, or municipal ad valorem
26 taxes; and

27 (3) are the personal liability of and a charge against
28 the owners of the property even if the owners are not named in the
29 assessment proceedings.

30 (c) The lien is effective from the date of the board's
31 resolution levying the assessment until the date the assessment is
32 paid. The board may enforce the lien in the same manner that the
33 board may enforce an ad valorem tax lien against real property.
34 (Acts 73rd Leg., R.S., Ch. 566, Secs. 10(a) (part), (c).)

35 Source Law

36 (a) . . . The board may levy and collect an
37 assessment under Subchapter F, Chapter 375, Local
38 Government Code, for any authorized purpose only if
39 the assessment does not conflict with other provisions
40 of this Act.

1 (c) Assessments or reassessments by the
2 district, penalties and interest on an assessment or
3 reassessment, expenses of collection, and reasonable
4 attorney fees incurred by the district are a first and
5 prior lien against the property assessed, are superior
6 to any other lien or claim other than a lien or claim
7 for county, school district, or municipal ad valorem
8 taxes, and are the personal liability of and charge
9 against the owners of the property even if the owners
10 are not named in the assessment proceedings. The lien
11 is effective from the date of the resolution of the
12 board levying the assessment until the assessment is
13 paid. The board may enforce the lien in the same
14 manner that the board may enforce an ad valorem tax
15 lien against real property.

16 Revised Law

17 Sec. 3854.205. FINANCING IMPROVEMENT PROJECTS OR SERVICES.

18 (a) The district may finance the cost of any authorized improvement
19 project or service in the manner provided by any law that applies to
20 the district.

21 (b) A petition under Section 375.114, Local Government
22 Code, is not required for the board to levy a tax, assessment, or
23 impact fee to finance improvement projects and services under this
24 chapter. (Acts 73rd Leg., R.S., Ch. 566, Sec. 6(b).)

25 Source Law

26 (b) The district may finance the cost of any
27 authorized improvement project or services in the
28 manner provided by any law made applicable to the
29 district. A petition under Section 375.114, Local
30 Government Code, is not required for the board to be
31 authorized to levy taxes, assessments, or impact fees
32 to finance services and improvement projects under
33 this Act.

34 Revised Law

35 Sec. 3854.206. IMPACT FEES. Except as provided by Section
36 3854.207, the district may impose an impact fee for an authorized
37 purpose as provided by Subchapter G, Chapter 375, Local Government
38 Code. (Acts 73rd Leg., R.S., Ch. 566, Sec. 12 (part).)

39 Source Law

40 Sec. 12. The district may impose an impact fee
41 for an authorized purpose as provided by Subchapter G,
42 Chapter 375, Local Government Code. . . .

43 Revised Law

44 Sec. 3854.207. CERTAIN RESIDENTIAL PROPERTY EXEMPT. The
45 district may not impose an impact fee or assessment on a
46 single-family residential property or a residential duplex,

1 triplex, fourplex, or condominium. (Acts 73rd Leg., R.S., Ch. 566,
2 Sec. 12 (part).)

3 Source Law

4 Sec. 12. . . . The district may not impose an
5 impact fee or assessment on a single-family
6 residential property or a residential duplex, triplex,
7 quadruplex, or condominium.

8 Revised Law

9 Sec. 3854.208. BONDS AND OTHER OBLIGATIONS. (a) The
10 district may issue bonds or other obligations secured by and
11 payable wholly or partly from ad valorem taxes, assessments, impact
12 fees, revenue, grants, or other money of the district, or any
13 combination of those sources of money, to pay for any authorized
14 purpose of the district.

15 (b) In exercising the district's borrowing power, the
16 district may issue a bond or other obligation in the form of a bond,
17 note, certificate of participation or other instrument evidencing a
18 proportionate interest in payments to be made by the district, or
19 other type of obligation. (Acts 73rd Leg., R.S., Ch. 566, Secs.
20 6(a) (part), 10(a) (part).)

21 Source Law

22 Sec. 6. (a) . . . Bonds or other obligations
23 issued under any of those laws may be secured by
24 revenues, assessments, ad valorem taxes, impact fees,
25 grants, or other funds of the district, or any
26 combination of those funds. . . .

27 Sec. 10. (a) The district may issue bonds or
28 other obligations payable in whole or in part from ad
29 valorem taxes, assessments, impact fees, revenues,
30 grants, or other funds of the district, or any
31 combination of those funds, to pay for any authorized
32 purpose of the district. Bonds or other obligations of
33 the district may be issued in the form of bonds, notes,
34 certificates of participation, including other
35 instruments evidencing a proportionate interest in
36 payments to be made by the district, or other
37 obligations that are issued in the exercise of the
38 district's borrowing power and

39 Revisor's Note

40 Section 10(a), Chapter 566, Acts of the 73rd
41 Legislature, Regular Session, 1993, provides
42 requirements regarding the form of district bonds.
43 The revised law omits the provision because it

1 substantively duplicates Sections 1201.022(a)(2) and
2 1201.023, Government Code. Section 1201.022(a)(2)
3 permits bearer or registered form. Section 1201.023
4 permits uncertificated book entry. Those sections
5 apply to district bonds by application of Section
6 1201.002, Government Code. The omitted law reads:

7 (a) . . . [Bonds or other obligations
8 of the district] . . . may be issued in
9 bearer or registered form or not
10 represented by an instrument but the
11 transfer of which is registered on books
12 maintained by or on behalf of the district.

13 Revised Law

14 Sec. 3854.209. APPROVAL OF BONDS. (a) No approval is
15 required for bonds issued by the district other than:

16 (1) the approval of the attorney general as provided
17 by Section 375.205, Local Government Code; and

18 (2) the approval of the Texas Commission on
19 Environmental Quality if the bonds are issued for a purpose that
20 Section 375.208, Local Government Code, requires to be approved by
21 the commission.

22 (b) Except as provided by Subsection (c), the district may
23 not issue bonds payable from an ad valorem tax imposed over the
24 entire district in an amount more than the greater of:

25 (1) \$50 million; or

26 (2) 10 percent of the assessed value of the taxable
27 property in the entire district as shown on the most recent
28 certified tax rolls of the county central appraisal district.

29 (c) If the Texas Commission on Environmental Quality
30 approves the feasibility of district bonds described by Subsection
31 (b), the limit on the amount of bonds to be issued is the amount set
32 by the commission.

33 (d) Subsection (b) does not limit the district's authority
34 to issue bonds that are not payable from ad valorem taxes imposed
35 over the entire district. (Acts 73rd Leg., R.S., Ch. 566, Secs.
36 10(b), (d).)

1 Source Law

2 (b) No approval of bonds issued by the district
3 is required other than the approval of the attorney
4 general as provided by Section 375.205, Local
5 Government Code, and the approval of the Texas Water
6 Commission if the bonds are issued for a purpose that
7 Section 375.208, Local Government Code, requires to be
8 approved by the commission.

9 (d) Bonds payable from an ad valorem tax levied
10 over the entire district may not be issued in an amount
11 in excess of the greater of (1) \$50 million, or (2) 10
12 percent of the assessed value of taxable property
13 within the entire district as shown on the most recent
14 certified tax rolls of the county central appraisal
15 district, unless the Texas Water Commission approves
16 the bonds as to feasibility, in which case, the limit
17 on the amount of bonds to be issued shall be that
18 amount set by the Texas Water Commission. This
19 provision will not limit the authority of the district
20 to issue bonds which are not payable from ad valorem
21 taxes levied over the entire district.

22 Revisor's Note

23 Sections 10(b) and (d), Chapter 566, Acts of the
24 73rd Legislature, Regular Session, 1993, refer to the
25 "Texas Water Commission." The revised law substitutes
26 "Texas Commission on Environmental Quality" for "Texas
27 Water Commission" to reflect the current name of the
28 agency with the relevant regulatory authority.

29 [Sections 3854.210-3854.250 reserved for expansion]

30 SUBCHAPTER F. DISSOLUTION

31 Revised Law

32 Sec. 3854.251. DISSOLUTION OF DISTRICT. The district may
33 be dissolved as provided by Section 375.261 or 375.262, Local
34 Government Code. If the district is dissolved, the district shall
35 remain in existence solely for the purpose of discharging its bonds
36 or other obligations according to their terms. (Acts 73rd Leg.,
37 R.S., Ch. 566, Sec. 14.)

38 Source Law

39 Sec. 14. The district may be dissolved as
40 provided in Section 375.261 or 375.262, Local
41 Government Code. If the district is dissolved, the
42 district shall remain in existence solely for the
43 limited purpose of discharging its bonds or other
44 obligations according to their terms.

1 the requirements of the Texas Constitution, other laws
2 of this state, and the rules and procedures of the
3 legislature. Chapter 566 also provides that the Texas
4 Water Commission timely filed recommendations
5 relating to the act. The revised law omits the
6 provision as executed. The omitted law reads:

7 Sec. 17. The legislature finds that:

8 (1) proper and legal notice of
9 the intention to introduce this Act,
10 setting forth the general substance of this
11 Act, has been published as provided by law,
12 and the notice and a copy of this Act have
13 been furnished to all persons, agencies,
14 officials, or entities to which they are
15 required to be furnished by the
16 constitution and laws of this state,
17 including the Governor of Texas, who has
18 submitted the notice and Act to the Texas
19 Water Commission;

20 (2) the Texas Water Commission
21 has filed its recommendations relating to
22 this Act with the governor, lieutenant
23 governor, and speaker of the house of
24 representatives within the required time;

25 (3) the general law relating to
26 consent by political subdivisions to the
27 creation of districts with conservation,
28 reclamation, and road powers and the
29 inclusion of land in those districts has
30 been complied with; and

31 (4) all requirements of the
32 constitution and laws of this state and the
33 rules and procedures of the legislature
34 with respect to the notice, introduction,
35 and passage of this Act have been fulfilled
36 and accomplished.

37 (4) Section 18, Chapter 566, Acts of the 73rd
38 Legislature, Regular Session, 1993, provides that the
39 provisions of the act are severable. The revised law
40 omits the section because it duplicates Section
41 311.032, Government Code (Code Construction Act),
42 providing for the severability of statutes. The
43 omitted law reads:

44 Sec. 18. The provisions of this Act
45 are severable, and if any provision or part
46 of this Act or the application thereof to
47 any person or circumstance is held by a
48 court of competent jurisdiction to be
49 invalid or unconstitutional for any reason,
50 the remainder of this Act and the
51 application of that provision or part of
52 this Act to other persons or circumstances
53 is not affected.

4 CHAPTER 6604. FORT BEND COUNTY DRAINAGE DISTRICT

5 SUBCHAPTER A. GENERAL PROVISIONS

6 Revised Law

7 Sec. 6604.001. DEFINITIONS. In this chapter:

8 (1) "Commissioners court" means the Commissioners
9 Court of Fort Bend County.

10 (2) "District" means the Fort Bend County Drainage
11 District. (Acts 51st Leg., R.S., Ch. 303, Sec. 1 (part); New.)

12 Source Law

13 Sec. 1. . . . a district to be known as "Fort
14 Bend County Drainage District" (hereinafter called the
15 "District") and

16 Revisor's Note

17 The definition of "commissioners court" is added
18 to the revised law for drafting convenience and to
19 eliminate frequent, unnecessary repetition of the
20 substance of the definition.

21 Revised Law

22 Sec. 6604.002. NATURE OF DISTRICT. (a) The district is
23 created under Section 59, Article XVI, Texas Constitution, for the
24 reclamation and drainage of the district's overflowed lands and
25 other lands needing drainage.

26 (b) The creation of the district is essential to accomplish
27 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
28 51st Leg., R.S., Ch. 303, Sec. 1 (part).)

29 Source Law

30 Sec. 1. That, pursuant to authority conferred
31 by Section 59 of Article XVI of the Constitution of
32 Texas, there is hereby created within the State of
33 Texas, in addition to the districts into which the
34 State has heretofore been divided, a district to be
35 known as "Fort Bend County Drainage District"

36 Said District is hereby created for the purpose
37 of reclamation and drainage of its overflowed lands
38 and other lands needing drainage.

39 Said District shall be a governmental agency and
40 body politic and corporate, . . . the creation and
41 establishment of such District being essential to the

1 accomplishment of the purposes of Section 59 of
2 Article XVI of the Constitution of Texas.

3 Revisor's Note

4 (1) Section 1, Chapter 303, Acts of the 51st
5 Legislature, Regular Session, 1949, states that the
6 district is created "within the State of Texas, in
7 addition to the districts into which the State has
8 heretofore been divided." The revised law omits the
9 quoted language because the absence of the language
10 does not imply that the legislature could create a
11 district outside this state or that the district is not
12 in addition to other districts created in this state.

13 (2) Section 1, Chapter 303, Acts of the 51st
14 Legislature, Regular Session, 1949, refers to the
15 district as "a governmental agency and body politic
16 and corporate." The revised law omits the references
17 to "governmental agency" and "body politic and
18 corporate" because they duplicate a portion of Section
19 59(b), Article XVI, Texas Constitution, which provides
20 that a district created under that section is a
21 governmental agency and a body politic and corporate.

22 (3) Section 1, Chapter 303, Acts of the 51st
23 Legislature, Regular Session, 1949, states that the
24 "creation and establishment" of the district are
25 essential to accomplish the purposes of Section 59,
26 Article XVI, Texas Constitution. The revised law
27 omits "establishment" because "establishment" is
28 included in the meaning of "creation."

29 Revised Law

30 Sec. 6604.003. DISTRICT TERRITORY. Unless the district
31 territory has been modified under Subchapter J, Chapter 49, Water
32 Code, or other law, the boundaries of the district are coextensive
33 with the boundaries of Fort Bend County. (Acts 51st Leg., R.S., Ch.
34 303, Sec. 1 (part); New.)

1 County are abolished and their property is transferred
2 to and their functions, duties, and obligations are
3 assumed by the district. Section 4(A), Chapter 303,
4 Acts of the 51st Legislature, Regular Session, 1949,
5 provides procedures for holding a bond election at a
6 confirmation election. Because the creation of the
7 district was approved at the confirmation election,
8 the revised law omits the relevant provisions as
9 executed. The omitted law reads:

10 Sec. 2. . . . Within thirty (30) days
11 after this Act becomes effective, said
12 Court shall call an election for the purpose
13 of submitting to a vote of the duly
14 qualified resident electors of the District
15 who are qualified to vote in bond elections
16 the question of whether or not the creation
17 of the District shall be confirmed. The
18 cost of such an election shall be paid by
19 Fort Bend County out of the county general
20 fund. If a majority of the qualified voters
21 voting at such election vote against
22 confirmation of the District, the District
23 hereby created shall be abolished and this
24 Act shall be of no further force or effect.
25 If a majority vote in favor of the
26 confirmation, said District shall be
27 permanently created. In such case, all
28 other drainage districts situated in Fort
29 Bend County shall be abolished and the order
30 of the Commissioners Court declaring the
31 result of such election shall, in such case,
32 recite that all such districts are
33 abolished. Title and possession of all
34 property and assets of the abolished
35 districts shall thereupon pass to and be
36 vested in the District hereby created and
37 said District shall assume all functions,
38 duties and obligations of the abolished
39 districts.

40 Sec. 4. (A) . . . If the proposition
41 of issuing bonds is submitted at the
42 confirmation election, the form of ballot
43 at such first election shall be
44 substantially as follows: "For the
45 confirmation of the District, the issuance
46 of bonds and the levy of taxes in payment
47 thereof," and the contrary of such
48 proposition. . . .

50 SUBCHAPTER B. DISTRICT ADMINISTRATION

51 Revised Law

52 Sec. 6604.051. GOVERNING BODY. (a) The commissioners
53 court is the governing body of the district and the agency through

1 which the management and control of the district is administered.

2 (b) The commissioners court may perform any act necessary to
3 carry out the purposes of this chapter. (Acts 51st Leg., R.S., Ch.
4 303, Sec. 2 (part).)

5 Source Law

6 Sec. 2. The Commissioners Court of Fort Bend
7 County, Texas, is hereby designated as the governing
8 body of such District and the agency through which the
9 management and control of said District shall be
10 administered; and said Court is hereby empowered to do
11 any and all things necessary to carry out the aims and
12 purposes of this Act. . . .

13 Revisor's Note

14 Section 2, Chapter 303, Acts of the 51st
15 Legislature, Regular Session, 1949, refers to the
16 "aims and purposes" of that chapter. The revised law
17 omits "aims" because "aims" is included in the meaning
18 of "purposes."

19 Revised Law

20 Sec. 6604.052. DUTIES OF COUNTY OFFICIALS IN CONNECTION
21 WITH DISTRICT; DISTRICT OFFICERS, EMPLOYEES, AND AGENTS. (a) The
22 county judge, county commissioners, county tax assessor-collector,
23 county treasurer, and county depository of Fort Bend County shall
24 perform all duties in connection with the district that are
25 required by law in connection with official matters for Fort Bend
26 County.

27 (b) The county auditor of Fort Bend County is the auditor
28 for the district.

29 (c) The commissioners court may employ a general manager for
30 the district and any other agents, attorneys, engineers, and
31 employees considered necessary in connection with the purposes of
32 this chapter. All compensation for a person employed under this
33 subsection may be payable from funds created under this chapter for
34 the maintenance and operation of the district.

35 (d) The commissioners court shall require the county tax
36 assessor-collector, the county treasurer, and any other officers
37 and employees, as designated by the commissioners court, to post

1 bonds that are:

2 (1) payable to the district in amounts determined by
3 the commissioners court; and

4 (2) conditioned on:

5 (A) the faithful performance of their duties; and

6 (B) paying over and accounting for all money and
7 other things of value that belong to the district and come into
8 their possession.

9 (e) A bond required under Subsection (d) must be executed by
10 a surety company authorized to do business in this state and is
11 subject to the approval of the commissioners court. The district
12 shall pay the premiums on the bond. (Acts 51st Leg., R.S., Ch. 303,
13 Sec. 3(B).)

14 Source Law

15 (B) The County Judge, County Commissioners, the
16 Assessor and Collector of Taxes, the County Treasurer,
17 and the county depository of Fort Bend County are
18 authorized to, and shall be required to, perform all
19 duties in connection with the District required of
20 them by law in connection with official matters for
21 Fort Bend County, and the County Auditor of said county
22 shall be the Auditor for the Fort Bend County Drainage
23 District. Said Court may employ a General Manager for
24 said District and such other agents, attorneys,
25 engineers and employees as may be considered necessary
26 in connection with the purposes of this Act, and all
27 compensation for such persons may be payable from
28 funds herein created for the maintenance and operation
29 of the District.

30 The governing body shall require the County Tax
31 Assessor-Collector, the County Treasurer, and such
32 other officers and employees as the governing body
33 shall designate, to make official bonds payable to the
34 District in such amounts as the governing body shall
35 determine, conditioned upon the faithful performance
36 of their duties and paying over and accounting for all
37 money and other things of value belonging to the
38 District coming into their possession. Such bonds
39 shall be executed by a surety company authorized to do
40 business in Texas and shall be subject to the approval
41 of the governing body and the premiums thereon shall be
42 paid by the District.

43 Revisor's Note

44 Section 3(B), Chapter 303, Acts of the 51st
45 Legislature, Regular Session, 1949, requires or
46 authorizes requiring certain officers and employees to
47 make "official bonds." The revised law omits the
48 designation of the bonds as "official" because that

1 designation is unnecessary and does not add to the
2 clear meaning of the law in this context.

3 [Sections 6604.053-6604.100 reserved for expansion]

4 SUBCHAPTER C. POWERS AND DUTIES

5 Revised Law

6 Sec. 6604.101. GENERAL POWERS. (a) The district has the
7 powers of government and the authority to exercise the rights,
8 privileges, and functions provided by this chapter.

9 (b) The district may perform any act necessary or proper to
10 carry out a district purpose. (Acts 51st Leg., R.S., Ch. 303, Secs.
11 1 (part), 3(A) (part).)

12 Source Law

13 Sec. 1. . . . Said District [shall be a
14 governmental agency and body politic and corporate,]
15 with the powers of government and with the authority to
16 exercise the rights, privileges and functions
17 hereinafter specified,

18 Sec. 3. (A) In addition to the general powers
19 herein granted, said Fort Bend County Drainage
20 District shall be authorized to exercise the following
21 powers, privileges and functions:

22 . . .
23 (8) To do any and all other acts or things
24 necessary or proper to carry into effect the purposes
25 for which the District is organized.

26 Revisor's Note

27 Section 3(A), Chapter 303, Acts of the 51st
28 Legislature, Regular Session, 1949, gives the district
29 certain powers that are "[i]n addition to the general
30 powers herein granted." Throughout this chapter, the
31 revised law omits the quoted language because the
32 powers to which it refers are expressly set forth in
33 other sections of this chapter and a general reference
34 to them is unnecessary.

35 Revised Law

36 Sec. 6604.102. ACQUISITION OF PROPERTY; EMINENT DOMAIN.

37 (a) The district:

38 (1) by gift, devise, purchase, lease, or exercise of
39 the power of eminent domain, may acquire inside the district an
40 easement, right-of-way, or other property needed to carry on the

1 work of the district; and

2 (2) by exercise of the power of eminent domain or
3 otherwise, may acquire outside the district an easement or
4 right-of-way.

5 (b) Before the district acquires by exercise of the power of
6 eminent domain an easement or right-of-way outside the district,
7 the acquisition must be unanimously approved by the entire
8 commissioners court of the county in which the easement or
9 right-of-way is located.

10 (c) The district must exercise the power of eminent domain
11 in the manner provided by Chapter 21, Property Code. (Acts 51st
12 Leg., R.S., Ch. 303, Sec. 3(A) (part).)

13 Source Law

14 Sec. 3. (A) In addition to the general powers
15 herein granted, said Fort Bend County Drainage
16 District shall be authorized to exercise the following
17 powers, privileges and functions:

18 (1) To acquire within the District
19 easements, right-of-ways, and any other character of
20 property needed to carry on the work of the District by
21 way of gift, devise, purchase, leasehold or
22 condemnation; and to acquire without the District
23 easements and right-of-ways by condemnation or
24 otherwise; provided, however, such acquisition of
25 easements or right-of-ways acquired without the
26 District by way of condemnation shall be first
27 unanimously approved by the entire Commissioners Court
28 of the County wherein such easements and right-of-ways
29 sought to be condemned, may be situated. The right of
30 eminent domain is hereby expressly conferred on said
31 District and the procedure with reference to
32 condemnation, the assessment of and estimating of
33 damages, payment, appeal, the entering upon the
34 property pending appeal and all other procedure
35 prescribed in Title 52, of the Revised Civil Statutes
36 of Texas, 1925, as heretofore or hereafter amended,
37 shall apply to said District.

38 . . .

39 Revisor's Note

40 (1) Section 3(A)(1), Chapter 303, Acts of the
41 51st Legislature, Regular Session, 1949, provides that
42 the district may acquire certain property "by . . .
43 condemnation" and that "[t]he right of eminent domain
44 is hereby expressly conferred on said District." The
45 revised law substitutes for the quoted language a
46 statement that the district may acquire certain

1 property "by . . . exercise of the power of eminent
2 domain" because the provisions have the same meaning
3 and the reference to the exercise of the power of
4 eminent domain is consistent with modern usage in laws
5 relating to eminent domain.

6 (2) Section 3(A)(1), Chapter 303, Acts of the
7 51st Legislature, Regular Session, 1949, provides that
8 certain procedures prescribed by "Title 52, of the
9 Revised Civil Statutes of Texas, 1925, as heretofore
10 or hereafter amended," apply to the district. That
11 statute was codified in 1983 as Chapter 21, Property
12 Code. The revised law is drafted accordingly. The
13 revised law omits the reference to "as heretofore or
14 hereafter amended" because under Section 311.027,
15 Government Code (Code Construction Act), a reference
16 to a statute applies to all reenactments, revisions,
17 or amendments of that statute unless expressly
18 provided otherwise.

19 Revised Law

20 Sec. 6604.103. DISPOSAL OR LEASE OF DISTRICT PROPERTY. (a)
21 The district may dispose of property or a property right that is not
22 needed for a district purpose.

23 (b) The district may lease property or a property right for
24 a purpose that does not interfere with the district's use of the
25 property. (Acts 51st Leg., R.S., Ch. 303, Sec. 3(A) (part).)

26 Source Law

27 Sec. 3. (A) In addition to the general powers
28 herein granted, said Fort Bend County Drainage
29 District shall be authorized to exercise the following
30 powers, privileges and functions:

31 . . .
32 (2) To dispose of property or rights
33 therein when the same are no longer needed for the
34 purposes for which the District was created or to lease
35 same for purposes which will not interfere with the use
36 of such property by the District.
37 . . .

38 Revised Law

39 Sec. 6604.104. GENERAL RECLAMATION AND DRAINAGE POWERS.

1 The district may:

2 (1) devise plans and construct works to reclaim land
3 in the district;

4 (2) provide drainage facilities for reclamation and
5 drainage of the overflowed land and other land in the district that
6 needs drainage;

7 (3) acquire or construct outside the district
8 properties or facilities that in the judgment of the commissioners
9 court are necessary to facilitate drainage and reclamation of land
10 in the district;

11 (4) remove natural or artificial obstructions from
12 streams or watercourses; and

13 (5) clean, straighten, widen, or maintain streams,
14 watercourses, or drainage ditches. (Acts 51st Leg., R.S., Ch. 303,
15 Sec. 3(A) (part).)

16 Source Law

17 Sec. 3. (A) In addition to the general powers
18 herein granted, said Fort Bend County Drainage
19 District shall be authorized to exercise the following
20 powers, privileges and functions:

21 . . .
22 (3) To devise plans and construct works to
23 reclaim lands in the District; to provide drainage
24 facilities for the reclamation and drainage of the
25 overflowed lands and other lands within the District
26 needing drainage; to acquire or construct properties
27 and facilities beyond the boundaries of the District
28 where in the judgment of the governing body such
29 properties or facilities are necessary to facilitate
30 the drainage and reclamation of lands within the
31 District; and to remove obstructions, natural or
32 artificial, from streams and water courses, and to
33 clean, straighten, widen and maintain streams, water
34 courses and drainage ditches.

35 . . .

36 Revised Law

37 Sec. 6604.105. ARRANGEMENTS WITH UNITED STATES. (a) The
38 district may cooperate with, contract with, or receive a grant,
39 loan, or advancement from the United States to exercise a district
40 power or to further a district purpose.

41 (b) The district may contribute to the United States in
42 connection with any project that is undertaken by the United States
43 and affects or relates to a district purpose. (Acts 51st Leg.,

1 R.S., Ch. 303, Sec. 3(A) (part).)

2 Source Law

3 Sec. 3. (A) In addition to the general powers
4 herein granted, said Fort Bend County Drainage
5 District shall be authorized to exercise the following
6 powers, privileges and functions:

7 . . .
8 (4) To cooperate with and contract with
9 the United States of America or with any of its
10 departments or agencies now existing, or which may be
11 created hereafter, to carry out any of the powers or to
12 further any of the purposes set forth in this Act, and,
13 for such purposes, to receive grants, loans or
14 advancements therefrom; or to contribute to the United
15 States of America or any of its departments or agencies
16 in connection with any project undertaken by it
17 affecting or relating to any of the purposes for which
18 the District is organized.

19 . . .

20 Revisor's Note

21 Section 3(A)(4), Chapter 303, Acts of the 51st
22 Legislature, Regular Session, 1949, refers to the
23 United States of America or "any of its departments or
24 agencies now existing, or which may be created
25 hereafter." The revised law omits the quoted language
26 because under Section 311.005(9), Government Code
27 (Code Construction Act), "United States" includes a
28 department, bureau, or other agency of the United
29 States of America.

30 Revised Law

31 Sec. 6604.106. CONTRACTS AND COOPERATION WITH STATE AND
32 POLITICAL SUBDIVISIONS. The district may cooperate and contract
33 with this state or a political subdivision of this state to carry
34 out a district purpose. (Acts 51st Leg., R.S., Ch. 303, Sec. 3(A)
35 (part).)

36 Source Law

37 Sec. 3. (A) In addition to the general powers
38 herein granted, said Fort Bend County Drainage
39 District shall be authorized to exercise the following
40 powers, privileges and functions:

41 . . .
42 (5) To cooperate and contract with any
43 department or agency of the State of Texas, or any
44 political subdivision thereof, or any municipal
45 corporation to carry out any purpose for which the
46 District is organized.

47 . . .

1 Revisor's Note

2 (1) Section 3(A)(5), Chapter 303, Acts of the
3 51st Legislature, Regular Session, 1949, refers to a
4 "department or agency" of this state. The revised law
5 omits the quoted language because the meaning of
6 "department or agency" of this state is included in the
7 meaning of "this state."

8 (2) Section 3(A)(5), Chapter 303, Acts of the
9 51st Legislature, Regular Session, 1949, refers to
10 "any political subdivision [of this state], or any
11 municipal corporation." The revised law omits
12 "municipal corporation" because "municipal
13 corporation" is included in the meaning of "political
14 subdivision."

15 Revised Law

16 Sec. 6604.107. CONSTRUCTION ON PUBLIC LAND. (a) The
17 district may construct works, ditches, canals, or other
18 improvements over, across, or along:

19 (1) a public stream, road, or highway; or

20 (2) land belonging to this state.

21 (b) A plan for an improvement under Subsection (a) on a
22 state highway is subject to the approval of the Texas Department of
23 Transportation.

24 (c) A plan for an improvement under Subsection (a) on Texas
25 Department of Criminal Justice land is subject to the approval of
26 the Texas Board of Criminal Justice. (Acts 51st Leg., R.S., Ch.
27 303, Sec. 3(A) (part).)

28 Source Law

29 Sec. 3. (A) In addition to the general powers
30 herein granted, said Fort Bend County Drainage
31 District shall be authorized to exercise the following
32 powers, privileges and functions:

33 . . .
34 (7) To construct works, ditches, canals
35 and other improvements over, across and along any
36 public streams, roads, highways, or any lands
37 belonging to the State of Texas, provided that the
38 plans for such improvement on state highways shall be
39 subject to the approval of the State Highway
40 Department and on Prison System lands, shall be

1 subject to the approval of the Texas Prison Board.
2 . . .

3 Revisor's Note

4 (1) Section 3(A)(7), Chapter 303, Acts of the
5 51st Legislature, Regular Session, 1949, refers to the
6 "State Highway Department." The name of the State
7 Highway Department was changed to the State Department
8 of Highways and Public Transportation by Section 3,
9 Chapter 678, Acts of the 64th Legislature, Regular
10 Session, 1975. The name of the State Department of
11 Highways and Public Transportation was changed to the
12 Texas Department of Transportation by Section 1.01,
13 Chapter 7, Acts of the 72nd Legislature, 1st Called
14 Session, 1991. The revised law is drafted
15 accordingly.

16 (2) Section 3(A)(7), Chapter 303, Acts of the
17 51st Legislature, Regular Session, 1949, refers to
18 "Prison System lands" and to the "Texas Prison Board."
19 In 1957, the name of the Texas Prison System was
20 changed to the Texas Department of Corrections and the
21 name of the Texas Prison Board was changed to the Texas
22 Board of Corrections by Section 1, Chapter 146, Acts of
23 the 55th Legislature, Regular Session. In 1989, the
24 Texas Department of Corrections and the Texas Board of
25 Corrections were abolished by Chapter 785, Acts of the
26 71st Legislature, Regular Session. The Texas
27 Department of Criminal Justice became the state agency
28 with primary responsibility for the development of a
29 state prison system, and the Texas Board of Criminal
30 Justice became the governing body of the department.
31 The revised law is drafted accordingly.

32 Revisor's Note
33 (End of Subchapter)

34 Section 3(A)(6), Chapter 303, Acts of the 51st
35 Legislature, Regular Session, 1949, provides that the
36 district may sue and be sued in the name of the

1 district and requires courts to take judicial notice
2 of the establishment of the district. The revised law
3 omits that provision because it duplicates, in
4 substance, part of Section 49.066, Water Code, which
5 applies to the district under Sections 49.001 and
6 49.002 of that code. The omitted law reads:

7 Sec. 3. (A) [In addition to the
8 general powers herein granted, said Fort
9 Bend County Drainage District shall be
10 authorized to exercise the following
11 powers, privileges and functions:]

12 (6) To sue and be sued in the
13 name of the District and all courts shall
14 take judicial notice of the establishment
15 of the District.
16

17 [Sections 6604.108-6604.150 reserved for expansion]

18 SUBCHAPTER D. TAXES

19 Revised Law

20 Sec. 6604.151. AD VALOREM TAX FOR MAINTENANCE AND
21 OPERATIONS. (a) The commissioners court may impose a tax at a rate
22 not to exceed 25 cents on each \$100 valuation of taxable property in
23 the district to pay the cost of maintaining district property and
24 operating the district.

25 (b) The commissioners court may not impose the tax until the
26 tax is authorized at an election:

27 (1) called for that purpose by the commissioners court
28 in the manner provided by Section 6604.205; and

29 (2) at which a majority of the voters voting at the
30 election vote in favor of the imposition of the tax. (Acts 51st
31 Leg., R.S., Ch. 303, Sec. 5 (part).)

32 Source Law

33 Sec. 5. In addition to the levy and collection
34 of taxes to pay bonds, as heretofore provided, said
35 Court may levy and cause to be collected a tax not
36 exceeding Twenty-five Cents (25¢) on each one hundred
37 dollar valuation of taxable property within the
38 District for the purpose of paying the cost of
39 operating the District and maintaining its properties;
40 provided, however, that no such tax shall be levied or
41 assessed, until authorized at an election called for
42 such purpose by said Court, in the manner provided by
43 Section 4, hereof, at which a majority of the qualified
44 electors, qualified to vote under the Constitution,
45 voting at such election, vote in favor of the levy and

1 collection of such tax. . . .

2 Revisor's Note

3 (1) Section 5, Chapter 303, Acts of the 51st
4 Legislature, Regular Session, 1949, provides that
5 "[i]n addition to the levy and collection of taxes to
6 pay bonds, as heretofore provided," the commissioners
7 court may impose a tax for maintenance and operations.
8 The revised law omits the quoted language because an
9 accepted general principle of statutory construction
10 requires that a statute be given cumulative effect
11 with other statutes unless the statute provides
12 otherwise or unless the statute conflicts with another
13 statute. That general principle applies to the
14 revised law.

15 (2) Section 5, Chapter 303, Acts of the 51st
16 Legislature, Regular Session, 1949, authorizes the
17 commissioners court to "levy and cause to be
18 collected" a tax and provides that the tax may not be
19 "levied or assessed" until authorized at an election.
20 Throughout this chapter, the revised law substitutes
21 "impose" for "assess," "levy," "cause to be
22 collected," and similar terms because "impose" is the
23 term generally used in Title 1, Tax Code, and includes
24 the assessment, levying, and collection of a tax.

25 (3) Section 5, Chapter 303, Acts of the 51st
26 Legislature, Regular Session, 1949, refers to a
27 majority of the "qualified electors, qualified to vote
28 under the Constitution." The revised law omits
29 "qualified" and "qualified to vote under the
30 Constitution" as unnecessary in this context because
31 Chapter 11, Election Code, governs eligibility to vote
32 in this state and allows only "qualified" voters to
33 vote in an election and because, as a general principle
34 of law, Chapter 11 and all other statutes of this state
35 may contain only provisions consistent with the

1 constitution. The revised law also substitutes
2 "voters" for "electors" because the former is the term
3 used in the Election Code.

4 Revised Law

5 Sec. 6604.152. TAX ASSESSOR-COLLECTOR. The county tax
6 assessor-collector of Fort Bend County is the tax
7 assessor-collector for the district. (Acts 51st Leg., R.S., Ch.
8 303, Sec. 5 (part).)

9 Source Law

10 Sec. 5. . . . the County Tax
11 Assessor-Collector, of Fort Bend County, is hereby
12 named and appointed Tax Assessor-Collector for said
13 District; and

14 Revisor's Note
15 (End of Subchapter)

16 (1) Section 5, Chapter 303, Acts of the 51st
17 Legislature, Regular Session, 1949, provides that the
18 assessed valuation of taxable property for district
19 purposes shall be the same as that for state and county
20 purposes. The revised law omits the provision because
21 it duplicates Section 18(b), Article VIII, Texas
22 Constitution, and Section 6.01, Tax Code. Section
23 18(b) requires the legislature by general law to
24 provide for a single appraisal in each county of all
25 property subject to ad valorem taxation by the county
26 and all other taxing units located in the county.
27 Section 6.01 establishes an appraisal district to
28 appraise property in each county and requires each
29 taxing unit that imposes ad valorem taxes on property
30 in the appraisal district to use that appraisal.
31 Section 6.01, Tax Code, applies to the district under
32 Section 1.02, Tax Code. The omitted law reads:

33 Sec. 5. . . . The assessed
34 valuations of taxable property for District
35 purposes shall be the same as that for State
36 and County purposes; and

37 (2) Section 5, Chapter 303, Acts of the 51st
38 Legislature, Regular Session, 1949, provides that the

1 Board of Equalization of Fort Bend County is the board
2 of equalization for the district. The revised law
3 omits the references to a board of equalization
4 because boards of equalization were abolished and
5 their functions and duties transferred to appraisal
6 review boards by the 1979 enactment of the Property Tax
7 Code, Title 1, Tax Code (Section 1, Chapter 841, Acts
8 of the 66th Legislature, Regular Session). The
9 omitted law reads:

10 Sec. 5. . . . the Board of
11 Equalization of Fort Bend County is hereby
12 named, constituted and appointed the Board
13 of Equalization for said District. . . .

14 (3) Section 5, Chapter 303, Acts of the 51st
15 Legislature, Regular Session, 1949, provides that the
16 state laws relating to the assessment and collection
17 of state and county taxes apply to the assessment and
18 collection of taxes of the district except where they
19 conflict with that chapter. The revised law omits that
20 provision as repealed by Chapter 841, Acts of the 66th
21 Legislature, Regular Session, 1979, enacting Title 1,
22 Tax Code, a comprehensive, substantive codification of
23 the laws governing the administration of ad valorem
24 taxes, and repealing all other general, local, and
25 special laws in conflict with that act and as
26 superseded by Section 1.02, Tax Code, which provides
27 for the applicability of Title 1, Tax Code, to all
28 taxing units in this state, including the district.
29 The omitted law reads:

30 Sec. 5. . . . All laws of the State
31 of Texas relating to the assessing and
32 collecting of State and County taxes are by
33 this Act made available for, and shall be
34 applied to, the assessing of current taxes
35 and to the collection of both current and
36 delinquent taxes of said District, except
37 where same are in conflict with the
38 provisions of this Act. . . .

39 (4) Section 5, Chapter 303, Acts of the 51st
40 Legislature, Regular Session, 1949, provides that the

1 county tax assessor-collector shall be paid a fee for
2 the assessment and collection of district taxes. The
3 revised law omits that provision for the reason stated
4 in Revisor's Note (3) to the end of this subchapter.
5 Section 6.27(b), Tax Code, provides for the
6 compensation of a county tax assessor-collector
7 assessing and collecting taxes for another taxing unit
8 such as the district. The omitted law reads:

9 Sec. 5. . . . The County Tax
10 Assessor-Collector shall be paid such sum,
11 not to exceed two per cent (2%) of taxes
12 collected for assessing and not to exceed
13 two per cent (2%) for collecting, as may be
14 prescribed by the Commissioners Court.

15 [Sections 6604.153-6604.200 reserved for expansion]

16 SUBCHAPTER E. BONDS

17 Revised Law

18 Sec. 6604.201. AUTHORITY TO ISSUE BONDS. The commissioners
19 court may:

20 (1) issue district bonds to finance carrying out any
21 power or purpose granted by this chapter to the district; and

22 (2) provide for the payment of the interest on the
23 bonds as it accrues and for a sinking fund for the redemption of the
24 bonds as they mature by imposing a tax on all taxable property in
25 the district, as shown by the most recent certified appraisal roll
26 of the district, at a rate sufficient for that purpose. (Acts 51st
27 Leg., R.S., Ch. 303, Sec. 4(A) (part).)

28 Source Law

29 Sec. 4. (A) The Court shall be authorized, from
30 time to time, in behalf of said Fort Bend County
31 Drainage District, to issue the bonds of said
32 District, within the limitations hereinafter stated,
33 for the purpose of acquiring funds with which to
34 accomplish and carry out any one or more of the powers
35 and purposes herein granted to the District, and to
36 provide for the payment of the interest on such bonds
37 as it accrues and to create a sinking fund for the
38 redemption of said bonds as they mature, by levying and
39 causing to be collected a tax on all taxable property
40 within the District, as shown by the then current
41 approved County assessment rolls, sufficient for such
42 purposes. . . .

1 Revisor's Note

2 (1) Section 4(A), Chapter 303, Acts of the 51st
3 Legislature, Regular Session, 1949, authorizes the
4 commissioners court to issue district bonds "from time
5 to time." The revised law omits "from time to time"
6 because the power to issue bonds implies the power to
7 do so at any time.

8 (2) Section 4(A), Chapter 303, Acts of the 51st
9 Legislature, Regular Session, 1949, authorizes the
10 commissioners court to issue district bonds "within
11 the limitations hereinafter stated." The revised law
12 omits the quoted language because the limitations
13 contained in that chapter apply to the issuance of
14 district bonds on their own terms without an express
15 reference to those limitations in this section.

16 (3) Section 4(A), Chapter 303, Acts of the 51st
17 Legislature, Regular Session, 1949, refers to the
18 "approved County assessment rolls." The revised law
19 substitutes a reference to the "certified appraisal
20 roll of the district" to conform to the terminology of
21 Title 1, Tax Code, including Section 26.01 of that
22 code, requiring the chief appraiser of an appraisal
23 district to certify to the assessor for each taxing
24 unit participating in the district an appraisal roll
25 that lists the properties taxable by that taxing unit
26 and the values of those properties.

27 (4) Section 4(A), Chapter 303, Acts of the 51st
28 Legislature, Regular Session, 1949, authorizes the
29 district to issue additional bonds in the same manner
30 as the initially issued bonds. The revised law omits
31 that provision because the power to issue bonds
32 implies the power to do so at more than one time, and
33 the provisions specifying the manner for issuing bonds
34 impliedly apply to any issuance of district bonds. The

1 omitted law reads:

2 (A) . . . Subject to the limitations
3 contained in this Act, additional bonds may
4 be issued, from time to time, in like
5 manner, and under the same procedure. . . .

6 Revised Law

7 Sec. 6604.202. LIMITATION ON DEBT. The total principal
8 amount of bonds issued under Section 6604.201 that the district may
9 have outstanding at any time may not exceed five percent of the
10 assessed value of all taxable property in the district as shown by
11 the most recent appraisal roll of the district. (Acts 51st Leg.,
12 R.S., Ch. 303, Sec. 4(A) (part).)

13 Source Law

14 (A) . . . It is expressly provided, however,
15 that the total principal amount of bonds issued by the
16 District at any one time, together with all previously
17 issued bonds then outstanding, shall never exceed a
18 sum equal to five per cent (5%) of the assessed
19 valuation of all taxable property within the District,
20 as shown by the then current County assessment rolls.
21 . . .

22 Revisor's Note

23 (1) Section 4(A), Chapter 303, Acts of the 51st
24 Legislature, Regular Session, 1949, refers to bonds
25 that are "issued" and "outstanding." The revised law
26 omits the reference to "issued" as unnecessary because
27 for a bond to be "outstanding" it must have been
28 issued.

29 (2) Section 4(A), Chapter 303, Acts of the 51st
30 Legislature, Regular Session, 1949, refers to the
31 "County assessment rolls." The revised law refers to
32 the "appraisal roll of the district" for the reason
33 stated in Revisor's Note (3) to Section 6604.201.

34 Revised Law

35 Sec. 6604.203. FORM OF BONDS. (a) A district bond issued
36 under this chapter must be:

- 37 (1) issued in the name of the district;
38 (2) signed by the county judge of Fort Bend County; and
39 (3) attested by the county clerk of Fort Bend County.

1 (b) If the bond is issued with one or more interest coupons,
2 the coupons must be signed by the county judge and the county clerk
3 of Fort Bend County. (Acts 51st Leg., R.S., Ch. 303, Sec. 4(B)
4 (part).)

5 Source Law

6 (B) All bonds issued under the provisions of
7 this Act shall be issued in the name of the Fort Bend
8 County Drainage District of Fort Bend County, Texas,
9 and shall be signed by the County Judge, attested by
10 the County Clerk, and the seal of the Commissioners
11 Court of Fort Bend County shall be affixed to each of
12 them. Said bonds . . . shall bear interest at a rate
13 not to exceed five per cent (5%) per annum to be
14 evidenced by attached coupons which shall bear the
15 facsimile signatures of the County Judge and of the
16 County Clerk.

17 . . .

18 Revisor's Note

19 (1) Section 4(B), Chapter 303, Acts of the 51st
20 Legislature, Regular Session, 1949, provides that the
21 seal of the commissioners court must be affixed to
22 district bonds. The revised law omits that provision
23 because it was impliedly repealed by the enactment of
24 Section 3, Bond Procedures Act of 1981 (Article
25 717k-6, Vernon's Texas Civil Statutes) (revised in
26 relevant part in 1999 as Section 1201.026(a),
27 Government Code), which provides that bonds may be
28 signed with or without a seal. Section 1201.026(a),
29 Government Code, applies to district bonds by
30 application of Section 1201.002, Government Code.

31 (2) Section 4(B), Chapter 303, Acts of the 51st
32 Legislature, Regular Session, 1949, provides that
33 district bonds shall bear interest at a rate not to
34 exceed five percent. The revised law omits that
35 provision because it is superseded by other law.
36 Section 4(B), enacted in 1949, was impliedly amended
37 by the enactment of Chapter 3, Acts of the 61st
38 Legislature, Regular Session, 1969 (Article 717k-2,
39 Vernon's Texas Civil Statutes), now Chapter 1204,
40 Government Code. Section 1204.006, Government Code,

1 reflecting the 1981 amendment of Article 717k-2 by
2 Section 1, Chapter 61, Acts of the 67th Legislature,
3 Regular Session, permits a public agency to issue
4 public securities at any net effective interest rate
5 of 15 percent or less. Section 1204.006, Government
6 Code, applies to district bonds by application of
7 Section 1204.001, Government Code.

8 (3) Section 4(B), Chapter 303, Acts of the 51st
9 Legislature, Regular Session, 1949, provides that the
10 interest borne by district bonds is to be evidenced by
11 attached coupons that bear the facsimile signatures of
12 the county judge and county clerk of Fort Bend County.
13 The requirement that the bonds be issued with attached
14 coupons is impliedly repealed by Section 3, Bond
15 Procedures Act of 1981 (Article 717k-6, Vernon's Texas
16 Civil Statutes) (revised in relevant part in 1999 as
17 Section 1201.021(3), Government Code), which provides
18 that a bond may be issued with one or more interest
19 coupons or without a coupon. Accordingly, the revised
20 law provides that "[i]f the bond is issued with one or
21 more interest coupons," the coupons must be signed by
22 those officials. The revised law omits the
23 requirement that the coupons bear "facsimile"
24 signatures because it is impliedly repealed by Section
25 3, Bond Procedures Act of 1981 (Article 717k-6,
26 Vernon's Texas Civil Statutes) (revised in relevant
27 part in 1999 as Section 1201.026(a), Government Code),
28 which provides that bonds and interest coupons may be
29 signed or otherwise executed with a manual or
30 facsimile signature. Sections 1201.021 and
31 1201.026(a), Government Code, apply to district bonds
32 by application of Section 1201.002, Government Code.

33 Revised Law

34 Sec. 6604.204. MATURITY. District bonds issued under

1 Section 6604.201 must mature not later than 30 years after their
2 date of issuance. (Acts 51st Leg., R.S., Ch. 303, Sec. 4(A)
3 (part).)

4 Source Law

5 (A) . . . Such bonds . . . shall mature serially
6 or otherwise over a period of not to exceed thirty (30)
7 years from their date or dates. . . .

8 Revisor's Note

9 Section 4(A), Chapter 303, Acts of the 51st
10 Legislature, Regular Session, 1949, provides that
11 district bonds shall mature "serially or otherwise."
12 The revised law omits the quoted language because it is
13 superseded by Section 1201.021, Government Code
14 (enacted as Section 3, Bond Procedures Act of 1981
15 (Article 717k-6, Vernon's Texas Civil Statutes)),
16 which provides that the governing body of an issuer may
17 determine the time of payment of public securities it
18 issues, and by Section 1201.022, Government Code
19 (enacted as Section 5(a), Bond Procedures Act of 1981
20 (Article 717k-6, Vernon's Texas Civil Statutes)),
21 which provides that a public security may be issued
22 with specified characteristics, on specified terms, or
23 in a specified manner. Sections 1201.021 and 1201.022
24 apply to district bonds under Sections 1201.002 and
25 1201.003, Government Code.

26 Revised Law

27 Sec. 6604.205. ELECTION FOR BONDS PAYABLE FROM TAXES. (a)
28 The commissioners court may not issue district bonds under Section
29 6604.201 until the issuance of the bonds and the imposition of taxes
30 to pay the principal of and interest on the bonds are authorized by
31 a majority of the voters voting at an election called for that
32 purpose.

33 (b) The proposition for the issuance of district bonds may
34 be submitted at any time the commissioners court considers proper.

35 (c) Chapter 1251, Government Code, applies to a district

1 bond election except to the extent of any conflict with this
2 chapter.

3 (d) If a majority of the voters voting at a district bond
4 election vote in favor of the issuance of bonds and the imposition
5 of taxes, the commissioners court may:

6 (1) issue, sell, and deliver the bonds;

7 (2) receive, use, and apply the proceeds for district
8 purposes; and

9 (3) impose taxes on all property subject to taxation
10 in the district. (Acts 51st Leg., R.S., Ch. 303, Sec. 4(A) (part).)

11 Source Law

12 (A) . . . No such bonds shall be issued until
13 first authorized by a majority of the voters qualified
14 to vote on bond issues under the Constitution of Texas
15 voting at an election called for the purpose of
16 determining whether or not such bonds shall be issued
17 and whether or not taxes shall be levied to pay
18 principal and interest thereon when due. In the event
19 a majority of the qualified voters voting at such
20 election shall vote in favor of the issuance of bonds
21 and the levy of taxes, the Court shall be authorized to
22 issue, sell and deliver said Fort Bend County Drainage
23 District Bonds and to receive, use and apply the
24 proceeds for the aforesaid purposes of said District,
25 and to levy and assess taxes upon all property subject
26 to taxation in said District and to arrange for the
27 collection of such taxes. . . . The proposition of the
28 issuance of bonds may be submitted at the election
29 called for confirmation of the creation of said
30 District under Section 2, hereof, or at such later
31 times as the Court shall deem proper. . . . The
32 provisions of Chapter 1 of Title 22, Revised Civil
33 Statutes of Texas, as amended, shall apply to all bond
34 elections in said District except where in conflict
35 with this Act.

36 . . .

37 Revisor's Note

38 (1) Section 4(A), Chapter 303, Acts of the 51st
39 Legislature, Regular Session, 1949, refers to a
40 majority of the voters "qualified to vote on bond
41 issues under the Constitution of Texas" and to a
42 majority of the "qualified voters" voting at an
43 election. The revised law omits the quoted language
44 for the reason stated in Revisor's Note (3) to Section
45 6604.151.

46 (2) Section 4(A), Chapter 303, Acts of the 51st

1 Legislature, Regular Session, 1949, provides that the
2 proposition for the issuance of district bonds may be
3 submitted "at the election called for confirmation of
4 the creation of said District under Section 2,
5 hereof," or at any time the commissioners court
6 considers proper. Because the creation of the
7 district was approved at the confirmation election,
8 the revised law omits the quoted language as executed.

9 (3) Section 4(A), Chapter 303, Acts of the 51st
10 Legislature, Regular Session, 1949, provides that the
11 levy of maintenance taxes may be submitted as a
12 proposition at "such" election. It is unclear whether
13 the reference to "such" election means the
14 confirmation election or any district bond election.
15 If the reference is to the confirmation election, the
16 provision may be omitted as executed because the
17 confirmation election has been held. Regardless of
18 whether the reference is specifically to the
19 confirmation election, however, the provision may be
20 omitted because it duplicates, in substance, Section
21 49.107(c), Water Code, which applies to the district
22 under Sections 49.001 and 49.002 of that code. The
23 omitted law reads:

24 (A) . . . The levy of maintenance
25 taxes may be submitted as a further
26 proposition at such election. . . .

27 (4) Section 4(A), Chapter 303, Acts of the 51st
28 Legislature, Regular Session, 1949, provides that
29 "Chapter 1 of Title 22, Revised Civil Statutes of
30 Texas, as amended," applies to a district bond
31 election. The election provisions of Chapter 1, Title
32 22, Revised Statutes, are revised as Chapter 1251,
33 Government Code, and the revised law is drafted
34 accordingly. The revised law omits the reference to
35 "as amended" for the reason stated in Revisor's Note

1 (2) to Section 6604.102.

2 Revised Law

3 Sec. 6604.206. ISSUANCE OF CERTAIN TIME WARRANTS
4 PROHIBITED. The district may not issue time warrants payable from
5 taxes. (Acts 51st Leg., R.S., Ch. 303, Sec. 4(A) (part).)

6 Source Law

7 (A) . . . The District shall not be authorized
8 to issue time warrants payable from taxes.

9 Revisor's Note

10 (End of Subchapter)

11 (1) Section 4(A), Chapter 303, Acts of the 51st
12 Legislature, Regular Session, 1949, provides that
13 district bonds may not be delivered to the purchasers
14 until they have been approved by the attorney general
15 and registered by the comptroller. That section also
16 provides that after approval, registration, and sale
17 the bonds are valid and binding obligations of the
18 district. The revised law omits those provisions as
19 superseded by Chapter 1202, Government Code (enacted
20 as Article 3, Chapter 53, Acts of the 70th Legislature,
21 2nd Called Session, 1987). Section 1202.003,
22 Government Code, provides for approval of the bonds by
23 the attorney general and requires the attorney general
24 to submit the approved bonds to the comptroller for
25 registration. Section 1202.005, Government Code,
26 requires registration of the bonds by the comptroller.
27 Section 1202.006, Government Code, provides that after
28 approval and registration the bonds are incontestable
29 and binding obligations. Chapter 1202, Government
30 Code, applies to district bonds by application of
31 Section 1202.001, Government Code. The omitted law
32 reads:

33 (A) . . . Such bonds shall not be
34 delivered to the purchasers until they have
35 been approved as to legality by the Attorney
36 General of Texas and registered by the
37 Comptroller of Public Accounts of Texas.
38 . . .

1 . . . after having been approved by
2 the Attorney General and registered by the
3 Comptroller of Public Accounts and sold
4 . . . , such bonds shall be held in any suit
5 or proceeding in which their validity may be
6 questioned to be valid, binding obligations
7 of such District, subject only to the
8 defense of fraud, forgery or constitutional
9 violation. No suit shall be brought
10 attacking the validity of such bonds,
11 except upon the ground stated, after such
12 bonds have been delivered and the proceeds
13 of sale have been received by the District.
14 . . .

15 (2) Section 4(A), Chapter 303, Acts of the 51st
16 Legislature, Regular Session, 1949, provides that the
17 cost of issuing, selling, and delivering district
18 bonds may be paid out of the proceeds of sale of the
19 bonds. The revised law omits that provision because it
20 duplicates, in substance, Section 49.155, Water Code,
21 which applies to the district under Sections 49.001
22 and 49.002 of that code. The omitted law reads:

23 (A) . . . The cost of issuing,
24 selling and delivering such bonds may be
25 paid out of the proceeds of sale thereof.
26 . . .

27 (3) Section 4(A), Chapter 303, Acts of the 51st
28 Legislature, Regular Session, 1949, provides that
29 district bonds shall bear interest at a rate not to
30 exceed five percent. The revised law omits that
31 provision for the reason stated in Revisor's Note (2)
32 to Section 6604.203. The omitted law reads:

33 (A) . . . [Such bonds] shall bear
34 interest at a rate not to exceed five per
35 cent (5%) per annum and

36 (4) Section 4(A), Chapter 303, Acts of the 51st
37 Legislature, Regular Session, 1949, provides that
38 district bonds shall be sold for not less than par and
39 accrued interest. The revised law omits that
40 provision because it is superseded by provisions of
41 general law. Section 1204.006(b), Government Code
42 (enacted as Section 2, Chapter 3, Acts of the 61st
43 Legislature, Regular Session, 1969 (Article 717k-2,
44 Vernon's Texas Civil Statutes)), provides that an

1 issuer may sell public securities at any price.
2 Section 1204.006(b) applies to district bonds by
3 application of Section 1204.001, Government Code.
4 Section 1201.022, Government Code, as amended in 2001,
5 provides that an issuer may sell public securities
6 "under the terms determined by the governing body of
7 the issuer to be in the issuer's best interests."
8 Section 1201.022 applies to district bonds by
9 application of Section 1201.002, Government Code. The
10 omitted law reads:

11 (A) . . . They shall be sold for not
12 less than par and accrued interest and,
13 [after having been approved by the Attorney
14 General and registered by the Comptroller
15 of Public Accounts and sold] for not less
16 than par and accrued interest[, such bonds
17 shall be held in any suit or proceeding in
18 which their validity may be questioned to be
19 valid, binding obligations of such
20 District]

21 (5) Section 4(B), Chapter 303, Acts of the 51st
22 Legislature, Regular Session, 1949, provides that
23 district bonds shall be issued in denominations of not
24 less than \$100 or more than \$10,000, as determined in
25 the order authorizing their issuance. The revised law
26 omits that provision because it is superseded by
27 Section 1201.021(1), Government Code (enacted as
28 Section 3, Bond Procedures Act of 1981 (Article
29 717k-6, Vernon's Texas Civil Statutes)), which allows
30 a public security to be issued in any denomination.
31 Section 1201.021, Government Code, applies to district
32 bonds by application of Section 1201.002, Government
33 Code. The omitted law reads:

34 (B) . . . [Said bonds] shall be
35 issued in the denominations of not less than
36 One Hundred Dollars (\$100) nor more than Ten
37 Thousand Dollars (\$10,000), as determined
38 in the order authorizing their issuance,
39 and

40 (6) Section 4(B), Chapter 303, Acts of the 51st
41 Legislature, Regular Session, 1949, provides that

1 payment of principal of and interest on district bonds
2 may be made at the place or places determined by the
3 commissioners court in the order authorizing the
4 issuance of the bonds. The revised law omits that
5 provision because it is superseded by Section
6 1201.021(5)(C), Government Code (enacted as Section 3,
7 Bond Procedures Act of 1981 (Article 717k-6, Vernon's
8 Texas Civil Statutes)), which provides that a public
9 security may be payable at a specified place or places.
10 Section 1201.021 applies to district bonds by
11 application of Section 1201.002, Government Code. The
12 omitted law reads:

13 (B) . . . Payment of principal and
14 interest may be made at such place or places
15 as may be determined by the Commissioners
16 Court in the order authorizing the issuance
17 of such bonds.

18 Revisor's Note
19 (End of Chapter)

20 Section 6, Chapter 303, Acts of the 51st
21 Legislature, Regular Session, 1949, provides that the
22 provisions of the act are severable. The revised law
23 omits that provision because it duplicates Section
24 311.032, Government Code (Code Construction Act),
25 which provides that a provision of a statute is
26 severable from each other provision of the statute
27 that can be given effect. The omitted law reads:

28 Sec. 6. If any section, sentence,
29 phrase or clause, or any part of this Act
30 shall, for any reason, be held invalid, such
31 invalidity shall not affect the remaining
32 portions of this Act and it is hereby
33 declared to be the intention of this
34 Legislature to have passed each section,
35 sentence, phrase, clause and part hereof
36 irrespective of the fact that any other
37 section, sentence, phrase, clause or part
38 hereof may be declared invalid.

9 Sec. 8215.101. MUNICIPAL UTILITY DISTRICT POWERS 1316

10 CHAPTER 8215. JACKRABBIT ROAD PUBLIC UTILITY DISTRICT

11 SUBCHAPTER A. GENERAL PROVISIONS

12 Revised Law

13 Sec. 8215.001. DEFINITIONS. In this chapter:

- 14 (1) "Board" means the district's board of directors.
- 15 (2) "Director" means a member of the board.
- 16 (3) "District" means the Jackrabbit Road Public

17 Utility District. (Acts 62nd Leg., R.S., Ch. 675, Sec. 1 (part);
18 New.)

19 Source Law

20 Sec. 1. . . . [a . . . district] . . . to be
21 known as "Jackrabbit Road Public Utility District,"
22 hereinafter called the "district,"

23 Revisor's Note

24 The definitions of "board" and "director" are
25 added to the revised law for drafting convenience and
26 to eliminate frequent, unnecessary repetition of the
27 substance of the definitions.

28 Revised Law

29 Sec. 8215.002. NATURE OF DISTRICT. The district is a
30 conservation and reclamation district in Harris County created
31 under Section 59, Article XVI, Texas Constitution. (Acts 62nd
32 Leg., R.S., Ch. 675, Sec. 1 (part).)

33 Source Law

34 Sec. 1. . . . there is hereby created and
35 established, under and pursuant to the provisions of
36 Article XVI, Section 59 of the Constitution of Texas, a
37 conservation and reclamation district in Harris

1 County, Texas, . . . which shall be a governmental
2 agency and a body politic and corporate. . . .

3 Revisor's Note

4 (1) Section 1, Chapter 675, Acts of the 62nd
5 Legislature, Regular Session, 1971, provides that the
6 district is created notwithstanding certain laws
7 related to consent. The revised law omits that
8 provision as executed because the district has been
9 created. The omitted law reads:

10 Sec. 1. Notwithstanding provisions
11 of the general laws relating to consent by
12 political subdivisions for the creation of
13 conservation and reclamation districts,
14 [there is hereby created . . . a
15 conservation and reclamation district]
16

17 (2) Section 1, Chapter 675, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 district is "created and established." The revised
20 law omits "established" because the meaning of that
21 word is included in the meaning of "created."

22 (3) Section 1, Chapter 675, Acts of the 62nd
23 Legislature, Regular Session, 1971, refers to the
24 district as "a governmental agency and a body politic
25 and corporate." The revised law omits the quoted
26 language because it duplicates a portion of Section
27 59(b), Article XVI, Texas Constitution, which provides
28 that a conservation and reclamation district is a
29 governmental agency and a body politic and corporate.

30 Revised Law

31 Sec. 8215.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
32 The district is created to serve a public use and benefit.

33 (b) All land and other property included in the boundaries
34 of the district will benefit from the works and projects
35 accomplished by the district under the powers conferred by Section
36 59, Article XVI, Texas Constitution.

37 (c) The creation of the district is essential to accomplish
38 the purposes of Section 59, Article XVI, Texas Constitution. (Acts

1 62nd Leg., R.S., Ch. 675, Secs. 1 (part), 3.)

2 Source Law

3 Sec. 1. . . . The creation and establishment of
4 the district is hereby declared to be essential to the
5 accomplishment of the purposes of Article XVI, Section
6 59 of the Constitution of Texas.

7 Sec. 3. It is determined and found that all of
8 the land and other property included within the area
9 and boundaries of the district will be benefited by the
10 works and project which are to be accomplished by the
11 district pursuant to the powers conferred by the
12 provisions of Article XVI, Section 59 of the
13 Constitution of Texas, and that said district is
14 created to serve a public use and benefit.

15 Revisor's Note

16 (1) Section 1, Chapter 675, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides that the
18 "creation and establishment" of the district are
19 essential to accomplish the purposes of Section 59,
20 Article XVI, Texas Constitution. The revised law
21 omits "establishment" because its meaning is included
22 in the meaning of "creation."

23 (2) Section 3, Chapter 675, Acts of the 62nd
24 Legislature, Regular Session, 1971, refers to land and
25 other property included within the "area and
26 boundaries of the district." The revised law omits the
27 reference to "area" because, in context, "area" is
28 included in the meaning of "boundaries."

29 Revised Law

30 Sec. 8215.004. DISTRICT TERRITORY. (a) The district is
31 composed of the territory described by Section 4, Chapter 675, Acts
32 of the 62nd Legislature, Regular Session, 1971, as that territory
33 may have been modified under:

- 34 (1) Subchapter H, Chapter 54, Water Code;
35 (2) Subchapter J, Chapter 49, Water Code; or
36 (3) other law.

37 (b) The boundaries and field notes of the district form a
38 closure. A mistake in copying the field notes in the legislative
39 process or another mistake in the field notes does not affect:

1 (1) the district's organization, existence, or
2 validity;

3 (2) the district's right to issue any type of bonds for
4 a purpose for which the district is created or to pay the principal
5 of and interest on the bonds;

6 (3) the district's right to impose a tax; or

7 (4) the legality or operation of the district or its
8 governing body. (Acts 62nd Leg., R.S., Ch. 675, Sec. 2; New.)

9 Source Law

10 Sec. 2. It is determined and found that the
11 boundaries and field notes of the district form a
12 closure. If any mistake is made in copying the field
13 notes in the legislative process or otherwise a
14 mistake is made in the field notes, it shall in no way
15 affect the organization, existence and validity of the
16 district, or the right of the district to issue any
17 type of bonds or refunding bonds for the purposes for
18 which the district is created or to pay the principal
19 and interest thereon, or the right to assess, levy and
20 collect taxes, or in any other manner affect the
21 legality or operation of the district or its governing
22 body.

23 Revisor's Note

24 (1) The revision of the law governing the
25 district does not revise the statutory language
26 describing the territory of the district to avoid the
27 lengthy recitation of the description and because that
28 description may not be accurate on the effective date
29 of the revision or at the time of a later reading. For
30 the reader's convenience, the revised law includes
31 references to the statutory description of the
32 district's territory and to the authority to change the
33 district's territory under Subchapter H, Chapter 54,
34 Water Code, applicable to municipal utility districts,
35 and under Subchapter J, Chapter 49, Water Code,
36 applicable to the district under Sections 49.001 and
37 49.002 of that chapter. The revised law also includes
38 a reference to the general authority of the
39 legislature to enact a law to change the district's
40 territory.

1 (2) Section 2, Chapter 675, Acts of the 62nd
2 Legislature, Regular Session, 1971, provides that a
3 mistake in the description of the district boundaries
4 does not affect the right of the district to issue "any
5 type of bonds or refunding bonds." The revised law
6 omits the reference to "refunding bonds" because
7 refunding bonds are included in the meaning of "any
8 type of bonds."

9 (3) Section 2, Chapter 675, Acts of the 62nd
10 Legislature, Regular Session, 1971, refers to the
11 district's authority to "assess, levy and collect"
12 taxes. The revised law substitutes "impose" for
13 "assess, levy and collect" because "impose" is the
14 term generally used in Title 1, Tax Code, and includes
15 the assessment, levy, and collection of a tax.

16 [Sections 8215.005-8215.050 reserved for expansion]

17 SUBCHAPTER B. BOARD OF DIRECTORS

18 Revised Law

19 Sec. 8215.051. COMPOSITION OF BOARD. The board of
20 directors is composed of five elected directors. (Acts 62nd Leg.,
21 R.S., Ch. 675, Sec. 6 (part).)

22 Source Law

23 Sec. 6. . . . Succeeding directors shall be
24 elected or

25 Revisor's Note

26 (1) Section 6, Chapter 675, Acts of the 62nd
27 Legislature, Regular Session, 1971, refers to the
28 initial board of directors and to vacancy procedures.
29 The revised law omits the language relating to the
30 creation of the initial board as executed. The revised
31 law omits the language relating to vacancy procedures
32 for the initial board as executed and, to the extent
33 the language may apply to subsequently appointed
34 directors, because it duplicates in substance Section
35 49.105(c), Water Code. That section applies to the

1 district under Sections 49.001 and 49.002, Water Code.

2 The omitted law reads:

3 Sec. 6. Immediately after this Act
4 becomes effective, the following named
5 persons shall be the directors of the
6 district and shall constitute the board of
7 directors of the district:

8 George O. Campbell, Jr.

9 Bette Daily

10 Larry Huse

11 Priscilla Martin

12 Yvonne Steely

13 Said persons shall qualify to serve as
14 directors prior to the first meeting of the
15 board of directors. Should any of the
16 above-named directors fail to qualify for
17 any reason, the remaining named directors
18 shall appoint someone to fill such vacancy
19 or vacancies; provided, however, that if at
20 any time the number of qualified directors
21 shall be less than three because of the
22 failure or refusal of one or more directors
23 to qualify or serve or because of his or
24 their death or incapacitation, or for any
25 such other reason, the Texas Water Rights
26 Commission shall appoint the necessary
27 number of directors to fill all vacancies on
28 the board. The directors above named or
29 their duly appointed and qualified
30 successor or successors shall serve until
31 the second Saturday in January, 1973. . . .

32 (2) Section 6, Chapter 675, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to
34 "[s]ucceeding directors" to distinguish the
35 succeeding directors from the initial directors named
36 in that section. The revised law substitutes "five"
37 for "succeeding" to conform to the number of directors
38 listed in Section 6 (establishing the initial board).

39 (3) Section 6, Chapter 675, Acts of the 62nd
40 Legislature, Regular Session, 1971, provides for
41 directors to be elected or appointed and to serve for
42 the term and in the manner provided by Chapter 54,
43 Water Code. Chapter 715, Acts of the 74th Legislature,
44 Regular Session, 1995, repealed the relevant
45 provisions of Chapter 54 and enacted similar
46 provisions in Chapter 49, Water Code, including
47 Section 49.103, which governs the terms of office and
48 manner of election of directors of a municipal utility

1 district that is required by law to elect its
2 directors. The revised law omits any reference to
3 Chapter 49, Water Code, because Chapter 49 applies to
4 the district under Sections 49.001 and 49.002 of that
5 chapter. The revised law also omits "appointed"
6 because it is clear from the context of Section 6 that
7 the reference applies only to directors appointed to
8 fill vacancies as provided by Chapter 49, Water Code.
9 The omitted law reads:

10 Sec. 6. . . . [Succeeding directors
11 shall be elected or] appointed and shall
12 serve for the term and in the manner
13 provided by Chapter 54, Title 4, Water Code.

14 [Sections 8215.052-8215.100 reserved for expansion]

15 SUBCHAPTER C. POWERS AND DUTIES

16 Revised Law

17 Sec. 8215.101. MUNICIPAL UTILITY DISTRICT POWERS. The
18 district has the rights, powers, privileges, and functions
19 conferred by general law applicable to a municipal utility
20 district, including Chapters 49 and 54, Water Code. (Acts 62nd
21 Leg., R.S., Ch. 675, Sec. 5 (part); New.)

22 Source Law

23 Sec. 5. The district is hereby vested with, and
24 shall have and exercise, all of the rights, powers,
25 privileges, authority and functions conferred by the
26 general laws of this State applicable to municipal
27 utility districts, including without limitation those
28 conferred by Chapter 54, Title 4, Water Code, but
29

30 Revisor's Note

31 (1) Section 5, Chapter 675, Acts of the 62nd
32 Legislature, Regular Session, 1971, provides that the
33 district "is hereby vested with, and shall have and
34 exercise," certain powers. The revised law
35 substitutes "has" for the quoted language because, in
36 context, the terms are synonymous and "has" is more
37 commonly used.

38 (2) Section 5, Chapter 675, Acts of the 62nd
39 Legislature, Regular Session, 1971, refers to the

1 "rights, powers, privileges, [and] authority" of the
2 district. The revised law omits "authority" because,
3 in context, "authority" is included in the meaning of
4 "rights, powers, [and] privileges."

5 (3) Section 5, Chapter 675, Acts of the 62nd
6 Legislature, Regular Session, 1971, grants the
7 district certain powers, "including without
8 limitation" those conferred by Chapter 54, Water Code.
9 The revised law omits "without limitation" because
10 Section 311.005(13), Government Code (Code
11 Construction Act), provides that "includes" and
12 "including" are terms of enlargement and not of
13 limitation and do not create a presumption that
14 components not expressed are excluded.

15 (4) Section 5, Chapter 675, Acts of the 62nd
16 Legislature, Regular Session, 1971, refers to Chapter
17 54, Water Code. For the reader's convenience, the
18 revised law adds a reference to Chapter 49, Water Code,
19 because Chapter 715, Acts of the 74th Legislature,
20 Regular Session, 1995, repealed many provisions of
21 Chapter 54 and enacted similar provisions in Chapter
22 49, Water Code, which applies to the district under
23 Sections 49.001 and 49.002 of that chapter.

24 (5) Section 5, Chapter 675, Acts of the 62nd
25 Legislature, Regular Session, 1971, provides that the
26 act prevails over general law in case of a conflict or
27 other inconsistency and that all general laws
28 applicable to municipal utility districts and not in
29 conflict or inconsistent with the provisions of the
30 act are adopted and incorporated by reference. The
31 revised law omits the portion of the provision
32 relating to the act prevailing over general law
33 because it duplicates in substance Section 311.026(b),
34 Government Code (Code Construction Act). The revised

1 law omits the portion of the provision relating to
2 adoption and incorporation of general laws because
3 Section 5 of Chapter 675 (revised as this section)
4 already provides that those laws apply to the
5 district, and it is unnecessary to repeat that
6 authority. The omitted law reads:

7 Sec. 5. . . . if any provision of
8 such general laws shall be in conflict or
9 inconsistent with the provisions of this
10 Act, the provisions of this Act shall
11 prevail. All such general laws applicable
12 to municipal utility districts not in
13 conflict or inconsistent with the
14 provisions of this Act are hereby adopted
15 and incorporated by reference with the same
16 effect as if copied in full in this Act.

17 Revisor's Note
18 (End of Chapter)

19 (1) Section 7, Chapter 675, Acts of the 62nd
20 Legislature, Regular Session, 1971, contains
21 legislative findings relating to the performance of
22 the requirements of Section 59(d), Article XVI, Texas
23 Constitution, and to the authority of the legislature
24 to enact that chapter. The revised law omits the
25 provision as executed. The omitted law reads:

26 Sec. 7. The Legislature specifically
27 finds and declares that the requirements of
28 Article XVI, Section 59(d) of the
29 Constitution of Texas have been performed
30 and accomplished in due course and time and
31 order, and that the Legislature has the
32 power and authority to enact this Act.

33 (2) Section 8, Chapter 675, Acts of the 62nd
34 Legislature, Regular Session, 1971, provides that the
35 act is severable. The revised law omits that provision
36 because it duplicates Section 311.032, Government Code
37 (Code Construction Act), which provides that a
38 provision of a statute is severable from each other
39 provision of the statute that can be given effect. The
40 omitted law reads:

41 Sec. 8. If any word, phrase, clause,
42 paragraph, sentence, part, portion, or
43 provision of this Act or the application
44 thereof to any persons or circumstances

1 shall be held to be invalid or
2 unconstitutional, the remainder of the Act
3 shall nevertheless be valid and the
4 Legislature hereby declares that this Act
5 would have been enacted without such
6 invalid or unconstitutional word, phrase,
7 clause, paragraph, sentence, part, portion
8 or provision.

20 Sec. 8219.101. MUNICIPAL UTILITY DISTRICT POWERS 1325

21 CHAPTER 8219. KLEIN PUBLIC UTILITY DISTRICT

22 SUBCHAPTER A. GENERAL PROVISIONS

23 Revised Law

24 Sec. 8219.001. DEFINITIONS. In this chapter:

25 (1) "Board" means the district's board of directors.

26 (2) "Director" means a member of the board.

27 (3) "District" means the Klein Public Utility
28 District. (Acts 62nd Leg., R.S., Ch. 411, Sec. 1 (part); New.)

29 Source Law

30 Sec. 1. . . . [a . . . district] . . . to be
31 known as "Klein Public Utility District," hereinafter
32 called the "district,"

33 Revisor's Note

34 The definitions of "board" and "director" are
35 added to the revised law for drafting convenience and
36 to eliminate frequent, unnecessary repetition of the
37 substance of the definitions.

38 Revised Law

39 Sec. 8219.002. NATURE OF DISTRICT. The district is a

1 conservation and reclamation district in Harris County created
2 under Section 59, Article XVI, Texas Constitution. (Acts 62nd
3 Leg., R.S., Ch. 411, Sec. 1 (part).)

4 Source Law

5 Sec. 1. . . . there is hereby created and
6 established, under and pursuant to the provisions of
7 Article XVI, Section 59 of the Constitution of Texas, a
8 conservation and reclamation district in Harris
9 County, Texas, . . . which shall be a governmental
10 agency and a body politic and corporate. . . .

11 Revisor's Note

12 (1) Section 1, Chapter 411, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 district is created notwithstanding certain laws
15 related to consent. The revised law omits that
16 provision as executed because the district has been
17 created. The omitted law reads:

18 Sec. 1. Notwithstanding provisions
19 of the general laws relating to consent by
20 political subdivisions for the creation of
21 conservation and reclamation districts,
22 [there is hereby created . . . a
23 conservation and reclamation
24 district]

25 (2) Section 1, Chapter 411, Acts of the 62nd
26 Legislature, Regular Session, 1971, provides that the
27 district is "created and established." The revised
28 law omits "established" because the meaning of that
29 word is included in the meaning of "created."

30 (3) Section 1, Chapter 411, Acts of the 62nd
31 Legislature, Regular Session, 1971, refers to the
32 district as "a governmental agency and a body politic
33 and corporate." The revised law omits the quoted
34 language because it duplicates a portion of Section
35 59(b), Article XVI, Texas Constitution, which provides
36 that a conservation and reclamation district is a
37 governmental agency and a body politic and corporate.

38 Revised Law

39 Sec. 8219.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
40 The district is created to serve a public use and benefit.

1 (b) All land and other property included in the boundaries
2 of the district will benefit from the works and projects
3 accomplished by the district under the powers conferred by Section
4 59, Article XVI, Texas Constitution.

5 (c) The creation of the district is essential to accomplish
6 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
7 62nd Leg., R.S., Ch. 411, Secs. 1 (part), 3.)

8 Source Law

9 Sec. 1. . . . The creation and establishment of
10 the district is hereby declared to be essential to the
11 accomplishment of the purposes of Article XVI, Section
12 59 of the Constitution of Texas.

13 Sec. 3. It is determined and found that all of
14 the land and other property included within the area
15 and boundaries of the district will be benefited by the
16 works and project which are to be accomplished by the
17 district pursuant to the powers conferred by the
18 provisions of Article XVI, Section 59 of the
19 Constitution of Texas, and that said district is
20 created to serve a public use and benefit.

21 Revisor's Note

22 (1) Section 1, Chapter 411, Acts of the 62nd
23 Legislature, Regular Session, 1971, provides that the
24 "creation and establishment" of the district are
25 essential to accomplish the purposes of Section 59,
26 Article XVI, Texas Constitution. The revised law
27 omits "establishment" because its meaning is included
28 in the meaning of "creation."

29 (2) Section 3, Chapter 411, Acts of the 62nd
30 Legislature, Regular Session, 1971, refers to land and
31 other property included within the "area and
32 boundaries of the district." The revised law omits the
33 reference to "area" because, in context, "area" is
34 included in the meaning of "boundaries."

35 Revised Law

36 Sec. 8219.004. DISTRICT TERRITORY. (a) The district is
37 composed of the territory described by Section 4, Chapter 411, Acts
38 of the 62nd Legislature, Regular Session, 1971, as that territory
39 may have been modified under:

- 1 (1) Subchapter H, Chapter 54, Water Code;
- 2 (2) Subchapter J, Chapter 49, Water Code; or
- 3 (3) other law.

4 (b) The boundaries and field notes of the district form a
5 closure. A mistake in copying the field notes in the legislative
6 process or another mistake in the field notes does not affect:

7 (1) the district's organization, existence, or
8 validity;

9 (2) the district's right to issue any type of bond for
10 a purpose for which the district is created or to pay the principal
11 of and interest on the bond;

12 (3) the district's right to impose a tax; or

13 (4) the legality or operation of the district or its
14 governing body. (Acts 62nd Leg., R.S., Ch. 411, Sec. 2; New.)

15 Source Law

16 Sec. 2. It is determined and found that the
17 boundaries and field notes of the district form a
18 closure. If any mistake is made in copying the field
19 notes in the legislative process or otherwise a
20 mistake is made in the field notes, it shall in no way
21 affect the organization, existence and validity of the
22 district, or the right of the district to issue any
23 type of bonds or refunding bonds for the purposes for
24 which the district is created or to pay the principal
25 and interest thereon, or the right to assess, levy and
26 collect taxes, or in any other manner affect the
27 legality or operation of the district or its governing
28 body.

29 Revisor's Note

30 (1) The revision of the law governing the
31 district does not revise the statutory language
32 describing the territory of the district to avoid the
33 lengthy recitation of the description and because that
34 description may not be accurate on the effective date
35 of the revision or at the time of a later reading. For
36 the reader's convenience, the revised law includes
37 references to the statutory description of the
38 district's territory and to the authority to change the
39 district's territory under Subchapter H, Chapter 54,
40 Water Code, applicable to municipal utility districts,

1 and under Subchapter J, Chapter 49, Water Code,
2 applicable to the district under Sections 49.001 and
3 49.002 of that chapter. The revised law also includes
4 a reference to the general authority of the
5 legislature to enact a law to change the district's
6 territory.

7 (2) Section 2, Chapter 411, Acts of the 62nd
8 Legislature, Regular Session, 1971, provides that a
9 mistake in the description of the district boundaries
10 does not affect the right of the district to issue "any
11 type of bonds or refunding bonds." The revised law
12 omits the reference to "refunding bonds" because
13 refunding bonds are included in the meaning of "any
14 type of bonds."

15 (3) Section 2, Chapter 411, Acts of the 62nd
16 Legislature, Regular Session, 1971, refers to the
17 district's authority to "assess, levy and collect"
18 taxes. The revised law substitutes "impose" for
19 "assess, levy and collect" because "impose" is the
20 term generally used in Title 1, Tax Code, and includes
21 the assessment, levy, and collection of a tax.

23 SUBCHAPTER B. BOARD OF DIRECTORS

24 Revised Law

25 Sec. 8219.051. COMPOSITION OF BOARD. The board of
26 directors is composed of five elected directors. (Acts 62nd Leg.,
27 R.S., Ch. 411, Sec. 6 (part).)

28 Source Law

29 Sec. 6. . . . the board of directors of the
30 district . . . Succeeding directors shall be elected
31 or

32 Revisor's Note

33 (1) Section 6, Chapter 411, Acts of the 62nd
34 Legislature, Regular Session, 1971, refers to the
35 initial board of directors and to vacancy procedures.

1 The revised law omits the language relating to the
2 creation of the initial board as executed. The revised
3 law omits the language relating to vacancy procedures
4 for the initial board as executed and, to the extent
5 the language may apply to subsequently appointed
6 directors, because it duplicates in substance Section
7 49.105(c), Water Code. That section applies to the
8 district under Sections 49.001 and 49.002, Water Code.
9 The omitted law reads:

10 Sec. 6. Immediately after this Act
11 becomes effective, the following named
12 persons shall be the directors of the
13 district and shall constitute [the board of
14 directors of the district]:

15 Paul A. Lewis
16 Arthur L. Schechter
17 Stephen Friedman
18 Lester Kamin
19 Gayle L. Schroder

20 Said persons shall qualify to serve as
21 directors prior to the first meeting of the
22 board of directors. Should any of the above
23 named directors fail to qualify for any
24 reason, the remaining named directors shall
25 appoint someone to fill such vacancy or
26 vacancies; provided, however, that if at
27 any time the number of qualified directors
28 shall be less than three because of the
29 failure or refusal of one or more directors
30 to qualify or serve or because of his or
31 their death or incapacitation, or for any
32 such other reason, the Texas Water Rights
33 Commission shall appoint the necessary
34 number of directors to fill all vacancies on
35 the board. The directors above named or
36 their duly appointed and qualified
37 successor or successors shall serve until
38 the second Saturday in January, 1973. . . .

39 (2) Section 6, Chapter 411, Acts of the 62nd
40 Legislature, Regular Session, 1971, refers to
41 "[s]ucceeding directors" to distinguish the
42 succeeding directors from the initial directors named
43 in that section. The revised law substitutes "five"
44 for "succeeding" to conform to the number of directors
45 listed in Section 6 (establishing the initial board).

46 (3) Section 6, Chapter 411, Acts of the 62nd
47 Legislature, Regular Session, 1971, provides for
48 directors to be elected or appointed and to serve for

1 the term and in the manner provided by Chapter 54,
2 Water Code. Chapter 715, Acts of the 74th Legislature,
3 Regular Session, 1995, repealed the relevant
4 provisions of Chapter 54 and enacted similar
5 provisions in Chapter 49, Water Code, including
6 Section 49.103, which governs the terms of office and
7 manner of election of directors of a municipal utility
8 district that is required by law to elect its
9 directors. The revised law omits any reference to
10 Chapter 49, Water Code, because Chapter 49 applies to
11 the district under Sections 49.001 and 49.002 of that
12 chapter. The revised law also omits "appointed"
13 because it is clear from the context of Section 6 that
14 the reference applies only to directors appointed to
15 fill vacancies as provided by Chapter 49, Water Code.
16 The omitted law reads:

17 Sec. 6. . . . [Succeeding directors
18 shall be elected or] appointed and shall
19 serve for the term and in the manner
20 provided by Chapter 54, Title 4, Water Code.

21 [Sections 8219.052-8219.100 reserved for expansion]

22 SUBCHAPTER C. POWERS AND DUTIES

23 Revised Law

24 Sec. 8219.101. MUNICIPAL UTILITY DISTRICT POWERS. The
25 district has the rights, powers, privileges, and functions
26 conferred by general law applicable to a municipal utility
27 district, including Chapters 49 and 54, Water Code. (Acts 62nd
28 Leg., R.S., Ch. 411, Sec. 5 (part); New.)

29 Source Law

30 Sec. 5. The district is hereby vested with, and
31 shall have and exercise, all of the rights, powers,
32 privileges, authority and functions conferred by the
33 general laws of this state applicable to municipal
34 utility districts, including without limitation those
35 conferred by Chapter 54, Title 4, Water Code,
36 but

37 Revisor's Note

38 (1) Section 5, Chapter 411, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides that the

1 district "is hereby vested with, and shall have and
2 exercise" certain powers. The revised law substitutes
3 "has" for the quoted language because, in context, the
4 terms are synonymous and "has" is more commonly used.

5 (2) Section 5, Chapter 411, Acts of the 62nd
6 Legislature, Regular Session, 1971, refers to the
7 "rights, powers, privileges, [and] authority" of the
8 district. The revised law omits "authority" because,
9 in context, "authority" is included in the meaning of
10 "rights, powers, [and] privileges."

11 (3) Section 5, Chapter 411, Acts of the 62nd
12 Legislature, Regular Session, 1971, grants the
13 district certain powers, "including without
14 limitation those conferred by Chapter 54, Title 4,
15 Water Code." The revised law omits "without
16 limitation" because Section 311.005(13), Government
17 Code (Code Construction Act), provides that "includes"
18 and "including" are terms of enlargement and not of
19 limitation and do not create a presumption that
20 components not expressed are excluded.

21 (4) Section 5, Chapter 411, Acts of the 62nd
22 Legislature, Regular Session, 1971, refers to Chapter
23 54, Water Code. For the reader's convenience, the
24 revised law adds a reference to Chapter 49, Water Code,
25 because Chapter 715, Acts of the 74th Legislature,
26 Regular Session, 1995, repealed many provisions of
27 Chapter 54 and enacted similar provisions in Chapter
28 49, Water Code, which applies to the district under
29 Sections 49.001 and 49.002 of that chapter.

30 (5) Section 5, Chapter 411, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 act prevails over general law in case of a conflict or
33 other inconsistency and that all general laws
34 applicable to municipal utility districts not in

1 conflict or inconsistent with the provisions of the
2 act are adopted and incorporated by reference. The
3 revised law omits the portion of the provision
4 relating to the act prevailing over general law
5 because it duplicates in substance Section 311.026(b),
6 Government Code (Code Construction Act). The revised
7 law omits the portion of the provision relating to
8 adoption and incorporation of general laws because
9 Section 5 of Chapter 411 (revised as this section)
10 already provides that those laws apply to the
11 district, and it is unnecessary to repeat that
12 authority. The omitted law reads:

13 Sec. 5. . . . if any provision of
14 such general laws shall be in conflict or
15 inconsistent with the provisions of this
16 Act, the provisions of this Act shall
17 prevail. All such general laws applicable
18 to municipal utility districts not in
19 conflict or inconsistent with the
20 provisions of this Act are hereby adopted
21 and incorporated by reference with the same
22 effect as if copied in full in this Act.

23 Revisor's Note
24 (End of Chapter)

25 (1) Section 7, Chapter 411, Acts of the 62nd
26 Legislature, Regular Session, 1971, contains
27 legislative findings relating to the performance of
28 the requirements of Section 59(d), Article XVI, Texas
29 Constitution, and to the authority of the legislature
30 to enact that chapter. The revised law omits that
31 provision as executed. The omitted law reads:

32 Sec. 7. The Legislature specifically
33 finds and declares that the requirements of
34 Article XVI, Section 59(d) of the
35 Constitution of Texas have been performed
36 and accomplished in due course and time and
37 order, and that the Legislature has the
38 power and authority to enact this Act.

39 (2) Section 8, Chapter 411, Acts of the 62nd
40 Legislature, Regular Session, 1971, provides that the
41 act is severable. The revised law omits that provision
42 because it duplicates Section 311.032, Government Code

1 (Code Construction Act), which provides that a
2 provision of a statute is severable from each other
3 provision of the statute that can be given effect. The
4 omitted law reads:

5 Sec. 8. If any word, phrase, clause,
6 paragraph, sentence, part, portion or
7 provision of this Act or the application
8 thereof to any persons or circumstances
9 shall be held to be invalid or
10 unconstitutional, the remainder of the Act
11 shall nevertheless be valid and the
12 Legislature hereby declares that this Act
13 would have been enacted without such
14 invalid or unconstitutional word, phrase,
15 clause, paragraph, sentence, part, portion
16 or provision.

30 CHAPTER 8220. LAKE FOREST UTILITY

31 DISTRICT

32 SUBCHAPTER A. GENERAL PROVISIONS

33 Revised Law

34 Sec. 8220.001. DEFINITIONS. In this chapter:

- 35 (1) "Board" means the district's board of directors.
36 (2) "Director" means a member of the board.
37 (3) "District" means the Lake Forest Utility District.

38 (Acts 62nd Leg., R.S., Ch. 579, Sec. 1 (part); New.)

39 Source Law

40 Sec. 1. . . . [a . . . district] . . . to be

1 known as Lake Forest Utility District, hereinafter
2 called the "district,"

3 Revisor's Note

4 The definitions of "board" and "director" are
5 added to the revised law for drafting convenience and
6 to eliminate frequent, unnecessary repetition of the
7 substance of the definitions.

8 Revised Law

9 Sec. 8220.002. NATURE OF DISTRICT. The district is a
10 conservation and reclamation district in Harris County created
11 under Section 59, Article XVI, Texas Constitution. (Acts 62nd
12 Leg., R.S., Ch. 579, Sec. 1 (part).)

13 Source Law

14 Sec. 1. . . . there is hereby created and
15 established, under and pursuant to the provisions of
16 Article XVI, Section 59 of the Constitution of Texas, a
17 conservation and reclamation district in Harris
18 County, Texas, . . . which shall be a governmental
19 agency and a body politic and corporate. . . .

20 Revisor's Note

21 (1) Section 1, Chapter 579, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that the
23 district is created notwithstanding certain laws
24 related to consent. The revised law omits that
25 provision as executed because the district has been
26 created. The omitted law reads:

27 Sec. 1. Notwithstanding provisions
28 of the general laws relating to consent by
29 political subdivisions for the creation of
30 conservation and reclamation districts,
31 [there is hereby created . . . a
32 conservation and reclamation
33 district]

34 (2) Section 1, Chapter 579, Acts of the 62nd
35 Legislature, Regular Session, 1971, provides that the
36 district is "created and established." The revised
37 law omits "established" because the meaning of that
38 word is included in the meaning of "created."

39 (3) Section 1, Chapter 579, Acts of the 62nd
40 Legislature, Regular Session, 1971, refers to the
41 district as "a governmental agency and a body politic

1 and corporate." The revised law omits the quoted
2 language because it duplicates a portion of Section
3 59(b), Article XVI, Texas Constitution, which provides
4 that a conservation and reclamation district is a
5 governmental agency and a body politic and corporate.

6 Revised Law

7 Sec. 8220.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
8 The district is created to serve a public use and benefit.

9 (b) All land and other property included in the boundaries
10 of the district will benefit from the works and projects
11 accomplished by the district under the powers conferred by Section
12 59, Article XVI, Texas Constitution.

13 (c) The creation of the district is essential to accomplish
14 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
15 62nd Leg., R.S., Ch. 579, Secs. 1 (part), 3.)

16 Source Law

17 Sec. 1. . . . The creation and establishment of
18 the district is hereby declared to be essential to the
19 accomplishment of the purposes of Article XVI, Section
20 59 of the Constitution of Texas.

21 Sec. 3. It is determined and found that all of
22 the land and other property included within the area
23 and boundaries of the district will be benefited by the
24 works and project which are to be accomplished by the
25 district pursuant to the powers conferred by the
26 provisions of Article XVI, Section 59 of the
27 Constitution of Texas, and that said district is
28 created to serve a public use and benefit.

29 Revisor's Note

30 (1) Section 1, Chapter 579, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 "creation and establishment" of the district are
33 essential to accomplish the purposes of Section 59,
34 Article XVI, Texas Constitution. The revised law
35 omits "establishment" because its meaning is included
36 in the meaning of "creation."

37 (2) Section 3, Chapter 579, Acts of the 62nd
38 Legislature, Regular Session, 1971, refers to land and
39 other property included within the "area and

1 boundaries of the district." The revised law omits the
2 reference to "area" because, in context, "area" is
3 included in the meaning of "boundaries."

4 Revised Law

5 Sec. 8220.004. DISTRICT TERRITORY. (a) The district is
6 composed of the territory described by Section 4, Chapter 579, Acts
7 of the 62nd Legislature, Regular Session, 1971, as that territory
8 may have been modified under:

9 (1) Subchapter H, Chapter 54, Water Code;

10 (2) Subchapter J, Chapter 49, Water Code; or

11 (3) other law.

12 (b) The boundaries and field notes of the district form a
13 closure. A mistake in copying the field notes in the legislative
14 process or another mistake in the field notes does not affect:

15 (1) the district's organization, existence, or
16 validity;

17 (2) the district's right to issue any type of bond for
18 a purpose for which the district is created or to pay the principal
19 of and interest on the bond;

20 (3) the district's right to impose a tax; or

21 (4) the legality or operation of the district or its
22 governing body. (Acts 62nd Leg., R.S., Ch. 579, Sec. 2; New.)

23 Source Law

24 Sec. 2. It is determined and found that the
25 boundaries and field notes of the district form a
26 closure. If any mistake is made in copying the field
27 notes in the legislative process or otherwise a
28 mistake is made in the field notes, it shall in no way
29 affect the organization, existence and validity of the
30 district, or the right of the district to issue any
31 type of bonds or refunding bonds for the purpose for
32 which the district is created or to pay the principal
33 and interest thereon, or the right to assess, levy and
34 collect taxes, or in any other manner affect the
35 legality or operation of the district or its governing
36 body.

37 Revisor's Note

38 (1) The revision of the law governing the
39 district does not revise the statutory language
40 describing the territory of the district to avoid the

1 lengthy recitation of the description and because that
2 description may not be accurate on the effective date
3 of the revision or at the time of a later reading. For
4 the reader's convenience, the revised law includes
5 references to the statutory description of the
6 district's territory and to the authority to change the
7 district's territory under Subchapter H, Chapter 54,
8 Water Code, applicable to municipal utility districts,
9 and under Subchapter J, Chapter 49, Water Code,
10 applicable to the district under Sections 49.001 and
11 49.002 of that chapter. The revised law also includes
12 a reference to the general authority of the
13 legislature to enact a law to change the district's
14 territory.

15 (2) Section 2, Chapter 579, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that a
17 mistake in the description of the district boundaries
18 does not affect the right of the district to issue "any
19 type of bonds or refunding bonds." The revised law
20 omits the reference to "refunding bonds" because
21 refunding bonds are included in the meaning of "any
22 type of bonds."

23 (3) Section 2, Chapter 579, Acts of the 62nd
24 Legislature, Regular Session, 1971, refers to the
25 district's authority to "assess, levy and collect"
26 taxes. The revised law substitutes "impose" for
27 "assess, levy and collect" because "impose" is the
28 term generally used in Title 1, Tax Code, and includes
29 the assessment, levy, and collection of a tax.

31 SUBCHAPTER B. BOARD OF DIRECTORS

32 Revised Law

33 Sec. 8220.051. COMPOSITION OF BOARD. The board of
34 directors is composed of five elected directors. (Acts 62nd Leg.,

1 R.S., Ch. 579, Sec. 6 (part).)

2 Source Law

3 Sec. 6. . . . the board of directors of the
4 district . . . Succeeding directors shall be elected
5 or

6 Revisor's Note

7 (1) Section 6, Chapter 579, Acts of the 62nd
8 Legislature, Regular Session, 1971, refers to the
9 initial board of directors and to vacancy procedures.
10 The revised law omits the language relating to the
11 creation of the initial board as executed. The revised
12 law omits the language relating to vacancy procedures
13 for the initial board as executed and, to the extent
14 the language may apply to subsequently appointed
15 directors, because it duplicates in substance Section
16 49.105(c), Water Code. That section applies to the
17 district under Sections 49.001 and 49.002, Water Code.
18 The omitted law reads:

19 Sec. 6. Immediately after this Act
20 becomes effective, the following named
21 persons shall be the directors of the
22 district and shall constitute [the board of
23 directors of the district]:

- 24 B. R. Tempel
- 25 E. J. Corolla, Jr.
- 26 William A. Carey
- 27 Louise Carey
- 28 Donald Quinn

29 Said persons shall qualify to serve as
30 directors prior to the first meeting of the
31 board of directors. Should any of the above
32 named directors fail to qualify for any
33 reason, the remaining named directors shall
34 appoint someone to fill such vacancy or
35 vacancies; provided, however, that if at
36 any time the number of qualified directors
37 shall be less than three because of the
38 failure or refusal of one or more directors
39 to qualify or serve or because of his or
40 their death or incapacitation, or for any
41 such other reason, the Texas Water Rights
42 Commission shall appoint the necessary
43 number of directors to fill all vacancies on
44 the board. The directors above named or
45 their duly appointed and qualified
46 successor or successors shall serve until
47 the second Saturday in January, 1973. . . .

48 (2) Section 6, Chapter 579, Acts of the 62nd
49 Legislature, Regular Session, 1971, refers to

1 "[s]ucceeding directors" to distinguish the
2 succeeding directors from the initial directors named
3 in that section. The revised law substitutes "five"
4 for "succeeding" to conform to the number of directors
5 listed in Section 6 (establishing the initial board).

6 (3) Section 6, Chapter 579, Acts of the 62nd
7 Legislature, Regular Session, 1971, provides for
8 directors to be elected or appointed and to serve for
9 the term and in the manner provided by Chapter 54,
10 Water Code, for directors first elected. Chapter 715,
11 Acts of the 74th Legislature, Regular Session, 1995,
12 repealed the relevant provisions of Chapter 54 and
13 enacted similar provisions in Chapter 49, Water Code,
14 including Section 49.103, which governs the terms of
15 office and manner of election of directors of a
16 municipal utility district that is required by law to
17 elect its directors. The revised law omits any
18 reference to Chapter 49, Water Code, because Chapter
19 49 applies to the district under Sections 49.001 and
20 49.002 of that chapter. The revised law also omits
21 "appointed" because it is clear from the context of
22 Section 6 that the reference applies only to directors
23 appointed to fill vacancies as provided by Chapter 49,
24 Water Code. The omitted law reads:

25 Sec. 6. . . . [Succeeding directors
26 shall be elected or] appointed and shall
27 serve for the term and in the manner
28 provided by Chapter 54, Title 4, Water Code,
29 for directors first elected.

31 SUBCHAPTER C. POWERS AND DUTIES

32 Revised Law

33 Sec. 8220.101. MUNICIPAL UTILITY DISTRICT POWERS. The
34 district has the rights, powers, privileges, and functions
35 conferred by general law applicable to a municipal utility
36 district, including Chapters 49 and 54, Water Code. (Acts 62nd

1 Leg., R.S., Ch. 579, Sec. 5 (part); New.)

2 Source Law

3 Sec. 5. The district is hereby vested with, and
4 shall have and exercise, all of the rights, powers,
5 privileges, authority and functions conferred by the
6 general laws of this state applicable to municipal
7 utility districts, including without limitation those
8 conferred by Chapter 54, Title 4, Water Code,
9 but

10 Revisor's Note

11 (1) Section 5, Chapter 579, Acts of the 62nd
12 Legislature, Regular Session, 1971, provides that the
13 district "is hereby vested with, and shall have and
14 exercise" certain powers. The revised law substitutes
15 "has" for the quoted language because, in context, the
16 terms are synonymous and "has" is more commonly used.

17 (2) Section 5, Chapter 579, Acts of the 62nd
18 Legislature, Regular Session, 1971, refers to the
19 "rights, powers, privileges, [and] authority" of the
20 district. The revised law omits "authority" because,
21 in context, "authority" is included in the meaning of
22 "rights, powers, [and] privileges."

23 (3) Section 5, Chapter 579, Acts of the 62nd
24 Legislature, Regular Session, 1971, grants the
25 district certain powers, "including without
26 limitation those conferred by Chapter 54, Title 4,
27 Water Code." The revised law omits "without
28 limitation" because Section 311.005(13), Government
29 Code (Code Construction Act), provides that "includes"
30 and "including" are terms of enlargement and not of
31 limitation and do not create a presumption that
32 components not expressed are excluded.

33 (4) Section 5, Chapter 579, Acts of the 62nd
34 Legislature, Regular Session, 1971, refers to Chapter
35 54, Water Code. For the reader's convenience, the
36 revised law adds a reference to Chapter 49, Water Code,
37 because Chapter 715, Acts of the 74th Legislature,

1 Regular Session, 1995, repealed many provisions of
2 Chapter 54 and enacted similar provisions in Chapter
3 49, Water Code, which applies to the district under
4 Sections 49.001 and 49.002 of that chapter.

5 (5) Section 5, Chapter 579, Acts of the 62nd
6 Legislature, Regular Session, 1971, provides that the
7 act prevails over general law in case of a conflict or
8 other inconsistency and that all general laws
9 applicable to municipal utility districts not in
10 conflict or inconsistent with the provisions of the
11 act are adopted and incorporated by reference. The
12 revised law omits the portion of the provision
13 relating to the act prevailing over general law
14 because it duplicates in substance Section 311.026(b),
15 Government Code (Code Construction Act). The revised
16 law omits the portion of the provision relating to
17 adoption and incorporation of general laws because
18 Section 5 of Chapter 579 (revised as this section)
19 already provides that those laws apply to the
20 district, and it is unnecessary to repeat that
21 authority. The omitted law reads:

22 Sec. 5. . . . if any provision of
23 such general laws shall be in conflict or
24 inconsistent with the provisions of this
25 Act, the provisions of this Act shall
26 prevail. All such general laws applicable
27 to municipal utility districts not in
28 conflict or inconsistent with the
29 provisions of this Act are hereby adopted
30 and incorporated by reference with the same
31 effect as if copied in full in this Act.

32 Revisor's Note
33 (End of Chapter)

34 (1) Section 7, Chapter 579, Acts of the 62nd
35 Legislature, Regular Session, 1971, contains
36 legislative findings relating to the performance of
37 the requirements of Section 59(d), Article XVI, Texas
38 Constitution, and to the authority of the legislature
39 to enact that chapter. The revised law omits that

1 provision as executed. The omitted law reads:

2 Sec. 7. The Legislature specifically
3 finds and declares that the requirements of
4 Article XVI, Section 59(d) of the
5 Constitution of Texas have been performed
6 and accomplished in due course and time and
7 order, and that the Legislature has the
8 power and authority to enact this Act.

9 (2) Section 8, Chapter 579, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that the
11 act is severable. The revised law omits that provision
12 because it duplicates Section 311.032, Government Code
13 (Code Construction Act), which provides that a
14 provision of a statute is severable from each other
15 provision of the statute that can be given effect. The
16 omitted law reads:

17 Sec. 8. If any word, phrase, clause,
18 paragraph, sentence, part, portion, or
19 provision of this Act or the application
20 thereof to any person or circumstance shall
21 be held to be invalid or unconstitutional,
22 the remainder of this Act shall
23 nevertheless be valid and the Legislature
24 hereby declares that this Act would have
25 been enacted without such invalid or
26 unconstitutional word, phrase, clause,
27 paragraph, sentence, part, portion, or
28 provision.

41 CHAPTER 8229. LUCE BAYOU PUBLIC UTILITY DISTRICT

42 SUBCHAPTER A. GENERAL PROVISIONS

1 Revised Law

2 Sec. 8229.001. DEFINITIONS. In this chapter:

3 (1) "Board" means the district's board of directors.

4 (2) "Director" means a member of the board.

5 (3) "District" means the Luce Bayou Public Utility
6 District. (Acts 62nd Leg., R.S., Ch. 554, Sec. 1 (part); New.)

7 Source Law

8 Sec. 1. . . . [a . . . district] . . . to be
9 known as "Luce Bayou Public Utility District,"
10 hereinafter called the "district,"

11 Revisor's Note

12 The definitions of "board" and "director" are
13 added to the revised law for drafting convenience and
14 to eliminate frequent, unnecessary repetition of the
15 substance of the definitions.

16 Revised Law

17 Sec. 8229.002. NATURE OF DISTRICT. The district is a
18 conservation and reclamation district in Harris County created
19 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
20 R.S., Ch. 554, Sec. 1 (part).)

21 Source Law

22 Sec. 1. . . . there is hereby created and
23 established, under and pursuant to the provisions of
24 Article XVI, Section 59 of the Constitution of Texas, a
25 conservation and reclamation district in Harris
26 County, Texas, . . . which shall be a governmental
27 agency and a body politic and corporate. . . .

28 Revisor's Note

29 (1) Section 1, Chapter 554, Acts of the 62nd
30 Legislature, Regular Session, 1971, provides that the
31 district is "created and established." The revised
32 law omits "established" because the meaning of that
33 word is included in the meaning of "created."

34 (2) Section 1, Chapter 554, Acts of the 62nd
35 Legislature, Regular Session, 1971, provides that the
36 district is created notwithstanding certain laws
37 relating to consent. The revised law omits that
38 provision as executed because the district has been

1 created. The omitted law reads:

2 Sec. 1. Notwithstanding provisions
3 of the general laws relating to consent by
4 political subdivisions for the creation of
5 conservation and reclamation districts,
6 [there is hereby created . . . a
7 conservation and reclamation district]
8

9 (3) Section 1, Chapter 554, Acts of the 62nd
10 Legislature, Regular Session, 1971, refers to the
11 district as "a governmental agency and a body politic
12 and corporate." The revised law omits the quoted
13 language because it duplicates a portion of Section
14 59(b), Article XVI, Texas Constitution, which provides
15 that a conservation and reclamation district is a
16 governmental agency and a body politic and corporate.

17 Revised Law

18 Sec. 8229.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
19 The district is created to serve a public use and benefit.

20 (b) All land and other property included in the boundaries
21 of the district will benefit from the works and projects
22 accomplished by the district under the powers conferred by Section
23 59, Article XVI, Texas Constitution.

24 (c) The creation of the district is essential to accomplish
25 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
26 62nd Leg., R.S., Ch. 554, Secs. 1 (part), 3.)

27 Source Law

28 Sec. 1. . . . The creation and establishment of
29 the district is hereby declared to be essential to the
30 accomplishment of the purposes of Article XVI, Section
31 59 of the Constitution of Texas.

32 Sec. 3. It is determined and found that all of
33 the land and other property included within the area
34 and boundaries of the district will be benefited by the
35 works and project which are to be accomplished by the
36 district pursuant to the powers conferred by the
37 provisions of Article XVI, Section 59 of the
38 Constitution of Texas, and that said district is
39 created to serve a public use and benefit.

40 Revisor's Note

41 (1) Section 1, Chapter 554, Acts of the 62nd
42 Legislature, Regular Session, 1971, provides that the

1 "creation and establishment" of the district are
2 essential to accomplish the purposes of Section 59,
3 Article XVI, Texas Constitution. The revised law
4 omits "establishment" because its meaning is included
5 in the meaning of "creation."

6 (2) Section 3, Chapter 554, Acts of the 62nd
7 Legislature, Regular Session, 1971, refers to land and
8 other property included within the "area and
9 boundaries of the district." The revised law omits the
10 reference to "area" because, in context, "area" is
11 included in the meaning of "boundaries."

12 Revised Law

13 Sec. 8229.004. DISTRICT TERRITORY. (a) The district is
14 composed of the territory described by Section 4, Chapter 554, Acts
15 of the 62nd Legislature, Regular Session, 1971, as that territory
16 may have been modified under:

- 17 (1) Subchapter H, Chapter 54, Water Code;
18 (2) Subchapter J, Chapter 49, Water Code; or
19 (3) other law.

20 (b) The boundaries and field notes of the district form a
21 closure. A mistake in copying the field notes in the legislative
22 process or another mistake in the field notes does not affect:

- 23 (1) the district's organization, existence, or
24 validity;
25 (2) the district's right to issue any type of bond for
26 a purpose for which the district is created or to pay the principal
27 of and interest on the bond;
28 (3) the district's right to impose a tax; or
29 (4) the legality or operation of the district or its
30 governing body. (Acts 62nd Leg., R.S., Ch. 554, Sec. 2; New.)

31 Source Law

32 Sec. 2. It is determined and found that the
33 boundaries and field notes of the district form a
34 closure. If any mistake is made in copying the field
35 notes in the legislative process or otherwise a
36 mistake is made in the field notes, it shall in no way
37 affect the organization, existence and validity of the

1 district, or the right of the district to issue any
2 type of bonds or refunding bonds for the purposes for
3 which the district is created or to pay the principal
4 and interest thereon, or the right to assess, levy and
5 collect taxes, or in any other manner affect the
6 legality or operation of the district or its governing
7 body.

8 Revisor's Note

9 (1) The revision of the law governing the
10 district does not revise the statutory language
11 describing the territory of the district to avoid the
12 lengthy recitation of the description and because that
13 description may not be accurate on the effective date
14 of the revision or at the time of a later reading. For
15 the reader's convenience, the revised law includes
16 references to the statutory description of the
17 district's territory and to the authority to change the
18 district's territory under Subchapter H, Chapter 54,
19 Water Code, applicable to municipal utility districts,
20 and under Subchapter J, Chapter 49, Water Code,
21 applicable to the district under Sections 49.001 and
22 49.002 of that chapter. The revised law also includes
23 a reference to the general authority of the
24 legislature to enact a law to change the district's
25 territory.

26 (2) Section 2, Chapter 554, Acts of the 62nd
27 Legislature, Regular Session, 1971, provides that a
28 mistake in the description of the district boundaries
29 does not affect the right of the district to issue "any
30 type of bonds or refunding bonds." The revised law
31 omits the reference to "refunding bonds" because
32 refunding bonds are included in the meaning of "any
33 type of bonds."

34 (3) Section 2, Chapter 554, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to the
36 district's authority to "assess, levy and collect"
37 taxes. The revised law substitutes "impose" for
38 "assess, levy and collect" because "impose" is the

1 term generally used in Title 1, Tax Code, and includes
2 the assessment, levy, and collection of a tax.

3 [Sections 8229.005-8229.050 reserved for expansion]

4 SUBCHAPTER B. BOARD OF DIRECTORS

5 Revised Law

6 Sec. 8229.051. COMPOSITION OF BOARD. The board of
7 directors is composed of five elected directors. (Acts 62nd Leg.,
8 R.S., Ch. 554, Sec. 6 (part).)

9 Source Law

10 Sec. 6. . . . Succeeding directors shall be
11 elected or

12 Revisor's Note

13 (1) Section 6, Chapter 554, Acts of the 62nd
14 Legislature, Regular Session, 1971, refers to the
15 initial board of directors and to vacancy procedures.
16 The revised law omits the language relating to the
17 creation of the initial board as executed. The revised
18 law omits the language relating to vacancy procedures
19 for the initial board as executed and, to the extent
20 the language may apply to subsequently appointed
21 directors, because it duplicates in substance Section
22 49.105(c), Water Code. That section applies to the
23 district under Sections 49.001 and 49.002, Water Code.
24 The omitted law reads:

25 Sec. 6. Immediately after this Act
26 becomes effective, the following named
27 persons shall be the directors of the
28 district and shall constitute the board of
29 directors of the district:

30 J. K. Lyles
31 Don V. Brelsford
32 Luther Martin
33 J. T. Williams
34 L. L. Neuhaus

35 Said persons shall qualify to serve as
36 directors prior to the first meeting of the
37 board of directors. Should any of the above
38 named directors fail to qualify for any
39 reason, the remaining named directors shall
40 appoint someone to fill such vacancy or
41 vacancies; provided, however, that if at
42 any time the number of qualified directors
43 shall be less than three because of the
44 failure or refusal of one or more directors
45 to qualify or serve or because of his or

1 their death or incapacitation, or for any
2 such other reason, the Texas Water Rights
3 Commission shall appoint the necessary
4 number of directors to fill all vacancies on
5 the board. The directors above named or
6 their duly appointed and qualified
7 successor or successors shall serve until
8 the second Saturday in January, 1973. . . .

9 (2) Section 6, Chapter 554, Acts of the 62nd
10 Legislature, Regular Session, 1971, refers to
11 "[s]ucceeding directors" to distinguish the
12 succeeding directors from the initial directors named
13 in that section. The revised law substitutes "five"
14 for "succeeding" to conform to the number of directors
15 listed in Section 6 (establishing the initial board).

16 (3) Section 6, Chapter 554, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides for
18 directors to be elected or appointed and to serve for
19 the term and in the manner provided by Chapter 54,
20 Water Code. Chapter 715, Acts of the 74th Legislature,
21 Regular Session, 1995, repealed the relevant
22 provisions of Chapter 54 and enacted similar
23 provisions in Chapter 49, Water Code, including
24 Section 49.103, which governs the terms of office and
25 manner of election of directors of a municipal utility
26 district that is required by law to elect its
27 directors. The revised law omits any reference to
28 Chapter 49, Water Code, because Chapter 49 applies to
29 the district under Sections 49.001 and 49.002 of that
30 chapter. The revised law also omits "appointed"
31 because it is clear from the context of Section 6 that
32 the reference applies only to directors appointed to
33 fill vacancies as provided by Chapter 49, Water Code.
34 The omitted law reads:

35 Sec. 6. . . . [Succeeding directors
36 shall be elected or] appointed and shall
37 serve for the term and in the manner
38 provided by Chapter 54, Title 4, Water Code.

39 [Sections 8229.052-8229.100 reserved for expansion]

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 8229.101. MUNICIPAL UTILITY DISTRICT POWERS. The
4 district has the rights, powers, privileges, and functions
5 conferred by general law applicable to a municipal utility
6 district, including Chapters 49 and 54, Water Code. (Acts 62nd
7 Leg., R.S., Ch. 554, Sec. 5 (part); New.)

8 Source Law

9 Sec. 5. The district is hereby vested with, and
10 shall have and exercise, all of the rights, powers,
11 privileges, authority and functions conferred by the
12 general laws of this state applicable to municipal
13 utility districts, including without limitation those
14 conferred by Chapter 54, Title 4, Water Code, but
15

16 Revisor's Note

17 (1) Section 5, Chapter 554, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 district "is hereby vested with, and shall have and
20 exercise" certain powers. The revised law substitutes
21 "has" for the quoted language because, in context, the
22 terms are synonymous and "has" is more commonly used.

23 (2) Section 5, Chapter 554, Acts of the 62nd
24 Legislature, Regular Session, 1971, refers to the
25 "rights, powers, privileges, [and] authority" of the
26 district. The revised law omits the reference to
27 "authority" because, in context, "authority" is
28 included in the meaning of "rights, powers, [and]
29 privileges."

30 (3) Section 5, Chapter 554, Acts of the 62nd
31 Legislature, Regular Session, 1971, grants the
32 district certain powers, "including without
33 limitation those conferred by Chapter 54, Title 4,
34 Water Code." The revised law omits "without
35 limitation" because Section 311.005(13), Government
36 Code (Code Construction Act), provides that "includes"
37 and "including" are terms of enlargement and not of

1 limitation and do not create a presumption that
2 components not expressed are excluded.

3 (4) Section 5, Chapter 554, Acts of the 62nd
4 Legislature, Regular Session, 1971, refers to Chapter
5 54, Water Code. For the reader's convenience, the
6 revised law adds a reference to Chapter 49, Water Code,
7 because Chapter 715, Acts of the 74th Legislature,
8 Regular Session, 1995, repealed many provisions of
9 Chapter 54 and enacted similar provisions in Chapter
10 49, Water Code, which applies to the district under
11 Sections 49.001 and 49.002 of that chapter.

12 (5) Section 5, Chapter 554, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 act prevails over general law in case of a conflict or
15 other inconsistency and that all general laws
16 applicable to municipal utility districts not in
17 conflict or inconsistent with the provisions of the
18 act are adopted and incorporated by reference. The
19 revised law omits the portion of the provision
20 relating to the act prevailing over general law
21 because it duplicates in substance Section 311.026(b),
22 Government Code (Code Construction Act). The revised
23 law omits the portion of the provision relating to
24 adoption and incorporation of general laws because
25 Section 5 of Chapter 554 (revised as this section)
26 already provides that those laws apply to the
27 district, and it is unnecessary to repeat that
28 authority. The omitted law reads:

29 Sec. 5. . . . if any provision of
30 such general laws shall be in conflict or
31 inconsistent with the provisions of this
32 Act, the provisions of this Act shall
33 prevail. All such general laws applicable
34 to municipal utility districts not in
35 conflict or inconsistent with the
36 provisions of this Act are hereby adopted
37 and incorporated by reference with the same
38 effect as if copied in full in this Act.

1 Revisor's Note
2 (End of Chapter)

3 (1) Section 7, Chapter 554, Acts of the 62nd
4 Legislature, Regular Session, 1971, contains
5 legislative findings relating to the performance of
6 the requirements of Section 59(d), Article XVI, Texas
7 Constitution, and to the authority of the legislature
8 to enact that chapter. The revised law omits the
9 provision as executed. The omitted law reads:

10 Sec. 7. The Legislature specifically
11 finds and declares that the requirements of
12 Article XVI, Section 59(d) of the
13 Constitution of Texas have been performed
14 and accomplished in due course and time and
15 order, and that the Legislature has the
16 power and authority to enact this Act.

17 (2) Section 8, Chapter 554, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 act is severable. The revised law omits that provision
20 because it duplicates Section 311.032, Government Code
21 (Code Construction Act), which provides that a
22 provision of a statute is severable from each other
23 provision of the statute that can be given effect. The
24 omitted law reads:

25 Sec. 8. If any word, phrase, clause,
26 paragraph, sentence, part, portion or
27 provision of this Act or the application
28 thereof to any persons or circumstances
29 shall be held to be invalid or
30 unconstitutional, the remainder of the Act
31 shall nevertheless be valid and the
32 Legislature hereby declares that this Act
33 would have been enacted without such
34 invalid or unconstitutional word, phrase,
35 clause, paragraph, sentence, part, portion
36 or provision.

6 Sec. 8230.101. MUNICIPAL UTILITY DISTRICT POWERS 1354

7 CHAPTER 8230. LUMBERTON MUNICIPAL UTILITY DISTRICT

8 SUBCHAPTER A. GENERAL PROVISIONS

9 Revised Law

10 Sec. 8230.001. DEFINITIONS. In this chapter:

11 (1) "Board" means the district's board of directors.

12 (2) "Director" means a member of the board.

13 (3) "District" means the Lumberton Municipal Utility
14 District. (Acts 63rd Leg., R.S., Ch. 388, Sec. 1 (part); New.)

15 Source Law

16 Sec. 1. . . . [a . . . district] . . . to be
17 known as Lumberton Municipal Utility District,

18 Revisor's Note

19 The definitions of "board" and "director" are
20 added to the revised law for drafting convenience and
21 to eliminate frequent, unnecessary repetition of the
22 substance of the definitions.

23 Revised Law

24 Sec. 8230.002. NATURE OF DISTRICT. The district is a
25 conservation and reclamation district in Hardin County created
26 under Section 59, Article XVI, Texas Constitution. (Acts 63rd Leg.,
27 R.S., Ch. 388, Sec. 1 (part).)

28 Source Law

29 Sec. 1. Under and pursuant to the provisions of
30 Article XVI, Section 59, of the Constitution of Texas,
31 a conservation and reclamation district is hereby
32 created and established in Hardin County, Texas, . . .
33 which shall be a governmental agency and a body politic
34 and corporate. . . .

35 Revisor's Note

36 (1) Section 1, Chapter 388, Acts of the 63rd
37 Legislature, Regular Session, 1973, provides that the

1 district is "created and established." The revised
2 law omits "established" because the meaning of that
3 word is included in the meaning of "created."

4 (2) Section 1, Chapter 388, Acts of the 63rd
5 Legislature, Regular Session, 1973, refers to the
6 district as "a governmental agency and a body politic
7 and corporate." The revised law omits the quoted
8 language because it duplicates a portion of Section
9 59(b), Article XVI, Texas Constitution, which provides
10 that a conservation and reclamation district is a
11 governmental agency and a body politic and corporate.

12 Revised Law

13 Sec. 8230.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
14 The district is created to serve a public use and benefit.

15 (b) All land and other property included in the boundaries
16 of the district will benefit from the works and projects
17 accomplished by the district under the powers conferred by Section
18 59, Article XVI, Texas Constitution.

19 (c) The creation of the district is essential to accomplish
20 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
21 63rd Leg., R.S., Ch. 388, Secs. 1 (part), 4.)

22 Source Law

23 Sec. 1. . . . The creation and establishment of
24 the District is hereby declared to be essential to the
25 accomplishment of the purposes of Article XVI, Section
26 59, of the Constitution of Texas.

27 Sec. 4. It is determined and found that all of
28 the land and other property included within the area
29 and boundaries of the District will be benefited by the
30 works and project which are to be accomplished by the
31 District pursuant to the powers conferred by the
32 provisions of Article XVI, Section 59, of the
33 Constitution of Texas, and that said District is
34 created to serve a public use and benefit.

35 Revisor's Note

36 (1) Section 1, Chapter 388, Acts of the 63rd
37 Legislature, Regular Session, 1973, provides that the
38 "creation and establishment" of the district are
39 essential to accomplish the purposes of Section 59,

1 Article XVI, Texas Constitution. The revised law
2 omits "establishment" because its meaning is included
3 in the meaning of "creation."

4 (2) Section 4, Chapter 388, Acts of the 63rd
5 Legislature, Regular Session, 1973, refers to land and
6 other property included within the "area and
7 boundaries of the District." The revised law omits the
8 reference to "area" because, in context, "area" is
9 included in the meaning of "boundaries."

10 Revised Law

11 Sec. 8230.004. DISTRICT TERRITORY. (a) The district is
12 composed of the territory described by Section 2, Chapter 388, Acts
13 of the 63rd Legislature, Regular Session, 1973, as that territory
14 may have been modified under:

15 (1) Subchapter H, Chapter 54, Water Code;

16 (2) Subchapter J, Chapter 49, Water Code; or

17 (3) other law.

18 (b) The boundaries and field notes of the district form a
19 closure. A mistake in copying the field notes in the legislative
20 process or another mistake in the field notes does not affect:

21 (1) the district's organization, existence, or
22 validity;

23 (2) the district's right to issue any type of bond for
24 a purpose for which the district is created or to pay the principal
25 of and interest on the bond;

26 (3) the district's right to impose a tax; or

27 (4) the legality or operation of the district or its
28 governing body. (Acts 63rd Leg., R.S., Ch. 388, Sec. 3; New.)

29 Source Law

30 Sec. 3. It is determined and found that the
31 boundaries and field notes of the District form a
32 closure. If any mistake is made in copying the field
33 notes in the legislative process or otherwise a
34 mistake is made in the field notes, it shall in no way
35 affect the organization, existence, and validity of
36 the District, or the right of the District to issue any
37 type of bonds or refunding bonds for the purposes for
38 which the District is created or to pay the principal
39 and interest thereon, or the right to assess, levy and

1 collect taxes, or in any other manner affect the
2 legality or operation of the District or its governing
3 body.

4 Revisor's Note

5 (1) The revision of the law governing the
6 district does not revise the statutory language
7 describing the territory of the district to avoid the
8 lengthy recitation of the description and because that
9 description may not be accurate on the effective date
10 of the revision or at the time of a later reading. For
11 the reader's convenience, the revised law includes
12 references to the statutory description of the
13 district's territory and to the authority to change the
14 district's territory under Subchapter H, Chapter 54,
15 Water Code, applicable to municipal utility districts,
16 and under Subchapter J, Chapter 49, Water Code,
17 applicable to the district under Sections 49.001 and
18 49.002 of that chapter. The revised law also includes
19 a reference to the general authority of the
20 legislature to enact a law to change the district's
21 territory.

22 (2) Section 3, Chapter 388, Acts of the 63rd
23 Legislature, Regular Session, 1973, provides that a
24 mistake in the description of the district boundaries
25 does not affect the right of the district to issue "any
26 type of bonds or refunding bonds." The revised law
27 omits the reference to "refunding bonds" because
28 refunding bonds are included in the meaning of "any
29 type of bonds."

30 (3) Section 3, Chapter 388, Acts of the 63rd
31 Legislature, Regular Session, 1973, refers to the
32 district's authority to "assess, levy and collect"
33 taxes. The revised law substitutes "impose" for
34 "assess, levy and collect" because "impose" is the
35 term generally used in Title 1, Tax Code, and includes
36 the assessment, levy, and collection of a tax.

1 Revised Law

2 Sec. 8230.005. CERTAIN LAWS INAPPLICABLE TO CREATION OF
3 DISTRICT. The district was created notwithstanding any provision of
4 Section 212.003, Local Government Code, Chapter 42 or 43, Local
5 Government Code, or Section 54.016, Water Code, and to the extent of
6 the creation of the district only, those provisions shall have no
7 application. (Acts 63rd Leg., R.S., Ch. 388, Sec. 8.)

8 Source Law

9 Sec. 8. This District is hereby created
10 notwithstanding any of the provisions of the Municipal
11 Annexation Act, being Article 970a, V.T.C.S., as
12 amended, or of the Water Code Section 54.016 and to the
13 extent of the creation of the district only, said
14 Article 970a and Water Code Section 54.016 shall have
15 no application.

16 Revisor's Note

17 Section 8, Chapter 388, Acts of the 63rd
18 Legislature, Regular Session, 1973, provides that the
19 district is created "notwithstanding any of the
20 provisions of the Municipal Annexation Act, being
21 Article 970a, V.T.C.S., as amended." Article 970a,
22 Vernon's Texas Civil Statutes (Municipal Annexation
23 Act), was codified in 1987 as Chapters 42 and 43, Local
24 Government Code, and Section 212.003, Local Government
25 Code, and the revised law is drafted to reflect this
26 change. The revised law omits "as amended" because,
27 under Section 311.027, Government Code (Code
28 Construction Act), a reference to a statute applies to
29 all reenactments, revisions, or amendments of that
30 statute, unless expressly provided otherwise.

31 Revisor's Note
32 (End of Subchapter)

33 Section 6, Chapter 388, Acts of the 63rd
34 Legislature, Regular Session, 1973, provides that an
35 election to confirm the creation of the district must
36 be held before the district may issue any bonds or
37 other obligations. The revised law omits that
38 provision as executed because the district has issued

1 bonds, and any confirmation election would have been
2 held. The omitted law reads:

3 Sec. 6. Before issuing any bonds or
4 other obligations, a confirmation election
5 shall be held within the boundaries of the
6 proposed district to determine if the
7 district shall be established. The election
8 shall be held in accordance with the
9 provisions of Sections 54.026 through
10 54.029, Water Code.

12 SUBCHAPTER B. BOARD OF DIRECTORS

13 Revised Law

14 Sec. 8230.051. COMPOSITION OF BOARD. The board of
15 directors is composed of five elected directors. (Acts 63rd Leg.,
16 R.S., Ch. 388, Sec. 7 (part).)

17 Source Law

18 Sec. 7. . . . Succeeding directors shall be
19 elected or

20 Revisor's Note

21 (1) Section 7, Chapter 388, Acts of the 63rd
22 Legislature, Regular Session, 1973, refers to the
23 initial board of directors and to vacancy procedures.
24 The revised law omits the language relating to the
25 creation of the initial board as executed. The revised
26 law omits the language relating to vacancy procedures
27 for the initial board as executed and, to the extent
28 the language may apply to subsequently appointed
29 directors, because it duplicates in substance Section
30 49.105(c), Water Code. That section applies to the
31 district under Sections 49.001 and 49.002, Water Code.
32 The omitted law reads:

33 Sec. 7. Immediately after this Act
34 becomes effective, the following named
35 persons shall be the directors of the
36 District, and shall constitute the Board of
37 Directors of the District: Marcus Bowman;
38 Tommy Edgar; Frank Groves; Herbert Seaman;
39 Wilson Green.

40 Said persons shall qualify to serve as
41 directors prior to the first meeting of the
42 Board of Directors. Should any of the above
43 named directors fail to qualify for any
44 reason, the remaining named directors shall

1 appoint someone to fill such vacancy or
2 vacancies; provided, however, that if at
3 any time the number of qualified directors
4 shall be less than three because of the
5 failure or refusal of one or more directors
6 to qualify or serve or because of his or
7 their death or incapacitation, or for any
8 other reason, the Texas Water Rights
9 Commission shall appoint the necessary
10 number of directors to fill all vacancies on
11 the Board. The directors above named or
12 their duly appointed and qualified
13 successor or successors shall serve until
14 the second Saturday in January, 1975. . . .

15 (2) Section 7, Chapter 388, Acts of the 63rd
16 Legislature, Regular Session, 1973, refers to
17 "[s]ucceeding directors" to distinguish the
18 succeeding directors from the initial directors named
19 in that section. The revised law substitutes "five"
20 for "succeeding" to conform to the number of directors
21 listed in Section 7 (establishing the initial board).

22 (3) Section 7, Chapter 388, Acts of the 63rd
23 Legislature, Regular Session, 1973, provides for
24 directors to be elected or appointed and to serve for
25 the term and in the manner provided by Chapter 54,
26 Water Code, for directors first elected. Chapter 715,
27 Acts of the 74th Legislature, Regular Session, 1995,
28 repealed the relevant provisions of Chapter 54 and
29 enacted similar provisions in Chapter 49, Water Code,
30 including Section 49.103, which governs the terms of
31 office and manner of election of directors of a
32 municipal utility district that is required by law to
33 elect its directors. The revised law omits any
34 reference to Chapter 49, Water Code, because Chapter
35 49 applies to the district under Sections 49.001 and
36 49.002 of that chapter. The revised law also omits
37 "appointed" because it is clear from the context of
38 Section 7 that the reference applies only to directors
39 appointed to fill vacancies as provided by Chapter 49,
40 Water Code. The omitted law reads:

41 Sec. 7. . . . [Succeeding directors
42 shall be elected or] appointed and shall

1 serve for the term and in the manner
2 provided by Chapter 54, Water Code, for
3 directors first elected.

4 [Sections 8230.052-8230.100 reserved for expansion]

5 SUBCHAPTER C. POWERS AND DUTIES

6 Revised Law

7 Sec. 8230.101. MUNICIPAL UTILITY DISTRICT POWERS. The
8 district has the rights, powers, privileges, and functions
9 conferred and imposed by general law applicable to a municipal
10 utility district created under Section 59, Article XVI, Texas
11 Constitution, including Chapters 49 and 54, Water Code. (Acts 63rd
12 Leg., R.S., Ch. 388, Sec. 5 (part); New.)

13 Source Law

14 Sec. 5. The District is hereby vested with, and
15 shall have and exercise, all of the rights, powers,
16 privileges, authority and functions conferred and
17 imposed by the general laws of this state now in force
18 or hereafter enacted, applicable to municipal utility
19 districts created under authority of Article XVI,
20 Section 59, of the Constitution of Texas, including
21 without limitation those conferred by Chapter 54,
22 Title 4, Water Code, but

23 Revisor's Note

24 (1) Section 5, Chapter 388, Acts of the 63rd
25 Legislature, Regular Session, 1973, provides that the
26 district "is hereby vested with, and shall have and
27 exercise" certain powers. The revised law substitutes
28 "has" for the quoted language because, in context, the
29 terms are synonymous and "has" is more commonly used.

30 (2) Section 5, Chapter 388, Acts of the 63rd
31 Legislature, Regular Session, 1973, refers to the
32 "rights, powers, privileges, [and] authority" of the
33 district. The revised law omits the reference to
34 "authority" because, in context, "authority" is
35 included in the meaning of "rights, powers, [and]
36 privileges."

37 (3) Section 5, Chapter 388, Acts of the 63rd
38 Legislature, Regular Session, 1973, states that the
39 district has the rights, powers, privileges,
40 authority, and functions conferred by the general laws

1 of this state "now in force or hereafter enacted." The
2 revised law omits the quoted language because it
3 duplicates accepted general principles of statutory
4 construction. The "general laws of this state" means
5 those laws "in force" at the time the provision was
6 adopted. It is unnecessary to state that the district
7 may be granted additional powers by later enacted laws
8 because those laws apply on their own terms.

9 (4) Section 5, Chapter 388, Acts of the 63rd
10 Legislature, Regular Session, 1973, grants the
11 district certain powers, "including without
12 limitation those conferred by Chapter 54, Title 4,
13 Water Code." The revised law omits "without
14 limitation" because Section 311.005(13), Government
15 Code (Code Construction Act), provides that "includes"
16 and "including" are terms of enlargement and not of
17 limitation and do not create a presumption that
18 components not expressed are excluded.

19 (5) Section 5, Chapter 388, Acts of the 63rd
20 Legislature, Regular Session, 1973, refers to Chapter
21 54, Water Code. For the reader's convenience, the
22 revised law adds a reference to Chapter 49, Water Code,
23 because Chapter 715, Acts of the 74th Legislature,
24 Regular Session, 1995, repealed many provisions of
25 Chapter 54 and enacted similar provisions in Chapter
26 49, Water Code, which applies to the district under
27 Sections 49.001 and 49.002 of that chapter.

28 (6) Section 5, Chapter 388, Acts of the 63rd
29 Legislature, Regular Session, 1973, provides that the
30 act prevails over general law in case of a conflict or
31 other inconsistency. The revised law omits the
32 provision because it duplicates Section 311.026(b),
33 Government Code (Code Construction Act). The omitted
34 law reads:

1 Sec. 5. . . . if any provision of
2 such general laws shall be in conflict or
3 inconsistent with the provisions of this
4 Act, the provisions of this Act shall
5 prevail.

6 Revisor's Note
7 (End of Chapter)

8 (1) Section 9, Chapter 388, Acts of the 63rd
9 Legislature, Regular Session, 1973, contains
10 legislative findings relating to the performance of
11 the requirements of Section 59(d), Article XVI, Texas
12 Constitution, and to the authority of the legislature
13 to enact that chapter. The revised law omits the
14 provision as executed. The omitted law reads:

15 Sec. 9. The Legislature specifically
16 finds and declares that the requirements of
17 Article XVI, Section 59(d) of the
18 Constitution of Texas have been performed
19 and accomplished in due course and time and
20 order, and that the Legislature has the
21 power and authority to enact this Act.

22 (2) Section 10, Chapter 388, Acts of the 63rd
23 Legislature, Regular Session, 1973, provides that the
24 act is severable. The revised law omits that provision
25 because it duplicates Section 311.032, Government Code
26 (Code Construction Act), which provides that a
27 provision of a statute is severable from each other
28 provision of the statute that can be given effect. The
29 omitted law reads:

30 Sec. 10. If any word, phrase, clause,
31 paragraph, sentence, part, portion, or
32 provision of this Act or the application
33 thereof to any person or circumstance shall
34 be held to be invalid or unconstitutional,
35 the remainder of this Act shall
36 nevertheless be valid; and the Legislature
37 hereby declares this Act would have been
38 enacted without such invalid or
39 unconstitutional word, phrase, clause,
40 paragraph, sentence, part, portion or
41 provision.

9 CHAPTER 8243. LANNIUS MUNICIPAL UTILITY DISTRICT

10 SUBCHAPTER A. GENERAL PROVISIONS

11 Revised Law

12 Sec. 8243.001. DEFINITIONS. In this chapter:

13 (1) "Board" means the district's board of directors.

14 (2) "Director" means a member of the board.

15 (3) "District" means the Lannius Municipal Utility
16 District. (Acts 63rd Leg., R.S., Ch. 620, Sec. 1 (part); New.)

17 Source Law

18 Sec. 1. . . . a . . . district . . . to be known
19 as the Lannius Municipal Utility District, hereinafter
20 called the "District",

21 Revisor's Note

22 The definitions of "board" and "director" are
23 added to the revised law for drafting convenience and
24 to eliminate frequent, unnecessary repetition of the
25 substance of the definitions.

26 Revised Law

27 Sec. 8243.002. NATURE OF DISTRICT. The district is a
28 conservation and reclamation district in Fannin County created
29 under Section 59, Article XVI, Texas Constitution. (Acts 63rd
30 Leg., R.S., Ch. 620, Sec. 1 (part).)

31 Source Law

32 Sec. 1. Under and pursuant to the provisions of
33 Article XVI, Section 59, of the Constitution of Texas,
34 a conservation and reclamation district is hereby
35 created and established in Fannin County, Texas, . . .
36 which shall be a governmental agency and a body politic
37 and corporate. . . .

1 Revisor's Note

2 (1) Section 1, Chapter 620, Acts of the 63rd
3 Legislature, Regular Session, 1973, provides that the
4 district is "created and established." The revised
5 law omits "established" because the meaning of that
6 word is included in the meaning of "created."

7 (2) Section 1, Chapter 620, Acts of the 63rd
8 Legislature, Regular Session, 1973, refers to the
9 district as "a governmental agency and a body politic
10 and corporate." The revised law omits the quoted
11 language because it duplicates a portion of Section
12 59(b), Article XVI, Texas Constitution, which provides
13 that a conservation and reclamation district is a
14 governmental agency and a body politic and corporate.

15 Revised Law

16 Sec. 8243.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
17 The district is created to serve a public use and benefit.

18 (b) All land and other property included in the boundaries
19 of the district will benefit from the works and projects
20 accomplished by the district under the powers conferred by Section
21 59, Article XVI, Texas Constitution.

22 (c) The creation of the district is essential to accomplish
23 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
24 63rd Leg., R.S., Ch. 620, Secs. 1 (part), 4.)

25 Source Law

26 Sec. 1. . . . The creation and establishment of
27 the district is hereby declared to be essential to the
28 accomplishment of the purposes of Article XVI, Section
29 59, of the Constitution of Texas.

30 Sec. 4. It is determined and found that all of
31 the land and other property included within the area
32 and boundaries of the district will be benefitted by
33 the works and project which are to be accomplished by
34 the district pursuant to the powers conferred by the
35 provisions of Article XVI, Section 59, of the
36 Constitution of Texas, and that said district is
37 created to serve a public use and benefit.

38 Revisor's Note

39 (1) Section 1, Chapter 620, Acts of the 63rd

1 Legislature, Regular Session, 1973, declares that the
2 "creation and establishment" of the district are
3 essential to accomplish the purposes of Section 59,
4 Article XVI, Texas Constitution. The revised law
5 omits "establishment" because its meaning is included
6 in the meaning of "creation."

7 (2) Section 4, Chapter 620, Acts of the 63rd
8 Legislature, Regular Session, 1973, refers to land and
9 other property included within the "area and
10 boundaries of the district." The revised law omits the
11 reference to "area" because, in context, "area" is
12 included in the meaning of "boundaries."

13 Revised Law

14 Sec. 8243.004. DISTRICT TERRITORY. (a) The district is
15 composed of the territory described by Section 2, Chapter 620, Acts
16 of the 63rd Legislature, Regular Session, 1973, as that territory
17 may have been modified under:

- 18 (1) Subchapter H, Chapter 54, Water Code;
- 19 (2) Subchapter J, Chapter 49, Water Code; or
- 20 (3) other law.

21 (b) The boundaries and field notes of the district form a
22 closure. A mistake in copying the field notes in the legislative
23 process or another mistake in the field notes does not affect:

- 24 (1) the district's organization, existence, or
25 validity;
- 26 (2) the district's right to issue any type of bond for
27 a purpose for which the district is created or to pay the principal
28 of and interest on the bond;
- 29 (3) the district's right to impose a tax; or
- 30 (4) the legality or operation of the district or its
31 governing body. (Acts 63rd Leg., R.S., Ch. 620, Sec. 3; New.)

32 Source Law

33 Sec. 3. It is determined and found that the
34 boundaries and field notes of the district form a
35 closure. If any mistake is made in copying the field
36 notes in the legislative process or otherwise a

1 mistake is made in the field notes, it shall in no way
2 affect the organization, existence and validity of the
3 district, or the right of the district to issue any
4 type of bonds or refunding bonds for the purposes for
5 which the district is created or to pay the principal
6 and interest thereon, or the right to assess, levy and
7 collect taxes, or in any other manner affect the
8 legality or operation of the district or its governing
9 body.

10 Revisor's Note

11 (1) The revision of the law governing the
12 district does not revise the statutory language
13 describing the territory of the district to avoid the
14 lengthy recitation of the description and because that
15 description may not be accurate on the effective date
16 of the revision or at the time of a later reading. For
17 the reader's convenience, the revised law includes
18 references to the statutory description of the
19 district's territory and to the authority to change the
20 district's territory under Subchapter H, Chapter 54,
21 Water Code, applicable to municipal utility districts,
22 and under Subchapter J, Chapter 49, Water Code,
23 applicable to the district under Sections 49.001 and
24 49.002 of that chapter. The revised law also includes
25 a reference to the general authority of the
26 legislature to enact other law to change the district's
27 territory.

28 (2) Section 3, Chapter 620, Acts of the 63rd
29 Legislature, Regular Session, 1973, provides that a
30 mistake in the description of the district boundaries
31 does not affect the right of the district to issue "any
32 type of bonds or refunding bonds." The revised law
33 omits the reference to "refunding bonds" because
34 refunding bonds are included in the meaning of "any
35 type of bonds."

36 (3) Section 3, Chapter 620, Acts of the 63rd
37 Legislature, Regular Session, 1973, refers to the
38 district's authority to "assess, levy and collect"
39 taxes. The revised law substitutes "impose" for

1 "assess, levy and collect" because "impose" is the
2 term generally used in Title 1, Tax Code, and includes
3 the assessment, levy, and collection of a tax.

4 Revisor's Note
5 (End of Subchapter)

6 Section 8, Chapter 620, Acts of the 63rd
7 Legislature, Regular Session, 1973, provides that an
8 election to confirm the creation of the district must
9 be held before the district may issue any bonds or
10 other obligations. The revised law omits that
11 provision as executed because the district has issued
12 bonds, and any confirmation election would have been
13 held. The omitted law reads:

14 Sec. 8. Before issuing any bonds or
15 other obligations an election shall be held
16 within the boundaries of the proposed
17 district to determine if the proposed
18 district shall be established; and such
19 election and notice thereof shall be held
20 and given in the manner provided by Chapter
21 54, Water Code.

22 [Sections 8243.005-8243.050 reserved for expansion]

23 SUBCHAPTER B. BOARD OF DIRECTORS

24 Revised Law

25 Sec. 8243.051. COMPOSITION OF BOARD. The board of
26 directors is composed of five elected directors. (Acts 63rd Leg.,
27 R.S., Ch. 620, Sec. 7 (part).)

28 Source Law

29 Sec. 7. . . . Succeeding directors shall be
30 elected or

31 Revisor's Note

32 (1) Section 7, Chapter 620, Acts of the 63rd
33 Legislature, Regular Session, 1973, refers to the
34 initial board of directors and to vacancy procedures.
35 The revised law omits the language relating to the
36 creation of the initial board as executed. The revised
37 law omits the language relating to vacancy procedures
38 for the initial board as executed and, to the extent
39 the language may apply to subsequently appointed

1 directors, because it duplicates in substance Section
2 49.105(c), Water Code. That section applies to the
3 district under Sections 49.001 and 49.002, Water Code.
4 The omitted law reads:

5 Sec. 7. Immediately after this Act
6 becomes effective, the following named
7 persons shall be the directors of the
8 district and shall constitute the board of
9 directors of the district: Roy Renfro,
10 Richard Knight, Tom R. Jarrell, William D.
11 Taylor, Earl Clement.

12 Said persons shall qualify to serve as
13 directors prior to the first meeting of the
14 board of directors. Should any of the above
15 named directors fail to qualify for any
16 reason, the remaining named directors shall
17 appoint someone to fill such vacancy or
18 vacancies; provided, however, that if at
19 any time the number of qualified directors
20 shall be less than three because of the
21 failure or refusal of one or more directors
22 to qualify or serve or because of his or
23 their death or incapacitation, or for any
24 other reason, the Texas Water Rights
25 Commission shall appoint the necessary
26 number of directors to fill all vacancies on
27 the board. The directors above named or
28 their duly appointed and qualified
29 successor or successors shall serve until
30 the second Saturday in January, 1975. . . .

31 (2) Section 7, Chapter 620, Acts of the 63rd
32 Legislature, Regular Session, 1973, refers to
33 "[s]ucceeding directors" to distinguish the
34 succeeding directors from the initial directors named
35 in that section. The revised law substitutes "five"
36 for "succeeding" to conform to the number of directors
37 listed in Section 7 (establishing the initial board).

38 (3) Section 7, Chapter 620, Acts of the 63rd
39 Legislature, Regular Session, 1973, provides for
40 directors to be elected or appointed and to serve for
41 the term and in the manner provided by Chapter 54,
42 Water Code. Chapter 715, Acts of the 74th Legislature,
43 Regular Session, 1995, repealed the relevant
44 provisions of Chapter 54 and enacted similar
45 provisions in Chapter 49, Water Code, including
46 Section 49.103, which governs the terms of office and
47 manner of election of directors of a municipal utility

1 district that is required by law to elect its
2 directors. The revised law omits any reference to the
3 applicability of Chapter 49, Water Code, because
4 Chapter 49 applies to the district under Sections
5 49.001 and 49.002 of that chapter. The revised law
6 also omits "appointed" because it is clear from the
7 context of Section 7 that the reference applies only to
8 directors appointed to fill vacancies as provided by
9 Chapter 49, Water Code. The omitted law reads:

10 Sec. 7. . . . [Succeeding directors
11 shall be elected or] appointed and shall
12 serve for the term and in the manner
13 provided by Chapter 54, Water Code, for
14 directors first elected.

15 [Sections 8243.052-8243.100 reserved for expansion]

16 SUBCHAPTER C. POWERS

17 Revised Law

18 Sec. 8243.101. MUNICIPAL UTILITY DISTRICT POWERS. The
19 district has the rights, powers, privileges, and functions
20 conferred and imposed by general law applicable to a municipal
21 utility district created under Section 59, Article XVI, Texas
22 Constitution, including Chapters 49 and 54, Water Code. (Acts 63rd
23 Leg., R.S., Ch. 620, Sec. 5 (part).)

24 Source Law

25 Sec. 5. The district is hereby vested with, and
26 shall have and exercise, all of the rights, powers,
27 privileges, authority and functions conferred and
28 imposed by the general laws of this state now in force
29 or hereafter enacted, applicable to municipal utility
30 districts created under authority of Article XVI,
31 Section 59, of the Constitution of Texas, including
32 without limitation those conferred by Chapter 54,
33 Water Code, but

34 Revisor's Note

35 (1) Section 5, Chapter 620, Acts of the 63rd
36 Legislature, Regular Session, 1973, provides that the
37 district "is hereby vested with, and shall have and
38 exercise" certain powers. The revised law substitutes
39 "has" for the quoted language because, in context, the
40 terms are synonymous and "has" is more commonly used.

1 (2) Section 5, Chapter 620, Acts of the 63rd
2 Legislature, Regular Session, 1973, refers to the
3 "rights, powers, privileges, [and] authority" of the
4 district. The revised law omits the reference to
5 "authority" because, in context, "authority" is
6 included in the meaning of "rights, powers, [and]
7 privileges."

8 (3) Section 5, Chapter 620, Acts of the 63rd
9 Legislature, Regular Session, 1973, provides that the
10 district has the rights, powers, privileges,
11 authority, and functions conferred by the general laws
12 of this state "now in force or hereafter enacted." The
13 revised law omits the quoted language because it
14 duplicates accepted general principles of statutory
15 construction. The "general laws of this state" means
16 those laws "in force" at the time the provision was
17 adopted. It is unnecessary to state that the district
18 may be granted additional powers by later enacted laws
19 because those laws apply on their own terms.

20 (4) Section 5, Chapter 620, Acts of the 63rd
21 Legislature, Regular Session, 1973, grants the
22 district certain powers, "including without
23 limitation those conferred by Chapter 54, Water Code."
24 The revised law omits "without limitation" because
25 Section 311.005(13), Government Code (Code
26 Construction Act), provides that "includes" and
27 "including" are terms of enlargement and not of
28 limitation and do not create a presumption that
29 components not expressed are excluded.

30 (5) Section 5, Chapter 620, Acts of the 63rd
31 Legislature, Regular Session, 1973, refers to Chapter
32 54, Water Code. For the reader's convenience, the
33 revised law adds a reference to Chapter 49, Water Code,
34 because Chapter 715, Acts of the 74th Legislature,

1 Regular Session, 1995, repealed many provisions of
2 Chapter 54 and enacted similar provisions in Chapter
3 49, Water Code, which applies to the district under
4 Sections 49.001 and 49.002 of that chapter.

5 (6) Section 5, Chapter 620, Acts of the 63rd
6 Legislature, Regular Session, 1973, provides that the
7 act prevails over general law in case of a conflict or
8 other inconsistency and that all general laws not in
9 conflict or inconsistent with the provisions of the
10 act are adopted and incorporated by reference. The
11 revised law omits the portion of the provision
12 relating to the act prevailing over general law
13 because it duplicates in substance Section 311.026(b),
14 Government Code (Code Construction Act). The revised
15 law omits the portion of the provision relating to
16 adoption and incorporation of general laws because
17 Section 5 of Chapter 620 (revised as this section)
18 already provides that those laws apply to the
19 district, and it is unnecessary to repeat that
20 authority. The omitted law reads:

21 Sec. 5. . . . if any provision of
22 such general laws shall be in conflict or
23 inconsistent with the provisions of this
24 Act, the provisions of this Act shall
25 prevail. All such general laws not in
26 conflict or inconsistent with the
27 provisions of this Act are hereby adopted
28 and incorporated by reference with the same
29 effect as if copied in full in this Act.

30 Revised Law

31 Sec. 8243.102. WATER AND SEWER SYSTEMS. The district may:

32 (1) acquire an existing water system that serves all
33 or part of the district territory; or

34 (2) enter into a contract with the owner of a system
35 described by Subdivision (1) under which the owner agrees:

36 (A) to operate and maintain all or part of the
37 district's facilities;

38 (B) to provide billing for utility service

1 supplied by district facilities;

2 (C) not to provide water service to a customer
3 who is subject to the sanitary sewer service supplied by district
4 facilities but who has not paid for that sewer service; and

5 (D) to any other agreement required to assure
6 adequate maintenance of district facilities and provide money to
7 pay district obligations. (Acts 63rd Leg., R.S., Ch. 620, Sec. 6.)

8 Source Law

9 Sec. 6. The district shall have and is given the
10 power to acquire any existing water system which
11 serves all or part of the territory situated within its
12 boundaries or the district may contract with the owner
13 of such system whereby such owners would (i) operate
14 and maintain all or part of the facilities of the
15 district, and (ii) provide billing for the utility
16 service supplied by the district's facilities, and
17 (iii) agree not to provide water service to any
18 customer who is subject to but has not paid for
19 sanitary sewer service supplied by facilities of the
20 district and (iv) such other covenants and agreements
21 as may be required to provide for assurance of adequate
22 maintenance of the district's facilities and provide
23 funds for the payment of the district's obligations.

24 Revisor's Note

25 (1) Section 6, Chapter 620, Acts of the 63rd
26 Legislature, Regular Session, 1973, provides that the
27 district "shall have and is given the power" to acquire
28 certain property. The revised law substitutes "may"
29 for the quoted language because the phrases have the
30 same meaning, and "may" is more consistent with modern
31 usage. See, for example, Section 311.016(1),
32 Government Code (Code Construction Act), which
33 construes "may."

34 (2) Section 6, Chapter 620, Acts of the 63rd
35 Legislature, Regular Session, 1973, refers to
36 "covenants and agreements" for district facility
37 maintenance. The revised law omits "covenants" because
38 "covenants" is included in the meaning of
39 "agreements."

40 Revisor's Note
41 (End of Chapter)

42 (1) Section 9, Chapter 620, Acts of the 63rd

1 Legislature, Regular Session, 1973, contains
2 legislative findings relating to the performance of
3 the requirements of Section 59(d), Article XVI, Texas
4 Constitution, and to the authority of the legislature
5 to enact that chapter. The revised law omits that
6 provision as executed. The omitted law reads:

7 Sec. 9. The Legislature specifically
8 finds and declares that the requirements of
9 Article XVI, Section 59(d) of the
10 Constitution of Texas have been performed
11 and accomplished in due course and time and
12 order, and that the Legislature has the
13 power and authority to enact this Act.

14 (2) Section 10, Chapter 620, Acts of the 63rd
15 Legislature, Regular Session, 1973, provides that the
16 act is severable. The revised law omits the provision
17 because it duplicates Section 311.032, Government Code
18 (Code Construction Act), which provides that a
19 provision of a statute is severable from each other
20 provision of the statute that can be given effect. The
21 omitted law reads:

22 Sec. 10. If any word, phrase, clause,
23 paragraph, sentence, part, portion, or
24 provision of this Act or the application
25 thereof to any person or circumstances
26 shall be held to be invalid or
27 unconstitutional, the remainder of the Act
28 shall nevertheless be valid; and the
29 Legislature hereby declares that this Act
30 would have been enacted without such
31 invalid or unconstitutional word, phrase,
32 clause, paragraph, sentence, part, portion,
33 or provision.

32		SUBCHAPTER A. GENERAL PROVISIONS	
33		<u>Revised Law</u>	
34	Sec. 8246.001.	DEFINITIONS. In this chapter:	

- 1 (1) "Board" means the district's board of directors.
2 (2) "Director" means a member of the board.
3 (3) "District" means the Lavaca County Flood Control
4 District No. 3.
5 (4) "President" means the president of the board.
6 (5) "Secretary" means the secretary of the board.
7 (Acts 56th Leg., R.S., Ch. 95, Secs. 1 (part), 4 (part); New.)

8 Source Law

9 Sec. 1. . . . a . . . District to be known as
10 Lavaca County Flood Control District Number 3,
11 hereinafter called the District, and

12 Sec. 4. [The District's power shall be exercised
13 through a] Board of Directors, hereinafter referred to
14 as the Board. . . .

15 Revisor's Note

16 The definitions of "director," "president," and
17 "secretary" are added to the revised law for drafting
18 convenience and to eliminate frequent, unnecessary
19 repetition of the substance of the definitions.

20 Revised Law

21 Sec. 8246.002. NATURE OF DISTRICT. (a) The district is a
22 municipal utility district and a conservation and reclamation
23 district as provided by this chapter.

24 (b) The creation of the district is essential to accomplish
25 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
26 56th Leg., R.S., Ch. 95, Sec. 1 (part); New.)

27 Source Law

28 Sec. 1. There is hereby created and established
29 within the State of Texas in addition to the districts
30 into which the state has heretofore been divided in the
31 form and manner hereinafter provided, a Conservation
32 and Reclamation District . . . the creation and
33 establishment of such District being essential to the
34 accomplishment of the purposes of Section 59 of
35 Article XVI of the Constitution of this State, as
36 amended,

37 Revisor's Note

38 (1) Section 1, Chapter 95, Acts of the 56th
39 Legislature, Regular Session, 1959, provides that the
40 district "is hereby created and established." The

1 revised law omits the quoted language as executed.

2 (2) Section 1, Chapter 95, Acts of the 56th
3 Legislature, Regular Session, 1959, states that the
4 district is created "within the State of Texas in
5 addition to the districts into which the state has
6 heretofore been divided." The revised law omits the
7 quoted language because the absence of the language
8 does not imply that the legislature could create a
9 district outside its jurisdiction or that the district
10 is not in addition to any other districts.

11 (3) Section 1, Chapter 95, Acts of the 56th
12 Legislature, Regular Session, 1959, provides that the
13 district is a governmental agency and body politic and
14 corporate, with governmental powers. The revised law
15 omits the provision because it duplicates a portion of
16 Section 59(b), Article XVI, Texas Constitution, which
17 provides that a conservation and reclamation district
18 is a governmental agency and body politic and
19 corporate, with governmental powers conferred by law.
20 The omitted law reads:

21 Sec. 1. . . . Such District shall be
22 a governmental agency and body politic and
23 corporate, with the powers of government
24 and

25 (4) Section 1, Chapter 95, Acts of the 56th
26 Legislature, Regular Session, 1959, provides that the
27 "creation and establishment" of the district is
28 essential to accomplish the purposes of Section 59,
29 Article XVI, Texas Constitution. The revised law
30 omits "establishment" because, in context,
31 "establishment" is included in the meaning of
32 "creation."

33 (5) Section 1, Chapter 95, Acts of the 56th
34 Legislature, Regular Session, 1959, refers to "Section
35 59 of Article XVI of the Constitution of this State, as
36 amended." Throughout this chapter, in reference to

1 constitutional provisions, the revised law omits "as
2 amended" because a statutory reference to a
3 constitutional provision would, in the absence of the
4 phrase, be interpreted as including any amendments to
5 that provision that had been adopted as of the date the
6 statute was enacted. To the extent that "as amended"
7 was intended to incorporate any constitutional
8 amendment adopted after Chapter 95, Acts of the 56th
9 Legislature, Regular Session, 1959, was enacted, the
10 phrase is unnecessary because such an amendment would,
11 by virtue of being part of the constitution, control
12 over a statute.

13 (6) Section 1, Chapter 95, Acts of the 56th
14 Legislature, Regular Session, 1959, includes a list of
15 the purposes of the district under Section 59, Article
16 XVI, Texas Constitution. The revised law omits the
17 list of purposes because it duplicates in substance a
18 portion of Section 59(a), Article XVI, Texas
19 Constitution, which provides for the purposes of
20 conservation and reclamation districts created under
21 that section. The omitted law reads:

22 Sec. 1. . . . [the creation . . . of
23 such District being essential to the
24 accomplishment of the purposes of Section
25 59 of Article XVI of the Constitution of
26 this State] . . . including the control,
27 storing, preservation, and distribution of
28 the storm and floodwaters, and the waters of
29 the rivers and streams in the District and
30 their tributaries, for domestic, municipal,
31 flood control, irrigation, and other useful
32 purposes, the reclamation and drainage of
33 the overflow land within the District, the
34 conservation of forests, and to aid in the
35 protection of navigation on the navigable
36 waters by regulating the flood and storm
37 waters that flow into said navigable
38 streams.

39 (7) The revised law adds a reference to the
40 district as a "municipal utility district" because the
41 district was converted to a municipal utility district
42 on October 26, 1982, by order of the Texas Water

1 Commission. See Sections 54.030-54.036, Water Code.
2 Under both that order and Section 54.034, Water Code,
3 the district now operates under Chapter 54, Water
4 Code. In addition, that order expressly states that
5 the district retains "certain provisions of Chapter
6 95, Acts of the 56th Legislature, Regular Session,
7 1959 under which the District has been operating."
8 Throughout this chapter, therefore, the provisions
9 that were explicitly retained have been revised in
10 accordance with the order, and other provisions from
11 the act have been revised to reflect the district's
12 conversion.

13 Revised Law

14 Sec. 8246.003. DISTRICT TERRITORY. The district is composed
15 of the territory described by Section 1, Chapter 95, Acts of the
16 56th Legislature, Regular Session, 1959, as that territory may have
17 been modified under:

- 18 (1) Subchapter H, Chapter 54, Water Code;
- 19 (2) Subchapter J, Chapter 49, Water Code; or
- 20 (3) other law. (New.)

21 Revisor's Note

22 The revision of the law governing the district
23 does not revise the statutory language describing the
24 territory of the district to avoid the lengthy
25 recitation of the description and because that
26 description may not be accurate on the effective date
27 of the revision or at the time of a later reading. For
28 the reader's convenience, the revised law includes
29 references to the statutory description of the
30 district's territory and to the authority to change the
31 district's territory under Subchapter H, Chapter 54,
32 Water Code, applicable to municipal utility districts,
33 and under Subchapter J, Chapter 49, Water Code,
34 applicable to the district under Sections 49.001 and

1 49.002 of that chapter. The revised law also includes
2 a reference to the general authority of the
3 legislature to enact a law to change the district's
4 territory.

5 [Sections 8246.004-8246.050 reserved for expansion]

6 SUBCHAPTER B. BOARD OF DIRECTORS

7 Revised Law

8 Sec. 8246.051. COMPOSITION OF BOARD. The board is composed
9 of five elected directors who serve staggered terms. (New.)

10 Revisor's Note

11 (1) Section 4, Chapter 95, Acts of the 56th
12 Legislature, Regular Session, 1959, provides that
13 "[t]he District's power shall be exercised through"
14 the board of directors. The revised law omits the
15 provision because it duplicates, in substance,
16 provisions of Sections 49.051 and 49.057, Water Code.
17 Throughout this chapter, the revised law omits law
18 that is superseded by Chapter 49, Water Code, or that
19 duplicates law contained in that chapter. Chapter 49
20 applies to the district under Sections 49.001 and
21 49.002 of that chapter. The omitted law reads:

22 Sec. 4. The District's power shall be
23 exercised through a [Board of Directors]
24

25 (2) Section 4, Chapter 95, Acts of the 56th
26 Legislature, Regular Session, 1959, refers to a board
27 of seven directors with two ex officio directors and
28 five directors appointed by the governor, the terms of
29 those directors, and the method for filling a vacancy
30 in the position of an appointed director. Section 5,
31 Chapter 95, Acts of the 56th Legislature, Regular
32 Session, 1959, prescribes the qualifications for
33 serving as an appointed director. The revised law
34 omits those provisions because in 1982, when the
35 district was converted to a municipal utility district

1 operating under Chapter 54, Water Code (see Revisor's
2 Note (7) to Section 8246.002), Section 54.036, Water
3 Code, the general law applicable to the board of
4 directors of a district that had converted to a
5 municipal utility district, provided that board
6 members holding office on the date of the conversion
7 would serve only until the uniform election date
8 following conversion of the district, "at which time
9 five directors shall be elected to serve for such
10 period of time and in the same manner as provided in
11 Section 54.029 of this code for directors first
12 elected for a district." See Section 1, Chapter 367,
13 Acts of the 67th Legislature, Regular Session, 1981,
14 amending Section 54.036, Water Code. Section 54.029,
15 Water Code, was one of the sections repealed by Chapter
16 715, Acts of the 74th Legislature, Regular Session,
17 1995, and replaced with similar provisions in Chapter
18 49, Water Code, controlling the election and terms of
19 directors. Section 49.103, Water Code, provides that
20 director elections shall be held on the uniform
21 election date in May of even-numbered years and that
22 elected directors serve terms of four years. Vacancies
23 in the position of an elected director are governed by
24 Section 49.105, Water Code. Qualifications for the
25 position of a municipal utility district director are
26 governed by Section 54.102, Water Code.

27 Finally, Section 4, Chapter 95, Acts of the 56th
28 Legislature, Regular Session, 1959, provides that each
29 director appointed by the governor serves until the
30 director's successor is appointed and has qualified.
31 The revised law omits that provision because it
32 duplicates Section 17, Article XVI, Texas
33 Constitution, which provides that an officer in this
34 state is to continue to perform the officer's duties

1 until the successor has qualified.

2 As a convenience to the reader, the revised law
3 provides that the board is composed of five elected
4 directors, which is the number of directors required
5 for a municipal utility district under Section 54.101,
6 Water Code, and preserves the staggered terms
7 established for appointed directors under Section 4,
8 Chapter 95, Acts of the 56th Legislature, Regular
9 Session, 1959. The omitted law reads:

10 Sec. 4. [The District's power shall
11 be exercised through a Board of Directors,
12 hereinafter referred to as the Board.] The
13 County Judge of Lavaca County and the Mayor
14 of the City of Hallettsville in Lavaca
15 County shall be ex-officio members of the
16 Board. Five (5) other Directors shall be
17 appointed by the Governor of Texas for terms
18 of two (2) years, with three (3) Directors'
19 terms expiring on February 1 of each
20 even-numbered year and two (2) Directors'
21 terms expiring on February 1 of each
22 odd-numbered year. Each Director named by
23 the Governor shall serve until his
24 successor shall have been appointed and
25 shall have qualified. All vacancies in
26 office of Directors named by the Governor
27 shall be filled by him to serve out the
28 unexpired terms of their predecessors.

29 Sec. 5. To be qualified for
30 appointment to the Board of Directors a
31 person must be a qualified property
32 tax-paying voter in the District, and not be
33 a member of the governing body of the City
34 of Hallettsville nor an officer of Lavaca
35 County nor an employee of either. . . .

36 Revised Law

37 Sec. 8246.052. DIRECTOR'S BOND; TREASURER'S BOND. (a) Each
38 director shall give bond in the amount of \$1,000 for the faithful
39 performance of the director's duties.

40 (b) The treasurer of the district shall give bond in the
41 amount of \$2,500 for the faithful performance of the treasurer's
42 duties. (Acts 56th Leg., R.S., Ch. 95, Sec. 5 (part).)

43 Source Law

44 Sec. 5. . . . Each appointed Director shall
45 . . . give bond for the faithful performance of his
46 duties in the amount of One Thousand Dollars (\$1,000).
47 The Treasurer of the District shall give bond for the
48 faithful performance of his duties in the amount of Two
49 Thousand Five Hundred Dollars (\$2,500).

1 Revisor's Note

2 Section 5, Chapter 95, Acts of the 56th
3 Legislature, Regular Session, 1959, refers to the
4 performance bond required of each "appointed"
5 director. The revised law omits "appointed" because,
6 following the conversion to a municipal utility
7 district, the district is governed by a board of
8 elected directors. (See Revisor's Note (2) to Section
9 8246.051.)

10 Revised Law

11 Sec. 8246.053. OFFICIAL ACTIONS; QUORUM. (a) The board
12 shall perform official actions by resolution.

13 (b) Two-thirds of the board constitutes a quorum for the
14 transaction of any business of the district.

15 (c) A majority vote of those present is sufficient in any
16 official action, including final passage and enactment of a
17 resolution. (Acts 56th Leg., R.S., Ch. 95, Sec. 6(a) (part).)

18 Source Law

19 Sec. 6. (a) The Board of Directors shall
20 perform official actions by resolution and two-thirds
21 (2/3) of their number shall constitute a quorum for the
22 transaction of any and all business of the District. A
23 majority vote of those present shall be sufficient in
24 all official actions including final passage and
25 enactment of all resolutions;

26 Revisor's Note

27 Section 6(a), Chapter 95, Acts of the 56th
28 Legislature, Regular Session, 1959, requires a
29 two-thirds vote of the board to approve the site of a
30 dam to be constructed by the district within two years
31 after the effective date of the act. The revised law
32 omits the provision as executed. The omitted law
33 reads:

34 (a) . . . provided, however, that the
35 site or location of any dam to be
36 constructed by the District within two (2)
37 years after this Act becomes a Law shall be
38 approved by a two-thirds (2/3) vote of the
39 Board of Directors of this Authority.

1 Revised Law

2 Sec. 8246.054. BOARD MEETINGS. (a) The board shall hold
3 regular meetings at least once every three months. The dates of
4 regular meetings must be established in the district's bylaws or by
5 resolution.

6 (b) The president or any three directors may call a special
7 meeting as necessary to administer district business. At least
8 five days before the date of a special meeting, the secretary must
9 mail notice of the meeting to the address each director filed with
10 the secretary. A director may waive in writing notices of special
11 meetings. (Acts 56th Leg., R.S., Ch. 95, Sec. 6(b) (part).)

12 Source Law

13 (b) The Board of Directors shall hold regular
14 meetings at least once every three months, the date
15 thereof to be established in the District's bylaws or
16 by resolution. The President or any three members may
17 call such special meetings as may be necessary in the
18 administration of the District's business, provided
19 that at least five (5) days prior to the meeting date
20 the Secretary shall have mailed notice thereof to the
21 address which each member shall file with the
22 Secretary. Notices of special meetings may be waived
23 in writing by any Director. . . .

24 Revised Law

25 Sec. 8246.055. BOARD COMPENSATION FOR ATTENDING MEETINGS.
26 Unless the board by resolution increases the fee to an amount
27 authorized by Section 49.060, Water Code:

28 (1) each director is entitled to receive a fee of \$20
29 for attending each board meeting; and

30 (2) a director may not be paid more than \$40 for
31 meetings held in one calendar month. (Acts 56th Leg., R.S., Ch. 95,
32 Sec. 6(b) (part); New.)

33 Source Law

34 (b) . . . Each Director shall receive a fee of
35 Twenty Dollars (\$20.00) for attending each meeting of
36 the Board, provided that not more than Forty Dollars
37 (\$40.00) shall be paid to any Director for meetings
38 held in any one calendar month.

39 Revisor's Note

40 Section 6(b), Chapter 95, Acts of the 56th
41 Legislature, Regular Session, 1959, provides for a

1 director's fee for attending board meetings. Section
2 49.060, Water Code, enacted in 1995 and applicable by
3 its own terms to the district, authorizes higher fees
4 for each day the director spends performing the duties
5 of a director, which presumably include attendance at
6 board meetings. Section 49.060(e), however, provides
7 that if the amount of the fee set by Section 49.060
8 would result in a fee increase, the increase does not
9 apply to a district unless the district's board by
10 resolution adopts a higher fee. The revised law is
11 drafted accordingly.

12 Revised Law

13 Sec. 8246.056. OFFICERS. (a) The president shall perform
14 those functions that are customarily incident to the office of
15 president.

16 (b) The vice president shall act as president in case of the
17 inability, absence, or failure of the president to act.

18 (c) The secretary may be a director or an individual who is
19 not a director. (Acts 56th Leg., R.S., Ch. 95, Sec. 6(c) (part).)

20 Source Law

21 (c) The President of the District . . . shall
22 perform all other functions which customarily are
23 incident to his office. A Vice-President . . . shall
24 act as President in case of the inability, absence or
25 failure of the President to so act. A Secretary [shall
26 be elected by the Board] with the Board having
27 discretion as to whether such officer shall be chosen
28 from among the members of the Board. . . .

29 Revisor's Note

30 Section 6(c), Chapter 95, Acts of the 56th
31 Legislature, Regular Session, 1959, provides for the
32 election of a board president, vice president, and
33 secretary and provides that the president is the chief
34 executive officer of the district and presides over
35 all board meetings. Section 6(c) also provides that
36 the secretary's duties include the proper keeping of
37 the district's books and records. The revised law
38 omits those provisions because they duplicate in

1 substance Section 49.054, Water Code. The omitted law
2 reads:

3 (c) [The President of the District]
4 shall be elected by the Board of Directors
5 from among its members, and shall be the
6 chief executive officer of the District. He
7 shall preside at the meetings of the Board
8 and [A Vice-President] shall be
9 elected by the Board from among its members,
10 and [A Secretary] shall be elected
11 by the Board The Secretary shall be
12 charged with the duty of seeing that all
13 books and records of the District are
14 properly kept.

15 Revisor's Note
16 (End of Subchapter)

17 Section 5, Chapter 95, Acts of the 56th
18 Legislature, Regular Session, 1959, provides that each
19 director must subscribe to the constitutional oath of
20 office. The revised law omits that provision because
21 Section 1, Article XVI, Texas Constitution, requires
22 all officers in this state to take the oath (or
23 affirmation) before assuming office. The omitted law
24 reads:

25 Sec. 5. . . . [Each appointed
26 Director shall] subscribe to the
27 Constitutional oath of office for appointed
28 officers and

30 SUBCHAPTER C. GENERAL POWERS AND DUTIES

31 Revised Law

32 Sec. 8246.101. MUNICIPAL UTILITY DISTRICT POWERS; GENERAL
33 POWERS. (a) The district has and may exercise the powers,
34 functions, duties, and privileges provided by general law
35 applicable to a municipal utility district, including those
36 conferred by Chapters 49 and 54, Water Code.

37 (b) The district may exercise the rights, privileges, and
38 functions provided by this chapter. (Acts 56th Leg., R.S., Ch. 95,
39 Sec. 1 (part); New.)

40 Source Law

41 Sec. 1. . . . Such district [shall be a
42 governmental agency] . . . with the authority to
43 exercise the rights, privileges, and functions

1 hereinafter specified,

2 Revisor's Note

3 Because the district converted to a municipal
4 utility district, Chapter 54, Water Code, applies to
5 the district under Section 54.034 of that code. See
6 Revisor's Note (7) to Section 8246.002. For the
7 reader's convenience, the revised law adds a reference
8 to Chapter 49, Water Code, because Chapter 715, Acts of
9 the 74th Legislature, Regular Session, 1995, repealed
10 many provisions of Chapter 54 and enacted similar
11 provisions in Chapter 49, Water Code. The revised law
12 therefore includes a reference to the general powers,
13 functions, duties, and privileges of a municipal
14 utility district operating under Chapters 49 and 54,
15 Water Code, as provided by Section 54.034, Water Code,
16 to reflect the law applicable to the district.

17 Revised Law

18 Sec. 8246.102. EMINENT DOMAIN. The district may exercise
19 the power of eminent domain inside district boundaries to acquire
20 property of any kind, or an interest in property, necessary or
21 convenient for the district to exercise a right, power, privilege,
22 or function conferred on the district by this chapter. (Acts 56th
23 Leg., R.S., Ch. 95, Sec. 8 (part).)

24 Source Law

25 Sec. 8. The District shall have the right and
26 power of eminent domain for the purpose of acquiring by
27 condemnation any and all property of any kind, real,
28 personal, or mixed, or any interest therein, within
29 the boundaries of the District, necessary or
30 convenient to the exercise of the rights, powers,
31 privileges, and functions conferred upon it by this
32 Act. . . .

33 Revisor's Note

34 (1) Section 8, Chapter 95, Acts of the 56th
35 Legislature, Regular Session, 1959, provides that the
36 district "shall have the right and power of eminent
37 domain for the purpose of acquiring [property] by
38 condemnation." The revised law substitutes "may

1 exercise the power of eminent domain . . . to acquire
2 property" for the quoted language because the phrases
3 have the same meaning and the revised phrase is
4 consistent with modern usage in law relating to
5 eminent domain.

6 (2) Section 8, Chapter 95, Acts of the 56th
7 Legislature, Regular Session, 1959, refers to "real,
8 personal, or mixed" property. The revised law omits
9 the quoted language because under Section 311.005(4),
10 Government Code (Code Construction Act), "property"
11 includes real and personal and, by extension, mixed
12 property.

13 (3) Section 8, Chapter 95, Acts of the 56th
14 Legislature, Regular Session, 1959, refers to Title
15 52, Revised Civil Statutes of Texas, 1925, as one of
16 two methods the district may use to exercise the power
17 of eminent domain. That statute was codified as
18 Chapter 21, Property Code. The alternate method is
19 described as the method provided for water control and
20 improvement districts under "Section 126 of Chapter
21 25, Acts 1925, 39th Legislature, Regular Session, as
22 amended (codified as Vernon's Texas Civil Statutes,
23 Article 7880-126)." The eminent domain powers granted
24 to a water control and improvement district were
25 codified as Subchapter F, Chapter 51, Water Code, and
26 later repealed and replaced by similar provisions in
27 Chapter 49, Water Code. The revised law omits the
28 references to the two methods because they duplicate,
29 in substance, Section 49.222, Water Code.

30 Section 8 also duplicates Section 49.222 by
31 stating that in a condemnation proceeding the district
32 is not required to give bond for appeal or costs, and
33 the revised law omits that reference accordingly. The
34 omitted law reads:

1 statute, unless expressly provided otherwise.

2 (2) Section 13, Chapter 95, Acts of the 56th
3 Legislature, Regular Session, 1959, refers to
4 "cities." Throughout this chapter, the revised law
5 substitutes "municipality" for "cities" or for "city
6 or town" because the meaning of "municipality"
7 includes both cities and towns and "municipality" is
8 the term used in the Local Government Code.

10 SUBCHAPTER D. FLOOD CONTROL

11 Revised Law

12 Sec. 8246.151. FLOOD CONTROL POWERS AND DUTIES. The
13 district may:

14 (1) exercise a power, right, privilege, or function
15 conferred by general law on a flood control district created under
16 Section 59, Article XVI, Texas Constitution, as applicable to
17 Lavaca County and essential to the flood control project;

18 (2) devise plans and construct works to lessen and
19 control floods;

20 (3) reclaim land in the district;

21 (4) prevent the deposit of silt in navigable streams;

22 (5) remove natural or artificial obstructions from
23 streams and other watercourses;

24 (6) regulate the flow of surface and floodwaters;

25 (7) provide drainage essential to the flood control
26 project;

27 (8) acquire, by gift, devise, purchase, or
28 condemnation, land, a right or interest in land, or any other
29 character of property needed to carry on the work of flood control;

30 (9) sell, trade, or otherwise dispose of land or other
31 property, or a right in the property, no longer needed for the flood
32 control project or flood control purposes;

33 (10) use the bed and banks of a bayou, river, or stream
34 in the district, subject to the concurrence of the Texas Commission

1 on Environmental Quality;

2 (11) authorize its officers, employees, or agents to
3 enter any land in the district to make or examine a survey in
4 connection with a flood control plan or project or for any other
5 authorized purpose;

6 (12) overflow or inundate any public land or public
7 property, and require the relocation of a road or highway, in the
8 manner and to the extent permitted to a district organized under
9 general law under Section 59, Article XVI, Texas Constitution,
10 subject to the concurrence of the state agency with jurisdiction
11 over the land or property or the Texas Transportation Commission,
12 as applicable;

13 (13) appoint a flood control manager and any agents or
14 employees of the county as necessary for flood control purposes,
15 including an engineer and counsel, prescribe their duties, and set
16 the amounts of their bonds and compensation;

17 (14) cooperate or contract with the United States to
18 receive and use money from a grant, loan, or advancement to exercise
19 a power or further a purpose under this chapter;

20 (15) contribute to the United States in connection
21 with any project undertaken by the United States that affects or
22 relates to flood control in Lavaca County;

23 (16) cooperate or contract with an agency or political
24 subdivision of this state, including a municipality in Lavaca
25 County, in relation to:

26 (A) a survey;

27 (B) the acquisition of land or a right-of-way; or

28 (C) the construction, maintenance, or financing
29 of all or part of a project in connection with any matter within the
30 scope of this chapter;

31 (17) contract with an agency or political subdivision
32 of this state, including a municipality in Lavaca County, for the
33 imposition of taxes on behalf of and for the benefit of the
34 district;

1 (18) sue and be sued under the laws of this state; and
2 (19) perform any act necessary or proper to carry out
3 the powers described by this section or Section 8246.152. (Acts
4 56th Leg., R.S., Ch. 95, Sec. 2 (part).)

5 Source Law

6 Sec. 2. In addition to the powers given to the
7 Commissioners Court by General Laws and in addition to
8 the general powers herein given, it shall be
9 authorized in connection with the Lavaca County Flood
10 Control District to exercise the following added
11 rights, powers, privileges, and functions:

12 a. To acquire land and rights and interest
13 therein and any other character of property needed to
14 carry on the work of flood control, by gift, devise,
15 purchase, or condemnation;

16 b. To sell, trade, or otherwise dispose of
17 land or other property or rights therein when the same
18 are no longer needed for the project or flood control
19 purposes;

20 c. To appoint a Flood Control Manager and
21 such agents and employees of the county for flood
22 control purposes as may be necessary, including an
23 engineer and counsel, and to prescribe their duties
24 and fix their bonds and compensations;

25 d. To authorize its officers, employees,
26 or agents to go upon any lands lying within the
27 District for the purpose of making surveys and
28 examining the same in connection with Flood Control
29 Plans and Projects, and for any other lawful purpose
30 within the scope of its authority;

31 e. To devise plans and construct works to
32 lessen and control floods; to reclaim lands in the
33 District; to prevent the deposit of silt in navigable
34 streams; to remove obstructions, natural or
35 artificial, from streams and water courses; to
36 regulate the flow of surface and floodwaters; and to
37 provide drainage where essential to the Flood Control
38 Project;

39 f. To exercise all powers, rights,
40 privileges, and functions conferred by General Law
41 upon Flood Control Districts created pursuant to
42 Section 59 of Article XVI of the Constitution of Texas,
43 as amended, so far as the same may be applicable to
44 Lavaca County and essential to the Flood Control
45 Project;

46 g. To co-operate with and contract with
47 the United States of America or with any of its
48 agencies now existing, or which may be created
49 hereafter, for grants, loans, or advancements to carry
50 out any of the powers or to further any of the purposes
51 set forth in this Act and to receive and use said
52 moneys for such purposes; or to contribute to the
53 United States of America or any of its agencies in
54 connection with any project undertaken by it affecting
55 or relating to flood control in Lavaca County;

56 h. To co-operate with, or to contract
57 with, any agency or political subdivision of the
58 state, or any city or town within Lavaca County in
59 relation to surveys, the acquisition of land or
60 right-of-ways, the construction or maintenance of
61 projects or parts thereof or the financing of the same
62 in connection with any matter within the scope of this
63 Act; and to contract with such agencies for the

1 assessing and collecting of taxes on behalf of, and for
2 the benefit of the District;

3 i. To make use of the bed and banks of the
4 bayous, rivers, and streams lying within the District;
5 subject however, to the concurrence of the State Board
6 of Water Engineers;

7 j. To overflow or inundate any public
8 lands and public property, and to require the
9 relocation of roads and highways, in the manner and to
10 the extent permitted to any district organized under
11 General Laws, pursuant to Section 59 of Article XVI of
12 the Constitution of this state, as amended, subject
13 however, to the concurrence of the state agency having
14 jurisdiction over such lands or property, or the State
15 Highway Commission, as the case may be;

16
17 l. To sue and be sued in any proper case
18 under the laws of this state; and all courts shall take
19 judicial notice of this Act;

20 m. To do any and all other acts or things
21 necessary or proper to carry into effect the foregoing
22 powers.

23 Revisor's Note

24 (1) Section 2, Chapter 95, Acts of the 56th
25 Legislature, Regular Session, 1959, authorizes the
26 district to exercise certain powers "[i]n addition to
27 the powers given to the Commissioners Court by General
28 Laws and in addition to the general powers herein
29 given." The revised law omits the quoted language
30 because the substance of Chapter 95 and of the general
31 laws applies according to the terms of each of those
32 laws and because the absence of the phrase does not
33 imply that the district has no additional powers.

34 (2) Section 2(d), Chapter 95, Acts of the 56th
35 Legislature, Regular Session, 1959, provides for the
36 entry onto district land for any "lawful purpose
37 within the scope of its authority." The revised law
38 substitutes "authorized purpose" for the quoted
39 language because, as a general principle of law, a
40 district's scope of authority may only include
41 purposes that are lawful, and "authorized purpose" is
42 more concise.

43 (3) Section 2(g), Chapter 95, Acts of the 56th
44 Legislature, Regular Session, 1959, refers to the
45 United States of America or "any of its agencies now

1 existing, or which may be created hereafter."
2 Throughout this chapter, the revised law omits the
3 references to agencies of the United States because
4 this reference simply describes every type of federal
5 agency and, under Section 311.005, Government Code
6 (Code Construction Act), "United States" includes a
7 department, bureau, or other agency of the United
8 States of America.

9 (4) Section 2(h), Chapter 95, Acts of the 56th
10 Legislature, Regular Session, 1959, refers to the
11 district's authority for "assessing and collecting"
12 taxes. Throughout this chapter, the revised law
13 substitutes "impose" (or "imposition") for "assess,"
14 "collect," or "levy" because "impose" is the term
15 generally used in Title 1, Tax Code, and includes the
16 assessment, collection, or levy of a tax.

17 (5) Section 2(i), Chapter 95, Acts of the 56th
18 Legislature, Regular Session, 1959, refers to the
19 "State Board of Water Engineers." The revised law
20 substitutes "Texas Commission on Environmental
21 Quality" for "State Board of Water Engineers" to
22 reflect the current name of the agency with the
23 relevant regulatory authority.

24 (6) Section 2(j), Chapter 95, Acts of the 56th
25 Legislature, Regular Session, 1959, refers to the
26 "State Highway Commission." Throughout this chapter,
27 the revised law substitutes "Texas Transportation
28 Commission" for "State Highway Commission" to reflect
29 the current name of the agency with the relevant
30 regulatory authority.

31 (7) Section 2(l), Chapter 95, Acts of the 56th
32 Legislature, Regular Session, 1959, provides the
33 authority to sue and be sued "in any proper case" under
34 the laws of this state. The revised law omits the

1 quoted language because a suit or "case" may be brought
2 only in a court, and the general laws of civil
3 jurisdiction and the courts determine which suits are
4 "proper."

5 (8) Section 2(1), Chapter 95, Acts of the 56th
6 Legislature, Regular Session, 1959, provides that "all
7 courts shall take judicial notice of this Act." The
8 revised law omits the quoted language.

9 If the quoted language directs the courts to take
10 judicial notice of the creation of the district, it
11 duplicates, in substance, Section 49.066(a), Water
12 Code, which provides that "[a]ll courts shall take
13 judicial notice of the creation of the district and of
14 its boundaries."

15 If the quoted language directs the courts to take
16 judicial notice of the law enacted by the act, it is
17 unnecessary because each person, including a member of
18 the judiciary, is presumed to know the law. *E. H.*

24 company). See also *City of Houston v. Garrett*, 816

29 and apply the law in its jurisdiction; judicial notice
30 is not required for laws enacted by the legislature of
31 this state.

32 Revised Law

33 Sec. 8246.152. EASEMENT OVER AND RELOCATION OF ROADS. The
34 district has a right-of-way and easement over and across a road or

1 highway of this state or a subdivision of this state for the
2 construction or maintenance of a district flood control project,
3 subject to the concurrence of the Texas Transportation Commission
4 if the project requires the relocation or bridging of a state
5 highway. (Acts 56th Leg., R.S., Ch. 95, Sec. 2 (part).)

17 Revised Law

18 Sec. 8246.153. MAINTENANCE OF FEDERAL FLOOD CONTROL
19 PROJECTS. The district is entitled to maintain a flood control
20 project constructed in Lavaca County by the United States if the
21 project:

22 (1) extends wholly or partly into the district or is
23 within five miles of the boundaries of the district; and

24 (2) is considered by the board to protect property in
25 the district. (Acts 56th Leg., R.S., Ch. 95, Sec. 2a.)

26 Source Law

27 Sec. 2a. The District shall have the right to
28 maintain any flood control project constructed in
29 Lavaca County by the United States Government or any of
30 its agencies, if such project extends into the
31 District in whole or in part, or lies within 5 miles of
32 the boundaries of the District and, in the opinion of
33 the Board of Directors of the District, is for the
34 protection of property within the District.

36 SUBCHAPTER E. GENERAL FINANCIAL PROVISIONS

37 Revised Law

38 Sec. 8246.201. PETITION AND ELECTION AUTHORIZING AD VALOREM
39 TAX; TAX LIMIT. (a) The board may impose on all taxable property in
40 the district an annual tax at a rate not to exceed 15 cents on the
41 \$100 valuation.

42 (b) Before an election is held on the ad valorem tax

1 proposition, a petition for the tax must be presented to the board.
2 The petition must be signed by 10 percent of the registered voters
3 who own taxable property in the district.

4 (c) The petition, election order, and notice of the election
5 must state:

6 (1) the specific tax rate to be voted on or that the
7 rate may not exceed the limit under Subsection (a); and

8 (2) one or more of the purposes authorized by this
9 chapter for which the tax money may be spent.

10 (d) The total amount of all taxes imposed by the district
11 for all purposes may not exceed 15 cents on the \$100 valuation.
12 (Acts 56th Leg., R.S., Ch. 95, Secs. 9(a), (b), 11.)

13 Source Law

14 Sec. 9. (a) The Board of Directors of the
15 District may levy and cause to be collected an annual
16 tax upon all taxable property in the District, not to
17 exceed fifteen cents (15¢) on the One Hundred
18 (\$100.00) Dollars valuation, subject to the following
19 provisions:

20 (b) Before an election is held to determine the
21 proposition of the levy of such tax a petition
22 therefor, signed by ten percent (10%) of the qualified
23 electors who own taxable property in the District and
24 who have duly rendered the same for taxation as shown
25 by the records of the Tax Assessor-Collector of Lavaca
26 County, Texas shall be presented to the Board. The
27 petition, election order and notice of election shall
28 state the specific rate of tax to be voted on or that
29 the rate shall not exceed the limit herein authorized,
30 and one or more of the purposes authorized by this Act
31 for which the tax moneys may be expended.

32 Sec. 11. The total of all taxes levied by the
33 District for all purposes shall never exceed fifteen
34 cents (15¢) on the One Hundred (\$100.00) Dollars
35 valuation.

36 Revisor's Note

37 (1) Section 9(a), Chapter 95, Acts of the 56th
38 Legislature, Regular Session, 1959, refers to a "tax
39 upon all taxable property in the District." The
40 revised law specifies that the tax is an "ad valorem"
41 tax because that is the terminology used in Title 1,
42 Tax Code, to refer to taxes on property.

43 (2) Section 9(b), Chapter 95, Acts of the 56th
44 Legislature, Regular Session, 1959, refers to

1 "qualified electors" of the district. The revised law
2 substitutes "registered voters" for "qualified
3 electors" because "voter" is the term used in the
4 Election Code, and, in the context of eligibility to
5 sign a petition, Section 277.0021, Election Code,
6 provides that "qualified voter" means a "registered
7 voter."

8 (3) Section 9(b), Chapter 95, Acts of the 56th
9 Legislature, Regular Session, 1959, states that
10 property owners who sign a tax petition must "have duly
11 rendered the same [property] for taxation as shown by
12 the records of the Tax Assessor-Collector of Lavaca
13 County, Texas." The revised law omits the quoted
14 language because, in context, "property" means "real
15 property," and the Property Tax Code (Title 1, Tax
16 Code) does not require an owner of real property to
17 render the property for ad valorem taxation.

18 (4) Section 9(c), Chapter 95, Acts of the 56th
19 Legislature, Regular Session, 1959, states that the
20 election must be held within 30 days from the date the
21 petition is presented to the board. The revised law
22 omits the provision as superseded by Section 3.005,
23 Election Code, applicable to the district under
24 Section 1.002, Election Code. Section 3.005, as
25 amended by Chapter 925, Acts of the 78th Legislature,
26 Regular Session, 2003, requires an election order
27 issued by the authority of a political subdivision to
28 be issued not later than the 62nd day before the
29 election day and provides that Section 3.005
30 supersedes a law outside the Election Code to the
31 extent of any conflict. The omitted law reads:

32 (c) Election on the propositions
33 contained in the petition shall be held
34 within thirty (30) days from the date of
35 presentation of the petition to the
36 Board. . . .

1 Revised Law

2 Sec. 8246.202. NOTICE FOR AND MANNER OF HOLDING AD VALOREM
3 TAX ELECTION. (a) Notice of an election under Section 8246.201
4 must be published once each week for two weeks in a newspaper that
5 is published in Lavaca County and has general circulation in the
6 district.

7 (b) The date of the first publication of notice must be not
8 less than 20 days and not more than 30 days before the date of the
9 election.

10 (c) The presiding judge for each voting place shall appoint
11 the necessary judges and clerks to assist the presiding judge in
12 holding the election. (Acts 56th Leg., R.S., Ch. 95, Sec. 3(a)
13 (part).)

14 Source Law

15 Sec. 3. (a) . . .
16 Notice of said election shall be published in a
17 newspaper published in Lavaca County and of general
18 circulation in the District once each week for two (2)
19 weeks, the first of such publications being not more
20 than thirty (30) days nor less than twenty (20) days
21 immediately prior to the date of the election. [The
22 Board of Directors shall appoint a presiding judge]
23 for each of the voting places and each of the presiding
24 judges shall appoint the necessary judges and clerks
25 to assist him in holding the election.
26 . . .

27 Revisor's Note

28 (1) Section 3(a), Chapter 95, Acts of the 56th
29 Legislature, Regular Session, 1959, provides that the
30 board shall appoint the presiding judge for each
31 voting place. The revised law omits that provision
32 because it duplicates Section 32.005, Election Code,
33 which applies to the district under Section 32.011,
34 Election Code. The omitted law reads:

35 (a) . . .
36 . . . The Board of Directors shall
37 appoint a presiding judge [for each of the
38 voting places] . . .

39 (2) Section 9(c), Chapter 95, Acts of the 56th
40 Legislature, Regular Session, 1959, provides that the
41 district shall provide notice of and hold an ad valorem

1 tax election as provided for elections for the
2 confirmation of the district under Section 3 of that
3 chapter. The revised law omits the part of Section
4 9(c) from Chapter 95 that refers to the election
5 provisions under Section 3 of that chapter because the
6 notice and manner of holding the election is revised in
7 this section and it is not necessary to provide a
8 cross-reference to it. The omitted law reads:

9 (c) . . . Notice and manner of
10 holding the election shall be governed by
11 the same provisions as those for holding
12 elections for confirmation of the District,
13 provided in Section 3 of this Act.

14 Revised Law

15 Sec. 8246.203. TAX LAWS APPLICABLE. The laws of this state
16 relating to the imposition of ad valorem taxes and collection of
17 delinquent taxes by a water control and improvement district apply
18 to the district. (Acts 56th Leg., R.S., Ch. 95, Sec. 12.)

19 Source Law

20 Sec. 12. All laws of the State of Texas
21 relating to the levy, assessment and collection of ad
22 valorem taxes and delinquent taxes by Water Control
23 and Improvement Districts shall be applicable to the
24 District.

25 [Sections 8246.204-8246.250 reserved for expansion]

26 SUBCHAPTER F. BONDS

27 Revised Law

28 Sec. 8246.251. PETITION FOR BOND ELECTION. (a) A petition
29 requesting an election on the proposition of the issuance of bonds
30 for any purpose authorized in this chapter may be presented to the
31 board.

32 (b) The petition must be signed by at least 50 registered,
33 property tax paying voters residing in the district.

34 (c) The petition must state:

- 35 (1) the amount of bonds to be voted on;
36 (2) the general nature of the work to be done;
37 (3) the necessity for and feasibility of the work;
38 (4) the estimated cost; and

1 (5) the operating costs. (Acts 56th Leg., R.S., Ch.
2 95, Sec. 14.)

3 Source Law

4 Sec. 14. A petition requesting election on the
5 proposition of the issuance of bonds for any purpose
6 authorized in this Act may be presented to the Board.
7 It shall be signed by not less than fifty (50)
8 qualified property taxpaying voters residing in the
9 District who have duly rendered their property for
10 taxation. The petition shall state the amount of bonds
11 to be voted on, the general nature of the work to be
12 done, the necessity therefor, the feasibility thereof,
13 the estimated cost and the operating costs.

14 Revisor's Note

15 (1) Section 14, Chapter 95, Acts of the 56th
16 Legislature, Regular Session, 1959, refers to
17 "qualified" voters. The revised law substitutes
18 "registered" for "qualified" for the reason stated in
19 Revisor's Note (2) to Section 8246.201.

20 (2) Section 14, Chapter 95, Acts of the 56th
21 Legislature, Regular Session, 1959, provides that a
22 bond petition must be signed by property tax paying
23 voters "who have duly rendered their property for
24 taxation." The revised law omits the quoted language
25 for the reason stated in Revisor's Note (3) to Section
26 8246.201.

27 Revised Law

28 Sec. 8246.252. DATE AND NOTICE OF PETITION HEARING. (a) The
29 board shall set a date for a public hearing on the petition that is
30 not more than 30 days after the date the petition is filed with the
31 board.

32 (b) Notice of the hearing must be published once a week for
33 two consecutive weeks in a newspaper of general circulation in the
34 district. The first publication of notice must be not less than 20
35 days before the date of the hearing.

36 (c) The secretary shall post or cause to be posted for at
37 least 15 days before the date of the hearing a copy of the notice at
38 the courthouse door of Lavaca County and at three other public
39 places in the district that will give reasonable notice throughout

1 the district. (Acts 56th Leg., R.S., Ch. 95, Sec. 15.)

2 Source Law

3 Sec. 15. The Board shall set a date for public
4 hearing on the petition, which shall be not more than
5 thirty (30) days from date the petition is filed with
6 it. Notice of such hearing shall be given by
7 publication once a week for two (2) consecutive weeks
8 in a newspaper of general circulation in the District,
9 the first of which notices shall not be less than
10 twenty (20) days before the hearing. In addition, the
11 Secretary of the District shall post or cause to be
12 posted for at least fifteen (15) days prior to the date
13 of hearing a copy of such notice at the courthouse door
14 of Lavaca County and at three (3) other public places
15 in the District which will give reasonable notice
16 throughout the District.

17 Revised Law

18 Sec. 8246.253. HEARING AND DETERMINATION ON PETITION. (a)
19 The board shall consider and determine all matters brought before
20 the board at the hearing.

21 (b) If the board determines that the proposed improvements
22 are feasible and practicable and a benefit to the public, the board
23 shall grant the petition and order the requested election. If the
24 board refuses the petition, the board's reasons must be stated in
25 the minutes of the board. The board's decision is final. (Acts
26 56th Leg., R.S., Ch. 95, Sec. 16.)

27 Source Law

28 Sec. 16. The Board shall consider and determine
29 all matters brought before it upon the hearing. Should
30 it determine that the proposed improvements are
31 feasible and practicable, and a benefit to the public
32 it shall grant the petition and order the election
33 requested. Should the Board refuse the petition its
34 reasons shall be stated upon its minutes. Decision of
35 the Board in either event shall be final.

36 Revised Law

37 Sec. 8246.254. ELECTION FOR, ISSUANCE OF, AND SALE OF
38 BONDS. (a) Except as provided by this section, the election for,
39 issuance of, and sale of district bonds are governed by the
40 provisions of Chapters 1201, 1207, 1251, and 1431, Government Code,
41 that pertain to the election for, issuance of, and sale of bonds by
42 counties.

43 (b) As determined by the board, district bonds mature
44 serially not later than 30 years after the date of their issuance.

1 (c) District bonds may be sold only by sealed competitive
2 bids to the highest bidder.

3 (d) Notice of a proposed sale must be published in a
4 financial publication of general circulation in this state once a
5 week for two consecutive weeks. The date of the first publication
6 must be at least 15 days before the date of the proposed sale.

7 (e) District bonds must be signed by the president and
8 attested by the secretary. (Acts 56th Leg., R.S., Ch. 95, Sec. 17.)

9 Source Law

10 Sec. 17. (a) All provisions of Chapter 1 of
11 Title 22, Revised Civil Statutes of Texas, 1925, as
12 they now exist and as they may be hereafter amended,
13 pertaining to the election for, issuance and sale of
14 bonds by counties shall govern in the election for,
15 issuance and sale of bonds of the District, except as
16 in this Section further provided.

17 (b) The bonds shall mature serially in such
18 number of years as may be determined by the Board not
19 to exceed thirty (30) years.

20 (c) No bonds shall be sold except upon sealed
21 competitive bids, and to the highest bidder.

22 (d) Notice of any proposed sale shall be given
23 by a notice published once a week for two (2)
24 consecutive weeks, the first publication being at
25 least fifteen (15) days prior to day of sale, in some
26 financial publication of general circulation in Texas.

27 (e) All bonds shall be signed by the President
28 of the Board of Directors of the District, attested by
29 the Secretary of the Board, and with the seal of the
30 District impressed thereon.

31 Revisor's Note

32 (1) Section 17, Chapter 95, Acts of the 56th
33 Legislature, Regular Session, 1959, refers to the
34 "provisions of Chapter 1 of Title 22, Revised Civil
35 Statutes of Texas, 1925, as they now exist and as they
36 may be hereafter amended, pertaining to the election
37 for, issuance and sale of bonds by counties." Those
38 provisions are revised in Chapters 1201, 1207, 1251,
39 and 1431, Government Code. The revised law is drafted
40 accordingly.

41 (2) Section 17(e), Chapter 95, Acts of the 56th
42 Legislature, Regular Session, 1959, provides that
43 district bonds must be issued "with the seal of the
44 District impressed thereon." The revised law omits the

1 quoted language because that requirement was impliedly
2 repealed by Section 3, Bond Procedures Act of 1981
3 (Article 717k-6, Vernon's Texas Civil Statutes)
4 (revised in pertinent part in 1999 as Section
5 1201.026(a), Government Code), which provides that
6 bonds may be signed with or without a seal.

7 Revisor's Note
8 (End of Chapter)

9 (1) Sections 3, 7, 10(a), 19, and 20, Chapter
10 95, Acts of the 56th Legislature, Regular Session,
11 1959, provide for the confirmation of the district,
12 the district's succession to certain properties and
13 contracts of two former districts, the authorization
14 of a tax at the district's confirmation election, the
15 validation of a former district, and the repeal of
16 prior conflicting laws. The revised law omits the
17 provisions as executed. The omitted law reads:

18 Sec. 3. (a) It is provided, however,
19 that the District shall not exercise any of
20 the power or authority conferred by this Act
21 unless and until its establishment is
22 confirmed at an election held throughout
23 the District. The Board of Directors of the
24 District shall order the election at which
25 there shall be submitted the question of
26 whether or not the establishment of the
27 District shall be confirmed.

28 . . .
29 If a majority of the votes cast at the
30 election is in favor of confirmation, the
31 Board of Directors shall so declare, and
32 thereafter the District shall have all the
33 powers and authority conferred by this Act.

34 (b) If a majority of the votes cast at
35 the election is against confirmation, then
36 the Board shall, upon presentation to it
37 within thirty (30) days from the date of the
38 first election of a petition signed by at
39 least twenty percent (20%) of the qualified
40 electors in the District as shown by the
41 last approved tax rolls of Lavaca County,
42 call a second election for confirmation of
43 the District. This election shall be held
44 not later than forty (40) days from the day
45 the petition is presented to the Board. It
46 shall be conducted in all respects as the
47 first election for confirmation of the
48 District.

49 If a majority of the votes cast at the
50 second election is in favor of
51 confirmation, the Board of Directors shall
52 so declare, and thereafter the District

1 shall have all the powers and authority
2 conferred by this Act.

3 Sec. 7. Lavaca County Flood Control
4 District Number 3, shall succeed to all
5 properties and contracts, excluding moneys
6 on hand, of its two predecessors, which were
7 the Lavaca County Flood Control District
8 created by Chapter 361, Acts of the 47th
9 Legislature, 1941, Regular Session, and the
10 Lavaca County Flood Control District
11 created by Chapter 183, Acts of the 50th
12 Legislature, 1947, Regular Session (this
13 latter Act codified as Article 8280-128 of
14 Vernon's Texas Civil Statutes), insofar as
15 such properties and contracts apply to the
16 area included within Lavaca County Flood
17 Control District Number 3.

18 Sec. 10. (a) The Board of Directors
19 may, at the same time it submits the
20 question of whether or not the
21 establishment of the District shall be
22 confirmed, also submit a separate
23 proposition as to whether there may be
24 levied a tax for one or more of the purposes
25 authorized by this Act for which tax money
26 of the District may be expended. The
27 election order and notice of election shall
28 state the specific rate of tax to be levied
29 or that the rate shall not exceed fifteen
30 cents (15¢) on the One Hundred (\$100.00)
31 Dollars valuation.

32 Sec. 19. The Lavaca County Flood
33 Control District heretofore created by
34 Chapter 183, Acts of the 50th Legislature,
35 Regular Session, 1947, is in all things
36 validated, and any and all acts heretofore
37 performed or done by the District or in
38 relation to the District or in connection
39 with the District are in all things
40 validated.

41 Sec. 20. All laws and parts of laws
42 in conflict with this Act are repealed; and
43 there is expressly repealed Chapter 361,
44 Acts of the 47th Legislature, 1941, Regular
45 Session, and Chapter 183, Acts of the 50th
46 Legislature, 1947, Regular Session.

47 (2) Sections 10(b) and 18, Chapter 95, Acts of
48 the 56th Legislature, Regular Session, 1959, provide
49 for the severability of provisions of Chapter 95. The
50 revised law omits those provisions because they
51 duplicate Section 311.032, Government Code (Code
52 Construction Act), which states that a provision of a
53 statute is severable from each other provision of the
54 statute that can be given effect. The omitted law
55 reads:

56 [Sec. 10]

1 (b) The provisions of this Section 10
2 and of Section 9 of this Act are distinct,
3 cumulative and severable, each of the
4 other.

5 Sec. 18. If any provision of this Act
6 or the application thereof to any person or
7 circumstances is held invalid, such
8 invalidity shall not affect other
9 provisions or applications of the Act which
10 can be given effect without the invalid
11 provision or application, and to this end
12 the provisions of this Act are declared to
13 be severable.

26 CHAPTER 8259. LONGHORN TOWN UTILITY DISTRICT

27 SUBCHAPTER A. GENERAL PROVISIONS

28 Revised Law

29 Sec. 8259.001. DEFINITIONS. In this chapter:

30 (1) "Board" means the district's board of directors.

31 (2) "Director" means a member of the board.

32 (3) "District" means the Longhorn Town Utility
33 District of Harris County, Texas. (Acts 62nd Leg., R.S., Ch. 659,
34 Sec. 1 (part); New.)

35 Source Law

36 Sec. 1. . . . [a . . . district] in Harris
37 County, Texas, to be known as Longhorn Town Utility
38 District, hereinafter called the "district,"

39 Revisor's Note

40 The definitions of "board" and "director" are
41 added to the revised law for drafting convenience and

1 to eliminate frequent, unnecessary repetition of the
2 substance of the definitions.

3 Revised Law

4 Sec. 8259.002. NATURE OF DISTRICT. The district is a
5 conservation and reclamation district in Harris County created
6 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
7 R.S., Ch. 659, Sec. 1 (part).)

8 Source Law

9 Sec. 1. . . . there is hereby created and
10 established, under and pursuant to the provisions of
11 Article XVI, Section 59 of the Constitution of Texas, a
12 conservation and reclamation district in Harris
13 County, Texas, . . . which shall be a governmental
14 agency and a body politic and corporate. . . .

15 Revisor's Note

16 (1) Section 1, Chapter 659, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides that the
18 district is "created and established." The revised
19 law omits "established" because the meaning of that
20 word is included in the meaning of "created."

21 (2) Section 1, Chapter 659, Acts of the 62nd
22 Legislature, Regular Session, 1971, provides that the
23 district is created notwithstanding certain laws
24 relating to consent. The revised law omits that
25 provision as executed because the district has been
26 created. The omitted law reads:

27 Sec. 1. Notwithstanding provisions
28 of the general laws relating to consent by
29 political subdivisions for the creation of
30 conservation and reclamation districts,
31 [there is hereby created . . . a
32 conservation and reclamation district]
33

34 (3) Section 1, Chapter 659, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to the
36 district as "a governmental agency and a body politic
37 and corporate." The revised law omits the quoted
38 language because it duplicates a portion of Section
39 59(b), Article XVI, Texas Constitution, which provides
40 that a conservation and reclamation district is a

1 governmental agency and a body politic and corporate.

2 Revised Law

3 Sec. 8259.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)

4 The district is created to serve a public use and benefit.

5 (b) All land and other property included in the boundaries
6 of the district will benefit from the works and projects
7 accomplished by the district under the powers conferred by Section
8 59, Article XVI, Texas Constitution.

9 (c) The creation of the district is essential to accomplish
10 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
11 62nd Leg., R.S., Ch. 659, Secs. 1 (part), 3.)

12 Source Law

13 Sec. 1. . . . The creation and establishment of
14 the district is hereby declared to be essential to the
15 accomplishment of the purposes of Article XVI, Section
16 59 of the Constitution of Texas.

17 Sec. 3. It is determined and found that all of
18 the land and other property included within the area
19 and boundaries of the district will be benefited by the
20 works and project which are to be accomplished by the
21 district pursuant to the powers conferred by the
22 provisions of Article XVI, Section 59 of the
23 Constitution of Texas, and that said district is
24 created to serve a public use and benefit.

25 Revisor's Note

26 (1) Section 1, Chapter 659, Acts of the 62nd
27 Legislature, Regular Session, 1971, provides that the
28 "creation and establishment" of the district are
29 essential to accomplish the purposes of Section 59,
30 Article XVI, Texas Constitution. The revised law
31 omits "establishment" because its meaning is included
32 in the meaning of "creation."

33 (2) Section 3, Chapter 659, Acts of the 62nd
34 Legislature, Regular Session, 1971, refers to land and
35 other property included within the "area and
36 boundaries of the district." The revised law omits the
37 reference to "area" because, in context, "area" is
38 included in the meaning of "boundaries."

1 Revised Law

2 Sec. 8259.004. DISTRICT TERRITORY. (a) The district is
3 composed of the territory described by Section 4, Chapter 659, Acts
4 of the 62nd Legislature, Regular Session, 1971, as that territory
5 may have been modified under:

- 6 (1) Subchapter H, Chapter 54, Water Code;
7 (2) Subchapter J, Chapter 49, Water Code; or
8 (3) other law.

9 (b) The boundaries and field notes of the district form a
10 closure. A mistake in copying the field notes in the legislative
11 process or another mistake in the field notes does not affect:

- 12 (1) the district's organization, existence, or
13 validity;
14 (2) the district's right to issue any type of bonds for
15 a purpose for which the district is created or to pay the principal
16 of and interest on the bonds;
17 (3) the district's right to impose a tax; or
18 (4) the legality or operation of the district or its
19 governing body. (Acts 62nd Leg., R.S., Ch. 659, Sec. 2; New.)

20 Source Law

21 Sec. 2. It is determined and found that the
22 boundaries and field notes of the district form a
23 closure. If any mistake is made in copying the field
24 notes in the legislative process or otherwise a
25 mistake is made in the field notes, it shall in no way
26 affect the organization, existence and validity of the
27 district, or the right of the district to issue any
28 type of bonds or refunding bonds for the purposes for
29 which the district is created or to pay the principal
30 and interest thereon, or the right to assess, levy and
31 collect taxes, or in any other manner affect the
32 legality or operation of the district or its governing
33 body.

34 Revisor's Note

35 (1) The revision of the law governing the
36 district does not revise the statutory language
37 describing the territory of the district to avoid the
38 lengthy recitation of the description and because that
39 description may not be accurate on the effective date
40 of the revision or at the time of a later reading. For

1 the reader's convenience, the revised law includes
2 references to the statutory description of the
3 district's territory and to the authority to change the
4 district's territory under Subchapter H, Chapter 54,
5 Water Code, applicable to municipal utility districts,
6 and under Subchapter J, Chapter 49, Water Code,
7 applicable to the district under Sections 49.001 and
8 49.002 of that chapter. The revised law also includes
9 a reference to the general authority of the
10 legislature to enact a law to change the district's
11 territory.

12 (2) Section 2, Chapter 659, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that a
14 mistake in the description of the district boundaries
15 does not affect the right of the district to issue "any
16 type of bonds or refunding bonds." The revised law
17 omits the reference to "refunding bonds" because
18 refunding bonds are included in the meaning of "any
19 type of bonds."

20 (3) Section 2, Chapter 659, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to the
22 district's authority to "assess, levy and collect"
23 taxes. The revised law substitutes "impose" for
24 "assess, levy and collect" because "impose" is the
25 term generally used in Title 1, Tax Code, and includes
26 the assessment, levy, and collection of a tax.

28 SUBCHAPTER B. BOARD OF DIRECTORS

29 Revised Law

30 Sec. 8259.051. COMPOSITION OF BOARD. The board of
31 directors is composed of five elected directors. (Acts 62nd Leg.,
32 R.S., Ch. 659, Sec. 6 (part).)

33 Source Law

34 Sec. 6. . . . Succeeding directors shall be
35 elected or

1 Revisor's Note

2 (1) Section 6, Chapter 659, Acts of the 62nd
3 Legislature, Regular Session, 1971, refers to the
4 initial board of directors and to vacancy procedures.
5 The revised law omits the language relating to the
6 creation of the initial board as executed. The revised
7 law omits the language relating to vacancy procedures
8 for the initial board as executed and, to the extent
9 the language may apply to subsequently appointed
10 directors, because it duplicates in substance Section
11 49.105(c), Water Code. That section applies to the
12 district under Sections 49.001 and 49.002, Water Code.
13 The omitted law reads:

14 Sec. 6. Immediately after this Act
15 becomes effective, the following named
16 persons shall be the directors of the
17 district and shall constitute the board of
18 directors of the district:

19 Bob Lindsay
20 Joe Parks
21 Gary Pearce
22 Rick Shubert
23 Jon Starnes

24 Said persons shall qualify to serve as
25 directors prior to the first meeting of the
26 board of directors. Should any of the above
27 named directors fail to qualify for any
28 reason, the remaining named directors shall
29 appoint someone to fill such vacancy or
30 vacancies; provided, however, that if at
31 any time the number of qualified directors
32 shall be less than three because of the
33 failure or refusal of one or more directors
34 to qualify or serve or because of his or
35 their death or incapacitation, or for any
36 such other reason, the Texas Water Rights
37 Commission shall appoint the necessary
38 number of directors to fill all vacancies on
39 the board. The directors above named or
40 their duly appointed and qualified
41 successor or successors shall serve until
42 the second Saturday in January, 1973. . . .

43 (2) Section 6, Chapter 659, Acts of the 62nd
44 Legislature, Regular Session, 1971, refers to
45 "[s]ucceeding directors" to distinguish the
46 succeeding directors from the initial directors named
47 in that section. The revised law substitutes "five"
48 for "succeeding" to conform to the number of directors

1 listed in Section 6 (establishing the initial board).

2 (3) Section 6, Chapter 659, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides for
4 directors to be elected or appointed and to serve for
5 the term and in the manner provided by Chapter 54,
6 Water Code. Chapter 715, Acts of the 74th Legislature,
7 Regular Session, 1995, repealed the relevant
8 provisions of Chapter 54 and enacted similar
9 provisions in Chapter 49, Water Code, including
10 Section 49.103, which governs the terms of office and
11 manner of election of directors of a municipal utility
12 district that is required by law to elect its
13 directors. The revised law omits any reference to
14 Chapter 49, Water Code, because Chapter 49 applies to
15 the district under Sections 49.001 and 49.002 of that
16 chapter. The revised law also omits "appointed"
17 because it is clear from the context of Section 6 that
18 the reference applies only to directors appointed to
19 fill vacancies as provided by Chapter 49, Water Code.
20 The omitted law reads:

21 Sec. 6. . . . [Succeeding directors
22 shall be elected or] appointed and shall
23 serve for the term and in the manner
24 provided by Chapter 54, Title 4, Water Code,
25 for directors first elected.

26 [Sections 8259.052-8259.100 reserved for expansion]

27 SUBCHAPTER C. POWERS AND DUTIES

28 Revised Law

29 Sec. 8259.101. MUNICIPAL UTILITY DISTRICT POWERS. The
30 district has the rights, powers, privileges, and functions
31 conferred by general law applicable to a municipal utility
32 district, including Chapters 49 and 54, Water Code. (Acts 62nd
33 Leg., R.S., Ch. 659, Sec. 5 (part); New.)

34 Source Law

35 Sec. 5. The district is hereby vested with, and
36 shall have and exercise, all of the rights, powers,
37 privileges, authority and functions conferred by the
38 general laws of this state applicable to municipal

1 utility districts, including without limitation those
2 conferred by Chapter 54, Title 4, Water Code, but
3

4 Revisor's Note

5 (1) Section 5, Chapter 659, Acts of the 62nd
6 Legislature, Regular Session, 1971, provides that the
7 district "is hereby vested with, and shall have and
8 exercise" certain powers. The revised law substitutes
9 "has" for the quoted language because, in context, the
10 terms are synonymous and "has" is more commonly used.

11 (2) Section 5, Chapter 659, Acts of the 62nd
12 Legislature, Regular Session, 1971, refers to the
13 "rights, powers, privileges, [and] authority" of the
14 district. The revised law omits the reference to
15 "authority" because, in context, "authority" is
16 included in the meaning of "rights, powers, [and]
17 privileges."

18 (3) Section 5, Chapter 659, Acts of the 62nd
19 Legislature, Regular Session, 1971, grants the
20 district certain powers, "including without
21 limitation those conferred by Chapter 54, Title 4,
22 Water Code." The revised law omits "without
23 limitation" because Section 311.005(13), Government
24 Code (Code Construction Act), provides that "includes"
25 and "including" are terms of enlargement and not of
26 limitation and do not create a presumption that
27 components not expressed are excluded.

28 (4) Section 5, Chapter 659, Acts of the 62nd
29 Legislature, Regular Session, 1971, refers to Chapter
30 54, Water Code. For the reader's convenience, the
31 revised law adds a reference to Chapter 49, Water Code,
32 because Chapter 715, Acts of the 74th Legislature,
33 Regular Session, 1995, repealed many provisions of
34 Chapter 54 and enacted similar provisions in Chapter
35 49, Water Code, which applies to the district under
36 Sections 49.001 and 49.002 of that chapter.

1 (5) Section 5, Chapter 659, Acts of the 62nd
2 Legislature, Regular Session, 1971, provides that the
3 act prevails over general law in case of a conflict or
4 other inconsistency and that all general laws
5 applicable to municipal utility districts not in
6 conflict or inconsistent with the provisions of the
7 act are adopted and incorporated by reference. The
8 revised law omits the portion of the provision
9 relating to the act prevailing over general law
10 because it duplicates in substance Section 311.026(b),
11 Government Code (Code Construction Act). The revised
12 law omits the portion of the provision relating to
13 adoption and incorporation of general laws because
14 Section 5 of Chapter 659 (revised as this section)
15 already provides that those laws apply to the
16 district, and it is unnecessary to repeat that
17 authority. The omitted law reads:

18 Sec. 5. . . . if any provision of
19 such general laws shall be in conflict or
20 inconsistent with the provisions of this
21 Act, the provisions of this Act shall
22 prevail. All such general laws applicable
23 to municipal utility districts not in
24 conflict or inconsistent with the
25 provisions of this Act are hereby adopted
26 and incorporated by reference with the same
27 effect as if copied in full in this Act.

28 Revisor's Note
29 (End of Chapter)

30 (1) Section 7, Chapter 659, Acts of the 62nd
31 Legislature, Regular Session, 1971, contains
32 legislative findings relating to the performance of
33 the requirements of Section 59(d), Article XVI, Texas
34 Constitution, and to the authority of the legislature
35 to enact that chapter. The revised law omits the
36 provision as executed. The omitted law reads:

37 Sec. 7. The Legislature specifically
38 finds and declares that the requirements of
39 Article XVI, Section 59(d) of the
40 Constitution of Texas have been performed
41 and accomplished in due course and time and
42 order, and that the Legislature has the

1 power and authority to enact this Act.

2 (2) Section 8, Chapter 659, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that the
4 act is severable. The revised law omits that provision
5 because it duplicates Section 311.032, Government Code
6 (Code Construction Act), which provides that a
7 provision of a statute is severable from each other
8 provision of the statute that can be given effect. The
9 omitted law reads:

10 Sec. 8. If any word, phrase, clause,
11 paragraph, sentence, part, portion or
12 provision of this Act or the application
13 thereof to any persons or circumstance
14 shall be held to be invalid or
15 unconstitutional, the remainder of the Act
16 shall nevertheless be valid and the
17 Legislature hereby declares that this Act
18 would have been enacted without such
19 invalid or unconstitutional word, phrase,
20 clause, paragraph, sentence, part, portion
21 or provision.

34 CHAPTER 8260. LOUETTA NORTH PUBLIC UTILITY DISTRICT

35 SUBCHAPTER A. GENERAL PROVISIONS

36 Revised Law

37 Sec. 8260.001. DEFINITIONS. In this chapter:

- 38 (1) "Board" means the district's board of directors.
39 (2) "Director" means a member of the board.
40 (3) "District" means the Louetta North Public Utility

1 District. (Acts 62nd Leg., R.S., Ch. 685, Sec. 1 (part); New.)

2 Source Law

3 Sec. 1. . . . [a . . . district] . . . to be
4 known as "Louetta North Public Utility District,"
5 hereinafter called the "district,"

6 Revisor's Note

7 The definitions of "board" and "director" are
8 added to the revised law for drafting convenience and
9 to eliminate frequent, unnecessary repetition of the
10 substance of the definitions.

11 Revised Law

12 Sec. 8260.002. NATURE OF DISTRICT. The district is a
13 conservation and reclamation district in Harris County created
14 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
15 R.S., Ch. 685, Sec. 1 (part).)

16 Source Law

17 Sec. 1. . . . there is hereby created and
18 established, under and pursuant to the provisions of
19 Article XVI, Section 59 of the Constitution of Texas, a
20 conservation and reclamation district in Harris
21 County, Texas, . . . which shall be a governmental
22 agency and a body politic and corporate. . . .

23 Revisor's Note

24 (1) Section 1, Chapter 685, Acts of the 62nd
25 Legislature, Regular Session, 1971, provides that the
26 district is "created and established." The revised
27 law omits "established" because the meaning of that
28 word is included in the meaning of "created."

29 (2) Section 1, Chapter 685, Acts of the 62nd
30 Legislature, Regular Session, 1971, provides that the
31 district is created notwithstanding certain laws
32 relating to consent. The revised law omits that
33 provision as executed because the district has been
34 created. The omitted law reads:

35 Sec. 1. Notwithstanding provisions
36 of the general laws relating to consent by
37 political subdivisions for the creation of
38 conservation and reclamation districts,
39 [there is hereby created . . . a
40 conservation and reclamation district]
41

1 (3) Section 1, Chapter 685, Acts of the 62nd
2 Legislature, Regular Session, 1971, refers to the
3 district as "a governmental agency and a body politic
4 and corporate." The revised law omits the quoted
5 language because it duplicates a portion of Section
6 59(b), Article XVI, Texas Constitution, which provides
7 that a conservation and reclamation district is a
8 governmental agency and a body politic and corporate.

9 Revised Law

10 Sec. 8260.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
11 The district is created to serve a public use and benefit.

12 (b) All land and other property included in the boundaries
13 of the district will benefit from the works and projects
14 accomplished by the district under the powers conferred by Section
15 59, Article XVI, Texas Constitution.

16 (c) The creation of the district is essential to accomplish
17 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
18 62nd Leg., R.S., Ch. 685, Secs. 1 (part), 3.)

19 Source Law

20 Sec. 1. . . . The creation and establishment of
21 the district is hereby declared to be essential to the
22 accomplishment of the purposes of Article XVI, Section
23 59 of the Constitution of Texas.

24 Sec. 3. It is determined and found that all of
25 the land and other property included within the area
26 and boundaries of the district will be benefited by the
27 works and project which are to be accomplished by the
28 district pursuant to the powers conferred by the
29 provisions of Article XVI, Section 59 of the
30 Constitution of Texas, and that said district is
31 created to serve a public use and benefit.

32 Revisor's Note

33 (1) Section 1, Chapter 685, Acts of the 62nd
34 Legislature, Regular Session, 1971, provides that the
35 "creation and establishment" of the district are
36 essential to accomplish the purposes of Section 59,
37 Article XVI, Texas Constitution. The revised law
38 omits "establishment" because its meaning is included
39 in the meaning of "creation."

1 (2) Section 3, Chapter 685, Acts of the 62nd
2 Legislature, Regular Session, 1971, refers to land and
3 other property included within the "area and
4 boundaries of the district." The revised law omits the
5 reference to "area" because, in context, "area" is
6 included in the meaning of "boundaries."

7 Revised Law

8 Sec. 8260.004. DISTRICT TERRITORY. (a) The district is
9 composed of the territory described by Section 4, Chapter 685, Acts
10 of the 62nd Legislature, Regular Session, 1971, as that territory
11 may have been modified under:

12 (1) Subchapter H, Chapter 54, Water Code;

13 (2) Subchapter J, Chapter 49, Water Code; or

14 (3) other law.

15 (b) The boundaries and field notes of the district form a
16 closure. A mistake in copying the field notes in the legislative
17 process or another mistake in the field notes does not affect:

18 (1) the district's organization, existence, or
19 validity;

20 (2) the district's right to issue any type of bond for
21 a purpose for which the district is created or to pay the principal
22 of and interest on the bond;

23 (3) the district's right to impose a tax; or

24 (4) the legality or operation of the district or its
25 governing body. (Acts 62nd Leg., R.S., Ch. 685, Sec. 2; New.)

26 Source Law

27 Sec. 2. It is determined and found that the
28 boundaries and field notes of the district form a
29 closure. If any mistake is made in copying the field
30 notes in the legislative process or otherwise a
31 mistake is made in the field notes, it shall in no way
32 affect the organization, existence and validity of the
33 district, or the right of the district to issue any
34 type of bonds or refunding bonds for the purposes for
35 which the district is created or to pay the principal
36 and interest thereon, or the right to assess, levy and
37 collect taxes, or in any other manner affect the
38 legality or operation of the district or its governing
39 body.

1 Revisor's Note

2 (1) The revision of the law governing the
3 district does not revise the statutory language
4 describing the territory of the district to avoid the
5 lengthy recitation of the description and because that
6 description may not be accurate on the effective date
7 of the revision or at the time of a later reading. For
8 the reader's convenience, the revised law includes
9 references to the statutory description of the
10 district's territory and to the authority to change the
11 district's territory under Subchapter H, Chapter 54,
12 Water Code, applicable to municipal utility districts,
13 and under Subchapter J, Chapter 49, Water Code,
14 applicable to the district under Sections 49.001 and
15 49.002 of that chapter. The revised law also includes
16 a reference to the general authority of the
17 legislature to enact a law to change the district's
18 territory.

19 (2) Section 2, Chapter 685, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that a
21 mistake in the description of the district boundaries
22 does not affect the right of the district to issue "any
23 type of bonds or refunding bonds." The revised law
24 omits the reference to "refunding bonds" because
25 refunding bonds are included in the meaning of "any
26 type of bonds."

27 (3) Section 2, Chapter 685, Acts of the 62nd
28 Legislature, Regular Session, 1971, refers to the
29 district's authority to "assess, levy and collect"
30 taxes. The revised law substitutes "impose" for
31 "assess, levy and collect" because "impose" is the
32 term generally used in Title 1, Tax Code, and includes
33 the assessment, levy, and collection of a tax.

1 SUBCHAPTER B. BOARD OF DIRECTORS

2 Revised Law

3 Sec. 8260.051. COMPOSITION OF BOARD. The board of
4 directors is composed of five elected directors. (Acts 62nd Leg.,
5 R.S., Ch. 685, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . Succeeding directors shall be
8 elected or

9 Revisor's Note

10 (1) Section 6, Chapter 685, Acts of the 62nd
11 Legislature, Regular Session, 1971, refers to the
12 initial board of directors and to vacancy procedures.
13 The revised law omits the language relating to the
14 creation of the initial board as executed. The revised
15 law omits the language relating to vacancy procedures
16 for the initial board as executed and, to the extent
17 the language may apply to subsequently appointed
18 directors, because it duplicates in substance Section
19 49.105(c), Water Code. That section applies to the
20 district under Sections 49.001 and 49.002, Water Code.
21 The omitted law reads:

22 Sec. 6. Immediately after this Act
23 becomes effective, the following named
24 persons shall be the directors of the
25 district and shall constitute the board of
26 directors of the district:

27 James E. Babcock
28 Robert P. Cochran
29 Robert T. Parker
30 Boyce V. Jones
31 R. M. Pearson

32 Said persons shall qualify to serve as
33 directors prior to the first meeting of the
34 board of directors. Should any of the above
35 named directors fail to qualify for any
36 reason, the remaining named directors shall
37 appoint someone to fill such vacancy or
38 vacancies; provided, however, that if at
39 any time the number of qualified directors
40 shall be less than three because of the
41 failure or refusal of one or more directors
42 to qualify or serve or because of his or
43 their death or incapacitation, or for any
44 such other reason, the Texas Water Rights
45 Commission shall appoint the necessary
46 number of directors to fill all vacancies on
47 the board. The directors above named or
48 their duly appointed and qualified

1 successor or successors shall serve until
2 the second Saturday in January, 1973. . . .

3 (2) Section 6, Chapter 685, Acts of the 62nd
4 Legislature, Regular Session, 1971, refers to
5 "[s]ucceeding directors" to distinguish the
6 succeeding directors from the initial directors named
7 in that section. The revised law substitutes "five"
8 for "succeeding" to conform to the number of directors
9 listed in Section 6 (establishing the initial board).

10 (3) Section 6, Chapter 685, Acts of the 62nd
11 Legislature, Regular Session, 1971, provides for
12 directors to be elected or appointed and to serve for
13 the term and in the manner provided by Chapter 54,
14 Water Code. Chapter 715, Acts of the 74th Legislature,
15 Regular Session, 1995, repealed the relevant
16 provisions of Chapter 54 and enacted similar
17 provisions in Chapter 49, Water Code, including
18 Section 49.103, which governs the terms of office and
19 manner of election of directors of a municipal utility
20 district that is required by law to elect its
21 directors. The revised law omits any reference to
22 Chapter 49, Water Code, because Chapter 49 applies to
23 the district under Sections 49.001 and 49.002 of that
24 chapter. The revised law also omits "appointed"
25 because it is clear from the context of Section 6 that
26 the reference applies only to directors appointed to
27 fill vacancies as provided by Chapter 49, Water Code.
28 The omitted law reads:

29 Sec. 6. . . . [Succeeding directors
30 shall be elected or] appointed and shall
31 serve for the term and in the manner
32 provided by Chapter 54, Title 4, Water Code.

33 [Sections 8260.052-8260.100 reserved for expansion]

34 SUBCHAPTER C. POWERS AND DUTIES

35 Revised Law

36 Sec. 8260.101. MUNICIPAL UTILITY DISTRICT POWERS. The
37 district has the rights, powers, privileges, and functions

1 conferred by general law applicable to a municipal utility
2 district, including Chapters 49 and 54, Water Code. (Acts 62nd
3 Leg., R.S., Ch. 685, Sec. 5 (part); New.)

4 Source Law

5 Sec. 5. The district is hereby vested with, and
6 shall have and exercise, all of the rights, powers,
7 privileges, authority and functions conferred by the
8 general laws of this state applicable to municipal
9 utility districts, including without limitation those
10 conferred by Chapter 54, Title 4, Water Code, but
11

12 Revisor's Note

13 (1) Section 5, Chapter 685, Acts of the 62nd
14 Legislature, Regular Session, 1971, provides that the
15 district "is hereby vested with, and shall have and
16 exercise" certain powers. The revised law substitutes
17 "has" for the quoted language because, in context, the
18 terms are synonymous and "has" is more commonly used.

19 (2) Section 5, Chapter 685, Acts of the 62nd
20 Legislature, Regular Session, 1971, refers to the
21 "rights, powers, privileges, [and] authority" of the
22 district. The revised law omits the reference to
23 "authority" because, in context, "authority" is
24 included in the meaning of "rights, powers, [and]
25 privileges."

26 (3) Section 5, Chapter 685, Acts of the 62nd
27 Legislature, Regular Session, 1971, grants the
28 district certain powers, "including without
29 limitation those conferred by Chapter 54, Title 4,
30 Water Code." The revised law omits "without
31 limitation" because Section 311.005(13), Government
32 Code (Code Construction Act), provides that "includes"
33 and "including" are terms of enlargement and not of
34 limitation and do not create a presumption that
35 components not expressed are excluded.

36 (4) Section 5, Chapter 685, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to Chapter

1 54, Water Code. For the reader's convenience, the
2 revised law adds a reference to Chapter 49, Water Code,
3 because Chapter 715, Acts of the 74th Legislature,
4 Regular Session, 1995, repealed many provisions of
5 Chapter 54 and enacted similar provisions in Chapter
6 49, Water Code, which applies to the district under
7 Sections 49.001 and 49.002 of that chapter.

8 (5) Section 5, Chapter 685, Acts of the 62nd
9 Legislature, Regular Session, 1971, provides that the
10 act prevails over general law in case of a conflict or
11 other inconsistency and that all general laws
12 applicable to municipal utility districts not in
13 conflict or inconsistent with the provisions of the
14 act are adopted and incorporated by reference. The
15 revised law omits the portion of the provision
16 relating to the act prevailing over general law
17 because it duplicates in substance Section 311.026(b),
18 Government Code (Code Construction Act). The revised
19 law omits the portion of the provision relating to
20 adoption and incorporation of general laws because
21 Section 5 of Chapter 685 (revised as this section)
22 already provides that those laws apply to the
23 district, and it is unnecessary to repeat that
24 authority. The omitted law reads:

25 Sec. 5. . . . if any provision of
26 such general laws shall be in conflict or
27 inconsistent with the provisions of this
28 Act, the provisions of this Act shall
29 prevail. All such general laws applicable
30 to municipal utility districts not in
31 conflict or inconsistent with the
32 provisions of this Act are hereby adopted
33 and incorporated by reference with the same
34 effect as if copied in full in this Act.

35 Revisor's Note
36 (End of Chapter)

37 (1) Section 7, Chapter 685, Acts of the 62nd
38 Legislature, Regular Session, 1971, contains
39 legislative findings relating to the performance of

1 the requirements of Section 59(d), Article XVI, Texas
2 Constitution, and to the authority of the legislature
3 to enact that chapter. The revised law omits the
4 provision as executed. The omitted law reads:

5 Sec. 7. The Legislature specifically
6 finds and declares that the requirements of
7 Article XVI, Section 59(d) of the
8 Constitution of Texas have been performed
9 and accomplished in due course and time and
10 order, and that the Legislature has the
11 power and authority to enact this Act.

12 (2) Section 8, Chapter 685, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 act is severable. The revised law omits that provision
15 because it duplicates Section 311.032, Government Code
16 (Code Construction Act), which provides that a
17 provision of a statute is severable from each other
18 provision of the statute that can be given effect. The
19 omitted law reads:

20 Sec. 8. If any word, phrase, clause,
21 paragraph, sentence, part, portion or
22 provision of this Act or the application
23 thereof to any persons or circumstances
24 shall be held to be invalid or
25 unconstitutional, the remainder of the Act
26 shall nevertheless be valid and the
27 Legislature hereby declares that this Act
28 would have been enacted without such
29 invalid or unconstitutional word, phrase,
30 clause, paragraph, sentence, part, portion
31 or provision.

29		SUBCHAPTER A. GENERAL PROVISIONS	
30		<u>Revised Law</u>	
31	Sec. 8262.001.	DEFINITIONS. In this chapter:	
32		(1) "Board" means the board of directors of the	
33		district.	
34		(2) "Director" means a member of the board.	

1 (3) "District" means the Louetta Road Utility
2 District. (Acts 61st Leg., R.S., Ch. 749, Sec. 1 (part); New.)

3 Source Law

4 Sec. 1. . . . [a . . . district . . .] to be
5 known as "Louetta Road Utility District," hereinafter
6 called the "district,"

7 Revisor's Note

8 The definitions of "board" and "director" are
9 added to the revised law for drafting convenience and
10 to eliminate frequent, unnecessary repetition of the
11 substance of the definitions.

12 Revised Law

13 Sec. 8262.002. NATURE OF DISTRICT. The district is a
14 municipal utility district and a conservation and reclamation
15 district in Harris County created under Section 59, Article XVI,
16 Texas Constitution. (Acts 61st Leg., R.S., Ch. 749, Sec. 1 (part);
17 New.)

18 Source Law

19 Sec. 1. Under and pursuant to the provisions of
20 Article XVI, Section 59, Constitution of Texas, a
21 conservation and reclamation district is hereby
22 created and established in Harris County, Texas, . . .
23 which shall be a governmental agency and a body politic
24 and corporate. . . .

25 Revisor's Note

26 (1) Section 1, Chapter 749, Acts of the 61st
27 Legislature, Regular Session, 1969, provides that the
28 district is "created and established" in Harris
29 County, Texas. The revised law omits "established"
30 because the meaning of that word is included in the
31 meaning of "created."

32 (2) Section 1, Chapter 749, Acts of the 61st
33 Legislature, Regular Session, 1969, refers to the
34 district as "a governmental agency and a body politic
35 and corporate." The revised law omits those
36 references because they duplicate a portion of Section
37 59(b), Article XVI, Texas Constitution, which provides
38 that a conservation and reclamation district is a

1 governmental agency and a body politic and corporate.

2 (3) The revised law adds a reference to the
3 district as a "municipal utility district" because the
4 district was converted from a water control and
5 improvement district to a municipal utility district
6 on November 6, 1978, by order of the Texas Water
7 Commission. See Sections 54.030-54.036, Water Code.
8 Under both that order and Section 54.034, Water Code,
9 the district now operates under Chapter 54, Water
10 Code. Throughout this chapter, references to water
11 control and improvement districts and references to
12 Chapter 51, Water Code (the chapter on water control
13 and improvement districts), have been revised to
14 reflect the district's conversion. In addition, as
15 indicated throughout this chapter, the revised law
16 omits law that is superseded by Chapter 54, Water Code,
17 or that duplicates law contained in that chapter.

18 Revised Law

19 Sec. 8262.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
20 The district is created to serve a public use and benefit.

21 (b) All land and other property included in the boundaries
22 of the district will benefit from the works and projects
23 accomplished by the district under the powers conferred by Section
24 59, Article XVI, Texas Constitution.

25 (c) The creation of the district is essential to accomplish
26 the purposes of Section 59, Article XVI, Texas Constitution.

27 (d) The accomplishment of the purposes stated in this
28 chapter is for the benefit of the people of this state and for the
29 improvement of their property and industries. The district in
30 carrying out the purposes of this chapter will be performing an
31 essential public function under the Texas Constitution. (Acts 61st
32 Leg., R.S., Ch. 749, Secs. 1 (part), 4, 24 (part).)

33 Source Law

34 Sec. 1. . . . The creation and establishment of
35 the district is hereby declared to be essential to the

1 accomplishment of the purposes of Article XVI, Section
2 59, Constitution of Texas.

3 Sec. 4. It is determined and found that all of
4 the land and other property included within the area
5 and boundaries of the district will be benefited by the
6 works and project which are to be accomplished by the
7 district pursuant to the powers conferred by the
8 provisions of Article XVI, Section 59, Constitution of
9 Texas, and that said district was and is created to
10 serve a public use and benefit.

11 Sec. 24. The accomplishment of the purposes
12 stated in this Act being for the benefit of the people
13 of this state and for the improvement of their
14 properties and industries, the district in carrying
15 out the purposes of this Act will be performing an
16 essential public function under the Constitution, and
17

18 Revisor's Note

19 (1) Section 1, Chapter 749, Acts of the 61st
20 Legislature, Regular Session, 1969, states that the
21 "creation and establishment" of the district is
22 essential to accomplish the purposes of Section 59,
23 Article XVI, Texas Constitution. The revised law
24 omits "establishment" because its meaning is included
25 in the meaning of "creation."

26 (2) Section 4, Chapter 749, Acts of the 61st
27 Legislature, Regular Session, 1969, refers to land and
28 other property included within the "area and
29 boundaries of the district." The revised law omits the
30 reference to "area" because, in context, "area" is
31 included in the meaning of "boundaries."

32 Revised Law

33 Sec. 8262.004. DISTRICT TERRITORY. (a) The district is
34 composed of the territory described by Section 2, Chapter 749, Acts
35 of the 61st Legislature, Regular Session, 1969, as that territory
36 may have been modified under:

37 (1) Subchapter H, Chapter 54, Water Code;

38 (2) Subchapter J, Chapter 49, Water Code;

39 (3) Section 9, Chapter 749, Acts of the 61st
40 Legislature, Regular Session, 1969; or

41 (4) other law.

42 (b) The boundaries and field notes of the district form a

1 closure. A mistake in copying the field notes in the legislative
2 process or another mistake in the field notes does not affect:

3 (1) the district's organization, existence, or
4 validity;

5 (2) the district's right to issue any type of bond for
6 a purpose for which the district is created or to pay the principal
7 of and interest on the bond;

8 (3) the district's right to impose a tax; or

9 (4) the legality or operation of the district or the
10 board. (Acts 61st Leg., R.S., Ch. 749, Sec. 3; New.)

11 Source Law

12 Sec. 3. It is determined and found that the
13 boundaries and field notes of the district form a
14 closure; and if any mistake is made in copying the
15 field notes in the legislative process, or otherwise a
16 mistake is made in the field notes, it shall in no way
17 affect the organization, existence, and validity of
18 the district, or the right of the district to issue any
19 type of bonds or refunding bonds for the purposes for
20 which the district is created, or to pay the principal
21 and interest thereon, or the right to assess, levy, and
22 collect taxes, or in any other manner affect the
23 legality or operation of the district or its governing
24 body.

25 Revisor's Note

26 (1) The revision of the law governing the
27 district does not revise the statutory language
28 describing the territory of the district to avoid the
29 lengthy recitation of the description and because that
30 description may not be accurate on the effective date
31 of the revision or at the time of a later reading. For
32 the reader's convenience, the revised law includes a
33 reference to the statutory description of the
34 district's territory and references to authority to
35 change the district's territory, including: (1)
36 Subchapter H, Chapter 54, Water Code, applicable to
37 the district after the district was converted to a
38 municipal utility district governed by Chapter 54 of
39 that code (see Sections 54.030-54.036 of that code and
40 Revisor's Note (3) to Section 8262.002); (2)

1 Subchapter J, Chapter 49, Water Code, applicable to
2 the district under Sections 49.001 and 49.002 of that
3 chapter; and (3) Section 9, Chapter 749, Acts of the
4 61st Legislature, Regular Session, 1969. The revised
5 law also includes a reference to the general authority
6 of the legislature to enact other laws to change the
7 district's territory.

8 (2) Section 3, Chapter 749, Acts of the 61st
9 Legislature, Regular Session, 1969, provides that a
10 mistake does not affect the right of the district to
11 issue "any type of bonds or refunding bonds." The
12 revised law omits the reference to "refunding bonds"
13 because refunding bonds are included in the meaning of
14 "any type of bonds."

15 (3) Section 3, Chapter 749, Acts of the 61st
16 Legislature, Regular Session, 1969, refers to the
17 district's right to "assess, levy, and collect" a tax.
18 Throughout this chapter, the revised law substitutes
19 "impose" for "levy" or "assess, levy, and collect"
20 because "impose" is the term generally used in Title 1,
21 Tax Code, and includes the assessment, levying, and
22 collection of a tax.

23 Revised Law

24 Sec. 8262.005. EXPANSION OF DISTRICT. (a) If land is
25 annexed by the district under Section 49.301, Water Code, the board
26 may require the petitioners to:

27 (1) assume the petitioners' pro rata share of the voted
28 but unissued bonds of the district; and

29 (2) authorize the board to impose a tax on the
30 petitioners' property to pay for the bonds after the bonds have been
31 issued.

32 (b) If land is annexed by the district under Section 49.302,
33 Water Code, the board may submit to the voters of the area to be
34 annexed a proposition on the question of the assumption by the area

1 to be annexed of its part of the voted but not yet issued or sold tax
2 or tax-revenue bonds of the district and the imposition of an ad
3 valorem tax on taxable property in the area to be annexed along with
4 a tax in the rest of the district for the payment of the bonds.

5 (c) If the petitioners consent or if the election results
6 favorably, the district may issue its voted but unissued tax or
7 tax-revenue bonds regardless of changes to district boundaries
8 since the original voting or authorization of the bonds. (Acts 61st
9 Leg., R.S., Ch. 749, Sec. 9.)

10 Source Law

11 Sec. 9. Land may be added to or annexed by the
12 district in the manner now provided by Chapter 3A,
13 Title 128 (Vernon's Texas Civil Statutes); provided,
14 however, that the board of directors may require the
15 petitioners, if land is being added in the manner
16 provided by Article 7880--75 (Vernon's Texas Civil
17 Statutes), to assume their pro rata share of the voted
18 but unissued bonds of the district and to authorize the
19 board to levy a tax on their property in payment of
20 such unissued bonds, when issued, or if land is being
21 annexed in the manner provided by Article 7880--75b
22 (Vernon's Texas Civil Statutes), the board may also
23 submit a proposition to the property taxpaying voters
24 of the area to be annexed on the question of the
25 assumption by the area to be annexed of its part of the
26 tax or tax-revenue bonds of the district theretofore
27 voted but not yet issued or sold and the levy of an ad
28 valorem tax on taxable property within the area to be
29 annexed along with the tax in the rest of the district
30 for the payment thereof. If the petitioners consent or
31 if the election results favorably, the district shall
32 be authorized to issue its voted but unissued tax or
33 tax-revenue bonds even though the boundaries of the
34 district have been changed since the voting or
35 authorization of such bonds.

36 Revisor's Note

37 (1) Section 9, Chapter 749, Acts of the 61st
38 Legislature, Regular Session, 1969, provides that the
39 district may add or annex land in the manner provided
40 by Chapter 3A, Title 128, Vernon's Texas Civil
41 Statutes. The revised law omits that provision as
42 unnecessary. The relevant provisions of that statute
43 were codified by Chapter 58, Acts of the 62nd
44 Legislature, Regular Session, 1971, as Subchapter O,
45 Chapter 51, Water Code. After the district converted
46 to a municipal utility district in 1978, that

1 subchapter no longer applied to the district and
2 Subchapter H, Chapter 54, Water Code, applied instead,
3 as described by Revisor's Note (3) to Section 8262.002.
4 Chapter 715, Acts of the 74th Legislature, Regular
5 Session, 1995, repealed some of the relevant
6 provisions of Subchapter H, Chapter 54, Water Code,
7 and enacted Subchapter J, Chapter 49, Water Code, to
8 govern the addition of land to a municipal utility
9 district and certain other districts. Subchapter J,
10 Chapter 49, Water Code, applies to the district
11 without an express reference to Subchapter J by this
12 chapter. The remaining relevant provisions of
13 Subchapter H, Chapter 54, Water Code, apply to the
14 district under Section 54.034, Water Code, without an
15 express reference to those sections by this chapter.

16 (2) Section 9, Chapter 749, Acts of the 61st
17 Legislature, Regular Session, 1969, refers to Article
18 7880--75, Vernon's Texas Civil Statutes. Article
19 7880--75 was codified by Chapter 58, Acts of the 62nd
20 Legislature, Regular Session, 1971, as Sections
21 51.714-51.717, Water Code, relating to the addition of
22 land to a water control and improvement district by the
23 petition of the landowner. After the district
24 converted to a municipal utility district in 1978,
25 those sections no longer applied to the district.
26 Instead, Sections 54.711-54.715, Water Code, applied
27 to the district under Section 54.034 of that code. See
28 Revisor's Note (3) to Section 8262.002. Chapter 715,
29 Acts of the 74th Legislature, Regular Session, 1995,
30 repealed Sections 54.711-54.715, Water Code, and
31 enacted Section 49.301, Water Code, to govern the
32 addition of land to a municipal utility district by the
33 petition of the landowner. The revised law is drafted
34 accordingly.

1 burden on residents and the effect on state water quality caused by
2 the construction and operation of numerous small waste collection,
3 treatment, and disposal facilities. (Acts 61st Leg., R.S., Ch.
4 749, Sec. 5 (part).)

5 Source Law

6 Sec. 5. . . .

7 The powers and duties conferred on the district
8 are granted subject to the policy of the state to
9 encourage the development and use of integrated
10 area-wide waste collection, treatment and disposal
11 systems to serve the waste disposal needs of the
12 citizens of the state, it being the objective of the
13 policy to avoid the economic burden to the people and
14 the impact on the quality of the waters in the state
15 which result from the construction and operation of
16 numerous small waste collection, treatment and
17 disposal facilities to serve an area when an
18 integrated area-wide waste collection, treatment and
19 disposal system for the area can be reasonably
20 provided.

21 . . .

22 Revisor's Note

23 Section 5, Chapter 749, Acts of the 61st
24 Legislature, Regular Session, 1969, refers to
25 "citizens" of the state. The revised law substitutes
26 "residents" for "citizens" because, in the context of
27 this section, "citizens" and "residents" are
28 synonymous and "residents" is more commonly used.

29 Revisor's Note

30 (End of Subchapter)

31 (1) Section 5, Chapter 749, Acts of the 61st
32 Legislature, Regular Session, 1969, provides that the
33 act prevails over any general law that applies to water
34 control and improvement districts and that is in
35 conflict or inconsistent with the act. The general law
36 applicable to water control and improvement districts
37 no longer applies to the district because the district
38 converted to a municipal utility district. See
39 Revisor's Note (3) to Section 8262.002. The revised
40 law omits the provision rather than codifying the
41 provision and substituting a reference to municipal
42 utility districts for the reference to water control

1 and improvement districts because the provision
2 duplicates, in substance, Section 311.026, Government
3 Code (Code Construction Act). The omitted law reads:

4 Sec. 5. [The district shall have and
5 exercise, and is hereby vested with, all of
6 the rights, powers, privileges, authority,
7 and functions conferred and imposed by the
8 general laws of this state now in force or
9 hereafter enacted, applicable to water
10 control and improvement districts created
11 under authority of Article XVI, Section 59;
12 Constitution of Texas, including without
13 limitation those conferred by Chapter 3A,
14 Title 128 (Vernon's Texas Civil Statutes);
15 but] to the extent that the provisions of
16 any such general laws may be in conflict or
17 inconsistent with the provisions of this
18 Act, the provisions of this Act shall
19 prevail. . . .

20 (2) Section 5, Chapter 749, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that any
22 general law relating to water control and improvement
23 districts is adopted and incorporated by reference.
24 The general law applicable to water control and
25 improvement districts no longer applies to the
26 district because the district converted to a municipal
27 utility district. See Revisor's Note (3) to Section
28 8262.002. The revised law omits the provision rather
29 than codifying the provision and substituting a
30 reference to municipal utility districts for the
31 reference to water control and improvement districts
32 because it is not necessary to duplicate by means of
33 adoption and incorporation the substance of general
34 laws applicable to the district. The omitted law
35 reads:

36 Sec. 5. . . . All such general laws
37 are hereby adopted and incorporated by
38 reference with the same effect as if
39 incorporated in full in this Act. . . .

40 (3) Section 22, Chapter 749, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that
42 Article 970a, Vernon's Texas Civil Statutes (Municipal
43 Annexation Act), does not apply to the creation of the

1 district. The revised law omits that provision as
2 executed. The omitted law reads:

3 Sec. 22. This district is hereby
4 created notwithstanding any of the
5 provisions of the Municipal Annexation Act,
6 being Article 970a (Vernon's Texas Civil
7 Statutes), as amended, and to the extent of
8 the creation of the district only, said
9 Article 970a shall have no
10 application. . . .

11 (4) Section 22, Chapter 749, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that the
13 district is subject to certain other laws. The revised
14 law omits that provision because the laws cited apply
15 by their own terms. Section 22 refers to Article 970a,
16 Vernon's Texas Civil Statutes (Municipal Annexation
17 Act). In 1987, Article 970a was codified as Chapters
18 42 and 43, Local Government Code, and Section 212.003,
19 Local Government Code. Section 22 also refers to
20 Article 1182c--1, Vernon's Texas Civil Statutes, "as
21 amended." In 1987, Article 1182c--1 was codified as
22 Sections 43.074, 43.075, and 43.081, Local Government
23 Code.

24 The revised law omits "as amended" because, under
25 Section 311.027, Government Code (Code Construction
26 Act), a reference to a statute applies to all
27 reenactments, revisions, or amendments of that
28 statute, unless expressly provided otherwise. The
29 omitted law reads:

30 Sec. 22. . . . In all other
31 respects, the district hereby created is
32 expressly made subject to all provisions of
33 said Article 970a. District shall also be
34 subject to the provisions of Article
35 1182c--1 (Vernon's Texas Civil Statutes),
36 as amended.

38 SUBCHAPTER B. DISTRICT ADMINISTRATION

39 Revised Law

40 Sec. 8262.051. COMPOSITION OF BOARD. The board consists of
41 five elected directors. (Acts 61st Leg., R.S., Ch. 749, Sec. 10

1 (part).)

2 Source Law

3 Sec. 10. All powers of the district shall be
4 exercised by a board of five directors. . . .
5 Succeeding directors shall be elected or

6 Revisor's Note

7 (1) Section 10, Chapter 749, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that
9 "[a]ll powers of the district shall be exercised by"
10 the board. The revised law omits the quoted language
11 because it duplicates, in substance, provisions of
12 Sections 49.051 and 49.057, Water Code. As indicated
13 throughout this chapter, the revised law omits law
14 that is superseded by Chapter 49, Water Code, or that
15 duplicates law contained in that chapter. Chapter 49,
16 Water Code, applies to the district under Sections
17 49.001 and 49.002 of that chapter.

18 (2) Section 10, Chapter 749, Acts of the 61st
19 Legislature, Regular Session, 1969, refers to
20 "[s]ucceeding directors" to distinguish the
21 succeeding directors from the initial directors named
22 in that section. The revised law omits "succeeding"
23 because all provisions referring to initial directors
24 are omitted as executed and the distinction is no
25 longer required.

26 Revised Law

27 Sec. 8262.052. DIRECTOR'S BOND. Each director shall
28 qualify by giving bond in the amount of \$5,000 for the faithful
29 performance of the director's duties. (Acts 61st Leg., R.S., Ch.
30 749, Sec. 10 (part).)

31 Source Law

32 Sec. 10. . . . Each director shall qualify by
33 subscribing to the constitutional oath of office and
34 giving bond in the amount of \$5,000 for the faithful
35 performance of his duties. . . .

36 Revisor's Note

37 (1) Section 10, Chapter 749, Acts of the 61st

1 Legislature, Regular Session, 1969, requires each
2 director to qualify "by subscribing to the
3 constitutional oath of office." The revised law omits
4 the quoted language because it duplicates, in
5 substance, Section 1, Article XVI, Texas Constitution.

6 (2) Section 10, Chapter 749, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that the
8 district shall pay the cost of a director's bond and
9 that the bond shall be approved by the board and
10 recorded in the district office. The revised law omits
11 that provision because it duplicates, in substance,
12 Sections 49.055(c) and (d), Water Code. The omitted
13 law reads:

14 Sec. 10. . . . The cost of such bond
15 shall be paid by the district. . . . The
16 bonds of directors elected or appointed
17 after the directors named below shall be
18 approved by the district's board of
19 directors and shall be recorded in a record
20 book kept for that purpose in the office of
21 the district. . . .

22 (3) Section 10, Chapter 749, Acts of the 61st
23 Legislature, Regular Session, 1969, requires each
24 director to give bond and provides that "[s]uch bond"
25 shall be approved by the county judge and filed in the
26 office of the county clerk of the county or counties
27 within which the district is located. That section
28 also provides that the bonds of directors elected or
29 appointed after the initial directors shall be
30 approved by the board and shall be recorded in a record
31 book kept for that purpose in the district office.
32 Because the provision requiring directors' bonds to be
33 approved by the county judge and filed in the county
34 clerk's office is followed by a provision requiring
35 bonds of successor directors to be approved by the
36 board and recorded in the district's record book, it
37 appears from the context that the provision requiring
38 directors' bonds to be approved by the county judge and

1 filed in the office of the county clerk applies only to
2 the bond of an initial director. Accordingly, the
3 revised law omits that provision as executed. The
4 omitted law reads:

5 Sec. 10. . . . Such bond shall be
6 approved by the county judge and filed in
7 the office of the county clerk of the county
8 or counties within which district is
9 located. . . .

10 Revised Law

11 Sec. 8262.053. ABSENCE OR INACTION OF BOARD PRESIDENT. (a)
12 When the board president is absent or fails or declines to act, the
13 board vice president shall perform all duties and exercise all
14 power this chapter or general law gives the president.

15 (b) If the board president is absent from a board meeting:

16 (1) the board vice president may sign an order or other
17 action adopted at the meeting; or

18 (2) the board may authorize the president to sign the
19 order or implement the action. (Acts 61st Leg., R.S., Ch. 749, Sec.
20 10 (part).)

21 Source Law

22 Sec. 10. . . . The vice president shall perform
23 all duties and exercise all power conferred by this Act
24 or the general law upon the president when the
25 president is absent or fails or declines to act. Any
26 order adopted or other action taken at a meeting of the
27 board of directors at which the president is absent may
28 be signed by the vice president, or the board may
29 authorize the president to sign such order or to
30 implement such other action.

31 Revised Law

32 Sec. 8262.054. DISTRICT OFFICE. (a) Except as provided by
33 this section, the board shall designate, establish, and maintain a
34 district office as provided by Section 49.062, Water Code.

35 (b) The board may establish a second district office outside
36 the district. If the board establishes a second district office,
37 the board shall give notice of the location of that office by:

38 (1) filing a copy of the board resolution that
39 establishes the location of the office:

40 (A) with the Texas Commission on Environmental

1 Quality; and

2 (B) in the municipal utility district records of
3 each county in which the district is located; and

4 (2) publishing notice of the location of the office in
5 a newspaper of general circulation in each county in which the
6 district is located.

7 (c) A district office that is a private residence, office,
8 or dwelling is a public place for matters relating to the district's
9 business.

10 (d) The board shall provide notice of any change in the
11 location of the district office outside the district in the manner
12 required by Subsection (b). (Acts 61st Leg., R.S., Ch. 749, Sec.
13 15.)

14 Source Law

15 Sec. 15. The board of directors shall
16 designate, establish and maintain a district office as
17 provided by Article 7880--44 (Vernon's Texas Civil
18 Statutes), and in addition may establish a second
19 district office outside the district. Either or both
20 district offices so established and maintained may be
21 a private residence, office or dwelling, in which
22 event such private residence, office or dwelling is
23 hereby declared to be a public place for matters
24 relating to the district's business.

25 If the board of directors establishes a district
26 office outside the district, it shall give notice of
27 the location of that district office by filing a true
28 copy of its resolution establishing the location of
29 such district office with the Texas Water Rights
30 Commission, by filing a true copy in the Water Control
31 and Improvement District records of the county or
32 counties in which district is located, and by
33 publishing a notice of the location in a newspaper of
34 general circulation in said county or counties.

35 If the location of the district office outside
36 the district is thereafter changed, notice of such
37 change shall be given in the same manner.

38 Revisor's Note

39 (1) Section 15, Chapter 749, Acts of the 61st
40 Legislature, Regular Session, 1969, refers to Article
41 7880--44, Vernon's Texas Civil Statutes. Article
42 7880--44 was codified by Chapter 58, Acts of the 62nd
43 Legislature, Regular Session, 1971, as Sections 51.094
44 and 51.096, Water Code, relating to the district
45 office and the minutes and records of the district,

1 respectively. After the district converted to a
2 municipal utility district in 1978, those sections no
3 longer applied to the district. See Revisor's Note (3)
4 to Section 8262.002. Chapter 715, Acts of the 74th
5 Legislature, Regular Session, 1995, enacted Section
6 49.062, Water Code, to govern the designation of
7 offices for certain districts, including municipal
8 utility districts. The revised law is drafted
9 accordingly.

10 (2) Section 15, Chapter 749, Acts of the 61st
11 Legislature, Regular Session, 1969, refers to a "true
12 copy" of a document. The revised law omits "true"
13 because a copy, by definition, accurately reflects the
14 content of the original document.

15 (3) Section 15, Chapter 749, Acts of the 61st
16 Legislature, Regular Session, 1969, refers to the
17 "Texas Water Rights Commission." The revised law
18 substitutes "Texas Commission on Environmental
19 Quality" for "Texas Water Rights Commission" to
20 reflect the current name of the agency with the
21 relevant regulatory authority.

22 Revisor's Note
23 (End of Subchapter)

24 (1) Section 10, Chapter 749, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that each
26 director shall serve until the director's successor is
27 elected or appointed and qualified. The revised law
28 omits that provision because Section 17, Article XVI,
29 Texas Constitution, requires an officer in this state
30 to continue to perform the officer's official duties
31 until a successor has qualified. The omitted law
32 reads:

33 Sec. 10. . . . Each director shall
34 serve for his term of office as herein
35 provided, and thereafter until his
36 successor shall be elected or appointed and
37 qualified. . . .

1 (2) Section 10, Chapter 749, Acts of the 61st
2 Legislature, Regular Session, 1969, names the initial
3 directors, requires them to qualify to serve as
4 directors before the first board meeting, provides for
5 filling vacancies in the office of director, and
6 provides that the named directors or their successors
7 shall serve until the second Tuesday in January 1971.
8 The revised law omits as executed the provisions
9 naming the initial directors, requiring them to
10 qualify by a certain time, and specifying the
11 expiration of their terms. Because the provision
12 specifying the procedure for filling vacancies in the
13 office of director is followed by a provision
14 requiring the named initial directors or their
15 successors to serve until a specified date in 1971, it
16 appears from the context that the provision relating
17 to the filling of vacancies also applies only to the
18 initial directors. Accordingly, the revised law also
19 omits that language as executed. The omitted law
20 reads:

21 Sec. 10. . . . Immediately after
22 this Act becomes effective, the following
23 named persons shall be the directors of the
24 district and shall constitute the board of
25 directors of the district:

26 E. W. Torian
27 Eugene B. Smith
28 Winston W. McIntosh
29 Robert F. Cochran
30 John W. Dalton

31 Said persons shall file their bonds as
32 soon as practicable after the effective
33 date of this Act and shall otherwise be
34 fully qualified to serve as directors prior
35 to the first meeting of the board of
36 directors. All vacancies in the office of
37 director shall be filled in the manner
38 provided by Article 7880--38 (Vernon's
39 Texas Civil Statutes); provided, however,
40 that if at any time the number of qualified
41 directors shall be less than three because
42 of the failure or refusal of one or more
43 directors to qualify or serve or because of
44 his or their death or incapacitation, or for
45 any other reason, the county judge of the
46 county in which the district is located
47 shall appoint the necessary number of
48 directors to fill all vacancies on the

1 board. The directors above named or their
2 duly appointed and qualified successor or
3 successors shall serve until the second
4 Tuesday in January, 1971. . . .

5 (3) Section 10, Chapter 749, Acts of the 61st
6 Legislature, Regular Session, 1969, provides for
7 directors to be elected or appointed and to serve for
8 the term and in the manner provided by Article
9 7880--37, Vernon's Texas Civil Statutes. Article
10 7880--37 was codified by Chapter 58, Acts of the 62nd
11 Legislature, Regular Session, 1971, as Section 51.073,
12 Water Code. After the district converted to a
13 municipal utility district in 1978, that section no
14 longer applied to the district. Instead, Section
15 54.103, Water Code, applied to the district under
16 Section 54.034 of that code. See Revisor's Note (3) to
17 Section 8262.002. Chapter 715, Acts of the 74th
18 Legislature, Regular Session, 1995, repealed Section
19 54.103, Water Code, and enacted Section 49.103, Water
20 Code, to govern the terms of office and manner of
21 election of directors of a municipal utility district
22 and certain other districts. Section 49.103, Water
23 Code, applies to the district without an express
24 reference to that section by this chapter. The revised
25 law omits "appointed" because it is clear from the
26 context of Section 10 that the reference applies only
27 to directors appointed to fill vacancies as provided
28 by Chapter 49, Water Code. The omitted law reads:

29 Sec. 10. . . . [Succeeding
30 directors shall be elected or] appointed
31 and shall serve for the term and in the
32 manner provided by Article 7880--37
33 (Vernon's Texas Civil Statutes). . . .

34 (4) Section 10, Chapter 749, Acts of the 61st
35 Legislature, Regular Session, 1969, provides that
36 three directors constitute a quorum and that a
37 concurrence of three directors is sufficient in all
38 matters relating to the business of the district,

1 including certain construction matters. The revised
2 law omits that provision because it duplicates, in
3 substance, Section 49.053, Water Code. The omitted
4 law reads:

5 Sec. 10. . . . Three directors shall
6 constitute a quorum of any meeting, and a
7 concurrence of three shall be sufficient in
8 all matters pertaining to the business of
9 the district, including the letting of
10 construction contracts and the drawing of
11 warrants in payment for construction work,
12 the purchase of existing facilities, and
13 matters relating to construction
14 work. . . .

15 (5) Section 10, Chapter 749, Acts of the 61st
16 Legislature, Regular Session, 1969, provides for
17 certain powers of the board's president. The revised
18 law omits that provision because it duplicates, in
19 substance, Section 49.054(c), Water Code. The omitted
20 law reads:

21 Sec. 10. . . . The president may
22 execute all contracts, construction or
23 otherwise, entered into by the board of
24 directors on behalf of the district. . . .

25 [Sections 8262.055-8262.100 reserved for expansion]

26 SUBCHAPTER C. POWERS AND DUTIES

27 Revised Law

28 Sec. 8262.101. MUNICIPAL UTILITY DISTRICT POWERS. The
29 district has all of the rights, powers, privileges, and functions
30 conferred and imposed by the general law of this state relating to
31 municipal utility districts created under Section 59, Article XVI,
32 Texas Constitution, including those conferred by Chapters 49 and
33 54, Water Code. (Acts 61st Leg., R.S., Ch. 749, Sec. 5 (part).)

34 Source Law

35 Sec. 5. The district shall have and exercise,
36 and is hereby vested with, all of the rights, powers,
37 privileges, authority, and functions conferred and
38 imposed by the general laws of this state now in force
39 or hereafter enacted, applicable to water control and
40 improvement districts created under authority of
41 Article XVI, Section 59; Constitution of Texas,
42 including without limitation those conferred by
43 Chapter 3A, Title 128 (Vernon's Texas Civil Statutes);
44 but

1 Revisor's Note

2 (1) Section 5, Chapter 749, Acts of the 61st
3 Legislature, Regular Session, 1969, states that the
4 district "shall have and exercise, and is hereby
5 vested with" certain powers. The revised law
6 substitutes "has" for the quoted language because in
7 the context of this section, the terms are synonymous
8 and "has" is more commonly used.

9 (2) Section 5, Chapter 749, Acts of the 61st
10 Legislature, Regular Session, 1969, refers to "rights,
11 powers, privileges, [and] authority" of the district.
12 The revised law omits "authority" as included in the
13 meaning of "powers."

14 (3) Section 5, Chapter 749, Acts of the 61st
15 Legislature, Regular Session, 1969, states that the
16 district has the rights, powers, privileges,
17 authority, and functions conferred by the general laws
18 of this state "now in force or hereafter enacted." The
19 revised law omits the quoted language because it is
20 unnecessary under accepted general principles of
21 statutory construction. The "general laws of this
22 state" means those laws "in force" at the time the
23 provision was adopted. It is not necessary to state
24 that the district may be granted additional powers by
25 later enacted laws because those laws apply on their
26 own terms.

27 (4) Section 5, Chapter 749, Acts of the 61st
28 Legislature, Regular Session, 1969, grants the
29 district certain powers, including "without
30 limitation" the powers conferred by Chapter 3A, Title
31 128, Vernon's Texas Civil Statutes. The revised law
32 omits "without limitation" because Section
33 311.005(13), Government Code (Code Construction Act),
34 provides that "includes" and "including" are terms of

1 enlargement and not limitation and do not create a
2 presumption that components not expressed are
3 excluded.

4 (5) Section 5, Chapter 749, Acts of the 61st
5 Legislature, Regular Session, 1969, refers to "Chapter
6 3A, Title 128 (Vernon's Texas Civil Statutes)." The
7 relevant provisions of that statute were codified by
8 Chapter 58, Acts of the 62nd Legislature, Regular
9 Session, 1971, as Chapter 51, Water Code. After the
10 district converted to a municipal utility district in
11 1978, Chapter 51, Water Code, no longer applied to the
12 district. Instead, Chapter 54, Water Code, applies to
13 the district under Section 54.034 of that code. See
14 Revisor's Note (3) to Section 8262.002. In 1995,
15 Section 2, Chapter 715, Acts of the 74th Legislature,
16 Regular Session, enacted Chapter 49, Water Code. To
17 reflect those changes, the revised law substitutes a
18 reference to Chapters 49 and 54, Water Code, for the
19 reference to "Chapter 3A, Title 128 (Vernon's Texas
20 Civil Statutes)."

21 (6) Section 5, Chapter 749, Acts of the 61st
22 Legislature, Regular Session, 1969, refers to the
23 continuing right of this state to supervise the
24 district through the Texas Water Rights Commission.
25 The revised law omits the provision because the Texas
26 Commission on Environmental Quality is the successor
27 to the Texas Water Rights Commission, and therefore
28 the provision duplicates, in substance, part of
29 Section 12.081, Water Code, which applies to the
30 district. The omitted law reads:

31 Sec. 5. . . . The rights, powers,
32 privileges, authority, and functions herein
33 granted to the district shall be subject to
34 the continuing right of supervision of the
35 state, to be exercised by and through the
36 Texas Water Rights Commission. . . .

1 Revised Law

2 Sec. 8262.102. ADDITIONAL POWERS. (a) The district may:

3 (1) make, purchase, construct, lease, or otherwise
4 acquire property, works, facilities, existing improvements, or
5 improvements to be made, constructed, or acquired that are:

6 (A) inside or outside the district's boundaries;
7 and

8 (B) necessary to carry out the powers granted by
9 this chapter or general law; or

10 (2) enter into a contract with a person on terms the
11 board considers desirable, fair, and advantageous for:

12 (A) the purchase or sale of water;

13 (B) the transportation, treatment, and disposal
14 of the domestic, industrial, or communal wastes of the district or
15 others;

16 (C) the continuing and orderly development of
17 land and property in the district through the purchase,
18 construction, or installation of facilities, works, or
19 improvements that the district is otherwise authorized to do or
20 perform so that, to the greatest extent reasonably possible,
21 considering sound engineering and economic practices, all of the
22 land and property may ultimately receive the services of the
23 facilities, works, or improvements; and

24 (D) the performance of any of the powers granted
25 by this chapter or general law.

26 (b) A contract under Subsection (a)(2) may not have a
27 duration of more than 40 years. (Acts 61st Leg., R.S., Ch. 749,
28 Sec. 5 (part).)

29 Source Law

30 Sec. 5. . . . Not by way of limitation, the
31 district shall have and is hereby expressly granted
32 the following rights, powers, privileges, and
33 functions:

34 (a) The power and authority to make,
35 purchase, construct, lease, or otherwise acquire
36 property, works, facilities, and improvements
37 (whether previously existing or to be made,
38 constructed, or acquired) within or without the
39 boundaries of the district necessary to carry out the

1 powers and authority granted by this Act and the
2 general laws.

3 (b) The right, power, and authority to
4 enter into contracts of not exceeding 40 years
5 duration with persons, corporations (public or
6 private), municipal corporations, political
7 subdivisions of the State of Texas, and others, and on
8 such terms and conditions as the board of directors may
9 deem desirable, fair, and advantageous for:

10 (1) the purchase and sale of water,
11 or either;

12 (2) the transportation, treatment
13 and disposal of its domestic, industrial or communal
14 wastes or the transportation, treatment and disposal
15 of domestic, industrial or communal wastes of others;

16 (3) the continuing and orderly
17 development of the lands and property within the
18 district through the purchase, construction or
19 installation of facilities, works or improvements
20 which the district may otherwise be empowered and
21 authorized to do or perform so that, to the greatest
22 extent reasonably possible, considering sound
23 engineering and economic practices, all of such lands
24 and property may be placed in a position to ultimately
25 receive the services of such facilities, works or
26 improvements; and

27 (4) the performance of any of the
28 rights or powers granted in this Act and the general
29 laws. . . .

30 Revisor's Note

31 (1) Section 5, Chapter 749, Acts of the 61st
32 Legislature, Regular Session, 1969, provides that,
33 "[n]ot by way of limitation," the district has certain
34 specified rights, powers, privileges, and functions.
35 The revised law omits the quoted language because it is
36 an accepted general principle of statutory
37 construction that a grant of a right, power,
38 privilege, or function does not act as a limitation.
39 The general principle applies to this revision.

40 (2) Section 5, Chapter 749, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that the
42 district "shall have and is hereby expressly granted
43 the following rights, powers, privileges, and
44 functions" to take certain actions. The revised law
45 substitutes "may" for the quoted language because that
46 term is more concise and is the substantive equivalent
47 of the quoted language.

48 (3) Section 5, Chapter 749, Acts of the 61st
49 Legislature, Regular Session, 1969, refers to the

1 power of the district to enter into contracts with
2 persons, "corporations (public or private), municipal
3 corporations, political subdivisions of the State of
4 Texas, and others." The revised law omits the quoted
5 language because under Section 311.005(2), Government
6 Code (Code Construction Act), "person" is defined to
7 include any legal entity.

8 (4) Section 5, Chapter 749, Acts of the 61st
9 Legislature, Regular Session, 1969, provides that the
10 district may enter into a contract on "terms and
11 conditions" the board considers desirable, fair, and
12 advantageous. The revised law omits the reference to
13 "conditions" because "conditions" is included in the
14 meaning of "terms."

15 Revised Law

16 Sec. 8262.103. EMINENT DOMAIN. The district may exercise
17 the power of eminent domain only:

- 18 (1) in a county in which the district is located; and
19 (2) when necessary to carry out the purposes for which
20 the district was created. (Acts 61st Leg., R.S., Ch. 749, Sec. 13
21 (part).)

22 Source Law

23 Sec. 13. The power of eminent domain of the
24 district shall be limited to the county or counties in
25 which the district is situated, and to situations
26 where the exercise of such power is necessary in order
27 to carry out the purposes for which the district was
28 created. . . .

29 Revised Law

30 Sec. 8262.104. COST OF RELOCATING OR ALTERING PROPERTY.

31 (a) In this section, "sole expense" means the actual cost of
32 relocating, raising, lowering, rerouting, changing the grade of, or
33 altering the construction of a facility described by Subsection (b)
34 in providing comparable replacement without enhancement of the
35 facility, after deducting from that cost the net salvage value of
36 the old facility.

37 (b) If the district's exercise of the power of eminent

1 domain, the power of relocation, or any other power conferred by
2 this chapter makes necessary the relocation, raising, rerouting,
3 changing the grade, or alteration of the construction of a highway,
4 a railroad, an electric transmission line, a telegraph or telephone
5 property or facility, or a pipeline, the necessary action shall be
6 accomplished at the sole expense of the district. (Acts 61st Leg.,
7 R.S., Ch. 749, Sec. 13 (part).)

8 Source Law

9 Sec. 13. . . . In the event that the district,
10 in the exercise of the power of eminent domain or power
11 of relocation, or any other power granted hereunder,
12 makes necessary the relocation, raising, rerouting or
13 changing the grade of, or altering the construction
14 of, any highway, railroad, electric transmission line,
15 telegraph or telephone properties and facilities, or
16 pipeline, all such necessary relocation, raising,
17 rerouting, changing of grade or alteration of
18 construction shall be accomplished at the sole expense
19 of the district. The term "sole expense" shall mean
20 the actual cost of such relocation, raising, lowering,
21 rerouting, or change in grade or alteration of
22 construction in providing comparable replacement
23 without enhancement of such facilities, after
24 deducting therefrom the net salvage value derived from
25 the old facility.

26 Revised Law

27 Sec. 8262.105. CONTRACT FOR PURCHASE OF WATER, SEWER, OR
28 DRAINAGE SERVICES; ELECTION NOT REQUIRED. (a) The district and a
29 political subdivision may enter into a contract for water, sewer,
30 or drainage services or any combination of those services without
31 the necessity of an election by any contracting party to approve the
32 contract.

33 (b) The district may pay for an obligation incurred by such
34 a contract by issuing bonds that, if otherwise necessary, have been
35 approved by the voters in the manner provided by this chapter.

36 (c) The district may deliver the district's bonds to the
37 United States or an agency or instrumentality of the United States,
38 or to this state or an agency or instrumentality of this state, that
39 entered into a contract with the district. (Acts 61st Leg., R.S.,
40 Ch. 749, Sec. 5 (part).)

41 Source Law

42 Sec. 5. . . . No election shall be required of
43 the district or any municipal corporation or other

1 political subdivisions for approval of water, sewer or
2 drainage contracts or any combination thereof, but
3 such contracts may be entered into without the
4 necessity of an election by any contracting party. The
5 district may make payment of the obligations incurred
6 by any such contract by the issuance of bonds which, if
7 otherwise necessary, have been approved by the voters
8 in the manner provided for in this Act. The district
9 may deliver its bonds to the United States, or any
10 agency or instrumentality thereof, or to the State of
11 Texas, or any agency or instrumentality thereof, which
12 entered into such contracts with the district.

13 Revisor's Note

14 Section 5, Chapter 749, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that the
16 district may contract with "any municipal corporation
17 or other political subdivisions." The revised law
18 omits the reference to "any municipal corporation"
19 because "municipal corporation" is included in the
20 meaning of "political subdivision."

21 Revised Law

22 Sec. 8262.106. NOTICE OF ELECTION. The board president or
23 secretary may give notice of an election. (Acts 61st Leg., R.S.,
24 Ch. 749, Sec. 19.)

25 Source Law

26 Sec. 19. Notice of all elections may be given
27 under the hand of either the president or the secretary
28 of the district.

29 Revised Law

30 Sec. 8262.107. DISTRICT RULES. The district shall adopt
31 and enforce reasonable and effective rules to secure and maintain
32 safe, sanitary, and adequate plumbing installations, connections,
33 and appurtenances as subsidiary parts of the district's sewerage
34 system to preserve the quality of water within or controlled by the
35 district. (Acts 61st Leg., R.S., Ch. 749, Sec. 16.)

36 Source Law

37 Sec. 16. The district is directed to adopt and
38 enforce reasonable and effective regulations to secure
39 and maintain safe, sanitary, and adequate plumbing
40 installations, connections, and appurtenances
41 thereto, as subsidiary parts of the district's
42 sewerage system, to aid in preserving the quality of
43 all water within or controlled by the district.

1 Revisor's Note

2 Section 16, Chapter 749, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that the
4 district shall adopt certain "regulations." The
5 revised law substitutes "rules" because under Section
6 311.005(5), Government Code (Code Construction Act),
7 "rule" is defined to include "regulation," and "rule"
8 is the term more commonly used.

9 [Sections 8262.108-8262.150 reserved for expansion]

10 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

11 Revised Law

12 Sec. 8262.151. TAX METHOD. (a) The district shall use the
13 ad valorem plan of taxation.

14 (b) The board is not required to call or hold a hearing on
15 the adoption of a plan of taxation. (Acts 61st Leg., R.S., Ch. 749,
16 Sec. 8.)

17 Source Law

18 Sec. 8. It shall not be necessary for the board
19 of directors to call or hold a hearing on the adoption
20 of a plan of taxation, but the ad valorem plan of
21 taxation shall be used by the district.

22 Revised Law

23 Sec. 8262.152. DISTRICT ACCOUNTS. The district shall keep
24 a complete system of the district's accounts. (Acts 61st Leg.,
25 R.S., Ch. 749, Sec. 14 (part).)

26 Source Law

27 Sec. 14. . . . A complete system of accounts
28 shall be kept by the district, and

29 Revised Law

30 Sec. 8262.153. COPY OF AUDIT REPORT. A copy of the audit
31 report prepared under Subchapter G, Chapter 49, Water Code, shall
32 be delivered:

33 (1) to each director; and

34 (2) to a holder of at least 25 percent of the
35 outstanding bonds of the district, on request. (Acts 61st Leg.,
36 R.S., Ch. 749, Sec. 14 (part); New.)

1 Source Law

2 Sec. 14. . . . A written report of the audit
3 shall be delivered to each member of the board of
4 directors . . . a copy of such audit report shall be
5 delivered upon request to the holder or holders of at
6 least 25 percent of the then outstanding bonds of the
7 district; and

8 Revisor's Note

9 (1) Section 14, Chapter 749, Acts of the 61st
10 Legislature, Regular Session, 1969, refers to various
11 audit procedures, including who may receive a copy of
12 the audit report. As detailed in the revisor's notes
13 that follow, procedures that are superseded by
14 Subchapter G, Chapter 49, Water Code, have been
15 omitted as superseded by Section 49.191(b), Water
16 Code, and the specific provisions in Subchapter G that
17 conflict with Chapter 749, Acts of the 61st
18 Legislature, Regular Session, 1969. Section 49.191(b)
19 states that Subchapter G "shall take precedence over
20 all prior statutory enactments." Subchapter G,
21 Chapter 49, Water Code, was enacted in 1995 by Section
22 2, Chapter 715, Acts of the 74th Legislature, Regular
23 Session. For context and the convenience of the
24 reader, the revised law adds a reference to the audit
25 report required by Subchapter G, Chapter 49, Water
26 Code.

27 (2) Section 14, Chapter 749, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that an
29 annual audit of the district's affairs shall be
30 prepared by an independent certified public accountant
31 or a firm of independent certified public accountants
32 of recognized integrity and ability. The revised law
33 omits that provision as superseded by Sections
34 49.191(b) and (c), Water Code (enacted by Section 2,
35 Chapter 715, Acts of the 74th Legislature, Regular
36 Session, 1995). The omitted law reads:

37 Sec. 14. . . . an audit of its

1 affairs for each year shall be prepared by
2 an independent certified public accountant,
3 or a firm of independent certified public
4 accountants, of recognized integrity and
5 ability. . . .

6 (3) Section 14, Chapter 749, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that a
8 written report of the audit shall be delivered to each
9 board member not later than 90 days after the close of
10 each fiscal year. The revised law omits the deadline
11 for delivery of the report as superseded by Sections
12 49.191(b) and (d), Water Code (enacted by Section 2,
13 Chapter 715, Acts of the 74th Legislature, Regular
14 Session, 1995). The omitted law reads:

15 Sec. 14. . . . [A written report of
16 the audit shall be delivered to each member
17 of the board of directors] not later than 90
18 days after the close of each fiscal year;
19 and

20 (4) Section 14, Chapter 749, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that at
22 least five copies of the audit report shall be
23 delivered to the district office and that one of those
24 copies shall constitute a public record. The revised
25 law omits those provisions as superseded by Sections
26 49.191(b), 49.194(c), and 49.196(b), Water Code
27 (enacted by Section 2, Chapter 715, Acts of the 74th
28 Legislature, Regular Session, 1995). The omitted law
29 reads:

30 Sec. 14. . . . at least five
31 additional copies of said audit shall be
32 delivered to the office of the district, one
33 of which shall be kept on file, and shall
34 constitute a public record open to
35 inspection by any interested person or
36 persons within normal office hours; and
37

38 (5) Section 14, Chapter 749, Acts of the 61st
39 Legislature, Regular Session, 1969, provides that one
40 copy of the audit report shall be filed with the Texas
41 Water Rights Commission. The revised law omits that
42 provision as superseded by Sections 49.191(b) and

1 49.194(a), Water Code (enacted by Section 2, Chapter
2 715, Acts of the 74th Legislature, Regular Session,
3 1995). The omitted law reads:

4 Sec. 14. . . . one copy of such audit
5 report shall be filed with the Texas Water
6 Rights Commission. . . .

7 (6) Section 14, Chapter 749, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that the
9 district shall pay the cost of the audit. The revised
10 law omits that provision because it duplicates Section
11 49.191(a), Water Code. The omitted law reads:

12 Sec. 14. . . . The cost of said audit
13 shall be borne by the district.

14 Revised Law

15 Sec. 8262.154. PAYMENT OF TAX OR ASSESSMENT NOT REQUIRED.

16 The district is not required to pay a tax or assessment on:

17 (1) district property; or

18 (2) a purchase made by the district. (Acts 61st Leg.,
19 R.S., Ch. 749, Sec. 24 (part).)

20 Source Law

21 Sec. 24. . . . the district shall not be
22 required to pay any tax or assessment on its properties
23 or any part thereof or on any purchases made by the
24 district.

25 Revised Law

26 Sec. 8262.155. DEPOSITORY. (a) The board shall select one
27 or more banks in this state to act as depository for the district's
28 money.

29 (b) To the extent that money in the depository bank is not
30 insured by the Federal Deposit Insurance Corporation, the money
31 must be secured in the manner provided by law for the security of
32 county funds.

33 (c) A director may be a shareholder in a bank that is a
34 depository of district money. (Acts 61st Leg., R.S., Ch. 749, Sec.
35 14 (part).)

36 Source Law

37 Sec. 14. The board of directors of the district
38 shall select any bank or banks in the State of Texas to

1 act as depository or depositories for the funds of the
2 district. To the extent that funds in the depository
3 bank or banks are not insured by the Federal Deposit
4 Insurance Corporation, they shall be secured in the
5 manner provided by law for the security of county
6 funds. Any director of the district may be a
7 shareholder in said depository bank or banks. . . .

8 Revisor's Note

9 Section 14, Chapter 749, Acts of the 61st
10 Legislature, Regular Session, 1969, refers to the
11 district's "funds." The revised law substitutes
12 "money" for "funds" because, in the context of
13 district funds, the meaning is the same and "money" is
14 the more commonly used term.

15 Revisor's Note
16 (End of Subchapter)

17 Section 14, Chapter 749, Acts of the 61st
18 Legislature, Regular Session, 1969, provides that the
19 district's fiscal year is January 1 to December 31
20 unless changed by the board. The revised law omits the
21 provision specifying the dates of the fiscal year as
22 executed because the board has already changed the
23 district's fiscal year. The revised law omits the
24 provision allowing the board to change the district's
25 fiscal year because it duplicates Section 49.158,
26 Water Code. The omitted law reads:

27 Sec. 14. . . . The fiscal year of the
28 district shall be from January 1 to December
29 31 of the same year, unless and until
30 changed by the board of directors. . . .

31 [Sections 8262.156-8262.200 reserved for expansion]

32 SUBCHAPTER E. BONDS

33 Revised Law

34 Sec. 8262.201. LOST OR MUTILATED BONDS. A trust indenture
35 securing bonds issued under this chapter may provide for the
36 issuance of bonds to replace lost or mutilated bonds. (Acts 61st
37 Leg., R.S., Ch. 749, Sec. 12 (part).)

38 Source Law

39 Sec. 12. . . .
40 [Such bonds . . . may be additionally secured by
41 a deed of trust or mortgage lien] . . . Such trust

1 indenture, . . . may make provisions for . . . the
2 issuance of bonds to replace lost or mutilated bonds,
3 and

4 Revised Law

5 Sec. 8262.202. USE OF BOND PROCEEDS DURING CONSTRUCTION.

6 (a) The district may appropriate or set aside out of the proceeds
7 from the sale of any bonds issued under this chapter an amount for
8 the payment of interest, administrative, and operating expenses
9 expected to accrue during a period of construction, as may be
10 provided in the bond orders or resolutions.

11 (b) For purposes of this section, the period of construction
12 may not exceed three years. (Acts 61st Leg., R.S., Ch. 749, Sec. 12
13 (part).)

14 Source Law

15 Sec. 12. . . .

16 From the proceeds of sale of any bonds issued
17 hereunder, the district may appropriate or set aside
18 out of the bond proceeds an amount for the payment of
19 interest, administrative, and operating expenses
20 expected to accrue during the period of construction,
21 said period not to exceed three years, as may be
22 provided in the bond orders or resolutions, and

23 Revised Law

24 Sec. 8262.203. REFUNDING BONDS. (a) By order or resolution
25 adopted by the board, the district may issue revenue refunding
26 bonds or tax-revenue refunding bonds to refund revenue bonds or
27 tax-revenue bonds, whether original bonds or refunding bonds,
28 previously issued by the district.

29 (b) The comptroller shall register the refunding bonds on
30 the surrender and cancellation of the bonds to be refunded.

31 (c) Instead of issuing bonds to be registered on the
32 surrender and cancellation of the bonds to be refunded, the
33 district, in the order or resolution authorizing the issuance of
34 the refunding bonds, may provide for the sale of the refunding bonds
35 and the deposit of the proceeds in the place or places where the
36 bonds to be refunded are payable. In that case, the refunding bonds
37 may be issued if an amount sufficient to pay the principal of and
38 interest on the bonds to be refunded to their maturity dates, or to
39 their option dates if according to their terms the bonds have been

1 called for payment before maturity, has been deposited in the place
2 or places where the bonds to be refunded are payable, and the
3 comptroller shall register the refunding bonds without the
4 surrender and cancellation of the bonds to be refunded. (Acts 61st
5 Leg., R.S., Ch. 749, Sec. 12 (part).)

6 Source Law

7 Sec. 12. . . .

8 By orders or resolutions adopted by its board of
9 directors, said district shall have the power and
10 authority to issue revenue refunding bonds or
11 tax-revenue refunding bonds to refund revenue bonds or
12 tax-revenue bonds (either original bonds or refunding
13 bonds) theretofore issued by such district. Said
14 refunding bonds shall be approved by the attorney
15 general as in the case of original bonds and shall be
16 registered by the comptroller of public accounts upon
17 the surrender and cancellation of the bonds to be
18 refunded; but in lieu thereof the orders or
19 resolutions authorizing their issuance may provide
20 that they shall be sold and the proceeds thereof
21 deposited in the place or places where the underlying
22 bonds are payable, in which case the refunding bonds
23 may be issued provided an amount sufficient to pay the
24 interest of and principal on the underlying bonds to
25 their maturity dates or to their option dates if said
26 bonds have been duly called for payment prior to
27 maturity according to their terms has been so
28 deposited in the place or places where said underlying
29 bonds are payable, and the Comptroller of Public
30 Accounts shall register them without the surrender and
31 cancellation of the underlying bonds. . . .

32 Revisor's Note

33 (1) Section 12, Chapter 749, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that the
35 district "shall have the power and authority" to issue
36 certain bonds. The revised law substitutes "may" for
37 the quoted language for the reason stated in Revisor's
38 Note (2) to Section 8262.102.

39 (2) Section 12, Chapter 749, Acts of the 61st
40 Legislature, Regular Session, 1969, provides that
41 refunding bonds "shall be approved by the attorney
42 general as in the case of original bonds." The revised
43 law omits the quoted language because it is superseded
44 by Section 1202.003, Government Code, enacted in 1987
45 as Section 3.002(a), Chapter 53, Acts of the 70th
46 Legislature, 2nd Called Session (Article 717k-8,

1 Vernon's Texas Civil Statutes). That section applies
2 to district bonds by application of Section 1202.001,
3 Government Code.

4 (3) Section 12, Chapter 749, Acts of the 61st
5 Legislature, Regular Session, 1969, refers to bonds
6 that have been "duly" called for payment before their
7 maturity. The revised law omits "duly" in this context
8 because it does not add to the clear meaning of the
9 law.

10 Revisor's Note
11 (End of Subchapter)

12 (1) Section 11, Chapter 749, Acts of the 61st
13 Legislature, Regular Session, 1969, provides that the
14 district shall comply with the requirements of Article
15 7880--139, Vernon's Texas Civil Statutes. Article
16 7880--139 was codified by Chapter 58, Acts of the 62nd
17 Legislature, Regular Session, 1971, as Sections 51.421
18 and 51.422, Water Code. After the district was
19 converted to a municipal utility district in 1978,
20 those sections no longer applied to the district.
21 Instead, Sections 54.516 and 54.517, Water Code,
22 applied to the district under Section 54.034 of that
23 code. See Revisor's Note (3) to Section 8262.002.
24 Chapter 715, Acts of the 74th Legislature, Regular
25 Session, 1995, repealed Sections 54.516 and 54.517,
26 Water Code, and enacted Sections 49.181 and 49.182,
27 Water Code, to govern the authority of the Texas
28 Commission on Environmental Quality over the issuance
29 of district bonds and supervision by the commission of
30 projects and improvements, respectively. Sections
31 49.181 and 49.182, Water Code, apply to the district on
32 their own terms, without an express reference to those
33 sections in this chapter. The omitted law reads:

34 Sec. 11. The district shall comply
35 with the requirements of Article 7880--139
36 (Vernon's Texas Civil Statutes).

1 (2) Section 12, Chapter 749, Acts of the 61st
2 Legislature, Regular Session, 1969, refers to the
3 district's authority to issue bonds for specific
4 purposes. The revised law omits that provision
5 because it duplicates Section 54.501, Water Code. The
6 omitted law reads:

7 Sec. 12. The district is hereby
8 authorized to issue [its negotiable tax
9 bonds, revenue bonds, or tax and revenue]
10 bonds to provide funds for any or all of the
11 purposes set out or incorporated by
12 reference herein, including the acquisition
13 of land therefor, and

14 (3) Section 12, Chapter 749, Acts of the 61st
15 Legislature, Regular Session, 1969, authorizes the
16 district to issue "negotiable" bonds and provides for
17 the payment of those bonds. The revised law omits the
18 reference to "negotiable" bonds because Section
19 1201.041, Government Code, provides that a public
20 security is a negotiable instrument. Section 1201.041
21 applies to district bonds by application of Section
22 1201.002, Government Code. The revised law omits the
23 provision regarding the payment of district bonds
24 because the provision duplicates, in substance,
25 Section 54.503, Water Code. The omitted law reads:

26 Sec. 12. [The district is hereby
27 authorized to issue] its negotiable tax
28 bonds, revenue bonds, or tax and revenue
29 [bonds]

30 The bonds issued hereunder may be
31 payable from all or any designated part or
32 parts of the revenues of the district's
33 properties and facilities or under specific
34 contracts, as may be provided in the orders
35 or resolutions authorizing the issuance of
36 such bonds; and,

37 (4) Section 12, Chapter 749, Acts of the 61st
38 Legislature, Regular Session, 1969, provides that
39 district bonds shall be issued under Chapter 3A, Title
40 128, and Article 7880--90a, Vernon's Texas Civil
41 Statutes. Chapter 58, Acts of the 62nd Legislature,
42 Regular Session, 1971, codified the relevant

1 provisions of Chapter 3A, Title 128, as Chapter 51,
2 Water Code. The same act codified Article 7880--90a as
3 Sections 51.450-51.454, Water Code. The revised law
4 omits the references to those laws because the
5 district converted from a water control and
6 improvement district governed by Chapter 51, Water
7 Code, to a municipal utility district governed by
8 Chapter 54, Water Code. See Revisor's Note (3) to
9 Section 8262.002. The provisions of Chapter 54, Water
10 Code, apply on their own terms. The omitted law reads:

11 Sec. 12. . . . said bonds shall be
12 issued in the manner provided and as
13 authorized by Article 7880--90a (Vernon's
14 Texas Civil Statutes), and Chapter 3A of
15 Title 128 (Vernon's Texas Civil Statutes),
16 as presently in effect or as hereafter
17 amended;

18 (5) Section 12, Chapter 749, Acts of the 61st
19 Legislature, Regular Session, 1969, provides that an
20 election is not required for bonds payable from
21 revenues. The revised law omits that provision
22 because it duplicates, in substance, Section 54.505,
23 Water Code. The omitted law reads:

24 Sec. 12. . . . provided, however,
25 that bonds payable solely from net revenues
26 may be issued by resolution or order of the
27 board of directors and no election therefor
28 shall be necessary. . . .

29 (6) Section 12, Chapter 749, Acts of the 61st
30 Legislature, Regular Session, 1969, provides that
31 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
32 applies to bonds issued under Section 12 except when
33 Chapter 3A is inconsistent or in conflict with Section
34 12. The revised law omits the provision for the
35 reasons stated in Revisor's Note (4) to the end of this
36 subchapter and Revisor's Note (1) to the end of
37 Subchapter A. The omitted law reads:

38 Sec. 12. . . . except as the same may
39 be inconsistent or in conflict with the
40 provisions of this Act, the provisions of
41 said Chapter 3A of Title 128 (Vernon's Texas

1 Civil Statutes), as presently in effect or
2 as hereafter amended, shall apply to all
3 bonds issued under the provisions of this
4 Act (the provisions of this Act to govern
5 and take precedence in the event of any such
6 inconsistency or conflict). . . .

7 (7) Section 12, Chapter 749, Acts of the 61st
8 Legislature, Regular Session, 1969, provides for
9 additional security for bonds. The revised law omits
10 that provision because it duplicates Section 54.504,
11 Water Code. The omitted law reads:

12 Sec. 12. . . .

13 Such bonds, within the discretion of
14 the board of directors, may be additionally
15 secured by a deed of trust or mortgage lien
16 upon part or all of the physical properties
17 of the district, and franchises, easements,
18 water rights and appropriation permits,
19 leases, and contracts and all rights
20 appurtenant to such properties, vesting in
21 the trustee power to sell such properties
22 for payment of the indebtedness, power to
23 operate the properties and all other powers
24 and authority for the further security of
25 the bonds. [Such trust indenture,
26 regardless of the existence of the deed of
27 trust or mortgage lien on the properties,
28 may contain provisions prescribed by the
29 board of directors for the security of the
30 bonds and the preservation of the trust
31 estate, and [may make provisions for]
32 amendment or modification thereof and . . .
33 may condition the right to expend district
34 money or sell district property upon
35 approval of a registered professional
36 engineer selected as provided therein and
37 may make provision for investment of funds
38 of the district. Any purchaser under a sale
39 under the deed of trust or mortgage lien,
40 where one is given, shall be absolute owner
41 of the properties, facilities, and rights
42 so purchased and shall have the right to
43 maintain and operate same. . . .

44 (8) Section 12, Chapter 749, Acts of the 61st
45 Legislature, Regular Session, 1969, specifies various
46 provisions of bonds. The revised law omits that
47 provision because it duplicates Section 54.510, Water
48 Code. The omitted law reads:

49 Sec. 12. . . .

50 In the orders or resolutions
51 authorizing the issuance of any revenue,
52 tax-revenue, revenue refunding, or
53 tax-revenue refunding bonds authorized
54 hereunder, the district's board of
55 directors may provide for the flow of funds,
56 the establishment and maintenance of the
57 interest and sinking fund or funds, reserve

1 fund or funds, and other funds, and may make
2 additional covenants with respect to the
3 bonds and the pledged revenues and the
4 operation and maintenance of those
5 improvements and facilities (the revenues
6 of which are pledged), including provisions
7 for the operation or for the leasing of all
8 or any part of said improvements and
9 facilities and the use or pledge of moneys
10 derived from such operation contracts and
11 leases as such board may deem appropriate.
12 Such orders or resolutions may also
13 prohibit the further issuance of bonds or
14 other obligations payable from the pledged
15 revenues, or may reserve the right to issue
16 additional bonds to be secured by a pledge
17 of and payable from said revenues on a
18 parity with, or subordinate to, the lien and
19 pledge in support of the bonds being issued,
20 subject to such conditions as are set forth
21 in such orders or resolutions. Such orders
22 or resolutions may contain other provisions
23 and covenants, as the district's board of
24 directors may determine, not prohibited by
25 the Constitution of Texas or by this Act,
26 and said board may adopt and cause to be
27 executed any other proceedings or
28 instruments necessary and/or convenient in
29 the issuance of any such bonds. . . .

30 (9) Section 12, Chapter 749, Acts of the 61st
31 Legislature, Regular Session, 1969, provides for the
32 use of bond proceeds to pay expenses incurred and to be
33 incurred in the issuance, sale, and delivery of the
34 bonds. The revised law omits that provision because it
35 duplicates, in substance, Section 49.155, Water Code.
36 The omitted law reads:

37 Sec. 12. . . .
38 [From the proceeds of sale of any bonds
39 issued hereunder, the district may
40 appropriate or set aside out of the bond
41 proceeds] . . . an amount necessary to pay
42 all expenses incurred and to be incurred in
43 the issuance, sale and delivery of the
44 bonds. . . .

45 (10) Section 12, Chapter 749, Acts of the 61st
46 Legislature, Regular Session, 1969, provides that
47 money in a fund established or provided for in a bond
48 order or resolution may be invested in securities as
49 provided in the bond order or may be placed on
50 interest-bearing time deposit. The revised law omits
51 that provision because it is superseded by Subchapter
52 A, Chapter 2256, Government Code (enacted as Chapter

1 889, Acts of the 70th Legislature, Regular Session,
2 1987). The omitted law reads:

3 Sec. 12. . . . Moneys in the interest
4 and sinking fund or funds and the reserve
5 fund or funds, and in the other fund or
6 funds established or provided for in the
7 bond orders or resolutions may be invested
8 in such manner and in such securities as may
9 be provided in the bond order or orders or
10 may be placed on interest-bearing time
11 deposit. . . .

12 (11) Section 12, Chapter 749, Acts of the 61st
13 Legislature, Regular Session, 1969, provides that bond
14 proceeds may be invested in securities of the United
15 States or placed on interest-bearing time deposit.
16 The revised law omits that provision as superseded by
17 Subchapter A, Chapter 2256, Government Code (enacted
18 as Chapter 889, Acts of the 70th Legislature, Regular
19 Session, 1987). The omitted law reads:

20 Sec. 12. . . . Until such time as the
21 bond proceeds are needed to carry out the
22 bond purposes, such proceeds may be
23 invested in securities of the United States
24 government or any agency thereof or may be
25 placed on interest-bearing time deposit,
26 either or both. . . .

27 (12) Section 12, Chapter 749, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that
29 district bonds may be registered as to principal or as
30 to principal and interest. The revised law omits that
31 provision because it duplicates Section 1201.024,
32 Government Code. That section applies to district
33 bonds by application of Section 1201.002, Government
34 Code. The omitted law reads:

35 Sec. 12. . . . Any such revenue
36 bonds, tax-revenue bonds, revenue refunding
37 bonds, or tax-revenue refunding bonds
38 hereinafter mentioned may be registrable as
39 to principal or as to both principal and
40 interest. . . .

41 (13) Section 12, Chapter 749, Acts of the 61st
42 Legislature, Regular Session, 1969, requires the
43 district to deliver its bonds to the attorney general
44 for examination and approval. The revised law omits

1 that provision because it duplicates, in substance,
2 Section 1202.003, Government Code. Section 1202.003,
3 Government Code, applies to district bonds by
4 application of Section 1202.001, Government Code. The
5 omitted law reads:

6 Sec. 12. . . .
7 After any bonds have been authorized
8 by the district hereunder, such bonds and
9 the record relating to their issuance shall
10 be submitted to the Attorney General of the
11 State of Texas for his examination as to the
12 validity thereof, and

13 (14) Section 12, Chapter 749, Acts of the 61st
14 Legislature, Regular Session, 1969, provides that
15 after approval the bonds shall be registered with the
16 comptroller. The revised law omits that provision as
17 superseded by Section 1202.005, Government Code
18 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
19 of the 70th Legislature, 2nd Called Session). Section
20 1202.005, Government Code, applies to district bonds
21 by application of Section 1202.001, Government Code.
22 The omitted law reads:

23 Sec. 12. . . . after said attorney
24 general has approved the same, such bonds
25 shall be registered by the Comptroller of
26 Public Accounts of the State of
27 Texas. . . .

28 (15) Section 12, Chapter 749, Acts of the 61st
29 Legislature, Regular Session, 1969, provides that
30 after approval and registration, district bonds are
31 incontestable except for forgery or fraud. The
32 revised law omits that provision as impliedly repealed
33 by Section 1202.006, Government Code (enacted as
34 Section 3.002(d), Chapter 53, Acts of the 70th
35 Legislature, 2nd Called Session, 1987). Section
36 1202.006, Government Code, provides that after
37 approval and registration, bonds are incontestable for
38 any reason. Section 1202.006 applies to district
39 bonds by application of Section 1202.001, Government

1 Code. The omitted law reads:

2 Sec. 12. . . . When such bonds have
3 been approved by the attorney general,
4 registered by the comptroller of public
5 accounts, and delivered to the purchasers,
6 they shall thereafter be incontestable
7 except for forgery or fraud. . . .

8 (16) Section 12, Chapter 749, Acts of the 61st
9 Legislature, Regular Session, 1969, details various
10 procedures regarding the attorney general's approval
11 of bond contracts and proceedings. The revised law
12 omits the portion of Section 12 regarding the
13 incontestability of a contract the proceeds of which
14 are pledged to the payment of a bond as impliedly
15 repealed by Section 1202.006, Government Code (enacted
16 as Section 3.002(d), Chapter 53, Acts of the 70th
17 Legislature, 2nd Called Session, 1987). Section
18 1202.006, Government Code, provides that after
19 approval and registration of the bond, the bond and
20 contract are incontestable for any reason. Section
21 1202.006 applies to district bonds by application of
22 Section 1202.001, Government Code. The omitted law
23 reads:

24 Sec. 12. . . . When any bonds recite
25 that they are secured partially or
26 otherwise by a pledge of the proceeds of a
27 contract or contracts made between the
28 district and another party or parties
29 (private or public), a copy of such contract
30 or contracts and the proceedings
31 authorizing the same may or may not be
32 submitted to the attorney general along
33 with the bond record, and, if so submitted,
34 the approval of the attorney general of the
35 bonds shall constitute an approval of such
36 contract or contracts, and thereafter the
37 contract or contracts shall be
38 incontestable for any cause except for
39 forgery or fraud. . . .

40 (17) Section 12, Chapter 749, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that the
42 district may sell bonds only after taking public bids.
43 The revised law omits that provision because it
44 duplicates, in substance, Section 49.183(a), Water

1 Code. The omitted law reads:

2 Sec. 12. . . . The district's bonds
3 shall be sold only after taking public bids
4 therefor.

5 (18) Section 17, Chapter 749, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that the
7 district may sell bonds at any price or on any terms,
8 except that the price may not be less than that
9 provided by law. The revised law omits that provision
10 because it duplicates Section 1204.006(b), Government
11 Code. Section 1204.006(b) provides that an issuer may
12 sell public securities at any price and applies to
13 district bonds by application of Section 1204.001,
14 Government Code. The omitted law reads:

15 Sec. 17. Bonds of the district may be
16 sold at a price and upon the terms
17 determined by the board of directors of the
18 district, except that such bonds shall not
19 be sold for a less amount than provided by
20 law.

21 (19) Section 18, Chapter 749, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that
23 elections to authorize district bonds must be held
24 under applicable general law. Section 18 also
25 provides that if the first bond election fails, any
26 provision of the general law relating to the
27 dissolution of a district when a bond election fails
28 does not apply to the district. The revised law omits
29 the provision relating to the first bond election as
30 executed. The revised law omits the provision
31 requiring bond elections to be held under applicable
32 general law because the provision duplicates Section
33 49.101, Water Code. The omitted law reads:

34 Sec. 18. All elections to authorize
35 the issuance of bonds by the district shall
36 be held pursuant to the general law
37 applicable thereto; provided, however, that
38 if the first bond election fails, Article
39 7880--77b (Vernon's Texas Civil Statutes),
40 or any other provision of the general law
41 pertaining to dissolution of the district
42 when a bond election fails shall not apply.

1 (20) Section 21, Chapter 749, Acts of the 61st
2 Legislature, Regular Session, 1969, lists the entities
3 for which district bonds are legal investments and
4 provides that district bonds may secure deposits of
5 public funds of the state or political subdivisions.
6 The revised law omits the provision relating to the
7 eligibility of district bonds to be considered as
8 investments for various entities because it duplicates
9 Section 49.186(a), Water Code. The revised law omits
10 the provision relating to deposits of state funds by
11 the comptroller as impliedly repealed by Section
12 404.0221, Government Code (enacted in 1995), which
13 lists eligible collateral for deposits of state funds
14 by the comptroller. As to deposits of other funds, the
15 provision is impliedly repealed by Chapter 2257,
16 Government Code (enacted in 1989 as Article 2529d,
17 Vernon's Texas Civil Statutes), which governs eligible
18 collateral for deposits of funds of other public
19 agencies, including political subdivisions, and
20 permits those deposits to be secured by obligations
21 issued by conservation and reclamation districts. The
22 omitted law reads:

23 Sec. 21. All bonds and refunding
24 bonds of the district shall be and are
25 hereby declared to be legal, eligible, and
26 authorized investments for banks, savings
27 and loan associations, insurance companies,
28 fiduciaries, trustees, and for the sinking
29 funds of cities, towns, villages, counties,
30 school districts, or other political
31 corporations or subdivisions of the State
32 of Texas, and for all public funds of the
33 State of Texas or its agencies, including
34 the State Permanent School Fund. Such bonds
35 and refunding bonds shall be eligible to
36 secure the deposit of any and all public
37 funds of the State of Texas, cities, towns,
38 villages, counties, school districts, or
39 other political corporations or
40 subdivisions of the State of Texas; and such
41 bonds shall be lawful and sufficient
42 security for said deposits to the extent of
43 their face value, when accompanied by all
44 unmatured coupons appurtenant thereto.

1 Revisor's Note
2 (End of Chapter)

3 (1) Section 6, Chapter 749, Acts of the 61st
4 Legislature, Regular Session, 1969, provides that it
5 is not necessary for the board of directors to hold an
6 election to confirm the district's creation. The
7 revised law omits that provision as executed. The
8 omitted law reads:

9 Sec. 6. It shall not be necessary for
10 the board of directors to call or hold a
11 confirmation election for the confirmation
12 of the district.

13 (2) Section 7, Chapter 749, Acts of the 61st
14 Legislature, Regular Session, 1969, provides for the
15 exclusion of property from the district before the
16 first bond election is called. The revised law omits
17 that provision as executed because the district has
18 already issued bonds. The omitted law reads:

19 Sec. 7. It shall not be necessary for
20 the board of directors to call or hold a
21 hearing on the exclusions of land or other
22 property from the district; provided,
23 however, that the board shall hold such
24 hearing upon the written petition of any
25 landowner or other property owner within
26 the district filed with the secretary of the
27 board prior to the calling of the first bond
28 election for the district. The board of
29 directors shall give notice of the right of
30 a landowner or property owner to petition to
31 have his lands excluded by publishing same
32 in a newspaper of general circulation in the
33 county or counties in which the district is
34 situated one time at least 10 days prior to
35 the calling of the bond election. The board
36 may act on said petition in the same manner
37 as it may act on a petition for the addition
38 of land under Article 7880--75 (Vernon's
39 Texas Civil Statutes), and no notice of
40 hearing shall be required. . . .

41 (3) Section 7, Chapter 749, Acts of the 61st
42 Legislature, Regular Session, 1969, provides that the
43 board may on its own motion hold a hearing on the
44 exclusion of property from the district in the manner
45 provided by general law. The revised law omits that
46 provision because it duplicates, in substance, Section
47 49.303(b), Water Code. The omitted law reads:

1 Sec. 7. . . . The board on its own
2 motion may call and hold an exclusions
3 hearing or hearings in the manner provided
4 by the general law.

5 (4) Section 20, Chapter 749, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that the
7 board shall canvass the returns of all elections. The
8 revised law omits that requirement because it
9 duplicates Section 67.002, Election Code, which
10 requires the governing body of a political subdivision
11 that orders an election to canvass the returns.
12 Section 20 also provides that the board shall canvass
13 the election returns "as soon as reasonably
14 practicable after an election." The revised law omits
15 that provision as superseded by Section 67.003,
16 Election Code (enacted by Section 1, Chapter 211, Acts
17 of the 69th Legislature, Regular Session, 1985). The
18 omitted law reads:

19 Sec. 20. The returns of all elections
20 shall be canvassed by the board of directors
21 of the district as soon as reasonably
22 practicable after an election.

23 (5) Section 23, Chapter 749, Acts of the 61st
24 Legislature, Regular Session, 1969, contains
25 legislative findings relating to the performance of
26 certain requirements under Section 59(d), Article XVI,
27 Texas Constitution, and to the authority of the
28 legislature to enact that chapter. The revised law
29 omits that provision as executed. The omitted law
30 reads:

31 Sec. 23. The Legislature specifically
32 finds and declares that the requirements of
33 Article XVI, Section 59(d), Constitution of
34 Texas, have been done and accomplished in
35 due course and time and in due order, and
36 that the Legislature has the power and
37 authority to enact this Act.

38 (6) Section 25, Chapter 749, Acts of the 61st
39 Legislature, Regular Session, 1969, provides that the
40 act is severable. The revised law omits that provision
41 because it duplicates Section 311.032, Government Code

1 (Code Construction Act), which states that a provision
2 of a statute is severable from each other provision of
3 the statute that can be given effect. The omitted law
4 reads:

5 Sec. 25. If any word, phrase, clause,
6 paragraph, sentence, part, portion, or
7 provision of this Act or the application
8 thereof to any person or circumstance shall
9 be held to be invalid or unconstitutional,
10 the remainder of the Act shall nevertheless
11 be valid; and the Legislature hereby
12 declares that this Act would have been
13 enacted without such invalid or
14 unconstitutional word, phrase, clause,
15 paragraph, sentence, part, portion, or
16 provision.

18 Revised Law

19 Sec. 8271.001. DEFINITIONS. In this chapter:

20 (1) "Board" means the board of directors of the

21 district.

22 (2) "Director" means a member of the board.

23 (3) "District" means the Langham Creek Utility

24 District. (Acts 61st Leg., R.S., Ch. 306, Sec. 1 (part); New.)

25 Source Law

26 Sec. 1. . . . [a . . . district . . .] to be

27 known as "Langham Creek Utility District," hereinafter

28 called the "district,"

29 Revisor's Note

30 The definitions of "board" and "director" are

31 added to the revised law for drafting convenience and

32 to eliminate frequent, unnecessary repetition of the

33 substance of the definitions.

34 Revised Law

35 Sec. 8271.002. NATURE OF DISTRICT. The district is a

1 municipal utility district and a conservation and reclamation
2 district in Harris County created under Section 59, Article XVI,
3 Texas Constitution. (Acts 61st Leg., R.S., Ch. 306, Sec. 1 (part);
4 New.)

5 Source Law

6 Sec. 1. Under and pursuant to the provisions of
7 Article XVI, Section 59, Constitution of Texas, a
8 conservation and reclamation district is hereby
9 created and established in Harris County, Texas, . . .
10 which shall be a governmental agency and a body politic
11 and corporate. . . .

12 Revisor's Note

13 (1) Section 1, Chapter 306, Acts of the 61st
14 Legislature, Regular Session, 1969, provides that the
15 district is "created and established" in Harris
16 County, Texas. The revised law omits "established"
17 because the meaning of that word is included in the
18 meaning of "created."

19 (2) Section 1, Chapter 306, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to the
21 district as "a governmental agency and a body politic
22 and corporate." The revised law omits those
23 references because they duplicate a portion of Section
24 59(b), Article XVI, Texas Constitution, which provides
25 that a conservation and reclamation district is a
26 governmental agency and a body politic and corporate.

27 (3) The revised law adds a reference to the
28 district as a "municipal utility district" because the
29 district was converted from a water control and
30 improvement district to a municipal utility district
31 on February 23, 1977, by order of the Texas Water
32 Rights Commission. See Sections 54.030-54.036, Water
33 Code. Under both that order and Section 54.034, Water
34 Code, the district now operates under Chapter 54,
35 Water Code. Throughout this chapter, references to
36 water control and improvement districts and references
37 to Chapter 51, Water Code (the chapter on water control

1 and improvement districts), have been revised to
2 reflect the district's conversion. In addition, as
3 indicated throughout this chapter, the revised law
4 omits law that is superseded by Chapter 54, Water Code,
5 or that duplicates law contained in that chapter.

6 Revised Law

7 Sec. 8271.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
8 The district is created to serve a public use and benefit.

9 (b) All land and other property included in the boundaries
10 of the district will benefit from the works and projects
11 accomplished by the district under the powers conferred by Section
12 59, Article XVI, Texas Constitution.

13 (c) The creation of the district is essential to accomplish
14 the purposes of Section 59, Article XVI, Texas Constitution.

15 (d) The accomplishment of the purposes stated in this
16 chapter is for the benefit of the people of this state and for the
17 improvement of their property and industries. The district in
18 carrying out the purposes of this chapter will be performing an
19 essential public function under the Texas Constitution. (Acts 61st
20 Leg., R.S., Ch. 306, Secs. 1 (part), 4, 24 (part).)

21 Source Law

22 Sec. 1. . . . The creation and establishment of
23 the district is hereby declared to be essential to the
24 accomplishment of the purposes of Article XVI, Section
25 59, Constitution of Texas.

26 Sec. 4. It is determined and found that all of
27 the land and other property included within the area
28 and boundaries of the district will be benefited by the
29 works and project which are to be accomplished by the
30 district pursuant to the powers conferred by the
31 provisions of Article XVI, Section 59, Constitution of
32 Texas, and that said district was and is created to
33 serve a public use and benefit.

34 Sec. 24. The accomplishment of the purposes
35 stated in this Act being for the benefit of the people
36 of this state and for the improvement of their
37 properties and industries, the district in carrying
38 out the purposes of this Act will be performing an
39 essential public function under the Constitution, and
40

41 Revisor's Note

42 (1) Section 1, Chapter 306, Acts of the 61st

1 Legislature, Regular Session, 1969, states that the
2 "creation and establishment" of the district is
3 essential to accomplish the purposes of Section 59,
4 Article XVI, Texas Constitution. The revised law
5 omits "establishment" because its meaning is included
6 in the meaning of "creation."

7 (2) Section 4, Chapter 306, Acts of the 61st
8 Legislature, Regular Session, 1969, refers to land and
9 other property included within the "area and
10 boundaries of the district." The revised law omits the
11 reference to "area" because, in context, "area" is
12 included in the meaning of "boundaries."

13 Revised Law

14 Sec. 8271.004. DISTRICT TERRITORY. (a) The district is
15 composed of the territory described by Section 2, Chapter 306, Acts
16 of the 61st Legislature, Regular Session, 1969, as that territory
17 may have been modified under:

18 (1) Subchapter H, Chapter 54, Water Code;

19 (2) Subchapter J, Chapter 49, Water Code;

20 (3) Section 9, Chapter 306, Acts of the 61st
21 Legislature, Regular Session, 1969; or

22 (4) other law.

23 (b) The boundaries and field notes of the district form a
24 closure. A mistake in copying the field notes in the legislative
25 process or another mistake in the field notes does not affect:

26 (1) the district's organization, existence, or
27 validity;

28 (2) the district's right to issue any type of bonds for
29 a purpose for which the district is created or to pay the principal
30 of and interest on the bonds;

31 (3) the district's right to impose a tax; or

32 (4) the legality or operation of the district or the
33 board. (Acts 61st Leg., R.S., Ch. 306, Sec. 3; New.)

1 issue "any type of bonds or refunding bonds." The
2 revised law omits the reference to "refunding bonds"
3 because refunding bonds are included in the meaning of
4 "any type of bonds."

5 (3) Section 3, Chapter 306, Acts of the 61st
6 Legislature, Regular Session, 1969, refers to the
7 district's right to "assess, levy, and collect" a tax.
8 Throughout this chapter, the revised law substitutes
9 "impose" for "levy" or "assess, levy, and collect"
10 because "impose" is the term generally used in Title 1,
11 Tax Code, and includes the assessment, levying, and
12 collection of a tax.

13 Revised Law

14 Sec. 8271.005. EXPANSION OF DISTRICT. (a) If land is
15 annexed by the district under Section 49.301, Water Code, the board
16 may require the petitioners to:

17 (1) assume the petitioners' pro rata share of the voted
18 but unissued bonds of the district; and

19 (2) authorize the board to impose a tax on the
20 petitioners' property to pay for the bonds after the bonds have been
21 issued.

22 (b) If land is annexed by the district under Section 49.302,
23 Water Code, the board may submit to the voters of the area to be
24 annexed a proposition on the question of the assumption by the area
25 to be annexed of its part of the voted but not yet issued or sold tax
26 or tax-revenue bonds of the district and the imposition of an ad
27 valorem tax on taxable property in the area to be annexed along with
28 a tax in the rest of the district for the payment of the bonds.

29 (c) If the petitioners consent or if the election results
30 favorably, the district may issue its voted but unissued tax or
31 tax-revenue bonds regardless of changes to district boundaries
32 since the original voting or authorization of the bonds. (Acts 61st
33 Leg., R.S., Ch. 306, Sec. 9.)

1 Chapter 49, Water Code, applies to the district
2 without an express reference to Subchapter J by this
3 chapter. The remaining relevant provisions of
4 Subchapter H, Chapter 54, Water Code, apply to the
5 district under Section 54.034, Water Code, without an
6 express reference to those sections by this chapter.

7 (2) Section 9, Chapter 306, Acts of the 61st
8 Legislature, Regular Session, 1969, refers to Article
9 7880--75, Vernon's Texas Civil Statutes. Article
10 7880--75 was codified by Chapter 58, Acts of the 62nd
11 Legislature, Regular Session, 1971, as Sections
12 51.714-51.717, Water Code, relating to the addition of
13 land to a water control and improvement district by the
14 petition of the landowner. After the district
15 converted to a municipal utility district in 1977,
16 those sections no longer applied to the district.
17 Instead, Sections 54.711-54.715, Water Code, applied
18 to the district under Section 54.034 of that code. See
19 Revisor's Note (3) to Section 8271.002. Chapter 715,
20 Acts of the 74th Legislature, Regular Session, 1995,
21 repealed Sections 54.711-54.715, Water Code, and
22 enacted Section 49.301, Water Code, to govern the
23 addition of land to a municipal utility district by the
24 petition of the landowner. The revised law is drafted
25 accordingly.

26 (3) Section 9, Chapter 306, Acts of the 61st
27 Legislature, Regular Session, 1969, refers to Article
28 7880--75b, Vernon's Texas Civil Statutes. Article
29 7880--75b was codified by Chapter 58, Acts of the 62nd
30 Legislature, Regular Session, 1971, as Sections
31 51.718-51.724, Water Code, relating to the addition of
32 land to a water control and improvement district by the
33 petition of less than all the landowners. After the
34 district converted to a municipal utility district in

1 1977, those sections no longer applied to the
2 district. Instead, Sections 54.716-54.726, Water
3 Code, applied to the district under Section 54.034 of
4 that code. See Revisor's Note (3) to Section 8271.002.
5 Chapter 715, Acts of the 74th Legislature, Regular
6 Session, 1995, repealed Sections 54.716-54.726, Water
7 Code, and enacted Section 49.302, Water Code, to
8 govern the addition of land to a municipal utility
9 district by the petition of less than all the
10 landowners. The revised law is drafted accordingly.

11 (4) Section 9, Chapter 306, Acts of the 61st
12 Legislature, Regular Session, 1969, refers to
13 "property taxpaying voters." The revised law omits
14 the reference to "property taxpaying" because in Hill
15 v. Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the
16 United States Supreme Court determined that property
17 ownership as a qualification for voting is an
18 unconstitutional denial of equal protection.

19 Revised Law

20 Sec. 8271.006. STATE POLICY REGARDING WASTE DISPOSAL. The
21 district's powers and duties are subject to the state policy of
22 encouraging the development and use of integrated area-wide waste
23 collection, treatment, and disposal systems to serve the waste
24 disposal needs of this state's residents, if integrated systems can
25 reasonably be provided for an area, so as to avoid the economic
26 burden on residents and the effect on state water quality caused by
27 the construction and operation of numerous small waste collection,
28 treatment, and disposal facilities. (Acts 61st Leg., R.S., Ch.
29 306, Sec. 5 (part).)

30 Source Law

31 Sec. 5. . . .
32 The powers and duties conferred on the district
33 are granted subject to the policy of the state to
34 encourage the development and use of integrated
35 area-wide waste collection, treatment and disposal
36 systems to serve the waste disposal needs of the
37 citizens of the state, it being the objective of the
38 policy to avoid the economic burden to the people and

1 the impact on the quality of the waters in the state
2 which result from the construction and operation of
3 numerous small waste collection, treatment and
4 disposal facilities to serve an area when an
5 integrated area-wide waste collection, treatment and
6 disposal system for the area can be reasonably
7 provided.
8 . . .

9 Revisor's Note

10 Section 5, Chapter 306, Acts of the 61st
11 Legislature, Regular Session, 1969, refers to
12 "citizens" of the state. The revised law substitutes
13 "residents" for "citizens" because, in the context of
14 this section, "citizens" and "residents" are
15 synonymous and "residents" is more commonly used.

16 Revisor's Note
17 (End of Subchapter)

18 (1) Section 5, Chapter 306, Acts of the 61st
19 Legislature, Regular Session, 1969, provides that the
20 act prevails over any general law that applies to water
21 control and improvement districts and that is in
22 conflict or inconsistent with the act. The general law
23 applicable to water control and improvement districts
24 no longer applies to the district because the district
25 converted to a municipal utility district. See
26 Revisor's Note (3) to Section 8271.002. The revised
27 law omits the provision rather than codifying the
28 provision and substituting a reference to municipal
29 utility districts for the reference to water control
30 and improvement districts because the provision
31 duplicates, in substance, Section 311.026, Government
32 Code (Code Construction Act). The omitted law reads:

33 Sec. 5. [The district shall have and
34 exercise, and is hereby vested with, all of
35 the rights, powers, privileges, authority,
36 and functions conferred and imposed by the
37 general laws of this state now in force or
38 hereafter enacted, applicable to water
39 control and improvement districts created
40 under authority of Article XVI, Section 59,
41 Constitution of Texas, including without
42 limitation those conferred by Chapter 3A,
43 Title 128 (Vernon's Texas Civil Statutes);
44 but] to the extent that the provisions of
45 any such general laws may be in conflict or

1 inconsistent with the provisions of this
2 Act, the provisions of this Act shall
3 prevail. . . .

4 (2) Section 5, Chapter 306, Acts of the 61st
5 Legislature, Regular Session, 1969, provides that any
6 general law relating to water control and improvement
7 districts is adopted and incorporated by reference.
8 The general law applicable to water control and
9 improvement districts no longer applies to the
10 district because the district converted to a municipal
11 utility district. See Revisor's Note (3) to Section
12 8271.002. The revised law omits the provision rather
13 than codifying the provision and substituting a
14 reference to municipal utility districts for the
15 reference to water control and improvement districts
16 because it is not necessary to duplicate by means of
17 adoption and incorporation the substance of general
18 laws applicable to the district. The omitted law
19 reads:

20 Sec. 5. . . . All such general laws
21 are hereby adopted and incorporated by
22 reference with the same effect as if
23 incorporated in full in this Act. . . .

24 (3) Section 22, Chapter 306, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that
26 Article 970a, Vernon's Texas Civil Statutes (Municipal
27 Annexation Act), does not apply to the creation of the
28 district. The revised law omits that provision as
29 executed. The omitted law reads:

30 Sec. 22. This district is hereby
31 created notwithstanding any of the
32 provisions of the Municipal Annexation Act,
33 being Article 970a (Vernon's Texas Civil
34 Statutes), as amended, and to the extent of
35 the creation of the district only, said
36 Article 970a shall have no
37 application. . . .

38 (4) Section 22, Chapter 306, Acts of the 61st
39 Legislature, Regular Session, 1969, provides that the
40 district is subject to certain other laws. The revised
41 law omits that provision because the laws cited apply

1 by their own terms. Section 22 refers to Article 970a,
2 Vernon's Texas Civil Statutes (Municipal Annexation
3 Act). In 1987, Article 970a was codified as Chapters
4 42 and 43, Local Government Code, and Section 212.003,
5 Local Government Code. Section 22 also refers to
6 Article 1182c--1, Vernon's Texas Civil Statutes, "as
7 amended." In 1987, Article 1182c--1 was codified as
8 Sections 43.074, 43.075, and 43.081, Local Government
9 Code.

10 The revised law omits "as amended" because, under
11 Section 311.027, Government Code (Code Construction
12 Act), a reference to a statute applies to all
13 reenactments, revisions, or amendments of that
14 statute, unless expressly provided otherwise. The
15 omitted law reads:

16 Sec. 22. . . . In all other
17 respects, the district hereby created is
18 expressly made subject to all provisions of
19 said Article 970a. District shall also be
20 subject to the provisions of Article
21 1182c--1 (Vernon's Texas Civil Statutes),
22 as amended.

23 [Sections 8271.007-8271.050 reserved for expansion]

24 SUBCHAPTER B. DISTRICT ADMINISTRATION

25 Revised Law

26 Sec. 8271.051. COMPOSITION OF BOARD. The board consists of
27 five elected directors. (Acts 61st Leg., R.S., Ch. 306, Sec. 10
28 (part).)

29 Source Law

30 Sec. 10. All powers of the district shall be
31 exercised by a board of five directors. . . .
32 Succeeding directors shall be elected or

33 Revisor's Note

34 (1) Section 10, Chapter 306, Acts of the 61st
35 Legislature, Regular Session, 1969, provides that
36 "[a]ll powers of the district shall be exercised by"
37 the board. The revised law omits the quoted language
38 because it duplicates, in substance, provisions of

1 Sections 49.051 and 49.057, Water Code. As indicated
2 throughout this chapter, the revised law omits law
3 that is superseded by Chapter 49, Water Code, or that
4 duplicates law contained in that chapter. Chapter 49,
5 Water Code, applies to the district under Sections
6 49.001 and 49.002 of that chapter.

7 (2) Section 10, Chapter 306, Acts of the 61st
8 Legislature, Regular Session, 1969, refers to
9 "[s]ucceeding directors" to distinguish the
10 succeeding directors from the initial directors named
11 in that section. The revised law omits "succeeding"
12 because all provisions referring to initial directors
13 are omitted as executed and the distinction is no
14 longer required.

15 Revised Law

16 Sec. 8271.052. DIRECTOR'S BOND. Each director shall
17 qualify by giving bond in the amount of \$5,000 for the faithful
18 performance of the director's duties. (Acts 61st Leg., R.S., Ch.
19 306, Sec. 10 (part).)

20 Source Law

21 Sec. 10. . . . Each director shall qualify by
22 subscribing to the constitutional oath of office and
23 giving bond in the amount of \$5,000 for the faithful
24 performance of his duties. . . .

25 Revisor's Note

26 (1) Section 10, Chapter 306, Acts of the 61st
27 Legislature, Regular Session, 1969, requires each
28 director to qualify "by subscribing to the
29 constitutional oath of office." The revised law omits
30 the quoted language because it duplicates, in
31 substance, Section 1, Article XVI, Texas Constitution.

32 (2) Section 10, Chapter 306, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that the
34 district shall pay the cost of a director's bond and
35 that the bond shall be approved by the board and
36 recorded in the district office. The revised law omits

1 board vice president shall perform all duties and exercise all
2 power this chapter or general law gives the president.

3 (b) If the board president is absent from a board meeting:

4 (1) the board vice president may sign an order or other
5 action adopted at the meeting; or

6 (2) the board may authorize the president to sign the
7 order or implement the action. (Acts 61st Leg., R.S., Ch. 306, Sec.
8 10 (part).)

9 Source Law

10 Sec. 10. . . . The vice president shall perform
11 all duties and exercise all power conferred by this Act
12 or the general law upon the president when the
13 president is absent or fails or declines to act. Any
14 order adopted or other action taken at a meeting of the
15 board of directors at which the president is absent may
16 be signed by the vice president, or the board may
17 authorize the president to sign such order or to
18 implement such other action.

19 Revised Law

20 Sec. 8271.054. DISTRICT OFFICE. (a) Except as provided by
21 this section, the board shall designate, establish, and maintain a
22 district office as provided by Section 49.062, Water Code.

23 (b) The board may establish a second district office outside
24 the district. If the board establishes a second district office,
25 the board shall give notice of the location of that office by:

26 (1) filing a copy of the board resolution that
27 establishes the location of the office:

28 (A) with the Texas Commission on Environmental
29 Quality; and

30 (B) in the municipal utility district records of
31 each county in which the district is located; and

32 (2) publishing notice of the location of the office in
33 a newspaper of general circulation in each county in which the
34 district is located.

35 (c) A district office that is a private residence, office,
36 or dwelling is a public place for matters relating to the district's
37 business.

38 (d) The board shall provide notice of any change in the

1 location of the district office outside the district in the manner
2 required by Subsection (b). (Acts 61st Leg., R.S., Ch. 306, Sec.
3 15.)

4 Source Law

5 Sec. 15. The board of directors shall
6 designate, establish and maintain a district office as
7 provided by Article 7880--44 (Vernon's Texas Civil
8 Statutes), and in addition may establish a second
9 district office outside the district. Either or both
10 district offices so established and maintained may be
11 a private residence, office or dwelling, in which
12 event such private residence, office or dwelling is
13 hereby declared to be a public place for matters
14 relating to the district's business.

15 If the board of directors establishes a district
16 office outside the district, it shall give notice of
17 the location of that district office by filing a true
18 copy of its resolution establishing the location of
19 such district office with the Texas Water Rights
20 Commission, by filing a true copy in the Water Control
21 and Improvement District records of the county or
22 counties in which district is located, and by
23 publishing a notice of the location in a newspaper of
24 general circulation in said county or counties.

25 If the location of the district office outside
26 the district is thereafter changed, notice of such
27 change shall be given in the same manner.

28 Revisor's Note

29 (1) Section 15, Chapter 306, Acts of the 61st
30 Legislature, Regular Session, 1969, refers to Article
31 7880--44, Vernon's Texas Civil Statutes. Article
32 7880--44 was codified by Chapter 58, Acts of the 62nd
33 Legislature, Regular Session, 1971, as Sections 51.094
34 and 51.096, Water Code, relating to the district
35 office and the minutes and records of the district,
36 respectively. After the district converted to a
37 municipal utility district in 1977, those sections no
38 longer applied to the district. See Revisor's Note (3)
39 to Section 8271.002. Chapter 715, Acts of the 74th
40 Legislature, Regular Session, 1995, enacted Section
41 49.062, Water Code, to govern the designation of
42 offices for certain districts, including municipal
43 utility districts. The revised law is drafted
44 accordingly.

45 (2) Section 15, Chapter 306, Acts of the 61st

1 Legislature, Regular Session, 1969, refers to a "true
2 copy" of a document. The revised law omits "true"
3 because a copy, by definition, accurately reflects the
4 content of the original document.

5 (3) Section 15, Chapter 306, Acts of the 61st
6 Legislature, Regular Session, 1969, refers to the
7 "Texas Water Rights Commission." The revised law
8 substitutes "Texas Commission on Environmental
9 Quality" for "Texas Water Rights Commission" to
10 reflect the current name of the agency with the
11 relevant regulatory authority.

12 Revisor's Note
13 (End of Subchapter)

14 (1) Section 10, Chapter 306, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that each
16 director shall serve until the director's successor is
17 elected or appointed and qualified. The revised law
18 omits that provision because Section 17, Article XVI,
19 Texas Constitution, requires an officer in this state
20 to continue to perform the officer's official duties
21 until a successor has qualified. The omitted law
22 reads:

23 Sec. 10. . . . Each director shall
24 serve for his term of office as herein
25 provided, and thereafter until his
26 successor shall be elected or appointed and
27 qualified. . . .

28 (2) Section 10, Chapter 306, Acts of the 61st
29 Legislature, Regular Session, 1969, names the initial
30 directors, requires them to qualify to serve as
31 directors before the first board meeting, provides for
32 filling vacancies in the office of director, and
33 provides that the named directors or their successors
34 shall serve until the second Tuesday in January 1971.
35 The revised law omits as executed the provisions
36 naming the initial directors, requiring them to
37 qualify by a certain time, and specifying the

1 expiration of their terms. Because the provision
2 specifying the procedure for filling vacancies in the
3 office of director is followed by a provision
4 requiring the named initial directors or their
5 successors to serve until a specified date in 1971, it
6 appears from the context that the provision relating
7 to the filling of vacancies also applies only to the
8 initial directors. Accordingly, the revised law also
9 omits that language as executed. The omitted law
10 reads:

11 Sec. 10. . . . Immediately after
12 this Act becomes effective, the following
13 named persons shall be the directors of the
14 district and shall constitute the board of
15 directors of the district:

16 J. F. Corley

17 Jack Culbertson

18 M. Dow Dunn

19 Luther W. Bell

20 George A. Heitmann

21 Said persons shall file their bonds as
22 soon as practicable after the effective
23 date of this Act and shall otherwise be
24 fully qualified to serve as directors prior
25 to the first meeting of the board of
26 directors. All vacancies in the office of
27 director shall be filled in the manner
28 provided by Article 7880--38 (Vernon's
29 Texas Civil Statutes); provided, however,
30 that if at any time the number of qualified
31 directors shall be less than three because
32 of the failure or refusal of one or more
33 directors to qualify or serve or because of
34 his or their death or incapacitation, or for
35 any other reason, the county judge of the
36 county in which the district is located
37 shall appoint the necessary number of
38 directors to fill all vacancies on the
39 board. The directors above named or their
40 duly appointed and qualified successor or
41 successors shall serve until the second
42 Tuesday in January, 1971. . . .

43 (3) Section 10, Chapter 306, Acts of the 61st
44 Legislature, Regular Session, 1969, provides for
45 directors to be elected or appointed and to serve for
46 the term and in the manner provided by Article
47 7880--37, Vernon's Texas Civil Statutes. Article
48 7880--37 was codified by Chapter 58, Acts of the 62nd
49 Legislature, Regular Session, 1971, as Section 51.073,
50 Water Code. After the district converted to a

1 municipal utility district in 1977, that section no
2 longer applied to the district. Instead, Section
3 54.103, Water Code, applied to the district under
4 Section 54.034 of that code. See Revisor's Note (3) to
5 Section 8271.002. Chapter 715, Acts of the 74th
6 Legislature, Regular Session, 1995, repealed Section
7 54.103, Water Code, and enacted Section 49.103, Water
8 Code, to govern the terms of office and manner of
9 election of directors of a municipal utility district
10 and certain other districts. Section 49.103, Water
11 Code, applies to the district without an express
12 reference to that section by this chapter. The revised
13 law omits "appointed" because it is clear from the
14 context of Section 10 that the reference applies only
15 to directors appointed to fill vacancies as provided
16 by Chapter 49, Water Code. The omitted law reads:

17 Sec. 10. . . . [Succeeding
18 directors shall be elected or] appointed
19 and shall serve for the term and in the
20 manner provided by Article 7880--37
21 (Vernon's Texas Civil Statutes). . . .

22 (4) Section 10, Chapter 306, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that
24 three directors constitute a quorum and that a
25 concurrence of three directors is sufficient in all
26 matters relating to the business of the district,
27 including certain construction matters. The revised
28 law omits that provision because it duplicates, in
29 substance, Section 49.053, Water Code. The omitted
30 law reads:

31 Sec. 10. . . . Three directors shall
32 constitute a quorum of any meeting, and a
33 concurrence of three shall be sufficient in
34 all matters pertaining to the business of
35 the district, including the letting of
36 construction contracts and the drawing of
37 warrants in payment for construction work,
38 the purchase of existing facilities, and
39 matters relating to construction
40 work. . . .

41 (5) Section 10, Chapter 306, Acts of the 61st

1 Legislature, Regular Session, 1969, provides for
2 certain powers of the board's president. The revised
3 law omits that provision because it duplicates, in
4 substance, Section 49.054(c), Water Code. The omitted
5 law reads:

6 Sec. 10. . . . The president may
7 execute all contracts, construction or
8 otherwise, entered into by the board of
9 directors on behalf of the district. . . .

10 [Sections 8271.055-8271.100 reserved for expansion]

11 SUBCHAPTER C. POWERS AND DUTIES

12 Revised Law

13 Sec. 8271.101. MUNICIPAL UTILITY DISTRICT POWERS. The
14 district has all of the rights, powers, privileges, and functions
15 conferred and imposed by the general law of this state relating to
16 municipal utility districts created under Section 59, Article XVI,
17 Texas Constitution, including those conferred by Chapters 49 and
18 54, Water Code. (Acts 61st Leg., R.S., Ch. 306, Sec. 5 (part).)

19 Source Law

20 Sec. 5. The district shall have and exercise,
21 and is hereby vested with, all of the rights, powers,
22 privileges, authority, and functions conferred and
23 imposed by the general laws of this state now in force
24 or hereafter enacted, applicable to water control and
25 improvement districts created under authority of
26 Article XVI, Section 59, Constitution of Texas,
27 including without limitation those conferred by
28 Chapter 3A, Title 128 (Vernon's Texas Civil Statutes);
29 but

30 Revisor's Note

31 (1) Section 5, Chapter 306, Acts of the 61st
32 Legislature, Regular Session, 1969, states that the
33 district "shall have and exercise, and is hereby
34 vested with" certain powers. The revised law
35 substitutes "has" for the quoted language because in
36 the context of this section, the terms are synonymous
37 and "has" is more commonly used.

38 (2) Section 5, Chapter 306, Acts of the 61st
39 Legislature, Regular Session, 1969, refers to "rights,
40 powers, privileges, [and] authority" of the district.

1 The revised law omits "authority" as included in the
2 meaning of "powers."

3 (3) Section 5, Chapter 306, Acts of the 61st
4 Legislature, Regular Session, 1969, states that the
5 district has the rights, powers, privileges,
6 authority, and functions conferred by the general laws
7 of this state "now in force or hereafter enacted." The
8 revised law omits the quoted language because it is
9 unnecessary under accepted general principles of
10 statutory construction. The "general laws of this
11 state" means those laws "in force" at the time the
12 provision was adopted. It is not necessary to state
13 that the district may be granted additional powers by
14 later enacted laws because those laws apply on their
15 own terms.

16 (4) Section 5, Chapter 306, Acts of the 61st
17 Legislature, Regular Session, 1969, grants the
18 district certain powers, including "without
19 limitation" the powers conferred by Chapter 3A, Title
20 128, Vernon's Texas Civil Statutes. The revised law
21 omits "without limitation" because Section
22 311.005(13), Government Code (Code Construction Act),
23 provides that "includes" and "including" are terms of
24 enlargement and not limitation and do not create a
25 presumption that components not expressed are
26 excluded.

27 (5) Section 5, Chapter 306, Acts of the 61st
28 Legislature, Regular Session, 1969, refers to "Chapter
29 3A, Title 128 (Vernon's Texas Civil Statutes)." The
30 relevant provisions of that statute were codified by
31 Chapter 58, Acts of the 62nd Legislature, Regular
32 Session, 1971, as Chapter 51, Water Code. After the
33 district converted to a municipal utility district in
34 1977, Chapter 51, Water Code, no longer applied to the

1 district. Instead, Chapter 54, Water Code, applies to
2 the district under Section 54.034 of that code. See
3 Revisor's Note (3) to Section 8271.002. In 1995,
4 Section 2, Chapter 715, Acts of the 74th Legislature,
5 Regular Session, enacted Chapter 49, Water Code. To
6 reflect those changes, the revised law substitutes a
7 reference to Chapters 49 and 54, Water Code, for the
8 reference to "Chapter 3A, Title 128 (Vernon's Texas
9 Civil Statutes)."

10 (6) Section 5, Chapter 306, Acts of the 61st
11 Legislature, Regular Session, 1969, refers to the
12 continuing right of this state to supervise the
13 district through the Texas Water Rights Commission.
14 The revised law omits the provision because the Texas
15 Commission on Environmental Quality is the successor
16 to the Texas Water Rights Commission, and therefore
17 the provision duplicates, in substance, part of
18 Section 12.081, Water Code, which applies to the
19 district. The omitted law reads:

20 Sec. 5. . . . The rights, powers,
21 privileges, authority, and functions herein
22 granted to the district shall be subject to
23 the continuing right of supervision of the
24 state, to be exercised by and through the
25 Texas Water Rights Commission. . . .

26 Revised Law

27 Sec. 8271.102. ADDITIONAL POWERS. (a) The district may:

28 (1) make, purchase, construct, lease, or otherwise
29 acquire property, works, facilities, existing improvements, or
30 improvements to be made, constructed, or acquired that are:

31 (A) inside or outside the district's boundaries;
32 and

33 (B) necessary to carry out the powers granted by
34 this chapter or general law; or

35 (2) enter into a contract with a person on terms the
36 board considers desirable, fair, and advantageous for:

37 (A) the purchase or sale of water;

1 (B) the transportation, treatment, and disposal
2 of the domestic, industrial, or communal wastes of the district or
3 others;

4 (C) the continuing and orderly development of
5 land and property in the district through the purchase,
6 construction, or installation of facilities, works, or
7 improvements that the district is otherwise authorized to do or
8 perform so that, to the greatest extent reasonably possible,
9 considering sound engineering and economic practices, all of the
10 land and property may ultimately receive the services of the
11 facilities, works, or improvements; and

12 (D) the performance of any of the powers granted
13 by this chapter or general law.

14 (b) A contract under Subsection (a)(2) may not have a
15 duration of more than 40 years. (Acts 61st Leg., R.S., Ch. 306,
16 Sec. 5 (part).)

17 Source Law

18 Sec. 5. . . . Not by way of limitation, the
19 district shall have and is hereby expressly granted
20 the following rights, powers, privileges, and
21 functions:

22 (a) The power and authority to make,
23 purchase, construct, lease, or otherwise acquire
24 property, works, facilities, and improvements
25 (whether previously existing or to be made,
26 constructed, or acquired) within or without the
27 boundaries of the district necessary to carry out the
28 powers and authority granted by this Act and the
29 general laws.

30 (b) The right, power, and authority to
31 enter into contracts of not exceeding 40 years
32 duration with persons, corporations (public or
33 private), municipal corporations, political
34 subdivisions of the State of Texas, and others, and on
35 such terms and conditions as the board of directors may
36 deem desirable, fair, and advantageous for:

37 (1) the purchase and sale of water,
38 or either;

39 (2) the transportation, treatment
40 and disposal of its domestic, industrial or communal
41 wastes or the transportation, treatment and disposal
42 of domestic, industrial or communal wastes of others;

43 (3) the continuing and orderly
44 development of the lands and property within the
45 district through the purchase, construction or
46 installation of facilities, works or improvements
47 which the district may otherwise be empowered and
48 authorized to do or perform so that, to the greatest
49 extent reasonably possible, considering sound
50 engineering and economic practices, all of such lands
51 and property may be placed in a position to ultimately

1 receive the services of such facilities, works or
2 improvements; and
3 (4) the performance of any of the
4 rights or powers granted in this Act and the general
5 laws. . . .

6 Revisor's Note

7 (1) Section 5, Chapter 306, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that,
9 "[n]ot by way of limitation," the district has certain
10 specified rights, powers, privileges, and functions.
11 The revised law omits the quoted language because it is
12 an accepted general principle of statutory
13 construction that a grant of a right, power,
14 privilege, or function does not act as a limitation.
15 The general principle applies to this revision.

16 (2) Section 5, Chapter 306, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that the
18 district "shall have and is hereby expressly granted
19 the following rights, powers, privileges, and
20 functions" to take certain actions. The revised law
21 substitutes "may" for the quoted language because that
22 term is more concise and is the substantive equivalent
23 of the quoted language.

24 (3) Section 5, Chapter 306, Acts of the 61st
25 Legislature, Regular Session, 1969, refers to the
26 power of the district to enter into contracts with
27 persons, "corporations (public or private), municipal
28 corporations, political subdivisions of the State of
29 Texas, and others." The revised law omits the quoted
30 language because under Section 311.005(2), Government
31 Code (Code Construction Act), "person" is defined to
32 include any legal entity.

33 (4) Section 5, Chapter 306, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that the
35 district may enter into a contract on "terms and
36 conditions" the board considers desirable, fair, and
37 advantageous. The revised law omits the reference to

1 "conditions" because "conditions" is included in the
2 meaning of "terms."

3 Revised Law

4 Sec. 8271.103. EMINENT DOMAIN. The district may exercise
5 the power of eminent domain only:

6 (1) in a county in which the district is located; and

7 (2) when necessary to carry out the purposes for which
8 the district was created. (Acts 61st Leg., R.S., Ch. 306, Sec. 13
9 (part).)

10 Source Law

11 Sec. 13. The power of eminent domain of the
12 district shall be limited to the county or counties in
13 which the district is situated, and to situations
14 where the exercise of such power is necessary in order
15 to carry out the purposes for which the district was
16 created. . . .

17 Revised Law

18 Sec. 8271.104. COST OF RELOCATING OR ALTERING PROPERTY.

19 (a) In this section, "sole expense" means the actual cost of
20 relocating, raising, lowering, rerouting, changing the grade of, or
21 altering the construction of a facility described by Subsection (b)
22 in providing comparable replacement without enhancement of the
23 facility, after deducting from that cost the net salvage value of
24 the old facility.

25 (b) If the district's exercise of the power of eminent
26 domain, the power of relocation, or any other power conferred by
27 this chapter makes necessary the relocation, raising, rerouting,
28 changing the grade, or alteration of the construction of a highway,
29 a railroad, an electric transmission line, a telegraph or telephone
30 property or facility, or a pipeline, the necessary action shall be
31 accomplished at the sole expense of the district. (Acts 61st Leg.,
32 R.S., Ch. 306, Sec. 13 (part).)

33 Source Law

34 Sec. 13. . . . In the event that the district,
35 in the exercise of the power of eminent domain or power
36 of relocation, or any other power granted hereunder,
37 makes necessary the relocation, raising, rerouting or
38 changing the grade of, or altering the construction
39 of, any highway, railroad, electric transmission line,
40 telegraph or telephone properties and facilities, or

1 pipeline, all such necessary relocation, raising,
2 rerouting, changing of grade or alteration of
3 construction shall be accomplished at the sole expense
4 of the district. The term "sole expense" shall mean
5 the actual cost of such relocation, raising, lowering,
6 rerouting, or change in grade or alteration of
7 construction in providing comparable replacement
8 without enhancement of such facilities, after
9 deducting therefrom the net salvage value derived from
10 the old facility.

11 Revised Law

12 Sec. 8271.105. CONTRACT FOR PURCHASE OF WATER, SEWER, OR
13 DRAINAGE SERVICES; ELECTION NOT REQUIRED. (a) The district and a
14 political subdivision may enter into a contract for water, sewer,
15 or drainage services or any combination of those services without
16 the necessity of an election by any contracting party to approve the
17 contract.

18 (b) The district may pay for an obligation incurred by such
19 a contract by issuing bonds that, if otherwise necessary, have been
20 approved by the voters in the manner provided by this chapter.

21 (c) The district may deliver the district's bonds to the
22 United States or an agency or instrumentality of the United States,
23 or to this state or an agency or instrumentality of this state, that
24 entered into a contract with the district. (Acts 61st Leg., R.S.,
25 Ch. 306, Sec. 5 (part).)

26 Source Law

27 Sec. 5. . . . No election shall be required of
28 the district or any municipal corporation or other
29 political subdivisions for approval of water, sewer or
30 drainage contracts or any combination thereof, but
31 such contracts may be entered into without the
32 necessity of an election by any contracting party. The
33 district may make payment of the obligations incurred
34 by any such contract by the issuance of bonds which, if
35 otherwise necessary, have been approved by the voters
36 in the manner provided for in this Act. The district
37 may deliver its bonds to the United States, or any
38 agency or instrumentality thereof, or to the State of
39 Texas, or any agency or instrumentality thereof, which
40 entered into such contracts with the district.

41 Revisor's Note

42 Section 5, Chapter 306, Acts of the 61st
43 Legislature, Regular Session, 1969, provides that the
44 district may contract with "any municipal corporation
45 or other political subdivisions." The revised law
46 omits the reference to "any municipal corporation"

1 because "municipal corporation" is included in the
2 meaning of "political subdivision."

3 Revised Law

4 Sec. 8271.106. NOTICE OF ELECTION. The board president or
5 secretary may give notice of an election. (Acts 61st Leg., R.S.,
6 Ch. 306, Sec. 19.)

7 Source Law

8 Sec. 19. Notice of all elections may be given
9 under the hand of either the president or the secretary
10 of the district.

11 Revised Law

12 Sec. 8271.107. DISTRICT RULES. The district shall adopt
13 and enforce reasonable and effective rules to secure and maintain
14 safe, sanitary, and adequate plumbing installations, connections,
15 and appurtenances as subsidiary parts of the district's sewerage
16 system to preserve the quality of water within or controlled by the
17 district. (Acts 61st Leg., R.S., Ch. 306, Sec. 16.)

18 Source Law

19 Sec. 16. The district is directed to adopt and
20 enforce reasonable and effective regulations to secure
21 and maintain safe, sanitary, and adequate plumbing
22 installations, connections, and appurtenances
23 thereto, as subsidiary parts of the district's
24 sewerage system, to aid in preserving the quality of
25 all water within or controlled by the district.

26 Revisor's Note

27 Section 16, Chapter 306, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that the
29 district shall adopt certain "regulations." The
30 revised law substitutes "rules" because under Section
31 311.005(5), Government Code (Code Construction Act),
32 "rule" is defined to include "regulation," and "rule"
33 is the term more commonly used.

34 [Sections 8271.108-8271.150 reserved for expansion]

35 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

36 Revised Law

37 Sec. 8271.151. TAX METHOD. (a) The district shall use the
38 ad valorem plan of taxation.

1 (b) The board is not required to call or hold a hearing on
2 the adoption of a plan of taxation. (Acts 61st Leg., R.S., Ch. 306,
3 Sec. 8.)

4 Source Law

5 Sec. 8. It shall not be necessary for the board
6 of directors to call or hold a hearing on the adoption
7 of a plan of taxation, but the ad valorem plan of
8 taxation shall be used by the district.

9 Revised Law

10 Sec. 8271.152. DISTRICT ACCOUNTS. The district shall keep
11 a complete system of the district's accounts. (Acts 61st Leg.,
12 R.S., Ch. 306, Sec. 14 (part).)

13 Source Law

14 Sec. 14. . . . A complete system of accounts
15 shall be kept by the district, and

16 Revised Law

17 Sec. 8271.153. COPY OF AUDIT REPORT. A copy of the audit
18 report prepared under Subchapter G, Chapter 49, Water Code, shall
19 be delivered:

20 (1) to each director; and

21 (2) to a holder of at least 25 percent of the
22 outstanding bonds of the district, on request. (Acts 61st Leg.,
23 R.S., Ch. 306, Sec. 14 (part); New.)

24 Source Law

25 Sec. 14. . . . A written report of the audit
26 shall be delivered to each member of the board of
27 directors . . . a copy of such audit report shall be
28 delivered upon request to the holder or holders of at
29 least 25 percent of the then outstanding bonds of the
30 district; and

31 Revisor's Note

32 (1) Section 14, Chapter 306, Acts of the 61st
33 Legislature, Regular Session, 1969, refers to various
34 audit procedures, including who may receive a copy of
35 the audit report. As detailed in the revisor's notes
36 that follow, procedures that are superseded by
37 Subchapter G, Chapter 49, Water Code, have been
38 omitted as superseded by Section 49.191(b), Water
39 Code, and the specific provisions in Subchapter G that

1 conflict with Chapter 306, Acts of the 61st
2 Legislature, Regular Session, 1969. Section 49.191(b)
3 states that Subchapter G "shall take precedence over
4 all prior statutory enactments." Subchapter G,
5 Chapter 49, Water Code, was enacted in 1995 by Section
6 2, Chapter 715, Acts of the 74th Legislature, Regular
7 Session. For context and the convenience of the
8 reader, the revised law adds a reference to the audit
9 report required by Subchapter G, Chapter 49, Water
10 Code.

11 (2) Section 14, Chapter 306, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that an
13 annual audit of the district's affairs shall be
14 prepared by an independent certified public accountant
15 or a firm of independent certified public accountants
16 of recognized integrity and ability. The revised law
17 omits that provision as superseded by Sections
18 49.191(b) and (c), Water Code (enacted by Section 2,
19 Chapter 715, Acts of the 74th Legislature, Regular
20 Session, 1995). The omitted law reads:

21 Sec. 14. . . . an audit of its
22 affairs for each year shall be prepared by
23 an independent certified public accountant,
24 or a firm of independent certified public
25 accountants, of recognized integrity and
26 ability. . . .

27 (3) Section 14, Chapter 306, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that a
29 written report of the audit shall be delivered to each
30 board member not later than 90 days after the close of
31 each fiscal year. The revised law omits the deadline
32 for delivery of the report as superseded by Sections
33 49.191(b) and (d), Water Code (enacted by Section 2,
34 Chapter 715, Acts of the 74th Legislature, Regular
35 Session, 1995). The omitted law reads:

36 Sec. 14. . . . [A written report of
37 the audit shall be delivered to each member
38 of the board of directors] not later than 90

1 days after the close of each fiscal year;
2 and

3 (4) Section 14, Chapter 306, Acts of the 61st
4 Legislature, Regular Session, 1969, provides that at
5 least five copies of the audit report shall be
6 delivered to the district office and that one of those
7 copies shall constitute a public record. The revised
8 law omits those provisions as superseded by Sections
9 49.191(b), 49.194(c), and 49.196(b), Water Code
10 (enacted by Section 2, Chapter 715, Acts of the 74th
11 Legislature, Regular Session, 1995). The omitted law
12 reads:

13 Sec. 14. . . . at least five
14 additional copies of said audit shall be
15 delivered to the office of the district, one
16 of which shall be kept on file, and shall
17 constitute a public record open to
18 inspection by any interested person or
19 persons within normal office hours; and
20

21 (5) Section 14, Chapter 306, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that one
23 copy of the audit report shall be filed with the Texas
24 Water Rights Commission. The revised law omits that
25 provision as superseded by Sections 49.191(b) and
26 49.194(a), Water Code (enacted by Section 2, Chapter
27 715, Acts of the 74th Legislature, Regular Session,
28 1995). The omitted law reads:

29 Sec. 14. . . . one copy of such audit
30 report shall be filed with the Texas Water
31 Rights Commission. . . .

32 (6) Section 14, Chapter 306, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that the
34 district shall pay the cost of the audit. The revised
35 law omits that provision because it duplicates Section
36 49.191(a), Water Code. The omitted law reads:

37 Sec. 14. . . . The cost of said audit
38 shall be borne by the district.

39 Revised Law
40 Sec. 8271.154. PAYMENT OF TAX OR ASSESSMENT NOT REQUIRED.

1 The district is not required to pay a tax or assessment on:

2 (1) district property; or

3 (2) a purchase made by the district. (Acts 61st Leg.,
4 R.S., Ch. 306, Sec. 24 (part).)

5 Source Law

6 Sec. 24. . . . the district shall not be
7 required to pay any tax or assessment on its properties
8 or any part thereof or on any purchases made by the
9 district.

10 Revised Law

11 Sec. 8271.155. DEPOSITORY. (a) The board shall select one
12 or more banks in this state to act as depository for the district's
13 money.

14 (b) To the extent that money in the depository bank is not
15 insured by the Federal Deposit Insurance Corporation, the money
16 must be secured in the manner provided by law for the security of
17 county funds.

18 (c) A director may be a shareholder in a bank that is a
19 depository of district money. (Acts 61st Leg., R.S., Ch. 306, Sec.
20 14 (part).)

21 Source Law

22 Sec. 14. The board of directors of the district
23 shall select any bank or banks in the State of Texas to
24 act as depository or depositories for the funds of the
25 district. To the extent that funds in the depository
26 bank or banks are not insured by the Federal Deposit
27 Insurance Corporation, they shall be secured in the
28 manner provided by law for the security of county
29 funds. Any director of the district may be a
30 shareholder in said depository bank or banks. . . .

31 Revisor's Note

32 Section 14, Chapter 306, Acts of the 61st
33 Legislature, Regular Session, 1969, refers to the
34 district's "funds." The revised law substitutes
35 "money" for "funds" because, in the context of
36 district funds, the meaning is the same and "money" is
37 the more commonly used term.

38 Revisor's Note
39 (End of Subchapter)

40 Section 14, Chapter 306, Acts of the 61st

1 refunded; but in lieu thereof the orders or
2 resolutions authorizing their issuance may provide
3 that they shall be sold and the proceeds thereof
4 deposited in the place or places where the underlying
5 bonds are payable, in which case the refunding bonds
6 may be issued provided an amount sufficient to pay the
7 interest of and principal on the underlying bonds to
8 their maturity dates or to their option dates if said
9 bonds have been duly called for payment prior to
10 maturity according to their terms has been so
11 deposited in the place or places where said underlying
12 bonds are payable, and the comptroller of public
13 accounts shall register them without the surrender and
14 cancellation of the underlying bonds. . . .

15 Revisor's Note

16 (1) Section 12, Chapter 306, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that the
18 district "shall have the power and authority" to issue
19 certain bonds. The revised law substitutes "may" for
20 the quoted language for the reason stated in Revisor's
21 Note (2) to Section 8271.102.

22 (2) Section 12, Chapter 306, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that
24 refunding bonds "shall be approved by the attorney
25 general as in the case of original bonds." The revised
26 law omits the quoted language because it is superseded
27 by Section 1202.003, Government Code, enacted in 1987
28 as Section 3.002(a), Chapter 53, Acts of the 70th
29 Legislature, 2nd Called Session (Article 717k-8,
30 Vernon's Texas Civil Statutes). That section applies
31 to district bonds by application of Section 1202.001,
32 Government Code.

33 (3) Section 12, Chapter 306, Acts of the 61st
34 Legislature, Regular Session, 1969, refers to bonds
35 that have been "duly" called for payment before their
36 maturity. The revised law omits "duly" in this context
37 because it does not add to the clear meaning of the
38 law.

39 Revisor's Note
40 (End of Subchapter)

41 (1) Section 11, Chapter 306, Acts of the 61st
42 Legislature, Regular Session, 1969, provides that the

1 district shall comply with the requirements of Article
2 7880--139, Vernon's Texas Civil Statutes. Article
3 7880--139 was codified by Chapter 58, Acts of the 62nd
4 Legislature, Regular Session, 1971, as Sections 51.421
5 and 51.422, Water Code. After the district was
6 converted to a municipal utility district in 1977,
7 those sections no longer applied to the district.
8 Instead, Sections 54.516 and 54.517, Water Code,
9 applied to the district under Section 54.034 of that
10 code. See Revisor's Note (3) to Section 8271.002.
11 Chapter 715, Acts of the 74th Legislature, Regular
12 Session, 1995, repealed Sections 54.516 and 54.517,
13 Water Code, and enacted Sections 49.181 and 49.182,
14 Water Code, to govern the authority of the Texas
15 Commission on Environmental Quality over the issuance
16 of district bonds and supervision by the commission of
17 projects and improvements, respectively. Sections
18 49.181 and 49.182, Water Code, apply to the district on
19 their own terms, without an express reference to those
20 sections in this chapter. The omitted law reads:

21 Sec. 11. The district shall comply
22 with the requirements of Article 7880--139
23 (Vernon's Texas Civil Statutes).

24 (2) Section 12, Chapter 306, Acts of the 61st
25 Legislature, Regular Session, 1969, refers to the
26 district's authority to issue bonds for specific
27 purposes. The revised law omits that provision
28 because it duplicates Section 54.501, Water Code. The
29 omitted law reads:

30 Sec. 12. The district is hereby
31 authorized to issue [its negotiable tax
32 bonds, revenue bonds, or tax and revenue]
33 bonds to provide funds for any or all of the
34 purposes set out or incorporated by
35 reference herein, including the acquisition
36 of land therefor, and

37 (3) Section 12, Chapter 306, Acts of the 61st
38 Legislature, Regular Session, 1969, authorizes the

1 district to issue "negotiable" bonds and provides for
2 the payment of those bonds. The revised law omits the
3 reference to "negotiable" bonds because Section
4 1201.041, Government Code, provides that a public
5 security is a negotiable instrument. Section 1201.041
6 applies to district bonds by application of Section
7 1201.002, Government Code. The revised law omits the
8 provision regarding the payment of district bonds
9 because the provision duplicates, in substance,
10 Section 54.503, Water Code. The omitted law reads:

11 Sec. 12. [The district is hereby
12 authorized to issue] its negotiable tax
13 bonds, revenue bonds, or tax and revenue
14 [bonds]

15 The bonds issued hereunder may be
16 payable from all or any designated part or
17 parts of the revenues of the district's
18 properties and facilities or under specific
19 contracts, as may be provided in the orders
20 or resolutions authorizing the issuance of
21 such bonds; and,

22 (4) Section 12, Chapter 306, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that
24 district bonds shall be issued under Chapter 3A, Title
25 128, and Article 7880--90a, Vernon's Texas Civil
26 Statutes. Chapter 58, Acts of the 62nd Legislature,
27 Regular Session, 1971, codified the relevant
28 provisions of Chapter 3A, Title 128, as Chapter 51,
29 Water Code. The same act codified Article 7880--90a as
30 Sections 51.450-51.454, Water Code. The revised law
31 omits the references to those laws because the
32 district converted from a water control and
33 improvement district governed by Chapter 51, Water
34 Code, to a municipal utility district governed by
35 Chapter 54, Water Code. See Revisor's Note (3) to
36 Section 8271.002. The provisions of Chapter 54, Water
37 Code, apply on their own terms. The omitted law reads:

38 Sec. 12. . . . said bonds shall be
39 issued in the manner provided and as
40 authorized by Article 7880--90a (Vernon's
41 Texas Civil Statutes), and Chapter 3A of

1 Title 128 (Vernon's Texas Civil Statutes),
2 as presently in effect or as hereafter
3 amended;

4 (5) Section 12, Chapter 306, Acts of the 61st
5 Legislature, Regular Session, 1969, provides that an
6 election is not required for bonds payable from
7 revenues. The revised law omits that provision
8 because it duplicates, in substance, Section 54.505,
9 Water Code. The omitted law reads:

10 Sec. 12. . . . provided, however,
11 that bonds payable solely from net revenues
12 may be issued by resolution or order of the
13 board of directors and no election therefor
14 shall be necessary. . . .

15 (6) Section 12, Chapter 306, Acts of the 61st
16 Legislature, Regular Session, 1969, provides that
17 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
18 applies to bonds issued under Section 12 except when
19 Chapter 3A is inconsistent or in conflict with Section
20 12. The revised law omits the provision for the
21 reasons stated in Revisor's Note (4) to the end of this
22 subchapter and Revisor's Note (1) to the end of
23 Subchapter A. The omitted law reads:

24 Sec. 12. . . . except as the same may
25 be inconsistent or in conflict with the
26 provisions of this Act, the provisions of
27 said Chapter 3A of Title 128 (Vernon's Texas
28 Civil Statutes), as presently in effect or
29 as hereafter amended, shall apply to all
30 bonds issued under the provisions of this
31 Act (the provisions of this Act to govern
32 and take precedence in the event of any such
33 inconsistency or conflict). . . .

34 (7) Section 12, Chapter 306, Acts of the 61st
35 Legislature, Regular Session, 1969, provides for
36 additional security for bonds. The revised law omits
37 that provision because it duplicates Section 54.504,
38 Water Code. The omitted law reads:

39 Sec. 12. . . .
40 Such bonds, within the discretion of
41 the board of directors, may be additionally
42 secured by a deed of trust or mortgage lien
43 upon part or all of the physical properties
44 of the district, and franchises, easements,
45 water rights and appropriation permits,
46 leases, and contracts and all rights

1 appurtenant to such properties, vesting in
2 the trustee power to sell such properties
3 for payment of the indebtedness, power to
4 operate the properties and all other powers
5 and authority for the further security of
6 the bonds. [Such trust indenture,
7 regardless of the existence of the deed of
8 trust or mortgage lien on the properties,
9 may contain provisions prescribed by the
10 board of directors for the security of the
11 bonds and the preservation of the trust
12 estate, and [may make provisions for]
13 amendment or modification thereof and . . .
14 may condition the right to expend district
15 money or sell district property upon
16 approval of a registered professional
17 engineer selected as provided therein and
18 may make provision for investment of funds
19 of the district. Any purchaser under a sale
20 under the deed of trust or mortgage lien,
21 where one is given, shall be absolute owner
22 of the properties, facilities, and rights
23 so purchased and shall have the right to
24 maintain and operate same. . . .

25 (8) Section 12, Chapter 306, Acts of the 61st
26 Legislature, Regular Session, 1969, specifies various
27 provisions of bonds. The revised law omits that
28 provision because it duplicates Section 54.510, Water
29 Code. The omitted law reads:

30 Sec. 12. . . .
31 In the orders or resolutions
32 authorizing the issuance of any revenue,
33 tax-revenue, revenue refunding, or
34 tax-revenue refunding bonds authorized
35 hereunder, the district's board of
36 directors may provide for the flow of funds,
37 the establishment and maintenance of the
38 interest and sinking fund or funds, reserve
39 fund or funds, and other funds, and may make
40 additional covenants with respect to the
41 bonds and the pledged revenues and the
42 operation and maintenance of those
43 improvements and facilities (the revenues
44 of which are pledged), including provisions
45 for the operation or for the leasing of all
46 or any part of said improvements and
47 facilities and the use or pledge of moneys
48 derived from such operation contracts and
49 leases as such board may deem appropriate.
50 Such orders or resolutions may also
51 prohibit the further issuance of bonds or
52 other obligations payable from the pledged
53 revenues, or may reserve the right to issue
54 additional bonds to be secured by a pledge
55 of and payable from said revenues on a
56 parity with, or subordinate to, the lien and
57 pledge in support of the bonds being issued,
58 subject to such conditions as are set forth
59 in such orders or resolutions. Such orders
60 or resolutions may contain other provisions
61 and covenants, as the district's board of
62 directors may determine, not prohibited by
63 the Constitution of Texas or by this Act,

1 and said board may adopt and cause to be
2 executed any other proceedings or
3 instruments necessary and/or convenient in
4 the issuance of any such bonds. . . .

5 (9) Section 12, Chapter 306, Acts of the 61st
6 Legislature, Regular Session, 1969, provides for the
7 use of bond proceeds to pay expenses incurred and to be
8 incurred in the issuance, sale, and delivery of the
9 bonds. The revised law omits that provision because it
10 duplicates, in substance, Section 49.155, Water Code.
11 The omitted law reads:

12 Sec. 12. . . .
13 [From the proceeds of sale of any bonds
14 issued hereunder, the district may
15 appropriate or set aside out of the bond
16 proceeds] . . . an amount necessary to pay
17 all expenses incurred and to be incurred in
18 the issuance, sale and delivery of the
19 bonds. . . .

20 (10) Section 12, Chapter 306, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that
22 money in a fund established or provided for in a bond
23 order or resolution may be invested in securities as
24 provided in the bond order or may be placed on
25 interest-bearing time deposit. The revised law omits
26 that provision because it is superseded by Subchapter
27 A, Chapter 2256, Government Code (enacted as Chapter
28 889, Acts of the 70th Legislature, Regular Session,
29 1987). The omitted law reads:

30 Sec. 12. . . . Moneys in the interest
31 and sinking fund or funds and the reserve
32 fund or funds, and in the other fund or
33 funds established or provided for in the
34 bond orders or resolutions may be invested
35 in such manner and in such securities as may
36 be provided in the bond order or orders or
37 may be placed on interest-bearing time
38 deposit. . . .

39 (11) Section 12, Chapter 306, Acts of the 61st
40 Legislature, Regular Session, 1969, provides that bond
41 proceeds may be invested in securities of the United
42 States or placed on interest-bearing time deposit.
43 The revised law omits that provision as superseded by
44 Subchapter A, Chapter 2256, Government Code (enacted

1 as Chapter 889, Acts of the 70th Legislature, Regular
2 Session, 1987). The omitted law reads:

3 Sec. 12. . . . Until such time as the
4 bond proceeds are needed to carry out the
5 bond purposes, such proceeds may be
6 invested in securities of the United States
7 government or any agency thereof or may be
8 placed on interest-bearing time deposit,
9 either or both. . . .

10 (12) Section 12, Chapter 306, Acts of the 61st
11 Legislature, Regular Session, 1969, provides that
12 district bonds may be registered as to principal or as
13 to principal and interest. The revised law omits that
14 provision because it duplicates Section 1201.024,
15 Government Code. That section applies to district
16 bonds by application of Section 1201.002, Government
17 Code. The omitted law reads:

18 Sec. 12. . . . Any such revenue
19 bonds, tax-revenue bonds, revenue refunding
20 bonds, or tax-revenue refunding bonds
21 hereinafter mentioned may be registrable as
22 to principal or as to both principal and
23 interest. . . .

24 (13) Section 12, Chapter 306, Acts of the 61st
25 Legislature, Regular Session, 1969, requires the
26 district to deliver its bonds to the attorney general
27 for examination and approval. The revised law omits
28 that provision because it duplicates, in substance,
29 Section 1202.003, Government Code. Section 1202.003,
30 Government Code, applies to district bonds by
31 application of Section 1202.001, Government Code. The
32 omitted law reads:

33 Sec. 12. . . .
34 After any bonds have been authorized
35 by the district hereunder, such bonds and
36 the record relating to their issuance shall
37 be submitted to the Attorney General of the
38 State of Texas for his examination as to the
39 validity thereof; and

40 (14) Section 12, Chapter 306, Acts of the 61st
41 Legislature, Regular Session, 1969, provides that
42 after approval the bonds shall be registered with the
43 comptroller. The revised law omits that provision as

1 superseded by Section 1202.005, Government Code
2 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
3 of the 70th Legislature, 2nd Called Session). Section
4 1202.005, Government Code, applies to district bonds
5 by application of Section 1202.001, Government Code.
6 The omitted law reads:

7 Sec. 12. . . . after said attorney
8 general has approved the same, such bonds
9 shall be registered by the Comptroller of
10 Public Accounts of the State of
11 Texas. . . .

12 (15) Section 12, Chapter 306, Acts of the 61st
13 Legislature, Regular Session, 1969, provides that
14 after approval and registration, district bonds are
15 incontestable except for forgery or fraud. The
16 revised law omits that provision as impliedly repealed
17 by Section 1202.006, Government Code (enacted as
18 Section 3.002(d), Chapter 53, Acts of the 70th
19 Legislature, 2nd Called Session, 1987). Section
20 1202.006, Government Code, provides that after
21 approval and registration, bonds are incontestable for
22 any reason. Section 1202.006 applies to district
23 bonds by application of Section 1202.001, Government
24 Code. The omitted law reads:

25 Sec. 12. . . . When such bonds have
26 been approved by the attorney general,
27 registered by the comptroller of public
28 accounts, and delivered to the purchasers,
29 they shall thereafter be incontestable
30 except for forgery or fraud. . . .

31 (16) Section 12, Chapter 306, Acts of the 61st
32 Legislature, Regular Session, 1969, details various
33 procedures regarding the attorney general's approval
34 of bond contracts and proceedings. The revised law
35 omits the portion of Section 12 regarding the
36 incontestability of a contract the proceeds of which
37 are pledged to the payment of a bond as impliedly
38 repealed by Section 1202.006, Government Code (enacted
39 as Section 3.002(d), Chapter 53, Acts of the 70th

1 Legislature, 2nd Called Session, 1987). Section
2 1202.006, Government Code, provides that after
3 approval and registration of the bond, the bond and
4 contract are incontestable for any reason. Section
5 1202.006 applies to district bonds by application of
6 Section 1202.001, Government Code. The omitted law
7 reads:

8 Sec. 12. . . . When any bonds recite
9 that they are secured partially or
10 otherwise by a pledge of the proceeds of a
11 contract or contracts made between the
12 district and another party or parties
13 (private or public), a copy of such contract
14 or contracts and the proceedings
15 authorizing the same may or may not be
16 submitted to the attorney general along
17 with the bond record, and, if so submitted,
18 the approval of the attorney general of the
19 bonds shall constitute an approval of such
20 contract or contracts, and thereafter the
21 contract or contracts shall be
22 incontestable for any cause except for
23 forgery or fraud. . . .

24 (17) Section 12, Chapter 306, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that the
26 district may sell bonds only after taking public bids.
27 The revised law omits that provision because it
28 duplicates, in substance, Section 49.183(a), Water
29 Code. The omitted law reads:

30 Sec. 12. . . . The district's bonds
31 shall be sold only after taking public bids
32 therefor.

33 (18) Section 17, Chapter 306, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that the
35 district may sell bonds at any price or on any terms,
36 except that the price may not be less than that
37 provided by law. The revised law omits that provision
38 because it duplicates Section 1204.006(b), Government
39 Code. Section 1204.006(b) provides that an issuer may
40 sell public securities at any price and applies to
41 district bonds by application of Section 1204.001,
42 Government Code. The omitted law reads:

43 Sec. 17. Bonds of the district may be

1 sold at a price and upon the terms
2 determined by the board of directors of the
3 district, except that such bonds shall not
4 be sold for a less amount than provided by
5 law.

6 (19) Section 18, Chapter 306, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that
8 elections to authorize district bonds must be held
9 under applicable general law. Section 18 also
10 provides that if the first bond election fails, any
11 provision of the general law relating to the
12 dissolution of a district when a bond election fails
13 does not apply to the district. The revised law omits
14 the provision relating to the first bond election as
15 executed. The revised law omits the provision
16 requiring bond elections to be held under applicable
17 general law because the provision duplicates Section
18 49.101, Water Code. The omitted law reads:

19 Sec. 18. All elections to authorize
20 the issuance of bonds by the district shall
21 be held pursuant to the general law
22 applicable thereto; provided, however, that
23 if the first bond election fails, Article
24 7880--77b (Vernon's Texas Civil Statutes),
25 or any other provision of the general law
26 pertaining to dissolution of the district
27 when a bond election fails shall not apply.

28 (20) Section 21, Chapter 306, Acts of the 61st
29 Legislature, Regular Session, 1969, lists the entities
30 for which district bonds are legal investments and
31 provides that district bonds may secure deposits of
32 public funds of the state or political subdivisions.
33 The revised law omits the provision relating to the
34 eligibility of district bonds to be considered as
35 investments for various entities because it duplicates
36 Section 49.186(a), Water Code. The revised law omits
37 the provision relating to deposits of state funds by
38 the comptroller as impliedly repealed by Section
39 404.0221, Government Code (enacted in 1995), which
40 lists eligible collateral for deposits of state funds
41 by the comptroller. As to deposits of other funds, the

1 provision is impliedly repealed by Chapter 2257,
2 Government Code (enacted in 1989 as Article 2529d,
3 Vernon's Texas Civil Statutes), which governs eligible
4 collateral for deposits of funds of other public
5 agencies, including political subdivisions, and
6 permits those deposits to be secured by obligations
7 issued by conservation and reclamation districts. The
8 omitted law reads:

9 Sec. 21. All bonds and refunding
10 bonds of the district shall be and are
11 hereby declared to be legal, eligible, and
12 authorized investments for banks, savings
13 and loan associations, insurance companies,
14 fiduciaries, trustees, and for the sinking
15 funds of cities, towns, villages, counties,
16 school districts, or other political
17 corporations or subdivisions of the State
18 of Texas, and for all public funds of the
19 State of Texas or its agencies, including
20 the State Permanent School Fund. Such bonds
21 and refunding bonds shall be eligible to
22 secure the deposit of any and all public
23 funds of the State of Texas, cities, towns,
24 villages, counties, school districts, or
25 other political corporations or
26 subdivisions of the State of Texas; and such
27 bonds shall be lawful and sufficient
28 security for said deposits to the extent of
29 their face value, when accompanied by all
30 unmatured coupons appurtenant thereto.

31 Revisor's Note
32 (End of Chapter)

33 (1) Section 6, Chapter 306, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that it
35 is not necessary for the board of directors to hold an
36 election to confirm the district's creation. The
37 revised law omits that provision as executed. The
38 omitted law reads:

39 Sec. 6. It shall not be necessary for
40 the board of directors to call or hold a
41 confirmation election for the confirmation
42 of the district.

43 (2) Section 7, Chapter 306, Acts of the 61st
44 Legislature, Regular Session, 1969, provides for the
45 exclusion of property from the district before the
46 first bond election is called. The revised law omits
47 that provision as executed because the district has

1 already issued bonds. The omitted law reads:

2 Sec. 7. It shall not be necessary for
3 the board of directors to call or hold a
4 hearing on the exclusions of land or other
5 property from the district; provided,
6 however, that the board shall hold such
7 hearing upon the written petition of any
8 landowner or other property owner within
9 the district filed with the secretary of the
10 board prior to the calling of the first bond
11 election for the district. The board of
12 directors shall give notice of the right of
13 a landowner or property owner to petition to
14 have his lands excluded by publishing same
15 in a newspaper of general circulation in the
16 county or counties in which the district is
17 situated one time at least 10 days prior to
18 the calling of the bond election. The board
19 may act on said petition in the same manner
20 as it may act on a petition for the addition
21 of land under Article 7880--75 (Vernon's
22 Texas Civil Statutes), and no notice of
23 hearing shall be required. . . .

24 (3) Section 7, Chapter 306, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that the
26 board may on its own motion hold a hearing on the
27 exclusion of property from the district in the manner
28 provided by general law. The revised law omits that
29 provision because it duplicates, in substance, Section
30 49.303(b), Water Code. The omitted law reads:

31 Sec. 7. . . . The board on its own
32 motion may call and hold an exclusions
33 hearing or hearings in the manner provided
34 by the general law.

35 (4) Section 20, Chapter 306, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that the
37 board shall canvass the returns of all elections. The
38 revised law omits that requirement because it
39 duplicates Section 67.002, Election Code, which
40 requires the governing body of a political subdivision
41 that orders an election to canvass the returns.
42 Section 20 also provides that the board shall canvass
43 the election returns "as soon as reasonably
44 practicable after an election." The revised law omits
45 that provision as superseded by Section 67.003,
46 Election Code (enacted by Section 1, Chapter 211, Acts

1 of the 69th Legislature, Regular Session, 1985). The
2 omitted law reads:

3 Sec. 20. The returns of all elections
4 shall be canvassed by the board of directors
5 of the district as soon as reasonably
6 practicable after an election.

7 (5) Section 23, Chapter 306, Acts of the 61st
8 Legislature, Regular Session, 1969, contains
9 legislative findings relating to the performance of
10 certain requirements under Section 59(d), Article XVI,
11 Texas Constitution, and to the authority of the
12 legislature to enact that chapter. The revised law
13 omits that provision as executed. The omitted law
14 reads:

15 Sec. 23. The Legislature specifically
16 finds and declares that the requirements of
17 Article XVI, Section 59(d), Constitution of
18 Texas, have been done and accomplished in
19 due course and time and in due order, and
20 that the Legislature has the power and
21 authority to enact this Act.

22 (6) Section 25, Chapter 306, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that the
24 act is severable. The revised law omits that provision
25 because it duplicates Section 311.032, Government Code
26 (Code Construction Act), which states that a provision
27 of a statute is severable from each other provision of
28 the statute that can be given effect. The omitted law
29 reads:

30 Sec. 25. If any word, phrase, clause,
31 paragraph, sentence, part, portion, or
32 provision of this Act or the application
33 thereof to any person or circumstance shall
34 be held to be invalid or unconstitutional,
35 the remainder of the Act shall nevertheless
36 be valid; and the Legislature hereby
37 declares that this Act would have been
38 enacted without such invalid or
39 unconstitutional word, phrase, clause,
40 paragraph, sentence, part, portion, or
41 provision.

17 CHAPTER 8272. HARRIS-MONTGOMERY COUNTIES MUNICIPAL
 18 UTILITY DISTRICT NO. 386

19 SUBCHAPTER A. GENERAL PROVISIONS

20 Revised Law

21 Sec. 8272.001. DEFINITION. In this chapter, "district"
 22 means the Harris-Montgomery Counties Municipal Utility District
 23 No. 386. (Acts 77th Leg., R.S., Ch. 1381, Sec. 2.)

24 Source Law

25 Sec. 2. In this Act, "district" means the Harris
 26 County Municipal Utility District No. 386.

27 Revisor's Note

28 Section 2, Chapter 1381, Acts of the 77th
 29 Legislature, Regular Session, 2001, refers to the
 30 Harris County Municipal Utility District No. 386. The
 31 name of the district was changed to the
 32 Harris-Montgomery Counties Municipal Utility District
 33 No. 386 by a resolution of the board of directors of
 34 the district dated January 16, 2008, to reflect the
 35 district's annexation of land in Montgomery County on

1 July 26, 2007. The revised law is drafted accordingly.

2 Revised Law

3 Sec. 8272.002. NATURE OF DISTRICT. The district is a
4 conservation and reclamation district created under Section 59,
5 Article XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 1381,
6 Secs. 1(a) (part), (b) (part).)

7 Source Law

8 Sec. 1. (a) A conservation and reclamation
9 district, to be known as the Harris County Municipal
10 Utility District No. 386, is created in Harris County,
11
12 (b) The district is created under and . . .
13 Section 59, Article XVI, Texas Constitution.

14 Revisor's Note

15 (1) Section 1(a), Chapter 1381, Acts of the 77th
16 Legislature, Regular Session, 2001, provides that the
17 district was created "in Harris County." The revised
18 law omits the quoted language because it was included
19 in the law being revised only as a convenience to the
20 reader and duplicates language in Section 3, Chapter
21 1381, Acts of the 77th Legislature, Regular Session,
22 2001, which is not necessary to revise in this chapter.
23 See Revisor's Note (1) to Section 8272.004. In
24 addition, the district was expanded to include
25 territory in Montgomery County in 2007. See the
26 revisor's note to Section 8272.001.

27 (2) Section 1(a), Chapter 1381, Acts of the 77th
28 Legislature, Regular Session, 2001, refers to a
29 confirmation election. Because the confirmation
30 election has already been held, the revised law omits
31 the provision as executed. The omitted law reads:

32 (a) . . . subject to approval at a
33 confirmation election under Section 10 of
34 this Act. . . .

35 (3) Section 1(a), Chapter 1381, Acts of the 77th
36 Legislature, Regular Session, 2001, provides that the
37 district is a governmental agency and a body politic
38 and corporate. The revised law omits the provision

1 because it duplicates a portion of Section 59(b),
2 Article XVI, Texas Constitution, which provides that a
3 conservation and reclamation district is a
4 governmental agency and a body politic and corporate.
5 The omitted law reads:

6 (a) . . . The district is a
7 governmental agency and a body politic and
8 corporate.

9 Revised Law

10 Sec. 8272.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
11 The district is created to serve a public use and benefit.

12 (b) All land and other property included in the district
13 will benefit from the works and projects accomplished by the
14 district under the powers conferred by Section 59, Article XVI,
15 Texas Constitution.

16 (c) The creation of the district is essential to accomplish
17 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
18 77th Leg., R.S., Ch. 1381, Secs. 1(b) (part), 5.)

19 Source Law

20 [Sec. 1]

21 (b) [The district is created under and] is
22 essential to accomplish the purposes of Section 59,
23 Article XVI, Texas Constitution.

24 Sec. 5. All of the land and other property
25 included within the boundaries of the district will be
26 benefited by the works and projects that are to be
27 accomplished by the district under powers conferred by
28 Section 59, Article XVI, Texas Constitution. The
29 district is created to serve a public use and benefit.

30 Revised Law

31 Sec. 8272.004. DISTRICT TERRITORY. (a) The district is
32 composed of the territory described by Section 3, Chapter 1381,
33 Acts of the 77th Legislature, Regular Session, 2001, as that
34 territory may have been modified under:

- 35 (1) Subchapter H, Chapter 54, Water Code;
36 (2) Subchapter J, Chapter 49, Water Code; or
37 (3) other law.

38 (b) The boundaries and field notes of the district form a
39 closure. A mistake in the field notes or in copying the field notes

1 in the legislative process does not affect:

2 (1) the district's organization, existence, or
3 validity;

4 (2) the validity of district bonds, notes, or other
5 indebtedness;

6 (3) the district's right to impose a tax; or

7 (4) the legality or operation of the district or its
8 governing body. (Acts 77th Leg., R.S., Ch. 1381, Sec. 4; New.)

9 Source Law

10 Sec. 4. The legislature finds that the
11 boundaries and field notes of the district form a
12 closure. A mistake in the field notes or in copying
13 the field notes in the legislative process does not
14 affect the organization, existence, or validity of the
15 district, the validity of its bonds, notes, or other
16 indebtedness, the right of the district to levy and
17 collect taxes, or the legality or operation of the
18 district or its governing body.

19 Revisor's Note

20 (1) The revision of the law governing the
21 district does not revise the statutory language
22 describing the territory of the district to avoid the
23 recitation of the description and because that
24 description may not be accurate on the effective date
25 of the revision or at the time of a later reading. For
26 the reader's convenience, the revised law includes
27 references to the statutory description of the
28 district's territory and to the authority to change the
29 district's territory under Subchapter H, Chapter 54,
30 Water Code, applicable to municipal utility districts,
31 and under Subchapter J, Chapter 49, Water Code,
32 applicable to the district under Sections 49.001 and
33 49.002 of that chapter. The revised law also includes
34 a reference to the general authority of the
35 legislature to enact a law to change the district's
36 territory.

37 (2) Section 4, Chapter 1381, Acts of the 77th
38 Legislature, Regular Session, 2001, refers to the

1 district's authority to "levy and collect" taxes. The
2 revised law substitutes "impose" for "levy and
3 collect" because "impose" is the term generally used
4 in Title 1, Tax Code, and includes the levy and
5 collection of a tax.

6 [Sections 8272.005-8272.050 reserved for expansion]

7 SUBCHAPTER B. BOARD OF DIRECTORS

8 Revised Law

9 Sec. 8272.051. COMPOSITION OF BOARD; TERMS. (a) The
10 district is governed by a board of five directors.

11 (b) Directors serve staggered four-year terms. (Acts 77th
12 Leg., R.S., Ch. 1381, Secs. 8(a), (d).)

13 Source Law

14 Sec. 8. (a) The district is governed by a board
15 of five directors.

16 (d) Permanent directors serve staggered
17 four-year terms.

18 Revisor's Note

19 (1) Section 8(d), Chapter 1381, Acts of the 77th
20 Legislature, Regular Session, 2001, refers to
21 "[p]ermanent" directors. Sections 8, 9, and 10 of
22 Chapter 1381 refer to "temporary," "initial," and
23 "permanent" directors to distinguish between the
24 "temporary" directors appointed by the Texas Natural
25 Resource Conservation Commission, the directors who
26 immediately succeeded the "temporary" directors after
27 the first election of directors, and subsequently
28 serving directors. Because the revised law omits
29 provisions regarding "temporary" and "initial"
30 directors as executed (see the revisor's notes at the
31 end of this subchapter), the revised law also omits
32 "permanent" because it does not contribute to the
33 clear meaning of the law.

34 (2) Section 8(e), Chapter 1381, Acts of the 77th
35 Legislature, Regular Session, 2001, provides that each

1 director must qualify as provided by Section 49.055,
2 Water Code. The revised law omits Section 8(e) because
3 it duplicates Section 49.055, which provides for the
4 qualification of directors and applies to the district
5 under Section 6(a), Chapter 1381, Acts of the 77th
6 Legislature, Regular Session, 2001 (revised in this
7 chapter as Section 8272.101), and under Sections
8 49.001 and 49.002, Water Code. The omitted law reads:

9 (e) Each director must qualify to
10 serve as director in the manner provided by
11 Section 49.055, Water Code.

12 (3) Section 8(f), Chapter 1381, Acts of the 77th
13 Legislature, Regular Session, 2001, provides that a
14 director serves until a successor has qualified. The
15 revised law omits the provision because it duplicates
16 Section 17, Article XVI, Texas Constitution, which
17 provides that an officer in this state continues to
18 perform the officer's official duties until a
19 successor has qualified. The omitted law reads:

20 (f) A director serves until the
21 director's successor has qualified.

22 Revisor's Note
23 (End of Subchapter)

24 (1) Sections 8(b) and (c), Chapter 1381, Acts of
25 the 77th Legislature, Regular Session, 2001, refer to
26 "temporary" and "initial" directors of the district
27 and to elections under Sections 10 and 11 of that
28 chapter. The revised law omits Sections 8(b) and (c)
29 as executed because the terms of the temporary and
30 initial directors have expired and because the
31 elections have been held. The omitted law reads:

32 (b) Temporary directors serve until
33 initial directors are elected under Section
34 10 of this Act.

35 (c) Initial directors serve until
36 permanent directors are elected under
37 Section 11 of this Act.

38 (2) Section 9, Chapter 1381, Acts of the 77th
39 Legislature, Regular Session, 2001, provides for the

1 appointment of "temporary" directors and for certain
2 procedures relating to their service. Section 10 of
3 that chapter provides for the "temporary" board to
4 conduct an election for the district's initial elected
5 board and to confirm the district's creation. The
6 revised law omits those sections as executed. The
7 omitted law reads:

8 Sec. 9. (a) On or after the
9 effective date of this Act, a person who
10 owns land included in the district may
11 petition the Texas Natural Resource
12 Conservation Commission to appoint the five
13 temporary directors listed in the petition.
14 The commission shall appoint the directors
15 listed in the petition. If the commission
16 receives more than one petition under this
17 subsection, the commission shall appoint
18 the directors listed in the first petition
19 the commission receives.

20 (b) A person appointed to be a
21 temporary director shall take the oath of
22 office as soon as practicable.

23 (c) If an appointee of the commission
24 fails to qualify or if a vacancy occurs in
25 the office of temporary director, the Texas
26 Natural Resource Conservation Commission
27 shall appoint an individual to fill the
28 vacancy.

29 (d) As soon as all temporary
30 directors have qualified, the directors
31 shall meet and elect officers from among
32 their membership.

33 Sec. 10. (a) The temporary board of
34 directors shall call and hold an election to
35 confirm establishment of the district and
36 to elect five initial directors as provided
37 by Chapter 49, Water Code.

38 (b) Section 41.001(a), Election
39 Code, does not apply to a confirmation and
40 initial directors' election held as
41 provided by this section.

42 (3) Sections 11(a) and (b), Chapter 1381, Acts
43 of the 77th Legislature, Regular Session, 2001,
44 provide for the first directors' election following
45 the confirmation and initial directors' election. The
46 revised law omits the provisions as executed because
47 the first election has been held. The omitted law
48 reads:

49 Sec. 11. (a) On the first Saturday
50 in May of the first even-numbered year after
51 the year in which the district is authorized
52 to be created at a confirmation election, an
53 election shall be held in the district for

1 the election of two directors to serve
2 two-year terms and three directors to serve
3 four-year terms.

4 (b) The board of directors by order
5 may postpone the election date for two years
6 if:

7 (1) the election will occur
8 within 60 days after the date on which the
9 confirmation election is held; or

10 (2) the board determines that
11 there is not sufficient time to comply with
12 the requirements of law and to order the
13 election.

14 (4) Section 11(c), Chapter 1381, Acts of the
15 77th Legislature, Regular Session, 2001, requires
16 directors' elections to be held on the first Saturday
17 in May of each even-numbered year following the first
18 election. The revised law omits the reference to the
19 year in which the first directors' election was held as
20 executed. The revised law omits the remainder of the
21 provision because it duplicates, in substance, Section
22 49.103(b), Water Code. Chapter 49, Water Code,
23 applies to the district under Sections 49.001 and
24 49.002 of that chapter. Although Section 49.103
25 refers to the "uniform election date" in May and
26 Section 11(c) refers to the "first Saturday in May," it
27 is clear that the legislature meant the former because
28 "the first Saturday in May" was the uniform election
29 date in 2001. The omitted law reads:

30 (c) On the first Saturday in May of
31 each even-numbered year following the first
32 election held under this section, the
33 appropriate number of directors shall be
34 elected.

35 [Sections 8272.052-8272.100 reserved for expansion]

36 SUBCHAPTER C. POWERS AND DUTIES

37 Revised Law

38 Sec. 8272.101. MUNICIPAL UTILITY DISTRICT POWERS. The
39 district has the rights, powers, privileges, functions, and duties
40 provided by general law applicable to a municipal utility district
41 created under Section 59, Article XVI, Texas Constitution,
42 including Chapters 49, 50, and 54, Water Code. (Acts 77th Leg.,
43 R.S., Ch. 1381, Sec. 6(a) (part).)

1 reads:

2 (b) The rights, powers, privileges,
3 authority, functions, and duties of the
4 district are subject to the continuing
5 right of supervision of the state to be
6 exercised by and through the Texas Natural
7 Resource Conservation Commission.

8 Revised Law

9 Sec. 8272.102. COMPLIANCE WITH MUNICIPAL CONSENT
10 ORDINANCES OR RESOLUTIONS. Subject to the limitations of Section
11 54.016, Water Code, the district shall comply with all applicable
12 requirements of any ordinance or resolution adopted by the city
13 council of the City of Houston, including an ordinance or
14 resolution adopted before September 1, 2001, that consents to the
15 creation of the district or to the inclusion of lands in the
16 district. (Acts 77th Leg., R.S., Ch. 1381, Sec. 12.)

17 Source Law

18 Sec. 12. Subject to the limitations of Section
19 54.016, Water Code, the district shall comply with all
20 valid and applicable requirements of any ordinance or
21 resolution adopted by the city council of the City of
22 Houston, including an ordinance or resolution adopted
23 before the effective date of this Act, that consents to
24 the creation of the district or to the inclusion of
25 lands within the district.

26 Revisor's Note

27 (1) Section 12, Chapter 1381, Acts of the 77th
28 Legislature, Regular Session, 2001, requires district
29 compliance with "valid and applicable" requirements of
30 any ordinance or resolution of the City of Houston.
31 The revised law omits "valid" because it does not add
32 to the clear meaning of the law. A requirement is not a
33 requirement if it is not valid.

34 (2) Section 12, Chapter 1381, Acts of the 77th
35 Legislature, Regular Session, 2001, refers to "the
36 effective date of this Act." The revised law
37 substitutes "September 1, 2001," because that is the
38 date Chapter 1381 took effect.

39 Revised Law

40 Sec. 8272.103. RELOCATING OR ALTERING PROPERTY; COSTS. (a)

1 The district may relocate, raise, reroute, change the grade of, or
2 alter the construction of a highway, railroad, electric
3 transmission line, telecommunications or other public utility
4 facility, pipeline, canal, or drainage ditch if considered
5 necessary by the board of directors.

6 (b) The district shall pay for any relocation, raising,
7 rerouting, changing, or altering under this section, unless
8 otherwise agreed in writing by the interested parties.

9 (c) If a facility is replaced, the cost of replacement is
10 limited to an amount equal to the cost of replacing the facility
11 with a comparable facility, less the replaced facility's net
12 salvage value. (Acts 77th Leg., R.S., Ch. 1381, Sec. 7.)

13 Source Law

14 Sec. 7. The district may relocate, raise,
15 reroute, change the grade of, or alter the
16 construction of a highway, railroad, electric
17 transmission line, telecommunications or other public
18 utility facility, pipeline, canal, or drainage ditch
19 if considered necessary by the board of directors. The
20 district shall pay for any relocation, raising,
21 rerouting, changing, or altering under this section,
22 unless otherwise agreed in writing by the interested
23 parties. If a facility is replaced, the cost of
24 replacement is limited to an amount equal to the cost
25 of replacing the facility with a comparable facility,
26 less the replaced facility's net salvage value.

27 Revised Law

28 Sec. 8272.104. UTILITY PROPERTY EXEMPT FROM IMPACT FEES AND
29 ASSESSMENTS. The district may not impose an impact fee or
30 assessment on the property, including the equipment,
31 rights-of-way, facilities, or improvements, of:

32 (1) an electric utility or a power generation company
33 as defined by Section 31.002, Utilities Code;

34 (2) a gas utility as defined by Section 101.003 or
35 121.001, Utilities Code; or

36 (3) a telecommunications provider as defined by
37 Section 51.002, Utilities Code. (Acts 77th Leg., R.S., Ch. 1381,
38 Sec. 6(c).)

39 Source Law

40 (c) The district may not impose an impact fee or
41 assessment on the property, equipment, rights of way,

1 facilities, or improvements of an electric utility or
2 a power generation company as defined by Section
3 31.002, Utilities Code, a gas utility as defined by
4 Section 101.003 or 121.001, Utilities Code, or a
5 telecommunications provider as defined by Section
6 51.002, Utilities Code.

7 Revisor's Note
8 (End of Chapter)

9 Section 13, Chapter 1381, Acts of the 77th
10 Legislature, Regular Session, 2001, recites
11 legislative findings regarding procedural
12 requirements for the creation of the district under
13 the constitution and other laws and rules, including
14 proper legal notice and the filing of recommendations.
15 The revised law omits those provisions as executed.
16 The omitted law reads:

17 Sec. 13. (a) The proper and legal
18 notice of the intention to introduce this
19 Act, setting forth the general substance of
20 this Act, has been published as provided by
21 law, and the notice and a copy of this Act
22 have been furnished to all persons,
23 agencies, officials, or entities to which
24 they are required to be furnished by the
25 constitution and other laws of this state,
26 including the governor, who has submitted
27 the notice and a copy of this Act to the
28 Texas Natural Resource Conservation
29 Commission.

30 (b) The Texas Natural Resource
31 Conservation Commission has filed its
32 recommendations relating to this Act with
33 the governor, lieutenant governor, and
34 speaker of the house of representatives
35 within the required time.

36 (c) All requirements of the
37 constitution and laws of this state and the
38 rules and procedures of the legislature
39 with respect to the notice, introduction,
40 and passage of this Act are fulfilled and
41 accomplished.

14 CHAPTER 8273. EL PASO COUNTY TORNILLO WATER IMPROVEMENT DISTRICT
15 SUBCHAPTER A. GENERAL PROVISIONS

16 Revised Law

17 Sec. 8273.001. DEFINITIONS. In this chapter:

18 (1) "Authority" means the El Paso County Tornillo
19 Water Improvement District.

20 (2) "Board" means the board of directors of the
21 authority.

22 (3) "Director" means a member of the board. (Acts 70th
23 Leg., R.S., Ch. 916, Secs. 1(a) (part), 2; New.)

24 Source Law

25 Sec. 1. (a) . . . [a . . . district] . . . to
26 be known as "El Paso County Tornillo Water Improvement
27 District,"

28 Sec. 2. In this Act, "authority" means the El
29 Paso County Tornillo Water Improvement District.

30 Revisor's Note

31 The definitions of "board" and "director" are
32 added to the revised law for drafting convenience and
33 to eliminate frequent, unnecessary repetition of the
34 substance of the definitions.

35 Revised Law

36 Sec. 8273.002. NATURE OF AUTHORITY. The authority is a

1 conservation and reclamation district in El Paso County created
2 under Section 59, Article XVI, Texas Constitution. (Acts 70th
3 Leg., R.S., Ch. 916, Sec. 1(a) (part).)

4 Source Law

5 Sec. 1. (a) Pursuant to Article XVI, Section
6 59, of the Texas Constitution, a conservation and
7 reclamation district is created in El Paso County,
8 . . . which shall be a governmental agency and a body
9 politic and corporate.

10 Revisor's Note

11 Section 1(a), Chapter 916, Acts of the 70th
12 Legislature, Regular Session, 1987, refers to the
13 authority as "a governmental agency and a body politic
14 and corporate." The revised law omits the quoted
15 language because it duplicates part of Section 59(b),
16 Article XVI, Texas Constitution, which provides that a
17 conservation and reclamation district is a
18 governmental agency and a body politic and corporate.

19 Revised Law

20 Sec. 8273.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
21 The authority is created to serve a public use and benefit.

22 (b) All land and other property included in the boundaries
23 of the authority will benefit from the works and projects
24 accomplished by the authority under the powers conferred by Section
25 59, Article XVI, Texas Constitution.

26 (c) The creation of the authority is essential to accomplish
27 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
28 70th Leg., R.S., Ch. 916, Secs. 1(b), 5.)

29 Source Law

30 [Sec. 1]

31 (b) The creation of the authority is declared to
32 be essential to the accomplishment of the purposes of
33 Article XVI, Section 59, of the Texas Constitution.

34 Sec. 5. The legislature finds that all of the
35 land and other property included within the boundaries
36 of the authority will be benefitted by the works and
37 projects that are to be accomplished by the authority
38 under powers conferred by Article XVI, Section 59, of
39 the Texas Constitution, and that the authority is
40 created to serve a public use and benefit.

1 Revised Law

2 Sec. 8273.004. AUTHORITY TERRITORY. (a) The authority is
3 composed of the territory described by Section 3, Chapter 916, Acts
4 of the 70th Legislature, Regular Session, 1987, as that territory
5 may have been modified under:

- 6 (1) Subchapter H, Chapter 54, Water Code;
7 (2) Subchapter J, Chapter 49, Water Code; or
8 (3) other law.

9 (b) The boundaries and field notes of the authority form a
10 closure. A mistake in the field notes or in copying the field notes
11 in the legislative process does not affect:

- 12 (1) the authority's organization, existence, or
13 validity;
14 (2) the authority's right to impose a tax; or
15 (3) the legality or operation of the authority or its
16 governing body. (Acts 70th Leg., R.S., Ch. 916, Sec. 4; New.)

17 Source Law

18 Sec. 4. The legislature finds that the
19 boundaries and field notes of the authority form a
20 closure. If any mistake is made in the field notes or
21 in copying the field notes in the legislative process,
22 it in no way affects the organization, existence, and
23 validity of the authority, or the right of the
24 authority to levy and collect taxes, or in any other
25 manner affects the legality or operation of the
26 authority or its governing body.

27 Revisor's Note

28 (1) The revision of the law governing the
29 authority does not revise the statutory language
30 describing the territory of the authority to avoid the
31 lengthy recitation of the description. Additionally,
32 because the authority's boundaries are subject to
33 change, that description may not be accurate on the
34 effective date of the revision or at the time of a
35 later reading. For the reader's convenience, the
36 revised law includes references to the statutory
37 description of the authority's territory and to the
38 authority to change the authority's territory under

1 Subchapter H, Chapter 54, Water Code, applicable to
2 municipal utility districts, and Subchapter J, Chapter
3 49, Water Code, applicable to the authority under
4 Sections 49.001 and 49.002 of that chapter. The
5 revised law also includes a reference to the general
6 authority of the legislature to enact a law to change
7 the authority's territory.

8 (2) Section 4, Chapter 916, Acts of the 70th
9 Legislature, Regular Session, 1987, refers to the
10 authority to "levy and collect" taxes. The revised law
11 substitutes "impose" for "levy and collect" because
12 "impose" is the term generally used in Title 1, Tax
13 Code, and includes the levy and collection of a tax.

14 [Sections 8273.005-8273.050 reserved for expansion]

15 SUBCHAPTER B. BOARD OF DIRECTORS

16 Revised Law

17 Sec. 8273.051. COMPOSITION OF BOARD; TERMS. (a) The
18 authority is governed by a board of seven directors elected to
19 numbered places.

20 (b) Directors serve staggered terms. (Acts 70th Leg., R.S.,
21 Ch. 916, Secs. 7(a), (b) (part), 9(b).)

22 Source Law

23 Sec. 7. (a) The authority is governed by a
24 board of seven directors.

25 (b) Except for the initial directors, each
26 director shall be elected and

27 [Sec. 9]

28 (b) The directors for Places 1-4 shall be
29 elected in odd-numbered years and the directors for
30 places 5-7 shall be elected in even-numbered years.

31 Revisor's Note

32 (1) Section 7(b), Chapter 916, Acts of the 70th
33 Legislature, Regular Session, 1987, provides for the
34 election and terms of directors "[e]xcept for the
35 initial directors." The revised law omits the quoted
36 language because all of the permanent directors have
37 been elected and initial directors no longer serve on

1 the board.

2 (2) Sections 7(b) and 9(a), Chapter 916, Acts of
3 the 70th Legislature, Regular Session, 1987, provide
4 that directors serve terms of two years, with certain
5 directors being elected on the third Saturday in May
6 each year. The revised law omits the provisions
7 regarding two-year terms and annual elections as
8 superseded by the 1995 enactment of Section 49.103,
9 Water Code. Section 49.103 now provides for a
10 four-year term of office, with elections held on the
11 uniform election date in May of even-numbered years.
12 Throughout this chapter, the revised law omits law
13 that is superseded by Chapter 49, Water Code, or that
14 duplicates law contained in that chapter. Chapter 49,
15 Water Code, applies to the authority under Sections
16 49.001 and 49.002 of that code. The omitted law reads:

17 [Sec. 7]

18 (b) . . . [each director] . . . shall
19 serve for a two-year term of office.

20 Sec. 9. (a) Beginning in the first
21 year following the confirmation and
22 directors' election, an election shall be
23 held on the third Saturday in May every year
24 to elect the appropriate number of
25 directors to the board.

26 (3) Section 7(c), Chapter 916, Acts of the 70th
27 Legislature, Regular Session, 1987, provides that each
28 director shall qualify to serve as director in the
29 manner provided by Chapter 54, Water Code. The revised
30 law omits that provision as obsolete because Chapter
31 715, Acts of the 74th Legislature, Regular Session,
32 1995, repealed the relevant provisions of Chapter 54,
33 Water Code, and enacted similar provisions in Chapter
34 49, Water Code, including Section 49.055, Water Code,
35 which applies on its own terms and prescribes the
36 manner in which a director must qualify for office.
37 The omitted law reads:

38 (c) Each director shall qualify to

1 serve as director in the manner provided by
2 Chapter 54, Water Code.

3 (4) Sections 7(d)-(f), Chapter 916, Acts of the
4 70th Legislature, Regular Session, 1987, refer to the
5 initial board of directors and to vacancy procedures.
6 The revised law omits as executed the language
7 relating to the composition of the initial board and
8 the duty of the initial directors to serve until
9 permanent directors are elected. The revised law
10 omits as executed the language relating to vacancy
11 procedures, to the extent the language applies to the
12 initial board. To the extent the vacancy language
13 applies to subsequent boards, the revised law omits
14 that language as duplicative in substance of Section
15 49.105(c), Water Code. The omitted law reads:

16 (d) At the time this Act takes
17 effect, the following persons shall
18 constitute the initial board of directors
19 of the authority:

- 20 (1) Place 1 Rafael Chavez;
- 21 (2) Place 2 Charles Ivy;
- 22 (3) Place 3 David Burrus;
- 23 (4) Place 4 Chente Quintanilla;
- 24 (5) Place 5 Ofelia Bosquez;
- 25 (6) Place 6 John Conner; and
- 26 (7) Place 7 Clemente Escalante.

27 (e) If any of the directors listed in
28 Subsection (d) of this section fails to
29 qualify for office, the remaining directors
30 shall appoint a qualified person to fill the
31 vacancy for the unexpired term. If at any
32 time the number of qualified directors is
33 less than four because of the failure or
34 refusal of one or more directors to qualify
35 or serve because of death or incapacitation
36 or for any other reason, the Texas Water
37 Commission shall appoint the necessary
38 number of directors to fill all vacancies on
39 the board.

40 (f) The initial directors shall serve
41 until permanent directors are elected as
42 provided by Section 9 of this Act and
43 Chapter 54, Water Code.

44 Revised Law

45 Sec. 8273.052. DIRECTOR'S BOND. Each director shall
46 execute a bond for \$5,000 payable to the authority and conditioned
47 on the faithful performance of the director's duties. (Acts 70th
48 Leg., R.S., Ch. 916, Sec. 7(g) (part).)

1 Source Law

2 (g) Each director shall execute a bond for
3 \$5,000 payable to the authority and conditioned on the
4 faithful performance of his duties. . . .

5 Revisor's Note

6 Section 7(g), Chapter 916, Acts of the 70th
7 Legislature, Regular Session, 1987, provides that the
8 authority shall pay the cost of a director's bond. The
9 revised law omits that provision because it
10 duplicates, in substance, Section 49.055(c), Water
11 Code. The omitted law reads:

12 (g) . . . The authority shall pay the
13 cost of the bond.

14 Revised Law

15 Sec. 8273.053. OFFICIAL BOARD ACTIONS. The affirmative
16 vote of a majority of the directors is required for any official
17 board action. (Acts 70th Leg., R.S., Ch. 916, Sec. 7(h) (part).)

18 Source Law

19 (h) . . . no official action of the board is
20 valid without the affirmative vote of a majority of the
21 members of the board.

22 Revisor's Note

23 Section 7(h), Chapter 916, Acts of the 70th
24 Legislature, Regular Session, 1987, provides that a
25 majority of the directors on the board constitutes a
26 quorum. The revised law omits that provision because
27 it duplicates Section 49.053, Water Code. The omitted
28 law reads:

29 (h) A majority of the members of the
30 board of directors constitute a quorum for
31 the transaction of business of the
32 district, but

33 Revised Law

34 Sec. 8273.054. COMPENSATION. Unless the board by
35 resolution increases the fee to an amount authorized by Section
36 49.060, Water Code, the authority may provide that each director is
37 entitled to receive \$20 for each day of service necessary to
38 discharge the director's duties. (Acts 70th Leg., R.S., Ch. 916,

1 Sec. 7(j) (part); New.)

2 Source Law

3 (j) The authority may provide that each director
4 is entitled to receive \$20 for each day of service
5 necessary to discharge his duties. . . .

6 Revisor's Note

7 (1) Section 7(j), Chapter 916, Acts of the 70th
8 Legislature, Regular Session, 1987, provides that the
9 authority may authorize for each director a payment of
10 \$20 for each day of service necessary to discharge the
11 director's duties. Section 49.060, Water Code,
12 enacted in 1995 and applicable by its own terms to the
13 authority, authorizes higher fees. Section 49.060(e),
14 however, provides that if the amount of the fee set by
15 Section 49.060 would result in a fee increase, the
16 increase does not apply to a district unless the
17 district's board by resolution adopts a higher fee.
18 The revised law is drafted accordingly.

19 (2) Section 7(j), Chapter 916, Acts of the 70th
20 Legislature, Regular Session, 1987, provides that a
21 director may be reimbursed for expenses incurred on
22 authority business. The revised law omits the
23 provision because it is expressly superseded by
24 Section 49.060, Water Code (enacted in 1995). The
25 omitted law reads:

26 (j) . . . Each director may also be
27 reimbursed for actual expenses incurred on
28 authority business.

29 Revised Law

30 Sec. 8273.055. CHANGING METHOD OF ELECTING DIRECTORS. If
31 the board determines that it is in the best interest of the
32 residents of the authority to change the method by which directors
33 are elected, the board may adopt any plan of redistricting,
34 including a plan based on equal geographical areas. (Acts 70th
35 Leg., R.S., Ch. 916, Sec. 7(i).)

1 Source Law

2 (i) If the board of directors determines that it
3 would be in the best interest of the residents of the
4 authority to change the method by which directors are
5 elected, the board may adopt any plan of
6 redistricting, including a plan based on equal
7 geographical areas.

8 [Sections 8273.056-8273.100 reserved for expansion]

9 SUBCHAPTER C. POWERS AND DUTIES

10 Revised Law

11 Sec. 8273.101. GENERAL POWERS. The authority may perform
12 any act consistent with the powers granted by this chapter. (Acts
13 70th Leg., R.S., Ch. 916, Sec. 10(d) (part).)

14 Source Law

15 (d) The authority may . . . perform any other
16 act consistent with the powers granted by this Act.

17 Revised Law

18 Sec. 8273.102. MUNICIPAL UTILITY DISTRICT POWERS. The
19 authority has the rights, powers, privileges, and functions
20 conferred by the general law applicable to a municipal utility
21 district created under Section 59, Article XVI, Texas Constitution,
22 including Chapters 49, 50, and 54, Water Code. (Acts 70th Leg.,
23 R.S., Ch. 916, Sec. 6(a) (part); New.)

24 Source Law

25 Sec. 6. (a) The authority has all of the
26 rights, powers, privileges, authority, and functions
27 conferred by the general laws of this state applicable
28 to municipal utility districts created under Article
29 XVI, Section 59, of the Texas Constitution, including
30 those conferred by Chapters 50 and 54, Water Code.
31 . . .

32 Revisor's Note

33 (1) Section 6(a), Chapter 916, Acts of the 70th
34 Legislature, Regular Session, 1987, refers to "rights,
35 powers, privileges, [and] authority." The revised law
36 omits the reference to "authority" because, in
37 context, "authority" is included in the meaning of
38 "rights, powers, [and] privileges."

39 (2) Section 6(a), Chapter 916, Acts of the 70th
40 Legislature, Regular Session, 1987, refers to Chapters

1 50 and 54, Water Code. For the reader's convenience,
2 the revised law adds a reference to Chapter 49, Water
3 Code, because Chapter 715, Acts of the 74th
4 Legislature, Regular Session, 1995, repealed most of
5 the provisions of Chapter 50 and many provisions of
6 Chapter 54 and enacted similar provisions in Chapter
7 49, Water Code, which applies to the authority under
8 Sections 49.001 and 49.002 of that chapter.

9 (3) Section 6(a), Chapter 916, Acts of the 70th
10 Legislature, Regular Session, 1987, provides that the
11 act prevails over general law in case of a conflict or
12 inconsistency. The revised law omits that provision
13 because it duplicates Section 311.026(b), Government
14 Code (Code Construction Act). The omitted law reads:

15 (a) . . . If any provision of general
16 law is in conflict or inconsistent with this
17 Act, this Act prevails.

18 (4) Section 6(b), Chapter 916, Acts of the 70th
19 Legislature, Regular Session, 1987, refers to the
20 continuing right of supervision to be exercised by the
21 Texas Water Commission. The revised law omits the
22 provision because the Texas Commission on
23 Environmental Quality is the successor to the Texas
24 Water Commission, and therefore the provision
25 duplicates, in substance, part of Section 12.081,
26 Water Code, which applies to the authority. The
27 omitted law reads:

28 (b) The rights, powers, privileges,
29 authority, and functions granted to the
30 authority are subject to the continuing
31 right of supervision of the State of Texas
32 to be exercised by and through the Texas
33 Water Commission.

34 Revised Law

35 Sec. 8273.103. PERMITS; WATER SUPPLY ACQUISITION. The
36 authority may:

37 (1) acquire water appropriation permits, construction
38 permits, and other permits directly from the Texas Commission on

1 Environmental Quality or from owners of permits;

2 (2) acquire water or a water supply from any person,
3 including a public agency, this state, or the United States;

4 (3) contract with one or more substantial users of
5 water to acquire the water supply on an agreed allocation of storage
6 space between the authority and the user; or

7 (4) contract independently for the authority's water
8 supply. (Acts 70th Leg., R.S., Ch. 916, Sec. 10(a) (part).)

9 Source Law

10 Sec. 10. (a) The authority may:

11 (1) acquire water appropriation permits,
12 construction permits, and other permits directly from
13 the Texas Water Commission or from owners of permits;

14 (2) acquire water or a water supply from
15 any person, firm, corporation, or public agency, from
16 this state, or from the United States government or any
17 of its agencies;

18 (3) contract with one or more substantial
19 users of water to acquire the water supply on an agreed
20 allocation of storage space as between the authority
21 and the user, or may contract independently for the
22 authority's water supply; and
23 . . .

24 Revisor's Note

25 (1) Section 10(a), Chapter 916, Acts of the 70th
26 Legislature, Regular Session, 1987, refers to the
27 "Texas Water Commission." Throughout this chapter,
28 the revised law substitutes "Texas Commission on
29 Environmental Quality" for "Texas Water Commission" to
30 reflect the current name of the agency with the
31 relevant regulatory authority.

32 (2) Section 10(a), Chapter 916, Acts of the 70th
33 Legislature, Regular Session, 1987, refers to a
34 "person, firm, corporation, or public agency." The
35 revised law omits the references to "firm" and
36 "corporation" because Section 311.005(2), Government
37 Code (Code Construction Act), defines "person" to
38 include a corporation or any other legal entity.

39 (3) Section 10(a), Chapter 916, Acts of the 70th
40 Legislature, Regular Session, 1987, refers to "the
41 United States government" and "any of its agencies."

1 The revised law omits the reference to "agencies" of
2 the United States because under Section 311.005(9),
3 Government Code (Code Construction Act), "United
4 States" includes an agency of the United States.

5 Revised Law

6 Sec. 8273.104. DOMESTIC, INDUSTRIAL, OR COMMUNAL WASTE.
7 The authority may collect, transport, process, dispose of, and
8 control all domestic, industrial, or communal waste, whether in
9 fluid, solid, or composite state. (Acts 70th Leg., R.S., Ch. 916,
10 Sec. 10(a) (part).)

11 Source Law

12 (a) The authority may:
13
14 (4) collect, transport, process, dispose
15 of, and control all domestic, industrial, or communal
16 waste, whether in fluid, solid, or composite state.

17 Revised Law

18 Sec. 8273.105. WATER CONSERVATION PROGRAM. (a) In this
19 section, "program of water conservation" means the practices,
20 techniques, and technologies that will reduce water consumption,
21 reduce water loss or waste, improve efficiency in water use, or
22 increase water recycling and reuse so that a water supply is
23 available for future uses.

24 (b) The authority shall adopt and implement a program of
25 water conservation consistent with rules and criteria adopted and
26 enforced by the Texas Commission on Environmental Quality for
27 similarly situated districts in the region. (Acts 70th Leg., R.S.,
28 Ch. 916, Sec. 10(b).)

29 Source Law

30 (b) The authority shall adopt and implement a
31 program of water conservation consistent with rules
32 and criteria adopted and enforced by the Texas Water
33 Commission for similarly situated districts in the
34 region. A program of water conservation means the
35 practices, techniques, and technologies that will
36 reduce the consumption of water, reduce the loss or
37 waste of water, improve efficiency in the use of water,
38 or increase the recycling and reuse of water so that a
39 water supply is made available for future uses.

40 Revised Law

41 Sec. 8273.106. ADDITIONAL POWERS. The authority may

1 purchase, construct, acquire, own, lease, operate, maintain,
2 repair, improve, and extend, inside or outside the authority's
3 boundaries, land or an interest in land, any work, improvement,
4 facility, plant, equipment, or appliance incident, helpful, or
5 necessary to provide for:

6 (1) the control, storage, preservation, transmission,
7 treatment, and distribution and use of storm water, floodwater, the
8 water of rivers and streams, and groundwater for municipal,
9 domestic, industrial, and other beneficial uses; and

10 (2) the collection, transportation, processing,
11 disposition, and control of domestic, industrial, or commercial
12 waste. (Acts 70th Leg., R.S., Ch. 916, Sec. 10(c).)

13 Source Law

14 (c) The authority may purchase, construct,
15 acquire, own, lease, operate, maintain, repair,
16 improve, and extend inside and outside its boundaries,
17 land and any interest in land, any and all works,
18 improvements, facilities, plants, equipment, and
19 appliances incident, helpful, or necessary to provide
20 for:

21 (1) the control, storage, preservation,
22 transmission, treatment, and distribution and use of
23 storm water and floodwater, the water of rivers and
24 streams, and underground water, for municipal,
25 domestic, industrial, and other beneficial uses; and

26 (2) the collection, transportation,
27 processing, disposition, and control of domestic,
28 industrial, or commercial waste.

29 Revisor's Note

30 Section 10(c), Chapter 916, Acts of the 70th
31 Legislature, Regular Session, 1987, refers to
32 "underground water." The revised law substitutes
33 "groundwater" for "underground water" because that is
34 the more commonly used term and is the term used by
35 Chapter 36, Water Code, which applies to groundwater
36 conservation districts.

37 Revised Law

38 Sec. 8273.107. CONSTRUCTION CONTRACTS. (a) The authority
39 may award a construction contract that requires an expenditure of
40 more than \$12,500 only after publication of notice to bidders once
41 each week for two consecutive weeks immediately before awarding the

1 contract.

2 (b) The notice must be published in a newspaper with general
3 circulation in the authority, as designated by the board.

4 (c) The notice must state:

5 (1) the time and place for opening the bids;

6 (2) the general nature of the work to be done or the
7 material, equipment, or supplies to be purchased; and

8 (3) the terms on which copies of the plans and
9 specifications may be obtained.

10 (d) The authority is not required to advertise work to be
11 performed in an emergency. (Acts 70th Leg., R.S., Ch. 916, Sec. 11.)

12 Source Law

13 Sec. 11. Any construction contract requiring an
14 expenditure of more than \$12,500 shall be made after
15 publication of a notice to bidders once each week for
16 two consecutive weeks immediately before awarding the
17 contract. The notice shall state the time and place
18 the bids will be opened, the general nature of the work
19 to be done, or the material, equipment, or supplies to
20 be purchased, and the terms on which copies of the
21 plans and specifications may be obtained. The notice
22 shall be published in a newspaper with general
23 circulation in the authority and designated by the
24 board of directors. The authority is not required to
25 advertise work to be performed in an emergency
26 situation.

27 Revisor's Note
28 (End of Subchapter)

29 Section 10(d), Chapter 916, Acts of the 70th
30 Legislature, Regular Session, 1987, provides that the
31 authority may contract with any person. The revised
32 law omits that provision because it duplicates, in
33 substance, Section 49.213(b), Water Code. The omitted
34 law reads:

35 (d) [The authority may] enter into
36 any contract with any person, firm,
37 corporation, city, district, public agency,
38 or other political subdivision and

39 Revisor's Note
40 (End of Chapter)

41 (1) Sections 1(a) and 8, Chapter 916, Acts of
42 the 70th Legislature, Regular Session, 1987, require
43 an election to confirm establishment of the authority

1 and to elect initial permanent directors. The revised
2 law omits those provisions as executed. The omitted
3 law reads:

4 Sec. 1. (a) . . . [a . . . district
5 is created] . . . subject to approval at a
6 confirmation election under Section 8 of
7 this Act,

8 Sec. 8. An election shall be called
9 and held to confirm establishment of the
10 authority and to elect seven permanent
11 directors as provided by Chapter 54, Water
12 Code, and Section 9 of this Act.

13 (2) Section 12, Chapter 916, Acts of the 70th
14 Legislature, Regular Session, 1987, states that the
15 notice, introduction, and passage of the act satisfied
16 the requirements of the Texas Constitution, other laws
17 of this state, and rules and procedures of the
18 legislature. Section 12 also provides that the Texas
19 Water Commission timely filed recommendations
20 relating to the act. The revised law omits those
21 provisions as executed. The omitted law reads:

22 Sec. 12. The legislature finds that
23 proper and legal notice of the intention to
24 introduce this Act, setting forth the
25 general substance of this Act, has been
26 published as provided by law, and the notice
27 and a copy of this Act have been furnished
28 to all persons, agencies, officials, or
29 entities to which they are required to be
30 furnished by the constitution and laws of
31 this state, including the governor of
32 Texas, who has submitted the notice and Act
33 to the Texas Water Commission. Also, the
34 legislature finds that the Texas Water
35 Commission has filed its recommendations
36 relating to this Act with the governor,
37 lieutenant governor, and speaker of the
38 house of representatives, within the
39 required time. All requirements of the
40 constitution and laws of this state and the
41 rules and procedures of the legislature
42 with respect to the notice, introduction,
43 and passage of this Act have been fulfilled
44 and accomplished.

6 CHAPTER 8274. HARRIS COUNTY UTILITY DISTRICT NO. 6

7 SUBCHAPTER A. GENERAL PROVISIONS

8 Revised Law

9 Sec. 8274.001. DEFINITIONS. In this chapter:

10 (1) "Board" means the board of directors of the
11 district.

12 (2) "Director" means a member of the board.

13 (3) "District" means the Harris County Utility
14 District No. 6. (Acts 61st Leg., R.S., Ch. 391, Sec. 1 (part);
15 New.)

16 Source Law

17 Sec. 1. . . . [a . . . district . . .] to be
18 known as "Harris County Utility District No. 6",
19 hereinafter called the "district,"

20 Revisor's Note

21 The definitions of "board" and "director" are
22 added to the revised law for drafting convenience and
23 to eliminate frequent, unnecessary repetition of the
24 substance of the definitions.

25 Revised Law

26 Sec. 8274.002. NATURE OF DISTRICT. The district is a
27 municipal utility district and a conservation and reclamation
28 district in Harris County created under Section 59, Article XVI,
29 Texas Constitution. (Acts 61st Leg., R.S., Ch. 391, Sec. 1 (part);
30 New.)

31 Source Law

32 Sec. 1. Under and pursuant to the provisions of
33 Article XVI, Section 59, Constitution of Texas, a
34 conservation and reclamation district is hereby
35 created and established in Harris County, Texas, . . .
36 which shall be a governmental agency and a body politic
37 and corporate. . . .

1 Revisor's Note

2 (1) Section 1, Chapter 391, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that the
4 district is "created and established" in Harris
5 County, Texas. The revised law omits "established"
6 because the meaning of that word is included in the
7 meaning of "created."

8 (2) Section 1, Chapter 391, Acts of the 61st
9 Legislature, Regular Session, 1969, refers to the
10 district as "a governmental agency and a body politic
11 and corporate." The revised law omits those
12 references because they duplicate a portion of Section
13 59(b), Article XVI, Texas Constitution, which provides
14 that a conservation and reclamation district is a
15 governmental agency and a body politic and corporate.

16 (3) The revised law adds a reference to the
17 district as a "municipal utility district" because the
18 district was converted from a water control and
19 improvement district to a municipal utility district
20 on March 19, 1980, by order of the Texas Water
21 Commission. See Sections 54.030-54.036, Water Code.
22 Under both that order and Section 54.034, Water Code,
23 the district now operates under Chapter 54, Water
24 Code. Throughout this chapter, references to water
25 control and improvement districts and references to
26 Chapter 51, Water Code (the chapter on water control
27 and improvement districts), have been revised to
28 reflect the district's conversion. In addition, as
29 indicated throughout this chapter, the revised law
30 omits law that is superseded by Chapter 54, Water Code,
31 or that duplicates law contained in that chapter.

32 Revised Law

33 Sec. 8274.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
34 The district is created to serve a public use and benefit.

1 (b) All land and other property included in the boundaries
2 of the district will benefit from the works and projects
3 accomplished by the district under the powers conferred by Section
4 59, Article XVI, Texas Constitution.

5 (c) The creation of the district is essential to accomplish
6 the purposes of Section 59, Article XVI, Texas Constitution.

7 (d) The accomplishment of the purposes stated in this
8 chapter is for the benefit of the people of this state and for the
9 improvement of their property and industries. The district in
10 carrying out the purposes of this chapter will be performing an
11 essential public function under the Texas Constitution. (Acts 61st
12 Leg., R.S., Ch. 391, Secs. 1 (part), 4, 24 (part).)

13 Source Law

14 Sec. 1. . . . The creation and establishment of
15 the district is hereby declared to be essential to the
16 accomplishment of the purposes of Article XVI, Section
17 59, Constitution of Texas.

18 Sec. 4. It is determined and found that all of
19 the land and other property included within the area
20 and boundaries of the district will be benefited by the
21 works and project which are to be accomplished by the
22 district pursuant to the powers conferred by the
23 provisions of Article XVI, Section 59, Constitution of
24 Texas, and that said district was and is created to
25 serve a public use and benefit.

26 Sec. 24. The accomplishment of the purposes
27 stated in this Act being for the benefit of the people
28 of this state and for the improvement of their
29 properties and industries, the district in carrying
30 out the purposes of this Act will be performing an
31 essential public function under the Constitution, and
32

33 Revisor's Note

34 (1) Section 1, Chapter 391, Acts of the 61st
35 Legislature, Regular Session, 1969, states that the
36 "creation and establishment" of the district is
37 essential to accomplish the purposes of Section 59,
38 Article XVI, Texas Constitution. The revised law
39 omits "establishment" because its meaning is included
40 in the meaning of "creation."

41 (2) Section 4, Chapter 391, Acts of the 61st
42 Legislature, Regular Session, 1969, refers to land and

1 other property included within the "area and
2 boundaries of the district." The revised law omits the
3 reference to "area" because, in context, "area" is
4 included in the meaning of "boundaries."

5 Revised Law

6 Sec. 8274.004. DISTRICT TERRITORY. (a) The district is
7 composed of the territory described by Section 2, Chapter 391, Acts
8 of the 61st Legislature, Regular Session, 1969, as that territory
9 may have been modified under:

- 10 (1) Subchapter H, Chapter 54, Water Code;
11 (2) Subchapter J, Chapter 49, Water Code;
12 (3) Section 9, Chapter 391, Acts of the 61st
13 Legislature, Regular Session, 1969; or
14 (4) other law.

15 (b) The boundaries and field notes of the district form a
16 closure. A mistake in copying the field notes in the legislative
17 process or another mistake in the field notes does not affect:

- 18 (1) the district's organization, existence, or
19 validity;
20 (2) the district's right to issue any type of bond for
21 a purpose for which the district is created or to pay the principal
22 of and interest on the bond;
23 (3) the district's right to impose a tax; or
24 (4) the legality or operation of the district or the
25 board. (Acts 61st Leg., R.S., Ch. 391, Sec. 3; New.)

26 Source Law

27 Sec. 3. It is determined and found that the
28 boundaries and field notes of the district form a
29 closure; and if any mistake is made in copying the
30 field notes in the legislative process, or otherwise a
31 mistake is made in the field notes, it shall in no way
32 affect the organization, existence, and validity of
33 the district, or the right of the district to issue any
34 type of bonds or refunding bonds for the purposes for
35 which the district is created, or to pay the principal
36 and interest thereon, or the right to assess, levy, and
37 collect taxes, or in any other manner affect the
38 legality or operation of the district or its governing
39 body.

1 Revisor's Note

2 (1) The revision of the law governing the
3 district does not revise the statutory language
4 describing the territory of the district to avoid the
5 lengthy recitation of the description and because that
6 description may not be accurate on the effective date
7 of the revision or at the time of a later reading. For
8 the reader's convenience, the revised law adds a
9 reference to the statutory description of the
10 district's territory and references to authority to
11 change the district's territory, including: (1)
12 Subchapter H, Chapter 54, Water Code, applicable to
13 the district after the district was converted to a
14 municipal utility district governed by Chapter 54 of
15 that code (see Sections 54.030-54.036 of that code and
16 Revisor's Note (3) to Section 8274.002); (2)
17 Subchapter J, Chapter 49, Water Code, applicable to
18 the district under Sections 49.001 and 49.002 of that
19 chapter; and (3) Section 9, Chapter 391, Acts of the
20 61st Legislature, Regular Session, 1969. The revised
21 law also includes a reference to the general authority
22 of the legislature to enact other laws to change the
23 district's territory.

24 (2) Section 3, Chapter 391, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that a
26 mistake does not affect the right of the district to
27 issue "any type of bonds or refunding bonds." The
28 revised law omits the reference to "refunding bonds"
29 because refunding bonds are included in the meaning of
30 "any type of bonds."

31 (3) Section 3, Chapter 391, Acts of the 61st
32 Legislature, Regular Session, 1969, refers to the
33 district's right to "assess, levy, and collect" a tax.
34 Throughout this chapter, the revised law substitutes

1 "impose" for "assess," "levy," and "collect" because
2 "impose" is the term generally used in Title 1, Tax
3 Code, and includes the assessment, levying, and
4 collection of a tax.

5 Revised Law

6 Sec. 8274.005. EXPANSION OF DISTRICT. (a) If land is
7 annexed to the district under Section 49.301, Water Code, the board
8 may require the petitioners to:

9 (1) allow the assumption by the area to be annexed of
10 its pro rata share of the taxes necessary to support voted but
11 unissued tax or tax-revenue bonds of the district; and

12 (2) authorize the board to impose a tax on the
13 petitioners' property to pay for the bonds after the bonds have been
14 issued.

15 (b) If land is annexed to the district under Section 49.302,
16 Water Code, the board may submit to the voters of the area to be
17 annexed a proposition on the question of the assumption by the area
18 to be annexed of its pro rata share of the voted but not yet issued
19 or sold tax or tax-revenue bonds of the district and the imposition
20 of an ad valorem tax on taxable property in the area to be annexed
21 along with a tax in the rest of the district for the payment of the
22 bonds.

23 (c) If the petitioners consent or if the election results
24 favorably, the district may issue its voted but unissued tax or
25 tax-revenue bonds regardless of changes to district boundaries
26 since the original voting or authorization of the bonds. (Acts 61st
27 Leg., R.S., Ch. 391, Sec. 9.)

28 Source Law

29 Sec. 9. Land may be added to or annexed to the
30 district in the manner now provided by Chapter 3A,
31 Title 128, Vernon's Texas Civil Statutes, as amended;
32 provided, however, that the board of directors may
33 require the petitioners, if land is being added in the
34 manner provided by Article 7880--75, Vernon's Texas
35 Civil Statutes, to allow the land to be added to assume
36 its pro rata share of taxes necessary to support the
37 voted but unissued tax or tax-revenue bonds of the
38 district and authorize the board to levy a tax on their
39 property in payment for such unissued bonds, when
40 issued, or if land is being annexed in the manner

1 provided by Article 7880--75b, Vernon's Texas Civil
2 Statutes, the board may also submit a proposition to
3 the property taxpaying voters of the area to be annexed
4 on the question of the assumption by the area to be
5 annexed of its pro rata share of the tax or tax-revenue
6 bonds of the district theretofore voted but not yet
7 issued or sold and the levy of an ad valorem tax on
8 taxable property within the area to be annexed along
9 with the tax in the rest of the district for the
10 payment thereof. If the petitioners consent or if the
11 election results favorably, the district shall be
12 authorized to issue its voted but unissued tax or
13 tax-revenue bonds even though the boundaries of the
14 district have been changed since the voting or
15 authorization of such bonds.

16 Revisor's Note

17 (1) Section 9, Chapter 391, Acts of the 61st
18 Legislature, Regular Session, 1969, provides that the
19 district may add or annex land in the manner provided
20 by Chapter 3A, Title 128, Vernon's Texas Civil
21 Statutes. The revised law omits that provision as
22 unnecessary. The relevant provisions of that statute
23 were codified by Chapter 58, Acts of the 62nd
24 Legislature, Regular Session, 1971, as Subchapter O,
25 Chapter 51, Water Code. After the district converted
26 to a municipal utility district in 1980, that
27 subchapter no longer applied to the district and
28 Subchapter H, Chapter 54, Water Code, applied instead,
29 as described by Revisor's Note (3) to Section 8274.002.
30 Chapter 715, Acts of the 74th Legislature, Regular
31 Session, 1995, repealed some of the relevant
32 provisions of Subchapter H, Chapter 54, Water Code,
33 and enacted Subchapter J, Chapter 49, Water Code, to
34 govern the addition of land to a municipal utility
35 district and certain other districts. Subchapter J,
36 Chapter 49, Water Code, applies to the district
37 without an express reference to Subchapter J by this
38 chapter. The remaining relevant provisions of
39 Subchapter H, Chapter 54, Water Code, apply to the
40 district under Section 54.034, Water Code, without an
41 express reference to those sections by this chapter.

42 (2) Section 9, Chapter 391, Acts of the 61st

1 Legislature, Regular Session, 1969, refers to Article
2 7880--75, Vernon's Texas Civil Statutes. Article
3 7880--75 was codified by Chapter 58, Acts of the 62nd
4 Legislature, Regular Session, 1971, as Sections
5 51.714-51.717, Water Code, relating to the addition of
6 land to a water control and improvement district by the
7 petition of the landowner. After the district
8 converted to a municipal utility district in 1980,
9 those sections no longer applied to the district.
10 Instead, Sections 54.711-54.715, Water Code, applied
11 to the district under Section 54.034 of that code. See
12 Revisor's Note (3) to Section 8274.002. Chapter 715,
13 Acts of the 74th Legislature, Regular Session, 1995,
14 repealed Sections 54.711-54.715, Water Code, and
15 enacted Section 49.301, Water Code, to govern the
16 addition of land to a municipal utility district by the
17 petition of the landowner. The revised law is drafted
18 accordingly.

19 (3) Section 9, Chapter 391, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to Article
21 7880--75b, Vernon's Texas Civil Statutes. Article
22 7880--75b was codified by Chapter 58, Acts of the 62nd
23 Legislature, Regular Session, 1971, as Sections
24 51.718-51.724, Water Code, relating to the addition of
25 land to a water control and improvement district by the
26 petition of less than all the landowners. After the
27 district converted to a municipal utility district in
28 1980, those sections no longer applied to the
29 district. Instead, Sections 54.716-54.726, Water
30 Code, applied to the district under Section 54.034 of
31 that code. See Revisor's Note (3) to Section 8274.002.
32 Chapter 715, Acts of the 74th Legislature, Regular
33 Session, 1995, repealed Sections 54.716-54.726, Water
34 Code, and enacted Section 49.302, Water Code, to

1 govern the addition of land to a municipal utility
2 district by the petition of less than all the
3 landowners. The revised law is drafted accordingly.

4 (4) Section 9, Chapter 391, Acts of the 61st
5 Legislature, Regular Session, 1969, refers to
6 "property taxpaying voters." The revised law omits
7 the reference to "property taxpaying" because in Hill
8 v. Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the
9 United States Supreme Court determined that property
10 ownership as a qualification for voting is an
11 unconstitutional denial of equal protection.

12 Revised Law

13 Sec. 8274.006. STATE POLICY REGARDING WASTE DISPOSAL. The
14 district's powers and functions are subject to the state policy of
15 encouraging the development and use of integrated area-wide waste
16 collection, treatment, and disposal systems to serve the waste
17 disposal needs of this state's residents, if integrated systems can
18 reasonably be provided for an area, so as to avoid the economic
19 burden on residents and the effect on state water quality caused by
20 the construction and operation of numerous small waste collection,
21 treatment, and disposal facilities. (Acts 61st Leg., R.S., Ch.
22 391, Sec. 5.A (part).)

23 Source Law

24 A. . . . The powers and functions conferred on
25 the district are granted subject to the policy of the
26 state to encourage the development and use of
27 integrated area-wide waste collection, treatment and
28 disposal systems to serve the waste disposal needs of
29 the citizens of the state, it being an objective of the
30 policy to avoid the economic burden to the people and
31 the impact on the quality of the waters in the state
32 which result from the construction and operation of
33 numerous small waste collection, treatment and
34 disposal facilities to serve an area when an
35 integrated area-wide waste collection, treatment and
36 disposal system for the area can be reasonably
37 provided.

38 Revisor's Note

39 Section 5.A, Chapter 391, Acts of the 61st
40 Legislature, Regular Session, 1969, refers to
41 "citizens" of the state. The revised law substitutes

1 "residents" for "citizens" because, in the context of
2 this section, "citizens" and "residents" are
3 synonymous and "residents" is more commonly used.

4 Revised Law

5 Sec. 8274.007. LIBERAL CONSTRUCTION OF CHAPTER. This
6 chapter shall be liberally construed to effect the purposes,
7 powers, rights, and functions stated in this chapter. (Acts 61st
8 Leg., R.S., Ch. 391, Sec. 25 (part).)

9 Source Law

10 Sec. 25. . . . All of the terms and provisions
11 of this Act are to be liberally construed to effectuate
12 the purposes, powers, rights, functions and
13 authorities herein set forth.

14 Revisor's Note

15 Section 25, Chapter 391, Acts of the 61st
16 Legislature, Regular Session, 1969, refers to
17 "purposes, powers, rights, functions and
18 authorities." Throughout this chapter, the revised
19 law omits "authority" and "authorities" as included in
20 the meaning of "power" and "powers."

21 Revisor's Note

22 (End of Subchapter)

23 (1) Section 5.A, Chapter 391, Acts of the 61st
24 Legislature, Regular Session, 1969, provides that the
25 act prevails over any general law that applies to water
26 control and improvement districts and that is in
27 conflict or inconsistent with the act. The general law
28 applicable to water control and improvement districts
29 no longer applies to the district because the district
30 converted to a municipal utility district. See
31 Revisor's Note (3) to Section 8274.002. The revised
32 law omits the provision rather than codifying the
33 provision and substituting a reference to municipal
34 utility districts for the reference to water control
35 and improvement districts because the provision
36 duplicates, in substance, Section 311.026, Government

1 Code (Code Construction Act). The omitted law reads:

2 Sec. 5.A. [The district shall have
3 and exercise, and is hereby vested with, all
4 of the rights, powers, privileges,
5 authority, and functions conferred and
6 imposed by the general laws of this state
7 now in force or hereafter enacted,
8 applicable to water control and improvement
9 districts created under authority of
10 Article XVI, Section 59, Constitution of
11 Texas, including without limitation those
12 conferred by Chapter 3A, Title 128, Vernon's
13 Texas Civil Statutes, . . .;] but to the
14 extent that the provisions of any such
15 general laws may be in conflict or
16 inconsistent with the provisions of this
17 Act, the provisions of this Act shall
18 prevail. . . .

19 (2) Section 5.A, Chapter 391, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that any
21 general law relating to water control and improvement
22 districts is adopted and incorporated by reference.
23 The general law applicable to water control and
24 improvement districts no longer applies to the
25 district because the district converted to a municipal
26 utility district. See Revisor's Note (3) to Section
27 8274.002. The revised law omits the provision rather
28 than codifying the provision and substituting a
29 reference to municipal utility districts for the
30 reference to water control and improvement districts
31 because it is not necessary to duplicate by means of
32 adoption and incorporation the substance of general
33 laws applicable to the district. The omitted law
34 reads:

35 A. . . . All such general laws are
36 hereby adopted and incorporated by
37 reference with the same effect as if
38 incorporated in full by this Act. . . .

39 (3) Section 22, Chapter 391, Acts of the 61st
40 Legislature, Regular Session, 1969, provides that
41 Article 970a, Vernon's Texas Civil Statutes (Municipal
42 Annexation Act), does not apply to the creation of the
43 district. The revised law omits that provision as
44 executed. The omitted law reads:

1 Sec. 22. The district is hereby
2 created notwithstanding any of the
3 provisions of the Municipal Annexation Act,
4 being Article 970a, Vernon's Texas Civil
5 Statutes, as amended, and to the extent of
6 the creation of the district only, said
7 Article 970a shall have no
8 application. . . .

9 (4) Section 22, Chapter 391, Acts of the 61st
10 Legislature, Regular Session, 1969, provides that the
11 district is subject to certain other laws. The revised
12 law omits that provision because the laws cited apply
13 by their own terms. Section 22 refers to Article 970a,
14 Vernon's Texas Civil Statutes (Municipal Annexation
15 Act). In 1987, Article 970a was codified as Chapters
16 42 and 43, Local Government Code, and Section 212.003,
17 Local Government Code. Section 22 also refers to
18 Article 1182c--1, Vernon's Texas Civil Statutes, "as
19 amended." In 1987, Article 1182c--1 was codified as
20 Sections 43.074, 43.075, and 43.081, Local Government
21 Code.

22 Throughout this chapter, the revised law omits
23 "as amended" and similar language because, under
24 Section 311.027, Government Code (Code Construction
25 Act), a reference to a statute applies to all
26 reenactments, revisions, or amendments of that
27 statute, unless expressly provided otherwise. The
28 omitted law reads:

29 Sec. 22. . . . In all other respects,
30 the district hereby created is expressly
31 made subject to all provisions of said
32 Article 970a. The district shall also be
33 subject to the provisions of Article
34 1182c--1, Vernon's Texas Civil Statutes, as
35 amended.

36 [Sections 8274.008-8274.050 reserved for expansion]

37 SUBCHAPTER B. DISTRICT ADMINISTRATION

38 Revised Law

39 Sec. 8274.051. COMPOSITION OF BOARD. The board consists of
40 five directors elected by position. (Acts 61st Leg., R.S., Ch. 391,
41 Sec. 10 (part).)

1 Legislature, Regular Session, 1969, requires each
2 director to qualify "by subscribing to the
3 constitutional oath of office." The revised law omits
4 the quoted language because it duplicates, in
5 substance, Section 1, Article XVI, Texas Constitution.

6 (2) Section 10, Chapter 391, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that the
8 district shall pay the cost of a director's bond and
9 that the bond shall be approved by the board and
10 recorded in the district office. The revised law omits
11 that provision because it duplicates, in substance,
12 Sections 49.055(c) and (d), Water Code. The omitted
13 law reads:

14 Sec. 10. . . . The cost of such bond
15 shall be paid by the district. . . . The
16 bonds of directors elected or appointed
17 after the directors named below shall be
18 approved by the district's board of
19 directors and shall be recorded in a record
20 kept for that purpose in the office of the
21 district. . . .

22 (3) Section 10, Chapter 391, Acts of the 61st
23 Legislature, Regular Session, 1969, requires each
24 director to give bond and provides that "[s]uch bond"
25 shall be approved by the county judge and filed in the
26 office of the county clerk of Harris County. That
27 section also provides that the bonds of directors
28 elected or appointed after the initial directors shall
29 be approved by the board and shall be recorded in a
30 record kept for that purpose in the district office.
31 Because the provision requiring directors' bonds to be
32 approved by the county judge and filed in the county
33 clerk's office is followed by a provision requiring
34 bonds of successor directors to be approved by the
35 board and recorded in the district's records, it
36 appears from the context that the provision requiring
37 directors' bonds to be approved by the county judge and
38 filed in the office of the county clerk applies only to

1 the bond of an initial director. Accordingly, the
2 revised law omits that provision as executed. The
3 omitted law reads:

4 Sec. 10. . . . Such bond shall be
5 approved by the county judge and filed in
6 the office of the county clerk of Harris
7 County, Texas. . . .

8 Revised Law

9 Sec. 8274.053. ABSENCE OR INACTION OF BOARD PRESIDENT. (a)
10 When the board president is absent or fails or declines to act, the
11 board vice president shall perform all duties and exercise all
12 power this chapter or general law gives the president.

13 (b) If the board president is absent from a board meeting:

14 (1) the board vice president may sign an order or other
15 action adopted at the meeting; or

16 (2) the board may authorize the president to sign the
17 order or other action. (Acts 61st Leg., R.S., Ch. 391, Sec. 10
18 (part).)

19 Source Law

20 Sec. 10. . . . The vice president shall perform
21 all duties and exercise all power conferred by this Act
22 or the general law upon the president when the
23 president is absent or fails or declines to act. Any
24 order adopted or other action taken at a meeting of the
25 board of directors at which the president is absent may
26 be signed by the vice president, or the board may
27 authorize the president to sign such order or other
28 action.

29 Revised Law

30 Sec. 8274.054. DISTRICT OFFICE. (a) Except as provided by
31 this section, the board shall designate, establish, and maintain a
32 district office as provided by Section 49.062, Water Code.

33 (b) The board may establish a second district office outside
34 the district. If the board establishes a second district office,
35 the board shall give notice of the location of that office by:

36 (1) filing a copy of the board resolution that
37 establishes the location of the office:

38 (A) with the Texas Commission on Environmental
39 Quality; and

40 (B) in the municipal utility district records of

1 Harris County; and

2 (2) publishing notice of the location of the office in
3 a newspaper of general circulation in Harris County.

4 (c) A district office that is a private residence, office,
5 or dwelling is a public place for matters relating to the district's
6 business.

7 (d) The board shall provide notice of any change in the
8 location of the district office outside the district in the manner
9 required by Subsection (b). (Acts 61st Leg., R.S., Ch. 391, Sec.
10 15.)

11 Source Law

12 Sec. 15. The board of directors shall
13 designate, establish and maintain a district office as
14 provided by Article 7880--44, Vernon's Texas Civil
15 Statutes, and, in addition, may establish a second
16 district office outside the district. Either or both
17 district offices so established and maintained may be
18 a private residence, office or dwelling in which event
19 such private residence, office or dwelling is hereby
20 declared a public place for matters relating to the
21 district's business.

22 If the board of directors establishes a district
23 office outside the district, it shall give notice of
24 the location of that district office by filing a true
25 copy of its resolution establishing the location of
26 such district office with the Texas Water Rights
27 Commission, by filing a true copy in the Water Control
28 and Improvement District records of Harris County,
29 Texas, and also by publishing the location in a
30 newspaper of general circulation in said county.

31 If the location of the district office outside
32 the district is thereafter changed, notice of such
33 change shall be given in the same manner.

34 Revisor's Note

35 (1) Section 15, Chapter 391, Acts of the 61st
36 Legislature, Regular Session, 1969, refers to "Article
37 7880--44, Vernon's Texas Civil Statutes." Article
38 7880--44 was codified by Chapter 58, Acts of the 62nd
39 Legislature, Regular Session, 1971, as Sections 51.094
40 and 51.096, Water Code, relating to the district
41 office and the minutes and records of the district,
42 respectively. After the district converted to a
43 municipal utility district in 1980, those sections no
44 longer applied to the district. See Revisor's Note (3)
45 to Section 8274.002. Chapter 715, Acts of the 74th

1 Legislature, Regular Session, 1995, enacted Section
2 49.062, Water Code, to govern the designation of
3 offices for certain districts, including municipal
4 utility districts. The revised law is drafted
5 accordingly.

6 (2) Section 15, Chapter 391, Acts of the 61st
7 Legislature, Regular Session, 1969, refers to a "true
8 copy" of a document. The revised law omits "true"
9 because a copy, by definition, accurately reflects the
10 content of the original document.

11 (3) Section 15, Chapter 391, Acts of the 61st
12 Legislature, Regular Session, 1969, refers to the
13 "Texas Water Rights Commission." The revised law
14 substitutes "Texas Commission on Environmental
15 Quality" for "Texas Water Rights Commission" to
16 reflect the current name of the agency with the
17 relevant regulatory authority.

18 Revisor's Note
19 (End of Subchapter)

20 (1) Section 10, Chapter 391, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that each
22 director shall serve until the director's successor is
23 elected or appointed and qualified. The revised law
24 omits that provision because Section 17, Article XVI,
25 Texas Constitution, requires an officer in this state
26 to continue to perform the officer's official duties
27 until a successor has qualified. The omitted law
28 reads:

29 Sec. 10. . . . Each director shall
30 serve for his term of office as herein
31 provided, and thereafter until his
32 successor shall be elected or appointed and
33 qualified. . . .

34 (2) Section 10, Chapter 391, Acts of the 61st
35 Legislature, Regular Session, 1969, names the initial
36 directors by position, requires them to qualify to
37 serve as directors before the first board meeting,

1 provides for filling vacancies in the office of
2 director, and provides that the named directors or
3 their successors shall serve until the second Saturday
4 in January 1971. The revised law omits as executed the
5 provisions naming the initial directors, requiring
6 them to qualify by a certain time, and specifying the
7 expiration of their terms. Because the provision
8 specifying the procedure for filling vacancies in the
9 office of director is followed by a provision
10 requiring the named initial directors or their
11 successors to serve until a specified date in 1971, it
12 appears from the context that the provision relating
13 to the filling of vacancies also applies only to the
14 initial directors. Accordingly, the revised law also
15 omits that language as executed. The omitted law
16 reads:

17 Sec. 10. . . . Immediately after
18 this Act becomes effective, the following
19 named persons shall be the directors of the
20 district and shall constitute the board of
21 directors of the district:

22 Position 1 Howard W. Horne
23 Position 2 Sidney V. Smith
24 Position 3 Stewart N. Campbell
25 Position 4 Paul W. Pigue
26 Position 5 Ira E. McKeever, Jr.

27 Said persons shall file their bonds as soon
28 as practicable after the effective date of
29 this Act and shall otherwise be fully
30 qualified to serve as director prior to the
31 first meeting of the board of directors.
32 All vacancies in the office of director
33 shall be filled in the manner provided by
34 Article 7880--38, Vernon's Texas Civil
35 Statutes; provided, however, if at any time
36 the number of qualified directors shall be
37 less than three because of the failure or
38 refusal of one or more directors to qualify
39 or serve, or because of his or their death
40 or incapacitation, or for any other reason,
41 then the county judge of Harris County,
42 Texas, shall appoint the necessary number
43 of directors to fill all vacancies on the
44 board. The directors named above or their
45 duly appointed successor or successors
46 shall serve until the second Saturday in
47 January, 1971. . . .

48 (3) Section 10, Chapter 391, Acts of the 61st
49 Legislature, Regular Session, 1969, provides for

1 directors to be elected or appointed by position and to
2 serve for the term and in the manner provided by
3 Article 7880--37, Vernon's Texas Civil Statutes.
4 Article 7880--37 was codified by Chapter 58, Acts of
5 the 62nd Legislature, Regular Session, 1971, as
6 Section 51.073, Water Code. After the district
7 converted to a municipal utility district in 1980,
8 that section no longer applied to the district.
9 Instead, Section 54.103, Water Code, applied to the
10 district under Section 54.034 of that code. See
11 Revisor's Note (3) to Section 8274.002. Chapter 715,
12 Acts of the 74th Legislature, Regular Session, 1995,
13 repealed Section 54.103, Water Code, and enacted
14 Section 49.103, Water Code, to govern the terms of
15 office and manner of election of directors of a
16 municipal utility district and certain other
17 districts. Section 49.103, Water Code, applies to the
18 district without an express reference to that section
19 by this chapter. The revised law omits "appointed by
20 position" because it is clear from the context of
21 Section 10 that the reference applies only to
22 directors appointed to fill vacancies as provided by
23 Chapter 49, Water Code. The omitted law reads:

24 Sec. 10. . . . [Succeeding
25 directors shall be elected by position or]
26 appointed by position and shall serve for
27 the term and in the manner provided by
28 Article 7880--37, Vernon's Texas Civil
29 Statutes,

30 (4) Section 10, Chapter 391, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that
32 directors' elections shall be held each year on the
33 second Saturday in January. The revised law omits that
34 provision as superseded by the 1995 enactment of
35 Section 49.103, Water Code, which requires the
36 election of directors to be held on the uniform
37 election date in May of even-numbered years. The

1 omitted law reads:

2 Sec. 10. . . . except that all
3 directors elections shall be held each year
4 on the second Saturday in January. . . .

5 (5) Section 10, Chapter 391, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that
7 three directors constitute a quorum and that a
8 concurrence of three directors is sufficient in all
9 matters relating to the business of the district,
10 including certain construction matters. The revised
11 law omits that provision because it duplicates, in
12 substance, Section 49.053, Water Code. The omitted
13 law reads:

14 Sec. 10. . . . Three directors shall
15 constitute a quorum of any meeting, and a
16 concurrence of three shall be sufficient in
17 all matters pertaining to the business of
18 the district including the letting of
19 construction contracts and the drawing of
20 warrants in payment for construction work,
21 the purchase of existing facilities, and
22 matters relating to construction
23 work. . . .

24 (6) Section 10, Chapter 391, Acts of the 61st
25 Legislature, Regular Session, 1969, provides for the
26 powers of the board's president. The revised law omits
27 that provision because it duplicates, in substance,
28 Section 49.054(c), Water Code. The omitted law reads:

29 Sec. 10. . . . The president may
30 execute all contracts, construction or
31 otherwise, entered into by the board of
32 directors on behalf of the district. . . .

33 [Sections 8274.055-8274.100 reserved for expansion]

34 SUBCHAPTER C. POWERS AND DUTIES

35 Revised Law

36 Sec. 8274.101. MUNICIPAL UTILITY DISTRICT POWERS. (a) The
37 district has all of the rights, powers, privileges, and functions
38 conferred and imposed by the general law of this state relating to
39 municipal utility districts created under Section 59, Article XVI,
40 Texas Constitution, including those conferred by Chapters 49 and
41 54, Water Code.

1 (b) The district may exercise inside or outside the
2 district's boundaries any of the rights or powers granted by this
3 chapter or under the general law relating to municipal utility
4 districts, including the provision of water, sanitary sewerage, and
5 drainage services. (Acts 61st Leg., R.S., Ch. 391, Secs. 5.A
6 (part), 16 (part).)

7 Source Law

8 Sec. 5.A. The district shall have and exercise,
9 and is hereby vested with, all of the rights, powers,
10 privileges, authority, and functions conferred and
11 imposed by the general laws of this state now in force
12 or hereafter enacted, applicable to water control and
13 improvement districts created under authority of
14 Article XVI, Section 59, Constitution of Texas,
15 including without limitation those conferred by
16 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
17 with all amendments and additions thereto;

18 Sec. 16. The district may exercise any of the
19 rights, powers, and authorities granted in this Act or
20 under the general laws relating to water control and
21 improvement districts within or without the boundaries
22 of the district, and is specifically authorized to
23 exercise any of the rights, powers, and authorities in
24 order to provide water, sanitary sewerage and drainage
25 services to areas within or without the boundaries of
26 the district. . . .

27 Revisor's Note

28 (1) Section 5.A, Chapter 391, Acts of the 61st
29 Legislature, Regular Session, 1969, states that the
30 district "shall have and exercise, and is hereby
31 vested with," certain powers. The revised law
32 substitutes "has" for the quoted language because in
33 the context of this section, the terms are synonymous
34 and "has" is more commonly used.

35 (2) Section 5.A, Chapter 391, Acts of the 61st
36 Legislature, Regular Session, 1969, states that the
37 district has the rights, powers, privileges,
38 authority, and functions conferred by the general laws
39 of this state "now in force or hereafter enacted." The
40 revised law omits the quoted language because it is
41 unnecessary under accepted general principles of
42 statutory construction. The "general laws of this
43 state" means those laws "in force" at the time the

1 provision was adopted. It is not necessary to state
2 that the district may be granted additional powers by
3 later enacted laws because those laws apply on their
4 own terms.

5 (3) Section 5.A, Chapter 391, Acts of the 61st
6 Legislature, Regular Session, 1969, grants the
7 district certain powers, including "without
8 limitation" the powers conferred by Chapter 3A, Title
9 128, Vernon's Texas Civil Statutes. The revised law
10 omits "without limitation" because Section
11 311.005(13), Government Code (Code Construction Act),
12 provides that "includes" and "including" are terms of
13 enlargement and not of limitation and do not create a
14 presumption that components not expressed are
15 excluded.

16 (4) Section 5.A, Chapter 391, Acts of the 61st
17 Legislature, Regular Session, 1969, refers to "Chapter
18 3A, Title 128, Vernon's Texas Civil Statutes." The
19 relevant provisions of that statute were codified by
20 Chapter 58, Acts of the 62nd Legislature, Regular
21 Session, 1971, as Chapter 51, Water Code. After the
22 district converted to a municipal utility district in
23 1980, Chapter 51, Water Code, no longer applied to the
24 district. Instead, Chapter 54, Water Code, applies to
25 the district under Section 54.034 of that code. See
26 Revisor's Note (3) to Section 8274.002. In 1995,
27 Section 2, Chapter 715, Acts of the 74th Legislature,
28 Regular Session, enacted Chapter 49, Water Code. To
29 reflect those changes, the revised law substitutes a
30 reference to Chapters 49 and 54, Water Code, for the
31 reference to "Chapter 3A, Title 128, Vernon's Texas
32 Civil Statutes."

33 (5) Section 5.A, Chapter 391, Acts of the 61st
34 Legislature, Regular Session, 1969, refers to the

1 continuing right of this state to supervise the
2 district through the Texas Water Rights Commission.
3 The revised law omits the provision because the Texas
4 Commission on Environmental Quality is the successor
5 to the Texas Water Rights Commission, and therefore
6 the provision duplicates, in substance, part of
7 Section 12.081, Water Code, which applies to the
8 district. The omitted law reads:

9 A. . . . The rights, powers,
10 privileges, authority, and functions herein
11 granted to the district shall be subject to
12 the continuing right of supervision of the
13 state, to be exercised by and through the
14 Texas Water Rights Commission. . . .

15 (6) Section 16, Chapter 391, Acts of the 61st
16 Legislature, Regular Session, 1969, provides that the
17 district "is specifically authorized to exercise any
18 of the [district's] rights, powers, and authorities in
19 order to" take certain actions. The revised law
20 substitutes "may" for "is specifically authorized to"
21 because that term is more concise and is the
22 substantive equivalent of the quoted language.

23 Revised Law

24 Sec. 8274.102. ADDITIONAL POWERS. (a) The district may:

25 (1) make, purchase, construct, lease, or otherwise
26 acquire, inside or outside the district's boundaries, property,
27 works, facilities, or improvements, whether previously existing or
28 to be made, constructed, or acquired, that are necessary to carry
29 out the powers granted by this chapter or general law; or

30 (2) enter into a contract with a person on terms the
31 board considers desirable, fair, and advantageous for:

32 (A) the purchase or sale of water;

33 (B) the transportation, treatment, and disposal
34 of the domestic, industrial, or communal wastes of the district or
35 others, including the purposes provided by Chapter 30, Water Code;

36 (C) the continuing and orderly development of
37 land and property in the district through the purchase,

1 construction, or installation of facilities, works, or
2 improvements that the district is otherwise authorized to do or
3 perform so that, to the greatest extent reasonably possible,
4 considering sound engineering and economic practices, all of the
5 land and property may ultimately receive the services of the
6 facilities, works, or improvements; and

7 (D) the performance of any of the powers granted
8 by this chapter or the general law.

9 (b) A contract under Subsection (a)(2) may not have a
10 duration of more than 40 years. (Acts 61st Leg., R.S., Ch. 391,
11 Sec. 5.B (part).)

12 Source Law

13 B. Not by way of limitation, the district shall
14 have and is hereby expressly granted the following
15 rights, powers, privileges, and functions:

16 (1) The power and authority to make,
17 purchase, construct, lease, or otherwise acquire
18 property, works, facilities, and improvements
19 (whether previously existing or to be made,
20 constructed, or acquired) within or without the
21 boundaries of the district necessary to carry out the
22 powers and authority granted by this Act and the
23 general laws.

24 (2) The right, power, and authority to
25 enter into contracts of not exceeding 40 years
26 duration with persons, corporations (public or
27 private), municipal corporations, political
28 subdivisions of the State of Texas, and others, on such
29 terms and conditions as the board of directors may deem
30 desirable, fair, and advantageous for:

31 (a) the purchase and sale of water,
32 or either, and . . .

33 (b) the transportation, treatment
34 and disposal of its domestic, industrial or communal
35 wastes or the transportation, treatment and disposal
36 of domestic, industrial or communal wastes of others,
37 to include, but not by way of limitation, the purposes
38 of the Regional Waste Disposal Act (Article 7621g,
39 Vernon's Texas Civil Statutes), the provisions of
40 which are expressly made applicable to the district;

41 (c) the continuing and orderly
42 development of the lands and property within the
43 district through the purchase, construction or
44 installation of facilities, works or improvements
45 which the district may otherwise be empowered and
46 authorized to do or perform so that, to the greatest
47 extent reasonably possible, considering sound
48 engineering and economic practices, all of such lands
49 and property may be placed in a position to ultimately
50 receive the services of such facilities, works or
51 improvements; and

52 (d) the performance of any of the
53 rights or powers granted in this Act and the general
54 laws. . . .

1 Revisor's Note

2 (1) Section 5.B, Chapter 391, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that,
4 "[n]ot by way of limitation," the district has certain
5 specified rights, powers, privileges, and functions.
6 The revised law omits the quoted language because it is
7 an accepted general principle of statutory
8 construction that a grant of a right, power,
9 privilege, or function does not act as a limitation.
10 The general principle applies to this revision.

11 (2) Section 5.B, Chapter 391, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that the
13 district "shall have and is hereby expressly granted
14 the following rights, powers, privileges, and
15 functions" to take certain actions. The revised law
16 substitutes "may" for the quoted language because that
17 term is more concise and is the substantive equivalent
18 of the quoted language.

19 (3) Section 5.B, Chapter 391, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to the
21 power of the district to enter into contracts with
22 persons, "corporations (public or private), municipal
23 corporations, political subdivisions of the State of
24 Texas, and others." The revised law omits the quoted
25 language because under Section 311.005(2), Government
26 Code (Code Construction Act), "person" is defined to
27 include any legal entity.

28 (4) Section 5.B, Chapter 391, Acts of the 61st
29 Legislature, Regular Session, 1969, provides that the
30 district may enter into a contract on "terms and
31 conditions" the board considers desirable, fair, and
32 advantageous. The revised law omits the reference to
33 "conditions" because "conditions" is included in the
34 meaning of "terms."

1 (5) Section 5.B, Chapter 391, Acts of the 61st
2 Legislature, Regular Session, 1969, provides that the
3 district may enter into certain contracts for purposes
4 to include, "but not by way of limitation," the
5 purposes of the Regional Waste Disposal Act (Article
6 7621g, Vernon's Texas Civil Statutes). The revised law
7 omits the quoted language for the reason stated in
8 Revisor's Note (1) to this section.

9 (6) Section 5.B, Chapter 391, Acts of the 61st
10 Legislature, Regular Session, 1969, refers to the
11 purposes of the Regional Waste Disposal Act (Article
12 7621g, Vernon's Texas Civil Statutes). Article 7621g
13 was codified by Chapter 58, Acts of the 62nd
14 Legislature, Regular Session, 1971, as Chapter 25,
15 Water Code. Chapter 25 was revised by Chapter 870,
16 Acts of the 65th Legislature, Regular Session, 1977,
17 as Chapter 30, Water Code. The revised law is drafted
18 accordingly.

19 Revised Law

20 Sec. 8274.103. EMINENT DOMAIN. The district may exercise
21 the power of eminent domain only:

- 22 (1) in a county in which the district is located; and
23 (2) when necessary to carry out the purposes for which
24 the district was created. (Acts 61st Leg., R.S., Ch. 391, Sec. 13
25 (part).)

26 Source Law

27 Sec. 13. The power of eminent domain of the
28 district shall be limited to the county or counties in
29 which the district is situated, and to situations
30 where the exercise of such power is necessary in order
31 to carry out the purposes for which the district was
32 created. . . .

33 Revised Law

34 Sec. 8274.104. COST OF RELOCATING OR ALTERING PROPERTY.
35 (a) In this section, "sole expense" means the actual cost of
36 relocating, raising, lowering, rerouting, changing the grade of, or
37 altering the construction of a facility described by Subsection (b)

1 in providing comparable replacement without enhancement of the
2 facility, after deducting from that cost the net salvage value of
3 the old facility.

4 (b) If the district's exercise of the power of eminent
5 domain, the power of relocation, or any other power conferred by
6 this chapter makes necessary the relocation, raising, rerouting,
7 changing the grade, or alteration of the construction of a highway,
8 a railroad, an electric transmission line, a telegraph or telephone
9 property or facility, or a pipeline, the necessary action shall be
10 accomplished at the sole expense of the district. (Acts 61st Leg.,
11 R.S., Ch. 391, Sec. 13 (part).)

12 Source Law

13 Sec. 13. . . . In the event that the district,
14 in the exercise of the power of eminent domain or power
15 of relocation, or any other power granted hereunder,
16 makes necessary the relocation, raising, rerouting or
17 changing the grade of, or altering the construction
18 of, any highway, railroad, electric transmission line,
19 telegraph or telephone properties and facilities, or
20 pipeline, all such necessary relocation, raising,
21 rerouting, changing of grade or alteration of
22 construction shall be accomplished at the sole expense
23 of the district. The term "sole expense" shall mean the
24 actual cost of such relocation, raising, lowering,
25 rerouting, or change in grade or alteration of
26 construction in providing comparable replacement
27 without enhancement of such facilities, after
28 deducting therefrom the net salvage value derived from
29 the old facility.

30 Revised Law

31 Sec. 8274.105. CONTRACT FOR PURCHASE OF WATER, SEWER, OR
32 DRAINAGE SERVICES; ELECTION NOT REQUIRED. (a) The district and a
33 political subdivision may enter into a contract for water, sewer,
34 or drainage services or any combination of those services without
35 the necessity of an election by any contracting party to approve the
36 contract.

37 (b) The district may pay for an obligation incurred by such
38 a contract by issuing bonds that, if otherwise necessary, have been
39 approved by the voters in the manner provided by this chapter.

40 (c) The district may deliver the district's bonds to the
41 United States or an agency or instrumentality of the United States,
42 or this state or an agency or instrumentality of this state, that

1 entered into a contract with the district. (Acts 61st Leg., R.S.,
2 Ch. 391, Sec. 5.B (part).)

3 Source Law

4 B. . . .

5 No election shall be required of the district or
6 any municipal corporation or other political
7 subdivisions for approval of water, sewer or drainage
8 contracts or any combination thereof, but such
9 contracts may be entered into without the necessity of
10 an election by any contracting party. The district may
11 make payment of the obligations incurred by any such
12 contract by the issuance of bonds which, if otherwise
13 necessary, have been approved by the voters in the
14 manner provided for in this Act. The district may
15 deliver its bonds to the United States, or any agency
16 or instrumentality thereof, or the State of Texas, or
17 any agency or instrumentality thereof, which entered
18 into such contracts with the district.

19 Revisor's Note

20 Section 5.B, Chapter 391, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that the
22 district may contract with "any municipal corporation
23 or other political subdivisions." The revised law
24 omits the reference to "any municipal corporation"
25 because "municipal corporation" is included in the
26 meaning of "political subdivision."

27 Revised Law

28 Sec. 8274.106. NOTICE OF ELECTION. The board president or
29 secretary may give notice of an election. (Acts 61st Leg., R.S.,
30 Ch. 391, Sec. 19.)

31 Source Law

32 Sec. 19. Notice of all elections may be given
33 under the hand of either the president or the secretary
34 of the district.

36 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

37 Revised Law

38 Sec. 8274.151. TAX METHOD. (a) The district shall use the
39 ad valorem plan of taxation.

40 (b) The board is not required to call or hold a hearing on
41 the adoption of a plan of taxation. (Acts 61st Leg., R.S., Ch. 391,
42 Sec. 8.)

Revised Law

Sec. 8274.152. TAX TO PAY OBLIGATIONS INCURRED UNDER CONTRACT FOR WATER PURCHASE. (a) If the tax is authorized at an election held for that purpose in the manner provided by Section 49.107, Water Code, the district may impose a tax and pledge the tax for the payment of all or part of an obligation incurred under a contract to purchase water.

(b) The election may be held in conjunction with an election authorizing tax bonds or authorizing a maintenance tax. (Acts 61st Leg., R.S., Ch. 391, Sec. 5.B (part).)

Source Law

B. . . .
(2)
(a) the district shall have the power to levy, collect, and pledge taxes for the payment of part or all obligations incurred under contracts to purchase water if said taxes are authorized at an election held for that purpose in the manner authorized by Article 7880--107, Vernon's Texas Civil Statutes, as amended, which election may be held in conjunction with an election authorizing tax bonds or authorizing a maintenance tax;
. . . .

Revisor's Note

Section 5.B, Chapter 391, Acts of the 61st Legislature, Regular Session, 1969, refers to a tax election held in the manner authorized by Article 7880--107, Vernon's Texas Civil Statutes, as amended. The relevant portion of Article 7880--107, which provided procedures for a maintenance tax election, was codified by Chapter 58, Acts of the 62nd Legislature, Regular Session, 1971, as Section 51.361, Water Code. Chapter 715, Acts of the 74th Legislature, Regular Session, 1995, repealed Section 51.361, Water Code, and enacted Section 49.107, Water Code, which provides the operation and maintenance tax election

1 procedures applicable to the district. (See Revisor's
2 Note (1) to Section 8274.051.) The revised law is
3 drafted accordingly.

4 Revised Law

5 Sec. 8274.153. DISTRICT ACCOUNTS. The district shall keep
6 a complete system of the district's accounts. (Acts 61st Leg.,
7 R.S., Ch. 391, Sec. 14 (part).)

8 Source Law

9 Sec. 14. . . .
10 A complete system of accounts shall be kept by the
11 district and

12 Revised Law

13 Sec. 8274.154. FISCAL YEAR. The fiscal year of the district
14 is from January 1 to December 31 of the same year. (Acts 61st Leg.,
15 R.S., Ch. 391, Sec. 14 (part).)

16 Source Law

17 Sec. 14. . . . The fiscal year of the district
18 shall be from January 1 to December 31 of the same
19 year, unless and until changed by the board of
20 directors. . . .

21 Revisor's Note

22 Section 14, Chapter 391, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that the
24 district's fiscal year is January 1 to December 31
25 "unless and until changed by the board of directors."
26 The revised law omits the quoted language because it
27 duplicates Section 49.158, Water Code.

28 Revised Law

29 Sec. 8274.155. COPY OF AUDIT REPORT. A copy of the audit
30 report prepared under Subchapter G, Chapter 49, Water Code, shall
31 be delivered:

32 (1) to each director; and

33 (2) to a holder of at least 25 percent of the
34 outstanding bonds of the district, on request. (Acts 61st Leg.,
35 R.S., Ch. 391, Sec. 14 (part); New.)

36 Source Law

37 Sec. 14. . . . A written report of the audit

1 shall be delivered to each member of the board of
2 directors . . . a copy of such audit report shall be
3 delivered upon request to the holder or holders of at
4 least 25 percent of the then outstanding bonds of the
5 district; and

6 Revisor's Note

7 (1) Section 14, Chapter 391, Acts of the 61st
8 Legislature, Regular Session, 1969, refers to various
9 audit procedures, including who may receive a copy of
10 the audit report. As detailed in the revisor's notes
11 that follow, procedures that are superseded by
12 Subchapter G, Chapter 49, Water Code, have been
13 omitted as superseded by Section 49.191(b), Water
14 Code, and the specific provisions in Subchapter G that
15 conflict with Chapter 391, Acts of the 61st
16 Legislature, Regular Session, 1969. Section 49.191(b)
17 states that Subchapter G "shall take precedence over
18 all prior statutory enactments." Subchapter G,
19 Chapter 49, Water Code, was enacted in 1995 by Section
20 2, Chapter 715, Acts of the 74th Legislature, Regular
21 Session. For context and the convenience of the
22 reader, the revised law adds a reference to the audit
23 report required by Subchapter G, Chapter 49, Water
24 Code.

25 (2) Section 14, Chapter 391, Acts of the 61st
26 Legislature, Regular Session, 1969, provides that an
27 annual audit of the district's affairs shall be
28 prepared by an independent certified public accountant
29 or a firm of independent certified public accountants
30 of recognized integrity and ability. The revised law
31 omits that provision as superseded by Sections
32 49.191(b) and (c), Water Code (enacted by Section 2,
33 Chapter 715, Acts of the 74th Legislature, Regular
34 Session, 1995). The omitted law reads:

35 Sec. 14. . . . an audit of its
36 affairs for each year shall be prepared by
37 an independent certified public accountant,
38 or a firm of independent certified public
39 accountants, of recognized integrity and

1 ability. . . .

2 (3) Section 14, Chapter 391, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that a
4 written report of the audit shall be delivered to each
5 board member not later than 90 days after the close of
6 each fiscal year. The revised law omits the deadline
7 for delivery of the report as superseded by Sections
8 49.191(b) and (d), Water Code (enacted by Section 2,
9 Chapter 715, Acts of the 74th Legislature, Regular
10 Session, 1995). The omitted law reads:

11 Sec. 14. . . . [A written report of
12 the audit shall be delivered to each member
13 of the board of directors] not later than 90
14 days after the close of each fiscal year;
15 and

16 (4) Section 14, Chapter 391, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that at
18 least five copies of the audit report shall be
19 delivered to the district office and that one of those
20 copies shall constitute a public record. The revised
21 law omits those provisions as superseded by Sections
22 49.191(b), 49.194(c), and 49.196(b), Water Code
23 (enacted by Section 2, Chapter 715, Acts of the 74th
24 Legislature, Regular Session, 1995). The omitted law
25 reads:

26 Sec. 14. . . . at least five
27 additional copies of said audit shall be
28 delivered to the office of the district, one
29 of which shall be kept on file, and shall
30 constitute a public record open to
31 inspection by any interested person or
32 persons during normal office hours;
33 and

34 (5) Section 14, Chapter 391, Acts of the 61st
35 Legislature, Regular Session, 1969, provides that one
36 copy of the audit report shall be filed with the Texas
37 Water Rights Commission. The revised law omits that
38 provision as superseded by Sections 49.191(b) and
39 49.194(a), Water Code (enacted by Section 2, Chapter
40 715, Acts of the 74th Legislature, Regular Session,

1 1995). The omitted law reads:

2 Sec. 14. . . . one copy of such
3 audit report shall be filed with the Texas
4 Water Rights Commission. . . .

5 (6) Section 14, Chapter 391, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that the
7 district shall pay the cost of the audit. The revised
8 law omits that provision because it duplicates Section
9 49.191(a), Water Code. The omitted law reads:

10 Sec. 14. . . . The cost of such audit
11 shall be paid for by the district.

12 Revised Law

13 Sec. 8274.156. PAYMENT OF TAX OR ASSESSMENT NOT REQUIRED.

14 The district is not required to pay a tax or assessment on:

- 15 (1) district property; or
16 (2) a purchase made by the district. (Acts 61st Leg.,
17 R.S., Ch. 391, Sec. 24 (part).)

18 Source Law

19 Sec. 24. . . . the district shall not be
20 required to pay any tax or assessment on its properties
21 or any part thereof or on any purchases made by the
22 district.

23 Revised Law

24 Sec. 8274.157. DEPOSITORY. (a) The board shall select one
25 or more banks in this state to act as depository for the district's
26 money.

27 (b) To the extent that money in the depository bank is not
28 insured by the Federal Deposit Insurance Corporation, the money
29 must be secured in the manner provided by law for the security of
30 county funds.

31 (c) A director may be a shareholder in a bank that is a
32 depository of district money. (Acts 61st Leg., R.S., Ch. 391, Sec.
33 14 (part).)

34 Source Law

35 Sec. 14. The board of directors of the district
36 shall select any bank or banks in the State of Texas to
37 act as depository or depositories for the funds of the
38 district. To the extent that funds in the depository
39 bank or banks are not insured by the Federal Deposit
40 Insurance Corporation, they shall be secured in the

1 manner provided by law for the security of county
2 funds. Any director of the district may be a
3 shareholder in said depository bank or banks. . . .

4 Revisor's Note

5 Section 14, Chapter 391, Acts of the 61st
6 Legislature, Regular Session, 1969, refers to the
7 district's "funds." The revised law substitutes
8 "money" for "funds" because, in the context of
9 district funds, the meaning is the same and "money" is
10 the more commonly used term.

11 [Sections 8274.158-8274.200 reserved for expansion]

12 SUBCHAPTER E. BONDS

13 Revised Law

14 Sec. 8274.201. AUTHORITY TO ISSUE BONDS. The district may
15 vote and issue any kind of bonds or issue refunding bonds for
16 contiguous or noncontiguous areas for any district purpose. (Acts
17 61st Leg., R.S., Ch. 391, Sec. 16 (part).)

18 Source Law

19 Sec. 16. . . . The district may vote and issue
20 any kind of bonds or issue refunding bonds for any or
21 all of such purposes herein provided, for contiguous
22 or noncontiguous areas, and

23 Revisor's Note

24 Section 16, Chapter 391, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that the
26 district may provide for and pay for district bonds and
27 pay for any expense necessarily incurred in the
28 issuance of district bonds. The revised law omits that
29 provision because it duplicates, in substance, parts
30 of Sections 49.155(a) and 54.503, Water Code. The
31 omitted law reads:

32 Sec. 16. [The district may . . .
33 issue . . . bonds . . . and] provide and
34 make payment therefor and for necessary
35 expenses in connection therewith. . . .

36 Revised Law

37 Sec. 8274.202. USE OF BOND PROCEEDS OUTSIDE DISTRICT. The
38 proceeds from the sale of tax-supported district bonds may not be
39 spent outside the district unless the expenditure is absolutely

1 necessary to the operation of the district in the exercise of the
2 district's rights, powers, privileges, and functions. (Acts 61st
3 Leg., R.S., Ch. 391, Sec. 16 (part).)

4 Source Law

5 Sec. 16. . . . Provided, however, that no
6 proceeds from sale of tax-supported bonds of the
7 district shall be expended outside of the boundaries
8 of the district, unless it is absolutely necessary to
9 the operation of the district, in the exercise of its
10 lawful rights, powers, privileges, authority and
11 functions.

12 Revisor's Note

13 Section 16, Chapter 391, Acts of the 61st
14 Legislature, Regular Session, 1969, refers to the
15 district's "lawful rights, powers, privileges,
16 authority and functions." The revised law omits
17 "lawful" as unnecessary because the district is
18 created under law and all of the district's rights,
19 powers, privileges, authority, and functions are
20 granted or conferred by law.

21 Revised Law

22 Sec. 8274.203. USE OF BOND PROCEEDS DURING CONSTRUCTION.

23 (a) The district may appropriate or set aside out of the proceeds
24 from the sale of any bonds issued under this chapter an amount for
25 the payment of interest, administrative, and operating expenses
26 expected to accrue during a period of construction, as may be
27 provided in the bond orders or resolutions.

28 (b) For purposes of this section, the period of construction
29 may not exceed three years. (Acts 61st Leg., R.S., Ch. 391, Sec. 12
30 (part).)

31 Source Law

32 Sec. 12. . . .
33 From the proceeds of sale of any bonds issued
34 hereunder, the district may appropriate or set aside
35 out of the bond proceeds an amount for the payment of
36 interest, administrative, and operating expenses
37 expected to accrue during the period of construction,
38 said period not to exceed three years, as may be
39 provided in the bond orders or resolutions, and . . .

40 Revised Law

41 Sec. 8274.204. LOST OR MUTILATED BONDS. A trust indenture

1 securing bonds issued under this chapter may provide for the
2 issuance of bonds to replace lost or mutilated bonds. (Acts 61st
3 Leg., R.S., Ch. 391, Sec. 12 (part).)

4 Source Law

5 Sec. 12. . . .
6 [Such bonds . . . may be additionally secured by
7 a deed of trust or mortgage lien] . . . Such trust
8 indenture, . . . may make provisions for . . . the
9 issuance of bonds to replace lost or mutilated bonds,
10 and

11 Revised Law

12 Sec. 8274.205. REFUNDING BONDS. (a) By order or resolution
13 adopted by the board, the district may issue revenue refunding
14 bonds or tax-revenue refunding bonds to refund revenue bonds or
15 tax-revenue bonds, whether original bonds or refunding bonds,
16 previously issued by the district.

17 (b) The comptroller shall register the refunding bonds on
18 the surrender and cancellation of the bonds to be refunded.

19 (c) Instead of issuing bonds to be registered on the
20 surrender and cancellation of the bonds to be refunded, the
21 district, in the order or resolution authorizing the issuance of
22 the refunding bonds, may provide for the sale of the refunding bonds
23 and the deposit of the proceeds in the place or places where the
24 bonds to be refunded are payable. In that case, the refunding bonds
25 may be issued if an amount sufficient to pay the principal of and
26 interest on the bonds to be refunded to their maturity dates, or to
27 their option dates if according to their terms the bonds have been
28 called for payment before maturity, has been deposited in the place
29 or places where the bonds to be refunded are payable, and the
30 comptroller shall register the refunding bonds without the
31 surrender and cancellation of the bonds to be refunded. (Acts 61st
32 Leg., R.S., Ch. 391, Sec. 12 (part).)

33 Source Law

34 Sec. 12. . . .
35 By orders or resolutions adopted by its board of
36 directors, said district shall have the power and
37 authority to issue revenue refunding bonds or
38 tax-revenue refunding bonds to refund revenue bonds or
39 tax-revenue bonds (either original bonds or refunding
40 bonds) theretofore issued by such district. Said

1 refunding bonds shall be approved by the attorney
2 general as in the case of original bonds, and shall be
3 registered by the comptroller of public accounts upon
4 the surrender and cancellation of the bonds to be
5 refunded, but in lieu thereof, the orders or
6 resolutions authorizing the issuance of said refunding
7 bonds may provide that they shall be sold and the
8 proceeds thereof deposited in the place or places
9 where the underlying bonds are payable, in which case
10 the refunding bonds may be issued provided an amount
11 sufficient to pay the interest and principal on the
12 underlying bonds to their maturity dates, or to their
13 option dates if said bonds have been duly called for
14 payment prior to maturity according to their terms,
15 has been so deposited in the place or places where said
16 underlying bonds are payable, and the comptroller of
17 public accounts shall register them without the
18 surrender and cancellation of the underlying
19 bonds. . . .

20 Revisor's Note

21 (1) Section 12, Chapter 391, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that the
23 district "shall have the power and authority" to issue
24 certain bonds. The revised law substitutes "may" for
25 the quoted language for the reason stated in Revisor's
26 Note (2) to Section 8274.102.

27 (2) Section 12, Chapter 391, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that
29 refunding bonds "shall be approved by the attorney
30 general as in the case of original bonds." The revised
31 law omits the quoted language because it is superseded
32 by Section 1202.003, Government Code, enacted in 1987
33 as Section 3.002(a), Chapter 53, Acts of the 70th
34 Legislature, 2nd Called Session (Article 717k-8,
35 Vernon's Texas Civil Statutes). That section applies
36 to district bonds by application of Section 1202.001,
37 Government Code.

38 (3) Section 12, Chapter 391, Acts of the 61st
39 Legislature, Regular Session, 1969, refers to bonds
40 that have been "duly" called for payment before their
41 maturity. The revised law omits "duly" in this context
42 because it does not add to the clear meaning of the
43 law.

Revisor's Note
(End of Subchapter)

(1) Section 11, Chapter 391, Acts of the 61st Legislature, Regular Session, 1969, provides that the district shall comply with the requirements of Article 7880--139, Vernon's Texas Civil Statutes. Article 7880--139 was codified by Chapter 58, Acts of the 62nd Legislature, Regular Session, 1971, as Sections 51.421 and 51.422, Water Code. After the district was converted to a municipal utility district in 1980, those sections no longer applied to the district. Instead, Sections 54.516 and 54.517, Water Code, applied to the district under Section 54.034 of that code. See Revisor's Note (3) to Section 8274.002. Chapter 715, Acts of the 74th Legislature, Regular Session, 1995, repealed Sections 54.516 and 54.517, Water Code, and enacted Sections 49.181 and 49.182, Water Code, to govern the authority of the Texas Commission on Environmental Quality over the issuance of district bonds and supervision by the commission of projects and improvements, respectively. Sections 49.181 and 49.182, Water Code, apply to the district on their own terms, without an express reference to those sections in this chapter. The omitted law reads:

Sec. 11. The district shall comply with the requirements of Article 7880--139, Vernon's Texas Civil Statutes.

(2) Section 12, Chapter 391, Acts of the 61st Legislature, Regular Session, 1969, refers to the district's authority to issue bonds for specific purposes. The revised law omits that provision because it duplicates Section 54.501, Water Code. The omitted law reads:

Sec. 12. The district is hereby authorized to issue [its negotiable tax bonds, revenue bonds, or tax and revenue] bonds to provide funds for any or all of the purposes set out or incorporated by reference herein, including the acquisition

1 of land therefor, and

2 (3) Section 12, Chapter 391, Acts of the 61st
3 Legislature, Regular Session, 1969, authorizes the
4 district to issue "negotiable" bonds and provides for
5 the payment of those bonds. The revised law omits the
6 reference to "negotiable" bonds because Section
7 1201.041, Government Code, provides that a public
8 security is a negotiable instrument. Section 1201.041
9 applies to district bonds by application of Section
10 1201.002, Government Code. The revised law omits the
11 provision regarding the payment of district bonds
12 because the provision duplicates, in substance,
13 Section 54.503, Water Code. The omitted law reads:

14 Sec. 12. [The district is hereby
15 authorized to issue] its negotiable tax
16 bonds, revenue bonds, or tax and revenue
17 [bonds]

18 The bonds issued hereunder may be
19 payable from all or any designated part or
20 parts of the revenues of the district's
21 properties and facilities or under specific
22 contracts, as may be provided in the orders
23 or resolutions authorizing the issuance of
24 such bonds; and,

25 (4) Section 12, Chapter 391, Acts of the 61st
26 Legislature, Regular Session, 1969, provides that
27 district bonds shall be issued under Chapter 3A, Title
28 128, and Article 7880--90a, Vernon's Texas Civil
29 Statutes. Chapter 58, Acts of the 62nd Legislature,
30 Regular Session, 1971, codified the relevant
31 provisions of Chapter 3A, Title 128, as Chapter 51,
32 Water Code. The same act codified Article 7880--90a as
33 Sections 51.450-51.454, Water Code. The revised law
34 omits the references to those laws because the
35 district converted from a water control and
36 improvement district governed by Chapter 51, Water
37 Code, to a municipal utility district governed by
38 Chapter 54, Water Code. See Revisor's Note (3) to
39 Section 8274.002. The provisions of Chapter 54, Water
40 Code, apply on their own terms. The omitted law reads:

1 Sec. 12. . . . said bonds shall be
2 issued in the manner provided and as
3 authorized by Article 7880--90a, Vernon's
4 Texas Civil Statutes and Chapter 3A, Title
5 128, Vernon's Texas Civil Statutes, as
6 presently or hereafter amended;

7 (5) Section 12, Chapter 391, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that an
9 election is not required for bonds payable from
10 revenues. The revised law omits that provision
11 because it duplicates, in substance, Section 54.505,
12 Water Code. The omitted law reads:

13 Sec. 12. . . . provided, however,
14 that bonds payable solely from net revenues
15 may be issued by resolution or order of the
16 board of directors and no election therefor
17 shall be necessary. . . .

18 (6) Section 12, Chapter 391, Acts of the 61st
19 Legislature, Regular Session, 1969, provides that
20 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
21 applies to bonds issued under Section 12 except when
22 Chapter 3A is inconsistent or in conflict with Section
23 12. The revised law omits the provision for the
24 reasons stated in Revisor's Note (4) to the end of this
25 subchapter and Revisor's Note (1) to the end of
26 Subchapter A. The omitted law reads:

27 Sec. 12. . . . except as the same may
28 be inconsistent or in conflict with the
29 provisions of this Act, the provisions of
30 said Chapter 3A, Title 128, Vernon's Texas
31 Civil Statutes, as presently or hereafter
32 amended, shall apply to all bonds issued
33 under the provisions of this Act (the
34 provisions of this Act to govern and take
35 precedence in the event of any such
36 inconsistency or conflict). . . .

37 (7) Section 12, Chapter 391, Acts of the 61st
38 Legislature, Regular Session, 1969, provides for
39 additional security for bonds. The revised law omits
40 that provision because it duplicates Section 54.504,
41 Water Code. The omitted law reads:

42 Sec. 12. . . .
43 Such bonds, within the discretion of
44 the board of directors, may be additionally
45 secured by a deed of trust or mortgage lien

1 upon part or all of the physical properties
2 of the district, and franchises, easements,
3 water rights and appropriation permits,
4 leases, and contracts and all rights
5 appurtenant to such properties, vesting in
6 the trustee power to sell such properties
7 for payment of the indebtedness, power to
8 operate the properties and all other powers
9 and authority for the further security of
10 the bonds. [Such trust indenture,
11 regardless of the existence of the deed of
12 trust or mortgage lien on the properties,
13 may contain provisions prescribed by the
14 board of directors for the security of the
15 bonds and the preservation of the trust
16 estate, and [may make provisions for]
17 amendment or modification thereof and . . .
18 may condition the right to expend district
19 money or sell district property upon
20 approval of a registered professional
21 engineer selected as provided therein and
22 may make provision for investment of funds
23 of the district. Any purchaser under a sale
24 under the deed of trust or mortgage lien,
25 where one is given, shall be absolute owner
26 of the properties, facilities, and rights
27 so purchased and shall have the right to
28 maintain and operate same. . . .

29 (8) Section 12, Chapter 391, Acts of the 61st
30 Legislature, Regular Session, 1969, specifies various
31 provisions of bonds. The revised law omits that
32 provision because it duplicates Section 54.510, Water
33 Code. The omitted law reads:

34 Sec. 12. . . .
35 In the orders or resolutions
36 authorizing the issuance of any revenue,
37 tax-revenue, revenue refunding, or
38 tax-revenue refunding bonds authorized
39 herein, the district's board of directors
40 may provide for the flow of funds, the
41 establishment and maintenance of the
42 interest and sinking fund or funds, reserve
43 fund or funds, and other funds, and may make
44 additional covenants with respect to the
45 bonds and the pledged revenues and the
46 operation and maintenance of the
47 improvements and facilities the revenues of
48 which are pledged, including provisions for
49 the operation or for the leasing of all or
50 any part of said improvements and
51 facilities and the use or pledge of moneys
52 derived from such operation contracts and
53 leases, as such board may deem appropriate.
54 Such orders or resolutions may also
55 prohibit the further issuance of bonds or
56 other obligations payable from the pledged
57 revenues, or may reserve the right to issue
58 additional bonds to be secured by a pledge
59 of and payable from said revenues on a
60 parity with, or subordinate to, the lien and
61 pledge in support of the bonds being issued,
62 subject to such conditions as are set forth
63 in such orders or resolutions. Such orders

1 or resolutions may contain other provisions
2 and covenants, as the district's board may
3 determine, not prohibited by the
4 Constitution of Texas or by this Act, and
5 said board may adopt and cause to be
6 executed any other proceedings or
7 instruments necessary or convenient in the
8 issuance of any such bonds. . . .

9 (9) Section 12, Chapter 391, Acts of the 61st
10 Legislature, Regular Session, 1969, provides for the
11 use of bond proceeds to pay expenses incurred and to be
12 incurred in the issuance, sale, and delivery of the
13 bonds. The revised law omits that provision because it
14 duplicates, in substance, Section 49.155, Water Code.
15 The omitted law reads:

16 Sec. 12. . . .
17 [From the proceeds of sale of any bonds
18 issued hereunder, the district may
19 appropriate or set aside out of the bond
20 proceeds] . . . an amount necessary to pay
21 all expenses incurred and to be incurred in
22 the issuance, sale and delivery of the
23 bonds. . . .

24 (10) Section 12, Chapter 391, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that
26 money in a fund established or provided for in a bond
27 order or resolution may be invested in securities as
28 provided in the bond order or may be placed on
29 interest-bearing time deposit. The revised law omits
30 that provision because it is superseded by Subchapter
31 A, Chapter 2256, Government Code (enacted as Chapter
32 889, Acts of the 70th Legislature, Regular Session,
33 1987). The omitted law reads:

34 Sec. 12. . . . Moneys in the interest
35 and sinking fund or funds and the reserve
36 fund or funds, and in the other fund or
37 funds established or provided for in the
38 bond orders or resolutions may be invested
39 in such manner and in such securities as may
40 be provided in the bond order or orders or
41 may be placed on interest-bearing time
42 deposit. . . .

43 (11) Section 12, Chapter 391, Acts of the 61st
44 Legislature, Regular Session, 1969, provides that bond
45 proceeds may be invested in securities of the United
46 States or placed on interest-bearing time deposit.

1 The revised law omits that provision as superseded by
2 Subchapter A, Chapter 2256, Government Code (enacted
3 as Chapter 889, Acts of the 70th Legislature, Regular
4 Session, 1987). The omitted law reads:

5 Sec. 12. . . . Until such time as the
6 bond proceeds are needed to carry out the
7 bond purpose, such proceeds may be invested
8 in securities of the United States
9 government or any agency thereof or may be
10 placed on interest-bearing time deposit,
11 either or both. . . .

12 (12) Section 12, Chapter 391, Acts of the 61st
13 Legislature, Regular Session, 1969, provides that
14 district bonds may be registered as to principal or as
15 to principal and interest. The revised law omits that
16 provision because it duplicates Section 1201.024,
17 Government Code. That section applies to district
18 bonds by application of Section 1201.002, Government
19 Code. The omitted law reads:

20 Sec. 12. . . . Any such revenue
21 bonds, tax-revenue, revenue refunding
22 bonds, or tax-revenue refunding bonds
23 herein mentioned may be registrable as to
24 principal, or as to both principal and
25 interest. . . .

26 (13) Section 12, Chapter 391, Acts of the 61st
27 Legislature, Regular Session, 1969, requires the
28 district to deliver its bonds to the attorney general
29 for examination and approval. The revised law omits
30 that provision because it duplicates, in substance,
31 Section 1202.003, Government Code. Section 1202.003,
32 Government Code, applies to district bonds by
33 application of Section 1202.001, Government Code. The
34 omitted law reads:

35 Sec. 12. . . .
36 After any bonds have been authorized
37 by the district hereunder, such bonds and
38 the record relating to their issuance shall
39 be submitted to the Attorney General of the
40 State of Texas for his examination as to the
41 validity thereof, and

42 (14) Section 12, Chapter 391, Acts of the 61st
43 Legislature, Regular Session, 1969, provides that

1 after approval the bonds shall be registered with the
2 comptroller. The revised law omits that provision as
3 superseded by Section 1202.005, Government Code
4 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
5 of the 70th Legislature, 2nd Called Session). Section
6 1202.005, Government Code, applies to district bonds
7 by application of Section 1202.001, Government Code.
8 The omitted law reads:

9 Sec. 12. . . . after said attorney
10 general has approved the same, such bonds
11 shall be registered by the Comptroller of
12 Public Accounts of the State of
13 Texas. . . .

14 (15) Section 12, Chapter 391, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that
16 after approval and registration, district bonds are
17 incontestable except for forgery or fraud. The
18 revised law omits that provision as impliedly repealed
19 by Section 1202.006, Government Code (enacted as
20 Section 3.002(d), Chapter 53, Acts of the 70th
21 Legislature, 2nd Called Session, 1987). Section
22 1202.006, Government Code, provides that after
23 approval and registration, bonds are incontestable for
24 any reason. Section 1202.006 applies to district
25 bonds by application of Section 1202.001, Government
26 Code. The omitted law reads:

27 Sec. 12. . . . When such bonds have
28 been approved by the attorney general,
29 registered by the comptroller of public
30 accounts, and delivered to the purchasers,
31 they shall thereafter be incontestable
32 except for forgery or fraud. . . .

33 (16) Section 12, Chapter 391, Acts of the 61st
34 Legislature, Regular Session, 1969, details various
35 procedures regarding the attorney general's approval
36 of bond contracts and proceedings. The revised law
37 omits the portion of Section 12 regarding the
38 incontestability of a contract the proceeds of which
39 are pledged to the payment of a bond as impliedly

1 repealed by Section 1202.006, Government Code (enacted
2 as Section 3.002(d), Chapter 53, Acts of the 70th
3 Legislature, 2nd Called Session, 1987). Section
4 1202.006, Government Code, provides that after
5 approval and registration of the bond, the bond and
6 contract are incontestable for any reason. Section
7 1202.006 applies to district bonds by application of
8 Section 1202.001, Government Code. The omitted law
9 reads:

10 Sec. 12. . . . When any bonds recite
11 that they are secured partially or
12 otherwise by a pledge of the proceeds of a
13 contract or contracts made between the
14 district and another party or parties
15 (private or public) a copy of such contract
16 or contracts and the proceedings
17 authorizing the same may or may not be
18 submitted to the attorney general along
19 with the bond record and, if so submitted,
20 the approval by the attorney general of the
21 bonds shall constitute an approval of such
22 contract or contracts, and thereafter the
23 contract or contracts shall be
24 incontestable for any cause except for
25 forgery or fraud. . . .

26 (17) Section 12, Chapter 391, Acts of the 61st
27 Legislature, Regular Session, 1969, provides that the
28 district may sell bonds only after taking public bids.
29 The revised law omits that provision because it
30 duplicates, in substance, Section 49.183(a), Water
31 Code. The omitted law reads:

32 Sec. 12. . . . The district's bonds
33 shall only be sold after taking public bids
34 therefor.

35 (18) Section 17, Chapter 391, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that the
37 district may sell bonds at any price or on any terms,
38 except that the price may not be less than that
39 provided by law. The revised law omits that provision
40 because it duplicates Section 1204.006(b), Government
41 Code. Section 1204.006(b) provides that an issuer may
42 sell public securities at any price and applies to
43 district bonds by application of Section 1204.001,

1 Government Code. The omitted law reads:

2 Sec. 17. Bonds of the district may be
3 sold at a price and upon the terms
4 determined by the board of directors of the
5 district, except that such bonds shall not
6 be sold for a less amount than provided by
7 law.

8 (19) Section 18, Chapter 391, Acts of the 61st
9 Legislature, Regular Session, 1969, provides that
10 elections to authorize district bonds must be held
11 under applicable general law. Section 18 also
12 provides that if the first bond election fails, any
13 provision of the general law relating to the
14 dissolution of a district when a bond election fails
15 does not apply to the district. The revised law omits
16 the provision relating to the first bond election as
17 executed. The revised law omits the provision
18 requiring bond elections to be held under applicable
19 general law because the provision duplicates Section
20 49.101, Water Code. The omitted law reads:

21 Sec. 18. All elections to authorize
22 the issuance of bonds by the district shall
23 be held pursuant to the general law
24 applicable thereto; provided, however, that
25 if the first bond election fails, Article
26 7880-77b, Vernon's Texas Civil Statutes, or
27 any other provision of the general law
28 pertaining to dissolution of the district
29 when a bond election fails, shall not apply.

30 (20) Section 21, Chapter 391, Acts of the 61st
31 Legislature, Regular Session, 1969, lists the entities
32 for which district bonds are legal investments and
33 provides that district bonds may secure deposits of
34 public funds of the state or political subdivisions.
35 The revised law omits the provision relating to the
36 eligibility of district bonds to be considered as
37 investments for various entities because it duplicates
38 Section 49.186(a), Water Code. The revised law omits
39 the provision relating to deposits of state funds by
40 the comptroller as impliedly repealed by Section
41 404.0221, Government Code (enacted in 1995), which

1 lists eligible collateral for deposits of state funds
2 by the comptroller. As to deposits of other funds, the
3 provision is impliedly repealed by Chapter 2257,
4 Government Code (enacted in 1989 as Article 2529d,
5 Vernon's Texas Civil Statutes), which governs eligible
6 collateral for deposits of funds of other public
7 agencies, including political subdivisions, and
8 permits those deposits to be secured by obligations
9 issued by conservation and reclamation districts. The
10 omitted law reads:

11 Sec. 21. All bonds and refunding
12 bonds of the district shall be and are
13 hereby declared to be legal, eligible, and
14 authorized investments for banks, savings
15 and loan associations, insurance companies,
16 fiduciaries, trustees, and for the sinking
17 funds of cities, towns, villages, counties,
18 school districts, or other political
19 corporations or subdivisions of the State
20 of Texas and for all public funds of the
21 State of Texas or its agencies, including
22 the State Permanent School Fund. Such bonds
23 and refunding bonds shall be eligible to
24 secure the deposit of any and all public
25 funds of the State of Texas, cities, towns,
26 villages, counties, school districts, or
27 other political corporations or
28 subdivisions of the State of Texas; and such
29 bonds shall be lawful and sufficient
30 security for said deposits to the extent of
31 their face value, when accompanied by all
32 unmatured coupons appurtenant thereto.

33 Revisor's Note
34 (End of Chapter)

35 (1) Section 6, Chapter 391, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that it
37 is not necessary for the board of directors to hold an
38 election to confirm the district's creation. The
39 revised law omits that provision as executed. The
40 omitted law reads:

41 Sec. 6. It shall not be necessary for
42 the board of directors to call or hold a
43 confirmation election for the confirmation
44 of the district.

45 (2) Section 7, Chapter 391, Acts of the 61st
46 Legislature, Regular Session, 1969, provides for the
47 exclusion of property from the district before the

1 first bond election is called. The revised law omits
2 that provision as executed because the district has
3 already issued bonds. The omitted law reads:

4 Sec. 7. It shall not be necessary for
5 the board of directors to call or hold a
6 hearing on the exclusions of land or other
7 property from the district; provided,
8 however, that the board shall hold such
9 hearing upon the written petition of any
10 landowner or other property owner within
11 the district filed with the secretary of the
12 board prior to the calling of the first bond
13 election for the district. The board may act
14 on said petition in the same manner that it
15 may act on a petition for the addition of
16 land under Article 7880--75, Vernon's Texas
17 Civil Statutes, and no notice of hearing
18 shall be required. . . .

19 (3) Section 7, Chapter 391, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that the
21 board may on its own motion hold a hearing on the
22 exclusion of property from the district in the manner
23 provided by general law. The revised law omits that
24 provision because it duplicates, in substance, Section
25 49.303(b), Water Code. The omitted law reads:

26 Sec. 7. . . . The board on its own
27 motion may call and hold an exclusions
28 hearing or hearings in the manner provided
29 by the general law.

30 (4) Section 20, Chapter 391, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that the
32 board shall canvass the returns of all elections. The
33 revised law omits that requirement because it
34 duplicates Section 67.002, Election Code, which
35 requires the governing body of a political subdivision
36 that orders an election to canvass the returns.
37 Section 20 also provides that the board shall canvass
38 the election returns "as soon as reasonably
39 practicable after an election." The revised law omits
40 that provision as superseded by Section 67.003,
41 Election Code (enacted by Section 1, Chapter 211, Acts
42 of the 69th Legislature, Regular Session, 1985). The
43 omitted law reads:

1 Sec. 20. The returns of all elections
2 shall be canvassed by the board of directors
3 of the district as soon as reasonably
4 practicable after an election.

5 (5) Section 23, Chapter 391, Acts of the 61st
6 Legislature, Regular Session, 1969, contains
7 legislative findings relating to the performance of
8 certain requirements under Section 59(d), Article XVI,
9 Texas Constitution, and to the authority of the
10 legislature to enact that chapter. The revised law
11 omits the provision as executed. The omitted law
12 reads:

13 Sec. 23. The Legislature
14 specifically finds and declares that the
15 requirements of Article XVI, Section 59(d),
16 Constitution of Texas, have been done and
17 accomplished in due course and time, and in
18 due order, and that the Legislature has the
19 power and authority to enact this Act.

20 (6) Section 25, Chapter 391, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that the
22 act is severable. The revised law omits that provision
23 because it duplicates Section 311.032, Government Code
24 (Code Construction Act), which states that a provision
25 of a statute is severable from each other provision of
26 the statute that can be given effect. The omitted law
27 reads:

28 Sec. 25. If any word, phrase, clause,
29 paragraph, sentence, part, portion or
30 provision of this Act or the application
31 thereof to any person or circumstance shall
32 be held to be invalid or unconstitutional,
33 the remainder of this Act shall
34 nevertheless be valid, and the Legislature
35 hereby declares that this Act would have
36 been enacted without such invalid or
37 unconstitutional word, phrase, clause,
38 paragraph, sentence, part, portion or
39 provision. . . .

8 CHAPTER 8275. HARRIS COUNTY UTILITY DISTRICT NO. 14

9 SUBCHAPTER A. GENERAL PROVISIONS

10 Revised Law

11 Sec. 8275.001. DEFINITIONS. In this chapter:

12 (1) "Board" means the district's board of directors.

13 (2) "Director" means a member of the board.

14 (3) "District" means the Harris County Utility
15 District No. 14. (Acts 62nd Leg., R.S., Ch. 445, Sec. 1 (part);
16 New.)

17 Source Law

18 Sec. 1. . . . [a . . . district] . . . to be
19 known as "Harris County Utility District No. 14,"
20 hereinafter called the "district,"

21 Revisor's Note

22 The definitions of "board" and "director" are
23 added to the revised law for drafting convenience and
24 to eliminate frequent, unnecessary repetition of the
25 substance of the definitions.

26 Revised Law

27 Sec. 8275.002. NATURE OF DISTRICT. The district is a
28 conservation and reclamation district in Harris County created
29 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
30 R.S., Ch. 445, Sec. 1 (part).)

31 Source Law

32 Sec. 1. . . . there is hereby created and
33 established, under and pursuant to the provisions of
34 Article XVI, Section 59 of the Constitution of Texas, a
35 conservation and reclamation district in Harris
36 County, Texas, . . . which shall be a governmental
37 agency and a body politic and corporate. . . .

1 Revisor's Note

2 (1) Section 1, Chapter 445, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that the
4 district is "created and established." The revised
5 law omits "established" because the meaning of that
6 word is included in the meaning of "created."

7 (2) Section 1, Chapter 445, Acts of the 62nd
8 Legislature, Regular Session, 1971, provides that the
9 district is created notwithstanding certain laws
10 relating to consent. The revised law omits that
11 provision as executed because the district has been
12 created. The omitted law reads:

13 Sec. 1. Notwithstanding provisions
14 of the general laws relating to consent by
15 political subdivisions for the creation of
16 conservation and reclamation districts,
17 [there is hereby created . . . a
18 conservation and reclamation district]
19

20 (3) Section 1, Chapter 445, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to the
22 district as "a governmental agency and a body politic
23 and corporate." The revised law omits the quoted
24 language because it duplicates a portion of Section
25 59(b), Article XVI, Texas Constitution, which provides
26 that a conservation and reclamation district is a
27 governmental agency and a body politic and corporate.

28 Revised Law

29 Sec. 8275.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
30 The district is created to serve a public use and benefit.

31 (b) All land and other property included in the boundaries
32 of the district will benefit from the works and projects
33 accomplished by the district under the powers conferred by Section
34 59, Article XVI, Texas Constitution.

35 (c) The creation of the district is essential to accomplish
36 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
37 62nd Leg., R.S., Ch. 445, Secs. 1 (part), 3.)

1 Source Law

2 Sec. 1. . . . The creation and establishment of
3 the district is hereby declared to be essential to the
4 accomplishment of the purposes of Article XVI, Section
5 59 of the Constitution of Texas.

6 Sec. 3. It is determined and found that all of
7 the land and other property included within the area
8 and boundaries of the district will be benefited by the
9 works and project which are to be accomplished by the
10 district pursuant to the powers conferred by the
11 provisions of Article XVI, Section 59 of the
12 Constitution of Texas, and that said district is
13 created to serve a public use and benefit.

14 Revisor's Note

15 (1) Section 1, Chapter 445, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that the
17 "creation and establishment" of the district are
18 essential to accomplish the purposes of Section 59,
19 Article XVI, Texas Constitution. The revised law
20 omits "establishment" because its meaning is included
21 in the meaning of "creation."

22 (2) Section 3, Chapter 445, Acts of the 62nd
23 Legislature, Regular Session, 1971, refers to land and
24 other property included within the "area and
25 boundaries of the district." The revised law omits the
26 reference to "area" because, in context, "area" is
27 included in the meaning of "boundaries."

28 Revised Law

29 Sec. 8275.004. DISTRICT TERRITORY. (a) The district is
30 composed of the territory described by Section 4, Chapter 445, Acts
31 of the 62nd Legislature, Regular Session, 1971, as that territory
32 may have been modified under:

- 33 (1) Subchapter H, Chapter 54, Water Code;
34 (2) Subchapter J, Chapter 49, Water Code; or
35 (3) other law.

36 (b) The boundaries and field notes of the district form a
37 closure. A mistake in copying the field notes in the legislative
38 process or another mistake in the field notes does not affect:

- 39 (1) the district's organization, existence, or

1 validity;

2 (2) the district's right to issue any type of bond for
3 a purpose for which the district is created or to pay the principal
4 of and interest on the bond;

5 (3) the district's right to impose a tax; or

6 (4) the legality or operation of the district or its
7 governing body. (Acts 62nd Leg., R.S., Ch. 445, Sec. 2; New.)

8 Source Law

9 Sec. 2. It is determined and found that the
10 boundaries and field notes of the district form a
11 closure. If any mistake is made in copying the field
12 notes in the legislative process or otherwise a
13 mistake is made in the field notes, it shall in no way
14 affect the organization, existence and validity of the
15 district, or the right of the district to issue any
16 type of bonds or refunding bonds for the purposes for
17 which the district is created or to pay the principal
18 and interest thereon, or the right to assess, levy and
19 collect taxes, or in any other manner affect the
20 legality or operation of the district or its governing
21 body.

22 Revisor's Note

23 (1) The revision of the law governing the
24 district does not revise the statutory language
25 describing the territory of the district to avoid the
26 lengthy recitation of the description and because that
27 description may not be accurate on the effective date
28 of the revision or at the time of a later reading. For
29 the reader's convenience, the revised law includes
30 references to the statutory description of the
31 district's territory and to the authority to change the
32 district's territory under Subchapter H, Chapter 54,
33 Water Code, applicable to municipal utility districts,
34 and under Subchapter J, Chapter 49, Water Code,
35 applicable to the district under Sections 49.001 and
36 49.002 of that chapter. The revised law also includes
37 a reference to the general authority of the
38 legislature to enact a law to change the district's
39 territory.

40 (2) Section 2, Chapter 445, Acts of the 62nd

1 Legislature, Regular Session, 1971, provides that a
2 mistake in the description of the district boundaries
3 does not affect the right of the district to issue "any
4 type of bonds or refunding bonds." The revised law
5 omits the reference to "refunding bonds" because
6 refunding bonds are included in the meaning of "any
7 type of bonds."

8 (3) Section 2, Chapter 445, Acts of the 62nd
9 Legislature, Regular Session, 1971, refers to the
10 district's authority to "assess, levy and collect"
11 taxes. The revised law substitutes "impose" for
12 "assess, levy and collect" because "impose" is the
13 term generally used in Title 1, Tax Code, and includes
14 the assessment, levy, and collection of a tax.

15 [Sections 8275.005-8275.050 reserved for expansion]

16 SUBCHAPTER B. BOARD OF DIRECTORS

17 Revised Law

18 Sec. 8275.051. COMPOSITION OF BOARD. The board of
19 directors is composed of five elected directors. (Acts 62nd Leg.,
20 R.S., Ch. 445, Sec. 6 (part).)

21 Source Law

22 Sec. 6. . . . Succeeding directors shall be
23 elected or

24 Revisor's Note

25 (1) Section 6, Chapter 445, Acts of the 62nd
26 Legislature, Regular Session, 1971, refers to the
27 initial board of directors and to vacancy procedures.
28 The revised law omits the language relating to the
29 creation of the initial board as executed. The revised
30 law omits the language relating to vacancy procedures
31 for the initial board as executed and, to the extent
32 the language may apply to subsequently appointed
33 directors, because it duplicates in substance Section
34 49.105(c), Water Code. That section applies to the
35 district under Sections 49.001 and 49.002, Water Code.

1 The omitted law reads:

2 Sec. 6. Immediately after this Act
3 becomes effective, the following named
4 persons shall be the directors of the
5 district and shall constitute the board of
6 directors of the district:

7 Fred Goeke
8 Larry McLean
9 Andy Difiore
10 Kenny Paul
11 Gene Teas

12 Said persons shall qualify to serve as
13 directors prior to the first meeting of the
14 board of directors. Should any of the above
15 named directors fail to qualify for any
16 reason, the remaining named directors shall
17 appoint someone to fill such vacancy or
18 vacancies; provided, however, that if at
19 any time the number of qualified directors
20 shall be less than three because of the
21 failure or refusal of one or more directors
22 to qualify or serve or because of his or
23 their death or incapacitation, or for any
24 such other reason, the Texas Water Rights
25 Commission shall appoint the necessary
26 number of directors to fill all vacancies on
27 the board. The directors above named or
28 their duly appointed and qualified
29 successor or successors shall serve until
30 the second Saturday in January, 1973. . . .

31 (2) Section 6, Chapter 445, Acts of the 62nd
32 Legislature, Regular Session, 1971, refers to
33 "[s]ucceeding directors" to distinguish the
34 succeeding directors from the initial directors named
35 in that section. The revised law substitutes "five"
36 for "succeeding" to conform to the number of directors
37 listed in Section 6 (establishing the initial board).

38 (3) Section 6, Chapter 445, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides for
40 directors to be elected or appointed and to serve for
41 the term and in the manner provided by Chapter 54,
42 Water Code. Chapter 715, Acts of the 74th Legislature,
43 Regular Session, 1995, repealed the relevant
44 provisions of Chapter 54 and enacted similar
45 provisions in Chapter 49, Water Code, including
46 Section 49.103, which governs the terms of office and
47 manner of election of directors of a municipal utility
48 district that is required by law to elect its

1 directors. The revised law omits any reference to
2 Chapter 49, Water Code, because Chapter 49 applies to
3 the district under Sections 49.001 and 49.002 of that
4 chapter. The revised law also omits "appointed"
5 because it is clear from the context of Section 6 that
6 the reference applies only to directors appointed to
7 fill vacancies as provided by Chapter 49, Water Code.
8 The omitted law reads:

9 Sec. 6. . . . [Succeeding directors
10 shall be elected or] appointed and shall
11 serve for the term and in the manner
12 provided by Chapter 54, Title 4, Water Code.

13 [Sections 8275.052-8275.100 reserved for expansion]

14 SUBCHAPTER C. POWERS AND DUTIES

15 Revised Law

16 Sec. 8275.101. MUNICIPAL UTILITY DISTRICT POWERS. The
17 district has the rights, powers, privileges, and functions
18 conferred by general law applicable to a municipal utility
19 district, including Chapters 49 and 54, Water Code. (Acts 62nd
20 Leg., R.S., Ch. 445, Sec. 5 (part); New.)

21 Source Law

22 Sec. 5. The district is hereby vested with, and
23 shall have and exercise, all of the rights, powers,
24 privileges, authority and functions conferred by the
25 general laws of this state applicable to municipal
26 utility districts, including without limitation those
27 conferred by Chapter 54, Title 4, Water Code, but
28

29 Revisor's Note

30 (1) Section 5, Chapter 445, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 district "is hereby vested with, and shall have and
33 exercise" certain powers. The revised law substitutes
34 "has" for the quoted language because, in context, the
35 terms are synonymous and "has" is more commonly used.

36 (2) Section 5, Chapter 445, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to the
38 "rights, powers, privileges, [and] authority" of the
39 district. The revised law omits the reference to

1 "authority" because, in context, "authority" is
2 included in the meaning of "rights, powers, [and]
3 privileges."

4 (3) Section 5, Chapter 445, Acts of the 62nd
5 Legislature, Regular Session, 1971, grants the
6 district certain powers, "including without
7 limitation those conferred by Chapter 54, Title 4,
8 Water Code." The revised law omits "without
9 limitation" because Section 311.005(13), Government
10 Code (Code Construction Act), provides that "includes"
11 and "including" are terms of enlargement and not of
12 limitation and do not create a presumption that
13 components not expressed are excluded.

14 (4) Section 5, Chapter 445, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to Chapter
16 54, Water Code. For the reader's convenience, the
17 revised law adds a reference to Chapter 49, Water Code,
18 because Chapter 715, Acts of the 74th Legislature,
19 Regular Session, 1995, repealed many provisions of
20 Chapter 54 and enacted similar provisions in Chapter
21 49, Water Code, which applies to the district under
22 Sections 49.001 and 49.002 of that chapter.

23 (5) Section 5, Chapter 445, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that the
25 act prevails over general law in case of a conflict or
26 other inconsistency and that all general laws
27 applicable to municipal utility districts not in
28 conflict or inconsistent with the provisions of the
29 act are adopted and incorporated by reference. The
30 revised law omits the portion of the provision
31 relating to the act prevailing over general law
32 because it duplicates in substance Section 311.026(b),
33 Government Code (Code Construction Act). The revised
34 law omits the portion of the provision relating to

1 adoption and incorporation of general laws because
2 Section 5 of Chapter 445 (revised as this section)
3 already provides that those laws apply to the
4 district, and it is unnecessary to repeat that
5 authority. The omitted law reads:

6 Sec. 5. . . . if any provision of
7 such general laws shall be in conflict or
8 inconsistent with the provisions of this
9 Act, the provisions of this Act shall
10 prevail. All such general laws applicable
11 to municipal utility districts not in
12 conflict or inconsistent with the
13 provisions of this Act are hereby adopted
14 and incorporated by reference with the same
15 effect as if copied in full in this Act.

16 Revisor's Note
17 (End of Chapter)

18 (1) Section 7, Chapter 445, Acts of the 62nd
19 Legislature, Regular Session, 1971, contains
20 legislative findings relating to the performance of
21 the requirements of Section 59(d), Article XVI, Texas
22 Constitution, and to the authority of the legislature
23 to enact that chapter. The revised law omits the
24 provision as executed. The omitted law reads:

25 Sec. 7. The Legislature specifically
26 finds and declares that the requirements of
27 Article XVI, Section 59(d) of the
28 Constitution of Texas have been performed
29 and accomplished in due course and time and
30 order, and that the Legislature has the
31 power and authority to enact this Act.

32 (2) Section 8, Chapter 445, Acts of the 62nd
33 Legislature, Regular Session, 1971, provides that the
34 act is severable. The revised law omits that provision
35 because it duplicates Section 311.032, Government Code
36 (Code Construction Act), which provides that a
37 provision of a statute is severable from each other
38 provision of the statute that can be given effect. The
39 omitted law reads:

40 Sec. 8. If any word, phrase, clause,
41 paragraph, sentence, part, portion or
42 provision of this Act or the application
43 thereof to any persons or circumstances
44 shall be held to be invalid or
45 unconstitutional, the remainder of the Act

1 shall nevertheless be valid and the
2 Legislature hereby declares that this Act
3 would have been enacted without such
4 invalid or unconstitutional word, phrase,
5 clause, paragraph, sentence, part, portion
6 or provision.

19 CHAPTER 8276. HARRIS COUNTY UTILITY DISTRICT NO. 15

20 SUBCHAPTER A. GENERAL PROVISIONS

21 Revised Law

22 Sec. 8276.001. DEFINITIONS. In this chapter:

23 (1) "Board" means the district's board of directors.

24 (2) "Director" means a member of the board.

25 (3) "District" means the Harris County Utility
26 District No. 15. (Acts 62nd Leg., R.S., Ch. 642, Sec. 1 (part);
27 New.)

28 Source Law

29 Sec. 1. . . . [a . . . district] . . . to be
30 known as "Harris County Utility District No. 15,"
31 hereinafter called the "district,"

32 Revisor's Note

33 The definitions of "board" and "director" are
34 added to the revised law for drafting convenience and
35 to eliminate frequent, unnecessary repetition of the
36 substance of the definitions.

37 Revised Law

38 Sec. 8276.002. NATURE OF DISTRICT. The district is a

1 conservation and reclamation district in Harris County created
2 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
3 R.S., Ch. 642, Sec. 1 (part).)

4 Source Law

5 Sec. 1. . . . there is hereby created and
6 established, under and pursuant to the provisions of
7 Article XVI, Section 59 of the Constitution of Texas, a
8 conservation and reclamation district in Harris
9 County, Texas, . . . which shall be a governmental
10 agency and a body politic and corporate. . . .

11 Revisor's Note

12 (1) Section 1, Chapter 642, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 district is "created and established." The revised
15 law omits "established" because the meaning of that
16 word is included in the meaning of "created."

17 (2) Section 1, Chapter 642, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 district is created notwithstanding certain laws
20 relating to consent. The revised law omits that
21 provision as executed because the district has been
22 created. The omitted law reads:

23 Sec. 1. Notwithstanding provisions
24 of the general laws relating to consent by
25 political subdivisions for the creation of
26 conservation and reclamation districts,
27 [there is hereby created . . . a
28 conservation and reclamation district]
29

30 (3) Section 1, Chapter 642, Acts of the 62nd
31 Legislature, Regular Session, 1971, refers to the
32 district as "a governmental agency and a body politic
33 and corporate." The revised law omits the quoted
34 language because it duplicates a portion of Section
35 59(b), Article XVI, Texas Constitution, which provides
36 that a conservation and reclamation district is a
37 governmental agency and a body politic and corporate.

38 Revised Law

39 Sec. 8276.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
40 The district is created to serve a public use and benefit.

1 (b) All land and other property included in the boundaries
2 of the district will benefit from the works and projects
3 accomplished by the district under the powers conferred by Section
4 59, Article XVI, Texas Constitution.

5 (c) The creation of the district is essential to accomplish
6 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
7 62nd Leg., R.S., Ch. 642, Secs. 1 (part), 3.)

8 Source Law

9 Sec. 1. . . . The creation and establishment of
10 the district is hereby declared to be essential to the
11 accomplishment of the purposes of Article XVI, Section
12 59 of the Constitution of Texas.

13 Sec. 3. It is determined and found that all of
14 the land and other property included within the area
15 and boundaries of the district will be benefited by the
16 works and project which are to be accomplished by the
17 district pursuant to the powers conferred by the
18 provisions of Article XVI, Section 59 of the
19 Constitution of Texas, and that said district is
20 created to serve a public use and benefit.

21 Revisor's Note

22 (1) Section 1, Chapter 642, Acts of the 62nd
23 Legislature, Regular Session, 1971, provides that the
24 "creation and establishment" of the district are
25 essential to accomplish the purposes of Section 59,
26 Article XVI, Texas Constitution. The revised law
27 omits "establishment" because its meaning is included
28 in the meaning of "creation."

29 (2) Section 3, Chapter 642, Acts of the 62nd
30 Legislature, Regular Session, 1971, refers to land and
31 other property included within the "area and
32 boundaries of the district." The revised law omits the
33 reference to "area" because, in context, "area" is
34 included in the meaning of "boundaries."

35 Revised Law

36 Sec. 8276.004. DISTRICT TERRITORY. (a) The district is
37 composed of the territory described by Section 4, Chapter 642, Acts
38 of the 62nd Legislature, Regular Session, 1971, as that territory
39 may have been modified under:

- 1 (1) Subchapter H, Chapter 54, Water Code;
2 (2) Subchapter J, Chapter 49, Water Code; or
3 (3) other law.

4 (b) The boundaries and field notes of the district form a
5 closure. A mistake in copying the field notes in the legislative
6 process or another mistake in the field notes does not affect:

7 (1) the district's organization, existence, or
8 validity;

9 (2) the district's right to issue any type of bond for
10 a purpose for which the district is created or to pay the principal
11 of and interest on the bond;

12 (3) the district's right to impose a tax; or

13 (4) the legality or operation of the district or its
14 governing body. (Acts 62nd Leg., R.S., Ch. 642, Sec. 2; New.)

15 Source Law

16 Sec. 2. It is determined and found that the
17 boundaries and field notes of the district form a
18 closure. If any mistake is made in copying the field
19 notes in the legislative process or otherwise a
20 mistake is made in the field notes, it shall in no way
21 affect the organization, existence and validity of the
22 district, or the right of the district to issue any
23 type of bonds or refunding bonds for the purposes for
24 which the district is created or to pay the principal
25 and interest thereon, or the right to assess, levy and
26 collect taxes, or in any other manner affect the
27 legality or operation of the district or its governing
28 body.

29 Revisor's Note

30 (1) The revision of the law governing the
31 district does not revise the statutory language
32 describing the territory of the district to avoid the
33 lengthy recitation of the description and because that
34 description may not be accurate on the effective date
35 of the revision or at the time of a later reading. For
36 the reader's convenience, the revised law includes
37 references to the statutory description of the
38 district's territory and to the authority to change the
39 district's territory under Subchapter H, Chapter 54,
40 Water Code, applicable to municipal utility districts,

1 and under Subchapter J, Chapter 49, Water Code,
2 applicable to the district under Sections 49.001 and
3 49.002 of that chapter. The revised law also includes
4 a reference to the general authority of the
5 legislature to enact a law to change the district's
6 territory.

7 (2) Section 2, Chapter 642, Acts of the 62nd
8 Legislature, Regular Session, 1971, provides that a
9 mistake in the description of the district boundaries
10 does not affect the right of the district to issue "any
11 type of bonds or refunding bonds." The revised law
12 omits the reference to "refunding bonds" because
13 refunding bonds are included in the meaning of "any
14 type of bonds."

15 (3) Section 2, Chapter 642, Acts of the 62nd
16 Legislature, Regular Session, 1971, refers to the
17 district's authority to "assess, levy and collect"
18 taxes. The revised law substitutes "impose" for
19 "assess, levy and collect" because "impose" is the
20 term generally used in Title 1, Tax Code, and includes
21 the assessment, levy, and collection of a tax.

23 SUBCHAPTER B. BOARD OF DIRECTORS

24 Revised Law

25 Sec. 8276.051. COMPOSITION OF BOARD. The board of
26 directors is composed of five elected directors. (Acts 62nd Leg.,
27 R.S., Ch. 642, Sec. 6 (part).)

28 Source Law

29 Sec. 6. . . . Succeeding directors shall be
30 elected or

31 Revisor's Note

32 (1) Section 6, Chapter 642, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to the
34 initial board of directors and to vacancy procedures.
35 The revised law omits the language relating to the

1 creation of the initial board as executed. The revised
2 law omits the language relating to vacancy procedures
3 for the initial board as executed and, to the extent
4 the language may apply to subsequently appointed
5 directors, because it duplicates in substance Section
6 49.105(c), Water Code. That section applies to the
7 district under Sections 49.001 and 49.002, Water Code.
8 The omitted law reads:

9 Sec. 6. Immediately after this Act
10 becomes effective, the following named
11 persons shall be the directors of the
12 district and shall constitute the board of
13 directors of the district:

14 Coach Gavrel
15 Tommy Deane
16 Fred Curry
17 Dwight Caldwell
18 Jack Dean

19 Said persons shall qualify to serve as
20 directors prior to the first meeting of the
21 board of directors. Should any of the above
22 named directors fail to qualify for any
23 reason, the remaining named directors shall
24 appoint someone to fill such vacancy or
25 vacancies; provided, however, that if at
26 any time the number of qualified directors
27 shall be less than three because of the
28 failure or refusal of one or more directors
29 to qualify or serve or because of his or
30 their death or incapacitation, or for any
31 such other reason, the Texas Water Rights
32 Commission shall appoint the necessary
33 number of directors to fill all vacancies on
34 the board. The directors above named or
35 their duly appointed and qualified
36 successor or successors shall serve until
37 the second Saturday in January, 1973. . . .

38 (2) Section 6, Chapter 642, Acts of the 62nd
39 Legislature, Regular Session, 1971, refers to
40 "[s]ucceeding directors" to distinguish the
41 succeeding directors from the initial directors named
42 in that section. The revised law substitutes "five"
43 for "succeeding" to conform to the number of directors
44 listed in Section 6 (establishing the initial board).

45 (3) Section 6, Chapter 642, Acts of the 62nd
46 Legislature, Regular Session, 1971, provides for
47 directors to be elected or appointed and to serve for
48 the term and in the manner provided by Chapter 54,

1 Water Code. Chapter 715, Acts of the 74th Legislature,
2 Regular Session, 1995, repealed the relevant
3 provisions of Chapter 54 and enacted similar
4 provisions in Chapter 49, Water Code, including
5 Section 49.103, which governs the terms of office and
6 manner of election of directors of a municipal utility
7 district that is required by law to elect its
8 directors. The revised law omits any reference to
9 Chapter 49, Water Code, because Chapter 49 applies to
10 the district under Sections 49.001 and 49.002 of that
11 chapter. The revised law also omits "appointed"
12 because it is clear from the context of Section 6 that
13 the reference applies only to directors appointed to
14 fill vacancies as provided by Chapter 49, Water Code.
15 The omitted law reads:

16 Sec. 6. . . . [Succeeding directors
17 shall be elected or] appointed and shall
18 serve for the term and in the manner
19 provided by Chapter 54, Title 4, Water Code.

20 [Sections 8276.052-8276.100 reserved for expansion]

21 SUBCHAPTER C. POWERS AND DUTIES

22 Revised Law

23 Sec. 8276.101. MUNICIPAL UTILITY DISTRICT POWERS. The
24 district has the rights, powers, privileges, and functions
25 conferred by general law applicable to a municipal utility
26 district, including Chapters 49 and 54, Water Code. (Acts 62nd
27 Leg., R.S., Ch. 642, Sec. 5 (part); New.)

28 Source Law

29 Sec. 5. The district is hereby vested with, and
30 shall have and exercise, all of the rights, powers,
31 privileges, authority and functions conferred by the
32 general laws of this state applicable to municipal
33 utility districts, including without limitation those
34 conferred by Chapter 54, Title 4, Water Code, but
35

36 Revisor's Note

37 (1) Section 5, Chapter 642, Acts of the 62nd
38 Legislature, Regular Session, 1971, provides that the
39 district "is hereby vested with, and shall have and

1 exercise" certain powers. The revised law substitutes
2 "has" for the quoted language because, in context, the
3 terms are synonymous and "has" is more commonly used.

4 (2) Section 5, Chapter 642, Acts of the 62nd
5 Legislature, Regular Session, 1971, refers to the
6 "rights, powers, privileges, [and] authority" of the
7 district. The revised law omits the reference to
8 "authority" because, in context, "authority" is
9 included in the meaning of "rights, powers, [and]
10 privileges."

11 (3) Section 5, Chapter 642, Acts of the 62nd
12 Legislature, Regular Session, 1971, grants the
13 district certain powers, "including without
14 limitation those conferred by Chapter 54, Title 4,
15 Water Code." The revised law omits "without
16 limitation" because Section 311.005(13), Government
17 Code (Code Construction Act), provides that "includes"
18 and "including" are terms of enlargement and not of
19 limitation and do not create a presumption that
20 components not expressed are excluded.

21 (4) Section 5, Chapter 642, Acts of the 62nd
22 Legislature, Regular Session, 1971, refers to Chapter
23 54, Water Code. For the reader's convenience, the
24 revised law adds a reference to Chapter 49, Water Code,
25 because Chapter 715, Acts of the 74th Legislature,
26 Regular Session, 1995, repealed many provisions of
27 Chapter 54 and enacted similar provisions in Chapter
28 49, Water Code, which applies to the district under
29 Sections 49.001 and 49.002 of that chapter.

30 (5) Section 5, Chapter 642, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 act prevails over general law in case of a conflict or
33 other inconsistency and that all general laws
34 applicable to municipal utility districts not in

1 conflict or inconsistent with the provisions of the
2 act are adopted and incorporated by reference. The
3 revised law omits the portion of the provision
4 relating to the act prevailing over general law
5 because it duplicates in substance Section 311.026(b),
6 Government Code (Code Construction Act). The revised
7 law omits the portion of the provision relating to
8 adoption and incorporation of general laws because
9 Section 5 of Chapter 642 (revised as this section)
10 already provides that those laws apply to the
11 district, and it is unnecessary to repeat that
12 authority. The omitted law reads:

13 Sec. 5. . . . if any provision of
14 such general laws shall be in conflict or
15 inconsistent with the provisions of this
16 Act, the provisions of this Act shall
17 prevail. All such general laws applicable
18 to municipal utility districts not in
19 conflict or inconsistent with the
20 provisions of this Act are hereby adopted
21 and incorporated by reference with the same
22 effect as if copied in full in this Act.

23 Revisor's Note
24 (End of Chapter)

25 (1) Section 7, Chapter 642, Acts of the 62nd
26 Legislature, Regular Session, 1971, contains
27 legislative findings relating to the performance of
28 the requirements of Section 59(d), Article XVI, Texas
29 Constitution, and to the authority of the legislature
30 to enact that chapter. The revised law omits the
31 provision as executed. The omitted law reads:

32 Sec. 7. The Legislature specifically
33 finds and declares that the requirements of
34 Article XVI, Section 59(d) of the
35 Constitution of Texas have been performed
36 and accomplished in due course and time and
37 order, and that the Legislature has the
38 power and authority to enact this Act.

39 (2) Section 8, Chapter 642, Acts of the 62nd
40 Legislature, Regular Session, 1971, provides that the
41 act is severable. The revised law omits that provision
42 because it duplicates Section 311.032, Government Code

1 (Code Construction Act), which provides that a
2 provision of a statute is severable from each other
3 provision of the statute that can be given effect. The
4 omitted law reads:

5 Sec. 8. If any word, phrase, clause,
6 paragraph, sentence, part, portion or
7 provision of this Act or the application
8 thereof to any persons or circumstances
9 shall be held to be invalid or
10 unconstitutional, the remainder of the Act
11 shall nevertheless be valid and the
12 Legislature hereby declares that this Act
13 would have been enacted without such
14 invalid or unconstitutional word, phrase,
15 clause, paragraph, sentence, part, portion
16 or provision.

29 CHAPTER 8277. HARRIS COUNTY UTILITY DISTRICT NO. 16

30 SUBCHAPTER A. GENERAL PROVISIONS

31 Revised Law

32 Sec. 8277.001. DEFINITIONS. In this chapter:

33 (1) "Board" means the district's board of directors.

34 (2) "Director" means a member of the board.

35 (3) "District" means the Harris County Utility
36 District No. 16. (Acts 62nd Leg., R.S., Ch. 437, Sec. 1 (part);
37 New.)

38 Source Law

39 Sec. 1. . . . [a . . . district . . .] to be
40 known as "Harris County Utility District No. 16,"
41 hereinafter called the "district,"

1 Revisor's Note

2 The definitions of "board" and "director" are
3 added to the revised law for drafting convenience and
4 to eliminate frequent, unnecessary repetition of the
5 substance of the definitions.

6 Revised Law

7 Sec. 8277.002. NATURE OF DISTRICT. The district is a
8 conservation and reclamation district in Harris County created
9 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
10 R.S., Ch. 437, Sec. 1 (part).)

11 Source Law

12 Sec. 1. . . . there is hereby created and
13 established, under and pursuant to the provisions of
14 Article XVI, Section 59 of the Constitution of Texas, a
15 conservation and reclamation district in Harris
16 County, Texas, . . . which shall be a governmental
17 agency and a body politic and corporate. . . .

18 Revisor's Note

19 (1) Section 1, Chapter 437, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that the
21 district is "created and established." The revised
22 law omits "established" because the meaning of that
23 word is included in the meaning of "created."

24 (2) Section 1, Chapter 437, Acts of the 62nd
25 Legislature, Regular Session, 1971, provides that the
26 district is created notwithstanding certain laws
27 related to consent. The revised law omits that
28 provision as executed because the district has been
29 created. The omitted law reads:

30 Sec. 1. Notwithstanding provisions
31 of the general laws relating to consent by
32 political subdivisions for the creation of
33 conservation and reclamation districts,
34 [there is hereby created . . . a
35 conservation and reclamation district]
36

37 (3) Section 1, Chapter 437, Acts of the 62nd
38 Legislature, Regular Session, 1971, refers to the
39 district as "a governmental agency and a body politic
40 and corporate." The revised law omits the quoted

1 language because it duplicates a portion of Section
2 59(b), Article XVI, Texas Constitution, which provides
3 that a conservation and reclamation district is a
4 governmental agency and a body politic and corporate.

5 Revised Law

6 Sec. 8277.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
7 The district is created to serve a public use and benefit.

8 (b) All land and other property included in the boundaries
9 of the district will benefit from the works and projects
10 accomplished by the district under the powers conferred by Section
11 59, Article XVI, Texas Constitution.

12 (c) The creation of the district is essential to accomplish
13 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
14 62nd Leg., R.S., Ch. 437, Secs. 1 (part), 3.)

15 Source Law

16 Sec. 1. . . . The creation and establishment of
17 the district is hereby declared to be essential to the
18 accomplishment of the purposes of Article XVI, Section
19 59 of the Constitution of Texas.

20 Sec. 3. It is determined and found that all of
21 the land and other property included within the area
22 and boundaries of the district will be benefited by the
23 works and project which are to be accomplished by the
24 district pursuant to the powers conferred by the
25 provisions of Article XVI, Section 59 of the
26 Constitution of Texas, and that said district is
27 created to serve a public use and benefit.

28 Revisor's Note

29 (1) Section 1, Chapter 437, Acts of the 62nd
30 Legislature, Regular Session, 1971, provides that the
31 "creation and establishment" of the district are
32 essential to accomplish the purposes of Section 59,
33 Article XVI, Texas Constitution. The revised law
34 omits "establishment" because its meaning is included
35 in the meaning of "creation."

36 (2) Section 3, Chapter 437, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to land and
38 other property included within the "area and
39 boundaries of the district." The revised law omits the

1 reference to "area" because, in context, "area" is
2 included in the meaning of "boundaries."

3 Revised Law

4 Sec. 8277.004. DISTRICT TERRITORY. (a) The district is
5 composed of the territory described by Section 4, Chapter 437, Acts
6 of the 62nd Legislature, Regular Session, 1971, as that territory
7 may have been modified under:

- 8 (1) Subchapter H, Chapter 54, Water Code;
9 (2) Subchapter J, Chapter 49, Water Code; or
10 (3) other law.

11 (b) The boundaries and field notes of the district form a
12 closure. A mistake in copying the field notes in the legislative
13 process or another mistake in the field notes does not affect:

- 14 (1) the district's organization, existence, or
15 validity;
16 (2) the district's right to issue any type of bond for
17 a purpose for which the district is created or to pay the principal
18 of and interest on the bond;
19 (3) the district's right to impose a tax; or
20 (4) the legality or operation of the district or its
21 governing body. (Acts 62nd Leg., R.S., Ch. 437, Sec. 2; New.)

22 Source Law

23 Sec. 2. It is determined and found that the
24 boundaries and field notes of the district form a
25 closure. If any mistake is made in copying the field
26 notes in the legislative process or otherwise a
27 mistake is made in the field notes, it shall in no way
28 affect the organization, existence and validity of the
29 district, or the right of the district to issue any
30 type of bonds or refunding bonds for the purposes for
31 which the district is created or to pay the principal
32 and interest thereon, or the right to assess, levy and
33 collect taxes, or in any other manner affect the
34 legality or operation of the district or its governing
35 body.

36 Revisor's Note

37 (1) The revision of the law governing the
38 district does not revise the statutory language
39 describing the territory of the district to avoid the
40 lengthy recitation of the description and because that

1 description may not be accurate on the effective date
2 of the revision or at the time of a later reading. For
3 the reader's convenience, the revised law includes
4 references to the statutory description of the
5 district's territory and to the authority to change the
6 district's territory under Subchapter H, Chapter 54,
7 Water Code, applicable to municipal utility districts,
8 and under Subchapter J, Chapter 49, Water Code,
9 applicable to the district under Sections 49.001 and
10 49.002 of that chapter. The revised law also includes
11 a reference to the general authority of the
12 legislature to enact a law to change the district's
13 territory.

14 (2) Section 2, Chapter 437, Acts of the 62nd
15 Legislature, Regular Session, 1971, provides that a
16 mistake in the description of the district boundaries
17 does not affect the right of the district to issue "any
18 type of bonds or refunding bonds." The revised law
19 omits the reference to "refunding bonds" because
20 refunding bonds are included in the meaning of "any
21 type of bonds."

22 (3) Section 2, Chapter 437, Acts of the 62nd
23 Legislature, Regular Session, 1971, refers to the
24 district's authority to "assess, levy and collect"
25 taxes. The revised law substitutes "impose" for
26 "assess, levy and collect" because "impose" is the
27 term generally used in Title 1, Tax Code, and includes
28 the assessment, levy, and collection of a tax.

30 SUBCHAPTER B. BOARD OF DIRECTORS

31 Revised Law

32 Sec. 8277.051. COMPOSITION OF BOARD. The board of

34 R.S., Ch. 437, Sec. 6 (part).)

1 Source Law

2 Sec. 6. . . . Succeeding directors shall be
3 elected or

4 Revisor's Note

5 (1) Section 6, Chapter 437, Acts of the 62nd
6 Legislature, Regular Session, 1971, refers to the
7 initial board of directors and to vacancy procedures.
8 The revised law omits the language relating to the
9 creation of the initial board as executed. The revised
10 law omits the language relating to vacancy procedures
11 for the initial board as executed and, to the extent
12 the language may apply to subsequently appointed
13 directors, because it duplicates in substance Section
14 49.105(c), Water Code. That section applies to the
15 district under Sections 49.001 and 49.002, Water Code.
16 The omitted law reads:

17 Sec. 6. Immediately after this Act
18 becomes effective, the following named
19 persons shall be the directors of the
20 district and shall constitute the board of
21 directors of the district:

22 Monte Lord
23 Sherrill Leatherwood
24 Tom Fatjo
25 Sonny Wallace
26 Wayne Wickman

27 Said persons shall qualify to serve as
28 directors prior to the first meeting of the
29 board of directors. Should any of the above
30 named directors fail to qualify for any
31 reason, the remaining named directors shall
32 appoint someone to fill such vacancy or
33 vacancies; provided, however, that if at
34 any time the number of qualified directors
35 shall be less than three because of the
36 failure or refusal of one or more directors
37 to qualify or serve or because of his or
38 their death or incapacitation, or for any
39 such other reason, the Texas Water Rights
40 Commission shall appoint the necessary
41 number of directors to fill all vacancies on
42 the board. The directors above named or
43 their duly appointed and qualified
44 successor or successors shall serve until
45 the second Saturday in January, 1973. . . .

46 (2) Section 6, Chapter 437, Acts of the 62nd
47 Legislature, Regular Session, 1971, refers to
48 "[s]ucceeding directors" to distinguish the
49 succeeding directors from the initial directors named

1 in that section. The revised law substitutes "five"
2 for "succeeding" to conform to the number of directors
3 listed in Section 6 (establishing the initial board).

4 (3) Section 6, Chapter 437, Acts of the 62nd
5 Legislature, Regular Session, 1971, provides for
6 directors to be elected or appointed and to serve for
7 the term and in the manner provided by Chapter 54,
8 Water Code. Chapter 715, Acts of the 74th Legislature,
9 Regular Session, 1995, repealed the relevant
10 provisions of Chapter 54 and enacted similar
11 provisions in Chapter 49, Water Code, including
12 Section 49.103, which governs the terms of office and
13 manner of election of directors of a municipal utility
14 district that is required by law to elect its
15 directors. The revised law omits any reference to
16 Chapter 49, Water Code, because Chapter 49 applies to
17 the district under Sections 49.001 and 49.002 of that
18 chapter. The revised law also omits "appointed"
19 because it is clear from the context of Section 6 that
20 the reference applies only to directors appointed to
21 fill vacancies as provided by Chapter 49, Water Code.
22 The omitted law reads:

23 Sec. 6. . . . [Succeeding directors
24 shall be elected or] appointed and shall
25 serve for the term and in the manner
26 provided by Chapter 54, Title 4, Water Code.

28 SUBCHAPTER C. POWERS AND DUTIES

29 Revised Law

30 Sec. 8277.101. MUNICIPAL UTILITY DISTRICT POWERS. The
31 district has the rights, powers, privileges, and functions
32 conferred by general law applicable to a municipal utility
33 district, including Chapters 49 and 54, Water Code. (Acts 62nd
34 Leg., R.S., Ch. 437, Sec. 5 (part); New.)

35 Source Law

36 Sec. 5. The district is hereby vested with, and

1 shall have and exercise, all of the rights, powers,
2 privileges, authority and functions conferred by the
3 general laws of this state applicable to municipal
4 utility districts, including without limitation those
5 conferred by Chapter 54, Title 4, Water Code, but
6

7 Revisor's Note

8 (1) Section 5, Chapter 437, Acts of the 62nd
9 Legislature, Regular Session, 1971, provides that the
10 district "is hereby vested with, and shall have and
11 exercise," certain powers. The revised law
12 substitutes "has" for the quoted language because, in
13 context, the terms are synonymous and "has" is more
14 commonly used.

15 (2) Section 5, Chapter 437, Acts of the 62nd
16 Legislature, Regular Session, 1971, refers to the
17 "rights, powers, privileges, [and] authority" of the
18 district. The revised law omits the reference to
19 "authority" because, in context, "authority" is
20 included in the meaning of "rights, powers, [and]
21 privileges."

22 (3) Section 5, Chapter 437, Acts of the 62nd
23 Legislature, Regular Session, 1971, grants the
24 district certain powers, "including without
25 limitation those conferred by Chapter 54, Title 4,
26 Water Code." The revised law omits "without
27 limitation" because Section 311.005(13), Government
28 Code (Code Construction Act), provides that "includes"
29 and "including" are terms of enlargement and not of
30 limitation and do not create a presumption that
31 components not expressed are excluded.

32 (4) Section 5, Chapter 437, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to Chapter
34 54, Water Code. For the reader's convenience, the
35 revised law adds a reference to Chapter 49, Water Code,
36 because Chapter 715, Acts of the 74th Legislature,
37 Regular Session, 1995, repealed many provisions of

1 Chapter 54 and enacted similar provisions in Chapter
2 49, Water Code, which applies to the district under
3 Sections 49.001 and 49.002 of that chapter.

4 (5) Section 5, Chapter 437, Acts of the 62nd
5 Legislature, Regular Session, 1971, provides that the
6 act prevails over general law in case of a conflict or
7 other inconsistency and that all general laws
8 applicable to municipal utility districts not in
9 conflict or inconsistent with the provisions of the
10 act are adopted and incorporated by reference. The
11 revised law omits the portion of the provision
12 relating to the act prevailing over general law
13 because it duplicates in substance Section 311.026(b),
14 Government Code (Code Construction Act). The revised
15 law omits the portion of the provision relating to
16 adoption and incorporation of general laws because
17 Section 5 of Chapter 437 (revised as this section)
18 already provides that those laws apply to the
19 district, and it is unnecessary to repeat that
20 authority. The omitted law reads:

21 Sec. 5. . . . if any provision of
22 such general laws shall be in conflict or
23 inconsistent with the provisions of this
24 Act, the provisions of this Act shall
25 prevail. All such general laws applicable
26 to municipal utility districts not in
27 conflict or inconsistent with the
28 provisions of this Act are hereby adopted
29 and incorporated by reference with the same
30 effect as if copied in full in this Act.

31 Revisor's Note
32 (End of Chapter)

33 (1) Section 7, Chapter 437, Acts of the 62nd
34 Legislature, Regular Session, 1971, contains
35 legislative findings relating to the performance of
36 the requirements of Section 59(d), Article XVI, Texas
37 Constitution, and to the authority of the legislature
38 to enact that chapter. The revised law omits the
39 provision as executed. The omitted law reads:

1 Sec. 7. The Legislature specifically
2 finds and declares that the requirements of
3 Article XVI, Section 59(d) of the
4 Constitution of Texas have been performed
5 and accomplished in due course and time and
6 order, and that the Legislature has the
7 power and authority to enact this Act.

8 (2) Section 8, Chapter 437, Acts of the 62nd
9 Legislature, Regular Session, 1971, provides that the
10 act is severable. The revised law omits that provision
11 because it duplicates Section 311.032, Government Code
12 (Code Construction Act), which provides that a
13 provision of a statute is severable from each other
14 provision of the statute that can be given effect. The
15 omitted law reads:

16 Sec. 8. If any word, phrase, clause,
17 paragraph, sentence, part, portion or
18 provision of this Act or the application
19 thereof to any persons or circumstances
20 shall be held to be invalid or
21 unconstitutional, the remainder of the Act
22 shall nevertheless be valid and the
23 Legislature hereby declares that this Act
24 would have been enacted without such
25 invalid or unconstitutional word, phrase,
26 clause, paragraph, sentence, part, portion
27 or provision.

24 CHAPTER 8278. HARRIS COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT

25 NO. 132 OF HARRIS COUNTY, TEXAS

26 SUBCHAPTER A. GENERAL PROVISIONS

27 Revised Law

28 Sec. 8278.001. DEFINITIONS. In this chapter:

29 (1) "Board" means the board of directors of the

30 district.

31 (2) "Director" means a member of the board.

32 (3) "District" means the Harris County Water Control

33 and Improvement District No. 132 of Harris County, Texas. (Acts

34 61st Leg., R.S., Ch. 144, Sec. 1 (part); New.)

1 Source Law

2 Sec. 1. . . . [a . . . district . . .] to be
3 known as Harris County Water Control and Improvement
4 District No. 132 of Harris County, Texas, hereinafter
5 called the "district,"

6 Revisor's Note

7 The definitions of "board" and "director" are
8 added to the revised law for drafting convenience and
9 to eliminate frequent, unnecessary repetition of the
10 substance of the definitions.

11 Revised Law

12 Sec. 8278.002. NATURE OF DISTRICT. The district is a
13 municipal utility district and a conservation and reclamation
14 district in Harris County created under Section 59, Article XVI,
15 Texas Constitution. (Acts 61st Leg., R.S., Ch. 144, Sec. 1 (part);
16 New.)

17 Source Law

18 Sec. 1. Under and pursuant to the provisions of
19 Article XVI, Section 59 of the Constitution of Texas, a
20 conservation and reclamation district is hereby
21 created and established in Harris County, Texas, . . .
22 which shall be a governmental agency and a body politic
23 and corporate. . . .

24 Revisor's Note

25 (1) Section 1, Chapter 144, Acts of the 61st
26 Legislature, Regular Session, 1969, provides that the
27 district is "created and established" in Harris
28 County, Texas. The revised law omits "established"
29 because the meaning of that word is included in the
30 meaning of "created."

31 (2) Section 1, Chapter 144, Acts of the 61st
32 Legislature, Regular Session, 1969, refers to the
33 district as "a governmental agency and a body politic
34 and corporate." The revised law omits those
35 references because they duplicate a portion of Section
36 59(b), Article XVI, Texas Constitution, which provides
37 that a conservation and reclamation district is a
38 governmental agency and a body politic and corporate.

1 (3) The revised law adds a reference to the
2 district as a "municipal utility district" because the
3 district was converted from a water control and
4 improvement district to a municipal utility district
5 on March 7, 1977, by order of the Texas Water Rights
6 Commission. See Sections 54.030-54.036, Water Code.
7 That order expressly states that the district does not
8 "retain any of the provisions of the Code under which
9 it has been operating" (Chapter 51, Water Code). Under
10 both that order and Section 54.034, Water Code, the
11 district now operates under Chapter 54, Water Code.
12 Throughout this chapter, references to water control
13 and improvement districts and references to Chapter
14 51, Water Code (the chapter on water control and
15 improvement districts), have been revised to reflect
16 the district's conversion. In addition, as indicated
17 throughout this chapter, the revised law omits law
18 that is superseded by Chapter 54, Water Code, or that
19 duplicates law contained in that chapter.

20 Revised Law

21 Sec. 8278.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
22 The district is created to serve a public use and benefit.

23 (b) All land and other property included in the boundaries
24 of the district will benefit from the works and projects
25 accomplished by the district under the powers conferred by Section
26 59, Article XVI, Texas Constitution.

27 (c) The creation of the district is essential to accomplish
28 the purposes of Section 59, Article XVI, Texas Constitution.

29 (d) The accomplishment of the purposes stated in this
30 chapter is for the benefit of the people of this state and for the
31 improvement of their property and industries. The district in
32 carrying out the purposes of this chapter will be performing an
33 essential public function under the Texas Constitution. (Acts 61st
34 Leg., R.S., Ch. 144, Secs. 1 (part), 4, 22 (part).)

Source Law

Sec. 1. . . . The creation and establishment of the district is hereby declared to be essential to the accomplishment of the purposes of Article XVI, Section 59 of the Constitution of Texas.

Sec. 4. It is determined and found that all of the land and other property included within the boundaries of the district will be benefited by the works and project which are to be accomplished by the district pursuant to the powers conferred by the provisions of Article XVI, Section 59 of the Constitution of Texas, and that said District was and is created to serve a public use and benefit.

Sec. 22. The accomplishment of the purposes stated in this Act being for the benefit of the people of this state and for the improvement of their properties and industries, the district in carrying out the purposes of this Act will be performing an essential public function under the Constitution, and

Revisor's Note

Section 1, Chapter 144, Acts of the 61st Legislature, Regular Session, 1969, states that the "creation and establishment" of the district is essential to accomplish the purposes of Section 59, Article XVI, Texas Constitution. The revised law omits "establishment" because its meaning is included in the meaning of "creation."

Revised Law

Sec. 8278.004. DISTRICT TERRITORY. (a) The district is composed of the territory described by Section 2, Chapter 144, Acts of the 61st Legislature, Regular Session, 1969, as that territory may have been modified under:

- (1) Subchapter H, Chapter 54, Water Code;
- (2) Subchapter J, Chapter 49, Water Code;
- (3) Section 9, Chapter 144, Acts of the 61st Legislature, Regular Session, 1969; or
- (4) other law.

(b) The boundaries and field notes of the district form a closure. A mistake in copying the field notes in the legislative process or another mistake in the field notes does not affect:

- (1) the district's organization, existence, or

1 validity;

2 (2) the district's right to issue any type of bond for
3 a purpose for which the district is created or to pay the principal
4 of and interest on the bond;

5 (3) the district's right to impose a tax; or

6 (4) the legality or operation of the district or the
7 board. (Acts 61st Leg., R.S., Ch. 144, Sec. 3; New.)

8 Source Law

9 Sec. 3. It is determined and found that the
10 boundaries and field notes of the district form a
11 closure; and if any mistake is made in copying the
12 field notes in the legislative process, or otherwise a
13 mistake is made in the field notes, it shall in no way
14 affect the organization, existence and validity of the
15 district, or the right of the district to issue any
16 type of bonds or refunding bonds for the purposes for
17 which the district is created, or to pay the principal
18 and interest thereon, or the right to assess, levy and
19 collect taxes, or in any other manner affect the
20 legality or operation of the district or its governing
21 body.

22 Revisor's Note

23 (1) The revision of the law governing the
24 district does not revise the statutory language
25 describing the territory of the district to avoid the
26 lengthy recitation of the description and because that
27 description may not be accurate on the effective date
28 of the revision or at the time of a later reading. For
29 the reader's convenience, the revised law includes a
30 reference to the statutory description of the
31 district's territory and references to authority to
32 change the district's territory, including: (1)
33 Subchapter H, Chapter 54, Water Code, applicable to
34 the district after the district was converted to a
35 municipal utility district governed by Chapter 54 of
36 that code (see Sections 54.030-54.036 of that code and
37 Revisor's Note (3) to Section 8278.002); (2)
38 Subchapter J, Chapter 49, Water Code, applicable to
39 the district under Sections 49.001 and 49.002 of that
40 chapter; and (3) Section 9, Chapter 144, Acts of the

1 61st Legislature, Regular Session, 1969. The revised
2 law also includes a reference to the general authority
3 of the legislature to enact other laws to change the
4 district's territory.

5 (2) Section 3, Chapter 144, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that a
7 mistake does not affect the right of the district to
8 issue "any type of bonds or refunding bonds." The
9 revised law omits the reference to "refunding bonds"
10 because refunding bonds are included in the meaning of
11 "any type of bonds."

12 (3) Section 3, Chapter 144, Acts of the 61st
13 Legislature, Regular Session, 1969, refers to the
14 district's right to "assess, levy and collect" a tax.
15 Throughout this chapter, the revised law substitutes
16 "impose" for "levy" or "assess, levy and collect"
17 because "impose" is the term generally used in Title 1,
18 Tax Code, and includes the assessment, levying, and
19 collection of a tax.

20 Revised Law

21 Sec. 8278.005. EXPANSION OF DISTRICT. (a) If land is
22 annexed to the district under Section 49.301, Water Code, the board
23 may require the petitioners to:

24 (1) assume the petitioners' pro rata share of the voted
25 but unissued bonds of the district; and

26 (2) authorize the board to impose a tax on the
27 petitioners' property to pay for the bonds after the bonds have been
28 issued.

29 (b) If land is annexed to the district under Section 49.302,
30 Water Code, the board may submit to the voters of the area to be
31 annexed a proposition on the question of the assumption by the area
32 to be annexed of its part of the voted but not yet issued or sold tax
33 or tax-revenue bonds of the district and the imposition of an ad
34 valorem tax on taxable property in the area to be annexed along with

1 a tax in the rest of the district for the payment of the bonds.

2 (c) If the petitioners consent or if the election results
3 favorably, the district may issue its voted but unissued tax or
4 tax-revenue bonds regardless of changes to district boundaries
5 since the original voting or authorization of the bonds. (Acts 61st
6 Leg., R.S., Ch. 144, Sec. 9.)

7 Source Law

8 Sec. 9. Land may be added to or annexed to the
9 district in the manner now or hereafter provided by
10 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
11 as amended; provided, however, that the board of
12 directors may require the petitioners, if land is
13 being added in the manner provided by Article
14 7880--75, Vernon's Texas Civil Statutes, to assume
15 their pro rata share of the voted but unissued bonds of
16 the district and authorize the board to levy a tax on
17 their property in payment for such unissued bonds,
18 when issued, or if land is being annexed in the manner
19 provided by Article 7880--75b, Vernon's Texas Civil
20 Statutes, the board may also submit a proposition to
21 the property taxpaying voters of the area to be annexed
22 on the question of the assumption by the area to be
23 annexed of its part of the tax or tax-revenue bonds of
24 the district theretofore voted but not yet issued or
25 sold and the levy of an ad valorem tax on all taxable
26 property within the area to be annexed along with the
27 tax in the rest of the district for the payment
28 thereof. If the petitioners consent or if the election
29 results favorably, the district shall be authorized to
30 issue its voted but unissued tax or tax-revenue bonds
31 even though the boundaries of the district have been
32 changed since the voting or authorization of such
33 bonds.

34 Revisor's Note

35 (1) Section 9, Chapter 144, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that the
37 district may add or annex land in the manner provided
38 by Chapter 3A, Title 128, Vernon's Texas Civil
39 Statutes. The revised law omits that provision as
40 unnecessary. The relevant provisions of that statute
41 were codified by Chapter 58, Acts of the 62nd
42 Legislature, Regular Session, 1971, as Subchapter O,
43 Chapter 51, Water Code. After the district converted
44 to a municipal utility district in 1977, that
45 subchapter no longer applied to the district and
46 Subchapter H, Chapter 54, Water Code, applied instead,
47 as described by Revisor's Note (3) to Section 8278.002.

1 Chapter 715, Acts of the 74th Legislature, Regular
2 Session, 1995, repealed some of the relevant
3 provisions of Subchapter H, Chapter 54, Water Code,
4 and enacted Subchapter J, Chapter 49, Water Code, to
5 govern the addition of land to a municipal utility
6 district and certain other districts. Subchapter J,
7 Chapter 49, Water Code, applies to the district
8 without an express reference to Subchapter J by this
9 chapter. The remaining relevant provisions of
10 Subchapter H, Chapter 54, Water Code, apply to the
11 district under Section 54.034, Water Code, without an
12 express reference to those sections by this chapter.

13 (2) Section 9, Chapter 144, Acts of the 61st
14 Legislature, Regular Session, 1969, refers to Article
15 7880--75, Vernon's Texas Civil Statutes. Article
16 7880--75 was codified by Chapter 58, Acts of the 62nd
17 Legislature, Regular Session, 1971, as Sections
18 51.714-51.717, Water Code, relating to the addition of
19 land to a water control and improvement district by the
20 petition of the landowner. After the district
21 converted to a municipal utility district in 1977,
22 those sections no longer applied to the district.
23 Instead, Sections 54.711-54.715, Water Code, applied
24 to the district under Section 54.034 of that code. See
25 Revisor's Note (3) to Section 8278.002. Chapter 715,
26 Acts of the 74th Legislature, Regular Session, 1995,
27 repealed Sections 54.711-54.715, Water Code, and
28 enacted Section 49.301, Water Code, to govern the
29 addition of land to a municipal utility district by the
30 petition of the landowner. The revised law is drafted
31 accordingly.

32 (3) Section 9, Chapter 144, Acts of the 61st
33 Legislature, Regular Session, 1969, refers to Article
34 7880--75b, Vernon's Texas Civil Statutes. Article

1 7880--75b was codified by Chapter 58, Acts of the 62nd
2 Legislature, Regular Session, 1971, as Sections
3 51.718-51.724, Water Code, relating to the addition of
4 land to a water control and improvement district by the
5 petition of less than all the landowners. After the
6 district converted to a municipal utility district in
7 1977, those sections no longer applied to the
8 district. Instead, Sections 54.716-54.726, Water
9 Code, applied to the district under Section 54.034 of
10 that code. See Revisor's Note (3) to Section 8278.002.
11 Chapter 715, Acts of the 74th Legislature, Regular
12 Session, 1995, repealed Sections 54.716-54.726, Water
13 Code, and enacted Section 49.302, Water Code, to
14 govern the addition of land to a municipal utility
15 district by the petition of less than all the
16 landowners. The revised law is drafted accordingly.

17 (4) Section 9, Chapter 144, Acts of the 61st
18 Legislature, Regular Session, 1969, refers to
19 "property taxpaying voters." The revised law omits
20 the reference to "property taxpaying" because in Hill
21 v. Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the
22 United States Supreme Court determined that property
23 ownership as a qualification for voting is an
24 unconstitutional denial of equal protection.

25 Revised Law

26 Sec. 8278.006. STATE POLICY REGARDING WASTE DISPOSAL. The
27 district's powers and duties are subject to the state policy of
28 encouraging the development and use of integrated area-wide waste
29 collection, treatment, and disposal systems to serve the waste
30 disposal needs of this state's residents, if integrated systems can
31 reasonably be provided for an area, so as to avoid the economic
32 burden on residents and the effect on state water quality caused by
33 the construction and operation of numerous small waste collection,
34 treatment, and disposal facilities. (Acts 61st Leg., R.S., Ch.

1 144, Sec. 5 (part).)

2 Source Law

3 Sec. 5. . . .
4 The powers and duties conferred on the district
5 are granted subject to the policy of the state to
6 encourage the development and use of integrated
7 area-wide waste collection, treatment and disposal
8 systems to serve the waste disposal needs of the
9 citizens of the state, it being an objective of the
10 policy to avoid the economical burden to the people and
11 the impact on the quality of the waters in the state
12 which result from the construction and operation of
13 numerous small waste collection, treatment and
14 disposal facilities to serve an area when an
15 integrated area-wide waste collection, treatment and
16 disposal system for the area can be reasonably
17 provided.

18 Revisor's Note

19 Section 5, Chapter 144, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to
21 "citizens" of the state. The revised law substitutes
22 "residents" for "citizens" because, in the context of
23 this section, "citizens" and "residents" are
24 synonymous and "residents" is more commonly used.

25 Revisor's Note
26 (End of Subchapter)

27 (1) Section 5, Chapter 144, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that the
29 act prevails over any general law that applies to water
30 control and improvement districts and that is in
31 conflict or inconsistent with the act. The general law
32 applicable to water control and improvement districts
33 no longer applies to the district because the district
34 converted to a municipal utility district. See
35 Revisor's Note (3) to Section 8278.002. The revised
36 law omits the provision rather than codifying the
37 provision and substituting a reference to municipal
38 utility districts for the reference to water control
39 and improvement districts because the provision
40 duplicates, in substance, Section 311.026, Government
41 Code (Code Construction Act). The omitted law reads:

42 Sec. 5. [The district shall have and

1 exercise, and is hereby vested with, all of
2 the rights, powers, privileges, authority
3 and functions conferred and imposed by the
4 general laws of this state now in force or
5 hereafter enacted, applicable to water
6 control and improvement districts created
7 under authority of Article XVI, Section 59
8 of the Constitution of Texas including
9 without limitation those conferred by
10 Chapter 3A, Title 128, Vernon's Texas Civil
11 Statutes;] but to the extent that the
12 provisions of any such general laws may be
13 in conflict or inconsistent with the
14 provisions of this Act, the provisions of
15 this Act shall prevail. . . .

16 (2) Section 5, Chapter 144, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that any
18 general law relating to water control and improvement
19 districts is adopted and incorporated by reference.
20 The general law applicable to water control and
21 improvement districts no longer applies to the
22 district because the district converted to a municipal
23 utility district. See Revisor's Note (3) to Section
24 8278.002. The revised law omits the provision rather
25 than codifying the provision and substituting a
26 reference to municipal utility districts for the
27 reference to water control and improvement districts
28 because it is not necessary to duplicate by means of
29 adoption and incorporation the substance of general
30 laws applicable to the district. The omitted law
31 reads:

32 Sec. 5. . . . All such general laws
33 are hereby adopted and incorporated by
34 reference with the same effect as if
35 incorporated in full in this Act. . . .

36 (3) Section 21, Chapter 144, Acts of the 61st
37 Legislature, Regular Session, 1969, provides that
38 Article 970a, Vernon's Texas Civil Statutes (Municipal
39 Annexation Act), does not apply to the creation of the
40 district. The revised law omits that provision as
41 executed. The omitted law reads:

42 Sec. 21. This district is hereby
43 created notwithstanding any of the
44 provisions of the Municipal Annexation Act,
45 being Article 970a, Vernon's Texas Civil

1 Statutes, as amended, and to the extent of
2 the creation of the district only, said
3 Article 970a shall have no
4 application. . . .

5 (4) Section 21, Chapter 144, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that the
7 district is subject to certain other laws. The revised
8 law omits that provision because the laws cited apply
9 by their own terms. Section 21 refers to Article 970a,
10 Vernon's Texas Civil Statutes (Municipal Annexation
11 Act). In 1987, Article 970a was codified as Chapters
12 42 and 43, Local Government Code, and Section 212.003,
13 Local Government Code. Section 21 also refers to
14 Article 1182c--1, Vernon's Texas Civil Statutes, "as
15 amended." In 1987, Article 1182c--1 was codified as
16 Sections 43.074, 43.075, and 43.081, Local Government
17 Code.

18 The revised law omits "as amended" because, under
19 Section 311.027, Government Code (Code Construction
20 Act), a reference to a statute applies to all
21 reenactments, revisions, or amendments of that
22 statute, unless expressly provided otherwise. The
23 omitted law reads:

24 Sec. 21. . . . In all other respects,
25 the district hereby created is expressly
26 made subject to all provisions of said
27 Article 970a. District shall also be
28 subject to the provisions of Article
29 1182c--1, Vernon's Texas Civil Statutes, as
30 amended.

32 SUBCHAPTER B. DISTRICT ADMINISTRATION

33 Revised Law

34 Sec. 8278.051. COMPOSITION OF BOARD. The board consists of
35 five elected directors. (Acts 61st Leg., R.S., Ch. 144, Sec. 10
36 (part).)

37 Source Law

38 Sec. 10. All powers of the district shall be
39 exercised by a board of five directors. . . .
40 Succeeding directors shall be elected or

1 Revisor's Note

2 (1) Section 10, Chapter 144, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that
4 "[a]ll powers of the district shall be exercised by"
5 the board. The revised law omits the quoted language
6 because it duplicates, in substance, provisions of
7 Sections 49.051 and 49.057, Water Code. As indicated
8 throughout this chapter, the revised law omits law
9 that is superseded by Chapter 49, Water Code, or that
10 duplicates law contained in that chapter. Chapter 49,
11 Water Code, applies to the district under Sections
12 49.001 and 49.002 of that chapter.

13 (2) Section 10, Chapter 144, Acts of the 61st
14 Legislature, Regular Session, 1969, refers to
15 "[s]ucceeding directors" to distinguish the
16 succeeding directors from the initial directors named
17 in that section. The revised law omits "succeeding"
18 because all provisions referring to initial directors
19 are omitted as executed and the distinction is no
20 longer required.

21 Revised Law

22 Sec. 8278.052. APPOINTMENT OF TREASURER. The board may
23 appoint the treasurer. (Acts 61st Leg., R.S., Ch. 144, Sec. 10
24 (part).)

25 Source Law

26 Sec. 10. . . . The treasurer may be appointed by
27 the board, and

28 Revised Law

29 Sec. 8278.053. DIRECTOR'S AND TREASURER'S BONDS. (a) Each
30 director shall qualify by giving bond in the amount of \$5,000 for
31 the faithful performance of the director's duties.

32 (b) The treasurer shall give bond in the amount required by
33 the board. The treasurer's bond shall be conditioned on the
34 treasurer's faithful accounting for all money that comes into the
35 treasurer's custody as treasurer of the district. (Acts 61st Leg.,

1 R.S., Ch. 144, Sec. 10 (part).)

2 Source Law

3 Sec. 10. . . . Each director shall qualify by
4 subscribing to the constitutional oath of office and
5 giving bond in the amount of \$5,000 for the faithful
6 performance of his duties. . . . The treasurer . . .
7 shall give bond in such amount as may be required by
8 the board and conditioned that he or it will faithfully
9 account for all money which shall come into his or its
10 custody as treasurer of the district.

11 Revisor's Note

12 (1) Section 10, Chapter 144, Acts of the 61st
13 Legislature, Regular Session, 1969, requires each
14 director to qualify "by subscribing to the
15 constitutional oath of office." The revised law omits
16 the quoted language because it duplicates, in
17 substance, Section 1, Article XVI, Texas Constitution.

18 (2) Section 10, Chapter 144, Acts of the 61st
19 Legislature, Regular Session, 1969, provides that the
20 district shall pay the cost of a director's bond and
21 that the bond shall be approved by the board and
22 recorded in the district office. The revised law omits
23 that provision because it duplicates, in substance,
24 Sections 49.055(c) and (d), Water Code. The omitted
25 law reads:

26 Sec. 10. . . . The cost of such bond
27 shall be paid by the district. . . . The
28 bonds of directors elected or appointed
29 after the directors named below shall be
30 approved by the district's board of
31 directors and shall be recorded in a record
32 kept for that purpose in the office of the
33 district. . . .

34 (3) Section 10, Chapter 144, Acts of the 61st
35 Legislature, Regular Session, 1969, requires each
36 director to give bond and provides that "[s]uch bond"
37 shall be approved by the county judge and filed in the
38 office of the county clerk within which the district is
39 located. That section also provides that the bonds of
40 directors elected or appointed after the initial
41 directors shall be approved by the board and shall be

1 recorded in a record kept for that purpose in the
2 district office. Because the provision requiring
3 directors' bonds to be approved by the county judge and
4 filed in the county clerk's office is followed by a
5 provision requiring bonds of successor directors to be
6 approved by the board and recorded in the district's
7 records, it appears from the context that the
8 provision requiring directors' bonds to be approved by
9 the county judge and filed in the office of the county
10 clerk applies only to the bond of an initial director.
11 Accordingly, the revised law omits that provision as
12 executed. The omitted law reads:

13 Sec. 10. . . . Such bond shall be
14 approved by the county judge and filed in
15 the office of the county clerk within which
16 the district is located. . . .

17 Revised Law

18 Sec. 8278.054. ABSENCE OR INACTION OF BOARD PRESIDENT. (a)
19 When the board president is absent or fails or declines to act, the
20 board vice president shall perform all duties and exercise all
21 power this chapter or general law gives the president.

22 (b) If the board president is absent from a board meeting:

23 (1) the board vice president may sign an order or other
24 action adopted at the meeting; or

25 (2) the board may authorize the president to sign the
26 order or other action. (Acts 61st Leg., R.S., Ch. 144, Sec. 10
27 (part).)

28 Source Law

29 Sec. 10. . . . The vice president shall perform
30 all duties and exercise all power conferred by this Act
31 or the general law upon the president when the
32 president is absent or fails or declines to act. Any
33 order adopted or other action taken at a meeting of the
34 board of directors at which the president is absent may
35 be signed by the vice president, or the board may
36 authorize the president to sign such order or other
37 action. . . .

38 Revised Law

39 Sec. 8278.055. DISTRICT OFFICE. (a) Except as provided by
40 this section, the board shall designate, establish, and maintain a

1 district office as provided by Section 49.062, Water Code.

2 (b) The board may establish a second district office outside
3 the district. If the board establishes a second district office,
4 the board shall give notice of the location of that office by:

5 (1) filing a copy of the board resolution that
6 establishes the location of the office:

7 (A) with the Texas Commission on Environmental
8 Quality; and

9 (B) in the municipal utility district records of
10 the county in which the district is located; and

11 (2) publishing notice of the location of the office in
12 a newspaper of general circulation in the county in which the
13 district is located.

14 (c) A district office that is a private residence, office,
15 or dwelling is a public place for matters relating to the district's
16 business.

17 (d) The board shall provide notice of any change in the
18 location of the district office outside the district in the manner
19 required by Subsection (b). (Acts 61st Leg., R.S., Ch. 144, Sec.
20 15.)

21 Source Law

22 Sec. 15. The board of directors shall
23 designate, establish and maintain a district office as
24 provided by Article 7880--44, Vernon's Texas Civil
25 Statutes, and, in addition, may establish a second
26 district office outside the district. Either or both
27 district offices so established and maintained may be
28 a private residence, office or dwelling in which event
29 such private residence, office or dwelling is hereby
30 declared a public place for matters relating to the
31 district's business.

32 If the board of directors establishes a district
33 office outside the district, it shall give notice of
34 the location of that district office by filing a true
35 copy of its resolution establishing the location of
36 such district office with the Texas Water Rights
37 Commission, by filing a true copy in the Water Control
38 and Improvement District records of the county in
39 which the district is located and also by publishing
40 the location in a newspaper of general circulation in
41 said county.

42 If the location of the district office outside
43 the district is thereafter changed, notice of such
44 change shall be given in the same manner.

1 Revisor's Note

2 (1) Section 15, Chapter 144, Acts of the 61st
3 Legislature, Regular Session, 1969, refers to "Article
4 7880--44, Vernon's Texas Civil Statutes." Article
5 7880--44 was codified by Chapter 58, Acts of the 62nd
6 Legislature, Regular Session, 1971, as Sections 51.094
7 and 51.096, Water Code, relating to the district
8 office and the minutes and records of the district,
9 respectively. After the district converted to a
10 municipal utility district in 1977, those sections no
11 longer applied to the district. See Revisor's Note (3)
12 to Section 8278.002. Chapter 715, Acts of the 74th
13 Legislature, Regular Session, 1995, enacted Section
14 49.062, Water Code, to govern the designation of
15 offices for certain districts, including municipal
16 utility districts. The revised law is drafted
17 accordingly.

18 (2) Section 15, Chapter 144, Acts of the 61st
19 Legislature, Regular Session, 1969, refers to a "true
20 copy" of a document. The revised law omits "true"
21 because a copy, by definition, accurately reflects the
22 content of the original document.

23 (3) Section 15, Chapter 144, Acts of the 61st
24 Legislature, Regular Session, 1969, refers to the
25 "Texas Water Rights Commission." The revised law
26 substitutes "Texas Commission on Environmental
27 Quality" for "Texas Water Rights Commission" to
28 reflect the current name of the agency with the
29 relevant regulatory authority.

30 Revisor's Note
31 (End of Subchapter)

32 (1) Section 10, Chapter 144, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that each
34 director shall serve until the director's successor is
35 elected or appointed and qualified. The revised law

1 omits that provision because Section 17, Article XVI,
2 Texas Constitution, requires an officer in this state
3 to continue to perform the officer's official duties
4 until a successor has qualified. The omitted law
5 reads:

6 Sec. 10. . . . Each director shall
7 serve for his term of office as herein
8 provided, and thereafter until his
9 successor shall be elected or appointed and
10 qualified. . . .

11 (2) Section 10, Chapter 144, Acts of the 61st
12 Legislature, Regular Session, 1969, names the initial
13 directors, requires them to qualify to serve as
14 directors before the first board meeting, provides for
15 filling vacancies in the office of director, and
16 provides that the named directors or their successors
17 shall serve until the second Tuesday in January 1971.
18 The revised law omits as executed the provisions
19 naming the initial directors, requiring them to
20 qualify by a certain time, and specifying the
21 expiration of their terms. Because the provision
22 specifying the procedure for filling vacancies in the
23 office of director is followed by a provision
24 requiring the named initial directors or their
25 successors to serve until a specified date in 1971, it
26 appears from the context that the provision relating
27 to the filling of vacancies also applies only to the
28 initial directors. Accordingly, the revised law also
29 omits that language as executed. The omitted law
30 reads:

31 Sec. 10. . . . Immediately after
32 this Act becomes effective, the following
33 named persons shall be the directors of the
34 district and shall constitute the board of
35 directors of the district:

36 Richard Boughton
37 Kenneth N. Wood
38 C. A. Veltman
39 Betty Dillard
40 Linda S. Wood

41 Said persons shall file their bonds as soon
42 as practicable after the effective date of

1 this Act and shall otherwise be fully
2 qualified to serve as director prior to the
3 first meeting of the board of directors.
4 All vacancies in the office of director
5 shall be filled in the manner provided by
6 Article 7880--38, Vernon's Texas Civil
7 Statutes; provided, however, if at any time
8 the number of qualified directors shall be
9 less than three because of the failure or
10 refusal of one or more directors to qualify
11 or serve, or because of his or their death
12 or incapacitation, or for any other reason,
13 then the county judge of the county in which
14 the district is located shall appoint the
15 necessary number of directors to fill all
16 vacancies on the board. The directors named
17 above or their duly appointed successor or
18 successors shall serve until the second
19 Tuesday in January, 1971. . . .

20 (3) Section 10, Chapter 144, Acts of the 61st
21 Legislature, Regular Session, 1969, provides for
22 directors to be elected or appointed and to serve for
23 the term and in the manner provided by Article
24 7880--37, Vernon's Texas Civil Statutes. Article
25 7880--37 was codified by Chapter 58, Acts of the 62nd
26 Legislature, Regular Session, 1971, as Section 51.073,
27 Water Code. After the district converted to a
28 municipal utility district in 1977, that section no
29 longer applied to the district. Instead, Section
30 54.103, Water Code, applied to the district under
31 Section 54.034 of that code. See Revisor's Note (3) to
32 Section 8278.002. Chapter 715, Acts of the 74th
33 Legislature, Regular Session, 1995, repealed Section
34 54.103, Water Code, and enacted Section 49.103, Water
35 Code, to govern the terms of office and manner of
36 election of directors of a municipal utility district
37 and certain other districts. Section 49.103, Water
38 Code, applies to the district without an express
39 reference to that section by this chapter. The revised
40 law omits "appointed" because it is clear from the
41 context of Section 10 that the reference applies only
42 to directors appointed to fill vacancies as provided
43 by Chapter 49, Water Code. The omitted law reads:

44 Sec. 10. . . . [Succeeding

1 directors shall be elected or] appointed
2 and shall serve for the term and in the
3 manner provided by Article 7880--37,
4 Vernon's Texas Civil Statutes. . . .

5 (4) Section 10, Chapter 144, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that
7 three directors constitute a quorum and that a
8 concurrence of three directors is sufficient in all
9 matters relating to the business of the district,
10 including certain construction matters. The revised
11 law omits that provision because it duplicates, in
12 substance, Section 49.053, Water Code. The omitted
13 law reads:

14 Sec. 10. . . . Three directors shall
15 constitute a quorum of any meeting, and a
16 concurrence of three shall be sufficient in
17 all matters pertaining to the business of
18 the district including the letting of
19 construction contracts and the drawing of
20 warrants in payment for construction work,
21 the purchase of existing facilities, and
22 matters relating to construction
23 work. . . .

24 (5) Section 10, Chapter 144, Acts of the 61st
25 Legislature, Regular Session, 1969, provides for the
26 selection of officers by the board and the powers of
27 the board's president. The revised law omits those
28 provisions because they duplicate, in substance,
29 Section 49.054, Water Code. The omitted law reads:

30 Sec. 10. . . . The board shall
31 select from its number a president, vice
32 president, secretary and such other
33 officers as in the judgment of the board are
34 necessary. The president may execute all
35 contracts, construction or otherwise,
36 entered into by the board of directors on
37 behalf of the district. . . .

38 [Sections 8278.056-8278.100 reserved for expansion]

39 SUBCHAPTER C. POWERS AND DUTIES

40 Revised Law

41 Sec. 8278.101. MUNICIPAL UTILITY DISTRICT POWERS. (a) The
42 district has all of the rights, powers, privileges, and functions
43 conferred and imposed by the general law of this state relating to
44 municipal utility districts created under Section 59, Article XVI,

1 Texas Constitution, including those conferred by Chapters 49 and
2 54, Water Code.

3 (b) The district may exercise inside or outside the
4 district's boundaries any of the rights or powers granted by this
5 chapter or under the general law relating to municipal utility
6 districts, including the provision of water or sewerage service.
7 (Acts 61st Leg., R.S., Ch. 144, Secs. 5 (part), 16 (part).)

8 Source Law

9 Sec. 5. The district shall have and exercise,
10 and is hereby vested with, all of the rights, powers,
11 privileges, authority and functions conferred and
12 imposed by the general laws of this state now in force
13 or hereafter enacted, applicable to water control and
14 improvement districts created under authority of
15 Article XVI, Section 59 of the Constitution of Texas
16 including without limitation those conferred by
17 Chapter 3A, Title 128, Vernon's Texas Civil Statutes;
18

19 Sec. 16. The district may exercise any of the
20 rights, powers and authorities granted in this Act or
21 under the general laws relating to water control and
22 improvement districts within or without the boundaries
23 of the district, and is specifically authorized to
24 exercise any of the rights, powers and authorities in
25 order to provide water and sewerage service to areas
26 within or without the boundaries of the
27 district. . . .

28 Revisor's Note

29 (1) Section 5, Chapter 144, Acts of the 61st
30 Legislature, Regular Session, 1969, states that the
31 district "shall have and exercise, and is hereby
32 vested with," certain powers. The revised law
33 substitutes "has" for the quoted language because in
34 the context of this section, the terms are synonymous
35 and "has" is more commonly used.

36 (2) Section 5, Chapter 144, Acts of the 61st
37 Legislature, Regular Session, 1969, refers to "rights,
38 powers, privileges, authority and functions," and
39 Section 16 of that chapter refers to "rights, powers
40 and authorities." The revised law omits "authority"
41 and "authorities" as included in the meaning of
42 "power" and "powers."

43 (3) Section 5, Chapter 144, Acts of the 61st

1 Legislature, Regular Session, 1969, states that the
2 district has the rights, powers, privileges,
3 authority, and functions conferred by the general laws
4 of this state "now in force or hereafter enacted." The
5 revised law omits the quoted language because it is
6 unnecessary under accepted general principles of
7 statutory construction. The "general laws of this
8 state" means those laws "in force" at the time the
9 provision was adopted. It is not necessary to state
10 that the district may be granted additional powers by
11 later enacted laws because those laws apply on their
12 own terms.

13 (4) Section 5, Chapter 144, Acts of the 61st
14 Legislature, Regular Session, 1969, grants the
15 district certain powers, including "without
16 limitation" the powers conferred by Chapter 3A, Title
17 128, Vernon's Texas Civil Statutes. The revised law
18 omits "without limitation" because Section
19 311.005(13), Government Code (Code Construction Act),
20 provides that "includes" and "including" are terms of
21 enlargement and not of limitation and do not create a
22 presumption that components not expressed are
23 excluded.

24 (5) Section 5, Chapter 144, Acts of the 61st
25 Legislature, Regular Session, 1969, refers to "Chapter
26 3A, Title 128, Vernon's Texas Civil Statutes." The
27 relevant provisions of that statute were codified by
28 Chapter 58, Acts of the 62nd Legislature, Regular
29 Session, 1971, as Chapter 51, Water Code. After the
30 district converted to a municipal utility district in
31 1977, Chapter 51, Water Code, no longer applied to the
32 district. Instead, Chapter 54, Water Code, applies to
33 the district under Section 54.034 of that code. See
34 Revisor's Note (3) to Section 8278.002. In 1995,

1 Section 2, Chapter 715, Acts of the 74th Legislature,
2 Regular Session, enacted Chapter 49, Water Code. To
3 reflect those changes, the revised law substitutes a
4 reference to Chapters 49 and 54, Water Code, for the
5 reference to "Chapter 3A, Title 128, Vernon's Texas
6 Civil Statutes."

7 (6) Section 5, Chapter 144, Acts of the 61st
8 Legislature, Regular Session, 1969, refers to the
9 continuing right of this state to supervise the
10 district through the Texas Water Rights Commission.
11 The revised law omits the provision because the Texas
12 Commission on Environmental Quality is the successor
13 to the Texas Water Rights Commission, and therefore
14 the provision duplicates, in substance, part of
15 Section 12.081, Water Code, which applies to the
16 district. The omitted law reads:

17 Sec. 5. . . .
18 The rights, powers, privileges,
19 authority and functions herein granted to
20 the district shall be subject to the
21 continuing right of supervision of the
22 state, to be exercised by and through the
23 Texas Water Rights Commission. . . .

24 (7) Section 16, Chapter 144, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that the
26 district "is specifically authorized to exercise any
27 of the [district's] rights, powers and authorities in
28 order to" take certain actions. The revised law
29 substitutes "may" for "is specifically authorized to"
30 because that term is more concise and is the
31 substantive equivalent of the quoted language.

32 Revised Law

33 Sec. 8278.102. ADDITIONAL POWERS. (a) The district may:

34 (1) make, purchase, construct, lease, or otherwise
35 acquire property, works, facilities, existing improvements, or
36 improvements to be made, constructed, or acquired that are:

37 (A) inside or outside the district's boundaries;

1 and

2 (B) necessary or useful to carry out the powers
3 granted by this chapter or general law; or

4 (2) enter into a contract with a person on terms the
5 board considers desirable, fair, and advantageous for:

6 (A) the purchase or sale of water;

7 (B) the transportation, treatment, and disposal
8 of the domestic, industrial, or communal wastes of the district or
9 others;

10 (C) the continuing and orderly development of
11 land and property in the district through the purchase,
12 construction, or installation of facilities, works, or
13 improvements that the district is otherwise authorized to do or
14 perform so that, to the greatest extent reasonably possible,
15 considering sound engineering and economic practices, all of the
16 land and property may ultimately receive the services of the
17 facilities, works, or improvements; and

18 (D) the performance of any of the powers granted
19 by this chapter or the general law relating to municipal utility
20 districts.

21 (b) A contract under Subsection (a)(2) may not have a
22 duration of more than 40 years. (Acts 61st Leg., R.S., Ch. 144,
23 Sec. 5 (part).)

24 Source Law

25 Sec. 5. . . .

26 Not by way of limitation, the district shall have
27 and is hereby expressly granted the following rights,
28 powers, privileges and functions:

29 (a) The power and authority to make, purchase,
30 construct, lease, or otherwise acquire property,
31 works, facilities and improvements (whether
32 previously existing or to be made, constructed or
33 acquired) within or without the boundaries of the
34 district necessary or useful to carry out the powers
35 and authority granted by this Act and the general laws.

36 (b) The right, power and authority to enter into
37 contracts of not exceeding 40 years duration with
38 persons, corporations, public or private, municipal
39 corporations, political subdivisions of the State of
40 Texas, and others, on such terms and conditions as the
41 board of directors may deem desirable, fair and
42 advantageous for:

43 (1) the purchase and sale of water, or
44 either;

1 (2) the transportation, treatment and
2 disposal of its domestic, industrial or communal
3 wastes or the transportation, treatment and disposal
4 of domestic, industrial or communal wastes of others;

5 (3) the continuing and orderly development
6 of the lands and property within the district through
7 the purchase, construction or installation of
8 facilities, works or improvements which the district
9 may otherwise be empowered and authorized to do or
10 perform so that, to the greatest extent reasonably
11 possible, considering sound engineering and economic
12 practices, all of such lands and property may be placed
13 in a position to ultimately receive the services of
14 such facilities, works or improvements; and

15 (4) the performance of any of the rights or
16 powers granted in this Act and the general laws
17 relating to water control and improvement
18 districts. . . .

19 Revisor's Note

20 (1) Section 5, Chapter 144, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that,
22 "[n]ot by way of limitation," the district has certain
23 specified rights, powers, privileges, and functions.
24 The revised law omits the quoted language because it is
25 an accepted general principle of statutory
26 construction that a grant of a right, power,
27 privilege, or function does not act as a limitation.
28 The general principle applies to this revision.

29 (2) Section 5, Chapter 144, Acts of the 61st
30 Legislature, Regular Session, 1969, provides that the
31 district "shall have and is hereby expressly granted
32 the following rights, powers, privileges and
33 functions" to take certain actions. The revised law
34 substitutes "may" for the quoted language because that
35 term is more concise and is the substantive equivalent
36 of the quoted language.

37 (3) Section 5, Chapter 144, Acts of the 61st
38 Legislature, Regular Session, 1969, refers to the
39 power of the district to enter into contracts with
40 persons, "corporations, public or private, municipal
41 corporations, political subdivisions of the State of
42 Texas, and others." The revised law omits the quoted
43 language because under Section 311.005(2), Government

1 Code (Code Construction Act), "person" is defined to
2 include any legal entity.

3 (4) Section 5, Chapter 144, Acts of the 61st
4 Legislature, Regular Session, 1969, provides that the
5 district may enter into a contract on "terms and
6 conditions" the board considers desirable, fair, and
7 advantageous. The revised law omits the reference to
8 "conditions" because "conditions" is included in the
9 meaning of "terms."

10 Revised Law

11 Sec. 8278.103. EMINENT DOMAIN. The district may exercise
12 the power of eminent domain only in the county in which the district
13 is located. (Acts 61st Leg., R.S., Ch. 144, Sec. 13 (part).)

14 Source Law

15 Sec. 13. The power of eminent domain of the
16 district shall be limited to the county in which the
17 district is situated. . . .

18 Revised Law

19 Sec. 8278.104. COST OF RELOCATING OR ALTERING PROPERTY.

20 (a) In this section, "sole expense" means the actual cost of
21 relocating, raising, lowering, rerouting, changing the grade of, or
22 altering the construction of a facility described by Subsection (b)
23 in providing comparable replacement without enhancement of the
24 facility, after deducting from that cost the net salvage value of
25 the old facility.

26 (b) If the district's exercise of the power of eminent
27 domain makes necessary the relocation, raising, lowering,
28 rerouting, changing the grade, or alteration of the construction of
29 a highway, a railroad, an electric transmission line, a telegraph
30 or telephone property or facility, or a pipeline, the necessary
31 action shall be accomplished at the sole expense of the district.
32 (Acts 61st Leg., R.S., Ch. 144, Sec. 13 (part).)

33 Source Law

34 Sec. 13. . . . In the event that the district,
35 in the exercise of the power granted hereunder, makes
36 necessary the relocation, raising, lowering,
37 rerouting or changing the grade of or altering the

1 construction of, any highway, railroad, electric
2 transmission line, telegraph or telephone properties
3 and facilities, or pipeline, all such necessary
4 relocation, raising, lowering, rerouting, changing of
5 grade or alteration of construction shall be
6 accomplished at the sole expense of the district. The
7 term "sole expense" shall mean the actual cost of such
8 relocation, raising, lowering, rerouting, or change in
9 grade or alteration of construction in providing
10 comparable replacement without enhancement of such
11 facilities, after deducting therefrom the net salvage
12 value derived from the old facility.

13 Revised Law

14 Sec. 8278.105. NOTICE OF ELECTION. The board president or
15 secretary may give notice of an election. (Acts 61st Leg., R.S.,
16 Ch. 144, Sec. 19 (part).)

17 Source Law

18 Sec. 19. Notice of all elections may be given
19 under the hand of either the president or the secretary
20 of the district. . . .

21 Revisor's Note
22 (End of Subchapter)

23 Section 13, Chapter 144, Acts of the 61st
24 Legislature, Regular Session, 1969, states that the
25 district may use public roadways, streets, alleys, or
26 public easements. The revised law omits the provision
27 because it duplicates, in substance, Section 49.220,
28 Water Code. The omitted law reads:

29 Sec. 13. . . . The district shall
30 have the right, power and authority to use
31 any and all public roadways, streets,
32 alleys or public easements within or
33 without the boundaries of the district in
34 the accomplishment of its purposes without
35 the necessity of securing a
36 franchise. . . .

37 [Sections 8278.106-8278.150 reserved for expansion]

38 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

39 Revised Law

40 Sec. 8278.151. TAX METHOD. (a) The district shall use the
41 ad valorem plan of taxation.

42 (b) The board is not required to call or hold a hearing on
43 the adoption of a plan of taxation. (Acts 61st Leg., R.S., Ch. 144,
44 Sec. 8.)

1 affairs for each year shall be prepared by
2 an independent certified public accountant,
3 or a firm of independent certified public
4 accountants, of recognized integrity and
5 ability. . . .

6 (3) Section 14, Chapter 144, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that a
8 written report of the audit shall be delivered to each
9 board member not later than 90 days after the close of
10 each fiscal year. The revised law omits the deadline
11 for delivery of the report as superseded by Sections
12 49.191(b) and (d), Water Code (enacted by Section 2,
13 Chapter 715, Acts of the 74th Legislature, Regular
14 Session, 1995). The omitted law reads:

15 Sec. 14. . . . [A written report of
16 the audit shall be delivered to each member
17 of the board of directors] not later than 90
18 days after the close of each fiscal year;
19 and

20 (4) Section 14, Chapter 144, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that at
22 least five copies of the audit report shall be
23 delivered to the district office and that one of those
24 copies shall constitute a public record. The revised
25 law omits those provisions as superseded by Sections
26 49.191(b), 49.194(c), and 49.196(b), Water Code
27 (enacted by Section 2, Chapter 715, Acts of the 74th
28 Legislature, Regular Session, 1995). The omitted law
29 reads:

30 Sec. 14. . . . at least five
31 additional copies of said audit shall be
32 delivered to the office of the district, one
33 of which shall be kept on file, and shall
34 constitute a public record open to
35 inspection by any interested person or
36 persons within normal office hours;
37 and

38 (5) Section 14, Chapter 144, Acts of the 61st
39 Legislature, Regular Session, 1969, provides that one
40 copy of the audit report shall be filed with the Texas
41 Water Rights Commission. The revised law omits that
42 provision as superseded by Sections 49.191(b) and

1 49.194(a), Water Code (enacted by Section 2, Chapter
2 715, Acts of the 74th Legislature, Regular Session,
3 1995). The omitted law reads:

4 Sec. 14. . . . one copy of such
5 audit report shall be filed with the Texas
6 Water Rights Commission. . . .

7 (6) Section 14, Chapter 144, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that the
9 district shall pay the cost of the audit. The revised
10 law omits that provision because it duplicates Section
11 49.191(a), Water Code. The omitted law reads:

12 Sec. 14. . . . The cost of such audit
13 shall be paid for by the district.

14 Revised Law

15 Sec. 8278.155. PAYMENT OF TAX OR ASSESSMENT NOT REQUIRED.

16 The district is not required to pay a tax or assessment on:

17 (1) district property; or

18 (2) a purchase made by the district. (Acts 61st Leg.,
19 R.S., Ch. 144, Sec. 22 (part).)

20 Source Law

21 Sec. 22. . . . the district shall not be
22 required to pay any tax or assessment on its properties
23 or any part thereof or on any purchases made by the
24 district.

25 Revised Law

26 Sec. 8278.156. DEPOSITORY. (a) The board shall select one
27 or more banks in this state to act as depository for the district's
28 money.

29 (b) To the extent that money in the depository bank is not
30 insured by the Federal Deposit Insurance Corporation, the money
31 must be secured in the manner provided by law for the security of
32 county funds.

33 (c) A director may be a shareholder in a bank that is a
34 depository of district money. (Acts 61st Leg., R.S., Ch. 144, Sec.
35 14 (part).)

36 Source Law

37 Sec. 14. The board of directors of the district
38 shall select any bank or banks in the State of Texas to

1 act as depository or depositories for the funds of the
2 district. To the extent that funds in the depository
3 bank or banks are not insured by the Federal Deposit
4 Insurance Corporation, they shall be secured in the
5 manner provided by law for the security of county
6 funds. Any director of the district may be a
7 shareholder in said depository bank or banks. . . .

8 Revisor's Note

9 Section 14, Chapter 144, Acts of the 61st
10 Legislature, Regular Session, 1969, refers to the
11 district's "funds." The revised law substitutes
12 "money" for "funds" because, in the context of
13 district funds, the meaning is the same and "money" is
14 the more commonly used term.

15 [Sections 8278.157-8278.200 reserved for expansion]

16 SUBCHAPTER E. BONDS

17 Revised Law

18 Sec. 8278.201. AUTHORITY TO ISSUE BONDS. The district may
19 issue bonds to provide water and sewer service to areas inside or
20 outside the boundaries of the district, regardless of whether the
21 areas are contiguous or noncontiguous. (Acts 61st Leg., R.S., Ch.
22 144, Sec. 16 (part).)

23 Source Law

24 Sec. 16. . . . The district may issue bonds to
25 provide water and sewer service to areas within or
26 without the boundaries of the district, whether such
27 area or areas are contiguous or noncontiguous.

28 Revised Law

29 Sec. 8278.202. LOST OR MUTILATED BONDS. A trust indenture
30 securing bonds issued under this chapter may provide for the
31 issuance of bonds to replace lost or mutilated bonds. (Acts 61st
32 Leg., R.S., Ch. 144, Sec. 12 (part).)

33 Source Law

34 Sec. 12.
35 . . . [Such bonds . . . may be additionally
36 secured by a deed of trust or mortgage lien] . . .
37 Such trust indenture, . . . may make provisions for
38 . . . the issuance of bonds to replace lost or
39 mutilated bonds, and . . .

40 Revised Law

41 Sec. 8278.203. USE OF BOND PROCEEDS DURING CONSTRUCTION.
42 (a) The district may appropriate or set aside out of the proceeds

1 from the sale of any bonds issued under this chapter an amount for
2 the payment of interest, administrative, and operating expenses
3 expected to accrue during a period of construction, as may be
4 provided in the bond orders or resolutions.

5 (b) For purposes of this section, the period of construction
6 may not exceed three years. (Acts 61st Leg., R.S., Ch. 144, Sec. 12
7 (part).)

8 Source Law

9 Sec. 12. . . .

10 From the proceeds of sale of any bonds issued
11 hereunder, the district may appropriate or set aside
12 out of the bond proceeds an amount for the payment of
13 interest, administrative and operating expenses
14 expected to accrue during the period of construction,
15 (such period not to exceed three years), as may be
16 provided in the bond orders or resolutions, and

17 Revised Law

18 Sec. 8278.204. REFUNDING BONDS. (a) By order or resolution
19 adopted by the board, the district may issue tax or revenue
20 refunding bonds or tax-revenue refunding bonds to refund revenue
21 bonds or tax-revenue bonds, whether original bonds or refunding
22 bonds, previously issued by the district.

23 (b) The comptroller shall register the refunding bonds on
24 the surrender and cancellation of the bonds to be refunded.

25 (c) Instead of issuing bonds to be registered on the
26 surrender and cancellation of the bonds to be refunded, the
27 district, in the order or resolution authorizing the issuance of
28 the refunding bonds, may provide for the sale of the refunding bonds
29 and the deposit of the proceeds in the place or places where the
30 bonds to be refunded are payable. In that case, the refunding bonds
31 may be issued if an amount sufficient to pay the principal of and
32 interest on the bonds to be refunded to their maturity dates, or to
33 their option dates if according to their terms the bonds have been
34 called for payment before maturity, has been deposited in the place
35 or places where the bonds to be refunded are payable, and the
36 comptroller shall register the refunding bonds without the
37 surrender and cancellation of the bonds to be refunded. (Acts 61st
38 Leg., R.S., Ch. 144, Sec. 12 (part).)

1 Source Law

2 Sec. 12. . . .

3 By orders or resolutions adopted by its board of
4 directors, said district shall have the power and
5 authority to issue tax or revenue refunding bonds or
6 tax-revenue refunding bonds to refund revenue bonds or
7 tax-revenue bonds (either original bonds or refunding
8 bonds) theretofore issued by such district. Said
9 refunding bonds shall be approved by the attorney
10 general as in the case of original bonds, and shall be
11 registered by the comptroller of public accounts upon
12 the surrender and cancellation of the bonds to be
13 refunded, but in lieu thereof, the orders or
14 resolutions authorizing their issuance may provide
15 that they shall be sold and the proceeds thereof
16 deposited in the place or places where the underlying
17 bonds are payable, in which case the refunding bonds
18 may be issued provided an amount sufficient to pay the
19 interest and principal on the underlying bonds to
20 their maturity dates, or to their option dates if said
21 bonds have been duly called for payment prior to
22 maturity according to their terms, has been so
23 deposited in the place or places where said underlying
24 bonds are payable, and the comptroller of public
25 accounts shall register them without the surrender and
26 cancellation of the underlying bonds. . . .

27 Revisor's Note

28 (1) Section 12, Chapter 144, Acts of the 61st
29 Legislature, Regular Session, 1969, provides that the
30 district "shall have the power and authority" to issue
31 certain bonds. The revised law substitutes "may" for
32 the quoted language for the reason stated in Revisor's
33 Note (2) to Section 8278.102.

34 (2) Section 12, Chapter 144, Acts of the 61st
35 Legislature, Regular Session, 1969, provides that
36 refunding bonds "shall be approved by the attorney
37 general as in the case of original bonds." The revised
38 law omits the quoted language because it is superseded
39 by Section 1202.003, Government Code, enacted in 1987
40 as Section 3.002(a), Chapter 53, Acts of the 70th
41 Legislature, 2nd Called Session (Article 717k-8,
42 Vernon's Texas Civil Statutes). That section applies
43 to district bonds by application of Section 1202.001,
44 Government Code.

45 (3) Section 12, Chapter 144, Acts of the 61st
46 Legislature, Regular Session, 1969, refers to bonds

1 that have been "duly" called for payment before their
2 maturity. The revised law omits "duly" in this context
3 because it does not add to the clear meaning of the
4 law.

5 Revisor's Note
6 (End of Subchapter)

7 (1) Section 11, Chapter 144, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that the
9 district shall comply with the requirements of Article
10 7880--139, Vernon's Texas Civil Statutes. Article
11 7880--139 was codified by Chapter 58, Acts of the 62nd
12 Legislature, Regular Session, 1971, as Sections 51.421
13 and 51.422, Water Code. After the district was
14 converted to a municipal utility district in 1977,
15 those sections no longer applied to the district.
16 Instead, Sections 54.516 and 54.517, Water Code,
17 applied to the district under Section 54.034 of that
18 code. See Revisor's Note (3) to Section 8278.002.
19 Chapter 715, Acts of the 74th Legislature, Regular
20 Session, 1995, repealed Sections 54.516 and 54.517,
21 Water Code, and enacted Sections 49.181 and 49.182,
22 Water Code, to govern the authority of the Texas
23 Commission on Environmental Quality over the issuance
24 of district bonds and supervision by the commission of
25 projects and improvements, respectively. Sections
26 49.181 and 49.182, Water Code, apply to the district on
27 their own terms, without an express reference to those
28 sections in this chapter. The omitted law reads:

29 Sec. 11. The district shall comply
30 with the requirements of Article 7880--139,
31 Vernon's Texas Civil Statutes, as it
32 presently exists or as it may be hereafter
33 amended.

34 (2) Section 12, Chapter 144, Acts of the 61st
35 Legislature, Regular Session, 1969, refers to the
36 district's authority to issue bonds for specific
37 purposes. The revised law omits that provision

1 because it duplicates Section 54.501, Water Code. The
2 omitted law reads:

3 Sec. 12. The district is hereby
4 authorized to issue [its negotiable tax
5 bonds, revenue bonds, or tax and revenue]
6 bonds to provide funds for any or all of the
7 purposes set out or incorporated by
8 reference herein, including the acquisition
9 of land therefor, and

10 (3) Section 12, Chapter 144, Acts of the 61st
11 Legislature, Regular Session, 1969, authorizes the
12 district to issue "negotiable" bonds and provides for
13 the payment of those bonds. The revised law omits the
14 reference to "negotiable" bonds because Section
15 1201.041, Government Code, provides that a public
16 security is a negotiable instrument. Section 1201.041
17 applies to district bonds by application of Section
18 1201.002, Government Code. The revised law omits the
19 provision regarding the payment of district bonds
20 because the provision duplicates, in substance,
21 Section 54.503, Water Code. The omitted law reads:

22 Sec. 12. [The district is hereby
23 authorized to issue] its negotiable tax
24 bonds, revenue bonds, or tax and revenue
25 [bonds]

26 The bonds issued hereunder may be
27 payable from all or any designated part or
28 parts of the revenues of the district's
29 properties and facilities or under specific
30 contracts, as may be provided in the orders
31 or resolutions authorizing the issuance of
32 such bonds; and,

33 (4) Section 12, Chapter 144, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that
35 district bonds shall be issued under Chapter 3A, Title
36 128, and Article 7880--90a, Vernon's Texas Civil
37 Statutes. Chapter 58, Acts of the 62nd Legislature,
38 Regular Session, 1971, codified the relevant
39 provisions of Chapter 3A, Title 128, as Chapter 51,
40 Water Code. The same act codified Article 7880--90a as
41 Sections 51.450-51.454, Water Code. The revised law
42 omits the references to those laws because the

1 district converted from a water control and
2 improvement district governed by Chapter 51, Water
3 Code, to a municipal utility district governed by
4 Chapter 54, Water Code. See Revisor's Note (3) to
5 Section 8278.002. The provisions of Chapter 54, Water
6 Code, apply on their own terms. The omitted law reads:

7 Sec. 12. . . . said bonds shall be
8 issued in the manner provided and as
9 authorized by Article 7880--90a, Vernon's
10 Texas Civil Statutes, and Chapter 3A of
11 Title 128, Vernon's Texas Civil Statutes, as
12 presently or hereafter amended,

13 (5) Section 12, Chapter 144, Acts of the 61st
14 Legislature, Regular Session, 1969, provides that an
15 election is not required for bonds payable from
16 revenues. The revised law omits that provision
17 because it duplicates, in substance, Section 54.505,
18 Water Code. The omitted law reads:

19 Sec. 12. . . . provided, however,
20 that bonds payable solely from net revenues
21 may be issued by resolution or order of the
22 board of directors and no election therefor
23 shall be necessary. . . .

24 (6) Section 12, Chapter 144, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that
26 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
27 applies to bonds issued under Section 12 except when
28 Chapter 3A is inconsistent or in conflict with Section
29 12. The revised law omits the provision for the
30 reasons stated in Revisor's Note (4) to the end of this
31 subchapter and Revisor's Note (1) to the end of
32 Subchapter A. The omitted law reads:

33 Sec. 12. . . . except as the same may
34 be inconsistent or in conflict with the
35 provisions of this Act, the provisions of
36 said Chapter 3A of Title 128, Vernon's Texas
37 Civil Statutes, as presently or hereafter
38 amended, shall apply to all bonds issued
39 under the provisions of this Act (the
40 provisions of this Act to govern and take
41 precedence in the event of any such
42 inconsistency or conflict). . . .

43 (7) Section 12, Chapter 144, Acts of the 61st

1 Legislature, Regular Session, 1969, provides for
2 additional security for bonds. The revised law omits
3 that provision because it duplicates Section 54.504,
4 Water Code. The omitted law reads:

5 Sec. 12. . . .

6 Such bonds, within the discretion of
7 the board of directors, may be additionally
8 secured by a deed of trust or mortgage lien
9 upon part or all of the physical properties
10 of the district, and franchises, easements,
11 water rights and appropriation permits,
12 leases, and contracts and all rights
13 appurtenant to such properties, vesting in
14 the trustee power to sell such properties
15 for payment of the indebtedness, power to
16 operate the properties and all other powers
17 and authority for the further security of
18 the bonds. [Such trust indenture,]
19 regardless of the existence of the deed of
20 trust or mortgage lien on the properties,
21 may contain provisions prescribed by the
22 board of directors for the security of the
23 bonds and the preservation of the trust
24 estate, and [may make provisions for]
25 amendment or modification thereof and . . .
26 may condition the right to expend district
27 money or sell district property upon
28 approval of a registered professional
29 engineer selected as provided therein and
30 may make provisions for investment of funds
31 of the district. Any purchaser under a sale
32 under the deed of trust or mortgage lien,
33 where one is given, shall be absolute owner
34 of the properties, facilities and rights so
35 purchased and shall have the right to
36 maintain and operate same. . . .

37 (8) Section 12, Chapter 144, Acts of the 61st
38 Legislature, Regular Session, 1969, specifies various
39 provisions of bonds. The revised law omits that
40 provision because it duplicates Section 54.510, Water
41 Code. The omitted law reads:

42 Sec. 12. . . .

43 In the orders or resolutions
44 authorizing the issuance of any revenue,
45 tax-revenue, revenue refunding, or
46 tax-revenue refunding bonds authorized
47 hereunder, the district's board of
48 directors may provide for the flow of funds,
49 the establishment and maintenance of the
50 interest and sinking fund or funds, reserve
51 fund or funds, and other funds, and may make
52 additional covenants with respect to the
53 bonds and the pledged revenues and the
54 operation and maintenance of those
55 improvements and facilities (the revenues
56 of which are pledged), including provisions
57 for the operation or for the leasing of all
58 or any part of said improvements and

1 facilities and the use or pledge of moneys
2 derived from such operation contracts and
3 leases, as such board may deem appropriate.
4 Such orders or resolutions may also
5 prohibit the further issuance of bonds or
6 other obligations payable from the pledged
7 revenues, or may reserve the right to issue
8 additional bonds to be secured by a pledge
9 of and payable from said revenues on a
10 parity with, or subordinate to, the lien and
11 pledge in support of the bonds being issued,
12 subject to such conditions as are set forth
13 in such orders or resolutions. Such orders
14 or resolutions may contain other provisions
15 and covenants, as the district's board may
16 determine, not prohibited by the
17 Constitution of Texas or by this Act, and
18 said board may adopt and cause to be
19 executed any other proceedings or
20 instruments necessary and/or convenient in
21 the issuance of any such bonds. . . .

22 (9) Section 12, Chapter 144, Acts of the 61st
23 Legislature, Regular Session, 1969, provides for the
24 use of bond proceeds to pay expenses incurred and to be
25 incurred in the issuance, sale, and delivery of the
26 bonds. The revised law omits that provision because it
27 duplicates, in substance, Section 49.155, Water Code.
28 The omitted law reads:

29 Sec. 12. . . .
30 [From the proceeds of sale of any bonds
31 issued hereunder, the district may
32 appropriate or set aside out of the bond
33 proceeds] . . . an amount necessary to pay
34 all expenses incurred and to be incurred in
35 the issuance, sale and delivery of the
36 bonds. . . .

37 (10) Section 12, Chapter 144, Acts of the 61st
38 Legislature, Regular Session, 1969, provides that
39 money in a fund established or provided for in a bond
40 order or resolution may be invested in securities as
41 provided in the bond order or may be placed on
42 interest-bearing time deposit. The revised law omits
43 that provision because it is superseded by Subchapter
44 A, Chapter 2256, Government Code (enacted as Chapter
45 889, Acts of the 70th Legislature, Regular Session,
46 1987). The omitted law reads:

47 Sec. 12. . . . Moneys in the interest
48 and sinking fund or funds and the reserve
49 fund or funds, and in the other fund or
50 funds established or provided for in the

1 bond orders or resolutions may be invested
2 in such manner and in such securities as may
3 be provided in the bond order or orders or
4 may be placed on interest-bearing time
5 deposit. . . .

6 (11) Section 12, Chapter 144, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that bond
8 proceeds may be invested in securities of the United
9 States or placed on interest-bearing time deposit.
10 The revised law omits that provision as superseded by
11 Subchapter A, Chapter 2256, Government Code (enacted
12 as Chapter 889, Acts of the 70th Legislature, Regular
13 Session, 1987). The omitted law reads:

14 Sec. 12. . . . Until such time as the
15 bond proceeds are needed to carry out the
16 bond purpose, such proceeds may be invested
17 in securities of the United States
18 Government or any agency thereof or may be
19 placed on interest-bearing time deposit,
20 either or both. . . .

21 (12) Section 12, Chapter 144, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that
23 district bonds may be registered as to principal or as
24 to principal and interest. The revised law omits that
25 provision because it duplicates Section 1201.024,
26 Government Code. That section applies to district
27 bonds by application of Section 1201.002, Government
28 Code. The omitted law reads:

29 Sec. 12. . . . Any such revenue
30 bonds, tax bonds, revenue refunding bonds,
31 or tax-revenue refunding bonds hereinafter
32 mentioned may be registrable as to
33 principal, or as to both principal and
34 interest. . . .

35 (13) Section 12, Chapter 144, Acts of the 61st
36 Legislature, Regular Session, 1969, requires the
37 district to deliver its bonds to the attorney general
38 for examination and approval. The revised law omits
39 that provision because it duplicates, in substance,
40 Section 1202.003, Government Code. Section 1202.003,
41 Government Code, applies to district bonds by
42 application of Section 1202.001, Government Code. The

1 omitted law reads:

2 Sec. 12. . . .
3 After any bonds have been authorized
4 by the district hereunder, such bonds and
5 the record relating to their issuance shall
6 be submitted to the Attorney General of the
7 State of Texas for his examination as to the
8 validity thereof, and

9 (14) Section 12, Chapter 144, Acts of the 61st
10 Legislature, Regular Session, 1969, provides that
11 after approval the bonds shall be registered with the
12 comptroller. The revised law omits that provision as
13 superseded by Section 1202.005, Government Code
14 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
15 of the 70th Legislature, 2nd Called Session). Section
16 1202.005, Government Code, applies to district bonds
17 by application of Section 1202.001, Government Code.
18 The omitted law reads:

19 Sec. 12. . . . after said attorney
20 general has approved the same, such bonds
21 shall be registered by the Comptroller of
22 Public Accounts of the State of
23 Texas. . . .

24 (15) Section 12, Chapter 144, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that
26 after approval and registration, district bonds are
27 incontestable except for forgery or fraud. The
28 revised law omits that provision as impliedly repealed
29 by Section 1202.006, Government Code (enacted as
30 Section 3.002(d), Chapter 53, Acts of the 70th
31 Legislature, 2nd Called Session, 1987). Section
32 1202.006, Government Code, provides that after
33 approval and registration, bonds are incontestable for
34 any reason. Section 1202.006 applies to district
35 bonds by application of Section 1202.001, Government
36 Code. The omitted law reads:

37 Sec. 12. . . . When such bonds have
38 been approved by the attorney general,
39 registered by the comptroller of public
40 accounts, and delivered to the purchasers,
41 they shall thereafter be incontestable
42 except for forgery or fraud. . . .

1 (16) Section 12, Chapter 144, Acts of the 61st
2 Legislature, Regular Session, 1969, details various
3 procedures regarding the attorney general's approval
4 of bond contracts and proceedings. The revised law
5 omits the portion of Section 12 regarding the
6 incontestability of a contract the proceeds of which
7 are pledged to the payment of a bond as impliedly
8 repealed by Section 1202.006, Government Code (enacted
9 as Section 3.002(d), Chapter 53, Acts of the 70th
10 Legislature, 2nd Called Session, 1987). Section
11 1202.006, Government Code, provides that after
12 approval and registration of the bond, the bond and
13 contract are incontestable for any reason. Section
14 1202.006 applies to district bonds by application of
15 Section 1202.001, Government Code. The omitted law
16 reads:

17 Sec. 12. . . . When any bonds recite
18 that they are secured partially or
19 otherwise by a pledge of the proceeds of a
20 contract or contracts made between the
21 district and another party or parties
22 (private or public) a copy of such contract
23 or contracts and the proceedings
24 authorizing the same may or may not be
25 submitted to the attorney general along
26 with the bond record and, if so submitted,
27 the approval by the attorney general of the
28 bonds shall constitute an approval of such
29 contract or contracts, and thereafter the
30 contract or contracts shall be
31 incontestable for any cause except for
32 forgery or fraud.

33 (17) Section 17, Chapter 144, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that the
35 district may sell bonds at any price or on any terms,
36 except that the price may not be less than that
37 provided by law. The revised law omits that provision
38 because it duplicates Section 1204.006(b), Government
39 Code. Section 1204.006(b) provides that an issuer may
40 sell public securities at any price and applies to
41 district bonds by application of Section 1204.001,
42 Government Code. The omitted law reads:

1 Sec. 17. Bonds of the district may be
2 sold at a price and upon the terms
3 determined by the board of directors of the
4 district, except that such bonds shall not
5 be sold for a less amount than provided by
6 law. . . .

7 (18) Section 17, Chapter 144, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that the
9 district may sell bonds only after soliciting bids.
10 The revised law omits that provision because it
11 duplicates, in substance, Section 49.183(a), Water
12 Code. The omitted law reads:

13 Sec. 17. . . . No bonds shall be sold
14 by the district until it has solicited bids
15 therefor.

16 (19) Section 18, Chapter 144, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that
18 elections to authorize district bonds must be held
19 under applicable general law. Section 18 also
20 provides that if the first bond election fails, any
21 provision of the general law relating to the
22 dissolution of a district when a bond election fails
23 does not apply to the district. The revised law omits
24 the provision relating to the first bond election as
25 executed. The revised law omits the provision
26 requiring bond elections to be held under applicable
27 general law because the provision duplicates Section
28 49.101, Water Code. The omitted law reads:

29 Sec. 18. All elections to authorize
30 the issuance of bonds by the district shall
31 be held pursuant to the general law
32 applicable to water control and improvement
33 districts; provided, however, that if the
34 first bond election fails, Article
35 7880--77b, Vernon's Texas Civil Statutes,
36 or any other provision of the general law
37 pertaining to dissolution of the district
38 when a bond election fails, shall not apply.

39 (20) Section 20, Chapter 144, Acts of the 61st
40 Legislature, Regular Session, 1969, lists the entities
41 for which district bonds are legal investments and
42 provides that district bonds may secure deposits of

1 public funds of the state or political subdivisions.
2 The revised law omits the provision relating to the
3 eligibility of district bonds to be considered as
4 investments for various entities because it duplicates
5 Section 49.186(a), Water Code. The revised law omits
6 the provision relating to deposits of state funds by
7 the comptroller as impliedly repealed by Section
8 404.0221, Government Code (enacted in 1995), which
9 lists eligible collateral for deposits of state funds
10 by the comptroller. As to deposits of other funds, the
11 provision is impliedly repealed by Chapter 2257,
12 Government Code (enacted in 1989 as Article 2529d,
13 Vernon's Texas Civil Statutes), which governs eligible
14 collateral for deposits of funds of other public
15 agencies, including political subdivisions, and
16 permits those deposits to be secured by obligations
17 issued by conservation and reclamation districts. The
18 omitted law reads:

19 Sec. 20. All bonds and refunding
20 bonds of the district shall be and are
21 hereby declared to be legal, eligible and
22 authorized investments for banks, savings
23 and loan associations, insurance companies,
24 fiduciaries, and for the sinking funds of
25 cities, towns, villages, counties, school
26 districts, or other political corporations
27 or subdivisions of the State of Texas and
28 for all public funds of the State of Texas
29 or its agencies, including the State
30 Permanent School Fund. Such bonds and
31 refunding bonds shall be eligible to secure
32 the deposit of any and all public funds of
33 the State of Texas, cities, towns,
34 villages, counties, school districts, or
35 other political corporations or
36 subdivisions of the State of Texas; and such
37 bonds shall be lawful and sufficient
38 security for said deposits to the extent of
39 their face value, when accompanied by all
40 unmatured coupons appurtenant thereto.

41 Revisor's Note
42 (End of Chapter)

43 (1) Section 6, Chapter 144, Acts of the 61st
44 Legislature, Regular Session, 1969, provides that it
45 is not necessary for the board of directors to hold an

1 election to confirm the district's organization and
2 that the district is validly created from and after the
3 passage of that act. The revised law omits that
4 provision as executed. The omitted law reads:

5 Sec. 6. It shall not be necessary for
6 the board of directors to call or hold an
7 election to confirm the organization of the
8 district and such district shall be validly
9 created from and after the passage of this
10 Act.

11 (2) Section 7, Chapter 144, Acts of the 61st
12 Legislature, Regular Session, 1969, provides for the
13 exclusion of property from the district before the
14 first bond election is called. The revised law omits
15 that provision as executed because the district has
16 already issued bonds. The omitted law reads:

17 Sec. 7. It shall not be necessary for
18 the board of directors to call or hold a
19 hearing on the exclusions of land or other
20 property from the district; provided,
21 however, that the board shall hold such
22 hearing upon the written petition of any
23 landowner or other property owner within
24 the district filed with the secretary of the
25 board prior to the calling of the first bond
26 election for the district. The board may act
27 on said petition in the same manner that it
28 may act on a petition for the addition of
29 land under Article 7880--75, Vernon's Texas
30 Civil Statutes, and no notice of hearing
31 shall be required. . . .

32 (3) Section 7, Chapter 144, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that the
34 board may on its own motion hold a hearing on the
35 exclusion of property from the district in the manner
36 provided by general law. The revised law omits that
37 provision because it duplicates, in substance, Section
38 49.303(b), Water Code. The omitted law reads:

39 Sec. 7. . . . The board on its own
40 motion may call and hold an exclusions
41 hearing or hearings in the manner provided
42 by the general law.

43 (4) Section 19, Chapter 144, Acts of the 61st
44 Legislature, Regular Session, 1969, provides that the
45 board shall canvass the returns of all elections. The

1 revised law omits that requirement because it
2 duplicates Section 67.002, Election Code, which
3 requires the governing body of a political subdivision
4 that orders an election to canvass the returns.
5 Section 19 also provides that the board shall canvass
6 the election returns "as soon as reasonably
7 practicable after an election." The revised law omits
8 that provision as superseded by Section 67.003,
9 Election Code (enacted by Section 1, Chapter 211, Acts
10 of the 69th Legislature, Regular Session, 1985). The
11 omitted law reads:

12 Sec. 19. . . . The returns of all
13 elections shall be canvassed by the board of
14 directors of the district as soon as
15 reasonably practicable after an election.

16 (5) Section 23, Chapter 144, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that the
18 act is severable. The revised law omits that provision
19 because it duplicates Section 311.032, Government Code
20 (Code Construction Act), which states that a provision
21 of a statute is severable from each other provision of
22 the statute that can be given effect. The omitted law
23 reads:

24 Sec. 23. If any word, phrase, clause,
25 paragraph, sentence, part, portion or
26 provision of this Act or the application
27 thereof to any person or circumstance shall
28 be held to be invalid or unconstitutional,
29 the remainder of the Act shall nevertheless
30 be valid, and the Legislature hereby
31 declares that this Act would have been
32 enacted without such invalid or
33 unconstitutional word, phrase, clause,
34 paragraph, sentence, part, portion or
35 provision.

36 (6) Section 24, Chapter 144, Acts of the 61st
37 Legislature, Regular Session, 1969, contains
38 legislative findings relating to the performance of
39 certain requirements under Section 59(d), Article XVI,
40 Texas Constitution. The revised law omits that
41 provision as executed. The omitted law reads:

1 Sec. 8279.105. NOTICE OF ELECTION 1688

2 [Sections 8279.106-8279.150 reserved for expansion]

3 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

8 REQUIRED 1692

9 Sec. 8279.155. DEPOSITORY 1692

16 Sec. 8279.204. REFUNDING BONDS 1695

17 CHAPTER 8279. HORSEPEN BAYOU MUNICIPAL UTILITY DISTRICT OF
18 HARRIS COUNTY, TEXAS

19 SUBCHAPTER A. GENERAL PROVISIONS

20 Revised Law

21 Sec. 8279.001. DEFINITIONS. In this chapter:

22 (1) "Board" means the board of directors of the
23 district.

24 (2) "Director" means a member of the board.

25 (3) "District" means the Horsepen Bayou Municipal
26 Utility District of Harris County, Texas. (Acts 61st Leg., R.S.,
27 Ch. 838, Sec. 1 (part); New.)

28 Source Law

29 Sec. 1. . . . [a . . . district . . .] to be
30 known as "Horsepen Bayou Municipal Utility District of
31 Harris County, Texas," hereinafter called the
32 "District,"

33 Revisor's Note

34 The definitions of "board" and "director" are
35 added to the revised law for drafting convenience and
36 to eliminate frequent, unnecessary repetition of the

1 substance of the definitions.

2 Revised Law

3 Sec. 8279.002. NATURE OF DISTRICT. The district is a
4 municipal utility district and a conservation and reclamation
5 district in Harris County created under Section 59, Article XVI,
6 Texas Constitution. (Acts 61st Leg., R.S., Ch. 838, Sec. 1 (part);
7 New.)

8 Source Law

9 Sec. 1. Under and pursuant to the provisions of
10 Article XVI, Section 59 of the Constitution of Texas, a
11 conservation and reclamation district is hereby
12 created and established in Harris County, Texas, . . .
13 which shall be a governmental agency and a body politic
14 and corporate. . . .

15 Revisor's Note

16 (1) Section 1, Chapter 838, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that the
18 district is "created and established" in Harris
19 County, Texas. The revised law omits "established"
20 because the meaning of that word is included in the
21 meaning of "created."

22 (2) Section 1, Chapter 838, Acts of the 61st
23 Legislature, Regular Session, 1969, refers to the
24 district as "a governmental agency and a body politic
25 and corporate." The revised law omits those
26 references because they duplicate a portion of Section
27 59(b), Article XVI, Texas Constitution, which provides
28 that a conservation and reclamation district is a
29 governmental agency and a body politic and corporate.

30 (3) The revised law adds a reference to the
31 district as a "municipal utility district" because the
32 district was converted from a water control and
33 improvement district to a municipal utility district
34 on March 6, 1979, by order of the Texas Water
35 Commission. See Sections 54.030-54.036, Water Code.
36 That order expressly states that the district does not
37 "retain any of the provisions of the Code under which

1 it has heretofore been operating" (Chapter 51, Water
2 Code). Under both that order and Section 54.034, Water
3 Code, the district now operates under Chapter 54,
4 Water Code. Throughout this chapter, references to
5 water control and improvement districts and references
6 to Chapter 51, Water Code (the chapter on water control
7 and improvement districts), have been revised to
8 reflect the district's conversion. In addition, as
9 indicated throughout this chapter, the revised law
10 omits law that is superseded by Chapter 54, Water Code,
11 or that duplicates law contained in that chapter.

12 Revised Law

13 Sec. 8279.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
14 The district is created to serve a public use and benefit.

15 (b) All land and other property included in the boundaries
16 of the district will benefit from the works and projects
17 accomplished by the district under the powers conferred by Section
18 59, Article XVI, Texas Constitution.

19 (c) The creation of the district is essential to accomplish
20 the purposes of Section 59, Article XVI, Texas Constitution.

21 (d) The accomplishment of the purposes stated in this
22 chapter is for the benefit of the people of this state and for the
23 improvement of their property and industries. The district in
24 carrying out the purposes of this chapter will be performing an
25 essential public function under the Texas Constitution. (Acts 61st
26 Leg., R.S., Ch. 838, Secs. 1 (part), 4, 22 (part).)

27 Source Law

28 Sec. 1. . . . The creation and establishment of
29 the District is hereby declared to be essential to the
30 accomplishment of the purposes of Article XVI, Section
31 59 of the Constitution of Texas.

32 Sec. 4. It is determined and found that all of
33 the land and other property included within the
34 boundaries of the District will be benefited by the
35 works and project which are to be accomplished by the
36 District pursuant to the powers conferred by the
37 provisions of Article XVI, Section 59, of the
38 Constitution of Texas, and that said District was and
39 is created to serve a public use and benefit.

1 boundaries and field notes of the District form a
2 closure; and if any mistake is made in copying the
3 field notes in the legislative process, or otherwise a
4 mistake is made in the field notes, it shall in no way
5 affect the organization, existence and validity of the
6 District, or the right of the District to issue any
7 type of bonds or refunding bonds for the purposes for
8 which the District is created, or to pay the principal
9 and interest thereon, or the right to assess, levy and
10 collect taxes, or in any other manner affect the
11 legality or operation of the District or its governing
12 body.

13 Revisor's Note

14 (1) The revision of the law governing the
15 district does not revise the statutory language
16 describing the territory of the district to avoid the
17 lengthy recitation of the description and because that
18 description may not be accurate on the effective date
19 of the revision or at the time of a later reading. For
20 the reader's convenience, the revised law includes a
21 reference to the statutory description of the
22 district's territory and references to authority to
23 change the district's territory, including: (1)
24 Subchapter H, Chapter 54, Water Code, applicable to
25 the district after the district was converted to a
26 municipal utility district governed by Chapter 54 of
27 that code (see Sections 54.030-54.036 of that code and
28 Revisor's Note (3) to Section 8279.002); (2)
29 Subchapter J, Chapter 49, Water Code, applicable to
30 the district under Sections 49.001 and 49.002 of that
31 chapter; and (3) Section 9, Chapter 838, Acts of the
32 61st Legislature, Regular Session, 1969. The revised
33 law also includes a reference to the general authority
34 of the legislature to enact other laws to change the
35 district's territory.

36 (2) Section 3, Chapter 838, Acts of the 61st
37 Legislature, Regular Session, 1969, provides that a
38 mistake does not affect the right of the district to
39 issue "any type of bonds or refunding bonds." The
40 revised law omits the reference to "refunding bonds"

1 because refunding bonds are included in the meaning of
2 "any type of bonds."

3 (3) Section 3, Chapter 838, Acts of the 61st
4 Legislature, Regular Session, 1969, refers to the
5 district's right to "assess, levy and collect" a tax.
6 Throughout this chapter, the revised law substitutes
7 "impose" for "levy" or "assess, levy and collect"
8 because "impose" is the term generally used in Title 1,
9 Tax Code, and includes the assessment, levying, and
10 collection of a tax.

11 Revised Law

12 Sec. 8279.005. EXPANSION OF DISTRICT. (a) If land is
13 annexed to the district under Section 49.301, Water Code, the board
14 may require the petitioners to:

15 (1) assume the petitioners' pro rata share of the voted
16 but unissued bonds of the district; and

17 (2) authorize the board to impose a tax on the
18 petitioners' property to pay for the bonds after the bonds have been
19 issued.

20 (b) If land is annexed to the district under Section 49.302,
21 Water Code, the board may submit to the voters of the area to be
22 annexed a proposition on the question of the assumption by the area
23 to be annexed of its part of the voted but not yet issued or sold tax
24 or tax-revenue bonds of the district and the imposition of an ad
25 valorem tax on taxable property in the area to be annexed along with
26 a tax in the rest of the district for the payment of the bonds.

27 (c) If the petitioners consent or if the election results
28 favorably, the district may issue its voted but unissued tax or
29 tax-revenue bonds regardless of changes to district boundaries
30 since the original voting or authorization of the bonds. (Acts 61st
31 Leg., R.S., Ch. 838, Sec. 9.)

32 Source Law

33 Sec. 9. Land may be added to or annexed to the
34 District in the manner now provided by Chapter 3A,
35 Title 128, Revised Civil Statutes of Texas, 1925, as
36 amended; provided, however, that the Board of

1 Directors may require the petitioners, if land is
2 being added in the manner provided by Article
3 7880--75, Vernon's Texas Civil Statutes to assume
4 their pro rata share of the voted but unissued bonds of
5 the District and authorize the Board to levy a tax on
6 their property in payment for such unissued bonds,
7 when issued, or if land is being annexed in the manner
8 provided by Article 7880--75b, Vernon's Texas Civil
9 Statutes, the Board may also submit a proposition to
10 the property tax-paying voters of the area to be
11 annexed on the question of the assumption by the area
12 to be annexed of its part of the tax or tax-revenue
13 bonds of the District theretofore voted but not yet
14 issued or sold and the levy of an ad valorem tax on all
15 taxable property within the area to be annexed along
16 with the tax in the rest of the District for the
17 payment thereof. If the petitioners consent or if the
18 election results favorably, the District shall be
19 authorized to issue its voted but unissued tax or
20 tax-revenue bonds even though the boundaries of the
21 District have been changed since the voting or
22 authorization of such bonds.

23 Revisor's Note

24 (1) Section 9, Chapter 838, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that the
26 district may add or annex land in the manner provided
27 by Chapter 3A, Title 128, Revised Statutes. The
28 revised law omits that provision as unnecessary. The
29 relevant provisions of that statute were codified by
30 Chapter 58, Acts of the 62nd Legislature, Regular
31 Session, 1971, as Subchapter O, Chapter 51, Water
32 Code. After the district converted to a municipal
33 utility district in 1979, that subchapter no longer
34 applied to the district and Subchapter H, Chapter 54,
35 Water Code, applied instead, as described by Revisor's
36 Note (3) to Section 8279.002. Chapter 715, Acts of the
37 74th Legislature, Regular Session, 1995, repealed some
38 of the relevant provisions of Subchapter H, Chapter
39 54, Water Code, and enacted Subchapter J, Chapter 49,
40 Water Code, to govern the addition of land to a
41 municipal utility district and certain other
42 districts. Subchapter J, Chapter 49, Water Code,
43 applies to the district without an express reference
44 to Subchapter J by this chapter. The remaining
45 relevant provisions of Subchapter H, Chapter 54, Water

1 Code, apply to the district under Section 54.034,
2 Water Code, without an express reference to those
3 sections by this chapter.

4 (2) Section 9, Chapter 838, Acts of the 61st
5 Legislature, Regular Session, 1969, refers to Article
6 7880--75, Vernon's Texas Civil Statutes. Article
7 7880--75 was codified by Chapter 58, Acts of the 62nd
8 Legislature, Regular Session, 1971, as Sections
9 51.714-51.717, Water Code, relating to the addition of
10 land to a water control and improvement district by the
11 petition of the landowner. After the district
12 converted to a municipal utility district in 1979,
13 those sections no longer applied to the district.
14 Instead, Sections 54.711-54.715, Water Code, applied
15 to the district under Section 54.034 of that code. See
16 Revisor's Note (3) to Section 8279.002. Chapter 715,
17 Acts of the 74th Legislature, Regular Session, 1995,
18 repealed Sections 54.711-54.715, Water Code, and
19 enacted Section 49.301, Water Code, to govern the
20 addition of land to a municipal utility district by the
21 petition of the landowner. The revised law is drafted
22 accordingly.

23 (3) Section 9, Chapter 838, Acts of the 61st
24 Legislature, Regular Session, 1969, refers to Article
25 7880--75b, Vernon's Texas Civil Statutes. Article
26 7880--75b was codified by Chapter 58, Acts of the 62nd
27 Legislature, Regular Session, 1971, as Sections
28 51.718-51.724, Water Code, relating to the addition of
29 land to a water control and improvement district by the
30 petition of less than all the landowners. After the
31 district converted to a municipal utility district in
32 1979, those sections no longer applied to the
33 district. Instead, Sections 54.716-54.726, Water
34 Code, applied to the district under Section 54.034 of

1 that code. See Revisor's Note (3) to Section 8279.002.
2 Chapter 715, Acts of the 74th Legislature, Regular
3 Session, 1995, repealed Sections 54.716-54.726, Water
4 Code, and enacted Section 49.302, Water Code, to
5 govern the addition of land to a municipal utility
6 district by the petition of less than all the
7 landowners. The revised law is drafted accordingly.

8 (4) Section 9, Chapter 838, Acts of the 61st
9 Legislature, Regular Session, 1969, refers to
10 "property tax-paying voters." The revised law omits
11 the reference to "property tax-paying" because in Hill
12 v. Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the
13 United States Supreme Court determined that property
14 ownership as a qualification for voting is an
15 unconstitutional denial of equal protection.

16 Revised Law

17 Sec. 8279.006. STATE POLICY REGARDING WASTE DISPOSAL. The
18 district's powers and duties are subject to the state policy of
19 encouraging the development and use of integrated area-wide waste
20 collection, treatment, and disposal systems to serve the waste
21 disposal needs of this state's residents, if integrated systems can
22 reasonably be provided for an area, so as to avoid the economic
23 burden on residents and the effect on state water quality caused by
24 the construction and operation of numerous small waste collection,
25 treatment, and disposal facilities. (Acts 61st Leg., R.S., Ch.
26 838, Sec. 5 (part).)

27 Source Law

28 Sec. 5. . . .
29 The powers and duties conferred on the District
30 are granted subject to the policy of the State to
31 encourage the development and use of integrated
32 area-wide waste collection, treatment and disposal
33 systems to serve the waste disposal needs of the
34 citizens of the State, it being an objective of the
35 policy to avoid the economical burden to the people and
36 the impact on the quality of the waters in the State
37 which result from the construction and operation of
38 numerous small waste collection, treatment and
39 disposal facilities to serve an area when an
40 integrated area-wide waste collection, treatment and
41 disposal system for the area can be reasonably

1 provided.

2 Revisor's Note

3 Section 5, Chapter 838, Acts of the 61st
4 Legislature, Regular Session, 1969, refers to
5 "citizens" of the state. The revised law substitutes
6 "residents" for "citizens" because, in the context of
7 this section, "citizens" and "residents" are
8 synonymous and "residents" is more commonly used.

9 Revisor's Note

10 (End of Subchapter)

11 (1) Section 5, Chapter 838, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that the
13 act prevails over any general law that applies to water
14 control and improvement districts and that is in
15 conflict or inconsistent with the act. The general law
16 applicable to water control and improvement districts
17 no longer applies to the district because the district
18 converted to a municipal utility district. See
19 Revisor's Note (3) to Section 8279.002. The revised
20 law omits the provision rather than codifying the
21 provision and substituting a reference to municipal
22 utility districts for the reference to water control
23 and improvement districts because the provision
24 duplicates, in substance, Section 311.026, Government
25 Code (Code Construction Act). The omitted law reads:

26 Sec. 5. [The District shall have and
27 exercise, and is hereby vested with, all of
28 the rights, powers, privileges, authority
29 and functions conferred and imposed by the
30 General Laws of this State now in force or
31 hereafter enacted, applicable to water
32 control and improvement districts created
33 under authority of Article XVI, Section 59
34 of the Constitution of Texas including
35 without limitation those conferred by
36 Chapter 3A, Title 128, Revised Civil
37 Statutes of Texas, 1925;] but to the extent
38 that the provisions of any such General Laws
39 may be in conflict or inconsistent with the
40 provisions of this Act, the provisions of
41 this Act shall prevail. . . .

42 (2) Section 5, Chapter 838, Acts of the 61st
43 Legislature, Regular Session, 1969, provides that any

1 general law relating to water control and improvement
2 districts is adopted and incorporated by reference.
3 The general law applicable to water control and
4 improvement districts no longer applies to the
5 district because the district converted to a municipal
6 utility district. See Revisor's Note (3) to Section
7 8279.002. The revised law omits the provision rather
8 than codifying the provision and substituting a
9 reference to municipal utility districts for the
10 reference to water control and improvement districts
11 because it is not necessary to duplicate by means of
12 adoption and incorporation the substance of general
13 laws applicable to the district. The omitted law
14 reads:

15 Sec. 5. . . . All such General Laws
16 are hereby adopted and incorporated by
17 reference with the same effect as if
18 incorporated in full in this Act. . . .

19 (3) Section 21, Chapter 838, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that
21 Article 970a, Vernon's Texas Civil Statutes (Municipal
22 Annexation Act), does not apply to the creation of the
23 district. The revised law omits that provision as
24 executed. The omitted law reads:

25 Sec. 21. This District is hereby
26 created notwithstanding any of the
27 provisions of the Municipal Annexation Act,
28 being Article 970a, Vernon's Texas Civil
29 Statutes, as amended, and to the extent of
30 the creation of the District only, said
31 Article 970a shall have no
32 application. . . .

33 (4) Section 21, Chapter 838, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that the
35 district is subject to certain other laws. The revised
36 law omits that provision because the laws cited apply
37 by their own terms. Section 21 refers to Article 970a,
38 Vernon's Texas Civil Statutes (Municipal Annexation
39 Act). In 1987, Article 970a was codified as Chapters

1 42 and 43, Local Government Code, and Section 212.003,
2 Local Government Code. Section 21 also refers to
3 Article 1182C--1, Vernon's Texas Civil Statutes, an
4 erroneous reference to Article 1182c--1, Vernon's
5 Texas Civil Statutes. In 1987, Article 1182c--1 was
6 codified as Sections 43.074, 43.075, and 43.081, Local
7 Government Code.

8 The revised law omits "as amended" because, under
9 Section 311.027, Government Code (Code Construction
10 Act), a reference to a statute applies to all
11 reenactments, revisions, or amendments of that
12 statute, unless expressly provided otherwise. The
13 omitted law reads:

14 Sec. 21. . . . In all other respects,
15 the District hereby created is expressly
16 made subject to all provisions of said
17 Article 970a. District shall also be
18 subject to the provisions of Article
19 1182C--1, Vernon's Texas Civil Statutes. as
20 amended.

21 [Sections 8279.007-8279.050 reserved for expansion]

22 SUBCHAPTER B. DISTRICT ADMINISTRATION

23 Revised Law

24 Sec. 8279.051. COMPOSITION OF BOARD. The board consists of
25 five elected directors. (Acts 61st Leg., R.S., Ch. 838, Sec. 10
26 (part).)

27 Source Law

28 Sec. 10. All powers of the District shall be
29 exercised by a Board of five Directors. . . .
30 Succeeding Directors shall be elected or

31 Revisor's Note

32 (1) Section 10, Chapter 838, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that
34 "[a]ll powers of the District shall be exercised by"
35 the board. The revised law omits the quoted language
36 because it duplicates, in substance, provisions of
37 Sections 49.051 and 49.057, Water Code. As indicated
38 throughout this chapter, the revised law omits law

1 that is superseded by Chapter 49, Water Code, or that
2 duplicates law contained in that chapter. Chapter 49,
3 Water Code, applies to the district under Sections
4 49.001 and 49.002 of that chapter.

5 (2) Section 10, Chapter 838, Acts of the 61st
6 Legislature, Regular Session, 1969, refers to
7 "[s]ucceeding [d]irectors" to distinguish the
8 succeeding directors from the initial directors named
9 in that section. The revised law omits "succeeding"
10 because all provisions referring to initial directors
11 are omitted as executed and the distinction is no
12 longer required.

13 Revised Law

14 Sec. 8279.052. APPOINTMENT OF TREASURER. The board may
15 appoint the treasurer. (Acts 61st Leg., R.S., Ch. 838, Sec. 10
16 (part).)

17 Source Law

18 Sec. 10. . . . The Treasurer may be appointed by
19 the Board, and

20 Revised Law

21 Sec. 8279.053. DIRECTOR'S AND TREASURER'S BONDS. (a) Each
22 director shall qualify by giving bond in the amount of \$5,000 for
23 the faithful performance of the director's duties.

24 (b) The treasurer shall give bond in the amount required by
25 the board. The treasurer's bond shall be conditioned on the
26 treasurer's faithful accounting for all money that comes into the
27 treasurer's custody as treasurer of the district. (Acts 61st Leg.,
28 R.S., Ch. 838, Sec. 10 (part).)

29 Source Law

30 Sec. 10. . . . Each Director shall qualify by
31 subscribing to the Constitutional oath of office and
32 giving bond in the amount of Five Thousand Dollars
33 (\$5,000) for the faithful performance of his duties.
34 . . . The Treasurer . . . shall give bond in such
35 amount as may be required by the Board and conditioned
36 that he or it will faithfully account for all money
37 which shall come into his or its custody as Treasurer
38 of the District.

1 Revisor's Note

2 (1) Section 10, Chapter 838, Acts of the 61st
3 Legislature, Regular Session, 1969, requires each
4 director to qualify "by subscribing to the
5 Constitutional oath of office." The revised law omits
6 the quoted language because it duplicates, in
7 substance, Section 1, Article XVI, Texas Constitution.

8 (2) Section 10, Chapter 838, Acts of the 61st
9 Legislature, Regular Session, 1969, provides that the
10 district shall pay the cost of a director's bond and
11 that the bond shall be approved by the board and
12 recorded in the district office. The revised law omits
13 that provision because it duplicates, in substance,
14 Sections 49.055(c) and (d), Water Code. The omitted
15 law reads:

16 Sec. 10. . . . The cost of such bond
17 shall be paid by the District. . . . The
18 bonds of directors elected or appointed
19 after the directors named below shall be
20 approved by the District's Board of
21 Directors and shall be recorded in a record
22 kept for that purpose in the office of the
23 District. . . .

24 (3) Section 10, Chapter 838, Acts of the 61st
25 Legislature, Regular Session, 1969, requires each
26 director to give bond and provides that "[s]uch bond"
27 shall be approved by the county judge and filed in the
28 office of the county clerk within which the district is
29 located. That section also provides that the bonds of
30 directors elected or appointed after the initial
31 directors shall be approved by the board and shall be
32 recorded in a record kept for that purpose in the
33 district office. Because the provision requiring
34 directors' bonds to be approved by the county judge and
35 filed in the county clerk's office is followed by a
36 provision requiring bonds of successor directors to be
37 approved by the board and recorded in the district's
38 records, it appears from the context that the

1 provision requiring directors' bonds to be approved by
2 the county judge and filed in the office of the county
3 clerk applies only to the bond of an initial director.
4 Accordingly, the revised law omits that provision as
5 executed. The omitted law reads:

6 Sec. 10. . . . Such bond shall be
7 approved by the County Judge and filed in
8 the office of the County Clerk within which
9 the District is located. . . .

10 Revised Law

11 Sec. 8279.054. ABSENCE OR INACTION OF BOARD PRESIDENT. (a)
12 When the board president is absent or fails or declines to act, the
13 board vice president shall perform all duties and exercise all
14 power this chapter or general law gives the president.

15 (b) If the board president is absent from a board meeting:

16 (1) the board vice president may sign an order or other
17 action adopted at the meeting; or

18 (2) the board may authorize the president to sign the
19 order or other action. (Acts 61st Leg., R.S., Ch. 838, Sec. 10
20 (part).)

21 Source Law

22 Sec. 10. . . . The vice-president shall perform
23 all duties and exercise all power conferred by this Act
24 or the General Law upon the president when the
25 president is absent or fails or declines to act. Any
26 order adopted or other action taken at a meeting of the
27 Board of Directors at which the president is absent may
28 be signed by the vice-president, or the Board may
29 authorize the president to sign such order or other
30 action. . . .

31 Revised Law

32 Sec. 8279.055. DISTRICT OFFICE. (a) Except as provided by
33 this section, the board shall designate, establish, and maintain a
34 district office as provided by Section 49.062, Water Code.

35 (b) The board may establish a second district office outside
36 the district. If the board establishes a second district office,
37 the board shall give notice of the location of that office by:

38 (1) filing a copy of the board resolution that
39 establishes the location of the office:

40 (A) with the Texas Commission on Environmental

1 Quality; and

2 (B) in the municipal utility district records of
3 the county in which the district is located; and

4 (2) publishing notice of the location of the office in
5 a newspaper of general circulation in the county in which the
6 district is located.

7 (c) A district office that is a private residence, office,
8 or dwelling is a public place for matters relating to the district's
9 business.

10 (d) The board shall provide notice of any change in the
11 location of the district office outside the district in the manner
12 required by Subsection (b). (Acts 61st Leg., R.S., Ch. 838, Sec.
13 15.)

14 Source Law

15 Sec. 15. The Board of Directors shall
16 designate, establish and maintain a District Office as
17 provided by Article 7880--44, and, in addition, may
18 establish a second District Office outside the
19 district. Either or both District Offices so
20 established and maintained may be a private residence,
21 office or dwelling in which event such private
22 residence, office or dwelling is hereby declared a
23 public place for matters relating to the District's
24 business.

25 If the Board of Directors establishes a District
26 Office outside the District, it shall give notice of
27 the location of that District Office by filing a true
28 copy of its resolution establishing the location of
29 such District Office with the Texas Water Rights
30 Commission, by filing a true copy in the Water Control
31 and Improvement District records of the County in
32 which the District is located and also by publishing
33 the location in a newspaper of general circulation in
34 said County.

35 If the location of the District Office outside
36 the District is thereafter changed, notice of such
37 change shall be given in the same manner.

38 Revisor's Note

39 (1) Section 15, Chapter 838, Acts of the 61st
40 Legislature, Regular Session, 1969, refers to "Article
41 7880--44." Article 7880--44, Vernon's Texas Civil
42 Statutes, was codified by Chapter 58, Acts of the 62nd
43 Legislature, Regular Session, 1971, as Sections 51.094
44 and 51.096, Water Code, relating to the district
45 office and the minutes and records of the district,

1 respectively. After the district converted to a
2 municipal utility district in 1979, those sections no
3 longer applied to the district. See Revisor's Note (3)
4 to Section 8279.002. Chapter 715, Acts of the 74th
5 Legislature, Regular Session, 1995, enacted Section
6 49.062, Water Code, to govern the designation of
7 offices for certain districts, including municipal
8 utility districts. The revised law is drafted
9 accordingly.

10 (2) Section 15, Chapter 838, Acts of the 61st
11 Legislature, Regular Session, 1969, refers to a "true
12 copy" of a document. The revised law omits "true"
13 because a copy, by definition, accurately reflects the
14 content of the original document.

15 (3) Section 15, Chapter 838, Acts of the 61st
16 Legislature, Regular Session, 1969, refers to the
17 "Texas Water Rights Commission." The revised law
18 substitutes "Texas Commission on Environmental
19 Quality" for "Texas Water Rights Commission" to
20 reflect the current name of the agency with the
21 relevant regulatory authority.

22 Revisor's Note
23 (End of Subchapter)

24 (1) Section 10, Chapter 838, Acts of the 61st
25 Legislature, Regular Session, 1969, provides that each
26 director shall serve until the director's successor is
27 elected or appointed and qualified. The revised law
28 omits that provision because Section 17, Article XVI,
29 Texas Constitution, requires an officer in this state
30 to continue to perform the officer's official duties
31 until a successor has qualified. The omitted law
32 reads:

33 Sec. 10. . . . Each Director shall
34 serve for his term of office as herein
35 provided, and thereafter until his
36 successor shall be elected or appointed and
37 qualified. . . .

1 (2) Section 10, Chapter 838, Acts of the 61st
2 Legislature, Regular Session, 1969, names the initial
3 directors, requires them to qualify to serve as
4 directors before the first board meeting, provides for
5 filling vacancies in the office of director, and
6 provides that the named directors or their successors
7 shall serve until the second Tuesday in January 1971.
8 The revised law omits as executed the provisions
9 naming the initial directors, requiring them to
10 qualify by a certain time, and specifying the
11 expiration of their terms. Because the provision
12 specifying the procedure for filling vacancies in the
13 office of director is followed by a provision
14 requiring the named initial directors or their
15 successors to serve until a specified date in 1971, it
16 appears from the context that the provision relating
17 to the filling of vacancies also applies only to the
18 initial directors. Accordingly, the revised law also
19 omits that language as executed. The omitted law
20 reads:

21 Sec. 10. . . . Immediately after
22 this Act becomes effective, the following
23 named persons shall be the directors of the
24 District and shall constitute the Board of
25 Directors of the District: John S. Neilson,
26 Jr., James P. Bailey, James P. Grizzard,
27 Marjorie Cieslewitz, and James L. Grizzard.
28 Said persons shall file their bonds as soon
29 as practicable after the effective date of
30 this Act and shall otherwise be fully
31 qualified to serve as director prior to the
32 first meeting of the Board of Directors.
33 All vacancies in the office of director
34 shall be filled in the manner provided by
35 Article 7880--38, Vernon's Texas Civil
36 Statutes; provided, however, if at any time
37 the number of qualified directors shall be
38 less than three because of the failure or
39 refusal of one or more directors to qualify
40 or serve, or because of his or their death
41 or incapacitation, or for any other reason,
42 then the County Judge of the County in which
43 the district is located shall appoint the
44 necessary number of directors to fill all
45 vacancies on the board. The Directors named
46 above or their duly appointed successor or
47 successors shall serve until the second
48 Tuesday in January, 1971. . . .

1 (3) Section 10, Chapter 838, Acts of the 61st
2 Legislature, Regular Session, 1969, provides for
3 directors to be elected or appointed and to serve for
4 the term and in the manner provided by Article
5 7880--37, Vernon's Texas Civil Statutes. Article
6 7880--37 was codified by Chapter 58, Acts of the 62nd
7 Legislature, Regular Session, 1971, as Section 51.073,
8 Water Code. After the district converted to a
9 municipal utility district in 1979, that section no
10 longer applied to the district. Instead, Section
11 54.103, Water Code, applied to the district under
12 Section 54.034 of that code. See Revisor's Note (3) to
13 Section 8279.002. Chapter 715, Acts of the 74th
14 Legislature, Regular Session, 1995, repealed Section
15 54.103, Water Code, and enacted Section 49.103, Water
16 Code, to govern the terms of office and manner of
17 election of directors of a municipal utility district
18 and certain other districts. Section 49.103, Water
19 Code, applies to the district without an express
20 reference to that section by this chapter. The revised
21 law omits "appointed" because it is clear from the
22 context of Section 10 that the reference applies only
23 to directors appointed to fill vacancies as provided
24 by Chapter 49, Water Code. The omitted law reads:

25 Sec. 10. . . . [Succeeding
26 Directors shall be elected or] appointed
27 and shall serve for the term and in the
28 manner provided by Article 7880--37,
29 Vernon's Texas Civil Statutes. . . .

30 (4) Section 10, Chapter 838, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that
32 three directors constitute a quorum and that a
33 concurrence of three directors is sufficient in all
34 matters relating to the business of the district,
35 including certain construction matters. The revised
36 law omits that provision because it duplicates, in

1 substance, Section 49.053, Water Code. The omitted
2 law reads:

3 Sec. 10. . . . Three Directors shall
4 constitute a quorum of any meeting, and a
5 concurrence of three shall be sufficient in
6 all matters pertaining to the business of
7 the District including the letting of
8 construction contracts and the drawing of
9 warrants in payment for construction work,
10 the purchase of existing facilities, and
11 matters relating to construction
12 work. . . .

13 (5) Section 10, Chapter 838, Acts of the 61st
14 Legislature, Regular Session, 1969, provides for the
15 selection of officers by the board and the powers of
16 the board's president. The revised law omits those
17 provisions because they duplicate, in substance,
18 Section 49.054, Water Code. The omitted law reads:

19 Sec. 10. . . . The Board shall
20 select from its number a President,
21 Vice-President, Secretary and such other
22 officers as in the judgment of the Board is
23 necessary. The president may execute all
24 contracts, construction or otherwise,
25 entered into by the Board of Directors on
26 behalf of the District. . . .

27 [Sections 8279.056-8279.100 reserved for expansion]

28 SUBCHAPTER C. POWERS AND DUTIES

29 Revised Law

30 Sec. 8279.101. MUNICIPAL UTILITY DISTRICT POWERS. (a) The
31 district has all of the rights, powers, privileges, and functions
32 conferred and imposed by the general law of this state relating to
33 municipal utility districts created under Section 59, Article XVI,
34 Texas Constitution, including those conferred by Chapters 49 and
35 54, Water Code.

36 (b) The district may exercise inside or outside the
37 district's boundaries any of the rights or powers granted by this
38 chapter or under the general law relating to municipal utility
39 districts, including the provision of water or sewerage service.
40 (Acts 61st Leg., R.S., Ch. 838, Secs. 5 (part), 16 (part).)

41 Source Law

42 Sec. 5. The District shall have and exercise,
43 and is hereby vested with, all of the rights, powers,

1 privileges, authority and functions conferred and
2 imposed by the General Laws of this State now in force
3 or hereafter enacted, applicable to water control and
4 improvement districts created under authority of
5 Article XVI, Section 59 of the Constitution of Texas
6 including without limitation those conferred by
7 Chapter 3A, Title 128, Revised Civil Statutes of
8 Texas, 1925;

9 Sec. 16. The District may exercise any of the
10 rights, powers and authorities granted in this Act or
11 under the general laws relating to water control and
12 improvement districts within or without the boundaries
13 of the District, and is specifically authorized to
14 exercise any of the rights, powers and authorities in
15 order to provide water and sewerage services to areas
16 within or without the boundaries of the
17 District. . . .

18 Revisor's Note

19 (1) Section 5, Chapter 838, Acts of the 61st
20 Legislature, Regular Session, 1969, states that the
21 district "shall have and exercise, and is hereby
22 vested with," certain powers. The revised law
23 substitutes "has" for the quoted language because in
24 the context of this section, the terms are synonymous
25 and "has" is more commonly used.

26 (2) Section 5, Chapter 838, Acts of the 61st
27 Legislature, Regular Session, 1969, refers to "rights,
28 powers, privileges, authority and functions," and
29 Section 16 of that chapter refers to "rights, powers
30 and authorities." The revised law omits "authority"
31 and "authorities" as included in the meaning of
32 "power" and "powers."

33 (3) Section 5, Chapter 838, Acts of the 61st
34 Legislature, Regular Session, 1969, states that the
35 district has the rights, powers, privileges,
36 authority, and functions conferred by the general laws
37 of this state "now in force or hereafter enacted." The
38 revised law omits the quoted language because it is
39 unnecessary under accepted general principles of
40 statutory construction. The "[g]eneral [l]aws of this
41 [s]tate" means those laws "in force" at the time the
42 provision was adopted. It is not necessary to state

1 that the district may be granted additional powers by
2 later enacted laws because those laws apply on their
3 own terms.

4 (4) Section 5, Chapter 838, Acts of the 61st
5 Legislature, Regular Session, 1969, grants the
6 district certain powers, including "without
7 limitation" the powers conferred by Chapter 3A, Title
8 128, Revised Statutes. The revised law omits "without
9 limitation" because Section 311.005(13), Government
10 Code (Code Construction Act), provides that "includes"
11 and "including" are terms of enlargement and not of
12 limitation and do not create a presumption that
13 components not expressed are excluded.

14 (5) Section 5, Chapter 838, Acts of the 61st
15 Legislature, Regular Session, 1969, refers to "Chapter
16 3A, Title 128, Revised Civil Statutes of Texas, 1925."
17 The relevant provisions of that statute were codified
18 by Chapter 58, Acts of the 62nd Legislature, Regular
19 Session, 1971, as Chapter 51, Water Code. After the
20 district converted to a municipal utility district in
21 1979, Chapter 51, Water Code, no longer applied to the
22 district. Instead, Chapter 54, Water Code, applies to
23 the district under Section 54.034 of that code. See
24 Revisor's Note (3) to Section 8279.002. In 1995,
25 Section 2, Chapter 715, Acts of the 74th Legislature,
26 Regular Session, enacted Chapter 49, Water Code. To
27 reflect those changes, the revised law substitutes a
28 reference to Chapters 49 and 54, Water Code, for the
29 reference to "Chapter 3A, Title 128, Revised Civil
30 Statutes of Texas, 1925."

31 (6) Section 5, Chapter 838, Acts of the 61st
32 Legislature, Regular Session, 1969, refers to the
33 continuing right of this state to supervise the
34 district through the Texas Water Rights Commission.

1 The revised law omits the provision because the Texas
2 Commission on Environmental Quality is the successor
3 to the Texas Water Rights Commission, and therefore
4 the provision duplicates, in substance, part of
5 Section 12.081, Water Code, which applies to the
6 district. The omitted law reads:

7 Sec. 5. . . .
8 The rights, powers, privileges,
9 authority and functions herein granted to
10 the District shall be subject to the
11 continuing right of supervision of the
12 State, to be exercised by and through the
13 Texas Water Rights Commission. . . .

14 (7) Section 16, Chapter 838, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that the
16 district "is specifically authorized to exercise any
17 of the [district's] rights, powers and authorities in
18 order to" take certain actions. The revised law
19 substitutes "may" for "is specifically authorized to"
20 because that term is more concise and is the
21 substantive equivalent of the quoted language.

22 Revised Law

23 Sec. 8279.102. ADDITIONAL POWERS. (a) The district may:

24 (1) make, purchase, construct, lease, or otherwise
25 acquire property, works, facilities, existing improvements, or
26 improvements to be made, constructed, or acquired that are:

27 (A) inside or outside the district's boundaries;
28 and

29 (B) necessary to carry out the powers granted by
30 this chapter or general law; or

31 (2) enter into a contract with a person on terms the
32 board considers desirable, fair, and advantageous for:

33 (A) the purchase or sale of water;

34 (B) the transportation, treatment, and disposal
35 of the domestic, industrial, or communal wastes of the district or
36 others;

37 (C) the continuing and orderly development of

1 land and property in the district through the purchase,
2 construction, or installation of facilities, works, or
3 improvements that the district is otherwise authorized to do or
4 perform so that, to the greatest extent reasonably possible,
5 considering sound engineering and economic practices, all of the
6 land and property may ultimately receive the services of the
7 facilities, works, or improvements; and

8 (D) the performance of any of the powers granted
9 by this chapter or the general law relating to municipal utility
10 districts.

11 (b) A contract under Subsection (a)(2) may not have a
12 duration of more than 40 years. (Acts 61st Leg., R.S., Ch. 838,
13 Sec. 5(part).)

14 Source Law

15 Sec. 5. . . .

16 Not by way of limitation, the District shall have
17 and is hereby expressly granted the following rights,
18 powers, privileges and functions:

19 (a) The power and authority to make, purchase,
20 construct, lease, or otherwise acquire property,
21 works, facilities and improvements (whether
22 previously existing or to be made, constructed or
23 acquired) within or without the boundaries of the
24 District necessary to carry out the powers and
25 authority granted by this Act and the General Laws.

26 (b) The right, power and authority to enter into
27 contracts, of not exceeding forty (40) years duration
28 with persons, corporations, public or private,
29 municipal corporations, political subdivisions of the
30 State of Texas, and others, on such terms and
31 conditions as the Board of Directors may deem
32 desirable, fair and advantageous for:

33 (1) the purchase and sale of water, or
34 either;

35 (2) the transportation, treatment and
36 disposal of its domestic, industrial or communal
37 wastes or the transportation, treatment and disposal
38 of domestic, industrial or communal wastes of others;

39 (3) the continuing and orderly development
40 of the lands and property within the District through
41 the purchase, construction or installation of
42 facilities, works or improvements which the District
43 may otherwise be empowered and authorized to do or
44 perform so that, to the greatest extent reasonably
45 possible, considering sound engineering and economic
46 practices, all of such lands and property may be placed
47 in a position to ultimately receive the services of
48 such facilities, works or improvements; and

49 (4) the performance of any of the rights or
50 powers granted in this Act and the General Laws
51 relating to water control and improvement
52 districts. . . .

1 Revisor's Note

2 (1) Section 5, Chapter 838, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that,
4 "[n]ot by way of limitation," the district has certain
5 specified rights, powers, privileges, and functions.
6 The revised law omits the quoted language because it is
7 an accepted general principle of statutory
8 construction that a grant of a right, power,
9 privilege, or function does not act as a limitation.
10 The general principle applies to this revision.

11 (2) Section 5, Chapter 838, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that the
13 district "shall have and is hereby expressly granted
14 the following rights, powers, privileges and
15 functions" to take certain actions. The revised law
16 substitutes "may" for the quoted language because that
17 term is more concise and is the substantive equivalent
18 of the quoted language.

19 (3) Section 5, Chapter 838, Acts of the 61st
20 Legislature, Regular Session, 1969, refers to the
21 power of the district to enter into contracts with
22 persons, "corporations, public or private, municipal
23 corporations, political subdivisions of the State of
24 Texas, and others." The revised law omits the quoted
25 language because under Section 311.005(2), Government
26 Code (Code Construction Act), "person" is defined to
27 include any legal entity.

28 (4) Section 5, Chapter 838, Acts of the 61st
29 Legislature, Regular Session, 1969, provides that the
30 district may enter into a contract on "terms and
31 conditions" the board considers desirable, fair, and
32 advantageous. The revised law omits the reference to
33 "conditions" because "conditions" is included in the
34 meaning of "terms."

1 Revised Law

2 Sec. 8279.103. EMINENT DOMAIN. The district may exercise
3 the power of eminent domain only in a county in which the district
4 is located. (Acts 61st Leg., R.S., Ch. 838, Sec. 13 (part).)

5 Source Law

6 Sec. 13. The power of eminent domain of the
7 District shall be limited to the county or counties in
8 which the District is situated. . . .

9 Revised Law

10 Sec. 8279.104. COST OF RELOCATING OR ALTERING PROPERTY.

11 (a) In this section, "sole expense" means the actual cost of
12 relocating, raising, lowering, rerouting, changing the grade of, or
13 altering the construction of a facility described by Subsection (b)
14 in providing comparable replacement without enhancement of the
15 facility, after deducting from that cost the net salvage value of
16 the old facility.

17 (b) If the district's exercise of the power of eminent
18 domain makes necessary the relocation, raising, rerouting,
19 changing the grade, or alteration of the construction of a highway,
20 a railroad, an electric transmission line, a telegraph or telephone
21 property or facility, or a pipeline, the necessary action shall be
22 accomplished at the sole expense of the district. (Acts 61st Leg.,
23 R.S., Ch. 838, Sec. 13 (part).)

24 Source Law

25 Sec. 13. . . . In the event that the District,
26 in the exercise of the power granted hereunder, makes
27 necessary the relocation, raising, rerouting or
28 changing the grade of, or altering the construction
29 of, any highway, railroad, electric transmission line,
30 telegraph or telephone properties and facilities, or
31 pipeline, all such necessary relocation, raising,
32 rerouting, changing of grade or alteration of
33 construction shall be accomplished at the sole expense
34 of the District. The term "sole expense" shall mean
35 the actual cost of such relocation, raising, lowering,
36 rerouting, or change in grade or alteration of
37 construction in providing comparable replacement
38 without enhancement of such facilities, after
39 deducting therefrom the net salvage value derived from
40 the old facility.

41 Revised Law

42 Sec. 8279.105. NOTICE OF ELECTION. The board president or
43 secretary may give notice of an election. (Acts 61st Leg., R.S.,

1 Ch. 838, Sec. 19 (part).)

2 Source Law

3 Sec. 19. Notice of all elections may be given
4 under the hand of either the president or the secretary
5 of the District. . . .

6 Revisor's Note
7 (End of Subchapter)

8 Section 13, Chapter 838, Acts of the 61st
9 Legislature, Regular Session, 1969, states that the
10 district may use public roadways, streets, alleys, or
11 public easements. The revised law omits the provision
12 because it duplicates, in substance, Section 49.220,
13 Water Code. The omitted law reads:

14 Sec. 13. . . . The District shall
15 have the right, power and authority to use
16 any and all public roadways, streets,
17 alleys or public easements within or
18 without the boundaries of the District in
19 the accomplishment of its purposes without
20 the necessity of securing a
21 franchise. . . .

22 [Sections 8279.106-8279.150 reserved for expansion]

23 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

24 Revised Law

25 Sec. 8279.151. TAX METHOD. (a) The district shall use the
26 ad valorem plan of taxation.

27 (b) The board is not required to call or hold a hearing on
28 the adoption of a plan of taxation. (Acts 61st Leg., R.S., Ch. 838,
29 Sec. 8.)

30 Source Law

31 Sec. 8. The ad valorem plan of taxation shall be
32 used by the District and it shall not be necessary for
33 the Board of Directors to call or hold a hearing on the
34 adoption of a plan of taxation.

35 Revised Law

36 Sec. 8279.152. DISTRICT ACCOUNTS. The district shall keep
37 a complete system of the district's accounts. (Acts 61st Leg.,
38 R.S., Ch. 838, Sec. 14 (part).)

39 Source Law

40 Sec. 14. . . .
41 A complete system of accounts shall be kept by the
42 District and

1 Revised Law

2 Sec. 8279.153. COPY OF AUDIT REPORT. A copy of the audit
3 report prepared under Subchapter G, Chapter 49, Water Code, shall
4 be delivered:

5 (1) to each director; and

6 (2) to a holder of at least 25 percent of the
7 outstanding bonds of the district, on request. (Acts 61st Leg.,
8 R.S., Ch. 838, Sec. 14 (part); New.)

9 Source Law

10 Sec. 14. . . . A written report of the audit
11 shall be delivered to each member of the Board of
12 Directors . . . a copy of such audit report shall be
13 delivered upon request to the holder or holders of at
14 least twenty-five percent (25%) of the then
15 outstanding bonds of the District; and

16 Revisor's Note

17 (1) Section 14, Chapter 838, Acts of the 61st
18 Legislature, Regular Session, 1969, refers to various
19 audit procedures, including who may receive a copy of
20 the audit report. As detailed in the revisor's notes
21 that follow, procedures that are superseded by
22 Subchapter G, Chapter 49, Water Code, have been
23 omitted as superseded by Section 49.191(b), Water
24 Code, and the specific provisions in Subchapter G that
25 conflict with Chapter 838, Acts of the 61st
26 Legislature, Regular Session, 1969. Section 49.191(b)
27 states that Subchapter G "shall take precedence over
28 all prior statutory enactments." Subchapter G,
29 Chapter 49, Water Code, was enacted in 1995 by Section
30 2, Chapter 715, Acts of the 74th Legislature, Regular
31 Session. For context and the convenience of the
32 reader, the revised law adds a reference to the audit
33 report required by Subchapter G, Chapter 49, Water
34 Code.

35 (2) Section 14, Chapter 838, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that an
37 annual audit of the district's affairs shall be

1 prepared by an independent certified public accountant
2 or a firm of independent certified public accountants
3 of recognized integrity and ability. The revised law
4 omits that provision as superseded by Sections
5 49.191(b) and (c), Water Code (enacted by Section 2,
6 Chapter 715, Acts of the 74th Legislature, Regular
7 Session, 1995). The omitted law reads:

8 Sec. 14. . . . an audit of its
9 affairs for each year shall be prepared by
10 an independent certified public accountant,
11 or a firm of independent certified public
12 accountants, of recognized integrity and
13 ability. . . .

14 (3) Section 14, Chapter 838, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that a
16 written report of the audit shall be delivered to each
17 board member not later than 90 days after the close of
18 each fiscal year. The revised law omits the deadline
19 for delivery of the report as superseded by Sections
20 49.191(b) and (d), Water Code (enacted by Section 2,
21 Chapter 715, Acts of the 74th Legislature, Regular
22 Session, 1995). The omitted law reads:

23 Sec. 14. . . . [A written report of
24 the audit shall be delivered to each member
25 of the Board of Directors] not later than
26 ninety (90) days after the close of each
27 fiscal year; and

28 (4) Section 14, Chapter 838, Acts of the 61st
29 Legislature, Regular Session, 1969, provides that at
30 least five copies of the audit report shall be
31 delivered to the district office and that one of those
32 copies shall constitute a public record. The revised
33 law omits those provisions as superseded by Sections
34 49.191(b), 49.194(c), and 49.196(b), Water Code
35 (enacted by Section 2, Chapter 715, Acts of the 74th
36 Legislature, Regular Session, 1995). The omitted law
37 reads:

38 Sec. 14. . . . at least five (5)
39 additional copies of said audit shall be
40 delivered to the office of the District, one

1 of which shall be kept on file, and shall
2 constitute a public record open to
3 inspection by any interested person or
4 persons within normal office hours;
5 and

6 (5) Section 14, Chapter 838, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that one
8 copy of the audit report shall be filed with the Texas
9 Water Rights Commission. The revised law omits that
10 provision as superseded by Sections 49.191(b) and
11 49.194(a), Water Code (enacted by Section 2, Chapter
12 715, Acts of the 74th Legislature, Regular Session,
13 1995). The omitted law reads:

14 Sec. 14. . . . one copy of such
15 audit report shall be filed with the Texas
16 Water Rights Commission. . . .

17 (6) Section 14, Chapter 838, Acts of the 61st
18 Legislature, Regular Session, 1969, provides that the
19 district shall pay the cost of the audit. The revised
20 law omits that provision because it duplicates Section
21 49.191(a), Water Code. The omitted law reads:

22 Sec. 14. . . . The cost of such audit
23 shall be paid for by the District.

24 Revised Law

25 Sec. 8279.154. PAYMENT OF TAX OR ASSESSMENT NOT REQUIRED.

26 The district is not required to pay a tax or assessment on:

- 27 (1) district property; or
28 (2) a purchase made by the district. (Acts 61st Leg.,
29 R.S., Ch. 838, Sec. 22 (part).)

30 Source Law

31 Sec. 22. . . . the District shall not be
32 required to pay any tax or assessment on its properties
33 or any part thereof or on any purchases made by the
34 District.

35 Revised Law

36 Sec. 8279.155. DEPOSITORY. (a) The board shall select one
37 or more banks in this state to act as depository for the district's
38 money.

39 (b) To the extent that money in the depository bank is not
40 insured by the Federal Deposit Insurance Corporation, the money

1 must be secured in the manner provided by law for the security of
2 county funds.

3 (c) A director may be a shareholder in a bank that is a
4 depository of district money. (Acts 61st Leg., R.S., Ch. 838, Sec.
5 14 (part).)

6 Source Law

7 Sec. 14. The Board of Directors of the District
8 shall select any bank or banks in the State of Texas to
9 act as depository or depositories for the funds of the
10 District. To the extent that funds in the depository
11 bank or banks are not insured by the Federal Deposit
12 Insurance Corporation, they shall be secured in the
13 manner provided by law for the security of county
14 funds. Any Director of the District may be a
15 shareholder in said depository bank or banks. . . .

16 Revisor's Note

17 Section 14, Chapter 838, Acts of the 61st
18 Legislature, Regular Session, 1969, refers to the
19 district's "funds." The revised law substitutes
20 "money" for "funds" because, in the context of
21 district funds, the meaning is the same and "money" is
22 the more commonly used term.

23 Revisor's Note
24 (End of Subchapter)

25 Section 14, Chapter 838, Acts of the 61st
26 Legislature, Regular Session, 1969, provides that the
27 district's fiscal year is January 1 to December 31
28 unless changed by the board. The revised law omits the
29 provision specifying the dates of the fiscal year as
30 executed because the board has already changed the
31 district's fiscal year. The revised law omits the
32 provision allowing the board to change the district's
33 fiscal year because it duplicates Section 49.158,
34 Water Code. The omitted law reads:

35 Sec. 14. . . . The fiscal year of the
36 District shall be from January 1 to December
37 31 of the same year, unless and until
38 changed by the Board of Directors. . . .

39 [Sections 8279.156-8279.200 reserved for expansion]

1 SUBCHAPTER E. BONDS

2 Revised Law

3 Sec. 8279.201. AUTHORITY TO ISSUE BONDS. The district may
4 issue bonds to provide water and sewer service to areas inside or
5 outside the boundaries of the district, regardless of whether the
6 areas are contiguous or noncontiguous. (Acts 61st Leg., R.S., Ch.
7 838, Sec. 16 (part).)

8 Source Law

9 Sec. 16. . . . The District may issue bonds to
10 provide water and sewer service to areas within or
11 without the boundaries of the district, whether such
12 area or areas are contiguous or non-contiguous.

13 Revised Law

14 Sec. 8279.202. LOST OR MUTILATED BONDS. A trust indenture
15 securing bonds issued under this chapter may provide for the
16 issuance of bonds to replace lost or mutilated bonds. (Acts 61st
17 Leg., R.S., Ch. 838, Sec. 12 (part).)

18 Source Law

19 Sec. 12.
20 . . . [Such bonds . . . may be additionally
21 secured by a deed of trust or mortgage lien]
22 Such trust indenture, . . . may make provisions for
23 . . . the issuance of bonds to replace lost or
24 mutilated bonds, and

25 Revised Law

26 Sec. 8279.203. USE OF BOND PROCEEDS DURING CONSTRUCTION.
27 (a) The district may appropriate or set aside out of the proceeds
28 from the sale of any bonds issued under this chapter an amount for
29 the payment of interest, administrative, and operating expenses
30 expected to accrue during a period of construction, as may be
31 provided in the bond orders or resolutions.
32 (b) For purposes of this section, the period of construction
33 may not exceed three years. (Acts 61st Leg., R.S., Ch. 838, Sec. 12
34 (part).)

35 Source Law

36 Sec. 12. . . .
37 From the proceeds of sale of any bonds issued
38 hereunder, the District may appropriate or set aside
39 out of the bond proceeds an amount for the payment of
40 interest, administrative and operating expenses
41 expected to accrue during the period of construction,

1 (such period not to exceed three (3) years), as may be
2 provided in the bond orders or resolutions, and

3 Revised Law

4 Sec. 8279.204. REFUNDING BONDS. (a) By order or resolution
5 adopted by the board, the district may issue revenue refunding
6 bonds or tax-revenue refunding bonds to refund revenue bonds or
7 tax-revenue bonds, whether original bonds or refunding bonds,
8 previously issued by the district.

9 (b) The comptroller shall register the refunding bonds on
10 the surrender and cancellation of the bonds to be refunded.

11 (c) Instead of issuing bonds to be registered on the
12 surrender and cancellation of the bonds to be refunded, the
13 district, in the order or resolution authorizing the issuance of
14 the refunding bonds, may provide for the sale of the refunding bonds
15 and the deposit of the proceeds in the place or places where the
16 bonds to be refunded are payable. In that case, the refunding bonds
17 may be issued if an amount sufficient to pay the principal of and
18 interest on the bonds to be refunded to their maturity dates, or to
19 their option dates if according to their terms the bonds have been
20 called for payment before maturity, has been deposited in the place
21 or places where the bonds to be refunded are payable, and the
22 comptroller shall register the refunding bonds without the
23 surrender and cancellation of the bonds to be refunded. (Acts 61st
24 Leg., R.S., Ch. 838, Sec. 12 (part).)

25 Source Law

26 Sec. 12. . . .

27 By orders or resolutions adopted by its Board of
28 Directors, said District shall have the power and
29 authority to issue revenue refunding bonds or
30 tax-revenue refunding bonds to refund revenue bonds or
31 tax-revenue bonds (either original bonds or refunding
32 bonds) theretofore issued by such District. Said
33 refunding bonds shall be approved by the Attorney
34 General as in the case of original bonds, and shall be
35 registered by the Comptroller of Public Accounts upon
36 the surrender and cancellation of the bonds to be
37 refunded, but in lieu thereof, the orders or
38 resolutions authorizing their issuance may provide
39 that they shall be sold and the proceeds thereof
40 deposited in the place or places where the underlying
41 bonds are payable, in which case the refunding bonds
42 may be issued provided an amount sufficient to pay the
43 interest and principal on the underlying bonds to
44 their maturity dates, or to their option dates if said
45 bonds have been duly called for payment prior to

1 maturity according to their terms, has been so
2 deposited in the place or places where said underlying
3 bonds are payable, and the Comptroller of Public
4 Accounts shall register them without the surrender and
5 cancellation of the underlying bonds. . . .

6 Revisor's Note

7 (1) Section 12, Chapter 838, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that the
9 district "shall have the power and authority" to issue
10 certain bonds. The revised law substitutes "may" for
11 the quoted language for the reason stated in Revisor's
12 Note (2) to Section 8279.102.

13 (2) Section 12, Chapter 838, Acts of the 61st
14 Legislature, Regular Session, 1969, provides that
15 refunding bonds "shall be approved by the Attorney
16 General as in the case of original bonds." The revised
17 law omits the quoted language because it is superseded
18 by Section 1202.003, Government Code, enacted in 1987
19 as Section 3.002(a), Chapter 53, Acts of the 70th
20 Legislature, 2nd Called Session (Article 717k-8,
21 Vernon's Texas Civil Statutes). That section applies
22 to district bonds by application of Section 1202.001,
23 Government Code.

24 (3) Section 12, Chapter 838, Acts of the 61st
25 Legislature, Regular Session, 1969, refers to bonds
26 that have been "duly" called for payment before their
27 maturity. The revised law omits "duly" in this context
28 because it does not add to the clear meaning of the
29 law.

30 Revisor's Note
31 (End of Subchapter)

32 (1) Section 11, Chapter 838, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that the
34 district shall comply with the requirements of Article
35 7880--139, Vernon's Texas Civil Statutes. Article
36 7880--139 was codified by Chapter 58, Acts of the 62nd
37 Legislature, Regular Session, 1971, as Sections 51.421

1 and 51.422, Water Code. After the district was
2 converted to a municipal utility district in 1979,
3 those sections no longer applied to the district.
4 Instead, Sections 54.516 and 54.517, Water Code,
5 applied to the district under Section 54.034 of that
6 code. See Revisor's Note (3) to Section 8279.002.
7 Chapter 715, Acts of the 74th Legislature, Regular
8 Session, 1995, repealed Sections 54.516 and 54.517,
9 Water Code, and enacted Sections 49.181 and 49.182,
10 Water Code, to govern the authority of the Texas
11 Commission on Environmental Quality over the issuance
12 of district bonds and supervision by the commission of
13 projects and improvements, respectively. Sections
14 49.181 and 49.182, Water Code, apply to the district on
15 their own terms, without an express reference to those
16 sections in this chapter. The omitted law reads:

17 Sec. 11. The District shall comply
18 with the requirements of Article 7880--139,
19 Vernon's Texas Civil Statutes as it
20 presently exists or as it may be hereafter
21 amended.

22 (2) Section 12, Chapter 838, Acts of the 61st
23 Legislature, Regular Session, 1969, refers to the
24 district's authority to issue bonds for specific
25 purposes. The revised law omits that provision
26 because it duplicates Section 54.501, Water Code. The
27 omitted law reads:

28 Sec. 12. The District is hereby
29 authorized to issue [its negotiable tax
30 bonds, revenue bonds, or tax and revenue]
31 bonds to provide funds for any or all of the
32 purposes set out or incorporated by
33 reference herein, including the acquisition
34 of land therefor, and

35 (3) Section 12, Chapter 838, Acts of the 61st
36 Legislature, Regular Session, 1969, authorizes the
37 district to issue "negotiable" bonds and provides for
38 the payment of those bonds. The revised law omits the
39 reference to "negotiable" bonds because Section

1 1201.041, Government Code, provides that a public
2 security is a negotiable instrument. Section 1201.041
3 applies to district bonds by application of Section
4 1201.002, Government Code. The revised law omits the
5 provision regarding the payment of district bonds
6 because the provision duplicates, in substance,
7 Section 54.503, Water Code. The omitted law reads:

8 Sec. 12. [The District is hereby
9 authorized to issue] its negotiable tax
10 bonds, revenue bonds, or tax and revenue
11 [bonds]

12 The bonds issued hereunder may be
13 payable from all or any designated part or
14 parts of the revenues of the District's
15 properties and facilities or under specific
16 contracts, as may be provided in the orders
17 or resolutions authorizing the issuance of
18 such bonds; and,

19 (4) Section 12, Chapter 838, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that
21 district bonds shall be issued under Chapter 3A, Title
22 128, and Article 7880--90a, Vernon's Texas Civil
23 Statutes. Chapter 58, Acts of the 62nd Legislature,
24 Regular Session, 1971, codified the relevant
25 provisions of Chapter 3A, Title 128, as Chapter 51,
26 Water Code. The same act codified Article 7880--90a as
27 Sections 51.450-51.454, Water Code. The revised law
28 omits the references to those laws because the
29 district converted from a water control and
30 improvement district governed by Chapter 51, Water
31 Code, to a municipal utility district governed by
32 Chapter 54, Water Code. See Revisor's Note (3) to
33 Section 8279.002. The provisions of Chapter 54, Water
34 Code, apply on their own terms. The omitted law reads:

35 Sec. 12. . . . said bonds shall be
36 issued in the manner provided and as
37 authorized by Article 7880--90a, Vernon's
38 Texas Civil Statutes and Chapter 3A of Title
39 128, Vernon's Texas Civil Statutes, as
40 presently or hereafter amended,

41 (5) Section 12, Chapter 838, Acts of the 61st
42 Legislature, Regular Session, 1969, provides that an

1 election is not required for bonds payable from
2 revenues. The revised law omits that provision
3 because it duplicates, in substance, Section 54.505,
4 Water Code. The omitted law reads:

5 Sec. 12. . . . provided, however,
6 that bonds payable solely from net revenues
7 may be issued by resolution or order of the
8 Board of Directors and no election therefor
9 shall be necessary. . . .

10 (6) Section 12, Chapter 838, Acts of the 61st
11 Legislature, Regular Session, 1969, provides that
12 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
13 applies to bonds issued under Section 12 except when
14 Chapter 3A is inconsistent or in conflict with Section
15 12. The revised law omits the provision for the
16 reasons stated in Revisor's Note (4) to the end of this
17 subchapter and Revisor's Note (1) to the end of
18 Subchapter A. The omitted law reads:

19 Sec. 12. . . . except as the same may
20 be inconsistent or in conflict with the
21 provisions of this Act, the provisions of
22 said Chapter 3A of Title 128, as presently
23 or hereafter amended, shall apply to all
24 bonds issued under the provisions of this
25 Act (the provisions of this Act to govern
26 and take precedence in the event of any such
27 inconsistency or conflict). . . .

28 (7) Section 12, Chapter 838, Acts of the 61st
29 Legislature, Regular Session, 1969, provides for
30 additional security for bonds. The revised law omits
31 that provision because it duplicates Section 54.504,
32 Water Code. The omitted law reads:

33 Sec. 12. . . .
34 Such bonds, within the discretion of
35 the Board of Directors, may be additionally
36 secured by a deed of trust or mortgage lien
37 upon part or all of the physical properties
38 of the District, and franchises, easements,
39 water rights and appropriation permits,
40 leases, and contracts and all rights
41 appurtenant to such properties, vesting in
42 the trustee power to sell such properties
43 for payment of the indebtedness, power to
44 operate the properties and all other powers
45 and authority for the further security of
46 the bonds. [Such trust indenture,]
47 regardless of the existence of the deed of
48 trust or mortgage lien on the properties,

1 may contain provisions prescribed by the
2 Board of Directors for the security of the
3 bonds and the preservation of the trust
4 estate, and [may make provisions for]
5 amendment or modification thereof and . . .
6 may condition the right to expend District
7 money or sell District property upon
8 approval of a registered professional
9 engineer selected as provided therein and
10 may make provisions for investment of funds
11 of the District. Any purchaser under a sale
12 under the deed of trust or mortgage lien,
13 where one is given, shall be absolute owner
14 of the properties, facilities and rights so
15 purchased and shall have the right to
16 maintain and operate same. . . .

17 (8) Section 12, Chapter 838, Acts of the 61st
18 Legislature, Regular Session, 1969, specifies various
19 provisions of bonds. The revised law omits that
20 provision because it duplicates Section 54.510, Water
21 Code. The omitted law reads:

22 Sec. 12. . . .
23 In the orders or resolutions
24 authorizing the issuance of any revenue,
25 tax-revenue, revenue refunding, or
26 tax-revenue refunding bonds authorized
27 hereunder, the District's Board of
28 Directors may provide for the flow of funds,
29 the establishment and maintenance of the
30 interest and sinking fund or funds, reserve
31 fund or funds, and other funds, and may make
32 additional covenants with respect to the
33 bonds and the pledged revenues and the
34 operation and maintenance of those
35 improvements and facilities (the revenues
36 of which are pledged), including provisions
37 for the operation or for the leasing of all
38 or any part of said improvements and
39 facilities and the use or pledge of moneys
40 derived from such operation contracts and
41 leases, as such Board may deem appropriate.
42 Such orders or resolutions may also
43 prohibit the further issuance of bonds or
44 other obligations payable from the pledged
45 revenues, or may reserve the right to issue
46 additional bonds to be secured by a pledge
47 of and payable from said revenues on a
48 parity with, or subordinate to, the lien and
49 pledge in support of the bonds being issued,
50 subject to such conditions as are set forth
51 in such orders or resolutions. Such orders
52 or resolutions may contain other provisions
53 and covenants, as the District's Board may
54 determine, not prohibited by the
55 Constitution of Texas or by this Act, and
56 said Board may adopt and cause to be
57 executed any other proceedings or
58 instruments necessary and/or convenient in
59 the issuance of any such bonds. . . .

60 (9) Section 12, Chapter 838, Acts of the 61st
61 Legislature, Regular Session, 1969, provides for the

1 use of bond proceeds to pay expenses incurred and to be
2 incurred in the issuance, sale, and delivery of the
3 bonds. The revised law omits that provision because it
4 duplicates, in substance, Section 49.155, Water Code.
5 The omitted law reads:

6 Sec. 12. . . .
7 [From the proceeds of sale of any bonds
8 issued hereunder, the District may
9 appropriate or set aside out of the bond
10 proceeds] . . . an amount necessary to pay
11 all expenses incurred and to be incurred in
12 the issuance, sale and delivery of the
13 bonds. . . .

14 (10) Section 12, Chapter 838, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that
16 money in a fund established or provided for in a bond
17 order or resolution may be invested in securities as
18 provided in the bond order or may be placed on
19 interest-bearing time deposit. The revised law omits
20 that provision because it is superseded by Subchapter
21 A, Chapter 2256, Government Code (enacted as Chapter
22 889, Acts of the 70th Legislature, Regular Session,
23 1987). The omitted law reads:

24 Sec. 12. . . . Moneys in the interest
25 and sinking fund or funds and the reserve
26 fund or funds, and in the other fund or
27 funds established or provided for in the
28 bond orders or resolutions may be invested
29 in such manner and in such securities as may
30 be provided in the bond order or orders or
31 may be placed on interest-bearing time
32 deposit. . . .

33 (11) Section 12, Chapter 838, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that bond
35 proceeds may be invested in securities of the United
36 States or placed on interest-bearing time deposit.
37 The revised law omits that provision as superseded by
38 Subchapter A, Chapter 2256, Government Code (enacted
39 as Chapter 889, Acts of the 70th Legislature, Regular
40 Session, 1987). The omitted law reads:

41 Sec. 12. . . . Until such time as the
42 bond proceeds are needed to carry out the
43 bond purpose, such proceeds may be invested

1 in securities of the United States
2 Government or any agency thereof or may be
3 placed on interest-bearing time deposit,
4 either or both. . . .

5 (12) Section 12, Chapter 838, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that
7 district bonds may be registered as to principal or as
8 to principal and interest. The revised law omits that
9 provision because it duplicates Section 1201.024,
10 Government Code. That section applies to district
11 bonds by application of Section 1201.002, Government
12 Code. The omitted law reads:

13 Sec. 12. . . . Any such revenue
14 bonds, tax-revenue, revenue refunding
15 bonds, or tax-revenue refunding bonds
16 hereinafter mentioned may be registrable as
17 to principal, or as to both principal and
18 interest. . . .

19 (13) Section 12, Chapter 838, Acts of the 61st
20 Legislature, Regular Session, 1969, requires the
21 district to deliver its bonds to the attorney general
22 for examination and approval. The revised law omits
23 that provision because it duplicates, in substance,
24 Section 1202.003, Government Code. Section 1202.003,
25 Government Code, applies to district bonds by
26 application of Section 1202.001, Government Code. The
27 omitted law reads:

28 Sec. 12. . . .
29 After any bonds have been authorized
30 by the District hereunder, such bonds and
31 the record relating to their issuance shall
32 be submitted to the Attorney General of the
33 State of Texas for his examination as to the
34 validity thereof, and

35 (14) Section 12, Chapter 838, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that
37 after approval the bonds shall be registered with the
38 comptroller. The revised law omits that provision as
39 superseded by Section 1202.005, Government Code
40 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
41 of the 70th Legislature, 2nd Called Session). Section
42 1202.005, Government Code, applies to district bonds

1 by application of Section 1202.001, Government Code.

2 The omitted law reads:

3 Sec. 12. . . . after said Attorney
4 General has approved the same, such bonds
5 shall be registered by the Comptroller of
6 Public Accounts of the State of
7 Texas. . . .

8 (15) Section 12, Chapter 838, Acts of the 61st
9 Legislature, Regular Session, 1969, provides that
10 after approval and registration, district bonds are
11 incontestable except for forgery or fraud. The
12 revised law omits that provision as impliedly repealed
13 by Section 1202.006, Government Code (enacted as
14 Section 3.002(d), Chapter 53, Acts of the 70th
15 Legislature, 2nd Called Session, 1987). Section
16 1202.006, Government Code, provides that after
17 approval and registration, bonds are incontestable for
18 any reason. Section 1202.006 applies to district
19 bonds by application of Section 1202.001, Government
20 Code. The omitted law reads:

21 Sec. 12. . . . When such bonds have
22 been approved by the Attorney General,
23 registered by the Comptroller of Public
24 Accounts, and delivered to the purchasers,
25 they shall thereafter be incontestable
26 except for forgery or fraud. . . .

27 (16) Section 12, Chapter 838, Acts of the 61st
28 Legislature, Regular Session, 1969, details various
29 procedures regarding the attorney general's approval
30 of bond contracts and proceedings. The revised law
31 omits the portion of Section 12 regarding the
32 incontestability of a contract the proceeds of which
33 are pledged to the payment of a bond as impliedly
34 repealed by Section 1202.006, Government Code (enacted
35 as Section 3.002(d), Chapter 53, Acts of the 70th
36 Legislature, 2nd Called Session, 1987). Section
37 1202.006, Government Code, provides that after
38 approval and registration of the bond, the bond and
39 contract are incontestable for any reason. Section

1 1202.006 applies to district bonds by application of
2 Section 1202.001, Government Code. The omitted law
3 reads:

4 Sec. 12. . . . When any bonds recite
5 that they are secured partially or
6 otherwise by a pledge of the proceeds of a
7 contract or contracts made between the
8 District and another party or parties
9 (private or public) a copy of such contract
10 or contracts and the proceedings
11 authorizing the same may or may not be
12 submitted to the Attorney General along
13 with the bond record and, if so submitted,
14 the approval by the Attorney General of the
15 bonds shall constitute an approval of such
16 contract or contracts, and thereafter the
17 contract or contracts shall be
18 incontestable for any cause except for
19 forgery or fraud. . . .

20 (17) Section 12, Chapter 838, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that the
22 district may sell bonds only after taking public bids.
23 The revised law omits that provision because it
24 duplicates, in substance, Section 49.183(a), Water
25 Code. The omitted law reads:

26 Sec. 12. . . . The District's bonds
27 shall only be sold after taking public bids
28 therefor.

29 (18) Section 17, Chapter 838, Acts of the 61st
30 Legislature, Regular Session, 1969, provides that the
31 district may sell bonds at any price or on any terms,
32 except that the price may not be less than that
33 provided by law. The revised law omits that provision
34 because it duplicates Section 1204.006(b), Government
35 Code. Section 1204.006(b) provides that an issuer may
36 sell public securities at any price and applies to
37 district bonds by application of Section 1204.001,
38 Government Code. The omitted law reads:

39 Sec. 17. Bonds of the District may be
40 sold at a price and upon the terms
41 determined by the Board of Directors of the
42 District, except that such bonds shall not
43 be sold for a less amount than provided by
44 law.

45 (19) Section 18, Chapter 838, Acts of the 61st

1 Legislature, Regular Session, 1969, provides that
2 elections to authorize district bonds must be held
3 under applicable general law. Section 18 also
4 provides that if the first bond election fails, any
5 provision of the general law relating to the
6 dissolution of a district when a bond election fails
7 does not apply to the district. The revised law omits
8 the provision relating to the first bond election as
9 executed. The revised law omits the provision
10 requiring bond elections to be held under applicable
11 general law because the provision duplicates Section
12 49.101, Water Code. The omitted law reads:

13 Sec. 18. All elections to authorize
14 the issuance of bonds by the District shall
15 be held pursuant to the general law
16 applicable to water control and improvement
17 districts; provided however, that if the
18 first bond election fails, Article
19 7880--77b, Vernon's Texas Civil Statutes,
20 or any other provision of the general law
21 pertaining to dissolution of the District
22 when a bond election fails, shall not apply.

23 (20) Section 20, Chapter 838, Acts of the 61st
24 Legislature, Regular Session, 1969, lists the entities
25 for which district bonds are legal investments and
26 provides that district bonds may secure deposits of
27 public funds of the state or political subdivisions.
28 The revised law omits the provision relating to the
29 eligibility of district bonds to be considered as
30 investments for various entities because it duplicates
31 Section 49.186(a), Water Code. The revised law omits
32 the provision relating to deposits of state funds by
33 the comptroller as impliedly repealed by Section
34 404.0221, Government Code (enacted in 1995), which
35 lists eligible collateral for deposits of state funds
36 by the comptroller. As to deposits of other funds, the
37 provision is impliedly repealed by Chapter 2257,
38 Government Code (enacted in 1989 as Article 2529d,
39 Vernon's Texas Civil Statutes), which governs eligible

1 collateral for deposits of funds of other public
2 agencies, including political subdivisions, and
3 permits those deposits to be secured by obligations
4 issued by conservation and reclamation districts. The
5 omitted law reads:

6 Sec. 20. All bonds and refunding
7 bonds of the District shall be and are
8 hereby declared to be legal, eligible and
9 authorized investments for banks, savings
10 and loan associations, insurance companies,
11 fiduciaries, and for the sinking funds of
12 cities, towns, villages, counties, school
13 districts, or other political corporations
14 or subdivisions of the State of Texas and
15 for all public funds of the State of Texas
16 or its agencies, including the State
17 Permanent School Fund. Such bonds and
18 refunding bonds shall be eligible to secure
19 the deposit of any and all public funds of
20 the State of Texas, cities, towns,
21 villages, counties, school districts, or
22 other political corporations or
23 subdivisions of the State of Texas; and such
24 bonds shall be lawful and sufficient
25 security for said deposits to the extent of
26 their face value, when accompanied by all
27 unmatured coupons appurtenant thereto.

28 Revisor's Note
29 (End of Chapter)

30 (1) Section 6, Chapter 838, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that it
32 is not necessary for the board of directors to hold an
33 election to confirm the district's organization and
34 that the district is validly created from and after the
35 passage of that act. The revised law omits that
36 provision as executed. The omitted law reads:

37 Sec. 6. It shall not be necessary for
38 the Board of Directors to call or hold an
39 election to confirm the organization of the
40 District and such District shall be validly
41 created from and after the passage of this
42 Act.

43 (2) Section 7, Chapter 838, Acts of the 61st
44 Legislature, Regular Session, 1969, provides for the
45 exclusion of property from the district before the
46 first bond election is called. The revised law omits
47 that provision as executed because the district has
48 already issued bonds. The omitted law reads:

1 Sec. 7. It shall not be necessary for
2 the Board of Directors to call or hold a
3 hearing on the exclusions of land or other
4 property from the District; provided,
5 however, that the Board shall hold such
6 hearing upon the written petition of any
7 landowner or other property owner within
8 the District filed with the Secretary of the
9 Board prior to the calling of the first bond
10 election for the District. The Board may act
11 on said petition in the same manner that it
12 may act on a petition for the addition of
13 land under Article 7880--75, Vernon's Texas
14 Civil Statutes and no notice of hearing
15 shall be required. . . .

16 (3) Section 7, Chapter 838, Acts of the 61st
17 Legislature, Regular Session, 1969, provides that the
18 board may on its own motion hold a hearing on the
19 exclusion of property from the district in the manner
20 provided by general law. The revised law omits that
21 provision because it duplicates, in substance, Section
22 49.303(b), Water Code. The omitted law reads:

23 Sec. 7. . . . The Board on its own
24 motion may call and hold an exclusions
25 hearing or hearings in the manner provided
26 by the General Law.

27 (4) Section 19, Chapter 838, Acts of the 61st
28 Legislature, Regular Session, 1969, provides that the
29 board shall canvass the returns of all elections. The
30 revised law omits that requirement because it
31 duplicates Section 67.002, Election Code, which
32 requires the governing body of a political subdivision
33 that orders an election to canvass the returns.
34 Section 19 also provides that the board shall canvass
35 the election returns "as soon as reasonably
36 practicable after an election." The revised law omits
37 that provision as superseded by Section 67.003,
38 Election Code (enacted by Section 1, Chapter 211, Acts
39 of the 69th Legislature, Regular Session, 1985). The
40 omitted law reads:

41 Sec. 19. . . . The returns of all
42 elections shall be canvassed by the Board of
43 Directors of the District as soon as
44 reasonably practicable after an election.

1 (5) Section 23, Chapter 838, Acts of the 61st
2 Legislature, Regular Session, 1969, provides that the
3 act is severable. The revised law omits that provision
4 because it duplicates Section 311.032, Government Code
5 (Code Construction Act), which states that a provision
6 of a statute is severable from each other provision of
7 the statute that can be given effect. The omitted law
8 reads:

9 Sec. 23. If any word, phrase, clause,
10 paragraph, sentence, part, portion or
11 provision of this Act or the application
12 thereof to any person or circumstance shall
13 be held to be invalid or unconstitutional,
14 the remainder of the Act shall nevertheless
15 be valid, and the Legislature hereby
16 declares that this Act would have been
17 enacted without such invalid or
18 unconstitutional word, phrase, clause,
19 paragraph, sentence, part, portion or
20 provision.

21 (6) Section 24, Chapter 838, Acts of the 61st
22 Legislature, Regular Session, 1969, contains
23 legislative findings relating to the performance of
24 certain requirements under Section 59(d), Article XVI,
25 Texas Constitution. The revised law omits that
26 provision as executed. The omitted law reads:

27 Sec. 24. It is determined and found
28 that a proper and legal notice of the
29 intention to introduce this Act, setting
30 forth the general substance of this Act, has
31 been published at least thirty (30) days and
32 not more than ninety (90) days prior to the
33 introduction of this Act in the Legislature
34 of Texas, in a newspaper having general
35 circulation in Harris County, Texas; that a
36 copy of such notice and a copy of this Act
37 have been delivered to the Governor of Texas
38 who has submitted such notice and Act to the
39 Texas Water Rights Commission, and said
40 Texas Water Rights Commission had filed its
41 recommendation as to such Act with the
42 Governor, Lieutenant Governor and Speaker
43 of the House of Representatives of Texas
44 within thirty (30) days from the date such
45 notice and Act were received by the Texas
46 Water Rights Commission; and that all the
47 requirements and provisions of Article XVI,
48 Section 59(d) of the Constitution of the
49 State of Texas have been fulfilled and
50 accomplished as therein provided.

12 Sec. 8280.101. MUNICIPAL UTILITY DISTRICT POWERS AND
13 DUTIES 1715

14 CHAPTER 8280. ISAACSON MUNICIPAL UTILITY DISTRICT

15 SUBCHAPTER A. GENERAL PROVISIONS

16 Revised Law

17 Sec. 8280.001. DEFINITIONS. In this chapter:

- 18 (1) "Board" means the district's board of directors.
- 19 (2) "Director" means a member of the board.
- 20 (3) "District" means Isaacson Municipal Utility

21 District. (Acts 71st Leg., R.S., Ch. 741, Sec. 2; New.)

22 Source Law

23 Sec. 2. In this Act, "district" means Isaacson
24 Municipal Utility District.

25 Revisor's Note

26 The definitions of "board" and "director" are
27 added to the revised law for drafting convenience and
28 to eliminate frequent, unnecessary repetition of the
29 substance of the definitions.

30 Revised Law

31 Sec. 8280.002. NATURE OF DISTRICT. The district is a
32 conservation and reclamation district in Wharton County created
33 under Section 59, Article XVI, Texas Constitution. (Acts 71st
34 Leg., R.S., Ch. 741, Secs. 1(a) (part), (b) (part).)

1 Legislature, Regular Session, 1989, as that territory may have been
2 modified under:

- 3 (1) Subchapter H, Chapter 54, Water Code;
- 4 (2) Subchapter J, Chapter 49, Water Code; or
- 5 (3) other law.

6 (b) The boundaries and field notes of the district form a
7 closure. A mistake in the field notes or in copying the field notes
8 in the legislative process does not affect:

- 9 (1) the district's organization, existence, or
10 validity;
- 11 (2) the district's right to impose a tax; or
- 12 (3) the legality or operation of the district or its
13 governing body. (Acts 71st Leg., R.S., Ch. 741, Sec. 4; New.)

14 Source Law

15 Sec. 4. The legislature finds that the
16 boundaries and field notes of the district form a
17 closure. A mistake in the field notes or in copying
18 the field notes in the legislative process does not
19 affect the organization, existence, or validity of the
20 district, the right of the district to levy and collect
21 taxes, or the legality or operation of the district or
22 its governing body.

23 Revisor's Note

24 (1) The revision of the law governing the
25 district does not revise the statutory language
26 describing the territory of the district to avoid the
27 lengthy recitation of the description and because that
28 description may not be accurate on the effective date
29 of the revision or at the time of a later reading. For
30 the reader's convenience, the revised law includes
31 references to the statutory description of the
32 district's territory and to the authority to change the
33 district's territory under Subchapter H, Chapter 54,
34 Water Code, applicable to municipal utility districts,
35 and under Subchapter J, Chapter 49, Water Code,
36 applicable to the district under Sections 49.001 and
37 49.002 of that chapter. The revised law also includes
38 a reference to the general authority of the

1 legislature to enact a law to change the district's
2 territory.

3 (2) Section 4, Chapter 741, Acts of the 71st
4 Legislature, Regular Session, 1989, refers to the
5 district's authority to "levy and collect" taxes. The
6 revised law substitutes "impose" for "levy and
7 collect" because "impose" is the term generally used
8 in Title 1, Tax Code, and includes the levy and
9 collection of a tax.

10 [Sections 8280.005-8280.050 reserved for expansion]

11 SUBCHAPTER B. BOARD OF DIRECTORS

12 Revised Law

13 Sec. 8280.051. COMPOSITION OF BOARD; TERMS. (a) The
14 district is governed by a board of five directors.

15 (b) Directors serve staggered four-year terms. (Acts 71st
16 Leg., R.S., Ch. 741, Secs. 7(a), (d).)

17 Source Law

18 Sec. 7. (a) The district is governed by a board
19 of five directors.

20 (d) Permanent directors other than initial
21 permanent directors serve staggered four-year terms.

22 Revisor's Note

23 (1) Section 7(d), Chapter 741, Acts of the 71st
24 Legislature, Regular Session, 1989, refers to
25 "[p]ermanent directors other than initial permanent
26 directors." The revised law omits "permanent" and
27 "other than initial permanent directors" as
28 unnecessary because, as used in the revised law,
29 "director" refers to a permanent director other than
30 an initial permanent director.

31 (2) Sections 7(b) and (c), Chapter 741, Acts of
32 the 71st Legislature, Regular Session, 1989, refer to
33 the temporary directors and the initial permanent
34 directors. The revised law omits as executed the
35 references to temporary directors and initial

1 permanent directors. The omitted law reads:

2 (b) Temporary directors serve until
3 initial permanent directors are elected
4 under Section 9.

5 (c) Initial permanent directors
6 serve until permanent directors are elected
7 under Section 10.

8 (3) Section 7(e), Chapter 741, Acts of the 71st
9 Legislature, Regular Session, 1989, requires a
10 director to qualify to serve in the manner provided by
11 Section 54.025 or 54.116, Water Code. The revised law
12 omits the reference to Section 54.025, Water Code, as
13 executed, because that section refers to the
14 qualification of a temporary director. The revised law
15 omits the reference to Section 54.116, Water Code,
16 because that section was repealed by Chapter 715, Acts
17 of the 74th Legislature, Regular Session, 1995.
18 Chapter 715 also enacted Section 49.055, Water Code,
19 which contains the qualification procedures for a
20 director of a municipal utility district. A reference
21 to Section 49.055, Water Code, is unnecessary because
22 that section applies to the district under Sections
23 49.001 and 49.002, Water Code. The omitted law reads:

24 (e) Each director must qualify to
25 serve as director in the manner provided by
26 Section 54.025 or 54.116, Water Code, as
27 appropriate.

28 (4) Section 7(f), Chapter 741, Acts of the 71st
29 Legislature, Regular Session, 1989, provides that a
30 director serves until the director's successor has
31 qualified. The revised law omits the provision as
32 unnecessary because it duplicates Section 17, Article
33 XVI, Texas Constitution. That section requires an
34 officer in this state to continue to perform the
35 officer's duties until the successor has qualified.
36 The omitted law reads:

37 (f) A director serves until the
38 director's successor has qualified.

1 Revisor's Note
2 (End of Subchapter)

3 (1) Section 8, Chapter 741, Acts of the 71st
4 Legislature, Regular Session, 1989, names and provides
5 for the qualification of and for filling vacancies on
6 the temporary board of directors. The revised law
7 omits that section as executed. The omitted law reads:

8 Sec. 8. (a) The temporary board of
9 directors is composed of:

- 10 (1) Madeline Shimek, President
11 (2) Tom Welfel, Secretary
12 (3) Max Bustamante
13 (4) Fernando Esponzoza
14 (5) Andrew Zbranek

15 (b) If a temporary director fails to
16 qualify for office, the temporary directors
17 who have qualified shall appoint a person to
18 fill the vacancy. If at any time there are
19 fewer than three qualified temporary
20 directors, the Texas Water Commission shall
21 appoint the necessary number of persons to
22 fill all vacancies on the board.

23 (2) Section 10, Chapter 741, Acts of the 71st
24 Legislature, Regular Session, 1989, provides that
25 after the district's confirmation election the
26 district shall hold a directors election to elect
27 initial directors with staggered terms and shall hold
28 subsequent elections for directors every second year
29 afterwards on the first Saturday in May. The revised
30 law omits those provisions as executed for the initial
31 election and as superseded for subsequent elections by
32 the 1995 enactment of Section 49.103, Water Code,
33 applicable to the district under Sections 49.001,
34 49.002, and 49.103(e), Water Code. Section 49.103
35 requires the election of the appropriate number of
36 directors to be held on the uniform election date in
37 May of even-numbered years. The omitted law reads:

38 Sec. 10. On the first Saturday in May
39 of the second year after the year in which
40 the confirmation election is held, an
41 election shall be held in the district for
42 the election of two directors who shall each
43 serve two-year terms and three directors
44 who shall each serve four-year terms.
45 Thereafter, on the same date in each
46 subsequent second year, the appropriate

1 number of directors shall be elected to the
2 board.

3 [Sections 8280.052-8280.100 reserved for expansion]

4 SUBCHAPTER C. POWERS AND DUTIES

5 Revised Law

6 Sec. 8280.101. MUNICIPAL UTILITY DISTRICT POWERS AND
7 DUTIES. The district has the rights, powers, privileges,
8 functions, and duties provided by the general law of this state,
9 including Chapters 49, 50, and 54, Water Code, applicable to a
10 municipal utility district created under Section 59, Article XVI,
11 Texas Constitution. (Acts 71st Leg., R.S., Ch. 741, Sec. 6(a)
12 (part); New.)

13 Source Law

14 Sec. 6. (a) The district has all of the rights,
15 powers, privileges, authority, functions, and duties
16 provided by the general law of this state, including
17 Chapters 50 and 54, Water Code, applicable to
18 municipal utility districts created under Article XVI,
19 Section 59, of the Texas Constitution. . . .

20 Revisor's Note

21 (1) Section 6(a), Chapter 741, Acts of the 71st
22 Legislature, Regular Session, 1989, refers to the
23 "rights, powers, privileges, [and] authority" of the
24 district. The revised law omits the reference to
25 "authority" because, in context, "authority" is
26 included in the meaning of "powers."

27 (2) Section 6(a), Chapter 741, Acts of the 71st
28 Legislature, Regular Session, 1989, refers to Chapters
29 50 and 54, Water Code. For the reader's convenience,
30 the revised law adds a reference to Chapter 49, Water
31 Code, because Chapter 715, Acts of the 74th
32 Legislature, Regular Session, 1995, repealed most of
33 the provisions of Chapter 50 and many provisions of
34 Chapter 54 and enacted similar provisions in Chapter
35 49, Water Code. Chapter 49 applies to municipal
36 utility districts under Sections 49.001 and 49.002,
37 Water Code.

38 (3) Section 6(a), Chapter 741, Acts of the 71st

1 Legislature, Regular Session, 1989, provides that the
2 act prevails over general law in case of a conflict or
3 inconsistency. The revised law omits the provision
4 because it duplicates Section 311.026(b), Government
5 Code (Code Construction Act). The omitted law reads:

6 (a) . . . This Act prevails over any
7 provision of general law that is in conflict
8 or inconsistent with this Act.

9 (4) Section 6(b), Chapter 741, Acts of the 71st
10 Legislature, Regular Session, 1989, refers to the
11 continuing right of supervision to be exercised by the
12 Texas Water Commission. The revised law omits the
13 provision because the Texas Commission on
14 Environmental Quality is the successor to the Texas
15 Water Commission and therefore the provision
16 duplicates, in substance, part of Section 12.081,
17 Water Code, which applies to the district. The omitted
18 law reads:

19 (b) The rights, powers, privileges,
20 authority, functions, and duties of the
21 district are subject to the continuing
22 right of supervision of the state to be
23 exercised by and through the Texas Water
24 Commission.

25 Revisor's Note
26 (End of Chapter)

27 (1) Sections 1(a) and 9, Chapter 741, Acts of
28 the 71st Legislature, Regular Session, 1989, require
29 an election to confirm establishment of the district
30 and to elect initial directors. The revised law omits
31 the provisions as executed. The omitted law reads:

32 Sec. 1. (a) [A . . . district . . .
33 is created . . .] subject to approval at a
34 confirmation election under Section 9 of
35 this Act. . . .

36 Sec. 9. (a) The temporary board of
37 directors shall call and hold an election to
38 confirm establishment of the district and
39 to elect five initial directors as provided
40 by Chapter 54, Water Code.

41 (b) Section 41.001(a), Election
42 Code, does not apply to a confirmation
43 election held as provided by this section.

(2) Section 11, Chapter 741, Acts of the 71st Legislature, Regular Session, 1989, provides that the notice, introduction, and passage of the act satisfied the requirements of the Texas Constitution, other laws of this state, and rules and procedures of the legislature. Section 11 also provides that the Texas Water Commission timely filed recommendations relating to the act. The revised law omits these provisions as executed. The omitted law reads:

Sec. 11. (a) The proper and legal notice of the intention to introduce this Act, setting forth the general substance of this Act, has been published as provided by law, and the notice and a copy of this Act have been furnished to all persons, agencies, officials, or entities to which they are required to be furnished by the constitution and other laws of this state, including the governor, who has submitted the notice and Act to the Texas Water Commission.

(b) The Texas Water Commission has filed its recommendations relating to this Act with the governor, lieutenant governor, and speaker of the house of representatives within the required time.

(c) All requirements of the constitution and laws of this state and the rules and procedures of the legislature within respect to the notice, introduction, and passage of this Act are fulfilled and accomplished.

6 CHAPTER 8281. EAST CEDAR CREEK FRESH WATER SUPPLY DISTRICT

7 SUBCHAPTER A. GENERAL PROVISIONS

8 Revised Law

9 Sec. 8281.001. DEFINITION. In this chapter, "district"
10 means the East Cedar Creek Fresh Water Supply District. (Acts 65th
11 Leg., R.S., Ch. 696, Sec. 1 (part).)

12 Source Law

13 Sec. 1. . . . [a . . . district] . . . to be
14 known as the East Cedar Creek Fresh Water Supply
15 District, hereinafter called the "district",

16 Revised Law

17 Sec. 8281.002. NATURE OF DISTRICT. The district is a
18 conservation and reclamation district in Henderson County created
19 under Section 59, Article XVI, Texas Constitution. (Acts 65th
20 Leg., R.S., Ch. 696, Sec. 1 (part).)

21 Source Law

22 Sec. 1. Under and pursuant to the provisions of
23 Article XVI, Section 59, of the Texas Constitution, a
24 conservation and reclamation district is hereby
25 created and established in Henderson County, Texas,
26 . . . which shall be a governmental agency and a body
27 politic and corporate. . . .

28 Revisor's Note

29 (1) Section 1, Chapter 696, Acts of the 65th
30 Legislature, Regular Session, 1977, provides that the
31 district "is hereby created and established." The
32 revised law omits "established" because the meaning of
33 that word is included in the meaning of "created."

34 (2) Section 1, Chapter 696, Acts of the 65th
35 Legislature, Regular Session, 1977, refers to the
36 district as "a governmental agency and a body politic
37 and corporate." The revised law omits the quoted
38 language because it duplicates a portion of Section

1 59(b), Article XVI, Texas Constitution, which provides
2 that a conservation and reclamation district is a
3 governmental agency and a body politic and corporate.

4 Revised Law

5 Sec. 8281.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
6 The district is created to serve a public use and benefit.

7 (b) All land and other property included in the boundaries
8 of the district will benefit from the works and projects that are to
9 be accomplished by the district under the powers conferred by
10 Section 59, Article XVI, Texas Constitution.

11 (c) The creation of the district is essential to accomplish
12 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
13 65th Leg., R.S., Ch. 696, Secs. 1 (part), 4.)

14 Source Law

15 Sec. 1. . . . The creation and establishment of
16 the district is hereby declared to be essential to the
17 accomplishment of the purposes of Article XVI, Section
18 59, of the Texas Constitution.

19 Sec. 4. It is determined and found that all of
20 the land and other property included within the area
21 and boundaries of the district will be benefited by the
22 works and projects which are to be accomplished by the
23 district pursuant to the powers conferred by the
24 provisions of Article XVI, Section 59, of the Texas
25 Constitution, and that said district is created to
26 serve a public use and benefit.

27 Revisor's Note

28 (1) Section 1, Chapter 696, Acts of the 65th
29 Legislature, Regular Session, 1977, states that the
30 "creation and establishment" of the district are
31 essential to accomplish the purposes of Section 59,
32 Article XVI, Texas Constitution. The revised law
33 omits "establishment" because its meaning is included
34 in the meaning of "creation."

35 (2) Section 4, Chapter 696, Acts of the 65th
36 Legislature, Regular Session, 1977, refers to land and
37 other property included within the "area and
38 boundaries of the district." The revised law omits the
39 reference to "area" because, in context, "area" is

1 included in the meaning of "boundaries."

2 Revised Law

3 Sec. 8281.004. DISTRICT TERRITORY. (a) The district is
4 composed of the territory described by Section 2, Chapter 696, Acts
5 of the 65th Legislature, Regular Session, 1977, as that territory
6 may have been modified under:

7 (1) Subchapter H, Chapter 54, Water Code;

8 (2) Subchapter J, Chapter 49, Water Code; or

9 (3) other law.

10 (b) The boundaries and field notes of the district form a
11 closure. A mistake in copying the field notes in the legislative
12 process or any other mistake in the field notes does not affect:

13 (1) the district's organization, existence, or
14 validity;

15 (2) the district's right to issue any type of bond for
16 a purpose for which the district is created or to pay the principal
17 of and interest on a bond;

18 (3) the district's right to impose a tax; or

19 (4) the legality or operation of the district or its
20 governing body. (Acts 65th Leg., R.S., Ch. 696, Sec. 3; New.)

21 Source Law

22 Sec. 3. It is determined and found that the
23 boundaries and field notes of the district form a
24 closure. If any mistake is made in copying the field
25 notes in the legislative process or otherwise a
26 mistake is made in the field notes, it shall in no way
27 affect the organization, existence, and validity of
28 the district, or the right of the district to issue any
29 type of bonds or refunding bonds for the purposes for
30 which the district is created or to pay the principal
31 and interest thereon, or the right to assess, levy, and
32 collect taxes, or in any other manner affect the
33 legality or operation of the district or its governing
34 body.

35 Revisor's Note

36 (1) The revision of the law governing the
37 district does not revise the statutory language
38 describing the territory of the district to avoid the
39 lengthy recitation of the description and because that
40 description may not be accurate on the effective date

1 of the revision or at the time of a later reading. For
2 the reader's convenience, the revised law includes
3 references to the statutory description of the
4 district's territory and to the authority to change the
5 district's territory under Subchapter H, Chapter 54,
6 Water Code, applicable to municipal utility districts,
7 and under Subchapter J, Chapter 49, Water Code,
8 applicable to the district under Sections 49.001 and
9 49.002 of that chapter. The revised law also includes
10 a reference to the general authority of the
11 legislature to enact a law to change the district's
12 territory.

13 (2) Section 3, Chapter 696, Acts of the 65th
14 Legislature, Regular Session, 1977, states that a
15 mistake in the description of the district boundaries
16 does not affect the right of the district to issue
17 "bonds or refunding bonds." The revised law omits the
18 reference to "refunding bonds" because refunding bonds
19 are included in the meaning of "bonds."

20 (3) Section 3, Chapter 696, Acts of the 65th
21 Legislature, Regular Session, 1977, refers to the
22 district's authority to "assess, levy, and collect"
23 taxes. The revised law substitutes "impose" for
24 "assess, levy, and collect" because "impose" is the
25 term generally used in Title 1, Tax Code, and includes
26 the assessment, levy, and collection of a tax.

27 [Sections 8281.005-8281.050 reserved for expansion]

28 SUBCHAPTER B. BOARD OF DIRECTORS

29 Revised Law

30 Sec. 8281.051. COMPOSITION OF BOARD. The board of
31 directors of the district is composed of seven elected directors.
32 (Acts 65th Leg., R.S., Ch. 696, Sec. 7 (part).)

33 Source Law

34 Sec. 7. . . . the board of directors of the
35 district . . . successors in office shall be elected

1

2 Revisor's Note

3 Section 7, Chapter 696, Acts of the 65th
4 Legislature, Regular Session, 1977, refers to
5 "successors in office" to distinguish the succeeding
6 directors from the initial directors named in Section
7 7. The revised law substitutes "seven" for
8 "successors" to conform to the number of directors
9 listed in Section 7 (establishing the initial board).

10 Revised Law

11 Sec. 8281.052. VACANCIES. The Commissioners Court of
12 Henderson County shall appoint directors to fill all vacancies on
13 the board when the number of qualified directors is fewer than four.
14 (Acts 65th Leg., R.S., Ch. 696, Sec. 7 (part).)

15 Source Law

16 Sec. 7. . . . if at any time the number of
17 qualified directors shall be less than four because of
18 the failure or refusal of one or more directors to
19 qualify or serve or because of his or their death or
20 incapacitation, or for any other reason, the
21 Commissioners Court of Henderson County shall appoint
22 the necessary number of directors to fill all
23 vacancies on the board. . . .

24 Revisor's Note

25 Section 7, Chapter 696, Acts of the 65th
26 Legislature, Regular Session, 1977, refers to a
27 vacancy in the office of director "because of the
28 failure or refusal of one or more directors to qualify
29 or serve or because of his or their death or
30 incapacitation, or for any other reason." The revised
31 law omits the quoted language because it describes
32 every manner in which a vacancy may occur without
33 limiting in any way the duty to fill a vacancy.

34 Revisor's Note
35 (End of Subchapter)

36 (1) Section 7, Chapter 696, Acts of the 65th
37 Legislature, Regular Session, 1977, names the initial
38 district directors and provides for the qualification
39 of those directors and procedures for appointing

1 initial directors if the named directors are unable to
2 serve. The section also sets out the terms for the
3 initial directors. The revised law omits the provision
4 as executed. The omitted law reads:

5 Sec. 7. Immediately after this Act
6 becomes effective, the following named
7 persons shall be the directors of the
8 district and shall constitute [the board of
9 directors of the district]: Roscoe Welch,
10 William W. Turner, Fred Willis, Jerome T.
11 David, David S. Leinbach, C. P. Ackles, and
12 Dalton Bynum.

13 . . . Should any of the above named
14 directors fail to qualify for any reason,
15 the remaining named directors shall appoint
16 someone to fill such vacancy or vacancies;
17 provided, however, that The terms
18 of office of the first four directors named
19 shall end in 1979, and the terms of office
20 of the last three directors named shall end
21 in 1978;

22 (2) Section 7, Chapter 696, Acts of the 65th
23 Legislature, Regular Session, 1977, requires a
24 director to take the constitutional oath of office.
25 The revised law omits the provision because it
26 duplicates, in substance, Section 1, Article XVI,
27 Texas Constitution. The omitted law reads:

28 Sec. 7. . . . Such persons shall
29 qualify to serve as directors by execution
30 of the constitutional oath of office. . . .

31 (3) Section 7, Chapter 696, Acts of the 65th
32 Legislature, Regular Session, 1977, provides that
33 directors serve a term of two years. The revised law
34 omits that provision because it was superseded by
35 Section 49.103(a), Water Code, enacted in 1995, which
36 stipulates four-year terms and applies to the district
37 under Sections 49.103(e), 49.001, and 49.002, Water
38 Code. The omitted law reads:

39 Sec. 7. . . . thereafter, [successors
40 in office shall be elected] for a term of
41 two years.

42 [Sections 8281.053-8281.100 reserved for expansion]

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 8281.101. MUNICIPAL UTILITY DISTRICT POWERS. The
4 district has the rights, powers, privileges, and functions provided
5 by general law applicable to a municipal utility district created
6 under Section 59, Article XVI, Texas Constitution, including
7 Chapters 49 and 54, Water Code. (Acts 65th Leg., R.S., Ch. 696,
8 Sec. 5 (part); New.)

9 Source Law

10 Sec. 5. The district is hereby vested with and
11 shall have and exercise all of the rights, powers,
12 privileges, authority, and functions conferred and
13 imposed by the general laws of this state now in force
14 or hereafter enacted, applicable to municipal utility
15 districts created under authority of Article XVI,
16 Section 59, of the Texas Constitution, including
17 without limitation those conferred by Chapter 54,
18 Title 4, Water Code, with all amendments and additions
19 thereto; but

20 Revisor's Note

21 (1) Section 5, Chapter 696, Acts of the 65th
22 Legislature, Regular Session, 1977, states that the
23 district "is hereby vested with and shall have and
24 exercise" certain powers. The revised law substitutes
25 "has" for the quoted language because, in context, the
26 terms are synonymous and "has" is more commonly used.

27 (2) Section 5, Chapter 696, Acts of the 65th
28 Legislature, Regular Session, 1977, refers to the
29 "rights, powers, privileges, [and] authority" of the
30 district. The revised law omits the reference to
31 "authority" because, in context, "authority" is
32 included in the meaning of "rights, powers, [and]
33 privileges."

34 (3) Section 5, Chapter 696, Acts of the 65th
35 Legislature, Regular Session, 1977, states that the
36 district has the rights, powers, privileges,
37 authority, and functions conferred by the general laws
38 of this state "now in force or hereafter enacted." The
39 revised law omits the quoted language because it

1 duplicates accepted general principles of statutory
2 construction. The "general laws of this state" means
3 those laws "in force" at the time the provision was
4 adopted. It is unnecessary to state that the district
5 may be granted additional powers by later enacted laws
6 because those laws apply on their own terms.

7 (4) Section 5, Chapter 696, Acts of the 65th
8 Legislature, Regular Session, 1977, grants the
9 district certain powers, "including without
10 limitation those conferred by Chapter 54, Title 4,
11 Water Code." The revised law omits "without
12 limitation" because Section 311.005(13), Government
13 Code (Code Construction Act), provides that "includes"
14 and "including" are terms of enlargement and not of
15 limitation and do not create a presumption that
16 components not expressed are excluded.

17 (5) Section 5, Chapter 696, Acts of the 65th
18 Legislature, Regular Session, 1977, refers to Chapter
19 54, Water Code, "with all amendments and additions
20 thereto." The revised law omits the quoted language
21 because under Section 311.027, Government Code (Code
22 Construction Act), a reference to a statute applies to
23 all reenactments, revisions, or amendments of that
24 statute unless provided otherwise.

25 (6) Section 5, Chapter 696, Acts of the 65th
26 Legislature, Regular Session, 1977, refers to Chapter
27 54, Water Code. For the reader's convenience, the
28 revised law adds a reference to Chapter 49, Water Code,
29 because Chapter 715, Acts of the 74th Legislature,
30 Regular Session, 1995, repealed many provisions of
31 Chapter 54 and enacted similar provisions in Chapter
32 49, Water Code.

33 (7) Section 5, Chapter 696, Acts of the 65th
34 Legislature, Regular Session, 1977, provides that

1 Chapter 696 prevails over general law in case of a
2 conflict or other inconsistency and that all general
3 laws not in conflict or inconsistent with the
4 provisions of that chapter are adopted and
5 incorporated by reference. The revised law omits the
6 portion of the provision relating to the chapter
7 prevailing over general law because it duplicates in
8 substance Section 311.026(b), Government Code (Code
9 Construction Act). The revised law omits the portion
10 of the provision relating to adoption and
11 incorporation of general laws because Section 5 of
12 Chapter 696 (revised in part as this section) provides
13 that those laws apply to the district, and it is
14 unnecessary to repeat that authority by "adopt[ing]
15 and incorporat[ing] by reference." The omitted law
16 reads:

17 Sec. 5. . . . if any provision of such
18 general laws shall be in conflict or
19 inconsistent with the provisions of this
20 Act, the provisions of this Act shall
21 prevail. All such general laws not in
22 conflict or inconsistent with the
23 provisions of this Act are hereby adopted
24 and incorporated by reference with the same
25 effect as if copied in full in this
26 Act. . . .

27 (8) Section 5, Chapter 696, Acts of the 65th
28 Legislature, Regular Session, 1977, refers to this
29 state's continuing right of supervision of the
30 district to be exercised by the Texas Water Rights
31 Commission. The revised law omits the provision
32 because the Texas Commission on Environmental Quality
33 is the successor to the Texas Water Rights Commission,
34 and therefore the provision duplicates, in substance,
35 part of Section 12.081(a), Water Code, which applies
36 to the district. The omitted law reads:

37 Sec. 5. . . . The rights, powers,
38 privileges, authority, and functions herein
39 granted to the district shall be subject to
40 the continuing right of supervision of the
41 State of Texas, to be exercised by and

1 through the Texas Water Rights Commission.

2 Revised Law

3 Sec. 8281.102. WATER AND SEWER SYSTEMS. (a) The district
4 may acquire, and may improve or extend, any existing water or sewer
5 system that serves all or part of the district territory or may
6 construct a water or sewer system to serve the inhabitants of the
7 county in which the district is located.

8 (b) A contract to acquire an existing water or sewer
9 facility may be made on terms approved by the contracting parties.

10 (Acts 65th Leg., R.S., Ch. 696, Sec. 6 (part).)

11 Source Law

12 Sec. 6. The district shall have and is given the
13 specific power and authority to acquire any existing
14 water and sewer system, either or both, which serves
15 all or part of the territory situated within its
16 boundaries and the district may improve and extend
17 such system or systems or the district may construct a
18 water and sewer system, either or both, to serve the
19 inhabitants of the county in which the area of the
20 district is situated. . . . contracts for the
21 acquisition of an existing water or sewer facility may
22 be made on terms approved by the contracting parties.
23 . . .

24 Revisor's Note

25 (1) Section 6, Chapter 696, Acts of the 65th
26 Legislature, Regular Session, 1977, provides that the
27 district "shall have and is given the specific power
28 and authority to" acquire or construct a water or sewer
29 system. The revised law substitutes "may" for the
30 quoted language because the phrases have the same
31 meaning, and "may" is consistent with modern usage.
32 See, for example, Section 311.016(1), Government Code
33 (Code Construction Act), which construes "may."

34 (2) Section 6, Chapter 696, Acts of the 65th
35 Legislature, Regular Session, 1977, states that
36 district construction contracts are subject to
37 competitive bids under laws applicable to municipal
38 utility districts. The revised law omits that
39 provision because Subchapter I, Chapter 49, Water
40 Code, contains the competitive bidding requirements

1 applicable to municipal utility districts. That
2 subchapter applies to the district under Sections
3 49.001 and 49.002, Water Code. Accordingly, district
4 construction contracts are subject to the competitive
5 bidding requirements applicable to municipal utility
6 districts without an express statement to that effect.

7 The omitted law reads:

8 Sec. 6. . . . Construction contracts
9 shall be subject to competitive bids (as
10 provided by laws applicable to municipal
11 utility districts), but

12 Revised Law

13 Sec. 8281.103. LIMITATION ON PROVIDING WATER TO CERTAIN
14 USERS. Notwithstanding any other provision of this chapter, the
15 district may not compete with the City of Mabank in providing water
16 to household users unless the district receives permission from the
17 Public Utility Commission of Texas, with the consent of that city.
18 (Acts 65th Leg., R.S., Ch. 696, Sec. 5A.)

19 Source Law

20 Sec. 5A. Notwithstanding any other provisions
21 of this Act, the district shall in no event furnish
22 water to household users in competition with the city
23 of Mabank unless the district receives permission to
24 do so from the Public Utility Commission of Texas, with
25 the consent of the city of Mabank.

26 Revised Law

27 Sec. 8281.104. AGRICULTURAL PRODUCTS. The district may
28 produce agricultural products other than livestock on property the
29 district owns or controls and may market those products. (Acts 65th
30 Leg., R.S., Ch. 696, Sec. 5B.)

31 Source Law

32 Sec. 5B. The district may produce agricultural
33 products other than livestock on property it owns or
34 controls and may market those products.

35 Revised Law

36 Sec. 8281.105. VOTER APPROVAL OF TAXES REQUIRED. The
37 district may not impose a tax unless the tax has been approved by
38 the voters at an election called for that purpose. (Acts 65th Leg.,
39 R.S., Ch. 696, Sec. 6 (part).)

Revisor's Note

Section 6, Chapter 696, Acts of the 65th Legislature, Regular Session, 1977, allows the district to "levy" taxes approved by the district electorate. The revised law substitutes "impose" for "levy" for the reason stated in Revisor's Note (3) to Section 8281.004.

Revisor's Note
(End of Chapter)

(1) Section 8, Chapter 696, Acts of the 65th Legislature, Regular Session, 1977, contains legislative findings relating to the performance of certain requirements under Sections 59(d) and (e), Article XVI, Texas Constitution, and to the authority of the legislature to enact Chapter 696. The revised law omits the provision as executed. The omitted law reads:

Sec. 8. The legislature specifically finds and declares that the requirements of Article XVI, Sections 59(d) and 59(e), of the Texas Constitution have been performed and accomplished in due course and time and order, and that the legislature has the power and authority to enact this Act.

(2) Section 9, Chapter 696, Acts of the 65th Legislature, Regular Session, 1977, provides that the act is severable. The revised law omits that provision because it duplicates Section 311.032, Government Code (Code Construction Act), which provides that a provision of a statute is severable from each other provision of the statute that can be given effect. The omitted law reads:

Sec. 9. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Act or the application thereof to any person or circumstances shall be held to be invalid or

1 unconstitutional, the remainder of the Act
2 shall nevertheless be valid; and the
3 legislature hereby declares that this Act
4 would have been enacted without such
5 invalid or unconstitutional word, phrase,
6 clause, paragraph, sentence, part, portion,
7 or provision.

20		IMPROVEMENT PROJECTS OR SERVICES	1765
21	Sec. 8282.254.	OBLIGATIONS	1765
22		CHAPTER 8282. FALCON'S LAIR UTILITY AND RECLAMATION DISTRICT	
23		SUBCHAPTER A. GENERAL PROVISIONS	
24		<u>Revised Law</u>	
25	Sec. 8282.001.	DEFINITIONS. In this chapter:	
26		(1) "Board" means the district's board of directors.	
27		(2) "City" means the city of Mesquite.	
28		(3) "District" means the Falcon's Lair Utility and	
29		Reclamation District. (Acts 69th Leg., R.S., Ch. 935, Secs. 1(a)	
30		(part), 2.)	
31		<u>Source Law</u>	
32		Sec. 1. (a) . . . [a district] . . . [is created	
33		and] shall be known as Falcon's Lair Utility and	
34		Reclamation District,	
35		Sec. 2. In this Act:	
36		(1) "District" means the Falcon's Lair	

1 Utility and Reclamation District.

2 (2) "City" means the city of Mesquite,
3 Texas.

4 (3) "Board" means the board of directors
5 of the district.

6 Revised Law

7 Sec. 8282.002. NATURE OF DISTRICT. The district is a
8 conservation and reclamation district created under Section 52,
9 Article III, and Section 59, Article XVI, Texas Constitution. (Acts
10 69th Leg., R.S., Ch. 935, Sec. 1(a) (part).)

11 Source Law

12 (a) . . . under Article XVI, Section 59, and
13 Article III, Section 52, of the Texas Constitution, a
14 district located within the present corporate limits
15 of the city of Mesquite, Texas, is created and [shall
16 be known as Falcon's Lair Utility and Reclamation
17 District,] of Dallas County, Texas.

18 Revisor's Note

19 (1) Section 1(a), Chapter 935, Acts of the 69th
20 Legislature, Regular Session, 1985, provides that the
21 district is created under Section 59, Article XVI,
22 Texas Constitution. For the convenience of the
23 reader, the revised law notes that the district is a
24 "conservation and reclamation district" because that
25 is the terminology provided by that constitutional
26 provision.

27 (2) Section 1(a), Chapter 935, Acts of the 69th
28 Legislature, Regular Session, 1985, provides that the
29 district is "located within the present corporate
30 limits of the city of Mesquite, Texas . . . of Dallas
31 County, Texas." The revised law omits the quoted
32 language because it was included in the law being
33 revised only as a convenience to the reader and
34 duplicates language in Section 5(a), Chapter 935, Acts
35 of the 69th Legislature, Regular Session, 1985, which
36 is not necessary to revise in this chapter. See
37 Revisor's Note (1) to Section 8282.051.

38 (3) Section 1(a), Chapter 935, Acts of the 69th
39 Legislature, Regular Session, 1985, refers to a

1 confirmation election. Because the confirmation
2 election occurred in 1985, the revised law omits the
3 provision as executed. The omitted law reads:

4 Sec. 1. (a) Subject to the
5 confirmation election required by this Act,
6 and

7 (4) Section 1(b), Chapter 935, Acts of the 69th
8 Legislature, Regular Session, 1985, refers to the
9 district as "a governmental agency and a body
10 corporate and politic." The revised law omits the
11 references because they duplicate a portion of Section
12 59(b), Article XVI, Texas Constitution, which provides
13 that a conservation and reclamation district is a
14 governmental agency and a body politic and corporate.
15 The omitted law reads:

16 (b) The district is a governmental
17 agency and a body corporate and politic.

18 Revised Law

19 Sec. 8282.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
20 The district is created to serve a public use and benefit.

21 (b) All land and other property included in the boundaries
22 of the district will benefit from the works and projects
23 accomplished by the district under the powers conferred by this
24 chapter.

25 (c) The creation of the district is essential to accomplish
26 the purposes of Section 52, Article III, and Section 59, Article
27 XVI, Texas Constitution. (Acts 69th Leg., R.S., Ch. 935, Secs. 3,
28 6.)

29 Source Law

30 Sec. 3. The legislature finds that the creation
31 and establishment of the district are essential to the
32 accomplishment of the purposes of Article XVI, Section
33 59, and Article III, Section 52, of the Texas
34 Constitution.

35 Sec. 6. The legislature finds that all of the
36 land and other property included in the boundaries of
37 the district will be benefited by the works and
38 projects that are to be accomplished by the district
39 pursuant to the powers conferred on the district by
40 this Act, and that the district is created to serve a
41 public use and benefit.

1 Revisor's Note

2 Section 3, Chapter 935, Acts of the 69th
3 Legislature, Regular Session, 1985, states that the
4 "creation and establishment" of the district are
5 essential to accomplish the purposes of Section 52,
6 Article III, and Section 59, Article XVI, Texas
7 Constitution. The revised law omits "establishment"
8 because its meaning is included in the meaning of
9 "creation."

10 Revisor's Note
11 (End of Subchapter)

12 (1) Section 4, Chapter 935, Acts of the 69th
13 Legislature, Regular Session, 1985, provides that a
14 confirmation and directors' election must be held
15 before the district issues bonds or other obligations.
16 The revised law omits that provision as executed. The
17 omitted law reads:

18 Sec. 4. Before bonds or other
19 obligations of the district are issued, the
20 creation of the district must be approved
21 and the directors of the district must be
22 elected at a confirmation and directors'
23 election called and held as provided by
24 Sections 54.026-54.029, Water Code.

25 (2) Section 25, Chapter 935, Acts of the 69th
26 Legislature, Regular Session, 1985, provides that the
27 district may be abolished as provided by Chapter 128,
28 Acts of the 50th Legislature, Regular Session, 1947
29 (Article 1182c-1, Vernon's Texas Civil Statutes). The
30 revised law omits that provision because the cited law
31 applies by its own terms. Article 1182c-1 was codified
32 by Chapter 149, Acts of the 70th Legislature, Regular
33 Session, 1987, as Sections 43.074, 43.075, and 43.081,
34 Local Government Code. The omitted law reads:

35 Sec. 25. The city may abolish and
36 dissolve the district and assume the
37 assets, properties, bonds, and other
38 obligations of the district as provided by
39 Chapter 128, Acts of the 50th Legislature,
40 Regular Session, 1947 (Article 1182c-1,
41 Vernon's Texas Civil Statutes).

1 [Sections 8282.004-8282.050 reserved for expansion]

2 SUBCHAPTER B. DISTRICT TERRITORY AND ANNEXATIONS

3 TO DISTRICT TERRITORY

4 Revised Law

5 Sec. 8282.051. DISTRICT TERRITORY. (a) The district is
6 composed of the territory described by Section 5(a), Chapter 935,
7 Acts of the 69th Legislature, Regular Session, 1985, as that
8 territory may have been modified under:

9 (1) Subchapter H, Chapter 54, Water Code;

10 (2) Subchapter J, Chapter 49, Water Code; or

11 (3) other law.

12 (b) The boundaries and field notes of the district form a
13 closure. A mistake in copying the field notes in the legislative
14 process or another mistake in the field notes does not affect:

15 (1) the district's organization, existence, or
16 validity;

17 (2) the district's right or power to issue bonds for
18 the purposes for which the district is created or to pay the
19 principal of and interest on the bonds;

20 (3) the district's authority to impose a tax;

21 (4) the validity of any contract, agreement, or
22 obligation of the district; or

23 (5) the legality of the operations or proceedings of
24 the district or the board. (Acts 69th Leg., R.S., Ch. 935, Sec.
25 5(b); New.)

26 Source Law

27 (b) The legislature finds that the boundaries
28 and field notes of the district form a closure. If any
29 mistake is made in copying the field notes in the
30 legislative process, or otherwise a mistake is made in
31 those field notes, it in no way affects the
32 organization, existence, and validity of the district,
33 or the right and power of the district to issue bonds
34 for the purposes for which the district is created or
35 to pay the principal of and interest on those bonds, or
36 the authority of the district to levy and collect
37 taxes, or the validity of any contracts, agreements,
38 or obligations of the district, or in any other manner
39 affects the legality of the operations or proceedings
40 of the district or its board.

1 Revisor's Note

2 (1) The revision of the law governing the
3 district does not revise the statutory language
4 describing the territory of the district to avoid the
5 lengthy recitation of the description and because the
6 description may not be accurate on the effective date
7 of the revision or at the time of a later reading. For
8 the reader's convenience, the revised law includes a
9 reference to the statutory description of the
10 district's territory and references to the authority
11 to change the district's territory under Subchapter H,
12 Chapter 54, Water Code, applicable to municipal
13 utility districts, and under Subchapter J, Chapter 49,
14 Water Code, applicable to the district under Sections
15 49.001 and 49.002 of that chapter. The revised law
16 also includes a reference to the general authority of
17 the legislature to enact other law to change the
18 district's territory.

19 (2) Section 5(b), Chapter 935, Acts of the 69th
20 Legislature, Regular Session, 1985, refers to the
21 district's authority to "levy and collect" a tax.
22 Other provisions of that act, such as Section 8(b)
23 (revised as Section 8282.153) refer to the district's
24 authority to "assess" a tax. Throughout this chapter,
25 the revised law substitutes "impose" for "assess,"
26 "levy," and "collect" in the context of taxation
27 because "impose" is the term generally used in Title 1,
28 Tax Code, and includes the assessment, levying, and
29 collection of a tax.

30 Revised Law

31 Sec. 8282.052. CITY APPROVAL REQUIRED FOR ANNEXATION. The
32 district must secure the approval of the city, in the form of an
33 ordinance or resolution of the city council of the city, before
34 final annexation of additional land to the district. (Acts 69th

1 Leg., R.S., Ch. 935, Sec. 17 (part).)

2 Source Law

3 Sec. 17. . . . The district must secure the
4 approval of the city, in the form of an ordinance or
5 resolution of the city council of the city, before
6 final annexation of any additional land to the
7 district.

8 Revisor's Note

9 Section 17, Chapter 935, Acts of the 69th
10 Legislature, Regular Session, 1985, provides that the
11 district may add or exclude land in the manner provided
12 by Chapter 54, Water Code. The revised law omits that
13 provision as unnecessary. Chapter 715, Acts of the
14 74th Legislature, Regular Session, 1995, repealed some
15 of the relevant provisions of Subchapter H, Chapter
16 54, Water Code, and enacted Subchapter J, Chapter 49,
17 Water Code, to govern the addition of land to a
18 municipal utility district and certain other
19 districts. The remaining relevant provisions of
20 Subchapter H, Chapter 54, Water Code, apply to the
21 district under Section 54.001, Water Code, without an
22 express reference to those sections by this chapter.
23 An express reference to Subchapter J, Chapter 49,
24 Water Code, is also unnecessary because that
25 subchapter and the other provisions of Chapter 49
26 apply to the district under Sections 49.001 and 49.002
27 of that chapter. Throughout this chapter, the revised
28 law omits law that is superseded by Chapter 49, Water
29 Code, or that duplicates law contained in that
30 chapter. The omitted law reads:

31 Sec. 17. The board may exclude land
32 from the district and may add land to the
33 district in the manner provided for
34 municipal utility districts operating under
35 Chapter 54, Water Code. . . .

36 [Sections 8282.053-8282.100 reserved for expansion]

1 SUBCHAPTER C. DISTRICT ADMINISTRATION

2 Revised Law

3 Sec. 8282.101. COMPOSITION OF BOARD; TERMS. (a) The board
4 consists of five directors.

5 (b) Directors serve staggered four-year terms, with the
6 terms of two or three directors expiring every other year. (Acts
7 69th Leg., R.S., Ch. 935, Secs. 9(a), (g) (part).)

8 Source Law

9 Sec. 9. (a) The district shall be governed by a
10 board of five directors.

11 (g) . . . directors shall serve for staggered
12 four-year terms, with the terms of two or three
13 directors expiring every other year.

14 Revisor's Note

15 Section 9(g), Chapter 935, Acts of the 69th
16 Legislature, Regular Session, 1985, refers to the
17 initial directors and the directors elected at the
18 confirmation and directors' election. The revised law
19 omits the language as executed. The omitted law reads:

20 (g) Except for the initial directors
21 and the directors elected at the
22 confirmation and directors' election,
23

24 Revised Law

25 Sec. 8282.102. VACANCY. (a) Except as provided by
26 Subsection (b), if a vacancy occurs in the office of director, the
27 remaining directors shall appoint a person to fill the vacancy
28 until the next election of directors for the district. If the
29 vacant position is not regularly scheduled to be filled at that
30 election, the person elected at that election to fill the vacancy
31 serves only for the unexpired term.

32 (b) If the number of qualified directors by reason of
33 vacancies is fewer than three, the city council of the city, on
34 petition of the owners of a majority in value of the land in the
35 district, as shown by the tax rolls of the city, shall appoint the
36 necessary number of directors to fill all vacancies on the board.

37 (c) The city may not be found liable for an act relating to a

1 district obligation or the operation of the district because of the
2 city's appointment of a director as prescribed by Subsection (b).
3 (Acts 69th Leg., R.S., Ch. 935, Secs. 9(d), (h).)

4 Source Law

5 (d) If a vacancy occurs in the office of
6 director, the remaining directors shall appoint a
7 person to fill the vacancy until the next election of
8 directors for the district. If the vacant position is
9 not regularly scheduled to be filled at that election,
10 the person elected at that election to fill the vacancy
11 shall serve only for the unexpired term. However, if
12 the number of qualified directors by reason of
13 vacancies is less than three, the city council of the
14 city, on petition of the owners of a majority in value
15 of the land in the district, as shown by the tax rolls
16 of the city, shall appoint the necessary number of
17 directors to fill all vacancies on the board.

18 (h) The city may not be found liable for an act
19 relating to a district obligation or the operation of
20 the district because of an appointment of a director
21 made by the city as prescribed by Subsection (d) of
22 this section.

23 Revised Law

24 Sec. 8282.103. OFFICERS AND ASSISTANTS. (a) The board
25 shall reorganize and elect officers after each election and at any
26 other time the board considers appropriate.

27 (b) The board may designate one or more assistant
28 secretaries and an assistant treasurer. An assistant secretary or
29 assistant treasurer is not required to be a director.

30 (c) The board secretary or one of the assistant secretaries:

31 (1) shall keep the minutes of the meetings of the board
32 and all official records of the board; and

33 (2) may certify as to the accuracy or authenticity of
34 any actions, proceedings, minutes, or records of the board or of the
35 district. (Acts 69th Leg., R.S., Ch. 935, Secs. 10(a) (part), (b).)

36 Source Law

37 (a) . . . After each election and at any other
38 time the board considers appropriate, the board shall
39 reorganize and elect new officers.

40 (b) The board may designate one or more
41 assistant secretaries and an assistant treasurer, who
42 are not required to be members of the board. The
43 secretary of the board or one of the assistant
44 secretaries shall be responsible for keeping the
45 minutes of the meetings of the board and all official
46 records of the board and may certify as to the accuracy
47 or authenticity of any actions, proceedings, minutes,
48 or records of the board or of the district.

1 Revised Law

2 Sec. 8282.104. COMPENSATION. Unless the board by
3 resolution increases the fee to an amount authorized by Section
4 49.060, Water Code, each director is entitled to receive
5 compensation in an amount not to exceed \$50 for each meeting of the
6 board, as determined by the board. (Acts 69th Leg., R.S., Ch. 935,
7 Sec. 11 (part).)

8 Source Law

9 Sec. 11. Each member of the board is entitled to
10 receive compensation in an amount up to \$50 for each
11 meeting of the board as determined by the board
12 and

13 Revisor's Note

14 (1) Section 11, Chapter 935, Acts of the 69th
15 Legislature, Regular Session, 1985, provides for a \$50
16 director's fee for attendance at a board meeting.
17 Section 49.060, Water Code, enacted in 1995 and
18 applicable by its own terms to the district,
19 authorizes higher fees. Section 49.060(e), however,
20 provides that if the amount of the fee set by Section
21 49.060 would result in a fee increase, the increase
22 does not apply to a district unless the district's
23 board by resolution adopts a higher fee. The revised
24 law is drafted accordingly.

25 (2) Section 11, Chapter 935, Acts of the 69th
26 Legislature, Regular Session, 1985, provides for
27 reimbursement of a director's expenses incurred on the
28 district's behalf or in discharging a duty. The
29 revised law omits the provision because it is
30 expressly superseded by Section 49.060, Water Code
31 (enacted in 1995). The omitted law reads:

32 Sec. 11. . . . directors may be
33 reimbursed for actual expenses incurred on
34 behalf of the district or in the discharge
35 of their duties.

36 Revised Law

37 Sec. 8282.105. BOARD PROCEDURES. The board shall provide

1 the method of execution of all contracts, the signing of checks, and
2 the handling of any other matter approved by the board, as shown in
3 the district's official minutes. (Acts 69th Leg., R.S., Ch. 935,
4 Sec. 10(a) (part).)

5 Source Law

6 Sec. 10. (a) The board shall provide the method
7 of execution of all contracts, the signing of checks,
8 and the handling of any other matters approved by the
9 board, as shown in the official minutes of the
10 district. . . .

11 Revisor's Note
12 (End of Subchapter)

13 (1) Sections 9(b), (c), and (e), Chapter 935,
14 Acts of the 69th Legislature, Regular Session, 1985,
15 refer to the initial board of directors. Section 9(e),
16 Chapter 935, Acts of the 69th Legislature, Regular
17 Session, 1985, also establishes the manner in which
18 the terms of the first elected board of directors
19 expire. The revised law omits those provisions as
20 executed. The omitted law reads:

21 (b) On the effective date of this
22 Act, the following persons are the initial
23 directors of the district:

- 24 (1) John Whiteside;
- 25 (2) Jay Kanter;
- 26 (3) Russell Orms;
- 27 (4) Tom Goodiel; and
- 28 (5) Jerry Ragsdale.

29 (c) The initial directors shall
30 qualify to serve as directors before the
31 first meeting of the board by taking the
32 oath of office, executing a bond, and
33 furnishing evidence of their qualifications
34 as required by Chapter 54, Water Code.

35 (e) The initial directors shall serve
36 until the district is created and the first
37 elected directors of the district are
38 elected at the confirmation and directors'
39 election and the directors have qualified
40 for office. The positions of the two
41 directors who receive the fewest number of
42 votes shall be filled at the first regular
43 directors' election, and the directors
44 first elected to those positions serve only
45 until the directors elected at that first
46 regular directors' election are elected and
47 have qualified for office. The positions of
48 the three remaining directors shall be
49 filled at the second regular directors'
50 election, and the directors first elected
51 to those positions serve only until the
52 directors elected at that second regular

1 election are elected and have qualified for
2 office.

3 (2) Section 9(f), Chapter 935, Acts of the 69th
4 Legislature, Regular Session, 1985, provides that
5 directors' elections in the district shall be held on
6 "the first Tuesday after the first Monday in November
7 of each odd-numbered year." The revised law omits that
8 provision as impliedly repealed by Section 49.103(b),
9 Water Code, enacted in 1995 and amended in 2001 and
10 2005, which requires elections of directors to be held
11 on the uniform election date established by the
12 Election Code in May of each even-numbered year. The
13 omitted law reads:

14 (f) After the confirmation and
15 directors' election, a regular directors'
16 election shall be held on the first Tuesday
17 after the first Monday in November of each
18 odd-numbered year to elect the appropriate
19 number of directors.

20 (3) Section 12, Chapter 935, Acts of the 69th
21 Legislature, Regular Session, 1985, requires the board
22 of directors of the district to hold "regular,
23 special, or emergency meetings" of the board. The
24 revised law omits that provision because it duplicates
25 in substance Section 49.064, Water Code, which
26 requires the board to hold regular and special
27 meetings as necessary to conduct business. Although
28 Section 49.064 does not specifically refer to
29 "emergency meetings" of a district's board of
30 directors, an emergency meeting is a type of special
31 meeting. Further, Section 49.064 provides that "[a]ll
32 meetings shall be conducted in accordance with the
33 open meetings law, Chapter 551, Government Code."
34 Chapter 551, Government Code, provides for emergency
35 meetings. See Section 551.045, Government Code. The
36 omitted law reads:

37 Sec. 12. The board shall hold
38 regular, special, or emergency meetings at
39 those times and on those dates the board

1 determines.

2 (4) Section 13, Chapter 935, Acts of the 69th
3 Legislature, Regular Session, 1985, requires the board
4 of directors of the district to designate one or more
5 offices and meeting places. The revised law omits the
6 provision because it duplicates Sections 49.062(a) and
7 (b), Water Code. The omitted law reads:

8 Sec. 13. The board shall designate
9 one or more offices of the district and one
10 or more meeting places of the board either
11 inside or outside the district.

12 (5) Section 6, Chapter 1213, Acts of the 75th
13 Legislature, Regular Session, 1997, provides
14 transition language related to the terms of office for
15 certain members of the district's board of directors
16 and to the election or appointment of successor
17 directors. The revised law omits the language
18 regarding the terms of those directors as executed.
19 The revised law omits the language regarding the
20 election or appointment of successors because it
21 duplicates Section 8282.102 and also Section 9(f),
22 Chapter 935, which was omitted from the revised law for
23 the reason stated in Revisor's Note (2) to the end of
24 this subchapter. The omitted law reads:

25 Sec. 6. The terms of the members of
26 the board of directors of the Falcon's Lair
27 Utility and Reclamation District serving on
28 the effective date of this Act who were
29 appointed by the city council of the City of
30 Mesquite, Texas, expire on the first
31 Tuesday after the first Monday in November,
32 1997. The terms of the remaining members of
33 the board of directors of the Falcon's Lair
34 Utility and Reclamation District serving on
35 the effective date of this Act expire on the
36 first Tuesday after the first Monday in
37 November, 1999. Successor directors shall
38 be elected or appointed in the manner
39 provided by Section 9, Chapter 935, Acts of
40 the 69th Legislature, Regular Session,
41 1985, as amended by this Act.

1 SUBCHAPTER D. POWERS AND DUTIES

2 Revised Law

3 Sec. 8282.151. MUNICIPAL UTILITY DISTRICT POWERS. The
4 district has the rights, powers, privileges, and functions
5 conferred, contemplated, and described by Section 59, Article XVI,
6 Texas Constitution, including the rights, powers, privileges, and
7 functions conferred by the general law applicable to municipal
8 utility districts operating under Chapter 54, Water Code. (Acts
9 69th Leg., R.S., Ch. 935, Sec. 7 (part).)

10 Source Law

11 Sec. 7. . . . the district has the rights,
12 powers, privileges, authority, and functions granted,
13 conferred, contemplated, and described in Article XVI,
14 Section 59, of the Texas Constitution, including the
15 rights, powers, privileges, authority, and functions
16 conferred by the general laws of this state applicable
17 to municipal utility districts operating under Chapter
18 54, Water Code,

19 Revisor's Note

20 (1) Section 7, Chapter 935, Acts of the 69th
21 Legislature, Regular Session, 1985, refers to the
22 "powers" and "authority" of the district. Throughout
23 this chapter, the revised law omits the reference to
24 "authority" in this context because "authority" is
25 included in the meaning of "powers."

26 (2) Section 7, Chapter 935, Acts of the 69th
27 Legislature, Regular Session, 1985, refers to the
28 rights, powers, privileges, authority, and functions
29 "granted, conferred, contemplated, and described" by
30 the constitution. The revised law omits the reference
31 to "granted" because in this context, "granted" is
32 included in the meaning of "conferred."

33 (3) Section 7, Chapter 935, Acts of the 69th
34 Legislature, Regular Session, 1985, provides that the
35 district has certain rights, powers, privileges,
36 authority, and functions granted by general law,
37 "together with" the rights, powers, privileges,
38 authority, and functions under the act. Section 8(a),

1 Chapter 935, Acts of the 69th Legislature, Regular
2 Session, 1985, provides that the district has certain
3 rights, powers, privileges, authority, and functions
4 granted by that section. The revised law omits the
5 provisions because a substantive provision of this
6 chapter that grants a right, power, privilege,
7 authority, or function is sufficient by itself to
8 grant the right, power, privilege, authority, or
9 function. The omitted law reads:

10 Sec. 7. . . . together with the
11 additional rights, powers, privileges,
12 authority, and functions enumerated,
13 described, expressed, or implied by this
14 Act. . . .

15 Sec. 8. (a) The district has the
16 additional rights, powers, privileges,
17 authority, and functions provided by this
18 section.

19 (4) Section 7, Chapter 935, Acts of the 69th
20 Legislature, Regular Session, 1985, provides that the
21 district has certain rights "[s]ubject to the specific
22 provisions of this Act" and that that act prevails over
23 general law in case of a conflict or other
24 inconsistency. The revised law omits the provisions
25 as unnecessary. The "specific provisions" of Chapter
26 935 affecting those rights apply on their own terms.
27 The provision regarding a conflict or inconsistency
28 with general law duplicates Section 311.026,
29 Government Code (Code Construction Act). The omitted
30 law reads:

31 Sec. 7. Subject to the specific
32 provisions of this Act, [the district has
33 the rights] If any general law is
34 in conflict or inconsistent with this Act,
35 this Act prevails.

36 Revised Law

37 Sec. 8282.152. AUTHORITY TO CONSTRUCT OR ACQUIRE WORKS AND
38 FACILITIES. Subject to compliance with applicable codes,
39 ordinances, resolutions, and rules of the city, the district may
40 plan, lay out, purchase, construct, acquire, own, operate,

1 maintain, repair, or improve, inside or outside the boundaries of
2 the district, any works, improvements, facilities, plants,
3 equipment, and appliances, including any administrative buildings,
4 properties, and facilities, any permits, franchises, licenses, or
5 contract or property rights, and any levees, drains, waterways,
6 lakes, reservoirs, channels, conduits, sewers, dams, storm water
7 detention facilities, or other similar facilities and
8 improvements, whether for municipal, industrial, agricultural,
9 recreational, conservation, reclamation, or flood control
10 purposes, that are necessary, helpful, or incidental to the
11 exercise of any right, power, privilege, or function provided by
12 this chapter. (Acts 69th Leg., R.S., Ch. 935, Sec. 8(e).)

13 Source Law

14 (e) Subject to compliance with the general law
15 of the state and applicable codes, ordinances,
16 resolutions, rules, and regulations of the city, the
17 district may plan, lay out, purchase, construct,
18 acquire, own, operate, maintain, repair, and improve,
19 inside or outside its boundaries, works, improvements,
20 facilities, plants, equipment, and appliances,
21 including any administrative buildings, properties,
22 and facilities, any permits, franchises, licenses or
23 contract or property rights, and any levees, drains,
24 waterways, lakes, reservoirs, channels, conduits,
25 sewers, dams, stormwater detention facilities, or
26 other similar facilities and improvements, whether for
27 municipal, industrial, agricultural, recreational,
28 conservation, reclamation, or flood control purposes,
29 that are necessary, helpful, or incidental to the
30 exercise of any right, power, privilege, authority, or
31 function provided by this Act.

32 Revisor's Note

33 (1) Section 8(e), Chapter 935, Acts of the 69th
34 Legislature, Regular Session, 1985, provides that the
35 district may exercise certain powers subject to
36 compliance with "the general law of the state." The
37 revised law omits the quoted language because it is
38 unnecessary to state that the district must comply
39 with general law; general laws apply in the absence of
40 such a statement.

41 (2) Section 8(e), Chapter 935, Acts of the 69th
42 Legislature, Regular Session, 1985, refers to "rules"
43 and "regulations." Throughout this chapter, the

1 revised law omits the reference to "regulations" in
2 this context because under Section 311.005(5),
3 Government Code (Code Construction Act), a rule is
4 defined to include a regulation.

5 Revised Law

6 Sec. 8282.153. ROADS. (a) To the extent authorized by
7 Section 52, Article III, Texas Constitution, the district may
8 provide for the construction, maintenance, and operation of a
9 macadamized, graveled, or paved road or turnpike, or a work,
10 facility, or improvement in aid of a road or turnpike, inside or
11 outside the district's boundaries.

12 (b) Subject to compliance with Sections 8282.252(a) and
13 (b), the district may issue, sell, and deliver bonds, notes, or
14 other district obligations for a purpose described by Subsection
15 (a) and may impose taxes to pay the bonds.

16 (c) Without the city's consent and approval, the district
17 may not undertake to construct, maintain, operate, repair,
18 reconstruct, cross, or intersect any city street or road.

19 (d) Sections 49.181, 49.182, and 54.5161, Water Code, do not
20 apply to projects undertaken by the district under this section.

21 (Acts 69th Leg., R.S., Ch. 935, Secs. 8(b), 19(c) (part).)

22 Source Law

23 [Sec. 8]

24 (b) The district may provide for the
25 construction, maintenance, and operation of
26 macadamized, graveled, or paved roads and turnpikes,
27 or works, facilities, or improvements in aid of those
28 roads and turnpikes, inside or outside the boundaries
29 of the district, to the extent authorized by Article
30 III, Section 52, of the Texas Constitution. Subject to
31 compliance with Subsection (b), Section 19, of this
32 Act, the district may issue, sell, and deliver the
33 bonds, notes, or other obligations of the district for
34 those purposes and may assess, levy, and collect taxes
35 to pay the bonds. Without the consent and approval of
36 the city, the district may not undertake to construct,
37 maintain, operate, repair, reconstruct, cross, or
38 intersect any streets or roads of the city.

39 [Sec. 19]

40 (c) Sections 54.516, 54.5161, and 54.517, Water
41 Code, do not apply to projects undertaken by the
42 district pursuant to the authority of Subsection (b),
43 Section 8, of this Act or

1 Revisor's Note

2 Section 19(c), Chapter 935, Acts of the 69th
3 Legislature, Regular Session, 1985, refers to
4 "Sections 54.516, 54.5161, and 54.517, Water Code."
5 Chapter 715, Acts of the 74th Legislature, Regular
6 Session, 1995, repealed Sections 54.516 and 54.517,
7 Water Code, and enacted Sections 49.181 and 49.182,
8 Water Code, respectively, to govern matters previously
9 governed by the repealed sections. The revised law is
10 drafted accordingly.

11 Revised Law

12 Sec. 8282.154. IMPROVEMENT PROJECTS AND SERVICES. (a) The
13 board may undertake an improvement project or service that confers
14 a special benefit on all or a definable part of the district.

15 (b) The board may levy and collect special assessments on
16 property in the area described by Subsection (a), based on the
17 benefit conferred by the improvement project or service, to pay all
18 or part of the cost of the project or service.

19 (c) An improvement project or service provided by the
20 district may include the acquisition, construction, or financing of
21 water, wastewater, or drainage facilities, streets, sidewalks, or
22 roadways.

23 (d) Sections 375.113-375.124, Local Government Code, apply
24 to the financing of an improvement project or service under this
25 section. (Acts 69th Leg., R.S., Ch. 935, Sec. 20A.)

26 Source Law

27 Sec. 20A. (a) The board may undertake an
28 improvement project or service that confers a special
29 benefit on all or a definable part of the district.

30 (b) The board may levy and collect special
31 assessments on property in the area described by
32 Subsection (a) of this section, based on the benefit
33 conferred by the improvement project or service, to
34 pay all or part of the cost of the project or service.

35 (c) An improvement project or service provided
36 by the district may include the acquisition,
37 construction, or financing of water, wastewater, or
38 drainage facilities, streets, sidewalks, or roadways.

39 (d) Sections 375.113 through 375.124, Local
40 Government Code, apply to the financing of an
41 improvement project or service under this subsection.

1 Revised Law

2 Sec. 8282.155. FIRE DEPARTMENT. (a) The district may
3 establish, operate, and maintain a fire department to perform all
4 firefighting activities in the district and may issue bonds and
5 impose taxes to pay for the department and the activities, as
6 authorized by Section 59(f), Article XVI, Texas Constitution, and
7 Section 49.351, Water Code. For purposes of this chapter, a
8 reference in Section 49.351, Water Code, to the Texas Commission on
9 Environmental Quality or the executive director of the commission
10 means the city council of the city.

11 (b) The city has the superior right to provide the degree of
12 firefighting services the city considers to be in the city's best
13 interests. (Acts 69th Leg., R.S., Ch. 935, Sec. 8(c).)

14 Source Law

15 (c) The district may establish, operate, and
16 maintain a fire department to perform all
17 fire-fighting activities within the district and may
18 issue bonds and levy taxes to pay for the department
19 and the activities, as authorized by Article XVI,
20 Section 59(f), of the Texas Constitution and Section
21 50.055, Water Code. The references in Section 50.055,
22 Water Code, to the Texas Water Commission and the
23 executive director of the Texas Department of Water
24 Resources mean the city council of the city under this
25 Act. The city has the superior right to provide the
26 degree of fire-fighting services it considers to be in
27 the best interests of the city.

28 Revisor's Note

29 (1) Section 8(c), Chapter 935, Acts of the 69th
30 Legislature, Regular Session, 1985, refers to Section
31 50.055, Water Code. Chapter 715, Acts of the 74th
32 Legislature, Regular Session, 1995, repealed Section
33 50.055, Water Code, and enacted Section 49.351, Water
34 Code, to govern matters previously governed by the
35 repealed section. The revised law is drafted
36 accordingly.

37 (2) Section 8(c), Chapter 935, Acts of the 69th
38 Legislature, Regular Session, 1985, refers to the
39 "Texas Water Commission" and to the "executive
40 director of the Texas Department of Water Resources."

1 To reflect the current name of the agency with the
2 relevant regulatory authority, the revised law
3 substitutes "Texas Commission on Environmental
4 Quality" for "Texas Water Commission" and for "Texas
5 Department of Water Resources" and substitutes
6 "executive director of the Texas Commission on
7 Environmental Quality" for "executive director of the
8 Texas Department of Water Resources."

9 Revised Law

10 Sec. 8282.156. DISTRICT CONTRACTS. (a) Except as provided
11 by this section, a contract for the purchase or construction of
12 materials, machinery, or other things used to constitute the
13 district's works, improvements, facilities, plants, equipment, or
14 appliances must be advertised, let, and awarded as provided by
15 Section 49.273, Water Code.

16 (b) If the district determines, after a contract has been
17 awarded, that additional work is needed or that the character or
18 type of the work or facilities should be changed, the board may
19 authorize change orders to the contract on terms the board
20 approves, provided the change does not increase the total cost of
21 the contract by more than 25 percent.

22 (c) The district must seek informal competitive bids or
23 proposals from at least three bidders if:

24 (1) the estimated amount of a proposed construction
25 contract is more than \$5,000 but less than \$25,000; or

26 (2) the duration of a proposed construction contract
27 is more than two years.

28 (d) A contract must be written and awarded to the lowest and
29 best bidder. (Acts 69th Leg., R.S., Ch. 935, Sec. 22.)

30 Source Law

31 Sec. 22. (a) Contracts for the purchase or
32 construction of materials, machinery, and all things
33 to constitute the works, improvements, facilities,
34 plants, equipment, and appliances of the district
35 shall be advertised, let, and awarded as provided by
36 Section 54.220, Chapter 54, Water Code.

37 (b) After a contract has been awarded and the
38 district determines that additional work is needed or

1 that the character or type of the work or facilities
2 should be changed, the board may authorize change
3 orders to the contract on terms the board may approve,
4 provided the change does not increase the total cost of
5 the contract by more than 25 percent.

6 (c) If the estimated amount of a proposed
7 construction contract is more than \$5,000, but less
8 than \$25,000, or the duration of the contract is more
9 than two years, informal competitive bids or proposals
10 shall be asked from at least three bidders.

11 (d) Contracts shall be written and shall be
12 awarded to the lowest and best bidder.

13 Revisor's Note

14 Section 22(a), Chapter 935, Acts of the 69th
15 Legislature, Regular Session, 1985, refers to Section
16 54.220, Water Code. Chapter 715, Acts of the 74th
17 Legislature, Regular Session, 1995, repealed Section
18 54.220, Water Code, and enacted Section 49.273, Water
19 Code, to govern matters previously governed by the
20 repealed section. The revised law is drafted
21 accordingly.

22 Revised Law

23 Sec. 8282.157. GENERAL CONTRACTING AUTHORITY. (a) The
24 district may contract with the United States, this state or its
25 agencies, the city, any other public agency or entity, or an
26 individual, corporation, or other entity for the operation and
27 maintenance or the construction of any facility or improvement
28 authorized by this chapter.

29 (b) A contract that obligates the district to make payments
30 in whole or in part from ad valorem taxes, other than maintenance
31 taxes, is subject to approval at an election held under the same
32 procedures required for the issuance of bonds payable from ad
33 valorem taxes. (Acts 69th Leg., R.S., Ch. 935, Secs. 23(a), (c).)

34 Source Law

35 Sec. 23. (a) The district may enter into
36 contracts with the United States and its agencies, the
37 state and its agencies, the city, any other public
38 agency or entity, individuals or corporations, or any
39 other entity for the operation and maintenance or the
40 construction of any facility or improvement authorized
41 by this Act.

42 (c) Any contract obligating the district to make
43 payments in whole or in part from ad valorem taxes,
44 other than maintenance taxes, is subject to approval
45 at an election held under the same procedures required

1 for the issuance of bonds payable from ad valorem
2 taxes.

3 Revisor's Note

4 Section 23(a), Chapter 935, Acts of the 69th
5 Legislature, Regular Session, 1985, refers to "the
6 United States and its agencies." The revised law omits
7 "its agencies" because under Section 311.005(9),
8 Government Code (Code Construction Act), "United
9 States" is defined to include an agency of the United
10 States of America.

11 Revised Law

12 Sec. 8282.158. WATER AND SEWER CONTRACTS. (a) The district
13 and the city may enter into, execute, and perform contracts under
14 Section 552.014, Local Government Code, as they consider to be
15 appropriate and mutually advantageous.

16 (b) A contract under this section may provide for the
17 district's acquisition for the benefit of the city and the
18 district's conveyance to the city of, and the city's acceptance and
19 ownership of and payment for, all or any designated portion of any
20 of the works, facilities, improvements, equipment, appliances,
21 properties, and contract rights as provided by Section 552.014,
22 Local Government Code, that:

23 (1) the district is authorized under this chapter to
24 purchase, acquire, construct, own, or improve; and

25 (2) the city, under its home-rule charter or under
26 general law, would have been or may be authorized to purchase,
27 acquire, construct, own, or improve in its own name or behalf.
28 (Acts 69th Leg., R.S., Ch. 935, Sec. 24.)

29 Source Law

30 Sec. 24. The district and the city may enter
31 into, execute, perform, and carry out contracts they
32 may consider appropriate and mutually advantageous
33 under Chapter 224, Acts of the 56th Legislature,
34 Regular Session, 1959 (Article 1109j, Vernon's Texas
35 Civil Statutes). Those contracts may provide for the
36 district's acquisition for the benefit of the city and
37 the district's conveyance to the city of, and the
38 city's acceptance and ownership of and payment for, all
39 or any designated portions of any of the works,
40 facilities, improvements, equipment, appliances,
41 properties, and contract rights as provided by Chapter

1 224, Acts of the 56th Legislature, Regular Session,
2 1959 (Article 1109j, Vernon's Texas Civil Statutes),
3 which the district is authorized by this Act to
4 purchase, acquire, construct, own, or improve and
5 which the city, under its home-rule charter or under
6 the general law of this state, would have been or may
7 be authorized to purchase, acquire, construct, own, or
8 improve in its own name or behalf.

9 Revisor's Note

10 Section 24, Chapter 935, Acts of the 69th
11 Legislature, Regular Session, 1985, refers to Chapter
12 224, Acts of the 56th Legislature, Regular Session,
13 1959 (Article 1109j, Vernon's Texas Civil Statutes).
14 Article 1109j was codified in 1987 as Section 402.014,
15 Local Government Code. Section 402.014, Local
16 Government Code, was renumbered as Section 552.014,
17 Local Government Code, by Section 3.76(a)(2)(B),
18 Chapter 885, Acts of the 80th Legislature, Regular
19 Session, 2007. The revised law is drafted accordingly.

20 Revised Law

21 Sec. 8282.159. EMINENT DOMAIN. (a) The district may
22 exercise the power of eminent domain in the manner, with the
23 privileges, rights, and immunities, and subject to the conditions
24 and limitations provided by Sections 49.222 and 49.223, Water Code,
25 to acquire land, an easement, a right-of-way, or other property or
26 improvement that is or may be needed to carry out the district's
27 powers, purposes, and functions.

28 (b) Without the city's advance written consent and
29 approval, the district may not begin eminent domain proceedings for
30 a purpose described by Subsection (a).

31 (c) Without approval by city ordinance or resolution, the
32 district may not exercise the power of eminent domain to acquire any
33 land, easement, right-of-way, or other property or improvement
34 owned by the city or any city agency or instrumentality. (Acts 69th
35 Leg., R.S., Ch. 935, Sec. 8(d).)

36 Source Law

37 (d) The district may exercise the power of
38 eminent domain in the manner, with the privileges,
39 rights, and immunities, and subject to the conditions
40 and limitations provided by Sections 54.212 and

1 54.213, Water Code, to acquire land, easements,
2 rights-of-way, or other property or improvements that
3 are or may be needed to carry out the powers, purposes,
4 and functions of the district. However, without the
5 advance written consent and approval of the city, the
6 district may not commence eminent domain proceedings
7 for any of those purposes, and without approval by city
8 ordinance or resolution, the district may not exercise
9 the power of eminent domain for the purpose of
10 acquiring any land, easements, rights-of-way, or other
11 property or improvements owned by the city, or any
12 agency or instrumentality of the city.

13 Revisor's Note

14 Section 8(d), Chapter 935, Acts of the 69th
15 Legislature, Regular Session, 1985, refers to Sections
16 54.212 and 54.213, Water Code. Chapter 715, Acts of the
17 74th Legislature, Regular Session, 1995, repealed
18 Sections 54.212 and 54.213, Water Code, and enacted
19 Sections 49.222 and 49.223, Water Code, respectively,
20 to govern matters previously governed by the repealed
21 sections. The revised law is drafted accordingly.

22 Revised Law

23 Sec. 8282.160. PROVISION OF WATER AND SEWER SERVICES BY
24 CITY. (a) Notwithstanding Section 8282.157(a), to the extent that
25 the city considers practical, the city may provide water supply and
26 sewer services to residential retail customers in the district and
27 may provide water supply and wastewater treatment services to the
28 district, under a mutually agreeable contract or otherwise.

29 (b) The district is responsible for an off-site extension
30 that is required to provide water supply and sewer service. (Acts
31 69th Leg., R.S., Ch. 935, Sec. 23(b).)

32 Source Law

33 (b) Notwithstanding Subsection (a) of this
34 section, to the extent that the city considers it
35 practical to do so, the city may provide water supply
36 and sewer services to residential retail customers in
37 the district and may provide water supply and
38 wastewater treatment services to the district,
39 pursuant to mutually agreeable contracts or otherwise.
40 The district is responsible for an off-site extension
41 that is required to provide water supply and sewer
42 service.

43 Revised Law

44 Sec. 8282.161. REGULATORY AUTHORITY. (a) With respect to
45 district property, the district has the regulatory and police power

1 provided by Chapters 49 and 54, Water Code, except as limited by
2 this section.

3 (b) Except with respect to any rules relating to the
4 operation, use, or occupancy of the lakes, reservoirs, levees,
5 channels, drains, dams, and contiguous or adjacent facilities
6 constructed or to be constructed and owned or controlled by the
7 district, the board may not adopt a rule that includes a penal
8 provision to be enforced by a district peace officer unless the city
9 has approved the adoption of the rule. The proposed rule must be
10 presented to the city for the city's review and approval at least 30
11 days before the rule's effective date.

12 (c) The district may not adopt a penal rule that conflicts
13 or is inconsistent with any ordinance of general applicability in
14 the city.

15 (d) The district may not adopt or enforce a rule relating to
16 the city's streets or roads. (Acts 69th Leg., R.S., Ch. 935, Secs.
17 26(a), (b), (c), (d); New.)

18 Source Law

19 Sec. 26. (a) With respect to the property of
20 the district, the district has the regulatory and
21 police power provided by Chapter 54, Water Code, with
22 the following limitations provided by Subsections
23 (b)-(d) of this section.

24 (b) Except with respect to any rules and
25 regulations relating to the operation, use, or
26 occupancy of the lakes, reservoirs, levees, channels,
27 drains, dams, and contiguous or adjacent facilities
28 constructed or to be constructed and owned or
29 controlled by the district, a rule or regulation of the
30 district that includes a penal provision to be
31 enforced by a peace officer of the district must be
32 approved by the city as a condition precedent to its
33 adoption and must be submitted to the city for its
34 review and approval at least 30 days before its
35 effective date.

36 (c) The district may not adopt penal rules or
37 regulations that conflict or are inconsistent with any
38 ordinance of general application in the city.

39 (d) The district may not adopt or enforce a rule
40 or regulation relating to the city's streets or roads.

41 Revisor's Note

42 Section 26(a), Chapter 935, Acts of the 69th
43 Legislature, Regular Session, 1985, refers to
44 "regulatory and police power provided by Chapter 54,
45 Water Code." Chapter 715, Acts of the 74th

1 Legislature, Regular Session, 1995, repealed some of
2 the relevant provisions of Chapter 54, Water Code, and
3 enacted Chapter 49, Water Code, which also governs the
4 regulatory and police power of the district. For the
5 reader's convenience, the revised law includes a
6 reference to Chapter 49, Water Code.

7 Revised Law

8 Sec. 8282.162. POLICE PROTECTION. Except for providing for
9 the security of lakes, reservoirs, levees, channels, drains, dams,
10 and contiguous and adjacent facilities, excluding parks and streets
11 owned or controlled by the district, the district may not provide
12 peace officers or have responsibility for police protection in the
13 city's corporate limits. That function is a responsibility of the
14 city. (Acts 69th Leg., R.S., Ch. 935, Sec. 26(e).)

15 Source Law

16 (e) Except for the security of lakes,
17 reservoirs, levees, channels, drains, dams, and
18 contiguous and adjacent facilities, excluding parks
19 and streets owned or controlled by the district, the
20 district may not provide peace officers or have
21 responsibility for police protection within the city's
22 corporate limits, but this function is a
23 responsibility of the city.

24 Revised Law

25 Sec. 8282.163. DISTRICT ELECTIONS. (a) The board shall
26 order each election the district is required to hold.

27 (b) Notice of a district election must be published once a
28 week for two consecutive weeks in a newspaper with general
29 circulation in the city, with the first publication occurring at
30 least 14 days before the date of the election.

31 (c) A district election held for any purpose may be held
32 separately or at the same time as an election for another purpose
33 including a director or maintenance tax election that may be held on
34 the same day as a bond election or another election. An election
35 held at the same time as an election for another purpose may be
36 called by the board in a single election order, and the results may
37 be canvassed in a single order. (Acts 69th Leg., R.S., Ch. 935,
38 Secs. 16(a), (c), (d).)

1 Source Law

2 Sec. 16. (a) Elections required to be held by
3 the district shall be called and the results canvassed
4 by the board.

5 (c) Notice of district elections shall be given
6 by publication in a newspaper with general circulation
7 in the city once a week for two consecutive weeks, with
8 the first publication occurring at least 14 days
9 before the date of the election.

10 (d) An election held by the district for any
11 purpose may be held separately or may be held at the
12 same time as elections for other purposes including
13 any confirmation, director, or maintenance tax
14 election that may be held on the same day as a bond
15 election or any other election. An election held at
16 the same time as elections for other purposes may be
17 called by the board in a single election order and the
18 results canvassed in a single order.

19 Revisor's Note

20 (1) Section 16(a), Chapter 935, Acts of the 69th
21 Legislature, Regular Session, 1985, provides that a
22 district election "shall be called" by the board. The
23 revised law substitutes "shall order" for "shall be
24 called" because "order" is the term used in Chapter 3,
25 Election Code.

26 (2) Section 16(a), Chapter 935, Acts of the 69th
27 Legislature, Regular Session, 1985, provides that the
28 board shall canvass the results of a district
29 election. The revised law omits that provision
30 because it duplicates Section 67.002, Election Code,
31 which requires the governing body of a political
32 subdivision that orders an election to canvass the
33 returns.

34 (3) Section 16(b), Chapter 935, Acts of the 69th
35 Legislature, Regular Session, 1985, provides that
36 "[u]nless otherwise provided by this Act," district
37 elections "shall be held in accordance with the Texas
38 Election Code." The revised law omits the quoted
39 language because Section 1.002, Election Code,
40 provides that the Election Code applies to all
41 elections held in this state. An exception to the
42 application of the Election Code would apply by its own

1 terms. The omitted law reads:

2 (b) Unless otherwise provided by this
3 Act, elections shall be held in accordance
4 with the Texas Election Code.

5 (4) Section 16(d), Chapter 935, Acts of the 69th
6 Legislature, Regular Session, 1985, refers to a
7 "confirmation" election. Because the confirmation
8 election occurred in 1985, the revised law omits the
9 reference as executed.

10 Revised Law

11 Sec. 8282.164. APPLICABILITY OF CITY ORDINANCES, CODES,
12 RESOLUTIONS, AND RULES. Except as expressly provided, this chapter
13 does not exempt the district from the terms of any applicable
14 ordinances, codes, resolutions, or rules of the city. (Acts 69th
15 Leg., R.S., Ch. 935, Sec. 27 (part).)

16 Source Law

17 Sec. 27. Except as expressly provided, this Act
18 does not exempt the district . . . or from the terms
19 and provisions of any applicable ordinances, codes,
20 resolutions, rules, or regulations of the city.

21 Revisor's Note

22 (1) Section 27, Chapter 935, Acts of the 69th
23 Legislature, Regular Session, 1985, provides that the
24 district is not exempt from the continuing right of
25 supervision of the state, acting through the Texas
26 Department of Water Resources. The revised law omits
27 the provision because, as explained by Revisor's Note
28 (2) to Section 8282.155, the Texas Commission on
29 Environmental Quality is the successor to the Texas
30 Department of Water Resources, and therefore the
31 provision duplicates, in substance, part of Section
32 12.081, Water Code, which applies to the district. The
33 omitted law reads:

34 Sec. 27. . . . [this Act does not
35 exempt the district] from the continuing
36 right of supervision of the state to be
37 exercised by and through the Texas
38 Department of Water Resources

39 (2) Section 27, Chapter 935, Acts of the 69th

1 Legislature, Regular Session, 1985, refers to the
2 "terms and provisions" of city ordinances, codes,
3 resolutions, rules, or regulations. The revised law
4 omits the reference to "provisions" because
5 "provisions" is included in the meaning of "terms."

6 [Sections 8282.165-8282.200 reserved for expansion]

7 SUBCHAPTER E. GENERAL FINANCIAL PROVISIONS

8 Revised Law

9 Sec. 8282.201. GENERAL FINANCIAL POWERS. The board may:

10 (1) spend and borrow money;

11 (2) issue bond anticipation notes and tax anticipation
12 notes;

13 (3) impose maintenance taxes; and

14 (4) carry out all acts and exercise all powers
15 provided by Subchapter E, Chapter 49, Water Code. (Acts 69th Leg.,
16 R.S., Ch. 935, Sec. 18.)

17 Source Law

18 Sec. 18. The board may expend funds, borrow
19 money, issue bond anticipation notes and tax
20 anticipation notes, levy and collect maintenance
21 taxes, and carry out all acts and exercise all powers
22 provided by Subchapter E, Chapter 54, Water Code.

23 Revisor's Note

24 (1) Section 18, Chapter 935, Acts of the 69th
25 Legislature, Regular Session, 1985, refers to the
26 district's authority to expend "funds." Throughout
27 this chapter, the revised law substitutes "money" for
28 "funds" (except where a specific type of fund is
29 indicated) because, in context, the meaning is the
30 same and "money" is the more commonly used term.

31 (2) Section 18, Chapter 935, Acts of the 69th
32 Legislature, Regular Session, 1985, refers to "powers
33 provided by Subchapter E, Chapter 54, Water Code."
34 Chapter 715, Acts of the 74th Legislature, Regular
35 Session, 1995, repealed Subchapter E, Chapter 54,
36 Water Code, and enacted Subchapter E, Chapter 49,

1 Water Code, to govern matters previously governed by
2 the repealed sections. The revised law is drafted
3 accordingly.

4 Revised Law

5 Sec. 8282.202. TAX METHOD. (a) The district shall use the
6 ad valorem plan of taxation.

7 (b) Subchapter G, Chapter 54, Water Code, applies to all
8 matters relating to the imposition of district taxes. (Acts 69th
9 Leg., R.S., Ch. 935, Sec. 21.)

10 Source Law

11 Sec. 21. The ad valorem plan of taxation shall
12 be used by the district, and Subchapter G, Chapter 54,
13 Water Code, and the Property Tax Code apply to all
14 matters relating to the levy, assessment, and
15 collection of both current and delinquent taxes of the
16 district.

17 Revisor's Note

18 Section 21, Chapter 935, Acts of the 69th
19 Legislature, Regular Session, 1985, provides that "the
20 Property Tax Code" applies to the levy, assessment,
21 and collection of "both current and delinquent taxes
22 of the district." The revised law omits the reference
23 to the Property Tax Code because that code (Title 1,
24 Tax Code) applies to the district under Section 1.02,
25 Tax Code. The revised law omits the reference to
26 "current and delinquent taxes" because taxes that have
27 been assessed and levied are either current or
28 delinquent, and the reference does not add to the clear
29 meaning of the law.

30 Revised Law

31 Sec. 8282.203. TAX COLLECTOR. (a) The board shall appoint
32 a person as tax collector for the district and may appoint deputies
33 considered necessary.

34 (b) Each person appointed under this section shall qualify
35 by executing a bond in the amount of \$10,000 payable to the
36 district, approved by the board, and conditioned on the faithful
37 performance of the person's duties.

1 (c) The board shall set the compensation for the tax
2 collector and any deputy tax collector. (Acts 69th Leg., R.S., Ch.
3 935, Sec. 14.)

4 Source Law

5 Sec. 14. (a) The board shall appoint a person
6 as tax collector for the district and may appoint
7 deputies considered necessary.

8 (b) Each person appointed shall qualify by
9 executing a bond in the amount of \$10,000 payable to
10 the district, approved by the board, and conditioned
11 on the faithful performance of his duties.

12 (c) Compensation for the tax collector and his
13 deputies shall be set by the board.

14 Revised Law

15 Sec. 8282.204. USE OF MAINTENANCE TAX. (a) The board may
16 use and pledge the proceeds received from all or any designated
17 portion of the district's maintenance taxes for any lawful purpose,
18 other than the payment of the principal of or interest on bonds.
19 Bonds must be paid from taxes imposed separately to the extent that
20 those bonds are required to be paid from taxes.

21 (b) The district may not use maintenance taxes for the
22 purpose of maintaining, repairing, operating, or improving any of
23 the works, facilities, and improvements described by Section
24 8282.153 until the district has complied with Sections 8282.252(a)
25 and (b). (Acts 69th Leg., R.S., Ch. 935, Sec. 20.)

26 Source Law

27 Sec. 20. The board may use and pledge the
28 proceeds received from all or any designated portion
29 of the district's maintenance taxes for any lawful
30 purpose, other than the payment of the principal of or
31 interest on bonds. The bonds shall be paid from taxes
32 levied separately to the extent that those bonds are
33 required to be paid from taxes. Also, maintenance
34 taxes may not be used for the purpose of maintaining,
35 repairing, operating, or improving any of the works,
36 facilities, and improvements described by Subsection
37 (b), Section 8, of this Act until the district has
38 complied with Subsection (b), Section 19, of this Act.

39 Revised Law

40 Sec. 8282.205. DEPOSIT AND SECURITY OF DISTRICT MONEY. (a)
41 The district's treasurer shall have district money deposited and
42 invested in the district's depository bank or other banks or
43 savings associations selected by the district's authorized
44 investment officers.

1 (b) To the extent that deposited or invested money is not
2 insured by the Federal Deposit Insurance Corporation, the money
3 must be secured in the manner provided by law for the security of
4 county funds. (Acts 69th Leg., R.S., Ch. 935, Secs. 15(a), (b).)

5 Source Law

6 Sec. 15. (a) The treasurer of the district
7 shall have funds of the district deposited, invested,
8 and reinvested in the district's depository bank or
9 other banks or savings associations selected by the
10 authorized investment officers of the district.

11 (b) To the extent that deposited or invested
12 funds of the district are not insured by the Federal
13 Deposit Insurance Corporation or the Federal Savings
14 and Loan Insurance Corporation, the funds shall be
15 secured in the manner provided by law for the security
16 of funds of counties of this state.

17 Revisor's Note

18 (1) Section 15(a), Chapter 935, Acts of the 69th
19 Legislature, Regular Session, 1985, refers to the
20 investment and reinvestment of a district deposit.
21 Throughout this chapter, references to "reinvestment"
22 are omitted from the revised law because
23 "reinvestment" in this context is included in the
24 meaning of "investment."

25 (2) Section 15(b), Chapter 935, Acts of the 69th
26 Legislature, Regular Session, 1985, refers to the
27 "Federal Savings and Loan Insurance Corporation." The
28 Financial Institutions Reform, Recovery, and
29 Enforcement Act of 1989 (Pub. L. No. 101-73) abolished
30 the Federal Savings and Loan Insurance Corporation and
31 provided for the insurance of the deposits of savings
32 and loan associations by the Federal Deposit Insurance
33 Corporation. The revised law is drafted accordingly.

34 Revised Law

35 Sec. 8282.206. INVESTMENT OF DISTRICT MONEY. At the
36 direction of the board or any other authorized district
37 representative or investment officer, district money may be
38 invested in direct or indirect obligations of the United States,
39 the state, or any political subdivision of the state, or may be

1 placed in certificates of deposit of state or national banks or
2 savings and loan associations in this state, if that money is
3 secured in the manner provided for the security of county funds.
4 (Acts 69th Leg., R.S., Ch. 935, Sec. 15(c).)

5 Source Law

6 (c) Funds of the district also may be invested
7 and reinvested at the direction of the board or any
8 other authorized representative or investment officer
9 of the district in direct or indirect obligations of
10 the United States, the state, or any county, city,
11 school district, or other political subdivision of the
12 state, or may be placed in certificates of deposit of
13 state or national banks or savings and loan
14 associations within the state, if those funds are
15 secured in the manner provided for the security of
16 funds of counties of this state.

17 Revisor's Note

18 Section 15(c), Chapter 935, Acts of the 69th
19 Legislature, Regular Session, 1985, refers to "any
20 county, city, school district, or other political
21 subdivision of the state." The revised law omits
22 "county," "city," and "school district" because those
23 terms are included in the meaning of "political
24 subdivision of the state."

25 [Sections 8282.207-8282.250 reserved for expansion]

26 SUBCHAPTER F. BONDS

27 Revised Law

28 Sec. 8282.251. AUTHORITY TO ISSUE BONDS. The board may
29 issue bonds as provided by general law, including Sections
30 54.501-54.515 and 54.518-54.521, Water Code. (Acts 69th Leg.,
31 R.S., Ch. 935, Sec. 19(a).)

32 Source Law

33 Sec. 19. (a) The board may issue bonds as
34 provided by Sections 54.501-54.515, and Sections
35 54.518-54.521, Water Code, and the general law of this
36 state.

37 Revised Law

38 Sec. 8282.252. AUTHORITY TO ISSUE BONDS FOR ROADS AND
39 TURNPIKES. (a) The district may not issue bonds for a purpose
40 described by Section 8282.153 unless the bonds are approved by a
41 vote of a two-thirds majority of the voters voting in the district

1 or the territory to be affected by the bonds.

2 (b) Bonds, notes, or other district obligations issued or
3 incurred for a purpose described by Section 8282.153 may not exceed
4 one-fourth of the assessed valuation of the real property of the
5 district or the territory to be affected by the bonds.

6 (c) Sections 49.181, 49.182, and 54.5161, Water Code, do not
7 apply to bonds issued by the district as provided by this section.
8 (Acts 69th Leg., R.S., Ch. 935, Secs. 19(b), (c) (part).)

9 Source Law

10 (b) Bonds for the purposes described in
11 Subsection (b), Section 8, of this Act may not be
12 issued by the district except on a vote of a two-thirds
13 majority of the resident property taxpayers voting who
14 are qualified voters of the district or the territory
15 to be affected by the bonds. Bonds, notes, or other
16 obligations of the district issued or incurred for the
17 purposes described in Subsection (b), Section 8, of
18 this Act may not exceed one-fourth of the assessed
19 valuation of the real property of such district or
20 territory.

21 (c) Sections 54.516, 54.5161, and 54.517, Water
22 Code, do not apply . . . to bonds issued by the
23 district under the authority of Subsection (b) of this
24 section.

25 Revisor's Note

26 (1) Section 19(b), Chapter 935, Acts of the 69th
27 Legislature, Regular Session, 1985, provides that
28 certain district bonds must be approved by a
29 two-thirds majority vote of "the resident property
30 taxpayers voting who are qualified voters of the
31 district or the territory to be affected by the bonds."
32 The revised law omits the references to "resident" and
33 "qualified" because Section 11.001, Election Code,
34 provides that to be eligible to vote in an election, a
35 person must be a qualified voter as defined by Section
36 11.002, Election Code, and be a resident of the
37 territory covered by the election. The revised law
38 omits "property taxpayers" because under Section
39 52(b), Article III, and Section 3a, Article VI, Texas
40 Constitution, a qualified voter may vote without
41 regard to the person's status as a taxpayer.

1 (2) Section 19(c), Chapter 935, Acts of the 69th
2 Legislature, Regular Session, 1985, refers to
3 "Sections 54.516, 54.5161, and 54.517, Water Code."
4 The revised law substitutes references to Sections
5 49.181 and 49.182, Water Code, for Sections 54.516 and
6 54.517, Water Code, respectively, for the reason
7 stated in the revisor's note to Section 8282.153.

8 Revised Law

9 Sec. 8282.253. AUTHORITY TO ISSUE BONDS FOR IMPROVEMENT
10 PROJECTS OR SERVICES. (a) To pay all or part of the costs of an
11 improvement project or service under Section 8282.154, the board
12 may issue bonds in one or more series payable from and secured by ad
13 valorem taxes, assessments, impact fees, revenues, grants, gifts,
14 contracts, or leases or any combination of those sources of money.

15 (b) Bonds issued under this section may be liens on all or
16 part of the revenue derived from improvements authorized under
17 Section 8282.154, including installment payments of special
18 assessments or from any other source pledged to their payment.

19 (c) Sections 375.202-375.206, Local Government Code, apply
20 to bonds issued under this section. (Acts 69th Leg., R.S., Ch. 935,
21 Secs. 19(d), (e).)

22 Source Law

23 (d) For the payment of all or part of the costs
24 of an improvement project or services under Section
25 20A of this Act, the board may issue bonds in one or
26 more series payable from and secured by ad valorem
27 taxes, assessments, impact fees, revenues, grants,
28 gifts, contracts, or leases or any combination of
29 those funds. Bonds may be liens on all or part of the
30 revenue derived from improvements authorized under
31 Section 20A of this Act, including installment
32 payments of special assessments or from any other
33 source pledged to their payment.

34 (e) Sections 375.202 through 375.206, Local
35 Government Code, apply to bonds issued under
36 Subsection (d) of this section.

37 Revised Law

38 Sec. 8282.254. OBLIGATIONS. (a) In this section,
39 "obligation" means a bond, note, lease-purchase agreement, or
40 installment sale obligation of the district.

41 (b) The principal amount of the district's obligations that

1 are payable from assessments imposed by the district may be in an
2 amount that does not exceed the aggregate appraised value of the
3 property in the district, as established by an independent
4 appraisal by a member of the Appraisal Institute.

5 (c) The appraised value of the property in the district
6 established for ad valorem tax purposes does not limit the
7 principal amount of the obligations that may be issued by the
8 district under Subsection (b).

9 (d) The city is not required to pay the principal of and
10 interest on an obligation issued by the district. (Acts 69th Leg.,
11 R.S., Ch. 935, Sec. 19A.)

12 Source Law

13 Sec. 19A. (a) The principal amount of the
14 district's obligations that are payable from
15 assessments imposed by the district may be in an amount
16 that does not exceed the aggregate appraised value of
17 the property in the district, as established by an
18 independent appraisal by a member of the Appraisal
19 Institute.

20 (b) The appraised value of the property in the
21 district established for ad valorem tax purposes may
22 not be considered a limitation on the principal amount
23 of the obligations that may be issued by the district
24 under Subsection (a) of this section.

25 (c) The city is not required to pay the
26 principal of and interest on an obligation issued by
27 the district.

28 (d) In this section, "obligation" means a bond,
29 note, lease-purchase agreement, or installment sale
30 obligation of the district.

31 Revisor's Note
32 (End of Chapter)

33 Section 28, Chapter 935, Acts of the 69th
34 Legislature, Regular Session, 1985, provides that the
35 requirements of Sections 59(d) and (e), Article XVI,
36 Texas Constitution (requiring public notice of the
37 enactment of the statute and compliance with the
38 general laws then in effect relating to consent by
39 political subdivisions to the creation of the district
40 and to the inclusion of land in the district), have
41 been accomplished. Section 7, Chapter 1213, Acts of
42 the 75th Legislature, Regular Session, 1997, contains
43 similar findings relating to the performance of the

1 requirements under the constitution in enacting that
2 chapter. The revised law omits those provisions as
3 executed. The omitted law reads:

4 [Acts 69th Leg., R.S., Ch. 935]

5 Sec. 28. The legislature
6 specifically finds and declares that the
7 requirements of Article XVI, Section 59(d)
8 and Section 59(e), of the Texas
9 Constitution, to the extent applicable,
10 have been met and accomplished in due
11 course, time, and order, that all persons
12 and officials required to be notified
13 pursuant thereto have been properly and
14 timely notified, that all approvals
15 required to be obtained pursuant thereto
16 have been obtained, and that the
17 legislature has the authority and power to
18 enact this Act.

19 [Acts 75th Leg., R.S., Ch. 1213]

20 Sec. 7. (a) The proper and legal
21 notice of the intention to introduce this
22 Act, setting forth the general substance of
23 this Act, has been published as provided by
24 law, and the notice and a copy of this Act
25 have been furnished to all persons,
26 agencies, officials, or entities to which
27 they are required to be furnished by the
28 constitution and other laws of this state,
29 including the governor, who has submitted
30 the notice and Act to the Texas Natural
31 Resource Conservation Commission.

32 (b) The Texas Natural Resource
33 Conservation Commission has filed its
34 recommendations relating to this Act with
35 the governor, lieutenant governor, and
36 speaker of the house of representatives
37 within the required time.

38 (c) All requirements of the
39 constitution and laws of this state and the
40 rules and procedures of the legislature
41 with respect to the notice, introduction,
42 and passage of this Act are fulfilled and
43 accomplished.

31		SUBCHAPTER A. GENERAL PROVISIONS	
32		<u>Revised Law</u>	
33	Sec. 8283.001.	DEFINITIONS. In this chapter:	
34	(1)	"Board" means the board of directors of the	

1 authority.

2 (2) "Director" means a member of the board.

3 (3) "Authority" means the Greater Texoma Utility
4 Authority. (Acts 66th Leg., R.S., Ch. 97, Sec. 1 (part); New.)

5 Source Law

6 Sec. 1. . . . [a . . . district] . . . to be
7 known as Greater Texoma Utility Authority, hereinafter
8 called the "district,"

9 Revisor's Note

10 (1) The definitions of "board" and "director"
11 are added to the revised law for drafting convenience
12 and to eliminate frequent, unnecessary repetition of
13 the substance of the definitions.

14 (2) For the convenience of the reader,
15 throughout this chapter the revised law uses the term
16 "authority" and not "district" to reflect the name of
17 the Greater Texoma Utility Authority.

18 Revised Law

19 Sec. 8283.002. NATURE OF AUTHORITY. (a) The authority is a
20 conservation and reclamation district created under Section 59,
21 Article XVI, Texas Constitution.

22 (b) The authority is a political subdivision of this state.
23 (Acts 66th Leg., R.S., Ch. 97, Sec. 1 (part).)

24 Source Law

25 Sec. 1. Under the provisions of Article XVI,
26 Section 59, of the Texas Constitution, a conservation
27 and reclamation district is created in Grayson County,
28 Texas, . . . which shall be a governmental agency, a
29 political subdivision of the state, and a body politic
30 and corporate. . . .

31 Revisor's Note

32 (1) Section 1, Chapter 97, Acts of the 66th
33 Legislature, Regular Session, 1979, provides that the
34 authority was created "in Grayson County." The
35 revised law omits the quoted language because it was
36 included in the law being revised only as a convenience
37 to the reader. At the time of its creation, the
38 authority was composed of the territory included in

1 the corporate boundaries of the cities of Denison and
2 Sherman, and those cities are located in Grayson
3 County. See Section 2(a), Chapter 97, Acts of the 66th
4 Legislature, Regular Session, 1979, revised as Section
5 8283.051 of this chapter, and Revisor's Note (2) to
6 that section, which references the power to change the
7 authority's territory.

8 (2) Section 1, Chapter 97, Acts of the 66th
9 Legislature, Regular Session, 1979, refers to the
10 authority as "a governmental agency" and "a body
11 politic and corporate." The revised law omits those
12 references because they duplicate a portion of Section
13 59(b), Article XVI, Texas Constitution, which provides
14 that a conservation and reclamation district is a
15 governmental agency and a body politic and corporate.

16 Revised Law

17 Sec. 8283.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
18 The authority is created to serve a public use and benefit.

19 (b) All land and other property included in the boundaries
20 of the authority will benefit from the works and projects
21 accomplished by the authority under the powers conferred by Section
22 59, Article XVI, Texas Constitution.

23 (c) The creation of the authority is essential to accomplish
24 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
25 66th Leg., R.S., Ch. 97, Secs. 1 (part), 2(f).)

26 Source Law

27 Sec. 1. . . . The creation of the district is
28 declared to be essential to the accomplishment of the
29 purposes of Article XVI, Section 59, of the Texas
30 Constitution.

31 [Sec. 2]

32 (f) It is determined and found that all of the
33 land and other property included within the area and
34 boundaries of the district on creation and later
35 annexed in accordance with this Act will be benefited
36 by the works and projects that are to be accomplished
37 by the district pursuant to the powers conferred by the
38 provisions of Article XVI, Section 59, of the Texas
39 Constitution, and that the district is created to
40 serve a public use and benefit.

1 Revisor's Note

2 (1) Section 2(f), Chapter 97, Acts of the 66th
3 Legislature, Regular Session, 1979, refers to land and
4 other property included in the "area and boundaries of
5 the district." The revised law omits the reference to
6 "area" because, in context, "area" is included in the
7 meaning of "boundaries."

8 (2) Section 2(f), Chapter 97, Acts of the 66th
9 Legislature, Regular Session, 1979, refers to land and
10 other property included in the authority "on creation
11 and later annexed in accordance with this Act." The
12 revised law omits the quoted language as unnecessary.
13 The effect of the quoted language is to describe all
14 land and other property included in the authority's
15 boundaries at any given time, regardless of whether
16 the land or other property was included in the
17 authority's initial boundaries at the time the
18 authority was created. The revised law is sufficient
19 to achieve that result.

20 [Sections 8283.004-8283.050 reserved for expansion]

21 SUBCHAPTER B. AUTHORITY TERRITORY; ANNEXATION

22 Revised Law

23 Sec. 8283.051. AUTHORITY TERRITORY. The authority is
24 composed of the territory that was included in the corporate
25 boundaries of the cities of Denison and Sherman on May 2, 1979, as
26 that territory may have been modified under:

27 (1) Section 2 or 4, Chapter 97, Acts of the 66th
28 Legislature, Regular Session, 1979;

29 (2) Subchapter H, Chapter 54, Water Code;

30 (3) Subchapter J, Chapter 49, Water Code; or

31 (4) other law. (Acts 66th Leg., R.S., Ch. 97, Sec.
32 2(a); New.)

33 Source Law

34 Sec. 2. (a) Initially, the district shall
35 comprise all of the territory that is contained within

1 the corporate boundaries of the cities of Denison and
2 Sherman, Texas, on the effective date of this Act.

3 Revisor's Note

4 (1) Section 2(a), Chapter 97, Acts of the 66th
5 Legislature, Regular Session, 1979, refers to the
6 corporate boundaries of the cities of Denison and
7 Sherman "on the effective date of this Act." Chapter
8 97 took effect on May 2, 1979, and the revised law is
9 drafted accordingly.

10 (2) For the reader's convenience, the revised
11 law adds a reference to the power to change the
12 authority's territory, including: (1) Subchapter H,
13 Chapter 54, Water Code, applicable to the authority
14 under Section 54.001 of that chapter; (2) Subchapter
15 J, Chapter 49, Water Code, applicable to the authority
16 under Sections 49.001 and 49.002 of that chapter; and
17 (3) Section 2 or 4, Chapter 97, Acts of the 66th
18 Legislature, Regular Session, 1979. The revised law
19 also includes a reference to the general authority of
20 the legislature to enact other laws to change the
21 authority's territory.

22 Revised Law

23 Sec. 8283.052. ANNEXATION. (a) The authority may annex
24 territory only as specified by this section.

25 (b) A municipality, by resolution or ordinance adopted by
26 its governing body, may request that the territory then included in
27 its corporate limits be annexed to the authority. On receipt of the
28 request, the board shall proceed in the manner provided by
29 Subsections (d) and (e).

30 (c) Territory that is annexed to a municipality after May 2,
31 1979, or after annexation of the municipality to the authority may
32 be annexed to the authority if the board determines the annexation
33 should be considered and proceeds in the manner provided by
34 Subsections (d) and (e).

35 (d) Under the circumstances described by this section, the

1 board shall call and hold a public hearing to determine if the
2 territory should be annexed. Notice of the hearing must be
3 published at least:

4 (1) once in a newspaper of general circulation in the
5 area of the authority and the territory proposed to be annexed; and

6 (2) 10 days before the date set for the hearing.

7 (e) If at the conclusion of the hearing the board finds that
8 the annexation would be in the best interest of the territory to be
9 annexed, the area in the authority, and the inhabitants of both, it
10 shall enter an order to that effect. The order finally annexes the
11 territory to the authority.

12 (f) An action to review the annexation of territory to the
13 authority may be brought in a district court in the county where the
14 principal office of the authority is located. An annexation may be
15 set aside for fraud or abuse of discretion. (Acts 66th Leg., R.S.,
16 Ch. 97, Secs. 2(b), (c), (d), (e).)

17 Source Law

18 (b) An incorporated city, town, or village, by
19 resolution or ordinance adopted by its governing body,
20 may request that all of the territory then included
21 within its corporate limits be annexed to and become a
22 part of the district. On the receipt of this request,
23 the board shall proceed in the manner provided by
24 Subsection (d) of this section.

25 (c) An area that is annexed to an incorporated
26 city, town, or village, after the effective date of
27 this Act or after annexation of a city, town, or
28 village to the district, may be annexed to the district
29 if the board of directors determines the annexation
30 should be considered and proceeds in the manner
31 provided by Subsection (d) of this section.

32 (d) Under the circumstances described in this
33 section, the board shall call and hold a public hearing
34 to determine if territory should be annexed. Notice of
35 the hearing shall be published at least once in a
36 newspaper of general circulation in the area of the
37 district and the area proposed to be annexed, such
38 publication to be at least 10 days before the date set
39 for the hearing. If the board finds that the
40 annexation would be in the best interest of the area to
41 be annexed and the area within the district and the
42 inhabitants of both areas, it shall enter an order to
43 that effect. The order of the board entered at the
44 conclusion of the public hearing shall also finally
45 annex the territory to the district. Action to review
46 the annexation of territory to the district may be
47 brought in a district court in the county where the
48 principal office of the district is located, and an
49 annexation may be set aside for fraud or abuse of
50 discretion. Sections 54.721 and 54.727 of the Water
51 Code are applicable to all annexations.

1 (e) Territory may be annexed to the district
2 only as specified in this section.

3 Revisor's Note

4 (1) Sections 2(b) and (c), Chapter 97, Acts of
5 the 66th Legislature, Regular Session, 1979, refer to
6 an "incorporated city, town, or village." Throughout
7 this chapter, the revised law substitutes
8 "municipality" for "city," "town," or "village"
9 because the meaning of "municipality" includes cities,
10 towns, and villages and because that is the term used
11 in the Local Government Code. The revised law omits
12 "incorporated" because under the Local Government Code
13 all municipalities must be incorporated.

14 (2) Section 2(d), Chapter 97, Acts of the 66th
15 Legislature, Regular Session, 1979, provides that
16 "Sections 54.721 and 54.727 of the Water Code are
17 applicable to all annexations." The revised law omits
18 the reference to those sections because they were
19 repealed by Chapter 715, Acts of the 74th Legislature,
20 Regular Session, 1995.

21 Revisor's Note
22 (End of Subchapter)

23 Section 4(a), Chapter 97, Acts of the 66th
24 Legislature, Regular Session, 1979, provides that, to
25 exclude land or other property, the authority shall
26 use the procedures prescribed in Sections 54.701
27 through 54.710, Water Code. The revised law omits that
28 provision as unnecessary. Chapter 715, Acts of the
29 74th Legislature, Regular Session, 1995, repealed
30 those provisions and enacted Subchapter J, Chapter 49,
31 Water Code, to govern the exclusion of land from a
32 municipal utility district and certain other
33 districts. An express reference to Subchapter J,
34 Chapter 49, Water Code, is unnecessary because that
35 subchapter and the other provisions of Chapter 49
36 apply to the authority under Sections 49.001 and

1 49.002 of that chapter. Throughout this chapter, the
2 revised law omits law that is superseded by Chapter 49,
3 Water Code, or that duplicates law contained in that
4 chapter. The omitted law reads:

5 Sec. 4. (a) With respect to the
6 exclusion of land or other property, the
7 district shall follow the procedures
8 prescribed in Sections 54.701 through
9 54.710 of the Water Code where
10 applicable. . . .

11 [Sections 8283.053-8283.100 reserved for expansion]

12 SUBCHAPTER C. BOARD OF DIRECTORS

13 Revised Law

14 Sec. 8283.101. COMPOSITION OF BOARD; TERMS. (a) The board
15 consists of at least six and not more than nine directors appointed
16 as follows:

17 (1) three directors appointed by the governing body of
18 the City of Denison;

19 (2) three directors appointed by the governing body of
20 the City of Sherman; and

21 (3) any directors appointed under Sections 8283.102
22 and 8283.103.

23 (b) Except for a director appointed under Section 8283.103,
24 a director serves a two-year term that begins January 1 following
25 the director's appointment.

26 (c) A director's term may not be shortened because of the
27 annexation of a municipality under Section 8283.102 or 8283.103.

28 (d) The City of Denison or the City of Sherman by ordinance
29 may provide for staggered terms for directors it appoints, but the
30 term of an incumbent may not be shortened or be longer than two
31 years. (Acts 66th Leg., R.S., Ch. 97, Secs. 6(a) (part), (d), (f)
32 (part).)

33 Source Law

34 (a) . . . Each city may, by ordinance, provide
35 for terms of office of the directors it appoints to be
36 on a staggered term basis, but in no event shall the
37 term of an incumbent be shortened or be for a period of
38 more than two years.

39 (d) The maximum number of directors of the

1 district shall be nine, of which number three shall
2 always be appointed by each of the cities of Denison
3 and Sherman. No director appointed shall have his or
4 her term shortened by reason of any annexation of a
5 city under Subsection (b) or (c) of this section.

6 (f) The term of office of all directors shall
7 begin on January 1 following their appointment, and
8 Except for directors appointed under
9 Subsection (c) of this section and the initial
10 directors appointed under the provisions of Subsection
11 (a) of this section, directors shall serve for a period
12 of two years and until their successors have
13 qualified. . . .

14 Revisor's Note

15 (1) Section 6(a), Chapter 97, Acts of the 66th
16 Legislature, Regular Session, 1979, provides for the
17 appointment of initial directors. The revised law
18 omits the provision as executed. The omitted law
19 reads:

20 Sec. 6. (a) Following the effective
21 date of this Act, the governing body of the
22 city of Denison shall appoint three
23 directors to Places 1, 2, and 3, and the
24 governing body of the city of Sherman shall
25 appoint three directors to Places 4, 5, and
26 6, and the number of directors subject to
27 appointment by each of such cities shall be
28 the same. . . .

29 (2) Section 6(f), Chapter 97, Acts of the 66th
30 Legislature, Regular Session, 1979, provides an
31 exception to the normal term of office for "the initial
32 directors appointed under the provisions of Subsection
33 (a) of this section." The revised law omits the quoted
34 language as executed.

35 (3) Section 6(f), Chapter 97, Acts of the 66th
36 Legislature, Regular Session, 1979, provides that
37 directors shall serve "until their successors have
38 qualified." The revised law omits the quoted language
39 because Section 17, Article XVI, Texas Constitution,
40 requires an officer in this state to continue to
41 perform the officer's official duties until a
42 successor has qualified.

43 Revised Law

44 Sec. 8283.102. APPOINTMENT OF DIRECTORS BY HOME-RULE

1 MUNICIPALITIES. (a) If a home-rule municipality is annexed, the
2 governing body of the municipality shall appoint a director whose
3 term begins January 1 following the annexation.

4 (b) If more than two home-rule municipalities are annexed,
5 those municipalities are collectively entitled to appoint two
6 directors and shall designate their directors by any method agreed
7 to by those municipalities. (Acts 66th Leg., R.S., Ch. 97, Sec.
8 6(b).)

9 Source Law

10 (b) In the event a home-rule city is annexed,
11 the governing body of such annexed city shall appoint a
12 director whose term shall commence on January 1 next
13 following the annexation provided that in the event
14 more than two home-rule cities are annexed, then such
15 cities shall collectively be entitled to the
16 appointment of two directors and those home-rule
17 cities shall designate their representatives by any
18 method agreeable to them.

19 Revised Law

20 Sec. 8283.103. APPOINTMENT OF DIRECTORS BY MUNICIPALITIES
21 OTHER THAN HOME-RULE MUNICIPALITIES. Municipalities, other than
22 home-rule municipalities, are collectively entitled to appoint one
23 director and shall designate their director by any method agreed to
24 by those municipalities. (Acts 66th Leg., R.S., Ch. 97, Sec. 6(c).)

25 Source Law

26 (c) Incorporated cities, towns, or villages,
27 other than a home-rule city, shall collectively be
28 entitled to the appointment of one director and those
29 cities, towns, or villages, shall designate their
30 representative by any method agreeable to them.

31 Revised Law

32 Sec. 8283.104. QUALIFICATIONS FOR OFFICE. (a) Each
33 director must be a qualified voter of the municipality that
34 appoints the director.

35 (b) An officer, employee, or member of the governing body of
36 a municipal corporation may not be a director. (Acts 66th Leg.,
37 R.S., Ch. 97, Secs. 6(f) (part), (h).)

38 Source Law

39 (f) . . . each director shall be a qualified
40 elector of the city that appoints him or her. . . .

41 (h) A person may not be a director if he or she

1 is an officer, employee, or member of the governing
2 body of a municipal corporation.

3 Revisor's Note

4 Section 6(f), Chapter 97, Acts of the 66th
5 Legislature, Regular Session, 1979, provides that an
6 authority director must be a "qualified elector" of
7 the city that appoints the director. The revised law
8 substitutes "voter" for "elector" because "voter" is
9 the term used in the Election Code.

10 Revised Law

11 Sec. 8283.105. BOARD VACANCY. A vacancy in the office of
12 director shall be filled for the unexpired term, if applicable, by
13 the governing body of the municipality that appointed the previous
14 director. (Acts 66th Leg., R.S., Ch. 97, Sec. 6(f) (part).)

15 Source Law

16 (f) . . . Vacancies in the office of director
17 shall be filled for the unexpired term, if applicable,
18 by the governing body of the city that appointed the
19 previous director.

20 Revised Law

21 Sec. 8283.106. REMOVAL FROM OFFICE. (a) Under procedures
22 adopted by board rule, the board may remove a director from office
23 only for malfeasance in office.

24 (b) The procedures must be designed to guarantee due process
25 to the director. (Acts 66th Leg., R.S., Ch. 97, Sec. 6(i).)

26 Source Law

27 (i) A director may be removed by the board of
28 directors of the district only on the grounds of
29 malfeasance in office. A director shall be removed
30 under procedures adopted by the board in its rules, and
31 the procedures adopted by the board for removal of a
32 director shall be designed to guarantee due process to
33 the director.

34 Revised Law

35 Sec. 8283.107. VOTING REQUIREMENT. A majority vote of the
36 board is required to adopt any measure. (Acts 66th Leg., R.S., Ch.
37 97, Sec. 6(g).)

38 Source Law

39 (g) A majority vote of the members of the board
40 of directors shall be required for the adoption of any
41 measure.

1 Revisor's Note
2 (End of Subchapter)

3 (1) Section 6(e), Chapter 97, Acts of the 66th
4 Legislature, Regular Session, 1979, requires that a
5 director execute a \$10,000 performance bond payable to
6 the authority and that the bond be approved by the
7 board of directors. The revised law omits the bond
8 provision because it duplicates, in substance, part of
9 Section 49.055, Water Code. The omitted law reads:

10 (e) As soon as practicable after a
11 director is elected or appointed he shall
12 execute a bond for \$10,000 payable to the
13 district and conditioned on the faithful
14 performance of his duties. All bonds of the
15 directors shall be approved by the
16 board. . . .

17 (2) Section 6(e), Chapter 97, Acts of the 66th
18 Legislature, Regular Session, 1979, requires each
19 director to take the constitutional oath of office.
20 The revised law omits that provision because it
21 duplicates, in substance, Section 1, Article XVI,
22 Texas Constitution. The omitted law reads:

23 (e) . . . Each director shall take
24 the oath of office prescribed by the
25 constitution for public officers. . . .

26 (3) Section 6(e), Chapter 97, Acts of the 66th
27 Legislature, Regular Session, 1979, requires that a
28 director's bond and oath be filed with the authority
29 and retained in the authority's records. The revised
30 law omits that provision because it duplicates part of
31 Section 49.055(d), Water Code. The omitted law reads:

32 (e) . . . The bond and oath shall be
33 filed with the district and retained in its
34 records.

35 [Sections 8283.108-8283.150 reserved for expansion]

36 SUBCHAPTER D. POWERS AND DUTIES

37 Revised Law

38 Sec. 8283.151. MUNICIPAL UTILITY DISTRICT POWERS. Except
39 as otherwise provided by this chapter, the authority has the
40 rights, powers, privileges, and functions conferred and imposed by

1 the general law applicable to a municipal utility district created
2 under Section 59, Article XVI, Texas Constitution, including those
3 conferred by Chapters 30, 49, and 54, Water Code. (Acts 66th Leg.,
4 R.S., Ch. 97, Sec. 3(a) (part); New.)

5 Source Law

6 Sec. 3. (a) Except as otherwise provided in
7 this Act, the district shall have and may exercise all
8 the rights, powers, privileges, authority, and
9 functions conferred and imposed by the general laws of
10 this state applicable to municipal utility districts
11 created under Article XVI, Section 59, of the Texas
12 Constitution, including without limitation those
13 conferred by Chapter 54, Water Code, as amended, and
14 all of the powers conferred by Chapter 30 of the Water
15 Code. . . .

16 Revisor's Note

17 (1) Section 3(a), Chapter 97, Acts of the 66th
18 Legislature, Regular Session, 1979, refers to "rights,
19 powers, privileges, [and] authority." The revised law
20 omits "authority" because, in context, "authority" is
21 included in the meaning of "rights, powers, [and]
22 privileges."

23 (2) Section 3(a), Chapter 97, Acts of the 66th
24 Legislature, Regular Session, 1979, grants the
25 authority certain powers, including "without
26 limitation" those conferred by Chapter 54, Water Code,
27 "as amended," and Chapter 30 of the Water Code. The
28 revised law omits "without limitation" because Section
29 311.005(13), Government Code (Code Construction Act),
30 provides that "includes" and "including" are terms of
31 enlargement and not limitation and do not create a
32 presumption that components not expressed are
33 excluded.

34 In addition, the revised law omits the reference
35 to "as amended" because under Section 311.027,
36 Government Code (Code Construction Act), a reference
37 to a statute applies to all reenactments, revisions,
38 or amendments of that statute unless expressly
39 provided otherwise.

1 (Code Construction Act), which construes "may."

2 (2) Section 3(b)(1), Chapter 97, Acts of the
3 66th Legislature, Regular Session, 1979, refers to
4 actions the authority's board finds "necessary or
5 required" to carry out its authority. The revised law
6 omits "required" because, in context, it is included
7 in the meaning of "necessary."

8 Revised Law

9 Sec. 8283.153. WATER RIGHTS. The authority may acquire,
10 develop, and use rights to groundwater or surface water. (Acts 66th
11 Leg., R.S., Ch. 97, Sec. 3(b) (part).)

12 Source Law

13 (b) [The district has . . . :]
14 . . .
15 (3) the authority to acquire, develop, and
16 utilize underground or surface water rights;
17 . . .

18 Revisor's Note

19 Section 3(b)(3), Chapter 97, Acts of the 66th
20 Legislature, Regular Session, 1979, refers to
21 "underground . . . water" rights. The revised law
22 substitutes "groundwater" for "underground water"
23 because that is the more commonly used term and is the
24 term used by Chapter 36, Water Code, which applies to
25 groundwater conservation districts (another type of
26 conservation and reclamation district).

27 Revised Law

28 Sec. 8283.154. EMINENT DOMAIN. To carry out an authority
29 power or purpose, the authority, in the manner provided by Chapter
30 49, Water Code, may exercise the power of eminent domain to acquire
31 land, an easement, or other property inside or outside the
32 authority's boundaries. (Acts 66th Leg., R.S., Ch. 97, Sec. 3(b)
33 (part).)

34 Source Law

35 (b) . . .
36 . . .
37 (6) the district may acquire land,
38 easements, or other property within or without its

1 boundaries for the accomplishment of its powers and
2 purposes through the exercise of eminent domain in the
3 manner prescribed by Sections 54.212(b) and (c) and
4 Section 54.213 of the Water Code;

5 . . .

6 Revisor's Note

7 Section 3(b)(6), Chapter 97, Acts of the 66th
8 Legislature, Regular Session, 1979, refers to the
9 authority's eminent domain power under Sections
10 54.212(b) and (c) and 54.213, Water Code. Those
11 sections were repealed by Chapter 715, Acts of the 74th
12 Legislature, Regular Session, 1995, which enacted
13 similar provisions in Chapter 49, Water Code, to
14 govern the exercise of eminent domain power by certain
15 districts, including the authority. The revised law
16 is drafted accordingly.

17 Revised Law

18 Sec. 8283.155. GENERAL CONTRACT POWERS. (a) The authority
19 may enter into a contract with a person, including a political
20 subdivision, on terms the board considers desirable, fair, and
21 advantageous for:

22 (1) the purchase or sale of raw or treated water;

23 (2) the purchase, lease, use, management, control, or
24 operation of water treatment or distribution facilities or sewer
25 collection and treatment facilities, all or part of the facilities
26 or systems owned by the other political subdivision, in accordance
27 with terms mutually agreed on by the governing bodies of the
28 contracting parties; or

29 (3) planning, making preliminary surveys,
30 investigations, or feasibility reports, engineering, or reports of
31 any kind.

32 (b) A contract for the acquisition of an existing water or
33 sewer facility may be made on terms approved by the contracting
34 parties. (Acts 66th Leg., R.S., Ch. 97, Sec. 3(b) (part).)

35 Source Law

36 (b) [The district has . . . :]

37 . . .

38 (2) the authority to enter into contracts

1 with persons, public or private corporations,
2 municipal corporations, political subdivisions,
3 agencies, departments, or instrumentalities of the
4 state or federal government, or others, on terms and
5 conditions the board of directors deem desirable,
6 fair, and advantageous:

7 (A) for the purchase or sale or both
8 of raw or treated water;

9
10 (C) for the purchase, lease, use,
11 management, control, or operation of water treatment
12 or distribution as well as sewer collection and
13 treatment facilities, all or part of the facilities or
14 systems owned by such other political subdivisions, in
15 accordance with terms and conditions as are mutually
16 agreed upon by the governing bodies of the contracting
17 parties;

18 (D) for the purposes of planning,
19 making preliminary surveys, investigations, or
20 feasibility reports, engineering, and reports of any
21 kind or character;

22
23 (5) . . . both contracts for the
24 acquisition of an existing water or sewer facility may
25 be made on terms approved by the contracting parties;
26 . . .

27 Revisor's Note

28 (1) Section 3(b)(2), Chapter 97, Acts of the
29 66th Legislature, Regular Session, 1979, refers to the
30 power of the authority to enter into contracts with
31 persons, "public or private corporations, municipal
32 corporations, political subdivisions, agencies,
33 departments, or instrumentalities of the state or
34 federal government, or others." The revised law omits
35 the quoted language other than the reference to
36 "political subdivisions" because under Section
37 311.005(2), Government Code (Code Construction Act),
38 "person" is defined to include any legal entity.
39 Although the term "person" also includes a legal
40 entity such as a political subdivision, the revised
41 law retains the reference to "political subdivision"
42 to clarify a secondary reference to "such other
43 political subdivisions" that occurs subsequently in
44 the subsection without a corresponding reference to
45 "person."

46 (2) Section 3(b)(2), Chapter 97, Acts of the
47 66th Legislature, Regular Session, 1979, provides that

1 the authority may enter into a contract on certain
2 "terms and conditions." The revised law omits the
3 references to "conditions" because "conditions" is
4 included in the meaning of "terms."

5 (3) Section 3(b)(2)(B), Chapter 97, Acts of the
6 66th Legislature, Regular Session, 1979, provides that
7 the authority may contract for the transportation,
8 treatment, and disposal of certain wastes of the
9 authority and others, including for the purposes of
10 Chapter 30, Water Code. The revised law omits that
11 provision because it duplicates, in substance, Section
12 49.213(c)(2), Water Code. The revised law omits the
13 reference to Chapter 30, Water Code, because that
14 reference duplicates an earlier express reference
15 under Section 3(a) of Chapter 97 (revised in this
16 chapter as part of Section 8283.151) to the authority's
17 powers under Chapter 30, Water Code. The omitted law
18 reads:

19 (b) [The district has . . . :
20 . . .
21 (2) the authority to enter into
22 contracts . . . :]
23 . . .
24 (B) for the
25 transportation, treatment, and disposal of
26 its domestic, industrial, or communal
27 wastes or the transportation, treatment,
28 and disposal of domestic, industrial, or
29 communal wastes of others, to include the
30 purposes of Chapter 30, Water Code, the
31 provisions of which are expressly made
32 applicable to the district;
33 . . .

34 (4) Section 3(b)(2)(D), Chapter 97, Acts of the
35 66th Legislature, Regular Session, 1979, provides that
36 the authority may contract for reports of any "kind or
37 character." The revised law omits "character"
38 because, in context, "character" is included in the
39 meaning of "kind."

40 (5) Section 3(b)(5), Chapter 97, Acts of the
41 66th Legislature, Regular Session, 1979, permits the

1 authority to acquire, improve, extend, or construct
2 certain systems. The revised law omits that provision
3 because it duplicates, in substance, Section
4 54.201(b), Water Code, which applies to the authority
5 under Section 54.001 of that chapter. The omitted law
6 reads:

7 (b) [The district has . . . :]

8 . . .
9 (5) the specific authority to
10 acquire existing water or sewer systems or
11 both, and to improve and extend those
12 systems or to construct water or sewer
13 systems or both. . . .

14 (6) Section 3(b)(5), Chapter 97, Acts of the
15 66th Legislature, Regular Session, 1979, states that
16 authority construction contracts are subject to
17 competitive bids. The revised law omits that
18 provision because Subchapter I, Chapter 49, Water
19 Code, contains the competitive bidding requirements
20 that apply to municipal utility districts. That
21 subchapter applies to the authority under Sections
22 49.001 and 49.002, Water Code. The omitted law reads:

23 (b) . . .

24 . . .
25 (5) . . . Construction
26 contracts shall be subject to competitive
27 bids,

28 Revised Law

29 Sec. 8283.156. WATER, SEWER, SOLID WASTE, OR DRAINAGE
30 CONTRACTS; ELECTION NOT REQUIRED. The authority and a municipal
31 corporation or other political subdivision may enter into a water,
32 sewer, solid waste, or drainage contract or any combination of
33 those contracts without the necessity of an election by any
34 contracting party to approve the contract. (Acts 66th Leg., R.S.,
35 Ch. 97, Sec. 3(c).)

36 Source Law

37 (c) No election shall be required in the
38 district or in any municipal corporations or other
39 political subdivisions for approval of water, sewer,
40 solid waste, or drainage contracts or any combination
41 of those contracts, but the contracts may be entered
42 into without the necessity of an election by any

1 contracting party.

2 Revised Law

3 Sec. 8283.157. TREATMENT OF PAYMENTS UNDER CERTAIN
4 MUNICIPAL CORPORATION CONTRACTS. A payment by a municipal
5 corporation for the purchase of water or the treatment and disposal
6 of sewage is a maintenance and operating expense of the utility
7 system or combined systems of the municipal corporation unless the
8 contract:

9 (1) provides for the municipal corporation to acquire
10 an ownership interest in the facilities; or

11 (2) makes other provisions. (Acts 66th Leg., R.S., Ch.
12 97, Sec. 3(d).)

13 Source Law

14 (d) Payments by a municipal corporation for the
15 purchase of water or the treatment and disposal of
16 sewage shall be a maintenance and operating expense of
17 the utility system or combined systems of the
18 municipal corporation unless the contract:

19 (1) provides for the municipal corporation
20 to acquire an ownership interest in the facilities; or

21 (2) makes other contractual provisions.

22 Revised Law

23 Sec. 8283.158. STANDARD SPECIFICATIONS FOR FACILITIES IN
24 GRAYSON COUNTY. (a) In this section, "commission" means the Texas
25 Commission on Environmental Quality or its successor.

26 (b) Subject to Subsection (f), for area in Grayson County,
27 the authority by order may adopt standard specifications for
28 facilities designed or constructed to:

29 (1) store, treat, or transport water for domestic,
30 municipal, or industrial purposes to ensure that the facilities are
31 adequate in design to serve the needs of the area's inhabitants;

32 (2) collect, treat, and dispose of sewage; or

33 (3) dispose of solid waste.

34 (c) Before the specifications become final, the board must
35 hold a public hearing. The board must give notice of the hearing to
36 the commission and must publish in a newspaper of general
37 circulation in the area notice of the hearing one time at least 10
38 days before the date of the hearing so that any interested party may

1 present evidence for or against a proposed specification.

2 (d) An appeal of an order adopting standard specifications
3 may be made to a district court of Grayson County. The substantial
4 evidence rule applies to the appeal.

5 (e) The authority is entitled to seek an injunction against:

6 (1) the construction of a facility, including an
7 extension to an existing facility, if the construction does not
8 meet the authority's standard specifications; or

9 (2) the operation of a facility if construction has
10 begun and the facility does not meet those specifications.

11 (f) A standard specification adopted under this section
12 does not apply to an area that, on the date the order is adopted, is
13 located inside the corporate boundaries or the extraterritorial
14 jurisdiction of a municipality unless approved by the governing
15 body of the municipality.

16 (g) The authority shall file the standard specifications
17 with the commission. (Acts 66th Leg., R.S., Ch. 97, Sec. 3(b)
18 (part); New.)

19 Source Law

20 (b) . . .

21 . . .

22 (7) as to area within Grayson County, the
23 district may establish standard specifications for
24 facilities that are designed or constructed to provide
25 (A) storage, treatment, or transportation of water for
26 domestic, municipal, or industrial purposes so as to
27 ensure that such facilities are adequate in design to
28 serve the needs of the inhabitants of the area, or (B)
29 the collection, treatment, and disposal of sewage, or
30 (C) for the disposal of solid wastes, any one or all,
31 but in no event shall such specifications be made
32 applicable to that area included at the time of
33 promulgation within the corporate or extraterritorial
34 boundaries of any incorporated municipality without
35 the approval of the governing body of such
36 municipality. Before the specifications become final,
37 the board shall hold a public hearing, after giving
38 notice to the Texas Department of Water Resources and
39 the Texas Department of Health or their successors,
40 and publication of notice in a newspaper of general
41 circulation in the area one time at least 10 days
42 before the date of the hearing in order that any
43 interested party may present evidence for or against
44 any proposed specifications. Appeal from an order
45 adopting standard specifications may be made to the
46 district court of Grayson County, and the substantial
47 evidence rule shall apply. The district shall be
48 entitled to seek injunctive relief against the
49 construction of any facilities, including extensions

1 to any existing facilities, or if construction has
2 commenced after the promulgation of the specifications
3 to seek injunctive relief against the operation of the
4 facilities that do not meet the standard
5 specifications it has approved. The standard
6 specifications, when approved, shall be filed with the
7 Texas Department of Water Resources.

8 Revisor's Note

9 (1) Section 3(b)(7), Chapter 97, Acts of the
10 66th Legislature, Regular Session, 1979, provides that
11 the authority "may establish" standard
12 specifications. The revised law substitutes "by order
13 may adopt" for "may establish" to conform to other
14 related language in Section 3(b)(7) referring to an
15 appeal from an "order adopting standard
16 specifications."

17 (2) Section 3(b)(7), Chapter 97, Acts of the
18 66th Legislature, Regular Session, 1979, requires the
19 authority to give the Texas Department of Water
20 Resources and the Texas Department of Health or their
21 successors notice of a hearing to adopt standard
22 specifications. The revised law substitutes for the
23 references to those agencies references to "the
24 commission," meaning the Texas Commission on
25 Environmental Quality, because the commission is the
26 successor agency with the relevant authority.

27 (3) Section 3(b)(7), Chapter 97, Acts of the
28 66th Legislature, Regular Session, 1979, provides that
29 the authority may seek to enjoin the operation of a
30 facility if construction of the facility has begun
31 "after the promulgation of the [standard]
32 specifications." The revised law omits the quoted
33 language as unnecessary because an order adopting
34 standard specifications may be enforced only after it
35 is adopted.

36 (4) The definition of "commission" is added to
37 the revised law for drafting convenience and to
38 eliminate unnecessary repetition of the substance of

1 the definition.

2 Revised Law

3 Sec. 8283.159. TAX PROHIBITION. The authority may not
4 impose a tax. (Acts 66th Leg., R.S., Ch. 97, Sec. 3(e).)

5 Source Law

6 (e) The district may not levy taxes.

7 Revisor's Note

8 Section 3(e), Chapter 97, Acts of the 66th
9 Legislature, Regular Session, 1979, prohibits the
10 "levy" of taxes. The revised law substitutes "impose"
11 for "levy" because "impose" is the term generally used
12 in Title 1, Tax Code, and includes the levy of a tax.

13 Revisor's Note

14 (End of Subchapter)

15 Section 3(b)(4), Chapter 97, Acts of the 66th
16 Legislature, Regular Session, 1979, provides that the
17 authority may perform a right or power granted under
18 Chapter 97 or general law. The revised law omits that
19 provision because a right or power granted under this
20 chapter or general law applies on its own terms. The
21 omitted law reads:

22 (b) [The district has the following
23 rights, powers . . . :]

24 . . .
25 (4) the performance of any of
26 the rights or powers granted in this Act and
27 the general laws;
28 . . .

29 [Sections 8283.160-8283.200 reserved for expansion]

30 SUBCHAPTER E. BONDS

31 Revised Law

32 Sec. 8283.201. REVENUE BONDS. The authority may issue
33 revenue bonds to carry out any of its powers, functions, or
34 obligations. (Acts 66th Leg., R.S., Ch. 97, Sec. 5 (part).)

35 Source Law

36 Sec. 5. The district may issue revenue bonds for
37 the purpose of carrying out any of its powers,
38 functions, and obligations, and

1 Revisor's Note

2 Section 5, Chapter 97, Acts of the 66th
3 Legislature, Regular Session, 1979, provides that the
4 authority may pledge authority revenue to the payment
5 of revenue bonds issued by the authority. The revised
6 law omits the provision because it duplicates, in
7 substance, Section 54.503, Water Code, which applies
8 to the authority under Section 54.001 of that chapter.
9 The omitted law reads:

10 Sec. 5. [The district] . . . may
11 pledge all or any part of the revenues of
12 the district to the payment thereof. . . .

13 Revised Law

14 Sec. 8283.202. BONDS FOR CERTAIN FACILITIES. If the
15 authority operates a facility under contract with a municipal
16 corporation, it may, if the contract permits the issuance, issue
17 bonds to improve or extend the facility. (Acts 66th Leg., R.S., Ch.
18 97, Sec. 5 (part).)

19 Source Law

20 Sec. 5. . . . In the event the district is
21 operating facilities under contract with a municipal
22 corporation, it may, if permitted by the contract,
23 issue bonds to improve or extend such facilities.

24 Revisor's Note
25 (End of Chapter)

26 (1) Section 3(a), Chapter 97, Acts of the 66th
27 Legislature, Regular Session, 1979, provides that any
28 general law relating to municipal utility districts is
29 adopted and incorporated by reference. The revised
30 law omits that provision because it is not necessary to
31 duplicate by means of adoption and incorporation the
32 substance of general laws applicable to the authority.
33 The omitted law reads:

34 (a) . . . All these general laws are
35 adopted and incorporated by reference with
36 the same effect as if incorporated in full
37 by this Act, but

38 (2) Section 3(a), Chapter 97, Acts of the 66th
39 Legislature, Regular Session, 1979, provides that

1 Chapter 97 prevails over any general law in conflict or
2 inconsistent with that chapter. The revised law omits
3 that provision because it duplicates, in substance,
4 Section 311.026(b), Government Code (Code
5 Construction Act). The omitted law reads:

6 (a) . . . to the extent that the
7 provisions of any of those general laws may
8 be in conflict or inconsistent with the
9 provisions of this Act, the provisions of
10 this Act prevail.

11 (3) Section 4(a), Chapter 97, Acts of the 66th
12 Legislature, Regular Session, 1979, requires an
13 election to confirm the creation of the authority and
14 provides procedures for the election. The revised law
15 omits that provision as executed. The omitted law
16 reads:

17 (a) . . . Prior to the issuance and
18 delivery of the initial series of bonds or
19 other obligations by the authority, it
20 shall be necessary for the board to call and
21 hold, after public notice, an election on
22 the question of whether the creation of the
23 district shall be confirmed. A majority
24 vote of the participating electors shall be
25 required for such confirmation and in the
26 event the creation of the district is not
27 confirmed at an election held within five
28 years from the effective date of this Act,
29 the district shall be abolished.

30 For this subsection, "notice" shall be
31 published once a week for two consecutive
32 weeks in a newspaper with general
33 circulation in the county or counties in
34 which the district is to be located. The
35 first publication of notice shall be at
36 least 14 days before the date set for the
37 election or hearing on exclusions. The
38 notice for election shall state the time,
39 date, and place or places for holding the
40 election and the proposition to be voted on.

41 (4) Section 4(b), Chapter 97, Acts of the 66th
42 Legislature, Regular Session, 1979, provides that the
43 authority may "be abolished in the manner provided by
44 Chapter 541, Acts of the 51st Legislature, 1949, as
45 amended (Article 1118n-5, Vernon's Texas Civil
46 Statutes)." Although Section 1, Chapter 227, Acts of
47 the 76th Legislature, Regular Session, 1999, codified
48 Article 1118n-5 in Subchapter E, Chapter 1502,

1 Government Code, Subchapter E, Chapter 1502,
2 Government Code, was subsequently repealed by Section
3 47, Chapter 1064, Acts of the 76th Legislature,
4 Regular Session, 1999. The revised law therefore
5 omits the reference to the manner of abolishing the
6 authority and also to the related power to abolish the
7 authority, as there is no procedure remaining to
8 govern such an action. The omitted law reads:

9 (b) The district may be abolished in
10 the manner provided by Chapter 541, Acts of
11 the 51st Legislature, 1949, as amended
12 (Article 1118n-5, Vernon's Texas Civil
13 Statutes), if its outstanding indebtedness
14 or obligations have been assumed as
15 provided in that law and the area of the
16 district is totally within the boundaries
17 of incorporated municipalities.

18 (5) Section 7, Chapter 97, Acts of the 66th
19 Legislature, Regular Session, 1979, contains
20 legislative findings relating to the performance of
21 certain requirements under Section 59(d), Article XVI,
22 Texas Constitution, and to the authority of the
23 legislature to enact Chapter 97. The revised law omits
24 that provision as executed. The omitted law reads:

25 Sec. 7. The legislature specifically
26 finds and declares that the requirements of
27 Article XVI, Section 59(d), of the Texas
28 Constitution have been performed and
29 accomplished in due course, time, and
30 order, and that the legislature has the
31 power and authority to enact this Act.

32 (6) Section 4, Chapter 398, Acts of the 68th
33 Legislature, Regular Session, 1983, amending Chapter
34 97, Acts of the 66th Legislature, Regular Session,
35 1979, provides that Chapter 398 does not apply to
36 actions previously taken by the authority and
37 validates certain actions previously taken by the
38 board. The revised law omits that provision as
39 executed. The omitted law reads:

40 Sec. 4. The amendments made by this
41 Act to Chapter 97, Acts of the 66th
42 Legislature, Regular Session, 1979, may not
43 be construed to impair the validity of

1 actions previously taken by the district.
2 Actions previously taken by the board
3 relating to the execution of contracts with
4 cities and counties and the issuance of
5 bonds are ratified, validated, and
6 confirmed; however, this section may not be
7 construed to validate bonds issued by the
8 district that have not been approved by the
9 attorney general before the effective date
10 of this Act.

11 (7) Section 5, Chapter 398, Acts of the 68th
12 Legislature, Regular Session, 1983, amending Chapter
13 97, Acts of the 66th Legislature, Regular Session,
14 1979, provides that Chapter 398 does not apply to
15 certain matters being litigated on the effective date
16 of Chapter 398. The revised law omits that provision
17 as executed. The omitted law reads:

18 Sec. 5. This Act does not apply to
19 any matter relating to the location and
20 siting of a sanitary landfill that on the
21 effective date of this Act is involved in
22 litigation or in a proceeding before a state
23 agency, regardless of the outcome of that
24 litigation or proceeding. The litigation
25 or proceeding is governed by Chapter 97,
26 Acts of the 66th Legislature, Regular
27 Session, 1979, as that law existed
28 immediately before the effective date of
29 this Act.

24	<u>Revised Law</u>		
25	Sec. 8284.001.	DEFINITIONS. In this chapter:	
26	(1)	"Board" means the board of directors of the	
27		district.	
28	(2)	"Director" means a member of the board.	
29	(3)	"District" means the Greenwood Utility District.	
30	(Acts 61st Leg., R.S., Ch. 616, Sec. 1 (part); New.)		
31	<u>Source Law</u>		
32	Sec. 1.	. . . [a . . . district . . .] to be	
33		known as "Greenwood Utility District" of Harris	
34		County, Texas, hereinafter called the "district,"	
35		

1 Revisor's Note

2 (1) Section 1, Chapter 616, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that the
4 district is "[a . . . district] . . . of Harris County,
5 Texas." The revised law omits the quoted language
6 because it was included in the law being revised only
7 as a convenience to the reader and duplicates language
8 in Section 2, Chapter 616, Acts of the 61st
9 Legislature, Regular Session, 1969, which is not
10 necessary to revise in this chapter. See Revisor's Note
11 (1) to Section 8284.004.

12 (2) The definitions of "board" and "director"
13 are added to the revised law for drafting convenience
14 and to eliminate frequent, unnecessary repetition of
15 the substance of the definitions.

16 Revised Law

17 Sec. 8284.002. NATURE OF DISTRICT. The district is a
18 municipal utility district and a conservation and reclamation
19 district in Harris County created under Section 59, Article XVI,
20 Texas Constitution. (Acts 61st Leg., R.S., Ch. 616, Sec. 1 (part);
21 New.)

22 Source Law

23 Sec. 1. Under and pursuant to the provisions of
24 Article XVI, Section 59, Constitution of Texas, a
25 conservation and reclamation district is hereby
26 created and established in Harris County, Texas, . . .
27 which shall be a governmental agency and a body politic
28 and corporate. . . .

29 Revisor's Note

30 (1) Section 1, Chapter 616, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that the
32 district is "created and established" in Harris
33 County, Texas. The revised law omits "established"
34 because the meaning of that word is included in the
35 meaning of "created."

36 (2) Section 1, Chapter 616, Acts of the 61st
37 Legislature, Regular Session, 1969, refers to the

1 district as "a governmental agency and a body politic
2 and corporate." The revised law omits those
3 references because they duplicate a portion of Section
4 59(b), Article XVI, Texas Constitution, which provides
5 that a conservation and reclamation district is a
6 governmental agency and a body politic and corporate.

7 (3) The revised law adds a reference to the
8 district as a "municipal utility district" because the
9 district was converted from a water control and
10 improvement district to a municipal utility district
11 on May 14, 1979, by order of the Texas Water
12 Commission. See Sections 54.030-54.036, Water Code.
13 Under both that order and Section 54.034, Water Code,
14 the district now operates under Chapter 54, Water
15 Code. Throughout this chapter, references to water
16 control and improvement districts and references to
17 Chapter 51, Water Code (the chapter on water control
18 and improvement districts), have been revised to
19 reflect the district's conversion. In addition, as
20 indicated throughout this chapter, the revised law
21 omits law that is superseded by Chapter 54, Water Code,
22 or that duplicates law contained in that chapter.

23 Revised Law

24 Sec. 8284.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
25 The district is created to serve a public use and benefit.

26 (b) All land and other property included in the boundaries
27 of the district will benefit from the works and projects
28 accomplished by the district under the powers conferred by Section
29 59, Article XVI, Texas Constitution.

30 (c) The creation of the district is essential to accomplish
31 the purposes of Section 59, Article XVI, Texas Constitution.

32 (d) The accomplishment of the purposes stated in this
33 chapter is for the benefit of the people of this state and for the
34 improvement of their property and industries. The district in

1 carrying out the purposes of this chapter will be performing an
2 essential public function under the Texas Constitution. (Acts 61st
3 Leg., R.S., Ch. 616, Secs. 1 (part), 4, 21 (part).)

4 Source Law

5 Sec. 1. . . . The creation and establishment of
6 the district is hereby declared to be essential to the
7 accomplishment of the purposes of Article XVI, Section
8 59, Constitution of Texas.

9 Sec. 4. It is determined and found that all of
10 the land and other property included within the
11 boundaries of the district will be benefited by the
12 works and project which are to be accomplished by the
13 district pursuant to the powers conferred by the
14 provisions of Article XVI, Section 59, Constitution of
15 Texas, and that said district was and is created to
16 serve a public use and benefit.

17 Sec. 21. The accomplishment of the purposes
18 stated in this Act being for the benefit of the people
19 of this state and for the improvement of their
20 properties and industries, the district in carrying
21 out the purposes of this Act will be performing an
22 essential public function under the Constitution, and
23

24 Revisor's Note

25 Section 1, Chapter 616, Acts of the 61st
26 Legislature, Regular Session, 1969, states that the
27 "creation and establishment" of the district is
28 essential to accomplish the purposes of Section 59,
29 Article XVI, Texas Constitution. The revised law
30 omits "establishment" because its meaning is included
31 in the meaning of "creation."

32 Revised Law

33 Sec. 8284.004. DISTRICT TERRITORY. (a) The district is
34 composed of the territory described by Section 2, Chapter 616, Acts
35 of the 61st Legislature, Regular Session, 1969, as that territory
36 may have been modified under:

37 (1) Subchapter H, Chapter 54, Water Code;

38 (2) Subchapter J, Chapter 49, Water Code;

39 (3) Section 9, Chapter 616, Acts of the 61st
40 Legislature, Regular Session, 1969; or

41 (4) other law.

42 (b) The boundaries and field notes of the district form a

1 closure. A mistake in copying the field notes in the legislative
2 process or another mistake in the field notes does not affect:

3 (1) the district's organization, existence, or
4 validity;

5 (2) the district's right to issue any type of bond for
6 a purpose for which the district is created or to pay the principal
7 of and interest on the bond;

8 (3) the district's right to impose a tax; or

9 (4) the legality or operation of the district or the
10 board. (Acts 61st Leg., R.S., Ch. 616, Sec. 3; New.)

11 Source Law

12 Sec. 3. It is determined and found that the
13 boundaries and field notes of the district form a
14 closure; and if any mistake is made in copying the
15 field notes in the legislative process, or otherwise a
16 mistake is made in the field notes, it shall in no way
17 affect the organization, existence and validity of the
18 district, or the right of the district to issue any
19 type of bonds or refunding bonds for the purposes for
20 which the district is created, or to pay the principal
21 and interest thereon, or the right to assess, levy and
22 collect taxes, or in any other manner affect the
23 legality or operation of the district or its governing
24 body.

25 Revisor's Note

26 (1) The revision of the law governing the
27 district does not revise the statutory language
28 describing the territory of the district to avoid the
29 lengthy recitation of the description and because that
30 description may not be accurate on the effective date
31 of the revision or at the time of a later reading. For
32 the reader's convenience, the revised law includes a
33 reference to the statutory description of the
34 district's territory and references to authority to
35 change the district's territory, including: (1)
36 Subchapter H, Chapter 54, Water Code, applicable to
37 the district after the district was converted to a
38 municipal utility district governed by Chapter 54 of
39 that code (see Sections 54.030-54.036 of that code and
40 Revisor's Note (3) to Section 8284.002); (2)

1 Subchapter J, Chapter 49, Water Code, applicable to
2 the district under Sections 49.001 and 49.002 of that
3 chapter; and (3) Section 9, Chapter 616, Acts of the
4 61st Legislature, Regular Session, 1969. The revised
5 law also includes a reference to the general authority
6 of the legislature to enact other laws to change the
7 district's territory.

8 (2) Section 3, Chapter 616, Acts of the 61st
9 Legislature, Regular Session, 1969, provides that a
10 mistake does not affect the right of the district to
11 issue "any type of bonds or refunding bonds." The
12 revised law omits the reference to "refunding bonds"
13 because refunding bonds are included in the meaning of
14 "any type of bonds."

15 (3) Section 3, Chapter 616, Acts of the 61st
16 Legislature, Regular Session, 1969, refers to the
17 district's right to "assess, levy and collect" a tax.
18 Throughout this chapter, the revised law substitutes
19 "impose" for "levy" or "assess, levy and collect"
20 because "impose" is the term generally used in Title 1,
21 Tax Code, and includes the assessment, levying, and
22 collection of a tax.

23 Revised Law

24 Sec. 8284.005. EXPANSION OF DISTRICT. (a) If land is
25 annexed to the district under Section 49.301, Water Code, the board
26 may require the petitioners to:

27 (1) assume the petitioners' pro rata share of the voted
28 but unissued bonds of the district; and

29 (2) authorize the board to impose a tax on the
30 petitioners' property to pay for the bonds after the bonds have been
31 issued.

32 (b) If land is annexed to the district under Section 49.302,
33 Water Code, the board may submit to the voters of the area to be
34 annexed a proposition on the question of the assumption by the area

1 to be annexed of its part of the voted but not yet issued or sold tax
2 or tax-revenue bonds of the district and the imposition of an ad
3 valorem tax on taxable property in the area to be annexed along with
4 a tax in the rest of the district for the payment of the bonds.

5 (c) If the petitioners consent or if the election results
6 favorably, the district may issue its voted but unissued tax or
7 tax-revenue bonds regardless of changes to district boundaries
8 since the original voting or authorization of the bonds. (Acts 61st
9 Leg., R.S., Ch. 616, Sec. 9.)

10 Source Law

11 Sec. 9. Land may be added to or annexed to the
12 district in the manner now or hereafter provided by
13 Chapter 3A, Title 128, Vernon's Texas Civil Statutes;
14 provided, however, that the board of directors may
15 require the petitioners, if land is being added in the
16 manner provided by Article 7880--75, Vernon's Civil
17 Statutes to assume their pro rata share of the voted
18 but unissued bonds of the district and authorize the
19 board to levy a tax on their property in payment for
20 such unissued bonds, when issued, or if land is being
21 annexed in the manner provided by Article 7880--75b,
22 Vernon's Texas Civil Statutes, the board may also
23 submit a proposition to the property taxpaying voters
24 of the area to be annexed on the question of the
25 assumption by the area to be annexed of its part of the
26 tax or tax-revenue bonds of the district theretofore
27 voted but not yet issued or sold and the levy of an ad
28 valorem tax on all taxable property within the area to
29 be annexed along with the tax in the rest of the
30 district for the payment thereof. If the petitioners
31 consent or if the election results favorably, the
32 district shall be authorized to issue its voted but
33 unissued tax or tax-revenue bonds even though the
34 boundaries of the district have been changed since the
35 voting or authorization of such bonds.

36 Revisor's Note

37 (1) Section 9, Chapter 616, Acts of the 61st
38 Legislature, Regular Session, 1969, provides that the
39 district may add or annex land in the manner provided
40 by Chapter 3A, Title 128, Vernon's Texas Civil
41 Statutes. The revised law omits that provision as
42 unnecessary. The relevant provisions of that statute
43 were codified by Chapter 58, Acts of the 62nd
44 Legislature, Regular Session, 1971, as Subchapter O,
45 Chapter 51, Water Code. After the district converted
46 to a municipal utility district in 1979, that

1 subchapter no longer applied to the district and
2 Subchapter H, Chapter 54, Water Code, applied instead,
3 as described by Revisor's Note (3) to Section 8284.002.
4 Chapter 715, Acts of the 74th Legislature, Regular
5 Session, 1995, repealed some of the relevant
6 provisions of Subchapter H, Chapter 54, Water Code,
7 and enacted Subchapter J, Chapter 49, Water Code, to
8 govern the addition of land to a municipal utility
9 district and certain other districts. Subchapter J,
10 Chapter 49, Water Code, applies to the district
11 without an express reference to Subchapter J by this
12 chapter. The remaining relevant provisions of
13 Subchapter H, Chapter 54, Water Code, apply to the
14 district under Section 54.034, Water Code, without an
15 express reference to those sections by this chapter.

16 (2) Section 9, Chapter 616, Acts of the 61st
17 Legislature, Regular Session, 1969, refers to Article
18 7880--75, Vernon's Texas Civil Statutes. Article
19 7880--75 was codified by Chapter 58, Acts of the 62nd
20 Legislature, Regular Session, 1971, as Sections
21 51.714-51.717, Water Code, relating to the addition of
22 land to a water control and improvement district by the
23 petition of the landowner. After the district
24 converted to a municipal utility district in 1979,
25 those sections no longer applied to the district.
26 Instead, Sections 54.711-54.715, Water Code, applied
27 to the district under Section 54.034 of that code. See
28 Revisor's Note (3) to Section 8284.002. Chapter 715,
29 Acts of the 74th Legislature, Regular Session, 1995,
30 repealed Sections 54.711-54.715, Water Code, and
31 enacted Section 49.301, Water Code, to govern the
32 addition of land to a municipal utility district by the
33 petition of the landowner. The revised law is drafted
34 accordingly.

1 (3) Section 9, Chapter 616, Acts of the 61st
2 Legislature, Regular Session, 1969, refers to Article
3 7880--75b, Vernon's Texas Civil Statutes. Article
4 7880--75b was codified by Chapter 58, Acts of the 62nd
5 Legislature, Regular Session, 1971, as Sections
6 51.718-51.724, Water Code, relating to the addition of
7 land to a water control and improvement district by the
8 petition of less than all the landowners. After the
9 district converted to a municipal utility district in
10 1979, those sections no longer applied to the
11 district. Instead, Sections 54.716-54.726, Water
12 Code, applied to the district under Section 54.034 of
13 that code. See Revisor's Note (3) to Section 8284.002.
14 Chapter 715, Acts of the 74th Legislature, Regular
15 Session, 1995, repealed Sections 54.716-54.726, Water
16 Code, and enacted Section 49.302, Water Code, to
17 govern the addition of land to a municipal utility
18 district by the petition of less than all the
19 landowners. The revised law is drafted accordingly.

20 (4) Section 9, Chapter 616, Acts of the 61st
21 Legislature, Regular Session, 1969, refers to
22 "property taxpaying voters." The revised law omits
23 the reference to "property taxpaying" because in Hill
24 v. Stone, 421 U.S. 289, 95 S. Ct. 1637 (1975), the
25 United States Supreme Court determined that property
26 ownership as a qualification for voting is an
27 unconstitutional denial of equal protection.

28 Revised Law

29 Sec. 8284.006. STATE POLICY REGARDING WASTE DISPOSAL. The
30 district's powers and duties are subject to the state policy of
31 encouraging the development and use of integrated area-wide waste
32 collection, treatment, and disposal systems to serve the waste
33 disposal needs of this state's residents, if integrated systems can
34 reasonably be provided for an area, so as to avoid the economic

1 burden on residents and the effect on state water quality caused by
2 the construction and operation of numerous small waste collection,
3 treatment, and disposal facilities. (Acts 61st Leg., R.S., Ch.
4 616, Sec. 5 (part).)

5 Source Law

6 Sec. 5. . . .

7 The powers and duties conferred on the district
8 are granted subject to the policy of the state to
9 encourage the development and use of integrated
10 area-wide waste collection, treatment and disposal
11 systems to serve the waste disposal needs of the
12 citizens of the state, it being an objective of the
13 policy to avoid the economical burden to the people and
14 the impact on the quality of the waters in the state
15 which result from the construction and operation of
16 numerous small waste collection, treatment and
17 disposal facilities to serve an area when an
18 integrated area-wide waste collection, treatment and
19 disposal system for the area can be reasonably
20 provided.

21 Revisor's Note

22 Section 5, Chapter 616, Acts of the 61st
23 Legislature, Regular Session, 1969, refers to
24 "citizens" of the state. The revised law substitutes
25 "residents" for "citizens" because, in the context of
26 this section, "citizens" and "residents" are
27 synonymous and "residents" is more commonly used.

28 Revisor's Note

29 (End of Subchapter)

30 (1) Section 5, Chapter 616, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that the
32 act prevails over any general law that applies to water
33 control and improvement districts and that is in
34 conflict or inconsistent with the act. The general law
35 applicable to water control and improvement districts
36 no longer applies to the district because the district
37 converted to a municipal utility district. See
38 Revisor's Note (3) to Section 8284.002. The revised
39 law omits the provision rather than codifying the
40 provision and substituting a reference to municipal
41 utility districts for the reference to water control
42 and improvement districts because the provision

1 duplicates, in substance, Section 311.026, Government
2 Code (Code Construction Act). The omitted law reads:

3 Sec. 5. [The district shall have and
4 exercise, and is hereby vested with, all of
5 the rights, powers, privileges, authority
6 and functions conferred and imposed by the
7 general laws of this state now in force or
8 hereafter enacted, applicable to water
9 control and improvement districts created
10 under authority of Article XVI, Section 59,
11 Constitution of Texas, including without
12 limitation those conferred by Chapter 3A,
13 Title 128, Vernon's Texas Civil Statutes;]
14 but to the extent that the provisions of any
15 such general laws may be in conflict or
16 inconsistent with the provisions of this
17 Act, the provisions of this Act shall
18 prevail. . . .

19 (2) Section 5, Chapter 616, Acts of the 61st
20 Legislature, Regular Session, 1969, provides that any
21 general law relating to water control and improvement
22 districts is adopted and incorporated by reference.
23 The general law applicable to water control and
24 improvement districts no longer applies to the
25 district because the district converted to a municipal
26 utility district. See Revisor's Note (3) to Section
27 8284.002. The revised law omits the provision rather
28 than codifying the provision and substituting a
29 reference to municipal utility districts for the
30 reference to water control and improvement districts
31 because it is not necessary to duplicate by means of
32 adoption and incorporation the substance of general
33 laws applicable to the district. The omitted law
34 reads:

35 Sec. 5. . . . All such general laws
36 are hereby adopted and incorporated by
37 reference with the same effect as if
38 incorporated in full in this Act. . . .

39 (3) Section 20, Chapter 616, Acts of the 61st
40 Legislature, Regular Session, 1969, provides that
41 Article 970a, Vernon's Texas Civil Statutes (Municipal
42 Annexation Act), does not apply to the creation of the
43 district. The revised law omits that provision as

1 executed. The omitted law reads:

2 Sec. 20. This district is hereby
3 created notwithstanding any of the
4 provisions of the Municipal Annexation Act,
5 being Article 970a, Vernon's Texas Civil
6 Statutes, as amended, and to the extent of
7 the creation of the district only, said
8 Article 970a shall have no
9 application. . . .

10 (4) Section 20, Chapter 616, Acts of the 61st
11 Legislature, Regular Session, 1969, provides that the
12 district is subject to certain other laws. The revised
13 law omits that provision because the laws cited apply
14 by their own terms. Section 20 refers to Article 970a,
15 Vernon's Texas Civil Statutes (Municipal Annexation
16 Act). In 1987, Article 970a was codified as Chapters
17 42 and 43, Local Government Code, and Section 212.003,
18 Local Government Code. Section 20 also refers to
19 Article 1182c--1, Vernon's Texas Civil Statutes, "as
20 amended." In 1987, Article 1182c--1 was codified as
21 Sections 43.074, 43.075, and 43.081, Local Government
22 Code.

23 The revised law omits "as amended" because, under
24 Section 311.027, Government Code (Code Construction
25 Act), a reference to a statute applies to all
26 reenactments, revisions, or amendments of that
27 statute, unless expressly provided otherwise. The
28 omitted law reads:

29 Sec. 20. . . . In all other respects,
30 the district hereby created is expressly
31 made subject to all provisions of said
32 Article 970a. District shall also be
33 subject to the provisions of Article
34 1182c--1, Vernon's Texas Civil Statutes, as
35 amended.

36 [Sections 8284.007-8284.050 reserved for expansion]

37 SUBCHAPTER B. DISTRICT ADMINISTRATION

38 Revised Law

39 Sec. 8284.051. COMPOSITION OF BOARD. The board consists of
40 five elected directors. (Acts 61st Leg., R.S., Ch. 616, Sec. 10
41 (part).)

1 the board. The treasurer's bond shall be conditioned on the
2 treasurer's faithful accounting for all money that comes into the
3 treasurer's custody as treasurer of the district. (Acts 61st Leg.,
4 R.S., Ch. 616, Sec. 10 (part).)

5 Source Law

6 Sec. 10. . . . Each director shall qualify by
7 subscribing to the constitutional oath of office and
8 giving bond in the amount of \$5,000 for the faithful
9 performance of his duties. . . . The treasurer . . .
10 shall give bond in such amount as may be required by
11 the board and conditioned that he or it will faithfully
12 account for all money which shall come into his or its
13 custody as treasurer of the district.

14 Revisor's Note

15 (1) Section 10, Chapter 616, Acts of the 61st
16 Legislature, Regular Session, 1969, requires each
17 director to qualify "by subscribing to the
18 constitutional oath of office." The revised law omits
19 the quoted language because it duplicates, in
20 substance, Section 1, Article XVI, Texas Constitution.

21 (2) Section 10, Chapter 616, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that the
23 district shall pay the cost of a director's bond and
24 that the bond shall be approved by the board and
25 recorded in the district office. The revised law omits
26 that provision because it duplicates, in substance,
27 Sections 49.055(c) and (d), Water Code. The omitted
28 law reads:

29 Sec. 10. . . . The cost of such bond
30 shall be paid by the district. . . . The
31 bonds of directors elected or appointed
32 after the directors named below shall be
33 approved by the district's board of
34 directors and shall be recorded in a record
35 kept for that purpose in the office of the
36 district. . . .

37 (3) Section 10, Chapter 616, Acts of the 61st
38 Legislature, Regular Session, 1969, requires each
39 director to give bond and provides that "[s]uch bond"
40 shall be approved by the county judge and filed in the
41 office of the county clerk within which the district is

1 located. That section also provides that the bonds of
2 directors elected or appointed after the initial
3 directors shall be approved by the board and shall be
4 recorded in a record kept for that purpose in the
5 district office. Because the provision requiring
6 directors' bonds to be approved by the county judge and
7 filed in the county clerk's office is followed by a
8 provision requiring bonds of successor directors to be
9 approved by the board and recorded in the district's
10 records, it appears from the context that the
11 provision requiring directors' bonds to be approved by
12 the county judge and filed in the office of the county
13 clerk applies only to the bond of an initial director.
14 Accordingly, the revised law omits that provision as
15 executed. The omitted law reads:

16 Sec. 10. . . . Such bond shall be
17 approved by the county judge and filed in
18 the office of the county clerk within which
19 the district is located. . . .

20 Revised Law

21 Sec. 8284.054. ABSENCE OR INACTION OF BOARD PRESIDENT. (a)
22 When the board president is absent or fails or declines to act, the
23 board vice president shall perform all duties and exercise all
24 power this chapter or general law gives the president.

25 (b) If the board president is absent from a board meeting:

26 (1) the board vice president may sign an order or other
27 action adopted at the meeting; or

28 (2) the board may authorize the president to sign the
29 order or other action. (Acts 61st Leg., R.S., Ch. 616, Sec. 10
30 (part).)

31 Source Law

32 Sec. 10. . . . The vice president shall perform
33 all duties and exercise all power conferred by this Act
34 or the general law upon the president when the
35 president is absent or fails or declines to act. Any
36 order adopted or other action taken at a meeting of the
37 board of directors at which the president is absent may
38 be signed by the vice president, or the board may
39 authorize the president to sign such order or other
40 action. . . .

1 Revised Law

2 Sec. 8284.055. DISTRICT OFFICE. (a) Except as provided by
3 this section, the board shall designate, establish, and maintain a
4 district office as provided by Section 49.062, Water Code.

5 (b) The board may establish a second district office outside
6 the district. If the board establishes a second district office,
7 the board shall give notice of the location of that office by:

8 (1) filing a copy of the board resolution that
9 establishes the location of the office:

10 (A) with the Texas Commission on Environmental
11 Quality; and

12 (B) in the municipal utility district records of
13 the county in which the district is located; and

14 (2) publishing notice of the location of the office in
15 a newspaper of general circulation in the county in which the
16 district is located.

17 (c) A district office that is a private residence, office,
18 or dwelling is a public place for matters relating to the district's
19 business.

20 (d) The board shall provide notice of any change in the
21 location of the district office outside the district in the manner
22 required by Subsection (b). (Acts 61st Leg., R.S., Ch. 616, Sec.
23 15.)

24 Source Law

25 Sec. 15. The board of directors shall
26 designate, establish and maintain a district office as
27 provided by Article 7880--44, Vernon's Texas Civil
28 Statutes, and, in addition, may establish a second
29 district office outside the district. Either or both
30 district offices so established and maintained may be
31 a private residence, office or dwelling in which event
32 such private residence, office or dwelling is hereby
33 declared a public place for matters relating to the
34 district's business.

35 If the board of directors establishes a district
36 office outside the district, it shall give notice of
37 the location of that district office by filing a true
38 copy of its resolution establishing the location of
39 such district office with the Texas Water Rights
40 Commission, by filing a true copy in the Water Control
41 and Improvement District records of the county in
42 which the district is located and also by publishing
43 the location in a newspaper of general circulation in
44 said county.

1 director shall serve until the director's successor is
2 elected or appointed and qualified. The revised law
3 omits that provision because Section 17, Article XVI,
4 Texas Constitution, requires an officer in this state
5 to continue to perform the officer's official duties
6 until a successor has qualified. The omitted law
7 reads:

8 Sec. 10. . . . Each director shall
9 serve for his term of office as herein
10 provided, and thereafter until his
11 successor shall be elected or appointed and
12 qualified. . . .

13 (2) Section 10, Chapter 616, Acts of the 61st
14 Legislature, Regular Session, 1969, names the initial
15 directors, requires them to qualify to serve as
16 directors before the first board meeting, provides for
17 filling vacancies in the office of director, and
18 provides that the named directors or their successors
19 shall serve until the second Tuesday in January 1971.
20 The revised law omits as executed the provisions
21 naming the initial directors, requiring them to
22 qualify by a certain time, and specifying the
23 expiration of their terms. Because the provision
24 specifying the procedure for filling vacancies in the
25 office of director is followed by a provision
26 requiring the named initial directors or their
27 successors to serve until a specified date in 1971, it
28 appears from the context that the provision relating
29 to the filling of vacancies also applies only to the
30 initial directors. Accordingly, the revised law also
31 omits that language as executed. The omitted law
32 reads:

33 Sec. 10. . . . Immediately after
34 this Act becomes effective, the following
35 named persons shall be the directors of the
36 district and shall constitute the board of
37 directors of the district:
38 Charles L. Laswell
39 Lillian P. Scruggs
40 Lillie Bland

1 Joann B. Gabriel
2 T. Turner Pope

3 Said persons shall file their bonds as soon
4 as practicable after the effective date of
5 this Act and shall otherwise be fully
6 qualified to serve as director prior to the
7 first meeting of the board of directors.
8 All vacancies in the office of director
9 shall be filled in the manner provided by
10 Article 7880--38, Vernon's Texas Civil
11 Statutes; provided, however, if at any time
12 the number of qualified directors shall be
13 less than three because of the failure or
14 refusal of one or more directors to qualify
15 or serve, or because of his or their death
16 or incapacitation, or for any other reason,
17 then the county judge of the county in which
18 the district is located shall appoint the
19 necessary number of directors to fill all
20 vacancies on the board. The directors named
21 above or their duly appointed successor or
22 successors shall serve until the second
23 Tuesday in January, 1971. . . .

24 (3) Section 10, Chapter 616, Acts of the 61st
25 Legislature, Regular Session, 1969, provides for
26 directors to be elected or appointed and to serve for
27 the term and in the manner provided by Article
28 7880--37, Vernon's Texas Civil Statutes. Article
29 7880--37 was codified by Chapter 58, Acts of the 62nd
30 Legislature, Regular Session, 1971, as Section 51.073,
31 Water Code. After the district converted to a
32 municipal utility district in 1979, that section no
33 longer applied to the district. Instead, Section
34 54.103, Water Code, applied to the district under
35 Section 54.034 of that code. See Revisor's Note (3) to
36 Section 8284.002. Chapter 715, Acts of the 74th
37 Legislature, Regular Session, 1995, repealed Section
38 54.103, Water Code, and enacted Section 49.103, Water
39 Code, to govern the terms of office and manner of
40 election of directors of a municipal utility district
41 and certain other districts. Section 49.103, Water
42 Code, applies to the district without an express
43 reference to that section by this chapter. The revised
44 law omits "appointed" because it is clear from the
45 context of Section 10 that the reference applies only
46 to directors appointed to fill vacancies as provided

1 by Chapter 49, Water Code. The omitted law reads:

2 Sec. 10. . . . [Succeeding directors
3 shall be elected or] appointed and shall
4 serve for the term and in the manner
5 provided by Article 7880--37, Vernon's
6 Texas Civil Statutes. . . .

7 (4) Section 10, Chapter 616, Acts of the 61st
8 Legislature, Regular Session, 1969, provides that
9 three directors constitute a quorum and that a
10 concurrence of three directors is sufficient in all
11 matters relating to the business of the district,
12 including certain construction matters. The revised
13 law omits that provision because it duplicates, in
14 substance, Section 49.053, Water Code. The omitted
15 law reads:

16 Sec. 10. . . . Three directors shall
17 constitute a quorum of any meeting, and a
18 concurrence of three shall be sufficient in
19 all matters pertaining to the business of
20 the district including the letting of
21 construction contracts and the drawing of
22 warrants in payment for construction work,
23 the purchase of existing facilities, and
24 matters relating to construction
25 work. . . .

26 (5) Section 10, Chapter 616, Acts of the 61st
27 Legislature, Regular Session, 1969, provides for the
28 selection of officers by the board and the powers of
29 the board's president. The revised law omits those
30 provisions because they duplicate, in substance,
31 Section 49.054, Water Code. The omitted law reads:

32 Sec. 10. . . . The board shall select
33 from its number a president, vice
34 president, secretary and such other
35 officers as in the judgment of the board are
36 necessary. The president may execute all
37 contracts, construction or otherwise,
38 entered into by the board of directors on
39 behalf of the district. . . .

40 [Sections 8284.056-8284.100 reserved for expansion]

41 SUBCHAPTER C. POWERS AND DUTIES

42 Revised Law

43 Sec. 8284.101. MUNICIPAL UTILITY DISTRICT POWERS. The
44 district has all of the rights, powers, privileges, and functions

1 conferred and imposed by the general law of this state relating to
2 municipal utility districts created under Section 59, Article XVI,
3 Texas Constitution, including those conferred by Chapters 49 and
4 54, Water Code. (Acts 61st Leg., R.S., Ch. 616, Sec. 5 (part).)

5 Source Law

6 Sec. 5. The district shall have and exercise,
7 and is hereby vested with, all of the rights, powers,
8 privileges, authority and functions conferred and
9 imposed by the general laws of this state now in force
10 or hereafter enacted, applicable to water control and
11 improvement districts created under authority of
12 Article XVI, Section 59, Constitution of Texas,
13 including without limitation those conferred by
14 Chapter 3A, Title 128, Vernon's Texas Civil Statutes;
15

16 Revisor's Note

17 (1) Section 5, Chapter 616, Acts of the 61st
18 Legislature, Regular Session, 1969, states that the
19 district "shall have and exercise, and is hereby
20 vested with," certain powers. The revised law
21 substitutes "has" for the quoted language because in
22 the context of this section, the terms are synonymous
23 and "has" is more commonly used.

24 (2) Section 5, Chapter 616, Acts of the 61st
25 Legislature, Regular Session, 1969, refers to "rights,
26 powers, privileges, authority and functions." The
27 revised law omits "authority" as included in the
28 meaning of "power" and "powers."

29 (3) Section 5, Chapter 616, Acts of the 61st
30 Legislature, Regular Session, 1969, states that the
31 district has the rights, powers, privileges,
32 authority, and functions conferred by the general laws
33 of this state "now in force or hereafter enacted." The
34 revised law omits the quoted language because it is
35 unnecessary under accepted general principles of
36 statutory construction. The "general laws of this
37 state" means those laws "in force" at the time the
38 provision was adopted. It is not necessary to state
39 that the district may be granted additional powers by

1 later enacted laws because those laws apply on their
2 own terms.

3 (4) Section 5, Chapter 616, Acts of the 61st
4 Legislature, Regular Session, 1969, grants the
5 district certain powers, including "without
6 limitation" the powers conferred by Chapter 3A, Title
7 128, Vernon's Texas Civil Statutes. The revised law
8 omits "without limitation" because Section
9 311.005(13), Government Code (Code Construction Act),
10 provides that "includes" and "including" are terms of
11 enlargement and not of limitation and do not create a
12 presumption that components not expressed are
13 excluded.

14 (5) Section 5, Chapter 616, Acts of the 61st
15 Legislature, Regular Session, 1969, refers to "Chapter
16 3A, Title 128, Vernon's Texas Civil Statutes." The
17 relevant provisions of that statute were codified by
18 Chapter 58, Acts of the 62nd Legislature, Regular
19 Session, 1971, as Chapter 51, Water Code. After the
20 district converted to a municipal utility district in
21 1979, Chapter 51, Water Code, no longer applied to the
22 district. Instead, Chapter 54, Water Code, applies to
23 the district under Section 54.034 of that code. See
24 Revisor's Note (3) to Section 8284.002. In 1995,
25 Section 2, Chapter 715, Acts of the 74th Legislature,
26 Regular Session, enacted Chapter 49, Water Code. To
27 reflect those changes, the revised law substitutes a
28 reference to Chapters 49 and 54, Water Code, for the
29 reference to "Chapter 3A, Title 128, Vernon's Texas
30 Civil Statutes."

31 (6) Section 5, Chapter 616, Acts of the 61st
32 Legislature, Regular Session, 1969, refers to the
33 continuing right of this state to supervise the
34 district through the Texas Water Rights Commission.

1 The revised law omits the provision because the Texas
2 Commission on Environmental Quality is the successor
3 to the Texas Water Rights Commission, and therefore
4 the provision duplicates, in substance, part of
5 Section 12.081, Water Code, which applies to the
6 district. The omitted law reads:

7 Sec. 5. . . .
8 The rights, powers, privileges,
9 authority and functions herein granted to
10 the district shall be subject to the
11 continuing right of supervision of the
12 state, to be exercised by and through the
13 Texas Water Rights Commission. . . .

14 Revised Law

15 Sec. 8284.102. ADDITIONAL POWERS. (a) The district may:

16 (1) make, purchase, construct, lease, or otherwise
17 acquire property, works, facilities, existing improvements, or
18 improvements to be made, constructed, or acquired that are:

19 (A) inside or outside the district's boundaries;
20 and

21 (B) necessary to carry out the powers granted by
22 this chapter or general law; or

23 (2) enter into a contract with a person on terms the
24 board considers desirable, fair, and advantageous for:

25 (A) the purchase or sale of water;

26 (B) the transportation, treatment, and disposal
27 of the domestic, industrial, or communal wastes of the district or
28 others;

29 (C) the continuing and orderly development of
30 land and property in the district through the purchase,
31 construction, or installation of facilities, works, or
32 improvements that the district is otherwise authorized to do or
33 perform so that, to the greatest extent reasonably possible,
34 considering sound engineering and economic practices, all of the
35 land and property may ultimately receive the services of the
36 facilities, works, or improvements; and

37 (D) the performance of any of the powers granted

1 by this chapter or the general law relating to municipal utility
2 districts.

3 (b) A contract under Subsection (a)(2) may not have a
4 duration of more than 40 years. (Acts 61st Leg., R.S., Ch. 616,
5 Sec. 5 (part).)

6 Source Law

7 Sec. 5. . . .

8 Not by way of limitation, the District shall have
9 and is hereby expressly granted the following rights,
10 powers, privileges and functions:

11 (a) The power and authority to make,
12 purchase, construct, lease, or otherwise acquire
13 property, works, facilities and improvements (whether
14 previously existing or to be made, constructed or
15 acquired) within or without the boundaries of the
16 district necessary to carry out the powers and
17 authority granted by this Act and the general laws.

18 (b) The right, power and authority to
19 enter into contracts of not exceeding 40 years'
20 duration with persons, corporations, public or
21 private, municipal corporations, political
22 subdivisions of the State of Texas, and others, on such
23 terms and conditions as the board of directors may deem
24 desirable, fair and advantageous for:

25 (1) the purchase and sale of water,
26 or either;

27 (2) the transportation, treatment
28 and disposal of its domestic, industrial or communal
29 wastes or the transportation, treatment and disposal
30 of domestic, industrial or communal wastes of others;

31 (3) the continuing and orderly
32 development of the lands and property within the
33 district through the purchase, construction or
34 installation of facilities, works or improvements
35 which the district may otherwise be empowered and
36 authorized to do or perform so that, to the greatest
37 extent reasonably possible, considering sound
38 engineering and economic practices, all of such lands
39 and property may be placed in a position to ultimately
40 receive the services of such facilities, works or
41 improvements; and

42 (4) the performance of any of the
43 rights or powers granted in this Act and the general
44 laws relating to water control and improvement
45 districts. . . .

46 Revisor's Note

47 (1) Section 5, Chapter 616, Acts of the 61st
48 Legislature, Regular Session, 1969, provides that,
49 "[n]ot by way of limitation," the district has certain
50 specified rights, powers, privileges, and functions.
51 The revised law omits the quoted language because it is
52 an accepted general principle of statutory
53 construction that a grant of a right, power,

1 privilege, or function does not act as a limitation.
2 The general principle applies to this revision.

3 (2) Section 5, Chapter 616, Acts of the 61st
4 Legislature, Regular Session, 1969, provides that the
5 district "shall have and is hereby expressly granted
6 the following rights, powers, privileges and
7 functions" to take certain actions. The revised law
8 substitutes "may" for the quoted language because that
9 term is more concise and is the substantive equivalent
10 of the quoted language.

11 (3) Section 5, Chapter 616, Acts of the 61st
12 Legislature, Regular Session, 1969, refers to the
13 power of the district to enter into contracts with
14 persons, "corporations, public or private, municipal
15 corporations, political subdivisions of the State of
16 Texas, and others." The revised law omits the quoted
17 language because under Section 311.005(2), Government
18 Code (Code Construction Act), "person" is defined to
19 include any legal entity.

20 (4) Section 5, Chapter 616, Acts of the 61st
21 Legislature, Regular Session, 1969, provides that the
22 district may enter into a contract on "terms and
23 conditions" the board considers desirable, fair, and
24 advantageous. The revised law omits the reference to
25 "conditions" because "conditions" is included in the
26 meaning of "terms."

27 Revised Law

28 Sec. 8284.103. EMINENT DOMAIN. The district may exercise
29 the power of eminent domain only:

- 30 (1) in the county in which the district is located; and
31 (2) when necessary to carry out the purposes for which
32 the district was created. (Acts 61st Leg., R.S., Ch. 616, Sec. 13
33 (part).)

1 under the hand of either the president or the secretary
2 of the district. . . .

4 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

5 Revised Law

6 Sec. 8284.151. TAX METHOD. (a) The district shall use the
7 ad valorem plan of taxation.

8 (b) The board is not required to call or hold a hearing on
9 the adoption of a plan of taxation. (Acts 61st Leg., R.S., Ch. 616,
10 Sec. 8.)

11 Source Law

12 Sec. 8. The ad valorem plan of taxation shall be
13 used by the district and it shall not be necessary for
14 the board of directors to call or hold a hearing on the
15 adoption of a plan of taxation.

16 Revised Law

17 Sec. 8284.152. DISTRICT ACCOUNTS. The district shall keep
18 a complete system of the district's accounts. (Acts 61st Leg.,
19 R.S., Ch. 616, Sec. 14 (part).)

20 Source Law

21 Sec. 14. . . . A complete system of accounts
22 shall be kept by the district and

23 Revised Law

24 Sec. 8284.153. FISCAL YEAR. The fiscal year of the district
25 is from January 1 to December 31 of the same year. (Acts 61st Leg.,
26 R.S., Ch. 616, Sec. 14 (part).)

27 Source Law

28 Sec. 14. . . . The fiscal year of the district
29 shall be from January 1 to December 31 of the same
30 year, unless and until changed by the board of
31 directors. . . .

32 Revisor's Note

33 Section 14, Chapter 616, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that the
35 district's fiscal year is January 1 to December 31
36 "unless and until changed by the board of directors."
37 The revised law omits the quoted language because it
38 duplicates Section 49.158, Water Code.

1 Revised Law

2 Sec. 8284.154. COPY OF AUDIT REPORT. A copy of the audit
3 report prepared under Subchapter G, Chapter 49, Water Code, shall
4 be delivered:

5 (1) to each director; and

6 (2) to a holder of at least 25 percent of the
7 outstanding bonds of the district, on request. (Acts 61st Leg.,
8 R.S., Ch. 616, Sec. 14 (part); New.)

9 Source Law

10 Sec. 14. . . . A written report of the audit
11 shall be delivered to each member of the board of
12 directors . . . a copy of such audit report shall be
13 delivered upon request to the holder or holders of at
14 least 25 percent of the then outstanding bonds of the
15 district; and

16 Revisor's Note

17 (1) Section 14, Chapter 616, Acts of the 61st
18 Legislature, Regular Session, 1969, refers to various
19 audit procedures, including who may receive a copy of
20 the audit report. As detailed in the revisor's notes
21 that follow, procedures that are superseded by
22 Subchapter G, Chapter 49, Water Code, have been
23 omitted as superseded by Section 49.191(b), Water
24 Code, and the specific provisions in Subchapter G that
25 conflict with Chapter 616, Acts of the 61st
26 Legislature, Regular Session, 1969. Section 49.191(b)
27 states that Subchapter G "shall take precedence over
28 all prior statutory enactments." Subchapter G,
29 Chapter 49, Water Code, was enacted in 1995 by Section
30 2, Chapter 715, Acts of the 74th Legislature, Regular
31 Session. For context and the convenience of the
32 reader, the revised law adds a reference to the audit
33 report required by Subchapter G, Chapter 49, Water
34 Code.

35 (2) Section 14, Chapter 616, Acts of the 61st
36 Legislature, Regular Session, 1969, provides that an
37 annual audit of the district's affairs shall be

1 prepared by an independent certified public accountant
2 or a firm of independent certified public accountants
3 of recognized integrity and ability. The revised law
4 omits that provision as superseded by Sections
5 49.191(b) and (c), Water Code (enacted by Section 2,
6 Chapter 715, Acts of the 74th Legislature, Regular
7 Session, 1995). The omitted law reads:

8 Sec. 14. . . . an audit of its
9 affairs for each year shall be prepared by
10 an independent certified public accountant,
11 or a firm of independent certified public
12 accountants, of recognized integrity and
13 ability. . . .

14 (3) Section 14, Chapter 616, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that a
16 written report of the audit shall be delivered to each
17 board member not later than 90 days after the close of
18 each fiscal year. The revised law omits the deadline
19 for delivery of the report as superseded by Sections
20 49.191(b) and (d), Water Code (enacted by Section 2,
21 Chapter 715, Acts of the 74th Legislature, Regular
22 Session, 1995). The omitted law reads:

23 Sec. 14. . . . [A written report of
24 the audit shall be delivered to each member
25 of the board of directors] not later than 90
26 days after the close of each fiscal year;
27 and

28 (4) Section 14, Chapter 616, Acts of the 61st
29 Legislature, Regular Session, 1969, provides that at
30 least five copies of the audit report shall be
31 delivered to the district office and that one of those
32 copies shall constitute a public record. The revised
33 law omits those provisions as superseded by Sections
34 49.191(b), 49.194(c), and 49.196(b), Water Code
35 (enacted by Section 2, Chapter 715, Acts of the 74th
36 Legislature, Regular Session, 1995). The omitted law
37 reads:

38 Sec. 14. . . . at least five
39 additional copies of said audit shall be
40 delivered to the office of the district, one

1 of which shall be kept on file, and shall
2 constitute a public record open to
3 inspection by any interested person or
4 persons within normal office hours;
5 and

6 (5) Section 14, Chapter 616, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that one
8 copy of the audit report shall be filed with the Texas
9 Water Rights Commission. The revised law omits that
10 provision as superseded by Sections 49.191(b) and
11 49.194(a), Water Code (enacted by Section 2, Chapter
12 715, Acts of the 74th Legislature, Regular Session,
13 1995). The omitted law reads:

14 Sec. 14. . . . one copy of such audit
15 report shall be filed with the Texas Water
16 Rights Commission. . . .

17 (6) Section 14, Chapter 616, Acts of the 61st
18 Legislature, Regular Session, 1969, provides that the
19 district shall pay the cost of the audit. The revised
20 law omits that provision because it duplicates Section
21 49.191(a), Water Code. The omitted law reads:

22 Sec. 14. . . . The cost of such audit
23 shall be paid for by the district.

24 Revised Law

25 Sec. 8284.155. PAYMENT OF TAX OR ASSESSMENT NOT REQUIRED.
26 The district is not required to pay a tax or assessment on:

- 27 (1) district property; or
28 (2) a purchase made by the district. (Acts 61st Leg.,
29 R.S., Ch. 616, Sec. 21 (part).)

30 Source Law

31 Sec. 21. . . . the district shall not be
32 required to pay any tax or assessment on its properties
33 or any part thereof or on any purchases made by the
34 district.

35 Revised Law

36 Sec. 8284.156. DEPOSITORY. (a) The board shall select one
37 or more banks in this state to act as depository for the district's
38 money.

39 (b) To the extent that money in the depository bank is not
40 insured by the Federal Deposit Insurance Corporation, the money

1 must be secured in the manner provided by law for the security of
2 county funds.

3 (c) A director may be a shareholder in a bank that is a
4 depository of district money. (Acts 61st Leg., R.S., Ch. 616, Sec.
5 14 (part).)

6 Source Law

7 Sec. 14. The board of directors of the district
8 shall select any bank or banks in the State of Texas to
9 act as depository or depositories for the funds of the
10 district. To the extent that funds in the depository
11 bank or banks are not insured by the Federal Deposit
12 Insurance Corporation, they shall be secured in the
13 manner provided by law for the security of county
14 funds. Any director of the district may be a
15 shareholder in said depository bank or banks. . . .

16 Revisor's Note

17 Section 14, Chapter 616, Acts of the 61st
18 Legislature, Regular Session, 1969, refers to the
19 district's "funds." The revised law substitutes
20 "money" for "funds" because, in the context of
21 district funds, the meaning is the same and "money" is
22 the more commonly used term.

23 [Sections 8284.157-8284.200 reserved for expansion]

24 SUBCHAPTER E. BONDS

25 Revised Law

26 Sec. 8284.201. LOST OR MUTILATED BONDS. A trust indenture
27 securing bonds issued under this chapter may provide for the
28 issuance of bonds to replace lost or mutilated bonds. (Acts 61st
29 Leg., R.S., Ch. 616, Sec. 12 (part).)

30 Source Law

31 Sec. 12. . . . [Such bonds . . . may be
32 additionally secured by a deed of trust or mortgage
33 lien] Such trust indenture, . . . may make
34 provisions for . . . the issuance of bonds to replace
35 lost or mutilated bonds, and

36 Revised Law

37 Sec. 8284.202. USE OF BOND PROCEEDS DURING CONSTRUCTION.
38 (a) The district may appropriate or set aside out of the proceeds
39 from the sale of any bonds issued under this chapter an amount for
40 the payment of interest, administrative, and operating expenses

1 expected to accrue during a period of construction, as may be
2 provided in the bond orders or resolutions.

3 (b) For purposes of this section, the period of construction
4 may not exceed three years. (Acts 61st Leg., R.S., Ch. 616, Sec. 12
5 (part).)

6 Source Law

7 Sec. 12. . . .

8 From the proceeds of sale of any bonds issued
9 hereunder, the district may appropriate or set aside
10 out of the bond proceeds an amount for the payment of
11 interest, administrative and operating expenses
12 expected to accrue during the period of construction,
13 (such period not to exceed three years), as may be
14 provided in the bond orders or resolutions, and

15 Revised Law

16 Sec. 8284.203. REFUNDING BONDS. (a) By order or resolution
17 adopted by the board, the district may issue tax or revenue
18 refunding bonds or tax-revenue refunding bonds to refund revenue
19 bonds or tax-revenue bonds, whether original bonds or refunding
20 bonds, previously issued by the district.

21 (b) The comptroller shall register the refunding bonds on
22 the surrender and cancellation of the bonds to be refunded.

23 (c) Instead of issuing bonds to be registered on the
24 surrender and cancellation of the bonds to be refunded, the
25 district, in the order or resolution authorizing the issuance of
26 the refunding bonds, may provide for the sale of the refunding bonds
27 and the deposit of the proceeds in the place or places where the
28 bonds to be refunded are payable. In that case, the refunding bonds
29 may be issued if an amount sufficient to pay the principal of and
30 interest on the bonds to be refunded to their maturity dates, or to
31 their option dates if according to their terms the bonds have been
32 called for payment before maturity, has been deposited in the place
33 or places where the bonds to be refunded are payable, and the
34 comptroller shall register the refunding bonds without the
35 surrender and cancellation of the bonds to be refunded. (Acts 61st
36 Leg., R.S., Ch. 616, Sec. 12 (part).)

37 Source Law

38 Sec. 12. . . .

1 By orders or resolutions adopted by its board of
2 directors, said district shall have the power and
3 authority to issue tax or revenue refunding bonds or
4 tax-revenue refunding bonds to refund revenue bonds or
5 tax-revenue bonds (either original bonds or refunding
6 bonds) theretofore issued by such district. Said
7 refunding bonds shall be approved by the attorney
8 general as in the case of original bonds, and shall be
9 registered by the comptroller of public accounts upon
10 the surrender and cancellation of the bonds to be
11 refunded, but in lieu thereof, the orders or
12 resolutions authorizing their issuance may provide
13 that they shall be sold and the proceeds thereof
14 deposited in the place or places where the underlying
15 bonds are payable, in which case the refunding bonds
16 may be issued provided an amount sufficient to pay the
17 interest and principal on the underlying bonds to
18 their maturity dates, or to their option dates if said
19 bonds have been duly called for payment prior to
20 maturity according to their terms, has been so
21 deposited in the place or places where said underlying
22 bonds are payable, and the comptroller of public
23 accounts shall register them without the surrender and
24 cancellation of the underlying bonds. . . .

25 Revisor's Note

26 (1) Section 12, Chapter 616, Acts of the 61st
27 Legislature, Regular Session, 1969, provides that the
28 district "shall have the power and authority" to issue
29 certain bonds. The revised law substitutes "may" for
30 the quoted language for the reason stated in Revisor's
31 Note (2) to Section 8284.102.

32 (2) Section 12, Chapter 616, Acts of the 61st
33 Legislature, Regular Session, 1969, provides that
34 refunding bonds "shall be approved by the attorney
35 general as in the case of original bonds." The revised
36 law omits the quoted language because it is superseded
37 by Section 1202.003, Government Code, enacted in 1987
38 as Section 3.002(a), Chapter 53, Acts of the 70th
39 Legislature, 2nd Called Session (Article 717k-8,
40 Vernon's Texas Civil Statutes). That section applies
41 to district bonds by application of Section 1202.001,
42 Government Code.

43 (3) Section 12, Chapter 616, Acts of the 61st
44 Legislature, Regular Session, 1969, refers to bonds
45 that have been "duly" called for payment before their
46 maturity. The revised law omits "duly" in this context

1 because it does not add to the clear meaning of the
2 law.

3 Revisor's Note
4 (End of Subchapter)

5 (1) Section 11, Chapter 616, Acts of the 61st
6 Legislature, Regular Session, 1969, provides that the
7 district shall comply with the requirements of Article
8 7880--139, Vernon's Texas Civil Statutes. Article
9 7880--139 was codified by Chapter 58, Acts of the 62nd
10 Legislature, Regular Session, 1971, as Sections 51.421
11 and 51.422, Water Code. After the district was
12 converted to a municipal utility district in 1979,
13 those sections no longer applied to the district.
14 Instead, Sections 54.516 and 54.517, Water Code,
15 applied to the district under Section 54.034 of that
16 code. See Revisor's Note (3) to Section 8284.002.
17 Chapter 715, Acts of the 74th Legislature, Regular
18 Session, 1995, repealed Sections 54.516 and 54.517,
19 Water Code, and enacted Sections 49.181 and 49.182,
20 Water Code, to govern the authority of the Texas
21 Commission on Environmental Quality over the issuance
22 of district bonds and supervision by the commission of
23 projects and improvements, respectively. Sections
24 49.181 and 49.182, Water Code, apply to the district on
25 their own terms, without an express reference to those
26 sections in this chapter. The omitted law reads:

27 Sec. 11. The district shall comply
28 with the requirements of Article 7880--139,
29 Vernon's Texas Civil Statutes as it
30 presently exists or as it may be hereafter
31 amended.

32 (2) Section 12, Chapter 616, Acts of the 61st
33 Legislature, Regular Session, 1969, refers to the
34 district's authority to issue bonds for specific
35 purposes. The revised law omits that provision
36 because it duplicates Section 54.501, Water Code. The
37 omitted law reads:

1 Sec. 12. The district is hereby
2 authorized to issue [its negotiable tax
3 bonds, revenue bonds, or tax and revenue]
4 bonds to provide funds for any or all of the
5 purposes set out or incorporated by
6 reference herein, including the acquisition
7 of land therefor, and

8 (3) Section 12, Chapter 616, Acts of the 61st
9 Legislature, Regular Session, 1969, authorizes the
10 district to issue "negotiable" bonds and provides for
11 the payment of those bonds. The revised law omits the
12 reference to "negotiable" bonds because Section
13 1201.041, Government Code, provides that a public
14 security is a negotiable instrument. Section 1201.041
15 applies to district bonds by application of Section
16 1201.002, Government Code. The revised law omits the
17 provision regarding the payment of district bonds
18 because the provision duplicates, in substance,
19 Section 54.503, Water Code. The omitted law reads:

20 Sec. 12. [The district is hereby
21 authorized to issue] its negotiable tax
22 bonds, revenue bonds, or tax and revenue
23 [bonds]

24 The bonds issued hereunder may be
25 payable from all or any designated part or
26 parts of the revenues of the district's
27 properties and facilities or under specific
28 contracts, as may be provided in the orders
29 or resolutions authorizing the issuance of
30 such bonds; and,

31 (4) Section 12, Chapter 616, Acts of the 61st
32 Legislature, Regular Session, 1969, provides that
33 district bonds shall be issued under Chapter 3A, Title
34 128, and Article 7880--90a, Vernon's Texas Civil
35 Statutes. Chapter 58, Acts of the 62nd Legislature,
36 Regular Session, 1971, codified the relevant
37 provisions of Chapter 3A, Title 128, as Chapter 51,
38 Water Code. The same act codified Article 7880--90a as
39 Sections 51.450-51.454, Water Code. The revised law
40 omits the references to those laws because the
41 district converted from a water control and
42 improvement district governed by Chapter 51, Water

1 Code, to a municipal utility district governed by
2 Chapter 54, Water Code. See Revisor's Note (3) to
3 Section 8284.002. The provisions of Chapter 54, Water
4 Code, apply on their own terms. The omitted law reads:

5 Sec. 12. . . . said bonds shall be
6 issued in the manner provided and as
7 authorized by Article 7880--90a, Vernon's
8 Texas Civil Statutes and Chapter 3A of Title
9 128, Vernon's Texas Civil Statutes, as
10 presently or hereafter amended,

11 (5) Section 12, Chapter 616, Acts of the 61st
12 Legislature, Regular Session, 1969, provides that an
13 election is not required for bonds payable from
14 revenues. The revised law omits that provision
15 because it duplicates, in substance, Section 54.505,
16 Water Code. The omitted law reads:

17 Sec. 12. . . . provided, however,
18 that bonds payable solely from net revenues
19 may be issued by resolution or order of the
20 board of directors and no election therefor
21 shall be necessary. . . .

22 (6) Section 12, Chapter 616, Acts of the 61st
23 Legislature, Regular Session, 1969, provides that
24 Chapter 3A, Title 128, Vernon's Texas Civil Statutes,
25 applies to bonds issued under Section 12 except when
26 Chapter 3A is inconsistent or in conflict with Section
27 12. The revised law omits the provision for the
28 reasons stated in Revisor's Note (4) to the end of this
29 subchapter and Revisor's Note (1) to the end of
30 Subchapter A. The omitted law reads:

31 Sec. 12. . . . except as the same may
32 be inconsistent or in conflict with the
33 provisions of this Act, the provisions of
34 said Chapter 3A of Title 128, Vernon's Texas
35 Civil Statutes, as presently or hereafter
36 amended, shall apply to all bonds issued
37 under the provisions of this Act (the
38 provisions of this Act to govern and take
39 precedence in the event of any such
40 inconsistency or conflict). . . .

41 (7) Section 12, Chapter 616, Acts of the 61st
42 Legislature, Regular Session, 1969, provides for
43 additional security for bonds. The revised law omits

1 that provision because it duplicates Section 54.504,
2 Water Code. The omitted law reads:

3 Sec. 12. . . .

4 Such bonds, within the discretion of
5 the board of directors, may be additionally
6 secured by a deed of trust or mortgage lien
7 upon part or all of the physical properties
8 of the district, and franchises, easements,
9 water rights and appropriation permits,
10 leases, and contracts and all rights
11 appurtenant to such properties, vesting in
12 the trustee power to sell such properties
13 for payment of the indebtedness, power to
14 operate the properties and all other powers
15 and authority for the further security of
16 the bonds. [Such trust indenture,
17 regardless of the existence of the deed of
18 trust or mortgage lien on the properties,
19 may contain provisions prescribed by the
20 board of directors for the security of the
21 bonds and the preservation of the trust
22 estate, and [may make provisions for]
23 amendment or modification thereof and . . .
24 may condition the right to expend district
25 money or sell district property upon
26 approval of a registered professional
27 engineer selected as provided therein and
28 may make provisions for investment of funds
29 of the district. Any purchaser under a sale
30 under the deed of trust or mortgage lien,
31 where one is given, shall be absolute owner
32 of the properties, facilities and rights so
33 purchased and shall have the right to
34 maintain and operate same. . . .

35 (8) Section 12, Chapter 616, Acts of the 61st
36 Legislature, Regular Session, 1969, specifies various
37 provisions of bonds. The revised law omits that
38 provision because it duplicates Section 54.510, Water
39 Code. The omitted law reads:

40 Sec. 12. . . .

41 In the orders or resolutions
42 authorizing the issuance of any revenue,
43 tax-revenue, revenue refunding, or
44 tax-revenue refunding bonds authorized
45 hereunder, the district's board of
46 directors may provide for the flow of funds,
47 the establishment and maintenance of the
48 interest and sinking fund or funds, reserve
49 fund or funds, and other funds, and may make
50 additional covenants with respect to the
51 bonds and the pledged revenues and the
52 operation and maintenance of those
53 improvements and facilities (the revenues
54 of which are pledged), including provisions
55 for the operation or for the leasing of all
56 or any part of said improvements and
57 facilities and the use or pledge of moneys
58 derived from such operation contracts and
59 leases, as such board may deem appropriate.
60 Such orders or resolutions may also

1 prohibit the further issuance of bonds or
2 other obligations payable from the pledged
3 revenues, or may reserve the right to issue
4 additional bonds to be secured by a pledge
5 of and payable from said revenues on a
6 parity with, or subordinate to, the lien and
7 pledge in support of the bonds being issued,
8 subject to such conditions as are set forth
9 in such orders or resolutions. Such orders
10 or resolutions may contain other provisions
11 and covenants, as the district's board may
12 determine, not prohibited by the
13 Constitution of Texas or by this Act, and
14 said board may adopt and cause to be
15 executed any other proceedings or
16 instruments necessary and/or convenient in
17 the issuance of any such bonds. . . .

18 (9) Section 12, Chapter 616, Acts of the 61st
19 Legislature, Regular Session, 1969, provides for the
20 use of bond proceeds to pay expenses incurred and to be
21 incurred in the issuance, sale, and delivery of the
22 bonds. The revised law omits that provision because it
23 duplicates, in substance, Section 49.155, Water Code.
24 The omitted law reads:

25 Sec. 12. . . .
26 [From the proceeds of sale of any bonds
27 issued hereunder, the district may
28 appropriate or set aside out of the bond
29 proceeds] . . . an amount necessary to pay
30 all expenses incurred and to be incurred in
31 the issuance, sale and delivery of the
32 bonds. . . .

33 (10) Section 12, Chapter 616, Acts of the 61st
34 Legislature, Regular Session, 1969, provides that
35 money in a fund established or provided for in a bond
36 order or resolution may be invested in securities as
37 provided in the bond order or may be placed on
38 interest-bearing time deposit. The revised law omits
39 that provision because it is superseded by Subchapter
40 A, Chapter 2256, Government Code (enacted as Chapter
41 889, Acts of the 70th Legislature, Regular Session,
42 1987). The omitted law reads:

43 Sec. 12. . . . Moneys in the interest
44 and sinking fund or funds and the reserve
45 fund or funds, and in the other fund or
46 funds established or provided for in the
47 bond orders or resolutions may be invested
48 in such manner and in such securities as may
49 be provided in the bond order or orders or
50 may be placed on interest-bearing time

1 deposit. . . .

2 (11) Section 12, Chapter 616, Acts of the 61st
3 Legislature, Regular Session, 1969, provides that bond
4 proceeds may be invested in securities of the United
5 States or placed on interest-bearing time deposit.
6 The revised law omits that provision as superseded by
7 Subchapter A, Chapter 2256, Government Code (enacted
8 as Chapter 889, Acts of the 70th Legislature, Regular
9 Session, 1987). The omitted law reads:

10 Sec. 12. . . . Until such time as the
11 bond proceeds are needed to carry out the
12 bond purpose, such proceeds may be invested
13 in securities of the United States
14 Government or any agency thereof or may be
15 placed on interest-bearing time deposit,
16 either or both. . . .

17 (12) Section 12, Chapter 616, Acts of the 61st
18 Legislature, Regular Session, 1969, provides that
19 district bonds may be registered as to principal or as
20 to principal and interest. The revised law omits that
21 provision because it duplicates Section 1201.024,
22 Government Code. That section applies to district
23 bonds by application of Section 1201.002, Government
24 Code. The omitted law reads:

25 Sec. 12. . . . Any such revenue
26 bonds, tax bonds, revenue refunding bonds,
27 or tax-revenue refunding bonds hereinafter
28 mentioned may be registrable as to
29 principal, or as to both principal and
30 interest. . . .

31 (13) Section 12, Chapter 616, Acts of the 61st
32 Legislature, Regular Session, 1969, requires the
33 district to deliver its bonds to the attorney general
34 for examination and approval. The revised law omits
35 that provision because it duplicates, in substance,
36 Section 1202.003, Government Code. Section 1202.003,
37 Government Code, applies to district bonds by
38 application of Section 1202.001, Government Code. The
39 omitted law reads:

40 Sec. 12. . . .
41 After any bonds have been authorized

1 by the district hereunder, such bonds and
2 the record relating to their issuance shall
3 be submitted to the Attorney General of the
4 State of Texas for his examination as to the
5 validity thereof, and

6 (14) Section 12, Chapter 616, Acts of the 61st
7 Legislature, Regular Session, 1969, provides that
8 after approval the bonds shall be registered with the
9 comptroller. The revised law omits that provision as
10 superseded by Section 1202.005, Government Code
11 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
12 of the 70th Legislature, 2nd Called Session). Section
13 1202.005, Government Code, applies to district bonds
14 by application of Section 1202.001, Government Code.
15 The omitted law reads:

16 Sec. 12. . . . after said attorney
17 general has approved the same, such bonds
18 shall be registered by the Comptroller of
19 Public Accounts of the State of
20 Texas. . . .

21 (15) Section 12, Chapter 616, Acts of the 61st
22 Legislature, Regular Session, 1969, provides that
23 after approval and registration, district bonds are
24 incontestable except for forgery or fraud. The
25 revised law omits that provision as impliedly repealed
26 by Section 1202.006, Government Code (enacted as
27 Section 3.002(d), Chapter 53, Acts of the 70th
28 Legislature, 2nd Called Session, 1987). Section
29 1202.006, Government Code, provides that after
30 approval and registration, bonds are incontestable for
31 any reason. Section 1202.006 applies to district
32 bonds by application of Section 1202.001, Government
33 Code. The omitted law reads:

34 Sec. 12. . . . When such bonds have
35 been approved by the attorney general,
36 registered by the comptroller of public
37 accounts, and delivered to the purchasers,
38 they shall thereafter be incontestable
39 except for forgery or fraud. . . .

40 (16) Section 12, Chapter 616, Acts of the 61st
41 Legislature, Regular Session, 1969, details various

1 procedures regarding the attorney general's approval
2 of bond contracts and proceedings. The revised law
3 omits the portion of Section 12 regarding the
4 incontestability of a contract the proceeds of which
5 are pledged to the payment of a bond as impliedly
6 repealed by Section 1202.006, Government Code (enacted
7 as Section 3.002(d), Chapter 53, Acts of the 70th
8 Legislature, 2nd Called Session, 1987). Section
9 1202.006, Government Code, provides that after
10 approval and registration of the bond, the bond and
11 contract are incontestable for any reason. Section
12 1202.006 applies to district bonds by application of
13 Section 1202.001, Government Code. The omitted law
14 reads:

15 Sec. 12. . . . When any bonds recite
16 that they are secured partially or
17 otherwise by a pledge of the proceeds of a
18 contract or contracts made between the
19 district and another party or parties
20 (private or public) a copy of such contract
21 or contracts and the proceedings
22 authorizing the same may or may not be
23 submitted to the attorney general along
24 with the bond record and, if so submitted,
25 the approval by the attorney general of the
26 bonds shall constitute an approval of such
27 contract or contracts, and thereafter the
28 contract or contracts shall be
29 incontestable for any cause except for
30 forgery or fraud.

31 (17) Section 16, Chapter 616, Acts of the 61st
32 Legislature, Regular Session, 1969, provides that the
33 district may sell bonds at any price or on any terms,
34 except that the price may not be less than that
35 provided by law. The revised law omits that provision
36 because it duplicates Section 1204.006(b), Government
37 Code. Section 1204.006(b) provides that an issuer may
38 sell public securities at any price and applies to
39 district bonds by application of Section 1204.001,
40 Government Code. The omitted law reads:

41 Sec. 16. Bonds of the district may be
42 sold at a price and upon the terms
43 determined by the board of directors of the

1 district, except that such bonds shall not
2 be sold for a less amount than provided by
3 law. . . .

4 (18) Section 16, Chapter 616, Acts of the 61st
5 Legislature, Regular Session, 1969, provides that the
6 district may sell bonds only after soliciting bids.
7 The revised law omits that provision because it
8 duplicates, in substance, Section 49.183(a), Water
9 Code. The omitted law reads:

10 Sec. 16. . . . No bonds shall be sold
11 by the district until it has solicited bids
12 therefor.

13 (19) Section 17, Chapter 616, Acts of the 61st
14 Legislature, Regular Session, 1969, provides that
15 elections to authorize district bonds must be held
16 under applicable general law. Section 17 also
17 provides that if the first bond election fails, any
18 provision of the general law relating to the
19 dissolution of a district when a bond election fails
20 does not apply to the district. The revised law omits
21 the provision relating to the first bond election as
22 executed. The revised law omits the provision
23 requiring bond elections to be held under applicable
24 general law because the provision duplicates Section
25 49.101, Water Code. The omitted law reads:

26 Sec. 17. All elections to authorize
27 the issuance of bonds by the district shall
28 be held pursuant to the general law
29 applicable to water control and improvement
30 districts; provided, however, that if the
31 first bond election fails, Article
32 7880--77b, Vernon's Texas Civil Statutes,
33 or any other provision of the general law
34 pertaining to dissolution of the district
35 when a bond election fails, shall not apply.

36 (20) Section 19, Chapter 616, Acts of the 61st
37 Legislature, Regular Session, 1969, lists the entities
38 for which district bonds are legal investments and
39 provides that district bonds may secure deposits of
40 public funds of the state or political subdivisions.
41 The revised law omits the provision relating to the

1 eligibility of district bonds to be considered as
2 investments for various entities because it duplicates
3 Section 49.186(a), Water Code. The revised law omits
4 the provision relating to deposits of state funds by
5 the comptroller as impliedly repealed by Section
6 404.0221, Government Code (enacted in 1995), which
7 lists eligible collateral for deposits of state funds
8 by the comptroller. As to deposits of other funds, the
9 provision is impliedly repealed by Chapter 2257,
10 Government Code (enacted in 1989 as Article 2529d,
11 Vernon's Texas Civil Statutes), which governs eligible
12 collateral for deposits of funds of other public
13 agencies, including political subdivisions, and
14 permits those deposits to be secured by obligations
15 issued by conservation and reclamation districts. The
16 omitted law reads:

17 Sec. 19. All bonds and refunding
18 bonds of the district shall be and are
19 hereby declared to be legal, eligible and
20 authorized investments for banks, savings
21 and loan associations, insurance companies,
22 fiduciaries, and for the sinking funds of
23 cities, towns, villages, counties, school
24 districts, or other political corporations
25 or subdivisions of the State of Texas and
26 for all public funds of the State of Texas
27 or its agencies, including the State
28 Permanent School Fund. Such bonds and
29 refunding bonds shall be eligible to secure
30 the deposit of any and all public funds of
31 the State of Texas, cities, towns,
32 villages, counties, school districts, or
33 other political corporations or
34 subdivisions of the State of Texas; and such
35 bonds shall be lawful and sufficient
36 security for said deposits to the extent of
37 their face value, when accompanied by all
38 unmatured coupons appurtenant thereto.

39 Revisor's Note
40 (End of Chapter)

41 (1) Section 6, Chapter 616, Acts of the 61st
42 Legislature, Regular Session, 1969, provides that it
43 is not necessary for the board of directors to hold an
44 election to confirm the district's organization and
45 that the district is validly created from and after the

1 passage of that act. The revised law omits that
2 provision as executed. The omitted law reads:

3 Sec. 6. It shall not be necessary for
4 the board of directors to call or hold an
5 election to confirm the organization of the
6 district and such district shall be validly
7 created from and after the passage of this
8 Act.

9 (2) Section 7, Chapter 616, Acts of the 61st
10 Legislature, Regular Session, 1969, provides for the
11 exclusion of property from the district before the
12 first bond election is called. The revised law omits
13 that provision as executed because the district has
14 already issued bonds. The omitted law reads:

15 Sec. 7. It shall not be necessary for
16 the board of directors to call or hold a
17 hearing on the exclusions of land or other
18 property from the district; provided,
19 however, that the board shall hold such
20 hearing upon the written petition of any
21 landowner or other property owner within
22 the district filed with the secretary of the
23 board prior to the calling of the first bond
24 election for the district. The board may
25 act on said petition in the same manner that
26 it may act on a petition for the addition of
27 land under Article 7880--75, Vernon's Texas
28 Civil Statutes and no notice of hearing
29 shall be required. . . .

30 (3) Section 7, Chapter 616, Acts of the 61st
31 Legislature, Regular Session, 1969, provides that the
32 board may on its own motion hold a hearing on the
33 exclusion of property from the district in the manner
34 provided by general law. The revised law omits that
35 provision because it duplicates, in substance, Section
36 49.303(b), Water Code. The omitted law reads:

37 Sec. 7. . . . The board on its own
38 motion may call and hold an exclusions
39 hearing or hearings in the manner provided
40 by the general law.

41 (4) Section 18, Chapter 616, Acts of the 61st
42 Legislature, Regular Session, 1969, provides that the
43 board shall canvass the returns of all elections. The
44 revised law omits that requirement because it
45 duplicates Section 67.002, Election Code, which

1 requires the governing body of a political subdivision
2 that orders an election to canvass the returns.
3 Section 18 also provides that the board shall canvass
4 the election returns "as soon as reasonably
5 practicable after an election." The revised law omits
6 that provision as superseded by Section 67.003,
7 Election Code (enacted by Section 1, Chapter 211, Acts
8 of the 69th Legislature, Regular Session, 1985). The
9 omitted law reads:

10 Sec. 18. . . . The returns of all
11 elections shall be canvassed by the board of
12 directors of the district as soon as
13 reasonably practicable after an election.

14 (5) Section 22, Chapter 616, Acts of the 61st
15 Legislature, Regular Session, 1969, provides that the
16 act is severable. The revised law omits that provision
17 because it duplicates Section 311.032, Government Code
18 (Code Construction Act), which states that a provision
19 of a statute is severable from each other provision of
20 the statute that can be given effect. The omitted law
21 reads:

22 Sec. 22. If any word, phrase, clause,
23 paragraph, sentence, part, portion or
24 provision of this Act or the application
25 thereof to any person or circumstance shall
26 be held to be invalid or unconstitutional,
27 the remainder of the Act shall nevertheless
28 be valid, and the Legislature hereby
29 declares that this Act would have been
30 enacted without such invalid or
31 unconstitutional word, phrase, clause,
32 paragraph, sentence, part, portion or
33 provision.

34 (6) Section 23, Chapter 616, Acts of the 61st
35 Legislature, Regular Session, 1969, contains
36 legislative findings relating to the performance of
37 certain requirements under Section 59(d), Article XVI,
38 Texas Constitution. The revised law omits that
39 provision as executed. The omitted law reads:

40 Sec. 23. It is determined and found
41 that a proper and legal notice of the
42 intention to introduce this Act, setting
43 forth the general substance of this Act, has

1 been published at least 30 days and not more
2 than 90 days prior to the introduction of
3 this Act in the Legislature of Texas, in a
4 newspaper having general circulation in
5 Harris County, Texas; that a copy of such
6 notice and a copy of this Act have been
7 delivered to the Governor of Texas who has
8 submitted such notice and Act to the Texas
9 Water Rights Commission, and said Texas
10 Water Rights Commission has filed its
11 recommendation as to such Act with the
12 Governor, Lieutenant Governor and Speaker
13 of the House of Representatives of Texas
14 within 30 days from the date such notice and
15 Act were received by the Texas Water Rights
16 Commission; and that all the requirements
17 and provisions of Article XVI, Section
18 59(d), Constitution of the State of Texas
19 have been fulfilled and accomplished as
20 therein provided.

33 CHAPTER 8285. MALCOMSON ROAD UTILITY DISTRICT

34 SUBCHAPTER A. GENERAL PROVISIONS

35 Revised Law

36 Sec. 8285.001. DEFINITIONS. In this chapter:

- 37 (1) "Board" means the district's board of directors.
38 (2) "Director" means a member of the board.
39 (3) "District" means the Malcomson Road Utility

40 District. (Acts 62nd Leg., R.S., Ch. 658, Sec. 1 (part); New.)

41 Source Law

42 Sec. 1. . . . [a . . . district] . . . to be
43 known as Malcomson Road Utility District, hereinafter
44 called the "district,"

1 Revisor's Note

2 The definitions of "board" and "director" are
3 added to the revised law for drafting convenience and
4 to eliminate frequent, unnecessary repetition of the
5 substance of the definitions.

6 Revised Law

7 Sec. 8285.002. NATURE OF DISTRICT. The district is a
8 conservation and reclamation district in Harris County created
9 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
10 R.S., Ch. 658, Sec. 1 (part).)

11 Source Law

12 Sec. 1. . . . there is hereby created and
13 established, under and pursuant to the provisions of
14 Article XVI, Section 59 of the Constitution of Texas, a
15 conservation and reclamation district in Harris
16 County, Texas, . . . which shall be a governmental
17 agency and a body politic and corporate. . . .

18 Revisor's Note

19 (1) Section 1, Chapter 658, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that the
21 district is "created and established." The revised
22 law omits "established" because the meaning of that
23 word is included in the meaning of "created."

24 (2) Section 1, Chapter 658, Acts of the 62nd
25 Legislature, Regular Session, 1971, provides that the
26 district is created notwithstanding certain laws
27 relating to consent. The revised law omits that
28 provision as executed because the district has been
29 created. The omitted law reads:

30 Sec. 1. Notwithstanding provisions
31 of the general laws relating to consent by
32 political subdivisions for the creation of
33 conservation and reclamation districts,
34 [there is hereby created . . . a
35 conservation and reclamation district]
36

37 (3) Section 1, Chapter 658, Acts of the 62nd
38 Legislature, Regular Session, 1971, refers to the
39 district as "a governmental agency and a body politic
40 and corporate." The revised law omits the quoted

1 language because it duplicates a portion of Section
2 59(b), Article XVI, Texas Constitution, which provides
3 that a conservation and reclamation district is a
4 governmental agency and a body politic and corporate.

5 Revised Law

6 Sec. 8285.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
7 The district is created to serve a public use and benefit.

8 (b) All land and other property included in the boundaries
9 of the district will benefit from the works and projects
10 accomplished by the district under the powers conferred by Section
11 59, Article XVI, Texas Constitution.

12 (c) The creation of the district is essential to accomplish
13 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
14 62nd Leg., R.S., Ch. 658, Secs. 1 (part), 3.)

15 Source Law

16 Sec. 1. . . . The creation and establishment of
17 the district is hereby declared to be essential to the
18 accomplishment of the purposes of Article XVI, Section
19 59 of the Constitution of Texas.

20 Sec. 3. It is determined and found that all of
21 the land and other property included within the area
22 and boundaries of the district will be benefited by the
23 works and project which are to be accomplished by the
24 district pursuant to the powers conferred by the
25 provisions of Article XVI, Section 59 of the
26 Constitution of Texas, and that said district is
27 created to serve a public use and benefit.

28 Revisor's Note

29 (1) Section 1, Chapter 658, Acts of the 62nd
30 Legislature, Regular Session, 1971, provides that the
31 "creation and establishment" of the district are
32 essential to accomplish the purposes of Section 59,
33 Article XVI, Texas Constitution. The revised law
34 omits "establishment" because its meaning is included
35 in the meaning of "creation."

36 (2) Section 3, Chapter 658, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to land and
38 other property included within the "area and
39 boundaries of the district." The revised law omits the

1 reference to "area" because, in context, "area" is
2 included in the meaning of "boundaries."

3 Revised Law

4 Sec. 8285.004. DISTRICT TERRITORY. (a) The district is
5 composed of the territory described by Section 4, Chapter 658, Acts
6 of the 62nd Legislature, Regular Session, 1971, as that territory
7 may have been modified under:

8 (1) Subchapter H, Chapter 54, Water Code;

9 (2) Subchapter J, Chapter 49, Water Code; or

10 (3) other law.

11 (b) The boundaries and field notes of the district form a
12 closure. A mistake in copying the field notes in the legislative
13 process or another mistake in the field notes does not affect:

14 (1) the district's organization, existence, or
15 validity;

16 (2) the district's right to issue any type of bond for
17 a purpose for which the district is created or to pay the principal
18 of and interest on the bond;

19 (3) the district's right to impose a tax; or

20 (4) the legality or operation of the district or its
21 governing body. (Acts 62nd Leg., R.S., Ch. 658, Sec. 2; New.)

22 Source Law

23 Sec. 2. It is determined and found that the
24 boundaries and field notes of the district form a
25 closure. If any mistake is made in copying the field
26 notes in the legislative process or otherwise a
27 mistake is made in the field notes, it shall in no way
28 affect the organization, existence and validity of the
29 district, or the right of the district to issue any
30 type of bonds or refunding bonds for the purposes for
31 which the district is created or to pay the principal
32 and interest thereon, or the right to assess, levy and
33 collect taxes, or in any other manner affect the
34 legality or operation of the district or its governing
35 body.

36 Revisor's Note

37 (1) The revision of the law governing the
38 district does not revise the statutory language
39 describing the territory of the district to avoid the
40 lengthy recitation of the description and because that

1 description may not be accurate on the effective date
2 of the revision or at the time of a later reading. For
3 the reader's convenience, the revised law includes
4 references to the statutory description of the
5 district's territory and to the authority to change the
6 district's territory under Subchapter H, Chapter 54,
7 Water Code, applicable to municipal utility districts,
8 and under Subchapter J, Chapter 49, Water Code,
9 applicable to the district under Sections 49.001 and
10 49.002 of that chapter. The revised law also includes
11 a reference to the general authority of the
12 legislature to enact a law to change the district's
13 territory.

14 (2) Section 2, Chapter 658, Acts of the 62nd
15 Legislature, Regular Session, 1971, provides that a
16 mistake in the description of the district boundaries
17 does not affect the right of the district to issue "any
18 type of bonds or refunding bonds." The revised law
19 omits the reference to "refunding bonds" because
20 refunding bonds are included in the meaning of "any
21 type of bonds."

22 (3) Section 2, Chapter 658, Acts of the 62nd
23 Legislature, Regular Session, 1971, refers to the
24 district's authority to "assess, levy and collect"
25 taxes. The revised law substitutes "impose" for
26 "assess, levy and collect" because "impose" is the
27 term generally used in Title 1, Tax Code, and includes
28 the assessment, levy, and collection of a tax.

29 [Sections 8285.005-8285.050 reserved for expansion]

30 SUBCHAPTER B. BOARD OF DIRECTORS

31 Revised Law

32 Sec. 8285.051. COMPOSITION OF BOARD. The board of
33 directors is composed of five elected directors. (Acts 62nd Leg.,
34 R.S., Ch. 658, Sec. 6 (part).)

1 in that section. The revised law substitutes "five"
2 for "succeeding" to conform to the number of directors
3 listed in Section 6 (establishing the initial board).

4 (3) Section 6, Chapter 658, Acts of the 62nd
5 Legislature, Regular Session, 1971, provides for
6 directors to be elected or appointed and to serve for
7 the term and in the manner provided by Chapter 54,
8 Water Code. Chapter 715, Acts of the 74th Legislature,
9 Regular Session, 1995, repealed the relevant
10 provisions of Chapter 54 and enacted similar
11 provisions in Chapter 49, Water Code, including
12 Section 49.103, which governs the terms of office and
13 manner of election of directors of a municipal utility
14 district that is required by law to elect its
15 directors. The revised law omits any reference to
16 Chapter 49, Water Code, because Chapter 49 applies to
17 the district under Sections 49.001 and 49.002 of that
18 chapter. The revised law also omits "appointed"
19 because it is clear from the context of Section 6 that
20 the reference applies only to directors appointed to
21 fill vacancies as provided by Chapter 49, Water Code.
22 The omitted law reads:

23 Sec. 6. . . . [Succeeding directors
24 shall be elected or] appointed and shall
25 serve for the term and in the manner
26 provided by Chapter 54, Title 4, Water Code,
27 for directors first elected.

28 [Sections 8285.052-8285.100 reserved for expansion]

29 SUBCHAPTER C. POWERS AND DUTIES

30 Revised Law

31 Sec. 8285.101. MUNICIPAL UTILITY DISTRICT POWERS. The
32 district has the rights, powers, privileges, and functions
33 conferred by general law applicable to a municipal utility
34 district, including Chapters 49 and 54, Water Code. (Acts 62nd
35 Leg., R.S., Ch. 658, Sec. 5 (part); New.)

1 Regular Session, 1995, repealed many provisions of
2 Chapter 54 and enacted similar provisions in Chapter
3 49, Water Code, which applies to the district under
4 Sections 49.001 and 49.002 of that chapter.

5 (5) Section 5, Chapter 658, Acts of the 62nd
6 Legislature, Regular Session, 1971, provides that the
7 act prevails over general law in case of a conflict or
8 other inconsistency and that all general laws
9 applicable to municipal utility districts not in
10 conflict or inconsistent with the provisions of the
11 act are adopted and incorporated by reference. The
12 revised law omits the portion of the provision
13 relating to the act prevailing over general law
14 because it duplicates in substance Section 311.026(b),
15 Government Code (Code Construction Act). The revised
16 law omits the portion of the provision relating to
17 adoption and incorporation of general laws because
18 Section 5 of Chapter 658 (revised as this section)
19 already provides that those laws apply to the
20 district, and it is unnecessary to repeat that
21 authority. The omitted law reads:

22 Sec. 5. . . . if any provision of
23 such general laws shall be in conflict or
24 inconsistent with the provisions of this
25 Act, the provisions of this Act shall
26 prevail. All such general laws applicable
27 to municipal utility districts not in
28 conflict or inconsistent with the
29 provisions of this Act are hereby adopted
30 and incorporated by reference with the same
31 effect as if copied in full in this Act.

32 Revisor's Note
33 (End of Chapter)

34 (1) Section 7, Chapter 658, Acts of the 62nd
35 Legislature, Regular Session, 1971, contains
36 legislative findings relating to the performance of
37 the requirements of Section 59(d), Article XVI, Texas
38 Constitution, and to the authority of the legislature
39 to enact that chapter. The revised law omits the

1 provision as executed. The omitted law reads:

2 Sec. 7. The Legislature specifically
3 finds and declares that the requirements of
4 Article XVI, Section 59(d) of the
5 Constitution of Texas have been performed
6 and accomplished in due course and time and
7 order, and that the Legislature has the
8 power and authority to enact this Act.

9 (2) Section 8, Chapter 658, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that the
11 act is severable. The revised law omits that provision
12 because it duplicates Section 311.032, Government Code
13 (Code Construction Act), which provides that a
14 provision of a statute is severable from each other
15 provision of the statute that can be given effect. The
16 omitted law reads:

17 Sec. 8. If any word, phrase, clause,
18 paragraph, sentence, part, portion or
19 provision of this Act or the application
20 thereof to any person or circumstance shall
21 be held to be invalid or unconstitutional,
22 the remainder of the Act shall nevertheless
23 be valid and the Legislature hereby
24 declares that this Act would have been
25 enacted without such invalid or
26 unconstitutional word, phrase, clause,
27 paragraph, sentence, part, portion or
28 provision.

9 known as "Mason Creek Utility District," hereinafter
10 called the "district,"

11 Revisor's Note

12 The definitions of "board" and "director" are
13 added to the revised law for drafting convenience and
14 to eliminate frequent, unnecessary repetition of the
15 substance of the definitions.

16 Revised Law

17 Sec. 8286.002. NATURE OF DISTRICT. The district is a
18 conservation and reclamation district in Harris County created
19 under Section 59, Article XVI, Texas Constitution. (Acts 62nd
20 Leg., R.S., Ch. 664, Sec. 1 (part).)

21 Source Law

22 Sec. 1. . . . there is hereby created and
23 established, under and pursuant to the provisions of
24 Article XVI, Section 59 of the Constitution of Texas, a
25 conservation and reclamation district in Harris
26 County, Texas, . . . which shall be a governmental
27 agency and a body politic and corporate. . . .

28 Revisor's Note

29 (1) Section 1, Chapter 664, Acts of the 62nd
30 Legislature, Regular Session, 1971, provides that the
31 district is "created and established." The revised
32 law omits "established" because the meaning of that
33 word is included in the meaning of "created."

34 (2) Section 1, Chapter 664, Acts of the 62nd
35 Legislature, Regular Session, 1971, provides that the
36 district is created notwithstanding certain laws
37 relating to consent. The revised law omits that
38 provision as executed because the district has been

1 created. The omitted law reads:

2 Sec. 1. Notwithstanding provisions
3 of the general laws relating to consent by
4 political subdivisions for the creation of
5 conservation and reclamation districts,
6 [there is hereby created . . . a
7 conservation and reclamation district]
8

9 (3) Section 1, Chapter 664, Acts of the 62nd
10 Legislature, Regular Session, 1971, refers to the
11 district as "a governmental agency and a body politic
12 and corporate." The revised law omits the quoted
13 language because it duplicates a portion of Section
14 59(b), Article XVI, Texas Constitution, which provides
15 that a conservation and reclamation district is a
16 governmental agency and a body politic and corporate.

17 Revised Law

18 Sec. 8286.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
19 The district is created to serve a public use and benefit.

20 (b) All land and other property included in the boundaries
21 of the district will benefit from the works and projects
22 accomplished by the district under the powers conferred by Section
23 59, Article XVI, Texas Constitution.

24 (c) The creation of the district is essential to accomplish
25 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
26 62nd Leg., R.S., Ch. 664, Secs. 1 (part), 3.)

27 Source Law

28 Sec. 1. . . . The creation and establishment of
29 the district is hereby declared to be essential to the
30 accomplishment of the purposes of Article XVI, Section
31 59 of the Constitution of Texas.

32 Sec. 3. It is determined and found that all of
33 the land and other property included within the area
34 and boundaries of the district will be benefited by the
35 works and project which are to be accomplished by the
36 district pursuant to the powers conferred by the
37 provisions of Article XVI, Section 59 of the
38 Constitution of Texas, and that said district is
39 created to serve a public use and benefit.

40 Revisor's Note

41 (1) Section 1, Chapter 664, Acts of the 62nd
42 Legislature, Regular Session, 1971, provides that the

1 "creation and establishment" of the district are
2 essential to accomplish the purposes of Section 59,
3 Article XVI, Texas Constitution. The revised law
4 omits "establishment" because its meaning is included
5 in the meaning of "creation."

6 (2) Section 3, Chapter 664, Acts of the 62nd
7 Legislature, Regular Session, 1971, refers to land and
8 other property included within the "area and
9 boundaries of the district." The revised law omits the
10 reference to "area" because, in context, "area" is
11 included in the meaning of "boundaries."

12 Revised Law

13 Sec. 8286.004. DISTRICT TERRITORY. (a) The district is
14 composed of the territory described by Section 4, Chapter 664, Acts
15 of the 62nd Legislature, Regular Session, 1971, as that territory
16 may have been modified under:

- 17 (1) Subchapter H, Chapter 54, Water Code;
18 (2) Subchapter J, Chapter 49, Water Code; or
19 (3) other law.

20 (b) The boundaries and field notes of the district form a
21 closure. A mistake in copying the field notes in the legislative
22 process or another mistake in the field notes does not affect:

- 23 (1) the district's organization, existence, or
24 validity;
25 (2) the district's right to issue any type of bond for
26 the purpose for which the district is created or to pay the
27 principal of and interest on the bond;
28 (3) the district's right to impose a tax; or
29 (4) the legality or operation of the district or its
30 governing body. (Acts 62nd Leg., R.S., Ch. 664, Sec. 2; New.)

31 Source Law

32 Sec. 2. It is determined and found that the
33 boundaries and field notes of the district form a
34 closure. If any mistake is made in copying the field
35 notes in the legislative process or otherwise a
36 mistake is made in the field notes, it shall in no way
37 affect the organization, existence and validity of the

1 district, or the right of the district to issue any
2 type of bonds or refunding bonds for the purpose for
3 which the district is created or to pay the principal
4 and interest thereon, or the right to assess, levy and
5 collect taxes, or in any other manner affect the
6 legality or operation of the district or its governing
7 body.

8 Revisor's Note

9 (1) The revision of the law governing the
10 district does not revise the statutory language
11 describing the territory of the district to avoid the
12 lengthy recitation of the description and because that
13 description may not be accurate on the effective date
14 of the revision or at the time of a later reading. For
15 the reader's convenience, the revised law includes
16 references to the statutory description of the
17 district's territory and to the authority to change the
18 district's territory under Subchapter H, Chapter 54,
19 Water Code, applicable to municipal utility districts,
20 and under Subchapter J, Chapter 49, Water Code,
21 applicable to the district under Sections 49.001 and
22 49.002 of that chapter. The revised law also includes
23 a reference to the general authority of the
24 legislature to enact a law to change the district's
25 territory.

26 (2) Section 2, Chapter 664, Acts of the 62nd
27 Legislature, Regular Session, 1971, provides that a
28 mistake in the description of the district boundaries
29 does not affect the right of the district to issue "any
30 type of bonds or refunding bonds." The revised law
31 omits the reference to "refunding bonds" because
32 refunding bonds are included in the meaning of "any
33 type of bonds."

34 (3) Section 2, Chapter 664, Acts of the 62nd
35 Legislature, Regular Session, 1971, refers to the
36 district's authority to "assess, levy and collect"
37 taxes. The revised law substitutes "impose" for
38 "assess, levy and collect" because "impose" is the

1 term generally used in Title 1, Tax Code, and includes
2 the assessment, levy, and collection of a tax.

4 SUBCHAPTER B. BOARD OF DIRECTORS

5 Revised Law

6 Sec. 8286.051. COMPOSITION OF BOARD. The board of
7 directors is composed of five elected directors. (Acts 62nd Leg.,
8 R.S., Ch. 664, Sec. 6 (part).)

9 Source Law

10 Sec. 6. . . . Succeeding directors shall be
11 elected or

12 Revisor's Note

13 (1) Section 6, Chapter 664, Acts of the 62nd
14 Legislature, Regular Session, 1971, refers to the
15 initial board of directors and to vacancy procedures.
16 The revised law omits the language relating to the
17 creation of the initial board as executed. The revised
18 law omits the language relating to vacancy procedures
19 for the initial board as executed and, to the extent
20 the language may apply to subsequently appointed
21 directors, because it duplicates in substance Section
22 49.105(c), Water Code. That section applies to the
23 district under Sections 49.001 and 49.002, Water Code.
24 The omitted law reads:

25 Sec. 6. Immediately after this Act
26 becomes effective, the following named
27 persons shall be the directors of the
28 district and shall constitute the board of
29 directors of the district:

30 Henry C. King
31 W. H. McDonald
32 Charles N. Noble
33 T. D. Smith
34 Michael Kickerillo

35 Said persons shall qualify to serve as
36 directors prior to the first meeting of the
37 board of directors. Should any of the above
38 named directors fail to qualify for any
39 reason, the remaining named directors shall
40 appoint someone to fill such vacancy or
41 vacancies; provided, however, that if at
42 any time the number of qualified directors
43 shall be less than three because of the
44 failure or refusal of one or more directors
45 to qualify or serve or because of his or

1 their death or incapacitation, or for any
2 such other reason, the Texas Water Rights
3 Commission shall appoint the necessary
4 number of directors to fill all vacancies on
5 the board. The directors above named or
6 their duly appointed and qualified
7 successor or successors shall serve until
8 the second Saturday in January, 1973. . . .

9 (2) Section 6, Chapter 664, Acts of the 62nd
10 Legislature, Regular Session, 1971, refers to
11 "[s]ucceeding directors" to distinguish the
12 succeeding directors from the initial directors named
13 in that section. The revised law substitutes "five"
14 for "succeeding" to conform to the number of directors
15 listed in Section 6 (establishing the initial board).

16 (3) Section 6, Chapter 664, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides for
18 directors to be elected or appointed and to serve for
19 the term and in the manner provided by Chapter 54,
20 Water Code. Chapter 715, Acts of the 74th Legislature,
21 Regular Session, 1995, repealed the relevant
22 provisions of Chapter 54 and enacted similar
23 provisions in Chapter 49, Water Code, including
24 Section 49.103, which governs the terms of office and
25 manner of election of directors of a municipal utility
26 district that is required by law to elect its
27 directors. The revised law omits any reference to
28 Chapter 49, Water Code, because Chapter 49 applies to
29 the district under Sections 49.001 and 49.002 of that
30 chapter. The revised law also omits "appointed"
31 because it is clear from the context of Section 6 that
32 the reference applies only to directors appointed to
33 fill vacancies as provided by Chapter 49, Water Code.
34 The omitted law reads:

35 Sec. 6. . . . [Succeeding directors
36 shall be elected or] appointed and shall
37 serve for the term and in the manner
38 provided by Chapter 54, Title 4, Water Code,
39 for directors first elected.

40 [Sections 8286.052-8286.100 reserved for expansion]

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 8286.101. MUNICIPAL UTILITY DISTRICT POWERS. The
4 district has the rights, powers, privileges, and functions
5 conferred by general law applicable to a municipal utility
6 district, including Chapters 49 and 54, Water Code. (Acts 62nd
7 Leg., R.S., Ch. 664, Sec. 5 (part); New.)

8 Source Law

9 Sec. 5. The district is hereby vested with, and
10 shall have and exercise, all of the rights, powers,
11 privileges, authority and functions conferred by the
12 general laws of this state applicable to municipal
13 utility districts, including without limitation those
14 conferred by Chapter 54, Title 4, Water Code, but
15

16 Revisor's Note

17 (1) Section 5, Chapter 664, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 district "is hereby vested with, and shall have and
20 exercise" certain powers. The revised law substitutes
21 "has" for the quoted language because, in context, the
22 terms are synonymous and "has" is more commonly used.

23 (2) Section 5, Chapter 664, Acts of the 62nd
24 Legislature, Regular Session, 1971, refers to the
25 "rights, powers, privileges, [and] authority" of the
26 district. The revised law omits the reference to
27 "authority" because, in context, "authority" is
28 included in the meaning of "rights, powers, [and]
29 privileges."

30 (3) Section 5, Chapter 664, Acts of the 62nd
31 Legislature, Regular Session, 1971, grants the
32 district certain powers, "including without
33 limitation those conferred by Chapter 54, Title 4,
34 Water Code." The revised law omits "without
35 limitation" because Section 311.005(13), Government
36 Code (Code Construction Act), provides that "includes"
37 and "including" are terms of enlargement and not of

1 limitation and do not create a presumption that
2 components not expressed are excluded.

3 (4) Section 5, Chapter 664, Acts of the 62nd
4 Legislature, Regular Session, 1971, refers to Chapter
5 54, Water Code. For the reader's convenience, the
6 revised law adds a reference to Chapter 49, Water Code,
7 because Chapter 715, Acts of the 74th Legislature,
8 Regular Session, 1995, repealed many provisions of
9 Chapter 54 and enacted similar provisions in Chapter
10 49, Water Code, which applies to the district under
11 Sections 49.001 and 49.002 of that chapter.

12 (5) Section 5, Chapter 664, Acts of the 62nd
13 Legislature, Regular Session, 1971, provides that the
14 act prevails over general law in case of a conflict or
15 other inconsistency and that all general laws
16 applicable to municipal utility districts not in
17 conflict or inconsistent with the provisions of the
18 act are adopted and incorporated by reference. The
19 revised law omits the portion of the provision
20 relating to the act prevailing over general law
21 because it duplicates in substance Section 311.026(b),
22 Government Code (Code Construction Act). The revised
23 law omits the portion of the provision relating to
24 adoption and incorporation of general laws because
25 Section 5 of Chapter 664 (revised as this section)
26 already provides that those laws apply to the
27 district, and it is unnecessary to repeat that
28 authority. The omitted law reads:

29 Sec. 5. . . . if any provision of
30 such general laws shall be in conflict or
31 inconsistent with the provisions of this
32 Act, the provisions of this Act shall
33 prevail. All such general laws applicable
34 to municipal utility districts not in
35 conflict or inconsistent with the
36 provisions of this Act are hereby adopted
37 and incorporated by reference with the same
38 effect as if copied in full in this Act.

1 Revisor's Note
2 (End of Chapter)

3 (1) Section 7, Chapter 664, Acts of the 62nd
4 Legislature, Regular Session, 1971, contains
5 legislative findings relating to the performance of
6 the requirements of Section 59(d), Article XVI, Texas
7 Constitution, and to the authority of the legislature
8 to enact that chapter. The revised law omits the
9 provision as executed. The omitted law reads:

10 Sec. 7. The Legislature specifically
11 finds and declares that the requirements of
12 Article XVI, Section 59(d) of the
13 Constitution of Texas have been performed
14 and accomplished in due course and time and
15 order, and that the Legislature has the
16 power and authority to enact this Act.

17 (2) Section 8, Chapter 664, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 act is severable. The revised law omits that provision
20 because it duplicates Section 311.032, Government Code
21 (Code Construction Act), which provides that a
22 provision of a statute is severable from each other
23 provision of the statute that can be given effect. The
24 omitted law reads:

25 Sec. 8. If any word, phrase, clause,
26 paragraph, sentence, part, portion, or
27 provision of this Act or the application
28 thereof to any person or circumstance shall
29 be held to be invalid or unconstitutional,
30 the remainder of this Act shall
31 nevertheless be valid and the Legislature
32 hereby declares that this Act would have
33 been enacted without such invalid or
34 unconstitutional word, phrase, clause,
35 paragraph, sentence, part, portion, or
36 provision.

5 Sec. 8287.101. MUNICIPAL UTILITY DISTRICT POWERS 1865

6 CHAPTER 8287. MONTGOMERY COUNTY UTILITY DISTRICT NO. 2

7 SUBCHAPTER A. GENERAL PROVISIONS

8 Revised Law

9 Sec. 8287.001. DEFINITIONS. In this chapter:

10 (1) "Board" means the district's board of directors.

11 (2) "Director" means a member of the board.

12 (3) "District" means the Montgomery County Utility
13 District No. 2. (Acts 62nd Leg., R.S., Ch. 635, Sec. 1 (part);
14 New.)

15 Source Law

16 Sec. 1. . . . [a . . . district] . . . to be
17 known as "Montgomery County Utility District No. 2,"
18 hereinafter called the "district,"

19 Revisor's Note

20 The definitions of "board" and "director" are
21 added to the revised law for drafting convenience and
22 to eliminate frequent, unnecessary repetition of the
23 substance of the definitions.

24 Revised Law

25 Sec. 8287.002. NATURE OF DISTRICT. The district is a
26 conservation and reclamation district in Montgomery County created
27 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
28 R.S., Ch. 635, Sec. 1 (part).)

29 Source Law

30 Sec. 1. . . . there is hereby created and
31 established, under and pursuant to the provisions of
32 Article XVI, Section 59 of the Constitution of Texas, a
33 conservation and reclamation district in Montgomery
34 County, Texas, . . . which shall be a governmental
35 agency and a body politic and corporate. . . .

36 Revisor's Note

37 (1) Section 1, Chapter 635, Acts of the 62nd
38 Legislature, Regular Session, 1971, provides that the

1 district is "created and established." The revised
2 law omits "established" because the meaning of that
3 word is included in the meaning of "created."

4 (2) Section 1, Chapter 635, Acts of the 62nd
5 Legislature, Regular Session, 1971, provides that the
6 district is created notwithstanding certain laws
7 relating to consent. The revised law omits that
8 provision as executed because the district has been
9 created. The omitted law reads:

10 Sec. 1. Notwithstanding provisions
11 of the general laws relating to consent by
12 political subdivisions for the creation of
13 conservation and reclamation districts,
14 [there is hereby created . . . a
15 conservation and reclamation district]
16

17 (3) Section 1, Chapter 635, Acts of the 62nd
18 Legislature, Regular Session, 1971, refers to the
19 district as "a governmental agency and a body politic
20 and corporate." The revised law omits the quoted
21 language because it duplicates a portion of Section
22 59(b), Article XVI, Texas Constitution, which provides
23 that a conservation and reclamation district is a
24 governmental agency and a body politic and corporate.

25 Revised Law

26 Sec. 8287.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
27 The district is created to serve a public use and benefit.

28 (b) All land and other property included in the boundaries
29 of the district will benefit from the works and projects
30 accomplished by the district under the powers conferred by Section
31 59, Article XVI, Texas Constitution.

32 (c) The creation of the district is essential to accomplish
33 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
34 62nd Leg., R.S., Ch. 635, Secs. 1 (part), 3.)

35 Source Law

36 Sec. 1. . . . The creation and establishment of
37 the district is hereby declared to be essential to the
38 accomplishment of the purposes of Article XVI, Section
39 59 of the Constitution of Texas.

- 1 (3) the district's right to impose a tax; or
2 (4) the legality or operation of the district or its
3 governing body. (Acts 62nd Leg., R.S., Ch. 635, Sec. 2; New.)

4 Source Law

5 Sec. 2. It is determined and found that the
6 boundaries and field notes of the district form a
7 closure. If any mistake is made in copying the field
8 notes in the legislative process or otherwise a
9 mistake is made in the field notes, it shall in no way
10 affect the organization, existence and validity of the
11 district, or the right of the district to issue any
12 type of bonds or refunding bonds for the purposes for
13 which the district is created or to pay the principal
14 and interest thereon, or the right to assess, levy and
15 collect taxes, or in any other manner affect the
16 legality or operation of the district or its governing
17 body.

18 Revisor's Note

19 (1) The revision of the law governing the
20 district does not revise the statutory language
21 describing the territory of the district to avoid the
22 lengthy recitation of the description and because that
23 description may not be accurate on the effective date
24 of the revision or at the time of a later reading. For
25 the reader's convenience, the revised law includes
26 references to the statutory description of the
27 district's territory and to the authority to change the
28 district's territory under Subchapter H, Chapter 54,
29 Water Code, applicable to municipal utility districts,
30 and under Subchapter J, Chapter 49, Water Code,
31 applicable to the district under Sections 49.001 and
32 49.002 of that chapter. The revised law also includes
33 a reference to the general authority of the
34 legislature to enact a law to change the district's
35 territory.

36 (2) Section 2, Chapter 635, Acts of the 62nd
37 Legislature, Regular Session, 1971, provides that a
38 mistake in the description of the district boundaries
39 does not affect the right of the district to issue "any
40 type of bonds or refunding bonds." The revised law

1 omits the reference to "refunding bonds" because
2 refunding bonds are included in the meaning of "any
3 type of bonds."

4 (3) Section 2, Chapter 635, Acts of the 62nd
5 Legislature, Regular Session, 1971, refers to the
6 district's authority to "assess, levy and collect"
7 taxes. The revised law substitutes "impose" for
8 "assess, levy and collect" because "impose" is the
9 term generally used in Title 1, Tax Code, and includes
10 the assessment, levy, and collection of a tax.

11 [Sections 8287.005-8287.050 reserved for expansion]

12 SUBCHAPTER B. BOARD OF DIRECTORS

13 Revised Law

14 Sec. 8287.051. COMPOSITION OF BOARD. The board of
15 directors is composed of five elected directors. (Acts 62nd Leg.,
16 R.S., Ch. 635, Sec. 6 (part).)

17 Source Law

18 Sec. 6. . . . Succeeding directors shall be
19 elected or

20 Revisor's Note

21 (1) Section 6, Chapter 635, Acts of the 62nd
22 Legislature, Regular Session, 1971, refers to the
23 initial board of directors and to vacancy procedures.
24 The revised law omits the language relating to the
25 creation of the initial board as executed. The revised
26 law omits the language relating to vacancy procedures
27 for the initial board as executed and, to the extent
28 the language may apply to subsequently appointed
29 directors, because it duplicates in substance Section
30 49.105(c), Water Code. That section applies to the
31 district under Sections 49.001 and 49.002, Water Code.
32 The omitted law reads:

33 Sec. 6. Immediately after this Act
34 becomes effective, the following named
35 persons shall be the directors of the
36 district and shall constitute the board of
37 directors of the district:

1 J. W. Lander
2 George A. DeMontron, Jr.
3 F. W. Head
4 Ed Clarkson
5 William H. Naylor

6 Said persons shall qualify to serve as
7 directors prior to the first meeting of the
8 board of directors. Should any of the above
9 named directors fail to qualify for any
10 reason, the remaining named directors shall
11 appoint someone to fill such vacancy or
12 vacancies; provided, however, that if at
13 any time the number of qualified directors
14 shall be less than three because of the
15 failure or refusal of one or more directors
16 to qualify or serve or because of his or
17 their death or incapacitation, or for any
18 such other reason, the Texas Water Rights
19 Commission shall appoint the necessary
20 number of directors to fill all vacancies on
21 the board. The directors above named or
22 their duly appointed and qualified
23 successor or successors shall serve until
24 the second Saturday in January, 1973. . . .

25 (2) Section 6, Chapter 635, Acts of the 62nd
26 Legislature, Regular Session, 1971, refers to
27 "[s]ucceeding directors" to distinguish the
28 succeeding directors from the initial directors named
29 in that section. The revised law substitutes "five"
30 for "succeeding" to conform to the number of directors
31 listed in Section 6 (establishing the initial board).

32 (3) Section 6, Chapter 635, Acts of the 62nd
33 Legislature, Regular Session, 1971, provides for
34 directors to be elected or appointed and to serve for
35 the term and in the manner provided by Chapter 54,
36 Water Code. Chapter 715, Acts of the 74th Legislature,
37 Regular Session, 1995, repealed the relevant
38 provisions of Chapter 54 and enacted similar
39 provisions in Chapter 49, Water Code, including
40 Section 49.103, which governs the terms of office and
41 manner of election of directors of a municipal utility
42 district that is required by law to elect its
43 directors. The revised law omits any reference to
44 Chapter 49, Water Code, because Chapter 49 applies to
45 the district under Sections 49.001 and 49.002 of that
46 chapter. The revised law also omits "appointed"

1 because it is clear from the context of Section 6 that
2 the reference applies only to directors appointed to
3 fill vacancies as provided by Chapter 49, Water Code.
4 The omitted law reads:

5 Sec. 6. . . . [Succeeding directors
6 shall be elected or] appointed and shall
7 serve for the term and in the manner
8 provided by Chapter 54, Title 4, Water Code.

9 [Sections 8287.052-8287.100 reserved for expansion]

10 SUBCHAPTER C. POWERS AND DUTIES

11 Revised Law

12 Sec. 8287.101. MUNICIPAL UTILITY DISTRICT POWERS. The
13 district has the rights, powers, privileges, and functions
14 conferred by general law applicable to a municipal utility
15 district, including Chapters 49 and 54, Water Code. (Acts 62nd
16 Leg., R.S., Ch. 635, Sec. 5 (part); New.)

17 Source Law

18 Sec. 5. The district is hereby vested with, and
19 shall have and exercise, all of the rights, powers,
20 privileges, authority and functions conferred by the
21 general laws of this state applicable to municipal
22 utility districts, including without limitation those
23 conferred by Chapter 54, Title 4, Water Code, but
24

25 Revisor's Note

26 (1) Section 5, Chapter 635, Acts of the 62nd
27 Legislature, Regular Session, 1971, provides that the
28 district "is hereby vested with, and shall have and
29 exercise" certain powers. The revised law substitutes
30 "has" for the quoted language because, in context, the
31 terms are synonymous and "has" is more commonly used.

32 (2) Section 5, Chapter 635, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to the
34 "rights, powers, privileges, [and] authority" of the
35 district. The revised law omits the reference to
36 "authority" because, in context, "authority" is
37 included in the meaning of "rights, powers, [and]
38 privileges."

39 (3) Section 5, Chapter 635, Acts of the 62nd

1 Legislature, Regular Session, 1971, grants the
2 district certain powers, "including without
3 limitation those conferred by Chapter 54, Title 4,
4 Water Code." The revised law omits "without
5 limitation" because Section 311.005(13), Government
6 Code (Code Construction Act), provides that "includes"
7 and "including" are terms of enlargement and not of
8 limitation and do not create a presumption that
9 components not expressed are excluded.

10 (4) Section 5, Chapter 635, Acts of the 62nd
11 Legislature, Regular Session, 1971, refers to Chapter
12 54, Water Code. For the reader's convenience, the
13 revised law adds a reference to Chapter 49, Water Code,
14 because Chapter 715, Acts of the 74th Legislature,
15 Regular Session, 1995, repealed many provisions of
16 Chapter 54 and enacted similar provisions in Chapter
17 49, Water Code, which applies to the district under
18 Sections 49.001 and 49.002 of that chapter.

19 (5) Section 5, Chapter 635, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that the
21 act prevails over general law in case of a conflict or
22 other inconsistency and that all general laws
23 applicable to municipal utility districts not in
24 conflict or inconsistent with the provisions of the
25 act are adopted and incorporated by reference. The
26 revised law omits the portion of the provision
27 relating to the act prevailing over general law
28 because it duplicates in substance Section 311.026(b),
29 Government Code (Code Construction Act). The revised
30 law omits the portion of the provision relating to
31 adoption and incorporation of general laws because
32 Section 5 of Chapter 635 (revised as this section)
33 already provides that those laws apply to the
34 district, and it is unnecessary to repeat that

1 authority. The omitted law reads:

2 Sec. 5. . . . if any provision of
3 such general laws shall be in conflict or
4 inconsistent with the provisions of this
5 Act, the provisions of this Act shall
6 prevail. All such general laws applicable
7 to municipal utility districts not in
8 conflict or inconsistent with the
9 provisions of this Act are hereby adopted
10 and incorporated by reference with the same
11 effect as if copied in full in this Act.

12 Revisor's Note
13 (End of Chapter)

14 (1) Section 7, Chapter 635, Acts of the 62nd
15 Legislature, Regular Session, 1971, contains
16 legislative findings relating to the performance of
17 the requirements of Section 59(d), Article XVI, Texas
18 Constitution, and to the authority of the legislature
19 to enact that chapter. The revised law omits the
20 provision as executed. The omitted law reads:

21 Sec. 7. The Legislature specifically
22 finds and declares that the requirements of
23 Article XVI, Section 59(d) of the
24 Constitution of Texas have been performed
25 and accomplished in due course and time and
26 order, and that the Legislature has the
27 power and authority to enact this Act.

28 (2) Section 8, Chapter 635, Acts of the 62nd
29 Legislature, Regular Session, 1971, provides that the
30 act is severable. The revised law omits that provision
31 because it duplicates Section 311.032, Government Code
32 (Code Construction Act), which provides that a
33 provision of a statute is severable from each other
34 provision of the statute that can be given effect. The
35 omitted law reads:

36 Sec. 8. If any word, phrase, clause,
37 paragraph, sentence, part, portion or
38 provision of this Act or the application
39 thereof to any persons or circumstances
40 shall be held to be invalid or
41 unconstitutional, the remainder of the Act
42 shall nevertheless be valid and the
43 Legislature hereby declares that this Act
44 would have been enacted without such
45 invalid or unconstitutional word, phrase,
46 clause, paragraph, sentence, part, portion
47 or provision.

28 CHAPTER 8288. MEEKER MUNICIPAL WATER DISTRICT

29 SUBCHAPTER A. GENERAL PROVISIONS

30 Revised Law

31 Sec. 8288.001. DEFINITIONS. In this chapter:

32 (1) "Board" means the board of directors of the
33 district.

34 (2) "Bond" means a bond or note.

1 (3) "Director" means a member of the board.

2 (4) "District" means the Meeker Municipal Water
3 District. (Acts 65th Leg., R.S., Ch. 714, Secs. 1 (part), 4(a)
4 (part), 15(a) (part); New.)

5 Source Law

6 Sec. 1. . . . [a . . . district . . .] to be
7 known as "Meeker Municipal Water District" (the
8 "district"),

9 Sec. 4. (a) [The district shall be governed by]
10 a board of directors (the "board"),

11 Sec. 15. (a) . . . bonds or notes (hereinafter
12 called "bonds").

13 Revisor's Note

14 The definition of "director" is added to the
15 revised law for drafting convenience and to eliminate
16 frequent, unnecessary repetition of the substance of
17 the definition.

18 Revised Law

19 Sec. 8288.002. NATURE OF DISTRICT. The district is a
20 conservation and reclamation district in Jefferson County created
21 under Section 59, Article XVI, Texas Constitution. (Acts 65th
22 Leg., R.S., Ch. 714, Sec. 1 (part).)

23 Source Law

24 Sec. 1. Under and pursuant to the provisions of
25 Article XVI, Section 59, of the Texas Constitution, a
26 conservation and reclamation district is hereby
27 created and established in Jefferson County, Texas,
28

29 Revisor's Note

30 Section 1, Chapter 714, Acts of the 65th
31 Legislature, Regular Session, 1977, provides that the
32 district is "created and established" in Jefferson
33 County, Texas. The revised law omits "established"
34 because the meaning of that word is included in the
35 meaning of "created."

36 Revised Law

37 Sec. 8288.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
38 The district is created to serve a public use and benefit.

1 (b) All land and other property included in the boundaries
2 of the district will benefit from the works and projects
3 accomplished by the district under the powers conferred by Section
4 59, Article XVI, Texas Constitution.

5 (c) The accomplishment of the purposes stated in this
6 chapter is for the benefit of the people of this state and for the
7 improvement of their property and industries. The district, in
8 carrying out the purposes of this chapter, will be performing an
9 essential public function under the constitution. (Acts 65th Leg.,
10 R.S., Ch. 714, Secs. 3, 22 (part).)

11 Source Law

12 Sec. 3. It is determined and found that all of
13 the land and other property included within the
14 boundaries of the district will be benefited by the
15 works and project which are to be accomplished by the
16 district pursuant to the powers conferred by the
17 provisions of Article XVI, Section 59, of the Texas
18 Constitution, and that said district was and is
19 created to serve a public use and benefit.

20 Sec. 22. The accomplishment of the purposes
21 stated in this Act is for the benefit of the people of
22 this state and for the improvement of their properties
23 and industries, and the district, in carrying out the
24 purposes of this Act, will be performing an essential
25 public function under the constitution. . . .

26 Revised Law

27 Sec. 8288.004. LIBERAL CONSTRUCTION OF CHAPTER. This
28 chapter shall be liberally construed to effect the purposes,
29 powers, rights, and functions stated in this chapter. (Acts 65th
30 Leg., R.S., Ch. 714, Sec. 23 (part).)

31 Source Law

32 Sec. 23. . . . All of the terms and provisions
33 of this Act are to be liberally construed to effectuate
34 the purposes, powers, rights, functions and
35 authorities herein set forth.

36 Revisor's Note

37 Section 23, Chapter 714, Acts of the 65th
38 Legislature, Regular Session, 1977, refers to the
39 "powers" and "authorities" stated by the act.
40 Throughout this chapter, the revised law omits
41 "authority" and "authorities" in this context because
42 "authority" is included in the meaning of "power."

1 Revised Law

2 Sec. 8288.005. DISTRICT TERRITORY. (a) The district is
3 composed of the territory described by Section 1, Chapter 714, Acts
4 of the 65th Legislature, Regular Session, 1977, as that territory
5 may have been modified under:

- 6 (1) Subchapter H, Chapter 54, Water Code;
7 (2) Subchapter J, Chapter 49, Water Code; or
8 (3) other law.

9 (b) The boundaries of the district form a closure. A
10 mistake in copying the field notes in the legislative process or
11 another mistake in the field notes does not affect:

- 12 (1) the district's organization, existence, or
13 validity;
14 (2) the district's right to issue bonds or to pay the
15 principal of and interest on the bonds;
16 (3) the district's right to impose a tax; or
17 (4) the legality or operation of the district or the
18 board.

19 (c) The board may redefine the boundaries of the district to
20 correct any mistake in the field notes appearing in Section 1,
21 Chapter 714, Acts of the 65th Legislature, Regular Session, 1977.
22 (Acts 65th Leg., R.S., Ch. 714, Sec. 2; New.)

23 Source Law

24 Sec. 2. It is expressly determined and the
25 legislature hereby finds that the boundaries of said
26 district form a closure, and if any mistake is made in
27 copying the field notes in the legislative process, or
28 otherwise a mistake is found to have occurred in the
29 field notes, it shall in no way or manner affect the
30 organization, existence, or validity of said district,
31 or its rights to issue bonds or refunding bonds, or to
32 pay the principal and interest thereon, or the right to
33 assess, levy, and collect taxes, or in any other manner
34 affect the legality or operation of the district or its
35 governing body. The board of directors of the district
36 shall have the power to redefine the boundaries of the
37 district so as to correct any mistake found to exist in
38 the field notes appearing in Section 1 of this Act.

39 Revisor's Note

40 (1) The revision of the law governing the
41 district does not revise the statutory language

1 describing the territory of the district to avoid the
2 lengthy recitation of the description and because that
3 description may not be accurate on the effective date
4 of the revision or at the time of a later reading. For
5 the reader's convenience, the revised law includes
6 references to the statutory description of the
7 district's territory and to the authority to change the
8 district's territory under Subchapter H, Chapter 54,
9 Water Code, applicable to the district under Section
10 14, Chapter 714, Acts of the 65th Legislature, Regular
11 Session, 1977, and under Subchapter J, Chapter 49,
12 Water Code, applicable to the district under Sections
13 49.001 and 49.002 of that chapter. The revised law
14 also includes a reference to the general authority of
15 the legislature to enact other law to change the
16 district's territory.

17 (2) Section 2, Chapter 714, Acts of the 65th
18 Legislature, Regular Session, 1977, provides that a
19 mistake does not affect the right of the district to
20 issue "bonds or refunding bonds." The revised law
21 omits the reference to "refunding bonds" because
22 refunding bonds are included in the meaning of
23 "bonds."

24 (3) Section 2, Chapter 714, Acts of the 65th
25 Legislature, Regular Session, 1977, refers to the
26 district's right to "assess, levy, and collect" a tax.
27 Throughout this chapter, the revised law substitutes
28 "impose" for "assess," "levy," and "collect" because
29 "impose" is the term generally used in Title 1, Tax
30 Code, and includes the assessment, levying, and
31 collection of a tax.

32 (4) Section 14, Chapter 714, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that
34 territory may be annexed to or excluded from the

1 district as provided for a municipal utility district
2 by Section 54.701 et seq., Water Code. The revised law
3 omits the provision as unnecessary. Sections
4 54.701-54.727, Water Code, were repealed by Section
5 43, Chapter 715, Acts of the 74th Legislature, Regular
6 Session, 1995. Section 2 of that act added Chapter 49,
7 Water Code, including Subchapter J of that chapter,
8 which now provides for the annexation or exclusion of
9 territory by certain conservation and reclamation
10 districts, including a municipal utility district. A
11 reference to Subchapter J, Chapter 49, Water Code,
12 however, is not required because Chapter 49, Water
13 Code, applies to the district under Sections 49.001
14 and 49.002. The omitted law reads:

15 Sec. 14. Territory may be added to or
16 excluded from the district in the manner
17 provided for municipal utility districts in
18 Section 54.701 et seq., of the Water Code.

19 [Sections 8288.006-8288.050 reserved for expansion]

20 SUBCHAPTER B. BOARD OF DIRECTORS

21 Revised Law

22 Sec. 8288.051. COMPOSITION OF BOARD; TERMS. (a) The
23 district is governed by a board of nine elected directors, each of
24 whom occupies a numbered place on the board.

25 (b) Directors serve staggered terms.

26 (c) Director elections must be held in the manner provided
27 in the Water Code for municipal utility districts. (Acts 65th Leg.,
28 R.S., Ch. 714, Sec. 4(a) (part).)

29 Source Law

30 Sec. 4. (a) The district shall be governed by a
31 board of directors [(the "board"),] having nine
32 members. . . . who shall occupy places on the board to
33 be designated as Places 1, 2, 3, 4, 5, 6, 7, 8, and 9,
34 respectively. . . . directors shall be elected by the
35 resident qualified electors of the district for
36 staggered two-year terms at elections held in the
37 manner provided for municipal utility districts in
38 Chapter 54 of the Water Code. . . .

39 Revisor's Note

40 (1) Section 4(a), Chapter 714, Acts of the 65th

1 Legislature, Regular Session, 1977, states that
2 directors are elected "by the resident qualified
3 electors of the district." The revised law omits the
4 quoted language because Chapter 11, Election Code,
5 governs eligibility to vote in an election in this
6 state and allows only qualified electors (or "voters"
7 under the terminology of the Election Code) who are
8 residents of the territory covered by the election to
9 vote in an election.

10 (2) Section 4(a), Chapter 714, Acts of the 65th
11 Legislature, Regular Session, 1977, provides that
12 directors are elected for two-year terms at elections
13 held in the manner provided for municipal utility
14 districts under Chapter 54, Water Code. The revised
15 law omits the reference to two-year terms and to
16 Chapter 54 because Chapter 715, Acts of the 74th
17 Legislature, Regular Session, 1995, repealed the
18 relevant provisions of Chapter 54, Water Code, and
19 enacted Section 49.103, Water Code, which governs the
20 election of directors of municipal utility districts
21 and specifies four-year terms. A reference to Section
22 49.103, Water Code, is unnecessary because that
23 section applies to the district on its own terms.

24 Throughout this chapter, the revised law omits
25 law that is superseded by Chapter 49, Water Code, or
26 that duplicates law contained in that chapter.
27 Chapter 49, Water Code, applies to the district under
28 Sections 49.001 and 49.002 of that chapter.

29 (3) Section 4(a), Chapter 714, Acts of the 65th
30 Legislature, Regular Session, 1977, provides that
31 directors hold office until their terms expire and
32 until their successors have been elected and
33 qualified. The revised law omits the reference to a
34 director serving until a successor is elected and

1 qualified because it duplicates Section 17, Article
2 XVI, Texas Constitution, which provides that an
3 officer in this state continues to perform the
4 officer's official duties until a successor has
5 qualified. The revised law also omits the provision
6 for serving until the term expires because holding
7 office until the expiration of the term is implied or
8 inherent in the concept of a term of office, and
9 Section 17, Article XVI, Texas Constitution, applies
10 regardless of whether the term has ended. The omitted
11 law reads:

12 Sec. 4. (a) . . . Each director shall
13 hold office until the expiration of his term
14 and thereafter until his successor is
15 elected and qualified. . . .

16 Revised Law

17 Sec. 8288.052. QUALIFICATIONS FOR OFFICE. To be eligible to
18 be elected or to serve as a director, a person must be a resident,
19 qualified voter of the district. (Acts 65th Leg., R.S., Ch. 714,
20 Sec. 4(b).)

21 Source Law

22 (b) To be eligible to be elected or to serve as a
23 director, a person must be a resident, qualified
24 elector of the State of Texas and of the district.

25 Revisor's Note

26 (1) Section 4(b), Chapter 714, Acts of the 65th
27 Legislature, Regular Session, 1977, refers to an
28 "elector" of the district. Throughout this chapter,
29 the revised law substitutes "voter" for "elector"
30 because the terms are synonymous and "voter" is the
31 term used in the Election Code.

32 (2) Section 4(b), Chapter 714, Acts of the 65th
33 Legislature, Regular Session, 1977, requires a
34 director to be a qualified elector (or "voter" under
35 the terminology of the Election Code (see Revisor's
36 Note (1) to this section)) of the State of Texas and of
37 the district. The revised law omits the reference to

1 the State of Texas because a qualified voter of the
2 district is necessarily a qualified voter of the
3 state.

4 Revised Law

5 Sec. 8288.053. BOARD RESOLUTIONS; VOTING REQUIREMENTS. (a)
6 The district shall act through orders or resolutions adopted by the
7 board.

8 (b) All directors are entitled to vote.

9 (c) The affirmative vote of a majority of the directors in
10 attendance, but not fewer than five directors, is necessary to
11 adopt an order or resolution. (Acts 65th Leg., R.S., Ch. 714, Sec.
12 4(g).)

13 Source Law

14 (g) Any five directors shall constitute a
15 quorum, and all directors shall be entitled to vote.
16 The district shall act and proceed by and through
17 orders or resolutions adopted by the board, and the
18 affirmative vote of a majority of the directors in
19 attendance (but in no event less than five directors)
20 shall be necessary to adopt any order or resolution.

21 Revisor's Note

22 Section 4(g), Chapter 714, Acts of the 65th
23 Legislature, Regular Session, 1977, provides that any
24 five directors on the board constitute a quorum. The
25 revised law omits that provision because five is the
26 number of directors required for a majority from a
27 group of nine and therefore the provision duplicates
28 Section 49.053, Water Code, which provides that a
29 majority of a board constitutes a quorum.

30 Revised Law

31 Sec. 8288.054. OFFICERS AND ASSISTANTS. (a) The board
32 shall elect a president, vice president, secretary, and treasurer.

33 (b) The board shall elect the president and vice president
34 from among the directors.

35 (c) The president serves for a one-year term.

36 (d) The offices of secretary and treasurer:

37 (1) may be held by one person; and

1 (2) are not required to be held by a director.

2 (e) The board may appoint one or more assistant officers who
3 are not required to be directors. (Acts 65th Leg., R.S., Ch. 714,
4 Sec. 4(f) (part).)

5 Source Law

6 (f) The board shall elect one of the directors
7 as president of the board, who shall serve for a term
8 of one year and The board shall elect another
9 of the directors as vice-president of the board,
10 The board shall elect a secretary of the
11 board, . . . and shall elect a treasurer of the board,
12 The offices of secretary and treasurer may be
13 held by one person, and the holder or holders of such
14 office or offices need not be a director. The board
15 may appoint one or more persons, who need not be
16 directors, to be assistant officers of the board
17

18 Revised Law

19 Sec. 8288.055. OFFICER DUTIES. (a) The board president
20 shall preside at board meetings and perform other duties prescribed
21 by the board.

22 (b) The board secretary is the official custodian of the
23 minutes, books, records, and seal of the board and shall perform
24 other duties and functions prescribed by the board.

25 (c) The board treasurer shall perform duties and functions
26 prescribed by the board.

27 (d) An assistant officer may perform any duties or functions
28 as may be prescribed by the board. (Acts 65th Leg., R.S., Ch. 714,
29 Sec. 4(f) (part).)

30 Source Law

31 (f) [The board shall elect one of the directors
32 as president of the board,] . . . who shall preside at
33 meetings of the board and perform such other duties as
34 are prescribed by the board. . . . [The board shall
35 elect a secretary of the board,] who shall be the
36 official custodian of the minutes, books, records, and
37 seal of the board, and who shall perform such other
38 duties and functions as are prescribed by the board;
39 [and shall elect a treasurer of the board,] who shall
40 perform such duties and functions as are prescribed by
41 the board. . . . [The board may appoint . . .
42 assistant officers of the board,] to perform such
43 duties or functions as may be designated by the board.

44 Revisor's Note

45 Section 4(f), Chapter 714, Acts of the 65th
46 Legislature, Regular Session, 1977, provides the

1 duties of the board vice president. The revised law
2 omits the provision because it duplicates Section
3 49.054(c), Water Code. The omitted law reads:

4 (f) . . . [The board shall elect
5 another of the directors as vice-president
6 of the board,] who shall perform the duties
7 of the president when the president is not
8 present or is otherwise
9 incapacitated. . . .

10 Revised Law

11 Sec. 8288.056. MEETINGS. The board shall have regular
12 meetings at times specified by board resolution or bylaws and shall
13 have special meetings when called by the board president or by any
14 three directors. (Acts 65th Leg., R.S., Ch. 714, Sec. 4(h).)

15 Source Law

16 (h) The board shall have regular meetings at
17 times specified by resolution or bylaws of the board,
18 and shall have special meetings whenever called by the
19 president, or whenever called by any three of the
20 directors.

21 Revisor's Note
22 (End of Subchapter)

23 (1) Section 4(a), Chapter 714, Acts of the 65th
24 Legislature, Regular Session, 1977, refers to the
25 initial directors and their terms of office. The
26 revised law omits those provisions as executed. The
27 omitted law reads:

28 (a) . . . The initial board of
29 directors shall be composed of the
30 following nine persons:

31 B. L. Granger	C. B. Alford
32 Floyd Riley	Aubrey Jacobs
33 Billy Buckner	Steve Ferguson
34 Lester Fulmer	E. L. Pinckard
35 Curtis Givens	

36 The initial directors named above shall
37 draw lots at the first organizational
38 meeting of the board to determine [who shall
39 occupy places on the board to be designated
40 as Places 1, 2, 3, 4, 5, 6, 7, 8, and 9,
41 respectively.] Places 1, 2, 3, and 4 on the
42 board shall expire on the first Saturday in
43 April, 1978, and Places 5, 6, 7, 8, and 9 on
44 the board shall expire on the first Saturday
45 in April, 1979. At the expiration of the
46 terms of the initial directors,

47 (2) Section 4(a), Chapter 714, Acts of the 65th
48 Legislature, Regular Session, 1977, describes the

1 procedure for filling a board vacancy. The revised law
2 omits that provision because it duplicates in
3 substance Section 49.105, Water Code. The omitted law
4 reads:

5 (a) . . . Any vacancy occurring on
6 the board through death, resignation, or
7 otherwise, shall be filled by a majority of
8 the board of directors for the expiration of
9 the term for which the vacating director had
10 been appointed or elected.

11 (3) Sections 4(c) and (d), Chapter 714, Acts of
12 the 65th Legislature, Regular Session, 1977, provide
13 that each director shall execute a bond and take the
14 constitutional oath of office prescribed for county
15 commissioners and that the bond and oath of office
16 shall be filed with the district. The revised law
17 omits the provision requiring directors to take an
18 oath of office because Section 1, Article XVI, Texas
19 Constitution, requires all officers in this state to
20 take the oath (or affirmation) before assuming office.
21 The revised law omits the provisions relating to the
22 bond and the filing of the bond and oath because those
23 provisions duplicate Section 49.055, Water Code. The
24 omitted law reads:

25 (c) As soon as practicable after a
26 director is elected or appointed he shall
27 execute a bond for \$10,000 payable to the
28 district and conditioned on the faithful
29 performance of his duties.

30 (d) All bonds of the directors shall
31 be approved by the board. Each director
32 shall take the oath of office prescribed by
33 the constitution for county commissioners.
34 The bond and oath shall be filed with the
35 district and retained in its records.

36 (4) Section 4(e), Chapter 714, Acts of the 65th
37 Legislature, Regular Session, 1977, provides that
38 directors are entitled to receive fees and
39 reimbursement in the manner provided for directors of
40 municipal utility districts in Chapter 54, Water Code.
41 The revised law omits the provision because Section
42 54.114, the relevant section of Chapter 54, was

1 repealed by Section 43, Chapter 715, Acts of the 74th
2 Legislature, Regular Session, 1995. Section 2 of
3 Chapter 715 enacted Section 49.060, Water Code, which
4 governs the compensation of directors of municipal
5 utility districts. A reference to Section 49.060,
6 Water Code, is unnecessary because that section
7 applies to the district on its own terms. The omitted
8 law reads:

9 (e) The directors shall be entitled
10 to receive fees of office, and be reimbursed
11 for expenses, in the same manner provided
12 for directors of municipal utility
13 districts in Chapter 54 of the Water Code.

14 [Sections 8288.057-8288.100 reserved for expansion]

15 SUBCHAPTER C. POWERS AND DUTIES

16 Revised Law

17 Sec. 8288.101. DISTRICT POWERS. The district may exercise
18 any power necessary or appropriate to achieve the purposes of this
19 chapter, including the power to:

20 (1) adopt an official seal;

21 (2) adopt and enforce:

22 (A) bylaws and rules for the conduct of its
23 affairs; and

24 (B) any rule that a municipal utility district
25 may adopt and enforce under Section 54.205 et seq., Water Code;

26 (3) acquire, hold, use, invest, reinvest, and dispose
27 of its receipts and money from any source;

28 (4) select a depository or depositories;

29 (5) acquire, own, rent, lease, accept, hold, or
30 dispose of property or an interest in property, including a right or
31 easement, by purchase, exchange, gift, assignment, condemnation,
32 sale, lease, or other means, in performing a duty or exercising a
33 power under this chapter;

34 (6) hold, manage, operate, or improve property;

35 (7) lease or rent any land, buildings, structures, or
36 facilities from or to any person;

1 receipts, funds, and money from every source, and to
2 select its depository or depositories;

3 (4) to acquire, own, rent, lease, accept,
4 hold, or dispose of any real, personal, or mixed
5 property, or any interest therein, in performing its
6 duties and exercising its powers under this Act, by
7 purchase, exchange, gift, assignment, condemnation,
8 sale, lease, or otherwise, including rights or
9 easements, and to hold, manage, operate, or improve
10 real, personal, or mixed property;

11 (5) to sell, assign, lease, encumber,
12 mortgage, or otherwise dispose of any real, personal,
13 or mixed property, or any interest therein, and
14 release or relinquish any right, title, claim, lien,
15 interest, easement, or demand, however acquired, and
16 to do any of the foregoing by public or private sale,
17 notwithstanding the provisions of any other law, and
18 to lease or rent any land, buildings, structures, or
19 facilities from or to any person, firm, corporation,
20 city, or other public agency or political subdivision
21 to effectuate the purposes of this Act;

22 (6) to request and to accept any
23 appropriations, grants, allocations, subsidies,
24 guaranties, aid, contributions, services, labor,
25 materials, gifts, or donations from the federal
26 government, the state, any city, public agency,
27 political subdivision, or any other public or private
28 sources;

29 (7) to operate and maintain an office, and
30 to appoint and determine the duties, tenure,
31 qualifications, and compensation of such officers,
32 employees, agents, and professional advisors and
33 counselors, including, without limitation, financial
34 consultants, accountants, attorneys, architects,
35 engineers, appraisers, and financing experts, as are
36 deemed necessary or advisable by the board;

37 (8) to borrow money for any of its
38 corporate purposes, to enter into agreements in
39 connection with such borrowing, to issue its
40 negotiable bonds or notes for moneys borrowed, to
41 provide for and secure the payment of its bonds and
42 notes, and to provide for the rights of the holders of
43 its bonds and notes, all in the manner and to the
44 extent permitted by this Act;

45 . . . and

46 (10) to adopt and enforce such reasonable
47 rules and regulations as may be adopted and enforced by
48 municipal utility districts under Section 54.205 et
49 seq., of Chapter 54 of the Water Code.

50 Revisor's Note

51 (1) Section 10, Chapter 714, Acts of the 65th
52 Legislature, Regular Session, 1977, refers to the
53 district's power to "carry out, achieve, or
54 effectuate" certain purposes. The revised law omits
55 "carry out" and "effectuate" because those terms are
56 included in the meaning of "achieve."

57 (2) Section 10, Chapter 714, Acts of the 65th
58 Legislature, Regular Session, 1977, grants the
59 district certain powers "including, without

1 limitation" the enumerated powers. That section also
2 refers to persons the district may hire "including,
3 without limitation" certain consultants and advisors
4 named in the section. The revised law omits "without
5 limitation" because Section 311.005(13), Government
6 Code (Code Construction Act), provides that
7 "including" is a term of enlargement and not of
8 limitation and does not create a presumption that
9 components not expressed are excluded.

10 (3) Section 10(1), Chapter 714, Acts of the 65th
11 Legislature, Regular Session, 1977, provides that the
12 district may "sue and be sued . . . in its own name."
13 The revised law omits that provision because it
14 duplicates, in substance, part of Section 49.066,
15 Water Code. Section 10(1) also provides that the
16 district may "plead and be impleaded." The revised law
17 omits that provision because if the district can sue or
18 be sued, it must necessarily also be able to plead and
19 be impleaded in a suit. The omitted law reads:

20 Sec. 10. [The district may exercise
21 all powers necessary or appropriate . . .:]
22 (1) to sue and be sued, and
23 plead and be impleaded, in its own name;
24

25 (4) Section 10(2), Chapter 714, Acts of the 65th
26 Legislature, Regular Session, 1977, authorizes the
27 district to adopt an official seal and to "alter it
28 when deemed advisable." The revised law omits the
29 quoted language because the authority to adopt a seal
30 includes the authority to alter it.

31 (5) Section 10(2), Chapter 714, Acts of the 65th
32 Legislature, Regular Session, 1977, states that the
33 district may adopt and enforce "rules and regulations"
34 for the conduct of its affairs "not inconsistent with
35 the provisions of this Act." The revised law omits
36 "regulations" because Section 311.005, Government

1 Code (Code Construction Act), defines "rule" to
2 include "regulation." The revised law omits "not
3 inconsistent with the provisions of this Act" because
4 as a general principle of law, the district has the
5 authority to take only those actions that are
6 consistent with the law revised in this chapter.

7 (6) Section 10(3), Chapter 714, Acts of the 65th
8 Legislature, Regular Session, 1977, refers to the
9 district's power regarding its "revenues, income,
10 . . . funds, and money." The revised law omits
11 "revenues," "income," and "funds" because the meaning
12 of those terms is included in the meaning of "money."
13 Throughout this chapter, the revised law substitutes
14 "money" for "funds" (except where a specific type of
15 fund is indicated) because, in context, the meaning is
16 the same and "money" is the more commonly used term.

17 (7) Sections 10(4) and (5), Chapter 714, Acts of
18 the 65th Legislature, Regular Session, 1977, refer to
19 "real, personal, or mixed property." The revised law
20 omits references to "real," "personal," and "mixed"
21 property because under Section 311.005(4), Government
22 Code (Code Construction Act), "property" includes real
23 and personal and, by extension, mixed property.

24 (8) Section 10(5), Chapter 714, Acts of the 65th
25 Legislature, Regular Session, 1977, refers to any
26 "person, firm, corporation, city, or other public
27 agency or political subdivision." Throughout this
28 chapter, the revised law substitutes "person" for the
29 quoted language or similar language because Section
30 311.005, Government Code (Code Construction Act),
31 defines "person" to include any legal entity.

32 (9) Section 10(6), Chapter 714, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that the
34 district may request and accept "appropriations,

1 grants, allocations, subsidies, guaranties, aid,
2 contributions, services, labor, materials, gifts, or
3 donations" from any public or private source,
4 including "any city . . . [or] political subdivision."
5 The revised law omits "contributions," "labor," and
6 "donations" because the meaning of those terms is
7 included in the meaning of "aid," "services," or
8 "gifts." The revised law also omits the reference to
9 "city" because "city" is included in the meaning of
10 "political subdivision."

11 (10) Section 10(8), Chapter 714, Acts of the
12 65th Legislature, Regular Session, 1977, provides that
13 the district may issue "negotiable" bonds or notes and
14 take certain other actions with respect to those bonds
15 and notes. The revised law omits "negotiable" because
16 Section 1201.041, Government Code, provides that a
17 public security is a negotiable instrument. Section
18 1201.041 applies to district bonds and notes by
19 application of Section 1201.002, Government Code.
20 Throughout this chapter, the revised law also omits
21 the reference to "notes" in this context because
22 "notes" is included in the meaning of "bonds," as
23 defined by Section 8288.001 of this chapter.

24 (11) Section 10(9), Chapter 714, Acts of the
25 65th Legislature, Regular Session, 1977, authorizes
26 the district to set and "revise from time to time"
27 certain fees for those who use district facilities or
28 services and to charge and collect those fees. The
29 revised law omits the reference to setting, charging,
30 and collecting fees because it duplicates, in
31 substance, Section 49.212, Water Code. The revised
32 law also omits the reference to revising the fees from
33 time to time because the power to set the fees includes
34 the power to revise them from time to time. The

1 omitted law reads:

2 Sec. 10. [The district may exercise
3 all powers necessary or appropriate . . .:]

4 . . .
5 (9) to fix and revise from time
6 to time and charge and collect rates, fees,
7 and charges for its facilities and
8 services;

9 (12) Section 10(10), Chapter 714, Acts of the
10 65th Legislature, Regular Session, 1977, states that
11 the district may adopt and enforce "reasonable rules
12 and regulations" as may be adopted and enforced by
13 municipal utility districts under Section 54.205 et
14 seq., Water Code. The revised law omits "reasonable"
15 because the requirement that the rules be reasonable
16 duplicates Section 54.205, Water Code. The revised
17 law omits "regulations" for the reason stated in
18 Revisor's Note (5) to this section.

19 Revised Law

20 Sec. 8288.102. GENERAL POWERS REGARDING WATER. The
21 district has all rights, powers, and privileges necessary or useful
22 to enable it to acquire, provide, supply, deliver, and sell potable
23 water inside or outside its boundaries for any beneficial purpose.
24 (Acts 65th Leg., R.S., Ch. 714, Sec. 6.)

25 Source Law

26 Sec. 6. The district shall have and exercise,
27 and is hereby vested with, all rights, powers,
28 privileges, and authority necessary or useful to
29 enable it to acquire, provide, supply, deliver, and
30 sell potable water within and without its boundaries
31 for any beneficial purpose.

32 Revisor's Note

33 Section 6, Chapter 714, Acts of the 65th
34 Legislature, Regular Session, 1977, states that the
35 district "shall have and exercise, and is hereby
36 vested with," certain powers. Throughout this
37 chapter, the revised law substitutes "has" for the
38 quoted or similar language because, in context, the
39 terms are synonymous and "has" is more commonly used.

1 Revised Law

2 Sec. 8288.103. GENERAL POWERS REGARDING WASTE. The
3 district has all rights, powers, and privileges necessary or useful
4 to enable it to collect, transport, dispose of, and control
5 domestic, industrial, or communal wastes, whether in fluid, solid,
6 or composite state. (Acts 65th Leg., R.S., Ch. 714, Sec. 7.)

7 Source Law

8 Sec. 7. The district shall have and exercise,
9 and is hereby vested with, all rights, powers,
10 privileges, and authority necessary or useful to
11 enable it to collect, transport, dispose of, and
12 control domestic, industrial, or communal wastes,
13 whether in fluid, solid, or composite state.

14 Revised Law

15 Sec. 8288.104. GENERAL POWERS REGARDING GARBAGE COLLECTION
16 AND DISPOSAL. The district has all rights, powers, and privileges
17 necessary or useful to enable it to provide for garbage collection
18 and disposal in all or part of the district on terms and at rates and
19 charges the board considers just and reasonable to:

20 (1) preserve the water of rivers and streams in this
21 state; and

22 (2) aid in the preservation and conservation of the
23 natural resources of this state. (Acts 65th Leg., R.S., Ch. 714,
24 Sec. 8.)

25 Source Law

26 Sec. 8. In order to preserve the water of rivers
27 and streams within the district and the state and to
28 aid in the preservation and conservation of the
29 natural resources of the district and the state, the
30 district shall have all rights, powers, privileges,
31 and authority necessary or useful to enable it to
32 provide for the collection and disposal of garbage
33 within all or a portion of the district upon such terms
34 and conditions and for such rates and charges as the
35 board shall deem to be just and reasonable.

36 Revisor's Note

37 (1) Section 8, Chapter 714, Acts of the 65th
38 Legislature, Regular Session, 1977, permits the
39 district to take certain actions to preserve rivers
40 and streams "within the district and the state" and to
41 preserve the natural resources "of the district and

1 the state." The revised law omits the references to
2 the district in this context because the district is
3 located within the state.

4 (2) Section 8, Chapter 714, Acts of the 65th
5 Legislature, Regular Session, 1977, refers to certain
6 "terms and conditions." Throughout this chapter, the
7 revised law omits the reference to "conditions" in
8 this context because "conditions" is included in the
9 meaning of "terms."

10 Revised Law

11 Sec. 8288.105. GENERAL CONTRACT POWERS. (a) The district
12 may enter into and enforce a contract or agreement necessary or
13 convenient to the exercise of the powers, rights, privileges, and
14 functions conferred on the district by this chapter or the general
15 law, including a contract or agreement with any person as the board
16 considers necessary or proper for, or in connection with, any power
17 or function of the district for:

18 (1) the purchase or sale of water;

19 (2) the collection, transportation, processing, or
20 disposal of waste; or

21 (3) the construction, acquisition, ownership,
22 financing, operation, maintenance, sale, leasing to or from, or
23 other use or disposition of any facilities authorized to be
24 developed, acquired, or constructed under this chapter or the
25 general law.

26 (b) The authority to enter into or enforce the contract or
27 agreement includes the authority to enter into or enforce a
28 contract or agreement regarding:

29 (1) any improvements, structures, facilities,
30 equipment, and other property of any kind in connection with the
31 subject of the contract or agreement;

32 (2) any land, leaseholds, and easements; and

33 (3) any interests in the property.

34 (c) The contract or agreement:

1 construction requires a statute to be given cumulative
2 effect with other statutes unless it provides
3 otherwise or unless the statutes are in conflict. The
4 general principle applies to this revision.

5 Revised Law

6 Sec. 8288.106. AUTHORITY OF PUBLIC AGENCIES AND POLITICAL
7 SUBDIVISIONS TO CONTRACT WITH DISTRICT. A public agency or
8 political subdivision of this state may enter into a contract or
9 agreement with the district, on terms agreed to by the parties, for:

- 10 (1) the purchase or sale of water;
11 (2) waste collection, transportation, processing, or
12 disposal; or
13 (3) any purpose relating to the district's powers or
14 functions. (Acts 65th Leg., R.S., Ch. 714, Sec. 9(b) (part).)

15 Source Law

16 (b) All public agencies and political
17 subdivisions of the State of Texas, including
18 specifically all cities, towns, and villages within
19 the district, are hereby authorized to enter into
20 contracts and agreements with the district for the
21 purchase or sale of water, for waste collection,
22 transportation, processing, or disposal, or for any
23 other purpose relating to the district's powers or
24 functions, upon such terms and conditions as the
25 parties may agree. . . .

26 Revisor's Note

27 Section 9(b), Chapter 714, Acts of the 65th
28 Legislature, Regular Session, 1977, refers to a
29 political subdivision of the state "including
30 specifically all cities, towns, and villages within
31 the district." The revised law omits references to
32 "cities, towns, and villages" in this context because
33 those terms are included in the meaning of "political
34 subdivision."

35 Revised Law

36 Sec. 8288.107. CONVEYANCE OF PROPERTY TO DISTRICT. A public
37 agency or political subdivision of this state may lease, sell, or
38 otherwise convey to the district, for any consideration that the
39 parties agree is adequate, any of its land, improvements, property,

1 plants, lines, or other facilities related to:

2 (1) the supply of water; or

3 (2) waste collection, transportation, processing, or
4 disposal. (Acts 65th Leg., R.S., Ch. 714, Sec. 9(b) (part).)

5 Source Law

6 (b) [All public agencies and political
7 subdivisions of the State of Texas,] Also,
8 each such entity may lease, sell, or otherwise convey
9 to the district any of its lands, improvements,
10 properties, plants, lines, or other facilities related
11 to the supply of water or the collection,
12 transportation, processing, or disposal of waste for
13 any consideration agreed on between the parties to be
14 adequate.

15 Revised Law

16 Sec. 8288.108. ACQUISITION OF EXISTING FACILITIES. If the
17 district acquires existing works, improvements, facilities,
18 plants, equipment, or appliances that are completed, partially
19 created, or under construction, the district may:

20 (1) assume the contracts and obligations of the
21 previous owner; and

22 (2) perform the obligations of the previous owner in
23 the same manner and to the same extent that any other purchaser or
24 assignee would be bound. (Acts 65th Leg., R.S., Ch. 714, Sec. 9(c).)

25 Source Law

26 (c) If the district acquires existing works,
27 improvements, facilities, plants, equipment, and
28 appliances which are completed or partially created or
29 under construction, the district may assume the
30 contracts and obligations of the previous owner and
31 perform the obligations of the previous owner in the
32 same manner and to the same extent that any other
33 purchaser or assignee would be bound.

34 Revised Law

35 Sec. 8288.109. EMINENT DOMAIN. (a) To carry out a power
36 conferred by this chapter, the district may exercise the power of
37 eminent domain inside or outside the district to acquire the fee
38 simple title to land, or any other interest in land as determined by
39 the board, and other property and easements, necessary for water
40 wells, water or sewer treatment plants, water or sewer lines,
41 pumping stations and force mains, storage tanks, or other similar
42 facilities.

1 (b) The district must exercise the power of eminent domain
2 in the manner provided by Chapter 21, Property Code. (Acts 65th
3 Leg., R.S., Ch. 714, Sec. 11(a) (part).)

4 Source Law

5 Sec. 11. (a) For the purpose of carrying out
6 any power or authority conferred by this Act, the
7 district may acquire the fee simple title to land, or
8 any other interest in land as may be determined by the
9 board, and other property and easements, necessary for
10 water wells, water or sewer treatment plants, water or
11 sewer lines, pumping stations and force mains, storage
12 tanks, or other similar facilities, inside or outside
13 the boundaries of the district, by condemnation, in
14 the manner provided by Title 52, Revised Civil
15 Statutes of Texas, 1925, as amended, relating to
16 eminent domain, except that

17 Revisor's Note

18 (1) Section 11(a), Chapter 714, Acts of the 65th
19 Legislature, Regular Session, 1977, provides that "the
20 district may acquire [certain property] by
21 condemnation." The revised law substitutes for the
22 quoted language "the district may exercise the power
23 of eminent domain . . . to acquire [certain property]"
24 because the phrases have the same meaning and the
25 latter is consistent with modern usage in laws
26 relating to eminent domain.

27 (2) Section 11(a), Chapter 714, Acts of the 65th
28 Legislature, Regular Session, 1977, refers to Title
29 52, Revised Civil Statutes of Texas, 1925, as amended.
30 That statute was codified as Chapter 21, Property
31 Code. The revised law is drafted accordingly. The
32 revised law omits the reference to "as amended"
33 because under Section 311.027, Government Code (Code
34 Construction Act), a reference to a statute applies to
35 all reenactments, revisions, or amendments of that
36 statute unless expressly provided otherwise.

37 (3) Section 11(a), Chapter 714, Acts of the 65th
38 Legislature, Regular Session, 1977, states that the
39 district is not required to give bond for appeal or
40 bond for costs in suits to which it is a party and is

1 not required to deposit double the amount of any award
2 in any suit relating to eminent domain. The revised
3 law omits those provisions because they duplicate
4 Section 21.021(c), Property Code, and Section
5 49.066(f), Water Code. Section 21.021(c) and Section
6 49.066(f) each provide that certain districts are not
7 required to give bond for appeal or bond for costs in
8 suits to which they are a party and that they are not
9 required to make the additional deposit (the
10 equivalent of "double the award") required by Section
11 21.021(a)(2). The omitted law reads:

12 (a) . . . the district shall not be
13 required to give bond for appeal or bond for
14 costs in any condemnation suit or other suit
15 to which it is a party and shall not be
16 required to deposit double the amount of any
17 award in any suit.

18 Revised Law

19 Sec. 8288.110. COST OF RELOCATING OR ALTERING PROPERTY;
20 RIGHTS-OF-WAY AND EASEMENTS. (a) If the district's exercise of its
21 eminent domain, police, or other power requires relocating,
22 raising, lowering, rerouting, or changing the grade of or altering
23 the construction of any highway, railroad, electric, transmission,
24 telegraph, or telephone line, conduit, pole, property, or facility
25 or pipeline, the action shall be accomplished at the sole expense of
26 the district. The term "sole expense" means the actual cost of the
27 lowering, rerouting, or change in grade or alteration of
28 construction to provide a comparable replacement without enhancing
29 the facility, after deducting from the cost the net salvage value
30 derived from the old facility.

31 (b) The district has all necessary or useful rights-of-way
32 and easements along, over, under, and across all public, state,
33 municipal, and county roads, highways, and places for any of its
34 purposes. The district shall restore a used facility to its
35 previous condition as nearly as possible at the sole expense of the
36 district. (Acts 65th Leg., R.S., Ch. 714, Secs. 11(c), (d).)

1 Source Law

2 (c) The district is hereby given and granted all
3 necessary or useful rights-of-way and easements along,
4 over, under, and across all public, state, city, and
5 country roads, highways, and places for any of its
6 purposes, but the district shall restore any such
7 facilities used to their previous condition as nearly
8 as possible at the sole expense of the district.

9 (d) In the event the district, in the exercise
10 of its power of eminent domain or police power, or any
11 other power, requires the relocation, raising,
12 lowering, rerouting, or change in grade or alteration
13 in the construction of any highway, railroad,
14 electric, transmission, telegraph, or telephone
15 lines, conduits, poles, properties, or facilities or
16 pipelines, all this relocation, raising, lowering,
17 rerouting, or changes in grade or alteration of
18 construction shall be accomplished at the sole expense
19 of the district. The term "sole expense" means the
20 actual cost of the lowering, rerouting, or change in
21 grade or alteration of construction in providing
22 comparable replacement without enhancement of the
23 facilities, after deducting from the cost the net
24 salvage value derived from the old facility.

25 Revisor's Note

26 Section 11(c), Chapter 714, Acts of the 65th
27 Legislature, Regular Session, 1977, refers to "city"
28 and "country" roads, highways, and places. The
29 revised law substitutes the term "municipal" for
30 "city" because "municipal" is the term used in the
31 Local Government Code. The revised law also
32 substitutes "county" for "country" because it is clear
33 from the context of the subsection that "country" is a
34 typographical error and that the legislature intended
35 to use the word "county."

36 Revisor's Note
37 (End of Subchapter)

38 (1) Section 9(d), Chapter 714, Acts of the 65th
39 Legislature, Regular Session, 1977, provides that the
40 rights, powers, privileges, authority, and functions
41 granted to the district are subject to the continuing
42 right of supervision of the state, acting through the
43 Texas Water Rights Commission, including commission
44 authority given under Sections 54.516, 54.517, and
45 54.030 et seq., Water Code. The revised law omits the
46 provision because the Texas Commission on

1 Environmental Quality is the successor to the Texas
2 Water Rights Commission, and therefore the provision
3 duplicates, in substance, part of Section 12.081,
4 Water Code, which applies to the district. Sections
5 54.516 and 54.517, Water Code, which granted the
6 commission certain supervisory authority in the
7 issuance of district bonds and in the construction of
8 projects, were repealed in 1995 and replaced by
9 similar Sections 49.181 and 49.182, Water Code, which
10 apply to the district on their own terms. Section
11 54.030 et seq., Water Code, applies to any
12 conservation and reclamation district that converts to
13 a municipal utility district governed by Chapter 54,
14 Water Code. Those sections also apply on their own
15 terms if they are invoked through the conversion
16 process they describe, so it is not necessary to
17 provide a reference to those sections in this chapter.
18 The omitted law reads:

19 (d) The rights, powers, privileges,
20 authority, and functions herein granted to
21 the district shall be subject to the
22 continuing right of supervision of the
23 state, to be exercised by and through the
24 Texas Water Rights Commission, subject to
25 the provisions of this Act, and the Water
26 Code, including but not limited to the
27 authority given under Sections 54.516,
28 54.517, and 54.030 et seq., of Chapter 54 of
29 the Water Code.

30 (2) Section 11(b), Chapter 714, Acts of the 65th
31 Legislature, Regular Session, 1977, provides that the
32 district has the powers conferred by Section 54.216,
33 Water Code, on municipal utility districts regarding
34 entering land, making surveys, and attending to other
35 district business. The revised law omits that
36 provision because it duplicates in substance Section
37 49.221, Water Code, which replaced Section 54.216,
38 Water Code, when that section was repealed in 1995.
39 The omitted law reads:

1 (b) The district shall have the same
2 power as is conferred on municipal utility
3 districts in Section 54.216 of the Water
4 Code, with reference to entering land and
5 making surveys and attending to other
6 business of the district.

7 [Sections 8288.111-8288.150 reserved for expansion]

8 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

9 Revised Law

10 Sec. 8288.151. IMPOSITION OF MAINTENANCE TAX; PROHIBITION
11 ON OTHER TAXES OR ASSESSMENTS. (a) The district may impose a tax,
12 not to exceed 10 cents on each \$100 of the assessed value of taxable
13 property in the district according to the most recent certified tax
14 appraisal roll of the district, for:

15 (1) maintenance purposes, including money for
16 studying, planning, maintaining, repairing, and operating all
17 necessary plants, works, facilities, improvements, appliances, and
18 equipment of the district;

19 (2) paying costs of proper services, engineering, and
20 legal fees; and

21 (3) organization and administrative expenses.

22 (b) The district may not impose a maintenance tax unless the
23 tax is approved by a majority of the voters voting at an election
24 held for that purpose.

25 (c) Except for the maintenance tax authorized by this
26 section, the district may not under this chapter or any other law
27 levy or collect a tax or assessment or create a debt payable from a
28 tax or assessment. (Acts 65th Leg., R.S., Ch. 714, Secs. 12(a), (b)
29 (part), (c).)

30 Source Law

31 Sec. 12. (a) The district may levy and collect
32 a tax, not to exceed 10 cents on the \$100 valuation of
33 taxable property in the district, for maintenance
34 purposes, including funds for studying, planning,
35 maintaining, repairing, and operating all necessary
36 plants, works, facilities, improvements, appliances,
37 and equipment of the district, and for paying costs of
38 proper services, engineering, and legal fees, and
39 organization and administrative expenses.

40 (b) A maintenance tax may not be levied until it
41 is approved by a majority of the qualified electors
42 voting at an election held for that purpose. . . .

43 (c) Except for the maintenance tax hereinabove
44 authorized, nothing in this Act or in any other act or

1 law shall be construed as authorizing the district to
2 levy or collect taxes or assessments or to create any
3 indebtedness payable out of taxes or assessments.

4 Revisor's Note

5 (1) Section 12(a), Chapter 714, Acts of the 65th
6 Legislature, Regular Session, 1977, refers to a tax
7 rate based on the "\$100 valuation of taxable property
8 in the district." The revised law substitutes for the
9 quoted language a reference to "each \$100 of the
10 assessed value of taxable property in the district
11 according to the most recent certified tax appraisal
12 roll of the district" to conform to the terminology of
13 the Tax Code, including Section 26.01 of that code.

14 (2) Section 12(b), Chapter 714, Acts of the 65th
15 Legislature, Regular Session, 1977, refers to a
16 majority of the "qualified" voters of the district.
17 The revised law omits "qualified" as unnecessary in
18 this context because Chapter 11, Election Code,
19 governs eligibility to vote in an election in this
20 state and allows only "qualified" voters to vote in an
21 election.

22 Revised Law

23 Sec. 8288.152. ELECTION TO IMPOSE TAX. (a) The board may
24 order an election to impose a maintenance tax. The election order
25 must specify:

- 26 (1) the time and place of the election;
27 (2) the maximum amount of tax to be authorized;
28 (3) the form of the ballot; and
29 (4) other matters the board considers necessary or
30 advisable.

31 (b) Notice of the election must be given by publishing once
32 a week for two consecutive weeks a substantial copy of the election
33 order in a newspaper of general circulation in the district. The
34 first publication must occur at least 14 days before the date of the
35 election. (Acts 65th Leg., R.S., Ch. 714, Sec. 12(b) (part).)

1 Source Law

2 (b) . . . Such an election may be called by the
3 board. The resolution calling the election shall
4 specify the time and place or places of holding the
5 election, the maximum amount of the maintenance tax to
6 be authorized, the form of the ballot, and other
7 matters deemed necessary or advisable by the board.
8 Notice of the election shall be given by publishing a
9 substantial copy of the resolution calling the
10 election in a newspaper having general circulation in
11 the district, once each week for two consecutive
12 weeks, with the first publication to be at least 14
13 days prior to the election. . . .

14 Revisor's Note

15 (1) Section 12(b), Chapter 714, Acts of the 65th
16 Legislature, Regular Session, 1977, provides that an
17 election "may be called" by the board to authorize
18 imposing a maintenance tax and refers to the
19 "resolution calling the election." The revised law
20 substitutes "may order" for "may be called" and
21 "election order" for "resolution calling the election"
22 because "order" is the term used in Chapter 3, Election
23 Code.

24 (2) Section 12(b), Chapter 714, Acts of the 65th
25 Legislature, Regular Session, 1977, requires that
26 election returns be made to the board. The revised law
27 omits that requirement because it duplicates Sections
28 66.022 and 66.051(a), Election Code. Section 12(b)
29 also requires the board to canvass the election
30 returns. The revised law omits that requirement
31 because it duplicates Section 67.002, Election Code.
32 The omitted law reads:

33 (b) . . . The returns of the election
34 shall be made to and canvassed by the board.
35 . . .

36 (3) Section 12(b), Chapter 714, Acts of the 65th
37 Legislature, Regular Session, 1977, states that a
38 district maintenance tax election shall be held in
39 accordance with the Election Code, except as provided
40 by Section 12, Chapter 714. The revised law omits that
41 provision because Section 1.002, Election Code,

1 provides that the Election Code applies to all
2 elections held in this state, and an exception to the
3 application of the Election Code would apply by its own
4 terms. The omitted law reads:

5 (b) . . . The Texas Election Code
6 shall be applicable to elections held under
7 this section, except as otherwise provided
8 herein.

9 Revised Law

10 Sec. 8288.153. DEPOSITORY. (a) The board shall designate
11 one or more banks inside or outside the district to serve as the
12 depository for the district's money.

13 (b) All district money shall be deposited in the depository
14 designated by the board, except that:

15 (1) bond proceeds and money pledged to pay bonds, to
16 the extent provided in a resolution or trust indenture authorizing
17 or securing district bonds, may be deposited with another bank or
18 trustee named in the bond resolution or trust indenture; and

19 (2) money shall be remitted to each paying agent for
20 the payment of principal of and interest on the bonds.

21 (c) To the extent that money in a depository bank or the
22 trustee bank is not insured by the Federal Deposit Insurance
23 Corporation, the money must be secured in the manner provided by law
24 for the security of the county funds in this state. (Acts 65th
25 Leg., R.S., Ch. 714, Sec. 19 (part).)

26 Source Law

27 Sec. 19. The board shall designate one or more
28 banks inside or outside the district to serve as
29 depository for the funds of the district. All funds of
30 the district shall be deposited in the depository bank
31 or banks, except that bond proceeds and funds pledged
32 to pay bonds may, to the extent provided in any
33 resolution or trust indenture authorizing or securing
34 bonds of the district, be deposited with any other bank
35 or trustee named in the bond resolution or trust
36 indenture, and except that funds shall be remitted to
37 each paying agent for the payment of principal of and
38 interest on the bonds. To the extent that funds in the
39 depository banks and the trustee bank are not insured
40 by the Federal Deposit Insurance Corporation or the
41 Federal Savings and Loan Insurance Corporation, they
42 shall be secured in the manner provided by law for the
43 security of funds of counties in the State of
44 Texas. . . .

1 Revisor's Note

2 Section 19, Chapter 714, Acts of the 65th
3 Legislature, Regular Session, 1977, refers to the
4 Federal Savings and Loan Insurance Corporation. The
5 Financial Institutions Reform, Recovery, and
6 Enforcement Act of 1989 (Pub. L. No. 101-73) abolished
7 the Federal Savings and Loan Insurance Corporation and
8 provided for the insurance of the deposits of savings
9 and loan associations by the Federal Deposit Insurance
10 Corporation. The revised law is drafted accordingly.

11 Revised Law

12 Sec. 8288.154. INVESTMENT OF DISTRICT MONEY. The board may
13 invest district money in obligations and make time deposits of
14 district money in a manner determined by the board or in the manner
15 permitted or required in a resolution or trust indenture
16 authorizing or securing district bonds. (Acts 65th Leg., R.S., Ch.
17 714, Sec. 19 (part).)

18 Source Law

19 Sec. 19. . . . The board may invest district
20 funds in obligations and make time deposits of
21 district funds in such manner as is determined by the
22 board or in the manner permitted or required in any
23 resolution or trust indenture authorizing or securing
24 bonds of the district.

25 Revised Law

26 Sec. 8288.155. DISTRICT FACILITIES EXEMPT FROM TAXATION AND
27 ASSESSMENT. The district is not required to pay a tax or assessment
28 on its facilities or any part of its facilities. (Acts 65th Leg.,
29 R.S., Ch. 714, Sec. 22 (part).)

30 Source Law

31 Sec. 22. . . . The district shall not be
32 required to pay any tax or assessment on its facilities
33 or any part of its facilities, and

34 Revisor's Note
35 (End of Subchapter)

36 Section 13, Chapter 714, Acts of the 65th
37 Legislature, Regular Session, 1977, establishes
38 certain procedures relating to the imposition of

1 property taxes. The revised law omits those
2 provisions as superseded by Title 1, Tax Code, which
3 was intended as a comprehensive, substantive
4 codification of all property tax law and its
5 administration. Title 1, Tax Code, was enacted by
6 Chapter 841, Acts of the 66th Legislature, Regular
7 Session, 1979. Section 6(b) of that act repealed all
8 "general, local, and special laws" that conflicted
9 with that act. The omitted law reads:

10 Sec. 13. (a) The tax rolls of
11 Jefferson County are adopted and shall
12 constitute the tax rolls of the district for
13 purposes of levying and assessing the
14 maintenance tax herein authorized.

15 (b) The laws of this state applicable
16 to the levy, assessment, and collection of
17 ad valorem taxes by counties may be adopted
18 and shall be used to the extent pertinent
19 and practicable.

20 [Sections 8288.156-8288.200 reserved for expansion]

21 SUBCHAPTER E. BONDS

22 Revised Law

23 Sec. 8288.201. AUTHORITY TO ISSUE BONDS. (a) The district
24 may issue bonds payable from and secured by district revenue to
25 carry out any power conferred by this chapter. The bonds must be
26 authorized by a board resolution.

27 (b) The bonds must be issued in the manner and under the
28 terms of the resolution authorizing the issuance of the bonds.
29 (Acts 65th Leg., R.S., Ch. 714, Secs. 15(a) (part), (b) (part).)

30 Source Law

31 Sec. 15. (a) For the purpose of carrying out
32 any power or authority conferred by this Act, the
33 district may issue its negotiable bonds or notes to be
34 payable from and secured by revenues of the district,
35 in the manner and under the terms and conditions
36 provided in the resolution authorizing the issuance of
37 the [bonds or notes (hereinafter called "bonds")].

38 (b) The bonds shall be authorized by resolution
39 of the board and

40 Revisor's Note

41 (1) Section 15(a), Chapter 714, Acts of the 65th
42 Legislature, Regular Session, 1977, authorizes the
43 district to issue "negotiable" bonds or notes. The

1 revised law omits "negotiable" for the reason stated
2 in Revisor's Note (10) to Section 8288.101.

3 (2) Section 15(c), Chapter 714, Acts of the 65th
4 Legislature, Regular Session, 1977, states that bonds
5 may be issued in "more than one series and from time to
6 time as required for carrying out the purposes of this
7 Act." The revised law omits "more than one series"
8 because it duplicates a provision of Section 1201.022,
9 Government Code, which applies to district bonds by
10 application of Section 1201.003, Government Code. The
11 revised law omits "from time to time" because the power
12 to issue bonds implies the power to do so at any time.
13 The revised law omits "as required for carrying out the
14 purposes of this Act" because Section 15(a), Chapter
15 714, Acts of the 65th Legislature, Regular Session,
16 1977, revised as this section, authorizes the district
17 to issue bonds for the purposes of the act. The
18 omitted law reads:

19 (c) Bonds may be issued in more than
20 one series and from time to time as required
21 for carrying out the purposes of this Act.

22 Revised Law

23 Sec. 8288.202. FORM OF BONDS. District bonds must be:

- 24 (1) issued in the district's name;
25 (2) signed by the president or vice president; and
26 (3) attested by the secretary. (Acts 65th Leg., R.S.,
27 Ch. 714, Sec. 15(b) (part).)

28 Source Law

29 (b) The bonds . . . shall be issued in the name
30 of the district, signed by the president or
31 vice-president, attested by the secretary, and . . .

32 Revisor's Note

33 Section 15(b), Chapter 714, Acts of the 65th
34 Legislature, Regular Session, 1977, provides that
35 district bonds must bear the seal of the district and
36 authorizes facsimile "printed or lithographed"

1 signatures and seals. The revised law omits those
2 provisions as unnecessary. The requirement that the
3 bonds bear the seal of the district was impliedly
4 repealed by Section 3, Bond Procedures Act of 1981
5 (Article 717k-6, Vernon's Texas Civil Statutes)
6 (revised in relevant part in 1999 as Section
7 1201.026(a), Government Code), which provides that
8 bonds may be signed with or without a seal. The
9 authorization for the use of printed or lithographed
10 signatures duplicates Section 1201.026(a), Government
11 Code, which also provides that bonds and interest
12 coupons may be executed with manual or facsimile
13 signatures. The omitted law reads:

14 (b) [The bonds] . . . shall bear the
15 seal of the district. It is provided,
16 however, that the signatures of the
17 president or the vice-president, or the
18 secretary, or of both, may be printed or
19 lithographed on the bonds if authorized by
20 the board and that the seal of the district
21 may be impressed on the bonds or may be
22 printed or lithographed on the bonds. . . .

23 Revised Law

24 Sec. 8288.203. MATURITY. District bonds must mature not
25 later than 40 years after the date of their issuance. (Acts 65th
26 Leg., R.S., Ch. 714, Sec. 15(b) (part).)

27 Source Law

28 (b) . . . The bonds shall mature serially or
29 otherwise in not to exceed 40 years from their date and
30

31 Revisor's Note

32 Section 15(b), Chapter 714, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that
34 district bonds shall mature "serially or otherwise."
35 The revised law omits the quoted language because it is
36 superseded by Section 1201.021, Government Code
37 (enacted as Section 3, Bond Procedures Act of 1981
38 (Article 717k-6, Vernon's Texas Civil Statutes)),
39 which provides that the governing body of an issuer may

1 determine the time of payment of public securities it
2 issues, and by Section 1201.022, Government Code
3 (enacted as Section 5(a), Bond Procedures Act of 1981
4 (Article 717k-6, Vernon's Texas Civil Statutes)),
5 which provides that a public security may be issued
6 with specified characteristics, on specified terms, or
7 in a specified manner. Sections 1201.021 and 1201.022
8 apply to district bonds under Sections 1201.002 and
9 1201.003, Government Code.

10 Revised Law

11 Sec. 8288.204. BONDS SECURED BY REVENUE; ADDITIONAL BONDS.

12 (a) District bonds may be secured by a pledge of all or part of the
13 district's revenue, or by all or part of the payments or rentals
14 under one or more contracts or leases specified by board resolution
15 or a trust indenture securing the bonds.

16 (b) A resolution authorizing the issuance of bonds secured
17 by a pledge of revenue of all or part of the district's facilities
18 may provide that the district shall first pay the expenses of
19 operating and maintaining all or part of the facilities as the board
20 considers appropriate before paying the principal of and interest
21 on the bonds.

22 (c) In a resolution authorizing the issuance of bonds
23 secured by revenue, contract payments, or lease rentals, the
24 district may reserve the right, under conditions specified by the
25 resolution, to issue additional bonds that will be on a parity with,
26 superior to, or subordinate to the bonds then being issued. (Acts
27 65th Leg., R.S., Ch. 714, Sec. 15(d).)

28 Source Law

29 (d) The bonds may be secured by a pledge of all
30 or any part of the revenues of the district, or by all
31 or any part of payments or rentals under any one or
32 more contracts or leases specified by resolution of
33 the board or in any trust indenture securing the bonds.
34 A resolution authorizing the issuance of any bonds
35 secured by a pledge of revenues of all or any part of
36 the district's facilities may provide that the
37 district shall first pay such expenses of operating
38 and maintaining all or any part of such facilities as
39 the board may deem appropriate prior to paying
40 principal of and interest on such bonds. In all of its

1 resolutions authorizing the issuance of bonds secured
2 by revenues, contract payments, or lease rentals, the
3 district may reserve the right, under conditions
4 specified in it, to issue additional bonds which will
5 be on a parity with, superior to, or subordinate to the
6 bonds then being issued.

7 Revised Law

8 Sec. 8288.205. ADDITIONAL SECURITY. (a) District bonds
9 may be additionally secured, at the discretion of the board, by a
10 deed of trust or mortgage lien on all or part of the district's
11 physical property, facilities, easements, water rights and
12 appropriation permits, leases, contracts, and all rights
13 appurtenant to the property, vesting in the trustee power to:

14 (1) sell the property for the payment of the debt;

15 (2) operate the property; and

16 (3) take other action to further secure the bonds.

17 (b) A purchaser under a sale under the deed of trust lien, if
18 one is given:

19 (1) is the absolute owner of the property, facilities,
20 and rights purchased; and

21 (2) is entitled to maintain and operate the property,
22 facilities, and rights. (Acts 65th Leg., R.S., Ch. 714, Sec. 16
23 (part).)

24 Source Law

25 Sec. 16. Any bonds . . . authorized by this law
26 The bonds, within the discretion of the board,
27 may be additionally secured by a deed of trust or
28 mortgage lien upon all or any portion of the district's
29 physical properties, facilities, easements, water
30 rights and appropriation permits, leases, and
31 contracts and all rights appurtenant to these
32 properties, vesting in the trustee power to sell the
33 properties for the payment of indebtedness, power to
34 operate the properties, and all other powers and
35 authority for the further security of the bonds. Any
36 purchaser under a sale under the deed of trust lien,
37 where one is given, shall be the absolute owner of
38 properties, facilities, and rights so purchased and
39 shall have the right to maintain and operate them.

40 Revised Law

41 Sec. 8288.206. TRUST INDENTURE. District bonds authorized
42 by this chapter, including refunding bonds, may be additionally
43 secured by a trust indenture. The trustee may be a bank with trust
44 powers that is located inside or outside the state. (Acts 65th

1 Leg., R.S., Ch. 714, Sec. 16 (part).)

2 Source Law

3 Sec. 16. Any bonds, including refunding bonds,
4 authorized by this law, may be additionally secured by
5 a trust indenture under which the trustee may be a bank
6 having trust powers situated either inside or outside
7 of the state. . . .

8 Revised Law

9 Sec. 8288.207. CHARGES FOR DISTRICT SERVICES. If district
10 bonds payable wholly from revenue are issued, the board shall set
11 and revise the rates, fees, and charges assessed for water sold and
12 waste collection and treatment services provided by the district.
13 The rates, fees, and charges must be sufficient to:

14 (1) pay the expense of operating and maintaining the
15 district facilities that generate the revenue from which the bonds
16 will be paid;

17 (2) pay the principal of and interest on the bonds when
18 due; and

19 (3) maintain the reserve fund and other funds as
20 provided in the resolution authorizing the bonds. (Acts 65th Leg.,
21 R.S., Ch. 714, Sec. 15(e) (part).)

22 Source Law

23 (e) Where bonds payable wholly from revenues are
24 issued, the board shall fix, and from time to time
25 revise, the rates, fees, and charges assessed for
26 water sold and waste collection and treatment services
27 rendered by the district which will be sufficient (i)
28 to pay the expense of operating and maintaining those
29 facilities of the district that generate the revenues
30 from which the district's bonds will be paid, (ii) to
31 pay the principal of and interest on the bonds when
32 due, and (iii) to maintain such reserve and other funds
33 as are provided in the resolution authorizing the
34 bonds. . . .

35 Revisor's Note

36 Section 15(e), Chapter 714, Acts of the 65th
37 Legislature, Regular Session, 1977, provides that the
38 board shall fix and "from time to time" revise the
39 rates, fees, and charges the district assesses for
40 water sold and waste collection and treatment services
41 provided by the district. The revised law omits the
42 quoted language because the duty to set the rates,

1 fees, and charges includes the duty to revise them from
2 time to time.

3 Revised Law

4 Sec. 8288.208. STATE PLEDGE REGARDING RIGHTS AND REMEDIES
5 OF BONDHOLDERS. Without depriving this state of its power to
6 regulate and control the rates, fees, and charges assessed for
7 water sold and waste collection and treatment services provided by
8 the district, the state pledges to and agrees with the holders of
9 district bonds that the state will not exercise its power to
10 regulate and control the rates, fees, and charges in any way that
11 would impair the rights or remedies of the holders of the bonds.
12 (Acts 65th Leg., R.S., Ch. 714, Sec. 15(e) (part).)

13 Source Law

14 (e) . . . Without in any way depriving the State
15 of Texas of its power to regulate and control such
16 rates, fees, and charges, the State of Texas does
17 hereby pledge to and agree with the holders of any
18 bonds issued hereunder that the state will not
19 exercise its power to regulate and control such rates,
20 fees, and charges in any way that would impair the
21 rights of remedies of the holders of such bonds.

22 Revisor's Note

23 Section 15(e), Chapter 714, Acts of the 65th
24 Legislature, Regular Session, 1977, provides that the
25 state will not regulate and control the rates, fees,
26 and charges of district bonds in a way that impairs the
27 "rights of remedies" of the holder of a district bond.
28 The revised law substitutes "rights or remedies" for
29 "rights of remedies" because it is clear from the
30 context that "of" is a typographical error and that the
31 legislature intended to use the phrase "rights or
32 remedies."

33 Revised Law

34 Sec. 8288.209. USE OF BOND PROCEEDS. (a) The district may
35 set aside an amount of proceeds from the sale of district bonds for:

36 (1) the payment of interest expected to accrue during
37 construction not to exceed three years;

38 (2) a debt service reserve fund; and

1 (3) other funds as may be provided in the resolution
2 authorizing the bonds or in the trust indenture.

3 (b) The district may use proceeds from the sale of the bonds
4 to pay any expense necessarily incurred in accomplishing the
5 purpose of the district, including any expense of issuing and
6 selling the bonds. (Acts 65th Leg., R.S., Ch. 714, Sec. 15(f).)

7 Source Law

8 (f) From the proceeds from the sale of the
9 bonds, the district may set aside an amount for the
10 payment of interest expected to accrue during
11 construction not to exceed three years, a debt service
12 reserve and other funds as may be provided in the
13 resolution authorizing the bonds or in the trust
14 indenture. Proceeds from the sale of the bonds may also
15 be used for the payment of all expenses necessarily
16 incurred in accomplishing the purpose for which this
17 district is created, including expenses of issuing and
18 selling the bonds.

19 Revised Law

20 Sec. 8288.210. APPOINTMENT OF RECEIVER. (a) On default or
21 threatened default in the payment of the principal of or interest on
22 district bonds that are payable wholly or partly from revenue, a
23 court may, on petition of the holders of at least 25 percent of the
24 district's outstanding revenue bonds, appoint a receiver for the
25 district.

26 (b) The receiver may collect and receive all district
27 revenue, other than taxes, employ and discharge district agents and
28 employees, and take charge of money on hand, other than money
29 received from taxes, unless commingled, and or hindrance by the
30 board.

31 (c) The receiver may be authorized to sell or contract for
32 the sale of water or the collection or treatment of waste or to
33 renew contracts with the approval of the court that appointed the
34 receiver.

35 (d) The court may vest the receiver with any other power or
36 duty the court finds necessary to protect the holders of the bonds.
37 (Acts 65th Leg., R.S., Ch. 714, Sec. 15(g) (part).)

38 Source Law

39 (g) In the event of a default or a threatened
40 default in the payment of principal of or interest on

1 bonds payable wholly or partially from revenues, any
2 court of competent jurisdiction may, upon petition of
3 the holders of at least 25 percent of the district's
4 outstanding revenue bonds, appoint a receiver with
5 authority to collect and receive all revenues of the
6 district, except taxes, employ and discharge agents
7 and employees of the district, take charge of funds on
8 hand, except funds received from taxes, unless
9 commingled, and or hindrance by the board. The
10 receiver may also be authorized to sell or make
11 contracts for the sale of water and the collection and
12 treatment of waste and to renew contracts, with the
13 approval of the court appointing him. The court may
14 vest the receiver with other powers and duties as the
15 court may find necessary for the protection of the
16 holders of the bonds. . . .

17 Revisor's Note

18 (1) Section 15(g), Chapter 714, Acts of the 65th
19 Legislature, Regular Session, 1977, refers to a court
20 "of competent jurisdiction." The revised law omits
21 the quoted language because the general laws of civil
22 jurisdiction determine which courts have jurisdiction
23 over the matter. For example, see Section 24.303,
24 Government Code, for the jurisdiction of certain
25 district courts to appoint receivers.

26 (2) Section 15(g), Chapter 714, Acts of the 65th
27 Legislature, Regular Session, 1977, provides for the
28 appointment of a receiver if the district defaults on
29 district bonds and allows the receiver to collect and
30 receive certain district revenue and to take charge of
31 funds of the district "on hand, . . . and or hindrance
32 by the board." In context, it appears as though the
33 phrase "and or hindrance by the board" is a
34 typographical error, since it is clear from a reading
35 of the section and similar laws that "on hand, . . .
36 without consent or hindrance by the board" was the
37 phrase the legislature intended to include in the
38 source law. However, the revised law preserves the
39 likely typographical error in source law because the
40 source law is ambiguous and the ambiguity cannot be
41 resolved without potential substantive effect.

1 Revised Law

2 Sec. 8288.211. REFUNDING BONDS. (a) The district may issue
3 refunding bonds to refund outstanding district bonds and interest
4 on those bonds. Refunding bonds may be issued without an election.

5 (b) Refunding bonds may:

6 (1) be issued to refund bonds of more than one series;

7 (2) combine the pledges for the outstanding bonds for
8 the security of the refunding bonds; or

9 (3) be secured by a pledge of other or additional
10 revenue or mortgage liens.

11 (c) The provisions of this subchapter regarding the
12 issuance of other bonds, their security, and the remedies of the
13 holders apply to refunding bonds.

14 (d) The comptroller shall register the refunding bonds on
15 the surrender and cancellation of the bonds to be refunded.

16 (e) Instead of issuing bonds to be registered on the
17 surrender and cancellation of the bonds to be refunded, the
18 district, in the resolution authorizing the issuance of the
19 refunding bonds, may provide for the sale of the refunding bonds and
20 the deposit of the proceeds in a bank at which the bonds to be
21 refunded are payable. In that case, the refunding bonds may be
22 issued in an amount sufficient to pay the principal of and interest
23 and any required redemption premium on the bonds to be refunded to
24 any redemption date or to their maturity date, and the comptroller
25 shall register the refunding bonds without the surrender and
26 cancellation of the bonds to be refunded.

27 (f) The district may also issue refunding bonds under any
28 other applicable law. (Acts 65th Leg., R.S., Ch. 714, Sec. 17.)

29 Source Law

30 Sec. 17. The district is authorized to issue
31 refunding bonds for the purpose of refunding any
32 outstanding bonds authorized by this Act and interest
33 on the bonds. The refunding bonds may be issued to
34 refund more than one series of outstanding bonds and
35 combine the pledges for the outstanding bonds for the
36 security of the refunding bonds, and may be secured by
37 other or additional revenues and mortgage liens. The
38 provisions of this Act with reference to the issuance
39 by the district of other bonds, their security, and

1 their approval by the attorney general and the
2 remedies of the holders shall be applicable to
3 refunding bonds. Refunding bonds shall be registered
4 by the comptroller upon surrender and cancellation of
5 the bonds to be refunded, but in lieu thereof, the
6 resolution authorizing their issuance may provide that
7 they shall be sold and the proceeds of the sale
8 deposited in the bank where the original bonds are
9 payable, in which case the refunding bonds may be
10 issued in an amount sufficient to pay all principal
11 coming due, all interest accruing, and any required
12 redemption premium on the bonds being refunded to or
13 through any date upon which they are subject to
14 redemption prior to maturity, or through or at their
15 maturity date or dates, respectively, and the
16 comptroller shall register them without concurrent
17 surrender and cancellation of the original bonds. The
18 refunding bonds may be issued without having been
19 authorized at an election. Refunding bonds also may be
20 issued by the district pursuant to any other
21 applicable law.

22 Revisor's Note

23 Section 17, Chapter 714, Acts of the 65th
24 Legislature, Regular Session, 1977, refers to the
25 "approval by the attorney general" of refunding bonds.
26 The revised law omits the quoted language because it is
27 superseded by Section 1202.003, Government Code,
28 enacted in 1987 as Section 3.002(a), Chapter 53, Acts
29 of the 70th Legislature, 2nd Called Session (Article
30 717k-8, Vernon's Texas Civil Statutes). That section
31 applies to district bonds by application of Section
32 1202.001, Government Code.

33 Revised Law

34 Sec. 8288.212. OTHER REMEDIES AND COVENANTS. The
35 resolution authorizing the issuance of any district bonds
36 authorized under this chapter, including refunding bonds, or the
37 trust indenture securing the bonds, may provide other remedies and
38 covenants the board considers necessary to issue the bonds on the
39 most favorable terms. (Acts 65th Leg., R.S., Ch. 714, Sec. 15(h).)

40 Source Law

41 (h) The resolution authorizing the issuance of
42 any bonds authorized under this Act, including
43 refunding bonds, or the trust indenture securing such
44 bonds, may also provide such other remedies and
45 contain such covenants as the board shall deem
46 necessary to issue its bonds upon the most favorable
47 terms.

1 Revised Law

2 Sec. 8288.213. LIMITATION ON RIGHTS OF BONDHOLDERS. The
3 resolution authorizing the bonds or the trust indenture securing
4 the bonds may limit or qualify the rights of the holders of less
5 than all of the outstanding bonds payable from the same source to
6 institute or prosecute litigation affecting the district's
7 property or income. (Acts 65th Leg., R.S., Ch. 714, Sec. 15(g)
8 (part).)

9 Source Law

10 (g) . . . The resolution authorizing the
11 issuance of the bonds, or the trust indenture securing
12 them, may further limit or qualify the rights of the
13 holders of less than all of the outstanding bonds
14 payable from the sale source to institute or prosecute
15 litigation affecting the district's property or
16 income.

17 Revisor's Note

18 Section 15(g), Chapter 714, Acts of the 65th
19 Legislature, Regular Session, 1977, provides for a
20 resolution limiting or qualifying the rights of
21 holders of certain bonds payable from the "sale
22 source." The revised law substitutes "same" for
23 "sale" because it is clear from the context that "sale"
24 is a typographical error and that the legislature
25 intended to use the word "same."

26 Revised Law

27 Sec. 8288.214. BONDS EXEMPT FROM TAXATION. A district
28 bond, the transfer of the bond, and the income from the bond,
29 including profits made on the sale of the bond, are exempt from
30 taxation in this state. (Acts 65th Leg., R.S., Ch. 714, Sec. 22
31 (part).)

32 Source Law

33 Sec. 22. . . . the bonds issued hereunder and
34 their transfer and the income therefrom, including the
35 profits made on the sale, shall at all times be free
36 from taxation within this state.

37 Revisor's Note
38 (End of Subchapter)

39 (1) Section 15(b), Chapter 714, Acts of the 65th

1 Legislature, Regular Session, 1977, provides that
2 district bonds may be sold at a price and under terms
3 that the board determines are the most advantageous
4 reasonably obtainable. The revised law omits that
5 provision because it is superseded by general law.
6 Section 1201.022, Government Code, as amended in 2001,
7 provides that an issuer may sell public securities
8 "under the terms determined by the governing body of
9 the issuer to be in the issuer's best interests."
10 Section 1201.022 applies to district bonds by
11 application of Section 1201.002, Government Code. The
12 omitted law reads:

13 (b) . . . [The bonds] . . . may be
14 sold at a price and under terms determined
15 by the board to be the most advantageous
16 reasonably obtainable. . . .

17 (2) Section 15(b), Chapter 714, Acts of the 65th
18 Legislature, Regular Session, 1977, provides that
19 district bonds may be redeemed before maturity at the
20 time and price specified in the bonds. The revised law
21 omits that provision because it duplicates Sections
22 1201.021 and 1201.022, Government Code, which provide
23 that a public security may be redeemed before maturity
24 and be payable in specified amounts and at specified
25 times. Those sections apply to district bonds by the
26 application of Section 1201.002, Government Code. The
27 omitted law reads:

28 (b) . . . Within the discretion of
29 the board, such bonds may be made callable
30 prior to maturity at times and prices
31 prescribed in the bonds, and

32 (3) Section 15(b), Chapter 714, Acts of the 65th
33 Legislature, Regular Session, 1977, provides that
34 district bonds may be registered as to principal or as
35 to principal and interest. The revised law omits that
36 provision because it duplicates Section 1201.024,
37 Government Code. That section applies to district

1 bonds by the application of Section 1201.002,
2 Government Code. The omitted law reads:

3 (b) . . . [such bonds] . . . may be
4 made registrable as to principal or as to
5 both principal and interest.

6 (4) Section 18, Chapter 714, Acts of the 65th
7 Legislature, Regular Session, 1977, requires the
8 district to deliver its bonds to the attorney general
9 for examination and approval. The revised law omits
10 that provision because it duplicates, in substance,
11 Section 1202.003, Government Code. Section 1202.003,
12 Government Code, applies to district bonds by
13 application of Section 1202.001, Government Code. The
14 omitted law reads:

15 Sec. 18. After any bonds, including
16 refunding bonds, are authorized by the
17 district, the bonds and the proceedings
18 relating to their issuance shall be
19 submitted to the attorney general for his
20 examination as to their validity. . . . If
21 he finds that the bonds have been authorized
22 and . . . in accordance with the
23 constitution and laws of the State of Texas,
24 he shall approve the bonds and

25 (5) Section 18, Chapter 714, Acts of the 65th
26 Legislature, Regular Session, 1977, provides that
27 after approval the bonds shall be registered with the
28 comptroller. The revised law omits that provision as
29 superseded by Section 1202.005, Government Code
30 (enacted in 1987 as Section 3.002(c), Chapter 53, Acts
31 of the 70th Legislature, 2nd Called Session). Section
32 1202.005, Government Code, applies to district bonds
33 by application of Section 1202.001, Government Code.
34 The omitted law reads:

35 Sec. 18. . . . [he shall approve the
36 bonds and] . . . the bonds then shall be
37 registered by the comptroller of public
38 accounts. . . .

39 (6) Section 18, Chapter 714, Acts of the 65th
40 Legislature, Regular Session, 1977, provides that
41 after approval and registration, district bonds are

1 incontestable and binding obligations. The revised
2 law omits that provision as impliedly repealed by
3 Section 1202.006, Government Code (enacted as Section
4 3.002(d), Chapter 53, Acts of the 70th Legislature,
5 2nd Called Session, 1987). Section 1202.006,
6 Government Code, provides that after approval and
7 registration, bonds are incontestable for any reason.
8 Section 1202.006 applies to district bonds by
9 application of Section 1202.001, Government Code. The
10 omitted law reads:

11 Sec. 18. . . . Thereafter the bonds,
12 and . . . are valid and binding obligations
13 in accordance with their terms for all
14 purposes, and are incontestable in any
15 court, or other forum, for any reason.

16 (7) Section 18, Chapter 714, Acts of the 65th
17 Legislature, Regular Session, 1977, details various
18 procedures regarding approval of bond contracts and
19 proceedings by the attorney general. The revised law
20 omits the portion of Section 18 regarding the validity
21 and incontestability of a contract the revenues or
22 proceeds of which are pledged to the payment of a bond
23 as impliedly repealed by Section 1202.006, Government
24 Code (enacted as Section 3.002(d), Chapter 53, Acts of
25 the 70th Legislature, 2nd Called Session, 1987).
26 Section 1202.006, Government Code, provides that after
27 approval and registration of the bond, the bond and
28 contract are incontestable for any reason. Section
29 1202.006 applies to district bonds by application of
30 Section 1202.001, Government Code. The omitted law
31 reads:

32 Sec. 18. . . . If the bonds recite
33 that they are secured by a pledge of the
34 revenues or proceeds of a contract
35 previously made between the district and
36 any city, or other public agency or
37 political subdivision, or other entity, a
38 copy of the contract and the proceedings of
39 the city or other public agency or political
40 subdivision, or other entity, authorizing
41 the contract also may be submitted to the

1 attorney general. [If he finds that] . . .
2 the contracts have been made [in accordance
3 with the constitution and laws of the State
4 of Texas, he shall approve] . . . the
5 contracts, and [Thereafter] . . .
6 the contracts, if any, [are valid and
7 binding obligations in accordance with
8 their terms for all purposes and are
9 incontestable in any court, or other forum,
10 for any reason.]

11 (8) Section 20, Chapter 714, Acts of the 65th
12 Legislature, Regular Session, 1977, lists the entities
13 for which district bonds are legal investments and
14 provides that district bonds may secure deposits of
15 public funds of the state or political subdivisions.
16 The revised law omits the provision relating to the
17 eligibility of district bonds to be considered as
18 investments for various entities because it duplicates
19 Section 49.186(a), Water Code. The revised law omits
20 the provision relating to deposits of state funds by
21 the comptroller as impliedly repealed by Section
22 404.0221, Government Code (enacted in 1995), which
23 lists eligible collateral for deposits of state funds
24 by the comptroller. As to deposits of other funds, the
25 provision is impliedly repealed by Chapter 2257,
26 Government Code (enacted in 1989 as Article 2529d,
27 Vernon's Texas Civil Statutes), which governs eligible
28 collateral for deposits of funds of other public
29 agencies, including political subdivisions, and
30 permits those deposits to be secured by obligations
31 issued by conservation and reclamation districts. The
32 omitted law reads:

33 Sec. 20. All bonds of the district
34 are legal and authorized investments for
35 banks, savings banks, trust companies,
36 building and loan associations, insurance
37 companies, fiduciaries, trustees, and for
38 the sinking fund of cities, towns,
39 villages, counties, school districts, or
40 other political corporations or
41 subdivisions of the State of Texas. The
42 bonds are eligible to secure the deposit of
43 any and all public funds of the State of
44 Texas, and any and all public funds of
45 cities, towns, villages, counties, school
46 districts, or other political corporations

1 or subdivisions of the State of Texas, and
2 the bonds are lawful and sufficient
3 security for these deposits to the extent of
4 their value, when accompanied by all
5 unmatured coupons appurtenant thereto.

6 Revisor's Note
7 (End of Chapter)

8 (1) Section 5, Chapter 714, Acts of the 65th
9 Legislature, Regular Session, 1977, provides that an
10 election to confirm the creation of the district must
11 be held before the district may issue any bonds or
12 other obligations. The revised law omits that
13 provision as executed because the district has issued
14 bonds, and any confirmation election would have been
15 held. The omitted law reads:

16 Sec. 5. Before issuing any bonds or
17 other obligations an election shall be held
18 within the boundaries of the proposed
19 district to determine if the proposed
20 district shall be established; such
21 election and notice thereof shall be held
22 and given in the manner provided by Chapter
23 54 of the Water Code.

24 (2) Section 21, Chapter 714, Acts of the 65th
25 Legislature, Regular Session, 1977, provides in part
26 that the act is sufficient authority for the issuance
27 of bonds, the execution of contracts and conveyances,
28 and the performance of other authorized acts by the
29 district and all other public agencies, without
30 reference to any other law or any restrictions or
31 limitations contained in another law, except as
32 specifically provided by the act.

33 The revised law omits the statement that the act
34 is sufficient authority for the performance of acts
35 authorized by the act because it is unnecessary. The
36 operative provisions of the act are fully effective on
37 their own terms.

38 The revised law omits the statement that other
39 laws or restrictions or limitations contained in those
40 laws do not apply because it is both unnecessary and
41 potentially misleading. An accepted general principle

1 of statutory construction requires a statute to be
2 given cumulative effect with other statutes unless it
3 provides otherwise or unless the statutes are in
4 conflict. To the extent the statement means that the
5 act prevails over other law in existence at the time
6 the act became effective and with which the act
7 conflicts, it merely restates general rules of
8 statutory construction. To the extent the statement
9 means the act prevails over future enactments of the
10 legislature that may conflict with it, it is
11 misleading. Section 311.026, Government Code (Code
12 Construction Act), governs the interpretation of the
13 revised law in instances of apparent conflict with
14 other laws.

15 Finally, codification of the statement is
16 potentially misleading because the revised law not
17 only omits provisions of the act that are impliedly
18 repealed by other law, it also omits provisions that
19 are duplicative of other law. Codification of the
20 statement might create an impression that the
21 provisions of other law that duplicate the omitted
22 provisions do not apply.

23 Section 21 also provides that the district and
24 all other public agencies and political subdivisions
25 may use the provisions of other laws that do not
26 conflict with the act to carry out any power granted by
27 the act. The revised law omits that provision as
28 unnecessary. The operative provisions of other
29 applicable laws are fully effective on their own
30 terms. The omitted law reads:

31 Sec. 21. This Act shall be wholly
32 sufficient authority within itself for the
33 issuance of the bonds, the execution of
34 contracts, and conveyances, and the
35 performance of the other acts and
36 procedures authorized in this Act by the
37 district, and all other public agencies and
38 political subdivisions, without reference

1 to any other law or any restrictions or
2 limitations contained therein, except as
3 specifically provided in this Act. The
4 district, and all other public agencies and
5 political subdivisions, may use the
6 provisions of any other laws, not in
7 conflict with the provisions, to the extent
8 convenient or necessary to carry out any
9 power or authority, express or implied,
10 granted by this Act.

11 (3) Section 23, Chapter 714, Acts of the 65th
12 Legislature, Regular Session, 1977, provides that the
13 act is severable. The revised law omits that provision
14 because it duplicates Section 311.032, Government Code
15 (Code Construction Act), which states that a provision
16 of a statute is severable from each other provision of
17 the statute that can be given effect. The omitted law
18 reads:

19 Sec. 23. If any word, phrase, clause,
20 paragraph, sentence, part, portion, or
21 provision of this Act or the application
22 thereof to any person or circumstance shall
23 be held to be invalid or unconstitutional
24 the remainder of this Act shall
25 nevertheless be valid, and the legislature
26 hereby declares that this Act would have
27 been enacted without such invalid or
28 unconstitutional word, phrase, clause,
29 paragraph, sentence, part, portion or
30 provision. . . .

31 (4) Section 24, Chapter 714, Acts of the 65th
32 Legislature, Regular Session, 1977, contains
33 legislative findings related to the performance of
34 certain requirements under Section 59, Article XVI,
35 Texas Constitution. The revised law omits that
36 provision as executed. The omitted law reads:

37 Sec. 24. It is determined and found
38 that a proper and written notice of the
39 intention to introduce this Act setting
40 forth the general substance of this Act has
41 been published at least 30 days and not more
42 than 90 days prior to the introduction of
43 this Act in the Legislature of Texas in a
44 newspaper having a general circulation in
45 the county in which the district is located;
46 that a copy of such notice and a copy of this
47 Act have been delivered to the governor of
48 Texas who has submitted such notice and act
49 to the Texas Water Rights Commission, and
50 said Texas Water Rights Commission has
51 filed its recommendations as to this Act
52 with the governor, lieutenant governor, and
53 speaker of the house of representatives

1 within 30 days from the date such notice and
2 Act were received by the Texas Water Rights
3 Commission; and that all the requirements
4 and provisions of Article XVI, Section 59d,
5 of the Texas Constitution, have been
6 fulfilled and accomplished as herein
7 provided, and that any applicable
8 requirements and provisions of Article XVI,
9 Section 59e, of the Texas Constitution,
10 have been fulfilled and accomplished.

23 CHAPTER 8289. MEMORIAL POINT UTILITY DISTRICT

24 SUBCHAPTER A. GENERAL PROVISIONS

25 Revised Law

26 Sec. 8289.001. DEFINITIONS. In this chapter:

- 27 (1) "Board" means the district's board of directors.
- 28 (2) "Director" means a member of the board.
- 29 (3) "District" means the Memorial Point Utility

30 District. (Acts 62nd Leg., R.S., Ch. 423, Sec. 1 (part); New.)

31 Source Law

32 Sec. 1. . . . [a . . . district] . . . to be
33 known as "Memorial Point Utility District,"
34 hereinafter called the "district,"

35 Revisor's Note

36 The definitions of "board" and "director" are
37 added to the revised law for drafting convenience and
38 to eliminate frequent, unnecessary repetition of the
39 substance of the definitions.

1 Revised Law

2 Sec. 8289.002. NATURE OF DISTRICT. The district is a
3 conservation and reclamation district in Polk County created under
4 Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg., R.S.,
5 Ch. 423, Sec. 1 (part).)

6 Source Law

7 Sec. 1. . . . there is hereby created and
8 established, under and pursuant to the provisions of
9 Article XVI, Section 59, of the Constitution of Texas,
10 a conservation and reclamation district in Polk
11 County, Texas, . . . which shall be a governmental
12 agency and a body politic and corporate. . . .

13 Revisor's Note

14 (1) Section 1, Chapter 423, Acts of the 62nd
15 Legislature, Regular Session, 1971, provides that the
16 district is "created and established." The revised
17 law omits "established" because the meaning of that
18 word is included in the meaning of "created."

19 (2) Section 1, Chapter 423, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that the
21 district is created notwithstanding certain laws
22 relating to consent. The revised law omits that
23 provision as executed because the district has been
24 created. The omitted law reads:

25 Sec. 1. Notwithstanding provisions
26 of the general laws relating to consent by
27 political subdivisions for the creation of
28 conservation and reclamation districts,
29 [there is hereby created . . . a
30 conservation and reclamation district]
31

32 (3) Section 1, Chapter 423, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to the
34 district as "a governmental agency and a body politic
35 and corporate." The revised law omits the quoted
36 language because it duplicates a portion of Section
37 59(b), Article XVI, Texas Constitution, which provides
38 that a conservation and reclamation district is a
39 governmental agency and a body politic and corporate.

1 Revised Law

2 Sec. 8289.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
3 The district is created to serve a public use and benefit.

4 (b) All land and other property included in the boundaries
5 of the district will benefit from the works and projects
6 accomplished by the district under the powers conferred by Section
7 59, Article XVI, Texas Constitution.

8 (c) The creation of the district is essential to accomplish
9 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
10 62nd Leg., R.S., Ch. 423, Secs. 1 (part), 3.)

11 Source Law

12 Sec. 1. . . . The creation and establishment of
13 the district is hereby declared to be essential to the
14 accomplishment of the purposes of Article XVI, Section
15 59 of the Constitution of Texas.

16 Sec. 3. It is determined and found that all of
17 the land and other property included within the area
18 and boundaries of the district will be benefited by the
19 works and project which are to be accomplished by the
20 district pursuant to the powers conferred by the
21 provisions of Article XVI, Section 59 of the
22 Constitution of Texas, and that said district is
23 created to serve a public use and benefit.

24 Revisor's Note

25 (1) Section 1, Chapter 423, Acts of the 62nd
26 Legislature, Regular Session, 1971, provides that the
27 "creation and establishment" of the district are
28 essential to accomplish the purposes of Section 59,
29 Article XVI, Texas Constitution. The revised law
30 omits "establishment" because its meaning is included
31 in the meaning of "creation."

32 (2) Section 3, Chapter 423, Acts of the 62nd
33 Legislature, Regular Session, 1971, refers to land and
34 other property included within the "area and
35 boundaries of the district." The revised law omits the
36 reference to "area" because, in context, "area" is
37 included in the meaning of "boundaries."

38 Revised Law

39 Sec. 8289.004. DISTRICT TERRITORY. (a) The district is

1 composed of the territory described by Section 4, Chapter 423, Acts
2 of the 62nd Legislature, Regular Session, 1971, as that territory
3 may have been modified under:

4 (1) Subchapter H, Chapter 54, Water Code;

5 (2) Subchapter J, Chapter 49, Water Code; or

6 (3) other law.

7 (b) The boundaries and field notes of the district form a
8 closure. A mistake in copying the field notes in the legislative
9 process or another mistake in the field notes does not affect:

10 (1) the district's organization, existence, or
11 validity;

12 (2) the district's right to issue any type of bond for
13 a purpose for which the district is created or to pay the principal
14 of and interest on the bond;

15 (3) the district's right to impose a tax; or

16 (4) the legality or operation of the district or its
17 governing body. (Acts 62nd Leg., R.S., Ch. 423, Sec. 2; New.)

18 Source Law

19 Sec. 2. It is determined and found that the
20 boundaries and field notes of the district form a
21 closure. If any mistake is made in copying the field
22 notes in the legislative process or otherwise a
23 mistake is made in the field notes, it shall in no way
24 affect the organization, existence and validity of the
25 district, or the right of the district to issue any
26 type of bonds or refunding bonds for the purpose for
27 which the district is created or to pay the principal
28 and interest thereon, or the right to assess, levy and
29 collect taxes, or in any other manner affect the
30 legality or operation of the district or its governing
31 body.

32 Revisor's Note

33 (1) The revision of the law governing the
34 district does not revise the statutory language
35 describing the territory of the district to avoid the
36 lengthy recitation of the description and because that
37 description may not be accurate on the effective date
38 of the revision or at the time of a later reading. For
39 the reader's convenience, the revised law includes
40 references to the statutory description of the

1 district's territory and to the authority to change the
2 district's territory under Subchapter H, Chapter 54,
3 Water Code, applicable to municipal utility districts,
4 and under Subchapter J, Chapter 49, Water Code,
5 applicable to the district under Sections 49.001 and
6 49.002 of that chapter. The revised law also includes
7 a reference to the general authority of the
8 legislature to enact a law to change the district's
9 territory.

10 (2) Section 2, Chapter 423, Acts of the 62nd
11 Legislature, Regular Session, 1971, provides that a
12 mistake in the description of the district boundaries
13 does not affect the right of the district to issue "any
14 type of bonds or refunding bonds." The revised law
15 omits the reference to "refunding bonds" because
16 refunding bonds are included in the meaning of "any
17 type of bonds."

18 (3) Section 2, Chapter 423, Acts of the 62nd
19 Legislature, Regular Session, 1971, refers to the
20 district's authority to "assess, levy and collect"
21 taxes. The revised law substitutes "impose" for
22 "assess, levy and collect" because "impose" is the
23 term generally used in Title 1, Tax Code, and includes
24 the assessment, levy, and collection of a tax.

25 [Sections 8289.005-8289.050 reserved for expansion]

26 SUBCHAPTER B. BOARD OF DIRECTORS

27 Revised Law

28 Sec. 8289.051. COMPOSITION OF BOARD. The board of
29 directors is composed of five elected directors. (Acts 62nd Leg.,
30 R.S., Ch. 423, Sec. 6 (part).)

31 Source Law

32 Sec. 6. . . . Succeeding directors shall be
33 elected or

34 Revisor's Note

35 (1) Section 6, Chapter 423, Acts of the 62nd

1 Legislature, Regular Session, 1971, refers to the
2 initial board of directors and to vacancy procedures.
3 The revised law omits the language relating to the
4 creation of the initial board as executed. The revised
5 law omits the language relating to vacancy procedures
6 for the initial board as executed and, to the extent
7 the language may apply to subsequently appointed
8 directors, because it duplicates in substance Section
9 49.105(c), Water Code. That section applies to the
10 district under Sections 49.001 and 49.002, Water Code.
11 The omitted law reads:

12 Sec. 6. Immediately after this Act
13 becomes effective, the following named
14 persons shall be the directors of the
15 district and shall constitute the board of
16 directors of the district:

17 W. J. Reese
18 Tom S. King
19 Grenville W. Elder
20 John E. Riggs
21 W. A. Hancock

22 Said persons shall qualify to serve as
23 directors prior to the first meeting of the
24 board of directors. Should any of the above
25 named directors fail to qualify for any
26 reason, the remaining named directors shall
27 appoint someone to fill such vacancy or
28 vacancies; provided, however, that if at
29 any time the number of qualified directors
30 shall be less than three because of the
31 failure or refusal of one or more directors
32 to qualify or serve or because of his or
33 their death or incapacitation, or for any
34 such other reason, the Texas Water Rights
35 Commission shall appoint the necessary
36 number of directors to fill all vacancies on
37 the board. The directors above named or
38 their duly appointed and qualified
39 successor or successors shall serve until
40 the second Saturday in January, 1973. . . .

41 (2) Section 6, Chapter 423, Acts of the 62nd
42 Legislature, Regular Session, 1971, refers to
43 "[s]ucceeding directors" to distinguish the
44 succeeding directors from the initial directors named
45 in that section. The revised law substitutes "five"
46 for "succeeding" to conform to the number of directors
47 listed in Section 6 (establishing the initial board).

48 (3) Section 6, Chapter 423, Acts of the 62nd

1 Legislature, Regular Session, 1971, provides for
2 directors to be elected or appointed and to serve for
3 the term and in the manner provided by Chapter 54,
4 Water Code. Chapter 715, Acts of the 74th Legislature,
5 Regular Session, 1995, repealed the relevant
6 provisions of Chapter 54 and enacted similar
7 provisions in Chapter 49, Water Code, including
8 Section 49.103, which governs the terms of office and
9 manner of election of directors of a municipal utility
10 district that is required by law to elect its
11 directors. The revised law omits any reference to
12 Chapter 49, Water Code, because Chapter 49 applies to
13 the district under Sections 49.001 and 49.002 of that
14 chapter. The revised law also omits "appointed"
15 because it is clear from the context of Section 6 that
16 the reference applies only to directors appointed to
17 fill vacancies as provided by Chapter 49, Water Code.
18 The omitted law reads:

19 Sec. 6. . . . [Succeeding directors
20 shall be elected or] appointed and shall
21 serve for the term and in the manner
22 provided by Chapter 54, Title 4, Water Code,
23 for directors first elected.

24 [Sections 8289.052-8289.100 reserved for expansion]

25 SUBCHAPTER C. POWERS AND DUTIES

26 Revised Law

27 Sec. 8289.101. MUNICIPAL UTILITY DISTRICT POWERS. The
28 district has the rights, powers, privileges, and functions
29 conferred by general law applicable to a municipal utility
30 district, including Chapters 49 and 54, Water Code. (Acts 62nd
31 Leg., R.S., Ch. 423, Sec. 5 (part); New.)

32 Source Law

33 Sec. 5. The district is hereby vested with, and
34 shall have and exercise, all of the rights, powers,
35 privileges, authority and functions conferred by the
36 general laws of this state applicable to municipal
37 utility districts, including without limitation those
38 conferred by Chapter 54, Title 4, Water Code, but
39

1 Revisor's Note

2 (1) Section 5, Chapter 423, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that the
4 district "is hereby vested with, and shall have and
5 exercise" certain powers. The revised law substitutes
6 "has" for the quoted language because, in context, the
7 terms are synonymous and "has" is more commonly used.

8 (2) Section 5, Chapter 423, Acts of the 62nd
9 Legislature, Regular Session, 1971, refers to the
10 "rights, powers, privileges, [and] authority" of the
11 district. The revised law omits the reference to
12 "authority" because, in context, "authority" is
13 included in the meaning of "rights, powers, [and]
14 privileges."

15 (3) Section 5, Chapter 423, Acts of the 62nd
16 Legislature, Regular Session, 1971, grants the
17 district certain powers, "including without
18 limitation those conferred by Chapter 54, Title 4,
19 Water Code." The revised law omits "without
20 limitation" because Section 311.005(13), Government
21 Code (Code Construction Act), provides that "includes"
22 and "including" are terms of enlargement and not of
23 limitation and do not create a presumption that
24 components not expressed are excluded.

25 (4) Section 5, Chapter 423, Acts of the 62nd
26 Legislature, Regular Session, 1971, refers to Chapter
27 54, Water Code. For the reader's convenience, the
28 revised law adds a reference to Chapter 49, Water Code,
29 because Chapter 715, Acts of the 74th Legislature,
30 Regular Session, 1995, repealed many provisions of
31 Chapter 54 and enacted similar provisions in Chapter
32 49, Water Code, which applies to the district under
33 Sections 49.001 and 49.002 of that chapter.

34 (5) Section 5, Chapter 423, Acts of the 62nd

1 Legislature, Regular Session, 1971, provides that the
2 act prevails over general law in case of a conflict or
3 other inconsistency and that all general laws
4 applicable to municipal utility districts not in
5 conflict or inconsistent with the provisions of the
6 act are adopted and incorporated by reference. The
7 revised law omits the portion of the provision
8 relating to the act prevailing over general law
9 because it duplicates in substance Section 311.026(b),
10 Government Code (Code Construction Act). The revised
11 law omits the portion of the provision relating to
12 adoption and incorporation of general laws because
13 Section 5 of Chapter 423 (revised as this section)
14 already provides that those laws apply to the
15 district, and it is unnecessary to repeat that
16 authority. The omitted law reads:

17 Sec. 5. . . . if any provision of
18 such general laws shall be in conflict or
19 inconsistent with the provisions of this
20 Act, the provisions of this Act shall
21 prevail. All such general laws applicable
22 to municipal utility districts not in
23 conflict or inconsistent with the
24 provisions of this Act are hereby adopted
25 and incorporated by reference with the same
26 effect as if copied in full in this Act.

27 Revisor's Note
28 (End of Chapter)

29 (1) Section 7, Chapter 423, Acts of the 62nd
30 Legislature, Regular Session, 1971, contains
31 legislative findings relating to the performance of
32 the requirements of Section 59(d), Article XVI, Texas
33 Constitution, and to the authority of the legislature
34 to enact that chapter. The revised law omits the
35 provision as executed. The omitted law reads:

36 Sec. 7. The Legislature specifically
37 finds and declares that the requirements of
38 Article XVI, Section 59(d) of the
39 Constitution of Texas have been performed
40 and accomplished in due course and time and
41 order, and that the Legislature has the
42 power and authority to enact this Act.

1 (2) Section 8, Chapter 423, Acts of the 62nd
2 Legislature, Regular Session, 1971, provides that the
3 act is severable. The revised law omits that provision
4 because it duplicates Section 311.032, Government Code
5 (Code Construction Act), which provides that a
6 provision of a statute is severable from each other
7 provision of the statute that can be given effect. The
8 omitted law reads:

9 Sec. 8. If any word, phrase, clause,
10 paragraph, sentence, part, portion, or
11 provision of this Act or the application
12 thereof to any person or circumstance shall
13 be held to be invalid or unconstitutional,
14 the remainder of this Act shall
15 nevertheless be valid and the Legislature
16 hereby declares that this Act would have
17 been enacted without such invalid or
18 unconstitutional word, phrase, clause,
19 paragraph, sentence, part, portion or
20 provision.

29 Sec. 8290.051. COMPOSITION OF BOARD 1935

30 [Sections 8290.052-8290.100 reserved for expansion]

31 SUBCHAPTER C. POWERS AND DUTIES

32 Sec. 8290.101. MUNICIPAL UTILITY DISTRICT POWERS 1936

33 CHAPTER 8290. MONTGOMERY COUNTY MUNICIPAL UTILITY DISTRICT NO. 6

34 SUBCHAPTER A. GENERAL PROVISIONS

35 Revised Law

36 Sec. 8290.001. DEFINITIONS. In this chapter:

- 37 (1) "Board" means the district's board of directors.
38 (2) "Director" means a member of the board.
39 (3) "District" means the Montgomery County Municipal
40 Utility District No. 6. (Acts 62nd Leg., R.S., Ch. 693, Sec. 1

1 (part); New.)

2 Source Law

3 Sec. 1. . . . [a . . . district] . . . to be
4 known as "Montgomery County Municipal Utility District
5 No. 6," hereinafter called the "district,"

6 Revisor's Note

7 The definitions of "board" and "director" are
8 added to the revised law for drafting convenience and
9 to eliminate frequent, unnecessary repetition of the
10 substance of the definitions.

11 Revised Law

12 Sec. 8290.002. NATURE OF DISTRICT. The district is a
13 conservation and reclamation district in Montgomery County created
14 under Section 59, Article XVI, Texas Constitution. (Acts 62nd
15 Leg., R.S., Ch. 693, Sec. 1 (part).)

16 Source Law

17 Sec. 1. . . . there is hereby created and
18 established, under and pursuant to the provisions of
19 Article XVI, Section 59 of the Constitution of Texas, a
20 conservation and reclamation district in Montgomery
21 County, Texas, . . . which shall be a governmental
22 agency and a body politic and corporate. . . .

23 Revisor's Note

24 (1) Section 1, Chapter 693, Acts of the 62nd
25 Legislature, Regular Session, 1971, provides that the
26 district is "created and established." The revised
27 law omits "established" because the meaning of that
28 word is included in the meaning of "created."

29 (2) Section 1, Chapter 693, Acts of the 62nd
30 Legislature, Regular Session, 1971, provides that the
31 district is created notwithstanding certain laws
32 relating to consent. The revised law omits that
33 provision as executed because the district has been
34 created. The omitted law reads:

35 Sec. 1. Notwithstanding provisions
36 of the general laws relating to consent by
37 political subdivisions for the creation of
38 conservation and reclamation districts,
39 [there is hereby created . . . a
40 conservation and reclamation district]
41

1 (3) Section 1, Chapter 693, Acts of the 62nd
2 Legislature, Regular Session, 1971, refers to the
3 district as "a governmental agency and a body politic
4 and corporate." The revised law omits the quoted
5 language because it duplicates a portion of Section
6 59(b), Article XVI, Texas Constitution, which provides
7 that a conservation and reclamation district is a
8 governmental agency and a body politic and corporate.

9 Revised Law

10 Sec. 8290.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
11 The district is created to serve a public use and benefit.

12 (b) All land and other property included in the boundaries
13 of the district will benefit from the works and projects
14 accomplished by the district under the powers conferred by Section
15 59, Article XVI, Texas Constitution.

16 (c) The creation of the district is essential to accomplish
17 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
18 62nd Leg., R.S., Ch. 693, Secs. 1 (part), 3.)

19 Source Law

20 Sec. 1. . . . The creation and establishment of
21 the district is hereby declared to be essential to the
22 accomplishment of the purposes of Article XVI, Section
23 59 of the Constitution of Texas.

24 Sec. 3. It is determined and found that all of
25 the land and other property included within the area
26 and boundaries of the district will be benefited by the
27 works and project which are to be accomplished by the
28 district pursuant to the powers conferred by the
29 provisions of Article XVI, Section 59 of the
30 Constitution of Texas, and that said district is
31 created to serve a public use and benefit.

32 Revisor's Note

33 (1) Section 1, Chapter 693, Acts of the 62nd
34 Legislature, Regular Session, 1971, provides that the
35 "creation and establishment" of the district are
36 essential to accomplish the purposes of Section 59,
37 Article XVI, Texas Constitution. The revised law
38 omits "establishment" because its meaning is included
39 in the meaning of "creation."

1 (2) Section 3, Chapter 693, Acts of the 62nd
2 Legislature, Regular Session, 1971, refers to land and
3 other property included within the "area and
4 boundaries of the district." The revised law omits the
5 reference to "area" because, in context, "area" is
6 included in the meaning of "boundaries."

7 Revised Law

8 Sec. 8290.004. DISTRICT TERRITORY. (a) The district is
9 composed of the territory described by Section 4, Chapter 693, Acts
10 of the 62nd Legislature, Regular Session, 1971, as that territory
11 may have been modified under:

12 (1) Subchapter H, Chapter 54, Water Code;

13 (2) Subchapter J, Chapter 49, Water Code; or

14 (3) other law.

15 (b) The boundaries and field notes of the district form a
16 closure. A mistake in copying the field notes in the legislative
17 process or another mistake in the field notes does not affect:

18 (1) the district's organization, existence, or
19 validity;

20 (2) the district's right to issue any type of bonds for
21 a purpose for which the district is created or to pay the principal
22 of and interest on the bonds;

23 (3) the district's right to impose a tax; or

24 (4) the legality or operation of the district or its
25 governing body. (Acts 62nd Leg., R.S., Ch. 693, Sec. 2; New.)

26 Source Law

27 Sec. 2. It is determined and found that the
28 boundaries and field notes of the district form a
29 closure. If any mistake is made in copying the field
30 notes in the legislative process or otherwise a
31 mistake is made in the field notes, it shall in no way
32 affect the organization, existence and validity of the
33 district, or the right of the district to issue any
34 type of bonds or refunding bonds for the purposes for
35 which the district is created or to pay the principal
36 and interest thereon, or the right to assess, levy and
37 collect taxes, or in any other manner affect the
38 legality or operation of the district or its governing
39 body.

1 Revisor's Note

2 (1) The revision of the law governing the
3 district does not revise the statutory language
4 describing the territory of the district to avoid the
5 lengthy recitation of the description and because that
6 description may not be accurate on the effective date
7 of the revision or at the time of a later reading. For
8 the reader's convenience, the revised law includes
9 references to the statutory description of the
10 district's territory and to the authority to change the
11 district's territory under Subchapter H, Chapter 54,
12 Water Code, applicable to municipal utility districts,
13 and under Subchapter J, Chapter 49, Water Code,
14 applicable to the district under Sections 49.001 and
15 49.002 of that chapter. The revised law also includes
16 a reference to the general authority of the
17 legislature to enact a law to change the district's
18 territory.

19 (2) Section 2, Chapter 693, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that a
21 mistake in the description of the district boundaries
22 does not affect the right of the district to issue "any
23 type of bonds or refunding bonds." The revised law
24 omits the reference to "refunding bonds" because
25 refunding bonds are included in the meaning of "any
26 type of bonds."

27 (3) Section 2, Chapter 693, Acts of the 62nd
28 Legislature, Regular Session, 1971, refers to the
29 district's authority to "assess, levy and collect"
30 taxes. The revised law substitutes "impose" for
31 "assess, levy and collect" because "impose" is the
32 term generally used in Title 1, Tax Code, and includes
33 the assessment, levy, and collection of a tax.

34 [Sections 8290.005-8290.050 reserved for expansion]

1 SUBCHAPTER B. BOARD OF DIRECTORS

2 Revised Law

3 Sec. 8290.051. COMPOSITION OF BOARD. The board of
4 directors is composed of five elected directors. (Acts 62nd Leg.,
5 R.S., Ch. 693, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . Succeeding directors shall be
8 elected or

9 Revisor's Note

10 (1) Section 6, Chapter 693, Acts of the 62nd
11 Legislature, Regular Session, 1971, refers to the
12 initial board of directors and to vacancy procedures.
13 The revised law omits the language relating to the
14 creation of the initial board as executed. The revised
15 law omits the language relating to vacancy procedures
16 for the initial board as executed and, to the extent
17 the language may apply to subsequently appointed
18 directors, because it duplicates in substance Section
19 49.105(c), Water Code. That section applies to the
20 district under Sections 49.001 and 49.002, Water Code.
21 The omitted law reads:

22 Sec. 6. Immediately after this Act
23 becomes effective, the following named
24 persons shall be the directors of the
25 district and shall constitute the board of
26 directors of the district:

27 Charles W. Magan
28 David Bumgardner
29 H. A. Bornefeld, Jr.
30 Robert J. Hartsfield
31 Robert A. Gardner, Jr.

32 Said persons shall qualify to serve as
33 directors prior to the first meeting of the
34 board of directors. Should any of the above
35 named directors fail to qualify for any
36 reason, the remaining named directors shall
37 appoint someone to fill such vacancy or
38 vacancies; provided, however, that if at
39 any time the number of qualified directors
40 shall be less than three because of the
41 failure or refusal of one or more directors
42 to qualify or serve or because of his or
43 their death or incapacitation, or for any
44 such other reason, the Texas Water Rights
45 Commission shall appoint the necessary
46 number of directors to fill all vacancies on
47 the board. The directors above named or
48 their duly appointed and qualified

1 successor or successors shall serve until
2 the second Saturday in January, 1973. . . .

3 (2) Section 6, Chapter 693, Acts of the 62nd
4 Legislature, Regular Session, 1971, refers to
5 "[s]ucceeding directors" to distinguish the
6 succeeding directors from the initial directors named
7 in that section. The revised law substitutes "five"
8 for "succeeding" to conform to the number of directors
9 listed in Section 6 (establishing the initial board).

10 (3) Section 6, Chapter 693, Acts of the 62nd
11 Legislature, Regular Session, 1971, provides for
12 directors to be elected or appointed and to serve for
13 the term and in the manner provided by Chapter 54,
14 Water Code. Chapter 715, Acts of the 74th Legislature,
15 Regular Session, 1995, repealed the relevant
16 provisions of Chapter 54 and enacted similar
17 provisions in Chapter 49, Water Code, including
18 Section 49.103, which governs the terms of office and
19 manner of election of directors of a municipal utility
20 district that is required by law to elect its
21 directors. The revised law omits any reference to
22 Chapter 49, Water Code, because Chapter 49 applies to
23 the district under Sections 49.001 and 49.002 of that
24 chapter. The revised law also omits "appointed"
25 because it is clear from the context of Section 6 that
26 the reference applies only to directors appointed to
27 fill vacancies as provided by Chapter 49, Water Code.
28 The omitted law reads:

29 Sec. 6. . . . [Succeeding directors
30 shall be elected or] appointed and shall
31 serve for the term and in the manner
32 provided by Chapter 54, Title 4, Water Code,
33 for directors first elected.

34 [Sections 8290.052-8290.100 reserved for expansion]

35 SUBCHAPTER C. POWERS AND DUTIES

36 Revised Law

37 Sec. 8290.101. MUNICIPAL UTILITY DISTRICT POWERS. The

1 district has the rights, powers, privileges, and functions
2 conferred by general law applicable to a municipal utility
3 district, including Chapters 49 and 54, Water Code. (Acts 62nd
4 Leg., R.S., Ch. 693, Sec. 5 (part); New.)

5 Source Law

6 Sec. 5. The district is hereby vested with, and
7 shall have and exercise, all of the rights, powers,
8 privileges, authority and functions conferred by the
9 general laws of this state applicable to municipal
10 utility districts, including without limitation those
11 conferred by Chapter 54, Title 4, Water Code, but
12

13 Revisor's Note

14 (1) Section 5, Chapter 693, Acts of the 62nd
15 Legislature, Regular Session, 1971, provides that the
16 district "is hereby vested with, and shall have and
17 exercise" certain powers. The revised law substitutes
18 "has" for the quoted language because, in context, the
19 terms are synonymous and "has" is more commonly used.

20 (2) Section 5, Chapter 693, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to the
22 "rights, powers, privileges, [and] authority" of the
23 district. The revised law omits the reference to
24 "authority" because, in context, "authority" is
25 included in the meaning of "rights, powers, [and]
26 privileges."

27 (3) Section 5, Chapter 693, Acts of the 62nd
28 Legislature, Regular Session, 1971, grants the
29 district certain powers, "including without
30 limitation those conferred by Chapter 54, Title 4,
31 Water Code." The revised law omits "without
32 limitation" because Section 311.005(13), Government
33 Code (Code Construction Act), provides that "includes"
34 and "including" are terms of enlargement and not of
35 limitation and do not create a presumption that
36 components not expressed are excluded.

37 (4) Section 5, Chapter 693, Acts of the 62nd

1 Legislature, Regular Session, 1971, refers to Chapter
2 54, Water Code. For the reader's convenience, the
3 revised law adds a reference to Chapter 49, Water Code,
4 because Chapter 715, Acts of the 74th Legislature,
5 Regular Session, 1995, repealed many provisions of
6 Chapter 54 and enacted similar provisions in Chapter
7 49, Water Code, which applies to the district under
8 Sections 49.001 and 49.002 of that chapter.

9 (5) Section 5, Chapter 693, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that the
11 act prevails over general law in case of a conflict or
12 other inconsistency and that all general laws
13 applicable to municipal utility districts not in
14 conflict or inconsistent with the provisions of the
15 act are adopted and incorporated by reference. The
16 revised law omits the portion of the provision
17 relating to the act prevailing over general law
18 because it duplicates in substance Section 311.026(b),
19 Government Code (Code Construction Act). The revised
20 law omits the portion of the provision relating to
21 adoption and incorporation of general laws because
22 Section 5 of Chapter 693 (revised as this section)
23 already provides that those laws apply to the
24 district, and it is unnecessary to repeat that
25 authority. The omitted law reads:

26 Sec. 5. . . . if any provision of
27 such general laws shall be in conflict or
28 inconsistent with the provisions of this
29 Act, the provisions of this Act shall
30 prevail. All such general laws applicable
31 to municipal utility districts not in
32 conflict or inconsistent with the
33 provisions of this Act are hereby adopted
34 and incorporated by reference with the same
35 effect as if copied in full in this Act.

36 Revisor's Note
37 (End of Chapter)

38 (1) Section 7, Chapter 693, Acts of the 62nd
39 Legislature, Regular Session, 1971, contains

1 legislative findings relating to the performance of
2 the requirements of Section 59(d), Article XVI, Texas
3 Constitution, and to the authority of the legislature
4 to enact that chapter. The revised law omits the
5 provision as executed. The omitted law reads:

6 Sec. 7. The Legislature specifically
7 finds and declares that the requirements of
8 Article XVI, Section 59(d) of the
9 Constitution of Texas have been performed
10 and accomplished in due course and time and
11 order, and that the Legislature has the
12 power and authority to enact this Act.

13 (2) Section 8, Chapter 693, Acts of the 62nd
14 Legislature, Regular Session, 1971, provides that the
15 act is severable. The revised law omits that provision
16 because it duplicates Section 311.032, Government Code
17 (Code Construction Act), which provides that a
18 provision of a statute is severable from each other
19 provision of the statute that can be given effect. The
20 omitted law reads:

21 Sec. 8. If any word, phrase, clause,
22 paragraph, sentence, part, portion or
23 provision of this Act or the application
24 thereof to any person or circumstance shall
25 be held to be invalid or unconstitutional,
26 the remainder of the Act shall nevertheless
27 be valid and the Legislature hereby
28 declares that this Act would have been
29 enacted without such invalid or
30 unconstitutional word, phrase, clause,
31 paragraph, sentence, part, portion or
32 provision.

2 Sec. 8291.101. MUNICIPAL UTILITY DISTRICT POWERS 1946

3 CHAPTER 8291. MONTGOMERY COUNTY MUNICIPAL UTILITY DISTRICT NO. 7

4 SUBCHAPTER A. GENERAL PROVISIONS

5 Revised Law

6 Sec. 8291.001. DEFINITIONS. In this chapter:

7 (1) "Board" means the district's board of directors.

8 (2) "Director" means a member of the board.

9 (3) "District" means the Montgomery County Municipal
10 Utility District No. 7. (Acts 62nd Leg., R.S., Ch. 694, Sec. 1
11 (part); New.)

12 Source Law

13 Sec. 1. . . . [a . . . district] . . . to be
14 known as "Montgomery County Municipal Utility District
15 No. 7," hereinafter called the "district,"

16 Revisor's Note

17 The definitions of "board" and "director" are
18 added to the revised law for drafting convenience and
19 to eliminate frequent, unnecessary repetition of the
20 substance of the definitions.

21 Revised Law

22 Sec. 8291.002. NATURE OF DISTRICT. The district is a
23 conservation and reclamation district in Montgomery County created
24 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
25 R.S., Ch. 694, Sec. 1 (part).)

26 Source Law

27 Sec. 1. . . . there is hereby created and
28 established, under and pursuant to the provisions of
29 Article XVI, Section 59 of the Constitution of Texas, a
30 conservation and reclamation district in Montgomery
31 County, Texas, . . . which shall be a governmental
32 agency and a body politic and corporate. . . .

33 Revisor's Note

34 (1) Section 1, Chapter 694, Acts of the 62nd
35 Legislature, Regular Session, 1971, provides that the
36 district is "created and established." The revised
37 law omits "established" because the meaning of that
38 word is included in the meaning of "created."

1 (2) Section 1, Chapter 694, Acts of the 62nd
2 Legislature, Regular Session, 1971, provides that the
3 district is created notwithstanding certain laws
4 relating to consent. The revised law omits that
5 provision as executed because the district has been
6 created. The omitted law reads:

7 Sec. 1. Notwithstanding provisions
8 of the general laws relating to consent by
9 political subdivisions for the creation of
10 conservation and reclamation districts,
11 [there is hereby created . . . a
12 conservation and reclamation district]
13

14 (3) Section 1, Chapter 694, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to the
16 district as "a governmental agency and a body politic
17 and corporate." The revised law omits the quoted
18 language because it duplicates a portion of Section
19 59(b), Article XVI, Texas Constitution, which provides
20 that a conservation and reclamation district is a
21 governmental agency and a body politic and corporate.

22 Revised Law

23 Sec. 8291.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
24 The district is created to serve a public use and benefit.

25 (b) All land and other property included in the boundaries
26 of the district will benefit from the works and projects
27 accomplished by the district under the powers conferred by Section
28 59, Article XVI, Texas Constitution.

29 (c) The creation of the district is essential to accomplish
30 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
31 62nd Leg., R.S., Ch. 694, Secs. 1 (part), 3.)

32 Source Law

33 Sec. 1. . . . The creation and establishment of
34 the district is hereby declared to be essential to the
35 accomplishment of the purposes of Article XVI, Section
36 59 of the Constitution of Texas.

37 Sec. 3. It is determined and found that all of
38 the land and other property included within the area
39 and boundaries of the district will be benefited by the
40 works and project which are to be accomplished by the
41 district pursuant to the powers conferred by the

1 provisions of Article XVI, Section 59 of the
2 Constitution of Texas, and that said district is
3 created to serve a public use and benefit.

4 Revisor's Note

5 (1) Section 1, Chapter 694, Acts of the 62nd
6 Legislature, Regular Session, 1971, provides that the
7 "creation and establishment" of the district are
8 essential to accomplish the purposes of Section 59,
9 Article XVI, Texas Constitution. The revised law
10 omits "establishment" because its meaning is included
11 in the meaning of "creation."

12 (2) Section 3, Chapter 694, Acts of the 62nd
13 Legislature, Regular Session, 1971, refers to land and
14 other property included within the "area and
15 boundaries of the district." The revised law omits the
16 reference to "area" because, in context, "area" is
17 included in the meaning of "boundaries."

18 Revised Law

19 Sec. 8291.004. DISTRICT TERRITORY. (a) The district is
20 composed of the territory described by Section 4, Chapter 694, Acts
21 of the 62nd Legislature, Regular Session, 1971, as that territory
22 may have been modified under:

- 23 (1) Subchapter H, Chapter 54, Water Code;
24 (2) Subchapter J, Chapter 49, Water Code; or
25 (3) other law.

26 (b) The boundaries and field notes of the district form a
27 closure. A mistake in copying the field notes in the legislative
28 process or another mistake in the field notes does not affect:

- 29 (1) the district's organization, existence, or
30 validity;
31 (2) the district's right to issue any type of bonds for
32 a purpose for which the district is created or to pay the principal
33 of and interest on the bonds;
34 (3) the district's right to impose a tax; or
35 (4) the legality or operation of the district or its
36 governing body. (Acts 62nd Leg., R.S., Ch. 694, Sec. 2; New.)

1 Source Law

2 Sec. 2. It is determined and found that the
3 boundaries and field notes of the district form a
4 closure. If any mistake is made in copying the field
5 notes in the legislative process or otherwise a
6 mistake is made in the field notes, it shall in no way
7 affect the organization, existence and validity of the
8 district, or the right of the district to issue any
9 type of bonds or refunding bonds for the purposes for
10 which the district is created or to pay the principal
11 and interest thereon, or the right to assess, levy and
12 collect taxes, or in any other manner affect the
13 legality or operation of the district or its governing
14 body.

15 Revisor's Note

16 (1) The revision of the law governing the
17 district does not revise the statutory language
18 describing the territory of the district to avoid the
19 lengthy recitation of the description and because that
20 description may not be accurate on the effective date
21 of the revision or at the time of a later reading. For
22 the reader's convenience, the revised law includes
23 references to the statutory description of the
24 district's territory and to the authority to change the
25 district's territory under Subchapter H, Chapter 54,
26 Water Code, applicable to municipal utility districts,
27 and under Subchapter J, Chapter 49, Water Code,
28 applicable to the district under Sections 49.001 and
29 49.002 of that chapter. The revised law also includes
30 a reference to the general authority of the
31 legislature to enact a law to change the district's
32 territory.

33 (2) Section 2, Chapter 694, Acts of the 62nd
34 Legislature, Regular Session, 1971, provides that a
35 mistake in the description of the district boundaries
36 does not affect the right of the district to issue "any
37 type of bonds or refunding bonds." The revised law
38 omits the reference to "refunding bonds" because
39 refunding bonds are included in the meaning of "any
40 type of bonds."

1 (3) Section 2, Chapter 694, Acts of the 62nd
2 Legislature, Regular Session, 1971, refers to the
3 district's authority to "assess, levy and collect"
4 taxes. The revised law substitutes "impose" for
5 "assess, levy and collect" because "impose" is the
6 term generally used in Title 1, Tax Code, and includes
7 the assessment, levy, and collection of a tax.

9 SUBCHAPTER B. BOARD OF DIRECTORS

10 Revised Law

11 Sec. 8291.051. COMPOSITION OF BOARD. The board of
12 directors is composed of five elected directors. (Acts 62nd Leg.,
13 R.S., Ch. 694, Sec. 6 (part).)

14 Source Law

15 Sec. 6. . . . Succeeding directors shall be
16 elected or

17 Revisor's Note

18 (1) Section 6, Chapter 694, Acts of the 62nd
19 Legislature, Regular Session, 1971, refers to the
20 initial board of directors and to vacancy procedures.
21 The revised law omits the language relating to the
22 creation of the initial board as executed. The revised
23 law omits the language relating to vacancy procedures
24 for the initial board as executed and, to the extent
25 the language may apply to subsequently appointed
26 directors, because it duplicates in substance Section
27 49.105(c), Water Code. That section applies to the
28 district under Sections 49.001 and 49.002, Water Code.
29 The omitted law reads:

30 Sec. 6. Immediately after this Act
31 becomes effective, the following named
32 persons shall be the directors of the
33 district and shall constitute the board of
34 directors of the district:

35 David B. Hendricks
36 Joyce D. Gay
37 Paul W. Wommack
38 Sandra L. Snell
39 Jack J. Yovanovich

40 Said persons shall qualify to serve as

1 directors prior to the first meeting of the
2 board of directors. Should any of the above
3 named directors fail to qualify for any
4 reason, the remaining named directors shall
5 appoint someone to fill such vacancy or
6 vacancies; provided, however, that if at
7 any time the number of qualified directors
8 shall be less than three because of the
9 failure or refusal of one or more directors
10 to qualify or serve or because of his or
11 their death or incapacitation, or for any
12 such other reason, the Texas Water Rights
13 Commission shall appoint the necessary
14 number of directors to fill all vacancies on
15 the board. The directors above named or
16 their duly appointed and qualified
17 successor or successors shall serve until
18 the second Saturday in January, 1973. . . .

19 (2) Section 6, Chapter 694, Acts of the 62nd
20 Legislature, Regular Session, 1971, refers to
21 "[s]ucceeding directors" to distinguish the
22 succeeding directors from the initial directors named
23 in that section. The revised law substitutes "five"
24 for "succeeding" to conform to the number of directors
25 listed in Section 6 (establishing the initial board).

26 (3) Section 6, Chapter 694, Acts of the 62nd
27 Legislature, Regular Session, 1971, provides for
28 directors to be elected or appointed and to serve for
29 the term and in the manner provided by Chapter 54,
30 Water Code. Chapter 715, Acts of the 74th Legislature,
31 Regular Session, 1995, repealed the relevant
32 provisions of Chapter 54 and enacted similar
33 provisions in Chapter 49, Water Code, including
34 Section 49.103, which governs the terms of office and
35 manner of election of directors of a municipal utility
36 district that is required by law to elect its
37 directors. The revised law omits any reference to
38 Chapter 49, Water Code, because Chapter 49 applies to
39 the district under Sections 49.001 and 49.002 of that
40 chapter. The revised law also omits "appointed"
41 because it is clear from the context of Section 6 that
42 the reference applies only to directors appointed to
43 fill vacancies as provided by Chapter 49, Water Code.

1 The omitted law reads:

2 Sec. 6. . . . [Succeeding directors
3 shall be elected or] appointed and shall
4 serve for the term and in the manner
5 provided by Chapter 54, Title 4, Water Code,
6 for directors first elected.

7 [Sections 8291.052-8291.100 reserved for expansion]

8 SUBCHAPTER C. POWERS AND DUTIES

9 Revised Law

10 Sec. 8291.101. MUNICIPAL UTILITY DISTRICT POWERS. The
11 district has the rights, powers, privileges, and functions
12 conferred by general law applicable to a municipal utility
13 district, including Chapters 49 and 54, Water Code. (Acts 62nd
14 Leg., R.S., Ch. 694, Sec. 5 (part); New.)

15 Source Law

16 Sec. 5. The district is hereby vested with, and
17 shall have and exercise, all of the rights, powers,
18 privileges, authority and functions conferred by the
19 general laws of this state applicable to municipal
20 utility districts, including without limitation those
21 conferred by Chapter 54, Title 4, Water Code, but
22

23 Revisor's Note

24 (1) Section 5, Chapter 694, Acts of the 62nd
25 Legislature, Regular Session, 1971, provides that the
26 district "is hereby vested with, and shall have and
27 exercise" certain powers. The revised law substitutes
28 "has" for the quoted language because, in context, the
29 terms are synonymous and "has" is more commonly used.

30 (2) Section 5, Chapter 694, Acts of the 62nd
31 Legislature, Regular Session, 1971, refers to the
32 "rights, powers, privileges, [and] authority" of the
33 district. The revised law omits the reference to
34 "authority" because, in context, "authority" is
35 included in the meaning of "rights, powers, [and]
36 privileges."

37 (3) Section 5, Chapter 694, Acts of the 62nd
38 Legislature, Regular Session, 1971, grants the
39 district certain powers, "including without

1 limitation those conferred by Chapter 54, Title 4,
2 Water Code." The revised law omits "without
3 limitation" because Section 311.005(13), Government
4 Code (Code Construction Act), provides that "includes"
5 and "including" are terms of enlargement and not of
6 limitation and do not create a presumption that
7 components not expressed are excluded.

8 (4) Section 5, Chapter 694, Acts of the 62nd
9 Legislature, Regular Session, 1971, refers to Chapter
10 54, Water Code. For the reader's convenience, the
11 revised law adds a reference to Chapter 49, Water Code,
12 because Chapter 715, Acts of the 74th Legislature,
13 Regular Session, 1995, repealed many provisions of
14 Chapter 54 and enacted similar provisions in Chapter
15 49, Water Code, which applies to the district under
16 Sections 49.001 and 49.002 of that chapter.

17 (5) Section 5, Chapter 694, Acts of the 62nd
18 Legislature, Regular Session, 1971, provides that the
19 act prevails over general law in case of a conflict or
20 other inconsistency and that all general laws
21 applicable to municipal utility districts not in
22 conflict or inconsistent with the provisions of the
23 act are adopted and incorporated by reference. The
24 revised law omits the portion of the provision
25 relating to the act prevailing over general law
26 because it duplicates in substance Section 311.026(b),
27 Government Code (Code Construction Act). The revised
28 law omits the portion of the provision relating to
29 adoption and incorporation of general laws because
30 Section 5 of Chapter 694 (revised as this section)
31 already provides that those laws apply to the
32 district, and it is unnecessary to repeat that
33 authority. The omitted law reads:

34 Sec. 5. . . . if any provision of
35 such general laws shall be in conflict or

1 inconsistent with the provisions of this
2 Act, the provisions of this Act shall
3 prevail. All such general laws applicable
4 to municipal utility districts not in
5 conflict or inconsistent with the
6 provisions of this Act are hereby adopted
7 and incorporated by reference with the same
8 effect as if copied in full in this Act.

9 Revisor's Note
10 (End of Chapter)

11 (1) Section 7, Chapter 694, Acts of the 62nd
12 Legislature, Regular Session, 1971, contains
13 legislative findings relating to the performance of
14 the requirements of Section 59(d), Article XVI, Texas
15 Constitution, and to the authority of the legislature
16 to enact that chapter. The revised law omits the
17 provision as executed. The omitted law reads:

18 Sec. 7. The Legislature specifically
19 finds and declares that the requirements of
20 Article XVI, Section 59(d) of the
21 Constitution of Texas have been performed
22 and accomplished in due course and time and
23 order, and that the Legislature has the
24 power and authority to enact this Act.

25 (2) Section 8, Chapter 694, Acts of the 62nd
26 Legislature, Regular Session, 1971, provides that the
27 act is severable. The revised law omits that provision
28 because it duplicates Section 311.032, Government Code
29 (Code Construction Act), which provides that a
30 provision of a statute is severable from each other
31 provision of the statute that can be given effect. The
32 omitted law reads:

33 Sec. 8. If any word, phrase, clause,
34 paragraph, sentence, part, portion or
35 provision of this Act or the application
36 thereof to any person or circumstance shall
37 be held to be invalid or unconstitutional,
38 the remainder of the Act shall nevertheless
39 be valid and the Legislature hereby
40 declares that this Act would have been
41 enacted without such invalid or
42 unconstitutional word, phrase, clause,
43 paragraph, sentence, part, portion or
44 provision.

14 CHAPTER 8292. MONTGOMERY COUNTY MUNICIPAL UTILITY

15 DISTRICT NO. 67

16 SUBCHAPTER A. GENERAL PROVISIONS

17 Revised Law

18 Sec. 8292.001. DEFINITIONS. In this chapter:

- 19 (1) "Board" means the board of directors of the
- 20 district.
- 21 (2) "Director" means a member of the board.
- 22 (3) "District" means the Montgomery County Municipal
- 23 Utility District No. 67. (Acts 69th Leg., R.S., Ch. 756, Secs. 1(a)
- 24 (part), 2; New.)

25 Source Law

26 Sec. 1. (a) . . . [a . . . district] . . . to

27 be known as "Montgomery County Municipal Utility

28 District No. 67." . . .

29 Sec. 2. In this Act, "district" means the

30 Montgomery County Municipal Utility District No. 67.

31 Revisor's Note

32 The definitions of "board" and "director" are

33 added to the revised law for drafting convenience and

34 to eliminate frequent, unnecessary repetition of the

35 substance of the definitions.

1 Revised Law

2 Sec. 8292.002. NATURE OF DISTRICT. The district is a
3 conservation and reclamation district in Montgomery County created
4 under Section 59, Article XVI, Texas Constitution. (Acts 69th
5 Leg., R.S., Ch. 756, Sec. 1(a) (part).)

6 Source Law

7 Sec. 1. (a) Pursuant to Article XVI, Section
8 59, of the Texas Constitution and . . . a conservation
9 and reclamation district is created in Montgomery
10 County, Texas,

11 Revisor's Note

12 (1) Section 1(a), Chapter 756, Acts of the 69th
13 Legislature, Regular Session, 1985, refers to a
14 confirmation election. Because the confirmation
15 election has already been held, the revised law omits
16 the provision as executed. The omitted law reads:

17 (a) . . . subject to approval of the
18 qualified voters voting at a confirmation
19 election to be held as provided by Sections
20 54.026 through 54.029, Water Code, [a . . .
21 district is created]

22 (2) Section 1(a), Chapter 756, Acts of the 69th
23 Legislature, Regular Session, 1985, provides that the
24 district is "a governmental agency and a body politic
25 and corporate." The revised law omits the provision
26 because it duplicates a portion of Section 59(b),
27 Article XVI, Texas Constitution, which provides that a
28 conservation and reclamation district is a
29 governmental agency and a body politic and corporate.
30 The omitted law reads:

31 (a) . . . The district shall be a
32 governmental agency and a body politic and
33 corporate.

34 Revised Law

35 Sec. 8292.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
36 The district is created to serve a public use and benefit.

37 (b) All land and other property included in the boundaries
38 of the district will benefit from the works and projects
39 accomplished by the district under the powers conferred by Section

1 59, Article XVI, Texas Constitution.

2 (c) The creation of the district is essential to accomplish
3 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
4 69th Leg., R.S., Ch. 756, Secs. 1(b), 5.)

5 Source Law

6 [Sec. 1]

7 (b) The creation of the district is declared to
8 be essential to the accomplishment of the purposes of
9 Article XVI, Section 59, of the Texas Constitution.

10 Sec. 5. The legislature finds that all of the
11 land and other property included within the boundaries
12 of the district will be benefited by the works and
13 projects that are to be accomplished by the district
14 under powers conferred by Article XVI, Section 59, of
15 the Texas Constitution and that the district is
16 created to serve a public use and benefit.

17 Revised Law

18 Sec. 8292.004. DISTRICT TERRITORY. (a) The district is
19 composed of the territory described by Section 3, Chapter 756, Acts
20 of the 69th Legislature, Regular Session, 1985, as that territory
21 may have been modified under:

22 (1) Subchapter H, Chapter 54, Water Code;

23 (2) Subchapter J, Chapter 49, Water Code; or

24 (3) other law.

25 (b) The boundaries and field notes of the district form a
26 closure. A mistake in the field notes or in copying the field notes
27 in the legislative process does not affect:

28 (1) the district's organization, existence, or
29 validity;

30 (2) the district's right to issue any type of bonds for
31 a purpose for which the district is created or to pay the principal
32 of and interest on the bonds;

33 (3) the district's right to impose a tax; or

34 (4) the legality or operation of the district or its
35 governing board. (Acts 69th Leg., R.S., Ch. 756, Sec. 4; New.)

36 Source Law

37 Sec. 4. The legislature finds that the
38 boundaries and field notes of the district form a
39 closure. If any mistake is made in the field notes or
40 in copying the field notes in the legislative process,
41 it in no way affects the organization, existence, or

1 validity of the district, or the right of the district
2 to issue any type of bonds or refunding bonds for the
3 purposes for which the district is created or to pay
4 the principal of and interest on the bonds, or the
5 right of the district to levy and collect taxes, or in
6 any other manner affects the legality or operation of
7 the district or its governing board.

8 Revisor's Note

9 (1) The revision of the law governing the
10 district does not revise the statutory language
11 describing the territory of the district to avoid the
12 lengthy recitation of the description and because that
13 description may not be accurate on the effective date
14 of the revision or at the time of a later reading. For
15 the reader's convenience, the revised law includes
16 references to the statutory description of the
17 district's territory and to the authority to change the
18 district's territory under Subchapter H, Chapter 54,
19 Water Code, applicable to municipal utility districts,
20 and Subchapter J, Chapter 49, Water Code, applicable
21 to the district under Sections 49.001 and 49.002 of
22 that chapter. The revised law also includes a
23 reference to the general authority of the legislature
24 to enact a law to change the district's territory.

25 (2) Section 4, Chapter 756, Acts of the 69th
26 Legislature, Regular Session, 1985, provides that a
27 mistake in the description of district boundaries does
28 not affect the right of the district to issue "any type
29 of bonds or refunding bonds." The revised law omits
30 the reference to "refunding bonds" because refunding
31 bonds are included in the meaning of "any type of
32 bonds."

33 (3) Section 4, Chapter 756, Acts of the 69th
34 Legislature, Regular Session, 1985, refers to the
35 district's authority to "levy and collect" taxes. The
36 revised law substitutes "impose" for "levy and
37 collect" because "impose" is the term generally used
38 in Title 1, Tax Code, and includes the levy and

1 collection of a tax.

2 [Sections 8292.005-8292.050 reserved for expansion]

3 SUBCHAPTER B. BOARD OF DIRECTORS

4 Revised Law

5 Sec. 8292.051. COMPOSITION OF BOARD; TERMS. (a) The
6 district is governed by a board of five elected directors.

7 (b) Directors serve staggered four-year terms. (Acts 69th
8 Leg., R.S., Ch. 756, Secs. 8(a), 10 (part).)

9 Source Law

10 Sec. 8. (a) The district is governed by a board
11 of five directors.

12 Sec. 10. . . . all directors elected serve
13 four-year terms.

14 Revisor's Note

15 Section 10, Chapter 756, Acts of the 69th
16 Legislature, Regular Session, 1985, provides that the
17 district shall hold an election to elect initial
18 directors, whose two-year or four-year terms begin the
19 staggering of terms, and shall hold subsequent
20 elections for directors in even-numbered years on the
21 first Saturday in April. The revised law preserves the
22 provision for staggered terms but omits the provision
23 regarding the initial election as executed and omits
24 the provision regarding subsequent elections as
25 superseded by the 1995 enactment of Section 49.103,
26 Water Code. Section 49.103 requires the election of
27 the appropriate number of directors to be held on the
28 uniform election date in May of even-numbered years.
29 Throughout this chapter, the revised law omits law
30 that is superseded by Chapter 49, Water Code, or that
31 duplicates law contained in that chapter. Chapter 49,
32 Water Code, applies to the district under Sections
33 49.001 and 49.002 of that code. The omitted law reads:

34 Sec. 10. On the first Saturday in
35 April in the first even-numbered year
36 following the confirmation and director
37 election, an election for directors to fill

1 all five positions on the board shall be
2 held. Unless otherwise agreed, the two
3 directors elected with the fewest number of
4 votes serve until April in the next
5 following even-numbered year, and the three
6 with the highest number of votes serve until
7 April in the second following even-numbered
8 year. Subsequent elections shall be held on
9 the first Saturday in April of
10 even-numbered years, and

11 Revised Law

12 Sec. 8292.052. BOARD VACANCY. (a) Except as provided by
13 Subsection (b), if a director fails to qualify for office, the
14 remaining directors shall appoint a person to fill the vacancy
15 until the next election of directors for the district. If the
16 vacant position is not regularly scheduled to be filled at that
17 election, the person elected at that election to fill the vacancy
18 serves only for the unexpired term.

19 (b) If at any time there are fewer than three qualified
20 directors, the Texas Commission on Environmental Quality shall
21 appoint, on petition of a landowner in the district, the necessary
22 number of directors to fill all vacancies on the board. Persons
23 appointed under this subsection serve the same terms as provided
24 for persons appointed under Subsection (a). (Acts 69th Leg., R.S.,
25 Ch. 756, Sec. 8(d).)

26 Source Law

27 (d) If a director fails to qualify for office,
28 the remaining directors shall appoint a person to fill
29 the vacancy until the next election of directors for
30 the district. If the vacant position is not regularly
31 scheduled to be filled at that election, the person
32 elected at that election to fill the vacancy shall
33 serve only for the unexpired term. If at any time the
34 number of qualified directors is less than three
35 because of the failure, refusal, or inability of one or
36 more directors to qualify or serve because of death or
37 incapacitation, or for any other reason, the Texas
38 Water Commission, on petition of any landowner in the
39 district, shall appoint the necessary number of
40 directors to fill all vacancies on the board for the
41 same terms as provided for persons filling vacancies
42 by appointment of the board.

43 Revisor's Note

44 (1) Section 8(d), Chapter 756, Acts of the 69th
45 Legislature, Regular Session, 1985, refers to a
46 vacancy in the office of director "because of the
47 failure, refusal, or inability of one or more

1 directors to qualify or serve because of death or
2 incapacitation, or for any other reason." The revised
3 law omits the quoted language because it describes
4 every manner in which a vacancy may occur without
5 limiting in any way the duty to fill a vacancy.

6 (2) Section 8(d), Chapter 756, Acts of the 69th
7 Legislature, Regular Session, 1985, refers to the
8 "Texas Water Commission." The revised law substitutes
9 "Texas Commission on Environmental Quality" for "Texas
10 Water Commission" to reflect the current name of the
11 agency with the relevant regulatory authority.

12 Revisor's Note
13 (End of Subchapter)

14 (1) Section 8(b), Chapter 756, Acts of the 69th
15 Legislature, Regular Session, 1985, provides the
16 qualifications for a director. The revised law omits
17 the provision because it duplicates, in substance,
18 Section 54.102, Water Code, which applies to the
19 district under Section 54.001, Water Code. The revised
20 law omits the requirement that a director must not be
21 "otherwise disqualified by law" because other laws
22 regarding disqualification apply by their own terms.
23 The omitted law reads:

24 (b) A director must be at least 18
25 years of age, a resident of this state, and
26 either own taxable land in the district or
27 be a qualified voter in the district, and
28 not otherwise disqualified by law.

29 (2) Section 8(c), Chapter 756, Acts of the 69th
30 Legislature, Regular Session, 1985, requires a person
31 to qualify to serve as director by "taking the oath and
32 executing a bond." The revised law omits the provision
33 requiring a bond because the provision duplicates in
34 substance Section 49.055, Water Code. The revised law
35 omits the provision requiring an oath because the
36 provision duplicates the requirement of an oath in
37 Section 1, Article XVI, Texas Constitution. The

1 omitted law reads:

2 (c) Each person shall qualify to
3 serve as director by taking the oath and
4 executing a bond.

5 (3) Section 11, Chapter 756, Acts of the 69th
6 Legislature, Regular Session, 1985, refers to the
7 temporary board of directors and their terms of
8 office. The revised law omits the section as executed.

9 The omitted law reads:

10 Sec. 11. (a) Immediately after this
11 Act takes effect, any landowner in the
12 district may petition the Texas Water
13 Commission to appoint five persons
14 qualified under Section 8(b) of this Act to
15 serve as temporary directors of the
16 district.

17 (b) The temporary directors serve:

18 (1) until permanent directors
19 are elected at the confirmation and
20 director election as required under Section
21 1(a) of this Act and qualify; or

22 (2) if permanent directors are
23 not elected, four-year terms.

24 (c) If the temporary directors' terms
25 expire in accordance with Subsection (b)(2)
26 of this section, the Texas Water Commission
27 on petition of a landowner in the district
28 shall appoint temporary directors to fill
29 those vacancies and to serve as provided by
30 Subsection (b).

32 SUBCHAPTER C. POWERS AND DUTIES

33 Revised Law

34 Sec. 8292.101. MUNICIPAL UTILITY DISTRICT POWERS. The
35 district has the rights, powers, privileges, and functions provided
36 by general law applicable to a municipal utility district created
37 under Section 59, Article XVI, Texas Constitution, including
38 Chapters 49 and 54, Water Code. (Acts 69th Leg., R.S., Ch. 756,
39 Sec. 6(a) (part); New.)

40 Source Law

41 Sec. 6. (a) The district has all of the rights,
42 powers, privileges, authority, and functions provided
43 by the general law of the state for municipal utility
44 districts created under Article XVI, Section 59, of
45 the Texas Constitution, including those provided by
46 Chapter 54, Water Code. . . .

47 Revisor's Note

48 (1) Section 6(a), Chapter 756, Acts of the 69th

1 Legislature, Regular Session, 1985, refers to the
2 "rights, powers, privileges, [and] authority" of the
3 district. The revised law omits the reference to
4 "authority" because, in context, "authority" is
5 included in the meaning of "rights, powers, [and]
6 privileges."

7 (2) Section 6(a), Chapter 756, Acts of the 69th
8 Legislature, Regular Session, 1985, refers to Chapter
9 54, Water Code. For the reader's convenience, the
10 revised law adds a reference to Chapter 49, Water Code,
11 because Chapter 715, Acts of the 74th Legislature,
12 Regular Session, 1995, repealed many provisions of
13 Chapter 54 and enacted similar provisions in Chapter
14 49, Water Code.

15 (3) Sections 6(a) and (b), Chapter 756, Acts of
16 the 69th Legislature, Regular Session, 1985, provide
17 that the act prevails over general law in case of an
18 inconsistency and that all general laws not
19 inconsistent with the act are adopted and incorporated
20 by reference. The revised law omits the provision
21 relating to the act prevailing over general law
22 because it duplicates in substance Section 311.026(b),
23 Government Code (Code Construction Act). The revised
24 law omits the provision relating to adoption and
25 incorporation of general laws because Section 6 of
26 Chapter 756 (revised as this section) already provides
27 that those laws apply to the district, and it is
28 unnecessary to repeat that authority. The omitted law
29 reads:

30 (a) . . . If any provision of the
31 general law is inconsistent with this Act,
32 this Act prevails.

33 (b) Any general law not inconsistent
34 with this Act is adopted and incorporated by
35 reference.

36 Revised Law

37 Sec. 8292.102. WATER CONSERVATION PROGRAM. (a) In this

1 section, "program of water conservation" means the practices,
2 techniques, and technologies that will reduce water consumption,
3 reduce water loss or waste, improve efficiency in water use, or
4 increase water recycling and reuse so that a water supply is
5 available for future or alternative uses.

6 (b) The district shall adopt and implement a program of
7 water conservation consistent with rules and criteria adopted and
8 enforceable by the Texas Commission on Environmental Quality for
9 similarly situated districts in the region. (Acts 69th Leg., R.S.,
10 Ch. 756, Sec. 7.)

11 Source Law

12 Sec. 7. The district shall adopt and implement a
13 program of water conservation consistent with rules
14 and criteria duly adopted and enforceable by the Texas
15 Department of Water Resources for similarly situated
16 districts in the region. A program of water
17 conservation means the practices, techniques, and
18 technologies that will reduce the consumption of
19 water, reduce the loss or waste of water, improve
20 efficiency in the use of water, or increase the
21 recycling and reuse of water so that a water supply is
22 made available for future or alternative uses.

23 Revisor's Note

24 (1) Section 7, Chapter 756, Acts of the 69th
25 Legislature, Regular Session, 1985, refers to "duly"
26 adopted rules and criteria. The revised law omits
27 "duly" as unnecessary in this context because the word
28 does not add to the clear meaning of the law.

29 (2) Section 7, Chapter 756, Acts of the 69th
30 Legislature, Regular Session, 1985, refers to the
31 "Texas Department of Water Resources." The revised
32 law substitutes "Texas Commission on Environmental
33 Quality" for "Texas Department of Water Resources" to
34 reflect the current name of the agency with the
35 relevant regulatory authority.

36 Revisor's Note
37 (End of Chapter)

38 Section 9, Chapter 756, Acts of the 69th
39 Legislature, Regular Session, 1985, recites
40 legislative findings regarding procedural

1 requirements for the creation of the district under
2 the constitution and other laws of this state and
3 rules, including proper legal notice and consent by
4 other governmental entities to the creation of the
5 district. The revised law omits those provisions as
6 executed. The omitted law reads:

7 Sec. 9. The legislature finds that:

8 (1) all applicable requirements
9 of Subsections (d) and (e) of Article XVI,
10 Section 59, of the Texas Constitution have
11 been accomplished;

12 (2) notice and a copy of this
13 Act have been furnished to all persons and
14 officials required to be notified; and

15 (3) the general law relating to
16 consent by political subdivisions to the
17 creation of conservation and reclamation
18 districts has been complied with, and all
19 requirements of the constitution and laws
20 of this state and the rules and procedures
21 of the legislature with respect to the
22 notice, introduction, and passage of this
23 Act have been fulfilled and accomplished.

36 CHAPTER 8293. MONTGOMERY COUNTY MUNICIPAL UTILITY DISTRICT NO. 9

37 SUBCHAPTER A. GENERAL PROVISIONS

38 Revised Law

39 Sec. 8293.001. DEFINITIONS. In this chapter:

40 (1) "Board" means the district's board of directors.

41 (2) "Director" means a member of the board.

42 (3) "District" means the Montgomery County Municipal

1 Utility District No. 9. (Acts 62nd Leg., R.S., Ch. 704, Sec. 1
2 (part); New.)

3 Source Law

4 Sec. 1. . . . [a . . . district] . . . to be
5 known as "Montgomery County Municipal Utility District
6 No. 9," hereinafter called the "district,"

7 Revisor's Note

8 The definitions of "board" and "director" are
9 added to the revised law for drafting convenience and
10 to eliminate frequent, unnecessary repetition of the
11 substance of the definitions.

12 Revised Law

13 Sec. 8293.002. NATURE OF DISTRICT. The district is a
14 conservation and reclamation district in Montgomery County created
15 under Section 59, Article XVI, Texas Constitution. (Acts 62nd
16 Leg., R.S., Ch. 704, Sec. 1 (part).)

17 Source Law

18 Sec. 1. . . . there is hereby created and
19 established, under and pursuant to the provisions of
20 Article XVI, Section 59 of the Constitution of Texas, a
21 conservation and reclamation district in Montgomery
22 County, Texas, . . . which shall be a governmental
23 agency and a body politic and corporate. . . .

24 Revisor's Note

25 (1) Section 1, Chapter 704, Acts of the 62nd
26 Legislature, Regular Session, 1971, provides that the
27 district is "created and established." The revised
28 law omits "established" because the meaning of that
29 word is included in the meaning of "created."

30 (2) Section 1, Chapter 704, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 district is created notwithstanding certain laws
33 relating to consent. The revised law omits that
34 provision as executed because the district has been
35 created. The omitted law reads:

36 Sec. 1. Notwithstanding provisions
37 of the general laws relating to consent by
38 political subdivisions for the creation of
39 conservation and reclamation districts,
40 [there is hereby created . . . a

1 conservation and reclamation district]
2

3 (3) Section 1, Chapter 704, Acts of the 62nd
4 Legislature, Regular Session, 1971, refers to the
5 district as "a governmental agency and a body politic
6 and corporate." The revised law omits the quoted
7 language because it duplicates a portion of Section
8 59(b), Article XVI, Texas Constitution, which provides
9 that a conservation and reclamation district is a
10 governmental agency and a body politic and corporate.

11 Revised Law

12 Sec. 8293.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
13 The district is created to serve a public use and benefit.

14 (b) All land and other property included in the boundaries
15 of the district will benefit from the works and projects
16 accomplished by the district under the powers conferred by Section
17 59, Article XVI, Texas Constitution.

18 (c) The creation of the district is essential to accomplish
19 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
20 62nd Leg., R.S., Ch. 704, Secs. 1 (part), 3.)

21 Source Law

22 Sec. 1. . . . The creation and establishment of
23 the district is hereby declared to be essential to the
24 accomplishment of the purposes of Article XVI, Section
25 59 of the Constitution of Texas.

26 Sec. 3. It is determined and found that all of
27 the land and other property included within the area
28 and boundaries of the district will be benefited by the
29 works and project which are to be accomplished by the
30 district pursuant to the powers conferred by the
31 provisions of Article XVI, Section 59 of the
32 Constitution of Texas, and that said district is
33 created to serve a public use and benefit.

34 Revisor's Note

35 (1) Section 1, Chapter 704, Acts of the 62nd
36 Legislature, Regular Session, 1971, provides that the
37 "creation and establishment" of the district are
38 essential to accomplish the purposes of Section 59,
39 Article XVI, Texas Constitution. The revised law
40 omits "establishment" because its meaning is included

1 in the meaning of "creation."

2 (2) Section 3, Chapter 704, Acts of the 62nd
3 Legislature, Regular Session, 1971, refers to land and
4 other property included within the "area and
5 boundaries of the district." The revised law omits the
6 reference to "area" because, in context, "area" is
7 included in the meaning of "boundaries."

8 Revised Law

9 Sec. 8293.004. DISTRICT TERRITORY. (a) The district is
10 composed of the territory described by Section 4, Chapter 704, Acts
11 of the 62nd Legislature, Regular Session, 1971, as that territory
12 may have been modified under:

13 (1) Subchapter H, Chapter 54, Water Code;

14 (2) Subchapter J, Chapter 49, Water Code; or

15 (3) other law.

16 (b) The boundaries and field notes of the district form a
17 closure. A mistake in copying the field notes in the legislative
18 process or another mistake in the field notes does not affect:

19 (1) the district's organization, existence, or
20 validity;

21 (2) the district's right to issue any type of bond for
22 a purpose for which the district is created or to pay the principal
23 of and interest on the bond;

24 (3) the district's right to impose a tax; or

25 (4) the legality or operation of the district or its
26 governing body. (Acts 62nd Leg., R.S., Ch. 704, Sec. 2; New.)

27 Source Law

28 Sec. 2. It is determined and found that the
29 boundaries and field notes of the district form a
30 closure. If any mistake is made in copying the field
31 notes in the legislative process or otherwise a
32 mistake is made in the field notes, it shall in no way
33 affect the organization, existence and validity of the
34 district, or the right of the district to issue any
35 type of bonds or refunding bonds for the purposes for
36 which the district is created or to pay the principal
37 and interest thereon, or the right to assess, levy and
38 collect taxes, or in any other manner affect the
39 legality or operation of the district or its governing
40 body.

1 Revisor's Note

2 (1) The revision of the law governing the
3 district does not revise the statutory language
4 describing the territory of the district to avoid the
5 lengthy recitation of the description and because that
6 description may not be accurate on the effective date
7 of the revision or at the time of a later reading. For
8 the reader's convenience, the revised law includes
9 references to the statutory description of the
10 district's territory and to the authority to change the
11 district's territory under Subchapter H, Chapter 54,
12 Water Code, applicable to municipal utility districts,
13 and under Subchapter J, Chapter 49, Water Code,
14 applicable to the district under Sections 49.001 and
15 49.002 of that chapter. The revised law also includes
16 a reference to the general authority of the
17 legislature to enact a law to change the district's
18 territory.

19 (2) Section 2, Chapter 704, Acts of the 62nd
20 Legislature, Regular Session, 1971, provides that a
21 mistake in the description of the district boundaries
22 does not affect the right of the district to issue "any
23 type of bonds or refunding bonds." The revised law
24 omits the reference to "refunding bonds" because
25 refunding bonds are included in the meaning of "any
26 type of bonds."

27 (3) Section 2, Chapter 704, Acts of the 62nd
28 Legislature, Regular Session, 1971, refers to the
29 district's authority to "assess, levy and collect"
30 taxes. The revised law substitutes "impose" for
31 "assess, levy and collect" because "impose" is the
32 term generally used in Title 1, Tax Code, and includes
33 the assessment, levy, and collection of a tax.

34 [Sections 8293.005-8293.050 reserved for expansion]

1 SUBCHAPTER B. BOARD OF DIRECTORS

2 Revised Law

3 Sec. 8293.051. COMPOSITION OF BOARD. The board of
4 directors is composed of five elected directors. (Acts 62nd Leg.,
5 R.S., Ch. 704, Sec. 6 (part).)

6 Source Law

7 Sec. 6. . . . Succeeding directors shall be
8 elected or

9 Revisor's Note

10 (1) Section 6, Chapter 704, Acts of the 62nd
11 Legislature, Regular Session, 1971, refers to the
12 initial board of directors and to vacancy procedures.
13 The revised law omits the language relating to the
14 creation of the initial board as executed. The revised
15 law omits the language relating to vacancy procedures
16 for the initial board as executed and, to the extent
17 the language may apply to subsequently appointed
18 directors, because it duplicates in substance Section
19 49.105(c), Water Code. That section applies to the
20 district under Sections 49.001 and 49.002, Water Code.
21 The omitted law reads:

22 Sec. 6. Immediately after this Act
23 becomes effective, the following named
24 persons shall be the directors of the
25 district and shall constitute the board of
26 directors of the district:

27 Joe P. Waddill
28 John Albert Madley
29 Dan H. Madley
30 Alton Keith Stewart, Jr.
31 Milton Keith Stewart, Jr.

32 Said person shall qualify to serve as
33 directors prior to the first meeting of the
34 board of directors. Should any of the above
35 named directors fail to qualify for any
36 reason, the remaining named directors shall
37 appoint someone to fill such vacancy or
38 vacancies; provided, however, that if at
39 any time the number of qualified directors
40 shall be less than three because of the
41 failure or refusal of one or more directors
42 to qualify or serve or because of his or
43 their death or incapacitation, or for any
44 such other reason, the Texas Water Rights
45 Commission shall appoint the necessary
46 number of directors to fill all vacancies on
47 the board. The directors above named or
48 their duly appointed and qualified

1 successor or successors shall serve until
2 the second Saturday in January, 1973. . . .

3 (2) Section 6, Chapter 704, Acts of the 62nd
4 Legislature, Regular Session, 1971, refers to
5 "[s]ucceeding directors" to distinguish the
6 succeeding directors from the initial directors named
7 in that section. The revised law substitutes "five"
8 for "succeeding" to conform to the number of directors
9 listed in Section 6 (establishing the initial board).

10 (3) Section 6, Chapter 704, Acts of the 62nd
11 Legislature, Regular Session, 1971, provides for
12 directors to be elected or appointed and to serve for
13 the term and in the manner provided by Chapter 54,
14 Water Code. Chapter 715, Acts of the 74th Legislature,
15 Regular Session, 1995, repealed the relevant
16 provisions of Chapter 54 and enacted similar
17 provisions in Chapter 49, Water Code, including
18 Section 49.103, which governs the terms of office and
19 manner of election of directors of a municipal utility
20 district that is required by law to elect its
21 directors. The revised law omits any reference to
22 Chapter 49, Water Code, because Chapter 49 applies to
23 the district under Sections 49.001 and 49.002 of that
24 chapter. The revised law also omits "appointed"
25 because it is clear from the context of Section 6 that
26 the reference applies only to directors appointed to
27 fill vacancies as provided by Chapter 49, Water Code.
28 The omitted law reads:

29 Sec. 6. . . . [Succeeding directors
30 shall be elected or] appointed and shall
31 serve for the term and in the manner
32 provided by Chapter 54, Title 4, Water Code,
33 for directors first elected.

34 [Sections 8293.052-8293.100 reserved for expansion]

35 SUBCHAPTER C. POWERS AND DUTIES

36 Revised Law

37 Sec. 8293.101. MUNICIPAL UTILITY DISTRICT POWERS. The

1 district has the rights, powers, privileges, and functions
2 conferred by general law applicable to a municipal utility
3 district, including Chapters 49 and 54, Water Code. (Acts 62nd
4 Leg., R.S., Ch. 704, Sec. 5 (part); New.)

5 Source Law

6 Sec. 5. The district is hereby vested with, and
7 shall have and exercise, all of the rights, powers,
8 privileges, authority and functions conferred by the
9 general laws of this state applicable to municipal
10 utility districts, including without limitation those
11 conferred by Chapter 54, Title 4, Water Code, but
12

13 Revisor's Note

14 (1) Section 5, Chapter 704, Acts of the 62nd
15 Legislature, Regular Session, 1971, provides that the
16 district "is hereby vested with, and shall have and
17 exercise" certain powers. The revised law substitutes
18 "has" for the quoted language because, in context, the
19 terms are synonymous and "has" is more commonly used.

20 (2) Section 5, Chapter 704, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to the
22 "rights, powers, privileges, [and] authority" of the
23 district. The revised law omits the reference to
24 "authority" because, in context, "authority" is
25 included in the meaning of "rights, powers, [and]
26 privileges."

27 (3) Section 5, Chapter 704, Acts of the 62nd
28 Legislature, Regular Session, 1971, grants the
29 district certain powers, "including without
30 limitation those conferred by Chapter 54, Title 4,
31 Water Code." The revised law omits "without
32 limitation" because Section 311.005(13), Government
33 Code (Code Construction Act), provides that "includes"
34 and "including" are terms of enlargement and not of
35 limitation and do not create a presumption that
36 components not expressed are excluded.

37 (4) Section 5, Chapter 704, Acts of the 62nd

1 Legislature, Regular Session, 1971, refers to Chapter
2 54, Water Code. For the reader's convenience, the
3 revised law adds a reference to Chapter 49, Water Code,
4 because Chapter 715, Acts of the 74th Legislature,
5 Regular Session, 1995, repealed many provisions of
6 Chapter 54 and enacted similar provisions in Chapter
7 49, Water Code, which applies to the district under
8 Sections 49.001 and 49.002 of that chapter.

9 (5) Section 5, Chapter 704, Acts of the 62nd
10 Legislature, Regular Session, 1971, provides that the
11 act prevails over general law in case of a conflict or
12 other inconsistency and that all general laws
13 applicable to municipal utility districts not in
14 conflict or inconsistent with the provisions of the
15 act are adopted and incorporated by reference. The
16 revised law omits the portion of the provision
17 relating to the act prevailing over general law
18 because it duplicates in substance Section 311.026(b),
19 Government Code (Code Construction Act). The revised
20 law omits the portion of the provision relating to
21 adoption and incorporation of general laws because
22 Section 5 of Chapter 704 (revised as this section)
23 already provides that those laws apply to the
24 district, and it is unnecessary to repeat that
25 authority. The omitted law reads:

26 Sec. 5. . . . if any provision of
27 such general laws shall be in conflict or
28 inconsistent with the provisions of this
29 Act, the provisions of this Act shall
30 prevail. All such general laws applicable
31 to municipal utility districts not in
32 conflict or inconsistent with the
33 provisions of this Act are hereby adopted
34 and incorporated by reference with the same
35 effect as if copied in full in this Act.

36 Revisor's Note
37 (End of Chapter)

38 (1) Section 7, Chapter 704, Acts of the 62nd
39 Legislature, Regular Session, 1971, contains

1 legislative findings relating to the performance of
2 the requirements of Section 59(d), Article XVI, Texas
3 Constitution, and to the authority of the legislature
4 to enact that chapter. The revised law omits the
5 provision as executed. The omitted law reads:

6 Sec. 7. The Legislature specifically
7 finds and declares that the requirements of
8 Article XVI, Section 59(d) of the
9 Constitution of Texas have been performed
10 and accomplished in due course and time and
11 order, and that the Legislature has the
12 power and authority to enact this Act.

13 (2) Section 8, Chapter 704, Acts of the 62nd
14 Legislature, Regular Session, 1971, provides that the
15 act is severable. The revised law omits that provision
16 because it duplicates Section 311.032, Government Code
17 (Code Construction Act), which provides that a
18 provision of a statute is severable from each other
19 provision of the statute that can be given effect. The
20 omitted law reads:

21 Sec. 8. If any word, phrase, clause,
22 paragraph, sentence, part, portion or
23 provision of this Act or the application
24 thereof to any person or circumstance shall
25 be held to be invalid or unconstitutional,
26 the remainder of the Act shall nevertheless
27 be valid and the Legislature hereby
28 declares that this Act would have been
29 enacted without such invalid or
30 unconstitutional word, phrase, clause,
31 paragraph, sentence, part, portion or
32 provision.

5 Revised Law

6 Sec. 8302.001. DEFINITIONS. In this chapter:

7 (1) "Board" means the district's board of directors.

8 (2) "Director" means a member of the board.

9 (3) "District" means the Montgomery County Utility
10 District No. 3. (Acts 62nd Leg., R.S., Ch. 634, Sec. 1 (part);
11 New.)

12 Source Law

13 Sec. 1. . . . [a . . . district] . . . to be
14 known as "Montgomery County Utility District No. 3,"
15 hereinafter called the "district,"

16 Revisor's Note

17 The definitions of "board" and "director" are
18 added to the revised law for drafting convenience and
19 to eliminate frequent, unnecessary repetition of the
20 substance of the definitions.

21 Revised Law

22 Sec. 8302.002. NATURE OF DISTRICT. The district is a
23 conservation and reclamation district in Montgomery County created
24 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
25 R.S., Ch. 634, Sec. 1 (part).)

26 Source Law

27 Sec. 1. . . . there is hereby created and
28 established, under and pursuant to the provisions of
29 Article XVI, Section 59 of the Constitution of Texas, a
30 conservation and reclamation district in Montgomery
31 County, Texas, . . . which shall be a governmental
32 agency and a body politic and corporate. . . .

33 Revisor's Note

34 (1) Section 1, Chapter 634, Acts of the 62nd
35 Legislature, Regular Session, 1971, provides that the
36 district is "created and established." The revised
37 law omits "established" because the meaning of that
38 word is included in the meaning of "created."

1 (2) Section 1, Chapter 634, Acts of the 62nd
2 Legislature, Regular Session, 1971, provides that the
3 district is created notwithstanding certain laws
4 relating to consent. The revised law omits that
5 provision as executed because the district has been
6 created. The omitted law reads:

7 Sec. 1. Notwithstanding provisions
8 of the general laws relating to consent by
9 political subdivisions for the creation of
10 conservation and reclamation districts,
11 [there is hereby created . . . a
12 conservation and reclamation district]
13

14 (3) Section 1, Chapter 634, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to the
16 district as "a governmental agency and a body politic
17 and corporate." The revised law omits the quoted
18 language because it duplicates a portion of Section
19 59(b), Article XVI, Texas Constitution, which provides
20 that a conservation and reclamation district is a
21 governmental agency and a body politic and corporate.

22 Revised Law

23 Sec. 8302.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
24 The district is created to serve a public use and benefit.

25 (b) All land and other property included in the boundaries
26 of the district will benefit from the works and projects
27 accomplished by the district under the powers conferred by Section
28 59, Article XVI, Texas Constitution.

29 (c) The creation of the district is essential to accomplish
30 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
31 62nd Leg., R.S., Ch. 634, Secs. 1 (part), 3.)

32 Source Law

33 Sec. 1. . . . The creation and establishment of
34 the district is hereby declared to be essential to the
35 accomplishment of the purposes of Article XVI, Section
36 59 of the Constitution of Texas.

37 Sec. 3. It is determined and found that all of
38 the land and other property included within the area
39 and boundaries of the district will be benefited by the
40 works and project which are to be accomplished by the
41 district pursuant to the powers conferred by the

1 provisions of Article XVI, Section 59 of the
2 Constitution of Texas, and that said district is
3 created to serve a public use and benefit.

4 Revisor's Note

5 (1) Section 1, Chapter 634, Acts of the 62nd
6 Legislature, Regular Session, 1971, provides that the
7 "creation and establishment" of the district are
8 essential to accomplish the purposes of Section 59,
9 Article XVI, Texas Constitution. The revised law
10 omits "establishment" because its meaning is included
11 in the meaning of "creation."

12 (2) Section 3, Chapter 634, Acts of the 62nd
13 Legislature, Regular Session, 1971, refers to land and
14 other property included within the "area and
15 boundaries of the district." The revised law omits the
16 reference to "area" because, in context, "area" is
17 included in the meaning of "boundaries."

18 Revised Law

19 Sec. 8302.004. DISTRICT TERRITORY. (a) The district is
20 composed of the territory described by Section 4, Chapter 634, Acts
21 of the 62nd Legislature, Regular Session, 1971, as that territory
22 may have been modified under:

- 23 (1) Subchapter H, Chapter 54, Water Code;
24 (2) Subchapter J, Chapter 49, Water Code; or
25 (3) other law.

26 (b) The boundaries and field notes of the district form a
27 closure. A mistake in copying the field notes in the legislative
28 process or another mistake in the field notes does not affect:

- 29 (1) the district's organization, existence, or
30 validity;
31 (2) the district's right to issue any type of bond for
32 a purpose for which the district is created or to pay the principal
33 of and interest on the bond;
34 (3) the district's right to impose a tax; or
35 (4) the legality or operation of the district or its
36 governing body. (Acts 62nd Leg., R.S., Ch. 634, Sec. 2; New.)

1 Source Law

2 Sec. 2. It is determined and found that the
3 boundaries and field notes of the district form a
4 closure. If any mistake is made in copying the field
5 notes in the legislative process or otherwise a
6 mistake is made in the field notes, it shall in no way
7 affect the organization, existence and validity of the
8 district, or the right of the district to issue any
9 type of bonds or refunding bonds for the purposes for
10 which the district is created or to pay the principal
11 and interest thereon, or the right to assess, levy and
12 collect taxes, or in any other manner affect the
13 legality or operation of the district or its governing
14 body.

15 Revisor's Note

16 (1) The revision of the law governing the
17 district does not revise the statutory language
18 describing the territory of the district to avoid the
19 lengthy recitation of the description and because that
20 description may not be accurate on the effective date
21 of the revision or at the time of a later reading. For
22 the reader's convenience, the revised law includes
23 references to the statutory description of the
24 district's territory and to the authority to change the
25 district's territory under Subchapter H, Chapter 54,
26 Water Code, applicable to municipal utility districts,
27 and under Subchapter J, Chapter 49, Water Code,
28 applicable to the district under Sections 49.001 and
29 49.002 of that chapter. The revised law also includes
30 a reference to the general authority of the
31 legislature to enact a law to change the district's
32 territory.

33 (2) Section 2, Chapter 634, Acts of the 62nd
34 Legislature, Regular Session, 1971, provides that a
35 mistake in the description of the district boundaries
36 does not affect the right of the district to issue "any
37 type of bonds or refunding bonds." The revised law
38 omits the reference to "refunding bonds" because
39 refunding bonds are included in the meaning of "any
40 type of bonds."

1 (3) Section 2, Chapter 634, Acts of the 62nd
2 Legislature, Regular Session, 1971, refers to the
3 district's authority to "assess, levy and collect"
4 taxes. The revised law substitutes "impose" for
5 "assess, levy and collect" because "impose" is the
6 term generally used in Title 1, Tax Code, and includes
7 the assessment, levy, and collection of a tax.

9 SUBCHAPTER B. BOARD OF DIRECTORS

10 Revised Law

11 Sec. 8302.051. COMPOSITION OF BOARD. The board of
12 directors is composed of five elected directors. (Acts 62nd Leg.,
13 R.S., Ch. 634, Sec. 6 (part).)

14 Source Law

15 Sec. 6. . . . Succeeding directors shall be
16 elected or

17 Revisor's Note

18 (1) Section 6, Chapter 634, Acts of the 62nd
19 Legislature, Regular Session, 1971, refers to the
20 initial board of directors and to vacancy procedures.
21 The revised law omits the language relating to the
22 creation of the initial board as executed. The revised
23 law omits the language relating to vacancy procedures
24 for the initial board as executed and, to the extent
25 the language may apply to subsequently appointed
26 directors, because it duplicates in substance Section
27 49.105(c), Water Code. That section applies to the
28 district under Sections 49.001 and 49.002, Water Code.
29 The omitted law reads:

30 Sec. 6. Immediately after this Act
31 becomes effective, the following named
32 persons shall be the directors of the
33 district and shall constitute the board of
34 directors of the district:

35 Perrin W. White
36 Martin Grissett
37 Robert J. Matjeka
38 Mrs. Brenda Ellis
39 Madeline L. Hill

40 Said persons shall qualify to serve as

1 directors prior to the first meeting of the
2 board of directors. Should any of the above
3 named directors fail to qualify for any
4 reason, the remaining named directors shall
5 appoint someone to fill such vacancy or
6 vacancies; provided, however, that if at
7 any time the number of qualified directors
8 shall be less than three because of the
9 failure or refusal of one or more directors
10 to qualify or serve or because of his or
11 their death or incapacitation, or for any
12 such other reason, the Texas Water Rights
13 Commission shall appoint the necessary
14 number of directors to fill all vacancies on
15 the board. The directors above named or
16 their duly appointed and qualified
17 successor or successors shall serve until
18 the second Saturday in January, 1973. . . .

19 (2) Section 6, Chapter 634, Acts of the 62nd
20 Legislature, Regular Session, 1971, refers to
21 "[s]ucceeding directors" to distinguish the
22 succeeding directors from the initial directors named
23 in that section. The revised law substitutes "five"
24 for "succeeding" to conform to the number of directors
25 listed in Section 6 (establishing the initial board).

26 (3) Section 6, Chapter 634, Acts of the 62nd
27 Legislature, Regular Session, 1971, provides for
28 directors to be elected or appointed and to serve for
29 the term and in the manner provided by Chapter 54,
30 Water Code. Chapter 715, Acts of the 74th Legislature,
31 Regular Session, 1995, repealed the relevant
32 provisions of Chapter 54 and enacted similar
33 provisions in Chapter 49, Water Code, including
34 Section 49.103, which governs the terms of office and
35 manner of election of directors of a municipal utility
36 district that is required by law to elect its
37 directors. The revised law omits any reference to
38 Chapter 49, Water Code, because Chapter 49 applies to
39 the district under Sections 49.001 and 49.002 of that
40 chapter. The revised law also omits "appointed"
41 because it is clear from the context of Section 6 that
42 the reference applies only to directors appointed to
43 fill vacancies as provided by Chapter 49, Water Code.

1 The omitted law reads:

2 Sec. 6. . . . [Succeeding directors
3 shall be elected or] appointed and shall
4 serve for the term and in the manner
5 provided by Chapter 54, Title 4, Water Code.

6 [Sections 8302.052-8302.100 reserved for expansion]

7 SUBCHAPTER C. POWERS AND DUTIES

8 Revised Law

9 Sec. 8302.101. MUNICIPAL UTILITY DISTRICT POWERS. The
10 district has the rights, powers, privileges, and functions
11 conferred by general law applicable to a municipal utility
12 district, including Chapters 49 and 54, Water Code. (Acts 62nd
13 Leg., R.S., Ch. 634, Sec. 5 (part); New.)

14 Source Law

15 Sec. 5. The district is hereby vested with, and
16 shall have and exercise, all of the rights, powers,
17 privileges, authority and functions conferred by the
18 general laws of this state applicable to municipal
19 utility districts, including without limitation those
20 conferred by Chapter 54, Title 4, Water Code, but
21

22 Revisor's Note

23 (1) Section 5, Chapter 634, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that the
25 district "is hereby vested with, and shall have and
26 exercise" certain powers. The revised law substitutes
27 "has" for the quoted language because, in context, the
28 terms are synonymous and "has" is more commonly used.

29 (2) Section 5, Chapter 634, Acts of the 62nd
30 Legislature, Regular Session, 1971, refers to the
31 "rights, powers, privileges, [and] authority" of the
32 district. The revised law omits the reference to
33 "authority" because, in context, "authority" is
34 included in the meaning of "rights, powers, [and]
35 privileges."

36 (3) Section 5, Chapter 634, Acts of the 62nd
37 Legislature, Regular Session, 1971, grants the
38 district certain powers, "including without
39 limitation those conferred by Chapter 54, Title 4,

1 Water Code." The revised law omits "without
2 limitation" because Section 311.005(13), Government
3 Code (Code Construction Act), provides that "includes"
4 and "including" are terms of enlargement and not of
5 limitation and do not create a presumption that
6 components not expressed are excluded.

7 (4) Section 5, Chapter 634, Acts of the 62nd
8 Legislature, Regular Session, 1971, refers to Chapter
9 54, Water Code. For the reader's convenience, the
10 revised law adds a reference to Chapter 49, Water Code,
11 because Chapter 715, Acts of the 74th Legislature,
12 Regular Session, 1995, repealed many provisions of
13 Chapter 54 and enacted similar provisions in Chapter
14 49, Water Code, which applies to the district under
15 Sections 49.001 and 49.002 of that chapter.

16 (5) Section 5, Chapter 634, Acts of the 62nd
17 Legislature, Regular Session, 1971, provides that the
18 act prevails over general law in case of a conflict or
19 other inconsistency and that all general laws
20 applicable to municipal utility districts not in
21 conflict or inconsistent with the provisions of the
22 act are adopted and incorporated by reference. The
23 revised law omits the portion of the provision
24 relating to the act prevailing over general law
25 because it duplicates in substance Section 311.026(b),
26 Government Code (Code Construction Act). The revised
27 law omits the portion of the provision relating to
28 adoption and incorporation of general laws because
29 Section 5 of Chapter 634 (revised as this section)
30 already provides that those laws apply to the
31 district, and it is unnecessary to repeat that
32 authority. The omitted law reads:

33 Sec. 5. . . . if any provision of
34 such general laws shall be in conflict or
35 inconsistent with the provisions of this
36 Act, the provisions of this Act shall

1 prevail. All such general laws applicable
2 to municipal utility districts not in
3 conflict or inconsistent with the
4 provisions of this Act are hereby adopted
5 and incorporated by reference with the same
6 effect as if copied in full in this Act.

7 Revisor's Note
8 (End of Chapter)

9 (1) Section 7, Chapter 634, Acts of the 62nd
10 Legislature, Regular Session, 1971, contains
11 legislative findings relating to the performance of
12 the requirements of Section 59(d), Article XVI, Texas
13 Constitution, and to the authority of the legislature
14 to enact that chapter. The revised law omits the
15 provision as executed. The omitted law reads:

16 Sec. 7. The Legislature specifically
17 finds and declares that the requirements of
18 Article XVI, Section 59(d) of the
19 Constitution of Texas have been performed
20 and accomplished in due course and time and
21 order, and that the Legislature has the
22 power and authority to enact this Act.

23 (2) Section 8, Chapter 634, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that the
25 act is severable. The revised law omits that provision
26 because it duplicates Section 311.032, Government Code
27 (Code Construction Act), which provides that a
28 provision of a statute is severable from each other
29 provision of the statute that can be given effect. The
30 omitted law reads:

31 Sec. 8. If any word, phrase, clause,
32 paragraph, sentence, part, portion or
33 provision of this Act or the application
34 thereof to any persons or circumstances
35 shall be held to be invalid or
36 unconstitutional, the remainder of the Act
37 shall nevertheless be valid and the
38 Legislature hereby declares that this Act
39 would have been enacted without such
40 invalid or unconstitutional word, phrase,
41 clause, paragraph, sentence, part, portion
42 or provision.

9 CHAPTER 8303. MONTGOMERY COUNTY UTILITY DISTRICT NO. 4

10 SUBCHAPTER A. GENERAL PROVISIONS

11 Revised Law

12 Sec. 8303.001. DEFINITIONS. In this chapter:

13 (1) "Board" means the district's board of directors.

14 (2) "Director" means a member of the board.

15 (3) "District" means the Montgomery County Utility
16 District No. 4. (Acts 62nd Leg., R.S., Ch. 344, Sec. 1 (part); New.)

17 Source Law

18 Sec. 1. . . . [a . . . district] . . . to be
19 known as "Montgomery County Utility District No. 4,"
20 hereinafter called the "district,"

21 Revisor's Note

22 The definitions of "board" and "director" are
23 added to the revised law for drafting convenience and
24 to eliminate frequent, unnecessary repetition of the
25 substance of the definitions.

26 Revised Law

27 Sec. 8303.002. NATURE OF DISTRICT. The district is a
28 conservation and reclamation district in Montgomery County created
29 under Section 59, Article XVI, Texas Constitution. (Acts 62nd Leg.,
30 R.S., Ch. 344, Sec. 1 (part).)

31 Source Law

32 Sec. 1. . . . there is hereby created and
33 established, under and pursuant to the provisions of
34 Article XVI, Section 59 of the Constitution of Texas, a
35 conservation and reclamation district in Montgomery
36 County, Texas, . . . which shall be a governmental
37 agency and a body politic and corporate. . . .

1 Revisor's Note

2 (1) Section 1, Chapter 344, Acts of the 62nd
3 Legislature, Regular Session, 1971, provides that the
4 district is "created and established." The revised
5 law omits "established" because the meaning of that
6 word is included in the meaning of "created."

7 (2) Section 1, Chapter 344, Acts of the 62nd
8 Legislature, Regular Session, 1971, provides that the
9 district is created notwithstanding certain laws
10 relating to consent. The revised law omits that
11 provision as executed because the district has been
12 created. The omitted law reads:

13 Sec. 1. Notwithstanding provisions
14 of the general laws relating to consent by
15 political subdivisions for the creation of
16 conservation and reclamation districts,
17 [there is hereby created . . . a
18 conservation and reclamation district]
19

20 (3) Section 1, Chapter 344, Acts of the 62nd
21 Legislature, Regular Session, 1971, refers to the
22 district as "a governmental agency and a body politic
23 and corporate." The revised law omits the quoted
24 language because it duplicates a portion of Section
25 59(b), Article XVI, Texas Constitution, which provides
26 that a conservation and reclamation district is a
27 governmental agency and a body politic and corporate.

28 Revised Law

29 Sec. 8303.003. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
30 The district is created to serve a public use and benefit.

31 (b) All land and other property included in the boundaries
32 of the district will benefit from the works and projects
33 accomplished by the district under the powers conferred by Section
34 59, Article XVI, Texas Constitution.

35 (c) The creation of the district is essential to accomplish
36 the purposes of Section 59, Article XVI, Texas Constitution. (Acts
37 62nd Leg., R.S., Ch. 344, Secs. 1 (part), 3.)

1 Source Law

2 Sec. 1. . . . The creation and establishment of
3 the district is hereby declared to be essential to the
4 accomplishment of the purposes of Article XVI, Section
5 59 of the Constitution of Texas.

6 Sec. 3. It is determined and found that all of
7 the land and other property included within the area
8 and boundaries of the district will be benefited by the
9 works and project which are to be accomplished by the
10 district pursuant to the powers conferred by the
11 provisions of Article XVI, Section 59 of the
12 Constitution of Texas, and that said district is
13 created to serve a public use and benefit.

14 Revisor's Note

15 (1) Section 1, Chapter 344, Acts of the 62nd
16 Legislature, Regular Session, 1971, provides that the
17 "creation and establishment" of the district are
18 essential to accomplish the purposes of Section 59,
19 Article XVI, Texas Constitution. The revised law
20 omits "establishment" because its meaning is included
21 in the meaning of "creation."

22 (2) Section 3, Chapter 344, Acts of the 62nd
23 Legislature, Regular Session, 1971, refers to land and
24 other property included within the "area and
25 boundaries of the district." The revised law omits the
26 reference to "area" because, in context, "area" is
27 included in the meaning of "boundaries."

28 Revised Law

29 Sec. 8303.004. DISTRICT TERRITORY. (a) The district is
30 composed of the territory described by Section 4, Chapter 344, Acts
31 of the 62nd Legislature, Regular Session, 1971, as that territory
32 may have been modified under:

- 33 (1) Subchapter H, Chapter 54, Water Code;
34 (2) Subchapter J, Chapter 49, Water Code; or
35 (3) other law.

36 (b) The boundaries and field notes of the district form a
37 closure. A mistake in copying the field notes in the legislative
38 process or another mistake in the field notes does not affect:

- 39 (1) the district's organization, existence, or

1 validity;

2 (2) the district's right to issue any type of bonds for
3 a purpose for which the district is created or to pay the principal
4 of and interest on the bonds;

5 (3) the district's right to impose a tax; or

6 (4) the legality or operation of the district or its
7 governing body. (Acts 62nd Leg., R.S., Ch. 344, Sec. 2; New.)

8 Source Law

9 Sec. 2. It is determined and found that the
10 boundaries and field notes of the district form a
11 closure. If any mistake is made in copying the field
12 notes in the legislative process or otherwise a
13 mistake is made in the field notes, it shall in no way
14 affect the organization, existence and validity of the
15 district, or the right of the district to issue any
16 type of bonds or refunding bonds for the purposes for
17 which the district is created or to pay the principal
18 and interest thereon, or the right to assess, levy and
19 collect taxes, or in any other manner affect the
20 legality or operation of the district or its governing
21 body.

22 Revisor's Note

23 (1) The revision of the law governing the
24 district does not revise the statutory language
25 describing the territory of the district to avoid the
26 lengthy recitation of the description and because that
27 description may not be accurate on the effective date
28 of the revision or at the time of a later reading. For
29 the reader's convenience, the revised law includes
30 references to the statutory description of the
31 district's territory and to the authority to change the
32 district's territory under Subchapter H, Chapter 54,
33 Water Code, applicable to municipal utility districts,
34 and under Subchapter J, Chapter 49, Water Code,
35 applicable to the district under Sections 49.001 and
36 49.002 of that chapter. The revised law also includes
37 a reference to the general authority of the
38 legislature to enact a law to change the district's
39 territory.

40 (2) Section 2, Chapter 344, Acts of the 62nd

1 Legislature, Regular Session, 1971, provides that a
2 mistake in the description of the district boundaries
3 does not affect the right of the district to issue "any
4 type of bonds or refunding bonds." The revised law
5 omits the reference to "refunding bonds" because
6 refunding bonds are included in the meaning of "any
7 type of bonds."

8 (3) Section 2, Chapter 344, Acts of the 62nd
9 Legislature, Regular Session, 1971, refers to the
10 district's authority to "assess, levy and collect"
11 taxes. The revised law substitutes "impose" for
12 "assess, levy and collect" because "impose" is the
13 term generally used in Title 1, Tax Code, and includes
14 the assessment, levy, and collection of a tax.

15 [Sections 8303.005-8303.050 reserved for expansion]

16 SUBCHAPTER B. BOARD OF DIRECTORS

17 Revised Law

18 Sec. 8303.051. COMPOSITION OF BOARD. The board of
19 directors is composed of five elected directors. (Acts 62nd Leg.,
20 R.S., Ch. 344, Sec. 6 (part).)

21 Source Law

22 Sec. 6. . . . Succeeding directors shall be
23 elected or

24 Revisor's Note

25 (1) Section 6, Chapter 344, Acts of the 62nd
26 Legislature, Regular Session, 1971, refers to the
27 initial board of directors and to vacancy procedures.
28 The revised law omits the language relating to the
29 creation of the initial board as executed. The revised
30 law omits the language relating to vacancy procedures
31 for the initial board as executed and, to the extent
32 the language may apply to subsequently appointed
33 directors, because it duplicates in substance Section
34 49.105(c), Water Code. That section applies to the
35 district under Sections 49.001 and 49.002, Water Code.

1 The omitted law reads:

2 Sec. 6. Immediately after this Act
3 becomes effective, the following named
4 persons shall be the directors of the
5 district and shall constitute the board of
6 directors of the district:

7 James M. Hill, Jr.
8 Scott Van deMark
9 Lee Williams
10 J. R. Brodnax
11 Sara E. White

12 Said persons shall qualify to serve as
13 directors prior to the first meeting of the
14 board of directors. Should any of the above
15 named directors fail to qualify for any
16 reason, the remaining named directors shall
17 appoint someone to fill such vacancy or
18 vacancies; provided, however, that if at
19 any time the number of qualified directors
20 shall be less than three because of the
21 failure or refusal of one or more directors
22 to qualify or serve or because of his or
23 their death or incapacitation, or for any
24 such other reason, the Texas Water Rights
25 Commission shall appoint the necessary
26 number of directors to fill all vacancies on
27 the board. The directors above named or
28 their duly appointed and qualified
29 successor or successors shall serve until
30 the second Saturday in January, 1973. . . .

31 (2) Section 6, Chapter 344, Acts of the 62nd
32 Legislature, Regular Session, 1971, refers to
33 "[s]ucceeding directors" to distinguish the
34 succeeding directors from the initial directors named
35 in that section. The revised law substitutes "five"
36 for "succeeding" to conform to the number of directors
37 listed in Section 6 (establishing the initial board).

38 (3) Section 6, Chapter 344, Acts of the 62nd
39 Legislature, Regular Session, 1971, provides for
40 directors to be elected or appointed and to serve for
41 the term and in the manner provided by Chapter 54,
42 Water Code. Chapter 715, Acts of the 74th Legislature,
43 Regular Session, 1995, repealed the relevant
44 provisions of Chapter 54 and enacted similar
45 provisions in Chapter 49, Water Code, including
46 Section 49.103, which governs the terms of office and
47 manner of election of directors of a municipal utility
48 district that is required by law to elect its

1 directors. The revised law omits any reference to
2 Chapter 49, Water Code, because Chapter 49 applies to
3 the district under Sections 49.001 and 49.002 of that
4 chapter. The revised law also omits "appointed"
5 because it is clear from the context of Section 6 that
6 the reference applies only to directors appointed to
7 fill vacancies as provided by Chapter 49, Water Code.
8 The omitted law reads:

9 Sec. 6. . . . [Succeeding directors
10 shall be elected or] appointed and shall
11 serve for the term and in the manner
12 provided by Chapter 54, Title 4, Water Code.

14 SUBCHAPTER C. POWERS AND DUTIES

15 Revised Law

16 Sec. 8303.101. MUNICIPAL UTILITY DISTRICT POWERS. The
17 district has the rights, powers, privileges, and functions
18 conferred by general law applicable to a municipal utility
19 district, including Chapters 49 and 54, Water Code. (Acts 62nd
20 Leg., R.S., Ch. 344, Sec. 5 (part); New.)

21 Source Law

22 Sec. 5. The district is hereby vested with, and
23 shall have and exercise, all of the rights, powers,
24 privileges, authority and functions conferred by the
25 general laws of this state applicable to municipal
26 utility districts, including without limitation those
27 conferred by Chapter 54, Title 4, Water Code, but
28

29 Revisor's Note

30 (1) Section 5, Chapter 344, Acts of the 62nd
31 Legislature, Regular Session, 1971, provides that the
32 district "is hereby vested with, and shall have and
33 exercise" certain powers. The revised law substitutes
34 "has" for the quoted language because, in context, the
35 terms are synonymous and "has" is more commonly used.

36 (2) Section 5, Chapter 344, Acts of the 62nd
37 Legislature, Regular Session, 1971, refers to the
38 "rights, powers, privileges, [and] authority" of the
39 district. The revised law omits the reference to

1 "authority" because, in context, "authority" is
2 included in the meaning of "rights, powers, [and]
3 privileges."

4 (3) Section 5, Chapter 344, Acts of the 62nd
5 Legislature, Regular Session, 1971, grants the
6 district certain powers, "including without
7 limitation those conferred by Chapter 54, Title 4,
8 Water Code." The revised law omits "without
9 limitation" because Section 311.005(13), Government
10 Code (Code Construction Act), provides that "includes"
11 and "including" are terms of enlargement and not of
12 limitation and do not create a presumption that
13 components not expressed are excluded.

14 (4) Section 5, Chapter 344, Acts of the 62nd
15 Legislature, Regular Session, 1971, refers to Chapter
16 54, Water Code. For the reader's convenience, the
17 revised law adds a reference to Chapter 49, Water Code,
18 because Chapter 715, Acts of the 74th Legislature,
19 Regular Session, 1995, repealed many provisions of
20 Chapter 54 and enacted similar provisions in Chapter
21 49, Water Code, which applies to the district under
22 Sections 49.001 and 49.002 of that chapter.

23 (5) Section 5, Chapter 344, Acts of the 62nd
24 Legislature, Regular Session, 1971, provides that the
25 act prevails over general law in case of a conflict or
26 other inconsistency and that all general laws
27 applicable to municipal utility districts not in
28 conflict or inconsistent with the provisions of the
29 act are adopted and incorporated by reference. The
30 revised law omits the portion of the provision
31 relating to the act prevailing over general law
32 because it duplicates in substance Section 311.026(b),
33 Government Code (Code Construction Act). The revised
34 law omits the portion of the provision relating to

1 adoption and incorporation of general laws because
2 Section 5 of Chapter 344 (revised as this section)
3 already provides that those laws apply to the
4 district, and it is unnecessary to repeat that
5 authority. The omitted law reads:

6 Sec. 5. . . . if any provision of
7 such general laws shall be in conflict or
8 inconsistent with the provisions of this
9 Act, the provisions of this Act shall
10 prevail. All such general laws applicable
11 to municipal utility districts not in
12 conflict or inconsistent with the
13 provisions of this Act are hereby adopted
14 and incorporated by reference with the same
15 effect as if copied in full in this Act.

16 Revisor's Note
17 (End of Chapter)

18 (1) Section 7, Chapter 344, Acts of the 62nd
19 Legislature, Regular Session, 1971, contains
20 legislative findings relating to the performance of
21 the requirements of Section 59(d), Article XVI, Texas
22 Constitution, and to the authority of the legislature
23 to enact that chapter. The revised law omits the
24 provision as executed. The omitted law reads:

25 Sec. 7. The Legislature specifically
26 finds and declares that the requirements of
27 Article XVI, Section 59(d) of the
28 Constitution of Texas have been performed
29 and accomplished in due course and time and
30 order, and that the Legislature has the
31 power and authority to enact this Act.

32 (2) Section 8, Chapter 344, Acts of the 62nd
33 Legislature, Regular Session, 1971, provides that the
34 act is severable. The revised law omits that provision
35 because it duplicates Section 311.032, Government Code
36 (Code Construction Act), which provides that a
37 provision of a statute is severable from each other
38 provision of the statute that can be given effect. The
39 omitted law reads:

40 Sec. 8. If any word, phrase, clause,
41 paragraph, sentence, part, portion or
42 provision of this Act or the application
43 thereof to any persons or circumstances
44 shall be held to be invalid or
45 unconstitutional, the remainder of the Act

1 shall nevertheless be valid and the
2 Legislature hereby declares that this Act
3 would have been enacted without such
4 invalid or unconstitutional word, phrase,
5 clause, paragraph, sentence, part, portion
6 or provision.

37 CHAPTER 8805. LIPAN-KICKAPOO WATER CONSERVATION DISTRICT

1 SUBCHAPTER A. GENERAL PROVISIONS

2 Revised Law

3 Sec. 8805.001. DEFINITIONS. In this chapter:

4 (1) "Board" means the district's board of directors.

5 (2) "Director" means a board member.

6 (3) "District" means the Lipan-Kickapoo Water
7 Conservation District. (Acts 70th Leg., R.S., Ch. 439, Sec. 1;
8 New.)

9 Source Law

10 Sec. 1. In this Act:

11 (1) "District" means the Lipan-Kickapoo
12 Water Conservation District.

13 (2) "Board" means the district's board of
14 directors.

15 Revisor's Note

16 The definition of "director" is added to the
17 revised law for drafting convenience and to eliminate
18 frequent, unnecessary repetition of the substance of
19 the definition.

20 Revised Law

21 Sec. 8805.002. NATURE OF DISTRICT. The district is created
22 under Section 59, Article XVI, Texas Constitution, to provide for
23 the conservation, preservation, protection, recharge, and
24 prevention of waste and pollution of the district's groundwater and
25 surface water, consistent with the objectives of Section 59,
26 Article XVI, Texas Constitution, and Chapter 36, Water Code. (Acts
27 70th Leg., R.S., Ch. 439, Secs. 2(a) (part), (b).)

28 Source Law

29 (a) . . . the Lipan-Kickapoo Water Conservation
30 District is created under the authority of Article
31 XVI, Section 59, of the Texas Constitution.

32 (b) The district is created to provide for the
33 conservation, preservation, protection, recharge, and
34 prevention of waste and pollution of the underground
35 and surface water of the district consistent with the
36 objectives of Section 59, Article XVI, Texas
37 Constitution, and Chapter 36, Water Code.

38 Revisor's Note

39 (1) Section 2(a), Chapter 439, Acts of the 70th
40 Legislature, Regular Session, 1987, refers to a

1 confirmation election. Because the confirmation
2 election has already been held, the revised law omits
3 the provision as executed. The omitted law reads:

4 Sec. 2. (a) Subject to approval at
5 an election required by Section 13 of this
6 Act,

7 (2) Section 2(b), Chapter 439, Acts of the 70th
8 Legislature, Regular Session, 1987, refers to
9 underground water. Throughout this chapter, the
10 revised law substitutes "groundwater" for
11 "underground water" because that is the term used in
12 Chapter 36, Water Code, and because that is the more
13 commonly used and modern term.

14 Revised Law

15 Sec. 8805.003. LEGISLATIVE FINDINGS. The legislature finds
16 that:

17 (1) the creation of the district is feasible and
18 practicable;

19 (2) the district will benefit the land in the
20 district;

21 (3) there is a public necessity for the district; and

22 (4) the district will provide a public use and
23 benefit. (Acts 70th Leg., R.S., Ch. 439, Sec. 3.)

24 Source Law

25 Sec. 3. The legislature finds that:

26 (1) the creation of the district is
27 feasible and practicable;

28 (2) the district will be a benefit to the
29 land contained within the boundaries of the district;

30 (3) there is a public necessity for the
31 district; and

32 (4) the district will provide a benefit
33 and utility to the public.

34 Revised Law

35 Sec. 8805.004. DISTRICT TERRITORY. The district is
36 composed of the territory described by Section 4, Chapter 439, Acts
37 of the 70th Legislature, Regular Session, 1987, as that territory
38 may have been modified under:

39 (1) Subchapter J, Chapter 36, Water Code; or

1 (2) other law. (New.)

2 Revisor's Note

3 The revision of the law governing the district
4 does not revise the statutory language describing the
5 territory of the district to avoid the lengthy
6 recitation of the description. Additionally, because
7 the district's boundaries are subject to change, that
8 description may not be accurate on the effective date
9 of the revision or at the time of a later reading. For
10 the reader's convenience, the revised law includes a
11 reference to the statutory description of the
12 district's territory and to the authority to change the
13 district's territory under Subchapter J, Chapter 36,
14 Water Code, applicable to groundwater conservation
15 districts. The revised law also includes a reference
16 to the general authority of the legislature to enact
17 other laws to change the district's territory.

18 Revised Law

19 Sec. 8805.005. OWNERSHIP OF GROUNDWATER AND SURFACE WATER
20 RIGHTS NOT AFFECTED BY CHAPTER. The ownership and rights of the
21 owner of land, the owner's lessees, and assigns in groundwater and
22 any surface water rights are recognized and this chapter does not
23 deprive or divest the owner, the owner's lessees, or assigns of
24 those ownership rights. (Acts 70th Leg., R.S., Ch. 439, Sec. 16.)

25 Source Law

26 Sec. 16. The ownership and rights of the owner
27 of land, his lessees, and assigns in underground water
28 and any surface water rights are recognized and this
29 Act does not deprive or divest the owner, his lessees,
30 or assigns of those ownership rights.

31 Revisor's Note

32 (End of Subchapter)

33 (1) Section 13, Chapter 439, Acts of the 70th
34 Legislature, Regular Session, 1987, provides
35 procedures for holding an election to confirm the
36 district's creation and to elect the district's initial
37 board. Because the district has been confirmed and its

1 initial directors have been elected, the revised law
2 omits those provisions as executed. The omitted law
3 reads:

4 Sec. 13. (a) Not later than the 90th
5 day after the effective date of this Act,
6 the temporary directors shall meet and
7 shall call an election to be held not later
8 than the 180th day after the effective date
9 of this Act within the boundaries of the
10 proposed district to approve the creation
11 of the district.

12 (b) Subsection (a), Section 41.001,
13 Election Code, does not apply to an election
14 called under this section.

15 (c) In the order calling the
16 election, the temporary directors shall
17 designate county area places and the
18 at-large position and polling places for
19 the election.

20 (d) The propositions to be voted on
21 shall include the question of whether the
22 establishment of the district is confirmed
23 and the election of the board of directors.
24 The election may also include the question
25 of levying, assessing, and collecting an ad
26 valorem tax throughout the district.

27 (e) The temporary directors shall
28 publish notice of the election two times in
29 one or more newspapers of general
30 circulation within the boundaries of the
31 proposed district. The notice must be
32 published not later than the 30th day and
33 the 10th day preceding the date of the
34 election.

35 (f) Returns of the election shall be
36 made to the temporary directors who shall
37 canvass the returns and declare the results
38 of the election.

39 (g) If the creation of the district
40 is defeated, all of the propositions
41 relating to the district are defeated, and
42 another election may not be called and held
43 during the 12-month period immediately
44 following the date on which the most recent
45 election on the proposition or propositions
46 was held. If the district is not created
47 within five years after the effective date
48 of this Act, this Act expires.

49 (h) Except as specifically provided
50 by this section, an election under this Act
51 is governed by the Election Code.

52 (2) Section 15, Chapter 439, Acts of the 70th
53 Legislature, Regular Session, 1987, refers to the
54 continuing right of this state to supervise the
55 district through the Texas Water Commission. The
56 revised law omits the provision because the Texas
57 Commission on Environmental Quality is the successor
58 to the Texas Water Commission, and therefore the

1 provision duplicates, in substance, part of Section
2 12.081, Water Code, which applies to the district. The
3 omitted law reads:

4 Sec. 15. The district is subject to
5 the continuing right of supervision by the
6 state, to be exercised by the Texas Water
7 Commission.

8 [Sections 8805.006-8805.050 reserved for expansion]

9 SUBCHAPTER B. BOARD OF DIRECTORS

10 Revised Law

11 Sec. 8805.051. COMPOSITION OF BOARD; TERMS. (a) The board
12 consists of:

13 (1) an equal number of directors from each county in
14 the district, elected by a majority vote of the voters residing in
15 any part of the county that is included in the district; and

16 (2) one director elected from the district at large.

17 (b) Directors serve staggered four-year terms.

18 (c) A director takes office at the first regular meeting of
19 the board following the director's election to the board. (Acts
20 70th Leg., R.S., Ch. 439, Secs. 8(a) (part), 9(b), 10(a).)

21 Source Law

22 Sec. 8. (a) The board consists of an equal
23 number of directors from each county, elected by a
24 majority vote of the qualified voters residing in the
25 part of the county that is included in the district,
26 and one director elected from the district at
27 large. . . .

28 [Sec. 9]

29 (b) A director takes office at the first regular
30 meeting of the board following election to the board.

31 Sec. 10. (a) Directors serve staggered
32 four-year terms.

33 Revisor's Note

34 (1) Section 8(a), Chapter 439, Acts of the 70th
35 Legislature, Regular Session, 1987, refers to an
36 election by the "qualified" voters of the district and
37 of the parts of each county included in the district.
38 The revised law omits "qualified" as unnecessary in
39 this context because Chapter 11, Election Code,
40 governs eligibility to vote in an election in this

1 state and allows only "qualified" voters who are
2 residents of the territory covered by the election to
3 vote in an election.

4 (2) Section 8(a), Chapter 439, Acts of the 70th
5 Legislature, Regular Session, 1987, provides that the
6 board consists of not fewer than five and not more than
7 11 directors. The revised law omits the provision
8 because it duplicates part of Section 36.051(a), Water
9 Code. Throughout this chapter, the revised law omits
10 law that duplicates law contained in Chapter 36, Water
11 Code, which applies to the district under Section
12 8805.101 of this chapter and Section 36.001(1), Water
13 Code. The omitted law reads:

14 (a) . . . The board consists of not
15 fewer than 5 and not more than 11 directors.

16 Revised Law

17 Sec. 8805.052. ELECTION OF DIRECTORS. (a) Every second
18 year, the board shall hold an election on the uniform election date
19 in May provided by Section 41.001, Election Code, to elect the
20 appropriate number of directors.

21 (b) Three directors are elected at one election and four at
22 the next election in continuing sequence unless the number of
23 directors changes under Section 8805.055. (Acts 70th Leg., R.S.,
24 Ch. 439, Secs. 9(a), 10(b).)

25 Source Law

26 Sec. 9. (a) Every second year the board shall
27 call and hold an election on the uniform election date
28 in May provided by Section 41.001, Election Code, to
29 elect the appropriate number of directors to the
30 board.

31 [Sec. 10]

32 (b) Three directors shall be elected at one
33 election and four at the next election in continuing
34 sequence until there is a change in the number of
35 directors under Section 8 of this Act.

36 Revisor's Note

37 Section 9(a), Chapter 439, Acts of the 70th
38 Legislature, Regular Session, 1987, requires the board
39 to "call and hold" certain directors' elections. The

1 revised law omits the reference to "calling" an
2 election because, in this context, "calling" an
3 election is included in the meaning of "holding" an
4 election. Under Chapter 3, Election Code, all
5 elections must be ordered (called) before they may be
6 held.

7 Revised Law

8 Sec. 8805.053. QUALIFICATIONS FOR ELECTION. (a) To be
9 qualified for election as a director, a person must be:

10 (1) a resident of the district or proposed district;
11 and

12 (2) at least 18 years of age.

13 (b) In addition to the requirements of Subsection (a), a
14 director from a county area must be a resident of that county.

15 (Acts 70th Leg., R.S., Ch. 439, Secs. 7(a) (part), (b).)

16 Source Law

17 Sec. 7. (a) To be qualified for election as a
18 director, a person must be:

19 (1) a resident of the district or proposed
20 district;

21 (2) at least 18 years of age; and

22 . . .
23 (b) In addition to the requirements of
24 Subsection (a) of this section, a director from a
25 county area must be a resident of that county.

26 Revisor's Note

27 Section 7(a), Chapter 439, Acts of the 70th
28 Legislature, Regular Session, 1987, provides that to
29 be qualified for election as a director, a person may
30 not be disqualified by Section 36.051, Water Code. The
31 revised law omits the provision because the
32 eligibility provisions contained in Section
33 36.051(b), Water Code, apply to prospective directors
34 on their own terms. The omitted law reads:

35 (a) [To be qualified for election as
36 a director, a person must be:]

37 . . .
38 (3) not otherwise disqualified
39 by Section 36.051, Water Code.

1 Revised Law

2 Sec. 8805.054. BOARD VACANCY. (a) If a vacancy occurs in
3 the office of director, the remaining directors shall appoint a
4 replacement who meets the qualifications of Section 8805.053.

5 (b) The appointed replacement serves until the next
6 directors' election.

7 (c) If the position is not regularly scheduled to be filled
8 at the next election, the person elected to fill the position serves
9 for the remainder of the unexpired term. (Acts 70th Leg., R.S., Ch.
10 439, Sec. 8(b).)

11 Source Law

12 (b) If a vacancy occurs in the office of
13 director, the remaining directors shall select a
14 person with the qualifications as provided by Section
15 7 of this Act. The person selected serves until the
16 next directors' election. If the position is not
17 regularly scheduled to be filled at that election, the
18 person elected serves for the remainder of the
19 unexpired term.

20 Revised Law

21 Sec. 8805.055. COMPOSITION OF BOARD AND ELECTION OF
22 DIRECTORS FOLLOWING ANNEXATION. (a) When the district annexes
23 territory, the board shall change the number of directors, if
24 necessary, so that:

25 (1) an equal number of directors is elected by
26 district voters of each county; and

27 (2) one director is elected from the district at
28 large.

29 (b) If the board changes the number of directors under
30 Subsection (a), the board shall provide that, as nearly as
31 possible, half of the directors are elected at each subsequent
32 election in continuing sequence. (Acts 70th Leg., R.S., Ch. 439,
33 Sec. 8(c).)

34 Source Law

35 (c) When territory is annexed by the district,
36 the board shall, if necessary, change the number of
37 directors so that an equal number of directors is
38 elected by district voters of each county and one
39 director is elected from the district at large. The
40 board shall provide that, as nearly as possible, half
41 of the directors are elected at each subsequent

1 election in continuing sequence.

2 Revised Law

3 Sec. 8805.056. VOTE REQUIRED FOR OFFICIAL BOARD ACTION. An
4 official action of the board is not valid without the affirmative
5 vote of a majority of the directors. (Acts 70th Leg., R.S., Ch.
6 439, Sec. 12 (part).)

7 Source Law

8 Sec. 12. . . . an official action of the board
9 is not valid without the affirmative vote of a majority
10 of the members of the board.

11 Revisor's Note

12 Section 12, Chapter 439, Acts of the 70th
13 Legislature, Regular Session, 1987, provides that a
14 majority of board members constitutes a quorum for the
15 transaction of district business. The revised law
16 omits the provision because it duplicates, in
17 substance, Section 36.053, Water Code. The omitted
18 law reads:

19 Sec. 12. A majority of the members of
20 the board constitutes a quorum for the
21 transaction of business of the district,
22 but

23 Revisor's Note
24 (End of Subchapter)

25 (1) Section 6, Chapter 439, Acts of the 70th
26 Legislature, Regular Session, 1987, names the
27 temporary directors and provides for the selection of
28 officers and for filling vacancies on the temporary
29 board. Because the terms of the temporary directors
30 have expired, the revised law omits those provisions
31 as executed. The omitted law reads:

32 Sec. 6. (a) On the effective date of
33 this Act, the following persons are
34 designated as temporary directors of the
35 district:

- 36 (1) Michael Hoelscher;
37 (2) James Ripple;
38 (3) Gregory Phinney;
39 (4) Harvey Williams;
40 (5) F. G. Brown;
41 (6) Joe Brosig; and
42 (7) A. H. Denis III.

43 (b) If a vacancy occurs in the office
44 of temporary director, the remaining

1 temporary directors shall select a person
2 with the qualifications as provided by
3 Section 7 of this Act.

4 (c) The temporary directors shall
5 select from their members persons to serve
6 as chairperson, vice-chairperson, and
7 secretary.

8 (d) The temporary directors shall
9 serve until their successors are elected
10 and have qualified.

11 (2) Section 11, Chapter 439, Acts of the 70th
12 Legislature, Regular Session, 1987, provides that a
13 director is entitled to certain fees of office and
14 reimbursement for certain expenses. The revised law
15 omits the provision because it duplicates, in
16 substance, Section 36.060, Water Code. The omitted
17 law reads:

18 Sec. 11. (a) A director is entitled
19 to receive fees of office as provided by
20 Chapter 36, Water Code, for each day the
21 director spends performing the duties of a
22 director.

23 (b) Each director is entitled to
24 receive reimbursement of actual expenses
25 reasonably and necessarily incurred while
26 engaging in duties on behalf of the
27 district.

29 SUBCHAPTER C. POWERS AND DUTIES

30 Revised Law

31 Sec. 8805.101. GENERAL POWERS AND DUTIES. (a) Except to
32 the extent of any conflict with this chapter or as specifically
33 limited by this chapter, the district:

34 (1) is governed by and subject to Chapter 36 and
35 Subchapters H and I, Chapter 49, Water Code; and

36 (2) may exercise the powers provided by the chapters
37 described by Subdivision (1), including the power to issue bonds,
38 impose taxes, and exercise eminent domain authority.

39 (b) The district shall exercise the duties provided by the
40 chapters specified by Subsection (a)(1). (Acts 70th Leg., R.S.,
41 Ch. 439, Secs. 5, 14(1).)

42 Source Law

43 Sec. 5. Except to the extent of any conflict
44 with this Act or as specifically limited by this Act,
45 the district is governed by and subject to Chapter 36

1 and Subchapters H and I, Chapter 49, Water Code, and
2 may exercise all of the powers contained in these
3 chapters, including the powers to issue bonds and levy
4 and collect taxes and the power of eminent domain. The
5 district shall exercise all of the duties provided by
6 these chapters.

7 [Sec. 14]

8 (1) Except to the extent of any conflict with
9 this Act or as specifically limited by this Act, the
10 district may exercise the powers granted and shall
11 perform the duties under Chapter 36, Water Code.

12 Revisor's Note

13 Section 5, Chapter 439, Acts of the 70th
14 Legislature, Regular Session, 1987, refers to the
15 district's authority to "levy and collect" taxes. The
16 revised law substitutes "impose" for "levy and
17 collect" because "impose" is the term generally used
18 in Title 1, Tax Code, and includes the levy or
19 collection of a tax.

20 Revised Law

21 Sec. 8805.102. SEAL. The board may adopt a seal for the
22 district. (Acts 70th Leg., R.S., Ch. 439, Sec. 14(b).)

23 Source Law

24 (b) The board may adopt a seal for the district.

25 Revised Law

26 Sec. 8805.103. CONTROL, STORAGE, AND PRESERVATION OF STORM
27 AND FLOOD WATER. The district may control, store, and preserve
28 storm water and floodwater in the district and water of rivers and
29 streams in the district for:

30 (1) irrigation of arid land;

31 (2) prevention of floods and flood damage in the
32 district; and

33 (3) domestic, agricultural, and industrial use. (Acts
34 70th Leg., R.S., Ch. 439, Sec. 14(c).)

35 Source Law

36 (c) The district may control, store, and
37 preserve the storm water and floodwater in the
38 district and the water of rivers and streams in the
39 district for irrigation of arid land, prevention of
40 floods and flood damage in the district, and domestic,
41 agricultural, and industrial use.

1 Revised Law

2 Sec. 8805.104. RECLAMATION. The district may:

3 (1) reclaim land in the district; and

4 (2) construct works, facilities, and improvements
5 necessary to accomplish that purpose. (Acts 70th Leg., R.S., Ch.
6 439, Sec. 14(d).)

7 Source Law

8 (d) The district may reclaim land within the
9 district and may construct the necessary works,
10 facilities, and improvements to accomplish this
11 purpose.

12 Revised Law

13 Sec. 8805.105. SOIL CONSERVATION AND IMPROVEMENT. The
14 district may construct and maintain terraces or other structures on
15 land in the district and may engage in or promote land treatment
16 measures for soil conservation and improvement. (Acts 70th Leg.,
17 R.S., Ch. 439, Sec. 14(e).)

18 Source Law

19 (e) The district may construct and maintain
20 terraces and other structures on land in the district
21 and may engage in and promote land treatment measures
22 for soil conservation and improvement.

23 Revised Law

24 Sec. 8805.106. ACQUISITION OF PROPERTY. The district may
25 acquire land or other property necessary to carry out this chapter
26 by:

27 (1) gift;

28 (2) grant;

29 (3) devise;

30 (4) lease;

31 (5) purchase; or

32 (6) condemnation. (Acts 70th Leg., R.S., Ch. 439,
33 Sec. 14(h).)

34 Source Law

35 (h) The district may acquire by gift, grant,
36 devise, lease, purchase, or condemnation any land or
37 other property necessary to carry out this Act.

1 Revised Law

2 Sec. 8805.107. SALE AND DISPOSAL OF PROPERTY. Subject to
3 this chapter and Chapter 36, Water Code, the district may sell or
4 otherwise dispose of land and other property of the district that
5 the board determines is not necessary to carry out the purposes or
6 powers of the district. (Acts 70th Leg., R.S., Ch. 439, Sec. 14(i).)

7 Source Law

8 (i) Subject to this Act and Chapter 36, Water
9 Code, the district may sell or otherwise dispose of
10 land and other property of the district that the board
11 determines is not necessary to carry out the purposes
12 or powers of the district.

13 Revised Law

14 Sec. 8805.108. BORROWING MONEY. The district may borrow
15 money for any purpose authorized by this chapter. (Acts 70th Leg.,
16 R.S., Ch. 439, Sec. 14(k).)

17 Source Law

18 (k) The district may borrow money for any
19 purpose authorized by this Act.

20 Revised Law

21 Sec. 8805.109. APPEARANCE BEFORE RAILROAD COMMISSION. The
22 district, through the directors or the district's general manager,
23 may appear before the Railroad Commission of Texas and present
24 evidence and information relating to any pending permit application
25 for an injection well to be located in the district. (Acts 70th
26 Leg., R.S., Ch. 439, Sec. 14(j).)

27 Source Law

28 (j) The district through the members of the
29 board or its general manager may appear before the
30 Railroad Commission of Texas and present evidence and
31 information relating to any pending permit application
32 for an injection well to be located within the
33 district.

34 Revisor's Note
35 (End of Subchapter)

36 (1) Section 14(a), Chapter 439, Acts of the 70th
37 Legislature, Regular Session, 1987, provides that the
38 board may enter into contracts as provided by Chapter
39 36, Water Code, and that contracts shall be executed in
40 the name of the district. The revised law omits that

1 provision because Section 36.067, Water Code, which
2 addresses contracts, applies to the district under
3 Section 8805.101 and on its own terms, and Section
4 36.067(a), Water Code, specifies that the district
5 shall enter into contracts in the name of the district.

6 The omitted law reads:

7 Sec. 14. (a) The board may enter
8 into contracts as provided by Chapter 36,
9 Water Code, and those contracts shall be
10 executed by the board in the name of the
11 district.

12 (2) Section 14(f), Chapter 439, Acts of the 70th
13 Legislature, Regular Session, 1987, provides that the
14 district may construct or acquire and improve and
15 maintain certain facilities and improvements. The
16 revised law omits the provision because it duplicates,
17 in substance, Section 49.211(b), Water Code, which
18 applies to the district under Section 8805.101 of this
19 chapter. The omitted law reads:

20 (f) The district may construct or
21 acquire and improve and maintain works,
22 facilities, and improvements necessary to
23 carry out the purposes, powers, and plans of
24 the district.

25 (3) Section 14(g), Chapter 439, Acts of the 70th
26 Legislature, Regular Session, 1987, provides that the
27 district may construct and acquire works, facilities,
28 and improvements as provided by Chapter 36, Water
29 Code. The revised law omits the provision because it
30 duplicates, in substance, Section 36.103, Water Code.
31 The omitted law reads:

32 (g) The district may construct and
33 acquire works, facilities, and improvements
34 in the manner provided by Chapter 36, Water
35 Code.

36 Revisor's Note
37 (End of Chapter)

38 (1) Section 17, Chapter 439, Acts of the 70th
39 Legislature, Regular Session, 1987, recites
40 legislative findings regarding procedural

1 requirements for legislation affecting the district
2 under the constitution and other laws and rules,
3 including proper legal notice and the filing of
4 recommendations. The revised law omits those
5 provisions as executed. The omitted law reads:

6 Sec. 17. The legislature finds that
7 proper and legal notice of the intention to
8 introduce this Act, setting forth the
9 general substance of this Act, has been
10 published as provided by law, and the notice
11 and a copy of this Act have been furnished
12 to all persons, agencies, officials, or
13 entities to which they are required to be
14 furnished by the constitution and laws of
15 this state, including the Governor of
16 Texas, who has submitted the notice and Act
17 to the Texas Water Commission. Also, the
18 legislature finds that the Texas Water
19 Commission has filed its recommendations
20 relating to this Act with the governor,
21 lieutenant governor, and speaker of the
22 house of representatives, within the
23 required time. All requirements of the
24 constitution and laws of this state and the
25 rules and procedures of the legislature
26 with respect to the notice, introduction,
27 and passage of this Act have been fulfilled
28 and accomplished.

29 (2) Sections 7 and 8, Chapter 1310, Acts of the
30 77th Legislature, Regular Session, 2001, validate
31 certain actions of the district taken before June 16,
32 2001. Those provisions are omitted from the revised
33 law because they served their purposes on the day they
34 took effect and are executed law. Section
35 311.031(a)(2), Government Code (Code Construction
36 Act), provides that the repeal of a statute does not
37 affect any validation previously made under the
38 statute. Therefore, the omission of the executed
39 validation provision does not affect the validation.
40 The omitted law reads:

41 Sec. 7. The following acts of the
42 Lipan-Kickapoo Water Conservation District
43 are validated and confirmed in all respects
44 as if the actions had been taken as
45 authorized by law:

46 (1) all acts and governmental
47 proceedings of the district taken before
48 the effective date of this Act, including
49 the adoption of rules, the approval or
50 issuance of water well drilling permits,

1 and annexations of land;
 2 (2) all bonds and other
 3 obligations of the district authorized or
 4 issued before the effective date of this
 5 Act, including all proceedings taken before
 6 the effective date of this Act that are
 7 related to those bonds or other
 8 obligations; and
 9 (3) all directors of the
 10 district whether elected or appointed who
 11 took office before the effective date of
 12 this Act.
 13 Sec. 8. Section 7 of this Act does
 14 not apply to any act, proceeding, director,
 15 bond, or obligation the validity of which or
 16 of whom is the subject of litigation that is
 17 pending on the effective date of this Act.

1 CHAPTER 8809. ANDERSON COUNTY UNDERGROUND WATER CONSERVATION

2 DISTRICT

3 SUBCHAPTER A. GENERAL PROVISIONS

4 Revised Law

5 Sec. 8809.001. DEFINITIONS. In this chapter:

6 (1) "Board" means the district's board of directors.

7 (2) "Director" means a board member.

8 (3) "District" means the Anderson County Underground
9 Water Conservation District. (Acts 70th Leg., R.S., Ch. 992, Sec.
10 1; New.)

11 Source Law

12 Sec. 1. In this Act:

13 (1) "District" means the Anderson County
14 Underground Water Conservation District.

15 (2) "Board" means the district's board of
16 directors.

17 Revisor's Note

18 The definition of "director" is added to the
19 revised law for drafting convenience and to eliminate
20 frequent, unnecessary repetition of the substance of
21 the definition.

22 Revised Law

23 Sec. 8809.002. NATURE OF DISTRICT. The district is created
24 under Section 59, Article XVI, Texas Constitution. (Acts 70th
25 Leg., R.S., Ch. 992, Sec. 2 (part).)

26 Source Law

27 Sec. 2. . . . the Anderson County Underground
28 Water Conservation District is created under the
29 authority of Article XVI, Section 59, of the Texas
30 Constitution.

31 Revisor's Note

32 Section 2, Chapter 992, Acts of the 70th
33 Legislature, Regular Session, 1987, refers to an
34 election to approve the creation of the district.
35 Because the election has already been held, the
36 revised law omits the provision as executed. The
37 omitted law reads:

38 Sec. 2. Subject to approval at an

1 election required by Section 11 of this Act,
2

3 Revised Law

4 Sec. 8809.003. LEGISLATIVE FINDINGS. The legislature finds
5 that:

6 (1) the creation of the district is feasible and
7 practicable;

8 (2) the district will benefit the land in the
9 district;

10 (3) there is a public necessity for the district; and

11 (4) the district will provide a public use and
12 benefit. (Acts 70th Leg., R.S., Ch. 992, Sec. 3.)

13 Source Law

14 Sec. 3. The legislature finds that:

15 (1) the creation of the district is
16 feasible and practicable;

17 (2) the district will be a benefit to the
18 land contained within the boundaries of the district;

19 (3) there is a public necessity for the
20 district; and

21 (4) the district will provide a benefit
22 and utility to the public.

23 Revised Law

24 Sec. 8809.004. DISTRICT TERRITORY. The district is
25 composed of the territory described by Section 4, Chapter 992, Acts
26 of the 70th Legislature, Regular Session, 1987, as that territory
27 may have been modified under:

28 (1) Subchapter J, Chapter 36, Water Code; or

29 (2) other law. (New.)

30 Revisor's Note

31 The revision of the law governing the district
32 does not revise the statutory language describing the
33 territory of the district to avoid the lengthy
34 recitation of the description. Additionally, because
35 the district's boundaries are subject to change, that
36 description may not be accurate on the effective date
37 of the revision or at the time of a later reading. For
38 the reader's convenience, the revised law includes a
39 reference to the statutory description of the

1 district's territory and to the authority to change the
2 district's territory under Subchapter J, Chapter 36,
3 Water Code, applicable to groundwater conservation
4 districts. The revised law also includes a reference
5 to the general authority of the legislature to enact
6 other laws to change the district's territory.

7 Revisor's Note
8 (End of Subchapter)

9 Section 11, Chapter 992, Acts of the 70th
10 Legislature, Regular Session, 1987, provides
11 procedures for holding an election to confirm the
12 district's creation and to elect the district's initial
13 board. Because the district has been confirmed and its
14 initial directors have been elected, the revised law
15 omits those provisions as executed. The omitted law
16 reads:

17 Sec. 11. (a) Not later than the 60th
18 day after the effective date of this Act,
19 the temporary directors shall meet and
20 shall call an election to be held not later
21 than the 120th day after the effective date
22 of this Act within the boundaries of the
23 proposed district to approve the creation
24 of the district.

25 (b) Subsection (a), Section 41.001,
26 Election Code, does not apply to an election
27 called under this section.

28 (c) The propositions to be voted on
29 shall include the question of whether the
30 establishment of the district is confirmed
31 and the election of the board.

32 (d) The temporary directors shall
33 publish notice of the election two times in
34 one or more newspapers of general
35 circulation within the boundaries of the
36 proposed district. The notice must be
37 published not later than the 30th day and
38 the 10th day preceding the date of the
39 election.

40 (e) Returns of the election shall be
41 made to the temporary directors who shall
42 canvass the returns and declare the results
43 of the election.

44 (f) If the creation of the district
45 is defeated, all of the propositions
46 relating to the district are defeated and
47 another election may not be called and held
48 during the 12-month period immediately
49 following the date on which the most recent
50 election on the proposition or propositions
51 was held. If the district is not created
52 within five years after the effective date
53 of this Act, this Act expires.

1 (g) Except as specifically provided
2 by this section, an election under this Act
3 is governed by the Election Code.

4 [Sections 8809.005-8809.050 reserved for expansion]

5 SUBCHAPTER B. BOARD OF DIRECTORS

6 Revised Law

7 Sec. 8809.051. COMPOSITION OF BOARD; TERMS. (a) The board
8 is composed of nine directors.

9 (b) Directors serve staggered four-year terms. (Acts 70th
10 Leg., R.S., Ch. 992, Secs. 8, 10(a), (b) (part).)

11 Source Law

12 Sec. 8. The board of the district is composed of
13 nine members.

14 Sec. 10. (a) Except for the initial directors
15 of the district, directors shall serve four-year terms
16 of office.

17 (b) . . . After the second regular directors'
18 election, four directors shall be elected at one
19 election and five at the next election in continuing
20 sequence.

21 Revisor's Note

22 Section 10(a), Chapter 992, Acts of the 70th
23 Legislature, Regular Session, 1987, provides that,
24 except for the initial directors, directors serve
25 four-year terms of office. The revised law omits the
26 reference to the initial directors because the terms
27 of office of those directors have expired.

28 Revised Law

29 Sec. 8809.052. ELECTION DATE. Every two years, an election
30 shall be held on the uniform election date in May to elect the
31 appropriate number of directors. (Acts 70th Leg., R.S., Ch. 992,
32 Sec. 9.)

33 Source Law

34 Sec. 9. Beginning in the second year following
35 the creation election, an election shall be held on the
36 third Saturday in May every two years to elect the
37 appropriate number of directors to the board.

38 Revisor's Note

39 Section 9, Chapter 992, Acts of the 70th
40 Legislature, Regular Session, 1987, which took effect
41 June 19, 1987, requires directors' elections to be held

1 on the "third Saturday in May." At the time that act
2 took effect, Section 41.001, Election Code, provided
3 for a uniform election date for all political
4 subdivisions of the first Saturday in April. Chapter
5 14, Acts of the 69th Legislature, 3rd Called Session,
6 1986, which took effect September 1, 1987, amended
7 Section 41.001 by substituting for the uniform
8 election date in April a uniform election date of the
9 third Saturday in May. Chapter 60, Acts of the 70th
10 Legislature, 2nd Called Session, 1987, amended Section
11 41.001 to change the uniform election date in May to
12 the first Saturday in May. Section 4(b), Chapter 60,
13 provides that a political subdivision created by an
14 act of the 70th Legislature, 1987, with a general
15 election date of the third Saturday in May shall hold
16 the general election on the first Saturday in May, the
17 uniform election date. Accordingly, the district was
18 required to hold elections on what was then the uniform
19 election date in May. Chapter 1315, Acts of the 78th
20 Legislature, Regular Session, 2003, amended Section
21 41.001 to change the uniform election date in May back
22 to the third Saturday in May. Chapter 1, Acts of the
23 78th Legislature, 3rd Called Session, 2003, amended
24 Section 41.001 to change the uniform election date in
25 May back to the first Saturday in May. Chapter 471,
26 Acts of the 79th Legislature, Regular Session, 2005,
27 amended Section 41.001 to change the uniform election
28 date in May to the second Saturday in May. The revised
29 law substitutes "uniform election date in May" for
30 "third Saturday in May" to reflect those changes and to
31 preserve the legislative intent that the election be
32 held on the uniform election date in May.

33 Revised Law

34 Sec. 8809.053. QUALIFICATIONS FOR ELECTION. To be

1 qualified for election as a director, a person must be:

2 (1) a resident of the district; and

3 (2) at least 18 years of age. (Acts 70th Leg., R.S.,
4 Ch. 992, Sec. 7.)

5 Source Law

6 Sec. 7. To be qualified for election as a
7 director, a person must be:

8 (1) a resident of the district or proposed
9 district;

10 (2) at least 18 years of age; and

11 (3) not otherwise disqualified by Section
12 50.026, Water Code.

13 Revisor's Note

14 Section 7, Chapter 992, Acts of the 70th
15 Legislature, Regular Session, 1987, provides that to
16 be qualified for election as a director a person must
17 be not otherwise disqualified by Section 50.026, Water
18 Code. Chapter 715, Acts of the 74th Legislature,
19 Regular Session, 1995, repealed Chapter 50, Water
20 Code, and enacted Chapter 49, Water Code. Section
21 49.052, Water Code, is substantively similar to former
22 Section 50.026, Water Code. However, the revised law
23 does not substitute a reference to Section 49.052,
24 Water Code, because Chapter 49, Water Code, does not
25 apply to the district.

26 Section 36.052, Water Code, which applies to the
27 district (see Revisor's Note (1) to Section 8809.101),
28 provides that other laws governing the administration
29 or operation of districts created under Section 52,
30 Article III, or Section 59, Article XVI, Texas
31 Constitution, do not apply to any district governed by
32 Chapter 36. Furthermore, Section 49.001(a)(1), Water
33 Code, provides that, as used in Chapter 49, "district"
34 does not include any conservation and reclamation
35 district governed by Chapter 36 unless a special law
36 creating the district or amending the law creating the
37 district states that Chapter 49 applies to that

1 district, and Section 49.002(b), Water Code, provides
2 that Chapter 49 does not apply to a district governed
3 by Chapter 36 unless a special law creating the
4 district or amending the law creating the district
5 states that Chapter 49 applies to that district.

6 Because the district is governed by Chapter 36,
7 Water Code, and the special law creating the district
8 does not state that Chapter 49, Water Code, applies to
9 the district, Chapter 49, Water Code, does not apply to
10 the district. Accordingly, the revised law does not
11 substitute a reference to Section 49.052, Water Code,
12 for the reference to Section 50.026, Water Code.

13 Revised Law

14 Sec. 8809.054. BOARD RESOLUTIONS; VOTING REQUIREMENTS. (a)
15 The district shall act by resolutions adopted by the board.

16 (b) All directors are entitled to vote.

17 (c) The affirmative vote of a majority of the board is
18 necessary to adopt a resolution. (Acts 70th Leg., R.S., Ch. 992,
19 Secs. 13(a) (part), (b).)

20 Source Law

21 Sec. 13. (a) . . . all regular directors have
22 a vote.

23 (b) The district shall act and proceed by
24 resolution adopted by the board, and an affirmative
25 vote of a majority of the board is necessary to adopt
26 any resolution.

27 Revisor's Note

28 (1) Section 13(a), Chapter 992, Acts of the 70th
29 Legislature, Regular Session, 1987, provides that a
30 majority of the directors constitutes a quorum. The
31 revised law omits that provision because it
32 duplicates, in substance, Section 36.053, Water Code,
33 which applies to the district under Section 8809.101
34 of this chapter and Section 36.001(1), Water Code. The
35 omitted law reads:

36 Sec. 13. (a) A majority of the
37 members of the board constitutes a quorum,
38 and

1 (2) Section 13(a), Chapter 992, Acts of the 70th
2 Legislature, Regular Session, 1987, refers to
3 "regular" directors. The revised law omits "regular"
4 because the term does not add to the clear meaning of
5 the law.

6 Revised Law

7 Sec. 8809.055. NOTICE OF MEETINGS. The board must publish
8 notice in a newspaper of general circulation in the district not
9 later than the fifth day before the date the board is scheduled to
10 meet. (Acts 70th Leg., R.S., Ch. 992, Sec. 14.)

11 Source Law

12 Sec. 14. The board must publish notice in a
13 newspaper of general circulation in the district not
14 later than the fifth day before the date the board is
15 scheduled to meet.

16 Revisor's Note
17 (End of Subchapter)

18 (1) Section 6, Chapter 992, Acts of the 70th
19 Legislature, Regular Session, 1987, names the
20 temporary directors, provides for filling vacancies on
21 the temporary board, requires the temporary directors
22 to select officers, and requires the temporary
23 directors to serve until their successors are elected
24 and have qualified. Because the terms of the temporary
25 directors have expired, the revised law omits those
26 provisions as executed. The omitted law reads:

27 Sec. 6. (a) On the effective date of
28 this Act, the following persons are
29 designated as temporary directors of the
30 district:

- 31 (1) Oren Williams
32 (2) Joe Grumbles, Sr.
33 (3) Dickie Douglas
34 (4) Bill Green
35 (5) Wayne Barrett
36 (6) Robert Humphrey
37 (7) Hugh Dublin, Jr.
38 (8) Roland Higginbotham, Sr.
39 (9) Delia Ricard

40 (b) If a vacancy occurs in the office
41 of temporary director, the remaining
42 temporary directors shall select a person
43 with the qualifications as provided by
44 Section 7 of this Act.

45 (c) The temporary directors shall
46 select from their members persons to serve

1 as chairperson, vice-chairperson, and
2 secretary.

3 (d) The temporary directors shall
4 serve until their successors are elected
5 and have qualified.

6 (2) Section 10(b), Chapter 992, Acts of the 70th
7 Legislature, Regular Session, 1987, provides for the
8 terms of office of the initial directors. The revised
9 law omits those provisions as executed because the
10 terms of the initial directors have expired. The
11 omitted law reads:

12 (b) The five initial directors
13 receiving the highest number of votes at the
14 confirmation election shall serve as
15 directors until the five persons elected at
16 the second regular directors' election have
17 qualified, and the other four initial
18 directors shall serve until the four
19 persons elected at the first regular
20 directors' election have qualified. . . .

22 SUBCHAPTER C. POWERS AND DUTIES

23 Revised Law

24 Sec. 8809.101. GROUNDWATER CONSERVATION DISTRICT POWERS
25 AND DUTIES. Except to the extent of any conflict with this chapter
26 or as specifically limited by this chapter, the district is
27 governed by and subject to Chapter 36, Water Code, and has the
28 powers and duties provided by Chapter 36, Water Code. (Acts 70th
29 Leg., R.S., Ch. 992, Sec. 5 (part).)

30 Source Law

31 Sec. 5. Except to the extent of any conflict
32 with this Act or as specifically limited by this Act,
33 the district is governed by and subject to Chapter 52,
34 Water Code, and has all the powers, duties,
35 authorities, and responsibilities provided by Chapter
36 52, Water Code,

37 Revisor's Note

38 (1) Section 5, Chapter 992, Acts of the 70th
39 Legislature, Regular Session, 1987, refers to "Chapter
40 52, Water Code." Chapter 933, Acts of the 74th
41 Legislature, Regular Session, 1995, repealed Chapter
42 52, Water Code, and enacted Chapter 36, Water Code.
43 The revised law is drafted accordingly.

1 Tax Code, and includes the levy of a tax.

2 Revised Law

3 Sec. 8809.103. REGULATION OF GROUNDWATER PUMPING AND USE.

4 The district may:

5 (1) prohibit the pumping or use of groundwater if the
6 district determines that the pumping would present an unreasonable
7 risk of pollution; or

8 (2) limit the pumping of groundwater to uses
9 determined by the board to benefit the district. (Acts 70th Leg.,
10 R.S., Ch. 992, Secs. 12(a), (b).)

11 Source Law

12 Sec. 12. (a) The district may prohibit the
13 pumping or use of groundwater if the district
14 determines that the pumping would present an
15 unreasonable risk of pollution.

16 (b) The district may limit the pumping of
17 groundwater to uses determined by the board to benefit
18 the district.

19 Revised Law

20 Sec. 8809.104. PURCHASE OF WATER BY INJECTION WELL PERMIT
21 HOLDER. The district may require persons holding a permit for an
22 injection well to purchase water from the district. (Acts 70th
23 Leg., R.S., Ch. 992, Sec. 12(c).)

24 Source Law

25 (c) The district may require persons holding a
26 permit for an injection well to purchase water from the
27 district.

28 Revised Law

29 Sec. 8809.105. DISPOSAL OF SALT DOME LEACHATE. The
30 district may:

31 (1) adopt rules for the disposal of salt dome leachate
32 in the district; or

33 (2) require the disposal of salt dome leachate outside
34 the district. (Acts 70th Leg., R.S., Ch. 992, Sec. 12(d).)

35 Source Law

36 (d) The district may adopt regulations for the
37 disposal of salt dome leachate in the district or may
38 require disposal of salt dome leachate outside the
39 district.

1 Revisor's Note

2 Section 12(d), Chapter 992, Acts of the 70th
3 Legislature, Regular Session, 1987, refers to
4 "regulations" adopted by the district. The revised
5 law substitutes "rules" for "regulations" because, in
6 context, the terms are synonymous and under Section
7 311.005(5), Government Code, a rule is defined to
8 include a regulation.

9 Revised Law

10 Sec. 8809.106. WATER WELL FEES. (a) The district shall
11 impose a fee on each water well at the time a permit is first issued
12 and may impose an annual fee on each well.

13 (b) The amount of a well fee must be set according to:

- 14 (1) the size of the column pipe used in the well;
15 (2) the production capacity of the well; or
16 (3) the amount of water produced.

17 (c) The board shall adopt rules relating to the rates for
18 the fees.

19 (d) The board may:

- 20 (1) adopt rules classifying the types of uses made of
21 groundwater in the district; and
22 (2) use the classifications to determine, in part, the
23 amount of fees to be imposed under this section.

24 (e) The district may use money collected from fees to manage
25 and operate the district. (Acts 70th Leg., R.S., Ch. 992, Sec. 15.)

26 Source Law

27 Sec. 15. (a) The district shall impose a fee on
28 each water well at the time a permit is first issued
29 and the district may impose an annual fee on each well.

30 (b) The amount of a well fee imposed by the
31 district must be set according to:

- 32 (1) the size of the column pipe used in the
33 water well;
34 (2) the production capacity of the well;
35 or
36 (3) the amount of water produced.

37 (c) The board shall adopt rules relating to the
38 rates for the fee.

39 (d) The district may adopt rules classifying the
40 types of uses made of groundwater in the district and
41 may use the classifications to determine, in part, the
42 amount of fees to be imposed under this section.

1 (e) The money collected from fees may be used by
2 the district to manage and operate the district.

3 Revised Law

4 Sec. 8809.107. DISSOLUTION OF DISTRICT. The district may
5 be dissolved as provided by Subchapter P, Chapter 51, Water Code.
6 (Acts 70th Leg., R.S., Ch. 992, Sec. 16.)

7 Source Law

8 Sec. 16. The district may be dissolved as
9 provided by Subchapter P, Chapter 51, Water Code.

10 Revisor's Note
11 (End of Chapter)

12 Section 17, Chapter 992, Acts of the 70th
13 Legislature, Regular Session, 1987, recites
14 legislative findings regarding procedural
15 requirements for legislation affecting the district
16 under the constitution and other laws and rules,
17 including proper legal notice and the filing of
18 recommendations. The revised law omits those
19 provisions as executed. The omitted law reads:

20 Sec. 17. The legislature finds that
21 proper and legal notice of the intention to
22 introduce this Act, setting forth the
23 general substance of this Act, has been
24 published as provided by law, and the notice
25 and a copy of this Act have been furnished
26 to all persons, agencies, officials, or
27 entities to which they are required to be
28 furnished by the constitution and laws of
29 this state, including the Governor of
30 Texas, who has submitted the notice and Act
31 to the Texas Water Commission. Also, the
32 legislature finds that the Texas Water
33 Commission has filed its recommendations
34 relating to this Act with the governor,
35 lieutenant governor, and speaker of the
36 house of representatives, within the
37 required time. All requirements of the
38 constitution and laws of this state and the
39 rules and procedures of the legislature
40 with respect to the notice, introduction,
41 and passage of this Act have been fulfilled
42 and accomplished.

14 CHAPTER 8814. STERLING COUNTY UNDERGROUND WATER CONSERVATION

15 DISTRICT

16 SUBCHAPTER A. GENERAL PROVISIONS

17 Revised Law

18 Sec. 8814.001. DEFINITIONS. In this chapter:

- 19 (1) "Board" means the district's board of directors.
- 20 (2) "Director" means a board member.
- 21 (3) "District" means the Sterling County Underground

22 Water Conservation District. (Acts 70th Leg., R.S., Ch. 915, Sec.
23 2; New.)

24 Source Law

25 Sec. 2. In this Act, "district" means the
26 Sterling County Underground Water Conservation
27 District.

28 Revisor's Note

29 The definitions of "board" and "director" are
30 added to the revised law for drafting convenience and
31 to eliminate frequent, unnecessary repetition of the
32 substance of the definitions.

33 Revised Law

34 Sec. 8814.002. NATURE OF DISTRICT. The district is created
35 under Section 59, Article XVI, Texas Constitution, to provide for

1 the conservation, preservation, protection, recharge, and
2 prevention of waste and pollution of the district's groundwater and
3 surface water, consistent with the objectives of Section 59,
4 Article XVI, Texas Constitution, and Chapter 36 and Subchapters H
5 and I, Chapter 49, Water Code. (Acts 70th Leg., R.S., Ch. 915,
6 Secs. 1 (part), 29.)

7 Source Law

8 Sec. 1. . . . the Sterling County Underground
9 Water Conservation District is created pursuant to
10 Article XVI, Section 59, of the Texas Constitution.

11 Sec. 29. The district is created to provide for
12 the conservation, preservation, protection, recharge,
13 and prevention of waste and pollution of the
14 groundwater and surface water of the district
15 consistent with the objectives of Article XVI, Section
16 59, of the Texas Constitution, and Chapter 36 and
17 Subchapters H and I, Chapter 49, Water Code.

18 Revisor's Note

19 Section 1, Chapter 915, Acts of the 70th
20 Legislature, Regular Session, 1987, refers to a
21 confirmation election. Because the confirmation
22 election has already been held, the revised law omits
23 the provision as executed. The omitted law reads:

24 Sec. 1. On approval at the election
25 called and held under Section 6 of this Act,
26

27 Revised Law

28 Sec. 8814.003. LEGISLATIVE FINDINGS. The legislature finds
29 that:

30 (1) the organization of the district is feasible and
31 practicable;

32 (2) the land to be included in and the residents of the
33 district will benefit from the creation of the district;

34 (3) there is a public necessity for the district; and

35 (4) the creation of the district will further the
36 public welfare. (Acts 70th Leg., R.S., Ch. 915, Sec. 3.)

37 Source Law

38 Sec. 3. The legislature finds that:
39 (1) the organization of the district is
40 feasible and practicable;
41 (2) the land to be included in and the

1 residents of the district will be benefited by the
2 creation of the district;

3 (3) there is a public necessity for the
4 district; and

5 (4) the creation of the district will
6 further the public welfare.

7 Revised Law

8 Sec. 8814.004. DISTRICT TERRITORY. The district is
9 composed of the territory in Sterling County unless the district's
10 territory has been modified under:

11 (1) Subchapter J or K, Chapter 36, Water Code; or

12 (2) other law. (Acts 70th Leg., R.S., Ch. 915, Sec. 4;
13 New.)

14 Source Law

15 Sec. 4. The district is composed of all the
16 territory located within Sterling County and any
17 additional territory annexed to or consolidated with
18 the district.

19 Revisor's Note

20 Section 4, Chapter 915, Acts of the 70th
21 Legislature, Regular Session, 1987, provides that the
22 district is composed of the territory in Sterling
23 County and "any additional territory annexed to or
24 consolidated with the district." For the reader's
25 convenience, the revised law substitutes for the
26 quoted language a reference to the authority to add
27 territory to the district under Subchapter J, Chapter
28 36, Water Code, and to consolidate territory with the
29 district under Subchapter K, Chapter 36, Water Code,
30 which are applicable to groundwater conservation
31 districts, and a reference to the general authority of
32 the legislature to enact other laws to change the
33 district's territory.

34 Revised Law

35 Sec. 8814.005. DISTRICT NAME CHANGE. The board may change
36 the name of the district if additional territory is annexed to or
37 consolidated with the district. (Acts 70th Leg., R.S., Ch. 915,
38 Sec. 28.)

1 procedures for holding an election to confirm the
2 district's creation. Because the district has been
3 confirmed, the revised law omits the provision as
4 executed. The omitted law reads:

5 Sec. 6. (a) Not later than the 30th
6 day after the effective date of this Act,
7 the temporary directors shall meet and
8 shall call an election to be held not later
9 than the 120th day after the effective date
10 of this Act within the boundaries of the
11 proposed district to approve the creation
12 of the district.

13 (b) Section 41.001(a), Election
14 Code, does not apply to an election under
15 this section.

16 (c) The temporary directors shall
17 publish notice of the election at least one
18 time in a newspaper or newspapers that have
19 general circulation within the boundaries
20 of the proposed district. The notice must be
21 published before the 30th day preceding the
22 date of the election.

23 (d) The ballot for the election must
24 be printed to provide for voting for or
25 against the proposition: "The creation of
26 the Sterling County Underground Water
27 Conservation District."

28 (e) If a majority of the votes cast at
29 the election favor the creation of the
30 district, the temporary directors shall
31 declare the district created and shall
32 enter the results in its minutes. If a
33 majority of the votes cast at the election
34 are against the creation of the district,
35 the temporary directors shall declare the
36 district defeated and shall enter the
37 results in its minutes. The temporary
38 directors shall file a copy of the election
39 results with the Texas Water Commission.

40 (f) If the creation of the district
41 is defeated, further elections may be
42 called by the temporary directors to create
43 the district, but another election to
44 confirm creation of the district may not be
45 called and held before the first
46 anniversary of the most recent creation
47 election. If the district is not created
48 within five years after the effective date
49 of this Act, this Act expires.

50 (g) Except as specifically provided
51 by this section, a creation election is
52 governed by the Election Code.

53 (2) Section 26, Chapter 915, Acts of the 70th
54 Legislature, Regular Session, 1987, refers to the
55 continuing right of this state to supervise the
56 district through the Texas Water Commission. The
57 revised law omits the provision because the Texas
58 Commission on Environmental Quality is the successor

1 to the Texas Water Commission, and therefore the
2 provision duplicates, in substance, part of Section
3 12.081, Water Code, which applies to the district. The
4 omitted law reads:

5 Sec. 26. The district is subject to
6 the continuing right of supervision by the
7 State of Texas to be exercised by the Texas
8 Water Commission under this Act and the
9 Water Code.

10 (3) Section 31(b), Chapter 915, Acts of the 70th
11 Legislature, Regular Session, 1987, provides that if
12 there is a conflict between the act and Chapter 36,
13 Water Code, the act controls. The revised law omits
14 that provision because it duplicates, in substance,
15 Section 311.026, Government Code (Code Construction
16 Act), and it duplicates part of Section 36.052(a),
17 Water Code, which provides that a "special law
18 governing a specific district" prevails over Chapter
19 36. Throughout this chapter, the revised law omits law
20 that duplicates law contained in Chapter 36, Water
21 Code, which applies to the district under Section
22 8814.101 of this chapter and Section 36.001(1), Water
23 Code. The omitted law reads:

24 (b) If there is a conflict between
25 this Act and Chapter 36, Water Code, this
26 Act controls.

27 [Sections 8814.008-8814.050 reserved for expansion]

28 SUBCHAPTER B. DISTRICT ADMINISTRATION

29 Revised Law

30 Sec. 8814.051. COMPOSITION OF BOARD; TERMS. (a) The board
31 is composed of five directors.

32 (b) Directors serve staggered four-year terms.

33 (c) A director takes office at the first regular meeting of
34 the board following the director's election to the board. (Acts
35 70th Leg., R.S., Ch. 915, Secs. 8(a), 11, 12.)

36 Source Law

37 Sec. 8. (a) The board of directors of the
38 district is composed of five members.

1 Sec. 11. Except for the initial directors of the
2 district, directors shall serve for staggered
3 four-year terms.

4 Sec. 12. A director takes office at the first
5 regular meeting of the board following election to the
6 board.

7 Revisor's Note

8 Section 11, Chapter 915, Acts of the 70th
9 Legislature, Regular Session, 1987, provides that,
10 except for the initial directors, directors serve
11 four-year terms of office. The revised law omits the
12 reference to the initial directors because the terms
13 of office of those directors have expired.

14 Revised Law

15 Sec. 8814.052. ELECTION OF DIRECTORS. One director is
16 elected from the district at large. One director is elected from
17 each county commissioners precinct. (Acts 70th Leg., R.S., Ch.
18 915, Sec. 8(b).)

19 Source Law

20 (b) One director shall be elected from the
21 district at large and one director shall be elected
22 from each county commissioner precinct.

23 Revised Law

24 Sec. 8814.053. ELECTION DATE. Every two years, an election
25 shall be held on the uniform election date in May to elect the
26 appropriate number of directors. (Acts 70th Leg., R.S., Ch. 915,
27 Sec. 10.)

28 Source Law

29 Sec. 10. Beginning in the year following the
30 creation election, an election shall be held on the
31 uniform election day in May every two years to elect
32 the appropriate number of directors to the board.

33 Revised Law

34 Sec. 8814.054. QUALIFICATIONS FOR ELECTION; ELIGIBILITY TO
35 SERVE. (a) To be qualified for election as a director, a person
36 must be:

37 (1) a resident of the district; and

38 (2) at least 18 years of age.

39 (b) In addition to the requirements of Subsection (a), a

1 person who is a director from a county commissioners precinct must
2 be a resident of that precinct unless the composition of the board
3 is changed by annexation or consolidation. (Acts 70th Leg., R.S.,
4 Ch. 915, Sec. 9.)

5 Source Law

6 Sec. 9. (a) To be qualified for election as a
7 director, a person must be a resident of the district
8 and must be at least 18 years of age.

9 (b) In addition to the requirements of
10 Subsection (a) of this section, a person who is a
11 director from a county commissioner precinct must be a
12 resident of that precinct unless the composition of
13 the board is changed by annexation or consolidation.

14 Revised Law

15 Sec. 8814.055. BOARD VACANCY. If a vacancy occurs in the
16 office of director, the remaining directors shall appoint a
17 director for the unexpired term. (Acts 70th Leg., R.S., Ch. 915,
18 Sec. 13.)

19 Source Law

20 Sec. 13. A vacancy on the board is filled by
21 appointment of the remaining members of the board for
22 the unexpired term.

23 Revised Law

24 Sec. 8814.056. COMPOSITION OF BOARD FOLLOWING ANNEXATION OR
25 CONSOLIDATION. If the district annexes territory or consolidates
26 with another district, the board shall determine the composition of
27 the board in a manner that is equitable for the residents of the
28 district as provided by Chapter 36, Water Code. (Acts 70th Leg.,
29 R.S., Ch. 915, Sec. 8(c).)

30 Source Law

31 (c) In the event of annexation of territory or
32 consolidation with another district, the board of
33 directors of the district shall determine the
34 composition of the board in a manner that is equitable
35 for the residents of the district as provided by
36 Chapter 36, Water Code.

37 Revised Law

38 Sec. 8814.057. COMPENSATION; EXPENSES. (a) A director or
39 officer serves without compensation but may be reimbursed for
40 actual expenses incurred in the performance of official duties.

41 (b) The expenses described by Subsection (a) must be:

- 1 (1) reported in the district's records; and
2 (2) approved by the board. (Acts 70th Leg., R.S., Ch.
3 915, Sec. 15.)

4 Source Law

5 Sec. 15. Directors and officers serve without
6 compensation but may be reimbursed for actual expenses
7 incurred in the performance of official duties. Those
8 expenses must be reported in the district's minutes
9 book or district records and must be approved by the
10 board.

11 Revisor's Note

12 Section 15, Chapter 915, Acts of the 70th
13 Legislature, Regular Session, 1987, requires that
14 approved expenses be reported in the "district's
15 minutes book or district records." The revised law
16 omits the reference to the "district's minutes book"
17 because the district's minutes book is a district
18 record.

19 Revised Law

20 Sec. 8814.058. VOTE REQUIRED FOR OFFICIAL BOARD ACTION. An
21 official action of the board is not valid without the affirmative
22 vote of a majority of the directors. (Acts 70th Leg., R.S., Ch.
23 915, Sec. 17 (part).)

24 Source Law

25 Sec. 17. . . . official actions of the board are
26 not valid without the affirmative vote of a majority of
27 the members of the board.

28 Revisor's Note

29 Section 17, Chapter 915, Acts of the 70th
30 Legislature, Regular Session, 1987, provides that a
31 majority of the directors constitutes a quorum for the
32 transaction of district business. The revised law
33 omits the provision because it duplicates, in
34 substance, Section 36.053, Water Code. The omitted
35 law reads:

36 Sec. 17. A majority of the members of
37 the board constitute a quorum for the
38 transaction of business of the district,
39 but

1 Revised Law

2 Sec. 8814.059. OFFICERS. (a) After each directors'
3 election, the board shall:

4 (1) hold a regular meeting at the district office; and

5 (2) organize by electing from the directors a
6 president, a vice president, and a secretary.

7 (b) A person selected to serve as president, vice president,
8 or secretary serves in that capacity for a two-year term.

9 (c) The president, vice president, and secretary shall
10 perform the duties and may exercise the powers specifically
11 provided by this chapter or by order of the board. (Acts 70th Leg.,
12 R.S., Ch. 915, Secs. 16(a), (b), (d).)

13 Source Law

14 Sec. 16. (a) After each directors' election,
15 the board shall hold a regular meeting at the district
16 office and shall organize by electing from the members
17 of the board one person to serve as chairman, one
18 person to serve as vice-chairman, and one person to
19 serve as secretary.

20 (b) A person selected to serve as chairman,
21 vice-chairman, or secretary serves in that capacity
22 for a term of two years.

23 (d) The chairman, vice-chairman, and secretary
24 shall perform the duties and may exercise the powers
25 specifically given them by this Act or by orders of the
26 board.

27 Revisor's Note

28 (1) Section 16, Chapter 915, Acts of the 70th
29 Legislature, Regular Session, 1987, refers to the
30 "chairman" and "vice-chairman" of the board. The
31 revised law substitutes "president" for "chairman" and
32 "vice president" for "vice-chairman" to avoid the use
33 of a gender-based term and because those are the terms
34 used by Chapter 36, Water Code. In the context in
35 which the terms are used, the terms have the same
36 meaning.

37 (2) Section 16(c), Chapter 915, Acts of the 70th
38 Legislature, Regular Session, 1987, provides that the
39 chairman or, in his absence, the vice-chairman,
40 presides over board meetings. The revised law omits

1 the provision because it duplicates, in substance,
2 Section 36.054(c), Water Code. The omitted law reads:

3 (c) The chairman shall preside over
4 meetings of the board, and in his absence,
5 the vice-chairman shall preside.

6 Revised Law

7 Sec. 8814.060. GENERAL MANAGER; SERVICE OF PROCESS. (a)
8 The general manager shall execute a bond in the amount determined by
9 the board, payable to the district, and conditioned on the faithful
10 performance of the general manager's duties. The district shall
11 pay for the bond.

12 (b) The general manager is entitled to receive the
13 compensation provided by the district's budget.

14 (c) Service of process in a suit may be had by serving the
15 general manager. (Acts 70th Leg., R.S., Ch. 915, Secs. 19(b), (c),
16 27(a) (part).)

17 Source Law

18 [Sec. 19]

19 (b) The general manager shall execute a bond in
20 the amount determined by the board, payable to the
21 district, and conditioned on the faithful performance
22 of the general manager's duties. The district shall pay
23 for the bond.

24 (c) The general manager is entitled to receive
25 the compensation provided by the district's budget.

26 Sec. 27. (a) . . . Service of process in a suit
27 may be had by serving the general manager.

28 Revisor's Note

29 Section 19(a), Chapter 915, Acts of the 70th
30 Legislature, Regular Session, 1987, provides that the
31 board may employ a general manager and delegate to that
32 person authority to manage the district's affairs. The
33 revised law omits the provision because it duplicates,
34 in substance, Section 36.056(a), Water Code. The
35 omitted law reads:

36 Sec. 19. (a) The board may employ a
37 general manager to be the chief
38 administrative officer of the district and
39 may delegate to him full authority to manage
40 and operate the affairs of the district
41 subject only to orders of the board.

1 Revised Law

2 Sec. 8814.061. TREASURER AND ATTORNEY. (a) The board may
3 appoint a treasurer and an attorney for the district.

4 (b) The person appointed as treasurer shall execute a bond
5 in the amount determined by the board, payable to the district,
6 conditioned on the faithful performance of the treasurer's duties.
7 The district shall pay for the bond.

8 (c) A person appointed under this section is entitled to the
9 compensation provided by the district's budget. (Acts 70th Leg.,
10 R.S., Ch. 915, Sec. 18.)

11 Source Law

12 Sec. 18. (a) The board may appoint persons to
13 serve as treasurer and attorney for the district.

14 (b) The persons appointed under this section are
15 entitled to the compensation provided by the
16 district's budget.

17 (c) The person appointed as treasurer shall
18 execute a bond in the amount determined by the board,
19 payable to the district, conditioned on the faithful
20 performance of the treasurer's duties. The district
21 shall pay for the bond.

22 Revised Law

23 Sec. 8814.062. ENGINEER. The board may:

24 (1) appoint or contract with a competent professional
25 engineer for the district; and

26 (2) determine the amount of compensation to be paid to
27 the engineer. (Acts 70th Leg., R.S., Ch. 915, Sec. 20.)

28 Source Law

29 Sec. 20. The board may appoint or contract with
30 a competent professional engineer for the district and
31 may determine the amount of compensation to be paid to
32 the engineer.

33 Revised Law

34 Sec. 8814.063. PERSONNEL. (a) The general manager or the
35 board may:

36 (1) employ other persons necessary to properly handle
37 the district's business and operation; and

38 (2) employ or contract with expert and specialized
39 personnel who are necessary to carry out this chapter.

40 (b) The board shall determine the terms of employment and

1 the compensation to be paid to employees described by this section.

2 (c) The district shall pay for any bond that an employee of
3 or person under contract with the district is required to furnish
4 under Section 36.057(d), Water Code.

5 (d) The general manager or the board may dismiss an employee
6 of the district. (Acts 70th Leg., R.S., Ch. 915, Secs. 21(a), (b),
7 (c), (d) (part).)

8 Source Law

9 Sec. 21. (a) The general manager or the board
10 may employ other persons necessary for the proper
11 handling of the business and operation of the district
12 and may employ or contract with expert and specialized
13 personnel who are necessary to carry out this Act.

14 (b) The board shall determine the terms of
15 employment and the compensation to be paid to
16 employees under this section.

17 (c) The general manager or a majority of the
18 members of the board may dismiss an employee of the
19 district.

20 (d) . . . The district shall pay for each bond.

21 Revisor's Note

22 (1) Section 21(c), Chapter 915, Acts of the 70th
23 Legislature, Regular Session, 1987, provides that "a
24 majority of the members of" the board may dismiss an
25 employee of the district. The revised law omits the
26 quoted language as duplicative because Section 17,
27 Chapter 915, Acts of the 70th Legislature, Regular
28 Session, 1987 (revised in this chapter as Section
29 8814.058), provides that an official action of the
30 board is not valid without the affirmative vote of a
31 majority of the directors.

32 (2) Section 21(d), Chapter 915, Acts of the 70th
33 Legislature, Regular Session, 1987, requires certain
34 persons employed by or under contract with the
35 district to furnish a bond. The revised law omits the
36 provision because it duplicates, in substance, Section
37 36.057(d), Water Code. The omitted law reads:

38 (d) The board shall require each
39 employee or person under contract to the
40 district who collects, pays, or handles any
41 funds of the district to furnish a bond,
42 payable to the district, for an amount

1 sufficient to protect the district from
2 financial loss resulting from actions of
3 the employee or other person. Each bond
4 shall be conditioned on the faithful
5 performance of the employee's or person's
6 duties and on accounting for all money and
7 property of the district in his hands. . . .

8 (3) Section 21(d), Chapter 915, Acts of the 70th
9 Legislature, Regular Session, 1987, provides that the
10 district shall pay for "each bond," meaning a bond
11 required of an employee of, or a person under contract
12 with, the district who collects, pays, or handles any
13 funds of the district. For the convenience of the
14 reader, the revised law substitutes "any bond that an
15 employee of or person under contract with the district
16 is required to furnish under Section 36.057(d), Water
17 Code," for "each bond," because Section 36.057(d)
18 specifies the conditions under which a bond is
19 required.

20 Revised Law

21 Sec. 8814.064. DISTRICT OFFICE. The board shall maintain an
22 office in the district for conducting district business. (Acts
23 70th Leg., R.S., Ch. 915, Sec. 22.)

24 Source Law

25 Sec. 22. The board shall maintain an office
26 within the boundaries of the district for conducting
27 the business of the district.

28 Revised Law

29 Sec. 8814.065. MEETINGS. The board shall hold regular
30 meetings at the district office on a date established by the board.
31 (Acts 70th Leg., R.S., Ch. 915, Sec. 23.)

32 Source Law

33 Sec. 23. The board shall hold regular meetings
34 at the district's office on a date established by the
35 board.

36 Revised Law

37 Sec. 8814.066. RECORDS. The board shall keep a complete
38 written account of board meetings and other proceedings and shall
39 preserve the board's minutes, contracts, records, plans, notices,
40 accounts, receipts, and records in a secure manner at the

1 district's office. (Acts 70th Leg., R.S., Ch. 915, Sec. 24(a).)

2 Source Law

3 (a) The board shall keep a complete written
4 account of all its meetings and other proceedings and
5 shall preserve its minutes, contracts, records, plans,
6 notices, accounts, receipts, and records of all kinds
7 in a secure manner at the district's office.
8

9 Revisor's Note
10 (End of Subchapter)

11 (1) Section 5, Chapter 915, Acts of the 70th
12 Legislature, Regular Session, 1987, names the
13 temporary directors, provides for filling vacancies on
14 the temporary board, and requires the temporary
15 directors to select certain officers. Because the
16 terms of the temporary directors have expired, the
17 revised law omits those provisions as executed. The
18 omitted law reads:

19 Sec. 5. (a) On the effective date of
20 this Act, the following persons are
21 designated as temporary directors of the
22 district:

- 23 (1) Precinct 1-Clyde R. Foster
- 24 (2) Precinct 2-Darwin B.
25 Schrader
- 26 (3) Precinct 3-Frank S. Price
- 27 (4) Precinct 4-Ewing F.
28 McEntire, Jr.
- 29 (5) At large-William C. Humble

30 (b) If a vacancy occurs in the office
31 of temporary director, the remaining
32 temporary directors shall select a person
33 with the qualifications for that position
34 as provided by Section 9 of this Act to fill
35 the vacancy.

36 (c) The temporary board shall select
37 from their members persons to serve as
38 chairman, vice-chairman, and secretary.

39 (2) Section 7, Chapter 915, Acts of the 70th
40 Legislature, Regular Session, 1987, refers to
41 "temporary" directors of the district and to elections
42 under Section 6 of that chapter. The revised law omits
43 Section 7 as executed because the terms of the
44 temporary directors have expired and the initial
45 elections for permanent directors have been held. The
46 omitted law reads:

47 Sec. 7. (a) On approval of the

1 creation of the district under Section 6 of
2 this Act, the temporary directors become
3 the permanent directors of the district and
4 shall serve for terms as provided by
5 Subsection (b) of this section.

6 (b) The persons serving as directors
7 for Precincts 1 and 3 shall serve as
8 directors until the first regular meeting
9 of the board of directors following the
10 first regular directors' election. The
11 persons serving as directors for Precincts
12 2 and 4 and the director serving at large
13 shall serve until the first regular meeting
14 of the board of directors following the
15 second regular directors' election.

16 (3) Section 14, Chapter 915, Acts of the 70th
17 Legislature, Regular Session, 1987, requires each
18 director to take the constitutional oath of office.
19 The revised law omits that provision because Section
20 1, Article XVI, Texas Constitution, requires all
21 officers to take the oath (or affirmation) before
22 assuming office. The omitted law reads:

23 Sec. 14. Each director shall take the
24 constitutional oath of office required of
25 state officers.

26 (4) Section 24(b), Chapter 915, Acts of the 70th
27 Legislature, Regular Session, 1987, provides that
28 certain records are the property of the district and
29 are subject to public inspection. The revised law
30 omits the provision because it duplicates, in
31 substance, Section 36.065(b), Water Code. The omitted
32 law reads:

33 (b) Minutes, contracts, records,
34 plans, notices, accounts, receipts, and
35 other records are the property of the
36 district and are subject to public
37 inspection.

38 [Sections 8814.067-8814.100 reserved for expansion]

39 SUBCHAPTER C. POWERS AND DUTIES

40 Revised Law

41 Sec. 8814.101. GROUNDWATER CONSERVATION DISTRICT POWERS
42 AND DUTIES. Except to the extent of any conflict with this chapter
43 or as specifically limited by this chapter, the district may
44 exercise the powers granted by, and shall exercise the duties
45 provided by, Chapter 36, Water Code, to carry out the purpose of the

1 district and this chapter. (Acts 70th Leg., R.S., Ch. 915, Secs.
2 31(a), 46.)

3 Source Law

4 Sec. 31. (a) Except to the extent of any
5 conflict with this Act or as specifically limited by
6 this Act, the district may exercise the powers granted
7 and shall exercise the duties under Chapter 36, Water
8 Code, to carry out the purpose of the district and this
9 Act.

10 Sec. 46. The district may exercise the powers
11 and shall exercise the duties provided by Chapter 36,
12 Water Code.

13 Revised Law

14 Sec. 8814.102. RULES. (a) The board may adopt rules
15 necessary to carry out the purpose and powers under this chapter.

16 (b) In addition to the rules adopted under Subsection (a),
17 the board may adopt and enforce rules as provided by Chapter 36 and
18 Subchapters H and I, Chapter 49, Water Code. (Acts 70th Leg., R.S.,
19 Ch. 915, Secs. 30(a) (part), (b).)

20 Source Law

21 Sec. 30. (a) The board may adopt rules that are
22 necessary to carry out the purpose and powers under
23 this Act and

24 (b) In addition to the rules adopted under
25 Subsection (a) of this section, the board may adopt and
26 enforce rules as provided by Chapter 36 and
27 Subchapters H and I, Chapter 49, Water Code.

28 Revisor's Note

29 Section 30(a), Chapter 915, Acts of the 70th
30 Legislature, Regular Session, 1987, provides that the
31 district may enforce its rules in court. The revised
32 law omits the provision because it duplicates, in
33 substance, Section 36.102(a), Water Code. The omitted
34 law reads:

35 (a) [The board] . . . may enforce
36 those rules by injunction, mandatory
37 injunction, or other appropriate remedy in
38 a court of competent jurisdiction.

39 Revised Law

40 Sec. 8814.103. EMINENT DOMAIN. (a) The district may
41 exercise the power of eminent domain to acquire by condemnation a
42 fee simple or other interest in property in the district if the

1 property interest is necessary to the exercise of the authority
2 conferred by this chapter.

3 (b) The district must exercise the power of eminent domain
4 in the manner provided by Chapter 21, Property Code, but the
5 district is not required to deposit in the trial court money or a
6 bond as provided by Section 21.021(a), Property Code. (Acts 70th
7 Leg., R.S., Ch. 915, Secs. 42(a), (b).)

8 Source Law

9 Sec. 42. (a) The district may exercise the power of
10 eminent domain to acquire by condemnation a fee
11 simple or other interest in property located inside
12 the district if the property interest is necessary to
13 the exercise of the authority conferred by this
14 chapter.

15 (b) The district must exercise the power of
16 eminent domain in the manner provided by Chapter 21,
17 Property Code, but the district is not required to
18 deposit in the trial court money or a bond as provided
19 by Section 21.021(a), Property Code.

20 Revisor's Note

21 (1) Section 42(c), Chapter 915, Acts of the 70th
22 Legislature, Regular Session, 1987, provides that in a
23 condemnation proceeding brought by the district, the
24 district is not required to pay in advance or give bond
25 or other security in certain circumstances. The
26 revised law omits the provision because it duplicates
27 Section 36.105(d), Water Code. The omitted law reads:

28 (c) In a condemnation proceeding
29 brought by a district, the district is not
30 required to pay in advance or give bond or
31 other security for costs in the trial court,
32 to give bond for the issuance of a temporary
33 restraining order or a temporary
34 injunction, or to give bond for costs or
35 supersedeas on an appeal or writ of error.

36 (2) Section 42(d), Chapter 915, Acts of the 70th
37 Legislature, Regular Session, 1987, requires the
38 district to provide a comparable replacement if the
39 district relocates or alters certain property in
40 exercising the power of eminent domain. The revised
41 law omits the provision because it duplicates, in
42 substance, Section 36.105(e), Water Code. The omitted
43 law reads:

1 (d) In exercising the power of
2 eminent domain, if the district requires
3 relocating, raising, lowering, rerouting,
4 changing the grade, or altering the
5 construction of any railroad, highway,
6 pipeline, or telegraph, telephone, electric
7 transmission, or distribution lines,
8 conduits, poles, or facilities, the
9 district must bear the actual cost of
10 relocating, raising, lowering, rerouting,
11 changing the grade, or altering the
12 construction to provide comparable
13 replacement without enhancement of
14 facilities after deducting the net salvage
15 value derived from the old facility.

16 Revised Law

17 Sec. 8814.104. CERTAIN PERMIT DENIALS PROHIBITED. If the
18 district regulates production of groundwater by permit as
19 authorized by Chapter 36, Water Code, the board may not deny a
20 permit to drill a well to the owner of land, or the owner's heirs,
21 assigns, and lessees on that land, and the right to produce water
22 from that well under rules adopted by the district. (Acts 70th
23 Leg., R.S., Ch. 915, Sec. 32.)

24 Source Law

25 Sec. 32. If the district regulates production
26 of groundwater by permit as authorized by Chapter 36,
27 Water Code, the board may not deny a permit to drill a
28 well to the owner of land, his heirs, assigns, and
29 lessees on his land and the right to produce water from
30 that well under rules adopted by the district.

31 Revised Law

32 Sec. 8814.105. CONTROL, STORAGE, AND PRESERVATION OF STORM
33 AND FLOOD WATER. The district may control, store, and preserve the
34 storm and flood water in the district and the water of the rivers
35 and streams in the district for:

- 36 (1) irrigation of arid land;
37 (2) prevention of floods and flood damage in the
38 district; and
39 (3) domestic, agricultural, municipal, and industrial
40 uses. (Acts 70th Leg., R.S., Ch. 915, Sec. 36.)

41 Source Law

42 Sec. 36. The district may control, store, and
43 preserve the storm and flood water in the district and
44 the water of the rivers and streams in the district for
45 irrigation of arid land, prevention of floods and
46 flood damage in the district, and domestic,

1 agricultural, municipal, and industrial uses.

2 Revised Law

3 Sec. 8814.106. RECLAMATION. The district may:

4 (1) reclaim land in the district; and

5 (2) construct works, facilities, and improvements
6 necessary to accomplish that purpose. (Acts 70th Leg., R.S., Ch.
7 915, Sec. 37.)

8 Source Law

9 Sec. 37. The district may reclaim land within
10 the district and may construct necessary works,
11 facilities, and improvements to accomplish this
12 purpose.

13 Revised Law

14 Sec. 8814.107. SOIL CONSERVATION AND IMPROVEMENT. The
15 district may construct and maintain terraces or other structures on
16 land in the district and may engage in or promote land treatment
17 measures for soil conservation and improvement. (Acts 70th Leg.,
18 R.S., Ch. 915, Sec. 38.)

19 Source Law

20 Sec. 38. The district may construct and
21 maintain terraces and other structures on land in the
22 district and may engage in and promote land treatment
23 measures for soil conservation and improvement.

24 Revised Law

25 Sec. 8814.108. ACQUISITION OF PROPERTY. The district may
26 acquire land or other property necessary to carry out this chapter
27 by:

28 (1) gift;

29 (2) devise;

30 (3) lease;

31 (4) purchase; or

32 (5) condemnation. (Acts 70th Leg., R.S., Ch. 915,
33 Sec. 41.)

34 Source Law

35 Sec. 41. The district may acquire by gift,
36 devise, lease, purchase, or condemnation any land or
37 other property necessary to carry out this Act.

38 Revised Law

39 Sec. 8814.109. SALE AND DISPOSAL OF PROPERTY. Subject to

1 this chapter and Chapter 36 and Subchapters H and I, Chapter 49,
2 Water Code, the district may sell or otherwise dispose of land and
3 other property of the district that is not necessary to carry out
4 the purpose or powers of the district as determined by the board.
5 (Acts 70th Leg., R.S., Ch. 915, Sec. 43.)

6 Source Law

7 Sec. 43. Subject to this Act and Chapter 36 and
8 Subchapters H and I, Chapter 49, Water Code, the
9 district may sell or otherwise dispose of land and
10 other property of the district that is not necessary to
11 carry out the purpose or powers of the district as
12 determined by the board of directors.

13 Revised Law

14 Sec. 8814.110. IMPROVEMENTS AND FACILITIES. (a) The
15 district may construct or acquire and improve and maintain works,
16 facilities, and improvements necessary to carry out the purpose,
17 powers, and plans of the district.

18 (b) The district must construct and acquire works,
19 facilities, and improvements in the manner provided by Chapter 49,
20 Water Code. (Acts 70th Leg., R.S., Ch. 915, Sec. 39.)

21 Source Law

22 Sec. 39. (a) The district may construct or
23 acquire and improve and maintain works, facilities,
24 and improvements necessary to carry out the purpose,
25 powers, and plans of the district.

26 (b) The district shall construct and acquire
27 works, facilities, and improvements in the manner
28 provided by Chapter 49, Water Code.

29 Revised Law

30 Sec. 8814.111. INPUT WELLS. The district may drill, equip,
31 operate, and maintain input wells, pumps, and other facilities to
32 carry out its purpose and powers under this chapter. (Acts 70th
33 Leg., R.S., Ch. 915, Sec. 40.)

34 Source Law

35 Sec. 40. The district may drill, equip,
36 operate, and maintain input wells, pumps, and other
37 facilities to carry out its purpose and powers under
38 this Act.

39 Revised Law

40 Sec. 8814.112. APPEARANCE BEFORE RAILROAD COMMISSION. The
41 district, through the directors or the district's general manager,

1 may appear before the Railroad Commission of Texas and present
2 evidence and information relating to a pending permit application
3 for an injection well to be located in the district. (Acts 70th
4 Leg., R.S., Ch. 915, Sec. 44.)

5 Source Law

6 Sec. 44. The district through the members of its
7 board or its general manager may appear before the
8 Railroad Commission of Texas and present evidence and
9 information relating to any pending permit application
10 for an injection well to be located within the
11 district.

12 Revised Law

13 Sec. 8814.113. STUDIES AND SURVEYS. (a) The board may have
14 a professional engineer conduct studies and surveys of the
15 groundwater and surface water supplies in the district and the
16 facilities available for use in the conservation, preservation,
17 protection, recharge, and prevention of waste and pollution of
18 those water resources.

19 (b) A professional engineer may determine the quantities of
20 groundwater and surface water in the district. (Acts 70th Leg.,
21 R.S., Ch. 915, Sec. 33.)

22 Source Law

23 Sec. 33. The board may have professional
24 engineers make studies and surveys of the groundwater
25 and surface water supplies within the district and the
26 facilities available for use in the conservation,
27 preservation, protection, recharge, and prevention of
28 waste and pollution of those water resources. The
29 professional engineers also may determine the
30 quantities of both groundwater and surface water in
31 the district.

32 Revised Law

33 Sec. 8814.114. RESEARCH; INFORMATION. The district may
34 engage in research projects and shall develop information to be
35 used by the district in preparing and implementing the district's
36 plans and in carrying out the district's powers and duties under
37 this chapter. (Acts 70th Leg., R.S., Ch. 915, Sec. 35.)

38 Source Law

39 Sec. 35. The district may engage in research
40 projects and shall develop information to be used by
41 the district in preparing and implementing its plans
42 and in carrying out its powers and duties under this
43 Act.

1 Revised Law

2 Sec. 8814.115. DISTRICT PLANS. (a) The district shall
3 develop and implement comprehensive plans for the conservation,
4 preservation, protection, recharge, and prevention of waste and
5 pollution of groundwater and surface water in the district.

6 (b) The plans must include all works, facilities, and
7 improvements necessary to implement the plans and the
8 specifications for those works, facilities, and improvements.

9 (Acts 70th Leg., R.S., Ch. 915, Sec. 34.)

10 Source Law

11 Sec. 34. The district shall develop and
12 implement comprehensive plans for the conservation,
13 preservation, protection, recharge, and prevention of
14 waste and pollution of groundwater and surface water
15 within the district. The plans shall include all
16 works, facilities, and improvements necessary to
17 implement the plans and the specifications for those
18 works, facilities, and improvements.

19 Revised Law

20 Sec. 8814.116. PAYMENT OF JUDGMENTS. A court of this state
21 that renders a money judgment against the district may require the
22 board to pay the judgment from money in the district depository that
23 is not dedicated to the payment of any indebtedness of the district.

24 (Acts 70th Leg., R.S., Ch. 915, Sec. 27(c).)

25 Source Law

26 (c) A court of this state that renders a money
27 judgment against the district may require the board to
28 pay the judgment from money in the district depository
29 that is not dedicated to the payment of any
30 indebtedness of the district.

31 Revisor's Note

32 (End of Subchapter)

33 (1) Section 25, Chapter 915, Acts of the 70th
34 Legislature, Regular Session, 1987, provides that the
35 board may enter into contracts as provided by Chapter
36 36, Water Code, and that contracts shall be executed in
37 the name of the district. The revised law omits that
38 provision because Section 36.067, Water Code, which
39 addresses contracts, applies to the district under
40 Section 8814.101 and on its own terms, and Section

1 36.067(a), Water Code, specifies that the district
2 shall enter into contracts in the name of the district.

3 The omitted law reads:

4 Sec. 25. The board may enter into
5 contracts as provided by Chapter 36, Water
6 Code, and those contracts shall be executed
7 by the board in the name of the district.

8 (2) Section 48, Chapter 915, Acts of the 70th
9 Legislature, Regular Session, 1987, provides that the
10 district may issue bonds and impose a tax as provided
11 by Chapter 36, Water Code. The revised law omits that
12 provision because Sections 31(a) and 46 of the act
13 (revised in this chapter as Section 8814.101) provide
14 that the district may exercise the powers granted by,
15 and shall exercise the duties provided by, Chapter 36,
16 Water Code. The provisions applicable to the district
17 under Section 8814.101 include any tax and bond
18 provisions of Chapter 36, Water Code. The omitted law
19 reads:

20 Sec. 48. The district may issue and
21 sell bonds and notes and may levy and
22 collect taxes as provided by Chapter 36,
23 Water Code.

24 Revisor's Note
25 (End of Chapter)

26 (1) Section 27, Chapter 915, Acts of the 70th
27 Legislature, Regular Session, 1987, provides that the
28 district may sue and be sued in the name of the
29 district and requires a court to take judicial notice
30 of the district. The revised law omits those
31 provisions because they duplicate, in substance,
32 Section 36.066(a), Water Code. The omitted law reads:

33 Sec. 27. (a) The district may,
34 through its board, sue and be sued in any
35 court of this state in the name of the
36 district. . . .
37 (b) The courts of this state shall
38 take judicial notice of the creation of the
39 district.

40 (2) Section 22, Chapter 759, Acts of the 78th
41 Legislature, Regular Session, 2003, validates certain

1 actions of the district taken before June 20, 2003.
2 That section is omitted from the revised law because it
3 served its purpose on the day it took effect and is
4 executed law. Section 311.031(a)(2), Government Code
5 (Code Construction Act), provides that the repeal of a
6 statute does not affect any validation previously made
7 under the statute. Therefore, the omission of the
8 executed validation provision does not affect the
9 validation. The omitted law reads:

10 Sec. 22. (a) The following actions of
11 the Sterling County Underground Water
12 Conservation District are validated and
13 confirmed as if the actions had been done as
14 authorized by law:

15 (1) all acts and governmental
16 proceedings of the district before the
17 effective date of this Act;

18 (2) the election or appointment
19 of directors or other officials of the
20 district who took office before the
21 effective date of this Act; and

22 (3) any bond or other
23 obligation of a district authorized before
24 the effective date of this Act, including
25 any proceeding taken before the effective
26 date of this Act that is related to that
27 bond or other obligation, regardless of
28 whether the bond or obligation is:

29 (A) payable from tax
30 revenue or otherwise; or

31 (B) issued on or before
32 the effective date of this Act.

33 (b) This Act does not apply to:

34 (1) an act or proceeding that
35 was void at the time it occurred;

36 (2) an act or proceeding that,
37 under a statute of this state or the United
38 States, was a misdemeanor or felony at the
39 time the act or proceeding occurred;

40 (3) a rule that, at the time it
41 was passed, was preempted by a statute of
42 this state or the United States; or

43 (4) a matter that on the
44 effective date of this Act:

45 (A) is involved in
46 litigation if the litigation ultimately
47 results in the matter being held invalid by
48 a final judgment of a court; or

49 (B) has been held invalid
50 by a final judgment of a court.

14 CHAPTER 8816. CULBERSON COUNTY GROUNDWATER CONSERVATION DISTRICT

15 SUBCHAPTER A. GENERAL PROVISIONS

16 Revised Law

17 Sec. 8816.001. DEFINITIONS. In this chapter:

18 (1) "Board" means the district's board of directors.

19 (2) "Director" means a board member.

20 (3) "District" means the Culberson County Groundwater

21 Conservation District. (Acts 75th Leg., R.S., Ch. 1075, Sec. 2;

22 New.)

23 Source Law

24 Sec. 2. In this Act, "district" means the

25 Culberson County Groundwater Conservation District.

26 Revisor's Note

27 The definitions of "board" and "director" are

28 added to the revised law for drafting convenience and

29 to eliminate frequent, unnecessary repetition of the

30 substance of the definitions.

31 Revised Law

32 Sec. 8816.002. NATURE OF DISTRICT. The district is a

33 groundwater conservation district in Culberson County created

34 under and essential to accomplish the purposes of Section 59,

35 Article XVI, Texas Constitution. (Acts 75th Leg., R.S., Ch. 1075,

1 Secs. 1(a) (part), (b).)

2 Source Law

3 Sec. 1. (a) A groundwater conservation
4 district, to be known as the Culberson County
5 Groundwater Conservation District, is created in
6 Culberson County,

7 (b) The district is created under and is
8 essential to accomplish the purposes of Section 59,
9 Article XVI, Texas Constitution.

10 Revisor's Note

11 (1) Section 1(a), Chapter 1075, Acts of the 75th
12 Legislature, Regular Session, 1997, refers to a
13 confirmation election. Because the confirmation
14 election has already been held, the revised law omits
15 the provision as executed. The omitted law reads:

16 (a) . . . subject to approval at a
17 confirmation election under Section 8 of
18 this Act. . . .

19 (2) Section 1(a), Chapter 1075, Acts of the 75th
20 Legislature, Regular Session, 1997, provides that the
21 district is a governmental agency and a body politic
22 and corporate. The revised law omits the provision
23 because it duplicates a portion of Section 59(b),
24 Article XVI, Texas Constitution, which provides that a
25 conservation and reclamation district is a
26 governmental agency and a body politic and corporate.
27 The omitted law reads:

28 (a) . . . The district is a
29 governmental agency and a body politic and
30 corporate.

31 Revised Law

32 Sec. 8816.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
33 district is created to serve a public use and benefit.

34 (b) All land and other property included in the district
35 will benefit from the works and projects accomplished by the
36 district under the powers conferred by Section 59, Article XVI,
37 Texas Constitution. (Acts 75th Leg., R.S., Ch. 1075, Sec. 4.)

38 Source Law

39 Sec. 4. All of the land and other property
40 included within the boundaries of the district will be

1 benefited by the works and projects that are to be
2 accomplished by the district under powers conferred by
3 Section 59, Article XVI, Texas Constitution. The
4 district is created to serve a public use and benefit.

5 Revised Law

6 Sec. 8816.004. DISTRICT TERRITORY. The district is
7 composed of the territory described by Section 3, Chapter 1075,
8 Acts of the 75th Legislature, Regular Session, 1997, as that
9 territory may have been modified under:

10 (1) Subchapter J, Chapter 36, Water Code; or

11 (2) other law. (New.)

12 Revisor's Note

13 The revision of the law governing the district
14 does not revise the statutory language describing the
15 territory of the district to avoid the lengthy
16 recitation of the description. Additionally, because
17 the district's boundaries are subject to change, that
18 description may not be accurate on the effective date
19 of the revision or at the time of a later reading. For
20 the reader's convenience, the revised law includes a
21 reference to the statutory description of the
22 district's territory and to the authority to change the
23 district's territory under Subchapter J, Chapter 36,
24 Water Code, applicable to groundwater conservation
25 districts. The revised law also includes a reference
26 to the general authority of the legislature to enact
27 other laws to change the district's territory.

28 Revised Law

29 Sec. 8816.005. CONFLICTS OF LAW. (a) Except as otherwise
30 provided by this chapter, if there is a conflict between this
31 chapter and Chapter 36 or 49, Water Code, this chapter controls.

32 (b) If there is a conflict between Chapters 36 and 49, Water
33 Code, Chapter 36 controls. (Acts 75th Leg., R.S., Ch. 1075, Sec.
34 11.)

35 Source Law

36 Sec. 11. Except as otherwise provided by this
37 Act, if there is a conflict between this Act and

1 Chapter 36 or 49, Water Code, this Act controls. If
2 there is a conflict between Chapters 36 and 49, Water
3 Code, Chapter 36 controls.

4 Revisor's Note
5 (End of Subchapter)

6 (1) Section 5(a), Chapter 1075, Acts of the 75th
7 Legislature, Regular Session, 1997, provides that the
8 act prevails over general law in case of a conflict or
9 other inconsistency. The revised law omits the
10 provision because it duplicates, in substance, Section
11 311.026, Government Code (Code Construction Act). The
12 omitted law reads:

13 (a) . . . This Act prevails over any
14 provision of general law that is in conflict
15 or inconsistent with this Act.

16 (2) Section 5(c), Chapter 1075, Acts of the 75th
17 Legislature, Regular Session, 1997, provides that
18 certain provisions of Chapter 36, Water Code, prevail
19 over a conflicting or inconsistent provision of the
20 act. Chapter 36, Water Code, applies to the district
21 under Section 8816.101 of this chapter and Section
22 36.001(1), Water Code. The revised law omits Section
23 5(c) because it duplicates Section 36.052(b), Water
24 Code, which provides that the same provisions of the
25 Water Code provided for under Section 5(c) prevail
26 over a conflicting or inconsistent provision of a
27 special law that governs a specific district. The
28 omitted law reads:

29 (c) Notwithstanding Subsection (a)
30 of this section, the following provisions
31 prevail over a conflicting or inconsistent
32 provision in this Act:

33 (1) Sections 36.107 through
34 36.108, Water Code;

35 (2) Sections 36.159 through
36 36.161, Water Code; and

37 (3) Subchapter I, Chapter 36,
38 Water Code.

39 (3) Section 8, Chapter 1075, Acts of the 75th
40 Legislature, Regular Session, 1997, provides
41 procedures for holding an election to confirm the
42 district's creation and to elect the district's initial

1 board. Because the district has been confirmed and its
2 initial directors have been elected, the revised law
3 omits those provisions as executed. The omitted law
4 reads:

5 Sec. 8. (a) Not later than 30 days
6 after the effective date of this Act, the
7 temporary board of directors shall call and
8 hold an election to confirm the
9 establishment of the district and to elect
10 five initial directors.

11 (b) A person who desires to be a
12 candidate for the office of initial
13 director may file an application with the
14 temporary board to have the candidate's name
15 printed on the ballot.

16 (c) At the confirmation and initial
17 directors' election, the temporary board of
18 directors shall have the names of the five
19 persons serving as temporary directors
20 placed on the ballot together with the name
21 of any candidate filing for the office of
22 director as provided by Subsection (b) of
23 this section and blank spaces to write in
24 the names of other persons. If the district
25 is created at the election, the temporary
26 board of directors, at the time the vote is
27 canvassed, shall declare the five persons
28 who receive the most votes to be elected as
29 the initial directors and shall include the
30 results of the directors' election in its
31 election report to the Texas Natural
32 Resource Conservation Commission.

33 (d) The propositions to be voted may
34 include, in addition to confirmation of the
35 district and election of directors, any
36 proposition authorized by the temporary
37 board of directors.

38 (e) Subsection (a), Section 41.001,
39 Election Code, does not apply to a
40 confirmation and initial directors'
41 election held as provided by this section.

42 (f) Except as provided by this
43 section, a confirmation and initial
44 directors' election must be conducted as
45 provided by Subsections (b) through (h),
46 Section 36.017, Water Code, and the
47 Election Code.

48 [Sections 8816.006-8816.050 reserved for expansion]

49 SUBCHAPTER B. BOARD OF DIRECTORS

50 Revised Law

51 Sec. 8816.051. COMPOSITION OF BOARD; TERMS. (a) The
52 district is governed by a board of five directors.

53 (b) Directors serve staggered four-year terms. (Acts 75th
54 Leg., R.S., Ch. 1075, Secs. 6(a), (d).)

1 Section 17, Article XVI, Texas Constitution, which
2 provides that an officer in this state continues to
3 perform the officer's official duties until a
4 successor has qualified. The omitted law reads:

5 (f) A director serves until the
6 director's successor has qualified.

7 Revised Law

8 Sec. 8816.052. ELECTION DATE. Every two years on the
9 uniform election date in May, the appropriate number of directors
10 shall be elected to the board. (Acts 75th Leg., R.S., Ch. 1075,
11 Sec. 9(b).)

12 Source Law

13 (b) Thereafter, on the first uniform election
14 day in May of each subsequent second year, the
15 appropriate number of directors shall be elected to
16 the board.

17 Revisor's Note

18 (1) Section 9(a), Chapter 1075, Acts of the 75th
19 Legislature, Regular Session, 1997, prescribes the
20 election date for the first directors' election
21 following the confirmation election. Because the
22 district has been confirmed and its first permanent
23 directors elected, the revised law omits that
24 provision as executed. The omitted law reads:

25 Sec. 9. (a) On the first uniform
26 election day in May of the first year after
27 the year in which the district is authorized
28 to be created at a confirmation election, an
29 election shall be held in the district for
30 the election of two directors who shall each
31 serve two-year terms and three directors
32 who shall each serve four-year terms. The
33 three directors receiving the most votes
34 shall serve the four-year terms and the
35 other two directors who are elected shall
36 serve the two-year terms.

37 (2) Section 9(b), Chapter 1075, Acts of the 75th
38 Legislature, Regular Session, 1997, requires
39 directors' elections to be held on the "first uniform
40 election day in May." The revised law omits the
41 reference to the "first" uniform election day in May
42 because Section 41.001, Election Code, provides for

1 only one uniform election date in that month. The
2 revised law substitutes "date" for "day" to conform to
3 the terminology of Section 41.001, Election Code.

4 Revisor's Note
5 (End of Subchapter)

6 (1) Sections 6(b) and (c), Chapter 1075, Acts of
7 the 75th Legislature, Regular Session, 1997, refer to
8 "temporary" and "initial" directors of the district
9 and to elections under Sections 8 and 9 of that
10 chapter. The revised law omits Sections 6(b) and (c)
11 as executed because the terms of the temporary and
12 initial directors have expired and the initial
13 election for directors has been held. The omitted law
14 reads:

15 (b) Temporary directors serve until
16 initial directors are elected under Section
17 8 of this Act.

18 (c) Initial directors serve until
19 permanent directors are elected under
20 Section 9 of this Act.

21 (2) Section 7, Chapter 1075, Acts of the 75th
22 Legislature, Regular Session, 1997, provides for the
23 appointment of "temporary" directors and for the
24 filling of vacancies on the temporary board. Because
25 the temporary directors were appointed and the terms
26 of the temporary directors have expired, the revised
27 law omits those provisions as executed. The omitted
28 law reads:

29 Sec. 7. (a) The Commissioners Court
30 of Culberson County shall appoint five
31 temporary directors.

32 (b) If a temporary director fails to
33 qualify for office, the temporary directors
34 who have qualified shall appoint a person to
35 fill the vacancy. If at any time there are
36 fewer than three qualified temporary
37 directors, the Commissioners Court of
38 Culberson County shall appoint the
39 necessary number of persons to fill all
40 vacancies on the board.

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 8816.101. GROUNDWATER CONSERVATION DISTRICT POWERS
4 AND DUTIES. The district has the rights, powers, privileges,
5 functions, and duties provided by the general law of this state,
6 including Chapters 36 and 49, Water Code, applicable to groundwater
7 conservation districts created under Section 59, Article XVI, Texas
8 Constitution. (Acts 75th Leg., R.S., Ch. 1075, Sec. 5(a) (part).)

9 Source Law

10 Sec. 5. (a) The district has all the rights,
11 powers, privileges, authority, functions, and duties
12 provided by the general law of this state, including
13 Chapters 36 and 49, Water Code, applicable to
14 groundwater conservation districts created under
15 Section 59, Article XVI, Texas Constitution. . . .

16 Revisor's Note

17 Section 5(a), Chapter 1075, Acts of the 75th
18 Legislature, Regular Session, 1997, refers to the
19 "rights, powers, privileges, [and] authority" of the
20 district. The revised law omits the reference to
21 "authority" because, in context, "authority" is
22 included in the meaning of "rights, powers, [and]
23 privileges."

24 Revised Law

25 Sec. 8816.102. CONTRACT FOR AND SALE AND DISTRIBUTION OF
26 WATER. The district may contract for, sell, and distribute water
27 from a water import authority or other entity. (Acts 75th Leg.,
28 R.S., Ch. 1075, Sec. 10.)

29 Source Law

30 Sec. 10. The district may contract for, sell,
31 and distribute water from a water import authority or
32 other entity.

33 Revisor's Note
34 (End of Subchapter)

35 Section 5(b), Chapter 1075, Acts of the 75th
36 Legislature, Regular Session, 1997, refers to the
37 continuing supervision exercised by the "Texas Natural
38 Resource Conservation Commission." The revised law

1 omits the provision because the Texas Commission on
2 Environmental Quality is the successor to the Texas
3 Natural Resource Conservation Commission and
4 therefore the provision duplicates, in substance, part
5 of Section 12.081, Water Code, which is a general law
6 that applies to the district. The name of the Texas
7 Natural Resource Conservation Commission was changed
8 to the Texas Commission on Environmental Quality by
9 Section 18.01, Chapter 965, Acts of the 77th
10 Legislature, Regular Session, 2001. The omitted law
11 reads:

12 (b) The rights, powers, privileges,
13 authority, functions, and duties of the
14 district are subject to the continuing
15 right of supervision of the state, to be
16 exercised by and through the Texas Natural
17 Resource Conservation Commission.

18 Revisor's Note
19 (End of Chapter)

20 Section 12, Chapter 1075, Acts of the 75th
21 Legislature, Regular Session, 1997, recites
22 legislative findings regarding procedural
23 requirements for legislation affecting the district
24 under the constitution and other laws and rules,
25 including proper legal notice and the filing of
26 recommendations. The revised law omits those
27 provisions as executed. The omitted law reads:

28 Sec. 12. (a) The proper and legal
29 notice of the intention to introduce this
30 Act, setting forth the general substance of
31 this Act, has been published as provided by
32 law, and the notice and a copy of this Act
33 have been furnished to all persons,
34 agencies, officials, or entities to which
35 they are required to be furnished by the
36 constitution and other laws of this state,
37 including the governor, who has submitted
38 the notice and Act to the Texas Natural
39 Resource Conservation Commission.

40 (b) The Texas Natural Resource
41 Conservation Commission has filed its
42 recommendations relating to this Act with
43 the governor, lieutenant governor, and
44 speaker of the house of representatives
45 within the required time.

46 (c) All requirements of the
47 constitution and laws of this state and the

1 rules and procedures of the legislature
2 with respect to the notice, introduction,
3 and passage of this Act are fulfilled and
4 accomplished.

33 CHAPTER 8825. BLUEBONNET GROUNDWATER CONSERVATION DISTRICT

34 SUBCHAPTER A. GENERAL PROVISIONS

35 Revised Law

36 Sec. 8825.001. DEFINITIONS. In this chapter:

1 (1) "Board" means the district's board of directors.

2 (2) "Director" means a board member.

3 (3) "District" means the Bluebonnet Groundwater
4 Conservation District. (Acts 77th Leg., R.S., Ch. 1361, Sec. 2;
5 New.)

6 Source Law

7 Sec. 2. In this Act, "district" means the
8 Bluebonnet Groundwater Conservation District.

9 Revisor's Note

10 The definitions of "board" and "director" are
11 added to the revised law for drafting convenience and
12 to eliminate frequent, unnecessary repetition of the
13 substance of the definitions.

14 Revised Law

15 Sec. 8825.002. NATURE OF DISTRICT. (a) The district is a
16 groundwater conservation district created under and essential to
17 accomplish the purposes of Section 59, Article XVI, Texas
18 Constitution.

19 (b) The purpose of this chapter is to create a locally
20 controlled district to:

21 (1) protect and recharge groundwater;

22 (2) prevent pollution or waste of groundwater;

23 (3) control subsidence caused by withdrawal of water
24 from the groundwater reservoirs in the area; and

25 (4) regulate the transport of water out of the
26 district. (Acts 77th Leg., R.S., Ch. 1361, Secs. 1(a) (part), (b),
27 (c).)

28 Source Law

29 Sec. 1. (a) A groundwater conservation
30 district, to be known as the Bluebonnet Groundwater
31 Conservation District,

32 (b) The district is created under and is
33 essential to accomplish the purposes of Section 59,
34 Article XVI, Texas Constitution.

35 (c) The purpose of this Act is to create a
36 locally controlled groundwater district in order to
37 protect and recharge groundwater, to prevent pollution
38 or waste of groundwater, to control subsidence caused
39 by withdrawal of water from the groundwater reservoirs
40 in the area, and to regulate the transport of water out
41 of the boundaries of the district.

1 Revisor's Note

2 Section 1(a), Chapter 1361, Acts of the 77th
3 Legislature, Regular Session, 2001, provides that the
4 district is a governmental agency and a body politic
5 and corporate. The revised law omits the provision
6 because it duplicates a portion of Section 59(b),
7 Article XVI, Texas Constitution, which provides that a
8 conservation and reclamation district is a
9 governmental agency and a body politic and corporate.
10 The omitted law reads:

11 (a) . . . The district is a
12 governmental agency and a body politic and
13 corporate.

14 Revised Law

15 Sec. 8825.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
16 district is created to serve a public use and benefit.

17 (b) All land and other property included in the district
18 will benefit from the works and projects accomplished by the
19 district under the powers conferred by Section 59, Article XVI,
20 Texas Constitution. (Acts 77th Leg., R.S., Ch. 1361, Sec. 4.)

21 Source Law

22 Sec. 4. All of the land and other property
23 included within the boundaries of the district will be
24 benefited by the works and projects that are to be
25 accomplished by the district under powers conferred by
26 Section 59, Article XVI, Texas Constitution. The
27 district is created to serve a public use and benefit.

28 Revised Law

29 Sec. 8825.004. DISTRICT TERRITORY. The district's
30 boundaries are coextensive with the boundaries of Austin, Grimes,
31 Walker, and Waller Counties, unless the district's territory has
32 been modified under:

- 33 (1) Subchapter J, Chapter 36, Water Code; or
34 (2) other law. (Acts 77th Leg., R.S., Ch. 1361, Secs.
35 1(a) (part), 3; New.)

36 Source Law

37 Sec. 1. (a) . . . [the Bluebonnet Groundwater
38 Conservation District,] is created in Grimes,
39 Washington, Waller, Austin, and Walker counties,

1 subject to approval at a confirmation election under
2 Section 15 of this Act. . . .

3 Sec. 3. The boundaries of the district are
4 coextensive with the boundaries of Grimes, Washington,
5 Waller, Austin, and Walker counties.

6 Revisor's Note

7 (1) Section 1(a), Chapter 1361, Acts of the 77th
8 Legislature, Regular Session, 2001, provides that the
9 district is created in Grimes, Washington, Waller,
10 Austin, and Walker Counties, subject to approval at a
11 confirmation election under Section 15 of that
12 chapter. Section 3 of Chapter 1361 provides that the
13 district's boundaries are coextensive with the
14 boundaries of Grimes, Washington, Waller, Austin, and
15 Walker Counties. In November 2002, the district was
16 confirmed at an election by the voters of Austin,
17 Grimes, and Walker Counties but was not confirmed by
18 the voters of Waller or Washington County. Under
19 Section 15(c) of Chapter 1361, any county that did not
20 confirm the district's creation is excluded from the
21 district. However, in July 2007, after receipt of a
22 petition from the Waller County Commissioners Court
23 requesting the inclusion of Waller County in the
24 district, the board of directors of the district by
25 resolution ordered that Waller County be added to the
26 district, subject to ratification by a majority vote
27 of the voters of Waller County. In November 2007, a
28 special election was held for that purpose in Waller
29 County at which a majority of the votes cast favored
30 inclusion of Waller County in the district. The
31 revised law omits the reference in Section 1(a) of
32 Chapter 1361 to the confirmation election as executed
33 and omits the references in Sections 1(a) and 3 of that
34 chapter to Washington County to reflect the outcome of
35 the confirmation election in that county.

36 (2) The revision of the law governing the

1 district revises the statutory language describing the
2 territory of the district, subject to Revisor's Note
3 (1) to this section. Because the district's boundaries
4 are subject to change, that description may not be
5 accurate on the effective date of the revision or at
6 the time of a later reading. For the reader's
7 convenience, the revised law includes a reference to
8 the authority to change the district's territory under
9 Subchapter J, Chapter 36, Water Code, applicable to
10 groundwater conservation districts, and to the general
11 authority of the legislature to enact other laws to
12 change the district's territory.

13 Revisor's Note
14 (End of Subchapter)

15 (1) Section 5(a), Chapter 1361, Acts of the 77th
16 Legislature, Regular Session, 2001, provides that the
17 act prevails over general law, including Chapter 36,
18 Water Code, in case of a conflict or other
19 inconsistency. The revised law omits that provision
20 because it duplicates, in substance, Section 311.026,
21 Government Code (Code Construction Act), and it
22 duplicates part of Section 36.052(a), Water Code,
23 which provides that a "special law governing a
24 specific district" prevails over Chapter 36. The
25 omitted law reads:

26 (a) . . . This Act prevails over any
27 provision of general law, including Chapter
28 36, Water Code, that is in conflict or is
29 inconsistent with this Act.

30 (2) Section 15, Chapter 1361, Acts of the 77th
31 Legislature, Regular Session, 2001, provides
32 procedures for holding an election in each county to be
33 included in the district to confirm the district's
34 creation. Because the district has been confirmed,
35 the revised law omits those provisions as executed.
36 The omitted law reads:

1 Sec. 15. (a) The initial board of
2 directors shall call and hold, on the same
3 date in each county to be included in the
4 district, an election to confirm the
5 creation of the district.

6 (b) Except as provided by this
7 section, a confirmation election must be
8 conducted as provided by Sections 36.017,
9 36.018, and 36.019, Water Code, and Section
10 41.001, Election Code.

11 (c) If the majority of qualified
12 voters in a county who vote in the election
13 vote to confirm the creation of the
14 district, that county is included in the
15 district. If the majority of qualified
16 voters in a county who vote in the election
17 vote not to confirm the creation of the
18 district, that county is excluded from the
19 district.

20 (d) If the creation of the district
21 is not confirmed by an election held under
22 this section before the second anniversary
23 of the effective date of this Act, the
24 district is dissolved and this Act expires
25 on that date.

26 [Sections 8825.005-8825.050 reserved for expansion]

27 SUBCHAPTER B. BOARD OF DIRECTORS

28 Revised Law

29 Sec. 8825.051. COMPOSITION OF BOARD. The district is
30 governed by a board of not fewer than 8 or more than 20 directors
31 appointed as provided by Section 8825.053. (Acts 77th Leg., R.S.,
32 Ch. 1361, Sec. 12(a).)

33 Source Law

34 Sec. 12. (a) The district is governed by a
35 board of directors of not fewer than 8 or more than 20
36 directors, appointed as provided by Section 13 of this
37 Act.

38 Revisor's Note

39 Section 12(d), Chapter 1361, Acts of the 77th
40 Legislature, Regular Session, 2001, provides that a
41 director must qualify to serve in the manner provided
42 by Section 36.055, Water Code. The revised law omits
43 the provision because Section 36.055, Water Code,
44 applies to the district under Section 8825.101 of this
45 chapter and Section 36.001(1), Water Code. The
46 omitted law reads:

47 (d) Each director must qualify to
48 serve as a director in the manner provided
49 by Section 36.055, Water Code.

1 Revised Law

2 Sec. 8825.052. TERMS. (a) Directors serve staggered
3 four-year terms.

4 (b) A director may serve consecutive terms. (Acts 77th
5 Leg., R.S., Ch. 1361, Secs. 12(c), (f).)

6 Source Law

7 (c) Permanent directors serve four-year
8 staggered terms.

9 (f) A director may serve consecutive terms.

10 Revisor's Note

11 (1) Section 12(c), Chapter 1361, Acts of the
12 77th Legislature, Regular Session, 2001, refers to
13 "[p]ermanent" directors. Sections 12 and 13 of
14 Chapter 1361 refer to "initial" and "permanent"
15 directors to distinguish between the "initial"
16 directors appointed by the appropriate commissioners
17 courts and subsequently serving directors. Because
18 the revised law omits provisions regarding "initial"
19 directors as executed (see Revisor's Notes (1) and (2)
20 at the end of this subchapter), the revised law also
21 omits "permanent" because it does not contribute to
22 the clear meaning of the law.

23 (2) Section 12(e), Chapter 1361, Acts of the
24 77th Legislature, Regular Session, 2001, provides that
25 a director serves until a successor has qualified. The
26 revised law omits the provision because it duplicates
27 Section 17, Article XVI, Texas Constitution, which
28 provides that an officer in this state continues to
29 perform the officer's official duties until a
30 successor has qualified. The omitted law reads:

31 (e) A director serves until the
32 director's successor has qualified.

33 Revised Law

34 Sec. 8825.053. APPOINTMENT OF DIRECTORS. (a) The
35 commissioners courts of the counties in the district, if the

1 district has two to five counties, shall each appoint four
2 directors, of whom:

- 3 (1) one must represent municipal interests;
- 4 (2) one must represent agricultural interests;
- 5 (3) one must represent industrial interests; and
- 6 (4) one must represent rural water suppliers'
7 interests.

8 (b) If the district consists of one county, the
9 commissioners court of that county shall appoint eight directors,
10 of whom:

- 11 (1) two must represent municipal interests;
- 12 (2) two must represent agricultural interests;
- 13 (3) two must represent industrial interests; and
- 14 (4) two must represent rural water suppliers'
15 interests.

16 (c) Every two years after the date on which all initial
17 directors qualified as required by Section 36.055, Water Code, the
18 appropriate commissioners courts shall each appoint the
19 appropriate number of directors. (Acts 77th Leg., R.S., Ch. 1361,
20 Secs. 13(a), (b), (d) (part).)

21 Source Law

22 Sec. 13. (a) The commissioners courts of the
23 counties within the district, if the district has two
24 to five counties, shall each appoint four directors,
25 of whom:

- 26 (1) one must represent municipal
27 interests;
- 28 (2) one must represent agricultural
29 interests;
- 30 (3) one must represent industrial
31 interests; and
- 32 (4) one must represent rural water
33 suppliers' interests.

34 (b) If the district consists of one county, the
35 commissioners court of that county shall appoint eight
36 directors, of whom:

- 37 (1) two must represent municipal
38 interests;
- 39 (2) two must represent agricultural
40 interests;
- 41 (3) two must represent industrial
42 interests; and
- 43 (4) two must represent rural water
44 suppliers' interests.

45 (d) . . . On the second anniversary of the date
46 on which all initial directors have qualified as

1 required by Section 12 of this Act and every two years
2 after that date, the appropriate commissioners courts
3 shall appoint the appropriate number of permanent
4 directors.

5 Revisor's Note

6 (1) Sections 13(c) and (d), Chapter 1361, Acts
7 of the 77th Legislature, Regular Session, 2001,
8 provide for the appointment and terms of office of the
9 initial directors. The revised law omits those
10 provisions as executed. The omitted law reads:

11 (c) The commissioners courts of the
12 counties within the district shall each
13 appoint the appropriate number of initial
14 directors as soon as practicable following
15 the effective date of this Act, but not
16 later than the 90th day after the effective
17 date of this Act.

18 (d) The initial directors shall draw
19 lots to determine their terms. Half of the
20 initial directors serve terms that expire
21 on the second anniversary of the date on
22 which all initial directors have qualified
23 as required by Section 12 of this Act, and
24 half of the initial directors serve terms
25 that expire on the fourth anniversary of the
26 date on which all initial directors have
27 qualified as required by Section 12 of this
28 Act. . . .

29 (2) Section 13(d), Chapter 1361, Acts of the
30 77th Legislature, Regular Session, 2001, provides for
31 the appointment of "permanent" directors "[o]n the
32 second anniversary of the date on which all initial
33 directors have qualified as required by Section 12 of
34 this Act and every two years after that date." The
35 revised law omits the reference to "permanent"
36 directors for the reason stated in Revisor's Note (1)
37 to Section 8825.052 and omits as executed the language
38 referring to the first appointment of "permanent"
39 directors on the second anniversary of the date on
40 which the initial directors qualified.

41 The revised law also substitutes a reference to
42 Section 36.055, Water Code, for the reference to
43 Section 12 of Chapter 1361. Section 12(d) requires a
44 director to comply with Section 36.055, Water Code.
45 (See the revisor's note to Section 8825.051.)

1 Throughout this chapter, the revised law omits law
2 that duplicates law contained in Chapter 36, Water
3 Code, which applies to the district under Section
4 8825.101 of this chapter and Section 36.001(1), Water
5 Code.

6 Revised Law

7 Sec. 8825.054. BOARD VACANCY. (a) If there is a vacancy on
8 the board, the commissioners court that appointed the director who
9 vacated the office shall appoint a director to serve the remainder
10 of the term.

11 (b) In making the appointment, the commissioners court
12 shall appoint a director to represent the interest of the director
13 who vacated the office. (Acts 77th Leg., R.S., Ch. 1361, Sec.
14 12(g).)

15 Source Law

16 (g) If there is a vacancy on the board, the
17 governing body of the entity that appointed the
18 director who vacated the office shall appoint a
19 director to serve the remainder of the term. In making
20 this appointment, the governing body shall appoint a
21 director to represent the interest of the director who
22 has vacated the office.

23 Revisor's Note

24 Section 12(g), Chapter 1361, Acts of the 77th
25 Legislature, Regular Session, 2001, refers to the
26 "governing body of the entity" that appointed the
27 vacating director. The revised law substitutes
28 "commissioners court" for the quoted language because
29 the commissioners court is the governing body that
30 appoints all directors.

31 Revised Law

32 Sec. 8825.055. COMPENSATION; EXPENSES. (a) A director is
33 not entitled to receive compensation for serving as a director.

34 (b) A director may be reimbursed for actual reasonable
35 expenses incurred in discharging official duties. (Acts 77th Leg.,
36 R.S., Ch. 1361, Sec. 12(h).)

1 Source Law

2 (h) Directors are not entitled to receive
3 compensation for serving as a director but may be
4 reimbursed for actual, reasonable expenses incurred in
5 the discharge of official duties.

6 Revised Law

7 Sec. 8825.056. VOTE REQUIRED FOR BOARD ACTION. A majority
8 vote of a quorum of the board is required for board action. If there
9 is a tie vote, the proposed action fails. (Acts 77th Leg., R.S.,
10 Ch. 1361, Sec. 12(i).)

11 Source Law

12 (i) A majority vote of a quorum is required for
13 board action. If there is a tie vote, the proposed
14 action fails.

15 Revisor's Note
16 (End of Subchapter)

17 (1) Section 12(b), Chapter 1361, Acts of the
18 77th Legislature, Regular Session, 2001, requires
19 initial directors to serve until permanent directors
20 are appointed. Because the terms of the initial
21 directors have expired, the revised law omits Section
22 12(b) as executed. The omitted law reads:

23 (b) Initial directors serve until
24 permanent directors are appointed under
25 Section 13 of this Act and qualified as
26 required by Subsection (d) of this section.

27 (2) Section 14, Chapter 1361, Acts of the 77th
28 Legislature, Regular Session, 2001, requires an
29 organizational meeting of the initial directors. The
30 revised law omits Section 14 of that chapter as
31 executed. The omitted law reads:

32 Sec. 14. As soon as practicable after
33 all the initial directors have been
34 appointed and have qualified as provided in
35 this Act, a majority of the directors shall
36 convene the organizational meeting of the
37 district at a location within the district
38 agreeable to a majority of the directors.
39 If no location can be agreed on, the
40 organizational meeting of the directors
41 shall be at the Washington County
42 Courthouse.

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 8825.101. GROUNDWATER CONSERVATION DISTRICT POWERS
4 AND DUTIES. Except as otherwise provided by this chapter, the
5 district has the rights, powers, privileges, functions, and duties
6 provided by the general law of this state, including Chapter 36,
7 Water Code, applicable to groundwater conservation districts
8 created under Section 59, Article XVI, Texas Constitution. (Acts
9 77th Leg., R.S., Ch. 1361, Sec. 5(a) (part).)

10 Source Law

11 Sec. 5. (a) Except as otherwise provided by
12 this Act, the district has all the rights, powers,
13 privileges, authority, functions, and duties provided
14 by the general law of this state, including Chapter 36,
15 Water Code, applicable to groundwater conservation
16 districts created under Section 59, Article XVI, Texas
17 Constitution. . . .

18 Revisor's Note

19 Section 5(a), Chapter 1361, Acts of the 77th
20 Legislature, Regular Session, 2001, refers to the
21 "rights, powers, privileges, [and] authority" of the
22 district. The revised law omits "authority" because,
23 in context, "authority" is included in the meaning of
24 "rights, powers, [and] privileges."

25 Revised Law

26 Sec. 8825.102. LIMITATIONS ON DISTRICT POWERS. The
27 district does not have the authority granted by:

28 (1) Section 36.105, Water Code, relating to eminent
29 domain; and

30 (2) Sections 36.020 and 36.201-36.204, Water Code,
31 relating to taxes. (Acts 77th Leg., R.S., Ch. 1361, Sec. 5(b).)

32 Source Law

33 (b) The district does not have the authority
34 granted by the following provisions of Chapter 36,
35 Water Code:

36 (1) Section 36.105, relating to eminent
37 domain; and

38 (2) Sections 36.020 and 36.201-36.204,
39 relating to taxes.

1 Revised Law

2 Sec. 8825.103. REGISTRATION, EQUIPMENT, AND MAINTENANCE OF
3 EXEMPTED WELLS; APPLICABILITY OF FEES. (a) A well exempted under
4 Section 36.117(a) or (b), Water Code, may be:

5 (1) registered in accordance with rules adopted by the
6 district; and

7 (2) equipped and maintained in accordance with Section
8 36.117(h)(2), Water Code.

9 (b) The district may require the driller of a well exempted
10 as provided by Subsection (a) to file the drilling log with the
11 district.

12 (c) Groundwater withdrawn from an exempted well and
13 subsequently transported outside the boundaries of the district is
14 subject to all applicable production and export fees imposed under
15 Sections 8825.105 and 8825.106. (Acts 77th Leg., R.S., Ch. 1361,
16 Secs. 7(i) (part), (j), (l).)

17 Source Law

18 (i) A water well exempted under Subsection (a)
19 or (b) of this section may:

20 (1) be registered in accordance with rules
21 adopted by the district; and

22 (2) be equipped and maintained

23 (j) The district may require the driller of a
24 well exempted under Subsection (a) or (b) of this
25 section to file the drilling log with the district.

26 (l) Groundwater withdrawn from a well exempt
27 from permitting or regulation under this section and
28 subsequently transported outside the boundaries of the
29 district is subject to any applicable production and
30 export fees under Section 6 of this Act.

31 Revisor's Note

32 (1) Section 7(i), Chapter 1361, Acts of the 77th
33 Legislature, Regular Session, 2001, refers to a water
34 well exempted under "Subsection (a) or (b) of this
35 section." The revised law substitutes a reference to
36 "Section 36.117(a) or (b), Water Code," for the quoted
37 language because Subsections (a) and (b) of Section 7
38 duplicate Sections 36.117(a) and (b), Water Code.
39 (See Revisor's Note (1) at the end of this subchapter.)

40 (2) Section 7(i)(2), Chapter 1361, Acts of the

1 77th Legislature, Regular Session, 2001, provides that
2 an exempted water well may be equipped and maintained
3 in a specific manner. The revised law substitutes
4 "equipped and maintained in accordance with Section
5 36.117(h)(2), Water Code," for the provision because
6 the specific manner described by Section 7(i)(2)
7 duplicates Section 36.117(h)(2), Water Code. The
8 omitted law reads:

9 [(i) A water well exempted under
10 Subsection (a) or (b) of this section may:

11 (2) be equipped and maintained]
12 so as to conform to the district's rules
13 requiring installation of casing, pipe, and
14 fittings to prevent the escape of
15 groundwater from a groundwater reservoir to
16 any reservoir not containing groundwater
17 and to prevent the pollution or harmful
18 alteration of the character of the water in
19 any groundwater reservoir.
20

21 Revised Law

22 Sec. 8825.104. CERTAIN PERMIT DENIALS PROHIBITED. The
23 district may not deny the owner of a tract of land, or the owner's
24 lessee, who does not have a well equipped to produce more than
25 25,000 gallons each day on the tract, either a permit to drill a
26 well on the tract or the privilege to produce groundwater from the
27 tract, subject to any rules of the district. (Acts 77th Leg., R.S.,
28 Ch. 1361, Sec. 7(c).)

29 Source Law

30 (c) The district may not deny the owner of a
31 tract of land, or the owner's lessee, who does not have
32 a well equipped to produce more than 25,000 gallons a
33 day on the tract, either a permit to drill a well on the
34 owner's land or the privilege to produce groundwater
35 from the owner's land, subject to the rules of the
36 district.

37 Revised Law

38 Sec. 8825.105. PERMIT FEES. (a) The board by rule may
39 impose a reasonable fee on each well that is not exempt from
40 regulation by the district and for which a permit is issued by the
41 district.

42 (b) The fee may be based on:

43 (1) the size of column pipe used by the well; or

1 (2) the actual, authorized, or anticipated amount of
2 water to be withdrawn from the well.

3 (c) The fee may not exceed:

4 (1) \$1 for each acre-foot payable annually for water
5 used for agricultural use; or

6 (2) 17 cents for each thousand gallons for water used
7 for any other purpose. (Acts 77th Leg., R.S., Ch. 1361, Secs. 6(a),
8 (b).)

9 Source Law

10 Sec. 6. (a) The board of directors of the
11 district by rule may impose reasonable fees on each
12 well for which a permit is issued by the district and
13 which is not exempt from regulation by the district. A
14 fee may be based on the size of column pipe used by the
15 well or on the actual, authorized, or anticipated
16 amount of water to be withdrawn from the well.

17 (b) Fees may not exceed:

18 (1) \$1 per acre-foot payable annually for
19 water used for agricultural use; or

20 (2) 17 cents per thousand gallons for
21 water used for any other purpose.

22 Revised Law

23 Sec. 8825.106. ADDITIONAL FEE; SURCHARGE. In addition to a
24 fee imposed under Section 8825.105, the district may impose a
25 reasonable fee or surcharge for an export fee using one of the
26 following methods:

27 (1) a fee negotiated between the district and the
28 transporter; or

29 (2) a combined production and export fee not to exceed
30 17 cents for each thousand gallons for water used. (Acts 77th Leg.,
31 R.S., Ch. 1361, Sec. 6(c).)

32 Source Law

33 (c) In addition to the fee authorized under
34 Subsection (a) of this section, the district may
35 impose a reasonable fee or surcharge for an export fee
36 using one of the following methods:

37 (1) a fee negotiated between the district
38 and the transporter; or

39 (2) a combined production and export fee
40 not to exceed 17 cents per thousand gallons for water
41 used.

42 Revised Law

43 Sec. 8825.107. ANNUAL ASSESSMENT AND USE OF FEES. A fee
44 imposed under Section 8825.105 or 8825.106 may be:

- 1 (1) assessed annually; and
2 (2) used to fund the costs of district operations.
3 (Acts 77th Leg., R.S., Ch. 1361, Sec. 6(d).)

4 Source Law

5 (d) Fees authorized by this section may be
6 assessed annually and may be used to fund the cost of
7 district operations.

8 Revised Law

9 Sec. 8825.108. MITIGATION ASSISTANCE. In addition to the
10 authority granted by Chapter 36, Water Code, the district may
11 assist in the mediation between landowners regarding the mitigation
12 of a loss of existing groundwater supply of exempt domestic and
13 livestock users due to the groundwater pumping of others. (Acts
14 77th Leg., R.S., Ch. 1361, Sec. 8.)

15 Source Law

16 Sec. 8. In addition to the authority granted
17 under Chapter 36, Water Code, the district may assist
18 in the mediation between landowners regarding the
19 mitigation of the loss of existing groundwater supply
20 of exempt domestic and livestock users due to the
21 groundwater pumping of others.

22 Revised Law

23 Sec. 8825.109. COORDINATION WITH OTHER ENTITIES. The
24 district may:

25 (1) coordinate activities with the Central
26 Carrizo-Wilcox Coordinating Council and appoint a nonvoting
27 representative to the Central Carrizo-Wilcox Coordinating Council;
28 and

29 (2) coordinate activities with the Harris-Galveston
30 Coastal Subsidence District or other groundwater conservation
31 districts to manage portions of the Gulf Coast Aquifer. (Acts 77th
32 Leg., R.S., Ch. 1361, Sec. 11.)

33 Source Law

34 Sec. 11. (a) The district may coordinate
35 activities with the Central Carrizo-Wilcox
36 Coordinating Council and may appoint a nonvoting
37 representative to the Central Carrizo-Wilcox
38 Coordinating Council.

39 (b) The district may coordinate activities with
40 the Harris-Galveston Coastal Subsidence District or
41 with other groundwater conservation districts to
42 manage portions of the Gulf Coast Aquifer.

1 Revisor's Note
2 (End of Subchapter)

3 (1) Sections 7(a), (b), (d), (e), (f), (g), (h),
4 (k), and (m), Chapter 1361, Acts of the 77th
5 Legislature, Regular Session, 2001, authorize certain
6 exemptions from and exceptions to the requirement of a
7 permit and include certain limitations on the
8 authority of the district in connection with permits.
9 The revised law omits those provisions because they
10 duplicate, in substance, provisions in Section 36.117,
11 Water Code. The omitted law reads:

12 Sec. 7. (a) The district may exempt
13 wells under Section 36.117, Water Code,
14 from the requirements to obtain a drilling
15 permit, an operating permit, or any other
16 permit required by Chapter 36, Water Code,
17 or the district's rules.

18 (b) The district may not require a
19 permit for:

20 (1) a well used solely for
21 domestic use or for providing water for
22 livestock or poultry on a tract of land
23 larger than 10 acres that is either drilled,
24 completed, or equipped so that it is
25 incapable of producing more than 25,000
26 gallons of groundwater a day;

27 (2) the drilling of a water well
28 used solely to supply water for a rig that
29 is actively engaged in drilling or
30 exploration operations for an oil or gas
31 well permitted by the Railroad Commission
32 of Texas, provided that the person holding
33 the permit is responsible for drilling and
34 operating the water well and the well is
35 located on the same lease or field
36 associated with the drilling rig; or

37 (3) the drilling of a water well
38 authorized under a permit issued by the
39 Railroad Commission of Texas under Chapter
40 134, Natural Resources Code, or for
41 production from any such well to the extent
42 the withdrawals are required for mining
43 activities regardless of any subsequent use
44 of the water.

45 (d) The district may not restrict the
46 production of any well that is exempt from
47 permitting under Subsection (b)(1) of this
48 section.

49 (e) Notwithstanding Subsection (b)
50 of this section, the district may require a
51 well to be permitted by the district and to
52 comply with all district rules if:

53 (1) the purpose of a well
54 exempted under Subsection (b)(2) of this
55 section is no longer solely to supply water
56 for a rig that is actively engaged in
57 drilling or exploration operations for an

1 oil or gas well permitted by the Railroad
2 Commission of Texas; or

3 (2) the withdrawals from a well
4 exempted under Subsection (b)(3) of this
5 section are no longer necessary for mining
6 activities or are greater than the amount
7 necessary for mining activities specified
8 in the permit issued by the Railroad
9 Commission of Texas under Chapter 134,
10 Natural Resources Code.

11 (f) An entity holding a permit issued
12 by the Railroad Commission of Texas under
13 Chapter 134, Natural Resources Code, that
14 authorizes the drilling of a water well
15 shall report monthly to the district:

16 (1) the total amount of water
17 withdrawn during the month;

18 (2) the quantity of water
19 necessary for mining activities; and

20 (3) the quantity of water
21 withdrawn for other purposes.

22 (g) Notwithstanding Subsection (e)
23 of this section, the district may not
24 require a well exempted under Subsection
25 (b)(3) of this section to comply with the
26 spacing requirements of the district.

27 (h) The district may not deny an
28 application for a permit to drill and
29 produce water for hydrocarbon production
30 activities if the application meets the
31 spacing, density, and production rules
32 applicable to all permitted water wells in
33 the district.

34 (k) A well to supply water for a
35 subdivision of land for which a plat
36 approval is required by Chapter 232, Local
37 Government Code, is not exempted under
38 Subsection (b) of this section.

39 (m) This section applies to water
40 wells, including water wells used to supply
41 water for activities related to the
42 exploration or production of hydrocarbons
43 or minerals. This section does not apply to
44 production or injection wells drilled for
45 oil, gas, sulphur, uranium, or brine, for
46 core tests, or for injection of gas,
47 saltwater, or other fluids, under permits
48 issued by the Railroad Commission of Texas.

49 (2) Section 9, Chapter 1361, Acts of the 77th
50 Legislature, Regular Session, 2001, requires the
51 district to develop or contract for the development of
52 the management plan required by Section 36.1071, Water
53 Code. The revised law omits Section 9 because it
54 duplicates Section 36.1071, Water Code. The omitted
55 law reads:

56 Sec. 9. The district shall develop or
57 contract to develop its own management plan
58 under Section 36.1071, Water Code.

1 (3) Section 10, Chapter 1361, Acts of the 77th
2 Legislature, Regular Session, 2001, requires the
3 district to consider certain factors in issuing a
4 permit for a well. The revised law omits Section 10
5 because it duplicates, in substance, Section
6 36.113(d), Water Code. The omitted law reads:

7 Sec. 10. The district shall issue
8 permits for wells based on the
9 consideration of whether:

10 (1) the application conforms to
11 the requirements prescribed by Chapter 36,
12 Water Code, and is accompanied by the
13 prescribed fees;

14 (2) the proposed use of water
15 unreasonably affects existing groundwater
16 and surface water resources or existing
17 permit holders;

18 (3) the proposed use of water is
19 dedicated to any beneficial use;

20 (4) the proposed use of water is
21 consistent with the district's certified
22 water management plan;

23 (5) the applicant has agreed to
24 avoid waste and achieve water conservation;
25 and

26 (6) the applicant has agreed
27 that reasonable diligence will be used to
28 protect groundwater quality and that the
29 applicant will follow well plugging
30 guidelines at the time of well closure.

31 Revisor's Note
32 (End of Chapter)

33 Section 16, Chapter 1361, Acts of the 77th
34 Legislature, Regular Session, 2001, recites
35 legislative findings regarding procedural
36 requirements for legislation affecting the district
37 under the constitution and other laws and rules,
38 including proper legal notice and the filing of
39 recommendations. The revised law omits these
40 provisions as executed. The omitted law reads:

41 Sec. 16. (a) The proper and legal
42 notice of the intention to introduce this
43 Act, setting forth the general substance of
44 this Act, has been published as provided by
45 law, and the notice and a copy of this Act
46 have been furnished to all persons,
47 agencies, officials, or entities to which
48 they are required to be furnished by the
49 constitution and other laws of this state,
50 including the governor, who has submitted
51 the notice and Act to the Texas Natural
52 Resource Conservation Commission.

1 (b) The Texas Natural Resource
2 Conservation Commission has filed its
3 recommendations relating to this Act with
4 the governor, the lieutenant governor, and
5 the speaker of the house of representatives
6 within the required time.

7 (c) All requirements of the
8 constitution and laws of this state and the
9 rules and procedures of the legislature
10 with respect to the notice, introduction,
11 and passage of this Act are fulfilled and
12 accomplished.

34 CHAPTER 8826. BRAZORIA COUNTY GROUNDWATER CONSERVATION DISTRICT

35 SUBCHAPTER A. GENERAL PROVISIONS

36 Revised Law

37 Sec. 8826.001. DEFINITIONS. In this chapter:

- 38 (1) "Board" means the district's board of directors.
39 (2) "Director" means a board member.
40 (3) "District" means the Brazoria County Groundwater

1 Conservation District. (Acts 78th Leg., R.S., Ch. 772, Sec. 2;
2 New.)

3 Source Law

4 Sec. 2. In this Act:

5 (1) "District" means the Brazoria County
6 Groundwater Conservation District.

7 (2) "Board" means the district's board of
8 directors.

9 Revisor's Note

10 The definition of "director" is added to the
11 revised law for drafting convenience and to eliminate
12 frequent, unnecessary repetition of the substance of
13 the definition.

14 Revised Law

15 Sec. 8826.002. NATURE OF DISTRICT. The district is a
16 groundwater conservation district in Brazoria County created under
17 and essential to accomplish the purposes of Section 59, Article
18 XVI, Texas Constitution. (Acts 78th Leg., R.S., Ch. 772, Secs. 1(a)
19 (part), (b).)

20 Source Law

21 Sec. 1. (a) A groundwater conservation
22 district, to be known as the Brazoria County
23 Groundwater Conservation District, is created in
24 Brazoria County,

25 (b) The district is created under and is
26 essential to accomplish the purposes of Section 59,
27 Article XVI, Texas Constitution.

28 Revisor's Note

29 (1) Section 1(a), Chapter 772, Acts of the 78th
30 Legislature, Regular Session, 2003, refers to a
31 confirmation election. Because the confirmation
32 election has already been held, the revised law omits
33 the provision as executed. The omitted law reads:

34 (a) . . . subject to approval at a
35 confirmation election under Section 9 of
36 this Act. . . .

37 (2) Section 1(a), Chapter 772, Acts of the 78th
38 Legislature, Regular Session, 2003, provides that the
39 district is a governmental agency and a body politic
40 and corporate. The revised law omits the provision

1 because it duplicates a portion of Section 59(b),
2 Article XVI, Texas Constitution, which provides that a
3 conservation and reclamation district is a
4 governmental agency and a body politic and corporate.
5 The omitted law reads:

6 (a) . . . The district is a
7 governmental agency and a body politic and
8 corporate.

9 Revised Law

10 Sec. 8826.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
11 district is created to serve a public use and benefit.

12 (b) All land and other property included in the district
13 will benefit from the works and projects accomplished by the
14 district under the powers conferred by Section 59, Article XVI,
15 Texas Constitution. (Acts 78th Leg., R.S., Ch. 772, Sec. 4.)

16 Source Law

17 Sec. 4. All of the land and other property
18 included within the boundaries of the district will be
19 benefited by the works and projects that are to be
20 accomplished by the district under powers conferred by
21 Section 59, Article XVI, Texas Constitution. The
22 district is created to serve a public use and benefit.

23 Revised Law

24 Sec. 8826.004. DISTRICT TERRITORY. The district's
25 boundaries are coextensive with the boundaries of Brazoria County,
26 Texas, unless the district's territory has been modified under:

- 27 (1) Subchapter J, Chapter 36, Water Code; or
28 (2) other law. (Acts 78th Leg., R.S., Ch. 772, Sec. 3;
29 New.)

30 Source Law

31 Sec. 3. The boundaries of the district are
32 coextensive with the boundaries of Brazoria County,
33 Texas.

34 Revisor's Note

35 The revision of the law governing the district
36 revises the statutory language describing the
37 territory of the district. Because the district's
38 boundaries are subject to change, that description may
39 not be accurate on the effective date of the revision

1 or at the time of a later reading. For the reader's
2 convenience, the revised law includes a reference to
3 the authority to change the district's territory under
4 Subchapter J, Chapter 36, Water Code, applicable to
5 groundwater conservation districts, and to the general
6 authority of the legislature to enact other laws to
7 change the district's territory.

8 Revisor's Note
9 (End of Subchapter)

10 (1) Section 5, Chapter 772, Acts of the 78th
11 Legislature, Regular Session, 2003, provides that the
12 act prevails over general law in case of a conflict or
13 other inconsistency. The revised law omits the
14 provision because it duplicates, in substance, Section
15 311.026, Government Code (Code Construction Act). The
16 omitted law reads:

17 Sec. 5. . . . This Act prevails over
18 any provision of general law that is in
19 conflict or inconsistent with this Act.

20 (2) Section 9, Chapter 772, Acts of the 78th
21 Legislature, Regular Session, 2003, provides
22 procedures for holding an election to confirm the
23 district's creation and to elect the district's initial
24 board. Because the district has been confirmed and its
25 initial board have been elected, the revised law omits
26 those provisions as executed. The omitted law reads:

27 Sec. 9. (a) The temporary board of
28 directors shall call and hold an election to
29 confirm establishment of the district and
30 to elect initial directors.

31 (b) At the confirmation and initial
32 directors' election, the temporary board of
33 directors shall have placed on the ballot
34 the name of any candidate filing for an
35 initial director's position and blank
36 spaces to write in the names of other
37 persons. A temporary director who is
38 eligible to be a candidate under Section 8
39 may file for an initial director's position.

40 (c) Section 41.001(a), Election
41 Code, does not apply to a confirmation and
42 initial directors' election held as
43 provided by this section.

44 (d) Except as provided by this
45 section, a confirmation and initial

1 directors' election must be conducted as
2 provided by Sections 36.017(b)-(h), Water
3 Code, and the Election Code.

5 SUBCHAPTER B. BOARD OF DIRECTORS

6 Revised Law

7 Sec. 8826.051. COMPOSITION OF BOARD; TERMS. (a) The
8 district is governed by a board of five directors.

9 (b) Directors serve staggered four-year terms. (Acts 78th
10 Leg., R.S., Ch. 772, Secs. 6(a), (d).)

11 Source Law

12 Sec. 6. (a) The district is governed by a board
13 of five directors.

14 (d) Permanent directors serve staggered
15 four-year terms.

16 Revisor's Note

17 (1) Section 6(d), Chapter 772, Acts of the 78th
18 Legislature, Regular Session, 2003, refers to
19 "[p]ermanent" directors. Sections 6, 7, and 9 of
20 Chapter 772 refer to "temporary," "initial," and
21 "permanent" directors to distinguish between the
22 "temporary" directors appointed by the Brazoria County
23 Commissioners Court, the directors who immediately
24 succeeded the "temporary" directors after the first
25 election of directors, and subsequently serving
26 directors. Because the revised law omits provisions
27 regarding "temporary" and "initial" directors as
28 executed (see the revisor's notes at the end of this
29 subchapter), the revised law also omits "permanent"
30 because it does not contribute to the clear meaning of
31 the law.

32 (2) Section 6(e), Chapter 772, Acts of the 78th
33 Legislature, Regular Session, 2003, provides that a
34 director must qualify to serve in the manner provided
35 by Section 36.055, Water Code. The revised law omits
36 the provision because Section 36.055, Water Code,
37 applies to the district under Section 8826.101 of this

1 chapter and Section 36.001(1), Water Code. The
2 omitted law reads:

3 (e) Each director must qualify to
4 serve as director in the manner provided by
5 Section 36.055, Water Code.

6 (3) Section 6(f), Chapter 772, Acts of the 78th
7 Legislature, Regular Session, 2003, provides that a
8 director serves until a successor has qualified. The
9 revised law omits the provision because it duplicates
10 Section 17, Article XVI, Texas Constitution, which
11 provides that an officer in this state continues to
12 perform the officer's official duties until a
13 successor has qualified. The omitted law reads:

14 (f) A director serves until the
15 director's successor has qualified.

16 Revised Law

17 Sec. 8826.052. ELECTION OF DIRECTORS. (a) Directors are
18 elected according to the commissioners precinct method as provided
19 by this section.

20 (b) One director is elected by the voters of the entire
21 district. One director is elected from each county commissioners
22 precinct by the voters of that precinct.

23 (c) A person shall indicate on the application for a place
24 on the ballot:

25 (1) the precinct that the person seeks to represent;

26 or

27 (2) that the person seeks to represent the district at
28 large.

29 (d) When the boundaries of the county commissioners
30 precincts are redrawn under Section 18, Article V, Texas
31 Constitution, a director in office on the effective date of the
32 change, or elected or appointed before the effective date of the
33 change to a term of office beginning on or after the effective date
34 of the change, shall serve the term or the remainder of the term in
35 the precinct to which elected or appointed even though the change in
36 boundaries places the director's residence outside the precinct for

1 which the director was elected or appointed. (Acts 78th Leg., R.S.,
2 Ch. 772, Secs. 8(a), (b), (d), (e).)

3 Source Law

4 Sec. 8. (a) The directors of the district shall
5 be elected according to the commissioners precinct
6 method as provided by this section.

7 (b) One director shall be elected by the voters
8 of the entire district, and one director shall be
9 elected from each county commissioners precinct by the
10 voters of that precinct.

11 (d) A person shall indicate on the application
12 for a place on the ballot:

13 (1) the precinct that the person seeks to
14 represent; or

15 (2) that the person seeks to represent the
16 district at large.

17 (e) When the boundaries of the county
18 commissioners precincts are redrawn under Section 18,
19 Article V, Texas Constitution, a director in office on
20 the effective date of the change, or elected or
21 appointed before the effective date of the change to a
22 term of office beginning on or after the effective date
23 of the change, shall serve the term or the remainder of
24 the term in the precinct to which elected or appointed
25 even though the change in boundaries places the
26 person's residence outside the precinct for which the
27 person was elected or appointed.

28 Revised Law

29 Sec. 8826.053. ELECTION DATE. On the first Tuesday after
30 the first Monday in November of each even-numbered year, the
31 appropriate number of directors shall be elected. (Acts 78th Leg.,
32 R.S., Ch. 772, Sec. 10(b).)

33 Source Law

34 (b) On the first Tuesday after the first Monday
35 in November of each subsequent second year following
36 the election, the appropriate number of directors
37 shall be elected.

38 Revisor's Note

39 (1) Section 10(a), Chapter 772, Acts of the 78th
40 Legislature, Regular Session, 2003, prescribes the
41 election date for the first directors' election
42 following the confirmation election. Because the
43 district has been confirmed and its first permanent
44 directors have been elected, the revised law omits
45 this provision as executed. The omitted law reads:

46 Sec. 10. (a) On the first Tuesday
47 after the first Monday in November of the
48 first even-numbered year after the year in

1 which the district is authorized to be
2 created at a confirmation election, an
3 election shall be held in the district for
4 the election of three directors to serve
5 four-year terms and two directors to serve
6 two-year terms.

7 (2) Section 10(b), Chapter 772, Acts of the 78th
8 Legislature, Regular Session, 2003, requires
9 directors' elections to be held on the first Tuesday
10 after the first Monday in November "of each subsequent
11 second year following the election," meaning the first
12 directors' election. (See Revisor's Note (1) to this
13 section.) The revised law substitutes "of each
14 even-numbered year" for "of each subsequent second
15 year following the election" because the first
16 directors' election was held in November 2006, an
17 even-numbered year. As a result, subsequent
18 directors' elections will be held in even-numbered
19 years.

20 Revised Law

21 Sec. 8826.054. ELIGIBILITY. (a) To be eligible to be a
22 candidate for or to serve as director at large, a person must be a
23 registered voter in the district.

24 (b) To be eligible to be a candidate for or to serve as
25 director from a county commissioners precinct, a person must be a
26 registered voter of that precinct, except as provided by Section
27 8826.052(d). (Acts 78th Leg., R.S., Ch. 772, Sec. 8(c).)

28 Source Law

29 (c) To be eligible to be a candidate for or to
30 serve as director at large, a person must be a
31 registered voter in the district. To be a candidate
32 for or to serve as director from a county commissioners
33 precinct, a person must be a registered voter of that
34 precinct.

35 Revisor's Note

36 Section 8(c), Chapter 772, Acts of the 78th
37 Legislature, Regular Session, 2003, provides that to
38 be eligible to serve as a director from a county
39 commissioners precinct, a person must be a registered
40 voter of that precinct. For the convenience of the

1 reader, the revised law adds a cross-reference to
2 Section 8826.052(d) of this chapter because that
3 section provides for an exception to the eligibility
4 requirement when the county commissioners precincts
5 are redrawn.

6 Revisor's Note
7 (End of Subchapter)

8 (1) Sections 6(b) and (c), Chapter 772, Acts of
9 the 78th Legislature, Regular Session, 2003, refer to
10 "temporary" and "initial" directors of the district
11 and to elections under Sections 9 and 10 of that
12 chapter. The revised law omits Sections 6(b) and (c)
13 as executed because the terms of the temporary and
14 initial directors have expired and the initial
15 election for permanent directors has been held. The
16 omitted law reads:

17 (b) Temporary directors serve until
18 initial directors are elected under Section
19 9 of this Act.

20 (c) Initial directors serve until
21 permanent directors are elected under
22 Section 10 of this Act.

23 (2) Section 7, Chapter 772, Acts of the 78th
24 Legislature, Regular Session, 2003, provides for the
25 appointment of temporary directors and for filling
26 vacancies on the temporary board. Because the
27 temporary directors were appointed and the terms of
28 the temporary directors have expired, the revised law
29 omits those provisions as executed. The omitted law
30 reads:

31 Sec. 7. (a) The temporary board of
32 directors consists of:

33 (1) four members appointed by
34 the Brazoria County Commissioners Court;
35 and

36 (2) Dennis Ray Davenport, who
37 shall serve as the presiding officer.

38 (b) If a temporary director fails to
39 qualify for office or vacates the office
40 before initial directors are elected, the
41 Brazoria County Commissioners Court shall
42 appoint a new person to fill the vacancy.

2 SUBCHAPTER C. POWERS AND DUTIES

3 Revised Law

4 Sec. 8826.101. GROUNDWATER CONSERVATION DISTRICT POWERS
5 AND DUTIES. Except as provided by Section 8826.102, the district
6 has the rights, powers, privileges, functions, and duties provided
7 by the general law of this state, including Chapter 36, Water Code,
8 applicable to groundwater conservation districts created under
9 Section 59, Article XVI, Texas Constitution. (Acts 78th Leg.,
10 R.S., Ch. 772, Sec. 5 (part).)

11 Source Law

12 Sec. 5. Except as provided by Section 11 of this
13 Act, the district has all of the rights, powers,
14 privileges, authority, functions, and duties provided
15 by the general law of this state, including Chapter 36,
16 Water Code, applicable to groundwater conservation
17 districts created under Section 59, Article XVI, Texas
18 Constitution. . . .

19 Revisor's Note

20 Section 5, Chapter 772, Acts of the 78th
21 Legislature, Regular Session, 2003, refers to the
22 "rights, powers, privileges, [and] authority" of the
23 district. The revised law omits the reference to
24 "authority" because, in context, "authority" is
25 included in the meaning of "rights, powers, [and]
26 privileges."

27 Revised Law

28 Sec. 8826.102. LIMITATIONS ON DISTRICT POWERS. The
29 district may not:

- 30 (1) impose a tax of any type;
31 (2) exercise the power of eminent domain;
32 (3) acquire land;
33 (4) issue or sell bonds; or
34 (5) purchase, sell, transport, or distribute surface
35 water or groundwater. (Acts 78th Leg., R.S., Ch. 772, Sec. 11(a).)

36 Source Law

37 Sec. 11. (a) The district may not for any
38 purpose:

- 1 (1) impose a tax of any type;
2 (2) exercise the power of eminent domain;
3 (3) acquire land;
4 (4) issue or sell bonds; or
5 (5) purchase, sell, transport, or
6 distribute surface water or groundwater.

7 Revisor's Note

8 Section 11(a), Chapter 772, Acts of the 78th
9 Legislature, Regular Session, 2003, provides that the
10 district may not "for any purpose" exercise certain
11 powers. The revised law omits the quoted language
12 because it does not contribute to the clear meaning of
13 the law.

14 Revised Law

15 Sec. 8826.103. WELLS EXEMPT FROM REGULATION. (a) For a new
16 or existing water well on private property that serves only a
17 single-family dwelling used only for domestic purposes, the
18 district may not:

- 19 (1) assess or collect a fee of any type; or
20 (2) require that a meter be placed on the well.

21 (b) For a new or existing water well used only for
22 agriculture, as that term is defined by Section 36.001, Water Code,
23 the district may not:

- 24 (1) assess or collect a fee of any type; or
25 (2) require that a meter be placed on the well. (Acts

26 78th Leg., R.S., Ch. 772, Secs. 11(b), (c).)

27 Source Law

28 (b) For a new or existing water well on private
29 property that serves only a single-family dwelling
30 used only for domestic purposes, the district may not:

- 31 (1) assess or collect a fee of any type; or
32 (2) require that a meter be placed on the
33 well.

34 (c) For a new or existing water well used only
35 for agriculture, as that term is defined by Section
36 36.001, Water Code, the district may not:

- 37 (1) assess or collect a fee of any type; or
38 (2) require that a meter be placed on the
39 well.

40 [Sections 8826.104-8826.150 reserved for expansion]

41 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

42 Revised Law

43 Sec. 8826.151. FEES. Unless exempt under this chapter or

1 Chapter 36, Water Code, the board may establish by schedule and
2 impose:

- 3 (1) a production fee under Section 36.205, Water Code;
4 (2) an export fee for groundwater transferred out of
5 the district in an amount not to exceed 150 percent of the maximum
6 wholesale water rate charged by the City of Houston; and
7 (3) other fees as authorized by Chapter 36, Water
8 Code. (Acts 78th Leg., R.S., Ch. 772, Sec. 12.)

9 Source Law

10 Sec. 12. Unless exempt under this Act or Chapter
11 36, Water Code, the board may establish by schedule and
12 impose:

- 13 (1) a production fee under Section 36.205,
14 Water Code;
15 (2) an export fee for groundwater
16 transferred out of the district in an amount not to
17 exceed 150 percent of the maximum wholesale water rate
18 charged by the City of Houston; and
19 (3) other fees as authorized by Chapter
20 36, Water Code.

21 Revisor's Note
22 (End of Chapter)

23 (1) Section 13, Chapter 772, Acts of the 78th
24 Legislature, Regular Session, 2003, recites
25 legislative findings regarding procedural
26 requirements for legislation affecting the district
27 under the constitution and other laws and rules,
28 including proper legal notice and the filing of
29 recommendations. The revised law omits those
30 provisions as executed. The omitted law reads:

31 Sec. 13. (a) The proper and legal
32 notice of the intention to introduce this
33 Act, setting forth the general substance of
34 this Act, has been published as provided by
35 law, and the notice and a copy of this Act
36 have been furnished to all persons,
37 agencies, officials, or entities to which
38 they are required to be furnished by the
39 constitution and other laws of this state,
40 including the governor, who has submitted
41 the notice and Act to the Texas Commission
42 on Environmental Quality.

43 (b) The Texas Commission on
44 Environmental Quality has filed its
45 recommendations relating to this Act with
46 the governor, lieutenant governor, and
47 speaker of the house of representatives
48 within the required time.

49 (c) All requirements of the

1 constitution and laws of this state and the
2 rules and procedures of the legislature
3 with respect to notice, introduction, and
4 passage of this Act are fulfilled and
5 accomplished.

6 (2) Section 15(b), Chapter 772, Acts of the 78th
7 Legislature, Regular Session, 2003, contains
8 transition language regarding the expiration of the
9 act if the district is not confirmed at a confirmation
10 election before a certain date. The revised law omits
11 the provision as executed because the district was
12 confirmed within the required period. The omitted law
13 reads:

14 (b) If the creation of the district
15 is not confirmed at a confirmation election
16 held under Section 9 of this Act before
17 December 31, 2006, this Act expires on that
18 date.

1 CHAPTER 8827. BREWSTER COUNTY GROUNDWATER CONSERVATION DISTRICT

2 SUBCHAPTER A. GENERAL PROVISIONS

3 Revised Law

4 Sec. 8827.001. DEFINITIONS. In this chapter:

5 (1) "Board" means the district's board of directors.

6 (2) "Commissioners court" means the Brewster County
7 Commissioners Court.

8 (3) "Director" means a board member.

9 (4) "District" means the Brewster County Groundwater
10 Conservation District. (Acts 77th Leg., R.S., Ch. 1291, Sec. 2;
11 New.)

12 Source Law

13 Sec. 2. In this Act, "district" means the
14 Brewster County Groundwater Conservation District.

15 Revisor's Note

16 The definitions of "board," "commissioners
17 court," and "director" are added to the revised law for
18 drafting convenience and to eliminate frequent,
19 unnecessary repetition of the substance of the
20 definitions.

21 Revised Law

22 Sec. 8827.002. NATURE OF DISTRICT. The district is a
23 groundwater conservation district in Brewster County created under
24 and essential to accomplish the purposes of Section 59, Article
25 XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 1291, Secs.
26 1(a) (part), (b).)

27 Source Law

28 Sec. 1. (a) A groundwater conservation
29 district, to be known as the Brewster County
30 Groundwater Conservation District, is created in
31 Brewster County,

32 (b) The district is created under and is
33 essential to accomplish the purposes of Section 59,
34 Article XVI, Texas Constitution.

35 Revisor's Note

36 (1) Section 1(a), Chapter 1291, Acts of the 77th
37 Legislature, Regular Session, 2001, refers to a
38 confirmation election. Because the confirmation

1 election has already been held, the revised law omits
2 the provision as executed. The omitted law reads:

3 (a) . . . subject to approval at a
4 confirmation election under Section 9 of
5 this Act. . . .

6 (2) Section 1(a), Chapter 1291, Acts of the 77th
7 Legislature, Regular Session, 2001, provides that the
8 district is a governmental agency and a body politic
9 and corporate. The revised law omits the provision
10 because it duplicates a portion of Section 59(b),
11 Article XVI, Texas Constitution, which provides that a
12 conservation and reclamation district is a
13 governmental agency and a body politic and corporate.
14 The omitted law reads:

15 (a) . . . The district is a
16 governmental agency and a body politic and
17 corporate.

18 Revised Law

19 Sec. 8827.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
20 district is created to serve a public use and benefit.

21 (b) All land and other property included in the district
22 will benefit from the works and projects accomplished by the
23 district under the powers conferred by Section 59, Article XVI,
24 Texas Constitution. (Acts 77th Leg., R.S., Ch. 1291, Sec. 4.)

25 Source Law

26 Sec. 4. All of the land and other property
27 included within the boundaries of the district will be
28 benefited by the works and projects that are to be
29 accomplished by the district under powers conferred by
30 Section 59, Article XVI, Texas Constitution. The
31 district is created to serve a public use and benefit.

32 Revised Law

33 Sec. 8827.004. DISTRICT TERRITORY. The district's
34 boundaries are coextensive with the boundaries of Brewster County
35 unless the district's territory has been modified under:

36 (1) Subchapter J, Chapter 36, Water Code; or

37 (2) other law. (Acts 77th Leg., R.S., Ch. 1291, Sec.
38 3; New.)

1 Legislature, Regular Session, 2001, provides that
2 certain provisions of the Water Code prevail over a
3 conflicting or inconsistent provision of the act.
4 Chapter 36, Water Code, applies to the district under
5 Section 8827.101 of this chapter and Section
6 36.001(1), Water Code. The revised law omits Section
7 5(b) because it substantially duplicates Section
8 36.052, Water Code, which provides that the same
9 provisions of the Water Code provided for under
10 Section 5(b), in addition to Section 36.107, Water
11 Code, prevail over a conflicting or inconsistent
12 provision of a special law that governs a specific
13 district. Although Section 5(b) does not reference
14 Section 36.107, Water Code, that section of Chapter 36
15 is not in conflict, or inconsistent, with any
16 provision of this chapter. The omitted law reads:

17 (b) Notwithstanding Subsection (a),
18 the following provisions prevail over a
19 conflicting or inconsistent provision of
20 this Act:

21 (1) Sections 36.1071-36.108,
22 Water Code;

23 (2) Sections 36.159-36.161,
24 Water Code; and

25 (3) Subchapter I, Chapter 36,
26 Water Code.

27 (3) Section 9, Chapter 1291, Acts of the 77th
28 Legislature, Regular Session, 2001, provides
29 procedures for holding an election to confirm the
30 establishment of the district. Because the district
31 has been confirmed, the revised law omits those
32 provisions as executed. The omitted law reads:

33 Sec. 9. (a) The initial board of
34 directors shall call and hold an election to
35 confirm establishment of the district.

36 (b) Section 41.001(a), Election
37 Code, does not apply to a confirmation
38 election held as provided by this section.

39 (c) If a majority of the votes cast at
40 the election favor the establishment of the
41 district, the temporary directors shall
42 declare the district created. If a majority
43 of the votes cast at the election are
44 against the establishment of the district,
45 the temporary directors shall declare the

1 district defeated. The temporary directors
2 shall file a copy of the election results
3 with the Texas Natural Resource
4 Conservation Commission.

5 (d) If a majority of the votes cast at
6 the election are against the establishment
7 of the district, the temporary directors
8 may call and hold a subsequent election to
9 confirm establishment of the district. A
10 subsequent election may not be held earlier
11 than the first anniversary of the date on
12 which the previous election was held. If the
13 establishment of the district is not
14 confirmed at an election held under this
15 section on or before the second anniversary
16 of the effective date of this Act, this Act
17 expires.

18 (e) Except as provided by this
19 section, a confirmation election must be
20 conducted as provided by Sections
21 36.017(b)-(h), Water Code, and the Election
22 Code.

23 [Sections 8827.006-8827.050 reserved for expansion]

24 SUBCHAPTER B. BOARD OF DIRECTORS

25 Revised Law

26 Sec. 8827.051. COMPOSITION OF BOARD; TERMS. (a) The
27 district is governed by a board of seven directors appointed by the
28 commissioners court.

29 (b) The board is composed of:

30 (1) three directors who represent the municipalities
31 or population centers of Alpine, Lajitas, Marathon, Study Butte,
32 and Terlingua;

33 (2) three directors who represent the rural part of
34 Brewster County, exclusive of the municipalities or population
35 centers of Alpine, Lajitas, Marathon, Study Butte, and Terlingua;
36 and

37 (3) one director who represents Brewster County at
38 large.

39 (c) A director described by Subsection (b)(1) must reside in
40 or in the immediate area of a municipality or population center
41 listed in that subsection.

42 (d) At least one director must reside in each county
43 commissioners precinct.

44 (e) Directors serve staggered three-year terms. (Acts 77th
45 Leg., R.S., Ch. 1291, Secs. 7(a), (b), (c), (d), (f).)

1 executed because the terms of the initial directors
2 have expired.

3 (4) Section 7(g), Chapter 1291, Acts of the 77th
4 Legislature, Regular Session, 2001, provides that a
5 director serves until a successor has qualified. The
6 revised law omits the provision because it duplicates
7 Section 17, Article XVI, Texas Constitution, which
8 provides that an officer in this state continues to
9 perform the officer's official duties until a
10 successor has qualified. The omitted law reads:

11 (g) A director serves until the
12 director's successor has qualified.

13 Revised Law

14 Sec. 8827.052. APPOINTMENT OF DIRECTORS. The commissioners
15 court shall appoint a director to succeed a director on or before
16 the date the director's term expires. (Acts 77th Leg., R.S., Ch.
17 1291, Sec. 7(i).)

18 Source Law

19 (i) The commissioners court shall appoint a
20 director to succeed a director on or before the date
21 the director's term expires.

22 Revised Law

23 Sec. 8827.053. BOARD VACANCY. If there is a vacancy on the
24 board, the commissioners court shall appoint a director to serve
25 the remainder of the term. (Acts 77th Leg., R.S., Ch. 1291, Sec.
26 7(h).)

27 Source Law

28 (h) If there is a vacancy on the board, the
29 commissioners court shall appoint a director to serve
30 the remainder of the term.

31 Revised Law

32 Sec. 8827.054. COMPENSATION; EXPENSES. A director may not
33 receive a salary or other compensation for service as a director but
34 may be reimbursed for actual expenses of attending meetings at the
35 rate in effect for employees of Brewster County. (Acts 77th Leg.,
36 R.S., Ch. 1291, Sec. 7(j).)

1 in context, "authority" is included in the meaning of
2 "rights, powers, [and] privileges."

3 Revised Law

4 Sec. 8827.102. LIMITATIONS ON DISTRICT POWERS RELATING TO
5 REAL PROPERTY. Notwithstanding other law:

6 (1) the district may not exercise the power of eminent
7 domain; and

8 (2) an agent or employee of the district may not enter
9 private property without the permission of the landowner or the
10 landowner's agent except to inspect a permitted well and to ensure
11 compliance with district rules. (Acts 77th Leg., R.S., Ch. 1291,
12 Sec. 6.)

13 Source Law

14 Sec. 6. Notwithstanding other law or another
15 provision of this Act:

16 (1) the district may not exercise the
17 power of eminent domain; and

18 (2) an agent or employee of the district
19 may not enter private property without the permission
20 of the landowner or the landowner's agent except to
21 inspect a permitted well and to ensure compliance with
22 district rules.

23 Revised Law

24 Sec. 8827.103. GROUNDWATER TRANSFER RESTRICTIONS AND FEES.

25 (a) The district may limit and impose fees on the transfer of
26 groundwater out of the district if, after public notice and a
27 hearing and in accordance with district rules, the district finds
28 that restrictions or fees on transfer are in the district's best
29 interests.

30 (b) In making the determination under Subsection (a), the
31 district shall consider:

32 (1) the availability of water in the district and in
33 the receiving area during the period for which the proposed water
34 transfer is requested;

35 (2) the availability of feasible and practicable
36 alternative supplies to the applicant proposing the transfer;

37 (3) the amount and proposed use of the transferred
38 water in the receiving area;

1 (4) the projected effect of the proposed transfer on
2 aquifer conditions, depletion, or subsidence or effects on existing
3 permit holders or other groundwater users within the district;

4 (5) the projected environmental and economic effects
5 on the district; and

6 (6) the compatibility of the proposed transfer with
7 the approved regional plan and certified district management plan.

8 (Acts 77th Leg., R.S., Ch. 1291, Sec. 5(c).)

9 Source Law

10 (c) The district has the power to limit and to
11 impose fees on the transfer of groundwater out of the
12 district if, after public notice and a hearing and in
13 accordance with district rules, the district finds
14 that restrictions or fees on transfer are in the
15 district's best interests. In making the
16 determination, the district shall consider:

17 (1) the availability of water in the
18 district and in the receiving area during the period
19 for which the proposed water transfer is requested;

20 (2) the availability of feasible and
21 practicable alternative supplies to the applicant
22 proposing the transfer;

23 (3) the amount and proposed use of the
24 transferred water in the receiving area;

25 (4) the projected effect of the proposed
26 transfer on aquifer conditions, depletion,
27 subsidence, or effects on existing permit holders or
28 other groundwater users within the district;

29 (5) the projected environmental and
30 economic effects on the district; and

31 (6) the compatibility of the proposed
32 transfer with the approved regional plan and certified
33 district management plan.

34 Revisor's Note
35 (End of Chapter)

36 Section 11, Chapter 1291, Acts of the 77th
37 Legislature, Regular Session, 2001, recites
38 legislative findings regarding procedural
39 requirements for legislation affecting the district
40 under the constitution and other laws and rules,
41 including proper legal notice and the filing of
42 recommendations. The revised law omits those
43 provisions as executed. The omitted law reads:

44 Sec. 11. (a) The proper and legal
45 notice of the intention to introduce this
46 Act, setting forth the general substance of
47 this Act, has been published as provided by
48 law, and the notice and a copy of this Act
49 have been furnished to all persons,

1 agencies, officials, or entities to which
2 they are required to be furnished by the
3 constitution and other laws of this state,
4 including the governor, who has submitted
5 the notice and Act to the Texas Natural
6 Resource Conservation Commission.

7 (b) The Texas Natural Resource
8 Conservation Commission has filed its
9 recommendations relating to this Act with
10 the governor, lieutenant governor, and
11 speaker of the house of representatives
12 within the required time.

13 (c) All requirements of the
14 constitution and laws of this state and the
15 rules and procedures of the legislature
16 with respect to the notice, introduction,
17 and passage of this Act are fulfilled and
18 accomplished.

41 Sec. 8828.151. DISTRICT REVENUE 2106

1 CHAPTER 8828. CLEAR FORK GROUNDWATER CONSERVATION DISTRICT

2 SUBCHAPTER A. GENERAL PROVISIONS

3 Revised Law

4 Sec. 8828.001. DEFINITIONS. In this chapter:

5 (1) "Board" means the district's board of directors.

6 (2) "Director" means a board member.

7 (3) "District" means the Clear Fork Groundwater
8 Conservation District. (Acts 77th Leg., R.S., Ch. 1474, Sec. 2;
9 New.)

10 Source Law

11 Sec. 2. In this Act, "district" means the Clear
12 Fork Groundwater Conservation District.

13 Revisor's Note

14 The definitions of "board" and "director" are
15 added to the revised law for drafting convenience and
16 to eliminate frequent, unnecessary repetition of the
17 substance of the definition.

18 Revised Law

19 Sec. 8828.002. NATURE OF DISTRICT. The district is a
20 groundwater conservation district in Fisher County created under
21 and essential to accomplish the purposes of Section 59, Article
22 XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 1474, Secs.
23 1(a) (part), (b).)

24 Source Law

25 Sec. 1. (a) A groundwater conservation
26 district, to be known as the Clear Fork Groundwater
27 Conservation District, is created in Fisher
28 County,

29 (b) The district is created under and is
30 essential to accomplish the purposes of Section 59,
31 Article XVI, Texas Constitution.

32 Revisor's Note

33 (1) Section 1(a), Chapter 1474, Acts of the 77th
34 Legislature, Regular Session, 2001, refers to a
35 confirmation election. Because the confirmation
36 election has already been held, the revised law omits
37 the provision as executed. The omitted law reads:

38 (a) . . . subject to approval at a

1 confirmation election under Section 9 of
2 this Act. . . .

3 (2) Section 1(a), Chapter 1474, Acts of the 77th
4 Legislature, Regular Session, 2001, provides that the
5 district is a governmental agency and a body politic
6 and corporate. The revised law omits the provision
7 because it duplicates a portion of Section 59(b),
8 Article XVI, Texas Constitution, which provides that a
9 conservation and reclamation district is a
10 governmental agency and a body politic and corporate.
11 The omitted law reads:

12 (a) . . . The district is a
13 governmental agency and a body politic and
14 corporate.

15 Revised Law

16 Sec. 8828.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
17 district is created to serve a public use and benefit.

18 (b) All land and other property included in the district
19 will benefit from the works and projects accomplished by the
20 district under the powers conferred by Section 59, Article XVI,
21 Texas Constitution. (Acts 77th Leg., R.S., Ch. 1474, Sec. 4.)

22 Source Law

23 Sec. 4. All of the land and other property
24 included within the boundaries of the district will be
25 benefited by the works and projects that are to be
26 accomplished by the district under powers conferred by
27 Section 59, Article XVI, Texas Constitution. The
28 district is created to serve a public use and benefit.

29 Revised Law

30 Sec. 8828.004. DISTRICT TERRITORY. The district's
31 boundaries are coextensive with the boundaries of Fisher County,
32 Texas, unless the district's territory has been modified under:

- 33 (1) Subchapter J, Chapter 36, Water Code; or
34 (2) other law. (Acts 77th Leg., R.S., Ch. 1474, Sec.
35 3; New.)

36 Source Law

37 Sec. 3. The boundaries of the district are
38 coextensive with the boundaries of Fisher County,
39 Texas.

1 Revisor's Note

2 The revision of the law governing the district
3 revises the statutory language describing the
4 territory of the district. Because the district's
5 boundaries are subject to change, that description may
6 not be accurate on the effective date of the revision
7 or at the time of a later reading. For the reader's
8 convenience, the revised law includes a reference to
9 the authority to change the district's territory under
10 Subchapter J, Chapter 36, Water Code, applicable to
11 groundwater conservation districts, and to the general
12 authority of the legislature to enact other laws to
13 change the district's territory.

14 Revised Law

15 Sec. 8828.005. DISTRICT NAME CHANGE. The board may change
16 the district's name when the district annexes territory. (Acts
17 77th Leg., R.S., Ch. 1474, Sec. 13.)

18 Source Law

19 Sec. 13. The board of directors may change the
20 district's name when the district annexes territory.

21 Revised Law

22 Sec. 8828.006. CONFLICTS OF LAW. (a) Except as otherwise
23 provided by this chapter, if there is a conflict between this
24 chapter and Chapter 36 or 49, Water Code, this chapter controls.

25 (b) If there is a conflict between Chapters 36 and 49, Water
26 Code, Chapter 36 controls. (Acts 77th Leg., R.S., Ch. 1474, Sec.
27 12.)

28 Source Law

29 Sec. 12. Except as otherwise provided by this
30 Act, if there is a conflict between this Act and
31 Chapter 36 or 49, Water Code, this Act controls. If
32 there is a conflict between Chapters 36 and 49, Water
33 Code, Chapter 36 controls.

34 Revisor's Note
35 (End of Subchapter)

36 (1) Section 5(a), Chapter 1474, Acts of the 77th
37 Legislature, Regular Session, 2001, provides that the

1 act prevails over general law in case of a conflict or
2 other inconsistency. The revised law omits the
3 provision because it duplicates, in substance, Section
4 311.026, Government Code (Code Construction Act). The
5 omitted law reads:

6 (a) . . . This Act prevails over any
7 provision of general law that is in conflict
8 or inconsistent with this Act.

9 (2) Section 9, Chapter 1474, Acts of the 77th
10 Legislature, Regular Session, 2001, provides
11 procedures for holding an election to confirm the
12 establishment and taxing authority of the district and
13 to elect the initial directors of the district.
14 Because the district and its taxing authority have
15 been confirmed and its initial directors have been
16 elected, the revised law omits those provisions as
17 executed. The omitted law reads:

18 Sec. 9. (a) The temporary board of
19 directors shall call and hold an election to
20 confirm establishment of the district, to
21 confirm the district's taxing authority,
22 and to elect initial directors. The initial
23 confirmation election must be held:

24 (1) before the second
25 anniversary of the effective date of this
26 Act; and

27 (2) concurrently with another
28 election held by a political subdivision.

29 (b) At the confirmation and initial
30 directors' election, the temporary board of
31 directors shall have placed on the ballot
32 the name of any candidate filing for an
33 initial director's position and blank
34 spaces to write in the names of other
35 persons. A temporary director who is
36 qualified to be a candidate under Section 8
37 of this Act may file for an initial
38 director's position.

39 (c) If the district is created at the
40 election, the temporary board of directors,
41 at the time the vote is canvassed, shall:

42 (1) declare the qualified
43 person who receives the most votes for each
44 position to be elected as the initial
45 director for that position; and

46 (2) include the results of the
47 initial directors' election in the
48 district's election report to the Texas
49 Natural Resource Conservation Commission.

50 (d) Section 41.001(a), Election
51 Code, does not apply to a confirmation and
52 initial directors' election held as
53 provided by this section.

1 (e) Except as provided by this
2 section, a confirmation and initial
3 directors' election must be conducted as
4 provided by Sections 36.017(b)-(h), Water
5 Code, and the Election Code.

6 (f) If the initial confirmation
7 election fails to confirm the district, the
8 temporary board of directors may hold
9 additional confirmation elections as it
10 deems necessary no less than one year apart
11 and in accordance with other provisions of
12 this section.

13 (g) If the creation of the district
14 is not confirmed at a confirmation election
15 held under this section before the fourth
16 anniversary of the effective date of this
17 Act, this Act expires on that date.

18 [Sections 8828.007-8828.050 reserved for expansion]

19 SUBCHAPTER B. BOARD OF DIRECTORS

20 Revised Law

21 Sec. 8828.051. COMPOSITION OF BOARD; TERMS. (a) The
22 district is governed by a board of five directors.

23 (b) Directors serve staggered four-year terms. (Acts 77th
24 Leg., R.S., Ch. 1474, Secs. 6(a), (d).)

25 Source Law

26 Sec. 6. (a) The district is governed by a board
27 of five directors.

28 (d) Permanent directors serve staggered
29 four-year terms.

30 Revisor's Note

31 (1) Section 6(d), Chapter 1474, Acts of the 77th
32 Legislature, Regular Session, 2001, refers to
33 "permanent" directors to distinguish between the
34 "temporary" directors, the "initial" directors who
35 immediately succeeded the "temporary" directors after
36 the first election of directors, and subsequently
37 serving directors. Because the revised law omits
38 provisions regarding "temporary" and "initial"
39 directors as executed (see the revisor's notes at the
40 end of this subchapter), the revised law also omits
41 "permanent" because it does not contribute to the
42 clear meaning of the law.

43 (2) Section 6(e), Chapter 1474, Acts of the 77th
44 Legislature, Regular Session, 2001, provides that a

1 director must qualify to serve in the manner provided
2 by Section 36.055, Water Code. The revised law omits
3 this provision because Section 36.055, Water Code,
4 applies to the district under Section 8828.101 of this
5 chapter and Section 36.001(1), Water Code. The
6 omitted law reads:

7 (e) Each director must qualify to
8 serve as director in the manner provided by
9 Section 36.055, Water Code.

10 (3) Section 6(f), Chapter 1474, Acts of the 77th
11 Legislature, Regular Session, 2001, provides that a
12 director serves until a successor has qualified. The
13 revised law omits the provision because it duplicates
14 Section 17, Article XVI, Texas Constitution, which
15 provides that an officer in this state continues to
16 perform the officer's official duties until a
17 successor has qualified. The omitted law reads:

18 (f) A director serves until the
19 director's successor has qualified.

20 Revised Law

21 Sec. 8828.052. ELECTION OF DIRECTORS. (a) Directors are
22 elected according to the commissioners precinct method as provided
23 by this section.

24 (b) One director is elected by the voters of the entire
25 district. One director is elected from each county commissioners
26 precinct by the voters of that precinct.

27 (c) A person shall indicate on the application for a place
28 on the ballot:

29 (1) the precinct that the person seeks to represent;
30 or

31 (2) that the person seeks to represent the district at
32 large.

33 (d) At the first election of the district after the county
34 commissioners precincts are redrawn under Section 18, Article V,
35 Texas Constitution, a new director is elected from each precinct.
36 The directors shall draw lots to determine which two directors

1 shall serve two-year terms and which two directors shall serve
2 four-year terms. (Acts 77th Leg., R.S., Ch. 1474, Secs. 8(a), (b),
3 (d), (e).)

4 Source Law

5 Sec. 8. (a) The directors of the district shall
6 be elected according to the commissioners precinct
7 method as provided by this section.

8 (b) One director shall be elected by the
9 electors of the entire district, and one director
10 shall be elected from each county commissioners
11 precinct by the electors of that precinct.

12 (d) A person shall indicate on the application
13 for a place on the ballot:

14 (1) the precinct that the person seeks to
15 represent; or

16 (2) that the person seeks to represent the
17 district at large.

18 (e) At the first election of the district after
19 the county commissioners precincts are redrawn under
20 Section 18, Article V, Texas Constitution, four new
21 directors shall be elected to represent the precincts.
22 The directors elected shall draw lots to determine
23 which two directors serve two-year terms and which two
24 directors serve four-year terms.

25 Revisor's Note

26 Section 8(b), Chapter 1474, Acts of the 77th
27 Legislature, Regular Session, 2001, refers to the
28 "electors" of the entire district or of a county
29 commissioners precinct in the district. The revised
30 law substitutes "voters" for "electors" because the
31 former is the term used in the Election Code.

32 Revised Law

33 Sec. 8828.053. ELECTION DATE. The district shall hold an
34 election in the district to elect directors on the uniform election
35 date in May of each even-numbered year. (Acts 77th Leg., R.S., Ch.
36 1474, Sec. 10(b).)

37 Source Law

38 (b) On the first Saturday in May of each
39 subsequent second year following the election, the
40 appropriate number of directors shall be elected.

41 Revisor's Note

42 (1) Section 10(a), Chapter 1474, Acts of the
43 77th Legislature, Regular Session, 2001, prescribes
44 the election date for the first directors' election

1 following the confirmation election. Because the
2 district has been confirmed and its first permanent
3 directors have been elected, the revised law omits
4 this provision as executed. The omitted law reads:

5 Sec. 10. (a) On the first Saturday
6 in May of the second year after the year in
7 which the district is authorized to be
8 created at a confirmation election, an
9 election shall be held in the district for
10 the election of directors for Precincts 1
11 and 3 to serve two-year terms and directors
12 for Precincts 2 and 4 and for the district
13 at large to serve four-year terms.

14 (2) Section 10(b), Chapter 1474, Acts of the
15 77th Legislature, Regular Session, 2001, required
16 board elections on the "first Saturday in May of each
17 subsequent second year following the election,"
18 meaning the first election of permanent directors (see
19 Revisor's Note (1)). From 1987 to 2003, Section
20 41.001, Election Code, provided for a uniform election
21 date for all political subdivisions on the first
22 Saturday in May. Chapter 1315, Acts of the 78th
23 Legislature, Regular Session, 2003, amended Section
24 41.001 to change the uniform election date in May to
25 the third Saturday in May. Chapter 1, Acts of the 78th
26 Legislature, 3rd Called Session, 2003, amended Section
27 41.001 to change the uniform election date in May back
28 to the first Saturday in May. Chapter 471, Acts of the
29 79th Legislature, Regular Session, 2005, amended
30 Section 41.001 to change the uniform election date in
31 May to the second Saturday in May. The revised law
32 substitutes "uniform election date in May" for "first
33 Saturday in May" to reflect those changes and to
34 preserve the legislative intent that the election be
35 held on the uniform election date in May.

36 The revised law also substitutes "each
37 even-numbered year" for "each subsequent second year
38 following the election" because the confirmation

1 election was held November 5, 2002, and the first
2 election of permanent directors was held on May 1,
3 2004, an even-numbered year. As a result, subsequent
4 directors' elections will be held in even-numbered
5 years.

6 Revised Law

7 Sec. 8828.054. QUALIFICATIONS FOR OFFICE. (a) To be
8 qualified to be a candidate for or to serve as director at large, a
9 person must be a registered voter in the district.

10 (b) To be a candidate for or to serve as director from a
11 county commissioners precinct, a person must be a registered voter
12 of that precinct. (Acts 77th Leg., R.S., Ch. 1474, Sec. 8(c).)

13 Source Law

14 (c) To be qualified to be a candidate for or to
15 serve as director at large, a person must be a
16 registered voter in the district. To be a candidate
17 for or to serve as director from a county commissioners
18 precinct, a person must be a registered voter of that
19 precinct.

20 Revised Law

21 Sec. 8828.055. BOARD VACANCY. (a) The board shall appoint
22 a replacement to fill a vacancy in the office of any director.

23 (b) The appointed replacement serves until the next
24 directors' election.

25 (c) If the position is not scheduled to be filled at the next
26 election, the person elected to fill the position serves only for
27 the remainder of the unexpired term. (Acts 77th Leg., R.S., Ch.
28 1474, Sec. 6(g).)

29 Source Law

30 (g) A vacancy in the office of director shall be
31 filled by appointment of the board until the next
32 election for directors. If the position is not
33 scheduled to be filled at the next election, the person
34 elected in that election to fill the position shall
35 serve only for the remainder of the unexpired term.

36 Revisor's Note
37 (End of Subchapter)

38 (1) Sections 6(b) and (c), Chapter 1474, Acts of
39 the 77th Legislature, Regular Session, 2001, refer to
40 "temporary" and "initial" directors of the district

1 and to elections under Sections 9 and 10 of that
2 chapter. The revised law omits Sections 6(b) and (c)
3 as executed because the terms of the temporary and
4 initial directors have expired and the initial
5 election for permanent directors has been held. The
6 omitted law reads:

7 (b) Temporary directors serve until
8 initial directors are elected under Section
9 9 of this Act.

10 (c) Initial directors serve until
11 permanent directors are elected under
12 Section 10 of this Act.

13 (2) Section 7, Chapter 1474, Acts of the 77th
14 Legislature, Regular Session, 2001, names the
15 temporary directors and provides for filling vacancies
16 on the temporary board. Because the terms of the
17 temporary directors have expired, the revised law
18 omits those provisions as executed. The omitted law
19 reads:

20 Sec. 7. (a) The temporary board of
21 directors consists of:

- 22 (1) Ted Posey;
- 23 (2) Jimmy Counts;
- 24 (3) Freddie Stuart;
- 25 (4) Justin Hansard; and
- 26 (5) Jeff Posey.

27 (b) If a temporary director fails to
28 qualify for office, the temporary directors
29 who have qualified shall appoint a person to
30 fill the vacancy. If at any time there are
31 fewer than three qualified temporary
32 directors, the Texas Natural Resource
33 Conservation Commission shall appoint the
34 necessary number of persons to fill all
35 vacancies on the board.

37 SUBCHAPTER C. POWERS AND DUTIES

38 Revised Law

39 Sec. 8828.101. GROUNDWATER CONSERVATION DISTRICT POWERS
40 AND DUTIES. Except as provided by this chapter, the district has
41 the rights, powers, privileges, functions, and duties provided by
42 the general law of this state, including Chapter 36, Water Code,
43 applicable to groundwater conservation districts created under
44 Section 59, Article XVI, Texas Constitution. (Acts 77th Leg.,

1 R.S., Ch. 1474, Sec. 5(a) (part).)

2 Source Law

3 Sec. 5. (a) Except as provided by this Act, the
4 district has all of the rights, powers, privileges,
5 authority, functions, and duties provided by the
6 general law of this state, including Chapter 36, Water
7 Code, applicable to groundwater conservation
8 districts created under Section 59, Article XVI, Texas
9 Constitution. . . .

10 Revisor's Note

11 Section 5(a), Chapter 1474, Acts of the 77th
12 Legislature, Regular Session, 2001, refers to the
13 "rights, powers, privileges, [and] authority" of the
14 district. The revised law omits the reference to
15 "authority" because, in context, "authority" is
16 included in the meaning of "rights, powers, [and]
17 privileges."

18 Revised Law

19 Sec. 8828.102. NO EMINENT DOMAIN POWER. The district does
20 not have the power of eminent domain. (Acts 77th Leg., R.S., Ch.
21 1474, Sec. 5(b).)

22 Source Law

23 (b) The district does not have the power of
24 eminent domain.

26 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

27 Revised Law

28 Sec. 8828.151. DISTRICT REVENUE. To pay the district's
29 maintenance and operating costs, the district may:

30 (1) impose an ad valorem tax at a rate not to exceed
31 five cents for each \$100 of taxable value of property in the
32 district;

33 (2) assess general production fees;

34 (3) solicit and accept grants from any public or
35 private source; and

36 (4) assess a transfer fee on water exported from the
37 district. (Acts 77th Leg., R.S., Ch. 1474, Sec. 11.)

20 Sec. 8829.151. DISTRICT REVENUE 2123

21 CHAPTER 8829. COASTAL BEND GROUNDWATER CONSERVATION DISTRICT

22 SUBCHAPTER A. GENERAL PROVISIONS

23 Revised Law

24 Sec. 8829.001. DEFINITIONS. In this chapter:

- 25 (1) "Board" means the district's board of directors.
- 26 (2) "Director" means a board member.
- 27 (3) "District" means the Coastal Bend Groundwater

28 Conservation District. (Acts 77th Leg., R.S., Ch. 1294, Sec. 2;
29 New.)

30 Source Law

31 Sec. 2. In this Act, "district" means the
32 Coastal Bend Groundwater Conservation District.

33 Revisor's Note

34 The definitions of "board" and "director" are
35 added to the revised law for drafting convenience and

1 to eliminate frequent, unnecessary repetition of the
2 substance of the definitions.

3 Revised Law

4 Sec. 8829.002. NATURE OF DISTRICT. The district is a
5 groundwater conservation district in Wharton County created under
6 and essential to accomplish the purposes of Section 59, Article
7 XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 1294, Secs.
8 1(a) (part), (b).)

9 Source Law

10 Sec. 1. (a) A groundwater conservation
11 district, to be known as the Coastal Bend Groundwater
12 Conservation District, is created in Wharton County,
13
14 (b) The district is created under and is
15 essential to accomplish the purposes of Section 59,
16 Article XVI, Texas Constitution.

17 Revisor's Note

18 (1) Section 1(a), Chapter 1294, Acts of the 77th
19 Legislature, Regular Session, 2001, refers to a
20 confirmation election. Because the confirmation
21 election has already been held, the revised law omits
22 the provision as executed. The omitted law reads:

23 (a) [The district is created] . . .
24 subject to approval at a confirmation
25 election under Section 10 of this Act. . . .

26 (2) Section 1(a), Chapter 1294, Acts of the 77th
27 Legislature, Regular Session, 2001, provides that the
28 district is "a governmental agency and a body politic
29 and corporate." The revised law omits the quoted
30 language because it duplicates a portion of Section
31 59(b), Article XVI, Texas Constitution, which provides
32 that a conservation and reclamation district is a
33 governmental agency and body politic and corporate.
34 The omitted law reads:

35 (a) . . . The district is a
36 governmental agency and a body politic and
37 corporate.

38 Revised Law

39 Sec. 8829.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The

1 district is created to serve a public use and benefit.

2 (b) All land and other property included in the district
3 will benefit from the works and projects accomplished by the
4 district under the powers conferred by Section 59, Article XVI,
5 Texas Constitution. (Acts 77th Leg., R.S., Ch. 1294, Sec. 4.)

6 Source Law

7 Sec. 4. All of the land and other property
8 included within the boundaries of the district will be
9 benefited by the works and projects that are to be
10 accomplished by the district under powers conferred by
11 Section 59, Article XVI, Texas Constitution. The
12 district is created to serve a public use and benefit.

13 Revised Law

14 Sec. 8829.004. DISTRICT TERRITORY. The district's
15 boundaries are coextensive with the boundaries of Wharton County,
16 Texas, unless the district's territory has been modified under:

- 17 (1) Subchapter J, Chapter 36, Water Code; or
18 (2) other law. (Acts 77th Leg., R.S., Ch. 1294, Sec.
19 3; New.)

20 Source Law

21 Sec. 3. The boundaries of the district are
22 coextensive with the boundaries of Wharton County,
23 Texas.

24 Revisor's Note

25 The revision of the law governing the district
26 revises the statutory language describing the
27 territory of the district. Because the district's
28 boundaries are subject to change, that description may
29 not be accurate on the effective date of the revision
30 or at the time of a later reading. For the reader's
31 convenience, the revised law includes a reference to
32 the authority to change the district's territory under
33 Subchapter J, Chapter 36, Water Code, applicable to
34 groundwater conservation districts, and to the general
35 authority of the legislature to enact other laws to
36 change the district's territory.

37 Revised Law

38 Sec. 8829.005. DISTRICT NAME CHANGE. The board may change

1 the district's name when the district annexes territory. (Acts
2 77th Leg., R.S., Ch. 1294, Sec. 14.)

3 Source Law

4 Sec. 14. The board of directors may change the
5 district's name when the district annexes territory.

6 Revised Law

7 Sec. 8829.006. CONFLICTS OF LAW. (a) Except as otherwise
8 provided by this chapter, if there is a conflict between this
9 chapter and Chapter 36 or 49, Water Code, this chapter controls.

10 (b) If there is a conflict between Chapters 36 and 49, Water
11 Code, Chapter 36 controls. (Acts 77th Leg., R.S., Ch. 1294, Sec.
12 13.)

13 Source Law

14 Sec. 13. Except as otherwise provided by this
15 Act, if there is a conflict between this Act and
16 Chapter 36 or 49, Water Code, this Act controls. If
17 there is a conflict between Chapters 36 and 49, Water
18 Code, Chapter 36 controls.

19 Revisor's Note
20 (End of Subchapter)

21 (1) Section 5, Chapter 1294, Acts of the 77th
22 Legislature, Regular Session, 2001, provides that the
23 act prevails over general law in case of a conflict or
24 other inconsistency. The revised law omits the
25 provision because it duplicates, in substance, Section
26 311.026, Government Code (Code Construction Act). The
27 omitted law reads:

28 Sec. 5. . . . This Act prevails over
29 any provision of general law that is in
30 conflict or inconsistent with this Act.

31 (2) Section 10, Chapter 1294, Acts of the 77th
32 Legislature, Regular Session, 2001, provides
33 procedures for holding an election to confirm the
34 establishment and taxing authority of the district and
35 to elect the district's initial board. Because the
36 district and its taxing authority have been confirmed
37 and its initial directors have been elected, the
38 revised law omits those provisions as executed. The

1 omitted law reads:

2 Sec. 10. (a) The temporary board of
3 directors shall call and hold an election to
4 confirm establishment of the district, to
5 confirm the district's taxing authority,
6 and to elect initial directors. The initial
7 confirmation election must be held:

8 (1) before the second
9 anniversary of the effective date of this
10 Act; and

11 (2) concurrently with another
12 election held by a political subdivision.

13 (b) At the confirmation and initial
14 directors' election, the temporary board of
15 directors shall have placed on the ballot
16 the name of any candidate filing for an
17 initial director's position and blank
18 spaces to write in the names of other
19 persons. A temporary director who is
20 qualified to be a candidate under Section 9
21 of this Act may file for an initial
22 director's position.

23 (c) If the district is created at the
24 election, the temporary board of directors,
25 at the time the vote is canvassed, shall:

26 (1) declare the qualified
27 person who receives the most votes for each
28 position to be elected as the initial
29 director for that position; and

30 (2) include the results of the
31 initial directors' election in the
32 district's election report to the Texas
33 Natural Resource Conservation Commission.

34 (d) Section 41.001(a), Election
35 Code, does not apply to a confirmation and
36 initial directors' election held as
37 provided by this section.

38 (e) Except as provided by this
39 section, a confirmation and initial
40 directors' election must be conducted as
41 provided by Sections 36.017(b)-(h), Water
42 Code, and the Election Code.

43 (f) If the initial confirmation
44 election fails to confirm the district, the
45 temporary board of directors may hold
46 additional confirmation elections as it
47 deems necessary no less than one year apart
48 and in accordance with other provisions of
49 this section.

50 (g) If the creation of the district
51 is not confirmed at a confirmation election
52 held under this section before the fourth
53 anniversary of the effective date of this
54 Act, this Act expires on that date.

55 [Sections 8829.007-8829.050 reserved for expansion]

56 SUBCHAPTER B. BOARD OF DIRECTORS

57 Revised Law

58 Sec. 8829.051. COMPOSITION OF BOARD; TERMS. (a) Except as
59 provided by Section 8829.056(b), the district is governed by a
60 board of five directors.

1 (b) Directors serve staggered four-year terms. (Acts 77th
2 Leg., R.S., Ch. 1294, Secs. 7(a), (d).)

3 Source Law

4 Sec. 7. (a) The district is governed by a board
5 of five directors.

6 (d) Permanent directors serve staggered
7 four-year terms.

8 Revisor's Note

9 (1) Section 7(d), Chapter 1294, Acts of the 77th
10 Legislature, Regular Session, 2001, refers to
11 "[p]ermanent" directors. Sections 7 and 8 of Chapter
12 1294 refer to "temporary," "initial," and "permanent"
13 directors to distinguish between the "temporary"
14 directors appointed by the Texas Natural Resource
15 Conservation Commission, the directors who
16 immediately succeeded the "temporary" directors after
17 the first election of directors, and subsequently
18 serving directors. Because the revised law omits
19 provisions regarding "temporary" and "initial"
20 directors as executed (see the revisor's notes at the
21 end of this subchapter), the revised law also omits
22 "permanent" because it does not contribute to the
23 clear meaning of the law.

24 (2) Section 7(e), Chapter 1294, Acts of the 77th
25 Legislature, Regular Session, 2001, provides that a
26 director must qualify to serve in the manner provided
27 by Section 36.055, Water Code. The revised law omits
28 the provision because Section 36.055, Water Code,
29 applies to the district under Section 8829.101 of this
30 chapter and Section 36.001(1), Water Code. The
31 omitted law reads:

32 (e) Each director must qualify to
33 serve as director in the manner provided by
34 Section 36.055, Water Code.

35 (3) Section 7(f), Chapter 1294, Acts of the 77th
36 Legislature, Regular Session, 2001, provides that a

1 director serves until a successor has qualified. The
2 revised law omits the provision because it duplicates
3 Section 17, Article XVI, Texas Constitution, which
4 provides that an officer in this state continues to
5 perform the officer's official duties until a
6 successor has qualified. The omitted law reads:

7 (f) A director serves until the
8 director's successor has qualified.

9 Revised Law

10 Sec. 8829.052. ELECTION OF DIRECTORS. (a) Except as
11 provided by Section 8829.056, this section and Sections 8829.053
12 and 8829.054 govern the election and qualifications of directors.

13 (b) Directors are elected according to the commissioners
14 precinct method as provided by this section.

15 (c) One director is elected by the voters of the entire
16 district. One director is elected from each county commissioners
17 precinct by the voters of that precinct.

18 (d) A person shall indicate on the application for a place
19 on the ballot:

20 (1) the precinct that the person seeks to represent;

21 or

22 (2) that the person seeks to represent the district at
23 large.

24 (e) At the first election after the county commissioners
25 precincts are redrawn under Section 18, Article V, Texas
26 Constitution, a new director is elected from each precinct. The
27 directors shall draw lots to determine which two directors shall
28 serve two-year terms and which two directors shall serve four-year
29 terms. (Acts 77th Leg., R.S., Ch. 1294, Secs. 9(a), (b), (d), (e),
30 9A(a) (part).)

31 Source Law

32 Sec. 9. (a) The directors of the district shall
33 be elected according to the commissioners precinct
34 method as provided by this section.

35 (b) One director shall be elected by the
36 electors of the entire district, and one director
37 shall be elected from each county commissioners
38 precinct by the electors of that precinct.

1 (d) A person shall indicate on the application
2 for a place on the ballot:

3 (1) the precinct that the person seeks to
4 represent; or

5 (2) that the person seeks to represent the
6 district at large.

7 (e) At the first election after the county
8 commissioners precincts are redrawn under Section 18,
9 Article V, Texas Constitution, four new directors
10 shall be elected to represent the precincts. The
11 directors elected shall draw lots to determine which
12 two directors serve two-year terms and which two
13 directors serve four-year terms.

14 Sec. 9A. (a) Notwithstanding Sections 9 and 11
15 of this Act,

16 Revisor's Note

17 The revised law substitutes "[e]xcept as provided
18 by Section 8829.056" for the language of Section
19 9A(a), Chapter 1294, Acts of the 77th Legislature,
20 Regular Session, 2001, which allows an exception to
21 the methods prescribed by Sections 9 and 11.

22 Revised Law

23 Sec. 8829.053. ELECTION DATE. (a) The district shall hold
24 an election in the district to elect directors on the first Tuesday
25 after the first Monday in November of each even-numbered year.

26 (b) The district shall hold elections for the directors for:

27 (1) Precincts 1 and 3 every four years after 2004; and

28 (2) Precincts 2 and 4 and the district at large every
29 four years after 2002. (Acts 77th Leg., R.S., Ch. 1294, Sec. 11.)

30 Source Law

31 Sec. 11. (a) On the first Saturday in May of the
32 first even-numbered year after the year in which the
33 district is authorized to be created at a confirmation
34 election, an election shall be held in the district for
35 the election of directors for Precincts 1 and 3 to
36 serve two-year terms and directors for Precincts 2 and
37 4 and for the district at large to serve four-year
38 terms.

39 (b) On the first Tuesday after the first Monday
40 in November of each subsequent second year following
41 the election, the appropriate number of directors
42 shall be elected.

43 Revisor's Note

44 Although references to the confirmation election
45 and initial two-year and four-year terms are obsolete
46 due to the continuing operation of the district and
47 consequently are not included in the revised law,

1 Section 11(a), Chapter 1294, Acts of the 77th
2 Legislature, Regular Session, 2001, is included in the
3 source law for this section because it shows that the
4 legislature intended to fix future election dates in
5 even-numbered years. Because elections for permanent
6 directors were first held under Section 11 in 2002, the
7 language added to this section establishes the dates
8 of subsequent elections in the various precincts.

9 Revised Law

10 Sec. 8829.054. QUALIFICATIONS FOR OFFICE. (a) To be
11 qualified to be a candidate for or to serve as director at large, a
12 person must be a registered voter in the district.

13 (b) To be a candidate for or to serve as director from a
14 county commissioners precinct, a person must be a registered voter
15 of that precinct. (Acts 77th Leg., R.S., Ch. 1294, Sec. 9(c).)

16 Source Law

17 (c) To be qualified to be a candidate for or to
18 serve as director at large, a person must be a
19 registered voter in the district. To be a candidate
20 for or to serve as director from a county commissioners
21 precinct, a person must be a registered voter of that
22 precinct.

23 Revised Law

24 Sec. 8829.055. BOARD VACANCY. (a) The board shall appoint
25 a replacement to fill a vacancy in the office of any director.

26 (b) The appointed replacement serves until the next
27 directors' election.

28 (c) If the position is not scheduled to be filled at the next
29 election, the person elected to fill the position serves only for
30 the remainder of the unexpired term. (Acts 77th Leg., R.S., Ch.
31 1294, Sec. 7(g).)

32 Source Law

33 (g) A vacancy in the office of director shall be
34 filled by appointment of the board until the next
35 election for directors. If the position is not
36 scheduled to be filled at the next election, the person
37 elected in that election to fill the position shall
38 serve only for the remainder of the unexpired term.

1 Revised Law

2 Sec. 8829.056. COMPOSITION OF BOARD AND ELECTION OF
3 DIRECTORS FOLLOWING ANNEXATION. (a) If the district annexes
4 territory, the board of directors of the district by resolution
5 shall adopt an appropriate and equitable method for:

6 (1) electing directors for the district;

7 (2) drawing voting district boundaries if required by
8 the method adopted; and

9 (3) maintaining staggered terms for the directors.

10 (b) If the district annexes territory, the board by
11 resolution may add one or more directors as provided by Section
12 36.051, Water Code.

13 (c) If the board votes to add a director to represent
14 annexed territory under Subsection (b), at an election to ratify
15 annexation under Section 36.328, Water Code, the board may include
16 on the ballot the names of candidates for director to represent the
17 annexed territory on the board. A director elected under this
18 subsection serves until an election is held under Subsection (d).

19 (d) A method of electing directors adopted under Subsection
20 (a):

21 (1) supersedes the method of electing directors
22 provided by Sections 8829.052-8829.054; and

23 (2) applies beginning with the election held on the
24 first date provided by Section 8829.053 that:

25 (A) occurs after the date the annexation of the
26 territory is final; and

27 (B) allows sufficient time to comply with any
28 requirements of law.

29 (e) The method of electing directors provided by Sections
30 8829.052-8829.054 applies until an election is held under
31 Subsection (d).

32 (f) To be eligible to be a candidate for or to serve as a
33 director of the district under this section, a person must:

34 (1) be a registered voter of the district; and

1 (2) comply with each requirement stated in a
2 resolution adopted under Subsection (a). (Acts 77th Leg., R.S.,
3 Ch. 1294, Secs. 7A, 9A(a) (part), (b), (c), (d), (e).)

4 Source Law

5 Sec. 7A. Notwithstanding Section 7(a) of this
6 Act, if the district annexes territory, the board of
7 directors of the district by resolution may add one or
8 more directors as provided by Section 36.051, Water
9 Code.

10 Sec. 9A. (a) . . . if the district annexes
11 territory, the board of directors of the district by
12 resolution shall adopt an appropriate and equitable
13 method for:

14 (1) electing directors for the district
15 that supersedes the method of electing directors under
16 Sections 9 and 11 of this Act;

17 (2) drawing voting district boundaries if
18 required by the method adopted; and

19 (3) maintaining staggered terms for the
20 directors.

21 (b) If the board votes to add a director to
22 represent annexed territory under Section 7A of this
23 Act, at an election to ratify annexation under Section
24 36.328, Water Code, the board may include on the ballot
25 the names of candidates for director to represent the
26 annexed territory on the board. A director elected
27 under this subsection serves until an election is held
28 under Subsection (c) of this section.

29 (c) A method of electing directors adopted under
30 Subsection (a) of this section applies beginning with
31 the election held on the first date provided by Section
32 11 of this Act that occurs after the date the
33 annexation of the territory is final and that allows
34 sufficient time to comply with any requirements of
35 law.

36 (d) The method of electing directors provided by
37 Sections 9 and 11 of this Act applies until an election
38 is held under Subsection (c) of this section.

39 (e) To be eligible to be a candidate for or to
40 serve as a director of the district under this section,
41 a person must be a registered voter of the district and
42 meet the requirements stated in a resolution adopted
43 under Subsection (a) of this section.

44 Revised Law

45 Sec. 8829.057. REVISION OF VOTING DISTRICTS. (a) The board
46 may revise voting districts as necessary or appropriate.

47 (b) If the board adopts a method for electing directors
48 based on voting districts, the board shall revise each district
49 after each federal decennial census to reflect population changes.

50 (c) When the boundaries of the voting districts are redrawn,
51 a director serving on the effective date of the change, or elected
52 or appointed before the effective date of the change to a term of
53 office beginning on or after the effective date of the change,

1 serves the term or the remainder of the term in the district to
2 which elected or appointed even though the change in district
3 boundaries places the person's residence outside the district for
4 which the person was elected or appointed. (Acts 77th Leg., R.S.,
5 Ch. 1294, Sec. 9A(f).)

6 Source Law

7 (f) The board may revise voting districts as
8 necessary or appropriate. If the board adopts a method
9 for electing directors based on voting districts, the
10 board shall revise each voting district after each
11 federal decennial census to reflect population
12 changes. When the boundaries of the districts are
13 redrawn, a director in office on the effective date of
14 the change, or elected or appointed before the
15 effective date of the change to a term of office
16 beginning on or after the effective date of the change,
17 shall serve the term or the remainder of the term in
18 the district to which elected or appointed even though
19 the change in boundaries places the person's residence
20 outside the district for which the person was elected
21 or appointed.

22 Revisor's Note
23 (End of Subchapter)

24 (1) Sections 7(b) and (c), Chapter 1294, Acts of
25 the 77th Legislature, Regular Session, 2001, refer to
26 "temporary" and "initial" directors of the district
27 and to elections under Sections 10 and 11 of that
28 chapter. The revised law omits Sections 7(b) and (c)
29 as executed because the terms of the temporary and
30 initial directors have expired and the initial
31 election for directors has been held. The omitted law
32 reads:

33 (b) Temporary directors serve until
34 initial directors are elected under Section
35 10 of this Act.

36 (c) Initial directors serve until
37 permanent directors are elected under
38 Section 11 of this Act.

39 (2) Section 8, Chapter 1294, Acts of the 77th
40 Legislature, Regular Session, 2001, names the
41 temporary directors and provides for filling vacancies
42 on the temporary board. Because the terms of the
43 temporary directors have expired, the revised law
44 omits those provisions as executed. The omitted law

1 reads:

2 Sec. 8. (a) The temporary board of
3 directors consists of:

4 (1) E. A. Weinheimer, Jr., at
5 large;

6 (2) Leonard Wittig, Precinct 1;

7 (3) Ronald Gertson, Precinct 2;

8 (4) L. G. Raun, Jr., Precinct 3;

9 and

10 (5) Laurance Armour III,
11 Precinct 4.

12 (b) If a temporary director fails to
13 qualify for office, the temporary directors
14 who have qualified shall appoint a person to
15 fill the vacancy. If at any time there are
16 fewer than three qualified temporary
17 directors, the Texas Natural Resource
18 Conservation Commission shall appoint the
19 necessary number of persons to fill all
20 vacancies on the board.

21 (3) Section 2, Chapter 923, Acts of the 79th
22 Legislature, Regular Session, 2005, refers to
23 transition procedures regarding the terms of certain
24 elected directors. The revised law omits this
25 provision as executed. The omitted law reads:

26 Sec. 2. A person serving as a member
27 of the board of directors of the Coastal
28 Bend Groundwater Conservation District on
29 the effective date of this Act shall
30 continue to serve until the election and
31 qualification of a new director for that
32 position.

33 [Sections 8829.058-8829.100 reserved for expansion]

34 SUBCHAPTER C. POWERS AND DUTIES

35 Revised Law

36 Sec. 8829.101. GROUNDWATER CONSERVATION DISTRICT POWERS
37 AND DUTIES. Except as provided by this chapter, the district has
38 the rights, powers, duties, privileges, and functions provided by
39 the general law of this state, including Chapter 36, Water Code,
40 applicable to groundwater conservation districts created under
41 Section 59, Article XVI, Texas Constitution. (Acts 77th Leg.,
42 R.S., Ch. 1294, Sec. 5 (part).)

43 Source Law

44 Sec. 5. Except as provided by this Act, the
45 district has all of the rights, powers, privileges,
46 authority, functions, and duties provided by the
47 general law of this state, including Chapter 36, Water
48 Code, applicable to groundwater conservation
49 districts created under Section 59, Article XVI, Texas

1 Constitution. . . .

2 Revisor's Note

3 Section 5, Chapter 1294, Acts of the 77th
4 Legislature, Regular Session, 2001, refers to the
5 "rights, powers, privileges, [and] authority" of the
6 district. The revised law omits the reference to
7 "authority" because, in context, "authority" is
8 included in the meaning of "rights, powers, [and]
9 privileges."

10 Revised Law

11 Sec. 8829.102. REGIONAL COOPERATION. (a) In recognition
12 of the need for uniform regional monitoring and regulation of
13 common, scientifically recognized groundwater sources, and within
14 designated management areas, the district shall establish rules
15 that:

16 (1) require the permitting of each water well that is:

17 (A) not exempt from permitting by Chapter 36,
18 Water Code; and

19 (B) capable of producing more than 25,000 gallons
20 each day;

21 (2) provide for the prevention of waste, as defined by
22 Section 36.001, Water Code;

23 (3) provide for timely capping or plugging of
24 abandoned wells; and

25 (4) require reports to be filed with the district on
26 each new, nonexempt water well.

27 (b) A report required under Subsection (a)(4) must include:

28 (1) the driller's log;

29 (2) a description of the casing and pumping equipment
30 installed;

31 (3) the capacity of the well; and

32 (4) the intended use of the water.

33 (c) To further regional continuity, the district shall:

34 (1) seek to participate in at least one coordination
35 meeting annually with each adjacent district that shares an aquifer

1 with the district;

2 (2) coordinate the collection of data with adjacent
3 districts in a manner designed to achieve uniformity of data
4 quality;

5 (3) coordinate efforts to monitor water quality with
6 adjacent districts, local governments, and state agencies;

7 (4) investigate any groundwater pollution with the
8 intention of locating its source and report its findings to
9 adjacent districts and appropriate state agencies;

10 (5) provide to adjacent districts annually an
11 inventory of new water wells in the district and an estimate of
12 groundwater production within the district; and

13 (6) include adjacent districts on the mailing lists
14 for district newsletters, seminars, public education events, news
15 articles, and field days. (Acts 77th Leg., R.S., Ch. 1294, Sec. 6.)

16 Source Law

17 Sec. 6. (a) In recognition of the need for
18 uniform regional monitoring and regulation of common,
19 scientifically recognized groundwater sources, and
20 within designated management areas, the district shall
21 establish rules:

22 (1) requiring the permitting of all water
23 wells that are:

24 (A) not exempted from permitting by
25 Chapter 36, Water Code; and

26 (B) capable of producing in excess of
27 25,000 gallons per day;

28 (2) providing for the prevention of waste,
29 as defined by Section 36.001, Water Code;

30 (3) providing for timely capping or
31 plugging of abandoned wells; and

32 (4) requiring reports to be filed with the
33 district on all new, nonexempt water wells.

34 (b) Reports required under Subsection (a)(4)
35 must include the driller's log, a description of the
36 casing and pumping equipment installed, the capacity
37 of the well so equipped, and the intended use of the
38 water.

39 (c) To further regional continuity, the
40 district shall:

41 (1) seek to participate in at least one
42 coordination meeting annually with each adjacent
43 district that shares an aquifer with the district;

44 (2) coordinate the collection of data with
45 adjacent districts in a manner designed to achieve
46 uniformity of data quality;

47 (3) coordinate efforts to monitor water
48 quality with adjacent districts, local governments,
49 and state agencies;

50 (4) investigate any groundwater pollution
51 with the intention of locating its source and report
52 its findings to adjacent districts and appropriate

1 state agencies;

2 (5) provide to adjacent districts annually
3 an inventory of new water wells in the district and an
4 estimate of groundwater production within the
5 district; and

6 (6) include adjacent districts on the
7 mailing lists for district newsletters, seminars,
8 public education events, news articles, and field
9 days.

11 SUBCHAPTER D. FINANCIAL PROVISIONS

12 Revised Law

13 Sec. 8829.151. DISTRICT REVENUE. To pay the district's
14 maintenance and operating costs, the district may:

15 (1) impose an ad valorem tax at a rate not to exceed
16 five cents for each \$100 of taxable value of property in the
17 district;

18 (2) assess general production fees;

19 (3) solicit and accept grants from any public or
20 private source; and

21 (4) assess a transfer fee on water exported from the
22 district. (Acts 77th Leg., R.S., Ch. 1294, Sec. 12.)

23 Source Law

24 Sec. 12. To pay for the maintenance and
25 operating costs of the district, the district may:

26 (1) impose an ad valorem tax at a rate not
27 to exceed five cents for each \$100 of taxable value of
28 property in the district;

29 (2) assess general production fees;

30 (3) solicit and accept grants from any
31 public or private source; and

32 (4) assess a transfer fee on water
33 exported from the district.

34 Revisor's Note
35 (End of Chapter)

36 Section 15, Chapter 1294, Acts of the 77th
37 Legislature, Regular Session, 2001, recites
38 legislative findings regarding procedural
39 requirements for legislation affecting the district
40 under the constitution and other laws and rules,
41 including proper legal notice and the filing of
42 recommendations. The revised law omits those
43 provisions as executed. The omitted law reads:

44 Sec. 15. (a) The proper and legal

1 notice of the intention to introduce this
2 Act, setting forth the general substance of
3 this Act, has been published as provided by
4 law, and the notice and a copy of this Act
5 have been furnished to all persons,
6 agencies, officials, or entities to which
7 they are required to be furnished by the
8 constitution and other laws of this state,
9 including the governor, who has submitted
10 the notice and Act to the Texas Natural
11 Resource Conservation Commission.

12 (b) The Texas Natural Resource
13 Conservation Commission has filed its
14 recommendations relating to this Act with
15 the governor, lieutenant governor, and
16 speaker of the house of representatives
17 within the required time.

18 (c) All requirements of the
19 constitution and laws of this state and the
20 rules and procedures of the legislature
21 with respect to the notice, introduction,
22 and passage of this Act are fulfilled and
23 accomplished.

45 Sec. 8831.151. DISTRICT REVENUE 2136

1 CHAPTER 8831. COASTAL PLAINS GROUNDWATER

2 CONSERVATION DISTRICT

3 SUBCHAPTER A. GENERAL PROVISIONS

4 Revised Law

5 Sec. 8831.001. DEFINITIONS. In this chapter:

6 (1) "Board" means the district's board of directors.

7 (2) "Director" means a board member.

8 (3) "District" means the Coastal Plains Groundwater
9 Conservation District. (Acts 77th Leg., R.S., Ch. 1358, Sec. 2;
10 New.)

11 Source Law

12 Sec. 2. In this Act, "district" means the
13 Coastal Plains Groundwater Conservation District.

14 Revisor's Note

15 The definitions of "board" and "director" are
16 added to the revised law for drafting convenience and
17 to eliminate frequent, unnecessary repetition of the
18 substance of the definitions.

19 Revised Law

20 Sec. 8831.002. NATURE OF DISTRICT. The district is a
21 groundwater conservation district in Matagorda County created
22 under and essential to accomplish the purposes of Section 59,
23 Article XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 1358,
24 Secs. 1(a) (part), (b).)

25 Source Law

26 Sec. 1. (a) A groundwater conservation
27 district, to be known as the Coastal Plains
28 Groundwater Conservation District, is created in
29 Matagorda County,

30 (b) The district is created under and is
31 essential to accomplish the purposes of Section 59,
32 Article XVI, Texas Constitution.

33 Revisor's Note

34 (1) Section 1(a), Chapter 1358, Acts of the 77th
35 Legislature, Regular Session, 2001, refers to a
36 confirmation election. Because the confirmation
37 election has already been held, the revised law omits
38 the provision as executed. The omitted law reads:

1 (a) . . . subject to approval at a
2 confirmation election under Section 10 of
3 this Act. . . .

4 (2) Section 1(a), Chapter 1358, Acts of the 77th
5 Legislature, Regular Session, 2001, provides that the
6 district is a governmental agency and a body politic
7 and corporate. The revised law omits the provision
8 because it duplicates a portion of Section 59(b),
9 Article XVI, Texas Constitution, which provides that a
10 conservation and reclamation district is a
11 governmental agency and a body politic and corporate.
12 The omitted law reads:

13 (a) . . . The district is a
14 governmental agency and a body politic and
15 corporate.

16 Revised Law

17 Sec. 8831.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
18 district is created to serve a public use and benefit.

19 (b) All land and other property included in the district
20 will benefit from the works and projects accomplished by the
21 district under the powers conferred by Section 59, Article XVI,
22 Texas Constitution. (Acts 77th Leg., R.S., Ch. 1358, Sec. 4.)

23 Source Law

24 Sec. 4. All of the land and other property
25 included within the boundaries of the district will be
26 benefitted by the works and projects that are to be
27 accomplished by the district under powers conferred by
28 Section 59, Article XVI, Texas Constitution. The
29 district is created to serve a public use and benefit.

30 Revised Law

31 Sec. 8831.004. DISTRICT TERRITORY. The district's
32 boundaries are coextensive with the boundaries of Matagorda County,
33 Texas, unless the district's territory has been modified under:

- 34 (1) Subchapter J, Chapter 36, Water Code; or
35 (2) other law. (Acts 77th Leg., R.S., Ch. 1358, Sec.
36 3; New.)

37 Source Law

38 Sec. 3. The boundaries of the district are
39 coextensive with the boundaries of Matagorda County,
40 Texas.

1 Revisor's Note

2 The revision of the law governing the district
3 revises the statutory language describing the
4 territory of the district. Because the district's
5 boundaries are subject to change, that description may
6 not be accurate on the effective date of the revision
7 or at the time of a later reading. For the reader's
8 convenience, the revised law includes a reference to
9 the authority to change the district's territory under
10 Subchapter J, Chapter 36, Water Code, applicable to
11 groundwater conservation districts, and to the general
12 authority of the legislature to enact other laws to
13 change the district's territory.

14 Revisor's Note
15 (End of Subchapter)

16 (1) Section 5(a), Chapter 1358, Acts of the 77th
17 Legislature, Regular Session, 2001, provides that the
18 act prevails over general law in case of a conflict or
19 other inconsistency. The revised law omits the
20 provision because it duplicates, in substance, Section
21 311.026, Government Code (Code Construction Act). The
22 omitted law reads:

23 (a) . . . This Act prevails over any
24 provision of general law that is in conflict
25 or inconsistent with this Act.

26 (2) Section 5(b), Chapter 1358, Acts of the 77th
27 Legislature, Regular Session, 2001, provides that
28 certain provisions of the Water Code prevail over a
29 conflicting or inconsistent provision of the act.
30 Chapter 36, Water Code, applies to the district under
31 Section 8831.101 of this chapter and Section
32 36.001(1), Water Code. The revised law omits Section
33 5(b) because it substantially duplicates Section
34 36.052, Water Code, which provides that the same
35 provisions of the Water Code provided for under
36 Section 5(b), in addition to Section 36.107, Water

1 Code, prevail over a conflicting or inconsistent
2 provision of a special law that governs a specific
3 district. Although Section 5(b) does not reference
4 Section 36.107, Water Code, that section of Chapter 36
5 is not in conflict, or inconsistent, with any
6 provision of this chapter. The omitted law reads:

7 (b) Notwithstanding Subsection (a)
8 of this section, the following provisions
9 prevail over a conflicting or inconsistent
10 provision of this Act:

- 11 (1) Sections 36.1071-36.108,
12 Water Code;
13 (2) Sections 36.159-36.161,
14 Water Code; and
15 (3) Subchapter I, Chapter 36,
16 Water Code.

17 (3) Section 10, Chapter 1358, Acts of the 77th
18 Legislature, Regular Session, 2001, provides
19 procedures for holding an election to confirm the
20 district's creation and to elect the district's initial
21 board. Because the district has been confirmed and its
22 initial directors have been elected, the revised law
23 omits those provisions as executed. The omitted law
24 reads:

25 Sec. 10. (a) The temporary board of
26 directors shall call and hold an election to
27 confirm establishment of the district and
28 to elect initial directors.

29 (b) At the confirmation and initial
30 directors' election, the temporary board of
31 directors shall have placed on the ballot
32 the name of any candidate filing for an
33 initial director's position and blank
34 spaces to write in the names of other
35 persons. A temporary director who is
36 eligible to be a candidate under Section 9
37 may file for an initial director's position.

38 (c) Section 41.001(a), Election
39 Code, does not apply to a confirmation and
40 initial directors' election held as
41 provided by this section.

42 (d) Except as provided by this
43 section, a confirmation and initial
44 directors' election must be conducted as
45 provided by Sections 36.017(b)-(h), Water
46 Code, and the Election Code.

47 (e) If a majority of the votes cast at
48 the election are against the creation of the
49 district, the temporary directors may call
50 and hold subsequent elections to confirm
51 establishment of the district. A
52 subsequent election may not be held earlier
53 than the first anniversary of the date on

1 which the previous election was held.

2 (f) The initial directors for
3 positions 1, 3, 5, and 7 shall serve until
4 the first regular meeting of the board of
5 directors following the first permanent
6 directors' election under Section 11 of this
7 Act. The initial directors for positions 2,
8 4, and 6 shall serve until the first regular
9 meeting of the board of directors following
10 the second permanent directors' election
11 under Section 11 of this Act.

12 [Sections 8831.005-8831.050 reserved for expansion]

13 SUBCHAPTER B. BOARD OF DIRECTORS

14 Revised Law

15 Sec. 8831.051. COMPOSITION OF BOARD; TERMS. (a) The
16 district is governed by a board of seven directors.

17 (b) Directors serve staggered four-year terms. (Acts 77th
18 Leg., R.S., Ch. 1358, Secs. 7(a), (d).)

19 Source Law

20 Sec. 7. (a) The district is governed by a board
21 of seven directors.

22 (d) Permanent directors serve staggered
23 four-year terms.

24 Revisor's Note

25 (1) Section 7(d), Chapter 1358, Acts of the 77th
26 Legislature, Regular Session, 2001, refers to
27 "[p]ermanent" directors. Sections 7, 8, and 10 of
28 Chapter 1358 refer to "temporary," "initial," and
29 "permanent" directors to distinguish between the
30 "temporary" directors, the directors who immediately
31 succeeded the "temporary" directors after the first
32 election of directors, and subsequently serving
33 directors. Because the revised law omits provisions
34 regarding "temporary" and "initial" directors as
35 executed (see the revisor's notes at the end of this
36 subchapter), the revised law also omits "permanent"
37 because it does not contribute to the clear meaning of
38 the law.

39 (2) Section 7(e), Chapter 1358, Acts of the 77th
40 Legislature, Regular Session, 2001, provides that a
41 director must qualify to serve in the manner provided

1 by Section 36.055, Water Code. The revised law omits
2 the provision because Section 36.055, Water Code,
3 applies to the district under Section 8831.101 of this
4 chapter and Section 36.001(1), Water Code. The
5 omitted law reads:

6 (e) Each director must qualify to
7 serve as director in the manner provided by
8 Section 36.055, Water Code.

9 (3) Section 7(f), Chapter 1358, Acts of the 77th
10 Legislature, Regular Session, 2001, provides that a
11 director serves until a successor has qualified. The
12 revised law omits the provision because it duplicates
13 Section 17, Article XVI, Texas Constitution, which
14 provides that an officer in this state continues to
15 perform the officer's official duties until a
16 successor has qualified. The omitted law reads:

17 (f) A director serves until the
18 director's successor has qualified.

19 Revised Law

20 Sec. 8831.052. ELECTION OF DIRECTORS. (a) Three directors
21 are elected by the voters of the entire district. One director is
22 elected from each county commissioners precinct by the voters of
23 that precinct. The directors elected from precincts 1-4 occupy
24 positions 1-4, respectively, on the board. The at-large directors
25 occupy positions 5-7, respectively, on the board.

26 (b) A person shall indicate on the application for a place
27 on the ballot the position on the board for which the person is a
28 candidate.

29 (c) At the first election after the county commissioners
30 precincts are redrawn under Section 18, Article V, Texas
31 Constitution, each director in office on the effective date of the
32 change, or elected to a term of office beginning on or after the
33 effective date of the change, shall serve, unless otherwise removed
34 as provided by law, in the position to which each was elected for
35 the entire term to which elected, even though the change in
36 boundaries places the director's residence outside the precinct

1 from which the director was elected. (Acts 77th Leg., R.S., Ch.
2 1358, Secs. 9(a), (c), (d).)

3 Source Law

4 Sec. 9. (a) Three directors shall be elected
5 by the qualified voters of the entire district, and one
6 director shall be elected from each county
7 commissioners precinct by the qualified voters of that
8 precinct. The directors elected from precincts 1-4
9 occupy positions 1-4, respectively, on the board. The
10 at-large directors occupy positions 5-7,
11 respectively, on the board.

12 (c) A person shall indicate the position on the
13 board for which the person is a candidate on the
14 application for a place on the ballot.

15 (d) At the first election after the county
16 commissioners precincts are redrawn under Section 18,
17 Article V, Texas Constitution, each director in office
18 on the effective date of the change, or elected to a
19 term of office beginning on or after the effective date
20 of the change, shall serve, unless otherwise removed
21 as provided by law, in the position to which each was
22 elected for the entire term to which elected, even
23 though the change in boundaries places the director's
24 residence outside the precinct from which the director
25 was elected.

26 Revisor's Note

27 Section 9(a), Chapter 1358, Acts of the 77th
28 Legislature, Regular Session, 2001, refers to an
29 election by the "qualified" voters of the district and
30 of each precinct. The revised law omits "qualified" as
31 unnecessary in this context because Chapter 11,
32 Election Code, governs eligibility to vote in an
33 election in this state and allows only "qualified"
34 voters who are residents of the territory covered by
35 the election to vote in an election.

36 Revised Law

37 Sec. 8831.053. ELECTION DATE. Each even-numbered year, the
38 board shall hold an election in the district on a uniform election
39 date provided by Section 41.001(a), Election Code, to elect the
40 appropriate number of directors. If the board changes the election
41 date, the district shall adjust the terms of office to conform to
42 the new election date. (Acts 77th Leg., R.S., Ch. 1358, Sec. 11.)

43 Source Law

44 Sec. 11. Beginning in the second year after the
45 year in which the district is authorized to be created

1 at a confirmation election and every subsequent two
2 years, the board of directors of the district shall
3 call an election to be held in the district on any
4 uniform election date provided by Section 41.001(a),
5 Election Code, to elect the appropriate number of
6 directors to the board. If the board changes the
7 uniform election date for directors' elections, the
8 district shall adjust the terms of office to conform to
9 the new election date.

10 Revisor's Note

11 (1) Section 11, Chapter 1358, Acts of the 77th
12 Legislature, Regular Session, 2001, requires the board
13 to hold a directors' election "[b]eginning in the
14 second year after the year in which the district is
15 authorized to be created at a confirmation election
16 and every subsequent two years." The revised law
17 substitutes "[e]ach even-numbered year" for the quoted
18 language because the district was confirmed in 2001
19 and the first permanent directors were elected in
20 2002, an even-numbered year. As a result, subsequent
21 directors' elections will be held in even-numbered
22 years.

23 (2) Section 11, Chapter 1358, Acts of the 77th
24 Legislature, Regular Session, 2001, requires the board
25 to "call" directors' elections "to be held" in the
26 district. The revised law omits the reference to
27 "calling" an election because, in this context,
28 "calling" an election is included in the meaning of
29 "holding" an election. Under Chapter 3, Election
30 Code, all elections must be ordered (called) before
31 they may be held.

32 Revised Law

33 Sec. 8831.054. ELIGIBILITY. (a) To be eligible to be a
34 candidate for or to serve as a director at large, a person must be a
35 registered voter of the district.

36 (b) To be eligible to be a candidate for or to serve as a
37 director from a county commissioners precinct, a person must be a
38 registered voter of that precinct, except as provided by Section
39 8831.052(c). (Acts 77th Leg., R.S., Ch. 1358, Sec. 9(b).)

1 "temporary" and "initial" directors of the district
2 and to elections under Sections 10 and 11 of that
3 chapter. The revised law omits Sections 7(b) and (c)
4 as executed because the terms of the temporary and
5 initial directors have expired and the initial
6 election for permanent directors has been held. The
7 omitted law reads:

8 (b) Temporary directors serve until
9 initial directors are elected under Section
10 10 of this Act.

11 (c) Initial directors serve until
12 permanent directors are elected under
13 Section 11 of this Act.

14 (2) Section 8, Chapter 1358, Acts of the 77th
15 Legislature, Regular Session, 2001, names the
16 temporary directors and provides for filling vacancies
17 on the temporary board. Because the terms of the
18 temporary directors have expired, the revised law
19 omits those provisions as executed. The omitted law
20 reads:

21 Sec. 8. (a) The temporary board of
22 directors is composed of:

23 Position No:	Name
24 (1)	Haskell Simon;
25 (2)	Herff Cornelius;
26 (3)	Bruce Herlin;
27 (4)	Wayne Ackerman;
28 (5)	George Harrison;
29 (6)	Billy Mann; and
30 (7)	Deedy Huffman

31 (b) If a temporary director fails to
32 qualify for office, the temporary directors
33 who have qualified shall appoint a person to
34 fill the vacancy.

36 SUBCHAPTER C. POWERS AND DUTIES

37 Revised Law

38 Sec. 8831.101. GROUNDWATER CONSERVATION DISTRICT POWERS
39 AND DUTIES. Except as provided by this chapter, the district has
40 the rights, powers, privileges, functions, and duties provided by
41 the general law of this state, including Chapter 36, Water Code,
42 applicable to groundwater conservation districts created under
43 Section 59, Article XVI, Texas Constitution. (Acts 77th Leg.,

1 R.S., Ch. 1358, Sec. 5(a) (part).)

2 Source Law

3 Sec. 5. (a) Except as otherwise provided by
4 this Act, the district has all of the rights, powers,
5 privileges, authority, functions, and duties provided
6 by the general law of this state, including Chapter 36,
7 Water Code, applicable to groundwater conservation
8 districts created under Section 59, Article XVI, Texas
9 Constitution. . . .

10 Revisor's Note

11 Section 5, Chapter 1358, Acts of the 77th
12 Legislature, Regular Session, 2001, refers to the
13 "rights, powers, privileges, [and] authority" of the
14 district. The revised law omits the reference to
15 "authority" because, in context, "authority" is
16 included in the meaning of "rights, powers, [and]
17 privileges."

18 Revised Law

19 Sec. 8831.102. REGIONAL COOPERATION. To provide for
20 uniformity across districts in addressing the need to achieve a
21 common approach to managing the underlying aquifer and to ensure
22 that administration of the district will be cost-effective, the
23 district shall:

24 (1) attempt to coordinate meetings with adjacent
25 districts;

26 (2) encourage sharing of personnel and resources to
27 achieve administrative cost savings;

28 (3) study a common approach for collecting and sharing
29 appropriate data to be used in managing the aquifer;

30 (4) support cooperation in the investigation of
31 aquifer contamination; and

32 (5) include adjacent districts on mailing lists for
33 district meeting announcements, newsletters, public meetings, and
34 other scheduled events. (Acts 77th Leg., R.S., Ch. 1358, Sec. 6.)

35 Source Law

36 Sec. 6. To provide for uniformity across
37 districts in addressing the need to achieve a common
38 approach to managing the underlying aquifer and to
39 ensure that administration of the district will be

1 cost effective, the district shall:

2 (1) attempt to coordinate meetings with
3 adjacent districts;

4 (2) encourage sharing of personnel and
5 resources to achieve administrative cost savings;

6 (3) study a common approach for collecting
7 and sharing appropriate data to be used in managing the
8 aquifer;

9 (4) support cooperation in the
10 investigation of aquifer contamination; and

11 (5) include adjacent districts on mailing
12 lists for district meeting announcements,
13 newsletters, public meetings, and other scheduled
14 events.

15 [Sections 8831.103-8831.150 reserved for expansion]

16 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

17 Revised Law

18 Sec. 8831.151. DISTRICT REVENUE. To pay the district's
19 maintenance and operating costs and to pay any bonds issued by the
20 district, the district may:

21 (1) impose an ad valorem tax at a rate not to exceed
22 2.5 cents for each \$100 of taxable value of property in the
23 district, subject to voter approval;

24 (2) assess fees for services or for water withdrawn
25 from wells; or

26 (3) solicit and accept grants from any public or
27 private source. (Acts 77th Leg., R.S., Ch. 1358, Sec. 12.)

28 Source Law

29 Sec. 12. To pay the maintenance and operating
30 costs of the district and to pay any bonds issued by
31 the district, the district may:

32 (1) impose an ad valorem tax at a rate not
33 to exceed 2-1/2 cents for each \$100 of taxable value of
34 property in the district, subject to voter approval;

35 (2) assess fees for services or for water
36 withdrawn from wells; or

37 (3) solicit and accept grants from any
38 public or private source.

39 Revisor's Note
40 (End of Chapter)

41 Section 13, Chapter 1358, Acts of the 77th
42 Legislature, Regular Session, 2001, recites
43 legislative findings regarding procedural
44 requirements for legislation affecting the district
45 under the constitution and other laws and rules,
46 including proper legal notice and the filing of

1 recommendations. The revised law omits those
2 provisions as executed. The omitted law reads:

3 Sec. 13. (a) The proper and legal
4 notice of the intention to introduce this
5 Act, setting forth the general substance of
6 this Act, has been published as provided by
7 law, and the notice and a copy of this Act
8 have been furnished to all persons,
9 agencies, officials, or entities to which
10 they are required to be furnished by the
11 constitution and other laws of this state,
12 including the governor, who has submitted
13 the notice and Act to the Texas Natural
14 Resource Conservation Commission.

15 (b) The Texas Natural Resource
16 Conservation Commission has filed its
17 recommendations relating to this Act with
18 the governor, lieutenant governor, and
19 speaker of the house of representatives
20 within the required time.

21 (c) All requirements of the
22 constitution and laws of this state and the
23 rules and procedures of the legislature
24 with respect to the notice, introduction,
25 and passage of this Act are fulfilled and
26 accomplished.

12 Sec. 8832.151. FINANCIAL RECORDS 2151

13 CHAPTER 8832. MESQUITE GROUNDWATER CONSERVATION DISTRICT

14 SUBCHAPTER A. GENERAL PROVISIONS

15 Revised Law

16 Sec. 8832.001. DEFINITIONS. In this chapter:

17 (1) "Board" means the district's board of directors.

18 (2) "Director" means a board member.

19 (3) "District" means the Mesquite Groundwater
20 Conservation District. (Acts 69th Leg., R.S., Ch. 376, Sec. 2;
21 New.)

22 Source Law

23 Sec. 2. In this Act, "district" means the
24 Collingsworth County Underground Water Conservation
25 District.

26 Revisor's Note

27 (1) The definitions of "board" and "director"
28 are added to the revised law for drafting convenience
29 and to eliminate frequent, unnecessary repetition of
30 the substance of the definitions.

31 (2) Section 2, Chapter 376, Acts of the 69th
32 Legislature, Regular Session, 1985, refers to the
33 Collingsworth County Underground Water Conservation
34 District. The name of the district was changed to the
35 Mesquite Groundwater Conservation District by a

1 resolution adopted by the board of directors of the
2 district dated October 11, 2007, as authorized by
3 Section 4A, Chapter 376, Acts of the 69th Legislature,
4 Regular Session, 1985 (revised in this chapter as
5 Section 8832.004). The revised law is drafted
6 accordingly.

7 Revised Law

8 Sec. 8832.002. NATURE OF DISTRICT. The district is created
9 under Section 59, Article XVI, Texas Constitution, to provide for
10 the conservation, preservation, protection, recharge, and
11 prevention of waste of the groundwater reservoirs located under
12 district land, consistent with the objectives of Section 59,
13 Article XVI, Texas Constitution, and Chapter 36, Water Code. (Acts
14 69th Leg., R.S., Ch. 376, Secs. 1 (part), 4.)

15 Source Law

16 Sec. 1. Under Article XVI, Section 59, of the
17 Texas Constitution the Collingsworth County
18 Underground Water Conservation District is a
19 governmental agency and body politic and corporate,
20

21 Sec. 4. The district is created to provide for
22 the conservation, preservation, protection, recharge,
23 and prevention of waste of the underground water
24 reservoirs located under district land consistent with
25 the objectives of Article XVI, Section 59, of the Texas
26 Constitution and Chapter 36, Water Code.

27 Revisor's Note

28 (1) Section 1, Chapter 376, Acts of the 69th
29 Legislature, Regular Session, 1985, provides that the
30 district is "a governmental agency and body politic
31 and corporate." The revised law omits the quoted
32 language because it duplicates a portion of Section
33 59(b), Article XVI, Texas Constitution, which provides
34 that a conservation and reclamation district is a
35 governmental agency and a body politic and corporate.

36 (2) Section 4, Chapter 376, Acts of the 69th
37 Legislature, Regular Session, 1985, refers to
38 "underground water reservoirs" and to Chapter 36,
39 Water Code. Former Chapter 52, Water Code, referred to

1 "underground water reservoirs." Chapter 933, Acts of
2 the 74th Legislature, Regular Session, 1995, repealed
3 Chapter 52, Water Code, and enacted Chapter 36, Water
4 Code, which refers to "groundwater reservoirs."
5 Throughout this chapter, the revised law substitutes
6 "groundwater" for "underground water" because that is
7 the term used by Chapter 36, Water Code, and because
8 that is the more commonly used and modern term.

9 Revised Law

10 Sec. 8832.003. DISTRICT TERRITORY. The district includes
11 the territory in Collingsworth County and any territory annexed by
12 the district under Section 8832.055 or other law. (Acts 69th Leg.,
13 R.S., Ch. 376, Sec. 3; New.)

14 Source Law

15 Sec. 3. The district includes all of the
16 territory located in Collingsworth County and any
17 territory annexed by the district.

18 Revisor's Note

19 The revision of the law governing the district
20 revises the statutory language describing the
21 territory of the district. Because the district's
22 boundaries are subject to change, that description may
23 not be accurate on the effective date of the revision
24 or at the time of a later reading. For the reader's
25 convenience, the revised law includes a reference to
26 the authority to change the district's territory under
27 Section 12, Chapter 376, Acts of the 69th Legislature,
28 Regular Session, 1985 (revised in this chapter as
29 Section 8832.055), and to the general authority of the
30 legislature to enact other laws to change the
31 district's territory.

32 Revised Law

33 Sec. 8832.004. DISTRICT NAME CHANGE. The board by
34 resolution may change the district's name. (Acts 69th Leg., R.S.,
35 Ch. 376, Sec. 4A.)

1 Source Law

2 Sec. 4A. The board by resolution may change the
3 district's name.

4 [Sections 8832.005-8832.050 reserved for expansion]

5 SUBCHAPTER B. BOARD OF DIRECTORS

6 Revised Law

7 Sec. 8832.051. COMPOSITION OF BOARD; TERMS. (a) Except as
8 provided by Section 8832.055, the district is governed by a board of
9 five directors.

10 (b) Directors serve staggered four-year terms. (Acts 69th
11 Leg., R.S., Ch. 376, Secs. 13(a), (d); New.)

12 Source Law

13 Sec. 13. (a) The district shall be governed by
14 a board of directors that consists of five directors.

15 (d) Directors serve staggered four-year terms.

16 Revisor's Note

17 For the reader's convenience, the revised law
18 includes a reference to the statutory authority to
19 increase the number of directors under Section 12,
20 Chapter 376, Acts of the 69th Legislature, Regular
21 Session, 1985 (revised in this chapter as Section
22 8832.055).

23 Revised Law

24 Sec. 8832.052. ELECTION OF DIRECTORS. (a) The district is
25 divided into five numbered single-member districts for electing
26 directors.

27 (b) The board may revise the single-member districts as
28 necessary or appropriate.

29 (c) One director is elected from each single-member
30 district. A director elected from a single-member district
31 represents the residents and property owners of that single-member
32 district.

33 (d) Board elections are conducted according to Sections
34 36.017(b)-(h), Water Code, and the Election Code. (Acts 69th Leg.,
35 R.S., Ch. 376, Secs. 13(c) (part), (e) (part); Acts 77th Leg., R.S.,

1 Ch. 1364, Sec. 5(d) (part).)

2 Source Law

3 [Acts 69th Leg., R.S., Ch. 376, Sec. 13]

4 (c) One director shall be elected from each
5 single-member district. . . .

6 (e) The board of directors shall draw five
7 numbered single-member districts for electing
8 directors and may revise the districts as necessary or
9 appropriate. For the conduct of an election under this
10 section, the board shall provide for one director to be
11 elected from each of the single-member districts. A
12 director elected from a single-member district
13 represents the residents and property owners of that
14 single-member district. Board elections . . . shall be
15 conducted according to Sections 36.017(b)-(h), Water
16 Code, and the Election Code.

17 [Acts 77th Leg., R.S., Ch. 1364, Sec. 5]

18 (d) [At each subsequent directors' election,]
19 the appropriate number of directors shall be elected
20 from single-member districts.

21 Revisor's Note

22 Section 13(e), Chapter 376, Acts of the 69th
23 Legislature, Regular Session, 1985, provides that the
24 board "shall draw" five numbered single-member
25 districts for electing directors. The revised law
26 substitutes "is divided into" for the quoted language
27 because the requirement that the board "draw," or
28 divide the district into, the numbered single-member
29 districts is executed.

30 Revised Law

31 Sec. 8832.053. ELECTION DATE. A board election shall be
32 held on a uniform election date in each even-numbered year. (Acts
33 69th Leg., R.S., Ch. 376, Sec. 13(e) (part).)

34 Source Law

35 (e) . . . Board elections shall be held on a
36 uniform election day in even-numbered years
37 and

38 Revised Law

39 Sec. 8832.054. QUALIFICATIONS FOR ELECTION; ELIGIBILITY TO
40 SERVE. (a) To be qualified for election as a director, a person
41 must be:

42 (1) a resident of the district; and

43 (2) at least 18 years of age.

1 (b) To represent a single-member district, a director must
2 own property in that single-member district. (Acts 69th Leg.,
3 R.S., Ch. 376, Secs. 13(b), (c) (part).)

4 Source Law

5 (b) To be qualified for election as a director,
6 a person must be a resident of the district and be at
7 least 18 years of age.

8 (c) . . . To represent a single-member
9 district, the director must own property in that
10 single-member district.

11 Revised Law

12 Sec. 8832.055. COMPOSITION OF BOARD AND ELECTION OF
13 DIRECTORS FOLLOWING ANNEXATION. (a) Territory may be added to the
14 district as provided by Chapter 36, Water Code.

15 (b) If the district annexes territory, the board may:

16 (1) add the annexed territory to one or more existing
17 single-member districts for purposes of electing directors;

18 (2) redraw the five single-member districts to include
19 the annexed territory; or

20 (3) add additional single-member districts for the
21 election of additional directors.

22 (c) The district may not contain more than 11 single-member
23 districts. (Acts 69th Leg., R.S., Ch. 376, Sec. 12.)

24 Source Law

25 Sec. 12. (a) Additional territory may be added
26 to the district as provided by Chapter 36, Water Code.
27 If the district annexes additional territory, the
28 board of directors may add the annexed territory to one
29 or more existing single-member districts for purposes
30 of electing directors, may redraw the five
31 single-member districts to include the annexed
32 territory, or may add additional single-member
33 districts for the election of additional directors.

34 (b) The district may not contain more than 11
35 single-member districts.

36 Revisor's Note
37 (End of Subchapter)

38 Section 5, Chapter 1364, Acts of the 77th
39 Legislature, Regular Session, 2001, contains
40 transition language regarding the terms of office of
41 the directors serving on the day before the effective
42 date of that act and directors' elections for the years

1 2002 and 2004. The revised law omits the language as
2 executed because the terms of office of the directors
3 have expired and the elections have been held. The
4 omitted law reads:

5 Sec. 5. (a) A director of the
6 Collingsworth County Underground Water
7 Conservation District who is serving on the
8 day before the effective date of this Act
9 shall serve until the director's term
10 expires.

11 (b) At the 2002 directors' election,
12 the open board positions shall be filled by
13 the appropriate number of directors, who
14 shall be elected from single-member
15 districts.

16 (c) At the 2004 directors' election,
17 the remaining board positions shall be
18 filled by directors elected from the
19 remaining single-member districts.

20 (d) At each subsequent directors'
21 election, [the appropriate number of
22 directors shall be elected from
23 single-member districts.]

24 [Sections 8832.056-8832.100 reserved for expansion]

25 SUBCHAPTER C. POWERS AND DUTIES

26 Revised Law

27 Sec. 8832.101. GENERAL POWERS AND DUTIES. The district may
28 exercise:

29 (1) the powers essential to accomplish the purposes of
30 Section 59, Article XVI, Texas Constitution; and

31 (2) the rights, powers, duties, privileges, and
32 functions provided by this chapter, Chapter 36, Water Code, and
33 other laws of this state relating to groundwater conservation
34 districts. (Acts 69th Leg., R.S., Ch. 376, Secs. 1 (part), 5
35 (part).)

36 Source Law

37 Sec. 1. Under Article XVI, Section 59, of the
38 Texas Constitution the Collingsworth County
39 Underground Water Conservation District is . . .
40 authorized to exercise the powers essential to the
41 accomplishment of the purposes of that constitutional
42 provision and to exercise the rights, powers, duties,
43 privileges, and functions provided by this Act and by
44 Chapter 36, Water Code, and by other laws of this state
45 relating to underground water conservation districts.

46 Sec. 5. The district may exercise the powers,
47 rights, privileges, and functions permitted by Chapter
48 36, Water Code, and

1 Revised Law

2 Sec. 8832.102. ADMINISTRATIVE PROCEDURES. Except as
3 provided by this chapter, the administrative and procedural
4 provisions of Chapter 36, Water Code, apply to the district. (Acts
5 69th Leg., R.S., Ch. 376, Sec. 6.)

6 Source Law

7 Sec. 6. Except as provided by this Act, the
8 administrative and procedural provisions of Chapter
9 36, Water Code, apply to the district.

10 Revised Law

11 Sec. 8832.103. WELL PERMITS. (a) As permitted by Chapter
12 36, Water Code, the district may:

13 (1) require a permit for drilling, equipping, or
14 completing a well in a groundwater reservoir in the district; and

15 (2) issue a permit that includes terms relating to
16 drilling, equipping, or completing a well that are necessary to
17 prevent waste or conserve, preserve, and protect groundwater.

18 (b) The district may not deny an owner of land, or the
19 owner's heirs, assigns, and lessees, a permit to drill a well on
20 that land or the right to produce groundwater from that well subject
21 to rules adopted under this chapter. (Acts 69th Leg., R.S., Ch.
22 376, Sec. 5 (part).)

23 Source Law

24 Sec. 5. [The district may exercise the powers,
25 rights, privileges, and functions permitted by Chapter
26 36, Water Code, and] may:

27 . . .
28 (3) require permits for the drilling,
29 equipping, and completion of wells in the underground
30 water reservoirs in the district and issue permits
31 that include terms and provisions with reference to
32 the drilling, equipping, and completion of the wells
33 that are necessary to prevent waste or conserve,
34 preserve, and protect underground water;

35 (4) . . . provided, the owner of the land,
36 his heirs, assigns, and lessees are not denied a permit
37 to drill a well on their land and the right to produce
38 underground water from that well subject to rules
39 adopted under this Act;

40 . . .

41 Revisor's Note

42 Section 5(3), Chapter 376, Acts of the 69th
43 Legislature, Regular Session, 1985, refers to "terms

1 and provisions." The revised law omits the reference
2 to "provisions" because "provisions" is included in
3 the meaning of "terms."

4 Revised Law

5 Sec. 8832.104. WELL SPACING AND PRODUCTION. To minimize as
6 far as practicable the drawdown of the water table or the reduction
7 of the artesian pressure, the district as permitted by Chapter 36,
8 Water Code, may provide for the spacing of wells producing from the
9 groundwater reservoirs in the district and regulate the production
10 from those wells. (Acts 69th Leg., R.S., Ch. 376, Sec. 5 (part).)

11 Source Law

12 Sec. 5. [The district may exercise the powers,
13 rights, privileges, and functions permitted by Chapter
14 36, Water Code, and] may:

15 . . .
16 (4) provide for the spacing of wells
17 producing from the underground water reservoirs in the
18 district and regulate the production from those wells
19 to minimize as far as practicable the drawdown of the
20 water table or the reduction of the artesian pressure,
21 . . . ;
22 . . .

23 Revised Law

24 Sec. 8832.105. LOGS. As permitted by Chapter 36, Water
25 Code, the district may require that:

26 (1) accurate driller's logs be kept of the drilling,
27 equipping, and completion of a well into a groundwater reservoir in
28 the district; and

29 (2) a copy of a driller's log and of any electric log
30 that may be made of the well be filed with the district. (Acts 69th
31 Leg., R.S., Ch. 376, Sec. 5 (part).)

32 Source Law

33 Sec. 5. [The district may exercise the powers,
34 rights, privileges, and functions permitted by Chapter
35 36, Water Code, and] may:

36 . . .
37 (5) . . . require accurate driller's logs
38 to be kept of those wells and a copy of those logs and
39 of any electric logs that may be made of the wells to be
40 filed with the district;
41 . . .

42 Revisor's Note

43 Section 5(5), Chapter 376, Acts of the 69th

1 Legislature, Regular Session, 1985, provides that the
2 district may require that certain records be kept and
3 reports be made regarding water wells and the use of
4 groundwater. The revised law omits the provision
5 because it duplicates, in substance, Section
6 36.111(a), Water Code. The omitted law reads:

7 Sec. 5. [The district . . . may:]

8
9 (5) require records to be kept
10 and reports to be made of the drilling,
11 equipping, and completion of wells into any
12 underground water reservoir in the district
13 and the taking and use of underground water
14 from those reservoirs and

15 Revised Law

16 Sec. 8832.106. SURVEYS. As permitted by Chapter 36, Water
17 Code, the district may have a licensed engineer survey the
18 groundwater of a groundwater reservoir in the district and the
19 facilities for the development, production, and use of that
20 groundwater and determine the quantity of the groundwater available
21 for production and use and the improvements, developments, and
22 recharges needed for the groundwater reservoir. (Acts 69th Leg.,
23 R.S., Ch. 376, Sec. 5 (part).)

24 Source Law

25 Sec. 5. [The district may exercise the powers,
26 rights, privileges, and functions permitted by Chapter
27 36, Water Code, and] may:

28 . . .
29 (7) have made by registered professional
30 engineers surveys of the underground water of any
31 underground water reservoir in the district and of the
32 facilities for the development, production, and use of
33 that underground water and determine the quantity of
34 the underground water available for production and use
35 and the improvements, developments, and recharges
36 needed for those underground water reservoirs;
37 . . .

38 Revisor's Note

39 Section 5(7), Chapter 376, Acts of the 69th
40 Legislature, Regular Session, 1985, refers to
41 "registered professional engineers." The revised law
42 substitutes "engineer" for "professional engineer"
43 because "engineer" is the term used by Chapter 1001,
44 Occupations Code, which regulates engineers. The

1 revised law also substitutes "licensed" for
2 "registered" because Chapter 1001, Occupations Code,
3 requires that a person hold a license to engage in the
4 practice of engineering.

5 Revised Law

6 Sec. 8832.107. RESEARCH AND DETERMINATIONS REGARDING
7 GROUNDWATER WITHDRAWAL. As permitted by Chapter 36, Water Code,
8 the district may carry out research projects, develop information,
9 and determine limitations, if any, that should be made on the
10 withdrawal of groundwater from a groundwater reservoir in the
11 district. (Acts 69th Leg., R.S., Ch. 376, Sec. 5 (part).)

12 Source Law

13 Sec. 5. [The district may exercise the powers,
14 rights, privileges, and functions permitted by Chapter
15 36, Water Code, and] may:

16 . . .
17 (9) carry out research projects, develop
18 information, and determine limitations, if any, that
19 should be made on the withdrawal of underground water
20 from any underground water reservoir in the district;
21 . . .

22 Revised Law

23 Sec. 8832.108. COLLECTION AND PRESERVATION OF INFORMATION.
24 As permitted by Chapter 36, Water Code, the district may collect and
25 preserve information regarding the use of groundwater and the
26 practicability of recharge of a groundwater reservoir in the
27 district. (Acts 69th Leg., R.S., Ch. 376, Sec. 5 (part).)

28 Source Law

29 Sec. 5. [The district may exercise the powers,
30 rights, privileges, and functions permitted by Chapter
31 36, Water Code, and] may:

32 . . .
33 (10) collect and preserve information
34 regarding the use of the underground water and the
35 practicability of recharge of any underground water
36 reservoir in the district;
37 . . .

38 Revised Law

39 Sec. 8832.109. CONTRACT FOR SALE AND DISTRIBUTION OF WATER.
40 As permitted by Chapter 36, Water Code, the district may contract
41 for, sell, and distribute water from a water import authority or
42 other agency. (Acts 69th Leg., R.S., Ch. 376, Sec. 5 (part).)

(3) Section 5(8), Chapter 376, Acts of the 69th Legislature, Regular Session, 1985, authorizes the district to develop comprehensive plans for the most efficient use of groundwater and for the control and prevention of waste of that groundwater. The revised law omits the provision as superseded by Section 36.1071, Water Code, which requires groundwater conservation districts to develop a comprehensive management plan with certain mandatory components. Section 36.052(b), Water Code, added by Chapter 1010, Acts of the 75th Legislature, Regular Session, 1997, provides that certain sections of Chapter 36, including Section 36.1071, prevail over a conflicting or inconsistent provision of a special law that governs a specific district. The omitted law reads:

Sec. 5. [The district . . . may:]

. . .

(8) develop comprehensive plans for the most efficient use of the underground water of any underground water reservoir in the district and for the control and prevention of waste of that underground water, with the plans to specify in the amount of detail that may be practicable the acts, procedure, performance, and avoidance that are or may be necessary to carry out those plans, including specifications;

. . .

(4) Section 5(11), Chapter 376, Acts of the 69th Legislature, Regular Session, 1985, provides that the district may publish and disseminate to certain persons plans and information and encourage the adoption and execution of the plans. The revised law omits the provision because it duplicates, in substance, Section 36.110, Water Code. The omitted law reads:

Sec. 5. [The district . . . may:]

. . .

(11) publish plans and information, bring them to the notice and attention of the users of the underground water in the district, and encourage their

1 adoption and execution; and

2 . . .

4 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

5 Revised Law

6 Sec. 8832.151. FINANCIAL RECORDS. (a) The district shall
7 file with the county treasurer of each county in which the district
8 is located a copy of each audit, board order, or other document
9 relating to district finances. The copy shall be filed not later
10 than the 60th day after the date the audit is completed, the order
11 is adopted, or the other document is finalized.

12 (b) The county treasurer shall maintain a copy of each
13 audit, order, or other document at the county treasurer's main
14 office and shall make the copies available for public inspection
15 during regular office hours. (Acts 69th Leg., R.S., Ch. 376, Sec.
16 7.)

17 Source Law

18 Sec. 7. (a) In addition to other requirements
19 provided by law, the district shall file with the
20 county treasurer of each county in whose jurisdiction
21 the district is located copies of all audits, orders of
22 the board of directors, and other documents relating
23 to district finances. The copies shall be filed within
24 60 days after the audits are completed, the orders are
25 adopted, or the other documents are finalized.

26 (b) The county treasurer shall maintain copies
27 of all audits, orders, and other documents at his main
28 office and shall make them available for public
29 inspection during regular office hours.

30 Revisor's Note

31 Section 7(a), Chapter 376, Acts of the 69th
32 Legislature, Regular Session, 1985, provides that "In
33 addition to other requirements provided by law," the
34 district shall file with the county treasurer of each
35 county in whose jurisdiction the district is located
36 copies of certain documents. The revised law omits the
37 quoted language because an accepted general principle
38 of statutory construction requires a statute to be
39 given cumulative effect with other statutes unless the
40 statute provides otherwise or unless the statute
41 conflicts with another statute. That general

1 principle applies to the revised law.

2 Revisor's Note
3 (End of Subchapter)

4 Section 10, Chapter 376, Acts of the 69th
5 Legislature, Regular Session, 1985, provides that the
6 tax and bond provisions of Chapter 36, Water Code,
7 apply to the district and that the district may call an
8 election under Chapter 36, Water Code, to approve the
9 levy and collection of an ad valorem tax to secure
10 district bonds or a maintenance and operation tax. The
11 revised law omits that provision because Section 5 of
12 the act (revised in this chapter as Section 8832.101)
13 provides that the district may exercise the rights,
14 powers, duties, privileges, and functions provided by
15 Chapter 36, Water Code. The provisions applicable to
16 the district under Section 8832.101 include any tax
17 and bond provisions of Chapter 36, Water Code. The
18 omitted law reads:

19 Sec. 10. The tax and bond provisions
20 of Chapter 36, Water Code, apply to the
21 district. The district may call an election
22 under Chapter 36, Water Code, to approve the
23 levy and collection of:

- 24 (1) an ad valorem tax to secure
25 bonds issued by the district; or
26 (2) a maintenance and operation
27 tax.

28 Revisor's Note
29 (End of Chapter)

30 Sections 1, 2, and 3, Chapter 26, Acts of the 70th
31 Legislature, Regular Session, 1987, validate certain
32 acts of the board taken before April 14, 1987. Those
33 provisions are omitted from the revised law because
34 they served their purposes on the day they took effect
35 and are executed law. Section 311.031(a)(2),
36 Government Code (Code Construction Act), provides that
37 the repeal of a statute does not affect any validation
38 previously made under the statute. Therefore, the
39 omission of the executed validation provision does not

1 affect the validation. The omitted law reads:

2 Sec. 1. In this Act, "district" means
3 the Collingsworth County Underground Water
4 Conservation District.

5 Sec. 2. All resolutions, orders, and
6 other acts or attempted acts of the board of
7 directors of the district, including the
8 calling and holding of the confirmation and
9 directors' election, the canvassing of the
10 returns, declaring the results of the
11 election, and the organization of the
12 board, are validated in all respects. All
13 resolutions, orders, acts, or attempted
14 acts of the board of directors of the
15 district, including the calling and holding
16 of the confirmation and directors'
17 election, the canvassing of the returns,
18 declaring the results of the election, and
19 the organization of the board, are valid as
20 though they were originally legally
21 authorized or accomplished.

22 Sec. 3. This Act does not apply to or
23 affect litigation now pending in any court
24 of competent jurisdiction in this state to
25 which the district is a party.

1 SUBCHAPTER A. GENERAL PROVISIONS

2 Revised Law

3 Sec. 8834.001. DEFINITIONS. In this chapter:

4 (1) "Beneficial use" means any use that is useful or
5 beneficial to the user, including:

6 (A) an agricultural, gardening, domestic, stock
7 raising, municipal, mining, manufacturing, industrial, commercial,
8 or recreational use, or a use for pleasure purposes; or

9 (B) exploring for, producing, handling, or
10 treating oil, gas, sulfur, or other minerals.

11 (2) "Board" means the district's board of directors.

12 (3) "Commission" means the Texas Commission on
13 Environmental Quality.

14 (4) "District" means the Fort Bend Subsidence
15 District.

16 (5) "Groundwater" means water existing below the
17 earth's surface in the district. The term does not include water
18 produced with oil in the production of oil and gas.

19 (6) "Subsidence" means the lowering in elevation of
20 the surface of land by groundwater withdrawal.

21 (7) "Waste" means:

22 (A) groundwater withdrawal from a groundwater
23 reservoir at a rate and in an amount that causes or threatens to
24 cause intrusion into the reservoir of water unsuitable for
25 agricultural, gardening, domestic, or stock raising purposes;

26 (B) groundwater withdrawal from a groundwater
27 reservoir through a well if the water withdrawn is not used for a
28 beneficial use or if the amount used is more than is reasonably
29 required for a beneficial use;

30 (C) escape of groundwater from a groundwater
31 reservoir to any other reservoir or geologic strata that does not
32 contain groundwater;

33 (D) pollution or harmful alteration of
34 groundwater in a groundwater reservoir by saltwater or other

1 harmful matter admitted from another stratum or from the surface of
2 the ground;

3 (E) unless the discharge is authorized by a
4 permit, rule, or order issued by the commission under Chapter 26,
5 Water Code, wilfully or negligently causing, suffering, or allowing
6 groundwater to escape or flow:

7 (i) into a river, creek, natural
8 watercourse, depression, lake, reservoir, drain, sewer, street,
9 highway, road, or road ditch; or

10 (ii) onto land that does not belong to the
11 owner of the well;

12 (F) unless the occupant of the land receiving the
13 discharge granted permission for the discharge, the escape of
14 groundwater pumped for irrigation as irrigation tailwater onto land
15 that does not belong to the owner of the well; or

16 (G) wilfully causing or knowingly permitting the
17 water withdrawn from an artesian well to run off the owner's land or
18 to percolate through the stratum above which the water is found, as
19 prescribed by Section 11.205, Water Code.

20 (8) "Well" means a facility, device, or method used to
21 withdraw groundwater.

22 (9) "Withdrawal" means the act of extracting by
23 pumping or another method. (Acts 71st Leg., R.S., Ch. 1045, Secs.
24 2(2), (3), (4), (5), (6), (8), (9), (11), (15).)

25 Source Law

26 Sec. 2. In this Act:

27 (2) "District" means the Fort Bend
28 Subsidence District.

29 (3) "Board" means the board of directors
30 of the Fort Bend Subsidence District.

31 (4) "Groundwater" means water existing
32 below the earth's surface within the district, but does
33 not include water produced with oil in the production
34 of oil and gas.

35 (5) "Well" means a facility, device, or
36 method used to withdraw groundwater.

37 (6) "Withdraw" means the act of extracting
38 groundwater by pumping or some other method.

39 (8) "Subsidence" means the lowering in
40 elevation of the surface of land by the withdrawal of
41 groundwater.

1 (9) "Commission" means the Texas
2 Commission on Environmental Quality.

3 (11) "Beneficial use" means any use that
4 is useful or beneficial to the user, including:

5 (A) an agricultural, gardening,
6 domestic, stock raising, municipal, mining,
7 manufacturing, industrial, commercial, or
8 recreational use, or a use for pleasure purposes; or

9 (B) exploring for, producing,
10 handling, or treating oil, gas, sulfur, or other
11 minerals.

12 (15) "Waste" means:

13 (A) the withdrawal of groundwater
14 from a groundwater reservoir at a rate and in an amount
15 that causes or threatens to cause intrusion into the
16 reservoir of water unsuitable for agricultural,
17 gardening, domestic, or stock raising purposes;

18 (B) the flowing or producing of wells
19 from a groundwater reservoir if the water produced is
20 not used for a beneficial use or if the amount used is
21 more than is reasonably required for a beneficial use;

22 (C) the escape of groundwater from a
23 groundwater reservoir to any other reservoir or
24 geologic strata that does not contain groundwater;

25 (D) the pollution or harmful
26 alteration of groundwater in a groundwater reservoir
27 by saltwater or other harmful matter admitted from
28 another stratum or from the surface of the ground;

29 (E) wilfully or negligently causing,
30 suffering, or allowing groundwater to escape or flow
31 into a river, creek, natural watercourse, depression,
32 lake, reservoir, drain, sewer, street, highway, road,
33 or road ditch, or onto land that does not belong to the
34 owner of the well unless the discharge is authorized by
35 a permit, rule, or order issued by the commission under
36 Chapter 26, Water Code;

37 (F) the escape of groundwater pumped
38 for irrigation as irrigation tailwater onto land that
39 does not belong to the owner of the well unless the
40 occupant of the land receiving the discharge granted
41 permission for the discharge; or

42 (G) wilfully causing or knowingly
43 permitting the water produced from an artesian well to
44 run off the owner's land or to percolate through the
45 stratum above which the water is found, as prescribed
46 by Section 11.205, Water Code.

47 Revisor's Note

48 (1) Section 2(6), Chapter 1045, Acts of the 71st
49 Legislature, Regular Session, 1989, defines
50 "withdraw." The revised law substitutes "withdrawal"
51 for "withdraw" because "withdrawal" is the term used
52 in the chapter. The revised law omits the reference to
53 "groundwater" found in the source law definition
54 because each instance of "withdrawal" in the revised
55 law is clearly in the context of groundwater
56 withdrawal.

1 (2) Section 2(1), Chapter 1045, Acts of the 71st
2 Legislature, Regular Session, 1989, defines "person"
3 as including "a corporation, . . . and any other legal
4 entity." The revised law omits the definition because
5 it duplicates, in substance, the definition of
6 "person" provided by Section 311.005(2), Government
7 Code (Code Construction Act). The omitted law reads:

8 (1) "Person" includes a
9 corporation, individual, organization,
10 government, governmental subdivision or
11 agency, business trust, estate, trust,
12 partnership, or association, and any other
13 legal entity.

14 (3) Sections 2(10), (12), (13), and (14),
15 Chapter 1045, Acts of the 71st Legislature, Regular
16 Session, 1989, define "agricultural crop," "florist
17 item," "nursery grower," and "nursery product." Those
18 definitions are omitted from the revised law because
19 those terms appear nowhere else in the source law. The
20 omitted law reads:

21 (10) "Agricultural crop":

22 (A) means food or fiber
23 commodities that are grown for resale or
24 commercial purposes and that are to be used
25 for food, clothing, or animal feed; and

26 (B) includes nursery
27 products and florist items that are in the
28 possession of a nursery grower.

29 (12) "Florist item" means a cut
30 flower, potted plant, blooming plant,
31 inside foliage plant, bedding plant,
32 corsage flower, cut foliage, floral
33 decoration, or live decorative material.

34 (13) "Nursery grower" means a
35 person who grows in any medium more than 50
36 percent of the nursery products or florist
37 items that the person sells or leases. A
38 person grows a nursery product or florist
39 item if the person cultivates or propagates
40 the product or item by engaging in
41 activities associated with the production
42 or multiplying of stock, including the
43 development of new plants from cuttings,
44 grafts, plugs, or seedlings. The term does
45 not include a person who merely holds or
46 maintains a nursery product or florist item
47 before sale or lease.

48 (14) "Nursery product" includes
49 a tree, shrub, vine, cutting, graft, scion,
50 grass, bulb, or bud that is grown or kept
51 for, or capable of, propagation and
52 distribution for sale or lease.

1 contributes to or precipitates flooding or overflow in the
2 district, including rising water resulting from a storm or
3 hurricane.

4 (b) The legislature intends that the district administer
5 and enforce this chapter and exercise the district's rights,
6 powers, and duties in a manner that will effectively and
7 expeditiously accomplish the purposes of this chapter. (Acts 71st
8 Leg., R.S., Ch. 1045, Sec. 1.)

9 Source Law

10 Sec. 1. (a) The purpose of this Act is to
11 provide for the regulation of the withdrawal of
12 groundwater within the district created by this Act to
13 prevent subsidence, which contributes to or
14 precipitates flooding, inundation, or overflow of
15 areas within the district, including rising waters
16 resulting from storms or hurricanes.

17 (b) It is the intent of the legislature that the
18 district created by this Act shall administer and
19 enforce the terms of this Act and shall exercise its
20 rights, powers, and duties in a manner that will
21 effectively and expeditiously accomplish the purposes
22 of this Act.

23 Revisor's Note

24 Section 1(a), Chapter 1045, Acts of the 71st
25 Legislature, Regular Session, 1989, refers to
26 subsidence, which precipitates "flooding [or]
27 inundation." The revised law omits "inundation"
28 because, in context, the meaning of that term is
29 included in the meaning of "flooding."

31 Sec. 8834.004. FINDINGS OF PUBLIC USE AND BENEFIT. The
32 district is created to serve a public use and benefit. (Acts 71st

39 the territory in Fort Bend County unless the district's territory
40 has been modified under other law. (Acts 71st Leg., R.S., Ch. 1045,
41 Sec. 4; New.)

Sec. 4. The district includes all of the territory within Fort Bend County.

Revisor's Note

The revision of the law governing the district revises the statutory language describing the territory of the district. Because the district's boundaries are subject to change, that description may not be accurate on the effective date of the revision or at the time of a later reading. For the reader's convenience, the revised law includes a reference to the general authority of the legislature to enact other laws to change the district's territory.

Revised Law

Sec. 8834.006. CERTAIN OTHER STATUTES INAPPLICABLE. Other laws governing the administration or operation of a conservation and reclamation district created under Section 52, Article III, or Section 59, Article XVI, Texas Constitution, including Chapters 36 and 49, Water Code, do not apply to the district. (Acts 71st Leg., R.S., Ch. 1045, Sec. 4A(a).)

Source Law

Sec. 4A. (a) Other laws governing the administration or operation of conservation and reclamation districts created under Section 52, Article III, or Section 59, Article XVI, Texas Constitution, including Chapters 36 and 49, Water Code, do not apply to the district.

Revisor's Note

Section 4A(b), Chapter 1045, Acts of the 71st Legislature, Regular Session, 1989, provides that, regardless of Section 36.052, Water Code, Chapter 1045 prevails over another law in the case of a conflict or other inconsistency. The revised law omits that provision because it duplicates, in substance, Section 311.026, Government Code (Code Construction Act). It is unnecessary to mention Section 36.052, Water Code, because Section 4A(a), Chapter 1045, revised as this

1 section, provides that Chapter 36 does not apply to the
2 district. The omitted law reads:

3 (b) Notwithstanding Section 36.052,
4 Water Code, this chapter prevails over any
5 other law in conflict or inconsistent with
6 this Act.

7 [Sections 8834.007-8834.050 reserved for expansion]

8 SUBCHAPTER B. DISTRICT ADMINISTRATION

9 Revised Law

10 Sec. 8834.051. DIRECTORS. (a) The district is governed by
11 a board of 13 directors appointed as provided by this section.

12 (b) Directors serve two-year terms.

13 (c) A director must be a qualified voter of the district.

14 (d) The persons designated by Subsections (e), (f), and (g)
15 shall appoint directors in January to fill vacancies caused by the
16 expiration of directors' terms. The district shall mail notice
17 regarding the necessity of an appointment to the persons designated
18 by Subsections (e), (f), and (g) not later than the 20th day before
19 the date of the board's January meeting.

20 (e) The mayor of each of the following municipalities shall
21 appoint a director from the mayor's respective municipality:

22 (1) Houston;

23 (2) Missouri City;

24 (3) Stafford;

25 (4) Sugar Land;

26 (5) Rosenberg; and

27 (6) Richmond.

28 (f) The Commissioners Court of Fort Bend County shall
29 appoint:

30 (1) two directors who represent agricultural
31 interests and live in an unincorporated area;

32 (2) two directors who represent industrial interests;
33 and

34 (3) two directors who represent business interests.

35 (g) The mayors of Fort Bend County municipalities other than
36 those listed in Subsection (e) shall appoint one director jointly.

1 (Acts 71st Leg., R.S., Ch. 1045, Secs. 5(a), (b), (c), (d), (f), (h)
2 (part), (j) (part).)

3 Source Law

4 Sec. 5. (a) The district is governed by a board
5 of 13 directors.

6 (b) One director from each of the following
7 cities in Fort Bend County shall be appointed by the
8 mayor of the respective city:

- 9 (1) Houston;
10 (2) Missouri City;
11 (3) Stafford;
12 (4) Sugar Land;
13 (5) Rosenberg; and
14 (6) Richmond.

15 (c) The Commissioners Court of Fort Bend County
16 shall appoint two directors who represent agricultural
17 interests and live in an unincorporated area, two
18 directors who represent industrial interests, and two
19 directors who represent business interests.

20 (d) One director shall be appointed by the
21 mayors of the incorporated cities within the county
22 not listed in Subsection (b) of this section.

23 (f) All directors must be residents of and
24 qualified voters in the district.

25 (h) Selection of . . . directors shall be made
26 each January. Not later than the 20th day before the
27 date of the board's January meeting, the district shall
28 mail notice to the persons designated in Subsections
29 (b), (c), and (d) of this section to choose directors.

30 (j) . . . members of the board shall serve for
31 terms of two years.

32 Revisor's Note

33 (1) Section 5, Chapter 1045, Acts of the 71st
34 Legislature, Regular Session, 1989, refers to a "city"
35 and to "incorporated cities." The revised law
36 substitutes "municipality" for "city" because the
37 terms are synonymous and "municipality" is the term
38 used in the Local Government Code. The revised law
39 omits "incorporated" because, under the Local
40 Government Code, all municipalities must be
41 incorporated.

42 (2) Section 5(f), Chapter 1045, Acts of the 71st
43 Legislature, Regular Session, 1989, provides that
44 directors "must be residents of and qualified voters
45 in the district." The revised law omits as unnecessary
46 the requirement that a director be a resident of the

1 district. Section 11.001(a)(2), Election Code,
2 provides that to be eligible to vote in an election, a
3 person must be a resident of the territory covered by
4 the election. As a result, a person must reside in the
5 district to be a qualified voter of the district.

6 (3) Sections 5(h), (i), and (j), Chapter 1045,
7 Acts of the 71st Legislature, Regular Session, 1989,
8 contain provisions regarding the terms of office for
9 initial directors. Because the terms of the initial
10 directors have expired, the revised law omits the
11 provisions as executed. The omitted law reads:

12 (h) [Selection of] subsequent
13 [directors]

14 (i) The terms of office for the
15 initial directors shall be as follows:

16 (1) five members chosen under
17 Subsection (b) of this section and four
18 members chosen under Subsection (c) of this
19 section shall serve for terms expiring
20 January 31, 1991; and

21 (2) one member chosen under
22 Subsection (b) of this section, two members
23 chosen under Subsection (c) of this
24 section, and the member chosen under
25 Subsection (d) of this section shall serve
26 for terms expiring January 31, 1990.

27 (j) Except as provided by Subsection
28 (i) of this section,

29 Revised Law

30 Sec. 8834.052. BOARD POWERS AND DUTIES. (a) The board has
31 all powers necessary or convenient to carry out its
32 responsibilities and accomplish the purpose of this chapter,
33 whether the powers are specifically authorized by this chapter or
34 are implied by this chapter or other law.

35 (b) The board shall administer this chapter as provided by
36 Section 8834.003. (Acts 71st Leg., R.S., Ch. 1045, Secs. 6(a),
37 (d).)

38 Source Law

39 Sec. 6. (a) The board shall administer this Act
40 as provided by Section 1 of this Act.

41 (d) The board has all other powers necessary or
42 convenient to carry out its responsibilities and
43 achieve the purpose of this Act, whether the powers are
44 specifically authorized by this Act or implied by this
45 Act or other law.

1 Revised Law

2 Sec. 8834.053. OFFICIAL BOARD ACTIONS. The affirmative
3 vote of a majority of the directors is required for any official
4 board action. (Acts 71st Leg., R.S., Ch. 1045, Sec. 5(q) (part).)

5 Source Law

6 (q) . . . An official act of the board is not
7 valid without the affirmative vote of a majority of the
8 directors.

9 Revised Law

10 Sec. 8834.054. DIRECTOR'S BOND. (a) A director shall
11 execute a bond that is:

12 (1) for \$5,000;

13 (2) payable to the district; and

14 (3) conditioned on the faithful performance of the
15 director's duties.

16 (b) The district shall pay for the bond. (Acts 71st Leg.,
17 R.S., Ch. 1045, Sec. 5(p) (part).)

18 Source Law

19 (p) Each director . . . shall execute a bond in
20 the amount of \$5,000, payable to the district,
21 conditioned on the faithful performance of the
22 director's duties. The district shall pay for the bond.

23 Revisor's Note

24 Section 5(p), Chapter 1045, Acts of the 71st
25 Legislature, Regular Session, 1989, requires each
26 director to make the sworn statement and take the
27 constitutional oath of office prescribed by the Texas
28 Constitution. The revised law omits that provision
29 because Section 1, Article XVI, Texas Constitution,
30 requires all officers, before assuming office, to take
31 the oath or affirmation and subscribe to the sworn or
32 affirmed statement. The omitted law reads:

33 (p) [Each director] shall make the
34 sworn statement and take the oath of office
35 prescribed by the constitution for public
36 officers and

37 Revised Law

38 Sec. 8834.055. OFFICERS. (a) Each year, at the first

1 meeting after the new directors take office, the directors shall
2 select a president, a vice president, and a secretary.

3 (b) An officer selected under Subsection (a) serves at the
4 will of the board and may be removed and replaced by a majority of
5 the board at any time.

6 (c) The president shall preside over meetings of the board.
7 If the president is not present, the vice president shall preside.
8 (Acts 71st Leg., R.S., Ch. 1045, Secs. 5(1), (m).)

9 Source Law

10 (l) Each year at the first meeting after new
11 directors take office, the directors shall select a
12 chairman, a vice-chairman, and a secretary. The
13 chairman, vice-chairman, and secretary shall serve at
14 the pleasure of the board and may be removed and
15 replaced by a majority of the board at any time.

16 (m) The chairman shall preside over meetings of
17 the board. If the chairman is not present, the
18 vice-chairman shall preside.

19 Revisor's Note

20 Section 5, Chapter 1045, Acts of the 71st
21 Legislature, Regular Session, 1989, refers to the
22 "chairman" and "vice-chairman" of the board.
23 Throughout this chapter, the revised law substitutes
24 "president" for "chairman" and "vice president" for
25 "vice-chairman" to avoid the use of a gender-based
26 term. In the context in which the terms are used, the
27 terms have the same meaning.

28 Revised Law

29 Sec. 8834.056. MEETINGS. (a) The board shall hold one
30 regular meeting each month at a time set by the board.

31 (b) The board may hold a special meeting at the call of the
32 president or on the written request of at least three directors.
33 (Acts 71st Leg., R.S., Ch. 1045, Sec. 5(r) (part).)

34 Source Law

35 (r) The board shall hold one regular meeting
36 each month at a time set by the board. The board may
37 hold special meetings at the call of the chairman or on
38 the written request of at least three directors. . . .

39 Revised Law

40 Sec. 8834.057. APPLICABILITY OF OPEN MEETINGS LAW. (a) The

1 board shall give notice of board meetings as provided by Chapter
2 551, Government Code. Failure to provide notice of a regular
3 meeting or an insubstantial defect in notice of any meeting does not
4 affect the validity of any action taken at the meeting.

5 (b) A meeting of a committee of the board is not subject to
6 Chapter 551, Government Code, if less than a quorum is present at
7 the meeting. (Acts 71st Leg., R.S., Ch. 1045, Sec. 5(r) (part).)

8 Source Law

9 (r) . . . A meeting of a committee of the board
10 where less than a quorum is present is not subject to
11 Chapter 551, Government Code. The board shall give
12 notice of board meetings as provided by Chapter 551,
13 Government Code. Failure to provide notice of a
14 regular meeting or an insubstantial defect in notice
15 of any meeting does not affect the validity of any
16 action taken at the meeting.

17 Revised Law

18 Sec. 8834.058. COMPENSATION AND REIMBURSEMENT OF
19 DIRECTORS. (a) A director is entitled to receive fees of office of
20 not more than \$150 a day for each day the director is engaged in the
21 exercise of the director's duties. The fees of office may not exceed
22 \$9,000 a year.

23 (b) A director is entitled to receive reimbursement for
24 actual expenses reasonably and necessarily incurred in the exercise
25 of the director's duties under this chapter.

26 (c) To receive fees of office and reimbursement for
27 expenses, a director must file with the district a verified
28 statement that:

29 (1) shows the number of days spent in the service of
30 the district; and

31 (2) provides a general description of the duties
32 performed for each day of service. (Acts 71st Leg., R.S., Ch. 1045,
33 Sec. 5(n).)

34 Source Law

35 (n) Each director is entitled to receive fees of
36 office of not more than \$150 a day for each day the
37 director is engaged in the exercise of the director's
38 duties. The fees of office may not exceed \$9,000 a
39 year. Each director is also entitled to receive
40 reimbursement for actual expenses reasonably and
41 necessarily incurred in the exercise of the director's

1 duties under this Act. To receive fees of office and
2 reimbursement for expenses, each director must file
3 with the district a verified statement that shows the
4 number of days spent in the service of the district and
5 a general description of the duties performed for each
6 day of service.

7 Revised Law

8 Sec. 8834.059. VACANCIES. If a vacancy occurs on the board,
9 the person or persons designated by Section 8834.051 to appoint a
10 director for the position that is vacated shall appoint a director
11 to serve the unexpired term. (Acts 71st Leg., R.S., Ch. 1045, Sec.
12 5(o).)

13 Source Law

14 (o) If a vacancy occurs on the board, the person
15 or persons designated in Subsection (b), (c), or (d) of
16 this section to appoint a director for the position
17 that is vacated shall appoint a director to serve the
18 unexpired term.

19 Revised Law

20 Sec. 8834.060. DISTRICT POLICIES. The board shall adopt
21 the following written policies:

22 (1) a code of ethics for district directors, officers,
23 and employees and for persons engaged in handling investments for
24 the district;

25 (2) a policy relating to travel expenditures;

26 (3) a policy relating to district investments;

27 (4) policies and procedures for the selection,
28 monitoring, or review and evaluation of professional services; and

29 (5) policies that ensure a better use of management
30 information, including the use of:

31 (A) budgets to plan and control cost; and

32 (B) uniform reporting requirements based on
33 "Audits of State and Local Governmental Units," published by the
34 American Institute of Certified Public Accountants, and
35 "Governmental Accounting and Financial Reporting Standards,"
36 published by the Governmental Accounting Standards Board. (Acts
37 71st Leg., R.S., Ch. 1045, Sec. 6(g).)

38 Source Law

39 (g) The board shall adopt the following written
40 policies:

1 (1) a code of ethics for district
2 directors, officers, and employees, and persons who
3 are engaged in handling investments for the district;
4 (2) a policy relating to travel
5 expenditures;
6 (3) a policy relating to district
7 investments;
8 (4) policies and procedures for selection,
9 monitoring, or review and evaluation of professional
10 services; and
11 (5) policies that ensure a better use of
12 management information, including the use of:
13 (A) budgets to plan and control cost;
14 and
15 (B) uniform reporting requirements
16 based on "Audits of State and Local Governmental
17 Units," published by the American Institute of
18 Certified Public Accountants, and "Governmental
19 Accounting and Financial Reporting Standards,"
20 published by the Governmental Accounting Standards
21 Board.

22 Revised Law

23 Sec. 8834.061. GENERAL MANAGER. (a) The board may employ a
24 general manager to serve as the chief administrative officer of the
25 district. The district may contract with any person to perform the
26 general manager's duties.

27 (b) The board may delegate to the general manager the
28 authority to manage and operate the affairs of the district subject
29 only to orders of the board.

30 (c) The duties of the general manager include:

- 31 (1) administering board orders;
32 (2) coordinating with state, federal, and local
33 agencies;
34 (3) supervising development of district plans and
35 programs;
36 (4) preparing and submitting the annual budget to the
37 board; and
38 (5) performing other duties assigned by the board.

39 (d) The general manager shall execute a bond that is:

- 40 (1) in an amount set by the board;
41 (2) payable to the district; and
42 (3) conditioned on the general manager's faithful
43 performance of the general manager's duties.

44 (e) The district shall pay for the bond described under
45 Subsection (d).

1 (f) The board shall determine the compensation and terms of
2 office and employment for the general manager.

3 (g) The board by a vote of a majority of board members may
4 discharge the general manager. (Acts 71st Leg., R.S., Ch. 1045,
5 Sec. 7.)

6 Source Law

7 Sec. 7. (a) The board may employ a general
8 manager who shall be the chief administrative officer
9 of the district. The board may delegate to the general
10 manager the authority to manage and operate the
11 affairs of the district subject only to orders of the
12 board.

13 (b) The duties of the general manager include:

14 (1) administration of the orders of the
15 board;

16 (2) coordination with state, federal, and
17 local agencies;

18 (3) supervision of the development of
19 plans and programs of the district;

20 (4) preparation and submission of the
21 annual budget to the board; and

22 (5) other duties assigned by the board.

23 (c) The general manager shall execute a bond in
24 an amount determined by the board, payable to the
25 district, conditioned on the faithful performance of
26 his duties. The district shall pay for the bond.

27 (d) The district may contract with any person to
28 perform the duties of general manager.

29 (e) The board shall determine the compensation
30 and terms of office and employment for the general
31 manager. The board may discharge the general manager
32 by a vote of a majority of board members.

33 Revised Law

34 Sec. 8834.062. PERSONNEL. (a) The general manager shall
35 employ personnel necessary to properly handle district business and
36 operation. The general manager may employ attorneys, bookkeepers,
37 engineers, and other expert and specialized personnel considered
38 necessary.

39 (b) The general manager shall determine the compensation
40 paid to district employees.

41 (c) The general manager may discharge a district employee.
42 (Acts 71st Leg., R.S., Ch. 1045, Secs. 8(a), (b).)

43 Source Law

44 Sec. 8. (a) The general manager shall employ
45 personnel necessary for the proper handling of the
46 business and operation of the district and may employ
47 attorneys, bookkeepers, engineers, and other expert
48 and specialized personnel that are considered
49 necessary. The general manager shall determine the
50 compensation to be paid by the district to the

1 employees.

2 (b) The general manager may discharge employees
3 of the district.

4 Revised Law

5 Sec. 8834.063. BENEFITS. (a) The board may provide for and
6 administer retirement, disability, and death compensation funds
7 for the employees of the district.

8 (b) The board may:

9 (1) establish a public retirement system as provided
10 by Chapter 810, Government Code; or

11 (2) provide for a deferred compensation plan as
12 described by Section 457, Internal Revenue Code of 1986.

13 (c) The board may:

14 (1) include hospitalization and medical benefits for
15 district employees as part of the compensation paid to the
16 employees; and

17 (2) adopt or amend a plan or rule as necessary to
18 provide the benefits described by Subdivision (1).

19 (d) The board may establish a sick leave pool for district
20 employees in the manner provided for state employees by Subchapter
21 A, Chapter 661, Government Code. (Acts 71st Leg., R.S., Ch. 1045,
22 Secs. 8(d), (e), (f), (g).)

23 Source Law

24 (d) The board may provide for and administer
25 retirement, disability, and death compensation funds
26 for the employees of the district.

27 (e) The board may establish a public retirement
28 system as provided by Chapter 810, Government Code, or
29 provide for a deferred compensation plan as described
30 by Section 457, Internal Revenue Code of 1986.

31 (f) The board may include hospitalization and
32 medical benefits for its employees as part of the
33 compensation paid to employees and may adopt or amend
34 any plan or rule as necessary to provide
35 hospitalization and medical benefits.

36 (g) The board may establish a sick leave pool
37 for employees of the district in the same manner as a
38 sick leave pool for state employees is authorized to be
39 created under Subchapter A, Chapter 661, Government
40 Code.

41 Revised Law

42 Sec. 8834.064. BOND FOR EMPLOYEE RESPONSIBLE FOR MONEY.

43 (a) The board shall require an employee who collects, pays, or
44 handles district money to provide a good and sufficient bond that

1 is:

2 (1) in an amount sufficient to safeguard the district;

3 (2) payable to the district; and

4 (3) conditioned on:

5 (A) the faithful performance of the employee's
6 duties; and

7 (B) accounting for all district money and
8 property under the employee's control.

9 (b) The district shall pay for the bond. (Acts 71st Leg.,
10 R.S., Ch. 1045, Sec. 8(c).)

11 Source Law

12 (c) The board shall require an employee who
13 collects, pays, or handles funds of the district to
14 furnish good and sufficient bond, payable to the
15 district, for a sufficient amount to safeguard the
16 district. The bond shall be conditioned on the
17 faithful performance of the employee's duties and on
18 accounting for all funds and property of the district
19 under the employee's control. The district shall pay
20 for the bond.

21 Revisor's Note

22 Section 8(c), Chapter 1045, Acts of the 71st
23 Legislature, Regular Session, 1989, refers to monetary
24 assets of the district as "funds." Throughout this
25 chapter, the revised law substitutes "money" for
26 "funds" because, in context, the meaning is the same
27 and "money" is the more commonly used term.

28 Revised Law

29 Sec. 8834.065. DISTRICT OFFICE. The board shall maintain
30 its principal office in the district for conducting district
31 business. The office must be in the district. (Acts 71st Leg.,
32 R.S., Ch. 1045, Sec. 9.)

33 Source Law

34 Sec. 9. The board shall maintain its principal
35 office for conducting the business of the district.
36 The office must be located inside the district.

37 Revised Law

38 Sec. 8834.066. MAINTENANCE OF RECORDS; PUBLIC INSPECTION.

39 (a) The district shall:

1 (1) keep a complete account of board meetings and
2 proceedings; and

3 (2) maintain in a safe place the board's minutes,
4 contracts, records, notices, accounts, and receipts.

5 (b) The board's minutes, contracts, records, notices,
6 accounts, and receipts are:

7 (1) the property of the district; and

8 (2) subject to public inspection. (Acts 71st Leg.,
9 R.S., Ch. 1045, Sec. 10.)

10 Source Law

11 Sec. 10. The district shall keep a true and
12 complete account of the board's meetings and
13 proceedings and shall preserve the board's minutes,
14 contracts, records, notices, accounts, and receipts in
15 a safe place. The board's minutes, contracts, records,
16 notices, accounts, and receipts are the property of
17 the district and are subject to public inspection.

18 Revisor's Note

19 Section 10, Chapter 1045, Acts of the 71st
20 Legislature, Regular Session, 1989, requires the board
21 to keep a "true" account of all board meetings and
22 proceedings. The revised law omits the reference to
23 "true" because the requirement that an account be kept
24 presumes the requirement that the account be true. In
25 addition, under Section 37.10, Penal Code, a person
26 who knowingly makes a false entry in a governmental
27 record commits the offense of tampering with a
28 governmental record.

29 Revised Law

30 Sec. 8834.067. SEAL. The board shall adopt a seal. (Acts
31 71st Leg., R.S., Ch. 1045, Sec. 12.)

32 Source Law

33 Sec. 12. The board shall adopt a seal.

34 Revisor's Note
35 (End of Subchapter)

36 Section 5(q), Chapter 1045, Acts of the 71st
37 Legislature, Regular Session, 1989, provides that a
38 majority of the board constitutes a quorum for the

1 transaction of business. The revised law omits that
2 provision because it duplicates Section 311.013,
3 Government Code (Code Construction Act), which
4 provides that a quorum of a public body is a majority
5 of the number of members fixed by statute. The omitted
6 law reads:

7 (q) A majority of the directors
8 constitute a quorum for transaction of
9 business of the district. . . .

11 SUBCHAPTER C. POWERS AND DUTIES

12 Revised Law

13 Sec. 8834.101. DISTRICT PLAN. (a) The board shall
14 formulate a plan to control and mitigate subsidence in the
15 district.

16 (b) The plan must:

17 (1) regulate groundwater withdrawals to maintain
18 sufficient artesian pressure to control and mitigate subsidence;
19 and

20 (2) specify in as much detail as practicable the acts,
21 procedures, performance, and avoidance that are necessary to carry
22 out the purpose of this chapter.

23 (c) When formulating the plan, the board shall compile and
24 consider:

25 (1) a list of wells in the district subject to
26 regulation under this chapter;

27 (2) a list of all available sources of water, other
28 than groundwater, in the district;

29 (3) the purpose for which the water is used and for
30 which it is proposed to be used;

31 (4) accurate estimates of:

32 (A) groundwater withdrawal from all wells or
33 proposed wells in the district;

34 (B) the amount of groundwater that may be
35 withdrawn from each area in the district without causing:

- 1 (i) long-term static water level decline;
2 and
3 (ii) reduction of artesian pressure that
4 will lead to subsidence in the district; and
5 (C) current and future water needs in the
6 district;
7 (5) information relating to formulating a permit
8 system; and
9 (6) other information necessary to manage groundwater
10 in the district and to effectively and expeditiously carry out the
11 purpose of this chapter. (Acts 71st Leg., R.S., Ch. 1045, Secs.
12 16(a), (b), (c).)

13 Source Law

14 Sec. 16. (a) The board shall formulate a plan
15 to control and mitigate subsidence within the
16 district. The plan shall accomplish this purpose by
17 the regulation of groundwater withdrawals to maintain
18 sufficient artesian pressure to control and mitigate
19 subsidence.

20 (b) The plan shall specify, in as much detail as
21 practicable, the acts, procedures, performance, and
22 avoidance that are necessary to carry out the purposes
23 of this Act.

24 (c) When formulating the plan, the board shall
25 compile and consider:

26 (1) a list of wells in the district that
27 will be subject to regulation under this Act;

28 (2) an accurate estimate of groundwater
29 production from all wells or proposed wells in the
30 district;

31 (3) an accurate estimate of the amount of
32 groundwater that may be produced from each area in the
33 district without causing long-term static water level
34 decline and reduction of artesian pressure that will
35 lead to subsidence within the district;

36 (4) an accurate estimate of the current
37 and future water needs in the district;

38 (5) a list of all available sources of
39 water in the district other than groundwater;

40 (6) the purpose for which the water is
41 currently used and for which it is proposed to be used
42 in the future;

43 (7) information relating to formulation of
44 a permit system; and

45 (8) other information necessary to carry
46 out the management of groundwater in the district and
47 to effectively and expeditiously accomplish the
48 purposes of this Act.

49 Revised Law

50 Sec. 8834.102. ADOPTION OF DISTRICT PLAN. (a) The board
51 shall hold a hearing to consider a plan formulated under Section

1 8834.101.

2 (b) After the hearing, the board shall:

3 (1) make any changes it considers necessary according
4 to evidence and material presented at the hearing; and

5 (2) adopt the plan.

6 (c) The board may amend or repeal a plan adopted under this
7 section and may adopt a new plan as provided by this section for the
8 adoption of the original plan.

9 (d) An adopted plan remains in effect until a new plan is
10 adopted. (Acts 71st Leg., R.S., Ch. 1045, Secs. 16(f), (g), (h).)

11 Source Law

12 (f) Before a plan is adopted, the board shall
13 hold a hearing to consider the proposed plan.

14 (g) After the hearing, the board shall make any
15 changes it considers necessary based on evidence and
16 material presented at the hearing and shall adopt the
17 plan.

18 (h) The plan adopted under this section may be
19 amended or repealed. A new plan may be adopted in the
20 manner provided in this section for the adoption of the
21 original plan. A plan, once adopted, shall remain in
22 effect until the adoption of a new plan.

23 Revisor's Note

24 Sections 16(d) and (e), Chapter 1045, Acts of the
25 71st Legislature, Regular Session, 1989, require the
26 district to formulate and adopt an initial plan. The
27 revised law omits those provisions as executed because
28 the district has adopted its initial plan. The omitted
29 law reads:

30 (d) The initial plan shall be
31 formulated not later than 12 months after
32 the effective date of this Act.

33 (e) Not later than the 60th day after
34 the date the initial plan is formulated, the
35 board shall review and adopt the plan.

36 Revised Law

37 Sec. 8834.103. WATER CONSERVATION MEASURES. (a) The board
38 may adopt rules requiring the use of water conservation measures to
39 reduce groundwater withdrawals.

40 (b) The district may cooperate with the commission and a
41 local government to establish water conservation goals,
42 guidelines, and plans to be used in the district.

1 (c) The district may contract with a local government in the
2 district to provide services needed to meet water conservation
3 requirements that the commission establishes. (Acts 71st Leg.,
4 R.S., Ch. 1045, Sec. 36.)

5 Source Law

6 Sec. 36. (a) The board may adopt rules
7 requiring the use of water conservation measures to
8 reduce groundwater withdrawals.

9 (b) The district may cooperate with the
10 commission and a local government to establish water
11 conservation goals, guidelines, and plans to be used
12 in the district.

13 (c) The district may contract with a local
14 government in the district to provide services needed
15 to meet water conservation requirements established by
16 the commission.

17 Revised Law

18 Sec. 8834.104. ANNUAL GROUNDWATER WITHDRAWAL
19 DETERMINATION. (a) Before March 31 of each year, the board shall
20 hold a hearing to determine the effects during the preceding
21 calendar year of groundwater withdrawal on subsidence in the
22 district.

23 (b) At the hearing, the board shall consider information
24 provided under Sections 8834.107 and 8834.214 and information
25 presented by persons appearing before the board.

26 (c) After the hearing, the board shall:

27 (1) consider all information presented to it;

28 (2) determine groundwater withdrawal in the district
29 during the preceding calendar year; and

30 (3) make findings on the effects during the preceding
31 calendar year of groundwater withdrawal on subsidence in the
32 district.

33 (d) The board's findings and determinations under
34 Subsection (c) shall be included in a report adopted by the board.
35 The report shall be made available for examination by any
36 interested person.

37 (e) The board shall submit the report adopted under
38 Subsection (d) and a copy of the most recent district plan adopted
39 under Section 8834.101 to the appropriate regional water planning

1 group. (Acts 71st Leg., R.S., Ch. 1045, Sec. 24.)

2 Source Law

3 Sec. 24. (a) Before March 31 of each year, the
4 board shall hold a hearing to determine the effects
5 during the preceding calendar year of groundwater
6 withdrawal on the subsidence of land within the
7 district.

8 (b) At the hearing, the board shall consider the
9 annual reports submitted under Section 22 of this Act
10 and the investigation made under Section 23 of this Act
11 in addition to information presented by persons
12 appearing before the board.

13 (c) After the hearing, the board shall consider
14 all the information presented to it and shall
15 determine the groundwater withdrawal in the district
16 during the preceding calendar year and shall make
17 findings of the effects of groundwater withdrawal
18 during that year on the subsidence of land within the
19 district. A report of the board's findings and
20 determinations shall be made available for examination
21 by any interested person.

22 (d) The board shall submit the report adopted
23 under Subsection (c) of this section and a copy of the
24 most recent district plan adopted under Section 16 of
25 this Act to the appropriate regional water planning
26 group.

27 Revisor's Note

28 Section 24, Chapter 1045, Acts of the 71st
29 Legislature, Regular Session, 1989, refers to "the
30 subsidence of land." Throughout this chapter, the
31 revised law omits "of land" as redundant because
32 "subsidence" is defined by Section 8834.001(6), as
33 "the lowering in elevation of the surface of land by
34 groundwater withdrawal."

35 Revised Law

36 Sec. 8834.105. MONITORING AND SUPERVISION BY DISTRICT. (a)
37 The district may use subsidence compaction monitors, water-level
38 observation wells, and other materials and equipment to determine
39 the amount of groundwater that may be withdrawn while allowing
40 groundwater to rebound and stabilize to a level that will halt
41 subsidence.

42 (b) The district may use global positioning systems and
43 other geodetic survey methods to monitor land surface elevations
44 and measure subsidence.

45 (c) The district may coordinate monitoring and data
46 collection activities with other entities, including private

1 entities and federal, state, or local governmental entities. (Acts
2 71st Leg., R.S., Ch. 1045, Sec. 28.)

3 Source Law

4 Sec. 28. (a) The district may use subsidence
5 compaction monitors, water level observation wells,
6 and other materials and equipment to determine the
7 amount of groundwater that may be produced while
8 allowing the rebound and stabilization of groundwater
9 to a level that will halt subsidence.

10 (b) The district may use global positioning
11 systems and other geodetic survey methods to monitor
12 land surface elevations and measure subsidence. The
13 district may coordinate monitoring and data collection
14 activities with other entities, including private
15 entities and federal, state, or local governmental
16 entities.

17 Revised Law

18 Sec. 8834.106. DISTRICT RESEARCH. (a) The board may
19 conduct studies and research that the board considers necessary to
20 implement this chapter.

21 (b) The district may collect any information that the board
22 determines is necessary to implement this chapter, including
23 information regarding the use of groundwater, water conservation,
24 and the practicability of recharging a groundwater reservoir.

25 (c) The board may use the services of geologists,
26 hydrologists, licensed engineers, licensed geoscientists, or other
27 expert personnel to accomplish the purposes of this section. (Acts
28 71st Leg., R.S., Ch. 1045, Sec. 29.)

29 Source Law

30 Sec. 29. (a) The board may conduct studies and
31 research that it considers necessary to implement this
32 Act. The board may use the services of geologists,
33 hydrologists, licensed professional engineers,
34 licensed professional geoscientists, or other expert
35 personnel to accomplish the purposes of this section.

36 (b) The district may collect any information
37 that the board determines is necessary to implement
38 this chapter, including information regarding the use
39 of groundwater, water conservation, and the
40 practicability of recharging a groundwater reservoir.

41 Revisor's Note

42 Section 29, Chapter 1045, Acts of the 71st
43 Legislature, Regular Session, 1989, refers to
44 "licensed professional engineers" and "licensed
45 professional geoscientists." The revised law

1 substitutes "licensed engineer" and "licensed
2 geoscientist" for the quoted language to conform to
3 the terminology used in Chapters 1001 and 1002,
4 Occupations Code.

5 Revised Law

6 Sec. 8834.107. STUDIES BY BOARD STAFF. At least once each
7 year and at any other time the board considers necessary, the board
8 may have its staff make a complete study of the groundwater in the
9 district and determine:

10 (1) the water level;

11 (2) the rates and amounts of groundwater withdrawal;

12 and

13 (3) other information relating to groundwater
14 withdrawal that may affect subsidence in the district. (Acts 71st
15 Leg., R.S., Ch. 1045, Sec. 23.)

16 Source Law

17 Sec. 23. At least once each year and at any
18 other time that the board considers necessary, the
19 board may have its staff make a complete study of the
20 groundwater situation within the district and
21 determine the water level, rates of withdrawal,
22 amounts of withdrawal, and other information relating
23 to the withdrawal of groundwater that may affect the
24 subsidence of land within the district.

25 Revised Law

26 Sec. 8834.108. SALE OR DISTRIBUTION OF WATER PROHIBITED.
27 The district may not sell or distribute surface water or
28 groundwater. (Acts 71st Leg., R.S., Ch. 1045, Sec. 38.)

29 Source Law

30 Sec. 38. The district may not sell or distribute
31 surface water or groundwater for any purpose.

32 Revised Law

33 Sec. 8834.109. ACCESS TO PROPERTY. (a) To carry out
34 technical and other investigations necessary to implement this
35 chapter, the board and its agents and employees are entitled to
36 access to all property in the district.

37 (b) Before entering property for the purposes of this
38 section, the person seeking access shall:

1 (1) give notice to the owner of the property as
2 provided by district rules; and

3 (2) present proper credentials.

4 (c) The board and its agents and employees who enter private
5 property shall observe the establishment's rules concerning
6 safety, internal security, and fire protection. (Acts 71st Leg.,
7 R.S., Ch. 1045, Sec. 27.)

8 Source Law

9 Sec. 27. (a) To carry out technical and other
10 investigations necessary to the implementation of this
11 Act, the board and its agents and employees are
12 entitled to access to all property within the
13 district.

14 (b) Before entering property for the purposes
15 stated in Subsection (a) of this section, the person
16 seeking access shall give notice to the owner of the
17 property in the manner provided by the rules and
18 regulations of the district and shall present proper
19 credentials.

20 (c) The board, and its agents and employees who
21 enter private property, shall observe the
22 establishment's rules and regulations concerning
23 safety, internal security, and fire protection.

24 Revised Law

25 Sec. 8834.110. GENERAL POWERS RELATED TO PROPERTY AND
26 CONTRACTS. (a) The board may:

27 (1) purchase, lease, own, convey, and dispose of
28 property both inside and outside district territory necessary or
29 convenient to exercise the board's powers, duties, and functions
30 under this chapter;

31 (2) construct, purchase, lease, or acquire in some
32 other manner any material or property, including supplies,
33 equipment, vehicles, or machinery, necessary to carry out this
34 chapter;

35 (3) accept a grant, gift, or devise of property; or

36 (4) accept a grant, gift, loan, or other distribution
37 of money.

38 (b) The district may make or accept a grant, gratuity,
39 advance, or loan in any form to or from any public source approved
40 by the board, including a governmental entity.

41 (c) The district may enter into a contract, covenant, or

1 agreement the board considers appropriate related to a grant,
2 gratuity, advance, or loan.

3 (d) The board may enter into a contract with any person to
4 carry out this chapter.

5 (e) The district may enter into contracts only in the
6 district's name. (Acts 71st Leg., R.S., Ch. 1045, Secs. 6(f), 31,
7 35.)

8 Source Law

9 [Sec. 6]

10 (f) The board may purchase materials, supplies,
11 equipment, vehicles, and machinery needed by the
12 district to accomplish its purposes.

13 Sec. 31. The board may enter into contracts with
14 any person to carry out this Act. The district may
15 enter into contracts only in the district's name.

16 Sec. 35. (a) On behalf of the district, the
17 board may:

18 (1) purchase, lease, own, convey, and
19 dispose of property both inside and outside the
20 district necessary or convenient to the exercise of
21 the powers, duties, and functions of the board under
22 this Act;

23 (2) accept grants, gifts, and devises of
24 property;

25 (3) construct, purchase, lease, or acquire
26 in some other manner any material or property
27 necessary to carry out this Act; and

28 (4) accept gifts, grants, loans, or other
29 distributions of money.

30 (b) The district may make or accept a grant,
31 gratuity, advance, or loan in any form to or from any
32 public source approved by the board, including a
33 governmental entity, and may enter into a contract,
34 agreement, or covenant that the board considers
35 appropriate in connection with a grant, gratuity,
36 advance, or loan.

37 Revised Law

38 Sec. 8834.111. COOPERATION WITH GOVERNMENTAL ENTITIES. In
39 implementing this chapter, the board may request the assistance of
40 and cooperate with a local government or an agency of this state or
41 of the United States, including the Texas Water Development Board,
42 the commission, and the United States Geological Survey. (Acts
43 71st Leg., R.S., Ch. 1045, Sec. 30.)

44 Source Law

45 Sec. 30. The board may cooperate with and
46 request the assistance of the Texas Water Development
47 Board, the commission, the United States Geological
48 Survey, local governments, and other agencies of the
49 United States and the State of Texas in implementing

1 this Act.

2 Revised Law

3 Sec. 8834.112. RULES. (a) After notice and hearing, the
4 board shall adopt rules designed to expeditiously and effectively
5 implement this chapter and accomplish its purpose, including rules
6 governing procedures before the board. The board shall enforce the
7 rules.

8 (b) The board may adopt rules to prevent the waste of water
9 or the degradation of water quality.

10 (c) The board shall compile its rules in a book and make the
11 book available for use and inspection at the district's principal
12 office. The district shall provide copies of its rules on payment
13 of the reproduction cost. (Acts 71st Leg., R.S., Ch. 1045, Sec.
14 13.)

15 Source Law

16 Sec. 13. (a) After notice and hearing, the
17 board shall adopt and enforce rules and regulations
18 that are designed to expeditiously and effectively
19 accomplish the provisions and purposes of this Act,
20 including rules governing procedure before the board.
21 The board may adopt rules to prevent the waste of water
22 or the degradation of water quality.

23 (b) The board shall compile its rules and
24 regulations in a book and make the book available for
25 use and inspection at the district's principal office.
26 The district shall provide copies of its rules and
27 regulations on payment of the cost of reproduction.

28 Revised Law

29 Sec. 8834.113. CONSIDERATIONS FOR RULES AND ORDERS. When
30 adopting a rule or issuing an order, the board shall consider:

31 (1) the availability of surface water or alternative
32 water supplies;

33 (2) the economic effects on persons and the community;

34 (3) the degree and effect of subsidence on the surface
35 of the land; and

36 (4) the differing topographical and geophysical
37 characteristics of the land. (Acts 71st Leg., R.S., Ch. 1045, Sec.
38 6(c).)

39 Source Law

40 (c) In adopting rules, regulations, and orders,
41 the board shall consider the following factors:

- 1 (1) availability of surface water or
2 alternative water supplies;
3 (2) economic impact on persons and the
4 community;
5 (3) degree and effect of subsidence on the
6 surface of the land; and
7 (4) differing topographical and
8 geophysical characteristics of the land.

9 Revised Law

10 Sec. 8834.114. HEARINGS. (a) At a regular meeting of the
11 board, the board shall set the date, time, and location for a
12 hearing to be held under this chapter.

13 (b) The board may hold a hearing at any location in the
14 district and recess a hearing from day to day.

15 (c) Any person may appear at a hearing and present
16 testimony, evidence, exhibits, or other information in person or by
17 counsel, or both.

18 (d) The board may use a hearing examiner to hear a subject
19 set for the hearing.

20 (e) The board shall make the final decision on a subject
21 heard by a hearing examiner. Procedures for use of hearing
22 examiners shall be provided by rule. (Acts 71st Leg., R.S., Ch.
23 1045, Secs. 14(a), (e), (f), (g), (h).)

24 Source Law

25 Sec. 14. (a) At regular meetings of the board,
26 the board shall set the dates, times, and locations for
27 hearings to be held under this Act.

28 (e) Any person who desires to appear at a
29 hearing and present testimony, evidence, exhibits, or
30 other information may do so in person, by counsel, or
31 both.

32 (f) The board may hold hearings at any location
33 within the district.

34 (g) The board may recess a hearing from day to
35 day.

36 (h) The board may use hearing examiners to hear
37 any subject set for the hearing, but the board shall
38 make any final decision on the subject. Procedures for
39 use of hearing examiners shall be provided by rule.

40 Revised Law

41 Sec. 8834.115. NOTICE OF HEARINGS. (a) Not later than the
42 10th day before the date set for a hearing other than a permit
43 application hearing, the district shall deliver or mail notice of
44 the hearing to:

- 45 (1) each county and municipal government in the

1 district; and

2 (2) each person that the board considers to have an
3 interest in the subject matter of the hearing.

4 (b) Not later than the 10th day before the date set for a
5 hearing, the district shall:

6 (1) publish notice of the hearing once in a newspaper
7 of general circulation in each county in the district; and

8 (2) post notice of the hearing at the county
9 courthouse of each county in the district in the place where notices
10 are usually posted. (Acts 71st Leg., R.S., Ch. 1045, Secs. 14(b),
11 (c), (d).)

12 Source Law

13 (b) Not later than the 10th day before the date
14 set for a hearing, other than a hearing on a permit
15 application, the district shall deliver or mail notice
16 of the hearing under this section to each county and
17 municipal government within the district and to each
18 person that the board believes has an interest in the
19 subject matter to be dealt with at the hearing.

20 (c) Not later than the 10th day before the date
21 set for a hearing, the district shall publish notice of
22 the hearing under this section once in a newspaper of
23 general circulation in each county within the
24 district.

25 (d) Not later than the 10th day before the date
26 set for a hearing, the district shall post the notice
27 of the hearing under this section at the county
28 courthouse of each county within the district in the
29 place where notices are usually posted.

30 Revised Law

31 Sec. 8834.116. BOARD BYLAWS AND POLICIES. The board may
32 adopt bylaws and policies as necessary to accomplish its purposes.
33 (Acts 71st Leg., R.S., Ch. 1045, Sec. 6(e).)

34 Source Law

35 (e) The board may adopt bylaws and policies as
36 necessary to accomplish its purposes.

37 Revised Law

38 Sec. 8834.117. AUTHORITY TO ISSUE SUBPOENAS AND ADMINISTER
39 OATHS. (a) The board may issue a subpoena to compel the testimony
40 of a person or the production of a document if the testimony or
41 document is necessary to carry out the board's powers, duties, and
42 functions under this chapter.

43 (b) On application by the board, a district court shall

1 enforce a subpoena issued under Subsection (a) in the same manner as
2 a subpoena issued by the court.

3 (c) The board may administer an oath to a person who
4 testifies before the board. (Acts 71st Leg., R.S., Ch. 1045, Sec.
5 15.)

6 Source Law

7 Sec. 15. The board may subpoena a person to
8 testify if the person's testimony is necessary to carry
9 out the powers, duties, and functions of the board
10 under this Act. The board may administer oaths to
11 persons who testify before the board. The board may
12 subpoena documents if the documents are necessary to
13 carry out the powers, duties, and functions of the
14 board under this Act. On application of the board, a
15 district court shall enforce the subpoena in the same
16 manner as a subpoena issued by the court.

17 Revised Law

18 Sec. 8834.118. SUITS. (a) The district may sue and be sued
19 in the courts of this state in the name of the district by and
20 through the board.

21 (b) If requested by the district, the attorney general shall
22 represent the district in the district courts and appellate courts
23 of this state and in the courts of the United States.

24 (c) The board, in the board's sole discretion, may employ
25 attorneys to represent the district in the district courts and
26 appellate courts of this state and the courts of the United States.

27 (d) The general manager is the agent of the district on whom
28 process, notice, or demand required or permitted by law to be served
29 on the district may be served.

30 (e) The district is not required to give a bond for appeal,
31 injunction, or costs in any suit to which the district is a party.

32 (f) If the district prevails in any suit other than a suit in
33 which it voluntarily intervenes, the district may seek and the
34 court shall grant, in the same action, recovery for attorney's
35 fees, costs for expert witnesses, and other costs incurred by the
36 district before the court. The court shall set the amount of the
37 attorney's fees. (Acts 71st Leg., R.S., Ch. 1045, Sec. 11.)

38 Source Law

39 Sec. 11. (a) The district may sue and be sued in

1 the courts of this state in the name of the district by
2 and through the board. If requested by the district,
3 the attorney general shall represent the district in
4 the district and appellate courts of this state and in
5 the courts of the United States. The board, in its
6 sole discretion, may employ attorneys to represent the
7 district in the district and appellate courts of this
8 state and in the courts of the United States.

9 (b) The general manager is the agent of the
10 district on whom process, notice, or demand required
11 or permitted by law to be served on the district may be
12 served.

13 (c) The district is not required to give bond
14 for appeal, injunction, or costs in any suit to which
15 it is a party.

16 (d) If the district prevails in any suit other
17 than a suit in which it voluntarily intervenes, the
18 district may seek and the court shall grant, in the
19 same action, recovery for attorney's fees, costs for
20 expert witnesses, and other costs incurred by the
21 district before the court. The court shall set the
22 amount of the attorney's fees.

24 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

25 Revised Law

26 Sec. 8834.151. DISBURSEMENT OF MONEY. The district may
27 disburse its money by:

28 (1) a check, draft, order, or other instrument signed
29 by a person authorized under a board bylaw or board resolution; or

30 (2) electronic funds transfer. (Acts 71st Leg., R.S.,
31 Ch. 1045, Sec. 40.)

32 Source Law

33 Sec. 40. The district's money may be disbursed
34 by:

35 (1) check, draft, order, or other
36 instruments, signed by the person or persons
37 authorized to do so by the board's bylaws or by
38 resolution of the board; or

39 (2) electronic funds transfer.

40 Revised Law

41 Sec. 8834.152. DISTRICT ACCOUNTS. The district shall keep
42 a complete system of the district's accounts. (Acts 71st Leg.,
43 R.S., Ch. 1045, Sec. 41(a) (part).)

44 Source Law

45 Sec. 41. (a) The district shall keep a complete
46 system of accounts and

47 Revised Law

48 Sec. 8834.153. FISCAL YEAR. The district's fiscal year is
49 the calendar year. (Acts 71st Leg., R.S., Ch. 1045, Sec. 41(c).)

1 Source Law

2 (c) The fiscal year of the district is the
3 calendar year.

4 Revised Law

5 Sec. 8834.154. BUDGET. (a) The board shall adopt an annual
6 budget containing a complete financial statement.

7 (b) The board may amend the annual budget. (Acts 71st Leg.,
8 R.S., Ch. 1045, Sec. 41(d).)

9 Source Law

10 (d) The board shall adopt an annual budget
11 containing a complete financial statement. The board
12 may amend the annual budget.

13 Revised Law

14 Sec. 8834.155. AUDIT. The district shall have its affairs
15 audited each year by an independent certified public accountant or
16 a firm of independent certified public accountants of recognized
17 integrity and ability. The district shall pay for the audit. (Acts
18 71st Leg., R.S., Ch. 1045, Sec. 41(a) (part).)

19 Source Law

20 Sec. 41. (a) The district . . . shall have its
21 affairs audited each year by an independent certified
22 public accountant or a firm of independent certified
23 public accountants of recognized integrity and
24 ability. The district shall pay for the audit.

25 Revised Law

26 Sec. 8834.156. COPY OF AUDIT. The board shall keep one copy
27 of the audit prepared under Section 8834.155 at the district office
28 open to inspection by any interested person during normal office
29 hours. (Acts 71st Leg., R.S., Ch. 1045, Sec. 41(b).)

30 Source Law

31 (b) The board shall keep one copy of the audit at
32 the district office, open to inspection by any
33 interested person during normal office hours.

34 Revised Law

35 Sec. 8834.157. DEPOSITORY AND INVESTMENTS. (a) Except as
36 provided by Subsection (g), the board shall designate one or more
37 banks in the district to serve as a depository for district money.
38 All district money shall be deposited in a depository bank. This
39 subsection does not limit the power of the board to place a portion

1 of the district's money on time deposit or to purchase certificates
2 of deposit or other authorized investments.

3 (b) The board shall prescribe the term of service for
4 depositories.

5 (c) To the extent that money in a depository bank or a
6 trustee bank is not invested or insured by the Federal Deposit
7 Insurance Corporation, the money must be secured in the manner
8 provided by Chapter 2257, Government Code.

9 (d) Before designating a depository bank, the board shall
10 issue a notice stating the time and location the board will meet for
11 that purpose and shall invite banks in the district to submit
12 applications to be designated depositories.

13 (e) The board shall consider the management and condition of
14 each bank that applies under Subsection (d) and designate as a
15 depository the bank or banks that:

16 (1) offer the most favorable terms and conditions for
17 handling district money;

18 (2) the board finds have proper management; and

19 (3) are in a condition to warrant handling of district
20 money.

21 (f) Membership on the district's board of an officer or
22 director of a bank does not disqualify the bank from being
23 designated as a depository bank.

24 (g) If the board does not receive any applications before
25 the meeting under Subsection (d), the board shall designate as a
26 depository a bank or banks inside or outside the district under
27 terms the board finds advantageous to the district.

28 (h) District money may be invested and reinvested as
29 provided by Chapter 2256, Government Code.

30 (i) The board by resolution may provide that an authorized
31 district representative may invest and reinvest district money and
32 provide for money to be withdrawn from the appropriate district
33 accounts for investments on terms that the board considers
34 advisable. (Acts 71st Leg., R.S., Ch. 1045, Sec. 42.)

1 Source Law

2 Sec. 42. (a) The board shall designate one or
3 more banks within the district to serve as depository
4 for district money. All district money shall be
5 deposited in a depository bank. This subsection does
6 not limit the power of the board to place a portion of
7 the district's money on time deposit or to purchase
8 certificates of deposit or other authorized
9 investments.

10 (c) To the extent that money in a depository
11 bank or a trustee bank is not invested or insured by
12 the Federal Deposit Insurance Corporation, the money
13 shall be secured in the manner provided by Chapter
14 2257, Government Code.

15 (d) Before designating a depository bank, the
16 board shall issue a notice stating the time and place
17 the board will meet for that purpose and shall invite
18 banks in the district to submit applications to be
19 designated depositories. The term of service for
20 depositories shall be prescribed by the board.

21 (e) The board shall consider the management and
22 condition of the banks that apply and shall designate
23 as depositories the bank or banks that offer the most
24 favorable terms and conditions for handling of the
25 funds of the district and that the board finds have
26 proper management and are in condition to warrant
27 handling of district funds.

28 (f) Membership on the board of an officer or
29 director of a bank does not disqualify the bank from
30 being designated as depository.

31 (g) If no applications are received before the
32 meeting, the board shall designate a bank or banks
33 within or outside the district on terms and conditions
34 it finds advantageous to the district.

35 (h) District money may be invested and
36 reinvested in accordance with Chapter 2256, Government
37 Code.

38 (i) The board, by resolution, may provide that
39 an authorized representative of the district may
40 invest and reinvest district money and provide for
41 money to be withdrawn from the appropriate district
42 accounts for investments on terms that the board
43 considers advisable.

45 SUBCHAPTER E. REGULATORY PROVISIONS

46 Revised Law

47 Sec. 8834.201. GROUNDWATER WITHDRAWALS SUBJECT TO BOARD
48 RULE. Groundwater withdrawals governed by this chapter, including
49 withdrawals of injected water, are subject to reasonable board
50 rules and orders. (Acts 71st Leg., R.S., Ch. 1045, Sec. 6(b).)

51 Source Law

52 (b) Withdrawals of groundwater, including
53 withdrawals of injected water, covered by this Act are
54 subject to reasonable rules, regulations, and orders
55 adopted by the board.

1 Revised Law

2 Sec. 8834.202. CERTAIN WELLS EXEMPT. This chapter does not
3 apply to:

4 (1) a well regulated under Chapter 27, Water Code;

5 (2) a well that:

6 (A) has a casing with an inside diameter of not
7 more than five inches; and

8 (B) serves only a single-family dwelling; or

9 (3) a shallow well that:

10 (A) is not used to provide water for:

11 (i) human consumption;

12 (ii) agriculture;

13 (iii) manufacturing or industry; or

14 (iv) water injection; and

15 (B) withdraws water solely:

16 (i) to prevent hazardous sand boils,
17 dewater surface construction sites, or relieve hydrostatic uplift
18 on permanent structures;

19 (ii) for groundwater quality analysis and
20 for monitoring migration of subsurface contaminants or pollution;
21 or

22 (iii) for recovery of contamination or
23 pollution. (Acts 71st Leg., R.S., Ch. 1045, Sec. 39.)

24 Source Law

25 Sec. 39. This Act does not apply to:

26 (1) wells regulated under Chapter 27,
27 Water Code;

28 (2) shallow wells producing water solely
29 to prevent hazardous sand boils, dewater surface
30 construction sites, or relieve hydrostatic uplift on
31 permanent structures and not used to provide water for
32 human consumption, agricultural use, manufacturing or
33 industrial use, or water injection;

34 (3) shallow wells producing water solely
35 for groundwater quality analysis and for monitoring
36 migration of subsurface contaminants or pollution and
37 not used to provide water for human consumption,
38 agricultural use, manufacturing or industrial uses, or
39 water injection;

40 (4) shallow wells producing water solely
41 for recovery of contamination or pollution and not
42 used to provide water for human consumption,
43 agricultural use, manufacturing or industrial use, or
44 water injection; or

1 (5) wells with a casing that has an inside
2 diameter of five inches or less that serve only a
3 single-family dwelling.

4 Revised Law

5 Sec. 8834.203. REGULATION OF SPACING AND GROUNDWATER
6 WITHDRAWAL. (a) To minimize as far as practicable the drawdown of
7 the water table and the reduction of artesian pressure and to
8 control and prevent subsidence, the board may provide for the
9 spacing of wells in the district and may regulate groundwater
10 withdrawal from wells, taking into consideration:

- 11 (1) the economic impact on well owners;
12 (2) the resulting effect on subsidence; and
13 (3) other relevant factors.

14 (b) Before adopting a rule or issuing an order under this
15 section, the board shall set a hearing on the proposed rule or
16 order.

17 (c) The district may adopt different rules for:

18 (1) each aquifer, subdivision of an aquifer, or
19 geologic stratum located wholly or partly in the district's
20 territory; or

21 (2) each geographic area overlying an aquifer or
22 subdivision of an aquifer located wholly or partly in the
23 district's territory. (Acts 71st Leg., R.S., Ch. 1045, Secs.
24 25(a), (b), (c).)

25 Source Law

26 Sec. 25. (a) In order to minimize as far as
27 practicable the drawdown of the water table and
28 reduction of artesian pressure and to control and
29 prevent subsidence, the board may provide for the
30 spacing of wells and regulate the production of
31 groundwater from wells, taking into consideration any
32 relevant factors, including the economic impact on
33 well owners and the resulting effect on subsidence.

34 (b) Before issuing any rule, regulation, or
35 order under this section, the board shall set a hearing
36 on the proposed rule, regulation, or order.

37 (c) The district may adopt different rules for:

38 (1) each aquifer, subdivision of an
39 aquifer, or geologic stratum located wholly or partly
40 within the boundaries of the district; or

41 (2) each geographic area overlying an
42 aquifer or subdivision of an aquifer located wholly or
43 partly within the boundaries of the district.

1 Revisor's Note

2 Section 25(b), Chapter 1045, Acts of the 71st
3 Legislature, Regular Session, 1989, refers to a "rule"
4 and a "regulation." Throughout this chapter, the
5 revised law omits references to a "regulation" because
6 under Section 311.005(5), Government Code (Code
7 Construction Act), a rule is defined to include a
8 regulation.

9 Revised Law

10 Sec. 8834.204. WATER-METERING DEVICES. The board may:

11 (1) require water-metering devices to be placed on
12 wells in the district; and

13 (2) adopt standards for the accuracy, testing, and
14 calibration of the devices. (Acts 71st Leg., R.S., Ch. 1045, Sec.
15 26.)

16 Source Law

17 Sec. 26. The board may require water-metering
18 devices to be placed on wells in the district and may
19 adopt standards for the accuracy, testing, and
20 calibration of the devices.

21 Revised Law

22 Sec. 8834.205. WELL REGISTRATION. The board by rule may
23 require the registration of any well in the district. (Acts 71st
24 Leg., R.S., Ch. 1045, Sec. 17.)

25 Source Law

26 Sec. 17. The board by rule may require the
27 registration of any well in the district.

28 Revised Law

29 Sec. 8834.206. PERMIT REQUIRED. (a) The owner of a well
30 located in the district must obtain a permit from the board before:

- 31 (1) drilling, equipping, or completing the well;
32 (2) substantially altering the size of the well or a
33 well pump; or
34 (3) operating the well.

35 (b) An operational well must have a permit.

36 (c) An owner or operator commits a violation if the owner or

1 operator does not obtain a permit as required by Subsection (a). A
2 violation occurs on the first day the drilling, equipping,
3 completing, altering, or operation begins. Each day that a
4 violation continues is a separate violation. (Acts 71st Leg.,
5 R.S., Ch. 1045, Secs. 2(7), 18(a), (b).)

6 Source Law

7 [Sec. 2]

8 (7) "Drill" means drilling, equipping, or
9 completing wells or substantially altering the size of
10 wells or well pumps.

11 Sec. 18. (a) The owner of a well located in the
12 district must obtain a permit from the board before:

13 (1) drilling, equipping, or completing the
14 well;

15 (2) substantially altering the size of the
16 well or a well pump; or

17 (3) operating the well.

18 (b) A well must have a valid permit if it is
19 operational. An owner or operator commits a violation
20 if the owner or operator does not obtain a permit as
21 required by Subsection (a) of this section. A
22 violation occurs on the first day the drilling,
23 alteration, or operation begins. Each day that a
24 violation continues is a separate violation.

25 Revisor's Note

26 Section 18(b), Chapter 1045, Acts of the 71st
27 Legislature, Regular Session, 1989, requires a permit
28 to be "valid." The revised law omits "valid" because
29 it does not add to the clear meaning of the law. A
30 permit is not a permit if it is not valid.

31 Revised Law

32 Sec. 8834.207. APPLICATION FOR PERMIT. (a) A person must
33 submit an application and an application fee to the board to obtain
34 a permit under this chapter.

35 (b) The application must state:

36 (1) the person's name and address;

37 (2) the location and wellhead elevation of the well or
38 proposed well;

39 (3) the amount of water being withdrawn or proposed to
40 be withdrawn; and

41 (4) any other information required by the board as
42 necessary for the board to control and prevent subsidence in the

1 district.

2 (c) The board shall use the application fee to process
3 applications. (Acts 71st Leg., R.S., Ch. 1045, Secs. 18(f), (g).)

4 Source Law

5 (f) To obtain a permit, a person must submit an
6 application and an application fee to the board. The
7 application must state:

- 8 (1) the person's name;
9 (2) the person's address;
10 (3) the location and wellhead elevation of
11 the well or proposed well;
12 (4) the amount of water being produced or
13 proposed to be produced; and
14 (5) any other information required by the
15 board as necessary for the board to control and prevent
16 subsidence in the district.

17 (g) The board shall use the application fee to
18 process applications.

19 Revised Law

20 Sec. 8834.208. NOTICE AND HEARING ON PERMIT APPLICATION.

21 (a) The board shall hold a hearing on each permit application.

22 (b) Not later than the 10th day before the date set for the
23 hearing, the board shall notify the applicant by regular mail or by
24 certified mail, return receipt requested, of the date, time, and
25 location of the hearing.

26 (c) The board may consider at a hearing as many permit
27 applications as the board considers necessary. (Acts 71st Leg.,
28 R.S., Ch. 1045, Sec. 19.)

29 Source Law

30 Sec. 19. (a) The board shall hold a hearing on
31 each application.

32 (b) Not later than the 10th day before the date
33 set for the hearing, the board shall notify the
34 applicant by regular mail or by certified mail, return
35 receipt requested, of the date, time, and location of
36 the hearing.

37 (d) The board may consider as many applications
38 for permits as it considers necessary at a hearing.

39 Revised Law

40 Sec. 8834.209. ISSUANCE OF PERMIT. (a) Not later than the
41 60th day after the date of the hearing on a permit application, the
42 board shall:

- 43 (1) decide whether to issue the permit; and
44 (2) prescribe the terms of the permit, if it decides to
45 issue the permit.

1 (b) In deciding whether to issue a permit and in prescribing
2 the terms of the permit, the board shall consider:

3 (1) the purpose of this chapter;

4 (2) the district plan;

5 (3) the quality, quantity, and availability of surface
6 water or alternative water supplies at prices that are competitive
7 with prices charged by suppliers of surface water in the district;

8 (4) the economic effect on the applicant of a decision
9 to issue or deny the permit, or of the permit terms, in relation to
10 the effect on subsidence that would result;

11 (5) the applicant's compliance with this chapter or
12 any district rule, permit, or order; and

13 (6) all other relevant factors.

14 (c) The board shall issue a permit to an applicant if the
15 board finds on sufficient evidence that:

16 (1) there is no other adequate and available
17 substitute or supplemental source of surface water at prices
18 competitive with the prices charged by suppliers of surface water
19 in the district; and

20 (2) compliance with any provision of this chapter or
21 any district rule will result in an arbitrary taking of property or
22 in the practical closing and elimination of any lawful business,
23 occupation, or activity without sufficient corresponding benefit
24 or advantage to the public.

25 (d) The permit must state the terms prescribed by the board.
26 The permit must include:

27 (1) the name and address of the permit holder;

28 (2) the location of the well;

29 (3) the date the permit begins and the date the permit
30 expires;

31 (4) conditions and restrictions placed on groundwater
32 withdrawal; and

33 (5) other terms necessary to control and prevent
34 subsidence.

1 (e) The board may condition the issuance of a permit under
2 this section on the resolution of a previous or continuing
3 violation of this chapter or of any district rule, permit, or order.
4 The board may require an applicant to pay a civil penalty or
5 settlement amount, or take other necessary action, to resolve a
6 previous or continuing violation. (Acts 71st Leg., R.S., Ch. 1045,
7 Sec. 20.)

8 Source Law

9 Sec. 20. (a) Not later than the 60th day after
10 the date of the hearing, the board shall decide whether
11 or not to issue a permit and shall formulate the terms
12 of the permit, if issued.

13 (b) In deciding whether or not to issue a permit
14 and in setting the terms of the permit, the board shall
15 consider:

- 16 (1) the purpose of this Act;
- 17 (2) the district plan;
- 18 (3) the quality, quantity, and
19 availability of surface water or alternative water
20 supplies at prices competitive with those charged by
21 suppliers of surface water within the district;
- 22 (4) the economic impact on the applicant
23 of granting or denying the permit or of the terms
24 prescribed by a permit in relation to the effect on
25 subsidence that would result;
- 26 (5) the applicant's compliance with the
27 requirements of this Act or any rule, permit, or other
28 order of the district; and
- 29 (6) any other relevant factors.

30 (c) The board shall grant a permit to an
31 applicant whenever the board finds on sufficient
32 evidence that:

- 33 (1) there is no other adequate and
34 available substitute or supplemental source of surface
35 water at prices competitive with those charged by
36 suppliers of surface water within the district; and
- 37 (2) compliance with any provision of this
38 Act, or any rule or regulation of the district, will
39 result in an arbitrary taking of property or in the
40 practical closing and elimination of any lawful
41 business, occupation, or activity, without sufficient
42 corresponding benefit or advantage to the public.

43 (d) If the board decides to issue the permit,
44 the permit must state the terms prescribed by the
45 board.

46 (e) The permit must include the following:

- 47 (1) the name and address of the permittee;
- 48 (2) the location of the well;
- 49 (3) the date the permit begins and the date
50 the permit expires;
- 51 (4) conditions and restrictions placed on
52 the withdrawal of groundwater; and
- 53 (5) any other terms and conditions
54 necessary to control and prevent subsidence.

55 (f) The board may condition issuance of a permit
56 under this section on the resolution of a prior or
57 continuing violation of this chapter or any rule,
58 permit, or order of the district. The board may
59 require an applicant to pay a civil penalty or
60 settlement amount, or take other necessary action, to

1 resolve a prior or continuing violation.

2 Revisor's Note

3 Section 20(e)(5), Chapter 1045, Acts of the 71st
4 Legislature, Regular Session, 1989, refers to certain
5 "terms and conditions." The revised law omits the
6 reference to "conditions" because, in context, the
7 meaning of "conditions" is included in the meaning of
8 "terms."

9 Revised Law

10 Sec. 8834.210. TERM OF PERMIT. (a) A permit issued under
11 this chapter expires on the first anniversary of the date of
12 issuance, unless the board specifies a different period.

13 (b) To aid the district in the effective and expeditious
14 performance of its duties, the board may issue a permit for a term
15 not to exceed five years if the issuance does not impair the
16 district's ability to control and prevent subsidence in the
17 district.

18 (c) A permit is not a vested right of the permit holder. The
19 board may revoke, suspend, or amend a permit after notice and
20 hearing when reasonably necessary to accomplish the purpose of this
21 chapter. (Acts 71st Leg., R.S., Ch. 1045, Secs. 18(c), (d).)

22 Source Law

23 (c) A permit issued under this Act is valid for a
24 term of one year from the date it is issued unless a
25 longer or shorter term is specified by the board. The
26 board may issue a permit for a term not to exceed five
27 years in order to aid the district in the effective and
28 expeditious performance of its duties if issuance of
29 the permit does not impair the ability of the district
30 to control and prevent subsidence within the district.

31 (d) A permit is not a vested right of the permit
32 holder. A permit may be revoked, suspended, modified,
33 or amended after notice and a hearing whenever
34 reasonably necessary to accomplish the purposes of
35 this Act.

36 Revisor's Note

37 Section 18(d), Chapter 1045, Acts of the 71st
38 Legislature, Regular Session, 1989, provides that the
39 terms of a permit may be "modified, or amended." The
40 revised law omits the reference to "modified" because,
41 in context, the meaning of that term is included in the

1 meaning of "amended."

2 Revised Law

3 Sec. 8834.211. RENEWAL OF PERMIT. The board may renew a
4 permit in the manner provided for issuing an original permit. (Acts
5 71st Leg., R.S., Ch. 1045, Sec. 18(e).)

6 Source Law

7 (e) Permits may be renewed in the same manner as
8 permits are issued.

9 Revised Law

10 Sec. 8834.212. PERMIT FEES. (a) When the board issues or
11 renews a permit, the board shall collect a permit fee from the
12 applicant. The fee shall be determined by a schedule based on:

13 (1) the term of the permit; and

14 (2) the maximum annual amount of groundwater the board
15 authorizes to be withdrawn from the well.

16 (b) The board may establish a disincentive permit fee to
17 serve as a regulatory tool by creating a disincentive to continued
18 overreliance on groundwater.

19 (c) The board shall determine the fee schedule after a
20 hearing.

21 (d) The board shall use permit fees collected under this
22 section to pay the cost of issuing permits and performing other
23 regulatory functions under this chapter, including making grants,
24 loans, or contractual payments to achieve, facilitate, or expedite
25 reductions in groundwater pumping or the development or
26 distribution of alternative water supplies. (Acts 71st Leg., R.S.,
27 Ch. 1045, Sec. 34.)

28 Source Law

29 Sec. 34. (a) At the time a permit is issued or
30 renewed, the board shall collect from the permittee a
31 permit fee, established by schedule, based on the term
32 of the permit and the maximum amount of groundwater
33 authorized by the board to be withdrawn annually from
34 the well. The board may also establish a disincentive
35 permit fee to serve as a regulatory tool by creating a
36 disincentive to continued overreliance on
37 groundwater.

38 (b) The fee schedule shall be determined by the
39 board after a hearing.

40 (c) The board shall use the funds obtained from
41 permit fees to cover the costs of issuing permits and

1 performing other regulatory functions under this Act,
2 including making grants, loans, or contractual
3 payments to achieve, facilitate, or expedite
4 reductions in groundwater pumping or the development
5 or distribution of alternative water supplies.

6 Revised Law

7 Sec. 8834.213. TRANSFERRING PERMIT. (a) A permit is
8 transferable only if the permit holder and the new owner of the well
9 notify the district by certified mail, return receipt requested,
10 of:

11 (1) the transfer of ownership of the well; and

12 (2) the name and address of the new owner.

13 (b) On receipt of the information required under Subsection
14 (a), the district shall issue an amended permit with the new owner
15 of the well listed as the permit holder. The remaining terms of the
16 permit remain unchanged. (Acts 71st Leg., R.S., Ch. 1045, Sec. 21.)

17 Source Law

18 Sec. 21. A permit issued under this Act is not
19 transferable unless the permittee and new owner notify
20 the district by certified mail, return receipt
21 requested, of the transfer of ownership of the well and
22 provide the name and address of the new owner. On
23 receipt of that information, the district shall issue
24 an amended permit with the new owner of the well as
25 permittee. The remaining terms of the permit shall
26 remain unchanged.

27 Revised Law

28 Sec. 8834.214. ANNUAL REPORT. Before January 31 each year,
29 a well owner who holds a permit under this chapter shall submit to
30 the board a report stating:

31 (1) the well owner's name;

32 (2) the location of the well;

33 (3) the total amount of groundwater withdrawn from the
34 well during the preceding 12-month period;

35 (4) the total amount of groundwater withdrawn from the
36 well during each month of the preceding 12-month period;

37 (5) the purpose for which the groundwater was used;

38 and

39 (6) any other information required by the board that
40 the board considers necessary for the board to control and prevent
41 subsidence in the district. (Acts 71st Leg., R.S., Ch. 1045, Sec.

1 22.)

2 Source Law

3 Sec. 22. Before January 31 of each year, each
4 owner of a well who holds a permit under this Act shall
5 submit a report to the board stating the following:

- 6 (1) the person's name;
- 7 (2) the location of the well;
- 8 (3) the total amount of groundwater
9 produced by the well during the immediately preceding
10 12-month period;
- 11 (4) the total amount of groundwater
12 produced by the well during each separate month of the
13 immediately preceding 12-month period;
- 14 (5) the purpose for which the groundwater
15 was used; and
- 16 (6) any other information required by the
17 board as necessary for the board to control and prevent
18 subsidence within the district.

19 Revisor's Note

20 Section 22, Chapter 1045, Acts of the 71st
21 Legislature, Regular Session, 1989, refers to "the
22 immediately preceding 12-month period." The revised
23 law omits "immediately" because "the preceding" means
24 "the immediately preceding."

25 Revised Law

26 Sec. 8834.215. REDUCTION OF GROUNDWATER USE. (a) The board
27 by order may require a person to completely or partially
28 discontinue the use of groundwater by:

- 29 (1) acquiring an alternative water supply needed to
30 replace the water supply covered by the order; or
- 31 (2) participating in a groundwater reduction plan or
32 other agreement the board approves as complying with the district's
33 regulatory requirements.

34 (b) The board by order or rule may require a person to reduce
35 groundwater use by eliminating waste or implementing water
36 conservation measures. (Acts 71st Leg., R.S., Ch. 1045, Secs.
37 25(d), (e).)

38 Source Law

39 (d) The board may issue an order requiring a
40 person to completely or partially discontinue the use
41 of groundwater by:

- 42 (1) acquiring an alternative water supply
43 needed to replace the water supply covered by the
44 order; or
- 45 (2) participating in a groundwater

1 reduction plan or other agreement approved by the
2 board as achieving compliance with the district's
3 regulatory requirements.

4 (e) The board may issue an order or adopt a rule
5 requiring a person to reduce groundwater use by
6 eliminating waste or implementing water conservation
7 measures.

8 Revised Law

9 Sec. 8834.216. OPEN OR UNCOVERED WELLS. (a) The district
10 may require the owner or lessee of land on which an open or
11 uncovered well is located to keep the well closed or capped with a
12 covering capable of supporting not less than 400 pounds when the
13 well is not in actual use.

14 (b) If the owner or lessee fails or refuses to close or cap a
15 well as required, a person employed by the district may enter the
16 land and close or cap the well safely and securely. (Acts 71st
17 Leg., R.S., Ch. 1045, Sec. 37.)

18 Source Law

19 Sec. 37. (a) The district may require the owner
20 or lessee of land on which an open or uncovered well is
21 located to keep the well closed or capped with a
22 covering capable of sustaining weight of at least 400
23 pounds when the well is not in actual use.

24 (b) If the owner or lessee fails or refuses to
25 close or cap the well, any person, firm, or corporation
26 employed by the district may enter onto the land and
27 close or cap the well safely and securely.

28 Revisor's Note

29 Section 37(b), Chapter 1045, Acts of the 71st
30 Legislature, Regular Session, 1989, refers to a
31 "person, firm, or corporation." The revised law omits
32 the references to "firm" and "corporation" because
33 Section 311.005(2), Government Code (Code
34 Construction Act), defines "person" to include a
35 corporation or any other legal entity.

36 [Sections 8834.217-8834.250 reserved for expansion]

37 SUBCHAPTER F. APPEAL AND ENFORCEMENT PROVISIONS

38 Revised Law

39 Sec. 8834.251. APPEAL OF DISTRICT ACTIONS. (a) A person
40 who is adversely affected by a rule, order, or other official action
41 of the board, including a person residing in or owning real property
42 in the district whose residence or real property is subsiding, may

1 appeal the action to a district court in any county in the district
2 after any administrative appeal is finally resolved.

3 (b) An appeal under this section must be filed not later
4 than the 45th day after the date any administrative appeal is
5 finally resolved.

6 (c) On written request from a person who is adversely
7 affected, the board shall make written findings and conclusions
8 regarding a rule, order, or other official action of the district.
9 The board shall provide a certified copy of the findings and
10 conclusions to the person not later than the 35th day after the date
11 the request was made.

12 (d) An appeal under this section of the legal propriety of a
13 rule, order, or other action of the board is governed by the
14 substantial evidence rule as provided by Subchapter G, Chapter
15 2001, Government Code. The burden of proof is on the petitioner,
16 and the challenged rule, order, or other official action of the
17 district is considered prima facie valid.

18 (e) The district court shall set for trial as expeditiously
19 as possible an appeal brought under this section and may not
20 postpone or continue the suit unless the reasons for postponement
21 or continuance are imperative. (Acts 71st Leg., R.S., Ch. 1045,
22 Sec. 32.)

23 Source Law

24 Sec. 32. (a) A person who is adversely affected
25 by a rule, regulation, order, or other official action
26 of the board may appeal to a district court in any
27 county in the district. A person may file an appeal
28 only after any administrative appeal to the district
29 is finally resolved.

30 (b) For the purposes of this section, "a person
31 who is adversely affected" includes a person residing
32 in or owning real property in the district whose
33 residence or real property is subsiding. An appeal
34 under this section must be filed not later than the
35 45th day after the date any administrative appeal is
36 finally resolved.

37 (c) On written request of a person who is
38 adversely affected, the board shall make written
39 findings and conclusions with respect to a rule,
40 regulation, order, or other official action of the
41 district. Not later than the 35th day after the
42 request was made, the board shall provide a certified
43 copy of the findings and conclusions to the person who
44 made the request.

45 (d) In appeals taken under this section, the

1 substantial evidence rule, as provided by Subchapter
2 G, Chapter 2001, Government Code, shall be used to
3 determine the legal propriety of a rule, regulation,
4 order, or other action of the board. The burden of
5 proof is on the petitioner, and the challenged rule,
6 order, or other official action of the district is
7 considered prima facie valid.

8 (e) The district court shall set for trial as
9 expeditiously as possible an appeal brought under this
10 section and may not postpone or continue the suit
11 unless the reasons for postponement or continuance are
12 imperative.

13 Revised Law

14 Sec. 8834.252. INJUNCTIVE RELIEF; CIVIL PENALTY. (a) If a
15 person has violated, is violating, or is threatening to violate
16 this chapter or a district rule, permit, or order, the district may
17 institute an action in a district court in the district for:

18 (1) an injunction to restrain the person from
19 continuing the violation or the threat of violation;

20 (2) a civil penalty of not less than \$50 and not more
21 than \$5,000 for each violation and for each day of violation; or

22 (3) both injunctive relief and a civil penalty.

23 (b) The attorney general shall institute an action under
24 this section at the request of the board, or at the request of the
25 general manager if authorized by the board. The district in its
26 sole discretion may employ attorneys of its choice to institute the
27 action.

28 (c) The district is not required to post bond or other
29 security with the court.

30 (d) The district court shall grant the injunctive relief
31 requested under Subsection (a) as the facts warrant if the court
32 finds that a person is violating or threatening to violate this
33 chapter or a district rule, permit, or order.

34 (e) The district court shall assess a civil penalty
35 requested under Subsection (a) in the amount provided by that
36 subsection if the court finds that a person has violated or is
37 violating this chapter or a district rule, permit, or order. (Acts
38 71st Leg., R.S., Ch. 1045, Sec. 43.)

39 Source Law

40 Sec. 43. (a) If a person has violated, is
41 violating, or is threatening to violate a provision of

1 this Act or a rule, regulation, permit, or other order
2 of the district, the district may bring a civil action
3 in a district court within the district for an
4 injunction to restrain the person from continuing the
5 violation or the threat of violation, for a civil
6 penalty of not less than \$50 nor more than \$5,000 for
7 each violation and for each day of violation, or for
8 both injunctive relief and civil penalty.

9 (b) At the request of the board, or the general
10 manager if authorized by the board, the attorney
11 general shall institute the action. However, the
12 district in its sole discretion may employ attorneys
13 of its choice to institute the action.

14 (c) The district is not required to post bond or
15 other security with the court.

16 (d) On application for injunctive relief and a
17 finding that a person is violating or threatening to
18 violate any provision of this Act or any rule, permit,
19 or other order of the district, the district court
20 shall grant any injunctive relief the facts may
21 warrant.

22 (e) In a suit to recover a civil penalty or a
23 suit for injunctive relief and a civil penalty, if the
24 court finds that a person has violated or is violating
25 a provision of this Act or a rule, permit, or order of
26 the district, the court shall assess a civil penalty in
27 the amount provided by this section.

2 CHAPTER 8836. FAYETTE COUNTY GROUNDWATER CONSERVATION DISTRICT

3 SUBCHAPTER A. GENERAL PROVISIONS

4 Revised Law

5 Sec. 8836.001. DEFINITIONS. In this chapter:

6 (1) "Board" means the district's board of directors.

7 (2) "Director" means a board member.

8 (3) "District" means the Fayette County Groundwater
9 Conservation District. (Acts 77th Leg., R.S., Ch. 302, Sec. 2;
10 New.)

11 Source Law

12 Sec. 2. In this Act, "district" means the
13 Fayette County Groundwater Conservation District.

14 Revisor's Note

15 The definitions of "board" and "director" are
16 added to the revised law for drafting convenience and
17 to eliminate frequent, unnecessary repetition of the
18 substance of the definitions.

19 Revised Law

20 Sec. 8836.002. NATURE OF DISTRICT. The district is a
21 groundwater conservation district in Fayette County created under
22 and essential to accomplish the purposes of Section 59, Article
23 XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 302, Secs. 1(a)
24 (part), (b).)

25 Source Law

26 Sec. 1. (a) A groundwater conservation
27 district, to be known as the Fayette County
28 Groundwater Conservation District, is created in
29 Fayette County,

30 (b) The district is created under and is
31 essential to accomplish the purposes of Section 59,
32 Article XVI, Texas Constitution.

33 Revisor's Note

34 (1) Section 1(a), Chapter 302, Acts of the 77th
35 Legislature, Regular Session, 2001, refers to a
36 confirmation and initial directors' election. Because
37 the confirmation election has already been held, the
38 revised law omits the provision as executed. The

1 omitted law reads:

2 (a) . . . subject to approval at a
3 confirmation and initial directors'
4 election under Section 10 of this Act.
5 . . .

6 (2) Section 1(a), Chapter 302, Acts of the 77th
7 Legislature, Regular Session, 2001, provides that the
8 district is "a governmental agency and a body politic
9 and corporate." The revised law omits the quoted
10 language because it duplicates a portion of Section
11 59(b), Article XVI, Texas Constitution, which provides
12 that a conservation and reclamation district is a
13 governmental agency and a body politic and corporate.

14 The omitted law reads:

15 (a) . . . The district is a
16 governmental agency and a body politic and
17 corporate.

18 Revised Law

19 Sec. 8836.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
20 district is created to serve a public use and benefit.

21 (b) All land and other property included in the district
22 will benefit from the works and projects accomplished by the
23 district under the powers conferred by Section 59, Article XVI,
24 Texas Constitution. (Acts 77th Leg., R.S., Ch. 302, Sec. 4.)

25 Source Law

26 Sec. 4. All of the land and other property
27 included within the boundaries of the district will be
28 benefited by the works and projects that are to be
29 accomplished by the district under powers conferred by
30 Section 59, Article XVI, Texas Constitution. The
31 district is created to serve a public use and benefit.

32 Revised Law

33 Sec. 8836.004. DISTRICT TERRITORY. The district's
34 boundaries are coextensive with the boundaries of Fayette County,
35 Texas, unless the district's territory has been modified under:

- 36 (1) Subchapter J, Chapter 36, Water Code; or
37 (2) other law. (Acts 77th Leg., R.S., Ch. 302, Sec. 3;

38 New.)

1 Legislature, Regular Session, 2001, provides that
2 certain provisions of the Water Code prevail over a
3 conflicting or inconsistent provision of the act.
4 Chapter 36, Water Code, applies to the district under
5 Section 8836.101 of this chapter and Section
6 36.001(1), Water Code. The revised law omits Section
7 5(b) because it substantially duplicates, in
8 substance, Section 36.052, Water Code, which provides
9 that the same provisions of the Water Code provided for
10 under Section 5(b), in addition to Section 36.107,
11 Water Code, prevail over a conflicting or inconsistent
12 provision of a special law that governs a specific
13 district. Although Section 5(b) does not reference
14 Section 36.107, Water Code, that section of Chapter 36
15 is not in conflict, or inconsistent, with any
16 provision of this chapter. The omitted law reads:

17 (b) Notwithstanding Subsection (a),
18 the following provisions prevail over a
19 conflicting or inconsistent provision of
20 this Act:

21 (1) Sections 36.1071-36.108,
22 Water Code;

23 (2) Sections 36.159-36.161,
24 Water Code; and

25 (3) Subchapter I, Chapter 36,
26 Water Code.

27 (3) Section 10, Chapter 302, Acts of the 77th
28 Legislature, Regular Session, 2001, provides
29 procedures for holding an election to confirm the
30 district's creation and to elect the district's initial
31 board. Because the district has been confirmed and its
32 initial directors have been elected, the revised law
33 omits those provisions as executed. The omitted law
34 reads:

35 Sec. 10. (a) The temporary board of
36 directors shall call and hold an election to
37 confirm establishment of the district and
38 to elect initial directors. The election
39 must be held concurrently with another
40 election held by a political subdivision.

41 (b) A person, including a temporary
42 director, who desires to be a candidate for
43 the office of initial director may file an

1 application with the temporary board of
2 directors to have the candidate's name
3 printed on the ballot as provided by Chapter
4 144, Election Code.

5 (c) At the confirmation and initial
6 directors' election, the temporary board of
7 directors shall have placed on the ballot
8 the names of the persons serving as
9 temporary directors who intend to run for an
10 initial director's position together with
11 the name of any candidate filing for an
12 initial director's position and blank
13 spaces to write in the names of other
14 persons.

15 (d) If the district is created at the
16 election, the temporary board of directors,
17 at the time the vote is canvassed, shall:

18 (1) declare the qualified
19 person who receives the most votes for each
20 position to be elected as the initial
21 director for that position; and

22 (2) include the results of the
23 initial directors' election in the
24 district's election report to the Texas
25 Natural Resource Conservation Commission.

26 (e) Section 41.001(a), Election
27 Code, does not apply to a confirmation and
28 initial directors' election held as
29 provided by this section.

30 (f) Except as provided by this
31 section, a confirmation and initial
32 directors' election must be conducted as
33 provided by Sections 36.017(b)-(h), Water
34 Code, and the Election Code.

35 (g) If a majority of the votes cast at
36 the election are against the creation of the
37 district, the temporary directors may call
38 and hold a subsequent election to confirm
39 the establishment of the district. A
40 subsequent election may not be held earlier
41 than the first anniversary of the date on
42 which the previous election was held.

43 [Sections 8836.006-8836.050 reserved for expansion]

44 SUBCHAPTER B. BOARD OF DIRECTORS

45 Revised Law

46 Sec. 8836.051. COMPOSITION OF BOARD; TERMS. (a) The
47 district is governed by a board of five directors.

48 (b) Directors serve staggered four-year terms. (Acts 77th
49 Leg., R.S., Ch. 302, Secs. 7(a), (d).)

50 Source Law

51 Sec. 7. (a) The district is governed by a board
52 of five directors.

53 (d) Permanent directors serve staggered
54 four-year terms.

55 Revisor's Note

56 (1) Section 7(d), Chapter 302, Acts of the 77th

1 Legislature, Regular Session, 2001, refers to
2 "[p]ermanent" directors. Sections 7, 8, and 10 of
3 Chapter 302 refer to "temporary," "initial," and
4 "permanent" directors to distinguish between the
5 "temporary" directors, the directors who immediately
6 succeeded the "temporary" directors after the first
7 election of directors, and subsequently serving
8 directors. Because the revised law omits provisions
9 regarding "temporary" and "initial" directors as
10 executed (see the revisor's notes at the end of this
11 subchapter), the revised law also omits "permanent"
12 because it does not contribute to the clear meaning of
13 the law.

14 (2) Section 7(e), Chapter 302, Acts of the 77th
15 Legislature, Regular Session, 2001, provides that a
16 director must qualify to serve in the manner provided
17 by Section 36.055, Water Code. The revised law omits
18 the provision because Section 36.055, Water Code,
19 applies to the district under Section 8836.101 of this
20 chapter and Section 36.001(1), Water Code. The
21 omitted law reads:

22 (e) Each director must qualify to
23 serve as director in the manner provided by
24 Section 36.055, Water Code.

25 (3) Section 7(f), Chapter 302, Acts of the 77th
26 Legislature, Regular Session, 2001, provides that a
27 director serves until the successor has qualified.
28 The revised law omits the provision because it
29 duplicates Section 17, Article XVI, Texas
30 Constitution, which provides that an officer in this
31 state continues to perform the officer's official
32 duties until the successor has qualified. The omitted
33 law reads:

34 (f) A director serves until the
35 director's successor has qualified.

1 Revised Law

2 Sec. 8836.052. ELECTION OF DIRECTORS. (a) Directors are
3 elected according to the commissioners precinct method as provided
4 by this section.

5 (b) One director is elected by the voters of the entire
6 district. One director is elected from each county commissioners
7 precinct by the voters of that precinct.

8 (c) A person shall indicate on the application for a place
9 on the ballot:

10 (1) the precinct that the person seeks to represent;

11 or

12 (2) that the person seeks to represent the district at
13 large.

14 (d) At the first election after the county commissioners
15 precincts are redrawn under Section 18, Article V, Texas
16 Constitution, four new directors shall be elected to represent the
17 precincts. The directors from Precincts 1 and 3 are elected for
18 two-year terms. The directors from Precincts 2 and 4 are elected for
19 four-year terms. (Acts 77th Leg., R.S., Ch. 302, Secs. 9(a), (b),
20 (d), (e).)

21 Source Law

22 Sec. 9. (a) The directors of the district shall
23 be elected according to the commissioners precinct
24 method as provided by this section.

25 (b) One director shall be elected by the
26 qualified voters of the entire district, and one
27 director shall be elected from each county
28 commissioners precinct by the qualified voters of that
29 precinct.

30 (d) A person shall indicate on the application
31 for a place on the ballot:

32 (1) the precinct that the person seeks to
33 represent; or

34 (2) that the person seeks to represent the
35 district at large.

36 (e) At the first election after the county
37 commissioners precincts are redrawn under Section 18,
38 Article V, Texas Constitution, four new directors
39 shall be elected to represent the precincts. The
40 directors from Precincts 1 and 3 shall be elected for
41 two-year terms. The directors from Precincts 2 and 4
42 shall be elected for four-year terms.

43 Revisor's Note

44 Section 9(b), Chapter 302, Acts of the 77th

1 Legislature, Regular Session, 2001, refers to an
2 election by the "qualified" voters of the district and
3 of each precinct. The revised law omits "qualified" as
4 unnecessary in this context because Chapter 11,
5 Election Code, governs eligibility to vote in an
6 election in this state and allows only "qualified"
7 voters who are residents of the territory covered by
8 the election to vote in an election.

9 Revised Law

10 Sec. 8836.053. ELECTION DATE. On the first Tuesday after
11 the first Monday in November of each even-numbered year, the
12 appropriate number of directors shall be elected for terms
13 beginning January 1 of the following year. (Acts 77th Leg., R.S.,
14 Ch. 302, Sec. 11(b).)

15 Source Law

16 (b) On the first Tuesday after the first Monday
17 in November of each subsequent second year following
18 the election held in 2006, the appropriate number of
19 directors shall be elected for terms beginning January
20 1 of the following year.

21 Revisor's Note

22 (1) Sections 11(a) and (a-1), Chapter 302, Acts
23 of the 77th Legislature, Regular Session, 2001,
24 prescribe the election date for the first directors'
25 election following the confirmation election. Because
26 the district has been confirmed and its first
27 permanent directors elected, the revised law omits
28 those provisions as executed. The omitted law reads:

29 Sec. 11. (a) On the first Tuesday
30 after the first Monday in November 2004, an
31 election shall be held in the district for
32 the election of directors from Precincts 1
33 and 3, to serve four-year terms beginning
34 January 1, 2005.

35 (a-1) On the first Tuesday after the
36 first Monday in November 2006, an election
37 shall be held in the district for the
38 election of directors from Precincts 2 and 4
39 and from the district at large to serve
40 four-year terms beginning January 1, 2007.

41 (2) Section 11(b), Chapter 302, Acts of the 77th
42 Legislature, Regular Session, 2001, requires

1 directors' elections to be held on the first Tuesday
2 after the first Monday in November "of each subsequent
3 second year following the election held in 2006." (See
4 Revisor's Note (1) to this section.) The revised law
5 substitutes "of each even-numbered year" for "of each
6 subsequent second year following the election held in
7 2006" because the election was held in November 2006,
8 an even-numbered year. As a result, subsequent
9 directors' elections will be held in even-numbered
10 years.

11 Revised Law

12 Sec. 8836.054. QUALIFICATIONS FOR OFFICE. (a) To be
13 qualified to be a candidate for or to serve as director at large, a
14 person must be a registered voter in the district.

15 (b) To be qualified to be a candidate for or to serve as
16 director from a county commissioners precinct, a person must be a
17 registered voter of that precinct. (Acts 77th Leg., R.S., Ch. 302,
18 Sec. 9(c).)

19 Source Law

20 (c) To be qualified to be a candidate for or to
21 serve as director at large, a person must be a
22 registered voter in the district. To be qualified to
23 be a candidate for or to serve as director from a
24 county commissioners precinct, a person must be a
25 registered voter of that precinct.

26 Revisor's Note
27 (End of Subchapter)

28 (1) Sections 7(b) and (c), Chapter 302, Acts of
29 the 77th Legislature, Regular Session, 2001, refer to
30 "temporary" and "initial" directors of the district
31 and to elections under Sections 10 and 11 of that
32 chapter. The revised law omits Sections 7(b) and (c)
33 as executed because the terms of the temporary and
34 initial directors have expired and the initial
35 election for permanent directors has been held. The
36 omitted law reads:

37 (b) Temporary directors serve until
38 initial directors are elected under Section

1 10 of this Act.

2 (c) Initial directors serve until
3 permanent directors are elected under
4 Section 11 of this Act.

5 (2) Section 8, Chapter 302, Acts of the 77th
6 Legislature, Regular Session, 2001, names the
7 "temporary" directors and provides for filling
8 vacancies on the temporary board. Because the terms of
9 the temporary directors have expired, the revised law
10 omits those provisions as executed. The omitted law
11 reads:

12 Sec. 8. (a) The temporary board of
13 directors is composed of:

14 Precinct 1: Mr. Clinton Buschacker
15 1024 South Raymond
16 La Grange, Texas 78945;

17 Precinct 2: Mr. Rodney H. Willis
18 3647 Schulle Road
19 Round Top, Texas 78954;

20 Precinct 3: Mr. Ernest Bartek
21 937 West Parker
22 Flatonia, Texas 78941;

23 Precinct 4: Mr. William P. Kohlleppe
24 3340 North U.S. Highway 77
25 Schulenburg, Texas 78956; and

26 At Large: Mr. Shawn Raborn
27 155 East Colorado Street
28 La Grange, Texas 78945.

29 (b) If a temporary director fails to
30 qualify for office, the temporary directors
31 who have qualified shall appoint a person to
32 fill the vacancy. If at any time there are
33 fewer than three qualified temporary
34 directors, the Texas Natural Resource
35 Conservation Commission shall appoint the
36 necessary number of persons to fill all
37 vacancies on the board.

38 [Sections 8836.055-8836.100 reserved for expansion]

39 SUBCHAPTER C. POWERS AND DUTIES

40 Revised Law

41 Sec. 8836.101. GROUNDWATER CONSERVATION DISTRICT POWERS
42 AND DUTIES. Except as provided by this chapter, the district has
43 the rights, powers, privileges, functions, and duties provided by
44 the general law of this state, including Chapter 36, Water Code,
45 applicable to groundwater conservation districts created under
46 Section 59, Article XVI, Texas Constitution. (Acts 77th Leg.,
47 R.S., Ch. 302, Sec. 5(a) (part).)

48 Source Law

49 Sec. 5. (a) Except as otherwise provided by

1 this Act, the district has all of the rights, powers,
2 privileges, authority, functions, and duties provided
3 by the general law of this state, including Chapter 36,
4 Water Code, applicable to groundwater conservation
5 districts created under Section 59, Article XVI, Texas
6 Constitution. . . .

7 Revisor's Note

8 Section 5, Chapter 302, Acts of the 77th
9 Legislature, Regular Session, 2001, refers to the
10 "rights, powers, privileges, [and] authority" of the
11 district. The revised law omits the reference to
12 "authority" because, in context, "authority" is
13 included in the meaning of "rights, powers, [and]
14 privileges."

15 Revised Law

16 Sec. 8836.102. REGIONAL COOPERATION. To provide for
17 regional continuity, the district shall:

18 (1) participate in coordination meetings with
19 adjacent districts on an as-needed basis;

20 (2) coordinate the collection of data with adjacent
21 districts in such a way as to achieve relative uniformity of data
22 type and quality;

23 (3) coordinate efforts to monitor water quality with
24 adjacent districts, local governments, and state agencies;

25 (4) provide groundwater level data to adjacent
26 districts;

27 (5) investigate any groundwater and aquifer pollution
28 with the intention of locating its source;

29 (6) notify adjacent districts and all appropriate
30 agencies of any detected groundwater pollution;

31 (7) annually provide to adjacent districts an
32 inventory of water wells and an estimate of groundwater production
33 within the district; and

34 (8) include adjacent districts on the mailing lists
35 for district newsletters, seminars, public education events, news
36 articles, and field days. (Acts 77th Leg., R.S., Ch. 302, Sec. 6.)

1 Revised Law

2 Sec. 8836.152. ELECTION TO APPROVE BONDS OR NOTES. The
3 district may not issue or sell bonds or notes payable from any
4 source unless the action is approved by a majority of the voters of
5 the district voting at an election held for that purpose. (Acts 77th
6 Leg., R.S., Ch. 302, Sec. 13.)

7 Source Law

8 Sec. 13. The district may not issue or sell
9 bonds or notes payable from any source unless the
10 action is approved by a majority of the voters of the
11 district voting at an election called and held for that
12 purpose.

13 Revisor's Note

14 Section 13, Chapter 302, Acts of the 77th
15 Legislature, Regular Session, 2001, refers to an
16 election "called and held." The revised law omits
17 references to "calling" an election because, in this
18 context, "calling" an election is included in the
19 meaning of "holding" an election. Under Chapter 3,
20 Election Code, all elections must be ordered (called)
21 before they may be held.

22 Revisor's Note
23 (End of Chapter)

24 (1) Section 15, Chapter 302, Acts of the 77th
25 Legislature, Regular Session, 2001, recites
26 legislative findings regarding procedural
27 requirements for legislation affecting the district
28 under the constitution and other laws and rules,
29 including proper legal notice and the filing of
30 recommendations. The revised law omits those
31 provisions as executed. The omitted law reads:

32 Sec. 15. (a) The proper and legal
33 notice of the intention to introduce this
34 Act, setting forth the general substance of
35 this Act, has been published as provided by
36 law, and the notice and a copy of this Act
37 have been furnished to all persons,
38 agencies, officials, or entities to which
39 they are required to be furnished by the
40 constitution and other laws of this state,
41 including the governor, who has submitted
42 the notice and Act to the Texas Natural

1 Resource Conservation Commission.

2 (b) The Texas Natural Resource
3 Conservation Commission has filed its
4 recommendations relating to this Act with
5 the governor, lieutenant governor, and
6 speaker of the house of representatives
7 within the required time.

8 (c) All requirements of the
9 constitution and laws of this state and the
10 rules and procedures of the legislature
11 with respect to notice, introduction, and
12 passage of this Act are fulfilled and
13 accomplished.

14 (2) Section 16(b), Chapter 302, Acts of the 77th
15 Legislature, Regular Session, 2001, contains
16 transition language regarding the expiration of the
17 act if the district is not confirmed at a confirmation
18 election before a certain date. The revised law omits
19 the provision as executed because the district was
20 confirmed within the required period. The omitted law
21 reads:

22 (b) If the creation of the district
23 is not confirmed at a confirmation election
24 held under Section 10 of this Act before
25 September 1, 2003, this Act expires on that
26 date.

27 (3) Sections 4(b) and (c), Chapter 12, Acts of
28 the 78th Legislature, Regular Session, 2003, provides
29 transition language related to the terms of office for
30 members of the district's board of directors and to
31 board elections. The revised law omits that language
32 as executed. The omitted law reads:

33 (b) The directors from Precincts 1
34 and 3 elected in May 2002 shall continue in
35 office until successor directors elected in
36 November 2004, as provided by the change in
37 law made by this Act to Section 11, Chapter
38 302, Acts of the 77th Legislature, Regular
39 Session, 2001, qualify for office.

40 (c) The directors from Precincts 2
41 and 4 and from the district at large elected
42 in May 2002 shall continue in office until
43 successor directors elected in November
44 2006, as provided by the change in law made
45 by this Act to Section 11, Chapter 302, Acts
46 of the 77th Legislature, Regular Session,
47 2001, qualify for office.

26		CHAPTER 8840. GLASSCOCK GROUNDWATER CONSERVATION DISTRICT	
27		SUBCHAPTER A. GENERAL PROVISIONS	
28		<u>Revised Law</u>	
29	Sec. 8840.001.	DEFINITIONS. In this chapter:	
30		(1) "Board" means the district's board of directors.	
31		(2) "Director" means a board member.	
32		(3) "District" means the Glasscock Groundwater	
33		Conservation District. (Acts 67th Leg., R.S., Ch. 489, Sec. 1	
34		(part); New.)	

1 Source Law

2 Sec. 1. . . . In this Act, "district" means the
3 Glasscock Groundwater Conservation District.

4 Revisor's Note

5 The definitions of "board" and "director" are
6 added to the revised law for drafting convenience and
7 to eliminate frequent, unnecessary repetition of the
8 substance of the definitions.

9 Revised Law

10 Sec. 8840.002. NATURE OF DISTRICT. The district is created
11 under Section 59, Article XVI, Texas Constitution, to provide for
12 the conservation, preservation, protection, recharge, and
13 prevention of waste of the groundwater reservoirs located under
14 district land, consistent with the objectives of Section 59,
15 Article XVI, Texas Constitution, and Chapter 36, Water Code. (Acts
16 67th Leg., R.S., Ch. 489, Secs. 1 (part), 3.)

17 Source Law

18 Sec. 1. Under Section 59, Article XVI, Texas
19 Constitution, the Glasscock Groundwater Conservation
20 District is created,

21 Sec. 3. The district is created to provide for
22 the conservation, preservation, protection, recharge,
23 and prevention of waste of the groundwater reservoirs
24 located under district land consistent with the
25 objectives of Section 59, Article XVI, Texas
26 Constitution, and Chapter 36, Water Code.

27 Revisor's Note

28 Section 1, Chapter 489, Acts of the 67th
29 Legislature, Regular Session, 1981, provides that the
30 district is "a governmental agency and body politic
31 and corporate." The revised law omits the quoted
32 language because it duplicates a portion of Section
33 59(b), Article XVI, Texas Constitution, which provides
34 that a conservation and reclamation district is a
35 governmental agency and a body politic and corporate.
36 The omitted law reads:

37 Sec. 1. . . . [the Glasscock
38 Groundwater Conservation District is
39 created,] as a governmental agency and body
40 politic and corporate,

1 Revised Law

2 Sec. 8840.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
3 district is created to serve a public use and benefit.

4 (b) All land included in the district will benefit from the
5 district. (Acts 67th Leg., R.S., Ch. 489, Sec. 7(a).)

6 Source Law

7 Sec. 7. (a) It is found that all of the land
8 included within the boundaries of the district will be
9 benefited and that the district is created to serve a
10 public use and benefit.

11 Revised Law

12 Sec. 8840.004. DISTRICT TERRITORY. The district's
13 boundaries are coextensive with the boundaries of Glasscock County,
14 Texas, unless the district's territory has been modified under:

15 (1) Subchapter J, Chapter 36, Water Code; or

16 (2) other law. (Acts 67th Leg., R.S., Ch. 489, Sec. 2;
17 New.)

18 Source Law

19 Sec. 2. The boundaries of the district include
20 all of the area in Glasscock County, Texas, and the
21 boundaries of the district are identical to the
22 boundaries of that county.

23 Revisor's Note

24 (1) The revision of the law governing the
25 district revises the statutory language describing the
26 territory of the district. Because the district's
27 boundaries are subject to change, that description may
28 not be accurate on the effective date of the revision
29 or at the time of a later reading. For the reader's
30 convenience, the revised law includes a reference to
31 the authority to change the district's territory under
32 Subchapter J, Chapter 36, Water Code, applicable to
33 groundwater conservation districts, and to the general
34 authority of the legislature to enact other laws to
35 change the district's territory.

36 (2) Section 2, Chapter 489, Acts of the 67th
37 Legislature, Regular Session, 1981, provides that the

1 boundaries of the district are "identical to" the
2 boundaries of Glasscock County. The revised law
3 substitutes "coextensive with" for the quoted language
4 because, in this context, the phrases have the same
5 meaning and "coextensive with" is the more commonly
6 used phrase.

7 Revisor's Note
8 (End of Subchapter)

9 (1) Sections 7(b)-(g), Chapter 489, Acts of the
10 67th Legislature, Regular Session, 1981, provide
11 procedures for holding an election to confirm the
12 district's creation. Because the district has been
13 confirmed, the revised law omits those provisions as
14 executed. The omitted law reads:

15 (b) Within 30 days after the
16 effective date of this Act and without the
17 necessity of having a petition presented,
18 the initial board of directors shall call an
19 election to be held in the district for the
20 purpose of confirming the organization of
21 the district, provided the election is not
22 held sooner than 60 days nor later than 90
23 days after the election is ordered.

24 (c) The propositions to be voted on
25 shall include the question of whether or not
26 the establishment of the district is
27 confirmed, the question of election of
28 directors, the question of levying,
29 assessing, and collecting an ad valorem tax
30 throughout the district, and any other
31 propositions required by this Act or by the
32 initial board of directors.

33 (d) Only qualified electors who
34 reside in the district are qualified to vote
35 in the election.

36 (e) Notice of the election shall be
37 published at least twice in a newspaper of
38 general circulation in the district, at
39 least 30 days and at least ten days
40 respectively, before the date of the
41 election.

42 (f) Returns of the election shall be
43 made to the initial board of directors of
44 the district and the directors shall
45 canvass those returns and declare the
46 results of the election.

47 (g) No hearings may be held to
48 determine whether any land included within
49 the boundaries of the district should be
50 excluded.

51 (2) Section 12, Chapter 489, Acts of the 67th
52 Legislature, Regular Session, 1981, provides that if

1 there is a conflict between the act and Chapter 36,
2 Water Code, the act controls. The revised law omits
3 that provision because it duplicates, in substance,
4 Section 311.026, Government Code (Code Construction
5 Act), and it duplicates part of Section 36.052(a),
6 Water Code, which provides that a "special law
7 governing a specific district" prevails over Chapter
8 36. Throughout this chapter, the revised law omits law
9 that duplicates law contained in Chapter 36, Water
10 Code, which applies to the district under Section
11 8840.101 of this chapter and Section 36.001(1), Water
12 Code. The omitted law reads:

13 Sec. 12. If there is a conflict
14 between this Act and Chapter 36, Water Code,
15 this Act controls.

16 (3) Section 5, Chapter 294, Acts of the 77th
17 Legislature, Regular Session, 2001, changed the name
18 of the district from the Glasscock County Underground
19 Water Conservation District to the Glasscock
20 Groundwater Conservation District and provides that a
21 reference in law to the Glasscock County Underground
22 Water Conservation District means the Glasscock
23 Groundwater Conservation District. The revised law
24 omits the provision changing the district's name as
25 executed. The revised law omits the provision
26 regarding references in law to the district because
27 there are no references in law outside of this chapter
28 to the former Glasscock County Underground Water
29 Conservation District. The omitted law reads:

30 Sec. 5. The name of the Glasscock
31 County Underground Water Conservation
32 District is changed to the Glasscock
33 Groundwater Conservation District. Any
34 reference in law to the Glasscock County
35 Underground Water Conservation District
36 means the Glasscock Groundwater
37 Conservation District.

1 SUBCHAPTER B. BOARD OF DIRECTORS

2 Revised Law

3 Sec. 8840.051. COMPOSITION OF BOARD; TERMS. (a) The
4 district is governed by a board of directors as provided by Chapter
5 36, Water Code.

6 (b) Directors serve staggered four-year terms. (Acts 67th
7 Leg., R.S., Ch. 489, Secs. 11(a), (f) (part).)

8 Source Law

9 Sec. 11. (a) The district shall be governed by
10 a board of directors as provided by Chapter 36, Water
11 Code.

12 (f) The directors serve staggered four-year
13 terms. . . .

14 Revised Law

15 Sec. 8840.052. ELECTION OF DIRECTORS. (a) The district is
16 divided into numbered precincts for electing directors.

17 (b) The board may revise the district precincts as necessary
18 or appropriate.

19 (c) One director is elected from each district precinct and
20 one director is elected at large. (Acts 67th Leg., R.S., Ch. 489,
21 Secs. 11(c), (d).)

22 Source Law

23 (c) The board of directors shall draw numbered
24 precincts for electing directors. The board of
25 directors may revise the district precincts as
26 necessary or appropriate.

27 (d) One director shall be elected from each
28 district precinct and one director shall be elected at
29 large.

30 Revisor's Note

31 Section 11(c), Chapter 489, Acts of the 67th
32 Legislature, Regular Session, 1981, provides that the
33 board "shall draw" numbered precincts for electing
34 directors, which requires the board to divide the
35 district into numbered precincts. The revised law
36 substitutes "is divided into" for the quoted language
37 because the requirement that the board "draw," or
38 divide the district into, numbered precincts is
39 executed.

1 Revised Law

2 Sec. 8840.053. ELECTION DATE. The board shall hold an
3 election to elect the appropriate number of directors on the
4 uniform election date in May of each even-numbered year. (Acts 67th
5 Leg., R.S., Ch. 489, Sec. 11(f) (part).)

6 Source Law

7 (f) . . . The board of directors shall call and
8 hold an election of the appropriate number of
9 directors on the first Saturday in May of each
10 even-numbered year.

11 Revisor's Note

12 (1) Section 11(f), Chapter 489, Acts of the 67th
13 Legislature, Regular Session, 1981, requires the board
14 to "call and hold" an election to elect directors. The
15 revised law omits the reference to "calling" an
16 election because, in this context, "calling" an
17 election is included in the meaning of "holding" an
18 election. Under Chapter 3, Election Code, all
19 elections must be ordered (called) before they may be
20 held.

21 (2) Section 11(f), Chapter 489, Acts of the 67th
22 Legislature, Regular Session, 1981, was amended in
23 2001 to require board elections to be held on the
24 "first Saturday in May." See Section 1, Chapter 294,
25 Acts of the 77th Legislature, Regular Session, 2001.
26 From 1987 to 2003, Section 41.001, Election Code,
27 provided for a uniform election date for all political
28 subdivisions on the first Saturday in May. Chapter
29 1315, Acts of the 78th Legislature, Regular Session,
30 2003, amended Section 41.001 to change the uniform
31 election date in May to the third Saturday in May.
32 Chapter 1, Acts of the 78th Legislature, 3rd Called
33 Session, 2003, amended Section 41.001 to change the
34 uniform election date in May back to the first Saturday
35 in May. Chapter 471, Acts of the 79th Legislature,
36 Regular Session, 2005, amended Section 41.001 to

1 change the uniform election date in May to the second
2 Saturday in May. The revised law substitutes "uniform
3 election date in May" for "first Saturday in May" to
4 reflect those changes and to preserve the legislative
5 intent expressed in the 2001 amendment to Section
6 11(f) that the election be held on the first Saturday
7 in May, which was at that time the uniform election
8 date in May.

9 Revised Law

10 Sec. 8840.054. QUALIFICATIONS FOR ELECTION. (a) To be
11 qualified for election as a director, a person must:

12 (1) be a resident of the district or proposed
13 district;

14 (2) own land subject to taxation in the district or
15 proposed district; and

16 (3) be at least 21 years of age.

17 (b) To be qualified for election as a director from a
18 district precinct, a person must own land subject to taxation in the
19 district precinct from which the person is elected. (Acts 67th
20 Leg., R.S., Ch. 489, Secs. 11(b), (e).)

21 Source Law

22 (b) To be qualified for election as a director,
23 a person must be a resident of the district or proposed
24 district, own land subject to taxation in the district
25 or proposed district, and be at least 21 years of age.

26 (e) To be qualified for election as a director
27 from a district precinct, a person must own land
28 subject to taxation in the district precinct from
29 which the person is elected.

30 Revised Law

31 Sec. 8840.055. ELECTION OF DIRECTORS FOLLOWING ANNEXATION.

32 (a) Territory may be added to the district under Chapter 36, Water
33 Code.

34 (b) If the district annexes territory, the directors shall
35 determine the precincts to which annexed territory is added for the
36 purpose of electing directors. (Acts 67th Leg., R.S., Ch. 489, Sec.
37 10.)

1 Source Law

2 Sec. 10. Additional territory may be added to
3 the district under Chapter 36, Water Code. The
4 directors shall determine to which district precincts
5 the annexed land shall be added for purposes of
6 election of directors.

7 Revisor's Note
8 (End of Subchapter)

9 (1) Section 6, Chapter 489, Acts of the 67th
10 Legislature, Regular Session, 1981, names the
11 district's initial directors and describes their terms
12 of office. Because the terms of office of the initial
13 directors have expired, the revised law omits the
14 provisions as executed. The omitted law reads:

15 Sec. 6. (a) The members of the
16 initial board of directors are:

- 17 (1) Lynn Glass;
18 (2) Hubert Frerich;
19 (3) Jerry Murphy;
20 (4) Jimmy Strube; and
21 (5) Dennis Seidenberger.

22 (b) The initial members of the board
23 shall serve until their successors have
24 been elected and have qualified.

25 (2) Section 4, Chapter 294, Acts of the 77th
26 Legislature, Regular Session, 2001, contains
27 transition language regarding directors' elections for
28 the years 2001, 2002, and 2003, and the terms of office
29 of the directors elected at those elections. The
30 revised law omits the language as executed because the
31 terms of office of the directors have expired and the
32 elections have been held. The omitted law reads:

33 Sec. 4. (a) Notwithstanding Section
34 11(f), Chapter 489, Acts of the 67th
35 Legislature, Regular Session, 1981, as
36 amended by this Act, the board of directors
37 of the Glasscock Groundwater Conservation
38 District shall call and hold elections for
39 directors only as provided by this section
40 for the years 2001, 2002, and 2003, as
41 applicable.

42 (b) If this Act takes effect
43 immediately:

44 (1) on the second Saturday in
45 August 2001, the appropriate number of
46 directors shall be elected to serve until
47 their successors take office following an
48 election on the first Saturday in May 2004;
49 and

50 (2) on the second Saturday in

1 August 2002, the appropriate number of
2 directors shall be elected to serve until
3 their successors take office following an
4 election on the first Saturday in May 2006.

5 (c) If this Act takes effect
6 September 1, 2001:

7 (1) on the second Saturday in
8 August 2002, the appropriate number of
9 directors shall be elected to serve until
10 their successors take office following an
11 election on the first Saturday in May 2004;
12 and

13 (2) on the second Saturday in
14 August 2003, the appropriate number of
15 directors shall be elected to serve until
16 their successors take office following an
17 election on the first Saturday in May 2006.

18 [Sections 8840.056-8840.100 reserved for expansion]

19 SUBCHAPTER C. POWERS AND DUTIES

20 Revised Law

21 Sec. 8840.101. GENERAL POWERS AND DUTIES. The district may
22 exercise:

23 (1) the powers essential to accomplish the purposes of
24 Section 59, Article XVI, Texas Constitution; and

25 (2) the rights, powers, duties, privileges, and
26 functions provided by this chapter, Chapter 36, Water Code, and
27 other laws of this state relating to groundwater conservation
28 districts. (Acts 67th Leg., R.S., Ch. 489, Secs. 1 (part), 4
29 (part).)

30 Source Law

31 Sec. 1. [Under Section 59, Article XVI, Texas
32 Constitution, the . . . District is] . . . authorized
33 to exercise the powers essential to the accomplishment
34 of the purposes of that constitutional provision and
35 to exercise the rights, powers, duties, privileges,
36 and functions provided by this Act and by Chapter 36,
37 Water Code, and by other laws of this state relating to
38 groundwater conservation districts. . . .

39 Sec. 4. The district may exercise the powers,
40 rights, privileges, and functions permitted by Chapter
41 36, Water Code,

42 Revised Law

43 Sec. 8840.102. ADMINISTRATIVE PROCEDURES. Except as
44 provided by this chapter, the administrative and procedural
45 provisions of Chapter 36, Water Code, apply to the district. (Acts
46 67th Leg., R.S., Ch. 489, Sec. 5.)

1 far as practicable the drawdown of the water table or the reduction
2 of the artesian pressure, the district, as permitted by Chapter 36,
3 Water Code, may provide for the spacing of wells producing from the
4 groundwater reservoirs and regulate the production from those
5 wells. (Acts 67th Leg., R.S., Ch. 489, Sec. 4 (part).)

6 Source Law

7 Sec. 4. [The district may exercise the powers,
8 rights, privileges, and functions permitted by Chapter
9 36, Water Code, including authority to:]

10 . . .
11 (3) provide for the spacing of wells
12 producing from the groundwater reservoirs and regulate
13 the production from those wells to minimize as far as
14 practicable the drawdown of the water table or the
15 reduction of the artesian pressure, . . . ;
16

17 Revised Law

18 Sec. 8840.105. LOGS. As permitted by Chapter 36, Water
19 Code, the district may require that:

20 (1) accurate driller's logs be kept of the drilling,
21 equipping, or completion of a well into a groundwater reservoir;
22 and

23 (2) a copy of a driller's log and of any electric log
24 that may be made of the well be filed with the district. (Acts 67th
25 Leg., R.S., Ch. 489, Sec. 4 (part).)

26 Source Law

27 Sec. 4. [The district may exercise the powers,
28 rights, privileges, and functions permitted by Chapter
29 36, Water Code, including authority to:]

30 . . .
31 (4) . . . require accurate driller's logs
32 to be kept of those wells and a copy of those logs and
33 of any electric logs that may be made of the wells to be
34 filed with the district;
35

36 Revisor's Note

37 Section 4(4), Chapter 489, Acts of the 67th
38 Legislature, Regular Session, 1981, provides that the
39 district may require that certain records be kept and
40 reports be made regarding water wells and the use of
41 groundwater. The revised law omits the provision
42 because it duplicates, in substance, Section
43 36.111(a), Water Code. The omitted law reads:

1 Sec. 4. [The district may . . . :]

2 . . .
3 (4) require records to be kept and
4 reports to be made of the drilling,
5 equipping, and completion of wells into any
6 groundwater reservoir and the taking and
7 use of groundwater from those reservoirs
8 and

9 Revised Law

10 Sec. 8840.106. SURVEYS. As permitted by Chapter 36, Water
11 Code, the district may have a licensed engineer survey the
12 groundwater of a groundwater reservoir and the facilities for the
13 development, production, and use of that groundwater and determine
14 the quantity of the groundwater available for production and use
15 and the improvements, developments, and recharges needed for the
16 groundwater reservoir. (Acts 67th Leg., R.S., Ch. 489, Sec. 4
17 (part).)

18 Source Law

19 Sec. 4. [The district may exercise the powers,
20 rights, privileges, and functions permitted by Chapter
21 36, Water Code, including authority to:]

22 . . .
23 (6) have made by registered professional
24 engineers surveys of the groundwater of any
25 groundwater reservoir and of the facilities for the
26 development, production, and use of that groundwater,
27 determine the quantity of the groundwater available
28 for production and use and the improvements,
29 developments, and recharges needed for those
30 groundwater reservoirs;
31

32 Revisor's Note

33 Section 4(6), Chapter 489, Acts of the 67th
34 Legislature, Regular Session, 1981, refers to
35 "registered professional engineers." The revised law
36 substitutes "engineer" for "professional engineer"
37 because "engineer" is the term used by Chapter 1001,
38 Occupations Code, which regulates engineers. The
39 revised law also substitutes "licensed" for
40 "registered" because Chapter 1001, Occupations Code,
41 requires that a person hold a license to engage in the
42 practice of engineering.

43 Revised Law

44 Sec. 8840.107. RESEARCH AND DETERMINATIONS REGARDING

1 GROUNDWATER WITHDRAWAL. As permitted by Chapter 36, Water Code,
2 the district may carry out research projects, develop information,
3 and determine limitations, if any, that should be made on the
4 withdrawal of groundwater from a groundwater reservoir. (Acts 67th
5 Leg., R.S., Ch. 489, Sec. 4 (part).)

6 Source Law

7 Sec. 4. [The district may exercise the powers,
8 rights, privileges, and functions permitted by Chapter
9 36, Water Code, including authority to:]

10 . . .
11 (8) carry out research projects, develop
12 information, and determine limitations, if any, that
13 should be made on the withdrawal of groundwater from
14 any groundwater reservoir;
15

16 Revised Law

17 Sec. 8840.108. COLLECTION AND PRESERVATION OF INFORMATION.

18 As permitted by Chapter 36, Water Code, the district may collect and
19 preserve information regarding the use of groundwater and the
20 practicability of recharge of a groundwater reservoir. (Acts 67th
21 Leg., R.S., Ch. 489, Sec. 4 (part).)

22 Source Law

23 Sec. 4. [The district may exercise the powers,
24 rights, privileges, and functions permitted by Chapter
25 36, Water Code, including authority to:]

26 . . .
27 (9) collect and preserve information
28 regarding the use of the groundwater and the
29 practicability of recharge of any groundwater
30 reservoir;
31

32 Revised Law

33 Sec. 8840.109. CONTRACT FOR SALE AND DISTRIBUTION OF WATER.

34 As permitted by Chapter 36, Water Code, the district may contract
35 for, sell, and distribute water from a water import authority or
36 other agency. (Acts 67th Leg., R.S., Ch. 489, Sec. 4 (part).)

37 Source Law

38 Sec. 4. [The district may exercise the powers,
39 rights, privileges, and functions permitted by Chapter
40 36, Water Code, including authority to:]

41 . . .
42 (11) contract for, sell, and distribute
43 water from a water import authority, or other agency.

Revisor's Note
(End of Subchapter)

(1) Section 4(1), Chapter 489, Acts of the 67th Legislature, Regular Session, 1981, states that the district may make and enforce rules relating to groundwater and that the district may enforce its rules in court. The revised law omits that provision because it duplicates, in substance, parts of Sections 36.101 and 36.102, Water Code, which apply to the district under Section 8840.101 of this chapter and Section 36.001(1), Water Code. The omitted law reads:

Sec. 4. [The district may . . . :]
(1) make and enforce rules to provide for conserving, preserving, protecting, recharging, and preventing waste of the water from the groundwater reservoirs that may be enforced by injunction, mandatory injunction, or other appropriate remedies in a court of competent jurisdiction;
. . . .

(2) Section 4(5), Chapter 489, Acts of the 67th Legislature, Regular Session, 1981, provides that the district may acquire land for certain purposes and perform certain actions necessary to recharge a groundwater reservoir. The revised law omits the provision because it duplicates, in substance, Section 36.103(b), Water Code. The omitted law reads:

Sec. 4. [The district may . . . :]
. . . .
(5) acquire land for the erection of dams and for the purpose of draining lakes, draws, and depressions, and construct dams, drain lakes, depressions, draws, and creeks and install pumps and other equipment necessary to recharge any groundwater reservoirs;
. . . .

(3) Section 4(7), Chapter 489, Acts of the 67th Legislature, Regular Session, 1981, authorizes the district to develop comprehensive plans for the most efficient use of groundwater and for the control and prevention of waste of that groundwater. The revised law omits the provision as superseded by Section

1 36.1071, Water Code, which requires groundwater
2 conservation districts to develop a comprehensive
3 management plan with certain mandatory components.
4 Section 36.052(b), Water Code, added by Chapter 1010,
5 Acts of the 75th Legislature, Regular Session, 1997,
6 provides that certain sections of Chapter 36,
7 including Section 36.1071, prevail over a conflicting
8 or inconsistent provision of a special law that
9 governs a specific district. The omitted law reads:

10 Sec. 4. [The district may . . . :]

11 . . .
12 (7) develop comprehensive plans
13 for the most efficient use of the
14 groundwater of any groundwater reservoir
15 and for the control and prevention of waste
16 of that groundwater, with the plans to
17 specify in the amount of detail that may be
18 practicable the acts, procedure,
19 performance, and avoidance that are or may
20 be necessary to effect those plans,
21 including specifications;
22

23 (4) Section 4(10), Chapter 489, Acts of the 67th
24 Legislature, Regular Session, 1981, provides that the
25 district may publish and disseminate to certain
26 persons plans and information and encourage the
27 adoption and execution of the plans. The revised law
28 omits the provision because it duplicates, in
29 substance, Section 36.110, Water Code. The omitted
30 law reads:

31 Sec. 4. [The district may . . . :]

32 . . .
33 (10) publish plans and
34 information, bring them to the notice and
35 attention of the users of the groundwater
36 within the district, and encourage their
37 adoption and execution; and
38

39 (5) Section 8, Chapter 489, Acts of the 67th
40 Legislature, Regular Session, 1981, provides that the
41 tax and bond provisions of Chapter 36, Water Code,
42 apply to the district. The revised law omits the
43 provision because Section 4 of the act (revised in this
44 chapter as Section 8840.101) provides that the

1 district may exercise the rights, powers, duties,
2 privileges, and functions provided by Chapter 36,
3 Water Code. The provisions applicable to the district
4 under Section 8840.101 include any tax and bond
5 provisions of Chapter 36, Water Code. The omitted law
6 reads:

7 Sec. 8. The tax and bond provisions
8 of Chapter 36, Water Code, apply to the
9 district.

10 (6) Section 9, Chapter 489, Acts of the 67th
11 Legislature, Regular Session, 1981, provides that the
12 dissolution provisions of Chapter 36, Water Code,
13 apply to the district. The revised law omits the
14 provision for the reasons stated in Revisor's Note (5)
15 to the end of this subchapter. The omitted law reads:

16 Sec. 9. Chapter 36, Water Code,
17 applies to dissolution of the district.

18 Revisor's Note
19 (End of Chapter)

20 Sections 2 and 3, Chapter 294, Acts of the 77th
21 Legislature, Regular Session, 2001, validate certain
22 actions of the district taken before May 23, 2001.
23 Those provisions are omitted from the revised law
24 because they served their purposes on the day they took
25 effect and are executed law. Section 311.031(a)(2),
26 Government Code (Code Construction Act), provides that
27 the repeal of a statute does not affect any validation
28 previously made under the statute. Therefore, the
29 omission of the executed validation provision does not
30 affect the validation. The omitted law reads:

31 Sec. 2. The following acts and
32 proceedings relating to the Glasscock
33 Groundwater Conservation District are
34 validated in all respects as if the acts and
35 proceedings had occurred as authorized by
36 law:

37 (1) all acts and proceedings of
38 the district taken before the effective
39 date of this Act, including the adoption of
40 rules, the approval or issuance of water
41 well drilling permits, and annexations of
42 land;

1 (2) all acts and proceedings of
2 the district taken before the effective
3 date of this Act regarding bonds and other
4 obligations of the district authorized or
5 issued before the effective date of this
6 Act; and

7 (3) all acts and proceedings
8 that occur before the effective date of this
9 Act regarding the selection or actions of
10 the directors of the district, whether
11 elected or appointed, who took office
12 before the effective date of this Act.

13 Sec. 3. Section 2 of this Act does
14 not apply to any matter that on the
15 effective date of this Act:

16 (1) is involved in litigation
17 if the litigation ultimately results in the
18 matter being held invalid by a final
19 judgment of a court of competent
20 jurisdiction; or

21 (2) has been held invalid by a
22 final judgment of a court of competent
23 jurisdiction.

45 CHAPTER 8842. HEADWATERS GROUNDWATER CONSERVATION DISTRICT

46 SUBCHAPTER A. GENERAL PROVISIONS

1 Revised Law

2 Sec. 8842.001. DEFINITIONS. In this chapter:

3 (1) "Board" means the district's board of directors.

4 (2) "Director" means a board member.

5 (3) "District" means the Headwaters Groundwater
6 Conservation District. (Acts 72nd Leg., R.S., Ch. 693, Sec. 2;
7 New.)

8 Source Law

9 Sec. 2. In this Act, "district" means the
10 Headwaters Groundwater Conservation District.

11 Revisor's Note

12 The definitions of "board" and "director" are
13 added to the revised law for drafting convenience and
14 to eliminate frequent, unnecessary repetition of the
15 substance of the definitions.

16 Revised Law

17 Sec. 8842.002. NATURE OF DISTRICT. The district is a
18 groundwater conservation district in Kerr County created under and
19 essential to accomplish the purposes of Section 59, Article XVI,
20 Texas Constitution. (Acts 72nd Leg., R.S., Ch. 693, Secs. 1(a)
21 (part), (b).)

22 Source Law

23 Sec. 1. (a) A groundwater conservation
24 district, to be known as the Headwaters Groundwater
25 Conservation District, is created in Kerr County,
26

27 (b) The district is created under and is
28 essential to accomplish the purposes of Article XVI,
29 Section 59, of the Texas Constitution.

30 Revisor's Note

31 (1) Section 1(a), Chapter 693, Acts of the 72nd
32 Legislature, Regular Session, 1991, refers to a
33 confirmation election. Because the confirmation
34 election has already been held, the revised law omits
35 the provision as executed. The omitted law reads:

36 (a) . . . subject to approval at a
37 confirmation election under Section 8 of
38 this Act. . . .

39 (2) Section 1(a), Chapter 693, Acts of the 72nd

1 Legislature, Regular Session, 1991, provides that the
2 district is a governmental agency and a body politic
3 and corporate. The revised law omits the provision
4 because it duplicates a portion of Section 59(b),
5 Article XVI, Texas Constitution, which provides that a
6 conservation and reclamation district is a
7 governmental agency and a body politic and corporate.

8 The omitted law reads:

9 (a) . . . The district is a
10 governmental agency and a body politic and
11 corporate.

12 Revised Law

13 Sec. 8842.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
14 district is created to serve a public use and benefit.

15 (b) All land and other property included in the district
16 will benefit from the works and projects accomplished by the
17 district under the powers conferred by Section 59, Article XVI,
18 Texas Constitution. (Acts 72nd Leg., R.S., Ch. 693, Sec. 4.)

19 Source Law

20 Sec. 4. All of the land and other property
21 included within the boundaries of the district will be
22 benefited by the works and projects that are to be
23 accomplished by the district under powers conferred by
24 Article XVI, Section 59, of the Texas Constitution.
25 The district is created to serve a public use and
26 benefit.

27 Revised Law

28 Sec. 8842.004. DISTRICT TERRITORY. The district's
29 boundaries are coextensive with the boundaries of Kerr County,
30 unless the district's territory has been modified under:

- 31 (1) Subchapter J, Chapter 36, Water Code; or
32 (2) other law. (Acts 72nd Leg., R.S., Ch. 693, Sec. 3;

33 New.)

34 Source Law

35 Sec. 3. The boundaries of the district are
36 coextensive with the boundaries of Kerr County.

37 Revisor's Note

38 The revision of the law governing the district
39 revises the statutory language describing the

1 territory of the district. Because the district's
2 boundaries are subject to change, that description may
3 not be accurate on the effective date of the revision
4 or at the time of a later reading. For the reader's
5 convenience, the revised law includes a reference to
6 the authority to change the district's territory under
7 Subchapter J, Chapter 36, Water Code, applicable to
8 groundwater conservation districts, and to the general
9 authority of the legislature to enact other laws to
10 change the district's territory.

11 Revisor's Note
12 (End of Subchapter)

13 (1) Section 2A, Chapter 693, Acts of the 72nd
14 Legislature, Regular Session, 1991, provides that a
15 reference in law to the Headwaters Underground Water
16 Conservation District means the Headwaters
17 Groundwater Conservation District. The revised law
18 omits that provision because there are no references
19 in law outside of this chapter to the former Headwaters
20 Underground Water Conservation District. The omitted
21 law reads:

22 Sec. 2A. A reference in law to the
23 Headwaters Underground Water Conservation
24 District means the Headwaters Groundwater
25 Conservation District.

26 (2) Section 5(a), Chapter 693, Acts of the 72nd
27 Legislature, Regular Session, 1991, provides that the
28 act prevails over general law in case of a conflict or
29 other inconsistency. The revised law omits the
30 provision because it duplicates, in substance, Section
31 311.026, Government Code (Code Construction Act). The
32 omitted law reads:

33 (a) . . . This Act prevails over any
34 provision of general law that is in conflict
35 or inconsistent with this Act.

36 (3) Section 5(c), Chapter 693, Acts of the 72nd
37 Legislature, Regular Session, 1991, provides that

1 certain provisions of the Water Code prevail over a
2 conflicting or inconsistent provision of the act.
3 Chapter 36, Water Code, applies to the district under
4 Section 8842.101 of this chapter and Section
5 36.001(1), Water Code. The revised law omits Section
6 5(c) because it substantially duplicates Section
7 36.052, Water Code, which provides that the same
8 provisions of the Water Code provided for under
9 Section 5(c), in addition to Section 36.107, Water
10 Code, prevail over a conflicting or inconsistent
11 provision of a special law that governs a specific
12 district. Although Section 5(c) does not reference
13 Section 36.107, Water Code, that section of Chapter 36
14 is not in conflict, or inconsistent, with any
15 provision of this chapter. The omitted law reads:

16 (c) Notwithstanding Subsection (a),
17 the following provisions prevail over a
18 conflicting or inconsistent provision of
19 this Act:

- 20 (1) Sections 36.1071-36.108,
21 Water Code;
22 (2) Sections 36.159-36.161,
23 Water Code; and
24 (3) Subchapter I, Chapter 36,
25 Water Code.

26 (4) Section 8, Chapter 693, Acts of the 72nd
27 Legislature, Regular Session, 1991, provides
28 procedures for holding an election to confirm the
29 district's creation and to elect the district's initial
30 board. Because the district has been confirmed and its
31 initial directors have been elected, the revised law
32 omits those provisions as executed. The omitted law
33 reads:

34 Sec. 8. (a) The temporary board of
35 directors shall call and hold an election to
36 confirm establishment of the district and
37 to elect five initial directors.

38 (b) A person who desires to be a
39 candidate for the office of initial
40 director may file an application with the
41 temporary board to have the candidate's name
42 printed on the ballot as provided by Section
43 51.075, Water Code.

44 (c) At the confirmation and initial

1 directors' election, the temporary board of
2 directors shall have the names of the five
3 persons serving as temporary directors
4 placed on the ballot together with the name
5 of any candidate filing for the office of
6 director as provided by Subsection (b) of
7 this section and blank spaces to write in
8 the names of other persons. If the district
9 is created at the election, the temporary
10 directors, at the time the vote is
11 canvassed, shall declare the five persons
12 who receive the most votes to be elected as
13 the initial directors and shall include the
14 results of the directors' election in its
15 election report to the Texas Water
16 Commission.

17 (d) Section 41.001(a), Election
18 Code, does not apply to a confirmation and
19 initial directors' election held as
20 provided by this section.

21 (e) Except as provided by this
22 section, a confirmation and initial
23 directors' election must be conducted as
24 provided by Sections 52.059(b)-(g), Water
25 Code, and the Election Code.

26 [Sections 8842.005-8842.050 reserved for expansion]

27 SUBCHAPTER B. BOARD OF DIRECTORS

28 Revised Law

29 Sec. 8842.051. COMPOSITION OF BOARD; TERMS. (a) The
30 district is governed by a board of five directors.

31 (b) Directors serve staggered four-year terms. (Acts 72nd
32 Leg., R.S., Ch. 693, Secs. 6(a), (d).)

33 Source Law

34 Sec. 6. (a) The district is governed by a board
35 of five directors.

36 (d) Permanent directors serve staggered
37 four-year terms.

38 Revisor's Note

39 (1) Section 6(d), Chapter 693, Acts of the 72nd
40 Legislature, Regular Session, 1991, refers to
41 "[p]ermanent directors." Sections 6, 7, and 8 of
42 Chapter 693 refer to "temporary," "initial," and
43 "permanent" directors to distinguish between the
44 "temporary" directors, the directors who immediately
45 succeeded the "temporary" directors after the first
46 election of directors, and subsequently serving
47 directors. Because the revised law omits provisions
48 regarding "temporary" and "initial" directors as

1 executed (see Revisor's Notes (1) and (2) to the end of
2 this subchapter), the revised law also omits
3 "permanent" because it does not contribute to the
4 clear meaning of the law.

5 (2) Section 6(e), Chapter 693, Acts of the 72nd
6 Legislature, Regular Session, 1991, provides that a
7 director must qualify to serve in the manner provided
8 by Section 36.055, Water Code. The revised law omits
9 the provision because Section 36.055, Water Code,
10 applies to the district under Section 8842.101 of this
11 chapter and Section 36.001(1), Water Code. The
12 omitted law reads:

13 (e) Each director must qualify to
14 serve as director in the manner provided by
15 Section 36.055, Water Code.

16 (3) Section 6(f), Chapter 693, Acts of the 72nd
17 Legislature, Regular Session, 1991, provides that a
18 director serves until a successor has qualified. The
19 revised law omits the provision because it duplicates
20 Section 17, Article XVI, Texas Constitution, which
21 provides that an officer in this state continues to
22 perform the officer's official duties until a
23 successor has qualified. The omitted law reads:

24 (f) A director serves until the
25 director's successor has qualified.

26 Revised Law

27 Sec. 8842.052. ELECTION OF DIRECTORS. (a) Directors are
28 elected according to the commissioners precinct method as provided
29 by this section.

30 (b) One director is elected by the voters of the entire
31 district. One director is elected from each county commissioners
32 precinct by the voters of that precinct.

33 (c) A person shall indicate on the application for a place
34 on the ballot:

35 (1) the precinct that the person seeks to represent;
36 or

1 (2) that the person seeks to represent the district at
2 large.

3 (d) At the first election after the county commissioners
4 precincts are redrawn under Section 18, Article V, Texas
5 Constitution, a new director is elected from each precinct. The
6 directors shall draw lots to determine which two directors shall
7 serve two-year terms and which two directors shall serve four-year
8 terms. (Acts 72nd Leg., R.S., Ch. 693, Secs. 9(a), (c), (e), (f).)

9 Source Law

10 Sec. 9. (a) The directors of the district shall
11 be elected according to the commissioners precinct
12 method as provided by this section.

13 (c) One director shall be elected by the
14 electors of the entire district, and one director
15 shall be elected from each county commissioners
16 precinct by the electors of that precinct.

17 (e) A person shall indicate on the application
18 for a place on the ballot:

19 (1) the precinct that the person seeks to
20 represent; or

21 (2) that the person seeks to represent the
22 district at large.

23 (f) At the first election after the county
24 commissioners precincts are redrawn under Section 18,
25 Article V, Texas Constitution, four new directors
26 shall be elected to represent the precincts. The
27 directors elected shall draw lots to determine which
28 two directors serve two-year terms and which two
29 directors serve four-year terms.

30 Revisor's Note

31 Section 9(c), Chapter 693, Acts of the 72nd
32 Legislature, Regular Session, 1991, refers to the
33 "electors" of the entire district or of a county
34 commissioners precinct in the district. The revised
35 law substitutes "voters" for "electors" because the
36 former is the term used in the Election Code.

37 Revised Law

38 Sec. 8842.053. ELECTION DATE. (a) Except as provided by
39 Subsection (b), directors' elections shall occur on the date of the
40 general election for state and county officers.

41 (b) If directors' elections may not lawfully be held on the
42 date described by Subsection (a), directors' elections shall occur
43 on the uniform election date in May of odd-numbered years. (Acts

1 72nd Leg., R.S., Ch. 693, Sec. 9(b).)

2 Source Law

3 (b) Directors' elections shall occur on the
4 general election dates for the election of county
5 commissioners, except that if directors' elections may
6 not lawfully be held on the general election dates for
7 the election of county commissioners, directors'
8 elections shall occur on the first Saturday in May of
9 odd-numbered years.

10 Revisor's Note

11 (1) Section 9(b), Chapter 693, Acts of the 72nd
12 Legislature, Regular Session, 1991, refers to the
13 "general election dates for the election of county
14 commissioners." The revised law substitutes for the
15 quoted language a reference to the "date of the general
16 election for state and county officers" because that
17 is the term used in the Election Code to describe the
18 date on which county commissioners are elected. See,
19 for example, Sections 1.005(7) and 41.002, Election
20 Code.

21 (2) Section 9(b), Chapter 693, Acts of the 72nd
22 Legislature, Regular Session, 1991, requires certain
23 board elections on the "first Saturday in May of
24 odd-numbered years." From 1987 to 2003, Section
25 41.001, Election Code, provided for a uniform election
26 date for all political subdivisions on the first
27 Saturday in May. Chapter 1315, Acts of the 78th
28 Legislature, Regular Session, 2003, amended Section
29 41.001 to change the uniform election date in May to
30 the third Saturday in May. Chapter 1, Acts of the 78th
31 Legislature, 3rd Called Session, 2003, amended Section
32 41.001 to change the uniform election date in May back
33 to the first Saturday in May. Chapter 471, Acts of the
34 79th Legislature, Regular Session, 2005, amended
35 Section 41.001 to change the uniform election date in
36 May to the second Saturday in May. The revised law
37 substitutes "uniform election date in May" for "first

1 Saturday in May" to reflect those changes and to
2 preserve the legislative intent expressed in Section
3 9(b) that the election be held on the first Saturday in
4 May, which was at that time the uniform election date
5 in May.

6 Revised Law

7 Sec. 8842.054. ELIGIBILITY. (a) To be eligible to serve on
8 the board, a person must have been a resident of the district for at
9 least one year before the date the person takes office as a
10 director.

11 (b) To be qualified to be a candidate for or to serve as
12 director at large, a person must be a registered voter in the
13 district.

14 (c) To be a candidate for or to serve as director from a
15 county commissioners precinct, a person must be a registered voter
16 of that precinct. (Acts 72nd Leg., R.S., Ch. 693, Secs. 6(h),
17 9(d).)

18 Source Law

19 [Sec. 6]

20 (h) To be eligible to serve on the board of
21 directors, a person must have been a resident of the
22 district for at least one year before the date the
23 person takes office as a director.

24 [Sec. 9]

25 (d) To be qualified to be a candidate for or to
26 serve as director at large, a person must be a
27 registered voter in the district. To be a candidate
28 for or to serve as director from a county commissioners
29 precinct, a person must be a registered voter of that
30 precinct.

31 Revisor's Note

32 Section 9, Chapter 1348, Acts of the 77th
33 Legislature, Regular Session, 2001, refers to
34 transition procedures regarding the eligibility of
35 certain directors elected on or before June 16, 2001,
36 the effective date of the act. The revised law omits
37 the provision as executed. The omitted law reads:

38 Sec. 9. The eligibility requirement
39 created by Section 6(h), Chapter 693, Acts
40 of the 72nd Legislature, Regular Session,
41 1991, as added by this Act, applies only to

1 a director elected after the effective date
2 of this Act.

3 Revised Law

4 Sec. 8842.055. COMPENSATION; EXPENSES. A director serves
5 without compensation but is entitled to reimbursement for actual
6 expenses incurred in performing activities related to district
7 business, including education, travel, and seminars. (Acts 72nd
8 Leg., R.S., Ch. 693, Sec. 6(g).)

9 Source Law

10 (g) The directors serve without compensation;
11 but are entitled to reimbursement for actual expenses
12 incurred in the performance of activities related to
13 district business including education, travel and
14 seminars.

15 Revisor's Note
16 (End of Subchapter)

17 (1) Sections 6(b) and (c), Chapter 693, Acts of
18 the 72nd Legislature, Regular Session, 1991, refer to
19 "temporary" and "initial" directors of the district
20 and to elections under Sections 8 and 9 of that
21 chapter. The revised law omits Sections 6(b) and (c)
22 as executed because the terms of the temporary and
23 initial directors have expired and the initial
24 election for permanent directors has been held. The
25 omitted law reads:

26 (b) Temporary directors serve until
27 initial directors are elected under Section
28 8.

29 (c) Initial directors serve until
30 permanent directors are elected under
31 Section 9.

32 (2) Section 7, Chapter 693, Acts of the 72nd
33 Legislature, Regular Session, 1991, names the
34 temporary directors and provides for filling vacancies
35 on the temporary board. Because the terms of the
36 temporary directors have expired, the revised law
37 omits those provisions as executed. The omitted law
38 reads:

39 Sec. 7. (a) The temporary board of
40 directors is composed of:
41 (1) George Holekamp
42 (2) Madge Parmley Reid

- 1 (3) Thomas Syfan
- 2 (4) Eddie Taylor
- 3 (5) Tobin Parker

4 (b) If a temporary director fails to
5 qualify for office, the temporary directors
6 who have qualified shall appoint a person to
7 fill the vacancy. If at any time there are
8 fewer than three qualified temporary
9 directors, the Texas Water Commission shall
10 appoint the necessary number of persons to
11 fill all vacancies on the board.

12 (3) Section 8, Chapter 1348, Acts of the 77th
13 Legislature, Regular Session, 2001, refers to
14 transition procedures regarding the terms of certain
15 elected directors. The revised law omits those
16 provisions as executed. The omitted law reads:

17 Sec. 8. Notwithstanding Section 9,
18 Chapter 693, Acts of the 72nd Legislature,
19 Regular Session, 1991, as amended by this
20 Act:

21 (1) the three directors of the
22 Headwaters Groundwater Conservation
23 District elected at the directors' election
24 in May 2001 shall continue to serve until
25 their successors take office following an
26 election in November 2004, except that if
27 the district is prohibited from holding a
28 directors' election on the same date as the
29 general election for county commissioners,
30 those three directors shall continue to
31 serve until their successors take office
32 following an election in May 2005;

33 (2) at the district directors'
34 election in November 2004, or
35 alternatively, in May 2005, one director
36 shall be elected at large, one director
37 shall be elected from Commissioners
38 Precinct No. 2 of Kerr County, and one
39 director shall be elected from
40 Commissioners Precinct No. 4 of that
41 county;

42 (3) the two district directors
43 elected in May 2003 shall continue to serve
44 until their successors take office
45 following an election in November 2006,
46 except that if the district is prohibited
47 from holding a directors' election on the
48 same date as the general election for county
49 commissioners, those two directors shall
50 continue to serve until their successors
51 take office following an election in May
52 2007; and

53 (4) at the district directors'
54 election in November 2006, or if necessary,
55 in May 2007, one director shall be elected
56 from Commissioners Precinct No. 1 of Kerr
57 County, and one director shall be elected
58 from Commissioners Precinct No. 3 of that
59 county.

60 [Sections 8842.056-8842.100 reserved for expansion]

1 SUBCHAPTER C. POWERS AND DUTIES

2 Revised Law

3 Sec. 8842.101. GROUNDWATER CONSERVATION DISTRICT POWERS
4 AND DUTIES. The district has the rights, powers, privileges,
5 functions, and duties provided by the general law of this state,
6 including Chapter 36, Water Code, applicable to groundwater
7 conservation districts created under Section 59, Article XVI, Texas
8 Constitution. (Acts 72nd Leg., R.S., Ch. 693, Sec. 5(a) (part).)

9 Source Law

10 Sec. 5. (a) The district has all of the rights,
11 powers, privileges, authority, functions, and duties
12 provided by the general law of this state, including
13 Chapter 36, Water Code, applicable to groundwater
14 conservation districts created under Article XVI,
15 Section 59, of the Texas Constitution. . . .

16 Revisor's Note

17 (1) Section 5(a), Chapter 693, Acts of the 72nd
18 Legislature, Regular Session, 1991, refers to the
19 "rights, powers, privileges, [and] authority" of the
20 district. The revised law omits "authority" because,
21 in context, "authority" is included in the meaning of
22 "rights, powers, [and] privileges."

23 (2) Section 5(b), Chapter 693, Acts of the 72nd
24 Legislature, Regular Session, 1991, refers to the
25 continuing supervision exercised by the "Texas Natural
26 Resource Conservation Commission." The revised law
27 omits the provision because the Texas Commission on
28 Environmental Quality is the successor to the Texas
29 Natural Resource Conservation Commission and
30 therefore the provision duplicates, in substance, part
31 of Section 12.081, Water Code, which is a general law
32 that applies to the district. The name of the Texas
33 Natural Resource Conservation Commission was changed
34 to the Texas Commission on Environmental Quality by
35 Section 18.01, Chapter 965, Acts of the 77th
36 Legislature, Regular Session, 2001. The omitted law
37 reads:

1 (b) The rights, powers, privileges,
2 authority, functions, and duties of the
3 district are subject to the continuing
4 right of supervision of the state to be
5 exercised by and through the Texas Natural
6 Resource Conservation Commission.

7 Revised Law

8 Sec. 8842.102. AUTHORITY OF DISTRICT TO CONTRACT WITH
9 GOVERNMENTAL BODIES. (a) The district may contract with Kerr
10 County or a river authority whose boundaries are coextensive with
11 the district's boundaries for services available from the county or
12 river authority that directly relate to the district's activities.
13 Any party to a contract under this subsection may petition the Texas
14 Commission on Environmental Quality to resolve any dispute arising
15 out of the contract.

16 (b) The district may contract with a state agency or another
17 governmental body to carry out any function of the district. (Acts
18 72nd Leg., R.S., Ch. 693, Sec. 10.)

19 Source Law

20 Sec. 10. (a) The district may contract with
21 Kerr County or a river authority whose boundaries are
22 coextensive with the district's boundaries for
23 services available from the county or river authority
24 that directly relate to the district's activities. Any
25 party to a contract required by this subsection may
26 petition the commission to resolve any dispute arising
27 out of the contract.

28 (b) The district may contract with a state
29 agency or another governmental body to carry out any
30 function of the district.

31 Revisor's Note

32 Section 10(a), Chapter 693, Acts of the 72nd
33 Legislature, Regular Session, 1991, formerly provided
34 that the district "shall" contract with certain
35 entities and authorized any party to a contract
36 "required by" that subsection to petition the
37 "commission" to resolve any dispute arising out of the
38 contract. Section 7, Chapter 1348, Acts of the 77th
39 Legislature, Regular Session, 2001, amended Section
40 10(a) of Chapter 693 to provide that the district "may"
41 enter into such a contract, but Section 7 did not make
42 a conforming change to the reference in Section 10(a)

1 to a contract "required by" that subsection. The
2 revised law substitutes a reference to a party to a
3 contract "under" that subsection for the reference to
4 a party to a contract "required by" that subsection
5 because, after the 2001 amendment, that subsection no
6 longer requires a party to enter into a contract. The
7 revised law also substitutes a reference to the "Texas
8 Commission on Environmental Quality" for the reference
9 to the "commission" because it is clear from the
10 context that the reference is to that entity. See
11 Revisor's Note (2) to Section 8842.101 of this chapter.

12 Revised Law

13 Sec. 8842.103. GRANTING OF GROUNDWATER RIGHTS PROHIBITED.
14 The district may not sell, donate, lease, or otherwise grant rights
15 in or to groundwater located in the district. (Acts 72nd Leg.,
16 R.S., Ch. 693, Sec. 11.)

17 Source Law

18 Sec. 11. The district may not sell, donate,
19 lease, or otherwise grant rights in or to underground
20 water located in the district.

21 Revisor's Note

22 Section 11, Chapter 693, Acts of the 72nd
23 Legislature, Regular Session, 1991, refers to
24 "underground water." The revised law substitutes
25 "groundwater" for "underground water" because that is
26 the term used by Chapter 36, Water Code, and because
27 that is the more commonly used and modern term.

28 Revisor's Note
29 (End of Chapter)

30 Section 12, Chapter 693, Acts of the 72nd
31 Legislature, Regular Session, 1991, recites
32 legislative findings regarding procedural
33 requirements for legislation affecting the district
34 under the constitution and other laws and rules,
35 including proper legal notice and the filing of
36 recommendations. The revised law omits those

1 provisions as executed. The omitted law reads:

2 Sec. 12. (a) The proper and legal
3 notice of the intention to introduce this
4 Act, setting forth the general substance of
5 this Act, has been published as provided by
6 law, and the notice and a copy of this Act
7 have been furnished to all persons,
8 agencies, officials, or entities to which
9 they are required to be furnished by the
10 constitution and other laws of this state,
11 including the governor, who has submitted
12 the notice and Act to the Texas Water
13 Commission.

14 (b) The Texas Water Commission has
15 filed its recommendations relating to this
16 Act with the governor, lieutenant governor,
17 and speaker of the house of representatives
18 within the required time.

19 (c) All requirements of the
20 constitution and laws of this state and the
21 rules and procedures of the legislature
22 with respect to the notice, introduction,
23 and passage of this Act are fulfilled and
24 accomplished.

1 Revisor's Note

2 Section 1, Chapter 865, Acts of the 70th
3 Legislature, Regular Session, 1987, refers to the
4 confirmation election required by Section 6 of that
5 chapter. Because the confirmation election has
6 already been held, the revised law omits the provision
7 as executed. The omitted law reads:

8 Sec. 1. On approval at the election
9 required by Section 6 of this Act,

10 Revised Law

11 Sec. 8844.003. LEGISLATIVE FINDINGS. The legislature finds
12 that:

13 (1) the organization of the district is feasible and
14 practicable;

15 (2) the land to be included in the district and the
16 residents of the district will benefit from the creation of the
17 district;

18 (3) there is a public necessity for the district; and

19 (4) the creation of the district will further the
20 public welfare. (Acts 70th Leg., R.S., Ch. 865, Sec. 3.)

21 Source Law

22 Sec. 3. The legislature finds that:

23 (1) the organization of the district is
24 feasible and practicable;

25 (2) the land to be included in and the
26 residents of the district will be benefited by the
27 creation of the district;

28 (3) there is a public necessity for the
29 district; and

30 (4) the creation of the district will
31 further the public welfare.

32 Revised Law

33 Sec. 8844.004. DISTRICT TERRITORY. The district is
34 composed of the territory located in Gillespie County, unless the
35 district's territory has been modified under:

36 (1) this subchapter; or

37 (2) other law. (Acts 70th Leg., R.S., Ch. 865, Sec. 4;
38 New.)

1 confirm creation of the district may not be
2 called and held before the first
3 anniversary of the most recent creation
4 election. If the district is not created
5 within five years after the effective date
6 of this Act, this Act expires.

7 (f) Except as specifically provided
8 by this section, an election under this
9 section is governed by the Election Code.

10 [Sections 8844.005-8844.050 reserved for expansion]

11 SUBCHAPTER B. ANNEXATION OF TERRITORY

12 Revised Law

13 Sec. 8844.051. ANNEXATION OF TERRITORY AUTHORIZED. The
14 board may annex territory to the district as provided by this
15 subchapter. (Acts 70th Leg., R.S., Ch. 865, Sec. 20(a).)

16 Source Law

17 Sec. 20. (a) The board may annex territory to
18 the district in the manner provided by this section.

19 Revised Law

20 Sec. 8844.052. PETITION FOR ANNEXATION ELECTION. (a) To
21 initiate a proceeding to annex territory to the district, a written
22 petition requesting that the board call an annexation election must
23 be presented to the board.

24 (b) The petition must:

25 (1) define the territory to be annexed; and

26 (2) be signed by at least 50 percent of the persons who
27 reside in the territory to be annexed according to the most recent
28 federal census. (Acts 70th Leg., R.S., Ch. 865, Sec. 20(b).)

29 Source Law

30 (b) To initiate annexation proceedings, a
31 petition requesting the board to call an annexation
32 election for a designated territory must be submitted
33 to the board. The petition must be in writing, must
34 define the territory to be annexed, and must be signed
35 by not fewer than 50 percent of the persons residing in
36 the territory to be annexed according to the most
37 recent federal census.

38 Revised Law

39 Sec. 8844.053. HEARING; ELECTION ORDER. (a) On receipt of a
40 petition under Section 8844.052, the board shall set a date for a
41 hearing on the petition. The hearing must be set for a date that is
42 not later than the 20th day after the date the board receives the
43 petition.

1 (b) The board shall publish notice of the place, time, date,
2 and purpose of the hearing in one or more newspapers with general
3 circulation in the district and in the territory to be annexed.

4 (c) At the hearing, any person may present testimony for or
5 against annexation of the territory to the district.

6 (d) At the conclusion of the hearing, the board shall
7 determine whether an election should be held to determine whether
8 the territory should be annexed.

9 (e) If the board determines that an election should be held,
10 the board shall issue an order calling separate elections to be held
11 in the district and in the territory to be annexed to determine
12 whether the territory should be annexed to the district. The board
13 shall hold the elections on the same day at the next uniform
14 election date following the date of the order.

15 (f) If the board determines that an election should not be
16 held, the board shall issue an order denying the petition. (Acts
17 70th Leg., R.S., Ch. 865, Secs. 20(c), (d), (e), (f), (g), (h).)

18 Source Law

19 (c) On receipt of a petition under Subsection
20 (b) of this section, the board shall set a date for a
21 hearing on the petition. The date set for the hearing
22 may not be later than the 20th day after the date on
23 which the petition is received by the board.

24 (d) The board shall publish notice of the place,
25 time, date, and purpose of the hearing in one or more
26 newspapers with general circulation in the district
27 and in the territory to be annexed.

28 (e) At the hearing, any person may present
29 testimony for or against annexation of the territory
30 to the district.

31 (f) At the conclusion of the hearing, the board
32 shall determine if an election should be held in the
33 district and the territory to be annexed to determine
34 whether the territory should be annexed.

35 (g) If the board determines that an election
36 should be held, it shall issue an order calling
37 separate elections to be held in the district and in
38 the territory to be annexed to determine if the
39 territory should be annexed to the district. The board
40 must hold the elections on the same day at the next
41 uniform election date following the date of the order.

42 (h) If the board determines that an election
43 should not be held, it shall issue an order denying the
44 petition.

45 Revised Law

46 Sec. 8844.054. BALLOTS. Ballots for an election called
47 under Section 8844.053 must be printed to provide for voting for or

1 against the proposition: "The inclusion of _____
2 (briefly describe the territory to be annexed) in the Hill Country
3 Underground Water Conservation District, and assumption by the
4 described territory of a proportional share of the outstanding
5 indebtedness of the district." (Acts 70th Leg., R.S., Ch. 865, Sec.
6 20(i).)

7 Source Law

8 (i) The ballots for the election shall be
9 printed to provide for voting for or against the
10 proposition: "The inclusion of
11 _____ (briefly describe the
12 territory to be annexed) in the Hill Country
13 Underground Water Conservation District, and
14 assumption by the described territory of a
15 proportional share of the outstanding indebtedness of
16 the district."

17 Revised Law

18 Sec. 8844.055. DECLARATION OF ELECTION RESULTS. (a) If a
19 majority of the voters in the district and a majority of the voters
20 in the territory to be annexed voting on the proposition vote in
21 favor of the proposition, the territory is annexed to the district,
22 and the board shall issue a declaration to that effect.

23 (b) If a majority of the voters in the district or in the
24 territory to be annexed voting on the proposition vote against
25 annexing the territory to the district, the territory is not
26 annexed to the district, and the board shall issue a declaration to
27 that effect.

28 (c) The board shall file a copy of the election results and
29 declaration with the Texas Commission on Environmental Quality.
30 (Acts 70th Leg., R.S., Ch. 865, Sec. 20(j).)

31 Source Law

32 (j) If a majority of the voters in the district
33 and a majority of the voters in the territory to be
34 annexed voting on the proposition vote in favor of the
35 proposition, the territory is annexed to the district,
36 and the board shall issue a declaration to that effect.
37 If a majority of the voters in either or both the
38 district and the territory to be annexed voting on the
39 proposition vote against annexing the territory to the
40 district, the territory is not annexed to the
41 district, and the board shall issue a declaration to
42 that effect. The board shall file a copy of the
43 election results and declaration with the Texas Water
44 Commission.

1 Revisor's Note

2 Section 20(j), Chapter 865, Acts of the 70th
3 Legislature, Regular Session, 1987, refers to the
4 "Texas Water Commission." The revised law substitutes
5 "Texas Commission on Environmental Quality" for "Texas
6 Water Commission" to reflect the current name of the
7 agency with the relevant regulatory authority.

8 [Sections 8844.056-8844.100 reserved for expansion]

9 SUBCHAPTER C. BOARD OF DIRECTORS

10 Revised Law

11 Sec. 8844.101. COMPOSITION OF BOARD. (a) The board is
12 composed of five directors, unless the board is expanded under
13 Subsection (b).

14 (b) If territory is annexed to the district, the territory
15 annexed is entitled to be represented by one director, and the board
16 shall add one director to the board for that purpose. The board
17 shall appoint an initial director to represent the newly annexed
18 territory. The initial director serves until the first regular
19 meeting of the board following the first regular election of
20 directors subsequent to the annexation of the territory. (Acts
21 70th Leg., R.S., Ch. 865, Secs. 8, 20(k).)

22 Source Law

23 Sec. 8. Unless expanded under Section 20(k) of
24 this Act, the board of directors of the district is
25 composed of five members as provided by Section
26 52.102, Water Code.

27 [Sec. 20]

28 (k) If the territory is annexed to the district,
29 the territory is entitled to be represented by one
30 director on the board, and one director shall be added
31 to the board for that purpose. The initial director
32 representing a territory under this section shall be
33 appointed by the board and shall serve until the first
34 regular meeting of the board following the first
35 regular election of directors subsequent to the
36 annexation of the territory to the district.

37 Revisor's Note

38 Section 8, Chapter 865, Acts of the 70th
39 Legislature, Regular Session, 1987, provides that the
40 board of directors is composed of five directors "as

1 provided by Section 52.102, Water Code." The revised
2 law omits the quoted language because it duplicates,
3 in substance, Section 36.059(b), Water Code, which
4 applies to the district under Section 8844.151 of this
5 chapter and Section 36.001(1), Water Code. Both
6 former Section 52.102, Water Code (repealed by Section
7 6, Chapter 933, Acts of the 74th Legislature, Regular
8 Session, 1995), and Section 36.059(b), Water Code,
9 provide for a district's board to be elected according
10 to "the precinct method as prescribed by Chapter 12,
11 page 1105, Special Laws, Acts of the 46th Legislature,
12 Regular Session, 1939," and include the same
13 provisions for the treatment of any part of a
14 municipality that falls in a precinct.

15 Revised Law

16 Sec. 8844.102. TERMS. Directors serve four-year terms.
17 (Acts 70th Leg., R.S., Ch. 865, Sec. 11.)

18 Source Law

19 Sec. 11. Except for the initial directors of the
20 district, directors shall serve for terms of four
21 years.

22 Revisor's Note

23 Section 11, Chapter 865, Acts of the 70th
24 Legislature, Regular Session, 1987, refers to the
25 terms of the district's initial directors. The revised
26 law omits the reference as executed because the terms
27 of the district's initial directors have expired.

28 Revised Law

29 Sec. 8844.103. QUALIFICATIONS FOR ELECTION; ELIGIBILITY TO
30 SERVE. (a) To be qualified for election as a director, a person
31 must be:

- 32 (1) a resident of the district; and
33 (2) at least 18 years of age.

34 (b) In addition to the requirements of Subsection (a):

- 35 (1) to be a director from a county commissioners

1 precinct, a person must be a resident of that precinct; and

2 (2) to be a director from a specific territory annexed
3 to the district, a person must be a resident of that territory.
4 (Acts 70th Leg., R.S., Ch. 865, Sec. 9.)

5 Source Law

6 Sec. 9. (a) To be qualified for election as a
7 director, a person must be a resident of the district
8 and must be at least 18 years of age.

9 (b) In addition to the requirements of
10 Subsection (a) of this section, a person who is a
11 director from a county commissioners precinct must be
12 a resident of that precinct and a person who is a
13 director from a specific territory annexed to the
14 district must be a resident of that territory.

15 Revised Law

16 Sec. 8844.104. ELECTION DATE. Each odd-numbered year, the
17 board shall hold an election in the district on the uniform election
18 date in May to elect the appropriate number of directors. (Acts
19 70th Leg., R.S., Ch. 865, Sec. 10.)

20 Source Law

21 Sec. 10. Beginning in the second year following
22 the creation election, an election shall be held on the
23 third Saturday in May every two years to elect the
24 appropriate number of directors to the board.

25 Revisor's Note

26 Section 10, Chapter 865, Acts of the 70th
27 Legislature, Regular Session, 1987, which took effect
28 August 31, 1987, required directors' elections to be
29 held on the "third Saturday in May every two years"
30 beginning in the "second year following the creation
31 election." When that act took effect, Section 41.001,
32 Election Code, provided for a uniform election date
33 for all political subdivisions of the first Saturday
34 in April. Chapter 14, Acts of the 69th Legislature,
35 3rd Called Session, 1986, which took effect September
36 1, 1987, amended Section 41.001 by substituting for
37 the uniform election date in April a uniform election
38 date of the third Saturday in May. Chapter 60, Acts of
39 the 70th Legislature, 2nd Called Session, 1987,
40 amended Section 41.001 to change the uniform election

1 date in May to the first Saturday in May. Section
2 4(b), Chapter 60, provides that a political
3 subdivision created by an act of the 70th Legislature,
4 1987, with a general election date of the third
5 Saturday in May shall hold the general election on the
6 first Saturday in May, the uniform election date.
7 Accordingly, the district was required to hold
8 elections on what was then the uniform election date in
9 May. Chapter 1315, Acts of the 78th Legislature,
10 Regular Session, 2003, amended Section 41.001 to
11 change the uniform election date in May back to the
12 third Saturday in May. Chapter 1, Acts of the 78th
13 Legislature, 3rd Called Session, 2003, amended Section
14 41.001 to change the uniform election date in May back
15 to the first Saturday in May. Chapter 471, Acts of the
16 79th Legislature, Regular Session, 2005, amended
17 Section 41.001 to change the uniform election date in
18 May to the second Saturday in May. The revised law
19 substitutes "uniform election date in May" for "third
20 Saturday in May" to reflect those changes and to
21 preserve the legislative intent that the election be
22 held on the uniform election date in May.

23 For the reader's convenience, the revised law
24 also substitutes "[e]ach odd-numbered year" for
25 "[b]eginning in the second year following the creation
26 election, an election shall be held . . . every two
27 years" because the creation election was held in
28 August 1987. As a result, subsequent biennial
29 directors' elections also will be held in odd-numbered
30 years.

31 Revisor's Note
32 (End of Subchapter)

33 (1) Section 5, Chapter 865, Acts of the 70th
34 Legislature, Regular Session, 1987, names the
35 "temporary" directors, provides for filling vacancies

1 on the temporary board, and requires the temporary
2 board to select certain officers. Because the terms of
3 the "temporary" directors have expired, the revised
4 law omits those provisions as executed. The omitted
5 law reads:

6 Sec. 5. (a) On the effective date of
7 this Act, the following persons are
8 designated as temporary directors of the
9 district:

- 10 (1) Precinct 1-Desmond Sagebiel
11 (2) Precinct 2-Richard Sechrist
12 (3) Precinct 3-Warren Petsch
13 (4) Precinct 4-Taylor Virdell,
14 Jr.
15 (5) At Large--Dan Hartman.

16 (b) If a vacancy occurs in the office
17 of temporary director, the remaining
18 temporary directors shall select a person
19 with the same qualifications as provided by
20 Section 9 of this Act to fill the vacancy.

21 (c) The temporary directors shall
22 select from their members persons to serve
23 as chairman, vice-chairman, and secretary.

24 (2) Section 7, Chapter 865, Acts of the 70th
25 Legislature, Regular Session, 1987, refers to
26 "temporary" directors of the district and to elections
27 under Section 6 of that chapter. The revised law omits
28 Section 7 as executed because the terms of the
29 temporary directors have expired and the initial
30 elections for permanent directors have been held. The
31 omitted law reads:

32 Sec. 7. (a) On approval of the
33 creation of the district under Section 6 of
34 this Act, the temporary directors become
35 the permanent directors of the district and
36 shall serve on the board of directors for
37 terms as provided by Subsection (b) of this
38 section.

39 (b) The persons serving as directors
40 for Precincts 1 and 3 shall serve as
41 directors until the first regular meeting
42 of the board of directors following the
43 first regular directors' election. The
44 persons serving as directors for Precincts
45 2 and 4 and the director serving at large
46 shall serve until the first regular meeting
47 of the board of directors following the
48 second regular directors' election.

1 SUBCHAPTER D. POWERS AND DUTIES

2 Revised Law

3 Sec. 8844.151. GROUNDWATER CONSERVATION DISTRICT POWERS
4 AND DUTIES. Except to the extent of a conflict with this chapter or
5 as limited by this chapter, the district is governed by, is subject
6 to, may exercise the powers granted by, and shall exercise the
7 duties provided by Chapter 36, Water Code. (Acts 70th Leg., R.S.,
8 Ch. 865, Sec. 12.)

9 Source Law

10 Sec. 12. Except to the extent of any conflict
11 with this Act or as specifically limited by this Act,
12 the district is governed by and subject to and may
13 exercise the powers granted, shall exercise the
14 duties, and may issue bonds and levy and collect taxes
15 as provided by Chapter 52, Water Code.

16 Revisor's Note

17 (1) Section 12, Chapter 865, Acts of the 70th
18 Legislature, Regular Session, 1987, gives the district
19 the powers and duties provided by Chapter 52, Water
20 Code. Throughout this chapter, the revised law
21 substitutes for the reference to Chapter 52, Water
22 Code, a reference to Chapter 36, Water Code. Chapter
23 933, Acts of the 74th Legislature, Regular Session,
24 1995, repealed Chapter 52, Water Code, and enacted
25 Chapter 36, Water Code, to regulate groundwater
26 conservation districts.

27 (2) Section 12, Chapter 865, Acts of the 70th
28 Legislature, Regular Session, 1987, provides that the
29 district "may issue bonds and levy and collect taxes"
30 as provided by Chapter 52, Water Code. The revised law
31 omits the quoted language because the provisions of
32 Chapter 36, Water Code, that relate to bonds and taxes
33 of groundwater conservation districts are applicable
34 to the district by their own terms and by application
35 of revised Section 8844.151 (see Revisor's Note (1)
36 above).

1 Revised Law

2 Sec. 8844.152. RECLAMATION. The district may:

3 (1) reclaim land in the district; and

4 (2) construct works, facilities, and improvements
5 necessary to accomplish that purpose. (Acts 70th Leg., R.S., Ch.
6 865, Sec. 13.)

7 Source Law

8 Sec. 13. The district may reclaim land within
9 the district and may construct necessary works,
10 facilities, and improvements to accomplish this
11 purpose.

12 Revised Law

13 Sec. 8844.153. SOIL CONSERVATION AND IMPROVEMENT. The
14 district may construct and maintain terraces or other structures on
15 land in the district and may engage in or promote land treatment
16 measures for soil conservation and improvement. (Acts 70th Leg.,
17 R.S., Ch. 865, Sec. 14.)

18 Source Law

19 Sec. 14. The district may construct and
20 maintain terraces and other structures on land in the
21 district and may engage in and promote land treatment
22 measures for soil conservation and improvement.

23 Revised Law

24 Sec. 8844.154. INPUT WELLS. The district may drill, equip,
25 operate, and maintain input wells, pumps, and other facilities to
26 carry out its purpose and powers under this chapter. (Acts 70th
27 Leg., R.S., Ch. 865, Sec. 15.)

28 Source Law

29 Sec. 15. The district may drill, equip,
30 operate, and maintain input wells, pumps, and other
31 facilities to carry out its purpose and powers under
32 this Act.

33 Revised Law

34 Sec. 8844.155. ACQUISITION OF PROPERTY. The district may
35 acquire any land or property necessary to carry out this chapter by:

36 (1) gift;

37 (2) grant;

38 (3) devise;

39 (4) lease;

1 (5) purchase; or
2 (6) the power of eminent domain. (Acts 70th Leg.,
3 R.S., Ch. 865, Sec. 16.)

4 Source Law

5 Sec. 16. The district may acquire by gift,
6 grant, devise, lease, purchase, or the power of
7 eminent domain any land or other property necessary to
8 carry out this Act.

9 Revised Law

10 Sec. 8844.156. SALE AND DISPOSAL OF PROPERTY. Subject to
11 this chapter and Chapter 36, Water Code, the district may sell or
12 otherwise dispose of land and other property of the district that is
13 not necessary to carry out the purpose or powers of the district as
14 determined by the board. (Acts 70th Leg., R.S., Ch. 865, Sec. 17.)

15 Source Law

16 Sec. 17. Subject to this Act and Chapter 52,
17 Water Code, the district may sell or otherwise dispose
18 of land and other property of the district that is not
19 necessary to carry out the purpose or powers of the
20 district as determined by the board.

21 Revised Law

22 Sec. 8844.157. APPEARANCE BEFORE RAILROAD COMMISSION. The
23 district, through the directors or the district's general manager,
24 may appear before the Railroad Commission of Texas and present
25 evidence and information related to a pending permit application
26 for an injection well to be located in the district. (Acts 70th
27 Leg., R.S., Ch. 865, Sec. 18.)

28 Source Law

29 Sec. 18. The district through the members of its
30 board or its general manager may appear before the
31 Railroad Commission of Texas and present evidence and
32 information relating to any pending permit application
33 for an injection well to be located within the
34 district.

35 Revised Law

36 Sec. 8844.158. PROHIBITION: SUPPLY OF GROUNDWATER. The
37 district may not contract to or take an action to supply groundwater
38 inside or outside the district. (Acts 70th Leg., R.S., Ch. 865,
39 Sec. 19.)

1 CHAPTER 8846. KINNEY COUNTY GROUNDWATER CONSERVATION DISTRICT

2 SUBCHAPTER A. GENERAL PROVISIONS

3 Revised Law

4 Sec. 8846.001. DEFINITIONS. In this chapter:

5 (1) "Board" means the district's board of directors.

6 (2) "Commissioners court" means the Kinney County
7 Commissioners Court.

8 (3) "Director" means a board member.

9 (4) "District" means the Kinney County Groundwater
10 Conservation District. (Acts 77th Leg., R.S., Ch. 1344, Sec. 2;
11 New.)

12 Source Law

13 Sec. 2. In this Act:

14 (1) "Commissioners court" means the
15 Commissioners Court of Kinney County.

16 (2) "District" means the Kinney County
17 Groundwater Conservation District.

18 Revisor's Note

19 The definitions of "board" and "director" are
20 added to the revised law for drafting convenience and
21 to eliminate frequent, unnecessary repetition of the
22 substance of the definitions.

23 Revised Law

24 Sec. 8846.002. NATURE OF DISTRICT. The district is a
25 groundwater conservation district in Kinney County created under
26 and essential to accomplish the purposes of Section 59, Article
27 XVI, Texas Constitution. (Acts 77th Leg., R.S., Ch. 1344, Secs.
28 1(a) (part), (b).)

29 Source Law

30 Sec. 1. (a) A groundwater conservation
31 district, to be known as the Kinney County Groundwater
32 Conservation District, is created in Kinney County,
33

34 (b) The district is created under and is
35 essential to accomplish the purposes of Section 59,
36 Article XVI, Texas Constitution.

37 Revisor's Note

38 (1) Section 1(a), Chapter 1344, Acts of the 77th
39 Legislature, Regular Session, 2001, refers to a

1 confirmation election. Because the confirmation
2 election has already been held, the revised law omits
3 the provision as executed. The omitted law reads:

4 (a) . . . subject to approval at a
5 confirmation election under Section 9 of
6 this Act. . . .

7 (2) Section 1(a), Chapter 1344, Acts of the 77th
8 Legislature, Regular Session, 2001, provides that the
9 district is a governmental agency and a body politic
10 and corporate. The revised law omits the provision
11 because it duplicates a portion of Section 59(b),
12 Article XVI, Texas Constitution, which provides that a
13 conservation and reclamation district is a
14 governmental agency and a body politic and corporate.
15 The omitted law reads:

16 (a) . . . The district is a
17 governmental agency and a body politic and
18 corporate.

19 Revised Law

20 Sec. 8846.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
21 district is created to serve a public use and benefit.

22 (b) All land and other property included in the district
23 will benefit from the works and projects accomplished by the
24 district under the powers conferred by Section 59, Article XVI,
25 Texas Constitution. (Acts 77th Leg., R.S., Ch. 1344, Sec. 4.)

26 Source Law

27 Sec. 4. All of the land and other property
28 included within the boundaries of the district will be
29 benefited by the works and projects that are to be
30 accomplished by the district under powers conferred by
31 Section 59, Article XVI, Texas Constitution. The
32 district is created to serve a public use and benefit.

33 Revised Law

34 Sec. 8846.004. DISTRICT TERRITORY. The district's
35 boundaries are coextensive with the boundaries of Kinney County,
36 Texas, unless the district's territory has been modified under:

37 (1) Subchapter J, Chapter 36, Water Code; or

38 (2) other law. (Acts 77th Leg., R.S., Ch. 1344, Sec.
39 3; New.)

1 act prevails over general law in case of a conflict or
2 other inconsistency. The revised law omits the
3 provision because it duplicates, in substance, Section
4 311.026, Government Code (Code Construction Act). The
5 omitted law reads:

6 (a) . . . This Act prevails over any
7 provision of general law that is in conflict
8 or inconsistent with this Act.

9 (2) Section 9, Chapter 1344, Acts of the 77th
10 Legislature, Regular Session, 2001, provides
11 procedures for holding an election to confirm the
12 district's creation and to elect the district's initial
13 board. Because the district has been confirmed and its
14 initial directors have been elected, the revised law
15 omits those provisions as executed. The omitted law
16 reads:

17 Sec. 9. (a) The temporary board of
18 directors shall call and hold an election to
19 confirm establishment of the district and
20 to elect initial directors.

21 (b) [The district shall contract with
22 the county clerk of Kinney County to
23 conduct] the confirmation and initial
24 directors' election and

25 (c) At the confirmation and initial
26 directors' election, the temporary board of
27 directors shall have placed on the ballot
28 the name of any candidate for an initial
29 director's position and blank spaces to
30 write in the names of other persons. A
31 temporary director who is eligible to be a
32 candidate under Section 8 of this Act may
33 file for an initial director's position.

34 (d) Section 41.001(a), Election
35 Code, does not apply to a confirmation and
36 initial directors' election held as
37 provided by this section.

38 (e) Except as provided by this
39 section, a confirmation and initial
40 directors' election must be conducted as
41 provided by Sections 36.017(b)-(h), Water
42 Code, and the Election Code.

43 [Sections 8846.007-8846.050 reserved for expansion]

44 SUBCHAPTER B. BOARD OF DIRECTORS

45 Revised Law

46 Sec. 8846.051. COMPOSITION OF BOARD; TERMS. (a) The
47 district is governed by a board of seven directors.

48 (b) Directors serve staggered four-year terms.

1 (c) A director may serve consecutive terms. (Acts 77th
2 Leg., R.S., Ch. 1344, Secs. 6(a), (d), (g).)

3 Source Law

4 Sec. 6. (a) The district is governed by a board
5 of seven directors.

6 (d) Permanent directors serve staggered
7 four-year terms.

8 (g) Directors may serve consecutive terms.

9 Revisor's Note

10 (1) Section 6(d), Chapter 1344, Acts of the 77th
11 Legislature, Regular Session, 2001, refers to
12 "[p]ermanent" directors. Sections 6, 7, and 9 of
13 Chapter 1344 refer to "temporary," "initial," and
14 "permanent" directors to distinguish between the
15 "temporary" directors appointed by the Kinney County
16 Commissioners Court, the directors who immediately
17 succeeded the "temporary" directors after the first
18 election of directors, and subsequently serving
19 directors. Because the revised law omits provisions
20 regarding "temporary" and "initial" directors as
21 executed (see the revisor's notes at the end of this
22 subchapter), the revised law also omits "permanent"
23 because it does not add to the clear meaning of the
24 law.

25 (2) Section 6(e), Chapter 1344, Acts of the 77th
26 Legislature, Regular Session, 2001, provides that a
27 director must qualify to serve in the manner provided
28 by Section 36.055, Water Code. The revised law omits
29 the provision because Section 36.055, Water Code,
30 applies to the district under Section 8846.101 of this
31 chapter and Section 36.001(1), Water Code. The
32 omitted law reads:

33 (e) Each director must qualify to
34 serve as director in the manner provided by
35 Section 36.055, Water Code.

36 (3) Section 6(f), Chapter 1344, Acts of the 77th

1 Legislature, Regular Session, 2001, provides that a
2 director serves until a successor has qualified. The
3 revised law omits the provision because it duplicates
4 Section 17, Article XVI, Texas Constitution, which
5 provides that an officer in this state continues to
6 perform the officer's official duties until a
7 successor has qualified. The omitted law reads:

8 (f) A director serves until the
9 director's successor has qualified.

10 Revised Law

11 Sec. 8846.052. ELECTION OF DIRECTORS. (a) Directors are
12 elected according to the method provided by this section.

13 (b) Three at-large directors are elected by the voters of
14 the entire district. One director is elected from each county
15 commissioners precinct by the voters of that precinct.

16 (c) A person shall indicate on the application for a place
17 on the ballot the position on the board for which the person is a
18 candidate.

19 (d) At the first election after the county commissioners
20 precincts are redrawn under Section 18, Article V, Texas
21 Constitution, each director in office on the effective date of the
22 change, or elected to a term of office beginning on or after the
23 effective date of the change, shall serve, unless otherwise removed
24 as provided by law, in the position to which each was elected for
25 the entire term to which elected, even though the change in
26 boundaries places the director's residence outside the precinct
27 from which the director was elected. (Acts 77th Leg., R.S., Ch.
28 1344, Secs. 8(a), (b), (e), (f).)

29 Source Law

30 Sec. 8. (a) The directors of the district shall
31 be elected according to the method provided by this
32 section.

33 (b) Three at-large directors shall be elected by
34 the voters of the entire district, and one director
35 shall be elected from each county commissioner
36 precinct by the voters of that precinct.

37 (e) A person shall indicate on the application
38 for a place on the ballot the position on the board for
39 which the person is a candidate.

1 (f) At the first election after the county
2 commissioners precincts are redrawn under Section 18,
3 Article V, Texas Constitution, each director in office
4 on the effective date of the change, or elected to a
5 term of office beginning on or after the effective date
6 of the change, shall serve, unless otherwise removed
7 as provided by law, in the position to which each was
8 elected for the entire term to which elected, even
9 though the change in boundaries places the director's
10 residence outside the precinct from which the director
11 was elected.

12 Revised Law

13 Sec. 8846.053. ELECTION DATE. On the first Tuesday after
14 the first Monday in November of each even-numbered year, the
15 appropriate number of directors shall be elected. (Acts 77th Leg.,
16 R.S., Ch. 1344, Sec. 10(b).)

17 Source Law

18 (b) On the first Tuesday after the first Monday
19 in November of each subsequent second year following
20 the election, the appropriate number of directors
21 shall be elected.

22 Revisor's Note

23 (1) Section 10(a), Chapter 1344, Acts of the
24 77th Legislature, Regular Session, 2001, prescribes
25 the election date for the first directors' election
26 following the confirmation election. Because the
27 district has been confirmed and its first permanent
28 directors elected, the revised law omits that
29 provision as executed. The omitted law reads:

30 Sec. 10. (a) On the first Tuesday
31 after the first Monday in November of the
32 first even-numbered year after the year in
33 which the district is authorized to be
34 created at a confirmation election, an
35 election shall be held in the district for
36 the election of four directors to serve
37 four-year terms and three directors to
38 serve two-year terms.

39 (2) Section 10(b), Chapter 1344, Acts of the
40 77th Legislature, Regular Session, 2001, requires
41 directors' elections to be held on the first Tuesday
42 after the first Monday in November "of each subsequent
43 second year following the election," meaning the first
44 election of permanent directors. (See Revisor's Note
45 (1) to this section.) The revised law substitutes "of

1 each even-numbered year" for "of each subsequent
2 second year following the election" because the first
3 election of permanent directors was held in November
4 2004, an even-numbered year. As a result, subsequent
5 directors' elections will be held in even-numbered
6 years.

7 Revised Law

8 Sec. 8846.054. ELIGIBILITY. (a) To be eligible to be a
9 candidate for or to serve as a director at large, a person must be a
10 registered voter in the district and:

11 (1) for position one, reside in the district;

12 (2) for position two, reside in the city of
13 Brackettville; and

14 (3) for position three, reside in the Fort Clark
15 Springs Municipal Utility District.

16 (b) To be eligible to be a candidate for or to serve as a
17 director from a county commissioners precinct, a person must:

18 (1) be a registered voter of that precinct; and

19 (2) reside in a rural area of that precinct. (Acts
20 77th Leg., R.S., Ch. 1344, Secs. 8(c), (d).)

21 Source Law

22 (c) To be eligible to be a candidate for or to
23 serve as a director from a county commissioner
24 precinct, a person must be a registered voter of and
25 reside in a rural area of that precinct.

26 (d) To be eligible to be a candidate for or to
27 serve as a director at-large, a person must be a
28 registered voter in the district and:

29 (1) for position one, reside in the
30 district;

31 (2) for position two, reside in the city of
32 Brackettville; and

33 (3) for position three, reside in the Fort
34 Clark Springs Municipal Utility District.

35 Revised Law

36 Sec. 8846.055. BOARD VACANCY. (a) The commissioners court
37 shall appoint a replacement to fill a vacancy in the office of
38 director.

39 (b) The appointed replacement serves until the next
40 directors' election.

1 (c) At that election, a person is elected to fill the
2 position. If the position is not scheduled to be filled at the
3 election, the person elected to fill the position serves only for
4 the remainder of the unexpired term. (Acts 77th Leg., R.S., Ch.
5 1344, Sec. 6(i).)

6 Source Law

7 (i) If a vacancy occurs on the board, the
8 commissioners court shall appoint a director to serve
9 until the next election for directors. At the next
10 election for directors, a person shall be elected to
11 fill the position. If the position is not scheduled to
12 be filled at the election, the person elected to fill
13 the position shall serve only for the remainder of the
14 unexpired term.

15 Revised Law

16 Sec. 8846.056. COMPENSATION; EXPENSES. (a) A director may
17 not receive compensation for performing duties as a director.

18 (b) A director shall be reimbursed for actual reasonable
19 expenses incurred in performing duties as a director. (Acts 77th
20 Leg., R.S., Ch. 1344, Sec. 6(h).)

21 Source Law

22 (h) A director may not receive compensation but
23 shall be reimbursed for actual reasonable expenses
24 incurred by the director in performing duties as a
25 director of the district.

26 Revisor's Note
27 (End of Subchapter)

28 (1) Sections 6(b) and (c), Chapter 1344, Acts of
29 the 77th Legislature, Regular Session, 2001, refer to
30 "temporary" and "initial" directors of the district
31 and to elections under Sections 9 and 10 of that
32 chapter. The revised law omits Sections 6(b) and (c)
33 as executed because the terms of the temporary and
34 initial directors have expired and the initial
35 election for permanent directors has been held. The
36 omitted law reads:

37 (b) Temporary directors serve until
38 initial directors are elected under Section
39 9 of this Act.

40 (c) Initial directors serve until
41 permanent directors are elected under
42 Section 10 of this Act.

1 (2) Section 7, Chapter 1344, Acts of the 77th
2 Legislature, Regular Session, 2001, provides for the
3 appointment of temporary directors and for filling
4 vacancies on the temporary board. Because the
5 temporary directors were appointed and the terms of
6 the temporary directors have expired, the revised law
7 omits those provisions as executed. The omitted law
8 reads:

9 Sec. 7. (a) In this section,
10 "agricultural director" means a person who
11 owns or leases land in the district that has
12 a current agricultural use designation
13 under Chapter 23, Tax Code.

14 (b) The commissioners court shall
15 receive a list of potential temporary
16 directors of the district recommended:

17 (1) for position one, by the
18 commissioners court;

19 (2) for position two, by the
20 Brackettville City Council;

21 (3) for position three, by the
22 directors of the Fort Clark Springs
23 Municipal Utility District; and

24 (4) for positions four through
25 seven, by the directors of the West
26 Nueces-Las Moras Soil & Water Conservation
27 District #236.

28 (c) The commissioners court shall
29 appoint temporary directors and may
30 consider the list compiled in Subsection
31 (b) of this section, as follows:

32 (1) for position one, an
33 at-large, agricultural director who is a
34 resident of the district;

35 (2) for position two, an
36 at-large director who is a resident of
37 Brackettville;

38 (3) for position three, an
39 at-large director who is a resident of the
40 Fort Clark Springs Municipal Utility
41 District; and

42 (4) for positions four through
43 seven, one director from each county
44 commissioner precinct who resides in a
45 rural area of that precinct.

46 (d) If a temporary director fails to
47 qualify for office, the commissioners court
48 shall appoint a person to fill the vacancy.

49 [Sections 8846.057-8846.100 reserved for expansion]

50 SUBCHAPTER C. POWERS AND DUTIES

51 Revised Law

52 Sec. 8846.101. GROUNDWATER CONSERVATION DISTRICT POWERS
53 AND DUTIES. The district has the rights, powers, privileges,
54 functions, and duties provided by the general law of this state,

1 including Chapter 36, Water Code, applicable to groundwater
2 conservation districts created under Section 59, Article XVI, Texas
3 Constitution. (Acts 77th Leg., R.S., Ch. 1344, Sec. 5(a) (part).)

4 Source Law

5 Sec. 5. (a) The district has all of the rights,
6 powers, privileges, authority, functions, and duties
7 provided by the general law of this state, including
8 Chapter 36, Water Code, applicable to groundwater
9 conservation districts created under Section 59,
10 Article XVI, Texas Constitution. . . .

11 Revisor's Note

12 Section 5(a), Chapter 1344, Acts of the 77th
13 Legislature, Regular Session, 2001, refers to the
14 "rights, powers, privileges, [and] authority" of the
15 district. The revised law omits the reference to
16 "authority" because, in context, "authority" is
17 included in the meaning of "rights, powers, [and]
18 privileges."

19 Revisor's Note
20 (End of Subchapter)

21 Section 5(b), Chapter 1344, Acts of the 77th
22 Legislature, Regular Session, 2001, provides that the
23 district may exercise the power of eminent domain as
24 authorized by Section 36.105, Water Code. The revised
25 law omits the provision because Section 36.105, Water
26 Code, applies to the district under Section 8846.101
27 of this chapter and Section 36.001(1), Water Code. The
28 omitted law reads:

29 (b) The district may exercise the
30 power of eminent domain as authorized by
31 Section 36.105, Water Code.

32 [Sections 8846.102-8846.150 reserved for expansion]

33 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

34 Revised Law

35 Sec. 8846.151. TAXES. To pay the district's maintenance
36 and operating expenses, each year the district may impose an ad
37 valorem tax at a rate not to exceed 10 cents for each \$100 of
38 assessed valuation if a majority of the voters:

1 (1) approved the authority to impose the tax at the
2 confirmation election; or

3 (2) approve that authority at a separate election
4 called for that purpose by the board. (Acts 77th Leg., R.S., Ch.
5 1344, Sec. 11(a).)

6 Source Law

7 Sec. 11. (a) The district may levy a property
8 tax each year to pay the maintenance and operating
9 expenses of the district at a rate not to exceed 10
10 cents on each \$100 of assessed valuation if the
11 authority to impose property taxes under this Act is
12 approved by a majority of the voters voting on that
13 question at a confirmation election under Section 9 of
14 this Act or at a separate election called for that
15 purpose by the board of directors.

16 Revisor's Note

17 Section 11(a), Chapter 1344, Acts of the 77th
18 Legislature, Regular Session, 2001, refers to the
19 district's authority to "levy a property tax." The
20 revised law substitutes "impose" for "levy" because
21 "impose" is the term generally used in Title 1, Tax
22 Code, and includes the levying of a tax. The revised
23 law also substitutes "ad valorem tax" for "property
24 tax" because "ad valorem" is the term most commonly
25 used to refer to a property tax.

26 Revised Law

27 Sec. 8846.152. FEES. The district may:

28 (1) impose a fee on water exported from the district;
29 and

30 (2) assess other fees as authorized by Chapter 36,
31 Water Code. (Acts 77th Leg., R.S., Ch. 1344, Secs. 11(b), (c).)

32 Source Law

33 (b) The district may impose a fee on water
34 exported out of the district.

35 (c) The district may assess other fees as
36 authorized by Chapter 36, Water Code.

37 Revisor's Note
38 (End of Chapter)

39 (1) Section 13, Chapter 1344, Acts of the 77th
40 Legislature, Regular Session, 2001, recites

1 legislative findings regarding procedural
2 requirements for legislation affecting the district
3 under the constitution and other laws and rules,
4 including proper legal notice and the filing of
5 recommendations. The revised law omits these
6 provisions as executed. The omitted law reads:

7 Sec. 13. (a) The proper and legal
8 notice of the intention to introduce this
9 Act, setting forth the general substance of
10 this Act, has been published as provided by
11 law, and the notice and a copy of this Act
12 have been furnished to all persons,
13 agencies, officials, or entities to which
14 they are required to be furnished by the
15 constitution and other laws of this state,
16 including the governor, who has submitted
17 the notice and Act to the Texas Natural
18 Resource Conservation Commission.

19 (b) The Texas Natural Resource
20 Conservation Commission has filed its
21 recommendations relating to this Act with
22 the governor, lieutenant governor, and
23 speaker of the house of representatives
24 within the required time.

25 (c) All requirements of the
26 constitution and laws of this state and the
27 rules and procedures of the legislature
28 with respect to the notice, introduction,
29 and passage of this Act are fulfilled and
30 accomplished.

31 (2) Section 14(b), Chapter 1344, Acts of the
32 77th Legislature, Regular Session, 2001, contains
33 transition language regarding the expiration of the
34 act if the district is not confirmed at a confirmation
35 election before a certain date. The revised law omits
36 the provision as executed because the district was
37 confirmed within the required period. The omitted law
38 reads:

39 (b) If the creation of the district
40 is not confirmed at a confirmation election
41 held under Section 9 of this Act before
42 September 1, 2003, this Act expires on that
43 date.

17 SUBCHAPTER A. GENERAL PROVISIONS

18 Revised Law

19 Sec. 8848.001. DEFINITIONS. In this chapter:

20 (1) "Board" means the district's board of directors.

21 (2) "Director" means a board member.

22 (3) "District" means the Lone Wolf Groundwater
23 Conservation District. (Acts 76th Leg., R.S., Ch. 1331, Sec. 3;
24 Acts 77th Leg., R.S., Ch. 966, Sec. 3.0402; Acts 77th Leg., R.S.,
25 Ch. 1328, Sec. 2; New.)

26 Source Law

27 [Acts 76th Leg., R.S., Ch. 1331]
28 Sec. 3. In this Act, "district" means a
29 groundwater conservation district created under
30 Section 1 of this Act.

31 [Acts 77th Leg., R.S., Ch. 966]
32 Sec. 3.0402. In this part, "district" means the
33 Lone Wolf Groundwater Conservation District.

34 [Acts 77th Leg., R.S., Ch. 1328]
35 Sec. 2. In this Act, "district" means the Lone
36 Wolf Groundwater Conservation District.

37 Revisor's Note

38 (1) The Lone Wolf Groundwater Conservation

1 District was created by Chapter 1331, Acts of the 76th
2 Legislature, Regular Session, 1999. That district is
3 one of 13 districts created by that act, with the
4 creation of each district subject to whether the
5 succeeding legislature enacted a law to ratify its
6 creation. See Sections 1 and 15, Chapter 1331. The
7 77th Legislature enacted two laws that ratified the
8 creation of the Lone Wolf Groundwater Conservation
9 District. Chapter 966, Acts of the 77th Legislature,
10 Regular Session, 2001, ratified the creation of many
11 of the districts created by Chapter 1331, including
12 the Lone Wolf Groundwater Conservation District, and
13 set forth nonamendatory substantive provisions
14 governing those districts. See Part 4, Article 3,
15 Chapter 966, regarding the Lone Wolf Groundwater
16 Conservation District and see the remainder of Article
17 3, Chapter 966, regarding the other districts.
18 Chapter 1328, Acts of the 77th Legislature, Regular
19 Session, 2001, also ratified the creation of the Lone
20 Wolf Groundwater Conservation District and set forth
21 nonamendatory substantive provisions governing that
22 district. All three legislative enactments are source
23 law for this chapter. Although Section 3, Chapter
24 1331, defines "district" to mean all of the districts
25 created under Section 1 of that act, the revised law
26 defines the term to mean the Lone Wolf Groundwater
27 Conservation District because this chapter applies
28 only to that district. Similar changes are made
29 throughout this chapter.

30 (2) The definitions of "board" and "director"
31 are added to the revised law for drafting convenience
32 and to eliminate frequent, unnecessary repetition of
33 the substance of the definitions.

1 Revised Law

2 Sec. 8848.002. NATURE OF DISTRICT. The district is a
3 groundwater conservation district created under and essential to
4 accomplish the purposes of Section 59, Article XVI, Texas
5 Constitution. (Acts 76th Leg., R.S., Ch. 1331, Secs. 1(a) (part),
6 (c).)

7 Source Law

8 Sec. 1. (a) The following groundwater
9 conservation districts are created:

10 . . .
11 (5) Lone Wolf Groundwater Conservation
12 District;
13 . . .

14 (c) Each district created under this section is
15 created under and is essential to accomplish the
16 purposes of Section 59, Article XVI, Texas
17 Constitution.

18 Revisor's Note

19 Section 1(b), Chapter 1331, Acts of the 76th
20 Legislature, Regular Session, 1999, provides that a
21 district created under Section 1 of that act is a
22 governmental agency and a body politic and corporate.
23 This chapter does not include a revision of that
24 provision because it duplicates a portion of Section
25 59(b), Article XVI, Texas Constitution, which provides
26 that a conservation and reclamation district is a
27 governmental agency and a body politic and corporate.
28 Section 1(b) reads:

29 (b) A district created under this
30 section is a governmental agency and a body
31 politic and corporate.

32 Revised Law

33 Sec. 8848.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
34 district is created to serve a public use and benefit.

35 (b) All land and other property included in the district
36 will benefit from the works and projects accomplished by the
37 district under the powers conferred by Section 59, Article XVI,
38 Texas Constitution. (Acts 76th Leg., R.S., Ch. 1331, Sec. 4.)

1 districts created under that act and to elect the
2 initial board of those districts. Section 3.0407,
3 Chapter 966, and Section 7, Chapter 1328, Acts of the
4 77th Legislature, Regular Session, 2001, contain
5 similar provisions relating to the Lone Wolf
6 Groundwater Conservation District. This chapter does
7 not include a revision of those provisions because the
8 district has been confirmed and its initial board has
9 been elected. Sections 10, 3.0407, and 7 read:

10 [Acts 76th Leg., R.S., Ch. 1331]

11 Sec. 10. (a) Not earlier than
12 September 1, 2001, the temporary board of
13 directors shall call and hold an election to
14 confirm the district and to elect the
15 initial directors.

16 (b) At the confirmation and initial
17 directors' election, the temporary board of
18 directors shall have placed on the ballot
19 the names of the candidates for each of the
20 positions on the board. To qualify as a
21 candidate for a position, a person must be a
22 resident of the district.

23 (c) If the district is confirmed at
24 the election, the temporary board of
25 directors, at the time the vote is
26 canvassed, shall:

27 (1) declare the qualified
28 person who receives the most votes for each
29 position to be elected as the initial
30 director for that position; and

31 (2) include the results of the
32 initial directors' election in the
33 district's election report to the Texas
34 Natural Resource Conservation Commission.

35 (d) The initial directors shall draw
36 lots to determine their terms so that:

37 (1) one-half or a simple
38 majority of the directors serve four-year
39 terms that expire on the fourth anniversary
40 of the date the initial directors were
41 elected; and

42 (2) the remaining directors
43 serve two-year terms that expire on the
44 second anniversary of the date the initial
45 directors were elected.

46 (e) Subsection (a), Section 41.001,
47 Election Code, applies to a confirmation
48 and initial directors' election held as
49 provided by this section.

50 (f) Except as provided by this
51 section, a confirmation and initial
52 directors' election must be conducted as
53 provided by Subsections (b)-(h), Section
54 36.017, Water Code, and the Election Code.

55 (g) If the establishment of the
56 district has not been confirmed at an
57 election held under this section before the
58 fourth anniversary of the effective date of
59 this Act, the district is dissolved on that

1 date, except that any debts incurred shall
2 be paid and the organization of the district
3 shall be maintained until all debts are
4 paid.

5 [Acts 77th Leg., R.S., Ch. 966]

6 Sec. 3.0407. (a) The temporary board
7 of directors shall call and hold an election
8 to confirm establishment of the district
9 and to elect initial directors.

10 (b) At the confirmation and initial
11 directors election, the temporary board of
12 directors shall have placed on the ballot
13 the name of any candidate filing for an
14 initial director position and blank spaces
15 to write in the names of other persons. A
16 temporary director who is eligible to be a
17 candidate under Section 3.0406 of this part
18 may file for an initial director position.

19 (c) Section 41.001(a), Election
20 Code, does not apply to a confirmation and
21 initial directors election held as provided
22 by this section.

23 (d) Except as provided by this
24 section, a confirmation and initial
25 directors election must be conducted as
26 provided by Sections 36.017(b)-(h), Water
27 Code, and the Election Code.

28 [Acts 77th Leg., R.S., Ch. 1328]

29 Sec. 7. (a) The temporary board of
30 directors shall call and hold an election to
31 confirm establishment of the district and
32 to elect initial directors.

33 (b) At the confirmation and initial
34 directors' election, the temporary board of
35 directors shall have placed on the ballot
36 the name of any candidate filing for an
37 initial director's position and blank
38 spaces to write in the names of other
39 persons. A temporary director who is
40 eligible to be a candidate under Section 6
41 of this Act may file for an initial
42 director's position.

43 (c) Section 41.001(a), Election
44 Code, does not apply to a confirmation and
45 initial directors' election held as
46 provided by this section.

47 (d) Except as provided by this
48 section, a confirmation and initial
49 directors' election must be conducted as
50 provided by Section 36.017(b)-(h), Water
51 Code, and the Election Code.

52 (2) Section 14, Chapter 1331, Acts of the 76th
53 Legislature, Regular Session, 1999, provides that,
54 except as otherwise provided by that act, that act
55 prevails over a conflicting provision of Chapter 36,
56 Water Code. Section 3.0403, Chapter 966, Acts of the
57 77th Legislature, Regular Session, 2001, provides that
58 the part of that act relating to the district prevails
59 over general law, including Chapter 36, Water Code, in

1 case of a conflict or inconsistency. Similarly,
2 Section 3(a), Chapter 1328, Acts of the 77th
3 Legislature, Regular Session, 2001, provides that the
4 act prevails over general law in case of a conflict or
5 inconsistency. This chapter does not include a
6 revision of those provisions because they duplicate,
7 in substance, Section 311.026, Government Code (Code
8 Construction Act), and they duplicate part of Section
9 36.052(a), Water Code, which provides that a "special
10 law governing a specific district" prevails over
11 Chapter 36. Throughout this chapter, the revised law
12 omits law that duplicates law contained in Chapter 36,
13 Water Code, which applies to the district under
14 Section 8848.101 of this chapter and Section
15 36.001(1), Water Code. Sections 14, 3.0403, and 3(a)
16 read:

17 [Acts 76th Leg., R.S., Ch. 1331]
18 Sec. 14. Except as otherwise
19 provided by this Act, if there is a conflict
20 between this Act and Chapter 36, Water Code,
21 this Act controls.

22 [Acts 77th Leg., R.S., Ch. 966]
23 Sec. 3.0403. . . . This part prevails
24 over any provision of general law,
25 including Chapter 36, Water Code, or
26 Chapter 1331, Acts of the 76th Legislature,
27 Regular Session, 1999, that is in conflict
28 or inconsistent with this part.

29 [Acts 77th Leg., R.S., Ch. 1328]
30 Sec. 3. (a) . . . This Act prevails
31 over any provision of general law that is in
32 conflict or inconsistent with this Act,
33 including any provision of Chapter 1331,
34 Acts of the 76th Legislature, Regular
35 Session, 1999 (Senate Bill No. 1911).

36 (3) Section 3(b), Chapter 1328, Acts of the 77th
37 Legislature, Regular Session, 2001, provides that
38 certain provisions of the Water Code prevail over a
39 conflicting or inconsistent provision of the act. The
40 revised law omits Section 3(b) because it
41 substantially duplicates Section 36.052(b), Water
42 Code, which provides that the provisions of the Water

1 Code referenced in Section 3(b), in addition to
2 Section 36.107, Water Code, prevail over a conflicting
3 or inconsistent provision of a special law that
4 governs a specific district. Although Section 3(b)
5 does not reference Section 36.107, Water Code, that
6 section of Chapter 36 is not in conflict or
7 inconsistent with any provision of this chapter. The
8 omitted law reads:

9 (b) Notwithstanding Subsection (a),
10 the following provisions prevail over a
11 conflicting or inconsistent provision of
12 this Act:

- 13 (1) Sections 36.1071-36.108,
14 Water Code;
15 (2) Sections 36.159-36.161,
16 Water Code; and
17 (3) Subchapter I, Chapter 36,
18 Water Code.

19 [Sections 8848.005-8848.050 reserved for expansion]

20 SUBCHAPTER B. BOARD OF DIRECTORS

21 Revised Law

22 Sec. 8848.051. COMPOSITION OF BOARD; TERMS. (a) The
23 district is governed by a board of five directors.

24 (b) Directors serve staggered four-year terms. (Acts 77th
25 Leg., R.S., Ch. 966, Secs. 3.0404(a), (d); Acts 77th Leg., R.S., Ch.
26 1328, Secs. 4(a), (d).)

27 Source Law

28 [Acts 77th Leg., R.S., Ch. 966]

29 Sec. 3.0404. (a) The district is governed by a
30 board of five directors.

31 (d) Permanent directors serve staggered
32 four-year terms.

33 [Acts 77th Leg., R.S., Ch. 1328]

34 Sec. 4. (a) The district is governed by a board
35 of five directors.

36 (d) Permanent directors serve staggered
37 four-year terms.

38 Revisor's Note

39 (1) Section 3.0404(d), Chapter 966, and Section
40 4(d), Chapter 1328, Acts of the 77th Legislature,
41 Regular Session, 2001, refer to "[p]ermanent"
42 directors. Section 3.0404 of Chapter 966 and Section 4

1 of Chapter 1328 refer to "temporary," "initial," and
2 "permanent" directors to distinguish between the
3 "temporary" directors, the directors who immediately
4 succeeded the "temporary" directors after the first
5 election of directors, and subsequently serving
6 directors. Because the revised law omits provisions
7 regarding "temporary" and "initial" directors as
8 executed (see the revisor's notes at the end of this
9 subchapter), the revised law also omits "permanent"
10 because it does not contribute to the clear meaning of
11 the law.

12 (2) Section 3.0404(e), Chapter 966, and Section
13 4(e), Chapter 1328, Acts of the 77th Legislature,
14 Regular Session, 2001, provide that a director must
15 qualify to serve in the manner provided by Section
16 36.055, Water Code. The revised law omits those
17 provisions because Section 36.055, Water Code, applies
18 to the district under Section 8848.101 of this chapter
19 and Section 36.001(1), Water Code. The omitted law
20 reads:

21 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0404]
22 (e) Each director must qualify to
23 serve as director in the manner provided by
24 Section 36.055, Water Code.

25 [Acts 77th Leg., R.S., Ch. 1328, Sec. 4]
26 (e) Each director must qualify to
27 serve as director in the manner provided by
28 Section 36.055, Water Code.

29 (3) Section 3.0404(f), Chapter 966, and Section
30 4(f), Chapter 1328, Acts of the 77th Legislature,
31 Regular Session, 2001, provide that a director serves
32 until a successor has qualified. The revised law omits
33 those provisions because they duplicate Section 17,
34 Article XVI, Texas Constitution, which provides that
35 an officer in this state continues to perform the
36 officer's official duties until a successor has
37 qualified. The omitted law reads:

1 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0404]
2 (f) A director serves until the
3 director's successor has qualified.

4 [Acts 77th Leg., R.S., Ch. 1328, Sec. 4]
5 (f) A director serves until the
6 director's successor has qualified.

7 Revised Law

8 Sec. 8848.052. ELECTION OF DIRECTORS. (a) Directors are
9 elected according to the commissioners precinct method as provided
10 by this section.

11 (b) One director is elected by the voters of the entire
12 district. One director is elected from each county commissioners
13 precinct by the voters of that precinct.

14 (c) A person shall indicate on the application for a place
15 on the ballot:

16 (1) the precinct that the person seeks to represent;

17 or

18 (2) that the person seeks to represent the district at
19 large.

20 (d) When the boundaries of the county commissioners
21 precincts are changed, each director in office on the effective
22 date of the change or elected to a term of office beginning on or
23 after the effective date of the change serves in the precinct to
24 which the director was elected for the entire term to which the
25 director was elected, even though the change in boundaries places
26 the person's residence outside the precinct for which the person
27 was elected. (Acts 77th Leg., R.S., Ch. 966, Secs. 3.0406(a), (b),
28 (d), (e); Acts 77th Leg., R.S., Ch. 1328, Secs. 6(a), (b), (d).)

29 Source Law

30 [Acts 77th Leg., R.S., Ch. 966]

31 Sec. 3.0406. (a) The directors of the district
32 shall be elected according to the commissioners
33 precinct method as provided by this section.

34 (b) One director shall be elected by the voters
35 of the entire district, and one director shall be
36 elected from each county commissioners precinct by the
37 voters of that precinct.

38 (d) A person shall indicate on the application
39 for a place on the ballot:

40 (1) the precinct that the person seeks to
41 represent; or

42 (2) that the person seeks to represent the
43 district at large.

1 (e) When the boundaries of the commissioners
2 precincts are changed, each director in office on the
3 effective date of the change or elected to a term of
4 office beginning on or after the effective date of the
5 change serves in the precinct to which the director was
6 elected for the entire term to which the director was
7 elected, even though the change in boundaries places
8 the person's residence outside the precinct for which
9 the person was elected.

10 [Acts 77th Leg., R.S., Ch. 1328]

11 Sec. 6. (a) The directors of the district shall
12 be elected according to the commissioners precincts
13 method as provided by this section.

14 (b) One director shall be elected by the voters
15 of the entire district, and one director shall be
16 elected from each county commissioners precinct by the
17 voters of that precinct.

18 (d) A person shall indicate on the application
19 for a place on the ballot:

20 (1) the precinct that the person seeks to
21 represent; or

22 (2) that the person seeks to represent the
23 district at large.

24 Revisor's Note

25 Section 3.0406(e), Chapter 966, Acts of the 77th
26 Legislature, Regular Session, 2001, provides that when
27 county commissioners precinct boundaries change under
28 Section 18, Article V, Texas Constitution, a director
29 represents the precinct to which the director was
30 elected for the entire term to which the director was
31 elected. Section 6(e), Chapter 1328, Acts of the 77th
32 Legislature, Regular Session, 2001, provides instead
33 that when precinct boundaries change under Section 18,
34 Article V, Texas Constitution, four new directors are
35 to be elected to represent the redrawn precincts. The
36 two provisions are irreconcilable. Under Section
37 312.014, Government Code, if statutes are
38 irreconcilable, the statute latest in date of
39 enactment prevails. The date of enactment is the date
40 on which the last legislative vote is taken on the bill
41 enacting the statute. The last legislative vote on
42 Chapter 966 was taken on May 27, 2001. The last
43 legislative vote on Chapter 1328 was taken on May 22,
44 2001. Accordingly, the revised law codifies Section
45 3.0406(e), Chapter 966, and omits Section 6(e),

1 Chapter 1328. The omitted law reads:

2 (e) At the first election after the
3 county commissioners precincts are redrawn
4 under Section 18, Article V, Texas
5 Constitution, four new directors shall be
6 elected to represent the precincts. The
7 directors elected shall draw lots to
8 determine which two directors serve
9 two-year terms and which two directors
10 serve four-year terms.

11 Revised Law

12 Sec. 8848.053. ELECTION DATE. On the uniform election date
13 in May of each even-numbered year, the appropriate number of
14 directors shall be elected. (Acts 77th Leg., R.S., Ch. 966, Sec.
15 3.0408(b); Acts 77th Leg., R.S., Ch. 1328, Sec. 8(b).)

16 Source Law

17 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0408]

18 (b) On the first Saturday in May of each
19 subsequent second year following the election, the
20 appropriate number of directors shall be elected.

21 [Acts 77th Leg., R.S., Ch. 1328, Sec. 8]

22 (b) On the first Saturday in May of each
23 subsequent second year following the election, the
24 appropriate number of directors shall be elected.

25 Revisor's Note

26 (1) Section 3.0408(a), Chapter 966, and Section
27 8(a), Chapter 1328, Acts of the 77th Legislature,
28 Regular Session, 2001, prescribe the election date for
29 the first directors' election following the
30 confirmation election. Because the district has been
31 confirmed and its first permanent directors elected,
32 the revised law omits those provisions as executed.
33 The omitted law reads:

34 [Acts 77th Leg., R.S., Ch. 966]

35 Sec. 3.0408. (a) On the first
36 Saturday in May of the first even-numbered
37 year after the year in which the district is
38 authorized to be created at a confirmation
39 election, an election shall be held in the
40 district for the election of three
41 directors to serve four-year terms and two
42 directors to serve two-year terms.

43 [Acts 77th Leg., R.S., Ch. 1328]

44 Sec. 8. (a) On the first Saturday in
45 May of the first even-numbered year after
46 the year in which the district is authorized
47 to be created at a confirmation election, an
48 election shall be held in the district for

1 the election of three directors to serve
2 four-year terms and two directors to serve
3 two-year terms.

4 (2) Section 3.0408(b), Chapter 966, and Section
5 8(b), Chapter 1328, Acts of the 77th Legislature,
6 Regular Session, 2001, required board elections to be
7 held on the "first Saturday in May of each subsequent
8 second year following the election," meaning the first
9 election of permanent directors (see Revisor's Note
10 (1)). When Chapters 966 and 1328 were enacted, Section
11 41.001, Election Code, also provided for a uniform
12 election date of the first Saturday in May for all
13 political subdivisions, indicating that the
14 legislature intended the district's election to
15 coincide with that uniform date. Chapter 1315, Acts of
16 the 78th Legislature, Regular Session, 2003, amended
17 Section 41.001, Election Code, to change the uniform
18 election date in May to the third Saturday in May.
19 Chapter 1, Acts of the 78th Legislature, 3rd Called
20 Session, 2003, amended Section 41.001 to change the
21 uniform election date in May back to the first Saturday
22 in May. Chapter 471, Acts of the 79th Legislature,
23 Regular Session, 2005, amended Section 41.001 to
24 change the uniform election date in May to the second
25 Saturday in May. The revised law substitutes "uniform
26 election date in May" for "first Saturday in May" to
27 reflect those changes and to preserve the legislative
28 intent that the election be held on the uniform
29 election date in May.

30 The revised law also substitutes "each
31 even-numbered year" for "each subsequent second year
32 following the election" because the first election of
33 permanent directors was held in May 2004. As a result,
34 subsequent directors' elections will also be held in
35 even-numbered years.

1 Revised Law

2 Sec. 8848.054. ELIGIBILITY. (a) To be eligible to be a
3 candidate for or to serve as director at large, a person must be a
4 registered voter in the district.

5 (b) To be eligible to be a candidate for or to serve as
6 director from a county commissioners precinct, a person must be a
7 registered voter of that precinct, except as provided by Section
8 8848.052(d). (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0406(c); Acts
9 77th Leg., R.S., Ch. 1328, Sec. 6(c); New.)

10 Source Law

11 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0406]

12 (c) To be eligible to be a candidate for or to
13 serve as director at large, a person must be a
14 registered voter in the district. To be eligible to be
15 a candidate for or to serve as director from a county
16 commissioners precinct, a person must be a registered
17 voter of that precinct.

18 [Acts 77th Leg., R.S., Ch. 1328, Sec. 6]

19 (c) To be eligible to be a candidate for or to
20 serve as director at large, a person must be a
21 registered voter in the district. To be eligible to be
22 a candidate for or to serve as director from a county
23 commissioners precinct, a person must be a registered
24 voter of that precinct.

25 Revisor's Note

26 Section 3.0406(c), Chapter 966, and Section 6(c),
27 Chapter 1328, Acts of the 77th Legislature, Regular
28 Session, 2001, provide that to be eligible to serve as
29 a director from a county commissioners precinct, a
30 person must be a registered voter of that precinct.
31 For the convenience of the reader, the revised law adds
32 a cross-reference to Section 8848.052(d) of this
33 chapter because that section provides for an exception
34 to the eligibility requirement when the county
35 commissioners precincts are redrawn.

36 Revised Law

37 Sec. 8848.055. COMPENSATION. A director is not entitled to
38 fees of office. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0405 (part);
39 Acts 77th Leg., R.S., Ch. 1328, Sec. 5 (part).)

1 have the authority granted by the following
2 provisions of Chapter 36, Water Code:

3 (1) Sections 36.017, 36.019,
4 36.020, and 36.059, relating to elections;

5 (2) Sections 36.105, 36.1071,
6 36.1072, 36.1073, and 36.108, relating to
7 eminent domain and management plans;

8 (3) Sections 36.171-36.181,
9 relating to bonds and notes;

10 (4) Sections 36.201-36.204,
11 relating to taxes; and

12 (5) Sections 36.321-36.359,
13 relating to annexation and consolidation.

14 (d) The temporary directors may
15 regulate the transfer of groundwater out of
16 the district as provided by Section 36.122,
17 Water Code, but may not prohibit the
18 transfer of groundwater out of the
19 district.

20 Sec. 12. Prior to September 1, 2001,
21 the temporary directors of a district shall
22 not hold an election for the imposition of a
23 tax.

24 (2) Section 7, Chapter 1331, Acts of the 76th
25 Legislature, Regular Session, 1999, relates to the
26 election of initial directors of a district created
27 under that act. This chapter does not include a
28 revision of that provision because it is executed.
29 Section 7 reads:

30 Sec. 7. The initial directors may not
31 be elected until after September 1, 2001.

32 (3) Sections 8 and 9, Chapter 1331, Acts of the
33 76th Legislature, Regular Session, 1999, provide for
34 the appointment of temporary directors of a district
35 created under that act and require the temporary
36 directors to hold an organizational meeting of the
37 district. This chapter does not include a revision of
38 those provisions because they are executed. Sections
39 8 and 9 read:

40 Sec. 8. (a) Except as provided by
41 Subsections (b) and (c) of this section, the
42 commissioners court of a county containing
43 territory included within the district
44 shall appoint temporary directors in
45 accordance with the provisions of Section
46 36.016, Water Code, relating to the
47 appointment of temporary directors by
48 county commissioners courts.

49 (b) For districts composed of more
50 than one county, the county commissioners
51 court of each county with territory in the
52 district shall appoint an equal number of

1 temporary directors, the total number of
2 temporary directors appointed to be
3 determined by the county commissioners
4 courts except that the total number of
5 directors may not be fewer than five or more
6 than 11.

7 (c) The 90-day limit for the
8 appointment of temporary directors under
9 Section 36.016, Water Code, does not apply
10 to the appointment of temporary directors
11 under this Act.

12 Sec. 9. (a) As soon as practicable
13 after the temporary directors are appointed
14 as provided by this Act, the temporary
15 directors shall hold the organizational
16 meeting of the district and take office at
17 that time.

18 (b) The temporary directors shall
19 hold the meeting at a location within the
20 district to which a majority of the
21 temporary directors agree.

22 (4) Section 11, Chapter 1331, Acts of the 76th
23 Legislature, Regular Session, 1999, provides for the
24 election of permanent directors of a district created
25 under that act. This chapter does not include a
26 revision of that section because, as that section
27 relates to the Lone Wolf Groundwater Conservation
28 District, it is superseded by Section 3.0408, Chapter
29 966, and Section 8, Chapter 1328, Acts of the 77th
30 Legislature, Regular Session, 2001, which provide for
31 the election of the district's directors. See Section
32 8848.053 of this chapter and the revisor's notes to
33 that section. Section 3.0403, Chapter 966, and
34 Section 3(a), Chapter 1328, provide that the part of
35 the act pertaining to the district or the act,
36 respectively, prevails over Chapter 1331 in case of a
37 conflict or inconsistency. Section 11 reads:

38 Sec. 11. Beginning in the second year
39 after the year in which the district has
40 held a confirmation election, an election
41 shall be held in the district on the first
42 Saturday in the month in which the initial
43 directors were elected under Section 10 of
44 this Act and every two years after that date
45 to elect the appropriate number of
46 directors to the board.

47 (5) Sections 3.0404(b) and (c), Chapter 966,
48 Acts of the 77th Legislature, Regular Session, 2001,
49 refer to "temporary" and "initial" directors of the

1 district and to elections under Sections 3.0407 and
2 3.0408 of that chapter. Sections 4(b) and (c), Chapter
3 1328, Acts of the 77th Legislature, Regular Session,
4 2001, contain similar provisions. The revised law
5 omits Sections 3.0404(b) and (c), Chapter 966, and
6 Sections 4(b) and (c), Chapter 1328, as executed
7 because the terms of the temporary and initial
8 directors have expired and the initial election for
9 permanent directors has been held. The omitted law
10 reads:

11 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0404]
12 (b) Temporary directors serve until
13 initial directors are elected under Section
14 3.0407 of this part.
15 (c) Initial directors serve until
16 permanent directors are elected under
17 Section 3.0408 of this part.

18 [Acts 77th Leg., R.S., Ch. 1328, Sec. 4]
19 (b) Temporary directors serve until
20 initial directors are elected under Section
21 7 of this Act.
22 (c) Initial directors serve until
23 permanent directors are elected under
24 Section 8 of this Act.

25 [Sections 8848.056-8848.100 reserved for expansion]

26 SUBCHAPTER C. POWERS AND DUTIES

27 Revised Law

28 Sec. 8848.101. GROUNDWATER CONSERVATION DISTRICT POWERS
29 AND DUTIES. The district has the rights, powers, privileges,
30 functions, and duties provided by the general law of this state,
31 including Chapter 36, Water Code, applicable to groundwater
32 conservation districts created under Section 59, Article XVI, Texas
33 Constitution. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0403 (part);
34 Acts 77th Leg., R.S., Ch. 1328, Sec. 3(a) (part).)

35 Source Law

36 [Acts 77th Leg., R.S., Ch. 966]
37 Sec. 3.0403. The district has all of the rights,
38 powers, privileges, authority, functions, and duties
39 provided by the general law of the state, including
40 Chapter 36, Water Code, applicable to groundwater
41 conservation districts created under Section 59,
42 Article XVI, Texas Constitution. . . .

43 [Acts 77th Leg., R.S., Ch. 1328]
44 Sec. 3. (a) The district has all of the rights,

1 powers, privileges, authority, functions, and duties
2 provided by the general law of this state, including
3 Chapter 36, Water Code, applicable to groundwater
4 conservation districts created under Section 59,
5 Article XVI, Texas Constitution. . . .

6 Revisor's Note

7 Section 3.0403, Chapter 966, and Section 3(a),
8 Chapter 1328, Acts of the 77th Legislature, Regular
9 Session, 2001, refer to the "rights, powers,
10 privileges, [and] authority" of the district. The
11 revised law omits the reference to "authority"
12 because, in context, "authority" is included in the
13 meaning of "rights, powers, [and] privileges."

14 Revisor's Note
15 (End of Subchapter)

16 Section 6, Chapter 1331, Acts of the 76th
17 Legislature, Regular Session, 1999, prohibits a
18 district created under that act from adopting a
19 comprehensive management plan before September 1,
20 2001. This chapter does not include a revision of that
21 provision because it is executed. Section 6 reads:

22 Sec. 6. To ensure consistency of
23 district long-term management plans with
24 the regional planning process authorized by
25 Senate Bill No. 1 (Chapter 1010), Acts of
26 the 75th Legislature, Regular Session,
27 1997, a district may not adopt the
28 comprehensive management plan required by
29 Section 36.1071, Water Code, before
30 September 1, 2001.

31 [Sections 8848.102-8848.150 reserved for expansion]

32 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

33 Revised Law

34 Sec. 8848.151. LIMITATION ON TAX RATE FOR DEBT. The
35 district may impose an ad valorem tax at a rate not to exceed 20
36 cents for each \$100 of assessed valuation to pay any part of the
37 bonds or notes issued by the district if a majority of the voters
38 approve:

39 (1) the authority to impose the tax at the
40 confirmation election; or

41 (2) that authority at a separate election called for

1 that purpose by the board. (Acts 77th Leg., R.S., Ch. 966, Sec.
2 3.0409; Acts 77th Leg., R.S., Ch. 1328, Sec. 9.)

3 Source Law

4 [Acts 77th Leg., R.S., Ch. 966]

5 Sec. 3.0409. The district may levy property
6 taxes at a rate not to exceed 20 cents on each \$100 of
7 assessed valuation to pay any part of the bonds or
8 notes issued by the district if the authority to impose
9 property taxes under this part is approved by a
10 majority of the voters voting at a confirmation
11 election under Section 3.0407 of this part or at a
12 separate election called for that purpose by the board
13 of directors.

14 [Acts 77th Leg., R.S., Ch. 1328]

15 Sec. 9. The district may levy property taxes at
16 a rate not to exceed 20 cents on each \$100 of assessed
17 valuation to pay any part of the bonds or notes issued
18 by the district if the authority to impose property
19 taxes under this Act is approved by a majority of the
20 voters voting at a confirmation election under Section
21 7 of this Act or at a separate election called for that
22 purpose by the board of directors.

23 Revisor's Note

24 Section 3.0409, Chapter 966, and Section 9,
25 Chapter 1328, Acts of the 77th Legislature, Regular
26 Session, 2001, authorize the district to "levy
27 property taxes." The revised law substitutes "impose"
28 for "levy" because "impose" is the term generally used
29 in Title 1, Tax Code, and includes the levying of a
30 tax. The revised law also substitutes "ad valorem
31 taxes" for "property taxes" because "ad valorem" is
32 the term most commonly used to refer to a property tax.

33 Revisor's Note
34 (End of Chapter)

35 (1) Section 13, Chapter 1331, Acts of the 76th
36 Legislature, Regular Session, 1999, provides that a
37 district created under that act may be modified by
38 subsequent acts of the Texas Legislature. It is a
39 well-accepted principle of constitutional law that a
40 legislature may not, through statutory law, limit or
41 expand the authority of a future legislature. By
42 application of that principle, a district created
43 under an act of the legislature may be modified by a

1 subsequent legislative act without an express
2 statement to that effect in the act creating the
3 district. Accordingly, this chapter does not include
4 a revision of that provision because it does not add to
5 the clear meaning of the law. Section 13 reads:

6 Sec. 13. A district created under
7 this Act may be modified by subsequent acts
8 of the Texas Legislature. The modification
9 may be in response to the recommendations of
10 an interim study or committee, including
11 the possibility of adding additional area
12 to the district or merging the district with
13 other districts for the purposes of the
14 efficient and effective management of a
15 common groundwater resource.

16 (2) Section 15, Chapter 1331, Acts of the 76th
17 Legislature, Regular Session, 1999, provides that an
18 election to confirm the creation of a district under
19 that act and to elect initial directors may not be held
20 unless action is taken by the 77th Legislature,
21 Regular Session, to ratify the creation of the
22 district and provides for the dissolution of a
23 district created by that act whose creation is not
24 ratified. This chapter does not include a revision of
25 that provision as it relates to the Lone Wolf
26 Groundwater Conservation District because it was
27 executed when the creation of the district was
28 ratified by Section 3.0401, Chapter 966, and Section
29 1, Chapter 1328, Acts of the 77th Legislature, Regular
30 Session, 2001, subject to approval at a confirmation
31 election. Section 15 reads:

32 Sec. 15. (a) Notwithstanding the
33 provisions of Section 10 of this Act, an
34 election for the confirmation of the
35 creation of a groundwater conservation
36 district under this Act and for the
37 selection of initial directors for such
38 district shall not be held unless action is
39 taken by the 77th Legislature in its Regular
40 Session to ratify the creation of the
41 district.

42 (b) Except as provided by Subsection
43 (c) of this section, a groundwater
44 conservation district created by this Act
45 whose creation is not ratified by the 77th
46 Legislature as provided by Subsection (a)

1 of this section is dissolved effective
2 September 1, 2001.

3 (c) If a groundwater conservation
4 district is dissolved under this section,
5 the district has no further authority,
6 except that any debts incurred shall be paid
7 and the organization of the district shall
8 be maintained until all debts are paid.

9 (3) Section 3.0401, Chapter 966, and Section 1,
10 Chapter 1328, Acts of the 77th Legislature, Regular
11 Session, 2001, ratified the creation of the district,
12 subject to approval at a confirmation election. The
13 revised law omits those provisions as executed. The
14 omitted law reads:

15 [Acts 77th Leg., R.S., Ch. 966]

16 Sec. 3.0401. The creation of the Lone
17 Wolf Groundwater Conservation District in
18 Mitchell County by Chapter 1331, Acts of the
19 76th Legislature, Regular Session, 1999, is
20 ratified as required by Section 15(a) of
21 that chapter, subject to approval at a
22 confirmation election under Section 3.0407
23 of this part.

24 [Acts 77th Leg., R.S., Ch. 1328]

25 Sec. 1. The creation by Chapter 1331,
26 Acts of the 76th Legislature, Regular
27 Session, 1999 (Senate Bill No. 1911), of the
28 Lone Wolf Groundwater Conservation District
29 in Mitchell County is ratified as required
30 by Section 15(a) of that Act, subject to
31 approval at a confirmation election under
32 Section 7 of this Act.

33 (4) Section 3.0410, Chapter 966, and Section
34 13(b), Chapter 1328, Acts of the 77th Legislature,
35 Regular Session, 2001, contain transition language
36 regarding the expiration of the part of the act
37 relating to the district or of the act, respectively,
38 if the district is not confirmed at a confirmation
39 election before a certain date. The revised law omits
40 those provisions as executed because the district was
41 confirmed within the required period. The omitted law
42 reads:

43 [Acts 77th Leg., R.S., Ch. 966]

44 Sec. 3.0410. If the creation of the
45 district is not confirmed at a confirmation
46 election held under Section 3.0407 of this
47 part before September 1, 2003, the district
48 is dissolved and this part expires on that
49 date.

1 [Acts 77th Leg., R.S., Ch. 1328, Sec. 13]

2 (b) If the creation of the district
3 is not confirmed at a confirmation election
4 held under Section 7 of this Act before
5 September 1, 2003, this Act expires on that
6 date.

7 (5) Section 13.05, Chapter 966, Acts of the 77th
8 Legislature, Regular Session, 2001, provides that the
9 act is severable. This chapter does not include a
10 revision of that provision because it duplicates
11 Section 311.032, Government Code (Code Construction
12 Act), which states that a provision of a statute is
13 severable from each other provision of the statute
14 that can be given effect. Section 13.05 reads:

15 Sec. 13.05. If any provision of this
16 Act or its application to any person or
17 circumstance is held invalid, the
18 invalidity does not affect other provisions
19 or applications of this Act that can be
20 given effect without the invalid provision
21 or application, and to this end the
22 provisions of this Act are declared to be
23 severable.

24 (6) Section 16, Chapter 1331, Acts of the 76th
25 Legislature, Regular Session, 1999, recites
26 legislative findings regarding procedural
27 requirements for legislation affecting the districts
28 created by that act under the constitution and other
29 laws and rules, including proper legal notice and the
30 filing of recommendations. Section 13.04, Chapter
31 966, and Section 10, Chapter 1328, Acts of the 77th
32 Legislature, Regular Session, 2001, recite similar
33 findings regarding requirements for legislation
34 affecting the districts ratified by that act and of the
35 Lone Wolf Groundwater Conservation District,
36 respectively. This chapter does not include a
37 revision of those provisions because they are
38 executed. Sections 16, 13.04, and 10 read:

39 [Acts 76th Leg., R.S., Ch. 1331]

40 Sec. 16. (a) The proper and legal
41 notice of the intention to introduce this
42 Act, setting forth the general substance of
43 this Act, has been published as provided by
44 law, and the notice and a copy of this Act

1 have been furnished to all persons,
2 agencies, officials, or entities to which
3 they are required to be furnished by the
4 constitution and other laws of this state,
5 including the governor, who has submitted
6 the notice and Act to the Texas Natural
7 Resource Conservation Commission.

8 (b) The Texas Natural Resource
9 Conservation Commission has filed its
10 recommendations relating to this Act with
11 the governor, lieutenant governor, and
12 speaker of the house of representatives
13 within the required time.

14 (c) All requirements of the
15 constitution and laws of this state and the
16 rules and procedures of the legislature
17 with respect to the notice, introduction,
18 and passage of this Act are fulfilled and
19 accomplished.

20 (d) The procedural requirements of
21 this section relating to the provision of
22 notice have been met by the provision of
23 notice of the introduction of the proposed
24 Acts of the 76th Legislature relating to the
25 creation of the groundwater conservation
26 districts now created by this Act.

27 [Acts 77th Leg., R.S., Ch. 966]

28 Sec. 13.04. (a) The proper and legal
29 notice of the intention to introduce this
30 Act, setting forth the general substance of
31 this Act, has been published as provided by
32 law, and the notice and a copy of this Act
33 have been furnished to all persons,
34 agencies, officials, or entities to which
35 they are required to be furnished by the
36 constitution and other laws of this state,
37 including the governor, who has submitted
38 the notice and Act to the Texas Natural
39 Resource Conservation Commission.

40 (b) The Texas Natural Resource
41 Conservation Commission has filed its
42 recommendations relating to this Act with
43 the governor, lieutenant governor, and
44 speaker of the house of representatives
45 within the required time.

46 (c) All requirements of the
47 constitution and laws of the state and the
48 rules and procedures of the legislature
49 with respect to the notice, introduction,
50 and passage of this Act are fulfilled and
51 accomplished.

52 [Acts 77th Leg., R.S., Ch. 1328]

53 Sec. 10. (a) The proper and legal
54 notice of the intention to introduce this
55 Act, setting forth the general substance of
56 this Act, has been published as provided by
57 law, and the notice and a copy of this Act
58 have been furnished to all persons,
59 agencies, officials, or entities to which
60 they are required to be furnished by the
61 constitution and other laws of this state,
62 including the governor, who has submitted
63 the notice and Act to the Texas Natural
64 Resource Conservation Commission.

65 (b) The Texas Natural Resource
66 Conservation Commission has filed its
67 recommendations relating to this Act with

1 the governor, lieutenant governor, and
2 speaker of the house of representatives
3 within the required time.

4 (c) All requirements of the
5 constitution and laws of this state and the
6 rules and procedures of the legislature
7 with respect to the notice, introduction,
8 and passage of this Act are fulfilled and
9 accomplished.

10 (7) Sections 11 and 12, Chapter 1328, Acts of
11 the 77th Legislature, Regular Session, 2001, validate
12 certain acts of the district taken before September 1,
13 2001. Those provisions are omitted from the revised
14 law because they served their purpose on the day they
15 took effect and are executed law. Section
16 311.031(a)(2), Government Code (Code Construction
17 Act), provides that the repeal of a statute does not
18 affect any validation previously made under the
19 statute. Therefore, the omission of the executed
20 validation provisions does not affect the validation.
21 The omitted law reads:

22 Sec. 11. All past acts of the district
23 are validated and confirmed.
24 Sec. 12. Section 11 of this Act does
25 not apply to any matter that is the subject
26 of litigation on the effective date of this
27 Act.

16 CHAPTER 8849. LOST PINES GROUNDWATER CONSERVATION DISTRICT

17 SUBCHAPTER A. GENERAL PROVISIONS

18 Revised Law

19 Sec. 8849.001. DEFINITIONS. In this chapter:

20 (1) "Board" means the district's board of directors.

21 (2) "Director" means a board member.

22 (3) "District" means the Lost Pines Groundwater

23 Conservation District. (Acts 76th Leg., R.S., Ch. 1331, Sec. 3;

24 Acts 77th Leg., R.S., Ch. 966, Sec. 3.0502(1); Acts 77th Leg., R.S.,

25 Ch. 1323, Sec. 2(1); New.)

26 Source Law

27 [Acts 76th Leg., R.S., Ch. 1331]

28 Sec. 3. In this Act, "district" means a

29 groundwater conservation district created under

30 Section 1 of this Act.

31 [Acts 77th Leg., R.S., Ch. 966]

32 Sec. 3.0502. In this part:

33 (1) "District" means the Lost Pines

34 Groundwater Conservation District.

35 [Acts 77th Leg., R.S., Ch. 1323]

36 Sec. 2. In this Act:

37 (1) "District" means the Lost Pines

38 Groundwater Conservation District.

1 Revisor's Note

2 (1) The Lost Pines Groundwater Conservation
3 District was created by Chapter 1331, Acts of the 76th
4 Legislature, Regular Session, 1999. That district is
5 one of 13 districts created by that act, with the
6 creation of each district subject to whether the
7 succeeding legislature enacted a law to ratify its
8 creation. See Sections 1 and 15, Chapter 1331. The
9 77th Legislature enacted two laws that ratified the
10 creation of the Lost Pines Groundwater Conservation
11 District. Chapter 966, Acts of the 77th Legislature,
12 Regular Session, 2001, ratified the creation of many
13 of the districts created by Chapter 1331, including
14 the Lost Pines Groundwater Conservation District, and
15 set forth nonamendatory substantive provisions
16 governing those districts. See Part 5, Article 3,
17 Chapter 966, regarding the Lost Pines Groundwater
18 Conservation District and see the remainder of Article
19 3, Chapter 966, regarding the other districts.
20 Chapter 1323, Acts of the 77th Legislature, Regular
21 Session, 2001, also ratified the creation of the Lost
22 Pines Groundwater Conservation District and set forth
23 nonamendatory substantive provisions governing that
24 district. All three legislative enactments are source
25 law for this chapter. Although Section 3, Chapter
26 1331, defines "district" to mean all of the districts
27 created under Section 1 of that act, the revised law
28 defines the term to mean the Lost Pines Groundwater
29 Conservation District because this chapter applies
30 only to that district. Similar changes are made
31 throughout this chapter.

32 (2) The definitions of "board" and "director"
33 are added to the revised law for drafting convenience
34 and to eliminate frequent, unnecessary repetition of

1 the substance of the definitions.

2 Revised Law

3 Sec. 8849.002. NATURE OF DISTRICT. The district is a
4 groundwater conservation district created under and essential to
5 accomplish the purposes of Section 59, Article XVI, Texas
6 Constitution. (Acts 76th Leg., R.S., Ch. 1331, Secs. 1(a) (part),
7 (c).)

8 Source Law

9 Sec. 1. (a) The following groundwater
10 conservation districts are created:

11 . . .
12 (6) Lost Pines Groundwater Conservation
13 District;
14 . . .

15 (c) Each district created under this section is
16 created under and is essential to accomplish the
17 purposes of Section 59, Article XVI, Texas
18 Constitution.

19 Revisor's Note

20 Section 1(b), Chapter 1331, Acts of the 76th
21 Legislature, Regular Session, 1999, provides that a
22 district created under Section 1 of that act is a
23 governmental agency and a body politic and corporate.
24 This chapter does not include a revision of that
25 provision because it duplicates a portion of Section
26 59(b), Article XVI, Texas Constitution, which provides
27 that a conservation and reclamation district is a
28 governmental agency and a body politic and corporate.
29 Section 1(b) reads:

30 (b) A district created under this
31 section is a governmental agency and a body
32 politic and corporate.

33 Revised Law

34 Sec. 8849.003. FINDINGS OF PUBLIC USE AND BENEFIT. (a) The
35 district is created to serve a public use and benefit.

36 (b) All land and other property included in the district
37 will benefit from the works and projects accomplished by the
38 district under the powers conferred by Section 59, Article XVI,
39 Texas Constitution. (Acts 76th Leg., R.S., Ch. 1331, Sec. 4.)

1 groundwater conservation districts, and to the general
2 authority of the legislature to enact other laws to
3 change the district's territory.

4 (2) Section 2(a)(5), Chapter 1331, Acts of the
5 76th Legislature, Regular Session, 1999, provides that
6 the boundaries of the district are coextensive with
7 the boundaries of Bastrop and Lee Counties unless one
8 of the counties does not confirm the district's
9 creation. The revised law omits the provision
10 relating to the consequences of the failure of one of
11 the counties to confirm the district's creation
12 because in November 2002 the creation of the district
13 was confirmed by the voters of both Bastrop and Lee
14 Counties. The omitted law reads:

15 (5) . . . but if the voters of
16 only one county confirm the creation of the
17 district under Section 10 of this Act, the
18 boundaries of the district are coextensive
19 with the boundaries of that county;
20 . . .

21 Revisor's Note
22 (End of Subchapter)

23 (1) Section 10, Chapter 1331, Acts of the 76th
24 Legislature, Regular Session, 1999, provides
25 procedures for holding an election to confirm the
26 districts created under that act and to elect the
27 initial board of those districts. Section 3.0507,
28 Chapter 966, and Section 8, Chapter 1323, Acts of the
29 77th Legislature, Regular Session, 2001, provide
30 procedures for holding an election to confirm the Lost
31 Pines Groundwater Conservation District. This chapter
32 does not include a revision of those provisions
33 because the district has been confirmed. Sections 10,
34 3.0507, and 8 read:

35 [Acts 76th Leg., R.S., Ch. 1331]
36 Sec. 10. (a) Not earlier than
37 September 1, 2001, the temporary board of
38 directors shall call and hold an election to
39 confirm the district and to elect the
40 initial directors.

1 (b) At the confirmation and initial
2 directors' election, the temporary board of
3 directors shall have placed on the ballot
4 the names of the candidates for each of the
5 positions on the board. To qualify as a
6 candidate for a position, a person must be a
7 resident of the district.

8 (c) If the district is confirmed at
9 the election, the temporary board of
10 directors, at the time the vote is
11 canvassed, shall:

12 (1) declare the qualified
13 person who receives the most votes for each
14 position to be elected as the initial
15 director for that position; and

16 (2) include the results of the
17 initial directors' election in the
18 district's election report to the Texas
19 Natural Resource Conservation Commission.

20 (d) The initial directors shall draw
21 lots to determine their terms so that:

22 (1) one-half or a simple
23 majority of the directors serve four-year
24 terms that expire on the fourth anniversary
25 of the date the initial directors were
26 elected; and

27 (2) the remaining directors
28 serve two-year terms that expire on the
29 second anniversary of the date the initial
30 directors were elected.

31 (e) Subsection (a), Section 41.001,
32 Election Code, applies to a confirmation
33 and initial directors' election held as
34 provided by this section.

35 (f) Except as provided by this
36 section, a confirmation and initial
37 directors' election must be conducted as
38 provided by Subsections (b)-(h), Section
39 36.017, Water Code, and the Election Code.

40 (g) If the establishment of the
41 district has not been confirmed at an
42 election held under this section before the
43 fourth anniversary of the effective date of
44 this Act, the district is dissolved on that
45 date, except that any debts incurred shall
46 be paid and the organization of the district
47 shall be maintained until all debts are
48 paid.

49 [Acts 77th Leg., R.S., Ch. 966]

50 Sec. 3.0507. (a) As soon as
51 practicable after September 1, 2001, the
52 temporary directors shall meet to set the
53 date for and call the confirmation
54 election. The directors shall hold the
55 meeting in conjunction with the regularly
56 scheduled meeting of the directors.

57 (b) The election shall be held on the
58 authorized election date in November if the
59 United States Department of Justice has
60 precleared this part by that time. If this
61 part has not been precleared by the November
62 election date, the confirmation election
63 shall be held at the next authorized
64 election date. The district shall contract
65 with the county clerks of Bastrop and Lee
66 counties to conduct the election.

67 (c) Except as provided by this
68 section, the confirmation election must be

1 conducted as provided by Sections 36.017
2 and 36.018, Water Code, and the Election
3 Code.

4 (d) If a majority of the votes cast at
5 an election held under this section is
6 against the confirmation of the district,
7 the temporary directors may not call
8 another election under this section before
9 the first anniversary of that election.

10 [Acts 77th Leg., R.S., Ch. 1323]

11 Sec. 8. (a) As soon as practicable
12 after the effective date of this Act, the
13 temporary board of directors shall meet to
14 set the date for and call the confirmation
15 election. The directors shall hold the
16 meeting in conjunction with the regularly
17 scheduled meeting of the directors.

18 (b) The election shall be held on the
19 authorized election date in November if the
20 U.S. Department of Justice has precleared
21 this Act by that time. If this Act has not
22 been precleared by the November election
23 date, the confirmation election shall be
24 held at the next authorized election date.
25 The district shall contract with the county
26 clerks of Bastrop and Lee counties to
27 conduct the election.

28 (c) Except as provided by this
29 section, the confirmation election must be
30 conducted as provided by Sections 36.017,
31 36.018, and 36.019, Water Code, and the
32 Election Code.

33 (d) If the majority of qualified
34 voters in a county who vote in the election
35 vote to confirm the creation of the
36 district, that county is included in the
37 district. If the majority of qualified
38 voters in a county who vote in the election
39 vote not to confirm the creation of the
40 district, that county is excluded from the
41 district.

42 (e) The district is dissolved and
43 this Act expires on August 31, 2003, unless
44 the voters confirm the creation of the
45 district before that date.

46 (2) Section 14, Chapter 1331, Acts of the 76th
47 Legislature, Regular Session, 1999, provides that,
48 except as otherwise provided by that act, that act
49 prevails over a conflicting provision of Chapter 36,
50 Water Code. Section 3.0504(a), Chapter 966, Acts of
51 the 77th Legislature, Regular Session, 2001, provides
52 that the part of that act relating to the district
53 prevails over general law, including Chapter 36, Water
54 Code, in case of a conflict or inconsistency.
55 Similarly, Sections 4(a) and 9, Chapter 1323, Acts of
56 the 77th Legislature, Regular Session, 2001, provide

1 that the act prevails over general law, including
2 Chapter 36, Water Code, in case of a conflict or
3 inconsistency. This chapter does not include a
4 revision of those provisions because they duplicate,
5 in substance, Section 311.026, Government Code (Code
6 Construction Act), and they duplicate part of Section
7 36.052(a), Water Code, which provides that a "special
8 law governing a specific district" prevails over
9 Chapter 36. Throughout this chapter, the revised law
10 omits law that duplicates law contained in Chapter 36,
11 Water Code, which applies to the district under
12 Section 8849.101 of this chapter and Section
13 36.001(1), Water Code. Sections 14, 3.0504(a), 4(a),
14 and 9 read:

15 [Acts 76th Leg., R.S., Ch. 1331]
16 Sec. 14. Except as otherwise
17 provided by this Act, if there is a conflict
18 between this Act and Chapter 36, Water Code,
19 this Act controls.

20 [Acts 77th Leg., R.S., Ch. 966]
21 Sec. 3.0504. (a) . . . This part
22 prevails over any provision of general law,
23 including Chapter 36, Water Code, or
24 Chapter 1331, Acts of the 76th Legislature,
25 Regular Session, 1999, that is in conflict
26 or inconsistent with this part.

27 [Acts 77th Leg., R.S., Ch. 1323]
28 Sec. 4. (a) . . . This Act prevails
29 over any provision of general law that is in
30 conflict or inconsistent with this Act,
31 including any provision of Chapter 1331,
32 Acts of the 76th Legislature, Regular
33 Session, 1999 (Senate Bill No. 1911).

34 Sec. 9. Except as otherwise provided
35 by this Act, if there is a conflict between
36 this Act and Chapter 36, Water Code, this
37 Act controls.

38 (3) Section 4(b), Chapter 1323, Acts of the 77th
39 Legislature, Regular Session, 2001, provides that
40 certain provisions of the Water Code prevail over a
41 conflicting or inconsistent provision of the act. The
42 revised law omits Section 4(b) because it
43 substantially duplicates Section 36.052(b), Water
44 Code, which provides that the provisions of the Water

1 Code referenced in Section 4(b), in addition to
2 Sections 36.107 and 36.108, Water Code, prevail over a
3 conflicting or inconsistent provision of a special law
4 that governs a specific district. Although Section
5 4(b) does not reference Sections 36.107 and 36.108,
6 Water Code, those sections of Chapter 36 are not in
7 conflict or inconsistent with any provision of this
8 chapter. The omitted law reads:

9 (b) Notwithstanding Subsection (a),
10 the following provisions prevail over a
11 conflicting or inconsistent provision of
12 this Act:

- 13 (1) Sections 36.1071-36.1073,
14 Water Code;
15 (2) Sections 36.159-36.161,
16 Water Code; and
17 (3) Subchapter I, Chapter 36,
18 Water Code.

19 (4) Section 3.0510, Chapter 966, Acts of the
20 77th Legislature, Regular Session, 2001, provides that
21 if another bill relating to the district is enacted by
22 the 77th Legislature, Regular Session, 2001, and
23 becomes law, the provisions of the other act prevail
24 over the part of Chapter 966 relating to the district
25 in case of a conflict. In that same legislative
26 session, the legislature enacted Chapter 1323. The
27 revised law omits Section 3.0510 of Chapter 966 as
28 unnecessary because any provisions of Chapter 966 that
29 conflict with Chapter 1323 are omitted from the
30 revised law. See Revisor's Note (2) to Section
31 8849.051. The omitted law reads:

32 Sec. 3.0510. If another bill
33 relating to the Lost Pines Groundwater
34 Conservation District is enacted by the
35 77th Legislature, Regular Session, 2001,
36 and becomes law, then, to the extent of any
37 conflict between that Act and this part, the
38 provisions of that Act shall prevail.

39 [Sections 8849.005-8849.050 reserved for expansion]

40 SUBCHAPTER B. BOARD OF DIRECTORS

41 Revised Law

42 Sec. 8849.051. COMPOSITION OF BOARD; TERMS. (a) The

1 district is governed by a board of 10 directors.

2 (b) Directors serve staggered four-year terms. (Acts 77th
3 Leg., R.S., Ch. 966, Secs. 3.0506(a), (f); Acts 77th Leg., R.S., Ch.
4 1323, Secs. 7(a), (f).)

5 Source Law

6 [Acts 77th Leg., R.S., Ch. 966]
7 Sec. 3.0506. (a) The district is governed by a
8 board of 10 directors.

9 (f) Except as provided by Subsection (d) of this
10 section, directors serve staggered four-year terms.

11 [Acts 77th Leg., R.S., Ch. 1323]
12 Sec. 7. (a) The district is governed by a board
13 of 10 directors.

14 (f) Except as provided by Subsection (d),
15 directors serve staggered four-year terms.

16 Revisor's Note

17 (1) Section 3.0506(f), Chapter 966, and Section
18 7(f), Chapter 1323, Acts of the 77th Legislature,
19 Regular Session, 2001, provide that directors serve
20 four-year terms, "[e]xcept as provided by Subsection
21 (d)." The revised law omits the quoted language
22 because the revised law omits Sections 3.0506(d) and
23 7(d) as executed. See Revisor's Note (5) to the end of
24 this subchapter.

25 (2) Section 3.0506(g), Chapter 966, Acts of the
26 77th Legislature, Regular Session, 2001, provides that
27 directors may serve consecutive terms. The revised
28 law omits that provision because it was impliedly
29 repealed by former Section 7(g), Chapter 1323, Acts of
30 the 77th Legislature, Regular Session, 2001, which
31 limited directors to serving two consecutive terms
32 after the confirmation election. Section 3.0510,
33 Chapter 966, provides that if another bill relating to
34 the district is enacted by the 77th Legislature,
35 Regular Session, 2001, and becomes law, the provisions
36 of the other act prevail over the part of Chapter 966
37 relating to the district in case of a conflict. Under

1 Section 312.014, Government Code, a later enacted
2 statute controls over a previously enacted conflicting
3 statute, and the date of enactment is the date on which
4 the last legislative vote is taken. The last
5 legislative vote for Chapter 966 occurred May 27,
6 2001, and the last legislative vote for Chapter 1323
7 occurred May 25, 2001. Because Chapter 966 was enacted
8 after Chapter 1323 and Section 3.0510, Chapter 966,
9 provides that other bills relating to the district
10 that are enacted in the same session prevail over the
11 part of Chapter 966 relating to the district in case of
12 a conflict, former Section 7(g), Chapter 1323,
13 prevailed over Section 3.0506(g), Chapter 966, even
14 though Chapter 1323 was enacted before Chapter 966.
15 The revised law does not codify Section 7(g), Chapter
16 1323, because that section was repealed by Chapter
17 195, Acts of the 80th Legislature, Regular Session,
18 2007. The omitted law reads:

19 (g) Directors may serve consecutive
20 terms.

21 (3) Section 3.0506(h), Chapter 966, and Section
22 7(h), Chapter 1323, Acts of the 77th Legislature,
23 Regular Session, 2001, provide that a director must
24 qualify to serve in the manner provided by Section
25 36.055, Water Code. The revised law omits those
26 provisions because Section 36.055, Water Code, applies
27 to the district under Section 8849.101 of this chapter
28 and Section 36.001(1), Water Code. The omitted law
29 reads:

30 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0506]
31 (h) Each director must qualify to
32 serve as director in the manner provided by
33 Section 36.055, Water Code.

34 [Acts 77th Leg., R.S., Ch. 1323, Sec. 7]
35 (h) Each director must qualify to
36 serve as director in the manner provided by
37 Section 36.055, Water Code.

38 (4) Section 3.0506(i), Chapter 966, and Section

1 7(i), Chapter 1323, Acts of the 77th Legislature,
2 Regular Session, 2001, provide that a director serves
3 until a successor has qualified. The revised law omits
4 those provisions because they duplicate Section 17,
5 Article XVI, Texas Constitution, which provides that
6 an officer in this state continues to perform the
7 officer's official duties until a successor has
8 qualified. The omitted law reads:

9 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0506]

10 (i) A director serves until the
11 director's successor has qualified.

12 [Acts 77th Leg., R.S., Ch. 1323, Sec. 7]

13 (i) A director serves until the
14 director's successor has qualified.

15 Revised Law

16 Sec. 8849.052. APPOINTMENT OF DIRECTORS. (a) Five
17 directors are appointed from Bastrop County by the county judge of
18 Bastrop County and five directors are appointed from Lee County by
19 the county judge of Lee County.

20 (b) Every two years after the initial appointment of
21 directors, the appropriate number of directors shall be appointed.

28 and five directors shall be appointed from Lee County
29 by the county judge of Lee County.

30 (e) In each subsequent second year following the
31 initial appointment of directors, the appropriate
32 number of directors shall be appointed.

33 [Acts 77th Leg., R.S., Ch. 1323, Sec. 7]

34 (b) Five directors shall be appointed from
35 Bastrop County by the county judge of Bastrop County
36 and five directors shall be appointed from Lee County
37 by the county judge of Lee County.

38 (e) In each subsequent second year following the
39 initial appointment of directors, the appropriate
40 number of directors shall be appointed.

28 Revisor's Note

29 Section 3.0506(k), Chapter 966, and Section 7(k),
30 Chapter 1323, Acts of the 77th Legislature, Regular
31 Session, 2001, provide that a director may receive
32 fees of office as provided by Section 36.060, Water
33 Code. The revised law omits the provisions because
34 they duplicate, in substance, Section 36.060, Water
35 Code. The omitted law reads:

36 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0506]

37 (k) [A director] may receive fees of
38 office as provided by Section 36.060, Water

1 Revisor's Note
2 (End of Subchapter)

3 (1) Sections 5 and 12, Chapter 1331, Acts of the
4 76th Legislature, Regular Session, 1999, govern the
5 powers of the temporary directors of a district
6 created under that act. This chapter does not include
7 a revision of those provisions because they are
8 executed. Sections 5 and 12 read:

9 Sec. 5. (a) Except as provided by
10 Subsections (c) and (d) of this section or
11 otherwise by this Act, the temporary
12 directors of a district have the same
13 permitting and general management powers as
14 those granted to initial and permanent
15 directors under Chapter 36, Water Code.

16 (b) The temporary directors or their
17 designees have the authority to enter any
18 public or private property located within
19 the district to inspect a water well as
20 provided by Section 49.221, Water Code.

21 (c) The temporary directors do not
22 have the authority granted by the following
23 provisions of Chapter 36, Water Code:

24 (1) Sections 36.017, 36.019,
25 36.020, and 36.059, relating to elections;

26 (2) Sections 36.105, 36.1071,
27 36.1072, 36.1073, and 36.108, relating to
28 eminent domain and management plans;

29 (3) Sections 36.171-36.181,
30 relating to bonds and notes;

31 (4) Sections 36.201-36.204,
32 relating to taxes; and

33 (5) Sections 36.321-36.359,
34 relating to annexation and consolidation.

35 (d) The temporary directors may
36 regulate the transfer of groundwater out of
37 the district as provided by Section 36.122,
38 Water Code, but may not prohibit the
39 transfer of groundwater out of the
40 district.

41 Sec. 12. Prior to September 1, 2001,
42 the temporary directors of a district shall
43 not hold an election for the imposition of a
44 tax.

45 (2) Section 7, Chapter 1331, Acts of the 76th
46 Legislature, Regular Session, 1999, relates to the
47 election of initial directors of a district created
48 under that act. This chapter does not include a
49 revision of that provision because it is executed.
50 Section 7 reads:

51 Sec. 7. The initial directors may not
52 be elected until after September 1, 2001.

1 (3) Sections 8 and 9, Chapter 1331, Acts of the
2 76th Legislature, Regular Session, 1999, provide for
3 the appointment of temporary directors of a district
4 created under that act and require the temporary
5 directors to hold an organizational meeting of the
6 district. This chapter does not include a revision of
7 those provisions because they are executed. Sections
8 8 and 9 read:

9 Sec. 8. (a) Except as provided by
10 Subsections (b) and (c) of this section, the
11 commissioners court of a county containing
12 territory included within the district
13 shall appoint temporary directors in
14 accordance with the provisions of Section
15 36.016, Water Code, relating to the
16 appointment of temporary directors by
17 county commissioners courts.

18 (b) For districts composed of more
19 than one county, the county commissioners
20 court of each county with territory in the
21 district shall appoint an equal number of
22 temporary directors, the total number of
23 temporary directors appointed to be
24 determined by the county commissioners
25 courts except that the total number of
26 directors may not be fewer than five or more
27 than 11.

28 (c) The 90-day limit for the
29 appointment of temporary directors under
30 Section 36.016, Water Code, does not apply
31 to the appointment of temporary directors
32 under this Act.

33 Sec. 9. (a) As soon as practicable
34 after the temporary directors are appointed
35 as provided by this Act, the temporary
36 directors shall hold the organizational
37 meeting of the district and take office at
38 that time.

39 (b) The temporary directors shall
40 hold the meeting at a location within the
41 district to which a majority of the
42 temporary directors agree.

43 (4) Section 11, Chapter 1331, Acts of the 76th
44 Legislature, Regular Session, 1999, provides for the
45 election of permanent directors of a district created
46 under that act. This chapter does not include a
47 revision of that section because, as that section
48 relates to the Lost Pines Groundwater Conservation
49 District, it is superseded by Sections 3.0506(b) and
50 (e), Chapter 966, and Sections 7(b) and (e), Chapter
51 1323, Acts of the 77th Legislature, Regular Session,

1 2001, which provide for the appointment of the
2 district's directors. See Section 8849.052 of this
3 chapter. Section 3.0504(a), Chapter 966, and Section
4 4(a), Chapter 1323, provide that the part of the act
5 relating to the district or the act, respectively,
6 prevails over Chapter 1331 in case of a conflict or
7 inconsistency. The omitted law reads:

8 Sec. 11. Beginning in the second year
9 after the year in which the district has
10 held a confirmation election, an election
11 shall be held in the district on the first
12 Saturday in the month in which the initial
13 directors were elected under Section 10 of
14 this Act and every two years after that date
15 to elect the appropriate number of
16 directors to the board.

17 (5) Sections 3.0506(c) and (d), Chapter 966, and
18 Sections 7(c) and (d), Chapter 1323, Acts of the 77th
19 Legislature, Regular Session, 2001, provide for the
20 terms of office of temporary directors of the
21 district. The revised law omits those provisions
22 because the terms of the temporary directors have
23 expired. The omitted law reads:

24 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0506]
25 (c) Temporary directors serve until
26 their successors are appointed and have
27 qualified.
28 (d) The temporary directors shall
29 draw lots to determine:
30 (1) which three directors from
31 each county will serve four-year terms that
32 expire December 31, 2005; and
33 (2) which two directors from
34 each county will serve two-year terms that
35 expire December 31, 2003.

36 [Acts 77th Leg., R.S., Ch. 1323, Sec. 7]
37 (c) The temporary directors serve
38 until their successors are appointed and
39 have qualified.
40 (d) The temporary directors shall
41 draw lots to determine:
42 (1) which three directors from
43 each county will serve four-year terms that
44 expire at the end of the calendar year of
45 the fourth year after the year in which this
46 Act takes effect; and
47 (2) which two directors from
48 each county will serve two-year terms that
49 expire at the end of the calendar year of
50 the second year after the year in which this
51 Act takes effect.

2 SUBCHAPTER C. POWERS AND DUTIES

3 Revised Law

4 Sec. 8849.101. GROUNDWATER CONSERVATION DISTRICT POWERS
5 AND DUTIES. The district has the rights, powers, privileges,
6 functions, and duties provided by the general law of this state,
7 including Chapter 36, Water Code, applicable to groundwater
8 conservation districts created under Section 59, Article XVI, Texas
9 Constitution. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0504(a)
10 (part); Acts 77th Leg., R.S., Ch. 1323, Sec. 4(a) (part).)

11 Source Law

12 [Acts 77th Leg., R.S., Ch. 966]

13 Sec. 3.0504. (a) The district has all of the
14 rights, powers, privileges, authority, functions, and
15 duties provided by the general law of the state,
16 including Chapter 36, Water Code, applicable to
17 groundwater conservation districts created under
18 Section 59, Article XVI, Texas Constitution. . . .

19 [Acts 77th Leg., R.S., Ch. 1323]

20 Sec. 4. (a) The district has all of the rights,
21 powers, privileges, authority, functions, and duties
22 provided by the general law of this state, including
23 Chapter 36, Water Code, applicable to groundwater
24 conservation districts created under Section 59,
25 Article XVI, Texas Constitution. . . .

26 Revisor's Note

27 Section 3.0504(a), Chapter 966, and Section 4(a),
28 Chapter 1323, Acts of the 77th Legislature, Regular
29 Session, 2001, refer to the "rights, powers,
30 privileges, [and] authority" of the district. The
31 revised law omits the reference to "authority"
32 because, in context, "authority" is included in the
33 meaning of "rights, powers, [and] privileges."

34 Revised Law

35 Sec. 8849.102. AUTHORITY TO EXEMPT CERTAIN WELLS FROM
36 REGULATION. The district may adopt a rule exempting a well that is
37 not capable of producing more than 50,000 gallons of groundwater a
38 day from a permit requirement, a fee, or a restriction on
39 production. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0504(c); Acts
40 77th Leg., R.S., Ch. 1323, Sec. 4(e).)

1 is used for municipal purposes or by a public utility. A fee
2 imposed by the district under this subsection may not exceed the fee
3 imposed on other groundwater producers in the district. (Acts 77th
4 Leg., R.S., Ch. 966, Secs. 3.0502(2), 3.0505; Acts 77th Leg., R.S.,
5 Ch. 1323, Secs. 2(2), 5; New.)

6 Source Law

7 [Acts 77th Leg., R.S., Ch. 966]
8 Sec. 3.0502. In this part:

9 (2) "Public utility" means any person,
10 corporation, public utility, water supply or sewer
11 service corporation, municipality, political
12 subdivision, or agency operating, maintaining, or
13 controlling facilities in the state for providing
14 potable water service for compensation.

15 Sec. 3.0505. (a) Groundwater wells drilled or
16 operated within the district under permits issued by
17 the Railroad Commission of Texas are under the
18 exclusive jurisdiction of the railroad commission and
19 are exempt from regulation by the district.

20 (b) Groundwater produced in an amount
21 authorized by a railroad commission permit may be used
22 within or exported from the district without obtaining
23 a permit from the district.

24 (c) To the extent groundwater production
25 exceeds railroad commission authorization, the holder
26 of the railroad commission permit must apply to the
27 district for appropriate permits for the excess
28 production and is subject to the applicable regulatory
29 fees.

30 (d) Groundwater produced from wells under the
31 jurisdiction of the railroad commission is generally
32 exempt from water district fees. However, the
33 district may impose either a pumping fee or an export
34 fee on groundwater produced from an otherwise exempt
35 mine well that is used for municipal purposes or by a
36 public utility. Any fee imposed by the district under
37 this subsection may not exceed the fee imposed on other
38 groundwater producers in the district.

39 [Acts 77th Leg., R.S., Ch. 1323]
40 Sec. 2. In this Act:

41 (2) "Public utility" means any person,
42 corporation, public utility, water supply or sewer
43 service corporation, municipality, political
44 subdivision, or agency operating, maintaining, or
45 controlling facilities in this state for providing
46 potable water service for compensation.

47 Sec. 5. (a) Groundwater wells drilled or
48 operated within the district under permits issued by
49 the Railroad Commission of Texas are under the
50 exclusive jurisdiction of the commission and are
51 exempt from regulation by the district.

52 (b) Groundwater produced in an amount
53 authorized by a commission permit may be used within or
54 exported from the district without the necessity of
55 obtaining a permit from the district.

56 (c) To the extent groundwater is produced in
57 excess of railroad commission authorization, the

1 holder of the commission permit shall apply to the
2 district for appropriate permits for the excess
3 production and be subject to the applicable regulatory
4 fees.

5 (d) Groundwater produced from wells under the
6 jurisdiction of the railroad commission is generally
7 exempt from water district fees. However, the
8 district may impose either a pumping fee or an export
9 fee on groundwater produced from an otherwise exempt
10 mine well which is used for municipal purposes or by a
11 public utility. Any fee imposed by the district under
12 this subsection may not exceed the fee imposed on other
13 groundwater producers in the district.

14 Revisor's Note

15 The definition of "railroad commission" is added
16 to the revised law for drafting convenience and to
17 eliminate frequent, unnecessary repetition of the
18 substance of the definition.

19 Revised Law

20 Sec. 8849.104. MEMBERSHIP ON CENTRAL CARRIZO-WILCOX
21 COORDINATING COUNCIL. The district is a member of the Central

28 Sec. 8849.105. MANAGEMENT PLAN. The district shall develop
29 or contract to develop a district management plan under Section
30 36.1071, Water Code, and submit the plan to the Central
31 Carrizo-Wilcox Coordinating Council to be included in the
32 management plan developed by the council. (Acts 77th Leg., R.S.,

39 the management plan developed by the Central
40 Carrizo-Wilcox Coordinating Council.

41 Revised Law

42 Sec. 8849.106. REGIONAL COOPERATION. The district shall:

43 (1) adopt a management plan detailing proposed efforts
44 of the district to cooperate with other groundwater conservation

1 districts;

2 (2) participate as needed in coordination meetings
3 with adjacent groundwater conservation districts that share one or
4 more aquifers with the district;

5 (3) coordinate the collection of data with adjacent
6 groundwater conservation districts in such a way as to achieve
7 relative uniformity of data type and quality;

8 (4) provide groundwater level information to adjacent
9 groundwater conservation districts;

10 (5) investigate any groundwater pollution to identify
11 the pollution's source;

12 (6) notify adjacent groundwater conservation
13 districts and all appropriate agencies of any groundwater pollution
14 detected and the source of the pollution identified;

15 (7) provide to adjacent groundwater conservation
16 districts annually an inventory of water wells in the district and
17 an estimate of groundwater production in the district; and

18 (8) include adjacent groundwater conservation
19 districts on mailing lists for district newsletters and information
20 regarding seminars, public education events, news articles, and
21 field days. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0508.)

25 proposed efforts of the district to cooperate with
26 other groundwater conservation districts;

27 (2) participate as needed in coordination
28 meetings with adjacent groundwater conservation
29 districts that share one or more aquifers with the
30 district;

31 (3) coordinate the collection of data with
32 adjacent groundwater conservation districts in such a
33 way as to achieve relative uniformity of data type and
34 quality;

35 (4) provide groundwater level information
36 to adjacent groundwater conservation districts;

37 (5) investigate any groundwater pollution
38 to identify the pollution's source;

39 (6) notify adjacent groundwater
40 conservation districts and all appropriate agencies of
41 any groundwater pollution detected and the source of
42 pollution identified;

43 (7) provide to adjacent groundwater
44 conservation districts annually an inventory of water
45 wells in the district and an estimate of groundwater
46 production within the district; and

1 (8) include adjacent groundwater
2 conservation districts on mailing lists for district
3 newsletters and information regarding seminars,
4 public education events, news articles, and field
5 days.

6 Revisor's Note
7 (End of Subchapter)

8 (1) Section 6, Chapter 1331, Acts of the 76th
9 Legislature, Regular Session, 1999, prohibits a
10 district created under that act from adopting a
11 comprehensive management plan before September 1,
12 2001. This chapter does not include a revision of that
13 provision because it is executed. Section 6 reads:

14 Sec. 6. To ensure consistency of
15 district long-term management plans with
16 the regional planning process authorized by
17 Senate Bill No. 1 (Chapter 1010), Acts of
18 the 75th Legislature, Regular Session,
19 1997, a district may not adopt the
20 comprehensive management plan required by
21 Section 36.1071, Water Code, before
22 September 1, 2001.

23 (2) Section 6, Chapter 1323, Acts of the 77th
24 Legislature, Regular Session, 2001, prohibits the
25 district from requiring a permit for the drilling of
26 certain water wells. The revised law omits that
27 provision because it duplicates, in substance, Section
28 36.117(b)(2), Water Code. The omitted law reads:

29 Sec. 6. The district may not require
30 a permit for the drilling of a water well
31 used solely to supply water for a rig that
32 is actively engaged in drilling or
33 exploration operations for an oil or gas
34 well permitted by the Railroad Commission
35 of Texas, provided that the person holding
36 the permit is responsible for drilling and
37 operating the water well and the well is
38 located on the same lease or field
39 associated with the drilling rig.

41 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

42 Revised Law

43 Sec. 8849.151. PUMPING FEES. (a) The district may assess
44 regulatory pumping fees for water produced in or exported from the
45 district.

46 (b) The regulatory pumping fees the district assesses for

1 water for crop or livestock production or other agricultural uses
2 may not exceed 20 percent of the rate applied to water for municipal
3 uses.

4 (c) Regulatory pumping fees based on the amount of water
5 withdrawn from a well may not exceed:

6 (1) \$1 for each acre-foot for water used to irrigate
7 agricultural crops; or

8 (2) 17 cents for each thousand gallons for water used
9 for any other purpose.

10 (d) Combined regulatory pumping fees for production and
11 export of water may not exceed 17 cents for each thousand gallons
12 for water used. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0504(b)
13 (part); Acts 77th Leg., R.S., Ch. 1323, Secs. 4(c) (part), (d).)

14 Source Law

15 [Acts 77th Leg., R.S., Ch. 966, Sec. 3.0504]

16 (b) . . . The district may assess regulatory
17 pumping fees for water produced in or exported from the
18 district. The regulatory pumping fees the district
19 assesses for water for crop or livestock production or
20 other agricultural uses may not exceed 20 percent of
21 the rate applied to water for municipal uses.
22 Regulatory pumping fees based on the amount of water
23 withdrawn from a well may not exceed:

24 (1) \$1 per acre-foot for water used for the
25 purpose of irrigating agricultural crops; or

26 (2) 17 cents per thousand gallons for
27 water used for any other purpose.

28 [Acts 77th Leg., R.S., Ch. 1323, Sec. 4]

29 (c) . . . The district may assess regulatory
30 pumping fees for water produced in or exported from the
31 district. The regulatory pumping fees the district
32 assesses for water for crop or livestock production or
33 other agricultural uses may be no more than 20 percent
34 of the rate applied to water for municipal uses.
35 Regulatory pumping fees based on the amount of water
36 withdrawn from a well may not exceed:

37 (1) one dollar per acre-foot for water
38 used for the purpose of irrigating agricultural crops;
39 or

40 (2) 17 cents per thousand gallons for
41 water used for any other purpose.

42 (d) Combined regulatory pumping fees for
43 production and export of water may not exceed 17 cents
44 per thousand gallons for water used.

45 Revised Law

46 Sec. 8849.152. TAXES PROHIBITED. The district may not
47 impose a tax. (Acts 77th Leg., R.S., Ch. 966, Sec. 3.0504(b)
48 (part); Acts 77th Leg., R.S., Ch. 1323, Sec. 4(c) (part).)

1 that provision as it relates to the Lost Pines
2 Groundwater Conservation District because it was
3 executed when the creation of the district was
4 ratified by Section 3.0501, Chapter 966, and Section
5 1, Chapter 1323, Acts of the 77th Legislature, Regular
6 Session, 2001, subject to approval at a confirmation
7 election. Section 15 reads:

8 Sec. 15. (a) Notwithstanding the
9 provisions of Section 10 of this Act, an
10 election for the confirmation of the
11 creation of a groundwater conservation
12 district under this Act and for the
13 selection of initial directors for such
14 district shall not be held unless action is
15 taken by the 77th Legislature in its Regular
16 Session to ratify the creation of the
17 district.

18 (b) Except as provided by Subsection
19 (c) of this section, a groundwater
20 conservation district created by this Act
21 whose creation is not ratified by the 77th
22 Legislature as provided by Subsection (a)
23 of this section is dissolved effective
24 September 1, 2001.

25 (c) If a groundwater conservation
26 district is dissolved under this section,
27 the district has no further authority,
28 except that any debts incurred shall be paid
29 and the organization of the district shall
30 be maintained until all debts are paid.

31 (3) Section 3.0501, Chapter 966, and Section 1,
32 Chapter 1323, Acts of the 77th Legislature, Regular
33 Session, 2001, ratified the creation of the district,
34 subject to approval at a confirmation election. The
35 revised law omits those provisions as executed. The
36 omitted law reads:

37 [Acts 77th Leg., R.S., Ch. 966]

38 Sec. 3.0501. The creation of the Lost
39 Pines Groundwater Conservation District in
40 Bastrop and Lee counties by Chapter 1331,
41 Acts of the 76th Legislature, Regular
42 Session, 1999, is ratified as required by
43 Section 15(a) of that chapter, subject to
44 approval at a confirmation election under
45 Section 3.0507 of this part.

46 [Acts 77th Leg., R.S., Ch. 1323]

47 Sec. 1. The creation by Chapter 1331,
48 Acts of the 76th Legislature, Regular
49 Session, 1999 (Senate Bill No. 1911), of the
50 Lost Pines Groundwater Conservation
51 District in Bastrop and Lee counties is
52 ratified as required by Section 15(a) of
53 that Act, subject to approval at a

1 confirmation election under Section 8 of
2 this Act.

3 (4) Section 3.0509, Chapter 966, and Section
4 13(b), Chapter 1323, Acts of the 77th Legislature,
5 Regular Session, 2001, contain transition language
6 regarding the expiration of the part of the act
7 relating to the district or of the act, respectively,
8 if the district is not confirmed at a confirmation
9 election before a certain date. The revised law omits
10 those provisions as executed because the district was
11 confirmed within the required period. The omitted law
12 reads:

13 [Acts 77th Leg., R.S., Ch. 966]
14 Sec. 3.0509. If the creation of this
15 district is not confirmed at a confirmation
16 election held under Section 3.0507 of this
17 part before September 1, 2005, this part
18 expires on that date.

19 [Acts 77th Leg., R.S., Ch. 1323, Sec. 13]
20 (b) If the creation of this district
21 is not confirmed at a confirmation election
22 held under Section 8 of this Act before
23 September 1, 2003, this Act expires on that
24 date.

25 (5) Section 13.05, Chapter 966, Acts of the 77th
26 Legislature, Regular Session, 2001, provides that the
27 act is severable. This chapter does not include a
28 revision of that provision because it duplicates
29 Section 311.032, Government Code (Code Construction
30 Act), which states that a provision of a statute is
31 severable from each other provision of the statute
32 that can be given effect. Section 13.05 reads:

33 Sec. 13.05. If any provision of this
34 Act or its application to any person or
35 circumstance is held invalid, the
36 invalidity does not affect other provisions
37 or applications of this Act that can be
38 given effect without the invalid provision
39 or application, and to this end the
40 provisions of this Act are declared to be
41 severable.

42 (6) Section 16, Chapter 1331, Acts of the 76th
43 Legislature, Regular Session, 1999, recites
44 legislative findings regarding procedural

1 requirements for legislation affecting the districts
2 created by that act under the constitution and other
3 laws and rules, including proper legal notice and the
4 filing of recommendations. Section 13.04, Chapter
5 966, and Section 12, Chapter 1323, Acts of the 77th
6 Legislature, Regular Session, 2001, recite similar
7 findings regarding requirements for legislation
8 affecting the districts ratified by that act and of the
9 Lost Pines Groundwater Conservation District,
10 respectively. This chapter does not include a
11 revision of those provisions because they are
12 executed. Sections 16, 13.04, and 12 read:

13 [Acts 76th Leg., R.S., Ch. 1331]

14 Sec. 16. (a) The proper and legal
15 notice of the intention to introduce this
16 Act, setting forth the general substance of
17 this Act, has been published as provided by
18 law, and the notice and a copy of this Act
19 have been furnished to all persons,
20 agencies, officials, or entities to which
21 they are required to be furnished by the
22 constitution and other laws of this state,
23 including the governor, who has submitted
24 the notice and Act to the Texas Natural
25 Resource Conservation Commission.

26 (b) The Texas Natural Resource
27 Conservation Commission has filed its
28 recommendations relating to this Act with
29 the governor, lieutenant governor, and
30 speaker of the house of representatives
31 within the required time.

32 (c) All requirements of the
33 constitution and laws of this state and the
34 rules and procedures of the legislature
35 with respect to the notice, introduction,
36 and passage of this Act are fulfilled and
37 accomplished.

38 (d) The procedural requirements of
39 this section relating to the provision of
40 notice have been met by the provision of
41 notice of the introduction of the proposed
42 Acts of the 76th Legislature relating to the
43 creation of the groundwater conservation
44 districts now created by this Act.

45 [Acts 77th Leg., R.S., Ch. 966]

46 Sec. 13.04. (a) The proper and legal
47 notice of the intention to introduce this
48 Act, setting forth the general substance of
49 this Act, has been published as provided by
50 law, and the notice and a copy of this Act
51 have been furnished to all persons,
52 agencies, officials, or entities to which
53 they are required to be furnished by the
54 constitution and other laws of this state,
55 including the governor, who has submitted

1 the notice and Act to the Texas Natural
2 Resource Conservation Commission.

3 (b) The Texas Natural Resource
4 Conservation Commission has filed its
5 recommendations relating to this Act with
6 the governor, lieutenant governor, and
7 speaker of the house of representatives
8 within the required time.

9 (c) All requirements of the
10 constitution and laws of the state and the
11 rules and procedures of the legislature
12 with respect to the notice, introduction,
13 and passage of this Act are fulfilled and
14 accomplished.

15 [Acts 77th Leg., R.S., Ch. 1323]

16 Sec. 12. (a) The proper and legal
17 notice of the intention to introduce this
18 Act, setting forth the general substance of
19 this Act, has been published as provided by
20 law, and the notice and a copy of this Act
21 have been furnished to all persons,
22 agencies, officials, or entities to which
23 they are required to be furnished by the
24 constitution and other laws of this state,
25 including the governor, who has submitted
26 the notice and Act to the Texas Natural
27 Resource Conservation Commission.

28 (b) The Texas Natural Resource
29 Conservation Commission has filed its
30 recommendations relating to this Act with
31 the governor, lieutenant governor, and
32 speaker of the house of representatives
33 within the required time.

34 (c) All requirements of the
35 constitution and laws of this state and the
36 rules and procedures of the legislature
37 with respect to the notice, introduction,
38 and passage of this Act are fulfilled and
39 accomplished.

1 ~~[The Legislature hereby finds that the foregoing boundaries~~
2 ~~and field notes of said District form a closure, and, if any mistake~~
3 ~~is made in copying the field notes in the legislative process, such~~
4 ~~mistake shall not affect the organization, existence or validity of~~
5 ~~the District or its right to issue bonds or refunding bonds, and the~~
6 ~~right to assess, levy and collect taxes, or in any other manner~~
7 ~~affect the legality or operation of the District.]~~

8 SECTION 2.02. Section 2a, Chapter 477, Acts of the 59th
9 Legislature, Regular Session, 1965, is amended to read as follows:

10 Sec. 2a. The boundaries of the Muenster Hospital District
11 are ~~[may be changed so as to include the territory located in Cooke~~
12 ~~County, Texas, described below, and if such change in boundaries is~~
13 ~~effected, the District as enlarged shall assume and be obligated to~~
14 ~~pay all indebtedness of the District as the same exists prior to~~
15 ~~such expansion of boundaries within the taxing limit approved at~~
16 ~~the election for which provision is hereafter made, and the~~
17 ~~District shall continue to have the same duties and~~
18 ~~responsibilities, over its extended boundaries, as now imposed,~~
19 ~~except as modified by this Act. The territory which may be added to~~
20 ~~the District is described as follows:~~

21 ~~[FIELD NOTES TO THE ADDITION TO MUENSTER HOSPITAL DISTRICT~~

14 (4) Chapter 915, Acts of the 70th Legislature, Regular
15 Session, 1987;

16 (5) Section 22, Chapter 759, Acts of the 78th
17 Legislature, Regular Session, 2003;

18 (6) Sections 1, 2, 4, 5, 6, 7, 8, 9, 10, 11, and 12,
19 Chapter 1075, Acts of the 75th Legislature, Regular Session, 1997;

20 (7) Chapter 1361, Acts of the 77th Legislature,
21 Regular Session, 2001;

22 (8) Chapter 772, Acts of the 78th Legislature, Regular
23 Session, 2003;

24 (9) Chapter 1291, Acts of the 77th Legislature,
25 Regular Session, 2001;

26 (10) Chapter 1474, Acts of the 77th Legislature,
27 Regular Session, 2001;

28 (11) Chapter 1294, Acts of the 77th Legislature,
29 Regular Session, 2001;

30 (12) Chapter 1358, Acts of the 77th Legislature,
31 Regular Session, 2001;

32 (13) Chapter 376, Acts of the 69th Legislature,
33 Regular Session, 1985;

34 (14) Chapter 26, Acts of the 70th Legislature, Regular

1 Session, 1987;

2 (15) Chapter 1045, Acts of the 71st Legislature,
3 Regular Session, 1989;

4 (16) Chapter 302, Acts of the 77th Legislature,
5 Regular Session, 2001;

6 (17) Chapter 489, Acts of the 67th Legislature,
7 Regular Session, 1981;

8 (18) Sections 2 and 3, Chapter 294, Acts of the 77th
9 Legislature, Regular Session, 2001;

10 (19) Chapter 693, Acts of the 72nd Legislature,
11 Regular Session, 1991;

12 (20) Chapter 865, Acts of the 70th Legislature,
13 Regular Session, 1987;

14 (21) Chapter 1344, Acts of the 77th Legislature,
15 Regular Session, 2001;

16 (22) Part 4, Chapter 966, Acts of the 77th

19 Regular Session, 2001;

20 (24) Part 5, Chapter 966, Acts of the 77th
21 Legislature, Regular Session, 2001; and

22 (25) Chapter 1323, Acts of the 77th Legislature,
23 Regular Session, 2001.

24 SECTION 4.01. LEGISLATIVE INTENT OF NO SUBSTANTIVE CHANGE.
25 This Act is enacted under Section 43, Article III, Texas
26 Constitution. This Act is intended as a codification only, and no
27 substantive change in the law is intended by this Act. This Act
28 does not increase or decrease the territory of any special district
29 of the state as those boundaries exist on the effective date of this
30 Act.

31 SECTION 4.02. PRESERVATION OF VALIDATION MADE BY PREVIOUS
32 LAW. (a) The repeal of a law, including a validating law, by this
33 Act does not remove, void, or otherwise affect in any manner a
34 validation under the repealed law. The validation is preserved and

1 continues to have the same effect that it would have if the law were
2 not repealed.

3 (b) Subsection (a) of this section does not diminish the
4 saving provisions prescribed by Section 311.031, Government Code.

5 SECTION 4.03. EFFECTIVE DATE. This Act takes effect April
6 1, 2011.

1 APPENDIX B

2 CHAPTER 311. CODE CONSTRUCTION ACT

3 (current as of end of 81st Legislature, 1st Called Session, 2009)

4 SUBCHAPTER A. GENERAL PROVISIONS

5 Sec. 311.001. SHORT TITLE. This chapter may be cited as the
6 Code Construction Act.

7 Sec. 311.002. APPLICATION. This chapter applies to:

8 (1) each code enacted by the 60th or a subsequent
9 legislature as part of the state's continuing statutory revision
10 program;

11 (2) each amendment, repeal, revision, and reenactment
12 of a code or code provision by the 60th or a subsequent legislature;

13 (3) each repeal of a statute by a code; and

14 (4) each rule adopted under a code.

15 Sec. 311.003. RULES NOT EXCLUSIVE. The rules provided in
16 this chapter are not exclusive but are meant to describe and clarify
17 common situations in order to guide the preparation and
18 construction of codes.

19 Sec. 311.004. CITATION OF CODES. A code may be cited by its
20 name preceded by the specific part concerned. Examples of
21 citations are:

22 (1) Title 1, Business & Commerce Code;

23 (2) Chapter 5, Business & Commerce Code;

24 (3) Section 9.304, Business & Commerce Code;

25 (4) Section 15.06(a), Business & Commerce Code; and

26 (5) Section 17.18(b)(1)(B)(ii), Business & Commerce
27 Code.

28 Sec. 311.005. GENERAL DEFINITIONS. The following
29 definitions apply unless the statute or context in which the word or
30 phrase is used requires a different definition:

31 (1) "Oath" includes affirmation.

32 (2) "Person" includes corporation, organization,
33 government or governmental subdivision or agency, business trust,
34 estate, trust, partnership, association, and any other legal

1 entity.

2 (3) "Population" means the population shown by the
3 most recent federal decennial census.

4 (4) "Property" means real and personal property.

5 (5) "Rule" includes regulation.

6 (6) "Signed" includes any symbol executed or adopted
7 by a person with present intention to authenticate a writing.

8 (7) "State," when referring to a part of the United
9 States, includes any state, district, commonwealth, territory, and
10 insular possession of the United States and any area subject to the
11 legislative authority of the United States of America.

12 (8) "Swear" includes affirm.

13 (9) "United States" includes a department, bureau, or
14 other agency of the United States of America.

15 (10) "Week" means seven consecutive days.

16 (11) "Written" includes any representation of words,
17 letters, symbols, or figures.

18 (12) "Year" means 12 consecutive months.

19 (13) "Includes" and "including" are terms of
20 enlargement and not of limitation or exclusive enumeration, and use
21 of the terms does not create a presumption that components not
22 expressed are excluded.

23 Sec. 311.006. INTERNAL REFERENCES. In a code:

24 (1) a reference to a title, chapter, or section
25 without further identification is a reference to a title, chapter,
26 or section of the code; and

27 (2) a reference to a subtitle, subchapter, subsection,
28 subdivision, paragraph, or other numbered or lettered unit without
29 further identification is a reference to a unit of the next larger
30 unit of the code in which the reference appears.

31 SUBCHAPTER B. CONSTRUCTION OF WORDS AND PHRASES

32 Sec. 311.011. COMMON AND TECHNICAL USAGE OF WORDS.

33 (a) Words and phrases shall be read in context and construed
34 according to the rules of grammar and common usage.

1 (b) Words and phrases that have acquired a technical or
2 particular meaning, whether by legislative definition or
3 otherwise, shall be construed accordingly.

4 Sec. 311.012. TENSE, NUMBER, AND GENDER. (a) Words in the
5 present tense include the future tense.

6 (b) The singular includes the plural and the plural includes
7 the singular.

8 (c) Words of one gender include the other genders.

9 Sec. 311.013. AUTHORITY AND QUORUM OF PUBLIC BODY. (a) A
10 grant of authority to three or more persons as a public body confers
11 the authority on a majority of the number of members fixed by
12 statute.

13 (b) A quorum of a public body is a majority of the number of
14 members fixed by statute.

15 Sec. 311.014. COMPUTATION OF TIME. (a) In computing a
16 period of days, the first day is excluded and the last day is
17 included.

18 (b) If the last day of any period is a Saturday, Sunday, or
19 legal holiday, the period is extended to include the next day that
20 is not a Saturday, Sunday, or legal holiday.

21 (c) If a number of months is to be computed by counting the
22 months from a particular day, the period ends on the same numerical
23 day in the concluding month as the day of the month from which the
24 computation is begun, unless there are not that many days in the
25 concluding month, in which case the period ends on the last day of
26 that month.

27 Sec. 311.015. REFERENCE TO A SERIES. If a statute refers to
28 a series of numbers or letters, the first and last numbers or
29 letters are included.

30 Sec. 311.016. "MAY," "SHALL," "MUST," ETC. The following
31 constructions apply unless the context in which the word or phrase
32 appears necessarily requires a different construction or unless a
33 different construction is expressly provided by statute:

34 (1) "May" creates discretionary authority or grants

1 permission or a power.

2 (2) "Shall" imposes a duty.

3 (3) "Must" creates or recognizes a condition
4 precedent.

5 (4) "Is entitled to" creates or recognizes a right.

6 (5) "May not" imposes a prohibition and is synonymous
7 with "shall not."

8 (6) "Is not entitled to" negates a right.

9 (7) "Is not required to" negates a duty or condition
10 precedent.

11 SUBCHAPTER C. CONSTRUCTION OF STATUTES

12 Sec. 311.021. INTENTION IN ENACTMENT OF STATUTES. In
13 enacting a statute, it is presumed that:

14 (1) compliance with the constitutions of this state
15 and the United States is intended;

16 (2) the entire statute is intended to be effective;

17 (3) a just and reasonable result is intended;

18 (4) a result feasible of execution is intended; and

19 (5) public interest is favored over any private
20 interest.

21 Sec. 311.022. PROSPECTIVE OPERATION OF STATUTES. A statute
22 is presumed to be prospective in its operation unless expressly
23 made retrospective.

24 Sec. 311.023. STATUTE CONSTRUCTION AIDS. In construing a
25 statute, whether or not the statute is considered ambiguous on its
26 face, a court may consider among other matters the:

27 (1) object sought to be attained;

28 (2) circumstances under which the statute was enacted;

29 (3) legislative history;

30 (4) common law or former statutory provisions,
31 including laws on the same or similar subjects;

32 (5) consequences of a particular construction;

33 (6) administrative construction of the statute; and

34 (7) title (caption), preamble, and emergency

1 provision.

2 Sec. 311.024. HEADINGS. The heading of a title, subtitle,
3 chapter, subchapter, or section does not limit or expand the
4 meaning of a statute.

5 Sec. 311.025. IRRECONCILABLE STATUTES AND AMENDMENTS.

6 (a) Except as provided by Section 311.031(d), if statutes enacted
7 at the same or different sessions of the legislature are
8 irreconcilable, the statute latest in date of enactment prevails.

9 (b) Except as provided by Section 311.031(d), if amendments
10 to the same statute are enacted at the same session of the
11 legislature, one amendment without reference to another, the
12 amendments shall be harmonized, if possible, so that effect may be
13 given to each. If the amendments are irreconcilable, the latest in
14 date of enactment prevails.

15 (c) In determining whether amendments are irreconcilable,
16 text that is reenacted because of the requirement of Article III,
17 Section 36, of the Texas Constitution is not considered to be
18 irreconcilable with additions or omissions in the same text made by
19 another amendment. Unless clearly indicated to the contrary, an
20 amendment that reenacts text in compliance with that constitutional
21 requirement does not indicate legislative intent that the reenacted
22 text prevail over changes in the same text made by another
23 amendment, regardless of the relative dates of enactment.

24 (d) In this section, the date of enactment is the date on
25 which the last legislative vote is taken on the bill enacting the
26 statute.

27 (e) If the journals or other legislative records fail to
28 disclose which of two or more bills in conflict is latest in date of
29 enactment, the date of enactment of the respective bills is
30 considered to be, in order of priority:

31 (1) the date on which the last presiding officer
32 signed the bill;

33 (2) the date on which the governor signed the bill; or

34 (3) the date on which the bill became law by operation

1 of law.

2 Sec. 311.026. SPECIAL OR LOCAL PROVISION PREVAILS OVER
3 GENERAL. (a) If a general provision conflicts with a special or
4 local provision, the provisions shall be construed, if possible, so
5 that effect is given to both.

6 (b) If the conflict between the general provision and the
7 special or local provision is irreconcilable, the special or local
8 provision prevails as an exception to the general provision, unless
9 the general provision is the later enactment and the manifest
10 intent is that the general provision prevail.

11 Sec. 311.027. STATUTORY REFERENCES. Unless expressly
12 provided otherwise, a reference to any portion of a statute or rule
13 applies to all reenactments, revisions, or amendments of the
14 statute or rule.

15 Sec. 311.028. UNIFORM CONSTRUCTION OF UNIFORM ACTS. A
16 uniform act included in a code shall be construed to effect its
17 general purpose to make uniform the law of those states that enact
18 it.

19 Sec. 311.029. ENROLLED BILL CONTROLS. If the language of
20 the enrolled bill version of a statute conflicts with the language
21 of any subsequent printing or reprinting of the statute, the
22 language of the enrolled bill version controls.

23 Sec. 311.030. REPEAL OF REPEALING STATUTE. The repeal of a
24 repealing statute does not revive the statute originally repealed
25 nor impair the effect of any saving provision in it.

26 Sec. 311.031. SAVING PROVISIONS. (a) Except as provided
27 by Subsection (b), the reenactment, revision, amendment, or repeal
28 of a statute does not affect:

29 (1) the prior operation of the statute or any prior
30 action taken under it;

31 (2) any validation, cure, right, privilege,
32 obligation, or liability previously acquired, accrued, accorded,
33 or incurred under it;

34 (3) any violation of the statute or any penalty,

1 forfeiture, or punishment incurred under the statute before its
2 amendment or repeal; or

3 (4) any investigation, proceeding, or remedy
4 concerning any privilege, obligation, liability, penalty,
5 forfeiture, or punishment; and the investigation, proceeding, or
6 remedy may be instituted, continued, or enforced, and the penalty,
7 forfeiture, or punishment imposed, as if the statute had not been
8 repealed or amended.

9 (b) If the penalty, forfeiture, or punishment for any
10 offense is reduced by a reenactment, revision, or amendment of a
11 statute, the penalty, forfeiture, or punishment, if not already
12 imposed, shall be imposed according to the statute as amended.

13 (c) The repeal of a statute by a code does not affect an
14 amendment, revision, or reenactment of the statute by the same
15 legislature that enacted the code. The amendment, revision, or
16 reenactment is preserved and given effect as part of the code
17 provision that revised the statute so amended, revised, or
18 reenacted.

19 (d) If any provision of a code conflicts with a statute
20 enacted by the same legislature that enacted the code, the statute
21 controls.

22 Sec. 311.032. SEVERABILITY OF STATUTES. (a) If any
23 statute contains a provision for severability, that provision
24 prevails in interpreting that statute.

25 (b) If any statute contains a provision for
26 nonseverability, that provision prevails in interpreting that
27 statute.

28 (c) In a statute that does not contain a provision for
29 severability or nonseverability, if any provision of the statute or
30 its application to any person or circumstance is held invalid, the
31 invalidity does not affect other provisions or applications of the
32 statute that can be given effect without the invalid provision or
33 application, and to this end the provisions of the statute are
34 severable.

1 Sec. 311.034. WAIVER OF SOVEREIGN IMMUNITY. In order to
2 preserve the legislature's interest in managing state fiscal
3 matters through the appropriations process, a statute shall not be
4 construed as a waiver of sovereign immunity unless the waiver is
5 effected by clear and unambiguous language. In a statute, the use
6 of "person," as defined by Section 311.005 to include governmental
7 entities, does not indicate legislative intent to waive sovereign
8 immunity unless the context of the statute indicates no other
9 reasonable construction. Statutory prerequisites to a suit,
10 including the provision of notice, are jurisdictional requirements
11 in all suits against a governmental entity.
